ADDENDUM NUMBER 4:

Re: PD 18-19.041 Inmate Goods and Cleaning Supplies

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 4 provides for the following update to the screen-printing requirements:

All screen-print items are as needed. Clothing should be priced without screen-printing.

Escambia County Road Prison (ECRP):	**Price per Screen Print**
Shirt: 2" Screen Print that reads **ECRP**	_____
Pants: 1.5" Screen Print that reads **ECRP**	_____
Jumpsuits: Front, Left Leg (1.5") & Top Back (2") that reads **ECRP**	_____
Escambia County Jail:	
Jumpsuits: Front, Left Leg (4") & Top Back (4") that reads **Esc. Co. JAIL**	_____

Please include the pricing on this addendum with your bid response if your firm will be bidding on the screen-printing services. If your firm has already submitted their bid and there will be no changes to the pricing for screen-printing, Escambia County will utilize the screen-printing pricing listed on the Bid Form.

This Addendum Number 4 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo copy this form for your records.

Sincerely,

Jeffrey Lovingood
Purchasing Coordinator

PRICING AGREEMENT RELATING TO
INMATE GOODS AND CLEANING SUPPLIES PD 18-19.041

This Agreement is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), with administrative offices located at 221 South Palafox Street, Pensacola, Florida 32502, and Bob Barker Company, Inc., a for-profit corporation, authorized to conduct business in the State of Florida (hereinafter referred to as "Contractor"), FEI/EIN 56-1558062, whose principal address is 7925 Purfory Road, Fuquay-Varina, NC 27526.

WITNESSETH:

WHEREAS, on May 6, 2019, the County issued an Invitation to Bid to establish pricing agreements for the purchase of inmate goods and cleaning supplies for Escambia County Department of Corrections (PD 18-19.041); and

WHEREAS, the County desires to enter into an agreement with Contractor for the provision of purchasing such goods and supplies on an "item-by-item" basis as specified herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence as of the effective date and continue for a term of twelve (12) months with the option to renew for two (2) additional twelve (12) month terms. In no event will the term of this Agreement exceed the duration of thirty-six (36) months from the date of commencement.

3. Scope. Contractor shall perform in accordance with the terms and conditions as outlined in Escambia County's *Invitation to Bid for Inmate Goods and Cleaning Supplies, Specification No. PD 18-19.041*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement will prevail.

4. Pricing. County shall pay Contractor in accordance with the Contractor's Bid Form, attached hereto as **Exhibit B**. The prices shall include all costs of packaging, transporting, delivery and unloading to designated point within Escambia County. All items purchased by the County pursuant to this agreement are subject to post sale audit adjustment. In the event an audit indicates Contractor has not honored quoted price lists and discounts, Contractor will be liable for any and all overage charges.

5. Price Adjustments. Written requests for price adjustment may be made by Contractor every twelve (12) months, no less than 60 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bona fide cost increase to the vendor. Price adjustments will be accomplished by written amendment to this contract approved by the Board of County Commissioners.

6. Purchase Orders. The County shall issue written purchase orders to the Contractor on an as-needed basis. The items shall be described in detail and the time frame in which delivery needs to be accomplished will be stated in the purchase order. No minimum quantity is

guaranteed during the term of this Agreement, and only items ordered pursuant to a purchase order will be compensated.

7. Ordering of the Work. Contractor is one of several firms selected as a vendor for the provision of the same or similar terms pursuant to this Agreement. The County expressly reserves the exclusive right to assign specific purchase orders to the Contractor it deems the most responsive and responsible bidder on an "item-by-item" basis. This Agreement does not guarantee any amount will be ordered from the Contractor.

8. Method of Payment/Billing. Contractor may request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of items received and accepted with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Escambia County Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

9. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the County shall be paid for materials purchased through the date of termination.

10. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

9. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

10. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

11. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Bob Barker Company, Inc
7925 Purfory Road
Fuquay-Carina, NC 27526

To: Escambia County
Attention: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

12 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

13. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

14. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

15. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement, including but not limited to properly registering as a lobbyist for representation of the County with the appropriate governmental entities as well as making all necessary lobbying reports in a timely manner to the proper authorities.

16. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

17. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

18. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.041, "Inmate Goods and Cleaning Supplies", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the Bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. **Sanctions**

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Scope of Work Summary

The purpose of this Invitation to Bid is to establish a Multiple Price Agreement to provide Escambia County Corrections Department with quality supplies and prompt reliable service from multiple responsive and responsible vendors at fair and reasonable prices. Bidders shall also list on the Bid Form a percentage discount off catalog retail prices for any catalog items not shown on the Unit Price List.

The Escambia County Corrections Department does not operate, nor are there plans to establish, and type of central store or stockroom for products contained in this solicitation. The Department maintains an inventory of only those supplies necessary to meet its immediate needs and any awarded Vendor(s) shall allow the Department to operate a stock-less warehouse methodology.

The estimated department-wide expenditure for this solicitation is $219,700. Purchase Orders will be issued to the Vendor(s) with the lowest price per catalog item.

Some items called for have been identified by a brand name or equal description shown on the Unit Price List. Such identification is intended to be descriptive, not restrictive, and is intended to indicate the quality, characteristic, and performance expectation of the product that will be satisfactory.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **5%** of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and

the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form, and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. Last day for questions will be May 28, 2019 at 5:00 p.m. CDT.

5. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope with Original signatures in indelible ink, and signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

6. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Office of Purchasing, 213 Palafox Place, Pensacola, FL 32502 in Conference Room #11.407 on May 21, 2019 at 10:00 AM CDT.

It is strongly encouraged that all potential bidders attend this non-mandatory conference so they can ask questions and be automatically notified of any updates prior to the Bid Opening.

7. F.O.B. Point

The F.O.B. point shall be destination within Escambia County. The prices offered shall include all costs of packaging, transporting, delivery and unloading **(this includes inside delivery if requested)** to designated point within Escambia County.

8. Delivery

Delivery to be as notified by Escambia County. The quantity will depend upon the County's need at the time of request.

9. Compliance with Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded Vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the Vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS) The MSDS shall include the following information.

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

1. The potential for fire, explosion, corrosiveness and reactivity;

2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

10. Payment

Partial billing will not be accepted. Escambia County will pay 100% of the contract price after all items have been delivered and accepted. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 South Palafox Place
Pensacola, FL 32502

11. Brand/Manufacturer Referenced

Reference manufacturer indicated. Products similar in design and equal in function and performance may also be considered. Alternate offers shall include detailed specifications and/or descriptive literature. Failure to include such specifications or literature may be cause for disqualification of the offer.

12. Equivalents/Samples

Vendors offering equivalent to the "as specified" item(s) shall submit a sample and detailed specifications to the Office of Purchasing for evaluation purposes > days prior to the solicitation opening. Each particular specification which the equivalent item does meet shall be listed along with detailed specification sheet. **All samples shall be identified by Vendor name and solicitation number.** Non-consumable samples may be returned at Vendor's expense upon request after award.

13. Samples/Demonstrations

Samples of any product or demonstrations shall be furnished upon request for a quality

test or comparison without cost to the County. **All samples shall be identified by Vendor name and solicitation number.**

14. Catalogs

The awarded vendor(s) shall provide Three (3) copies of their current catalogs and new editions of the catalogs when published. Current pricing information must be provided with each catalog.

15. Packaging/Shipping Labels

Shipping labels shall be attached to each carton and shall contain the following information: purchase order number, quantity contained in each package, and total number of items being delivered.

16. Emergency Services

The awarded Vendor(s) resulting from this solicitation is for services that may be required during **EMERGENCY** situations such as hurricanes, major fires, etc. Time is of the essence during these situations and the Vendor(s) awarded this contract should be able to be contacted at any time, day or night.

The Bid Form provides for the emergency information to be supplied. Please be sure to include **all** this information when returning your bid.

17. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of **twelve (12) months**. The contract may be renewed for additional twelve (12) month periods, up to a **maximum thirty-six (36) months** upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

   Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an "as needed" basis.

C. The contract may be canceled by the awarded Vendor(s), for good cause, upon ninety (90) days prior written notice.

D. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

E. In the event of termination by either party as provided herein, the awarded Vendor shall be paid for services performed through the date of termination.

18. Pricing

All items sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates Offeror has not honored quoted price lists and discounts, Offeror will be liable for any and all overage charges.

19. Price Adjustment

The contract resulting from this Solicitation may include provisions for Twelve (12) month, price adjustments. Written request for price adjustment may be made every Twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the Vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract and approved by the Board of County Commissioners.

20. Purchasing Agreements with other Government Agencies

The submission of any offer in response to this Solicitation constitutes an offer made under the same terms and conditions, for the same contract price, to other governmental agencies within Escambia, Santa Rosa Counties, unless otherwise stipulated by the Offeror on the Bid form.

Each governmental agency desiring to accept these offers, and make an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases and each shall be liable only for materials ordered and received by it, and no agency assumes any liability by virtue of this solicitation.

21. Changes – Additional Items

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

A. Description of services to be performed.

B. Time of performance (i.e., hours of the day, days of the week, etc.).

C. Place of performance of the services.

If additional catalog items are required from the awarded Vendor(s) that are not listed in the attached Unit Price List, the County shall apply the discount percentage noted on the Unit Price List to the retail price for all unlisted items. The County reserves the right to add any Vendor(s) catalog items not contained in the Unit Price List to the contract for the remaining term of the agreement and any subsequent term extensions of the agreement.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

22. Ordering

The County will issue release (purchase) orders against the contract on an as needed basis for the supplies or services listed on the Bid form.

23. Licenses, Certifications, Registrations

The Offeror shall at any time of Bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the Bid submission; and, the Offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

24. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

25. Award

Multiple awards will be made based upon responsibility and responsiveness to the needs of the County. It is the intent of the County to place Orders with the responsive and responsible bidders who can provide the services based upon the needs of the County at the time.

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

26. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded Vendor, Escambia County may serve written notice upon the awarded Vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the Vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

27. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

28. Quantity

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the Bid form. It is understood by all Offeror's that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

Non-Contract Insurance Requirements

29. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Motor Truck Cargo Coverage

If the installation floater insurance does not provide transportation coverage, separate motor truck cargo or transportation insurance is to be provided for materials or equipment transported in the contractor's or other vehicles from place of receipt to building sites or other storage sites. All risks coverage is preferred.

Fidelity/Dishonesty/Liability Coverage - for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

30. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

ADDENDUM NUMBER 4:

Re: PD 18-19.041 Inmate Goods and Cleaning Supplies

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 4 provides for the following update to the screen-printing requirements:

All screen-print items are as needed. Clothing should be priced without screen-printing.

Escambia County Road Prison (ECRP):	**Price per Screen Print**
Shirt: 2" Screen Print that reads **ECRP**	.52
Pants: 1.5" Screen Print that reads **ECRP**	.52
Jumpsuits: Front, Left Leg (1.5") & Top Back (2") that reads **ECRP**	1.04 (.52 each screen)
Escambia County Jail:	
Jumpsuits: Front, Left Leg (4") & Top Back (4") that reads **Esc. Co. JAIL**	1.04 or (.52 each screen)

Please include the pricing on this addendum with your bid response if your firm will be bidding on the screen-printing services. If your firm has already submitted their bid and there will be no changes to the pricing for screen-printing, Escambia County will utilize the screen-printing pricing listed on the Bid Form.

This Addendum Number 4 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo copy this form for your records.

Sincerely,

Jeffrey Lovingood
Purchasing Coordinator

PRICING AGREEMENT RELATING TO
INMATE GOODS AND CLEANING SUPPLIES PD 18-19.041

This Agreement is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), with administrative offices located at 221 South Palafox Street, Pensacola, Florida 32502, and Charles Neely Corporation, D/B/A PR Chemical and Paper Supply, a for-profit corporation, authorized to conduct business in the State of Florida (hereinafter referred to as "Contractor"), FEI/EIN 59-3374698, whose principal address is 3435 Dr. Martin Luther King Jr. Drive, Pensacola, FL 32503.

WITNESSETH:

WHEREAS, on May 6, 2019, the County issued an Invitation to Bid to establish pricing agreements for the purchase of inmate goods and cleaning supplies for Escambia County Department of Corrections (PD 18-19.041); and

WHEREAS, the County desires to enter into an agreement with Contractor for the provision of purchasing such goods and supplies on an "item-by-item" basis as specified herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence as of the effective date and continue for a term of twelve (12) months with the option to renew for two (2) additional twelve (12) month terms. In no event will the term of this Agreement exceed the duration of thirty-six (36) months from the date of commencement.

3. Scope. Contractor shall perform in accordance with the terms and conditions as outlined in Escambia County's *Invitation to Bid for Inmate Goods and Cleaning Supplies, Specification No. PD 18-19.041*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement will prevail.

4. Pricing. County shall pay Contractor in accordance with the Contractor's Bid Form, attached hereto as **Exhibit B**. The prices shall include all costs of packaging, transporting, delivery and unloading to designated point within Escambia County. All items purchased by the County pursuant to this agreement are subject to post sale audit adjustment. In the event an audit indicates Contractor has not honored quoted price lists and discounts, Contractor will be liable for any and all overage charges.

5. Price Adjustments. Written requests for price adjustment may be made by Contractor every twelve (12) months, no less than 60 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bona fide cost increase to the vendor. Price adjustments will be accomplished by written amendment to this contract approved by the Board of County Commissioners.

6. Purchase Orders. The County shall issue written purchase orders to the Contractor on an as-needed basis. The items shall be described in detail and the time frame in which delivery needs to be accomplished will be stated in the purchase order. No minimum quantity is

guaranteed during the term of this Agreement, and only items ordered pursuant to a purchase order will be compensated.

7. Ordering of the Work. Contractor is one of several firms selected as a vendor for the provision of the same or similar terms pursuant to this Agreement. The County expressly reserves the exclusive right to assign specific purchase orders to the Contractor it deems the most responsive and responsible bidder on an "item-by-item" basis. This Agreement does not guarantee any amount will be ordered from the Contractor.

8. Method of Payment/Billing. Contractor may request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of items received and accepted with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Escambia County Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

9. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the County shall be paid for materials purchased through the date of termination.

10. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

9. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

10. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

11. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Charles Neely Corporation
3435 Dr. Martin Luther King Jr. Drive
Pensacola, Florida 32503

To: Escambia County
Attention: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

12 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

13. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

14. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

15. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement, including but not limited to properly registering as a lobbyist for representation of the County with the appropriate governmental entities as well as making all necessary lobbying reports in a timely manner to the proper authorities.

16. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

17. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

18. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. **General Information**

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.041, "Inmate Goods and Cleaning Supplies", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the Bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. **Sanctions**

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. **Scope of Work Summary**

The purpose of this Invitation to Bid is to establish a Multiple Price Agreement to provide Escambia County Corrections Department with quality supplies and prompt reliable service from multiple responsive and responsible vendors at fair and reasonable prices. Bidders shall also list on the Bid Form a percentage discount off catalog retail prices for any catalog items not shown on the Unit Price List.

The Escambia County Corrections Department does not operate, nor are there plans to establish, and type of central store or stockroom for products contained in this solicitation. The Department maintains an inventory of only those supplies necessary to meet its immediate needs and any awarded Vendor(s) shall allow the Department to operate a stock-less warehouse methodology.

The estimated department-wide expenditure for this solicitation is $219,700. Purchase Orders will be issued to the Vendor(s) with the lowest price per catalog item.

Some items called for have been identified by a brand name or equal description shown on the Unit Price List. Such identification is intended to be descriptive, not restrictive, and is intended to indicate the quality, characteristic, and performance expectation of the product that will be satisfactory.

3. **Bid Surety**

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of 5% of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and

the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form, and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. **Procurement Questions**

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. Last day for questions will be May 28, 2019 at 5:00 p.m. CDT.

5. **Bid Forms**

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope with Original signatures in indelible ink, and signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

6. **Pre-Solicitation Conference**

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Office of Purchasing, 213 Palafox Place, Pensacola, FL 32502 in Conference Room #11.407 on May 21, 2019 at 10:00 AM CDT.

It is strongly encouraged that all potential bidders attend this non-mandatory conference so they can ask questions and be automatically notified of any updates prior to the Bid Opening.

7. **F.O.B. Point**

The F.O.B. point shall be destination within Escambia County. The prices offered shall include all costs of packaging, transporting, delivery and unloading **(this includes inside delivery if requested)** to designated point within Escambia County.

8. **Delivery**

Delivery to be as notified by Escambia County. The quantity will depend upon the County's need at the time of request.

9. **Compliance with Occupational Safety and Health**

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded Vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the Vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS) The MSDS shall include the following information.

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

1. The potential for fire, explosion, corrosiveness and reactivity;

2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

10. Payment

Partial billing will not be accepted. Escambia County will pay 100% of the contract price after all items have been delivered and accepted. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 South Palafox Place
Pensacola, FL 32502

11. Brand/Manufacturer Referenced

Reference manufacturer indicated. Products similar in design and equal in function and performance may also be considered. Alternate offers shall include detailed specifications and/or descriptive literature. Failure to include such specifications or literature may be cause for disqualification of the offer.

12. Equivalents/Samples

Vendors offering equivalent to the "as specified" item(s) shall submit a sample and detailed specifications to the Office of Purchasing for evaluation purposes > days prior to the solicitation opening. Each particular specification which the equivalent item does meet shall be listed along with detailed specification sheet. **All samples shall be identified by Vendor name and solicitation number.** Non-consumable samples may be returned at Vendor's expense upon request after award.

13. Samples/Demonstrations

Samples of any product or demonstrations shall be furnished upon request for a quality

test or comparison without cost to the County. **All samples shall be identified by Vendor name and solicitation number.**

14. Catalogs

The awarded vendor(s) shall provide Three (3) copies of their current catalogs and new editions of the catalogs when published. Current pricing information must be provided with each catalog.

15. Packaging/Shipping Labels

Shipping labels shall be attached to each carton and shall contain the following information: purchase order number, quantity contained in each package, and total number of items being delivered.

16. Emergency Services

The awarded Vendor(s) resulting from this solicitation is for services that may be required during **EMERGENCY** situations such as hurricanes, major fires, etc. Time is of the essence during these situations and the Vendor(s) awarded this contract should be able to be contacted at any time, day or night.

The Bid Form provides for the emergency information to be supplied. Please be sure to include all this information when returning your bid.

17. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of **twelve (12) months**. The contract may be renewed for additional twelve (12) month periods, up to a **maximum thirty-six (36) months** upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an "as needed" basis.

C. The contract may be canceled by the awarded Vendor(s), for good cause, upon ninety (90) days prior written notice.

D. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

E. In the event of termination by either party as provided herein, the awarded Vendor shall be paid for services performed through the date of termination.

18. Pricing

All items sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates Offeror has not honored quoted price lists and discounts, Offeror will be liable for any and all overage charges.

19. Price Adjustment

The contract resulting from this Solicitation may include provisions for Twelve (12) month, price adjustments. Written request for price adjustment may be made every Twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the Vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract and approved by the Board of County Commissioners.

20. Purchasing Agreements with other Government Agencies

The submission of any offer in response to this Solicitation constitutes an offer made under the same terms and conditions, for the same contract price, to other governmental agencies within Escambia, Santa Rosa Counties, unless otherwise stipulated by the Offeror on the Bid form.

Each governmental agency desiring to accept these offers, and make an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases and each shall be liable only for materials ordered and received by it, and no agency assumes any liability by virtue of this solicitation.

21. Changes – Additional Items

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

A. Description of services to be performed.

B. Time of performance (i.e., hours of the day, days of the week, etc.).

C. Place of performance of the services.

If additional catalog items are required from the awarded Vendor(s) that are not listed in the attached Unit Price List, the County shall apply the discount percentage noted on the Unit Price List to the retail price for all unlisted items. The County reserves the right to add any Vendor(s) catalog items not contained in the Unit Price List to the contract for the remaining term of the agreement and any subsequent term extensions of the agreement.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

22. Ordering

The County will issue release (purchase) orders against the contract on an as needed basis for the supplies or services listed on the Bid form.

23. Licenses, Certifications, Registrations

The Offeror shall at any time of Bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the Bid submission; and, the Offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

24. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

25. Award

Multiple awards will be made based upon responsibility and responsiveness to the needs of the County. It is the intent of the County to place Orders with the responsive and responsible bidders who can provide the services based upon the needs of the County at the time.

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

26. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded Vendor, Escambia County may serve written notice upon the awarded Vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the Vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

27. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

28. Quantity

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the Bid form. It is understood by all Offeror's that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

Non-Contract Insurance Requirements

29. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. **Workers Compensation Coverage**

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. **General, Automobile and Excess or Umbrella Liability Coverage**

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. **General Liability Coverage - Occurrence Form Required**

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. **Business Auto Liability Coverage**

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. **Excess or Umbrella Liability Coverage** (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. **Evidence/Certificates of Insurance**

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. **Endorsements/Additional Insurance**

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Motor Truck Cargo Coverage

If the installation floater insurance does not provide transportation coverage, separate motor truck cargo or transportation insurance is to be provided for materials or equipment transported in the contractor's or other vehicles from place of receipt to building sites or other storage sites. All risks coverage is preferred.

Fidelity/Dishonesty/Liability Coverage - for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

30. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

To: All Known Prospective Bidders

ADDENDUM NUMBER 4:

Re: PD 18-19.041 Inmate Goods and Cleaning Supplies

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 4 provides for the following update to the screen-printing requirements:

All screen-print items are as needed. Clothing should be priced without screen-printing.

Escambia County Road Prison (ECRP):		Price per Screen Print
Shirt:	2" Screen Print that reads ECRP	_____
Pants:	1.5" Screen Print that reads ECRP	_____
Jumpsuits:	Front, Left Leg (1.5") & Top Back (2") that reads ECRP	_____
Escambia County Jail:		
Jumpsuits:	Front, Left Leg (4") & Top Back (4") that reads Esc. Co. JAIL	_____

Please include the pricing on this addendum with your bid response if your firm will be bidding on the screen-printing services. If your firm has already submitted their bid and there will be no changes to the pricing for screen-printing, Escambia County will utilize the screen-printing pricing listed on the Bid Form.

This Addendum Number 4 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo copy this form for your records.

Sincerely,

Jeffrey Lovingood

PRICING AGREEMENT RELATING TO
INMATE GOODS AND CLEANING SUPPLIES PD 18-19.041

This Agreement is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), with administrative offices located at 221 South Palafox Street, Pensacola, Florida 32502, and Charm-Tex, Inc., a for-profit corporation authorized to conduct business in the State of Florida (hereinafter referred to as "Contractor"), FEI/EIN 11-2582405, whose principal address is 1618 Coney Island Ave., Brooklyn, NY 11230.

WITNESSETH:

WHEREAS, on May 6, 2019, the County issued an Invitation to Bid to establish pricing agreements for the purchase of inmate goods and cleaning supplies for Escambia County Department of Corrections (PD 18-19.041); and

WHEREAS, the County desires to enter into an agreement with Contractor for the provision of purchasing such goods and supplies on an "item-by-item" basis as specified herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence as of the effective date and continue for a term of twelve (12) months with the option to renew for two (2) additional twelve (12) month terms. In no event will the term of this Agreement exceed the duration of thirty-six (36) months from the date of commencement.

3. Scope. Contractor shall perform in accordance with the terms and conditions as outlined in Escambia County's *Invitation to Bid for Inmate Goods and Cleaning Supplies, Specification No. PD 18-19.041*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement will prevail.

4. Pricing. County shall pay Contractor in accordance with the Contractor's Bid Form, attached hereto as **Exhibit B**. The prices shall include all costs of packaging, transporting, delivery and unloading to designated point within Escambia County. All items purchased by the County pursuant to this agreement are subject to post sale audit adjustment. In the event an audit indicates Contractor has not honored quoted price lists and discounts, Contractor will be liable for any and all overage charges.

5. Price Adjustments. Written requests for price adjustment may be made by Contractor every twelve (12) months, no less than 60 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bona fide cost increase to the vendor. Price adjustments will be accomplished by written amendment to this contract approved by the Board of County Commissioners.

6. Purchase Orders. The County shall issue written purchase orders to the Contractor on an as-needed basis. The items shall be described in detail and the time frame in which delivery needs to be accomplished will be stated in the purchase order. No minimum quantity is

guaranteed during the term of this Agreement, and only items ordered pursuant to a purchase order will be compensated.

7. Ordering of the Work. Contractor is one of several firms selected as a vendor for the provision of the same or similar terms pursuant to this Agreement. The County expressly reserves the exclusive right to assign specific purchase orders to the Contractor it deems the most responsive and responsible bidder on an "item-by-item" basis. This Agreement does not guarantee any amount will be ordered from the Contractor.

8. Method of Payment/Billing. Contractor may request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of items received and accepted with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Escambia County Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

9. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the County shall be paid for materials purchased through the date of termination.

10. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

9. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

10. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

11. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Mildred Danzger	To: Escambia County
1618 Coney Island Ave.	Attention: County Administrator
Brooklyn, NY 11230	221 Palafox Place, Suite 420
	Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

12 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

13. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

14. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

15. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement, including but not limited to properly registering as a lobbyist for representation of the County with the appropriate governmental entities as well as making all necessary lobbying reports in a timely manner to the proper authorities.

16. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

17. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

18. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.041, "Inmate Goods and Cleaning Supplies", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the Bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Scope of Work Summary

The purpose of this Invitation to Bid is to establish a Multiple Price Agreement to provide Escambia County Corrections Department with quality supplies and prompt reliable service from multiple responsive and responsible vendors at fair and reasonable prices. Bidders shall also list on the Bid Form a percentage discount off catalog retail prices for any catalog items not shown on the Unit Price List.

The Escambia County Corrections Department does not operate, nor are there plans to establish, and type of central store or stockroom for products contained in this solicitation. The Department maintains an inventory of only those supplies necessary to meet its immediate needs and any awarded Vendor(s) shall allow the Department to operate a stock-less warehouse methodology.

The estimated department-wide expenditure for this solicitation is $219,700. Purchase Orders will be issued to the Vendor(s) with the lowest price per catalog item.

Some items called for have been identified by a brand name or equal description shown on the Unit Price List. Such identification is intended to be descriptive, not restrictive, and is intended to indicate the quality, characteristic, and performance expectation of the product that will be satisfactory.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **5%** of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and

the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form, and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. Last day for questions will be May 28, 2019 at 5:00 p.m. CDT.

5. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope with Original signatures in indelible ink, and signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

6. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Office of Purchasing, 213 Palafox Place, Pensacola, FL 32502 in Conference Room #11.407 on May 21, 2019 at 10:00 AM CDT.

It is strongly encouraged that all potential bidders attend this non-mandatory conference so they can ask questions and be automatically notified of any updates prior to the Bid Opening.

7. F.O.B. Point

The F.O.B. point shall be destination within Escambia County. The prices offered shall include all costs of packaging, transporting, delivery and unloading **(this includes inside delivery if requested)** to designated point within Escambia County.

8. Delivery

Delivery to be as notified by Escambia County. The quantity will depend upon the County's need at the time of request.

9. Compliance with Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded Vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the Vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS) The MSDS shall include the following information.

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

1. The potential for fire, explosion, corrosiveness and reactivity;

2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

10. Payment

Partial billing will not be accepted. Escambia County will pay 100% of the contract price after all items have been delivered and accepted. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 South Palafox Place
Pensacola, FL 32502

11. Brand/Manufacturer Referenced

Reference manufacturer indicated. Products similar in design and equal in function and performance may also be considered. Alternate offers shall include detailed specifications and/or descriptive literature. Failure to include such specifications or literature may be cause for disqualification of the offer.

12. Equivalents/Samples

Vendors offering equivalent to the "as specified" item(s) shall submit a sample and detailed specifications to the Office of Purchasing for evaluation purposes > days prior to the solicitation opening. Each particular specification which the equivalent item does meet shall be listed along with detailed specification sheet. **All samples shall be identified by Vendor name and solicitation number.** Non-consumable samples may be returned at Vendor's expense upon request after award.

13. Samples/Demonstrations

Samples of any product or demonstrations shall be furnished upon request for a quality

test or comparison without cost to the County. **All samples shall be identified by Vendor name and solicitation number.**

14. Catalogs

The awarded vendor(s) shall provide Three (3) copies of their current catalogs and new editions of the catalogs when published. Current pricing information must be provided with each catalog.

15. Packaging/Shipping Labels

Shipping labels shall be attached to each carton and shall contain the following information: purchase order number, quantity contained in each package, and total number of items being delivered.

16. Emergency Services

The awarded Vendor(s) resulting from this solicitation is for services that may be required during **EMERGENCY** situations such as hurricanes, major fires, etc. Time is of the essence during these situations and the Vendor(s) awarded this contract should be able to be contacted at any time, day or night.

The Bid Form provides for the emergency information to be supplied. Please be sure to include **all** this information when returning your bid.

17. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of **twelve (12) months**. The contract may be renewed for additional twelve (12) month periods, up to a **maximum thirty-six (36) months** upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an "as needed" basis.

C. The contract may be canceled by the awarded Vendor(s), for good cause, upon ninety (90) days prior written notice.

D. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

E. In the event of termination by either party as provided herein, the awarded Vendor shall be paid for services performed through the date of termination.

18. Pricing

All items sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates Offeror has not honored quoted price lists and discounts, Offeror will be liable for any and all overage charges.

19. Price Adjustment

The contract resulting from this Solicitation may include provisions for Twelve (12) month, price adjustments. Written request for price adjustment may be made every Twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the Vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract and approved by the Board of County Commissioners.

20. Purchasing Agreements with other Government Agencies

The submission of any offer in response to this Solicitation constitutes an offer made under the same terms and conditions, for the same contract price, to other governmental agencies within Escambia, Santa Rosa Counties, unless otherwise stipulated by the Offeror on the Bid form.

Each governmental agency desiring to accept these offers, and make an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases and each shall be liable only for materials ordered and received by it, and no agency assumes any liability by virtue of this solicitation.

21. Changes – Additional Items

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

A. Description of services to be performed.

B. Time of performance (i.e., hours of the day, days of the week, etc.).

C. Place of performance of the services.

If additional catalog items are required from the awarded Vendor(s) that are not listed in the attached Unit Price List, the County shall apply the discount percentage noted on the Unit Price List to the retail price for all unlisted items. The County reserves the right to add any Vendor(s) catalog items not contained in the Unit Price List to the contract for the remaining term of the agreement and any subsequent term extensions of the agreement.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

22. Ordering

The County will issue release (purchase) orders against the contract on an as needed basis for the supplies or services listed on the Bid form.

23. Licenses, Certifications, Registrations

The Offeror shall at any time of Bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the Bid submission; and, the Offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

24. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

25. Award

Multiple awards will be made based upon responsibility and responsiveness to the needs of the County. It is the intent of the County to place Orders with the responsive and responsible bidders who can provide the services based upon the needs of the County at the time.

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

26. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded Vendor, Escambia County may serve written notice upon the awarded Vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the Vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

27. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

28. Quantity

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the Bid form. It is understood by all Offeror's that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

Non-Contract Insurance Requirements

29. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Motor Truck Cargo Coverage

If the installation floater insurance does not provide transportation coverage, separate motor truck cargo or transportation insurance is to be provided for materials or equipment transported in the contractor's or other vehicles from place of receipt to building sites or other storage sites. All risks coverage is preferred.

Fidelity/Dishonesty/Liability Coverage - for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

30. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

ADDENDUM NUMBER 4:

Re: PD 18-19.041 Inmate Goods and Cleaning Supplies

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 4 provides for the following update to the screen-printing requirements:

All screen-print items are as needed. Clothing should be priced without screen-printing.

Escambia County Road Prison (ECRP):	Price per Screen Print
Shirt: 2" Screen Print that reads **ECRP**	0.36
Pants: 1.5" Screen Print that reads **ECRP**	0.36
Jumpsuits: Front, Left Leg (1.5") & Top Back (2") that reads **ECRP**	0.36
Escambia County Jail:	
Jumpsuits: Front, Left Leg (4") & Top Back (4") that reads **Esc. Co. JAIL**	0.36

Please include the pricing on this addendum with your bid response if your firm will be bidding on the screen-printing services. If your firm has already submitted their bid and there will be no changes to the pricing for screen-printing, Escambia County will utilize the screen-printing pricing listed on the Bid Form.

This Addendum Number 4 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo copy this form for your records.

PRICING AGREEMENT RELATING TO
INMATE GOODS AND CLEANING SUPPLIES PD 18-19.041

This Agreement is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), with administrative offices located at 221 South Palafox Street, Pensacola, Florida 32502, and Dees Paper Company, Inc. a for-profit corporation, authorized to conduct business in the State of Florida (hereinafter referred to as "Contractor"), FEI/EIN 63-0455209, whose principal address is 1551 Azalea Rd., Mobile, AL 36693.

WITNESSETH:

WHEREAS, on May 6, 2019, the County issued an Invitation to Bid to establish pricing agreements for the purchase of inmate goods and cleaning supplies for Escambia County Department of Corrections (PD 18-19.041); and

WHEREAS, the County desires to enter into an agreement with Contractor for the provision of purchasing such goods and supplies on an "item-by-item" basis as specified herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence as of the effective date and continue for a term of twelve (12) months with the option to renew for two (2) additional twelve (12) month terms. In no event will the term of this Agreement exceed the duration of thirty-six (36) months from the date of commencement.

3. Scope. Contractor shall perform in accordance with the terms and conditions as outlined in Escambia County's *Invitation to Bid for Inmate Goods and Cleaning Supplies, Specification No. PD 18-19.041*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement will prevail.

4. Pricing. County shall pay Contractor in accordance with the Contractor's Bid Form, attached hereto as **Exhibit B**. The prices shall include all costs of packaging, transporting, delivery and unloading to designated point within Escambia County. All items purchased by the County pursuant to this agreement are subject to post sale audit adjustment. In the event an audit indicates Contractor has not honored quoted price lists and discounts, Contractor will be liable for any and all overage charges.

5. Price Adjustments. Written requests for price adjustment may be made by Contractor every twelve (12) months, no less than 60 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bona fide cost increase to the vendor. Price adjustments will be accomplished by written amendment to this contract approved by the Board of County Commissioners.

6. Purchase Orders. The County shall issue written purchase orders to the Contractor on an as-needed basis. The items shall be described in detail and the time frame in which delivery needs to be accomplished will be stated in the purchase order. No minimum quantity is

guaranteed during the term of this Agreement, and only items ordered pursuant to a purchase order will be compensated.

7. Ordering of the Work. Contractor is one of several firms selected as a vendor for the provision of the same or similar terms pursuant to this Agreement. The County expressly reserves the exclusive right to assign specific purchase orders to the Contractor it deems the most responsive and responsible bidder on an "item-by-item" basis. This Agreement does not guarantee any amount will be ordered from the Contractor.

8. Method of Payment/Billing. Contractor may request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of items received and accepted with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Escambia County Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

9. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the County shall be paid for materials purchased through the date of termination.

10. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

9. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

10. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

11. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Dee's Paper Company INC
1551 Azalea RD.
Mobile, Alabama 36693

To: Escambia County
Attention: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

12 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

13. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

14. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

15. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement, including but not limited to properly registering as a lobbyist for representation of the County with the appropriate governmental entities as well as making all necessary lobbying reports in a timely manner to the proper authorities.

16. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

17. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

18. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. **General Information**

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.041, "Inmate Goods and Cleaning Supplies", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the Bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. **Sanctions**

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Scope of Work Summary

The purpose of this Invitation to Bid is to establish a Multiple Price Agreement to provide Escambia County Corrections Department with quality supplies and prompt reliable service from multiple responsive and responsible vendors at fair and reasonable prices. Bidders shall also list on the Bid Form a percentage discount off catalog retail prices for any catalog items not shown on the Unit Price List.

The Escambia County Corrections Department does not operate, nor are there plans to establish, and type of central store or stockroom for products contained in this solicitation. The Department maintains an inventory of only those supplies necessary to meet its immediate needs and any awarded Vendor(s) shall allow the Department to operate a stock-less warehouse methodology.

The estimated department-wide expenditure for this solicitation is $219,700. Purchase Orders will be issued to the Vendor(s) with the lowest price per catalog item.

Some items called for have been identified by a brand name or equal description shown on the Unit Price List. Such identification is intended to be descriptive, not restrictive, and is intended to indicate the quality, characteristic, and performance expectation of the product that will be satisfactory.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **5%** of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and

the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form, and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. Last day for questions will be May 28, 2019 at 5:00 p.m. CDT.

5. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope with Original signatures in indelible ink, and signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

6. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Office of Purchasing, 213 Palafox Place, Pensacola, FL 32502 in Conference Room #11.407 on May 21, 2019 at 10:00 AM CDT.

It is strongly encouraged that all potential bidders attend this non-mandatory conference so they can ask questions and be automatically notified of any updates prior to the Bid Opening.

7. F.O.B. Point

The F.O.B. point shall be destination within Escambia County. The prices offered shall include all costs of packaging, transporting, delivery and unloading **(this includes inside delivery if requested)** to designated point within Escambia County.

8. Delivery

Delivery to be as notified by Escambia County. The quantity will depend upon the County's need at the time of request.

9. Compliance with Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded Vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the Vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS) The MSDS shall include the following information.

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

1. The potential for fire, explosion, corrosiveness and reactivity;

2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

10. Payment

Partial billing will not be accepted. Escambia County will pay 100% of the contract price after all items have been delivered and accepted. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 South Palafox Place
Pensacola, FL 32502

11. Brand/Manufacturer Referenced

Reference manufacturer indicated. Products similar in design and equal in function and performance may also be considered. Alternate offers shall include detailed specifications and/or descriptive literature. Failure to include such specifications or literature may be cause for disqualification of the offer.

12. Equivalents/Samples

Vendors offering equivalent to the "as specified" item(s) shall submit a sample and detailed specifications to the Office of Purchasing for evaluation purposes > days prior to the solicitation opening. Each particular specification which the equivalent item does meet shall be listed along with detailed specification sheet. **All samples shall be identified by Vendor name and solicitation number.** Non-consumable samples may be returned at Vendor's expense upon request after award.

13. Samples/Demonstrations

Samples of any product or demonstrations shall be furnished upon request for a quality

test or comparison without cost to the County. **All samples shall be identified by Vendor name and solicitation number.**

14. Catalogs

The awarded vendor(s) shall provide Three (3) copies of their current catalogs and new editions of the catalogs when published. Current pricing information must be provided with each catalog.

15. Packaging/Shipping Labels

Shipping labels shall be attached to each carton and shall contain the following information: purchase order number, quantity contained in each package, and total number of items being delivered.

16. Emergency Services

The awarded Vendor(s) resulting from this solicitation is for services that may be required during **EMERGENCY** situations such as hurricanes, major fires, etc. Time is of the essence during these situations and the Vendor(s) awarded this contract should be able to be contacted at any time, day or night.

The Bid Form provides for the emergency information to be supplied. Please be sure to include **all** this information when returning your bid.

17. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of **twelve (12) months**. The contract may be renewed for additional twelve (12) month periods, up to a **maximum thirty-six (36) months** upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an "as needed" basis.

C. The contract may be canceled by the awarded Vendor(s), for good cause, upon ninety (90) days prior written notice.

D. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

E. In the event of termination by either party as provided herein, the awarded Vendor shall be paid for services performed through the date of termination.

18. Pricing

All items sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates Offeror has not honored quoted price lists and discounts, Offeror will be liable for any and all overage charges.

19. Price Adjustment

The contract resulting from this Solicitation may include provisions for Twelve (12) month, price adjustments. Written request for price adjustment may be made every Twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the Vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract and approved by the Board of County Commissioners.

20. Purchasing Agreements with other Government Agencies

The submission of any offer in response to this Solicitation constitutes an offer made under the same terms and conditions, for the same contract price, to other governmental agencies within Escambia, Santa Rosa Counties, unless otherwise stipulated by the Offeror on the Bid form.

Each governmental agency desiring to accept these offers, and make an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases and each shall be liable only for materials ordered and received by it, and no agency assumes any liability by virtue of this solicitation.

21. Changes – Additional Items

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

A. Description of services to be performed.

B. Time of performance (i.e., hours of the day, days of the week, etc.).

C. Place of performance of the services.

If additional catalog items are required from the awarded Vendor(s) that are not listed in the attached Unit Price List, the County shall apply the discount percentage noted on the Unit Price List to the retail price for all unlisted items. The County reserves the right to add any Vendor(s) catalog items not contained in the Unit Price List to the contract for the remaining term of the agreement and any subsequent term extensions of the agreement.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

22. Ordering

The County will issue release (purchase) orders against the contract on an as needed basis for the supplies or services listed on the Bid form.

23. Licenses, Certifications, Registrations

The Offeror shall at any time of Bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the Bid submission; and, the Offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

24. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

25. Award

Multiple awards will be made based upon responsibility and responsiveness to the needs of the County. It is the intent of the County to place Orders with the responsive and responsible bidders who can provide the services based upon the needs of the County at the time.

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

26. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded Vendor, Escambia County may serve written notice upon the awarded Vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the Vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

27. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

28. Quantity

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the Bid form. It is understood by all Offeror's that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

Non-Contract Insurance Requirements

29. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Motor Truck Cargo Coverage

If the installation floater insurance does not provide transportation coverage, separate motor truck cargo or transportation insurance is to be provided for materials or equipment transported in the contractor's or other vehicles from place of receipt to building sites or other storage sites. All risks coverage is preferred.

Fidelity/Dishonesty/Liability Coverage - for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

30. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

June 4, 2019

To: All Known Prospective Bidders

ADDENDUM NUMBER 4:

Re: PD 18-19.041 Inmate Goods and Cleaning Supplies

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 4 provides for the following update to the screen-printing requirements:

All screen-print items are as needed. Clothing should be priced without screen-printing.

		Price per Screen Print
Escambia County Road Prison (ECRP):		
Shirt:	2" Screen Print that reads **ECRP**	N/B
Pants:	1.5" Screen Print that reads **ECRP**	N/B
Jumpsuits:	Front, Left Leg (1.5") & Top Back (2") that reads **ECRP**	N/B
Escambia County Jail:		
Jumpsuits:	Front, Left Leg (4") & Top Back (4") that reads **Esc. Co. JAIL**	N/B

Please include the pricing on this addendum with your bid response if your firm will be bidding on the screen-printing services. If your firm has already submitted their bid and there will be no changes to the pricing for screen-printing, Escambia County will utilize the screen-printing pricing listed on the Bid Form.

This Addendum Number 4 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo copy this form for your records.

Sincerely,

Jeffrey Lovingood
Purchasing Coordinator

PRICING AGREEMENT RELATING TO
INMATE GOODS AND CLEANING SUPPLIES PD 18-19.041

This Agreement is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), with administrative offices located at 221 South Palafox Street, Pensacola, Florida 32502, and Hill Manufacturing Company, Inc., a for-profit corporation, authorized to conduct business in the State of Florida (hereinafter referred to as "Contractor"), FEI/EIN 58-1183922, whose principal address is 1500 Jonesboro Road, S.E., Atlanta, GA 30315.

WITNESSETH:

WHEREAS, on May 6, 2019, the County issued an Invitation to Bid to establish pricing agreements for the purchase of inmate goods and cleaning supplies for Escambia County Department of Corrections (PD 18-19.041); and

WHEREAS, the County desires to enter into an agreement with Contractor for the provision of purchasing such goods and supplies on an "item-by-item" basis as specified herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence as of the effective date and continue for a term of twelve (12) months with the option to renew for two (2) additional twelve (12) month terms. In no event will the term of this Agreement exceed the duration of thirty-six (36) months from the date of commencement.

3. Scope. Contractor shall perform in accordance with the terms and conditions as outlined in Escambia County's *Invitation to Bid for Inmate Goods and Cleaning Supplies, Specification No. PD 18-19.041*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement will prevail.

4. Pricing. County shall pay Contractor in accordance with the Contractor's Bid Form, attached hereto as **Exhibit B**. The prices shall include all costs of packaging, transporting, delivery and unloading to designated point within Escambia County. All items purchased by the County pursuant to this agreement are subject to post sale audit adjustment. In the event an audit indicates Contractor has not honored quoted price lists and discounts, Contractor will be liable for any and all overage charges.

5. Price Adjustments. Written requests for price adjustment may be made by Contractor every twelve (12) months, no less than 60 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bona fide cost increase to the vendor. Price adjustments will be accomplished by written amendment to this contract approved by the Board of County Commissioners.

6. Purchase Orders. The County shall issue written purchase orders to the Contractor on an as-needed basis. The items shall be described in detail and the time frame in which delivery needs to be accomplished will be stated in the purchase order. No minimum quantity is

guaranteed during the term of this Agreement, and only items ordered pursuant to a purchase order will be compensated.

7. Ordering of the Work. Contractor is one of several firms selected as a vendor for the provision of the same or similar terms pursuant to this Agreement. The County expressly reserves the exclusive right to assign specific purchase orders to the Contractor it deems the most responsive and responsible bidder on an "item-by-item" basis. This Agreement does not guarantee any amount will be ordered from the Contractor.

8. Method of Payment/Billing. Contractor may request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of items received and accepted with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Escambia County Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

9. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the County shall be paid for materials purchased through the date of termination.

10. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

9. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

10. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

11. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Hill Manufacturing Company, Inc.
1500 Jonesboro Road, S.E.
Atlanta, Georgia 30315

To: Escambia County
Attention: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

12 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

13. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

14. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

15. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement, including but not limited to properly registering as a lobbyist for representation of the County with the appropriate governmental entities as well as making all necessary lobbying reports in a timely manner to the proper authorities.

16. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

17. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

18. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. **General Information**

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.041, "Inmate Goods and Cleaning Supplies", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the Bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. **Sanctions**

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Scope of Work Summary

The purpose of this Invitation to Bid is to establish a Multiple Price Agreement to provide Escambia County Corrections Department with quality supplies and prompt reliable service from multiple responsive and responsible vendors at fair and reasonable prices. Bidders shall also list on the Bid Form a percentage discount off catalog retail prices for any catalog items not shown on the Unit Price List.

The Escambia County Corrections Department does not operate, nor are there plans to establish, and type of central store or stockroom for products contained in this solicitation. The Department maintains an inventory of only those supplies necessary to meet its immediate needs and any awarded Vendor(s) shall allow the Department to operate a stock-less warehouse methodology.

The estimated department-wide expenditure for this solicitation is $219,700. Purchase Orders will be issued to the Vendor(s) with the lowest price per catalog item.

Some items called for have been identified by a brand name or equal description shown on the Unit Price List. Such identification is intended to be descriptive, not restrictive, and is intended to indicate the quality, characteristic, and performance expectation of the product that will be satisfactory.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **5%** of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and

the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form, and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. Last day for questions will be May 28, 2019 at 5:00 p.m. CDT.

5. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope with Original signatures in indelible ink, and signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

6. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Office of Purchasing, 213 Palafox Place, Pensacola, FL 32502 in Conference Room #11.407 on May 21, 2019 at 10:00 AM CDT.

It is strongly encouraged that all potential bidders attend this non-mandatory conference so they can ask questions and be automatically notified of any updates prior to the Bid Opening.

7. F.O.B. Point

The F.O.B. point shall be destination within Escambia County. The prices offered shall include all costs of packaging, transporting, delivery and unloading **(this includes inside delivery if requested)** to designated point within Escambia County.

8. Delivery

Delivery to be as notified by Escambia County. The quantity will depend upon the County's need at the time of request.

9. Compliance with Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded Vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the Vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS) The MSDS shall include the following information.

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

1. The potential for fire, explosion, corrosiveness and reactivity;

2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

10. Payment

Partial billing will not be accepted. Escambia County will pay 100% of the contract price after all items have been delivered and accepted. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 South Palafox Place
Pensacola, FL 32502

11. Brand/Manufacturer Referenced

Reference manufacturer indicated. Products similar in design and equal in function and performance may also be considered. Alternate offers shall include detailed specifications and/or descriptive literature. Failure to include such specifications or literature may be cause for disqualification of the offer.

12. Equivalents/Samples

Vendors offering equivalent to the "as specified" item(s) shall submit a sample and detailed specifications to the Office of Purchasing for evaluation purposes > days prior to the solicitation opening. Each particular specification which the equivalent item does meet shall be listed along with detailed specification sheet. **All samples shall be identified by Vendor name and solicitation number.** Non-consumable samples may be returned at Vendor's expense upon request after award.

13. Samples/Demonstrations

Samples of any product or demonstrations shall be furnished upon request for a quality

test or comparison without cost to the County. **All samples shall be identified by Vendor name and solicitation number.**

14. Catalogs

The awarded vendor(s) shall provide Three (3) copies of their current catalogs and new editions of the catalogs when published. Current pricing information must be provided with each catalog.

15. Packaging/Shipping Labels

Shipping labels shall be attached to each carton and shall contain the following information: purchase order number, quantity contained in each package, and total number of items being delivered.

16. Emergency Services

The awarded Vendor(s) resulting from this solicitation is for services that may be required during **EMERGENCY** situations such as hurricanes, major fires, etc. Time is of the essence during these situations and the Vendor(s) awarded this contract should be able to be contacted at any time, day or night.

The Bid Form provides for the emergency information to be supplied. Please be sure to include **all** this information when returning your bid.

17. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of **twelve (12) months**. The contract may be renewed for additional twelve (12) month periods, up to a **maximum thirty-six (36) months** upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an "as needed" basis.

C. The contract may be canceled by the awarded Vendor(s), for good cause, upon ninety (90) days prior written notice.

D. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

E. In the event of termination by either party as provided herein, the awarded Vendor shall be paid for services performed through the date of termination.

18. Pricing

All items sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates Offeror has not honored quoted price lists and discounts, Offeror will be liable for any and all overage charges.

19. Price Adjustment

The contract resulting from this Solicitation may include provisions for Twelve (12) month, price adjustments. Written request for price adjustment may be made every Twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the Vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract and approved by the Board of County Commissioners.

20. Purchasing Agreements with other Government Agencies

The submission of any offer in response to this Solicitation constitutes an offer made under the same terms and conditions, for the same contract price, to other governmental agencies within Escambia, Santa Rosa Counties, unless otherwise stipulated by the Offeror on the Bid form.

Each governmental agency desiring to accept these offers, and make an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases and each shall be liable only for materials ordered and received by it, and no agency assumes any liability by virtue of this solicitation.

21. Changes – Additional Items

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

A. Description of services to be performed.

B. Time of performance (i.e., hours of the day, days of the week, etc.).

C. Place of performance of the services.

If additional catalog items are required from the awarded Vendor(s) that are not listed in the attached Unit Price List, the County shall apply the discount percentage noted on the Unit Price List to the retail price for all unlisted items. The County reserves the right to add any Vendor(s) catalog items not contained in the Unit Price List to the contract for the remaining term of the agreement and any subsequent term extensions of the agreement.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

22. Ordering

The County will issue release (purchase) orders against the contract on an as needed basis for the supplies or services listed on the Bid form.

23. Licenses, Certifications, Registrations

The Offeror shall at any time of Bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the Bid submission; and, the Offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

24. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

25. Award

Multiple awards will be made based upon responsibility and responsiveness to the needs of the County. It is the intent of the County to place Orders with the responsive and responsible bidders who can provide the services based upon the needs of the County at the time.

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

26. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded Vendor, Escambia County may serve written notice upon the awarded Vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the Vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

27. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

28. Quantity

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the Bid form. It is understood by all Offeror's that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

Non-Contract Insurance Requirements

29. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Motor Truck Cargo Coverage

If the installation floater insurance does not provide transportation coverage, separate motor truck cargo or transportation insurance is to be provided for materials or equipment transported in the contractor's or other vehicles from place of receipt to building sites or other storage sites. All risks coverage is preferred.

Fidelity/Dishonesty/Liability Coverage - for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

30. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

ADDENDUM NUMBER 4:

Re: PD 18-19.041 Inmate Goods and Cleaning Supplies

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 4 provides for the following update to the screen-printing requirements:

All screen-print items are as needed. Clothing should be priced without screen-printing.

Escambia County Road Prison (ECRP):	**Price per Screen Print**
Shirt: 2" Screen Print that reads **ECRP**	_____
Pants: 1.5" Screen Print that reads **ECRP**	_____
Jumpsuits: Front, Left Leg (1.5") & Top Back (2") that reads **ECRP**	_____
Escambia County Jail:	
Jumpsuits: Front, Left Leg (4") & Top Back (4") that reads **Esc. Co. JAIL**	_____

Please include the pricing on this addendum with your bid response if your firm will be bidding on the screen-printing services. If your firm has already submitted their bid and there will be no changes to the pricing for screen-printing, Escambia County will utilize the screen-printing pricing listed on the Bid Form.

This Addendum Number 4 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo copy this form for your records.

Sincerely,

Jeffrey Lovingood
Purchasing Coordinator

PRICING AGREEMENT RELATING TO
INMATE GOODS AND CLEANING SUPPLIES PD 18-19.041

This Agreement is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), with administrative offices located at 221 South Palafox Street, Pensacola, Florida 32502, and Interboro Packaging Corporation, a for-profit corporation, authorized to conduct business in the State of Florida (hereinafter referred to as "Contractor"), FEI/EIN 11-2633541, whose principal address is 114 Bracken Rd., Montgomery, NY 12549.

WITNESSETH:

WHEREAS, on May 6, 2019, the County issued an Invitation to Bid to establish pricing agreements for the purchase of inmate goods and cleaning supplies for Escambia County Department of Corrections (PD 18-19.041); and

WHEREAS, the County desires to enter into an agreement with Contractor for the provision of purchasing such goods and supplies on an "item-by-item" basis as specified herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence as of the effective date and continue for a term of twelve (12) months with the option to renew for two (2) additional twelve (12) month terms. In no event will the term of this Agreement exceed the duration of thirty-six (36) months from the date of commencement.

3. Scope. Contractor shall perform in accordance with the terms and conditions as outlined in Escambia County's *Invitation to Bid for Inmate Goods and Cleaning Supplies, Specification No. PD 18-19.041*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement will prevail.

4. Pricing. County shall pay Contractor in accordance with the Contractor's Bid Form, attached hereto as **Exhibit B**. The prices shall include all costs of packaging, transporting, delivery and unloading to designated point within Escambia County. All items purchased by the County pursuant to this agreement are subject to post sale audit adjustment. In the event an audit indicates Contractor has not honored quoted price lists and discounts, Contractor will be liable for any and all overage charges.

5. Price Adjustments. Written requests for price adjustment may be made by Contractor every twelve (12) months, no less than 60 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bona fide cost increase to the vendor. Price adjustments will be accomplished by written amendment to this contract approved by the Board of County Commissioners.

6. Purchase Orders. The County shall issue written purchase orders to the Contractor on an as-needed basis. The items shall be described in detail and the time frame in which delivery needs to be accomplished will be stated in the purchase order. No minimum quantity is

guaranteed during the term of this Agreement, and only items ordered pursuant to a purchase order will be compensated.

7. Ordering of the Work. Contractor is one of several firms selected as a vendor for the provision of the same or similar terms pursuant to this Agreement. The County expressly reserves the exclusive right to assign specific purchase orders to the Contractor it deems the most responsive and responsible bidder on an "item-by-item" basis. This Agreement does not guarantee any amount will be ordered from the Contractor.

8. Method of Payment/Billing. Contractor may request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of items received and accepted with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Escambia County Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

9. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the County shall be paid for materials purchased through the date of termination.

10. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

9. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

10. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

11. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Interboro Packaging Corporation
114 Bracken Rd
Montgomery, New York 12549

To: Escambia County
Attention: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

12 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

13. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

14. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

15. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement, including but not limited to properly registering as a lobbyist for representation of the County with the appropriate governmental entities as well as making all necessary lobbying reports in a timely manner to the proper authorities.

16. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

17. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

18. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing (850-595-4980) at least five (5) working days prior to the solicitation opening.

Notice

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee Vendor until such time as the contract is executed by the last party to the transaction.

ESCAMBIA COUNTY, FLORIDA GENERAL TERMS and CONDITIONS

The following General Terms and Conditions are incorporated by reference and have the same legal effect as if printed in its entirety.

A full textual copy of these conditions may be obtained by visiting the Office of Purchasing web site (see Bid Information below), by telephoning the Office of Purchasing at 850-595-4980, or by fax at 850-595-4806.

NOTE: Any and all Special Terms and Conditions and specifications referenced within the solicitation which varies from these General Terms and Conditions shall have precedence. Submission of the Bidder's Solicitation, Offer, and Bid Form(s) in accordance with these General Terms and Special Terms and Conditions constitutes an offer from the Offeror. The conditions incorporated herein become a part of the written Agreement between the parties.

BID INFORMATION: See Escambia County Office of Purchasing web site at https://myescambia.com/our-services/purchasing then click "Solicitations".

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.041, "Inmate Goods and Cleaning Supplies", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the Bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. **Sanctions**

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Scope of Work Summary

The purpose of this Invitation to Bid is to establish a Multiple Price Agreement to provide Escambia County Corrections Department with quality supplies and prompt reliable service from multiple responsive and responsible vendors at fair and reasonable prices. Bidders shall also list on the Bid Form a percentage discount off catalog retail prices for any catalog items not shown on the Unit Price List.

The Escambia County Corrections Department does not operate, nor are there plans to establish, and type of central store or stockroom for products contained in this solicitation. The Department maintains an inventory of only those supplies necessary to meet its immediate needs and any awarded Vendor(s) shall allow the Department to operate a stock-less warehouse methodology.

The estimated department-wide expenditure for this solicitation is $219,700. Purchase Orders will be issued to the Vendor(s) with the lowest price per catalog item.

Some items called for have been identified by a brand name or equal description shown on the Unit Price List. Such identification is intended to be descriptive, not restrictive, and is intended to indicate the quality, characteristic, and performance expectation of the product that will be satisfactory.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **5%** of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and

the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form, and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. Last day for questions will be May 28, 2019 at 5:00 p.m. CDT.

5. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope with Original signatures in indelible ink, and signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

6. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Office of Purchasing, 213 Palafox Place, Pensacola, FL 32502 in Conference Room #11.407 on May 21, 2019 at 10:00 AM CDT.

It is strongly encouraged that all potential bidders attend this non-mandatory conference so they can ask questions and be automatically notified of any updates prior to the Bid Opening.

7. F.O.B. Point

The F.O.B. point shall be destination within Escambia County. The prices offered shall include all costs of packaging, transporting, delivery and unloading **(this includes inside delivery if requested)** to designated point within Escambia County.

8. Delivery

Delivery to be as notified by Escambia County. The quantity will depend upon the County's need at the time of request.

9. Compliance with Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded Vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the Vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS) The MSDS shall include the following information.

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

1. The potential for fire, explosion, corrosiveness and reactivity;

2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

10. Payment

Partial billing will not be accepted. Escambia County will pay 100% of the contract price after all items have been delivered and accepted. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 South Palafox Place
Pensacola, FL 32502

11. Brand/Manufacturer Referenced

Reference manufacturer indicated. Products similar in design and equal in function and performance may also be considered. Alternate offers shall include detailed specifications and/or descriptive literature. Failure to include such specifications or literature may be cause for disqualification of the offer.

12. Equivalents/Samples

Vendors offering equivalent to the "as specified" item(s) shall submit a sample and detailed specifications to the Office of Purchasing for evaluation purposes > days prior to the solicitation opening. Each particular specification which the equivalent item does meet shall be listed along with detailed specification sheet. **All samples shall be identified by Vendor name and solicitation number.** Non-consumable samples may be returned at Vendor's expense upon request after award.

13. Samples/Demonstrations

Samples of any product or demonstrations shall be furnished upon request for a quality

test or comparison without cost to the County. **All samples shall be identified by Vendor name and solicitation number.**

14. Catalogs

The awarded vendor(s) shall provide Three (3) copies of their current catalogs and new editions of the catalogs when published. Current pricing information must be provided with each catalog.

15. Packaging/Shipping Labels

Shipping labels shall be attached to each carton and shall contain the following information: purchase order number, quantity contained in each package, and total number of items being delivered.

16. Emergency Services

The awarded Vendor(s) resulting from this solicitation is for services that may be required during **EMERGENCY** situations such as hurricanes, major fires, etc. Time is of the essence during these situations and the Vendor(s) awarded this contract should be able to be contacted at any time, day or night.

The Bid Form provides for the emergency information to be supplied. Please be sure to include **all** this information when returning your bid.

17. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of **twelve (12) months**. The contract may be renewed for additional twelve (12) month periods, up to a **maximum thirty-six (36) months** upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

   Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an "as needed" basis.

C. The contract may be canceled by the awarded Vendor(s), for good cause, upon ninety (90) days prior written notice.

D. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

E. In the event of termination by either party as provided herein, the awarded Vendor shall be paid for services performed through the date of termination.

18. Pricing

All items sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates Offeror has not honored quoted price lists and discounts, Offeror will be liable for any and all overage charges.

19. Price Adjustment

The contract resulting from this Solicitation may include provisions for Twelve (12) month, price adjustments. Written request for price adjustment may be made every Twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the Vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract and approved by the Board of County Commissioners.

20. Purchasing Agreements with other Government Agencies

The submission of any offer in response to this Solicitation constitutes an offer made under the same terms and conditions, for the same contract price, to other governmental agencies within Escambia, Santa Rosa Counties, unless otherwise stipulated by the Offeror on the Bid form.

Each governmental agency desiring to accept these offers, and make an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases and each shall be liable only for materials ordered and received by it, and no agency assumes any liability by virtue of this solicitation.

21. Changes – Additional Items

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

A. Description of services to be performed.

B. Time of performance (i.e., hours of the day, days of the week, etc.).

C. Place of performance of the services.

If additional catalog items are required from the awarded Vendor(s) that are not listed in the attached Unit Price List, the County shall apply the discount percentage noted on the Unit Price List to the retail price for all unlisted items. The County reserves the right to add any Vendor(s) catalog items not contained in the Unit Price List to the contract for the remaining term of the agreement and any subsequent term extensions of the agreement.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

22. Ordering

The County will issue release (purchase) orders against the contract on an as needed basis for the supplies or services listed on the Bid form.

23. Licenses, Certifications, Registrations

The Offeror shall at any time of Bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the Bid submission; and, the Offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

24. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

25. Award

Multiple awards will be made based upon responsibility and responsiveness to the needs of the County. It is the intent of the County to place Orders with the responsive and responsible bidders who can provide the services based upon the needs of the County at the time.

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

26. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded Vendor, Escambia County may serve written notice upon the awarded Vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the Vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

27. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

28. Quantity

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the Bid form. It is understood by all Offeror's that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

Non-Contract Insurance Requirements

29. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Motor Truck Cargo Coverage

If the installation floater insurance does not provide transportation coverage, separate motor truck cargo or transportation insurance is to be provided for materials or equipment transported in the contractor's or other vehicles from place of receipt to building sites or other storage sites. All risks coverage is preferred.

Fidelity/Dishonesty/Liability Coverage - for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

30. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

PRICING AGREEMENT RELATING TO
INMATE GOODS AND CLEANING SUPPLIES PD 18-19.041

This Agreement is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), with administrative offices located at 221 South Palafox Street, Pensacola, Florida 32502, and Merchants Paper Company, Inc., a for-profit corporation, authorized to conduct business in the State of Florida (hereinafter referred to as "Contractor"), FEI/EIN 59-3018836, whose principal address is 1800 Barrancas Ave., Pensacola, FL 32502.

WITNESSETH:

WHEREAS, on May 6, 2019, the County issued an Invitation to Bid to establish pricing agreements for the purchase of inmate goods and cleaning supplies for Escambia County Department of Corrections (PD 18-19.041); and

WHEREAS, the County desires to enter into an agreement with Contractor for the provision of purchasing such goods and supplies on an "item-by-item" basis as specified herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence as of the effective date and continue for a term of twelve (12) months with the option to renew for two (2) additional twelve (12) month terms. In no event will the term of this Agreement exceed the duration of thirty-six (36) months from the date of commencement.

3. Scope. Contractor shall perform in accordance with the terms and conditions as outlined in Escambia County's *Invitation to Bid for Inmate Goods and Cleaning Supplies, Specification No. PD 18-19.041*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement will prevail.

4. Pricing. County shall pay Contractor in accordance with the Contractor's Bid Form, attached hereto as **Exhibit B**. The prices shall include all costs of packaging, transporting, delivery and unloading to designated point within Escambia County. All items purchased by the County pursuant to this agreement are subject to post sale audit adjustment. In the event an audit indicates Contractor has not honored quoted price lists and discounts, Contractor will be liable for any and all overage charges.

5. Price Adjustments. Written requests for price adjustment may be made by Contractor every twelve (12) months, no less than 60 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bona fide cost increase to the vendor. Price adjustments will be accomplished by written amendment to this contract approved by the Board of County Commissioners.

6. Purchase Orders. The County shall issue written purchase orders to the Contractor on an as-needed basis. The items shall be described in detail and the time frame in which delivery needs to be accomplished will be stated in the purchase order. No minimum quantity is

guaranteed during the term of this Agreement, and only items ordered pursuant to a purchase order will be compensated.

7. Ordering of the Work. Contractor is one of several firms selected as a vendor for the provision of the same or similar terms pursuant to this Agreement. The County expressly reserves the exclusive right to assign specific purchase orders to the Contractor it deems the most responsive and responsible bidder on an "item-by-item" basis. This Agreement does not guarantee any amount will be ordered from the Contractor.

8. Method of Payment/Billing. Contractor may request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of items received and accepted with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Escambia County Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

9. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the County shall be paid for materials purchased through the date of termination.

10. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

9. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

10. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

11. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Merchants Paper Company, INC.
1800 Barrancas Ave.
Pensacola, Florida 32502

To: Escambia County
Attention: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

12 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

13. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

14. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

15. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement, including but not limited to properly registering as a lobbyist for representation of the County with the appropriate governmental entities as well as making all necessary lobbying reports in a timely manner to the proper authorities.

16. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

17. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

18. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.041, "Inmate Goods and Cleaning Supplies", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the Bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Scope of Work Summary

The purpose of this Invitation to Bid is to establish a Multiple Price Agreement to provide Escambia County Corrections Department with quality supplies and prompt reliable service from multiple responsive and responsible vendors at fair and reasonable prices. Bidders shall also list on the Bid Form a percentage discount off catalog retail prices for any catalog items not shown on the Unit Price List.

The Escambia County Corrections Department does not operate, nor are there plans to establish, and type of central store or stockroom for products contained in this solicitation. The Department maintains an inventory of only those supplies necessary to meet its immediate needs and any awarded Vendor(s) shall allow the Department to operate a stock-less warehouse methodology.

The estimated department-wide expenditure for this solicitation is $219,700. Purchase Orders will be issued to the Vendor(s) with the lowest price per catalog item.

Some items called for have been identified by a brand name or equal description shown on the Unit Price List. Such identification is intended to be descriptive, not restrictive, and is intended to indicate the quality, characteristic, and performance expectation of the product that will be satisfactory.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **5%** of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and

the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form, and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. Last day for questions will be May 28, 2019 at 5:00 p.m. CDT.

5. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope with Original signatures in indelible ink, and signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

6. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Office of Purchasing, 213 Palafox Place, Pensacola, FL 32502 in Conference Room #11.407 on May 21, 2019 at 10:00 AM CDT.

It is strongly encouraged that all potential bidders attend this non-mandatory conference so they can ask questions and be automatically notified of any updates prior to the Bid Opening.

7. F.O.B. Point

The F.O.B. point shall be destination within Escambia County. The prices offered shall include all costs of packaging, transporting, delivery and unloading **(this includes inside delivery if requested)** to designated point within Escambia County.

8. Delivery

Delivery to be as notified by Escambia County. The quantity will depend upon the County's need at the time of request.

9. Compliance with Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded Vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the Vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS) The MSDS shall include the following information.

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

1. The potential for fire, explosion, corrosiveness and reactivity;

2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

10. Payment

Partial billing will not be accepted. Escambia County will pay 100% of the contract price after all items have been delivered and accepted. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 South Palafox Place
Pensacola, FL 32502

11. Brand/Manufacturer Referenced

Reference manufacturer indicated. Products similar in design and equal in function and performance may also be considered. Alternate offers shall include detailed specifications and/or descriptive literature. Failure to include such specifications or literature may be cause for disqualification of the offer.

12. Equivalents/Samples

Vendors offering equivalent to the "as specified" item(s) shall submit a sample and detailed specifications to the Office of Purchasing for evaluation purposes > days prior to the solicitation opening. Each particular specification which the equivalent item does meet shall be listed along with detailed specification sheet. **All samples shall be identified by Vendor name and solicitation number.** Non-consumable samples may be returned at Vendor's expense upon request after award.

13. Samples/Demonstrations

Samples of any product or demonstrations shall be furnished upon request for a quality

test or comparison without cost to the County. **All samples shall be identified by Vendor name and solicitation number.**

14. Catalogs

The awarded vendor(s) shall provide Three (3) copies of their current catalogs and new editions of the catalogs when published. Current pricing information must be provided with each catalog.

15. Packaging/Shipping Labels

Shipping labels shall be attached to each carton and shall contain the following information: purchase order number, quantity contained in each package, and total number of items being delivered.

16. Emergency Services

The awarded Vendor(s) resulting from this solicitation is for services that may be required during **EMERGENCY** situations such as hurricanes, major fires, etc. Time is of the essence during these situations and the Vendor(s) awarded this contract should be able to be contacted at any time, day or night.

The Bid Form provides for the emergency information to be supplied. Please be sure to include **all** this information when returning your bid.

17. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of **twelve (12) months**. The contract may be renewed for additional twelve (12) month periods, up to a **maximum thirty-six (36) months** upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an "as needed" basis.

C. The contract may be canceled by the awarded Vendor(s), for good cause, upon ninety (90) days prior written notice.

D. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

E. In the event of termination by either party as provided herein, the awarded Vendor shall be paid for services performed through the date of termination.

18. Pricing

All items sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates Offeror has not honored quoted price lists and discounts, Offeror will be liable for any and all overage charges.

19. Price Adjustment

The contract resulting from this Solicitation may include provisions for Twelve (12) month, price adjustments. Written request for price adjustment may be made every Twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the Vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract and approved by the Board of County Commissioners.

20. Purchasing Agreements with other Government Agencies

The submission of any offer in response to this Solicitation constitutes an offer made under the same terms and conditions, for the same contract price, to other governmental agencies within Escambia, Santa Rosa Counties, unless otherwise stipulated by the Offeror on the Bid form.

Each governmental agency desiring to accept these offers, and make an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases and each shall be liable only for materials ordered and received by it, and no agency assumes any liability by virtue of this solicitation.

21. Changes – Additional Items

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

A. Description of services to be performed.

B. Time of performance (i.e., hours of the day, days of the week, etc.).

C. Place of performance of the services.

If additional catalog items are required from the awarded Vendor(s) that are not listed in the attached Unit Price List, the County shall apply the discount percentage noted on the Unit Price List to the retail price for all unlisted items. The County reserves the right to add any Vendor(s) catalog items not contained in the Unit Price List to the contract for the remaining term of the agreement and any subsequent term extensions of the agreement.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

22. Ordering

The County will issue release (purchase) orders against the contract on an as needed basis for the supplies or services listed on the Bid form.

23. Licenses, Certifications, Registrations

The Offeror shall at any time of Bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the Bid submission; and, the Offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

24. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

25. Award

Multiple awards will be made based upon responsibility and responsiveness to the needs of the County. It is the intent of the County to place Orders with the responsive and responsible bidders who can provide the services based upon the needs of the County at the time.

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

26. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded Vendor, Escambia County may serve written notice upon the awarded Vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the Vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

27. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

28. Quantity

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the Bid form. It is understood by all Offeror's that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

Non-Contract Insurance Requirements

29. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Motor Truck Cargo Coverage

If the installation floater insurance does not provide transportation coverage, separate motor truck cargo or transportation insurance is to be provided for materials or equipment transported in the contractor's or other vehicles from place of receipt to building sites or other storage sites. All risks coverage is preferred.

Fidelity/Dishonesty/Liability Coverage - for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

30. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

ADDENDUM NUMBER 4:

Re: PD 18-19.041 Inmate Goods and Cleaning Supplies

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 4 provides for the following update to the screen-printing requirements:

All screen-print items are as needed. Clothing should be priced without screen-printing.

	Price per Screen Print
Escambia County Road Prison (ECRP):	
Shirt: 2" Screen Print that reads **ECRP**	_____
Pants: 1.5" Screen Print that reads **ECRP**	_____
Jumpsuits: Front, Left Leg (1.5") & Top Back (2") that reads **ECRP**	_____
Escambia County Jail:	
Jumpsuits: Front, Left Leg (4") & Top Back (4") that reads **Esc. Co. JAIL**	_____

Please include the pricing on this addendum with your bid response if your firm will be bidding on the screen-printing services. If your firm has already submitted their bid and there will be no changes to the pricing for screen-printing, Escambia County will utilize the screen-printing pricing listed on the Bid Form.

This Addendum Number 4 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo copy this form for your records.

Sincerely,

Jeffrey Lovingood
Purchasing Coordinator

PRICING AGREEMENT RELATING TO
INMATE GOODS AND CLEANING SUPPLIES PD 18-19.041

This Agreement is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), with administrative offices located at 221 South Palafox Street, Pensacola, Florida 32502, and Prison Rehabilitative Industries and Diversified Enterprises, Inc. D/B/A PRIDE Enterprises, a not for-profit corporation, authorized to conduct business in the State of Florida (hereinafter referred to as "Contractor"), FEI/EIN 59-2167018, whose principal address is 223 Morrison Road, Brandon, FL 33511.

WITNESSETH:

WHEREAS, on May 6, 2019, the County issued an Invitation to Bid to establish pricing agreements for the purchase of inmate goods and cleaning supplies for Escambia County Department of Corrections (PD 18-19.041); and

WHEREAS, the County desires to enter into an agreement with Contractor for the provision of purchasing such goods and supplies on an "item-by-item" basis as specified herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence as of the effective date and continue for a term of twelve (12) months with the option to renew for two (2) additional twelve (12) month terms. In no event will the term of this Agreement exceed the duration of thirty-six (36) months from the date of commencement.

3. Scope. Contractor shall perform in accordance with the terms and conditions as outlined in Escambia County's *Invitation to Bid for Inmate Goods and Cleaning Supplies, Specification No. PD 18-19.041*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement will prevail.

4. Pricing. County shall pay Contractor in accordance with the Contractor's Bid Form, attached hereto as **Exhibit B**. The prices shall include all costs of packaging, transporting, delivery and unloading to designated point within Escambia County. All items purchased by the County pursuant to this agreement are subject to post sale audit adjustment. In the event an audit indicates Contractor has not honored quoted price lists and discounts, Contractor will be liable for any and all overage charges.

5. Price Adjustments. Written requests for price adjustment may be made by Contractor every twelve (12) months, no less than 60 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bona fide cost increase to the vendor. Price adjustments will be accomplished by written amendment to this contract approved by the Board of County Commissioners.

6. Purchase Orders. The County shall issue written purchase orders to the Contractor on an as-needed basis. The items shall be described in detail and the time frame in which delivery needs to be accomplished will be stated in the purchase order. No minimum quantity is

guaranteed during the term of this Agreement, and only items ordered pursuant to a purchase order will be compensated.

7. Ordering of the Work. Contractor is one of several firms selected as a vendor for the provision of the same or similar terms pursuant to this Agreement. The County expressly reserves the exclusive right to assign specific purchase orders to the Contractor it deems the most responsive and responsible bidder on an "item-by-item" basis. This Agreement does not guarantee any amount will be ordered from the Contractor.

8. Method of Payment/Billing. Contractor may request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of items received and accepted with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Escambia County Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

9. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the County shall be paid for materials purchased through the date of termination.

10. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

9. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

10. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

11. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: D/B/A PRIDE Enterprises
223 Morrison Road
Brandon, Florida 33511

To: Escambia County
Attention: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

12 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

13. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

14. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

15. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement, including but not limited to properly registering as a lobbyist for representation of the County with the appropriate governmental entities as well as making all necessary lobbying reports in a timely manner to the proper authorities.

16. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

17. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

18. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.041, "Inmate Goods and Cleaning Supplies", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the Bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. **Sanctions**

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Scope of Work Summary

The purpose of this Invitation to Bid is to establish a Multiple Price Agreement to provide Escambia County Corrections Department with quality supplies and prompt reliable service from multiple responsive and responsible vendors at fair and reasonable prices. Bidders shall also list on the Bid Form a percentage discount off catalog retail prices for any catalog items not shown on the Unit Price List.

The Escambia County Corrections Department does not operate, nor are there plans to establish, and type of central store or stockroom for products contained in this solicitation. The Department maintains an inventory of only those supplies necessary to meet its immediate needs and any awarded Vendor(s) shall allow the Department to operate a stock-less warehouse methodology.

The estimated department-wide expenditure for this solicitation is $219,700. Purchase Orders will be issued to the Vendor(s) with the lowest price per catalog item.

Some items called for have been identified by a brand name or equal description shown on the Unit Price List. Such identification is intended to be descriptive, not restrictive, and is intended to indicate the quality, characteristic, and performance expectation of the product that will be satisfactory.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **5%** of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and

the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form, and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. Last day for questions will be May 28, 2019 at 5:00 p.m. CDT.

5. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope with Original signatures in indelible ink, and signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

6. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Office of Purchasing, 213 Palafox Place, Pensacola, FL 32502 in Conference Room #11.407 on May 21, 2019 at 10:00 AM CDT.

It is strongly encouraged that all potential bidders attend this non-mandatory conference so they can ask questions and be automatically notified of any updates prior to the Bid Opening.

7. F.O.B. Point

The F.O.B. point shall be destination within Escambia County. The prices offered shall include all costs of packaging, transporting, delivery and unloading **(this includes inside delivery if requested)** to designated point within Escambia County.

8. Delivery

Delivery to be as notified by Escambia County. The quantity will depend upon the County's need at the time of request.

9. Compliance with Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded Vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the Vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS) The MSDS shall include the following information.

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

1. The potential for fire, explosion, corrosiveness and reactivity;

2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

10. Payment

Partial billing will not be accepted. Escambia County will pay 100% of the contract price after all items have been delivered and accepted. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 South Palafox Place
Pensacola, FL 32502

11. Brand/Manufacturer Referenced

Reference manufacturer indicated. Products similar in design and equal in function and performance may also be considered. Alternate offers shall include detailed specifications and/or descriptive literature. Failure to include such specifications or literature may be cause for disqualification of the offer.

12. Equivalents/Samples

Vendors offering equivalent to the "as specified" item(s) shall submit a sample and detailed specifications to the Office of Purchasing for evaluation purposes > days prior to the solicitation opening. Each particular specification which the equivalent item does meet shall be listed along with detailed specification sheet. **All samples shall be identified by Vendor name and solicitation number.** Non-consumable samples may be returned at Vendor's expense upon request after award.

13. Samples/Demonstrations

Samples of any product or demonstrations shall be furnished upon request for a quality

test or comparison without cost to the County. **All samples shall be identified by Vendor name and solicitation number.**

14. Catalogs

The awarded vendor(s) shall provide Three (3) copies of their current catalogs and new editions of the catalogs when published. Current pricing information must be provided with each catalog.

15. Packaging/Shipping Labels

Shipping labels shall be attached to each carton and shall contain the following information: purchase order number, quantity contained in each package, and total number of items being delivered.

16. Emergency Services

The awarded Vendor(s) resulting from this solicitation is for services that may be required during **EMERGENCY** situations such as hurricanes, major fires, etc. Time is of the essence during these situations and the Vendor(s) awarded this contract should be able to be contacted at any time, day or night.

The Bid Form provides for the emergency information to be supplied. Please be sure to include **all** this information when returning your bid.

17. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of **twelve (12) months**. The contract may be renewed for additional twelve (12) month periods, up to a **maximum thirty-six (36) months** upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an "as needed" basis.

C. The contract may be canceled by the awarded Vendor(s), for good cause, upon ninety (90) days prior written notice.

D. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

E. In the event of termination by either party as provided herein, the awarded Vendor shall be paid for services performed through the date of termination.

18. Pricing

All items sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates Offeror has not honored quoted price lists and discounts, Offeror will be liable for any and all overage charges.

19. Price Adjustment

The contract resulting from this Solicitation may include provisions for Twelve (12) month, price adjustments. Written request for price adjustment may be made every Twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the Vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract and approved by the Board of County Commissioners.

20. Purchasing Agreements with other Government Agencies

The submission of any offer in response to this Solicitation constitutes an offer made under the same terms and conditions, for the same contract price, to other governmental agencies within Escambia, Santa Rosa Counties, unless otherwise stipulated by the Offeror on the Bid form.

Each governmental agency desiring to accept these offers, and make an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases and each shall be liable only for materials ordered and received by it, and no agency assumes any liability by virtue of this solicitation.

21. Changes – Additional Items

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

A. Description of services to be performed.

B. Time of performance (i.e., hours of the day, days of the week, etc.).

C. Place of performance of the services.

If additional catalog items are required from the awarded Vendor(s) that are not listed in the attached Unit Price List, the County shall apply the discount percentage noted on the Unit Price List to the retail price for all unlisted items. The County reserves the right to add any Vendor(s) catalog items not contained in the Unit Price List to the contract for the remaining term of the agreement and any subsequent term extensions of the agreement.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

22. Ordering

The County will issue release (purchase) orders against the contract on an as needed basis for the supplies or services listed on the Bid form.

23. Licenses, Certifications, Registrations

The Offeror shall at any time of Bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the Bid submission; and, the Offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

24. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

25. Award

Multiple awards will be made based upon responsibility and responsiveness to the needs of the County. It is the intent of the County to place Orders with the responsive and responsible bidders who can provide the services based upon the needs of the County at the time.

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

26. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded Vendor, Escambia County may serve written notice upon the awarded Vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the Vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

27. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

28. Quantity

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the Bid form. It is understood by all Offeror's that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

Non-Contract Insurance Requirements

29. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Motor Truck Cargo Coverage

If the installation floater insurance does not provide transportation coverage, separate motor truck cargo or transportation insurance is to be provided for materials or equipment transported in the contractor's or other vehicles from place of receipt to building sites or other storage sites. All risks coverage is preferred.

Fidelity/Dishonesty/Liability Coverage - for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

30. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

ADDENDUM NUMBER 4:

Re: PD 18-19.041 Inmate Goods and Cleaning Supplies

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 4 provides for the following update to the screen-printing requirements:

All screen-print items are as needed. Clothing should be priced without screen-printing.

Escambia County Road Prison (ECRP):	**Price per Screen Print**
Shirt: 2" Screen Print that reads **ECRP**	_____
Pants: 1.5" Screen Print that reads **ECRP**	_____
Jumpsuits: Front, Left Leg (1.5") & Top Back (2") that reads **ECRP**	_____
Escambia County Jail:	
Jumpsuits: Front, Left Leg (4") & Top Back (4") that reads **Esc. Co. JAIL**	_____

Please include the pricing on this addendum with your bid response if your firm will be bidding on the screen-printing services. If your firm has already submitted their bid and there will be no changes to the pricing for screen-printing, Escambia County will utilize the screen-printing pricing listed on the Bid Form.

This Addendum Number 4 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo copy this form for your records.

Sincerely,

Jeffrey Lovingood

PRICING AGREEMENT RELATING TO
INMATE GOODS AND CLEANING SUPPLIES PD 18-19.041

This Agreement is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), with administrative offices located at 221 South Palafox Street, Pensacola, Florida 32502, and Supreme Paper Supplies, LLC, a for-profit limited liability company, authorized to conduct business in the State of Florida (hereinafter referred to as "Contractor"), FEI/EIN 82-4967184, whose principal address is 8965 Pensacola Blvd Pensacola, FL 32534.

WITNESSETH:

WHEREAS, on May 6, 2019, the County issued an Invitation to Bid to establish pricing agreements for the purchase of inmate goods and cleaning supplies for Escambia County Department of Corrections (PD 18-19.041); and

WHEREAS, the County desires to enter into an agreement with Contractor for the provision of purchasing such goods and supplies on an "item-by-item" basis as specified herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence as of the effective date and continue for a term of twelve (12) months with the option to renew for two (2) additional twelve (12) month terms. In no event will the term of this Agreement exceed the duration of thirty-six (36) months from the date of commencement.

3. Scope. Contractor shall perform in accordance with the terms and conditions as outlined in Escambia County's *Invitation to Bid for Inmate Goods and Cleaning Supplies, Specification No. PD 18-19.041*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement will prevail.

4. Pricing. County shall pay Contractor in accordance with the Contractor's Bid Form, attached hereto as **Exhibit B**. The prices shall include all costs of packaging, transporting, delivery and unloading to designated point within Escambia County. All items purchased by the County pursuant to this agreement are subject to post sale audit adjustment. In the event an audit indicates Contractor has not honored quoted price lists and discounts, Contractor will be liable for any and all overage charges.

5. Price Adjustments. Written requests for price adjustment may be made by Contractor every twelve (12) months, no less than 60 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bona fide cost increase to the vendor. Price adjustments will be accomplished by written amendment to this contract approved by the Board of County Commissioners.

6. Purchase Orders. The County shall issue written purchase orders to the Contractor on an as-needed basis. The items shall be described in detail and the time frame in which delivery needs to be accomplished will be stated in the purchase order. No minimum quantity is

guaranteed during the term of this Agreement, and only items ordered pursuant to a purchase order will be compensated.

7. Ordering of the Work. Contractor is one of several firms selected as a vendor for the provision of the same or similar terms pursuant to this Agreement. The County expressly reserves the exclusive right to assign specific purchase orders to the Contractor it deems the most responsive and responsible bidder on an "item-by-item" basis. This Agreement does not guarantee any amount will be ordered from the Contractor.

8. Method of Payment/Billing. Contractor may request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of items received and accepted with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Escambia County Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

9. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the County shall be paid for materials purchased through the date of termination.

10. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

9. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

10. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

11. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Supreme Paper Supplies, LLC
8965 Pensacola Blvd
Pensacola, Florida 32534

To: Escambia County
Attention: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

12 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

13. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

14. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

15. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement, including but not limited to properly registering as a lobbyist for representation of the County with the appropriate governmental entities as well as making all necessary lobbying reports in a timely manner to the proper authorities.

16. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

17. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

18. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.041, "Inmate Goods and Cleaning Supplies", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the Bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. **Sanctions**

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Scope of Work Summary

The purpose of this Invitation to Bid is to establish a Multiple Price Agreement to provide Escambia County Corrections Department with quality supplies and prompt reliable service from multiple responsive and responsible vendors at fair and reasonable prices. Bidders shall also list on the Bid Form a percentage discount off catalog retail prices for any catalog items not shown on the Unit Price List.

The Escambia County Corrections Department does not operate, nor are there plans to establish, and type of central store or stockroom for products contained in this solicitation. The Department maintains an inventory of only those supplies necessary to meet its immediate needs and any awarded Vendor(s) shall allow the Department to operate a stock-less warehouse methodology.

The estimated department-wide expenditure for this solicitation is $219,700. Purchase Orders will be issued to the Vendor(s) with the lowest price per catalog item.

Some items called for have been identified by a brand name or equal description shown on the Unit Price List. Such identification is intended to be descriptive, not restrictive, and is intended to indicate the quality, characteristic, and performance expectation of the product that will be satisfactory.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **5%** of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and

the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form, and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. Last day for questions will be May 28, 2019 at 5:00 p.m. CDT.

5. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope with Original signatures in indelible ink, and signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

6. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Office of Purchasing, 213 Palafox Place, Pensacola, FL 32502 in Conference Room #11.407 on May 21, 2019 at 10:00 AM CDT.

It is strongly encouraged that all potential bidders attend this non-mandatory conference so they can ask questions and be automatically notified of any updates prior to the Bid Opening.

7. F.O.B. Point

The F.O.B. point shall be destination within Escambia County. The prices offered shall include all costs of packaging, transporting, delivery and unloading **(this includes inside delivery if requested)** to designated point within Escambia County.

8. Delivery

Delivery to be as notified by Escambia County. The quantity will depend upon the County's need at the time of request.

9. Compliance with Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded Vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the Vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS) The MSDS shall include the following information.

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

1. The potential for fire, explosion, corrosiveness and reactivity;

2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

10. Payment

Partial billing will not be accepted. Escambia County will pay 100% of the contract price after all items have been delivered and accepted. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 South Palafox Place
Pensacola, FL 32502

11. Brand/Manufacturer Referenced

Reference manufacturer indicated. Products similar in design and equal in function and performance may also be considered. Alternate offers shall include detailed specifications and/or descriptive literature. Failure to include such specifications or literature may be cause for disqualification of the offer.

12. Equivalents/Samples

Vendors offering equivalent to the "as specified" item(s) shall submit a sample and detailed specifications to the Office of Purchasing for evaluation purposes > days prior to the solicitation opening. Each particular specification which the equivalent item does meet shall be listed along with detailed specification sheet. **All samples shall be identified by Vendor name and solicitation number.** Non-consumable samples may be returned at Vendor's expense upon request after award.

13. Samples/Demonstrations

Samples of any product or demonstrations shall be furnished upon request for a quality

test or comparison without cost to the County. **All samples shall be identified by Vendor name and solicitation number.**

14. Catalogs

The awarded vendor(s) shall provide Three (3) copies of their current catalogs and new editions of the catalogs when published. Current pricing information must be provided with each catalog.

15. Packaging/Shipping Labels

Shipping labels shall be attached to each carton and shall contain the following information: purchase order number, quantity contained in each package, and total number of items being delivered.

16. Emergency Services

The awarded Vendor(s) resulting from this solicitation is for services that may be required during **EMERGENCY** situations such as hurricanes, major fires, etc. Time is of the essence during these situations and the Vendor(s) awarded this contract should be able to be contacted at any time, day or night.

The Bid Form provides for the emergency information to be supplied. Please be sure to include **all** this information when returning your bid.

17. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of **twelve (12) months**. The contract may be renewed for additional twelve (12) month periods, up to a **maximum thirty-six (36) months** upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an "as needed" basis.

C. The contract may be canceled by the awarded Vendor(s), for good cause, upon ninety (90) days prior written notice.

D. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

E. In the event of termination by either party as provided herein, the awarded Vendor shall be paid for services performed through the date of termination.

18. Pricing

All items sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates Offeror has not honored quoted price lists and discounts, Offeror will be liable for any and all overage charges.

19. Price Adjustment

The contract resulting from this Solicitation may include provisions for Twelve (12) month, price adjustments. Written request for price adjustment may be made every Twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the Vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract and approved by the Board of County Commissioners.

20. Purchasing Agreements with other Government Agencies

The submission of any offer in response to this Solicitation constitutes an offer made under the same terms and conditions, for the same contract price, to other governmental agencies within Escambia, Santa Rosa Counties, unless otherwise stipulated by the Offeror on the Bid form.

Each governmental agency desiring to accept these offers, and make an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases and each shall be liable only for materials ordered and received by it, and no agency assumes any liability by virtue of this solicitation.

21. Changes – Additional Items

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

A. Description of services to be performed.

B. Time of performance (i.e., hours of the day, days of the week, etc.).

C. Place of performance of the services.

If additional catalog items are required from the awarded Vendor(s) that are not listed in the attached Unit Price List, the County shall apply the discount percentage noted on the Unit Price List to the retail price for all unlisted items. The County reserves the right to add any Vendor(s) catalog items not contained in the Unit Price List to the contract for the remaining term of the agreement and any subsequent term extensions of the agreement.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

22. Ordering

The County will issue release (purchase) orders against the contract on an as needed basis for the supplies or services listed on the Bid form.

23. Licenses, Certifications, Registrations

The Offeror shall at any time of Bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the Bid submission; and, the Offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

24. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

25. Award

Multiple awards will be made based upon responsibility and responsiveness to the needs of the County. It is the intent of the County to place Orders with the responsive and responsible bidders who can provide the services based upon the needs of the County at the time.

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

26. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded Vendor, Escambia County may serve written notice upon the awarded Vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the Vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

27. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

28. Quantity

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the Bid form. It is understood by all Offeror's that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

Non-Contract Insurance Requirements

29. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Motor Truck Cargo Coverage

If the installation floater insurance does not provide transportation coverage, separate motor truck cargo or transportation insurance is to be provided for materials or equipment transported in the contractor's or other vehicles from place of receipt to building sites or other storage sites. All risks coverage is preferred.

Fidelity/Dishonesty/Liability Coverage - for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

30. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

To: All Known Prospective Bidders

ADDENDUM NUMBER 4:

Re: PD 18-19.041 Inmate Goods and Cleaning Supplies

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 4 provides for the following update to the screen-printing requirements:

All screen-print items are as needed. Clothing should be priced without screen-printing.

	Price per Screen Print
Escambia County Road Prison (ECRP):	
Shirt: 2" Screen Print that reads **ECRP**	N/A
Pants: 1.5" Screen Print that reads **ECRP**	N/A
Jumpsuits: Front, Left Leg (1.5") & Top Back (2") that reads **ECRP**	N/A
Escambia County Jail:	
Jumpsuits: Front, Left Leg (4") & Top Back (4") that reads **Esc. Co. JAIL**	N/A

Please include the pricing on this addendum with your bid response if your firm will be bidding on the screen-printing services. If your firm has already submitted their bid and there will be no changes to the pricing for screen-printing, Escambia County will utilize the screen-printing pricing listed on the Bid Form.

This Addendum Number 4 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo copy this form for your records.

Sincerely,

Jeffrey Lovingood
Purchasing Coordinator

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**- By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of this PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier, 2) Purchase order, 3) Date of call, 4) Call number, 5) Itemized list of supplies or services furnished, 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information), and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**- The County is exempt from Florida sales tax, federal taxes on transportation charges and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified herein, merchantable, of good material and workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**- Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**- Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation**- The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**- The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

To: Lori A. Kistler
Subject: RE: Temporary Employees

Lori,
You can probably do another $10k from your existing operating budget toward the temp services. Last year Purchasing spent $48k in total operating expenses, you have spent $19k this year with $13k in blue arbor.

Remember you cannot bust your budget and I think it is Amy's intent that Purchasing cannot use the temp labor indefinitely. Only to get caught up.
Thanks,
Stephan

Subject: Temporary Employees

Stephan,
I wonder if Paul has gotten in touch with you to add more money to our Contract Employees I have bills here and $990 left in our budget. Please advise.
Thank you,
Lori

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement–** By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection-** All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss-** All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities-** If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. E x c e s s quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence-** Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets-** All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet-** At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes-** The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment-** After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes–** The County is exempt from Florida sales tax, federal taxes on transportation charges and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations-** Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws-** In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties-** In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased if specified hereon, merchantable, of good material and workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement-** Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises-** If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens-** All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages including attorneys' fees and costs, which County may incur as a result of claims, demands suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance-** Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees-** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities-** (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a) the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default-** The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services, provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience-** The Purchasing Manager by written notice may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure-** Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law-** This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising-** Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services or appropriate or make use of the County's name or identifying marks.
29. **Public Records-** The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance-** Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act. §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement-** By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection-** All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss-** All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities-** If the Contractor delivers quantities of any item in excess of the quantity ordered than such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time Is of the Essence-** Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments, if any.
6. **Delivery Tickets-** All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call, 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information), and 7) Date of delivery or shipment. Upon delivery the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet-** At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes-** The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment-** After delivery and acceptance of goods and submission of properly certified invoices Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes-** The County is exempt from Florida sales tax, federal taxes on transportation charges and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations-** Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws-** In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status or veteran status.
13. **Warranties-** In addition to all warranties, established by statute or common law or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased if specified hereon, merchantable, of good material and workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement-** Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises-** If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens-** All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification.** Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages including attorneys' fees and costs, which County may incur as a result of claims, demands suits, or causes of action of any kind or nature arising from, caused by or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance-** Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees-** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities-** (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a) the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default-** The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services, provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience-** The Purchasing Manager by written notice may terminate this PO in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure-** Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment.** Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation -** The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law-** This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations.** The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising-** Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services or appropriate or make use of the County's name or identifying marks.
29. **Public Records-** The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-16367 **County Administrator's Report 12. 27.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 07/18/2019
Issue: Traffic Restrictions - Truck Prohibitions on County Road 489 (Stefani Road) & West Ten Mile Road
From: Joy Jones, Director
Organization: Engineering
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Traffic Restrictions - Truck Prohibitions on County Road 489 (Stefani Road) & West Ten Mile Road - Joy Jones, P.E., Engineering Department Director

That the Board take the following action concerning Traffic Restrictions - Truck Prohibition on Stefani Road:

A. Adopt a Resolution establishing a vehicle weight restriction on County Road (CR) 489 (Stefani Road) from West Nine Mile Road to CR 297 (West Roberts Road), and West Ten Mile Road from SR 95 (US Highway 29) to Stefani Road - no trucks in excess of 10,500 pounds gross vehicle weight allowed, except trucks servicing or having business within the described area; and

B. Authorize the Chairman to sign the Resolution.

This portion of roadway is located in Commission District 5.

[Funding Source: Fund 175, Transportation Trust Fund, Cost Center 211201, Account Code 53401, for sign installations]

BACKGROUND:

The Board is authorized under Sections 316.006 (3) (a,b); 316.008 (1) (m,n) and 316.555 of the Florida Statutes (2004) to establish regulations on County roadways and streets.

Chapter 94, Article 1, Section 94-1 of the Escambia County Code of Ordinances authorizes the County Engineer to place limits on the size and/or class of vehicles on County roadways and streets. This authorization requires the County Engineer to file for Board ratification by Resolution, quarterly, a list of all limitation orders established under this section.

Following requests from area residents, and a request to install truck prohibitions on County Road (CR) 489 (Stefani Road) and West Ten Mile Road from a resident who attended the recent Commissioner District 5 Town Hall Meeting at the Escambia County Extension Services, held on May 14, 2019, staff evaluated the two locations and determined this request to be necessary and reasonable for public safety and convenience based on the intersection geometrics, restrictive width of roadway, condition of travel surface, and potential shoulder hazards.

BUDGETARY IMPACT:

Funds are budgeted in Fund 175, Transportation Trust Fund, Cost Center 211201, Account Code 53401, for sign installations.

LEGAL CONSIDERATIONS/SIGN-OFF:

Kristin Hual, Senior Assistant County Attorney, has reviewed and approved the Resolution as to form and legal sufficiency.

PERSONNEL:

No additional personnel is required.

POLICY/REQUIREMENT FOR BOARD ACTION:

N/A

IMPLEMENTATION/COORDINATION:

Upon Board approval, a copy of the Resolution will be forwarded to the Sheriff's Department.

RESOLUTION NUMBER R2019-_____

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, ESTABLISHING A VEHICLE WEIGHT RESTRICTION ON STEFANI ROAD FROM W. NINE MILE ROAD TO W. ROBERTS ROAD AND W. TEN MILE ROAD FROM US 29 TO STEFANI ROAD; PROVIDING ON AN EFFECTIVE DATE.

WHEREAS, pursuant to §§316.006(3)(a)(b); 316.008(1)(m)(n), and 316.555, Florida Statutes, the Board of County Commissioners ("Board") is authorized to establish restrictions on the load and weight of vehicles on certain roads for public safety and convenience; and

WHEREAS, the County Engineer, acting on behalf on the Board, is authorized under Volume 1, Chapter 94, Article I, Section 94-1, Escambia County Code of Ordinances (Ordinance No. 2003-26), to place restrictions on the load and weight of vehicles using certain roads and to erect signs conforming to the manual and specifications of the Department of Transportation; and

WHEREAS, on a quarterly basis, the County Engineer is directed to file a list of all limitation orders (traffic restrictions/prohibitions) for Board ratification by resolution; and

WHEREAS, the Board has determined that establishing a vehicle weight restriction on Stefani Road from W. Nine Mile Road to W. Roberts Road and W. Ten Mile Road from US 29 to Stefani Road is reasonable and necessary for public safety and on convenience.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA AS FOLLOWS:

SECTION 1. That the above stated recitals are true and correct and incorporated herein by reference.

SECTION 2. That a prohibition upon vehicles in excess of 10,500 pounds gross vehicle weight is hereby established, except for vehicles servicing or having business within the described portions of said roads, as follows: Stefani Road from W. Nine Mile Road to W. Roberts Road and W. Ten Mile Road from US 29 to Stefani Road.

SECTION 3. That Transportation & Traffic Operations staff previously posted notices of the proposed restrictions in conspicuous locations within the above-described areas.

SECTION 4. That this restriction shall take effect immediately upon adoption of this Resolution by the Board of County Commissioners of Escambia County, Florida.

ADOPTED this _____day of _____ 2019.

Issue: Change Order to Rebol-Battle & Associates LLC for Contract PD 17-18.042 South Chemstrand Road Sidewalk Project
From: Joy Jones, Director
Organization: Engineering
CAO Approval:

RECOMMENDATION:

Recommendation Concerning a Change Order to Rebol-Battle & Associates, LLC, for Contract PD 17-18.042, South Chemstrand Road Sidewalk Project - Joy Jones, P.E., Engineering Department Director

That the Board approve and authorize the County Administrator to execute the following Change Order to Rebol-Battle & Associates, LLC, for Contract PD 17-18.042, South Chemstrand Road Sidewalk Project:

Department:	Engineering
Division:	Construction Management
Type:	Addition
Amount:	$81,331.82
Vendor:	Rebol-Battle & Associates LLC
Project Name:	South Chemstrand Road Sidewalks
Contract:	PD 17-18.042
PO#:	181366
CO#:	2
Original Contract Award:	$98,842.84
Cumulative Amount of Change Orders Through this CO:	$81,331.82
New Contract Amount:	$180,174.66

This project is located in Commission District 3.

[Funding Source: Fund 353, Local Option Sales Tax (LOST) IV, Cost Center 210106, Object Code 56301, Project #18EN0303]

BACKGROUND:

In regular session on July 19, 2018, the Board approved the Agreement between Escambia County and Rebol-Battle & Associates, LLC (RBA), per the terms and conditions of PD 17-18.042, South Chemstrand Road Sidewalks for a lump sum amount of $98,842.84.

There is an existing stormwater system along a portion of South Chemstrand Road that is maintained by the County. Prior to the project, area drainage issues had been addressed through the maintenance work order system. During the planning stages of the design of the proposed sidewalks for the project, a flooding questionnaire was sent to all residents within 500' of the road. Questionnaire responses prompted a community meeting that was held on March 11, 2019 to discuss flooding issues. Following the community meeting, the Commissioner directed staff to meet individually with residents at their properties and to address their concerns as a part of the project. After observing the conditions at the various properties in the project area, staff requested a proposal from RBA to incorporate an enhanced drainage analysis and design into the project.

Per the proposal, RBA will provide an analysis of South Chemstrand Road from Beland Road and Nine Mile Road, west to CSX Railroad, and east to Kaylyn pond (see attached map). The proposal will require additional design efforts for the project that will include, but not be limited to, topographic survey (including SUE data), utility coordination and permitting, and a design for an upgraded drainage system throughout the expanded project area. This proposal also includes efforts to assist the County in acquiring necessary drainage easements that will allow storm water runoff to be better managed to reduce flooding. The cost for these additional services will be $81,331.82, resulting in a new contract amount of $180,174.67.

BUDGETARY IMPACT:

Funds are available in Fund 353, LOST IV, Cost Center 210106, Object Code 56301, Project #18EN0303.

AGREEMENT

THIS AGREEMENT is made and entered into this 19th day of July, 2018, by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "the County"), whose address is 221 Palafox Place, Pensacola, Florida 32502, and Rebol-Battle & Associates, LLC, a for-profit limited liability company authorized to transact business in the State of Florida, whose address is 2301 N. 9th Avenue, Suite 300, Pensacola, Florida 32503, and whose Federal tax identification number is 14-1880334 (hereinafter referred to as the "Consultant").

ARTICLE I
DEFINITIONS AND IDENTIFICATIONS

For purposes of this Agreement and the various covenants, conditions, terms, and provisions which follow, the definitions and identifications set forth below are assumed to be true and correct and are, therefore, agreed upon by the parties.

1.1 BOARD OF COUNTY COMMISSIONERS: The Board of County Commissioners of Escambia County, Florida, means the governing body of the Escambia County Government.

1.2 CONSULTANT: Rebol-Battle & Associates, LLC is the Consultant selected to perform professional services pursuant to this Agreement.

1.3 CONTRACT ADMINISTRATOR: Whenever the term "Contract Administrator" is used herein, it is intended to mean Mariana Correa, Engineering Project Coordinator, Public Works/Engineering. In the administration of this contract, as contrasted with matters of policy, all parties may rely upon instructions or determinations made by the Contract Administrator.

1.4 CONTRACT SERVICES: The intent of this Contract is to make available certain professional consultant services to Escambia County as outlined herein.

1.5 COUNTY: Escambia County is a body corporate and politic and a political subdivision of the State of Florida.

1.6 LUMP SUM COMPENSATION: Lump sum computation refers to the method of payment under this Agreement for the professional services of the Consultant.

1.7 NOTICE TO PROCEED: A Notice to Proceed is the written authorization issued by the County or the Contract Administrator to commence the Project.

1.8 PROJECT: It is the intent of this Agreement that the Consultant provide to the County certain professional services for PD 17-18.042, South Chemstrand Road Sidewalks.

ARTICLE 2
PREAMBLE

In order to establish the background, context, and frame of reference for this Agreement and to generally express the objectives and intentions of the respective parties herein, the following statements, representations, and explanations shall be accepted as predicates for the undertakings and commitments included within the provisions which follow and may be relied upon by the parties as essential elements of the mutual considerations upon which this Agreement is based.

2.1 Under this Agreement, Escambia County will budget funds during Fiscal Year(s) 17-18 in the amount of Ninety Eight Thousand Eight Hundred Forty Two Dollars and Eighty Four Cents ($98,842.84) for this Project.

2.2 The Board of County Commissioners has met the requirements of the Consultants' Competitive Negotiation Act, as contained in Section 287.055, Florida Statutes, as amended, and has selected the Consultant to perform the services hereunder.

2.3 Negotiations pertaining to the services to be performed by the Consultant were undertaken between Consultant and a committee selected by the Board of County Commissioners, and this Agreement incorporates the results of such negotiation.

ARTICLE 3
SCOPE OF WORK

The Consultant will provide certain professional consultant services for the tasks outlined in Escambia County's Request for Letters of Interest (RLI) in Specification No. PD 17-18.042, South Chemstrand Road Sidewalks, and as represented in the Consultant's Letter of Interest response to PD 17-18.042, subsequent interview, and proposal presentation. In the event of a conflict between the terms of the proposal and this Agreement, the terms of this Agreement shall prevail.

3.1 The basic services to be provided are set forth in Exhibit "A," attached hereto and incorporated by reference herein, and unless otherwise specified, such services shall be completed in accordance with the standard care in the profession at the time such services are rendered.

3.2 Such services, generally, shall include those services performed by a consultant, its employees, and subcontractors, as more specifically enumerated in the Scope of Work of Exhibit "A" and any other services specifically included therein.

3.3 The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by the Consultant under this Agreement. The consultant shall, without additional compensation, correct or revise any errors or omissions in its designs, drawings, specifications, and other services furnish pursuant to the Agreement.

(a) Neither the County's review, approval or acceptance of, nor payment for, the services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement, and the Consultant shall be and remain liable to the County in accordance with applicable law for all damages to the County caused by the Consultant's negligent performance of any of the services furnished under this Agreement.

(b) The rights and remedies of the County provided for under this Agreement are in addition to any other rights and remedies provided by law.

(c) If the Consultant is comprised of more than one legal entity, each such entity shall be jointly and severally liable hereunder.

3.4 The Consultant shall accomplish the design services required under this Agreement so as to permit the award of a contract at a price that does not exceed the estimated construction contract price as set forth in paragraph (b) below. When bids or proposals for the construction contract are received that exceed the estimated price, the Consultant shall perform such redesign and other services as are necessary to permit contract award within the funding limitation. These additional services shall be performed at no increase in the price of this Agreement. However, the Consultant shall not be required to perform such additional services at no cost to the County if the unfavorable bids or proposals are the result of conditions beyond its reasonable control.

(a) The Consultant will promptly advise the County if it finds that the project being designed will exceed or is likely to exceed the funding limitations, and it is unable to design a usable facility within these limitations. Upon receipt of such information, the County will review the Consultant's revised estimate of construction cost. The County may, if it determines that the estimated construction contract price set forth in this Agreement is so low that award of a construction contract not in excess of such estimate is improbable, authorize a change in scope or materials as required to reduce the estimated construction cost to an amount within the estimated construction contract price set forth in paragraph (b) below, or the County may adjust such estimated construction contract price. When bids or proposals are not solicited or are unreasonably delayed, the County shall prepare an estimate of constructing the design submitted and such estimate shall be used in lieu of bids or proposals to determine compliance with the funding limitation. In the event the county increases the amount in (b) below the compensation to the consultant may be increased equitably.

(b) The estimated construction contract price for the project described in the Agreement is $1,389,625.00.

3.5 The Consultant may be liable for County costs resulting from negligent, reckless or intentionally wrongful errors or omissions in designs furnished under this Agreement, or failure to timely perform its services under this Agreement. Therefore, when a modification to a construction contract is required because of a negligent, reckless or intentionally wrongful error or omission in the services provided under this Agreement, the County (with the advice of technical personnel and legal counsel) shall consider the extent to which the Consultant may be reasonably liable. The County shall enforce such liability and collect the amount due, if the recoverable cost will exceed the administrative cost involved or is otherwise in the County's interest.

ARTICLE 4
TIME FOR PERFORMANCE

4.1 The schedule for completion of the Consultant's services shall be in accordance with Exhibit "B," which is attached hereto and made a part hereof. Such schedule may be modified from time to time upon the mutual consent of the County and the Consultant.

4.2 These services shall be performed as expeditiously as is consistent with professional skill and care and the orderly progress of the Project. The Consultant's schedule for the performance of its services shall include allowances for periods of time required for the County's review and for its approval of submissions by the Consultant. Time limits established by this schedule, which are hereby approved by the County, shall not be exceeded by the Consultant, except for reasonable cause.

4.3 Prior to beginning the performance of any basic services under this Agreement, the Consultant must receive in writing a Notice to Proceed from the Contract Administrator.

ARTICLE 5
COMPENSATION AND METHOD OF BILLING AND PAYMENT

5.1 COMPENSATION: The County agrees to pay the Consultant, as compensation for its services under Section 3.1 of this Agreement, an aggregate fee for certain project tasks pursuant to the fee schedule set forth in Exhibit "C," attached hereto and made a part hereof. At the completion of each task, the Consultant will be compensated by a lump sum amount, which has been negotiated for that task, unless otherwise mutually agreed to by the parties hereto. The total fee for all such services, to be performed by the Consultant, including costs, direct expenses, and any other charges described in Section 5.3, is to be paid as follows: A lump sum amount of Ninety Eight Thousand Eight Hundred Forty Two Dollars and Eighty Four Cents ($98,842.84). Final payment will be subject to approval by the Board of County Commissioners.

5.2 FEE SCHEDULE: The "fee schedule," as used herein, shall mean the charges shown in Exhibit "C" for certain tasks to be performed by the Consultant. Such fees shall include, all inclusively the Consultant's salaries of professional and administrative staff, sick leave, vacation, unemployment, excise and payroll taxes, contributions for social security, unemployment compensation insurance, retirement benefits, medical and insurance benefits, air travel, auto travel, telephone, facsimile, reproduction costs, other routine overhead expenses, profit, and all other expenses of every type.

5.3 DIRECT EXPENSES: Direct expenses are those expenses directly attributable to the Project, which will be exclusively borne by Consultant, and are included in its aggregate fee, they shall include, but not be limited to, the following:

(a) Transportation expenses in connection with the Project.
(b) Living expenses in connection with travel and any other travel expenses.
(c) Long distance communications and other miscellaneous budget expenses.
(d) Cost of printing plans, drawings, and specifications which are required by or of the Consultant to deliver the services set forth in this Agreement. The Consultant agrees and understands that it will furnish to the County two (2) sets of all Project plans, reports, and specifications in a bound format acceptable to the County.

(e) Cost of any software or hardware used or developed for the Project, including CAD/CADD time.

5.4 METHOD OF BILLING AND PAYMENT:

(a) For lump sum contracts, the Consultant may submit bills to the County at the completion and approval of each task or at the partial completion of a task on a pro-rata basis. However, requests for payment shall not be made more frequently than once a month. The Consultant shall submit such monthly statements identifying the nature of the work performed.

Calculations shall be made monthly of the amount and value of the work accomplished and services performed by the Consultant which meet the standards of quality established under this Agreement. The estimates shall be prepared by the Consultant and accompanied by such supporting data as required by the Contract Administrator.

(b) The County agrees that it shall pay the Consultant within forty five (45) business days of receipt of the Consultant's statement provided that the invoice is correct and is consistent with the terms of this Agreement.

(c) Payments under this Agreement and interest on any late payments shall be governed by the Florida Prompt Payment Act, §§ 218.70, et seq., as amended.

5.5 NOTICES:

(a) Any notice, invoice, payment, or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or other private courier service, such as Federal Express.

(b) Unless otherwise notified in writing of a new address, notices, payment, and invoices shall be made to each party at the below listed addresses. Rejection, or other refusal by the addressee to accept, or the inability of the courier service, or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

(c) Payments and Notices to the Consultant shall be made to:

Rebol-Battle & Associates, LLC
2301 N. 9th Avenue, Suite 300
Pensacola, Florida 32503

(d) Invoices to the County shall be sent to:

Mariana Correa
Engineering Project Coordinator
Public Works/Engineering
3363 West Park Place
Pensacola, FL 32501

Notices to the County shall be sent to:

Jack R. Brown
County Administrator
P.O. Box 1591
Pensacola, Florida 32597-1591

ARTICLE 6
ADDITIONAL SERVICES AND CHANGES IN SCOPE OF WORK

6.1 The County or the Consultant may request changes that would increase, decrease, or otherwise modify the Scope of Work to be provided under this Agreement. Such changes must be in accordance with the procurement policies of the County and must be contained in a written amendment, executed by the parties thereto, with the same formality and of equal dignity prior to any deviation from the terms of this Agreement, including the initiation of any extra work.

ARTICLE 7
COUNTY'S RESPONSIBILITIES

7.1 The County shall furnish to the Consultant, as required for performance of the Consultant's basic services, all available data prepared by or the result of the services of others, including without limitation (as may be appropriate): building plans and related drawings, core borings, probings, and subsurface explorations, hydraulic surveys, laboratory tests, and inspections of samples, materials, and equipment, appropriate professional interpretations of all of the foregoing; environmental assessments and impact statements, appropriate professional interpretations of all of the foregoing; property boundary, easement, rights-of-way, topographic and utility surveys; property descriptions; zoning, deed, and other land use restrictions; and any other special data or consultations relating to this Project.

7.2 The County shall arrange for access to and make all provisions for the Consultant to enter upon public and private property as required for the Consultant to perform its services.

7.3 Within a reasonable time so as not to delay the services of the Consultant, the County shall examine all studies, reports, sketches, drawings, specifications, proposals, and other documents presented by the Consultant, obtain advice of an attorney, insurance counselor, or other Consultants, as the County deems appropriate, for such examinations and the rendering, if required, of written opinions pertaining thereto.

7.4 The County shall furnish approvals and permits from all governmental authorities having jurisdiction over the Project and such approvals and consents from others as may be necessary for completion of the Project.

7.5 The County shall give prompt written notice to the Consultant whenever the County observes or otherwise becomes aware of any development that affects the scope of timing of the Consultant's services, or any defect in the work of the Consultant.

ARTICLE 8
CONSULTANT'S RESPONSIBILITIES

8.1 QUALITY OF SERVICES:

(a) The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished pursuant to this Agreement.

(b) To that end, the Consultant shall correct or shall revise, without additional compensation, any errors or omissions in its work product or shall make such revisions

as are necessary as the result of the failure of the Consultant to provide an accurate, more efficient, and properly constructable product in its designs, drawings, specifications, or other services.

(c) The County's review/approval/acceptance of or payment for the services required by this Agreement shall NOT be construed to operate as a waiver of any rights or of any cause of action arising out of the performance of this Agreement. Additionally, the Consultant shall be and remain liable to the County in accordance with applicable law for all damages to the County caused by the Consultant's negligent performance of any of the services furnished under this Agreement.

(d) The rights and remedies of the County provided for under this Agreement are in addition to any other rights and remedies otherwise provided by law.

8.2 CONSULTANT PROFESSIONAL REGISTRATION AND CERTIFICATION:

(a) The design services provided to the County by the Consultant shall be certified by professional consultants registered to practice and in good standing in the State of Florida. Any project inspection services also shall be reviewed and shall be approved by such professional consultants.

(b) The survey services provided to the County by the Consultant shall be certified by professional land surveyors registered to practice and in good standing in the State of Florida.

(c) Permit applications to State and Federal agencies prepared by the Consultant shall be signed and shall be sealed by the Consultant, as the project's Consultant of Record. For all such permit applications, post-construction certification also shall be made by the Consultant to the appropriate State or Federal permitting agency.

ARTICLE 9
GENERAL PROVISIONS

9.1 OWNERSHIP OF DOCUMENTS:

(a) Drawings, specifications, design, models, photographs, reports, surveys, and other data, including intellectual property of any type or description, produced by the Consultant in connection with this Agreement are and shall remain the property of the County whether the Project for which they were made is completed or not. Such ownership also shall include any electronic files developed or created of such documents.

(b) When such documents are provided to other parties, the Consultant shall ensure return of the County's property by collecting, if appropriate, a deposit equal to the cost of reproduction. Such deposit shall be returned if the documents are timely returned in a useable condition. Otherwise, such deposit shall be retained by the Consultant.

9.2 TERMINATION:

(a) This Agreement may be terminated by either party for cause, or by the County for convenience, upon fourteen (14) days written notice by the terminating party to the other party of such termination in which event the Consultant shall be paid its compensation for services performed to termination date, including all reimbursable expenses then due or incurred to the date of termination.

(b) Termination for cause shall include, but not be limited to, misuse of funds, fraud, lack of compliance with applicable rules, laws, regulations, and ordinances, and failure to perform in a timely manner any provision of this Agreement.

(c) In no event shall a termination for convenience by the County be deemed a default, and any such termination shall not subject the County to any penalty or other claim for damages. If the Consultant abandons this Agreement or causes it to be terminated, the Consultant shall indemnify the County against any loss pertaining to this termination up to a maximum of 1.3 times the full contracted fee amount of the Project. All finished or unfinished documents, data, studies surveys, drawings, maps, models, photographs, and reports prepared by the Consultant shall become the property of the County and shall be immediately delivered by the Consultant to the County.

(d) Vendor suspension or debarment proceedings brought by County pursuant to Chapter 46, Article II, Division 2, Section 46-102, Escambia County Code of Ordinances, shall be grounds for immediate termination of this Agreement.

9.3 RECORDS:

(a) The Consultant shall keep such records and accounts and shall require any subcontractors to keep records and accounts as may be necessary in order to record complete and correct entries as to personnel hours charged to this engagement and any expenses for which the Consultant expects to be reimbursed. Such books and records will be available at all reasonable times for examination and audit by the County, and shall be kept for a period of three (3) years after the completion of all work to be performed pursuant to this Agreement. Incomplete or incorrect entries in such books and records will be grounds for disallowance by the County of any fees or expenses based upon such entries.

(b) The Consultant acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. The Consultant shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. The Consultant shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Consultant agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Consultant fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any right or remedy and after giving the Consultant and its surety, if any, seven (7) days written notice, during which period the Consultant still fails to allow access to such documents,

terminate the employment of the Consultant. In such case, the Consultant shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Consultant (excluding monies owed the Consultant for subcontractor work).

IF THE CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

9.4 NO CONTINGENT FEES: The Consultant warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Consultant to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, limited liability company, individual, or firm, other than a bona fide employee working solely for the Consultant any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of this provision, the County shall have the right to terminate the Agreement without liability and at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

9.5 SUBCONTRACTORS: The County approves the use of subcontractors by the Consultant. In the event the Consultant, during the course of the work under this Agreement, requires the services of any subcontractors or other professional associates in connection with services covered by this Agreement, it must secure the prior written approval of the County for employment of such subcontractors.

9.6 ASSIGNMENT: This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the Consultant, without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

9.7 HOLD HARMLESS AND INDEMNIFICATION OF COUNTY:

The Consultant agrees to hold harmless and indemnify the County and its agents, officers, and employees from all liabilities, damages, losses, and costs, including attorneys' fees and paralegals' fees, incurred by County to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Consultant or by any person, firm, or limited liability company to whom any portion of the performance of this Agreement is subcontracted to or used by the Consultant, or by any other person for whom the Consultant is legally liable. Consultant's obligation as provided herein shall be limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Consultant or by

any person, firm or limited liability company to whom any portion of the Work is subcontracted by Consultant, and Consultant shall not be required to indemnify and hold harmless County where County's negligence, recklessness, or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's and paralegal fees.

County and Consultant agree one percent (1%) of the Contract Amount paid by County to Consultant shall be given as separate consideration for this indemnification, and any other indemnification of County by Consultant provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Consultant by Consultant's acceptance and execution of the Agreement.

Consultant agrees that such indemnification by the Consultant relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any statutes of limitations thereafter. The Consultant's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

9.8 INSURANCE: The Consultant is required to carry the following insurance:

(a) Commercial General Liability with $1,000,000 minimum per occurrence, including coverage parts of bodily injury, property damage, broad form property damage, personal injury, independent contractors, blanket contractual liability, and completed operations.

(b) Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles.

(c) Professional Liability coverage with $1,000,000 minimum limit, except where the estimated construction contract price for the project described in the Agreement is greater than $5 Million dollars, the minimum limit of professional liability coverage shall be equal to 25% of the estimated construction contract price for the project. Said coverage shall be continuously maintained and in effect for a period of not less than **five (5) years** from the effective date of this Agreement. The policy limit of liability shall not include legal fees and other defense costs. If a claims made form of coverage is provided, the retroactive date of coverage shall be no later than the effective date of this Agreement and shall not be advanced.

If at any time during the aforementioned policy period there should be a cancellation, non-renewal, or lapse in coverage, professional liability coverage shall be extended for the remainder of the five year period with a supplemental extended reporting period (SERP) endorsement to take effect upon expiration of the policy period referenced above. The limits of liability applicable to the SERP coverage shall be equal to the limits of liability applicable to the policy referenced above and to which the endorsement attaches.

(d) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

(e) It is understood and agreed by the parties that in the event that the Consultant, as defined in Section 1.2, consists of a joint venture, partnership, or other association of

professional or business firms, each such firm shall be required to individually carry the above cited coverages.

(f) All liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be a minimum financial size of VII, according to the latest edition of the A.M. Best Key Rating Guide. An A or better Best Rating is referred; however, other ratings if "Secure Best Ratings" may be considered. Liability policies shall be underwritten on the occurrence basis, except the professional and environmental impairment coverage may be provided on a claims made basis. Escambia County and the Board of County Commissioners shall be "additional insured's" on all liability policies (except professional liability). Certificates of insurance shall be provided to Paul Nobles, Purchasing Manager, P.O. Box 1591, Pensacola, Florida 32597-1591 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County and shall provide for a minimum of thirty (30) days notice of cancellation. Escambia County and the Board of County Commissioners also shall be the certificate holders.

9.9 REPRESENTATIVE OF COUNTY AND CONSULTANT:

(a) It is recognized that questions in the day-to-day conduct of the Project will arise. The Contract Administrator, upon request by the Consultant, shall designate and shall advise the Consultant in writing, persons to whom all communications pertaining to the day-to-day conduct of the Project shall be addressed.

(b) The Consultant shall inform the Contract Administrator in writing of the representative of the Consultant to whom matters involving the conduct of the Project shall be addressed.

9.10 ALL PRIOR AGREEMENTS SUPERSEDED:

(a) This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein, and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or Agreements whether oral or written.

(b) It is further agreed that no modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

9.11 TRUTH-IN-NEGOTIATION CERTIFICATE: The signing of this Agreement by the Consultant shall act as the execution of a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation of this Agreement are accurate, complete, and current at the time of contracting. The original contract price and any additions thereto shall be adjusted to exclude any significant sums by which the County determines the contract price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such contract adjustments shall be made within one (1) year following the end of this Agreement.

9.12 HEADINGS: Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

9.13 GRATUITIES: Neither the Consultant nor any of its employees, agents, and representatives shall offer or give to an officer, official, or employee of the County gifts, entertainment, payments, loans, or other gratuities. The Consultant acknowledges knowledge of the State of Florida's ethics statutes and to the extent applicable to the Consultant, the Consultant agrees to abide with such statutes.

9.14 CONFLICT OF INTEREST: The Consultant hereby certifies that it will completely disclose to the County all facts bearing upon any possible conflicts, direct or indirect, with its performance which it believes that any officer, employee, or agent of the Consultant now has or will have. Said disclosure shall be made by the Consultant contemporaneously with the execution of this Agreement and at any time thereafter that such facts become known to the Consultant. The Consultant at all times shall perform its obligations under this Agreement in a manner consistent with the best interests of the County. Failure to abide by this section shall result in the immediate termination of this Agreement pursuant to Chapter 46, Article II, Division 4 of the Escambia County Code of Ordinances.

9.15 SURVIVAL: All other provisions which, by their inherent character, sense, and context are intended to survive termination of this Agreement, shall survive the termination of this Agreement.

9.16 GOVERNING LAW: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue for any matter which is a subject of this Agreement shall be in the County of Escambia.

9.17 INTERPRETATION: For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If the Consultant discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, the Consultant shall immediately notify the County and request clarification of the County's interpretation of this Agreement.

(b) This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

9.18 SEVERABILITY: The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed and enforced as if this Agreement did not contain such invalid or unenforceable portion or provision.

9.19 COMPLIANCE WITH LAWS: The Consultant shall keep fully informed regarding and shall fully and timely comply with all current laws and future laws that may affect those engaged or employed in the performance of this Agreement. Without limiting the generality of the foregoing, the Consultant shall observe all rules and regulations of federal, state, and local officials relating to the subject matter of this Agreement.

9.20 EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY): In accordance with State of Florida, Office of the Governor, Executive Order 11-116 (superseding Executive Order 11-02; Verification of Employment Status), in the event performance of this Agreement is or will be funded using state or federal funds, the CONTRACTOR must comply with the Employment Eligibility Verification Program ("E-Verify Program") developed by the federal government to verify the eligibility of individuals to work in the United States and 48 CFR 52.222-54 (as amended) is incorporated herein by reference. If applicable, in accordance with Subpart 22.18 of the Federal Acquisition Register, the CONTRACTOR must (1) enroll in the E-Verify Program, (2) use E-Verify to verify the employment eligibility of all new hires working in the United States, except if the CONTRACTOR is a state or local government, the CONTRACTOR may choose to verify only new hires assigned to the Agreement; (3) use E-Verify to verify the employment eligibility of all employees assigned to the Agreement; and (4) include these requirement in certain subcontracts, such as construction. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

9.21 PARTICIPATION IN OTHER PROCEEDINGS: At the County's request, the Consultant shall allow itself to be joined as a party in any legal proceeding that involves the County regarding the design, construction, or installation of any matter which is the subject of this Agreement. This provision is for the benefit of the County and not for the benefit of any other party.

9.22 FURTHER DOCUMENTS: The parties shall execute and deliver all documents and perform further actions that may reasonably necessary to effectuate the provisions of this Agreement.

9.23 NO WAIVER: The failure of the Consultant or the County to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Agreement.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement on the respective dates under each signature: Escambia County, Florida through its Board of County Commissioners, signing by its County Administrator, duly authorized to execute this Agreement through the express delegation of authority set forth in Chapter 46, Article II of the Escambia County Code of Ordinances, and Rebol-Battle & Associates, LLC, signing by and through its Paul A. Battle, Principal, duly authorized to execute same.

Civil Engineers and Surveyors

Project Understanding / Approach / Scope Clarification

ESCAMBIA COUNTY – Engineering Department
South Chemstrand Road Sidewalk Project
Revised 6/14/2018

Rebol-Battle & Associates (RBA) proposes to provide engineering/surveying services, permitting, and environmental services to develop final roadway construction plans for the South Chemstrand Road Sidewalk Project.

This document will serve as clarification to the Scope of Service contained in the PD 17-18.042 RLI Information Package. The sidewalk project is approximately 4,900 LF and is located between 9 Mile Road and Johnson Avenue. The tasks contained within this scope of services is intended to encompass all services needed to design and permit sidewalks along both sides of Chemstrand Road from the south side of 9 Mile Road to the north side of Johnson Avenue.

Task 1 – Data Collection
Data collection includes a detailed review and compilation of existing background data and documents available for the project area which will be used in the design. RBA will obtain available existing plats, surveys, Right of Way Maps, and deeds along Chemstrand Road. Field investigations will be made throughout design to confirm physical constraints, meet with sub consultants, and County staff. Wetland Sciences will verify the limits of any wetlands that may be located within the proposed alignment. ISS will perform GPR/SUE investigation and a report of findings along critical areas of the project in this task.

Task 2 – Surveying
The Surveying task will include the right of way, topographic, and control along project route.

Specifically, the survey task includes:

- Provide a signed and sealed topographic survey for the right of way along Chemstrand Road from 9 Mile Road to Johnson Avenue. This includes approximately 4,900' along the primary route and east and west of all roadway intersections to provide adequate information to complete the design
- Horizontal and Vertical Control work.
- ROW Verification
- Benchmark Establishment (minimum of 5)
- Wetland flag location along route (if required)
- Utility locations (sunshine one call)
- SUE marker locations and removal of the markers

The surveying services will be performed in accordance with Chapter 61G17-6, Florida Administrative Code and based on State Plane Coordinates, NAD 83/90, North Florida Zone. This task will include review and approval of the topographic survey by the County Surveyor.

Task 3 – 30% Design
At the completion of data collection and field surveying services, 30% preliminary plans will be developed. The submittal will be consistent with the "Summary of Phase Submittals for Escambia County" document. They will include preliminary key sheet, general notes, drainage map, typical section, misc. details, project layout, roadway plan/profile, cross sections, and SWPPP. Prior to submittal, an internal 30% QA/QC will be performed by an engineer not associated with the design of the project.

Task 4 – Public Involvement
RBA will provide drawings, questionnaires, and attend a project workshop after the 30% design phase to obtain public feedback on the proposed sidewalk path.

Task 5 – 60% Design
Once public involvement task #1 is complete, the 60% design will be completed. This task includes addressing any comments received by Escambia County during the 30% review process. This task will allow design progression from 30% to 60%. Upon completion of this task, 60% design plans will be provided that are consistent with the "Summary of Phase Submittals for Escambia County" document. They will include preliminary key sheet, general notes, summary of quantities, misc. details, completed project layout, roadway plan/profile, drainage structures, pavement markings and signage, cross sections, and SWPPP. A 60% cost estimate will also be provided. Prior to submittal, an internal 60% QA/QC will be performed by an engineer not associated with the design of the project.

Task 6 – Utility Coordination
Upon completion of the 30% design, 60% design, and 90% design, we will have a plans-in-hand walk through of the job with the utility providers for coordination of adjustments or relocations.

Task 7 - Permitting
FDOT permitting will be required for the proposed sidewalk connection adjacent to the Taco Bell at 9 Mile Road. FDOT permitting fees are included under the optional services task. While Dredge and Fill permitting from FDEP and the ACOE is not anticipated, a separate optional service task has been included if wetlands are identified during the wetland investigation by Wetland Sciences in Task 1.

Task 8 – 90% Design
Once utility coordination has been completed and permitting is underway, the 90% design plans will be completed. This task will allow design progression from 60% to 90%. This task includes addressing any comments received by Escambia County during the 60% review process. Upon completion of this task, 90% design plans consistent with the "Summary of Phase Submittals for Escambia County" document will be provided. They will include complete key sheet, general notes, summary of quantities, misc. details, project layout, roadway plan/profile, drainage structures, pavement markings and signage, cross sections, and SWPPP. A 90% cost estimate will also be provided. Prior to submittal, an internal 90% QA/QC will be performed by an engineer not associated with the design of the project.

Task 9 – 100% Design
Once all permitting and public involvement is completed, the 100% design plans will be completed. This task will allow design progression from 90% to 100%. This task includes addressing any comments received by Escambia County during the 90% review process. Upon completion of this task, 100% design plans consistent with the "Summary of Phase Submittals for Escambia County" document will be provided. They will include final key sheet, general notes, summary of quantities, misc. details, project layout, roadway plan/profile, drainage structures, pavement markings and signage, cross sections, and SWPPP. A 100% cost estimate will also be provided. Prior to submittal, an internal 100% QA/QC will be performed by an engineer not associated with the design of the project.

100% construction plans, bid documents including the bid tabulation and technical specifications will be provided. These documents will then be subject to a CDR review by Escambia County. This task includes revisions as necessary to produce final plans ready for bidding based upon the CDR.

Task 10 – Post Design Services
This task includes attending pre-bid meeting, addressing RFI's that may be received during bidding, attending the bid opening, and providing a certified bid tab. This task also includes providing an as-built drawing from the contractors' markups.

Task 11 – Construction Inspection
This task includes any construction administration and observations that may be required or requested by County staff. Items included include are attendance at the pre-construction meeting, response to contractors RFI, shop drawing review, substantial completion inspection, final completion inspection, and permit certifications. If an as-built survey is desired or contractor markups are not provided, a fee for this service has been provided as an optional service under task 12.

Task 12 – Optional Services
Although they are not anticipated, the following services may be necessary through design and construction of the project. Neither RBA or its sub-consultants will proceed with any of these items unless a NTP is obtained from Escambia County.

- Miscellaneous permitting services, including but not limited to, wetland permitting services. Should wetlands be found and impacts are unavoidable, RBA and Wetland Sciences will obtain necessary permits. A permitting fee allowance is included.
- As-built survey by RBA should contractor markups not be provided or if County desires a survey of the improvements.
- Additional public involvement services beyond the scope of task 4.

Customer ID: RBA

Approved by: T.E. Kassebaum

Bill to: Jeremy King
RBA

Job: Chemstrand Road; 9 mile south to Johnson

Qty	Description	Unit Price	Line Total
LS	GPR & S.U.E. Investigation. Quality Level "A". Using 3 frequnecy GPR with 5cm GPS. 1/2" survey markers will be placed on top of located utilities for calibaration and identification purposes if needed.	$4,950.00	$4,950.00
1 EA	Report of Findings; location log & pictures. Files will be in .dxf, .kmz, and .csv format. Pictures via Dropbox. All project data will be transferred electronically.	$450.00	$450.00
Assumptions:	No known hazardous material buried on site, no explosive material buried on site, no permits required from Federal, State or local authorities, any permits will be provided by client. ISS Inc. will have full unimpeded access to the site. Client will have a representative available (on-call) to make determinations of unknown material, substances, structures or utilities as needed. ISS Inc. will not provide citizen coordination and interaction services.		
Notes:	Client is responsible for providing the locations of ALL utilities regardless of age or current service. Excavation requiring machinery is not included in this quote. Any discovery of buried hazardous/dangerous/questionable material and/or structures will stop excavations immediately until properly identified by the client. Survey location services available for an additional fee. GPR depth readings will vary due to soil composition, moisture and debris, +/- 15%. Client shall make accommodations for variances. ISS Inc. will invoice weekly. Ground water can blind GPR signals.		
Method:	Utilities will be located by GPR. Soft dig locations (S.U.E.) will be hand and/or jet-vacuum excavated.		
		Subtotal	$ 5,400.00
		Misc.	
		Total	**$ 5,400.00**

Re: ***South Chemstrand Road Sidewalks***
Environmental Resource Permitting Scope and Quote
WSI Project #2018-436

Dear Mr. King,

As requested, the following letter proposal offers a scope of work and fee estimate for environmental consulting services that may be required to obtain the necessary state and federal environmental resource permits authorizing proposed sidewalk improvements along Chemstrand Road in between Johnson Ave Nine Mile Road.

To understand the regulatory implications of the proposed improvements it will be necessary to identify wetlands and surface waters within the project area. This will be Task 1.

Task 1 – Delineation of Wetland Resources

A flagged jurisdictional determination of all wetlands regulated under ***33 CFR 320-330*** (US Army Corps of Engineers in accordance with the Corps of Engineers 1987 wetland delineation manual), Florida Department of Environmental Protection under **62-340 F.A.C**. This effort will involve members of our staff to first conduct a non-binding jurisdictional determination in which WSI staff will identify all wetland resources and provide a written narrative describing our findings. In addition, Wetland Sciences, Inc. will locate the jurisdictional lines using a Differentially Corrected Global Positioning System (DGPS), which is typically sub-meter accurate. This data can be overlain onto aerial photographs, imported electronically into an AutoCAD drawing of the property survey, or used to generate an AutoCAD drawing with the parcel's boundaries approximated which will be attached to the report.

Our cost associated with the performance of a non-binding wetland determination is not to exceed **$1,750.** Please allow 20 business days for field identification and report preparation

Task 2 - State/Federal Environmental Resource Permitting

This effort may require some coordination with the Florida Department of Environmental Protection (DEP) or the Northwest Florida Water Management District (District) and Department of the Army Corps of Engineers (Corps). The following is a summary of each agencies role in this process.

State of Florida – DEP

It is likely that the proposed improvements may be authorized via a noticed general permit pursuant to Rule 62-330.400, Florida Administrative Code (F.A.C.). The application fee for a noticed general permit is $250. If for some reason, DEP/District does not concur with the noticed general permit request then an Environmental Resource Permit will be required. If so, an ERP application fee is $420.

Federal – Corps

Section 404(e) of the Clean Water Act allows the Corps to issue general permits (referred as Nationwide Permit) to authorize activities that have minimal individual and cumulative adverse environmental effects. In our opinion, the Corps may be able to authorize the proposed activities via Nationwide 18/41. The application submitted to DEP will serve as a Pre-Construction Notification requesting coverage under both Nationwide Permit Programs. This will provide the district engineer with an opportunity to confirm whether or not the proposed activities qualify for NWP authorization. For most NWPs, the district engineer has to respond to a notification within 45-days of a complete PCN. Please understand this timeline is largely dependent on the Corps workload which at the time is extreme. Our experience suggests 4-6 months to obtain verification of coverage under a Nationwide Permit.

If, after reviewing the PCN, the district engineer determines that the proposed activity qualifies for NWP authorization, the district engineer issues an NWP verification letter to the project proponent. The NWP verification may contain special conditions to ensure that the NWP activity results in minimal individual and cumulative effects on the aquatic environment and the Corps public interest review factors

Both the State and Federal requests will need supporting documents such as project narrative & scope of work and civil site plan drawings depicting the proposed activity. It is assumed we will be provided civil site plan drawings depicting the proposed activity by a civil engineer.

Wetland Sciences, Inc. will work with the design engineer to prepare scope of work, environmental resource permit applications, and request to verify coverage via Corps Nationwide Permit for the proposed modifications. Wetland Sciences, Inc. will identify impacts to regulated wetlands and listed species.

Wetland Sciences, Inc. will coordinate with both state and federal resource agencies and provide information necessary leading to the issuance of the requisite permits. The following is a breakdown of expected fees.

- Wetland Sciences, Inc. consulting fee to assist with the preparation of the ERP application and agency fee leading to the issuance of final permits – lump sum of $2,000
- DEP ERP Application Fee - $250 (If an ERP permit is required then this fee will be increased to $420).

Total Fees for Task 2: $2,250-$2,420

This assumes our office will be provided civil site plan drawings prepared by a civil engineer. This does not include any fees associated with surveying, and compensatory wetland mitigation (if required).

This concludes our response. Let me know if you need any additional information.

Respectfully,
Wetland Sciences, Inc.

CAPITAL IMPROVEMENT PROJECTS - REQUEST FOR FUNDS (RFF)

Project Name:	South Chemstrand Road Sidewalk Project
Project ID:	
Location:	South Chemstrand Road between Johnson and Nine Mile
Project Manager:	Elizabeth Bush
Date:	6/10/2019

This section to be completed by Project Managers:

DESCRIPTION OF REQUEST

This is a request for additional funding ($81,331.82) associated with additional work needed to ensure proper drainage flow within the South Chemstrand Road area. When this project began there were no documented drainage complaints. As a result of a flooding questionnaire submitted to residents in January 2019, several residents complained of flooding. Additionally, at a public meeting held in March 2019, additional residents expressed their concerns and it was determined that drainage was an issue and needed to be addressed. The additional funds will allow the design engineer to gather additional off-site survey, complete a drainage analysis of the area located on the attached map, and design a stormwater system to meet the current drainage concerns. The new contract amount will be $180,174.67. A budget amendment will not be required as there is funding currently available in the project.

Escambia County Public Works – Engineering Division

Re: South Chemstrand Road Sidewalk & Drainage – Change Order Request

This change order request was developed in order to address the drainage issues along Chemstrand Road primarily in the vicinity of Greenridge Dr. and Camden Road. The drainage design will identify deficiencies and develop construction plans to alleviate offsite stormwater flow through Greenridge from the undeveloped property west of Greenridge, address Camden Road conveyance issues, and ensure adequate conveyance capacity for the contributing area to prevent ditch and lot flooding.

The task breakdown below and the attached change order request breaks down the additional efforts for each task that are needed to accomplish the final goal. The fee on the attached change order will supplement the original task order for design. The drainage area for the expanded project is shown on the attached map.

Task 1 – Data Collection
Data collection includes a detailed review and compilation of existing background data and documents available for the expanded project area which will be used in the design. RBA will obtain available existing plats, surveys, Right of Way Maps, and deeds along the expanded project area. Field investigations will be made throughout design to confirm physical constraints, meet with sub consultants, and County staff. ISS will perform GPR/SUE investigation and a report of findings along critical areas of the project in this task. NOVA will perform geotechnical services in the Kaylyn Rd. pond. Additional fees for this task will cover obtaining the additional information needed for surveying tasks, geotechnical investigation, and the coordination of the SUE data for the expanded project area.

Task 2 – Surveying
The Surveying task will include the right of way, topographic, and control along project route. Specifically, the survey task includes:

- Provide a signed and sealed topographic survey for the areas highlighted on the attached map. These areas include portions of Holly Rd., Etta St., Mildred Ave., Greenridge Dr., Camden Rd., Topeka Rd., Kaylyn Rd., Eastern boundary of Moulton property, and the Kaylyn Rd. pond.
- Horizontal and Vertical Control work.
- ROW Verification
- Benchmark Establishment (minimum of 5)
- Utility locations (sunshine one call)
- SUE marker locations and removal of the markers

The surveying services will be performed in accordance with Chapter 61G17-6, Florida Administrative Code and based on State Plane Coordinates, NAD 83/90, North Florida Zone. This task will include review and approval of the topographic survey by the County Surveyor.

Task 3 – 30% Design
At the completion of additional data collection and field surveying services, revised 30% preliminary plans will be developed. The submittal will be consistent with the "Summary of Phase Submittals for Escambia County" document. They will include a preliminary key sheet, general notes, drainage map, typical section, misc. details, project layout, roadway plan/profile, cross sections, and SWPPP. Prior to submittal, an internal 30% QA/QC will be performed by an engineer not associated with the design of the project. Additional fees associated with this task are based on the expanded project area.

Task 4 – Public Involvement
No change needed.

Task 5 – 60% Design
Upon receipt of review comments from the County, the 60% design will be completed. This task includes addressing any comments received by Escambia County during the 30% review process. This task will allow design progression from 30% to 60%. Upon completion of this task, 60% design plans will be provided that are consistent with the "Summary of Phase Submittals for Escambia County" document. They will include preliminary key sheet, general notes, summary of quantities, misc. details, completed project layout, roadway plan/profile, drainage structures, pavement markings and signage, cross sections, and SWPPP. A 60% cost estimate will also be provided. Prior to submittal, an internal 60% QA/QC will be performed by an engineer not associated with the design of the project. Additional fees associated with this task are based on the expanded project area.

Task 6 – Utility Coordination
Upon completion of the 30% design, 60% design, and 90% design, we will have a plans-in-hand walk through of the job with the utility providers for coordination of adjustments or relocations. Additional fees associated with this task are based on the expanded project area.

Task 7 - Permitting
The additional services added to task 7 will address the requirement for a NWFWMD ERP permit for the stormwater improvements.

Task 8 – 90% Design
Once utility coordination has been completed, comments from the County have been received, and permitting is underway, the 90% design plans will be completed. This task will allow design progression from 60% to 90%. This task includes addressing any comments received by Escambia County during the 60% review process. Upon completion of this task, 90% design plans consistent with the "Summary of Phase Submittals for Escambia County" document will be provided. They will include complete key sheet, general notes, summary of quantities, misc. details, project layout, roadway plan/profile, drainage structures, pavement markings and signage, cross sections, and

SWPPP. A 90% cost estimate will also be provided. Prior to submittal, an internal 90% QA/QC will be performed by an engineer not associated with the design of the project. Additional fees associated with this task are based on the expanded project area.

Task 9 – 100% Design

Once all permitting and public involvement is completed and comments from the County have been received, the 100% design plans will be completed. This task will allow design progression from 90% to 100%. This task includes addressing any comments received by Escambia County during the 90% review process. Upon completion of this task, 100% design plans consistent with the "Summary of Phase Submittals for Escambia County" document will be provided. They will include final key sheet, general notes, summary of quantities, misc. details, project layout, roadway plan/profile, drainage structures, pavement markings and signage, cross sections, and SWPPP. A 100% cost estimate will also be provided. Prior to submittal, an internal 100% QA/QC will be performed by an engineer not associated with the design of the project.

100% construction plans, bid documents including the bid tabulation and technical specifications will be provided. These documents will then be subject to a CDR review by Escambia County. This task includes revisions as necessary to produce final plans ready for bidding based upon the CDR. Additional fees associated with this task are based on the expanded project area.

Task 10 – Post Design Services

This task includes attending pre-bid meeting, addressing RFI's that may be received during bidding, attending the bid opening, and providing a certified bid tab. The additional fees associated with this task are based on the additional efforts needed to provide an as-built drawing from the contractors' markups for the expanded project area.

Task 11 – Construction Inspection

This task includes any construction administration and observations that may be required or requested by County staff. Items included include are attendance at the pre-construction meeting, response to contractors RFI, shop drawing review, substantial completion inspection, final completion inspection, and permit certifications. If an as-built survey is desired or contractor markups are not provided, a supplemental fee for this service has been provided as an optional service under task 12. Additional fees associated with this task are based on the expanded project area.

Task 12 – Optional Services

The additional following services may be necessary through design and construction of the project. Neither RBA or its sub-consultants will proceed with any of these items unless an NTP is obtained from Escambia County.

- Legal & sketch for property acquisition (allowance for up to 10 included).
- An optional service task already exists to as-built survey the Chemstrand Rd. sidewalk improvements in the original scope should contractor markups not be provided or if the County desires a final survey of the sidewalk improvements. Additional funds are shown in this change order task to survey the drainage improvements if desired based on the expanded project area.

Customer ID: RBA

Approved by: T.E. Kassebaum

Bill to: Jeremy King
RBA

Job: Chemstrand Road; 9 mile south to Johnson. Supporting side streets

Qty	Description	Unit Price	Line Total
LS	GPR & S.U.E. Investigation. Quality Level "A". Using 3 frequnecy GPR with 5cm GPS. 1/2" survey markers will be placed on top of located utilities for calibaration and identification purposes if needed.	$6,000.00	$6,000.00
Assumptions:	No known hazardous material buried on site, no explosive material buried on site, no permits required from Federal, State or local authorities, any permits will be provided by client. ISS Inc. will have full unimpeded access to the site. Client will have a representative available (on-call) to make determinations of unknown material, substances, structures or utilities as needed. ISS Inc. will not provide citizen coordination and interaction services.		
Notes:	Client is responsible for providing the locations of ALL utilities regardless of age or current service. Excavation requiring machinery is not included in this quote. Any discovery of buried hazardous/dangerous/questionable material and/or structures will stop excavations immediately until properly identified by the client. Survey location services available for an additional fee. GPR depth readings will vary due to soil composition, moisture and debris, +/- 15%. Client shall make accommodations for variances. ISS Inc. will invoice weekly. Ground water can blind GPR signals.		
Method:	Utilities will be located by GPR. Soft dig locations (S.U.E.) will be hand and/or jet-vacuum excavated.		
		Subtotal	$ 6,000.00
		Misc.	
		Total	**$ 6,000.00**

Subject: Proposal to Perform a Subsurface Exploration and Geotechnical Engineering Services
KAYLYN STREET SMS IMPROVEMENTS
Escambia County, Florida
NOVA Proposal Number 016-20190350

Dear Mr. King :

NOVA Engineering and Environmental LLC (NOVA) appreciates the opportunity to submit this proposal to provide a subsurface exploration and geotechnical engineering evaluation for the subject project. This proposal summarizes our understanding of the project, describes our approach to the work, and presents our cost estimate and schedule.

PROJECT INFORMATION

Our understanding of the site and requirements for this project are based on information provided by the Client. The subject property is located at the termination of Kaylyn Street in Escambia County, Florida. We understand that the site contains an existing stormwater retention basin and therefore access to the proposed boring locations is not expected to be an issue. However, we note that the field services may have to be delayed based upon the water levels within the existing basin bottom, unless they are pumped out prior to our mobilizing to the site.

We understand that the existing 1-acre dry retention basin located on the property is to be modified in order to more efficiently treat and dispose of stormwater runoff. We further understand that these improvements may include the addition of a sand chimney feature.

Please note that this exploration is limited to the stormwater management system (SMS) design aspects of the proposed improvements project; hence, additional information regarding overall site development is not relevant.

We understand that our scope of services will need to meet current NWFWMD ERP criteria. If these assumptions are not accurate, please advise us so that we may adjust our proposed scope of work and costs as appropriate.

PROPOSED SCOPE OF SERVICES

Our proposed scope of services is designed to evaluate the existing SMS basin to assess the subsurface conditions as they pertain to the presence of organic materials, loose or otherwise unsuitable soils, and groundwater. We anticipate that Standard Penetration Test (SPT) borings will be suitable for the SMS exploration. All drilling, sampling and testing on this project will be conducted in general accordance with ASTM procedures or other applicable standards and practices. We will not perform additional services without your prior approval.

Proposed Field Exploration

We understand that the client has requested that the following field services be performed for this project to evaluate the subsurface conditions present:

- Perform six (6), 35-foot SPT borings within the existing basin bottom.

Test boring drilling footage is anticipated to be up to 210 linear feet. Soil samples will be collected for subsequent use in the engineering evaluation. Upon completion of the borings, the depth to groundwater will be measured. Soil cuttings from the drilling process will be used for backfilling of the boreholes after the stabilized groundwater measurements have occurred.

Laboratory Testing

Our proposed laboratory-testing program will include visual classification of the soil samples collected during the drilling process in accordance with the Unified Soil Classification System (USCS) and ASTM standards. ***Laboratory testing will also include limited classification tests (up to 8 fines content tests, 8 natural moisture content determinations, and 3 permeability tests) of representative soils.***

In accordance with the attached General Terms and Conditions, soil samples will be disposed of 30-days after submittal of the final report, unless requested otherwise by the client.

Evaluation and Report

Upon completion of the field exploration, we will evaluate the data obtained and prepare a written report for the site summarizing the findings, along with our conclusions and recommendations. We will keep you informed of our progress and findings throughout the course of the exploration. If poor or unanticipated subsurface conditions are encountered, we will contact you to develop a revised scope for our services prior to proceeding. A professional engineer registered in the State of Florida will prepare the report.

Our written report will include the following:

- A description of the site, fieldwork, laboratory testing and general soil conditions encountered, as well as a Boring Location Plan, and individual Test Boring Records.
- SMS design parameters including hydraulic conductivity values, a void ratio estimate, and apparent and normal permanent seasonal high and low groundwater levels within the proposed SMS area (as well as sand chimney recommendations, of applicable).

NOVA will inform you of any obvious odors or materials seen during completion of our study. However, the assessment of site environmental conditions, the detection of pollutants in the soil, rock or groundwater, or laboratory-testing of samples, wetlands evaluation, or a site-specific seismic study are beyond the scope of this exploration. However, if requested, NOVA can also provide these services.

SITE UTILITIES

Prior to beginning field activities, NOVA will contact the State Utility Protection Center, as required by law. They typically require 72 hours' notice to mark utilities on rights-of-way adjacent to the site perimeter. Please note that they will typically not enter private property. If this planned exploration will be outside the areas where the State Utility Locate Service will not field-mark underground utilities, you (our Client) acknowledges and accepts the risks that damage to life and property is possible without further effort to locate and field-mark underground utilities.

If requested, NOVA can provide a private utility locate service for an additional fee to mark the utilities at the specific boring or excavation locations, but beyond normal due-diligence and working with your personnel, we cannot be responsible for encountering utilities. Please note that marking utilities across the entire site is not included in NOVA's work scope. If you elect to continue without performing proper utility locate, then you agree to hold harmless, defend and indemnify NOVA, its employees, shareholders and principals from any resulting liability incurred. Please note that NOVA has assumed that any permits for access, land and/or wetlands disturbance, tree cutting, etc. will be obtained by the CLIENT prior to our mobilization on site. Additionally, boreholes will be backfilled after completion with soil cuttings from the drilling process and some future subsidence of the boreholes should be anticipated.

No site restoration is planned and no monies have been budgeted for such. If NOVA is responsible for site clearing to access specific boring locations, any aforementioned permits, fees, site restoration, etc. are assumed to be our Client's responsibility unless we are specifically made aware of such at the time of authorization, which will result in adjustments in our budget and schedule.

COMPENSATION

The fee for our proposed scope of services will be as noted on the following page:

- **Geotechnical Services:** Complete 6 STB's (up to 210 LF of drilling), Site cleanup (i.e. backfilling of boring locations with soil cuttings), Laboratory testing, Engineering evaluation and Reporting ..... **$5,000 Lump Sum**

The noted cost includes the electronic submittal of the written report to our client, or to other parties specified by you. If requested, we will submit up to two "hard copies" of the report to you as well. Final costs will be based on the actual completed scope of work (if adjustments are required) and the NOVA geotechnical unit rate schedule. We will not exceed the authorized budget without prior approval.

SCHEDULE AND AUTHORIZATION

Based upon our current schedule, we can begin work on the project immediately after receiving written authorization to proceed. Our drill team can likely mobilize to the site within a day or two of the utility locates being completed. We anticipate that fieldwork will take approximately 2-3 working days to complete. We will provide verbal findings as the field data is gathered and evaluated. The final report will be submitted within 1 week of the completion of field work. If the report is needed sooner, NOVA will make every reasonable effort to accommodate your schedule.

To formalize the agreement between us, please execute a copy of the attached Professional Services Agreement and return it to us. The attached NOVA General Terms and Conditions will govern the work described in this proposal. Please note that the final report cannot be issued without formal, written authorization.

Again, we thank you for the opportunity to submit this proposal and look forward to working with you. In the meantime, please contact us if you have any questions or if we may be of further service

Sincerely,
NOVA Engineering and Environmental LLC

Jesse James, E.I.

GEOTECHNICAL SERVICES
2019 SCHEDULE OF FEES

ENGINEERING SERVICES

For engineering & QC services including site visits, engineering analysis, project management, project meetings, report preparation, consultations, etc.

Geotechnical Aide	per hour	$ 85.00
Staff Engineer	per hour	$ 95.00
Project Engineer and/or P.E.	per hour	$ 110.00
Senior Engineer, P.E.	per hour	$ 150.00
Chief Engineer, P.E.	per hour	$ 200.00
Principal Materials Consultant	per hour	$ 200.00

DRILLING SERVICES

Drilling services including costs for mobilization and fieldwork will be quoted upon request.

Mobilization	lump sum	$ 500.00
Soil Test borings (n<50 bpf)	per foot	$ 13.00
Borings deeper than 50 feet will have a $2.50 per foot surcharge		
Casing (where required) less than 50 feet	per foot	$ 8.00
Undisturbed Sampling	each	$ 200.00
Extra Split-spoon samples	each	$ 50.00
Difficult Moving or Standby	per hour	$ 250.00
Clearing: light clearing performed by drill crew	per hour	$ 250.00

LABORATORY

For laboratory testing of selected soil samples.

Atterberg Limits Test	per test	$ 75.00
Natural Moisture Content	per test	$ 20.00
Organic Content	per test	$ 75.00
Standard Proctor	per test	$ 125.00
Modified Proctor	per test	$ 145.00
Limerock Bearing Ratio (LBR) Test	per test	$ 450.00
Grain Size Analysis	per test	$ 100.00
Percent Fine than No. 200 sieve	per test	$ 75.00
Constant/Falling Head Permeability Testing	per test	$ 250.00
Resistivity, Chloride/Sulfate & pH (Corrosion	per test	$ 250.00
Triaxial Shear Testing *(3 point CU)*	per test	$ 950.00

OTHER

For other job-related expenses.

Clerical/Drafting	per hour	$ 65.00
Vehicle Trip Charge	per mile	$ 0.60
Misc. Direct Expenses/Supplies		Cost plus 20%

Note: Personnel time expended will be invoiced in ½ hour increments.

NOVA Engineering and Environmental LLC
GENERAL TERMS AND CONDITIONS

1. SCOPE OF WORK
NOVA Engineering and Environmental LLC (NOVA) shall perform the services limited to and specifically defined in this Agreement (including any Project Specific condition attached hereto) and shall invoice the Client in accordance with the compensation section of this Agreement. Any estimate of cost to the Client as stated in this Agreement or any of the accompanying schedules shall not be considered as a fixed price, but only an estimate (unless otherwise specifically stated in this Agreement). NOVA will provide additional services under this Agreement as requested by the Client in writing subject to acceptance by NOVA. Client will be invoiced for additional services at NOVA's standard rates or as mutually agreed upon, including but not limited to, re-reviews, re-inspections, re-tests, stand-by time, scope changes, services outside normal business hours or services provided beyond the estimated project duration. To the extent these General Terms and Conditions are part of a proposal for services, the proposal shall be valid for ninety (90) days unless otherwise stated. Once a proposal is accepted, these General Terms and Conditions shall apply to all services performed and shall survive any termination of the Agreement or completion of services.

Notwithstanding any other provision of this Agreement or any other agreement entered into by NOVA with respect to the Project, NOVA shall not have control or charge of, and shall not be responsible for, construction means, methods, techniques, sequences or procedures, for safety precautions and programs in connection with work or activities at the project site, for the acts or omissions of any contractor, subcontractors or any other persons performing any work or undertaking any activities at the project site, or for the failure of any of them to carry out any work or perform their activities in accordance with their contractual obligations, including, but not limited to, the requirements of any drawings, specifications or other documents prepared by NOVA (if any).

The review of contractor submittals (for example, shop drawings or project samples) is not included in NOVA's Scope of Services unless specifically set forth in this Agreement. If such services are to be provided, the review is conducted only for the limited purpose of checking for conformance with information given and the design concept expressed in the construction drawings and specifications prepared by NOVA (or by others if so set forth in the Agreement) and is not conducted for the purpose of determining the accuracy and completeness of details such as dimensions and quantities or for substantiating instructions for installation or performance of equipment or systems designed by the contractor, all of which remain the responsibility of the contractor to the extent required by its contract. NOVA's review shall not constitute approval of safety precautions or of construction means, methods, techniques, sequences, or procedures. NOVA's approval of a specific item shall not indicate approval of an assembly of which the item is a component. When professional certification of performance characteristics of materials, systems or equipment is required by the drawings, specifications and other documents applicable to the contractor's obligations, NOVA shall be entitled to rely upon such certification to establish that the materials, systems or equipment will meet the performance criteria required by the drawings, specifications and other documents prepared by NOVA.

Neither site visits for any purpose nor the observation by NOVA of any contractor's work are included in NOVA's scope of services unless specifically set forth in this Agreement. If NOVA is engaged to visit the site and conduct observations of a contractor's work, NOVA shall provide such services at the intervals agreed with Client in writing (or if no such interval is agreed upon in writing, then at such intervals as NOVA deems appropriate given any budgetary constraints imposed by Client), subject to any limitations on the number of such visits set forth in this Agreement. The general purpose of such observations is to become generally familiar with the progress and quality of the construction work as described in the drawings, specifications or other documents specifically identified in this Agreement and to determine, in general, if such construction work is proceeding in accordance with such drawings, specifications or other identified documents. NOVA shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of such construction work. On the basis of such on-site observations as an engineer, NOVA shall keep Client informed of the progress and quality of such construction work and shall endeavor to guard the Client against defects and deficiencies in such work of contractor.

2. RIGHT OF ENTRY
The Client, at its sole cost and expense, will provide for reasonable right of entry of NOVA personnel to perform the scope of work and all necessary equipment to the project site or sites, in order to complete the work.

3. INVOICES
NOVA will submit invoices to Client monthly and a final bill upon completion of services. There shall be no retainage, unless otherwise agreed upon in the Agreement. NOVA shall furnish insurance certificates, lien waivers, affidavits or other reasonably available documents as and when requested by Client provided all amounts due to NOVA have been paid.

Payment is due within thirty (30) days after the receipt of invoice. Interest charges will start to accrue forty-five (45) days from the invoice date. Client agrees to pay an interest charge equal to the lesser of one and one-half percent (1½%) per month, or the maximum rate allowed by law, on past due accounts. NOVA shall be entitled to recover any and all costs incurred, including attorneys' fees ("Collection Costs") in connection with its efforts to collect past due sums. The minimum amount of such Collection Costs is agreed to be the lesser of (1) ten percent (10%) of the past due amount or (2) the maximum amount allowed by law. Any attorney's fees, collection fees or other costs incurred in collecting any delinquent amount shall be paid by Client. The Client agrees to pay NOVA for its services in accordance with this Agreement, regardless of whether or not he has been paid by his client.

In the event that the Client disputes any items billed in an invoice, the Client shall notify NOVA within ten (10) days specifying the complaint and, in the meantime, all amounts to which there is not a reasonable and good faith dispute to payment shall be paid promptly. Any dispute not raised within such ten (10) day period is waived. The Client's failure to make timely payment due under this Agreement in accordance with the terms of this Agreement shall constitute a material breach of this Agreement and NOVA shall be entitled, upon seven (7) days written notice to Client to terminate this Agreement or, at its option, suspend its performance until all sums then due under this Agreement have been paid.

If NOVA is called upon by Client, or subpoenaed by any other person, to testify or produce records in an action at law, equity, arbitration, or in a pre-trial hearing or conference, as to any work performed by anyone in connection with the Project, NOVA shall be paid by the Client for all time spent while testifying and preparing therefor and producing such records in accordance with the rates set forth in the attached Agreement.

4. SAFETY
NOVA is only responsible for the safety on site of its own employees and subcontractors. However, this shall not be construed to relieve the Client or any of its contractors from their responsibilities for maintaining a safe jobsite. Neither the professional activities of NOVA, nor the presence of NOVA's employees and subcontractors shall be construed to imply NOVA has any responsibility for job safety or any activities on site performed by personnel other than NOVA's employees or subcontractor.

5. STANDARD OF CARE
Service performed by NOVA under this Agreement will be conducted in a manner consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing under similar conditions in the location where the services are to be performed ("Standard of Care").

Notwithstanding anything in this Agreement to the contrary, NOVA shall only be liable to pay damages to Client arising out of or in connection with the Services or this Agreement, to the extent that such damages are caused by, and are in proportion to, the negligence of, or breach of the Standard of Care by, NOVA. If NOVA is considered to be liable jointly with any third parties, the portion of damages payable by NOVA shall be limited to the portion of liability which is attributable to NOVA's breach of the Standard of Care on a comparative fault basis. Client acknowledges that NOVA's services will be rendered without any warranty, express or implied and all such warranties are expressly waived by Client. Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party, including the project owner (if not the Client) and any contractor, subcontractor, vendor or material supplier, against either the Client or NOVA.

6. INSURANCE & GENERAL LIABILITY
NOVA represents and warrants that it and its agents, staff and consultants employed by it are protected by worker's compensation insurance and that NOVA has such coverage under public liability and property damage insurance policies which NOVA deems to be adequate and in line with other professional service firms currently practicing under similar conditions. Certificates for all such policies of insurance shall be provided to Client upon request in writing. Additional insurance, if requested in writing by Client prior to commencement of services, will be obtained by NOVA, if procurable, and charged to the Client.

The Client shall cause any contractor responsible for the construction of work (or related activities) designed, specified or reviewed by NOVA or responsible for any other activities relating to NOVA's services, to hold harmless, indemnify and defend NOVA, to the fullest extent permitted by law, from and against any and all damages, liabilities, claims, suits, costs and expenses (including reasonable attorney's fees and other costs of investigation and defense) arising in connection with the negligence, breach of contract or strict liability of any contractor or any of their subcontractors or any of their vendors. Client shall also name, and cause such contractor(s) to name, NOVA as additional insureds on its and each such contractor's Commercial General Liability insurance policy and Umbrella/Excess liability insurance policy (with policy limits at the greater of the limits required for the Project or Five Million Dollars per occurrence and in the per project aggregate) and to maintain such coverage until the completion of its contract and to provide NOVA with a Certificate of Insurance so naming NOVA as an additional insured on an annual basis for so long as Client and/or contractor maintains or is obligated to maintain such coverage.

7. DISPUTES

All claims, disputes, controversies or matters in question arising out of, or relating to, this Agreement or any breach thereof, including but not limited to disputes arising out of alleged design defects, breaches of contract, errors, omissions, or acts of professional negligence, (collectively "Disputes") shall be governed by Florida law and shall be submitted to non-binding mediation before and as a condition precedent to pursuing any other remedy. Upon written request by either party to this Agreement for mediation of any dispute, Client and NOVA shall select a neutral mediator by mutual agreement. If a Dispute cannot be settled through mediation as set forth above, then such Dispute, if involving amounts less than $100,000, shall be decided by binding arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association then in effect, or any other appropriate rules upon which the parties may agree following termination of mediation. Notwithstanding any other provisions of this Section, in no event shall a demand for mediation be made, or any other proceeding initiated, more than two (2) years from the date the party making demand knew or should have known of the dispute or five (5) years from the date of substantial completion of Nova's Services, whichever date shall occur earlier. All mediation, arbitration, or litigation shall take place in Broward County, Florida, unless the parties agree otherwise. The fees of the mediator or arbitrator(s) and the costs of transcription and other costs incurred by the mediator or arbitrator(s) shall be apportioned equally between the parties. Thereafter, with respect to any Disputes involving amounts equal to or greater than $100,000, if any legal action or other proceeding is brought with respect to such Dispute, the successful or prevailing party or parties shall be entitled to recover reasonable attorneys' fees, costs and expenses, incurred in that action or proceeding, in addition to any other relief to which such party or parties may be entitled.

8. DELAYS IN WORK

In no event, will NOVA will be responsible for delays in the work which is beyond our reasonable control or caused by Client or its agents, consultants, contractors or subcontractors. Stand-by or non-productive time for delays in our work caused by Client or its agents, consultants, contractors or subcontractors may be charged to the Client unless provided for as a separate item in the Agreement or otherwise as mutually agreed upon.

9. TERMINATION

This Agreement may be terminated by either party upon thirty (30) days written notice in the event of substantial failure by the other party to perform in accordance with the terms of the Agreement. Such termination shall not be effective if that substantial failure has been remedied before expiration of the period specified in the written notice. In all events of termination, NOVA shall be paid for services performed up to and through the date of termination plus reasonable expenses to demobilize. In the event of termination, or suspension for more than three (3) months, NOVA shall, at its option, be permitted to terminate this Agreement upon seven (7) days written notice to Client. Further, if said termination is prior to NOVA's completion of all reports contemplated by this Agreement, NOVA may complete such analyses and records as are necessary to complete its files and may also complete a report on the services performed to date of notice of termination or suspension. The expenses of termination or suspension shall include all direct costs of NOVA in completing such analyses, records, and reports and shall be due and payable by Client promptly upon invoice from NOVA, together with all reasonable termination costs and expenses.

10. ASSIGNS

This Agreement may not be assigned by either party without the prior written consent of the other party, provided, however, that NOVA may assign this Agreement in the case of sale of all or substantially all of its assets or equity. To the extent consent is required it shall not be unreasonably withheld.

11. OWNERSHIP OF DOCUMENTS

All reports, boring logs, field data, field notes, laboratory test data, calculations, estimates and other documents prepared by NOVA, as instruments of service, shall remain the property of NOVA and shall retain all common law, statutory and other reserved rights, including copyrights ("NOVA Documents"). Contingent on the Client's full and timely payment of all sums due under this Agreement, NOVA grants Client a non-exclusive license to use the final and complete versions of the NOVA Documents solely and exclusively for purposes set forth in this Agreement. The forgoing license does not extend to any CADD files or 3D model created by NOVA, unless expressly set forth herein. If NOVA Documents are prepared "for construction", the license granted in the preceding sentences of this Paragraph permits the Client to authorize the contractor and subcontractors, and material or equipment suppliers to reproduce applicable portions of NOVA Documents solely and exclusively for use in performing their services or construction for the Project. NOVA Documents shall only be used for their intended purpose. NOVA Documents are not to be used on other projects, for alternations, extensions or additions to this Project or for completion of this Project by others, except by agreement in writing and with appropriate compensation to NOVA. If Client is granted a license with respect to any CADD files or 3D models, Client agrees to be bound to the terms of the NOVA License for Use of Electronic Files and 3D Models. Client agrees that all reports and other work furnished to the Client or his agents, which are not paid for, will be returned upon demand and will not be used by the Client for any purpose whatsoever. NOVA will retain all pertinent records relating to the services performed for a period of three (3) years following submission of the report, during which period the records will be made available to the Client at all reasonable times and an administrative fee may be charged to the Client for retrieval and reproduction of such records.

12. FAILURE TO FOLLOW RECOMMENDATIONS

NOVA will not be held liable for problems that may occur if NOVA's recommendations are not followed.

13. LIMITATION OF LIABILITY

Client agrees that the work created pursuant to this Agreement is for the sole and exclusive use of Client and is not for the benefit of any third parties. Client acknowledges and agrees that in no event shall the liability of NOVA in connection with this Agreement or the services provided pursuant thereto exceed the fee actually paid to and received by NOVA under this Agreement or $100,000 whichever is greater. This Agreement and the services to be performed hereunder shall in no way be construed as a guarantee of deficient-free construction.

Notwithstanding anything to the contrary contained in this Agreement or provided for under any applicable law, neither NOVA nor Client shall be liable to the other party, either in contract or in tort, for any consequential, incidental, indirect, special or punitive damages, including without limitation any delays damages, loss of future revenue, income or profits or any diminution of value, financing costs or costs of lost opportunities relating to this Agreement, the services or the Project, whether or not the possibility of such damages has been disclosed to the other party in advance or could have been reasonably foreseen by such other party.

14. INDEMNIFICATION

Client agrees, to the fullest extent permitted by law, to indemnify, defend and hold harmless NOVA, and its officers, directors, agents and employees and any of them (collectively, the "NOVA Parties") from all claims, actions, damages, liabilities, losses, costs and expenses, including reasonable attorney's fees and defense costs (collectively "Losses"), arising out of, or in any way connected with, the performance or nonperformance of NOVA's obligations under this Agreement (including, without limitation, any act of negligence, omission or default by the NOVA Parties), up to an amount not to exceed the greater of $100,000 or twelve times the amount of the fees charged for the services provided by NOVA in connection with this Agreement and the services hereunder. The parties agree that the foregoing amount of said indemnification bears a reasonable commercial relationship to the services provided by NOVA and that the indemnification provided herein is considered a part of the project specifications. Notwithstanding the foregoing, the NOVA Parties shall not be entitled to indemnification hereunder for any Losses resulting from the NOVA Parties'

gross negligence, or willful, wanton or intentional misconduct or for any statutory violation or punitive damages (except to the extent the statutory violation or punitive damages are caused by or result from the acts or omissions of Client or any of the Client's contractors, subcontractors, sub-subcontractors, materialmen or agents of any tier or their respective employees). Except as set forth in the preceding sentence, the NOVA Parties rights to indemnification shall include, without limitation, indemnification for any and all Losses which may be suffered by any NOVA Party as a result of any (i) failure of Client to follow or implement any of its recommendations, (ii) any breach by Client of its obligations under the Agreement, and (iii) exposure of NOVA's employees or agents to any hazardous materials at the jobsite.

Upon notice by the NOVA Parties, Client shall defend the NOVA Parties with counsel chosen by NOVA Parties, subject to the consent of Client, which consent shall not be unreasonably withheld. The parties agree that this duty to defend is separate and distinct from any indemnity obligation, and the duty shall extend to any claims asserted against the NOVA Parties arising out of or related to the project, regardless of whether Client is obligated to indemnify the NOVA Parties for the loss, claim, or damage.

15. HAZARDOUS MATERIALS

It is acknowledged by both parties that NOVA's scope of services does not include any services related to asbestos or hazardous or toxic materials unless specifically identified in our scope of services. In the event NOVA or any other party encounters asbestos or hazardous materials at the jobsite, or should it become known in any adjacent areas that may affect the performance of NOVA's services, NOVA may, without liability for consequential or any other damages, suspend performance of services on the project until the Client retains appropriate specialist consultants or contractors to identify, abate and/or remove the asbestos, hazardous or toxic materials and warrant that the jobsite is in full compliance with applicable laws and regulations. In addition, the Client shall hold harmless, defend and indemnify NOVA Parties, from and against any and all Claims arising, in whole or in part, out of the discovery, presence, handling, removal or disposal of, or exposure of persons to, any hazardous materials in any form at the Project site, including, but not limited to, asbestos, asbestos products, polychlorinated biphenyl (PCB), bacteria, mold, fungi, lead based paints or other similar materials or other toxic substances, infectious materials, or contaminants.

16. SAMPLE DISPOSAL

Unless other arrangements are made, NOVA will dispose of all soil and rock samples remaining at the time of report completion. Further storage or transfer of samples can be arranged at Client's prior written request, subject to a reasonable charge by NOVA. Client acknowledges that contaminated drill cuttings, sample spoils, wash water, and other materials may be produced as a result of encountering hazardous materials at the site. In such event, NOVA shall properly contain, label, and store such materials on-site, and Client shall be responsible for its proper transportation and disposal.

17. AQUIFER CONTAMINATION

Client acknowledges that it is impossible for NOVA to know the exact composition of a site's subsurface, even after conducting a comprehensive exploratory program. As a result, there is a risk that drilling and sampling may result in contamination of certain subsurface areas. Although NOVA will take reasonable precautions in accordance with the Standard of Care to avoid such an occurrence, Client waives any claim against, and (without limiting the generality of Section 14 hereof) agrees to indemnify and hold harmless NOVA in accordance with the terms and conditions set forth in this Agreement from any claim or liability for injury or loss which may arise as a result of subsurface contamination caused by drilling, sampling, or monitoring well installation. Client also agrees to adequately compensate NOVA for any time spent and expenses incurred in defense of any such claim.

18. DEFINITIONS

As used herein, the following words and their derivative words or phrases have the meanings indicated, unless otherwise specified in the various sections of this Agreement.

AGREEMENT: means the Agreement between the parties, which shall describe and govern Client's engagement of NOVA to provide services in connection with the project or work identified in the proposal (Proposal), and consists of the Proposal, these General Terms and Conditions, and any exhibits or attachments referenced in any of these documents.

CERTIFY, CERTIFICATION: NOVA's opinion based on its observation of conditions, knowledge, information and beliefs. It is expressly understood such opinions relieve no other party of any responsibility or obligation he or she has accepted by contract or custom.

ESTIMATE: An opinion of probable cost for services made by NOVA. The accuracy of probable cost for services opinion cannot be guaranteed.

INSPECT, INSPECTION: The visual observation of certain aspects of construction to permit NOVA to render its professional opinion as to whether the contractor is performing the Work in a manner indicating that, when completed, the Work will be in general accordance with the approved documents. Such observations do not relieve any party from fulfillment of their customary and contractual responsibilities and obligations.

19. LIMITATION OF LIABILITY

It is intended by the parties to this Agreement that NOVA's services under this Agreement shall not subject NOVA's individual employees, officers, shareholders, managers, members or directors to any personal legal exposure for the risks associated with the services to be rendered on the project. Therefore, and notwithstanding anything to the contrary contained herein, the Client agrees that as the Client's sole and exclusive remedy, any claim, demand or suit shall be directed and/or asserted only against NOVA, a Delaware limited liability company, and not against any of NOVA's employees, shareholders, officers, managers, members or directors.

TO THE FULLEST EXTENT PERMITTED BY LAW, PURSUANT TO FLORIDA STATUTE § 558.0035, NO EMPLOYEE, OFFICER, SHAREHOLDER, MANAGER, DIRECTOR OR AGENT OF NOVA SHALL BE INDIVIDUALLY LIABLE TO CLIENT OR ANY OTHER PERSON FOR ANY NEGLIGENCE, MISCONDUCT OR WRONGFUL ACTS IN CONNECTION WITH THE PERFORMANCE OF SERVICES UNDER THIS AGREEMENT OR OTHERWISE, WHETHER SUCH CLAIMS ARE BASED IN CONTRACT, STATUTE, OR TORT.

20. MISCELLANEOUS

AMENDMENT: This Agreement may be amended, modified or supplemented, but only in writing signed by each of the parties hereto.

WAIVERS: The failure of a party hereto at any time or times to require performance of any provision hereof shall in no manner affect its right at a later time to enforce the same. No waiver by a party of any condition or of any breach of any term contained in this Agreement shall be effective unless in writing and signed by the waiving party, and no waiver in any one or more instances shall be deemed to be a continuing waiver of any such condition or breach in other instance or a waiver of any other condition or breach of any other term.

SEVERABILITY: If any provision or sub-provision of this Agreement is or becomes invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions or sub-provisions contained herein shall not be affected thereby.

INTEGRATION: This Agreement represents the entire understanding and agreement among the parties with respect to the subject matter hereof, and supersedes all other negotiations, understandings and representations (if any) made by and among such parties.

SOVEREIGN IMMUNITY: In the event that the Client is the State of Florida or another "state agency or subdivision" within the meaning of Florida Statute Section 768.28(2), then NOVA (and all NOVA Parties) shall for all purposes provided in this Agreement and otherwise be deemed an agent of the Client for purposes of sovereign immunity whether under Florida Statute Section 768.28 and otherwise, including without limitation Florida Statute Section 768.28(9)(a). Client shall fully cooperate, at its sole cost and expense, with NOVA and take all necessary and appropriate actions to qualify NOVA (and the NOVA Parties) for and defend its and their right of sovereign immunity as an agent of the Client for purposes of Florida law, including without limitation under Florida Statute §768.28.

NOVA Employees: Client agrees not to recruit or hire any NOVA employee currently or previously working under this Agreement during the contract period or within twelve months of termination of the contract, either for themselves or any third party. In the event Client violates this clause, NOVA shall have the right of injunctive relief, and Client shall pay NOVA $25,000 or 25% (percent) of the employee's current annual, base salary, whichever is greater, with payment being made within 15 days of NOVA's written notice to Client of said violation.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-16368 **County Administrator's Report 12. 29.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 07/18/2019
Issue: Amendment to Interlocal Agreement - Sanitary Sewer System Improvement Project on Innerarity Island
From: Joy Jones, Director
Organization: Engineering
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the First Amendment to the Interlocal Agreement Between Escambia County, Florida, and Emerald Coast Utilities Authority Relating to a Sanitary Sewer System Improvement Project on Innerarity Island - Joy Jones, P.E., Engineering Department Director

That the Board approve and authorize the Chairman to sign the First Amendment to the Interlocal Agreement between Escambia County, Florida, and Emerald Coast Utilities Authority (ECUA), relating to a Sanitary Sewer System Improvement Project on Innerarity Island.

[Funding: Funds for design and construction and engineering inspection (CEI) are available in Fund 352, Local Option Sales Tax (LOST) III – Innerarity Island Development Corporation (IIDC) Water and Sewer Project, Cost Center 110211, Object Code 56301, Project #16PF3502. Funds for construction are available via the Municipal Services Benefit Unit (MSBU) Ordinance, and initial project costs will be provided through an inter-fund loan from LOST to the MSBU fund and reimbursed from assessments]

This project is located in Commission District 2.

BACKGROUND:

The Innerarity Island Development Corporation (IIDC) abandoned its sewer utilities early in 2014. On March 21, 2014, a court order required the County to become the Receiver of the IIDC utilities. The existing sanitary sewer system on Innerarity Island is in need of significant repairs and upgrades.

Emerald Coast Utilities Authority (ECUA) has agreed to manage and oversee the design and upgrades to the sanitary system on Innerarity Island at no cost to ECUA or its ratepayers, and thereafter accept Innerarity Island within its sewer service area, and accept ownership of the sanitary sewer system on Innerarity Island.

On February 18, 2016, the BCC signed the Department of Environmental Protection (DEP) Agreement Number S0878, which provided $1,000,000 from the 2015-2016 General Appropriations Act for the Escambia County Innerarity Water & Sewer Upgrade Project.

On March 2, 2017, then amended on February 1, 2018, the Board of County Commissioners (BCC) enacted an Ordinance establishing the IIDC Sewage System Improvements Municipal Service Benefit Unit (MSBU). The MSBU assessment will defray the cost of sewage system improvements within the district, based upon a fair and reasonable apportionment of the cost to all specially-benefitting properties.

On September 21, 2017, the BCC signed Amendment Number 2 to the DEP Agreement which provided an additional $500,000 from the 2017-2018 General Appropriations Act for Escambia County Innerarity Water & Sewer Upgrade.

On May 17, 2018, the BCC approved the Interlocal Agreement (ILA) with ECUA which established a $4,220,000 not-to-exceed amount for Design and Construction reimbursement from the County to ECUA.

With the Design and Construction and Engineering Inspection (CEI) to be provided by Ken Horne and Associates at $221,000 (via remaining funds from the DEP Grant) and the Construction low bid of $4,542,070 received on June 6, 2019, from Talcon Group (to be funded via the MSBU), the total requires an increase to the ILA not-to-exceed amount.

Staff recommends that an approximate 20.63% contingency amount be added to the Construction Bid for a total of $5,479,000. This, added to the $221,000 Design and CEI amount totals $5,700,000 for the ILA.

Therefore, staff recommends the current ILA not-to-exceed amount of $4,220,000 be increased to $5,700,000.

BUDGETARY IMPACT:

Funds for design and for Construction and Engineering Inspection (CEI) services are available in Fund 352, LOST III – IIDC Water and Sewer Project, Cost Center 110211, Object Code 56301, Project #16PF3502.

Funds for construction are available via the MSBU Ordinance and initial project costs will be provided through an inter-fund loan from LOST to the MSBU fund and reimbursed from assessments.

LEGAL CONSIDERATIONS/SIGN-OFF:

Stephen West, Senior Assistant County Attorney, has reviewed and signed off on the Interlocal Agreement.

PERSONNEL:

No additional personnel will be required.

POLICY/REQUIREMENT FOR BOARD ACTION:

N/A

IMPLEMENTATION/COORDINATION:

Engineering staff will continue to collaborate and coordinate with ECUA staff.

Court Order

FIRST AMENDMENT TO INTERLOCAL AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA AND EMERALD COAST UTILITIES AUTHORITY RELATING TO A SANITARY SEWER SYSTEM IMPROVEMENT PROJECT ON INNERARITY ISLAND

THIS FIRST AMENDMENT TO AGREEMENT is made on this ____ day of _____, 2019, by and between Escambia County, a political subdivision of the State of Florida (hereinafter "County") with administrative offices located at 221 Palafox Place, Pensacola, Florida 32502, and the Emerald Coast Utilities Authority, a local governmental body, corporate and politic, which was formed by the Florida Legislature as an independent special district (hereinafter "ECUA") with administrative offices located at 9255 Sturdevant Street, Pensacola, Florida 32514 (each at times also being referred to as a "Party" or collectively as "Parties").

W I T N E S S E T H:

WHEREAS, the Parties entered into that certain Interlocal Agreement (hereinafter "Agreement") relating to a sanitary sewer system improvement project on Innerarity Island dated May 17, 2018; and

WHEREAS, the parties wish to amend the Agreement to increase the estimated Costs of the Project;

NOW THEREFORE, in consideration of the mutual terms and conditions, promises, covenants, and payments hereinafter set forth, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. The foregoing recitals are true and correct and incorporated herein by reference.

2. Section 4.1 of the Agreement is amended as shown below (additions are shown underlined and deletions are shown struck-through):

ARTICLE 4
Compensation and Method of Payment

4.1 County agrees to reimburse ECUA for the Costs of the Project as generally described in Exhibit "A", including but not necessarily limited to property and equipment costs, engineering and design services, and construction costs, in an amount not to exceed ~~Four Million, Two Hundred and Twenty Thousand Dollars ($4,220,000)~~ Five Million, Seven Hundred Thousand Dollars ($5,700,000.00).[1] ~~In the event that ECUA determines that the estimated Costs of the Project will exceed $4,020,000 $5,700,000 upon the opening of publicly advertised bids for construction of the Project, then either Party may elect to terminate this Agreement and not proceed~~

[1] This agreement to reimburse includes Costs of the Project incurred prior to entry into this Agreement as well as after.

~~with construction of the Project. In the event the Project proceeds post bidding and~~ If during the course of construction it is learned that the Costs of the Project will exceed ~~$4,220,000~~ $5,700,000, then the Parties shall meet and decide how to proceed, if at all. If the decision is made by either the County or ECUA not to proceed with the Project, then ECUA shall promptly bring the Project to a close, with the County responsible for all costs associated with terminating and closing the Project. In the event of termination of the Agreement in accordance with this paragraph, ECUA shall be entitled to compensation as set forth in paragraph 8.2, below.

3. In all other respects, the Agreement, as amended by this First Amendment, remains unchanged and in full force and effect.

IN WITNESS WHEREOF, the Parties hereto have made and executed this First Amendment on the respective dates under each signature: Escambia County through its Board of County Commissioners, signing by and through its Chairperson, duly authorized to execute same by Board action on the ___ day of _____, 2019 and Emerald Coast Utilities Authority, by and through its Chairman, duly authorized to execute same.

ESCAMBIA COUNTY, FLORIDA, a political subdivision of the State of Florida acting by and through its duly authorized Board of County Commissioners.

Meeting Date: 05/17/2018
Issue: Interlocal Agreement - Sanitary Sewer System Improvement Project on Innerarity Island
From: Joy Jones, Director
Organization: Public Works
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Interlocal Agreement between Escambia County, Florida, and Emerald Coast Utilities Authority Relating to a Sanitary Sewer System Improvement Project on Innerarity Island - Joy Jones, P.E., Public Works Director

That the Board approve and authorize the Chairman to sign the Interlocal Agreement between Escambia County, Florida, and Emerald Coast Utilities Authority (ECUA) relating to a Sanitary Sewer System Improvement Project on Innerarity Island.

[Funding: Funds for design and construction and engineering inspection (CEI) are available in Fund 352, LOST III – IIDC Water and Sewer Project, Cost Center 110211, Object Code 56301, Project #16PF3502. Funds for construction are available via the MSBU Ordinance, and initial project costs will be provided through an inter-fund loan from LOST to the MSBU fund and reimbursed from assessments]

BACKGROUND:

The Innerarity Island Development Corporation (IIDC) abandoned its sewer utilities early in 2014. On March 21, 2014, a court order required the County to become the Receiver of the IIDC utilities. The existing sanitary sewer system on Innerarity Island is in need of significant repairs and upgrades.

Prior to abandoning the utilities, IIDC had retained the professional engineering firm of Kenneth Horne & Associates, Inc. to evaluate and assess the needed upgrades to Innerarity Island's sewer system. Upon assuming Receivership, Escambia County retained Kenneth Horne & Associates, Inc. to further evaluate, assess, and partially design the needed upgrades to Innerarity Island's sewer system. The upgrades to Innerarity Island's sewer system have been conceptually designed by Kenneth Horne & Associates, Inc.

ECUA has agreed to manage and oversee the design and upgrades to the sanitary

system on Innerarity Island at no cost to ECUA or its ratepayers, and thereafter accept Innerarity Island within its sewer service area, and accept ownership of the sanitary sewer system on Innerarity Island.

On February 18, 2016, the BCC signed the Department of Environmental Protection (DEP) Agreement Number S0878, which provided $1,000,000 from the 2015-2016 General Appropriations Act for Escambia County Innerarity Water & Sewer Upgrade.

On March 2, 2017, then amended on February 1, 2018, the Board of County Commissioners (BCC) enacted an Ordinance establishing the IIDC Sewage System Improvements Municipal Service Benefit Unit (MSBU). The MSBU assessment will defray the cost of sewage system improvements within the district, based upon a fair and reasonable apportionment of the cost to all specially-benefitting properties.

On September 21, 2017, the BCC signed Amendment Number 2 to the DEP Agreement which provided an additional $500,000 from the 2017-2018 General Appropriations Act for Escambia County Innerarity Water & Sewer Upgrade.

BUDGETARY IMPACT:

Funds for design and construction and engineering inspection (CEI) are available in Fund 352, LOST III – IIDC Water and Sewer Project, Cost Center 110211, Object Code 56301, Project #16PF3502

Funds for construction are available via the MSBU Ordinance and initial project costs will be provided through an inter-fund loan from LOST to the MSBU fund and reimbursed from assessments.

INTERLOCAL AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA AND EMERALD COAST UTILITIES AUTHORITY RELATING TO A SANITARY SEWER SYSTEM IMPROVEMENT PROJECT ON INNERARITY ISLAND

THIS AGREEMENT is made on this 17th day of May, 2018, by and between Escambia County, Florida a political subdivision of the State of Florida (hereinafter "County") with administrative offices located at 221 Palafox Place, Pensacola, Florida 32502, and the Emerald Coast Utilities Authority, a local governmental body, corporate and politic, which was formed by the Florida Legislature as an independent special district (hereinafter "ECUA") with administrative offices located at 9255 Sturdevant Street, Pensacola, Florida 32514 (each at times also being referred to as a "Party" or collectively as "Parties").

Date: 5/18/2018 Verified By:

WITNESSETH:

WHEREAS, ECUA provides sanitary sewer in certain defined areas in Escambia County, Florida;

WHEREAS, within the confines of Escambia County, Florida, there exists an area known as Innerarity Island;

WHEREAS, Innerarity Island is not and has never been within ECUA's wastewater service area;

WHEREAS, an entity known as the Innerarity Island Development Corporation formerly operated a sanitary sewer system on Innerarity Island;

WHEREAS, the Innerarity Island Development Corporation abandoned its sewer utilities early in the 2014 calendar year;

WHEREAS, the existing sanitary sewer system on Innerarity Island is in need of significant repairs and upgrades;

WHEREAS, ECUA is willing to accept portions of the sanitary sewer system on Innerarity Island and incorporate Innerarity Island into its service area in the event that the existing sanitary sewer system on Innerarity Island is upgraded prior to becoming incorporated into the ECUA utility system;

WHEREAS, the Innerarity Island Development Corporation previously retained the professional engineering firm of Kenneth Horne & Associates, Inc. to evaluate and assess the needed upgrades to Innerarity Island's sewer system;

WHEREAS, the County subsequently retained Kenneth Horne & Associates, Inc. to further evaluate, assess, and partially design the needed upgrades to Innerarity Island's sewer system;

WHEREAS, the Parties agree that it is in the best interest of the public health, safety, and welfare that the sanitary sewer system presently existing on Innerarity Island be repaired and upgraded so that portions which are to become publicly owned may be ultimately accepted by ECUA and that Innerarity Island be incorporated into ECUA's sewer service area;

WHEREAS, ECUA and the County desire to work together to incorporate Innerarity Island into ECUA's sewer service area once certain repairs and upgrades are made;

WHEREAS, the upgrades to Innerarity Island's sewer system have been partially designed by Kenneth Horne & Associates, Inc., but significant additional design is required before those upgrades could be publicly advertised for bid;

WHEREAS, the Florida Legislature has appropriated funding to the County which would facilitate the desired upgrades to the sanitary sewer system on Innerarity Island;

WHEREAS, the County is willing to contribute the difference of those funds in a sufficient quantity to upgrade and repair the sanitary sewer system on Innerarity Island;

WHEREAS, ECUA has agreed to oversee and manage the upgrades to the sanitary sewer system on Innerarity Island at no cost to ECUA or its ratepayers, and thereafter accept Innerarity Island within its sewer service area, and accept ownership of portions of the sanitary sewer system on Innerarity Island; and

WHEREAS, the Parties desire to enter into this Interlocal Agreement to define the respective rights and responsibilities toward completing the design and construction of the upgrades to the sanitary sewer system and incorporating that system into ECUA's service area.

NOW THEREFORE, in consideration of the mutual terms and conditions, promises, covenants, and payments hereinafter set forth, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

ARTICLE 1
Purpose

1.1 The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Interlocal Agreement solely for the purposes expressed herein and for no other purpose which causes an estoppel to arise against either Party in any litigation. Provided, however, that so long as this Agreement remains in effect, neither Party shall take any action, legal or otherwise, to alter their existing positions regarding the sanitary sewer system on Innerarity Island, as the Parties desire to work together towards a solution to the sanitary sewer issues on Innerarity Island.

1.2 This Interlocal Agreement (hereinafter "Agreement") defines the responsibilities of each Party participating in the Innerarity Island Sanitary Sewer System Improvement Project (hereinafter the "Project"), as set forth herein.

ARTICLE 2
Responsibilities of Parties

2.1 The County agrees to ensure that the portion of the sanitary sewer system on Innerarity Island which is to become publicly owned shall be transferred to ECUA upon successful completion of the Project, as defined in this Agreement. Additionally, upon execution of this Agreement, the County shall transfer to ECUA for incorporation in the Project, possession of 63 previously-purchased grinder pump station units which were obtained for that purpose. ECUA shall not become the owner of those grinder pump stations; instead, the County shall designate the addresses at which they will ultimately be installed, and the ownership of which shall thereafter become the respective property owners.

2.2 ECUA shall promptly retain a professional engineering firm to finalize the design of the needed repairs and upgrades to Innerarity Island's sanitary sewer system, as generally described in Exhibit "A", with sufficient specificity for ECUA to publicly advertise and receive bids for the construction of the Project and shall also retain a professional engineering firm to perform construction engineering inspections and assist in managing the Project.

2.3 Thereafter, ECUA shall issue a contract for the construction of those upgrades and repairs. All such work shall be carried out in a reasonably prompt and diligent manner.

2.4 The County agrees to promptly reimburse to ECUA, in accordance with the terms of this Agreement, all of the Costs of the Project in the amount hereinafter set forth in Section 4.1. Those funds shall solely be used on the Project, generally described in Exhibit "A", which is attached hereto and incorporated by reference herein.

2.5 Moreover, upon completion, the County agrees to convey to ECUA ownership of those portions of the sanitary sewer system which are to be publicly owned, as is generally described in Exhibit "A". Thereafter, ECUA shall own, operate and maintain those publicly owned portions of said system. Additionally, upon ECUA's acceptance, Innerarity Island will also become part of ECUA's sewer service area; and the County will execute all documents necessary or convenient to evidence same.

2.6 ECUA is not agreeing to and is under no obligation to financially participate in the Costs of the Project or otherwise financially contribute to the Project. Indeed, the Parties understand and acknowledge that ECUA's participation in this Agreement is at no cost to either ECUA or its ratepayers. However, the Parties acknowledge that ECUA provides substantial benefit to the Project by advancing the

Costs of the Project prior to and subject to reimbursement from the County; overseeing the public advertising, bidding, awarding, and managing of the contracts for both the design and construction of the Project; and otherwise adding benefit to the Project through its expertise in sanitary sewer systems. Given the above, as well as ECUA's donating limited employee time towards the Project, at no time will the County request financial participation on the part of ECUA on the Project. Change orders shall be approved by ECUA and County. No change orders will be approved for completed work. No scope changes will be added to approved design plans without approval of both Parties.

2.7 This Agreement, after being properly executed by the Parties, shall become effective upon filing with the Clerk of the Circuit Court of Escambia County. The County shall be responsible for such filing.

2.8 Subject to any claim of sovereign immunity, each Party to this Agreement shall be fully liable for the acts and omissions of its respective employees and agents in the performance of this Agreement to the extent permitted by law. Furthermore, nothing in this Agreement nor any act of the Parties shall be deemed or construed by the Parties hereto or by any third party to create a relationship of principal and agent, joint venture, business affiliation, or any association whatsoever between ECUA and the County.

2.9 The Parties are not waiving any legal arguments, claims or defenses by participating in this Agreement.

ARTICLE 3
Contract Time

3.1 It is anticipated by the Parties that the time for completion of the Project, as generally described in Exhibit "A", shall be within thirty six (36) months from ECUA's issuance of a Notice to Proceed to a selected contractor, absent rain delays or other unforeseen conditions and/or events.

ARTICLE 4
Compensation and Method of Payment

4.1 County agrees to reimburse ECUA for the Costs of the Project as generally described in Exhibit "A", including but not necessarily limited to property and equipment costs, engineering and design services, and construction costs, in an amount not to exceed Four Million, Two Hundred Twenty Thousand Dollars ($4,220,000).[1] In the event that ECUA determines that the estimated Costs of the Project will exceed $4,220,000 upon the opening of publicly advertised bids for construction of the Project, then either Party may elect to terminate this Agreement and not proceed with construction of the Project. In the event the Project proceeds post

[1] This agreement to reimburse includes Costs of the Project incurred prior to entry into this Agreement as well as after.

bidding and during the course of construction it is learned that the Costs of the Project will exceed $4,220,000, then the Parties shall meet and decide how to proceed, if at all. If the decision is made by either the County or ECUA not to proceed with the Project, then ECUA shall promptly bring the Project to a close, with the County responsible for all costs associated with terminating and closing the Project. In the event of termination of the Agreement in accordance with this paragraph, ECUA shall be entitled to compensation as set forth in paragraph 8.2, below.

4.2 ECUA may periodically submit invoices to the County for reimbursement of the Costs of the Project, but requests for payment shall not be made more frequently than once a month. The County will promptly reimburse ECUA for its expenditures on the Costs of the Project. Final payment shall be made at or around the time that the property interests and improvements which are to be publicly owned are conveyed to ECUA.

4.3 Upon request, ECUA shall provide to the County copies of any payment documentation and such other financial documents as the County may reasonably require to verify Project costs.

4.4 Invoices and other requests will be sent to:

Escambia County
Attn: Public Works
3363 West Park Place
Pensacola, FL 32505

4.5 Payments and other requests will be sent to:

Emerald Coast Utilities Authority
Keith Fell, P.E.
Manager of Engineering Projects
P.O. Box 15311
9255 Sturdevant Avenue
Pensacola, Florida 32514

ARTICLE 5
Ownership of Improvements and Property

5.1 Title to the improvements specified in Exhibit "A" to be publicly owned shall pass to ECUA as provided herein upon the Contractor's achieving Final Completion of the underlying Work, ECUA's acceptance of the Work, and the entry of a corresponding Court Order. The County shall, upon reasonable notice, have the right to inspect all such work prior to ECUA's acceptance.

5.2 The Parties acknowledge and understand that some of the improvements

to be constructed as part of this Project will not become publicly owned, namely gravity sewer laterals, grinder pump stations, and low pressure sewer laterals. For those facilities constructed as part of this project which are not to be publicly owned, they shall become the property of and owned by the owner of the corresponding properties served by the lateral and/or grinder pump station serving it. The owner of those facilities shall be responsible for operating and maintaining those facilities, except to the extent otherwise provided by the ECUA Code, as it may be amended from time to time by the ECUA Board.

ARTICLE 6
Real Property

6.1 The real property site on which the lift station in Russell Bayou is located, including any necessary expansions thereto, shall be conveyed by the County to ECUA by way of a Deed.

6.2 The County shall cooperate with ECUA in obtaining such easements and rights of way as may be required for successful completion of this work and/or maintenance of sanitary sewer system thereafter.

ARTICLE 7
Force Majeure

7.1 In the event that performance by the Parties of any of its obligations under this Agreement shall be interrupted, delayed, or prevented by any occurrence not occasioned by the conduct of such party, whether such occurrence be an act of God or any other occurrence whatsoever this is beyond the reasonable control of such party, including a change in environmental law or regulation rendering performance impractical or impossible, then such party shall be excused from such performance for such period of time as is reasonably necessary after the occurrence to remedy the effects thereof, or until such performance is no longer impractical or impossible.

ARTICLE 8
General Provisions

8.1 Ownership of Documents: Drawings, specifications, design, models, photographs, reports, surveys, and other data produced by the County in connection with this Agreement are and shall remain the property of the County in connection with this Agreement are and shall remain the property of the County whether the work for which they were made is completed or not. Moreover, drawings, specifications, design, models, photographs, reports, surveys, and other data produced by ECUA or its agents in connection with this Agreement are and shall remain the property of ECUA or its agents whether the work for which they were made is completed or not.

8.2 Termination: In addition to the termination rights articulated in paragraph 4.1, above, this Agreement may be terminated by either the County or ECUA for cause, upon thirty (30) days written notice by the terminating party to the other parties of such termination, in which event ECUA shall be paid compensation for all work performed by it and its contractor/s prior to the termination date, including all reimbursable expenses then due or incurred prior to the date of termination.

8.3 Records: The Parties acknowledge that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. In the event a Party fails to abide by the provisions of Chapter 119, Florida Statutes, another Party may, without prejudice to any right or remedy and after giving that Party, seven (7) calendar days written notice, during which period the Party fails to allow access to such documents, terminate this Agreement. ECUA further agrees to:

a. Keep and maintain public records required by the County to perform services under this Agreement.

b. Upon request from the County's custodian of public records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

c. Ensure that public records that are exempt or confidential from public records disclosure requirements are not disclosed except as authorized by law during the term of this Agreement and following completion of the Agreement if ECUA does not transfer the records to the County.

d. Upon completion of the Agreement, transfer, at no cost, to the County all public records in possession of ECUA or keep and maintain public records required by the County to perform the services under this Agreement. If ECUA transfers all public records to the County upon completion of the Agreement, ECUA shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If ECUA keeps and maintains public records upon completion of the Agreement, ECUA shall meet all applicable requirements for retaining the public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

IF ECUA HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, AS TO ECUA'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: ESCAMBIA COUNTY, OFFICE OF THE COUNTY ADMINISTRATOR, 221 PALAFOX PLACE, SUITE 420, PENSACOLA, FLORIDA 32502, (850) 595-4947.

8.4 Assignment: This Agreement or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by any Party, without the prior written consent of all other Parties.

8.5 Headings: Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

8.6 Governing Law: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the Parties stipulate that venue for any matter which is the subject of this Agreement shall lie in Escambia County, Florida.

8.7 Interpretation: For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If any Party discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, the Party shall immediately notify all other Parties and request clarification of this Agreement.

(b) This Agreement shall not be more strictly construed against any party hereto by reason of the fact that one Party may have drafted or prepared any or all of the terms and provisions hereof.

8.8 Severability: The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed and enforced as if it did not contain such invalid or unenforceable portion or provision.

8.9 Further Documents: The parties shall execute and deliver all documents and perform further actions that may reasonably be necessary to effectuate the provisions of this Agreement.

8.10 No Waiver: The failure of a Party to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either Party's right to thereafter enforce the same in accordance with this Agreement.

8.11 All Prior Agreements Superseded: This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein, and the Parties agree that there are no commitments, agreements, or understandings concerning the subject

matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or Agreements whether oral or written. It is further agreed that no modification, amendment, or alteration in the terms and conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement on the respective dates under each signature: Escambia County through its Board of County Commissioners, signing by and through its Chairman, duly authorized to execute same by Board action on the 17th day of May, 2018 and Emerald Coast Utilities Authority, by and through its Chairman, duly authorized to execute same.

ESCAMBIA COUNTY, FLORIDA, a political subdivision of the State of Florida acting by and through its duly authorized Board of County Commissioners

EXHIBIT "A"

Innerarity Island – Sewer System Improvements

Scope of Work

Project Location: The project is located on Innerarity Island in Escambia County, Florida (hereinafter referred to as the "Island").

General Project Description: Sanitary sewer system improvements would consist primarily of the construction of a low pressure sewer system to replace most of the gravity collection on the Island, leaving in service only the relatively new gravity sewer collection system in the Russell Bayou area. No gravity laterals, grinder pump stations, or small diameter force mains (a/k/a sewer laterals) will become owned by ECUA; instead, they will be owned by the corresponding property owner/s. Other improvements associated with this project, as well as certain existing sewer infrastructure, including utility easements, however, are to become the property of the Emerald Coast Utilities Authority (ECUA), as generally described below.

Anticipated upgrades to the Russell Bayou sewer collection system:

1.) Replace electrical control system at the Russell Bayou Lift Station with a panel and wiring system which complies with ECUA's design standards, including but not limited to the installation of a SCADA system with antenna. The bottom of the new panel shall be a minimum elevation of 10' above sea level.

2.) Power to the Russell Bayou Lift Station shall be reviewed and upgraded, as necessary, in order to comply with Gulf Power's minimum requirements as well as ECUA's standards.

3.) Replace the existing wet well with one of sufficient size to meet ECUA and Florida Department of Environmental Protection requirements, including but not limited to capacity to handle operational flows at full build-out with required and adequate holding times.

4.) Raise top of the wet well of the Russell Bayou Lift Station to an elevation of at least 7 feet above sea level.

5.) Install guide rails at the Russell Bayou Lift Station for pump removal and such other facilities as may be necessary to facilitate pump removal, such as base plate and elbows.

6.) Install water-proof wet well hatch which is compatible with the guide rails and other facilities to be installed to facilitate pump removal.

7.) Replace wet well piping at the Russell Bayou Lift Station with stainless steel piping, and install above-grade valve system in accordance with ECUA standards and practices.

8.) Replace approximately 450 linear feet of insufficiently sloped gravity sewer in the Russell Bayou area.

9.) Install manhole lid inserts to control infiltration in the Russell Bayou area.

10.) The lift station site shall be expanded, and site lighting, fencing, access, and the gate to the lift station will be altered/improved as necessary in order to conform to ECUA standards and practices.

Anticipated infrastructure and related installations in the North Shore Drive area:

1.) There are properties in the North Shore Drive area (which is hereby defined as 43 lots along North Shore Drive and 10 additional lots fronting Innerarity Point Road) which do not presently have sewer service. Accordingly, as part of this project, a large-diameter low pressure sewer force main shall be designed and installed so as to be capable of serving the properties in the North Shore Drive area in the event the owners of these properties desire to connect at some future time. The sewer force main will either directly or indirectly connect to existing ECUA Lift Station 380.

2.) In addition to the installation of this sewer force main, sewer laterals from the force main will be installed to the right-of-way line along the road fronting the parcels in the North Shore Drive area. No parcels in the North Shore Drive area will be connected to the sewer system as part of this project, however. Moreover, no grinder pumps will be provided for any parcel in the North Shore Drive area as part of this project.

3.) The design of the low pressure sewer system for the North Shore Drive area will comply with all applicable Florida Department of Environmental Protection regulations and guidelines. Although the sewer force main shall be owned by ECUA, no portion of the sewer laterals from that force main shall be owned by ECUA. Instead, those sewer laterals shall be owned by the corresponding property owner/s.

Anticipated upgrades to the remainder of the Island's sewer system:

For the remainder of the Island, i.e., for those portions of Innerarity Island outside of the Russell Bayou area and outside the North Shore Drive area, the existing gravity sewer system shall be abandoned and replaced by a low pressure sewer system generally described as follows:

1.) Approximately 30,000 linear feet of sewer force mains of appropriate size, which shall ultimately become the property of ECUA.

2.) Isolation and maintenance valves on the force main, which shall become owned by ECUA, to be installed at the appropriate distances approximately 1,000 feet apart, as determined by ECUA in consultation with its consultant Engineer.

3.) Approximately 150 grinder pump stations with associated valves and sewer laterals, which shall be owned by the corresponding property owner/s.

4.) The design of the low pressure sewer system on the Island will comply with all applicable Florida Department of Environmental Protection regulations and guidelines. The low pressure sewer system will either directly or indirectly connect to existing ECUA lift station 380.

The quantities described above are based on conceptual designs and are subject to change. All facilities are to be designed and constructed in accordance with the ECUA Engineering Manual.

DEP AGREEMENT NO. S0878

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
DIVISION OF WATER RESTORATION ASSISTANCE
GRANT AGREEMENT
PURSUANT TO LINE ITEM 1662A OF THE FY15-16 GENERAL APPROPRIATIONS ACT

THIS AGREEMENT is entered into between the STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION, whose address is 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (hereinafter referred to as the "Department") and ESCAMBIA COUNTY, whose address is 221 Palafox Place, Suite 420, Pensacola, Florida 32502 (hereinafter referred to as "Grantee"), a local government, to provide financial assistance for the Escambia County Innerarity Water and Sewer Upgrade project. Collectively, the Department and the Grantee shall be referred to as "Parties" or individually as a "Party".

In consideration of the mutual benefits to be derived herefrom, the Department and the Grantee do hereby agree as follows:

1. **TERMS OF AGREEMENT:**

The Grantee does hereby agree to perform in accordance with the terms and conditions set forth in this Agreement, **Attachment A, Grant Work Plan**, and all attachments and exhibits named herein which are attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Grantee" and "Recipient" are used interchangeably.

2. **PERIOD OF AGREEMENT:**

This Agreement shall begin upon execution by both parties and shall remain in effect until June 30, 2018, inclusive. The Grantee shall be eligible for reimbursement for work performed on or after July 1, 2015 through the expiration date of this Agreement. This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

3. **FUNDING/CONSIDERATION/INVOICING:**

A. As consideration for the satisfactory completion of services rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis up to a maximum of $1,000,000. It is understood that any additional funds necessary for the completion of this project are the responsibility of the Grantee. The parties hereto understand and agree that this Agreement does not require a match on the part of the Grantee.

B. Prior written approval from the Department's Grant Manager shall be required for changes to this Agreement. Changes to approved budget categories within a single deliverable that are less than 10% of the total approved deliverable budget amount will require a formal Change Order to the Agreement. Changes that are 10% or greater of the total approved deliverable budget amount, or changes that transfer funds from one deliverable to another deliverable, or changes that increase or decrease the project's total funding amount will require a formal Amendment to the Agreement.

C. The Grantee shall be reimbursed on a cost reimbursement basis for all eligible project costs upon the completion, submittal and approval of each deliverable identified in **Attachment A**, in accordance with the schedule therein. Reimbursement shall be requested utilizing **Attachment B, Payment Request Summary Form**. To be eligible for reimbursement, costs must be in compliance with laws, rules and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: http://www.myfloridacfo.com/aadir/reference_guide/. All invoices for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. A final payment request should be submitted to the Department no later than sixty (60) calendar days following the completion date of the Agreement, to assure the availability of funds for payment. All work performed pursuant to **Attachment A** must be performed on or before the completion date of the Agreement, and the subsequent sixty-day period merely allows the Grantee to finalize invoices and backup documentation to support the final payment request.

D. The State Chief Financial Officer requires detailed supporting documentation of all costs under a cost reimbursement agreement. The Grantee shall comply with the minimum requirements set forth in **Attachment C, Contract Payment Requirements**. The Payment Request Summary Form shall be accompanied by supporting documentation and other requirements as follows for each deliverable:

i. Contractual (Subcontractors) – Reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from the Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the project. All multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If the Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, the Grantee shall be required to reimburse such funds to the Department within thirty (30) calendar days of written notification. Interest on the excessive charges shall be calculated based on the prevailing rate used by the State Board of Administration. For fixed-price (vendor) subcontracts, the following provisions shall apply:

a. The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in **Attachment A**. Invoices submitted to the Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (i.e., Invitation to Bid or Request for Proposals) resulting in the fixed-price subcontract.

b. The Grantee may request approval from the Department to award a fixed-price subcontract resulting from procurement methods other than those identified in the paragraph above. In this instance, the Grantee shall request the advance written approval from the Department's Grant Manager of the fixed price negotiated by the Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of the Department Grant Manager's approval of the fixed-price amount, the Grantee may proceed in finalizing the fixed-price subcontract.

c. All subcontracts are subject to the provisions of paragraph 12 and any other appropriate provisions of this Agreement which affect subcontracting activities.

E. In addition to the invoicing requirements contained in paragraphs 3.C. and D. above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within thirty (30) calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at http://www.myfloridacfo.com/aadir/reference_guide/.

F. i. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.

ii. If the Department finds that these funds have been commingled, the Department shall have the right to demand a refund, either in whole or in

part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from the Department shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Department by the Grantee to the date repayment is made by the Grantee to the Department.

iii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by the Department, from another source(s), the Grantee shall reimburse the Department for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Grantee to the date repayment is made to the Department by the Grantee.

4. ANNUAL APPROPRIATION:

The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. The parties hereto understand that this Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and payment associated therewith may be rescinded with proper notice at the discretion of the Department if Legislative appropriations are reduced or eliminated.

5. REPORTS:

A. The Grantee shall utilize **Attachment D, Progress Report Form**, to describe the work performed during the reporting period, problems encountered, problem resolution, schedule updates and proposed work for the next reporting period. Quarterly reports shall be submitted to the Department's Grant Manager no later than twenty (20) calendar days following the completion of the quarterly reporting period. It is hereby understood and agreed by the parties that the term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30 and December 31. The Department's Grant Manager shall have thirty (30) calendar days to review the required reports and deliverables submitted by the Grantee.

B. As stated in the letter dated July 17, 2015 from the Office of the Governor, the Grantee will identify the return on investment for this project and provide quarterly updates to the Governor's Office of Policy and Budget.

6. RETAINAGE:

Retainage is not required under this Agreement.

7. **INDEMNIFICATION:**

Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract or this Agreement.

8. **DEFAULT/TERMINATION/FORCE MAJEURE:**

A. The Department may terminate this Agreement at any time if any warranty or representation made by Grantee in this Agreement or in its application for funding shall at any time be false or misleading in any respect, or in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.

B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar day's written notice. If the Department terminates the Agreement for convenience, the Department shall notify the Grantee of such termination, with instructions as to the effective date of termination or specify the stage of work at which the Agreement is to be terminated. If the Agreement is terminated before performance is completed, the Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated.

C. Records made or received in conjunction with this Agreement are public records. This Agreement may be unilaterally canceled by the Department for unlawful refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement and subject to disclosure under Chapter 119, Florida Statutes (F.S.), and Section 24(a), Article I, Florida Constitution.

D. If a force majeure occurs that causes delays or the reasonable likelihood of delay in the fulfillment of the requirements of this Agreement, the Grantee shall promptly notify the Department orally. Within seven (7) calendar days, the Grantee shall notify the Department in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay and the Grantee's intended timetable for implementation of such measures. If the parties agree that the delay or anticipated delay was caused, or will be caused by a force majeure, the Department may, at its discretion, extend the time for performance under this Agreement for a period of time equal to the delay resulting from the force majeure upon execution of an amendment to this Agreement. Such agreement shall be confirmed by letter from the Department accepting, or if necessary, modifying the

extension. A force majeure shall be an act of God, strike, lockout, or other industrial disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, flood, explosion, failure to receive timely necessary third party approvals through no fault of the Grantee, and any other cause, whether of the kind specifically enumerated herein or otherwise, that is not reasonably within the control of the Grantee and/or the Department. The Grantee is responsible for the performance of all services issued under this Agreement. Failure to perform by the Grantee's consultant(s) or subcontractor(s) shall not constitute a force majeure event.

9. REMEDIES/FINANCIAL CONSEQUENCES:

No payment will be made for deliverables deemed unsatisfactory by the Department. In the event that a deliverable is deemed unsatisfactory by the Department, the Grantee shall re-perform the services needed for submittal of a satisfactory deliverable, at no additional cost to the Department, within ten (10) calendar days of being notified of the unsatisfactory deliverable. If a satisfactory deliverable is not submitted within the specified timeframe, the Department may, in its sole discretion, either: 1) terminate this Agreement for failure to perform, or 2) the Department Grant Manager may, by letter specifying the failure of performance under this Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the Grantee to the Department. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

A. A CAP shall be submitted within ten (10) calendar days of the date of the letter request from the Department. The CAP shall be sent to the Department Grant Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the Department shall notify the Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Grantee shall have ten (10) calendar days from receipt of the Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the Department approval of a CAP as specified above shall result in the Department's termination of this Agreement for cause as authorized in this Agreement.

B. Upon the Department's notice of acceptance of a proposed CAP, the Grantee shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not relieve the Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, the Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the Department or steps taken by the Grantee shall preclude the Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the Department as requested by the Department Grant Manager.

C. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by the Department may result in termination of the Agreement.

The remedies set forth above are not exclusive and the Department reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by the Agreement.

10. RECORD KEEPING/AUDIT:

A. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.

B. The Grantee understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the Department's Inspector General in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its subcontracts issued under this Grant, if any, impose this requirement, in writing, on its subcontractors.

11. SPECIAL AUDIT REQUIREMENTS:

A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in **Attachment E, Special Audit Requirements**, attached hereto and made a part hereof. **Exhibit 1** to **Attachment E** summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of **Attachment E**. A revised copy of **Exhibit 1** must be provided to the Grantee for each amendment which authorizes a funding increase or decrease. If the Grantee fails to receive a revised copy of **Exhibit 1**, the Grantee shall notify the Department's Grant Manager to request a copy of the updated information.

B. The Grantee is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The Grantee shall consider the type of financial assistance (federal and/or state) identified in **Attachment E, Exhibit 1** when making its determination. For federal financial assistance, the Grantee shall utilize the guidance provided under OMB Circular A-133, Subpart B, Section ___.210 for determining whether the relationship represents that of a subrecipient or vendor. For state financial assistance, the Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs. Vendor Determination" (form number

DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website:

https://apps.fldfs.com/fsaa

The Grantee should confer with its chief financial officer, audit director or contact the Department for assistance with questions pertaining to the applicability of these requirements.

12. SUBCONTRACTS:

A. The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager except for certain fixed-price subcontracts pursuant to paragraph 3.D. of this Agreement, which require prior approval. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement. The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

B. The Department of Environmental Protection supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of minority owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

13. PROHIBITED LOCAL GOVERNMENT CONSTRUCTION PREFERENCES:

A. Pursuant to Section 255.0991, F.S., for a competitive solicitation for construction services in which 50 percent or more of the cost will be paid from state-appropriated funds which have been appropriated at the time of the competitive solicitation, a state, college, county, municipality, school district, or other political subdivision of the state may not use a local ordinance or regulation that provides a preference based upon:

i. The contractor's maintaining an office or place of business within a particular local jurisdiction; or

ii. The contractor's hiring employees or subcontractors from within a particular local jurisdiction; or

iii. The contractor's prior payment of local taxes, assessments, or duties within a particular local jurisdiction.

B. For any competitive solicitation that meets the criteria in Paragraph A., a state college, county, municipality, school district, or other political subdivision of the state *shall disclose in the solicitation document* that any applicable local ordinance or regulation does not include any preference that is prohibited by Paragraph A.

14. LOBBYING PROHIBITION:

In accordance with Section 216.347, F.S., the Grantee is hereby prohibited from using funds provided by this Agreement for the purpose of lobbying the Legislature, the judicial branch or a state agency. Further, in accordance with Section 11.062, F.S., no state funds, exclusive of salaries, travel expenses, and per diem, appropriated to, or otherwise available for use by, any executive, judicial, or quasi-judicial department shall be used by any state employee or other person for lobbying purposes.

15. COMPLIANCE WITH LAW:

The Grantee shall comply with all applicable federal, state and local rules and regulations in providing services to the Department under this Agreement. The Grantee acknowledges that this requirement includes, but is not limited to, compliance with all applicable federal, state and local health and safety rules and regulations. The Grantee further agrees to include this provision in all subcontracts issued as a result of this Agreement.

16. NOTICE:

All notices and written communication between the parties shall be sent by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient.

17. CONTACTS:

The Department's Grant Manager (which may also be referred to as the Department's Project Manager) for this Agreement is identified below:

Mahnaz Massoudi	
Florida Department of Environmental Protection	
Division of Water Restoration Assistance	
3900 Commonwealth Blvd., MS#3505	
Tallahassee, Florida 32399	
Telephone No.:	850-245-2960
E-mail Address:	Mahnaz.Massoudi@dep.state.fl.us

The Grantee's Grant Manager for this Agreement is identified below:

Jack Brown	
Escambia County	
221 Palafox Place, Suite 420	
Pensacola, Florida 32502	
Telephone No.:	850-595-4947
E-mail Address:	Jack_Brown@myescambia.com

18. INSURANCE:

To the extent required by law, the Grantee will secure and maintain insurance coverages in the amounts and categories specified below, during the life of this Agreement. The Grantee shall provide documentation of any private insurance or self-insurance, as may be applicable to governmental entities, to the Department's Grant Manager *prior to* performance of any work pursuant to this Agreement.

A. The Grantee shall secure and maintain Workers' Compensation Insurance for all of its employees connected with the work of this project and, in case any work is subcontracted, the Grantee shall require the subcontractor similarly to provide Workers' Compensation Insurance for all of its employees unless such employees are covered by the protection afforded by the Grantee. Any self-insurance program or insurance coverage shall comply fully with the Florida Workers' Compensation law. In case any class of employees engaged in hazardous work under this Agreement is not protected under Workers' Compensation statutes, the Grantee shall provide, and cause each subcontractor to provide, adequate insurance satisfactory to the Department, for the protection of its employees not otherwise protected.

B. The Grantee shall secure and maintain, and ensure that any of its subcontractors similarly secure and maintain, Commercial General Liability insurance including bodily injury and property damage. The minimum limits of liability shall be $200,000 each individual's claim and $300,000 each occurrence. This insurance will provide coverage for all claims that may arise from the services and/or operations completed under this Agreement, whether such services and/or operations are by the Grantee or any of its subcontractors. Such insurance shall include the State of Florida, the Department, and the State of Florida Board of Trustees of the Internal Improvement Trust Fund, as Additional Insureds for the entire length of the Agreement.

C. The Grantee shall secure and maintain, and ensure that any of its subcontractors similarly secure and maintain, Commercial Automobile Liability insurance for all claims which may arise from the services and/or operations under this Agreement, whether such services and/or operations are by the Grantee or any of its subcontractors. Such insurance shall include the State of Florida, the Department,

and the State of Florida Board of Trustees of the Internal Improvement Trust Fund, as Additional Insureds for the entire length of the Agreement. The minimum limits of liability shall be as follows:

$300,000	Automobile Liability Combined Single Limit for Company-Owned Vehicles, if applicable
$300,000	Hired and Non-owned Automobile Liability Coverage

D. If any work proceeds over or adjacent to water, the Grantee shall secure and maintain, as applicable, any other type of required insurance, including but not limited to Jones Act, Longshoreman's and Harbormaster's, or the inclusion of any applicable rider to worker's compensation insurance, and any necessary watercraft insurance, with limits of not less than $300,000 each. In addition, the Grantee shall include these requirements in any sub grant or subcontract issued for the performance of the work specified in **Attachment A, Grant Work Plan.** Questions concerning required coverage should be directed to the U.S. Department of Labor (http://www.dol.gov/owcp/dlhwc/lscontac.htm) or to the parties' insurance carriers.

E. All insurance policies shall be with insurers licensed or eligible to do business in the State of Florida. The Grantee's current certificate of insurance shall contain a provision that the insurance will not be canceled for any reason except after thirty (30) calendar days' written notice (with the exception of non-payment of premium which requires a 10-calendar-day notice) to the Department's Procurement Administrator. In addition, the Grantee shall include these requirements in any sub grant or subcontract issued for the performance of the work specified in **Attachment A, Grant Work Plan.**

F. If the Grantee is a Florida governmental entity that is self-funded for liability insurance, this paragraph 18.F. supersedes 18.A. through E., above.

Grantee warrants and represents that it is self-funded for liability insurance, appropriate and allowable under Florida law, and that such self-insurance offers protection applicable to the Grantee's officers, employees, servants and agents while acting within the scope of their employment with the Grantee.

19. CONFLICT OF INTEREST:

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

20. EQUIPMENT:

Reimbursement for equipment purchases costing $1,000 or more is not authorized under the terms and conditions of this Agreement.

21. CHANGE ORDERS:

The Department may at any time, by written Change Order, make any change in the Grant Manager information, task timelines within the current authorized Agreement period, or make changes that are less than 10% of the total approved deliverable budget (per Paragraph 3). All Change Orders are subject to the mutual agreement of both parties as evidenced in writing. Any change which causes an increase or decrease in the Agreement amount, expiration date of the Agreement, or deliverable costs that are equal to or greater than 10% of the total approved deliverable budget (per Paragraph 3), shall require formal Amendment to this Agreement.

22. UNAUTHORIZED EMPLOYMENT:

The employment of unauthorized aliens by any Grantee/subcontractor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

23. RESERVED:

24. DISCRIMINATION:

A. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

B. An entity or affiliate who has been placed on the discriminatory vendor list pursuant to section 287.134, F.S., may not submit a bid on a contract to provide goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact business with any public entity. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and posts the list on its website. Questions regarding the discriminatory vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

25. LAND ACQUISITION:

Land acquisition is not authorized under the terms of this Agreement.

26. PHYSICAL ACCESS AND INSPECTION:

As applicable, Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, including by any of the following methods:

A. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents; and

B. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and

C. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

27. EXECUTION IN COUNTERPARTS:

This Agreement may be executed in two or more counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

28. SEVERABILITY CLAUSE:

This Agreement has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Any action hereon or in connection herewith shall be brought in Leon County, Florida.

29. ENTIRE AGREEMENT:

This Agreement represents the entire agreement of the parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, duly signed by each of the parties hereto, and attached to the original of this Agreement, unless otherwise provided herein.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed, the day and year last written below.

ATTACHMENT A
GRANT WORK PLAN

PROJECT TITLE: Escambia County Innerarity Water and Sewer Upgrade

PROJECT AUTHORITY: Escambia County (Grantee) received funding from the Florida Legislature in the amount of $1,000,000 through Specific Appropriation Line Item No. 1662A, Fiscal Year (FY) 2015 – 2016, General Appropriations Act. The Grantee received this funding for the purpose of evaluating the current water and wastewater system and design upgrades. Monitoring and auditing guidelines, as related to the Florida Single Audit Act, are specified in the Florida Catalog of State Financial Assistance (CSFA), No. 37.039.

PROJECT LOCATION: The Project will be located on Innerarity Island in Escambia County, Florida. See Figures 1 and 2 for a location map and site plan.

PROJECT BACKGROUND: The Innerarity Island Development Corporation (IIDC) provided water and wastewater service to the residents of Innerarity Island in southwestern Escambia County. IIDC purchased water from the Emerald Coast Utilities Authority (ECUA) and resold it to the residents. Wastewater is currently collected in a gravity sewer system and conveyed via a system of lift stations and force mains to ECUA lift station No. 380. Wastewater is metered at the discharge of the lift station before leaving the island. The wastewater is metered and billed independently of the potable water. Water and sewer services provided in the past by IIDC were subject to regulation by the Public Service Commission of the State of Florida.

On January 27, 2014, the Innerarity Island Development Corporation formally filed a note of abandonment pursuant to Florida Statute 367.165(1), and on March 21, 2014 the First Judicial Circuit Court ordered the Grantee to become the receiver of this now abandoned water and wastewater utility system. However, not only is long term ownership and maintenance outside of the capabilities of the County, the County also has no statutory authority to own and operate a water and wastewater system due to the Enabling Act of the ECUA. An agreement in principal has been reached between ECUA and Escambia County regarding future ownership and maintenance of the Innerarity Island Development Corporation's utilities, as well as options for financing mechanisms allowing ECUA to complete design and construction, as necessary, to bring the existing utility systems into compliance with current FDEP and ECUA standards.

The proposed project will facilitate the transfer of ownership and maintenance of the systems to ECUA. This transition is critical so that an entity with adequate resources can accept the long term requirements that come with utility ownership. This is a necessity for the residents served by this system.

PROJECT DESCRIPTION: The Grantee will evaluate the current water and wastewater system formerly owned by the IIDC and design the upgrades for the water and wastewater system infrastructure to meet the standards required by ECUA for a publicly owned and maintained water and wastewater utility system.

Water system improvements may consist of: a) relatively minor main relocations to remove encroachments of the water facilities from private properties or alternatively to relocations, easements could be secured with the assistance of the Innerarity Island Homeowners Association (II HOA) to negate the need for the relocations; b) installation of system isolation valves; c) fire hydrant additions; d) modification of dead end water lines to provide either flush valves or circulation loops; e) water service renewals to remove polybutylene tubing and replace meters with ECUA standard meters; and f) upgrade approximately 3,000 linear feet of existing 4-inch water main on North Shore Drive to 6-inch.

Sanitary sewer system improvements will consist primarily of the construction of a low pressure sewer system to replace all gravity collection on the island leaving only the relatively new gravity collection in the Russell Bayou development in service. The existing gravity sewer collection system was found to be prone to excessively heavy infiltration/inflow and to have many line segments laid at insufficient slope. Full replacement of the gravity sewer system was eliminated from consideration due to excessive cost.

TASKS and DELIVERABLES:

Task 1: Preconstruction
Task Description: The Grantee will procure professional engineering services in accordance with state law. The Grantee will complete the evaluation and design of upgrades to the water and wastewater system infrastructure and obtain all necessary permits for construction of the project. The Grantee will submit documentation of preconstruction activities, as described below.

Deliverable 1a: An electronic copy of the draft design at 30% completion submitted to the Department's Grant Manager for review prior to submittal of the draft design at 60% completion.
Performance Standard: The Department's Grant Manager will review the draft design at 30% completion to verify that it meets the specifications in the Grant Work Plan and this task description, and provide any comments to the Grantee for incorporation. Upon review and written acceptance of this submittal by the Department's Grant Manager, the Grantee may proceed with the payment request submittal for costs associated with this design document.

Deliverable 1b: An electronic copy of the draft design at 60% completion submitted to the Department's Grant Manager for review prior to submittal of the final design.
Performance Standard: The Department's Grant Manager will review the draft design at 60% completion to verify that it meets the specifications in the Grant Work Plan and this task description, and provide any comments to the Grantee for incorporation. Upon review and written acceptance of this submittal by the Department's Grant Manager, the Grantee may proceed with the payment request submittal for costs associated with this design document.

Deliverable 1c: An electronic copy of the final design, including professional certification as applicable. Upon request, the Grantee will provide a paper copy of the final design submittal.
Performance Standard: The Department's Grant Manager will review the final design to verify that it meets the specifications in the Grant Work Plan and this task description, and provide any comments to the Grantee for incorporation. Upon review and written acceptance of this submittal by the Department's Grant Manager, the Grantee may proceed with the payment request submittal for costs associated with this design document.

Deliverable 1d: A list of all required permits identifying issue dates and issuing authorities submitted to the Department's Grant Manager. Upon request, the Grantee will provide copies of obtained permits or permit related correspondence or documentation.
Performance Standard: The Department's Grant Manager will review the list of all issued permits to verify that it meets the specifications in the Grant Work Plan and this task description, and provide any comments to the Grantee for incorporation. Upon review and written acceptance of the list of all issued permits by the Department's Grant Manager, the Grantee may proceed with payment request submittal for costs associated with permitting.

Task 2: Construction
Task Description: The Grantee will construct water and wastewater improvements in accordance with the final design(s) and required permits.

Payment Request Schedule: Grantee may submit a payment request for cost reimbursement no more frequently than once per month. The outlined Interim Deliverable(s) and/or Final Deliverable(s) must have been submitted and accepted in writing by the Department's Grant Manager prior to payment request submittal.

Deliverable 2a: 1) Signed acceptance of the completed work by the Grantee, 2) Contractor's Application and Certification for Payment, 3) dated color photographs of on-going work representing time period covered in payment request. These interim deliverables must be submitted 5 days prior to each payment request and may be submitted no more frequently than monthly.
Performance Standard: The Department's Grant Manager will review each submitted interim deliverable to verify that verify that it meets the specifications in the Grant Work Plan and this task description and that work is being performed in accordance with the Grantee's construction contract documents and specifications. Upon review and written acceptance of each interim deliverable submittal by the Department's Grant Manager, the Grantee may proceed with payment request submittal for costs associated with that submittal period under this task.

Contractor's Application and Certification for Payment should include the following supporting documentation:

1. An itemized summary of the materials, labor, and/or services utilized during the period for which payment is being requested.
2. The summary should identify the nature of the work performed; the amount expended for such work; the name of the person/entity providing the service or performing the work; proof of payment of the invoices; and evidence of all work conducted for which a request for payment is being made.
3. Evidence may include references to any drafts or partially-complete designs, surveys, environmental documents and/or permit applications, drawings, and specifications (which must be made available upon request); and documentation demonstrating partial completion of construction activities.

Deliverable 2b: Water and Wastewater improvements, constructed as described in this task, as evidenced by these final deliverables: 1) Dated color photographs of the construction site(s) prior to, during, and immediately following completion of the construction task; 2) written verification that the Grantee has received record drawings and any required final inspection report(s) for the project; 3) signed acceptance of the completed work by the Grantee; and 4) signed statement from a Florida Licensed Professional Engineer indicating construction has been completed in accordance with the design.
Performance Standard: The Department's Grant Manager will review the final deliverables to verify that they meet the specifications in the Grant Work Plan and this task description and that work is being performed in accordance with the Grantee's construction contract documents. Upon review and written approval by the Department's Grant Manager of all final deliverables under this task, the Grantee may proceed with payment request submittal.

Task 3: Administration, Operation and Repair of Water and Wastewater Utility System
Task Description: The Grantee will subcontract the Administrative, Operational and Repair Services for the water and wastewater utility system.

Payment Request Schedule: Grantee may submit a payment request for cost reimbursement no more frequently than once per month. The outlined Deliverable must have been submitted and accepted in writing by the Department's Grant Manager prior to payment request submittal.

Deliverable 3: An electronic copy of the Grantee's interlocal agreement with the City of Gulf Breeze for the administration, operation and repairs of the water and wastewater system submitted to the Department's Grant Manager provided prior to submitting any invoices for the subcontracted work.
Performance Standard: The Department's Grant Manager will review the deliverable to verify that verify that it meets the specifications in the Grant Work Plan and this task description and that work is being performed in accordance with the Grantee's documents. Upon review and written acceptance by the Department's Grant Manager of the interim deliverables under this task, the Grantee may proceed with payment request submittal.

Task 4: Construction Engineering Inspection Services
Task Description: The Grantee will perform construction engineering inspection services. If the Grantee contracts these services, the Grantee will procure such services in accordance with state law.
Deliverables: 1) An electronic copy of the Grantee's executed contract(s) and scope of services for project management and/or engineering services submitted to the Department's Grant Manager provided prior to submitting any invoices for the subcontracted work. 2) engineering inspection reports associated with the inspection of the project.
Performance Standard: The Department's Grant Manager will review the deliverables to verify that they meet the specifications in the Grant Work Plan and this task description. Upon review and written acceptance by the Department's Grant Manager of the interim deliverables under this task, the Grantee may proceed with payment request submittal.

PROJECT TIMELINE: The tasks must be completed by the end of each task timeline and all deliverables must be received by the designated due date.

Task/ Deliverable No.	Task or Deliverable Title	Task Start Date	Task End Date	Deliverable Due Date/ Frequency
1	**Design and Permitting**	7/1/2015	6/30/2018	
1a	30% Design			1/3/2018
1b	60% Design			3/31/2018

GRANTEE CERTIFICATION

Complete Grantee's Certification of Payment Request on Page 2 to certify that the amount being requested for reimbursement above was for items that were charged to and utilized only for the above cited grant activities.

Grantee's Certification of Payment Request

I, Jack R. Brown ,

(Print name of Grantee's Grant Manager designated in the Agreement)

on behalf of Escambia County, do hereby certify that:

(Print name of Grantee/Recipient)

- ☑ The disbursement amount requested is for allowable costs for the project described in Attachment A of the Agreement.
- ☑ All costs included in the amount requested have been satisfactorily purchased, performed, received, and applied toward completing the project; such costs are documented by invoices or other appropriate documentation as required in the Agreement.
- ☑ The Grantee has paid such costs under the terms and provisions of contracts relating directly to the project; and the Grantee is not in default of any terms or provisions of the contracts.

Check all that apply:

- ☐ All permits and approvals required for the construction, which is underway, have been obtained.
- ☐ Construction up to the point of this disbursement is in compliance with the construction plans and permits.
- ☐ The Grantee's Grant Manager relied on certifications from the following professionals that provided services for this project during the time period covered by this Certification of Payment Request, and such certifications are included:

INSTRUCTIONS FOR COMPLETING PAYMENT REQUEST SUMMARY FORM

DEP AGREEMENT NO.: This is the number on your grant agreement.
AGREEMENT EFFECTIVE DATES: Enter agreement execution date through end date.
GRANTEE: Enter the name of the grantee's agency.
GRANTEE'S GRANT MANAGER: This should be the person identified as grant manager in the grant Agreement.
MAILING ADDRESS: Enter the address that you want the state warrant sent.
PAYMENT REQUEST NO.: This is the number of your payment request, not the quarter number.
DATE OF PAYMENT REQUEST: This is the date you are submitting the request.
PERFORMANCE PERIOD: This is the beginning and ending date of the performance period for the task/deliverable that the request is for (this must be within the timeline shown for the task/deliverable in the Agreement).
TASK/DELIVERABLE NO.: This is the number of the task/deliverable that you are requesting payment for and/or claiming match for (must agree with the current Grant Work Plan).
TASK/DELIVERABLE AMOUNT REQUESTED: This should match the amount on the "*TOTAL TASK/DELIVERABLE BUDGET AMOUNT*" line for the "*AMOUNT OF THIS REQUEST*" column.

GRANT EXPENDITURES SUMMARY SECTION:

"AMOUNT OF THIS REQUEST" COLUMN: Enter the amount that was expended for this task during the period for which you are requesting reimbursement for this task. This must agree with the currently approved budget in the current Grant Work Plan of your grant Agreement. Do not claim expenses in a budget category that does not have an approved budget. Do not claim items that are not specifically identified in the current Grant Work Plan. Enter the column total on the "*TOTAL AMOUNT*" line. Enter the amount of the task on the "*TOTAL TASK BUDGET AMOUNT*" line. Enter the total cumulative amount of this request **and** all previous payments on the "*LESS TOTAL CUMULATIVE PAYMENT REQUESTS OF*" line. Deduct the "*LESS TOTAL CUMULATIVE PAYMENT REQUESTS OF*" from the "*TOTAL TASK BUDGET AMOUNT*" for the amount to enter on the "*TOTAL REMAINING IN TASK*" line.

"TOTAL CUMULATIVE PAYMENT REQUESTS" COLUMN: Enter the cumulative amounts that have been requested to date for reimbursement by budget category. The final request should show the total of all requests; first through the final request (this amount cannot exceed the approved budget amount for that budget category for the task you are reporting on). Enter the column total on the "*TOTALS*" line. **Do not enter anything in the shaded areas.**

"MATCHING FUNDS" COLUMN: Enter the amount to be claimed as match for the performance period for the task you are reporting on. This needs to be shown under specific budget categories according to the currently approved Grant Work Plan. Enter the total on the "*TOTAL AMOUNT*" line for this column. Enter the match budget amount on the "*TOTAL TASK BUDGET AMOUNT*" line for this column. Enter the total cumulative amount of this and any previous match claimed on the "*LESS TOTAL CUMULATIVE PAYMENTS OF*" line for this column. Deduct the "*LESS TOTAL CUMULATIVE PAYMENTS OF*" from the "*TOTAL TASK BUDGET AMOUNT*" for the amount to enter on the "*TOTAL REMAINING IN TASK*" line.

"TOTAL CUMULATIVE MATCHING FUNDS" COLUMN: Enter the cumulative amount you have claimed to date for match by budget category for the task. Put the total of all on the line titled "*TOTALS.*" The final report should show the total of all claims, first claim through the final claim, etc. **Do not enter anything in the shaded areas.**

GRANTEE'S CERTIFICATION: Check all boxes that apply. Identify any licensed professional service providers that certified work or services completed during the period included in the request for payment. **Must be signed by both the Grantee's Grant Manager as identified in the grant agreement and the Grantee's Fiscal Agent.**

NOTES:
If claiming reimbursement for travel, you must include copies of receipts and a copy of the travel reimbursement form approved by the Department of Financial Services, Chief Financial Officer.

Documentation for match claims must meet the same requirements as those expenditures for reimbursement.

ATTACHMENT C

Contract Payment Requirements
Florida Department of Financial Services, Reference Guide for State Expenditures
Cost Reimbursement Contracts

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of the types of documentation representing the minimum requirements:

(1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

(2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

(3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.

(4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.

(5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.

(6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies, and or contracts between universities may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports.

ATTACHMENT E

SPECIAL AUDIT REQUIREMENTS

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the contract/agreement)* to the recipient *(which may be referred to as the "Contractor", Grantee" or other name in the contract/agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the recipient expends $500,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Environmental Protection. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.

2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.

3. If the recipient expends less than $500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than $500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at **http://12.46.245.173/cfda/cfda.html.**

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2)(m), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $500,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Attachment indicates state financial assistance awarded through the Department of Environmental Protection by this Agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $500,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/ and the Auditor General's Website at http://www.state.fl.us/audgen.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with OMB Circular A-133, as revised, and required by PART I of this Attachment shall be submitted, when required by Section .320 (d), OMB Circular A-133, as revised, by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of the Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Federal Audit Clearinghouse designated in OMB Circular A-133, as revised (the number of copies required by Sections .320 (d)(1) and (2), OMB Circular A-133, as revised, should be submitted to the Federal Audit Clearinghouse), at the following address:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at http://harvester.census.gov/fac/

C. Other Federal agencies and pass-through entities in accordance with Sections .320 (e) and (f), OMB Circular A-133, as revised.

2. Pursuant to Section .320(f), OMB Circular A-133, as revised, the recipient shall submit a copy of the reporting package described in Section .320(c), OMB Circular A-133, as revised, and any management letters issued by the auditor, to the Department of Environmental Protection at one the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of the Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

3. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of the Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Auditor General's Office at the following address:

State of Florida Auditor General
Room 401, Claude Pepper Building
111 West Madison Street
Tallahassee, Florida 32399-1450

4. Copies of reports or management letters required by PART III of this Attachment shall be submitted by or on behalf of the recipient directly to the Department of Environmental Protection at one of the following addresses:

By Mail:

Audit Director
Florida Department of Environmental Protection
Office of the Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

5. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with OMB Circular A-133, Florida Statutes, or Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

6. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with OMB Circular A-133, or Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the recipient in correspondence accompanying the reporting package.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of **5** years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of **3** years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

EXHIBIT – 1

FUNDS AWARDED TO THE RECIPIENT PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

Federal Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following:					
Federal Program Number	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Matching Resources for Federal Programs:					
Federal Program Number	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Resources Subject to Section 215.97, F.S.:						
State Program Number	Funding Source	State Fiscal Year	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category
Original Agreement	General Revenue Fund, Line Item 1662A	2015-2016	37.039	Statewide Surface Water Restoration And Wastewater Projects	$1,000,000.00	140047

Total Award	$1,000,000.00	

For each program identified above, the recipient shall comply with the program requirements described in the Catalog of Federal Domestic Assistance (CFDA) [http://12.46.245.173/cfda/cfda.html] and/or the Florida Catalog of State Financial Assistance (CSFA) [https://apps.fldfs.com/fsaa/searchCatalog.aspx]. The services/purposes for which the funds are to be used are included in the Contract scope of services/work. Any match required by the recipient is clearly indicated in the Contract.

DEP AGREEMENT NO. S0878
ESCAMBIA COUNTY
AMENDMENT NO. 2

THIS AGREEMENT as entered into on the 8th day of March, 2016, and amended on the 22nd day of March, 2017, between the FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION (hereinafter referred to as the "Department") and ESCAMBIA COUNTY (hereinafter referred to as the "Grantee") is hereby amended.

WHEREAS, funding in the amount $1,000,000 was provided under Line Item 1662A of the 2015-2016 General Appropriations Act for Escambia County Innerarity Water and Sewer Upgrade ("Project"); and

WHEREAS, $500,000 in additional funding for this Project was provided under Line Item 1606A of the 2017-2018 General Appropriations Act; and

WHEREAS, the Grantee has requested a revision in the scope of work and a reallocation of the budget for the project; and,

WHEREAS, the Grantee has requested an extension of the Agreement because additional work has been added to the work plan due to an increase in funding; and,

WHEREAS, certain provisions of the Agreement need revision and a provision needs to be added to the Agreement.

NOW, THEREFORE, the parties hereto agree as follows:

1. The Agreement is effective from July 1, 2015, to December 31, 2021.

2. Section 3. of the Agreement is hereby deleted in its entirety and replaced with the following:

FUNDING/CONSIDERATION/INVOICING:

A. As consideration for the satisfactory completion of services rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis up to a maximum of $1,500,000. It is understood that any additional funds necessary for the completion of this project are the responsibility of the Grantee. The parties hereto understand and agree that this Agreement does not require a match on the part of the Grantee**.**

B. Prior written approval from the Department's Grant Manager shall be required for changes to this Agreement.

i. A Change Order to this Agreement is required when task timelines within the current authorized Agreement period change, and/or when the cumulative transfer of funds between approved budget categories, as defined in Attachment A, are less than ten percent (10%) of the total budget as last approved by the Department. All Change Orders are subject to the mutual agreement of both parties as evidenced in writing.

ii. A formal Amendment to this Agreement is required for changes which cause any of the following: an increase or decrease in the Agreement funding amount, a change in the Grantee's match requirements, a change in the expiration date of the Agreement, and/or changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment A, exceeds or is expected to exceed ten percent (10%) of the total budget as last approved by the Department. All Amendments are subject to the mutual agreement of both parties as evidenced in writing.

C. The Grantee shall be reimbursed on a cost reimbursement basis for all eligible project costs upon the completion, submittal and approval of each deliverable identified in **Attachment A-2**, in accordance with the schedule therein. Reimbursement shall be requested utilizing **Attachment B-1, Payment Request Summary Form**. To be eligible for reimbursement, costs must be following laws, rules and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: http://www.myfloridacfo.com/aadir/reference_guide/. All invoices for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. A final payment request should be submitted to the Department no later than sixty (60) calendar days following the completion date of the Agreement, to assure the availability of funds for payment. All work performed pursuant to **Attachment A-2** must be performed on or before the completion date of the Agreement, and the subsequent sixty-day period merely allows the Grantee to finalize invoices and backup documentation to support the final payment request.

D. The State Chief Financial Officer requires detailed supporting documentation of all costs under a cost reimbursement agreement. The Grantee shall comply with the minimum requirements set forth in **Attachment C, Contract Payment Requirements**. The Payment Request Summary Form shall be accompanied by supporting documentation and other requirements as follows for each deliverable: Reimbursement shall be limited to the following budget categories:

i. Contractual (Subcontractors) – Reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from the Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the project. All multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If the Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, the Grantee shall be required to reimburse such funds to the Department within thirty (30) calendar days of written notification. Interest on the excessive charges shall be calculated based on the prevailing rate used by the State Board of Administration. Subcontracts, which involve equipment purchases as part of an installation/retrofit or that include infrastructure and/or infrastructure improvements, as defined in Florida Chief Financial Officer (CFO) Memorandum No. 5 (2011-2012), must be capitalized in accordance with Chapter 69I-72, Florida Administrative Code (F.A.C.). The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

For fixed-price (vendor) subcontracts, the following provisions shall apply:

a. The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in **Attachment A-2**. Invoices submitted to the Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (i.e., Invitation to Bid or Request for Proposals) resulting in the fixed-price subcontract.

b. The Grantee may request approval from the Department to award a fixed-price subcontract resulting from procurement methods other than those identified in the paragraph above. In this instance, the Grantee shall request the advance written approval from the Department's Grant Manager of the fixed price negotiated by the Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon

receipt of the Department Grant Manager's approval of the fixed-price amount, the Grantee may proceed in finalizing the fixed-price subcontract.

c. All subcontracts are subject to the provisions of paragraph 12 and any other appropriate provisions of this Agreement which affect subcontracting activities.

ii. Equipment – (Capital outlay costing $1,000 or more) – Reimbursement for the Grantee's direct purchase of equipment is subject to specific approval of the Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed **Attachment F, Property Reporting Form**.

E. In addition to the invoicing requirements contained in paragraphs 3.C. and D. above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within thirty (30) calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at http://www.myfloridacfo.com/aadir/reference_guide/.

F. i. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.

ii. If the Department finds that these funds have been commingled, the Department shall have the right to demand a refund, either in whole or in part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from the Department shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Department by the Grantee to the date repayment is made by the Grantee to the Department.

iii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by the Department, from another source(s), the Grantee shall reimburse the Department for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Grantee to the date repayment is made to the Department by the Grantee.

3. Section 8. of the Agreement is hereby deleted in its entirety and replaced with the following:

DEFAULT/TERMINATION/FORCE MAJEURE:

A. Termination for Convenience. The Department may terminate the Agreement in whole or in part by giving 30 days' written notice to the Grantee, when the Department determines, in its sole

discretion, that it is in the State's interest to do so. The Department shall notify the Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee shall not furnish any service or deliverable after it receives the notice of termination, unless otherwise instructed in the notice. The Grantee shall not be entitled to recover any cancellation charges or lost profits. If the Agreement is terminated before performance is completed, the Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated.

B. Termination for Cause. The Department may terminate this Agreement if any of the events of default described below occur or in the event that the Grantee fails to fulfill any of its other obligations under this Agreement. The Grantee shall continue work on any portion of the Agreement not terminated. If, after termination, it is determined that the Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Department. The rights and remedies of the Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.

C. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination, is directed by the Department, the Grantee shall stop performing services on the date, and to the extent specified, in the notice.

D. Force Majeure. The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Grantee. In case of any delay the Grantee believes is excusable, the Grantee shall notify the Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first arose, if the Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date the Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against the Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from the Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Grantee shall perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to the Department, in which case the Department may (1) accept allocated performance or deliveries from the Grantee, provided that the Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by the Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate the Agreement in whole or in part.

4. Section 17. of the Agreement is hereby deleted in its entirety and replaced with the following:

CONTACTS:

The Department's Grant Manager (which may also be referred to as the Department's Project Manager) for this Agreement is identified below:

Sandra Waters, or Successor	
Florida Department of Environmental Protection	
Division of Water Restoration Assistance	
3900 Commonwealth Blvd., MS# 3505	
Tallahassee, Florida 32399	
Telephone No.:	850-245-2898
E-mail Address:	Sandra.waters@dep.state.fl.us

The Grantee's Grant Manager at the time of execution for this Agreement is identified below:

Jack Brown, or Successor	
Escambia County	
221 Palafox Place, Suite 402	
Pensacola, Florida 32502	
Telephone No.:	850-595-4947
E-mail Address:	jbrown@myescambia.com

5. Section 18. of the Agreement is hereby deleted in its entirety and replaced with the following:

INSURANCE:

A. Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

i. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department of Environmental Protection, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $200,000 each individual's claim and $300,000 each occurrence.

a. Workers' Compensation and Employer's Liability Coverage.
The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S., and employer's liability insurance with minimum limits of $100,000 per accident,
$100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Agreement.

b. Commercial Automobile Insurance.
If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department of Environmental Protection, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$300,000 Automobile Liability Combined Single Limit for Company- Owned Vehicles, if applicable
$300,000 Hired and Non-owned Automobile Liability Coverage

c. Other Insurance.
Additional insurance may be required by federal law, where applicable, if any work proceeds over or adjacent to water, including but not limited to Jones Act, Longshoreman's and Harbor Worker's, or the inclusion of any applicable rider to worker's compensation insurance, and any necessary watercraft insurance, with limits of not less than $300,000 each. Questions concerning required coverage should be directed to the U.S. Department of Labor (http://www.dol.gov/owcp/dlhwc/lscontac.htm) or to the parties' insurance carrier.

B. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described above. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.

C. Exceptions to Additional Insured Requirements. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured. Further, notwithstanding the requirements above, if Grantee is self-insured, then the Department of Environmental Protection, its employees, and officers do not need to be listed as additional insureds.

D. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.

E. Proof of Insurance. Upon execution of this Agreement, the Grantee shall provide the Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from the Department, the Grantee shall furnish the Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.

F. Failure to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, the Grantee shall immediately notify the Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) calendar days after the cancellation of coverage.

6. Section 20. of the Agreement is hereby deleted in its entirety and replaced with the following

EQUIPMENT:

The purchase of non-expendable personal property or equipment costing $1,000 or more purchased for purposes of this Agreement remains the property of the Grantee. Upon satisfactory completion of this Agreement, the Grantee may retain ownership or determine the disposition of the non-expendable personal property or equipment purchased under this Agreement. However, the Grantee shall complete and sign **Attachment F, Property Reporting Form**, and forward it along with the appropriate invoice(s) to the Department's Grant Manager. The following terms shall apply:

A. The Grantee shall have use of the non-expendable personal property or equipment for the authorized purposes of the contractual arrangement as long as the required work is being performed.

B. The Grantee is responsible for the implementation of adequate maintenance procedures to keep the non-expendable personal property or equipment in good operating condition.

C. The Grantee is responsible for any loss, damage, or theft of, and any loss, damage or injury caused by the use of, non-expendable personal property or equipment purchased with state funds and held in Grantee's possession for use in a contractual arrangement with the Department.

7. Section 32. is added to the Agreement as follows:

PROHIBITED GOVERNMENTAL ACTIONS FOR PUBLIC WORKS PROJECTS

Pursuant to Section 255.0992, F.S., state and political subdivisions that contract for public works projects are prohibited from imposing restrictive conditions on certain contractors, subcontractors, or material suppliers and prohibited from restricting qualified bidders from submitting bids.

A. "Political subdivision" means separate agency or unit of local government created or established by law or ordinance and the officers thereof. The term includes, but is not limited to, a county; a city, town, or other municipality; or a department, commission, authority, school district, taxing district, water management district, board, public corporation, institution of higher education, or other public agency or body thereof authorized to expend public funds for construction, maintenance, repair or improvement of public works.

B. "Public works project" means an activity of which fifty percent (50%) or more of the cost will be paid from state-appropriated funds that were appropriated at the time of the competitive solicitation and which consists of construction, maintenance, repair, renovation, remodeling or improvement of a building, road, street, sewer, storm drain, water system, site development, irrigation system, reclamation project, gas or electrical distribution system, gas or electrical substation, or other facility, project, or portion thereof that is owned in whole or in part by any political subdivision.

C. Except as required by federal or state law, the state or political subdivision that contracts for a public works project may not require that a contractor, subcontractor or material supplier or carrier engaged in such project:

i. Pay employees a predetermined amount of wages or prescribe any wage rate;

ii. Provide employees a specified type, amount, or rate of employee benefits;

iii. Control, limit, or expand staffing; or

iv. Recruit, train, or hire employees from designated, restricted, or single source.

D. For any competitive solicitation that meets the criteria of this section, the state or political subdivision that contracts for a public works project may not prohibit any contractor, subcontractor, or material supplier or carrier able to perform such work who is qualified, licensed, or certified as required by state law to perform such work from submitting a bid on the public works project, except for those vendors listed under Section 287.133 and Section 287.134, F.S.

E. Contracts executed under Chapter 337, F.S. are exempt from these prohibitions.

8. **Attachment A-1,** Revised Project Work Plan, is hereby deleted in its entirety and replaced with **Attachment A-2**, Revised Project Work Plan, attached hereto and made a part of the Agreement. All references in the Agreement to prior **Attachment A's**, shall hereinafter refer to **Attachment A-2**, Revised Project Work Plan.

9. **Attachment B**, Disbursement Request Package, is hereby deleted in its entirety and replaced with **Attachment B-1**, Payment Request Summary Form, attached hereto and made a part of the Agreement. All references in the Agreement to **Attachment B**, shall hereinafter refer to **Attachment B-1**, Payment Request Summary Form.

10. **Attachment E**, Special Audit Requirements, is hereby deleted in its entirety and replaced with **Attachment E-1**, Revised Special Audit Requirements, attached hereto and made a part of the Agreement. All references in the Agreement to **Attachment E**, shall hereinafter refer to **Attachment E-1**, Revised Special Audit Requirements.

DEPARTMENT OF ENVIRONMENTAL PROTECTION
REVISED GRANT WORK PLAN
DEP AGREEMENT NO. S0878

ATTACHMENT A-2

PROJECT TITLE: Escambia County Innerarity Water and Sewer Upgrade

PROJECT LOCATION: The Project will be located on Innerarity Island in Escambia County, Florida. Lat/Long 30.315489, -87.484840 See Figures 1 and 2 for a location map and site plan.

PROJECT BACKGROUND: The Innerarity Island Development Corporation (IIDC) provided water and wastewater service to the residents of Innerarity Island in southwestern Escambia County. IIDC purchased water from the Emerald Coast Utilities Authority (ECUA) and resold it to the residents.
Wastewater is currently collected in a gravity sewer system and conveyed via a system of lift stations and force mains to ECUA lift station No. 380. Wastewater is metered at the discharge of the lift station before leaving the island. The wastewater is metered and billed independently of the potable water.
Water and sewer services provided in the past by IIDC were subject to regulation by the Public Service Commission of the State of Florida.

On January 27, 2014, the IIDC formally filed a note of abandonment pursuant to Florida Statute 367.165(1), and on March 21, 2014 the First Judicial Circuit Court ordered Escambia County (Grantee) to become the receiver of this now abandoned water and wastewater utility system. However, not only is long term ownership and maintenance outside of the capabilities of the Grantee, the Grantee also has no statutory authority to own and operate a water and wastewater system due to the Enabling Act of the ECUA. An agreement in principal has been reached between ECUA and the Grantee regarding future ownership and maintenance of the IIDC's utilities, as well as options for financing mechanisms allowing ECUA to complete design and construction, as necessary, to bring the existing utility systems into compliance with current FDEP and ECUA standards.

The proposed project will facilitate the transfer of ownership and maintenance of the systems to ECUA. This transition is critical so that an entity with adequate resources can accept the long term requirements that come with utility ownership. This is a necessity for the residents served by this system.

PROJECT DESCRIPTION: The Grantee will evaluate the current water and wastewater system formerly owned by the IIDC and design the upgrades for the water and wastewater system infrastructure to meet the standards required by ECUA for a publicly owned and maintained water and wastewater utility system.

Water system improvements may consist of: a) relatively minor main relocations to remove encroachments of the water facilities from private properties or alternatively to relocations, easements could be secured with the assistance of the Innerarity Island Homeowners Association to negate the need for the relocations; b) installation of system isolation valves; c) fire hydrant additions; d) modification of dead end water lines to provide either flush valves or circulation loops; e) water service renewals to remove polybutylene tubing and replace meters with ECUA standard meters; and f) upgrade approximately 3,000 linear feet of existing 4-inch water main on North Shore Drive to 6-inch.

Sanitary sewer system improvements will consist primarily of the construction of a low pressure sewer system to replace all gravity collection on the island leaving only the relatively new gravity collection in the Russell Bayou development in service. The existing gravity sewer collection system was found to be

prone to excessively heavy infiltration/inflow and to have many line segments laid at insufficient slope. Full replacement of the gravity sewer system was eliminated from consideration due to excessive cost.

The Grantee does not anticipate that the funding under this agreement will result in a fully completed project, so this agreement will cover a portion of the work.

TASKS and DELIVERABLES:

Task 1: Design and Permitting
Task Description: The Grantee will procure professional engineering in accordance with state law. The Grantee will complete the evaluation and design of upgrades to the water and wasterwater system infrastructure and obtain all necessary permits for construction of the project. The Grantee will submit documentation of design and permitting activities, as described below.

Deliverable 1 : Design completed to date as described in this task, as evidenced by these deliverables: 1) Signed acceptance of the completed work by the Grantee, 2) Summary of design activities to date, indicating % of design completion representing time period covered in the payment request. 3) The final payment request for this task must be accompanied by an electronic copy of the final design and a list of all required permits identifying issue dates and issuing authorities. Upon request, the Grantee will provide paper copies of obtained permits or permit related correspondence or documentation and the final design document.

Performance Standard: The Department's Grant Manager will review all deliverables to verify that they meet the specifications in the Grant Work Plan and this task description.

Payment Request Schedule: Grantee may submit a payment request for cost reimbursement no more frequently than once per month. The outlined deliverables, as applicable, must have been submitted and accepted in writing by the Department's Grant Manager prior to payment request submittal.

Task 2: Construction
Task Description: The Grantee will construct water and wastewater improvements in accordance with the construction contract documents.

Deliverable 2: Construction completed to date as described in this task, as evidenced by these deliverables: 1) Dated color photographs of the construction site(s) prior to, during, and immediately following completion of the construction task, or of the portion of work completed when the funding supplied by this grant has been fully expended; 2) written verification that the Grantee has received record drawings and any required final inspection report(s) for the project (as applicable); 3) Contractor's Application and Certification for Payment, 4) signed acceptance of the completed work by the Grantee; and 5) signed statement from a Florida Licensed Professional Engineer indicating construction has been completed (as applicable) in accordance with the construction contract documents, or indicating that construction completed by the end of the funding has been completed in accordance with the construction contract documents.
Performance Standard: The Department's Grant Manager will review each submitted deliverable to verify that it meets the specifications in the Grant Work Plan and this task description and that work is being performed in accordance with the Grantee's construction contract documents.

Payment Request Schedule: Grantee may submit a payment request for cost reimbursement no more frequently than once per month. The outlined deliverables, as applicable, must have been submitted and accepted in writing by the Department's Grant Manager prior to payment request submittal.

Task 3: Administration, Operation, and Repair of Water and Wastewater Utility System
Task Description: The Grantee will subcontract the Administrative, Operational and Repair Services for the water and wastewater utility system.

Deliverables 3: 1) An electronic copy of the Grantee's interlocal agreement with the City of Gulf Breeze for the administration, operation and repairs of the water and wastewater system submitted to the Department's Grant Manager provided prior to submitting any invoices for the subcontracted work; and 2) interim progress reports, work summaries and field notes, as applicable, documenting administrative, operation and repair services provided.

Performance Standard: The Department's Grant Manager will review the deliverables to verify they meet the specifications in the Grant Work Plan and this task description. Upon review and written acceptance by the Department's Grant Manager of the interim deliverables under this task, the Grantee may proceed with payment request submittal. ·

Payment Request Schedule: Grantee may submit a payment request for cost reimbursement no more frequently than once per month. The deliverables must have been submitted and accepted in writing by the Department's Grant Manager prior to payment request submittal.

Task 4: Construction Engineering Inspection Services
Task Description: The Grantee will perform construction engineering inspection services. If the Grantee contracts these services, the Grantee will procure such services in accordance with state law.

Deliverables 4: 1)An electronic copy of the Grantee's executed contract(s) and scope of services for project management and/or engineering services submitted to the Department's Grant Manager provided prior to submitting any invoices for the subcontracted work. 2) engineering inspection reports associated with the inspection of the project.

Performance Standard: The Department's Grant Manager will review the deliverables to verify that they meet the specifications in the Grant Work Plan and this task description. Upon review and written acceptance by the Department's Grant Manager of the interim deliverables under this task, the Grantee may proceed with payment request submittal.

Payment Request Schedule: Grantee may submit a payment request for cost reimbursement no more frequently than once per month. The deliverables must have been submitted and accepted in writing by the Department's Grant Manager prior to payment request submittal.

Task 5: Equipment Purchase
Task Description: The Grantee will purchase the equipment for upgrading the current water and wastewater system infrastructure to meet the standards required by ECUA for a publically owned and maintained water and wastewater utility system. Water system equipment may include water meters, yoke boxes, fire hydrants, pipe main, isolation valves, flush valves and other incidental items. Sewer system equipment may include sewer main, gate valves, service connections, grinder pumps and other incidental items. The Grantee will not retain possession of the equipment at the end of the grant period.

Deliverables 5: Purchase of the equipment as evidenced by: Purchase order(s); vendor invoice(s) for delivery, installation and start up; proof of payment to vendor; Bills of Lading; and pictures of equipment purchased. Completed Property Reporting Form with invoice copy.

Performance Standard: The Department's Grant Manager will review the deliverables to ensure that they meet the specifications in the Grant Work Plan and this task description.

Payment Request Schedule: Grantee may submit a payment request for cost reimbursement upon completion of the purchases and Department approval of the associated task deliverables.

PROJECT TIMELINE & BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task end date.

GRANTEE CERTIFICATION

Complete Grantee’s Certification of Payment Request on Page 2 to certify that the amount being requested for reimbursement above was for items that were charged to and utilized only for the above cited grant activities.

Grantee's Certification of Payment Request

I, _____, on behalf of
(Print name of Grantee's Grant Manager designated in the Agreement)

_____, do hereby certify for
(Print name of Grantee)

DEP Agreement No. _____ and Payment Request No. _____ that:

☑ The disbursement amount requested is for allowable costs for the project described in Attachment A of the Agreement.

☑ All costs included in the amount requested have been satisfactorily purchased, performed, received, and applied toward completing the project; such costs are documented by invoices or other appropriate documentation as required in the Agreement.

☑ The Grantee has paid such costs under the terms and provisions of contracts relating directly to the project; and the Grantee is not in

Check all that apply:

☐ All permits and approvals required for the construction, which is underway, have been obtained.

☐ Construction up to the point of this disbursement is in compliance with the construction plans and permits.

☐ The Grantee's Grant Manager relied on certifications from the following professionals that provided services for this project during the time period covered by this Certification of Payment Request, and such certifications are included:

INSTRUCTIONS FOR COMPLETING
PAYMENT REQUEST SUMMARY FORM

DEP AGREEMENT NO.: This is the number on your grant agreement.
AGREEMENT EFFECTIVE DATES: Enter agreement execution date through end date.
GRANTEE: Enter the name of the grantee's agency.
MAILING ADDRESS: Enter the address that you want the state warrant sent.
GRANTEE'S GRANT MANAGER: This should be the person identified as grant manager in the grant Agreement.
PERFORMANCE PERIOD: This is the beginning and ending date of the performance period for the task/deliverable that the request is for (this must be within the timeline shown for the task/deliverable in the Agreement).
TASK/DELIVERABLE NO.: This is the number of the task/deliverable that you are requesting payment for and/or claiming match for (must agree with the current Grant Work Plan).
TASK/DELIVERABLE AMOUNT REQUESTED: This should match the amount on the "*TOTAL TASK/DELIVERABLE BUDGET AMOUNT"* line for the "*AMOUNT OF THIS REQUEST"* column.

GRANT EXPENDITURES SUMMARY SECTION:

"AMOUNT OF THIS REQUEST" COLUMN: Enter by authorized category of expenditure the amount for which you are requesting reimbursement for this task. This must agree with the currently approved budget in the current Grant Work Plan of your grant Agreement. Do not claim expenses in a budget category that does not have an approved budget. Do not claim items that are not specifically identified in the current Grant Work Plan. Enter the column total on the "*TOTAL AMOUNT"* line. Enter the amount of all Tasks on the "*TOTAL BUDGET (ALL TASKS)"* line. Enter the total cumulative amount of this request **and** all previous payments on the "*LESS TOTAL CUMULATIVE PAYMENT REQUESTS OF"* line. Deduct the "*LESS TOTAL CUMULATIVE PAYMENT REQUESTS OF"* from the "*TOTAL BUDGET (ALL*

"PREVIOUS PAYMENT REQUESTS" COLUMN: Enter the total cumulative amount that has been paid in previous requests. Do not include the current reqeusted amount in this total. **Do not enter anything in the shaded areas.**

"TOTAL CUMULATIVE PAYMENT REQUESTS" COLUMN: Enter the cumulative amounts that have been requested to date for reimbursement by budget category. The final request should show the total of all requests; first through the final request (this amount cannot exceed the approved budget amount for that budget category for the Task(s) you are reporting on). Enter the column total on the "*TOTAL PAYMENT REQUEST"* line. **Do not enter anything in the shaded areas.**

"MATCHING FUNDS" COLUMN: Enter the amount to be claimed as match for the performance period for the Task(s) you are reporting on. This needs to be shown under specific budget categories according to the currently approved Grant Work Plan. Enter the total on the "*TOTAL AMOUNT"* line for this column. Enter the match budget amount on the "*TOTAL BUDGET (ALL TASKS)"* line for this column. Enter the total cumulative amount of this and any previous match claimed on the "*LESS TOTAL CUMULATIVE PAYMENTS OF"* line for this column. Deduct the "*LESS TOTAL CUMULATIVE PAYMENTS OF"* from the "*TOTAL BUDGET (ALL TASKS)"* for the amount to enter on

"TOTAL CUMULATIVE MATCHING FUNDS" COLUMN: Enter the cumulative amounts you have claimed to date for match by budget category. Put the total of all on the line titled "*TOTAL PAYMENT REQUEST*." The final request should show the total of all claims, first claim through the final claim, etc. **Do not enter anything in the shaded areas.**

GRANTEE'S CERTIFICATION: Check all boxes that apply. Identify any licensed professional service providers that certified work or services completed during the period included in the request for payment. **Must be signed by both the Grantee's Grant Manager as identified in the grant agreement and the Grantee's Fiscal Agent.**

Documentation for match claims must meet the same requirements as those expenditures for reimbursement.

Instructions for Completing Request for Payment - Part II

Include the Grantee Name, Payment Request No., and DEP Agreement Number. List vendor invoices that are associated with the Project by Task/Deliverable.

1 **Invoice Amount:** Amount of Invoice being submitted for reimbursement.

2 **Local Share or Other Funding or Amount Not Requested**: Portion of invoice paid for by Grantee.

Requested Amount: Subtract Grantee's Local Share or Other Funding or Amount Not Requested **(2)** from Invoice
3 Amount **(1)**.

Deliverable Number: Must identify completed deliverable(s) for each invoice. If invoice covers multiple deliverables, that invoice would be listed multiple times, a line item for each deliverable with any portion not
4 applicable to that Task/Deliverable identified under (**2**).

Submittal Instructions

Instructions for E-mailing:

The program now accepts reimbursement requests electronically, please E-mail to SRF. When scanning please be sure that the minimum scan resolution must be 300 DPI (dots per inch). When reimbursement requests are sent electronically, please **do not** also send a hard copy by postal mail.

Remit Payment Request by E-mail to: SRF_Reporting@dep.state.fl.us

Be sure the E-mail payment request includes the following:

Cc: Department's Grant/Project Manager

Subject: Project Number_Disbursement Number: example – LP14025_Disb_1

Attachments:

1) Exhibit D Payment Request Summary
2) Request for Payment Part II Reimbursement Detail
3) Copies of invoices
4) Other supporting documentation, as needed

For questions or concerns regarding these forms or if you would like the payment request forms listed above in electronic format please contact:

ATTACHMENT E-1

SPECIAL AUDIT REQUIREMENTS

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the contract/agreement*) to the recipient *(which may be referred to as the "Contractor", Grantee" or other name in the contract/agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the recipient expends $500,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Environmental Protection. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.

2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.

3. If the recipient expends less than $500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than $500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at **http://12.46.245.173/cfda/cfda.html.**

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2)(m), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $500,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Attachment indicates state financial assistance awarded through the Department of Environmental Protection by this Agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $500,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/ and the Auditor General's Website at http://www.state.fl.us/audgen.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with OMB Circular A-133, as revised, and required by PART I of this Attachment shall be submitted, when required by Section .320 (d), OMB Circular A-133, as revised, by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of the Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Federal Audit Clearinghouse designated in OMB Circular A-133, as revised (the number of copies required by Sections .320 (d)(1) and (2), OMB Circular A-133, as revised, should be submitted to the Federal Audit Clearinghouse), at the following address:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at http://harvester.census.gov/fac/

C. Other Federal agencies and pass-through entities in accordance with Sections .320 (e) and (f), OMB Circular A-133, as revised.

2. Pursuant to Section .320(f), OMB Circular A-133, as revised, the recipient shall submit a copy of the reporting package described in Section .320(c), OMB Circular A-133, as revised, and any management letters issued by the auditor, to the Department of Environmental Protection at one the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of the Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

3. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of the Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Auditor General's Office at the following address:

State of Florida Auditor General
Room 401, Claude Pepper Building
111 West Madison Street
Tallahassee, Florida 32399-1450

4. Copies of reports or management letters required by PART III of this Attachment shall be submitted by or on behalf of the recipient directly to the Department of Environmental Protection at one of the following addresses:

By Mail:

Audit Director
Florida Department of Environmental Protection
Office of the Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

5. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with OMB Circular A-133, Florida Statutes, or Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

6. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with OMB Circular A-133, or Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the recipient in correspondence accompanying the reporting package.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of **5** years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of **3** years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.

ORDINANCE 2017-10

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA CREATING CHAPTER 70, ARTICLE VIII, DIVISION 3, SECTIONS 70-824 THROUGH 70-831 CREATING THE INNERARITY ISLAND DEVELOPMENT CORPORATION SEWAGE SYSTEM IMPROVEMENTS MUNICIPAL SERVICE BENEFIT UNIT FOR THE PURPOSE OF PROVIDING SEWAGE SYSTEM IMPROVEMENTS WITHIN THE DISTRICT; DEFINING THE BOUNDARIES OF SAID DISTRICT; PROVIDING FOR THE GOVERNANCE OF SAID DISTRICT BY THE BOARD OF COUNTY COMMISSIONERS; PROVIDING FOR LEGISLATIVE FINDINGS; AUTHORIZING THE LEVY OF A NON-AD VALOREM SPECIAL ASSESSMENT TO DEFRAY THE COSTS OF SEWAGE SYSTEM IMPROVEMENTS WITHIN THE DISTRICT BASED ON A FAIR AND REASONABLE APPORTIONMENT OF THE COST TO SPECIALLY BENEFITTED PROPERTIES; PROVIDING FOR THE USE OF THE UNIFORM METHOD OF COLLECTION PRESCRIBED BY §197.3632, FLORIDA STATUTES; IDENTIFYING THE DUTIES OF THE ESCAMBIA COUNTY CLERK OF THE CIRCUIT COURT, TAX COLLECTOR, AND PROPERTY APPRAISER; PROVIDING FOR AN APPEAL PROCESS; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE OF ORDINANCES OF ESCAMBIA COUNTY; AND PROVIDING FOR AN EFFECTIVE DATE.

Date: 3-3-2017 Verified By: K. McLeod

WHEREAS, the Board of County Commissioners of Escambia County, Florida has the authority to establish a Municipal Service Benefit Unit ("MSBU") pursuant to Chapter 125, Florida Statutes; and

WHEREAS, by Resolution **R2016-155**, the Board of County Commissioners reaffirmed its intent to use the uniform method of collection of non-ad valorem special assessments levied for such services; and

WHEREAS, the Board of County Commissioners has adopted administrative procedures for the establishment of such a MSBU; and

WHEREAS, due to public safety concerns, the Board of County Commissioners waived the Application and Petition requirements specified in the *Escambia County Municipal Services Benefits Units Guidelines and Procedures*; and

WHEREAS, the proposed MSBU has otherwise met the criteria established by the Board of County Commissioners for a MSBU; and

WHEREAS, following completion of said improvements funded by the proposed MSBU, the lot owners shall assume responsibility for the improvements in this district.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY:

Section 1: The foregoing recitals are true and correct and incorporated herein by reference.

Section 2. Part I, Chapter 70, Article VIII, Division 3, Sections 70-824 through 70-831 of the Escambia County Code of Ordinances are hereby created to read as follows:

Division 3. –INNERARITY ISLAND DEVELOPMENT CORPORATION

Sec. 70-824. AUTHORITY; PURPOSE; SCOPE. This Ordinance is enacted under the authority of Article VIII, Section 1 (f) of the Constitution of the State of Florida and Chapter 125, Florida Statutes, for the purpose of providing a sewage system improvement district in certain unincorporated areas in Escambia County, Florida as described herein, not lying within the corporate boundaries of any municipality.

Sec. 70-825. SHORT TITLE. This Ordinance shall be known and referred to as the "Innerarity Island Development Corporation Sewage System Improvement Municipal Service Benefit Unit Ordinance."

Sec. 70-826. DEFINITIONS. When used in this Ordinance, the following terms shall be defined to mean:

(A) *Annual Installment* shall mean one tenth (1/10) of the total Costs of the improvements, a four percent (4%) interest charge on the remaining costs and accrued interest compounded annually, plus any statutory administrative fees payable to the Escambia County Tax Collector and the Escambia County Property Appraiser.

(B) *Board* shall mean the Board of County Commissioners of Escambia County, Florida.

(C) *Costs* shall mean the total cost of engineering and construction associated with the sewage system improvements contained in the District. The costs for improvements may include, but are not limited to, the costs of design, permitting, surveys, engineering services, construction, labor, materials, plans and specifications, as well as administrative fees and the Escambia County Tax Collector's collection fee.

(D) *County or Escambia County* shall mean all those geographical territories of Escambia County, a political subdivision of the State of Florida, which territories are not now within the corporate limits of any municipality.

(E) *District* shall mean that geographical area of the *Innerarity Island Development Corporation Sewage System Improvement MSBU* as described in **Exhibit A**, attached hereto and incorporated by reference herein.

(F) *Fiscal Year* shall mean the period of time between October 1st and September 30th.

(G) *Improvements* shall mean all sewage system improvements presently located or to be located within or added to the District.

(H) *Lot* shall mean a developed or vacant parcel identified with a unique property identification number by the Escambia County Property Appraiser.

(I) *Person* shall mean individuals, children, firms, associations, ventures, partnerships, estates, trusts, business trusts, syndicates, fiduciaries, corporations, and all other groups and legal entities or combinations thereof.

Sec. 70-827. DISTRICT CREATED. There is hereby created in Escambia County, Florida the *Innerarity Island Development Corporation Sewage System Improvement Municipal Service Benefit Unit* for the purpose of providing sewage system improvements within the District. The aforementioned District shall include all Lots which benefit from the improvements, including those Lots listed in **Exhibit A**, excluding any holding ponds, wetland/drainage easements, designated wetlands, or buffer zones.

Sec. 70-828. GOVERNANCE OF THE DISTRICT. The District shall be governed by the Board. The Board shall have the following powers and duties:

(A) To authorize and provide for the collection of non-ad valorem special assessments to defray the Costs associated with the sewage system improvements within the District.

(B) To provide for or contract for the improvements within the District.

(C) To buy, lease, or rent any and all real or personal property necessary to implement this Ordinance.

(D) To fairly and reasonably apportion the Costs of the improvements among all specially benefited Lots.

(E) To prepare and adopt an annual budget for the District.

(F) To make legislative findings related to the special benefits provided to Lots located in the District.

(G) To otherwise act or satisfy its duties and responsibilities under this Ordinance.

(H) To adopt by resolution, rules and regulations regarding fiscal management of the District.

Sec. 70-829. LEGISLATIVE FINDINGS.

(A) Due to public safety concerns, the Board waived the Application and Petition requirements specified in the *Escambia County Municipal Services Benefits Units Guidelines and Procedures.* The proposed Innerarity Island Development Corporation Sewage System Improvement MSBU has otherwise met the criteria established by the Board in the *Escambia County Municipal Services Benefits Units Guidelines and Procedures.*

(B) Lots in the District are specially benefited since sewage system improvements increase the market value of an individual Lot and increase the ability of Lot owners to develop their land.

(C) The non-ad valorem special assessments levied will represent a fair and reasonable apportionment of the Costs of the special benefit received by each Lot and do not represent the cost of general governmental services provided to residents in the unincorporated areas of Escambia County.

(D) Through its creation of the District, the Board has not accepted ownership of any roads, streets, easements, or lots located within the District other than those expressly accepted or acquired through vote of the Board, and the Board shall not maintain such properties during or subsequent to the completion of any improvements in the District.

Sec. 70-830. NON-AD VALOREM SPECIAL ASSESSMENT COLLECTION.

(A) The Board shall authorize the levy of a non-ad valorem special assessment for sewage system improvements on Lots located within the District the first year following completion of the improvements. This non-ad valorem special assessment for sewage system improvements shall be levied following the preparation and adoption of a budget by the Board as provided by law each Fiscal Year.

(B) The Board may, by proper resolution, establish rules and regulations related to the fiscal management of the District.

(C) All special non-ad valorem special assessments shall be levied and collected by the uniform method of collection as adopted by the Board pursuant to §197.3632, Florida Statutes. All non-ad valorem special assessments shall become a lien upon the land so assessed, prior in dignity to all other liens and assessments against said lands, save and except county taxes, and those liens and encumbrances of record prior to and on the effective date of this Ordinance, until said non-ad valorem special assessments are paid.

(C) The Tax Collector of Escambia County shall be entitled to receive a commission for the collection of non-ad valorem special assessments as provided in §197.3632 (2), Florida Statutes.

(D) The amount of non-ad valorem special assessment to be assessed and levied against each Lot within the District shall be determined by resolution of the Board based on the special benefit received by each Lot within the District. The non-ad valorem special assessment for sewage system improvements shall be fairly and reasonably apportioned among the benefited Lots at the time of completion of the improvements.

(E) Said non-ad valorem special assessment may be paid in one lump sum payment or may be amortized over a ten (10) year period at four percent (4%) interest compounded annually, plus any applicable statutory administrative fees payable to the Escambia County Tax Collector and the Escambia County Property Appraiser. No discount shall be applied to early payment of the total outstanding non-ad valorem special assessment due. Lot owners may prepay any outstanding non-ad valorem special assessment in whole or in part without penalty. Any partial prepayment received shall be applied to the outstanding non-ad valorem special assessment balance and shall not postpone the date of any subsequent payment due or waive any future applicable interest or statutory administrative fees payable to the Escambia County Tax Collector or the Escambia County Property Appraiser.

(F) A certified copy of this Ordinance shall be recorded in the public records of Escambia County after filing with the Secretary of State.

Sec. 70-831. APPEAL PROCESS.

(A) Any Lot owner may contest the amount of non-ad valorem special assessment levied upon Lots located in the District or any of the annual installments paid on the outstanding non-ad valorem special assessment by notifying the County Administrator or designee in writing that the owner's Lot has been erroneously assessed within thirty (30) days of receiving the non-ad valorem special assessment or any of the notices for payment of the annual installment.

(B) The County Administrator or designee shall review the request and determine within a reasonable time based on the circumstances whether an error of the owner's Lot exists based on the information provided by the Lot owner, the information provided by the records of the Escambia County Property Appraiser's Office, and any other records or information made available to the Board. The County Administrator or designee shall be authorized to correct facial errors based on these information sources. The County Administrator or designee shall also be authorized to make any necessary adjustment to the amount of the Lot owner's non-ad valorem special assessment due or any of the annual installments as a result of the error, with notice to the Board.

(C) In the event the County Administrator or designee finds the Lot owner has been erroneously assessed, the County Administrator or designee shall correct such errors on the non-ad valorem special assessment roll and shall make any necessary

adjustment to the amount of the owner's non-ad valorem special assessment due or any annual installment owing as a result of the identified error, with notice to the Board.

(D) In the event the County Administrator or designee finds the Lot owner has been correctly assessed, the County Administrator or designee shall notify the Lot owner and advise the Lot owner of his or her right to petition for review of the alleged assessment error by the Board within thirty (30) days. The Petition for Assessment Review shall state the Lot owner's name, a description of the real property, and the facts underlying the Lot owner's petition. The burden shall be on the Lot owner to demonstrate by competent and substantial evidence to the Board that the Lot has been erroneously assessed on the non-ad valorem special assessment roll or that the annual installment has been erroneously calculated.

(E) At the next available meeting, the Board shall either: 1) direct the County Administrator or designee to adjust the non-ad valorem special assessment due or the annual installment; or 2) advise the Lot owner the Board finds no error in the assessment of the owner's Lot and the Lot owner may appeal the Board's decision to the circuit court within thirty (30) days.

(F) The Board may at its discretion create an independent board to review any Petition for Assessment Review filed. In addition, the Board is authorized to establish by resolution and collect at the time a petition is filed an administrative fee for processing of the petition. The Board may also, by resolution, identify circumstances in which a refund of the administrative fee for processing the appeal is available.

Section 3. SEVERABILITY. If any section, paragraph, sentence or clause of this Ordinance or the application thereof to any person or circumstance is held void, invalid, unlawful or unconstitutional by a court of competent jurisdiction, it is the intent of the Board that such section, invalidity, paragraph, sentence or clause shall be deemed a separate, distinct, independent and severable and shall not otherwise affect application of this Ordinance which can be given effect without the invalid provision or application.

Section 4. INCLUSION IN THE CODE. It is the intent of the Board that the provisions of this Ordinance shall become and be made part of the Escambia County Code and the word "Ordinance" may be changed to section, article, or other appropriate word or phrase and the sections of this Ordinance may be renumbered to accomplish such intention.

Section 5. EFFECTIVE DATE. This Ordinance shall take effect upon receipt of official acknowledgment of the Clerk of the Board of County Commissioners from the Department of State that this Ordinance has been filed with the Department of State.

DONE AND ENACTED THIS 2nd **DAY OF** March, **2017.**

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-11794 **Public Hearings 11.**

BCC Regular Meeting

Meeting Date: 03/02/2017

Issue: 5:32 p.m. Public Hearing to consider an Ordinance creating the Innerarity Island Development Corporation Sewage System Improvements MSBU

From: Kristin Hual, Assistant County Attorney

Organization: County Attorney's Office

CAO Approval:

RECOMMENDATION:

5:32 p.m. Public Hearing to consider adopting an Ordinance creating the Innerarity Island Development Corporation Sewage System Improvements Municipal Service Benefit Unit (MSBU).

Recommendation: That the Board take the following action concerning the Innerarity Island Development Corporation Sewage System Improvements Municipal Service Benefit Unit:

A. Adopt an Ordinance creating Volume I, Chapter 70, Article VIII, Division 3, Sections 70-824 through 70-831, of the Escambia County Code of Ordinances, establishing the Innerarity Island Development Corporation Sewage System Improvements Municipal Service Benefit Unit and all related documents; and

B. Make the following findings of fact:

1. Due to public safety concerns, the Board of County Commissioners waived the Application and Petition requirements specified in the Escambia County Municipal Services Benefits Units Guidelines and Procedures. The proposed Municipal Service Benefit Unit has otherwise met the criteria established by the Board of County Commissioners in the Escambia County Municipal Services Benefits Units Guidelines and Procedures for a municipal service benefit unit;

2. Lots in the District are specially benefited since sewage system improvements increase the market value of an individual Lot, and increase the ability of Lot owners to develop their land;

3. The non-ad valorem special assessments levied will represent a fair and reasonable apportionment of the Cost of the special benefit received by each Lot and do not

represent the cost of general governmental service provided to residents in the unincorporated areas of Escambia County; and

4. Through its creation of the District, the Board of County Commissioners has not accepted ownership of any roads, streets, easements, or lots located within the District other than those expressly accepted or acquired through vote of the Board of County Commissioners, and the Board of County Commissioners shall not maintain such properties during or subsequent to installation of any drainage improvements in the District.

BACKGROUND:

The proposed Ordinance will create the Innerarity Island Development Corporation Sewage System Improvements Municipal Service Benefit Unit for the purpose of providing sewage system improvements within the District.

BUDGETARY IMPACT:

The proposed MSBU assessment will defray the cost of sewage system improvements within the District based upon a fair and reasonable apportionment of the cost to all specially benefitted properties. The assessment may be paid in a single lump sum or may be amortized over a ten (10) year period at four percent (4%) interest compounded annually plus any applicable statutory administrative fees payable to the Tax Collector and Property Appraiser.

LEGAL CONSIDERATIONS/SIGN-OFF:

The proposed Ordinance was drafted by Assistant County Attorney, Kristin D. Hual, and advertised in the *Pensacola News Journal* on Saturday, February 18, 2017.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-13514 **Public Hearings 10.**

BCC Regular Meeting

Meeting Date: 02/01/2018

Issue: 5:32 p.m. Public Hearing to Consider an Ordinance Amending Sec. 70-827, Exhibit A, Relating to the IIDC Sewage System Improvements MSBU

From: Kristin Hual, Senior Assistant County Attorney

Organization: County Attorney's Office

CAO Approval:

RECOMMENDATION:

5:32 p.m. Public Hearing to consider an Ordinance amending Volume I, Chapter 70, Article VIII, Division 3, Section 70-827, Exhibit A, of the Escambia County Code of Ordinances, relating to the Innerarity Island Development Corporation Sewage System Improvements Municipal Service Benefit Unit Ordinance to revise the boundaries of the district.

Recommendation: That the Board adopt an Ordinance amending Volume I, Chapter 70, Article VIII, Division 3, Section 70-827, Exhibit A, of the Escambia County Code of Ordinances, relating to the Innerarity Island Development Corporation Sewage System Improvements Municipal Service Benefit Unit Ordinance to revise the boundaries of the district.

BACKGROUND:

On March 2, 2017, the Board of County Commissioners previously enacted an Ordinance establishing the Innerarity Island Development Corporation (IIDC) Sewage System Improvements Municipal Service Benefit Unit (MSBU). The boundaries of the district were defined in the Ordinance to include a total of 601 lots. It was later discovered that 109 lots, referred to as the "Innerarity Townhomes" development, are serviced by a private lift station and would not benefit from the proposed sewage system improvements. The proposed Ordinance will reduce the geographical area of the MSBU to include a total of 492 lots and exclude those lots that would not benefit from the improvements funded by the proposed MSBU.

BUDGETARY IMPACT:

The MSBU assessment will defray the cost of sewage system improvements within the District based upon a fair and reasonable apportionment of the cost to all specially benefitted properties. The assessment may be paid in a single lump sum or may be amortized over a ten (10) year period at four percent (4%) interest compounded annually plus any applicable statutory administrative fees payable to the Tax Collector and Property Appraiser.

LEGAL CONSIDERATIONS/SIGN-OFF:

The proposed Ordinance was drafted by Senior Assistant County Attorney, Kristin D. Hual, and was advertised in the *Pensacola News Journal* on Saturday, January 20, 2018.

ORDINANCE 2018- 3

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA AMENDING VOLUME 1, CHAPTER 70, ARTICLE VIII, DIVISION 3, SECTION 70-827, EXHIBIT A OF THE ESCAMBIA COUNTY CODE OF ORDINANCES RELATING TO THE INNERARITY ISLAND DEVELOPMENT CORPORATION SEWAGE SYSTEM IMPROVEMENTS MUNICIPAL SERVICE BENEFIT UNIT ORDINANCE; REVISING THE BOUNDARIES OF SAID DISTRICT; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE OF ORDINANCES OF ESCAMBIA COUNTY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to the authority granted in §125.01, Florida Statutes, the Board of County Commissioners of Escambia County, Florida previously enacted an ordinance establishing the Innerarity Island Development Corporation Sewage System Improvement Municipal Service Benefit Unit ("MSBU"); and

WHEREAS, the Board of County Commissioners finds that Sec. 70-827, Exhibit A of the Escambia County Code of Ordinances defining the boundaries of said District requires amendment to exclude certain lots that would not benefit from the improvements funded by the proposed MSBU; and

WHEREAS, the Board of County Commissioners further finds that the proposed amendment to Sec. 70-827, Exhibit A serves an important public purpose.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY:

Section 1. RECITALS. The foregoing recitals are true and correct and incorporated herein by reference.

Section 2. AMENDMENT. Volume I, Chapter 70, Article VIII, Division 3, Section 70-827, Exhibit A of the Escambia County Code of Ordinances is hereby amended to reflect that the District shall include all Lots which benefit from the improvements, excluding any holding ponds, wetland/drainage easements, designated wetlands, or buffer zones, including those Lots listed in the revised **Exhibit A**, attached hereto and incorporated herein.

Section 3. SEVERABILITY. If any section, paragraph, sentence or clause of this Ordinance or the application thereof to any person or circumstance is held void, invalid, unlawful or unconstitutional by a court of competent jurisdiction, it is the intent of the Board that such section, invalidity, paragraph, sentence or clause shall be deemed a separate, distinct, independent and severable and shall not otherwise affect application of this Ordinance which can be given effect without the invalid provision or application.

Section 4. INCLUSION IN THE CODE. It is the intent of the Board that the provisions of this Ordinance shall become and be made part of the Escambia County Code and the word "Ordinance" may be changed to section, article, or other appropriate word or phrase and the sections of this Ordinance may be renumbered to accomplish such intention.

Section 5. **EFFECTIVE DATE**. This Ordinance shall take effect upon receipt of official acknowledgment of the Clerk of the Board of County Commissioners from the Department of State that this Ordinance has been filed with the Department of State.

DONE AND ENACTED THIS 1st **DAY OF** February, **2018.**

BOARD OF COUNTY COMMISSIONERS
ESCAMBIA COUNTY, FLORIDA

ATTEST: Pam Childers
Clerk to the Circuit Court

Jeff Bergosh, Chairman

Deputy Clerk

(Seal)

Approved as to form and legal sufficiency.

By/Title:

Enacted: February 1, 2018
Filed with Department of State: February 6, 2018
Effective: February 6, 2018

Date Executed
2/6/2018

IN THE CIRCUIT COURT OF
THE FIRST JUDICIAL CIRCUIT
IN AND FOR ESCAMBIA COUNTY, FLORIDA

ESCAMBIA COUNTY, FLORIDA, a political subdivision of the State of Florida,

Petitioner,

v.

INNERARITY ISLAND DEVELOPMENT CORPORATION, a Florida corporation,

Respondent.
_____/

Case No. 2014 CA 000237

ORDER APPOINTING RECEIVER

THIS MATTER having come before the Court on March 21, 2014 upon the Petition of Escambia County to appoint a Receiver pursuant to a Notice of Abandonment and the Court having heard argument of counsel and being fully advised in the premises, hereby finds:

1. Respondent owns and operates a water and wastewater utility and associated real and personal property constituting a system (hereinafter "System") within the jurisdictional boundaries of Escambia County, Florida. Respondent is a utility as defined by § 367.021(12), Fla. Stat. and owns and operates a system as defined by § 367.021(11), Fla. Stat.

2. Respondent purchases water and wastewater services from Emerald Coast Utilities Authority which is then resold and billed to the customers of System.

3. On or about January 27, 2014, Respondent formally filed a Notice of Abandonment pursuant to § 367.165(1), Fla. Stat. and Escambia County subsequently filed its Petition to Appoint a Receiver (the "Petition") to take possession of and operate

Respondent's System and utility.

ACCORDINGLY, IT IS HEREBY ORDERED AND ADJUDGED:

A. The County's Petition is hereby granted.

B. Appointment of Receiver and Term. Escambia County is hereby appointed as the Receiver for Respondent's System. The term of this receivership shall begin on a date mutually agreeable to the Receiver and Respondent, but no later than March 28, 2014. It shall terminate when the Receiver disposes of the real and personal property of Respondent as provided in § 367.165(2), Fla. Stat., in a manner designed to continue the efficient and effective operation of utility service. In light of Respondent's abandonment of the System, Respondent is not, nor will be, entitled to any benefits or proceeds, specifically including any proceeds from disposition of property or distribution of monies, that result from, or which are associated with, the disposal of all, or a part of, the System by the Receiver. Upon termination of the receivership as provided, the Receiver shall be released from all further obligations to operate and maintain the System.

C. Surrender of Property, Assets, Documents, and Facilities. All real and personal property, assets, documents, and facilities comprising and necessary to the System shall be transferred to the custody and possession of Receiver after entry of this Order. In this respect, Respondent shall: (1) transfer to and produce to the Receiver all customer account records, contracts, agreements, non-privileged correspondence, business records, easements, construction drawings, record drawings, O&M manuals, permits, operating protocol, and any other documents related to the System, to include the real and personal property, assets and liabilities associated therewith in order that the Receiver may then operate and maintain said System, and (2) surrender possession of all

real and personal property comprising the System and owned by Respondent to the custody of Receiver. Upon entry of this Order, Respondent shall transfer and produce all bank accounts, bank account records, customer deposits, cash, and accounts receivable balances to the custody of Receiver, which relate to the subject abandoned property and System. However, the Receiver shall maintain all documents in accordance with its record retention policy and subject to all applicable federal, state or local laws. At Respondent's cost and expense, Respondent may retain, or make arrangements for the duplication of records in the possession of the Receiver to be disposed of. To the extent that the System is sold or otherwise disposed of, the Receiver shall include a provision in the instrument effectuating the transfer for the maintenance of records as provided herein.

D. Receiver's Powers. Once the documents maintained and possessed by Respondent together with the real and personal property owned by Respondent are surrendered and transferred to the custody and possession of Receiver in accordance with Paragraph C above, the Receiver shall send written notice of receipt thereof to this Court and shall continue the lawful operation and maintenance of the utility service to the customers of Respondent. In order to discharge its responsibilities under this Order and by statute, the Receiver shall have the following powers and authority:

(1) To provide and maintain water and wastewater utility service within the designated service area, in compliance with all applicable permits, regulations, local laws, and statutes;

(2) To make extensions, expansions, repairs, replacements, and improvements to the System as appropriate and necessary;

(3) To collect rates, fees and charges, and deposits for all utility service

provided by the System in accordance with all applicable state and local laws;

(4) To increase rates charged to customers served by the System or to impose special assessments in accordance with law upon real property owners benefitted by the System to pay for costs of operation, maintenance and upgrade of the System;

(5) To borrow money and to pledge or encumber the facilities, assets and revenues of the System for the repayment thereof;

(6) To enter into contracts or agreements with any other public agency or private entity providing for or relating to the operation and maintenance of the System or the connection of the customers to any other public or private water and wastewater utility;

(7) To accept any gifts, grants, or contributions in kind in connection with the management, operation, and maintenance of the System;

(8) To retain and pay the fees, costs, and salaries of accountants, architects, engineers, attorneys, employees, or other professional consultants as necessary or desirable in the management, operation, or maintenance of the System and to ensure compliance with all provisions of this Order for the rates, fees and charges authorized under this paragraph;

(9) To pay from the revenues collected from the customers of the System, all necessary and reasonable operating expenses (including the costs and expenses contemplated in this paragraph) in a manner designed to continue the efficient and effective operation of said System. Furthermore, Receiver may expend such reasonable amounts as prudent, necessary, and advisable, in the professional judgment of Receiver, in order to effectuate the efficient and effective operation of the System.

(10) To sue or be sued, to implead or to be impleaded, to complain and defend in any court, and to seek all legal or equitable relief in accordance with applicable state law;

(11) To apply for and obtain any applicable federal, state, and local governmental permits, certificates, licenses, or other approvals in order to operate and maintain the System;

(12) To perform generally any other lawful acts necessary or desirable to carry out the express powers and authority granted and imposed herein.

(13) To seek further instructions and/or guidance from this Court concerning the operation and maintenance of the System during any part of the time frame that the receivership exists.

E. Continuing Jurisdiction. This Court shall retain jurisdiction in this cause to enter such further orders or take any action as it deems appropriate. Nothing in this Order is intended to determine what entity or person may be ultimately and permanently responsible for the operation and maintenance of the System, except as provided in Paragraph B, above. As Receiver did not operate or own a water and wastewater utility or system prior to entry of this Order, it is contemplated that Receiver will be endeavoring to dispose of the System in compliance with statute and in furtherance of its police power. Further, Respondent contends that certain parcels of real property are not part of the System and are not necessary for its effective and efficient operation. Receiver contends that the statutory definition of System set forth in § 367.021(11) provides that real property used or useful in providing service would encompass all real property owned by Respondent. In the event that Receiver and Respondent are not able to reach an

agreement concerning the extent of real property owned by Respondent which should be ultimately disposed of as part of Receiver's obligation under § 367.165(2), Fla. Stat., then the Court retains jurisdiction to make a determination as to the extent of real property either necessary or useful for the efficient and effective operation of the System.

F. Immunity from Liability and Violations. As consideration for Receiver assuming the responsibility for the continued operation and maintenance of the System, the Receiver and its agents and employees are hereby declared to be held harmless and not legally responsible for any or all claims, liability, demands, damages, expenses, fees, fines, penalties, suits, proceedings, actions and fees, including attorneys' fees, that have arisen or may arise out of (or be the result of) the past design, construction, operation, and maintenance of the System. This immunity shall include, but is not limited to: immunity from injury to persons, damage to property or property rights, or violation of any governmental law, rule, regulation or requirement that may arise from the design, construction, operation, or maintenance of the System occurring prior to the effective date of abandonment of March 28, 2014, or during the period of receivership, if such injury, damage or violation is the direct result of design, construction, operation or maintenance of the System occurring prior to the effective date of abandonment of March 28, 2014.

G. Respondent's Liability. Respondent shall remain liable under all applicable laws for any claims, violations, demands, penalties, suits, proceedings, actions or fees occurring on or prior to the effective date of abandonment of March 28, 2014. To the extent that any such claim, violation, demand, penalty, suit, proceeding, action, or fee is presented, Receiver, or its successors or assigns, shall make available to Respondent all documents surrendered pursuant to Paragraph C herein.

H. Receiver's Separation of Funds. Escambia County, as Receiver, is hereby directed by this Court to maintain separate accounts and records for the management of the Respondent's System. Additionally, this Court hereby directs that the revenues from the Respondent's System are not to be considered the revenues of the Receiver, nor are the revenues of the Receiver to be considered those of Respondent.

I. Receiver's Obligations for Operation. The Receiver in this cause is hereby directed to operate the System until disposed of as provided by this Order. The System shall be operated by the Receiver in such a manner so as to provide efficient and effective continuous service to the customers of the System during the term of this receivership and as can be provided from the revenues of the System.

J. Receiver's Accounting to the Court. Upon request and subject to the Florida Public Records Act, Receiver shall submit to the Court and to Respondent financial and operational reports for the System for the duration of its receivership.

DONE AND ORDERED in Chambers at Pensacola, Escambia County, Florida this 21st day of March, 2014.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15935 **County Administrator's Report 12. 30.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 07/18/2019
Issue: Acquisition of Property Located on Old Chemstrand Road
From: Joy Jones, Director
Organization: Engineering
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Acquisition of Property Located on Old Chemstrand Road - Joy Jones, P.E., Engineering Department Director

That the Board take the following action regarding the acquisition of a parcel of real property (approximately 0.67 acres) located in the 1600 Block of Old Chemstrand Road, from Hussein S. and Anne B. Sharaway:

A. Authorize the purchase of this property, located in the 1600 Block of Old Chemstrand Road, for the approved counter-offer of $25,000, from Hussein S. and Anne B. Sharaway;

B. Approve the Contract for Sale and Purchase for the acquisition of a parcel of real property located in the 1600 Block of Old Chemstrand Road (approximately 0.67 acres); and

C. Authorize the County Attorney's Office to prepare, and the Chairman or Vice Chairman to execute, any documents, subject to Legal review and sign-off, necessary to complete the acquisition of this property without further action of the Board.

This property is located in Commission District 5.

[Funding source: District 5 Discretionary Fund, Cost Center 110101, Account 58201]

BACKGROUND:

Meeting in regular session on February 21, 2019, and on April 4, 2019, the Board authorized staff to obtain an appraisal for this parcel and then to make an offer to purchase based on the appraisal ($13,400.) As directed during the meeting on April 4, 2019, the remaining due diligence was performed and a counter-offer was brought to the Board for approval at their regularly-scheduled meeting on May 16, 2019.

Mr. and Mrs. Sharaway are willing to sell their property, located in the 1600 Block of Old

Chemstrand Road, for a preferred net purchase price of $23,000. The $25,000 purchase price will help cover closing costs and allow the property owners to obtain a price close to the preferred net amount of $23,000.

This property is contiguous with an existing County parcel, located at 391 90 & 9 Ranch Road, and will allow for better access and any potential future development.

BUDGETARY IMPACT:

Funding is available in the District 5 Discretionary Fund, Cost Center 110101, Account 58201.

LEGAL CONSIDERATIONS/SIGN-OFF:

The Contract for Sale and Purchase will be reviewed and approved by the County Attorney's Office.

PERSONNEL:

All work associated with this request is being done in-house and no additional staff is required.

POLICY/REQUIREMENT FOR BOARD ACTION:

These actions are consistent with the provisions of Section 46-139 of the Escambia County Code of Ordinances.

IMPLEMENTATION/COORDINATION:

Upon Board approval, staff will maintain compliance with Section 46-139 of the County Code of Ordinances.

Attachments

Contract

Aerial Map_1600 Blk Chemstrand Rd

CONTRACT FOR SALE AND PURCHASE

This is a Contract for Sale and Purchase ("Contract"), between Hussein S. Sharaway and Anne B. Sharaway, husband and wife, whose address is 3550 Home Town Lane, Saint Cloud, Florida 34769 ("Sellers"), and ESCAMBIA COUNTY, a political subdivision of the State of Florida, acting by and through its duly authorized Board of County Commissioners, whose address is 221 Palafox Place, Pensacola, Florida 32502 ("Buyer").

1. AGREEMENT. Sellers agree to sell and Buyer agrees to buy the real property and improvements described in Exhibit A (the "Property") upon the terms and conditions stated in this Contract. Authorization for this purchase was obtained during a duly advertised meeting of the Board of County Commissioners held on _____, 2019.

2. PURCHASE PRICE; PAYMENT. The purchase price is Twenty-Five Thousand Dollars ($25,000.00), payable to Sellers at closing.

3. TIME FOR ACCEPTANCE; EFFECTIVE DATE; FACSIMILE. If the Contract is not executed by and delivered to all parties, or fact of execution communicated in writing between the parties, the Contract will be null and void. A facsimile copy of the Contract and any signatures on the Contract will be considered for all purposes as originals. The effective date ("Effective Date") of the Contract is the date when the last party signs the Contract.

4. TITLE EVIDENCE. Within thirty (30) days from the Effective Date of this Contract, Buyer shall examine title to the Property. If the title is found to be defective in Buyer's opinion, Buyer shall notify Sellers in writing specifying the defects, and Sellers shall have one hundred twenty (120) days from receipt of notice within which to cure the defects and the date for closing shall be accordingly extended. If Sellers are unsuccessful in removing the defects within that time to Buyer's reasonable satisfaction, Buyer shall have the option of either (i) accepting title as it then is, including the title defect, or (ii) terminating this Contract, whereupon Buyer and Sellers shall be released for all obligations under the Contract.

5. SELLER'S AFFIDAVITS AS TO UNRECORDED MATTERS, POSSESSION AND MECHANIC'S LIENS. Subject to any provisions in the Contract to the contrary, Sellers must furnish to Buyer at closing affidavits in a form acceptable to the Buyer and sufficient to remove standard printed exceptions to title in an owner's policy of title insurance regarding (i) unrecorded matters (except for taxes not yet due and payable and special assessments not shown by the public records), (ii) parties in possession, except for the rights of tenants, if any, as tenants only, in possession and occupancy of the Property under written leases which have been furnished to Buyer by Sellers and accepted by Buyer in writing, and (iii) mechanic's liens. Sellers represent to Buyer that there are and at closing there will be no tenants or lessees occupying the Property or any portion of the Property. The Seller's Affidavits must contain information required for completion of Internal Revenue Service 1099 Form and a FIRPTA disclosure.

6. COSTS AND EXPENSES. Sellers and Buyer will pay costs and expenses as follows: prorated ad valorem taxes and assessments (Sellers); Deed Documentary Stamp Tax (Sellers);

Survey (Buyer); Title Insurance (Buyer); Recording of Deed (Buyer); Buyer's Attorney's Fees (Buyer); Seller's Attorney's Fees (Sellers); Environmental Assessment (Buyer), costs to cure title defects and encumbrances on title (Sellers).

7. BROKERS. Neither Buyer nor Sellers have utilized the services of, or for any other reason owes compensation to, a licensed real estate broker.

8. TAXES AND ASSESSMENTS. All real estate taxes and assessments which are or which may become a lien against the Property must be satisfied by Sellers at closing. In the event the closing occurs between January 1 and November 1, Sellers must, in accordance with Section 196.295, Florida Statutes, place in escrow with the county tax collector an amount equal to the current taxes prorated to the date of transfer, based upon the current assessment and millage rates on the Property. In the event the closing occurs on or after November 1, Sellers must pay to the tax collector an amount equal to the taxes that are determined to be legally due and payable.

9. CONVEYANCE AND TRANSFER OF TITLE. Sellers shall convey title to the Property by Warranty Deed.

10. CLOSING. This transaction will be closed and the Warranty Deed and other closing documents prepared by the Office of the County Attorney, 221 Palafox Place, Suite 430, Pensacola, Florida 32502. Closing shall occur on or before thirty (30) days from the Effective Date of this Contract unless the date for closing is extended by mutual agreement of the parties or as otherwise provided in this Contract.

11. CLOSING PROCEDURE; DISBURSEMENT OF PROCEEDS OF SALE. At closing, Sellers shall deliver the Warranty Deed and the proceeds of the sale will be disbursed to Sellers in accordance with a settlement statement signed by both parties.

12. FAILURE OF PERFORMANCE. If Buyer fails or refuses to perform the Contract and Sellers are not in default under this Contract, Sellers will receive the deposit/earnest money, if any, plus all interest accrued, and other reasonable costs incurred by the Sellers in reliance on the Contract, to be paid by Buyer as liquidated damages, consideration for the execution of the Contract and in full settlement of any claims for damages and as Sellers' sole remedy under the Contract and Sellers have no right of specific performance. If Sellers fail or refuses to perform the Contract for any reason and Buyer is not in default under the Contract, (i) Buyer may proceed in law or in equity to enforce Buyer's rights under the Contract, or (ii) Buyer may elect to terminate the Contract and to receive the return of Buyer's deposit, plus interest earned, and reimbursement from Sellers for all costs and expenses Buyer incurred with regard to the Contract in full settlement of any claims for damages.

13. ATTORNEYS' FEES; COSTS. Each party shall be responsible for their own attorneys' fees and costs in connection with any litigation or other dispute resolution proceeding.

14. SURVIVAL. All representations and warranties contained in the Contract and any provision of the Contract which by their nature and effect are required to be observed, kept or

performed after closing, (i) survive closing and the delivery of the Warranty Deed, and (ii) remain binding upon and for the benefit of the parties to the Contract, their respective successors and assigns, until fully observed, kept or performed.

15. ASSIGNABILITY. Buyer and Sellers cannot assign the Contract or rights under the Contract without the express written consent of the other.

16. RISK OF LOSS. The risk of loss to the Property is the responsibility of Sellers until closing.

17. RADON GAS. Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from the Escambia County public health unit.

18. OTHER AGREEMENTS. No prior or present agreements or representations are binding upon Buyer or Sellers unless included in the Contract. No modification or change in the Contract are valid or binding upon the parties unless in writing and executed by the parties to be bound.

19. NOTICES. Any notice or demand to be given or that may be given under this Contract must be in writing and delivered by hand or delivered through the United States mail to:

TO BUYER:
Office of the County Engineer
Real Estate Division
3363 West Park Place
Pensacola, Florida 32505

TO SELLERS:
Hussein S. Sharaway and
Anne B. Sharaway
3550 Home Town Lane
Saint Cloud, Florida 34769

WITH A COPY TO:
Escambia County Attorney's Office
221 Palafox Place, Suite 430
Pensacola, Florida 32502

20. COUNTERPARTS. The Contract will be executed in duplicate counterparts, both of which taken together constitute one and the same instrument and any party or signatory may execute the Contact by signing a counterpart.

21. THIRD PARTY LEASES AND CONTRACTS. Sellers shall at closing furnish to Buyer releases from any mortgage or existing leases.

22. SURVEY. Buyer may obtain a survey at its own expense. If Buyer prepares a survey

and objectionable items are disclosed, objectionable matters will be viewed as title defects and the provisions of Paragraph 4 shall apply.

23. INSPECTION OF PROPERTY. Upon reasonable notice and without disruption of Seller's current use of the Property, Buyer may have subsurface investigations and environmental audits of the Property made by qualified geotechnical and environmental engineers sufficient in the judgment of the inspecting engineer to ascertain whether or not the Property meets the standards acceptable to Buyer. In the event that the report indicates that the Property does not meet Buyer's standards, Buyer, by notice to Sellers on or before 10 days prior to closing, has the option of terminating the Contract and Seller agree to return any deposit paid by Buyer. Sellers warrant that there are no facts known to Sellers materially affecting the value of the Property, which are not readily observable by Buyer or which have not been disclosed to Buyer.

24. ACCESS. Upon prior notice to Sellers, Buyer and Buyer's agents and representatives shall have the right to access the Property at any reasonable time prior to closing for the purpose of making the investigations, environmental audits, inspections and surveys authorized by the Contract, provided neither Buyer nor its agents interfere with the use of the Property by Sellers or its employees or customers.

25. OCCUPANCY AND POSSESSION. Sellers warrant delivery of possession of the Property to Buyer at closing.

26. CONDEMNATION. Sellers convey by sale the Property for public use and waive any right to compensation for the Property other than as provided for in the Contract. If at any time prior to closing, the Property or any portion of the Property is taken by the exercise of eminent domain by another entity possessing those powers or if any preliminary steps in any taking by eminent domain of all or any portion of the Property occurs prior to closing, Buyer may, at Buyer's option, within 10 days after notice of this fact from Sellers, rescind the Contract and Sellers must return any deposit paid under the Contract to Buyer. Upon refund of the deposit, plus any interest earned, Buyer and Sellers are released, as to one another, of all further obligations under the Contract. Sellers shall notify Buyer of any taking by eminent domain and all steps preliminary to any taking immediately upon Seller's knowledge of the occurrence. If Buyer does not exercise Buyer's option to rescind under this Paragraph, the Contract remains in full force and effect. In this event Sellers, (i) shall pay to Buyer at closing all proceeds previously received by Sellers from the condemning authority, and (ii) shall assign to Buyer at closing all proceeds to be paid by the condemning authority after closing by an instrument of assignment in a form reasonably acceptable to Buyer.

27. FOREIGN INVESTMENT AND REAL PROPERTY TAX ACT (FIRPTA) AFFIDAVIT. Sellers agree to furnish to Buyer at closing a transferor's certification disclosing under penalty of perjury Sellers' foreign or non-foreign status and Sellers' United States federal identification number. The certification must be, (i) in a form acceptable to Buyer, and (ii) if Buyer has non-foreign status, in a form meeting the requirements of Section 1445(a) of the Internal Revenue Code of 1986, as amended, and the Regulations under Section 1445(a).

THIS CONTRACT IS INTENDED TO BE A LEGALLY BINDING CONTRACT. IF NOT FULLY UNDERSTOOD, SEEK THE ADVICE OF AN ATTORNEY PRIOR TO SIGNING.

THIS CONTRACT SHALL NOT BE EFFECTIVE UNLESS APPROVED BY THE ESCAMBIA COUNTY BOARD OF COUNTY COMMISSIONERS AT A DULY NOTICED PUBLIC MEETING.

Meeting Date: 07/18/2019
Issue: Resolution to Cancel Taxes On Property Owned By Escambia County
From: Joy Jones, Director
Organization: Engineering
CAO Approval:

RECOMMENDATION:

Recommendation Concerning a Resolution to Cancel Taxes on Property Owned by Escambia County - Joy Jones, P.E., Engineering Department Director

That the Board take the following action concerning a Resolution to cancel taxes on parcel 43-1S-30-1101-000-001, Tax Account Number 04-1335-040, located in the 2400 Block of Michigan Avenue, which was deeded to the County and accepted by the BCC on May 2, 2019:

A. Adopt the Resolution to cancel taxes for the tax years of 2015 through 2018, in the amount of $575.61, and for subsequent years' taxes for parcel 43-1S-30-1101-000-001, Tax Account Number 04-1335-040; and

B. Authorize the Chairman or Vice Chairman to execute the Resolution without further action of the Board.

This property is located within Commission District 1.

BACKGROUND:

In 2013, Pete Delgado purchased (in his wife's name) the subject parcel located in the 2400 Block of West Michigan Avenue. Mr. Delgado later discovered that the parcel included a non-functioning stormwater detention pond, part of a defective private drainage system that, historically, had not been maintained. The conditions of the parcel generated a code enforcement action and a lien was recorded in 2016. Apparently, in response to the code enforcement lien, the Delgados recorded a deed to Escambia County, mistakenly believing they had cured their code enforcement and property problems by conveying them all to the County. However, the deed was not an effective conveyance to the County, as it contained many obvious defects, the most significant of which is that the County did not know about the transaction and, accordingly, never accepted title to the property.

The parcel, part of the private drainage infrastructure that was abandoned by the developer of the adjacent South Gulf Manor subdivision after the plat was approved in 1976, passed through several tax deed and other private sales before it was acquired by Mr. Delgado, who purchased the property in his wife's name.

Residents of nearby South Gulf Manor subdivision have reported home, yard, and street flooding caused by the defective stormwater detention pond during major storm events, and have a history of issues associated with the neighborhood drainage system. The detention pond does not meet County standards due to its steep side slopes and lack of access for maintenance.

Acquisition of the detention pond and two other adjacent properties will be necessary to address the stormwater drainage problems in the South Gulf Manor subdivision and the surrounding areas. Staff has contacted the Delgados on numerous occasions to request their assistance in conveying a proper deed, but the Delgados have been uncooperative.

On May 2, 2019, the BCC approved to accept the 2016 deed from Bonnie Evans Delgado after the County Attorney's Office considered that would likely be the most cost effective way to proceed.

RESOLUTION NUMBER R2019-_____

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, TO CANCEL TAXES ON A PARCEL OF PROPERTY OWNED BY ESCAMBIA COUNTY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, pursuant to Sections 196.28, Florida Statutes, the Board of County Commissioners of Escambia County, Florida, has full power and authority to cancel and discharge any and all liens for taxes, delinquent or current, held or owned by the County or the State, upon lands heretofore or hereafter, conveyed to, or acquired by any agency, governmental subdivision or municipality of the state, or the United States for road purposes, defense purposes, recreation, reforestation or other public use; and

WHEREAS, the property described in the Deed recorded in Official Record Book 7571 at page 1562 of the public records of Escambia County was accepted by Escambia County at its May 2, 2019 Board meeting, as shown in the Acceptance recorded in Official Record Book 8094 at page 123 of the public records of Escambia County, Florida, and will be used for public stormwater infrastructure; and

WHEREAS, at the time of the acquisition taxes were owed on the property for the 2015, 2016, 2017, 2018 and 2019 tax years, (Tax Account No. 04-1335-040), and the County accepted the property subject to those taxes;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, AS FOLLOWS:

Section 1. The foregoing recitals are true and correct and incorporated herein by reference.

Section 2. Taxes for the current and previous years and tax certificates in the face amounts shown below (and accrued interest, if any) for Tax Account No. 04-1335-040 are hereby cancelled.

Taxes for 2015	$ 152.81
Taxes for 2016	$ 153.49
Taxes for 2017	$ 136.12
Taxes for 2018	$ 133.19
Taxes for 2019	As assessed.

Section 3. Upon receipt of a certified copy of this resolution, the proper officials are authorized, empowered and directed to make appropriate entries upon the records to accomplish the cancellation and discharge of any and all liens for taxes, delinquent or current, held or owned by Escambia County upon the properties.

Section 4. This Resolution shall be effective upon its adoption by the Board of County Commissioners of Escambia County, Florida.

Adopted this _____ day of _____, 2019.

COUNTY ADMINISTRATOR'S REPORT – Continued

I. TECHNICAL/PUBLIC SERVICE CONSENT AGENDA – Continued

8. Recommendation: That the Board approve the Request for Disposition of Property Form for the Public Defender's Office, for equipment which is described and listed on the Disposition Form. The listed items are outdated, are in excess, and have been found to be of no further usefulness to the County.

Motion: To move the balance **For Information:** The "balance" refers to Consent Agenda Items 1 through 11, with the exception of Item 2, which was held for a separate vote.
Made by: Commissioner Bergosh **Seconded by:** Commissioner Barry
Disposition: Carried unanimously

9. Recommendation: That the Board take the following action concerning property located in the 2400 Block of Michigan Avenue (Parcel Reference No. 43-1S-30-1101-000-001):

   A. Accept the deed from Bonnie Delgado to Escambia County, that was recorded in Official Record Book 7571, at Page 1562, of the public records, on August 10, 2016, without the County's knowledge or approval; and

   B. Direct the County Attorney's Office to take the appropriate steps to record the County's acceptance of the deed in the public records.

   This property is located in Commission District 1.

Motion: To move the balance **For Information:** The "balance" refers to Consent Agenda Items 1 through 11, with the exception of Item 2, which was held for a separate vote.

BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 07/18/2019
Issue: Amendment to South Central Planning and Development Commission Software License and Service Agreement
From: TONYA ELLIS, Interim Director
Organization: Mass Transit
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Second Amendment to the South Central Planning and Development Commission Software License and Service Agreement - Tonya Ellis - Interim Director Mass Transit

That the Board take the following action concerning the Second Amendment to the Software License and Service Agreement with the South Central Planning and Development Commission:

A. Approve the Amendment to the Software License and Service Agreement with the South Central Planning and Development Commission (SCPDC), for the addition of the "Escambia County Area Transit Mobile App" and the "Fleet Maintenance Module" for a fee of $30 per vehicle/per month upon the go-live date with a minimum of 50 vehicles per month (Annual cost of $18,000). Services and Support (Support hotline, updates, maintenance, initial analysis, and configuration) related to the Mobile App and Module will be provided at no cost. The Mobile App will replace the existing App currently provided through a license with DoubleMap;

B. Authorize the issuance of a Purchase Order, in the amount of $18,000, to South Central Planning and Development Commission for the MyGovernmentOnline (MGO) Transit Mobile App, and Fleet Maintenance Module;

C. Authorize the County Administrator to execute all documents related to the acceptance of the Amendment to Software License and Service Agreement with SCPDC for the MGO app and maintenance module; and

D. Authorize sending DoubleMap a notice terminating all services to coincide with the start of the MGO App. Escambia County Area Transit Authority is currently on a month-to-month Agreement.

[Funding: Fund 104, Mass Transit Fund, Cost Center 211210, Mass Transit Operations ($18,000)]

BACKGROUND:

Double Map is a suite of transit-related modules - one of those modules is the Transit App - Find My Bus Application. After numerous attemps to resolve the issues with Double Map, the modules have not met expectations with overall support and functionality. The Mobile App module is the customer app which notifies them of where the bus is located on the route.

In February, Mass Transit began coordinating with the IT Department for a short-term alternative to Double Map, to mitigate or prevent interruption in the customer bus locator app. An alternative has been found in the Mobile App module for My Government Online. My Government Online is currently being used by Building Inspections Permitting, Development Services, and Code Enforcement as their line of business software. My Government Online is developed and maintained by the South Central Planning and Development Commission (SCPDC). The SCPDC is a government organization, which only requires a signed Agreement to setup a partnership. The Board approved the original Agreement at the Regular Board of County Commissioners meeting on May 5, 2017, and the First Amendment on March 21, 2019.

The Double Map Contract included other modules such as the automatic passenger counter and annunciator, which MGO does not currently offer. Mass Transit intends on soliciting the remaining modules in an RFP within the next financial year, dependent on Grant funding.

BUDGETARY IMPACT:

Budget for this Purchase Order is in Fund 104, Mass Transit Fund, 211210, Mass Transit Operations.

LEGAL CONSIDERATIONS/SIGN-OFF:

Senior Assistant County Attorney, Kristin D. Hual, reviewed and approved the Amendment.

PERSONNEL:

No additional personnel are required.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the provision of the Code of Ordinances of Escambia County, Florida Chapter 46 Article II, Division 3,Section 81, Purchasing and Contracts.

IMPLEMENTATION/COORDINATION:

The Information Technology Department will coordinate efforts on behalf of the County.

SECOND AMENDMENT TO SOFTWARE LICENSE AND SERVICE AGREEMENT BETWEEN ESCAMBIA COUNTY AND SOUTH CENTRAL PLANNING AND DEVELOPMENT COMMISSION

THIS SECOND AMENDMENT TO THE SOFTWARE LICENSE AND SERVICE AGREEMENT is made and entered into by and between the South Central Planning and Development Commission, hereinafter referred to as "Licensor," and Escambia County, a political subdivision of the State of Florida, hereinafter referred to as "Licensee."

WITNESSETH:

WHEREAS, on June 1, 2017, the parties entered into a Software License and Service Agreement ("Agreement") licensing to Licensee the use of specified modules of the Licensor's "*MyGovernmentOnline*" software "(SCPDC Software") and providing services and support for said SCPDC Software; and

WHEREAS, on March 12, 2019, the parties entered into the First Amendment to the Agreement to license the use of the *MGO Facilities Module* and the *MGO Solution Center Mobile App*; and

WHEREAS, the parties wish to supplement the terms of the Agreement to license the use of the *Escambia County Area Transit Mobile App* and the *Fleet Maintenance Module* as specified herein.

NOW THEREFORE, in consideration of the mutual terms, conditions, promises, and covenants hereinafter set forth, the parties agree as follows:

1. The foregoing recitals are true and correct and incorporated herein by reference.

2. The Agreement is amended to reflect that the Licensor hereby grants to the Licensee a user license to use the "*Escambia County Area Transit Mobile App*" and the "*Fleet Maintenance Module"* for a fee of $30 per vehicle/per month upon the go-live date with a minimum of 50 vehicles per month. Services and support (support hotline, updates, maintenance, initial analysis, and configuration) related to the Mobile App and Module will be provided at no cost. The GPS receiver and associated hardware related to the Mobile App and Module will be provided at no additional cost to the Licensee but shall remain the property of Licensor and must be returned to the Licensor within 60 days after service is discontinued for any reason by the Licensee. If the GPS receiver and associated hardware are not returned to Licensor within 60 days after Licensee discontinues service, the Licensee shall reimburse Licensor for the cost of the device.

3. The *Mobile App* will allow the public/user to track bus routes on a map with the following features:
    - All bus routes will be identified on the map by Escambia County GIS and merged with the Mobile App base map;

- The map will identify the current location of each bus with the location updated every 60 seconds;
- The map will identify the location of each bus stop;
- The map will identify the user's current location utilizing the user's mobile device location-based services;
- Each bus will be identified by a custom name assigned by the County's designated administrator;
- The user may type in a bus name to track the current location of the bus;
- No User Login will be required.

4. The *Fleet Maintenance Module* will provide County staff with a full feature vehicle tracking application for each bus, including, but not limited to, Geofencing location alerts, speeding alerts, and maintenance alerts.

5. All other terms and conditions of the Agreement that are not in conflict with this Amendment shall remain in full force and effect.

6. The effective date of this Amendment shall be on the date last executed by the parties.

7. The Agreement and any amendment thereto shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue for any proceeding relating to any matter which is the subject of this Agreement shall be in Escambia County, Florida.

IN WITNESS WHEREOF, the parties hereto have made and executed this Second Amendment on the respective dates under each signature:

Escambia County, Florida

AI-16451 **County Administrator's Report 12. 33.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 07/18/2019
Issue: New or Upgraded Street Lighting at Mobile Highway and Klondike Road, 8 Mile Creek and Millview Road
From: Jeff Bergosh, Commissioner, District 1
Organization: Commissioner, District 1
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Funding for New or Upgraded Street Lighting at the Intersections of Mobile Highway and Klondike Road, Mobile Highway and 8 Mile Creek, and Mobile Highway and Millview Road - Commissioner Jeff Bergosh, District 1

That the Board approve the funding of $3,997.90, to pay for new or upgraded lighting at the intersections of Mobile Highway and Klondike Road, Mobile Highway and 8 Mile Creek, and Mobile Highway and Millview Road, from Commissioner Jeff Bergosh's discretionary money.

[Funding: Fund 001, General Fund, Board of County Commissioners' Discretionary Money, Cost Center 110101, Object Code 58201]

BACKGROUND:

New or upgraded street lighting is needed for public safety at the intersections of Mobile Highway and Klondike Road, Mobile Highway and 8 Mile Road, and Mobile Highway and Millview Road. County Traffic and Planning Division will assume the monthly maintenance costs of these lights at $26 per intersection from their operating budget for street lighting, payable to Gulf Power.

BUDGETARY IMPACT:

The Board approved $50,000 in the Fiscal Year 2018-2019 Budget for each Commissioner to use as discretionary funds.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

N/A

IMPLEMENTATION/COORDINATION:

Upon Board approval, the County Administrator's Office will issue a payment request.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-16389 **County Administrator's Report 12. 34.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 07/18/2019
Issue: Recommendation Concerning Benefit Administration System
From: PAULETTE STALLWORTH
Organization: Human Resources
CAO Approval:

RECOMMENDATION:

Recommendation Concerning a Benefit Administration System - Paulette Stallworth, Interim Human Resources Director

That the Board take the following action concerning a new Benefit Administration System:

A. Approve awarding the PlanSource Statement of Services and Software as a Service (SaaS) Agreement to PlanSource for providing Web Based Benefit Services, to include a one-time implementation cost of $15,000 (120 days for implementation) and a guarantee rate per the Agreement starting when the system goes live for 36 months;

B. Authorize a Purchase Order in the amount of $250,000, for the implementation cost and monthly charges to September 30, 2020;

C. Authorize USI to contact WageWorks and ACAWise to terminate our present contracts early, on or before August 31, 2019, to end coverage as of midnight September 30, 2019; and

D. Authorize the County Administrator to sign the PlanSource Statement of Services and the Software as a Service Agreement.

[Funding Source: Fund 501, Internal Service Fund; Cost Center 150108, Object Code 53101 and 54501]

BACKGROUND:

USI solicited the market for the County and received six proposals:

Business Solver
PlanSource
BenefitExpress
Empyrean
Web Benefits Design
BenTek

USI conducted an analysis of the proposals. The four finalists were selected based on their experience successfully serving customers similar to the BCC, organizational capability to provide the stated scope of services, price per employee per month (PEPM), the capability of the vendor's software to interface with eFin (our current payroll system), market reputation, and USI's experience working with the vendor. Representatives from USI, BCC Human Resources and Information Technology, the Clerk of Court's Payroll and Information Technology, were all involved in the vetting process.

Presently, the payroll system supports the benefits administration for employees, retirees, and families. The payroll system is inadequate to address our requirements for the administration of programs such as COBRA, Affordable Care Act (ACA), IRS Section 125 Cafeteria Plans, etc. We have additional requirements for an accurate open enrollment module. Provided is a 6-page log of typical issues we have encountered recently with our current system.

Additionally, a dedicated Benefit Administrative System would provide access to the benefits information from home or work, and is mobile friendly; currently employees can only access their benefits administration information from a PC at work. The proposed system will support all employees and retirees within a single system; our current system does not adequately support the management of retirees' benefits.

The pricing model is as follows:

- Active full-time employees, at a cost of $8.00 PEPM (1977),
- Retirees that have either medical, dental or vision, at a cost of $4.25 PEPM (503), and
- Retirees that only have life insurance through the County, at a cost of $.50 PEPM (483).

These employee and retiree numbers are subject to monthly variance which may marginally impact our cost.

The services being provided include a benefits administration website and associated software, ACA auditing/reporting and documents provided to employees, a customer service call center providing benefits support, billing reconciliation services related to enrollment, COBRA compliance including documents being provided to eligible employees, and dependent eligibility. Consolidating ACA auditing/reporting and COBRA services will reduce our present budget for those services by $31,000.

This Purchase Order addresses implementation and interface development costs. The interfaces will provide a significant improvement in the information available to employees regarding their benefits availability and usage.

In closing, the purchase of these services is necessary to adequately support the more than 3,000 employees and retirees, along with their dependents, who participate in our benefit plans. Additionally, these services allow us to continue to meet our federal and state mandates regarding benefits and benefits information.

BUDGETARY IMPACT:

The $250,000 comes from the savings we received from available excess premiums resulting in part from last year's negotiated contracts for dental, health, life, and vision insurance.

Fund 501, Internal Service Fund; Cost Center 150107, Object Code 54601

LEGAL CONSIDERATIONS/SIGN-OFF:

The Statement of Services and Software as a Service Agreement were reviewed and approved by Kristin Hual, Senior Assistant County Attorney.

PERSONNEL:

The Human Resources Department will be the liaison with PlanSource, vendors, payroll and the IT Department during the implementation period and will communicate to the employees when the system it ready to go live.

POLICY/REQUIREMENT FOR BOARD ACTION:

N/A

IMPLEMENTATION/COORDINATION:

A Purchase Order will be the instrument utilized for making payment against the Agreement.

COORDINATION WITH OTHER AGENCIES/PERSONS:

The Human Resources Department will coordinate with the County Attorney's Office with the contract and other appointing authorities to ensure of the program implementation.

efin Issues

SAAS

Statement of Services

EFIN Summary 2018

Overview of our concerns with using EFIN for benefits. This is our fourth year using the system and there are most of the same issues along with additional challenges.

Missing Dates – 2018 O/E

- Effective dates for employees who had a Qualifying Event in October missing – No start date for the original benefit or the new QE effective date. Example: Employee changed to 1552 EE & Spouse coverage effective 10/01/2018 – there were no start or end dates on the old – 1552 EE only plan, or the new 1552 EE & Spouse plans for health, dental and vision.
  (Working with Clerk IT to view the record in TEST to get the original benefit coverage effective date – I entered the dates on all benefits)
- Effective date missing for New Hire for his vision care. S/B 10/01/2018 – I entered the start date into EFIN
- The Flexible Spending HCRP end date in EFIN Benefits changed to 12/31/2019, but the amount for 2019 is not correct – Example: Amount for 2019 S/B $2,650
- New employee entered in. The start date for medical plan is not staying. Add it and exit. Go back in and it's gone again. Ex: Benefit Code 196
  - Same for Benefit codes 190,300, 381, 382, 390
- Employee that will soon be retiring- Her dates are gone! There are no start dates or end dates in her Benefit record. Her benefits are marked inactive – She retires this month on 11/19.

Benefit History Missing - **<u>This is an on-going issue……</u>**

- No history/ Lost history for plan in EFIN benefits – Example: Employee came in with a Medicare Form for us to complete – This form needs the employee's health insurance start date.
  He came over with the Jail. When I look in EFIN Benefits it shows his health insurance start date as 01/01/2015 on the 1352 (03359) plan. It shows that he switched to the 1552 (03559) plan effective 01/01/2017. I knew his DOH with the County was 10/01/2013, so I looked at his check information to see if he had health insurance prior to 01/01/2015 and he did.
  Here's the correct information:
  10/01/2013 – 12/31/2016 – 1352 Plan
  01/01/2017 - Present – 1552 Plan

- Re-Hires – Once you rehire an employee and enter the new start dates for benefits, their prior benefits history is gone. This is important when completing verification of benefits and in doing the ACA reporting research.

- Employee switched to Code 192 – 1352 EE & Children during 2018 O/E
  1352 Non-tobacco EE & Children plan - it shows that this employee is enrolled in the plan, but the start date is 01/01/2015 (the employee had been in the plan in 2015). The system is picking up the old start date because the system does not allow the same benefit code/plan with

different dates). The 2018 plan code – 196 - 1552 Non-tobacco EE & Children plan is end dated 12/31/2018 and the dependent Daughter's end date is 12/31/2018 – The Grandson's record also shows an end date of 12/31/2018, but his actual end date was 06/30/2016 (at 18 months) So, the start date for my 2019 plan should be 01/01/2019; and when you look at the dependents for this plan, the Daughter has a start date of 01/01/2015 and an end date of 12/31/2015. She should not have an end date. There is that extra line with no name and a 01/01/2019 start date.

I made no change to the Dental – High Option EE & Children plan – if you look at my dependent on this plan – It shows the Daughter with a start date of 01/01/2015 and the correct end date of 01/01/2075, but there is that extra line with no name and the 01/01/2019 start date.

- Opt Out Plan issues:
  Employee should be enrolled in the Opt Out Plan, but the B130 Code shows a start date of 01/01/2018 and a stop date of 12/31/2018 – I talked to her and she said that she did enroll in the Opt Out Plan in the Open Enrollment Wizard.
  Clerk IT, remembered that we added the Opt Out Plan and changed the Waive Medical to read not eligible for the Opt Out Plan, so that may be the reason that the Opt Out election is not showing up????
  The employee's Health Care Reimbursement is not correct – She elected $1,440 annual or $60.00 per pay but it is showing the 2018 elected amount with the end date of 12/31/2019.
  Clerk Payroll looked in TEST at the Payroll side and said that the Opt out is right there. Is there some type of flag that needs to me lifted?

- Employee enrolled in wrong plan
  EE is somehow enrolled in the code # 222 – 1352 tobacco – EE & Family plan? Not sure how that happened??
  I have corrected this in LIVE – Effective date changes.
  If you look at his dental and vision plans – code # 312 & 401 – his dependents are listed with a 01/01/2017 date, but there are three blank lines with a start date of 01/01/2019

- Dental history missing
  Employee has been enrolled in dental coverage since 2015, but the only coverage that is now shown in Benefits is Dental High Option – EE & Family coverage – effective 01/01/2019- she has had EE & Children coverage – then EE & Spouse coverage and now EE & Family coverage – but, none of that history is in EFIN Benefits.

- Change in plans
  Employee changed from the 1168 EE only plan to the 3359 plan – the system gave the 3359 plan an effective date of 01/01/2016. Here's her history:
  HSA from 06/01/2015 through 12/31/2015
  1352 plan from 01/01/2016 through 12/31/2017
  HSA Plan from 01/01/2018 through 12/31/2018

The Opt Out Plan 2018 O/E

- Opt Out/Waive Medical issue – we changed code 384 to Waive Medical not eligible for Opt out in the O/E wizard. We realized today that we need code 384 to be HIR Life – to mirror the Payroll deduction code. So, Clerk IT changed the 384 code back to by HIR life and;
  We will add a code **(B131)** for Waive Medical Not eligible for Opt Out
- When making changes in Effective Date Changes for open enrollment it only changes the plan. If the plan is anything other than single coverage, we will have to touch the employee record once it moves over to production. Because there is no way to attach dependent(s) in the program.
- Request a report to include longevity and employees enrolled in LTD to adjust premiums for upcoming year. This process became a manual process.
- Employee with positive tobacco results – her health ins start date was missing when I went in to change her to the tobacco plan (positive tobacco results). I have corrected the date for code 195 1552 EE & Spouse – non-tobacco to 01/01/2018 – 10/31/2018. tm

FSA – Health Care Reimbursement Enrollments – 2018 O/E

- Employees whom have been termed are now showing their FSA with a 12/31/19 end date. Came across one whom was a 3/31/18 benefits end date and their FSA deduction end date was changed?
- While doing the FSA bill, I have noticed employees showing on my EFIN report with 12/31/18 end dates when they should not be in the FSA for 2019.

Dependent Issues – 2017 & 2018 O/E

- When employees added a dependent during o/e in the O/E wizard, the dependent was added to benefits, but not added in the employee dependents – which is where the SSN, DOB, Gender, Address, etc…. is stored.
  The added dependent is showing in the individual benefit – in the dependent tab on some employees, but not on others. It also added a new row of information for this dependent which duplicated the dependent information if already in the system.

- Duplicate dependent rows caused huge errors for the interface files. We had to go in – delete the dependent from the benefit – delete the extra rows and then add them back in the dependents tab and then re-attach them to each benefit with the correct start dates. Most of the time that meant calling the employee to get the dependents SSN and DOB as that did not store when the employee entered them into the wizard.

Effective Date Changes not loaded into Payroll

- Several FSA enrollments that were loaded into Effective Date Changes by Benefits with the 01/01/2019 start date was not changed to the Payroll start date. This means that their FSA deductions did not begin on their January check. The start date was supposed to be changed to 12/28/2018 for Payroll. **25** Employees were impacted

Interface Issues/ Automated File – this has happed each year after open enrollment!

- QE change – adding newborn – end dated the plan 03359 EE only effective 01/13/2019 and added 03359 EE & Children effective 01/14/2019. This was done on Tuesday, 01/22 – The interface went to Florida Blue on Thursday, 01/24 and it only picked up the end dated plan and cancelled the employee's coverage. An EE went to get the baby's RX and he wasn't in the system.
- QE change – deleting dependents – the end date was not picked up on the a/e file – I emailed Clerk IT and he said that he corrected the file by changing the hard coded 01/01/2019 to the current date.
- New Hire Benefits not going over on a/e file – NH's effective 02/01/2019 – their information did not get picked up with any of the Dec/Jan a/e files – Employees calling to use their benefits and they have not received ID cards and are not in the FB, Delta, Humana systems. This means we email the employee and the dependent information to FB – Our Florida Blue Rep had to manually enter them. This takes time to send the SSN, DOB, DOH, Dep SSN DOB, etc…….
  I emailed Clerk IT, 02/04/2019 - he did change the date parameters to include the 02/01 date.
- If an employee changed from Smoking to Non-smoking it crossed over on the interface as if the employee has terminated coverage.

ACA

- We just completed the fourth year of using the EFIN system for the ACA. I do not know what Superion did this year but presently the ACA system is broke. There are codes missing where a person really cannot audit the information. We are responsible to mail and file to IRS for 8 (Employer Tax Information Numbers (organizations).
- I cannot uncover the number of records or line items that are going across this year. But it will be more than last year.
- This does not include the monthly audit required by ACA (Looking at the number of hours part-time employees are working) This report needs some work.
- Last year the system created files for retirees separated prior to the year we were filing and terminated employees from other agencies. This year we had to enter/create a file for over 200 personnel.
- (2017) We had to review, correct or create files for over 700 line items.
- (2018) We had to review, correct or create files for over 1000-line items.
- (2017) We spent between 120 to 180 hours to complete the audit last year and this year. This year it was not as challenging because we had a better understanding of what we needed to look for.

- (2018) The system was not working until the middle of January and thank goodness we had until March 4th. The forms were mailed the week before the deadline.
- (2018) With the help of COC IT we received a file to start auditing around Christmas and we set a goal to try to complete the Audit and have it to our vendor and mailed by the original deadline set by IRS. I got the last file to them on January 31st which is the original deadline to have the 1095's mailed. I spent the majority of my time from Christmas to January 31st auditing these ACA files.

EFIN provides a good point to start but with the experience I have gained in the past three years there are a number of items that crossed over from general and open enrollment that affects this process:

- Such as not having record history capability to support changes throughout the year. Sometimes an employee may add or drop a dependent a couple of times during the year and we need to address that in the 1094 and 1095.
- Re-Hires – Once you rehire an employee and enter the new start dates for benefits, their prior benefits history is gone.
- In year three I had to create files for retirees and employees terminated from other agency that have coverage this year or retired before 2017, which concerns me, as I had to add their name, SSN, DOB so there are more chances for errors. This includes the dependents also.
- Employees in a relief status are not being reflected as being employed until they become full-time. Leaving blank spaces.
- With the present system, each new hire record for both the employee and dependent must be touched at all three levels of the 1095 form. The system does not identify the hire date and waiting period correctly. So, we must change the coding in the system for each of these.
- Qualifying events such as adoption, divorces, and births - The system does not recognize the month of the event, so you have to correct each of these items.
- Retiree codes must be reviewed each year. If a retiree retired July 2017 and maintained coverage the system would reflect them as an active employee. Which the coding should change in August for their employment status. If they retired in years past the code is different. If they drop coverage during the year, the coding is completely different.
- There is not as much to do for terminations or dropping dependents off the plan, but they must also be reviewed.
- Part-time employee audit – there is no simple method to review the number of hours a part-time employee works. We receive a report from payroll. The concern here is if the employees are coded correctly in EFIN such as part-time, seasonal, student (etc.)? To me the report needs some work.

Not only do we have yearly requirements, but each month we have to audit part-time employees and the number of hours they work to ensure that they are not eligible for health care based on the average number of hours they work in a 12-month look-back period. What even makes this more challenging is that we have 8 separate Federal ID #'s that must be filed separately.

As an employer, we can use a third-party administrator (cost for FY 18 is $15,200) for mailing the forms (deadline January 31, 2018) to the employees and filing with the IRS (electronically March 31, 2017), but the ultimate responsibility still lies with the employer to ensure the information is correct. It helps to have someone review and have their input to ensure we have met the requirements of the law.

My concerns are in relation to reporting requirements of the employer and if/when IRS enforces this requirement under the ACA. The fines are hefty and the amount of work to accomplishment these requirements are truly a challenge. I have provided everyone an example that I found in relation to the cost if we do not do this correctly. If it happens to us we could be looking at 4M dollars in penalties.

Example of penalty:

In 2015 and 2016, Company X offers a group health plan to its 280 full-time employees working in Arizona but does not offer coverage to its 20 full-time employees or five part-time employees working in other states. One full-time employee purchases health coverage through the Marketplace with premium tax credits. Since Company X is offering health coverage to 93 percent (280/300) of its full-time employees, it would not be subject to a penalty for 2015 since it meets the 70 percent threshold for that year. However, it does not meet the 95 percent threshold and could face a nondeductible penalty for 2016 of $583,200 (300 full-time employees – 30 employees) x $2,160.

As we receive the errors from the ACA filing to IRS, we are correcting SSN's and names of employees and dependents to ensure that they match their social security cards.

Problem when correcting/changing SSN's in EFIN

When a Social Security number is corrected in EFIN, it totally deleted the employee's benefits. Florida Blue emailed me that her benefits did not come over on the A/E file – after researching this, I realized that she was one of the ACA errors – SSN correction – The Clerk Payroll Supervisor corrected her SSN – and we had to re-enter her benefits into EFIN.

PLANSOURCE

SOFTWARE AS A SERVICES AGREEMENT

BY ACCEPTING THIS AGREEMENT THROUGH A STATEMENT OF SERVICES DOCUMENT THAT REFERENCES OR INCORPORATES THIS AGREEMENT, OR BY USING THE SERVICES, YOU AGREE TO FOLLOW, AND BE BOUND BY, THE TERMS AND CONDITIONS OF THIS AGREEMENT. IF YOU ARE ENTERING INTO THIS AGREEMENT ON BEHALF OF A COMPANY OR OTHER LEGAL ENTITY, YOU REPRESENT THAT YOU HAVE THE AUTHORITY TO BIND SUCH ENTITY TO THE TERMS AND CONDITIONS OF THIS AGREEMENT. IF YOU DO NOT HAVE SUCH AUTHORITY, OR IF YOU OR SUCH ENTITY DO NOT AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT, YOU MAY NOT USE THE SERVICES.

1. **Definitions.** Unless otherwise defined in this Agreement, the following terms will have the meanings stated below:

   a. **"Affiliate"** means any entity that directly or indirectly controls, is controlled by, or is under common control with the subject entity. "Control" for purposes of this definition, means direct or indirect ownership or control of more than 50% of the voting interest in the subject entity. Affiliates of ours include any of our corporate Affiliates which may be specified or otherwise assigned rights or obligations under this Agreement or any SOS, addendum, exhibit, attachment, or amendment.
   b. **"Agreement"** means this Software as a Services Agreement.
   c. **"COBRA"** means the Consolidated Omnibus Budget Reconciliation Act of 1985 (as it appears in the Code and ERISA) and regulations thereunder, as amended from time to time.
   d. **"Covered Individual"** means a person properly covered under the Plan to which we are providing services, including a Participant and the spouse and dependents of the Participant covered pursuant to the terms of the Plans.
   e. **"Data"** means all data and information, in any format, provided by you or your Users that is displayed, posted, uploaded, stored, exchanged, or transmitted on or through the Platform for your use of the Services.
   f. **"ERISA"** means the Employee Retirement Income Security Act of 1974 and regulations thereunder, as amended.
   g. **"HIPAA"** means the Health Insurance Portability and Accountability Act of 1996 and regulations thereunder, and its implementing regulation, the Standards of Privacy of Individually Identifiable Health Information, the Health Information Technology for Economic and Clinical Health ("HITECH") Act as part of the American Recovery and Reinvestment Act of 2009 ("ARRA"), as amended from time to time.
   h. **"Intellectual Property Rights"** means any and all registered and unregistered intellectual property rights granted, applied for or otherwise now or hereafter in existence under or related to any patent, copyright, trademark, trade secret, database protection, or other intellectual property rights laws, and all similar or equivalent rights or forms of protection, in any part of the world.
   i. **"Participant"** means any eligible employee or former employee of yours participating in the Plan to which we are providing Services in accordance with the terms thereof, and an employee or former employee of yours participating in such Plan pursuant to COBRA.
   j. **"Plan"** means the health and welfare benefit plan(s) which you have established pursuant to a plan document, self-funded trust, or a policy of group health insurance.
   k. **"Plan Administrator"** means the person or entity, including an insurance company, designated by you or the plan sponsor to manage the Plan and make all discretionary decisions regarding Plan terms and managing Plan assets, as defined in ERISA or other applicable law.
   l. **"Platform"** means collectively, the online, web-based applications and platform provided by us and ordered by you pursuant to this Agreement and as specified in one or more SOS.
   m. **"Qualified Beneficiary"** means a covered person under the Plan, who is eligible to continue under the Plan in accordance with the applicable provisions of COBRA, ERISA, or any other applicable federal and state law. A Qualified Beneficiary also means a child born to, adopted by, or placed for adoption with a covered employee or former employees, at any time during active COBRA continuation coverage of the employee or former employee.
   n. **"Qualifying Event"** means:
      i. With respect to a covered employee or former employee, termination of employment of the employee (except for termination as result of gross misconduct), or reduction of hours of employment causing the employee to become ineligible for coverage;
      ii. With respect to an eligible dependent of a covered employee or former employee, termination of the employee's employment (except for termination as a result of gross misconduct); reduction of hours of employment causing the employee to lose eligibility for coverage; employee's entitlement to Medicare under certain circumstances, death of the employee, divorce or legal separation of the spouse from the employee; and an eligible dependent who ceases to be a dependent as that term is defined by the Plan;
      iii. With respect to eligible retirees and their eligible dependents, the commencement of a bankruptcy proceeding; and
      iv. Any other qualifying even as defined by law and as the law may be amended or interpreted from time to time.
   o. **"Services"** means the provision of the Platform and the related products and services specified in one or more SOS. Unless otherwise set forth in an SOS, the Services are offered on a subscription basis for a specific subscription term.

p. **"Service Exhibit"** means an overview of the Service(s), and the additional terms and general responsibilities related to the Service(s) that is attached to or referenced in this Agreement or an SOS.
q. **"SOS"** means each ordering document signed by both parties which references this Agreement, identifies the Services ordered by you, sets forth the pricing for the Services, and contains other applicable information and terms and conditions.
r. **"Summary Plan Description" or "SPD"** means the written document intended to satisfy Section 104(b)(1) of ERISA.
s. **"Term"** means the time period during which we will provide the Services, including the Subscription Initial Term and each Renewal Term, as specified in an SOS.
t. **"User"** means those employees, administrators, agents, service providers, contractors, and other third parties with which you transact business, authorized by you to use the Services, in accordance with this Agreement, and to whom you (or, when applicable, us at your request) have supplied a user identification and password (for Services utilizing authentication).
u. **"We," "Us", "Our"** or **"PlanSource"** means PlanSource Benefits Administration, Inc.
v. **"You," "Your," or "Employer Group"** means the individual, company, or other legal entity accepting this Agreement, which may include your Affiliates, as set forth in the applicable SOS.

2. Scope of Services.

a. We will provide the Services to you pursuant to this Agreement and the relevant SOS during the applicable Term. Unless otherwise provided in the applicable SOS, the Services are purchased as subscriptions. Each SOS is incorporated into this Agreement by this reference.
b. The successful implementation and ongoing use of the Services is contingent upon you fulfilling your responsibilities in any Services Exhibit. You may designate your responsibilities in any Service Exhibit to Employer Group; provided that you will remain liable for any failure by such Employer Group to fulfill any such responsibilities. We will not be liable for any delays or failure to provide the Services to you or Employer Group that are caused by your or Employer Group's failure to fulfill such responsibilities or otherwise comply with any requirements set forth in a Service Exhibit.
c. We may enhance or change the features of the Services at our discretion, as long as such enhancements or changes do not materially reduce the core functionality of the Services.

3. Rights Granted.

a. Subject to the terms and conditions of this Agreement, we hereby grant you and your Users, during the term of this Agreement, a limited, non-exclusive, non-transferable, revocable right to access and use the Services and the Platform.
b. You do not acquire under this Agreement any right or license to use the Services or Platform, in excess of the scope and duration of the Services stated in an SOS.
c. Neither you, nor any of your Users has the right to receive either an object code or source code version of the Platform. Neither the source code nor object code version of the Platform nor any related documentation pertaining to or describing the same shall be considered a deliverable under this Agreement. Your usage rights, and the rights of your Users, are constrained by the terms of this Agreement and are limited to accessing the Services via a designated portal using usernames(s) and password(s) we provide to you.

4. Use of the Services.

a. You are responsible for all activity that occurs under your account(s) by or on your behalf. You agree to: (i) be solely responsible for all User activity, which must be done in accordance with this Agreement; (ii) be solely responsible for your Data (other than with respect to our obligations in this Agreement); (iii) obtain and maintain during the Term all necessary consents, agreements, and approvals from individuals or other third parties for all actual or intended use of information, data, or other content you will use in connection with the Services; (iv) use commercially reasonable efforts to prevent the unauthorized access to, or use of, the Services and notify us immediately of any known unauthorized access or use; and (v) use the Services only in accordance with applicable laws and regulations.
b. You are responsible for identifying and authenticating all Users for approving access by such Users to the Services, and for maintaining the confidentiality of usernames, passwords, and account information. By associating your and your Users' usernames, passwords and account information, you accept responsibility for the confidentiality and timely and proper termination of User records. We are not responsible for any harm caused by your Users, including individuals that were not authorized to have access to the Services, but who were able to maintain access because you did not terminate usernames, passwords, or accounts on a timely basis. You agree to make every reasonable effort to prevent unauthorized third parties from accessing the Services.

c. You will not, and will not allow your Users to (directly or indirectly): (i) distribute, sell, resell, sublicense, assign or otherwise transfer to a third party any of your rights under this Agreement; (ii) reverse engineer, disassemble, or decompile any component of the Services or the Platform; (iii) determine or attempt to determine the source code (or the underlying ideas, algorithms, structure, or organization) contained in the Services or the Platform; (iv) copy, modify, translate, or make derivative works based on any part of the Services or related documentation; (v) "frame" or "mirror" any of our content which forms part of the Services (other than on your own internal intranets); (vi) remove, cover, alter, or obscure any logos, trademarks, internet links, confidentiality or proprietary rights notices, or any other notices or markings placed on or displayed by the Services or on the Platform; (vii) use the Services or the Platform to store or transmit infringing, libelous, obscene or otherwise unlawful or tortious material, or to store or transmit material in violations of third-party privacy or Intellectual Property Rights; (viii) use the Services or the Platform to store or transmit viruses, worms, time bombs, Trojan horses, and other harmful or malicious code, files, scripts, agents, or programs; (ix) interfere in any manner with the performance of the Services or the Platform; (x) perform any technical security integrity review, penetration test, load test, denial-of-service simulation or vulnerability scan on the Platform; (xi) access the Services or the Platform for purposes of monitoring its availability, performance or functionality, or for any other benchmarking or competitive purposes; (xii) provide access to the Services or the Platform to any third party who provides products and services similar to the Services or the Platform; (xiii) use the Services or the Platform to develop a competing hardware or software product; or (xiv) otherwise use the Services in any manner not set forth in this Agreement.

d. You shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access, or otherwise use the Services, including without limitation, modems, hardware, servers, software, operating systems, networking, web servers and the like (collectively, “Equipment”).

5. Third Party Applications.

a. We may offer you the ability to use Third Party Applications in combination with the Services. Any such Third Party Applications will be subject to acceptance by you. Any acquisition by you of such Third Party Applications, and any exchange of Data between you and any third party provider, is solely between you and the applicable third party provider. We do not warrant or support any third-party products whether or not they are designated by us as “certified” or otherwise, except as specified in an SOS. No purchase of third party products or services is required to use the Services.

b. In connection with any such Third Party Applications agreed to by you, you agree that we may allow the third-party providers access to the Data as required for the interoperation of such Third Party Applications with the Services. We shall not be responsible for any disclosure, modification or deletion of any Data resulting from any such access by any third party provider. The use of any Third Party Application with the Services may also require you to agree to a separate agreement or terms and conditions with the third party provider, which will govern your use of such Third Party Application.

c. The Service features that interoperate with Third Party Applications depend on the continuing availability of such Third Party Applications. If such Third Party Applications cease to be available on reasonable terms for use with the Services, we may cease providing such Third Party Applications without providing you any refund, credit, or other compensation.

6. Data.

a. You will provide and exchange your Data with us as necessary for us to provide the Services and, if applicable, to allow us to provide and exchange your Data with your third-party service providers, including but not limited to your payroll provider, insurance carrier, auditor, legal counsel, or other service providers. We will not be responsible for any unauthorized disclosure, modification, or deletion of your Data resulting from any third-party provider’s access to or use thereof, except to the extent such unauthorized disclosure, modification or deletion is caused by us.

b. We are under no obligation to review, edit, censor, control, or question the completeness or accuracy of your Data. We will not be responsible for any losses or expenses that arise from your submission of incorrect, incomplete, or untimely Data. At our discretion, we may charge an out of scope fee (as specified in the SOS) to take corrective action resulting from your incorrect, incomplete, or untimely submission of Data.

c. We will have no obligation to maintain, or make any determination regarding, any legally required participant or beneficiary documents, whether mandated by ERISA or other law or regulation. You or your insurance carrier will, as mandated by applicable law or agreement, be responsible for maintaining required documents regarding employee eligibility for insurance coverage. We will not be liable for any discrepancies between your Data maintained in the Platform and the information maintained by you or your insurance carrier.

d. During any subscription Term, you may download your Data used in connection with the applicable SOS using the tools of the Platform. After expiration of the applicable subscription Term, we will have no obligation to maintain or make available to you the applicable Data unless legally prohibited.

7. Privacy and Data Protection; HIPAA.

   a. We will collect, use, and process your Data in accordance with our Privacy Policy (available here), which is incorporated into this Agreement by reference. The Privacy Policy is subject to change at our discretion; however, policy changes will not result in a material reduction in the level of protection provided for your Data during the Term.
   b. We will comply with all applicable data privacy laws in the performance of the Services. As part of that compliance, we will use at least industry standard administrative, technical, procedural, and physical means to protect against unauthorized access, use, or disclosure of your Data.
   c. We have included a HIPAA Business Associate Agreement (the "BAA") within our Privacy Policy (available here), which is incorporated into this Agreement by reference. The BAA will apply to you only to the extent that you are considered to be acting as a plan sponsor of your Plan (the "Covered Entity") under the HIPAA to create, receive, maintain, or transmit personal health information to us on behalf of Covered Entity, and where we, as a result, is considered to be acting as a business associate of yours, as those terms are defined under HIPAA. You may not use or disclose any personal health information on your or your Users' behalf under this Agreement without having first agreed to the terms of the BAA.

8. Proprietary Rights

   a. We own and retain all rights, title and interest in and to: (i) the Services and Platform, and all improvements, enhancements, or modifications, thereto; (ii) any software, applications, inventions or other technology developed in connection with the Services and Platform; and (iii) and all Intellectual Property Rights related to any of the foregoing. No rights, including any rights under license, either express or implied, are granted to you or your Users hereunder other than as expressly set forth herein. All other rights in and to the Services and the Platform are expressly reserved by us.
   b. We will have the right to collect and analyze data and other information relating to the provision of the Services and related systems and technologies (including without limitation, information concerning your Data and data derived therefrom), and we will be free (during and after any Term) to: (i) use such information and data to improve and enhance the Services and for other development , diagnostic, and corrective purposes in connection with the Services and our other offerings, and (ii) disclose such data solely in aggregate or other de-identified form in connection with our business.
   c. As between us and you, you own and retain all rights, title, and interest in and to: (i) all your Data; and (ii) any information you supply to us as may be specified in any SOS (collectively, your "Materials"). You hereby grant us a non-exclusive, non-transferable, non-sublicensable (except as need for the provision of the Services or as set forth herein) right to access and use your Materials solely to provide the Services. No other rights or implied incenses in your Materials are granted to us other than as expressly set forth herein.

9. ERISA.
   a. We may perform certain administrative Services under this Agreement for your Plan(s). Such Services shall not include or imply any discretionary authority by us over the operation of the Plan that would cause us to be deemed the "plan administrator," plan sponsor" or other "fiduciary" as defined under ERISA. Accordingly, to the extent the Services require us to assist the Plan Administrator, our performance of such Services shall consist of only those ministerial functions enumerated in the Department of Labor Regulations § 2509.75-8, D-2 (relating to report preparation required by governmental agencies, employee communications material, recommendations regarding plan administration, etc.) and shall be performed within the framework of policies, interpretations, rules, practices, and procedures established by you and the Plan Administrator. Consequently, all of our activities with respect to, or on behalf of the Plan shall be subject to review, modification, or reversal by the Plan Administrator or any other fiduciary so authorized by the Plan. We shall have no discretionary or final authority to control or manage administration of the Plan, or to manage or invest assets of the Plan.
   b. We shall have no responsibility, risk, liability or obligation for the funding of the Plan or for the payment of any benefits of the Plan or other liabilities, whether resulting from the ongoing operations of the Plan, termination of the Plan, a change by the Plan in its funding method from or to full or partial insurance, or the nonpayment by an insurer of amounts due to the Plan or any Plan participant. Such responsibility, risk, liability and obligation shall at all times reside and remain solely with the Plan, you, the Plan Administrator, or such other persons designated by the Plan.
   c. You acknowledge, on behalf of yourself, the Plan Administrator, and all other named fiduciaries under the Plan, that:

      i. We are an independent contractor for purposes of this Agreement, and are not an agent or employee or yours;
      ii. We do not assume any lability or responsibility for any breach of your or the Plan Administrator's duty or any act or omission by you or the Plan Administrator;
      iii. The performance of our Services hereunder does not and is not intended to make us the "plan administrator," "plan sponsor," or "other fiduciary" as defined under ERISA or other applicable law, and you will not identify or refer to us or any of our Affiliates as such;

iv. We will not be deemed to providing legal or tax advice as a result of performing our duties hereunder; and
v. You and/or the Plan Administrator at all times relevant to this Agreement retain fiduciary liability for the administration of the Plan and the related Services provided under this Agreement.

10. **Confidentiality.** Each party (the "Receiving Party") understands that the other party (the "Disclosing Party") has disclosed or may disclose business, technical or financial information relating to the Disclosing Party's business ("Confidential Information"). Our Confidential Information includes non-public information regarding features, functionality and performance of the Services and the Platform. Your Confidential Information includes your Data. The Receiving Party agrees: (i) to take reasonable precautions to protect such Confidential Information; and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Confidential Information. The Disclosing Party agrees that the foregoing shall not apply with respect to any information after three years following the disclosure thereof or any information that the Receiving Party can document: (a) is or becomes generally available to the public; (b) was in its possession or known by it prior to receipt from the Disclosing Party; (c) was rightfully disclosed to it without restriction by a third party; (d) was independently developed without use of any Confidential Information of the Disclosing Party; or (e) is required to disclose by law. Notwithstanding anything herein to the contrary, the parties agree to abide by the provisions of Chapter 119, Florida Statutes.

11. Term and Termination.

a. This Agreement commences as of the date last executed and will remain in effect until the earlier of: (i) the expiration or termination of each SOS under this Agreement; or (ii) the termination of this Agreement in accordance with this Section 11. Upon termination of this Agreement for any reason, any SOS in effect at the time will terminated automatically, and all rights and subscriptions granted to you in any such SOS will immediately terminate.
b. Subscriptions for the Services commence on the Subscription Effective Date specified in the applicable SOS and continue for the Subscription Initial Term therein, unless otherwise terminated as permitted herein. Except as otherwise specified herein or in the applicable SOS, all subscriptions will automatically renew for additional periods of one year (each a "Renewal Term") unless either party gives the other party written notice of non-renewal at least 60 days prior to the end of the applicable Renewal Term.
c. Either party may terminate any SOS with or without cause upon providing 60 days prior written notice.
d. A party may terminate this Agreement or any applicable SOS for cause upon providing 30 days' prior written notice to the other party of a material breach if such breach remains uncured at the expiration of such period.
e. We may terminate this Agreement immediately if you become the subject of petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation, or assignment for benefit of creditors.
f. If you terminate any subscription without cause prior to the end of the current Term, you will pay any unpaid fees for work that has been completed during the period prior to the effective date of termination. If we terminate this Agreement in accordance with Sections 11.d or 11.e, you will pay any unpaid fees payable for work that has been completed during the period prior to the effective date of termination.
g. Any provision of this Agreement that expressly or by implications is intended to survive termination, regardless of date, cause or manner of such termination, and including but not limited to rights of action accruing prior to termination and payment obligations, will survive such termination and continue in full force and effect.

12. Fees and Payment.

a. You will pay the then applicable fees specified in any SOS in accordance with the terms therein. Except as otherwise specified herein or in an SOS: (i) fees are based on Service subscriptions purchases and not actual usages; (ii) payment obligations are non-cancelable and fees paid are non-refundable; and (iii) quantities purchased cannot be decreased during the relevant subscription Term.
b. Except as otherwise agreed upon in writing, you hereby: (i) agree that all payments under this Agreement shall be made by electronic funds transfer through the Automated Clearing House network (ACH); (ii) authorize us to initiate debit entries to your account at the depository financial institution identified on an authorization form to be provided by us either in writing or electronically; and (iii) to debit your account in such amounts and at such times as are necessary to pay us: (a) any fees or charges associated with the Services, including, without limitation, finance charges; and (b) any other amount that becomes owed under this Agreement. This authorization is to remain in full force and effect until we have received written notice from you of your intent to terminate the Agreement, at which time the authorization shall continue in such time and such manner as to afford us and the depository financial institution a reasonable opportunity to act upon the termination. You will maintain in your account immediately available funds sufficient to cover all transactions initiated by us under this Agreement. You acknowledge that the origination of ACH transactions to your account must comply with the provision of U.S. law. If you do not have sufficient funds in your account to pay amounts due under this Agreement at the time required, or if you refuse

to pay, we will attempt to notify you electronically, by telephone, or in writing, but in any event, we may suspend or refuse to perform further Services. We will charge a fee of $35.00 for each non-sufficient funds transaction. Should the Services be recommenced, we may require you to pre-pay for the Services and charge a reconnection service fee.

c. Payments and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes.
d. Notwithstanding the foregoing, we will not exercise our rights under Sections 12.c or 12.d if you are disputing the applicable charges and reasonably and in good faith are cooperating diligently to resolve the dispute.
e. You agree that your purchases are not contingent on the delivery of any future functionality or features, or dependent on any oral or written public comments made by us regarding future functionality or features.

13. Warranties; Disclaimers.
    a. We warrant that the Services will be accessible 98.0% of the time, measured monthly (the "Uptime Warranty"). The Uptime Warranty shall not apply where downtime or interruption of the Services results from: (i) scheduled routine maintenance, repair, and upgrade of the Services, of which we will notify you at least 24 hours in advance; (ii) unscheduled emergency maintenance or repair (iii) issues or failures with your Equipment, service providers, software, communications or internet providers; (iv) the actions, omissions, or failures of any third party providers; (v) your or your Users' material acts or omissions; (vi) any suspension or termination of your or your Users' access to the Services by us; or (vii) a Force Majeure event as defined under Section 21 of the Agreement.
    b. In the event we fail to comply with the Uptime Warranty, we will use commercially reasonable efforts to provide you with an error correction or work-around that corrects the reported non-conformity. This will be your sole remedy under this Section 13.
    c. EXCEPT AS EXPRESSLY PROVIDED HEREIN, THE PLATFORM AND THE SERVICES ARE PROVIDED "AS-IS" AND WE HEREBY DISCLAIM ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING BUT NOT LIMITED TO, ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, AND ALL WARRANTIES ARISING FROM COURSE OF DEALING, USAGE OR TRADE PRACTICE TO THE MAXIMUM EXTENT PERMITTED BY LAW. WITHOUT LIMITING THE FOREGOING, WE MAKE NO WARRANTY OF ANY KIND THAT THE SERVICES OR RESULTS OF THE USE THEREOF, WILL MEET YOUR OR YOUR USERS' REQUIREMENTS, OPERATE WITHOUT INTERRUPTION, ACHIEVE ANY INTENDED RESULT, BE COMPATIBLE OR WORK WITH ANY SOFTWARE, SYSTEM, OR OTHER SERVICES, OR BE SECURE, ACCURATE, COMPLETE, FREE OF HARMFUL CODE OR ERROR FREE.

14. Limitation of Liability. IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER, OR TO ANY THIRD PARTY, FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES (INCLUDING LOSS OF USE, DATA, BUSINESS OR PROFITS), ARISING OUT OF THIS AGREEMENT, AN SOS, THE SERVICES OR THE PLATFORM, WHETHER BASED ON BREACH OF CONTRACT, BREACH OF WARRANTY, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, REGARDLESS OF WHETHER THE DAMAGE WAS FORESEEABLE OR WHETHER THE PARTY HAD BEEN ADVISED OF THE POSSIBILITY OF THAT DAMAGE. PLANSOURCE'S AGGREGATE LIABILITY FOR ALL DAMAGES ARISING OUT OF OR RELATING TO THIS AGREEMENT OR AN SOS, WHETHER IN CONTRACT, TORT, OR UNDER ANY OTHER THEORY OF LIABILITY, SHALL BE LIMITED TO THE GREATER OF: (i) THE TOTAL AMOUNTS ACTUALLY PAID TO PLANSOURCE FOR THE SERVICES UNDER THE SOS GIVING RISE TO THE LIABILITY IN THE 12 MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE LIABIILITY, LESS ANY REFUND OR CREDITS RECCEIVED BY YOU FROM PLANSOURCE FOR SUCH SOS, OR (ii)$50,000. THIS REMEDY WILL BE YOUR SOLE AND EXCLUSIVE REMEDY.

15. Indemnification. To the extent permitted by law and subject to the limitations set forth in §768.28, Florida Statutes, You shall indemnify us, and our affiliates, successors, and assigns, and all their respective officers, directors, employees, or agents ("Indemnitees") from and against any claim, loss, damage, liability, claim, causes of action, or expense, including, but not limited to reasonable attorney's fees (collectively, "Damages"), arising out of or resulting from: (i) your or your Users' breach of your obligations, representations, or warranties under this Agreement or any SOS; (ii) any misdirected or inaccurate Data that you or your Users input into or modify within the Site; (iii) any claim whatsoever, including third party claims, respecting tax claims, ERISA, COBRA, ACA, and HIPAA compliance, and any related rules and regulation, except to the extent such claims are caused by us; or (iv) your use of third party products or services in connection with the Services. In the event our Indemnitees seek indemnification under this Section 15.a, they will give written notice to you promptly after becoming aware of the facts giving rise to the claim for indemnification. Nothing herein is intended to serve as a waiver of sovereign immunity by the Escambia County beyond the waiver provided by §768.28, Florida Statutes, and nothing herein shall be construed as consent by the Escambia County to be sued by third parties in any matter arising out of this Agreement.

    a. Except to the extent any Damages are caused by or contributed to by you or your Users, we will indemnify and hold you harmless against all Damages arising out of or resulting from: (i) our willful misconduct or gross negligence; or (ii) a claim that your authorized use of the Services infringes or misappropriates a third party's Intellectual Property Rights. In the event your

Indemnitees seek indemnification under this Section 15.b, they will give written notice to us promptly after becoming aware of the facts giving rise to the claim for indemnification.

16. Subcontractors. We may use subcontractors, including offshore subcontractors, in our delivery of the Services. We will ensure our subcontractors comply with the obligations and restrictions in this Agreement. We will be solely responsible for the performance of our subcontractors under this Agreement.

17. Marketing and Promotion. We may disclose that you are our client and use your trademarks and logo in any of our external materials (e.g., printed marketing collateral and company websites). You, in your sole discretion, may participate in our promotional activities, including reference lists, case studies, testimonials, or press releases regarding our products or services and in any advertising, publicity or similar material presented to prospective clients.

18. Entire Agreement. This Agreement, together with each SOS and all other exhibits or attachments hereto, constitutes the entire agreement of the parties with respect to the subject matter of this Agreement and supersedes all prior and contemporaneous oral or written arrangement or understanding between the parties.

19. Assignment. Neither party may assign this Agreement without the other party's prior written consent, except that we may assign all or any of our rights to any of Affiliates or in connection with a merger, acquisition, corporate reorganization, or sales of substantially all of our assets. No assignment under this Section 20 will relieve the assigning party of its obligations under this Agreement.

20. Force Majeure. Except for your payment obligations, neither party will be liable or in default or otherwise responsible for delays or failures in performance resulting from acts of God; acts of war or civil disturbance; epidemics; governmental action or inaction; fires; earthquakes; unavailability of labor, materials, power, or communication; or other causes beyond that party's reasonable control.

21. Governing Law. The laws of the state of Florida, without giving effect to its principles of conflicts of law, will govern all disputes arising out of this Agreement. Venue for any action brought under this Agreement will be exclusively in Escambia County, Florida.

22. Notices. All notices and communications required or permitted under this Agreement will be in writing and will be sent by registered or certified mail, postage prepaid, return receipt requested, facsimile transmission, with confirmed answer back, or electronic mail, with confirmation of receipt, to us or you at the respective addresses the parties provide to each other or to such other addresses as the parties may from time to time specify by notice given as provided in this paragraph. In the case of PlanSource, the address is 101 S. Garland Avenue, Ste. 203, Orlando, Florida 32801, Attention: Legal Counsel.
23. Relationship of the Parties. The parties are independent contractors and will have no power or authority to assume or create any obligation or responsibility on behalf of each other. This Agreement does not create a partnership, franchise, joint venture, agency, fiduciary, or employment relationship between the parties.

24. Updates to the Agreement. Except as otherwise set forth in this Agreement, we may modify this Agreement (including any policy) at any time by posting a revised version on our website or by otherwise notifying you in writing. Subject to the 45 days' advance notice requirement with respect to pricing change, the modified terms will become effective upon posting, or if we notify you by email, as stated in the email message. By continuing to use the Services after the effective date of any modifications to this Agreement, you agree to be bound by the modified terms. It is your responsibility to check the website regularly for modifications to this Agreement. We last modified this Agreement on the date listed at the end of the Agreement.

25. Severability; Waiver. If any provision of this Agreement is found to be invalid, illegal, or unenforceable for any reason, the remainder of this Agreement shall continue in force, and if any such provision may be made enforceable by limitation, then such provision shall be deemed to be so limited and shall be enforceable to the maximum extent permitted by applicable law. All waivers by either party will be effective only if in writing. Any waiver or failure by either party to enforce any provision of this Agreement on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion.

26. Non-Solicitation. During the term of this Agreement and for a period of one year after expiration or termination of this Agreement, you will not, directly or indirectly solicit or attempt to solicit, divert, or hire away any person employed by us without our written consent.

27. No Legal Advice. The Services do not include, and we do not provide investment, tax, compliance, or legal advice. If you require legal or other expert advice, you should consult your own legal counsel or professional advisor. This Statement of Services is

Affordable Care Act (ACA) Measurement and Reporting Services and General Responsibilities

PlanSource Responsibilities	Employer Group Responsibilities
1. For the applicable IRS Reporting Period, provide you with the ability to load any data required for the current Reporting Period within a self-service file upload tool in order to populate the 1094-C/1095-C Forms, utilizing our standard file format and specifications. The 1094-C/1095-C Forms will only contain data for your medical benefit(s) as configured within the Platform (i.e. excludes all other benefit types). For purposes of the ACA Services, "Reporting Period" means the calendar year (January 1 through December 31) for which you will provide us with all required employee data necessary for us to provide the ACA Services. You will report the data collected during this time period by the applicable IRS deadlines in the following calendar year. 2. For the applicable Reporting Periods, provide an electronic version of the 1095-C Form, populated with your employee data, in PDF format and made available for your employees to download/print. 3. For the applicable Reporting Periods, provide an electronic version of your 1094-C Form, populated with your employee data, in PDF format. 4. If applicable, and to the extent that we are authorized and permitted to do so by the IRS, submit the 1094-C and 1095-C Forms to the IRS on your behalf for the applicable Reporting Periods. 5. Provide access to electronic versions of the 1095-C Forms only to your actively-employed employees ("Active Employees"), which shall exclude employees designated with a "COBRA", "Terminated", or "Leave of Absence" status within the Platform ("Inactive Employees"). 6. Unless otherwise agreed to in writing by the parties, if your access to the ACA Services is terminated at any time prior to the applicable Reporting Period deadline, we will not grant access to electronic versions of the 1095-C Forms to Active Employees 7. Measure employees and provide reporting tools to manage employees moving in and out of stability periods. 8. The Platform will maintain offers of coverage based on employee demographics and plan eligibility.	1. Confirm all full-time and full-time equivalent employees and eligibility per ACA requirements. We are not responsible for your reporting obligations for any given employee pursuant to the ACA. 2. Provide, load, sign-off, and finalize all required data (including on-going payroll information consistent with payroll cycles) for Forms 1095-C to us by no later than January 15th of the calendar year following the applicable Reporting Period in order for us to make the electronic version of Forms 1095-C available within the Platform on or before the applicable due date required by the IRS. We reserve the right to modify any deadlines set forth in this Exhibit or elsewhere. If you miss any of the deadlines we set forth in this Exhibit or elsewhere, we will not consider any such non-compliance as an escalation or provide related call center services to you or your employees. 3. Receive and respond to employees' questions related to the ACA Tools and related services, including any tax forms we provide your employees. 4. Provide and upload the required data, utilizing our standard file format and specifications, and validating the accuracy of the uploaded data. Upon uploading the required data via the self-service file upload tool, you may make corrections to the loaded data by manually correcting such data within the Platform user interface or uploading additional employee demographic data files via your payroll interface or the self-service file upload tool. You understand that you are solely responsible for the accuracy and review of any IRS forms created or resulting from the use of your Data 5. Review and approve ACA configurations before go-live. We will specify the data format you must utilize to review the loaded data during testing. 6. Review and approve offers of coverage to ensure accuracy as well as confirm employee communication has occurred. 7. Review and approve all 1094-C and 1095-C data a minimum of 2 weeks prior to the IRS transmission deadline. 8. You understand that you retain all liability and responsibility under federal and state law related to the ACA measurement and reporting requirements, including without limitation, liability under Code Sections 4980H, 6055 and 6056, and (ii) that we do not, by virtue of this Exhibit, assume any responsibility or liability for any obligations which by law must remain with you in your capacity as an "applicable large employer" (as that term is defined under Code Section 4980H), including without limitation your liability under Code Sections 4980H, 6055 and 605

Employee Contact Center Services and General Responsibilities

PlanSource Responsibilities	Employer Group Responsibilities
1. Work and consult with you to understand your needs and gather requirements necessary to implement the contact center. 2. Implement and provide a branded contact center (with online chat feature) with qualified representatives readily available to assist employees, dependents, and former employees and dependents (collectively, "Consumer") with benefit-related questions between the hours of 8:00 AM and 11:00 PM Eastern time, excluding weekends and the days the US Federal Government observes the holidays of New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Day after Thanksgiving, and Christmas Day. 3. Provide Consumer with a custom toll-free number to reach the contact center during the hours specified above. 4. Validate Consumer's identity at the beginning of every phone call. 5. Track Consumer calls and general metrics including, but not limited to, number of calls, average hold time, abandonment rate, average talk time, and reasons for escalations. 6. Provide you with basic contact center statistics, as requested. 7. Record and retain incoming phone calls for a period of four months from the date the contact center receives a call. 8. Obtain HIPAA authorization from Consumer, as required based on the assistance Consumer is requesting.	1. Assist us in implementing and documenting your specific administrative processes and plans for purposes of implementing and maintain the contact center. 2. Provide benefit content suitable for us to answer Consumer questions. 3. Promptly report, and cooperate with us in resolving, any issues, challenges or concerns related to the contact center. 4. Participate in periodic status calls with us to review the status of Consumer calls and open issues. 5. Promptly report to us any changes to benefit plans that would have direct bearing on the information provided by the contact center.

Billing Reconciliation and Payment Services and General Responsibilities

PlanSource Responsibilities	Employer Group Responsibilities
1. We accept responsibility solely for the ministerial and nondiscretionary services described in this Exhibit and only to the extent that you furnish accurate and timely information to us. We will perform the Services within the framework of policies, interpretations, rules, practices, and procedures set or established by you. You understand that we shall not have discretionary authority or control respecting management of the Plan and shall not have authority to exercise any control respecting disposition of the assets of the Plan and shall not render investment advice with respect to any money or other property of yours or the Plan and shall have no authority or responsibility to do so. 2. **Setup and Installation.** After reviewing you benefit offerings, we will advise you of the enrollment Data you must provide in order for us to establish the master data processing records required for us to provide the Services. This enrollment Data will be dependent upon the type and number of the individual benefit components you offer. We may receive this Data from you from a variety of resources including electronic file exchange; however, the Data must include the following: • Copies of current billings from all individual benefit plan components; • Copies of the most recent enrollment documents for all participants represented on each carrier billing; • Plan and carrier information that reflects rating structure, carrier contact personnel and other pertinent billing configuration; • Your location(s) and contact personnel; • Benefits plan broker name, address, telephone number; and • An executed consent agreement from you that permits us to receive monthly billings directly from the carriers. 3. **Reconciliation Process.** During the billing reconciliation process, we will: • Obtain all carrier bills or fee invoices via carrier websites, email, fax or mail; • Reconcile billed adjustments to employee changes completed in the Platform; • Calculate and confirm totals to be paid to each carrier (paid as billed, minus payments not yet accounted for); • Complete full audits of all list bills to the data in the Platform and if necessary, resolve enrollment and billing discrepancies directly with carriers and you; • List and track pending transactions and billing discrepancies month to month; and • Communicate participant eligibility or billing issues identified during reconciling to the appropriate carrier in the course of standard monthly processing. 4. **Reporting.** We will provide copies of carrier and vendor generated invoices standard monthly reports. 5. **Consolidated Billing & Payment Process** *(applies only for payment services)*: • Coordinate the funding of premiums with you by notifying you via email of the premium dollar amount periodically due. Either party will initiate remittance per the outlined requirements. • If we do not receive premium funding due from you within 10 business days from the date we present the amount to you, we may suspend the Services until you provide funding. Your failure to fund may prompt suspension in benefits coverage, which will be your sole responsibility. You understand that we have no obligation to disburse premium funding to benefit carriers without having first received the entire amount of the funds due from you. • Upon receipt of insurance premiums from you, we will remit payment to the carrier and if applicable, provide carrier with a premium billing roster and premium remittance report or additional documentation on your behalf, including your identifying information. In the event you fail to remit the appropriate amount of premium, the carrier's standard plan termination process shall apply. We will not be liable for any damages or losses resulting such carrier's termination of the Plan. **Custodial Account** *(applies only for payment services):* • Accept appointment and agree to act as custodian hereunder, and hold your funds received hereunder in accordance with the terms and	1. Provide all Data necessary to establish an employer master file, including your name, address, phone, fax, primary contact, federal identification number, and any other required information. 2. Provide detailed information regarding each benefit component within the benefit plan(s) including: • Benefit type (e.g., health insurance, life insurance, STD, LTD, dental, vision, etc.); • Complete rating schedule governing each plan; • Billing cut-off dates and policy periods for each plan; and • Policy numbers. 3. Utilize and maintain us as the single, sole, and exclusive provider of billing reconciliation services. 4. Maintain the following information within the Platform: • New enrollments, changes, and terminations; • Any changes in benefit plan eligibility provisions; and • Necessary materials and documents, including Summary Plan Descriptions, Plan amendments, Summary of Material Modifications, election forms, election change forms, as may be necessary to operate the Plan or to satisfy requirements of law. 5. Satisfy reporting, notice, disclosure, and annual return requirements and other regulatory requirements imposed by law. 6. Maintain current beneficiary designations. 7. We will rely on the Data provided by you or on your behalf to perform or prepare all services, reports, and forms under this Exhibit in accordance the terms of the Agreement. 8. You will determine the benefit and administrative provisions of the Plan and will be solely responsible for the terms of the Plan and Summary Plan Description. 9. You will make all benefit eligibility determinations required under any of the plans covered by this Exhibit. 10. **Custodial Account** *(applies only to payment services)*: • Appoint us as custodian solely for the purpose of providing the Services. • You hereby acknowledge that we, on one or more occasion, may receive interest on the Funds held in the Custodial Account and that any interest received by us on your Funds will be part of our compensation. You also hereby acknowledge that compensation otherwise charged by us for the Services would be higher if we did not retain the earnings or interest on these funds. The period during which we may earn interest begins on the date your Funds transfer to the Custodial Account and ends when the Services terminate. We will disburse Funds on a first-in-first-out basis. • In the event we resign as custodian, as permitted in this Exhibit, immediately appoint a successor custodian.

conditions set forth herein.

- Open and maintain a depository account (the "Custodial Account") at Wells Fargo Bank (the "Bank"), and hold in the account all premiums received from you. Upon deposit, the premiums will become "Funds" (minus any applicable fees or other costs).
- For administrative convenience, and to reduce costs, we will hold your Funds together with similar funds from other clients in one or more Custodial Accounts. However, we will maintain records as to the exact amount of each clients' Funds, so each client has a legal right to the specific amount of funds held in the Custodial Account. At all times, the assets comprising each client's Funds in the Custodial Account will be separate subaccounts for purposes of this Exhibit. Depending on the context, the term, "Custodial Account," will refer to the separate subaccount for you or all of the subaccounts for all clients.
    - Your Funds: (i) are and will remain your general assets; (ii) are not considered general assets of ours; and (iii) are not plan assets within the meaning of ERISA. Except to the extent that outstanding checks have been written against the account on your behalf, you may withdraw your Funds at any time (minus any applicable fees or other costs).
    - Your Funds are subject to your creditors in the same manner as funds contributed to your ordinary checking accounts.
- Forward premiums from the Custodial Account to carriers, you or your designee, at your direction, and in accordance with the Agreement, this Exhibit and the Plan. We do not, and will not have any discretion, control, or authority with respect to the disposition of your Funds.
- Us positive pay to ensure only valid checks are processed. We will only process checks that match our files. An exceptions list is generated by the bank and send to us each business day showing checks presented for payment that do not match out files.
- Notwithstanding anything set forth in the Agreement, we may resign from our duties as custodian at any time by giving you written notice no less than 30 days prior to the effective resignation date; provided, in any event, the resignation will not be effective until a successor custodian has been appointed or the assets in the Custodial Account have been returned to you.

6. Notwithstanding anything set forth in the Agreement, we reserve the right to suspend or terminate the Service if you fail to advance funds for premiums when due, or otherwise breach the terms of this Agreement, and the breach remains uncured 30 days following receipt of written notice. Upon suspension or termination of the Services, unpaid fees due prior to the effective date of suspension or termination will become immediately payable upon such suspension or termination, and we will apply any Funds for fees collected from you prior to the suspension or termination effective date to the payment of our administrative fees and expenses.

Retiree Billing Administration Services and General Responsibilities

PlanSource Responsibilities	Employer Group Responsibilities
1. Gather all necessary information surrounding your rules for retirees (length of coverage, open enrollment eligibility, and payment windows). 2. Determine process for you to notify us about an employee's conversion to retiree status. 3. Notify retirees of options for continuation coverage 4. Upon benefits election, provide retiree with payment coupons. 5. Collect the monthly premium from each retiree. 6. Remit monthly premium to you. 7. Assist retirees over the phone and through email support through our call center. 8. Maintain enrollment records pertaining to each retiree who enrolls in a plan. We will terminate from our enrollment records any retiree who does not timely enroll or who elects to decline coverage. 9. Reinstate and terminate insurance benefits for retirees on your behalf using the online system or data files for your insurance providers.	1. Assist us in implementing and documenting administrative processes specific to your organization and plans. 2. Provide us with the process and procedures for the monthly premium collection process. 3. Refund premium payments to former retiree participants if their coverage should be terminated retroactively yet an overbalance exists for partial payment of premium which has been already remitted to you by us. 4. Assist us with obtaining online access to each insurance provider with a retiree eligible plan for the purpose of assisting retiree participants with urgent coverage issues. 5. Review the monthly summary report and contact us within 30 days of receipt regarding any items which you know are incorrect. If we do not receive a response within 30 days, we will assume that the summary is correct, and any errors will become your responsibility and liability.

COBRA Administration Services and General Responsibilities

PlanSource Responsibilities	Employer Group Responsibilities
1. Utilize integration between the Platform and the COBRA system to provide the COBRA Services. We will also utilize integration between the COBRA system and the FSA system for reinstatements and terminations due to COBRA participants with an FSA election. 2. Provide call center assistance, online chat support, and email support to COBRA participants. 3. On a daily basis, upload files from the Platform into the COBRA system for purposes of creating initial COBRA notices. Following this daily file upload, send the initial notice to individuals as soon as administratively feasible. However, if you fail to timely update the Platform, we will not be responsible for satisfying the requirement that the initial COBRA notice be provided within 90 days after the individual begins to participate in the plans. 4. On a daily basis, upload files from the Platform into the COBRA system for purposes of creating Qualifying Event notices, send the Qualified Beneficiary a COBRA notice and election form within 14 days. If you fail to update the Platform within the prescribed time period, we will not be responsible for satisfying the requirement that the COBRA notice and election form be provided within 44 days after the date of the Qualifying Event. 5. Make available through the Platform a monthly summary of COBRA activity, including, but not limited to, payments, notices, terminations and enrollments during the period covered by the summary report 6. If a Qualified Beneficiary returns an election form to enroll in one or more of the plans, enroll the Qualified Beneficiary under COBRA. We will also send the Qualified Beneficiary a letter confirming that the Qualified Beneficiary has been enrolled in the applicable plans pursuant to COBRA. 7. Maintain enrollment records pertaining to each Qualified Beneficiary who timely enrolls in the plan. We will terminate from the enrollment records any Qualified Beneficiary who does not timely enroll or who elects to decline coverage. 8. Inform each Qualified Beneficiary of his or her premium obligation with payment coupons. Each Qualified Beneficiary will remit his or her COBRA premiums to us. If premiums are paid to us, we will deliver payment to you within 14 days following the end of the calendar month. 9. Send Qualified Beneficiaries a letter terminating COBRA continuation coverage at the end of the applicable COBRA continuation coverage period. 10. Provide all enrollment and election materials to a Qualified Beneficiary during all open enrollment periods which occur during the applicable COBRA continuation coverage period and enter the elections made into the Platform. 11. Process all reinstatements and terminations directly through the Platform on your behalf. 12. Audit the COBRA participants on a monthly basis comparing the COBRA system to the Platform. 13. Assist COBRA participants with emergency coverage reinstatements or inquiries.	1. Using the Platform, notify us within 60 days after plan coverage begins for an employee and/or dependent spouse. 2. Using the Platform, notify us within 30 days after the date you have knowledge that a Qualified Beneficiary has lost coverage under a plan due to a Qualifying Event. 3. Review the monthly summary report and contact us within 30 days regarding any incorrect items. If we do not receive a response within 30 days, we will assume that the summary is correct, and you are responsible and liable for any errors. 4. If you have knowledge that a Qualified Beneficiary has experienced another Qualifying Event during the initial 18-month COBRA continuation period, notify us within 30 days after the date. 5. If you have knowledge that an event has occurred which will terminate a Qualified Beneficiary's COBRA continuation coverage before the end of the applicable COBRA continuation coverage period, notify us within 7 days after the date. Examples include, but are not limited to, the following: • You no longer offer a group health plan to any of its employees; • The Qualified Beneficiary becomes covered under another group health plan. However, this provision does not apply during any time period the other group health plan contains a limitation or exclusion with regard to any pre-existing condition, other than a limitation or exclusion which does not apply to the Qualified Beneficiary or satisfied by the Qualified Beneficiary due to HIPAA; or • A Qualified Beneficiary becomes entitled to Medicare. 6. Notify us within 7 days after the date you have knowledge that you are no longer subject to COBRA with respect to the COBRA eligible plans. This would occur as of the first day of a calendar year following a calendar year when you did not employ 20 or more employees on at least 50% of its working days during that year. 7. If you do not also utilize the Platform for FSA Administration, notify us if FSA Participant have a positive FSA balance at the time of termination and therefore, be eligible to elect COBRA Continuation Coverage for the FSA election. 8. Refund premium payments to former COBRA participants if their coverage should be terminated retroactively yet an overbalance exists for partial payment of premium which has been already remitted to you by us. 9. Assist with obtaining online access to each insurance provider with a COBRA eligible plan for the purpose of assisting COBRA participants with urgent coverage issues.

FSA/HRA/CERA Administration Services and General Responsibilities

This Exhibit is with respect to certain ongoing administrative services we will provide with regard to your establishment of certain employee benefit arrangements, including, but not limited to a health care flexibility spending account ("Health FSA") and a dependent care assistance program ("Dependent Care FSA") under Section 125 and Section 129, respectively of the Code, which are available as part of its cafeteria plan as well as any similar plans related to other areas of the Code, including but not limited to Health Reimbursement Arrangements ("HRA") under Section 105 and 213D and commuter expense reimbursement account plans ("CERA") under Section 132. For purposes of this Exhibit, the term "Plan" means the cafeteria plan, the Health FSA plan, the Dependent Care FSA plan, the HRA plan and/or the CERA plan (or plans) maintained by you, or portions of that plan (or plans), with respect to which we are providing administrative services.

PlanSource Responsibilities	Employer Group Responsibilities
1. Provide call center assistance to Plan participants for inquires related to the Plan. Our responses to inquires will be based on Plan provisions and your guidelines. 2. Determine whether expenses are eligible for reimbursement in accordance with Plan provisions and your guidelines. 3. If debit cards are available for payment of certain Plan expenses, and the participants elects to utilize the debit cards, our preferred provider, Fidelity National Information Services ("FIS"), will provide the debit cards to participants. You acknowledge that participants will be subject to the terms and conditions of the cardholder agreement distributed with the debit card. You agree that FIS, is a third-party beneficiary of this contract. 4. Monitor usage and notify participants if receipts are required to verify the eligibility of an expense. 5. If a participant does not use a debit card for expenses, and a claim is eligible for reimbursement on a manual basis, prepare and issue a check or direct deposit. The reimbursement will be drawn on the Plan account and made payable to the participant. 6. Provide each participant submitting a manual reimbursement request with a written explanation of payment or denial. 7. If a claim is denied, provide the participant with notice of the appeal procedure under the Plan. We will assist you in processing any submitted appeal of a denied claim in accordance with Plan procedures and your guidelines. 8. Maintain records, including amounts credited, amounts reimbursed, and current balance in each participant account. 9. Provide you with the ability to pull monthly reports from the system showing participant transactions and balances and inactive debit cards 10. Upon your request at the end of the Plan year runout period, provide a report showing participants that will incur payroll deductions for repayment of funds to the Plan. 11. Upon your request, prepare the Plan document and Summary Plan Description (SPD). Upon further request, we may also prepare amendments to the Plan document and SPDs. As Plan administrator, you are ultimately responsible for reviewing the Plan document and SPD and approving the content therein prior to distributing to participants. We recommend you review the documents with its attorney and/or tax consultant. We are not responsible for any Damages, including but not limited to legal or tax consequences resulting from the preparation of the Plan document and/or SPD. Additional fees apply for this service. 12. Upon your request, conduct non-discrimination testing of the Plan at the start and end of the Plan year. If testing demonstrates the Plan is out of compliance, we will notify you, and you may choose to reduce participant contributions to bring the Plan into compliance or allow participants to claim the "non-reduced" contributions as taxable wages for income tax purposes. 13. Provide assistance in correcting participant-level discrepancies you report to us. 14. Manage carrier data discrepancies and related issues, problem resolution, and trouble-shooting post implementation.	1. Deposit sufficient funds into the Plan account as needed to timely pay claim reimbursements. We, with FIS, will correspond with you through reports and other forms of communication (email, phone calls, etc.) regarding details of the Plan account. 2. If you elect to offer debit cards, you agree that in addition to other terms and conditions of any agreement entered into between you and FIS: (a) you are responsible to FIS for all payments made by FIS to fund transactions arising from the debit card use; (b) you will provide a contact name and telephone number to FIS for ACH and payment related questions; (c) FIS will assess a fee of $25 to you for each ACH returned due to insufficient funds. 3. Confirm accuracy of direct deposit information provided by participants. We are not responsible for any fees resulting from incorrect direct deposit information provided by participants. 4. Comply with the applicable provisions of COBRA and the Family Medical Leave Act (FMLA), as related to the Plan. 5. Determine how forfeiture of amounts in the Plan account will be used in accordance with the terms of the Plan and as prescribed by law. 6. As the Plan administrator and fiduciary of the Plan, remain responsible for the general management and administration of the Plan. 7. Review and approve the Plan document and the SPD prior to distributing to Plan participants. 8. Ensure that the Plan document is signed and provide a copy of the SPD to all Plan participants within the time prescribed by ERISA. 9. Provide us with the name and duties of each individual to whom you have delegated responsibilities in connection with administration of the Plan, and a specified signature of each individual. 10. Upon our request, provide timely participant data (through the Platform), for required reporting to the Centers for Medicare and Medicaid Services (CMS), if applicable 11. For Plan participants that spent money using the debit cards for purchases that fell outside the plan year, or that were never documented and subsequently considered ineligible, payroll deduct such funds at the conclusion of the Plan year runout period. 12. If you elect annual non-discrimination testing services, provide us (in our required format through the Platform) with the data required to conduct testing. 13. Determine if participants are able to make mid-year election changes due to a change in status or other circumstances, as set forth in the cafeteria plan and prescribed by law.

Out of Scope Service Fees[10]			$175 Per Hour

1 First Bill Month is applicable to Product Subscription Fees, Product Setup Fees, and Data Conversion Fees. All other Services will have a respective First Bill Month, as specified herein.

2 Prior to go-live, invoicing is based on the benefits-eligible and benefits-ineligible employee counts listed herein. After go-live, invoicing is based on the greater of: (i) the actual benefits-eligible and benefits-ineligible employee count each month; or (ii) the minimum count, defined by the initial census load at go-live. We reserve the right to alter pricing if the actual census load is 10% lower than the benefits-eligible employee count listed herein. You will be responsible for the minimum billing amounts for the current Service Period.

3 Includes Carrier Connect, a process whereby we manually inputs data into a carrier's system until scoped data exchanges go-live.

4 Data exchange with insurance carriers for Small Groups is self-service reporting. Partners include BambooHR, NetSuite, Paycor, and Ultimate Software.

5 Data exchange with non-partners is a one-way exchange between one source and one target system.

6 Fee applies to passive and off-cycle implementations, if elected.

7 PlanSource manages system maintenance; new hire, life event, work status and EOI processing; data exchange operations, discrepancies and auditing; and eligibility management and resolution. PlanSource can also provide QMCSO processing to customers who purchase PlanSource Premium for $10 per QMCSO processed (no setup fee).

8 Additional fees and minimums may apply.

9 We will retain the 2% COBRA administrative fee paid by participants. Optional mass general notice mailing (COBRA Initial Rights) available for $2.50 per letter mailed. Additional fees may apply for the printing of SPD documents (1-14 pages: $20 per packet; 15-50 pages: $35 per packet; Over 50 pages - custom quote).

10 Fee applies to any services and/or additional resources not outlined in this SOS, determined based on scope of project. Additional fees may apply based on project complexity.

As used in this SOS, "PE" means per employee, "PEPM" means per employee per month, "PGPM" means per group per month, "PPPM" means per participant per month, and "PY" means per year. All other capitalized terms not otherwise defined herein shall have the meanings attributed in the Agreement.

This SOS is the ordering document for purchase of the Service subscriptions herein. You hereby acknowledge that this SOS, together with the SaaS Agreement (and all applicable exhibits and attachments thereto) constitutes the entire agreement between us and you governing the Services (collectively, the "Agreement"), to the exclusion of all other terms, and supersedes all prior or contemporaneous agreements, understandings and representations, written or oral, between the parties, with respect to the Services. By signing this SOS, you agree to all of the terms and conditions of the Agreement.

We will invoice you for each Service subscription at the beginning of the applicable First Bill Month, or upon the groups go-live date, whichever comes first. Thereafter, we will invoice you on the first day of each month for all Services provided in that month. Unless otherwise stated in the Agreement, invoiced charges are due net 30 days from the invoice date. The fees in this SOS are calculated based on our current retail fees, minus any applicable discounts. If any fees in this SOS are discounted based on your relationship with your insurance broker, carrier, or other third party, the discount will apply so long as the relationship remains in effect. If the relationship is terminated for any reason, we, upon written notice to you (such notice which may be sent via email), will adjust the fees in this SOS to our current retail fees (or otherwise agreed-upon fees). This adjustment will be effective the first day of the month immediately following delivery of notice to you.

Through the PlanSource Advantage ("PSA") program, participating insurance carriers may provide incentives for you to offer their insurance products and services to your employees. You may access additional information regarding the PSA program, including the current program terms and conditions (available here).

Except as otherwise set forth in the Agreement, we may modify the fees in this SOS at any time after the date that is the third anniversary of the Effective Date of the Agreement. The per-subscription pricing during any renewal Term may increase by up to 7% above the applicable pricing in the prior subscription Term, unless we provide you notice of different pricing at least 60 days prior to the applicable subscription Renewal Term. Except as expressly provided in the applicable SOS, renewal of promotional or one-time priced subscriptions will be at our applicable list price in effect at the time of the applicable renewal. Notwithstanding anything to the contrary, any renewal in which subscription volume for any Services has decreased from the prior subscription Term by more than 10% will result in re-pricing at renewal without regard to the prior subscription Term's per-unit pricing. Notwithstanding any of the foregoing, we reserve the right to modify the fees (and applicable discounts) in this SOS at any time as may be necessary to compensate for changes in: (i) local, state, or federal laws applicable to the Services; (ii) vendor/service provider costs; (iii) service deliverables; (iv) carrier products, offerings, credits and/or discounts; (v) broker of record changes; or (iv) your participation in the PSA program, including moving from one carrier to another carrier.

This Statement of Services is accepted and agreed to as of the Subscription Effective Date above:

Exhibit A
Implementation and Ongoing Support Services and Responsibilities

Successful implementation and ongoing use of the Services is contingent upon each party fulfilling their respective responsibilities outlined below[1]. Failure to comply with your requirements may cause delays and rescheduling of your initial implementation period.

Phase	PlanSource Responsibilities	Employer Group Responsibilities
Pre-Implementation Project Planning Services	1. Commit designated resources to work with you during the implementation period. 2. Conduct a discovery kick-off call to initiate the implementation project. 3. Develop a timeline and tasks for implementation of the Platform. 4. Deliver training for your HR administrators. 5. Provide applicable tools for gathering benefits, plan, and rule information. 6. If applicable, assist in coordinating with benefit carriers/vendors to develop data exchange/EDI protocols.	1. Commit designated resources to work with us during the implementation period. 2. Accept our implementation timelines and tasks. 5-10 hours per week is required during the initial implementation period. Most clients will "go live" with an enrollment-ready system within four weeks following the implementation kick-off call. 3. Attend all Platform training, as directed by us. Benefits administrator(s) must attend Basic Training and Advanced Platform Training. 4. Provide benefit plan/rule information using our tools. 5. Assist in negotiations with carriers/vendors to facilitate billing processes and electronic eligibility data feeds. 6. Participate in scheduled status calls to review project status.
Benefits Administration System Configuration Services	1. Configure the Platform within the scope of its current functional footprint, including, but not limited to, benefits offerings, carrier contract rules, open enrollment, and user access. 2. Display pre-generated educational content per your specifications. 3. Import employee/dependent demographic data you provide using our designated format. 4. Where applicable, load employee benefits data into the Platform once group data files are received from your benefit providers.	1. Provide product benefit content for employee self-service enrollment and decision support. 2. Create self-service reports in the report center. 3. Provide employee/dependent demographic and benefits data for import into the Platform using the tools we provide.
Benefits Administration Quality Assurance and Deployment Services	1. Provide access to a test environment configured with your specific configurations and settings. 2. Conduct walkthrough of the configured system with you to review business rules and settings. 3. Work with you to identify exceptions and determine resolution. 4. Gather and apply your requirements for Platform branding. 5. Provide templates for your acceptance signoff of employer and rate information. 6. Obtain your acceptance signoff and deploy to production environment.	1. Identify test scripts that adequately represent the most common business processes and uses for the Platform. 2. Perform test scripts in the test environment and share results with us. 3. Within five days of making the Platform available, report issues and work with us to resolve them. 4. Provide complete branding requirements for the Platform. Branding items include custom images, page text, videos and/or hyperlinks that will display within the system. You must provide all requirements to us through one consolidated communication prior to approval process for the testing environment.
Data Exchange Development and Deployment[2]	1. Configure the structure, content, and operating parameters for each your data exchange connections. 2. Create one test file for each data exchange connection and provide to respective carrier/vendor via the documented transmission method you will require carrier/vendor to use to validate the transmission within two days of receipt. 3. Collaborate with you on carrier/vendor testing calls to review and validate data exchange connections. 4. Train you to manage carrier discrepancy reports, including evaluating and processing one initial discrepancy report generated by carriers after a file has gone into production. 5. If applicable, update designated carrier/vendor with enrollment changes during the interim reporting period which occurs at any time when carrier/vendor feeds are not in production.	1. Confirm accuracy of Platform configuration prior to go-live date. 2. Provide necessary approvals for access to your carrier(s) platform. 3. Provide each carrier/vendor's data structure, layouts, and requirements for each requested data exchange connection. 4. Manage carrier discrepancy reports after a file has gone into production. 5. Manually update carriers/vendors with enrollment changes during the interim reporting period which occurs at any time when carrier/vendor feeds are not in production or if the vendor is unable to accept a standard layout produced from the Platform with your electronic enrollment data. 6. Following system testing and approval by your authorized representative, we will notify you of system availability for your employees and administrators. At this time, you must sign a system acceptance form. 7. During EDI implementation, work to resolve any discrepancies between us and your carriers/vendors. During this time, your benefits administrator(s) will be responsible for updating elections with your carriers/vendors and within the Platform. We will provide you enrollment changes via a spreadsheet that you may use to update elections with your carriers/vendors.

1 Details regarding specific tasks, resources, and deliverables are defined within the project plan created as part of project coordination and discovery.
2 Data Exchange Development and Deployment Services are not available for Small Groups (<101 Benefits Eligible Employees).

Phase	PlanSource Responsibilities	Employer Group Responsibilities
Post Go-Live Support Services	1. Monitor technical services, including system Internet connectivity, server capacity and configuration, application performance, power, failover, and disaster recovery systems. 2. Administer and maintain database configurations, disk space, and required hardware components. 3. Assist in research and resolve data conflicts and errors. 4. Complete minor updates[3] to your business rules, benefits configurations, and data exchanges, per your instructions. 5. Design and develop features (as solely defined by us), enhancements, and other updates for inclusion in software releases, patches, test environments, and documentation. 6. Make and provide updates to our standard product documentation, user guides, training materials, and online help.	1. Commit designated resources to work with you during annual enrollment period. 2. Maintain all self-service reports in the report center. 3. Provide system training to your employees, and receive and respond to employee questions. 4. Document and implement administrative processes specific to your organization and plans. 5. Report and cooperate with us in resolving any issues, challenges, or concerns related to the Platform. 6. Work with us to update current and future documentation as modifications occur, including at annual enrollment. 7. Attend all required Platform training, and train all new resources utilizing the system. 8. Manage ongoing administration including, but not limited to employee life event processing, evidence of insurability, and student/dependent age verification.

3 “Minor updates” means any update requiring less than one hour of support, as determined by us.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-16454 **County Administrator's Report 12. 35.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 07/18/2019
Issue: Change Order to Volkert, Inc., to Contract PD 17-18.027 - Pensacola Bay Living Shoreline Project
From: Chips Kirschenfeld, Director
Organization: Natural Resources
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Issuance of a Change Order to Contract PD 17-18.027, to Volkert, Inc., for the Pensacola Bay Living Shoreline Project - J. Taylor "Chips" Kirschenfeld, Director, Department of Natural Resources Management

That the Board approve and authorize the County Administrator to execute the following Change Order to Volkert, Inc., to contract PD 17-18.027, for the Pensacola Bay Living Shoreline Project:

Department:	Natural Resources Management
Division:	Administration
Type:	Addition to PO
Amount:	$375,532.21
Vendor:	Volkert, Inc.
Project Name:	Pensacola Bay Living Shoreline Project
Contract:	PD 17-18.027
PO#:	191138
CO#:	1
Original Award Amount:	$217,480.00
Cumulative Amount of Change Orders Through This CO:	$375,532.21
New Contract Total:	$593,012.21

This project is located in Commission District 2.

[Funding Source: Fund 110, Other Grants and Projects, Cost Center 221029, Defense Infrastructure NAS MEZ $375,532.21]

BACKGROUND:

On February 21, 2019, the Board awarded Contract PD 17-18.027 - Pensacola Bay Living Shoreline Project to Volkert, Inc., in the amount of $217,480 for Base Services, with $581,473 for Optional Services, to be funded with future Grants. Due to limited fund availability during fee negotiations and contract award, tasks were allocated to Optional Services until additional funding could be secured.

On January 24, 2019, the Board approved and authorized the Chairman to sign the Defense Infrastructure Grant (DIG) Agreement #S0114 with the State of Florida Department of Economic Opportunity (DEO), in the amount of $375,532.21, to augment existing planning, engineering, and regulatory permitting funds for the Pensacola Bay Living Shorline Project at Naval Air Station (NAS) Pensacola that has matching funding from the Gulf Coast Ecosystem Restoration Council.

This Change Order will increase the Purchase Order in the amount of $375,532.21, but does not increase the awarded Contract amount.

BUDGETARY IMPACT:

Funding for this Change Order is available as follows: Fund 110, Other Grants and Projects, Cost Center 221029, Defense Infrastructure NAS MEZ - $375,532.21.

Funding for the original Purchase Order is available in Fund 118, Gulf Coast Restoration Fund, Cost Center 221041, in the amount of $217,480. This Change Order will increase the Purchase Order in the amount of $375,532.21, but does not increase the awarded Contract amount.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the provisions of the Code of Ordinances of Escambia County, Florida, Chapter 46, Finance, Article II, Purchasing and Contracts.

IMPLEMENTATION/COORDINATION:

Upon approval of this Recommendation, a Change Order will be transmitted to the Office of Purchasing for processing.

COUNTY ADMINISTRATOR'S REPORT – Continued

II. BUDGET/FINANCE CONSENT AGENDA – Continued

5. Recommendation: That the Board take the following action concerning a Defense Infrastructure Grant Agreement #S0114 for Fiscal Year 2018-2019 between the State of Florida Department of Economic Opportunities (FDEP) and Escambia County:

A. Approve, and authorize the Chairman to sign, the Defense Infrastructure Grant Agreement #S0114 with the State of Florida Department of Economic Opportunities, in the amount of $375,532.21, to augment existing planning, engineering, and regulatory permitting funds for the Pensacola Bay Living Shoreline Project at Naval Air Station Pensacola that has matching funding from the Gulf Coast Ecosystem Council for this project; and

B. Authorize the Chairman to sign any subsequent Grant-related documents, including no-cost extensions, pending Legal review and approval, without further action from the Board.

Note: The County Attorney's Office has requested that the Board be made aware of the language within the Agreement, Page 2, ¶F. 1., which requires venue for any action arising out of or relating to the agreement in the appropriate state court in LEON COUNTY.

[Funding: Fund 110, Other Grants and Projects Fund, new Cost Center - A minimum match of 30% ($112,659.66) is required. Matching funds will be provided through FDEP Grant G0448 from the Gulf Coast Ecosystem Restoration Council ($217,000) that was approved by the Board on April 20, 2017.]

Motion: To move the balance **For Information:** The "balance" refers to Items 1 through 25, with the exception of Items 6, 7, 8, 12, 14, 15, 17, and 24, which were held for separate votes.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried unanimously

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

AGREEMENT

THIS AGREEMENT is made and entered into this 28th day of February, 2019, by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "the County"), whose address is 221 Palafox Place, Pensacola, Florida 32502, and Volkert, Inc., a for-profit corporation authorized to transact business in the State of Florida, whose address is 215 Fairpoint Drive, Gulf Breeze, FL 32561, and whose Federal tax identification number is 63-0247014 (hereinafter referred to as the "Consultant").

ARTICLE I
DEFINITIONS AND IDENTIFICATIONS

For purposes of this Agreement and the various covenants, conditions, terms, and provisions which follow, the definitions and identifications set forth below are assumed to be true and correct and are, therefore, agreed upon by the parties.

1.1 BOARD OF COUNTY COMMISSIONERS: The Board of County Commissioners of Escambia County, Florida, means the governing body of the Escambia County Government.

1.2 CONSULTANT: Volkert, Inc. is the Consultant selected to perform professional services pursuant to this Agreement.

1.3 CONTRACT ADMINISTRATOR: Whenever the term "Contract Administrator" is used herein, it is intended to mean Matt Posner, Environmental Program Manager, Natural Resources Management. In the administration of this contract, as contrasted with matters of policy, all parties may rely upon instructions or determinations made by the Contract Administrator.

1.4 CONTRACT SERVICES: The intent of this Contract is to make available certain professional consultant services to Escambia County as outlined herein.

1.5 COUNTY: Escambia County is a body corporate and politic and a political subdivision of the State of Florida.

1.6 LUMP SUM COMPENSATION: Lump sum computation refers to the method of payment under this Agreement for the professional services of the Consultant.

1.7 NOTICE TO PROCEED: A Notice to Proceed is the written authorization issued by the County or the Contract Administrator to commence the Project.

1.8 PROJECT: It is the intent of this Agreement that the Consultant provide to the County certain professional services for Pensacola Bay Living Shoreline Project.

ARTICLE 2
PREAMBLE

In order to establish the background, context, and frame of reference for this Agreement and to generally express the objectives and intentions of the respective parties herein, the following statements, representations, and explanations shall be accepted as predicates for the undertakings and commitments included within the provisions which follow and may be relied upon by the parties as essential elements of the mutual considerations upon which this Agreement is based.

2.1 Under this Agreement, Escambia County will budget funds during Fiscal Year(s) 17-18 in the amount of Two Hundred Seventeen Thousand Four Hundred Eighty ($217,480.00) Base Services and Five Hundred Eight One Thousand Four Hundred Seventy Three Dollars ($581,473.00) Optional Services for a total of Seven Hundred Ninety Eight Thousand Nine Hundred Fifty Three Dollars ($798,953.00) for this Project.

2.2 The Board of County Commissioners has met the requirements of the Consultants' Competitive Negotiation Act, as contained in Section 287.055, Florida Statutes, as amended, and has selected the Consultant to perform the services hereunder.

2.3 Negotiations pertaining to the services to be performed by the Consultant were undertaken between Consultant and a committee selected by the Board of County Commissioners, and this Agreement incorporates the results of such negotiation.

ARTICLE 3
SCOPE OF WORK

The Consultant will provide certain professional consultant services for the tasks outlined in Escambia County's Request for Letters of Interest (RLI) in Specification No. PD 17-18.027, Pensacola Bay Living Shoreline, and as represented in the Consultant's Letter of Interest response to PD 17-18.027, subsequent interview, and proposal presentation. In the event of a conflict between the terms of the proposal and this Agreement, the terms of this Agreement shall prevail.

3.1 The basic services to be provided are set forth in Exhibit "A," attached hereto and incorporated by reference herein, and unless otherwise specified, such services shall be completed in accordance with the standard care in the profession at the time such services are rendered.

3.2 Such services, generally, shall include those services performed by a consultant, its employees, and subcontractors, as more specifically enumerated in the Scope of Work of Exhibit "A" and any other services specifically included therein.

3.3 The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by the Consultant under this Agreement. The consultant shall, without additional compensation, correct or revise any errors or omissions in its designs, drawings, specifications, and other services furnish pursuant to the Agreement.

(a) Neither the County's review, approval or acceptance of, nor payment for, the services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement, and the Consultant shall be and remain liable to the County in accordance with applicable law for all damages to the County caused by the Consultant's negligent performance of any of the services furnished under this Agreement.

(b) The rights and remedies of the County provided for under this Agreement are in addition to any other rights and remedies provided by law.

(c) If the Consultant is comprised of more than one legal entity, each such entity shall be jointly and severally liable hereunder.

3.4 The Consultant shall accomplish the design services required under this Agreement so as to permit the award of a contract at a price that does not exceed the estimated construction contract price as set forth in paragraph (b) below. When bids or proposals for the construction contract are received that exceed the estimated price, the Consultant shall perform such redesign and other services as are necessary to permit contract award within the funding limitation. These additional services shall be performed at no increase in the price of this Agreement. However, the Consultant shall not be required to perform such additional services at no cost to the County if the unfavorable bids or proposals are the result of conditions beyond its reasonable control.

(a) The Consultant will promptly advise the County if it finds that the project being designed will exceed or is likely to exceed the funding limitations, and it is unable to design a usable facility within these limitations. Upon receipt of such information, the County will review the Consultant's revised estimate of construction cost. The County may, if it determines that the estimated construction contract price set forth in this Agreement is so low that award of a construction contract not in excess of such estimate is improbable, authorize a change in scope or materials as required to reduce the estimated construction cost to an amount within the estimated construction contract price set forth in paragraph (b) below, or the County may adjust such estimated construction contract price. When bids or proposals are not solicited or are unreasonably delayed, the County shall prepare an estimate of constructing the design submitted and such estimate shall be used in lieu of bids or proposals to determine compliance with the funding limitation. In the event the county increases the amount in (b) below the compensation to the consultant may be increased equitably.

(b) The estimated construction contract price for the project described in the Agreement is To Be Determined.

3.5 The Consultant may be liable for County costs resulting from negligent, reckless or intentionally wrongful errors or omissions in designs furnished under this Agreement, or failure to timely perform its services under this Agreement. Therefore, when a modification to a construction contract is required because of a negligent, reckless or intentionally wrongful error or omission in the services provided under this Agreement, the County (with the advice of technical personnel and legal counsel) shall consider the extent to which the Consultant may be reasonably liable. The County shall enforce such liability and collect the amount due, if the recoverable cost will exceed the administrative cost involved or is otherwise in the County's interest.

ARTICLE 4
TIME FOR PERFORMANCE

4.1 The schedule for completion of the Consultant's services shall be in accordance with Exhibit "B," which is attached hereto and made a part hereof. Such schedule may be modified from time to time upon the mutual consent of the County and the Consultant.

4.2 These services shall be performed as expeditiously as is consistent with professional skill and care and the orderly progress of the Project. The Consultant's schedule for the performance of its services shall include allowances for periods of time required for the County's review and for its approval of submissions by the Consultant. Time limits established by this schedule, which are hereby approved by the County, shall not be exceeded by the Consultant, except for reasonable cause.

4.3 Prior to beginning the performance of any basic services under this Agreement, the Consultant must receive in writing a Notice to Proceed from the Contract Administrator.

ARTICLE 5
COMPENSATION AND METHOD OF BILLING AND PAYMENT

5.1 COMPENSATION: The County agrees to pay the Consultant, as compensation for its services under Section 3.1 of this Agreement, an aggregate fee for certain project tasks pursuant to the fee schedule set forth in Exhibit "C," attached hereto and made a part hereof. At the completion of each task, the Consultant will be compensated by a lump sum amount, which has been negotiated for that task, unless otherwise mutually agreed to by the parties hereto. The total fee for all such services, to be performed by the Consultant, including costs, direct expenses, and any other charges described in Section 5.3, is to be paid as follows: A lump sum amount of Two Hundred Seventeen Thousand Four Hundred Eighty ($217,480.00) Base Services and Five Hundred Eight One Thousand Four Hundred Seventy Three Dollars ($581,473.00) Optional Services for a total of Seven Hundred Ninety Eight Thousand Nine Hundred Fifty Three Dollars ($798,953.00). Final payment will be subject to approval by the Board of County Commissioners.

5.2 FEE SCHEDULE: The "fee schedule," as used herein, shall mean the charges shown in Exhibit "C" for certain tasks to be performed by the Consultant. Such fees shall include, all inclusively the Consultant's salaries of professional and administrative staff, sick leave, vacation, unemployment, excise and payroll taxes, contributions for social security, unemployment compensation insurance, retirement benefits, medical and insurance benefits, air travel, auto travel, telephone, facsimile, reproduction costs, other routine overhead expenses, profit, and all other expenses of every type.

5.3 DIRECT EXPENSES: Direct expenses are those expenses directly attributable to the Project, which will be exclusively borne by Consultant, and are included in its aggregate fee, they shall include, but not be limited to, the following:

(a) Transportation expenses in connection with the Project.
(b) Living expenses in connection with travel and any other travel expenses.
(c) Long distance communications and other miscellaneous budget expenses.
(d) Cost of printing plans, drawings, and specifications which are required by or of the Consultant to deliver the services set forth in this Agreement. The Consultant

agrees and understands that it will furnish to the County two (2) sets of all Project plans, reports, and specifications in a bound format acceptable to the County.

(e) Cost of any software or hardware used or developed for the Project, including CAD/CADD time.

5.4 METHOD OF BILLING AND PAYMENT:

(a) For lump sum contracts, the Consultant may submit bills to the County at the completion and approval of each task or at the partial completion of a task on a pro-rata basis. However, requests for payment shall not be made more frequently than once a month. The Consultant shall submit such monthly statements identifying the nature of the work performed.

Calculations shall be made monthly of the amount and value of the work accomplished and services performed by the Consultant which meet the standards of quality established under this Agreement. The estimates shall be prepared by the Consultant and accompanied by such supporting data as required by the Contract Administrator.

(b) The County agrees that it shall pay the Consultant within forty five (45) business days of receipt of the Consultant's statement provided that the invoice is correct and is consistent with the terms of this Agreement.

(c) Payments under this Agreement and interest on any late payments shall be governed by the Florida Prompt Payment Act, §§ 218.70, et seq., as amended.

5.5 NOTICES:

(a) Any notice, invoice, payment, or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or other private courier service, such as Federal Express.

(b) Unless otherwise notified in writing of a new address, notices, payment, and invoices shall be made to each party at the below listed addresses. Rejection, or other refusal by the addressee to accept, or the inability of the courier service, or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

(c) Payments and Notices to the Consultant shall be made to:

Volkert, Inc. Attn: Mike Warnke
215 Fairpoint Drive
Gulf Breeze, FL 32561

(d) Invoices to the County shall be sent to:

Escambia County
Natural Resources Management
Matt Posner, Project Manager
223 Palafox Place
Pensacola FL 32502

Notices to the County shall be sent to:

Amy Lovoy
Interim County Administrator
P. O. Box 1591
Pensacola, Florida 32597-1591

ARTICLE 6
ADDITIONAL SERVICES AND CHANGES IN SCOPE OF WORK

6.1 The County or the Consultant may request changes that would increase, decrease, or otherwise modify the Scope of Work to be provided under this Agreement. Such changes must be in accordance with the procurement policies of the County and must be contained in a written amendment, executed by the parties thereto, with the same formality and of equal dignity prior to any deviation from the terms of this Agreement, including the initiation of any extra work.

ARTICLE 7
COUNTY'S RESPONSIBILITIES

7.1 The County shall furnish to the Consultant, as required for performance of the Consultant's basic services, all available data prepared by or the result of the services of others, including without limitation (as may be appropriate): building plans and related drawings, core borings, probings, and subsurface explorations, hydraulic surveys, laboratory tests, and inspections of samples, materials, and equipment, appropriate professional interpretations of all of the foregoing; environmental assessments and impact statements, appropriate professional interpretations of all of the foregoing; property boundary, easement, rights-of-way, topographic and utility surveys; property descriptions; zoning, deed, and other land use restrictions; and any other special data or consultations relating to this Project.

7.2 The County shall arrange for access to and make all provisions for the Consultant to enter upon public and private property as required for the Consultant to perform its services.

7.3 Within a reasonable time so as not to delay the services of the Consultant, the County shall examine all studies, reports, sketches, drawings, specifications, proposals, and other documents presented by the Consultant, obtain advice of an attorney, insurance counselor, or other Consultants, as the County deems appropriate, for such examinations and the rendering, if required, of written opinions pertaining thereto.

7.4 The County shall furnish approvals and permits from all governmental authorities having jurisdiction over the Project and such approvals and consents from others as may be necessary for completion of the Project.

7.5 The County shall give prompt written notice to the Consultant whenever the County observes or otherwise becomes aware of any development that affects the scope of timing of the Consultant's services, or any defect in the work of the Consultant.

ARTICLE 8
CONSULTANT'S RESPONSIBILITIES

8.1 QUALITY OF SERVICES:

(a) The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished pursuant to this Agreement.

(b) To that end, the Consultant shall correct or shall revise, without additional compensation, any errors or omissions in its work product or shall make such revisions as are necessary as the result of the failure of the Consultant to provide an accurate, more efficient, and properly constructable product in its designs, drawings, specifications, or other services.

(c) The County's review/approval/acceptance of or payment for the services required by this Agreement shall NOT be construed to operate as a waiver of any rights or of any cause of action arising out of the performance of this Agreement. Additionally, the Consultant shall be and remain liable to the County in accordance with applicable law for all damages to the County caused by the Consultant's negligent performance of any of the services furnished under this Agreement.

(d) The rights and remedies of the County provided for under this Agreement are in addition to any other rights and remedies otherwise provided by law.

8.2 CONSULTANT PROFESSIONAL REGISTRATION AND CERTIFICATION:

(a) The design services provided to the County by the Consultant shall be certified by professional consultants registered to practice and in good standing in the State of Florida. Any project inspection services also shall be reviewed and shall be approved by such professional consultants.

(b) The survey services provided to the County by the Consultant shall be certified by professional land surveyors registered to practice and in good standing in the State of Florida.

(c) Permit applications to State and Federal agencies prepared by the Consultant shall be signed and shall be sealed by the Consultant, as the project's Consultant of Record. For all such permit applications, post-construction certification also shall be made by the Consultant to the appropriate State or Federal permitting agency.

ARTICLE 9
GENERAL PROVISIONS

9.1 OWNERSHIP OF DOCUMENTS:

(a) Drawings, specifications, design, models, photographs, reports, surveys, and other data, including intellectual property of any type or description, produced by the Consultant in connection with this Agreement are and shall remain the property of the County whether the Project for which they were made is completed or not. Such

ownership also shall include any electronic files developed or created of such documents.

(b) When such documents are provided to other parties, the Consultant shall ensure return of the County's property by collecting, if appropriate, a deposit equal to the cost of reproduction. Such deposit shall be returned if the documents are timely returned in a useable condition. Otherwise, such deposit shall be retained by the Consultant.

9.2 TERMINATION:

(a) This Agreement may be terminated by either party for cause, or by the County for convenience, upon fourteen (14) days written notice by the terminating party to the other party of such termination in which event the Consultant shall be paid its compensation for services performed to termination date, including all reimbursable expenses then due or incurred to the date of termination.

(b) Termination for cause shall include, but not be limited to, misuse of funds, fraud, lack of compliance with applicable rules, laws, regulations, and ordinances, and failure to perform in a timely manner any provision of this Agreement.

(c) In no event shall a termination for convenience by the County be deemed a default, and any such termination shall not subject the County to any penalty or other claim for damages. If the Consultant abandons this Agreement or causes it to be terminated, the Consultant shall indemnify the County against any loss pertaining to this termination up to a maximum of 1.3 times the full contracted fee amount of the Project. All finished or unfinished documents, data, studies surveys, drawings, maps, models, photographs, and reports prepared by the Consultant shall become the property of the County and shall be immediately delivered by the Consultant to the County.

(d) Vendor suspension or debarment proceedings brought by County pursuant to Chapter 46, Article II, Division 2, Section 46-102, Escambia County Code of Ordinances, shall be grounds for immediate termination of this Agreement.

9.3 RECORDS:

(a) The Consultant shall keep such records and accounts and shall require any subcontractors to keep records and accounts as may be necessary in order to record complete and correct entries as to personnel hours charged to this engagement and any expenses for which the Consultant expects to be reimbursed. Such books and records will be available at all reasonable times for examination and audit by the County, and shall be kept for a period of three (3) years after the completion of all work to be performed pursuant to this Agreement. Incomplete or incorrect entries in such books and records will be grounds for disallowance by the County of any fees or expenses based upon such entries.

(b) The Consultant acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. The Consultant shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. The Consultant shall also ensure that any public records that are

exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Consultant agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Consultant fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any right or remedy and after giving the Consultant and its surety, if any, seven (7) days written notice, during which period the Consultant still fails to allow access to such documents, terminate the employment of the Consultant. In such case, the Consultant shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Consultant (excluding monies owed the Consultant for subcontractor work).

IF THE CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

9.4 NO CONTINGENT FEES: The Consultant warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Consultant to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Consultant any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of this provision, the County shall have the right to terminate the Agreement without liability and at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

9.5 SUBCONTRACTORS: The County approves the use of subcontractors by the Consultant. In the event the Consultant, during the course of the work under this Agreement, requires the services of any subcontractors or other professional associates in connection with services covered by this Agreement, it must secure the prior written approval of the County for employment of such subcontractors.

9.6 ASSIGNMENT: This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the Consultant, without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

9.7 HOLD HARMLESS AND INDEMNIFICATION OF COUNTY:

The Consultant agrees to hold harmless and indemnify the County and its agents, officers, and employees from all liabilities, damages, losses, and costs, including attorneys' fees and paralegals' fees, incurred by County to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Consultant or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Consultant, or by any other person for whom the Consultant is legally liable. Consultant's obligation as provided herein shall be limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Consultant or by any person, firm or corporation to whom any portion of the Work is subcontracted by Consultant, and Consultant shall not be required to indemnify and hold harmless County where County's negligence, recklessness, or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's and paralegal fees.

County and Consultant agree one percent (1%) of the Contract Amount paid by County to Consultant shall be given as separate consideration for this indemnification, and any other indemnification of County by Consultant provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Consultant by Consultant's acceptance and execution of the Agreement.

Consultant agrees that such indemnification by the Consultant relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any statutes of limitations thereafter. The Consultant's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

9.8 INSURANCE: The Consultant is required to carry the following insurance:

(a) Commercial General Liability with $1,000,000 minimum per occurrence, including coverage parts of bodily injury, property damage, broad form property damage, personal injury, independent contractors, blanket contractual liability, and completed operations.

(b) Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles.

(c) Professional Liability coverage with $1,000,000 minimum limit, except where the estimated construction contract price for the project described in the Agreement is greater than $5 Million dollars, the minimum limit of professional liability coverage shall be equal to 25% of the estimated construction contract price for the project. Said coverage shall be continuously maintained and in effect for a period of not less than **five (5) years** from the effective date of this Agreement. The policy limit of liability shall not include legal fees and other defense costs. If a claims made form of coverage is provided, the retroactive date of coverage shall be no later than the effective date of this Agreement and shall not be advanced.

If at any time during the aforementioned policy period there should be a cancellation, non-renewal, or lapse in coverage, professional liability coverage shall be extended for the remainder of the five year period with a supplemental extended reporting period (SERP) endorsement to take effect upon expiration of the policy period referenced

above. The limits of liability applicable to the SERP coverage shall be equal to the limits of liability applicable to the policy referenced above and to which the endorsement attaches.

(d) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

(e) It is understood and agreed by the parties that in the event that the Consultant, as defined in Section 1.2, consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

(f) All liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be a minimum financial size of VII, according to the latest edition of the A.M. Best Key Rating Guide. An A or better Best Rating is referred; however, other ratings if "Secure Best Ratings" may be considered. Liability policies shall be underwritten on the occurrence basis, except the professional and environmental impairment coverage may be provided on a claims made basis. Escambia County and the Board of County Commissioners shall be "additional insured's" on all liability policies (except professional liability). Certificates of insurance shall be provided to Joe Pillitary, Purchasing Manager, P.O. Box 1591, Pensacola, Florida 32597-1591 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County and shall provide for a minimum of thirty (30) days notice of cancellation. Escambia County and the Board of County Commissioners also shall be the certificate holders.

9.9 REPRESENTATIVE OF COUNTY AND CONSULTANT:

(a) It is recognized that questions in the day-to-day conduct of the Project will arise. The Contract Administrator, upon request by the Consultant, shall designate and shall advise the Consultant in writing, persons to whom all communications pertaining to the day-to-day conduct of the Project shall be addressed.

(b) The Consultant shall inform the Contract Administrator in writing of the representative of the Consultant to whom matters involving the conduct of the Project shall be addressed.

9.10 ALL PRIOR AGREEMENTS SUPERSEDED:

(a) This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein, and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or Agreements whether oral or written.

(b) It is further agreed that no modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

9.11 TRUTH-IN-NEGOTIATION CERTIFICATE: The signing of this Agreement by the Consultant shall act as the execution of a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation of this Agreement are accurate, complete, and current at the time of contracting. The original contract price and any additions thereto shall be adjusted to exclude any significant sums by which the County determines the contract price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such contract adjustments shall be made within one (1) year following the end of this Agreement.

9.12 HEADINGS: Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

9.13 GRATUITIES: Neither the Consultant nor any of its employees, agents, and representatives shall offer or give to an officer, official, or employee of the County gifts, entertainment, payments, loans, or other gratuities. The Consultant acknowledges knowledge of the State of Florida's ethics statutes and to the extent applicable to the Consultant, the Consultant agrees to abide with such statutes.

9.14 CONFLICT OF INTEREST: The Consultant hereby certifies that it will completely disclose to the County all facts bearing upon any possible conflicts, direct or indirect, with its performance which it believes that any officer, employee, or agent of the Consultant now has or will have. Said disclosure shall be made by the Consultant contemporaneously with the execution of this Agreement and at any time thereafter that such facts become known to the Consultant. The Consultant at all times shall perform its obligations under this Agreement in a manner consistent with the best interests of the County. Failure to abide by this section shall result in the immediate termination of this Agreement pursuant to Chapter 46, Article II, Division 4 of the Escambia County Code of Ordinances.

9.15 SURVIVAL: All other provisions which, by their inherent character, sense, and context are intended to survive termination of this Agreement, shall survive the termination of this Agreement.

9.16 GOVERNING LAW: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue for any matter which is a subject of this Agreement shall be in the County of Escambia.

9.17 INTERPRETATION: For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If the Consultant discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, the Consultant shall immediately notify the County and request clarification of the County's interpretation of this Agreement.

(b) This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

9.18 SEVERABILITY: The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed and enforced as if this Agreement did not contain such invalid or unenforceable portion or provision.

9.19 COMPLIANCE WITH LAWS: The Consultant shall keep fully informed regarding and shall fully and timely comply with all current laws and future laws that may affect those engaged or employed in the performance of this Agreement. Without limiting the generality of the foregoing, the Consultant shall observe all rules and regulations of federal, state, and local officials relating to the subject matter of this Agreement.

9.20 EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY): In accordance with State of Florida, Office of the Governor, Executive Order 11-116 (superseding Executive Order 11-02; Verification of Employment Status), in the event performance of this Agreement is or will be funded using state or federal funds, the CONTRACTOR must comply with the Employment Eligibility Verification Program ("E-Verify Program") developed by the federal government to verify the eligibility of individuals to work in the United States and 48 CFR 52.222-54 (as amended) is incorporated herein by reference. If applicable, in accordance with Subpart 22.18 of the Federal Acquisition Register, the CONTRACTOR must (1) enroll in the E-Verify Program, (2) use E-Verify to verify the employment eligibility of all new hires working in the United States, except if the CONTRACTOR is a state or local government, the CONTRACTOR may choose to verify only new hires assigned to the Agreement; (3) use E-Verify to verify the employment eligibility of all employees assigned to the Agreement; and (4) include these requirement in certain subcontracts, such as construction. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

9.21 PARTICIPATION IN OTHER PROCEEDINGS: At the County's request, the Consultant shall allow itself to be joined as a party in any legal proceeding that involves the County regarding the design, construction, or installation of any matter which is the subject of this Agreement. This provision is for the benefit of the County and not for the benefit of any other party.

9.22 FURTHER DOCUMENTS: The parties shall execute and deliver all documents and perform further actions that may reasonably necessary to effectuate the provisions of this Agreement.

9.23 NO WAIVER: The failure of the Consultant or the County to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Agreement.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement on the respective dates under each signature: Escambia County, Florida through its Board of County Commissioners, signing by its County Administrator, duly authorized to execute this Agreement through the express delegation of authority set forth in Chapter 46, Article II of the Escambia County Code of Ordinances, and Volkert, Inc., signing by and through its President, duly authorized to execute same.

COUNTY:
ESCAMBIA COUNTY, FLORIDA, a political subdivision of the State of Florida acting by and through its duly authorized Board of County Commissioners.

Re: Pensacola Bay Living Shoreline- Scope of Services and Fee Proposal

Dear Mr. Nobles-

Volkert, Inc. is pleased to provide the design services proposal for the proposed Pensacola Bay Living Shoreline Project.

The included scope of work and fee proposal was approved by the selection committee on Wednesday, December 19, 2018.

The Fee Proposal for the approved scope of services is as follows:

Fee Proposal:

Base Services- $217,480.00*

Optional Services- $581,473.00

Total- $798,953.00

*Please note, as discussed and agreed, the project cannot be completed with the completion of the Base Services only a majority of the optional services will be required to complete the project successfully.

Schedule: Included is the anticipated preliminary schedule for the project.

Should you have any questions or comments, please give me a call.

Sincerely,

Mike Warnke, PE
Project Manager
Volkert, Inc.

Base Services			
Task	**Description**	**Deliverables**	**Vokert Lump Sum Fee**
Task 1: Comprehensive Site Evaluation & Project Discussion			
	Key members of the Firm's project team (project manager, coastal engineer, environmental, DOD coordination, etc.) will participate in a comprehensive site evaluation/inspection of the entire project area followed by a project discussion/kick-off meeting with Escambia County, Naval Air Station Pensacola, Florida Department of Environmental Protection, and other key stakeholders. Escambia County will coordinate/facilitate required water access and the meeting location. Firm will provide draft/final site evaluation itinerary and draft/final project discussion agenda. Drafts will be submitted a minimum of 30 days prior to the scheduled events. Firm will coordinate/acquire their own DOD access authorization. Project discussion will include introductions, rolls and responsibilities, project goals, grant requirements, NAS mission, project constraints, findings from the site evaluation, public comments, etc. Firm will facilitate project discussion/kick-off meeting. Individual discussion topics may be led by the appropriate key stakeholders. Escambia County intends to coordinate both the site evaluation and project discussion with the Gulf Coast Interagency Environmental Restoration Working Group. The Working Group was created by the Gulf Coast Ecosystem Restoration Council to facilitate state and federal coordination for Pot 2 projects and streamline the permitting process.	1. Draft/final site evaluation itinerary 2. Discussion/kick-off meeting draft/final agenda 3. Meeting attendance 4. Site evaluation & discussion/kick-off meeting summary	$19,520.00
Task 2: Preliminary Engineering			
Task 2.1: Compilation/Review of Existing Applicable Data & Evaluation of Data Gaps	Firm shall compile and review available project related data. Data to be incorporated includes at least the following: grant requirements, pre-design public comments, unclassified NAS mission related documents, orthorectified historic & current aerial photography, existing submerged land leases/ownership, historic & current nautical information, applicable historic meteorological data, tide & current data, sea level rise and subsidence, bathymetric data, topographic data, water quality data, historic & active state and federal permits, available historic/archeological data, dredging records, applicable scientific studies / best available science, fisheries data, threatened/endangered species, and habitat surveys. Firm shall coordinate with Escambia County, NAS, other governmental agencies, and key stakeholders to obtain available documents and/or data. Firm shall provide a list/copy of all documents and data reviewed under task. Firm shall evaluate and identify any significant data gaps. Firm shall provide list/description of significant data gaps.	1. List of data/documents compiled/reviewed 2. Electronic copy of data/comments compiled/reviewed 3. List/Description of significant data gaps	$21,340.00
Task 2.2: Coastal Conditional Analysis	Firm shall conduct a coastal conditions analysis to define key design parameters such as tide, storm surge elevations, wave characteristics, and other site specific characteristics. Analysis shall incorporate data compiled in other completed Tasks such as tidal datums, historic storm surge elevations, wind records, critical fetch lengths, existing bathymetric data, etc. Firm shall perform empirical wave modeling to determine probable wave characteristics (e.g. wave heights and periods) during average conditions and varying-level storm events. Conditions shall include tides and storm The analyses shall provide the coastal conditions necessary to perform preliminary engineering design of breakwater structures and living shoreline features (e.g. crest height, slopes, orientation, etc.) and allow the project team to preliminarily assess the risks associated with varying design conditions.	1. Results of coastal conditional analysis to be incorporated into Task 2.3	$19,840.00
Task 2.3: Basis of Design Report & Final Decision/Risk Matrix	Firm shall develop a Basis of Design Report and decision/risk matrix for sites A, B, and C. Report shall include/address at least the following items: grant requirements, project goals, project constraints, existing conditions, risks, findings from other completed Tasks, project concepts, sea level rise, construction materials, survivability, constructability, permitting, initial public comments, habitat assesment plan, etc. Habitat Assement plan shall take into consideration proposed/ongoing monitoring of other large scale living shoreline projects in Pensacola Bay and along the gulf coast. Firm will develop site specific project concepts to be evaluated for sites A, B, and C based on the Firm's costal engineering experience and initial findings of other completed Tasks. Firm will evaluate the most likely sea level rise scenario over the projected lifespan of the project based on best available science. Firm shall evaluate and rank project concepts based on the developed decision/risk matrix. All data and documents compiled, collected, and/or reviewed under other Tasks shall be incorporated.	1. Draft/final Basis of Design Report for Sites A, B, & C 2. Draft/final Decision/Risk Matrix for Sites A, B, & C	$37,060.00
Task 3: Engineering Design & Plan Development			
Task 3.1: 30% Construction Drawings & Specifications	Based upon the selected alternative by the County, the firm will prepare 30% construction drawings and specifications. Firm will present submittal to key stakeholders; County will collect public comment to incorporate with county comments on submittal; Firm will acquire NAS letter of concurrence; Firm will provide Engineer's Opinion of Probable Cost.	1. 30% Construction Drawings & Specifications for Sites A, B, & C 2. Engineer's Opinion of Probable Cost for Sites A, B, & C 3. NAS Letter of Concurrence	$32,200.00
Task 3.2: 60% Construction Drawings & Specifications	Based on Escambia County's review of the 30% drawings and comments from the regulatory agencies and public, the firm will prepare 60% construction drawings and specifications. The 60% package will include furtherance of the 30% design, technical specifications outline, and a revised OPCC. Firm will present submittal to key stakeholders; County will collect public comment to incorporate with county comments on submittal; Firm will acquire NAS letter of concurrence; Firm will provide Engineer's Opinion of Probable Cost.	1. 60% Construction Drawings & Specifications for Sites A, B, & C 2. Engineer's Opinion of Probable Cost for Sites A, B, & C 3. NAS Letter of Concurrence	$42,315.00
Task 3.4: 100% Construction Drawings, Specifications, & Bid Documents	Based on Escambia County's review of the 90% drawings and comments from the regulatory agencies and public, the firm will prepare 100% construction drawings and specifications. The 100% package will include final design, technical specifications, and a revised OPCC. Firm will host conference call to present submittal to key stakeholders; Firm will acquire NAS letter of concurrence; Firm will provide Engineer's Opinion of Probable Cost.	1. 100% Construction Drawings & Specifications for Sites A, B, & C 2. Engineer's Opinion of Probable Cost for Sites A, B, & C 3. Draft/Final Bid Documents 4. NAS Letter of Concurrence	$35,505.00
Task 4.1: Public Meeting @ 30% Design	County to publicize & organize; County will secure facility; Firm will present design with support from Escambia County & answer questions; County will compile attendance and summarize any comments.	1. Participation and presentation	$9,700.00
Optional Services			$217,480.00 **Total Base Services**

Exhibit "C"

Task	Description	Deliverables		
Task 4: Stakeholder Outreach / Public Engagement				
Task 4.1: Public Meeting Prior to Finalization of Site Design & Permit Application Submittal	County to publicize & organize; County will secure facility; Firm will present design with support from Escambia County & answer questions; County will compile attendance and summarize any comments.	1. Participation and presentation	$9,700.00	
Task 4.1.1: Additional Public Meeting(s)	County to publicize & organize; County will secure facility; Firm will present design with support from Escambia County & answer questions; County will compile attendance and summarize any comments.	1. Participation and presentation	$9,700.00	
Task 5: Optional Engineering Services				
Task 5.1: Geotechnical Survey	Firm shall conduct the geotechnical survey according to the approved final. Geotechnical survey shall be adequate to support design of Sites A, B, & C. Results of the assessment will be incorporated into the Task 2.3 Basis of Design Report.	1. Geotechnical survey report 2.Results of geotechnical survey to be incorporated into Task 2.3	$58,665.00	
Task 5.1.1: Geotechnical for up to two Borrow Sites	Geotechnical survey and testing for up to two Borrow Sites shall be adequate to support design and permitting of up to two borrow sites. Sample Testing shall include testing for RCRA metals, zinc, copper, nickel, hardness, PAHs & TRPH, triplicate samples for SPLP and elutriate samples. Results of the assessment will be incorporated into the Task 2.3 Basis of Design Report.	1. Geotechnical survey report 2.Results of geotechnical survey to be incorporated into Task 2.3	$15,300.00	
Task 5.2 Allowance for Topographic or Boundary Survey	Firm shall provide limited surveying services for topographic or boundary surveys. All surveys shall meet minimum Florida standards.	1. Topographic or boundary survey(s)	$42,135.00	NTE
Task 5.3: Allowance for Bathymetric Survey	Firm shall conduct the bathymetric survey according to the approved final. Bathymetric survey shall be adequate to support design of Sites A, B, & C. Survey shall meet minimum Florida standards.	1. Bathymetric survey	$37,338.00	NTE
Task 5.4: Hydrodynamic Analysis	Firm will perform hydrodynamic assessment/analysis to determine the effect of the proposal living shoreline on tidal exchange / flushing within the project areas. The assessment shall include Sites A, B, C, and borrow site(s), as necessary. The tidal exchange/hydrodynamic study will include numerical or empirical tidal exchange analysis of the proposed areas to determine the tidal exchange within the lee of any proposed structures (e.g. reefs, breakwaters, etc.) for mean tide conditions. Results of the assessment will be incorporated into the Task 2.3 Basis of Design Report.	1. Results of hydrodynamic analysis to be incorporated into Task 2.3	$39,500.00	
Task 5.5: Sediment Transport & Shoreline Change Modeling	Firm will perform modeling to assess the effects of the proposed living shoreline project on sediment transport and anticipate any resulting shoreline changes. The assessment shall include Sites A, B, C, and borrow site(s), as necessary. Results of the assessment will be incorporated into the Task 2.3 Basis of Design Report.	1. Results of modeling to be incorporated into Task 2.3	$25,500.00	
Task 5.6: Engineering Design & Plans Development for one Borrow Site	Firm shall perform required engineering & plans development necessary to support incorporation of borrow site(s) to acquire clean sand to be used for construction.	1. Design & specifications	$12,260.00	
Task 5.6.1: Engineering Design & Plans Development for one additional Borrow Site	Firm shall perform required engineering & plans development necessary to support incorporation of borrow site(s) to acquire clean sand to be used for construction.	1. Design & specifications	$12,260.00	
Task 5.7: Allowance Limited Construction Support	Firm will provide limited engineering support during construction (e.g. review shop drawings, interpretation of plans, adaptive management, etc.)	1. Participation in Pre-Bid Meeting 2. Reponse to RFI's 3. Bid Tabulation 4. Bid recommendation	$23,960.00	It is not recommended that this task be removed. This can make the difference in a successful project
Task 5.8: As-Built Certification				Part of Construction Budget
Task 5.8.1: Site A	Firm shall provide as-built certification for Site A	1. As-Built Certification- Based on Contractor Redlines- No Survey	$3,995.00	Part of Construction Budget
Task 5.8.2: Site B	Firm shall provide as-built certification for Site B	1. As-Built Certification- Based on Contractor Redlines- No Survey	$4,395.00	Part of Construction Budget
Task 5.8.3: Site C	Firm shall provide as-built certification for Site C	1. As-Built Certification- Based on Contractor Redlines- No Survey	$3,995.00	Part of Construction Budget
Task 5.8.4: One Borrow Site	Firm shall provide as-built certification for one Borrow Site	1. As-Built Certification- Based on Contractor Redlines- No Survey	$4,395.00	Part of Construction Budget
Task 5.8.4: One additional Borrow Site	Firm shall provide as-built certification for one additional Borrow Site	1. As-Built Certification- Based on Contractor Redlines- No Survey	$4,395.00	Part of Construction Budget
Task 5.9: Limited Bid Support	Firm will participate in pre-bid meeting and assist with responses to contractor questions.	1. Participation in Pre-Bid Meeting 2. Draft/Final Response to Contractor(s) Questions 3. Bid Tabulation 4. Bid Recommendation	$11,900.00	Part of Construction Budget
Task 6: Optional Data Collection				
Task 6.1: Optional Data Collection Allowance	Optional data collection allowance may include Habitat Assesment, Evaluation of Reference Sites, SRP Stressors & project specific recommendations, pre/post construction monitioring plan and /or other items detemined to be required for the project design, permitting or construction.	1. TBD	$63,600.00	NTE
Task 7: Permitting & Compliance				
Task 7.1: Permitting & Compliance for Sites A, B, & C	Firm will obtain all required local, state, and federal regulatory authorizations required for construction of Sites A, B, & C. At a minimum, authorization from both the Florida Department of Environmental Protection and U.S. Army Corps of Engineers shall be required for this project. Firm will coordinate and attend pre-applications with agencies prior to finalizing the Task 2.3 Basis of Design final report. Firm shall provide all required permit applications, plans, and specifications. Permit applications shall be submitted after the 60% design has been finalized. Firm shall prepare all responses to any requests for additional information (RAIs) received.	1. Summary of pre-application meetings 2. Permit applications 3. Response(s) to RAI(s) 4.Required local, state, and federal regulatory authorizations 5. Draft Section 408 Analysis 6. Assumes no 404 water quality testing of sediment required 7. All permit fees to be paid by owner 8. SAV Surveys provided by Owner 9. Letter EFH Assesment	$85,260.00	1. Pre Application Meeting and prepare minutes $1,600.00 2. Prepare Draft Biological Assessment $30,000.00 3. Prepare Permit Application Package $10,000.00 4. Attend Agency Field Reviews (two) $3,200.00 5. Respond to RAI's (two) $5,000.00 6. Prepare Draft Section 408 Analysis $20,000.00 7. Prepare EFH Letter Assessment $10,460.00 8. Response to Public Comments $5,000.00 Total $85,260.00
Task 7.2: Permitting & Compliance for one Borrow Site	Firm will obtain all required local, state, and federal regulatory authorizations required for acquisition of fill materials (e.g. sand, etc.) At a minimum, authorization from both the Florida Department of Environmental Protection and U.S. Army Corps of Engineers shall be required for this project. Firm will coordinate and attend pre-applications with agencies prior to finalizing the Task 2.3 Basis of Design final report. Firm shall provide all required permit applications, plans, and specifications. Permit applications shall be submitted after the 60% design has been finalized. Firm shall prepare all responses to any requests for additional information (RAIs) received.	1. Summary of pre-application meetings 2. Permit applications 3. Response(s) to RAI(s) 4.Required local, state, and federal regulatory authorizations 5.Draft Section 408 Analysis 6. Assumes no 404 water quality testing of sediment required 7. All permit fees to be paid by owner 8. SAV Surveys provided by Owner 9. Letter EFH Assesment	$29,660.00	1. Modify Draft Biological Assessment $7,000.00 2. Modify Permit Application Package $5,000.00 3. Respond to RAI's (two) $2,500.00 4. Modify Draft Section 408 Analysis $6,500.00 5. Modify EFH Letter Assessment $6,160.00 6. Response to Public Comments $2,500.00 Total $29,660.00
Task 7.2.1: Permitting & Compliance for one additonal Borrow Site	Firm will obtain all required local, state, and federal regulatory authorizations required for acquisition of fill materials (e.g. sand, etc.) At a minimum, authorization from both the Florida Department of Environmental Protection and U.S. Army Corps of Engineers shall be required for this project. Firm will coordinate and attend pre-applications with agencies prior to finalizing the Task 2.3 Basis of Design final report. Firm shall provide all required permit applications, plans, and specifications. Permit applications shall be submitted after the 60% design has been finalized. Firm shall prepare all responses to any requests for additional information (RAIs) received.	1. Summary of pre-application meetings 2. Permit applications 3. Response(s) to RAI(s) 4.Required local, state, and federal regulatory authorizations 5.Draft Section 408 Analysis 6. Assumes no 404 water quality testing of sediment required 7. All permit fees to be paid by owner 8. SAV Surveys provided by Owner 9. Letter EFH Assesment	$29,660.00	1. Modify Draft Biological Assessment $7,000.00 2. Modify Permit Application Package $5,000.00 3. Respond to RAI's (two) $2,500.00 4. Modify Draft Section 408 Analysis $6,500.00 5. Modify EFH Letter Assessment $6,160.00 6. Response to Public Comments $2,500.00 Total $29,660.00
Task 8: Archeological Review & SHPO Coordination				

Task 8.1: Archeological Review & SHPO Coordination for Sites A, B, & C	Firm will coordinate/facilitate initial project review(s) and response(s) from Florida Department of State Division of Historical Resources (SHPO) for Sites A, B, & C. Coordination will be complete prior to finalizing the Task 2.3 Basis of Design final report.	1. SHPO Response Letter(s)		$10,300.00
Task 8.2: Phase I Cultural Resource Assessment Survey & Report for Site A	Firm shall perform phase I cultural resource assessment survey for Site A, if required. Survey shall meet all state and federal requirements.	1. Phase I cultural resource assessment survey & report cultural/archeological clearance	2. State & federal	$5,550.00
Task 8.3: Phase I Cultural Resource Assessment Survey & Report for Site B	Firm shall perform phase I cultural resource assessment survey for Site B, if required. Survey shall meet all state and federal requirements.	1. Phase I cultural resource assessment survey & report cultural/archeological clearance	2. State & federal	$6,300.00
Task 8.4: Phase I Cultural Resource Assessment Survey & Report for Site C	Firm shall perform phase I cultural resource assessment survey for Site C, if required. Survey shall meet all state and federal requirements.	1. Phase I cultural resource assessment survey & report cultural/archeological clearance	2. State & federal	$5,550.00
Task 8.5: Archeological Review & SHPO Coordination for one Borrow Site	Firm will coordinate/facilitate initial project review(s) and response(s) from Florida Department of State Division of Historical Resources (SHPO) for borrow site(s). Coordination will be complete prior to finalizing the Task 2.3 Basis of Design final report.	1. SHPO Response Letter(s)		$7,550.00
Task 8.5.1: Archeological Review & SHPO Coordination for one additional Borrow Site	Firm will coordinate/facilitate initial project review(s) and response(s) from Florida Department of State Division of Historical Resources (SHPO) for borrow site(s). Coordination will be complete prior to finalizing the Task 2.3 Basis of Design final report.	1. SHPO Response Letter(s)		$7,550.00
Task 8.6: Phase I Cultural Resource Assessment Survey & Report for one Borrow Site	Firm shall perform phase I cultural resource assessment survey for one borrow site, if required. Survey(s) shall meet all state and federal requirements.	1. Phase I cultural resource assessment survey & report cultural/archeological clearance	2. State & federal	$5,550.00
Task 8.6.1: Phase I Cultural Resource Assessment Survey & Report for one additional Borrow Site	Firm shall perform phase I cultural resource assessment survey for one borrow site, if required. Survey(s) shall meet all state and federal requirements.	1. Phase I cultural resource assessment survey & report cultural/archeological clearance	2. State & federal	$5,550.00
				$581,473.00 Total Optional Services

$305,798.00	Required Optional Services
$110,240.00	Optional Services that May be Required
$165,435.00	Optional Services that will be completed by County or be part of the Construction Budget

Client#: 25392 VOLKINCO

ACORD™ CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY) 3/25/2019

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer any rights to the certificate holder in lieu of such endorsement(s).

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-16475 **County Administrator's Report 12. 36.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 07/18/2019
Issue: Interfund Loan - Mass Transit
From: STEPHAN HALL, Budget Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning an Ongoing Interest Free Interfund Loan Between the General Fund (001) and the Mass Transit Fund (104) - Stephan Hall, Budget Manager, Management and Budget Services

That the Board take the following action:

A. Approve an ongoing revolving interfund loan from the General Fund (001) to the Mass Transit Fund (104), in an amount not to exceed $3,500,000, to cover annual cash shortfalls until Grant reimbursements are received; and

B. Waive all interest payments on any outstanding balance on this revolving interfund loan.

This interfund loan request is necessary because the Federal Transit Authority (FTA) requires payment and then reimburses the County. Currently, Mass Transit is working with the FTA on the 2019 5307 Application. Once the Grant is in concurrence, it will be awarded in the amount of $3,533,657. Prior to award, the Department of Labor will review the application for 15 days. It is anticipated that funds will be available for draw around the August 9th time frame. The 2019 Certs and Assurances were PINNED on 06/28/2019. The Certs and Assurances were provided later in the year than what is typical because of the Government shut down earlier this year.

BACKGROUND:

This Board action will allow an ongoing cash loan to be made from the General Fund to the Mass Transit Fund on an as-needed basis. Loan proceeds are then repaid back to the General Fund when the FTA Grant Funds are received, usually in the July/August time frame each year, which will increase the cash balances in the Mass Transit Fund.

This interfund loan request is necessary because the Federal Transit Authority (FTA) requires payment and then reimburses the County. Currently, Mass Transit is working

with the FTA on the 2019 5307 Application. Once the Grant is in concurrence, it will be awarded. Prior to award, the Department of Labor will review the application for 15 days. It is anticipated that funds will be available for draw around the August 9th time frame. The 2019 Certs and Assurances were PINNED on 06/28/2019. The Certs and Assurances were provided later in the year than what is typical because of the Government shut down earlier this year.

From: Robert Bender, District 4 Commissioner
Organization: Commissioner, District 4
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Funding Allocation to OnBikes Pensacola - Commissioner Robert Bender, District 4

That the Board approve the $1,000 funding allocation from both Commissioner Robert Bender and Commissioner Jeff Bergosh's discretionary funds, for OnBikes Pensacola to purchase new bicycles, helmets, and locks for children along the Gulf Coast.

[Funding: Fund 001, Board of County Commissioners Cost Center 110101, Outside Agencies Object Code 58201]

BACKGROUND:

OnBikes Pensacola was started in 2016 by Pensacola native, Walker Wilson. Walker and his friends set out with a goal to provide 100 bikes and helmets to children in Pensacola's local foster care system and guardian ad litem program. Through the generosity of the local community, Onbikes has given over 1,500 bikes and countless smiles to children in Pensacola. Bikes have been provided to children in the Families First Foster Care Program, the Boys and Girls Club, Escambia County Schools, the Ronald McDonald House, and Big Brothers Big Sisters of Northwest Florida. Almost all of the children were receiving bikes for the very first time.

BUDGETARY IMPACT:

As part of the Fiscal Year 2018-2019 Budget that was approved by the Board in September 2018, each Commissioner received $50,000 to use at their discretion.

BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 07/18/2019
Issue: Bob Sikes Toll Booth Funding Allocation for the 4th of July Weekend
From: Robert Bender, District 4 Commissioner
Organization: Commissioner, District 4
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Ratifying the Bob Sikes Toll Booth Funding Allocation for the 4th of July Weekend - Commissioner Robert Bender, District 4

That the Board approve and ratify Commissioner Robert Bender allocating $65,000 from his Intern discretionary money to reimburse the Bob Sikes Toll Booth revenue when tolls were lifted to allow our residents and visitors to enjoy Pensacola Beach without sitting in traffic or being concerned about how much it would cost during the 4th of July holiday weekend, July 4-7, 2019.

[Funding: From Fund 001, Cost Center 110101, Object Code 53401, to Revenue Account 344601, Bob Sikes Toll Revenue]

BACKGROUND:

After seeing an increase in the amount of traffic headed to Pensacola Beach on recent weekends, Commissioner Bender wanted people to enjoy their 4th of July weekend and not worry about how much they would be charged to go through the Bob Sikes toll booth. As a result, the time it took to travel from Fairpoint Drive in Gulf Breeze to Pensacola Beach was sufficiently shortened.

BUDGETARY IMPACT:

On June 2, 2015, the Board voted to establish an Intern program and allocated $50,000, $10,000 for each Commissioners' office, to fund this program. In the Fiscal Year 2015-2016 Budget and every budget thereafter, each Commissioner has received $20,000 to use for this program.

BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 07/18/2019
Issue: Derelict Vessel Removal Grant Agreement (No. 18337) with the Florida Fish and Wildlife Conservation Commission
From: Chips Kirschenfeld, Director
Organization: Natural Resources
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Derelict Vessel Removal Grant Agreement with Florida Fish and Wildlife Conservation Commission - J. Taylor "Chips"Kirschenfeld, Director, Department of Natural Resources Management

That the Board take the following action concerning the State of Florida, Florida Fish and Wildlife Conservation Commission (FWC) Agreement No. 18337, relating to the Derelict Vessel Removal Grant for Fiscal Year 2018-2019, which provides up to $3,750 in Grant funding from FWC combined with Escambia County's in-kind and matching funds, up to $10,000 from Vessel Registration Fees:

.

A. Approve and authorize the Chairman to sign FWC Agreement No. 18337 and any subsequent Amendments, such as no-cost time extensions, pending Legal review and sign-off, without further action of the Board; and

B. Authorize the Project Manager (or designee) to sign documents relating to the implementation and/or completion of the Agreement.

Note: The County Attorney's Office has requested that the Board be made aware of the following language:

- Paragraph 29, SEVERABILITY, CHOICE OF LAW, AND CHOICE OF VENUE, (page 17 of 20), last sentence, "Any action in connection herewith, in law or equity, shall be brought in Leon County, Florida, to the exclusion of all other lawful venues."
- Paragraph 31, JURY TRIAL WAIVER, (page 18 of 20), "As part of the consideration of this Agreement, the Parties hereby waive trial by jury in any action or proceeding brought by any party against any other party pertaining to any matter whatsoever arising out of or in any way connected with this Agreement, or with the products or services provided under this Agreement, including but not limited to any claim by the Grantee of *quantum meruit*."

[Funding Source: Fund 110, Other Grants and Projects, Cost Center to be determined at

the time of Supplemental Budget Amendment. Match of in-kind services and cash match from Vessel Registration Fees]

BACKGROUND:

Florida Fish and Wildlife Conservation Commission (FWC) announced a Derelict Vessel Final Removal Funding Opportunity Grant Round 3, to fund removal of vessels that have been declared “derelict” by law enforcement officers pursuant to Florida Statutes. Escambia County Marine Resources Division (MRD) has identified vessels that may be eligible for removal and has requested declaration by FWC Law Enforcement.

Escambia County Department of Natural Resources Management, Marine Resources Division, has estimated and determined derelict vessel removal costs, and per BCC action at its meeting on June 20, 2019, submitted the Grant Application. As required by FWC, Escambia County will provide matching funds (minimum of 25%) from Fund 110, Cost Center 220807. Natural Resources Management will also provide project management for in-kind match.

The Marine Resources Division has obtained written price quotes for work to be completed by contractor. The lowest price quote for removal of the derelict vessel (40ft Chris Craft) is $5,000, therefore, FWC will reimburse Escambia County $3,750. Escambia County's cash match funds will be provided by the County portion of Vessel Registration Fees.

BUDGETARY IMPACT:

Funding Source: Fund 110, Other Grants and Projects, Cost Center to be determined at the time of Supplemental Budget Amendment. Match of in-kind services and cash match from Vessel Registration Fees.

LEGAL CONSIDERATIONS/SIGN-OFF:

The Grant Agreement was reviewed and approved, as to form and legal sufficiency, by Kristin Hual, Senior Assistant County Attorney.

PERSONNEL:

No additional impact to personnel related to this Recommendation.

POLICY/REQUIREMENT FOR BOARD ACTION:

Board Poicy II.A.

IMPLEMENTATION/COORDINATION:

Department of Natural Resources Management, Marine Resources Division, will continue coordination with FWC on all activities associated with the Grant Agreement.

FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION

ORIGINAL

AGREEMENT NO. 18337

CFDA Title(s): N/A	**CFDA No(s).:** N/A
Name of Federal Agency(s): N/A	
Federal Award No(s): N/A	**Federal Award Year(s):** N/A
Federal Award Name(s): N/A	
CSFA Title(s).: Derelict Vessel Removal Grant	**CSFA No(s).:** 77005
State Award No(s).: 18337	**State Award Year(s):** 2018-2019
State Award Name(s): Escambia County Derelict Vessel Removal Project (2)	

This Agreement is entered into by and between the Florida Fish and Wildlife Conservation Commission, whose address is 620 South Meridian Street, Tallahassee, Florida 32399-1600, hereafter "**Commission**," and the Escambia County BOCC, FEID # 59-6000598, whose address is 3363 West Park Place, Pensacola, Florida 32505, hereinafter "**Grantee**."

WHEREAS, the Commission and Grantee have partnered together to remove derelict vessels from the waters of the state; and,

WHEREAS, Grantee has been awarded Bulk Derelict Vessel Removal Grant 18337; and,

WHEREAS, such benefits are for the ultimate good of the State of Florida, its resources, wildlife, and public welfare.

NOW THEREFORE, the Commission and the Grantee, for the considerations hereafter set forth, agree as follows:

1. **PROJECT DESCRIPTION.**

The Grantee shall provide the services and perform the specific responsibilities and obligations, as set forth in the Scope of Work, attached hereto as Attachment A and made a part hereof (hereafter, Scope of Work). The Scope of Work specifically identifies project tasks and accompanying deliverables. These deliverables must be submitted and approved by the Commission prior to any payment. The Commission will not accept any deliverable that does not comply with the specified required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable. If this agreement is the result of Grantee responses to the Commission's request for competitive or other grant proposals, the Grantee's response is hereby incorporated by reference.

2. PERFORMANCE.

The Grantee shall perform the activities described in the Scope of Work in a proper and satisfactory manner. Unless otherwise provided for in the Scope of Work, any and all equipment, products or materials necessary or appropriate to perform under this Agreement shall be supplied by the Grantee. Grantee shall obtain all necessary local, state, and federal authorizations necessary to complete this project, and the Grantee shall be licensed as necessary to perform under this Agreement as may be required by law, rule, or regulation; the Grantee shall provide evidence of such compliance to the Commission upon request. The Grantee shall procure all supplies and pay all charges, fees, taxes and incidentals that may be required for the completion of this Agreement. By acceptance of this Agreement, the Grantee warrants that it has the capability in all respects to fully perform the requirements and the integrity and reliability that will assure good-faith performance as a responsible Grantee. Grantee shall immediately notify the Commission's Grant Manager in writing if its ability to perform under the Agreement is compromised in any manner during the term of the Agreement. The Commission shall take appropriate action, including potential termination of this Agreement pursuant to Paragraph nine (9) below, in the event the Grantee's ability to perform under this Agreement becomes compromised.

3. AGREEMENT PERIOD.

A. Agreement Period and Commission's Limited Obligation to Pay. This Agreement is made pursuant to a grant award and shall be effective upon execution by the last Party to sign, and shall remain in effect through 11/30/2019. However, as authorized by Rule 68-1.003, F.A.C., referenced grant programs may execute Agreements with a retroactive start date of no more than sixty (60) days, provided that approval is granted from the Executive Director or his/her designee and that it is in the best interest of the Commission and State to do so. For this agreement, the retroactive start date was not approved. The Commission's Grant Manager shall confirm the specific start date of the Agreement by written notice to the Grantee. The Grantee shall not be eligible for reimbursement or compensation for grant activities performed prior to the start date of this Agreement nor after the end date of the Agreement. For this agreement, preaward costs are not eligible for reimbursement. If necessary, by mutual agreement as evidenced in writing and lawfully executed by the Parties, an Amendment to this Agreement may be executed to lengthen the Agreement period.

4. COMPENSATION AND PAYMENTS.

A. Compensation. As consideration for the services rendered by the Grantee under the terms of this Agreement, the Commission shall pay the Grantee on a cost reimbursement basis in an amount not to exceed $3,750.00.

B. Payments. The Commission shall pay the Grantee for satisfactory performance of the tasks identified in Attachment A, Scope of Work, as evidenced by the completed deliverables, upon submission of invoices, accompanied by supporting documentation sufficient to justify invoiced expenses or fees, and after acceptance of services and deliverables in writing by the Commission's Grant Manager identified in Paragraph ten (10), below. Unless otherwise specified in the Scope of Work, invoices shall be due monthly, commencing from the start date of this Agreement. Invoices must be legible and must clearly reflect the Deliverables that were provided in accordance with the terms of the Agreement for the invoice period. Unless otherwise specified in the Scope of Work, a final invoice shall be submitted to the Commission no later than forty-five (45) days following the expiration date of this Agreement to assure the availability of funds for payment. Further, pursuant to Section 215.971(1)(d), F.S., the Commission may only reimburse the Grantee for allowable costs resulting from obligations incurred during the agreement period specified in Paragraph three (3).

C. **Invoices.** Each invoice shall include the Commission Agreement Number and the Grantee's Federal Employer Identification (FEID) Number. Invoices, with supporting documentation, may be submitted electronically to the attention of the Commission's Grant Manager identified in Paragraph ten (10), below. If submitting hard copies, an original and two (2) copies of the invoice, plus all supporting documentation, shall be submitted. All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. Grantee acknowledges that the Commission's Grant Manager shall reject invoices lacking documentation necessary to justify invoiced expenses.

D. **Match.** Pursuant to grant program guidelines, the Grantee is required to contribute non-federal match towards this Agreement. If applicable, details regarding specific match requirements are included in Attachment A, Scope of Work.

E. **Travel Expenses.** If authorized in Attachment A, Scope of Work, travel expenses shall be reimbursed in accordance with Section 112.061, F.S.

F. **State Obligation to Pay.** The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation and authorization to spend by the Legislature. The Parties hereto understand that this Agreement is not a commitment to future appropriations, but is subject to appropriation and authority to spend provided by the Legislature. The Commission shall be the final authority as to the availability of funds for this Agreement, and as to what constitutes an "annual appropriation" of funds to complete this Agreement. If such funds are not appropriated or available for the Agreement purpose, such event will not constitute a default on behalf of the Commission or the State. The Commission's Grant Manager shall notify the Grantee in writing at the earliest possible time if funds are not appropriated or available.

G. **Non-Competitive Procurement and Rate of Payment.** Section 216.3475, F.S., requires that under non-competitive procurements, a Grantee may not receive a rate of payment in excess of the competitive prevailing rate for those services unless expressly authorized in the General Appropriations Act. If applicable, Grantee warrants, by execution of this Agreement, that the amount of non-competitive compensation provided in this Agreement is in compliance with Section 216.3475, F.S.

H. **Time Limits for Payment of Invoices.** Payments shall be made in accordance with Sections 215.422 and 287.0585, F.S., which govern time limits for payment of invoices. Section 215.422, F.S. provides that agencies have five (5) working days to inspect and approve Deliverables, unless the Scope of Work specifies otherwise. If payment is not available within forty (40) days, measured from the latter of the date the invoice is received or the Deliverables are received, inspected and approved, a separate interest penalty set by the Department of Financial Services pursuant to Section 55.03(1), F.S., will be due and payable in addition to the invoice amount. Invoices returned to a Grantee due to preparation errors will result in a payment delay. Invoice payment requirements do not start until a properly completed invoice is provided to the agency.

I. **Electronic Funds Transfer.** Grantee agrees to enroll in Electronic Funds Transfer (EFT), offered by the State's Chief Financial Officer, within thirty (30) days of the date the last Party has signed this Agreement. Copies of the Authorization form and a sample blank enrollment letter can be found on the vendor instruction page at:

http://www.fldfs.com/aadir/direct_deposit_web/Vendors.htm

Questions should be directed to the State of Florida's EFT Section at (850) 413-5517. Once enrolled, invoice payments will be made by EFT.

J. **Vendor Ombudsman.** A Vendor Ombudsman, whose duties include acting as an advocate for vendors who may be experiencing problems in obtaining timely payment(s) from a State agency, may be contacted at (850) 413-5516 or by calling the Chief Financial Officer's Hotline, (800) 342-2762.

5. RETURN OR RECOUPMENT OF FUNDS.

A. **Overpayment to Grantee.** Pursuant to Section 215.971(1)(e)&(f), F.S., the Grantee shall return to the Commission any overpayments due to unearned funds or funds disallowed pursuant to the terms of this Agreement that were disbursed to Grantee by the Commission. In the event the Grantee or its independent auditor discovers that overpayment has been made, the Grantee shall repay said overpayment within forty (40) calendar days without prior notification from the Commission. In the event the Commission first discovers an overpayment has been made, the Commission will notify the Grantee in writing. Should repayment not be made in a timely manner, the Commission shall be entitled to charge interest at the lawful rate of interest established pursuant to Section 55.03(1), F.S., on the outstanding balance beginning forty (40) calendar days after the date of notification or discovery. Refunds should be sent to the Commission's Grant Manager, and made payable to the "The Florida Fish and Wildlife Conservation Commission."

B. **Additional Costs or Monetary Loss Resulting from Grantee Non-Compliance.** If the Grantee's non-compliance with any provision of the Agreement results in additional cost or monetary loss to the Commission or the State of Florida to the extent allowed by Florida Law, the Commission can recoup that cost or loss from monies owed to the Grantee under this Agreement or any other agreement between Grantee and the Commission. In the event the discovery of this cost or loss arises when no monies are available under this Agreement or any other agreement between the Grantee and the Commission, the Grantee will repay such cost or loss in full to the Commission within thirty (30) days of the date of notice of the amount owed, unless the Commission agrees, in writing, to an alternative timeframe. If the Grantee is unable to repay any cost or loss to the Commission, the Commission shall notify the State of Florida, Department of Financial Services, for resolution pursuant to Section 17.0415, F.S.

6. COMMISSION EXEMPT FROM TAXES, PROPERTY EXEMPT FROM LIEN.

A. **Commission Exempt from Taxes.** The Grantee recognizes that the State of Florida, by virtue of its sovereignty, is not required to pay any taxes on the services or goods purchased under the terms of this Agreement. Grantee is placed on notice that this exemption generally does not apply to nongovernmental entity recipients, subrecipients, contractors, or subcontractors. Any questions regarding this tax exemption should be addressed to the Commission Grant Manager.

B. **Property Exempt from Lien.** If the Grant involves the improvement of real property titled to the State of Florida, then the following paragraph applies:

> The Grantee acknowledges that Property being improved is titled to the State of Florida, and is not subject to lien of any kind for any reason. The Grantee shall include notice of such exemptions in any subcontracts and purchase orders issued hereunder.

7. MONITORING.

The Commission's Grant Manager shall actively monitor the Grantee's performance and compliance with the terms of this Agreement. The Commission reserves the right for any Commission staff to make scheduled or unscheduled, announced or unannounced monitoring visits. Specific State and Federal monitoring terms and conditions are found in Attachment B, Audit Requirements. Additionally, monitoring terms, conditions, and schedules may be included in Attachment A, Scope of Work.

8. TERMINATION.

A. Commission Termination. The Commission may unilaterally terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar days of written notice of its intent to terminate. The Grantee shall not be entitled to recover any cancellation charges or lost profits. The Grantee may request termination of the Agreement for convenience.

B. Termination – Fraud or Willful Misconduct. This Agreement shall terminate immediately in the event of fraud or willful misconduct. In the event of such termination, the Commission shall provide the Grantee with written notice of termination.

C. Termination – Other. The Commission may terminate this Agreement if the Grantee fails to: 1.) comply with all terms and conditions of this Agreement; 2.) produce each deliverable within the time specified by the Agreement or extension; 3.) maintain adequate progress, thus endangering the performance of the Agreement; or, 4.) abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), F.A.C., governs the procedure and consequences for default. The rights and remedies of the Commission in this clause are in addition to any other rights and remedies provided by law or under the Agreement. The Grantee shall not be entitled to recover any cancellation charges or lost profits.

D. Termination - Funds Unavailability. In the event funds to finance this Agreement become unavailable or if federal or state funds upon which this Agreement is dependent are withdrawn or redirected, the Commission may terminate this Agreement upon no less than twenty-four (24) hours' notice in writing to the Grantee. Said notice shall be delivered by certified mail, return receipt requested or in person with proof of delivery. The Commission shall be the final authority as to the availability of funds and will not reallocate funds appropriated for this Agreement to another program thus causing "lack of funds." In the event of termination of this Agreement under this provision, the Grantee will be compensated for any work satisfactorily completed and any non-cancellable obligations properly incurred prior to notification of termination.

E. Grantee Discontinuation of Activities upon Termination Notice. Upon receipt of notice of termination, the Grantee shall, unless the notice directs otherwise, immediately discontinue all activities authorized hereunder. Upon termination of this Agreement, the Grantee shall promptly render to the Commission all property belonging to the Commission. For the purposes of this section, property belonging to the Commission shall include, but shall not be limited to, all books and records kept on behalf of the Commission.

9. REMEDIES.

A. Financial Consequences. In accordance with Sections 215.971(1)(a)&(b), F.S., Attachment A, Scope of Work, contains clearly established tasks in quantifiable units of deliverables that must be received and accepted in writing by the agency before payment. Each deliverable specifies the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable. If the Grantee fails to produce each deliverable within the time

frame specified by the Scope of Work, the budget amount allocated for that deliverable will be deducted from the Grantee's payment. In addition, pursuant to Section 215.971(1)(c), the Commission shall apply any additional financial consequences, identified in the Scope of Work.

B. Cumulative Remedies. The rights and remedies of the Commission in this paragraph are in addition to any other rights and remedies provided by law or under the Agreement.

10. NOTICES AND CORRESPONDENCE.

Any and all notices shall be delivered to the individuals identified below. In the event that either Party designates a different Grant Manager after the execution of this Agreement, the Party will provide written notice of the name, address, zip code, telephone and fax numbers, and email address of the newest Grant Manager, or an individual authorized to receive notice on behalf of that Party, to all other Parties as soon as possible, but not later than five (5) business days after the new Grant Manager has been named. A designation of a new Grant Manager shall not require a formal amendment to the Agreement.

11. AMENDMENT.

A. Waiver or Modification. No waiver or modification of this Agreement or of any covenant, condition, or limitation herein contained shall be valid unless in writing and lawfully executed by the Parties.

B. Change Orders. The Commission may, at any time, by written order, make a change to this Agreement. Such changes are subject to the mutual agreement of both Parties as evidenced in writing. Any change which causes an increase or decrease in the Grantee's cost or time shall require an Amendment. Minor changes, such as those updating a Party's contact information, may be accomplished by a Modification.

C. Renegotiation upon Change in Law or Regulation. The Parties agree to renegotiate this Agreement if federal and/or state revisions of any applicable laws or regulations make changes in the Agreement necessary.

12. PROPERTY RIGHTS.

If this Agreement includes Federal funds, the provisions of Sections 200.310-200.316, OMB Uniform Guidance (2 CFR 200), and any language addressing Federal rights, apply.

A. Intellectual and Other Intangible Property.

i. **Grantee's Preexisting Intellectual Property (Proprietary) Rights.** Unless specifically addressed in the Attachment A, Scope of Work, intellectual and other intangible property rights to the Grantee's preexisting property will remain with the Grantee.

ii. **Proceeds Related to Intellectual Property Rights.** Proceeds derived from the sale, licensing, marketing or other authorization related to any intellectual and other intangible property right created or otherwise developed by the Grantee under this Agreement for the Commission shall be handled in the manner specified by the applicable Florida State Statute and/or Federal program requirements.

iii. **Commission Intellectual Property Rights.** Where activities supported by this Agreement produce original writing, sound recordings, pictorial reproductions, drawings or other graphic representations and works of any similar nature, the Commission and the State of Florida have the unlimited, royalty-free, nonexclusive, irrevocable right to use, duplicate and disclose such materials in whole or in part, in any manner, for any purpose whatsoever and to have others acting on behalf of the Commission to do so. If this Agreement is supported by federal funds, the federal awarding agency reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for federal purposes, and to authorize others to do so.

B. Purchase or Improvement of Real Property

This agreement is not for the purchase or improvement of real property, therefore, the following terms and conditions do not apply.

i. **Federal Funds.** Any Federal funds provided for the purchase of or improvements to real property are subject to the Property Standards of Sections 200.310 - 200.316, and 200.329, OMB Uniform Guidance (2 CFR 200), as amended.

ii. **Title.** If this agreement is supported by state funds, the Grantee shall comply with Section 287.05805, F.S. This section requires the Grantee to grant a security interest in the property to the State of Florida, the type and details of which are provided for in Attachment A, Scope of Work. Title to state-owned real property remains vested in the state. Title to federally-owned real property remains vested in the Federal government in accordance with the provisions of Section 200.312, OMB Uniform Guidance (2 CFR 200), as amended.

iii. **Use.** Federally-owned real property will be used for the originally authorized purpose as long as needed for that purpose in accordance with Section 200.311, OMB Uniform Guidance (2 CFR 200). State-owned real property will be used as provided in Attachment A, Scope of Work.

C. Non-Expendable Property. The following provisions apply to the extent that the grant allows the acquisition of non-expendable property.

i. **Non-Expendable Property Defined.** For the requirements of this section of the Agreement, "non-expendable property" is the same as "property" as defined in Section 273.02, F.S. (equipment, fixtures, and other tangible personal property of a non-consumable and non-expendable nature, with a value or cost of **$1,000.00** or more, and a normal expected life of one (1) year or more; hardback-covered bound books that are

circulated to students or the general public, with a value or cost of **$25.00** or more; and uncirculated hardback-covered bound books, with a value or cost of **$250.00** or more).

ii. **Title to Non-Expendable Property.** Title (ownership) to all non-expendable property acquired with funds from this Agreement shall be vested in the Commission and said property shall be transferred to the Commission upon completion or termination of the Agreement unless otherwise authorized in writing by the Commission or unless otherwise specifically provided for in Attachment A, Scope of Work.

D. Equipment and Supplies. The following provisions apply to the extent that the grant allows the acquisition of equipment and supplies.

i. **Title - Equipment.** Title to equipment acquired under a Federal award will vest upon acquisition in the non-Federal entity in accordance with Sections 200.313 and 200.314, OMB Uniform Guidance (2 CFR 200).

ii. **Title – Supplies.** Title to supplies will vest in the non-Federal entity upon acquisition. Unused supplies exceeding **$5,000.00** in total aggregate value upon termination or completion of the project or program are subject to Section 200.314, OMB Uniform Guidance.

iii. **Use – Equipment.** Equipment must be used by the non-Federal entity in the program or project for which it was acquired as long as needed

13. RELATIONSHIP OF THE PARTIES.

A. Independent Grantee. The Grantee shall perform as an independent grantee and not as an agent, representative, or employee of the Commission. The Grantee covenants that it presently has no interest and shall not acquire any interest that would conflict in any manner or degree with the performance of services required. Each Party hereto covenants that there is no conflict of interest or any other prohibited relationship between the Grantee and the Commission.

B. Grantee Training and Qualifications. Grantee agrees that all Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification.

C. Commission Security. All employees, subcontractors, or agents performing work under the Agreement must comply with all security and administrative requirements of the Commission. The Commission may conduct, and the Grantee shall cooperate in, a security background check or otherwise assess any employee, subcontractor, or agent furnished by the Grantee. The Commission may refuse access to, or require replacement of, any personnel for cause, including, but not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with the Commission's other requirements. Such refusal shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Commission, in coordination with the Grantee, may reject and bar from any facility for cause any of Grantee's employees, subcontractors, or agents.

D. Commission Rights to Assign or Transfer. The Grantee agrees that the State of Florida shall at all times be entitled to assign or transfer its rights, duties, or obligations under this Agreement to

another governmental agency in the State of Florida, upon giving prior written notice to the Grantee.

E. Commission Rights to Undertake and Award Supplemental Agreements. Grantee agrees that the Commission may undertake or award supplemental agreements for work related to the Agreement. The Grantee and its subcontractors shall cooperate with such other Grantees and the Commission in all such cases.

14. SUBCONTRACTS.

A. Authority. Grantee is permitted to subcontract work under this Agreement, therefore, the following terms and conditions apply. The Grantee shall ensure, and provide assurances to the Commission upon request, that any subcontractor selected for work under this Agreement has the necessary qualifications and abilities to perform in accordance with the terms and conditions of this Agreement. The Grantee must provide the Commission with the names of any subcontractor considered for work under this Agreement; the Commission in coordination with the Grantee reserves the right to reject any subcontractor. The Grantee agrees to be responsible for all work performed and all expenses incurred with the project. Any subcontract arrangements must be evidenced by a written document available to the Commission upon request. The Grantee further agrees that the Commission shall not be liable to the extent allowed by law, to any subcontractor for any expenses or liabilities incurred under the subcontract and the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

B. Grantee Payments to Subcontractor. If subcontracting is permitted pursuant to Paragraph A, above, Grantee agrees to make payments to the subcontractor upon completion of work and submitted invoice in accordance with the contract between the Grantee and subcontractor. Failure to make payment pursuant to any subcontract will result in a penalty charged against Grantee and paid to the subcontractor in the amount of one-half of one percent (0.50%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due."

C. Commission Right to Reject Subcontractor Employees. The Commission in coordination with Grantee shall retain the right to reject any of the Grantee's or subcontractor's employees whose qualifications or performance, in the Commission's judgment, are insufficient.

D. Subcontractor as Independent Contractor. If subcontracting is permitted pursuant to Paragraph A above, the Grantee agrees to take such actions as may be necessary to ensure that each subcontractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.

15. MANDATORY DISCLOSURE.

These disclosures are required by State law, as indicated, and apply when this Agreement includes State funding; and by Federal law, as indicated, and apply when the Agreement includes a Federal award.

A. Disclosure of Interested State Employees and Conflict of Interest. This Agreement is subject to Chapter 112, F.S. Grantee shall provide the name of any officer, director, employee, or other agent who is affiliated with this project and an employee of the State of Florida. If the Agreement includes a Federal award, then the Agreement is also subject to Section 200.112, OMB Uniform Guidance (2 CFR 200). Grantee must disclose, in writing, any potential conflict of interest to the Commission in accordance with applicable Federal awarding agency policy.

B. **Convicted Vendors.** Grantee hereby certifies that neither it, nor any person or affiliate of Grantee, has been convicted of a Public Entity Crime as defined in section 287.133, F.S., nor placed on the convicted vendor list. Grantee shall have a continuing obligation to disclose, to the Commission, in writing, if it, its principals, recipient, subrecipient, contractor, or subcontractor, are on the convicted vendors list maintained by the Florida Department of Management Services pursuant to Section 287.133(3)(d), F.S.

i. **Convicted Vendor List.** Pursuant to Subsection 287.133(2)(a), F.S., a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not be awarded or perform work as a Grantee, supplier, subcontractor or consultant under a contract with any public entity and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, F.S., for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. The State of Florida, Department of Management Services, Division of State Purchasing provides listings for convicted, suspended, discriminatory and federal excluded parties, as well as the vendor complaint list at:

http://www.dms.myflorida.com/business_operations/state_purchasing/vendor_information/convicted_suspended_discriminatory_complaints_vendor_lists

ii. **Notice of Conviction of Public Entity Crime.** Any person must notify the Department of Management Services and the Commission, in writing, within thirty (30) days after conviction of a public entity crime applicable to that person or an affiliate of that person as defined in Section 287.133, F.S.

C. **Vendors on Scrutinized Companies List.**

i. **Scrutinized Companies.** Grantee certifies that it and any of its affiliates are not scrutinized companies as identified in Section 287.135, F.S. In addition, Grantee agrees to observe the requirements of Section 287.135, F.S., for applicable sub-agreements entered into for the performance of work under this Agreement. Pursuant to Section 287.135, F.S., the Commission may immediately terminate this Agreement for cause if the Grantee, its affiliates, or its subcontractors are found to have submitted a false certification; or if the Grantee, its affiliates, or its subcontractors are placed on any applicable scrutinized companies list or engaged in prohibited contracting activity during the term of the Agreement. As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions then they shall become inoperative.

D. **Discriminatory Vendors.** Grantee shall disclose to the Commission, in writing, if they, their subrecipient, contractor, or subcontractor, are on the Discriminatory Vendor List maintained by the Florida Department of Management Services pursuant to Section 287.134(3)(d), F.S. "An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity." Section 287.134(2)(a), F.S.. Grantee has a continuing duty to disclose to the Commission whether they appear on the discriminatory vendor list.

E. **Prompt Disclosure of Litigation, Investigations, Arbitration, or Administrative Proceedings.** Throughout the term of the Agreement, the Grantee has a continuing duty to promptly disclose to

the Commission's Grant Manager, in writing, upon occurrence, all civil or criminal litigation, investigations, arbitration, or administrative proceedings (Proceedings) relating to or affecting the Grantee's ability to perform under this agreement. If the existence of such Proceeding causes the Commission concern that the Grantee's ability or willingness to perform the Agreement is jeopardized, the Grantee may be required to provide the Commission with reasonable assurances to demonstrate that: a.) the Grantee will be able to perform the Agreement in accordance with its terms and conditions; and, b.) Grantee and/or its employees or agents have not and will not engage in conduct in performing services for the Commission which is similar in nature to the conduct alleged in such Proceeding.

F. Certain Violations of Federal Criminal Law. If this agreement includes a Federal award, then in accordance with Section 200.113, OMB Uniform Guidance (2 CFR 200), Grantee must disclose, in a timely manner, in writing to the Commission all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award.

16. INSURANCE.

The Grantee warrants and represents that it is insured, or self-insured for liability insurance, in accordance with applicable state law and that such insurance or self-insurance offers protection applicable to the Grantee's officers, employees, servants and agents while acting within the scope of their employment with the Grantee.

17. SPONSORSHIP.

As required by Section 286.25, F.S., if any recipient, subrecipient, contractor or subcontractor under this grant is a nongovernmental organization which sponsors a program financed wholly or in part by state funds, including any funds obtained through this Agreement, it shall, in publicizing, advertising, or describing the sponsorship of the program, state: "Sponsored by (Grantee's name) and the State of Florida, Fish and Wildlife Conservation Commission." If the sponsorship reference is in written material, the words "State of Florida, Fish and Wildlife Conservation Commission" shall appear in the same size letters or type as the name of the Grantee's organization. Additional sponsorship requirements may be specified in Attachment A, Scope of Work.

18. PUBLIC RECORDS.

A. This Agreement may be unilaterally canceled by the Commission for refusal by the Grantee to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, F.S., and made or received by the Grantee in conjunction with this Agreement, unless exemption for such records is allowable under Florida law.

B. If the Grantee meets the definition of "Contractor" in Section 119.0701(1)(a) F.S., the Grantee shall comply with the following:

i. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF THE CHAPTER 119, FLORIDA STATUES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: 850-488-6553, RecordsCustodian@myfwc.com, and 620 South Meridian Street, Tallahassee FL 32399**

ii. Keep and maintain public records required by the Commission to perform the service.

iii. Upon request from the Commission's custodian of public records, provide the Commission with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S. or as otherwise provided by law.

iv. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the Commission.

v. Upon completion of the contract transfer, at no cost, to the Commission all public records in possession of the Contractor or keep and maintain public records required by the Commission to perform the service. If the Contractor transfers all public records to the Commission upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Commission, upon request from the Commission's custodian of public records, in a format that is compatible with the information technology systems of the Commission.

19. COOPERATION WITH INSPECTOR GENERAL.

Pursuant to subsection 20.055(5), F.S., Grantee, and any subcontractor to the Grantee, understand and will comply with their duty to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing. Upon request of the Inspector General or any other authorized State official, the Grantee shall provide any type of information the Inspector General deems relevant to the Grantee's integrity or responsibility. Such information may include, but shall not be limited to, the Grantee's business or financial records, documents, or files of any type or form that refer to or relate to the Agreement. The Grantee agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the Grantee's compliance with the terms of this or any other agreement between the Grantee and the State which results in the suspension or debarment of the Grantee. Such costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.

20. SECURITY AND CONFIDENTIALITY.

The Grantee shall not divulge to third parties any clearly marked confidential information obtained by the Grantee or its agents, distributors, resellers, subcontractors, officers or employees in the course of performing Grant work. To ensure confidentiality, the Grantee shall take appropriate steps regarding its personnel, agents, and subcontractors. The warranties of this paragraph shall survive the Grant.

21. RECORD KEEPING REQUIREMENTS.

A. Grantee Responsibilities. The Grantee shall maintain accurate books, records, documents and other evidence that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement, in accordance with generally accepted accounting principles.

B. State Access to Grantee Books, Documents, Papers, and Records. The Grantee shall allow the Commission, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability or authorized representatives of the state or federal government to have access to any of the Grantee's books, documents, papers, and records, including electronic storage media, as they may relate to this

Agreement, for the purposes of conducting audits or examinations or making excerpts or transcriptions.

C. Grantee Records Retention. Unless otherwise specified in the Scope of Work, these records shall be maintained for five (5) fiscal years following the close of this Agreement, or the period required for this particular type of project by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/), whichever is longer. Grantee shall cooperate with the Commission to facilitate the duplication and transfer of such records upon the Commission's request.

D. Grantee Responsibility to Include Records Requirements – Subcontractors. In the event any work is subcontracted under this Agreement, the Grantee shall include the aforementioned audit and record keeping requirements in all subsequent contracts.

E. Compliance with Federal Funding Accountability and Transparency. Any federal funds awarded under this Agreement must comply with the Federal Funding Accountability and Transparency Act (FFATA) of 2006. The intent of the FFATA is to empower every American with the ability to hold the government accountable for each spending decision. The result is to reduce wasteful spending in the government. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website: http://www.USASpending.gov. Grant recipients awarded a new Federal grant greater than or equal to **$25,000.00** awarded on or after October 1, 2010 are subject to the FFATA. The Grantee agrees to provide the information necessary, over the life of this Agreement, for the Commission to comply with this requirement.

22. FEDERAL AND FLORIDA SINGLE AUDIT ACT REQUIREMENTS.

Pursuant to the FSAA (or Federal) Vendor / Recipient Determination Checklist, the Grantee has been determined to be a recipient of state financial assistance and/or a subrecipient of a federal award. Therefore, pursuant to Section 215.97, F.S. and/or OMB Uniform Guidance (2 CFR 200), the Grantee may be subject to the audit requirements of the Florida and/or Federal Single Audit Acts. If applicable, the Grantee shall comply with the audit requirements outlined in Attachment B, "Requirements of the Federal and Florida Single Audit Acts," attached hereto and made a part of the Agreement, as applicable.

23. FEDERAL COMPLIANCE.

As applicable, Grantee shall comply with all federal laws, rules, and regulations, including but not limited to:

i. **Clean Air Act and Water Pollution Control Act.** All applicable standards, orders, or requirements issued under the Clean Air Act (42 U.S.C. 7401-7671q), and the Water Pollution Control Act (33 U.S.C. 1251-1387, as amended).
ii. **Lacey Act, 16 U.S.C 3371-3378.** This Act prohibits trade in wildlife, fish and plants have been illegally taken, possessed, transported or sold.
iii. **Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C. 1801-1884.** This Act governs marine fisheries in Federal waters.
iv. **Migratory Bird Treaty Act, 16 U.S.C. 703-712.** The Act prohibits anyone, unless permitted, to pursue, hunt, take, capture, kill, attempt to take, capture or kill, possess, offer for sale, sell, offer to purchase, deliver for shipment, ship, cause to be shipped, deliver for transportation, transport, cause to be transported, carry or cause to be carried by any means

whatsoever, receive for shipment, transport of carriage, or export, at any time, or in any manner, any migratory bird, or any part, nest, or egg of such bird.

v. **Endangered Species Act, 16 U.S.C. 1531, et seq.** The Act provides a program for the conservation of threatened and endangered plants and animals and the habitat in which they are found. The Act also prohibits any action that cause a "taking" of any listed species of endangered fish or wildlife. Also generally prohibited are the import, export, interstate, and foreign commerce of listed species.

24. FEDERAL FUNDS. No Federal Funds are applied to this Agreement, therefore, the following terms and conditions do not apply.

A. Prior Approval to Expend Federal Funds to Federal Agency or Employee. It is understood and agreed that the Grantee is not authorized to expend any federal funds under this Contract to a federal agency or employee without the prior written approval of the awarding federal agency.

B. Equal Employment Opportunity. Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR Chapter 60). Applicable, except as otherwise provide under 41 CFR Part 60, to any grant, contract, loan, insurance, or guarantee involving Federal assisted construction.

C. Davis-Bacon Act. The Davis-Bacon Act, 40 U.S.C. 3141-3148, as supplemented by Department of Labor regulations at 29 CFR Part 5. Applicable to contractors and subcontractors performing on federally funded or assisted contracts in excess of **$2,000.00** for the construction, alteration, or repair (including painting and decorating) of public buildings or public works. Under this Act, contractors and subcontractors must pay their laborers and mechanics employed under the contract no less than the locally prevailing wages and fringe benefits for corresponding work on similar projects in the area.

D. Copeland "Anti-Kickback Act. The Copeland "Anti-Kickback" Act, 40 U.S.C. 3141-3148, and 3146-3148, as supplemented by Department of Labor regulations (29 CFR Part 5). Applicable to contracts awarded by a non-Federal entity in excess of **$100,000.00** that involve employment of mechanics or labors. Under this Act, contractors and subrecipients are prohibited from inducing, by any mean, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

E. Contract Work Hours and Safety Standards Act. Sections 103 and 107 of the Agreement Work Hours and Safety Standards Act (40 U.S.C. 327–330) as supplemented by Department of Labor regulations (29 CFR part 5). Applicable to construction contracts awarded by Contractors and subcontractors in excess of **$2,000.00**, and in excess of **$2,500.00** for other contracts which involve the employment of mechanics or laborers. Under this Act, contractors and subcontractors must compute wages of mechanics and laborers (workers) on the basis of a standard forty (40) hour work week; provide workers no less than time and a half for hours worked in excess of the forty (40) hour work week; and not require workers to work in surroundings or work conditions that are unsanitary, hazardous, or dangerous.

F. Rights to Inventions Made Under a Contract or Agreement. 37 CFR Part 401. If the Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or Subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under the "funding agreement," the recipient or subrecipient must comply with the requirements of 37

CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

G. Energy Efficiency. Mandatory standards and policies relating to energy efficiency which are contained in the State energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94–163, 89 Stat. 871).

H. Debarment and Suspension Contractor Federal Certification. In accordance with Federal Executive Order 12549 and 2 CFR Part 1400 regarding Debarment and Suspension, the Grantee certifies that neither it, nor its principals, is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency; and, that the Grantee shall not knowingly enter into any lower tier contract, or other covered transaction, with a person who is similarly debarred or suspended from participating in this covered transaction.

I. Prohibition against Lobbying.

i. **Grantee Certification – Payments to Influence.** The Grantee certifies that no Federal appropriated funds have been paid or will be paid, on or after December 22, 1989, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding, renewal, amending or modifying of any Federal contract, grant, or cooperative agreement. The Grantee also certifies that they have not engaged any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on behalf of the Grantee with respect to this Contract and its related federal contract, grant, loan, or cooperative agreement; or, if the Grantee has engaged any registrant with respect to this Contract and its related Federal contract, grant, loan, or cooperative agreement, the Grantee shall, prior to or upon execution of this Contract, provide the Commission Contract Manager a signed declaration listing the name of any said registrant. During the term of this Contract, and at the end of each Calendar quarter in which any event occurs that materially affects the accuracy of this certification or declaration, the Grantee shall file an updated declaration with the Commission's Contract Manager. If any non-federal funds are used for lobbying activities as described above in connection with this Contract, the Grantee shall submit Standard Form-LLL, "Disclosure Form to Report Lobbying", and shall file quarterly updates of any material changes. The Grantee shall require the language of this certification to be included in all subcontracts, and all subcontractors shall certify and disclose accordingly.

ii. **Grantee – Refrain from Subcontracting with Certain Organizations.** Pursuant to the Lobbying Disclosure Act of 1995, the Grantee agrees to refrain from entering into any subcontracts under this Contract with any organization described in Section 501(c)(4) of the Internal Revenue Code of 1986, unless such organization warrants that it does not, and will not, engage in lobbying activities prohibited by the Act as a special condition of the subcontract.

J. Compliance with Office of Management and Budget Circulars. As applicable, Grantee shall comply with the following Office of Management and Budget (OMB) Uniform Guidance (2 CFR 200).

K. Drug Free Workplace. Pursuant to the Drug-Free Workplace Act of 1988, the Grantee attests and certifies that the Grantee will provide a drug-free workplace compliant with 41 U.S.C. 81.

25. CONTRACT-RELATED PROCUREMENT.

A. PRIDE. In accordance with Section 946.515(6), F.S., if a product or service required for the performance of this Contract is certified by or is available from Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE) and has been approved in accordance with Subsection 946.515(2), F.S., the following statement applies:

> It is expressly understood and agreed that any articles which are the subject of, or required to carry out, this contract shall be purchased from [PRIDE] in the same manner and under the same procedures set forth in Subsections 946.515(2) and (4), F.S.; and for purposes of this contract the person, firm or other business entity carrying out the provisions of this contract shall be deemed to be substituted for this agency insofar as dealings with such corporation are concerned.

The above clause is not applicable to subcontractors unless otherwise required by law. Additional information about PRIDE and the products it offers is available at http://www.pride-enterprises.org.

B. Respect of Florida. In accordance with Subsection 413.036(3), F.S., if a product or service required for the performance of this Contract is on the procurement list established pursuant to Subsection 413.035(2), F.S., the following statement applies:

> It is expressly understood and agreed that any articles that are the subject of, or required to carry out, this contract shall be purchased from a nonprofit agency for the blind or for the severely handicapped that is qualified pursuant to Chapter 413, F.S., in the same manner and under the same procedures set forth in Subsections 413.036(1) and (2), F.S.; and for purposes of this contract, the person, firm or other business entity carrying out the provisions of this contract shall be deemed to be substituted for the state agency insofar as dealings with such qualified nonprofit agency are concerned.

Additional information about the designated nonprofit agency and the products it offers is available at http://www.respectofflorida.org.

C. Procurement of Recycled Products or Materials. Grantee agrees to procure any recycled products or materials which are the subject of or are required to carry out this Contract in accordance with Section 403.7065, F.S.

26. PROFESSIONAL SERVICES.

A. Architectural, Engineering, Landscape Architectural, or Survey and Mapping. If this Agreement is for the acquisition of professional architectural, engineering, landscape architectural, or registered surveying and mapping services, and is therefore subject to Section 287.055, F.S., the following provision applies:

> The architect (or registered surveyor and mapper or professional engineer, as applicable) warrants that he or she has not employed or retained any company or person, other than a bona fide employee working solely for the architect (or

registered surveyor and mapper, or professional engineer, as applicable) to solicit or secure this Agreement and that he or she has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the architect (or registered surveyor and mapper or professional engineer, as applicable) any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this contract.

B. Termination for Breach. For the breach or violation of this provision, the Commission shall have the right to terminate the Agreement without liability and, at its discretion, to deduct from the Agreement price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

27. INDEMNIFICATION.

If Grantee is a state agency or subdivision, as defined in Subsection 768.28(2), F.S., pursuant to Subsection 768.28(19), F.S., neither Party indemnifies nor insures the other Party for the other Party's negligence. If Grantee is not a state agency or subdivision as defined above, Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State and the Commission, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors, provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the State or the Commission. If this is a Professional Services Agreement as defined in Subsection 725.08 F.S., then notwithstanding the provisions of Subsection 725.06 F.S., the design professional shall only be liable for, and fully indemnify, defend, and hold harmless the State, the Commission, and their officers, agents, and employees, for actions caused in whole or in part, by the negligence, recklessness, or intentionally wrongful conduct of the design professional and other persons employed or utilized by the design professional in the performance of the Agreement.

28. NON-DISCRIMINATION.

No person, on the grounds of race, creed, color, national origin, age, sex, or disability, shall be excluded from participation in, be denied the proceeds or benefits of, or be otherwise subjected to discrimination in performance of this Agreement.

29. SEVERABILITY, CHOICE OF LAW, AND CHOICE OF VENUE.

This Agreement has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Any action in connection herewith, in law or equity, shall be brought in Leon County, Florida, to the exclusion of all other lawful venues.

30. NO THIRD PARTY RIGHTS.

The Parties hereto do not intend nor shall this Agreement be construed to grant any rights, privileges or interest to any person not a party to this Agreement.

31. JURY TRIAL WAIVER.

As part of the consideration for this Agreement, the Parties hereby waive trial by jury in any action or proceeding brought by any party against any other party pertaining to any matter whatsoever arising out of or in any way connected with this Agreement, or with the products or services provided under this Agreement, including but not limited to any claim by the Grantee of *quantum meruit*.

32. PROHIBITION OF UNAUTHORIZED ALIENS.

In accordance with Federal Executive Order 96-236, the Commission shall consider the employment by the Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationalization Act. Such violation shall be cause for unilateral cancellation of this Agreement if the Grantee knowingly employs unauthorized aliens.

33. EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY).

A. **Requirement to Use E-Verify.** Executive Order 11-116, signed May 27, 2011, by the Governor of Florida, requires Commission contracts in excess of nominal value to expressly require the Grantee to: 1.) utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by Grantee during the Agreement term; and, 2.) include in all subcontracts under this Agreement, the requirement that subcontractors performing work or providing services pursuant to this Agreement utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the term of the subcontract.

B. **E-Verify Online.** E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States after the effective date of the required Memorandum of Understanding (MOU); the responsibilities and elections of federal contractors, however, may vary, as stated in Article II.D.1.c. of the MOU. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found online at http://www.dhs.gov/files/programs/gc_1185221678150.shtm

C. **Enrollment in E-Verify.** If Grantee does not have an E-Verify MOU in effect, the Grantee must enroll in the E-Verify system prior to hiring any new employee after the effective date of this Agreement.

D. **E-Verify Recordkeeping.** The Grantee further agrees to maintain records of its participation and compliance with the provisions of the E-Verify program, including participation by its subcontractors as provided above, and to make such records available to the Commission or other authorized state entity consistent with the terms of the Grantee's enrollment in the program. This includes maintaining a copy of proof of the Grantee's and subcontractors' enrollment in the E-Verify Program (which can be accessed from the "Edit Company Profile" link on the left navigation menu of the E-Verify employer's homepage).

E. Employment Eligibility Verification. Compliance with the terms of the Employment Eligibility Verification provision is made an express condition of this Agreement and the Commission may treat a failure to comply as a material breach of the Agreement.

34. FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE.

Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay Agreement believes is excusable under this paragraph, Grantee shall notify the Commission's Grant Manager in writing of the delay or potential delay and describe the cause of the delay either: (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) within five (5) calendar days after the date Grantee first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. The Commission, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify Grantee of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against the Commission. Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from the Commission for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, Grantee shall perform at no increased cost, unless the Commission determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to the Commission or the State, in which case, the Commission may do any or all of the following: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to the Commission with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate the Agreement in whole or in part.

35. TIME IS OF THE ESSENCE.

Time is of the essence regarding the performance obligations set forth in this Agreement. Any additional deadlines for performance for Grantee's obligation to timely provide deliverables under this Agreement including but not limited to timely submittal of reports, are contained in the Scope of Work, Attachment A.

36. ENTIRE AGREEMENT.

This Agreement with all incorporated attachments and exhibits represents the entire Agreement of the Parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, and duly signed by each of the Parties hereto, unless otherwise provided herein. In the event of conflict, the following order of precedence shall prevail;

this Agreement and its attachments, the terms of the solicitation and the Grantee's response to the solicitation.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed through their duly authorized signatories on the day and year last written below.

Attachment	B	Requirements of the Federal and Florida Single Audit Acts
Exhibit	1	Federal and State Funding Detail
Attachment	C	Cost Reimbursement Contract Payment Requirements
Attachment	D	Derelict Vessel Removal Best Management Practices
Attachment	E	Letter of Return on Investment for the State
Attachment	F	Sample Invoice Form
Attachment	G	Monthly Progress Report
Attachment	H	Certificate of Completion

Attachment A – SCOPE OF WORK

Project Name:	Escambia County Derelict Vessel Removal	**FWC Contract No.**	18337

1. PROJECT DESCRIPTION

A. Purpose: The purpose of this project is to remove one derelict vessel from the public waters of the state within the jurisdiction of Escambia County, Florida.

B. Project Benefits: The removal of this derelict vessel will improve boating safety by removing a hazard to navigation. This project will also help to restore sensitive marine resources and improve water quality.

2. DELIVERABLE(S) Remove 1 derelict vessel

A. Tasks: The Grantee shall provide all labor, equipment, and materials to remove each derelict vessel listed below from the public waters of the state within the jurisdiction of Escambia County and properly dispose of the vessels in the designated disposal location:

1) FWNW19OFF000866
Description: 30’ White Chris Craft Cab Cruiser Reg: FL9377FV
HIN: CCHEC058M83K
Location: 30 22.41498(N) / 087 18.573(W)
Disposal: Landfill

B. Documentation used as evidence of performance: The Grantee shall provide to the Commission a Final Disposition Report. This report shall contain the list of all derelict vessels removed, the disposition of each derelict vessel, and photographs that document the condition of each vessel prior to removal, the removal process for each vessel, and the final disposition of each vessel.

3. FINANCIAL CONSEQUENCES

The Commission may restrict payment of any or all costs for failure to complete the project as described herein within the timeframe allowed, or for failure to correct any project deficiencies, as noted in the final project inspection. The final project inspection will be done by a Commission officer verifying that the entire vessel for each task has been removed according to the project plan.

Failure of Grantee to have all receipts and evidence of project performance delivered to FWC on or before November 30, 2019, before close of business may jeopardize payment of funds to the Grantee per the agreement.

4. PERFORMANCE

A. Acceptance of Agreement: The Grantee will accept the agreement and have it signed and returned to the Commission within 30 days of receipt. Failure to have the agreement returned within the specified time will render the agreement null and void. In some cases, the Commission will allow a modified return time with prior notice and approval from the Commission's Contract Manager.

B. Commencement of Work: The Grantee shall commence work on the overall project as soon as notified by the Commission of the agreement execution. Failure by the Grantee to execute the work within 60 days of agreement execution shall result in the agreement being null and void, unless prior approval for a delay is granted by the Commission's Contract Manager.

C. Procurement: The Grantee shall procure goods and services through a competitive solicitation process in accordance with Chapter 287, Florida Statutes. The Grantee has already included in the application the quote provided by the contractor chosen for the task and the Commission will not pay to the Grantee any more than 75 percent of the quoted price for each task or 75 percent of the actual cost if less than the quoted price. The Grantee will insure that the selected contractor has adequate insurance and is qualified to do the work. A copy of the state's Derelict Vessel Removal Best Management Practices, attached as Attachment D, will provide guidance as to whether or not the selected contractor is qualified to do the work.

D. Closeout: Final receipts with required evidence of completion will be received by the Commissions Contract Manager no later than November 30, 2019.

5. COMPENSATION AND PAYMENT

A. Compensation: For satisfactory completion of the tasks described in this Scope of Work, by the Grantee under the terms of this Agreement, the Commission shall pay the Grantee on a cost reimbursement basis in an amount not to exceed $3,750.00. The Grantee shall be reimbursed only for budgeted expenses that are directly related to the removal and disposal of vessels within the project.

B. Cost Share: The Grantee agrees to provide 25% or at least $1,250.00 of the total cost of the project as indicated in the FWC Derelict Vessel Removal Grant Guidelines. The total compensation by the Commission shall be $3,750.00 or 75% of the total cost for the project whichever is less.

C. Salvage Value: The Grantee shall be entitled to the salvage value of any grant-designated derelict vessel or any part(s) or accessories thereof, not used in the construction of a permitted artificial reef site, excluding the hull. All such salvage activities not essential to the physical removal of a derelict vessel shall be accomplished after the vessel has been removed

from public waters. The salvage value of each vessel shall be deducted by the Grantee when determining the reimbursement request for the removal and disposal costs for each derelict vessel. Vessel hulls must be destroyed and not salvaged in whole. All salvaged materials from such vessels must be removed from the vessels before being sold for salvage. By law, such salvage values must offset the cost of removal to be allowed.

D. Forms and Documentation: The Grantee shall be reimbursed on a cost reimbursement basis in accordance with 2011 Reference Guide for State Expenditures attached hereto and made a part hereof as Attachment C.

The request for reimbursement shall include an invoice in a format similar to Attachment F, Sample Invoice Form, which shall include the FWC Agreement Number, the Grantee's Federal Employer Identification (FEID) Number, and the dates of service. The invoice shall be accompanied by Attachment H: Certificate of Completion, photographs to document project removal and completion, an itemized list of all project expenditures, and copies of invoices and cancelled checks or check numbers to document payment for all project expenditures.

6. MONITORING

A. Compliance Monitoring and Corrective Actions: The Commission will monitor the Grantee's service delivery to determine if the Grantee has achieved the required level of performance. If the Commission in its sole discretion determines that the Grantee failed to meet any of the terms or conditions of this Agreement, the Grantee will be sent a formal written notice. The Grantee shall correct all identified deficiencies within forty-five (45) days of notice. Failure to achieve 100% compliance with all of the terms and conditions of this Agreement or failure to correct the deficiencies identified in a notice identifying deficiencies within the time frame specified may result in delays in payment or termination of this Agreement in accordance with the terms of the Agreement.

B. Site Inspections: The Commission may inspect the Project site prior to and, if applicable, during the removal of project vessels. The Grantee shall notify the Commission's Contract Manager when the Project has reached substantial completion so that inspection may occur in a timeframe allowing for the timely submission and processing of the final invoice. The Commission's Contract Manager, or designee, shall inspect the work accomplished on the project and, if deemed complete and in compliance with the terms of the Agreement, approve the request for payment. All derelict vessel removal sites will be inspected by a Commission officer to verify the complete removal of the vessel as described in the Agreement.

C. Project Progress Reports: The Grantee shall submit to the Commission, on a monthly basis, project progress reports outlining the progress of the project, and identifying any problems that may have arisen and actions taken to correct such problems. Such reports shall be submitted on the Project Monthly Progress Report Form attached hereto and made a part hereof as Attachment G. Reports are due to the Commission's Contract Manager by the 15th of the month immediately following the reporting period until the Certificate of Completion is submitted.

D. Best Management Practices: The Grantee shall ensure that the contractor chosen to complete the tasks as indicated in this Scope of Work are both able and instructed to follow state Derelict Vessel Removal Best Management Practices (BMPs), (Attachment D). Failure to follow these BMPs may subject both the contractor and the Grantee to State or Federal fines and penalties if it is shown that these practices were not followed.

A. Certificate of Completion: Upon completion of the Project, the Contract Manager for the Grantee shall sign a Certificate of Completion form, Attachment H, attached hereto and made a part hereof, that certifies the project was completed in accordance with this Scope of Work and the Agreement. For reporting purposes this project will be submitted to the Executive Office of the Governor, a Letter of Return on Investment for the State is attached hereto and made part thereof as Attachment E to this agreement.

7. INTELLECTUAL PROPERTY RIGHTS

No additional requirements. Refer to Section 12 of the Agreement.

8. SUBCONTRACTS

No additional requirements. Refer to Section 14 of the Agreement.

9. INSURANCE

No additional requirements. Refer to Section 16 of the Agreement.

10. SECURITY AND CONFIDENTIALITY

No additional requirements. Refer to Section 20 of the Agreement.

11. RECORD KEEPING REQUIREMENTS

No additional requirements. Refer to Section 21 of the Agreement.

12. NON-EXPENDABLE PROPERTY

No additional requirements. Refer to Section 12 of the Agreement.

13. PURCHASE OR IMPROVEMENT OF REAL PROPERTY

No additional requirements. Refer to Section 12 of the Agreement.

Attachment B
AUDIT REQUIREMENTS

The administration of resources awarded by the Florida Fish and Wildlife Conservation Commission (Commission) to the Grantee may be subject to audits and/or monitoring by the Commission as described in Part II of this attachment regarding State funded activities. If this Agreement includes a Federal award, then Grantee will also be subject to the Federal provisions cited in Part I. If this Agreement includes both State and Federal funds, then all provisions apply.

MONITORING

In addition to reviews of audits conducted in accordance with Sections 200.500-200.521, Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards (2 CFR 200), as revised, hereinafter "OMB Uniform Guidance" and Section 215.97, F.S., as revised (see "AUDITS" below), the Commission may conduct or arrange for monitoring of activities of the Contractor. Such monitoring procedures may include, but not be limited to, on-site visits by the Commission staff or contracted consultants, limited scope audits as defined by Section 200.331, OMB Uniform Guidance and/or other procedures. By entering into this Contract, the Grantee agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Commission. The Grantee further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Florida Department of Financial Services or the Florida Auditor General.

AUDITS

PART I: FEDERALLY FUNDED. If this Agreement includes a Federal award, then the following provisions apply:

A. This part is applicable if the Grantee is a State or local government or a non-profit organization as defined in Sections 200.90, 200.64, or 200.70, respectively, OMB Uniform Guidance.

B. In the event that the Grantee expends **$500,000.00** (**$750,000.00** for fiscal years beginning on or after December 26, 2014) or more in Federal awards in its fiscal year, the Grantee must have a single or program-specific audit conducted in accordance with the provisions of the Federal Single Audit Act of 1996 and Sections 200.500-200.521, OMB Uniform Guidance. EXHIBIT 1 to this Attachment indicates Federal resources awarded through the Commission by this Agreement. In determining the Federal awards expended in its fiscal year, the Grantee shall consider all sources of Federal awards, including Federal resources received from the Commission. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by Sections 200.500-200.521, OMB Uniform Guidance. An audit of the Grantee conducted by the Auditor General in the OMB Uniform Guidance, will meet the requirements of this part.

C. In connection with the audit requirements addressed in Part I, paragraph A. herein, the Grantee shall fulfill the requirements relative to auditee responsibilities as provided in Section 200.508, OMB Uniform Guidance. This includes, but is not limited to, preparation of financial statements, a schedule of expenditure of Federal awards, a summary schedule of prior audit findings, and a corrective action plan.

D. If the Grantee expends less than **$500,000.00** (**$750,000.00** for fiscal years beginning on or after December 26, 2014) in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, is not required. In the event that the Grantee expends less than **$500,000.00** (**$750,000.00** for fiscal years beginning on or after

December 26, 2014) in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from Grantee resources obtained from other than Federal entities).

E. Such audits shall cover the entire Grantee's organization for the organization's fiscal year. Compliance findings related to contracts with the Commission shall be based on the contract requirements, including any rules, regulations, or statutes referenced in the Contract. The financial statements shall disclose whether or not the matching requirement was met for each applicable contract. All questioned costs and liabilities due to the Commission shall be fully disclosed in the audit report with reference to the Commission contract involved. Additionally, the results from the Commission's annual financial monitoring reports must be included in the audit procedures and the Sections 200.500-200.521, OMB Uniform Guidance audit reports.

F. If not otherwise disclosed as required by Section 200.510, OMB Uniform Guidance, the schedule of expenditures of Federal awards shall identify expenditures by contract number for each contract with the Commission in effect during the audit period.

G. If the Grantee expends less than **$500,000.00** in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, is not required. In the event that the Grantee expends less than **$500,000.00** in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, the cost of the audit must be paid from non-Federal resources (*i.e.*, the cost of such an audit must be paid from the Grantee's resources obtained from other-than Federal entities).

H. A web site that provides links to several Federal Single Audit Act resources can be found at: http://harvester.census.gov/sac/sainfo.html

PART II: STATE FUNDED. If this Agreement includes State funding, then the following provisions apply:

This part is applicable if the Grantee is a non-state entity as defined by Section 215.97, F.S., (the Florida Single Audit Act).

A. In the event that the Grantee expends a total amount of state financial assistance equal to or in excess of **$500,000.00** in any fiscal year of such Grantee, the Grantee must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; applicable rules of the Executive Office of the Governor and the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Attachment indicates state financial assistance awarded through the Commission by this Contract. In determining the state financial assistance expended in its fiscal year, the Grantee shall consider all sources of state financial assistance, including state financial assistance received from the Commission, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.

B. In connection with the audit requirements addressed in Part II, paragraph A herein, the Grantee shall ensure that the audit complies with the requirements of Section 215.97(7), F.S. This includes submission of a financial reporting package as defined by Section 215.97(2)(d), F.S., and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

C. If the Grantee expends less than **$500,000.00** in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. In the event that the Grantee expends less than **$500,000.00** in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the non-state entity's resources (*i.e.*, the cost of such an audit must be paid from the Grantee's resources obtained from other-than State entities).

D. Additional information regarding the Florida Single Audit Act can be found at: https://apps.fldfs.com/fsaa/.

E. Grantee shall provide a copy of any audit conducted pursuant to the above requirements directly to the following address:

Chief Financial Officer
Florida Fish and Wildlife Conservation Commission
Bryant Building
620 S. Meridian St.
Tallahassee, FL 32399-1600

PART III: REPORT SUBMISSION

A. Copies of reporting packages, to include any management letter issued by the auditor, for audits conducted in accordance with Sections 200.500-200.521, OMB Uniform Guidance, and required by Part I of this Attachment shall be submitted by or on behalf of the Grantee directly to each of the following at the address indicated:

1. The Commission at the following address:

   Chief Financial Officer
   Florida Fish and Wildlife Conservation Commission
   Bryant Building
   620 S. Meridian St.
   Tallahassee, FL 32399-1600

2. The Federal Audit Clearinghouse designated in Section 200.512, OMB Uniform Guidance (the reporting package required by Section 200.512, OMB Uniform Guidance, should be submitted to the Federal Audit Clearinghouse):

   Federal Audit Clearinghouse
   Bureau of the Census
   1201 East 10th Street
   Jeffersonville, IN 47132

3. Other Federal agencies and pass-through entities in accordance with Section 200.512, OMB Uniform Guidance.

B. Copies of audit reports for audits conducted in accordance with Sections 200.500-200.521, OMB Uniform Guidance, and required by Part I of this Attachment (in correspondence accompanying the audit report, indicate the date that the Grantee received the audit report); copies of the reporting

package described in Section 200.512, OMB Uniform Guidance, and any management letters issued by the auditor; copies of reports required by Part II of this Attachment must be sent to the Commission at the addresses listed in paragraph C. below.

C. Copies of financial reporting packages required by Part II of this Attachment, including any management letters issued by the auditor, shall be submitted by or on behalf of the Grantee directly to each of the following:

1. The Commission at the following address:

   Chief Financial Officer
   Florida Fish and Wildlife Conservation Commission
   Bryant Building
   620 S. Meridian St.
   Tallahassee, FL 32399-1600

2) The Auditor General's Office at the following address:

   Auditor General's Office
   G74 Claude Pepper Building
   111 West Madison Street
   Tallahassee, FL 32399-1450

D. Any reports, management letter, or other information required to be submitted to the Commission pursuant to this Contract shall be submitted timely in accordance with OMB Sections 200.500-200.521, OMB Uniform Guidance, Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

Grantees and sub-Grantees, when submitting financial reporting packages to the Commission for audits done in accordance with Sections 200.500-200.521, OMB Uniform Guidance, or Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the Grantee/sub-Grantee in correspondence accompanying the reporting package.

FEDERAL AND STATE FUNDING DETAIL

FEDERAL RESOURCES AWARDED TO THE GRANTEE PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

Federal Program(s) Funds		
CFDA #	**CFDA Title**	**Amount**
	N/A	
	Total Federal Awards	

COMPLIANCE REQUIREMENTS APPLICABLE TO THE FEDERAL RESOURCES AWARDED PURSUANT TO THIS AGREEMENT ARE AS FOLLOWS:

Federal Program(s) Compliance Requirements	
CFDA #	**Compliance Requirements**
	N/A

STATE RESOURCES AWARDED TO THE GRANTEE PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

MATCHING RESOURCES FOR FEDERAL PROGRAMS:

Matching Funds Provided by CFDA		
CFDA #	**CFDA Title**	**Amount of Matching Funds**
	Total Matching Funds Associated with Federal Programs	N/A

SUBJECT TO SECTION 215.97, FLORIDA STATUTES:

State Project(s)		
CSFA #	**CSFA Title**	**Amount**
77.005	FWC Derelict Vessel Removal Grant Program	$3,750.00
	Total State Awards	$3,750.00

COMPLIANCE REQUIREMENTS APPLICABLE TO STATE RESOURCES AWARDED PURSUANT TO THIS AGREEMENT ARE AS FOLLOWS:

State Project(s) Compliance Requirements	
CSFA #	**Compliance Requirements**
77.005	Must adhere to FWC Derelict Vessel Removal Grant Program Guidelines (June 2016)

NOTE: Section 200.513, OMB Uniform Guidance (2 CFR 200), as revised, and Section 215.97(5), Florida Statutes, require that the information about Federal Programs and State Projects included in Exhibit 1 be provided to the Grantee.

- End of EXHIBIT 1 -

COST REIMBURSEMENT CONTRACT PAYMENT REQUIREMENTS

Pursuant to the February, 2011 *Reference Guide for State Expenditures* published by the Department of Financial Services, invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). In addition, supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of types of supporting documentation:

(1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

(2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

(3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.

(4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.

(5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.

(6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports. Additionally, the invoice or submitted documentation must evidence the completion of all tasks required to be performed for the deliverable and must show that the provider met the minimum performance standards established in the agreement.

Best Management Practices for DV removal

Derelict Vessel Removal Process

Derelict vessels are existing impacts to the environment as well as boating safety hazards, impediments to navigation, and esthetic nuisances. Typically these vessels are found grounded on the edges of active waterways where they may have physical impacts on benthic and shoreline communities. However, the impact of these vessels is not limited to their immediate location. If left unattended, the influences of winds and tides continue to push the boats causing greater impact as they become more deeply mired into the environment. Early extraction of these vessels will avoid and minimize the environmental impacts. In addition to these physical impacts resulting from the movement of these vessel through the environment; there is the long term effect caused by their continued degradation and decay in the marine environment. These vessels may be constructed of various materials, such as wood, steel, aluminum, or fiberglass; each having varying degrees of resilience and can remain in the marine environment for extended periods of time. With the progression of time; the environmental impacts increase with the shading from the hull and displacement of live bottom and emergent vegetative communities resulting from the expansion of the debris field as the vessels disintegrates. The impacts resulting from the removal of these vessels during any stage is less than the impacts caused by the long-term presence of the vessel in the marine environment. Therefore the early detection and removal of these abandoned and derelict vessels is the best means of minimizing the individual or cumulative impacts to the environment.

Derelict Vessel Removal (FDEP) Permit Exemption

An Exemption under Florida Administrative Code Chapter 62-330-051(5)(g) by Florida Department of Environmental Protection, has been established for the removal of derelict vessels. Based on the presumption that the extraction of these vessels from the marine environment will cause only minimal environmental impacts and in turn avoid the long-term impacts resulting from the degradation of the vessel at it current location. The environmental impacts are ameliorated by the application of the best management practices referenced below.

Florida Administrative Code Chapter 62-330-051(5)(g)

(g) The removal of derelict vessels, as defined in Section 823.11(1), F.S., by federal, state, and local agencies, provided:
1. The derelict vessel case has been completed as specified in Section 705.103, F.S., and has been entered into the Statewide Derelict Vessel Database maintained by the Florida Fish and Wildlife Conservation Commission;

2. All work is done in a manner that, to the greatest practicable extent, avoids additional dredging or filling, grounding or dragging of vessels, and damage to submerged resources such as seagrass beds, oyster beds, coral communities, mangroves, other wetlands, and live bottom; and
3. An absorbent blanket or boom shall be immediately deployed on the surface of the water around the derelict vessel if fuel, oil, or other free-floating pollutants are observed during the work.

General Derelict Vessel Removal and Environmental Protection Best Management Practices

The following best management practices (BMP's) will be employed by the marine contractor during the removal of derelict vessels. These BMP's will be incorporated into the contact for each vessel removal project. The marine contractor selected for the project will be required to show proof of their ability to meeting the BMP requirements with their contingency of equipment, staff and expertise in the removal of derelict vessels.

Compliance with these BMP's will be monitored by the County and by local Florida Fish and Wildlife Conservation Commission law enforcement officers. These BMP's are as follows:

a. All Work Is To Meet The Following Requirements:

1. Operations are to be limited to daylight hours.
2. Operations are to be staged from an upland area.
3. All work is to be performed in a manner that avoids and/or minimizes impacts to live bottom and other resource areas (e.g., seagrass beds, oyster beds, wetlands, mangroves, and other sensitive habitats) while approaching, working in, and leaving the derelict vessel site.
4. All work shall avoid impacts to manatees, sea turtles, and other species listed by the state and federal government as threatened or protected.
5. The Contractor will remove all contaminants and pollutants including fuels, batteries, paints, solvents, and engine from the derelict vessel prior to extraction. Any contaminant or pollutant found to be contained within a derelict vessel shall be removed by the Contractor, placed in an approved container, and disposed of properly. The placement of an absorbent blanket on the surface of the water around the derelict vessel within the turbidity barrier is required where free floating product (gas/oil) is observed.
6. The Contractor is to provide appropriate best management practices (BMPs) approved by the Florida Department of Environmental Protection for erosion control and turbidity protection while each derelict vessel is being removed. In areas of low to moderate currents, a Type II floating turbidity barrier will be

installed within a ten (10) foot radius of the vessel being removed prior to starting any removal activities. The turbidity barrier shall be anchored to the bottom of the waterway.

7. The Contractor is to provide appropriate BMPs for erosion control and turbidity prevention around the vessels/barges being used to remove the derelict vessel and around the perimeter of any upland staging site (where necessary).
8. The Contractor is to monitor turbidity levels throughout removal work.
9. In an effort to reduce turbidity, a crane, winch and/or approved alternate method is to be used to raise the derelict vessel from the water.
10. The Contractor will assess turbidity levels and allow them to return to an acceptable level similar to pre-project condition prior to removal of turbidity measures.
11. The dragging of vessels is to be avoided both on and off-shore. All vessels/barges used in vessel removal shall continually monitor water depths to avoid running aground.
12. The Contractor will load derelict vessels onto a barge and/or flat bed truck (or similar) for proper disposal.
13. The Contractor is to photo-document all removals as described in Item 6 below with pictures taken before, during and after removal. The Contractor will provide a daily written report of all removal activities.

b. For Derelict Vessels That Are Floating or Lightly Aground:

    1. The vessel is to be pumped out as needed and extracted (floated out) during high water.
    2. Following extraction, the vessel is to be towed from the grounded location to a boat ramp or other removal point while avoiding and/or minimizing impacts to live bottom areas.

c. For Derelict Vessels That Are Hard Aground:

    1. The vessel is to be approached using shallow draft vessels.
    2. The vessel is to be extracted using a crane from a shallow draft deck barge, by hand using the best available tools, or similar approach to minimize impacts to the site and surrounding areas.

d. For Derelict Vessels Sunken in Shallow Water:

    1. Install and inflate flotation bags as needed.
    2. Lift the vessel with barge mounted crane or similar equipment.

To: FWC Contract 18337 Escambia County, Florida
From: Phil Horning, Contract Manager
RE: Return on Investment Reporting

This Memorandum is to document the Return of Investment reporting language as mandated and approved by Florida's Executive Office of the Governor, Office of Policy and Budget, in to FWC Contract 18337.

Return of Investment reporting:

The ultimate objective is for the vessel(s) to be removed from the water at the earliest possible time to prevent additional removal costs and potential damage by interfering with navigation or the environment. Removing vessels at the earliest possible time reduces the cost of removing vessels at a later time when they frequently sink or break apart thereby increasing removal costs. By eliminating these hazards from navigation, there is a reduced chance of injury or death associated with a collision between a boater and a derelict vessel thereby reducing risk to the boater, county and state.

Removing a greater number of derelict vessels reduces the number of environmental incidents of pollution caused by spilled fuels and oils and the leaching of caustic chemicals into the waters of the state. A reduction of derelict vessel damage to sea grasses, corals, and other benthic resources also increases value to our states natural resources and reduces restoration costs. Derelict vessels can also be a blight on working waterfronts, resort and residential areas. This blight can negatively affect the economy of these areas including use, sales and tourism.

Analysis at the program's conclusion will list the number of derelict vessels and/or total linear feet removed for both individual counties and the statewide total. The average cost for vessels removed and the average cost per linear foot will also be included. The report will measure the percentage of derelict vessels removed for both counties and the entire state based on the pre-program totals as listed in the Statewide Derelict Vessel Database.

COUNTY ADMINISTRATOR'S REPORT – Continued

II. BUDGET/FINANCE CONSENT AGENDA – Continued

5. Recommendation: That the Board approve, and authorize the Director for the Department of Natural Resources Management to sign, Grant Applications relating to the Florida Fish and Wildlife Conservation Commission (FWC) Derelict Vessel Final Removal Funding Opportunity Program, with local matching funds from Vessel Registration Fees, up to $10,000.

   [Funding: Escambia County's cash match will be provided from Fund 110, Other Grants and Projects; Cost Center 220807, Vessel Registration Fees.]

Motion: Move the Item
Made by: Commissioner Bergosh **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Underhill absent

6. Recommendation: That the Board take the following action concerning the Professional Services Agreement between First Judicial Circuit Court Administration and the Escambia County Board of County Commissioners, regarding the housing of adult post-adjudicatory drug court participants at the Community Corrections Work Release Facility:

   A. Approve the Agreement between First Judicial Circuit Court Administration and the Escambia County Board of County Commissioners for the housing of adult post-adjudicatory drug court participants at the Community Corrections Work Release Facility; and

   B. Authorize the Chairman to execute the Agreement.

   [Funding: This Agreement is a Revenue Agreement related to Fund 114, Misdemeanor Probation, Revenue Account 349003.]

Motion: Move the Item
Made by: Commissioner Bergosh **Seconded by:** Commissioner Barry
Disposition: Carried 4-0, with Commissioner Underhill absent

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-16463 **County Administrator's Report 12. 42.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 07/18/2019
Issue: Contract Award for 911 Wide Area Network
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Contract Award for 911 Wide Area Network - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve and authorize the County Administrator to execute the Agreement between Escambia County, Florida, and Uniti Fiber, LLC, per the terms and conditions of PD 18-19.044, 911 Wide Area Network at the rate of:

Option 2: 100 Mbps Ethernet Diverse Path Dual Entrance
60 months: $1075 per month, per site / 3 sites $3,225
Add Ons:
60 month: $775 per month, for all sites
Total monthly cost: $4,000
Total for 60-month Contract: $240,000

AGREEMENT TO BE DISTRIBUTED UNDER SEPARATE COVER

[Funding: Fund 145 (E-911), Cost Center 330404]

BACKGROUND:

Escambia County utilizes a geo-diverse 9-1-1 system. Geo-diverse cores are housed between the Escambia County Emergency Communications Center (ECC) and the Escambia County Sheriff's Office (ESO). The Pensacola Police Department (PPD) operates as a remote site. A dedicated Wide Area Network (WAN) provides network connectivity for the system.

The current WAN contract with AT&T expires in October 2019. Proposals were solicited for a dedicated, private, fully redundant, Wide Area Network to provide greater redundancy using a fiber-connected metro-area layer 2 backbone.

This Request for Proposals was publicly noticed on May 8, 2019, to 62 firms. Responses

were received from two firms on May 29, 2019. The Selection/Negotiation Committee met on June 11, 2019, to review the two responses. In as much as there were two responses, the committee compared the responses. Uniti Fiber, LLC, was presented the options that were determined to be in the best interest of Escambia County.

BUDGETARY IMPACT:

Fund 145 (E-911), Cost Center 330404

LEGAL CONSIDERATIONS/SIGN-OFF:

Agreement prepared by Senior Assistant County Attorney Kristin Hual.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the Code of Ordinances of Escambia County, FL 1999, Chapter 45 Finance, Article II Purchases and Contracts.

IMPLEMENTATION/COORDINATION:

The Office of Purchasing will issue the Attorney's Contract and Purchase Order.

HOW TO SUBMIT YOUR PROPOSAL:
Please review this document carefully. Offers that are accepted by the County are binding contracts. **Incomplete proposals are not acceptable.** All documents and submittals shall be received by the Office of Purchasing on or before the date and hour specified for receipt. Late proposals will be returned unopened.

* *Documents submitted with Proposals are to be on the forms provided in the Request for Proposals and photocopies of other required documents.*

THE FOLLOWING DOCUMENTS SHALL BE RETURNED WITH THE BID:
- Proposal Documents to include, Solicitation, Offer, and Proposal Form. The Proposal Form must contain an original signature in indelible ink. Proposals with photocopies or scanned signatures will not be accepted.
- One CD or Flash Drive containing the entire Proposal

THE FOLLOWING DOCUMENTS SHOULD BE RETURNED WITH THE BID:
- Sworn Statement Pursuant to Section 287.133(3)(A), Florida Statutes on Entity Crimes.
- Drug-Free Workplace Form.
- Information Sheet for Transactions and Conveyances Corporate Identification.
- Certificate of Authority to do Business from the State of Florida.
- Occupational License.
- Florida Department of Business and Professional Regulation – License(s), Certification(s), and/or Registration(s).
- Certificate of Enrollment in E-Verify

BEFORE YOU SUBMIT YOUR BID, HAVE YOU:
- Placed your proposal with all required submittal items in a sealed envelope, clearly marked for specification number, project name, name of proposer, and due date and time of proposal receipt?

THE FOLLOWING DOCUMENTS ARE REQUIRED UPON NOTICE OF AWARD:
- Certificate of Insurance

HOW TO SUBMIT A NO PROPOSAL:
- If you do not wish to submit a proposal at this time, please remove the Solicitation, Offer and Proposal Form from the Proposal Solicitation Package and enter No Proposal in the "Reason for No Proposal" block, your company's name, address, signature, and return the Solicitation, Offer and Proposal Form in a sealed envelope.

This form is for your convenience to assist in filling out your proposal.
Do not return this form with your proposal.

POSTING OF SOLICITATION TABULATIONS

Solicitation tabulations with recommended awards will be posted for review by interested parties at the Escambia County office of Purchasing, and will remain posted for a period of two (2) business days. Failure to file a protest in writing with two (2) business days after posting of the solicitation tabulation shall constitute a waiver of any protest relating to this solicitation. All protests must be filed with the Escambia County Office of Purchasing. Protests will be handled according to the Escambia County Purchasing Ordinance.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A),
FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And (if applicable) its Federal Employer Identification Number (FEIN) is:

_____

If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with a convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that is not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY INDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Drug-Free Workplace Form

The undersigned vendor, in accordance with Florida Statue 287.087 hereby certifies that _____ does:

(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in Paragraph One (1).

4. In the statement specified in Paragraph One (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or please of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on, or require the satisfactory participation in a drug assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of Paragraphs 1 through 5.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.044, "911 Wide Area Network", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the proposals are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Questions

Questions regarding this Request for Proposal shall be directed to Paul R. Nobles, Purchasing Manager, prnobles@myescambia.com. Last day for questions is May 17, 2019 at 5:00 p.m. CDT.

3. Payment

Partial billing will not be accepted. Escambia County will pay 100% of the contract price after all items have been delivered and accepted. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 South Palafox Place
Pensacola, FL 32502

NOTICE

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee vendor until such time as the contract is executed by the last party to the transaction.

4. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of twelve (12) months. The

contract may be renewed for additional twelve (12) months periods, up to a maximum thirty-six (36) months upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an "as needed" basis.
C. The contract may be canceled by the awarded vendor, for good cause, upon ninety (90) days prior written notice.
D. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.
E. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

5. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

6. Insurance Requirements

Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings

if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. <u>Workers Compensation Coverage</u>

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. <u>General, Automobile and Excess or Umbrella Liability Coverage</u>

The contractor shall purchase and maintain coverage on forms no more restrictive

than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such

renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Paul R. Nobles, Purchasing Manager
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

7. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any

insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

PD 18-19.044
911 Wide Area Network
Request for Proposal

PART A SUMMARY

Escambia County Public Safety, Communications Division is soliciting proposals for a dedicated, private, fully redundant, Wide Area Network (WAN) between its 9-1-1 host servers and 9-1-1 PSAP's.

PART I GENERAL INFORMATION

1-1 PURPOSE

The Board of County Commissioners of Escambia County is seeking the Professional Services of a qualified Wide Area Network provider.

1-2 OBJECTIVE

The Primary objective of The RFP is the selection of the most qualified and experienced Contractor to perform the scope of work that is most advantageous to the County.

1-3 ISSUING OFFICER

The project Director shall be the County Administrator. The liaison officer shall be Andrew Hamilton CPM, ENP, Communications Chief, Escambia County Public Safety. The contracting agency shall be the Escambia County Board of Commissioners, c/o the Office of Purchasing, P.O. Box 1591, Pensacola, Florida, 32597-1591.

1-4 CONTRACT CONSIDERATION

It is expected that the contract shall be a **lump sum for upgrading the system and monthly based maintenance agreement** after negotiation.

1-5 REJECTION

The right is reserved by the Board of County Commissioners to accept or reject any or all proposals or to waive any informality, existing in any proposal, or to accept the proposal which best serves the interest and intent of this project and is from the most responsive and responsible proposer.

1-6 INQUIRIES

Questions regarding this Request for Proposal shall be directed to Paul R. Nobles, Purchasing Manager, prnobles@myescambia.com. Last day for questions is April 30, 2019 at 5:00 p.m. CST.

1-7 ADDENDA

Any changes made in the Request for Proposal shall be brought to the attention of all of those who have provided the proper notices of interest in performing the services.

1-8 SCHEDULE

The following schedule shall be adhered to in so far as practical in all actions related to this procurement:

A. Mailing date of proposals	**May 8, 2019**
B. Last day for questions	**May 17, 2019 at 5:00 p.m. CDT**
D. Receipt of proposals	**May 29, 2019 at 2:00 p.m., CDT**
E. Review of proposals	**June 5, 2019 at 1:00 p.m., CDT**
F. Discussions/Ranking, if required	**June 12, 2019 at 9:00 a.m., CDT**
G. Negotiations, if required	**June 18, 2019 at 9:00 a.m., CDT**
H. Board of County Commissioners approval	**July 18, 2019**

1-9 PROPOSAL CONTENT AND SIGNATURE

One original of the proposal shall be required with all copies having been signed by a company official with the power to bind the company in its proposal, one CD or flash drive containing the entire proposal, and shall be completely responsive to the RFP for consideration.

1-10 NEGOTIATIONS

The contents of the proposal of the successful firm shall become a basis for contractual negotiations.

1-11 RECOMMENDED PROPOSAL PREPARATION GUIDELINES

All contractors shall provide a straight forward and concise description of their ability to meet the RFP requirements. The proposal shall clearly show the technical approach to include work tasks, estimated time phasing and the proposed approach rational.

Proposals require submittal of a detailed Project Plan. The detailed Project Plan will include identification of key personnel (with reef construction/deployment experience), identification and description of deployment vessel(s) (name/Doc. #, size, propulsion, capacity (tonnage), navigation equipment, etc. Detailed Project Plan will include deployment capacity/capability and deployment rate. Detailed Project Plan will also include deployment techniques/ procedures and means of providing documentation of reef placement (orientation/placement coordinates/condition on the seafloor).

1-12 PRIME CONTRACT RESPONSIBILITIES

The selected contractor shall be required to assume responsibility for all services offered in his proposal. The selected contractor shall be the sole point of contact with regard to contractual matters including payments of any and all changes resulting from the contract.

1-13 DISCLOSURE

All information submitted in response to this RFP shall become a matter of public record, subject to Florida Statutes regarding public disclosure.

1-14 DELAYS

The Project Director reserves the right to delay scheduled due dates if it is to the advantage of the project.

1-15 WORK PLAN CONTROL

Control of the work plan to be developed under the RFP shall remain totally with the Escambia County Board of Commissioners.

1-16 METHOD OF PAYMENT

Payment schedule and basis of payment shall be negotiated.

PART II INFORMATION REQUIRED FROM CONTRACTORS

ALL PROPOSALS SHALL INCLUDE THE FOLLOWING: TECHNICAL AND COST PROPOSAL

2-1 PROPOSAL FORMAT AND CONTENT

The County discourages overly lengthy and costly proposals, however, in order for the County to evaluate proposals fairly and completely, proposers should follow the format set out herein and provide all of the information requested.

2-2 INTRODUCTION

Proposals shall include the complete name and address of their firm and the name, mailing address, and telephone number of the person the County should contact regarding the proposal.

Proposals shall confirm that the firm will comply with all of the provisions in this RFP; and, if applicable, provide notice that the firm qualifies as a County proposer. Proposals shall be signed by a company officer empowered to bind the company. A proposer's failure to include these items in their proposals may cause their proposal to be determined to be non-responsive and the proposal may be rejected.

2-3 UNDERSTANDING OF THE PROJECT

Proposers shall provide a comprehensive narrative statement that illustrates their understanding of the requirements of the project and the project schedule.

2-4 METHODOLOGY USED FOR THE PROJECT

Proposers shall provide a comprehensive narrative statement that sets out the methodology they intend to employ and that illustrates how their methodology will serve to accomplish the work and meet the County's project schedule.

2-5 MANAGEMENT PLAN FOR THE PROJECT

Proposers shall provide a comprehensive narrative statement that sets out the management plan they intend to follow and illustrates how their plan will serve to accomplish the work and meet the County's project schedule.

2-6 EXPERIENCE AND QUALIFICATIONS

Provide an organizational chart specific to the personnel assigned to accomplish the work called for in this RFP; illustrate the lines of authority; designate the individual responsible and accountable for the completion of each component and deliverable of the RFP.

Provide a narrative description of the organization of the project team.

Provide a personnel roster that identifies each person who will actually work on the contract and provide the following information about each person listed;

[a] title,
[b] resume,
[c] location(s) where work will be performed,
[d] itemize the total cost and the number of estimated hours for each individual named above.
[e] Provide reference names and phone numbers for similar projects your firm has completed

2-7 INFRASTRUCTURE

Vendor that has highest percentage of usage of their own infrastructure

Provide a detailed description of the usage of provider's own infrastructure in relation to the servicing of each individual facilities listed in Appendix A. This is infrastructure that is wholly owned by said provider and not leased, under an IRU, bartered or any other form of trade or purchase from a 3rd party provider.

For example, we are looking for the vendor that can reach as close to 100% of each facility listed in Appendix A using their own infrastructure as described above.

2-8 COST PROPOSAL

Proposer's cost proposals shall include an itemized list of all direct and indirect costs associated with the performance of this contract, including, but not limited to, total number of hours at various hourly rates, direct expenses, payroll, supplies, overhead assigned to each person working on the project, percentage of each person's time devoted to the project, and profit.

Provide a cost proposal detailing the monthly cost of the wide area network services identified in Appendix A and a monthly total for the three locations based on the contract periods listed below:

1. 36 months
2. 60 months

2-9 Ability to meet our schedule

Provide a transition plan for meeting a full implementation cutover on or before September 15, 2019.

2-10 Vendor that has the most innovative solutions or offerings

Describe any innovative offerings that the County could take advantage of throughout the life of the contract.

PART III CRITERIA FOR SELECTION

The proposal will be initiated through a Selection Review Committee. Based on the decision of the Committee, a recommendation will be taken to the Escambia County Board of County Commissioners for discussion and award of the agreement. Final selection shall be determined to be in the best interest of Escambia County. Escambia County reserves the right to accept or reject any part of the entire proposal from the responsible proposer determined to be in the best interest of Escambia County.

The criteria used to determine the best value to the County are as follows:

Criteria	Points
Vendor that has the highest percentage of usage of their own infrastructure	20
Cost	40
Ability to meet our schedule	20
Vendor that has the most innovative solutions or offerings	20
Total Possible Score	100

PART IV SCOPE OF WORK

Escambia County Public Safety, Communications Division is soliciting proposals for a dedicated, private, fully redundant, Wide Area Network (WAN) between its 9-1-1 host servers and 9-1-1 PSAP's.

4.1 Description of Current Operations

Escambia County utilizes a geo-diverse Motorola VESTA 9-1-1 system. VESTA geo-diverse cores are housed between the Escambia County Emergency Communications Center (ECC) and the Escambia County Sheriff's Office (ESO). The Pensacola Police Department (PPD) operates as a remote site.

4.2 Proposed Project

The vendor shall provide, manage, and monitor a dedicated, private, fully redundant, fiber network and associated equipment between the 9-1-1 host servers and 9-1-1 PSAP's with a 99.999% reliability. The network shall be a private (nonshared) Wide Area Network (WAN) specifically consisting of a fiber-connected metro-area layer 2 backbone. The task will include full installation and cutover working with the Motorola Vesta team.

A list of addresses appear in "Appendix A" of this RFP.

It is required that this network be:

- Scalable
- Highly Secure
- Cost-effective
- Highly reliable
  - 100 percent redundant with no single point of failure for facility hardware or software; and will have an Availability Factor of 99.999% or higher.
- Monitored and managed on a "24X7X365" basis
  - With alarm, reporting, and audit capabilities that allow the agency to assess conformance to contract requirements.

4.3 Company Requirements

Respondents shall demonstrate to the BCC's satisfaction that both the respondent and the manufacturer(s) of the proposed systems are financially sound and are likely to remain strongly committed to the data communications field and the Escambia County area for the next ten (10) years. Respondents must submit, with the proposal, a copy of their most recent annual financial report. If Vendor is not a public corporation or has no annual report available, verifiable financial information of a comparable nature to an annual report must be provided.

Respondent shall provide an organizational chart specific to the personnel assigned to accomplish the work called for in this RFP; illustrate the lines of authority; designate the individual responsible and accountable for the completion of each component and deliverable of the RFP.

The respondent must clearly describe and demonstrate experience in the following areas and identify to which system this experience applies:

- System design & implementation
- Network design, implementation & performance
- Software
- Hardware
- Gateways
- Interfaces
- Call congestion & control
- Security
- Quality of Service
- Scalable Bandwidth
- Disaster recovery
- 24X7X365 Maintenance & Support
- Documentation

4.4 General Requirements

Proposers shall provide a comprehensive narrative statement that illustrates their understanding of the requirements of the project and the project schedule.

Proposers shall provide a comprehensive narrative statement that sets out the methodology they intend to employ and that illustrates how their methodology will serve to accomplish the work and meet the County's project schedule.

Proposers shall provide a comprehensive narrative statement that sets out the management plan they intend to follow and illustrates how their plan will serve to accomplish the work and meet the County's project schedule.

- Customer desires on-line portal for reporting, modifying, and closing trouble tickets.
- **Diverse circuit connectivity with no single point of failure.**
- Redundancy within the system. All vital system modules and network connectivity shall be protected to ensure there is no single point of failure.
- The system shall be engineered such that if a component or software service fails it may be replaced or corrected without loss of call taking operations. Such unscheduled outages will not interrupt call taking operations.
- All components shall be connected to an Uninterruptable Power Supply (UPS).
- Vendor will be responsible for testing and all coordination with local telco and/or Vesta provider to ensure implementation goes smoothly.
- The Vendor must thoroughly test the entire system prior to cutover. During the testing, the Vendor shall log all troubles found and make any necessary repairs or adjustments at their cost. These reports shall be submitted to the customer showing errors found and corrective action taken.
- The Vendor shall have personnel on-site for the system cutover and for at least the first 12 hours following cut-over for transitional support.

- Vendor shall remove and dispose of applicable equipment after receiving signature approval of Communications Chief or designee for each component(s)removed from PSAPs.
- Vendor is responsible for removing any unused cabling and labeling new cabling.

4.4 Vendor Responsibilities

- Full-time monitoring of equipment and system functionality, and proactive notifications of issues provided 24x7. Ability to perform both remote diagnostics and on-site maintenance support.
- A single point of contact for all issues.
- A pre-determined escalation plan for addressing network problems.
- A consolidated billing function that includes all charges on one monthly statement.
- Complete installation and testing managed by a dedicated project manager who provides updates to the Escambia County Communication Chief or designee until installation is fully accepted.
- Systems walk through of all PSAP's once cutover is complete with Communications Chief or designee.

4.5 Maintenance

Vendor shall provide maintenance 24 hours per day, seven days per week, 365 day per year.

The vendor shall provide a minimum of three (3) technicians employed directly by the vendor, located in the Escambia County region, trained and certified in the network platform and service.

- **Routine Maintenance** - Maintenance that does not affect the performance of the system and does not affect the ability to quickly and efficiently process 9-1-1 calls, but still requires attention.

    - The vendors **maximum response time is not to exceed two business days from the time the report is received.** All maintenance performed shall be reported to the Communications Chief or designee upon completion.

- **Non-Critical Maintenance** - Problems of minor nature that do not affect the overall performance of the system and do not affect the ability to quickly and efficiently process 9-1-1 calls, but still require attention.

    - **The vendors maximum response time is not to exceed 24 hours from the time the complaint is received.** All maintenance performed shall be reported to the Communications Chief or designee upon completion.

- **Critical Maintenance** - Problems that jeopardize or degrade any part of the system and affect the ability to quickly and efficiently process 9-1-1 calls**.**

- **The Vendors maximum physical on site response is 2 hours, on a twenty – four (24) hour basis, to include weekends and holidays.** For an outage event, remote support shall be addressing the issue within 10 minutes. All maintenance performed shall be reported to the Communications Chief or designee upon completion.

- Failure to meet SLA's for Non-Critical and Critical Maintenance issues shall result in a credit penalty of $200.00 per hour until maintenance personnel show proven contact with the system or system representative.

- Vendor shall guarantee the availability of service assistance, repairs, and spare parts for a minimum of five (5) years after system acceptance. Critical spares shall be kept on-site. Describe what critical spares are included.

- Vendor shall be responsible for providing all equipment and parts during the service period.

- Service shall be performed with the system fully operational 99.999% of the time. The system shall not be rendered inoperable for the purpose of routine maintenance or hardware additions.

4.6 Monitoring

The Vendor shall provide a robust monitoring solution that includes active system monitoring and reporting 24 hours a day, 7 days a week, 365 days a year to quickly detect, report, diagnose, and solve solution performance problems and outages. A customer portal with monthly monitoring and diagnostic reports is preferred.

Describe in detail proposed monitoring solution.

4.7 Documentation upon Completion

Two complete sets of as-built network drawings are required.

A backroom cabinet/rack diagram shall be included in as-built documentation.

4.8 Ability to meet our schedule

Provide a transition plan for meeting a full implementation cutover on or before September 15, 2019.

4.9 Vendor that has the most innovative solutions or offerings

Describe any innovative offerings that the County could take advantage of throughout the life of the contract.

4.10 WAN REQUIREMENTS

Service shall meet or exceed Bandwidth estimates in **Appendix B** and must be capable of delivering full duplex using Layer 2 Ethernet protocol over fiber to each site.

Vendor shall provide pricing for:

- 25 mbps
- 50 mbps
- 75 mbps
- 100 mpbs

Vendor shall adhere to VESTA networking requirements as presented in **Appendix C.**

Customer desires the ability to vary bandwidth in the future to meet demand. Proposals may include rates for higher bandwidth connections and should describe the vendor's ability to scale the proposed solution to meet greater bandwidth demands.

Customer is open to considering innovative alternatives to meeting our general requirements in the most cost-effective manner possible.

The Contractor/Carrier shall deliver the requested CIR at full bandwidth at each facility on a full availability basis, 24/7.

The vendor will provide all necessary hardware and software required. As part of the proposal, the vendor will make known the space requirements for installed equipment at all sites. Network outage resolution will be coordinated with Emergency Communications Chief or designee.

The vendor must provide easy access to help desk and repair services. A clear, documented procedure must be defined for severe problem escalation with appropriate response times delineated in the proposal.

The vendor will provide critical alerts to the Emergency Communications Chief or designee via Email and/or telephone call, and notification of service outages via telephone to the Emergency Communications Chief or designee along with status and estimated time of restoral (ETR). This alert service will be maintained for the duration of the contract.

The circuits shall be capable of carrying multiple protocols such as IP Data, Voice over IP (VoIP) telephony, streaming digital video, teleconferencing, etc. Jitter and latency shall be within industry accepted limits for typical service of these types. The WAN must support the transmission of QoS ("Quality of Service") and VLAN tags implemented by Escambia County between endpoints.

All equipment including but not limited to switches, cabling, connectors, etc. necessary to provide this connectivity shall be provided by the vendor. All installed

equipment shall operate with the electrical capacity provided by a dedicated 20 AMP service per equipment rack. Each endpoint must be capable of operating for a minimum of 30 minutes in the event of local power failure. Specifically, the equipment providing the WAN handoff at each site must be protected by a suitably sized uninterruptable power supply (UPS).

Currently the PSAPs have either four-post or two-post racks in each location with a minimum of 3U available space for vendor equipment. Vendor is responsible for providing any additional racks or hardware for mounting vendor equipment.

The network must be fully operational once implemented. The term “fully operational” is defined as error free network connectivity at the specified CIRs, delivered to all sites without failures for at least 72 hours. Vendor must provide certification reports of CIR, jitter, latency, and interface error metrics for each endpoint.

1. SYSTEM DESIGN OVERVIEW

This document identifies the WAN bandwidth requirements and Solutions Engineering services for the installation of a new VESTA 9-1-1 call processing solution for Escambia County Florida. The proposed system is configured as per table 1-1:

Location	Trunks SR / ESRP / PBX	Admin Lines	Ring-downs	Positions	Command Posts	Admin Phones
Host Site A: ECC	10	9	6	9	-	-
Host Site B: ESO	10	7	4	13	-	-
Remote PPD	-	14	14	8	-	-
Total	**20**	**30**	**24**	**30**	**-**	**-**

TABLE 1-1: LINES AND EQUIPMENT INVENTORY

Additional details related to this solution can be found in the Motorola Solutions Inc. pre-sales questionnaire and engineering drawings.

All trademarks, service marks, product names, brands, company names and logos appearing in this document are the property of their respective owners. This document is provided “AS IS” without warranty of any kind.

2. SYSTEM DESIGN ASSUMPTIONS

The following assumptions were made for the overall system design and bandwidth calculations:

- Voice Compression: Use of the G.711 Codec for audio compression of calls processed with the VESTA 9-1-1 call processing system.
- Protocol Compression: No compressed Real-time Transport Protocol (cRTP) in the audio stream for calls processed with the VESTA 9-1-1 call processing system.
- WAN Type: The type of WAN to be deployed is unknown at this time.
- WAN Overhead: WAN IP traffic overhead of 30%.
- WAN Utilization: WAN link bandwidth utilization rate of 100%.
- VESTA 9-1-1 Answer Mode:
    - All CAMA trunks are configured with an Answer Mode of:
        - Shared PSAP – Trunks may be answered at multiple PSAPs across the WAN. Call is placed in queue if no call-taker is available and may receive recorded announcements. Supervision occurs only when the call is answered or the first instance of recorded announcement is played.
    - All administrative lines are configured with an Answer Mode of:
        - Shared PSAP – Lines may be answered at multiple PSAPs across the WAN. Call is placed in queue if no call-taker is available and may receive recorded announcements. Supervision occurs only when the call is answered or the first instance of recorded announcement is played.
- Operator Positions: The solution design includes 30 VESTA operator positions with locations identified in Tabe 1-1. The bandwidth caclulations in this document are based on this parameter.
- 9-1-1 Trunks (Analog and/or T1): There are 20 9-1-1 trunks that terminate on gateways at locations identified in Table 1-1. The bandwidth calculations are based on this parameter.
- SIP Trunks: The solution design includes no SIP trunks.
- Admin Lines (Analog or ISDN-PRI): There are a total of 30 Admin lines that terminate on gateways at locations as identified in Table 1-1. The bandwidth calculations in this document are based on this parameter.
- Ring Downs: The solution design includes 24 Ring Down lines.
- VoIP Phones (including VESTA Softphone): The solution design includes no VoIP phones.

© 2018 Vesta Solutions, Inc. All rights reserved. This document is for informational purposes only. All trademarks, service marks, product names, brands, company names and logos appearing in this document are the property of their respective owners. This document is provided “AS IS” without warranty of any kind.

- Conferences and Transfers: Inter PSAP conference calls and transfers will be handled via WAN
    - The bandwidth estimate assumes a maximum of a four (4) party conference call per position at each PSAP. A four (4) party conference call consists of the initiating position and three (3) additional parties on a call.
    - Maximum number of simultaneous 4-party conference calls per PSAP is provided in Table 2-1.

Location	Maximum Simultaneous Conference Calls
Host Site A: ECC	5
Host Site B: ESO	7
Remote PPD	4

TABLE 2-1: MAXIMUM SIMULTANEOUS CONFERENCE CALLS PER PSAP

- CAD: 30 Kbps of ALI data will be transmitted over the IP data network to the CAD server at the remote PSAP sites.
- Mapping: VESTA Local mapping is included in this solution.
- ENS: No ESN system or associated bandwidth is provided in this solution.
- VESTA Analytics MIS: 256 Kbps of bandwidth will be allocated for data transfer between the VESTA 9-1-1 server on side B and the VESTA Analytics Server at side A. For PSAPs, 256 Kbps of bandwidth will be assigned for remote access to the Aurora server. This bandwidth is shared with Managed Services. All traffic will be tagged as best effort to avoid bandwidth congestion with RTP traffic on the inter-site link.
- Managed Services: 256 Kbps of bandwidth will be allocated for Managed Services related traffic and shared with VESTA Analytics remote user access. Managed Services will consist of Monitoring & Response, Patch Management and Virus Protection. This traffic will be tagged as best effort to avoid bandwidth congestion with RTP traffic on the link.

All trademarks, service marks, product names, brands, company names and logos appearing in this document are the property of their respective owners. This document is provided “AS IS” without warranty of any kind.

3. SOLUTIONS ENGINEERING SERVICES

LAN Bandwidth calculations (No charge for new systems)

A solutions Engineer will review the proposed traffic flow for the system and re-check data network bandwidth requirements between sites in the network. If technical issues arise with the inter-site transport system, the engineer will be available to attend meetings and provide the customer with technical guidance.

NOTE: The following services are fee based services. Please check the quotation to see if this service is incuded for your system.

Network Performance Assessment

This assessment will determine if the network is VoIP ready. Testing will be conducted on a sample range of five (5) PSAPs after the 9-1-1 solution is installed and configured since positive results are contingent upon proper configuration of both LAN and wAN equipment. Motorola Solutions Inc. will load the network with traffic and benchmark the Bandwidth, Delay, Jitter and Packet Loss across multiple points. Particular focus will be on bottlenecks within the network such as a WAN connecting multiple sites. A report will be provided showing the test configuration, traffic loading and measured results.

QoS Design and Assessment

This work will include both QoS design and assessment. Testing will be conducted on a sample range of five (5) PSAPs after the 9-1-1 solution is installed and configured since positive results are contingent upon proper configuration of both LAN and WAN equipment. QoS implementation within a network is an essential requirement to ensure that voice and signaling packets are given priority over non-real time packets. This is critical for limited bandwidth congestion points within a network. Motorola Solutions Inc. will design a QoS solution for the network and configure the solution across the Motorola Solutions Inc. supplied switches and devices. The network will be loaded with simulated traffic and QoS operation will be verified. Particular focus will be on bottlenecks within the network such as a WAN connecting multiple sites. A report is provided showing the test configuration, traffic loading and measured results.

Notes:

- QoS Assessment requires Network Performance Assessment to be conducted first. QoS Assessment cannot be conducted in isolation without first verifying the network is VoIP ready.
- Network Performance and QoS Assessment services requires at least two (2) operator positions be available at each site for testing purposes.
- This sizing of Solution Engineering services assumes the testing will be conducted remotely using VPN connectivity. On-site assistance will be provided by Motorola Solutions Inc. Field Engineering.

© 2018 Vesta Solutions, Inc. All rights reserved. This document is for informational purposes only. All trademarks, service marks, product names, brands, company names and logos appearing in this document are the property of their respective owners. This document is provided “AS IS” without warranty of any kind.

Network Readiness and QoS Testing Prerequisites:

1. The site VPN tunnel must be available at the beginning of the installation to permit remote access for testing.
2. Prior to testing, the 9-1-1 system and associated network equipment must be installed, configured and properly connected to the WAN.
3. Technical Support must have completed all network configuration and system checks prior to testing.
4. A minimum of two (2) operator positions must be available at each site to facilitate testing.

Additional time may be required if the roles and responsibilities change which in turn require additional services from Solutions Engineering.

© 2018 Vesta Solutions, Inc. All rights reserved. This document is for informational purposes only. All trademarks, service marks, product names, brands, company names and logos appearing in this document are the property of their respective owners. This document is provided “AS IS” without warranty of any kind.

4. BANDWIDTH ESTIMATES

The following bandwidth estimates are related to the Motorola Solutions Inc. VESTA call processing solution and the associated network traffic between the sites included in the system design. The bandwidth estimates do not include network traffic associated with other 3rd party software products, IP recording, IP selective routing or other ESInet related network traffic. Point-to-point bandwidth estimates for the system are listed below in table 4-1.

Estimated Bandwidth (Mbps)	Host Site A: ECC		Host Site B: ESO		CommandPOST (Internet)	
	No Margin	20% Margin	No Margin	20% Margin	No Margin	20% Margin
Host Site A: ECC			10.56	12.67	-	-
Host Site B: ESO	8.39	10.06			-	-
Remote PPD	3.97	4.77	3.97	4.77		

TABLE 4-1: POINT-TO-POINT WAN BANDWIDTH ESTIMATES (MBPS)

Analysis of Bandwidth Requirements:

The above WAN bandwidth estimates were engineered for total system availability based on the assumption identified in Section 2.0 of this document. This scenario would occur during a critical event which triggered maximum call flow across the system with multiple operators handling multiple calls and conference sessions.

An asymmetrical WAN bandwidth result occurs between host sites when the sites are not completely symmetrical in both design and call flow. Although every design is slightly different, the peak bandwidth across the layer 2 WAN usually occurs when the Motorola Solutions Inc. servers at one host site are controlling gateways and operator positions at the other host site. At the same time, operator positions at one host site are terminating RTP sessions with gateways at the other host site. If remote PSAP positions are also part of the solution, the path their RTP traffic and other services will take across the WAN also needs to be factored into the calculation. As a result of this complexity, asymmetrical WAN bandwidth results are not unusual and the larger of the two bandwidth results provides the worst case scenario. This bandwidth is referred to as the minimum acceptable bandwidth for the system design.

© 2018 Vesta Solutions, Inc. All rights reserved. This document is for informational purposes only. All trademarks, service marks, product names, brands, company names and logos appearing in this document are the property of their respective owners. This document is provided “AS IS” without warranty of any kind.

Minimum Bandwidth:

The minimum bandwidth requirement between Host A and Host B is estimated to be 10.56 Mbps with 100% link utilization. Adding a 20% margin to the link budget as a design precaution produces a **recommended bandwidth of 12.67 Mbps**. Refer to Table 4-1 for site specific bandwidth estimates.

The minimum bandwidth requirement between the Host and Remote PSAP sites is based on VESTA workstations at the remote PSAPs. Adding a 20% margin to the link budget as a design precaution produces a **recommended bandwidth of 4.77 Mbps from Host sites to remote PSAP.** See Table 4-1 column Host Site A for Remote PSAP bandwidth requirements

Note: If the WAN uses a transport system which cannot support QoS queuing for multiple classes of services (e.g. some Metro Ethernet and Microwave Systems), additional network engineering and bandwidth calculations will be required to determine if rate limiting on the Motorola Solutions Inc. network switch is an option.

© 2018 Vesta Solutions, Inc. All rights reserved. This document is for informational purposes only. All trademarks, service marks, product names, brands, company names and logos appearing in this document are the property of their respective owners. This document is provided “AS IS” without warranty of any kind.

5. NETWORKING EQUIPMENT

The Local Exchange Carrier (LEC) or Customer IT Group will provide the necessary WAN connectivity between the various PSAP sites included in this system design.

The WAN provider will be responsible for providing the appropriate networking equipment to facilitate the following:

- Provide WAN connectivity between the geo-diverse Host sites.
    - Connection must be a Layer 2 bridged network.
    - Connection requires the link to bridge the LAN at both host sites so that all Motorola Solutions Inc. system servers reside on the same subnet.
    - Connection must meet or exceed the bandwidth estimates
    - Connection must support 802.1Q tagging and QoS.
- Provide WAN connectivity between the Host site and each Remote site.
    - Connection must be an IP-routed WAN.
    - Connection must meet or exceed the bandwidth estimates.
    - Connection must support and QoS.
- All WAN connections must support QoS requirements including, but not limited to, availability, packet loss, latency, jitter and priority queuing as defined in the VESTA 9-1-1 IP Networking Guide.

The demarcation point separating the WAN and the VESTA LAN at each site will be at the Ethernet Switch port level. This is defined as the Ethernet port on the VESTA LAN switch where the WAN terminates.

Motorola Solutions Inc. recommends dual Ethernet switches for each site to provide network diversity. The AC power utilized for all systems and sub-systems is an important design element for any mission critical solution. Motorola Solutions Inc. recommends provisioning separate power circuits for redundant or fail-over system equipment (e.g. Network Switches, Routers, MDS/DDS Servers, etc.).

Note: Please refer to the "VESTA 9-1-1 IP Network Engineering Guide" for additional information related to the LAN, WAN and QoS requirements for VESTA 9-1-1.

© 2018 Vesta Solutions, Inc. All rights reserved. This document is for informational purposes only. All trademarks, service marks, product names, brands, company names and logos appearing in this document are the property of their respective owners. This document is provided "AS IS" without warranty of any kind.

6. CAVEATS

1. These estimates are solely for the purposes of network planning, budgeting and feasibility research.
2. The above assumptions and bandwidth estimates provided a worst case scenario where all traffic originating from any given site was completely redirected to other (controller) sites over the WAN. They represent the estimated aggregate WAN bandwidth required for each site. Motorola Solutions Inc. recommends frequent monitoring of the data network bandwidth after system installation to maintain peak performance and ensure that bottlenecks are not occurring in the network.
3. VESTA 9-1-1 is agnostic to WAN protocols such as ATM, Frame Relay & MPLS. However, the WAN used as part of a VESTA 9-1-1 solution needs to support the required QoS including, but not limited to, availability, packet loss, latency, jitter, queuing, etc. in order to transport VESTA 9-1-1 voice and data traffic.
4. VESTA 9-1-1 host sites in a geo-diverse design must be bridged by a Layer 2 network that supports QoS.
5. In a geo-diverse VESTA 9-1-1 solution, it is mandatory to connect the host sites by redundant network connections that are designed to failover in 3 seconds or less.

Upon award of contract, further efforts may be required to complete the detailed network design prior to implementation of the proposed E9-1-1 system. At the conclusion of the design, additional equipment, circuits or network capacity may be required. Motorola Solutions Inc. assumes no liability for any additional costs identified after completion of the detailed network design and reserves the right to provide a quotation for the additional requirements it identifies as being necessary to ensure that the network can support the proposed E9-1-1 system.

User Information

Using third-party products

Vesta Solutions does not support other Windows applications or utilities with its products. If you are planning to implement or integrate third-party products into a Vesta Solutions product, please contact Vesta Solutions Technical Services Team first. To maintain your support agreement and system warranties, third-party integration and co-habitation requires Vesta Solutions authorization and also may require a fee based certification effort.

Caring for the environment by recycling

This symbol on a Vesta Solutions product means the product should not be disposed of with household or business waste.

Disposal of your Vesta Solutions electrical accessories

Do not dispose of Vesta Solutions electrical accessories, such as jackboxes or gateways, with household or business waste. In some countries or regions, collection systems have been set up to handle waste electrical and electronic items. Please contact your regional authorities for more details. If no suitable scheme exists, you may return the unwanted electrical accessories to any Vesta Solutions-approved service center in your region.

List of topics

- ✓ Introducing VESTA 9-1-1 IP networking, **1-2**
- ✓ Introducing ASN, **1-2**

Introducing VESTA 9-1-1 IP networking

VESTA 9-1-1 IP networking is a Voice over Internet Protocol (VoIP) based mission-critical call management and response system that can include distributed components over a wide area network (WAN) to provide geographical diversity and enhance system resiliency.

This document outlines the key requirements for the underlying network infrastructures and requirements for geo-diverse and multi-site VESTA 9-1-1 deployments.

The topics are intentionally discussed at a relatively high level and only as they pertain to VESTA 9-1-1. It is not the intent of this document to provide an extensive treatment or to propose solutions for each of the areas that are explored herein, which, in itself is a field of study. Its objective is to outline some of the common network considerations that must be taken into account when selling, planning, designing, engineering, and implementing the VESTA 9-1-1 system.

The following sections detail a VESTA 9-1-1 system deployment.

- “VESTA 9-1-1 Network Architecture” on page 2-1
- “Network Demarcation” on page 3-1
- “VESTA 9-1-1 LAN” on page 4-1
- “VESTA 9-1-1 WAN” on page 5-1
- “Voice Quality of Service” on page 6-1
- “VESTA 9-1-1 CommandPOST” on page 7-1
- “Network Security” on page 8-1
- “Pre-cutover Data Network Testing” on page 9-1
- “Redundant CAD Spills” on page 11-1
- “Redundant ALI Links” on page 12-1
- “ASN for Emergency Text Calls” on page 13-1
- “IP Recording of Audio Calls” on page 15-1

Introducing ASN

The VESTA 9-1-1 system supports the ability to receive and process a request for 9-1-1 help that is formatted as a text message. The VESTA 9-1-1 system uses the Advanced Services Node (ASN) to process the text calls.

For more information about an ASN deployment, see “ASN for Emergency Text Calls” on page 13-1.

VESTA 9-1-1 Network Architecture 2

List of topics

✓ Network architecture, **2-2**

Network architecture

An attribute of the VESTA 9-1-1 system is that it can be deployed with a centralized and a geo-diverse architecture. A centralized architecture is one where all media and data distribution servers are located at the same site. The geo-diverse architecture, on the other hand, distributes the servers across two different locations for site diversity. Furthermore, a system, whether centralized or geo-diverse, may also host one or more remote agencies such as public safety answering positions (PSAP). The term *remote agency* refers to an agency (for example, PSAP) that is not co-located with the servers that are hosting it. The agency is only equipped with the necessary data network equipment (for example, switches and routers), consoles and other 9-1-1 components (for example, administrative phones, VESTA 9-1-1 gateways, and computer-aided dispatch (CAD) servers or workstations).

The following sections present several deployment models.

While the VESTA 9-1-1 servers are depicted as physical servers in the following diagrams, they are increasingly deployed as virtual machines (VM). The deployment models that are discussed in the following sections apply to all VESTA 9-1-1 deployments, whether they are using physical or virtualized servers.

Single-site centralized model

This deployment model, as depicted in Figure 2-1, is characterized by a standalone solution where all media and data distribution services are located on the same local area network (LAN) as the operator positions. Frequently, a single-site, centralized LAN is confined to a single building. In this mode, the VESTA 9-1-1 system hosts neither remote agencies nor remote positions.

However, as in all other deployment models, the site can optionally provide access to a CommandPOST through a public network, such as the Internet or a private emergency network. All deployment models must include at least one firewall that allows certified technical support personnel to securely connect into a host site through a public network, such as the Internet, to provide technical support.

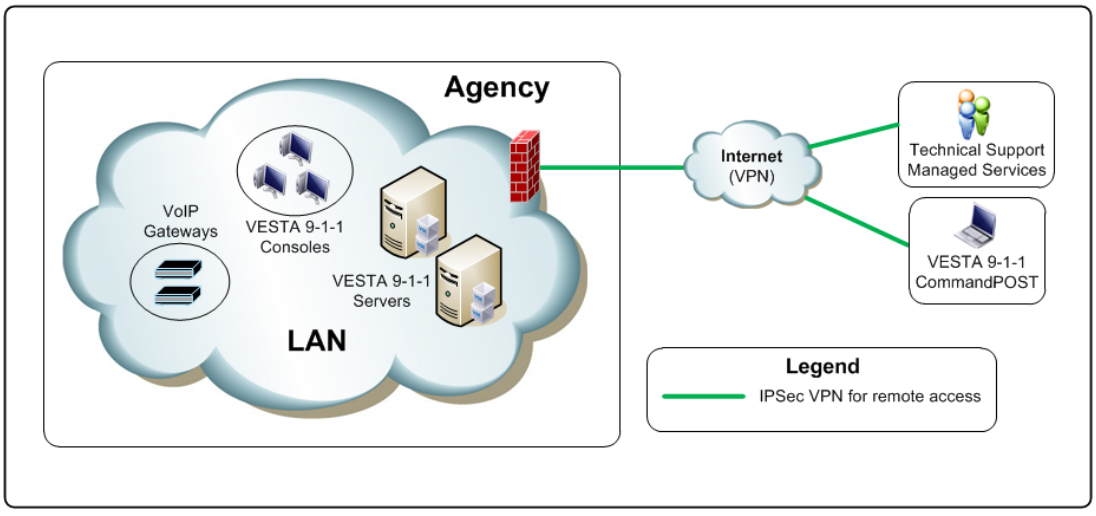

Figure 2-1: Single-site centralized

Multi-site centralized model

In this scenario, the media and data distribution services can be housed in the same room or in different rooms within the same building, connected by a LAN to a collocated agency. However, the system may also host one or more remote agencies and support a CommandPOST. This architecture is depicted in Figure 2-2.

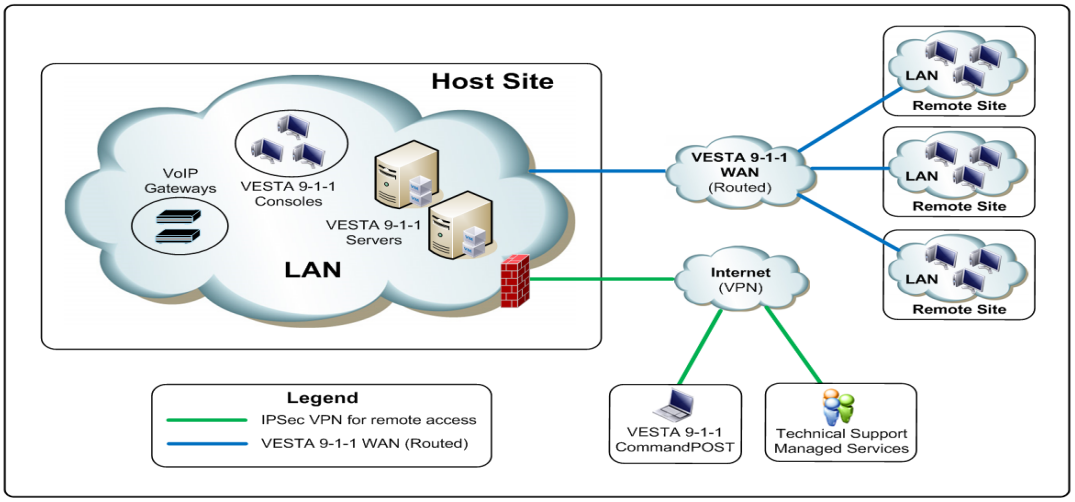

Figure 2-2: Multi-site centralized

Dual-site geo-diverse model

This model distributes the media and data distribution services of the system across two geographically dispersed sites, as depicted in Figure 2-3. There are active operator positions that answer calls at the Main site, while the Backup site is configured with positions that may or may not be staffed under normal operating conditions. However, while the system may optionally support a CommandPOST in this model, it does not host any remote agency. This situation is the simplest form of geo-diverse VESTA 9-1-1.

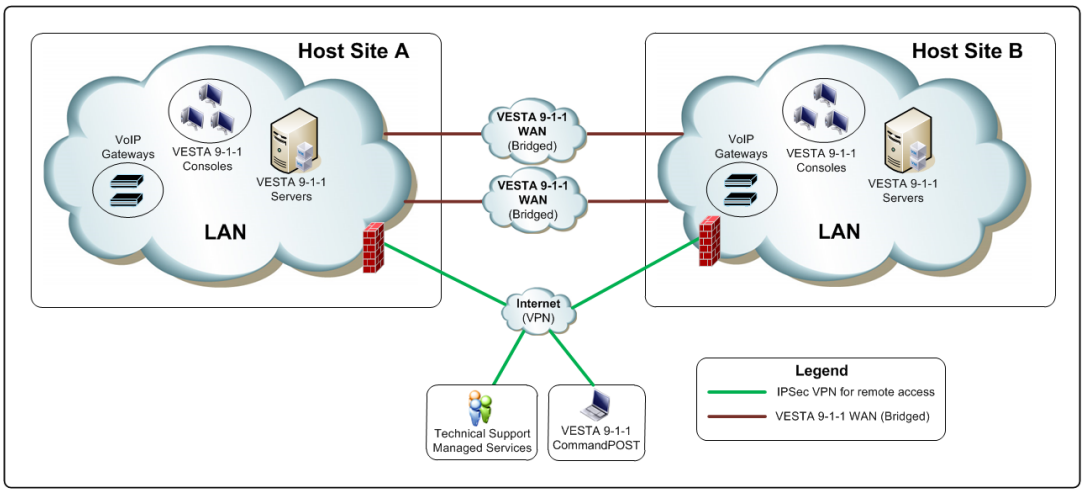

Figure 2-3: Dual-site Geo-diverse

Multi-site geo-diverse

This model represents the most complex type of deployment, which leverages the flexibility of the solution to its fullest. As shown in Figure 2-4, a system is geographically dispersed and, at the same time, hosting remote agencies. The main site and backup site may be located at two different agencies, where each is staffed with active operator positions. On the other hand, a value-added resellers (VAR) or a service provider may also choose to acquire and install the system in a hardened facility such as a central office or a data center, from which remote PSAPs are hosted. In this case, there is no active operator position in the main site or the backup site. This model also supports a CommandPOST deployment.

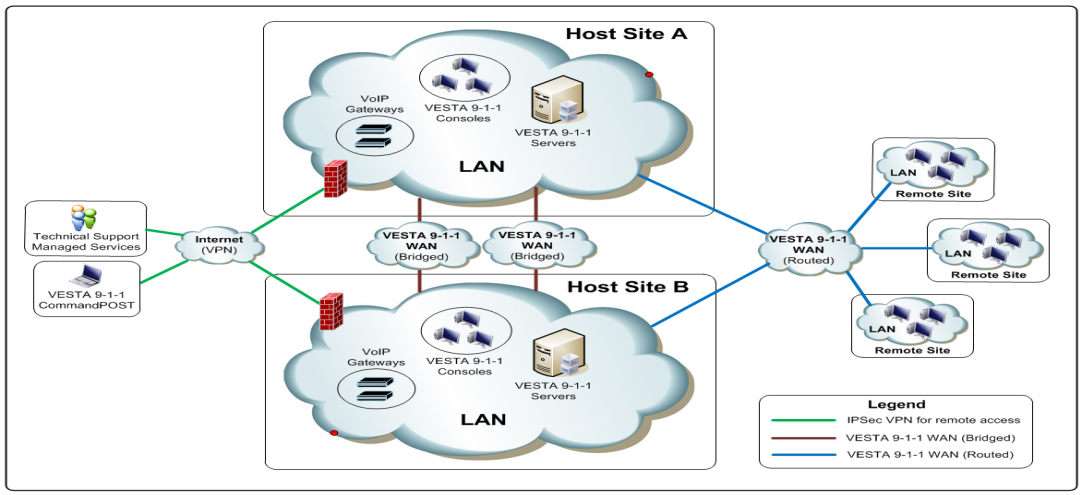

Figure 2-4: Multi-site Geo-diverse

In some cases, an agency (for example, a fire department) may be equipped with a remote console that is connected to the servers over a public network such as a digital subscriber line (DSL). The WAN requirements of a remote standalone console closely resemble that of a CommandPOST and are treated as such.

Network Demarcation

3

List of topics

✓ Demarcation – a separation of responsibility, **3-2**

Demarcation – a separation of responsibility

In the context of a data network, a demarcation (demarc) is a point in the network at which a VESTA 9-1-1 component interconnects with an external network device that is not provided, deployed, configured, operated, or maintained by Vesta Solutions as part of the solution. The demarcation defines the extent of Vesta Solutions responsibility in terms of ensuring the proper operation of the provided solution and associated support.

Voice and data network demarcation

Traditionally, a demarc in telephony networks is a specific point in the network at which telephone company circuits connect with the wiring at the customer premises. It delineates the network that is owned by the customer and that which is owned by the telephone company.

The ATIS Telecom Glossary 2011 (ATIS-0100523.2011), published by The Alliance for Telecommunication Industry Solutions (ATIS), defines a demarc as “that point at which operational control or ownership of communications facilities changes from one organizational entity to another.”

Note

The demarcation point is the interface point between customer-premises equipment and external network service provider equipment. In essence, a point in the network where operational control or ownership changes hands.

In a telephony network, the carrier's local loop is separated from a customer's network by a physical hardware device that serves as the demarc and facilitates remote troubleshooting by the carrier. Examples include a network interface device or a punch-down block. Interconnected data networks, however, are not typically separated by such a piece of hardware: a cable from one network is usually plugged directly into a port of a network device that belongs to another entity. This distinction does not nullify the concept of a demarc in interconnected data networks. The concept of a demarc as a point in the network where “operational control or ownership of communications facilities changes” is equally applicable to data networks.

The concept of conventional telephony demarcation points must be extended to data networks so that a set of interface points can be defined in a data network to clearly delineate the following:

- The portion of the data network that is supplied, configured, and maintained by Vesta Solutions
- The portion of the data network that is supplied, configured, operated, and maintained by a third party

The Media Distribution Service (MDS) telephony component interfaces with the public switched telephone network (PSTN) through circuits, such as Centralized Automatic Message Accounting (CAMA) trunks and plain old telephone service (POTS) lines, which terminate on a gateway. The demarcation points of these connections are clearly defined by the carriers and are well-understood by all concerned parties; hence, there is no need for further clarification.

On the other hand, components that are frequently interconnect with data networks that are owned and maintained by a third party, such as a network provider or the customer's IT department, or both. Under these circumstances, the collaborating parties must clearly define and agree upon the demarcs, which dictate where in the network does each party's responsibilities begin and end.

Vesta Solutions data network demarcation points

In general, from the perspective of a Vesta Solutions solution, a demarc in the data network represents a public interface port on a Vesta Solutions-supplied device that is directly connected to a network element that is not supplied by Vesta Solutions. Examples of a public interface include a port on a Vesta Solutions-supplied data switch that is connected to a third-party supplied Voice over Internet Protocol (VoIP) recorder or the master serial port on a Vesta Solutions-supplied Black Box RS-232 Data Sharer that is connected to a third-party computer-aided dispatch (CAD) server.

In cases where a wide area network (WAN) constitutes part of the data network, the following policies apply:

- The WAN provider is responsible for providing, configuring, and maintaining all equipment that is associated with the operation and termination of WAN connectivity at all VESTA 9-1-1 sites.
- The WAN provider is responsible for providing, configuring, and maintaining all equipment that is associated with the routing of WAN traffic between VESTA 9-1-1 sites.
- The WAN provider is responsible for providing an Ethernet connection from the WAN termination point at all VESTA 9-1-1 sites. The Ethernet connection is provided on an RJ45 jack box that is located within 10 feet of a rack. The RJ45 jack box is supplied by the WAN provider; Vesta Solutions provides the cable that connects the RJ45 jack box to a Vesta Solutions switch.
- Vesta Solutions network devices are not directly connected to a network device that terminates WAN circuits.
- An Ethernet optical fiber connection that is used to connect the host sites of a geo-diverse solution can terminate directly on an optical uplink port of a Vesta Solutions-supplied data switch by using an appropriate gigabit interface converter (GBIC) module that is compatible with the switch and the fiber connection.
  - If the GBIC module is supplied by Vesta Solutions, the ports on the GBIC constitute the demarc points of Vesta Solutions
  - If the GBIC module is not supplied by Vesta Solutions, the GBIC slot of the Vesta Solutions-supplied switch constitutes the demarc points of Vesta Solutions

In cases where an Ethernet cable is supplied by Vesta Solutions, the Vesta Solutions demarc is extended up to, and including, the cable's connector that plugs into a third-party device. However, if an Ethernet or a fiber cable that terminates on a public interface port of a Vesta Solutions device is provided by a third party, the cable provider is responsible for the cable, up to and including the connector that plugs into a Vesta Solutions public interface port. In this case, the Vesta Solutions demarc remains at the public interface port, excluding the cable's connector that terminates on the interface port.

Vesta Solutions is responsible for the installation, configuration, and support of the data network devices and Ethernet cables that it supplies, up to and including the demarcation points. All data network devices and cables beyond the demarc are not the responsibility of Vesta Solutions.

Note

This section only serves to provide general guidelines for Vesta Solutions data network demarc. It is strongly recommended that all stakeholders of each VESTA 9-1-1 deployment collectively define and agree upon the set of applicable demarc for each site, as well as the associated roles and responsibilities, at the outset and clearly document them for future references.

VESTA 9-1-1 LAN

4

List of topics

✓ VESTA 9-1-1 LAN , **4-2**

VESTA 9-1-1 LAN

VESTA 9-1-1 components are connected by the local area network (LAN) that may be inter-connected by the wide area network (WAN). An inadequately designed and engineered LAN infrastructure severely can reduce the viability, effectiveness, and survivability of a VESTA 9-1-1 system. Therefore, the importance of a well-designed and implemented LAN cannot be overemphasized. As a result, VESTA 9-1-1 imposes strict network requirements for its LAN infrastructure to guarantee an acceptable level of service and resiliency. Ethernet is the technology of choice for VESTA 9-1-1 LANs.

This section discusses Ethernet-based LANs at a VESTA 9-1-1 site that connect collocated components such as the MDS, DDS, ASN, gateways, consoles, phones, network clocks, printers, and so on. It does not examine any WAN connection, Ethernet-based or otherwise, that extends the local network beyond the site. Each of the following VESTA 9-1-1 sites has its own LAN: a main site, a backup site, and a remote site. Some deployments may also make use of Ethernet-based WANs to connect multiple sites by using a single broadcast domain. The following sub-sections outline the requirements and recommendations for Ethernet LANs that are local to a VESTA 9-1-1 site.

Requirements for LAN switches

The following requirements must be met by LAN switches that are used to carry VESTA 9-1-1 traffic.

- All LAN switches must be dedicated solely for connecting VESTA 9-1-1 components.
- Use only non-blocking switches.
- Do not use unmanaged Ethernet switches because they do not support Quality of Service (QoS).
- Do not use Ethernet hubs. Layer-1 Ethernet devices such as hubs are half-duplex and introduce collisions, which have a detrimental effect on packet loss, delay, and jitter.
- To simplify a LAN's design and implementation, it is recommended that you deploy only switches from the same vendor within the same LAN. Deploying switches from different vendors in the same LAN may result in interoperability challenges.
- Ports on Ethernet switches must support a minimum speed of 100 Mbps in full duplex mode.
- If an external application such as an IP recorder must monitor the network traffic of a VESTA 9-1-1 switch by using a mirror (or Switched Port Analyzer (SPAN)) port, the switch in question must be capable of directing traffic from multiple source ports into more than one destination port. One of those destination ports must be reserved for use by Vesta Solutions support personnel.
- All 100Base-TX Ethernet cables must be Cat 5 or better. All 1000Base-T cables must be Cat 5e or better. Good wiring practice must be adhered to.
- Whenever possible, LAN connections must use different physical facilities (conduits and path to destination) to prevent a single point of failure.

Generic LAN design and engineering

- The LAN must not have a single point of failure. The failure of a single LAN component or connection shall not result in the failure of more than 50 percent of the E9-1-1 public safety answering positions (PSAP) system.
- The switching capacity of Ethernet switches must support the worst-case traffic load: namely, when all voice devices are transmitting simultaneously.
- All network endpoints must operate in full duplex mode and at the highest rate that is permitted by the Ethernet switch.
- It is recommended that you set the switch port configuration to auto-negotiation mode. If a static-rate configuration is required, the same setting must be used on both the switch port and the connected device. In the case of a gigabit Ethernet port, the setting must be set to auto-negotiation mode; otherwise, the 1 Gbps rate cannot be achieved.
- It is highly recommended that you use aggregated Ethernet links, such as link aggregation control protocol (LACP) trunks or EtherChannels, to interconnect collocated switches and enhance link resiliency.
- The LAN network architecture must meet current industry best practices with well-defined core and access layers. In the case of a small network with less than five switches, both layers can be collapsed into one. There must be no single point of failure (for example, a single-core switch).
- In a LAN architecture that consists of a core layer, VESTA 9-1-1 core elements (for example, MDS, DDS, CFS, ASN and gateways) must be directly connected to the core layer.
- Each MDS-DDS pair must connect to the same switch: namely, MDS A and DDS A (with its CFS A) are connected to one switch while MDS B and DDS B (with its CFS B) are connected to another. This recommendation also applies to a geo-diverse deployment.
- In addition to the servers, all other elements (for example, gateways, consoles, and, if applicable, Session Initiation Protocol (SIP) IP phones) must be equally distributed over two or more switches to reduce negative system impact in the case of a switch failure.
- If SIP IP phones are deployed, it is highly recommended that you use Power-over-Ethernet (PoE/IEEE 802.3af) switches or midspan power injectors, or both, to power the phones. By using a Uninterruptable Power Supply (UPS) to back up the power source, phones can function during a power failure.
- All network elements must be backed up by using a UPS and, whenever possible, with a standby generator.

Single-site Spanning Tree considerations

This section discusses key design considerations that apply to a stand-alone LAN within a VESTA 9-1-1 site that is not connected to other sites through a flat Layer-2 network. This section also applies to the LANs at VESTA 9-1-1 sites that are connected by an IP-routed network.

- Spanning Tree Protocol must be enabled on all Ethernet switches on the LAN where loops exist to prevent broadcast storms and permit failover in case of a link or a switch failure. In a network with a core layer, the core switch must be a root bridge.
- A LAN must only use Rapid Spanning Tree Protocol (RSTP), Multiple Spanning Tree Protocol (MSTP), or in the case of Cisco switches, Rapid Per VLAN Spanning Tree + (PVST+).
- Spanning Tree protocol parameters must be fine-tuned to converge within three seconds or less.
- The switch that connects MDS A and DDS A (with its CFS A) must be designated as the main root bridge of the spanning tree.
- The switch that connects MDS B and DDS B (with its CFS B) must be designated as the backup root bridge of the spanning tree.
- The devices must assign the highest QoS priority to Bridge Protocol Data Units (BPDUs) (and any other network signaling traffic).
- All inter-switch trunk ports that inter-connect switches and participate in the spanning tree must be configured as non-edge ports.
- All switch ports that are connected to a non-switch device must be configured as edge ports.
- Enable BPDU Guard/Protection on all edge ports.
- Enable root guard as required.

VLANs and IP subnets

- All VESTA 9-1-1 elements (Media Distribution Service (MDS), Data Distribution Service (DDS) with its Call Filter Service (CFS), Advanced Services Node (ASN), gateways, consoles, and Session Initiation Protocol (SIP) IP phones) must be deployed in their own Virtual Local Area Network (VLAN), which corresponds to an IP subnet. A /24 subnet mask is frequently used.
- This VLAN/subnet must be dedicated solely for the use of VESTA 9-1-1 elements.
- If SIP IP phones are also deployed for non-emergency administrative usage, it is recommended that you locate them in their own VLAN and IP subnet.
- By default, switches that are staged by Vesta Solutions use VLAN 1 as the native VLAN and VLAN 911 as the production VLAN.

Ancillary network services

- Because both DDS servers use multicast to communicate with each other, multicast support must be enabled on the VESTA 9-1-1 subnet.

- If an alternative domain name system (DNS) is supplied, there must be at least two DNS servers in the network to prevent a single point of failure.
- It is highly recommended that you enable multicast restricting protocols, such as Internet group management protocol (IGMP) snooping, on switches and routers so that only elements that are interested in receiving multicast traffic can receive them. This method provides a more efficient use of bandwidth.
- Dynamic host configuration protocol (DHCP) must not be used to assign IP addresses to core elements (MDS, DDS, and gateways).
- It is highly recommended that DHCP is not used to assign IP addresses to consoles, so that the consoles can be easily identified by their IP addresses. If DHCP is used, there must be at least two DHCP servers working cooperatively to prevent duplicate IP address assignments and to prevent a single point of failure. Use static media access control (MAC) address assignments and the lease time must be relatively long (order of days or a week) to reduce the dependency on the DHCP servers.
- All SIP IP phones are statically configured with an IP address, networking parameters, and server addresses.

Notes

VESTA 9-1-1 WAN

5

List of topics

✓ VESTA 9-1-1 WAN, **5-2**

VESTA 9-1-1 WAN

VESTA 9-1-1 WAN consists of the following:

- WAN technologies
- WAN connections

WAN technologies

VESTA 9-1-1 uses an Internet Protocol (IP) Wide Area Network (WAN) to interconnect a Local Area Network (LAN) in different sites, transport voice application payloads, and management data. VESTA 9-1-1 is largely independent of the underlying networking technologies that are used to transport the IP packets. The following requirements apply to all WAN connections:

- The WAN must supply sufficient bandwidth to meet or exceed the bandwidth estimates calculated for the proposed VESTA 9-1-1 system.
- The WAN must support Quality of Service (QoS) by honoring the marking of VESTA 9-1-1 packets so that it does not compromise the stipulated end-to-end QoS budgets in terms of packet delay, jitter, and loss. For more information, see “Voice Quality of Service,” page 6-2.

With proper network engineering and QoS design, and as long as the network provides the required capabilities, VESTA 9-1-1 can be deployed over various WAN technologies such as:

- Point-to-point T-carrier circuits such as T1 and T3
- Metro Ethernet or Transparent LAN
- Multi-Protocol Label Switching (MPLS)

To date, production systems have successfully been deployed on WANs that include T-carriers, Ethernet connections (over fiber) and wireless networks. The choice of WAN technology hinges on the following factors:

- The availability of technology in the customer’s serving area
- Its cost effectiveness
- Customer preference: for example, a customer may dictate that VESTA 9-1-1 leverages their existing, or newly deployed, WAN connections
- Service provider or preference

WAN connections

In general, four types of WAN connections are prevalent in geo-diverse or multi-site deployments.

1 Ethernet-based Layer-2 WAN that are deployed between:
   - “VESTA 9-1-1 A” (that is, MDS A and DDS A with its CFS A) at the main host site and “VESTA 9-1-1 B” (that is, MDS B and DDS B with its CFS B) at the backup host site
   - A VESTA 9-1-1 host site and remote agencies

Note

For the Ethernet-based Layer-2 WAN, the CFS is optional.

Ethernet-based Layer-2 WAN connections must be engineered to:

- Supply sufficient bandwidth
- Support QoS
- Support Ethernet bridging
- Support fault propagation (UI to Network and Network to UI)
- Converge in three seconds or less
- Support larger maximum transmission unit (MTU) size for Layer-2 services such as Q in Q, if applicable

2 IP-routed WAN connections between a VESTA 9-1-1 host site and remote agencies. IP-routed WAN must be engineered to

- Provide sufficient bandwidth
- Support QoS characteristics
- Converge in three seconds or less
- Support larger Maximum Transmission Unit (MTU) size for network services such as IPSec VPN, if applicable

3 WAN connections between a VESTA 9-1-1 site and a CommandPOST or a remote console. In order for a CommandPOST to function within a VESTA 9-1-1 network, it must be able to access a host site, typically through a public network such as the Internet. In most cases, a Digital Subscriber Line (DSL) is a viable and cost-effective option for this purpose. A remote position that accesses the VESTA 9-1-1 site through unsecured public networks must employ a Virtual Private Network (VPN) to ensure payload confidentiality and share a common address space. In order for the remote position to experience acceptable voice quality and performance, it is crucial that the CommandPOST connection is engineered to provide sufficient bandwidth and meet the required QoS characteristics.

For more information, see “VESTA 9-1-1 CommandPOST,” page 7-2.

4 As shown in earlier diagrams, every VESTA 9-1-1 host site must be equipped with Internet connections that provide remote access to a Systems Management Center or to Support Personnel. Remote access is generally realized by a standard VPN technology such as IP Security (IPSec) over a DSL connection with at least 1 Mbps of bandwidth. Such remote access points must provide at least 1 Mbps worth of bandwidth and support IPSec-based VPN

Note

The term WAN is used in this document to mean any data network that extends beyond the confines of a single site.

Physical path redundancy of a VESTA 9-1-1 WAN

It is good practice to provide redundant physical paths for WAN connections between a host site and a remote agency. However, physical path redundancy is critical for inter-host site links. The redundant paths must terminate on a pair of redundant network equipment at each site to avoid single points of failure. Ideally, the redundant WAN connections also traverse disparate physical facilities and enter a building through different conduits.

Route redundancy for inter-host sites

While a geo-diverse VESTA 9-1-1 deployment offers many benefits, it is designed to operate with redundant links between the host sites. If the network connections between the host sites are severed, some anomalies may occur when the host sites are re-connected:

- Consoles that are connected to the backup DDS lose the ability to process certain calls and must be logged off and logged on again to regain full capabilities.
- Calls that are destined to voice mail or an auto attendant on MDS-B are lost.

Therefore, in a geo-diverse deployment, it is crucial to inter-connect the host sites by redundant network connections that are designed to failover in three seconds or less.

Route-redundancy for remote sites

In a multi-site architecture, remote agencies are usually equipped only with call-taking positions, and possibly local gateway(s), that are managed by servers located at a host site. If the WAN is severed at a remote site, the remote agency will lose the ability to process calls and will essentially be out of commission. WAN redundancy at the host sites is even more important in a multi-site deployment. If the host sites lose their WAN connectivity, all remote agencies will lose the ability to process calls. It is therefore important to maximize network availability by providing redundant WAN connections at all sites in multi-site deployments. Occasionally, though not advisable, a customer or channel partner may choose not to provide route-redundancy to reduce costs. It is important that the customer or channel partner fully understands the associated risks and is willing to assume any liability that may result from WAN failures.

As a backup measure, it is always prudent to implement another layer of redundancy beyond that which is provided by the IP network, by enabling alternate routing at the selective router. This added layer of resiliency allows an agency to complement IP network redundancy by leveraging its selective routers' ability to alternate route between agencies. Thus, if an agency's connections to host sites are completely severed, the selective router may automatically reroute the failed agency's calls to a designated backup site.

The following list provides some suggestions for improving physical route redundancy:

- Increase WAN resiliency through diverse carriers that are not using the same network facilities and circuits.
- Improve local loop diversity by using different service provider or technologies whenever possible.

- The circuit should enter the building through different points of entry whenever possible.

IP-routed WAN

Like all IP networks, a VESTA 9-1-1 WAN requires routers to route IP packets between different sites, which are typically assigned their own subnet. As such, a router needs to be aware of the routes it can use to send packets destined for networks to which it is not directly connected.

Dynamic routing protocols

Dynamic routing protocols allow a router to identify sources of routing information, learn about possible routes and select the best path to the destination, while keeping the routing information up to date to reflect network topology changes. All these can be done without manual intervention after the routing network is properly designed and configured.

Since the VESTA 9-1-1 WAN is usually managed by a common administration, and therefore employs a common routing strategy, it typically uses interior gateway protocols such as Open Shortest Path First (OSPF). There is no single best routing algorithm that fits all WAN design. Routing protocols differ in convergence time, the types of routing information they send, how they send them, the frequency at which they are sent, and the nodes to which they send the updates. As such, each has different characteristics for CPU, memory and bandwidth usages; and produces different convergence time. The following factors frequently play a role in determining the most suitable WAN routing strategy applicable to VESTA 9-1-1:

- Convergence time. It is critical for a WAN to converge rapidly so that a router can failover to alternate paths in the shortest time possible. A WAN must be well engineered so that it converges within 3 seconds.
- Processors and memory capacities of the participating routers. Some protocols are more CPU and memory intensive than others. So it is important that the routers in question are equipped with sufficient resources. For example, link state protocols such as OSPF tend to consume more CPU cycles because they need to recalculate the shortest path trees whenever topology changes. OSPF also requires additional memory in the router to store routing tables and various databases.
- Bandwidth consumption and availability. The amount of bandwidth used for route updates varies from one protocol to another and it needs to be taken into consideration during the network planning phase to ensure that sufficient bandwidth is available. For example, pure distance vector protocols send the entire routing table periodically even when there are no changes, while link-state protocols only flood the network with update advertisements when topology changes.
- Size of the WAN. The number of edge routers involved has an impact on the choice of protocol and the amount of bandwidth required for transporting routes information and, for link-state protocols, the CPU cycles required to calculate the shortest paths.

- Complexity of network design and configuration. For example, OSPF's CPU and memory usage may be reduced by adopting a more carefully designed hierarchical model, especially in larger networks. Also, configuring a complex and large link-state network can be challenging.
- Scalability. It is also important to consider a protocol's ability to accommodate growth and the administrative effort required to introduce a new router (perhaps as a result of activating a new agency) into an existing WAN. With static routes, an administrator may need to configure multiple static paths on several routers. However, using a dynamic routing protocol, with proper design, only the new router may need to be configured and the routing protocol can update the topology automatically.

Another important routing consideration is that in a multi-site architecture that involves multiple remote agencies, route information should only be distributed to each agency on a need-to-know basis. For example, when an agency's operators need to be able to initiate multi-party conference calls across multiple agencies over the data network directly, all participating agency's routers need to obtain route information to each other. However, if there is no need for such knowledge (for example, perhaps a hub-and-spoke topology, where the host sites are the hubs, is used), a routing protocol should not redistribute one agency's routing information to another. By default, a remote agency should only learn about routing information for the host site(s). This practice reduces the possibilities of packets straying, accidentally or maliciously, from one agency to another.

IP-routed WAN requirements

The following is a list of requirements for VESTA 9-1-1 IP WAN.

- The WAN must not have a single point of failure. The failure of a single WAN component or connection shall not result in the failure of more than 50% of the E9-1-1 public safety answering positions (PSAP) system[1].
- The routers must use a fast-converging routing protocol which allows the IP WAN to failover in 3 seconds or less.
- The IP network must provide the necessary supports to ensure that end-to-end QoS requirements in terms of packet delays, jitters and loss are met.
- Allocate a dedicated /24 IP subnet to each site – except the VESTA 9-1-1 core VLAN at the host site(s), which spans across two host sites in a geo-diverse deployment.
- If the network uses IP routers to connect redundant links, redundant routers must be deployed to prevent a single point of failure.
- The routers must be configured with Virtual Redundant Router Protocol (VRRP) or similar router virtualization protocol to preserve connectivity in the case of a router failure.
- The MDSs use VRRP to achieve redundancy. Thus other VRRP configurations must not use the same router ID that is used by the MDSs. The MDS router ID is set to 1 by default, however, it can be modified if necessary.

1. NENA-04-001 Issue 2, Recommended Generic Standards for E9-1-1 PSAP Equipment

- The IP address assigned to a remote console position or IP phone that accesses the 9-1-1 network through VPN must be a valid and uniquely routable address on the network, without the need for network address translation (NAT).

Ethernet-based bridged WAN

In smaller geo-diverse or multi-site deployments that involve only a very small number of sites and Layer-2 switches, a simple flat Layer-2 Ethernet network may be used between a host site and remote sites. In these deployments, the standard requirements for redundancy between the host sites and remote sites, QoS and bridging are also applicable; see “WAN connections,” page 5-2.

Inter-site VLAN trunking

The VESTA 9-1-1 solution requires that all switch ports that are connected to another Ethernet switch or other Ethernet-based Layer-2 devices, such as a network termination unit (NTU) or wireless connection, enable VLAN trunking using 802.1Q tunneling (also known as Q-in-Q) tags, or Cisco ISL encapsulation if applicable. As such, the Ethernet interface of external network equipment to which these switch ports connect, such as the NTU devices and the entry points into the wireless network, must also be configured as trunk ports.

If an external device needs to be managed in-band, that is, through the same Ethernet connection used by VESTA 9-1-1, its management ports must be accessible in VLAN trunking mode. If the equipment is configured to utilize the same VLAN for application and management traffic, care must be taken to ensure that network management traffic is given lower QoS priority relative to that accorded to audio and call control traffic. Some external devices, on the other hand, support the use of different VLANs for application traffic and management traffic. In such a case, routing capability must be provided by the party that is responsible for the device to ensure that both application and management traffic can be transported correctly.

- All Ethernet switch ports connected to another Ethernet switch or Layer-2 devices on the bridged WAN must enable VLAN trunking using 802.1Q tunneling or Cisco ISL encapsulation.
- Any connected Layer-2 devices on the bridged WAN that wish to be managed in-band must be accessible in VLAN trunking mode.

Inter-site Spanning Tree

Since the VESTA 9-1-1 servers in a geo-diverse deployment typically reside on a redundant Layer-2 network that contains loop to provide redundancy, Spanning Tree (802.1w or 802.1s – 802.1D is unacceptable due to its slow convergence) needs to be enabled on the bridged WAN across two or more sites.

- The bridged Layer-2 WAN must not have a single point of failure. The failure of a single component or connection on the Ethernet WAN shall not result in the failure of more than 50% of the E9-1-1 PSAP system[1].
- The Spanning Tree protocol on the bridged Layer-2 WAN must be engineered to failover within 3 seconds or less.

1. NENA-04-001 Issue 2, Recommended Generic Standards for E9-1-1 PSAP Equipment

- The switch that connects Media Distribution Service (MDS A) and Data Distribution Service (DDS A) with its Call Filter Service (CFS A) at the main host site must be designated as the main root bridge of the spanning tree.
- The switch that connects MDS B and DDS B with its CFS B at the backup host site must be designated as the backup root bridge of the spanning tree.
- The devices must assign the highest QoS priority to BPDUs and any other network signaling traffic.
- All inter-switch trunk ports that inter-connect switches and participate in the spanning tree must be configured as non-edge.
- All switch ports that are connected to a non-switch endpoint must be configured as edge ports.
- Enable BPDU Guard/Protection on all edge ports.
- Enable root guard as required.
- External or intermediate devices that are part of an inter-site bridged Layer-2 link, such as the NTU for example, must meet the following requirements:
  - The device must not participate in VESTA 9-1-1 spanning tree instances.
  - The device must forward all BPDUs that it receives intact.
  - The device must not filter any multicast traffic or BPDU.
  - The device must assign the highest QoS priority to BPDUs and any other network control traffic.
  - The device must propagate layer 1 faults in both directions.

VoIP codec on 9-1-1 WAN

When a Voice over Internet Protocol (VoIP) call traverses a WAN, the common practice is to employ a codec that uses less bandwidth (for example, G.729) in order to conserve bandwidth. However, in a 9-1-1 VoIP environment, it is strongly recommended that a G.711 codec be used in all cases — even if the media stream goes through a WAN.

This recommendation stems from two requirements for the handling of 9-1-1 calls. First, it is important for a call taker to hear the 9-1-1 caller and any background noise clearly to better discern the situation. Secondly, 9-1-1 calls must be recorded for potential legal use. Both of these requirements dictate the use of a higher-grade codec, such as G.711, whenever possible, to maximize the intelligibility of 9-1-1 calls and recorded contents — albeit at the expense of increased bandwidth use.

Voice Quality of Service

6

List of topics

✓ Voice Quality of Service, **6-2**

Voice Quality of Service

The importance of Quality of Service (QoS) in a 9-1-1 VoIP network cannot be overstated. The absence of properly designed and configured QoS results in rapid deterioration of voice quality, which may be manifested in choppy or garbled voice conversations or even dropped calls. QoS aims to improve performance of voice traffic over data networks by managing the following network characteristics:

- Bandwidth
- Delay
- Jitter
- Loss

A VESTA 9-1-1 system sends various types of traffic between different components such as the MDS, DDS, CFS, Consoles, IP phones and gateways. However, each category of traffic has a different requirement in terms of bandwidth, delay, jitter and loss. Table 6-1 shows how VESTA 9-1-1 traffic can be broadly classified into three categories based on their nature.

Table 6-1: VESTA 9-1-1 QoS Requirements

	Bandwidth	Delay	Jitter	Loss
G.711 RTP[i] (one-way)	Low (87.2 Kbps[ii])	Low (100 ms)	Low (30 ms)	Low (<1%)
Call Control	Low	Low	High	Low
Other (Best Efforts)	Low/Medium/High	High	High	High

i. RTP: Realtime Transport Protocol
ii. Per-call RTP stream over Ethernet using G.711

Although RTP traffic uses relatively little bandwidth for each call, it has low tolerance for packet delay, jitter and loss. Call control messages (for example, SIP messages) also use little bandwidth and have low tolerance for packet delay and loss. However, packets in this category are a lot more tolerant to jitter. All other types of traffic present in a VESTA 9-1-1 network, essentially non-VESTA 9-1-1 traffic, should be treated with the lowest priority (that is, best effort) and may be subjected to higher delay, jitter, loss and possible starvation.

End-to-end QoS

In the context of VESTA 9-1-1 solutions, the term QoS implies end-to-end QoS between two communicating end points. It denotes the aggregate packet delay, jitter, and loss that is incurred on each IP packet by the LAN segment and WAN connection, as shown in Figure 6-1.

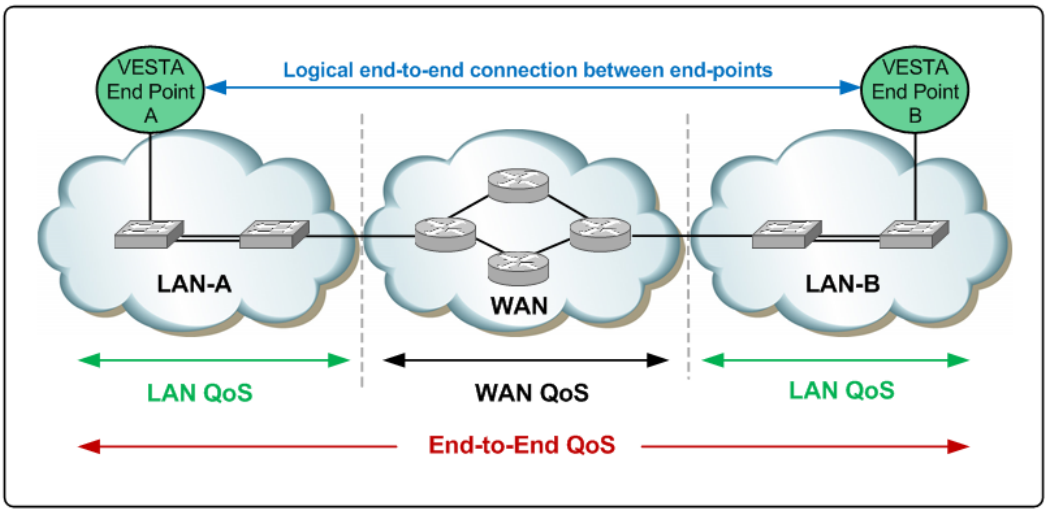

Figure 6-1: End-to-End QoS

Although the logical connection between both end-points portrayed in the diagram typically constitutes two or more LAN segments, the LAN's negative impact on a packet's QoS is, in general, minimal — due to the vast amount of bandwidth available and the non-blocking nature of the LAN switches deployed. However, QoS must also be implemented on the LAN to prevent it from being monopolized by unexpected bulk data transfers that might occur at inopportune times.

A WAN, on the other hand, due to its bandwidth limitation, frequently poses a greater threat to voice quality between end points. When end points are connected by a "WAN cloud" (for example, IP, MPLS) that includes multiple intermediate nodes (for example, routers) and links with lower throughput, it is crucial that proper QoS measures are taken at every node within the cloud so that the end-to-end QoS requirement is met. To this end, a customer or must ensure that a contracted service level agreement (SLA), which guarantees the network QoS, is in place with the WAN provider. It is also a good practice to assess a WAN QoS readiness by using a software tool before deploying VESTA 9-1-1 on it.

Note

In cases where a service provider aggregates VESTA 9-1-1 traffic with those from other customers or applications, VESTA 9-1-1 traffic as a whole must be given the highest priority in the service provider network. The SLA needs to guarantee that VESTA 9-1-1 traffic receives the required performance should congestions occur in the service provider network.

QoS tools on switches and routers

Network equipment such as Layer-2, Layer-3 switches and routers support IP QoS by providing various QoS tools. They can be broadly classified into classification and marking tools, various types of ingress and egress queues, traffic shaping and policing, congestion avoidance (such as random early detection), link efficiency (for example, header/payload compression, link fragmentation and interleaving) and call admission control. Each category of tools is designed to affect some aspects of a network's bandwidth, delay, jitter and loss. A combination of these tools can be used to realize a design to achieve the desired QoS characteristics for the target network. However, the availability, capability and flexibility of such tools vary significantly from vendor to vendor, and from one network equipment to another.

Compared to a LAN, the WAN is usually the bottleneck in terms of bandwidth availability – frequently due to its higher per-bit cost. As such, it needs to be carefully engineered to ensure that it has sufficient bandwidth to transport all required voice and data payloads. It is crucial to understand that in a VoIP environment, insufficient bandwidth degrades voice quality of all calls, not just the latest one admitted to the network. Although QoS tools provide mechanisms that give preferential treatment to certain classes of traffic (for example, voice payloads) and increase efficiency of bandwidth utilization, it is not a substitute for provisioning adequate bandwidth in 9-1-1 networks.

Traffic marking and treatment

In order to provide differentiated services to traffic that traverse a network based on their importance, they need to be classified into different service classes and identified with appropriate markings.

All components of a VESTA 9-1-1 system, such as the Media Distribution Service (MDS), Data Distribution Service (DDS), Call Filter Service (CFS), Consoles, SIP phones and AudioCodes gateways tag voice and call control traffic with the values of EF and AF31, respectively, as illustrated in Table 6-2[1].

Table 6-2: VESTA 9-1-1 QoS Markings

Traffic Type	Description	PHB[i]	DSCP[ii]	CoS[iii]
Voice	RTP streams	EF	46	5
Call Control	Call Control messages	AF31	26	3
Best Effort	Everything else	0	0	0

i. PHB: Per hop behaviors
ii. DSCP: Differentiated services code point
iii. CoS: Class of Service

1. Notable exceptions are Cisco IP phones and gateways, which mark call control traffic as CS3 (DSCP 24).

Network equipment in a VESTA 9-1-1 network should not re-mark these traffic types and cause them to deviate from this scheme, so that all traffic is treated in a consistent manner across the network.

In addition, IEEE 802.1p specification states that network and internetwork control traffic on a LAN should be marked as CoS 7 and CoS 6, respectively. On the WAN, It is recommended that network routing and control traffic are marked as CS6 (DSCP 48). It is important to note that in both cases, that is, whether it is on the LAN or the WAN, such network control traffic must be given sufficiently high priority so that the network can react to any changes rapidly.

QoS requirements

1 The following network parameters must be adhered to
   - Packet loss: less than 1 percent
   - End-to-end delay: less than 100 ms
   - Jitter: less than 30 ms

2 It is highly recommended to use a VoIP readiness assessment software tool to verify that the network meets the requirements stipulated above.

3 End-to-end QoS policy must be configured throughout the network to honor the DSCP values marked by VESTA 9-1-1 components. QoS policies should be configured on all network equipment to prioritize traffic in the following order:
   - **a** Assign the highest priority to network routing and control (CS6) traffic
   - **b** Assign audio (EF) traffic
   - **c** Assign signaling (AF31) traffic
   - **d** Assign best effort traffic

4 Network devices throughout the network must not re-mark VESTA 9-1-1 traffic.

5 All non-VESTA 9-1-1 traffic entering the network must be marked with best effort or a lower priority.

6 All links must meet the minimum bandwidth requirements. WAN links must be provisioned with the appropriate Service Level Agreement (SLA).

   It is recommended to use data switches that support DSCP. Switches that do not support DSCP are not able to prioritize VESTA 9-1-1 traffic effectively.

Note

In cases where a service provider aggregates VESTA 9-1-1 traffic with those from other customers or applications, VESTA 9-1-1 traffic as a whole must be given the highest priority in the service provider network. The SLA needs to guarantee that VESTA 9-1-1 traffic receives the required performance should congestions occur in the service provider network.

Notes

VESTA 9-1-1 CommandPOST

7

List of topics

✓ VESTA 9-1-1 CommandPOST, **7-2**

VESTA 9-1-1 CommandPOST

The VESTA 9-1-1 CommandPOST is a hardened laptop computer that is equipped with the VESTA 9-1-1 Console application. The portability of a CommandPOST allows its user to perform call-taking functions from a mobile location that is equipped with suitable network connectivity that supports the desired QoS characteristics, as outlined in Table 6-2 on page 6-4. Specifically, the CommandPOST will only provide an acceptable user experience if the link has an average packet loss of less than 1 percent, an average delay of less than 100 ms, and an average jitter that is less than 30 ms.

Note

The Internet is a collection of best effort networks, and performance and voice quality cannot be guaranteed in such an environment. Vesta Solutions recommends that the CommandPOST be deployed within a network that provides a deterministic level of service.

In addition, the amount of bandwidth required for each CommandPOST depends largely on the maximum number of parties it wants to host in a conference call. For example, a CommandPOST requires approximately 338.4 kbps of dedicated and symmetrical bandwidth in order to host a four-party conference call over an IPSec-based VPN connection. Adequate bandwidth is crucial for achieving an acceptable CommandPOST performance. It is important that Internet connectivity at the host site(s) provides sufficient capacity to handle all the traffic of the CommandPOST concurrently — in addition to any bandwidth that may be required by other applications. An oversubscription of the Internet bandwidth at the host site(s) may cause a degradation of the CommandPOST service. Also, bandwidth that is provided by the connection that the CommandPOST uses to access the Internet must be constant, with little or no variation.

Network Security

8

List of topics

- ✓ Network Address Translation devices and firewalls, **8-2**

Network Address Translation devices and firewalls

All devices in VESTA 9-1-1 networks share an address space that is routable from end to end, without the need for Network Address Translation (NAT) devices or firewalls.

A NAT device traditionally operates at layer 3 of the open systems interconnection (OSI) stack and Port Address Translation (PAT) at layer 4. However, VoIP signaling protocols such as SIP embed RTP socket information at layer 5 (Session Definition Protocol, (SDP)), so it does not work with standard NAT and PAT mechanisms. Similarly, firewalls also need to be SIP-aware in order to recognize the IP addresses and dynamic media ports used by the end points — so that they can be opened and closed as needed. Also, some firewalls, by default, do not allow outside traffic to traverse to inside interfaces; so, when an external end-point attempts to set up a RTP session from the outside of a firewall, the request will fail even though the call has already been set up by SIP. Therefore, any NAT device deployed in VESTA 9-1-1 call paths must be thoroughly validated to ensure that it supports all desired call flows.

Networking equipment on a VESTA 9-1-1 network must not filter traffic between VESTA 9-1-1 devices. If protocol filtering is desired to secure a network, it can be done at the edge of the network (for example, between a VESTA 9-1-1 IP subnet and a third-party IP subnet), but never between two subnets hosting VESTA 9-1-1 devices. The only exception is when a console (such as a CommandPOST) is accessing a VESTA 9-1-1 network through a VPN connection; in that case, the firewall can be used to filter unnecessary protocols.

In order to remotely support VESTA 9-1-1, the network must be reachable from the Internet through a dedicated security device (firewall). A VPN connection over the Internet is required in order for CommandPOST and support personnel to remotely access the IP network where the VESTA 9-1-1 elements are located.

The following recommendations pertain to the deployment of firewalls as part of a VESTA 9-1-1 system.

- An authorized remote user (that is, a CommandPOST or support personnel) can access the network over a public network through a VPN tunnel that terminates on a firewall.
- If two firewalls are deployed, a remote user can access the network through a VPN tunnel that connects to either firewall.
- A firewall allocates IP addresses from unique subnets to the VPN clients that are used by remote users. In cases where two firewalls are deployed, each firewall has a set of IP subnets which are dedicated for its own groups of VPN clients.
- A routing function is available when dual firewalls are deployed, such that traffic can be routed between a device on the network and both firewalls, as well as their respective VPN clients.
- The routing function is provided by a redundant pair of devices (for example, routers) that support default gateway redundancy by using VRRP or Hot Standby Router Protocol (HSRP).

- In a geo-diverse deployment, the VRRP (or HSRP) is configured to support load-balancing, such that each device on a LAN segment uses the virtual router, whose main router collocates with the device.
- The firewall solution supports the capability to route traffic between any two remote users.
- A firewall is not used to provide general routing functions within the network.
- For security reasons, the firewalls must prevent all outbound Internet access that is not related to the operations of the 9-1-1 solution.

Internet bandwidth for VPN and firewall connections

Firewall access to the public Internet must provide sufficient bandwidth to its VPN clients. Some bandwidth considerations are:

- If no CommandPOST connectivity is required, any broadband Internet connection is acceptable (broadband is defined as 256kbps symmetric).
- If CommandPOST connectivity is required, sufficient bandwidth must be provisoned, taking into consideration the maximum number of conference parties each CommandPost needs to support.

Payload confidentiality

Some information transmitted by the VESTA 9-1-1 system over a WAN may be deemed sensitive, and as such requires proper considerations to ensure their confidentiality and integrity. Examples of such payloads include voice packets and Automated Location Information (ALI) of the caller. Other information that is being transported, such as call control and management information, though not as sensitive, may expose the system to various types of security threats frequently associated with SIP calls.

There are different ways in which these payloads may be protected from various vulnerabilities. An obvious choice would be to encrypt these payloads, perhaps in the form of IP Security (IPSec) or media access control (MAC) Security (MACSec) – which also provides additional benefits. However, this usually calls for availability of encryption hardware at the end point terminals (for example, Consoles and IP phones) or edge routers in order to prevent voice and performance degradations. The disadvantages of this approach are that it tends to incur higher hardware costs and increase bandwidth requirements. Although encryption is not the panacea of all security related challenges, it is certainly an effective mechanism that protects data in transit, when their confidentiality and integrity are of paramount importance.

A closed private network dedicated only for 9-1-1 applications offers a relatively economical, and frequently adopted, alternative. Examples include point-to-point T-carrier circuits and ATM virtual circuits (VC). Note that VCs by definition are virtual in nature. Hence, it is not uncommon for multiple VCs used for separate applications to traverse the same physical medium. In fact, it is a much touted ATM benefit. Obviously, this approach does not completely prevent personnel or devices that have access to the data path from intercepting and perusing the payloads which, after all, are carried in clear text.

Notes

Pre-cutover Data Network Testing

9

List of topics

✓ Pre-cutover data network testing, **9-2**

Pre-cutover data network testing

Deploying a Voice over Internet Protocol (VoIP) system, even on a LAN, is not a trivial undertaking. The complexity of the endeavor increases substantially when a VoIP solution, such as VESTA 9-1-1, is distributed over a WAN. The added level of complexity stems from the stringent requirements that are placed on a VoIP WAN, which must support the Quality of Service (QoS) and resiliency.

The WAN must be well designed and engineered to ensure success. It is equally important to perform comprehensive testing on the data network before a geo-diverse or multi-site VESTA 9-1-1 system is cut into production. The testing allows implementers to isolate and eliminate any network performance issues, design errors, configuration oversights and physical layer problem before the system goes live.

Note

Every network is different. This section describes generic approaches for testing a data network. An implementation engineer must adapt these algorithms into a test plan that contains detailed test cases that cover all the necessary test points.

The following sections outline the testing that must be performed before a VESTA 9-1-1 system goes live.

QoS testing

QoS testing must be conducted for any geo-diverse or multi-site deployment that distributes across wide area networks. An effective VoIP readiness assessment tool should be used to perform these tests. At the very least, such a VoIP readiness assessment tool must be able to generate simulated VoIP traffic and send them over the WAN under test. The tool must also be able to predict the call quality of real VoIP calls based on the simulation. The result may be presented as Mean Opinion Scores (MOS), which should reflect underlying QoS characteristics such as delays, jitters and packet loss. A comprehensive QoS test must at least cover the following areas:

1. Calibrate the network to verify that sufficient WAN bandwidth is provisioned between any two sites in the deployment. The bandwidth must meet or exceed the minimum bandwidth requirement for the site-specific VESTA 9-1-1 system design. This test can be achieved using a VoIP readiness assessment tool (if this function is available) or a tool such as iperf.
2. Verify that the network meets the QoS requirements by generating simulated test calls between any two points in the network where live voice traffic will traverse. Such simulated test calls must be generated using a VoIP readiness assessment tool which produces reports that detail the test results in terms of delay, jitter and packet loss.

3 Verify that QoS are correctly configured on the network elements to give the highest priority to traffic that are marked as EF, followed by AF31 and best effort traffic. This test can be achieved by injecting simulated low-priority traffic into the network using tools such as iperf or a network assessment tool, while at the same time inject simulated calls into the network. The QoS testing process must congest the network to ensure simulated voice calls and signal-related traffic are prioritized (priority queued) above the best effort traffic during a period of congestion. The outcome should demonstrate that the simulated audio traffic does receive preferential treatment and meet all the QoS requirements.

Note

While these tests must be completed before a geo-diverse or multi-site VESTA 9-1-1 solution goes live, it is also a good practice to perform them periodically in a production system. A periodical test may be achieved by using a tool that generates test calls across the network at pre-determined intervals. However, it is important to note that:

- Such tests may be service-affecting, especially if it inadvertently increases network bandwidth usages beyond that which is provisioned
- They should only be performed only during a maintenance window

Network resiliency testing

As mentioned in previous sections of this document, a VESTA 9-1-1 network (both a LAN and a WAN) must not have a single point of failure. A network failure must be recoverable within three seconds to ensure non-disruptive operation of the VESTA 9-1-1 system. Therefore, it is important to test each point of failure within the network, before the system goes live, to ensure that it meets the specification. A comprehensive network resiliency test must exercise *every* point of failure on the network. A network point of failure constitutes:

- Every physical medium that connects two network devices. It includes all copper (for example, CAT-5e, CAT-6, and so on) cables, fiber optic cables, and wireless or microwave airwaves that are present in the solution. The failure of a physical medium can be simulated in a number of ways such as simply disconnecting a physical cable or disrupting a microwave connection.
- Every piece of network device. It includes routers, data switches, NTUs, wireless network gear, or switches and any other network devices that constitute parts of the underlying network. The failure of a network device must be simulated by powering down the device under test.

A typical procedure for performing high-availability test that involves a point of failure on the network must include the following steps:

1 The following pre-conditions must be met before the test commences:

   a Ensure that the network is in a stable state.

   b Ensure that all the LAN switches identify the correct Spanning Tree instance and the root bridge.

   c Ensure that the VESTA 9-1-1 application is in a stable state:

   - All components are in the proper state and connected
   - At least one console must be logged on at every site. If a site has more than one switch, at least one console that is connected to each switch must be logged-in.

d Note the active Media Distribution Service (MDS) and the active Data Distribution Service (DDS).

e Set up at least one call between the host site and each remote site. In cases where the master and backup site is located at two different (and active) public safety answering positions (PSAP), set up calls between the two host sites as well.

f Use a tool such as *fping* to continuously verify the reachability of every remote site from each host site. The ping interval must be set to a value of 200 ms to 500 ms.

2 Perform the following procedure on each point of failure on the network:

a Initiate the failure condition by performing one of the following actions:

- If the point of failure being tested is a physical cable (for example, CAT-5e or CAT-6), disconnect the cable.
- If the point of failure being tested is a wireless airwave, disrupt the wireless signal.
- If the point of failure being tested is a network device, turn off the equipment or unplug its power cable.

b Wait for two minutes.

c Evaluate and record the consequences of the simulated failure to ensure that they meet the desired post-conditions of the test outlined below.

d Restore the failure by performing one of the following actions:

- If the point of failure being tested is a physical cable (for example, CAT-5e or CAT-6), re-connect the cable.
- If the point of failure being tested is a wireless airwave, restore the disrupted signal.
- If the point of failure being tested is a network device, turn on the equipment or plug in its power cable.

e Wait for two minutes.

f Evaluate and record the consequences of the recovery to ensure that they meet the desired post-conditions of the test.

3 The desired post-conditions of a test case may include one or more of the following:

a Observe if established calls that are not affected by the point of failure being tested remain up.

b Observe if all VESTA 9-1-1 Consoles that are not affected by the point of failure being tested remain logged on.

c Observe if there was any MDS/DDS switchover and determine if it is the correct and expected behavior for the test case.

d Observe if any logs, alarms, and diagnostics are generated, and determine if it is the expected behavior.

e If spanning tree is enabled, verify that the correct switch (that is, either the switch that connects MDS A and DDS A or that which hosts MDS B and DDS B) is elected as the root bridge.

f Verify that the ping does not time out for more than three seconds.

Notes

NTP Time Sources

10

List of topics

- ✓ Overview, **10-2**
- ✓ Redundant Master Clocks, **10-3**
- ✓ Single Master Clock, **10-5**

Overview

The National Emergency Number Association (NENA) *Recommended Generic Standards for E9-1-1 PSAP Equipment (NENA-04-001, Issue 2) Section 3.8* stipulates that

> In order to insure consistency of time stamps added to event records and reports, PSAP equipment such as CAD Computers, ANI/ALI Controllers, Voice Recorders, Radio Consoles, etc., shall be able to synchronize their internal clock to a PSAP master clock.

The NENA PSAP Master Clock Standard (NENA-STA-026.5-2016) Section 3.1 specifies that a Public Safety Answering Point (PSAP) master clock “SHALL be traceable to Coordinated Universal Time (UTC) and have a continuous accuracy of .1 seconds relative to UTC when locked to the UTC time source. In the event the PSAP master clock becomes unlocked from the external UTC source and must "free run", it MUST NOT exceed an error accumulation of more than 1 second per day.”

It is important for every VESTA 9-1-1 deployment to meet the NENA specifications cited above in order to provide precise legally traceable time for records of 9-1-1 events, which would be vital for settling any potential legal dispute.

Vesta Solutions certifies the use of NENA compliant Spectracom NetClock 9483 and 9483A as master clocks in VESTA 9-1-1 deployments. It is also important to note that all NetClock master clocks must be ordered with an integral oven-stabilized crystal oscillator (OCXO) to provide at least 30 days of accurate synchronization in case of loss of GPS signals due to antenna or antenna coaxial cable damage, or due to loss of equipment. The hold-over time parameter of the master clock must be adjusted to 30 days upon installation if OXCO is included. An inline GPS antenna surge protector must be installed at the minimum point of penetration into a building of the coaxial cable used for connection to the outdoor GPS antenna.

The following diagram illustrates the Stratum levels on a VESTA 9-1-1 solution.

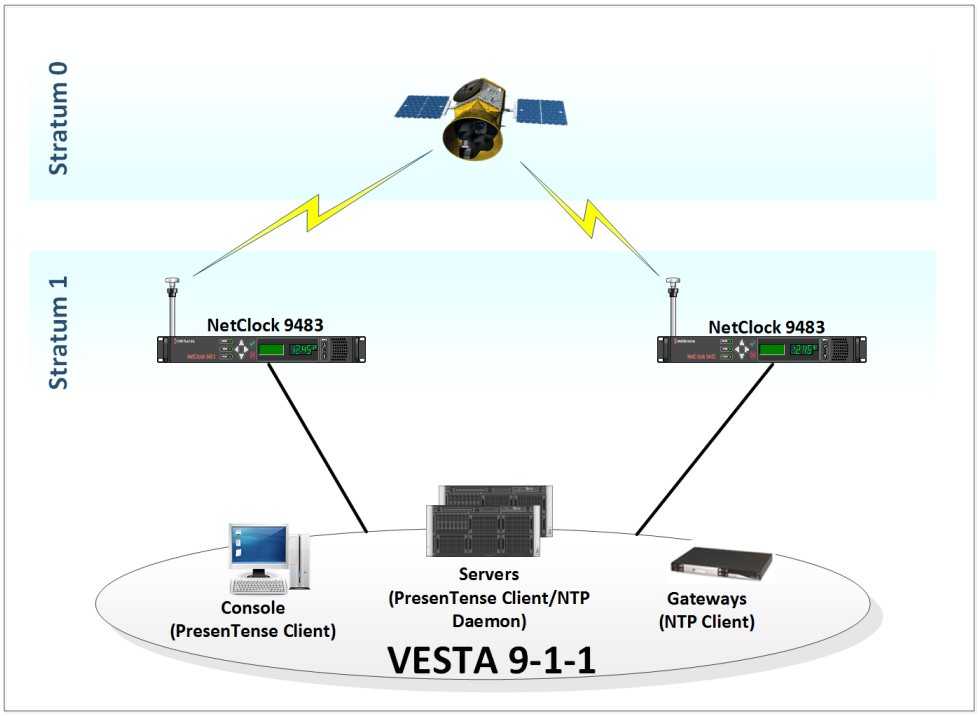

Figure 10-1: NetClock Stratum Levels for VESTA 9-1-1

Redundant Master Clocks

All geo-diverse VESTA 9-1-1 deployments should deploy two master clocks, one at each host site.

When deploying master clocks at host sites, consideration should be given to a design that utilizes the Spectracom Master Clock with the OCXO Oscillator to ensure consistent time synchronization in the event of loss of the GPS signal following the damage or loss of the GPS antenna or the coaxial cable. As previously noted, in-line GPS Antenna Surge Protectors must be installed. The Vesta Solutions sales engineer or architect determines the appropriate model of Spectracom Master Clock to be included in the design based on an assessment of the site.

Devices at each host site must use the local master clock as their primary time source, the master clock at the other host site as secondary time source, and MDS-A as the tertiary time source where applicable. A remote Public Safety Answering Point that has access to a reliable local time source and meets the NENA master clock specifications should designate its devices as the primary time source. Master clocks at the host sites should be used as secondary and tertiary time sources. On the other hand, if the devices at the remote PSAP do not have a reliable local time source that meets NENA master clock specifications, they should use the master clock at Host A as the primary time source, Host B as the secondary time source, and MDS-A as the tertiary time source.

In order for a master clock at a remote PSAP to be shared by local VESTA 9-1-1 devices and other PSAP systems, it must support multiple network ports. The onboard main Ethernet port of the master clock must be dedicated for the use of the VESTA 9-1-1 system. If the onboard Ethernet port is not available, the VESTA 9-1-1 system can use a dedicated Ethernet port on the expansion card.

The following diagram illustrates the use of a multiport master clock at a remote PSAP.

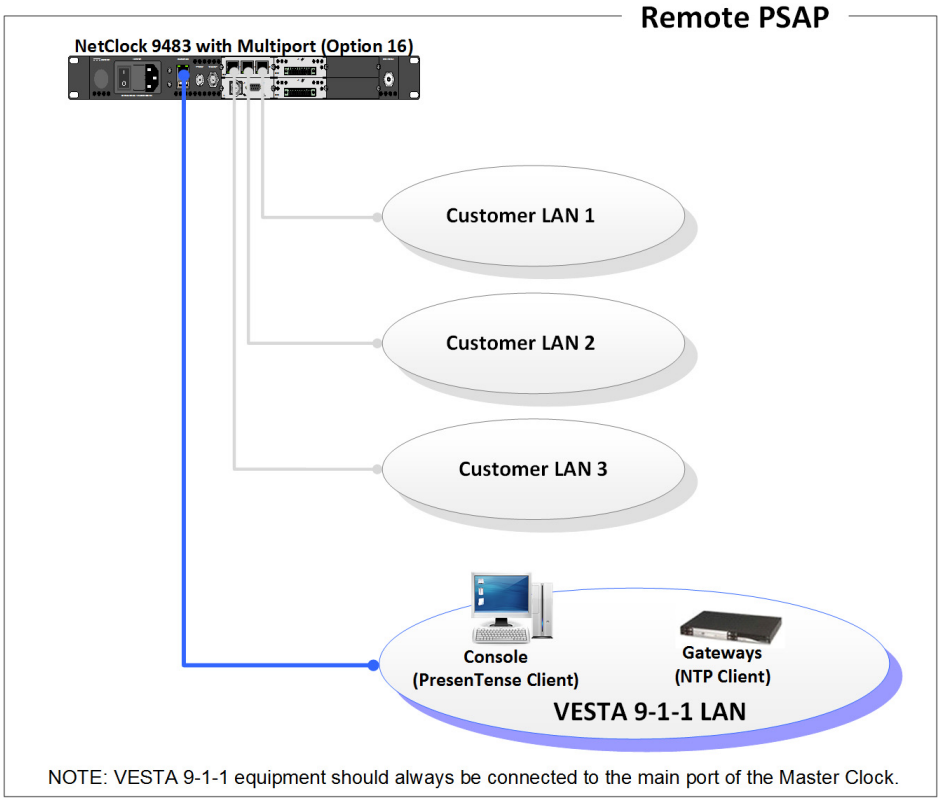

Figure 10-2: Multiport Master Clock at Remote PSAP

Devices of a geo-diverse VESTA 9-1-1 system shall configure their NTP time sources in the following manner:

- Devices in Host Site A
  - use the Host-A master clock as primary NTP time source
  - use the Host-B master clock as secondary NTP time source
  - use the MDS-A as tertiary NTP time source if applicable
- Devices in Host Site B
  - use the Host-B master clock as primary NTP time source
  - use the Host-A master clock as secondary NTP time source
  - use MDS-B as tertiary NTP time source if applicable

- Devices at a remote PSAP with a local time source
  - use the local master clock as primary NTP time source
  - use the Host-A master clock as secondary NTP time source
  - use the Host-B master clock as tertiary NTP time source
- Devices at a remote PSAP without a local time source
  - use the Host-A master clock as primary NTP time source
  - use the Host-B master clock as secondary NTP time source
  - use MDS-A as its tertiary NTP time source

Single Master Clock

A single-host VESTA 9-1-1 system would normally deploy only one master clock due to cost considerations, unless master clock resiliency is required by the customer. It is also important to note that the NetClock master clock must be ordered with an OCXO option.

Note

A geo-diverse deployment should always deploy two master clocks:one at each host site.

In a small single-host deployment with one master clock, the time sources of VESTA 9-1-1 devices shall be configured as follows:

- MDS-A
  - reference the master clock as primary time source
- MDS-B
  - reference the master clock as primary time source
  - reference the MDS-A as secondary time source
- All other devices
  - use the master clock as primary NTP time source
  - use the MDS-A as secondary NTP time source
  - use the MDS-B as tertiary NTP time source

Notes

Redundant CAD Spills

11

List of topics

✓ Redundant CAD spills to distributed CAD servers, **11-2**

Redundant CAD spills to distributed CAD servers

Figure 11-1 shows the Vesta Solutions-supported architecture and configuration that enables the Data Distribution Service (DDS) to deliver redundant computer-aided dispatch (CAD) spills to a CAD or map server over an IP network. The solution uses a Digi Terminal Server (for example, TS-4) in conjunction with the Black Box TL601A-R2 Data Sharer device. The Vesta Solutions demarc is at the Master Port of the RS-232 Data Sharer. The customer or a third party must supply the cable that connects the Data Sharer and CAD server.

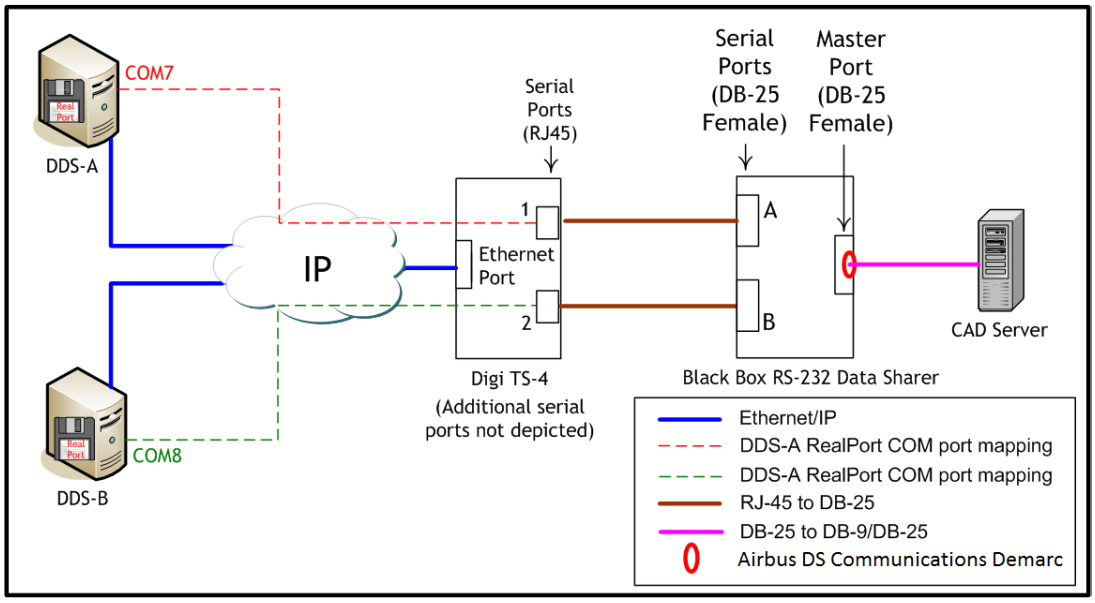

Figure 11-1: Vesta Solutions supported redundant CAD spills to distributed CAD servers

Multiple CAD servers are frequently deployed in a multi-site installation, as shown in Figure 11-2. Redundant CAD spills to distributed CAD servers transport CAD spills from a host site to a remote public safety answering positions (PSAP) over an IP network.

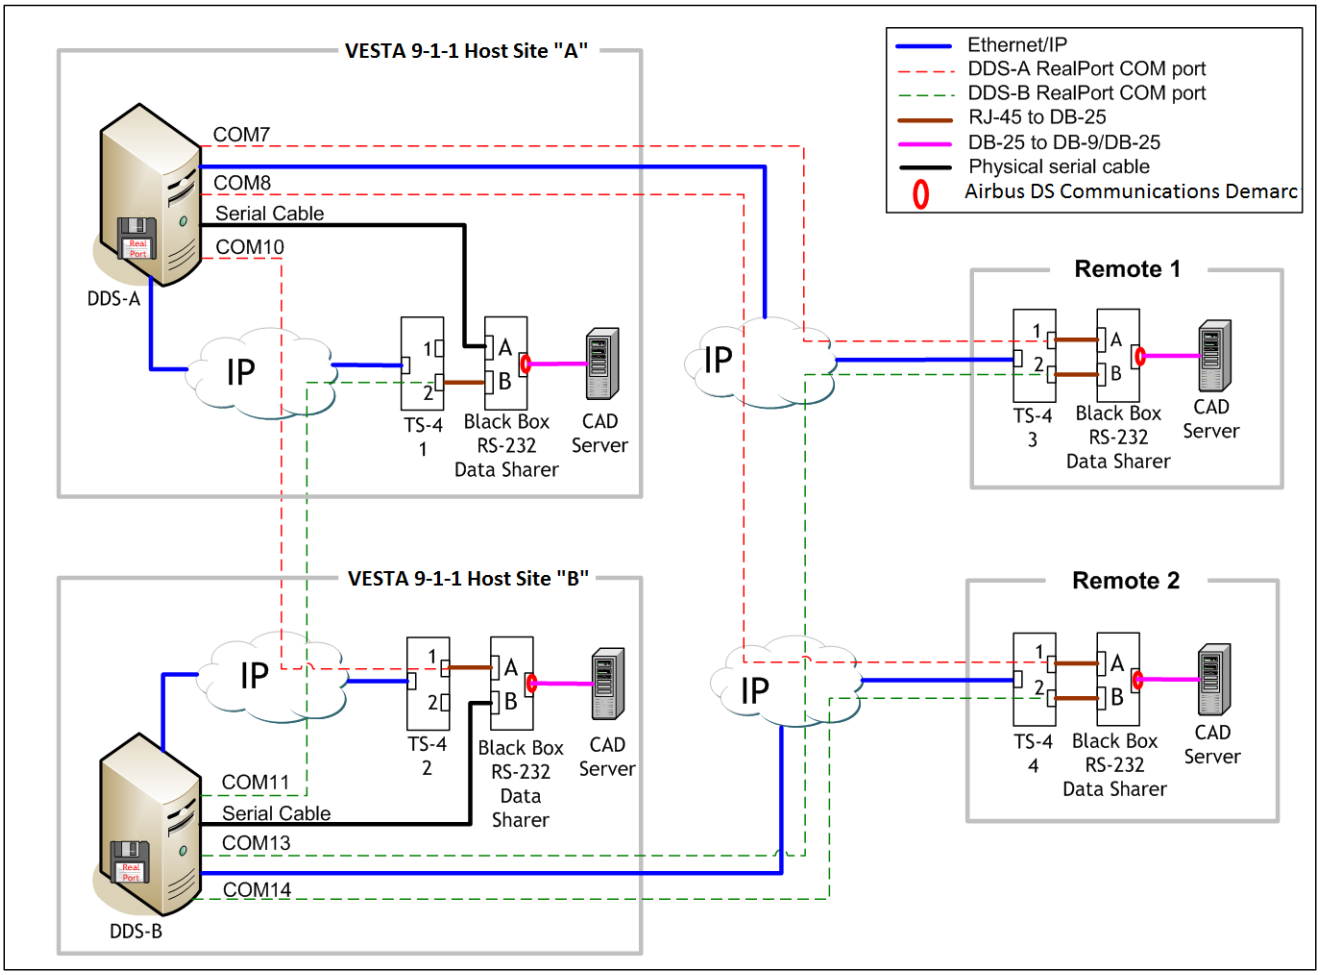

Figure 11-2: Redundant CAD spills to distributed CAD servers

Figure 11-2 shows a solution where each site is equipped with a CAD server that can receive a CAD spill over an IP network from either DDS A or DDS B. It is achieved by using a Digi TS-4 terminal server coupled with RealPort software that is installed on the DDSs. The RealPort software creates a virtual connection between a logical COM port on a DDS and a serial port on a TS-4, which the DDS uses to send CAD spill over the IP network. The redundancy comes from the ability of the TS-4 to map one of its serial ports to a virtual COM port on a DDS, while mapping another to a different DDS. The mapped serial ports on the TS-4 are physically connected to a Black Box TL601A-R2 Data Sharer, which is capable of arbitrating two serial input streams based on RTS assertion and forward the selected stream to the CAD server.

At each host site, one of the serial ports on the local Black Box RS-232 Data Sharer receives its input directly from a physical serial port of the collocated DDS. This approach slightly enhances resiliency by eliminating the probably of the TS-4 becoming a single point of failure. However, the Data Sharer device and local CAD server are still single points of failure.

Cabling

As shown in Figure 11-1, each DDS is connected to the terminal server (in this example, a TS-4) over an IP-based LAN/WAN. In this case, two serial ports on the terminal server are connected to two slave ports on the Data Sharer, using a RJ-45 to DB-25 (male) cable[1]. The master port of the Data Sharer in turn connects to the CAD server with a DB-25 (male) to DB-9 (female) cable. The following table contains the pinouts of the Data Sharer master port:

Table 11-1: Data Sharer master port

DB-25 Pin No.	Signal
2	TD
3	RD
6, 8	DSR, DCD
20	DTR
5	CTS

If, for example, the CAD server is equipped with a DB-9 (male) connector that terminates a cable from the Data Sharer master port, a custom-made cable with the following pinouts can be used to connect the Data Sharer and the CAD server.

Table 11-2: Data Sharer master port to CAD server port (DB-9)

DB-25 Pin No.	Signal	DB-9 Pin No.	Signal
2	TD	2	RD
3	RD	3	TD
6, 8	DSR, DCD	4	DTR
20	DTR	6, 1	DSR, DCD
5	CTS	7	RTS
4	RTS	8	CTS
7	SGND	5	SGND
22	RI	9	RI

1. Digi part numbers: 76000129 (RJ-45 to DB-25 Male Straight, 2') or 76000195 (RJ-45 to DB-25 Male Straight, 4').

Digi TS4 configuration

Each DDS uses the RealPort software to provide virtual connections to serial ports on the TS-4. First, use the RealPort software on DDS A to map a virtual COM port on DDS A to a serial port on the TS-4 (for example, COM7 on DDS A points to serial port 1 of the TS-4). Next, map a virtual COM port on DDS B to a different serial port on the terminal server. There must be a one-to-one mapping between a virtual COM port and a TS-4 serial port, it is not technically viable to map more than one DDS COM port into the same serial port on a terminal server – this is not a Vesta Solutions-supported configuration.

It should be pointed out that although Figure 11-1 shows only one TS-4 whose serial ports map to virtual COM ports on DDS A and DDS B, the serial ports could have been distributed across two different TS-4s.

DDS configuration

Once the COM port to serial port mapping is established, RTS assertion must be enabled on the corresponding CAD ports through the DDS Configurator.

Data Sharer

The only thing that needs to be done on the Data Sharer is to ensure that the RTS toggle switches of the relevant serial ports (that is, ports A and B) are in the down position, which indicates that the RTS is enabled.

QoS configuration

Because the CAD spill is sent from a DDS to a remote CAD server through the IP network, ensure that proper QoS configuration is performed on the data network so that the CAD spill receives proper treatment. It is recommended that this type of traffic be configured as AF31.

Notes

Redundant ALI Links

12

List of topics

✓ Redundant ALI links for geo-diverse host sites in different LECs, **12-2**

Redundant ALI links for geo-diverse host sites in different LECs

In some cases, the host sites of a geo-diverse system may be located in two different Local Exchange Carrier (LEC) areas. As a result, it may be necessary to extend one of the two Automatic Location Information (ALI) links in an ALI Group at each host site to the ALI database at the remote LEC through a Wide Area Network (WAN), as shown in Figure 11-1.

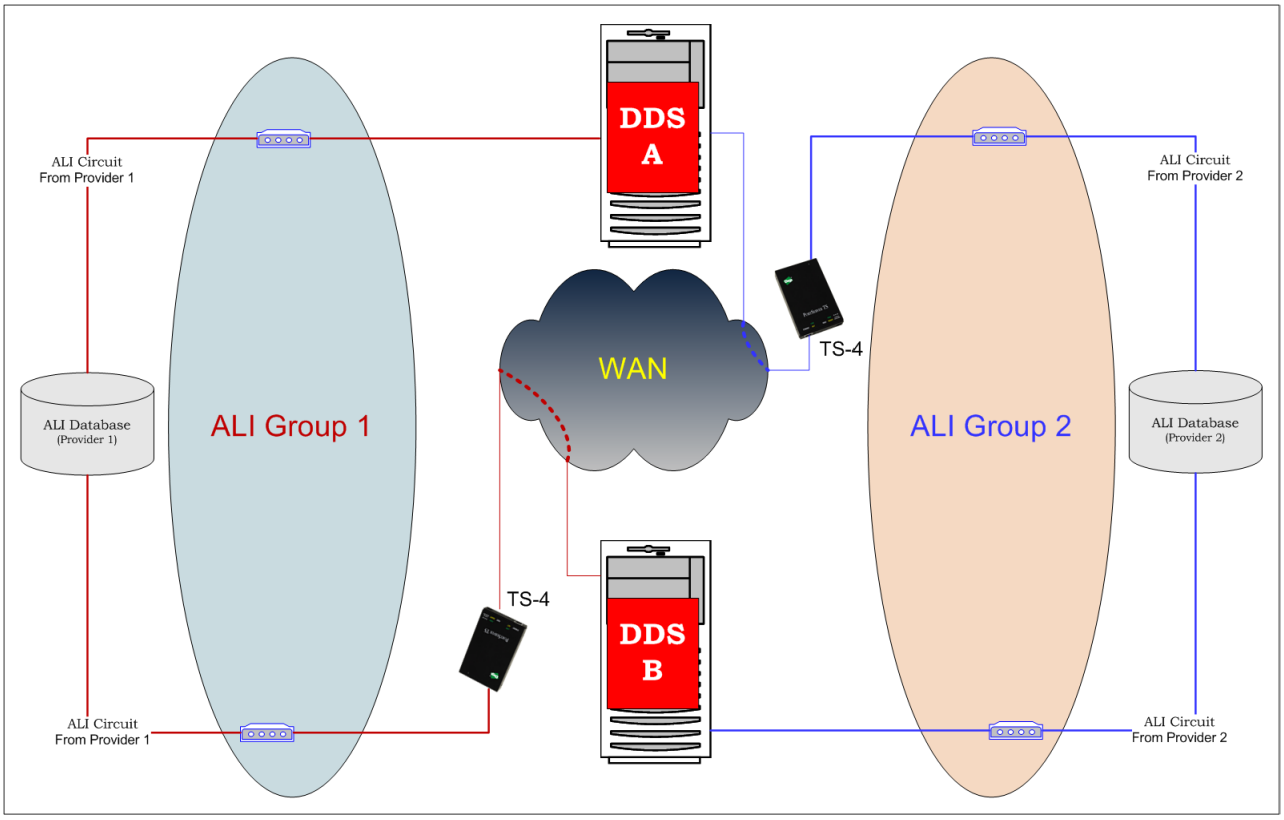

Figure 12-1: Geo-Diverse ALI Links to Databases in Different LECs

In the diagram, each ALI Group contains a physical link connecting a Data Distribution Service (DDS) to the ALI database located in the same LEC, while the peer DDS is connected to the ALI database in the other LEC.

QoS configuration

ALI requests and responses performed through TS-4 traverse an IP network. For this reason, the proper Quality of Service (QoS) configurations must be implemented on the data network. It is recommended that ALI traffic be configured with a Differentiated Services Code Point (DSCP) value of AF31.

ASN for Emergency Text Calls

13

List of topics

- ✓ VESTA 9-1-1 support for emergency text calls, **13-2**

VESTA 9-1-1 support for emergency text calls

VESTA 9-1-1 support for emergency text calls is described in the following sections.

- Background
- Network architecture
- Network considerations

Background

VESTA 9-1-1 supports the ability to receive and process a request for 9-1-1 help formatted as Short Message Service (SMS) messages. When a mobile user sends an SMS message to a 9-1-1 service, the SMS Center (SMSC) routes the text message to a Text Control Center (TCC). Upon receipt of the 9-1-1 text call, the TCC requests for its location information and caches the response for subsequent references. The TCC then delivers the text call to the Advanced Services Node (ASN). The ASN then forwards the text call and its location information to VESTA 9-1-1 operators, and relays subsequent SMS exchanges.

This section focuses on how the ASN interfaces with the TCC and the related network requirements. ASNs are the only components of a VESTA 9-1-1 solution that interface with the TCC. They are typically deployed as virtual machines and, in the case of a virtualized VESTA 9-1-1 system, resides in the same Hypervisor that hosts the Media Distribution Services (MDSs) and Data Distribution Services (DDSs). Unless otherwise specified, the ASNs typically belong to the same VESTA 9-1-1 VLAN and subnet used by the MDSs and DDSs.

The ASNs do not impose additional network requirements beyond those covered in “VESTA 9-1-1 Network Architecture” on page 2-1 to “Redundant ALI Links” on page 12-1. There are a few exceptions, and they are stated in this section.

Network architecture

An ASN consists of a collection of server components which together enable the provisioning, management and operation of the SMS capability. An ASN interfaces with a TCC to receive and send emergency SMS messages as well as to interrogate location information associated with a text call.

The ASNs are always deployed as a cluster of two members for resiliency purposes. The ASNs are frequently connected to a TCC, an external entity, over a non-secured external network or even the public network. As a result, firewalls are required to protect the ASNs from various forms of network and application-layer attacks, terminate VPN tunnels and provide topology hiding where required.

There are two ASN deployments to consider.

- Single-site ASN deployment
- Geo-diverse ASN deployment

Single-site ASN deployment

In the single-site deployment, both ASNs are in a single physical location, as shown in Figure 13-1. The ASNs interface with the TCCs through a pair of firewalls located on the VESTA 9-1-1 LAN. Each firewall is connected to the TCCs through a WAN.

The WAN-facing port of each firewall provides two functions.

- Service demarcation point between the ASNs and the TCCs
- Network demarcation point between the VESTA 9-1-1 LAN and the WAN provider

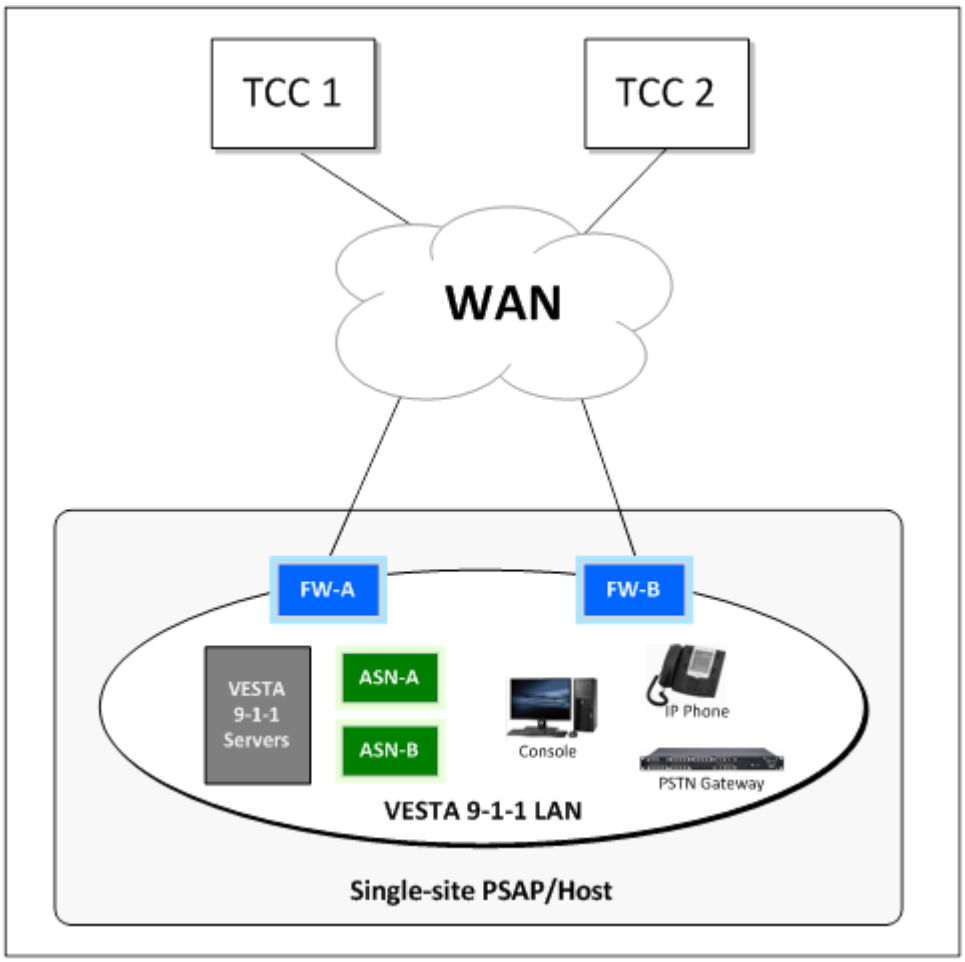

Figure 13-1: Single-site ASN deployment

Geo-diverse ASN deployment

When ASNs are deployed at geo-diverse VESTA 9-1-1 sites, one ASN is deployed at each host site, as shown in Figure 13-2. It is identical to the single-site model, except that the ASNs are dispersed across two different host sites. The ASNs interfaces with the TCCs through a pair of firewalls located on the VESTA 9-1-1 LAN and each firewall is connected to the TCCs through a WAN. The service and network demarcation points remain at the WAN-facing port of each firewall, as described in the single-site model.

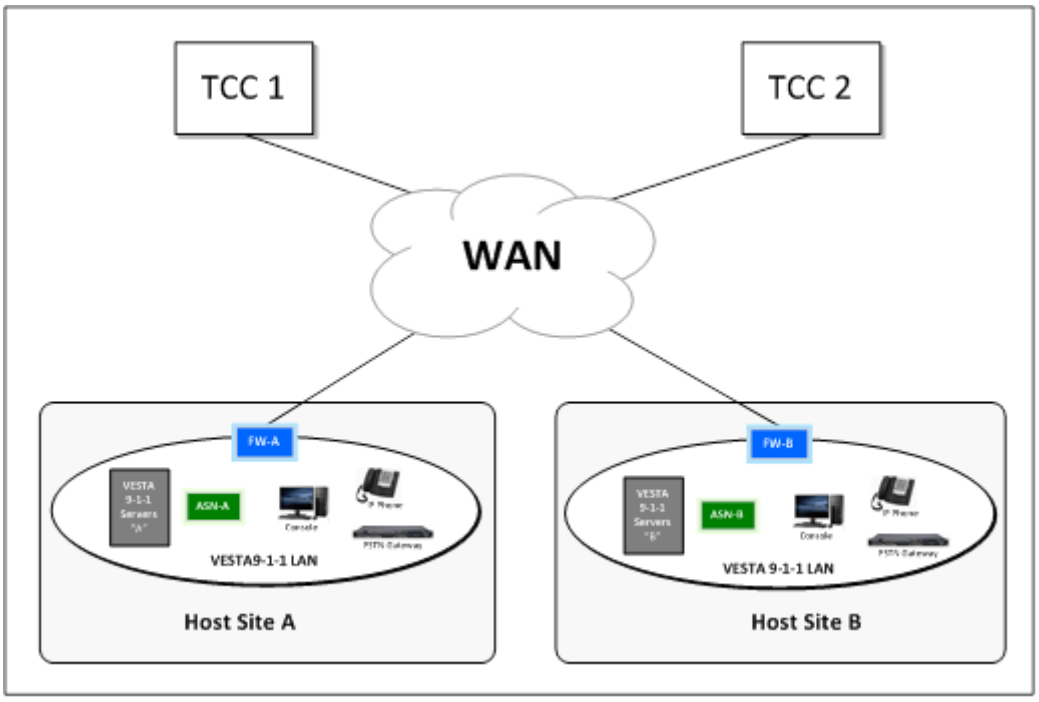

Figure 13-2: Geo-diverse ASN deployment

Network considerations

There are two ways to connect the firewall(s) at a host site to the TCCs. You can route through a trusted WAN or you can use IPSec VPNs. The discussions in the following sections apply to both single-site and geo-diverse deployments.

Non-VPN connections with TCCs

Traffic between the TCCs and the ASNs is securely routed over a private network without encryption. In some cases, the private IP address space in the customer premises equipment (CPE) cannot be routed in the WAN; this means that network address translation (NAT) is required on the firewalls.

When NAT is required, the network provider must supply two public IP addresses; one for the WAN facing port of each firewall. The firewall performs NAT on all inbound SMS sessions destined for the public address and the associated return traffic. The firewall also provides source-NAT traffic that originates from the ASNs and are destined for the TCCs.

VPN connections with TCCs

If the firewalls connect to the TCCs over the unsecured public network, IPSec VPN must be used between the TCCs and the firewalls. The network provider must provide a public IP address for the WAN-facing port of each firewall. Furthermore, if the TCCs only allow public IP addresses in the VPN tunnels, two additional public IP addresses are required; one for each ASN. Ideally, each firewall establishes a tunnel directly with both TCCs to form a fully meshed topology.

The firewall performs NAT on all inbound SMS sessions destined for the public addresses and the associated return traffic. The firewall also provides source-NAT traffic that originates from the ASNs and are destined for the TCCs.

Traffic permitted through the firewalls

The firewalls are configured to allow only the following traffic.

- Inbound session initiation protocol (SIP) and message session relay protocol (MSRP) packets from a TCC
- Outbound SIP and MSRP packets to a TCC
- Outbound HTTP-Enabled Location Delivery (HELD) requests and responses
- Domain name system (DNS) queries and responses

Access to public DNS servers

The ASN gets the location information of an emergency text call by de-referencing the location Uniform Resource Identifier (URI) in the Geo-location header of the incoming INVITE. In order to do so, the ASN needs to resolve the domain name of the Location Server (LS) through a public DNS server. As a result, the ASN needs access to a pair of external DNS servers that are capable of resolving public domain names. The DNS servers must be provided by a reliable source (for example, the customer's network provider or IT department) and the ASN must be able to initiate DNS queries to the DNS servers and receive the responses.

Quality of service for SMS traffic

All signaling and MSRP messages sent from an ASN to a TCC are marked with the DSCP value of AF12, per NENA 08-003. However, it is important to note that these are requests for emergency assistance, which is equivalent to 9-1-1 voice calls in nature. While the data network does not need to treat emergency text traffic with the same priority as RTP packets of an emergency voice call, sufficient network resources must be allocated to minimize their loss and delay.

Notes

Call Filter Service

14

List of topics

✓ VESTA 9-1-1 support for Call Filter Service, **14-2**

VESTA 9-1-1 support for Call Filter Service

The optional Call Filter Service (CFS) supports the Pocket Dial Filter, Queue Selector and Automated Abandoned Callback features.

You can deploy the CFS as one separate server (on the A-side in geo-diverse deployments) or as two separate servers.

IP Recording of Audio Calls

15

List of topics

✓ VESTA 9-1-1 support for IP recording of audio calls, **15-2**

VESTA 9-1-1 support for IP recording of audio calls

VESTA 9-1-1 support for IP recording of audio calls is described in the following sections.

- Background
- Single feed recorders
- Multiple feed recorders
- i3 logging (such as SMS) and screen capture

For detailed design and deployment recommendations, see the IP Recording with VESTA 9-1-1 application note.

Background

VESTA 9-1-1 supports the ability to record audio calls (both emergency and non-emergency) by capturing the Real-Time Transport Protocol (RTP) data stream (IP data packets that contain digitized audio). The RTP data stream is sent or received within the VESTA 9-1-1 system. RTP is typically exchanged between gateway ports and VESTA consoles (workstations, CommandPOST, or IP phones), but also (though not recommended) Auto Attendant, voice mail, and ACD queue audio messages from the Media Distribution Service (MDS).

To record RTP data packets sent to or from a particular endpoint (or target), you must mirror the data (from the LAN switch port to which the target is connected) to a second port which connects to the recorder. Multiple targets can be mirrored to a single recorder port, but different IP recorder platforms have different requirements. Single feed recorders require all mirrored data be consolidated onto a single connection to the recorder. Multiple feed recorders, by contrast, support multiple network interface ports and can accept mirrored data on many ports simultaneously. Multiple feed recorders then combine packets from the same conversation (which may arrive from different source switches) into a single recording, removing duplicates at the same time.

For redundant recorders, each VESTA 9-1-1 LAN switch needs two mirrored ports and connects one to each of the recorders. If the number of VESTA 9-1-1 LAN switches exceeds the number of available network interface ports on the recorders, you need to either deploy consolidation switches (see “Single feed recorders” on page 15-3) or to deploy additional recorders to handle the additional recording volume. The most common solution is to deploy additional recorders because the high number of network interface ports available on today's servers (typically 4 to 8) as well as the capacity limitations of the recorders for simultaneous recording channels.

Although it is technically possible, it is not recommended that RTP data be transported across the WAN to a distant recorder for logging in real-time or near real-time. To do so requires additional Cisco switches at the distant recorder site to receive the Remote Switch Port Analyzer (RSPAN) session, and then forward the data to the recorder servers. To transport a large amount of data presents a significant quality of service (QoS) threat to other higher-priority VESTA 9-1-1 traffic which can use the same WAN links. Therefore, Vesta Solutions does not support this deployment topology unless the following conditions are met:

- You must provide, configure, manage and maintain the aggregation switches at the source site (RSPAN session sources) without participation or support from Vesta Solutions.
- You must provide, configure, manage and maintain the RSPAN receiving switches at the recorder site without participation or support from Vesta Solutions.
- You must provide a separate, dedicated circuit (or other mechanism to preclude interference with WAN-traversing VESTA 9-1-1 traffic from recorder traffic). It must be validated and approved by both Vesta Solutions and NICE Systems engineering.

It is recommended that the real-time recording occurs locally. Also, any replication, duplication, or backup of recordings through the WAN be done at low-traffic times or when there is less competition for bandwidth from higher-priority data.

Single feed recorders

Single feed recorders require the deployment of an additional LAN switch in the VESTA 9-1-1 LAN to connect to the upstream target switches because all mirrored RTP data must be consolidated and delivered to the recorder on a single IP connection. The multiple feeds are then consolidated onto a single port that is connected to the recorder. For redundant recorders, redundant consolidation switches are recommended. A single consolidation switch presents a single point of failure in the otherwise-redundant recording solution. Figure 15-1 and Figure 15-2 show the deployment of consolidation switches in a non-redundant and redundant recording environment.

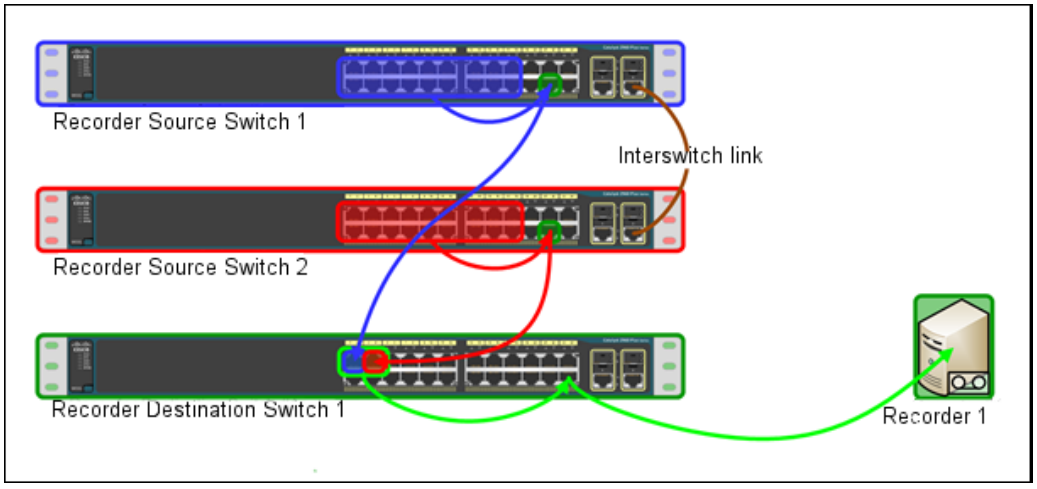

Figure 15-1: Single recorder, dual switch design

In Figure 15-1, Recorder Source Switch 1 and 2 switch to the connected recording device. The switch creates a monitor session and forwards the local recorder traffic downstream to Recorder Destination Switch 1. Recorder Destination Switch 1 switches to Recorder 1. The Recorder Destination Switch 1 consolidates traffic from upstream Recorder Source Switches into a single feed for the IP recorder.

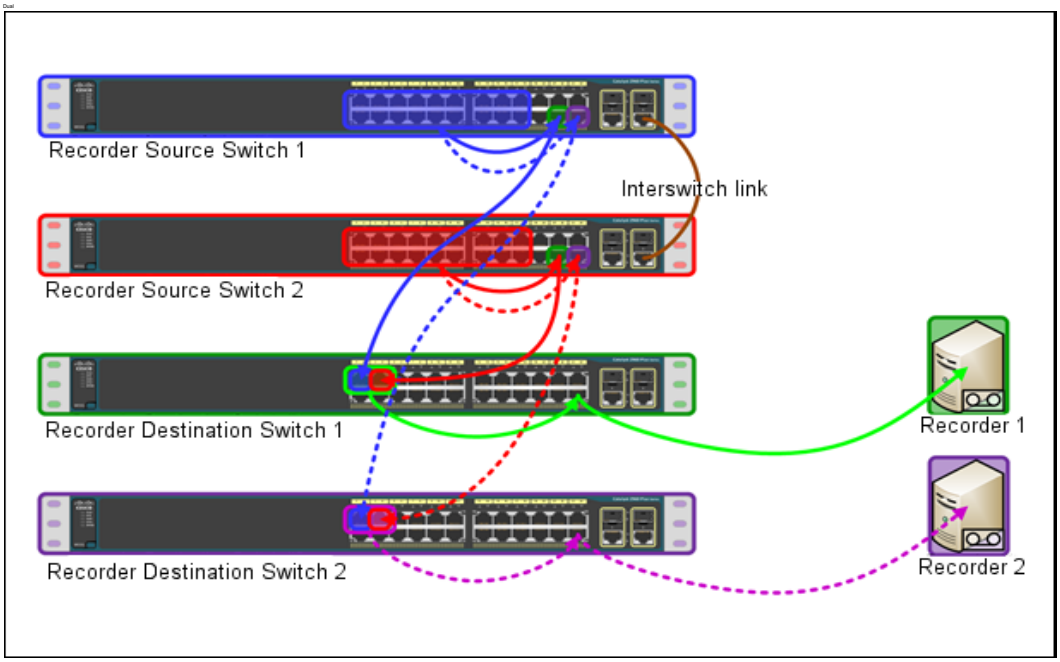

Figure 15-2: Dual recorder, dual switch design

In Figure 15-2, Recorder Source Switch 1 and 2 switch to the connected recording device. The switch creates a monitor session and forwards the local recorder traffic downstream to the Recorder Destination Switches. Recorder Destination Switch 1 and 2 switch to the connected recorder server(s) - one server for each switch. The Recorder Destination Switch 1 and 2 consolidate traffic from upstream Recorder Source Switches into a single feed for the IP recorder.

Multiple feed recorders

Because multiple feed recorders can support multiple connections from the VESTA 9-1-1 LAN, they do not require consolidation switches the way single feed recorders do (except in very rare cases). The design is much simpler and easier to expand (within the limits of the recorder). The mirror ports on the VESTA 9-1-1 LAN switches can be directly connected to the ports on the recorder network interface. Figure 15-1 to Figure 15-4 show this simplified design.

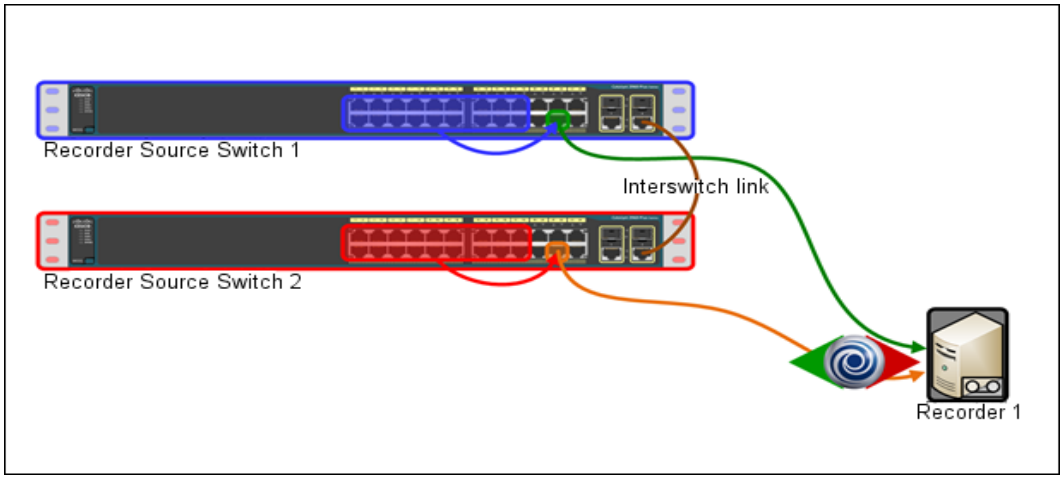

Figure 15-3: Multiple feed, single recorder

In Figure 15-3, Recorder Source Switch 1 and 2 switch to the connected recording device. The switch creates a monitor session and forwards local recorder traffic directly to the dedicated port on the recorder server.

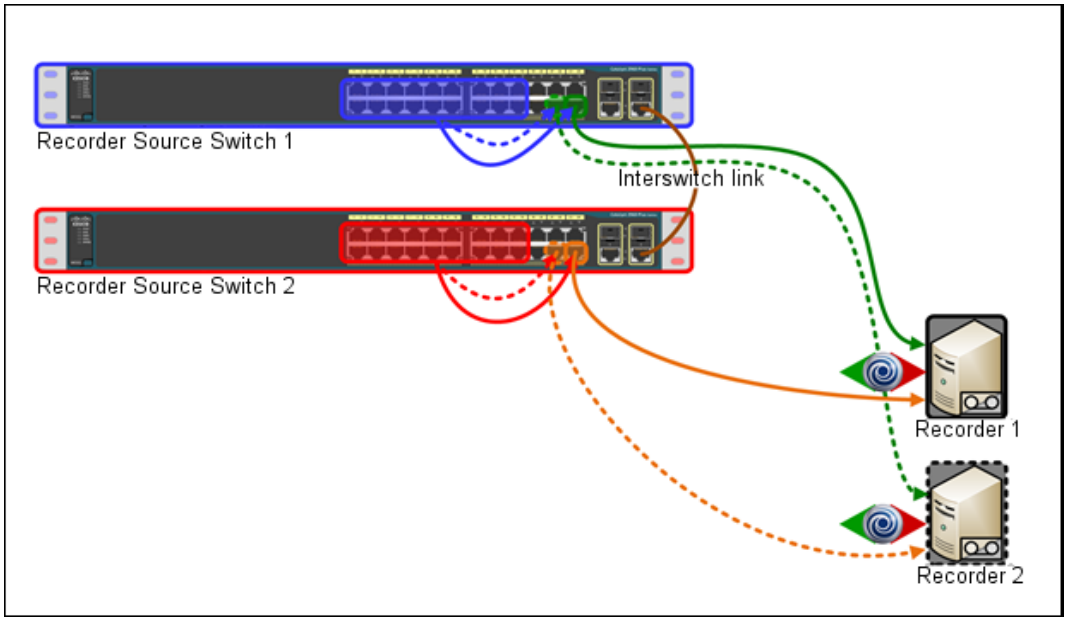

Figure 15-4: Multiple feed, dual recorders

In Figure 15-4, Recorder Source Switch 1 and 2 switch the connected recording devices. The switch creates a monitor session and forwards the local recorder traffic directly to both recorder servers.

i3 logging (such as SMS) and screen capture

As recorder solutions evolve to provide recording of data sources other than audio, the network needs to evolve to accommodate these new modalities. The use of SMS and other i3 data within the public safety answering positions (PSAP) is one application that has implications for the network designer. Another application is the ability to capture screen shots of agents' workstations for quality control and training purposes.

Until now, the recording of legacy and RTP audio has not required a direct network connection at the LAN level. The RTP data feeds are one-way, passive connections. The recorder network interface port(s) do not have an IP address on the VESTA 9-1-1 LAN and, therefore, do not present a security risk to the VESTA 9-1-1 infrastructure. For this reason, recorders are not typically deployed within the VESTA 9-1-1 LAN. They are part of a separate LAN, typically accessible by administrative personnel responsible for reviewing, retrieving, and screening recordings for various purposes.

With the advent of new data sources, direct, bidirectional network connectivity may become necessary to facilitate the recording of these new sources. Specifically, recording of VESTA SMS data requires connectivity between the Advanced Services Nodes (ASNs) on the Data Distribution Service (DDS) servers and the recorder server(s). Similarly, agent workstation screen captures require connectivity between these workstations and the screen capturing server(s). Unfortunately, from the VESTA 9-1-1 LAN perspective, those servers represent untrusted network elements and, as such, require you to take measures to protect the VESTA 9-1-1 LAN from access by unauthorized agents, malicious or otherwise.

The simplest way to do this is to install a firewall or other security appliance between the two networks and explicitly allow only that traffic which is required to provide the desired functionality. The variety of suitable devices and deployment requirements is numerous. It is strongly recommended that ADSC Solutions Engineering and the recorder vendor's engineering team be engaged as early as possible in order to ensure an effective and smooth deployment of the entire solution.

Notes

Direct PSAP Interconnect (DPI) 16

List of topics

- ✓ Overview of the DPI feature, **16-2**
- ✓ Network considerations for DPI, **16-2**
- ✓ Security considersations for DPI, **16-2**

Overview of the DPI feature

The Direct PSAP Interconnect (DPI) feature enables two independent VESTA 9-1-1 Call Handling Systems (CHS) to send and receive calls between each other over an IP network. When a call is transferred or conferenced between two VESTA 9-1-1 CHSs, the original ANI/pANI of the caller is delivered to the target VESTA 9-1-1 CHS.

Refer to the following documents for additional information about the DPI feature:

- *VESTA 9-1-1 Release 7.1 Product Guide (833954-00103)*
- *VESTA 9-1-1 Release 7.1 Configuration Guide (833967-00103)*

Network considerations for DPI

The DPI call leg of an inter-CHS call must be transported over a private IP network that complies with all relevant IP network requirements stated in previous sections of this document.

In addition, the IP network of each CHS must advertise the following routes to its DPI peer(s) in order for the feature to function:

- The host subnet
- All communicating PSAP's subnet(s) if they are different from the host subnet

Security considersations for DPI

Since a DPI call extends across two or more VESTA 9-1-1 CHSs, it is possible that these systems reside on disjointed IP networks that are administered by different entities which have not formed a trusted relationship. In that case, the customers should be made aware of the need for firewalls or some form of security safeguards between their networks. Inter-CHS security can be achieved by

- A master service agreement between the customers and their respective network providers that contractually provides security service and assurance
- Firewalls and associated security service

The customer is responsible for providing inter-CHS security safeguards between customer networks. Vesta Solutions will not be liable for any security breaches which result from the failure of the customer to provide adequate network security.

Network protocols and packet types

A

List of topics

✓ Network protocols and packet types, **A-2**

Network protocols and packet types

Depending on the network topology, design, and usage, the list of protocols and types of packets that can traverse the Vesta Solutions bridged network, connecting Side A and Side B of a geo-diverse VESTA 9-1-1, include the following:

- ARP — Address Resolution Protocol
- EIGRP — Enhanced Interior Gateway Routing Protocol
- FTP — File Transfer Protocol
- HTTP — HyperText Transfer Protocol
- ICMP — Internet Control Message Protocol
- IP — Internet Protocol
- IPsec — Internet Protocol Security
- MSTP — Multiple Spanning Tree Protocol
- NTP — Network Time Protocol
- OSPF — Open Shortest Path First
- Proprietary protocols (for example, ICOM/VCOM)
- RSTP — Rapid Spanning Tree Protocol
- RTP — Realtime Transport Protocol
- SCP — Secure Copy
- SIP — Session Initiation Protocol
- SSH — Secure Shell
- TCP — Transmission Control Protocol
- TFTP — Trivial File Transfer Protocol
- UDP — User Datagram Protocol
- VLAN Trunking — Virtual Local Area Network Trunking
- VRRP — Virtual Router Redundancy Protocol
- XML RPC — Extensible Markup Language Remote Procedure Call

Introduction

This appendix describes the TCP and UDP ports used by components of the VESTA 9-1-1 systems starting with VESTA 9-1-1 R3.

Note

As new features and applications are developed, port usage can change without notice to the users of this document.

DDS server ports

This section describes the ports used by the Data Distribution Service (DDS) servers. The different types of port usage are in the following sections.

- VESTA 9-1-1 application ports
- Call Filter Service (CFS) ports
- EIM ports
- Windows 2012 services ports

VESTA 9-1-1 application ports

Table B-1 lists the ports that are used by the VESTA 9-1-1 applications on the DDS servers.

Table B-1: Ports used by VESTA 9-1-1 applications on DDS servers

Port number	Transport protocol	Port number	Transport protocol
135	TCP	9000	TCP
1801	TCP	9141	TCP
2103	TCP	9980	TCP
2105	TCP	9981	TCP
5000	TCP	40103	TCP
5160	TCP, UDP	40104	TCP
5250	TCP	40105	TCP
5500	TCP	40106	TCP
5984	TCP	50001	TCP, UDP
7000	TCP	54328	TCP
7440	TCP		UCP
8000	TCP	9200 - 9400	TCP[1]

1. ICMP message types 0/8 can also be sent between DDS and VESTA 9-1-1 gateways.

CFS ports

Table B-2 lists the ports that are used by the Pocket Dial Filter and Automated Abandoned Callback feature on the CFS servers.

Table B-2: Ports used by VESTA 9-1-1 applications on CFS servers

Port number	Transport protocol
8081 (CFS REST server for a request from the ACD)	TCP
60000 - 60799 (for RTP/RTCP)	UDP

EIM ports

Table B-3 lists the ports that are used by the ESInet Module (EIM).

Table B-3: Ports used by EIM

Port number	Transport protocol
3000 - 3020	UDP
4369	TCP
5060 (for back-to-back user agent in SIP UA)	TCP, UDP
5984	TCP
8193	TCP
40110 - 40139	TCP

Windows Server 2012 services ports

Table B-4 lists the ports that are used by various Windows Server 2012 services running on the DDS server.

Table B-4: Ports used by Windows Server 2012 services

Port number	Transport protocol
137	TCP
139	TCP
389	TCP
445	TCP
3389	TCP
1025 - 5000	TCP
49152 - 65535	TCP

MDS server ports

Table B-5 lists the ports used by the Media Distribution Service (MDS) servers.

Table B-5: Ports used by MDS servers

Port number	Transport protocol	Port number	Transport protocol
22	TCP	5160	TCP, UDP
53	TCP, UDP	5432	TCP
69	UDP	7070	TCP
80	TCP	8000 - 8100	UDP
123	UDP	8091	TCP
5050	TCP	8110	TCP
5060	TCP, UDP	8111	TCP
5070	TCP, UDP	8112	TCP
5080	TCP, UDP	8443	TCP
5100	TCP, UDP	9000 - 9999	UDP
5110	TCP, UDP	9980	TCP
5120	TCP, UDP	9981	TCP
5130	TCP, UDP	50001	TCP, UDP
5150	TCP, UDP	10000 - 22000	UDP
5152	TCP, UDP	[1]	

1. The MDS also uses ICMP message types 0/8 and 13/14.

VESTA 9-1-1 console ports

This section describes the ports used by the VESTA 9-1-1 consoles. The different types of port usage are in the following sections.

- VESTA 9-1-1 application ports
- Windows 10 service ports

VESTA 9-1-1 application ports

Table B-6 lists the ports that are used by the VESTA 9-1-1 applications on the VESTA 9-1-1 consoles.

Table B-6: Ports used by VESTA 9-1-1 applications on VESTA 9-1-1 consoles

Port number	Transport protocol
4369	TCP

Table B-6: Ports used by VESTA 9-1-1 applications on VESTA 9-1-1 consoles

Port number	Transport protocol
5060	TCP, UDP
5070	TCP, UDP
5672	TCP
5984	TCP
8000	TCP
9000	TCP
	UDP
9000 - 9100	UDP
40103	TCP

Windows 10 service ports

Table B-7 lists the ports that are used by various Windows 10 services.

Table B-7: Ports used by Windows 10 services

Port number	Transport protocol
135	TCP
137	TCP
139	TCP
445	TCP
3389	TCP
1025 - 5000	TCP
49152 - 65535	TCP

Digi TS4 ports

Table B-8 lists the ports that are used by a Digi 4 terminal server.

Table B-8: Ports used by Digi 4 terminal server

Port number	Transport protocol
443	TCP
771	TCP

AudioCodes Gateway ports

The following sections list the ports that are used by different AudioCodes Gateways.

- MP114
- MP118
- Mediant 1000
- Mediant 1000B
- Mediant 2000

MP114

Table B-9 lists the ports that are used by AudioCodes MP114 gateways.

Table B-9: Ports used by AudioCodes MP114 gateways

Port number	Transport protocol
23	TCP, UDP
80	TCP, UDP
443	TCP, UDP
5060	TCP, UDP
6000 - 6032[1]	UDP

1. A base port of 6000 (default setting) is assumed; otherwise, recalculate the upper bound using the following formula: (<BaseUDPPort> + 32).

MP118

Table B-10 lists the ports that are used by AudioCodes MP118 gateways.

Table B-10: Ports used by AudioCodes MP118 gateways

Port number	Transport protocol
23	TCP, UDP
80	TCP, UDP
443	TCP, UDP
5060	TCP, UDP
6000 - 6072[1]	UDP

1. A base port of 6000 (default setting); is assumed; otherwise recalculate the upper bound using the following formula: (<BaseUDPPort> + 72).

Mediant 1000

Table B-11 lists the ports that are used by AudioCodes Mediant 1000 gateways.

Table B-11: Ports used by AudioCodes Mediant 1000 gateways

Port number	Transport protocol
23	TCP, UDP
80	TCP, UDP
443	TCP, UDP
5060	TCP, UDP
6000 - 9292[1]	UDP

1. A base port of 6000 (default setting); is assumed; otherwise recalculate the upper bound using the following formula: (<BaseUDPPort> + 3292).

Mediant 2000

Table B-12 lists the ports that are used by AudioCodes Mediant 2000 gateways.

Table B-12: Ports used by AudioCodes Mediant 2000 gateways

Port number	Transport protocol
23	TCP, UDP
80	TCP, UDP
443	TCP, UDP
5060	TCP, UDP
6000 - 8992[1]	UDP

1. A base port of 6000 (default setting); is assumed; otherwise recalculate the upper bound using the following formula: (<BaseUDPPort> + 2992)

ESXi Management PC ports

Table B-13 lists the ports used by the ESXi Management PC.

Table B-13: Ports used by ESXi Management PC

Port number	Transport protocol
135	TCP
137	UDP
139	TCP
445	TCP
1801	TCP
2103	TCP
2105	TCP

Table B-13: Ports used by ESXi Management PC (continued)

Port number	Transport protocol
2107	TCP
1025 - 5000	TCP
49152 - 65535	TCP

ASN ports

Table B-14 lists the ports used by Advanced Services Node (ASN).

Table B-14: Ports used by ASN

Port number	Transport protocol
22	TCP
514	TCP
4565	TCP
4569	TCP
5060	TCP, UDP
5672	TCP
5682	TCP
5692	TCP
5070	TCP, UDP
7000	TCP
7001	TCP
8008	HTTP
8080	HTTP
8888	HTTPS
8980	HTTP
9042	TCP
9160	TCP
10514	UDP
15672	TCP
15682	TCP
15692	TCP

Table B-14: Ports used by ASN (continued)

Port number	Transport protocol
27000[1]	TCP

1. This port number can be configured. The valid values are 27000 to 30000.

RMG (HUD) ports

Table B-15 lists the ports used by the RMG (HUD) Enterprise Server.

Table B-15: Ports used by RMG (HUD) Enterprise Server

Port number	Transport protocol
21	TCP
80	TCP
1433	TCP
1434	TCP
7001	TCP
7002	TCP
8013	TCP
8014	TCP

SDA Media Player ports

Table B-16 lists the ports used by the SDA Media Player.

Table B-16: Ports used by SDA Media Player

Port number	Transport protocol
21	TCP
80	TCP
1433	TCP
1434	TCP

RMA (HUD) Administrative Position ports

Table B-17 lists the ports used by the RMG (HUD) Administrative Position.

Table B-17: Ports used by RMG (HUD) Administrative Position

Port number	Transport protocol
80	TCP
1433	TCP
1434	TCP
8013	TCP
8014	TCP

VESTA Map ports

Table B-18 lists the ports used by VESTA Map.

Table B-18: Ports used by VESTA Map

Port number	Transport protocol
80	TCP
443	TCP

Paul R. Nobles/Purchasing Manager
Office of Purchasing

May 28, 2019

To: All Known Prospective Proposers

ADDENDUM NUMBER 1:

Re: PD 18-19.044, 911 Wide Area Network

All:

Your firm recently received a Request for Proposals for the above-mentioned specification.

This Addendum Number 1 provides for:

Clarification

4. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of ~~twelve (12)~~ thirty six (36) months. The contract may be renewed for additional 2 twelve (12) months periods, up to a maximum ~~thirty-six (36)~~ sixty (60) months upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

This Addendum Number 1 is furnished to all known prospective proposers. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo copy this form for your records.

Sincerely,

Paul R. Nobles
Purchasing Manager

Acknowledgement of Receipt of Addendum 1:

1.

2.

3.

4.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

X Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with a convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that is not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY INDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

The following information will be provided to the Escambia County Legal Department for incorporation in legal documents. It is, therefore, vital that all information is accurate and complete. Please be certain that all spelling, capitalization, etc. is exactly as registered with the state or Federal Government.

(Please Circle One)

Is this a Florida Corporation: Yes or No

If not a Florida Corporation:
In what state was it created: Delaware
Name as spelled in that state: Uniti Fiber, LLC

What kind of corporation is it: "For Profit" or "Not for Profit"

Is it in good standing: Yes or No

Authorized to transact business in Florida: Yes or No

State of Florida Department of State Certificate of Authority Document Number:
M17000002774

Does it use a registered fictitious name: Yes or No

Names of Officers:
President: Kenny Gundermann
Vice President: Joe McCourt
Director: Francis Frantz
Other: Jennifer Banner
Secretary: Daniel Heard
Treasurer: Mark A. Wallace
Director: David Solomon
Other: Scott Bruce

Name of Corporation (As Used in Florida)

Uniti Fiber, LLC
(Spelled Exactly as it is Registered with the state or Federal Government)

Corporate Address:
Post Office Box: _____
City, State, Zip: _____

Street Address: 107 St. Francis St. Suite 1800
City, State, Zip: Mobile, AL 36602

(Please provide both the Post Office Box and street address for mail and/or express delivery; also for recorded instruments involving land.)

Please complete this form on the following page.

Escambia County Florida – RFQ for 911 Wide Area Network

SOLUTION PROPOSAL

Submitted By:
Lori Lightcap – Account Manager
Uniti Fiber

May 29, 2019

Paul R. Nobles
Escambia County Florida
911 Wide Area Network

This bid is being furnished by **Uniti Fiber**. Enclosed you will find Uniti Fiber's response to your RFQ for dedicated high-speed circuits in regard to the county emergency 911 system. Having completed many similar projects of this nature, combined with our strong regional presence, we feel well positioned to be your preferred service provider. Uniti Fiber hopes to be involved in the development of your project.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Lori Lightcap
Account Manager

RFQ Response

BACKGROUND AND EXPERIENCE

This bid is being furnished by **Uniti Fiber.**

Uniti Fiber is a division of Uniti, a publicly traded Real Estate Investment Trust (REIT). Uniti's common stock trades on the NASDAQ stock market under the ticker symbol: UNIT.

Uniti Fiber is a leading provider of infrastructure solutions, including cell site backhaul and small cell for wireless operators, and Ethernet, Wavelengths and Dark Fiber for telecom carriers and enterprises. Whether the challenge is improving network reach and quality, increasing capacity or maintaining cost certainty for the future, **Uniti Fiber** delivers a custom-designed, technology-agnostic and access-agnostic solution.

Uniti Fiber's team of infrastructure professionals has the expertise, dedication and customer focus to provide a variety of network connectivity options in lower-tier and rural markets where customers are struggling to find reliable, scalable and affordable solutions. **Uniti Fiber's** growing infrastructure spans 1.3m fiber strand miles and connects over 15.5K customer locations with local access to over 2,600 municipalities and dozens of utilities enabling **Uniti Fiber** to deliver its customized solutions wherever its customers' toughest challenges exist.

Uniti Fiber's Headquarters is located at 107 St Francis St, Suite 1800, Mobile AL 36602. All equipment used in this project will be the property of Uniti Fiber and well-protected. Uniti Fiber maintains a rigorous plant protection program to ensure that the network is as protected from harm as possible. This plant protection program includes:

- Regular ride-outs of the full network to identify network issues and network vulnerabilities
- A rigorous Call-Before-You-Dig Program that includes ensuring that all network is accurately registered with the State 811 Program.
- An in-house Plant Protection team that processes thousands of Call-Before-You-Dig requests annually. This team's sole purpose at Uniti Fiber is to determine where the network is vulnerable to potential damage by activity in the vicinity of the network. All

vulnerable fiber is adequately marked, and when needed a Uniti Fiber Plant Protection employee supervises the third-party work around our network to ensure the safety of the network.

- The maintenance of close and active relationships with municipal, county and state road departments to understand current and future road projects in order to determine a plan for the protection of the Uniti Fiber network throughout the duration of that project.
- Membership in NJUNS to ensure timely knowledge of aerial utility projects so that Uniti Fiber aerial network can be protected adequately and in a timely manner.

Uniti Fiber's reputation as a quality provider extends beyond the quality and stability of our network. We are known in our region as a top place to work, attracting employees that bring top-tier service to our customers, from engineers to account managers. We are proud of the industry recognition we have received in recent years. In 2015, Uniti Fiber was ranked as the 51*st* Best Workplace for Women by Fortune Magazine. From a quality perspective, the Department of Defense's Carrier Management Group has routinely classified Uniti Fiber as one of the best carriers in the United States. We are also proud of our growth and stability within the telecommunications market. The expansion and growth of our network and business was recognized by Inc. Magazine, which included Uniti Fiber in their INC 5000 ranking from 2007-2015. These recognitions help quantify the quality and stability Uniti Fiber provides to our customers.

Escambia County Florida Board of County Commissioners

Contact:	Shawn Fletcher
Phone:	(850) 595-1678
Address:	221 Palafox Place Suite 210, Pensacola, FL, 32502
Services:	Fiber Optic WAN and Internet
Description:	Uniti Fiber provides a large-scale fiber optic WAN for Escambia County Florida connecting 37 sites across Escambia County. Uniti Fiber also provides 500 Mbps of Internet to ESCFL. Uniti provides 10 Mbps ethernet up to 1 Gbps at the 37 locations. Uniti Fiber began providing these services to ESCFL in August of 2015.

Escambia County Sheriff's Office

Contact:	Will Meloy
Phone:	(850) 436-9642
Address:	1700 W Leonard Street, Pensacola, FL 32501
Services:	Fiber Optic WAN and Internet
Description:	Uniti Fiber provides a large-scale fiber optic WAN for Escambia County Sheriff's Office, connecting 11 sites.. Each remote site is connected at speeds of 10 Mbps, 40 Mbps or 80 Mbps connectivity with 1 Gbps handoff at the aggregation point. Uniti Fiber also provides 300 Mbps of Internet to ESCOSO Uniti Fiber began providing these services to ESCOSO in December of 2014.

Sacred Heart Hospital

Contact: Treece Efird

Phone: (850) 503-5932

Address: 5151 N 9th Avenue, Pensacola, FL 32504

Services: Fiber Optic WAN and Internet

Description: Uniti Fiber provides a fiber optic WAN for Sacred Heart Hospital connecting each of their 56 locations back to the main location at speeds of 100 Mbps up to 10 Gbps. Uniti Fiber also provides 2 Gbps of Internet. This network was delivered in June of 2005.

City of Pensacola, Florida

Contact: John Love

Phone: (850) 436-5615

Address: City Hall, 180 Government Center, Pensacola, Florida 32501

Services: Fiber Optic WAN and Internet

Description: Uniti Fiber provides the entire metropolitan Wide Area Network for the City connecting all the City's facilities. Over 30 of these facilities - including City Hall, the Police Department, the Fire Department, Energy Services of Pensacola, the Pensacola Airport, the Port of Pensacola, and others, are connected over Uniti Fiber's fiber optic network at a speed of 1 Gbps per site. Uniti Fiber also provides all Internet Services for the City as well as the County Library System.

University of South Alabama

Contact: Shane Clemmons

Phone: 251-461-1659

Address: Computer Services Center, 307 N University Blvd., Univ. of South Alabama, Mobile, AL 36688

Services: Internet and Dark Fiber

Description: Uniti Fiber provides 5 Gbps of Internet for the University and its hospital system. Uniti Fiber also provides Internet for the University's Brookley Campus under a separate contract. Additionally, Uniti Fiber provides the fiber optic backbone for the University of South Alabama WAN connecting their campus to their four primary medical facilities, including the University of South Alabama Medical Center, Knollwood Hospital, and Women and Children's Hospital. Each of these sites is connected at 1 Gbps. Finally, Uniti Fiber transports all of the University's voice traffic for the University and its hospital system as a subcontractor to the University's voice provider.

UNDERSTANDING OF THE PROJECT

Uniti Fiber understands customer requirements and will provide a Layer 2 ethernet solution to customer with diverse circuit connectivity with no single point of failure and meet project schedule dates as outlined in this RFP.

METHODOLOGY AND MANAGEMENT

Project Management Methodology

1. **Define the job in detail:** Determine what work must be done; evaluate the customer's requirements and the environment in which those requirements must be delivered; determine success criteria for the project and how it will be demonstrated to the customer; create Project Plan defining each project task and the projected timeline for each.
2. **Assign a Project Manager/Project Management Team:** Dedicate a qualified leader and assistants to track milestones, report to the customer, and resolve issues.
3. **Estimate time and cost:** In a detailed Project Plan, tasks are outlined and the time required to complete each task is estimated. Estimates are based on experience with past similar projects.
4. **Define Critical Path Items:** A critical path item is a "show stopper" – a task that must be completed on time for the entire project to be completed on time. Identifying the critical path items in an installation project enables us to focus on the tasks that are most time sensitive and have dependencies first. This provides us a way to more effectively schedule resources, manage the progress and completion of the project, and identify problem areas earlier.
5. **Establish a procedure for change:** Changes are inevitable. Fiber system installations typically require governmental and other third-party permits or authorizations. We are never sure whether those permits will be granted until they are granted. As such, we must be quick to recognize when permits become problematic and to change paths when necessary. If changes impact delivery timelines, we present those changes to the customer in a timely and effective manner. If the customer rejects the changes, we develop a resolution.

Project Manager

Uniti Fiber Project Managers participate in Project Management Institute (PMI) local project management training; The Project Manager is responsible for overall project success, manages all project activities, and acts as the single Point of Contact (POC) with our customers. Typical project manager tasks include the following:

- Acting as a liaison between the customer and our Project Team
- Assigning resources to activities
- Coordinating all deployment activities to successfully complete service activation orders (Uniti Fiber's standard testing is RFC 2544, a copy of which is provided to the customer at turn up; customers have the option for Head to Head Testing if requested; once Service delivery is complete, the Head to Head testing can be scheduled through one of our three Network Operations Centers (Mobile, AL; New Orleans, LA; St. Petersburg, FL); once the service is activated, our Project Manager issues a Service Delivery Notification (SDN) via email and includes the standard RFC 2544 test results
- Coordinating and monitoring progress of any fiber construction and telecommunications services installation
- Working with the customer's team for any access needed for site planning or installation
- Conducting weekly and monthly meetings or conference calls with the customer and Uniti Fiber Executive Sponsor to update project status
- Preparing monthly and ad hoc (as required by the customer) status reports and updating the schedule/Project Plan
- Reviewing all Uniti Fiber deliverables and delivering them to the customer
- Keeping Uniti Fiber Executives informed of progress and any problems that delay completion
- Working with our Project Team to engage the appropriate engineer or technician to resolve any issue

Project Management Milestones

- **Initiation Phase:** Scope is determined and documented. Processes and execution plan are described so the customer understands the project from start to finish.
- **Planning Phase:** Project Plan is created, reviewed, and followed to guide the steps for successful project completion.
- **Design Phase:** Another project plan is developed and used during the design phase. Once the design phase is complete, a list of items that must be completed by the customer prior to the start of implementation is produced.
- **Implementation Phase**: Once the planning and design phases are complete, a project plan is developed to guide the implementation of the system. The steps in this plan are designed to fully define all the tasks and documentation required to complete implementation in an organized and disciplined manner. As each step is complete, the step is checked off to indicate the date complete.
- **Project Completion:** The project is considered complete only when all implementation and testing has been successfully completed, all open issues resolved, and the customer has tested and accepted the service. Once project implementation is complete, the system is transitioned into operational status. Any issues discovered after implementation are tracked and resolved using trouble tickets and escalation procedures.

INSTALLATION AND MAINTENANCE

Deployment Points of Contact

Escambia County Florida will be appointed a single point of contact for the deployment of this project. Brandy Gervais will serve as Uniti Fiber's dedicated Project Manager and primary POC. Uniti Fiber project managers participate in internal and local project management training through Mobile's PMI Branch (Project Management Institute).

The project manager is responsible for the overall success of the project and manages all project activities. Although the project manager will not know all of the technical details for each aspect of the project, he or she will engage the appropriate engineer or technician to resolve any issue. Responsibilities include:

- Acting as a liaison between the customer and all Uniti Fiber personnel
- Assigning resources to activities.
- Coordinating and monitoring progress of any fiber construction and telecommunications services installation.
- Conducting weekly and monthly meetings or conference calls with the customer to update the status the project.
- Preparing status reports and updates to the schedule.
- Accepting deliverables prepared by Uniti Fiber and delivering them to the customer.
- Keeping Uniti Fiber management informed of progress on the project and any problems that would delay completion.

The Escambia County Florida project will be fully supported by your Project Manager, who allocates appropriate resources across our company to ensure on-time delivery.

Support Personnel

In addition to Brandy Gervais, who will serve as your Project Manager and oversee the completion of your build, David McAuley will oversee the construction of the project. With over 10 years of construction experience, David has risen to the top of our outside plant staff to the position of Director. The robustness and stability of Uniti Fiber's network is a direct result of David's determination, hard work, attention to detail and extreme high standards of workmanship. David is responsible for the scheduling and oversight of Uniti Fiber's outside plant design, pricing and construction. He was an integral part in achieving our unprecedented network construction efforts for the City of Pensacola and for the United States Department of Defense where he accelerated a 90-day construction project into only 7 days.

Billing and compliance activities will be overseen by our Controller Greg Tapscott. Mr. Tapscott joined Uniti Fiber in September 2006 and oversees the Company's accounting and regulatory departments. Greg is a CPA and member of the American Institute of Certified Public Accountants. Greg has had exposure to a wide variety of industries. He began his career at Ernst & Young, LLP in the Birmingham, Alabama office spending eight years there and ultimately serving as an audit manager to large manufacturing, distribution and retail clients throughout the state of Alabama. While at Ernst & Young, he provided accounting and public filing guidance to clients and mentored younger staff. Most recently, Greg worked at Compass Bancshares, a Fortune 500 company headquartered in Birmingham, Alabama, managing division controllers. He also assisted Compass in performing due diligence and completing accounting integration on several significant acquisitions. Greg holds a B.S. in Accounting from Birmingham-Southern College.

Network Support

Remote Network Surveillance from the NOCs delivers a reliable network monitoring and event notification service via continuous visibility of a managed network on a 24x7x365 basis. Using alarm collection equipment connected to network elements (NEs), our NOC Technicians forward alarms 24 hours a day to Uniti Fiber's Operations Team. NOC Technicians have worked with optical vendors to develop agreed-upon alert thresholds of reliability and agreed-upon alarm configurations for alarm reporting, thus ensuring your staff is always notified of important issues.

In addition to 24/7/365 access to our NOC, Uniti Fiber will provide Escambia County Florida a dedicated point of contact for ongoing maintenance and troubleshooting of all components of the network. This point of contact will be capable of providing Tier 1 and Tier 2 support.

Remote Network Surveillance (24x7x365)

Remote Network Surveillance from the Uniti Fiber NOC delivers a reliable network monitoring and event notification service via continuous visibility of a managed network on a 24x7x365 basis. Using alarm collection equipment connected to network elements (NE's), Uniti Fiber NOC Technicians forward alarms 24 hours a day to Uniti Fiber's Operations team for response. Uniti Fiber NOC Technicians have worked with optical vendors to develop agreed-upon alert thresholds of reliability and agreed-upon alarm configurations for alarm reporting, thus ensuring that your staff is always notified of those issues that are of importance to Escambia County Florida.

Remote Network Surveillance Characteristics

- Provide 24-hours-per-day/7-days-a-week coverage, including holidays and weekends
- Perform Event Recognition and Identification
- Isolate faults
- Perform periodic status checks of alarm collection equipment
- Notify appropriate teams of alarm type and condition, as required by Uniti Fiber and Escambia County Florida
- Provide system activity reports that list troubles by type and reason for call-out
- Set up and control administrative logs

Trouble Management Team Responsibilities

- Open/Update/Close/Escalate NE Trouble Tickets
- Track the resolution of Trouble Tickets
- Dispatch/Refer/Escalation of unresolved troubles, as required

Service Level Agreement (SLA)

We issue credit allowances for service outages; credits appear on the next invoice following processing. A service outage begins when a customer reports the outage to the NOC and ends when the affected circuit is fully operational upon confirmation by the end user or successful testing by Uniti Fiber. No credits are given for the following outage scenarios:

- Caused by Customer or an end user
- Due to failure of power or equipment provided by Customer or 3rd parties
- During any period in which Uniti Fiber is not given access to the Service premises
- Part of a planned outage for maintenance
- Due to a force majeure event

INFRASTRUCTURE

Fiber network infrastructure for this project is wholly owned and operated by Uniti Fiber for all locations. It is in NO way leased, bartered, under an IRU, or otherwise provided by any other third party. Uniti assures Escambia County that this infrastructure is 100 percent provided by Uniti and operated accordingly. Uniti Fiber has the ability to reach all locations as provided on this RFP with 100 percent of our own fiber and infrastructure. Locations are listed as follows:

Escambia County Emergency Communications Center
6575 North "W" St.
Pensacola, FL 32505

Pensacola Police Department
711 N. Hayne Street
Pensacola, FL 32501

Escambia County Sheriff's Office
1700 W. Leonard St
Pensacola, FL 32501

COST

Option 1: 100 Mbps Ethernet Diverse Path Single Entrance

36 months: $1050 per month per site
60 months: $725 per month per site

Option 2: 100 Mbps Ethernet Diverse Path Dual Entrance

36 months: $1575 per month per site
60 months: $1075 per month per site

Add Ons:

36 Month: $1,150 per month for all sites
60 Month: $775.00 per month for all sites

Layer 3 Network Managed WAN Service Offering – this includes all Cisco equipment and management of equipment for the diverse routers at each location.

NOC Scope of Services for Layer 3 Network Add On
24 X 7 Monitoring, Alert Filtering, & Alert Priority from ITLL and MSP Certified NOC
Alert & Incident Prioritization With Multi-Level Escalations
Standard Operating Procedures (SOPs) Based Initial Remediation
Configuration Backup of Infrastructure as Applicable
Firmware/Software Upgrades as Required or On Request Basis
Troubleshooting and Full Remediation
3rd Party Vendor Escalations for Further Troubleshooting and Full Resolution of Configuration Issues
Root Cause Analysis of Critical Issues

ABILITY TO MEET SCHEDULE

Uniti Fiber will be able to turn up ethernet circuits to the three specified locations by September 15th, 2019. However, construction for fully diverse paths and dual entrances may extend beyond this date.

INNOVATIVE SOLUTIONS AND OFFERINGS

Uniti Fiber is continuously growing and upgrading our network to offer the most up to date services available in our industry. The network offering being discussed in this offering will be able to continue to grow with Escambia County and meet your ongoing needs. With notice and discussion Uniti Fiber can scale this network to higher bandwidth speeds to meet higher demands.

FINANCIAL REPORT

Please see below copy of our Form 10-K for the year ending December 31, 2018. The complete financial report may be viewed/printed by visiting http://investor.uniti.com/financial-information/annual-reports

Benton Building Suite 300	
Little Rock, Arkansas	**72211**
(Address of principal executive offices)	**(Zip Code)**

Registrant's telephone number, including area code: (501) 850-0820

Securities registered pursuant to Section 12(b) of the Act:

Title of each class	Name of each exchange on which registered
Common Stock, $0.0001 Par Value	The NASDAQ Global Select Market

Securities registered pursuant to Section 12(g) of the Act: **None**

Indicate by check mark if the Registrant is a well-known seasoned issuer, as defined in Rule 405 of the Securities Act. YES NO

Indicate by check mark if the Registrant is not required to file reports pursuant to Section 13 or 15(d) of the Act. YES NO

Indicate by check mark whether the Registrant: (1) has filed all reports required to be filed by Section 13 or 15(d) of the Securities Exchange Act of 1934 during the preceding 12 months (or for such shorter period that the Registrant was required to file such reports), and (2) has been subject to such filing requirements for the past 90 days. YES NO

Indicate by check mark whether the Registrant has submitted electronically every Interactive Data File required to be submitted pursuant to Rule 405 of Regulation S-T (§ 232.405 of this chapter) during the preceding 12 months (or for such shorter period that the Registrant was required to submit such files). YES NO

Indicate by check mark if disclosure of delinquent filers pursuant to Item 405 of Regulation S-K (§ 229.405 of this chapter) is not contained herein, and will not be contained, to the best of Registrant's knowledge, in definitive proxy or information statements incorporated by reference in Part III of this Form 10-K or any amendment to this Form 10-K.

Indicate by check mark whether the Registrant is a large accelerated filer, an accelerated filer, a non-accelerated filer, a smaller reporting company, or an emerging growth company. See the definitions of "large accelerated filer," "accelerated filer," "smaller reporting company," and "emerging growth company" in Rule 12b-2 of the Exchange Act.

Large accelerated filer Accelerated filer

Non-accelerated filer Smaller reporting company

Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

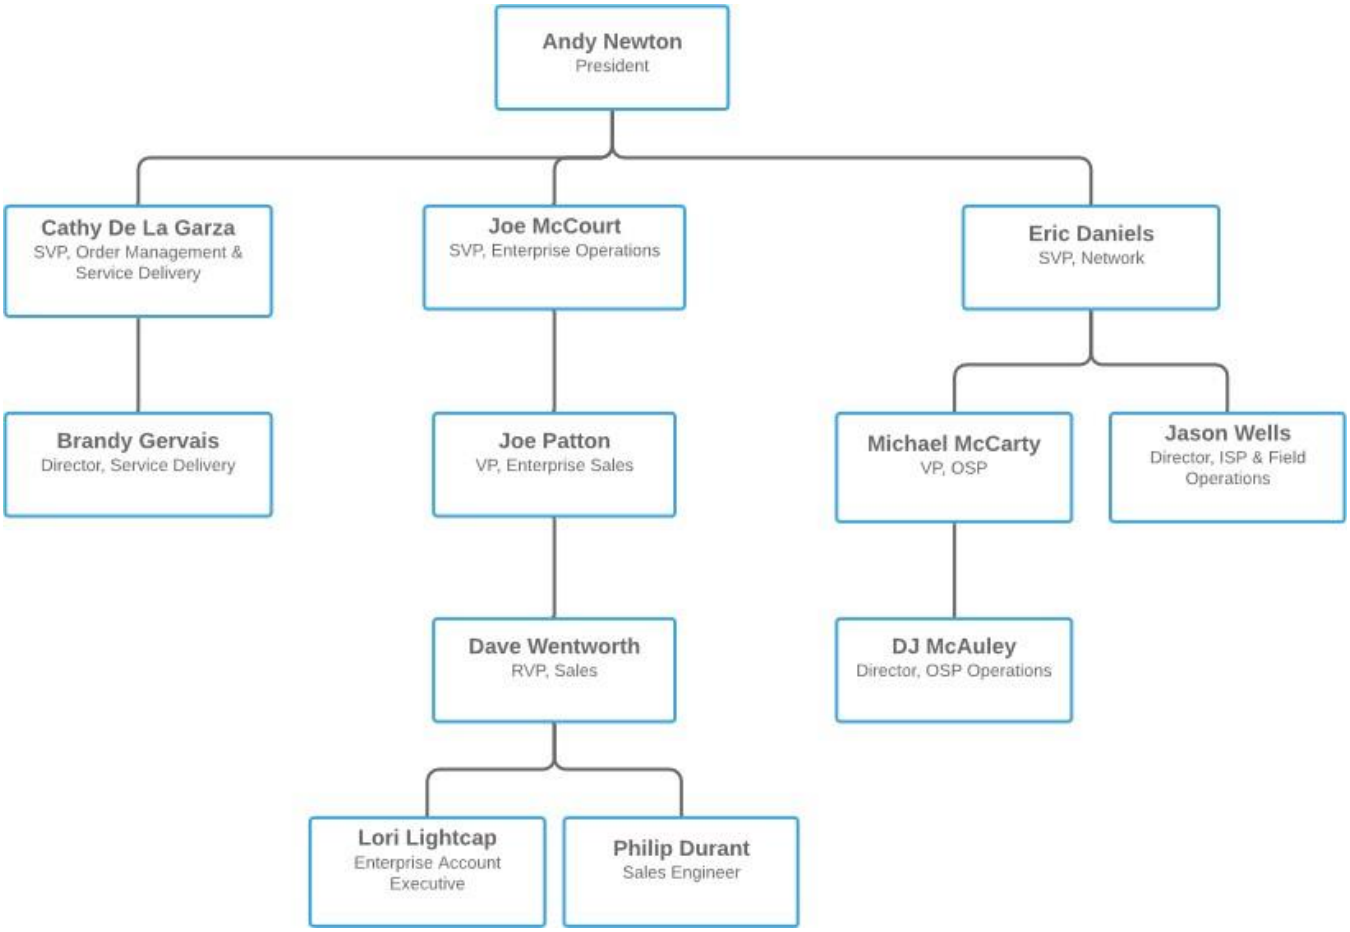
Indicate by check mark whether the Registrant is a shell company (as defined in Rule 12b-2 of the Act). YES NO

The aggregate market value of the voting and non-voting common equity held by non-affiliates of the Registrant, based on the closing price of the shares of common stock on The NASDAQ Global Select Market on June 30, 2018, was $2,842,783,509 The number of shares of the Registrant's common stock outstanding as of March 6, 2019 was 183,103,947.

DOCUMENTS INCORPORATED BY REFERENCE

Portions of the Registrant's definitive proxy statement relating to the 2019 annual meeting of stockholders are incorporated by reference into Part III of this Annual Report on Form 10-K.

4.3 Company Requirements/Organizational Chart:



With over 700 employees involved in the day to day operations of Uniti Fiber and our network we have the skill sets, capabilities, and capacity to address of the areas listed in this RFP including the below certifications.

ENGINEERING CERTIFICATIONS

CCDA	CCNP-COLLA	CH-DCAAMR	CQS-CCSSR
CCDP	CCNP-DC	CH-DCASER	CQS-CVNS
CCNA	CCNP-SEC	CH-ECSEV2	CQS-CWSER
CCNA-DC	CCNP-V	CH-UCUCR	CQS-ECFE
CCNA-SEC	CCNPW	CQS-ASAFER	CQS-ECSE
CCNA-V	CH-CSSER	CQS-BNASER	CQS-ENASER

4.4 General Requirements:

Uniti acknowledges they agree with all of the above.

4.5 Maintenance:

Below is list of minimum of (3) required technicians for the Escambia County Region -

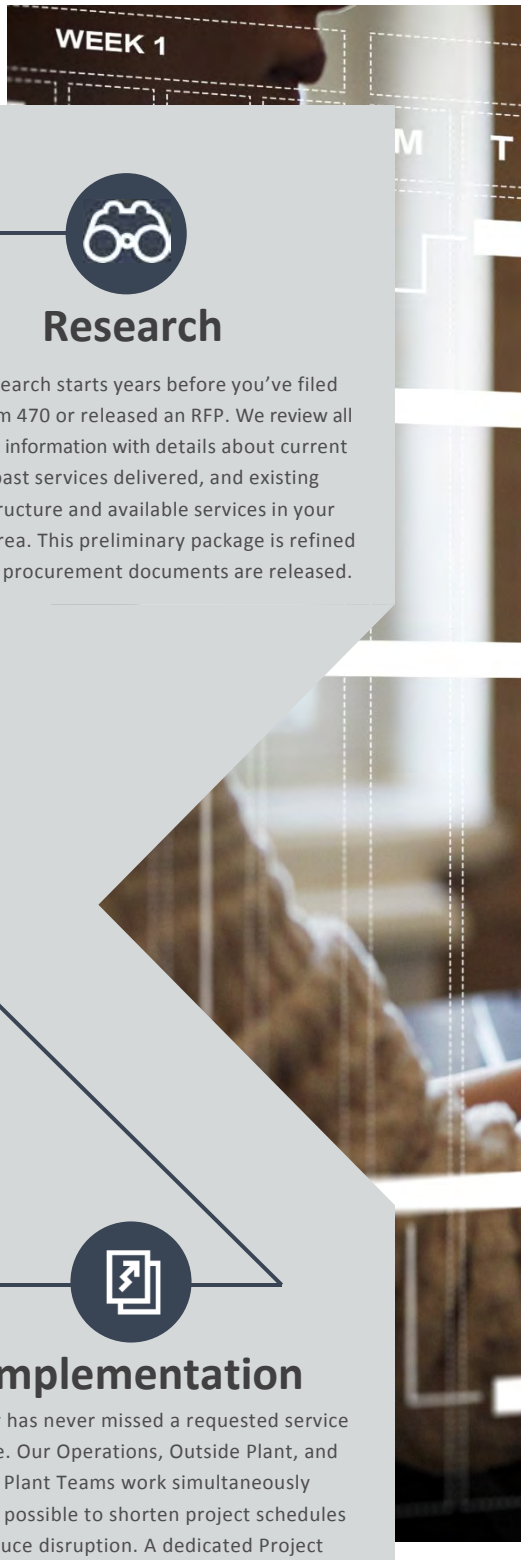
Dan Blake, OSP Engineer
Robby Averette, Field Operations
Joey Peters, ISP Field Operations

Uniti Fiber acknowledges they agree with all of the above.

4.10 WAN Requirements:

Uniti acknowledges they agree with all of the above.

PROJECT **MANAGEMENT**



Research

Our research starts years before you've filed your Form 470 or released an RFP. We review all available information with details about current and past services delivered, and existing infrastructure and available services in your market area. This preliminary package is refined once the procurement documents are released.

Design

Our Engineering Teams are experts in the field of telecommunication equipment and network design. When they receive your request for proposal, they tailor their design to your network needs, focusing on reliability, flexibility, scalability, and

Implementation

Uniti Fiber has never missed a requested service start date. Our Operations, Outside Plant, and Inside Plant Teams work simultaneously whenever possible to shorten project schedules and reduce disruption. A dedicated Project Manager ensures that the implementation stays on track and keeps our customers updated.

Testing

All Uniti Fiber services are fully tested to meet or exceed industry standard specifications or customer specifications, whichever are most stringent. The testing phase is the last step of the process that ensures Uniti delivers you a turn-key solution.

Maintenance

Uniti Fiber continues to monitor your service after it has started, in accordance with contractual requirements. Our 24x7x365 NOC Engineers respond and initiate resolution to any degredation or interruption in your service.

CONSTRUCTION & **IMPLEMENTATION**

01 – ENGINEERING AND DESIGN

Before the ink is even dry on the contract, we begin with the critical engineering work along the public rights-of-way; because the permitting process has a significant impact on the delivery timeline. Our crews do route and site surveys, gather pole data, and prepare base maps and CAD plans for aerial and underground segments. This phase also includes building entrance design, and the creation of a Green Light Package (GLP) authorizing Uniti Fiber to perform work on County property.

ESTIMATED TIME: 2 – 4 WEEKS

02 – PERMITTING

The number and type of permits required varies based on who has authority for the rights-of-way along the route. Examples include railroad companies, county and municipal entities, the state Department of Transportation, and various utilities. Because each entity has its own requirements and processes, permits are approved at different times. If a permit request is denied, the segment goes back into the Engineering and Design Phase. As soon as we receive permits for a segment, construction begins.

ESTIMATED TIME: 1 – 12+ WEEKS

03 – CONSTRUCTION

Sequencing of construction is dependent on the order in which permits are received. Uniti Fiber will deploy construction crews to begin underground, aerial, and inside plant construction simultaneously to whichever segments receive permit approval from the necessary authorities. Meanwhile, our engineers receive and configure the customer premise equipment that will be placed at the demarcation location. Upon completion of contiguous stretches of fiber, splicing crews are dispatched and technicians install the configured switches.

ESTIMATED TIME: 4 - 6 WEEKS

04 – TESTING AND TURN UP

Uniti Fiber will internally test and document the results of all circuits. Testing can begin as soon as all splicing between end points is complete. Circuits will not be released to County until throughput has been verified. If a circuit does not test successfully, splicing is redone or fiber replaced, depending on the source of the problem. Once plugged into our hand-off assignment, County can call our 24/7/365 NOC to request customer testing end to end. The District will be provided the relevant information for the individual circuit, to include the circuit ID.

ESTIMATED TIME: 1 - 2 WEEKS

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Application for certificate to provide alternative local exchange telecommunications service by Telsys, Inc.	DOCKET NO. 010830-TX
In re: Application for certificate to provide alternative local exchange telecommunications service by Southern Light, LLC.	DOCKET NO. 011152-TX ORDER NO. PSC-01-1974-PAA-TX ISSUED: October 4, 2001

The following Commissioners participated in the disposition of this matter:

E. LEON JACOBS, JR., Chairman
J. TERRY DEASON
LILA A. JABER
BRAULIO L. BAEZ
MICHAEL A. PALECKI

NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING CERTIFICATES TO
PROVIDE ALTERNATIVE LOCAL EXCHANGE
TELECOMMUNICATIONS SERVICES

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

The entities listed below have applied for certificates to provide Alternative Local Exchange Telecommunications (ALEC) service, pursuant to Section 364.337, Florida Statutes. Upon review of their applications, it appears that these entities have sufficient technical, financial, and managerial capability to provide such service. Accordingly, we hereby grant to each of these entities the certificates depicted below, which shall

DOCUMENT NUMBER DATE
12613 OCT-4 a
FPSC-COMMISSION CLERK

authorize them individually to provide ALEC services throughout the State of Florida.

ENTITY'S NAME	CERTIFICATE NO.
Telesys, Inc.	7943
Southern Light, LLC	7946

If this Order becomes final and effective, it will serve as each entity's certificate. Each entity should, therefore, retain this Order as proof of certification. The Commission is vested with jurisdiction on this matter pursuant to Sections 364.335 and 364.337, Florida Statutes.

ALEC providers are subject to Chapter 25-24, Florida Administrative Code, Part XV, Rules Governing Telecommunications Service Provided by Alternative Local Exchange Companies. ALEC providers are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapters 25-4, Florida Administrative Code.

Pursuant to Section 364.337(2), Florida Statutes, basic telecommunications service provided by an ALEC "... must include access to operator services, "911" services, and relay services for the hearing impaired." Further, Section 364.337(2), requires that an ALEC's "911" service "... shall be provided at a level equivalent to that provided by the local exchange telecommunications company serving the same area."

In addition, under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAFs) of $50 if the certificate was active during any portion of the calendar year. A RAFs Return notice will be mailed each December to each of the entities listed above for payment in January. Neither the cancellation of its certificate nor the failure to receive a RAFs Return notice shall relieve any of these entities from its obligation to pay RAFs.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we hereby grant, to the entities listed herein, certificates to provide Alternative Local Exchange Telecommunications services, subject to the terms and conditions set forth in the body of this Order. It is further

ORDERED that this Order shall serve as each entity's certificate and should, therefore, be retained by these entities as proof of certification. It is further

ORDERED that any protest to the action proposed herein shall specify the entity or entities to which it applies. It is further

ORDERED that, if a protest is filed as to the certification of any particular entity or entities, that protest shall not prevent the action proposed herein from becoming final with regard to the remaining entities listed in this Order. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of the Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that in the event this Order becomes final, these dockets shall be closed.

By ORDER of the Florida Public Service Commission this 4th Day of October, 2001.

BLANCA S. BAYÓ, Director
Division of the Commission Clerk
and Administrative Services

(S E A L)

JAE

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing that is available under Section 120.57, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

The action proposed herein is preliminary in nature. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, in the form provided by Rule 28-106.201, Florida Administrative Code. This petition must be received by the Director, Division of

the Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on October 25, 2001.

In the absence of such a petition, this order shall become final and effective upon the issuance of a Consummating Order.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Application for certificate to provide alternative access vendor service by Southern Light, LLC.	DOCKET NO. 011153-TA ORDER NO. PSC-01-1998-PAA-TA ISSUED: October 8, 2001

The following Commissioners participated in the disposition of this matter:

E. LEON JACOBS, JR., Chairman
J. TERRY DEASON
LILA A. JABER
BRAULIO L. BAEZ
MICHAEL A. PALECKI

NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING CERTIFICATE TO PROVIDE
ALTERNATIVE ACCESS VENDOR SERVICES

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Southern Light, LLC (Southern Light) has applied for a certificate to provide Alternative Access Vendor (AAV) services pursuant to Section 364.337, Florida Statutes. Upon review of its application, it appears that Southern Light has sufficient technical, financial, and managerial capability to provide such service. Accordingly, we hereby grant Certificate No. 7945 to Southern Light.

If this Order becomes final and effective, it shall serve as Southern Light's certificate. Southern Light should, therefore, retain this Order as proof of certification. The Commission is

DOCUMENT NUMBER-DATE
12764 OCT-8
FPSC-COMMISSION CLERK

vested with jurisdiction over this matter pursuant to Sections 364.335 and 364.337, Florida Statutes.

AAV providers are subject to Chapter 25-24, Florida Administrative Code, Part XIV, Rules Governing Alternative Access Vendor services, as well as the terms and conditions of Order No. 24877, issued August 2, 1991. AAV providers are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapter 25-4, Florida Administrative Code.

In addition, under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAFs) of $50 if the certificate was active during any portion of the calendar year. A RAFs Return notice will be mailed each December to Southern Light for payment in January. Neither the cancellation of the certificate nor the failure to receive a RAFs Return notice shall relieve Southern Light from its obligation to pay RAFs.

Based on the foregoing, it

ORDERED by the Florida Public Service Commission that we hereby grant Certificate No. 7945 to Southern Light, LLC, which shall authorize it to provide Alternative Access Vendor services, subject to the terms and conditions specified in the body of this Order. It is further

ORDERED that this Order shall serve as Southern Light, LLC's certificate and should be retained by Southern Light, LLC as proof of certification. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of the Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that in the event this Order becomes final, this docket shall be closed.

By ORDER of the Florida Public Service Commission this 8th Day of October, 2001.

BLANCA S. BAYÓ, Director
Division of the Commission Clerk
and Administrative Services

(S E A L)

KMP

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing that is available under Section 120.57, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

The action proposed herein is preliminary in nature. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, in the form provided by Rule 28-106.201, Florida Administrative

Code. This petition must be received by the Director, Division of the Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on October 29, 2001.

In the absence of such a petition, this order shall become final and effective upon the issuance of a Consummating Order.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

Company ID Number: 1188373

THE E-VERIFY
MEMORANDUM OF UNDERSTANDING
FOR EMPLOYERS

ARTICLE I
PURPOSE AND AUTHORITY

The parties to this agreement are the Department of Homeland Security (DHS) and the Uniti Fiber Holdings Inc. (Employer). The purpose of this agreement is to set forth terms and conditions which the Employer will follow while participating in E-Verify.

E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of Form I-9, Employment Eligibility Verification (Form I-9). This Memorandum of Understanding (MOU) explains certain features of the E-Verify program and describes specific responsibilities of the Employer, the Social Security Administration (SSA), and DHS.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). The Federal Acquisition Regulation (FAR) Subpart 22.18, "Employment Eligibility Verification" and Executive Order 12989, as amended, provide authority for Federal contractors and subcontractors (Federal contractor) to use E-Verify to verify the employment eligibility of certain employees working on Federal contracts.

ARTICLE II
RESPONSIBILITIES

A. RESPONSIBILITIES OF THE EMPLOYER

1. The Employer agrees to display the following notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system:

   a. Notice of E-Verify Participation

   b. Notice of Right to Work

2. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted about E-Verify. The Employer also agrees to keep such information current by providing updated information to SSA and DHS whenever the representatives' contact information changes.

3. The Employer agrees to grant E-Verify access only to current employees who need E-Verify access. Employers must promptly terminate an employee's E-Verify access if the employer is separated from the company or no longer needs access to E-Verify.

4. The Employer agrees to become familiar with and comply with the most recent version of the E-Verify User Manual.

5. The Employer agrees that any Employer Representative who will create E-Verify cases will complete the E-Verify Tutorial before that individual creates any cases.

a. The Employer agrees that all Employer representatives will take the refresher tutorials when prompted by E-Verify in order to continue using E-Verify. Failure to complete a refresher tutorial will prevent the Employer Representative from continued use of E-Verify.

6. The Employer agrees to comply with current Form I-9 procedures, with two exceptions:

a. If an employee presents a "List B" identity document, the Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. § 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 888-464-4218.

b. If an employee presents a DHS Form I-551 (Permanent Resident Card), Form I-766 (Employment Authorization Document), or U.S. Passport or Passport Card to complete Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The Employer will use the photocopy to verify the photo and to assist DHS with its review of photo mismatches that employees contest. DHS may in the future designate other documents that activate the photo screening tool.

Note: Subject only to the exceptions noted previously in this paragraph, employees still retain the right to present any List A, or List B and List C, document(s) to complete the Form I-9.

7. The Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

8. The Employer agrees that, although it participates in E-Verify, the Employer has a responsibility to complete, retain, and make available for inspection Forms I-9 that relate to its employees, or from other requirements of applicable regulations or laws, including the obligation to comply with the antidiscrimination requirements of section 274B of the INA with respect to Form I-9 procedures.

a. The following modified requirements are the only exceptions to an Employer's obligation to not employ unauthorized workers and comply with the anti-discrimination provision of the INA: (1) List B identity documents must have photos, as described in paragraph 6 above; (2) When an Employer confirms the identity and employment eligibility of newly hired employee using E-Verify procedures, the Employer establishes a rebuttable presumption that it has not violated section 274A(a)(1)(A) of the Immigration and Nationality Act (INA) with respect to the hiring of that employee; (3) If the Employer receives a final nonconfirmation for an employee, but continues to employ that person, the Employer must notify DHS and the Employer is subject to a civil money penalty between $550 and $1,100 for each failure to notify DHS of continued employment following a final nonconfirmation; (4) If the Employer continues to employ an employee after receiving a final nonconfirmation, then the Employer is subject to a rebuttable presumption that it has knowingly

employed an unauthorized alien in violation of section 274A(a)(1)(A); and (5) no E-Verify participant is civilly or criminally liable under any law for any action taken in good faith based on information provided through the E-Verify.

b. DHS reserves the right to conduct Form I-9 compliance inspections, as well as any other enforcement or compliance activity authorized by law, including site visits, to ensure proper use of E-Verify.

9. The Employer is strictly prohibited from creating an E-Verify case before the employee has been hired, meaning that a firm offer of employment was extended and accepted and Form I-9 was completed. The Employer agrees to create an E-Verify case for new employees within three Employer business days after each employee has been hired (after both Sections 1 and 2 of Form I-9 have been completed), and to complete as many steps of the E-Verify process as are necessary according to the E-Verify User Manual. If E-Verify is temporarily unavailable, the three-day time period will be extended until it is again operational in order to accommodate the Employer's attempting, in good faith, to make inquiries during the period of unavailability.

10. The Employer agrees not to use E-Verify for pre-employment screening of job applicants, in support of any unlawful employment practice, or for any other use that this MOU or the E-Verify User Manual does not authorize.

11. The Employer must use E-Verify for all new employees. The Employer will not verify selectively and will not verify employees hired before the effective date of this MOU. Employers who are Federal contractors may qualify for exceptions to this requirement as described in Article II.B of this MOU.

12. The Employer agrees to follow appropriate procedures (see Article III below) regarding tentative nonconfirmations. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending. Further, when employees contest a tentative nonconfirmation based upon a photo mismatch, the Employer must take additional steps (see Article III.B. below) to contact DHS with information necessary to resolve the challenge.

13. The Employer agrees not to take any adverse action against an employee based upon the employee's perceived employment eligibility status while SSA or DHS is processing the verification request unless the Employer obtains knowledge (as defined in 8 C.F.R. § 274a.1(l)) that the employee is not work authorized. The Employer understands that an initial inability of the SSA or DHS automated verification system to verify work authorization, a tentative nonconfirmation, a case in continuance (indicating the need for additional time for the government to resolve a case), or the finding of a photo mismatch, does not establish, and should not be interpreted as, evidence that the employee is not work authorized. In any of such cases, the employee must be provided a full and fair opportunity to contest the finding, and if he or she does so, the employee may not be terminated or suffer any adverse employment consequences based upon the employee's perceived employment eligibility status

(including denying, reducing, or extending work hours, delaying or preventing training, requiring an employee to work in poorer conditions, withholding pay, refusing to assign the employee to a Federal contract or other assignment, or otherwise assuming that he or she is unauthorized to work) until and unless secondary verification by SSA or DHS has been completed and a final nonconfirmation has been issued. If the employee does not choose to contest a tentative nonconfirmation or a photo mismatch or if a secondary verification is completed and a final nonconfirmation is issued, then the Employer can find the employee is not work authorized and terminate the employee's employment. Employers or employees with questions about a final nonconfirmation may call E-Verify at 1-888-464-4218 (customer service) or 1-888-897-7781 (worker hotline).

14. The Employer agrees to comply with Title VII of the Civil Rights Act of 1964 and section 274B of the INA as applicable by not discriminating unlawfully against any individual in hiring, firing, employment eligibility verification, or recruitment or referral practices because of his or her national origin or citizenship status, or by committing discriminatory documentary practices. The Employer understands that such illegal practices can include selective verification or use of E-Verify except as provided in part D below, or discharging or refusing to hire employees because they appear or sound "foreign" or have received tentative nonconfirmations. The Employer further understands that any violation of the immigration-related unfair employment practices provisions in section 274B of the INA could subject the Employer to civil penalties, back pay awards, and other sanctions, and violations of Title VII could subject the Employer to back pay awards, compensatory and punitive damages. Violations of either section 274B of the INA or Title VII may also lead to the termination of its participation in E-Verify. If the Employer has any questions relating to the anti-discrimination provision, it should contact OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

15. The Employer agrees that it will use the information it receives from E-Verify only to confirm the employment eligibility of employees as authorized by this MOU. The Employer agrees that it will safeguard this information, and means of access to it (such as PINS and passwords), to ensure that it is not used for any other purpose and as necessary to protect its confidentiality, including ensuring that it is not disseminated to any person other than employees of the Employer who are authorized to perform the Employer's responsibilities under this MOU, except for such dissemination as may be authorized in advance by SSA or DHS for legitimate purposes.

16. The Employer agrees to notify DHS immediately in the event of a breach of personal information. Breaches are defined as loss of control or unauthorized access to E-Verify personal data. All suspected or confirmed breaches should be reported by calling 1-888-464-4218 or via email at E-Verify@dhs.gov. Please use "Privacy Incident – Password" in the subject line of your email when sending a breach report to E-Verify.

17. The Employer acknowledges that the information it receives from SSA is governed by the Privacy Act (5 U.S.C. § 552a(i)(1) and (3)) and the Social Security Act (42 U.S.C. 1306(a)). Any person who obtains this information under false pretenses or uses it for any purpose other than as provided for in this MOU may be subject to criminal penalties.

18. The Employer agrees to cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, which includes permitting DHS, SSA, their contractors and other agents, upon

reasonable notice, to review Forms I-9 and other employment records and to interview it and its employees regarding the Employer's use of E-Verify, and to respond in a prompt and accurate manner to DHS requests for information relating to their participation in E-Verify.

19. The Employer shall not make any false or unauthorized claims or references about its participation in E-Verify on its website, in advertising materials, or other media. The Employer shall not describe its services as federally-approved, federally-certified, or federally-recognized, or use language with a similar intent on its website or other materials provided to the public. Entering into this MOU does not mean that E-Verify endorses or authorizes your E-Verify services and any claim to that effect is false.

20. The Employer shall not state in its website or other public documents that any language used therein has been provided or approved by DHS, USCIS or the Verification Division, without first obtaining the prior written consent of DHS.

21. The Employer agrees that E-Verify trademarks and logos may be used only under license by DHS/USCIS (see M-795 (Web)) and, other than pursuant to the specific terms of such license, may not be used in any manner that might imply that the Employer's services, products, websites, or publications are sponsored by, endorsed by, licensed by, or affiliated with DHS, USCIS, or E-Verify.

22. The Employer understands that if it uses E-Verify procedures for any purpose other than as authorized by this MOU, the Employer may be subject to appropriate legal action and termination of its participation in E-Verify according to this MOU.

B. RESPONSIBILITIES OF FEDERAL CONTRACTORS

1. If the Employer is a Federal contractor with the FAR E-Verify clause subject to the employment verification terms in Subpart 22.18 of the FAR, it will become familiar with and comply with the most current version of the E-Verify User Manual for Federal Contractors as well as the E-Verify Supplemental Guide for Federal Contractors.

2. In addition to the responsibilities of every employer outlined in this MOU, the Employer understands that if it is a Federal contractor subject to the employment verification terms in Subpart 22.18 of the FAR it must verify the employment eligibility of any "employee assigned to the contract" (as defined in FAR 22.1801). Once an employee has been verified through E-Verify by the Employer, the Employer may not create a second case for the employee through E-Verify.

a. An Employer that is not enrolled in E-Verify as a Federal contractor at the time of a contract award must enroll as a Federal contractor in the E-Verify program within 30 calendar days of contract award and, within 90 days of enrollment, begin to verify employment eligibility of new hires using E-Verify. The Employer must verify those employees who are working in the United States, whether or not they are assigned to the contract. Once the Employer begins verifying new hires, such verification of new hires must be initiated within three business days after the hire date. Once enrolled in E-Verify as a Federal contractor, the Employer must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

b. Employers enrolled in E-Verify as a Federal contractor for 90 days or more at the time of a contract award must use E-Verify to begin verification of employment eligibility for new hires of the Employer who are working in the United States, whether or not assigned to the contract, within three business days after the date of hire. If the Employer is enrolled in E-Verify as a Federal contractor for 90 calendar days or less at the time of contract award, the Employer must, within 90 days of enrollment, begin to use E-Verify to initiate verification of new hires of the contractor who are working in the United States, whether or not assigned to the contract. Such verification of new hires must be initiated within three business days after the date of hire. An Employer enrolled as a Federal contractor in E-Verify must begin verification of each employee assigned to the contract within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever is later.

c. Federal contractors that are institutions of higher education (as defined at 20 U.S.C. 1001(a)), state or local governments, governments of Federally recognized Indian tribes, or sureties performing under a takeover agreement entered into with a Federal agency under a performance bond may choose to only verify new and existing employees assigned to the Federal contract. Such Federal contractors may, however, elect to verify all new hires, and/or all existing employees hired after November 6, 1986. Employers in this category must begin verification of employees assigned to the contract within 90 calendar days after the date of enrollment or within 30 days of an employee's assignment to the contract, whichever date is later.

d. Upon enrollment, Employers who are Federal contractors may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986, instead of verifying only those employees assigned to a covered Federal contract. After enrollment, Employers must elect to verify existing staff following DHS procedures and begin E-Verify verification of all existing employees within 180 days after the election.

e. The Employer may use a previously completed Form I-9 as the basis for creating an E-Verify case for an employee assigned to a contract as long as:

i. That Form I-9 is complete (including the SSN) and complies with Article II.A.6,

ii. The employee's work authorization has not expired, and

iii. The Employer has reviewed the Form I-9 information either in person or in communications with the employee to ensure that the employee's Section 1, Form I-9 attestation has not changed (including, but not limited to, a lawful permanent resident alien having become a naturalized U.S. citizen).

f. The Employer shall complete a new Form I-9 consistent with Article II.A.6 or update the previous Form I-9 to provide the necessary information if:

i. The Employer cannot determine that Form I-9 complies with Article II.A.6,

ii. The employee's basis for work authorization as attested in Section 1 has expired or changed, or

iii. The Form I-9 contains no SSN or is otherwise incomplete.

Note: If Section 1 of Form I-9 is otherwise valid and up-to-date and the form otherwise complies with

Article II.C.5, but reflects documentation (such as a U.S. passport or Form I-551) that expired after completing Form I-9, the Employer shall not require the production of additional documentation, or use the photo screening tool described in Article II.A.5, subject to any additional or superseding instructions that may be provided on this subject in the E-Verify User Manual.

g. The Employer agrees not to require a second verification using E-Verify of any assigned employee who has previously been verified as a newly hired employee under this MOU or to authorize verification of any existing employee by any Employer that is not a Federal contractor based on this Article.

3. The Employer understands that if it is a Federal contractor, its compliance with this MOU is a performance requirement under the terms of the Federal contract or subcontract, and the Employer consents to the release of information relating to compliance with its verification responsibilities under this MOU to contracting officers or other officials authorized to review the Employer's compliance with Federal contracting requirements.

C. RESPONSIBILITIES OF SSA

1. SSA agrees to allow DHS to compare data provided by the Employer against SSA's database. SSA sends DHS confirmation that the data sent either matches or does not match the information in SSA's database.

2. SSA agrees to safeguard the information the Employer provides through E-Verify procedures. SSA also agrees to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security numbers or responsible for evaluation of E-Verify or such other persons or entities who may be authorized by SSA as governed by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).

3. SSA agrees to provide case results from its database within three Federal Government work days of the initial inquiry. E-Verify provides the information to the Employer.

4. SSA agrees to update SSA records as necessary if the employee who contests the SSA tentative nonconfirmation visits an SSA field office and provides the required evidence. If the employee visits an SSA field office within the eight Federal Government work days from the date of referral to SSA, SSA agrees to update SSA records, if appropriate, within the eight-day period unless SSA determines that more than eight days may be necessary. In such cases, SSA will provide additional instructions to the employee. If the employee does not visit SSA in the time allowed, E-Verify may provide a final nonconfirmation to the employer.

Note: If an Employer experiences technical problems, or has a policy question, the employer should contact E-Verify at 1-888-464-4218.

D. RESPONSIBILITIES OF DHS

1. DHS agrees to provide the Employer with selected data from DHS databases to enable the Employer to conduct, to the extent authorized by this MOU:

a. Automated verification checks on alien employees by electronic means, and

b. Photo verification checks (when available) on employees.

2. DHS agrees to assist the Employer with operational problems associated with the Employer's participation in E-Verify. DHS agrees to provide the Employer names, titles, addresses, and telephone numbers of DHS representatives to be contacted during the E-Verify process.

3. DHS agrees to provide to the Employer with access to E-Verify training materials as well as an E-Verify User Manual that contain instructions on E-Verify policies, procedures, and requirements for both SSA and DHS, including restrictions on the use of E-Verify.

4. DHS agrees to train Employers on all important changes made to E-Verify through the use of mandatory refresher tutorials and updates to the E-Verify User Manual. Even without changes to E-Verify, DHS reserves the right to require employers to take mandatory refresher tutorials.

5. DHS agrees to provide to the Employer a notice, which indicates the Employer's participation in E-Verify. DHS also agrees to provide to the Employer anti-discrimination notices issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC), Civil Rights Division, U.S. Department of Justice.

6. DHS agrees to issue each of the Employer's E-Verify users a unique user identification number and password that permits them to log in to E-Verify.

7. DHS agrees to safeguard the information the Employer provides, and to limit access to such information to individuals responsible for the verification process, for evaluation of E-Verify, or to such other persons or entities as may be authorized by applicable law. Information will be used only to verify the accuracy of Social Security numbers and employment eligibility, to enforce the INA and Federal criminal laws, and to administer Federal contracting requirements.

8. DHS agrees to provide a means of automated verification that provides (in conjunction with SSA verification procedures) confirmation or tentative nonconfirmation of employees' employment eligibility within three Federal Government work days of the initial inquiry.

9. DHS agrees to provide a means of secondary verification (including updating DHS records) for employees who contest DHS tentative nonconfirmations and photo mismatch tentative nonconfirmations. This provides final confirmation or nonconfirmation of the employees' employment eligibility within 10 Federal Government work days of the date of referral to DHS, unless DHS determines that more than 10 days may be necessary. In such cases, DHS will provide additional verification instructions.

ARTICLE III
REFERRAL OF INDIVIDUALS TO SSA AND DHS

A. REFERRAL TO SSA

1. If the Employer receives a tentative nonconfirmation issued by SSA, the Employer must print the notice as directed by E-Verify. The Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify

case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer agrees to provide written referral instructions to employees and instruct affected employees to bring the English copy of the letter to the SSA. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. After a tentative nonconfirmation, the Employer will refer employees to SSA field offices only as directed by E-Verify. The Employer must record the case verification number, review the employee information submitted to E-Verify to identify any errors, and find out whether the employee contests the tentative nonconfirmation. The Employer will transmit the Social Security number, or any other corrected employee information that SSA requests, to SSA for verification again if this review indicates a need to do so.

4. The Employer will instruct the employee to visit an SSA office within eight Federal Government work days. SSA will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

5. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

6. The Employer agrees not to ask the employee to obtain a printout from the Social Security Administration number database (the Numident) or other written verification of the SSN from the SSA.

B. REFERRAL TO DHS

1. If the Employer receives a tentative nonconfirmation issued by DHS, the Employer must promptly notify employees in private of the finding and provide them with the notice and letter containing information specific to the employee's E-Verify case. The Employer also agrees to provide both the English and the translated notice and letter for employees with limited English proficiency to employees. The Employer must allow employees to contest the finding, and not take adverse action against employees if they choose to contest the finding, while their case is still pending.

2. The Employer agrees to obtain the employee's response about whether he or she will contest the tentative nonconfirmation as soon as possible after the Employer receives the tentative nonconfirmation. Only the employee may determine whether he or she will contest the tentative nonconfirmation.

3. The Employer agrees to refer individuals to DHS only when the employee chooses to contest a tentative nonconfirmation.

4. If the employee contests a tentative nonconfirmation issued by DHS, the Employer will instruct the

employee to contact DHS through its toll-free hotline (as found on the referral letter) within eight Federal Government work days.

5. If the Employer finds a photo mismatch, the Employer must provide the photo mismatch tentative nonconfirmation notice and follow the instructions outlined in paragraph 1 of this section for tentative nonconfirmations, generally.

6. The Employer agrees that if an employee contests a tentative nonconfirmation based upon a photo mismatch, the Employer will send a copy of the employee's Form I-551, Form I-766, U.S. Passport, or passport card to DHS for review by:

a. Scanning and uploading the document, or

b. Sending a photocopy of the document by express mail (furnished and paid for by the employer).

7. The Employer understands that if it cannot determine whether there is a photo match/mismatch, the Employer must forward the employee's documentation to DHS as described in the preceding paragraph. The Employer agrees to resolve the case as specified by the DHS representative who will determine the photo match or mismatch.

8. DHS will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary.

9. While waiting for case results, the Employer agrees to check the E-Verify system regularly for case updates.

ARTICLE IV
SERVICE PROVISIONS

A. NO SERVICE FEES

1. SSA and DHS will not charge the Employer for verification services performed under this MOU. The Employer is responsible for providing equipment needed to make inquiries. To access E-Verify, an Employer will need a personal computer with Internet access.

ARTICLE V
MODIFICATION AND TERMINATION

A. MODIFICATION

1. This MOU is effective upon the signature of all parties and shall continue in effect for as long as the SSA and DHS operates the E-Verify program unless modified in writing by the mutual consent of all parties.

2. Any and all E-Verify system enhancements by DHS or SSA, including but not limited to E-Verify checking against additional data sources and instituting new verification policies or procedures, will be covered under this MOU and will not cause the need for a supplemental MOU that outlines these changes.

B. TERMINATION

1. The Employer may terminate this MOU and its participation in E-Verify at any time upon 30 days prior written notice to the other parties.

2. Notwithstanding Article V, part A of this MOU, DHS may terminate this MOU, and thereby the Employer's participation in E-Verify, with or without notice at any time if deemed necessary because of the requirements of law or policy, or upon a determination by SSA or DHS that there has been a breach of system integrity or security by the Employer, or a failure on the part of the Employer to comply with established E-Verify procedures and/or legal requirements. The Employer understands that if it is a Federal contractor, termination of this MOU by any party for any reason may negatively affect the performance of its contractual responsibilities. Similarly, the Employer understands that if it is in a state where E-Verify is mandatory, termination of this by any party MOU may negatively affect the Employer's business.

3. An Employer that is a Federal contractor may terminate this MOU when the Federal contract that requires its participation in E-Verify is terminated or completed. In such cases, the Federal contractor must provide written notice to DHS. If an Employer that is a Federal contractor fails to provide such notice, then that Employer will remain an E-Verify participant, will remain bound by the terms of this MOU that apply to non-Federal contractor participants, and will be required to use the E-Verify procedures to verify the employment eligibility of all newly hired employees.

4. The Employer agrees that E-Verify is not liable for any losses, financial or otherwise, if the Employer is terminated from E-Verify.

ARTICLE VI
PARTIES

A. Some or all SSA and DHS responsibilities under this MOU may be performed by contractor(s), and SSA and DHS may adjust verification responsibilities between each other as necessary. By separate agreement with DHS, SSA has agreed to perform its responsibilities as described in this MOU.

B. Nothing in this MOU is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees, or against the Employer, its agents, officers, or employees.

C. The Employer may not assign, directly or indirectly, whether by operation of law, change of control or merger, all or any part of its rights or obligations under this MOU without the prior written consent of DHS, which consent shall not be unreasonably withheld or delayed. Any attempt to sublicense, assign, or transfer any of the rights, duties, or obligations herein is void.

D. Each party shall be solely responsible for defending any claim or action against it arising out of or related to E-Verify or this MOU, whether civil or criminal, and for any liability wherefrom, including (but not limited to) any dispute between the Employer and any other person or entity regarding the applicability of Section 403(d) of IIRIRA to any action taken or allegedly taken by the Employer.

E. The Employer understands that its participation in E-Verify is not confidential information and may be disclosed as authorized or required by law and DHS or SSA policy, including but not limited to,

Congressional oversight, E-Verify publicity and media inquiries, determinations of compliance with Federal contractual requirements, and responses to inquiries under the Freedom of Information Act (FOIA).

F. The individuals whose signatures appear below represent that they are authorized to enter into this MOU on behalf of the Employer and DHS respectively. The Employer understands that any inaccurate statement, representation, data or other information provided to DHS may subject the Employer, its subcontractors, its employees, or its representatives to: (1) prosecution for false statements pursuant to 18 U.S.C. 1001 and/or; (2) immediate termination of its MOU and/or; (3) possible debarment or suspension.

G. The foregoing constitutes the full agreement on this subject between DHS and the Employer.

To be accepted as an E-Verify participant, you should only sign the Employer's Section of the signature page. If you have any questions, contact E-Verify at 1-888-464-4218.

Company ID Number: 1188373

Revised: 4/4/2019

Brandy Gervais

EDUCATION

University of South Alabama, Mobile, AL

Bachelor Of Science, College Of Education, 1999

PROFESSIONAL EXPERIENCE

Director, Enterprise Service Delivery, Uniti Fiber (2018- present)

- Direct Project Management team of 9 professionals which oversee approximately 200 new orders/projects per month.
- Implement plan and processes for new products being introduced to our markets.
- Implement plan for new network and infrastructure for public school systems throughout the Southeast United States.
- Oversees the prioritization of projects and directs resources to ensure critical dates and deadlines are met.
- Collaborate and communicate with key stakeholders to maintain project deadlines and integrity.
- Directs and participates in regular meetings, discussions and reviews on a variety of diverse/complex issues including financial and administrative matters which have company wide impact.
- Mentor staff in Project Management and Controls.
- Actively participate in the development of best practices.

Project Manager, Southern Light/Uniti Fiber (2008-2018)

- Specialize in project management for Enterprise, Government, E-Rate, Wireless and Tower projects.
- Provide wide area network (WAN) and local area network (LAN) consultation.
- Directed all operational components including planning, scheduling and training in delivering service.
- Managed and monitored up to 200 projects, small and large at once.
- Led teams in investigating, analyzing and producing reports for risk assessment and lessons learned.
- Recognize, negotiate and document changes in project scope.
- Responsible for initial collocation and augment ordering and tracking in Cos, POPs and Carrier Hotels.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-16464 **County Administrator's Report 12. 43.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 07/18/2019
Issue: Contract Award for Vesta 9-1-1 Upgrade & Maintenance
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Contract Award for Vesta 9-1-1 Upgrade and Maintenance - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve and authorize the County Administrator to execute the Agreement between Escambia County, Florida, and Motorola Solutions, Inc., per the terms and conditions of PD 18-19.043, VESTA 9-1-1 Upgrade and Maintenance, for a total of $1,265,430.02.

AGREEMENT TO BE DISTRIBUTED UNDER SEPARATE COVER

[Funding: Fund 145, Grants, Cost Center 330416, $674,537; and Fund 145, Grants, Cost Center 330404, $155,537]

BACKGROUND:

The County's 9-1-1 system was last upgraded in September of 2014, and will reach the end of warranty and expected lifecycle in September 2019.

Emergency Communications has received a reimbursement Grant of $674,537, to upgrade the Vesta geo-diverse cores and ancillary equipment for "Side A", housed at the Escambia County Emergency Communications Center and "Side B", housed at the Escambia County Sheriff's Office. The Pensacola Police Department (remote Primary PSAP) will be upgraded simultaneously using $155,497 of 9-1-1 reserve funds.

An upgrade of the current Vesta system is the lowest cost option utilizing current software license.

The upgrade includes:
• Equipment hardware & software
• Installation & management services
• Admin & User training

• MIS
• 1st year maintenance

*** Maintenance for years 2-5 will be supported by 9-1-1 funds disbursed monthly by the State 9-1-1 Board.

The Request for Proposals was publicly noticed on April 20, 2019, to 42 firms. Responses were received from three firms on May 29, 2019. The Selection/Negotiation Committee met on June 11, 2019, to review the three responses. The Committee reviewed the three responses and determined it would be in the best interest of Escambia County to enter into negotiations with Motorola Solutions, Inc. The original fee proposal from Motorola Solutions, Inc., met the requirements and budget of the Grant for installation, The fees for maintenance were negotiated from $769,072.09 to $503,466.92, for a total of $1,265,430.02.

BUDGETARY IMPACT:

Fund 145, Grants, Cost Center 330416, $674,537; and Fund 145, Grants, Cost Center 330404, $155,537

LEGAL CONSIDERATIONS/SIGN-OFF:

Agreement prepared by Senior Assistant County Attorney Kristin Hual.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the Code of Ordinances of Escambia County, FL 1999, Chapter 45 Finance, Article II Purchases and Contracts.

IMPLEMENTATION/COORDINATION:

The Office of Purchasing will issue the Attorney's Contract and Purchase Order.
