2. The County Resource Extraction Permit, for approved borrow pits only, shall be valid for five years from the date of approval by the Board of County Commissioners, following approval, and may be renewed upon application by the permittee and approval by the Board of County Commissioners (BCC). As a condition of obtaining and maintaining a county Resource Extraction Permit, a permittee shall submit an annual affidavit on a form prepared by Escambia County that describes the scope of activities occurring on-site. The permittee shall also consent to random and periodic inspections of the site by Escambia County representatives, with such inspections to occur at a minimum of two (2) times per year.
