 - A. Presentation of Tentative Budget for Fiscal Year 2016/2017 – County Administrator Jack Brown

Jack Brown – Mister Chairman, Commissioners: This is the first of two required Public Hearings for the Board to adopt the Fiscal Year 2016/2017 Budget. The Board later in the meeting will set the second Public Hearing.

The Board of County Commissioners (BCC) approved the 2016/2017 tentative millage rates for TRIM notification purposes at the BCC meeting on July 19, 2016.

The law requires that prior to consideration of the tentative budget, an explanation of the “Rolled Back Rate” be provided and entered into the records. The “Rolled Back Rate” is a computed millage rate that would generate the same amount of ad valorem tax dollars as the prior Fiscal Year, based on the proposed year’s tax roll, excluding new construction.

The millage rates tentatively approved by the Board for TRIM notification are 6.6165 for the County-wide millage rate, .3590 for the Library Municipal Services Taxing Unit (MSTU) and .6850 for the Sheriff's Law Enforcement Municipal Services Taxing Unit (MSTU). The aggregate of these millage rates proposed for Fiscal Year 2016/2017 is 2.42% above the "Rolled Back Rate" certified by the Property Appraiser. This represents the percentage increase in property taxes tentatively adopted by the Board.

For information, and to avoid any misunderstanding concerning the process of this meeting, this Public Hearing is convened tonight to discuss the County's Fiscal Year 2016/2017 Budget. Because of time constraints, we will need to confine our discussion to this subject. Increases in property assessments, remarks or questions concerning your individual property appraisals should be addressed to the County Property Appraiser at his office during normal business hours.

To Whom It May Concern:

I am in support of this NON-AD Valorem Assessment for Escambia County Fire Protection, **IF** another Fire Station will be constructed on Kingsfield Road between the Cantonment and Ensley area; however, I am not in support of an additional \$25.33 being added to my taxes if there is not a Fire Station within a five-mile radius of my home, especially since there was just a previous tax increase for this same assessment.

Please let me know if you have any question.

Thanks,

To Whom it may Concern.

My name is David W. Owen.

I live on "Garman Lane" (in Cantonment
in a house trailer (off Beck Lake Rd)
I work for the County at Camp 5.

We had a trailer burn down last
year, next door to my trailer, the
fire truck could not even get down
our road (its a dirt track) because of
the condition to the road, the road
was too narrow, also my neighbor (the Hall's)
had an emergency, ^{the} ambulance had to
meet her at the end of the road at
Beck Lake, because they wouldnt chance
breaking down,

So why do we pay fire protection
when we dont even get it,

you tell "Steven Berry" to take a
trip down our road he will see what

I mean

My work hours are 5 to 5. so I couldnt get
to your meeting if I had to. We've tried
calling "Steven Berry" of course he did return
the call

Sincerely

David W. Owen ^{over} →

My Trailer number is
466 on the White fence
there is No Postal Service
out there, and No school
bus Route, the road (the bus)
wouldn't last long on our road

Thanks for your attention
on this matter
