Mr. Page, Buddy Page is the agent for Shaun Romero, the owner, 6013 Hilburn Road, 1.52 plus or minus acres, from HDR, high density residential district, 18 raw units per acres to commercial district, 25 dwelling units per acre, lodging unit density not limited by zoning.

Members of the Board, again I'll ask you on this case, have there been any ex parte communications between you, the applicant, applicant's agent, attorneys, witnesses, fellow Planning Board members, or anyone from the public?

Also, please disclose if you have visited the subject property or you are a relative or business associate of any of the parties.

And at this.

MR. OPALENIK: No to all.

THE CHAIRMAN: All right. Thank you, sir.

MS. HIGHTOWER: No to all.

MR. HOWARD: No to all, except I think I am familiar with this location.

THE CHAIRMAN: Okay. Thank you.
Chairman, no to all.
MR. FEARS: No to all.
MR. INGWELL: No to all.
THE CHAIRMAN: Mr. Wingate.
MR. WINGATE: No communication.
THE CHAIRMAN: All right. Thank you, sir. Mr. Rushing?
MR. RUSHING: No to all.
THE CHAIRMAN: All right. Staff, was notice of the hearing sent to all interested parties?
MS. MEADOR: Yes, sir.
THE CHAIRMAN: Okay. And was it also correctly posted on the subject property?
MS. MEADOR: Yes, sir.
THE CHAIRMAN: Okay.
Mr. Page, I see you there. Sir, if there's no objections, can the staff present the maps and photography?
All right. Thank you.
Will you be presenting?
MR. MacCARTEE: Yes. Caleb MacCartee, urban planner.
THE CHAIRMAN: Okay. Were you sworn in at the beginning?

MR. MacCARTEE: I do not believe I was in the room at the time.
THE CHAIRMAN: Okay. We'll have you sworn in.
(Caleb MacCartee was duly sworn.)
THE CHAIRMAN: You'll be doing the staff?
MR. MacCARTEE: Yes.
This case was sent back to the Planning Board. It was heard here on December 6, 2016, and approved by the Board.
And it was sent back from the BCC for a public comment period. We can go through the maps and the staff findings, but everything is consistent with the Land Development Code.
THE CHAIRMAN: Okay. Did we miss the public comment?
MR. JONES: No. What happened -- what happened was, the Commissioner . . . he was concerned, and he wanted to make sure again that the public -- that the public, if they want to speak on this case, that they be heard for the record, so that's why it was sent back. It was remanded back. Did the analysis. Staff findings will not change.

Now, of course, if you want to make your findings, you can again, but it was basically to hear additional public.
MS. CRAWFORD: There were two additional witnesses that appeared at the Board of County Commissioners meeting that were not present at the Planning Board to speak.
And so based on those two witnesses requesting to be heard at the Board of County Commissioners, they remanded back for the public comment portion but not necessarily for a complete rehearing, unless the Planning Board wishes for all of the information to be presented.
Otherwise, again, you could adopt the prior evidence in that first hearing into this and proceed from that.
I do not know if the two individuals are present or if there are other citizens present.
THE CHAIRMAN: Okay.
All right. Caleb, well, let me handle this portion of it, and then we'll go from there.
For members of the public who wish to speak on this matter, please note that the

Planning Board bases its decisions on the approval conditions and exceptions described in Section 2-7.2 of the Escambia County Land Development Code. If we could please bring those up on the screen, the approval conditions.
During our deliberations, the Planning Board does not consider general statements of support or opposition. Accordingly, please limit your testimony to one of the conditions shown on the board included in Section 2-7.2.
Also please note that only those individuals who are present today can give testimony on the record before the Planning Board and will be allowed to speak at the subsequent hearing before the BCC.
Toni Pettigrew.
Good morning, ma'am. If you'll please be sworn in, and then state your name and address for the record.
(Toni Pettigrew was duly sworn.)
MS. PETTIGREW: Toni Pettigrew, 6220 Confederate Drive.
Can y'all hear me?
I'm a concerned owner, homeowner. I've been in my home for 12 years. We've made a lot

of improvements, as all of our neighbors have, and so I . . . this is my first time doing this kind of thing, but I did some research, so I made a little list. And I'll read it to you, if that's okay.

After consulting with the Escambia Property Appraiser, the Escambia Transportation and Traffic Operations and the Florida DOT, I have come to these conclusions for denying the rezoning of Hilburn Road Case Z-2016-13:

One, property value impacts. Some renters are not as careful maintaining property as most homeowners are, due to lack of pride of ownership.

Number two, nuisance-based impact. Rezoning would adversely impact the quality of life in the Oakfield Acres area, with increased traffic which could potentially cause more accidents.

Other problems would include increased noise, lights, fumes, and pollution. Flooding is already an issue on Burgess Road.

Cutting down more trees to make way for more developments would increase potential for more flooding.

Last but not least, the intrusion of nonresidential uses. Approval of this proposal would open the door for increased unknown commercial activity.

This is my retirement home. I'm 71. My husband is 73. I speak for other neighbors. One lady is 89. She's been in her home 60 years. She's widowed now. She's raised four kids there.

The general consensus of my neighbors is that they do not want this rezoning to occur, mainly because we do not know what's going to happen next week, next year, two years from now.

And I am aware of the big, major plans that is in play. I did speak to Rick Branton, the project manager for this number 218429, and he informed me that the planning has been done and completed, but no permits have been drawn. Nothing has gone past that.

And this has been like over a ten-year period as well, you know, so he said the stopping of the rezoning of this area would not affect this major development. And he also stated that there's no money right now to go forward with this major development.

So I rest my case. I hope y'all understand that there's plenty of people who couldn't be here today because they're either elderly or they're working and they're trying to get their kids through high school and college.

So thank you for your consideration and your time.

THE CHAIRMAN: Thank you, Ms. Pettigrew.

At this time I'd like to just -- Horace, if you would just maybe address what happens through the DRC process if the rezoning is recommended for approval again.

MR. JONES: Yes, sir.

THE CHAIRMAN: Because some of the things that Ms. Pettigrew brought up are caught in that process, so if you would.

MR. JONES: Absolutely. Absolutely. Again, we do want to thank her for coming and speaking to address her concerns, yet with the understanding that if the Planning Board does recommend for this to be approved, and the BCC approves of this, there's another process for development that must occur.

At that time we will be looking at the stormwater requirements. We'll be looking at

the flood zone area. We'll be looking at traffic. We'll be looking at roadway connections, all of those things. That is called the site plan review process.

And once they submit -- if it is approved, a plan, we will be looking at it to make sure that that project complies with all of the Land Development Code requirements and any other -- and any other regulations concerning Escambia County.

As I said, stormwater, wetlands, traffic, any -- any of those things that we were -- flooding. We would definitely be looking at those areas to make sure that the project meets all the regulations. So this is just the first -- this is the 30,000 foot level at this -- at this point in time.

THE CHAIRMAN: Okay. And I think -- I know this is all very confusing. It confuses me sometimes.

These criteria that are on the board are all that we are allowed to consider when it comes to a rezoning request.

And not saying that the Board's not going to change its mind, but at the last hearing, all

of these criteria were met, and that is why the Board recommended approval.

Like Mr. Jones said, there are other things that concern you, the traffic, and the water flows, and other things like that. They're not part of this process.

They're part of another public process, which you have access to as well. So I just want to make sure you understand. We are actually not supposed to consider what project may go there.

We have to consider any project that would be legally allowed on the property, so I just want to make that clear because I know it's very, very confusing, but this is kind of our Bible that's on the board right now. This is what we have to consider.

And if it meets all of these criteria, then, you know, typically it will be recommended for approval.

So I know it's confusing, so . . .

Okay. Our next speaker is John Pettigrew.

MS. PETTIGREW: I speak for my husband John. He had a prior.

THE CHAIRMAN: No, ma'am. We can't do

that, unfortunately.

MS. PETTIGREW: Okay.

THE CHAIRMAN: He has to be here present to do that.

MS. PETTIGREW: He was going to agree anyway.

THE CHAIRMAN: Okay. Okay.

Rhonda Robinson.

Good morning, ma'am. We'll have you sworn in, and then state your name and address for the record, please.

(Rhonda Robinson was duly sworn.)

MS. ROBINSON: I'm to give you or the Board my name?

THE COURT REPORTER: Just state it.

MS. ROBINSON: Rhonda Robinson. My address is 697 Shilo Drive, which is directly off of Hilburn and Bridgewood Estates.

I understand from Mr. Jones, I was one of the two that wanted to speak at the Commissioner's meeting. I was not aware that you have to speak here first in order to voice your concerns.

I do understand the criteria. I just wanted to speak on record that I will be at the

Commissioner's office -- meeting because my concerns, too, do not meet this criteria, but I do have concerns as to what's going to be put there.

I have questions that I understand don't fall into this criteria, but I have to publicly speak here in order to be able to voice my concerns at the Commissioner's meeting.

Am I understanding that correctly?

THE CHAIRMAN: Yeah. And sometimes, if your concerns are about what's going to go there, it may be compatible with surrounding uses. You may feel like it's not compatible with, you know, commercial next to a residential, or something.

MS. ROBINSON: And as a Realtor that's representing Buddy, spoke to Dr. Scamanachi (phonetic) for me.

And basically I didn't get an answer because from -- and tell me if I'm understanding. I've spoken to a couple of people in the Zoning Department.

Legally they don't have to tell us what's going to go there. There's like -- if there's a zone A, B, C, it may be a Motel 6, if it says

hotel lodging, or it could be a Hilton Hotel. They don't legally have to say, "This is going to be this type of hotel" or "This is going to be a four-star hotel, one star." Am I understanding that correctly?

THE CHAIRMAN: Horace, does that come out in the DRC process?

MR. JONES: That comes -- that comes out during the site plan review process. And I strongly suggest that if you have your concerns, that you state your concerns here because, yes, ma'am --

MS. ROBINSON: Okay.

MR. JONES: -- because if you do not state them here, this transcript goes up before the BCC.

MS. ROBINSON: Okay.

MR. JONES: And Ms. Rodgers, who is the county attorney, if -- if you make any new testimony, it -- it will not be -- she's not going to let that go forward, so please state your concern here.

MS. ROBINSON: Okay.

MR. JONES: But to address, yes, what that -- if it is going to commercial, they --

they are -- there are currently -- there are many intense uses with commercial, no doubt.

However, when you look at the size of the lot . . .

MS. ROBINSON: You can't really see it from Hilburn --

MR. JONES: Right. Right.

MS. ROBINSON: -- and we're on Shilo, so --

MR. JONES: Right. Right. Right.

But look at the size of the lot. And it's going to be constrained on what can go there, because we have to look at parking, which is a requirement. They gotta maintain their own stormwater.

So all of those things, whatever's approved, they gotta come back through my department. And the requirements are very, very stringent.

MS. ROBINSON: Okay.

MR. JONES: So -- so -- so -- so it's only so much they can do with that size of a parcel. It's very constrained.

MS. ROBINSON: Okay. Sorry --

MR. JONES: The location criteria. We

have to look at all that.

MS. ROBINSON: Okay. So my concerns are -- and I'm the homeowner's association for my subdivision -- I would like to know what can go there, if they can be a little bit more specific.

And we are having major issues with Burgess Road as of now. And I want to know the impact on the traffic. Are they going to be able to go in and out of Hilburn or is there a way that you can go in Hilburn and still come out onto Burgess?

MR. JONES: As far -- as far as the traffic, again with the traffic, we -- we -- we have transportation people that -- as a matter of fact, Mr. Davis, he -- he -- he is the division manager for that area.

We have staff that sits on the site plan review project, and we're going to make sure that they read all the standards, so it's really, really too early for us without a site plan, for us to know about the traffic impacts.

MS. ROBINSON: Okay.

MR. JONES: But that definitely will be looked at and addressed, if it is approved going

forward.

MS. ROBINSON: Okay. So I guess in a nutshell my -- my own concern -- I'm not for or against -- I just don't feel like as a resident we have enough information as to what's going to be located in our community.

So if I had to state the reason that I'm here today, it's to not get a vague answer of, it may be this, it may be that. I want to know what's in my neighborhood, so that would be my only thing.

MR. JONES: And -- and -- and once -- and once, if it is approved -- I'll go back to that -- there would be -- there would be a preapplication meeting. It's all public record. If you see any type of signs, you contact me immediately.

MS. ROBINSON: Okay.

MR. JONES: You watch. You stay. You're stay -- you're a homeowner, which you will contact the Commission office and I'll be glad to -- you come and you can take a look at all of the plans --

MS. ROBINSON: Okay.

MR. JONES: -- all of the designs and

everything, because all of those is public. All of that is public information.

MS. ROBINSON: All right. That's all I wanted to state. That was my reason for being here

THE CHAIRMAN: Well, and the staff here is very good, and they read my mind.

On the Board that we have up there now is a list of permitted uses within a commercial district. Okay?

And as I said, we as the Planning Board, we don't consider any specific, whether it's a hotel, whatever. Anything that's listed here would be permitted in that approved district. Okay.

Now, like Mr. Jones has already said, they have to go through a lot more steps before they start -- turning shovels. They have to go to the DRC, which includes the traffic and the wetlands and the stormwater. There's a lot. Emergency access, all kinds of things that go through that, but -- and it is kind of almost like the chicken before the egg. We have to approve something without knowing what's going there either.

MS. ROBINSON: Gotcha.
THE CHAIRMAN: So we have to go back to this list and say, "Okay. Are these appropriate uses, any one of them?"
MS. ROBINSON: Okay.
THE CHAIRMAN: Okay. And that keeps us from having any kind of, you know, conception of what it may be ahead of time when we're making our decision.
So I know it's confusing, but a lot of times we want to know what's going there, too, but we're legally not allowed to even ask that of the applicant.
MS. ROBINSON: Okay.
THE CHAIRMAN: You know. So does that make sense?
MS. ROBINSON: It does.
THE CHAIRMAN: I know it's still confusing, but . . .
MS. ROBINSON: Now, I have one last question.
THE CHAIRMAN: Yes.
MS. ROBINSON: Do I have to stay for the second part? Like with the first case you did, like the first part. I'm learning all of this.

THE CHAIRMAN: No. That was a different --
MS. ROBINSON: Oh. I'm a teacher, and I've got to get back to my classroom. I've got a temporary sub in my classroom, so I just wanted to make sure I didn't have to stay for anything else. That was it.
THE CHAIRMAN: No. You're on the record now.
MS. ROBINSON: Okay.
THE CHAIRMAN: You'll be allowed to speak at the Board of County Commissioners.
MS. ROBINSON: Okay.
THE CHAIRMAN: Regardless of what the Board recommends, you'll still have that right at this time.
MS. ROBINSON: Okay. Okay. All right. Thank you, guys, very much.
THE CHAIRMAN: Thank you. All right. Okay.
MS. HIGHTOWER: Mr. Chair, could I ask a question of Mr. Jones?
THE CHAIRMAN: Mm-hmm.
MS. HIGHTOWER: When you do the -- when they do the transportation analysis, is it only

what's happening right then? Because one of them is going to become a high school again in probably 2018, 2019. And will be more traffic because it's going to be West Florida, where most of the students are in their own vehicles, or -- so I just wondered about that.
MR. JONES: And David -- David can talk more on that.
We will be looking at that specific project, but definitely, if there's a long-term plan at transportation, I believe David will talk to you about long-term projects, if you know how it will impact a school that may come in that area, how that's going to impact that little roadway connection off of Burgess.
MR. FORTE: David Forte, Division Manager, Escambia County Public Works.
It really -- obviously, as Mr. Briske mentioned, that's more of a DRC type review.
We do look at the applications from a -- from a long-term, how it may impact some programmed projects that DOT or the county have programmed.
There actually is a program project. I believe we mentioned it in our memo to the -- to

the Board, that there's going to be a -- DOT will be widening and actually creating a new roadway, essentially a connection from Burgess and Creighton -- I believe it's actually on the map you saw showed the zoning, that white area.
Just to the north of it. That's the actual -- that's DOT right-of-way, and they -- they -- they do intend to extend that all the way down, have a four-lane from essentially Hilburn all the way back to US29. And that also will help the traffic flow for the new school, so yes, ma'am.
MR. JONES: Thank you, David.
THE CHAIRMAN: All right.
Dan Wendleton.
(Dan Wendleton was duly sworn.)
THE CHAIRMAN: Good morning, sir. We'll have you sworn in, and then your name and address for the record, please.
MR. WENDLETON: Wendleton. Dan Wendleton. And I live at 6253 Appomattox Drive.
THE CHAIRMAN: Thank you, sir. Go ahead.
MR. WENDLETON: Okay. I live approximately three-quarters of a mile from the tract in question here.

And I -- my wife and I make use of the local convenience store.

So my particular interest at this point is that this area here is not, I don't think, really suitable for further residential development on that particular tract or the adjacent ones, but I do believe it would be a good place for suitable business, retail or other use. So just like to say that I believe I would want to see the change approved.

THE CHAIRMAN: Okay. Thank you.

All right. That's the last person that has signed up to speak.

Is there anyone else in the public here that wants to speak on this matter before we close public comment portion?

(No response.)

THE CHAIRMAN: All right. Hearing none, I will hereby closing the public comment portion of the meeting.

Mr. Page, would you like to address anything or add anything?

MR. PAGE: Nothing new, Mr. Chairman.

THE CHAIRMAN: Okay. Staff, do we have anything else to present, other than the

findings of fact that were presented and previously voted on?

(No response.)

THE CHAIRMAN: Okay. And the background on this was that it was presented to this Board, recommended for approval to the Board of County Commission, and then the issue that some members of the public hadn't spoken came up. Okay. Nothing has changed since that time.

MS. CRAWFORD: And just for clarity of the record, I would suggest that you adopt and introduce all that prior testimony and evidence again into this hearing so that if the citizens who spoke at the first time also want to come to the next PTC meeting, they wouldn't face the same challenge, and then there wouldn't be a question that only the three that spoke here today would be allowed.

So just out of an abundance of caution. I don't know that it's necessary, but I don't think it would hurt for you to do that.

THE CHAIRMAN: Okay. So Board members, if you're going to make a motion, let that include the prior record from the previous meeting and all of the evidence and transcript and

everything that came from that prior meeting.

Chair will entertain a motion or discussion.

MR. RUSHING: I'd like to make a motion to approve the 2016-13, along with all previous testimony as part of the fact -- findings of fact, and therefore I'd move to approve this -- this rezoning.

THE CHAIRMAN: All right. We have a motion, including all of the previous documents, exhibits and evidence, and speakers, and everything else.

Do we have a second?

MR. HOWARD: Second.

THE CHAIRMAN: Thank you, sir.

Any further discussion?

(No response.)

THE CHAIRMAN: All those in favor say "aye."

(Chorus of "ayes.")

THE CHAIRMAN: Opposed?

(No response.)

THE CHAIRMAN: All right. Motion carries, so it will be sent back to the Board of County Commission for their approval again as

recommended.

(Hearing concluded.)

Professional Court Reporter

Planning Board-Rezoning **7. B.**

Meeting Date:	02/07/2017
CASE :	Z-2016-13
APPLICANT:	Wiley C. "Buddy" Page, Agent for Shaun Romero, Owner
ADDRESS:	6013 Hilburn Road
PROPERTY REF. NO.:	29-1S-30-1504-000-000
FUTURE LAND USE:	MU-U, Mixed-Use Urban
DISTRICT:	3
OVERLAY DISTRICT:	Oakfield
BCC MEETING DATE:	03/02/2017

SUBMISSION DATA:
REQUESTED REZONING:

FROM: HDR, High Density Residential district (18 du/acre)

TO: Com, Commercial district (25 du/acre, lodging unit density not limited by zoning)

RELEVANT AUTHORITY:

(1) Escambia County Comprehensive Plan
(2) Escambia County Land Development Code
(3) Board of County Commissioners of Brevard County v. Snyder, 627 So. 2d 469 (Fla. 1993)
(4) Resolution 96-34 (Quasi-judicial Proceedings)
(5) Resolution 96-13 (Ex-parte Communications)

APPROVAL CONDITIONS

Criterion a., LDC Sec. 2-7.2(b)(4)

Consistent with Comprehensive Plan

Whether the proposed rezoning is consistent with the goals, objectives, and policies of the Comprehensive Plan and not in conflict with any of the plan provisions.

CPP FLU 1.3.1 Future Land Use Categories. The Mixed-Use Urban (MU-U) Future Land Use (FLU) category is intended for an intense mix of residential and nonresidential uses while promoting compatible infill development and the separation of urban and suburban land uses within the category as a whole. Range of allowable uses include: Residential, Retail and Services, Professional Office, Light Industrial, Recreational Facilities, Public and Civic. The maximum residential density is 25 dwelling units per acre.

FLU 1.5.1 New Development and Redevelopment in Built Areas. To promote the efficient use of existing public roads, utilities, and service infrastructure, the County will encourage the redevelopment in underutilized properties to maximize development densities and intensities located in the MU-S, MU-U, Commercial, and Industrial Future Land Use categories (with the exception of residential development).

FLU 2.1.1 Infrastructure Capacities. Urban uses will be concentrated in the urbanized areas with the most intense development permitted in the Mixed-Use Urban (MU-U) areas and areas with sufficient central water and sewer system capacity to accommodate higher density development. Land use densities may be increased through Comprehensive Plan amendments. This policy is intended to direct higher density urban uses to those areas with infrastructure capacities sufficient to meet demands and to those areas with capacities in excess of current or projected demand. Septic systems remain allowed through Florida Health Department permits where central sewer is not available.

FINDINGS

The proposed amendment to Commercial **is consistent** with the intent and purpose of Future Land Use category MU-U as stated in CPP FLU 1.3.1. The Future Land Use of Mixed-Use Urban allows for a mix of residential and retail services. The property **would promote** good efficient use of existing public roads and an underutilized property that would conform with CPP FLU 1.5.1.

Per FLU 2.1.1 the uses will be concentrated in the urbanized areas with the most intense development permitted in the Mixed-Use Urban (MU-U) areas.

Sufficient central water and sewer system capacity to accommodate higher density development will be reviewed during the site plan review process.

Criterion b., LDC Sec. 2-7.2(b)(4)

Consistent with The Land Development Code

Whether the proposed amendment is in conflict with any portion of this Code, and is consistent with the stated purpose and intent of this Code.

Sec. 3-2.8 High Density Residential district (HDR).

(a) Purpose. The High Density Residential (HDR) district establishes appropriate areas and land use regulations for residential uses at high densities within urban areas. The primary intent of the district is to provide for residential neighborhood development in an efficient urban pattern of well-connected streets and at greater dwelling unit density and diversity than the Medium Density Residential district. Residential uses within the HDR district include most forms of single-family, two-family and multi-family dwellings. Non-residential uses within the district are limited to those that are compatible with urban residential neighborhoods.

Sec. 3-2.10 Commercial district (Com).

(a) Purpose. The Commercial (Com) district establishes appropriate areas and land use regulations for general commercial activities, especially the retailing of commodities and services. The primary intent of the district is to allow more diverse and intense commercial uses than the neighborhood commercial allowed within the mixed-use districts. To maintain compatibility with surrounding uses, all commercial operations within the Commercial district are limited to the confines of buildings and not allowed to produce undesirable effects on surrounding property. To retain adequate area for commercial activities, new and expanded residential development within the district is limited, consistent with the Commercial (C) future land use category.

(e) Location criteria. All new non-residential uses proposed within the Commercial district that are not part of a planned unit development or not identified as exempt by the district shall be on parcels that satisfy at least one of the following location criteria:

(1) Proximity to intersection. Along an arterial or collector street and within one-quarter mile of its intersection with an arterial street.

(2) Proximity to traffic generator. Along an arterial or collector street and within a one-quarter mile radius of an individual traffic generator of more than 600 daily trips, such as an apartment complex, military base, college campus, hospital, shopping mall or similar generator.

(3) Infill development. Along an arterial or collector street, in an area where already established non-residential uses are otherwise consistent with the Commercial district, and where the new use would constitute infill development of similar intensity as the conforming development on surrounding parcels. Additionally, the location would promote compact development and not contribute to or promote strip commercial development.
(4) Site design. Along an arterial or collector street, no more than one-half mile from its intersection with an arterial or collector street, not abutting a single-family residential zoning district (RR, LDR or MDR), and all of the following site design conditions:
a. Any Intrusion into a recorded subdivision is limited to a corner lot.
b. A system of service roads or shared access is provided to the maximum extent made feasible by lot area, shape, ownership patterns, and site and street characteristics.
c. Adverse impacts to any adjoining residential uses are minimized by placing the more intensive elements of the use, such as solid waste dumpsters and truck loading/unloading areas, furthest from the residential uses.
(5) Documented compatibility. A compatibility analysis prepared by the applicant provides competent substantial evidence of unique circumstances regarding the potential uses of parcel that were not anticipated by the alternative criteria, and the proposed use, or rezoning as applicable, will be able to achieve long-term compatibility with existing and potential uses. Additionally, the following conditions exist:
a. The parcel has not been rezoned by the landowner from the mixed-use, commercial, or industrial zoning assigned by the county.
b. If the parcel is within a county redevelopment district, the use will be consistent with the district's adopted redevelopment plan, as reviewed and recommended by the Community Redevelopment Agency (CRA).

FINDINGS

The proposed amendment **is not consistent** with the intent and purpose of the Land Development Code. The applicant did not provide a compatibility analysis.

The following language is from an excerpt from the interoffice memorandum comments provided by the County's Transportation and Traffic Operations (TTO) Division staff: Z-2016-13 – Burgess Rd is currently programmed for right-of-way acquisition in the FL-AL Long Range Transportation Plan. Existing right-of-way is sufficient for the proposed four lane expansion of Burgess Rd.

Criterion c., LDC Sec. 2-7.2(b)(4)

Compatible with surrounding uses

Whether all land uses, development activities, and conditions allowed by the proposed zoning are compatible with the surrounding conforming uses, activities and conditions and are able to coexist in relative proximity to them in a stable fashion over time such that no use, activity, or condition negatively impacts another. The appropriateness of the rezoning is not limited to any specific use that may be proposed but is evident for all permitted uses of the requested zoning.

FINDINGS

The proposed amendment **is compatible** with surrounding existing uses in the area. Within the 500' radius impact area, staff observed properties with zoning districts MDR, HDR, and Com. These uses include vacant commercial, existing commercial, and single and multi-family residence in the area.

Criterion d., LDC Sec. 2-7.2(b)(4)

Changed conditions

Whether the area to which the proposed rezoning would apply has changed, or is changing, to such a degree that it is in the public interest to encourage new uses, density, or intensity in the area through rezoning.

FINDINGS

Staff found **no changed** conditions that would impact the amendment or property. Staff found case Z-2004-42 at 190 Creighton Road, approved 12/09/2004 for rezoning from R-4 to C-1. Staff also found case Z-2005-58 at 473 Allen Court, approved 01/05/2006 for rezoning from R-4 to C-1.

Criterion e., LDC Sec. 2-7.2(b)(4)

Development patterns

Whether the proposed rezoning would contribute to or result in a logical and orderly development pattern.

FINDINGS

The proposed amendment **would result** in a logical and orderly development pattern. The site is surrounded by Com zoning to the north and east of the subject property. The approval of the rezoning will contribute to the establishment of Commercial uses that would compliment the other Commercial zoned properties in the area.

Criterion (f) LDC Sec. 2-7.2(b)(4)
Effect on natural environment
Whether the proposed rezoning would increase the probability of any significant adverse impacts on the natural environment.

FINDINGS
According to the National Wetland Inventory, wetlands and hydric soils **were not** indicated on the subject property. When applicable, further review during the Site Plan Review process will be necessary to determine if there would be any significant adverse impact on the natural environment.

ESCAMBIA COUNTY PLANNING BOARD
QUASI-JUDICIAL HEARING

Case #: Z-2016-13
Applicant: Wiley C. "Buddy" Page, Agent for Shaun Romero, Owner
Address: 6013 Hillburn Road
Property Size: 1.52 (+/-) acres
From: HDR, High Density Residential district (18 du/acre)
To: Com, Commercial district (25 du/acre, lodging unit density not limited by zoning)

A public hearing was held in the above-styled cause before the Escambia County Planning Board on the 6th day of December 2016, commencing at 11:30 a.m., at the Escambia County Central Office Complex, 3363 West Park Place, Room 104, Pensacola, Florida, reported by David A. Deik, CP, CPE, Professional Reporter.

PROCEEDINGS

THE CHAIRPERSON: All right. Our next case is 2016-13, Buddy Page, agent for Shaun Romero, owner, 6013 Hillburn Road, 1.52 acres from HDR, high density residential to commercial district.

On this case, members of the board, has there been any ex parte communication? Have you visited the site? Have you had any discussions with the applicant, agents, attorneys, witnesses, Planning Board members, or anyone from the general public? Also ask if you were a business, relative or associate of any of the parties.

And starting with Ms. Oram.

MS. ORAM: No to all.

MS. HIGHTOWER: No to all.

MR. PYLE: No to all. Familiar with the site.

THE CHAIRPERSON: Mr. Howard, I believe you have to leave the meeting now?

MR. HOWARD: I do, yes, sir.

THE CHAIRPERSON: Okay. So he's going to be leaving for this hearing, so he will not be

participating in this one.
(Mr. Howard left the meeting.)
THE CHAIRPERSON: The Chairman has no ex parte communication.
MR. TATE: No ex parte communication.
MR. INGWELL: No to all.
MR. RUSHING: And no to all.
THE CHAIRPERSON: All right. Thank you.
Staff, was notice published to all interested parties?
MS. CRAWFORD: Yes, sir.
THE CHAIRPERSON: Okay. And was it properly posted on the subject property?
MS. CRAWFORD: Yes, sir.
THE CHAIRPERSON: All right. Thank you.
Mr. Page, any objection to the pictures and everything?
MR. PAGE: No.
THE CHAIRPERSON: Okay. Let's go with the maps and photography.
MR. MacCARTEE: Caleb MacCartee, urban planner for the county.
We are -- Location map showing the subject parcel. Here is our 500-foot zoning map, our future land use map, FLU, existing land use,

aerial photography of the site.
Also located in Oak Hill Community Redevelopment Agency overlay. Here's our notice of public hearing. Looking onto the site, looking northwest from the site.
And here is the intersection at Creighton along Hillburn Road looking north. This is looking east from the site across Hillburn, looking southeast from the site across Hillburn, and looking south along Hillburn.
MR. TATE: I have a matter for the record, just as a point of fact. Oak Hill Redevelopment site. Is that the proposed Oak Hill Redevelopment?
MR. MacCARTEE: It is a district, but there's no performance standards for that right now. It's undefined.
MR. TATE: Okay.
MR. MacCARTEE: Here's our 2500-foot radius map from Escambia County Property Appraisers, and our mailing list.
And that concludes the slide and photographs for this case.
THE CHAIRPERSON: Okay. Any questions on the maps or photography?

(No response.)
THE CHAIRPERSON: Okay, Mr. Page.
You were previously sworn in. Please state your name and address for the record on this case.

BUDDY PAGE
previously duly sworn, was examined and testified further as follows:

MR. PAGE: Mr. Chairman, Buddy Page, 5337 Hamilton Lane, Pace, Florida.
THE CHAIRPERSON: Sir, on this case, have you received the hearing package and the findings of fact?
MR. PAGE: I have.
THE CHAIRPERSON: And do you understand that you have the burden of providing substantial competent evidence that this proposed rezoning is consistent with the comp plan and furthers the goals and objectives and policies of that plan, and is not in conflict with any portion of the Land Development Code?
MR. PAGE: I do.
THE CHAIRPERSON: Yes, sir. Go ahead,

please.
MR. PAGE: Mr. Chairman, this application seeks to change the referenced parcel of property over to a commercial classification, basically to match the commercial that's located and zoned to the east and the parcel to the north.
I've gone through the staff's findings of fact. We could adopt all of those as our own. And for public clarification, on the location criteria, the findings for that initially from the staff states that the proposed amendment is not consistent with the intent and purpose. The applicant did not provide a compatibility analysis. It picks out one of those criteria in order to make it compliant.
That certainly was an error, Mr. Chairman. I have those two pages with me. I previously submitted those to the staff for their review. And basically, it's an aerial photograph showing the distance from the site to the westernmost -- southwesterly most corner of the University Plaza campus, if you will, of being less than the quarter mile.
And I've also attached with that a copy of

Page 9

the FDO traffic counts in that area, measured in April 1964, which shows the capacity or the counts in that general area of 9500 vehicles per day.

So Mr. Chairman, if I could submit these to the board for the board's consideration. As I indicated, we had previously submitted the corrected copy of that to staff.

THE CHAIRPERSON: Mr. Page, did you say 1964? I believe?

MR. PAGE: '64?

THE CHAIRPERSON: Yeah.

MS. CRAWFORD: I heard '64.

MR. PAGE: Yeah. Where did I get that from? I'm not sure, but . . .

The traffic count was in April of 2014.

THE CHAIRPERSON: Okay.

MR. PAGE: Like to update that just slightly.

THE CHAIRPERSON: I don't know if we could use that one.

MR. PYLE: Do we need a motion to submit those for the record?

MR. TATE: Let me ask. He's indicated he submitted to staff. Were they in the packet

Page 10

that we received?

MR. MacCARTEE: They were not in the packet originally, but they were submitted as a late edition. And we reviewed them. So they were not submitted in the initial application package. And there's not --

MR. TATE: Not in our package. We would need to accept them.

THE CHAIRPERSON: Right. Okay.

Based on your review of them, though, will that then meet the requirement for that criteria?

MR. MacCARTEE: Yes. Even with the information that we reviewed that Mr. Page had submitted with his documentation, it appears those are traffic count numbers.

In addition, to meet the location criteria, we would say that Hillburn and the intersection of Burgess would meet the locational criteria for the rezoning.

THE CHAIRPERSON: Okay.

MR. MacCARTEE: So it was said it was not consistent prior to the applicant relying on that compatibility analysis, but it wasn't actually submitted.

Page 11

THE CHAIRPERSON: Okay.

MR. MacCARTEE: That was submitted. We reviewed it. And either way, it will meet that criteria.

THE CHAIRPERSON: Okay. So upon accepting this into evidence, the staff can change their findings, then?

MR. MacCARTEE: Okay.

THE CHAIRPERSON: All right. Mr. Page, would you describe exactly what the documents are that you have and where they came from, please?

MR. PAGE: Mr. Chairman, the documents consist of two pages. One is an aerial pbotograph taken from Google maps, basically measuring the distance from the northeasterly corner of the property to the southwesterly corner of the university property.

It's showing on here 1336 feet, only because when you barely move the mouse, the feet jump so high and low, it was difficult for me to get it in there.

But if you take a look at the aerial, which is page one, you could deduce from this that the distance would probably be around 1100

Page 12

feet or so.

Page number two is taken from the FDOT traffic counts for Escambia County. And it has a number of counter sites located down on the left-hand side. And the one we're relying on is counter number 5182, Burgess Road, showing direction one east of 4700 trips per day, west 4800 trips per day, total of about 9500.

There was another map, just to give you an idea of what the 90 --

THE CHAIRPERSON: Let's stay on this one for just a second --

MR. PAGE: Okay.

THE CHAIRPERSON: -- so I can get it brought into evidence before we go to the other map.

MR. PAGE: Sure.

THE CHAIRPERSON: What is the source of where you pulled this map from, Mr. Page?

MR. PAGE: The actual chart itself came from the FDOT 2015 average annual daily traffic count report for district.

THE CHAIRPERSON: You personally pulled that on your computer, and --

MR. PAGE: I did.

THE CHAIRPERSON: -- printed it out?
MR. PAGE: I did.
THE CHAIRPERSON: Okay. All right.
MR. JONES: Mr. Chairman, I think Caleb stated that he -- he presented this to traffic engineer.
Since we are not the experts on -- on those type of documents, I would like for Mr. Tommy Brown, who normally looks at these reports to validate that that is a -- that that was his reviewing. I don't want to say it is or isn't. Typical, generally speaking.
THE CHAIRPERSON: Okay. Let's validate that, and then we'll have the board make a motion to accept it into evidence.
MR. BROWN: Good morning, sir.
THE CHAIRPERSON: Your name and position.
MR. BROWN: Tommy Brown, transportation planner with Escambia County Transportation and Traffic Operation.
THE CHAIRPERSON: All right. You are previously sworn in, so you're still under oath.
MR. BROWN: Yes, sir.

- - -
TOMMY BROWN
previously sworn, was examined and testified further as follows:
- - -
MR. BROWN: Yeah, I saw these this morning. And I do recognize them as official counts from FDOT. This is what we use when we do any kind of operations assessment, so, yes.
THE CHAIRPERSON: Okay. Thank you, sir. All right. Thank you.
Chair will entertain motion to accept Mr. Page's documents as presented into evidence.
MR. TATE: Move to accept.
THE CHAIRPERSON: Mr. Tate, thank you.
MR. PYLE: Second.
THE CHAIRPERSON: Second, Mr. Pyle.
Any further discussion on this?
(No response.)
THE CHAIRPERSON: All those in favor say "aye."
(Chorus of ayes.)
THE CHAIRPERSON: Please label them as Applicant's Exhibit 1.
All right. Now that we have that into

evidence, did you say that the staff is going to amend their findings so that it is consistent?
MR. MacCARTEE: Yes.
THE CHAIRPERSON: Okay. So we now have all the criteria are consistent; is that correct?
MR. MacCARTEE: Yes.
THE CHAIRPERSON: Okay. All right. Go ahead, Mr. Page. You had another document you wanted to --
MR. PAGE: Mr. Chairman, only if there were any questions regarding that, I did have one other document that had some additional counts on it, but I think at this point it's probably moot.
THE CHAIRPERSON: It will be accepted in. And they're going to amend the findings.
MR. PAGE: There's no need to.
THE CHAIRPERSON: Okay.
MR. PAGE: That's all.
THE CHAIRPERSON: Anything else?
MR. MacCARTEE: We would just like to go on the record that staff is going to amend their findings for the criteria for the Land Development Code to say that it is consistent.

THE CHAIRPERSON: Okay. Thank you, sir.
MR. PAGE: Mr. Chairman, hearing that, then, we would again suggest that the applicant here would accept all of the findings of fact from the staff as amended this morning.
THE CHAIRPERSON: All right. Thank you, sir.
Don't have anyone signed up to speak, but I will ask: Is there anyone from the public that wants to speak on this case?
(No response.)
THE CHAIRPERSON: Okay. Hearing none, then we will close the public comment portion of the meeting.
Board members, sometimes when we have all the criteria met, we accept the staff's findings. We can do that in this case, if you'd like to move forward.
MR. PYLE: I will move.
THE CHAIRPERSON: The Chair will entertain a motion.
MR. PYLE: I will move we proceed with Z-2016-13 staff findings for approval.
THE CHAIRPERSON: For approval?
MR. PYLE: Yes, sir.

THE CHAIRPERSON: All right. Thank you, sir.

THE CHAIRPERSON: Second, as amended; correct?

MR. TATE: Yes, second.

THE CHAIRPERSON: Seconded.

Any further discussion?

(No response.)

THE CHAIRPERSON: All those in favor, say "aye."

(Chorus of ayes.)

THE CHAIRPERSON: Opposed?

(No response.)

THE CHAIRPERSON: All right. Motion carried. All right. Thank you, Mr. Page.

(Hearing concluded at 11:36 a.m.)

Planning Board-Rezoning **7. D.**

Meeting Date:	12/06/2016
CASE :	Z-2016-13
APPLICANT:	Wiley C. "Buddy" Page, Agent for Shaun Romero, Owner
ADDRESS:	6013 Hilburn Road
PROPERTY REF. NO.:	29-1S-30-1504-000-000
FUTURE LAND USE:	MU-U, Mixed-Use Urban
DISTRICT:	3
OVERLAY DISTRICT:	Oakfield
BCC MEETING DATE:	01/05/2017

SUBMISSION DATA:
REQUESTED REZONING:

FROM: HDR, High Density Residential district (18 du/acre)

TO: Com, Commercial district (25 du/acre, lodging unit density not limited by zoning)

RELEVANT AUTHORITY:

(1) Escambia County Comprehensive Plan
(2) Escambia County Land Development Code
(3) Board of County Commissioners of Brevard County v. Snyder, 627 So. 2d 469 (Fla. 1993)
(4) Resolution 96-34 (Quasi-judicial Proceedings)
(5) Resolution 96-13 (Ex-parte Communications)

APPROVAL CONDITIONS

Criterion a., LDC Sec. 2-7.2(b)(4)

Consistent with Comprehensive Plan

Whether the proposed rezoning is consistent with the goals, objectives, and policies of the Comprehensive Plan and not in conflict with any of the plan provisions.

CPP FLU 1.3.1 Future Land Use Categories. The Mixed-Use Urban (MU-U) Future Land Use (FLU) category is intended for an intense mix of residential and nonresidential uses while promoting compatible infill development and the separation of urban and suburban land uses within the category as a whole. Range of allowable uses include: Residential, Retail and Services, Professional Office, Light Industrial, Recreational Facilities, Public and Civic. The maximum residential density is 25 dwelling units per acre.

FLU 1.5.1 New Development and Redevelopment in Built Areas. To promote the efficient use of existing public roads, utilities, and service infrastructure, the County will encourage the redevelopment in underutilized properties to maximize development densities and intensities located in the MU-S, MU-U, Commercial, and Industrial Future Land Use categories (with the exception of residential development).

FLU 2.1.1 Infrastructure Capacities. Urban uses will be concentrated in the urbanized areas with the most intense development permitted in the Mixed-Use Urban (MU-U) areas and areas with sufficient central water and sewer system capacity to accommodate higher density development. Land use densities may be increased through Comprehensive Plan amendments. This policy is intended to direct higher density urban uses to those areas with infrastructure capacities sufficient to meet demands and to those areas with capacities in excess of current or projected demand. Septic systems remain allowed through Florida Health Department permits where central sewer is not available.

FINDINGS

The proposed amendment to Commercial **is consistent** with the intent and purpose of Future Land Use category MU-U as stated in CPP FLU 1.3.1. The Future Land Use of Mixed-Use Urban allows for a mix of residential and retail services. The property **would promote** good efficient use of existing public roads and an underutilized property that would conform with CPP FLU 1.5.1.

Per FLU 2.1.1 the uses will be concentrated in the urbanized areas with the most intense development permitted in the Mixed-Use Urban (MU-U) areas.

Sufficient central water and sewer system capacity to accommodate higher density development will be reviewed during the site plan review process.

Criterion b., LDC Sec. 2-7.2(b)(4)

Consistent with The Land Development Code

Whether the proposed amendment is in conflict with any portion of this Code, and is consistent with the stated purpose and intent of this Code.

Sec. 3-2.8 High Density Residential district (HDR).

(a) Purpose. The High Density Residential (HDR) district establishes appropriate areas and land use regulations for residential uses at high densities within urban areas. The primary intent of the district is to provide for residential neighborhood development in an efficient urban pattern of well-connected streets and at greater dwelling unit density and diversity than the Medium Density Residential district. Residential uses within the HDR district include most forms of single-family, two-family and multi-family dwellings. Non-residential uses within the district are limited to those that are compatible with urban residential neighborhoods.

Sec. 3-2.10 Commercial district (Com).

(a) Purpose. The Commercial (Com) district establishes appropriate areas and land use regulations for general commercial activities, especially the retailing of commodities and services. The primary intent of the district is to allow more diverse and intense commercial uses than the neighborhood commercial allowed within the mixed-use districts. To maintain compatibility with surrounding uses, all commercial operations within the Commercial district are limited to the confines of buildings and not allowed to produce undesirable effects on surrounding property. To retain adequate area for commercial activities, new and expanded residential development within the district is limited, consistent with the Commercial (C) future land use category.

(e) Location criteria. All new non-residential uses proposed within the Commercial district that are not part of a planned unit development or not identified as exempt by the district shall be on parcels that satisfy at least one of the following location criteria:

(1) Proximity to intersection. Along an arterial or collector street and within one-quarter mile of its intersection with an arterial street.

(2) Proximity to traffic generator. Along an arterial or collector street and within a one-quarter mile radius of an individual traffic generator of more than 600 daily trips, such as an apartment complex, military base, college campus, hospital, shopping mall or similar generator.

(3) Infill development. Along an arterial or collector street, in an area where already established non-residential uses are otherwise consistent with the Commercial district, and where the new use would constitute infill development of similar intensity as the conforming development on surrounding parcels. Additionally, the location would promote compact development and not contribute to or promote strip commercial development.
(4) Site design. Along an arterial or collector street, no more than one-half mile from its intersection with an arterial or collector street, not abutting a single-family residential zoning district (RR, LDR or MDR), and all of the following site design conditions:
a. Any Intrusion into a recorded subdivision is limited to a corner lot.
b. A system of service roads or shared access is provided to the maximum extent made feasible by lot area, shape, ownership patterns, and site and street characteristics.
c. Adverse impacts to any adjoining residential uses are minimized by placing the more intensive elements of the use, such as solid waste dumpsters and truck loading/unloading areas, furthest from the residential uses.
(5) Documented compatibility. A compatibility analysis prepared by the applicant provides competent substantial evidence of unique circumstances regarding the potential uses of parcel that were not anticipated by the alternative criteria, and the proposed use, or rezoning as applicable, will be able to achieve long-term compatibility with existing and potential uses. Additionally, the following conditions exist:
a. The parcel has not been rezoned by the landowner from the mixed-use, commercial, or industrial zoning assigned by the county.
b. If the parcel is within a county redevelopment district, the use will be consistent with the district's adopted redevelopment plan, as reviewed and recommended by the Community Redevelopment Agency (CRA).

FINDINGS

The proposed amendment **is not consistent** with the intent and purpose of the Land Development Code. The applicant did not provide a compatibility analysis.

The following language is from an excerpt from the interoffice memorandum comments provided by the County's Transportation and Traffic Operations (TTO) Division staff: Z-2016-13 – Burgess Rd is currently programmed for right-of-way acquisition in the FL-AL Long Range Transportation Plan. Existing right-of-way is sufficient for the proposed four lane expansion of Burgess Rd.

Criterion c., LDC Sec. 2-7.2(b)(4)

Compatible with surrounding uses

Whether all land uses, development activities, and conditions allowed by the proposed zoning are compatible with the surrounding conforming uses, activities and conditions and are able to coexist in relative proximity to them in a stable fashion over time such that no use, activity, or condition negatively impacts another. The appropriateness of the rezoning is not limited to any specific use that may be proposed but is evident for all permitted uses of the requested zoning.

FINDINGS

The proposed amendment **is compatible** with surrounding existing uses in the area. Within the 500' radius impact area, staff observed properties with zoning districts MDR, HDR, and Com. These uses include vacant commercial, existing commercial, and single and multi-family residence in the area.

Criterion d., LDC Sec. 2-7.2(b)(4)

Changed conditions

Whether the area to which the proposed rezoning would apply has changed, or is changing, to such a degree that it is in the public interest to encourage new uses, density, or intensity in the area through rezoning.

FINDINGS

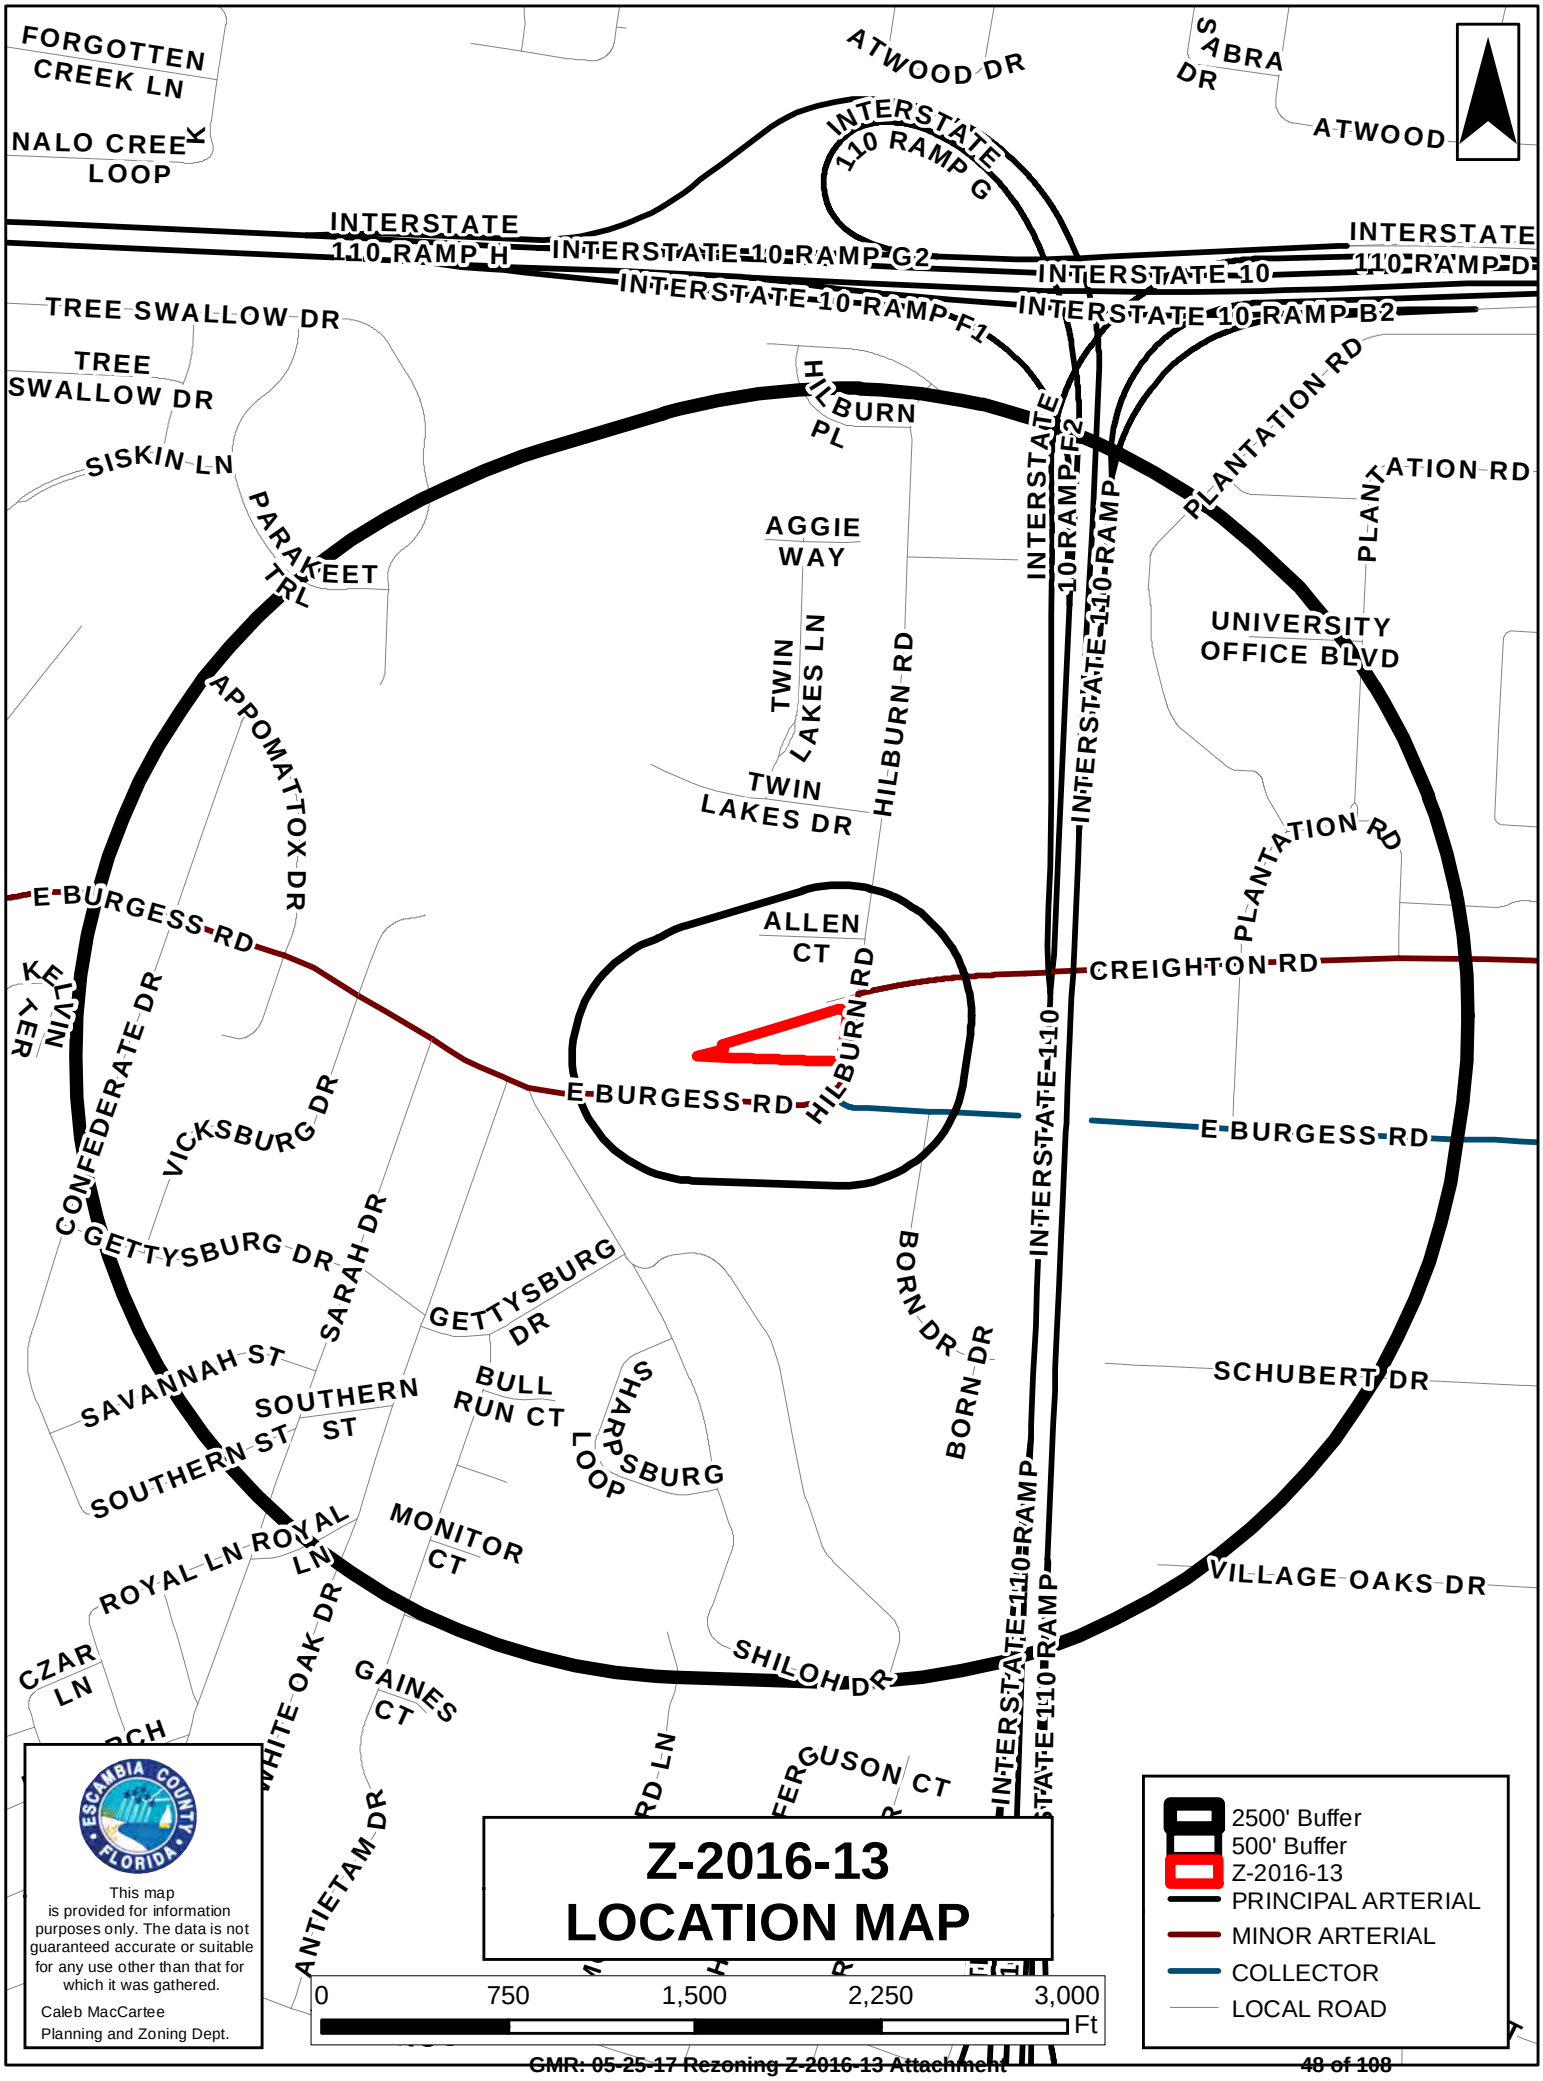
Staff found **no changed** conditions that would impact the amendment or property. Staff found case Z-2004-42 at 190 Creighton Road, approved 12/09/2004 for rezoning from R-4 to C-1. Staff also found case Z-2005-58 at 473 Allen Court, approved 01/05/2006 for rezoning from R-4 to C-1.

Criterion e., LDC Sec. 2-7.2(b)(4)

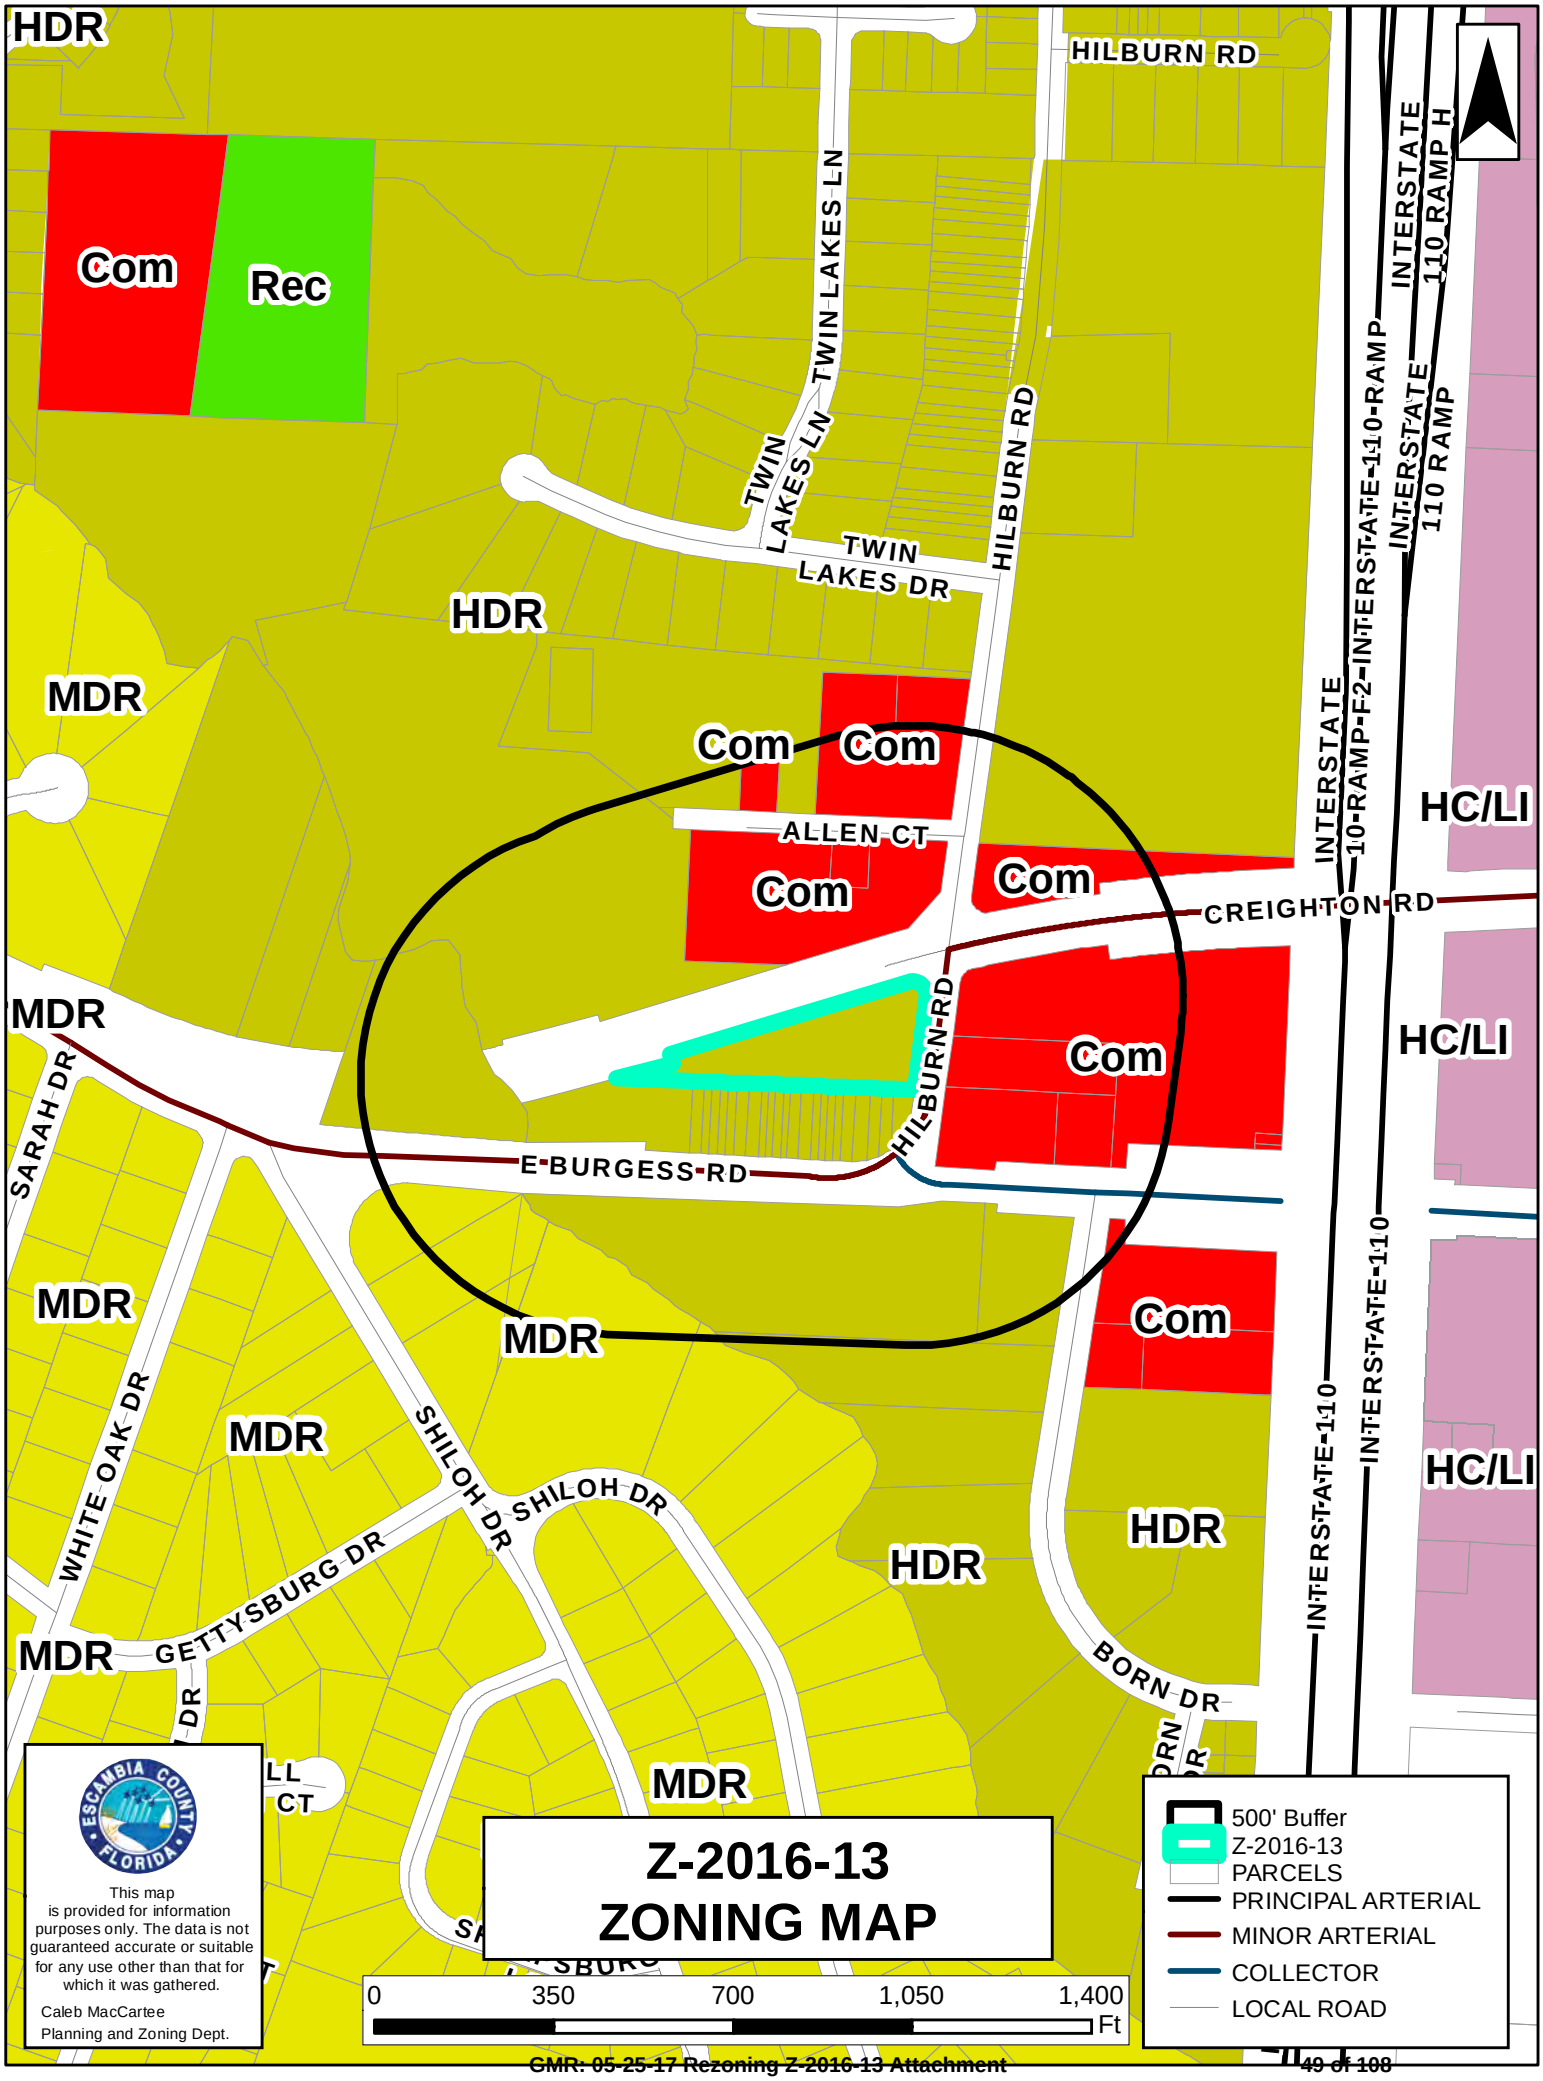
Development patterns

Whether the proposed rezoning would contribute to or result in a logical and orderly development pattern.

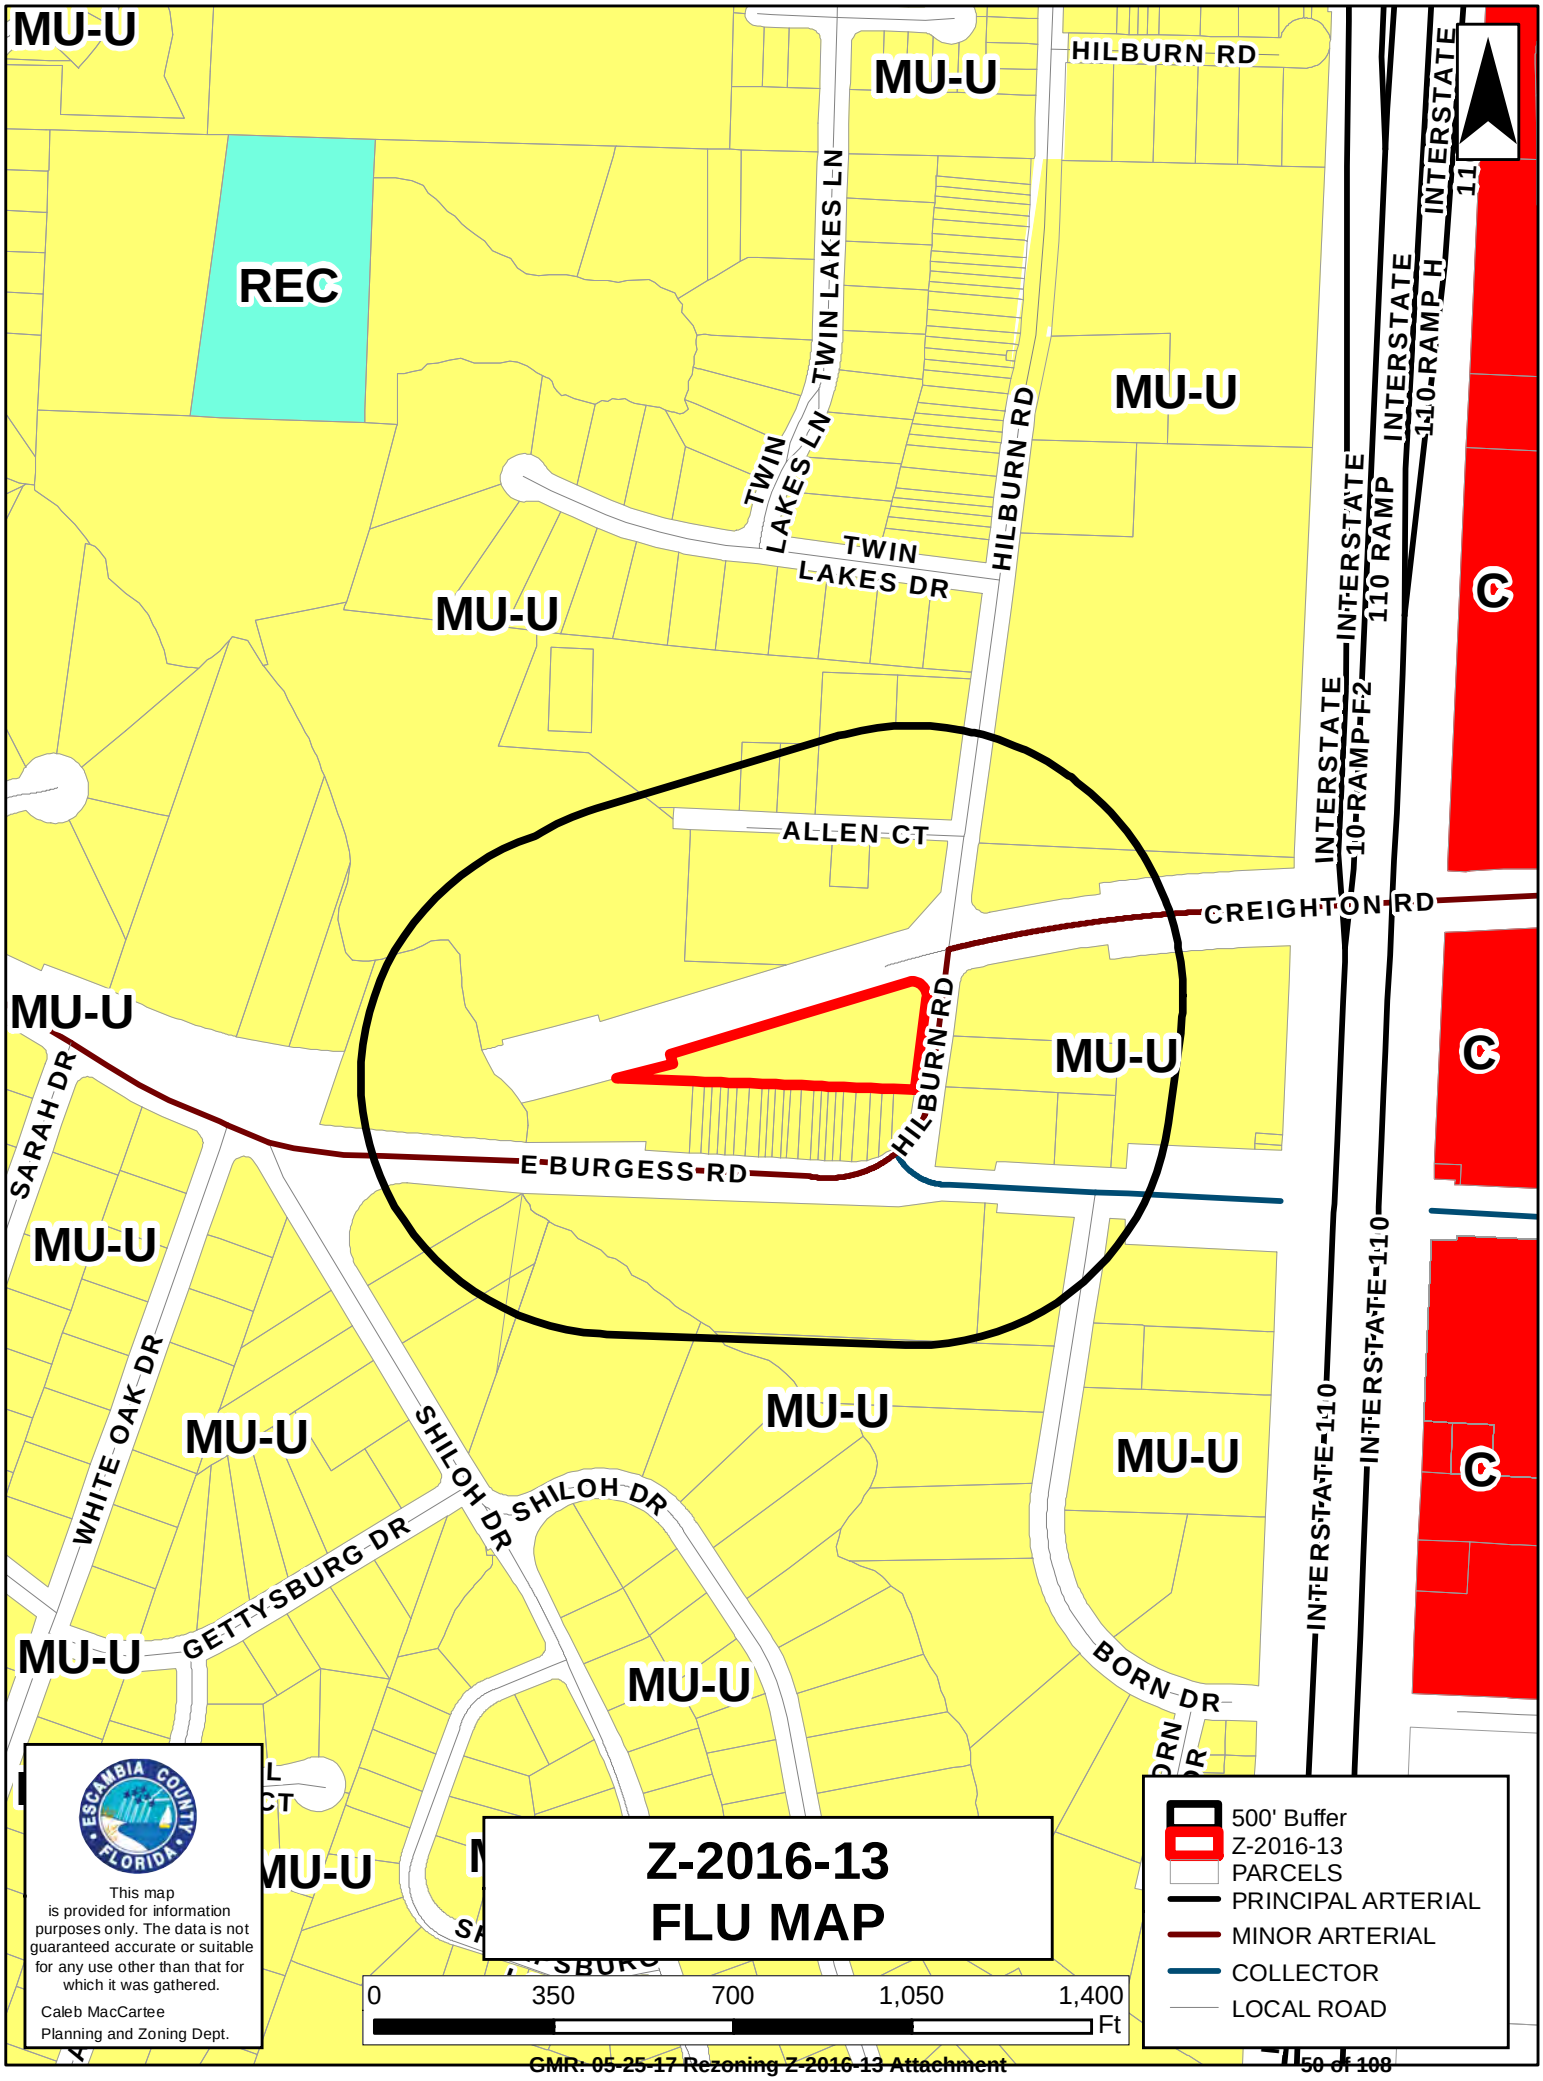
FINDINGS



The proposed amendment **would result** in a logical and orderly development pattern. The site is surrounded by Com zoning to the north and east of the subject property. The approval of the rezoning will contribute to the establishment of Commercial uses that would compliment the other Commercial zoned properties in the area.



Criterion (f) LDC Sec. 2-7.2(b)(4)
Effect on natural environment
Whether the proposed rezoning would increase the probability of any significant adverse impacts on the natural environment.



FINDINGS
According to the National Wetland Inventory, wetlands and hydric soils **were not** indicated on the subject property. When applicable, further review during the Site Plan Review process will be necessary to determine if there would be any significant adverse impact on the natural environment.

Mr. Horace Jones, Director
Development Services Department
1363 Park Place Central Complex
Pensacola, Florida 32505

RE: Rezoning Application Request 6013 Hilburn Road
Property Parcel 29-1S-30-1504-000-000
Request: HDR to Com.

Dear Mr. Jones:

Please find our attached application package requesting Planning Board consideration to change the referenced property zoning category from HDR to Com commercial. The property is located at the southwest corner of Hilburn Road and Creighton Road just west of I-110 and University Mall.

Creighton Road serves as an east west traffic corridor for traffic leaving the University Mall area and all west bound traffic passes in front of this property. FDOT has counted some 9,500 trips per day at this property (see attached FDOT map) in large part due to the close proximity to the mall, suggesting that it meets location criteria requirements.

This request is consistent with provisions within the Comprehensive Plan and the Land Development Code. The existing FLU of Mixed Use Urban allows Commercial zoning.

The requested Commercial category will be compatible with surrounding existing zoning including Commercial to the east and north and west HDR on both the north and south sides of the property.

No changed conditions were observed in the area, and the property is largely high and dry suggesting development will have little or no effect on the natural environment. Existing development patterns contain a mixture or zoning categories and uses suggesting the requested Commercial classification will be consistent with existing development patterns.

Please contact me if you require additional information.

Sincerely yours,

Wiley C."Buddy" Page

4. **Please complete the following Forms: Concurrency Determination Acknowledgement and Affidavit of Owner/Limited Power of Attorney (if applicable).**

CONCURRENCY DETERMINATION ACKNOWLEDGMENT

Property Reference Number(s): 2915301504000000

Property Address: 6013 Hilburn Road Pensacola, FL.

I/We acknowledge and agree that no future development for which concurrency of required facilities and services must be certified shall be approved for the subject parcel(s) without the issuance of a certificate of concurrency for the development based on the actual densities and intensities proposed in the future development's permit application.

I/We also acknowledge and agree that approval of a zoning district amendment (rezoning) or Future Land Use Map amendment does not certify, vest, or otherwise guarantee that concurrency of required facilities and services is, or will be, available for any future development of the subject parcels.

I/We further acknowledge and agree that no development for which concurrency must be certified shall be approved unless at least one of the following minimum conditions of the Comprehensive Plan will be met for each facility and service of the County's concurrency management system prior to development approval:

a. The necessary facilities or services are in place at the time a development permit is issued.

b. A development permit is issued subject to the condition that the necessary facilities and services will be in place and available to serve the new development at the time of the issuance of a certificate of occupancy.

c. For parks and recreation facilities and roads, the necessary facilities are under construction at the time the development permit is issued.

d. For parks and recreation facilities, the necessary facilities are the subject of a binding executed contract for the construction of the facilities at the time the development permit is issued and the agreement requires that facility construction must commence within one year of the issuance of the development permit.

e. The necessary facilities and services are guaranteed in an enforceable development agreement. An enforceable development agreement may include, but is not limited to, development agreements pursuant to Section 163.3220, F.S., or as amended, or an agreement or development order issued pursuant to Chapter 380, F.S., or as amended. For wastewater, solid waste, potable water, and stormwater facilities, any such agreement will guarantee the necessary facilities and services to be in place and available to serve the new development at the time of the issuance of a certificate of occupancy.

f. For roads, the necessary facilities needed to serve the development are included in the first three years of the applicable Five-Year Florida Department of Transportation (FDOT) Work Program or are in place or under actual construction no more than three years after the issuance of a County development order or permit.

I HEREBY ACKNOWLEDGE THAT I HAVE READ, UNDERSTAND AND AGREE WITH THE ABOVE STATEMENT ON THIS 12th DAY OF August, YEAR OF 2016.

5. Submittal Requirements

A. _____ Completed application: All applicable areas of the application shall be filled in and submitted to the Planning and Zoning Department, 3363 West Park Place, Pensacola, FL 32505.

B. _____ Application Fees: To view fees visit the website: http://myescambia.com/business/ds/planning-board or contact us at 595-3547

Note: Fees include all notices and advertisements required for the public hearing and a $5 technical fee. Payments must be submitted prior to 3 pm of the closing date of acceptance of application. Please make checks payable to Escambia County. MasterCard and Visa are also accepted.

C. _____ Legal Proof of Ownership (ex: copy of Tax Notice or Warranty Deed) AND a Certified Boundary Survey (Include Corporation/LLC documentation if applicable.)

D. _____ Compatibility Analysis (if applicable): If the subject property does not meet the roadway requirements of Locational Criteria, a compatibility analysis prepared by the applicant is required to provide substantial evidence of unique circumstances regarding the parcel or use that were not anticipated by the alternative criteria. (See "Documented Compatibility" within the request zoning district of the LDC.)

E. _____ Signed and Notarized Affidavit of Owner/Limited Power of Attorney AND Concurrency Determination Acknowledgement (pages 4 and 5).

By my signature, I hereby certify that:

1) I am duly qualified as owner(s) or authorized agent to make such application, this application is of my own choosing, and staff has explained all procedures relating to this request; and

2) All information given is accurate to the best of my knowledge and belief, and I understand that deliberate misrepresentation of such information will be grounds for denial or reversal of this application and/or revocation of any approval based upon this application; and

3) I understand that there are no guarantees as to the outcome of this request, and that the application fee is non-refundable; and

4) I authorize County staff to enter upon the property referenced herein at any reasonable time for purposes of site inspection and authorize placement of a public notice sign(s) on the property referenced herein at a location(s) to be determined by County staff; and

5) I am aware that Public Hearing notices (legal ad and/or postcards) for the request shall be provided by the Development Services Bureau.

ESCAMBIA COUNTY, FLORIDA

INTEROFFICE MEMORANDUM

TO: Andrew Holmer, Development Services Manager
Development Services Department

FROM: Tommy Brown, Transportation Planner
Transportation & Traffic Operations Division

THRU: David Forte, Division Manager
Transportation & Traffic Operations Division

DATE: November 9, 2016

RE: Transportation & Traffic Operations (TTO) Comments

TTO Staff has reviewed the agenda for the upcoming Planning Board meeting scheduled for December 6, 2016. Please see staff comments below:

- Z-2016-13 – Burgess Rd is currently programmed for right-of-way acquisition in the FL-AL Long Range Transportation Plan. Existing right-of-way is sufficient for the proposed four lane expansion of Burgess Rd.

Please note that TTO's review is solely based off the application submittal packet, so the comments above hold no bearing on future TTO comments during the Development Review process.

Public Hearing
Speaker Request Form

Please Print Clearly

Meeting Date: 12-6-16

Rezoning Quasi-judicial Hearing
Rezoning Case #: 2016-13

OR

Regular Planning Board Meeting
Agenda Item Number/Description: _____

✓ In Favor _____ Against

*Name: Buddy Page

*Address: 5337 Hamilton Ln *City, State, Zip: Pace 32571

Email Address: budpage1@att.net Phone: 2329853

How did you hear about the rezoning case: ☐ Mail ☐ Internet ☐ Sign

Please indicate if you:
☑ would like to be notified of any further action related to the public hearing item.
☐ do not wish to speak but would like to be notified of any further action related to the public hearing item.

*All items with an asterisk * are required.*

****

Chamber Rules

1. All who wish to speak will be heard.
2. You must sign up to speak. This form must be filled out and given to the Clerk in order to be heard.
3. When the Chairman calls you to speak, come to the podium, adjust the microphone so you can be heard, then state your NAME and ADDRESS for the record.
4. Please keep your remarks BRIEF and FACTUAL.
5. Everyone will be granted uniform time to speak (normally 3 - 5 minutes).
6. Should there be a need for information to be presented to the Board, please provide 13 copies for distribution. The Board will determine whether to accept the information into evidence. Once accepted, copies are given to the Clerk for Board distribution.
7. During quasi-judicial hearings (i.e., rezonings), conduct is very formal and regulated by Supreme Court decisions. Verbal reaction or applause is not appropriate.

BOARD OF COUNTY COMMISSIONERS
ESCAMBIA COUNTY, FLORIDA

INTEROFFICE MEMORANDUM

TO: **Andrew Holmer, Development Services Manager**
Development Services Department

FROM: **David Forte, Division Manager**
Transportation & Traffic Operations Division

DATE: **March 20, 2017**

RE: **Transportation & Traffic Operations (TTO) Comments – Z-2016-13**

TTO Staff has reviewed the Rezoning Case (Z)-2016-13, 6013 Hilburn Road, agenda item for the upcoming Planning Board meeting scheduled for April 6, 2017. Please see the below comments.

Currently, there is a Roadway Improvement Project programmed in the County's Capital Improvement Program and the State of Florida's Florida Department of Transportation (FDOT) 5-Year Work Program along SR742 (Burgess Road) from US29 to Hilburn Road within the vicinity of the subject parcel. The project is expected to widen the existing two-way, two-lane roadway to a 4-lane roadway. The right-of-way acquisition phase (currently on-going) is programmed through Fiscal Year 2018, with the County expected to fund $1M towards the right-of-way phase.

The Florida-Alabama Transportation Planning Organization (TPO) currently lists the aforementioned project as the #2 Non-Strategic Intermodal System capacity project for the TPO 2040 Long Range Transportation Plan (LRTP). The TPO's LRTP Cost Feasible Plan programs the construction phase ($18M) during the Fiscal Year 2021-2025 time period.

Per the TPO's Congestion Management Process Plan, Burgess Road is currently functioning within its allowable capacity for traffic volumes between the segment of CR95A (Old Palafox) and Hilburn Road. The maximum level-of-service (LOS) for the roadway segment is LOS D (14,800 trips/day), and currently the roadway segment is functioning at a LOS D (8,000 trips/day) and is expected to remain at a LOS D and exceed 9,700 trips/day by Year 2024.

Note: TTO's review is solely based off the application submittal packet, so the comments above hold no bearing on future TTO comments during the Development Review process.

PROCEEDINGS.....4

CERTIFICATE OF REPORTER.....18

P R O C E E D I N G S

THE CHAIRMAN: I'm going to hereby call the meeting for April 4th back into session. And we will now move on to our next case, which is Case Z-2017-03. Buddy Page is acting for the agent for Ali Ramzan, owner, 101 Beverly Parkway, .172 acres, from HDMU, high-density mixed-use to HC/LI-NA, which is the heavy commercial and light industrial district, prohibiting the subsequent establishment of any microbreweries, microdistilleries, microwineries, bars, nightclubs, or adult entertainment uses, 25 dwelling units per acre.

Members of the board, we're going to ask if there's been any ex parte communication on this case between you, the applicants, agents, witnesses, fellow Planning Board members, or anyone from the public? Also, have you visited the subject property, and disclose if you are related or a business associate of any of the parties.

And we'll start down here.

MR. OPALENIK: No to all.

MS. HIGHTOWER: No to all.

THE CHAIRMAN: No to all.

MR. FEARS: I have visited the property. I pass it on my way to work. My employer is within the mailing radius, but we would experience no benefits or anything from the outcome of this case.

THE CHAIRMAN: Okay. Thank you.

MR. INGWELL: No to all.

MR. CLAY: No to all.

MR. RUSHING: No to all.

THE CHAIRMAN: All right. Thank you.

Staff, was a notice of the hearing sent to all interested parties?

MS. MEADOR: Yes, sir.

THE CHAIRMAN: And was it also correctly posted on the subject property?

MS. MEADOR: Yes, sir.

THE CHAIRMAN: Okay. Mr. Page, if there's no objections, we'll do the maps and photography.

And who will be presenting? Allyson?

MS. CAIN: Good morning. Allyson Cain, urban planner.

THE CHAIRMAN:

MS. CAIN: This is the Case Z-2017-03 at

Page 5

101 Beverly Parkway.
On the screen, it shows the location map on Beverly Parkway.
This is the 500-foot zoning map, showing the current zoning of HDMU, with the surrounding zoning of commercial.
This is the future land use map showing mixed-use urban.
This is the existing land use showing the parcel on the corner of Beverly and Hansen Boulevard and the surrounding existing land uses. This is the aerial photograph.
It's in the Palafox Redevelopment Area. This shows the large area of Palafox overlay this is in.
And this is our 2500-foot mailing radius map. This is our public notice sign posted on the subject property. And this is a picture of the subject property on Beverly Parkway.
This is looking west along Beverly Parkway from the subject property. This is looking across Beverly Parkway from the subject property. That's the funeral home.
This is looking east from the subject property toward Palafox on Highway 29. Looking

Page 6

north from the subject property at the corner of Hensen Boulevard and Beverly Parkway.
This is another view looking north along Hansen Boulevard. It's actually from the entrance of the Walgreen's across Hansen Boulevard.
And this is just another shot looking on the subject property showing the subject property with the current building and the accessory building. This is another view of the subject property from Hansen Boulevard.
And that's the photographs and maps.
THE CHAIRMAN: Okay. Thank you.
Mr. Page, if you will come forward now. Sir, you've been previously sworn in on a previous case. You still are under oath. If you would, please, state your name and address for the record.

- - -

...WILEY C. "BUDDY" PAGE, previously duly sworn, was examined and testified as follows:

- - -

MR. PAGE: Mr. Chairman, Buddy Page, 5337 Hamilton Lane; Pace, Florida.
THE CHAIRMAN: Thank you, sir.

Page 7

On this case, have you received a copy of the rezoning hearing package and the findings of facts?
MR. PAGE: I have.
THE CHAIRMAN: All right. And on this case, do you understand you have the burden of providing substantial competent evidence that the proposed rezoning is consistent with the Comp Plan; furthers the goals, objectives and policies of that Comprehensive Plan; and is not in conflict with any portion of the Land Development Code?
MR. PAGE: I do.
THE CHAIRMAN: Thank you, sir. Please proceed.
MR. PAGE: Mr. Chairman, the information that we have provided for each of the categories in terms of the approval conditions A through E, they stand as submitted.
We have nothing to offer other than what we have previously offered that's before us this morning.
THE CHAIRMAN: Okay. We do have a speaker on the case as well, so we'll give you an opportunity at the end to come back and rebut

Page 8

any questions.
Who will be presenting for staff?
MS. CAIN: I will.
THE CHAIRMAN: Okay. All right. Are you ready?
MS. CAIN: Okay. Case Z-2017-03. As far as the first criteria for compatibility with the Comprehensive Plan, it is consistent with the mixed-use urban, which does allow for a mix of residential and nonresidential uses, such as retail sales, professional offices, and also some other . . .
Criterion B, consistency with the Land Development Code. The project is in a Palafox Redevelopment Area, and which requires several nonresidential site building requirements.
Criteria to be met in regards to building materials, facade, lighting, landscaping, et cetera. Staff actually requested comments from the Community Redevelopment Agency, but at this time that department has not provided us any comments.
The requested HC/LI-NA -- and the NA stands for nonalcoholic -- is not consistent, due to the known designation would allow a broad

range of commercial and industrial uses.

Although the request, NA, nonalcoholic, it does prohibit the establishment of microbreweries, microdistilleries, bars, nightclubs and adult entertainment, the HC/LI would introduce a very large, more intense industrial use in the area.

Criterion C, surrounding uses. We found that it was not compatible with the surrounding uses. The parcels along Beverly Parkway are currently designated commercial, such as insurance agencies, hair salons, small retail sales and services. The parcels to the south along Caroline Way are currently residential homes existing.

If the request is granted, this will allow light manufacturing, large-scale wholesale, as well as other more intense uses than are currently existing in the area. It is recommended that a more appropriate zoning of commercial zoning be considered in order to create a smooth transition from the HDMU.

Commercial would allow a more compatible use with the current activities that are in the area, and noting that certain types of uses

would require conditional use, such as user end sales.

Criteria D, changed conditions. There are no changed conditions that were found that would impact the area.

Development patterns, criteria E. The request would not result in an orderly development pattern because the majority of the uses that are existing along Beverly Parkway are a complementary mix of residential and neighborhood retail sales and services, and the HC/LI-NA would be more intense than a commercial zoning, if that was desired.

And Criteria F, natural environment. There were no wetlands or hydric soils on the subject property.

So basically we feel that the requested HC/LI-NA would be not compatible, more intense, and a more . . . more fit would be a commercial zoning because it would be a smoother transition from the current HCMU zoning.

THE CHAIRMAN: Okay. And can the staff support a commercial rezoning with the findings of facts, if it comes to be an alternative here?

MS. CAIN: Yes, sir. With the

commercial -- that the uses for commercial and HCLI are similar in some nature, but there are -- as you know, there are commercial entities zoning across Beverly Parkway, and cater-cornered on Hansen.

Like I said, if the HC/LI is introduced, they can do, you know, light industrial manufacturing, and there is not that kind of use in the area currently, and so it would -- it would introduce more intense development.

THE CHAIRMAN: Okay. All right.

Mr. Page, before we move on to public comments, did you want to talk about any of these items now or just . . . Okay. All right.

We do have a speaker signed up to speak. Members of the public who wish to speak on this, please note that Planning Board does not consider general statements of support or opposition.

Accordingly, please limit your testimony to the approved conditions and exceptions described in Section 2-7.2.

Please also note that only those individuals who are present today can give testimony on the record and will be allowed to

speak at the subsequent hearing before the Board of County Commissioners.

I have one speaker signed up, former commissioner Mike Whitehead.

Welcome. And thank you for the service to the county in the past. We'll have you sworn in, sir.

- - -

...MIKE WHITEHEAD, upon being duly sworn, was examined and testified as follows:

- - -

THE CHAIRMAN: Thank you, sir. Your name and address for the record, please.

MR. WHITEHEAD: Mike Whitehead, 3200 Marcus Point Boulevard, Pensacola 32505.

THE CHAIRMAN: Thank you, sir.

MR. WHITEHEAD: I'm the owner of the property next door. And I support the staff's recommendations on the original finding.

We don't agree that this would provide for orderly development. I believe under criterion B, the Land Development Code, it's a clear case of spot zoning. There is nothing similar to that in the area.

It backs up to residential properties.

It's surrounded by residential properties. And it's actually only 250 feet from Brentwood Park, which I did not notice in the recommendations.

Under criterion C, it's not compatible with the surrounding uses. We are primarily what you would call very light commercial, 9:00 to 5:00 types of operations. I have a uniform shop next door. We have some insurance services. Everybody's closed at 5:00; it's gone.

We don't need a more intense use on what is only .17 acres, I might add. It's an incredibly small piece of property.

Under T, there certainly has not been any changes in the development pattern in that area. It's not orderly development. This would really be a wart on that area.

We have attempted to keep it. We're in the Oka Lake District. We try to work with signage, and all of these kinds of things. And for all of these reasons, I would not support the revision to commercial.

HDMU, as it's currently zoned, allows them to -- you know, if they want to put in a little bakery or a -- you name it, another insurance

place, a flower shop, anything that meets what we're trying to do there.

You do have residential backing up directly to these properties, so any changes in the intensity, I think, would be a degradation to the neighborhood, and we don't support it. But we do certainly support the staff's findings, as far as they went on the original recommendation.

THE CHAIRMAN: Okay.

MR. WHITEHEAD: Thank you.

THE CHAIRMAN: Thank you, sir.

Board members, any questions?

(No response.)

THE CHAIRMAN: All right.

Anyone else from members of the public that wish to speak on this case?

(No response.)

THE CHAIRMAN: All right. Hearing none, we will hereby close the public comments portion of the meeting.

And Mr. Page, if you will come back up. Obviously, the findings leave three categories that are shown nonconsistent. You heard the staff also say that they offer up a potential

change to commercial, which they could support with findings, so we'll let you go ahead and proceed.

MR. PAGE: Mr. Chairman, the intended use of the property is not something that would survive a commercial and a conditional use effort, so our original application with the original information submitted, this is the information that we conclude with. And that's all we have.

THE CHAIRMAN: You don't wish to make any additional comments on a criterion that the staff findings . . .

MR. PAGE: I do not. I think the findings speak for themselves.

THE CHAIRMAN: Okay. All right.

Board members, are there any questions of the applicant, the agent for the owner, or the staff members?

(No response.)

THE CHAIRMAN: Okay. If there are no questions or discussion, then the Chair will entertain a motion.

MR. JONES: I do have a question.

THE CHAIRMAN: Mr. Jones.

MR. JONES: For the record -- for the record, so -- so we heard from -- from the citizen, so -- Mr. Page.

So basically, you -- you don't want to have no change or no revisions for a lower zoning from HC/LI to commercial? I'm just trying to be clear on what your statement that you just made that you support staff.

MR. PAGE: Mr. Chairman, the application and the owner wish to continue an operation that he has existing down the road from this, and that is used automobile sales.

MR. JONES: Okay.

THE CHAIRMAN: The used automobile sales in terms of a commercial and a conditional use application even further down the road, we don't see that type of activity, even if it went the conditional use route, appearing before the Zoning Board of Adjustments and Appeals. I think it to be very likely that that board would hear the same concerns of adjacent neighbors at that juncture. And for those reasons, I think our original application and our original request with the criteria that we have with it stands.

THE CHAIRMAN: Okay. Thank you.
Thank you, Mr. Jones for following up there. We always try to work together with members of the public, so . . . Okay.
Board members, you've heard all the testimony. Are there any questions? If not, I'll entertain a motion.
MR. FEARS: Make a motion that we deny case Z-2017-03, on the basis of incompatible with three of the six criteria.
THE CHAIRMAN: Thank you, sir.
Do we have a second?
MR. INGWELL: Second.
THE CHAIRMAN: Any further discussion?
(No response.)
THE CHAIRMAN: All those in favor say "aye."
(Chorus of "ayes.")
THE CHAIRMAN: Opposed?
(No response.)
THE CHAIRMAN: Motion carries.
So it will be recommended for denial on case Z-2017-03.
(Hearing concluded at 10:22 a.m.)

REQUESTED REZONING:

FROM: HDMU, High Density Mixed-use district (25 du/acre)

TO: HC/LI-NA, Heavy Commercial and Light Industrial district, prohibiting the subsequent establishment of any microbreweries, microdistilleries, microwineries, bars, nightclubs, or adult entertainment uses (25 du/acre, lodging unit density not limited by zoning)

RELEVANT AUTHORITY:

(1) Escambia County Comprehensive Plan
(2) Escambia County Land Development Code
(3) Board of County Commissioners of Brevard County v. Snyder, 627 So. 2d 469 (Fla. 1993)
(4) Resolution 96-34 (Quasi-judicial Proceedings)
(5) Resolution 96-13 (Ex-parte Communications)

APPROVAL CONDITIONS

Criterion a., LDC Sec. 2-7.2(b)(4)

Consistent with Comprehensive Plan

Whether the proposed rezoning is consistent with the goals, objectives, and policies of the Comprehensive Plan and not in conflict with any of the plan provisions.

Comprehensive Plan (CPP) FLU 1.3.1 Future Land Use Categories.
MU-U, Mixed Use Urban is intended for an intense mix of residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses within the category as a whole.
CPP FLU 1.5.1 New Development and Redevelopment in Built Areas.
To promote the efficient use of existing public roads, utilities and service infrastructure, the County will encourage redevelopment in underutilized properties to maximize development densities and intensities located in the Mixed Use-Suburban, Mixed Use-Urban, Commercial and Industrial Future Land Use districts categories (with the exception of residential development).

FINDINGS

The proposed amendment to HC/LI-NA **is consistent** with the intent and purpose of Future Land Use category MU-U as stated in CPP FLU 1.3.1. The Future Land Use allows for a mix of both residential and non-residential uses such a retail and services, professional office and light industrial. As stated in CPP FLU 1.5.1, if development occurs, the property will utilize the existing roadway, utilities and infrastructures and will encourage redevelopment of the underutilized property to maximize development densities and intensities located in the Mixed-Use Urban Future Land use categories.

Criterion b., LDC Sec. 2-7.2(b)(4)

Consistent with The Land Development Code

Whether the proposed amendment is in conflict with any portion of this Code, and is consistent with the stated purpose and intent of this Code.
Sec. 3-3.6 Palafox Overlay (Pfox-OL).

(e) Non-residential site and building requirements. The following non-residential site and building requirements apply within the Pfox-OL district

1. **Structure height.** New or redeveloped buildings, or building additions, shall complement the existing pattern of building heights. No structure shall exceed 45 feet in height and any lower height required by the underlying zoning district shall govern.
2. **Materials and detailing.** New structures, additions and renovations

shall be constructed to be long-lasting and use materials and detailing that maintain the distinct character and harmony of the Palafox Community Redevelopment District. Vinyl or metal siding is prohibited on the primary facades of buildings adjacent to public rights-of-way. All accessory structures shall use the same materials, color, and/or style of the primary façade if visible from a public way.

3. **Setbacks.** New construction shall be set back a distance similar to that of adjacent buildings unless customer parking is provided adjacent to the street in support of CPTED principles. Exceptions may be granted if the setback is pedestrian oriented and contributes to the quality and character of the streetscape.
4. **Facades.**
    a. **Front facades.** A front building facade more than 80 feet in width shall be divided into increments by changes in materials, bay windows, wall offsets, or similar methods.
    b. **Rear façade.** A minimum of 15 feet of a building's rear façade facing a public right of way, parking area, or open space shall consist of transparent materials, not including reflective glass.
5. **Natural features.** Natural features shall be protected and integrated into site design and development where possible. The applicant shall demonstrate how the development protects and incorporates existing vegetation.
6. **Landscaping.** Water conservation is encouraged through proper landscape plant selection, installation and maintenance practices. Native plant species are required. All non-residential development applications shall include a landscape plan as part of compliance review. The plan shall include the areas of natural vegetation to be protected, location and species of all plants to be installed, and an irrigation plan.
7. **Signs.** Site signage is limited to one freestanding monument sign per development parcel, scaled primarily for pedestrians, and not to exceed 100 square feet in area and 12 feet in height, except for multi-tenant development where the sign may be up to 300 square feet. Sign colors, materials, and lighting shall avoid adverse visual impacts on surrounding properties. Wall signs shall not obstruct design details, windows, or cornices of the buildings to which they are attached. For individual tenants in a multi-tenant development, wall signs shall not exceed 20 square feet per sign.
8. **Lighting.** Lighting in the overlay district should serve to illuminate facades, entrances and signage to provide an adequate level of personal safety while enhancing the aesthetic appeal of the buildings. Building and signage lighting must be indirect, with the light source

hidden from direct pedestrian and motorist view.

9. **Parking.** Parking in the overlay district must adequately serve the users without detracting from the compact design that makes it a successful commercial center. Off-street parking must be located in the rear. If the lot orientation cannot accommodate adequate rear parking, parking on the side would then be permitted.
10. **Buffers and screening of outdoor storage.** All outside storage must be screened from public view. The screening must use the same materials, color, and/or style as the primary building for architectural compatibility with the primary building and the building it is adjacent to. If the outside storage area is separate from the building it serves the following shall apply:
11. **Type.** Only fences constructed of legitimate fencing materials (may or may not be opaque) or masonry, concrete or stucco walls may supplement buffers. Specifically, garage doors and sheets of roofing material do not qualify for fencing or wall materials.
    a. **Screening of outdoor storage.** Opaque fencing shall mean chain link fence with slats, privacy wooden fence, or privacy PVC/vinyl fence. A six-foot concrete or stucco wall may also be used to screen outdoor storage.

LDC Section 3-2.11 Heavy commercial and light industrial district (HC/LI)

Permitted uses. Permitted uses within the HC/LI district are limited to the following:

(1) Residential. Any residential uses if outside of the Industrial (I) future land use category and part of a predominantly commercial development, excluding new or expanded manufactured (mobile) home parks and subdivisions. See also conditional uses in this district.

(2) Retail sales. Retail sales, including Low-THC marijuana dispensing facilities, sales of alcoholic beverages, sales of automotive fuels, and sales of new and used automobiles, motorcycles, boats, and manufactured (mobile) homes.

(3) Retail services.

a.Car washes, automatic or manual, full service or self-serve.

b. Child care facilities**.**

c. Hotels, motels and all other public lodging, including boarding and rooming houses.

d. Personal services, including those of beauty shops, health clubs, pet groomers, dry cleaners and tattoo parlors**.**

e. Professional services, including those of realtors, bankers, accountants, engineers, architects, dentists, physicians, and attorneys.

f. Rental of automobiles, trucks, utility trailers and recreational vehicles**.**

g. Repair services, including appliance repair, furniture refinishing and upholstery, watch and jewelry repair, small engine and motor services, and major motor vehicle and boat service and repair, but excluding outdoor work or storage.
h. Restaurants and brewpubs, including on-premises consumption of alcoholic beverages, drive-in and drive-through service, and brewpubs with the distribution of on-premises produced alcoholic beverages for off-site sales. The parcel boundary of any restaurant or brewpub with drive-in or drive-through service shall be at least 200 feet from any LDR or MDR zoning district unless i. separated by a 50-foot or wider street right-of-way.
i. Taxi and limousine services.See also conditional uses in this district.
(4) Public and civic.
a. Broadcast stations with satellite dishes and antennas, including towers.
b. Cemeteries, including family cemeteries.
c. Community service facilities, including auditoriums, libraries, museums, and neighborhood centers.
d. Educational facilities, including preschools, K-12, colleges, and vocational schools.
e. Emergency service facilities, including law enforcement, fire fighting, and medical assistance.
f. Funeral establishments.
g. Homeless shelters.
h. Hospitals.
i. Offices for government agencies or public utilities.
j. Places of worship.
k. Public utility structures, including telecommunications towers, but excluding industrial uses not otherwise permitted.See also conditional uses in this district.
(5) Recreation and entertainment.
a. Commercial entertainment facilities, indoor or outdoor, including movie theatres, amusement parks, and stadiums, but excluding motorsports facilities. Carnival-type amusements shall be at least 500 feet from any residential district. Bars, nightclubs, and adult entertainment are prohibited in areas with the zoning designation HC/LI-NA or areas zoned ID-CP or ID-1 prior to adoption of HC/LI zoning.
b. Commercial recreation facilities, passive or active, including those for walking, hiking, bicycling, camping, recreational vehicles, swimming, skateboarding, bowling, court games, field sports, and golf, but excluding off-highway vehicle uses and outdoor shooting ranges. Campgrounds and recreational vehicle parks require a minimum lot area of five acres.
c. Marinas, private and commercial.
d. Parks, with or without permanent restrooms or outdoor event lighting.

See also conditional uses in this district

(6) Industrial and related.

a. Light industrial uses, including research and development, printing and binding, distribution and wholesale warehousing, and manufacturing, all completely within the confines of buildings and without adverse off-site impacts.

b. Marinas, industrial.

c. Microbreweries, microdistilleries, and microwineries, except in areas with the zoning designation HC/LI-NA or areas zoned ID-CP or ID-1 prior to adoption of HC/LI zoning.

See also conditional uses in this district.

(7) Agricultural and related.

a Food produced primarily for personal consumption by the producer, but no farm animals.

b. Nurseries and garden centers, including adjoining outdoor storage or display of plants.

c. Veterinary clinics, excluding outside kennels.

See also conditional uses in this district.

(8) Other uses.

a. Billboards structures, excluding areas zoned ID-CP, GBD, or GID prior to adoption of HC/LI zoning.

b. Building or construction trades shops and warehouses, including on-site outside storage.

c. Bus leasing and rental facilities.

d. Deposit boxes for donation of used items when placed as an accessory structure on the site of a charitable organization.

e. Outdoor adjacent display of plants by garden shops and nurseries.

f. Outdoor sales.

g. Outdoor storage of trailered boats and operable recreational vehicles, excluding repair, overhaul or salvage activities.

h. Parking garages and lots, commercial.

i. Sales and outdoor display of prefabricated storage sheds.

j. Self-storage facilities, including vehicle rental as an accessory use.

HC/LI-NA designation. Any applicant for rezoning to the HC/LI zoning district may request a HC/LI-NA designation prohibiting the subsequent establishment of any microbreweries, microdistilleries, microwineries, bars, nightclubs, or adult entertainment uses on the rezoned property. The request shall be in the form of a notarized affidavit that acknowledges this use restriction and affirms that it is a voluntary request. Once approved according to the rezoning process of Chapter 2, the **HC/LI-NA zoning designation and its prohibitions shall apply to the property, regardless of ownership, unless the parcel is rezoned.**

FINDINGS

The proposed amendment to HC/LI-NA **is not consistent** with the intent and purpose of the Land Development Code. Heavy commercial/light industrial allows for a broad range of intense commercial and industrial uses, but prohibits the establishment of microbreweries, microdistilleries, bars, nightclubs, or adult entertainment uses. See the list of permitted uses above. The parcel does meets the locational criteria as stated in LDC 3-2.11(8)(e)(1), being addressed on Beverly Parkway, an arterial roadway and within one-quarter mile of its intersection with an arterial street. The proposed request to rezone to HC/LI-NA is inappropriate for the area and would consequently introduce large scale, more intense industrial uses. David Forte, Division Manager in the Transportation and Traffic Division has provided review and comments applicable to this specific case, see Attachment A.

The parcel is within the Palafox Redevelopment area and must comply with the requirements as stated in LDC 3-3.5, listed above. CRA department has not provided comments at this time.

Criterion c., LDC Sec. 2-7.2(b)(4)

Compatible with surrounding uses

Whether all land uses, development activities, and conditions allowed by the proposed zoning are compatible with the surrounding conforming uses, activities and conditions and are able to coexist in relative proximity to them in a stable fashion over time such that no use, activity, or condition negatively impacts another. The appropriateness of the rezoning is not limited to any specific use that may be proposed but is evident for all permitted uses of the requested zoning.

FINDINGS

The proposed amendment **is not compatible** with surrounding existing uses in the area. Within the 500' radius impact area, properties were zoned HDMU, Com and HC/LI. As stated in LDC Section 3-2.11, the primary intent of the HC/LI-NA district is to allow wholesale, retail, light manufacturing, major services and more intense uses while prohibiting breweries, distilleries, wineries, bars, nightclubs, or adult entertainment uses. The parcels fronting Beverly Parkway are currently neighborhood commercial uses, and the parcels to the south, along Carolyn Way, are existing residential. The HC/LI district allows for a mix of industrial uses with a broad range of commercial activities. If the request is granted, it would allow light manufacturing, large-scale wholesale and other more intense uses than are allowed in the current zoning. It is recommended the parcel be

considered for a less intense zoning designation such as Commercial, in order to create a smooth transition from HDMU. Commercial zoning designation would allow activities that are more compatible with the existing mixed-use neighborhood commercial uses. Certain types of uses will require conditional use approval such as used automobile sales.

Criterion d., LDC Sec. 2-7.2(b)(4)

Changed conditions

Whether the area to which the proposed rezoning would apply has changed, or is changing, to such a degree that it is in the public interest to encourage new uses, density, or intensity in the area through rezoning.

FINDINGS

Staff found **no changed** conditions that would impact the amendment or property.

Criterion e., LDC Sec. 2-7.2(b)(4)

Development patterns

Whether the proposed rezoning would contribute to or result in a logical and orderly development pattern.

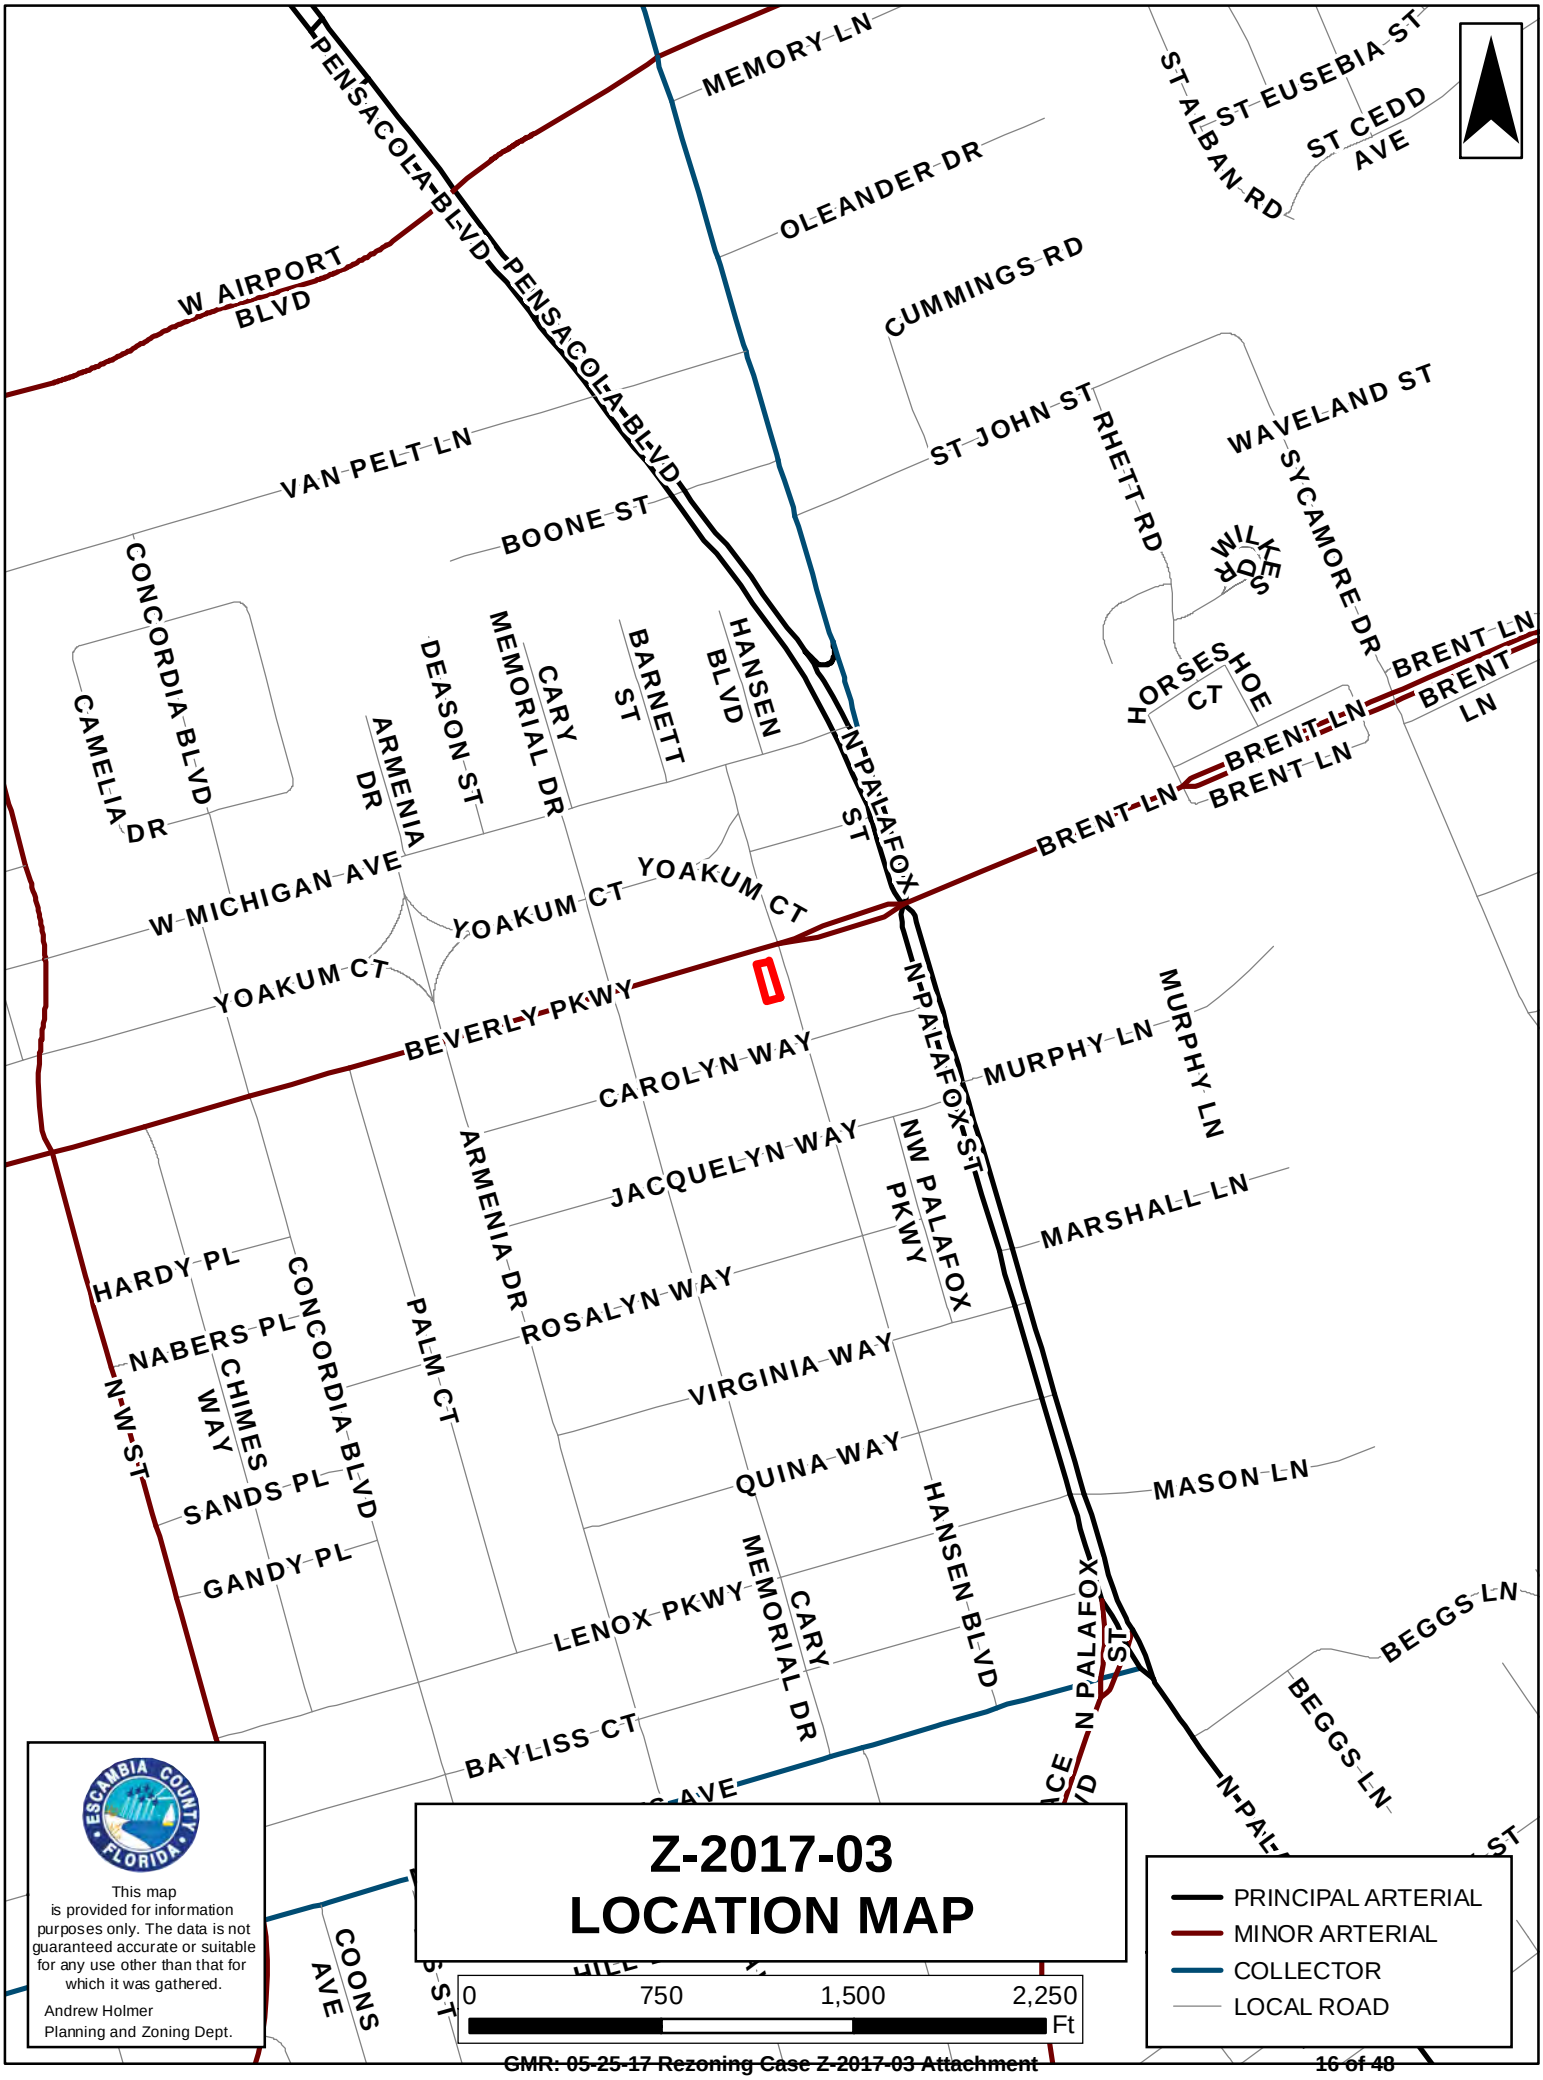
FINDINGS

The proposed amendment **would not result** in a logical and orderly development pattern. The majority of uses along Beverly Parkway within the area of the subject property are a complimentary mix of residential and neighborhood retail sales and services. Uses as listed for HC/LI district would be more intense than if the Commercial zoning district was assigned. When applicable, further review during the Site Plan Review process will be necessary to determine the new development complies with all applicable LDC regulations for buffering, parking, access and any other requirements of the code to ensure the activity will not adversely impact the existing neighborhood.

Criterion f., LDC Sec. 2-7.2(b)(4)

Effect on natural environment

Whether the proposed rezoning would increase the probability of any significant adverse impacts on the natural environment.



FINDINGS

According to the National Wetland Inventory, wetlands and hydric soils **were not** indicated on the subject property. When applicable, further review during the Site Plan Review process will be necessary to determine if there would

be any significant adverse impact on the natural environment.

VIA HAND DELIVERY

Mr. Horace Jones, Director
Development Services Department
3363 West Park Place
Pensacola, Florida 32505

RE: 101 Beverly Parkway Rezoning
Parcel No. 46-1S-30-2001-024-018

Dear Mr. Jones:

The attached application requests consideration to rezone the referenced property from **HD/MU to HD/LI.** This requested zoning category is consistent with the Future Land Use Map classification of Mixed Use Urban suggesting no changes will be required to the FLUM map. The owner is proposing to develop the property and relocate his existing nearby car sales lot to this site.

With regard to **LDC 3-2.11(e) Locational Criteria** requirements, the site is located within a 1/4 mile radius of a major roadway intersection, a college campus and a major drug store, each of which generate traffic trips at over 600 trips per day. As such, the proposed use meets the location criteria as being near an activity that generates more than the minimum required 600 vehicle trips per day.

Please contact me if you have any questions or need anything further.

Sincerely yours,

Wiley C."Buddy" Page

REZONING APPROVAL CONDITIONS

101 Beverly Parkway

1- Consistent with Comprehensive Plan. The proposed rezoning is consistent with the goals, objectives and policies of the Comprehensive Plan and not in conflict with any of its provisions.

RESPONSE- This 0.30 acre site is classified as Mixed Use-Urban MU-U on the adopted Future Land Use Map. This FLU category lists a number of zoning districts there under which are consistent and this list includes HD/MU which is the category requested by this application. This suggests consistency with the Goals, Objectives and Policies of the Comprehensive Plan.

2- Consistent with LDC. The proposed rezoning is consistent with the purposes and intent of the LDC and not in conflict with any of its provisions.

The Land Development Code contains the following:

Sec. 1-1.5 Purpose of LDC. (a) General. The Land Development Code implements the land use goals, objectives and policies of the Escambia County Comprehensive Plan through specific regulations that govern the use and development of land within the county. These regulations are necessary to protect the public health, safety and general welfare, private property rights, the natural environment, and the economic vitality of the county.

RESPONSE - This request is consistent with the stated primary intent in that the end result will result in an expanded opportunity for compatible commercial development in an efficient manner and pattern which is well connected to the area street network. The site has existing higher density nearby and fronts on Brent Lane/Beverly Parkway, a designated arterial roadway.

3-Compatibility. All land uses, development activities, and conditions allowed by the proposed zoning are compatible with the surrounding conforming uses, activities and conditions and are able to coexist in relative proximity to them in a stable fashion over time such that no use, activity, or condition negatively impacts another. The appropriateness of the rezoning is not limited to any specific use that may be proposed but is evident for all permitted uses of the requested zoning. This condition shall not apply to any conditional uses of the proposed district or compatibility with nonconforming or unapproved uses, activities, or conditions.

RESPONSE: As shown on the attached maps, the site is adjacent to Walgreen's Drug Store to the east, a bank and funeral home to the north, retail units to the east and residential to the south. This category and surrounding zoning categories is a mirror to that found just west at the intersection of Beverly Parkway and Armenia Drive. This zoning at the northwest corner of this intersection was requested by Frontier Motors sometime back, and contains commercial and mixed use-urban as adjacent zoning categories. Historically, it has been told that this entire Beverly Parkway frontage commercial zoning was mistakenly applied to many lots on the south side of Michigan Avenue.

4- Changed conditions. The area to which the proposed rezoning would apply has changed, or is changing, to such a degree that it is in the public interest to encourage new uses, density, or intensity in the area through rezoning.

RESPONSE: The continuous expansion of the Pensacola Christian College campus is perhaps the closest area of change in the vicinity together with three new automotive dealership buildings currently under construction along Hwy. 29. Moreover, the FDOT traffic counts on Beverly Parkway show some 27,500 trips per day compared to

Hwy 29/ Pensacola Blvd. at 25,500 and 28,000 trips per day. Projections then, show that traffic along Beverly Parkway will continue to increase as a important and growing arterial roadway.

5- Development patterns. The proposed rezoning would contribute to or result in a logical and orderly development pattern.

RESPONSE: If this request is granted, the permitted changes will be logical and orderly and consistent with those existing uses currently observed in the adjacent areas.

6- Effect on natural environment. The proposed rezoning would not increase the probability of any significant adverse impacts on the natural environment.

RESPONSE: The site is flat & high and dry. No wetlands were observed on the site or surrounding areas.

Recorded in Public Records 12/05/2014 at 10:51 AM OR Book 7268 Page 715, Instrument #2014090462, Pam Childers Clerk of the Circuit Court Escambia County, FL Recording $27.00 Deed Stamps $175.00

COMMENTS

Desired Zoning: Com

Is Locational Criteria applicable? yes If so, is a compatibility analysis required? no

Com Zoning does not allow the Sale of motor vehicles on outdoor storage. Would be advisable to go to DRC pre-app conference. Applicant changed request to HC/LI-NA for Sale of motor vehicles. Change to HC/LI in the area may be considered Spot Zoning. Meets location criteria - within ½ mile of arterial/arterial intersection.

INTEROFFICE MEMORANDUM

TO: **Andrew Holmer, Development Services Manager**
Development Services Department

FROM: **David Forte, Division Manager**
Transportation & Traffic Operations Division

DATE: **March 20, 2017**

RE: **Transportation & Traffic Operations (TTO) Comments – Z-2017-03**

TTO Staff has reviewed the Rezoning Case (Z)-2017-03, 101 SR296 (Beverly Parkway), agenda item for the upcoming Planning Board meeting scheduled for April 6, 2017. Please see the below comments.

Currently, there are no Roadway Improvement Projects programmed in the County's Capital Improvement Program or the State of Florida's Florida Department of Transportation (FDOT) 5-Year Work Program along Beverly Parkway within the vicinity of the subject parcel.

Per the Florida-Alabama Transportation Planning Organization (TPO) Congestion Management Process Plan, Beverly Parkway is currently functioning within its allowable capacity for traffic volumes between the segment of SR10A (Mobile Hwy) and SR95 (Palafox Hwy). The maximum level-of-service (LOS) for the roadway segment is LOS D (39,800 trips/day), and currently the roadway segment is functioning at a LOS C (30,000 trips/day) and is expected to exceed 36,000 trips/day by Year 2024.

The TPO 2040 Long Range Transportation Plan (LRTP) does not currently include a capacity project along Beverly Parkway within the general vicinity of the subject parcel.

Note: TTO's review is solely based off the application submittal packet, so the comments above hold no bearing on future TTO comments during the Development Review process.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12249 **Growth Management Report 12. 9.**
BCC Regular Meeting **Public Hearing**
Meeting Date: 05/25/2017
Issue: 5:51 p.m. - Amendment to the Official Zoning Map
From: Horace Jones, Director
Organization: Development Services

RECOMMENDATION:
5:51 p.m. A Public Hearing for Consideration for Adopting an Ordinance Amending the Official Zoning Map

That the Board adopt an Ordinance to amend the Official Zoning Map to include the rezoning cases heard by the Planning Board on April 4, 2017, and approved during the previous agenda item and to provide for severability, inclusion in the code, and an effective date.

BACKGROUND:
Rezoning cases Z-2016-13 and Z-2017-03 were heard by the Planning Board on April 4, 2017. Under the Land Development Code (LDC), the Board of County Commissioners reviews the record and the recommended order of the Planning Board and conducts a Public Hearing for adoption of the LDC Zoning Map Amendment.

As a means of achieving the Board's goal of "decreasing response time from notification of citizen needs to ultimate resolution," the Board is acting on both the approval of the Planning Board's recommendation and the LDC Map Amendment for this month's rezoning cases.

The previous report item addresses the Board's determination regarding the Planning Board's recommendation. This report item addresses only the Public Hearing and adoption of the Ordinance amending the LDC Official Zoning Map.

BUDGETARY IMPACT:
No budgetary impacts are expected as a result of the recommended Board action.

LEGAL CONSIDERATIONS/SIGN-OFF:
A copy of the standardized Ordinance has initially been provided to the County Attorney's office for review regarding compliance with rezoning requirements in Florida Statutes and the Land Development Code.

PERSONNEL:

No additional personnel are anticipated for the implementation of this recommended Board action.

POLICY/REQUIREMENT FOR BOARD ACTION:

The Board Chairman will need to sign the Ordinance to amend the Official Zoning Map.

IMPLEMENTATION/COORDINATION:

This Ordinance, amending the Land Development Code Official Zoning Map, will be filed with the Department of State following adoption by the Board.

This proposed Ordinance was prepared by the Development Services Department in coordination with the County Attorney's Office, and interested citizens. The Development Services Department will ensure proper advertisement.

Draft Ordinance

ORDINANCE NUMBER 2017-_____

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, AMENDING PART III OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, THE LAND DEVELOPMENT CODE OF ESCAMBIA COUNTY, FLORIDA, AS AMENDED; AMENDING CHAPTER 3, ARTICLE 1, SECTION 3-1.3(b), THE OFFICIAL ZONING MAP; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; PROVIDING FOR AN EFFECTIVE DATE.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA:

Section 1. Purpose and Intent.

The Official Zoning Map of Escambia County, Florida, as adopted by reference and codified in Part III of the Escambia County Code of Ordinances, the Land Development Code of Escambia County, Florida, as amended: Chapter 3, Article 1, Section 3-1.3(b), and all notations, references and information shown thereon as it relates to the following described real property in Escambia County, Florida, is hereby amended, as follows.

Case No.:	**Z-2016-13**
Address:	6013 Hilburn Road
Property Reference No.:	29-1S-30-1504-000-000

DRAFT

zoning)

FLU Category: MU-U, Mixed-Use Urban

Section 2. Severability.

If any section, sentence, clause or phrase of this Ordinance is held to be invalid or unconstitutional by any court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this Ordinance.

Section 3. Inclusion in Code.

It is the intention of the Board of County Commissioners that the provisions of this Ordinance shall be codified as required by F.S. § 125.68; and that the sections, subsections and other provisions of this Ordinance may be renumbered or re-lettered and the word "ordinance" may be changed to "section," "article," or such other appropriate word or phrase in order to accomplish such intentions.

Section 4. Effective Date.

This Ordinance shall become effective upon filing with the Department of State.

AI-12226 **Growth Management Report** **12. 1.**
BCC Regular Meeting **Action**
Meeting Date: 05/25/2017
Issue: Acceptance of Temporary (Five-Year) Restriction from Development of Property and Acceptance of Property for Corridor Preservation - Briar Ridge, LLC
From: Horace Jones, Director
Organization: Development Services

RECOMMENDATION:

Recommendation Concerning the Acceptance of Temporary (Five-Year) Restriction from Development of Property and Acceptance of Property for Corridor Preservation - Briar Ridge, LLC

That the Board authorize staff to proceed with the process of accepting/acquiring the donated property.

BACKGROUND:

Briar Ridge is the owner of a 93-acre parcel of land in the County. Briar Ridge has submitted land use applications to change the Future Land Use category for approximately 56 acres of land from Industrial to Mixed Use-Suburban and to change the zoning district from Industrial to Low Density Residential.

The County adopted Ordinance 2007-81 in December 2007, known as the Corridor Preservation Ordinance, for the purpose of preservation of a transportation corridor which would serve to connect the areas surrounding Nine Mile Road and Beulah Road and Interstate 10. Briar Ridge's property is subject to the Corridor Preservation Ordinance.

The County, in conjunction with its transportation consultant, has determined through preparation of the Alternative Corridor Evaluation Report that said transportation corridor, if developed, will foreseeably follow Isaacs Lane, a County maintained dirt road located adjacent to the property owned by Briar Ridge. The County has determined that 104.5 feet of right-of-way is needed if a four-lane highway is to be constructed. Briar Ridge recognizes the Corridor Preservation Ordinance and would also benefit from construction of the transportation corridor. The public would benefit from construction of same.

Briar Ridge wishes to donate the westernmost 50 feet of property for use in construction

of a transportation corridor if the property is in the Mixed-Use Suburban Future Land Use Category and the Low Density Residential zoning district at the time of the donation. Briar Ridge further agrees to preserve the westernmost 50 feet of their property in the portion remaining zoned Industrial and to work cooperatively with the County or other government entity, if needed, in the future for development of the transportation corridor.

The County previously entered into an Agreement with Briar Ridge whereby the County agreed to accept the donation of land and the temporary restriction from development on the subject parcel in furtherance of the purpose and intent of the Corridor Preservation Ordinance.

BUDGETARY IMPACT:

No budgetary impact is anticipated.

LEGAL CONSIDERATIONS/SIGN-OFF:

This item has been reviewed and approved for legal sufficiency by Meredith D. Crawford, Assistant County Attorney.

PERSONNEL:

No additional personnel are required.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

ORGANIZATION: Board of County Commissioners

FROM: Commissioner Jeff W. Bergosh, Vice Chairman, District 1

DATE: March 16, 2017

ISSUE: Agreement Concerning Briar Ridge, LLC, between Escambia County, Florida and Briar Ridge, LLC and Acceptance by the County of Temporary Restriction from Sale, Transfer, or Development of Property for Corridor Preservation

RECOMMENDATION:

That the Board take the following action:

A. Accept and authorize the Chairman to sign the Agreement concerning Briar Ridge, LLC, between Escambia County, Florida and Briar Ridge, LLC, and

B. Accept and authorize the Chairman to sign the Temporary Restriction from Sale, Transfer, or Development of Property for Corridor Preservation.

BACKGROUND:

The proposed agreement is between Briar Ridge, LLC, a limited liability company created and existing under the laws of Florida and Escambia County. Briar Ridge is the owner of a 93 acre parcel of land in the County. Briar Ridge has submitted land use applications to change the Future Land Use category for approximately 56 acres of land from Industrial to Mixed Use-Suburban and to change the zoning district from Industrial to Low Density Residential.

The County adopted Ordinance 2007-81 in December 2007, known as the Corridor Preservation Ordinance, for the purpose of preservation of a transportation corridor which would serve to connect the areas surrounding Nine Mile Road and Beulah Road and Interstate-10. Briar Ridge's property is subject to the Corridor Preservation Ordinance.

The County, in conjunction with its transportation consultant, has determined through preparation of the Alternative Corridor Evaluation Report that said transportation corridor, if developed, will foreseeably follow Isaacs Lane, a County maintained dirt road located adjacent to the property owned by Briar Ridge. The County has determined that 104.5 feet of right-of-way is needed if a four lane highway is to be constructed. Briar Ridge recognizes the Corridor Preservation Ordinance and would also benefit from construction of the transportation corridor. The public would benefit from construction of same.

Briar Ridge wishes to donate the westernmost 50 feet of property for use in construction of a transportation corridor if the property is in the Mixed-Use Suburban Future Land Use Category and the Low Density Residential zoning district at the time of the donation. Briar Ridge further agrees to preserve the westernmost 50 feet of their property in the portion remaining zoned Industrial and to work

cooperatively with the County or other government entity if needed in the future for development of the transportation corridor.

Agreement
Temporary Restriction from Sale, Transfer, or Development of Property for Corridor Preservation

Escambia County
Clerk's Original

3/16/2017 Request
Add-on #1

STATE OF FLORIDA
COUNTY OF ESCAMBIA

AGREEMENT CONCERNING BRIAR RIDGE, LLC, BETWEEN ESCAMBIA COUNTY, FLORIDA AND BRIAR RIDGE, LLC.

THIS AGREEMENT is made by and between Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as the "County"), with administrative offices located at 221 Palafox Place, Pensacola, Florida 32502 and Briar Ridge, LLC, a limited liability company, created and existing under the laws of the State of Florida, (hereinafter referred to as "Briar Ridge") with administrative offices located at 201 E. Government Street, Suite 20, Pensacola, Florida 32502 (at times referred to as "party" or "parties" or "agency" or "agencies").

Date: 3/23/2017 Verified By: [signature]

WITNESSETH:

WHEREAS, Briar Ridge is the owner of a 93 acre parcel of land in Escambia County; more particularly described as Parcel # 34-1N-31-2101-000-001 (the "Property"); and

WHEREAS, Briar Ridge submitted an application to change the Future Land Use category for approximately 56 acres of the Property from Industrial to Mixed Use – Suburban (Application LSA 2016-03), and to change the zoning district from Industrial to Low Density Residential (Application Z-2016-11); and

WHEREAS, the purpose of the land use changes is to allow development of the 56 acres as a single-family subdivision; and

WHEREAS, the County adopted Ordinance 2007-81 in December 2007, known as the Corridor Preservation Ordinance, for the purpose of preservation of a transportation corridor which would serve to connect the areas surrounding Nine Mile Road and Beulah Road with Interstate-10; and

WHEREAS, the County may limit certain development activities on property which is subject to the Corridor Preservation Ordinance; and

WHEREAS, the County, in conjunction with its transportation consultant, has determined through preparation of the Alternative Corridor Evaluation Report that said transportation corridor, if developed, will foreseeably follow Isaacs Lane, a County maintained dirt road located adjacent to the western boundary of the Property; and

WHEREAS, the County has determined that 104.5 feet of right-of-way will be needed if a four lane highway is constructed to connect Beulah Road to a new I-10 Interchange at the northern end of Isaacs Lane, if the Interchange is approved for construction; and

WHEREAS, a portion of the needed right-of-way will be provided by the existing Isaacs Lane right-of-way; and

WHEREAS, Briar Ridge recognizes the Corridor Preservation Ordinance; and

WHEREAS, Briar Ridge's development would benefit from construction of the transportation corridor in the vicinity of their development; and

WHEREAS, Briar Ridge wishes to work with the County for the benefit of its development and for the benefit of the public; and

WHEREAS, Briar Ridge wishes to donate the westernmost 50 feet of the Property that is described in Applications LSA 2016-03 and Z-2016-11, for use in the development of the transportation corridor, if the Property is in the Mixed-Use Suburban Future Land Use Category and the Low Density Residential zoning district at the time of the donation; and

WHEREAS, the County wishes to accept the donation of the westernmost 50 feet of the Property for use in the construction of the transportation corridor; and

WHEREAS, the County and Briar Ridge desire to work together cooperatively to ensure that adequate right-of-way, if needed in the future to improve Isaacs Lane, will be available at fair market value to any governmental entity that may need to acquire right-of-way; and

WHEREAS, Briar Ridge can afford to make this offer to the County if its financial condition is improved by receiving the requested land use changes to the Mixed Use – Suburban Future Land Use category, with Low Density Residential zoning for the requested 56 acres; and

WHEREAS, Briar Ridge desires to avoid a legal dispute with the County; and

WHEREAS, the County desires to avoid a legal dispute with Briar Ridge;

NOW THEREFORE, for and in consideration of the mutual covenants contained herein and the mutual benefits each unto the other, and for other good and valuable consideration, the parties to the Agreement hereby agree as follows:

Article 1
Purpose

1.1 The recitals contained in the Preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

Article 2
Responsibilities of the Parties

2.1 In return for the County's transmittal and processing of the pending land use applications; and in return for the County's willingness to treat Briar Ridge fairly if additional property is needed from Briar Ridge in the future to support the I-10 Interchange project, Briar Ridge offers the consideration described herein.

2.2 Briar Ridge will donate to the County the westernmost 50 feet of the Property that is described in Applications LSA 2016-03 and Z-2016-11, if the property described in these land use applications is in the Mixed Use – Suburban Future Land Use category and the Low Density Residential zoning district at the time of the donation by Briar Ridge.

a. The land donation will be by Warranty Deed, with the deed to be issued within 60 days of the approval of the requested Future Land Use category and zoning district, unless either County Ordinance approving LSA 2016-03 and Z-2016-11 has been either appealed or otherwise challenged in a court action. If the land use changes are either appealed or challenged, transfer shall occur within 15 days of a favorable (to Briar Ridge) final resolution of the appeal or court challenge.

b. The donation will be at no cost to the County, except that the County will pay any recording fees and documentary stamp taxes that are assessed on the transfer.

c. The deed transferring the donated property will include a future use restriction preventing any use other than for public or private expansion of Isaacs Lane as a paved roadway. If the property is not used for the allowed purpose, the donated property will remain in its natural state.

2.3 At the time of Execution of this Agreement, Briar Ridge will record a document in the Official Records of Escambia County preserving the westernmost 50 feet of the full length of its property, Parcel # 34-1N-31-2101-000-001, preserving and protecting this portion of the property from any development. The document described in this subparagraph and which is to be recorded will include a provision pursuant to which the corridor preservation will terminate automatically and without further action by either Briar Ridge or the County upon the first to occur of the following two events: (1) the recordation of the transfer of property to the County that is described in paragraph 2.2; or (2) the determination by the County to deny either pending land use application; namely LSA 2016-03 or Z-2016-11.

2.4 At the same time that the property described in paragraph 2.2 is transferred to the County, Briar Ridge will execute a document appropriate for recording in the Official Records of Escambia County that will preserve from any development or use the westernmost 50 feet of the Briar Ridge Property that remains in the Industrial land use category after adoption of Ordinances approving LSA 2016-03 and Z-2016-11, subject to the conditions stated below.

a. The duration of the voluntary preservation of current use (undeveloped land) will be for 5 years from the date of execution of the document to be recorded; however, at the option of the County, the document may contain a provision that will allow one or more extensions of the preservation period, upon mutual agreement of Briar Ridge and the County. However, if a final determination is made by the County within

the initial 5 years, or any extension thereof, that the preserved corridor will NOT be needed to support a new I-10 Interchange, then the document shall provide that the County will sign an appropriate written confirmation that will remove the preservation requirement imposed pursuant to this Agreement.

b. The County may enforce the preservation grant by denying any request for a development order or other land use permit that would authorize a use of the preserved 50 foot corridor that is not acceptable to the County.

c. The document preserving the 50 foot corridor shall run with the land and be binding on successors and assigns of Briar Ridge.

d. If the County notifies Briar Ridge that it desires to take title to the 50 foot corridor that remains in the Industrial land use category and which is preserved from development by this Agreement, Briar Ridge will negotiate, in good faith, on a transfer of the remaining corridor to the County or other government agency at fair market value as of the date of transfer. If Briar Ridge and the County are unable to mutually agree on a fair market value purchase of the preserved corridor, Briar Ridge will consent to (not contest) the propriety of an eminent domain proceeding filed by the County, or another government agency, under Chapter 73 and/or Chapter 74, Florida Statutes. Fair market value will then be determined as required by Chapter73 and/or Chapter 74, Florida Statutes.

2.5 Briar Ridge makes no demand on the County Commission with respect to its review and consideration of LSA 2016-03 and Z-2016-11.

2.6 The County will process LSA 2016-03 and Z-2016-11 in the manner required by the County Comprehensive Plan, the County Land Development Code, and relevant provisions of Chapter 163, Florida Statutes.

2.7 Briar Ridge will work with the County to ensure that documents suitable for recording are ready for review by the County Commission by no later than the "adoption hearing" for LSA-2016-03 and the rezoning hearing for Z-2016-11.

Article 3
General Provisions

3.1 Term: This Agreement shall become effective when filed in the Office of the Clerk of the Circuit Court of Escambia County, Florida. The County shall be responsible for such filing.

3.2 Liability: The parties hereto, their respective elected officials, officers, and employees shall not be deemed to assume any liability for the acts, omissions, or negligence of the other party. Briar Ridge agrees to be fully responsible for its

negligent acts or omissions or tortuous acts which result in claims or suits against the County and further agrees to be fully liable for any damages proximately caused by said acts or omissions. Escambia County, Florida, as a subdivision of the State of Florida as defined in §768.28, Florida Statutes, agrees to be fully responsible for its negligent acts or omissions or tortuous acts which result in claims or suits against Briar Ridge and further agrees to be fully liable for any damages proximately caused by said acts or omissions. Nothing herein is intended to serve as a waiver of sovereign immunity by the County and nothing herein shall be construed as consent by the County to be sued in anymatter arising out of this Agreement.

3.3 Insurance: Each party shall insure its own interests through appropriate insurance policies or through a self-insurance program. This provision shall not be construed to prevent any claim or action which either party may have against the other.

3.4 Records: The parties acknowledge that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended.

3.5 Assignment: This Agreement or any interest herein shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the parties, without the prior written consent of the other party.

3.6 Headings: Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

3.7 Survival: All other provisions, which by their inherent character, sense, and context are intended to survive termination of this Agreement, shall survive the termination of this Agreement.

3.8 Interpretation: For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

a. If either party discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, it shall immediately notify the other party and request clarification of the interpretation of this Agreement.

b. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

3.9 Severability: The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed to be enforced as if this Agreement did not contain such invalid or unenforceable portion of provision.

3.10 Further Documents: The parties shall execute and deliver all documents and perform further actions that may be reasonably necessary to effectuate the provisions of this Agreement.

3.11 Governing Law: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue, for any matter, which is the subject of this Agreement shall be in the County of Escambia.

3.12 Notices: All notices required or made pursuant to this Agreement by either party to the other shall be in writing and delivered by hand or by United States Postal Service, first class mail, postage prepaid, return receipt requested, addressed to the following:

TO THE COUNTY:
Escambia County
221 Palafox Place, Suite 420
Post Office Box 1591
Pensacola, FL 32597

TO BRIAR RIDGE:
Attn: Mr. Bolley L. Johnson
Briar Ridge
201 E. Government Street, Suite 20
Post Office Box 1392
Pensacola, FL 32591

Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this section.

3.13 No Waiver: The failure of a party to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature: Escambia County, Florida through its Board of County Commissioners, signing by and through its duly authorized Chairman, and Briar Ridge, LLC, signing by and through its Manager.

COUNTY:
Escambia County, Florida Board of County Commissioners, a political subdivision of the State of Florida acting through its duly authorized Board of County Commissioners signing by and through its Chairman.

TEMPORARY RESTRICTION FROM SALE, TRANSFER, OR DEVELOPMENT OF PROPERTY FOR CORRIDOR PRESERVATION
(Limited Liability Company)

THIS GRANT OF A TEMPORARY RESTRICTION FROM SALE, TRANSFER, OR DEVELOPMENT made this 16th day of March, 2017, by and between Briar Ridge, LLC, a limited liability company organized under the laws of the State of Florida, whose mailing address is 201 E. Government Street, Suite 20, Post Office Box 1392, Pensacola, Florida 32591 ("Grantor," which term shall include the singular and plural, masculine and feminine), and Escambia County, a political subdivision of the State of Florida, acting by and through its duly authorized Board of County Commissioners, whose mailing address is 221 Palafox Place, Pensacola, Florida 32502 (Grantee).

WITNESSETH

WHEREAS Grantor is the owner of certain real property located in Escambia County, Florida, and described more specifically as Parcel No. 34-1N-31W-2101-000-001 (the "Property") ; and

WHEREAS, Grantee requires, as a condition precedent to the development or use of the Property, conveyance from the Grantor of a Temporary Restriction from Sale, Transfer, or Development of the below described portion of the Property; and

WHEREAS Grantor has agreed to grant a Temporary Restriction from Sale, Transfer, or Development to Grantee in and over a limited portion of the Property, as described below and under the terms and conditions set forth in this document; and

WHEREAS the intent of the Temporary Restriction from Sale, Transfer, or Development is to ensure that the restricted property will be retained and maintained, for the period of time specified herein, predominantly in the natural vegetative and hydrologic condition existing at the time of execution of this Temporary Restriction for Corridor Preservation;

NOW, THEREFORE, Grantor, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, does hereby grant to Grantee and Grantee's successors and assigns, so long as the assign is another governmental entity, a Temporary Restriction in and over the following described property:

The westernmost fifty (50) feet of Parcel No. 34-1N-31W-2101-000-001, located in Escambia County, Florida, and lying adjacent to Isaacs Lane, a County maintained road.

This Temporary Restriction from Sale, Transfer, or Development is granted with the following express conditions:

1. The restricted property shall be maintained in its present condition free from any Sale, Transfer, or Development for the period of time specified herein

2. The Temporary Restriction from Sale, Transfer, or Development of the restricted property shall terminate upon the first to occur of the following two events: (1) the recordation of the transfer of property to the County of the southernmost portion of the 50 foot corridor on this parcel which is zoned Low Density Residential with a Future Land Use Category of Mixed Use - Suburban; or (2) the determination by the Board of County Commissioners to deny either pending land use application pertaining to Parcel No. 34-1N-31W-2101-000-001; namely LSA 2016-03 or Z-2016-11.

3. This Temporary Restriction shall prohibit the following activities on the restricted property:

   a. Construction or placing of buildings, roads, signs, billboards or other advertising, utilities, or other structures on or above the ground.

   b. Dumping or placing of soil or other substance or material as landfill, or dumping or placing of trash, waste, or unsightly or offensive materials.

   c. Removal or destruction of trees, shrubs, or other vegetation, with the exception of nuisance and exotic plant species.

   d. Excavation, dredging, or removal of loam, peat, gravel, soil, rock or other material substance in such manner as to affect the surface.

   e. Acts or uses detrimental to such retention of land or water areas.

   f. Sale of the Property.

   g. Transfer of the Property to any entity other than Escambia County or its assigns.

4. The Grantor agrees to bear all costs and liability relating to the operation and maintenance of the lands subject to this Temporary Restriction in the natural vegetative and hydrologic condition existing at the time of execution of this Temporary Restriction.

5. The Temporary Restriction runs with the land and is binding on the Grantor and their successors and assigns, and all subsequent owners of the Property.

6. The Temporary Restriction may be enforced by injunction or proceeding in equity or at law. Grantor agrees that venue for any enforcement action lies exclusively in the circuit court of the First Judicial Circuit in Escambia County, Florida. In any enforcement action, the prevailing party is entitled to

recover reasonable attorney's fees and costs in the trial and appellate courts, in addition to the cost of restoring the land to the natural vegetative and hydrologic conditions existing at the time of execution of this Temporary Restriction. These remedies are in addition to any other remedy, fine or penalty that may be available at law or equity.

7. Any forbearance on behalf of the Grantee to exercise its rights in the event of the failure of Grantor to comply with the provisions of this Temporary Restriction shall not be deemed or construed to be a waiver of the Grantee's rights in the event of any subsequent failure of the Grantor to comply.

TEMPORARY (FIVE YEAR) RESTRICTION FROM DEVELOPMENT OF PROPERTY FOR CORRIDOR PRESERVATION
(Limited Liability Company)

THIS GRANT OF A TEMPORARY (FIVE YEAR) RESTRICTION FROM DEVELOPMENT made this _____ day of _____, 2017, by and between Briar Ridge, LLC, a limited liability company organized under the laws of the State of Florida, whose mailing address is 201 E. Government Street, Suite 20, Post Office Box 1392, Pensacola, Florida 32591 ("Grantor," which term shall include the singular and plural, masculine and feminine), and Escambia County, a political subdivision of the State of Florida, acting by and through its duly authorized Board of County Commissioners, whose mailing address is 221 Palafox Place, Pensacola, Florida 32502 (Grantee).

WITNESSETH

WHEREAS Grantor is the owner of certain real property located in Escambia County, Florida, and described more specifically as Parcel No. 34-1N-31W-2101-000-001 (the "Property"); and

WHEREAS Grantor has agreed to grant a Temporary Restriction from Development to Grantee in and over a limited portion of the Property, as described below and under the terms and conditions set forth in this document; and

WHEREAS the intent of the Temporary Restriction from Development is to ensure that the restricted property will be maintained, for the term specified herein, predominantly in the natural vegetative and hydrologic condition existing at the time of execution of this Temporary Restriction;

NOW, THEREFORE, Grantor, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, does hereby grant to Grantee and Grantee's successors and assigns, so long as the assign is another governmental entity, a Temporary Restriction in and over the following described property:

> The westernmost fifty (50) feet of Parcel No. 34-1N-31W-2101-000-001, located in Escambia County, Florida, and lying adjacent to Isaacs Lane, a County maintained road; less and except that portion of this fifty (50) feet width strip of land transferred by Briar Ridge, LLC to Escambia County by Warranty Deed dated _____ and recorded in the Official Records of Escambia County at Book _____, page _____; and less and except that parcel of land transferred by Briar Ridge, LLC, to Smart Living, LLC by Warranty Deed dated _____ and recorded in the Official Records of Escambia County at Book _____, page _____.

This Temporary Restriction from Development is granted with the following express conditions:

1. The restricted property shall be maintained in its present condition free from any Development for a period of five years from the date of the recording of this Document in the Official Records of Escambia County, Florida. This term may be extended with the express written consent of Briar Ridge or its successors or assigns.

2. This Temporary Restriction from Development of the restricted property shall terminate upon the first of the following occurrences: (1) notification from the County that the restricted land will not be needed to support the needs of the government and filing in the Official records of the County a document signed by the County releasing the property from the restriction and authorizing removal of the preservation; (2) transfer of the restricted land to the County or other government agency; or (3) the expiration of the term of the Temporary Restriction, or of any extension thereof, more fully described herein.

3. This Temporary Restriction shall prohibit the following activities on the restricted property:

a. Construction or placing of buildings, roads, signs, billboards or other advertising, utilities, or other structures on or above the ground.

b. Dumping or placing of soil or other substance or material as landfill, or dumping or placing of trash, waste, or unsightly or offensive materials.

c. Removal or destruction of trees, shrubs, or other vegetation, except for nuisance and exotic plant species.

d. Excavation, dredging, or removal of loam, peat, gravel, soil, rock or other material substance in such manner as to affect the surface.

e. Acts or uses detrimental to preservation of land or water areas consistent with the terms of this Temporary Restriction..

4. The Grantor agrees to bear all costs and liability relating to the operation and maintenance of the lands subject to this Temporary Restriction in the natural vegetative and hydrologic condition existing at the time of execution of this Temporary Restriction.

5. The Temporary Restriction runs with the land and is binding on the Grantor and its successors and assigns.

DRAFT

6. The Temporary Restriction may be enforced by injunction or proceeding in equity or at law. Grantor agrees that venue for any enforcement action lies exclusively in the circuit court of the First Judicial Circuit in Escambia County, Florida. In any enforcement action, the prevailing party is entitled to recover reasonable attorney's fees and costs in the trial and appellate courts, in addition to the cost of restoring the land to the natural vegetative and hydrologic conditions existing at the time of execution of this Temporary Restriction. These remedies are in addition to any other remedy, fine or penalty that may be available at law or equity.

7. Any forbearance on behalf of the Grantee to exercise its rights in the event of the failure of Grantor to comply with the provisions of this Temporary Restriction shall not be deemed or construed to be a waiver of the Grantee's rights in the event of any subsequent failure of the Grantor to comply.

WARRANTY DEED

HIS DEED is made and entered into this _____ day of _____, 2017, by and between Briar Ridge, LLC, a Florida limited liability company, whose address is 201 E. Government Street, Suite 20, Pensacola, FL 32502 (Grantor), and Escambia County, a political subdivision of the State of Florida, acting by and through its duly authorized Board of County Commissioners, whose address is 221 Palafox Place, Pensacola, Florida 32502 (Grantee).

WITNESSETH:

GRANTOR, for and in consideration of the sum of Zero Dollars ($0.00), and other good and valuable consideration in hand paid by Grantee, receipt of which is acknowledged, conveys to Grantee, its successors and assigns forever, the following described land situated in Escambia County, Florida (Property):

See attached Exhibit A.

THIS CONVEYANCE IS SUBJECT TO taxes for the year 2017 and subsequent years; conditions, easements, and restrictions of record, if any, but this reference does not operate to reimpose any of them; and zoning ordinances and other restrictions and prohibitions imposed by applicable governmental authorities.

Use of the Property by Grantee, and its successors or assigns is limited ONLY to the private or public expansion of Issacs Lane as a paved roadway. The Property will remain in its natural state, unless it is used for the allowed purpose. This use restriction may be enforced by any present or future fee simple owner of any portion of the property described by Escambia County Parcel Reference # 34-1N-31-2101-000-001, as of May 25, 2017.

GRANTOR covenants with Grantee that at the time of delivery of this deed, Grantor was well seized of the Property; Grantor has good right and title to convey; the property is free from all encumbrances to Grantee; Grantee shall have the peaceable and quiet possession of the Property; and Grantor fully warrants the title to the Property and will defend it against the lawful claims of all persons whomsoever.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12252 **Growth Management Report** **12. 2.**
BCC Regular Meeting **Action**
Meeting Date: 05/25/2017
Issue: Action Item - Interlocal Agreement between Escambia County and the City of Pensacola for Airport Hazard and Incompatible Land Use Zoning
From: Horace Jones, Director
Organization: Development Services

RECOMMENDATION:

A Recommendation Concerning the Review of an Interlocal Agreement between Escambia County and the City of Pensacola for Airport Hazard and Incompatible Land Use Zoning

That the Board review and authorize the Chairman to sign the Interlocal Agreement for Airport Hazard and Incompatible Land Use Zoning, pursuant to Chapter 333, Florida Statutes.

BACKGROUND:

Pursuant to the provisions of §163.01 and §333.03(1)(b)(1), Florida Statutes, the County and the City of Pensacola are required to enter into an interlocal agreement. The County and the City have determined that the best compliance is through entering into this Interlocal Agreement (hereafter, the "Agreement"). It is the intent of the language and regulations within the Agreement to ensure the continued safe and efficient use of navigable airspace and operation of airports, airfields and other air navigation or communication facilities within the county.

BUDGETARY IMPACT:

No budgetary impact is anticipated.

LEGAL CONSIDERATIONS/SIGN-OFF:

The attached Interlocal Agreement has been reviewed and approved for legal sufficiency by Meredith D. Crawford, Assistant County Attorney. Any recommended legal comments are attached herein.

Interlocal Agreement for Airport Hazard and Incompatible Land Use Zoning

---

STATE OF FLORIDA
COUNTY OF ESCAMBIA

INTERLOCAL AGREEMENT FOR AIRPORT HAZARD AND INCOMPATIBLE LAND USE ZONING, PURSUANT CHAPTER 333, FLORIDA STATUTES BETWEEN ESCAMBIA COUNTY, FLORIDA AND THE CITY OF PENSACOLA, FLORIDA

THIS AGREEMENT is made by and between Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as the "County"), with administrative offices located at 221 Palafox Place, Pensacola, Florida 32502 and the City of Pensacola, a municipal corporation created and existing under the laws of the State of Florida, (hereinafter referred to as the "City") with administrative offices at 222 West Main St., Pensacola, Florida 32502 (at times referred to as "party" or "parties" or "agency" or "agencies").

WITNESSETH:

WHEREAS, the parties have legal authority to perform general governmental services within their respective jurisdictions; and

WHEREAS, the parties are authorized by §163.01, Florida Statutes, to enter into Interlocal Agreements and thereby cooperatively utilize their powers and resources in the most efficient manner possible; and

WHEREAS, the County and City constitute "political subdivisions" pursuant to Chapter 333, Florida Statutes, with respect to the adoption and enforcement of airport zoning regulations under the provision of that statute; and

WHEREAS, airport hazards may endanger property and the lives of occupants of land in its vicinity; and

WHEREAS, airport hazards may reduce the size of the area available for the taking off, maneuvering, or landing of aircraft, thus tending to destroy or impair the utility of the airport and the public investment therein; and

WHEREAS, certain activities and uses of land in the immediate vicinity of airports as enumerated in § 333.03(2) are not compatible with normal airport operations, and may, if not regulated, also endanger the lives of the participants and neighboring communities, adversely affect their health, or otherwise limit the accomplishment of normal activities; and

WHEREAS, the creation or establishment of airport hazard areas, runway protection zones, and regulation of the incompatible use of land in airport vicinities protect the community served by the airport from public nuisances and injury; and

WHEREAS, it is necessary and in the public interest of the public health, public safety, and general welfare of the citizens of the City of Pensacola and Escambia County that the creation of airport hazard zones, runway protection zones, and the regulation of incompatible land uses be established; and

WHEREAS, elimination and prevention of airport hazards and incompatible land uses

are public purposes for which political subdivisions may raise or expend public funds and acquire land or property interests therein, or air rights thereover; and

WHEREAS, the City owns and operates the Pensacola International Airport (hereinafter, "PNS"), which is situated within the municipal limits of the City; and

WHEREAS, the Airport Hazard Area, as defined in §333.01(4), Florida Statutes, as it pertains to PNS, is located almost entirely within the City's municipal limits; and

WHEREAS, the County owns and operates a heliport at the Perdido Key Fire Station; and

WHEREAS, the heliport hazard area is located entirely within the County; and

WHEREAS, there are multiple public and private airports located within the incorporated and unincorporated areas of the County, as outlined in **Exhibit A** to this agreement; and

WHEREAS, some Airport Hazard Areas are located wholly or partly in the unincorporated areas of Escambia County, while other such areas are located wholly or partly in the territorial limits of the City; and

WHEREAS, the County and the City have heretofore adopted regulations pursuant to Chapter 333, Florida Statutes, but those regulations are presently in need of updating in order to comply with subsequent changes to the statute; and

WHEREAS, the County and the City are required by §333.03(1)(b), Florida Statutes, to either: 1) enter into an interlocal agreement in accordance with §333.03(1)(b)(1), or 2) by ordinance or resolution create a joint airport zoning board pursuant to § 333.03(1)(b)(2); and

WHEREAS, the County and the City have determined that the requirements of §333.03(1)(b) can best be complied with by this Interlocal Agreement (hereafter, the "Agreement"); and

WHEREAS, by entering into this Agreement pursuant to the provisions of §163.01 and §333.03(1)(b)(1), the County and the City acknowledge their obligation, in conformity with §333.03(1)(b)(1) to adopt, administer, and enforce updated airport zoning regulations applicable to the airport hazard areas, and restricting the use of land adjacent to or in the immediate vicinity of airport activities and purposes compatible with the continuation of normal airport operations including landing and takeoff of aircraft to promote public health, safety and general welfare; and

WHEREAS, the purpose of all airport zoning regulations is to provide both airspace protection and provide for land uses that are compatible with airport operations; and

WHEREAS, each aspect of this purpose requires independent justification in order to promote the public interest in safety, health, and general welfare; and

WHEREAS, the parties have determined that it is in the best interest of the health, safety, and welfare of the citizens of both the incorporated and unincorporated areas of Escambia County that the County and the City enter this agreement for cooperation as provided herein.

NOW THEREFORE, for an in consideration of the mutual covenants contained herein and the mutual benefits each unto the other, and for other good and valuable consideration, the parties to this Agreement hereby agree as follows:

Article 1
Purpose

1.1 The recitals contained in the Preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

1.2 Pursuant to §163.01, Florida Statutes, this Agreement establishes the conditions, extent, and mechanism whereby the parties will adopt, administer, and enforce, under the police power and in the matter and upon the conditions prescribed in Chapter 333, Florida Statutes, airport protection zoning regulations for such airport hazard area.

Article 2
Definitions

2.1 "Airport" means any area of land or water designed and set aside for the landing and taking off of aircraft and used or to be used in the interest of the public for such purpose.

2.2 "Airport hazard" means an obstruction to air navigation which affects the safe and efficient use of navigable airspace or the operation of planned or existing air navigation and communication facilities.

2.3 "Airport hazard area" means any area of land or water upon which an airport hazard might be established.

2.4 "Airport land use compatibility zoning" means airport zoning regulations governing the use of land on, adjacent to, or in the immediate vicinity of airports.

2.5 "Airport master plan" means a comprehensive plan of an airport which typically describes current and future plans for airport development designed to support existing and future aviation demand.

2.6 "Airport protection zoning regulations" means airport zoning regulations governing airport hazards.

2.7 "Department" means the Department of Transportation as created under §20.23, Florida Statutes.

2.8 "Educational facility" means any structure, land, or use that includes a public or private kindergarten through 12th grade school, charter school, magnet school, college campus, or university campus. The term does not include space used for educational purposes within a multitenant building.

2.9 "Landfill" has the same meaning as provided in §403.703, Florida Statutes.

2.10 "Obstruction" means any existing or proposed object, terrain, or structure construction or alteration that exceeds the federal obstruction standards contained in 14 C.F.R. part 77, subpart C. The term includes:

a. Any object of natural growth or terrain;
b. Permanent or temporary construction or alteration, including equipment or materials used and any permanent or temporary apparatus; or
c. Alteration of any permanent or temporary existing structure by a change in the structure's height, including appurtenances, lateral dimensions, and equipment or materials used in the structure.

2.11 "Person" means any individual, firm, copartnership, corporation, company, association, joint-stock association, or body politic, and includes any trustee, receiver, assignee, or other similar representative thereof.

2.12 "Political subdivision" means the local government of any county, municipality, town, village, or other subdivision or agency thereof, or any district or special district, port commission, port authority, or other such agency authorized to establish or operate airports in the state.

2.13 "Public-use airport" means an airport, publicly or privately owned, licensed by the state, which is open for use by the public.

2.14 "Runway protection zone" means an area at ground level beyond the runway end to enhance the safety and protection of people and property on the ground.

2.15 "Structure" means any object constructed, erected, altered, or installed, including, but not limited to, buildings, towers, smokestacks, utility poles, power generation equipment, and overhead transmission lines.

Article 3
Responsibilities of the Parties

3.1 Pursuant to the procedures specified in Chapter 333, Florida Statutes, the County has adopted, and shall amend as required from time to time, the Airport Zoning Regulations set forth in its Land Development Code and its Comprehensive Plan, relating to, among other things, the height of buildings, structures, and natural objects, and uses of property, in compliance with §§ 333.01–333.13, Florida Statutes.

3.2 Pursuant to the procedures specified in Chapter 333, Florida Statutes, the City has adopted, and shall amend as required from time to time, the Airport Zoning Regulations set forth in its Code of Ordinances and its Comprehensive Plan, relating to, among other things, the height of buildings, structures, and natural objects, and uses of property, in compliance with §§ 333.01– 333.13, Florida Statutes.

3.3 Both the County and the City shall provide a process, within its respective jurisdiction, to:

a. Issue or deny permits.

b. Provide a copy of complete applications for any permit to the Department of Transportation, aviation office.
c. Enforce the issuance or denial of a permit or other determination.
d. Establish a process for appeals as required by §333.09(3), Florida Statutes.

3.4 The Airport Zoning Regulations for both the County and the City shall require, but not be limited to, the following:
a. A permit for construction or alteration of any obstruction;
b. Obstruction marking and lighting for obstructions;
c. Documentation showing compliance with the federal requirement for notification of proposed construction or alteration of structures and a valid aeronautical study submitted by each person applying for a permit;
d. Consideration of the criteria in §333.025(6) and §333.07(2), as amended, when determining whether to issue or deny a permit, which such criteria shall include but not be limited to:
1) The safety of persons on the ground and in the air.
2) The safe and efficient use of navigable air space.
3) The nature of the terrain and height of existing structures.
4) The effect of the construction or alteration of an obstruction on the state licensing standards for a public-use airport contained in Chapter 330, Florida Statutes, and rules adopted thereunder.
5) The character of existing and planned flight operations and developments at public-use airports.
6) Federal airways, visual flight rules, flyways and corridors, and instrument approaches as designated by the Federal Aviation Administration.
7) The effect of the construction or alteration of an obstruction on the minimum descent altitude or the decision height at the affected airport.
8) The cumulative effects on navigable airspace of all existing obstructions on the minimum descent altitude or the decision height at the affected airport.
9) Any additional requirements adopted by the County or City pertinent to evaluation and protection of airspace and airport operations.
e. The approval of a permit shall not be based solely on the determination by the Federal Aviation Administration that the proposed structure is not an airport hazard.
f. In issuing a permit, the County or the City shall require the owner of the obstruction to install, operate, and maintain thereon, at his or her own expense, marking and lighting in conformance with the specific standards established by the Federal Aviation Administration.

3.5 Both the County and the City shall adopt, administer, and enforce airport land use zoning regulations.

3.6 Both the County and the City's airport land use zoning regulations shall include, but not be limited to, the following:
a. The prohibition of new landfills and the restriction of existing landfills within the following areas:
1) Within 10,000 feet from the nearest point of any runway used or planned to be used by turbine aircraft.
2) Within 5,000 feet from the nearest point of any runway used by only nonturbine aircraft.
3) Outside the perimeters defined in subparagraphs 3.6(a)(1) and (2) of this

Agreement, but still within the lateral limits of civil airport imaginary surfaces defined in 14 C.F.R. s. 77.19. Case-by-case review of such landfills is advised.

b. Where any landfill is located and constructed in a manner that attracts or sustains hazardous bird movements from feeding, water, or roosting areas into, or across, the runways or approach and departure patterns of aircraft. The landfill operator must incorporate bird management techniques or other practices to minimize bird hazards to airborne aircraft.
c. Where an airport authority or other governing body operating a public-use airport has conducted a noise study in accordance with 14 C.F.R. part 150, or where a public-use airport owner has established noise contours pursuant to another public study approved by the Federal Aviation Administration, the prohibition of incompatible uses, as established in the noise study in 14 C.F.R. part 150, Appendix A or as a part of an alternative Federal Aviation Administration- approved public study, within the noise contours established by any of these studies, except if such uses are specifically contemplated by such study with appropriate mitigation or similar techniques described in the study.
d. Where an airport authority or other governing body operating a public-use airport has not conducted a noise study, the prohibition of residential construction and any educational facility, except aviation school facilities, within an area contiguous to the airport measuring one-half the length of the longest runway on either side of and at the end of each runway centerline.
e. The restriction of new incompatible uses, activities, or substantial modifications to existing incompatible uses within runway protection zones.

3.7 Both the County and the City shall independently provide a copy of all its airport zoning regulations and airport land use compatibility zoning regulations, and any related amendments, to the State of Florida Department of Transportation's aviation office within thirty (30) days after adoption.

3.8 Paragraph 3.6 shall not be construed to require the removal, alteration, sound conditioning, or other change, or to interfere with the continued use or adjacent expansion of any educational facility or site in existence on July 1, 1993.

3.9 Neither the County nor the City is prohibited from establishing airport zoning regulations more restrictive than prescribed in Chapter 333, Florida Statutes, in order to protect the health, safety, and welfare of the public in the air and on the ground.

3.10 In the event of any conflict between any airport zoning regulations adopted under Chapter 333, Florida Statutes, and any other regulations applicable to the same area, whether the conflict be with respect to the height of the structures or vegetation, the use of land, or any other matter, and whether such regulations were adopted by the political subdivision that adopted the airport zoning regulations or by some other political subdivision, be it the County or the City or another, the more stringent limitation or requirement shall govern and prevail.

3.11 Both the County and the City, in their respective capacities, by action of their legislative bodies, shall adopt, amend, or repeal any airport zoning regulations only after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. Notice of the hearing shall be published at least once a week

for two consecutive weeks in a newspaper of general circulation in the political subdivision or subdivisions where the airport zoning regulations are to be adopted, amended, or repealed.

3.12 Both the County and the City agree all airport zoning regulations adopted shall be reasonable and may not impose any requirement or restriction which is not reasonably necessary to effectuate the purposes of Chapter 333, Florida Statutes. Both the County and the City shall consider, among other things, the character of the flying operations expected to be conducted at the airport, the nature of the terrain within the airport hazard area and runway protection zone, the character of the neighborhood, the uses to which the property to be zoned is put and adaptable, and the impact of any new use, activity, or construction on the airport's operating capability and capacity.

3.13 Both the County and the City agree that construction in a runway protection zone which does not exceed airspace height restrictions is not conclusive that such use, activity, or construction is compatible with airport operations.

3.14 Both the County and City agree that any airport protection zoning regulation adopted may not require the removal, lowering, or other change or alteration of any structure not conforming to the regulation when adopted or amended, or otherwise interfere with the continuance of any nonconforming use, except as otherwise provided.

3.15 Both the County and the City shall each develop a permitting scheme for permitting of airspace obstructions.

3.16 Both the County and City agree that their individual permitting schemes shall substantially comply with §333.07, Florida Statutes, including but not limited to:

a. A person proposing to construct, alter, or allow an airport obstruction in an airport hazard area in violation of the airport protection zoning regulations adopted under this chapter must apply for a permit. A permit may not be issued if it would allow the establishment or creation of an airport hazard or if it would permit a nonconforming obstruction to become a greater hazard to air navigation than it was when the applicable airport protection zoning regulation was adopted which allowed the establishment or creation of the obstruction, or than it is when the application for a permit is made.

b. If the County or City determines that a nonconforming obstruction has been abandoned or is more than 80 percent torn down, destroyed, deteriorated, or decayed, a permit may not be granted if it would allow the obstruction to exceed the applicable height limit or otherwise deviate from the airport protection zoning regulations. Whether an application is made for a permit, the owner of the nonconforming obstruction may be required, at his or her own expense, to lower, remove, reconstruct, alter, or equip such obstruction as may be necessary to conform to the current airport protection zoning regulations. If the owner of the nonconforming obstruction neglects or refuses to comply with such requirement for 10 days after notice, the County or the City, through its appropriate agency, may proceed to have the obstruction so lowered, removed, reconstructed, altered, or equipped and assess the cost and expense thereof upon the owner of the obstruction or the land whereon it is or was located.

3.17 All zoning regulations adopted by the County or the City shall provide for the administration and enforcement of such regulations by the entity imposing same. The duties of each shall include that of hearing and deciding all permits, as they pertain to the jurisdiction, and all other matters applying to said jurisdiction.

3.18 Both the County and the City agree if a nonconforming obstruction is determined to be an airport hazard and the owner will not remove, lower, or otherwise eliminate it; the approach protection necessary cannot, because of constitutional limitations, be provided by airport zoning regulations; or it appears advisable that the necessary approach protection be provided by acquisition of property rights rather than by airport zoning regulations, then either the County or the City within which the property or nonconforming obstruction is located, or the political subdivision owning or operating the airport or being served by it, may acquire, by purchase, grant, or condemnation in the manner provided by Chapter 73, Florida Statutes, such property, air right, avigation easement, or other estate, portion, or interest in the property or nonconforming obstruction or such interest in the air above such property, in question, as may be necessary to effectuate the purposes of this chapter, and in so doing, if by condemnation, to have the right to take immediate possession of the property, interest in property, air right, or other right sought to be condemned, at the time, and in the manner and form, and as authorized by Chapter 74. In the case of the purchase of any property, easement, or estate or interest therein or the acquisition of the same by the power of eminent domain, the political subdivision making such purchase or exercising such power shall, in addition to the damages for the taking, injury, or destruction of property, also pay the cost of the removal and relocation of any structure or any public utility that is required to be moved to a new location.

3.19 The County shall apply the Airport Zoning Regulations as set forth in its Land Development Code and Comprehensive Plan.

3.20 The City shall apply the Airport Zoning Regulations as set forth in its Code of Ordinances and Comprehensive Plan.

3.21 Both the County and the City shall enforce its airport zoning regulations to 1) assure compliance with the minimum requirements set forth in Section 333.03(1)(c), Florida Statutes; 2) meet the intent of the FAA reviewed and accepted noise exposure maps, including the noise exposure maps in the final FAA approved Part 150 Noise Study, by adopting new zoning overlays compatible with those shown in the Part 150 Noise Study; and 3) make clear its intent to prevent encroachment into the Airport operational area or the FAA, Title 14, CFR, Part 77, airspace surfaces.

3.22 Each party shall, in writing, notify the other of each and every of the following:

a. Amendments. Any proposed amendment to their respective Code or Comprehensive Plan or any Airport Master Plan that may directly or indirectly affect any property within the area depicted in the Airport Zoning Regulations, or the Airport Hazard Area as defined in Section 333.01(4), Florida Statutes, or that may directly or indirectly impact the other party, shall be disclosed to the other party no later than thirty (30) calendar days prior to the date set for the initial Local Planning Agency public hearing to consider such amendments.

b. Applications. Obstacle Hazards to Air Navigation. Any Application for development activity, including any building permit, development order, subdivision approval, rezoning, conditional use, comprehensive plan amendment, non-conforming petition, variance, or any other official action of a party that will have the effect of permitting the development or alteration of land or a structure (hereafter, "Application") for any property owned or controlled by any petitioner required to provide notice or prevent a hazard defined by Section 333.02, Florida Statutes, and/or Title 14, CFR, Parts 77.13, 77.17, 77.21, 77.23, 77.25, and 77.29, which include notice requirements and technical definitions for obstacles dangerous to air navigation, shall be disclosed to the other party within ten (10) calendar days of the filing of such Application.

c. Applications. Noise Compatible Land Use. Any Application for development activity for any property within the area of the noise contour as designated in the Airport Zoning Regulations, including any building permit, development order, subdivision approval, rezoning, conditional use, comprehensive plan amendment, non-conforming petition, variance or any other action of a party which would have the effect of permitting development or alteration of land or structure, shall be disclosed to the other party within ten (10) calendar days of the filing of such Application.

d. Applications. Education Facilities Near Airports. Any Application for a public or private educational facility within any area starting at any end of any Airport runway, extending one-half the length of the longest runway on either side of and at the end of each runway centerline, as defined by Section 333.03(2)(d), Florida Statutes, shall be disclosed to the other party within ten (10) calendar days of the filing of such Application.

e. Applications. Staff Discretion. Any Application for development activity that could reasonably be expected to have an impact on the other party shall be disclosed to the other party within ten (10) calendar days of the filing of such Application. Applications expected to have an impact on the other party include, without limitation, any Application reflecting a potential hazard to air navigation or a potential land use that is incompatible with normal airport operations or endangers the public health, safety or welfare, as described in Section 333.03(2) and (3), Florida Statutes; any Application subject to Florida Department of Transportation (hereafter, "FDOT") Aviation or FAA permits or findings; and any Application for activities such as sanitary landfills, bird and other wildlife attractants, congregations of people, or emissions of light, smoke or other impairments to visibility.

f. Correspondence. When any party corresponds with the FAA or the FDOT regarding land uses at an Airport or any Airport operations, regarding any matter that could reasonably expected to have an impact on the other party, the party shall simultaneously provide the potentially impacted party with a copy of said correspondence.

3.23 Comments. Each party may provide comments on any Code, Plan, or Airport Master Plan amendment or Application for which notice was provided as required in Paragraph 3.22, above, within fourteen (14) calendar days of receipt of

notice as to any building permit and within thirty (30) calendar days of receipt of notice as to all other applications and the party may request that such time be extended to enable the application to be considered. All comments provided pursuant this Paragraph must be considered by the Party before making its final decision regarding each such amendment or Application.

3.24 FDOT Obstruction Permits Required. The Airport Zoning Regulations shall continue to require that no development order be issued by the City or by the County for the construction or alteration of structures dangerous to air navigation or for structures governed by Title 14, CFR, Part 77 unless a permit has first been obtained from FDOT Aviation (or FDOT Aviation confirms that no such permit is required), as applicable. Each jurisdiction shall be given the opportunity to review and make recommendations regarding whether the issuance of such permit adversely impacts its Airport operations.

Article 4
General Provisions

4.1 Termination and Amendment: This agreement shall commence on the Effective Date, as provided in paragraph 4.14. This Agreement may be amended from time to time, as deemed desirable or necessary, and shall be amended, to the extent required by law; and shall continue until lawfully terminated by mutual agreement.

4.2 Liability: The parties hereto, their respective elected officials, officers, and employees shall not be deemed to assume any liability for the acts, omissions, or negligence of the other party. The City agrees to be fully responsible for its negligent acts or omissions or tortuous acts which result in claims or suits against the County and further agrees to be fully liable for any damages proximately caused by said acts or omissions. Escambia County, Florida, as a subdivision of the State of Florida as defined in §768.28, Florida Statutes, agrees to be fully responsible for its negligent acts or omissions or tortuous acts which result in claims or suits against the City and further agrees to be fully liable for any damages proximately caused by said acts or omissions. Nothing herein is intended to serve as a waiver of sovereign immunity by the City or the County and nothing herein shall be construed as consent by the City or the County to be sued by third parties in any matter arising out of this Agreement.

4.3 Insurance: Each party shall insure its own interests through appropriate insurance policies of through a self-insurance program. This provision shall not be construed to prevent any claim or action which either party may have against the other.

4.4 Records: The parties acknowledge that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. In the event a party fails to abide by the provisions of Chapter 119, Florida Statutes, the other party may, without prejudice to any right or remedy and after giving that party, seven (7) days written notice, during which period the party fails to allow access to such documents, terminate this Agreement.

4.5 Assignment: This Agreement or any interest herein shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the parties, without the prior

written consent of the other party.

4.6 Headings: Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

4.7 Survival: All other provisions, which by their inherent character, sense, and context are intended to survive termination of this Agreement, shall survive the termination of this Agreement.

4.8 Interpretation: For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If either party discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, it shall immediately notify the other party and request clarification of the interpretation of this Agreement.

(b) This Agreement shall not be more strictly construed against either party hereto because one party may have drafted or prepared any of the terms and provisions hereof. The parties have participated jointly in the negotiation and drafting of this agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties and no presumption or burden of proof shall arise favoring or disfavoring any party because of the authorship of any provision of this agreement.

4.9 Severability: The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed to be enforced as if this Agreement did not contain such invalid or unenforceable portion of provision.

4.10 Further Documents: The parties shall execute and deliver all documents and perform further actions that may be reasonably necessary to effectuate the provisions of this Agreement.

4.11 Governing Law: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue, for any matter, which is the subject of this Agreement shall be in the County of Escambia. Chapter 333, Florida Statutes, Airport Zoning, and Title 14, CFR, Part 77, Objects Affecting Navigable Airspace, subparts A, B, and C shall be utilized to clarify ambiguities, if any, regarding relevant aspects of the Agreement, including its scope, use, obstruction standards and definitions. Future amendments to Chapter 333 or Part 77 may also be utilized to clarify ambiguities with respect to the interpretation of this Agreement.

4.12 Notices: All notices required or made pursuant to this Agreement by either party to the other shall be in writing and delivered by hand or by United States Postal Service, first class mail, postage prepaid, return receipt requested, addressed to the following:

TO THE COUNTY:
County Administrator
221 Palafox Place, Suite 420
Post Office Box 1591
Pensacola, FL 32597

TO THE CITY:
City Administrator
City of Pensacola
Post Office Box 12910
Pensacola, FL 32521

Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this section.

4.13 No Waiver: The failure of a party to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Agreement.

4.14 Effective Date: This agreement shall become effective when filed in the Office of the Clerk of the Circuit Court of Escambia County, Florida. The County shall be responsible for such filing.

4.15 Enforcement of Agreement. Each party hereto may enforce this Agreement by any legal means whatsoever.

EXHIBIT A

Escambia County Public and Private Airports, Florida:

All public airports and private airports in Escambia County, FL are listed below. Public airports include major hubs and airfields used for large carriers, jet liners and international flights as well as smaller public charter flights and personal aircraft. Private airports may require special permission, a private membership or use private charter flights.

Collier/Pine Barren Airpark Airport – FD89 Century, Florida Facility Usage: Private	Neal Collier 3251 S Pine Barren Rd Mc David, FL 32568 (904) 478-6477
Baptist Hospital Heliport – FL85 Pensacola, Florida Facility Usage: Private	Baptist Hospital 1000 W Moreno St Pensacola, FL 32501 (850) 434-2304
Coastal Airport – 83J (**Closed)** Pensacola, Florida Facility Usage: Public	Coastal Airport L.C.V. 6001 West Nine Mile Rd Pensacola, FL 32526 (850) 944-1284
Saufley Field NOLF – NUN (**Closed)** Pensacola, Florida Facility Usage: Private	U.S. Navy COMTRAWING NAS Whiting Field, FL 32570
Ferguson Airport – 82J Pensacola, Florida Facility Usage: Public	Brown Helicopter, Inc. 10100 Aileron Ave Pensacola, FL 32506 (850) 455-0971
Pensacola NAS/Forrest Sherman Field Airport – NPA Pensacola, Florida Facility Usage: Private	U.S. Navy Oceanographic OFC-Code 3142 Washington, DC 20373 (850) 452-2735
Pensacola International Airport – PNS Pensacola, Florida Facility Usage: Public	City of Pensacola 2430 Airport Blvd, Suite 225 Pensacola, FL 32504 (850) 436-5000
Sacred Heart Hospital Heliport – 9FD1 Pensacola, Florida Facility Usage: Private	Sacred Heart Hospital 5151 North 9th Ave Pensacola, FL 32504 (850) 416-7572
West Florida Regional Medical Center Heliport – FL24 Pensacola, Florida Facility Usage: Private	W FL Regional Medical Center 8383 N Davis Hwy Pensacola, FL 32523 (904) 494-4000
Mc Kinnon Airpark Airport – 48FL Walnut Hill, Florida Facility Usage: Private	Thomas F Simard 6001 S Hwy 99 Walnut Hill, FL 32568 (904) 327-6240
Mike's Ag Air Airport – 49FL Walnut Hill, Florida Facility Usage: Private	Michael G Godwin 10700 Hwy 97 Walnut Hill, FL 32568 (904) 327-6757
Perdido Key Fire Station Heliport – 46FA Perdido Key, Florida Facility Usage: Private	Escambia County BCC 15510 Perdido Key Dr Pensacola, FL 32507 (850) 595-4947

Organization: Development Services

RECOMMENDATION:

Recommendation Concerning Final Plat Sawyers Ridge Permit #150700029

That the Board take the following action concerning recording of the Final Plat of Sawyers Ridge (a 45-lot single family residential subdivision), located in the Farm Hill Community on County Road 97 (S. Highway 97), lying south of County Road 186 (W. Kingsfield Road). Owned and developed by Smart Living, LLC. Prior to recording, the County Surveyor and the Clerk of the Circuit Court must sign the Final Plat, as set forth in Section 2-5.7, of the Escambia County Land Development Code. Also, prior to recording the County Surveyor must sign the Final Plat as set forth in Chapter 177.081 (1) Florida Statutes:

A. Approve the final plat for recording;

B. Approve the street names “Sawyers Ridge Road, Sawyers Ridge Cove, Eagles Ridge Cove and Angels Ridge Cove”;

C. Accept all public easements and Right of Way, drainage improvements within public easements/public parcels, as depicted upon the Final Plat for permanent County maintenance subject to the transfer of the stormwater system to operation and maintenance phase through the Water Management District; the cost of maintenance for drainage improvements are to be funded through the establishment of a stormwater management Municipal Services Benefit Unit (MSBU); and

D. Authorize the Chairman or Vice-Chairman to execute a Two-Year Warranty Agreement Without Surety.

BACKGROUND:

The preliminary plat and construction plans were approved on November 18, 2015. The Escambia County Department of Public Safety approved the street names “Sawyers Ridge Road, Sawyers Ridge Cove, Eagles Ridge Cove and Angels Ridge Cove,” on February 22, 2016. The Development Services Department inspected the improvements on May 16, 2017, and found improvements substantially complete and in accordance with applicable County requirements. An executed Two-Year Warranty Agreement Without Surety will be recorded with the final plat. Staff has reviewed the final plat and associated documents.

LEGAL CONSIDERATIONS/SIGN-OFF:

This recommendation is consistent with previous practices of the County Attorney’s Office. The Two-Year Warranty Agreement Without Surety was reviewed and approved by Meredith Crawford on May xx, 2017.

PERSONNEL:

All work associated with this recommendation was done in-house and no additional staff was required. Future Road Department budgets will reflect additional cost to maintain these improvements.

POLICY/REQUIREMENT FOR BOARD ACTION:

Based on the County Land Development Code, there lies within a policy providing procurement for surety to warrant subdivision improvements (Ord. #2002-9) and the Florida State Plat Act - Chapter 177.

IMPLEMENTATION REQUIREMENTS:

Once the final plat has been approved by the Board and final sign-off given by the County Surveyor, the plat will be transmitted to the Clerk of Court’s Office for recording in the public records of Escambia County, Florida.

COORDINATION WITH OTHER AGENCIES/PERSONS:

Staff has been in contact with the developer’s engineer/surveyor, Development Services Department, County Attorneys' Office, County Engineer, County Surveyor, and County Building Services Department.

To: Kara Cowen (COC)
Subject: Copiers

Kara:

It's my understanding that the new copiers will be in on Monday. The copier currently in Court Division #56633 will be staged in the administration office until the disposal process is complete. Finance Reporting & Grants gets a new copier, your old color copier will be transferred to Administration, Administrations copier #53806 will be transferred to Traffic. Juvenile #56628 needs to be processed for disposal and we will be disposing of the Traffic copier (PD#2159). That is the extent of my knowledge of the new copiers.

I think Sherry Posey is preparing the paperwork for the transfer or disposal of units.

Thank you,

Shirlie Stevens, Executive Administration Human Resources

IV. Discussion/Information Items

1 Recommendation Concerning to Hire Seven Temporary CRA Worker Positions within CRA Districts - Tonya Gant, Neighborhood & Human Services Department Director

That the Board take the following action concerning to Hire Seven temporary Community Redevelopment Agency (CRA) Worker positions in northern portion of Brownsville, Englewood, and Palafox Districts:

A. Approve to hire 7 temporary CRA Worker positions or contract positions, to be used for various enhanced duties such as rights-of-way mowing and weed/litter control services in the northern portion of Brownsville, Englewood, and Palafox Districts. The temporary CRA Workers will be funded through CRA Fund 151, Brownsville, Englewood, & Palafox Tax Increment Financing (TIF) accounts, starting in May 2017 through September 30, 2017; and

B. Approve moving funds from CRA Fund 151 TIF Reserve accounts: Cost Center 370113 Brownsville, Cost Center 370117 Englewood, Cost Center 370115 Palafox, for a total cost of $100,967. Cost breakdown as follows:

CRA Areas	Maintained Total Feet	Percent	7 CRA Workers Salaries	Startup Maintenance	Recurring Maintenance
Brownsville	418,170	38.38%	$29,921	$3,070	$5,757
Englewood	355,912	32.66%	$25,466	$2,613	$4,899
Palafox	315,568	28.96%	$22,580	$2,317	$4,344
TOTAL	**1,089,650**	100%	**$77,967**	**$8,000**	**$15,000**

2 Recommendation Concerning Brownsville Community Redevelopment Area Gateway Entrance Signs - Tonya Gant, Neighborhood & Human Services Department Director

That the Board approve the Brownsville Community Redevelopment Area Gateway Entrance signs in the amount of $19,360 funded through the Brownsville TIF. There will be two locations for signs to be installed: southwest corner of Mobile Hwy & "W" Street, and southwest corner of Mobile Hwy &

Lynch Street.

[Fund 151 CRA Brownsville TIF, Cost Center 370113]

Motion made by Commissioner, District 5 Steven Barry, Seconded by Commissioner, District 1 Jeffrey Bergosh

Vote: 4 - 0

Adjournment.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12180 **County Administrator's Report 12. 3.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 05/25/2017
Issue: Waste Services - Request for Disposition of Property
From: Pat Johnson, Department Director
Organization: Waste Services
CAO Approval:

RECOMMENDATION:
Recommendation Concerning the Request for Disposition of Property for the Waste Services Department - Patrick T. Johnson, Waste Services Department Director

That the Board approve the two Request for Disposition of Property Forms for the Waste Services Department, for one Grundfos Leachate Pump (Form 1); one Chevy Silverado 1500 4x4 pickup, two L8000 Ford trucks, one Morbark tub grinder and one Doppstadt trommel screen (Form 2). All property is described and listed on the Disposition Forms, with condition and reason for disposition stated. The listed items have been found to be of no further usefulness to the County; thus, it is requested that they be auctioned as surplus or disposed of properly.

BACKGROUND:
Escambia County policy establishes the procedures for disposing of surplus or obsolete equipment. The surplus property items, listed on the attached Request for Disposition of Property Forms, have been checked, declared to be obsolete and/or of no use to the County and suitable to be auctioned or properly disposed.

BUDGETARY IMPACT:
Possible recoup of funds if/when property goes to auction.

LEGAL CONSIDERATIONS/SIGN-OFF:
N/A

PERSONNEL:
N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

This recommendation is in compliance with FS 274.07 and BCC Policy B-1,2 Section II, Procedures for Disposition of County Property.

IMPLEMENTATION/COORDINATION:

Upon approval by the BCC, the Disposing Department, Constitutional Officer, or Outside Agency must put items in good condition on the "Pensacola Community Auction" website for thirty (30) days. All other property will be disposed of according to the Disposition of County Property policies of the BCC.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12218 **County Administrator's Report 12. 4.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 05/25/2017
Issue: CareerSource Escarosa Board Reappointment
From: Tonya Gant, Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Reappointment to the CareerSource Escarosa (Formerly Workforce Escarose, Inc.) Board of Directors - Tonya Gant, Neighborhood & Human Services Department Director

That the Board confirm the reappointment of Gracie Parker, Plumbers and Steamfitters, Local Union 366, to the CareerSource Escarosa Board of Directors. Ms. Parker's current term on the Board expired on May 4, 2017; however, CareerSource Escarosa is requesting the return of Ms. Parker to the Board with a term effective retroactively May 5, 2017, through May 4, 2020.

BACKGROUND:

The Board of Directors for CareerSource Escarosa serves as the local governing board for workforce development and job training activities as approved by CareerSource Florida and the Florida Department of Economic Opportunity (DEO). Federal and State legislation that govern the Board activities require specific membership from various community sectors where the governing Boards are located. In accordance with the Workforce Innovation and Opportunity Act, Section 107. Local Workforce Development Boards, (2)B(I),

"not less than 20 percent of the members of each local board shall be representatives of the workforce within the local area, who - shall include representatives of labor organizations who have been nominated by local labor federations, or other representatives of employees."

The above request will allow for compliance with CareerSource Escarosa Board of Director's By-Laws regarding Board representation and terms.

BUDGETARY IMPACT:

N/A

LEGAL CONSIDERATIONS/SIGN-OFF:

Appointments and reappointments to the Board of Directors are made in accordance with state and federal legislation.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

All Escambia County appointments and reappointments to this Board of Directors must have approval from the Escambia County Board of County Commissioners.

IMPLEMENTATION/COORDINATION:

Upon approval by the Board, the reappointment shall become effective for the expressed dates. CareerSource Escarosa has coordinated with the Department of Neighborhood & Human Services in submission of this request.

Cliff J. Krut
Executive Director

May 9, 2017

D. B. Underhill, Chairperson
Escambia Board of County Commissioners
P.O. Box 1591
Pensacola, FL 32591-1591

Dear Mr. Underhill:

CareerSource Escarosa is requesting the reappointment of Gracie Parker, Plumbers and Steamfitters, Local Union 366, to the CareerSource Escarosa Board of Directors.

In accordance with the Workforce Innovation and Opportunity Act, Section 107. Local Workforce Development Boards, (2)B(i),

> **"not less than 20 percent of the members of each local board shall be representatives of the workforce within the local area, who – shall include representatives of labor organizations (for a local area in which employees are represented by labor organization) who have been nominated by local labor federations, or (for a local area in which no employees are represented by such organizations) other representatives of employees."**

We therefore, respectfully request the reappointment of Gracie Parker to the Board, with a term to begin upon appointment and end three years thereafter. Ms. Parker's current term on the Board expired on May 4, 2017.

Please let me know if you have questions or require additional information. As always, thank you for assisting us with CareerSource Escarosa Board membership requirements.

Sincerely,

Cliff J. Krut, CEcD
Executive Director

Re: Appointment of Labor Representative

Dear Susan,

This letter will serve to introduce to you Labor's choice of a candidate to replace the vacant position for Labor on the ESCAROSA Workforce Development Board serving Escambia and Santa Rosa counties in the State of Florida.

My candidate's name is: **Mrs. Gracie Parker**

Union affiliation:
Business Representative
Plumbers & Steamfitters
Local Union 366
2300 West Nine Mile Road
Pensacola, FL 32534
850 479-9166
graciejax@aol.com

Please present her name and credentials to the appropriate agencies for approval.

Any consideration given to Mrs. Parker will be greatly appreciated by this office.

Best regards,

Reagan L. McDaniel

Reagan L. McDaniel
Vice-President
Northwest Florida Federation of Labor, CLC

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12254 **County Administrator's Report 12. 5.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 05/25/2017
Issue: CareerSource Escarosa One-Stop Operators
From: Tonya Gant, Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning CareerSource Escarosa (formally Workforce Escarosa, Inc.) to be named as a One-Stop Operator - Tonya Gant, Neighborhood & Human Services Department Director

That the Board confirm CareerSource Escarosa as a One-Stop Operator. CareerSource Escarosa completed a competitive procurement process through a Request for Proposal (RFP) and received no bids; therefore, is requesting that the Board of County Commissioners of Escambia County approve CareerSource Escarosa to continue to serve as this region's One-Stop Operator. A Local Workforce Development Board (in this case, CareerSource Escarosa) may be selected as a One-Stop Operator through sole source procurement upon agreement of the local chief elected official (Board of County Commissioners through its Chairman) and the state oversight entity (CareerSource Florida).

BACKGROUND:

The Workforce Innovation Opportunity Act (WIOA) establishes the requirement for the procurement of One Stop Operators in the workforce system. All (24) Florida CareerSource Boards are required (by July 1, 2017) to solict One-Stop Operator Services. The primary responsibilies for the One-Stop Operator include: (1) Conducting quarterly reviews of each One Stop career center in the two-county area (Escambia and Santa Rosa) to ensure effective delivery of all partner programs; (2) Coordinate with senior management, key partners, and officials to review program delivery efficiencies and make recommendations of best practices and training options for continuous improvement via quarterly strategy meetings; and (3) Review, develop, and enhance Memorandum of Understanding (MOU) with partnering programs, agencies and services to establish an integrated workforce "system" that extends beyond basic workforce services.

BUDGETARY IMPACT:

N/A

LEGAL CONSIDERATIONS/SIGN-OFF:

The County Attorney's Office has reviewed and approved as to the form and legal sufficiency.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

The Workforce Innovation Opportunity Act (WIOA) - Pub. L. 113-128, established the requirement for the procurement of One Stop Operators in the workforce system. Federal law - 20 C.F.R. § 678.610 and 2 C.F.R. § 200.320(f) provides that sole-source selection of One-Stop Operators is appropriate if competitive procurement efforts yield no response.

IMPLEMENTATION/COORDINATION:

CareerSource Escarosa has coordinated with the Department of Neighborhood & Human Services in submission of this request.

CAREERSOURCE ESCAROSA BOARD ITEM FOR APPROVAL

MAY 2017 BOARD OF COUNTY COMMISSION MEETING

REQUEST FOR CAREERSOURCE ESCAROSA TO BE NAMED AS A ONE-STOP OPERATOR

Description: WIOA (Workforce Innovation Opportunity Act – Pub. L. 113-128) requires competitive procurement of One-Stop Operators to coordinate service delivery of One-Stop partners and providers at a career center, with One-Stop Operators to be in place by July 1, 2017.

Federal law – 20 C.F.R. § 678.610 and 2 C.F.R. § 200.320(f) – provides that sole-source selection of One-Stop Operators is appropriate if competitive procurement efforts yield no response. A Local Workforce Development Board (in this case, CareerSource Escarosa) may be selected as a One-Stop Operator through sole source procurement upon agreement of the local chief elected official (Board of County Commissioners through its Chairman) and the state oversight entity (CareerSource Florida).

CareerSource Escarosa completed a competitive procurement process and received no response to its Invitation to Negotiate, which was released through several medium and forwarded to entities on its vendor list and to local education agencies. Documentation evidencing CareerSource Escarosa's competitive procurement process is attached.

Pursuant to 20 C.F.R. § 678.620, an entity serving as a One-Stop Operator while also serving in another role within the one-stop delivery system must establish sufficient firewalls and conflict of interest policies and procedures according to the specifications in 20 C.F.R. § 678.430. Attachment A describes CareerSource Escarosa's internal controls for eliminating conflicts of interest, for establishing appropriate firewalls, and for establishing oversight, monitoring, and evaluation of performance.

Requested action: That the Escambia County Board of County Commissioners approve CareerSource Escarosa's request to continue to serve as this region's One-Stop Operator.

AUTHORITY

Workforce Innovation and Opportunity Act (Pub. L. 113-128).

CareerSource Escarosa is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. TTY: (877) 889-5627 | TDD: (800) 955-8771

Workforce Innovation and Opportunity Act One-Stop Operator Services
Request for CareerSource Escarosa to be named as a One-Stop Operator

Background:

WIOA (Workforce Innovation Opportunity Act - Pub. L. 113-128), establishes the requirement for the procurement of One Stop Operators in the workforce system. All (24) Florida CareerSource Boards are required (by July 1, 2017) to solicit One-Stop Operator Services.

This role would not impact or change the already established CareerSource Escarosa day-to-day operations, but serve as non-staff extension providing input for our services and coordination of community partnerships.

The primary requested responsibility roles for the named One-Stop Operator include:

- *Conduct quarterly reviews of each One Stop career center in our two-county area to ensure effective delivery of all partner programs.*
- *Coordinate with senior management, key partners, and officials to review program delivery efficiencies and make recommendations of best practices and training options for continuous improvement via quarterly strategy meetings.*
- *Review, develop, and enhance Memorandum of Understanding (MOU) with partnering programs, agencies and services to establish an integrated workforce 'system' that extends beyond basic workforce services*

As required to ensure compliance with the WIOA legislation, CSE released the Invitation to Negotiate for One-Stop Operator as outlined in the following timeline:

Advertising & Publishing ITN.....March 2, 2017
- *Posted on CSE Website*
- *Letters of ITN forwarded to entities on Vendor List and local education agencies*
- *Posted in Print Media*

Proposal Submittal Due Date.....March 31, 2017
Provision of Services.....Begin July 1, 2017

Following approved CSE local and Florida State procurement policies to ensure a comprehensive outreach to secure RFP's for local One-Stop Operator services, *there were NO responses received by CSE for the local One-Stop Operator services.*

Action Requested:

The CSE Board of Directors hereby requests approval from the Escambia and Santa Rosa Counties Boards of County Commissioners to be named the local One-Stop Operator in compliance with the WIOA legislation.

Attachment A

One-Stop Operator following the required policies outlined in WIOA legislation:

- Eliminate Conflicts of Interest;
- Establishing appropriate firewalls; and,
- Establish oversight, monitoring, and evaluation of performance

Conflict of Interest (CSE Board Member)

- CareerSource Escarosa Policy prohibits any Board Member from participating in the selection, award, or administration of a contract involving the Board if a real or apparent conflict of interest would be involved. Such a conflict would arise when the Board member or any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of the parties indicated, has a financial or other interest in the firm, vendor, or service provider selected.

- If a Board member is aware (from the published agenda) of a conflict of interest prior to the Board meeting, the Board member must file a disclosure, indicating the nature of the conflict in a written memorandum to be filed with the person responsible for recording the Board minutes of the meeting, prior to the meeting in which consideration of the matter will take place. The memorandum becomes a public record upon filing, and will be read publicly at the next meeting held subsequent to the filing of this written memorandum.

  In the event that disclosure has not been made prior to the meeting or that any conflict is unknown prior to the meeting, the disclosure must be made orally at the meeting when it becomes known that a conflict exists. A written memorandum disclosing the nature of the conflict must be filed within 15 days after the oral disclosure with the person responsible for recording the minutes of the meeting and will be incorporated into the minutes of the meeting at which the oral disclosure was made. The memorandum becomes a public record upon filing. The memorandum will be read publicly at the next meeting held subsequent to the filing of the memorandum.

Conflict of Interest (CSE Employee)

- CareerSource Escarosa Policy prohibits key employees from participating in the selection, award, or administration of a contract involving CareerSource Escarosa if a real or apparent conflict of interest would be involved. Employees who are directly involved in providing services to clients shall not participate in a transaction if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee or any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of the parties indicated herein, has a financial or other interest that is the result of the transaction. Any employee who may be engaged in the procurement of goods and services for CareerSource Escarosa has an obligation to disclose any real or apparent conflict of interest with any vendor or contractor. Any employee who may be engaged in providing program services to clients has an obligation to disclose any real or apparent conflict of interest and to relinquish case management to an appropriate member of the Management Team.

Staff members who have a conflict of interest with any applicant for services may not participate in any eligibility determination, approval for enrollment, or approval for the provision of funded services. The conflict must be made known in writing and submitted to the Executive Director. The Executive Director will assign other staff members to determine eligibility and to provide any additional services. Reports of improper practice should be submitted directly to the Executive Director, except when the alleged impropriety appears to involve the Executive Director. Then, in such cases, reports should be referred to the Chair of the Executive Committee.

Board and Key Employee Financial Disclosures

- Board Members are required to sign the Limited Financial Disclosure (Form 1) when they are appointed to the Board. Key staff members also are required to sign a Form 1 as part of their New Hire packet.

Firewall

- CareerSource Escarosa Policies define the Role of the Board, Executive Director, and staff. The Board of Directors is responsible for oversight of the organization by establishing board policies; identifying and proactively dealing with emerging issues; interpreting the organization's mission to the public; selecting and evaluating the performance of the Executive Director; establishing and maintaining programs and systems designed to assure compliance with terms of charter, contracts, and grants; selecting any Service Providers if direct services are not provided; and selecting the One Stop Operator as set forth in sec 121 (d) (2) (A) of the WIOA Innovation and Opportunity Act.

  The Executive Director is responsible for hiring and evaluating staff for each of the organization's departments. The Executive Director is responsible for CareerSource Escarosa staff that provides direct services at the One Stop Center and Satellite Offices. In addition, the Executive Director is responsible for the coordination of services delivered by staff of any selected Service Provider and all Partner organizations including staff of the Department of Economic Opportunity. The Executive Director acts as head of the Management Team of CareerSource Escarosa which includes the Chief Operations Officer, the Finance Director, Assigned Program Managers, Quality Assurance, and Site Coordinators for each of the locations providing services. The Executive Director has been clearly designated as the sole person accountable to the Workforce Board. All other Board staff report to and take direction from the Executive Director.

- The Operations Organizational Structure shows the Executive Director has delegated authority for day-to-day operations management to the Chief Operating Officer (COO). The Chief Operating Officer has authority and responsibility for all programs and services provided through the CareerSource Escarosa system. The Chief Operating Officer provides direct supervision to the CareerSource Escarosa Center Managers. All staff located within a CareerSource Escarosa One Stop Center, including Department of Economic Opportunity staff, report to the Center Manager for day to day operations.

- Through continued communication from the CSE Executive Director to CSE Board of Directors the message is clearly delivered that the Board's primary mission is one of design, oversight, and policy making and not management of day to day operations. Board members and Councils are keenly aware of the distinction in the roles of Board oversight and role of staff to manage the operations. The Executive Director has been clearly designated as the sole person accountable to

the Workforce Board. All other Board staff report to and take direction from the Executive Director.

Oversight, monitoring, and evaluation of performance (Fiscal and Program)

- CareerSource Escarosa measures fiscal performance based upon several requirements. These include an annual independent audit conducted by an outside accounting firm; ongoing fiscal monitoring conducted by DEO; internal monitoring for compliance with requirements outlined by the State and as reported in the State One Stop Management Information System (OSMIS). The Treasurer is responsible for reporting to the full Board at regularly scheduled meetings. The independent audit is presented annually to the full Board of Directors when completed.

- CareerSource Escarosa staffing structure allows for two full time Monitoring positions in addition to the COO and Program Specific Managers. Quality Assurance is a very high priority with monitoring of all programs and processes conducted on a minimum bi-annually. Historically, CSE has been a high-performing board and expects to continue this high level of performance under WIOA. CareerSource Escarosa management also conducts frequent monitoring and review of local operating procedures, services, and performance for continuous improvement purposes. All CSE monitoring related activities are reviewed by the Executive Director and if warranted, immediate corrective action plans are implemented for any concerns identified.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12117 **County Administrator's Report 12. 6.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 05/25/2017
Issue: Draft Multi-Year Implementation Plan and 45-Day Public Comment Period
From: Chips Kirschenfeld, Director
Organization: Natural Resources
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Draft Multi-Year Implementation Plan and Public Comment Period - J. Taylor "Chips" Kirschenfeld, Director, Department of Natural Resources Management

That the Board take the following action concerning the draft Multi-Year Implementation Plan relating to RESTORE Direct Component (Pot 1) funds:

A. Approve the draft Multi-Year Implementation Plan for the ten projects nominated by the Board;

B. Authorize staff to conduct the required 45-day public comment period for the draft Multi-Year Implementation Plan and incorporate meaningful public comments into the Plan; and

C. Authorize staff to submit the Multi-Year Implementation Plan to the U.S. Department of Treasury.

BACKGROUND:

Escambia County will receive approximately $70 million in Pot 1 Direct Component funds as a result of the settlement agreement for the Deepwater Horizon Oil Spill. The RESTORE Act and U.S. Department of Treasury guidelines require a Multi-Year Implementation Plan be approved by the Treasury Department prior to submittal of individual project grant applications and dispersal of funds. At the February 9, 2017 Committee of the Whole Meeting, the Board directed staff to include ten commissioner-nominated projects in the initial Multi-Year Implementation Plan. The Treasury Department requires a 45-day public comment period for the Multi-Year Implementation Plan, and the incorporation of meaningful comments received, prior to submittal of the Plan to the Treasury Department for their review and approval.

BUDGETARY IMPACT:

No budgetary impact associated with this recommendation.

LEGAL CONSIDERATIONS/SIGN-OFF:

No legal consideration associated with this recommendation.

PERSONNEL:

No additional impact on personnel associated with this recommendation.

POLICY/REQUIREMENT FOR BOARD ACTION:

Board Policy II.B.8.

IMPLEMENTATION/COORDINATION:

Department of Natural Resources Management staff, in coordination with the Community and Media Relations Department, will conduct the 45-day public comment period.

Prepared by Shelly Marshall & Matt Posner

THE SPILL

The Deepwater Horizon Oil Spill (also known as the BP Oil Spill) is the largest marine oil spill in history, and was caused by an explosion on the Deepwater Horizon offshore oil platform about 50 miles southeast of the Mississippi River Delta on April 20, 2010. The oil spill claimed the lives of 11 people and presented our country with its worst environmental disaster to date. After 86 days, BP capped the leaking well stopping the flow of oil into the Gulf of Mexico. It is estimated that five million barrels of oil were released from the well and poured into the waters of the Gulf of Mexico. The oil slick produced by the Deepwater Horizon Oil Spill covered 28,958 square miles (75,000 square kilometers) with the extent and location changing daily depending on wind, currents, and weather conditions. By the first week in June, oil had come ashore in Louisiana, Mississippi, Alabama and Florida causing both ecological and economic impacts.

The Deepwater Horizon Oil Spill threatened one of the nation's most valuable ecosystems, the Gulf of Mexico, which serves as an important economic, tourism, and recreational destination, and an important resource for domestic seafood production. The Pensacola Bay and Perdido Bay watersheds experienced environmental and economic harm from the oil and tar balls that impacted the waterbodies and beaches. Since 2010, Escambia County officials and staff have worked diligently with local, state and federal partners to identify and remediate the local impacts of the Deepwater Horizon Oil Spill.

IMPACTS & RESPONSE

Impacts of Oil Spill

Oil exploration and development began in the Gulf of Mexico about 1938. Production rapidly increased as the demand for oil steadily grew. Even though the State of Florida has not allowed oil drilling in nearshore waters in order to protect tourism, the effects of spills can still impact local areas due to ocean currents and winds. Oil from the Deepwater Horizon Oil Spill arrived and impacted Escambia County beaches beginning June 4, 2010. During the course of the spill, Escambia County received ninety-seven percent of the oil that reached the shoreline of the State of Florida.

There were short-term and long-term impacts associated with the oil spill. Short-term impacts were obvious and dramatic while long-term impacts remain more elusive and unknown. As the oil accumulated on Escambia County beaches and in local waters, the area environment and economy suffered. Marine life populations and health diminished. The National Oceanic and Atmospheric Administration estimated a loss of over 4 billion oysters, 105,000 sea birds, 1000 dolphins, and 160,000 turtles (Deepwater Horizon 2017). During the summer of 2010, fishing in the Gulf of Mexico was closed due to the presence of oil and dispersants. Escambia County's economy was severely impacted because it was the height of the summer tourist season. Commercial fishermen, recreational fishermen, dive boat charters, beach goers, and other tourism businesses were negatively impacted by this economic crisis. This impact, when coupled with the nation's recession and economic crisis that started in 2008, affected industries and businesses in all parts of the county. Many jobs were lost, and some businesses experienced such severe financial problems that they couldn't survive and went out of business.

Response

When the oil spill occurred, Escambia County scientists focused their attention and resources on the environmental damages and cleanup efforts. Goals of the Department of Natural Resources Management staff were to protect critical habitat areas from the effects of oiling, ensure that natural resources were not further harmed by cleanup efforts, and collect pre- and post-oiling water quality and biological data in order to calculate natural resource damages. The County worked with the U.S. Coast Guard, Florida Department of Environmental Protection, and other agencies within the Unified Command to assess the oil spill impacts and coordinate cleanup and recovery efforts.

RESTORE ACT

The Resources and Ecosystem Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast Act of 2012 (RESTORE Act) allocates 80% of the Clean Water Act penalties from the Deepwater Horizon oil spill to the Gulf Coast Restoration Trust Fund. The Trust Fund is comprised of five funding components including the Direct Component which provides funds directly to each of 23 Gulf Coast Florida counties. Escambia County will receive a total Direct Component allocation of $70,961,554.68 by the year 2031.

Each of the 23 eligible Florida counties must submit a Multi-year Implementation Plan (MYIP) with proposed projects to the U.S. Treasury for approval prior to receiving project-specific Direct Component grant funding. The Escambia County MYIP has been developed in accordance with the requirements of the *RESTORE Act Direct Component Guidance and Application to Receive Federal Financial Assistance*. One of the requirements for activities designed to protect or restore natural resources is that it must be based on best available science. Best available science means "science that maximizes the quality, objectivity, and integrity of information, including statistical information; uses peer-reviewed and publicly available data; and clearly documents and communicates risks and uncertainties in the scientific basis for such projects." (RESTORE Act 2012).

The purpose of the MYIP is to describe proposed activities eligible for funding under the Direct Component of the RESTORE Act. The MYIP includes proposed eligible activities to be undertaken with funds currently deposited in the Trust Fund. The MYIP may be revised in future years to include additional eligible activities. This MYIP is organized into several sections in order to provide historical background, Escambia County's MYIP development process, and to provide information on proposed activities. Please see the references page for additional information on the RESTORE Act and required activities or go to www.myescambia.com/RESTORE.

PUBLIC INPUT & ELIGIBILITY

Public Input

According to the RESTORE Act, the MYIP must be made available for public review and comment for a minimum of 45 days in a manner calculated to obtain broad-based participation from individuals, businesses, Indian tribes, and non-profit organizations. In addition, the MYIP must describe how each activity in the plan was adopted after consideration of meaningful input from the public. Escambia County's goal is to ensure that the entire MYIP process is transparent and encourages community input. All activities have been designed to include the broadest possible public participation by utilizing a variety of outreach methods. This restoration plan began with community involvement and continues to include the citizens and stakeholders who supported this effort.

Eligible Activities

Escambia County's Goals and Objectives were developed to align with RESTORE Act Eligible Criteria:

1. **Restoration and protection of the natural resources, ecosystem, fisheries, marine and wildlife habitats, beaches and coastal wetlands of the Gulf Coast Mitigation of damage to fish, wildlife and natural resources**
2. **Mitigation of damage to fish, wildlife and natural resources**
3. **Implementation of a federally approved marine, coastal, or comprehensive conservation management plan, including fisheries monitoring**
4. **Workforce development and job creation**
5. **Improvements to or on State parks located in coastal areas affected**
6. **Infrastructure projects benefitting the economy or ecological resources, including port infrastructure**
7. **Coastal flood protection and related infrastructure**
8. **Planning assistance**
9. **Promotion of tourism in the Gulf Coast region, including recreational fishing**
10. **Promotion of the consumption of seafood harvested from the Gulf Coast region**
11. **Administrative**

MYIP DEVELOPMENT

2012

October 18 - Escambia County Board of County Commissioners (BCC) established the citizens RESTORE Advisory Committee (RAC)

2013

March 22 - RESTORE Advisory Committee convened for first meetina

2014

November – RAC finalized Needs Assessment

2015

June – RAC finalized Selection Criteria

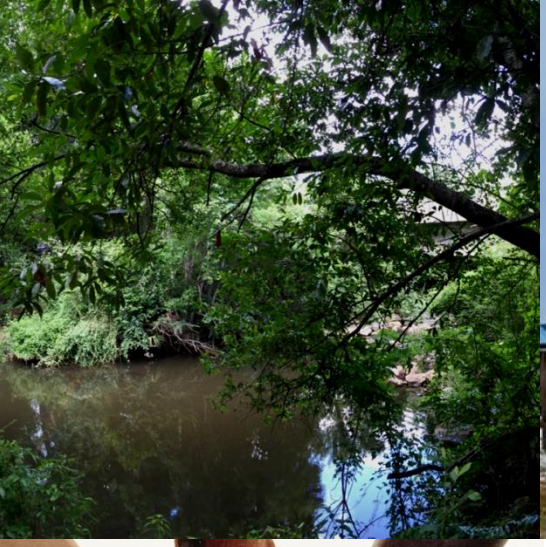
July 1 - Project Portal opened for public submittal of projects

October 2 - Project Portal closed with 124 submitted projects

2016

March 7 - RAC ranked and recommended list of 124 projects to BCC

April 7 - BCC accepted RESTORE Advisory Committee recommendation and rank of 124 projects

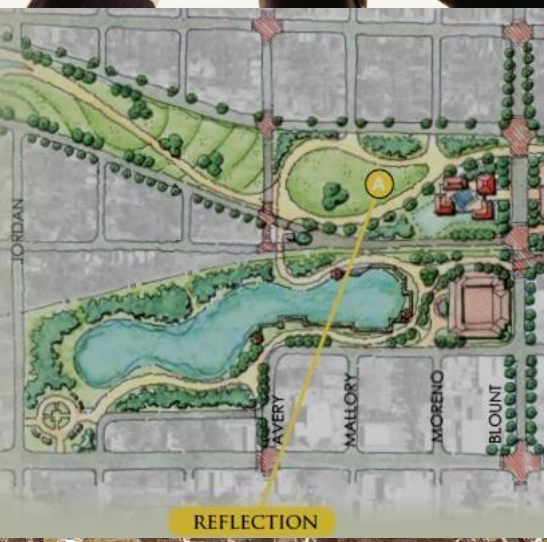


August 11 – BCC decided that each commissioner will nominate two projects for inclusion in MYIP and directed staff to perform risk assessments

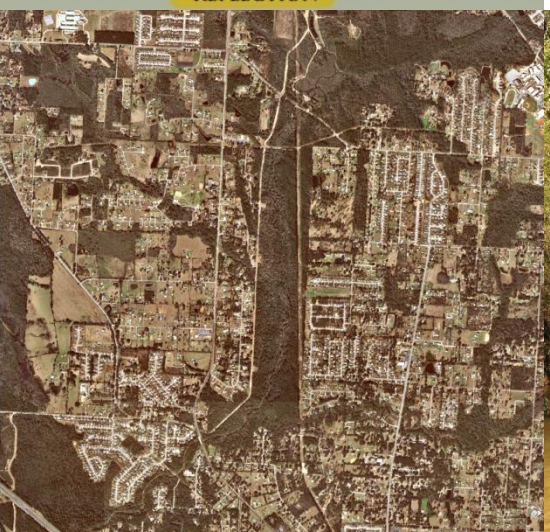
October 13 – Staff presented risk assessments to BCC for first 6 nominated projects

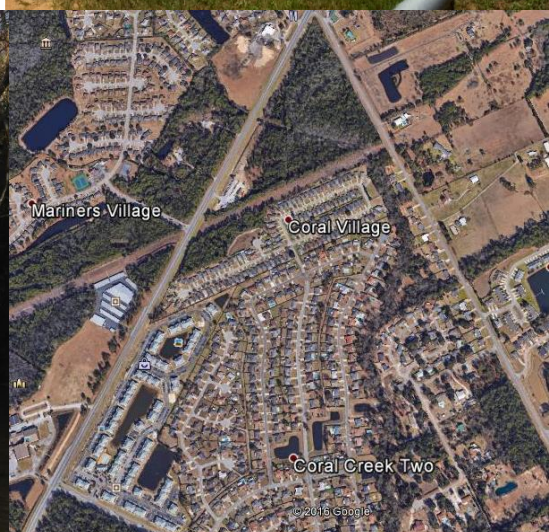
2017

February 9 – Staff presented 4 remaining risk assessments to BCC; commissioners decided to fund phase 1 of the nominated projects; BCC directed staff to identify leveraging opportunities for implementation costs to maximize Direct Component funds



Next Steps - BCC approval of draft MYIP; 45 day comment period; submittal of MYIP to U.S. Treasury for approval





2016-17

DIRECT COMPONENT PROJECTS

Carpenter Creek & Bayou Texar Revitalization Plan

OVERALL PROJECT DESCRIPTION

The Carpenter Creek and Bayou Texar Economic and Environmental Revitalization Plan will be based on public input and watershed assessments, and will identify community goals, illustrate project components, and develop sound restoration and revitalization projects in the Carpenter Creek and Bayou Texar watershed.

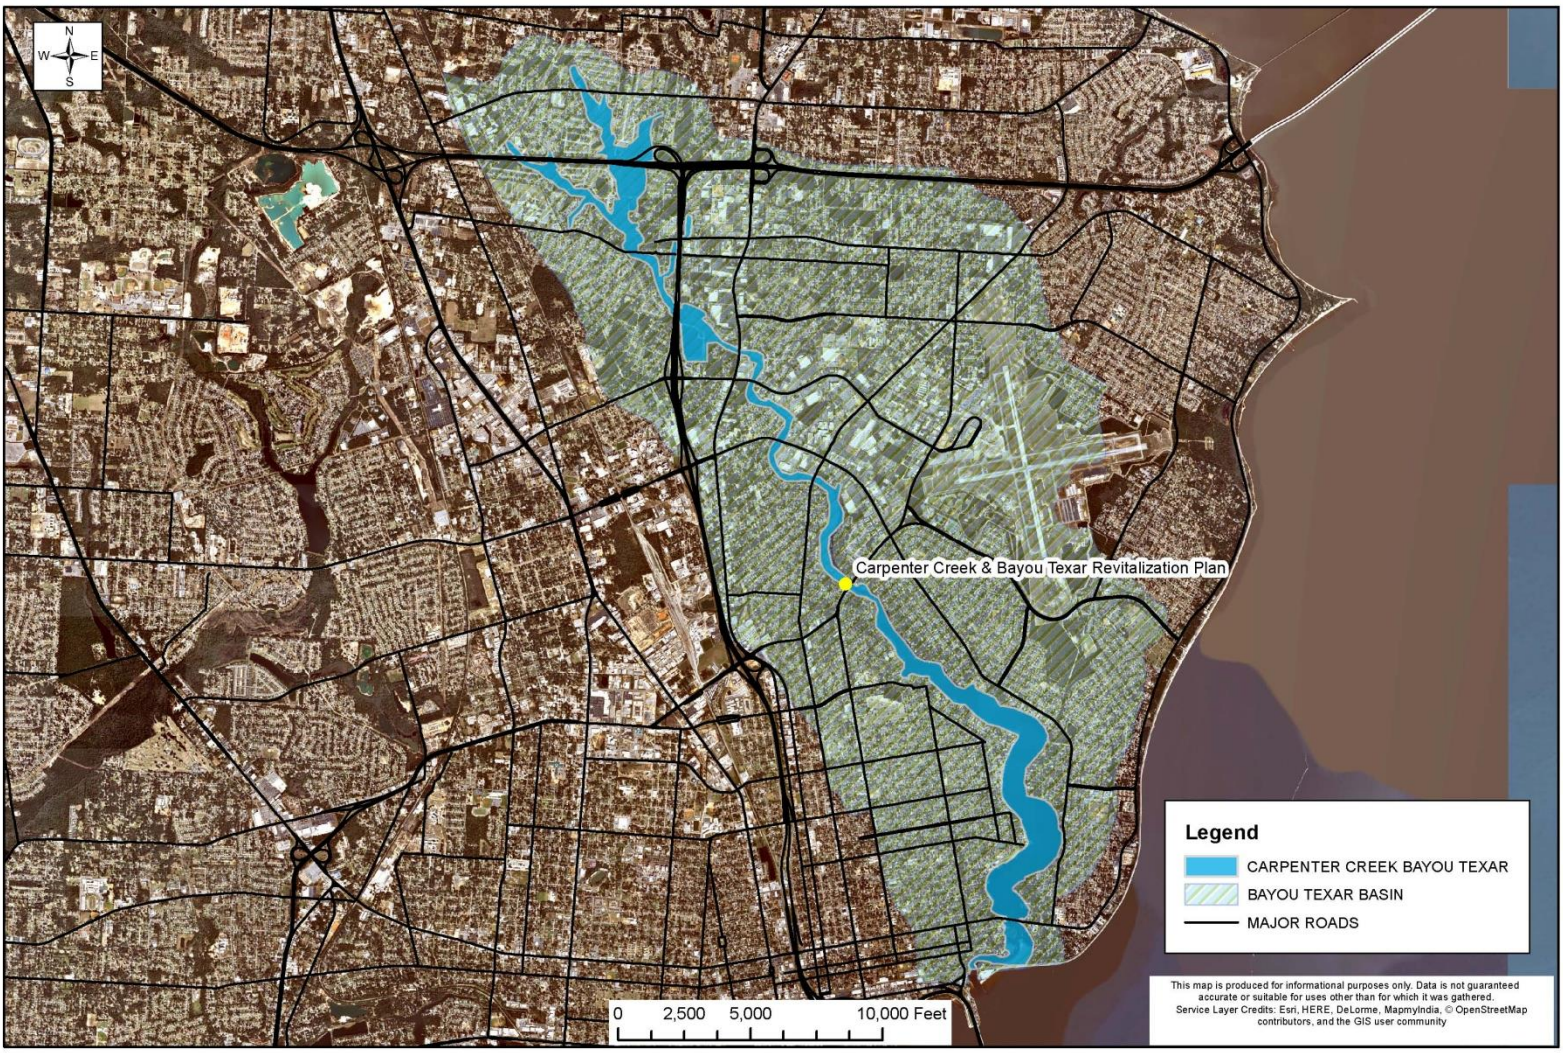
Urban encroachment along Carpenter Creek has reduced riparian buffers leading to increased erosion rates and flooding occurrences, increased stormwater runoff, reduced water quality and clarity, and a disconnect between the urban and natural environment.

Projects identified in the master plan will be implemented to restore/enhance the floodplain, stabilize creek banks, improve water flow and quality, and establish public access with a greenway trail and environmental/historical educational signage.

PROJECT DETAILS

2016-17 MYIP ACTIVITIES - $1,308,000
Develop a Master Plan for Carpenter Creek and Bayou Texar

- Community/Stakeholder Input
- Water Quality/Habitat Monitoring
- Watershed Assessments
- Identify Community Goals
- Identify Restoration Activities
- Identify Stormwater Controls/ Treatment Projects
- Illustrate Project Components



Primary Eligible Activity: Planning Assistance
Secondary Eligible Activity: Infrastructure projects benefitting the economy and/or ecological resources.

*FUTURE ACTIVITIES - $3,795,000
Master Plan Implementation

- Land/Easement Acquisition
- Stream Restoration
- Riparian Zone Restoration/Preservation
- Establish Greenway/ Public Access

Total Project Cost: $5,103,000

*Future activities are not funded by the 2016-17 MYIP but could be funded in future multi-year plans.

Overall Project Benefits

- Restored/Enhanced Floodplain/Reduce Residential & Commercial Flooding
- Reduce Water Flow Velocity
- Improve Water Quality/Increase Dissolved Oxygen/Address TMDL
- Preserve Natural Habitats/Enhance Riparian Buffers
- Establish Greenway for Pedestrians/ Bicycles
- Stormwater Runoff Treatment/Reduction
- Increase Recreational Access and Ecotourism

Best Available Science

Carpenter Creek & Bayou Texar Documented Legacy Issues (See Reference Page)

- Sedimentation
- Nutrients
- Impaired Waters: Fecal Coliform TMDL-Bacterial Pollution Control Plan
- Habitat Loss

Project Universal Access

OVERALL PROJECT DESCRIPTION

According to the latest U.S. Census data, there are 56.7 million people in the United States with a disability. Project Universal Access will evaluate public infrastructure in Escambia County for compliance with Americans with Disabilities Act (ADA) Standards and enhancement opportunities to meet the needs and desires of the public with disabilities. An evaluation of public access locations will include public parks, trails, and landings on Pensacola Beach, Perdido Key and other coastal parks in Escambia County. Subsequently, a needs assessment will be produced resulting from the evaluation and input from stakeholders in the community. Citizens, specifically disabled citizens, will provide input to identify amenities and priorities to include in the needs assessment and future implementation by Escambia County and partner community organizations. The needs assessment will identify priorities where enhanced amenities can be included in existing public infrastructure to enable marketing Escambia County as a destination for disabled tourists. Example amenities include multisensory educational kiosks, dune walkovers with observation decks and beach mat access to the Gulf of Mexico, chemical sensory standards, and ADA restroom/parking facilities.

PROJECT DETAILS

2016-17 MYIP ACTIVITIES - $360,000
Evaluation & Plan

- ADA Evaluation of Public Access Points on Pensacola Beach and Perdido Key
- Accessibility Evaluation of beach access points, trails, parking lots, sidewalks, and restrooms
- Produce a Needs Assessment for persons with disabilities

Primary Eligible Activity: Planning Activities

Secondary Eligible Activity: Infrastructure projects benefitting the economy.

*FUTURE ACTIVITIES - $3,500,000
Design, Construction, & Monitoring

- Strategic Design- Retrofits, Improvements, and Location Identification
- Disabled Community Input
- Construction
- Monitoring

Total Project Cost: $3,860,000

*Future activities are not funded by the 2016-17 MYIP but could be funded in future multi-year plans.

Overall Project Benefits:

- Increased Tourism
- Attract New Group of Tourists
- Identify Community Needs
- Construct/ Enhance ADA Trails/ Walkovers
- Provide ADA Connectivity
- Enhance Educational Signage (Multi-Sensory)
- Improve Recreational Opportunities for Disabled Residents (estimated 54,000 persons) and Visitors

Best Available Science:

Current ADA Parks Evaluation does not include coastal parks (See reference Page)

Visit Pensacola identifies how an increase in visitors can enhance the economy (See reference Page)

Pensacola Beach currently undergoing some ADA access retrofits which complement this project

Perdido Key Gulf of Mexico Public Access

OVERALL PROJECT DESCRIPTION

Escambia County has prioritized public access to the Gulf of Mexico and preservation of Perdido Key beach mouse critical habitat. The Perdido Key Gulf of Mexico Public Access project is a planning assistance activity that will fund the planning, design, and permitting for public infrastructure improvements to facilitate public access, attract additional people to the community, and enhance the economy. Amenities will include public parking, restroom facilities, covered picnic facilities, and a dune walkover with observation platform. Undeveloped areas will be enhanced through habitat restoration to maximize benefits to the endangered Perdido Key beach mouse. Habitat restoration creates connectivity among identified critical habitat areas and balances community desire for public access while providing critical beach mouse habitat for species survival. A near-shore artificial reef will be designed and permitted for increased recreational opportunities and to attract additional people for snorkeling, diving or fishing. Public access infrastructure provides connectivity and access to the artificial reef, allowing for resources of each to be enjoyed by the public.

PROJECT DETAILS

2016-17 MYIP ACTIVITIES - $147,600
Planning & Design

- Restroom Design/Features
- Dune Walkover/Pavilion Design
- ADA Compatibility/Features
- Parking Improvements
- Educational Kiosk
- Habitat Improvement Planning
- Near-shore Reef Design/Permitting

Primary Eligible Activity: Planning Assistance

Secondary Eligible Activity: Infrastructure projects benefitting the economy or ecological resources.

*FUTURE ACTIVITIES - $1,525,000
Construction & Monitoring

- Dune Walkover
- Restroom Facilities & Pavilion
- Parking Lot
- Beach Mouse Habitat Restoration
- Educational Kiosk Installation
- Near-shore Reef Deployment
- Monitoring

Total Project Cost: $1,672,600

Leverage: $3,100,000 (property acquisition)

*Future activities are not funded by the 2016-17 MYIP but could be funded in future multi-year plans

Overall Project Benefits

- Enhance Economic Development through increased access to local businesses and implementing the Perdido Key Master Plan
- Enhance Tourism Industry & Ecotourism Opportunities
- Provides ADA Access to Gulf of Mexico
- Tourism Destination/ Activity
- Connecting Trail/ Greenway
- Habitat Preservation (Dune Habitat)
- Enhanced Fishing Opportunities through Access and Reef
- Habitat Creation (Snorkel Reef)

Best Available Science

Identified in the Perdido Key Master Plan to enhance economic growth (See reference page)

Artificial Snorkel Reefs are identified as economic growth drivers (See reference page)

The Perdido Key Beach Mouse is listed as an Endangered Species and has limited habitat (See reference page)

Perdido Key Multi-Use Path

OVERALL PROJECT DESCRIPTION

This project will fund the construction of approximately one mile of the east segment of the Perdido Key Multi-Use Path. When complete, the multi-use path will extend approximately 6.2 miles from the Florida state line eastward through Perdido Key State Park to the Theo Baars Bridge. The design is for a 10-foot wide paved path and elevated boardwalk along the north side of Perdido Key Drive, State Road-292. Perdido Key is experiencing growth pressure on the confined transportation network. This project will allow for alternative means of transportation, such as walking or biking, to move people along Perdido Key and increase access to local businesses. Identified as a priority in the Perdido Key Master Plan, the path will establish connectivity throughout Perdido Key to facilitate movement from residential, commercial, and recreational areas. Project design has been funded by the Shared Use Non-motorized (SUN) Trail Grant, Florida Department of Transportation (FDOT), and the Florida-Alabama Transportation Planning Organization (TPO).

PROJECT DETAILS

(Funded by FDOT)- $1,800,000
Planning & Design

- Design for a Multi-Use Path on the north side of Perdido Key Dr. from the Alabama state line to the Theo Baars Bridge for 6.2 miles
- Designs collector sidewalks on the south side of Perdido Key Dr.

(Funded by FDOT)- $2,246,000
Construction West

- Construction of 2.44 miles of the west segment of the paved multi-use path of the Perdido Key Multi-Use Path

2016-17 MYIP ACTIVITIES- $960,000
Construction East – 1 mile

- Construction of 1 mile of the east segment of the paved multi-use path and elevated boardwalks of the Perdido Key Multi-Use Path

Primary Eligible Activity: Infrastructure projects benefitting the economy.

Total Project Cost: $8,580,000

Leverage: $4,046,000 (Planning & Design and Construction for West Segment, FDOT)

Overall Project Benefits:

- Enhance Economic Development through increased access to local businesses and implement the Perdido Key Master Plan
- Enhance Tourism Industry & Ecotourism Opportunities
- Provide ADA Access to Gulf of Mexico
- Tourism Destination/ Activity
- Connecting Trail/ Greenway
- Habitat Preservation (Dune Habitat)
- Fishing Opportunities through Enhanced Access

Best Available Science:

Identified in the Perdido Key Master Plan and Florida-Alabama TPO Bicycle/Pedestrian Project Priorities FY 2018-2022 as a priority project to enhance economic growth (See reference page)

OLF8 Commerce Park Improvements

OVERALL PROJECT DESCRIPTION

The OLF-8 Project combines two critical community economic development priorities: Military Sector Investment and Private Sector Investment. Because military investment is a prime economic driver along the Gulf Coast, the OLF-8 project provides a unique opportunity to protect and improve our local military aviation training assets. The OLF-8 land swap opportunity provides a new state-of-the-art Navy and Marine Corps rotary-wing training asset that helps protect our military commands from additional rounds of military asset reduction (BRAC). Private sector investment is also critical to our economic progress. Escambia County will solicit and secure private sector investment by converting the old OLF-8 training area into a Commerce Center. The site is adjacent to the on-going construction of the 10,000 job Navy Federal Credit Union campus. Concepts for the new Commerce Park show approximately 425-acres of net developable uplands. Initial estimates of job densities are 8.5 jobs per acre (3,600 new jobs).

PROJECT DETAILS

2016-17 MYIP ACTIVITIES - $1,524,000

Master Planning & Design/Permitting

- Develop a plan identifying land use (i.e. type of business activity)
- Park design
- Public input
- Habitat conservation
- Infrastructure requirements
- Costs and timeline
- Design/ Permitting
- Engineering
- Environmental permitting
- Site plans for development

Primary Eligible Activity: Planning Assistance

Secondary Eligible Activity: Infrastructure projects benefitting the economy.

*FUTURE ACTIVITIES - $17,767,790

Construction

- Roadways
- Utilities
- Lighting
- Drainage

Total Project Cost: $19,291,790

Leverage: $2,000,000 (Land Swap)

*Future activities are not funded by the 2016-17 MYIP but could be funded in future multi-year plans

Overall Project Benefits

- Job Creation (3,600 new jobs)
- Private Industry and Business Growth
- Military Industry and Training Growth
- LEED Certification and Stormwater Management
- Wetland Preservation
- Walkable and Bikeable Community

Best Available Science:

- Addresses Need for Commerce Parks (See Reference Page)

South Dogtrack Drainage Project

PROJECT DESCRIPTION

This project will plan and design improved drainage within the Bayou Grande Drainage Basin. New incidences of flooding are now occurring in areas that had no previous flooding problems. In order to restore historic drainage patterns and reduce flooding of existing homes, this project will provide planning and design for: 1. Construction of stormwater ponds to replace lost floodplain and stormwater storage. 2. Construction of a new drainage outfall from the headwaters of the drainage basin along Blue Angel Parkway to the headwaters of Bayou Grande (Garcon Swamp). 3. Provide channel and stream restoration improvements along two merging creeks to Bayou Grande. The project's stormwater management goals are to improve flow through the creek to reduce flooding and scour in the creek, and to provide significant flood control measures. Stormwater pond(s), wetland restoration, floodplain restoration, and habitat creation areas are proposed.

This area has suffered severe flooding issues. Providing this new stormwater drainage and treatment will reduce flooding and increase stormwater retention. Stream restoration components will also provide improved habitat and water quality for Bayou Grande, which currently is impaired for bacteria.

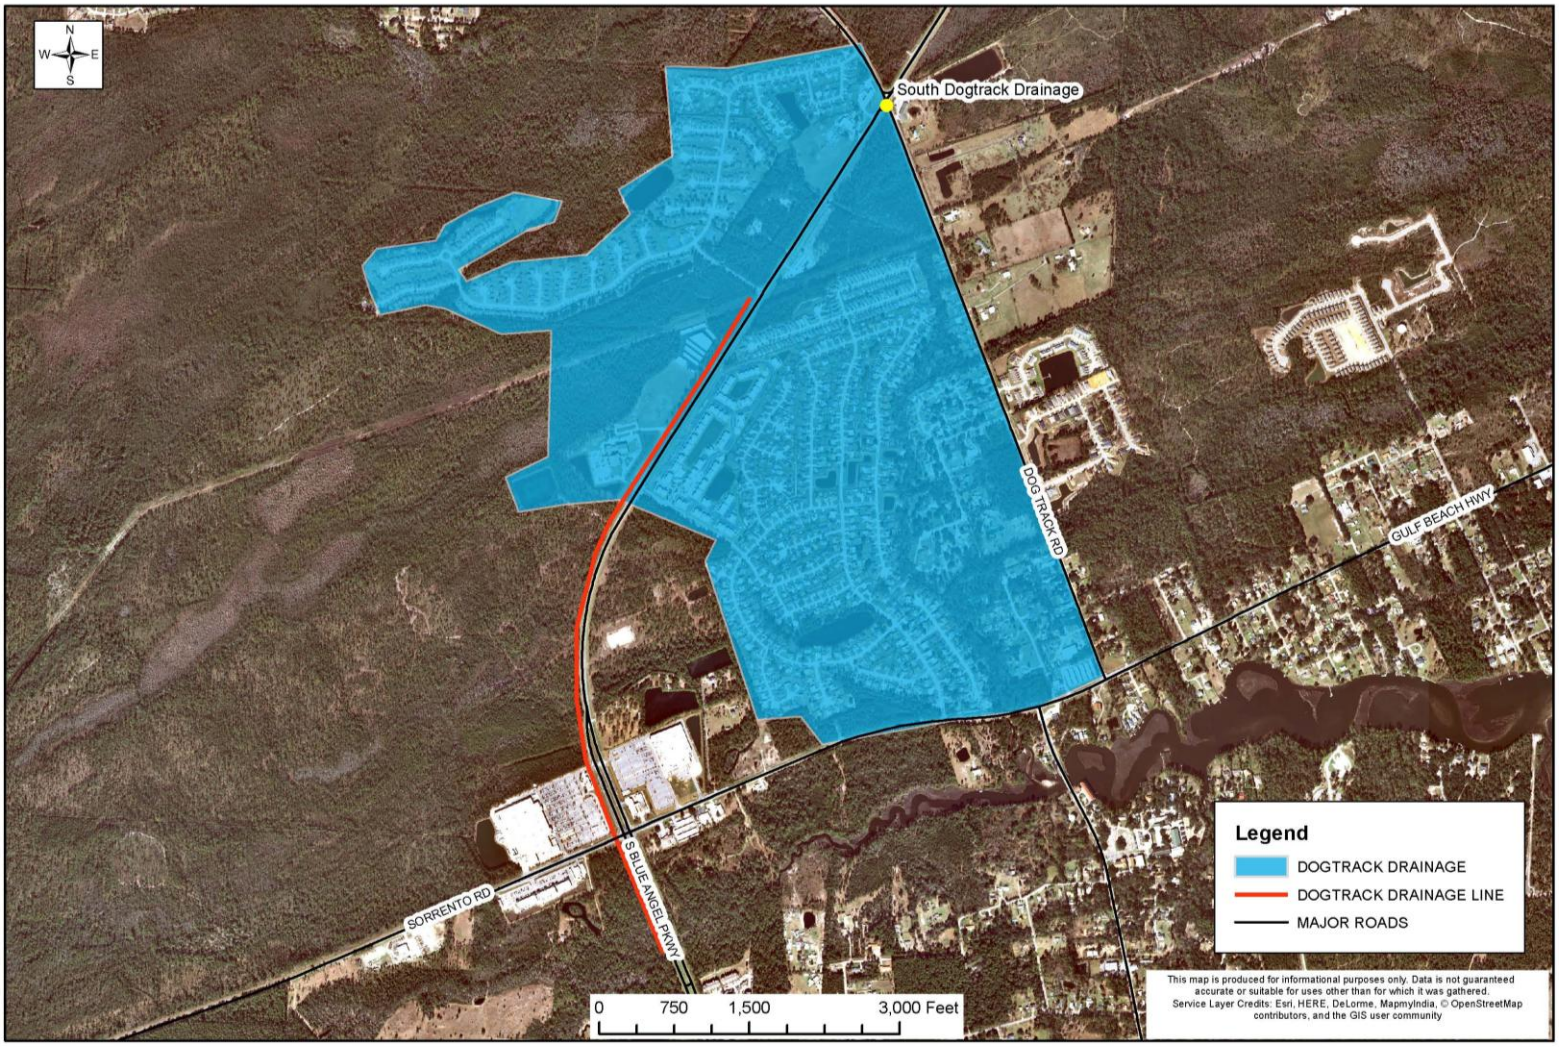
PROJECT DETAILS

2016-17 MYIP ACTIVITIES - $240,000
Planning & Design

- Conceptual Plan/Study
- Design & Permitting
- Identify properties for acquisition/easements

Primary Eligible Activity: Planning Activities

Secondary Eligible Activity: Coastal flood protection and related infrastructure.



*FUTURE ACTIVITIES - $7,900,000
Construction & Monitoring

- Install 7,000 feet of new 48" storm pipe along the west side of Blue Angel Parkway
- Easement/Land Acquisition
- Stormwater Ponds
- Coral Creek Stream Restoration

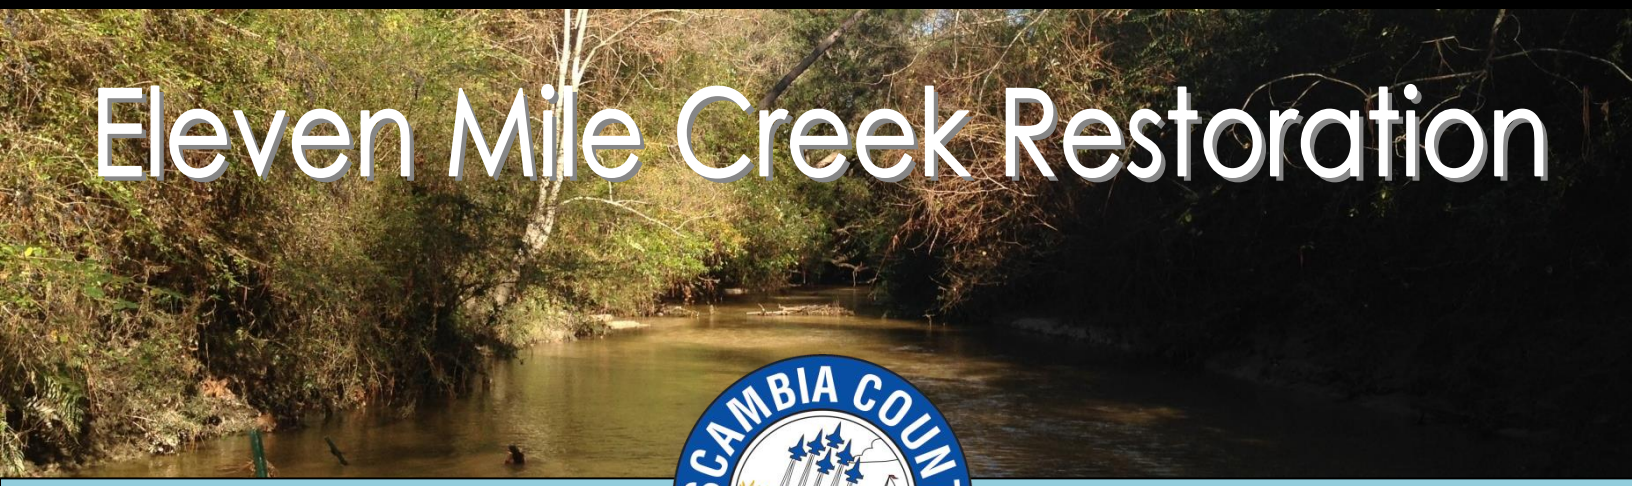
Total Project Cost: $8,140,000

Leverage: None

*Future activities are not funded by the 2016-17 MYIP but could be funded in future multi-year plans.

Overall P**roject Benefits:**

- Flood Protection (Over 300 homes)
- Floodplain Restoration
- Stream Restoration
- Water Quality Improvements
- Enhance Natural System Resiliency
- Restore Stormwater Flow/ Volume
- Improve Community Resiliency
- Provide Temporary Employment
- Reduce Repeated Loss



Best Available Science:

Flooding (See Reference Page)

- Hydrological flow has been diverted by surrounding development
- Encroachment around Coral Creek has increased water volume while reducing flow out of the creek

Stream Restoration (See Reference Page)

- Bayou Grande bacteria TMDL

Eleven Mile Creek Restoration

OVERALL PROJECT DESCRIPTION

The Eleven Mile Creek Stream Restoration project will provide expansion of the creek's riparian buffers, restore natural habitat, and improve water quality in Eleven Mile Creek and Perdido Bay. Additionally, it will mitigate coastal flooding, protect valuable public infrastructure, and repair existing nonfunctional stormwater infrastructure.

Eleven Mile Creek is a 303(d) listed impaired water body and Total Maximum Daily Loads (TMDLs) exist for fecal coliform bacteria, low dissolved oxygen, excess nutrients, elevated biological oxygen demand, and unionized ammonia. Water quality improvements are necessary to meet water quality standards for Class III water to be considered "fishable and swimmable".

Restoration and expansion of the floodplain, restoration of wetlands, reduction in invasive species, and reestablishment of riparian buffers will increase wildlife habitats as well as provide flood protection for Bristol Park, Bristol Creek, and Ashbury Hills neighborhoods and surrounding areas.

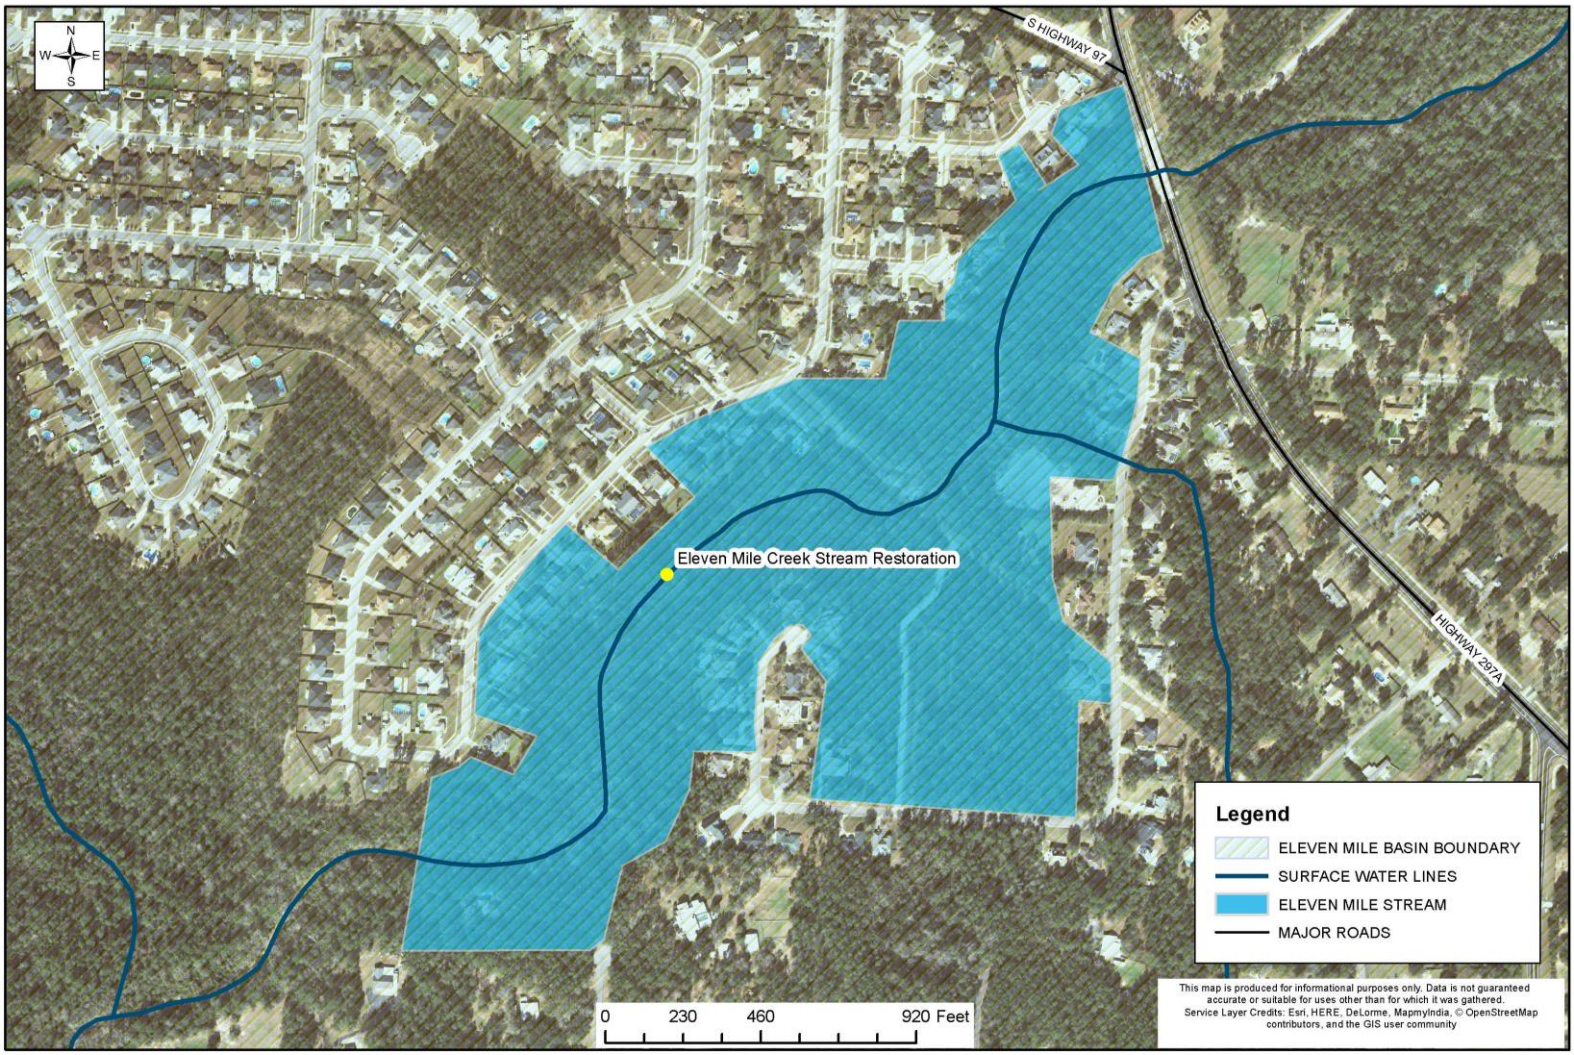
PROJECT DETAILS

2016-17 MYIP ACTIVITIES - $1,332,930
Planning & Design for Stream Restoration & Floodplain Expansion

- Community/Stakeholder Input
- Pre-design Water Quality/Habitat Monitoring
- Watershed Assessments
- Easement Determination & Land Acquisition (27 HMGP Properties)
- Wetland Delineation & Permitting
- Wetland & Stream Restoration Design

Primary Eligible Activity: Planning Assistance

Secondary Eligible Activity: Restoration and protection of natural resources.



*FUTURE ACTIVITIES - $11,819,133
Implementation & Construction

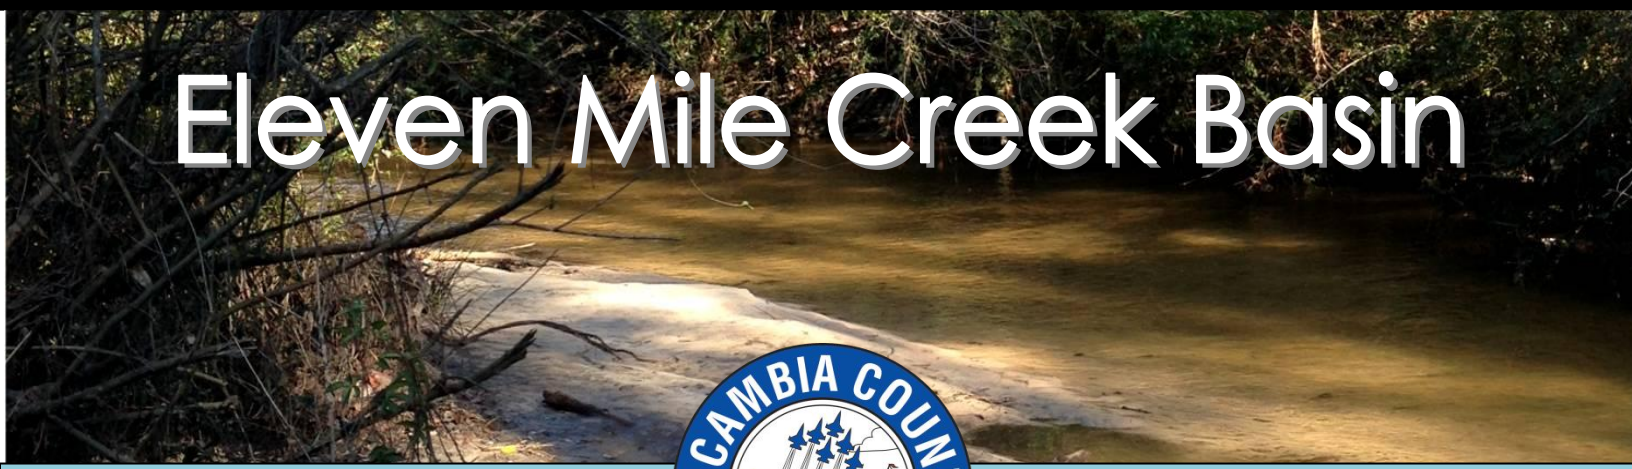
- 3,500 linear ft. Stream Restoration
- 40 acres Floodplain Expansion
- Protect 160 Homes

Total Project Cost: $13,152,063

Leverage: $6,235,620 (HMGP Grant & LOST)

*Future activities are not funded by the 2016-17 MYIP but could be funded in future multi-year plans

Overall Project Benefits



- 3,500 linear ft. Stream Restoration
- 40 acres Floodplain Expansion
- Protect 160 Homes from Flooding
- Riparian Zone Restoration/Preservation
- Increase Community Resilience
- Expand Wildlife Corridor
- Improve Water Quality/ Increase Dissolved Oxygen/Address TMDL
- Stormwater Runoff Treatment/ Reduction
- Support and Create Jobs

Best Available Science

Eleven Mile Creek Documented Impairments (See reference page)

- Impaired Waterbodies: Fecal Coliform TMDL- Bacterial Pollution Control Plan
- Sedimentation
- Nutrients
- Habitat Loss
- Low Dissolved Oxygen

Eleven Mile Creek Basin

OVERALL PROJECT DESCRIPTION

This project will add eleven stormwater ponds in the Eleven Mile Creek basin that will provide flood attenuation, improve water quality, and have a direct impact on all coastal areas of Escambia County that border Perdido Bay. Site one (1) is a pond near the Green Hills Road Tributary. The remaining ten (10) pond/stream restoration sites in the Eleven Mile Creek basin are being analyzed for land acquisition. One of the broader goals of this project is to reduce downstream stormwater flow rates and improve downstream water quality. The Green Hills site plan is for construction of a pond and/or floodplain restoration site upstream of the Green Hills Road culvert crossing. An immediate benefit will be that Green Hills Road will not be subject to roadway flooding during a 25-year storm event. Construction of the remaining eleven ponds will reduce roadway flooding throughout the Eleven Mile Creek basin. Ponds 2 through 11 are stormwater ponds/ floodplain creation sites that will similarly improve the Eleven Mile Creek Watershed downstream of the Green Hills Road culvert crossing. Construction of the attenuation sites will directly reduce downstream flooding and improve water quality by measurably reducing the amount of sedimentation and pollutants that enter Perdido Bay.

PROJECT DETAILS

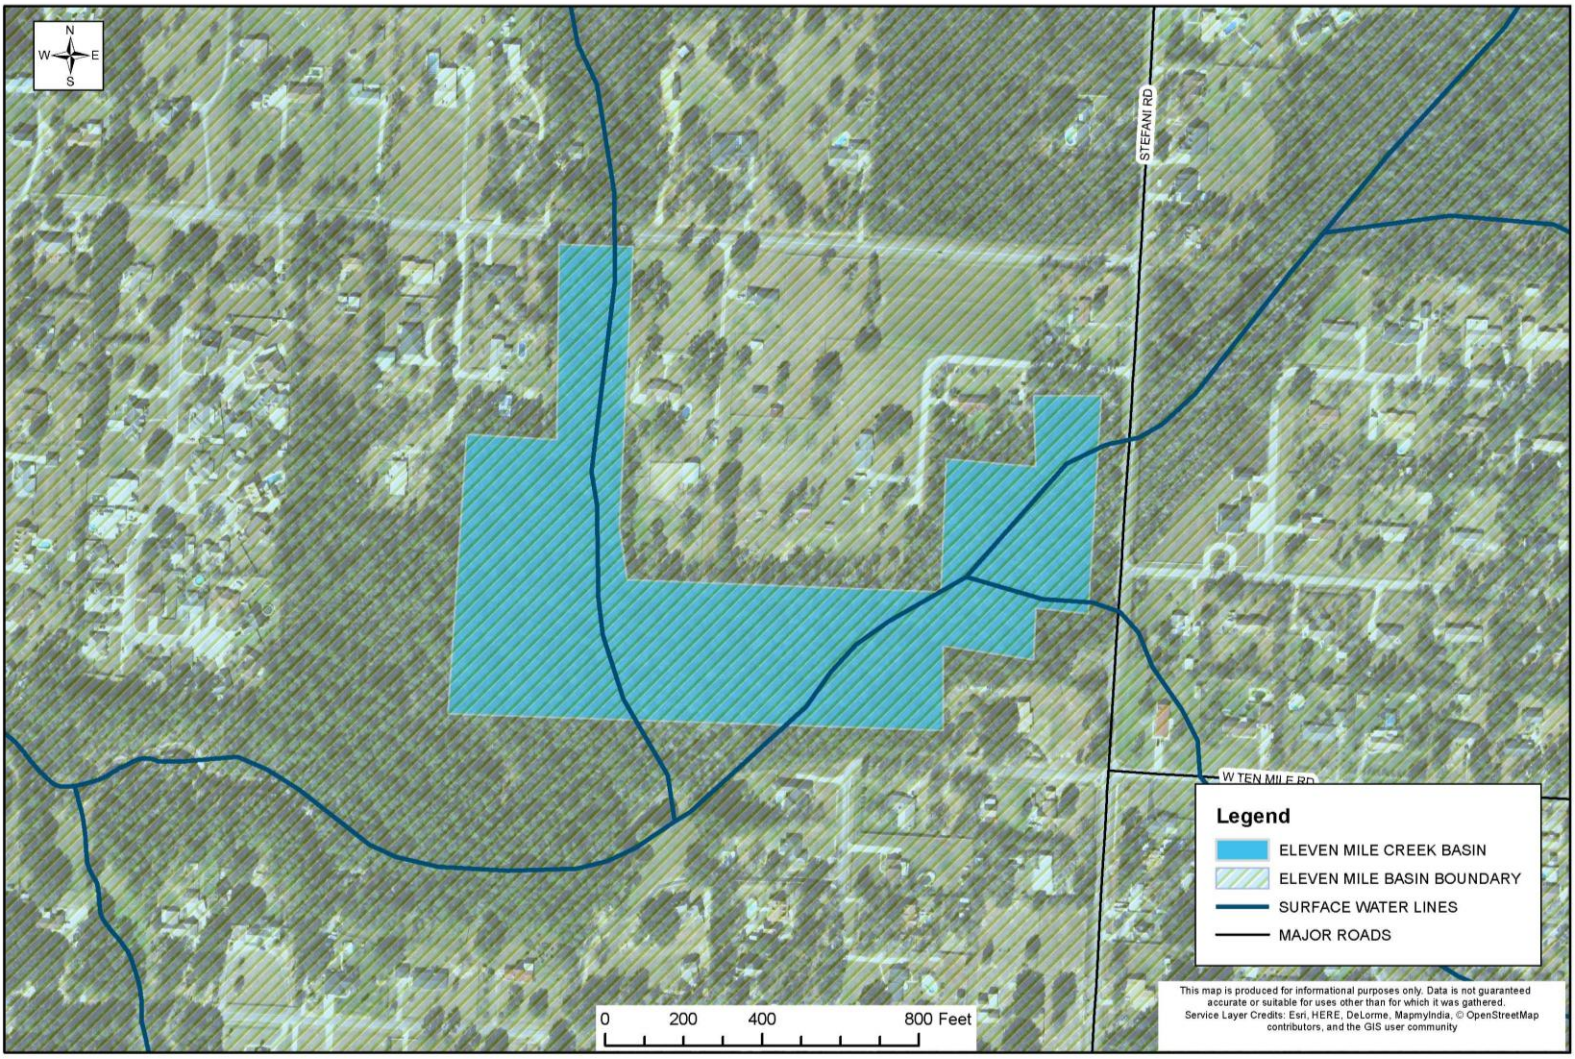
2016-17 MYIP ACTIVITIES - $268,800
Planning & Design for Stormwater Improvements

- Pond Creation & Location Planning
- Watershed Assessments
- Easement Determination & Land Acquisition
- Wetland Delineation & Permitting
- Pond & Floodplain Restoration Design

Primary Eligible Activity: Planning Assistance

Secondary Eligible Activity: Coastal flood protection and related infrastructure.

*FUTURE ACTIVITIES - $3,800,000
Implementation & Construction



- Construction of Ponds and Stormwater Treatment Sites

Total Project Cost: $4,068,800

Leverage: $1,510,000 (Programmed LOST)

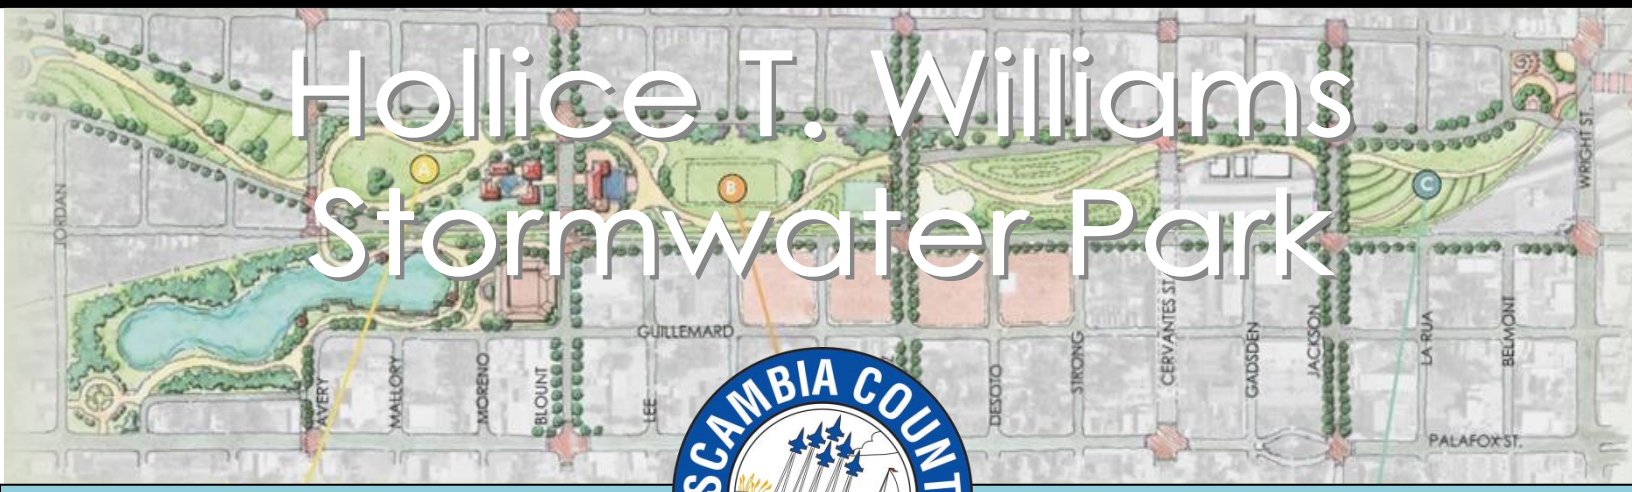
Long Term Project Cost: $43,200,000

*Future activities are not funded by the 2016-17 MYIP but could be funded in future multi-year plans.

Overall Project Benefits

- Flood Protection for 512 acres
- Protect 31,000 acres Downstream
- Protect Homes
- Increase Community Resilience
- Create 11 Stormwater Treatment Ponds
- Improve Water Quality/ Increase Dissolved Oxygen/ Address TMDLs
- Stormwater Runoff Treatment/ Reduction
- Low Dissolved Oxygen
- Support & Create Jobs

Best Available Science



Documented Flooding (See Reference Page)

- Hydrological flow has been diverted by surrounding development
- Encroachment has increased water volume while reducing flow out of the creek

Hollice T. Williams Stormwater Park

OVERALL PROJECT DESCRIPTION

This project will construct a dual use stormwater and recreational-use basin under the Interstate 110 corridor. The project will aid the City of Pensacola in collecting, treating and routing 1.3 miles of stormwater that runs off elevated lengths of Interstate 110 near its southern terminus, providing relief to diverse historical neighborhoods in flood prone areas near Hollice T. Williams Park.

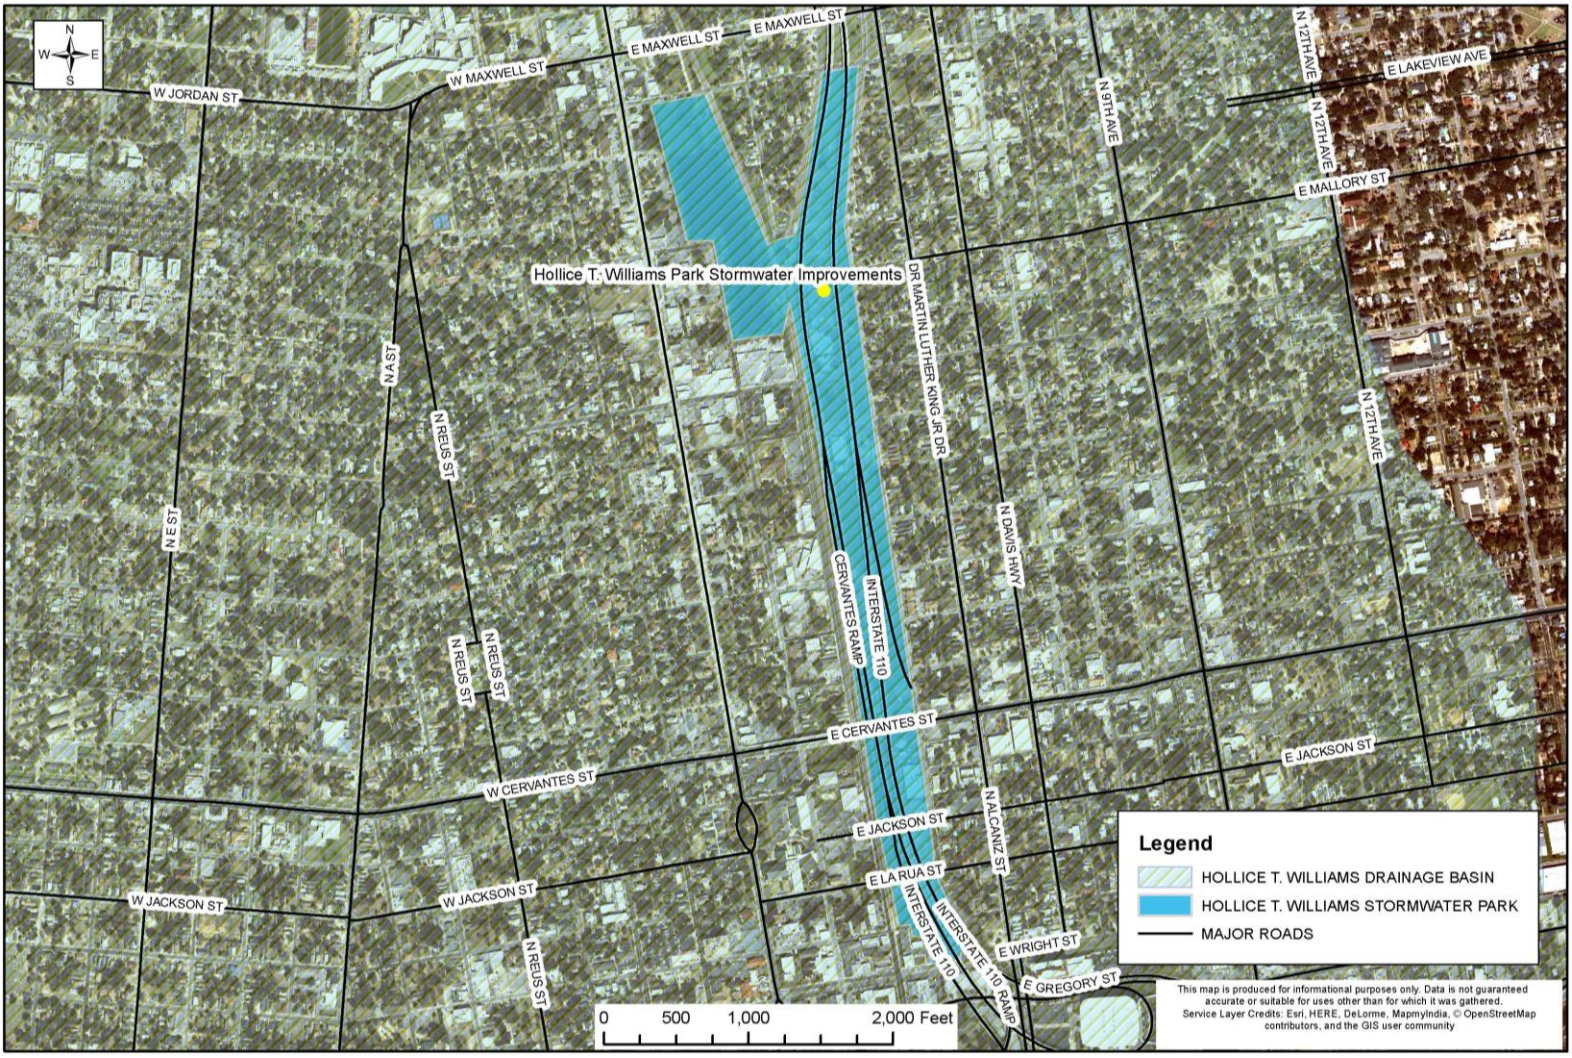
This park will also provide for multi-use recreational basins that support wellness, tourism and economic development goals of the City's comprehensive plan. Stormwater/recreation basins are effective tools that maximize the use of public lands while managing large run-off volumes generated quickly during storm events. Phase 1- complete project planning, design, and permitting. Phase 2- construction of the dry ponds/wet detention pond, multi-use areas, youth athletic fields, a walking path, landscaping, lighting and educational kiosks, benches, and gathering areas.

PROJECT DETAILS

2016-17 MYIP ACTIVITIES - $1,597,320
Planning, Design, & Permitting

- Design/ Engineering/ Permitting

Primary Eligible Activity: Planning Assistance
Secondary Eligible Activity: Coastal flood protection and related infrastructure.



*FUTURE ACTIVITIES - $2,442,900
Implementation & Construction

- Treat 1.3 miles of Stormwater
- Dry Ponds
- Multi-Use Recreational Park
- Wet Detention Pond
- Landscaping
- Benches
- Gathering Areas
- Lighting
- Walking Path

Total Project Cost: $4,040,220

Leverage: $280,000 (stormwater facilities); $4,000 (in-kind)

*Future activities are not funded by the 2016-17 MYIP but could be funded in future multi-year plans

Overall Project Benefits

- Stormwater Runoff Treatment/ Reduction (1.3 miles)
- Reduce Flooding of Surrounding Historical Neighborhoods
- Increase Community Resilience
- Reduce Pollutant Loading on Surrounding Waterbodies
- Water Quality Improvements
- Increase Tourism Activities
- Provides Recreational Space

Best Available Science

- Severe Flooding Issues (See reference page)
- Improve Water Quality of Pensacola Bay

SOAR with RESTORE

OVERALL PROJECT DESCRIPTION

SOAR with RESTORE is a workforce development project which will stand up a workforce development program managed by Escambia County. The program will provide training to underserved communities such as Community Redevelopment Areas (CRAs) and minority communities. The program will focus on three main workforce development areas, including environmental hazard remediation, cybersecurity, and re-entry training for developing financial/social skills. These programs and skills were identified by a group of non-profit and for-profit organizations as well as Florida's Great Northwest as valuable skill sets to introduce underserved or re-entry individuals into the workforce. Escambia County will manage the program and work with partner community organization, to provide workforce training courses. The program will work with existing workforce development programs to fill training gaps and avoid program redundancy.

PROJECT DETAILS

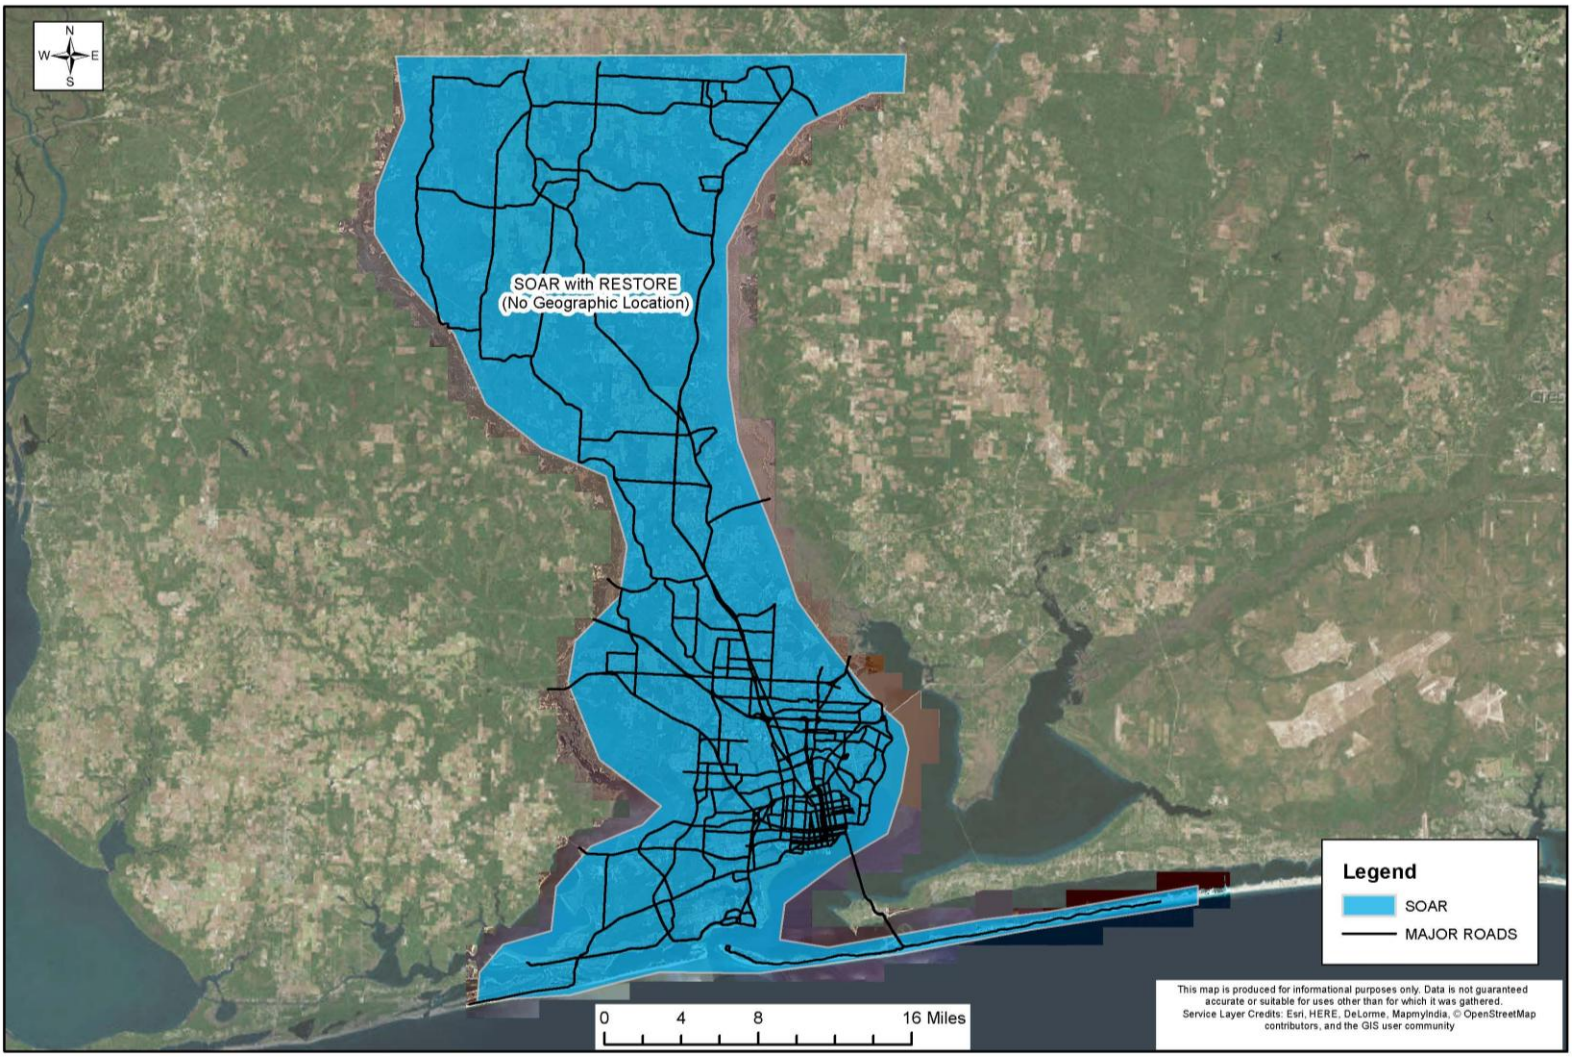
2016-17 MYIP ACTIVITIES - $900,000

Program Establishment and Implementation for 2 Years

- Workforce Training
- Heritage Tourism
- Program Monitoring
- Outreach

Primary Eligible Activity: Workforce Development and job creation.

*FUTURE ACTIVITIES - $2,020,000



Program Implementation Continued

- Workforce Training
- Financial & Social Skills Training
- Heritage Tourism Marker Construction

Total Project Cost: $2,920,000

Leverage: $1,499,120 ($600,000-Unity in the Family Ministry, $399,120-New World Cleaning, $500,000-Hixardt Technologies)

*Future activities are not funded by the 2016-17 MYIP but could be funded in future multi-year plans

Overall Project Benefits:

- Workforce Development
- 25/yr Environmental Worker Training
- 25/yr At-Risk Re-entry Participants Trained in Finance & Social Skills
- 25/yr Educated in Cybersecurity
- Increase Organized Efforts to Expand and Enhance Program
- Involve Multiple Community Organizations

Best Available Science:

Interim Needs Assessment for Escambia County RESTORE Planning

Introduction:

Coastal communities throughout the Gulf region continue the costly and arduous task of repairing the damages inflicted on their ecological, environmental, economic, and social assets and supporting systems as a result of long standing decline and the Deepwater Horizon Oil Spill in 2010. In response to the unfolding requirements for RESTORE Act, Escambia County took the initiative to develop and administer a community inclusive collaborative planning structure. As part of that process, the Escambia County RESTORE Advisory Committee was convened in May 2013. Made up of community leaders with experience in the major RESTORE components of Environment, Infrastructure and Economy, this group was tasked with collecting information on the existing condition of Escambia County and understanding how that condition could be advanced by RESTORE based projects.

The following tables summarize issues and ideas presented to the Escambia RESTORE Advisory Committee at their monthly public meetings.

The goal is to provide a comprehensive list of issues and challenges facing the County which should be considered for planning purposes. The first three topic categories (environment, infrastructure, and economy) are the eligible criteria under the Direct Component of the RESTORE Act of 2012 (see first table). The final category (social issues) represents issues that may not be eligible for RESTORE funding, but could be eligible for other sources of federal and state funding.

Environment

Environmental Needs			
Improve surface water quality • Reduce point sources (industry, septic tanks, WWTPs[1]) • Reduce nonpoint sources (303d impaired waters, TMDL's, stormwater runoff) • Utilize watershed approach	Monitor and restore habitats • Terrestrial and aquatic habitats • Promote healthy populations of fish and shellfish • Promote adequate and healthy populations of impacted species – marine mammals, birds, and sea turtles • Manage invasive species • Continue clean-up efforts • Local post-disaster DWH[2] spill monitoring	Improve ambient air quality • Reduce water quality effects (mercury and nitrogen) • Reduce ground level ozone	Conserve and preserve ecologically sensitive areas • Threatened and endangered species • Land acquisition • Wildlife corridors • Preserve biodiversity
Expand environmental education • Best management practices for agricultural industries • Watershed education • Promote expansion of recycling programs	Remediate contaminated sites • Superfund sites • Cleanup and removal of improperly operated landfills and pits • Legacy contaminants (PCB's, PAHs)	Natural systems resiliency (see also Infrastructure Needs – Improve manmade infrastructure resiliency) • Address sea level rise • Address loss of habitat • Address erosion/ sedimentation	Improve drinking water quality

1. Wastewater Treatment Plants
2. Deepwater Horizon

Economy

Economic Needs			
Expand and diversify target Industries that pay above the average median wage • High tech manufacturing • Aviation/aerospace • IT/cyber security • Telecommunications/ call centers • Renewable energy and sustainability • Young professionals	Develop/create jobs • Arts and entertainment • Cottage industries • Green industries	Redevelop existing sites • Promote infill development • Limit urban sprawl • Community Redevelopment Areas • Brownfields sites • Port of Pensacola	Attract and grow small businesses • Improve business opportunities for minorities • increase minority business development
Strengthen tourism industry • Expand heritage and cultural tourism • Expand ecotourism • Incorporate universal design to accommodate people with disabilities • Expand focus on overnight stays to include daytime visitors • Expand year-round tourism (arts, sports, heritage, convention sectors)	Increase tourism marketing • Promote local seafood • Publicize beneficial effects of RESTORE activities	Build upon existing assets • Military bases • Multi-modal transportation network • Business parks • Port of Pensacola	Develop skilled workforce • Improve adult basic education/GED • Increase youth employment opportunities and job training • Develop workforce readiness programs • Expand STEM programs • Build employable skills into existing curriculums • Increase technology/media training • Programs for minorities and persons with disabilities • Recruit talent to the area

Infrastructure

Infrastructure Needs			
Improve transportation systems • Incorporate complete streets – sidewalks, bike lanes, multi-modal paths, tree cover/ vegetation, and streetlights • Add more walkable areas • Increase and improve mass transit and carpooling opportunities	Improve manmade infrastructure resiliency • Address critical infrastructure • Stabilize/protect coastal access areas • Ensure adequate hurricane/ disaster evacuation routes	Incorporate low impact development and sustainable design • Retrofit county and city facilities with green infrastructure • Utilize renewable energies such as solar panels on public schools and buildings	Prepare community for new technologies • Electric/ solar/CNG charging station networks • Connected vehicles • ITS (intelligent transportation systems)
Enhance infrastructure maintenance • Improve roads, highways, and bridges • Improve utility lines- gas, sanitary sewer, water distribution • Improve WWTPs • Upgrade/improve port facilities	Develop and expand stormwater management systems • Prevent flooding	Improve coastal facilities • Improve/update coastal parks • Improve parking and public access to waterfront	

Social Issues

Social Needs*			
Improve community health • Affordable health care • Develop anti-tobacco programs • Develop obesity reduction and physical activity programs • Mental health programs • Drug and alcohol rehabilitation programs • Address food deserts • Improve access to nutritious food	Target traditionally underserved areas and populations • Meet needs of disabled citizens • Improve literacy efforts • Improve African-American infant mortality rates • Meet needs of minority community	Reduce crime and improve public safety, especially in traditionally underserved areas • Utilize CPTED techniques (Crime Prevention through Environmental Design)	Support environmental justice • Ensure adequate and equal environmental quality for low-income, traditionally underserved, and minority areas
Improve education system • Facilitate early childhood education • Improve schools	Address poverty • Address homelessness	Conduct health impact studies for incident and clean-up activities	Reduce/eliminate litter and nuisance species/pests
Provide more affordable housing options	Build family support services	Preserve cultural heritage	Support ex-offender re-entry programs

*Social Needs are non-RESTORE eligible activities, but are needs represented as community preferences.

ELIGIBLE ACTIVIES UNDER RESTORE CRITERIA

RESTORE Act Citation	RESTORE Language	Equivalent Needs Assessment Topic
§1603(3)(t)(1)(B)(i)(I)	Restoration and protection of the natural resources, ecosystems, fisheries, marine and wildlife habitats, beaches, and coastal wetlands of the Gulf Coast region.	Environment
§1603(3)(t)(1)(B)(i)(II)	Mitigation of damage to fish, wildlife and natural resources.	Environment
§1603(3)(t)(1)(B)(i)(III)	Implementation of a federally approved marine, coastal, or comprehensive conservation management, including fisheries monitoring.	Environment
§1603(3)(t)(1)(B)(i)(IV)	Workforce development and job creation.	Economy, Social Issues
§1603(3)(t)(1)(B)(i)(V)	Improvements to or on State parks located in coastal areas affected by the Deepwater Horizon Oil Spill	Environment, Economy, Infrastructure
§1603(3)(t)(1)(B)(i)(VI)	Infrastructure projects benefitting the economy or ecological resources, including port infrastructure	Environment, Economy, Infrastructure
§1603(3)(t)(1)(B)(i)(VII)	Coastal flood protection and related infrastructure	Environment, Economy, Infrastructure
§1603(3)(t)(1)(B)(ii)(I)	Promotion of tourism in the Gulf Coast Region, including recreational fishing	Environment, Economy
§1603(3)(t)(1)(B)(ii)(II)	Promotion of the consumption of seafood harvested from the Gulf Coast Region.	Environment, Economy

Escambia County Project Selection Criteria

The project selection criteria presented below are derived from the Interim Needs Assessment for Escambia County v2.2 and will be used to evaluate projects submitted to Escambia County for funding consideration and inclusion in the Multiyear Implementation Plan (MYIP) required by the RESTORE Act. The criteria are divided into five major categories: Baseline Criteria, Environmental Criteria, Economic Criteria, Infrastructure Criteria, and Bonus Criteria.

Each submitted project will be evaluated for its eligibility for RESTORE funding and the degree to which it addresses the needs of Escambia County. Therefore, each project will be scored against all criteria in each category. Projects will receive an overall score that will be the accumulation of the points awarded. The criteria in each category contain brief descriptions to serve as guidance examples to the project applicants. This guidance is meant to assist applicants in obtaining the maximum number of available points for each criteria. The guidance is not meant to be an exhaustive listing of all possible strategies to achieve the criteria. Projects will be evaluated by the County based upon the best available science to determine the full range of benefits provided by the project and the feasibility to achieve the described results. Applicants are encouraged to provide a thorough explanation of the project, expected outcomes, and include supporting documentation to assist the County in its evaluation.

Project submittals must conform to all applicable federal, state, and local laws and codes including, but not limited to, Americans with Disabilities Act, Rehabilitation Act of 1973, U.S. Access Board, National Environmental Policy Act, National Historic Preservation Act, Davis-Bacon Act, Florida Building Code, and the Escambia County Land Development Code. Projects that do not comply will not be considered for scoring.

Baseline Criteria (Regulatory and Programmatic) -- ALL submitted projects must meet the minimum criteria in this category	BC Subtotal 12
1. Project Justification. Proposed project is adequately described to determine feasibility and the budget includes reasonable and justifiable costs. **Criteria Guidance** • Project budget provides detailed expenditure plan • Costs are practical and are appropriately aligned with project activities • Proposed project includes all supporting documentation to justify proposal	# of av. Points 3
2. Timing. Proposed project can be implemented and benefits realized within a reasonable and acceptable timeframe. **Criteria Guidance** • Applicable permits and permissions have been identified • Project timeline is sufficiently detailed to determine duration of design and construction and anticipated milestones for completion and monitoring	# of av. Points 3
3. Public Interest. Proposed project is in the public interest. **Criteria Guidance** • Projects performed by a public entity on public property or property under public control are deemed to be in the public interest • Projects performed, in part or whole, on private property must provide evidence of public benefit as determine by Escambia County	# of av. Points 3

4. Monitoring Plan. Proposed project includes a comprehensive monitoring and success measurement plan. **Criteria Guidance** • Proposed project includes applicable periodic maintenance • Proposed project establishes monitoring plan and applicable success measures	# of av. Points 3

Environmental Criteria	EVC Subtotal 20
1. Habitat Restoration. Proposed project improves, enhances, or restores the structure and function of upland, coastal, bays, bayous, wetlands, rivers, lakes, streams, or marine natural systems, benefiting native flora and fauna. **Criteria Guidance** • Restores, improves, or enhances ecological function – natural hydrological function, tidal connections, soil composition, vegetation diversity and renewal • Restores, improves, or enhances community structure – Increases native vegetation, biodiversity, or beneficial substrate • Removal of non-native species • Removal of fish passage barriers • Benefits fish and wildlife, especially listed species (threatened and endangered)	# of av. Points 5
2. Habitat Conservation and Preservation. Proposed project maintains or improves the structure and function of upland, coastal, bays, bayous, rivers, lakes, streams, or marine natural systems, benefiting native flora and fauna.	# of av. Points 5

Criteria Guidance • Establishes conservation easement or wildlife corridor • Reduces unnatural disturbances • Implements or establishes habitat management plan or other best practice	
3. Water Quality Improvement. Proposed project reduces point and nonpoint sources of pollutants entering local waterways, provides treatment to improve water quality, or proposes other measures which will improve water quality. **Criteria Guidance** • Point Source reduction – reduces pollutant loading from point sources, installation of Best Management Practices (BMP's) • Nonpoint Source reduction – reduces pollutant loading from nonpoint sources – reduces impervious surface coverage, implementation of BMP's (such as bioretention, vegetated buffer preservation, etc.), reduces sedimentation • Treatment – provides treatment for nutrients or legacy contaminants • Improves impaired (303d or evidence of impairment) waterway	# of av. Points 5

4. Natural Systems Resiliency. Proposed project increases ability of natural systems to withstand disasters and adapt to changing environmental conditions due to climate change, associated sea level rise, and other factors. **Criteria Guidance** • Stabilizes shoreline/provides natural wave attenuation • Increases species and/or ecosystem adaptability to changing conditions • Provides for natural successional progression • Improves air quality	# of av. Points 5

Economic Criteria	EC Subtotal 20 pts
1. Tourism and Tourism Opportunities. Proposed project provides for increases in tourism activity through new or additional marketing efforts, improvements to existing attractions, or addition of new destinations or attractions. **Criteria Guidance** • Provides increased or additional public access to the waterfront or other tourism destinations • Enhances existing attractions or destinations • Increases total annual visitor count • Increases access to cultural tourism or local historical assets • Promotes tourism destinations through marketing or promotional efforts	# of av. Points 4

2. Recreational Fishing and Local Seafood. Proposed project increases recreational fishing opportunities through increased or improved access to fisheries, marketing and promotion of local recreational fishing and seafood, removal of barriers to recreational fishing, and increases in fishing stock/habitat. **Criteria Guidance** • Improves opportunities through addition of artificial reefs, oyster reefs, Submerged Aquatic Vegetation (SAV), or similar • Increases access to fishing opportunities through addition of fishing piers, boat ramps, or similar • Promotes recreational fishing and/or local seafood consumption through marketing and promotional activities	# of av. Points 4
3. Job Creation. Proposed project provides for new seasonal, temporary, part time, full time, and/or higher wage jobs within the County. **Criteria Guidance** • Creates temporary, seasonal, or part time jobs • Employs 1-10 people with equal to or more than average annual median wage • Employs 11-25 people with equal to or more than average annual median wage • Employs more than 25 people with equal to or more than average annual median wage • Jobs created are in local targeted industries or supporting infrastructure industries as identified by the Pensacola Community Economic Development Association (CEDA) and amended periodically	# of av. Points 4

4. Industry and Business Growth. Proposed project directly contributes to expansion of existing industry/business or siting of a new industry/business in local targeted industries.
 	
Criteria Guidance
• Provides for expansion of existing business in local targeted industry
• Provides for new business(es) in local targeted industries
• Measurable Gross Domestic Product (GDP) increase
• Project Return on Investment (ROI) is:
  ○ 3:1 or better
  ○ Between 1:1 and 3:1
  ○ 1:1 or less
	# of av. Points
	
	4

5. Workforce Development. Proposed project provides innovative higher education, job training, or other workforce training/career development which increases the total skilled workforce pool and advances opportunities for higher wage employment. **Criteria Guidance** • Improvement to existing workforce program which includes multiple career pathway programs • Provides industry focused training resulting in certification for trainees • Addresses workforce gaps in specific industries as identified by the CEDA • Development or expansion of youth employment and training opportunities in STEM fields • Targets “at-risk” groups for job training	# of av. Points 4

Infrastructure Criteria	IC Subtotal 20
1. Transportation Network Improvements. Proposed project improves components of existing transportation network or adds new features to transportation network such as roads, sidewalks, bike lanes, multi-modal paths or trails, streetlights, and urban/street landscaping. **Criteria Guidance** • Improves existing roads and bridges or provides new roads and bridges • Provides additional bicycle and pedestrian improvements • Incorporates complete streets design including street lighting, traffic calming, and pedestrian safety • Adds to or improves multimodal network including waterways, ports, railways, and mass transit • Improves existing or adds new greenway paths and trails	# of av. Points 6
2. Flooding Improvements. Proposed project provides structural improvements or additions which will reduce flooding to homes and businesses, thereby reducing overall disaster costs and increasing economic resilience. **Criteria Guidance** • Proposed project will decrease frequency and/or intensity of flooding events (i.e. through reduction of impervious surface coverage or increased storage/retention) • Retrofits, repairs or replaces existing stormwater management infrastructure • Strategically adds new stormwater management components such as attenuation	# of av. Points 7
3. Community Resiliency. Proposed project increases community resiliency by strategically retrofitting, upgrading, or replacing critical infrastructure, utilizing renewable energy, or by implementing other disaster preparatory mechanisms.	# of av. Points

Criteria Guidance • Repairs or upgrades existing infrastructure • Repairs or upgrades existing critical infrastructure • Strategically adds new critical infrastructure, which reduces community vulnerability to natural and manmade disasters • Includes disaster planning measures • Includes necessary addition of shelters or evacuation routes	7

Bonus Criteria (Additional Points)	BNC Subtotal 34
1. Benefits Traditionally Underserved Persons or Areas. Proposed projects improves opportunities for disadvantaged or traditionally underserved persons or areas, such as low-income areas, areas of minority concentration, persons with disabilities, persons with limited English proficiency, etc. **Criteria Guidance** • Project is located in low income, very low income, or primarily minority neighborhood (as defined by U.S. Census tract) • Project incorporates universal or creative ADA design beyond the minimum requirements, providing increased access for persons with disabilities • Training and job creation benefits disadvantaged or traditionally underserved persons • Project benefits disadvantaged or traditionally underserved groups in other ways	# of av. Points 2
2. Community Health. Proposed project improves physical or mental health of the community through health improvement programs or health education.	# of av. Points

Criteria Guidance • Project provides affordable access to healthy food • Project proposes to improve public health, disease, or mental health issues • Project provides the public with opportunities for increased physical activity	3
3. Neighborhood Benefits. Proposed project provides neighborhood benefit such as increased affordable housing, reduction in crime, or significant aesthetic improvements. **Criteria Guidance** • Increases access to affordable housing • Helps reduce crime / increases safety • Project is located in Community Redevelopment Area (CRA), brownfields area, Enterprise Zone, etc.	# of av. Points 3
4. Local Preference. Proposed project utilizes local labor force or promotes local small businesses. **Criteria Guidance** • Utilizes local labor • Promotes small local businesses	# of av. Points 3
5. Education and Awareness. Proposed project enhances childhood education.	# of av. Points 2

Criteria Guidance • Project includes pre-k – 12 education or outreach	
6. Environmental Outreach. Proposed project includes environmental outreach component. **Criteria Guidance** • Proposed project engages citizens in the active preservation, protection, or restoration of natural resources • Proposed project provides for environmental education signage at the project site	# of av. Points 2
7. Cultural and Historic Resources. Proposed project provides for preservation, protection or restoration of cultural, historical, or archaeological significant resources above and beyond minimum regulatory requirements. **Criteria Guidance** • Project may include adaptive reuse of buildings or other existing assets	# of av. Points 2
8. Consistency with Local Plans. Proposed project is consistent with or implements existing adopted plans.	# of av. Points 2

Criteria Guidance • Project is identified in an adopted plan such as the Surface Water Improvement and Management (SWIM) Program, Basin Management Action Plan (BMAP), Comprehensive Economic Development Strategy, Capital Improvement Plan (CIP), or other City, County, State, or Regional plan	
9. *Green Design.* Project incorporates green design elements such as Leadership in Energy & Environmental Design (LEED) principles or other energy and water efficiency/ conservation measures. **Criteria Guidance** • Project integrates LEED principles or other energy efficiency and conservation design features • Project integrates water conservation design features beyond minimum standards • Project includes renewable energy component • Project integrates recycling and reuse of materials • Project includes other sustainable or low impact design feature	# of av. Points 2
10. *Leverages funds*. Proposed project leverages funds by qualifying for additional cash or in-kind matching funds; submitter can demonstrate additional funding commitment connected to the project.	# of av. Points 7

Criteria Guidance • In-kind matching funds provided • Other local/state grant matching funds provided • Parallel other matching grant funds provided • Parallel federal matching grant funds provided	
11. *Sustainability and Efficiency.* The project approach utilizes efficiency measures and provides long term benefits. **Criteria Guidance** • Proposed project links outcomes, partners, or lands to leverage overall impact • Proposed project provides long-term benefit(s) beyond life of funding period • Proposed project builds upon existing community assets • Proposed project does not produce negative environmental impacts	# of av. Points 2
12. *Planning and Partnerships.* Project planning and design are complete; project includes beneficial partnership. **Criteria Guidance** • Project includes beneficial partnership • Project planning and design is complete / project is shovel ready	# of av. Points 2

13. ***Enhanced Tourism Opportunities.*** Proposed project provides for enhanced tourism opportunities during the "off season" of September 1 through March 31.	# of av. Points
Criteria Guidance • Project includes sustainable tourism development strategies targeted towards "off season" tourism such as sports and adventure tourism, cultural tourism, ecotourism, and business and conference tourism	2

Max Points = 72
Bonus Points = 34
Max Total Points = 106

Definitions

1. Project Applicant – an individual, company, agency, organization, or other entity which submits a project proposal or idea to the project portal for consideration in the Escambia County MYIP; a project applicant can be anyone
2. Award Recipient – an organization or company which has been selected to receive funds for purposes of implementing a project included in the adopted MYIP; an award recipient must meet all federal and local grant and procurement requirements
3. Natural successional progression – the specific process by which the structure of a biological community evolves over time; stages of succession depend on community type
4. Average annual median wage – the estimated total annual wages of an occupation divided by its estimated employment
5. Community Economic Development Association of Pensacola (CEDA) – an organization formed in 2015 whose core mission is creating, growing and retaining good paying jobs for the community
6. Gross Domestic Product (GDP) – the total value of goods and services provided over a period of one year in Escambia County
7. Return on Investment (ROI) – a metric used to evaluate and project the returned benefits of a project compared with the monetary inputs
8. STEM fields – Science, Technology, Engineering and Math
9. "At-risk" groups (as applicable to workforce development) – groups of persons who are unemployed, underemployed, working poor, or disenfranchised due to disability, place

of residence, geographic location, age, race, sex, or socioeconomic status; may include, but not limited to, public assistance recipients, ex-offenders, persons with disabilities or chronic health issues, single parents, domestic violence victims, dislocated workers, homeless, multi-generational poverty, minorities, veterans, disconnected youth (ages 16-24 not in school, unemployed/ underemployed), older individuals (ages 55+), persons with limited English proficiency, or transportation disadvantaged

10. Community resilience – a measure of the sustained ability of a community to utilize available resources to respond to, withstand, and recover from adverse situations, including disasters
11. Critical infrastructure – the assets, systems, or networks considered essential to Escambia County's public health, safety, security, or economy; may include energy transmission, communications, water supply, hospitals, etc.
12. Traditionally underserved persons or groups – a group of individuals who, because of disability, place of residence, geographic location, age, race, sex, or socioeconomic status, have historically faced barriers to participation in the decision making and public policy process; may include, but not limited to, elderly people, culturally diverse populations such as African-Americans, Native American Indians, non-English speaking persons, persons living in rural, isolated areas, persons with disabilities such as deaf-blindness, and persons who are medically fragile such as persons with AIDS
13. LEED – Leadership in Energy and Environmental Design; a development rating system of the U.S. Green Building Council
14. Beneficial partnership – a well-defined relationship entered into by two or more organizations to achieve a common goal of project implementation; includes outline of jointly developed structure, shared responsibility, accountability for success, and sharing of resources
15. In-kind matching funds – non-cash donations in the form of real property, equipment, supplies, services, and qualified salaries and wages (including volunteer labor) consistent with federal guidance

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 1505-0250. Comments concerning the time required to complete this information collection, including the time to review instructions, search existing data resources, gathering and maintaining the data needed, and completing and reviewing the collection of information, should be directed to the Department of the Treasury, Office of Gulf Coast Restoration, 1500 Pennsylvania Ave., NW, Washington, DC 20220.

RESTORE ACT Direct Component Multiyear Plan Narrative

Department of the Treasury

OMB Approval No. 1505-0250

Directions: Use this form for the Initial Multiyear Plan and any subsequent amendments to an accepted Multiyear Plan. For amendments, include only new and/or materially modified activities.

Multiyear Plan Version (Initial or Amendment Number):	Initial
Date of Initial Multiyear Plan Acceptance:	N/A
Date of Last Multiyear Plan Acceptance:	N/A

Eligible Applicant Name:	Escambia County, FL
Name and Contact Information of the Person to be contacted (POC) on matters concerning this Multiyear Implementation Plan:	
POC Name:	Chips Kirschenfeld
POC Title:	Natural Resources Management Department Director
POC Email:	jtkirsche@myescambia.com
POC Phone:	850-595-1630

NARRATIVE DESCRIPTION:

1. A description of each activity, including the need, purpose, objective(s), milestones and location. Include map showing the location of each activity.

1) Carpenter Creek and Bayou Texar Revitalization Plan

DESCRIPTION: The Carpenter Creek and Bayou Texar Revitalization Plan project is a planning assistance activity towards the development of a strategic management plan to identify and address environmental restoration and conservation needs in Carpenter Creek and Bayou Texar, Pensacola, FL. The plan will kick-off with a public stakeholders meeting to share concerns, questions, and ideas. An in-depth environmental assessment will inventory and characterize existing and historic conditions of the watershed including water quality and quantity, sediment quality, species abundance and diversity, and stream health. The assessment will also qualify and quantify impacts of impervious cover encroachment, infrastructure impediments, and stormwater. All potential projects will be developed and prioritized based on assessment outcomes, will include stakeholder input, and will follow Best Management Practices (BMPs) and Best Available Science (BAS).

NEED: Carpenter Creek and Bayou Texar have experienced environmental degradation since the 1950s. These waterways currently have verified 303(d) listed impairments for bacteria (fecal coliform) in addition to mercury impairments in fish tissue (throughout Florida) in Bayou Texar. While some improvements have been made to the system, the watershed lacks a holistic management plan. This plan will identify improvements and restoration based on BMPs, BAS, and provide a sequence for comprehensive improvements in the watershed.

PURPOSE: To develop a comprehensive restoration management plan for Carpenter Creek and Bayou Texar that addresses legacy contaminants/impairments and development pressures/practices as well as a list of future restoration activities and projects through stakeholder meetings and BAS.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 1505-0250. Comments concerning the time required to complete this Information collection, including the time to review instructions, search existing data resources, gathering and maintaining the data needed, and completing and reviewing the collection of information, should be directed to the Department of the Treasury, Office of Gulf Coast Restoration, 1500 Pennsylvania Ave., NW, Washington, DC 20220.

OBJECTIVE: Create a planning document which will identify and plan for future development of infrastructure projects benefitting ecological resources and restoration and protection of the natural resources.

MILESTONES: 1) Selection of contractor, 2) Public stakeholder meetings, 3) Environmental & Watershed assessment 4) Draft plan, 5) Final plan.

2) Project Universal Access

DESCRIPTION: Project Universal Access is a planning assistance activity that will evaluate public infrastructure, including facilities, in Escambia County for compliance with Americans with Disabilities Act (ADA) Standards to identify enhancement opportunities to meet the needs and desires of citizens with disabilities by upgrading existing infrastructure, including facilities. An evaluation of public access locations will include public parks, trails, and boardwalks on Pensacola Beach, Perdido Key, and shoreline parks in Escambia County. Subsequently, a needs assessment will be produced resulting from the evaluation and input from stakeholders in the community. Citizens, specifically disabled citizens, will provide input to identify amenities and priorities to include in the needs assessment and future implementation by Escambia County and partner community organizations. The needs assessment will identify priorities where enhanced amenities can be included in existing public infrastructure and facilities to enable marketing Escambia County as a destination for disabled tourists to enhance the economy. Example amenities include multisensory educational kiosks, dune walkovers with observation decks, beach mat access to the Gulf of Mexico, chemical sensory standards, and restroom/parking facilities.

NEED: According to the latest U.S. Census data, there are 56.7 million people in the United States with a disability. The Center for Independent Living Disability Resource Center estimates 54,000 persons with disabilities reside in Escambia County, and 10.4% of Escambia County's population with a disability are under the age of 65. A lack of adequate disabled public access locations at boat ramps, parks, education trails, and Gulf of Mexico beaches exists in Escambia County. While all new improvements must meet the latest ADA Standards, many of the older public facilities and infrastructure do not meet the needs and desires of disabled persons today. There is a need to update and enhance public infrastructure before the county can effectively market Escambia County to disabled tourists.

PURPOSE: To develop a needs assessment outlining priorities and projects recommended by community stakeholders to enhance public access amenities for disabled persons which will be used to recommend future construction projects in order to effectively promote Escambia County as a disability friendly destination.

OBJECTIVE: Planning assistance that will lead to infrastructure benefiting the economy.

MILESTONES: 1) Evaluation report of existing infrastructure, 2) Public stakeholder meetings, 3) Draft needs assessment, 4) Final needs assessment 5) Project prioritization.

3) Perdido Key Gulf of Mexico Public Access

DESCRIPTION: The Perdido Key Gulf of Mexico Public Access project is a planning assistance activity that will fund the planning, design, and permitting for public infrastructure improvements to facilitate public access, attract additional people to the community, and enhance the economy. Amenities will include public parking, restroom facilities, covered picnic facilities, and a dune walkover with observation platform. Undeveloped areas will be enhanced through habitat restoration to maximize benefits to the endangered Perdido Key beach mouse. Habitat restoration creates connectivity among identified critical habitat areas and balances community desire for public access while providing critical beach mouse habitat. Dune restoration will mitigate for construction activities. Additionally, a near-shore artificial reef will be designed and permitted for increased recreational opportunities to attract additional people for snorkeling, diving or fishing. Public access infrastructure provides connectivity and access to the artificial reef allowing for resources to be enjoyed by the public.

NEED: Escambia County has prioritized enhancing public access to the Gulf of Mexico and preservation of Perdido Key beach mouse critical habitat. Escambia County owns and maintains three beach access areas on Perdido Key. Existing County beach access includes approximately 2.2 acres, 245 feet of gulf-front shoreline, and 86 parking spaces (including existing ADA parking). Through the addition of 50 parking spaces, public beach access parking will be significantly increased. Additionally, there are currently no public beach access areas that facilitate full ADA access to the bathing beach near the Gulf waters in Perdido Key. Design and future construction will implement the latest ADA Standards to provide access to all Escambia County citizens and visitors and will benefit the economy by promoting access and local businesses. The Perdido Key beach mouse was federally listed as an endangered species in 1985 under the Endangered Species Act. Habitat loss and fragmentation are the primary threat to its continued existence. The Perdido Key Habitat Conservation Plan, approved by the U.S. Fish and Wildlife Service in 2015, stipulates conservation, preservation, and mitigation requirements for impacts to Perdido Key beach mice and other listed species. Currently, there is one near-shore artificial reef off Perdido Key in the Gulf of Mexico. The addition of a second near-shore artificial reef at this public access site will enhance recreational opportunities such as snorkeling, diving or fishing, and it will provide substrate for habitat colonization and utilization by sport fish, reef fish, and marine mammals.

PURPOSE: Increase incentives in a sustainable manner for citizens and visitors to access and stay longer on Perdido Key to boost local economy and increase recreational fishing opportunities in the Gulf of Mexico. Plan for infrastructure improvements to benefit the economy and ecology of the Perdido Key beach mouse.

OBJECTIVE: Planning activities will lead to the development of infrastructure projects benefitting the economy and ecological resources as well as promotion of recreational fishing. A secondary objective will be to enhance sand dunes for Perdido Key beach mouse habitat.

MILESTONES: 1) Selection of contractor, 2) Public stakeholder meetings, 3) Draft design, 4) Final design, 5) Permit approval.

4) Perdido Key Multi-Use Path

DESCRIPTION: This project will fund the construction of approximately one mile of the east segment of the Perdido Key Multi-Use Path. When complete, the multi-use path will extend approximately 6.2 miles from the Alabama-Florida state line eastward through Perdido Key State Park to the Theo Baars Bridge. The design includes a 10-foot wide paved path and elevated boardwalk along the north side of Perdido Key Drive, State Road-292. Perdido Key is experiencing growth pressure on the confined transportation network. This project will allow for alternative means of transportation, such as walking or biking, to move people along Perdido Key and increase access to local businesses. Identified as a priority in the Perdido Key Master Plan, the path will establish connectivity throughout Perdido Key. Project design has been funded by the Shared Use Non-motorized (SUN) Trail Grant, Florida Department of Transportation (FDOT), and the Florida-Alabama Transportation Planning Organization (TPO) Bicycle and Pedestrian Program. Construction of the west segment has been programmed for fiscal year 2019 (July 2018 to June 2019) by SUN Trail, FDOT, and the TPO. Funding for this project will be used for the construction of the east segment of the path beginning at Perdido Key State Park. The Perdido Key Multi-Use Path is the number one recommended Florida-Alabama TPO Bike/Pedestrian project.

NEED: Perdido Key Drive is a state highway bisecting Perdido Key. Currently, there is no connectivity between existing sidewalk segments, and shoulder width is not conducive for pedestrians or bicycling. Additionally, limited public parking on the island has proven challenging for citizens trying to access public beach locations including Perdido Key State Park. There is a need for a Perdido Key multi-model path to create connectivity throughout the island, providing an alternative method of moving the general public and visitors along Perdido Key. The Perdido Key Multi-Use Path was identified as a priority project in the Perdido Key Master Plan of 2016.

PURPOSE: Construct public infrastructure that provides an alternative means of transportation allowing for enhanced public access, connectivity, and reduced vehicular traffic on Perdido Key Drive to increase access to local amenities and businesses to improve the local economy.

OBJECTIVE: Infrastructure project benefitting the economy located in coastal areas affected by the Deepwater Horizon oil spill through the development of a multi-use path composed of on-grade paved path and elevated boardwalk.

MILESTONES: 1) Selection of contractor, 2) Public stakeholder meetings, 3) Construction, 4) Weekly progress meetings.

*Design and Permitting will be completed by the Florida Department of Transportation.

5) OLF8 Commerce Park Improvements

DESCRIPTION: The OLF-8 Commerce Park Improvements Project is a planning assistance activity which will develop a master plan and design and permit a new commerce park in the Beulah community. Outlying Field -8 is currently owned and used by the U.S. Navy as a rotary-wing training facility. Escambia

County and the U.S. Navy are currently negotiating a land swap where Escambia County will be deeded the 640-acre OLF-8 property in exchange for a new state-of-the-art Navy and Marine Corps rotary-wing training facility currently under construction. The new training facility will help ensure continued investment in military operations in the area and protection of the military mission from encroachment. Overall, the project combines two critical community economic development priorities: Military Sector Investment and Private Sector Investment. Developing a master plan for OLF-8 will allow Escambia County to identify commerce park goals and deliverables, design and permit infrastructure improvements, and eventually solicit and secure private sector investment in OLF-8. The site is adjacent to the on-going construction of the 10,000-job Navy Federal Credit Union campus. Conceptual plans for the new Commerce Park show approximately 425 acres of developable uplands. Initial estimates of potential jobs are 8.5 jobs per acre (3,600 new jobs).

NEED: OLF-8 is located in the Beulah community, a rapidly growing area of Escambia County. The site has long been identified as an ideal location for a commerce park due to its size of approximately 425 acres of cleared, flat uplands and its proximity to Interstate 10 and Highway 90 (Nine Mile Road). OLF-8 is also adjacent to Navy Federal Credit Union's campus which is anticipated to employ over 10,000 people by 2020. Development of a master plan is needed to identify target industries and a commerce park concept that is compatible with the surrounding community. The master plan will develop park design features to be included in the commerce park. Design and permitting will also be completed for public infrastructure improvements such as roads, lighting, utilities, and stormwater infrastructure. The development of a master plan for OLF-8 and design and permitting for infrastructure improvements will allow for the OLF-8 Commerce Park to be a shovel-ready economic development project.

PURPOSE: To increase local economic development by making a commerce park available for business growth.

OBJECTIVE: Planning activities that will lead to the development of infrastructure projects benefitting the economy.

MILESTONES: 1) Selection of contractor, 2) Public stakeholder meetings, 3) Draft master plan, 4) Final master plan, 5) Permit approval.

6) South Dogtrack Drainage Project

DESCRIPTION: The South Dogtrack Drainage Project is a planning assistance activity which will plan and design improved drainage within the Bayou Grande Drainage Basin. New incidences of flooding are now occurring in areas that had no previous flooding problems. In order to restore historic drainage patterns and reduce flooding of existing homes, this project will provide planning and design for: 1. Construction of stormwater ponds to replace lost floodplain and stormwater storage; 2. Construction of a new drainage outfall from the headwaters of the drainage basin along Blue Angel Parkway to the headwaters of Bayou Grande (Garcon Swamp); and 3. Provide channel and stream restoration improvements along two merging creeks to Bayou Grande. The project's stormwater management goals are to improve flow

through the creek to reduce flooding and scour in the creek, and to provide significant flood control measures. Stormwater pond(s), wetland restoration, floodplain restoration, and habitat creation areas are proposed.

NEED: This area has suffered severe flooding issues. Providing this new stormwater drainage and treatment will reduce flooding and increase stormwater retention. Stream restoration components will also provide improved habitat and water quality for Bayou Grande, which currently is impaired for bacteria.

PURPOSE: To provide flooding relief and new stormwater treatment in the South Dogtrack Road and Blue Angel Parkway area while also improving stream habitat and water quality.

OBJECTIVE: Planning activities that will lead to coastal flood protection and related infrastructure as well as restoration and protection of natural resources.

MILESTONES: 1) Selection of contractor, 2) Public stakeholder meetings, 3) Draft design, 4) Final design, 5) Permit approval.

7) Hollice T. Williams Stormwater Park

DESCRIPTION: The Hollice T. Williams Stormwater Park project is a planning assistance activity which will plan and design dual-use stormwater ponds and recreational-use basins under the Interstate 110 corridor. The project will aid the City of Pensacola in collecting, treating and routing 1.3 miles of stormwater that runs off elevated lengths of Interstate 110 near its southern terminus, providing relief to diverse historical neighborhoods in flood prone areas near Hollice T. Williams Park. This park will also provide for multi-use recreational basins, including youth sports fields, which are effective tools in managing large run-off volumes generated during storm events while maximizing the use of public lands. Phase 1 will complete the planning and design for the park.

NEED: Downtown Pensacola has suffered severe flooding issues. Providing this stormwater/recreational park will increase the area's retention and treatment of stormwater. This multi-use space will not only improve water quality for Pensacola Bay, which currently is impaired, but it will also provide a needed recreational space for youth sports and the community.

PURPOSE: To provide flooding relief and stormwater treatment in the downtown Pensacola area near the I-110 terminus while also creating a recreational space for youth sports and the community.

OBJECTIVE: Planning activities that will lead to coastal flood protection and related infrastructure.

MILESTONES: 1) Selection of contractor, 2) Public stakeholder meetings, 3) Draft design, 4) Final design, 5) Permit approval.

8) SOAR with RESTORE

DESCRIPTION: SOAR with RESTORE is a workforce development project which will stand up a workforce development program managed by Escambia County. The program will provide training to underserved communities based on Community Redevelopment Areas (CRAs) and minority communities, background and income status. The program will focus on developing financial and social skills for three main workforce development areas including environmental hazard remediation, cybersecurity, and re-entry training. These programs and skills were identified by a group of non-profit and for-profit organizations, as well as Florida's Great Northwest, as valuable skill sets to reintroduce underserved or re-entry individuals into the workforce. Escambia County will manage the program and work with partner community organizations to provide workforce training courses. The program will work with existing workforce development programs to fill training gaps and avoid program redundancy.

NEED: Workforce training opportunities where underserved persons will be trained, certified, and licensed, at no cost to them, in relevant and desired job skills.

PURPOSE: To provide skills and workforce training necessary for underserved citizens to be career ready, to reduce prison re-entry rates, and to provide a solid foundation for citizens to become productive members of the community. The program will cover the cost of all necessary training supplies, certifications, and instructors. Students will be provided a stipend for training time and transportation to the training location.

OBJECTIVE: Workforce development which will stand up a workforce development program managed by Escambia County to provide standard industry certification. This project will setup a sustained, on-going workforce development program.

MILESTONES: 1) Program establishment; 2) Develop student and course criteria; 3) Selection of contractor; 4) Course administration for year 1; 5) Graduation and certification for year 1; 6) Course administration for year 2; 7) Graduation and certification for year 2; 8) Post training monitoring.

9) Eleven Mile Creek Basin

DESCRIPTION: The Eleven Mile Creek Basin project is a planning assistance activity which will plan and design eleven new stormwater ponds in the Eleven Mile Creek basin that will provide flood attenuation, improve water quality, and have a direct positive impact on coastal areas of Escambia County that border Perdido Bay. Site one is a stormwater pond near the Green Hills Road Tributary. The remaining ten pond/stream restoration sites in the Eleven Mile Creek basin are being analyzed. Construction of the eleven new stormwater ponds will directly improve water quality, reduce downstream flooding, and reduce the amount of sedimentation and pollutants that enter Perdido Bay.

NEED: Flood control is needed to protect the surrounding and downstream infrastructure. Eleven Mile Creek is a 303(d) listed impaired waterbody. Total Maximum Daily Loads (TMDLs) exist for fecal coliform bacteria, low dissolved oxygen, excess nutrients, elevated biological oxygen demand, and unionized

ammonia. Additional stormwater treatment and attenuation will improve coastal flood protection and water quality.

PURPOSE: To reduce downstream stormwater flow rates, improve coastal flood protection, and improve overall water quality for the downstream outfall locations.

OBJECTIVE: Planning activities that will lead to coastal flood protection and related infrastructure.

MILESTONES: 1) Selection of contractor, 2) Public stakeholder meetings, 3) Draft design, 4) Final design, 5) Permit approval.

10) Eleven Mile Creek Stream Restoration

DESCRIPTION: The Eleven Mile Creek Stream Restoration project is a planning assistance activity which will plan and design the restoration of the natural wetland and riparian buffers for the creek while also expanding the floodplain, repairing existing nonfunctional stormwater infrastructure, removing invasive species, increase community resilience, and improve water quality in Eleven Mile Creek and Perdido Bay. Roughly 3,500 linear feet of stream and 40 acres of wetland floodplain will be restored.

NEED: Urban encroachment has constricted and reduced the ecological function of Eleven Mile Creek. Severe flooding in local neighborhoods has allowed Escambia County to acquire a FEMA Hazard Mitigation Grant to purchase several flood-prone properties and restore the creek's original floodplain. The intent of this project is to restore the natural riparian buffers and wetlands. Eleven Mile Creek is a 303(d) listed impaired waterbody. Total Maximum Daily Loads (TMDLs) exist for fecal coliform bacteria, low dissolved oxygen, excess nutrients, elevated biological oxygen demand, and unionized ammonia. Water quality improvements are needed to meet the "fishable and swimmable" water quality standards for Class III waters.

PURPOSE: To expand and restore the historical floodplain, wetlands, and stream habitat, to reestablish the riparian buffers, increase wildlife habitat utilization and increase flood protection for public and private infrastructure.

OBJECTIVE: Planning activities that will lead to restoration and protection of the natural resources, ecosystems, fisheries, marine and wildlife habitat, beaches and coastal wetlands of the Gulf Coast Region.

MILESTONES: 1) Selection of contractor, 2) Public stakeholder meetings, 3) Biological/hydrological report, 4) Draft design, 5) Final design, 6) Permit approval.

2. How the applicant made the multiyear plan available for 45 days for public review and comment, in a manner calculated to obtain broad-based participation from individuals, businesses, Indian tribes, and non-profit organizations, such as through public meetings, presentations in languages other than English, and postings on the Internet. The applicant will need to submit documentation (e.g., a copy of public notices) to demonstrate that it made its multiyear plan available to the public for at least 45 days. In addition, describe how each activity in the multiyear plan was approved after consideration of all meaningful input from the public and submit documentation (e.g., a letter from the applicant's leadership approving submission of the multiyear plan to Treasury or a resolution approving the applicant's multiyear plan).
TBD.

3. How each activity included in the applicant's multiyear plan narrative meets all the requirements under the RESTORE Act, including a description of how each activity is eligible for funding based on the geographic location of each activity and how each activity qualifies for at least one of the eligible activities under the RESTORE Act.

1) Carpenter Creek and Bayou Texar Revitalization Plan

The activities of this project are eligible under eligible activity VIII: Planning assistance, as per §1603 (3)(t)(1)(B)(i) of the RESTORE Act, by developing a comprehensive management plan for Carpenter Creek and Bayou Texar, Escambia County, FL. Plan outcomes will be used primarily to address eligible activity VI: Infrastructure projects benefiting the economy or ecological resources, including port infrastructure.

Geographic Location: The project will occur in Carpenter Creek and Bayou Texar, tributaries of the Pensacola Bay System, Gulf of Mexico, Escambia County, FL.

2) Project Universal Access

The activities of this project are eligible under eligible activity VIII: Planning assistance, as per §1603 (3)(t)(1)(B)(i) of the RESTORE Act, by developing a needs assessment and implementation plan of Americans with Disabilities (ADA) Act Standards, features, and enhancements of public infrastructure, including facilities, on Perdido Key, Pensacola Beach, and shoreline parks in Escambia County, FL. Plan outcomes will be used primarily to address eligible activity VI: Infrastructure projects benefitting the economy or ecological resources, including port infrastructure, as per §1603 (3)(t)(1)(B)(i) of the RESTORE Act.

Geographic Location: The project will occur on Perdido Key, Pensacola Beach, and Escambia County shoreline parks, adjacent to the Gulf of Mexico and associated estuaries and rivers in Escambia County, FL.

3) Perdido Key Gulf of Mexico Public Access

The activities of this project are eligible under eligible activity VIII: Planning assistance, as per §1603 (3)(t)(1)(B)(i) of the RESTORE Act, by planning, designing, and permitting recreational public beach access on Perdido Key, Escambia County, FL. Design outcomes will be used primarily to address eligible activity VI: Infrastructure projects benefiting the economy or ecological resources, including port infrastructure.

Geographic Location: The project will occur on Perdido Key adjacent to the Gulf of Mexico, Escambia County, FL.

4) Perdido Key Multi-Use Path

The activities of this project are eligible under eligible activity VI: Infrastructure projects benefitting the economy or ecological resources, including port infrastructure, as per §1603 (3)(t)(1)(B)(i) of the RESTORE Act, by constructing approximately one mile of the east segment of the Perdido Key Multi-Use Path, Escambia County, FL.

Geographic Location: The project will occur on Perdido Key adjacent to the Gulf of Mexico, Escambia County, FL.

5) OLF8 Commerce Park Improvements

The activities of this project are eligible under eligible activity VIII: Planning assistance, as per §1603 (3)(t)(1)(B)(i) of the RESTORE Act, by developing a comprehensive master plan for Outlying Landing Field 8, Escambia County, FL. Plan outcomes will be used primarily to address eligible activity VI: Infrastructure projects benefiting the economy or ecological resources, including port infrastructure.

Geographic Location: The project will occur at Outlying Landing Field 8 along Frank Reeder Road, Escambia County, FL.

6) South Dogtrack Drainage Project

The activities of this project are eligible under eligible activity VIII: Planning assistance, as per §1603 (3)(t)(1)(B)(i) of the RESTORE Act, by planning, designing, and permitting a stormwater improvement project along a portion of South Dogtrack Road, Escambia County, FL. Plan outcomes will be used primarily to address eligible activity VII: Coastal flood protection and related infrastructure.

Geographic Location: The project will occur along South Dogtrack Road between Blue Angel Parkway and Bayou Grande, Escambia County, FL.

7) Hollice T. Williams Stormwater Park

The activities of this project are eligible under eligible activity VIII: Planning assistance, as per §1603 (3)(t)(1)(B)(i) of the RESTORE Act, by designing and permitting a stormwater park at Hollice T. Williams Park, Escambia County, FL. Plan outcomes will be used primarily to address eligible activity VII: Coastal flood protection and related infrastructure.

Geographic Location: The project will occur at 1601 North Hayne Streets, Pensacola, FL.

8) SOAR with RESTORE

The activities of this project are eligible under eligible activity IV: Workforce development and job creation, as per §1603 (3)(t)(1)(B)(i) of the RESTORE Act, by funding three workforce training programs in Escambia County, FL.

Geographic Location: The project will occur in Escambia County, FL, one of the eight disproportionately affected counties in Florida.

9) Eleven Mile Creek Basin

The activities of this project are eligible under eligible activity VIII: Planning assistance, as per §1603 (3)(t)(1)(B)(i) of the RESTORE Act, by planning, designing, and permitting a stormwater pond and associated infrastructure near Eleven Mile Creek, Escambia County, FL. Plan outcomes will be used primarily to address eligible activity VII: Coastal flood protection and related infrastructure.

Geographic Location: The project will occur near Eleven Mile Creek, a tributary to Perdido Bay, north of Highway 297A, Escambia County, FL.

10) Eleven Mile Creek Stream Restoration

The activities of this project are eligible under eligible activity VIII: Planning assistance, as per §1603 (3)(t)(1)(B)(i) of the RESTORE Act, by planning, designing, and permitting a stream restoration in Eleven Mile Creek, Escambia County, FL. Plan outcomes will be used primarily to address eligible activity I: Restoration and protection of the natural resources, ecosystems, fisheries, marine and wildlife habitat, beaches and coastal wetlands of the Gulf Coast Region.

Geographic Location: The project will occur in Eleven Mile Creek, a tributary of Perdido Bay, between Highway 297A and Interstate 10, Escambia County, FL.

4. Criteria the applicant will use to measure the success of the activities included in the multiyear plan narrative in helping to restore and protect the Gulf Coast Region impacted by the Deepwater Horizon oil spill.

1) Carpenter Creek and Bayou Texar Revitalization Plan

Measures of Success: The Carpenter Creek and Bayou Texar Revitalization Plan will identify and address legacy contaminants and environmental degradation of Carpenter Creek and Bayou Texar in a holistic manner. The plan will identify and prioritize problems and restoration/enhancement projects based on Best Available Science (BAS) and public involvement. Plan components can reasonably be implemented in future phases to improve the ecological function of Carpenter Creek and Bayou Texar. Planning activities will lead to construction of infrastructure to improve water quality. Success will be measured by pre- and post-construction water quality monitoring.

2) Project Universal Access

Measures of Success: Project Universal Access will identify public infrastructure in need of enhancements to meet the needs and desires of the disabled community. The disabled community and the public will be involved and supportive of identified and prioritized enhancement projects. Plan components can reasonably be implemented in future phases to improve access and inclusion for all persons, regardless of disability. Planning activities will lead to construction of infrastructure that will enhance the economy. Success will be measured by pre- and post-construction monitoring of public use.

3) Perdido Key Gulf of Mexico Public Access

Measures of Success: The planning and design associated with the Perdido Key Gulf of Mexico Public Access project will provide plans and permits for a shovel-ready project that will increase public access and recreational opportunities on Perdido Key while minimizing and mitigating impact to Perdido Key beach mouse habitat. Planning activities will lead to construction of infrastructure that will enhance the economy. Success will be measured by pre- and post-construction monitoring of public use.

4) Perdido Key Multi-Use Path

Measures of Success: The Perdido Key Multi-Use Path project will construct approximately one mile of trail and tie into the construction of approximately two miles of trail to be constructed in fiscal year 2019. The trail will support non-motorized connectivity across Perdido Key for increased public access and enhance the economy. Success will be measured by pre- and post-construction monitoring of public use.

5) OLF8 Commerce Park Improvements

Measures of Success: The OLF-8 Commerce Park Improvements project will produce a master plan that identifies target industries, provides a baseline of how many new jobs the park will sustain, produce a park design that incorporates Low Impact Design (LID) features, and produce public infrastructure designs and permits that can reasonably be implemented in a later phase. Planning activities will lead to construction of infrastructure that will enhance the economy. Success will be measured by monitoring the number of new businesses and jobs created.

6) South Dogtrack Drainage Project

Measures of Success: The South Dogtrack Drainage Project will produce a design and permits that identifies and addresses flooding problems in the South Dogtrack Road area, treats stormwater for water quality improvements, and minimizes impact to downstream habitat. Planning activities will lead to construction to reduce coastal flooding and improve water quality. Success will be measured by pre- and post-construction monitoring of flood events and water quality.

7) Hollice T. Williams Stormwater Park

Measures of Success: The Hollice T. Williams Stormwater Park project will produce a design and permit that identifies and addresses flooding problems in the Long Hollow Drainage Basin, treats stormwater for water quality improvements, minimizes impact to downstream areas, identifies recreational space for the general public. The design components can reasonably be implemented in future phases. Planning activities will lead to construction to reduce coastal flooding and improve water quality. Success will be measured by pre- and post-construction monitoring of flood events and water quality.

8) SOAR with RESTORE

Measures of Success: SOAR with RESTORE will provide training and certification for a minimum of 25 students from each of the three training courses for a total minimum of 75 graduates per year. Success will be measured by determining the number of graduates who secure jobs within three months after completing training.

9) Eleven Mile Creek Basin

Measures of Success: The Eleven Mile Creek Basin project will produce a design and permit that identifies and addresses flooding problems in the Eleven Mile Creek Basin, treats stormwater for water

quality improvements, and minimizes impact to downstream areas. Planning activities will lead to construction to reduce coastal flooding and improve water quality. Success will be measured by pre- and post-construction monitoring of flood events and water quality.

10) Eleven Mile Stream Restoration

Measures of Success: The Eleven Mile Stream Restoration project will produce a design and permit that restores the natural stream riparian buffers, habitat and associated wetlands while also reducing flooding issues in the Bristol Park/Ashbury Hills area, treats stormwater for water quality improvements, and minimizes impact to downstream habitat. Planning activities will lead to construction to improve water quality and habitat utilization. Success will be measured by pre- and post-construction water quality monitoring and habitat utilization assessments.

5. How the activities included in the multiyear plan narrative were prioritized and list the criteria used to establish the priorities.

On October 18, 2012, the Escambia County Board of County Commissioners (BCC) adopted Resolution No. R2012-150 establishing a local RESTORE Advisory Committee (RAC). Eight members were appointed to the RAC representing diverse interests including environmental advocacy, economic development, transportation, government, and finance. The first committee meeting was held on March 22, 2013. In 2015, three additional members were added to the Committee via Resolution 2014-80, which added a tourism representative and two additional at-large representatives. Since its formation, the RAC has held 62 public meetings and has engaged the community to generate support from key stakeholders to support recovery planning efforts. The RAC developed a Needs Assessment outlining Escambia County's needs based on numerous presentations from local organizations. Selection Criteria were developed based on these identified needs and the RESTORE Act Eligible Activities.

In April 2016, the BCC was presented with the RAC's rank and recommendation of the 124 projects submitted to the County's Direct Component Project Portal. In August 2016, the BCC decided that each Commissioner would submit two (2) projects from the list of 124. The BCC met in February 2017 and directed staff to include Phase 1 of each of the 10 selected projects in the initial MYIP.

6. If applicable, describe the amount and current status of funding from other sources (e.g., other RESTORE Act contribution, other third party contribution) and provide a description of the specific portion of the project to be funded by the RESTORE Act Direct Component.

1) Carpenter Creek and Bayou Texar Revitalization Plan

Direct Component: Will fund development of a Master Plan for Carpenter Creek and Bayou Texar.

Other Funding: N/A

2) Project Universal Access

Direct Component: Will fund development of a Needs Assessment/Master Plan for Americans with Disabilities Act (ADA) Standards and enhancements at public parks and facilities in Escambia County.

Other Funding: N/A

3) Perdido Key Gulf of Mexico Public Access

Direct Component: Will fund planning/design/permitting for dune walkover, parking, restroom facilities, picnic pavilions, and an artificial reef at a public access location in Perdido Key.

Other Funding: N/A

4) Perdido Key Multi-Use Path

Direct Component: Will fund construction of approximately one mile of multi-use path in Perdido Key.

Other Funding: $290,000. Planning, design, and permitting of this section of path has been funded by the Florida Department of Transportation (FDOT), FDOT Shared Use Non-Motorized (SUN) Trail Program, and the Florida Alabama Transportation Planning Organization (TPO) Bicycles and Pedestrian Program. Additionally, approximately $1.6 million has been funded by the same organizations for planning, design, and permitting of the remainder of the trail. $2,246,000 has been programmed for construction of approximately 2.44 miles of path. No construction funds have been allocated for construction of this one mile section of path.

5) OLF8 Commerce Park Improvements

Direct Component: Will fund development of a Master Plan for infrastructure, site layout, and planning of the OLF8 Commerce Park.

Other Funding: N/A

6) South Dogtrack Drainage Project

Direct Component: Will fund planning/design/permitting of a drainage improvement project along South Dogtrack Road in southwest Escambia County.

Other Funding: N/A

7) Hollice T. Williams Stormwater Park

Direct Component: Will fund planning/design/permitting of the Hollice T. Williams Stormwater Park.

Other Funding: N/A

8) SOAR with RESTORE

Direct Component: Will fund workforce training programs in three specialized industries in Escambia County.

Other Funding: N/A

9) Eleven Mile Creek Basin

Direct Component: Will fund design/permitting for Pond 1 of 11 as part of stormwater improvement project in the Eleven Mile Creek basin.

Other Funding: N/A

10) Eleven Mile Creek Stream Restoration

Direct Component: Will fund planning/design/permitting of a stream restoration project in Eleven Mile Creek between Interstate 10 and Highway 297A.

Other Funding: N/A

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12216 **County Administrator's Report 12. 7.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 05/25/2017
Issue: Student Conservation Association, Inc., Agreement (SCA PO-00722669 PO-00722725) for Summer 2017 Internship Opportunities with Marine Resources
From: Chips Kirschenfeld, Director
Organization: Natural Resources
CAO Approval:

RECOMMENDATION:

Recommendation Concerning an Agreement with The Student Conservation Association, Inc., Relating to Summer 2017 Internship Opportunities with the Marine Resources Division - J. Taylor "Chips" Kirschenfeld, Director, Department of Natural Resources Management

That the Board take the following action concerning an Agreement with The Student Conservation Association, Inc., relating to Summer 2017 Internship Opportunities with the Marine Resources Division:

A. Approve the Agreement with The Student Conservation Association, Inc., (SCA PO-00722669 PO-00722725), providing for summer 2017 internship opportunities with the Marine Resources Division; and

B. Authorize the County Administrator to execute the Agreement and subsequent documents such as no-cost extensions, subject to Legal review and sign-off, without further action of the Board.

Note: There is no cost to the County to provide these internship opportunities.

BACKGROUND:

Escambia County Marine Resources Division (MRD) manages a successful intern program, consisting of college students and graduates. Projects and activities provide interns with valuable experience in the fields of marine biology and marine resources management, and many previous interns report high satisfaction for their internships. Although most internships are conducted on a volunteer basis, Marine Resources Division seeks external funding sources to provide interns modest financial compensation.

Marine debris, including micro-plastics, pose a serious threat to Escambia County waterways, marine life and tourism. MRD conducts educational and research projects to document and eliminate these threats. MRD proposed a Marine Debris & Micro-Plastics Internship partnership with Student Conservation Association to fund two MRD Interns for the 2017 summer semester. Interns will conduct micro-plastics monitoring at various locations in local waterways, and will work with MRD at public events to increase awareness and reduce marine debris in waterways.

BUDGETARY IMPACT:

No cost to the County associated with this recommendation.

LEGAL CONSIDERATIONS/SIGN-OFF:

Kristin Hual, Assistant County Attorney, reviewed and provided legal sign-off on the Agreement (SCA PO-00722669 PO-00722725).

PERSONNEL:

No additional impact on personnel associated with this recommendation.

POLICY/REQUIREMENT FOR BOARD ACTION:

Board Policy II.B.8.

IMPLEMENTATION/COORDINATION:

Marine Resources staff will coordinate with applicable entities to implement the terms of the Agreement.

SCA PO-00722669 PO-00722725 Internship

AGREEMENT
BETWEEN
THE STUDENT CONSERVATION ASSOCIATION, INC.
AND
ESCAMBIA COUNTY

THIS AGREEMENT ("Agreement") is made and entered into by and between The Student Conservation Association, Inc., a New York non-profit corporation with its principal place of business at 4245 North Fairfax Drive Arlington, VA 22203, ("SCA"), and Escambia County, a political subdivision of the State of Florida, with an administrative address of 221 Palafox Place, Pensacola, FL 32502 ("Partner Agency"), who collectively may be referred to for the purpose of this Agreement as the Parties.

Whereas, SCA fosters life-long stewardship of the environment by offering opportunities for education, leadership and personal development to its participants while providing a high quality public service in natural resource management and conservation through its programs, including its conservation intern program. An SCA conservation intern is a person, 18 years or older, with skills, education and qualifications to perform service activities as an individual placement for terms from six weeks to twelve months ("Member"). All individually placed Members are under the direct daily oversight of the Partner Agency; and

Whereas, the Partner Agency wishes to engage two SCA conservation interns (CI) *(SCA code PO-00722669 & PO-00722725)* for the following project to be performed in Escambia County, FL for a 12-week term between April 17, 2017, or such later date and July 9, 2017, or such later date; and

Whereas, Escambia County, by and through its Marine Resources Division (MRD), manages a Volunteer/Intern Program (VIP), providing internship opportunities to college/university students and recent graduates to gain experience in marine resources management, marine biology, environmental science, etc. The proposed Escambia Marine Intern(s) will work on the following MRD Projects: Marine Debris, Comprehensive Waterways Management, and Youth Marine Education & Outreach; and

Whereas, the theme of the proposed internship is marine debris. Marine debris is a serious issue locally as well as globally. The proposed internship will include the following activities:

1. Participate in weekly community-based marine debris cleanups, and collect data on the types of debris, likely sources, and potential solutions;
2. Participate in development of MRD's "Captain Slob" presentation for filming & distribution; and
3. Develop an experimental design for a survey of local waterways, stormwater outfalls, and consumer products to determine the contribution of microplastics in the local environment (the "Project").

NOW, THEREFORE, in consideration of the above premises, the Parties hereto agree as follows:

1. To mutually undertake the Project.

2. Costs for the Project under this Agreement shall be provided in full by philanthropic funding secured by SCA, and the performance of this Agreement by both parties is contingent upon SCA's receipt of this funding.

3. The Partner Agency agrees:

   a. To determine the acceptability of applicants provided by SCA for Member positions and select and notify SCA of the applicants appropriate for the Project.

   b. To provide daily oversight of Members selected by the Partner Agency to carry out the Project.

   c. To provide assignments relating to the implementation of the Partner Agency's Project.

   d. To provide training, including training in any pertinent safety procedures, and appropriate oversight for Project activities assigned to Members.

   e. To provide all necessary tools, equipment (including safety equipment and facilities), Project specifications and all applicable rules and regulations for Members selected by the Partner Agency to carry out the Project. The Partner Agency will provide SCA with a Job Hazard Assessment for the Project when appropriate and SCA shall brief its Members on the safety and risk management issues contained in such Job Hazard Assessment.

   f. To provide on-site transportation required for Members to perform assigned projects during the Project period.

   g. To provide written performance evaluations to SCA, on forms provided by SCA, for each Member performing Project activities under this Agreement.

   h. To arrange for all permits, licenses and approvals and other administrative or governmental clearances required by federal, state, municipal or local subdivision law or regulations necessary with regard to the administration of the Project. In the event the Project may affect or be carried out on property owned by a person, agency or organization other than the Partner Agency, the Partner Agency shall obtain in writing the necessary permission to enter upon the property and carry out the Project.

   i. To permit Members to wear an approved SCA uniform during their internship.

   j. To ensure that the SCA Member's assigned duties match the approved position description for the Project.

4. SCA agrees:

   a. To recruit, appoint, and place qualified candidates (based on the Partner Agency's project specifications) who are acceptable to the Partner Agency as Members and assign these Members as requested by the Partner Agency for the Project.

b. To provide (i) travel grants for round trip transportation to the Project site for the Members, including $60 per evening towards accommodations when travel requires two or more days, or travel allowances for Members who live within commuting distance of the Project site; (ii) a subsistence allowance to the Member during the Project period; (iii) an SCA approved uniform; and (iv) patches and name tags.

c. To obtain and maintain all appointment and administrative records for Members sponsored under this Agreement.

d. To provide an AmeriCorps Educational Award to qualifying Members, but only if and when made available by the Corporation for National and Community Service.

5. It is mutually agreed:

a. That members shall not be assigned law enforcement or firefighting duties; Members shall not be permitted to handle or discharge any firearms or explosives unless provided explicit permission by SCA's National Director for Conservation Interns. Members shall only operate mechanized equipment when provided all necessary safety training and only with on-site oversight by the Partner Agency; and members may NOT be allowed to drive a vehicle owned, rented, leased or loaned by or to the Partner Agency.

b. SCA shall maintain its current general liability insurance of not less than $1,000,000 per occurrence for bodily injury and property damage, subject to the usual and customary policy conditions (including standard exclusion on vehicles licensed for highway use and on property in the care, custody and control of the policyholder). For the purposes of tort and workers compensation claims, responsibility and coverage are borne by SCA. The Partner Agency will be provided **certificates of insurance** that reflect Escambia County, Post Office Box 1591, Pensacola, Florida 32597-1591, as an **"additional insured" and the certificate holder** and further specify that the policies are endorsed. Certificates must be mailed to Risk Manager, P.O. Box 1591, Pensacola, Florida 32597. Certificates must reflect a thirty (30) day **notice of cancellation and non-renewal clauses.**

c. Unless due to the negligence of Escambia County (Partner Agency), SCA shall indemnify and save harmless the Partner Agency from all claims, suits and actions for or on account of any injuries or damages occasioned by SCA's negligence or by the negligence of any its employees, Members, or volunteers, and at its own cost and expense shall defend any and all such claims, suits or actions. For the right of indemnification to remain in effect, the Partner Agency shall give SCA prompt written notice of any claim or threat of a claim which may give rise to such right of indemnification. The Partner Agency shall give SCA the opportunity to defend any such claim or proceeding being defended. Without the SCA's written consent, the Partner Agency shall not settle, compromise or adversely affect in any manner the defense of such claim.

d. When in the opinion of the Partner Agency field manager or SCA program staff, any health or safety violations occur, or there is performance below mutually agreed upon

standards, the Partner Agency field manager or SCA individual, as the case may be, shall notify the other party to take corrective action.

e. The Partner Agency reserves the right to require the removal of any Member on the basis of unacceptable performance and/or conduct problems. SCA reserves the right to withdraw any Member when the Partner Agency fails to provide sufficient and appropriate Project assignments, safe conditions, training, or Project oversight.

f. This Agreement may be terminated at any time by mutual agreement of the Parties or by unilateral decision of either party provided at least thirty (30) days written notice is given to the other party. Amendments to the Agreement may be proposed by either party and shall become effective upon written agreement by the Parties.

g. Leslie Peabody, Agreement & Compliance Manager, is hereby designated to serve as SCA's representative with the Partner Agency in implementation of this Agreement. Robert Turpin is designated to serve as the Partner Agency's representative in the implementation of this Agreement.

h. The terms of this Agreement shall be construed in accordance with the laws of the State of Florida.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

Issue: Request for Disposition of Property for Natural Resources Management
From: Chips Kirschenfeld, Director
Organization: Natural Resources
CAO Approval:

RECOMMENDATION:
Recommendation Concerning a Request for Disposition of Property for the Department of Natural Resources Management - J. Taylor "Chips" Kirschenfeld, Director, Department of Natural Resources Management

That the Board approve the Request for Disposition of Property Form relating to a Multi-Parameter Water Quality Meter that is obsolete. This item will be used as a trade-in for a discount of up to 20 percent towards a replacement.

BACKGROUND:
The multi-parameter water quality meter, model MP Troll 9500, has become obsolete in that the model is no longer supported by the manufacturer, and parts required for annual maintenance are no longer readily available. Water Quality & Land Management (WQLM) Division is currently in the process of obtaining quotes to purchase a replacement unit, and could receive up to a 20% discount by trading in the current meter.

BUDGETARY IMPACT:
No budgetary impact associated with this recommendation.

LEGAL CONSIDERATIONS/SIGN-OFF:
No legal consideration/sign-off associated with this recommendation.

PERSONNEL:
No impact to personnel associated with this recommendation.

POLICY/REQUIREMENT FOR BOARD ACTION:
Board Policy Section II, Part B.1., Procedures for Disposition of Property.

IMPLEMENTATION/COORDINATION:

Upon approval by the Board, Water Quality staff will remove the property number tag and it will be returned to the Clerk's Office.

Issue: Release of all Claims for Property Damage at 4610 Citadel Drive
From: Robert Dye, Division Manager
Organization: Asst County Administrator - Lovoy
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Release of all Claims for Property Damage at 4610 Citadel Drive - Robert Dye, Manager, Risk Management Office

That the Board approve and authorize the County Administrator to sign the Release of all Claims for Property Damage at 4610 Citadel Drive.

BACKGROUND:

The County was advised by the resident of 4610 Citadel Drive that his driveway was sinking. On investigation, it was determined that a Cox Cable Vision TV cable had been installed utilizing a County installed French drain as a conduit. The opening in the drain where the cable entered caused significant undermining, and the drain was clogged with sand and required replacement. A demand letter was forwarded to Cox Cable and, through their claims manager at Broadspire, they responded to replace the drain at their expense. During the repair, the roadway was damaged. The claims management company contracted with a paving company to mill and resurface the roadway to County specifications. The County Road Department personnel verified that the job was completed to their specifications. The resident's private property claim was handled as a separate adjustment between the homeowner and the insurer.

Upon completion of the resurfacing, a request for release of all property claims was forwarded to Risk Management by the assigned adjuster responsible for coordinating the repair. He stated that Broadspire will not pay him for the adjustment unless the release is executed.

BUDGETARY IMPACT:

N/A

LEGAL CONSIDERATIONS/SIGN-OFF:

The release was reviewed by the County Attorney who recommends having the County Administrator sign, with Board approval.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Re: 4610 Citadel Drive, Pensacola, FL 32514

Ladies and Gentlemen:

This letter constitutes the written notice required by Section 337.403, Florida Statutes.

As you may know, Escambia County has discovered that a Cox cable television line was illegally installed inside a public stormwater drain pipe in the vicinity of 4610 Citadel Drive, Pensacola, Florida 32514. The holes made in drain pipe by Cox's agents have compromised its integrity, caused the surrounding soil to erode, and damaged the road and adjacent driveway.

Within thirty days of the receipt of this notice, please initiate work, at Cox's expense, to remove the cable television line from the drain pipe and repair the damage to the road and driveway. Please coordinate your repairs through Senior Project Coordinator Cooper Saunders with Escambia County's Engineering Department. He can be reached at (850) 595-3738 (office) or (850) 375-0399 (cell). Repairs to the drain pipe, road and driveway should be completed within thirty days after the work commences.

Please contact me if you have any questions regarding what is required. Thank you for your cooperation.

Very truly yours,

Robert E. Dye
Risk Manager

Issue: Escambia County Behavioral Health Transportation Plan
From: Joy D. Blackmon, P.E., Director
Organization: Public Works
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Adoption of the Escambia County Behavioral Health Transportation Plan - Joy D. Blackmon, P.E., Public Works Department Director

That the Board take the following action concerning the Escambia County Behavioral Health Transportation Plan:

A. Review and adopt the Escambia County Behavioral Health Transportation Plan (BHTP); and

B. Authorize Public Works staff to transmit the adopted Plan to the State of Florida for acceptance.

BACKGROUND:

In accordance with Florida Statute Chapter 394, Part 1, Florida Mental Health Act or the "Baker Act", Florida Statute Chapter 397, Hal S. Marchman Alcohol and Other Drug Services Act of 1993, and Senate Bill 12, a plan has been developed to organize a centralized system for acute care services. This transportation plan requires approval by the Escambia County Board of County Commissioners. Upon approval, this document will serve as the transportation plan for Escambia County per legislative intent.

The intent of this plan is:

1. An arrangement centralizing and improving the provision of services within a county, which may include an exception to the requirement for transportation to the nearest receiving facility.

2. An arrangement by which a facility may provide, in addition to required psychiatric and addiction services, an environment and services which are uniquely tailored to the needs of an identified group of persons with special needs, such as persons with hearing impairments or visual impairments, or elderly persons with physical frailties; or

3. A specialized transportation system that provides an efficient and humane method of transporting patients to receiving facilities, among receiving facilities, and to treatment facilities.

The Plan will insure that individuals on an involuntary Baker Act/Marchman Act will obtain immediate access to acute care services and will reduce the need for inter-hospital transfers for psychiatric and addiction services. Coordination of services among providers in Northwest Florida will continue to meet individual needs. Attached herein is the Escambia County BHTP for reference.

This document was prepared primarily by the Escambia County Emergency Management Department, with oversight from Transportation and Traffic Operations Division and in coordination with the Escambia County Sheriff's Office and other local agencies.

BUDGETARY IMPACT:

N/A

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

No additional personnel is anticipated for the approval of this Plan.

POLICY/REQUIREMENT FOR BOARD ACTION:

Escambia County Behavioral Health Transportation Plan

Introduction:

In accordance with Florida Statute Chapter 394, Part 1, Florida Mental Health Act or the "Baker Act", Florida Statute Chapter 397, Hal S. Marchman Alcohol and Other Drug Services Act of 1993, and Senate Bill 12, a plan has been developed to organize a centralized system for acute care services. This transportation plan requires approval by the Escambia County Board of County Commissioners. Upon approval, this document will serve as the transportation plan for Escambia County per legislative intent.

The intent of this plan is:

1. An arrangement centralizing and improving the provision of services within a county, which may include an exception to the requirement for transportation to the nearest receiving facility.
2. An arrangement by which a facility may provide, in addition to require psychiatric and addiction services, an environment and services which are uniquely tailored to the needs of an identified group of persons with special needs, such as persons with hearing impairments or visual impairments, or elderly persons with physical frailties; or
3. A specialized transportation system that provides an efficient and humane method of transporting patients to receiving facilities, among receiving facilities, and to treatment facilities.

Escambia County Transportation Plan Working Group / Stakeholders:

The stakeholders for this plan are:

Escambia County Board of County Commissioners

Big Bend Community Based Care

Escambia County Emergency Medical Services

Atmore Ambulance

U.S. Navy Fire/Rescue

Lifeguard Ambulance Service

Escambia County Department of Corrections

Escambia County Sheriff's Office

Pensacola Police Department

University of West Florida Police Department

Pensacola State College Policy Department

Escambia County Transportation Division

Lakeview Center

West Florida Hospital

Sacred Heart Hospital

Baptist Hospital

Purpose:

This plan will establish a centralized Baker Act/Marchman Act system, known as the Escambia County Transportation Plan. The Plan will insure that individuals on an involuntary Baker Act/Marchman Act will obtain immediate access to acute care services and will reduce the need for inter-hospital transfers for psychiatric and addiction services. Coordination of services among providers in Northwest Florida will continue to meet individual needs.

Definitions:

Involuntary Examination:	An examination performed pursuant to F.S. 394.463 to determine if an individual qualifies for involuntary inpatient treatment under F.S. 394.467(1) or involuntary outpatient treatment under F.S. 394.4655(1).
Mental Illness:	An impairment of the mental or emotional processes that exercise conscious control over one's actions or the ability to perceive or understand reality, which impairment substantially interferes with the person's ability to meet the ordinary demands of living. For the purposes of the Baker Act, the term does not include retardation or developmental disability, intoxication, or conditions manifested only by antisocial behavior or substance abuse impairment.
Patient:	Any person who is held or accepted for mental health treatment pursuant to the Baker Act/Marchman Act.
Baker Act:	The Florida Mental Health Act.
Marchman Act:	The Hal S. Marchman Alcohol and Other Drug Services Act
Receiving Facility:	Any public or private facility designated to receive and hold involuntary patients under emergency conditions or for psychiatric evaluation and to provide short-term treatment.

Private Receiving Facility: Any hospital or facility operated by a for-profit or not-for-profit corporation or association that provides mental health services and is not a public facility.

Public Receiving Facility: Any facility that has contracted with the Department of Children and Families to provide mental health services to all persons, regardless of their ability to pay, and is receiving state funds for such purpose.

Transport and Medical Treatment:

The Plan calls for all law enforcement agencies in Escambia County to transport:

1. Adults on an involuntary Baker Act to the nearest receiving facility, either Baptist Hospital (Pensacola), Lakeview Center, West Florida Hospital.
2. Adults on an involuntary Marchman Act to the nearest hospital emergency room.
3. Youth under the age of 18 years on an involuntary Baker Act to the nearest receiving facility, either Lakeview Center, or West Florida Hospital.
4. Youth under the age of 18 years on an involuntary Marchman Act to the nearest hospital emergency room.

The law enforcement officer, who initiates custody of a person under the Baker Act or involuntary Marchman Act, and in which case there are no acute medical concerns requiring ambulance transport to the nearest hospital, shall deliver the patient to the nearest receiving facility unless otherwise stipulated by amendment to this plan, or when doing so compromises the health, safety, and welfare of individual in custody.

Medical Treatment

Individuals in Escambia County needing acute medical treatment should be handled according to Escambia County EMS Medical Transport Protocols and transported by ambulance to the closest appropriate facility for medical care, either West Florida, Baptist, Sacred Heart, Jay or Gulf Breeze.

Baker Act Transportation

Law enforcement agencies in Escambia County and Escambia County EMS (or EMS agencies under the direction of Escambia County EMS) remain the responsible parties to transport those individuals in need of mental health services under the Baker Act to the appropriate receiving facilities.

Transportation between facilities is coordinated by the transferring facility. Law enforcement is not responsible to transport individuals from one facility to another unless the individual has

criminal charges. In that case, law enforcement agency having jurisdiction shall be notified prior to transfer and will provide the transportation.

Marchman Act Transportation

An individual being detained under a Marchman Act order should be transported to the nearest hospital emergency room by law enforcement or Escambia County EMS (or EMS agencies as directed by ECEMS).

If the individual being detained by a Marchman Act order is combative, law enforcement will transport the individual to a facility appropriate for the detainee.

Criminal Offenses Transportation

Law enforcement will transport individuals who meet the criteria for involuntary examination under the Baker Act directly to the Escambia County Jail if charged with a violent misdemeanor or felony crime. Once the individual has completed the booking process, the Escambia County Jail shall be responsible for promptly arranging for the examination of the individual by the appropriate receiving facility.

Individuals who meet the criteria for involuntary examination and who are in custody under the Baker Act for non-violent misdemeanors or non-felony criminal traffic offenses shall be transported to the appropriate receiving facility prior to being booked on the criminal charges. Law enforcement will inform the personnel at the receiving facility of any pending criminal charges of a patient taken into custody under the Baker Act and the receiving facilities will notify law enforcement when the patient is pending discharge.

Inter-facility Transportation

Baker Act and Marchman Act patients that need transportation between medical facilities will be transported by ambulance or another approved transport provider.

System Capacity

- Baptist Hospital Inc., located at 1000 West Moreno St., Pensacola, Florida is a private receiving facility licensed by the Agency for Health Care Administration (AHCA) to operate 60 beds for adults and 26 beds for minors.

- Lakeview Center Inc., located at 1304 West Avery St., Pensacola, Florida is a public receiving facility licensed by (ACHA) and the Department of Children and Families (DCF) to operate 10 integrated Crisis Stabilization Unit (CSU) and Addiction Receiving Facility (ARF) beds.

- West Florida Regional Medical Center Inc., located at 8383 North Davis Highway, Pensacola, Florida is a private receiving facility licensed by the Agency for Health Care Administration to operating 56 adult beds. Included in these beds is a specialty unit for geriatrics.
- The following hospitals are not receiving facilities, but are responsible to evaluate, treat and transfer persons in need of mental health and addiction treatment as part of their emergency department. This is in accordance with federal (EMTALA) emergency care rules and the medical treatment aspect of the plan. In addition they may be the nearest facility for emergency assessment and stabilization under Florida statute 397.679 (Marchman Act) also as provide for in 394.462 2 (g):

    - Gulf Breeze Hospital located at 1110 Gulf Breeze Parkway, Gulf Breeze Florida
    - Jay Hospital located at 14114 Alabama St. Jay, Florida,
    - Sacred Heart Hospital located at 5151 North 9th Avenue, Pensacola, Florida,

End-Point Goals and Objectives:

The following objectives are expected to be met by establishing a transportation plan in Escambia County:

- Implement a coordinated system of transportation and access to psychiatric services for individuals under a Baker Act order and substance abuse services for individuals under a Marchman Act order in Escambia County.
- Provide a dignified, humane, and streamlined method of transportation to and among acute care facilities, and for individuals in need of acute psychiatric care from nursing homes, assisted living facilities or other residential settings.
- Assist law enforcement and EMS in Escambia County in the efficient transport of individuals in need of services to the most appropriate facility.
- Enhance the ability to fully utilize the capacity of acute care services in the County and reduce the unnecessary delay of transfers between facilities.
- Ensure continuity and coordination of care among providers.

Inter-organizational Collaboration and System Oversight:

In an effort to provide a coordinated system of care for individuals requiring a Baker Act/Marchman Act, this plan authorizes the members of the Escambia County Public Safety, Escambia County Law Enforcement and hospitals in Escambia County to meet in order to resolve complaints, grievances, and disputes which may arise during implementation of the plan, and to evaluate areas of strength and/or improvement. These agencies are empowered by this Transportation Plan to approve interagency agreements, as well as coordinate other services needed for individuals beyond acute care services.

System Oversight of the transportation plan will be provided by the Baker Act/Marchman Act Coordinator's Interagency Group chaired by the Big Bend Managing entity and attended by Escambia County Public Safety/EMS, area receiving facilities, hospitals, Department of Children and Families and Law enforcement representatives.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12011 **County Administrator's Report 12. 11.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 05/25/2017
Issue: Interlocal Agreement with Santa Rosa Island Authority - Palm Tree Trimming Lift
From: Joy D. Blackmon, P.E., Director
Organization: Public Works
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Interlocal Agreement between Escambia County and the Santa Rosa Island Authority relating to the Purchase, Operation, and Maintenance of a Palm Tree Trimming Lift on Pensacola Beach - Joy D. Blackmon, P.E., Public Works Department Director

That the Board take the following action concerning the Interlocal Agreement between Escambia County and the Santa Rosa Island Authority relating to the purchase, operation, and maintenance of a Palm Tree Trimming Lift on Pensacola Beach:

A. Approve the Interlocal Agreement between Escambia County and the Santa Rosa Island Authority; and

B. Authorize the Chairman to sign the Interlocal Agreement.

[Funding: The Office of Management and Budget is preparing a Supplemental Budget Amendment to transfer funds into this project. Capital cost will be paid out of the Portofino Island Improvement Fund (PIIF) and the operating and maintenance cost of the equipment will be under the General Fund]

BACKGROUND:

The Santa Rosa Island Authority (SRIA) has agreed to contribute up to $60,000 to Island Improvement Funds to Escambia County for the purchase of a palm tree trimming lift.

Escambia County will be responsible for initiating, administering, and concluding the public procurement process for the purchase of the lift, will retain ownership, custody, and control of the lift, and will be responsible for any required maintenance and repair. The lift will be used exclusively for public works projects on Pensacola Beach.

BUDGETARY IMPACT:

The Office of Management and Budget is preparing a Supplemental Budget Amendment to transfer funds into this project.

Capital cost will be paid out of the Portofino Island Improvement Fund (PIIF) and the operating and maintenance cost of the equipment will be under the General Fund.

LEGAL CONSIDERATIONS/SIGN-OFF:

Kristin Hual, Assistant County Attorney, has reviewed and signed off on the Interlocal Agreement.

PERSONNEL:

No additional personnel will be required.

POLICY/REQUIREMENT FOR BOARD ACTION:

N/A

IMPLEMENTATION/COORDINATION:

Upon Board approval and execution, a certified copy of the Interlocal Agreement will be provided to SRIA.

Attachments

Interlocal Agreement

STATE OF FLORIDA
COUNTY OF ESCAMBIA

INTERLOCAL AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA AND THE SANTA ROSA ISLAND AUTHORITY RELATING TO THE PURCHASE, OPERATION, AND MAINTENANCE OF A PALM TREE TRIMMING LIFT ON PENSACOLA BEACH, FLORIDA

THIS AGREEMENT is made by and between the County of Escambia, a political subdivision of the State of Florida (hereinafter, the "County"), acting through its Board of County Commissioners, and the Santa Rosa Island Authority, a dependent special district created under the Laws of Florida (hereinafter, the "SRIA"), acting through its governing Board.

WITNESSETH:

WHEREAS, the County and the SRIA have legal authority to perform general governmental services within their respective jurisdictions; and

WHEREAS, the County and the SRIA are authorized by §163.01, Florida Statutes, to enter into Interlocal Agreements and thereby cooperatively utilize their governmental powers and available resources in the most efficient manner possible; and

WHEREAS, the SRIA has agreed to contribute up to sixty thousand dollars ($60,000.00) of Island Improvement Funds, as defined per Section IV, D.2.(a) of the Development Lease Agreement entered into between the SRIA and Gary Work as Trustee of the Pensacola Beach Land Trust recorded on June 30, 1997, in Official Record Book 4180 at Page 1985 of the Public Records of Escambia County, Florida, to the County for the purchase of a palm tree trimming lift; and

WHEREAS, the County and SRIA have determined it is in the best interest of the citizens to enter into this Interlocal Agreement whereby the SRIA shall contribute Island Improvement Funds for the County to purchase a palm tree trimming lift.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and of the mutual benefits to flow each unto the other, and for other good and valuable consideration, the County and the SRIA agree as follows:

Section 1. Purpose of Agreement.

1.1 The recitals contained in the Preamble of this Agreement are declared to be true and correct and are incorporated into this Agreement.

1.2 Pursuant to §163.01, Florida Statutes, this Agreement establishes the conditions, extent, and mechanism whereby the SRIA shall contribute Island Improvement Funds for the County to purchase a palm tree trimming lift (hereinafter referred to as the "Lift").

Section 2. Responsibilities of the Parties.

2.1 The SRIA agrees to contribute Island Improvement Funds to County in an amount not to exceed sixty thousand dollars ($60,000.00) ("Sum") for the Lift as provided herein to the extent such Island Improvement Funds are available or become available. The SRIA shall not be obligated to contribute funding for the Lift from any source other than Island Improvement Funds. The SRIA shall transfer said funds in a single lump sum payment upon the request of County after the execution of this Agreement.

2.2 The County shall be responsible for initiating, administering, and concluding the public procurement process for the purchase of the Lift.

2.3. The County shall retain ownership, custody, and control of the Lift purchased pursuant to this Agreement, and the County shall be solely responsible for the maintenance and repair of the Lift at the County's expense.

2.4 It is understood and agreed that the Lift purchased by the County pursuant to this Agreement shall be utilized exclusively for public works on Pensacola Beach.

2.5 Upon the SRIA's request, County shall provide copies of all invoices and related supporting documentation relating to the Lift as may be reasonably required to verify the actual cost.

2.6 Any Island Improvement Funds provided by the SRIA which are residual funds remaining unspent or unencumbered by any existing (not contingent) legal obligations related to the Lift will be returned to the SRIA in the form of a negotiable instrument.

2.7 It is expressly understood that this Agreement is subject to, and conditioned upon, the approval and execution of the Amendment to the Fourth Interim Agreement between the SRIA and Gary Work as Trustee of the Pensacola Beach Land Trust.

Section 3. Termination.

This Agreement may be terminated by either party at any time and for any reason upon thirty (30) days written notice to the other party; provided, however, that termination shall not affect the reimbursement of any costs then owing to the County by the SRIA, or which subsequently are owed to the County by the SRIA as a result of actions concluded following the effective date of termination.

Section 4. Liability.

(a) The parties hereto, their respective elected officials, officers, and employees shall not be deemed to assume any liability for the acts, omissions, or negligence of the other party. The SRIA agrees to be fully responsible for its negligent acts or omissions or tortious acts which result in claims or suits against the County and agrees to be fully liable for any damages proximately caused by said acts or omissions. Escambia County, Florida, as a subdivision of the State of Florida as defined in §768.28, Florida Statutes, agrees to be fully responsible for its negligent acts or omissions or tortious acts which result in claims or suits against the SRIA and agrees to be fully liable for any damages proximately caused by said acts or omissions. Nothing herein is intended to serve as a waiver of sovereign immunity by the SRIA or the County and nothing herein shall be construed as consent by the SRIA or the County to be sued by third parties in any matter arising out of this Agreement.

(b) Each party is responsible for maintaining, in a form acceptable to the parties, all necessary records of personnel and equipment used under this Agreement for a period of five (5) years and each parties' records shall subject to audit after reasonable notice.

Section 5. Records.

The parties acknowledge that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to member of the public pursuant to Chapter 119, Florida Statutes, as amended. In the event a party fails to abide by the provision of Chapter 119, Florida Statutes, the other party may, without prejudice to any right or remedy and after giving that party, seven (7) days written notice, during which period the party fails to allow access to such documents, terminate this Agreement.

Section 6. Assignment.

This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the parties, without the prior written consent of the other party.

Section 7. Headings.

Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

Section 8. Survival.

All other provisions, which by their inherent character, sense, and context are intended to survive termination of this Agreement, shall survive the termination of this Agreement.

Section 9. Interpretation.

(a) For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings.

(b) References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provision hereof.

Section 10. Severability.

The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed and enforced as if this Agreement did not contain such invalid or unenforceable portion or provision.

Section 11. Further Documents.

The parties shall execute and deliver all documents and perform further actions that may be reasonably necessary to effectuate the provision of this Agreement.

Section 12. Notices.

All notices required to be given under this Agreement shall be in writing, and shall be sent by first class United States mail, unless some other form of notice is established by the County Administrator, to the respective parties as follows:

Notices shall be sent to:
County Administrator
Escambia County
Post Office Box 1591
Pensacola, Florida 32591

Chairman
Santa Rosa Island Authority
Post Office Drawer 1208
Pensacola Beach, Florida 32562

Payment to the County will be sent to:
Director of Administrative Services
P. O. Box 1591
Pensacola, Florida 32597-1591
850-595-4960

Section 13. Prior Agreements Superseded.

This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein, and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement, that are not contained in this document. Accordingly, no deviations from the terms and conditions hereof shall be predicated upon any prior representations or agreements, whether oral or written.

It is further agreed that no modification, amendment, or alteration in the terms and conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

Section 14. Governing Law.

The Agreement shall be interpreted under and its performance governed by the laws of the State of Florida. The parties agree that any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and therefore, each party to this Agreement hereby waives the right to any change of venue.

Section 15. No Waiver.

The failure of either party to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

Section 16. Effective Date.

This Agreement, after being properly executed by all parties named herein, shall become effective upon its filing with the Clerk of the Circuit Court of Escambia County, Florida. Escambia County shall be responsible for filing this document upon receipt of the executed Agreement from the SRIA.

[SIGNATURE PAGE TO FOLLOW]

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement on the respective dates under each signature: Escambia County, Florida through its Board of County Commissioners, signing by and through its duly authorized Chairman and the Santa Rosa Island Authority, signing by and through its duly authorized Chairman.

AI-12157 **County Administrator's Report 12. 12.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 05/25/2017
Issue: Agreement with ECUA for Property Swap and Waterline Construction
From: Joy D. Blackmon, P.E., Director
Organization: Public Works
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Entering into an Agreement with the Emerald Coast Utilities Authority for a Property Swap and Waterline Construction - Joy D. Blackmon, P.E., Public Works Department Director

That the Board authorize staff to begin working with the Department of Interior to allow the property transfer of a 50 foot x 150 foot portion of John R. Jones Park to the Emerald Coast Utilities Authority (ECUA) and the construction of 2,200 linear feet of 6-inch diameter waterline as part of the Bellawood Subdivision entrance road at Escambia County's cost (approximately $50,000) in exchange for the entire portion of the ECUA property 60 feet wide along the western property line.

[Budgetary Impact: Waterline to be constructed during the construction of the Bellawood Subdivision entrance road is currently unfunded. Funding allocation will be contingent upon property swap.]

BACKGROUND:

Multiple public meetings were held as a result of the potential opening of a Camden Road Connector related to the development of the Bellawood Subdivision and the rest of the property south of John R Jones Park. Residents were generally not in favor of opening up existing Camden Road from Chemstrand Road to Airway Drive. As a result of those meetings, County staff was directed to allow a temporary connection to Topeka Road, just south of Camden Road, until such time as a formal subdivision connector roadway to 9 Mile Road could be constructed along the westernmost property line of the John R Jones Park. At no time would any construction traffic be allowed to traverse Topeka Road. The County is currently providing a temporary construction access.

To provide this subdivision connector roadway, the county needs 60 feet of right of way along the western property line of the John R Jones Park. The northern 1000 feet of the 1350 feet western property line of the park is owned by ECUA. In exchange for this 60 foot x 1000 foot portion of the ECUA Park property, ECUA will require a 50 foot x 150

foot portion of the park property and construction of a new waterline.

Bill Johnson, ECUA, speaking on behalf of Steve Sorrell, Executive Director, ECUA, confirmed that ECUA would like the County to move forward with the transfer of a 50 foot x 150 foot portion of the county-owned portion of the park adjacent to the ECUA wellhead site, to ECUA. This would require the County, according to the Quit Claim Deed from the Department of the Interior (DOI), to acquire approval from the DOI to transfer this portion of the property.

In addition to the 50 foot x 150 foot property, ECUA will require the County to pay for and install approximately 2,200 linear feet of 6-inch waterline from the 9 Mile Road existing water main to the Bellawood Subdivision waterline; this work is to be performed at the same time that the subdivision connector roadway from 9 Mile Road to the Bellawood Subdivision is constructed.

BUDGETARY IMPACT:

Waterline to be constructed during the construction of the Bellawood Subdivision entrance road is currently unfunded. Funding allocation will be contingent upon property swap.

LEGAL CONSIDERATIONS/SIGN-OFF:

QUITCLAIM DEED

The UNITED STATES OF AMERICA, acting by and through the Secretary of the Interior, acting by and through the Southeast Regional Director, Heritage Conservation and Recreation Service, under and pursuant to the power and authority contained in the provisions of the Federal Property and Administrative Services Act of 1949 (63 Stat. 377), as amended, and particularly as amended by Public Law 485, 91st Congress, and regulations and orders promulgated thereunder (hereinafter designated "Grantor"), for and in consideration of the perpetual use of the hereinafter described premises for public park and public recreation area purposes, by Escambia County, Florida (hereinafter designated "Grantee"), does hereby release and quitclaim to Grantee, and to its successors and assigns, subject to the reservations, exceptions, restrictions, conditions and covenants hereinafter expressed and set forth, all Grantor's right, title and interest in and to the following described property, consisting of approximately 68.41 acres, located in Escambia County, Florida:

157.10 acres, more or less, consisting of the East half of the Northwest quarter and the West half of the Northeast quarter of Section 12, Township 1 South, Range 30 West, Escambia County, Florida;

LESS AND EXCEPT the West 740.0' of the North 1100.00' of the East half of the Northwest quarter of Section 12, Township 1 South, Range 30 West, Escambia County, Florida, containing 18.69 acres more or less;

AND, ALSO LESS AND EXCEPT the South 1155' of the Southwest quarter of the Northeast quarter and the South 1155' of the Southeast quarter of the Northwest quarter, all lying in Section 12, Township 1 South, Range 30 West, Escambia County, Florida containing 70 acres more or less;

There are excepted from this conveyance and reserved to the Grantor, and its assigns, all oil, gas, and other minerals in, under and upon the lands herein conveyed, together with the rights to enter upon the land for the purpose of mining and removing the same.

This conveyance is made subject to any and all existing rights-of-way, easements and covenants and agreements affecting the above described premises, whether or not the same now appear of record.

To Have and to Hold the hereinbefore described property, subject to the reservations, exceptions, restrictions, conditions and covenants herein expressed and set forth unto the Grantee, its successors and assigns, forever.

This instrument prepared by:
Donald M. Spillman
Regional Solicitor's Office
U. S. Department of the Interior
148 International Boulevard
Atlanta, Georgia 30303

Pursuant to authority contained in the Federal Property and Administrative Services Act of 1949, as amended, and applicable rules, regulations and orders promulgated thereunder, the General Services Administration determined the property to be surplus to the needs of the United States of America and assigned the property to the Department of the Interior for further conveyance to the Escambia County, Florida.

It is agreed and understood by and between the Grantor and Grantee, and the Grantee by its acceptance of this deed, does acknowledge its understanding of the agreement, and does covenant and agree for itself, and its successors and assigns, forever, as follows:

1. This property shall be used and maintained for the public purposes for which it was conveyed in perpetuity as set forth in the program of utilization and plan contained in the application, submitted by the Grantee on or about December 8, 1977, which program and plan may be amended from time to time at the request of either the Grantor or Grantee, with the written concurrence of the other party, and such amendments shall be added to and become a part of the original application.

2. The Grantee shall, within 6 months of the date of the deed of conveyance, erect and maintain a permanent sign or marker near the point of principal access to the conveyed area indicating that the property is a park or recreation area and has been acquired from the Federal Government for use by the general public.

3. The property shall not be sold, leased, assigned, or otherwise disposed of except to another eligible governmental agency that the Secretary of the Interior agrees in writing can assure the continued use and maintenance of the property for public park or public recreational purposes subject to the same terms and conditions in the original instrument of conveyance. However, nothing in this provision shall preclude the Grantee from providing related recreational facilities and services compatible with the approved application, through concession agreements entered into with third parties, provided prior concurrence to such agreements is obtained in writing from the Secretary of the Interior.

4. From the date of this conveyance, the Grantee, its successors and assigns, shall submit biennial reports to the Secretary of the

Interior, setting forth the use made of the property during the preceding two-year period, and other pertinent data establishing its continuous use for the purposes set forth above, for ten consecutive reports and as further determined by the Secretary of the Interior.

5. If at any time the United States of America shall determine that the premises herein conveyed, or any part thereof, are needed for the national defense, all right, title and interest in and to said premises, or part thereof determined to be necessary to such national defense, shall revert to and become the property of the United States of America.

6. As part of the consideration for this Deed, the Grantee covenants and agrees for itself, its successors and assigns, that (1) the program for or in connection with which this Deed is made will be conducted in compliance with, and the Grantee, its successors and assigns, will comply with all requirements imposed by or pursuant to the regulations of the Department of the Interior in effect on the date of this Deed (43 C.F.R. Part 17) issued under the provisions of Title VI of the Civil Rights Act of 1964; (2) this covenant shall be subject in all respects to the provisions of said regulations; (3) the Grantee, its successors and assigns, will promptly take and continue to take such action as may be necessary to effectuate this covenant; (4) the United States shall have the right to seek judicial enforcement of this covenant, and (5) the Grantee, its successors and assigns, will (a) obtain from each other person (any legal entity) who, through contractual or other arrangements with the Grantee, its successors or assigns, its authorized to provide services or benefits under said program, a written agreement pursuant to which such other person shall, with respect to the services or benefits which he is authorized to provide, undertake for himself the same obligations as those imposed upon the Grantee, its successors and assigns, by this covenant, and (b) furnish a copy of such agreement to the Secretary of the Interior, or his successor; and that this covenant shall run with the land hereby conveyed, and shall in any event, without regard to technical classification or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity for the benefit of, and in favor of the Grantor and enforceable by the Grantor against the Grantee, its successors and assigns.

7. The Grantee agrees to comply with the requirements of Public Law 90-480 (82 Stat. 718), the Architectural Barriers Act of 1968, as amended by Public Law 91-205 of 1970 (84 Stat. 49), to assure that development of facilities on conveyed surplus properties for public park and recreation purposes are accessible to the physically handicapped; and, further assure in accordance with Public Law 93-112, the Rehabilitation Act of 1973 (87 Stat. 394), that no otherwise qualified handicapped individual shall solely by reasons of his handicap be excluded from the participation in, be denied benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

8. Grantee shall be on the lookout for archaeological artifacts during its construction activities and shall take appropriate action should any artifacts be discovered.

9. In the event there is a breach of any of the conditions and covenants herein contained by the Grantee, its successors and assigns, whether caused by the legal or other inability of the Grantee, its successors and assigns, to perform said conditions and covenants, or otherwise, all right, title and interest in and to the said premises shall revert to and become the property of the Grantor at its option, which in addition to all other remedies for such breach shall have the right of entry upon said premises, and the Grantee, its successors and assigns, shall forfeit all right, title and interest in said premises and in any and all of the tenements, hereditaments and appurtenances thereunto belonging; provided, however, that the failure of the Secretary of the Department of the Interior to require in any one or more instances complete performance of any of the conditions or covenants shall not be construed as a waiver or relinquishment of such future performance, but the obligation of the Grantee, its successors and assigns, with respect to such future performance shall continue in full force and effect.

Colby –

At this point our request is basically as previously stated.

As we have researched the issue we found some things that you should be aware of.

Since at least 1991 ECUA has leased all but a small portion of our parcel, (everything but the fenced area surrounding the OLF4A well site), to the County for the nominal fee of $1 a year. Although the lease term is for one year, it has automatically renewed itself each year since 1991.

Apparently, ECUA's 1991 lease to the County violated one or more of the restrictions imposed by the federal government in the original conveyance to the City (ECUA's predecessor). ECUA subsequently (in 1993) had to pay $122,444 to the U.S. Government to obtain a release of various federal restrictions on the property. A new lease was executed in the County's favor (i.e., $1.00 per year) on November 16, 1993. Nearly 24 years have passed since that time.

Concerning the ECUA-requested 50' x 150' parcel east of the OLF4A well site, while it is acknowledged that the requested property is subject to restrictions, it seems that the County could go through a similar process of lifting restrictions in order to convey property for ECUA's benefit just as ECUA did for the County.

The ECUA property, approximately 19 acres fronting on Nine Mile Road, obviously has significant value. The County's request for the westernmost 60 feet by 1,100 feet long equates to approximately 1.51 acres. Some reasonable consideration of the value of the property must be

considered in our recommendation to the ECUA Board.

I will send you a sketch tomorrow including the requested 50X150 parcel and the proposed 6-inch diameter PVC water line from a connection to an existing line on Nine Mile Road to a connection with a new water line in Bella Woods Subdivision.

In the meantime, if you have any questions give me a call.

Bill and John

Please let me know as soon as you are able, what the ECUA request is for the property swap (understanding the QuitClaim Deed limitations) and the waterline size and location. It would be best if this was provided in a sketch similar to the one I sent below, so we can be clear regarding the request.

Please let me know when you anticipate to be able to respond with a sketch of your request.

Thanks.

Colby –
Thanks for your email.
I have passed the information along for review.
I believe ECUA's proposed position to be that the requested right-of-way would be conveyed in exchange for the construction of the water line and the conveyance of the requested property. We will review the deed document you sent and let you know how we may wish to address that issue.
In reviewing your sketch I would only comment that the proposed new water line should follow the proposed new roadway and tie in to the water system in the area of where the roadway will be connected rather than traverse overland to the southwest corner of the OLF property.
In the meantime let me know if you have any questions.

Subject: J R Jones - ECUA R/W Easement

Bill

I wanted to send you the following sketch of what I gathered was ECUA's response to the County's request for a r/w easement:

I understand that in your meeting with staff and Steve Sorrell on the 9th, ECUA does not want to give an easement to the County for the roadway (yellow above), but rather would donate, to the County, the 60' along the west boundary in exchange for an area approximately 50' x 150' to the east of the fenced-in well house (blue rectangle) and for the County to install a waterline (no size indicated) within the County requested property.

Please verify that this is the request from ECUA.

I understand that, according to the QuitClaim Deed Document for the County owned portion of the John R Jones Property, the County cannot assign any portion of their property to anyone unless it is to another government agency that will use the property only for a park and recreation purpose and that the DOI agrees to the intent and purpose in writing. Excerpt below and entire document attached.

This would seem to not allow the County to "swap" this 50' x 150' portion, or any other portion of the property, to ECUA.

Also, we are not in a position to construct a waterline, but may be able to work with ECUA according to our continued practice, if ECUA wants to move forward with a waterline installation. What is the

proposed waterline size that ECUA would like to install?

ECUA has the Legal description and Sketch for the r/w easement that the County has requested following a discussion between Jack Brown, Esc Co Administrator and Steve Sorrell. Please respond to this email with ECUA's desired direction.

Joy and Colby,

The information below is correct except Bill Johnson requested addition land surrounding the well site on the East side of the well. Not West side.

Thank you again,
Jim Hagon, PE

On Mar 9, 2017, at 6:23 PM, Colby S. Brown <CSBROWN@co.escambia.fl.us> wrote:

Joy

The Authorization Form has been signed.

The 2" force main has been located in the field and survey has picked it up. Essentially it runs directly down the middle of the existing dirt road on the western portion of the site at a min of 36" depth.

The ECUA wants to swap the easement for an additional 50' (did not state if it was property or easement) on west side of well property and for the County to construct a waterline as part of the access road.

Just a heads up, as this is not confirmed yet, but it appears that the original dedication of the property from the Navy decades ago, states that any additional easements or different uses of the

property were not allowed.

ECUA would not be able to take the requested easement to their March Board meeting as their verbal request for a swap (Jim will seek the request in writing) will need to be answered and the above property use issue would need to be verified.

Jim can verify the above info.

Subject: RE: J R Jones - ECUA R/W Easement CounterOffer Response

Jack

I spoke with Bill Johnson with ECUA and he confirmed that he was speaking on behalf of Mr. Steve Sorrell. ECUA would like the County to move forward with the transfer of the 50'x100' parcel to ECUA and for the County to handle whatever it takes to acquire approval from the Dept. of the Interior as related to the Quitclaim Deed restrictions. ECUA wants the County to pay for and install the new approximately 2200 lf of 6" waterline (approx cost $50K for waterline), from the 9 Mile Rd existing water main to the Bellawood S/D waterline, when the County access roadway from 9 Mile to the Bellawood S/D is constructed. There is no waterline currently in this location.

ECUA believes that they had made a lot of concessions in the past regarding allowing the County use of their property for Parks purposes. As was stated earlier, ECUA's 1991 lease to the County violated one or more of the restrictions imposed by the federal government in the original conveyance to the City (ECUA's predecessor). ECUA subsequently (in 1993) had to pay $122,444 to the U.S. Government to obtain a release of various federal restrictions on the property. A new lease was executed in the County's favor (i.e., $1.00 per year) on November 16, 1993.

I understand that, if the County is to agree to these terms, then ECUA will transfer ownership of the western 60' of their property to the County.

If, legally, the County is not able to transfer the 50'x150' parcel to ECUA, ECUA is willing to discuss other options at that point.

Bill – Please correct me if I misunderstood.

Steve,

I hope you are doing well …. I am writing you regarding our request concerning ROW to the west side of the John R. Jones Park. Initially the road will be used as a construction entrance by the contractor. Eventually at a time yet to be determined it will be paved and become a public road pending funding by the BOCC.

Issues:

1. We can move forward with requesting the Board sign over the portion of the 50' x 150' piece of property east of the well site.
2. ECUA is requesting that we pay for a six inch 2200 lf PVC water line along the proposed roadway at what appears to be an estimated cost of $50K. Is this 6 inch water line being replaced or is this a new water line? If this is not a current line but rather a line that ECUA intends to install at a future date we don't see where our project would prevent the installation. Is there any room for negotiations or compromise?
3. We are willing to work the issue with DOI if that is your wish.

Please let me know how you want to proceed. Thanks, Jack

Jack

The following is a summary of the request from staff at ECUA for them to dedicate a 60' r/w to the County along the west edge of J R Jones Park.

- The first of March, the County formalized the request for the 60' r/w easement from ECUA. As per your meeting with Steve Sorrell in February.

- About a week later, County was notified that ECUA wanted to “swap” the 60’ r/w for a 50’x150’ parcel and a waterline installed.
- Image below was the County’s understanding of ECUA’s request sent to ECUA for confirmation on march 23rd.

- ECUA responded with the attached map “ECUA Well OLF 4A RW Request” confirming the details of their request on March 30th which are as follows:
  - 2200 lf of 6” PVC Waterline the length of the proposed roadway – Approx $50K
  - 50’ x 150’ Parcel to the east of their Wellhead building – The attached “JRJones County Property – From DOI to County” is the Quitclaim Deed for the entire parcel from the Dept. of the Interior to the County that states the DOI has to sign off on the conveyance of any portion of the property and that it must be used as Public Park or Recreational Purposes. Excerpt below. ECUA wants the County to work thru this issue with the DOI.

You can read some of the detail of the discussion below in the email train.

See the attached map from Bill Johnson from ECUA with their request and the email below.

I presume we would need legal to engage Dept of Interior (DOI) for permission to "swap" the 50' x 150' portion of the park property and then BCC approval. Also, the request is to install about 2200' of 6" waterline (including bore and jack under 9 Mile to tie in to a 16" water main on the north side of the r/w). this is roughly $50K worth of work.

Let me know how you would like me to move forward.

Subject: J R Jones - ECUA R/W Easement

Bill

I wanted to send you the following sketch of what I gathered was ECUA's response to the County's request for a r/w easement:

I understand that in your meeting with staff and Steve Sorrell on the 9th, ECUA does not want to give an easement to the County for the roadway (yellow above), but rather would donate, to the County, the 60' along the west boundary in exchange for an area approximately 50' x 150' to the east of the fenced-in well house (blue rectangle) and for the County to install a waterline (no size indicated) within the County requested property.

Please verify that this is the request from ECUA.

I understand that, according to the QuitClaim Deed Document for the County owned portion of the John R Jones Property, the County cannot assign any portion of their property to anyone unless it is to another government agency that will use the property only for a park and recreation purpose and that the DOI agrees to the intent and purpose in writing. Excerpt below and entire document attached.

This would seem to not allow the County to "swap" this 50' x 150' portion, or any other portion of the property, to ECUA.

Also, we are not in a position to construct a waterline, but may be able to work with ECUA according to our continued practice, if ECUA wants to move forward with a waterline installation. What is the proposed waterline size that ECUA would like to install?

ECUA has the Legal description and Sketch for the r/w easement that the County has requested following a discussion between Jack Brown, Esc Co Administrator and Steve Sorrell. Please respond to this email with ECUA's desired direction.

Joy and Colby,

The information below is correct except Bill Johnson requested addition land surrounding the well site on the East side of the well. Not West side.

Thank you again,
Jim Hagon, PE

The Authorization Form has been signed.

The 2" force main has been located in the field and survey has picked it up. Essentially it runs directly down the middle of the existing dirt road on the western portion of the site at a min of 36" depth.

The ECUA wants to swap the easement for an additional 50' (did not state if it was property or easement) on west side of well property and for the County to construct a waterline as part of the access road.

Just a heads up, as this is not confirmed yet, but it appears that the original dedication of the property from the Navy decades ago, states that any additional easements or different uses of the property were not allowed.

ECUA would not be able to take the requested easement to their March Board meeting as their verbal request for a swap (Jim will seek the request in writing) will need to be answered and the above property use issue would need to be verified.

Jim can verify the above info.

There is not waterline in this location currently (there is a 2" force main) and I did speak with Michael Rhodes about the 50 x 150 portion of property and he did not think it would be any concern.

Jack

The following is a summary of the request from staff at ECUA for them to dedicate a 60' r/w to the County along the west edge of J R Jones Park.

The first of March, the County formalized the request for the 60' r/w easement from ECUA. As per your meeting with Steve Sorrell in February.

About a week later, County was notified that ECUA wanted to "swap" the 60' r/w for a 50'x150' parcel and a waterline installed.

Image below was the County's understanding of ECUA's request sent to ECUA for confirmation on march 23rd.

ECUA responded with the attached map "ECUA Well OLF 4A RW Request" confirming the details of their request on March 30th which are as follows:

- 2200 lf of 6" PVC Waterline the length of the proposed roadway – Approx $50K
- 50' x 150' Parcel to the east of their Wellhead building – The attached "JRJones County Property – From DOI to County" is the Quitclaim Deed for the entire

parcel from the Dept. of the Interior to the County that states the DOI has to sign off on the conveyance of any portion of the property and that it must be used as Public Park or Recreational Purposes. Excerpt below. ECUA wants the County to work thru this issue with the DOI.

You can read some of the detail of the discussion below in the email train.

See the attached map from Bill Johnson from ECUA with their request and the email below.

I presume we would need legal to engage Dept of Interior (DOI) for permission to “swap” the 50’ x 150’ portion of the park property and then BCC approval. Also, the request is to install about 2200’ of 6” waterline (including bore and jack under 9 Mile to tie in to a 16” water main on the north side of the r/w). this is roughly $50K worth of work.

Let me know how you would like me to move forward.

Colby –

At this point our request is basically as previously stated.

As we have researched the issue we found some things that you should be aware of.

Since at least 1991 ECUA has leased all but a small portion of our parcel, (everything but the fenced area surrounding the OLF4A well site), to the County for the nominal fee of $1 a year. Although the lease term is for one year, it has automatically renewed itself each year since 1991.

Apparently, ECUA's 1991 lease to the County violated one or more of the restrictions imposed by the federal government in the original conveyance to the City (ECUA's predecessor). ECUA subsequently (in 1993) had to pay $122,444 to the U.S. Government to obtain a release of various federal restrictions on the property. A new lease was executed in the County's favor (i.e., $1.00 per year) on November 16, 1993. Nearly 24 years have passed since that time.

Concerning the ECUA-requested 50' x 150' parcel east of the OLF4A well site, while it is acknowledged that the requested property is subject to restrictions, it seems that the County could go through a similar process of lifting restrictions in order to convey property for ECUA's benefit just as ECUA did for the County.

The ECUA property, approximately 19 acres fronting on Nine Mile Road, obviously has significant value. The County's request for the westernmost 60 feet by 1,100 feet long equates to approximately 1.51 acres. Some reasonable consideration of the value of the property must be considered in our recommendation to the ECUA Board.

I will send you a sketch tomorrow including the requested 50X150 parcel and the proposed 6-inch diameter PVC water line from a connection to an existing line on Nine Mile Road to a

connection with a new water line in Bella Woods Subdivision.

In the meantime, if you have any questions give me a call.

Colby –
Thanks for your email.
I have passed the information along for review.
I believe ECUA's proposed position to be that the requested right-of-way would be conveyed in exchange for the construction of the water line and the conveyance of the requested property. We will review the deed document you sent and let you know how we may wish to address that issue. In reviewing your sketch I would only comment that the proposed new water line should follow the proposed new roadway and tie in to the water system in the area of where the roadway will be connected rather than traverse overland to the southwest corner of the OLF property.
In the meantime let me know if you have any questions.

Subject: J R Jones - ECUA R/W Easement

Bill

I wanted to send you the following sketch of what I gathered was ECUA's response to the County's request for a r/w easement:

cid:image001.jpg@01D29C0F.B14BE7F0

I understand that in your meeting with staff and Steve Sorrell on the 9th, ECUA does not want to give an easement to the County for the roadway (yellow above), but rather would donate, to the County, the 60' along the west boundary in exchange for an area approximately 50' x

150’ to the east of the fenced-in well house (blue rectangle) and for the County to install a waterline (no size indicated) within the County requested property.

Please verify that this is the request from ECUA.

I understand that, according to the QuitClaim Deed Document for the County owned portion of the John R Jones Property, the County cannot assign any portion of their property to anyone unless it is to another government agency that will use the property only for a park and recreation purpose and that the DOI agrees to the intent and purpose in writing. Excerpt below and entire document attached.

This would seem to not allow the County to “swap” this 50’ x 150’ portion, or any other portion of the property, to ECUA.

Also, we are not in a position to construct a waterline, but may be able to work with ECUA according to our continued practice, if ECUA wants to move forward with a waterline installation. What is the proposed waterline size that ECUA would like to install?

ECUA has the Legal description and Sketch for the r/w easement that the County has requested following a discussion between Jack Brown, Esc Co Administrator and Steve Sorrell. Please respond to this email with ECUA’s desired direction.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12217 **County Administrator's Report 12. 13.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 05/25/2017
Issue: Conveyance of an Access and Utility Easement to Emerald Coast Utilities Authority for Creekwood Subdivision
From: Joy D. Blackmon, P.E., Director
Organization: Public Works
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Conveyance of an Access and Utility Easement to Emerald Coast Utilities Authority for Creekwood Subdivision - Joy D. Blackmon, P.E., Public Works Department Director

That the Board take the following action concerning the conveyance of an Access and Utility Easement to Emerald Coast Utilities Authority (ECUA) for Creekwood Subdivision:

A. Adopt the Resolution authorizing the conveyance of an Access and Utility Easement to ECUA for Creekwood Subdivision;

B. Approve the Access and Utility Easement authorizing the conveyance of the Easement to ECUA; and

C. Authorize the Chairman or Vice Chairman to execute the Access and Utility Easement, Resolution, and any other documents necessary to complete the conveyance without any further action from the Board.

All costs associated with accepting and recording of the documents will be borne by ECUA.

BACKGROUND:

Creekwood Subdivision, Phase I, has a lift station on Parcel "N", which was originally owned by the Creekwood Homeowners Association, but has recently been conveyed to ECUA for ownership. Parcel "N" is surrounded on three sides by Parcel "L" which is owned by the County. ECUA has requested a perpetual Access and Utility Easement over and across Parcel "L" for the purpose of access to Parcel "N", including installation of a paved driveway and utility lines, as well as continued maintenance of the driveway, utility lines and lift station.

BUDGETARY IMPACT:

All costs associated with accepting and recording of documents will be borne by ECUA.

LEGAL CONSIDERATIONS/SIGN-OFF:

The Access and Utility Easement and Resolution were prepared by Stephen West, Senior Assistant County Attorney.

PERSONNEL:

All work associated with this request is being done in-house and no additional staff is required.

POLICY/REQUIREMENT FOR BOARD ACTION:

These actions are consistent with the provisions of Section 46-139, Escambia County Code of Ordinances.

IMPLEMENTATION/COORDINATION:

Upon Board approval, Staff will maintain compliance with Section 46-139 of the Escambia County Code of Ordinances.

COUNTY OF ESCAMBIA

ACCESS AND UTILITY EASEMENT

THIS GRANT OF ACCESS AND UTILITY EASEMENT is made and entered into this _____ day of _____, 2017, by and between Escambia County, a political subdivision of the State of Florida (Grantor), whose address is 221 Palafox Place, Pensacola, Florida 32502, and the Emerald Coast Utilities Authority, a local governmental body, corporate and politic, of the State of Florida (Grantee), whose address is 9255 Sturdevant Street, Pensacola, Florida 32514.

WITNESSETH

WHEREAS, Grantor is the owner of property (the Property) more particularly described as Parcel L, as shown on the plat of Creekwood Subdivision Phase I, recorded in Plat Book 17 at pages 31 and 31A of the public records of Escambia County, Florida; and

WHEREAS, Grantee desires a perpetual easement over a portion of Grantor's Property for access and utilities between the adjacent Parcel N in Creekwood Subdivision Phase I and Juno Circle (50' R/W); and

WHEREAS, Grantor has agreed to grant an easement to Grantee over and across a portion of Grantor's Property under the terms and conditions set forth below.

NOW, THEREFORE, Grantor, for and in consideration of the sum of One Dollar ($1.00) and other good and valuable consideration, does grant to Grantee and Grantee's successors and assigns, a perpetual access and utility easement over and across the area described in the attached Exhibit A for access between Parcel N in Creekwood Subdivision Phase I and Juno Circle (50' R/W) and for installing a paved driveway and utility lines, together with the right to construct, excavate, maintain, replace, inspect, remove and repair such paved driveway and utility lines from time to time, and all rights and privileges necessary or convenient for the purposes described above.

IN WITNESS WHEREOF, the Grantor has set its hand and seal the day and year first written above.

Signed, sealed and delivered
in the presence of:

Legal Description & Sketch
Exhibit "A"

Legal Description

Prepared at the request of the Escambia County Engineering Department

February 17, 2017

Portion from Parcel "L"

A portion of Parcel "L", Block "D", Creekwood Phase 1, as recorded in Plat Book 17, Pages 31 & 31A, in the public records of Escambia County, Florida, and being more particularly described as follows:

Begin at the most southerly corner of said Parcel "L"; thence N59°56'08"W (Grid Basis of Bearings - Florida North, NAD83 (2011)) coincident with the south boundary of said Parcel "L" for a distance of 26.05 feet; thence continue coincident with said south boundary for a bearing of N86°24'55"W and a distance of 22.43 feet; thence N72°10'08"W for a distance of 48.76 feet; thence N86°24'55"W for a distance of 15.68 feet to a point on the east boundary of Parcel "N", Block "D", said Creekwood Phase 1; thence S29°59'02"W coincident with said east boundary for a distance of 3.62 feet to the most southerly corner of said Parcel "N"; thence N59°47'15"W coincident with the south boundary of said Parcel "N" for a distance of 7.24 feet; thence N86°24'55"W for a distance of 36.56 feet to the west boundary of said Parcel "L"; thence N03°46'31"E coincident with said west boundary for a distance of 59.64 feet to the northwest corner of said Parcel "L"; thence N55°57'26"E coincident with the north boundary of said Parcel "L" for a distance of 4.28 feet to the most northerly corner of said Parcel "L"; thence S59°53'34"E coincident with said north boundary of said Parcel "L" for a distance of 24.57 feet to the most northerly corner of said Parcel "N"; thence S59°54'04"E coincident with the north boundary of said parcels "L" and "N" for a distance of 39.88 feet to the most easterly corner of said Parcel "N"; thence S29°59'02"W coincident with the east boundary of said Parcel "N" for a distance of 19.11 feet; thence S72°10'08"E for a distance of 89.74 feet to the north boundary of said Parcel "L"; thence S59°52'30"E coincident with said north boundary for a distance of 17.96 feet to the westerly right-of-way of Juno Circle (50' R/W); thence along a non tangential curve concave to the southeast and coincident with said westerly right-of-way for an arc length of 10.18 feet, said non tangential curve has a radius of 150.00 feet; a central angle of 03°53'16", and a chord that bears S17°42'24"W for a chord distance of 10.18 feet to the Point of Beginning.

Less and Except Parcel "N", Block "D", Creekwood Phase 1, as recorded in Plat Book 17, Pages 31 & 31A, in the public records of Escambia County, Florida.

Said parcel contains 0.06 acre, more or less

Certified to: Escambia County, Florida Board of County Commissioners

Surveyor's Notes:

1) The sketch shown hereon was prepared for description purposes only and is not intended to represent a field (boundary) survey. An accurate field (boundary) survey of the parcel described hereon may result in variations in bearings and distances.
2) Measurements were made in accordance with the United States Standard Foot (US Survey Foot definition).
3) Basis of Bearings Reference: Grid north and the grid bearings shown hereon are based on the following:
    a. Projection Zone: Florida North (State Plane)
    b. Projection Type: Lambert Conformal Conic
    c. Datum: North American Datum of 1983 with a datum tag of 2011 (NAD83 2011)).
4) Danny R. Swain, Florida Professional Surveyor and Mapper did not perform a title search, nor has a title search been provided. Therefore, the sketch and description shown hereon is subject to any facts that may be disclosed by a full and accurate title search.
5) Lands shown hereon were not abstracted by Danny R. Swain, Florida Professional Surveyor and Mapper, and is, therefore, subject to deeds of record, unrecorded deeds, easements, right-of-ways, building setbacks, restrictive covenants, or other instruments which could affect the boundaries or use of the subject property.
6) This sketch and description does not reflect, determine, or guarantee ownership.
7) Internal improvements were not located, if any.
8) No attempt was made to locate any underground foundations, septic/drain fields, underground utilities, or overhead utilities.
9) No attempt was made to locate written or unwritten easements or right of ways.
10) Additions or deletions to the sketch and description by other than the signing party or parties is prohibited without written consent of the signing parties.
11) The sketch and description or copies thereof are not valid without the signature and the original raised seal of a Florida licensed Surveyor and Mapper.
12) The sketch and description are not full and complete without the other.
13) No other person(s) and/or entity(ies) other than those certified to hereon may use this sketch and description or copies thereof, for any reason whatsoever, without the prior written consent of the undersigned.
14) Documents used in the preparation of this sketch and description: Deeds of record; Plat of Creekwood Phase 1, as recorded in Plat Book 17, Pages 31 & 31A, in the public records of Escambia County, Florida; Boundary Survey of Parcels "L" and "N" completed by Escambia County, Florida Surveying Department; and existing field monumentation.
15) The official record of this sketch and description is the original signed and sealed paper version. Any electronic version(s) is not valid unless it is identical in all forms and respects to the original signed and sealed paper version. The onus of comparison is placed on the user of the electronic version.

RESOLUTION R2017-____

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA AUTHORIZING THE CONVEYANCE OF AN ACCESS AND UTILITY EASEMENT TO THE EMERALD COAST UTILITIES AUTHORITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Escambia County (County) is the owner of property (the Property) more particularly described as Parcel L, as shown on the plat of Creekwood Subdivision Phase I, recorded in Plat Book 17 at pages 31 and 31A of the public records of Escambia County, Florida; and

WHEREAS, the Emerald Coast Utilities Authority (ECUA) desires a perpetual easement over a portion of the Property for access and utilities between the adjacent Parcel N in Creekwood Subdivision Phase I and Juno Circle (50' R/W); and

WHEREAS, the Board of County Commissioners for Escambia County has determined that it is in the best interest of the public to convey an access and utility easement over a portion of the Property to ECUA under the terms and conditions stated herein; and

WHEREAS, the conveyance of the Property from the County to ECUA is authorized pursuant to Section 125.38, Florida Statutes; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA:

Section 1. The foregoing recitals are true and correct and are incorporated herein by reference.

Section 2. The County shall convey to ECUA an access and utility easement over and across the area described in the attached Exhibit A for the recited consideration of One Dollar ($1.00) with all costs associated with accepting the easement and recording it in the public records being borne by ECUA.

Section 3. This Resolution shall take effect immediately upon adoption by the Board of County Commissioners.

ADOPTED this _____ day of _____, 2017.

Legal Description & Sketch
Exhibit "A"

Legal Description

Prepared at the request of the Escambia County Engineering Department

February 17, 2017

Portion from Parcel "L"

A portion of Parcel "L", Block "D", Creekwood Phase 1, as recorded in Plat Book 17, Pages 31 & 31A, in the public records of Escambia County, Florida, and being more particularly described as follows:

Begin at the most southerly corner of said Parcel "L"; thence N59°59'08"W (Grid Basis of Bearings - Florida North, NAD83 (2011)) coincident with the south boundary of said Parcel "L" for a distance of 26.05 feet; thence continue coincident with said south boundary for a bearing of N86°24'55"W and a distance of 22.43 feet; thence N72°10'08"W for a distance of 48.76 feet; thence N86°24'55"W for a distance of 15.68 feet to a point on the east boundary of Parcel "N", Block "D", said Creekwood Phase 1; thence S29°59'02"W coincident with said east boundary for a distance of 3.62 feet to the most southerly corner of said Parcel "N"; thence N59°47'15"W coincident with the south boundary of said Parcel "N" for a distance of 7.24 feet; thence N86°24'55"W for a distance of 36.56 feet to the west boundary of said Parcel "L"; thence N03°46'31"E coincident with said west boundary for a distance of 59.64 feet to the northwest corner of said Parcel "L"; thence N55°57'26"E coincident with the north boundary of said Parcel "L" for a distance of 4.28 feet to the most northerly corner of said Parcel "L"; thence S59°53'34"E coincident with said north boundary of said Parcel "L" for a distance of 24.57 feet to the most northerly corner of said Parcel "N"; thence S59°54'04"E coincident with the north boundary of said parcels "L" and "N" for a distance of 39.88 feet to the most easterly corner of said Parcel "N"; thence S29°59'02"W coincident with the east boundary of said Parcel "N" for a distance of 19.11 feet; thence S72°10'08"E for a distance of 89.74 feet to the north boundary of said Parcel "L"; thence S59°52'30"E coincident with said north boundary for a distance of 17.96 feet to the westerly right-of-way of Juno Circle (50' R/W); thence along a non tangential curve concave to the southeast and coincident with said westerly right-of-way for an arc length of 10.18 feet, said non tangential curve has a radius of 150.00 feet; a central angle of 03°53'16", and a chord that bears S17°42'24"W for a chord distance of 10.18 feet to the Point of Beginning.

Less and Except Parcel "N", Block "D", Creekwood Phase 1, as recorded in Plat Book 17, Pages 31 & 31A, in the public records of Escambia County, Florida.

Said parcel contains 0.06 acre, more or less

Certified to: Escambia County, Florida Board of County Commissioners

Surveyor's Notes:

1) The sketch shown hereon was prepared for description purposes only and is not intended to represent a field (boundary) survey. An accurate field (boundary) survey of the parcel described hereon may result in variations in bearings and distances.

2) Measurements were made in accordance with the United States Standard Foot (US Survey Foot definition).

3) Basis of Bearings Reference: Grid north and the grid bearings shown hereon are based on the following:

   a. Projection Zone: Florida North (State Plane)

   b. Projection Type: Lambert Conformal Conic

   c. Datum: North American Datum of 1983 with a datum tag of 2011 (NAD83 2011))

4) Danny R. Swain, Florida Professional Surveyor and Mapper did not perform a title search, nor has a title search been provided. Therefore, the sketch and description shown hereon is subject to any facts that may be disclosed by a full and accurate title search.

5) Lands shown hereon were not abstracted by Danny R. Swain, Florida Professional Surveyor and Mapper, and is, therefore, subject to deeds of record, unrecorded deeds, easements, right-of-ways, building setbacks, restrictive covenants, or other instruments which could affect the boundaries or use of the subject property.

6) This sketch and description does not reflect, determine, or guarantee ownership.

7) Internal improvements were not located, if any.

8) No attempt was made to locate any underground foundations, septic/drain fields, underground utilities, or overhead utilities.

9) No attempt was made to locate written or unwritten easements or right of ways.

10) Additions or deletions to the sketch and description by other than the signing party or parties is prohibited without written consent of the signing parties.

11) The sketch and description or copies thereof are not valid without the signature and the original raised seal of a Florida licensed Surveyor and Mapper.

12) The sketch and description are not full and complete without the other.

13) No other person(s) and/or entity(ies) other than those certified to hereon may use this sketch and description or copies thereof, for any reason whatsoever, without the prior written consent of the undersigned.

14) Documents used in the preparation of this sketch and description: Deeds of record; Plat of Creekwood Phase 1, as recorded in Plat Book 17, Pages 31 & 31A, in the public records of Escambia County, Florida; Boundary Survey of Parcels "L" and "N" completed by Escambia County, Florida Surveying Department; and existing field monumentation.

15) The official record of this sketch and description is the original signed and sealed paper version. Any electronic version(s) is not valid unless it is identical in all forms and respects to the original signed and sealed paper version. The onus of comparison is placed on the user of the electronic version.

Escambia County, Florida

AI-12265 **County Administrator's Report 12. 15.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 05/25/2017
Issue: Use of the Artel Gallery by the Pensacola Opera on June 8, 2017
From: Jack Brown, County Administrator
Organization: County Administrator's Office
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Use of the Artel Gallery by the Pensacola Opera, Inc., to Host the Opera's Guild Social Event on June 8, 2017 - Jack R. Brown, County Administrator

That the Board take the following action concerning the use of the Artel Gallery:

A. Approve the use of the Artel Gallery space for the Pensacola Opera, Inc., to host the Opera's Guild Social Event on Thursday, June 8, 2017, from 4:00 p.m., until 8:00 p.m.;

B. Grant permission for them to serve wine at this event, pending that the Certificate of Insurance has been received and approved by Robert Dye, Risk Manager, prior to the event; and

C. Require the Pensacola Opera, Inc., to have the Artel Gallery cleaned up by 10:00 a.m., on Friday, June 9, 2017.

BACKGROUND:

On Tuesday, May 9, 2017, the Pensacola Opera, Inc., made a written request to use the Artel Gallery on Thursday, June 8, 2017, from 4:00 p.m. until 8:00 p.m., to host their Opera Guild Social Event and to serve wine at this event.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12168 **County Administrator's Report 12. 16.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 05/25/2017
Issue: State of Florida, Division of Emergency Management, Federally-Funded Subgrant Agreement - Flood Mitigation Assistance Grant
From: Tim Tolbert, Building Official/Department Director
Organization: Building Services
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Federally-Funded Subaward and Grant Agreement Regarding the Escambia County Acquisition and Demolition Project - Tim Tolbert, CBO, Building Services Department Director

That the Board take the following action concerning the Federally-Funded Subaward and Grant Agreement regarding the Escambia County Acquisition and Demolition Project:

A. Approve the Federally-Funded Subaward and Grant Agreement between Escambia County and the State of Florida, Division of Emergency Management, regarding the Escambia County Acquisition and Demolition Project, providing Escambia County funding in the amount of $721,487.32, through the Federal Flood Mitigation Assistance Grant Program, Project Number FMA-PJ-04-FL-2015-019, for mitigation of repetitive loss properties in Escambia County; and

B. Authorize the Chairman to sign the Agreement.

BACKGROUND:

The State of Florida Division of Emergency Management distributes grants for the mitigation of repetitive losses. The State issues these funds to counties as subgrant recipients to be used for prevention of repetitive loss. Escambia County, as a participant in the National Flood Insurance Program ("NFIP"), was qualified and eligible to receive these grant funds for the locations specified under the Agreement. The grant fund will be administered by a DEM approved third party pursuant to the Agreement.

BUDGETARY IMPACT:

There is no budgetary impact to Escambia County as this DEM Subgrant is federally funded and includes a cost share by each recipient. Any administration fees are also paid from the funds.

LEGAL CONSIDERATIONS/SIGN-OFF:

This Agreement has been reviewed and approved as to form and legal sufficiency by Bobbie Ellis-Wiggins, Assistant County Attorney.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

The Board requires its approval of Agreements.

IMPLEMENTATION/COORDINATION:

Upon final approval by the Board and the State, Escambia County Building Services Department will coordinate with the State of Florida and the approved third party administrator regarding the projects.

FEDERALLY-FUNDED SUBAWARD AND GRANT AGREEMENT

2 C.F.R. §200.92 states that a "subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract."

As defined by 2 C.F.R. §200.74, "pass-through entity" means "a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program."

As defined by 2 C.F.R. §200.93, "Sub-Recipient" means "a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program."

As defined by 2 C.F.R. §200.38, "Federal award" means "Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity."

As defined by 2 C.F.R. §200.92, "subaward" means "an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity."

The following information is provided pursuant to 2 C.F.R. §200.331(a)(1):

Sub-Recipient's name:	Escambia County
Sub-Recipient's unique entity identifier:	59-6000598
Federal Award Identification Number (FAIN):	EMA-2016-FM-E001
Federal Award Date:	September 21, 2016
Subaward Period of Performance Start and End Date:	09/21/2016–10/30/2018
Amount of Federal Funds Obligated by this Agreement:	$721,487.32
Total Amount of Federal Funds Obligated to the Sub-Recipient by the pass-through entity to include this Agreement:	$721,487.32
Total Amount of the Federal Award committed to the Sub-Recipient by the pass-through entity:	$721,487.32
Federal award project description (see FFATA):	Acquisition and Demolition
Name of Federal awarding agency:	Federal Emergency Management Agency
Name of pass-through entity:	FL Division of Emergency Management
Contact information for the pass-through entity:	Susan Harris-Council, Project Manager
Catalog of Federal Domestic Assistance (CFDA) Number and Name:	97.029 – Flood Mitigation Assistance
Whether the award is R&D:	N/A
Indirect cost rate for the Federal award:	N/A

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and Escambia County, (hereinafter referred to as the "Sub-Recipient").

For the purposes of this Agreement, the Division serves as the pass-through entity for a Federal award, and the Sub-Recipient serves as the recipient of a subaward.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

A. The Sub-Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein;

B. The State of Florida received these grant funds from the Federal government, and the Division has the authority to subgrant these funds to the Sub-Recipient upon the terms and conditions outlined below; and,

C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Sub-Recipient agree to the following:

(1) APPLICATION OF STATE LAW TO THIS AGREEMENT

2 C.F.R. §200.302 provides: "Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds." Therefore, section 215.971, Florida Statutes, entitled "Agreements funded with federal or state assistance", applies to this Agreement.

(2) LAWS, RULES, REGULATIONS AND POLICIES

a. The Sub-Recipient's performance under this Agreement is subject to 2 C.F.R. Part 200, entitled "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards."

b. As required by Section 215.971(1), Florida Statutes, this Agreement includes:

i. A provision specifying a scope of work that clearly establishes the tasks that the Sub-Recipient is required to perform.

ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.

iii. A provision specifying the financial consequences that apply if the Sub-Recipient fails to perform the minimum level of service required by the agreement.

iv. A provision specifying that the Sub-Recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.

v. A provision specifying that any balance of unobligated funds which has been advanced or paid must be refunded to the Division.

vi. A provision specifying that any funds paid in excess of the amount to which the Sub-Recipient is entitled under the terms and conditions of the agreement must be refunded to the Division.

c. In addition to the foregoing, the Sub-Recipient and the Division shall be governed by all applicable State and Federal laws, rules and regulations, including those identified in Attachment C. Any express reference in this Agreement to a particular statute, rule, or regulation in no way implies that no other statute, rule, or regulation applies.

(3) CONTACT

a. In accordance with section 215.971(2), Florida Statutes, the Division's Grant Manager shall be responsible for enforcing performance of this Agreement's terms and conditions and shall serve as the Division's liaison with the Sub-Recipient. As part of his/her duties, the Grant Manager for the Division shall:

i. Monitor and document Sub-Recipient performance; and,

ii. Review and document all deliverables for which the Sub-Recipient requests payment.

b. The Division's Grant Manager for this Agreement is:

Ms. Susan Harris-Council, Project Manager
FL Division of Emergency Management
2555 Shumard Oak Boulevard
Tallahassee, Florida 32399
Telephone: 850-414-8419
Email:Susan.Harris-Council@em.myflorida.com

c. The name and address of the Representative of the Sub-Recipient responsible for the administration of this Agreement is:

Mr. Harry T. Gibson, Floodplain Administrator
Escambia County
3363 West Park Place
Pensacola, Florida 32505-5250
Telephone: 850-554-2826
Email: htgibson@myescambia.com

d. In the event that different representatives or addresses are designated by either party after execution of this Agreement, notice of the name, title and address of the new representative will be provided to the other party.

(4) TERMS AND CONDITIONS

This Agreement contains all the terms and conditions agreed upon by the parties.

(5) EXECUTION

This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(6) MODIFICATION

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(7) SCOPE OF WORK.

The Sub-Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

(8) PERIOD OF AGREEMENT.

This Agreement shall begin upon execution by both parties and shall end on October 30, 2018, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement. Consistent with the definition of "period of performance" contained in 2 C.F.R. §200.77, the term "period of agreement" refers to the time during which the Sub-Recipient "may incur new obligations to carry out the work authorized under" this Agreement. In accordance with 2 C.F.R. §200.309, the Sub-Recipient may receive reimbursement under this Agreement only for "allowable costs incurred during the period of performance." In accordance with section 215.971(1)(d), Florida Statutes, the Sub-Recipient may expend funds authorized by this Agreement "only for allowable costs resulting from obligations incurred during" the period of agreement.

(9) FUNDING

a. This is a cost-reimbursement Agreement, subject to the availability of funds.

b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either Chapter 216, Florida Statutes, or the Florida Constitution.

c. The Division will reimburse the Sub-Recipient only for allowable costs incurred by the Sub-Recipient in the successful completion of each deliverable. The maximum reimbursement amount for each deliverable is outlined in Attachment A of this Agreement ("Budget and Scope of Work"). The maximum reimbursement amount for the entirety of this Agreement is $721,487.32.

d. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Sub-Recipient, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any

false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

e. The Division will review any request for reimbursement by comparing the documentation provided by the Sub-Recipient against a performance measure, outlined in Attachment A, that clearly delineates:

i. The required minimum acceptable level of service to be performed; and,

ii. The criteria for evaluating the successful completion of each deliverable.

f. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a "performance goal", which is defined in 2 C.F.R. §200.76 as "a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared." It also remains consistent with the requirement, contained in 2 C.F.R. §200.301, that the Division and the Sub-Recipient "relate financial data to performance accomplishments of the Federal award."

g. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for overtime expenses in accordance with 2 C.F.R. §200.430 ("Compensation—personal services") and 2 C.F.R. §200.431 ("Compensation—fringe benefits"). If the Sub-Recipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (*see* 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as "allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages." Fringe benefits are allowable under this Agreement as long as the benefits are reasonable and are required by law, Sub-Recipient-employee agreement, or an established policy of the Sub-Recipient. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

i. They are provided under established written leave policies;

ii. The costs are equitably allocated to all related activities, including Federal awards; and,

iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

h. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for travel expenses in accordance with 2 C.F.R. §200.474. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Sub-

Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes ($6 for breakfast, $11 for lunch, and $19 for dinner), then the Sub-Recipient must provide documentation that:

i. The costs are reasonable and do not exceed charges normally allowed by the Sub-Recipient in its regular operations as a result of the Sub-Recipient's written travel policy; and,

ii. Participation of the individual in the travel is necessary to the Federal award.

i. The Division's grant manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Sub-Recipient.

j. As defined by 2 C.F.R. §200.53, the term "improper payment" means or includes:

i. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,

ii. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

(10)RECORDS

a. As required by 2 C.F.R. §200.336, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Sub-Recipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by 2 C.F.R. §200.331(a)(5), the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Sub-Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by 2 C.F.R. §200.333, the Sub-Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of three (3) years from the date of

submission of the final expenditure report. The following are the only exceptions to the three (3) year requirement:

i. If any litigation, claim, or audit is started before the expiration of the 3-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

ii. When the Division or the Sub-Recipient is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.

iii. Records for real property and equipment acquired with Federal funds must be retained for 3 years after final disposition.

iv. When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the Sub-Recipient.

v. Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.

vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.334, the Federal awarding agency must request transfer of certain records to its custody from the Division or the Sub-Recipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.335, the Division must always provide or accept paper versions of Agreement information to and from the Sub-Recipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303, the Sub-Recipient shall take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or the Division designates as sensitive or the Sub-Recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Sub-Recipient based upon the funds provided under this Agreement, the meetings of the Sub-Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with Chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Sub-Recipient shall maintain all records for the Sub-Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

(11)AUDITS

a. The Sub-Recipient shall comply with the audit requirements contained in 2 C.F.R. Part 200, Subpart F.

b. In accounting for the receipt and expenditure of funds under this Agreement, the Sub-Recipient shall follow Generally Accepted Accounting Principles ("GAAP"). As defined by 2 C.F.R. §200.49, GAAP "has the meaning specified in accounting standards issued by the Government Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB)."

c. When conducting an audit of the Sub-Recipient's performance under this Agreement, the Division shall use Generally Accepted Government Auditing Standards ("GAGAS"). As defined by 2 C.F.R. §200.50, GAGAS, "also known as the Yellow Book, means generally accepted government auditing standards issued by the Comptroller General of the United States, which are applicable to financial audits."

d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Sub-Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty days after the Division has notified the Sub-Recipient of such non-compliance.

e. The Sub-Recipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(h), Florida Statutes, as "an independent certified public accountant licensed under chapter 473." The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Sub-Recipient's fiscal year.

f. The Sub-Recipient shall send copies of reporting packages for audits conducted in accordance with 2 C.F.R. Part 200, by or on behalf of the Sub-Recipient, to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2555 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

g. The Sub-Recipient shall send the Single Audit reporting package and Form SF-SAC to the Federal Audit Clearinghouse by submission online at:

http://harvester.census.gov/fac/collect/ddeindex.html

h. The Sub-Recipient shall send any management letter issued by the auditor to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2555 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

(12)REPORTS

a. Consistent with 2 C.F.R. §200.328, the Sub-Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Sub-Recipient and all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

b. Quarterly reports are due to the Division no later than 30 days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30 and December 31.

c. The close-out report is due 60 days after termination of this Agreement or 60 days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

e. The Sub-Recipient shall provide additional program updates or information that may be required by the Division.

f. The Sub-Recipient shall provide additional reports and information identified in Attachment D.

(13)MONITORING.

a. The Sub-Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement, and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Sub-Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Sub-Recipient is

appropriate, the Sub-Recipient agrees to comply with any additional instructions provided by the Division to the Sub-Recipient regarding such audit. The Sub-Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Sub-Recipient throughout the contract term to ensure timely completion of all tasks.

(14)LIABILITY

a. Unless Sub-Recipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Sub-Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement; as authorized by section 768.28(19), Florida Statutes, Sub-Recipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Sub-Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Sub-Recipient which is a state agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Sub-Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(15)DEFAULT.

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

a. If any warranty or representation made by the Sub-Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Sub-Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. If material adverse changes occur in the financial condition of the Sub-Recipient at any time during the term of this Agreement, and the Sub-Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division;

c. If any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or,

d. If the Sub-Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(16)REMEDIES.

If an Event of Default occurs, then the Division shall, after thirty calendar days written notice to the Sub-Recipient and upon the Sub-Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

a. Terminate this Agreement, provided that the Sub-Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein;

b. Begin an appropriate legal or equitable action to enforce performance of this Agreement;

c. Withhold or suspend payment of all or any part of a request for payment;

d. Require that the Sub-Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

e. Exercise any corrective or remedial actions, to include but not be limited to:

i. Request additional information from the Sub-Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

iii. Advise the Sub-Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

iv. Require the Sub-Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

f. Exercise any other rights or remedies which may be available under law.

Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Sub-Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Sub-Recipient.

(17)TERMINATION.

a. The Division may terminate this Agreement for cause after thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Sub-Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Florida Statutes, as amended.

b. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Sub-Recipient with thirty calendar days prior written notice.

c. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

d. In the event that this Agreement is terminated, the Sub-Recipient will not incur new obligations for the terminated portion of the Agreement after the Sub-Recipient has received the notification of termination. The Sub-Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Sub-Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Sub-Recipient. The Division may, to the extent authorized by law, withhold payments to the Sub-Recipient for the purpose of set-off until the exact amount of damages due the Division from the Sub-Recipient is determined.

(18)PROCUREMENT

a. The Sub-Recipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable federal and state laws and regulations, to include 2 C.F.R. §§200.318 through 200.326 as well as Appendix II to 2 C.F.R. Part 200 (entitled "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards").

b. As required by 2 C.F.R. §200.318(b), the Sub-Recipient shall "maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price."

c. As required by 2 C.F.R. §200.318(i), the Sub-Recipient shall "maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders." In order to demonstrate compliance with this requirement, the Sub-Recipient shall document, in its quarterly report to the Division, the progress of any and all subcontractors performing work under this Agreement.

d. Except for procurements by micro-purchases pursuant to 2 C.F.R. §200.320(a) or procurements by small purchase procedures pursuant to 2 C.F.R. §200.320(b), if the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall forward to the Division a copy of any solicitation (whether competitive or non-competitive) at least fifteen (15) days prior to the publication or communication of the solicitation. The Division shall review the solicitation and provide comments, if any, to the Sub-Recipient within three (3) business days. Consistent with 2 C.F.R. §200.324, the Division will review the solicitation for compliance with the procurement standards outlined in 2 C.F.R. §§200.318 through 200.326 as well as Appendix II to 2 C.F.R. Part 200. Consistent with 2 C.F.R. §200.318(k), the Division will not substitute its judgment for that of the Sub-

Recipient. While the Sub-Recipient does not need the approval of the Division in order to publish a competitive solicitation, this review may allow the Division to identify deficiencies in the vendor requirements or in the commodity or service specifications. The Division's review and comments shall not constitute an approval of the solicitation. Regardless of the Division's review, the Sub-Recipient remains bound by all applicable laws, regulations, and agreement terms. If during its review the Division identifies any deficiencies, then the Division shall communicate those deficiencies to the Sub-Recipient as quickly as possible within the three (3) business day window outlined above. If the Sub-Recipient publishes a competitive solicitation after receiving comments from the Division that the solicitation is deficient, then the Division may:

i. Terminate this Agreement in accordance with the provisions outlined in paragraph 17 above; and,

ii. Refuse to reimburse the Sub-Recipient for any costs associated with that solicitation.

e. Except for procurements by micro-purchases pursuant to 2 C.F.R. §200.320(a) or procurements by small purchase procedures pursuant to 2 C.F.R. §200.320(b), if the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall forward to the Division a copy of any contemplated contract prior to contract execution. The Division shall review the unexecuted contract and provide comments, if any, to the Sub-Recipient within three (3) business days. Consistent with 2 C.F.R. §200.324, the Division will review the unexecuted contract for compliance with the procurement standards outlined in 2 C.F.R. §§200.318 through 200.326 as well as Appendix II to 2 C.F.R. Part 200. Consistent with 2 C.F.R. §200.318(k), the Division will not substitute its judgment for that of the Sub-Recipient. While the Sub-Recipient does not need the approval of the Division in order to execute a subcontract, this review may allow the Division to identify deficiencies in the terms and conditions of the subcontract as well as deficiencies in the procurement process that led to the subcontract. The Division's review and comments shall not constitute an approval of the subcontract. Regardless of the Division's review, the Sub-Recipient remains bound by all applicable laws, regulations, and agreement terms. If during its review the Division identifies any deficiencies, then the Division shall communicate those deficiencies to the Sub-Recipient as quickly as possible within the three (3) business day window outlined above. If the Sub-Recipient executes a subcontract after receiving a communication from the Division that the subcontract is non-compliant, then the Division may:

i. Terminate this Agreement in accordance with the provisions outlined in paragraph 17 above; and,

ii. Refuse to reimburse the Sub-Recipient for any costs associated with that subcontract.

f. The Sub-Recipient agrees to include in the subcontract that (i) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal

laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

g. As required by 2 C.F.R. §200.318(c)(1), the Sub-Recipient shall "maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts."

h. As required by 2 C.F.R. §200.319(a), the Sub-Recipient shall conduct any procurement under this agreement "in a manner providing full and open competition." Accordingly, the Sub-Recipient shall not:

i. Place unreasonable requirements on firms in order for them to qualify to do business;

ii. Require unnecessary experience or excessive bonding;

iii. Use noncompetitive pricing practices between firms or between affiliated companies;

iv. Execute noncompetitive contracts to consultants that are on retainer contracts;

v. Authorize, condone, or ignore organizational conflicts of interest;

vi. Specify only a brand name product without allowing vendors to offer an equivalent;

vii. Specify a brand name product instead of describing the performance, specifications, or other relevant requirements that pertain to the commodity or service solicited by the procurement;

viii. Engage in any arbitrary action during the procurement process; or,

ix. Allow a vendor to bid on a contract if that bidder was involved with developing or drafting the specifications, requirements, statement of work, invitation to bid, or request for proposals.

i. "[E]xcept in those cases where applicable Federal statutes expressly mandate or encourage" otherwise, the Sub-Recipient, as required by 2 C.F.R. §200.319(b), shall not use a geographic preference when procuring commodities or services under this Agreement.

j. The Sub-Recipient shall conduct any procurement involving invitations to bid (i.e. sealed bids) in accordance with 2 C.F.R. §200.320(c) as well as section 287.057(1)(a), Florida Statutes.

k. The Sub-Recipient shall conduct any procurement involving requests for proposals (i.e. competitive proposals) in accordance with 2 C.F.R. §200.320(d) as well as section 287.057(1)(b), Florida Statutes.

l. For each subcontract, the Sub-Recipient shall provide a written statement to the Division as to whether that subcontractor is a minority business enterprise, as defined in Section 288.703,

Florida Statutes. Additionally, the Sub-Recipient shall comply with the requirements of 2 C.F.R. §200.321 ("Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms").

(19)ATTACHMENTS

a. All attachments to this Agreement are incorporated as if set out fully.

b. In the event of any inconsistencies or conflict between the language of this Agreement and the attachments, the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

c. This Agreement has the following attachments:

i. Exhibit 1 - Funding Sources
ii. Attachment A – Budget and Scope of Work
iii. Attachment B – Program Statutes and Regulations
iv. Attachment C – Statement of Assurances
v. Attachment D – Request for Advance or Reimbursement
vi. Attachment E – Justification of Advance Payment
vii. Attachment F – Quarterly Report Form
viii. Attachment G – Warranties and Representations
ix. Attachment H – Certification Regarding Debarment, Suspension, Ineligibility
x. Attachment I – Federal Funding Accountability and Transparency Act
xi. Attachment J – Mandatory Contract Provisions

(20)PAYMENTS

a. Any advance payment under this Agreement is subject to 2 C.F.R. §200.305 and, as applicable, section 216.181(16), Florida Statues. All advances are required to be held in an interest-bearing account. If an advance payment is requested, the budget data on which the request is based and a justification statement shall be included in this Agreement as Attachment E. Attachment E will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment. After the initial advance, if any, payment shall be made on a reimbursement basis as needed.

b. Invoices shall be submitted at least quarterly and shall include the supporting documentation for all costs of the project or services. The final invoice shall be submitted within sixty (60) days after the expiration date of the agreement. An explanation of any circumstances prohibiting the submittal of quarterly invoices shall be submitted to the Division grant manager as part of the Sub-Recipient's quarterly reporting as referenced in Paragraph 7 of this Agreement.

c. If the necessary funds are not available to fund this Agreement as a result of action by the United States Congress, the federal Office of Management and Budgeting, the State Chief Financial Officer or under subparagraph (9)b. of this Agreement, all obligations on the part of the Division to make any further payment of funds shall terminate, and the Sub-Recipient shall submit its closeout report within thirty days of receiving notice from the Division.

(21)REPAYMENTS

a. All refunds or repayments due to the Division under this Agreement are to be made payable to the order of "Division of Emergency Management", and mailed directly to the following address:

Division of Emergency Management
Cashier
2555 Shumard Oak Boulevard
Tallahassee FL 32399-2100

b. In accordance with Section 215.34(2), Florid Statutes, if a check or other draft is returned to the Division for collection, Sub-Recipient shall pay the Division a service fee of $15.00 or 5% of the face amount of the returned check or draft, whichever is greater.

(22)MANDATED CONDITIONS

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Recipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty days written notice to the Sub-Recipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Sub-Recipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Sub-Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of $25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

f. Any Sub-Recipient which is not a local government or state agency, and which receives funds under this Agreement from the federal government, certifies, to the best of its knowledge and belief, that it and its principals:

i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a federal department or agency;

ii. Have not, within a five-year period preceding this proposal been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any offenses enumerated in paragraph 19(g)2. of this certification; and,

iv. Have not within a five-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

g. If the Sub-Recipient is unable to certify to any of the statements in this certification, then the Sub-Recipient shall attach an explanation to this Agreement.

h. **In addition, the Sub-Recipient shall send to the Division (by email or by facsimile transmission) the completed "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" (Attachment G) for each intended subcontractor which Sub-Recipient plans to fund under this Agreement. The form must be received by the Division before the Sub-Recipient enters into a contract with any subcontractor.**

i. The Division reserves the right to unilaterally cancel this Agreement if the Sub-Recipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Florida Statutes, which the Sub-Recipient created or received under this Agreement.

j. If the Sub-Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

k. The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

l. All unmanufactured and manufactured articles, materials and supplies which are acquired for public use under this Agreement must have been produced in the United States as required under 41 U.S.C. 10a, unless it would not be in the public interest or unreasonable in cost.

(23)LOBBYING PROHIBITION

a. 2 C.F.R. §200.450 prohibits reimbursement for costs associated with certain lobbying activities.

b. Section 216.347, Florida Statutes, prohibits "any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency."

c. No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

d. The Sub-Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sub-Recipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in

connection with this Federal contract, grant, loan or cooperative agreement, the Sub-Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

iii. The Sub-Recipient shall require that this certification be included in the award documents for all subawards (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Sub-Recipients shall certify and disclose.

iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(24)COPYRIGHT, PATENT AND TRADEMARK

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUB-RECIPIENT TO THE STATE OF FLORIDA.

a. If the Sub-Recipient has a pre-existing patent or copyright, the Sub-Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Sub-Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Sub-Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Sub-Recipient to the State of Florida.

c. Within thirty days of execution of this Agreement, the Sub-Recipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Sub-Recipient shall retain all rights and entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (b), have the right to all patents and copyrights which accrue during performance of the Agreement.

d. If the Sub-Recipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Sub-Recipient shall become the sole property of the Sub-Recipient. In the case of joint inventions, that is

inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Sub-Recipient, under this Agreement, for Florida government purposes.

(25)LEGAL AUTHORIZATION.

The Sub-Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Sub-Recipient also certifies that the undersigned person has the authority to legally execute and bind Sub-Recipient to the terms of this Agreement.

(26)EQUAL OPPORTUNITY EMPLOYMENT

a. In accordance with 41 C.F.R. §60-1.4(b), the Sub-Recipient hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

i. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

ii. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

iii. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

iv. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

v. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

vi. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

vii. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

b. The Sub-Recipient further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

c. The Sub-Recipient agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

d. The Sub-Recipient further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive order. In addition, the Sub-Recipient agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the Sub-Recipient under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Sub-Recipient; and refer the case to the Department of Justice for appropriate legal proceedings.

(27)COPELAND ANTI-KICKBACK ACT

The Sub-Recipient hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

i. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

ii. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

iii. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(28)CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which

are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(29)CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $150,000, then any such contract must include the following provision:

> Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(30)SUSPENSION AND DEBARMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

> i. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
>
> ii. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
>
> iii. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
>
> iv. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(31)BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

> Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31

U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

(32)CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (a) through (e) of this section.

b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

(33)ASSURANCES.

The Sub-Recipient shall comply with any Statement of Assurances incorporated as Attachment H.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.

EXHIBIT – 1

THE FOLLOWING FEDERAL RESOURCES ARE AWARDED TO THE RECIPIENT UNDER THIS AGREEMENT:

Federal Program: ***Federal Emergency Management Agency: Hazard Mitigation Grant***
Catalog of Federal Domestic Assistance Number: ***97.029***
Amount of Federal Funding: **$721,487.32**

THE FOLOWING COMPLIANCE REQUIREMENTS APPLY TO THE FEDERAL RESOURCES AWARDED UNDER THIS AGREEMENT:

- **2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards**

Commonly Applicable Statutes and Regulations

- **The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 et seq., and Related Authorities**
- **Sections 1361(A) of the National Flood Insurance Act of 1968 (NFIA, or "the Act"), 42 U.S.C. 4104c, as amended by the National Flood Insurance Reform Act of 1994 (NFIRA), Public Law 103-325 and the Bunning-Bereuter-Blumenauer Flood Insurance Reform Act of 2004, Public Law 108-264**
- **31 CFR Part 205 Rules and Procedures for Funds Transfers**

Federal Program:
List applicable compliance requirements as follows:

1. **Recipient is to use funding to perform the following eligible activities:**
   - **Acquisition of hazard prone properties**
2. **Recipient is subject to all administrative and financial requirements as set forth in this Agreement, or will be in violation of the terms of the Agreement.**

NOTE: Section 200.331(a)(1) of 2 C.F.R., as revised, and Section 215.97(5)(a), Florida Statutes, require that the information about Federal Programs and State Projects included on pg. 1 of this sub-grant agreement and in Exhibit 1 be provided to the Sub-recipient.

Attachment A

Budget and Scope of Work

FMA-PJ-04-FL-2015-019

Homeowners: Gary & Leticia Ketcham
Property Address: 5014 Shoshone Dr., Pensacola, Florida

Homeowners: Richard & Lena Loggins
Property Address: 5430 North Shore Road, Pensacola, Florida

Homeowners: Allen & Lyann Carnes
Property Address: 7672 Old Hickory Road, Pensacola, Florida

Homeowners: Allen & Lyann Carnes
Property Address: 7674 Old Hickory Road, Pensacola, Florida (adjacent vacant lot)

STATEMENT OF PURPOSE

The purpose of this Scope of Work (SOW) is to acquire four properties located in Escambia County, Florida; funded through the Flood Mitigation Assistance Grant Program (FMA) **FMA-PJ-04-FL-2015-019** as approved by the Florida Division of Emergency Management (Division) and the Federal Emergency Management Agency (FEMA).

The Sub-Recipient, Escambia County, agrees to administer and complete the project per the scope of work as submitted by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall complete the work in accordance with all applicable Federal, State and Local Laws, Regulations and Codes.

PROJECT OVERVIEW:

As a Flood Mitigation Assistance Grant Program (FMA) project, the Sub-Recipient proposes to acquire four properties located in Escambia County, Florida, 32507.

The scope of work proposes to acquire and demolish three residential properties and acquire one vacant lot. Mitigation activities shall include debris removal, abandoning well and septic tank, disconnection of all utilities and site restoration.

Land shall be converted to open space and the deed restricted as set forth in the FEMA program requirements concerning the acquisition of property for open space [44 CFR 206.434 (e)].

TASKS & DELIVERABLES:

A. Tasks

1) The Sub-Recipient shall procure the services of a qualified and licensed Florida contractor and execute a contract with the selected bidder to complete the scope of work as approved by the Division and FEMA. The Sub-Recipient shall select the qualified, licensed Florida contractor in accordance with the Sub-Recipient's procurement policy as well as all federal and state laws and regulations. All procurement activities shall contain sufficient source documentation and be in accordance with all applicable regulations.

The Sub-Recipient shall be responsible for furnishing or contracting all labor, materials, equipment, tools, transportation and supervision and for performing all work per sealed engineering designs and construction plans presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA.

The Sub-Recipient and contractor shall be responsible for maintaining a safe and secure worksite for the duration of the work. The contractor shall maintain all work staging areas in a neat and presentable condition.

The Sub-Recipient shall ensure that no contractors or subcontractors are debarred or suspended from participating in federally funded projects.

The selected contractor shall have a current and valid occupational license/business tax receipt issued for the type of services being performed.

The Sub-Recipient shall provide documentation demonstrating the results of the procurement process. This shall include a rationale for the method of procurement and selection of contract type, contractor selection and/or rejection and bid tabulation and listing, and the basis of contract price.

The Sub-Recipient shall provide an executed "Debarment, Suspension, Ineligibility, Voluntary Exclusion Form" for each contractor and/or subcontractor performing services under this agreement.

Executed contracts with contractors and/or subcontractors shall be provided to the Division by the Sub-Recipient.

The Sub-Recipient shall provide copies of professional licenses for contractors selected to perform services. The Sub-Recipient shall provide a copy of a current and valid occupational license or business tax receipt issued for the type of services to be performed by selected contractor.

2) The Sub-Recipient shall monitor and manage the acquisition of property subjected to or in danger of repetitive damage. The project shall be implemented in accordance with the approved scope of work previously presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall ensure that all applicable state, local and federal laws and regulations are followed and documented, as appropriate.

The project consists of the general construction and furnishing of all materials, equipment, labor and fees to minimize recurring flooding and reduce repetitive flood loss to structures and roadways.

The Sub-Recipient shall fully perform the approved project, as described in the submitted documents, in accordance with the approved scope of work, budget line item, allocation of funds and applicable terms and conditions indicated herein. The Sub-Recipient shall not deviate from the approved project terms and conditions.

Construction activities shall be completed by a qualified and licensed Florida contractor. All construction activities shall be monitored by a qualified engineer. The Sub-Recipient shall complete the project in accordance with all required permits. All work shall be completed in accordance with applicable codes and standards.

Upon completion of the work, the Sub-Recipient shall schedule and participate in a final inspection of the completed project by the local municipal or county official, or other approving official, as applicable. The official shall inspect and certify that all installation was in accordance with the manufacturer's specifications. Any deficiencies found during this final inspection shall be corrected by the Sub-Recipient prior to Sub-Recipient's submittal of the final inspection request to the Division.

Upon completion of Task 2, the Sub-Recipient shall submit the following documents with sufficient supporting documentation, and provide a summary of all contract scope of work and scope of work changes, if any. Additional documentation for closeout shall include.

a) Local Building Official Inspection Report Local Permits, Certificate of Completion, Lead based paint report and Final Approval, as applicable.

b) Copy of Warranty Deeds

c) Copy of letters issued by the utility companies involved, confirming that all services have been terminated. This may include but is not limited to decommissioning of septic systems and potable water wells, as applicable.

d) Verification that Best Management Practices (BMPs) were implemented including the following:

1. All state, local, and county ordinances shall be followed.
2. Disturbance, demolition, and clearing activities shall be limited to the boundaries of the residential property.
3. Construction activities shall take place between the hours of 7:30 a.m. to 6:30 p.m., during peak hours for ambient noise. No nighttime construction shall occur.
4. All equipment and materials staging and storage areas shall be limited to the boundaries of the residential property.
5. Tree removal is not planned and shall only occur if demolition cannot otherwise be completed.
6. All equipment shall be properly maintained and any applicable noise controls in place.

e) Proof of compliance with Project Requirements and Conditions contained herein.

3) During the course of this agreement, the Sub-Recipient shall submit requests for reimbursement. Adequate and complete source documentation shall be submitted to support all costs (federal share and local share) related to the project. In some cases, all project activities may not be fully complete prior to requesting reimbursement of costs incurred in completion of this scope of work; however, a partial reimbursement may be requested.

The Sub-Recipient shall submit an Affidavit signed by the Sub-Recipient's project personnel with each reimbursement request attesting to the completion of the work, disbursements or payments were made in accordance with all agreement and regulatory conditions, and that reimbursement is due and has not been previously requested.

The Sub-Recipient shall maintain accurate time records. The Sub-Recipient shall ensure invoices are accurate and any contracted services were rendered within the terms and timelines of this agreement. All supporting documentation shall agree with the requested billing period. All costs submitted for reimbursement shall contain adequate source documentation which may include but not be limited to: cancelled checks, bank statements, Electronic Funds Transfer, paid bills and invoices, payrolls, time and attendance records, contract and subcontract award documents.

Construction Expense: The Sub-Recipient shall pre-audit bills, invoices, and/or charges submitted by the contractors and subcontractors and pay the contractors and subcontractors for approved bills, invoices, and/or charges. Sub-Recipient shall ensure that all contractor/subcontractor bills, invoices, and/or charges are legitimate and clearly identify the activities being performed and associated costs.

Project Management Expenses: The Sub-Recipient shall pre-audit source documentation such as payroll records, project time sheets, attendance logs, etc. Documentation shall be detailed information describing tasks performed, hours devoted to each task, and the hourly rate charged for each hour including enough information to calculate the hourly rates based on payroll records. Employee benefits shall be clearly shown.

The Division shall review all submitted requests for reimbursement for basic accuracy of information. Further, the Division shall ensure that no unauthorized work was completed prior to the approved project start date by verifying vendor and contractor invoices. The Division shall verify that reported costs were incurred in the performance of eligible work, that the approved work was completed, and

that the mitigation measures are in compliance with the approved scope of work prior to processing any requests for reimbursement.

Review and approval of any third party in-kind services, if applicable, shall be conducted by the Division in coordination with the Sub-Recipient. Quarterly reports shall be submitted by the Sub-Recipient and received by the Division at the times provided in this agreement prior to the processing of any reimbursement.

The Sub-Recipient shall submit to the Division requests for reimbursement of actual construction and managerial costs related to the project as identified in the project application. The requests for reimbursement shall include:

a) Contractor, subcontractor, and/or vendor invoices which clearly display dates of services performed, description of services performed, location of services performed, cost of services performed, name of service provider and any other pertinent information;

b) Proof of payment from the Sub-Recipient to the contractor, subcontractor, and/or vendor for invoiced services;

c) Clear identification of amount of costs being requested for reimbursement as well as costs being applied against the local match amount;

The Sub-Recipient's final request for reimbursement shall include the final construction project cost. Supporting documentation shall show that all contractors and subcontractors have been paid.

B) Deliverables

Mitigation activities consist of acquiring and demolishing three residential properties and acquiring one vacant lot located in Escambia County, Florida and include debris removal, abandoning well and septic tank, disconnection of all utilities and site restoration.

Land shall be converted to open space and the deed restricted as set forth in the FEMA program requirements concerning the acquisition of property for open space [44 CFR 206.434 (e)].

Provided the Sub-Recipient performs in accordance with the Scope of Work outlined in this Agreement, the Division shall reimburse the Sub-Recipient based on the percentage of overall project completion.

PROJECT CONDITIONS AND REQUIREMENTS:

C) Engineering

1) The Sub-Recipient shall submit to the Division an official letter stating that the project is 100% complete and ready for the Division's Final Inspection of the project.

2) The Sub-Recipient shall provide a copy of the Notice of commencement, and any local official Inspection Report and/or Final approval, as applicable.

3) The Sub-Recipient should submit a copy of the Warranty Deeds.

The Sub-Recipient shall provide a copy of any letters issued by the utility companies involved, confirming that all services have been terminated. This may include, but is not limited to, decommissioning of septic systems and potable water wells as applicable.

D) Environmental:

1) Sub-Recipient shall follow all applicable state, local and federal laws, regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure

to obtain all appropriate Federal, State, and Local environmental permits and clearances may jeopardize federal funding. If project work is delayed for a year or more after the date of the categorical exclusion (CATEX), then coordination with and project review by regulatory agencies must be redone

2) Any change, addition or supplement to the approved Scope of Work that alters the project (including other work not funded by FEMA, but done substantially at the same time), regardless of the budget implications, shall require resubmission to the Division and FEMA for National Environmental Protection Act (NEPA) re-evaluation before starting project work.

3) The Sub-Recipient shall monitor ground disturbing activities during construction, and if any potential archeological resources are discovered, shall immediately cease construction in that area and notify the Division and FEMA.

   If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the project shall cease all activities involving subsurface disturbance in the immediate vicinity of the discovery. The Sub-Recipient shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section at (850-245-6333), and the Division's State Environmental Officer within 24 hours of the discovery. Project activities shall not resume without verbal and/or written authorization from the SHPO, the Division, and FEMA.

   In the event that unmarked human remains are encountered during permitted activities, all work shall stop immediately and the proper authorities notified in accordance with ***Florida Statutes, Section 872.05***.

4) The following Best Management Practices (BMPs) shall be used during project work activities:

   a. All state, local, and county ordinances shall be followed.
   b. Disturbance, demolition, and clearing activities shall be limited to the boundaries of the residential property;
   c. Construction activities shall take place between the hours of 7:30 a.m. to 6:30 p.m., during peak hours for ambient noise. No nighttime construction shall occur.
   d. All equipment and material staging areas shall be limited to the boundaries of the residential property.
   e. Tree removal is not planned and shall only occur if demolition cannot otherwise be completed.
   f. All equipment shall be properly maintained and any applicable noise controls in place.

5) Construction vehicles and equipment used for this project shall be maintained in good working order to minimize pollutant emissions.

E. **Programmatic:**

1) A change in the scope of work *must* be approved by the Division and FEMA in advance regardless of the budget implications.

2) The Sub-Recipient must notify the Division as soon as significant developments becomes known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower costs or earlier completion.

3) The Sub-Recipient must "obtain prior written approval for any budget revision which would result in a need for additional funds" [44 CFR 13(c)], from the Division and FEMA.

4) Any extension of the Period of Performance shall be submitted to FEMA, 60 days prior to the expiration date. Therefore, any request for a Period of Performance Extension shall be in writing and submitted along with substantiation of new expiration date, and a new schedule of work, to the Division a minimum of seventy (70) days prior to the expiration date, for Division processing to FEMA.

5) The Sub-Recipient must avoid duplication of benefits between the FMAP and any other form of assistance, as required by Section 312 of the Stafford Act, and further clarification in 44 CFR 206.191.

6) If the Sub-Recipient is not the current title holder of the affected properties, the Sub-Recipients shall provide documentation confirming the property acquisition and easement rights were obtained voluntarily. If condemnation or eminent domain is used to obtain easement rights, FEMA shall not pay for any associated costs or payments to the property owner. Furthermore, FEMA shall not consider it an eligible contribution to the non-Federal cost share requirement and shall not financially participate in that component of a project if land or easements are obtained involuntarily.

FINANCIAL CONSEQUENCES:

If the Sub-Recipient fails to comply with any term of the award, the Division shall take one or more of the following actions, as appropriate in the circumstances:

1) Temporarily withhold cash payments pending correction of the deficiency by the Sub-Recipient;

2) Disallow all or part of the cost of the activity or action not in compliance;

3) Wholly or partly suspend or terminate the current award for the Sub-Recipient's program;

4) Withhold further awards for the program; or

5) Take other remedies that may be legally available.

Attachment B

Program Statutes and Regulations

The parties to this Agreement and the Hazard Mitigation Grant Program (HMGP) are generally governed by the following statutes and regulations:

(1) The Robert T. Stafford Disaster Relief and Emergency Assistance Act;

(2) 44 CFR Parts 7, 9, 10, 13, 14, 17, 18, 25, 206, 220, and 221, and any other applicable FEMA policy memoranda and guidance documents;

(3) State of Florida Administrative Plan for the Hazard Mitigation Grant Program;

(4) Hazard Mitigation Assistance Guidance- February 27, 2015 Update; and

(5) All applicable laws and regulations delineated in Attachment C of this Agreement.

In addition to the above statutes and regulations, the Sub-recipient must comply with the following:

The Sub-recipient shall fully perform the approved hazard mitigation project, as described in the Application and Attachment A (Budget and Scope of Work) attached to this Agreement, in accordance with approved scope of work indicated therein, the estimate of costs indicated therein, the allocation of funds indicated therein, and the terms and conditions of this Agreement. The Sub-recipient shall not deviate from the approved project and the terms and conditions of this Agreement. The Sub-recipient shall comply with any and all applicable codes and standards in performing work funded under this Agreement, and shall provide any appropriate maintenance and security for the project.

Any development permit issued by, or development activity undertaken by, the Sub-recipient and any land use permitted by or engaged in by the Sub-recipient, shall be consistent with the local comprehensive plan and land development regulations prepared and adopted pursuant to Chapter 163, Part II, Florida Statutes. Funds shall be expended for, and development activities and land uses authorized for, only those uses which are permitted under the comprehensive plan and land development regulations. The Sub-recipient shall be responsible for ensuring that any development permit issued and any development activity or land use undertaken is, where applicable, also authorized by the Water Management District, the Florida Department of Environmental Protection, the Florida Department of Health, the Florida Game and Fish Commission, and any Federal, State, or local environmental or land use permitting authority, where required. The Sub-recipient agrees that any repair or construction shall be in accordance with applicable standards of safety, decency, and sanitation, and in conformity with applicable codes, specifications and standards.

The Sub-recipient will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the completed work conforms with the approved plans and specifications and will furnish progress reports and such other information to HMGP as may be required.

If the hazard mitigation project described in Attachment A includes an acquisition or relocation project, than the Sub-recipient shall ensure that, as a condition of funding under this Agreement, the owner of the affected real property shall record in the public records of the county where it is located the following covenants and restrictions, which shall run with and apply to any property acquired, accepted, or from which a structure will be removed pursuant to the project.

(1) The property will be dedicated and maintained in perpetuity for a use that is compatible with open space, recreational, or wetlands management practices;

(2) No new structure will be erected on property other than:
    a. a public facility that is open on all sides and functionally related to a designed open space;
    b. a restroom; or

(3) A structure that the Director of the Federal Emergency Management Agency approves in writing before the commencement of the construction of the structure;

(4) After the date of the acquisition or relocation no application for disaster assistance for any purpose will be made to any Federal entity and no disaster assistance will be provided for the property by any Federal source; and

(5) If any of these covenants and restrictions is violated by the owner or by some third party with the knowledge of the owner, fee simple title to the Property described herein shall be conveyed to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida without further notice to the owner, its successors and assigns, and the owner, its successors and assigns shall forfeit all right, title and interest in and to the property.

HMGP Contract Manager will evaluate requests for cost overruns and submit to the regional Director written determination of cost overrun eligibility. Cost overruns shall meet Federal regulations set forth in 44 CFR 206.438(b).

The National Environmental Policy Act (NEPA) stipulates that additions or amendments to a HMGP Sub-recipient Scope of Work (SOW) shall be reviewed by all State and Federal agencies participating in the NEPA process.

As a reminder, the Sub-recipient must obtain prior approval from the State, before implementing changes to the approved project Scope of Work (SOW). Per the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments:

(1) For Construction projects, the grantee must "obtain prior written approval for any budget revision which result in a need for additional funds" (44 CFR 13(c));

(2) A change in the Scope of Work must be approved by FEMA in advance regardless of the budget implications; and

(3) The Sub-recipient must notify the State as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower cost or earlier completion. Any extensions of the period of performance must be submitted to FEMA sixty days prior to the project expiration date.

STATEMENT OF ASSURANCES

The Sub-recipient assures that it will comply with the following statutes and regulations to the extent applicable:

(1) 53 Federal Register 8034
(2) Federal Acquisition Regulations 31.2
(3) Section 1352, Title 31, US Code
(4) Chapter 473, Florida Statutes
(5) Chapter 215, Florida Statutes
(6) Section 768.28, Florida Statutes
(7) Chapter 119, Florida Statutes
(8) Section 216.181(6), Florida Statutes
(9) Cash Management Improvement Act Of 1990
(10) American with Disabilities Act

(11)Section 112.061, Florida Statutes
(12)Immigration and Nationality Act
(13)Section 286.011, Florida Statues
(14)E.O. 12372 and Uniform Administrative Requirements for Grants and Cooperative Agreements 28 CFR, Part 66, Common Rule
(15)Uniform Relocation Assistance and Real Property Acquisitions Act of 1970
(16)Title I of the Omnibus Crime Control and Safe Streets Act of 1968
(17)Juvenile Justice and Delinquency Prevention Act, or the Victims of Crime Act
(18)Omnibus Crime Control and Safe Streets Act of 1968, as amended
(19)42 U.S.C. 3789(d) or Victims of Crime Act (as appropriate)
(20)Section 504 of the Rehabilitation Act of 1973, as amended
(21)Subtitle A, Title II of the Americans with Disabilities Act (ADA) (1990)
(22)Department of Justice regulations on disability discrimination, 28 CFR, Part 35 and Part 39
(23)42 U.S.C. 5154a

Attachment C

Statement of Assurances

To the extent the following provisions apply to this Agreement, the Sub-recipient certifies that:

(a) It possesses legal authority to enter into this Agreement and to carry out the proposed program;

(b) Its governing body has duly adopted or passed as an official act of resolution, motion or similar action authorizing the execution of the hazard mitigation agreement with the Division of Emergency Management (DEM), including all understandings and assurances contained in it, and directing and authorizing the Sub-recipient's chief administrative officer or designee to act in connection with the application and to provide such additional information as may be required;

(c) No member of or delegate to the Congress of the United States, and no Resident Commissioner, shall receive any share or part of this Agreement or any benefit. No member, officer, or employee of the Sub-recipient or its designees or agents, no member of the governing body of the locality in which this program is situated, and no other public official of the locality or localities who exercises any functions or responsibilities with respect to the program during his tenure or for one year after, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds, for work be performed in connection with the program assisted under this Agreement. The Sub-recipient shall incorporate, in all contracts or subcontracts a provision prohibiting any interest pursuant to the purpose stated above;

(d) All Sub-recipient contracts for which the State Legislature is in any part a funding source, shall contain language to provide for termination with reasonable costs to be paid by the Sub-recipient for eligible contract work completed prior to the date the notice of suspension of funding was received by the Sub-recipient. Any cost incurred after a notice of suspension or termination is received by the Sub-recipient may not be funded with funds provided under this Agreement unless previously approved in writing by the Division. All Sub-recipient contracts shall contain provisions for termination for cause or convenience and shall provide for the method of payment in such event;

(e) It will comply with:

(1) Contract Work Hours and Safety Standards Act of 1962, 40 U.S.C. 327 et seq., requiring that mechanics and laborers (including watchmen and guards) employed on federally assisted contracts be paid wages of not less than one and one-half times their basic wage rates for all hours worked in excess of forty hours in a work week; and

(2) Federal Fair Labor Standards Act, 29 U.S.C. Section 201 et seq., requiring that covered employees be paid at least minimum prescribed wage, and also that they be paid one and one-half times their basic wage rates for all hours worked in excess of the prescribed work-week.

(f) It will comply with

(1) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), and the regulations issued pursuant thereto, which provides that no person in the United States shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Sub-recipient received Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Sub-

recipient, this assurance shall obligate the Sub-recipient, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits;

(2) Any prohibition against discrimination on the basis of age under the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101-6107) which prohibits discrimination on the basis of age or with respect to otherwise qualifies handicapped individuals as provided in Section 504 of the Rehabilitation Act of 1973;

(3) Executive Order 11246, as amended by Executive Orders 11375 and 12086, and the regulations issued pursuant thereto, which provide that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of federal or federally assisted construction contracts; affirmative action to insure fair treatment in employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff/termination, rates of pay or other forms of compensation; and election for training and apprenticeship;

(g) It will establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties pursuant to Section 112.313 and Section 112.3135, Florida Statutes;

(h) It will comply with the Anti-Kickback Act of 1986, 41 U.S.C. Section 51 which outlaws and prescribes penalties for "kickbacks" of wages in federally financed or assisted construction activities;

(i) It will comply with the provisions of 18 U.S.C. 594, 598, 600-605 (further known as the Hatch Act) which limits the political activities of employees;

(j) It will comply with the flood insurance purchase and other requirements of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 4002-4107, including requirements regarding the purchase of flood insurance in communities where such insurance is available as a condition for the receipt of any Federal financial assistance for construction or acquisition purposes for use in any area having special flood hazards. The phrase "Federal financial assistance" includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance;

For sites located within Special Flood Hazard Areas (SFHA), the Sub-recipient must include a FEMA Model Acknowledgement of Conditions of Mitigation of Property in a Special Flood Hazard Area with FEMA Grant Funds executed by the title holder with the closeout request verifying that certain SFHA requirements were satisfied on each of the properties. The Model Acknowledgement can be found at www.fema.gov/governmenta/grant/sfha_conditions.shtm

(k) It will require every building or facility(other than a privately owned residential structure) designed, constructed, or altered with funds provided under this Agreement to comply with the "Uniform Federal Accessibility Standards," (AS) which is Appendix A to 41 CFR Section 101-19.6 for general type buildings and Appendix A to 24 CFR, Part 40 for residential structures. The Sub-recipient will be responsible for conducting inspections to ensure compliance with these specifications by the contractor;

(l) It will, in connection with its performance of environmental assessments under the National Environmental Policy Act of 1969, comply with Section 106 of the National Historic Preservation Act of 1966 (U.S.C. 470), Executive Order 11593, 24 CFR, Part 800, and the Preservation of Archaeological and Historical Data Act of 1966 (16 U.S.C. 469a-1, et seq.) by:

(1) Consulting with the State Historic Preservation Office to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 CFR, Section 800.8) by the proposed activity; and

(2) Complying with all requirements established by the State to avoid or mitigate adverse effects upon such properties.

(3) Abiding by the terms and conditions of the **"Programmatic Agreement Among the Federal Emergency Management Agency, the Florida State Historic Preservation Office, the Florida Division of Emergency Management and the Advisory Council on Historic Preservation, (PA)"** which addresses roles and responsibilities of Federal and State entities in implementing Section 106 of the National Historic Preservation Act (NHPA), 16 U.S.C. 470(f), and implementing regulations in 36 CFR, Part 800.

(4) When any of the Sub-recipient's projects funded under this Agreement may affect a historic property, as defined in 36 CFR, Part 800 (2)(e), the Federal Emergency Management Agency (FEMA) may require the Sub-recipient to review the eligible scope of work in consultation with the State Historic Preservation Office (SHPO) and suggest methods of repair or construction that will conform with the recommended approaches set out in the **Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings 1992 (Standards),** the **Secretary of the Interior's Guidelines for Archeological Documentation (Guidelines)** (48 Federal Register 44734-37), or any other applicable Secretary of Interior standards. If FEMA determines that the eligible scope of work will not conform with the **Standards**, the Sub-recipient agrees to participate in consultations to develop, and after execution by all parties, to abide by, a written agreement that establishes mitigation and recondition measures, including but not limited to, impacts to archeological sites, and the salvage, storage, and reuse of any significant architectural features that may otherwise be demolished.

(5) The Sub-recipient agrees to notify FEMA and the Division if any project funded under this Agreement will involve ground disturbing activities, including, but not limited to: subsurface disturbance; removal of trees; excavation of footings and foundations, and installation of utilities (such as water, sewer, storm drains, electrical, gas, leach lines and septic tanks) except where these activities are restricted solely to areas previously disturbed by the installation, replacement or maintenance of such utilities. FEMA will request the SHPO's opinion on the potential that archeological properties may be present and be affected by such activities. The SHPO will advise the Sub-recipient on any feasible steps to be accomplished to avoid any National Register eligible archeological property or will make recommendations for the development of a treatment plan for the recovery or archeological data from the property.

If the Sub-recipient is unable to avoid the archeological property, develop, in consultation with SHPO, a treatment plan consistent with the **Guidelines** and take into account the Advisory Council on Historic Preservation (Council) publication "Treatment of Archeological Properties". The Sub-recipient shall forward information regarding the treatment plan to FEMA, the SHPO and the Council for review. If the SHPO and the Council do not object within 15 calendar days of receipt of the treatment plan, FEMA may direct the Sub-recipient to implement the treatment plan. If either the Council or the SHPO object, Sub-recipient shall not proceed with the project until the objection is resolved.

(6) The Sub-recipient shall notify the Division and FEMA as soon as practicable: (a) of any changes in the approved scope of work for a National Register eligible or listed property; (b) of all changes to a project that may result in a supplemental DSR or modify a HMGP project for a National Register eligible or listed property; (c) if it appears that a project funded under this Agreement will affect a previously unidentified property that may be eligible for inclusion in the National Register or affect a known historic property in an unanticipated manner. The Sub-recipient acknowledges that FEMA may require the Sub-

recipient to stop construction in the vicinity of the discovery of a previously unidentified property that may eligible for inclusion in the National Register or upon learning that construction may affect a known historic property in an unanticipated manner. The Sub-recipient further acknowledges that FEMA may require the Sub-recipient to take all reasonable measures to avoid or minimize harm to such property until FEMA concludes consultation with the SHPO. The Sub-recipient also acknowledges that FEMA will require, and the Sub-recipient shall comply with, modifications to the project scope of work necessary to implement recommendations to address the project and the property.

(7) The Sub-recipient acknowledges that, unless FEMA specifically stipulates otherwise, it shall not receive funding for projects when, with intent to avoid the requirements of the PA or the NHPA, the Sub-recipient intentionally and significantly adversely affects a historic property, or having the legal power to prevent it, allowed such significant adverse affect to occur.

(m) It will comply with Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683 and 1685-1686) which prohibits discrimination on the basis of sex;

(n) It will comply with the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, (42 U.S.C. 4521-45-94) relating to nondiscrimination on the basis of alcohol abuse or alcoholism;

(o) It will comply with 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;

(p) It will comply with Lead-Based Paint Poison Prevention Act (42 U.S.C. 4821 et seq.) which prohibits the use of lead based paint in construction of rehabilitation or residential structures;

(q) It will comply with the Energy Policy and Conservation Act (P.L. 94-163; 42 U.S.C. 6201-6422), and the provisions of the State Energy Conservation Plan adopted pursuant thereto;

(r) It will comply with the Laboratory Animal Welfare Act of 1966, (7 U.S.C. 2131-2159), pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by an award of assistance under this Agreement;

(s) It will comply with Title VIII of the Civil Rights Act of 1968, (42 U.S.C 2000c and 42 U.S.C. 3601-3619), as amended, relating to non-discrimination in the sale, rental, or financing of housing, and Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color or national origin;

(t) It will comply with the Clean Air Act of 1955, as amended, 42 U.S.C. 7401-7642;

(u) It will comply with the Clean Water Act of 1977, as amended, 42 U.S.C. 7419-7626

(v) It will comply with the endangered Species Act of 1973, 16 U.S.C. 1531-1544;

(w) It will comply with the Intergovernmental Personnel Act of 1970, 42 U.S.C. 4728-4763;

(x) It will assist the awarding agency in assuring compliance with the National Historic Preservation Act of 1966, as amended, 16 U.S.C. 270;

(y) It will comply with environmental standards which may be prescribed pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4321-4347;

(z) It will assist the awarding agency in assuring compliance with the Preservation of Archeological and Historical Preservation Act of 1966, 16 U.S.C. 469a, et seq.;

(aa) It will comply with the Rehabilitation Act of 1973, Section 504, 29 U.S.C. 794, regarding non-discrimination;

(bb) It will comply with the environmental standards which may be prescribed pursuant to the Safe Drinking Water Act of 1974, 42 U.S.C. 300f-300j, regarding the protection of underground water sources;

(cc) It will comply with the requirements of Titles II and III of the Uniform Relocation Assistance and Property Acquisition Policies Act of 1970, 42 U.S.C. 4621-4638, which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or Federally assisted programs;

(dd) It will comply with the Wild and Scenic Rivers Act of 1968, 16 U.S.C. 1271-1287, related to protecting components or potential components of the national wild and scenic rivers system;

(ee) It will comply with the following Executive Orders: EO 11514 (NEPA); EO 11738 (violating facilities); EO 11988 (Floodplain Management); EO 11990 (Wetlands); and EO 12898 (Environmental Justice);

(ff) It will comply with the Coastal Barrier Resources Act of 1977, 16 U.S.C. 3510;

(gg) It will assure project consistency with the approved State program developed under the Coastal Zone Management Act of 1972, 16 U.S.C. 1451-1464; and

(hh) It will comply with the Fish and Wildlife Coordination Act of 1958, 16 U.S.C. 661-666.

(ii) With respect to demolition activities, it will:

(1) Create and make available documentation sufficient to demonstrate that the Sub-recipient and its demolition contractor have sufficient manpower and equipment to comply with the obligations as outlined in this Agreement.

(2) Return the property to its natural state as though no improvements had ever been contained thereon.

(3) Furnish documentation of all qualified personnel, licenses and all equipment necessary to inspect buildings located in the Sub-recipient's jurisdiction to detect the presence of asbestos and lead in accordance with requirements of the U.S. Environmental Protection Agency, the Florida Department of Environmental Protection and the County Health Department.

(4) Provide documentation of the inspection results for each structure to indicate:
   a. Safety Hazard Present
   b. Health Hazards Present
   c. Hazardous Materials Present

(5) Provide supervision over contractors or employees employed by the Sub-recipient to remove asbestos and lead from demolished or otherwise applicable structures.

(6) Leave the demolished site clean, level and free of debris.

(7) Notify the Division promptly of any unusual existing condition which hampers the contractor's work.

(8) Obtain all required permits.

(9) Provide addresses and marked maps for each site where water wells and septic tanks are to be closed along with the number of wells and septic tanks located on each site. Provide documentation of closures.

(10) Comply with mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

(11) Comply with all applicable standards, orders, or requirements issued under Section 112 and 306 of the Clean Air Act (42 U.S.C. 1857h), Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and the U.S. Environmental Protection Agency regulations (40 CFR, Part 15 and 61). This clause shall be added to any subcontracts.

(12) Provide documentation of public notices for demolition activities.

FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT INSTRUCTIONS AND WORKSHEET

PURPOSE: The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of this legislation is to empower every American with the ability to hold the government accountable for each spending decision. The FFATA legislation requires information on federal awards (federal assistance and expenditures) be made available to the public via a single, searchable website, which is http://www.usaspending.gov/.

The FFATA Sub-award Reporting System (FSRS) is the reporting tool the Florida Division of Emergency Management ("FDEM" or "Division") must use to capture and report sub-award and executive compensation data regarding first-tier sub-awards that obligate $25,000 or more in Federal funds (excluding Recovery funds as defined in section 1512(a) (2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5).

Note: This "Instructions and Worksheet" is meant to explain the requirements of the FFATA and give clarity to the FFATA Form distributed to sub-awardees for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

ORGANIZATION AND PROJECT INFORMATION

The following information must be provided to the FDEM prior to the FDEM's issuance of a sub-award (Agreement) that obligates $25,000 or more in federal funds as described above. Please provide the following information and return the signed form to the Division as requested.

PROJECT #: FMA-PJ-04-FL-2015-019

FUNDING AGENCY: Federal Emergency Management Agency

AWARD AMOUNT: $721,487.32

OBLIGATION/ACTION DATE: September 21, 2016

SUBAWARD DATE (if applicable): _____

EXECUTIVE COMPENSATION INFORMATION:

1. 1. In your business or organization's previous fiscal year, did your business or organization (including parent organization, all branches, and all affiliates worldwide) receive (a) 80 percent or more of your

annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act, as defined at 2 CFR 170.320; , (b) $25,000,000 or more in annual gross revenues from U.S. Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act?

Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Does the public have access to information about the compensation of the executives in your business or organization (including parent organization, all branches, and all affiliates worldwide) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) Section 6104 of the Internal Revenue Code of 1986?

   Yes ☐ No ☐

If the answer to Question 2 is "Yes," move to the signature block below to complete the certification and submittal process. [Note: Securities Exchange Commission information should be accessible at http//www.sec.gov/answers/execomp.htm. Requests for Internal Revenue Service (IRS) information should be directed to the local IRS for further assistance.]

If the answer to Question 2 is "No" FFATA reporting is required. Provide the information required in the "TOTAL COMPENSATION CHART FOR MOST RECENTLY COMPLETED FISCAL YEAR" appearing below to report the "Total Compensation" for the five (5) most highly compensated "Executives", in rank order, in your organization. For purposes of this request, the following terms apply as defined in 2 CFR Ch. 1 Part 170 Appendix A:

"Executive" is defined as "officers, managing partners, or other employees in management positions".

"Total Compensation" is defined as the cash and noncash dollar value earned by the executive during the most recently completed fiscal year and includes the following:

i. Salary and bonus.

ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.

iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax-qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

Mandatory Contract Provisions

Provisions:

Any contract or subcontract funded by this Agreement must contain the applicable provisions outlined in Appendix II to 2 C.F.R. Part 200. It is the responsibility of the sub-recipient to include the required provisions. The Division provides the following list of sample provisions that may be required:

OMB Guidance **Pt. 200, App. II**

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141–3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701–3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

(I) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(J) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any

other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(K) See §200.322 Procurement of recovered materials.

APPENDIX III TO PART 200—INDIRECT (F&A) COSTS IDENTIFICATION AND ASSIGNMENT, AND RATE DETERMINATION FOR INSTITUTIONS OF HIGHER EDUCATION (IHEs)

A. GENERAL

This appendix provides criteria for identifying and computing indirect (or indirect (F&A)) rates at IHEs (institutions). Indirect (F&A) costs are those that are incurred for common or joint objectives and therefore cannot be identified readily and specifically with a particular sponsored project, an instructional activity, or any other institutional activity. See subsection B.1, Definition of Facilities and Administration, for a discussion of the components of indirect (F&A) costs.

1. Major Functions of an Institution

Refers to instruction, organized research, other sponsored activities and other institutional activities as defined in this section:

a. *Instruction* means the teaching and training activities of an institution. Except for research training as provided in subsection b, this term includes all teaching and training activities, whether they are offered for credits toward a degree or certificate or on a non-credit basis, and whether they are offered through regular academic departments or separate divisions, such as a summer school division or an extension division. Also considered part of this major function are departmental research, and, where agreed to, university research.

(1) *Sponsored instruction and training* means specific instructional or training activity established by grant, contract, or cooperative agreement. For purposes of the cost principles, this activity may be considered a major function even though an institution's accounting treatment may include it in the instruction function.

(2) *Departmental research* means research, development and scholarly activities that are not organized research and, consequently, are not separately budgeted and accounted for. Departmental research, for purposes of this document, is not considered as a major function, but as a part of the instruction function of the institution.

b. *Organized research* means all research and development activities of an institution that are separately budgeted and accounted for. It includes:

(1) *Sponsored research* means all research and development activities that are sponsored by Federal and non-Federal agencies and organizations. This term includes activities involving the training of individuals in research techniques (commonly called research training) where such activities utilize the same facilities as other research and development activities and where such activities are not included in the instruction function.

(2) *University research* means all research and development activities that are separately budgeted and accounted for by the institution under an internal application of institutional funds. University research, for purposes of this document, must be combined with sponsored research under the function of organized research.

c. *Other sponsored activities* means programs and projects financed by Federal and non-Federal agencies and organizations which involve the performance of work other than instruction and organized research. Examples of such programs and projects are health service projects and community service programs. However, when any of these activities are undertaken by the institution without outside support, they may be classified as other institutional activities.

d. *Other institutional activities* means all activities of an institution except for instruction, departmental research, organized research, and other sponsored activities, as defined in this section; indirect (F&A) cost activities identified in this Appendix paragraph B, Identification and assignment of indirect (F&A) costs; and specialized services facilities described in §200.468 Specialized service facilities of this Part.

Examples of other institutional activities include operation of residence halls, dining halls, hospitals and clinics, student unions, intercollegiate athletics, bookstores, faculty housing, student apartments, guest houses, chapels, theaters, public museums, and other similar auxiliary enterprises. This definition also includes any other categories of activities, costs of which are "unallowable" to Federal awards, unless otherwise indicated in an award.

2. Criteria for Distribution

a. *Base period.* A base period for distribution of indirect (F&A) costs is the period during which the costs are incurred. The base period normally should coincide with the fiscal year established by the institution, but in any event the base period should be so selected as to avoid inequities in the distribution of costs.

b. *Need for cost groupings.* The overall objective of the indirect (F&A) cost allocation process is to distribute the indirect (F&A) costs described in Section B, Identification and assignment of indirect (F&A) costs, to

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12169 **County Administrator's Report 12. 17.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 05/25/2017
Issue: State of Florida, Division of Emergency Management, Federally-Funded Subgrant Agreement - Flood Mitigation Assistance Grant
From: Tim Tolbert, Building Official/Department Director
Organization: Building Services
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Federally-Funded Subaward and Grant Agreement Regarding the Escambia County Elevation Project - Tim Tolbert, CBO, Building Services Department Director

That the Board take the following action concerning the Federally-Funded Subaward and Grant Agreement regarding the Escambia County Elevation Project:

A. Approve the Federally-Funded Subaward and Grant Agreement between Escambia County and the State of Florida, Division of Emergency Management, regarding the Escambia County Elevation Project, providing Escambia County funding in the amount of $459,764.29, through the Federal Flood Mitigation Assistance Grant Program, Project Number FMA-PJ-04-FL-2015-020, for mitigation of repetitive loss properties in Escambia County; and

B. Authorize the Chairman to sign the Agreement.

BACKGROUND:

The State of Florida Division of Emergency Management distributes grants for the mitigation of repetitive losses. The State issues these funds to counties as subgrant recipients to be used for prevention of repetitive loss. Escambia County, as a participant in the National Flood Insurance Program ("NFIP"), was qualified and eligible to receive these grant funds for the locations specified under the Agreement. The grant fund will be administered by a DEM approved third party pursuant to the Agreement.

BUDGETARY IMPACT:

There is no budgetary impact to Escambia County as this DEM Subgrant is federally funded and includes a cost share by each recipient. Any administration fees are also paid from the funds.

LEGAL CONSIDERATIONS/SIGN-OFF:

This Agreement has been reviewed and approved as to form and legal sufficiency by Bobbie Ellis-Wiggins, Assistant County Attorney.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

The Board requires its approval of Agreements.

IMPLEMENTATION/COORDINATION:

Upon final approval by the Board and the State, Escambia County Building Services Department will coordinate with the State of Florida and the approved third party administrator regarding the projects.

FEDERALLY-FUNDED SUBAWARD AND GRANT AGREEMENT

2 C.F.R. §200.92 states that a "subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract."

As defined by 2 C.F.R. §200.74, "pass-through entity" means "a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program."

As defined by 2 C.F.R. §200.93, "Sub-Recipient" means "a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program."

As defined by 2 C.F.R. §200.38, "Federal award" means "Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity."

As defined by 2 C.F.R. §200.92, "subaward" means "an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity."

The following information is provided pursuant to 2 C.F.R. §200.331(a)(1):

Sub-Recipient's name:	Escambia County
Sub-Recipient's unique entity identifier:	59-6000598
Federal Award Identification Number (FAIN):	EMA-2016-FM-E001
Federal Award Date:	September 21, 2016
Subaward Period of Performance Start and End Date:	09/21/2016–10/30/2018
Amount of Federal Funds Obligated by this Agreement:	$459,764.29
Total Amount of Federal Funds Obligated to the Sub-Recipient by the pass-through entity to include this Agreement:	$459,764.29
Total Amount of the Federal Award committed to the Sub-Recipient by the pass-through entity:	$459,764.29
Federal award project description (see FFATA):	Acquisition and Demolition
Name of Federal awarding agency:	Federal Emergency Management Agency
Name of pass-through entity:	FL Division of Emergency Management
Contact information for the pass-through entity:	Susan Harris-Council, Project Manager
Catalog of Federal Domestic Assistance (CFDA) Number and Name:	97.029 – Flood Mitigation Assistance
Whether the award is R&D:	N/A
Indirect cost rate for the Federal award:	N/A

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and Escambia County, (hereinafter referred to as the "Sub-Recipient").

For the purposes of this Agreement, the Division serves as the pass-through entity for a Federal award, and the Sub-Recipient serves as the recipient of a subaward.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

A. The Sub-Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein;

B. The State of Florida received these grant funds from the Federal government, and the Division has the authority to subgrant these funds to the Sub-Recipient upon the terms and conditions outlined below; and,

C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Sub-Recipient agree to the following:

(1) APPLICATION OF STATE LAW TO THIS AGREEMENT

2 C.F.R. §200.302 provides: "Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds." Therefore, section 215.971, Florida Statutes, entitled "Agreements funded with federal or state assistance", applies to this Agreement.

(2) LAWS, RULES, REGULATIONS AND POLICIES

a. The Sub-Recipient's performance under this Agreement is subject to 2 C.F.R. Part 200, entitled "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards."

b. As required by Section 215.971(1), Florida Statutes, this Agreement includes:

i. A provision specifying a scope of work that clearly establishes the tasks that the Sub-Recipient is required to perform.

ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.

iii. A provision specifying the financial consequences that apply if the Sub-Recipient fails to perform the minimum level of service required by the agreement.

iv. A provision specifying that the Sub-Recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.

v. A provision specifying that any balance of unobligated funds which has been advanced or paid must be refunded to the Division.

vi. A provision specifying that any funds paid in excess of the amount to which the Sub-Recipient is entitled under the terms and conditions of the agreement must be refunded to the Division.

c. In addition to the foregoing, the Sub-Recipient and the Division shall be governed by all applicable State and Federal laws, rules and regulations, including those identified in Attachment C. Any express reference in this Agreement to a particular statute, rule, or regulation in no way implies that no other statute, rule, or regulation applies.

(3) CONTACT

a. In accordance with section 215.971(2), Florida Statutes, the Division's Grant Manager shall be responsible for enforcing performance of this Agreement's terms and conditions and shall serve as the Division's liaison with the Sub-Recipient. As part of his/her duties, the Grant Manager for the Division shall:

i. Monitor and document Sub-Recipient performance; and,

ii. Review and document all deliverables for which the Sub-Recipient requests payment.

iii. The Division's Grant Manager for this Agreement is:

Ms. Susan Harris-Council, Project Manager
FL Division of Emergency Management
2555 Shumard Oak Boulevard
Tallahassee, Florida 32399
Telephone: 850-414-8419
Email:Susan.Harris-Council@em.myflorida.com

iv. The name and address of the Representative of the Sub-Recipient responsible for the administration of this Agreement is:

Mr. Harry T. Gibson, Floodplain Administrator
Escambia County
3363 West Park Place
Pensacola, Florida 32505-5250
Telephone: 850-554-2826
Email: htgibson@myescambia.com

b. In the event that different representatives or addresses are designated by either party after execution of this Agreement, notice of the name, title and address of the new representative will be provided to the other party.

(4) TERMS AND CONDITIONS

This Agreement contains all the terms and conditions agreed upon by the parties.

(5) EXECUTION

This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(6) MODIFICATION

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(7) SCOPE OF WORK.

The Sub-Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

(8) PERIOD OF AGREEMENT.

This Agreement shall begin upon execution by both parties and shall end on October 30, 2018, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement. Consistent with the definition of "period of performance" contained in 2 C.F.R. §200.77, the term "period of agreement" refers to the time during which the Sub-Recipient "may incur new obligations to carry out the work authorized under" this Agreement. In accordance with 2 C.F.R. §200.309, the Sub-Recipient may receive reimbursement under this Agreement only for "allowable costs incurred during the period of performance." In accordance with section 215.971(1)(d), Florida Statutes, the Sub-Recipient may expend funds authorized by this Agreement "only for allowable costs resulting from obligations incurred during" the period of agreement.

(9) FUNDING

a. This is a cost-reimbursement Agreement, subject to the availability of funds.

b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either Chapter 216, Florida Statutes, or the Florida Constitution.

c. The Division will reimburse the Sub-Recipient only for allowable costs incurred by the Sub-Recipient in the successful completion of each deliverable. The maximum reimbursement amount for each deliverable is outlined in Attachment A of this Agreement ("Budget and Scope of Work"). The maximum reimbursement amount for the entirety of this Agreement is $459,764.29.

d. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Sub-Recipient, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any

false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

e. The Division will review any request for reimbursement by comparing the documentation provided by the Sub-Recipient against a performance measure, outlined in Attachment A, that clearly delineates:

i. The required minimum acceptable level of service to be performed; and,

ii. The criteria for evaluating the successful completion of each deliverable.

f. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a "performance goal", which is defined in 2 C.F.R. §200.76 as "a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared." It also remains consistent with the requirement, contained in 2 C.F.R. §200.301, that the Division and the Sub-Recipient "relate financial data to performance accomplishments of the Federal award."

g. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for overtime expenses in accordance with 2 C.F.R. §200.430 ("Compensation—personal services") and 2 C.F.R. §200.431 ("Compensation—fringe benefits"). If the Sub-Recipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (*see* 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as "allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages." Fringe benefits are allowable under this Agreement as long as the benefits are reasonable and are required by law, Sub-Recipient-employee agreement, or an established policy of the Sub-Recipient. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

i. They are provided under established written leave policies;

ii. The costs are equitably allocated to all related activities, including Federal awards; and,

iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

h. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for travel expenses in accordance with 2 C.F.R. §200.474. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Sub-

Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes ($6 for breakfast, $11 for lunch, and $19 for dinner), then the Sub-Recipient must provide documentation that:

i. The costs are reasonable and do not exceed charges normally allowed by the Sub-Recipient in its regular operations as a result of the Sub-Recipient's written travel policy; and,

ii. Participation of the individual in the travel is necessary to the Federal award.

i. The Division's grant manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Sub-Recipient.

j. As defined by 2 C.F.R. §200.53, the term "improper payment" means or includes:

i. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,

ii. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

(10)RECORDS

a. As required by 2 C.F.R. §200.336, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Sub-Recipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by 2 C.F.R. §200.331(a)(5), the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Sub-Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by 2 C.F.R. §200.333, the Sub-Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of three (3) years from the date of

submission of the final expenditure report. The following are the only exceptions to the three (3) year requirement:

i. If any litigation, claim, or audit is started before the expiration of the 3-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

ii. When the Division or the Sub-Recipient is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.

iii. Records for real property and equipment acquired with Federal funds must be retained for 3 years after final disposition.

iv. When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the Sub-Recipient.

v. Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.

vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.334, the Federal awarding agency must request transfer of certain records to its custody from the Division or the Sub-Recipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.335, the Division must always provide or accept paper versions of Agreement information to and from the Sub-Recipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303, the Sub-Recipient shall take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or the Division designates as sensitive or the Sub-Recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Sub-Recipient based upon the funds provided under this Agreement, the meetings of the Sub-Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with Chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Sub-Recipient shall maintain all records for the Sub-Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

(11)AUDITS

a. The Sub-Recipient shall comply with the audit requirements contained in 2 C.F.R. Part 200, Subpart F.

b. In accounting for the receipt and expenditure of funds under this Agreement, the Sub-Recipient shall follow Generally Accepted Accounting Principles ("GAAP"). As defined by 2 C.F.R. §200.49, GAAP "has the meaning specified in accounting standards issued by the Government Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB)."

c. When conducting an audit of the Sub-Recipient's performance under this Agreement, the Division shall use Generally Accepted Government Auditing Standards ("GAGAS"). As defined by 2 C.F.R. §200.50, GAGAS, "also known as the Yellow Book, means generally accepted government auditing standards issued by the Comptroller General of the United States, which are applicable to financial audits."

d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Sub-Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty days after the Division has notified the Sub-Recipient of such non-compliance.

e. The Sub-Recipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(h), Florida Statutes, as "an independent certified public accountant licensed under chapter 473." The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Sub-Recipient's fiscal year.

f. The Sub-Recipient shall send copies of reporting packages for audits conducted in accordance with 2 C.F.R. Part 200, by or on behalf of the Sub-Recipient, to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2555 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

g. The Sub-Recipient shall send the Single Audit reporting package and Form SF-SAC to the Federal Audit Clearinghouse by submission online at:

http://harvester.census.gov/fac/collect/ddeindex.html

h. The Sub-Recipient shall send any management letter issued by the auditor to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2555 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

(12)REPORTS

a. Consistent with 2 C.F.R. §200.328, the Sub-Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Sub-Recipient and all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

b. Quarterly reports are due to the Division no later than 30 days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30 and December 31.

c. The close-out report is due 60 days after termination of this Agreement or 60 days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

e. The Sub-Recipient shall provide additional program updates or information that may be required by the Division.

f. The Sub-Recipient shall provide additional reports and information identified in Attachment D.

(13)MONITORING.

a. The Sub-Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement, and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Sub-Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Sub-Recipient is

appropriate, the Sub-Recipient agrees to comply with any additional instructions provided by the Division to the Sub-Recipient regarding such audit. The Sub-Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Sub-Recipient throughout the contract term to ensure timely completion of all tasks.

(14)LIABILITY

a. Unless Sub-Recipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Sub-Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement; as authorized by section 768.28(19), Florida Statutes, Sub-Recipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Sub-Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Sub-Recipient which is a state agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Sub-Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(15)DEFAULT.

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

a. If any warranty or representation made by the Sub-Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Sub-Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. If material adverse changes occur in the financial condition of the Sub-Recipient at any time during the term of this Agreement, and the Sub-Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division;

c. If any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or,

d. If the Sub-Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(16)REMEDIES.

If an Event of Default occurs, then the Division shall, after thirty calendar days written notice to the Sub-Recipient and upon the Sub-Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

a. Terminate this Agreement, provided that the Sub-Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein;

b. Begin an appropriate legal or equitable action to enforce performance of this Agreement;

c. Withhold or suspend payment of all or any part of a request for payment;

d. Require that the Sub-Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

e. Exercise any corrective or remedial actions, to include but not be limited to:

i. Request additional information from the Sub-Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

iii. Advise the Sub-Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

iv. Require the Sub-Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

f. Exercise any other rights or remedies which may be available under law.

Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Sub-Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Sub-Recipient.

(17)TERMINATION.

a. The Division may terminate this Agreement for cause after thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Sub-Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Florida Statutes, as amended.

b. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Sub-Recipient with thirty calendar days prior written notice.

c. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

d. In the event that this Agreement is terminated, the Sub-Recipient will not incur new obligations for the terminated portion of the Agreement after the Sub-Recipient has received the notification of termination. The Sub-Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Sub-Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Sub-Recipient. The Division may, to the extent authorized by law, withhold payments to the Sub-Recipient for the purpose of set-off until the exact amount of damages due the Division from the Sub-Recipient is determined.

(18)PROCUREMENT

a. The Sub-Recipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable federal and state laws and regulations, to include 2 C.F.R. §§200.318 through 200.326 as well as Appendix II to 2 C.F.R. Part 200 (entitled "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards").

b. As required by 2 C.F.R. §200.318(b), the Sub-Recipient shall "maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price."

c. As required by 2 C.F.R. §200.318(i), the Sub-Recipient shall "maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders." In order to demonstrate compliance with this requirement, the Sub-Recipient shall document, in its quarterly report to the Division, the progress of any and all subcontractors performing work under this Agreement.

d. Except for procurements by micro-purchases pursuant to 2 C.F.R. §200.320(a) or procurements by small purchase procedures pursuant to 2 C.F.R. §200.320(b), if the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall forward to the Division a copy of any solicitation (whether competitive or non-competitive) at least fifteen (15) days prior to the publication or communication of the solicitation. The Division shall review the solicitation and provide comments, if any, to the Sub-Recipient within three (3) business days. Consistent with 2 C.F.R. §200.324, the Division will review the solicitation for compliance with the procurement standards outlined in 2 C.F.R. §§200.318 through 200.326 as well as Appendix II to 2 C.F.R. Part 200. Consistent with 2 C.F.R. §200.318(k), the Division will not substitute its judgment for that of the Sub-

Recipient. While the Sub-Recipient does not need the approval of the Division in order to publish a competitive solicitation, this review may allow the Division to identify deficiencies in the vendor requirements or in the commodity or service specifications. The Division's review and comments shall not constitute an approval of the solicitation. Regardless of the Division's review, the Sub-Recipient remains bound by all applicable laws, regulations, and agreement terms. If during its review the Division identifies any deficiencies, then the Division shall communicate those deficiencies to the Sub-Recipient as quickly as possible within the three (3) business day window outlined above. If the Sub-Recipient publishes a competitive solicitation after receiving comments from the Division that the solicitation is deficient, then the Division may:

i. Terminate this Agreement in accordance with the provisions outlined in paragraph 17 above; and,

ii. Refuse to reimburse the Sub-Recipient for any costs associated with that solicitation.

e. Except for procurements by micro-purchases pursuant to 2 C.F.R. §200.320(a) or procurements by small purchase procedures pursuant to 2 C.F.R. §200.320(b), if the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall forward to the Division a copy of any contemplated contract prior to contract execution. The Division shall review the unexecuted contract and provide comments, if any, to the Sub-Recipient within three (3) business days. Consistent with 2 C.F.R. §200.324, the Division will review the unexecuted contract for compliance with the procurement standards outlined in 2 C.F.R. §§200.318 through 200.326 as well as Appendix II to 2 C.F.R. Part 200. Consistent with 2 C.F.R. §200.318(k), the Division will not substitute its judgment for that of the Sub-Recipient. While the Sub-Recipient does not need the approval of the Division in order to execute a subcontract, this review may allow the Division to identify deficiencies in the terms and conditions of the subcontract as well as deficiencies in the procurement process that led to the subcontract. The Division's review and comments shall not constitute an approval of the subcontract. Regardless of the Division's review, the Sub-Recipient remains bound by all applicable laws, regulations, and agreement terms. If during its review the Division identifies any deficiencies, then the Division shall communicate those deficiencies to the Sub-Recipient as quickly as possible within the three (3) business day window outlined above. If the Sub-Recipient executes a subcontract after receiving a communication from the Division that the subcontract is non-compliant, then the Division may:

i. Terminate this Agreement in accordance with the provisions outlined in paragraph 17 above; and,

ii. Refuse to reimburse the Sub-Recipient for any costs associated with that subcontract.

f. The Sub-Recipient agrees to include in the subcontract that (i) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal

laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

g. As required by 2 C.F.R. §200.318(c)(1), the Sub-Recipient shall "maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts."

h. As required by 2 C.F.R. §200.319(a), the Sub-Recipient shall conduct any procurement under this agreement "in a manner providing full and open competition." Accordingly, the Sub-Recipient shall not:

i. Place unreasonable requirements on firms in order for them to qualify to do business;

ii. Require unnecessary experience or excessive bonding;

iii. Use noncompetitive pricing practices between firms or between affiliated companies;

iv. Execute noncompetitive contracts to consultants that are on retainer contracts;

v. Authorize, condone, or ignore organizational conflicts of interest;

vi. Specify only a brand name product without allowing vendors to offer an equivalent;

vii. Specify a brand name product instead of describing the performance, specifications, or other relevant requirements that pertain to the commodity or service solicited by the procurement;

viii. Engage in any arbitrary action during the procurement process; or,

ix. Allow a vendor to bid on a contract if that bidder was involved with developing or drafting the specifications, requirements, statement of work, invitation to bid, or request for proposals.

i. "[E]xcept in those cases where applicable Federal statutes expressly mandate or encourage" otherwise, the Sub-Recipient, as required by 2 C.F.R. §200.319(b), shall not use a geographic preference when procuring commodities or services under this Agreement.

j. The Sub-Recipient shall conduct any procurement involving invitations to bid (i.e. sealed bids) in accordance with 2 C.F.R. §200.320(c) as well as section 287.057(1)(a), Florida Statutes.

k. The Sub-Recipient shall conduct any procurement involving requests for proposals (i.e. competitive proposals) in accordance with 2 C.F.R. §200.320(d) as well as section 287.057(1)(b), Florida Statutes.

l. For each subcontract, the Sub-Recipient shall provide a written statement to the Division as to whether that subcontractor is a minority business enterprise, as defined in Section 288.703,

Florida Statutes. Additionally, the Sub-Recipient shall comply with the requirements of 2 C.F.R. §200.321 ("Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms").

(19)ATTACHMENTS

a. All attachments to this Agreement are incorporated as if set out fully.

b. In the event of any inconsistencies or conflict between the language of this Agreement and the attachments, the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

c. This Agreement has the following attachments:

i. Exhibit 1 - Funding Sources
ii. Attachment A – Budget and Scope of Work
iii. Attachment B – Program Statutes and Regulations
iv. Attachment C – Statement of Assurances
v. Attachment D – Request for Advance or Reimbursement
vi. Attachment E – Justification of Advance Payment
vii. Attachment F – Quarterly Report Form
viii. Attachment G – Warranties and Representations
ix. Attachment H – Certification Regarding Debarment, Suspension, Ineligibility
x. Attachment I – Federal Funding Accountability and Transparency Act
xi. Attachment J – Mandatory Contract Provisions

(20)PAYMENTS

a. Any advance payment under this Agreement is subject to 2 C.F.R. §200.305 and, as applicable, section 216.181(16), Florida Statues. All advances are required to be held in an interest-bearing account. If an advance payment is requested, the budget data on which the request is based and a justification statement shall be included in this Agreement as Attachment E. Attachment E will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment. After the initial advance, if any, payment shall be made on a reimbursement basis as needed.

b. Invoices shall be submitted at least quarterly and shall include the supporting documentation for all costs of the project or services. The final invoice shall be submitted within sixty (60) days after the expiration date of the agreement. An explanation of any circumstances prohibiting the submittal of quarterly invoices shall be submitted to the Division grant manager as part of the Sub-Recipient's quarterly reporting as referenced in Paragraph 7 of this Agreement.

c. If the necessary funds are not available to fund this Agreement as a result of action by the United States Congress, the federal Office of Management and Budgeting, the State Chief Financial Officer or under subparagraph (9)b of this Agreement, all obligations on the part of the Division to make any further payment of funds shall terminate, and the Sub-Recipient shall submit its closeout report within thirty days of receiving notice from the Division.

(21)REPAYMENTS

a. All refunds or repayments due to the Division under this Agreement are to be made payable to the order of "Division of Emergency Management", and mailed directly to the following address:

Division of Emergency Management
Cashier
2555 Shumard Oak Boulevard
Tallahassee FL 32399-2100

b. In accordance with Section 215.34(2), Florid Statutes, if a check or other draft is returned to the Division for collection, Sub-Recipient shall pay the Division a service fee of $15.00 or 5% of the face amount of the returned check or draft, whichever is greater.

(22)MANDATED CONDITIONS

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Recipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty days written notice to the Sub-Recipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Sub-Recipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Sub-Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of $25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

f. Any Sub-Recipient which is not a local government or state agency, and which receives funds under this Agreement from the federal government, certifies, to the best of its knowledge and belief, that it and its principals:

i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a federal department or agency;

ii. Have not, within a five-year period preceding this proposal been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any offenses enumerated in paragraph 19(g)2. of this certification; and,

iv. Have not within a five-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

g. If the Sub-Recipient is unable to certify to any of the statements in this certification, then the Sub-Recipient shall attach an explanation to this Agreement.

h. **In addition, the Sub-Recipient shall send to the Division (by email or by facsimile transmission) the completed "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" (Attachment G) for each intended subcontractor which Sub-Recipient plans to fund under this Agreement. The form must be received by the Division before the Sub-Recipient enters into a contract with any subcontractor.**

i. The Division reserves the right to unilaterally cancel this Agreement if the Sub-Recipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Florida Statutes, which the Sub-Recipient created or received under this Agreement.

j. If the Sub-Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

k. The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

l. All unmanufactured and manufactured articles, materials and supplies which are acquired for public use under this Agreement must have been produced in the United States as required under 41 U.S.C. 10a, unless it would not be in the public interest or unreasonable in cost.

(23)LOBBYING PROHIBITION

a. 2 C.F.R. §200.450 prohibits reimbursement for costs associated with certain lobbying activities.

b. Section 216.347, Florida Statutes, prohibits "any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency."

c. No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

d. The Sub-Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sub-Recipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in

connection with this Federal contract, grant, loan or cooperative agreement, the Sub-Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

iii. The Sub-Recipient shall require that this certification be included in the award documents for all subawards (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Sub-Recipients shall certify and disclose.

iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(24)COPYRIGHT, PATENT AND TRADEMARK

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUB-RECIPIENT TO THE STATE OF FLORIDA.

a. If the Sub-Recipient has a pre-existing patent or copyright, the Sub-Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Sub-Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Sub-Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Sub-Recipient to the State of Florida.

c. Within thirty days of execution of this Agreement, the Sub-Recipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Sub-Recipient shall retain all rights and entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (b), have the right to all patents and copyrights which accrue during performance of the Agreement.

d. If the Sub-Recipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Sub-Recipient shall become the sole property of the Sub-Recipient. In the case of joint inventions, that is

inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Sub-Recipient, under this Agreement, for Florida government purposes.

(25)LEGAL AUTHORIZATION.

The Sub-Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Sub-Recipient also certifies that the undersigned person has the authority to legally execute and bind Sub-Recipient to the terms of this Agreement.

(26)EQUAL OPPORTUNITY EMPLOYMENT

a. In accordance with 41 C.F.R. §60-1.4(b), the Sub-Recipient hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

i. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

ii. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

iii. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

iv. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

v. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

vi. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

vii. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

b. The Sub-Recipient further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

c. The Sub-Recipient agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

d. The Sub-Recipient further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive order. In addition, the Sub-Recipient agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the Sub-Recipient under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Sub-Recipient; and refer the case to the Department of Justice for appropriate legal proceedings.

(27)COPELAND ANTI-KICKBACK ACT

The Sub-Recipient hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

i. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

ii. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

iii. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(28)CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which

are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(29)CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $150,000, then any such contract must include the following provision:

> Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(30)SUSPENSION AND DEBARMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

> i. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
>
> ii. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
>
> iii. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
>
> iv. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(31)BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

> Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31

U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

(32)CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (a) through (e) of this section.

b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

(33)ASSURANCES.

The Sub-Recipient shall comply with any Statement of Assurances incorporated as Attachment H.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.

EXHIBIT – 1

THE FOLLOWING FEDERAL RESOURCES ARE AWARDED TO THE RECIPIENT UNDER THIS AGREEMENT:

Federal Program: *Federal Emergency Management Agency: Hazard Mitigation Grant*
Catalog of Federal Domestic Assistance Number: *97.029*
Amount of Federal Funding: $459,764.29

THE FOLOWING COMPLIANCE REQUIREMENTS APPLY TO THE FEDERAL RESOURCES AWARDED UNDER THIS AGREEMENT:

- **2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards**

Commonly Applicable Statutes and Regulations

- **The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 et seq., and Related Authorities**
- **Sections 1361(A) of the National Flood Insurance Act of 1968 (NFIA, or "the Act"), 42 U.S.C. 4104c, as amended by the National Flood Insurance Reform Act of 1994 (NFIRA), Public Law 103-325 and the Bunning-Bereuter-Blumenauer Flood Insurance Reform Act of 2004, Public Law 108-264**
- **31 CFR Part 205 Rules and Procedures for Funds Transfers**

Federal Program:
List applicable compliance requirements as follows:

1. **Recipient is to use funding to perform the following eligible activities:**
   - **Elevation of flood prone structures**
2. **Recipient is subject to all administrative and financial requirements as set forth in this Agreement, or will be in violation of the terms of the Agreement.**

NOTE: Section 200.331(a)(1) of 2 C.F.R., as revised, and Section 215.97(5)(a), Florida Statutes, require that the information about Federal Programs and State Projects included on pg. 1 of this sub-grant agreement and in Exhibit 1 be provided to the Sub-recipient.

Attachment A

Scope of Work and Budget

FMA-PJ-04-FL-2015-020

Homeowner: Fumi Watson
Property Address: 739 Carondelay Drive, Pensacola, Florida 32506

Homeowners: Mark and Gina Konz
Property Address: 5811 Red Cedar Street, Pensacola, Florida 32507

Homeowners: Ann Hamilton
Property Address: 16650 Innerarity Point Road, Pensacola, Florida 32507

STATEMENT OF PURPOSE

The purpose of this Scope of Work (SOW) is to elevate three properties located in Escambia County, Florida. The project is funded through the Flood Mitigation Assistance Grant Program (FMA) **FMA-PJ-04-FL-2015-020** as approved by the Florida Division of Emergency Management (Division) and the Federal Emergency Management Agency (FEMA). The project is for the elevation of the above referenced properties to reduce and/or mitigate the damage that might otherwise occur from severe weather or other hazards.

The Sub-Recipient, Escambia County, agrees to administer and complete the project per the application submitted by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall complete the work in accordance with all applicable Federal, State and Local Laws, Regulations, and Codes.

PROJECT OVERVIEW:

As a Flood Mitigation Assistance (FMA) project, the Sub-Recipient, Escambia County, Florida, shall ensure that the above residences are retrofitted by elevating the structures three feet above the base flood elevation or highest known flood level; whichever is higher, and will comply with any freeboard requirements. The habitable living areas of the original structures will be elevated and the non-habitable areas (if any) will be converted to storage or parking, in compliance with the Florida Building Code and/or local floodplain ordinances or any other applicable local regulations.

Any enclosed area below the BFE will have a minimum of two hydrostatic openings to allow for automatic entry/exit of floodwaters, and all construction materials below the BFE will be flood-resistant. The electrical and mechanical equipment outside the structure will also be elevated to three feet above the BFE in accordance with ASCE-24 guidelines.

TASKS & DELIVERABLES:

A. **Tasks**

1) The Sub-Recipient shall allow the Homeowner to select a qualified and licensed Florida contractor to complete the scope of work as approved by the Division and FEMA.

2) The Homeowner shall be responsible for furnishing or contracting all labor, materials, equipment, tools, transportation and supervision and for performing all work per sealed engineering designs and

construction plans presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA.

The Homeowner and contractor shall be responsible for maintaining a safe and secure worksite for the duration of the work. The contractor shall maintain all work staging areas in a neat and presentable condition.

The Sub-Recipient shall ensure that no contractors or subcontractors are debarred or suspended from participating in federally funded projects and will provide an executed "Debarment, suspension, Ineligibility, Voluntary Exclusion Form" for each contractor or subcontractor performing services under this Agreement.

The selected contractor shall have a current and valid occupational license/business tax receipt issued for the type of services being performed.

Executed contracts with contractors and/or subcontractors shall be provided to the Division by the Sub-Recipient.

The Sub-Recipient shall provide copies of professional licenses for contractors selected to perform services. The Sub-Recipient shall provide a copy of a current and valid occupational license or business tax receipt issued for the type of services to be performed by selected contractor.

3) The Sub-Recipient shall ensure that all applicable State, Local and Federal Laws and Regulations are followed and documented, as appropriate.

The Sub-Recipient shall fully perform the approved project, as described in the application, in accordance with the approved scope of work indicated herein, the estimate of costs indicated herein, the allocation of funds indicated herein, and all applicable terms and conditions. The Sub-Recipient shall not deviate from the approved project terms and conditions.

Upon completion of Task 2, the Sub-Recipient shall submit the following documents with sufficient supporting documentation, and provide a summary of all contract scope of work and scope of work changes, if any. Additional documentation shall include:

a) Local Building Official Building Permit

b) A copy of the Certificate of Occupancy or copy of the Local Building Official Inspection Report and Final Approval, as applicable.

c) A copy of Elevation Certificate before mitigation, if available.

d) A copy of the Elevation Certificate after mitigation.

e) All Product Specifications / Data Sheets(s) (technical standards) satisfying protect requirements on all products utilized.

f) Signed notices from the affected property owner in the SFHA that the Sub-Recipient will record a Deed Notice applicable to their property, as described in section (g), below, and that they will maintain flood insurance.

g) Verification that the property located within a SFHA is covered by an NFIP flood insurance policy to the amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the particular property, whichever is less.

h) Confirmation that the Sub-Recipient (or property owner) has legally recorded with the county or appropriate jurisdiction's land records a notice that includes the name of the current property owner (including book/page reference to record of current title, if readily available), a legal description of the property, and the following notice of flood insurance requirements:

"*This property has received Federal hazard mitigation assistance. Federal law requires that flood insurance coverage on this property must be maintained during the life of the property regardless*

of transfer of ownership of such property, pursuant to 42 U.S.C. §5154a, failure to maintain flood insurance on this property may prohibit the owner from receiving Federal disaster assistance with respect to this property in the event of a flood disaster. The property owner is also required to maintain this property in accordance with the floodplain management criteria of 44 CFR 60.3 and City/County Ordinances."

4) During the course of this agreement the Sub-Recipient shall submit requests for reimbursement. Adequate and complete source documentation shall be submitted to support all costs (federal share) related to the project. In some cases, all project activities may not be fully complete prior to requesting reimbursement of costs incurred in completion of this scope of work; however, a partial reimbursement may be requested.

   The Sub-Recipient shall submit an Affidavit signed by the Sub-Recipient's project personnel with each reimbursement request, attesting to the percentage of work completed, disbursements or payments were made in accordance with all agreement and regulatory conditions, and that reimbursement is due and has not been previously requested.

   The Sub-Recipient shall maintain accurate time records. The Sub-Recipient shall ensure invoices are accurate and any contracted services were rendered within the terms and timelines of this agreement. All supporting documentation shall agree with the requested billing period. All costs submitted for reimbursement shall contain adequate source documentation which may include but not be limited to: cancelled checks, bank statements, Electronic Funds Transfer, paid bills and invoices, payrolls, time and attendance records, contract and subcontract award documents.

   Construction Expenses: The Sub-Recipient shall pre-audit bills, invoices, and/or charges submitted by the contractors and subcontractors and pay the contractors and subcontractors for approved bills, invoices, and/or charges. Sub-Recipient shall ensure that all contractor/subcontractor bills, invoices, and/or charges are legitimate and clearly identify the activities being performed and associated costs.

   Project Management Expenses: The Sub-Recipient shall pre-audit source documentation such as payroll records, project time sheets, attendance logs, etc. Documentation shall be detailed information describing tasks performed, hours devoted to each task, and the hourly rate charged for each hour including enough information to calculate the hourly rates based on payroll records. Employee benefits shall be clearly shown.

   The Division shall review all submitted requests for reimbursement for basic accuracy of information. Further, the Division shall ensure that no unauthorized work was completed prior to the approved project start date by verifying vendor and contractor invoices. The Division shall verify that reported costs were incurred in the performance of eligible work, that the approved work was completed, and that the mitigation measures are in compliance with the approved scope of work prior to processing any requests for reimbursement.

   Review and approval of any third party in-kind services, if applicable, shall be conducted by the Division in coordination with the Sub-Recipient. Quarterly Reports shall be submitted by the Sub-Recipient and received by the Division at the times provided in this agreement prior to the processing of any reimbursement.

   The Sub-Recipient shall submit to the Division requests for reimbursement of actual construction and managerial costs related to the project as identified in the project application and plans. The requests for reimbursement shall include:

   a) Contractor, subcontractor, and/or vendor invoices which clearly display dates of services performed, description of services performed, location of services performed, cost of services performed, name of service provider and any other pertinent information;

   b) Proof of payment from the Sub-Recipient to the contractor, subcontractor, and/or vendor for invoiced services; and

c) Clear identification of amount of costs being requested for reimbursement as well as costs being applied against the local match amount.

The Sub-Recipient's final request for reimbursement shall include the final construction project cost. Supporting documentation shall show that all contractors and subcontractors have been paid.

B. Deliverables

Mitigation activities consist of retrofitting by elevating three residential structures three feet above the Base Flood Elevation or highest known flood level; whichever is higher, and will comply with any freeboard requirements. The habitable living areas of the original structures will be elevated and the non-habitable areas (if any) will be converted to storage or parking, in compliance with the Florida Building Code and/or local floodplain ordinances or any other applicable local regulations.

Provided the Sub-Recipient performs in accordance with the Scope of Work outlined in this Agreement, the Division shall reimburse the Sub-Recipient based on the percentage of overall project completion.

PROJECT CONDITIONS AND REQUIREMENTS:

C. Engineering

1) Upon completion of the project, the Sub-Recipient shall submit to the Division an official letter stating that the project is 100% complete and ready for the Division's Final Inspection of the project.
2) The Sub-Recipient shall provide a copy of the Notice of Commencement, and a copy of the Certificate of Occupancy or any local official Inspection Report and/or Final approval; as applicable.
3) The Sub-Recipient shall provide a copy of the Elevation Certificate prepared before mitigation, if available.
4) The Sub-Recipient shall submit a copy of Elevation Certificate prepared after mitigation, showing the Base Flood Elevation and the elevation of all components.
5) The Sub-Recipient shall submit all Product Specifications / Data Sheet(s) (technical standards) satisfying protect requirements on all products utilized.
6) All installations shall be done in strict compliance with the Florida Building Code or any local codes and ordinances. All materials shall be certified to exceed the wind and impact standards of the current local codes.
7) The Sub-Recipient shall follow all applicable State, Local and Federal Laws Regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate Federal, State, and Local permits and clearances may jeopardize federal funding.

D. Environmental:

1) The Sub-Recipient shall follow all applicable state, local and federal laws, regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate Federal, State, and Local environmental permits and clearances may jeopardize federal funding. If project work is delayed for a year or more after the date of the categorical exclusion (CATEX), then coordination with and project review by regulatory agencies must be redone.
2) Any change, addition or supplement to the approved mitigation measure or scope of work that alters the project (including other work not funded by FEMA, but done substantially at the same time) shall

require resubmission to the Division and FEMA for revaluation of compliance with the National Environmental Protection Act (NEPA) and Section 106 of the National Historic Preservation Act (NHPA) prior to initiation of any work. Non-compliance with these requirements may jeopardize FEMA's ability to fund this project. A change in the scope of work must be approved by the Division and FEMA *in advance regardless of the budget implications*.

3) The Sub-Recipient shall monitor ground disturbing activities during construction, and if any potential archeological resources are discovered, shall immediately cease construction in that area and notify the Division and FEMA.

   If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the project shall cease all activities involving subsurface disturbance in the immediate vicinity of the discovery. The Sub-Recipient shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section at (850-245-6333), and the Division's State Environmental Officer within 24 hours of the discovery. Project activities shall not resume without verbal and/or written authorization from the SHPO, the Division, and FEMA.

   In the event that unmarked human remains are encountered during permitted activities, all work shall stop immediately and the proper authorities notified in accordance with ***Florida Statutes, Section 872.05***.

4) Construction vehicles and equipment used for this project shall be maintained in good working order to minimize pollutant emissions.

E. Programmatic:

1) The Sub-Recipient must notify the Division as soon as significant developments becomes known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower costs or earlier completion.

2) The Sub-Recipient must "obtain prior written approval for any budget revision which would result in a need for additional funds" [2 CFR § 200.308], from the Division and FEMA.

3) Any extension of the Period of Performance shall be submitted to FEMA, 60 days prior to the expiration date. Therefore, any request for a Period of Performance Extension shall be in writing and submitted along with substantiation of new expiration date, and a new schedule of work, to the Division a minimum of seventy (70) days prior to the expiration date, for Division processing to FEMA.

4) The Sub-Recipient must avoid duplication of benefits between the FMAP and any other form of assistance, as required by Section 312 of the Stafford Act, and further clarification in 44 CFR 206.191.

FINANCIAL CONSEQUENCES:

If the Sub-Recipient fails to comply with any term of the award, the Division shall take one or more of the following actions, as appropriate in the circumstances:

1) Temporarily withhold cash payments pending correction of the deficiency by the Sub-Recipient;

2) Disallow all or part of the cost of the activity or action not in compliance;

3) Wholly or partly suspend or terminate the current award for the Sub-Recipient's program;

4) Withhold further awards for the program; or

5) Take other remedies that may be legally available.

Attachment B

Program Statutes and Regulations

The parties to this Agreement and the Hazard Mitigation Grant Program (HMGP) are generally governed by the following statutes and regulations:

(1) The Robert T. Stafford Disaster Relief and Emergency Assistance Act;

(2) 44 CFR Parts 7, 9, 10, 13, 14, 17, 18, 25, 206, 220, and 221, and any other applicable FEMA policy memoranda and guidance documents;

(3) State of Florida Administrative Plan for the Hazard Mitigation Grant Program;

(4) Hazard Mitigation Assistance Guidance- February 27, 2015 Update; and

(5) All applicable laws and regulations delineated in Attachment C of this Agreement.

In addition to the above statutes and regulations, the Sub-recipient must comply with the following:

The Sub-recipient shall fully perform the approved hazard mitigation project, as described in the Application and Attachment A (Budget and Scope of Work) attached to this Agreement, in accordance with approved scope of work indicated therein, the estimate of costs indicated therein, the allocation of funds indicated therein, and the terms and conditions of this Agreement. The Sub-recipient shall not deviate from the approved project and the terms and conditions of this Agreement. The Sub-recipient shall comply with any and all applicable codes and standards in performing work funded under this Agreement, and shall provide any appropriate maintenance and security for the project.

Any development permit issued by, or development activity undertaken by, the Sub-recipient and any land use permitted by or engaged in by the Sub-recipient, shall be consistent with the local comprehensive plan and land development regulations prepared and adopted pursuant to Chapter 163, Part II, Florida Statutes. Funds shall be expended for, and development activities and land uses authorized for, only those uses which are permitted under the comprehensive plan and land development regulations. The Sub-recipient shall be responsible for ensuring that any development permit issued and any development activity or land use undertaken is, where applicable, also authorized by the Water Management District, the Florida Department of Environmental Protection, the Florida Department of Health, the Florida Game and Fish Commission, and any Federal, State, or local environmental or land use permitting authority, where required. The Sub-recipient agrees that any repair or construction shall be in accordance with applicable standards of safety, decency, and sanitation, and in conformity with applicable codes, specifications and standards.

The Sub-recipient will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the completed work conforms with the approved plans and specifications and will furnish progress reports and such other information to HMGP as may be required.

If the hazard mitigation project described in Attachment A includes an acquisition or relocation project, than the Sub-recipient shall ensure that, as a condition of funding under this Agreement, the owner of the affected real property shall record in the public records of the county where it is located the following covenants and restrictions, which shall run with and apply to any property acquired, accepted, or from which a structure will be removed pursuant to the project.

(1) The property will be dedicated and maintained in perpetuity for a use that is compatible with open space, recreational, or wetlands management practices;

(2) No new structure will be erected on property other than:
    a. a public facility that is open on all sides and functionally related to a designed open space;
    b. a restroom; or

(3) A structure that the Director of the Federal Emergency Management Agency approves in writing before the commencement of the construction of the structure;

(4) After the date of the acquisition or relocation no application for disaster assistance for any purpose will be made to any Federal entity and no disaster assistance will be provided for the property by any Federal source; and

(5) If any of these covenants and restrictions is violated by the owner or by some third party with the knowledge of the owner, fee simple title to the Property described herein shall be conveyed to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida without further notice to the owner, its successors and assigns, and the owner, its successors and assigns shall forfeit all right, title and interest in and to the property.

HMGP Contract Manager will evaluate requests for cost overruns and submit to the regional Director written determination of cost overrun eligibility. Cost overruns shall meet Federal regulations set forth in 44 CFR 206.438(b).

The National Environmental Policy Act (NEPA) stipulates that additions or amendments to a HMGP Sub-recipient Scope of Work (SOW) shall be reviewed by all State and Federal agencies participating in the NEPA process.

As a reminder, the Sub-recipient must obtain prior approval from the State, before implementing changes to the approved project Scope of Work (SOW). Per the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments:

(1) For Construction projects, the grantee must "obtain prior written approval for any budget revision which result in a need for additional funds" (44 CFR 13(c));

(2) A change in the Scope of Work must be approved by FEMA in advance regardless of the budget implications; and

(3) The Sub-recipient must notify the State as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower cost or earlier completion. Any extensions of the period of performance must be submitted to FEMA sixty days prior to the project expiration date.

STATEMENT OF ASSURANCES

The Sub-recipient assures that it will comply with the following statutes and regulations to the extent applicable:

(1) 53 Federal Register 8034
(2) Federal Acquisition Regulations 31.2
(3) Section 1352, Title 31, US Code
(4) Chapter 473, Florida Statutes
(5) Chapter 215, Florida Statutes
(6) Section 768.28, Florida Statutes
(7) Chapter 119, Florida Statutes
(8) Section 216.181(6), Florida Statutes
(9) Cash Management Improvement Act Of 1990
(10) American with Disabilities Act

(11)Section 112.061, Florida Statutes
(12)Immigration and Nationality Act
(13)Section 286.011, Florida Statues
(14)E.O. 12372 and Uniform Administrative Requirements for Grants and Cooperative Agreements 28 CFR, Part 66, Common Rule
(15)Uniform Relocation Assistance and Real Property Acquisitions Act of 1970
(16)Title I of the Omnibus Crime Control and Safe Streets Act of 1968
(17)Juvenile Justice and Delinquency Prevention Act, or the Victims of Crime Act
(18)Omnibus Crime Control and Safe Streets Act of 1968, as amended
(19)42 U.S.C. 3789(d) or Victims of Crime Act (as appropriate)
(20)Section 504 of the Rehabilitation Act of 1973, as amended
(21)Subtitle A, Title II of the Americans with Disabilities Act (ADA) (1990)
(22)Department of Justice regulations on disability discrimination, 28 CFR, Part 35 and Part 39
(23)42 U.S.C. 5154a

Attachment C

Statement of Assurances

To the extent the following provisions apply to this Agreement, the Sub-recipient certifies that:

(a) It possesses legal authority to enter into this Agreement and to carry out the proposed program;

(b) Its governing body has duly adopted or passed as an official act of resolution, motion or similar action authorizing the execution of the hazard mitigation agreement with the Division of Emergency Management (DEM), including all understandings and assurances contained in it, and directing and authorizing the Sub-recipient's chief administrative officer or designee to act in connection with the application and to provide such additional information as may be required;

(c) No member of or delegate to the Congress of the United States, and no Resident Commissioner, shall receive any share or part of this Agreement or any benefit. No member, officer, or employee of the Sub-recipient or its designees or agents, no member of the governing body of the locality in which this program is situated, and no other public official of the locality or localities who exercises any functions or responsibilities with respect to the program during his tenure or for one year after, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds, for work be performed in connection with the program assisted under this Agreement. The Sub-recipient shall incorporate, in all contracts or subcontracts a provision prohibiting any interest pursuant to the purpose stated above;

(d) All Sub-recipient contracts for which the State Legislature is in any part a funding source, shall contain language to provide for termination with reasonable costs to be paid by the Sub-recipient for eligible contract work completed prior to the date the notice of suspension of funding was received by the Sub-recipient. Any cost incurred after a notice of suspension or termination is received by the Sub-recipient may not be funded with funds provided under this Agreement unless previously approved in writing by the Division. All Sub-recipient contracts shall contain provisions for termination for cause or convenience and shall provide for the method of payment in such event;

(e) It will comply with:

(1) Contract Work Hours and Safety Standards Act of 1962, 40 U.S.C. 327 et seq., requiring that mechanics and laborers (including watchmen and guards) employed on federally assisted contracts be paid wages of not less than one and one-half times their basic wage rates for all hours worked in excess of forty hours in a work week; and

(2) Federal Fair Labor Standards Act, 29 U.S.C. Section 201 et seq., requiring that covered employees be paid at least minimum prescribed wage, and also that they be paid one and one-half times their basic wage rates for all hours worked in excess of the prescribed work-week.

(f) It will comply with

(1) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), and the regulations issued pursuant thereto, which provides that no person in the United States shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Sub-recipient received Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Sub-

recipient, this assurance shall obligate the Sub-recipient, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits;

(2) Any prohibition against discrimination on the basis of age under the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101-6107) which prohibits discrimination on the basis of age or with respect to otherwise qualifies handicapped individuals as provided in Section 504 of the Rehabilitation Act of 1973;

(3) Executive Order 11246, as amended by Executive Orders 11375 and 12086, and the regulations issued pursuant thereto, which provide that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of federal or federally assisted construction contracts; affirmative action to insure fair treatment in employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff/termination, rates of pay or other forms of compensation; and election for training and apprenticeship;

(g) It will establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties pursuant to Section 112.313 and Section 112.3135, Florida Statutes;

(h) It will comply with the Anti-Kickback Act of 1986, 41 U.S.C. Section 51 which outlaws and prescribes penalties for "kickbacks" of wages in federally financed or assisted construction activities;

(i) It will comply with the provisions of 18 U.S.C. 594, 598, 600-605 (further known as the Hatch Act) which limits the political activities of employees;

(j) It will comply with the flood insurance purchase and other requirements of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 4002-4107, including requirements regarding the purchase of flood insurance in communities where such insurance is available as a condition for the receipt of any Federal financial assistance for construction or acquisition purposes for use in any area having special flood hazards. The phrase "Federal financial assistance" includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance;

For sites located within Special Flood Hazard Areas (SFHA), the Sub-recipient must include a FEMA Model Acknowledgement of Conditions of Mitigation of Property in a Special Flood Hazard Area with FEMA Grant Funds executed by the title holder with the closeout request verifying that certain SFHA requirements were satisfied on each of the properties. The Model Acknowledgement can be found at www.fema.gov/governmenta/grant/sfha_conditions.shtm

(k) It will require every building or facility (other than a privately owned residential structure) designed, constructed, or altered with funds provided under this Agreement to comply with the "Uniform Federal Accessibility Standards," (AS) which is Appendix A to 41 CFR Section 101-19.6 for general type buildings and Appendix A to 24 CFR, Part 40 for residential structures. The Sub-recipient will be responsible for conducting inspections to ensure compliance with these specifications by the contractor;

(l) It will, in connection with its performance of environmental assessments under the National Environmental Policy Act of 1969, comply with Section 106 of the National Historic Preservation Act of 1966 (U.S.C. 470), Executive Order 11593, 24 CFR, Part 800, and the Preservation of Archaeological and Historical Data Act of 1966 (16 U.S.C. 469a-1, et seq.) by:

(1) Consulting with the State Historic Preservation Office to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 CFR, Section 800.8) by the proposed activity; and

(2) Complying with all requirements established by the State to avoid or mitigate adverse effects upon such properties.

(3) Abiding by the terms and conditions of the **"Programmatic Agreement Among the Federal Emergency Management Agency, the Florida State Historic Preservation Office, the Florida Division of Emergency Management and the Advisory Council on Historic Preservation, (PA)"** which addresses roles and responsibilities of Federal and State entities in implementing Section 106 of the National Historic Preservation Act (NHPA), 16 U.S.C. 470(f), and implementing regulations in 36 CFR, Part 800.

(4) When any of the Sub-recipient's projects funded under this Agreement may affect a historic property, as defined in 36 CFR, Part 800 (2)(e), the Federal Emergency Management Agency (FEMA) may require the Sub-recipient to review the eligible scope of work in consultation with the State Historic Preservation Office (SHPO) and suggest methods of repair or construction that will conform with the recommended approaches set out in the **Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings 1992 (Standards),** the **Secretary of the Interior's Guidelines for Archeological Documentation (Guidelines)** (48 Federal Register 44734-37), or any other applicable Secretary of Interior standards. If FEMA determines that the eligible scope of work will not conform with the **Standards**, the Sub-recipient agrees to participate in consultations to develop, and after execution by all parties, to abide by, a written agreement that establishes mitigation and recondition measures, including but not limited to, impacts to archeological sites, and the salvage, storage, and reuse of any significant architectural features that may otherwise be demolished.

(5) The Sub-recipient agrees to notify FEMA and the Division if any project funded under this Agreement will involve ground disturbing activities, including, but not limited to: subsurface disturbance; removal of trees; excavation of footings and foundations, and installation of utilities (such as water, sewer, storm drains, electrical, gas, leach lines and septic tanks) except where these activities are restricted solely to areas previously disturbed by the installation, replacement or maintenance of such utilities. FEMA will request the SHPO's opinion on the potential that archeological properties may be present and be affected by such activities. The SHPO will advise the Sub-recipient on any feasible steps to be accomplished to avoid any National Register eligible archeological property or will make recommendations for the development of a treatment plan for the recovery or archeological data from the property.

If the Sub-recipient is unable to avoid the archeological property, develop, in consultation with SHPO, a treatment plan consistent with the **Guidelines** and take into account the Advisory Council on Historic Preservation (Council) publication "Treatment of Archeological Properties". The Sub-recipient shall forward information regarding the treatment plan to FEMA, the SHPO and the Council for review. If the SHPO and the Council do not object within 15 calendar days of receipt of the treatment plan, FEMA may direct the Sub-recipient to implement the treatment plan. If either the Council or the SHPO object, Sub-recipient shall not proceed with the project until the objection is resolved.

(6) The Sub-recipient shall notify the Division and FEMA as soon as practicable: (a) of any changes in the approved scope of work for a National Register eligible or listed property; (b) of all changes to a project that may result in a supplemental DSR or modify a HMGP project for a National Register eligible or listed property; (c) if it appears that a project funded under this Agreement will affect a previously unidentified property that may be eligible for inclusion in the National Register or affect a known historic property in an unanticipated manner. The Sub-recipient acknowledges that FEMA may require the Sub-

recipient to stop construction in the vicinity of the discovery of a previously unidentified property that may eligible for inclusion in the National Register or upon learning that construction may affect a known historic property in an unanticipated manner. The Sub-recipient further acknowledges that FEMA may require the Sub-recipient to take all reasonable measures to avoid or minimize harm to such property until FEMA concludes consultation with the SHPO. The Sub-recipient also acknowledges that FEMA will require, and the Sub-recipient shall comply with, modifications to the project scope of work necessary to implement recommendations to address the project and the property.

(7) The Sub-recipient acknowledges that, unless FEMA specifically stipulates otherwise, it shall not receive funding for projects when, with intent to avoid the requirements of the PA or the NHPA, the Sub-recipient intentionally and significantly adversely affects a historic property, or having the legal power to prevent it, allowed such significant adverse affect to occur.

(m) It will comply with Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683 and 1685-1686) which prohibits discrimination on the basis of sex;

(n) It will comply with the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, (42 U.S.C. 4521-45-94) relating to nondiscrimination on the basis of alcohol abuse or alcoholism;

(o) It will comply with 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;

(p) It will comply with Lead-Based Paint Poison Prevention Act (42 U.S.C. 4821 et seq.) which prohibits the use of lead based paint in construction of rehabilitation or residential structures;

(q) It will comply with the Energy Policy and Conservation Act (P.L. 94-163; 42 U.S.C. 6201-6422), and the provisions of the State Energy Conservation Plan adopted pursuant thereto;

(r) It will comply with the Laboratory Animal Welfare Act of 1966, (7 U.S.C. 2131-2159), pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by an award of assistance under this Agreement;

(s) It will comply with Title VIII of the Civil Rights Act of 1968, (42 U.S.C 2000c and 42 U.S.C. 3601-3619), as amended, relating to non-discrimination in the sale, rental, or financing of housing, and Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color or national origin;

(t) It will comply with the Clean Air Act of 1955, as amended, 42 U.S.C. 7401-7642;

(u) It will comply with the Clean Water Act of 1977, as amended, 42 U.S.C. 7419-7626

(v) It will comply with the endangered Species Act of 1973, 16 U.S.C. 1531-1544;

(w) It will comply with the Intergovernmental Personnel Act of 1970, 42 U.S.C. 4728-4763;

(x) It will assist the awarding agency in assuring compliance with the National Historic Preservation Act of 1966, as amended, 16 U.S.C. 270;

(y) It will comply with environmental standards which may be prescribed pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4321-4347;

(z) It will assist the awarding agency in assuring compliance with the Preservation of Archeological and Historical Preservation Act of 1966, 16 U.S.C. 469a, et seq.;

(aa) It will comply with the Rehabilitation Act of 1973, Section 504, 29 U.S.C. 794, regarding non-discrimination;

(bb) It will comply with the environmental standards which may be prescribed pursuant to the Safe Drinking Water Act of 1974, 42 U.S.C. 300f-300j, regarding the protection of underground water sources;

(cc) It will comply with the requirements of Titles II and III of the Uniform Relocation Assistance and Property Acquisition Policies Act of 1970, 42 U.S.C. 4621-4638, which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or Federally assisted programs;

(dd) It will comply with the Wild and Scenic Rivers Act of 1968, 16 U.S.C. 1271-1287, related to protecting components or potential components of the national wild and scenic rivers system;

(ee) It will comply with the following Executive Orders: EO 11514 (NEPA); EO 11738 (violating facilities); EO 11988 (Floodplain Management); EO 11990 (Wetlands); and EO 12898 (Environmental Justice);

(ff) It will comply with the Coastal Barrier Resources Act of 1977, 16 U.S.C. 3510;

(gg) It will assure project consistency with the approved State program developed under the Coastal Zone Management Act of 1972, 16 U.S.C. 1451-1464; and

(hh) It will comply with the Fish and Wildlife Coordination Act of 1958, 16 U.S.C. 661-666.

(ii) With respect to demolition activities, it will:

(1) Create and make available documentation sufficient to demonstrate that the Sub-recipient and its demolition contractor have sufficient manpower and equipment to comply with the obligations as outlined in this Agreement.

(2) Return the property to its natural state as though no improvements had ever been contained thereon.

(3) Furnish documentation of all qualified personnel, licenses and all equipment necessary to inspect buildings located in the Sub-recipient's jurisdiction to detect the presence of asbestos and lead in accordance with requirements of the U.S. Environmental Protection Agency, the Florida Department of Environmental Protection and the County Health Department.

(4) Provide documentation of the inspection results for each structure to indicate:
   a. Safety Hazard Present
   b. Health Hazards Present
   c. Hazardous Materials Present

(5) Provide supervision over contractors or employees employed by the Sub-recipient to remove asbestos and lead from demolished or otherwise applicable structures.

(6) Leave the demolished site clean, level and free of debris.

(7) Notify the Division promptly of any unusual existing condition which hampers the contractor's work.

(8) Obtain all required permits.

(9) Provide addresses and marked maps for each site where water wells and septic tanks are to be closed along with the number of wells and septic tanks located on each site. Provide documentation of closures.

(10) Comply with mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

(11) Comply with all applicable standards, orders, or requirements issued under Section 112 and 306 of the Clean Air Act (42 U.S.C. 1857h), Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and the U.S. Environmental Protection Agency regulations (40 CFR, Part 15 and 61). This clause shall be added to any subcontracts.

(12) Provide documentation of public notices for demolition activities.

FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT INSTRUCTIONS AND WORKSHEET

PURPOSE: The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of this legislation is to empower every American with the ability to hold the government accountable for each spending decision. The FFATA legislation requires information on federal awards (federal assistance and expenditures) be made available to the public via a single, searchable website, which is http://www.usaspending.gov/.

The FFATA Sub-award Reporting System (FSRS) is the reporting tool the Florida Division of Emergency Management ("FDEM" or "Division") must use to capture and report sub-award and executive compensation data regarding first-tier sub-awards that obligate $25,000 or more in Federal funds (excluding Recovery funds as defined in section 1512(a) (2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5).

Note: This "Instructions and Worksheet" is meant to explain the requirements of the FFATA and give clarity to the FFATA Form distributed to sub-awardees for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

ORGANIZATION AND PROJECT INFORMATION

The following information must be provided to the FDEM prior to the FDEM's issuance of a sub-award (Agreement) that obligates $25,000 or more in federal funds as described above. Please provide the following information and return the signed form to the Division as requested.

PROJECT #: FMA-PJ-04-FL-2015-020

FUNDING AGENCY: Federal Emergency Management Agency

AWARD AMOUNT: $459,764.29

OBLIGATION/ACTION DATE: September 21, 2016

SUBAWARD DATE (if applicable): _____

DUNS#: _____

DUNS# +4: _____

*If your company or organization does not have a DUNS number, you will need to obtain one from Dun & Bradstreet at 866-705-5711 or use the web form (http://fedgov.dnb.com/webform). The process to request a DUNS number takes about ten minutes and is free of charge.

EXECUTIVE COMPENSATION INFORMATION:

1. 1. In your business or organization's previous fiscal year, did your business or organization (including parent organization, all branches, and all affiliates worldwide) receive (a) 80 percent or more of your annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act, as defined at 2 CFR 170.320; , (b) $25,000,000 or more in annual gross revenues from U.S. Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act?

   Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Does the public have access to information about the compensation of the executives in your business or organization (including parent organization, all branches, and all affiliates worldwide) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) Section 6104 of the Internal Revenue Code of 1986?

   Yes ☐ No ☐

If the answer to Question 2 is "Yes," move to the signature block below to complete the certification and submittal process. [Note: Securities Exchange Commission information should be accessible at http//www.sec.gov/answers/execomp.htm. Requests for Internal Revenue Service (IRS) information should be directed to the local IRS for further assistance.]

If the answer to Question 2 is "No" FFATA reporting is required. Provide the information required in the "TOTAL COMPENSATION CHART FOR MOST RECENTLY COMPLETED FISCAL YEAR" appearing below to report the "Total Compensation" for the five (5) most highly compensated "Executives", in rank order, in your organization. For purposes of this request, the following terms apply as defined in 2 CFR Ch. 1 Part 170 Appendix A:

"Executive" is defined as "officers, managing partners, or other employees in management positions".

"Total Compensation" is defined as the cash and noncash dollar value earned by the executive during the most recently completed fiscal year and includes the following:

i. Salary and bonus.

ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.

iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax-qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

Mandatory Contract Provisions

Provisions:

Any contract or subcontract funded by this Agreement must contain the applicable provisions outlined in Appendix II to 2 C.F.R. Part 200. It is the responsibility of the sub-recipient to include the required provisions. The Division provides the following list of sample provisions that may be required:

OMB Guidance **Pt. 200, App. II**

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141–3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701–3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

(I) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(J) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any

other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(K) See §200.322 Procurement of recovered materials.

APPENDIX III TO PART 200—INDIRECT (F&A) COSTS IDENTIFICATION AND ASSIGNMENT, AND RATE DETERMINATION FOR INSTITUTIONS OF HIGHER EDUCATION (IHES)

A. GENERAL

This appendix provides criteria for identifying and computing indirect (or indirect (F&A)) rates at IHEs (institutions). Indirect (F&A) costs are those that are incurred for common or joint objectives and therefore cannot be identified readily and specifically with a particular sponsored project, an instructional activity, or any other institutional activity. See subsection B.1. Definition of Facilities and Administration, for a discussion of the components of indirect (F&A) costs.

1. Major Functions of an Institution

Refers to instruction, organized research, other sponsored activities and other institutional activities as defined in this section:

a. *Instruction* means the teaching and training activities of an institution. Except for research training as provided in subsection b, this term includes all teaching and training activities, whether they are offered for credits toward a degree or certificate or on a non-credit basis, and whether they are offered through regular academic departments or separate divisions, such as a summer school division or an extension division. Also considered part of this major function are departmental research, and, where agreed to, university research.

(1) *Sponsored instruction and training* means specific instructional or training activity established by grant, contract, or cooperative agreement. For purposes of the cost principles, this activity may be considered a major function even though an institution's accounting treatment may include it in the instruction function.

(2) *Departmental research* means research, development and scholarly activities that are not organized research and, consequently, are not separately budgeted and accounted for. Departmental research, for purposes of this document, is not considered as a major function, but as a part of the instruction function of the institution.

b. *Organized research* means all research and development activities of an institution that are separately budgeted and accounted for. It includes:

(1) *Sponsored research* means all research and development activities that are sponsored by Federal and non-Federal agencies and organizations. This term includes activities involving the training of individuals in research techniques (commonly called research training) where such activities utilize the same facilities as other research and development activities and where such activities are not included in the instruction function.

(2) *University research* means all research and development activities that are separately budgeted and accounted for by the institution under an internal application of institutional funds. University research, for purposes of this document, must be combined with sponsored research under the function of organized research.

c. *Other sponsored activities* means programs and projects financed by Federal and non-Federal agencies and organizations which involve the performance of work other than instruction and organized research. Examples of such programs and projects are health service projects and community service programs. However, when any of these activities are undertaken by the institution without outside support, they may be classified as other institutional activities.

d. *Other institutional activities* means all activities of an institution except for instruction, departmental research, organized research, and other sponsored activities, as defined in this section; indirect (F&A) cost activities identified in this Appendix paragraph B, Identification and assignment of indirect (F&A) costs; and specialized services facilities described in §200.468 Specialized service facilities of this Part.

Examples of other institutional activities include operation of residence halls, dining halls, hospitals and clinics, student unions, intercollegiate athletics, bookstores, faculty housing, student apartments, guest houses, chapels, theaters, public museums, and other similar auxiliary enterprises. This definition also includes any other categories of activities, costs of which are "unallowable" to Federal awards, unless otherwise indicated in an award.

2. Criteria for Distribution

a. *Base period.* A base period for distribution of indirect (F&A) costs is the period during which the costs are incurred. The base period normally should coincide with the fiscal year established by the institution, but in any event the base period should be so selected as to avoid inequities in the distribution of costs.

b. *Need for cost groupings.* The overall objective of the indirect (F&A) cost allocation process is to distribute the indirect (F&A) costs described in Section B, Identification and assignment of indirect (F&A) costs, to

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12175 **County Administrator's Report 12. 1.**

RECOMMENDATION:

Recommendation Concerning Sponsoring the 4th Annual Celebrating Brownsville Community Festival - Tonya Gant, Neighborhood & Human Services Department Director

That the Board ratify the May 25, 2017, action of the Board of County Commissioners of Escambia County, acting in its capacity as the Escambia County Community Redevelopment Agency (CRA), approving to sponsor the 4th Annual Celebrating Brownsville Community Festival, in the Brownsville Redevelopment Area, with a budget not to exceed $10,000, to be funded through the Brownsville Tax Increment Financing (TIF).

[Funding Source: CRA Brownsville TIF Cost Center 370113]

BACKGROUND:

The purpose of this Celebrating Brownsville Community Festival is to provide free art shows, food, children activities, musical performances, educational workshops and serve as an outreach to the Brownsville and the Greater Pensacola communities. This event draws a wide range of talented artists who provide insights into the contemporary art scene, and demonstrate the true value of Brownsville's cultural diversity. This initiative serves to support the revitalization of Brownsville through the community's engagement in the arts. Our mission as it relates to cultural initiatives is to identify the cultural significance and arts potential of the Brownsville Community Redevelopment Area and incorporate these unique characteristics into projects, programs, and events which encourage reinvestment, promote economic development, and enhance the community. This event will take at the Brownsville Community Resource Center at 3200 West Desoto Drive on Saturday, August 5, 2017 from 11:00 a.m. to 4:00 p.m. A rendering of the site and preliminary budget are attached.

BUDGETARY IMPACT:

Funding for the Festival will be provided through the Brownsville TIF, Fund 151, Cost Center 370113.

LEGAL CONSIDERATIONS/SIGN-OFF:

There is no legal consideration required.

PERSONNEL:

Neighborhood and Human Services Department/Community Redevelopment Agency (NHS/CRA) staff will handle coordination and organization of this event.

POLICY/REQUIREMENT FOR BOARD ACTION:

Board approval is required for disbursement of funds to all private individuals or outside agencies.

IMPLEMENTATION/COORDINATION:

NHS/CRA staff, in coordination with other outside agencies and community partners, will implement and carry out the duties of the festival event.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12178 **County Administrator's Report 12. 2.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/25/2017
Issue: Commercial Facade, Landscape, and Infrastructure Grant Program Funding and Lien Agreements
From: Tonya Gant, Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Commercial Facade, Landscape, and Infrastructure Grant Program Funding and Lien Agreements for property located at 3706 Navy Boulevard - Tonya Gant, Neighborhood & Human Services Department Director

That the Board ratify the following May 25, 2017, action of the Board of County Commissioners of Escambia County, acting in its capacity as the Escambia County Community Redevelopment Agency (CRA),concerning the Commercial Facade, Landscape, and Infrastructure Grant Program Funding and Lien Agreements for property located at 3706 Navy Boulevard:

A. Approving the Commercial Facade, Landscape, and Infrastructure Grant Funding and Lien Agreements between Escambia County CRA and Nedal Mohammad, owner of commercial property located at 3706 Navy Boulevard, Pensacola, Florida, in the Warrington Redevelopment District, each in the amount of $10,000, representing an in-kind match through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114, and/or Neighborhood Enterprise Division (NED), 2013 Community Development Block Grant (CDBG), Fund 129, Cost Center 370218, for restoration of architectural features; and

B. Authorizing the Chairman to sign the Funding and Lien Agreements and any related documents necessary to implement this Grant award.

BACKGROUND:

The CRA created the matching Grant programs to be implemented within the County's redevelopment districts. The intent of the matching Grant programs is to incentize private investment to upgrade the appearance, property values, and economic activity on selected commercial corridors and/or residential properties. A rendering of the project is attached.

BUDGETARY IMPACT:

Funding for the Grant will be provided as follows;
Nedal Mohammad, Warrington TIF, Fund 151, Cost Center 370114, and/or NED 2013 CDBG, Fund 129, Cost Center 370218, in the amount of $10,000.

LEGAL CONSIDERATIONS/SIGN-OFF:

The Funding and Lien Agreements were reviewed and approved as to form and legal sufficiency by Kristin Hual, Assistant County Attorney.

PERSONNEL:

Neighborhood & Human Services Department/Community Redevelopment Agency (NHS/CRA) staff will handle this Grant award.

POLICY/REQUIREMENT FOR BOARD ACTION:

Board approval is required for disbursement of funds to all private individuals or outside agencies.

IMPLEMENTATION/COORDINATION:

NHS/CRA staff, in coordination with the property owner, will handle all implementation tasks.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
COMMERCIAL FAÇADE, LANDSCAPE, AND INFRASTRUCTURE GRANT
PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Nedal Mohammad,** (the "Recipient"), owner of commercial property located at **3706 Navy Boulevard** Pensacola, Florida, **32507**.

WITNESSETH:

WHEREAS, the CRA has established the **Commercial Façade, Landscape, and Infrastructure Grant Program** (the "Program") to provide Grants to qualified businesses for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient has applied for a Grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program Grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. Commercial Façade, Landscape and Infrastructure Grant Program: The CRA awards to the Recipient a Program Grant in the total amount of **$10,000**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I,** which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$10,000,** which shall be comprised of a cash contribution of **$10,000.**

4. Project: The Project funded by the Grant is defined in **EXHIBIT I**. The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th** day of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless Escambia County and the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use as it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of Grant funds disbursed under this Agreement.

11. Property Owner as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not an employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the Grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, proof of payment, Davis Bacon federal procurement documents, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The

Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project, and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of six (6) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:
Max Rogers, AICP, Development Program Manager
Neighborhood & Human Services Department
Community Redevelopment Agency
221 Palafox Place, Suite 305
Pensacola, Florida 32502

Recipient:
Nedal Mohammad
3706 Navy Boulevard
Pensacola, FL 32507

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. Federal Labor Standards/Prevailing Wage: Recipient acknowledges that improvements constructed with the proceeds of the grant constitute construction, alteration, demolition, installation, or repair work that may be funded, in whole or part, with federal funds. To the extent that such laws apply, the Recipient shall comply with all applicable federal, state and local laws and regulations pertaining to fair labor standards and payment of prevailing wages (collectively, "Labor Laws"), including but not limited to, the Federal Labor Standards as stated in Exhibit II.

When required to comply with Labor Laws, Recipient shall (i) require its contractors and subcontractors to submit certified copies of payroll records to Recipient; (ii) maintain complete copies of such certified payroll records; and (iii) make such records available to County and its designees for inspection and copying during regular business hours.

Recipient shall defend, indemnify and hold harmless the County and its officers, employees, volunteers, agents and representatives from and against any and all present and future claims, arising out of or in any way connected with Recipient's obligation to comply with any Labor Laws, including all claims that may be made by contractors, subcontractors or other third party claimants.

22. Procurement of Goods and Services from Minority and Women-Owned Businesses. In performing this Agreement, Recipient agrees to use diligent efforts to purchase goods and services from qualified contractors, subcontractors and suppliers where at least fifty-one percent of the Partnership of such contractor, subcontractor or supplier is vested in racial or ethnic minorities or women, whenever such goods and services are comparable in availability, quality and price. In the selection of subcontractors, suppliers or other persons in organizations proposed for work on this Agreement, Recipient agrees to consider this policy and to use its reasonable and best efforts to select and employ such company and persons for work on this contract.

23. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

24. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

25. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

26. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

27. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

EXHIBIT I

COMMERCIAL FACADE, LANDSCAPE, AND INFRASTRUCTURE GRANT PROJECT

Property Owner: **Nedal Mohammad**
Property Address: **3706 Navy Boulevard, Pensacola, FL 32507**

The "Project" includes the following improvements to the above referenced property:

Restoration of Architectural Features

Escambia County Community Redevelopment Agency
Commercial Façade, Landscape, and Infrastructure Grant Program
Administered By: Escambia County Neighborhood & Human Services Department
Community Redevelopment Agency

Lien Agreement

Applicant Name	Address of Property	Property Reference No.
Nedal Mohammad	**3706 Navy Boulevard Pensacola, Florida 32507**	**38-2S-30-1000-003-002**

Total Amount of Lien **$10,000**

I, the undersigned owner of the commercial property referenced above, agree that the improved commercial property will continue to be operated for the commercial use approved by the Escambia County Community Redevelopment Agency (CRA) for a period of not less than one (1) year from the date this lien agreement is recorded in the public records. I will not sell, lease, or transfer ownership or possession of the property to any other person, persons, corporation or other legal entity during this one (1) year period without the express written permission of the CRA. Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

Further, in the event that the commercial property is the subject of an existing lease, I will notify the CRA at least sixty (60) days prior to any change in the current tenant(s); and I will obtain the approval of the CRA before leasing the property to a new tenant. Such permission shall not be unreasonably withheld.

The lien shall be due and payable in total for a period of one (1) year from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Commercial Façade, Landscape and Infrastructure Grant Program,** and one (1) year subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties, the property is leased to a business without the approval of the CRA, or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the one (1) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

I warrant that the property is not homestead as defined by the Constitution and laws of the State of Florida.

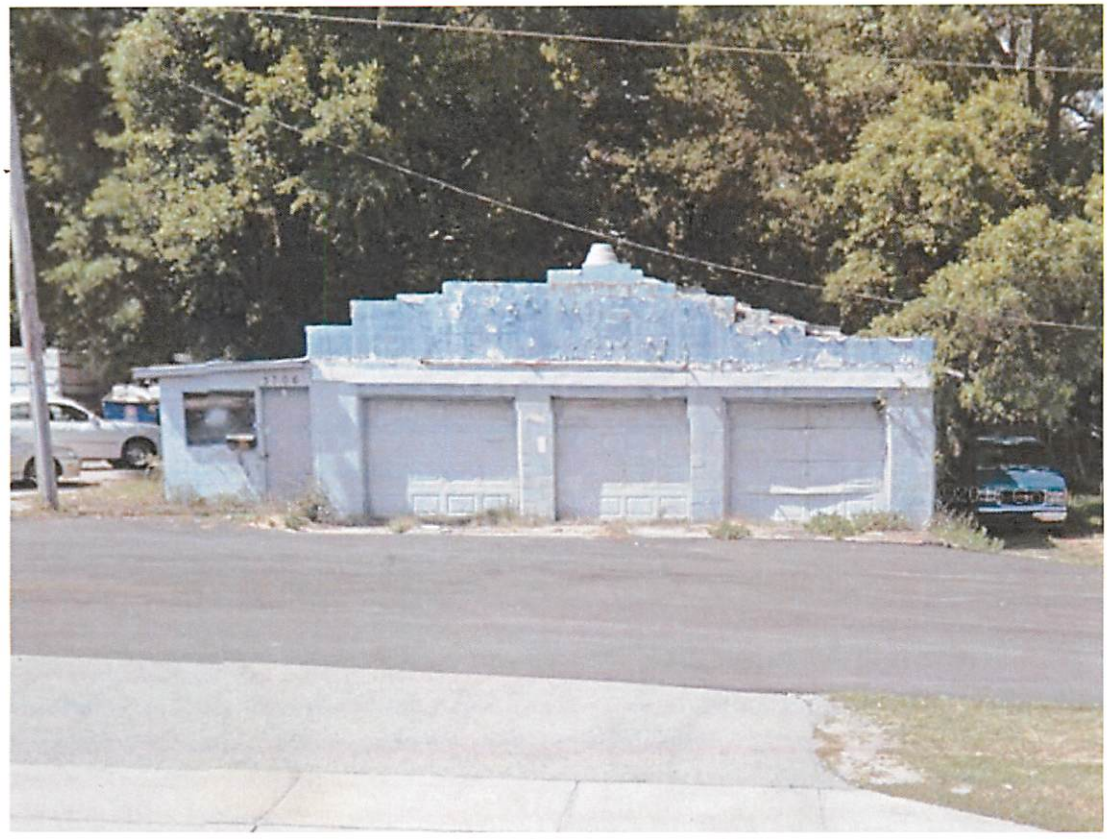
A. Attention is called to the contractor's guide to *Making Davis Bacon Work, which is* available at the following website: https://www.hudexchange.info/resource/2541/making-davis-bacon-work-contractors-guide-prevailing-wage-requirements/

B. The Davis Bacon Act (DBA) requires the payment of prevailing wage rates (which are determined by the U.S. Department of Labor) to all laborers and mechanics on Federal government construction projects in excess of $2,000 (total construction costs). The most current prevailing wage rates by worker classification will be provided to Recipient. Not less than these established rates must be paid on the project for each classification.

C.. The Contract Work Hours and Safety Standards Act (CWHSSA) establishes requirements for payment of overtime and penalties for violations. The CWHSSA requires time and one-half pay for overtime hours, which are defined as all hours worked in excess of forty (40) hours in any given work week. Penalties for violations may include liquidated damages equal to $10 per day, per violation and payment of restitution for unpaid overtime.



D. The prime Contractor is responsible and will be held liable for any wage restitution that is due to any worker employed in the construction of the project, including workers employed by subcontractors and any lower-tier subcontractors. The Contract Administrator shall cause withholding from payments due to the prime contractor or Recipient to ensure that the payment of wages which are believed to be due and unpaid, for example, if wage underpayments or other violations are not corrected within thirty (30) days after notification to the prime contractor.

E. The Copeland (Anti-Kickback) Act establishes laws prohibiting the payment of "kickbacks" to work on federally assisted projects, requires every employer to submit weekly payroll reports, and regulates permissible employee payroll deductions. The Copeland Act also provides a basis for contract termination and criminal prosecution pursuant to 18 U.S.C. 874.

F. The Fair Labor Standards Act (FLSA) includes Federal minimum wage rates, overtime pay, and child labor regulations.

G. No portion of this Agreement shall be construed to prohibit payment to any laborer, workman, or mechanic of more than the stated prevailing or minimum wage rate. It shall be the responsibility of the Recipient/Contractor to maintain an adequate work force whether higher wages are required or not.

H. The Contractor or subcontractor violating these requirements may be determined ineligible to bid on or receive any additional work during the calendar year following the year in which the violation occurred.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12177 **County Administrator's Report 12. 3.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/25/2017
Issue: Cancellation of Residential Rehab Grant Program Liens
From: Tonya Gant, Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Cancellation of Residential Rehab Grant Program Liens - Tonya Gant, Neighborhood & Human Services Department Director

That the Board ratify the following May 25, 2017, action of the Board of County Commissioners of Escambia County, acting in its capacity as the Escambia County Community Redevelopment Agency (CRA), concerning the cancellation of the Residential Rehab Grant Program Liens:

A. Approving the following cancellations of 13 Residential Rehab Grant Program Liens, as the Grant recipients have met their one-year of compliance with the Residential Grant Program:

Property Owners	Address	Amount
Fireside Promenade, LLC,	315 East Palmetto Avenue	$5,638
Joseph M. Baudendistel	516 Syrcle Drive	$5,605
Colin West, Brittany Ortega, and Robert E. West, Jr.	106 Payne Road	$1,250
Robert E. Jr., and Sandra L. West	112 Southeast Kalash Road	$1,250
F.E. Miller and Betty M. Smith	312 Sunset Avenue	$2,050
Mary L. Miller	702 Roxanne Lane	$2,687
Terry J. and Mary E. Teschel	316 Payne Road	$4,450
Terry J. Teschel	314 Payne Road	$2,600
Jack M. Stringfield	638 Lakewood Road	$4,625
Evan L. Jr., and Sheila Feltner	5 Audusson Avenue	$3,475
Paul C. and Sabine M. Barrett	203 Edgewater Drive	$4,345
Mary L. Broughton	839 Lucerne Avenue	$4,210
John K. Little and Mei Hung Chu	205 Aster Street	$3,866

B. Authorizing the Chairman to execute the Cancellation of Lien documents.

BACKGROUND:

The aforementioned property owners have satisfied their one-year compliance with the Residential Rehab Grant Program.

BUDGETARY IMPACT:

There will be no budgetary impact.

LEGAL CONSIDERATIONS/SIGN-OFF:

Kristin Hual, Assistant County Attorney, has reviewed and approved the Cancellation of Lien documents as to form and legal sufficiency.

PERSONNEL:

Neighborhood & Human Services/Community Redevelopment Agency (NHS/CRA) staff coordinates the Residential Rehab Grant Program and all associated administrative functions.

POLICY/REQUIREMENT FOR BOARD ACTION:

Current practice requires Board approval for Residential Rehab Grant Program lien cancellation.

IMPLEMENTATION/COORDINATION:

Upon obtaining the Chairman's signature, the Clerk of Court will record the Cancellation of Lien documents for the owners.

Lien Agreement

Applicant Name	Address of Property	Property Reference No.
Fireside Promenade, LLC	**315 East Palmetto Avenue Pensacola, FL 32507**	**50-2S-30-7050-004-008**

Verified By: [signature] Date: 3/17/2016

Total Amount of Lien **$5,638**

I, the undersigned owner of the residential property referenced above, agree that the improved residential property will continue to be used for residential purposes for a period of not less than one (1) year from the date this lien agreement is recorded in the public records. I will not sell or transfer ownership or possession of the property to any other person, persons, corporation or other legal entity during this one (1) year period without the express written permission of the CRA. Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

The lien shall be due and payable in total for a period of one (1) year from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Residential Rehab Grant Program,** and one (1) year subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the one (1) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

Mary L. Miller	**702 Roanne Lane** **Pensacola, FL 32505**	**10-2S-30-1001-008-004**

Total Amount of Lien **$2,687**

Date: 2/22/2016 Verified By: G. Carew

I, the undersigned owner of the residential property referenced above, agree that the improved residential property will continue to be used for residential purposes for a period of not less than one (1) year from the date this lien agreement is recorded in the public records. I will not sell, lease, or transfer ownership or possession of the property to any other person, persons, corporation or other legal entity during this one (1) year period without the express written permission of the CRA. Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

The lien shall be due and payable in total for a period of one (1) year from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Residential Rehab Grant Program,** and one (1) year subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties, the property is leased to a tenant without the approval of the CRA, or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the one (1) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

The lien shall be due and payable in total for a period of one (1) year from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Residential Rehab Grant Program,** and one (1) year subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties, the property is leased to a tenant without the approval of the CRA, or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the one (1) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

RECOMMENDATION:

Recommendation Concerning Residential Rehab Grant Program Funding and Lien Agreements - Tonya Gant, Neighborhood & Human Services Department Director

That the Board ratify the following May 25, 2017, action of the Board of County Commissioners of Escambia County, acting in its capacity as the Escambia County Community Redevelopment Agency (CRA), concerning the Residential Rehab Grant Program Funding and Lien Agreements:

A. Approving the following 13 Residential Rehab Grant Program Funding and Lien Agreements:

1. The Agreements between Escambia County CRA and Ronnie Katona, owner of residential property located at 103 Kalash Road, Warrington Redevelopment District, each in the amount of $1,425 representing an in-kind match through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114, for sanitary sewer connection;

2. The Agreements between Escambia County CRA and Mavis Shelby Rosetti, owner of residential property located at 4117 West Belmont Street, Brownsville Redevelopment District, each in the amount of $3,812 representing an in-kind match through the Brownsville Tax Increment Financing (TIF), Fund 151, Cost Center 370113, to replace roof;

3. The Agreements between Escambia County CRA and Jay A. Yedrysek, owner of residential property located at 209 Greve Road, Warrington Redevelopment District, each in the amount of $1,300 representing an in-kind match through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114, for sanitary sewer connection;

4. The Agreements between Escambia County CRA and Richard L. Burdess, owner of

residential property located at 116 West Sunset Avenue, Warrington Redevelopment District, each in the amount of $3,276 representing an in-kind match through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114, to install new windows;

5. The Agreements between Escambia County CRA and Edward G. and Sandra L. Wilson, owners of residential property located at 414 Greve Road, Warrington Redevelopment District, each in the amount of $3,846 representing an in-kind match through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114, to install new windows;

6. The Agreements between Escambia County CRA and Michael E. Jackson, owner of residential property located at 817 North Green Street, Brownsville Redevelopment District, each in the amount of $2,380 representing an in-kind match through the Brownsville Tax Increment Financing (TIF), Fund 151, Cost Center 370113, to replace roof;

7. The Agreements between Escambia County CRA and James C. and Cheryl I. Tellefson, owners of residential property located at 202 Bryant Road, Warrington Redevelopment District, each in the amount of $4,687 representing an in-kind match through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114, to install new central heating and air conditioning system;

8. The Agreements between Escambia County CRA and Richard Devereux, owner of residential property located at 502 Bryant Road, Warrington Redevelopment District, each in the amount of $3,788 representing an in-kind match through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114, to install new windows;

9. The Agreements between Escambia County CRA and John W. and Kelly A. Gilkerson, owners of residential property located at 121 Gilliland Road, Warrington Redevelopment District, each in the amount of $3,867 representing an in-kind match through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114,for electrical rewiring;

10. The Agreements between Escambia County CRA and Jeffrey K. Higgins, owner of residential property located at 301 Lakewood Road, Barrancas Redevelopment District, each in the amount of $3,600 representing an in-kind match through the Barrancas Tax Increment Financing (TIF), Fund 151, Cost Center 370116, to replace roof;

11. The Agreements between Escambia County CRA and Travelstar Properties, LLC, owner of residential property located at 211 Lakewood Road, Barrancas Redevelopment District, each in the amount of $3,050 representing an in-kind match through the Barrancas Tax Increment Financing (TIF), Fund 151, Cost Center 370116, to replace roof;

12. The Agreements between Escambia County CRA and Marjory E. Tandy, owner of residential property located at 16 Ruberia Avenue, Barrancas Redevelopment District, each in the amount of $1,887 representing an in-kind match through

the Barrancas Tax Increment Financing (TIF), Fund 151, Cost Center 370116, to replace roof;

13. The Agreements between Escambia County CRA and Kim M. and Randy Conradson, owner of residential property located at 707 Rue Max Street, Barrancas Redevelopment District, each in the amount of $1,825 representing an in-kind match through the Barrancas Tax Increment Financing (TIF), Fund 151, Cost Center 370116, for sanitary sewer connections; and

B. Authorizing the Chairman to sign the Funding and Lien Agreements and any related documents necessary to implement the Grant awards.

BACKGROUND:

The intent of the matching Grant program is to promote private investment which will upgrade the appearance, property values, and economic activity for commercial and residential properties within the designated CRA areas. A rendering of each project is attached.

BUDGETARY IMPACT:

Funding for the Grants will be provided as follows:

1. Ronnie Katona, Warrington TIF, Cost Center 370114, in the amount of $ 1,425
2. Mavis Shelby Rosetti, Brownsville TIF, Cost Center 370113, in the amount of $3,812
3. Jay A. Yedrysek, Warrington TIF, Cost Center 370114, in the amount of $1,300
4. Richard L. Burdess, Warrington TIF, Cost Center 370114, in the amount of $3,276
5. Edward G. and Sandra L. Wilson, Warrington TIF, Cost Center 370114, in the amount of $3,846
6. Michael Jackson, Brownsville TIF, Cost Center 370113. in the amount of $2,380
7. James C. and Cheryl I. Tellefson, Warrington TIF, Cost Center 370114, in the amount of $4,687
8. Richard Devereux, Warrington TIF, Cost Center 370114, in the amount of $3,788
9. John W. and Kelly A. Gilkerson, Warrington TIF, Cost Center 370114, in the amount of $3,867
10. Jeffrey K. Higgins, Barrancas TIF, Cost Center 370116, in the amount of $3,600
11. Travelstar Properties, Barrancas TIF, Cost Center 370116, in the amount of $3,050
12. Marjory E. Tandy, Barrancas TIF, Cost Center 370116, in the amount of $1,887
13. Kim M. and Randy Conradson, Barrancas TIF, Cost Center 370116, in the amount of $1,825

LEGAL CONSIDERATIONS/SIGN-OFF:

The Funding and Lien Agreements were reviewed and approved as to form and legal sufficiency by the County Attorney's Office.

PERSONNEL:

Neighborhood & Human Services/Community Redevelopment Agency (NHS/CRA) staff will handle these Grant awards.

POLICY/REQUIREMENT FOR BOARD ACTION:

Board approval is required for disbursement of funds to all private individuals or outside agencies.

IMPLEMENTATION/COORDINATION:

NHS/CRA staff, in coordination with the property owner, handles all implementation tasks. NHS/CRA staff will monitor the work in progress and will be responsible for compiling the necessary documentation prior to the Grant award.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Ronnie Katona,** (the "Recipient"), owner of residential property located at **103 Kalash Road,** Pensacola, Florida, **32507**.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient has applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the total amount of **$1,425**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$1,425**, which shall be comprised of a cash contribution of **$1,425**.

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th day** of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:
Max Rogers, AICP
Development Program Manager
Neighborhood and Human Services Dept.
Community Redevelopment Agency
221 Palafox Place, Ste. 305
Pensacola, Florida 32502

Recipient:
Ronnie Katona
103 Kalash Road
Pensacola, FL 32507

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

Lien Agreement

Applicant Name	Address of Property	Property Reference No.
Ronnie Katona	**103 Kalash Road** **Pensacola, FL 32507**	**50-2S-30-6090-534-025**

Total Amount of Lien **$1,425**

I, the undersigned owner of the residential property referenced above, agree that the improved residential property will continue to be used for residential purposes for a period of not less than one (1) year from the date this lien agreement is recorded in the public records. I will not sell or transfer ownership or possession of the property to any other person, persons, corporation or other legal entity during this one (1) year period without the express written permission of the CRA. Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

The lien shall be due and payable in total for a period of one (1) year from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Residential Rehab Grant Program,** and one (1) year subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the one (1) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Mavis Shelby Rosetti** (the "Recipient"), owner of residential property located at **4117 West Belmont Street,** Pensacola, Florida, **32505**.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient have applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the maximum amount of **$3,812**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$3,812**, which shall be comprised of a cash contribution of **$3,812**.

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th** day of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:
Sherry Duffey, Development Program Manager
Neighborhood & Human Services Department
Community Redevelopment Agency
221 Palafox Place
Pensacola, Florida 32502

Recipient(s):
Mavis Shelby Rosetti
4117 West Belmont Street
Pensacola, FL 32505

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

Administered By: Escambia County Community & Environment Department
Community Redevelopment Agency

Lien Agreement

Applicant Name(s)	Address of Property	Property Reference No.
Mavis Shelby Rosetti	**4117 West Belmont Street Pensacola, FL 32505**	**34-2S-30-0251-000-022**

Total Amount of Lien **$3,812**

I, the undersigned owner of the residential property referenced above, agree that the improved residential property will continue to be used for residential purposes for a period of not less than one (1) year from the date this lien agreement is recorded in the public records. I will not sell or transfer ownership or possession of the property to any other person, persons, corporation or other legal entity during this one (1) year period without the express written permission of the CRA. Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

The lien shall be due and payable in total for a period of one (1) year from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Residential Rehab Grant Program,** and one (1) year subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the one (1) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Jay A. Yedrysek,** (the "Recipient"), owner of residential property located at **209 Greve Road,** Pensacola, Florida, **32507**.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient has applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the total amount of **$1,300**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$1,300**, which shall be comprised of a cash contribution of **$1,300**.

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th day** of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under *this* Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:
Max Rogers, AICP
Development Program Manager
Neighborhood and Human Services Dept.
Community Redevelopment Agency
221 Palafox Place, Ste. 305
Pensacola, Florida 32502

Recipient:
Jay A. Yedrysek
209 Greve Road
Pensacola, FL 32507

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Richard L. Burdess,** (the "Recipient"), owner of residential property located at **116 West Sunset Avenue,** Pensacola, Florida, **32507**.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient has applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the total amount of **$3,276**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$3,276**, which shall be comprised of a cash contribution of **$3,276**.

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th day** of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:
Max Rogers, AICP
Development Program Manager
Neighborhood and Human Services Dept.
Community Redevelopment Agency
221 Palafox Place, Ste. 305
Pensacola, Florida 32502

Recipient:
Richard L. Burdess
116 West Sunset Avenue
Pensacola, FL 32507

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

Lien Agreement

Applicant Name	Address of Property	Property Reference No.
Richard L. Burdess	**116 West Sunset Avenue** **Pensacola, FL 32507**	**51-2S-30-7060-011-009**

Total Amount of Lien **$3,276**

I, the undersigned owner of the residential property referenced above, agree that the improved residential property will continue to be used for residential purposes for a period of not less than one (1) year from the date this lien agreement is recorded in the public records. I will not sell or transfer ownership or possession of the property to any other person, persons, corporation or other legal entity during this one (1) year period without the express written permission of the CRA. Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

The lien shall be due and payable in total for a period of one (1) year from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Residential Rehab Grant Program,** and one (1) year subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the one (1) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Edward G. and Sandra L. Wilson,** (the "Recipient(s)"), owner of residential property located at **414 Greve Road,** Pensacola, Florida, **32507**.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient have applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the maximum amount of **$3,846**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$3,846**, which shall be comprised of a cash contribution of **$3,846.**

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th** day of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:	*Recipient(s):*
Max Rogers, AICP, Development Program Mgr.	Edward G. and Sandra L. Wilson
Neighborhood & Human Services Dept.	414 Greve Road
Community Redevelopment Agency	Pensacola, FL 32507
221 Palafox Place, Ste. 305	
Pensacola, Florida 32502	

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Michael E. Jackson** (the "Recipient"), owner of residential property located at **817 North Green Street,** Pensacola, Florida, **32505**.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient have applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the maximum amount of **$2,380**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$2,380**, which shall be comprised of a cash contribution of **$2,380**.

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th** day of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:
Sherry Duffey, Development Program Manager
Neighborhood & Human Services Department
Community Redevelopment Agency
221 Palafox Place
Pensacola, Florida 32502

Recipient(s):
Michael E. Jackson
817 North Green Street
Pensacola, FL 32505

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

Michael E. Jackson	**817 North Green Street** **Pensacola, FL 32505**	**34-2S-30-0860-005-001**

Total Amount of Lien **$2,380**

I, the undersigned owner of the residential property referenced above, agree that the improved residential property will continue to be used for residential purposes for a period of not less than one (1) year from the date this lien agreement is recorded in the public records. I will not sell or transfer ownership or possession of the property to any other person, persons, corporation or other legal entity during this one (1) year period without the express written permission of the CRA. Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

The lien shall be due and payable in total for a period of one (1) year from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Residential Rehab Grant Program,** and one (1) year subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the one (1) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **James C. and Cheryl I. Tellefson,** (the "Recipient(s)"), owner of residential property located at **202 Bryant Road,** Pensacola, Florida, **32507**.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient have applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the maximum amount of **$4,687**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$4,687**, which shall be comprised of a cash contribution of **$4,687.**

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th** day of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:
Max Rogers, AICP, Development Program Mgr.
Neighborhood & Human Services Dept.
Community Redevelopment Agency
221 Palafox Place, Ste. 305
Pensacola, Florida 32502

Recipient(s):
James C. and Cheryl I. Tellefson
202 Bryant Road
Pensacola, FL 32507

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Richard Devereux,** (the "Recipient"), owner of residential property located at **502 Greve Road,** Pensacola, Florida, **32507**.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient has applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the total amount of **$3,788**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$3,788**, which shall be comprised of a cash contribution of **$3,788**.

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th day** of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

Recipient:
Richard Devereux
502 Greve Road
Pensacola, FL 32507

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **John W. and Kelly A. Gilkerson,** (the "Recipient(s)"), owner of residential property located at **121 Gilliland Road ,** Pensacola, Florida, **32507**.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient have applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the maximum amount of **$3,867**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$3,867**, which shall be comprised of a cash contribution of **$3,867.**

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th** day of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:
Max Rogers, AICP, Development Program Mgr.
Neighborhood & Human Services Dept.
Community Redevelopment Agency
221 Palafox Place, Ste. 305
Pensacola, Florida 32502

Recipient(s):
John W. and Kelly A. Gilkerson
121 Gilliland Road
Pensacola, FL 32507

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

RESIDENTIAL REHAB GRANT PROJECT

Property Owner(s): **John W. and Kelly A. Gilkerson**
Property Address: **121 Gilliland Road, Pensacola, Florida, 32507**

The "Project" includes the following improvement to the above referenced property:

Electrical rewiring.

Escambia County Community Redevelopment Agency
Residential Rehab Grant Program
Administered By: Escambia County Neighborhood and Human Services Department
Community Redevelopment Agency

Lien Agreement

Applicant Name(s)	Address of Property	Property Reference No.
John W. and Kelly A. Gilkerson	**121 Gilliland Road Pensacola, FL 32507**	**50-2S-30-6090-524-024**

Total Amount of Lien **$3,867**

I, the undersigned owner of the residential property referenced above, agree that the improved residential property will continue to be used for residential purposes for a period of not less than one (1) year from the date this lien agreement is recorded in the public records. I will not sell or transfer ownership or possession of the property to any other person, persons, corporation or other legal entity during this one (1) year period without the express written permission of the CRA. Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

The lien shall be due and payable in total for a period of one (1) year from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Residential Rehab Grant Program,** and one (1) year subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the one (1) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Jeffrey K. Higgins** (the "Recipient"), owner of residential property located at **301 Lakewood Road,** Pensacola, Florida, **32507**.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient have applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the maximum amount of **$3,600**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$3,600**, which shall be comprised of a cash contribution of **$3,600**.

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th** day of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:
Sherry Duffey, Development Program Manager
Neighborhood & Human Services Department
Community Redevelopment Agency
221 Palafox Place
Pensacola, Florida 32502

Recipient(s):
Jeffrey K. Higgins
301 Lakewood Road
Pensacola, FL 32507

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Marjory E. Tandy** (the "Recipient"), owner of residential property located at **16 Ruberia Avenue,** Pensacola, Florida, **32507**.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient have applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the maximum amount of **$1,887**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$1,887**, which shall be comprised of a cash contribution of **$1,887**.

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th** day of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:
Sherry Duffey, Development Program Manager
Neighborhood & Human Services Department
Community Redevelopment Agency
221 Palafox Place
Pensacola, Florida 32502

Recipient(s):
Marjory E. Tandy
16 Ruberia Avenue
Pensacola, FL 32507

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

Lien Agreement

Applicant Name(s)	Address of Property	Property Reference No.
Marjory E. Tandy	**16 Ruberia Avenue** **Pensacola, FL 32507**	**59-2S-30-1000-051-012**

Total Amount of Lien **$1,887**

I, the undersigned owner of the residential property referenced above, agree that the improved residential property will continue to be used for residential purposes for a period of not less than one (1) year from the date this lien agreement is recorded in the public records. I will not sell or transfer ownership or possession of the property to any other person, persons, corporation or other legal entity during this one (1) year period without the express written permission of the CRA. Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

The lien shall be due and payable in total for a period of one (1) year from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Residential Rehab Grant Program,** and one (1) year subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the one (1) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Kim M. and Randy Conradson** (the "Recipient's"), owners of residential property located at **707 Rue Max Street,** Pensacola, Florida, **32507**.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient have applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the maximum amount of **$1,825**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$1,825**, which shall be comprised of a cash contribution of **$1,825**.

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th** day of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:
Sherry Duffey, Development Program Manager
Neighborhood & Human Services Department
Community Redevelopment Agency
221 Palafox Place
Pensacola, Florida 32502

Recipient(s):
Kim M. and Randy Conradson
707 Rue Max Street
Pensacola, FL 32507

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

Meeting Date: 05/25/2017
Issue: Commercial Sign Grant Program Funding Agreement
From: Tonya Gant, Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Commercial Sign Grant Program Funding Agreement - Tonya Gant, Neighborhood and Human Services Department Director

That the Board ratify the following May 25, 2017, action of the Board of County Commissioners of Escambia County, acting in its capacity as the Escambia County Community Redevelopment Agency (CRA), concerning the Commercial Sign Grant Program Funding Agreement for the property located at 3706 Navy Boulevard:

A. Approving the Commercial Sign Grant Program Funding Agreement between Escambia County CRA and Nedal Mohammad, owner of commercial property located at 3706 Navy Boulevard, Pensacola, Florida, in the Warrington Redevelopment District, in the amount of $1,756, representing an in-kind match through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114, and/or Neighborhood Enterprise Division (NED) 2013 Community Development Block Grant (CDBG), Fund 129, Cost Center 370218, to install a new sign; and

B. Authorizing the Chairman to sign the Funding Agreement and any related documents necessary to implement this Grant award.

BACKGROUND:

On May 25, 2017 a CRA meeting was convened to consider approval of the aforementioned actions between the Escambia County CRA and Nedal Mohammad. A rendering of the project is attached.

BUDGETARY IMPACT:

Funding for the Grant will be provided through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114, and/or NED 2013 CDBG, Fund 129, Cost Center 370218.

LEGAL CONSIDERATIONS/SIGN-OFF:

The Funding Agreement was reviewed and approved as to form and legal sufficiency by Kristin Hual, Assistant County Attorney.

PERSONNEL:

Neighborhood & Human Services Department/Community Redevelopment Agency (NHS/CRA) staff will handle this Grant award.

POLICY/REQUIREMENT FOR BOARD ACTION:

Board approval is required for disbursement of funds to all private individuals or outside agencies.

IMPLEMENTATION/COORDINATION:

NHS/CRA staff, in coordination with the property owner(s), handles all implementation tasks. NHS/CRA staff will monitor the work in progress and will be responsible for compiling the necessary documentation prior to the Grant award.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
COMMERCIAL SIGN GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **25th** day of **May 2017,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Nedal Mohammad,** (the "Recipient"), owner of commercial property located at **3706 Navy Boulevard,** Pensacola, Florida, **32507**.

WITNESSETH:

WHEREAS, the CRA has established the **Commercial Sign Grant Program** (the "Program") to provide Grants to qualified businesses for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient has applied for a Grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program Grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. Commercial Sign Grant Program: The CRA awards to the Recipient a Program Grant in the maximum amount of **$1,756**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I,** which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$1,756,** which shall be comprised of a cash contribution of **$1,756.**

4. Project: The Project funded by the Grant is defined in **EXHIBIT I**. The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **25th** day of **May 2017**, and the Project shall be complete on or before the **25th** day of **August 2017,** (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may Grant the extension. However, the CRA's agreement to Grant the extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use as it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of Grant funds disbursed under this Agreement.

11. Property Owner as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not an employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the Grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names

and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project, and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:
Max Rogers, AICP, Development Program Manager
Community & Environment Department
221 Palafox Place, Suite 305
Pensacola, Florida 32502

Recipient:
Nedal Mohammad
3706 Navy Boulevard
Pensacola, FL 32507

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

Escambia County, Florida

AI-12263 **County Administrator's Report 12. 6.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/25/2017
Issue: Amendment #2 to State Housing Initiatives Partnership Program Interlocal Agreement with the Town of Century
From: Tonya Gant, Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Amendment #2 to the State Housing Initiatives Partnership Program Interlocal Agreement with the Town of Century - Tonya Gant, Neighborhood & Human Services Department Director

That the Board take the following action concerning Amendment #2 to the State Housing Initiatives Partnership (SHIP) Program Interlocal Agreement with the Town of Century:

A. Approve Amendment #2 to the Interlocal Agreement for SHIP Housing Repair Assistance Project with the Town of Century to permit non-disaster applicants to apply for SHIP funds to support housing repair activities within the Town of Century; and

B. Authorize the Chairman or Vice Chairman to execute the Amendment and all Project-related documents as required to implement the Project.

[Funding: Fund 120/2015, 2016 SHIP, or 2017 SHIP, Cost Centers 370201, 370202, or 370204]

BACKGROUND:

An Interlocal with the Town of Century (Town) for $60,000 was approved December 10, 2015 (Exhibit I) to assist the Town with matching repair funds needed under their Residential Construction Mitigation Program (RCMP), Small Cities Community Development Block Grant Program, and/or historic preservation repair program grant funding secured by the Town.

Due to the February 2016 tornado, Amendment #1 to the Agreement was approved by the Board on May 5, 2016 (Exhibit II) to provide additional funding specifically for tornado victims within the Town for a contract total of $260,000. To date, $174,761 has been expended or is currently encumbered for 10 applicants. Amendment #1 restricted assistance to those impacted by the February 2016 tornado. Amendment #2 (Exhibit III)

will allow non-tornado applicants to make application now that the deadline for tornado assistance has passed and will provide for the Town to expend the balance of funds. This Amendment also updates the income guidelines. There is no change to the funding allocation or contract time.

BUDGETARY IMPACT:

The funding required for this Agreement and the Amendments is budgeted in Fund 120/2015, 2016, or 2017 SHIP, Cost Centers 370201, 370202, and 370204.

LEGAL CONSIDERATIONS/SIGN-OFF:

This Amendment was reviewed and approved by Kristin Hual, Assistant County Attorney.

PERSONNEL:

The Amendment to the Interlocal Agreement will be managed by Town of Century staff with County Neighborhood Enterprise Division staff providing the construction oversight/management for the disaster projects.

POLICY/REQUIREMENT FOR BOARD ACTION:

Interlocal Agreements and their amendments with other local governments must be approved by the Board of County Commissioners.

IMPLEMENTATION/COORDINATION:

The SHIP project will be coordinated through the Neighborhood Enterprise Division (NED) jointly with the Town of Century for income eligible homeowners.

AMENDMENT #2
INTERLOCAL AGREEMENT FOR SHIP HOUSING REPAIR ASSISTANCE PROJECT
(Town of Century)

THIS AMENDMENT is made and entered into this **25th** day of **May, 2017**, by and between the **COUNTY OF ESCAMBIA**, a political subdivision of the State of Florida (“County"), whose mailing address is P.O. Box 1591, Pensacola, Florida 32597; and the **TOWN OF CENTURY,** a municipality chartered in the State of Florida ("Century”), whose address is 7995 North Century Boulevard, Century, Florida.

WITNESSETH:

WHEREAS, on or about December 10, 2015, the parties previously entered into an Interlocal Agreement for the purpose of assisting qualified applicants for the SHIP Housing Repair Assistance Project (hereinafter referred to as "the Project") through the use of funds provided by the Escambia/Pensacola State Housing Initiatives Partnership Program (hereinafter referred to as "SHIP Program" or "the Program"); and

WHEREAS, on or about May 5, 2016, the parties entered into Amendment #1 to the Agreement to extend the term and increase the funding provided under the Agreement as provided herein to provide funding for tornado recovery; and

WHEREAS, no further applications are being accepted for SHIP tornado repair assistance, but funding is still available for non-tornado repair needs; and

WHEREAS, the County and Century now wish to amend the Agreement to allow repair assistance to be provided for non-tornado impacted applicants.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and of the mutual benefits and for other good and valuable consideration the County and Century hereby agree to amend the Interlocal Agreement for the SHIP Housing Repair Assistance Program dated December 10, 2015, as previously amended, as follows:

SECTION 1. The foregoing recitals are true and correct and incorporated herein by reference.

SECTION 2. EXHIBIT I of the Interlocal Agreement is replaced in its entirety with the attached **REVISED EXHIBIT I**.

SECTION 3. All other provisions of the Interlocal Agreement, as previously amended, that are not in conflict with the amendments and modifications contained herein shall remain in full force and effect.

SECTION 4. This Amendment shall become effective, after being properly executed by the parties, when filed with the Office of the Clerk of the Circuit Court of Escambia County. The County shall be responsible for such filing after such execution by both parties.

SECTION 5. The Interlocal Agreement and any amendment thereto shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue for any state or federal court action or other proceeding relating to any matter which is the subject of this Agreement shall be in Escambia County, Florida.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

(SEAL)

SPECIFIC TERMS AND CONDITIONS FOR IMPLEMENTATION OF THE SHIP HOUSING REPAIR ASSISTANCE PROJECT

NAME OF SPONSOR: TOWN OF CENTURY
AGENT: NICKLES CONSULTING GROUP

1. PURPOSE

The purpose of this Agreement is to provide limited housing repair/replacement assistance to certain eligible "Very Low" and "Low Income" families. A "Very Low Income" family is defined as a family with total "gross" income from all sources equal to or below fifty percent (50%) of the Pensacola Metropolitan Statistical Area ("MSA") median income, adjusted for family size. A "Low Income" family is defined as a family with total "gross" income from all sources equal to or below eighty percent (80%) of the Pensacola Metropolitan Statistical Area ("MSA") median income, adjusted for family size. County shall annually provide updated income eligibility guidelines for use by Century in carrying out the requirements of this Agreement. Century shall be responsible for ensuring documentation of the eligibility of each applicant, and will receive assistance from the County contract manager to determine eligibility upon request.

2. SCOPE OF SERVICES

Century and/or its designated Contractor Coordinator/Agent shall provide affordable housing client eligibility intake, contracting for repairs/construction services under terms, conditions, requirements and responsibilities of this Agreement. The County agrees to make certain funds available to support the repair or replacement of existing owner occupied substandard housing units targeting Very Low and Low Income families. Such funds are allocated from **Escambia/ Pensacola SHIP Program** funds in the amount of **$260,000** (2015, 2016, or 2017~~6~~ SHIP).

SHIP Program housing repair/replacement funds shall be committed by the County on behalf of eligible "Very Low" and "Low Income" families residing in Escambia County, Florida, in an amount not to exceed **$30,000** per home, unless Century is notified in writing by the County Contract Manager of an increase in the maximum authorized by an amendment to the Escambia/Pensacola SHIP Local Housing Assistance Plan (LHAP). Century shall be responsible for fully documenting to the County the eligibility of such clients and assuring that SHIP Program funds provided to Century are expended solely for eligible activities, including disaster funding eligibility.

Additional funding of up to $15,000 per home (not included in the total funding above) may be requested in writing under the Disaster/Mitigation Assistance strategy as outlined in the SHIP Program Local Housing Assistance Plan (LHAP) and provided with written approval by the County Contract Manager. Funding for this strategy is limited.

3. OBJECTIVES

Century shall cause the limited repair of at least eight (8) single family homes ~~or manufactured homes~~, owned and occupied by "Very Low" or "Low Income" families within Escambia County during the term of this Agreement. Century shall attempt to target assistance to at least five (5) families meeting the Special Needs set-aside criteria as defined in F.S. 420.0004. As outlined in the LHAP and at the time of receipt of 2016 SHIP funds, priority may be given to Special Needs applicants. All other applicants will be assisted on a first qualified, first served basis. Century or its Contract Coordinator/Agent must document the Special Needs requirement as outlined in SB 1852/FS 420.0004 before priority for assistance may be approved. ~~As of the date of this amendment, only applications for disaster recovery may be accepted under the SHIP program.~~

Components repaired within the homes shall meet minimum standards required by applicable provisions of the Florida Building Code, applicable health or safety standards, or other comparable standards promulgated for use in housing repair, rehabilitation and/or replacement housing initiatives. All assistance shall be provided so as to be affordable to eligible Project clients.

Under the SHIP disaster funding, owner occupied manufactured housing may be considered for assistance if the manufactured home owner occupant also owns the property on which the structure is located. Per F.S. 420.9071, manufactured housing must be constructed after June 1994 to be eligible for the SHIP Program and installed in accordance with the installation standards for mobile or manufactured homes contained in rules of the Department of Highway Safety and Motor Vehicles.

4. SERVICES

This Agreement presumes that Project activities will proceed generally in accordance with Century's established procedures and policies which govern ongoing housing repair or replacement programs, with minimal overlay of SHIP Program requirements to ensure concurrent compliance with Florida Administrative Code (FAC) 67-37. Century shall perform or cooperate in performance of the following services as required to implement the Agreement.

A. Develop or adapt existing forms, policies, client intake procedures, client characteristics data collection, income verification procedures, record keeping, and other matters as necessary to document beneficiaries (including special needs set asides), Project activity costs, utilization of SHIP Project funds and, if utilized in conjunction with this Project, non-SHIP Program funds on a per unit (home) basis. Additional forms and documents required to verify property eligibility under the disaster funding and to avoid duplication of benefits will be provided by the County Contract Manager.

B. Provide services associated with housing rehabilitation client intake, eligibility processing, intake, eligibility processing, development of construction specifications, selection of construction vendors, construction management and completion inspection(s) and coordination of any resources needed to produce a minimum of eight (8) repaired units within the term of this Agreement at a SHIP Program cost of not more than **$30,000** per unit (including service delivery costs), unless Century is notified in writing by the County Contract Manager of an increase in the maximum authorized by an amendment to the Escambia/Pensacola SHIP Local Housing Assistance Plan.

C. Documentation of client eligibility is mandatory under this Agreement. Failure to properly document eligibility will result in denial of Century's payment request. Documentation shall include proper verification of income eligibility and evidence of a participant's basic need for the assistance, and all other eligibility information required under state law.

5. CENTURY INFORMATION

Town of Century
7995 North Century Boulevard
Century, Florida 32535

CONTACT: ~~Freddie McCall~~ Henry Hawkins
TITLE: Mayor
Phone: (850) 256-3208
Fax: (850) 256-0318

6. QUARTERLY REPORTS

A. Century shall prepare and provide to the contract manager a report of activities no less frequently than quarterly (the "Quarterly Report"). The duty to provide Quarterly Reports shall survive termination of this Agreement until received by the County.

B. The Quarterly Report shall contain a narrative on the progress of the project and a financial statement on expenditures made during the reporting period and shall be in the form provided herein, unless an alternate form is mutually approved by the County and Century.

C. Failure to submit the Quarterly Report narrative, financial reports or financial documentation shall be deemed good cause for withholding of further payments under this Agreement.

7. PAYMENT SCHEDULE AND PROCEDURE

A. APPLICANT/PROJECT ELIGIBILITY: All applicants (clients) for financial assistance under this Agreement shall file an Application with the Town of Century or its designated Contract Coordinator/Agent in accordance with regulations governing the SHIP Housing Repair Assistance Project and other associated programs, through which Century may dually fund housing repairs or replacements in relation to this Agreement, as applicable on a case-by-case basis. Initial waiting list for disaster related repairs will be documented through a voice mail line established by the County. All applicants for assistance shall be initially determined eligible under the SHIP Housing Repair Assistance Project and other associated programs, as applicable, to be eligible to participate in activities provided for under this Agreement. Century and its designated Contract Coordinator/Agent shall process all applicants in accordance with established application and income verification procedures, including disaster funding verification. When a request has reached the point of approval, Century shall provide the application information ~~and contractor's bid~~ to the County and request a commitment of SHIP Program funds for that applicant ("client"). Upon receipt of the County's commitment, Century may then formally approve and obligate the SHIP funds, along with any other funds available to Century, that are required to complete rehabilitation of the subject dwelling (if any).

B. PROJECT CONSTRUCTION MANAGEMENT: In all cases, Century, the County, and/or the applicant, shall contract with a licensed residential contractor to complete the actual

rehabilitation or replacement housing work. Century or the County shall establish and follow a bid/solicitation process, or an acceptable alternate contractor selection and award process, that provides open and equal opportunities for qualified contractors interested in completing construction work in relation to this Agreement. Contractors paid directly under this Agreement must meet all County Licensing, Purchasing and Liability requirements. Construction jobs over $25,000 will require a 100% Performance and Payment Bond to be paid and recorded by the Contractor. As the work progresses, the contractor may request, via Century, payment under the terms of the contract between Century/County and the contractor. Not more than one payment (at final completion) per unit shall be issued by the County in support of the Project at or below $15,000, unless there are extenuating circumstances that are approved in advance by the County Contract Manager. The County will make up to TWO reimbursements to the Contractor for contracts over $15,000. One initial payment not to exceed 40% of the project bid can be released at 50% completion of the project with copies of progress inspections, Contractor invoice, and Building Inspections completed to date. The final reimbursement can be released at Project Completion with Final Contractor Bill, Century/County's inspection verifying completion, signoff and acceptance by the client, RRP checklist for pre-1978 homes, and copies of final inspections by Building Inspections. Century or the County and its designated Contract Coordinator/Agent shall process and verify the accuracy of the payment request and inspect the completed work prior to approving and forwarding the request for payment to the County. Century/County shall request an amount equal to the County's share of the total payment requested by the Contractor (or 100% of the eligible costs, if there are no other funds committed to the unit). Following County review and approval, the Clerk of the Circuit Court/Finance Division shall, within fifteen (15) days of the receipt of the payment voucher, issue payment for the completed construction work. Checks shall be made payable to the approved Contractor and the Clerk of the Circuit Court/Finance Division shall mail the County warrant (check) directly to the Century or Contractor and any parties who performed eligible work or services in relation to the repair or replacement of the housing unit.

C. As a pre-condition to payment by the County hereunder, for each housing unit Century, or its agent, shall make a request for a SHIP fund commitment by presenting to the County Contract Manager all supportive documentation, including a complete, executed and approved application form executed by authorized representative(s) of Century and by the client requesting SHIP assistance (including income verification documentation); the location of the housing unit to be repaired; and a copy of the contractor's bid for completion of the construction work, if bid by Century. The County Contract Manager shall review the documentation and within (10) days of receipt of the documentation, shall provide a written commitment of SHIP funds.

D. ASSOCIATED PROJECT COSTS & FEES.

1. Title Work and/or Surveys may be required before an application can be approved for assistance. If necessary, Century/Century's agent will contact County Contract Manager to request this work under open County purchase orders. The costs of such title work and surveys WILL count toward the total cost per unit.
2. Recording Fees: The County will directly pay the Clerk of Court for recording fees related to recording of a SHIP notice of commencement, lien, mortgage and/or

modifications. Funds will come from County SHIP administrative funds and will NOT count toward the total cost per unit.

3. Project Management Fee: The County will directly pay to Century's agent an amount not to exceed $500 per completed DISASTER project at Project Completion for applicant/project eligibility (pre-screening, application, income verifications, etc) processing. Project Management fee will come from County's SHIP administrative budget. No project management funds are being provided for non-disaster projects encumbered before the date of this amendment.
4. Temporary Relocation and Moving Assistance: If Temporary Relocation and Moving assistance is requested, it will count toward the total cost per unit.
5. Construction Management Fee: No construction management fees are included in this Agreement <u>for disaster projects</u>. For disaster projects, the County will provide inspections, work specifications, meet with contractors on site, etc. <u>For non-disaster recovery projects, the Town/County will secure a qualified firm or individual to provide inspections, work specifications, and meet with contractors, for a fee not to exceed $1000 per unit. The fee will count toward the total unit cost.</u>

8. PROJECT EVALUATION, MONITORING AND REVIEW

A. The Project will be monitored continuously based upon the documentation submitted Century. Additionally, the County will monitor the Project at three (3), six (6) and nine (9) month intervals. Century shall provide Project related information to the contract manager to assist their review and will be responsible for compliance with the terms of this Agreement.

B. The County shall review and evaluate Century's performance under this Agreement and the effectiveness of the Project in preserving affordable housing units. If found to be ineffective, modification may be made to this Agreement or this Agreement may be terminated according to the provisions contained in Section 6.1 of this Agreement.

9. PROJECT REQUIREMENTS

CENTURY shall comply with the terms and conditions specified in this Agreement. All project requirements must conform to the COUNTY's current LHAP and any amendments thereto and applicable provisions of the Florida Statutes. In addition,

A. CENUTRY agrees to assist the COUNTY in meeting the overall SHIP program requirements;
B. CENTURY shall follow HUD Section 8 Income Guidelines, and any changes in these guidelines made by the federal Department of Housing & Urban Development and approved for use by the FHFC to determine the income eligibility of applicants;
C. CENTURY shall not exceed the maximum award per-unit subsidy to eligible applicants as identified in the **SCOPE OF SERVICES, EXHIBIT I, SECTION 2**;
D. SHIP funds shall only be used to fund the rehabilitation of eligible housing that is found to be feasible for repairs; and
E. All home owners shall be qualified as eligible at the time of assistance.

F. Per FHFC direction, all disaster funding must be encumbered by December 31, 2016. Century will work with County to accomplish this encumbrance deadline. Encumbered is as defined as "committed by contract, or purchase order, letter of commitment, or award in a manner that obligates the county…to expend the amount upon delivery of goods, the rendering of services, or the conveyance of real property by a vendor, supplier, contractor or owner." (FAC 67-37.002)

4	24,600	31,000	53,600
5	28,780	33,500	57,550

6	32,960	36,00	61,550
7	37,140	38,450	65,500
8	40,950*	40,950	69,440

**For HUD programs, the definition of extremely low income has been changed to be the greater of 30/50ths (60 percent) of the Section 8 very low-income limit or the poverty guideline as established by the Department of Health and Human Services, provided that this amount is not greater than the Section 8 50% very low income limit. Consequently, the extremely low income limits may equal the very low (50%) income limits.*

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12256 **County Administrator's Report 12. 7.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/25/2017
Issue: Establishment of Rental Fees for the Brownsville Community Resource Center
From: Tonya Gant, Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Establishment of Rental Fees for the Brownsville Community Resource Center - Tonya Gant, Neighborhood & Human Services Department Director

That the Board approve the rental fee schedule for the Brownsville Community Resource Center as follows:

- Auditorium – $1,000 (8 hours); $500 (4 hours or less)
- Conference Rooms – $60 (3-hour minimum)
- Kitchen – $300 (flat rate with Auditorium or Conference Room rental)

[Funds derived from rental fees will be deposited into Escambia County Restricted Fund (101), Revenue Account (362008) and will be utilized for County-run programming and other community center uses. Funds will be expended from Fund (101), Cost Center (370105), Community Center Rentals]

BACKGROUND:

Brownsville Community Resource Center has an overall purpose to serve as a valuable resource for the community. The facility will be utilized as a multi-use center, to provide access to various County programs, as well as offering services through community partnering.

Each rental request will be evaluated on a case-by-case basis; with reference to type and value provided to the overall citizenry, with rental fees utilized to offset costs associated with County-run programming, and other community center uses, as necessary.

BUDGETARY IMPACT:

Funds derived from rental fees to be deposited into Escambia County Restricted Fund (101); Revenue Account (362008); and utilized for County-run programming and other community center uses. Funds will be expended from Fund (101); Cost Center (370105) Community Center Rentals.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

Department of Neighborhood & Human Services staff will be responsible for the management of reservations, and the collection and deposit of rental fees collected, to the Clerk of Circuit Court.

POLICY/REQUIREMENT FOR BOARD ACTION:

Establishment of rental fees, in accordance with direction from the Escambia County Board of County Commissioners, in the Committee of the Whole meeting held April 25, 2017.

IMPLEMENTATION/COORDINATION:

Department of Neighborhood & Human Services staff will be responsible for implementation and coordination of activities within the Brownsville Community Resource Center.

CAO Approval:

RECOMMENDATION:

Recommendation Concerning Supplemental Budget Amendment #133 - Stephan Hall, Budget Manager, Management and Budget Services Department

That the Board adopt the Resolution approving Supplemental Budget Amendment #133, Local Option Sales Tax Fund III (352), in the amount of $60,000, to recognize proceeds from the Santa Rosa Island Authority (SRIA), and to appropriate these funds for the purchase of a Palm Tree Trimming Lift on Pensacola Beach.

BACKGROUND:

On May 25, 2017, it is anticipated the Board will approve an Interlocal Agreement between Escambia County and the SRIA relating to the purchase of a Palm Tree Trimming Lift on Pensacola Beach. The SRIA agrees to provide funding from the Island Improvement Fund in an amount not to exceed $60,000. The SRI Public Works Budget under the County will cover the operation and maintenance of the Palm Tree Trimming Lift

#136

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12255 **County Administrator's Report 12. 12.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/25/2017
Issue: Supplemental Budget Amendment #137 - IIDC Water and Sewer Grant
From: Stephan Hall, Budget Manager
Organization: Asst County Administrator - Lovoy
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Supplemental Budget Amendment #137 - Stephan Hall, Budget Manager, Management and Budget Services

That the Board adopt the Resolution approving Supplemental Budget Amendment #137, Escambia County Restricted Fund (101) and Local Option Sales Tax (LOST) Fund (352) in the amount of $0, to recognize a reduction of $84,857 in the LOST portion covering the Administrative, Operation, and Repair associated with the Innerarity Island Development Corporation (IIDC) Water and Sewer Grant and recognizing an increase of $84,857 in the Escambia Restricted Fund were the IIDC Operating and Administrative portion of the grant is actually expensed in conjunction with the daily operations of the water and sewer utility.

BACKGROUND:

The County received the IIDC Water and Sewer Grant in the sum of $1,000,000, of this amount approximately $180,000 has been been designated for the Administration, Operation, and Repairs of the Water and Wastewater System per FDEP Agreement #S0878 (Task 3).To date the amounts moved from Fund 352 to Fund 101 including this SBA is $160,007.

Escambia County's Innerarity Water and Sewer Upgrade Project plays a vital role in the health and well-being of its citizens and communities.

On January 27, 2014 the IIDC formerly filed a note of abandonment pursuant to F.S. 367.165(1), and on March 21, 2014, the First Judicial Circuit Court ordered Escambia County to become the receiver of this now abandoned water and wastewater utility system.

An agreement in principal has been reached between ECUA and Escambia County for ECUA to accept ownership and maintenance of the water and sewer system upon completion of reconstruction to bring the utility to current standards.

BUDGETARY IMPACT:

This amendment will decrease Fund 352 and Increase Fund 101 in the amount of $84,857.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12251 **County Administrator's Report 12. 13.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/25/2017
Issue: Agreement with Gulf Coast Kid's House, Inc. for Child Protection Team Services
From: Stephan Hall, Budget Manager
Organization: Asst County Administrator - Lovoy
CAO Approval:

RECOMMENDATION:

Recommendation Concerning an Agreement with Gulf Coast Kid's House, Inc., for Child Protection Team Services - Stephan Hall, Budget Manger, Management and Budget Services

That the Board take the following action concerning an Agreement to provide required medical examinations of allegedly abused, abandoned, or neglected children:

A. Approve the Agreement between Escambia County, Florida and Gulf Coast Kid's House, Inc., for Child Protection Team Services, a Florida Department of Health designated Child Protection Team Provider, effective upon the date last executed by the parties and expiring on September 30, 2017, to fund medical examinations of allegedly abused, abandoned, or neglected children at a rate of $300 per examination, pursuant to Florida Statute 39.304(5);

B. Authorize the Chairman to sign the Agreement;

C. Approve the preparation of the necessary vouchers and budget amendments for the remainder of Fiscal Year 2016/2017; and

D. Authorize the County Administrator to sign a Notice of Termination letter, effective February 17, 2017, for the Agreement with Northwest Florida Comprehensive Services for Children, Inc., the previous Florida Department of Health designated Child Protection Team Provider.

[Funding: General Fund, Fund 001, Cost Center 110201, Account 58234]

BACKGROUND:

Pursuant to Chapter 39, Florida Statutes, the Department of Health, in conjunction with other state agencies, coordinates the services of Child Protection Teams in each service district throughout the state. The Department designated Gulf Coast Kid's House, Inc., as the Child Protection Team (CPT) provider serving Escambia County, effective February 17, 2017. As a designated CPT provider, Gulf Coast Kid's House, Inc., is required to perform medical examinations of allegedly abused, abandoned, or neglected children; and pursuant to FS 39.304(5), the county in which the subject child is a resident bears the cost of such medical examinations.

For the beginning of Fiscal Year 2016-2017, Northwest Florida Comprehensive Services for Children, Inc., (90 Works) was the Department of Health CPT designated provider. Effective February 17, 2017, the Agreement with 90 Works was terminated and Gulf Coast Kid's House, Inc., became the new contract holder for the Children's Medical Services Protection Team. 90 Works has returned all unspent Fiscal Year 2016-2017 allocations. Upon Board approval, the remaining funds will be allocated to Gulf Coast Kid's House, Inc., for the continued medical exams of allegedly abused, abandoned, or neglected children at a rate of $300 per exam for the remainder of Fiscal Year 2016-2017.

BUDGETARY IMPACT:

Funds are available in the General Fund (001) for the Fiscal Year 2016-2017 Budget.

LEGAL CONSIDERATIONS/SIGN-OFF:

The County Attorney's Office has reviewed and signed-off on the Agreement.

PERSONNEL:

Community Partners,

This letter is to notify you that Gulf Coast Kid's House will become the new contract holder for the Children's Medical Services Child Protection Team in District 1. The contract which was previously held by 90 Works will end effective February 17, 2017. The functions and management of the team will still be managed by Regional Director, Kirsten Bucey. The new contract number will be COQXK.

The Child Protection Team in this region has a rich history of solid performance and service delivery. We look forward to continuing to work collaboratively to ensure that child victims of abuse in our region receive quality intervention.

Please contact us with any questions or concerns.

Sincerely,

Stacey Kostevicki
Executive Director
Gulf Coast Kid's House

Kirsten Bucey
Regional Director
Child Protection Team, District 1

AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA AND GULF COAST KID'S HOUSE, INC. FOR CHILD PROTECTION TEAM SERVICES

THIS AGREEMENT is made by and between Escambia County, a political subdivision of the State of Florida (hereinafter, the "County"), with an administrative address of 221 Palafox Place, Pensacola, FL 32502, and Gulf Coast Kid's House, Inc., a Florida not-for-profit corporation, FEI/EIN Number 59-3520130, with a principal address of 3401 North 12th Avenue, Pensacola, FL 32503.

WITNESSETH:

WHEREAS, pursuant to §39.303, Florida Statutes, the Children's Medical Services Program of the Department of Health is tasked with designating Child Protection Teams in each service district of the Department of Children and Families to conduct medical examinations of allegedly abused, abandoned, or neglected children as required by Florida law; and

WHEREAS, the Children's Medical Services Program of the Department of Health previously designated Northwest Florida Comprehensive Services for Children, Inc./90 Works as the Child Protection Team provider serving Escambia County; and

WHEREAS, effective February 17, 2017, the Children's Medical Services Program of the Department of Health has designated Gulf Coast Kid's House, Inc. (hereinafter, the "Provider") as the Child Protection Team provider serving Escambia County; and

WHEREAS, pursuant to §39.304(5), Florida Statutes, the County in which a child is a resident shall bear the initial costs of medical examinations of allegedly abused, abandoned, or neglected children that are conducted by the designated Child Protection Team, and the parents or legal custodian of the child are required to reimburse the County for the costs of such examination; and

WHEREAS, the County and Provider desire to enter into an agreement to memorialize the method and manner by which the County shall bear the initial costs of medical examinations as provided in §39.304(5), Florida Statutes.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and of the mutual benefits to flow each unto the other, and for other good and valuable consideration, the County and the Provider agree as follows:

Section 1. **Recitals.** The recitals contained in the Preamble of this Agreement are declared to be true and correct and are incorporated into this Agreement.

Section 2. **Responsibilities of the parties.**

2.1 Program Funding. The County agrees for Fiscal Year 2016-2017

(October 1, 2016 through September 30, 2017) to fund medical examinations of allegedly abused, abandoned, or neglected children as required by Florida law at a rate of $300.00 per examination. The total sum shall be determined by the number of documented medical examinations performed by the Provider for eligible children during the term of the agreement. Provider shall provide to County a fully completed W-9 form and a fully executed original Agreement. Upon written notification to Provider, the County may suspend payments to Provider if the Provider defaults in its obligations under this Agreement. The notice shall specify the manner in which the Provider has failed to comply and a timeframe in which the Provider must achieve compliance or the Agreement shall be subject to termination pursuant to Section 3.

2.2 Invoices. Within fifteen (15) days after the execution of this Agreement, Provider shall provide to County an invoice for all medical examinations which were performed by Provider from February 18, 2017 through March 31, 2017. Beginning on May 10, 2017, and the tenth day of each subsequent month, Provider shall send an Invoice to the County for all exams which occurred during the month preceding the Invoice. Payments under this agreement shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

2.3 Reporting Requirements. The provider shall provide a monthly report in a form acceptable to the County documenting the non-confidential details of each examination which is set forth on the Invoice, including, but not limited to, the total number of exams performed, case numbers, case coordinators, dates of exams, examining physicians, and patient age/sex/race.

2.4 **Audit.** Upon providing reasonable notice to Provider , the County may, as allowed by law, inspect all pertinent records, statistical, financial, audit, and participant files related to the Provider's 's performance of this Agreement and conduct monitoring reviews to ensure compliance with Program goals and the terms of this Agreement.

2.5 Effective Date. This Agreement shall become effective upon the date last executed by the parties and expires on September 30, 2017, unless earlier terminated as provided herein. The term of this Agreement may be renewed or extended only by written amendment to the Agreement duly executed by the parties hereto.

Section 3. Termination. This Agreement may be terminated by either party for convenience upon providing a minimum of sixty (60) days written notice to the other party. This Agreement may be terminated by County for cause upon providing seven (7) days written notice if the Provider defaults in its obligations under this Agreement. Upon expiration or termination for any reason, the Provider shall provide a final report with supporting documentation through the date of expiration or termination. The Provider's final request for payment must be submitted within thirty (30) calendar days after the expiration or termination of the Agreement. Notwithstanding the

foregoing, nothing in this Section or this Agreement shall be construed to terminate the County's obligations under §39.304(5), Florida Statutes.

Section 4. **Insurance.** The Provider is required to maintain professional liability insurance with limits of $1,000,000.00 per occurrence and $2,000,000.00 aggregate per policy year against any claims arising from any act or omission by the Provider. Certificates of Insurance shall be provided to Risk Management, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. The Board of County Commissioners and Escambia County shall also be the certificate holders.

Section 5. **Independent Contractor Status.** In the performance of this Agreement hereunder, Provider is an independent contractor. Provider shall not hold itself out as an employee, agent or servant of the County; and Provider shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

Section 6. **Public Records.**

6.1 The Provider acknowledges that this Agreement and any portion of the related non-confidential financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Provider shall maintain any such public records and, upon request, provide a copy of the requested records *or* allow the records to be inspected within a reasonable time. Provider shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Provider agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Provider fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Provider seven days written notice, during which period the Provider still fails to allow access to such documents, terminate the contract. In such case, the Provider shall not be entitled to receive any further payment.

IF THE PROVIDER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE PROVIDER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

6.2 The Parties acknowledge that pursuant to §39.202 (6), Florida Statutes, all records and reports of the Child Protection Team (CPT) are confidential and exempt from the provisions of §119.07(1), Florida Statutes, the Florida Public Records Law, and §456.057, Florida Statutes, regarding ownership and control of patient records. CPT records shall not be disclosed, except, upon request, to the state attorney, law enforcement, the Department of Health, and other necessary professionals, in furtherance of the treatment or additional evaluative needs of the child, by order of the court, or to health plan payers, limited to that information used for insurance reimbursement purposes. Generally, the confidential and exempt status of CPT records attaches to the documents; that is, it retains its confidential and exempt status when it is properly released to an authorized agency or person, who in turn generally has a legal obligation to maintain the confidential and exempt nature of the documents. Pursuant to §39.205 (3) Florida Statutes, *a* person who knowingly and willfully makes public or discloses any confidential information contained in the central abuse hotline or in the records of any child abuse, abandonment, or neglect case, except as provided in this chapter, commits a misdemeanor of the second degree, punishable as provided in §775.082, Florida Statutes or §775.083, Florida Statutes.

Section 7. Assignment. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the parties, without the prior written consent of the other party.

Section 8. Headings. Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

Section 9. Survival. All other provisions, which by their inherent character, sense, and context are intended to survive termination of this Agreement, shall survive the termination of this Agreement.

Section 10. Interpretation.

(a) For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings.

(b) References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provision hereof.

Section 11. Severability. The invalidity or non-enforceability of any portion or

provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed and enforced as if this Agreement did not contain such invalid or unenforceable portion or provision.

Section 12. Further Documents. The parties shall execute and deliver all documents and perform further actions that may be reasonably necessary to effectuate the provision of this Agreement.

Section 13. Notices. All notices required to be given under this Agreement shall be in writing, and shall be sent by first class United States mail, unless some other form of notice is established by the County Administrator, to the respective parties as follows:

Section 14. Prior Agreements Superseded.

(a) This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein, and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement, that are not contained in this document. Accordingly, no deviations from the terms and conditions hereof shall be predicated upon any prior representations or agreements, whether oral or written.

(b) It is further agreed that no modification, amendment, or alteration in the terms and conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

Section 15. Governing Law. The Agreement shall be interpreted under and its performance governed by the laws of the State of Florida. The parties agree that any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and therefore, each party to this Agreement hereby waives the right to any change of venue.

Section 16. No Waiver. The failure of either party to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

Section 17. Liability. The County, its respective elected officials, officers, and employees shall not be deemed to assume any liability for the acts, omissions, or negligence of the Provider. While serving in its capacity as the Child Protection Team provider for Escambia County, the Provider agrees to be fully responsible for its individual negligent acts or omissions or tortious acts arising out of the performance of this Agreement which may result in claims or suits against the County and agrees to be fully liable for any damages caused by said acts or omissions. Nothing herein is intended to serve as a waiver of sovereign immunity by the County and nothing herein

shall be construed as consent to be sued by third parties in any matter arising out of this Agreement.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement on the respective dates under each signature:

Escambia County, Florida

AI-12260 **County Administrator's Report 12. 14.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/25/2017
Issue: Issuance of not exceeding $89,000,000 Escambia County, Florida Sales Tax Revenue Bonds, Series 2017, to finance new correctional facility
From: JoLinda Herring, Shareholder
Organization: Bryant Miller Olive P.A.
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Escambia County, Florida Sales Tax Revenue Bonds, Series 2017, to Finance New Correctional Facility - JoLinda Herring, Shareholder, Bryant Miller Olive P.A.

That the Board adopt a Resolution (the "2017 Supplemental Resolution") authorizing the issuance and sale of not exceeding $89,000,000 Escambia County, Florida Sales Tax Revenue Bonds, Series 2017, to finance the new correctional facility.

The Financial Advisor reports that the estimated Maximum Bond Service Requirement given current market conditions is expected to be approximately $7,232,250 and will mature no later than October 1, 2047. The Maximum Bond Service Requirement of the combined Bond Service Requirement of the Series 2017 Bonds together with the Outstanding Parity Obligations is expected to be approximately $9,574,250.

BACKGROUND:

The 2017 Supplemental Resolution approves the issuance of not exceeding $89,000,000 Escambia County, Florida Sales Tax Revenue Bonds, Series 2017 (the "Series 2017 Bonds"), to finance the new correctional facility (herein described) and to finance certain costs of issuance. The 2017 Supplemental Resolution supplements Resolution No. R2002-145 duly adopted by the Board on September 11, 2002 (as amended and supplemented, the "Bond Resolution"), and approves by reference a form of (i) Bond Purchase Agreement (the "Bond Purchase Agreement") between the County and RBC Capital Markets, LLC, Raymond James & Co., and Wells Fargo & Company (collectively, the "Underwriters"), (ii) Preliminary Official Statement used in the marketing of the Series 2017 Bonds and (iii) Continuing Disclosure Certificate whereby the County agrees to providing certain continuing disclosure of information relating to the County and the Series 2017 Bonds. The 2017 Supplemental Resolution delegates to the Chairman the ability to award the Series 2017 Bonds to the Underwriters in accordance

with the terms of the Bond Purchase Agreement, subject to full satisfaction of the conditions set forth therein, including receipt by the Chairman from the Underwriters of a written offer to purchase the Series 2017 Bonds, said offer to provide for, among other things, (i) the issuance of not exceeding $89,000,000 principal amount of Series 2017 Bonds, (ii) an underwriting discount (including management fee and all expenses) not in excess of $4.00/$1,000 of the par amount of the Series 2017 Bonds, (iii) a true interest cost of not more than 4.75%, and (iv) a final maturity no later than October 1, 2047. Pursuant to the Bond Resolution, the Series 2017 Bonds are secured by certain Pledged Revenues on a parity with the County's Sales Tax Refunding Revenue Note, Series 2011 and 2012 Sales Tax Refunding Revenue Note (collectively, the "Outstanding Parity Obligations"). The Pledged Revenues consist primarily of proceeds of the local government half-cent sales tax allocated for and distributed monthly to the County pursuant to Chapter 218, Part VI, Florida Statutes. The Series 2017 Bonds will not constitute an indebtedness, liability, general or moral obligation, or a pledge of the faith, credit or taxing power of the County. The net proceeds of the Series 2017 Bonds will be used to finance the Series 2017 Project which consists of the planning, design and construction of a new 1,500 rated bed correctional facility, including but not limited to, security services, program services, inmate services, medical services, food services, facility maintenance, mechanical, electrical and security services and warehouse. The new correctional facility will be constructed in two phases utilizing the design-build construction delivery method pursuant to Section 287.055, Florida Statutes (Acquisition of Professional Architectural and Engineering Services). Upon completion, the new correctional facility will replace the existing correctional facilities known as the Central Booking Detention Facility and the Main Jail. The 2017 Supplemental Resolution makes certain amendments to the Bond Resolution allowing for certain assumptions concerning required debt service in the event balloon indebtedness is outstanding and allowing for the reserve fund to be established pursuant to supplemental resolution approving each series of bonds issued under the Bond Resolution. The 2017 Supplemental Resolution was prepared by Bryant Miller and Olive P.A., the County's Bond Counsel, and has been reviewed and approved by staff and by the County's Financial Advisor, FirstSouthwest, a Division of Hilltop Securities Inc., and the County's Disclosure Counsel, Nabors Giblin & Nickerson, P.A.

BUDGETARY IMPACT:

The Financial Advisor reports that the estimated Maximum Bond Service Requirement given current market conditions is expected to be approximately $7,232,250 and will mature no later than October 1, 2047. The Maximum Bond Service Requirement of the combined Bond Service Requirement of the Series 2017 Bonds together with the Outstanding Parity Obligations is expected to be approximately $9,574,250.

LEGAL CONSIDERATIONS/SIGN-OFF:

Documents drafted in connection with the proposed financings are distributed to the County staff, including the County Attorney's office for review, comment and approval as they are prepared. The County Attorney has signed off on the 2017 Supplemental Resolution. Further, the County Attorney will render her opinion as to legality, and the County's Bond Counsel will render their opinion as to tax-exemption of the Series 2017 Bonds as a condition of closing.

PERSONNEL:

None.

POLICY/REQUIREMENT FOR BOARD ACTION:

The issuance of the Series 2017 Bonds will comply with the Board's requirements for the issuance of County Bonds.

IMPLEMENTATION/COORDINATION:

Execution by the authorized officers of the Board of the final financing and closing documents will be required at or prior to the Closing.

RESOLUTION NO. R2017-___

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, AUTHORIZING THE ISSUANCE AND SALE OF NOT TO EXCEED $89,000,000 SALES TAX REVENUE BONDS, SERIES 2017 TO FINANCE AND/OR REIMBURSE THE COST OF THE DESIGN, PERMITTING, ACQUISITION, CONSTRUCTION AND EQUIPPING OF CERTAIN CAPITAL IMPROVEMENTS HEREIN DESCRIBED; APPROVING THE FORM OF THE BOND PURCHASE AGREEMENT, PRELIMINARY OFFICIAL STATEMENT AND CONTINUING DISCLOSURE CERTIFICATE; AUTHORIZING THE EXECUTION AND DELIVERY OF A BOND PURCHASE AGREEMENT, FINAL OFFICIAL STATEMENT AND CONTINUING DISCLOSURE CERTIFICATE; DELEGATING THE AWARD OF THE SALE OF THE SERIES 2017 BONDS TO THE CHAIRMAN; DELEGATING TO THE CHAIRMAN THE AUTHORITY TO DEEM FINAL FOR CERTAIN PURPOSES AND APPROVE THE USE OF AND DISTRIBUTION OF THE PRELIMINARY OFFICIAL STATEMENT AND THE FINAL OFFICIAL STATEMENT WITH RESPECT TO THE SERIES 2017 BONDS; AMENDING RESOLUTION NO. R2002-145; AUTHORIZING THE ISSUER TO OPT TO INSURE ALL, A PORTION OF OR NONE OF SUCH SERIES 2017 BONDS WITH A MUNICIPAL BOND INSURANCE POLICY AND/OR TO PURCHASE A RESERVE ACCOUNT INSURANCE POLICY, IF IN THE BEST FINANCIAL INTEREST OF THE ISSUER; APPOINTING A PAYING AGENT AND BOND REGISTRAR FOR SUCH SERIES 2017 BONDS; MAKING CERTAIN OTHER COVENANTS AND AGREEMENTS IN CONNECTION THEREWITH; PROVIDING FOR CONFLICTS; PROVIDING FOR SEVERABILITY AND PROVIDING AN EFFECTIVE DATE.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, as follows:

SECTION 1. AUTHORITY FOR THIS RESOLUTION. This Resolution is adopted pursuant to the provisions of the Act, hereinafter defined, and pursuant to Section 15I of Resolution No. R2002-145, duly adopted by the Issuer on September 11, 2002 (the "2002 Resolution" and as amended and supplemented, particularly as amended and supplemented by this Resolution, the "Bond Resolution").

SECTION 2. DEFINITIONS. Except as modified herein, all terms defined in the 2002 Resolution shall have the same meaning herein, unless the text or context otherwise expressly requires. Words importing singular numbers shall include the plural number in each case and vice versa, and words importing persons shall include firms and corporations. The following terms shall have the following meaning herein:

"Act" shall mean the Constitution and laws of the State, including particularly Chapter 125, Florida Statutes, as amended, Home Rule Ordinance No. 74-8, as amended by the Issuer, the Bond Resolution and other applicable provisions of law.

"Board" shall mean the Board of County Commissioners of the Issuer.

"Bond Purchase Agreement" shall mean the Bond Purchase Agreement between the Issuer and the Underwriters dated the date of sale of the Series 2017 Bonds, in substantially the form attached hereto as Exhibit "A".

"Cede" shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Series 2017 Bonds pursuant to Section 7 hereof.

"Chairman" shall mean the Chairman or Vice-Chairman of the Board or such other member of the Board duly designated and authorized by the Board to act in the name and on behalf of the Issuer.

"Clerk" shall mean the Clerk of the Circuit Court, Ex-Officio Clerk to the Board and such other person as may be duly authorized to act on his or her behalf.

"Continuing Disclosure Certificate" shall mean that certain Continuing Disclosure Certificate executed by the Issuer and dated the date of issuance and delivery of the Series 2017 Bonds, as it may be amended from time to time in accordance with the terms thereof.

"County Administrator" shall mean the County Administrator of the Issuer or any acting or interim County Administrator, or his or her designee.

"DTC" shall mean The Depository Trust Company, New York, New York, and its successors and assigns.

"Financial Advisor" shall mean FirstSouthwest, a Division of Hilltop Securities Inc., Orlando, Florida.

"Interest Payment Date" shall mean each October 1 and April 1, commencing October 1, 2017.

"Insured Bonds" shall mean any Series 2017 Bonds which are insured by the Series 2017 Municipal Bond Insurance Policy, if any, to be determined by the Chairman to be in the best interest of the Issuer, based upon the advice of the Financial Advisor.

"Issuer" or "County" shall mean Escambia County, a political subdivision of the State.

"Outstanding Parity Obligations" shall mean the Issuer's outstanding Sales Tax Refunding Revenue Bond, Series 2011, and the 2012 Sales Tax Refunding Revenue Note.

"Participants" shall mean those broker-dealers, banks and other financial institutions from time to time for which DTC holds Bonds as securities depository.

"Paying Agent" shall mean U.S. Bank National Association, or its successors and assigns.

"Project Fund" shall mean the fund established herein with respect to the Series 2017 Project.

"Registrar" shall mean U.S. Bank National Association, or its successors and assigns.

"Series 2017 Bonds" shall mean the Sales Tax Revenue Bonds, Series 2017, in the aggregate principal amount not to exceed $89,000,000, authorized to be issued pursuant to Section 5A hereof.

"Series 2017 Municipal Bond Insurance Policy" shall mean a Municipal Bond Insurance Policy, if any, purchased from the Series 2017 Municipal Insurer relating to the Insured Bonds.

"Series 2017 Municipal Insurer" shall mean, with respect to the Series 2017 Bonds, the Municipal Insurer named in accordance herewith, if any, and any successors thereto.

"Series 2017 Project" shall mean the design, permitting, acquisition, equipping and construction of certain capital improvements, as more particularly described on Schedule "I" attached hereto, in accordance with plans and specifications on file or to be on file with the Issuer.

"Series 2017 Reserve Account Insurance Policy" shall mean the Reserve Account Insurance Policy, if any, to be purchased from the Series 2017 Municipal Insurer and deposited into the Series 2017 Reserve Subaccount.

"Series 2017 Reserve Requirement" shall have the meaning ascribed thereto in Section 13 of this Resolution.

"Series 2017 Reserve Subaccount" shall have the meaning ascribed thereto in Section 13 of this Resolution.

"Underwriters" shall mean RBC Capital Markets, LLC, on behalf of itself, Raymond James & Associates, Inc., and Wells Fargo Bank, National Association

SECTION 3. FINDINGS. It is hereby ascertained, determined and declared that:

A. On September 11, 2002, the Issuer adopted its Bond Resolution for the purpose of financing and refinancing certain capital projects of the Issuer.

B. The Board desires to authorize the issuance of not to exceed $89,000,000 of the Series 2017 Bonds for the purpose of (i) reimbursing and/or financing the costs of the Series 2017 Project; (ii) funding any necessary reserves; and (iii) paying the costs of issuance of the Series 2017 Bonds, including the premium for the Series 2017 Municipal Bond Insurance Policy and/or the Series 2017 Reserve Account Insurance Policy, if purchased.

C. Section 15I of the Bond Resolution provides for the issuance of Additional Parity Obligations under the terms, limitations and conditions provided in the 2002 Resolution. The Issuer has complied, or will comply prior to the delivery of the Series 2017 Bonds, with all the terms, conditions and restrictions contained in the Bond Resolution. The Issuer is therefore legally entitled to issue the Series 2017 Bonds as Additional Parity Obligations within the authorization contained in the Bond Resolution.

D. The Series 2017 Bonds shall be considered Bonds under the terms and conditions of the Bond Resolution and shall be on a parity and rank equally, as to lien on and source and security for payment, from the Pledged Revenues and in all other respects, other than with respect to any separate subaccounts in the Reserve Account securing one or more specific series of Bonds, with the Outstanding Parity Obligations.

E. The Pledged Revenues are not now pledged or encumbered in any manner except for the payment of the Outstanding Parity Obligations.

F. The principal of and interest on the Series 2017 Bonds and all required sinking fund, reserve and other required payments are limited and special obligations of the Issuer, payable solely from and secured by an irrevocable pledge of the Pledged Revenues. The Series 2017 Bonds shall not constitute an indebtedness, liability, general or moral obligation, or a pledge of the faith, credit or taxing power of the Issuer, the State, or any political subdivision thereof within the meaning of any constitutional or statutory provision or limitation. Neither the State nor any political subdivision thereof, nor the Issuer shall be obligated (1) to exercise its ad valorem taxing power or any other taxing power in any form on any real or personal property in the County to pay the principal of, premium, if any, and interest on the Series 2017 Bonds, or to make any of the required sinking fund or other payments thereon, or other costs incidental thereto or (2) to pay the same from any other funds of the Issuer, except from the Pledged Revenues, in the manner provided herein and in the 2002 Resolution.

The Series 2017 Bonds shall not constitute a lien upon any property of or located in the County, but shall constitute a lien only on the Pledged Revenues in the manner provided herein and in the 2002 Resolution.

G. The estimated Pledged Revenues will be sufficient to pay all principal of and interest and redemption premium, if any, on the Series 2017 Bonds and the Outstanding Parity Obligations as the same become due, and to make all required reserve or other payments required by the Bond Resolution.

H. The costs associated with the issuance of the Series 2017 Bonds shall be deemed to include, but not be limited to, legal and financial advisory fees and expenses, engineering and financial feasibility expenses, fiscal expenses, underwriting fees and expenses, rating agency fees, expenses for estimates of costs and revenues, accounting expenses, municipal bond insurance premiums and reserve fund insurance policy premiums, if applicable, costs of printing, fees and expenses for the paying agent and Bond Registrar, accrued and capitalized interest, if any, provisions for reserves, and such other fees and expenses as may be necessary or incidental for the financing herein authorized.

I. There are not sufficient uncommitted funds of the Issuer available to pay the costs of the Series 2017 Project, and the Issuer has determined that the essential public purposes to be provided by the Series 2017 Project cannot be delayed awaiting availability of sufficient uncommitted funds to commence and complete the Series 2017 Project.

J. The Underwriters have indicated that they are willing to enter into the Bond Purchase Agreement with the Issuer pursuant to which the Underwriters will agree to purchase the Series 2017 Bonds.

K. The Issuer desires to sell its Series 2017 Bonds pursuant to a Bond Purchase Agreement subject to certain conditions herein described.

L. Due to the present volatility of the market for tax-exempt public obligations such as the Series 2017 Bonds, the need to access such market very quickly, the willingness of the Underwriters to purchase the Series 2017 Bonds at interest rates favorable to the Issuer, and the critical importance of timing of the sale of the Series 2017 Bonds, the Issuer has determined to sell the Series 2017 Bonds through a negotiated sale to the Underwriters, and it is hereby determined that it is in the best interest of the public and the Issuer to delegate to the Chairman the authority to fix the final details of the Series 2017 Bonds, based upon the advice of the Financial Advisor, and accept the offer of the Underwriters to purchase the Series 2017 Bonds at a negotiated sale pursuant to the terms of a Bond Purchase Agreement, the form of which is attached hereto as Exhibit "A", if certain conditions set forth in this Resolution are satisfied.

M. Prior to acceptance by the Issuer of the offer of the Underwriters to purchase the Series 2017 Bonds, the Underwriters will provide the Issuer with all applicable disclosure

information required by Section 218.385, Florida Statutes, to be attached to, or otherwise included as part of, the Bond Purchase Agreement.

SECTION 4. RESOLUTION TO CONSTITUTE CONTRACT. In consideration of the acceptance of the Series 2017 Bonds authorized to be issued hereunder by those who shall hold the same from time to time, the Bond Resolution shall be deemed to be and shall constitute a contract between the Issuer and such Holders. The covenants and agreements herein and therein set forth to be performed by the Issuer and the Series 2017 Municipal Insurer shall be for the equal benefit, protection and security of the legal Holders of any and all Series 2017 Bonds, all of which shall be of equal rank and without preference, priority or distinction of any of the Series 2017 Bonds over any other thereof, except as expressly provided therein and herein.

SECTION 5. AUTHORIZATION OF SERIES 2017 BONDS; AUTHORIZATION OF THE SERIES 2017 PROJECT.

A. AUTHORIZATION OF SERIES 2017 BONDS.

Subject and pursuant to the provisions hereof, a series of obligations of the Issuer, to be known as "Sales Tax Revenue Bonds, Series 2017" is authorized to be issued in one or more series in an amount not exceeding the aggregate principal amount set forth in the title hereof, with the exact amount to be issued established as provided in Section 6 hereof. Such Series 2017 Bonds shall be issued as Additional Parity Obligations under the Bond Resolution. The Issuer may modify the series designation and/or the name of the issue if circumstances dictate.

B. AUTHORIZATION OF SERIES 2017 PROJECT.

The financing and/or reimbursing of the Series 2017 Project is hereby authorized. The proper officers of the Issuer are hereby directed to take all action and steps deemed necessary to design, permit, acquire, construct and equip the Series 2017 Project, which are not inconsistent with the terms and provisions of the Bond Resolution.

SECTION 6. DESCRIPTION OF SERIES 2017 BONDS. The Issuer hereby delegates to the Chairman the authority to determine the final terms of the Series 2017 Bonds, based upon the advice of the Financial Advisor, including (i) the dated date, (ii) the principal amount and whether the Series 2017 Bonds shall be issued as Serial Bonds and/or Term Bonds, (iii) the maturity dates and amounts, (iv) the interest rates, prices and yields (such rates not exceeding the maximum rate allowed by State law), and interest payment dates, (v) the optional redemption provisions, if any, (vi) the Amortization Installments and other mandatory redemption features, if any, (vii) the sale date and the delivery date, (viii) whether to purchase any municipal bond insurance and/or reserve fund insurance, and (ix) all other details of the Series 2017 Bonds, and to take such further action as shall be required for carrying out the purposes of this Resolution, all with respect to the Series 2017 Bonds.

Series 2017 Bonds shall be issued in fully registered form; shall be numbered consecutively from R-1 upward; shall be in denominations of $5,000 each or integral multiples thereof. Each Series 2017 Bond shall bear interest from the Interest Payment Date next preceding the date on which it is authenticated, unless authenticated on an Interest Payment Date, in which case it shall bear interest from such Interest Payment Date, or, unless authenticated prior to the first Interest Payment Date, in which case it shall bear interest from its date; provided, however, that if at the time of authentication interest is in default, such Series 2017 Bond shall bear interest from the date to which interest shall have last been paid.

SECTION 7. BOOK-ENTRY-ONLY SYSTEM. A book-entry-only system of registration is hereby authorized for the Series 2017 Bonds. So long as the Issuer shall maintain a book-entry-only system with respect to the Series 2017 Bonds, the following provisions shall apply:

A blanket issuer letter of representations (the "BLoR") was entered into by the Issuer with The Depository Trust Company ("DTC"). It is intended that the Series 2017 Bonds be registered so as to participate in a global book-entry system with DTC as set forth herein and in such BLoR. The terms and conditions of such BLoR shall govern the registration of the Series 2017 Bonds. The Series 2017 Bonds shall be initially issued in the form of a single fully registered Series 2017 Bond for each maturity of such Series. Upon initial issuance, the ownership of such Series 2017 Bonds shall be registered by the Registrar in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. So long as any Series 2017 Bond is registered in the name of DTC (or its nominee), the Issuer, the Registrar and the Paying Agent may treat DTC (or its nominee) as the sole and exclusive holder of such Series 2017 Bonds registered in its name, and all payments with respect to the principal or redemption price of, if any, and interest on such Series 2017 Bond ("Payments") and all notices with respect to such Series 2017 Bond ("Notices") shall be made or given, as the case may be, to DTC. Transfers of Payments and delivery of Notices to DTC Participants shall be the responsibility of DTC and not of the Issuer, subject to any statutory and regulatory requirements as may be in effect from time to time. Transfers of Payments and delivery of Notices to beneficial owners of the Series 2017 Bonds by DTC Participants shall be the responsibility of such participants, indirect participants and other nominees of such beneficial owners and not of the Issuer, subject to any statutory and regulatory requirements as may be in effect from time to time.

Upon (a) receipt by the Issuer of written notice from DTC (i) to the effect that a continuation of the requirement that all of the outstanding Series 2017 Bonds be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the Series 2017 Bonds or (ii) to the effect that DTC is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of DTC hereunder can be found which is able to undertake such functions upon reasonable and customary terms, (b) termination, for any reason, of the agreement among the Issuer, the Registrar and Paying Agent and DTC evidenced by the BLoR, or (c) determination by the Issuer that such book-entry only system should be discontinued by

the Issuer, and compliance with the requirements of any agreement between the Issuer and DTC with respect thereto, the Series 2017 Bonds shall no longer be restricted to being registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names Holders shall designate, in accordance with the provisions hereof. In such event, the Issuer shall issue and the Registrar shall authenticate, transfer and exchange Series 2017 Bonds consistent with the terms hereof, in denominations of $5,000 or any integral multiple thereof to the Holders thereof. The foregoing notwithstanding, until such time as participation in the book-entry only system is discontinued, the provisions set forth in the BLoR shall apply to the registration and transfer of the Series 2017 Bonds and to Payments and Notices with respect thereto.

SECTION 8. PROVISIONS FOR REDEMPTION. The Series 2017 Bonds may be subject to redemption prior to their maturity, at the option of the Issuer, at such times and in such manner as shall be determined by the Chairman pursuant to Section 6 hereof and set forth in the Bond Purchase Agreement at or prior to the time of sale of the Series 2017 Bonds.

Any notice of optional redemption of Series 2017 Bonds may state that it is conditional upon receipt by the Paying Agent of moneys sufficient to pay the redemption price, plus interest accrued to the redemption date, or upon the satisfaction of any other condition, or that it may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before payment of such redemption price and accrued interest, if any such condition so specified is not satisfied or if any such other event occurs. Notice of such rescission shall be given by the Paying Agent to affected Holders of such Series 2017 Bonds as promptly as practicable upon the failure of such condition or the occurrence of such other event.

SECTION 9. APPLICATION OF SERIES 2017 BOND PROCEEDS. The proceeds, including accrued interest and premium, if any, received from the sale of any or all of the Series 2017 Bonds shall be applied by the Issuer simultaneously with the delivery of such Series 2017 Bonds to the Underwriters, as follows:

A. Capitalized interest, if any, shall be deposited into the Sinking Fund and shall be used only for the purpose of paying interest becoming due on the Series 2017 Bonds.

B. To the extent the Series 2017 Reserve Requirement (as herein defined) is greater than zero, a sum which, together with the face amount of the Series 2017 Reserve Account Insurance Policy for the Series 2017 Bonds, if any, and other legally available funds of the Issuer deposited to the Series 2017 Reserve Subaccount, if any, will be equal to the Series 2017 Reserve Requirement for the Series 2017 Bonds shall be deposited into the Series 2017 Reserve Subaccount.

C. A portion of the Series 2017 Bond proceeds shall be deposited into a separate fund hereby created and established to be known as the "Series 2017 Project Fund" (the "Project Fund") which shall be used only for the payment of the cost of the Series 2017 Project. Moneys

in the Project Fund until applied in payment of any cost of the Series 2017 Project, shall be held in trust by the Issuer and shall be subject to a lien and charge in favor of the Holders of the Series 2017 Bonds, and for the further security of such Holders.

D. To the extent not paid by the original purchasers of the Series 2017 Bonds, the Issuer shall pay all costs and expenses in connection with the issuance, sale and delivery of the Series 2017 Bonds.

SECTION 10. APPLICATION OF PROVISIONS OF THE 2002 RESOLUTION.

A. COVENANTS.

Except as expressly provided herein, the covenants and pledges contained in the 2002 Resolution are hereby incorporated by reference herein and shall be applicable to the Series 2017 Bonds in like manner as applicable to the Outstanding Parity Obligations.

B. PAYMENT OF THE SERIES 2017 BONDS.

Upon the issuance of the Series 2017 Bonds, the Issuer shall, in each month thereafter, deposit from Pledged Revenues in the Revenue Fund the amounts required pursuant to Section 15C of the 2002 Resolution to provide for the payment of the principal and interest required in respect of the Series 2017 Bonds. The principal of and interest on the Series 2017 Bonds shall be payable from Pledged Revenues pursuant to the 2002 Resolution, all as provided in the 2002 Resolution, including the Bond Amortization Account, on a parity with the Outstanding Parity Obligations and any Additional Parity Obligations hereafter issued; and payments shall be made into the Sinking Fund and the Bond Amortization Account by the Issuer in amounts fully sufficient to pay the principal of and interest on the Outstanding Parity Obligations and on the Series 2017 Bonds herein authorized as such principal and interest become due.

SECTION 11. LIMITED AND SPECIAL OBLIGATIONS OF ISSUER; SECURITY. The principal of and interest on the Series 2017 Bonds and all required sinking fund, reserve, if any, and other required payments are limited and special obligations of the Issuer. The Series 2017 Bonds shall not constitute an indebtedness, liability, general or moral obligation, or a pledge of the faith, credit or taxing power of the Issuer, the State, or any political subdivision thereof, within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Pledged Revenues, as herein provided for and as provided for in the 2002 Resolution. Neither the State nor any political subdivision thereof, nor the Issuer shall be obligated (1) to exercise its ad valorem taxing power or any other taxing power in any form on any real or personal property in the territory of the Issuer to pay the principal of, premium, if any, and interest on the Series 2017 Bonds, or to make any required sinking fund, reserve or other payments thereon or other costs incidental thereto or (2) to pay the same from any other funds of the Issuer, except from the Pledged Revenues, as provided in the Bond Resolution.

The Series 2017 Bonds shall be limited and special obligations of the Issuer, payable solely from and secured by an irrevocable pledge of the Pledged Revenues as provided in the Bond Resolution on a parity and equal status with the Outstanding Parity Obligations. The Series 2017 Bonds shall for all purposes be considered to be a *pari passu* Additional Parity Obligations issued under the authority of the 2002 Resolution, and shall be entitled to all the protection and security provided therein and herein for the Series 2017 Bonds, and shall be in all respects entitled to the same security, rights and privileges enjoyed by the Outstanding Parity Obligations. Such amounts hereby and thereby pledged shall immediately be subject to the lien of such pledge without any further physical delivery thereof or any further act, and the lien of such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Issuer, irrespective of whether such parties have notice thereof.

SECTION 12. DELEGATION OF AWARD OF SERIES 2017 BONDS. Subject to full satisfaction of the conditions set forth in this Section, the Board hereby authorizes a delegated negotiated sale of the Series 2017 Bonds to the Underwriters in accordance with the terms of a Bond Purchase Agreement to be dated the date of sale of the Series 2017 Bonds and to be substantially in the form attached hereto as Exhibit "A", with such changes, amendments, modifications, omissions and additions thereto as shall be approved by the Chairman in accordance with the provisions of this Section (including, without limitation, making the final determination concerning the structuring and marketing of the Series 2017 Bonds to obtain the most favorable rating and interest rate on the Series 2017 Bonds), and the execution and delivery of the Bond Purchase Agreement by the Chairman and the Clerk shall be deemed conclusive evidence of the approval of such changes and the full and complete satisfaction of the conditions set forth in this Section.

Notwithstanding the foregoing, the Bond Purchase Agreement shall not be executed by the Chairman until such time as all of the following conditions have been satisfied:

A. Receipt by the Chairman of a written offer to purchase the Series 2017 Bonds by the Underwriters substantially in the form of the Bond Purchase Agreement, said offer to provide for, among other things, (i) the issuance of not exceeding $89,000,000 principal amount of Series 2017 Bonds, (ii) an underwriting discount (including management fee and all expenses) not in excess of $4.00/$1,000 of the par amount of the Series 2017 Bonds, (iii) a true interest cost of not more than 4.75%, and (iv) a final maturity no later than October 1, 2047.

B. The Series 2017 Bonds shall be subject to such optional and mandatory redemption provisions, if any, as shall be set forth in the Bond Purchase Agreement.

C. Receipt by the Chairman from the Underwriters of a disclosure statement and truth-in-bonding information complying with Section 218.385, Florida Statutes, and substantially in the form attached to the Bond Purchase Agreement.

Upon satisfaction of the conditions set forth in this Section, the Chairman is hereby authorized to execute and deliver and the Clerk to attest under seal the Series 2017 Bonds and any other documents, agreements or certificates relating to the Series 2017 Bonds, and are further authorized and directed to prepare and furnish to the purchasers of the Series 2017 Bonds, when the Series 2017 Bonds are issued, certified copies of all the proceedings and records of the Issuer relating to the Series 2017 Bonds, and such other affidavits and certificates as may be required to show the facts relating to the legality and marketability of the Series 2017 Bonds as such facts appear from the books and records in the officers' custody and control or as otherwise known to them; and all such certified copies, certificates and affidavits, including any heretofore furnished, shall constitute representations of the Issuer as to the truth of all statements contained therein.

SECTION 13. RESERVE REQUIREMENT, SERIES 2017 RESERVE SUBACCOUNT; OPTIONAL SERIES 2017 RESERVE ACCOUNT INSURANCE POLICY. The Issuer hereby determines that the Reserve Requirement applicable to the Series 2017 Bonds shall mean an amount equal to zero (the "Series 2017 Reserve Requirement"); provided, however, that, prior to the issuance of the Series 2017 Bonds, the Series 2017 Reserve Requirement may be defined as such amount that will not violate the provisions of the Code. Such Series 2017 Reserve Requirement, if increased, will be finally established by the Chairman in writing upon the advice of the Financial Advisor. If deemed by the Issuer to be in its best interests, based on financial advice of the Financial Advisor, in lieu of cash, the Issuer is authorized to purchase the Series 2017 Reserve Account Insurance Policy for deposit in the Series 2017 Reserve Subaccount. To the extent required pursuant to the terms hereof, the Issuer hereby establishes a single separate subaccount of the Reserve Account allocated solely for the benefit of the Series 2017 Bonds (the "Series 2017 Reserve Subaccount") and determines that such Series 2017 Reserve Subaccount shall solely secure the Series 2017 Bonds and shall not secure any other series of Bonds.

The Issuer is hereby authorized to purchase the Series 2017 Reserve Account Insurance Policy from the Series 2017 Municipal Insurer, if the Chairman determines such a purchase to be in the best financial interests of the Issuer based on the advice of the Financial Advisor. Upon such determination, the Issuer further authorizes the Chairman to take any actions and do all things necessary in order to accept the Series 2017 Reserve Account Insurance Policy, including (i) the purchase thereof from the Series 2017 Municipal Insurer in accordance with a commitment (the "Series 2017 Reserve Account Insurance Policy Commitment"), and (ii) the payment therefor from Series 2017 Bond proceeds. The County Administrator is hereby authorized to execute the Series 2017 Reserve Account Insurance Policy Commitment. The provisions of the Series 2017 Reserve Account Insurance Policy Commitment are hereby incorporated by reference. To the extent of any inconsistency between the provisions of the Series 2017 Reserve Account Insurance Policy Commitment and provisions otherwise contained in the Bond Resolution, the provisions of the Bond Resolution shall prevail. The form of any insurance agreement attached to such Series 2017 Reserve Account Insurance Policy Commitment (the "Insurance Agreement") is hereby approved by the Chairman. Subject to

satisfaction of the conditions in Section 12, the Chairman is hereby authorized and directed to execute and deliver, and the Clerk is hereby authorized to attest under seal, the Insurance Agreement. The execution and delivery thereof in the manner described in the preceding sentence shall constitute complete approval of such Insurance Agreement by the Chairman and shall be deemed to be a part of this instrument as fully and to the same extent as if incorporated verbatim herein.

SECTION 14. OPTIONAL MUNICIPAL BOND INSURANCE. The Issuer is hereby authorized to insure all, some or none of the Series 2017 Bonds, whichever is in the best financial interests of the Issuer based on the advice of the Financial Advisor, with the Series 2017 Municipal Bond Insurance Policy, and further authorizes the Chairman to take any actions and do all things necessary in order to accept such Policy in connection with the issuance of the Insured Bonds. The Series 2017 Municipal Bond Insurance Policy is hereby authorized to be purchased from the Series 2017 Municipal Insurer in accordance with a commitment therefor (the "Series 2017 Municipal Bond Insurance Policy Commitment"), and payment for such insurance is hereby authorized from proceeds of the Insured Bonds. The County Administrator is hereby authorized to execute such Series 2017 Municipal Bond Insurance Policy Commitment. The provisions of the Series 2017 Municipal Bond Insurance Policy Commitment are hereby incorporated by reference. To the extent of any inconsistency between the provisions of the Series 2017 Municipal Bond Insurance Policy Commitment and provisions otherwise contained in the Bond Resolution, the provisions of the Bond Resolution shall prevail. A statement of insurance is hereby authorized to be printed on or attached to the Insured Bonds for the benefit and information of the Holders of the Insured Bonds. To the extent that any of the Series 2017 Bonds are insured, subject to satisfaction of the conditions in Section 12, the Chairman is hereby authorized and directed to execute and deliver, and the Clerk is hereby authorized to attest under seal, a credit enhancement agreement that implements the provisions of the Series 2017 Municipal Bond Insurance Policy Commitment (the "Credit Enhancement Agreement") which are not inconsistent with the Bond Resolution. The execution and delivery thereof in the manner described in the preceding sentence shall constitute complete approval of such Credit Enhancement Agreement by the Issuer and shall be deemed to be a part of this instrument as fully and to the same extent as if incorporated verbatim herein.

SECTION 15. APPROVAL OF DISTRIBUTION OF PRELIMINARY OFFICIAL STATEMENT AND AUTHORIZATION OF FINAL OFFICIAL STATEMENT. The preparation and distribution of the Preliminary Official Statement relating to the Series 2017 Bonds, in the form attached hereto as Exhibit "B", is hereby approved and authorized. The County Administrator is hereby authorized to execute and deliver a certificate of the Issuer which deems such Preliminary Official Statement "final" within the contemplation of the Rule. Such Preliminary Official Statement is hereby authorized to be used and distributed in connection with the sale and marketing of the Series 2017 Bonds. The distribution of the final Official Statement relating to the Series 2017 Bonds is hereby authorized, and the execution of such Official Statement by the Chairman is hereby authorized, which execution and delivery shall constitute complete evidence of the approval of such final Official Statement by the Chairman.

SECTION 16. CONTINUING DISCLOSURE. The Issuer hereby covenants and agrees that, in order to assist the Underwriters in complying with the continuing disclosure requirements of the Rule with respect to the Series 2017 Bonds, it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate to be executed by the Issuer prior to the time the Issuer delivers the Series 2017 Bonds to the Underwriters, as may be amended from time to time in accordance with the terms thereof. The form of the Continuing Disclosure Certificate, attached hereto as Exhibit "C" is hereby approved, all of the provisions of which, when executed and delivered by the Issuer as authorized herein shall be deemed to be a part of this instrument as fully and to the same extent as if incorporated verbatim herein. Notwithstanding any other provision of the Bond Resolution, failure of the Issuer to comply with such Continuing Disclosure Certificate shall not be considered an event of default under the Bond Resolution. However, the Continuing Disclosure Certificate shall be enforceable by the Series 2017 Bondholders in the event that the Issuer fails to cure a breach thereunder within a reasonable time after written notice from a Series 2017 Bondholder to the Issuer that a breach exists. Any rights of the Series 2017 Bondholders to enforce the provisions of this covenant shall be on behalf of all Series 2017 Bondholders and shall be limited to a right to obtain specific performance of the Issuer's obligations thereunder.

The Continuing Disclosure Certificate shall be executed in the name of the Issuer by the Chairman, attested by the Clerk, the official seal of the Issuer to be imprinted thereon, with such additional changes and insertions therein as are subsequently approved, and such execution and delivery shall be conclusive evidence of the approval thereof by such officers.

SECTION 17. APPOINTMENT OF REGISTRAR AND PAYING AGENT. U.S. Bank National Association is hereby appointed as Registrar and Paying Agent for the Series 2017 Bonds. The Chairman and the Clerk are hereby authorized to enter into any agreements with such Registrar and Paying Agent, which may be necessary to reflect the obligation of such Registrar and Paying Agent to accept and perform the respective duties imposed upon each and to effectuate the transactions contemplated, by this Resolution.

SECTION 18. TAX COVENANT. The Issuer covenants to the Holders of the Series 2017 Bonds provided for in the Bond Resolution that the Issuer will not make any use of the proceeds of the Series 2017 Bonds at any time during the term of the Series 2017 Bonds which would cause the Series 2017 Bonds to be "arbitrage bonds" within the meaning of the Code. The Issuer will comply with the requirements of the Code and any valid and applicable rules and regulations promulgated thereunder necessary to ensure the exclusion of interest on the Series 2017 Bonds from the gross income of the Holders thereof for purposes of federal income taxation.

SECTION 19. AMENDMENT OF RESOLUTION NO. R2002-145.

A. Section 2. "DEFINITIONS" of Resolution No. R2002-145 is hereby amended by adding the following paragraph to paragraph (B) of the definition of "Bond Service Requirement":

In computing the Bond Service Requirement for any balloon indebtedness, such balloon indebtedness shall be assumed to amortize in up to 20 years (from the date of calculation) on a level debt service basis. In the event that the Issuer is required to fund a reserve fund, the funding of such reserve fund shall be included in the calculation of the Bond Service Requirement. For purposes of this paragraph, "balloon indebtedness" includes any indebtedness if 25% or more of the principal amount thereof comes due in any one year.

Any put or tender rights with respect to any indebtedness shall be ignored and such debt shall be assumed to mature as otherwise provided in the instrument evidencing such debt, solely for the purposes of computing the Bond Service Requirement.

B. Section 2. "DEFINITIONS" of Resolution No. R2002-145 is hereby amended as follows:

"Reserve Requirement", for each Series of Bonds, shall have such meaning as determined by and defined in a supplemental resolution for such Series of Bonds.

SECTION 20. NO PERSONAL LIABILITY; AUTHORIZATION OF ALL OTHER NECESSARY ACTION. Neither the members of the Board nor any person executing the Series 2017 Bonds shall be personally liable therefor or be subject to any personal liability or accountability by reason of the issuance thereof. The Chairman, Vice-Chairman and Clerk of the Issuer, the County Attorney and Bryant Miller Olive P.A., Bond Counsel for the Issuer, are each designated agents of the Issuer in connection with the issuance and delivery of the Series 2017 Bonds, and are authorized and empowered, collectively or individually, to take all actions and steps to execute and deliver any and all instruments, documents or contracts on behalf of the Issuer which are necessary or desirable in connection with the execution and delivery of the Series 2017 Bonds and which are not inconsistent with the terms and provisions of the Bond Resolution and other actions relating to the Series 2017 Bonds heretofore taken by the Issuer, including sale and purchase of investments.

SECTION 21. CONFLICTS. All resolutions or parts of resolutions in conflict with the provisions of this Resolution are hereby supplemented and amended to conform with the provisions herein contained and except as otherwise modified, supplemented and amended hereby shall remain in full force and effect.

SECTION 22. SEVERABILITY. If any word, phrase, clause, section, or portion of this Resolution shall be held invalid or unconstitutional by a court of competent jurisdiction, such portion or words shall be deemed a separate and independent provision and such holding shall not affect the validity of the remaining portions thereof.

SECTION 23. EFFECTIVE DATE. This Resolution shall have effect upon adoption.

PASSED AND ADOPTED on this 25th day of May, 2017.

BOND PURCHASE AGREEMENT

Escambia County, Florida
Sales Tax Revenue Bonds, Series 2017

June __, 2017

Escambia County, Florida
221 Palafox Place, Suite 420
Pensacola, Florida 32502

Ladies and Gentlemen:

The undersigned, RBC Capital Markets, LLC (the *"Representative"* or *"RBC CM"*) acting on its own behalf and on behalf of the other underwriters listed on Schedule I hereto (collectively, the *"Underwriters"*), offers to enter into the following agreement (this "*Agreement*") with Escambia County, Florida (the *"Issuer"*) which, upon the Issuer's written acceptance of this offer, will be binding upon the Issuer and upon the Underwriters. This offer is made subject to the Issuer's written acceptance hereof on or before 2:00 p.m., Eastern Daylight time, on June __, 2017, and, if not so accepted, will be subject to withdrawal by the Underwriters upon notice delivered to the Issuer at any time prior to the acceptance hereof by the Issuer. Terms not otherwise defined in this Agreement shall have the same meanings set forth in the Bond Resolution (as defined herein) or in the Official Statement (as defined herein).

1. *Purchase and Sale of the Bonds.* Subject to the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Underwriters hereby agree to purchase from the Issuer, and the Issuer hereby agrees to sell and deliver to the Underwriters, all, but not less than all, of the Issuer's Sales Tax Revenue Bonds, Series 2017 (the *"Bonds"*). Inasmuch as this purchase and sale represents a negotiated transaction, the Issuer acknowledges and agrees that: (i) the transaction contemplated by this Agreement is an arm's length, commercial transaction between the Issuer and the Underwriters in which the Underwriters are acting solely as a principal and are not acting as a municipal advisor, financial advisor or fiduciary to the Issuer; (ii) the Underwriters have not assumed any advisory or fiduciary responsibility to the Issuer with respect to the transaction contemplated hereby and the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriters have provided other services or is currently providing other services to the Issuer on other matters); (iii) the Underwriters are acting solely in their capacity as underwriters for their own accounts, (iv) the only obligations the Underwriters have to the Issuer with respect to the transaction contemplated hereby expressly are set forth in this Agreement; and (v) the Issuer has consulted its own legal, accounting, tax, financial and other advisors, as applicable, to the extent it has deemed appropriate. The Representative has been duly authorized to execute this Agreement and to act hereunder.

   The principal amount of the Bonds to be issued, the dated date therefor, interest rates per annum, prices and/or yields, the maturities and sinking fund and optional redemption provisions are set forth in Schedule II hereto. The Bonds shall be as described in, and shall be issued and secured under and

pursuant to the provisions of Resolution No. R2002-145 adopted by the Issuer on September 11, 2002, as amended and supplemented by Resolution No. R2017-___ adopted by the Issuer on April __, 2017 (the "Bond Resolution"). [_____ (the "Bond Insurer") will issue its municipal bond insurance policy (the "Insurance Policy") guaranteeing the payment of principal of and interest on the Bonds when due and its debt service reserve insurance policy (the "Reserve Surety") to fund the debt service reserve account for the Bonds.]

The aggregate principal amount of the Bonds is $_____ and the purchase price for the Bonds shall be $_____ plus interest accrued on the Bonds from the dated date of the Bonds to the Closing Date (as hereinafter defined). The discount of $_____ represents an underwriting discount of $_____ [and a [net] original issue discount/premium of $_____].

Delivered to the Issuer herewith as a good faith deposit is a check payable to the order of the Issuer in clearing house funds in the amount of [$_____]. In the event you accept this offer, such check shall be held uncashed by you until the time of Closing, at which time such check shall be returned uncashed to the Representative. In the event that the Issuer does not accept this Agreement, such check will be immediately returned to the Representative. Should the Issuer fail to deliver the Bonds at the Closing, or should the Issuer be unable to satisfy the conditions of the obligations of the Underwriters to purchase, accept delivery of and pay for the Bonds, as set forth in this Agreement (unless waived by the Underwriters), or should such obligations of the Underwriters be terminated for any reason permitted by this Agreement, such check shall immediately be returned to the Representative. In the event that the Underwriters fail (other than for a reason permitted hereunder) to purchase, accept delivery of and pay for the Bonds at the Closing as herein provided, such check shall be cashed and the amount thereof retained by the Issuer as and for fully liquidated damages for such failure of the Underwriters, and, except as set forth in Section 10 hereof, no party shall have any further rights against the other hereunder. The Underwriters and the Issuer understand that in such event the Issuer's actual damages may be greater or may be less than such amount. Accordingly, the Underwriters hereby waive any right to claim that the Issuer's actual damages are less than such amount, and the Issuer's acceptance of this offer shall constitute a waiver of any right the Issuer may have to additional damages from the Underwriters.

In accordance with Section 218.385, Florida Statutes, the Underwriters hereby disclose the information required by such Section, including a truth-in-bonding statement, as provided in Schedule II attached hereto.

2. *Public Offering.* The Underwriters agree to make a bona fide public offering of all of the Bonds at a price not to exceed the public offering price set forth on the cover of the Official Statement and may subsequently change such offering price without any requirement of prior notice. The Underwriters may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the public offering price stated on the cover of the Official Statement.

Simultaneously with or prior to the delivery of the Bonds, at the request of the Issuer or Bond Counsel (defined herein), the Representative shall furnish to the Issuer a certificate to the effect that (a) the Underwriters made a bona fide public offering of the Bonds at the Offering Prices, and (b) to the best of the knowledge, information and belief of the Representative, (i) a substantial amount of the Bonds (at least 10% of the aggregate face amount of each maturity) was sold to the public (excluding bond houses, brokers and other intermediaries) at prices no higher than the Offering Prices or (ii) a substantial amount of the Bonds was sold at or below the Offering Prices, ubject to the reasonable approval by Bond Counsel based on facts in existence on the date of Closing relating to the tax exempt status of the Bonds. If the Representative is unable to state the matters set forth in this paragraph, such certificate shall state such actual facts as to the amount of the Bonds sold to the

public (excluding bond houses, brokers and other intermediaries) and the price therefor, as Bond Counsel may reasonably request. The foregoing may expressly rely on information obtained or derived from other underwriters, bond houses and brokers selling the Bonds, without independent verification thereof, and must state that the Representative has no reason to believe that the statements in the certificate are untrue or incorrect in any material respect.

3. *The Official Statement.*

(a) The Preliminary Official Statement dated May __, 2017 (the *"Preliminary Official Statement"*), including the cover page and Appendices thereto, of the Issuer relating to the Bonds, as amended to reflect the pricing terms of the Bonds, is hereinafter called the *"Official Statement."*

(b) The Preliminary Official Statement has been prepared by the Issuer for use by the Underwriters in connection with the public offering, sale and distribution of the Bonds. The Issuer hereby represents and warrants that the Preliminary Official Statement was deemed final by the Issuer as of its date, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934 (the *"Rule"*).

(c) The Issuer represents that the governing body of the Issuer has reviewed and approved the information in the Official Statement and hereby authorizes the Official Statement to be used by the Underwriters in connection with the public offering and the sale of the Bonds. The Issuer shall provide, or cause to be provided, to the Underwriters as soon as practicable after the date of the Issuer's acceptance of this Agreement (but, in any event, not later than within seven business days after the Issuer's acceptance of this Agreement and in sufficient time to accompany any confirmation that requests payment from any customer) copies of the Official Statement which is complete as of the date of its delivery to the Underwriters in such quantity as the Representative shall reasonably request in order for the Underwriters to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board (the "MSRB"). The Issuer hereby confirms that it does not object to the distribution of the Official Statement in electronic form.

(d) If, after the date of this Agreement to and including the date the Underwriters are no longer required to provide an Official Statement to potential customers who request the same pursuant to the Rule (the earlier of (i) 90 days from the "end of the underwriting period" (as defined in the Rule) and (ii) the time when the Official Statement is available to any person from the MSRB, but in no case less than 25 days after the "end of the underwriting period" for the Bonds), the Issuer becomes aware of any fact or event which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or if it is necessary to amend or supplement the Official Statement to comply with law, the Issuer will notify the Representative (and for the purposes of this clause provide the Representative with such information as it may from time to time request), and if, in the opinion of the Representative, such fact or event requires preparation and publication of a supplement or amendment to the Official Statement, the Issuer will forthwith prepare and furnish, at the Issuer's own expense (in a form and manner approved by the Representative), a reasonable number of copies of either amendments or supplements to the Official Statement so that the statements in the Official Statement as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or so that the Official Statement will comply with law. If such notification shall be subsequent to the Closing, the Issuer shall furnish such legal opinions,

certificates, instruments and other documents as the Representative may deem necessary to evidence the truth and accuracy of such supplement or amendment to the Official Statement.

(e) The Representative hereby agrees to file the Official Statement with the MSRB. Unless otherwise notified in writing by the Representative, the Issuer can assume that the "end of the underwriting period" for purposes of the Rule is the date of the Closing.

4. *Representations , Warranties , and Covenants of the Issuer.* The Issuer hereby represents and warrants to and covenants with the Underwriters that:

(a) The Issuer is a political subdivision of the State of Florida (the *"State"*) duly created, organized and existing under the laws of the State, specifically Chapter 125, Florida Statutes, as amended and supplemented (the *"Act"*), and has full legal right, power and authority under the Act, and at the date of the Closing will have full legal right, power and authority under the Act and the Bond Resolution (i) to enter into, execute and deliver this Agreement, the Bond Resolution and the Continuing Disclosure Undertaking (the "*Undertaking*") as defined in Section 6(j)(3) hereof and all documents required hereunder and thereunder to be executed and delivered by the Issuer (this Agreement, the Bond Resolution, the Undertaking and the other documents referred to in this clause are hereinafter referred to as the *"Issuer Documents"*), (ii) to sell, issue and deliver the Bonds to the Underwriters as provided herein, (iii) to carry out and consummate the transactions contemplated by the Issuer Documents and the Official Statement, and (iv) to pledge and grant a lien upon the Pledged Revenues for payment of the principal of, redemption premium, if any, and interest on the Bonds pursuant to the Bond Resolution;and the Issuer has complied, and will at the Closing be in compliance in all respects, with the terms of the Act and the Issuer Documents as they pertain to such transactions;

(b) By all necessary official action of the Issuer prior to or concurrently with the acceptance hereof, the Issuer has duly authorized all necessary action to be taken by it for (i) the adoption of the Bond Resolution and the issuance and sale of the Bonds, (ii) the approval, execution and delivery of, and the performance by the Issuer of the obligations on its part, contained in the Bonds and the Issuer Documents and (iii) the consummation by it of all other transactions contemplated by the Official Statement, and the Issuer Documents and any and all such other agreements and documents as may be required to be executed, delivered and/or received by the Issuer in order to carry out, give effect to, and consummate the transactions contemplated herein and in the Official Statement;

(c) The Issuer Documents constitute legal, valid and binding obligations of the Issuer, enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; the Bonds, when issued, delivered and paid for, in accordance with the Bond Resolution and this Agreement, will constitute legal, valid and binding obligations of the Issuer entitled to the benefits of the Bond Resolution and enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; upon the issuance, authentication and delivery of the Bonds as aforesaid, the Bond Resolution will provide, for the benefit of the holders, from time to time, of the Bonds, the legally valid and binding pledge of and lien it purports to create as set forth in the Bond Resolution;

(d) The Issuer is not in breach of or default in any material respect under any applicable constitutional provision, law or administrative regulation of the State or the United States or any applicable judgment or decree or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Issuer is a party or to which the Issuer is or any of its

property or assets are otherwise subject, and no event has occurred and is continuing which constitutes or with the passage of time or the giving of notice, or both, would constitute a default or event of default by the Issuer under any of the foregoing; and the execution and delivery of the Bonds, the Issuer Documents and the adoption of the Bond Resolution and compliance with the provisions on the Issuer's part contained therein, will not conflict with or constitute a breach of or default under any constitutional provision, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Issuer is a party or to which the Issuer is or to which any of its property or assets are otherwise subject nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Issuer to be pledged to secure the Bonds or under the terms of any such law, regulation or instrument, except as provided by the Bonds and the Bond Resolution

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization of, which would constitute a condition precedent to, or the absence of which would materially adversely affect the due performance by the Issuer of its obligations under the Issuer Documents, and the Bonds have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any jurisdiction in connection with the offering and sale of the Bonds;

(f) The Bonds conform to the descriptions thereof contained in the Official Statement on the cover and inside cover pages and under the caption "DESCRIPTION OF THE SERIES 2017 BONDS"; the Bond Resolution conforms to the description thereof contained in the Official Statement under the caption "SOURCES AND SECURITY FOR THE PAYMENT OF THE SERIES 2017 BONDS" and in Appendix C; the proceeds of the sale of the Bonds will be applied generally as described in the Official Statement under the captions "SOURCES AND USES OF FUNDS and "THE PROJECT" and the Undertaking conforms to the description thereof contained in the Official Statement under the caption "DISCLOSURE MATTERS – Continuing Disclosure".

(g) There is no legislation, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to the best knowledge of the Issuer after due inquiry, threatened against the Issuer, affecting the existence of the Issuer or the titles of its officers to their respective offices, or affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds, the distribution of the Sales Tax Revenues (as defined in the Bond Resolution) or the collection or distribution of the sales taxes from which the Sales Tax Revenues are derived or in any way contesting or affecting the validity or enforceability of the Bonds, the Issuer Documents, or contesting the exclusion from gross income of interest on the Bonds for federal income tax purposes, or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto, or contesting the powers of the Issuer or any authority for the issuance of the Bonds, the adoption of the Bond Resolution or the execution and delivery of the Issuer Documents, nor, to the best knowledge of the Issuer, is there any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect the validity or enforceability of the Bonds or the Issuer Documents;

(h) As of the date thereof, the Preliminary Official Statement did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(i) At the time of the Issuer's acceptance hereof and (unless the Official Statement is amended or supplemented pursuant to paragraph (d) of Section 3 of this Agreement) at all times subsequent thereto during the period up to and including the date of Closing, the Official Statement does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(j) If the Official Statement is supplemented or amended pursuant to paragraph (d) of Section 3 of this Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the date of Closing the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which made, not misleading;

(k) The Issuer will apply, or cause to be applied, the proceeds from the sale of the Bonds as provided in and subject to all of the terms and provisions of the Bond Resolution and not to take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds;

(l) The Issuer will furnish such information and execute such instruments and take such action in cooperation with the Underwriters as the Representative may reasonably request (A) to (y) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Representative may designate and (z) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and (B) to continue such qualifications in effect so long as required for the distribution of the Bonds (provided, however, that the Issuer will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Representative immediately of receipt by the Issuer of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose;

(m) The financial statements of, and other financial information regarding the Issuer, in the Official Statement fairly present the financial position and results of the Issuer as of the dates and for the periods therein set forth. Prior to the Closing, there will be no adverse change of a material nature in such financial position, results of operations or condition, financial or otherwise, of the Issuer. The Issuer is not a party to any litigation or other proceeding pending or, to its knowledge, threatened which, if decided adversely to the Issuer, would have a materially adverse effect on the financial condition of the Issuer;

(n) Prior to the Closing the Issuer will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by any of the revenues or assets which will secure the Bonds without the prior approval of the Representative;

(o) Any certificate, signed by any official of the Issuer authorized to do so in connection with the transactions contemplated by this Agreement, shall be deemed a representation and warranty by the Issuer to the Underwriters as to the statements made therein;

5. *Closing.*

(a) At _____] [a.m./p.m.] Central Time, on June __, 2017. or at such other time and date as shall have been mutually agreed upon by the Issuer and the Representative (the *"Closing"*), the Issuer will, subject to the terms and conditions hereof, deliver the Bonds to the Underwriters duly executed and authenticated, together with the other documents hereinafter mentioned, and the Underwriters will, subject to the terms and conditions hereof, accept such delivery and pay the purchase price of the Bonds as set forth in Section 1 of this Agreement by a certified or bank cashier's check or checks or wire transfer payable in immediately available funds to the order of the Issuer. Payment for the Bonds as aforesaid shall be made at the offices of the Issuer, or such other place as shall have been mutually agreed upon by the Issuer and the Representative.

(b) Delivery of the Bonds shall be made to The Depository Trust Company, New York, New York. The Bonds shall be delivered in definitive fully registered form, bearing CUSIP numbers without coupons, with one Bond for each maturity of the Bonds, registered in the name of Cede & Co., all as provided in the Bond Resolution, and shall be made available to the Representative at least one business day before the Closing for purposes of inspection.

6. *Closing Conditions*. The Underwriters have entered into this Agreement in reliance upon the representations, warranties and agreements of the Issuer contained herein, and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered at the Closing and upon the performance by the Issuer of its obligations hereunder, both as of the date hereof and as of the date of the Closing. Accordingly, the Underwriters' obligations under this Agreement to purchase, to accept delivery of and to pay for the Bonds shall be conditioned upon the performance by the Issuer of its obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject to the following additional conditions, including the delivery by the Issuer of such documents as are enumerated herein, in form and substance reasonably satisfactory to the Representative:

(a) The representations and warranties of the Issuer contained herein shall be true, complete and correct on the date hereof and on and as of the date of the Closing, as if made on the date of the Closing;

(b) The Issuer shall have performed and complied with all agreements and conditions required by this Agreement to be performed or complied with by it prior to or at the Closing;

(c) At the time of the Closing, (i) the Issuer Documents and the Bonds shall be in full force and effect in the form heretofore approved by the Representative and shall not have been amended, modified or supplemented, and the Official Statement shall not have been supplemented or amended, except in any such case as may have been agreed to by the Representative; and (ii) all actions of the Issuer required to be taken by the Issuer shall be performed in order for Bond Counsel, Disclosure Counsel and the County Attornty to deliver their respective opinions referred to hereafter;

(d) At or prior to the Closing, the Bond Resolution shall have been duly executed and delivered by the Issuer and the Issuer shall have duly executed and delivered and the bond registrar shall have duly authenticated the Bonds;

(e) [At or prior to the Closing, the Bond Insurance Policy shall have been duly issued and delivered by the [Bond Insurer];

(f) At the time of the Closing, there shall not have occurred any change or any development involving a prospective change in the condition, financial or otherwise, or in the revenues or operations of the Issuer, from that set forth in the Official Statement that in the judgment of the

Representative, is material and adverse and that makes it, in the judgment of the Representative, impracticable to market the Bonds on the terms and in the manner contemplated in the Official Statement;

(g) The Issuer shall not have failed to pay principal or interest when due on any of its outstanding obligations for borrowed money;

(h) All steps to be taken and all instruments and other documents to be executed, and all other legal matters in connection with the transactions contemplated by this Agreement shall be reasonably satisfactory in legal form and effect to the Representative;

(i) At or prior to the Closing, the Underwriters shall have received copies of each of the following documents:

(1) The Official Statement, and each supplement or amendment thereto, if any, executed on behalf of the Issuer by the Chairman of the Board of County Commissioners, or such other official as may have been agreed to by the Representative, and the reports and audits referred to or appearing in the Official Statement;

(2) The Bond Resolution with such supplements or amendments as may have been agreed to by the Representative;

(3) The Undertaking of the Issuer which satisfies the requirements of section (b)(5)(i) of the Rule;

(4) the approving opinion of Bond Counsel with respect to the Bonds, in substantially the form attached to the Official Statement;

(5) a supplemental opinion of Bond Counsel addressed to the Underwriters, substantially to the effect that:

(i) the Bond Resolution has been duly adopted and is in full force and effect;

(ii) the Bonds are exempted securities under the Securities Act of 1933, as amended (the *"1933 Act"*), and the Trust Indenture Act of 1939, as amended (the *"Trust Indenture Act"*) and it is not necessary, in connection with the offering and sale of the Bonds, to register the Bonds under the 1933 Act or to qualify the Bond Resolution under the Trust Indenture Act;

(iii) the information contained in the Official Statement under the following headings insofar as such information purports to be summaries or descriptions of the Resolution, the Bonds, or state or federal law, are fair and accurate statements or summaries of such information: "INTRODUCTION," "DESCRIPTION OF THE SERIES 2017 BONDS" (other than the information under the subheading "Book-Entry Only System"), "SECURITY AND SOURCE OF PAYMENT FOR THE SERIES 2017 BONDS" and the information under "TAX MATTERS" and in Appendices C and D fairly and accurately summarizes the matters purported to be summarized therein, but excluding statements contained under any other heading to which reference is made under such headings or Appendices and any financial and statistical information included therein, as to which no opinion need be expressed

(iv) based on the examinations which they have made as Bond Counsel and their participation at conferences at which the Official Statement was discussed, but without having undertaken to determine independently the accuracy or completeness of the statements in the Official Statement other than those described in subparagraph (iii) of this subsection above, such counsel has no reason to believe that the Official Statement as of its date and as of the date hereof contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (except for any financial, forecast, technical and statistical data included in the Official Statement and except for information regarding the Depository and its book-entry system and information regarding the Bond Insurer, in each case as to which no view need be expressed);

(6) An opinion, dated the date of the Closing and addressed to the Issuer with a reliance letter to the Underwriters, of Disclosure Counsel, to the effect that:

(i) the Bonds are exempt securities under the 1933 Act and the Trust Indenture Act and it is not necessary, in connection with the offering and sale of the Bonds, to register the Bonds under the 1933 Act and the Bond Resolution need not be qualified under the Trust Indenture Act; and

(ii) based upon their participation in the preparation of the Official Statement as counsel for the Underwriters and their participation at conferences at which the Official Statement was discussed, but without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Official Statement, such counsel has no reason to believe that the Official Statement contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (except for any financial, forecast, technical and statistical statements and data included in the Official Statement and the information regarding the Depository and its book-entry system [and information regarding the Bond Insurer]

(7) An opinion of the Issuer's Counsel, addressed to the Underwriters, to the effect that:

(i) The Issuer is a political subdivision of the State of Florida (the *"State"*) duly created, organized and existing under the laws of the State, specifically Chapter 125, Florida Statutes, as amended and supplemented (the *"Act"*), and has full legal right, power and authority under the Act and the Bond Resolution (A) to enter into, execute and deliver the Issuer Documents and all documents required hereunder and thereunder to be executed and delivered by the Issuer, (B) to sell, issue and deliver the Bonds to the Underwriters as provided herein, and (C) to carry out and consummate the transactions contemplated by the Issuer Documents and the Official Statement, and the Issuer has complied, and will at the Closing be in compliance in all respects, with the terms of the Act and the Issuer Documents as they pertain to such transactions;

(ii) By all necessary official action of the Issuer prior to or concurrently with the acceptance hereof, the Issuer has duly authorized all necessary action to be taken by it for (A) the adoption of the Bond Resolution and the issuance and sale of the Bonds, (B) the approval, execution and delivery of, and the performance by the Issuer of the obligations on its part, contained in the Bonds, the Issuer Documents, and (C) the consummation by it of all other transactions contemplated by the Official Statement, the Issuer Documents and any and all such other agreements and documents as may be required to be executed, delivered and/or received by the Issuer in order to carry out,

give effect to, and consummate the transactions contemplated herein and in the Official Statement;

(iii) The Bond Resolution was duly and validly adopted by the Issuer and is in full force and effect; the Bond Resolution and all other proceedings pertinent to the validity and enforceability of the Bonds have been duly and validly adopted or undertaken in compliance with all applicable procedural requirements of the Issuer and in compliance with the Constitution and laws of the State, including the Act;

(iv) The Issuer Documents have been duly authorized, executed and delivered by the Issuer, and constitute legal, valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their respective terms, except to the extent limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws and equitable principles of general application relating to or affecting the enforcement of creditors' rights; and the Bonds, when issued, delivered and paid for, in accordance with the Bond Resolution and this Agreement, will constitute legal, valid and binding obligations of the Issuer entitled to the benefits of the Bond Resolution and enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; upon the issuance, authentication and delivery of the Bonds as aforesaid, the Bond Resolution will provide, for the benefit of the holders, from time to time, of the Bonds, the legally valid and binding pledge of and lien it purports to create as set forth in the Bond Resolution;

(v) The distribution of the Preliminary Official Statement and the Official Statement has been duly authorized by the Issuer;

(vi) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization of, which would constitute a condition precedent to, or the absence of which would materially adversely affect the due performance by the Issuer of its obligations under the Issuer Documents and the Bonds have been obtained;

(vii) There is no legislation, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to the best knowledge of the Issuer, after due inquiry threatened against the Issuer, affecting the corporate existence of the Issuer or the titles of its officers to their respective offices, or affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds, the distribution of the Sales Tax Revenues (as defined in the Bond Resolution) or the collection or distribution of the sales taxes from which the Sales Tax Revenues are derived or in any way contesting or affecting the validity or enforceability of the Bonds, the Issuer Documents, or contesting the exclusion from gross income of interest on the Bonds for federal income tax purposes. or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto, or contesting the powers of the Issuer or any authority for the issuance of the Bonds, the adoption of the Bond Resolution or the execution and delivery of the Issuer Documents, nor, to the best knowledge of the Issuer, is there any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect the validity or enforceability of the Bonds, or the Issuer Documents;

(viii) The execution and delivery of the Issuer Documents and compliance by the Issuer with the provisions hereof and thereof, under the circumstances contemplated herein and therein, will not conflict with or constitute on the part of the Issuer a material breach of or a default under any agreement or instrument to which the Issuer is a party, or violate any existing law, administrative regulation, court order, or consent decree to which the Issuer is subject; and

(ix) Based on the examination which such counsel has caused to be made and its participation at conferences at which the Preliminary Official Statement and the Official Statement were discussed, such counsel has no reason to believe that the Official Statement as of its date and as of the date hereof contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading in any material respect (except for any financial forecast, technical and statistical data included in the Official Statement and except for information regarding the Depository and its book-entry system and information regarding the Bond Insurer, in each case as to which no view need be expressed.

(8) A certificate, dated the date of Closing, of the Issuer to the effect that (i) the representations and warranties of the Issuer contained herein are true and correct in all material respects on and as of the date of Closing as if made on the date of Closing; (ii) no litigation or proceeding or tax challenge against it is pending or, to its knowledge, threatened in any court or administrative body nor is there a basis for litigation which would (a) contest the right of the members or officials of the Issuer to hold and exercise their respective positions, (b) contest the due organization and valid existence of the Issuer, (c) contest the validity, due authorization and execution of the Bonds or the Issuer Documents or (d) attempt to limit, enjoin or otherwise restrict or prevent the Issuer from functioning and collecting revenues, including payments on the Bonds, pursuant to the Bond Resolution, and other income or the distribution of the Sales Tax Revenues (as defined in the Bond Resolution) or the collection or distribution of the sales taxes from which the Sales Tax Revenues are derived, or the pledge thereof to pay the principal of and interest on the Bonds; (iii) the resolutions of the Issuer authorizing the execution, delivery and/or performance of the Official Statement, the Bonds and Issuer Documents have been duly adopted by the Issuer, are in full force and effect and have not been modified, amended or repealed, and (iv) to the best of its knowledge, no event affecting the Issuer has occurred since the date of the Official Statement which should be disclosed in the Official Statement for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information therein, in light of the circumstances under which made, not misleading in any respect as of the time of Closing, and the information contained in the Official Statement is correct in all material respects and, as of the date of the Official Statement did not, and as of the date of the Closing does not, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading;

(9) A certificate of the Issuer in form and substance satisfactory to Bond Counsel and counsel to the Underwriters (i) setting forth the facts, estimates and circumstances in existence on the date of the Closing, which establish that it is not expected that the proceeds of the Bonds will be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the *"Code"*), and any applicable regulations (whether final, temporary or proposed), issued pursuant to the Code, and (ii) certifying that to the best of the knowledge and belief of the Issuer there are no other

facts, estimates or circumstances that would materially change the conclusions, representations and expectations contained in such certificate;

(10) Any other certificates and opinions required by the Bond Resolution for the issuance thereunder of the Bonds;

(11) [A letter from the Issuer's Auditor with respect to the performance of certain agreed upon procedures requested by the Representative;]

(12) Evidence satisfactory to the Representative that the Bonds have been rated by the rating agencies as described in the Official Statement under the caption "RATINGS" and that all such ratings are in effect as of the date of Closing;

(13) [A copy of the Bond Insurance Policy together with an opinion of counsel to the Bond Insurer in form and substance satisfactory to the Representative];

(14) [A certificate of the Bond Insurer with respect to the accuracy of statements contained in the Official Statement regarding the Bond Inurance Policy and the Bond Insurer and the due authorization execution issuance and delivery of the Bond Inurance Policy;

(15) Such additional legal opinions, certificates, instruments and other documents as the Representative or counsel to the Underwriters may reasonably request to evidence the truth and accuracy, as of the date hereof and as of the date of the Closing, of the Issuer's representations and warranties contained herein and of the statements and information contained in the Official Statement and the due performance or satisfaction by the Issuer on or prior to the date of the Closing of all the respective agreements then to be performed and conditions then to be satisfied by the Issuer.

All of the opinions, letters, certificates, instruments and other documents mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof if, but only if, they are in form and substance satisfactory to the Underwriters.

If the Issuer shall be unable to satisfy the conditions to the obligations of the Underwriters to purchase, to accept delivery of and to pay for the Bonds contained in this Agreement, or if the obligations of the Underwriters to purchase, to accept delivery of and to pay for the Bonds shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and neither the Underwriters nor the Issuer shall be under any further obligation hereunder, except that the respective obligations of the Issuer and the Underwriters set forth in Sections 4, 7 and 9(c) hereof shall continue in full force and effect.

7. *Termination.* The Underwriters shall have the right to cancel their obligation to purchase the Bonds if, between the date of this Agreement and the Closing, the market price or marketability of the Bonds shall be materially adversely affected, in the sole judgment of the Representative, by the occurrence of any of the following:

(a) legislation shall be enacted by or introduced in the Congress of the United States or recommended to the Congress for passage by the President of the United States, or the Treasury Department of the United States or the Internal Revenue Service or any member of the Congress or the legislature of the State or favorably reported for passage to either House of the Congress by any committee of such House to which such legislation has been referred for consideration, a decision by a court of the United States or of the State or the United States Tax Court shall be rendered, or an order, ruling, regulation (final, temporary or proposed), press release, statement or

other form of notice by or on behalf of the Treasury Department of the United States, the Internal Revenue Service or other governmental agency shall be made or proposed, the effect of any or all of which would be to impose, directly or indirectly, federal income taxation or State income taxation upon interest received on obligations of the general character of the Bonds or, with respect to State taxation, of the interest on the Bonds as described in the Official Statement, or other action or events shall have transpired which may have the purpose or effect, directly or indirectly, of changing the federal income tax consequences or state income tax consequences of any of the transactions contemplated herein;

(b) legislation introduced in or enacted (or resolution passed) by the Congress or an order, decree, or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary, or proposed), press release or other form of notice issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Bonds, including any or all underlying arrangements, are not exempt from registration under or other requirements of the 1933 Act, or that the Bond Resolution is not exempt from qualification under or other requirements of the Trust Indenture Act, or that the issuance, offering, or sale of obligations of the general character of the Bonds, including any or all underlying arrangements, as contemplated hereby or by the Official Statement or otherwise, is or would be in violation of the federal securities law as amended and then in effect;

(c) any state Blue Sky or securities commission or other governmental agency or body shall have withheld registration, exemption or clearance of the offering of the Bonds as described herein, or issued a stop order or similar ruling relating thereto;

(d) a general suspension of trading in securities on the New York Stock Exchange or other national securities exchange, the establishment of minimum prices on either such exchange, the establishment of material restrictions (not in force as of the date hereof) upon trading securities generally by any governmental authority or any national securities exchange, a general banking moratorium declared by federal, State of New York, or State officials authorized to do so;

(e) the New York Stock Exchange or other national securities exchange or any governmental authority, shall impose, as to the Bonds or as to obligations of the general character of the Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, Underwriters;

(f) any amendment to the federal or state Constitution or action by any federal or state court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the Issuer, its property, income securities (or interest thereon), or the validity or enforceability of the levy, collection and distribution of the Sales Tax Revenues or the sales taxes from which the Sales Tax Revenues are derived;

(g) any event occurring, or information becoming known which, in the judgment of the Representative, makes untrue in any material respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(h) there shall have occurred any materially adverse change in the affairs or financial condition of the Issuer or of the Pledge Revenues;

(i) Between the date hereof and the Closing, the Issuer has, without the prior written consent of the Underwriter, offered or issued any bonds, notes or other obligations for borrowed money, or incurred any material liabilities, direct or contingent, other than as described in the Official Statement, in either case payable from the Pledged Revenues;

(j) the United States shall have become engaged in hostilities which have resulted in a declaration of war or a national emergency or there shall have occurred any other outbreak or escalation of hostilities;

(k) there shall have occurred any national or international calamity or crisis in the financial markets or otherwise of the United States or elsewhere;

(l) any fact or event shall exist or have existed that, in the Representative's judgment, requires or has required an amendment of or supplement to the Official Statement;

(m) there shall have occurred or any notice shall have been given of any intended review, downgrading, suspension, withdrawal, or negative change in credit watch status by any national rating service to any of the Issuer's obligations or any rating of the Insurer; and

(n) the purchase of and payment for the Bonds by the Underwriters, or the resale of the Bonds by the Underwriters, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission.

8. *Expenses.*

(a) The Underwriters shall be under no obligation to pay, and the Issuer shall pay all expenses incident to the performance of the Issuer's obligations hereunder, including, but not limited to (i) the cost of preparation and printing of the Bonds, Preliminary Official Statement, Official Statement and any amendment or supplement thereto, (ii) the fees and disbursements of Bond Counsel, Issuer Counsel, Disclosure Counsel and Special Tax Counsel, if any; (iii) the fees and disbursements of the Financial Advisor to the Issuer, if any; (iv) the fees and disbursements of any Trustee, Paying Agent or engineers, accountants, and other experts, consultants or advisers retained by the Issuer, if any; and (v) all fees and expenses in connection with obtaining bond ratings and the Bond Insurance Policy. The Issuer shall also pay for any expenses (included in the expense component of the Underwriter's discount) incurred by the Underwriters which are incidental to implementing this Bond Purchase Agreement and the issuance of the Bonds, including, but not limited to, meals, transportation and lodging, if any, and any other miscellaneous closing costs. In the event that either party shall have paid obligations of the other as set forth in this Section 8, adjustment shall be made at the time of the Closing.

(b) The Issuer acknowledges that it has had an opportunity, in consultation with such advisors as it may deem appropriate, if any, to evaluate and consider the fees and expenses being incurred as part of the issuance of the Bonds.

(c) Except as provided for above, the Underwriters shall pay (i) the cost of preparation and printing of this Agreement, the Blue Sky Survey and Legal Investment Memorandum; (ii) all advertising expenses in connection with the public offering of the Bonds; and (iii) all other expenses incurred by them in connection with the public offering of the Bonds, including the fees and disbursements of counsel retained by the Underwriters.

(d) If this Agreement shall be terminated by the Underwriters because of any failure or refusal on the part of the Issuer to comply with the terms or to fulfill any of the conditions of this Agreement, or

if for any reason the Issuer shall be unable to perform its obligations under this Agreement, the Issuer will reimburse the Underwriters for all out-of-pocket expenses (including the fees and disbursements of counsel to the Underwriters) reasonably incurred by the Underwriters in connection with this Agreement or the offering contemplated hereunder.

9. *Notices*. Any notice or other communication to be given to the Issuer under this Agreement may be given by delivering the same in writing at 221 Palafox Place, Suite 420, Pensacola, Florida, Attention: County Adminsitrator, and any notice or other communication to be given to the Underwriters under this Agreement may be given by delivering the same in writing to RBC CM, 1650 Prudential Drive, Suite 101, Jacksonville, FL 32207, Attention: Mitch Owens.

10. *Parties in Interest*. This Agreement as heretofore specified shall constitute the entire agreement between us and is made solely for the benefit of the Issuer and the Underwriters (including successors or assigns of the Underwriters) and no other person shall acquire or have any right hereunder or by virtue hereof. This Agreement may not be assigned by the Issuer. All of the Issuer's representations, warranties and agreements contained in this Agreement shall remain operative and in full force and effect, regardless of (i) any investigations made by or on behalf of any of the Underwriters; (ii) delivery of and payment for the Bonds pursuant to this Agreement; and (iii) any termination of this Agreement.

11. *Effectiveness*. This Agreement shall become effective upon the acceptance hereof by the Issuer and shall be valid and enforceable at the time of such acceptance.

12. *Choice of Law*. This Agreement shall be governed by and construed in accordance with the law of the State.

13. *Severability*. If any provision of this Agreement shall be held or deemed to be or shall, in fact, be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all jurisdictions because it conflicts with any provisions of any Constitution, statute, rule of public policy, or any other reason, such circumstances shall not have the effect of rendering the provision in question invalid, inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions of this Agreement invalid, inoperative or unenforceable to any extent whatever.

14. *Business Day*. For purposes of this Agreement, "business day" means any day on which the New York Stock Exchange is open for trading.

15. *Section Headings*. Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provisions of this Agreement.

16. *Counterparts*. This Agreement may be executed in several counterparts each of which shall be regarded as an original (with the same effect as if the signatures thereto and hereto were upon the same document) and all of which shall constitute one and the same document.

If you agree with the foregoing, please sign the enclosed counterpart of this Agreement and return it to the Underwriters. This Agreement shall become a binding agreement between you and the Underwriters when at least the counterpart of this letter shall have been signed by or on behalf of each of the parties hereto.

Re: $_____ Escambia County, Florida Sales Tax Revenue Bonds, Series 2017

Dear Commissioners:

In connection with the proposed issuance by Escambia County, Florida (the "Issuer") of the referenced bonds (the "Bonds"), RBC Capital Markets, LLC and the other underwriters listed below (the "Underwriters") are underwriting a public offering of the Bonds.

The purpose of the following six paragraphs of this letter is to furnish, pursuant to the provisions of Section 218.385(6), Florida Statutes, as amended, certain information in respect of the arrangements contemplated for the purchase and sale of the Bonds, as follows:

- The nature and estimated amount of expenses to be incurred by the Underwriters in connection with the purchase and re-offering of the Bonds are set forth in Attachment 1 attached hereto.

- There are no "finders," as defined in Section 218.386, Florida Statutes, as amended, connected with the sale and purchase of the Bonds.

- The underwriting spread, the difference between the price at which the Bonds will be initially offered to the public by the Underwriter and the price to be paid to the Issuer for the Bonds will be $_____ per $1,000 of Bonds issued.

- As part of the estimated underwriting spread set forth in paragraph (c) above, the Underwriters will charge a management fee of $__ per $1,000 of Bonds issued.

- No other fee, bonus or other compensation is estimated to be paid by the Underwriter in connection with the issuance of the Bonds to any person not regularly employed or retained by the Underwriter (including any "finder" as defined in Section 218.386(1)(a),

- The name and address of the Underwriters are:

  RBC Capital Markets, LLC
  1650 Prudential Drive, #101
  Jacksonville, Florida 32202

Raymond James
880 Carillon Parkway
St. Petersburg, Florida 33716

Wells Fargo
2363 Gulf to Bay Blvd. #200
Clearwater, Florida 33765

The purpose of the following two paragraphs is to furnish, pursuant to the provisions of Sections 218.385(2) and (3), Florida Statutes, as amended, the truth-in-bonding statement required thereby, as follows:

(a) The Issuer is proposing to issue $_____ of the Bonds for the principal purposes of (1) financing a jail and other capital projects, and (2) paying certain costs and expenses relating to the issuance of the Bonds. This obligation is expected to be repaid over a period of approximately __ years. At a true interest cost of approximately _____ %, total interest paid over the life of the Bonds will be $_____.

The source of repayment or security of the Bonds is the Pledged Revenues, which Pledged Revenues include amounts received by the Issuer from the Local Government Half Cent Sales Tax Trust Fund pursuant to the provisions of Chapter 218, Part VI, Florida Statutes, and moneys on deposit in various funds and accounts, as such terms are defined in the Bond Resolution. Authorizing this debt will result in an average of $_____ (average annual debt service) of such Pledged Revenues not being available to finance other services of the Issuer each year for approximately __ years.

The foregoing is provided for information purposes only and shall not affect or control the actual terms and conditions of the Bonds.

Very truly yours,

RBC CAPITAL MARKETS, LLC, as representative of the Underwriters

PRELIMINARY OFFICIAL STATEMENT DATED MAY ___, 2017

NEW ISSUE – BOOK ENTRY-ONLY **RATINGS: See "Ratings" herein**

In the opinion of Bond Counsel, assuming compliance by the County with certain covenants, under existing statutes, regulations and judicial decisions, the interest on the Series 2017 Bonds will be excluded from gross income for federal income tax purposes of the holders thereof and will not be an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. However, interest on the Series 2017 Bonds shall be taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax on corporations. See "TAX MATTERS" herein for a description of other tax consequences to holders of the Series 2017 Bonds.

$_____*
ESCAMBIA COUNTY, FLORIDA
SALES TAX REVENUE BONDS, SERIES 2017

Dated: Date of Delivery **Due: October 1, as shown on the inside cover**

The $_____* Sales Tax Revenue Bonds, Series 2017 (the "Series 2017 Bonds") are being issued by Escambia County, Florida (the "County") to finance the acquisition and construction of improvements to County facilities. The Series 2017 Bonds are being issued as fully registered Bonds in denominations of $5,000 or any integral multiple thereof. Interest on the Series 2017 Bonds is payable on April 1 and October 1 of each year, commencing October 1, 2017 (each, an "Interest Payment Date") to the Registered Owners of the Series 2017 Bonds shown on the registration books of the County held by U.S. Bank National Association, Orlando, Florida, as Registrar and Paying Agent (the "Registrar and Paying Agent") on the fifteenth day (whether or not a business day) of the calendar month next preceding an Interest Payment Date, by check or draft mailed to such Registered Owners by the Registrar and Paying Agent. The principal of the Series 2017 Bonds will be payable upon presentation and surrender of the Series 2017 Bonds at the corporate trust office of the Registrar and Paying Agent in U.S. Bank National Association, Orlando, Florida. The Series 2017 Bonds will initially be registered in the name of Cede & Co. as Registered Owner and nominee for The Depository Trust Company, New York, New York ("DTC"), an automated depository for securities and clearing house for securities transactions. Purchasers of the Series 2017 Bonds (the "Beneficial Owners") will not receive physical delivery of the Series 2017 Bonds. So long as DTC, or its nominee, is the Registered Owner of the Series 2017 Bonds, payment of the principal of and interest on the Series 2017 Bonds will be provided directly to DTC, which will in turn remit such payments to the DTC Participants, for subsequent disbursement to the Beneficial Owners (as defined herein) of the Series 2017 Bonds. See "DESCRIPTION OF THE SERIES 2017 BONDS – Book Entry-Only" herein.

The Series 2017 Bonds are subject to redemption prior to maturity, as more fully described herein.

The Series 2017 Bonds are being issued to (1) finance the development and construction of improvements to County facilities, including the construction of a new County jail, and (2) pay the costs of issuance of the Series 2017 Bonds. For additional information, see "THE PROJECT" herein.

The Series 2017 Bonds are being issued under the authority of Chapter 125, Part I, Florida Statutes, and other applicable provisions of law (the "Act") and pursuant to the provisions of Resolution No. 2002-145, duly adopted by the Board of County Commissioners of the County on September 11, 2002, as amended and supplemented, and particularly as amended and supplemented by Resolution No. _____, duly adopted on May 25, 2017 (collectively, the "Resolution").

The Series 2017 Bonds are payable from and secured by a lien upon and pledge of the Pledged Revenues, which includes the Sales Tax Revenues, and, subject to the application for the purposes and in the manner provided in the Resolution, the moneys and investments in the funds and accounts, other than the Rebate Fund, created and held under the Resolution and the investment earnings thereon. The Series 2017 Bonds are secured on a parity as to the Pledged Revenues with the County's Sales Tax Refunding Revenue Bond, Series 2011, its 2012 Sales Tax Refunding Revenue Note, and any Additional Parity Bonds issued pursuant to the Resolution.

THE SERIES 2017 BONDS AND THE INTEREST THEREON DO NOT CONSTITUTE A DEBT, LIABILITY OR OBLIGATION OF THE STATE OF FLORIDA, THE COUNTY, OR ANY OTHER POLITICAL SUBDIVISION THEREOF (OTHER THAN AS A SPECIAL OBLIGATION OF THE COUNTY) AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OR THE COUNTY OR ANY OTHER POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE SERIES 2017 BONDS OR THE INTEREST THEREON.

The County has received a commitment from _____ to guarantee the scheduled payment of principal of and interest on the Series 2017 Bonds when due under a financial guaranty insurance policy to be issued concurrently with the issuance of the Series 2017 Bonds. The decision as to which of the Series 2017 Bonds, if any, such policy shall apply to will be made by the County at the time of pricing the Series 2017 Bonds.

SEE THE INSIDE COVER PAGE FOR MATURITIES, PRINCIPAL AMOUNTS, INTEREST RATES, PRICES OR YIELDS AND CUSIP NUMBERS.

This cover page is not intended to be a summary of the terms or security provisions of the Series 2017 Bonds. Investors are advised to read the entire Official Statement to obtain information essential to the making of an informed investment decision.

The Series 2017 Bonds are offered for delivery when, as and if issued and received by the Underwriters, subject to the approval of legality by Bryant Miller Olive P.A., Miami, Florida, Bond Counsel. Nabors, Giblin & Nickerson, P.A., Tampa, Florida, is serving as Disclosure Counsel to the County. FirstSouthwest, a Division of Hilltop Securities Inc., Orlando, Florida, is serving as Financial Advisor to the County. Certain legal matters will be passed upon for the County by its County Attorney, Alison Rogers, Esquire, Pensacola, Florida. Akerman LLP, Jacksonville, Florida, is acting as Counsel to the Underwriters. It is expected that the Series 2017 Bonds will be available for delivery through DTC in New York, New York on or about June ___, 2017.

No dealer, broker, salesman or other person has been authorized by the County to give any information or to make any representation with respect to the Series 2017 Bonds other than those contained in this Official Statement, and if given or made, such information or representations must not be relied upon as having been authorized by any of the foregoing. This Official Statement does not constitute an offer to sell nor the solicitation of an offer to buy, nor will there be any sale of the Series 2017 Bonds by any person in any jurisdiction in which it is unlawful for such person to make such offer, solicitation or sale.

THE INFORMATION SET FORTH HEREIN HAS BEEN OBTAINED FROM THE COUNTY AND OTHER SOURCES WHICH ARE BELIEVED TO BE RELIABLE, AND WHILE NOT GUARANTEED AS TO COMPLETENESS OR ACCURACY, IS BELIEVED TO BE CORRECT. THE UNDERWRITERS HAVE REVIEWED THE INFORMATION IN THIS OFFICIAL STATEMENT IN ACCORDANCE WITH AND AS A PART OF THEIR RESPONSIBILITIES TO INVESTORS UNDER FEDERAL SECURITIES LAWS AS APPLIED TO THE FACTS AND CIRCUMSTANCES OF THIS TRANSACTION, BUT THE UNDERWRITERS DO NOT GUARANTEE THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION. THE INFORMATION AND EXPRESSIONS OF OPINION STATED HEREIN ARE SUBJECT TO CHANGE WITHOUT NOTICE. THE DELIVERY OF THIS OFFICIAL STATEMENT WILL NOT, UNDER ANY CIRCUMSTANCES, CREATE ANY IMPLICATION THAT THERE HAS BEEN NO CHANGE IN THE AFFAIRS OF THE COUNTY SINCE THE DATE HEREOF.

THIS OFFICIAL STATEMENT CONTAINS CERTAIN PROJECTIONS AND ESTIMATES, AS WELL AS ASSUMPTIONS MADE BY THE COUNTY BASED UPON INFORMATION CURRENTLY AVAILABLE TO THE COUNTY. WHEN USED IN THIS OFFICIAL STATEMENT, THE WORDS "ANTICIPATE," "ESTIMATE," "EXPECT" AND SIMILAR EXPRESSIONS ARE INTENDED TO IDENTIFY PROJECTIONS AND ESTIMATES. SUCH STATEMENTS ARE SUBJECT TO CERTAIN RISKS, UNCERTAINTIES AND ASSUMPTIONS. SHOULD ONE OR MORE OF THESE RISKS OR UNCERTAINTIES MATERIALIZE, OR SHOULD UNDERLYING ASSUMPTIONS PROVE INCORRECT, ACTUAL RESULTS MAY VARY MATERIALLY FROM THOSE ANTICIPATED, ESTIMATED OR EXPECTED. THE ASSUMPTIONS AND EXPECTATIONS CONCERNING THE RECEIPT IN FUTURE YEARS OF THE SALES TAX REVENUES THAT SECURE THE SERIES 2017 BONDS ARE SUBJECT TO VARIOUS UNCERTAINTIES THAT MAY ADVERSELY AFFECT THE AMOUNT OF PLEDGED REVENUES COLLECTED BY THE COUNTY.

THE SERIES 2017 BONDS HAVE NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION UNDER THE SECURITIES ACT OF 1933, AS AMENDED, NOR HAS THE RESOLUTION BEEN QUALIFIED UNDER THE TRUST INDENTURE ACT OF 1939, AS AMENDED, IN RELIANCE UPON EXEMPTIONS CONTAINED IN SUCH ACTS. THE REGISTRATION OR QUALIFICATION OF THE SERIES 2017 BONDS IN ACCORDANCE WITH APPLICABLE PROVISIONS OF THE SECURITIES LAWS OF THE STATES, IF ANY, IN WHICH THE SERIES 2017 BONDS HAVE BEEN REGISTERED OR QUALIFIED AND THE EXEMPTION FROM REGISTRATION OR QUALIFICATION IN CERTAIN OTHER STATES CANNOT BE

REGARDED AS A RECOMMENDATION THEREOF. NEITHER THESE STATES NOR ANY OF THEIR AGENCIES HAVE PASSED UPON THE MERITS OF THE SERIES 2017 BONDS OR THE ACCURACY OR COMPLETENESS OF THIS OFFICIAL STATEMENT. ANY REPRESENTATION TO THE CONTRARY MAY BE A CRIMINAL OFFENSE.

References herein to laws, rules, regulations, resolutions, agreements, reports and other documents do not purport to be comprehensive or definitive. All references to such documents are qualified in their entirety by reference to the particular document, the full text of which may contain qualifications of and exceptions to statements made herein. Where full texts have not been included as appendices to this Official Statement they will be furnished on request from Jack Brown, County Administrator, 221 Palafox Place, Pensacola, Florida 32502, Telephone No. (850) 595-4947.

ESCAMBIA COUNTY, FLORIDA
SALES TAX REVENUE BONDS, SERIES 2017**

INTRODUCTION

The purpose of this Official Statement, which includes the cover page and the Appendices hereto, is to furnish information with respect to the issuance by Escambia County, Florida (the "County"), of its $_____* Sales Tax Revenue Bonds, Series 2017 (the "Series 2017 Bonds").

The meaning of capitalized terms used herein shall be as defined in the Resolution (as herein defined), unless otherwise defined herein or where the context would clearly indicate otherwise. The references, excerpts and summaries of all documents referred to herein do not purport to be complete statements of the provisions of such documents, and reference is made to the originals of all such documents for full and complete statements of all matters of fact relating to the Series 2017 Bonds, the security for the payment of the Series 2017 Bonds, and the rights and obligations of Registered Owners thereof. Copies of such documents, agreements, reports and statements that are not included in their entirety in this Official Statement may be obtained from the office of the County Administrator.

The assumptions, estimates, projections and matters of opinion contained in this Official Statement, whether or not so expressly stated, are set forth as such and not as matters of fact, and no representation is made that any of the assumptions or matters of opinion herein are valid or that any projections or estimates contained herein will be realized. Neither this Official Statement nor any other statement which may have been made verbally or in writing in connection with the Series 2017 Bonds, other than the Resolution, is to be construed as a contract with the Registered Owners of the Series 2017 Bonds.

For a description of the terms and conditions of the Series 2017 Bonds, reference is made to the Resolution, included in Appendix C to this Official Statement. The description of the Resolution and the Series 2017 Bonds contained herein do not purport to be comprehensive or definitive, and reference is made to the Resolution, on file with the County, for the complete terms thereof. The term "Bonds" as used herein refers to the Series 2017 Bonds offered hereby together with the County's Sales Tax Refunding Revenue Bond, Series 2011, its 2012 Sales Tax Refunding Revenue Note, and any Additional Parity Bonds issued in the future under the Resolution.

*Preliminary, subject to change.

AUTHORITY FOR ISSUANCE OF THE SERIES 2017 BONDS

The Series 2017 Bonds are authorized to be issued pursuant to Chapter 125, Part I, Florida Statutes, and other applicable provisions of law (the "Act"), and Resolution No. 2002-145, duly adopted by the Board of County Commissioners (the "Board") of the County on September 11, 2002, as amended and supplemented (the "Bond Resolution"), and particularly as amended and supplemented by Resolution No. _____, duly adopted on May 25, 2017 (the "Series Resolution," and, together with the Bond Resolution, the "Resolution"). The Bond Resolution and form of the Series Resolution are attached hereto as Appendix C.

PURPOSE OF THE SERIES 2017 BONDS

The proceeds of the Series 2017 Bonds will be used by the County pursuant to the Resolution to provide funds for the purpose of (i) financing the costs of the acquisition and construction of improvements to County facilities, including a new County jail, and (ii) paying certain expenses related to the issuance and sale of the Series 2017 Bonds. See the information under the heading "THE PROJECT" herein.

Totals			$85,926,029	

(1) Assumes that the Sales Tax Refunding Revenue Bond, Series 2011 matures on October 1, 2031 with no change in the interest rate of 3.06%; however, the entire unpaid principal of and interest accrued thereon may be subject to mandatory redemption at the option of the owner of the Bond on October 1, 2026. Further, assumes that the 2012 Sales Tax Refunding Revenue Note matures on October 1, 2032 with no change in the interest rate of 2.82%; however, the entire unpaid principal of and interest accrued thereon may be subject to mandatory prepayment at the option of the owner of the Note on October 1, 2027 or any date thereafter through but not including October 1, 2028.

(2) Totals may not add due to rounding.

DESCRIPTION OF THE SERIES 2017 BONDS

General

The Series 2017 Bonds will be dated their date of delivery, will be issued in fully registered form, in the denominations of $5,000 each or integral multiples thereof, and will bear interest, computed on the basis of a 360-day year, consisting of twelve 30-day months, at the rates and mature on the dates set forth on the inside cover page of this Official Statement. Interest on the Series 2017 Bonds will be payable on October 1, 2017 and semiannually thereafter on April 1 and October 1 of each year. Principal of, redemption premium, if any, and interest on the Series 2017 Bonds will be payable in the manner described under "DESCRIPTION OF THE SERIES 2017 BONDS – Book Entry-Only System" herein. The Registrar and Paying Agent for the Series 2017 Bonds is U.S. Bank National Association, Orlando, Florida. The Series 2017 Bonds will be subject to redemption as described under "DESCRIPTION OF THE SERIES 2017 BONDS -- Redemption Provisions" herein.

The Series 2017 Bonds will bear a Certificate of Authentication to be manually executed by the Registrar, and no Series 2017 Bond will be valid or obligatory for any purpose unless the Certificate of Authentication thereon has been duly executed by the Registrar.

Book Entry-Only System

The information provided immediately below concerning DTC and the Book Entry-Only System has been obtained from DTC and is not guaranteed as to accuracy or completeness by, and is not to be construed as a representation by, the Underwriters, the County or U.S. Bank National Association, Orlando, Florida, as Bond Registrar (the "Bond Registrar").

Unless the book entry system described herein is terminated, DTC will act as securities depository for the Series 2017 Bonds. The Series 2017 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One or more fully-registered bond certificates will be issued for the Series 2017 Bonds, and will be deposited with the Bond Registrar on behalf of DTC. Individual purchases of beneficial interests in the Series 2017 Bonds will be made in increments of $5,000 or integral multiples thereof.

DTC and its Participants. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book entry transfers and pledges between Direct Participants' accounts. This eliminates the need

for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's Rating of AA+. The DTC Rules applicable to its Direct and Indirect Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com. The contents of such website do not constitute a part of this Official Statement.

Purchases. Purchases of the Series 2017 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2017 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2017 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchases. Beneficial Owners are, however, expected to receive written confirmations providing details of the transactions, as well as periodic statements of their holdings, from the Direct or Indirect Participants through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2017 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book entry system for the Series 2017 Bonds is discontinued.

Transfers. To facilitate subsequent transfers, all Series 2017 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2017 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2017 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2017 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Notices. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Series 2017 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2017 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Series 2017 Bonds may wish to ascertain that the nominee holding the Series 2017 Bonds for their benefit has agreed to obtain and transmit notices to

Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Bond Registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2017 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2017 Bonds unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2017 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

NEITHER THE COUNTY NOR THE BOND REGISTRAR WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO SUCH PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DTC PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE SERIES 2017 BONDS. THE COUNTY CANNOT PROVIDE ANY ASSURANCE THAT DTC, DIRECT PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE SERIES 2017 BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR ANY NOTICES TO THE BENEFICIAL OWNERS, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT.

Payments. Payments on the Series 2017 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Bond Registrar on the relevant payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Bond Registrar or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Bond Registrar, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

Discontinuance of Book Entry-Only System. DTC may discontinue providing its services as depository with respect to the Series 2017 Bonds at any time by giving reasonable notice to the County or the Bond Registrar. Under such circumstances, in the event that a successor depository is not obtained, certificated Series 2017 Bonds are required to be printed and delivered to the holders of record.

The County may decide to discontinue use of the system of book entry-only transfers through DTC (or a successor securities depository) with respect to the Series 2017 Bonds. Under current industry practices, however, DTC would notify its Direct or Indirect Participants of the County's decision but will only withdraw beneficial interests from a Series 2017 Bond at the request of any Direct or Indirect Participant. In that event, certificates for the Series 2017 Bonds will be printed and delivered.

No Assurance Regarding DTC Practices

The foregoing information in this section concerning DTC and DTC's book entry system has been obtained from sources that the County believes to be reliable, but the County, the Underwriters and the Bond Registrar take no responsibility for the accuracy thereof.

So long as Cede & Co. is the registered owner of the Series 2017 Bonds as nominee of DTC, references herein to the holders or registered owners of the Series 2017 Bonds will mean Cede & Co. and will not mean the Beneficial Owners of the Series 2017 Bonds.

None of the County, the Bond Registrar or the Underwriters will have any responsibility or obligation to the Participants, DTC or the persons for whom they act with respect to (i) the accuracy of any records maintained by DTC or by any Direct or Indirect Participant of DTC, (ii) payments or the providing of notice to the Direct Participants, the Indirect Participants or the Beneficial Owners, (iii) the selection by DTC or by any Direct or Indirect Participant of any Beneficial Owner to receive payment in the event of a partial redemption of the Series 2017 Bonds or (iv) any other action taken by DTC or its partnership nominee as owner of the Series 2017 Bonds.

Registration, Transfer and Exchange

The Series 2017 Bonds will be and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code - Investment Securities Laws of the State of Florida, subject to the DTC Book Entry-Only System and to the provisions for registration, exchange and transfer contained in the Resolution and in the Series 2017 Bonds. The Series 2017 Bonds will be transferable only upon the registration books maintained for such purpose at the corporate trust office of the Registrar. So long as any of the Series 2017 Bonds remain outstanding, the Registrar must maintain and keep books for the registration of the Series 2017 Bonds.

All Series 2017 Bonds presented for transfer, exchange, or payment (if so required by the County or the Registrar) must be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the County or the Registrar, duly executed by the Registered Owner or by his or her duly authorized attorney.

The Registrar or the County may require payment from the Registered Owner or transferee of a sum sufficient to cover any tax, fee or other governmental charge that may be

imposed in connection with any exchange or transfer of the Series 2017 Bonds. Such charges and expenses shall be paid before any new Series 2017 Bonds shall be delivered.

The Registrar is not required to issue, transfer or exchange any Series 2017 Bonds between the Record Date and the relative Interest Payment Date on such Series 2017 Bonds or, in the case of any proposed redemption of Bonds, after any such Series 2017 Bonds or any portion thereof has been selected for redemption.

New Series 2017 Bonds delivered upon any transfer or exchange will be valid obligations of the County, evidencing the same debt as the Series 2017 Bonds surrendered, will be secured by the Resolution, and will be entitled to all of the security and benefits of the Resolution to the same extent as the Series 2017 Bonds surrendered.

The County and the Registrar may treat the Registered Owner of any Series 2017 Bond as the absolute owner thereof for all purposes, whether or not such Series 2017 Bond is overdue, and will not be bound by any notice to the contrary.

Redemption Provisions

Optional Redemption

The Series 2017 Bonds maturing on and prior to October 1, 20___, are not redeemable prior to their stated dates of maturity. The Series 2017 Bonds or portions thereof maturing on October 1, 20___, and thereafter, are redeemable prior to their stated dates of maturity, at the option of the County, in whole or in part on October 1, 20___, and on any date thereafter, at a price equal to the par amount thereof, together with accrued interest to the redemption date.

Mandatory Redemption

The Term Series 2017 Bonds maturing on October 1, 20___ are to be retired from amounts credited monthly to the Bond Amortization Account as mandatory Amortization Installments, which amounts are required to be sufficient to retire by October 1 of each year the principal amount of such Series 2017 Bonds set forth in the table below:

20____ Term Bonds

Year	Principal Amount

Notice and Effect of Redemption

The Series 2017 Bonds shall be subject to such provisions regarding redemption as provided in the Resolution, as reflected below. Series 2017 Bonds in denominations greater than five thousand dollars ($5,000) shall be deemed to be an equivalent number of such Series 2017 Bonds of the denomination of five thousand dollars ($5,000). In the event a Series 2017 Bond is of a denomination greater than five thousand dollars ($5,000), a portion of such may be redeemed, but Series 2017 Bonds shall be redeemed only in the principal amount of five thousand dollars ($5,000) or any integral multiple thereof.

In the event any of the Series 2017 Bonds or portions thereof are called for redemption as aforesaid, notice thereof will be given by the Registrar in the name of the County, which notice shall specify the series and maturities and interest rates within maturities, if any, of the Series 2017 Bonds to be redeemed, the date of issue of such Series 2017 Bonds as originally issued, the redemption date and the place or places where amounts due upon such redemption will be payable and, if fewer than all of the Series 2017 Bonds of any like maturity and interest rate within maturities are to be redeemed, the letters and numbers or other distinguishing marks of such Series 2017 Bonds so to be redeemed, the CUSIP numbers of such Series 2017 Bonds to be redeemed, and, in the case of the Series 2017 Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Series 2017 Bond to be redeemed the redemption price thereof, or the redemption price of the specified portions of the principal thereof in the case of Series 2017 Bonds to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be mailed by the Registrar, postage prepaid, not less than thirty (30) nor more than sixty (60) days before the redemption date, to the Registered Owners of any Series 2017 Bonds or portions of Series 2017 Bonds which are to be redeemed, at their last addresses appearing upon the Bond Registrar at the close of business on the last business day of the month preceding the month in which notice is mailed. Failure to give such notice to the Registered Owner of any Series 2017 Bonds or any defect therein shall not affect the validity of the proceedings for the redemption of Series 2017 Bonds.

In addition to the foregoing notice, further notice shall be given by the Registrar as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed:

(i) Each further notice of redemption shall be sent at least thirty-five days before the redemption date by registered or certified mail or overnight delivery service to all registered securities depositories then in the business of holding substantial amounts of obligations of types comparable to the Series 2017 Bonds (such depositories now being The Depository Trust Company, Midwest Securities Trust Company, and Philadelphia Depository Trust Company) and to one or more national information services that dissemination notices of redemption of obligations such as the Series 2017 Bonds (such as Kenny Information Service, Moody's "Municipal and Government", and Standard & Poor's Corporation "Called Bond Record").

(ii) Upon the payment of the redemption price of Series 2017 Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Series 2017 Bonds being redeemed with the proceeds of such check or other transfer.

Any provision of the Resolution to the contrary notwithstanding, no notice of redemption of any Series 2017 Bonds at the option of the County (and not by operation of the Bond Amortization Account), shall be given by the Registrar unless provision has been made for the deposit with the Paying Agent of sufficient funds to redeem such Series 2017 Bonds prior to the giving of such notice as required in the Resolution.

Notice having been mailed to the Registered Owners in the manner and under the conditions hereinabove provided, the Series 2017 Bonds or portions thereof so called for redemption shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Series 2017 Bonds or portions of such Series 2017 Bonds on such date. On the date so designated for redemption, notice having been mailed and filed and moneys for payment of the redemption price being held in separate accounts in trust for the holders of the Series 2017 Bonds or portions thereof to be redeemed, all as provided in the Resolution, interest on the Series 2017 Bonds or portions of such Series 2017 Bonds so called for redemption shall cease to accrue, such Series 2017 Bonds and portions of such Series 2017 Bonds shall cease to be entitled to any lien, benefit or security under the Resolution, and the holders of such Series 2017 Bonds or portions of such Series 2017 Bonds, shall have no rights in respect thereof except to receive payment of the redemption price thereof from such moneys.

SOURCES OF AND SECURITY FOR PAYMENT OF THE SERIES 2017 BONDS

General

The principal of, premium, if any, and interest on the Series 2017 Bonds will be payable from and will be secured solely by a lien upon and a pledge of (i) the Sales Tax Revenues, and

(ii), subject to the application for the purposes and in the manner provide in the Resolution, the moneys and investments in the funds and accounts, other than the Rebate Fund, created and held under the Resolution and the investment earnings thereon (collectively, the "Pledged Revenues"). See "PLEDGED REVENUES" herein. The Series 2017 Bonds are secured by the Pledged Revenues on a parity with the County's Sales Tax Refunding Revenue Bond, Series 2011 and its 2012 Sales Tax Refunding Revenue Note, which are currently outstanding in the combined aggregate principal amount of $67,790,000. The Series 2017 Bonds, Series 2011 Bond, Series 2012 Note and any Additional Parity Bonds hereafter issued pursuant to the Resolution are collectively referred to herein as the "Bonds".

Limited Obligations

THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE SERIES 2017 BONDS WILL NOT BE OR CONSTITUTE A GENERAL INDEBTEDNESS OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION, AND THE COUNTY IS NOT OBLIGATED TO LEVY ANY AD VALOREM TAXES FOR THE PAYMENT THEREOF. NEITHER THE FULL FAITH AND CREDIT NOR THE AD VALOREM TAXING POWER OF THE COUNTY, THE STATE OF FLORIDA OR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF IS PLEDGED TO SUCH PAYMENT, AND NO OWNER OF ANY SERIES 2017 BOND SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF THE AD VALOREM TAXING POWER OF THE COUNTY OR TAXATION IN ANY FORM ON ANY REAL OR PERSONAL PROPERTY TO PAY THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON SUCH SERIES 2017 BOND, OR BE ENTITLED TO PAYMENT THEREOF FROM ANY MONEYS OF THE COUNTY EXCEPT FROM THE PLEDGED REVENUES IN THE MANNER AND TO THE EXTENT PROVIDED IN THE RESOLUTION. THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE SERIES 2017 BONDS DO NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF OR IN THE COUNTY, OTHER THAN THE PLEDGED REVENUES, IN THE MANNER PROVIDED IN THE RESOLUTION.

Establishment of Funds and Accounts

The Resolution establishes several funds and accounts, including a Revenue Fund, a Sinking Fund, a Bond Amortization Account and a Reserve Account within the Sinking Fund, and a Rebate Fund. Moneys in these funds and accounts, other than the Rebate Fund, until applied in accordance with the provisions of the Resolution, will be subject to a lien and charge in favor of the Holders of the Bonds and for the further security of such Holders, all as provided in the Resolution. **The Reserve Account established pursuant to the Resolution does not secure the Series 2017 Bonds.**

Application of Pledged Revenues

The Resolution requires the County to deposit into the Revenue Fund all Sales Tax Revenues. Pledged Revenues in the Revenue Fund shall be disposed of on or before the fifteenth (15^{th}) day of each month only in the following manner and in the following order of priority:

(1) From the Pledged Revenues, the County shall deposit into a separate fund created and designated by the Resolution as the "Sales Tax Revenue Bonds Sinking Fund" (the "Sinking Fund"), such sums as will be sufficient to pay one-sixth (1/6) of all interest becoming due on the Bonds on the next semiannual interest payment date and one-twelfth (1/12) of all principal maturing on the Serial Bonds on the next maturity date. All such payments shall include an amount sufficient to pay the fees and charges of the Registrar and Paying Agent for the Bonds. Such monthly payments shall be increased or decreased proportionately to the extent required to pay principal and interest becoming due the first and each succeeding Fiscal Year, after making allowances for the amounts of money, if any, which will be deposited in the Sinking Fund out of proceeds from the sale of the Bonds, or which will be on deposit therein from investment earnings.

(2) On a parity with the deposits under paragraph (1) above, the County shall next deposit into the "Bond Amortization Account" created and established by the Resolution within the Sinking Fund, if and to the extent required, a sum equal to one-twelfth (1/1/2) of the amount of the Amortization Installment for Term Bonds which shall become due and payable during the current Bond Year, plus one-twelfth (1/12) of the premium, if any, on a principal amount of such Term Bonds equal to the amount of such Amortization Installment which would be payable on the next principal maturity date, if such principal amount of Term Bonds were to be redeemed prior to their maturity from moneys held in the Bond Amortization Account.

Moneys held for the credit of the Bond Amortization Account shall be applied to the retirement of the Term Bonds as follows:

(a) Subject to the provisions of subparagraph (b) below, the County shall endeavor to purchase Term Bonds then outstanding, at the most advantageous price obtainable with reasonable diligence, such price not to exceed the principal of such Term Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the holders of such Term Bonds if such Term Bonds should be called for redemption on such date from moneys in the Bond Amortization Account. The County shall pay the interest accrued on such Term Bonds to the date of delivery thereof from the Sinking Fund and the purchase price from the Bond Amortization Account, but no such purchase shall be made by the Issuer within the period of forty-five (45) days immediately preceding any interest payment date on which such Term Bonds are subject to call for redemption except from moneys in excess of the amounts set aside or deposited for the redemption of Term Bonds.

(b) Moneys in the Bond Amortization Account shall be applied by the County in each Bond Year to the retirement of the Term Bonds of each lot, installment of series to the extent of the Amortization Installment, if any, for such Bond Year for the Term Bonds of each such lot, installment or series then outstanding, plus the applicable premium, if any, and, if the amount available in such Bond Year shall not be sufficient therefor, then in proportion to the Amortization Installment, if any, for such Bond Year for the Term Bonds of each such lot, installment of series then outstanding, plus the applicable premium, if any; provided, however, that if the Term Bonds of any lot, installment or series shall not then be subject to redemption from moneys in the Bond Amortization Account and if the County shall at any time be unable to exhaust the moneys applicable to the Term Bonds of such lot, installment or series under the

provisions of this clause in the purchase of such Term Bonds under the provisions of subparagraph (a) above, such moneys or the balance of such moneys, as the case may be, shall be retained in the Bond Amortization Account and, as soon as it is feasible, applied to the retirement of Term Bonds of such lot, installment or series.

Upon the issuance of any Additional Parity Bonds under the terms, limitations and conditions as provided in the Resolution, the payments into the several accounts in the Sinking Fund shall be increased in such amounts as are necessary to make the payments required above for the principal of and interest and Amortization Installments on and reserves for such Additional Parity Bonds, on the same basis as hereinabove provided with respect to the outstanding Bonds. Unless a Reserve Account Insurance Policy shall have been obtained in respect of such Additional Parity Bonds or the Reserve Requirement is zero with respect to such Additional Parity Bonds, the County upon issuance of any Additional Parity Bonds, shall increase the sum required to be accumulated and maintained on deposit in the Reserve Account to be at least equal to the Reserve Requirement.

The amounts required to be deposited into the Sinking Fund in any month shall be adjusted to reflect any amounts on deposit in excess of current requirements (including deficiencies in prior requirements) and available for the payment of Bond Service Requirements for the current Bond Year.

(3) (a) The County shall next deposit into the Reserve Account in the Sinking Fund, a sum sufficient to maintain therein an amount equal to the Reserve Requirement; provided, however, that no such deposit shall be required with respect to the Reserve Requirement for any series of Bonds if (1) on such date there is outstanding and in effect a Reserve Account Insurance Policy with respect to the Reserve Requirement on such series of Bonds, or (2) if the payment of the principal and interest on such series of Bonds is guaranteed by a Municipal Insurer, and such Municipal Insurer has waived such deposit in writing; PROVIDED, FURTHER, however, that if the terms of any such Reserve Account Insurance Policy require that deposits to the Reserve Account with respect to such series of Bonds be made, then the exception from the deposit requirement provided by clause (1) of this sentence shall not apply to the extent of the deposit so required by such Reserve Account Insurance Policy. **Notwithstanding the foregoing, the County has determined that the Reserve Requirement is zero with respect to the Series 2017 Bonds, and as such the Reserve Account does not secure the Series 2017 Bonds.**

"Reserve Requirement" is defined in the Resolution to mean, with respect to Bonds secured by the Reserve Account, an amount equal to the Maximum Bond Service Requirement, provided that (a) the Reserve Requirement shall not exceed the aggregate of the Reserve Requirements in respect of all series of Bonds outstanding as of the date of calculation and (b) the Reserve Requirement in respect to any series of Bonds shall not exceed the least of the following: (i) the Maximum Bond Service Requirement for all Bonds then outstanding; (ii) an amount equal to ten percent (10%) of the proceeds of such series of Bonds; or (iii) an amount equal to one hundred twenty-five percent (125%) of the average Annual Bond Service Requirement for such series of Bonds.

(b) Any withdrawals from the Reserve Account shall be subsequently restored from the first Pledged Revenues available after all required current payments for the Sinking Fund, Reserve Account and Bond Amortization Account, and all amounts, if any, to the Municipal Insurer for reimbursement of draws on any Reserve Account Insurance Policy used to pay Bonds, including all deficiencies for prior payments, have been made in full.

(c) Moneys in the Reserve Account shall be used only for the purpose of the payment of maturing principal of or interest or Amortization Installments on the Bonds secured thereby when the other moneys in the Sinking Fund together with the proceeds available under any applicable Reserve Account Insurance Policy are insufficient therefor, and for no other purpose. However, whenever the moneys on deposit in the Reserve Account exceed the Reserve Requirement, such excess may be withdrawn and deposited into the Sinking Fund or the Bond Amortization Account. No Reserve Account Insurance Policy shall be used in lieu of a corresponding funding of the Reserve Account unless the consent of the applicable Municipal Insurer is first obtained.

(d) Unless the moneys on deposit in the Reserve Account shall be invested in United States Government Obligations, State and Local Government Series, the Issuer shall cause the value of the investments made for the credit of the Reserve Account to be evaluated on a semi-annual basis at the market value of such investments. The Issuer shall promptly cure any deficiency appearing as a result of the examinations performed in the course of such valuation. The Issuer shall not invest any moneys paid to cure a deficiency in the Reserve Account appearing as a result of the annual evaluation at a yield in excess of the yield on the Bonds unless the Issuer shall first obtain the favorable opinion of nationally recognized bond counsel.

(4) The balance of any Pledged Revenues remaining in the Revenue Fund after the above required payments have been made may be used for the purchase or redemption of the Bonds or for any lawful purpose. Sufficient moneys from the appropriate accounts in the Sinking Fund to make the required payments of principal, premium, if any, and interest on the Bonds, shall be remitted to the Paying Agent not less than four days prior to the date such payment is due.

(5) The Sinking Fund, including the Reserve Account, the Bond Amortization Account and any other special funds established and created by the Resolution shall constitute trust funds for the purposes provided therein for such funds. All such funds are required to be continuously secured in the manner by which the deposit of public funds are authorized to be secured by the laws of the State of Florida. Moneys on deposit in the Sinking Fund (except the Reserve Account therein) may be invested and reinvested in Authorizing Investments maturing not later than four days prior to the date on which the moneys therein will be needed. Moneys in the Reserve Account in the Sinking Fund may be invested and reinvested in Authorized Investments maturing not later than five years from their date of purchase. Any and all income received by the County from such investments is required to be deposited into the Sinking Fund.

(6) Sufficient moneys from the appropriate accounts in the Sinking Fund to make the required payments of principal, premium, if any, and interest on the Bonds, are required to be remitted to the Paying Agent not less than four days prior to the date such payment is due.

Issuance of Additional Parity Bonds

No Additional Parity Bonds, payable on a parity from the Pledged Revenues with the Series 2017 Bonds, shall be issued after the issuance of the Series 2017 Bonds, except for the lawful purposes of the County or for refunding purposes and except upon the conditions and in the manner herein provided:

(1) There shall have been obtained and filed with the County a certificate of an independent certified public accountant of suitable experience and responsibility, (a) stating that the books and records of the County relating to the collection and receipt of Pledged Revenues have been audited by him; (b) setting forth the amount of Pledged Revenues, as defined herein, received by the County for any twelve (12) consecutive months within the twenty-four (24) months immediately preceding the date of delivery of such Additional Parity Bonds with respect to which the certificate is made; (c) stating that the Pledged Revenues received by the County for such twelve months period equals at least 1.35 times the Maximum Bond Service Requirement on (i) all Bonds then outstanding and (ii) the Additional Parity Bonds with respect to which the certificate is made. For purposes of this paragraph, the amount of investment earnings on the funds and accounts under the Resolution to be included in the Pledged Revenues shall not exceed the lesser of (x) actual earnings on amounts in the Reserve Account or (y) earnings on the Reserve Account assuming a rate on investments of five and one-half percent (5.5%) per annum.

(2) There shall have been prepared and filed with the Board of County Commissioners of the County a certificate of the County Budget Officer estimating that the annual budget of the County for the current Fiscal Year in which the Additional Parity Bonds will be issued, adjusted in accordance with sound accounting principles, will be sufficient to pay all expenses to be incurred in the operation of the County and to pay the Maximum Bond Service Requirement becoming due on (1) all Bonds then outstanding and (ii) the Additional Parity Bonds with respect to which the certificate is made.

(3) In the event that there shall be prepared and filed with the Board of County Commissioners of the County a certificate of the County Budget Officer establishing that the issuance of the Additional Parity Bonds with respect to which the certificate is made will not increase the Annual Debt Service on the Bonds during any year in which any Bond then outstanding shall remain outstanding, the requirements of paragraphs (2) and (3) shall not be a precondition to the issuance of Additional Parity Bonds. As used herein, the term "outstanding" shall mean any Bond authorized, issued, authenticated and delivered under the Resolution or any resolution supplemental hereto, except: (a) Bonds cancelled or surrendered for cancellation pursuant to the Resolution on or prior to such date; (b) Bonds which have been paid, or for which provision for payment has been made (or will be made with the proceeds of the Additional Parity Bonds with respect to which the certificate is made), pursuant to the Resolution; and (c) Bonds in lieu of or in substitution for which other Bonds shall have been authenticated and delivered pursuant to the Resolution.

(4) Immediately following the issuance of such Additional Parity Bonds, the County shall not be in default in performing any of the covenants and obligations assumed under

the Resolution, and all payments therein required to have been made into the accounts and funds, as provided under the Resolution, shall have been made to the full extent required.

(5) The attorney for the County shall certify that she has no knowledge of any legislation or litigation which would materially prevent the County from budgeting and appropriating sufficient funds to meet the requirements of the Resolution and any other resolution authorizing obligations payable from all or any part of the Pledged Revenues.

Funds and Accounts; Investment of Moneys

The Sinking Fund, including the Reserve Account, the Bond Amortization Account and any other special funds established and created under the Resolution, shall constitute trust funds for the purposes provided in the Resolution for such funds. All such funds shall be continuously secured in the manner by which the deposit of public funds are authorized to be secured by the laws of the State of Florida. Moneys on deposit in the Sinking Fund (except the Reserve Account therein) may be invested and reinvested in Authorizing Investments maturing not later than four days prior to the date on which the moneys therein will be needed. Moneys in the Reserve Account in the Sinking Fund may be invested and reinvested in Authorized Investments maturing not later than five years from their date of purchase. Any and all income received by the County from such investments shall be deposited into the Sinking Fund.

The cash required to be accounted for in each of the foregoing funds and accounts established in the Resolution may be deposited in a single bank account, and funds allocated to the various accounts established in the Resolution may be invested in a common investment pool, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the cash on deposit therein and such investments for the various purposes of such funds and accounts as provided in the Resolution.

The designation and establishment of the various funds in and by the Resolution shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as provided in the Resolution.

PLEDGED REVENUES

Sources of Payment

General. The Series 2017 Bonds are payable solely from and secured by a pledge of and lien upon the proceeds of the local government half-cent sales tax (the "Sales Tax") allocated for and distributed monthly to the County pursuant to Chapter 218, Part VI, Florida Statutes (the "Sales Tax Revenues") and, (2) subject to the application for the purposes and in the manner provided in the Resolution, the moneys and investments in the funds and accounts, other than the Rebate Fund, created and held under the Resolution and the investment earnings thereon.

THE SERIES 2017 BONDS, THE PREMIUM, IF ANY, AND THE INTEREST THEREON SHALL NOT BE OR CONSTITUTE GENERAL OBLIGATIONS OR INDEBTEDNESS OF THE COUNTY (OR "BONDS" WITHIN THE MEANING OF THE CONSTITUTION OF THE STATE OF FLORIDA), BUT SHALL BE PAYABLE FROM AND SECURED SOLELY BY A LIEN UPON AND A PLEDGE OF THE PLEDGED REVENUES AS PROVIDED IN THE RESOLUTION. NO REGISTERED OWNER OR OWNERS OF ANY SERIES 2017 BONDS SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF THE AD VALOREM TAXING POWER OF THE COUNTY OR TAXATION IN ANY FORM ON ANY PROPERTY WITHIN OR WITHOUT THE COUNTY TO PAY THE SERIES 2017 BONDS, THE PREMIUM, IF ANY, OR THE INTEREST THEREON OR BE ENTITLED TO PAYMENT OF SUCH PRINCIPAL, PREMIUM, IF ANY, AND INTEREST FROM ANY OTHER FUNDS OF THE COUNTY EXCEPT FROM THE PLEDGED REVENUES IN THE MANNER PROVIDED IN THE RESOLUTION. THE SERIES 2017 BONDS, THE PREMIUM, IF ANY, AND THE INTEREST THEREON SHALL NOT HAVE OR BE A LIEN UPON ANY PROPERTY OF OR IN THE COUNTY, OTHER THAN THE PLEDGED REVENUES IN THE MANNER PROVIDED IN THE RESOLUTION.

Local Government Half-Cent Sales Tax. The Local Government Half-Cent Sales Tax is remitted to the County pursuant to Chapter 218, Part VI, Florida Statutes, as amended (the "Half-Cent Sales Tax Act"). The Florida Revenue Act of 1949, Chapter 212, Part I, Florida Statutes, as amended (the "Sales Tax Act") authorizes the levy and collection by the State of Florida of a sales tax upon, among other things, the sales price of each item or article of tangible personal property sold at retail in the State of Florida, subject to certain exceptions and dealer allowances as set forth in the Sales Tax Act. The sales tax in Florida is currently six percent.

The sales tax is collected on behalf of the State of Florida by businesses at the time of sale at retail, use, consumption, or storage for use or consumption, of taxable property and remitted to the State on a monthly basis. The Sales Tax Act provides for penalties and fines, including criminal prosecution, for non-compliance with the provisions thereof.

All funds received and collected by the State of Florida are required to be deposited in the General Revenue Fund of the State and then distributed to various funds as enumerated in the Sales Tax Act. After various enumerated distributions, a portion of the amount remitted by a sales tax dealer within a participating county is required to be transferred into the Local Government Half-Cent Sales Tax Clearing Trust Fund (the "Trust Fund") and earmarked for distribution to the governing body of that participating county and of each participating municipality within that county pursuant to formulas set forth in the Sales Tax Act. The sales tax does not include any sales tax revenues which may be distributed to the County from the Discretionary Sales Tax Clearing Trust Fund pursuant to Sections 212.054 and 212.055, Florida Statutes or any discretionary communications service tax imposed by the County on communications services pursuant to Section 202.19, Florida Statutes.

As of October 1, 2001, the Trust Fund began receiving a portion of certain taxes imposed by the State on the sales of communication services (the "CST Revenues") pursuant to Chapter 202, Florida Statutes (the "CST Law"). Pursuant to the CST Law, the State is authorized to levy and collect a sales tax on every person who engages in the business of selling communications

services at retail in the State, subject to certain exceptions and dealer allowances as set forth in Chapter 202, Florida Statutes. Accordingly, moneys distributed from the Trust Fund now consist of funds derived from both Sales Tax Proceeds and CST Revenues required to be deposited into the Trust Fund. The amount of CST Revenues deposited into the Trust Fund is subject to change based on changes to the CST Law and changes in population.

All moneys distributed to the County from the Trust Fund (whether derived from the Sales Tax or from CST Revenues) constitute Sales Tax Revenues for purposes of the Resolution and are a part of the funds pledged to the payment of the Series 2017 Bonds. Moneys received by the County pursuant to the CST Law that are not deposited in the Trust Fund are not pledged to the payment of the Series 2017 Bonds.

On June 11, 2015, the First District Court of Appeal held, in DIRECTV, Inc. v. State, Dept. of Revenue, Section 202.12(1), Florida Statutes, unconstitutional as a violation of the dormant commerce clause for charging different communications services tax rates to cable and satellite television providers. On July 7, 2015, the State filed an appeal of this decision to the Florida Supreme Court. Some of the moneys distributed from the Trust Fund include CST Revenues that encompass the cable and satellite television provider charges described above. If the First District Court of Appeal's decision is upheld, it is possible the amount of revenues received by the County from the Trust Fund will be reduced. The County cannot predict whether such decision will be upheld; however, if upheld, the County does not believe that it would have a material adverse impact on the County's receipt of revenues from the Trust Fund.

On June 16, 2015, Governor Scott signed into law House Bill 33A ("HB 33A"), relating to taxation. Among the several provisions contained in HB 33A are expanded sales tax exemptions and a reduction in the CST Revenues. Some of the moneys distributed from the Sales Tax Trust Fund include CST Revenues. The County cannot determine at this time what the fiscal impact will be to the County's Sales Tax Revenues, but it does not believe that it would have a material adverse impact on the County's receipt of Sales Tax Revenues.

The Sales Tax collected within a county and distributed to local government units is distributed among the county and the municipalities therein in accordance with the following formula:

County Share

$$\text{(percentage of total Half-Cent Sales Tax receipts)} = \frac{\text{unincorporated area population} + \text{2/3 incorporated area population}}{\text{total county population} + \text{2/3 incorporated area population}}$$

Municipality Share
(percentage of total Half-Cent Sales Tax receipts) = municipality population

total county population + 2/3 incorporated area population

For purposes of the foregoing formula, "population" is based upon the latest official State estimate of population certified prior to the beginning of the local government fiscal year. Should any unincorporated area of Escambia County become hereafter incorporated as a municipality, the share of the sales tax received by the County would be reduced.

The sales tax is distributed from the Trust Fund on a monthly basis to participating units of local government. The Sales Tax Act permits the County to pledge its share of the sales tax for the payment of principal of and interest on any capital project.

To be eligible to participate in the sales tax, the counties and municipalities must comply with certain requirements set forth in the Sales Tax Act. These requirements include those concerning the reporting and auditing of its finances, the levying of ad valorem taxes or receipt of other revenue sources, and certifying certain requirements pertaining to the employment and compensation of law enforcement officers, the employment of fire fighters, the auditing of certain dependent special districts, and the method of fixing millage rates for the levying of ad valorem taxes.

Although the Sales Tax Act does not impose any limitation upon the number of years during which the County can receive distribution of the sales tax from the Trust Fund, there may be future amendments to the Sales Tax Act. To be eligible to participate in the Trust Fund in future years, the County must comply with certain eligibility and reporting requirements of the Sales Tax Act; otherwise, the County will not be entitled to any Trust Fund distributions for twelve (12) months following a "determination of noncompliance" by the State Department or Revenue. The County has complied with all of the requirements set forth in the Sales Tax Act.

County Medicaid Contributions

Section 409.915, Florida Statutes, provides that, in the event a county fails to pay its required annual contribution for the State Medicaid program, said county's distribution of sales tax proceeds shall be reduced by the State Department of Revenue. Section 409.915 requires all counties in the State to pay a portion of the State matching funds required for the federal Medicaid program. By March 15, 2015, and each year thereafter, the Social Services Estimating Conference of the State ("SSEC") is required to determine the percentage change in the State Medicaid expenditures. For each State Fiscal Year ended June 30, the total amount of the Florida counties' annual contribution shall be the total contribution for the prior Fiscal Year adjusted by the percentage change in the State Medicaid expenditures as determined by the SSEC. By June 1 of each year, the FDOR must notify each county of its individual required annual contribution which is determined by a formula provided in Section 409.915.

The County's Fiscal Year 2017 required annual contribution for Medicaid is estimated to be approximately $5,111,802. The County has not failed to make a prior required Medicaid Contribution, or had its distribution of sales tax revenues reduced due thereto. The County's annual contribution is due in equal monthly installments by the 5th day of each month. If the County fails to remit the payment by the 5th of the month, FDOR shall reduce the monthly distribution of Sales Tax Revenues to the County from the Trust Fund. The County does not anticipate that its receipt of Sales Tax Revenues will be affected by its obligation to make the annual contributions required by Section 409.915, Florida Statutes.

Distribution of Sales Tax Revenues

The County's percentage of the County-wide total distributions of the Sales Tax in each of the State Fiscal Years Ended June 30, 2012 through 2016, inclusive, has been approximately 83.86%. The municipalities, including the City of Pensacola and the Town of Century, in the aggregate have received approximately 16.14% of the County-wide total, according to the Florida Legislature Committee on Intergovernmental Relations.

Historical Sales Tax Revenues

The following table sets forth the historical Sales Tax Revenues received by the County (net of amounts distributed to municipalities within the County) for the Fiscal Years ended September 30, 2012 through 2016 (audited).

Sales Tax Revenues

Fiscal Year	Sales Tax Revenues	Percentage Change
2012	$19,793,471	-
2013	20,617,921	4.2%
2014	21,735,479	5.4
2015	22,513,589	3.6
2016	23,418,049	4.0

Source: Escambia County Finance Department.

The amount of Sales Tax Revenues distributed to the County is subject to increase or decrease due to (i) more or less favorable economic conditions, (ii) increases or decreases in the dollar volume of taxable sales within the County, (iii) legislative changes relating to the sales tax, which may include changes in the scope of taxable sales, changes in the tax rate and changes in the amount of Sales Tax Revenues deposited into the Trust Fund, and (iv) other factors which may be beyond the control of the County or the Series 2017 Bondholders, including but not limited to the potential for increased use of electronic commerce and other internet-related sales activity that could have a material adverse impact upon the amount of sales tax collected by the State, deposited into the Trust Fund and then distributed to the County.

In particular, the share of the Sales Tax Revenues deposited in the Trust Fund which is to be distributed to the County will be affected by changes in the relative populations of the

unincorporated and incorporated areas with the County. Such relative populations are subject to change through normal increases and decreases in population within the existing unincorporated and incorporated areas of the County and are also subject to change by the annexation of previously unincorporated areas of the County by the municipalities within the County. Such annexations would not only increase the population of the incorporated areas but also would, in equal amount, decrease the population of the unincorporated areas.

Pro Forma Debt Service Coverage from Sales Tax Revenues

The historical pro forma Sales Tax Revenues coverage of maximum annual debt service on the Series 2011 Bond, Series 2012 Note and Series 2017 Bonds (assuming the Series 2017 Bonds had been issued at the times shown in the table) are set forth below:

	2012	2013	2014	2015	2016
Sales Tax Revenues	$19,793,471	$20,617,921	$21,735,479	$22,513,589	$23,418,049
Maximum Annual Debt Service on the Series 2011 Bond, Series 2012 Note and Series 2017 Bonds[1][2]	6,779,800	6,779,800	6,779,800	6,779,800	6,779,800
Sales Tax Revenues Coverage of Maximum Annual Debt Service on the Series 2011 Bond, Series 2012 Note and Series 2017 Bonds[1][2]	2.92x	3.04x	3.21x	3.32x	3.45x

Source: Escambia County Finance Department.

(1) Based upon an assumed issuance of Series 2017 Bonds in an aggregate principal amount of $83,055,000, with a final maturity of 2047 and true interest cost of _____%.

(2) Assumes that the Sales Tax Refunding Revenue Bond, Series 2011 matures on October 1, 2031 with no change in the interest rate of 3.06%; however, the entire unpaid principal of and interest accrued thereon may be subject to mandatory redemption at the option of the owner of the Bond on October 1, 2026. Further, assumes that the 2012 Sales Tax Refunding Revenue Note matures on October 1, 2032 with no change in the interest rate of 2.82%; however, the entire unpaid principal of and interest accrued thereon may be subject to mandatory prepayment at the option of the owner of the Note on October 1, 2027 or any date thereafter through but not including October 1, 2028.

THE PROJECT

The Project is the construction of a new County jail in Pensacola, and other capital improvements in and for the County.

INVESTMENT CONSIDERATIONS

General

The purchase of the Series 2017 Bonds involves a degree of risk, as is the case with all investments. Factors that could affect the County's ability to perform its obligations under the Resolution, including the timely payment of principal of and interest on the Series 2017 Bonds, include, but are not necessarily limited to, the following:

Limited Special Obligations

The Series 2017 Bonds are limited, special obligations of the County, the principal of, premium, if any, and interest on which are payable from and secured solely by a pledge of and lien on the Pledged Revenues.

THE SERIES 2017 BONDS DO NOT CONSTITUTE A GENERAL OBLIGATION OR INDEBTEDNESS OF THE COUNTY AND ARE NOT "SERIES 2017 BONDS" WITHIN THE MEANING OF THE CONSTITUTION OF THE STATE OF FLORIDA. NO REGISTERED OWNER OR BENEFICIAL OWNER OF ANY SERIES 2017 BONDS WILL EVER HAVE THE RIGHT (1) TO COMPEL THE LEVY OF AD VALOREM TAXES TO PAY PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE SERIES 2017 BONDS, OR (2) TO COMPEL THE COUNTY TO PAY THE PRINCIPAL, PREMIUM, IF ANY, AND INTEREST ON THE SERIES 2017 BONDS FROM ANY FUNDS OF THE COUNTY OTHER THAN THE PLEDGED REVENUES IN THE MANNER PROVIDED IN THE RESOLUTION. THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE SERIES 2017 BONDS DO NOT CONSTITUTE A LIEN ON ANY PROPERTY OF OR IN THE COUNTY OTHER THAN THE PLEDGED REVENUES IN THE MANNER PROVIDED IN THE RESOLUTION.

Economic Factors

The Pledged Revenues consist primarily of the Sales Tax Revenues received by the County. Worsening economic conditions could impact the County's ability to pay principal and interest on the Series 2017 Bonds. See "PLEDGED REVENUES" herein.

LEGAL MATTERS

Legal Opinions

Certain legal matters incident to the issuance of the Series 2017 Bonds and with regard to the treatment of the interest on the Series 2017 Bonds for federal tax purposes (see "TAX EXEMPTION") are subject to the legal opinion of Bryant Miller Olive P.A., Bond Counsel. The signed legal opinion, dated and premised on law in effect as of the date of original delivery of the Series 2017 Bonds, will be delivered to the Underwriters at the time of original delivery of the Series 2017 Bonds.

The proposed text of the legal opinion is set forth as Appendix D hereto. The actual legal opinion to be delivered may vary from that text if necessary to reflect facts and law on the date of delivery. The opinion will speak only as of its date and subsequent distribution of such legal opinion by recirculation of the Official Statement or otherwise shall create no implication that Bond Counsel has reviewed or expresses any opinion concerning any of the matters referenced in the opinion subsequent to its date. While Bond Counsel has reviewed certain portions of this Official Statement, it has not been engaged by the County to confirm or verify, and expresses and will express no opinion as to, the accuracy, completeness or fairness of any statements in this Official Statement, or in any other reports, financial information, offering or disclosure documents or other information pertaining to the County, or the Series 2017 Bonds that may be prepared or made available by the County, the Underwriters or others to the holders of the Series 2017 Bonds or other parties.

Certain legal matters incident to the issuance of the Series 2017 Bonds will be passed upon for the County by Alison Rogers, Esquire, County Attorney.

Litigation

General. The Board, the Clerk, the Sheriff, the County Property Appraiser and the County Tax Collector are defendants from time to time in various lawsuits. The County Attorney represents the Board. The County Property Appraiser, the Clerk, the Sheriff, and the County Tax Collector each have separate counsel. It is the opinion of the County Attorney with respect to litigation pending against the Board that the Board either (1) has meritorious defenses against claims asserted in such litigation, (2) is immune from liability under principles of sovereign immunity, or (3) has adequate insurance coverage or reserves against liability with respect to such claims. There can be no assurance, however, that the Clerk and the Board will not incur liability for which adequate reserves do not exist, as a result of such litigation. In the event of such liability, the Board could be required, among other responses, to expend reserves, reduce the level of services, or borrow money in order to satisfy such liability. It is not expected that any such liability would affect the obligation of the Board to apply the proceeds of the Pledged Revenues in accordance with the provisions of the Resolution.

The Series 2017 Bonds. There is no pending or, to the knowledge of the County, threatened litigation against the County which in any way questions or affects (1) the Project, (2) the validity of the Series 2017 Bonds, or any proceedings or transactions relating to their sale, issuance, or delivery, (3) the pledge of the Pledged Revenues to secure payment of the Series 2017 Bonds, or (4) the provisions for collection and application of the Pledged Revenues in accordance with the provisions of the Resolution.

TAX MATTERS RELATED TO THE SERIES 2017 BONDS

General

The Code establishes certain requirements which must be met subsequent to the issuance of the Series 2017 Bonds in order that interest on the Series 2017 Bonds be and remain excluded from gross income for purposes of federal income taxation. Non-compliance may cause interest

on the Series 2017 Bonds to be included in federal gross income retroactive to the date of issuance of the Series 2017 Bonds, regardless of the date on which such non-compliance occurs or is ascertained. These requirements include, but are not limited to, provisions which prescribe yield and other limits within which the proceeds of the Series 2017 Bonds and the other amounts are to be invested and require that certain investment earnings on the foregoing must be rebated on a periodic basis to the Treasury Department of the United States. The County has covenanted in the Resolution with respect to the Series 2017 Bonds to comply with such requirements in order to maintain the exclusion from federal gross income of the interest on the Series 2017 Bonds.

In the opinion of Bond Counsel, assuming compliance with certain covenants, under existing laws, regulations, judicial decisions and rulings, interest on the Series 2017 Bonds is excluded from gross income for purposes of federal income taxation. Interest on the Series 2017 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals or corporations; however, interest on the Series 2017 Bonds may be subject to the federal alternative minimum tax when any Series 2017 Bond is held by a corporation. The federal alternative minimum taxable income of a corporation must be increased by seventy-five percent (75%) of the excess of such corporation's adjusted current earnings over its alternative minimum taxable income (before this adjustment and the alternative tax net operating loss deduction). "Adjusted Current Earnings" will include interest on the Series 2017 Bonds.

Except as described above, Bond Counsel will express no opinion regarding other federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of Series 2017 Bonds. Prospective purchasers of Series 2017 Bonds should be aware that the ownership of Series 2017 Bonds may result in collateral federal income tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry Series 2017 Bonds; (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by fifteen percent (15%) of certain items, including interest on Series 2017 Bonds; (iii) the inclusion of interest on Series 2017 Bonds in earnings of certain foreign corporations doing business in the United States for purposes of the branch profits tax; (iv) the inclusion of interest on Series 2017 Bonds in passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year; and (v) the inclusion of interest on Series 2017 Bonds in "modified adjusted gross income" by recipients of certain Social Security and Railroad Retirement benefits for the purposes of determining whether such benefits are included in gross income for federal income tax purposes.

As to questions of fact material to the opinion of Bond Counsel, Bond Counsel will rely upon representations and covenants made on behalf of the County, certificates of appropriate officers and certificates of public officials (including certifications as to the use of proceeds of the Series 2017 Bonds and of the property financed or refinanced thereby), without undertaking to verify the same by independent investigation.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2017 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND

CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES DESCRIBED ABOVE. PROSPECTIVE SERIES 2017 BONDHOLDERS SHOULD CONSULT WITH THEIR TAX SPECIALISTS FOR INFORMATION IN THAT REGARD.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2017 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2017 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2017 Bonds, under certain circumstances, to "backup withholding" at the rate specified in the Code with respect to payments on the Series 2017 Bonds and proceeds from the sale of Series 2017 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2017 Bonds. This withholding generally applies if the owner of Series 2017 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2017 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

Other Tax Matters

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2017 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2017 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2017 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2017 Bonds. For example, in connection with federal deficit reduction, job creation and tax law reform efforts, proposals have been and others are likely to be made that could significantly reduce the benefit of, or otherwise affect, the exclusion from gross income of interest on obligations like the Series 2017 Bonds. There can be no assurance that any such legislation or proposal will be enacted, and if enacted, what form it may take. The introduction or enactment of any such legislative proposals may affect, perhaps significantly, the market price for, or marketability of, the Series 2017 Bonds.

Prospective purchasers of the Series 2017 Bonds should consult their own tax advisors as to the tax consequences of owning the Series 2017 Bonds in their particular state or local jurisdiction and regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Tax Treatment of Original Issue Discount

Under the Code, the difference between the maturity amount of the Series 2017 Bonds maturing on October 1 of the years _____ (collectively, the "Discount Bonds"), and the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity and, if applicable, interest rate, was sold is "original issue discount." Original issue discount will accrue over the term of the Discount Bonds at a constant interest rate compounded periodically. A purchaser who acquires the Discount Bonds in the initial offering at a price equal to the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period he or she holds the Discount Bonds, and will increase his or her adjusted basis in the Discount Bonds by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or disposition of the Discount Bonds. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of the Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Bondholders of the Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, redemption or other disposition of the Discount Bonds and with respect to the state and local tax consequences of owning and disposing of the Discount Bonds.

Tax Treatment of Bond Premium

The difference between the principal amount of the Bonds maturing on October 1 of the years _____ (collectively, the "Premium Bonds"), and the initial offering price to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Premium Bonds of the same maturity and, if applicable, interest rate, was sold constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of each of the Premium Bonds, which ends on the earlier of the maturity or call date for each of the Premium Bonds which minimizes the yield on such Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. Bondholders of the Premium Bonds are advised that they should consult with their own tax advisors with respect to the state and local tax consequences of owning such Premium Bonds.

GENERAL PURPOSE FINANCIAL STATEMENTS

The audited financial statements of the County for the Fiscal Year ended September 30, 2016 have been included as Appendix A to this Official Statement as a public document. The auditor has not been requested to perform, and has not performed, any service in connection with, and is therefore not associated with, the offering of the Series 2017 Bonds.

The Series 2017 Bonds are payable solely from the Pledged Revenues as described herein. The financial statements included in Appendix A are presented for general information purposes only.

RATINGS

S&P Global Ratings and Moody's Investors Service have assigned ratings of "A+" (stable outlook) and "Aa3", respectively, to the Series 2017 Bonds. There is no assurance that each such rating will continue for any given period of time or that it will not be lowered or withdrawn entirely by the rating agencies, if in their judgment, circumstances so warrant. A downward change in or withdrawal of such ratings may have an adverse effect on the market price of the Series 2017 Bonds. An explanation of the significance of the ratings can be received from the respective rating agencies.

If bond insurance is obtained as provided on the cover page hereof, the insured Series 2017 Bonds would be expected to receive an additional rating, based upon the delivery of the standard policy of bond insurance by the bond insurer.

ADVISORS AND CONSULTANTS

The County has retained certain advisors and consultants in connection with the issuance of the Series 2017 Bonds. These advisors and consultants are compensated from a portion of the proceeds of the Series 2017 Bonds included in "Costs of Issuance" under the heading "SOURCES AND USES OF FUNDS" herein; their compensation is, in some instances, contingent upon the issuance of the Series 2017 Bonds and the receipt of the proceeds thereof.

Financial Advisor. FirstSouthwest, a Division of Hilltop Securities Inc., Orlando, Florida, serves as financial advisor (the "Financial Advisor") to the County and, in that capacity, has provided advice in connection with the planning, structuring and issuance of the Series 2017 Bonds. The Financial Advisor will not engage in any underwriting activities with regard to the issuance and sale of the Series 2017 Bonds. The Financial Advisor is not obligated to undertake and has not undertaken to make an independent verification or to assume responsibility for the accuracy, completeness or fairness of the information contained in this Official Statement. The Financial Advisor's fee is contingent upon the issuance of the Series 2017 Bonds and is expected to be paid from a portion of the proceeds of the Series 2017 Bonds. The Financial Advisor may also provide the County with certain investment services, including providing investments for the funds and accounts created under the Resolution.

Bond Counsel. Bryant Miller Olive P.A., Miami, Florida, represents the County as Bond Counsel.

Disclosure Counsel. Nabors, Giblin & Nickerson, P.A., Tampa, Florida, represents the County as Disclosure Counsel.

UNDERWRITING

The Underwriters shown on the cover page hereof have agreed, subject to the proceedings authorizing the sale of the Series 2017 Bonds, to purchase the Series 2017 Bonds from the County. The aggregate purchase price for the Series 2017 Bonds payable to the County is $_____ ($_____ principal amount plus net original issue premium of $_____, and less Underwriters' discount of $_____). The Underwriters have furnished the information on the cover page of this Official Statement pertaining to the public offering price of the Series 2017 Bonds. The public offering price of the Series 2017 Bonds may be changed from time to time by the Underwriters, and the Underwriters may allow a concession from the public offering price to certain dealers. None of the Series 2017 Bonds will be delivered by the County to the Underwriters unless all of the Series 2017 Bonds are so delivered.

The Underwriters have reviewed the information in this Official Statement in accordance with and, as part of their responsibilities to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriters do not guarantee the accuracy or completeness of such information.

The Underwriters have provided the following information for inclusion in this Official Statement: The Underwriters and their respective affiliates are full service financial institutions engaged in various activities, that may include securities trading, commercial and investment banking, municipal advisory, brokerage and asset management. In the ordinary course of business, the Underwriters and their respective affiliates may actively trade debt and if applicable equity securities (or related derivative securities) and provide financial instruments (which may include bank loans, credit support or interest rate swaps) and the Underwriters and their affiliates may engage in transactions for their own accounts involving the securities and instruments made the subject of this securities offer or other offers of the County. The Underwriters and their respective affiliates may also communicate independent investment recommendations, market color or trading ideas and publish independent research views in respect of this securities offer or other offers of the County. The Underwriters do not make a market in credit default swaps with respect to municipal securities at this time but may do so in the future.

Wells Fargo Securities is the trade name for certain securities-related capital markets and investment banking services of Wells Fargo & Company and its subsidiaries, including Wells Fargo Bank, National Association, which conducts its municipal securities sales, trading and underwriting operations through the Wells Fargo Bank, NA Municipal Products Group, a separately identifiable department of Wells Fargo Bank, National Association, registered with the Securities and Exchange Commission as a municipal securities dealer pursuant to Section 15B(a) of the Securities Exchange Act of 1934.

Wells Fargo Bank, National Association, acting through its Municipal Products Group ("WFBNA"), one of the underwriters of the Series 2017 Bonds, has entered into an agreement (the "WFA Distribution Agreement") with its affiliate, Wells Fargo Clearing Services, LLC (which uses the trade name "Wells Fargo Advisors") ("WFA"), for the distribution of certain municipal securities offerings, including the Series 2017 Bonds. Pursuant to the WFA Distribution Agreement, WFBNA will share a portion of its underwriting or remarketing agent compensation, as applicable, with respect to the Series 2017 Bonds with WFA. WFBNA has also entered into an agreement (the "WFSLLC Distribution Agreement") with its affiliate Wells Fargo Securities, LLC ("WFSLLC"), for the distribution of municipal securities offerings, including the Series 2017 Bonds. Pursuant to the WFSLLC Distribution Agreement, WFBNA pays a portion of WFSLLC's expenses based on its municipal securities transactions. WFBNA, WFSLLC, and WFA are each wholly-owned subsidiaries of Wells Fargo & Company.

DISCLOSURE MATTERS

Certificate as to Official Statement

The County has duly authorized, executed and delivered this Official Statement. At the time of delivery of the Series 2017 Bonds to the Underwriters, the County will provide to the Underwriters a certificate (which may be included in a consolidated closing certificate of the County), signed by those County officials who signed this Official Statement, relating to the accuracy and completeness of this Official Statement.

Continuing Disclosure

The County has covenanted for the benefit of Bondholders to provide certain financial information and operating data relating to the Pledged Revenues and the Series 2017 Bonds in each year, and to provide notices of the occurrence of certain enumerated material events. Annual financial information and operating data, the audited financial statements and the notices of material events, when and if they occur, shall be filed by the County with the Municipal Securities Rulemaking Board's electronic municipal access system ("EMMA"). The specific nature of the financial information, operating data, and of the type of events triggering a disclosure obligation, and other details of the undertaking are described in "APPENDIX F -- FORM OF CONTINUING DISCLOSURE CERTIFICATE" attached hereto. The Continuing Disclosure Certificate shall be executed by the County prior to the issuance of the Series 2017 Bonds. These covenants have been made in order to assist the Underwriters in complying with the continuing disclosure requirements of Rule 15c2-12(b)5 (the "Rule") promulgated by the Securities and Exchange Commission.

The County has been in compliance during the previous five years with respect to its existing continuing disclosure obligations, except that it failed to file detailed annual financial information as required for Fiscal Year 2011 and certain previous fiscal years. This was updated and corrected in 2012.

APPENDIX A

GENERAL PURPOSE FINANCIAL STATEMENTS FOR THE YEAR ENDED SEPTEMBER 30, 2016

APPENDIX B

GENERAL INFORMATION PERTAINING TO ESCAMBIA COUNTY, FLORIDA

THE FOLLOWING INFORMATION CONCERNING ESCAMBIA COUNTY, FLORIDA (THE "COUNTY") IS INCLUDED ONLY FOR THE PURPOSE OF PROVIDING GENERAL BACKGROUND INFORMATION. THE INFORMATION HAS BEEN COMPILED ON BEHALF OF THE COUNTY AND SUCH COMPILATION INVOLVED ORAL AND WRITTEN COMMUNICIATIONS WITH THE VARIOUS SOURCES INDICATED HEREIN. THE INFORMATION IS SUBJECT TO CHANGE, ALTHOUGH EFFORTS HAVE BEEN MADE TO UPDATE THE INFORMATION WHERE PRACTICABLE. CERTAIN OF THE TABLES THAT FOLLOW IN THIS APPENDIX HAVE BEEN DERIVED FROM THE STATISTICAL SECTION OF THE COUNTY'S COMPREHENSIVE ANNUAL FINANCIAL REPORT FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2016.

Location and Size

The County is located in the extreme northwestern part of the State of Florida (the "State"), bordered on the west and north by the State of Alabama, on the east by Santa Rosa County, and on the south by the Gulf of Mexico. The County encompasses an area of approximately 661 square miles, or 420,480 acres, with an additional 64,000 acres of water area. The 2000 U.S. Census population of the County was 294,410 and the 2010 U.S. Census population of the County was 297,619. The current population of the County is estimated to be 311,003. There are two municipalities within the County, the larger of which is the City of Pensacola, the County seat. Tourism, health care and education make up the majority of its workforce and economy.

Population Statistics

The County has experienced a moderate growth rate. The following table presents historical and projected population growth for the County and the State for the period from 1990 through 2040.

(REMAINDER OF PAGE INTENTIONALLY LEFT BLANK)

Year	Escambia County	Annual Average Percentage Increase	State of Florida	Annual Average Percentage Increase
1990	262,798	1.24%	12,938,071	3.27%
2000	294,410	1.20	15,982,387	2.35
2010	297,619	0.11	18,905,048	1.83
2015	311,003	1.00	19,815,183	1.58
2020	310,500	0.23	21,236,700	1.43
2025	314,700	0.27	22,600,300	1.28
2030	318,600	0.25	23,872,600	1.13
2035	322,000	0.21	25,027,300	0.97
2040	323,900	0.12	26,081,400	0.84

Government

Board of County Commissioners. The Board of County Commissioners of Escambia County, Florida (the "Board"), is the principal legislative and governing body of the County. The powers and duties of the Board are those prescribed by the State Constitution, or by the Florida Legislature. The Board consists of five Commissioners elected by the voters from single-member districts for terms of four years. The Board elects a Chairman or Chairwoman who serves as presiding officer. The current Commissioners and the dates of their terms are as follows:

Commissioners	Term Began	Term Expires
Doug Underhill, Chairman	November, 2014	November, 2018
Jeff Bergosh, Vice Chairman	November, 2016	November, 2020
Lumon May	November, 2016	November, 2020
Grover C. Robinson IV	November, 2014	November, 2018
Steven Barry	November, 2016	November, 2020

The County Manager. The County Manager, the chief administrative official of the County, is appointed by and serves at the pleasure of the Board. The County Manager is responsible to the Board for administration and operation of all operating departments of the County. The County Manager is also responsible to the Board for the execution of all Board policies and the preparation of the annual operating and capital improvement program budget for the County.

The County Attorney. The County Attorney is appointed by and serves at the pleasure of the Board. The County Attorney reports directly to the Board and is responsible for providing effective and efficient legal services to the Board, and other County departments, boards and agencies as specified by the Board.

Budget Process. The County's budget is based upon a Fiscal Year beginning October 1 and ending September 30, and is developed in accordance with Chapters 129 and 200, Florida Statutes. Chapter 129, Florida Statutes, provides general and specific directions for budget development; and Chapter 200, Florida Statutes, provides specific direction for the annual levy of property taxes. In addition to the County's annual operating and capital budget, a five-year capital improvement program is adopted.

The County has received the Government Finance Officers Association of the United States and Canada (GFOA) Certificate of Achievement for Excellence in Financial Reporting to the County for its Comprehensive Annual Financial Report for the Fiscal Year ended September 30, 2016. This was the 20th consecutive year that the County has received this prestigious award. To be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized Comprehensive Annual Financial Report. This report must satisfy both GAAP and applicable legal requirements.

On September 20, 2016, the County adopted its budget for the Fiscal Year ending September 30, 2017. The Board voted unanimously for the adoption of an aggregate ad valorem millage rate of 7.4537 and a budget of $436,581,528 for such Fiscal Year. Such budget will be effective from October 1, 2016 through September 30, 2017.

The County closely monitors revenue collections on a monthly basis. If actual revenues of the County for the Fiscal Year ending September 30, 2017 are less than the budget, then the County intends to address such reduction in revenues through expenditure reductions and/or use of reserves. Conversely, if the revenues of the County for the Fiscal Year ending September 30, 2017 are more than budgeted, then the County anticipates applying such excess revenues to increase its reserves.

Annual Audit. Florida law requires that an annual post audit be completed by independent certified public accountants retained by the County. The County retained the firm of Warren Averett CPAs and Advisors, Pensacola, Florida, to undertake the audit for the Fiscal Year ended September 30, 2016. The audited general purpose financial statements for the Fiscal Year ended September 30, 2016 appear in APPENDIX A attached to this Official Statement.

Ad Valorem Taxation. The laws of the State of Florida require that all taxable real and tangible personal property must be assessed at fair market value, with some exceptions. Real and personal property valuations are determined each year as of January 1 by the County Property Appraiser's Office. The County Property Appraiser submits the tax roll to the Florida Department of Revenue for review and determination of, among other things, whether the tax roll meets the requirements of Florida law regarding just valuation. Each taxpayer is given notice by mail or the proposed property taxes and the assessed property value for the current year, and the dates, times and places at which budget hearings are scheduled to be held.

The property owner has the right to file an appeal of the determination of assessed value with the Value Adjustment Board (the "Adjustment Board"), which considers petitions relating to assessments and exemptions. The Adjustment Board is composed of members of the School Board and the Board of County Commissioners. The decision of the Adjustment Board may be

appealed to the Circuit Court. The Adjustment Board certifies the assessment roll upon completion of the hearing of appeals to it. Millage rates are then computed by the various taxing authorities and certified to the Property Appraiser, who applies the millage rates to the assessment roll. This procedure creates the tax roll, which is then certified and turned over to the County Tax Collector.

Pursuant to Article VII, Section 6 of the Constitution and Section 196.031, Florida Statutes, the first $25,000 of the assessed valuation of a homestead is exempt from taxation for any person who has title to a residence in such homestead on a permanent basis. Pursuant to the passage of Amendment One on January 29, 2008, each person qualifying for the previous exemption is entitled to an additional exemption of up to $25,000 of assessed value, applied to the assessed value between $50,000 and $75,000. Further, agricultural land, non-commercial recreational land, inventory and livestock are assessed at less than 100% of fair market value. In addition, an additional homestead exemption of $25,000 is granted by Escambia County relating to ad valorem taxes payable to persons 65 or older subject to certain income limitations. See "Collection of Taxes" herein for a more complete description of exemptions.

Collection of Taxes. Taxes become delinquent on April 1 following the year in which they are assessed or 60 days after mailing of the original tax notice, whichever is later. If the delinquency date for ad valorem taxes is later than April 1 of the year following the year in which taxes are assessed, all dates or time periods specified in the Florida Statutes relative to the collection of, or administrative procedures regarding delinquent taxes shall be extended a like number of days. Discounts are allowed for early payment at a rate of 4% if paid in November, 3% if paid in December, 2% if paid in January and 1% if paid in February. The Tax Collector advertises and sells tax certificates on those lands on which taxes have not been paid to pay the taxes, interest, costs and charges on the parcel described in the certificate. If there are no bidders, the certificate is issued to the County. Real property taxes bear interest at a rate not to exceed 18% per year from the date of delinquency until a certificate is sold, except that the minimum charge for delinquent taxes paid prior to the sale of a tax certificate is 3%.

Exemptions from the ad valorem tax include the first $25,000 of assessed value for a homestead and an additional $25,000 of assessed value, to be applied to the assessed value between $50,000 and $75,000; homestead property of totally and permanently disabled persons; improved real property on which a renewable energy source device is installed and operated; inventory; property used by not-for-profit hospitals, nursing homes and homes for special services; property used by certain not-for-profit homes for the aged; property used exclusively for educational purposes by educational institutions or other exempt organizations, including charter schools, for educational purposes; property owned by certain charitable, literary, religious or scientific organizations and used predominately for such purposes; property owned and used for educational purposes by labor organizations; property of certain community centers; property used for affordable housing; property owned and used by certain governmental units; property of certain not-for-profit sewer and water companies; and the first $500 of property of every widow, widower, blind person or disabled person, deployed military personnel and surviving spouses of first responders and veterans killed in the line of duty.

Local Economy

Escambia County is located in Florida's Panhandle, along the emerald shores of the Gulf Coast, wherein the tourism sector employs approximately 22,200 in the leisure and hospitality industry with accommodations and food services representing 11.7% of the area workforce. The largest major industry sector is health care and social assistance, with 17.2% of the area workforce. There are four major hospitals located in Escambia County, all of which have surgical centers; Baptist Hospital, West Florida Regional Medical Center, Navy Hospital and Sacred Heart Hospital. There are approximately 22,000 employed in the health and other health related services.

The military is another large factor in the area's economy. Navy and Air Force expenditures, including construction, have historically accounted for nearly half the total payroll in the Pensacola metro area. Navy installations include Pensacola Naval Air Station (the home of the Blue Angels, and generally recognized as the premier naval installation of the United States Department of the Navy), Saufley Field and Corry Station. Whiting Field is located in Milton Florida, about 30 miles northeast of Pensacola. In neighboring Okaloosa County, Eglin Air Force Base and Hurlburt Field have an impact on the local economy as well as serving as magnets for high-tech businesses.

Escambia County has several commercial/industrial parks. The County's commerce parks consist of Central and Heritage Oaks as well as the downtown Technology Park. The properties in the Central Commerce Park and the downtown Technology Park are being marketed in partnership with the Greater Pensacola Chamber of Commerce. This allows the County to reach a wider audience for promoting economic development and attracting new businesses to the area.

Labor Force

The unemployment rate for the County is generally lower or the same as that for the State. In the latest figures available, the County's unemployment rate for 2016 as of September 2016 was 4.9%. The following chart shows the labor force in the County and the percent of the estimated labor force unemployed from 2007 to 2016 for the County, the State and the United States.

FORM OF BOND COUNSEL OPINION

APPENDIX E

FORM OF CONTINUING DISCLOSURE CERTIFICATE

EXHIBIT "C"
FORM OF CONTINUING DISCLOSURE CERTIFICATE

[Follows]

CONTINUING DISCLOSURE CERTIFICATE

This Continuing Disclosure Certificate (the "Disclosure Certificate") is executed and delivered by Escambia County, Florida (the "Issuer") in connection with the issuance of its $_____ Sales Tax Revenue Bonds, Series 2017 (the "Bonds"). The Bonds are being issued pursuant to Resolution No. 2002-145, adopted by the Board of County Commissioner of Escambia County, Florida on September 11, 2002, as amended and supplemented from time to time, and specifically as amended and supplemented by Resolution No. _____ adopted by the Board of County Commissioners of Escambia County, Florida on May 25, 2017 (collectively, the "Resolution").

SECTION 1. PURPOSE OF THE DISCLOSURE CERTIFICATE. This Disclosure Certificate is being executed and delivered by the Issuer for the benefit of the Holders and Beneficial Owners of the Bonds and in order to assist the Participating Underwriters in complying with the continuing disclosure requirements of Securities and Exchange Commission Rule 15c2-12.

SECTION 2. DEFINITIONS. In addition to the definitions set forth in the Resolution which apply to any capitalized term used in this Disclosure Certificate, unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

"Annual Report" shall mean any Annual Report provided by the Issuer pursuant to, and as described in, Sections 3 and 4 of this Disclosure Certificate.

"Beneficial Owner" shall mean any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

"Dissemination Agent" shall mean the Issuer, or any successor Dissemination Agent designated in writing by the Issuer and which has filed with the Issuer a written acceptance of such designation.

"Event of Bankruptcy" shall be considered to have occurred when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an Obligated Person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Obligated Person, or if such jurisdiction has been assumed by leaving the existing governmental body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Obligated Person.

"Listed Events" shall mean any of the events listed in Section 5(a) of this Disclosure Certificate.

"Obligated Person" shall mean any person, including the Issuer, who is either generally or through an enterprise, fund, or account of such person committed by contract or other arrangement to support payment of all, or part of the obligations on the Bonds (other than providers of municipal bond insurance, letters of credit, or other liquidity facilities).

"Participating Underwriters" shall mean the original underwriters of the Bonds required to comply with the Rule in connection with offering of the Bonds.

"Repository" shall mean each entity authorized and approved by the Securities and Exchange Commission from time to time to act as a repository for purposes of complying with the Rule. The Repositories currently approved by the Securities and Exchange Commission may be found by visiting the Securities and Exchange Commission's website at http://www.sec.gov/info/municipal/nrmsir.htm. As of the date hereof, the Repository recognized by the Securities and Exchange Commission for such purpose is the Municipal Securities Rulemaking Board, which currently accepts continuing disclosure submissions through its Electronic Municipal Market Access ("EMMA") web portal at "http://emma.msrb.org."

"Rule" shall mean the continuing disclosure requirements of Rule 15c2-12 adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

"State" shall mean the State of Florida.

SECTION 3. PROVISION OF ANNUAL REPORTS.

(a) The Issuer shall, or shall cause the Dissemination Agent to, by not later than April 30th following the end of the prior fiscal year, beginning with the fiscal year ending September 30, 2017 with respect to the report for the 2016-2017 fiscal year, provide to any Repository in electronic format as prescribed by such Repository an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Certificate. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Disclosure Certificate; provided that the audited financial statements of the Issuer may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if they are not available by that date; provided, further, in such event, unaudited financial statements are required to be delivered as part of the Annual Report in accordance with Section 4(a) below. If the Issuer's fiscal year changes, it shall give notice of such change in the same manner as for a Listed Event under Section 5(c).

(b) Not later than fifteen (15) Business Days prior to the date set forth in (a) above, the Issuer shall provide the Annual Report to the Dissemination Agent (if other than the Issuer). If the Issuer is unable to provide to any Repository an Annual Report as required in subsection

(a), the Issuer shall send a notice to such Repository, in electronic format as prescribed by such Repository, in substantially the form attached as Exhibit A.

(c) The Dissemination Agent shall:

(i) determine each year prior to the date for providing the Annual Report the name and address of any Repository;

(ii) if the Dissemination Agent is other than the Issuer, file a report with the Issuer certifying that the Annual Report has been provided pursuant to this Disclosure Certificate, stating the date it was provided and listing any Repository to which it was provided; and

(iii) if the Dissemination Agent is other than the Issuer, the Dissemination Agent shall send a notice to any Repository, in electronic format as prescribed by such Repository, in substantially the form attached as Exhibit A if the Issuer is unable to provide an Annual Report to any Repository as required in subsection (a).

SECTION 4. CONTENT OF ANNUAL REPORTS. The Issuer's Annual Report shall contain or include by reference the following:

(a) the audited financial statements of the Issuer for the prior fiscal year, prepared in accordance with generally accepted accounting principles as promulgated to apply to governmental entities from time to time by the Governmental Accounting Standards Board. If the Issuer's audited financial statements are not available by the time the Annual Report is required to be filed pursuant to Section 3(a), the Annual Report shall contain unaudited financial statements in a format similar to the financial statements contained in the final Official Statement related to the Bonds dated _____, 2017 (the "Official Statement"), and the audited financial statements shall be filed in the same manner as the Annual Report when they become available; and

(b) updates of the historical financial and operating data set forth in the Official Statement under the captions:

(i) Historical Sales Tax Revenues;
(ii) Distribution of Sales Tax Revenues; and
(iii) Pro Forma Debt Service Coverage from Sales Tax Revenues.

The information provided under Section 4(b) may be included by specific reference to documents, including official statements of debt issues of the Issuer or related public entities, which are available to the public on the Repository's Internet Web site or filed with the Securities and Exchange Commission.

The Issuer reserves the right to modify from time to time the specific types of information provided in its Annual Report or the format of the presentation of such information,

to the extent necessary or appropriate in the judgment of the Issuer; provided that the Issuer agrees that any such modification will be done in a manner consistent with the Rule.

SECTION 5. REPORTING OF SIGNIFICANT EVENTS.

(a) Pursuant to the provisions of this Section 5, the Issuer shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Bonds. Such notice shall be given in a timely manner not in excess of ten (10) business days after the occurrence of the event, with the exception of the event described in number 15 below, which notice shall be given in a timely manner:

1. principal and interest payment delinquencies;

2. non-payment related defaults, if material;

3. unscheduled draws on debt service reserves reflecting financial difficulties;

4. unscheduled draws on credit enhancements reflecting financial difficulties;

5. substitution of credit or liquidity providers, or their failure to perform;

6. adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701 TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;

7. modifications to rights of the holders of the Bonds, if material;

8. Bond calls, if material, and tender offers;

9. defeasances;

10. release, substitution, or sale of property securing repayment of the Bonds, if material;

11. ratings changes;

12. an Event of Bankruptcy or similar event of an Obligated Person;

13. the consummation of a merger, consolidation, or acquisition involving an Obligated Person or the sale of all or substantially all of the assets of the Obligated Person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and

14. appointment of a successor or additional Paying Agent or the change of name of a Paying Agent, if material; and

15. notice of any failure on the part of the Issuer to meet the requirements of Section 3 hereof.

(b) The notice required to be given in paragraph 5(a) above shall be filed with any Repository, in electronic format as prescribed by such Repository.

SECTION 6. IDENTIFYING INFORMATION. In accordance with the Rule, all disclosure filings submitted in pursuant to this Disclosure Certificate to any Repository must be accompanied by identifying information as prescribed by the Repository. Such information may include, but not be limited to:

(a) the category of information being provided;

(b) the period covered by any annual financial information, financial statement or other financial information or operation data;

(c) the issues or specific securities to which such documents are related (including CUSIPs, issuer name, state, issue description/securities name, dated date, maturity date, and/or coupon rate);

(d) the name of any Obligated Person other than the Issuer;

(e) the name and date of the document being submitted; and

(f) contact information for the submitter.

SECTION 7. TERMINATION OF REPORTING OBLIGATION. The Issuer's obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds or if the Rule is repealed or no longer in effect. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event under Section 5.

SECTION 8. DISSEMINATION AGENT. The Issuer may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the Issuer pursuant to this Disclosure Certificate.

SECTION 9. AMENDMENT; WAIVER. Notwithstanding any other provision of this Disclosure Certificate, the Issuer may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the Issuer, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the holders or Beneficial Owners of the Bonds in the same manner as provided in the Resolution for amendments to the Resolution with the consent of holders or Beneficial Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or Beneficial Owners of the Bonds.

Notwithstanding the foregoing, the Issuer shall have the right to adopt amendments to this Disclosure Certificate necessary to comply with modifications to and interpretations of the provisions of the Rule as announced by the Securities and Exchange Commission from time to time.

In the event of any amendment or waiver of a provision of this Disclosure Certificate, the Issuer shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

SECTION 10. ADDITIONAL INFORMATION. Nothing in this Disclosure Certificate shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Issuer shall have no obligation under this Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 11. DEFAULT. The continuing disclosure obligations of the Issuer set forth herein constitute a contract with the holders of the Bonds. In the event of a failure of the Issuer to comply with any provision of this Disclosure Certificate, any holder or Beneficial Owner of

the Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer to comply with its obligations under this Disclosure Certificate; provided, however, the sole remedy under this Disclosure Certificate in the event of any failure of the Issuer to comply with the provisions of this Disclosure Certificate shall be an action to compel performance. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Resolution.

SECTION 12. DUTIES, IMMUNITIES AND LIABILITIES OF DISSEMINATION AGENT. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the Issuer agrees, to the extent permitted by law and solely from Sales Tax Revenues, to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

[Remainder of page intentionally left blank]

SECTION 13. BENEFICIARIES. This Disclosure Certificate shall inure solely to the benefit of the Issuer, the Dissemination Agent, the Participating Underwriters and holders and Beneficial Owners from time to time of the Bonds, and shall create no rights in any other person or entity.

SCHEDULE "I"
DESCRIPTION OF SERIES 2017 PROJECT

The Series 2017 Project consists of the planning, design and construction of a new 1,500 rated bed correctional facility, including but not limited to, security services, program services, inmate services, medical services, food services, facility maintenance, mechanical, electrical and security services and warehouse. The new correctional facility will be constructed in two phases utilizing the design-build construction delivery method pursuant to Section 287.055, Florida Statutes (Acquisition of Professional Architectural and Engineering Services).

Upon completion, the new correctional facility will replace the existing correctional facilities known as the Central Booking Detention Facility and the Main Jail.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12241 **County Administrator's Report 12. 15.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/25/2017
Issue: South Central Planning and Development Commission Software License and Service Agreement
From: Shawn Fletcher, IT Director
Organization: Information Technology
CAO Approval:

RECOMMENDATION:

Recommendation Concerning a Software License and Service Agreement with the South Central Planning and Development Commission - Shawn P. Fletcher, Information Technology Department Director

That the Board take the following action concerning a Software License and Service Agreement with the South Central Planning and Development Commission :

A. Approve a Software License and Service Agreement with the South Central Planning and Development Commission (SCPDC) for use of the MyGovernmentOnline (MGO) Software Suite at an annual cost of $84,399.84 and with no initial setup fee. The cost will be divided between Building Inspections Permitting and the Information Technology Department. This software will replace the current Accela Civic Platform Software that is being used by Building Inspections Permitting, Development Services, and Environmental Code Enforcement;

B. Authorize the issuance of a Purchase Order, in the amount of $84,399.84, to South Central Planning and Development Commission for the MyGovermentOnline Software Suite; and

C. Authorize the County Administrator to execute all documents related to the acceptance of the Software License and Service Agreement with SCPDC for the MGO Software Suite.

[Funding: Fund 001 General Fund, Cost Center 270102, Information Technology $42,199.92, and Fund 406, Building Inspections Fund, Cost Center 250111, Building Inspections Administration $42,199.92]

BACKGROUND:

Building Inspections Permitting, Development Services, and Code Enforcement have utilized Accela for the daily business activities since 2007. It has become a business tool that does not suit their needs. An alternative has been found in My Government Online, which is developed and maintained by the South Central Planning and Development Commission (SCPDC). The South Central Planning and Development Commission (SCPDC) is a government organization, which only requires a signed agreement to setup a partnership.
The Board approved moving forward with this agreement at the Committee of the Whole on May 11, 2017.

BUDGETARY IMPACT:

In December 2016 Purchase Order # 170899 for $252,587.43 for the renewal of the Accela Civic Platform Software was issued. By purchasing the South Central Planning and Development Commission MyGovernmentOnline Software Suite will be an approximate annual savings of $170,000. There are no upfront charges other than paying for travel and per diem for South Central Planning and Development (SCPDC) trainers, which GSA pricing has been agreed upon.

LEGAL CONSIDERATIONS/SIGN-OFF:

Assistant County Attorney, Kristin D. Hual, reviewed and approved the Agreement; however, the County Attorney's Office has requested that the Board be advised that the Agreement does not include the following standard "Governing Law" provision:

Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

PERSONNEL:

No additional personnel are anticipated.

POLICY/REQUIREMENT FOR BOARD ACTION:

This recommendation is in compliance with the provision of the Code of Ordinances of Escambia County, Florida Chapter 46 Article ll, Division 3, Section 81, Purchasing and Contracts

IMPLEMENTATION/COORDINATION:

The Information Technology Department will coordinate efforts on behalf of the County.

SOFTWARE LICENSE AND SERVICE AGREEMENT

1. PARTIES AND PURPOSE

1.1. Escambia County ("Licensee"), a political subdivision of the State of Florida domiciled in Escambia County.

1.2. The South Central Planning and Development Commission ("Licensor" or "SCPDC") is a regional planning commission and political subdivision of the State of Louisiana, domiciled in Terrebonne Parish. The district was established in 1973 and created by law in 1978 under state act 472. The statute allows its member governmental entities to come together through SCPDC to provide long range planning, act as a state and federal liaison, provide guidance and study current issues affecting government, and provide services to business and citizens.

1.3. SCPDC has created *MyGovernmentOnline* software (the "SCPDC Software"), and this contract is entered into among Licensee and SCPDC to license Licensee to use specified modules of the SCPDC Software under certain terms and conditions.

This SOFTWARE LICENSE AND SERVICE AGREEMENT (this "Agreement") is entered into by and between Licensor and Licensee, and describes the terms and conditions pursuant to which Licensor shall license to Licensee the use of, and provide services and support for, certain SCPDC Software (as defined below).

In consideration of the mutual promises and upon the terms and conditions set forth below, the parties agree as follows:

2. DEFINITIONS

2.1 "CONFIDENTIAL INFORMATION" means drawings, benchmark tests, specifications, trade secrets, object code and machine-readable copies of the Software, source code relating to the Software, and any other proprietary information supplied to Licensee by SCPDC, or by Licensee to SCPDC and clearly marked as "confidential information," including all items defined as "confidential information" in any other agreement between Licensee and SCPDC whether executed prior to or after the date of this Agreement.

2.2 "DOCUMENTATION" means any on-line help files, instruction manuals, training materials, operating instructions, user manuals, and specifications provided by SCPDC which describe the use of the Software and which either accompany the Software or are provided to Licensee at any time by SCPDC.

2.3 "EFFECTIVE DATE" means the later of the dates on which Licensee and SCPDC have signed this Agreement.

2.4 "EQUIPMENT" means the computer system, including peripheral equipment and operating system software, specified in **Schedule B**.

2.5 "MAJOR AND MINOR UPDATES" shall mean updates, if any, to the SCPDC Software. Major Updates involve additions of substantial functionality while Minor Updates do not. Major Updates are designated by a change in the number to the left of the decimal point of the number appearing after the product name while Minor Updates are designated by a change in such number to the right of the decimal point. Example, My Permit Now version X.0 (major update) and My Permit Now version 0.Y (minor update). SCPDC is the sole determiner of the availability and designation of an update as a Major or Minor Update. Where used herein "Updates" shall mean Major or Minor Updates interchangeably.

2.6 "SITE" means each physical location or each Internet link accessible by end-users through Licensee's Web Site, at which Licensee and its customers are entitled to Use the Software.

2.7 "SOFTWARE" means the computer software programs and modules specified in **Schedule A** and otherwise provided for Licensee use pursuant to this Agreement, as enhanced, modified, corrected, upgraded, added, customized, or otherwise changed by SCPDC pursuant to the requirements of this Agreement.

2.8 "USE" means loading, utilization, storage or display of the Software by Licensee for its own internal information processing, and utilization by end users accessing Licensee's Web Site through the Internet.

2.9 "PERMIT" shall mean any type of permit, including but not limited to, new service permits, new construction permit, building permit, structure renovation permit, mechanical permit, plumbing permit, gas permit, electrical permit, and sign permit.

3. LICENSE, DELIVERABLES AND COPIES

3.1 LICENSE GRANT.

(a) Subject to the terms of this Agreement, Licensor grants to Licensee a nonexclusive, nontransferable, royalty-bearing user license ("License") during the term of this Agreement to use the Licensor's Software, through Internet access only, solely for purposes of using the Licensor's products known collectively as *MyGovernmentOnline* Software Modules. The scope of the License encompasses Licensee's internal use of Licensor's Software in connection with providing services to Licensee's customers and includes the following purposes: (1) enabling members of the public to access Licensee's portal via the Internet to (A) electronically submit permit applications and associated documents to Licensee for review, (B) track the status of permit applications, and (C) schedule inspections and receive real-time notification of inspection results via email and phone messaging; and (2) enabling Licensee's employees, officials, and agents to (A) electronically receive, track, process, manage, research, and store applications for Licensee permits, and (B) obtain customized reports regarding permit applications and associated documents. Except as otherwise provided by **Schedule A**, the License excludes any sublicensing

of Licensor's Software, uploading or otherwise transferring, or providing direct access to, the Licensor's Software to any third party without Licensor's prior written consent, including access by any third party to the Licensor's Software on a stand-alone basis. The License granted hereunder includes the use of Documentation in connection with Use of the Software.

(b) SCPDC and its Licensors solely own all right, title and interest in and to the SCPDC's Software, and reserve all rights therein not expressly granted under this Agreement. This License transfers to Licensee neither title nor any proprietary or intellectual property rights to the Software, Documentation, or any copyrights, patents, or trademarks, embodied or used in connection therewith, except for the rights expressly granted herein.

(i) Without limiting the generality of the foregoing, except as expressly stated in paragraph (a), Licensee may not directly or through any third party (a) transfer or sublicense, in whole or part, any copies of the SCPDC Software to any third party; (b) modify, decompile, reverse engineer, or otherwise attempt to access the source code of the SCPDC Software; or (c) copy the SCPDC Software, except such copies of the records as necessary for reasonable and customary test instances, production instances, back-up and disaster recovery purposes. Licensee will not delete or alter the copyright, trademark or other proprietary rights notices of SCPDC and its licensors included with the SCPDC Software as delivered to Licensee, and will reproduce such notices on all copies of the SCPDC Software. If derivative works of the SCPDC Software are prepared by or on behalf of Licensee based on suggestions or requests by Licensee, SCPDC will solely own such modifications.

(ii) The Licensee may develop products that interface or are intended for use with the SCPDC Software ("Add-On Products") with SCPDC's express written permission.

(c) Notwithstanding the inclusion of Licensee's customer in the class of allowed users, SCPDC's affirmative obligations will be limited to Licensee.

3.2 DELIVERABLES. SCPDC shall provide an Internet accessible software service and solution that meets all the terms, conditions, specifications, and requirements set forth in this document. All services shall be performed for the prices set forth in **Schedule A**. SCPDC shall provide maintenance and support of the Software under the terms and conditions set forth in **Schedule C**, Maintenance and Support.

3.3 COPIES. The License includes the right to copy and reprint Documentation, or portions thereof, for use with the Software in accordance with the rights granted hereunder including for backup/archival purposes, training, internal Licensee intranet posting and other uses consistent with the License. Whenever Licensee is permitted to copy or reproduce all or any part of the Documentation, all titles, trademark symbols, copyright symbols and legends, and other proprietary markings must be reproduced.

4. LICENSE RESTRICTIONS. Except as otherwise provided in **Schedule A**, Licensee agrees that it will not itself, or through any parent, subsidiary, affiliate, agent or other third party:

(a) sell, lease, license or sub-license the Software or the Documentation; (b) decompile, disassemble, or reverse engineer Software, in whole or in part; (c) write or develop any derivative software or any other software program based upon the Software or any Confidential Information; (d) use the Software to provide services on a 'service bureau' basis; or (e) provide, disclose, divulge or make available to, or permit use of the Software by any unauthorized third party without SCPDC's prior written consent.

5. LICENSE FEE, COMPENSATION FOR SERVICES, & EXPENSES

5.1 LICENSE FEE. In consideration of the License granted pursuant to Section 3.1, Licensee agrees to pay SCPDC the annual License Fee specified in **Schedule A**. Payments and any interest on late payments shall be governed by and construed in accordance with the Florida Prompt Payment Act, §§218.70, et seq., Florida Statutes.

5.2 TAXES. SCPDC and Licensee are both tax exempt entities and no taxes are expected from this transaction. The parties are exempt from paying sales tax and shall provide one another with a tax exemption certificate. In no event shall the parties be liable for any personal property taxes which may otherwise be levied on the other or on any taxes levied on either parties' employees' wages or any other taxes which may otherwise be required to be paid by the parties under federal or state law.

5.3 SERVICES. SCPDC shall provide all services as described in **Schedule A** for the fees described in **Schedule A.**

5.4 EXPENSES. License Fee and the fees for services do not include Reimbursable Expenses. SCPDC will bill Licensee for identified Reimbursable Expenses and Licensee shall reimburse SCPDC. All requests for Reimbursable Expenses shall require prior written approval by the Licensee and all expenses submitted for reimbursement must be verified with the appropriate documentation. SCPDC further agrees all requests for Reimbursable Expenses shall comply and be used in accordance with Chapter 112, Florida Statutes. County reserves the right to audit Consultant's records regarding Reimbursable Expenses upon reasonable notice. For the purpose of this Agreement, "Reimbursable Expenses" shall mean expenses incurred directly in connection with the services performed pursuant to this Agreement by SCPDC for travel and transportation. Lodging, airline costs, Mileage, and food reimbursement will be based on the Federal GSA per diem rate as found on GSA.gov. Car rental expenses shall be for actual cost.

5.5 INVOICES. All invoices under this Agreement shall be sent to the following address:

Escambia County Building Services Department
Attn: Accountant
3363 West Park Place
Pensacola, Florida 32505

Payment will be processed according to the regular payment procedures of the Licensee.

6. MAINTENANCE AND SUPPORT. There shall be no separate fee for maintenance and support. The annual License Fee includes all maintenance and support described in this Agreement and **Schedule C**.

7. LIMITED WARRANTY AND LIMITATION OF LIABILITY

7.1 LIMITED WARRANTY. SCPDC warrants for the term of the Agreement from the Effective Date (the "Warranty Period") the Software will perform in substantial accordance with the Documentation under normal use. If during the Warranty Period the Software does not perform as warranted (a "Non-Conformance"), SCPDC shall undertake to correct such Non-Conformance, or if correction is reasonably not possible, replace such Software free of charge. If neither of the foregoing is commercially practicable, SCPDC shall terminate this Agreement and refund to Licensee the License Fee. THE FOREGOING ARE LICENSEE'S SOLE AND EXCLUSIVE REMEDIES FOR BREACH OF WARRANTY. The warranty set forth above is made to and for the benefit of Licensee only. The warranty will apply only if:

(a) the Software has been properly used at all times and in accordance with the instructions for Use; and

(b) no modification, alteration, or addition has been made to the Software by persons under the control of Licensee (except pursuant to the authorized Use of the Software specified in **Schedule A**) except as authorized in writing by SCPDC; and

(c) Licensee has not requested modifications, alterations or additions to the Software that cause it to deviate from the Documentation.

Further, SCPDC warrants that it possesses all of the right, title, interest and authority to enter into this Agreement with Licensee. SCPDC also warrants that no lawsuit or claim concerning the Software is currently pending. Any pre-production versions of the Software distributed to Licensee are delivered "as-is," without any express or implied warranties. No employee, agent, representative or affiliate of SCPDC has authority to bind SCPDC to any oral representations or warranty concerning the Software. Any written representation or warranty not expressly contained in this Agreement will not be enforceable.

7.2 DISCLAIMER. EXCEPT AS SET FORTH ABOVE, SCPDC MAKES NO WARRANTIES, WHETHER EXPRESS, IMPLIED, OR STATUTORY REGARDING OR RELATING TO THE SOFTWARE OR THE DOCUMENTATION, OR ANY MATERIALS OR SERVICES FURNISHED OR PROVIDED TO LICENSEE UNDER THIS AGREEMENT, INCLUDING MAINTENANCE AND SUPPORT. SCPDC SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT WITH RESPECT TO THE SOFTWARE, DOCUMENTATION AND SAID OTHER MATERIALS AND SERVICES, AND WITH RESPECT TO THE FOREGOING. IN ADDITION, SCPDC DISCLAIMS ANY WARRANTY WITH RESPECT TO, AND WILL NOT BE LIABLE OR OTHERWISE RESPONSIBLE FOR, THE OPERATION OF THE SOFTWARE IF PROGRAMS ARE MADE THROUGH THE USE OF SOFTWARE OR NON-SCPDC SOFTWARE THAT CHANGE, OR ARE ABLE TO CHANGE, THE DATA MODEL OF THE SOFTWARE.

7.3 LIMITATION OF LIABILITY. IN NO EVENT WILL SCPDC BE LIABLE FOR ANY LOSS OF PROFITS, LOSS OF USE, BUSINESS INTERRUPTION, LOSS OF DATA, COST OF COVER OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND IN CONNECTION WITH OR ARISING OUT OF THE FURNISHING, PERFORMANCE OR USE OF THE SOFTWARE OR SERVICES PERFORMED HEREUNDER, WHETHER ALLEGED AS A BREACH OF CONTRACT OR TORTIOUS CONDUCT, INCLUDING NEGLIGENCE, EVEN IF SCPDC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN ADDITION, SCPDC WILL NOT BE LIABLE FOR ANY DAMAGES CAUSED BY DELAY IN DELIVERY OR FURNISHING THE SOFTWARE OR SAID SERVICES. SCPDC'S LIABILITY UNDER THIS AGREEMENT FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL AND/OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, RESTITUTION, WILL NOT, IN ANY EVENT, EXCEED THE LICENSE FEE PAID BY LICENSEE TO SCPDC UNDER THIS AGREEMENT.

7.4 ALLOCATION OF RISK. The provisions of this Section 7 allocate risks under this Agreement between Licensee and SCPDC. SCPDC's pricing reflects this allocation of risks and limitation thereof in accordance with the provisions of this Agreement and not liability.

8. INDEMNIFICATION

8.1 INFRINGEMENT INDEMNITY. SCPDC warrants that the Software will not infringe upon any copyright, patent, trade secret or other intellectual property, proprietary, or ownership interest or legal rights of any third party. SCPDC shall, at its expense, hold harmless, indemnify, defend or settle any claim, action or allegation brought against Licensee, its officers, employees, and agents that the Software infringes any patent, copyright, trade secret or other proprietary right of any third party and shall pay any costs and damages awarded against Licensee in any such action including, but not limited to, attorneys' fees and costs, final judgments awarded or settlements entered in the action; provided that Licensee gives prompt written notice to SCPDC of any such claim, action or allegation of infringement and gives SCPDC the authority to proceed as contemplated herein. SCPDC will have the exclusive right to defend any such claim, action or allegation and make settlements thereof at its own discretion, and Licensee may not settle or compromise such claim, action or allegation, except with prior written consent of SCPDC. Licensee shall give such assistance and information as SCPDC may reasonably require to settle or oppose such claims. In the event any such infringement, claim, action or allegation is brought or threatened, SCPDC may, at its sole option and expense:

(a) procure for Licensee the right to continue Use of the Software or infringing part thereof; or

(b) modify or amend the Software or infringing part thereof, or replace the Software or infringing part thereof with other software having substantially the same or better capabilities; or

(c) if neither of the foregoing is commercially practicable, terminate this Agreement and repay to Licensee the License Fees and maintenance fees paid for the annual term during which this Agreement is terminated.

SCPDC's obligation to indemnify under this section shall continue following whichever of these options is selected, including the option to terminate.

8.2 LIMITATION. The foregoing obligations shall not apply to the extent the infringement arises as a result of unauthorized modifications to the Software made by Licensee.

8.3 EXCLUSIVE REMEDY. The foregoing states the entire liability of SCPDC and Licensee's exclusive remedy with respect to infringement of any patent, copyright, trade secret or other proprietary right.

8.4 HOLD HARMLESS. SCPDC agrees to protect, defend, indemnify and hold Licensee, its officers, employees and agents free and harmless from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees or other expenses or liabilities of every kind and character arising out of or relating to any and all claims, liens, demands, obligations, actions, proceedings or causes of action of every kind and character in connection with or arising directly or indirectly out of the error, omission, recklessness, negligent act or willful misconduct of the SCPDC. Without limiting the generality of the foregoing, any and all such claims, etc., relating to personal injury or of any other tangible or intangible personal or administrative order, rule or regulation, or decree of any court, shall be included in the indemnity hereunder. SCPDC further agrees to investigate, handle, respond to, provide defense for and defend any such claims, etc., at its sole expense and agrees to bear all other costs and expenses related thereto, even if such claim is groundless, false or fraudulent.

9. CONFIDENTIALITY

9.1 CONFIDENTIAL INFORMATION. To the extent permitted by law, each party agrees that it shall use Confidential Information solely in accordance with the provisions of this Agreement and will not disclose, or permit to be disclosed, the same, directly or indirectly, to any third party without the other party's prior written consent. To the extent permitted by law, each party agrees to exercise due care in protecting the Confidential Information from unauthorized use and disclosure. However, neither party bears any responsibility for safeguarding information that: (i) is publicly available, subject to public records request pursuant to applicable state statutes; (ii) already in the other party's possession and not subject to a confidentiality obligation; (iii) obtained by the other party from third parties without restrictions on disclosure; (iv) independently developed by the other party without reference to Confidential Information; or (v) required to be disclosed by order of a court or other governmental entity. Nothing herein shall prevent routine discussions by the parties that normally take place in a "user group" context.

9.2 INJUNCTIVE RELIEF. In the event of actual or threatened breach of the provisions of Section 9.1 and 9.3, the non-breaching party may pursue its legal and equitable remedies.

9.3 LICENSEE DATA. In its performance of Contract Services, SCPDC may have access to certain records, data, or information that include the names, addresses, telephone numbers, or other confidential or private information pertaining to Licensee's customers ("Licensee Data").

SCPDC acknowledges and agrees that it does not have nor does it claim any ownership interest whatsoever in Licensee Data and that custody and title and all other rights and interests in Licensee Data are and shall remain in Licensee.

9.4 RETURN OF LICENSEE DATA. To the extent permitted by law, in the event of the termination or nonrenewal of this agreement, SCPDC warrants that Licensee's Data and any information stored by SCPDC as a result of Licensee use of the SCPDC Software will be delivered to Licensee.

9.5 PUBLIC RECORDS. SCPDC acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. SCPDC shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. SCPDC shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, SCPDC agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event SCPDC fails to abide by the provisions of Chapter 119, Florida Statutes, the Licensee may, without prejudice to any other right or remedy and after giving seven (7) days written notice, during which period SCPDC still fails to allow access to such documents, terminate this Agreement.

IF LICENSOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

10. TERM AND TERMINATION

10.1 TERM. This Agreement will take effect on the Effective Date and will remain in force for a period of two (2) years following Final Acceptance ("Initial Term"). The contract will automatically renew for 12-month periods following the end of the Initial Term and following each subsequent annual term thereafter unless terminated in accordance with this Agreement.

10.2 TERMINATION. This Agreement may be terminated by:

(a) By Licensee. Should there be discovered a serious defect or flaw in the SCPDC software that prevents the Licensee from using the system to support Licensee's operations in

issuance of permits, Licensee shall notify SCPDC of the issue. SCPDC will have 45 days to resolve the issue. If the issue cannot be resolved within the time period, the contract will terminate on the 1st of the following month. Upon providing sixty (60) days written notice to SCPDC, Licensee may terminate the Agreement for convenience. In the event of termination by Licensee, SCPDC shall be paid for services provided through the date of termination but shall not be entitled to any other recovery against Licensee, including, but not limited to, damages or any anticipated profit on portions of work not performed.

(b) By SCPDC. Upon written notice to Licensee if any of the following events ("Termination Event") occur, provided that no such termination will entitle Licensee to a refund of any portion of the License Fee or maintenance fees: (i) Licensee fails to pay any undisputed amount due to SCPDC within thirty (30) days after SCPDC gives the Licensee written notice of such non-payment; (ii) Licensee is in material breach of any non-monetary term, condition or provision of Agreement, which breach, if capable of being cured, is not cured within thirty (30) days after SCPDC gives Licensee written notice of such breach; or (iii) Licensee becomes subject to any bankruptcy or insolvency proceeding under federal or state statutes; or (iv) SCPDC elects to refund Licensee's fees.

10.3 EFFECT OF TERMINATION. If any Termination Event occurs, termination will become effective immediately or on the date set forth in the written notice of termination. Termination of this Agreement will not affect the provisions regarding Licensee's or SCPDC's treatment of Confidential Information, provisions relating to the payment of amounts due, or provisions limiting or disclaiming SCPDC's liability, which provisions will survive termination of this Agreement. Within fourteen (14) days after the date of termination or discontinuance of this Agreement for any reason whatsoever, Licensee shall return any copies of the SCPDC Software, derivative works and all copies thereof, in whole or in part, all related Documentation and all copies thereof, and any other Confidential Information in its possession. Upon termination of this Agreement, Licensee shall cause the SCPDC Software to be removed from all computer units, including desktops and laptops, in the Licensee's office and from the computer units of third party contractors performing work for Licensee. Licensee shall furnish SCPDC with a certificate signed by an executive officer of Licensee verifying that the same has been done.

11. NON-ASSIGNMENT. Neither party may assign or otherwise transfer this Agreement nor any rights under this Agreement, in whole or in part, whether voluntary or by operation of law, including by way of sale of assets, merger or consolidation, without the prior written consent of the other party, which consent will not be unreasonably withheld or delayed. Subject to the foregoing, this Agreement will be binding upon and will inure to the benefit of the parties and their respective successors and assigns.

12. NOTICES. Any notice required or permitted under the terms of this Agreement or required by law must be in writing and must be (a) delivered in person, (b) sent by first class certified mail, or air mail, as appropriate, (c) sent by overnight air courier, or (d) by facsimile, in each case properly posted to the appropriate address set forth below. Either party may change its address for notice by notice to the other party given in accordance with this Section. Notices will be considered to have been given at the time of actual delivery in person, three (3) business days

after deposited in the mail as set forth above, one (1) day after delivery to an overnight air courier service, or one (1) day after the moment of transmission by facsimile.

Address: 5058 West Main St. Houma, LA 70360	Address: 221 Palafox Place, Suite 420 Pensacola, FL 32502

13. MISCELLANEOUS

13.1 VIRUSES AND DISABLING DEVICES. Neither SCPDC Software nor any enhancements, modifications, upgrades, updates, revisions or releases thereof shall contain: (i) any mechanism such as a "trap door," "time bomb," or "logic bomb," software protection routine or other similar device, that would enable SCPDC to disable the Software or make the Software inaccessible to Licensee after the Software is installed; or (ii) to the best of SCPDC's knowledge, any computer "virus," "worm," or similar programming routine.

13.2 FORCE MAJEURE. Neither party will incur any liability to the other party on account of any loss or damage resulting from any delay or failure to perform all or any part of this Agreement if such delay or failure is caused, in whole or in part, by events, occurrences, or causes beyond the control and without negligence of the parties. Such events, occurrences, or causes will include, without limitation, acts of God, strikes, lockouts, riots, acts of war, earthquakes, fire and explosions, but the inability to meet financial obligations is expressly excluded.

13.3 WAIVER. Any waiver of the provisions of this Agreement or of a party's rights or remedies under this Agreement must be in writing to be effective. Failure, neglect, or delay by a party to enforce the provisions of this Agreement or its rights or remedies at any time, will not be construed and will not be deemed to be a waiver of such party's rights under this Agreement and will not in any way affect the validity of the whole or any part of this Agreement or prejudice such party's right to take subsequent action. Except as expressly stated in this Agreement, no exercise or enforcement by either party of any right or remedy under this Agreement will preclude the enforcement by such party of any other right or remedy under this Agreement or that such party is entitled by law to enforce.

13.4 SEVERABILITY. If any term, condition, or provision in this Agreement is found to be invalid, unlawful or unenforceable to any extent, the parties shall endeavor in good faith to agree to such amendments that will preserve, as far as possible, the intentions expressed in this Agreement. If the parties fail to agree on such an amendment, such invalid term, condition or provision will be severed from the remaining terms, conditions and provisions, which will continue to be valid and enforceable to the fullest extent permitted by law.

13.5 STANDARD TERMS OF LICENSEE. No terms, provisions or conditions of any purchase order, acknowledgment or other business form that Licensee may use in connection with the acquisition or licensing of the Software use will have any effect on the rights, duties or

obligations of the parties under, or otherwise modify, this Agreement, regardless of any failure of SCPDC to object to such terms, provisions or conditions.

13.6 AMENDMENTS TO THIS AGREEMENT. This Agreement may not be amended except by a writing signed by both parties.

13.7 PRIOR CONSENT. Unless expressly provided otherwise in this Agreement, any prior consent of a party that is required before the other party may take an action may be granted or withheld in such party's sole and absolute discretion.

13.8 EXPORT OF SOFTWARE. Licensee may not export or re-export the SCPDC Software without the prior written consent of SCPDC and without the appropriate United States and foreign government licenses.

13.9 HEADINGS. Section and Schedule headings are for ease of reference only and do not form part of this Agreement.

13.10 ENTIRE AGREEMENT. This Agreement (including the Schedules) contains the entire agreement of the parties with respect to the subject matter of this Agreement and supersedes all previous communications, representations, understandings and agreements, either oral or written, between the parties with respect to said subject matter.

IN WITNESS WHEREOF, the parties have executed this Agreement.

SCHEDULE A
SCPDC SOFTWARE LICENSE AND SERVICE AGREEMENT

SOFTWARE USE AND LICENSE FEE

A. SOFTWARE USE

SCPDC'S *MyGovernmentOnline* Software Modules available for subscription under this agreement are: Permits and Licensing (*MyPermitNow*), Planning & Zoning, Solution Center (Complaint Management), Addressing / GIS Integration. Each of these modules is a separate chargeable option. All modules include unlimited user accounts, field work order system, project and document management features, and unlimited reporting services.

B. LICENSE FEE

Due to the Licensee's anticipated high permit volume and need for multiple modules the following is a custom quote for Licensee's specific needs. The monthly billing rate per module will commence upon the software modules starting production use or "go live" date.

Module	Monthly Rate
Permits & Licensing (*MyPermitNow*)	$4,583.33
Planning & Zoning	$1,616.66
Solution Center (Complaint Management)	$603.33
Addressing / GIS Integration	$230.00

Other Fees:

On-Site Vists: Reimbursement of lodging, transportation and meals as defined in section 5.4.

SCPDC will invoice Licensee at the beginning of each month.

SCHEDULE B
SCPDC SOFTWARE LICENSE AND SERVICE AGREEMENT

EQUIPMENT SITE, USER NAME, AND PERSONAL ACCESS PASSWORD

1. At the execution of this Agreement, SCPDC shall provide a USER CREATION form to the Licensee to be used for account creation requests. Upon completion of the forms, the Licensee will return the forms via email to SCPDC and accounts shall be created in the system with information provided on the forms. Users can change the provided password after their first login to the Software. SCPDC shall maintain the confidentiality of the user name and personal access password of every Licensee official, employee, agent and contractor who has duties relating to the processing of Licensee permits and shall not release any such information to the public. Additional personal user names and personal access passwords shall be provided upon a submission of a User Creation form to SCPDC providing the user name and confirmation that the user is an official, employee, agent, or contractor of Licensee is supplied to SCPDC, which will become an addendum to this schedule.

2. The individuals holding the following positions are authorized by Licensee to submit requests to SCPDC for: (1) the creation of new user names and passwords for Licensee officials, employees, agents, and contractors; and (2) for the deactivation of existing user names and passwords: System Administrator, Project Manager. SCPDC shall immediately comply with requests to create and deactivate user names and passwords. Licensee may change the names of the individuals authorized to submit requests by providing notice in accordance with Section 12 of this Agreement.

SCHEDULE C
SCPDC SOFTWARE LICENSE AND SERVICE AGREEMENT

MAINTENANCE AND SUPPORT

1. DEFINITIONS

1.1 "SUPPORT CALL (TIER 1)" means a reported problem in the SCPDC Software which is not affecting the Software's ability to perform substantially in accordance with the user documentation but requires correction.

1.2 "SUPPORT CALL (TIER 2)" means a reported problem in the SCPDC Software, not considered as a Level I support problem as defined in 1.1 above, which causes serious disruption of a function or affects daily processing of permits.

1.3 "SUPPORT CALL (TIER 3)" means a reported problem in the SCPDC Software or a material functional component which causes the system to be down and not serving as designed, or has a significant revenue or operational impact, with no obvious work-around.

1.4 "RESPONSE TIME" means the elapsed time between the receipt of a service call and the time when SCPDC begins the Maintenance and Support, including a verbal or written confirmation to the Licensee thereof.

1.5 "RESPONSE CENTER AND CONTACT PROCEDURE" shall mean:

Address
5058 West Main Street
Houma, LA 70360

Hours of Operation
8:00 a.m. to 4:30 p.m. CST

Contact Information
Tel: 1 866 957 3764
Ryan Hutchinson,
Chief Technology Officer

E-mail: support@scpdc.org

1.6. "SYSTEM AVAILABILITY" amount of time over a one-year period that the Software and system resources are available for Licensee's use.

2. TERM AND TERMINATION. SCPDC's provision of Maintenance and Support to Licensee will commence on the Effective Date and will continue until the Agreement is terminated.

3. MAINTENANCE AND SUPPORT SERVICES. Maintenance and Support will be provided only with respect to use of the versions of the Software that are being supported by SCPDC. SCPDC will provide multi-site backup of Licensee Data. SCPDC will provide 24-hour emergency service support, after hours cell numbers are accessed through the IVR menu, for Licensee's staff and Licensee's customers by SCPDC's technical support personnel. SCPDC will

offer to Licensee new versions of *MyGovernmentOnline* Software as they become available. SCPDC will convert Licensee's current permit data for use with SCPDC Software. SCPDC will perform customization of SCPDC Software as set forth in the Contract Documents. SCPDC will provide features in the SCPDC Software as set forth in the Contract Documents. SCPDC will provide support for the storage of photos, building/permits documents, inspection reports, plan review files and associated miscellaneous records. Within the capabilities of the SCPDC Software, and upon Licensee's request, SCPDC will provide Licensee with customized reports as set forth in the Contract Documents. Licensee shall not create add-ons or feature changes to that version or disclose the source code to any third party.

SCPDC agrees to comply with Licensee's remote access policies, procedures, and guidelines. SCPDC shall ensure that its employees comply with all of Licensee's remote access policies, procedures, and guidelines.

3.1 LEVELS OF MAINTENANCE AND SUPPORT. During normal business hours, Licensee shall request support via the Response Center and Contract Procedures. After normal business hours, Licensee shall request support as provided in Section 3 above. SCPDC shall initially acknowledge receipt of a request for support within 15 minutes of SCPDC's receipt and shall contact Licensee within one hour of receipt. When contacting SCPDC, Licensee shall classify the problem based on the definitions set forth in Section 1 above. SCPDC shall not re-classify the problem without Licensee's prior approval. Maintenance and Support is available at the following Response Times:

(i) Support Call (Tier 3): Issue resolved within the response time of three (3) hours or an agreed upon due date and time; SCPDC shall provide a patch or work-around the next day, and the problem shall be fixed or documented in next major product release

(ii) Support Call (Tier 2): Issue resolved within the response time of six (6) hours; SCPDC shall provide a patch or work-around within five days, and the problem shall be fixed or documented in next major product release;

(iii) Support Call (Tier 1): Issue resolved within one (1) business day; and the problem documented and input for consideration in next major product release.

3.2 BASIC MAINTENANCE. Basic Maintenance means that SCPDC will provide during SCPDC's standard hours of service: (i) Major Updates and Minor Updates, when and if available, and related on-line Documentation; and (ii) telephone assistance with respect to the use of Software, including (a) clarification of functions and features of the Software, (b) clarification of the Documentation, (c) guidance in the use of the Software, and (d) error verification, analysis and correction to the extent possible by telephone. SCPDC's standard hours of service are Monday through Friday, 8:00 a.m. to 4:30 p.m., CST except for holidays as observed by SCPDC. SCPDC shall provide such software support and maintenance as may be necessary to maintain the Software in good operating condition and to meet the warranties set forth in the Agreement.

3.2.1 Unless otherwise agreed to by the parties, in addition to Major and Minor Updates, SCPDC shall make available to the Licensee all patches, upgrades, enhancements, new releases, new versions, and modifications developed by SCPDC for the Software at no additional cost. SCPDC shall ensure that all such Updates, patches, upgrades, enhancements, new releases, new versions, and modifications do not require modifications or reconfigurations to existing web presentation, workflows, or table values set up by Licensee. SCPDC shall provide release notes detailing Major changes.

3.2.2 At least thirty (30) days prior to release of Major Updates, SCPDC shall provide: (1) training for the use of the updated Software; and (2) relevant, customized user manuals and guides detailing the use of the updated Software.

3.2.3 Licensee shall request maintenance and support via the Response Center and Contact Procedure. All other notices required under this **Schedule C** shall be made pursuant to Section 12 of the Agreement.

3.2.4 The requirements set forth in Sections 3.2.1 and 3.2.2 shall not apply to emergency fixes and patches.

3.3 ON-SITE ASSISTANCE. When agreed to by Licensee and SCPDC, SCPDC can provide Maintenance and Support at the Licensee Site. In such event Licensee will reimburse licensor for all reimbursable traveling expenses and costs for board, lodging and meals as set forth in Section 5.4 of the Agreement. Licensee's prior written approval of any on-site support or maintenance and estimated travel expenses is required.

3.4 CAUSES WHICH ARE NOT ATTRIBUTABLE TO SCPDC. Maintenance and Support will not include services requested as a result of, or with respect to causes which are not attributable to SCPDC Software. These services will be billed to Licensee at SCPDC's then-current rates, and SCPDC shall not perform any such services except with Licensee's prior written approval. Causes which are not attributable to SCPDC include but are not limited to:

3.4.1 Unusual physical, electrical or electromagnetic stress; neglect; misuse; failure or fluctuation of electric power, air conditioning or humidity control; failure of rotation media not furnished by SCPDC; excessive heating; fire and smoke damage; operation of the Software with other media and hardware, software or telecommunication interfaces not meeting or not maintained in accordance with the manufacturer's specifications; or causes other than ordinary use;

3.4.2 Improper use of the Software that deviates from any operating procedures established by SCPDC in the applicable Documentation;

3.4.3 Modification, alteration or addition or attempted modification, alteration or addition of the Software undertaken by persons other than SCPDC or SCPDC's authorized representatives, except for modification, alteration or addition or attempted modification, alteration or addition of the Software made by Licensee pursuant to procedures received from

SCPDC for rectification of errors or malfunctions in the Software, said modifications authorized by SCPDC shall be in writing; and

3.5.4 Software programs developed by Licensee or other parties.

4. RESPONSIBILITIES OF LICENSEE. SCPDC's provision of Maintenance and Support to Licensee is subject to the following:

4.1 When necessary to identify or address errors or malfunctions with the Software, Licensee shall provide SCPDC with access to Licensee's personnel and Equipment during normal business hours. This access must include the ability to remotely access the Equipment on which the Software is operating and to obtain the level of access necessary to support the Software. Remote access shall only be granted pursuant to Licensee's remote access policies, procedures, and guidelines. Remote access shall be limited to the equipment on which the Software operates and SCPDC shall not be granted access to Licensee's other equipment or networks.

4.2 Licensee shall document and promptly report all errors or malfunctions of the Software to SCPDC. Licensee shall take all steps necessary to carry out procedures for the rectification of errors or malfunctions within a reasonable time after such procedures have been received from SCPDC.

5. MAINTENANCE FEE. For Licensee the maintenance fees are waived for the Initial Term and all renewals. The License Fees cover all costs for maintenance and support for the Initial Term and all renewal terms of this Agreement.

6. ASSIGNMENT OF DUTIES. SCPDC may assign its duties of Maintenance and Support to a third party, provided that SCPDC will remain responsible for the actions of such third party. Any such assignment is subject to Licensee's prior written consent, which consent shall not be unreasonably withheld or delayed.

7. PROJECT ABANDONMENT. Should SCPDC abandon development and support of the Software and can no longer fulfill its contractual obligations pursuant to this Agreement, the last stable source code release of the Software will be licensed to Licensee under an open source license agreement such as for instance GNU. The specific open source license agreement would be chosen by SCPDC at such time.

8. LICENSEE DATA. SCPDC agrees that all data created by Licensee in the Software system belongs to Licensee and shall be subject to the terms and conditions set forth in the Agreement regarding Licensee Data.

New software for the Central Office Complex

MGO MY GovernmentOnline

CREATED BY GOVERNMENT FOR GOVERNMENT

Jurisdiction Software Suite that includes: Permits & Licensing, Solution Center, Planning & Zoning, Public Works, Community Development, Grant & Loans, GPS, Financial and GIS Software Integration and more!

Benefits

- Accela Land Management online was $255,000 last year, and it will increase by 3% December. My Government Online is $85,000 when the organization goes live.
- My Government Online was develop by a government agency in Louisiana over 10 years, which means that they understand the needs of other government agencies like the Escambia County Board of County Commissioners.
- There are no upfront costs. The billing begins when the organization goes live on the system, which takes about 6 – 8 months.
- My Government Online is hosted online. The affected departments have viewed a live system, and the performance is much better than they presently have with the existing system.

Zero Up-front Costs and Setup Fees

	Private Sector Software Typical Costs	MyGovernmentOnline (all modules)
Setup	$250,000+	**$0.00**
Maintenance	$20,000+	**$0.00**
Training	$30,000+	**$0.00**
Phone Support	$90+ per Hour	**$0.00**

** Graph values vary depending on jurisdiction size.
*** Cost estimate based on software packages of comparable features.

- One low, monthly fee covers all your needs even unlimited support.
- Monthly fee based on permit volume
- Technology fee to cover software cost

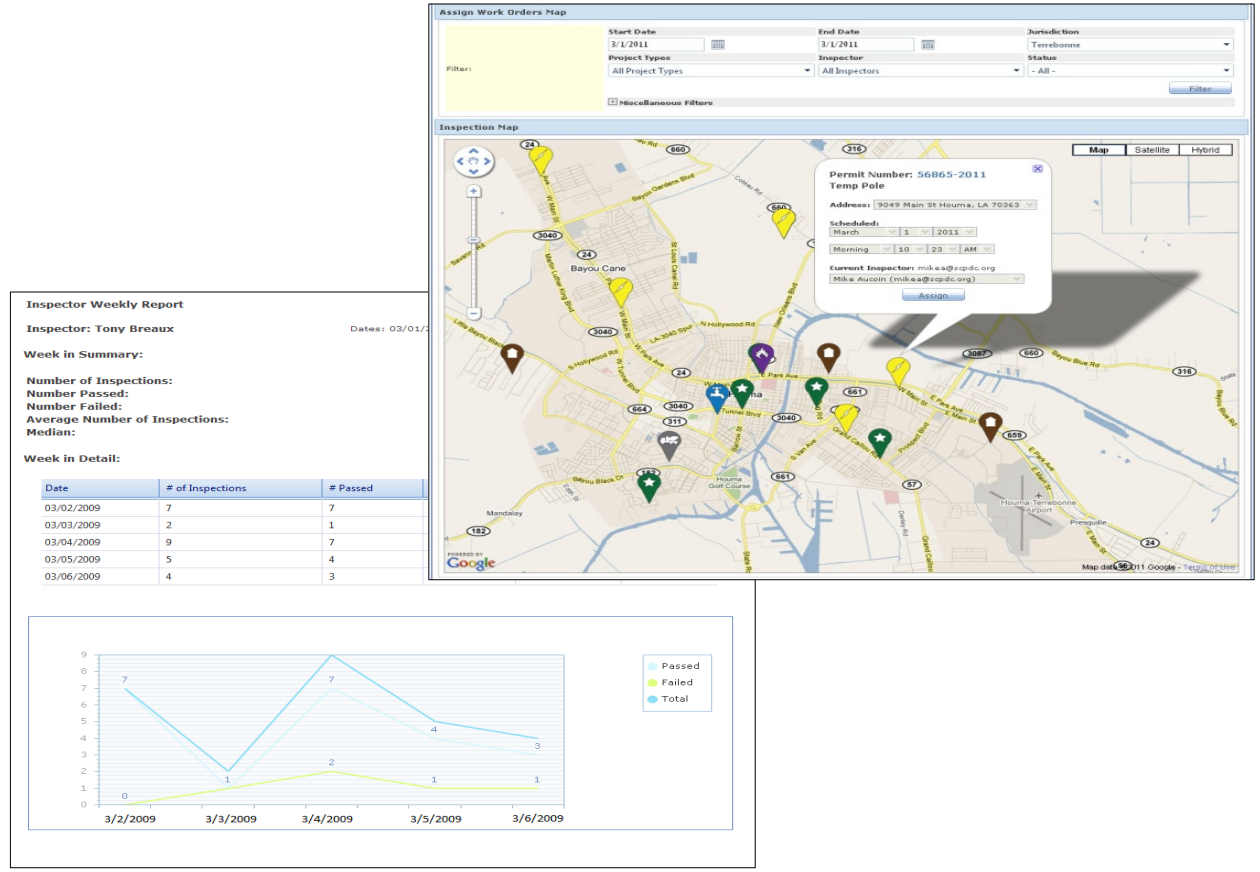
About Our Software

- Original Project leaders are still with the project.
- Software has been in use for over 10 years.
- Hundreds of implementations in 6 states.
- Created by Government for Government.

Award Winning Software

- 2010 International Economic Development Council Program Award
- 2015 and 2016 AWS “City on a Cloud” winners

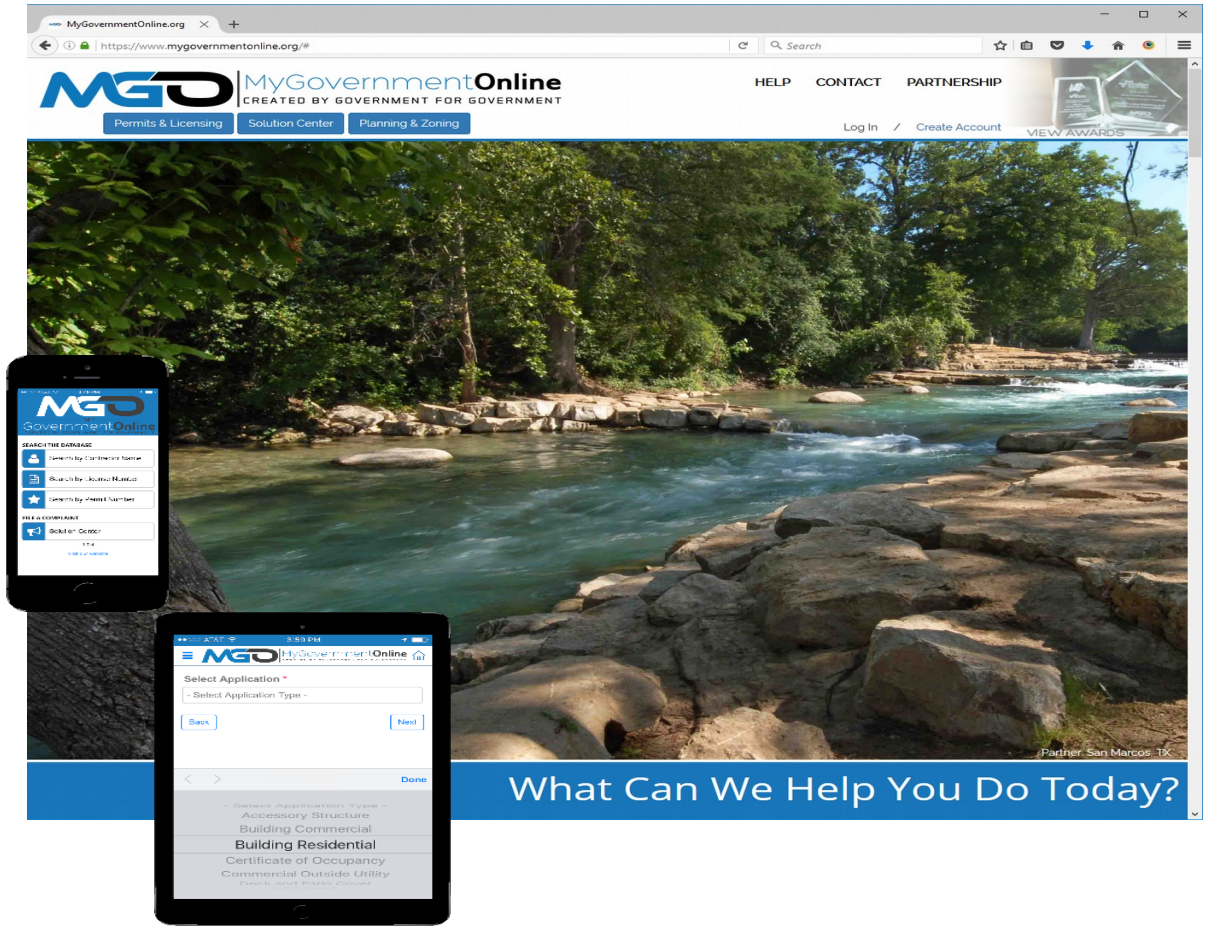
Proven Results



"The response from the building community to the administration has been overwhelmingly positive. They have been very vocal to the Administration that the automatic phone notifications and digital plan review is a huge time and money saver for them as they no longer have to "babysit" their job to find out results."

Carey Chauvin
East Baton Rouge
Assistant Chief Administrative Officer/Director of Development
225-389-3226

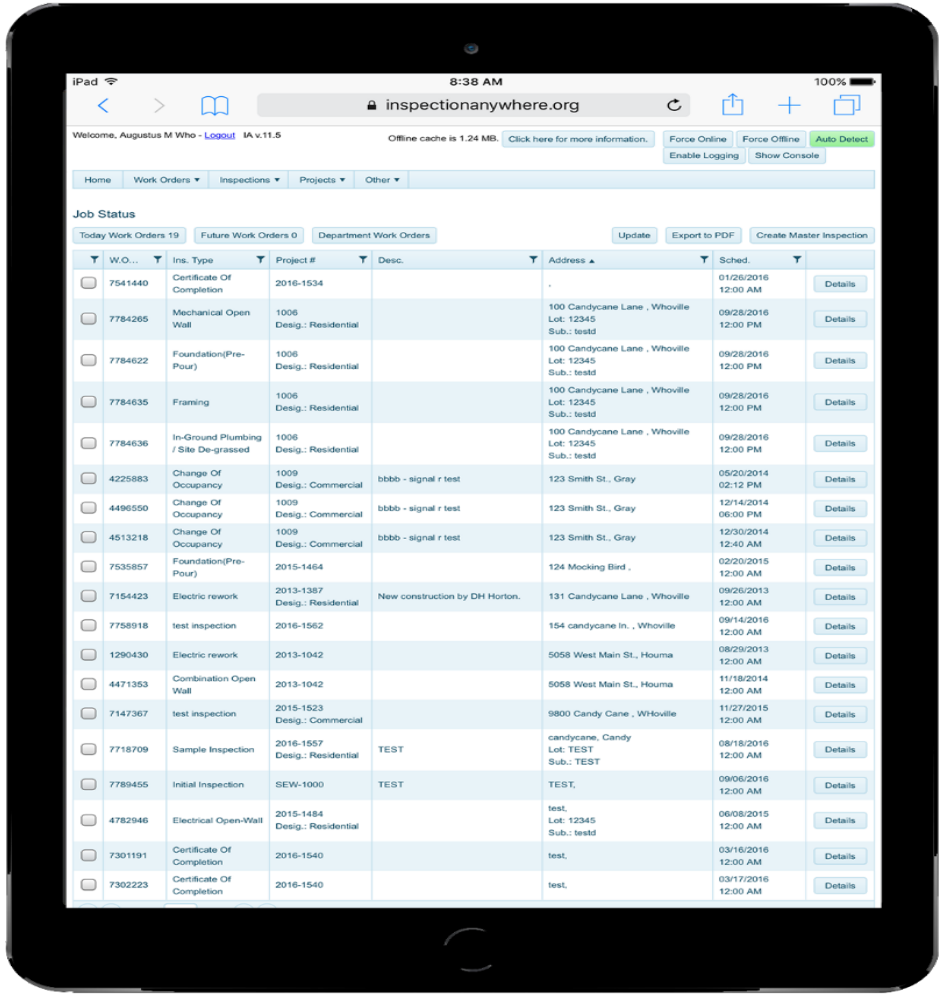
What are Builders and Residents Experiencing to have them Praise the System to Jurisdiction's Administrations?



- 24 Hour Customer Portal
- Mobile Work Orders / Inspections
- Digital Plan Review
- Automatic Phone Alerts
- Automated Work Flow
- Customized Reports
- Unlimited Support

MyGovernmentOnline
CREATED BY GOVERNMENT FOR GOVERNMENT

Customer Portal – Permits & Licensing



- Apply for Permits Online
- View status of “Check list” items needed to complete permit process in real time
- View Inspection Reports
- View original and revised plans
- One customer portal account allows you to manage permits, code enforcement issues, addressing and more across multiple jurisdictions!
- Historical data is stored online indefinitely
- All features are completely FREE
- There are no charges for any of the functionality of the

MyGovernmentOnline
CREATED BY GOVERNMENT FOR GOVERNMENT

Mobile Work Orders/Inspections

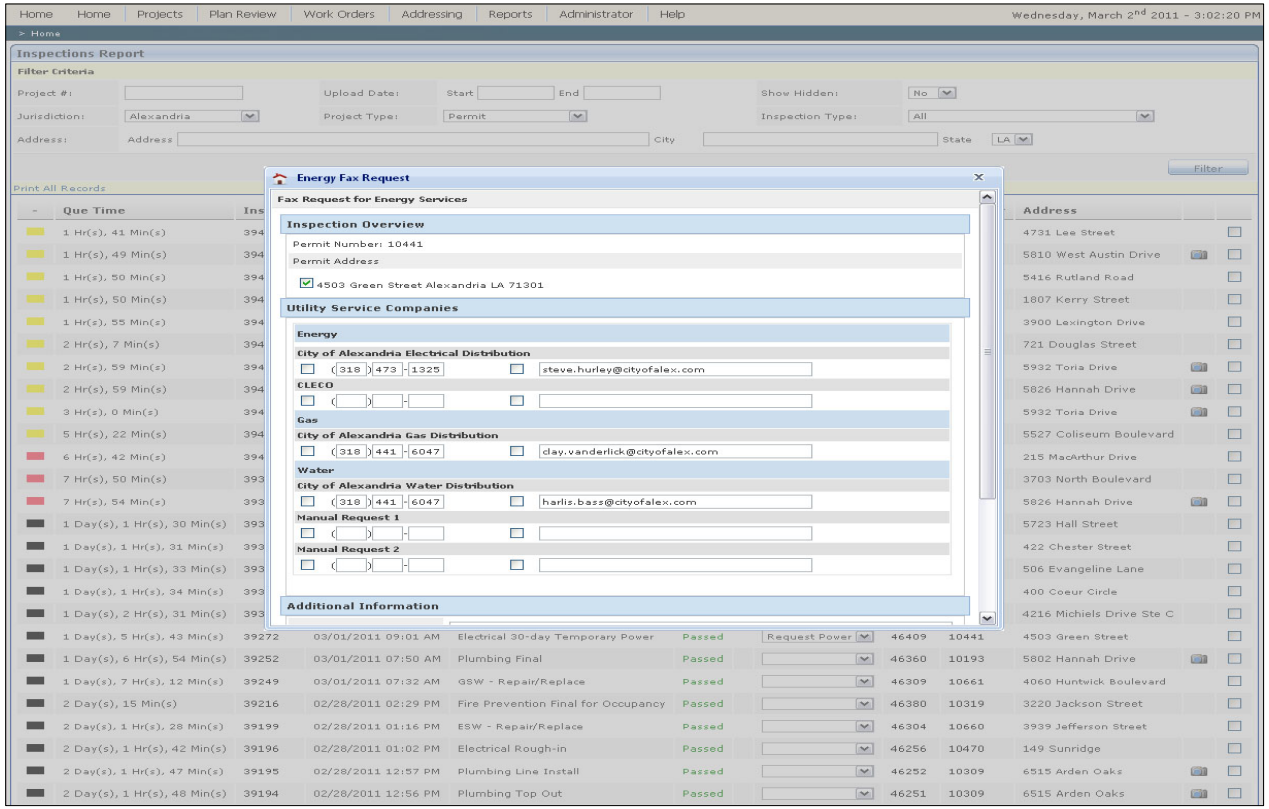
- Complete reports directly on the job site.
- Works without remote internet access.
- New work order alerts are sent in real time via text message and I.A. software.

Digital Plan Review

- Go green with our completely paperless plan review process to track all revisions.
- Allow multiple users and departments to review documents simultaneously.
- Drag and Drop code references and diagram schematics.

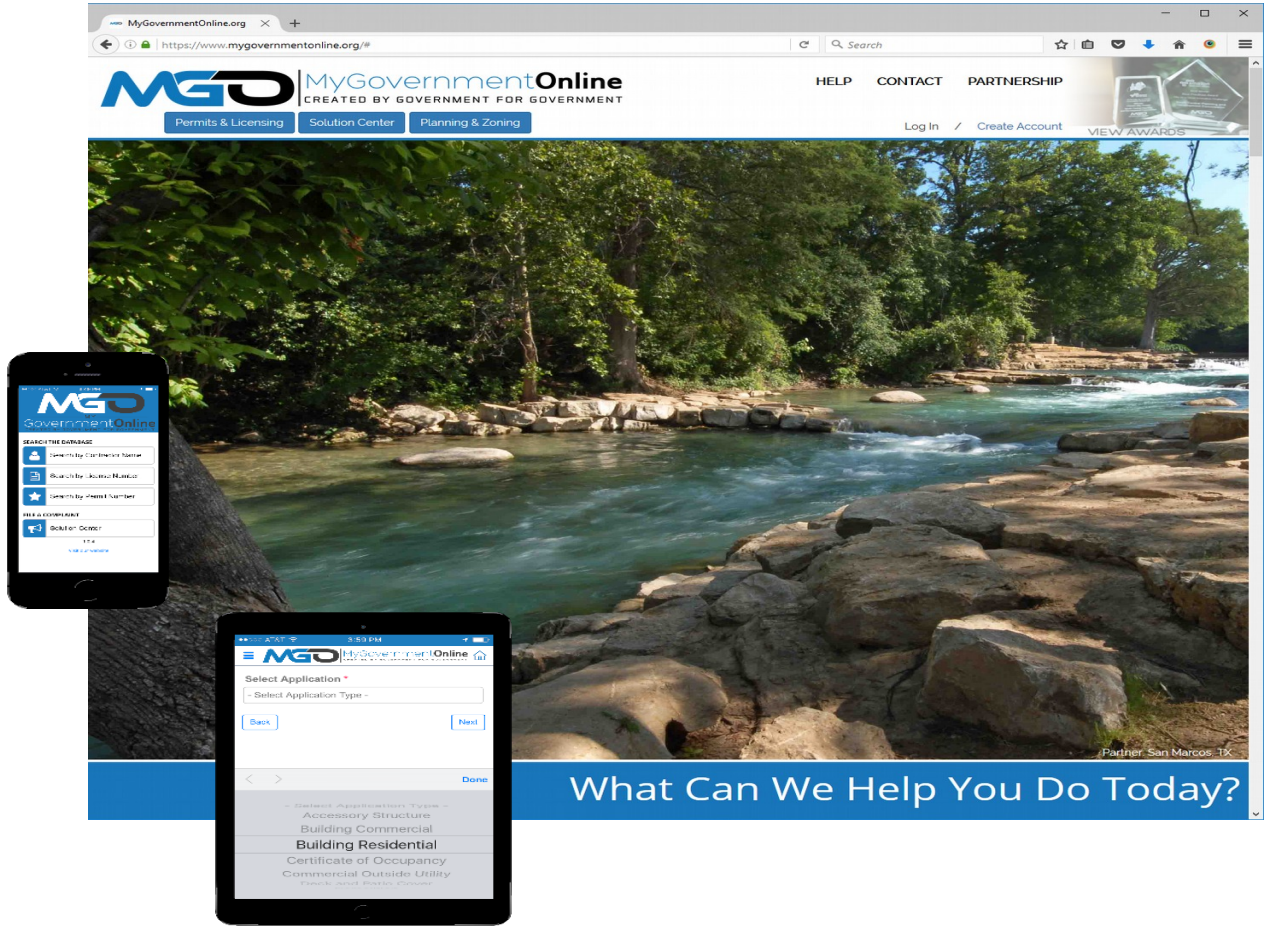
Ease of Use

"I really did not have any computers skills to speak of when I was hired and was very concerned to find out I would have to do plan review on a computer and not on paper. But after a few days I loved it and I never want to do a paper plan review again!"



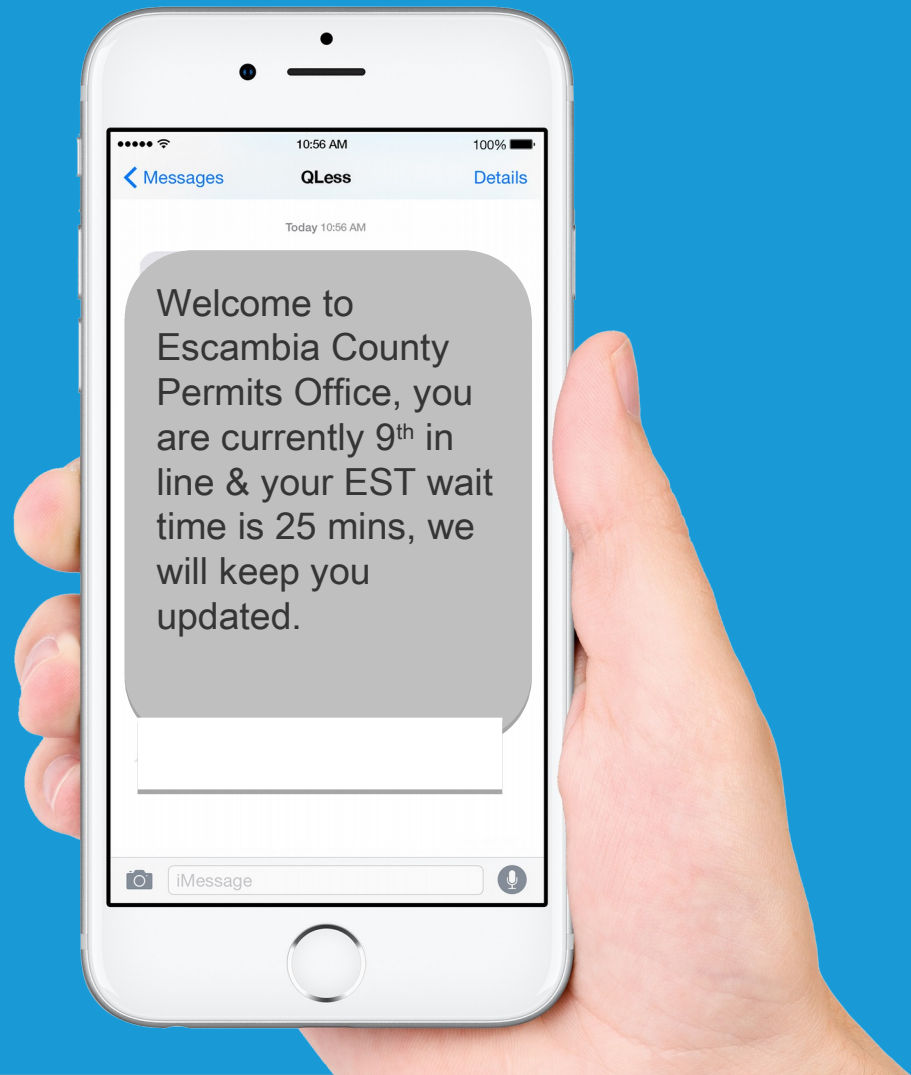
Carl Dupre

Plan Reviewer



Phone, Text and E-mail Alerts

- Our system automatically calls phone numbers provided by the customer and reads their inspection results in a human voice.
- Configure automatic alerts and report delivery through e-mail, fax and text messaging.



Customer Portal

- Submit Photos, Forms and Applications to a Jurisdiction from mobile or desktop devices.
- View real time work flow of a project.
- View work order results.
- View original and revised documents.
- One customer portal account allows user to manage all data across multiple jurisdictions!
- Historical data is stored online indefinitely.
- All features are completely FREE.

The Wait is Over

Benefits

- Better tracking of customers.
- It will provide better customer service and a better customer experience.
- Employee workload tracking
- Departmental continuity – departments are aware of each others customers and tracking
- Employee efficiency through scheduling

BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 12/08/2016
Issue: Purchase Order for Accela Land Records Management Platform Subscription and Hosting Fees
From: Donald R. Mayo, Building Official/Department Director
Organization: Building Services
CAO Approval:

RECOMMENDATION:
Recommendation Concerning a Purchase Order for Accela Subscriptions Services - Harry T. Gibson, CFM, Iterim Building Services Department Director / Building Official

That the Board approve and authorize a purchase order in the amount of $252,587.43 to Accela, Inc. for annual Accela Civic Platform subscription services, annual maintenance fees for Accela IVR, and annual hosting fees for Accela IVR for the County.

[Funding: Fund 001 General Fund, Cost Center 270102 Information Systems - $126,293.71, and Fund 406 Building Inspections Fund, Cost Center 250111 Building Inspections Administration - $126,293.72]

BACKGROUND:
Each year, the Building Services Department and the Budget Services Department, Information Technology Division, have shared equally in the cost of the annual Accela Land Records Management software maintenance fees for all users in Escambia County. On October 22, 2015, the Board approved to exchange these Accela products, which were on-premise self-hosted software, to Accela Subscription Services, which are Accela hosted and managed services. This agreement with Accela continues these annual subcription services to the Accela Civic Platform and Accela Citizen Access, annual maintenance fees for Accela IVR, and annual hosting fees for Accela IVR for the period of 12/23/2016 to 12/22/2017. County staff has carefully examined the Hosting Agreement and IVR Maintenance Agreement, and determined that it will be beneficial to Escambia County to renew these services for all users.

BUDGETARY IMPACT:
Funds are available in Fund 001 General Fund, Cost Center 270102 Information Systems, and Fund 406 Building Inspections Fund, Cost Center 250111 Building Inspections Administration.

LEGAL CONSIDERATIONS/SIGN-OFF:
N/A

PERSONNEL:
N/A

POLICY/REQUIREMENT FOR BOARD ACTION:
This recommendation is in compliance with the provision of the Code of Ordinances of Escambia County, Florida, Chapter 46, Article II, Division 3, Section 81, Purchasing and Contracts.

IMPLEMENTATION/COORDINATION:
No implementation required.

HOSTING AGREEMENT

1. Parties

ACCELA	CUSTOMER
Accela, Inc.	BCC, Escambia County, FL
2633 Camino Ramon, Suite 120	Steven Barry, Chairman
Bishop Ranch 3	
San Ramon, California 94583	_____
Attention: Contracts Administration	Attention: _____
T: 925.659.3200	T: _____
F: 925.407.2722	F: _____
e-Mail: contractsadmin@accela.com	e-Mail: _____

This Hosting Agreement ("HA") is intended for the exclusive benefit of the Parties; nothing herein will be construed to create any benefits, rights, or responsibilities in any other parties.

2. Term and Termination

2.1 Term Provided that Customer signs and returns this HA to Accela **no later than** _____, **201**____, this HA is effective as of the date of Customer's signature and will continue for a period of _____ (____) years. Customer may elect to continue these hosting services for an additional annual term by paying to Accela the fees associated with said additional term when these are due. Such fees will be calculated as the prior term's annual fees plus an increase of five percent (5%).

2.2 Termination Either party may terminate if the other party materially breaches this HA and, after receiving a written notice describing the circumstances of the default, fails to correct the breach within thirty (30) calendar days. Upon any termination or expiration of this HA, all rights granted to Customer are cancelled and revert to Accela.

3. Hosting Services

3.1 Scope of Hosting Services Accela will provide the hosting services described in this Section and in Exhibit A for the following software products ("Hosted Applications"):

- _____

3.2 System Administration and Security The Hosted Applications will be hosted by Accela on Accela-owned equipment at a physically-secure commercial third-party hosting facility. Accela will perform system administration duties as required to maintain the service levels described below and to facilitate timely restoration of Customer's data and operations, if necessary, following unanticipated interruptions of the Hosted Applications. Accela will implement suitable network security measures to minimize the likelihood of unanticipated interruptions of the Hosted Applications.

3.3 Infrastructure Availability Accela will endeavor to provide Customer with no less than twenty-four (24) hours' notice prior to live-production Hosted Applications unavailability due to planned maintenance (other than during Accela's standard maintenance window between the hours of 9:00 PM [21:00] Thursday and 1:00 AM [1:00] Friday Pacific time); Accela will endeavor to provide as much notice as is practicable under the circumstances for updates and fixes which much be applied on a more urgent basis. Accela will provide five (5) business days' notice prior to any planned network, server hardware, operating environment, or database modifications of a material nature. Excluding the foregoing events, Accela warrants that the Hosted Applications will be generally-available no less than ninety-nine point nine

percent (99.9%) of each calendar month. For each calendar month during which the availability of the Hosted Applications does not achieve the established standard, Accela will provide a credit to Customer's account as liquidated damages calculated pursuant to Subsection 3.5 below, provided that the substandard availability is identified by Customer in writing or by e-mail to Accela, can be objectively verified, and the Hosted Application is being used in live-production. Credits accumulated pursuant to this Section may be applied to additional Accela products and/or services, but will not be refunded to Customer.

3.4 Warranty Accela will commence and complete the obligations described in this HA in a good and workmanlike manner, consistent with the practices and standards of care generally-accepted within and expected of Accela's industry, to ensure that the operation and availability of the Hosted Applications does not materially differ from documented specifications. Accela may make repeated efforts within a reasonable time period to resolve operational issues. When an operational issue cannot be resolved, Customer's exclusive remedy will be damages in an amount equal to the total of hosting fees paid to Accela for the defective or non-conforming software products amongst the Hosted Applications during the twelve (12) calendar months immediately preceding the occurrence of the unresolved operational issue.

3.5 System Availability and Performance The performance requirements for the hosted system, excluding planned maintenance downtime, are set forth below. Uptime is calculated on a calendar month basis as U=O/(M-P)*100, where U is Uptime as used in the table below, O is the amount of operational uptime for the hosted system during a given calendar month, M is the number of minutes in said calendar month, and P is the number of minutes of planned downtime during said calendar month.

Uptime	Credit
Greater than or equal to 99.9%	None
Less than 99.9% but greater than or equal to 99.0%	15% of pro-rated monthly hosting fees
Less than 99.0% but greater than or equal to 95.0%	35% of pro-rated monthly hosting fees
Less than 95.0%	100% of pro-rated monthly hosting fees

4. Customer Property Customer warrants that it exclusively owns its data and that it has both the right and the authority to provide such data to Accela. Customer retains full ownership of its data and grants to Accela a limited, nonexclusive, nontransferable license to use said data only to perform Accela's obligations in accordance with the terms and conditions of this HA. Throughout the term of this HA, upon the request of Customer, Accela will provide Customer with:

(i) a copy of its data in an Oracle database dump file, not more than once per calendar quarter,
(ii) an APO property conversion upload, not more than twice per annual term, and
(iii) a Crystal Report placement, not more than ten (10) times per annual term.

Within thirty (30) calendar days following termination or expiration of this HA, Customer may request that Accela provide a complete copy of Customer's data, as such may be updated or modified by Customer's use of the Hosted Applications, to Customer in a machine-readable format. Accela will comply in a timely manner with such request, provided that Customer a) pays all costs of and associated with such copying, as calculated at Accela's then-current time-and-materials rates; and b) pays all unpaid amounts due to Accela. If Customer elects to transition to another hosting option, including self-hosting or hosting by third parties, Accela will assist Customer during such transition to ensure uninterrupted access to Customer's data and the Hosted Applications, provided that Customer pays all costs of and associated with such services, as calculated at then current hosting and/or time-and-materials rates, as applicable.

4. Compensation

4.1 Hosting Fee In exchange for the Hosting Services described hereinabove, Customer will pay to Accela a hosting fee of _____ ($_____). Said hosting fee is a fixed-price deliverable for which full payment is due upon signing.

4.2 Payment Terms Amounts are quoted in United States dollars and do not include applicable taxes, if any. Customer will be responsible for payment of all federal, state or provincial, and local taxes and duties, except those based on Accela's income. If Customer is exempt from certain taxes, Customer will provide Accela with an appropriate certificate of exemption. Customer will be invoiced for all amounts upon occurrence of the billing events described herein. The payment terms of all invoices are net thirty (30) calendar days from the dates of the invoices. Accela may, at its sole discretion, suspend its obligations hereunder without penalty until payments for all past-due billings have been paid in full by Customer.

5. Confidentiality

5.1 Definitions "Disclosing Party" and "Recipient" refer respectively to the party which discloses information and the party to which information is disclosed in a given exchange. Either Accela or Customer may be deemed Disclosing Party or Recipient depending on the circumstances of a particular communication or transfer of information. "Confidential Information" means all disclosed information relating in whole or in part to non-public data, proprietary data compilations, computer source codes, compiled or object codes, scripted programming statements, byte codes, or data codes, entity-relation or workflow diagrams, financial records or information, client records or information, organizational or personnel information, business plans, or works-in-progress, even where such works, when completed, would not necessarily comprise Confidential Information. The foregoing listing is not intended by the Parties to be comprehensive, and any information which Disclosing Party marks or otherwise designates as "Confidential" or "Proprietary" will be deemed and treated as Confidential Information. Information which qualifies as "Confidential Information" may be presented to Recipient in oral, written, graphic, and/or machine-readable formats. Regardless of presentation format, such information will be deemed and treated as Confidential Information. Notwithstanding, the following specific classes of information are not "Confidential Information" within the meaning of this Section:

a) information which is in Recipient's possession prior to disclosure by Disclosing Party;
b) information which is available to Recipient from a third party without violation of this HA or Disclosing Party's intellectual property rights;
c) information disclosed pursuant to Subsection 6.4 below;
d) information which is in the public domain at the time of disclosure by Disclosing Party, or which enters the public domain from a source other than Recipient after disclosure by Disclosing Party;
e) information which is subpoenaed by governmental or judicial authority; and
f) information subject to disclosure pursuant to a state's public records laws.

5.2 Confidentiality Term The obligations described in this Section commence on the Effective Date and will continue until two (2) years following any termination or expiration of this HA ("Confidentiality Term").

5.3 Confidentiality Obligations During the Confidentiality Term, Recipient will protect the confidentiality of Confidential Information using the same degree of care that it uses to protect its own information of similar importance, but will in any case use no less than a reasonable degree of care to protect Confidential Information. Recipient will not directly or indirectly disclose Confidential Information or any part thereof to any third party without Disclosing Party's advance express written authorization to do so. Recipient may disclose Confidential Information only to its employees or agents under its control and direction in the normal course of its business and only on a need-to-know basis. In responding to a request for

Confidential Information, Recipient will cooperate with Disclosing Party, in a timely fashion and in a manner not inconsistent with applicable laws, to protect the Confidential Information to the fullest extent possible.

5.4 Publicity During the term of this HA, including the term of any amendment hereto, Accela may publicly disclose its ongoing business relationship with Customer. Such disclosures may indicate Customer's identity and the Accela product(s) and services provided or contracted to be provided to Customer. These disclosures may include press releases or other communications to media, display on Accela web sites, or use in other marketing activities, but will not include non-public information or indicate Customer's express endorsement of Accela's products or services without Customer's prior written authorization.

6. Other Terms and Conditions

6.1 Limitation of Liability Accela provides no warranty whatsoever for any third-party hardware or software products. Third-party applications which utilize or rely upon the Application Services may be adversely affected by remedial or other actions performed pursuant to this HA; Accela bears no liability for and has no obligation to remedy such effects. Except as set forth herein, Accela provides all Hosting Services "as is" without express or implied warranty of any kind regarding the character, function, capabilities, or appropriateness of such services or deliverables. To the extent not offset by its insurance coverage and to the maximum extent permitted by applicable laws, in no event will Accela's cumulative liability for any general, incidental, special, compensatory, or punitive damages whatsoever suffered by Customer or any other person or entity exceed the fees paid to Accela by Customer during the twelve (12) calendar months immediately preceding the circumstances which give rise to such claim(s) of liability, even if Accela or its agents have been advised of the possibility of such damages.

6.2 Force Majeure If either party is delayed in its performance of any obligation under this HA due to causes or effects beyond its control, that party will give timely notice to the other party and will act in good faith to resume performance as soon as practicable.

6.3 Dispute Resolution This HA is governed by the laws of the State of California. Any controversy or claim arising out of or relating to this HA, or the breach thereof, will be settled by arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules, including the Emergency Interim Relief Procedures, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. The place of arbitration will be Santa Clara County, California. Either party may apply to the arbitrator for injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy under this HA, seek from any court having jurisdiction any interim or provisional relief that is necessary to protect the rights or property of that party, pending the arbitrator's determination of the merits of the controversy. Each party will initially bear its own expenses and an equal share of the costs of the arbitration, but the prevailing party may be awarded its expenses, reasonable attorneys' fees, and costs. The failure of either party to object to a breach of this HA will not prevent that party from thereafter objecting to that breach or any other breach of this HA.

6.4 Assignment Accela may assign its rights and obligations hereunder for purposes of financing or pursuant to corporate transactions involving the sale of all or substantially all of its stock or assets. Accela may subcontract with qualified third parties to provide portions of the Maintenance Services described hereinabove.

6.5 Survival The following provisions will survive the termination or expiration of this HA: Section 3.4, as to limitation of remedy; Section 5 and all subsections thereof, as to Customer's obligation to pay any fees accrued or due at the time of termination or expiration; Section 6 and all subsections thereof with the

exception of Subsection 6.4; and Section 7 and all subsections thereof with the exception of Subsection 7.2.

6.6 Alternate Terms Disclaimed The parties expressly disclaim any alternate terms and conditions accompanying drafts and/or purchase orders issued by Customer.

6.7 Severability and Amendment If any particular provision of this HA is determined to be invalid or unenforceable, that determination will not affect the other provisions of this HA, which will be construed in all respects as if the invalid or unenforceable provision were omitted. No extension, modification, or amendment of this HA will be effective unless it is described in writing and signed by the Parties.

BOARD OF COUNTY COMMISSIONERS SEAL ESCAMBIA CO., FL

EXHIBIT A
Hosting Services

Accela will provide hosting at a SSAE-16 Tier III or higher facility as defined by the Uptime Institute, Inc. Per the hosting datacenter's disclosure policies, Accela will provide, where allowable, a copy of the datacenter's annual SSAE-16 Type 2 audit report. Accela will provide a backup hosting site with equivalent status for disaster recovery should a major catastrophic outage occur.

The hosting facility will be constructed and configured to ensure reasonable and adequate protection of the equipment in the event of a natural event considered possible for the physical location, including but not limited to earthquake, flood, hurricane, tornado, etc.

The hosting facility must have power sufficient to support the equipment platform as configured; this includes provisions for back-up power supplies. The facility will include:

- Dual power availability to each rack unit from independent Power Distribution Units (PDUs) removes PDU loss as a single point of failure
- N+1 redundancy of uninterruptible power supplies
- Redundant fuel-based generator power supplies, in the event of a power failure from commercial power

The hosting facility will have reasonable and adequate heating and cooling to insure continuous operation of equipment within acceptable operational limits. The hosting facility shall include but not be limited to the following features:

- N+1 redundancy of cooling towers, water pumps and chillers
- Multiple air handling units providing an additional level of redundancy
- Cooling units maintain consistent environment temperature and relative humidity levels
- Rack cabinet fans to circulate warm air generated by the servers

The hosting facility will have physical security to control unauthorized access to the equipment, including but not limited to:

- 24/7 on-site security guard
- Indoor and outdoor security monitoring
- Badge/picture ID access screening
- Biometric access screening
- Escort requirements for access to raised floor areas
- Logged entries for all users entering or leaving the premises

The proposed solution shall operate with an Oracle database backend.

The hosting facility will have data line capacity to ensure responsive access to the proposed data system by Accela employees, jurisdictions and customers.

Accela shall provide the equipment, hardware and network infrastructure necessary to operate and sustain all contracted software on behalf of customer and to provide the necessary development, test, production, and training environments.

The hosting facility will provide secure encrypted transmission of personal data to include, but not limited to, personal name and address, SSN, credit card, banking, and payment data, passwords, and any other data subject to Federal or California State data privacy protection laws, and provide protection that meets or exceeds any such statutory requirements. Secure Socket Layer (SSL) encryption will be utilized to meet this requirement.

Accela will be responsible for the data communication infrastructure that connects the data servers to the communication network (switches, etc.)

Accela will maintain any service agreements for the equipment and operating systems, and maintain the equipment in optimal working order.

Accela shall provide a PCI compliant infrastructure for deployment within the proposed data center. Accela's applications have been developed to comply with all 12 requirements of PCI Data Security Standard, including:

- The use of a firewall within the proposed infrastructure to protect cardholder data provided via both Accela Automation and Accela Citizen Access (public portal)
- The use of strong passwords and password policies to ensure password protection and delineates and enforces role-based security to ensure that only authorized users and administrators can access sensitive data
- The use of secured sessions to prevent any unauthorized access to sensitive cardholder data
- The use of encryption per PCI and PABP standards whenever cardholder data is transmitted across open, public networks
- Adherence to all applicable industry standards for the development of secure systems and the Accela applications that operate within these systems
- The assignment of unique User IDs and Passwords for each user granted access to the system
- The provision of full audit trail tracking to track and monitor all access to network resources and cardholder data

Accela will provide operational services to support the infrastructure and operating environment.

Accela shall provide the equipment, hardware and network infrastructure necessary to operate and sustain all contracted software and to provide the necessary, test, production and staging environments.

Accela shall provide a business continuation strategy that can be implemented in the event of catastrophic failure at the Accela's primary site; such a strategy will provide that the Accela backup site will be live and functional within 24 hours.

Accela shall ensure there are no covert channels to access the system and must take precautions to protect the system and data from Trojan invasion.

Accela contracts for extended warranty services. In the event that warranty services are required, Accela shall provide staff support sufficient to complete all necessary service and maintenance to the hardware and software platform for the duration of a Vendor-site support agreement.

Accela shall perform daily backups of the data using Oracle RMAN-based, compressed backup sets. . The images that constitute the functional system will have snapshots taken weekly and stored to the fully redundant storage

system. Accela's backup strategies and fully redundant DR site ensure that a complete system rebuild of data will not be necessary.

Accela will meet measurable standards for expected and reasonable system availability (up-time) as established elsewhere in this Hosting Attachment. The system must generally be available seven days a week, twenty-four hours per day. Scheduled down time is acceptable. Unplanned down time between 6:00 am and 8:00 pm Pacific time must be to resolve production emergencies only, limited to no more than 43 minutes and occur no more than one time per month. In no event will any proposed standard be less than a commercially reasonable standard.

The Accela system implementation shall provide functional equivalents of the following environments; hardware and software requirements must include provisions to support these environments:

- Support – An environment available to customers to develop and test new configurations or changes to existing configurations prior to implementation in production.
- Staging – An environment available to customers to test new Accela Automation application releases against their production configuration. New application code will be deployed to the Staging environment within one week of becoming Generally Available (GA) from Engineering. New application code will be deployed to the Support and Production environments one month after being deployed to Staging for Major releases and two weeks for Minor releases (Service Packs).
- Production – The environment used by customers, jurisdiction staff, central administrative staff, and analysts/programmers to submit, track and manage live transactions and associated data.

Accela will provide the customer with a full database export on a quarterly basis. The customer has the option to request a more frequent export if desired, but will not exceed one per calendar week. Data exports will be posted to the Accela FTP site within 72 hours of the request.

Accela will respond to requests for production or support/staging environment report posting within 72 hours of the request. Reports will be reviewed for system performance and data integrity before posting. If issues are found they will be documented and communicated back to the customer for correction. In the event that a report request is urgent, Accela will expedite this process to an extent that is reasonable for the request.

To provide the Hosting Services, Accela shall provide, host, manage and maintain the System as follows:

A. Management, Support and Maintenance of Hardware.

1. Accela will provide, manage and maintain operating systems on all System environment hardware. This will involve application of any necessary patches or updates and upgrades as necessary. Accela will provide a mirrored backup of the system.

2. Accela will provide, manage and maintain, for the System, the physical hardware, racks, and switches. This will involve any physical fix as needed, updates or refreshes as necessary.

B. Capacity Planning and Monitoring

Accela will be responsible for monitoring capacity and performing capacity planning to ensure the System environment has sufficient capacity to meet the service level agreements agreed upon in this Agreement.

C. Asset Management

Asset Management services provide inventory and tracking of equipment and the management of vendor-provided maintenance agreements.

Accela will perform the following tasks:

- Manage third party vendor contracts for equipment used in support of this Agreement (rental agreements, leases, service agreements, warranties, amendments, maintenance contracts, and insurance policies)

- Provide hardware and software at the appropriate hardware and software levels to comply with vendor maintenance contracts.
- Provide an asset tracking tool to maintain a database of asset information such as make, model, operating system, number of CPUs, amount of memory, and amount of storage

D. Facilities Services

Accela will provide a PCI compliant facility.

E. Monitoring Server and OS

1. Monitoring Server and OS service detects and responds to up/down availability faults generated by monitored servers.
2. Accela will perform the following:
   - Provide the operational support processes required for up/down monitoring
   - Document and track all detected problems using the site problem management process
   - Escalate all detected problems to the appropriate support personnel

F. Operations Management

1. Operations Management are those activities requiring physical hands-on support. Accela shall provide skilled staff to support all operational support services at an Accela data center facility.
2. Accela will perform the following:
   - Perform systems operation functions such as power on/off and start/stop/reset device intervention
   - Monitor vendors on the Accela premise performing work maintenance or problem resolution work
   - Maintain responsibility for procuring any expendable supplies (CDs, tapes, cleaning supplies, and so forth)

G. Operating System Management

1. Accela shall provide proper functionality of hosting software on servers. Support is provided for operating systems and related software products. Included are all ongoing processes to maintain supplier-supported operating platforms including preventive software maintenance services.
2. Accela will perform the following:
   - Install and maintain system-level software, such as operating system and other system-level products software requiring user access
   - Monitor system software status and take necessary action to resolve any issues
   - Perform operation system software tuning as required to maintain daily operations for Accela-provided services
   - Install preventive maintenance patches deemed critical by the vendor to support system software products to prevent known problems from impacting the operating environment
   - Install patches per vendor instructions for security exposures deemed critical by the vendor
   - Participate in the identification of connectivity and associated network problems
   - Plan and implement necessary changes for the System
   - Document and track all configuration management changes using the site change management process
   - Provide problem escalation and interact as necessary with third-party suppliers

H. System/File Backup and Restore

1. System/File Backup and Restore Services provide the operational and management processes to backup and restore operating system and flat-file data.
2. Accela will perform the following:
   - Design and implement the backup Plan
   - Perform backups

- Provide for data restores as needed if Agency causes the need for a data restoration, Agency will be responsible for the cost of the data restore at the hourly service rate in the Contract.
- Monitor backup processes and verification of successful completion
- Adjust backup and restore plans as new components are added to the System

I. Server Storage Management

1. Server Storage Management provides for the support of server direct-attached storage environment.
2. Accela will perform to following:
   - Integrate the storage hardware and software to provide the appropriate level of capacity, scalability, and performance of the server storage hardware and software
   - Manage hardware and software maintenance requirements based on the manufacturer's recommended schedule
   - Implement security practices, such as logical unit masking, preventing unauthorized storage access from an unauthorized server
   - Maintain proper storage configuration(s) (mapping logical volumes, creating file systems, balancing I/O capacity)

J. Server Management Services

Accela will provide server management services.

K. Hardware Management

Accela will provide Hardware Management. Hardware management provides the services necessary to enable compute equipment to be physically installed, maintained, and kept operational.

L. Controlled Server Access

Accela will provide Controlled Server Access. Controlled server access provides the tools and processes to manage access to assets. This includes the management of user logon IDs and their access rights to system-level resources, as well as maintaining server-level security parameters and security product options.

M. Virus Protection

Accela will provide Virus Protection services. Server level anti-virus service provides anti-virus software on each server to provide protection and detection of viruses, worms, and other malicious code. The anti-virus software can be updated with current virus signatures and detection engines automatically or by file distribution software. This service also provides the means to scan the server at the system level to detect malicious code.

N. Security Event Logging

Accela will provide Security Event Logging. Security Event Logging is a detective control that enables the recording of security events on system hosts based on preset parameters. The administrative tool's logging function is enabled and the security events are retained in a record for future review.

O. Vulnerability Scan and Report

Accela will provide Vulnerability management. Vulnerability management includes preventive and detective services to identify vulnerabilities as they emerge; to prevent those vulnerabilities from affecting the in-scope systems; to detect when an in-scope system has been affected; and to cure those affected systems. Vulnerability management includes both Vulnerability Alert management and Vulnerability Scanning processes. Vulnerability Alert management is the preventive process that collects known vulnerabilities and prioritizes vulnerabilities based on associated risk. Vulnerability Scanning is the detective process of identifying potential vulnerabilities on servers for exposures to such vulnerabilities.

P. Managed Cluster

Accela will provide Managed Cluster Management. Managed Cluster Management provides processes to deliver server/storage configurations clustered together in the same physical site. This is delivered through the use of hardware configuration and software to meet availability requirements.

Q. Host Based Intrusion Detection

Accela will provide Host Based Intrusion Detection. Host Based Intrusion Detection is the real-time identification, detection, and notification of suspected unauthorized intrusions on individual servers.

R. Secondary Mirrored Site Management

Accela will provide mirrored secondary site allows for replication of the primary site in the event of a natural disaster rendering the primary data center inoperable. Accela will provide skilled staff to support all operational support services. These services include support processes necessary to provide a secondary mirrored site.

S. Data Recovery

Accela will provide multiple ways to recover data:

- Use of Oracle's flashback technology at either the query or table level
- Mounting of the latest snapshot as a cloned database to retrieve data
- Use of the logical export to restore the data to a new database to export it.
- Use of RMAN to perform a point-in-time recovery of the data files and archive logs to an isolated cloned instance

Use of RMAN to perform a point-in-time recovery of the database proper Switchover/Failover to the DR site in case of a severe primary site outage.

e-Mail: contractsadmin@accela.com	e-Mail: gsgarret@myescambia.com

2. Effective Date This Amendment to the Consulting Services Agreement between Accela, Inc. and Escambia County, dated December 5, 2006, ("Agreement") is effective as of December 22, 2015 ("Effective Date").

3. Deliverables and Compensation

3.1 Customer has opted to exchange certain Accela software products from on-premise self-hosted software licenses to Accela Subscription Services. The Accela Subscription Services as more fully described in the Subscription Order Form, Terms and Conditions, attached hereto as Attachment A and incorporated into the Agreement, supersede the prior license and maintenance terms as to Accela Automation® Land Management, Accela Automation Licensing™, Accela Wireless/Mobile Office™, Accela GIS™, and Accela Citizen Access™ ("Subscription Service Products").

3.2 Customer's tenth-term annual maintenance obligations for the Subscription Service Products will cease upon the Effective Date. Maintenance obligations for Accela IVR™ shall remain in full force and effect as more fully described in the Maintenance Agreement, attached hereto as Attachment B and incorporated into the Agreement.

3.3 Managed Services (Hosting) for Accela IVR, as more fully described in the Hosting Agreement, attached hereto as Attachment C and incorporated into the Agreement, shall commence as of the Effective Date.

3.4 The Subscription Services, IVR Maintenance, and IVR Hosting services shall continue for five (5) years. The associated fees for the five year period are summarized as follows:

Deliverables	Quantity	Fees
Accela Civic Platform – Subscription Services	100	$214,920.00
Accela Citizen Access – Subscription Services	Pop. 253,894	$7,616.82
Tenth-Term Annual Maintenance Fees for Accela IVR (12/22/15 – 12/21/16)	1	$9,999.00
Annual Hosting Fees for Accela IVR (12/22/15 – 12/21/16)	1	$12,694.70
	Total of Fees	**$245,230.52**

Fees are fixed price deliverables and due upon the Effective Date. Payment terms are net 45. During the extended five year term, annual fees shall not increase by more than three percent (3%) over the previous year's fees.

Not Agenda Backup
12/8/2015 K. Lovell

4. Terms and Conditions

4.1. Customer may elect to continue its Subscription Services, Maintenance Services and Hosting Services for additional annual terms by paying to Accela the fees associated with such terms as defined in Attachments A, B, and C, respectively.

4.2. Unless specifically amended, modified, or supplemented by this document, all terms and conditions of prior written agreements between the parties shall remain unchanged and in full force and effect. The parties expressly disclaim any alternate terms and conditions accompanying drafts and/or purchase orders issued by Customer.

4.3. If any particular provision of this document is determined to be invalid or unenforceable, that determination shall not affect the other provisions which shall be construed in all respects as if the invalid or unenforceable provision were omitted.

Approved as to form and legal sufficiency.

COUNTY ADMINISTRATOR'S REPORT – Continued

II. BUDGET/FINANCE CONSENT AGENDA – Continued

2. Recommendation: That the Board take the following action concerning the Florida Department of Health, Bureau of Emergency Medical Oversight, Emergency Medical Services (EMS) County Grant Application for the Fiscal Year 2016/2017, in the amount of $39,635.68 (Funding: Fund 110, Other Grants and Projects, Revenue Account 334221, Cost Center 330318):

   A. Adopt, and authorize the Chairman to sign, the Resolution *(R2016-159)* certifying that the monies received from the State of Florida EMS Trust Fund, as the Escambia County Emergency Medical Services Award, shall be used to improve and expand the County prehospital EMS system and shall not be used to supplant existing EMS budget allocations in any manner; and

   B. Approve, and authorize the Chairman to sign, the EMS Grant Application and Request for Grant Fund Distribution.

   Approved 5-0

3. Recommendation: That the Board approve, and authorize the issuance of, a Purchase Order, in the amount of $252,587.43, to Accela, Inc., for annual Accela Civic Platform subscription services, annual maintenance fees for Accela IVR, and annual hosting fees for Accela IVR for the County (Funding: Fund 001, General Fund, Cost Center 270102, Information Systems - $126,293.71, and Fund 406, Building Inspections Fund, Cost Center 250111, Building Inspections Administration - $126,293.72).

   Approved 5-0

4. Recommendation: That the Board take the following action concerning the Chemical Water Treatment Contract, PD 13-14.013 (Funding: Fund 001, General Fund, Cost Center 310203, Object Code 54601 and Fund 113, Library Fund, Cost Center 110502, Object Code 54601):

   A. Approve the first 12-month Contract extension, effective February 19, 2017, to Triple Point Industries, LLC; and

   B. Authorize the Chairman to sign all related documents.

   Approved 5-0

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12086 **County Administrator's Report 12. 16.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/25/2017
Issue: Memorandum of Agreement with The University of Florida Economic and Life Cycle Evaluation of Municipal Solid Waste Management in Escambia County
From: Pat Johnson, Department Director
Organization: Waste Services
CAO Approval:

RECOMMENDATION:

Recommendation Concerning a Memorandum of Agreement with The University of Florida for Economic and Life Cycle Evaluation of Municipal Solid Waste Management in Escambia County and Assessment of Alternative Solid Waste Approaches to Increase Recycling Rates - Patrick T. Johnson, Waste Services Department Director

That the Board approve and authorize the County Administrator to sign a Memorandum of Agreement between Escambia County and The University of Florida Board of Trustees for Economic and Life Cycle Evaluation of Municipal Solid Waste Management in Escambia County and Assessment of Alternative Solid Waste Approaches to Increase Recycling Rates.

[Funding: Fund 401, Solid Waste Fund, Cost Center 230304; Object Code 53101]

BACKGROUND:

The University of Florida's Department of Environmental Engineering Sciences (UF) proposes to assist Escambia County's Waste Services Department by conducting research on the BCC's current municipal solid waste (MSW) management program. UF is presently conducting a large research project (funded by the Hinkley Center for Solid and Hazardous Waste Management) titled Florida Solid Waste Management: State of the State. This larger project aims to conduct an economic and environmental assessment of available waste management strategies. As a result solid waste policy /decision makers will have a tool to use during decision making related to future solid waste management options. A more detailed description of this study can be found at the project website: http://www.essie.ufl.edu/home/townsend/research/florida-solid-waste-issues/hc16/.

The proposed Agreement between UF and the BCC will leverage the larger project and specifically examine alternative waste strategies for Escambia County. Deliverables from

this project will provide information and data which could be used to evaluate the feasibility of waste management strategies in Escambia County to potentially increase the county's recycling rate.

BUDGETARY IMPACT:

Funding for this project is available in Fund 401, Solid Waste Fund, Cost Center 230304, Object Code 53101.

LEGAL CONSIDERATIONS/SIGN-OFF:

Assistant County Attorney, Kristin Hual has reviewed the Agreement for form and legal sufficiency.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Board approval is required for all agreements with Escambia County.

IMPLEMENTATION/COORDINATION:

Waste Services Department will provide a copy of the agreement to the project coordinator for the University of Florida.

UF Agreement Exhibits A&B

MEMORANDUM OF AGREEMENT

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "the County"), whose address is 221 Palafox Place, Pensacola, Florida 32502, and The University of Florida Board of Trustees, whose address is P.O. Box 115500, Gainesville, Florida 32611, and whose FEI/EIN Number is 59-6002052 (hereinafter referred to as "UF").

WITNESSETH:

WHEREAS, the University of Florida, by and through its Department of Environmental Engineering Sciences, is currently conducting a research project funded by the Hinkley Center for Solid Waste and Hazardous Management titled *Florida Solid Waste Management: State of the State*; and

WHEREAS, the project entails conducting an economic assessment of the available strategies and technologies for solid waste management in the State of Florida along with an evaluation of the environmental footprint of these approaches by compiling a statewide database of solid waste material flow and waste commodity prices; and

WHEREAS, the research will attempt to identify new solid waste management strategies that, if implemented, may increase the statewide recycling rate to 75%; and

WHEREAS, as part of this project, UF has proposed conducting research specific to Escambia County's existing municipal solid waste (MSW) management program in order to examine alternative strategies of interest to the County; and

WHEREAS, the County desires to enter into an agreement with UF in order to participate in the research project as provided herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and UF agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Scope of Services. UF agrees to perform the scope of services outlined in **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement shall prevail.

3. Contract Amount. In exchange for the provision of the Scope of Services referenced above, County shall pay UF in accordance with the project Budget, attached hereto as **Exhibit B**, in an amount not to exceed seventeen thousand six hundred and four dollars ($17,604.00) inclusive of any reimbursable travel expenses. UF agrees any reimbursable travel expense requests in excess of the amount provided in **Exhibit B** shall be pre-approved by the County Administrator. UF further agrees all reimbursable travel expense requests shall comply and be used in accordance with Chapter 112, Florida Statutes. County reserves the right to audit UF's records regarding reimbursable travel expenses upon reasonable notice.

4. Method of Payment. Upon completing the scope of services, UF may request payment from the County by submitting a properly executed invoice reflecting the number of hours expended and the amount due and owing for fees with appropriate supporting documentation. The invoice shall be submitted to:

Patrick T. Johnson, Director
Escambia County Waste Services Department
221 Palafox Place
Pensacola, FL 32502

Upon receipt and approval of the invoice, payment shall be made to the University of Florida and remitted to the following address:

University of Florida
CFO- Contracts and Grants
PO Box 113001
Gainesville, FL 32611

The County agrees it shall make its best efforts to pay UF within thirty (30) days of receipt and approval of the invoice. Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

5. Contract Time. UF shall commence performance of the scope of services on May 15, 2017. No work shall be performed prior to the commencement of the term. Any work performed prior to the commencement of the term shall be at the sole risk of UF, and the County shall not be obligated to compensate UF for such services. The scope of services shall be completed on or before August 15, 2017.

6. Termination.

6.1 Termination for Convenience. Either Party may terminate this Agreement for convenience upon thirty (30) days written notification to the other. In the event of termination, UF will be reimbursed for all costs incurred and any non-cancelable obligations properly incurred through the date of termination.

6.2 Termination for Cause. Either Party may terminate this Agreement in the event of failure of the other Party to fulfill any of its obligations under this Agreement. Prior to termination, the terminating Party shall provide to the other Party written notification regarding the reason(s) for termination. If the parties cannot reach an agreement within fourteen (14) calendar days from notice of termination on the corrective measures to be taken and the schedule for corrective action, the terminating Party may terminate this agreement by providing an additional fourteen (14) calendar days written notice to the other. Said notice shall specify the effective time and date of termination.

7. Conflict of Interest. UF agrees it shall not contract for or accept employment for the performance of any work or service with any individual, business corporation, or government unit that would create a conflict of interest in the performance of its obligations under this Agreement. UF further agrees it will neither take any action nor engage in any conduct that would cause any County employee or official to violate the provisions of Chapter 112, Florida

Statutes, relating to ethics in government. UF also agrees to comply with the County's ordinance prohibiting conflicts of interest among retained consultants.

8. Indemnification. The Parties hereto, their respective officials, officers, and employees shall not be deemed to assume any liability for the acts, omissions, or negligence of the other party. Each Party to this Agreement shall be fully liable for the negligent acts and omissions of its respective employees and agents in the performance of this Agreement to the extent permitted by law. Nothing herein is intended to serve as a waiver of sovereign immunity by either Party beyond the waiver provided by §768.28, Florida Statutes, and nothing herein shall be construed as consent to be sued by third parties in any matter arising out of this Agreement.

9. Insurance. The State of Florida is self-insured. As a state university, UF participates in the State Risk Management Trust Fund for General Liability and Workers Compensation Coverage with said protection being applicable to officers, employees, servants, and agents while acting within the scope of their employment. Under this program, UF shall, provide and maintain: General Liability coverage of $200,000 each person and $300,000 each occurrence; Worker's Compensation coverage of $200,000 each person and $300,000 each occurrence; Fleet Automobile Liability coverage of $200,000/person, $300,000/occurrence and $10,000 personal injury and occurrence.

10. Independent Contractor Status. In the performance of this Agreement hereunder, UF is an independent contractor. UF shall not hold itself out as an employee, agent or servant of the County; and UF shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

11. Non-Use of Names. Neither party may use each other's name or trademarks in any promotion, statement, advertisement, press release or communications to the general public or any third party without each other's express written consent. Any proposed public statement, advertisement, press release or communications by either party shall be submitted to the other party for its review and written approval at least thirty (30) days prior to the planned dissemination or publication, unless otherwise required. However, nothing shall prohibit either party from complying with §1004.22(2), Florida Statutes, regarding sponsored research activities.

12. Notice. Any notice or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: University of Florida	To: Escambia County
Attention: Brian Prindle	Attention: County Administrator
P.O. Box 115500	221 Palafox Place
Gainesville, Florida 32611	Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Either party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

13. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

14. Force Majeure. Except as otherwise provided herein, neither party shall be obligated to perform, and neither party shall be deemed to be in default of its performance, if prevented by: (a) fire, earthquake, hurricane, wind, flood, act of God, riot, or civil commotion or (b) any law, ordinance, rule, regulation, or order of any public or military authority stemming from the existence of economic or energy controls, hostilities, war, terrorism or governmental law and regulation, or (c) labor dispute which results in a strike or work stoppage affecting the performance under this Agreement.

15. Public Records. UF acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. UF shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. UF shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, UF agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event UF fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after providing seven days written notice, during which period UF still fails to allow access to such documents, terminate the contract. In such case, UF shall not be entitled to receive any further payment.

IF UF HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO UF'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

16. Assumption of Risk. Each party assumes any and all risks of personal injury and property damage attributable to the negligent acts or omissions of that party and its officers, employees, servants, and agents thereof while acting within the scope of their employment. UF warrants and represents that it is self-funded for liability insurance, both public and property, with said protection being applicable to officers, employees, servants, and agents while acting within the scope of their employment by UF. County and UF further agree that nothing contained herein shall be construed or interpreted as (1) denying to either Party any remedy or defense available to such party under the laws of the State of Florida; (2) the consent of the State of Florida or its agents and agencies to be sued; or (3) a waiver of sovereign immunity of the State of Florida beyond the waiver provided in Section 768.28, Florida Statutes.

17. Compliance with Laws. UF agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement.

18. Audit. The County may inspect the books, procedures, and records of UF at any time to monitor compliance with this Agreement. Any such audit shall be at County's sole expense.

19. Equipment. Each party will be accountable for and keep title to all equipment it owns and utilizes under this Agreement.

20. Publication. Any research or research results generated in conjunction herewith shall be subject to unrestricted publication or dissemination provided that such publication or dissemination will not compromise patent rights or inadvertently divulge proprietary information of a party.

21. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by UF without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

22. Waiver. No failure or delay by a party hereto to insist on the strict performance of any term of this Agreement, or to exercise any right or remedy consequent to a breach thereof, shall constitute a waiver of any breach or any subsequent breach of such term. No waiver of any breach hereunder shall affect or alter the remaining terms of this Agreement, but each and every term of this Agreement shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

23. Counterparts. This Agreement may be executed in counterparts, each of which shall be considered an original, but which together shall constitute but one and the same Agreement.

24. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

25. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. UF acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

26. Authority. Each individual executing this Agreement on behalf of a corporate or governmental party represents and warrants that he/she is duly authorized to execute and deliver this Agreement on behalf of said party, in accordance with any duly adopted action of the governing board of said party, as may be applicable and in accordance with applicable law, and that this Agreement is binding upon said party in accordance with its terms.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature.

EXHIBIT A: SCOPE OF WORK & DELIVERABLES

PROJECT NAME: Economic and Life Cycle Evaluation of Municipal Solid Waste Management in Escambia County and Assessment of Alternative Solid Waste Approaches to Increase Recycling Rates

General Description and Project Objective

The University of Florida's Department of Environmental Engineering Sciences (UF) proposes to assist Escambia County's Waste Services Department by conducting research on their current municipal solid waste (MSW) management program. UF is presently conducting a research project (funded by the Hinkley Center for Solid and Hazardous Waste Management) titled *Florida Solid Waste Management: State of the State.* This project aims to assess the magnitude, disposition and costs associated with the State's solid waste management program. Specific objectives include examining alternative waste management strategies to increase statewide recycling rates and the corresponding economic and lifecycle costs resulted from such strategies. The research proposed here involves conducting an Escambia County-specific study, leveraging the existing Hinkley Center project, with the objective of examining several alternative strategies of interest to the County.

Scope of Services

The research will be conducted by a UF student under the supervision of a UF faculty member. The student will visit Escambia County as needed to collect data, tour facilities, and interview solid waste system experts; all other research will be conducted at the University campus. The UF team will present the results of the work at the end of the summer to County staff. The following specific tasks will be performed.

- Collect and summarize all available data regarding the amount and disposition of MSW in Escambia County.
- Collect and summarize all available data regarding the current costs associated with MSW management in Escambia County.
- Calculate the carbon footprint and energy balance associated with MSW management in Escambia County.
- Assess the impact of instituting alternative waste management strategies in Escambia County to increase recycling rates. A series of alternative strategies will be preliminarily identified and presented to the County, and based on County input, the impacts of several strategies will be investigated in detail. Impacts will include the amount of material recycled (and associated change in recycling rate), systems costs, carbon footprint, and energy balance.
- Prepare a technical memorandum summarizing the results and make a presentation to County Staff.

EXHIBIT B: BUDGET

PROJECT NAME: Economic and Life Cycle Evaluation of Municipal Solid Waste Management in Escambia County and Assessment of Alternative Solid Waste Approaches to Increase Recycling Rates

A budget of $17,604 will cover the 3-month student internship, faculty supervision, travel for site visits, and the University overhead rate.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12215 **County Administrator's Report 12. 17.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/25/2017
Issue: DEP Agreement No. RES02 for the Design and Permitting of the Bayou Chico Contaminated Sediment Removal Project
From: Chips Kirschenfeld, Director
Organization: Natural Resources
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Florida Department of Environmental Protection Agreement for the Design and Permitting of the Bayou Chico Contaminated Sediment Removal Project - J. Taylor "Chips" Kirschenfeld, Director, Department of Natural Resources Management

That the Board take the following action concerning the Florida Department of Environmental Protection (DEP) Agreement No. RES02 relating to a Gulf Coast Ecosystem Restoration Council Grant Award for the Bayou Chico Contaminated Sediment Removal Project:

A. Approve the DEP Agreement No. RES02, in the amount of $335,510, for design and permitting of the Bayou Chico Contaminated Sediment Removal Project; and

B. Authorize the Chairman to sign the Agreement and any future amendments relating to no-cost extensions, subject to Legal review and sign-off, without further action of the Board.

The County Attorney's Office has requested that the Board be made aware of the following language:
Paragraph 33, (page 18 of 19), last sentence, "Any action hereon or in connection herewith shall be brought in Leon County, Florida."

[Fund 118, Gulf Coast Restoration Fund, new cost center to be determined at time of SBA]
Note: There is no county match required under the Agreement.

BACKGROUND:

Bayou Chico has experienced severe environmental degradation due to historic impacts including domestic and industrial wastewater discharges, shipyard-related pollution, and long-term untreated stormwater runoff. This project will provide funding for design and permitting for the removal of legacy contaminated sediment that remains in the Bayou. Activities included in this project will be bathymetric surveying, sample collection and analysis, engineering design, and permitting.

BUDGETARY IMPACT:

Fund 118, Gulf Coast Restoration Fund, new cost center to be determined at time of SBA.

LEGAL CONSIDERATIONS/SIGN-OFF:

Kristin Hual, Assistant County Attorney, reviewed and provided legal sign-off on the DEP Agreement No. RES02.

PERSONNEL:

No additional impact on personnel associated with this recommendation.

POLICY/REQUIREMENT FOR BOARD ACTION:

Board Policy II.B.8.

IMPLEMENTATION/COORDINATION:

Department of Natural Resources Management staff will coordinate with FDEP and other entities to implement the terms of the Agreement.

DEP AGREEMENT NO. RES02

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
DIVISION OF WATER RESTORATION ASSISTANCE
DEEPWATER HORIZON PROGRAM
GRANT AGREEMENT
PURSUANT TO
GULF COAST ECOSYSTEM RESTORATION COUNCIL GRANT AWARD(S)

In July 2012, the Resources and Ecosystems Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast States Act, Public Law 112-141, codified at 33 United States Code 1321 (U.S.C.) (hereinafter referred to as the "RESTORE Act") established the Gulf Coast Ecosystem Restoration Council (hereinafter referred to as the "RESTORE Council") and made funds available for the restoration and protection of the Gulf Coast Region through a new trust fund in the Treasury of the United States known as the Gulf Coast Restoration Trust Fund (hereinafter referred to as the "Trust Fund"). The Trust Fund contains eighty percent (80%) of the administrative and civil penalties paid by the responsible parties after July 6, 2012, under the Federal Water Pollution Control Act in connection with the *Deepwater Horizon* oil spill. The RESTORE Act outlines a structure by which funds can be utilized to restore and protect the natural resources, ecosystems, fisheries, marine and wildlife habitats, beaches, coastal wetlands, and economy of the Gulf Coast region. The RESTORE Council administers a portion of the Trust Fund known as the Council-Selected Restoration Component.

THIS AGREEMENT is entered into pursuant to Section 215.971, Florida Statutes (F.S.), between the STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION, whose address is 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (hereinafter referred to as the "Department") and the ESCAMBIA COUNTY BOARD OF COUNTY COMMISSIONERS, whose address is 221 Palafox Place, Suite 420, Pensacola, Florida 32502 (hereinafter referred to as "Grantee"), a local government, to provide federal financial assistance for the Bayou Chico Contamination Sediment Removal – Planning, Design, and Permitting (Planning) project (hereinafter referred to as the "Project"). Collectively, the Department and the Grantee shall be referred to as "Parties" or individually as a "Party".

WHEREAS, pursuant to the RESTORE Act and as a RESTORE Council member, the State of Florida, through the Department, is the recipient of federal financial assistance from the RESTORE Council through federal Financial Assistance Award No. Federal Award ID Number GNTCP17FL0018 for the purposes of restoring and protecting the natural resources, ecosystems, fisheries, marine and wildlife habitats, beaches, coastal wetlands and economy of the Gulf Coast region using the best available science; and

WHEREAS, pursuant to clauses (i) and (ii) of 33 United States Code (U.S.C.) 1321(t)(1)(B), as listed on the RESTORE Council's approved Funded Priorities List, the Grantee is a subrecipient of RESTORE Act funds in order to implement one or more of the seven (7) objectives listed in the RESTORE Council's Comprehensive Plan: 1) Restore, Enhance and Protect Habitats, 2) Restore, Improve, and Protect Water Resources, 3) Protect and Restore Living Coastal and Marine Resources, 4) Restore and Enhance Natural Processes and Shorelines, 5) Promote Community Resilience, 6) Promote Natural Resource Stewardship and Environmental Education, and 7) Improve Science-Based Decision-Making Processes; and

WHEREAS, the Grantee is responsible for complying with the appropriate federal guidelines in performance of its activities pursuant to this Agreement.

NOW, THEREFORE, in consideration of the promises and the mutual benefits to be derived herefrom, the Department and the Grantee do hereby agree as follows:

1. TERMS OF AGREEMENT:

The Grantee does hereby agree to perform in accordance with the terms and conditions set forth in this Agreement, **Attachment A, Grant Work Plan**, and all attachments and exhibits named herein which are

attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Grantee" and "Recipient" are used interchangeably. The Grantee acknowledges that receipt of this grant does not imply nor guarantee that a federal, state or local permit will be issued for a particular activity. Further, the Grantee agrees to ensure that all necessary permits are obtained prior to implementation of any grant funded activity that may fall under applicable federal, state or local laws.

2. PERIOD OF AGREEMENT:

This Agreement shall begin upon execution by both Parties and shall remain in effect until November 30, 2019, inclusive. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement. This Agreement may be amended to provide for additional services if additional funding is made available by the RESTORE Council and/or the Florida Legislature.

3. FUNDING/CONSIDERATION/INVOICING:

A. As consideration for the satisfactory completion of services rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis up to a maximum of $335,510 for completion of the work described in **Attachment A**. The Parties hereto understand and agree that this Agreement does not require a match on the part of the Grantee. It is understood that any additional funds necessary for the completion of this Project are the responsibility of the Grantee.

B. Prior written approval from the Department's Grant Manager shall be required for changes to this Agreement.

i. A Change Order to this Agreement is required when task timelines within the current authorized Agreement period change, and/or when the cumulative transfer of funds between approved budget categories, as defined in **Attachment A**, are less than ten percent (10%) of the total budget as last approved by the Department. All Change Orders are subject to the mutual agreement of both Parties as evidenced in writing.

ii. A formal Amendment to this Agreement is required for changes which cause any of the following: an increase or decrease in the Agreement funding amount; a change in the expiration date of the Agreement; and/or changes to the cumulative amount of funding transfers between approved budget categories, as defined in **Attachment A**, exceeds or is expected to exceed ten percent (10%) of the total budget as last approved by the Department. All Amendments are subject to the mutual agreement of both Parties as evidenced in writing.

C. The Grantee shall be reimbursed on a cost reimbursement basis for all eligible Project costs upon the completion, submittal and approval of each deliverable identified in **Attachment A**, in accordance with the schedule therein. Reimbursement shall be requested utilizing **Attachment B, Payment Request Summary Form** in accordance with the schedule in **Attachment A**. To be eligible for reimbursement, costs must be in compliance with laws, rules and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: http://www.myfloridacfo.com/aadir/reference_guide/. All invoices for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. A final payment request should be submitted to the Department no later than thirty (30) calendar days following the completion date of the Agreement, to assure the availability of funds for payment. All work performed pursuant to **Attachment A** must be performed on or before the completion date of the Agreement, and the subsequent thirty-day period merely allows the Grantee to finalize invoices and backup documentation to support the final payment request.

D. The State Chief Financial Officer requires detailed supporting documentation of all costs under a cost reimbursement agreement. The Grantee shall comply with the minimum requirements set forth in **Attachment C, Contract Payment Requirements**. The Payment Request Summary Form shall be accompanied by supporting documentation and other requirements as follows for each deliverable. Reimbursement shall be limited to the following budget categories:

i. Contractual Services (Subcontractors) – Reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from the Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours/time spent on the Project. All multipliers used (i.e., fringe benefits, overhead, and/or general and administrative rates) shall be supported by audit. If the Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, the Grantee shall be required to reimburse such funds to the Department within thirty (30) days of written notification. Interest on the excessive charges shall be calculated based on the prevailing rate used by the State Board of Administration. Nonconsumable and/or nonexpendable personal property or equipment costing $1,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in, 2 CFR Part 200, Chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

For fixed price (vendor) subcontracts, the following provisions shall apply:

a. The Grantee may award, on a competitive basis, fixed price subcontracts to consultants/contractors in performing the work described in **Attachment A.** Invoices submitted to the Department for fixed price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (Invitation to Bid or Request for Proposals) resulting in the fixed price subcontract.

b. The Grantee may request approval from the Department to award a fixed price subcontract resulting from procurement methods other than those identified in the paragraph above. In this instance, the Grantee shall request the advance written approval from the Department's Grant Manager of the fixed price negotiated by the Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of the Department Grant Manager's approval of the fixed price amount, the Grantee may proceed in finalizing the fixed price subcontract.

c. All subcontracts are subject to the provisions of paragraph 12 and any other appropriate provisions of this Agreement which affect subcontracting activities.

E. In addition to the invoicing requirements contained in paragraphs 3.C. and D. above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within thirty (30) calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures; allowable costs and uniform administrative requirements for Federal Programs can be found under 2 CFR 200 and 2 CFR 5900, at http://www.ecfr.gov/.

F. For the purchase of goods or services costing more than $2,500 and less than $35,000 the Grantee shall obtain at least two (2) written quotes. For any purchase over $35,000 and less than the current federal simplified acquisition threshold, as set forth in the Federal Acquisition Regulations, 48 CFR §2.101, the Grantee shall follow its own documented procurement methods, available upon request, to ensure a reasonable and fair price in accordance with 2 CFR §200.320 and the intent of 287.057, F.S. The purchase of goods or services costing more than the current federal simplified acquisition threshold must be conducted in accordance with 2 CFR§200.320(c)-(f).

G. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. For purposes of this Agreement, the following cost principles are incorporated by reference.

Organization Type	Applicable Cost Principles
State, local or Indian tribal government.	2 CFR Part 200 Uniform Administrative Requirements, Costs, Principals and Audit Requirements for Federal Awards
Private non-profit organization other than an (1) institution of higher education, (2) hospital, or (3) organization named in 2 CFR Part 200, Appendix VIII.	2 CFR Part 200 Uniform Administrative Requirements, Costs, Principals and Audit Requirements for Federal Awards
Education Institutions	2 CFR Part 200 Uniform Administrative Requirements, Costs, Principals and Audit Requirements for Federal Awards
For-profit organization other than a (1) hospital or (2) education institute.	48 CFR Part 31, Contract Cost Principles and Procedures
Hospital	2 CFR Part 200 and 45 CFR Part 75

H. i. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.

ii. If the Department finds that these funds have been commingled, the Department shall have the right to demand a refund, either in whole or in part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from the Department shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Department by the Grantee to the date repayment is made by the Grantee to the Department.

iii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by the Department, from another source(s), the Grantee shall reimburse the Department for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Grantee to the date repayment is made to the Department by the Grantee.

I. The table below identifies the funding supporting this Agreement. RESTORE grants providing the funds are listed by the Federal Award Identification Number (FAIN), followed by the Florida Accountability Contract Tracking System (FACTS) identification numbers in parentheses, and the Catalog of Federal Domestic Assistance (CFDA) number and program title.

FAIN (FACTS)	CFDA	Program Title	Funding Amount
GNTCP17FL0018 RST03	87.051	Gulf Coast Ecosystem Restoration Council Comprehensive Plan Component Program	$335,510
		Total Funding:	$335,510

J. Because of the federal funds awarded under this Agreement, the Grantee must comply with ***The Federal Funding Accountability and Transparency Act (FFATA) of 2006***. The intent of the FFATA is to empower every American with the ability to hold the government accountable for each spending decision. The end result is to reduce wasteful spending in the government. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov. Grant Recipients awarded a new Federal grant greater than or equal to $25,000 awarded on or after October 1, 2010 are subject to the FFATA. The Grantee agrees to provide the information necessary, over the life of this Agreement, for the Department to comply with this requirement.

4. ANNUAL APPROPRIATION:

The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Florida Legislature and the availability of federal funding and grants from the RESTORE Council. The Parties hereto understand that this Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and payment associated therewith may be rescinded with proper notice at the discretion of the Department if Legislative appropriations are reduced or eliminated.

5. REPORTS:

A. Progress Reports shall be submitted to the Department's Grant Manager no later than twenty (20) days following the completion of the quarterly reporting period. Each Progress Report shall be submitted on **Attachment D, Progress Report Form**, and shall describe the work performed during the reporting period, problems encountered, problem resolution, schedule updates and proposed work for the next reporting period. The Final Project Report shall be submitted no later than the completion date of the Agreement. The Department's Grant Manager shall have thirty (30) calendar days to review the required reports and deliverables submitted by the Grantee.

B. If applicable, a draft comprehensive final report must be submitted electronically in Microsoft Word format, in accordance with the schedule outlined in **Attachment A**. One (1) electronic copy in Adobe.pdf format or Microsoft Word format, of a comprehensive final report must be submitted in accordance with the schedule and submission requirements outlined in **Attachment A**. The Grantee's final report shall include an accounting of all Project expenses. Every publication of material based on, developed under, or otherwise produced under a RESTORE Council financial assistance award, except scientific articles or papers appearing in scientific, technical or professional journals must contain the following disclaimer:

> "This [report/video/etc.] was prepared by [Grantee] using Federal funds under award [Federal Award Identification Number] from the RESTORE Council. The statements, findings, conclusions, and recommendations are those of the author(s) and do not necessarily reflect the views of the RESTORE Council.

C. The Grantee agrees to provide a copy of any draft report and/or final report to the Department before making, or allowing to be made, a press release, publication, or other public announcement of the Project's outcome. This shall not be construed to be a limitation upon the operation and applicability of Chapter 119, Florida Statutes.

D. If the direct and/or indirect purchase of equipment is authorized under paragraph 20 of this Agreement, then the Grantee shall comply with the property management requirements set forth in 2 CFR §200.313. An inventory of all personal property/equipment purchased under this Agreement shall be completed at least once every two (2) years and submitted to the Department's Grant Manager no later than January 31st for each year this Agreement is in effect. A final inventory report shall be submitted to the Department at the end of the Agreement.

E. Pursuant to 2 CFR §200.322, any State agency or agency of a political subdivision of a State and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

6. RETAINAGE:

Retainage is not required under this Agreement.

7. INDEMNIFICATION:

Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract or this Agreement.

8. DEFAULT/TERMINATION/FORCE MAJEURE:

A. The Department may terminate this Agreement at any time if any warranty or representation made by Grantee in this Agreement or in its application for funding shall at any time be false or misleading in any respect, or in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.

B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar days' written notice. If the Department terminates the Agreement for convenience, the Department shall notify the Grantee of such termination, with instructions as to the effective date of termination or specify the stage of work at which the Agreement is to be terminated. If the Agreement is terminated before performance is completed, the Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated.

C. If a force majeure occurs that causes delays or the reasonable likelihood of delay in the fulfillment of the requirements of this Agreement, the Grantee shall promptly notify the Department orally. Within seven (7) calendar days, the Grantee shall notify the Department in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay and the Grantee's intended timetable for implementation of such measures. If the Parties agree that the delay or anticipated delay was caused, or will be caused by a force majeure, the Department may, at its discretion, extend the time for performance under this Agreement for a period of time equal to the delay resulting from the force majeure upon execution of an amendment to this Agreement. Such agreement shall be confirmed by letter from the Department accepting, or if necessary, modifying the extension. A force majeure shall be an act of God, strike, lockout, or other industrial

disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, flood, explosion, failure to receive timely necessary third party approvals through no fault of the Grantee, and any other cause, whether of the kind specifically enumerated herein or otherwise, that is not reasonably within the control of the Grantee and/or the Department. The Grantee is responsible for the performance of all services issued under this Agreement. Failure to perform by the Grantee's consultant(s) or subcontractor(s) shall not constitute a force majeure event.

9. REMEDIES/FINANCIAL CONSEQUENCES:

A. No payment will be made for deliverables deemed unsatisfactory by the Department. In the event that a deliverable is deemed unsatisfactory by the Department, the Grantee shall re-perform the services needed for submittal of a satisfactory deliverable, at no additional cost to the Department, within ten (10) calendar days of being notified of the unsatisfactory deliverable. If a satisfactory deliverable is not submitted within the specified timeframe, the Department may, in its sole discretion, either: 1) terminate this Agreement for failure to perform, or 2) the Department Grant Manager may, by letter specifying the failure of performance under this Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the Grantee to the Department. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

i. A CAP shall be submitted within ten (10) calendar days of the date of the letter request from the Department. The CAP shall be sent to the Department Grant Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the Department shall notify the Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Grantee shall have ten (10) calendar days from receipt of the Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the Department approval of a CAP as specified above shall result in the Department's termination of this Agreement for cause as authorized in this Agreement.

ii. Upon the Department's notice of acceptance of a proposed CAP, the Grantee shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not relieve the Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, the Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the Department or steps taken by the Grantee shall preclude the Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the Department as requested by the Department Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by the Department may result in termination of the Agreement

The remedies set forth above are not exclusive and the Department reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by the Agreement.

B. If the Grantee materially fails to comply with the terms and conditions of this Agreement, including any Federal or State statutes, rules or regulations, applicable to this Agreement, the Department may take one or more of the following actions, as appropriate for the circumstances.

i. Temporarily withhold cash payments pending correction of the deficiency by the Grantee or more severe enforcement action by the RESTORE Council or the Department.

ii. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

iii. Wholly or partly suspend or terminate this Agreement.

iv. Initiate suspension or debarment proceedings as authorized under 2 CFR Part 180 and RESTORE Council regulations (or in the case of the Department, recommend such a proceeding be initiated by the RESTORE Council).

v. Withhold further awards for the Project or program.

vi. Take other remedies that may be legally available.

vii. Costs of the Grantee resulting from obligations incurred by the Grantee during a suspension or after termination of the Agreement are not allowable unless the Department expressly authorizes them in the notice of suspension or termination. Other Grantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if the following apply:

a. The costs result from obligations which were properly incurred by the Grantee before the effective date of suspension or termination, are not in anticipation of it, and in the case of termination, are noncancellable; and

b. The cost would be allowable if the Agreement were not suspended or expired normally at the end of the funding period in which the termination takes place.

C. RESTORE Act-Specific Remedy for Noncompliance

In addition to the remedies available in the paragraphs above, the Grantee is subject to the RESTORE Act-specific remedies for noncompliance outlined in **Attachment I, RESTORE Council Financial Assistance Standard Terms and Conditions**, attached hereto and a made a part hereof.

D. The Department shall have the right to demand a refund, either in whole or part, of the funds provided to the Grantee for noncompliance with the terms of this Agreement.

10. RECORD KEEPING/AUDIT:

A. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. During the term of this Agreement and for five (5) years following Agreement completion, the RESTORE Council, the U.S. Department of Treasury, the Treasury Office of Inspector General, the Comptroller General of the United States (Government Accountability Office (GAO)), the Florida Department of Environmental Protection, the State, or their authorized representatives, shall have timely and unrestricted access to any pertinent books, documents, papers, and records, whether written, printed, recorded, produced, or reproduced by any electronic, mechanical, magnetic, or other process or medium, in order to make audits, inspections, excerpts, transcripts, or other examinations as authorized by law. This also includes timely and reasonable access to the Grantee's personnel for the purpose of interview and discussion related to such documents. In the event any work is subgranted or subcontracted, the Grantee shall similarly require each subgrantee and subcontractor to maintain and allow access to such records for audit purposes.

B. The RESTORE Council, the U.S. Department of Treasury, the Treasury Office of Inspector General, the Comptroller General of the United States (GAO), the Florida Department of Environmental Protection, the State, or their authorized representatives shall have the right during normal business hours to conduct announced and unannounced onsite and offsite physical visits of the Grantee and their subcontractors corresponding to the duration of their records retention obligation for this award.

C. The Grantee agrees that if any litigation, claim, or audit is started before the expiration of the record retention period established above, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

D. Records for real property and equipment acquired with Federal funds shall be retained for five (5) years following final disposition.

E. The Grantee understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the Department's Inspector General in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its subcontracts issued under this Grant, if any, impose this requirement, in writing, on its subcontractors.

F. The rights of access in this paragraph are not limited to the required retention period but last as long as the records are retained.

11. SPECIAL AUDIT REQUIREMENTS:

A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in **Attachment E, Special Audit Requirements**, attached hereto and made a part hereof. **Exhibit 1** to **Attachment E** summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of **Attachment E**. A revised copy of **Exhibit 1** must be provided to the Grantee for each amendment which authorizes a funding increase or decrease. If the Grantee fails to receive a revised copy of **Exhibit 1**, the Grantee shall notify the Department's Grant Manager listed in paragraph 17, to request a copy of the updated information.

B. The Grantee is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The Grantee shall consider the type of financial assistance (federal and/or state) identified in **Attachment E, Exhibit 1** when making its determination. For federal financial assistance, the Grantee shall utilize the guidance provided under 2 CFR §200.330 for determining whether the relationship represents that of a subrecipient or vendor. For state financial assistance, the Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs. Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website:

https:\\apps.fldfs.com\fsaa

C. The Grantee should confer with its chief financial officer, audit director or contact the Department for assistance with questions pertaining to the applicability of these requirements.

12. SUBCONTRACTS:

A. The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager except for certain fixed-price subcontracts pursuant to paragraph 3.D. of this Agreement, which require prior approval. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work performed under this Agreement. The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

B. The Grantee agrees to comply with the procurement requirements contained in 2 CFR §200.317 through 2 CFR §200.326 for its selection of subcontractors, with the exception of procurement threshold amounts, which are provided in paragraph 3.F., of this Agreement.

C. The Grantee and/or the subcontractor shall not sub-grant or sub-contract any part of the approved Project to any agency or employee of the RESTORE Council and/or other Federal department, agency, or instrumentality without the Department's prior written approval.

D. The Department of Environmental Protection supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

E. In accordance with 2 CFR §200.321, the Grantee and its subcontractors must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus areas firms are used when possible. The RESTORE Council encourages non-federal entities to utilize small businesses, minority business enterprises and women's business enterprises in contracts under financial assistance awards. The Grantee and its subcontractors may use the services and assistance, as appropriate, of such organizations as the Small Business Administration (https://www.sba.gov) and the Minority Business Development Agency (MBDA) within the Department of Commerce (http://www.mbda.gov).

13. PROHIBITED LOCAL GOVERNMENT CONSTRUCTION PREFERENCES:

A. Pursuant to Section 255.0991, F.S., for a competitive solicitation for construction services in which fifty percent (50%) or more of the cost will be paid from state-appropriated funds which have been appropriated at the time of the competitive solicitation, a state college, county, municipality, school district, or other political subdivision of the state may not use a local ordinance or regulation that provides a preference based upon:

i. The contractor's maintaining an office or place of business within a particular local jurisdiction;
ii. The contractor's hiring employees or subcontractors from within a particular local jurisdiction; or
iii. The contractor's prior payment of local taxes, assessments, or duties within a particular local jurisdiction.

B. For any competitive solicitation that meets the criteria in Paragraph A., a state college, county, municipality, school district, or other political subdivision of the state *shall disclose in the solicitation document* that any applicable local ordinance or regulation does not include any preference that is prohibited by Paragraph A.

14. LOBBYING PROHIBITION:

The Grantee agrees to comply with, and include in subcontracts and subgrants, the following provisions:

A. The Lobbying Disclosure Act of 1995, as amended (2 U.S.C. §1601 *et seq.*), prohibits any organization described in Section 501(c)(4) of the Internal Revenue Code, from receiving federal funds through an award, grant (and/or subgrant) or loan unless such organization warrants that it does not, and will not engage in lobbying activities prohibited by the Act as a special condition of such an award, grant (and/or subgrant), or loan. This restriction does not apply to loans made pursuant to approved revolving loan programs or to contracts awarded using proper procurement procedures.

B. The Grantee certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

C. The Grantee certifies that no funds provided under this Agreement have been used or will be used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

D. Pursuant to 2 CFR §200.450 and 2 CFR §200.454(e), the Grantee is hereby prohibited from using funds provided by this Agreement for membership dues to any entity or organization engaged in lobbying activities.

E. If this Agreement is for more than $100,000, and if any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Grantee shall complete and submit **Attachment F, Standard Form-LLL, "Disclosure of Lobbying Activities"** (attached hereto and made a part hereof, if applicable), in accordance with the instructions. If this Agreement is for less than $100,000, this Attachment shall not be required and shall be intentionally excluded from this Agreement.

F. In accordance with Section 216.347, F.S, the Grantee is hereby prohibited from using funds provided by this Agreement for the purpose of lobbying the State of Florida Legislature, the judicial branch or a state agency. Further, in accordance with Section 11.062, F.S., no state funds, exclusive of salaries, travel expenses, and per diem, appropriated to, or otherwise available for use by, any executive, judicial, or quasi-judicial department shall be used by any state employee or other person for lobbying purposes.

15. COMPLIANCE WITH LAW:

A. The Grantee shall comply with all applicable federal, state and local rules and regulations in performing under this Agreement. The Grantee acknowledges that this requirement includes, but is not limited to, compliance with all applicable federal, state and local health and safety rules and regulations. The Grantee further agrees to include this provision in all subcontracts issued as a result of this Agreement.

B. Projects receiving federal funding must comply with the National Environmental Policy Act (NEPA), which provides a framework for environmental analyses, reviews, and consultations. NEPA's process "umbrella" covers a Project compliance with all pertinent federal environmental laws. Commencement of Project activities may be subject to an environmental review or a determination of categorical exclusion under NEPA. The RESTORE Council maintains an Environmental Compliance Library (https://www.restorethegulf.gov/funded-priorities-list), which includes the RESTORE Council's NEPA Procedures and other environmental compliance documents as warranted to demonstrate the appropriate level of NEPA review for those projects, programs or activities approved on the Funded Priorities List. When applicable, the Grantee will coordinate with the Department to ensure the Project's compliance with NEPA, and appropriate documentation of such compliance will be maintained by both Parties.

16. NOTICE:

All notices and written communication between the Parties shall be sent by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. Any and all notices required by this Agreement shall be delivered to the Parties at the addresses identified under paragraph 17.

17. CONTACTS:

The Department's Grant Manager (which may also be referred to as the Department's Project Manager) at the time of execution for this Agreement is identified below.

Lisa M. Robertson, or Successor	
Florida Department of Environmental Protection	
Deepwater Horizon Program	
3900 Commonwealth Boulevard, MS #240	
Tallahassee, Florida 32399-3000	
Telephone No.:	(850) 245-2177
Fax No.:	(844) 273-0184
E-mail Address:	Lisa.robertson@dep.state.fl.us

The Grantee's Grant Manager (which may also be referred to as the Grantee's Project Manager) at the time of execution for this Agreement is identified below.

Taylor "Chips" Kirschenfeld, or Successor	
Department of Natural Resources Management	
Escambia County Board of County Commissioners	
221 Palafox Place	
Pensacola, Florida 32502	
Telephone No.:	(850) 595-4988
Fax No.:	(850) 595-4431
E-mail Address:	jtkirsche@myescambia.com

In the event the Department's or the Grantee's Grant Manager changes, written notice by electronic mail with acknowledgement by the other party will be acceptable. Any subsequent Change Order or Amendment pursuant to paragraph 3.B should include the updated Grant Manager information.

18. INSURANCE:

A. Providing and maintaining adequate insurance coverage is a material obligation of the Grantee. This insurance must provide coverage for all claims that may arise from the performance of the work specified under this Agreement, whether such work is performed by the Grantee, any sub-grantee, or Grantee's contractors. Such insurance shall include the State of Florida, the Department, and the State of Florida Board of Trustees of the Internal Improvement Trust Fund, as Additional Insureds for the entire length of the Agreement.

B. Coverage may be by private insurance or self-insurance. The Grantee shall provide documentation of all required coverage to the Department's Grant Manager ***prior to*** performance of any work pursuant to this Agreement. All commercial insurance policies shall be with insurers licensed or eligible to do business in the State of Florida. If the Grantee is self-funded for any category of insurance, then the Grantee shall provide documentation that warrants and represents that it is self-funded for said insurance, appropriate and allowable under Florida law, and that such self-insurance offers protection applicable to the Grantee's officers, employees, servants and agents while acting within the scope of their employment with the Grantee for the entire length of the

Agreement. The Grantee shall notify the Department's Grant Manager within ten (10) calendar days of any cancellation of insurance or coverage, change in insurance provider, or change in coverage limits. In the event of such changes, the Grantee shall provide documentation of required coverage to the Department's Grant Manager concurrent with such notification.

C. During the life of this Agreement, the Grantee shall secure and maintain insurance coverages as specified below. In addition, the Grantee shall include these requirements in any sub grant or subcontract issued for the performance of the work specified under this Agreement, unless such sub grant or subcontractor employees are covered by the protection afforded by the Grantee.

i. Workers' Compensation Insurance is required for all employees connected with the work of this Project. Any self-insurance program or insurance coverage shall comply fully with the Florida Workers' Compensation law. In case any class of employees engaged in hazardous work under this Agreement is not protected under Workers' Compensation statutes, the Grantee shall provide proof of adequate insurance satisfactory to the Department, for the protection of its employees not otherwise protected.

ii. Commercial General Liability insurance is required, including bodily injury and property damage. The minimum limits of liability shall be $200,000 each individual's claim and $300,000 each occurrence.

iii. Commercial Automobile Liability insurance is required, for all claims which may arise from the services and/or operations under this Agreement, whether such services and/or operations are by the Grantee or any of its contractors. The minimum limits of liability shall be as follows:

$300,000	Automobile Liability Combined Single Limit for Company-Owned Vehicles, if applicable
$300,000	Hired and Non-owned Automobile Liability Coverage

iv. Other Insurance may be required if any work proceeds over or adjacent to water, including but not limited to Jones Act, Longshoreman's and Harbormaster's, or the inclusion of any applicable rider to worker's compensation insurance, and any necessary watercraft insurance, with limits of not less than $300,000 each. Questions concerning required coverage should be directed to the U.S. Department of Labor (http://www.dol.gov/owcp/dlhwc/lscontac.htm) or to the parties' insurance carrier.

19. CONFLICT OF INTEREST:

Pursuant to 2 CFR §200.112, the Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

20. EQUIPMENT:

Reimbursement for direct or indirect equipment purchases costing $1,000 or more is not authorized under the terms and conditions of this Agreement. **Attachment G, Property Reporting Form,** is not applicable and shall be intentionally excluded.

21. UNAUTHORIZED EMPLOYMENT:

The employment of unauthorized aliens by any Grantee/subcontractor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

22. QUALITY ASSURANCE REQUIREMENTS:

If the Grantee's Project involves environmentally-related measurements or data generation, the Grantee shall develop and implement quality assurance practices consisting of policies, procedures, specifications, standards, and documentation sufficient to produce data of quality adequate to meet Project objectives and to minimize loss of data due to out-of-control conditions or malfunctions. All sampling and analyses performed under this Agreement must conform with the requirements set forth in Chapter 62-160, F.A.C., as may be amended from time to time, and the Quality Assurance Requirements for Department Agreements, attached hereto and made part hereof as **Attachment H, Quality Assurance Requirements for Contracts and Grants**. Any terms and conditions of the Agreement and **Attachment A** that vary from those contained in **Attachment H**, shall have precedence. If the Project does not involve environmentally-related measurements or data generation, this Attachment shall not be required and shall be intentionally excluded from this Agreement.

23. DISCRIMINATION:

A. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

B. An entity or affiliate who has been placed on the State of Florida's discriminatory vendor list may not submit a bid on a contract to provide goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact business with any public entity. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and posts the list on its website. Questions regarding the discriminatory vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity at (850) 487-0915.

C. Grantee agrees to comply with the Americans with Disabilities Act (42 USC § 12101, *et seq.*), where applicable, which prohibits discrimination by public and private entities on the basis of disability in the areas of employment, public accommodations, transportation, state and local government services, and in telecommunications.

D. Grantee must identify any products that may be used or adapted for use by visually-impaired, hearing-impaired or other physically-impaired individuals.

24. DEBARMENT/SUSPENSION:

In accordance with Presidential Executive Order 12549, Debarment and Suspension (2 CFR Part 180), the Grantee agrees and certifies that neither it, nor its principals, is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency; and, that the Grantee shall not knowingly enter into any lower tier contract, or other covered transaction, with a person who is similarly debarred or suspended from participating in this covered transaction, unless authorized in writing by the RESTORE Council to the Department. The Grantee shall include the language of this section in all subcontracts or lower tier agreements executed to support the Grantee's work under this Agreement.

25. COPYRIGHT, PATENT AND TRADEMARK:

The RESTORE Council and the Department, reserve a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for federal and state government purposes:

A. The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant.

B. Any right or copyright to which a grantee, subgrantee, or a contractor purchases ownership with grant support.

C. All patent rights, copyrights and data rights must be in accordance with 2 CFR §200.315 and 37 CFR Part 401, as applicable.

26. CONTRACT PROVISIONS AND REGULATIONS:

By accepting the RESTORE grant funds listed in paragraph 3.I of this Agreement, the Grantee agrees to comply with, and include in subcontracts and subcontracts issued as a result of this Agreement, the provisions contained in **Attachment I, RESTORE Council Financial Assistance Standard Terms and Conditions**. Copies of these federal awards are available through FACTS (https://facts.fldfs.com), using the Grant Award ID (if known) search box, and searching by the FACTS identification number(s) provided in paragraph 3.I of this Agreement. The Grantee further agrees to include this provision in all subcontracts issued as a result of this Agreement. In addition, the Grantee acknowledges that the applicable regulations listed in **Attachment J**, **Regulations**, attached hereto and made a part hereof, shall apply to this Agreement.

27. SPECIAL AWARD CONDITIONS:

In addition to the contract provisions and regulations provided in paragraph 26, above, the Grantee is subject to certain Special Award Conditions attached to the RESTORE Council Financial Assistance Award.

A. **Non-Duplicative Use of RESTORE Act Funds -** The recipient will not seek any compensation for the approved project from any other funding source, including, without limitation, the Oil Spill Liability Trust Fund. Should such funding be received, the recipient will immediately notify the Grants Officer in writing. If the recipient is authorized to make subawards, the recipient will not use RESTORE Act funds to make subawards to fund any activities for which claims were filed with the Oil Spill Liability Trust Fund after July 6, 2012.

B. **Environmental Compliance Section 404 Permitting -** Prior to undertaking any engineering and design activities to which Clean Water Act Section 404 and/or other laws might apply (e.g., sediment sampling), the recipient must obtain any required authorizations/permits and provide documentation of compliance to the Council.

C. **Environmental Compliance Planning Coordination -** During the permitting phase of this planning Project, the Grantee shall coordinate and consult with the relevant state and federal regulatory agencies to ensure effective and concurrent compliance with all potentially applicable environmental laws, including the National Environmental Policy Act, Clean Water Act, Endangered Special Act, Magnuson-Stevens Act, Coastal Zone Management Act, and other laws and requirements. Documentation of early coordination and consultations must be provided to the Department.

D. **Updates to the Observational Data Plan (Attachment K) -** The Grantee will update the Project's Observational Data Plan and any accompanying metrics to include/update any items currently listed as "Not available (N/A)" or "To be determined (TBD)." The Grantee must deliver updated plans and accompanying metric targets to the Department at least annually until all "N/A" or "TBD" values are provided.

E. **Updates to the Data Management Plan (Attachment L) -** The Grantee will update the Project's Data Management Plan to include any plan details listed as "Not available (N/A)" or "To be determined (TBD)" in the current version of the Data Management Plan. The recipient will also update the DMP to more clearly indicate how data will be delivered to the Department. The Grantee must deliver updated plans to the Department at least annually until all "N/A" or "TBD" values are provided.

F. **Observational Data Management and Delivery.**

i. Data Sharing: All data compiled, collected, or created under this Federal award must be provided to the Department on a yearly basis. Any observational data related to Gulf Coast restoration must be publicly visible and accessible in a timely manner, free of charge or at minimal cost to the user that is no more than the cost of distribution to the user, excepts where limited by law, regulation, policy, or national security requirements. Data are to be made available in a form that would permit further analysis or reuse, i.e., data must be encoded in a machine-readable format, using existing open format standards; and data must by sufficiently documented, using open metadata standards, to enable users to independently read and under the data (for example, a PDF version of observational data is not a valid data delivery format). The public facing, anonymously accessible data location (internet URL address) of the data should support service-oriented architecture to maximize sharing and reuse of structured data. Data should undergo quality control (QC) and a description of the QC process and results should be referenced in the metadata.

ii. Timeliness: Data must be provided to the Department on a yearly basis, and the public must be given access to data no later than two (2) years after the data are first collected and verified, or two (2) years after the original end date of the period of performance set out in the Federal award agreement (not including any extensions or follow-on funding), whichever first occurs.

iii. Data produced under this award and made available to the public must be accompanied by the following statement: "The [report, presentation, video, etc.] and all associated data and related items of information were prepared by [Grantee name] under Award No. [FAIN] from the Gulf Coast Ecosystem Restoration Council (RESTORE Council). The data, statements, findings, conclusions, and recommendations are those of the author(s) and do not necessarily reflect any determinations, views, or policies of the RESTORE Council."

iv. Failure to Share Data: Failing or delaying to make data accessible in accordance with the submitted Data Management Plan and the terms hereof may lead to enforcement actions and be considered by the Department when making future award decisions.

v. Data Citation: Publications based on data, and new products derived from source data, must cite the data used according to the conventions of the Publisher and use Digital Object Identifiers (DOIs), if available. All data and derived products that are used to support the conclusions of a publication must be made available in a form that permits verification and reproducibility of the results.

28. LAND ACQUISITION:

Land acquisition is not authorized under the terms of this Agreement.

29. PHYSICAL ACCESS AND INSPECTION:

As applicable, Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, including by any of the following methods:

A. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;

B. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and

C. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

30. PUBLIC RECORDS ACCESS:

A. Grantee shall comply with Florida Public Records law under Chapter 119, F.S. Records made or received in conjunction with this Agreement are public records under Florida law, as defined in Section 119.011(12), F.S. Grantee shall keep and maintain public records required by the Department to perform the services under this Agreement.

B. This Agreement may be unilaterally canceled by the Department for refusal by the Grantee to either provide to the Department upon request, or to allow inspection and copying of all public records made or received by the Grantee in conjunction with this Agreement and subject to disclosure under Chapter 119, F.S., and Section 24(a), Article I, Florida Constitution.

C. If Grantee meets the definition of "Contractor" found in Section 119.0701(1)(a), F.S.; [i.e., an individual, partnership, corporation, or business entity that enters into a contract for services with a public agency and is acting on behalf of the public agency], then the following requirements apply:

i. Pursuant to Section 119.0701, F.S., a request to inspect or copy public records relating to this Agreement for services must be made directly to the Department. If the Department does not possess the requested records, the Department shall immediately notify the Grantee of the request, and the Grantee must provide the records to the Department or allow the records to be inspected or copied within a reasonable time. If Grantee fails to provide the public records to the Department within a reasonable time, the Grantee may be subject to penalties under s. 119.10, F.S.

ii. Upon request from the Department's custodian of public records, Grantee shall provide the Department with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

iii. Grantee shall identify and ensure that all public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if the Grantee does not transfer the records to the Department.

iv. Upon completion of the Agreement, Grantee shall transfer, at no cost to Department, all public records in possession of Grantee or keep and maintain public records required by the Department to perform the services under this Agreement. If the Grantee transfers all public records to the Department upon completion of the Agreement, the Grantee shall destroy any duplicate public records that are exempt or confidential and exempt from public disclosure requirements. If the Grantee keeps and maintains public records upon completion of the Agreement, the Grantee shall meet all applicable requirements for retaining public records. All records that are stored electronically must be provided to Department, upon request from the Department's custodian of public records, in a format that is accessible by and compatible with the information technology systems of Department.

D. **IF THE GRANTEE HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE GRANTEE'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE**

DEPARTMENT'S CUSTODIAN OF PUBLIC RECORDS by telephone at (850) 245-2118, by email at public.services@dep.state.fl.us or at the mailing address below.

Department of Environment Protection
ATTN: Office of Ombudsman and Public Services
Public Records Request
3900 Commonwealth Boulevard, MS 49
Tallahassee, Florida 32399

31. TERMINATION FALSE CERTIFICATION, SCRUTINIZED COMPANIES, BOYCOTTING:

Grantee certifies that it and any of its affiliates are not scrutinized companies as identified in Section 287.135, F.S. In addition, Grantee agrees to observe the requirements of Section 287.135, F.S., for applicable sub-agreements entered into for the performance of work under this Agreement. Pursuant to Section 287.135, F.S., the Department may immediately terminate this Agreement for cause if the Grantee, its affiliates, or its subcontractors are found to have submitted a false certification; or if the Grantee, its affiliates, or its subcontractors are placed on any applicable scrutinized companies list or engaged in prohibited contracting activity during the term of the Agreement. As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions then they shall become inoperative.

32. EXECUTION IN COUNTERPARTS:

This Agreement, and any Amendments or Change Orders thereto, may be executed in two or more counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

33. SEVERABILITY CLAUSE:

This Agreement has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Any action hereon or in connection herewith shall be brought in Leon County, Florida.

34. ENTIRE AGREEMENT:

This Agreement represents the entire agreement of the Parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, duly signed by each of the Parties hereto, and attached to the original of this Agreement, unless otherwise provided herein.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be duly executed, the day and year last written below.

ATTACHMENT A
GRANT WORK PLAN
DEP AGREEMENT NO. RES02

PROJECT TITLE: Bayou Chico Contamination Sediment Removal (Planning)

PROJECT LOCATION: Bayou Chico, a tributary to Pensacola Bay, has experienced severe environmental degradation due to historic impacts, including industrial and domestic wastewater discharges, shipyard-related pollution and long-term untreated stormwater runoff. Legacy pollutants remain in the Bayou. This project will provide funds to Escambia County for planning, design, and acquisition of all federal and state environmental compliance and permits for the dredging and removal of sediments enriched with nutrients and hydrocarbons from approximately 125 acres of Bayou Chico. The activities associated with this component include bathymetric surveying, sample collection and field assessments, data analysis, engineering and design, development of 100% design plans, acquiring all applicable federal, state, and local permits, and environmental compliance. See Figure 1. Project Site.

PROJECT BACKGROUND: The Gulf Coast Ecosystem Restoration Council (RESTORE Council) is comprised of eleven (11) state and federal members. Council members include the governors of Alabama, Florida, Louisiana, Mississippi, and Texas, the Administrator of the U.S. Environmental Protection Agency and the Secretaries of the U.S. Departments of the Interior, Commerce, Agriculture, Homeland Security, and the Army. The Secretary of the U.S. Department of Agriculture serves as Council Chair.

One of the RESTORE Council's primary responsibilities is to develop a comprehensive plan to restore the ecosystem and economy of the Gulf Coast region in the wake of the *Deepwater Horizon* oil spill. The RESTORE Council selects projects to be funded by the Gulf Coast Restoration Trust Fund and adds them to an approved Funded Priorities List. Projects listed on the approved Funded Priorities list must implement on or more of the seven (7) objectives set by the RESTORE Council:
(1) Restore, Enhance and Protect Habitats
(2) Restore, Improve, and Protect Water Resources
(3) Protect and Restore Living Coastal and Marine Resources
(4) Restore and Enhance Natural Processes and Shorelines
(5) Promote Community Resilience
(6) Promote Natural Resource Stewardship and Environmental Education
(7) Improve Science-Based Decision-Making Processes

PROJECT DESCRIPTION:
This Project will allow Escambia County to plan, design and secure permits for future dredging and removal of contaminated sediments enriched with nutrients and hydrocarbons for approximately 125 acres - the majority of the bayou. Areas that were recently dredged, including the federally maintained navigational channel, will likely be excluded from the project. The dredging of contaminated sediment will occur during a future phase. The future removal of additional sediment will significantly improve water quality, benthic habitat and the ecology of Bayou Chico.

Bayou Chico, a tributary to Pensacola Bay, located in Escambia County, Florida, has experienced considerable environmental degradation due to historic impacts, including industrial and domestic wastewater discharges, shipyard-related pollution, and long-term untreated stormwater runoff. Legacy pollutants remain in the Bayou Chico sediment, and significant restoration needs remain to be accomplished to allow the bayou to heal and regain its natural richness and productivity. Over many decades, Bayou Chico has been filling in with stormwater sediment from Jones Creek, Jackson Creek, and Maggie's Ditch. Fine grained sediment with a high silt and clay content has accumulated throughout the bayou smothering bottom habitat and degrading water quality and biological communities. The accumulated sediment is enriched with nutrients, heavy metals, and other pollutants typical of stormwater runoff and commercial activities in the basin. Commercial and recreational boating activities and periodic wave action from storms re-suspend the accumulated bottom sediment causing water quality and habitat impairment.

Maintenance dredging of the Bayou Chico navigation channel was successfully completed by the U.S. Army Corps of Engineers in 2008 to improve navigation and water circulation in the bayou. At that time, 54 samples were analyzed and showed elevated levels of total recoverable petroleum hydrocarbons, semi-volatile organic compounds, organochloride pesticides, metals, and total organic carbon (TOC). Removal of the sediment from the navigation channel resulted in improved water quality in the bayou.

Escambia County (Grantee) will oversee Project planning, designing, and securing of permits for future dredging and removal of contaminated sediments enriched with nutrients and hydrocarbons for approximately 125 acres. Specific tasks associated with this Project include bathymetric surveying, sediment analysis, field assessments, planning, engineering, creation of final design, and working with the appropriate federal, state, and local authorities to obtain all applicable permits needed to complete environmental compliance. The Grantee will use a competitively procured contractor to complete these activities.

TASKS and DELIVERABLES:

Task #1: Engineering and Design

Task Description: The Grantee will competitively procure a qualified contractor to provide architectural and engineering (A&E) services. Work requiring a professional license will be performed by professionals licensed in the State of Florida to provide the required services. Selection of the contractor will be completed in accordance with the Grantee's purchasing policies and procedures for A&E services.

Once selected, the contractor will provide the required A&E services, including: bathymetry, sediment data gathering and analysis, fields assessments, development of construction plans and specifications, engineering and creation of the final design (100%) based on sound engineering principles. The contractor will submit the construction plans, specifications, and final design to the Grantee for approval.

Payment Request Schedule: Grantee may submit a payment request for cost reimbursement upon completion and Department approval of each individual deliverable (1a, 1b, and 1c).

Deliverable 1a: The Grantee will submit electronic copies of the bathymetric survey and evaluate sub-bottom profile produced to determine horizontal and vertical distribution of sediment, and an electronic copy of the executed subcontract prior to submitting any invoices for the subcontracted work.

Performance Standard: The Department's Grant Manager will review each submitted interim deliverables to verify that they meet the specifications in the Grant Work Plan and this task description. Upon review and written acceptance by the Department's Grant Manager of the interim deliverable submitted, the Grantee may proceed with payment request submittal.

Deliverable 1b: The Grantee will submit electronic copies of the chemical analysis of sediment to be used to determine appropriate handling and disposal methods, as well as assist with prioritization of future implementation phases.

Performance Standard: The Department's Grant Manager will review each submitted interim deliverables to verify that they meet the specifications in the Grant Work Plan and this task description. Upon review and written acceptance by the Department's Grant Manager of the interim deliverable submitted, the Grantee may proceed with payment request submittal.

Deliverable 1c: The Grantee will submit electronic copies of final, 100% completed and approved final design, which should include the approved construction plans and specifications, developed bid documents, and proof of bid assistance.

Performance Standard: The Department's Grant Manager will review each submitted interim deliverables to verify that they meet the specifications in the Grant Work Plan and this task description. Upon review and written acceptance by the Department's Grant Manager of the interim deliverable submitted, the Grantee may proceed with payment request submittal.

Task #2: Permitting

Task Description: The Grantee, in coordination with its contractor, will ensure that all necessary permits, approvals and authorizations are obtained to ensure full environmental compliance. Authorization may include, but not be limited to, permits from both the U.S. Army Corps of Engineers and the Department.

The Grantee will continue working with regulatory agencies throughout the Project to secure all required authorization as needed and to ensure that environmental compliance in maintained through the life of the Project. The Grantee has already completed the RESTORE Council's Categorical Exclusion Determination Form to comply with the National Environmental Policy Act (NEPA) as required. Documentation of NEPA Categorical Exclusion status is available on the RESTORE Council's Environmental Compliance Library (https://www.restorethegulf.gov/funded-priorities-list).

Deliverables: Copies of issued permits.

Performance Standard: The Department's Grant Manager will review the deliverables to ensure that they meet the specifications in the Grant Work Plan and this task description. Upon review and written acceptance by the Department's Grant Manager of all deliverables under this task, the Grantee may proceed with payment request submittal.

Payment Request Schedule: Grantee may submit a payment request for cost reimbursement upon completion of the task and Department approval of all associated task deliverables.

PROJECT TIMELINE: The tasks must be completed by the corresponding task end date and all deliverables must be received by the designated due date.

Task/ Deliverable No.	Task or Deliverable Title	Task Start Date	Task End Date	Deliverable Due Date/ Frequency
1a	Bathymetric Survey	Upon Execution	3/31/2018	3/31/2018
1b	Sediment Analysis	4/1/2018	9/30/2018	9/30/2018
1c	100% Plans and Specifications, Develop Bid Documents, Bid Assistance	6/1/2017	9/30/2019	9/30/2019
2	Permitting	10/01/2018	9/30/2019	9/30/2019

BUDGET DETAIL BY TASK:

Task No.	Budget Category	Budget Amount
1a	Contractual Services (Subcontractor)	$70,000.00
1b	Contractual Services (Subcontractor)	$65,000.00
1c	Contractual Services (Subcontractor)	$175,510.00
	Total for Task 1:	**$310,510.00**
2	Contractual Services (Subcontractor)	$25,000.00
	Total for Task 2:	**$25,000.00**
	Total Project Budget:	**$335,510.00**

PROJECT BUDGET SUMMARY: Cost reimbursable grant funding must not exceed the category totals for the project as indicated below.

Category Totals	Grant Funding, Not to Exceed, $
Contractual Services (Subcontractor) Total	$335,510.00
Total:	**$335,510**

GRANTEE CERTIFICATION

Complete Grantee's Certification of Payment Request on Page 2 to certify that the amount being requested for reimbursement above was for items that were charged to and utilized only for the above cited grant activities.

Grantee's Certification of Payment Request

I, _____ , on behalf of

(Print name of Grantee's Grant Manager designated in the Agreement)

_____, do hereby certify for

(Print name of Grantee/Recipient)

DEP Agreement No. _____ and Payment Request No. _____ that:

- ☑ The disbursement amount requested is for allowable costs for the project described in Attachment A of the Agreement.
- ☑ All costs included in the amount requested have been satisfactorily purchased, performed, received, and applied toward completing the project; such costs are documented by invoices or other appropriate documentation as required in the Agreement.
- ☑ The Grantee has paid such costs under the terms and provisions of contracts relating directly to the project; and the Grantee is not in default of any terms or provisions of the contracts.

Check all that apply below:

- ☐ All permits and approvals required for the construction, which is underway, have been obtained.
- ☐ Construction up to the point of this disbursement is in compliance with the construction plans and permits.
- ☐ The Grantee's Grant Manager relied on certifications from the following professionals that provided services for this project during the time period covered by this Certification of Payment Request, and such certifications are included:

Professional Service Provider (Name / License No.)	Period of Service (mm/dd/yy – mm/dd/yy)

Grantee's Grant Manager Signature	Grantee's Fiscal Agent Signature

Telephone Number	Telephone Number

INSTRUCTIONS FOR COMPLETING
PAYMENT REQUEST SUMMARY FORM

DEP AGREEMENT NO.: This is the number on your grant agreement.
AGREEMENT EFFECTIVE DATES: Enter agreement execution date through end date.
GRANTEE: Enter the name of the grantee's agency.
GRANTEE'S GRANT MANAGER: This should be the person identified as grant manager in the grant Agreement.
MAILING ADDRESS: Enter the address that you want the state warrant sent.
PAYMENT REQUEST NO.: This is the number of your payment request, not the quarter number.
DATE OF PAYMENT REQUEST: This is the date you are submitting the request.
PERFORMANCE PERIOD: This is the beginning and ending date of the performance period for the task/deliverable that the request is for (this must be within the timeline shown for the task/deliverable in the Agreement).
TASK/DELIVERABLE NO.: This is the number of the task/deliverable that you are requesting payment for and/or claiming match for (must agree with the current Grant Work Plan).
TASK/DELIVERABLE AMOUNT REQUESTED: This should match the amount on the "*TOTAL TASK/DELIVERABLE BUDGET AMOUNT"* line for the "*AMOUNT OF THIS REQUEST*" column.

GRANT EXPENDITURES SUMMARY SECTION:

"AMOUNT OF THIS REQUEST" COLUMN: Enter the amount that was expended for this task during the period for which you are requesting reimbursement for this task. This must agree with the currently approved budget in the current Grant Work Plan of your grant Agreement. Do not claim expenses in a budget category that does not have an approved budget. Do not claim items that are not specifically identified in the current Grant Work Plan. Enter the column total on the "*TOTAL AMOUNT*" line. Enter the amount of the task on the "*TOTAL TASK BUDGET AMOUNT*" line. Enter the total cumulative amount of this request **and** all previous payments on the "*LESS TOTAL CUMULATIVE PAYMENT REQUESTS OF*" line. Deduct the "*LESS TOTAL CUMULATIVE PAYMENT REQUESTS OF*" from the "*TOTAL TASK BUDGET AMOUNT*" for the amount to enter on the "*TOTAL REMAINING IN TASK*" line.

"TOTAL CUMULATIVE PAYMENT REQUESTS" COLUMN: Enter the cumulative amounts that have been requested to date for reimbursement by budget category. The final request should show the total of all requests; first through the final request (this amount cannot exceed the approved budget amount for that budget category for the task you are reporting on). Enter the column total on the "*TOTALS*" line. **Do not enter anything in the shaded areas.**

"MATCHING FUNDS" COLUMN: Enter the amount to be claimed as match for the performance period for the task you are reporting on. This needs to be shown under specific budget categories according to the currently approved Grant Work Plan. Enter the total on the "*TOTAL AMOUNT*" line for this column. Enter the match budget amount on the "*TOTAL TASK BUDGET AMOUNT*" line for this column. Enter the total cumulative amount of this and any previous match claimed on the "*LESS TOTAL CUMULATIVE PAYMENTS OF*" line for this column. Deduct the "*LESS TOTAL CUMULATIVE PAYMENTS OF*" from the "*TOTAL TASK BUDGET AMOUNT*" for the amount to enter on the "*TOTAL REMAINING IN TASK*" line.

"TOTAL CUMULATIVE MATCHING FUNDS" COLUMN: Enter the cumulative amount you have claimed to date for match by budget category for the task. Put the total of all on the line titled "*TOTALS*." The final report should show the total of all claims, first claim through the final claim, etc. **Do not enter anything in the shaded areas.**

GRANTEE'S CERTIFICATION: Check all boxes that apply. Identify any licensed professional service providers that certified work or services completed during the period included in the request for payment. **Must be signed by both the Grantee's Grant Manager as identified in the grant agreement and the Grantee's Fiscal Agent.**

NOTES:
If claiming reimbursement for travel, you must include copies of receipts and a copy of the travel reimbursement form approved by the Department of Financial Services, Chief Financial Officer.

Documentation for match claims must meet the same requirements as those expenditures for reimbursement.

ATTACHMENT C

Contract Payment Requirements
Florida Department of Financial Services, Reference Guide for State Expenditures
Cost Reimbursement Contracts

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of the types of documentation representing the minimum requirements:

(1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

(2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

(3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.

(4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.

(5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.

(6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies, and or contracts between universities may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports.

SPECIAL AUDIT REQUIREMENTS

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the contract/agreement*) to the recipient *(which may be referred to as the "Contractor", Grantee" or other name in the contract/agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133, as revised, 2 CFR Part 200, Subpart F, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and 2 CFR Part 200, Subpart F, and/or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised (for fiscal year start dates prior to December 26, 2014), or as defined in 2 CFR §200.330 (for fiscal year start dates after December 26, 2014).

1. In the event that the recipient expends $500,000 ($750,000 for fiscal year start dates after December 26, 2014) or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised, and 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Environmental Protection. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised, and 2 CFR Part 200, Subpart F. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, and 2 CFR Part 200, Subpart F, will meet the requirements of this part.

2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised, and 2 CFR Part 200, Subpart F.

3. If the recipient expends less than $500,000 (or $750,000, as applicable) in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, and 2 CFR Part 200, Subpart F, is not required. In the event that the recipient expends less than $500,000 (or $750,000, as applicable) in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, and 2 CFR Part 200, Subpart F the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at **www.cfda.gov**

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2)(n), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Attachment indicates state financial assistance awarded through the Department of Environmental Protection by this Agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/ and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with OMB Circular A-133, as revised, and 2 CFR Part 200, Subpart F and required by PART I of this Attachment shall be submitted, when required by Section .320 (d), OMB Circular A-133, as revised, and 2 CFR Part 200, Subpart F, by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of the Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Federal Audit Clearinghouse designated in OMB Circular A-133, as revised, and 2 CFR §200.501(a) (the number of copies required by Sections .320 (d)(1) and (2), OMB Circular A-133, as revised, and 2 CFR §200.501(a) should be submitted to the Federal Audit Clearinghouse), at the following address:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at http://harvester.census.gov/facweb/

C. Other Federal agencies and pass-through entities in accordance with Sections .320 (e) and (f), OMB Circular A-133, as revised, and 2 CFR §200.512.

2. Pursuant to Section .320(f), OMB Circular A-133, as revised, and 2 CFR Part 200, Subpart F, the recipient shall submit a copy of the reporting package described in Section .320(c), OMB Circular A-133, as revised, and 2 CFR Part 200, Subpart F, and any management letters issued by the auditor, to the Department of Environmental Protection at one the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of the Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

3. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of the Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Auditor General's Office at the following address:

State of Florida Auditor General
Room 401, Claude Pepper Building
111 West Madison Street
Tallahassee, Florida 32399-1450

4. Copies of reports or management letters required by PART III of this Attachment shall be submitted by or on behalf of the recipient directly to the Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of the Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

5. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with OMB Circular A-133, as revised, and 2 CFR Part 200, Subpart F, Florida Statutes, or Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

6. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with OMB Circular A-133, as revised and 2 CFR Part 200, Subpart F, or Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the recipient in correspondence accompanying the reporting package.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of **5** years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of **3** years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

EXHIBIT – 1

FUNDS AWARDED TO THE RECIPIENT PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

Federal Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following:					
Federal Program Number	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
Original Agreement	Gulf Coast Ecosystem Restoration Council	87.051	Gulf Coast Ecosystem Restoration Council Comprehensive Plan Component Program	$	*[insert number]*

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Matching Resources for Federal Programs:					
Federal Program Number	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Resources Subject to Section 215.97, F.S.:						
State Program Number	Funding Source	State Fiscal Year	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category

Total Award	$	

For each program identified above, the recipient shall comply with the program requirements described in the Catalog of Federal Domestic Assistance (CFDA) [www.cfda.gov] and/or the Florida Catalog of State Financial Assistance (CSFA) [https://apps.fldfs.com/fsaa/searchCatalog.aspx]. The services/purposes for which the funds are to be used are included in the Contract scope of services/work. Any match required by the recipient is clearly indicated in the Contract.

INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employeeof a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.

2. Identify the status of the covered Federal action.

3. Identify the appropriate classification of this report. If this is a followup report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.

4. Enter the full name, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.

5. If the organization filing the report in item 4 checks "Subawardee," then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.

6. Enter the name of the Federal agency making the award or loan commitment. Include at least one organizationallevel below agency name, if known. For example, Department of Transportation, United States Coast Guard.

7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.

8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Proposal (RFP) number; Invitation for Bid (IFB) number; grant announcement number; the contract, grant, or loan award number; the application/proposal control number assigned by the Federal agency). Include prefixes, e.g., "RFP-DE-90-001."

9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.

10. (a) Enter the full name, address, city, State and zip code of the lobbying registrant under the Lobbying Disclosure Act of 1995 engaged by the reporting entity identified in item 4 to influence the covered Federal action.

    (b) Enter the full names of the individual(s) performing services, and include full address if different from 10 (a). Enter Last Name, First Name, and Middle Initial (MI).

11. The certifying official shall sign and date the form, print his/her name, title, and telephone number.

According to the Paperwork Reduction Act, as amended, no persons are required to respond to a collection of information unless it displays a valid OMB Control Number. The valid OMB control number for this information collection is OMB No. 0348-0046. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0046), Washington, DC 20503.

ATTACHMENT H

Department of Environmental Protection
Quality Assurance Requirements for Contracts and Grants

1. **GENERAL REQUIREMENTS AND DEFINITIONS**
   a. As applicable to the scope of services described in the contract work plan or other statement of work for this contract, the sampling, field testing and laboratory analyses performed under this contract shall conform to the requirements set forth in Chapter 62-160, Florida Administrative Code (F.A.C.) and "Requirements for Field and Analytical Work Performed for the Department of Environmental Protection under Contract" (DEP-QA-002/02), February 2002.
   b. Hereinafter, "DEP" or "Department" refers to the Florida Department of Environmental Protection.
   c. "Sample" and "sampling" refers to samples that shall be either collected or analyzed under the terms of this contract.
2. **REQUIREMENTS FOR LABORATORIES**
   a. All applicable laboratory testing activities shall be performed by laboratories certified by the Florida Department of Health Environmental Laboratory Certification Program (DoH ELCP) for all applicable matrix/method/analyte combinations to be measured for this contract. Laboratory certification requirements are described in rule 62-160.300, F.A.C. Certification is not required for laboratory tests outside of the scope of DoH ELCP accreditation as determined according to 62-160.300(5)(c), F.A.C.
   b. For samples collected from a non-potable water matrix, the certification requirement is met if the laboratory is certified for the contracted analyte(s) in at least one method utilizing an analytical technology appropriate for the contract, as determined by the Department according to 62-160.300(1)(c), F.A.C.
   c. If the laboratory is not certified for some or all of the proposed test measurements, the laboratory shall apply for certification within one month of contract execution. The laboratory shall attempt to become fully certified for all applicable matrix/method/analyte combinations to be performed for the contract by maintaining active coordination with the DoH ELCP throughout the application process. Regardless of when the laboratory receives certification, the laboratory shall implement all applicable standards of the National Environmental Laboratory Accreditation Conference (NELAC 2003 Quality Systems standards, as adopted) upon contract execution.
   d. Laboratories shall maintain certification as specified in item 2.a above during the life of the contract. Should certification for an analyte or test method be lost, all affected tests shall be immediately sub-contracted to a laboratory with current DoH ELCP certification in the appropriate matrix/method/analyte combination(s). The contractor shall notify the DEP contract manager in writing before any change to a sub-contracted laboratory is made.
   e. The DoH ELCP certificate number (certified laboratory identification number) for each contracted (and sub-contracted) laboratory shall be listed in the required contract QA plan (see Section 6 below) in association with the analytical tests to be performed by each laboratory analyzing samples for the contract.
   f. Each certified laboratory analyzing contracted samples shall ensure that an acceptable demonstration of capability (DOC) is performed as described in the 2003 NELAC Quality Systems standards (NELAC 2003, Section 5.5.4.2.2 and Appendix C). In addition, each certified laboratory that performs any of the proposed matrix/method/analyte combination(s) approved for the contract shall have the requisite DOC documentation and supporting laboratory records on file for the applicable combinations. The DOCs performed shall meet the requirements for precision, accuracy, method detection limit (MDL) and/or practical quantitation limit (PQL), as specified in each applicable laboratory test method, Standard Operating Procedure (SOP) or Quality Manual, or as listed in the contract QA plan (section 6, below). Alternative limits for detection and quantitation other than MDL and PQL shall be determined, if applicable to the laboratory. DOCs performed for the contracted analytes shall include any modifications to the test method or SOP that have been approved by DEP according to 62-160.330(3), F.A.C., if applicable. If requested by the Department, documentation that supports the DOC for a specified analyte and test method shall be made available for review.
   g. The contracted (and/or subcontracted) laboratory shall report PQLs and MDLs or other specified limits of detection and quantitation with the results of sample analyses. MDLs and/or PQLs shall only be required for test methods that are technically amenable to the determination of MDLs and/or PQLs. For those test methods where the determination of MDLs and/or PQLs are not technically feasible, the laboratory shall

report a value or increment representing the lower limit of the working range of the test method, however determined by the laboratory. The laboratory shall indicate whether the reported limit represents a limit of detection or quantitation. In all cases, limits of detection and quantitation other than MDLs and PQLs shall be explicitly defined and evaluated by the laboratory. All limits shall be as listed in the applicable laboratory test method, SOP or Quality Manual, or as listed in the contract QA plan (Section 6, below). The reported MDLs and PQLs (or other limits per above) shall meet the analytical sensitivity and quantitation objectives for the contract.

h. Additional laboratory quality control expectations:
   (i) The selected laboratory test methods listed in the QA Plan shall provide results that meet applicable contract data quality objectives.
   (ii) All laboratory testing procedures shall follow the analytical methods as approved in the contract QA plan (see Section 6).
   (iii) The laboratory shall adhere to the quality control requirements specified in the laboratory test methods and this Attachment.
   (iv) The laboratory shall calculate all sample results according to the procedures specified in the analytical test methods approved in the contract QA plan.

3. **FIELD ACTIVITIES**
   a. All sample collection and field testing activities shall be performed in accordance with the Department's "Standard Operating Procedures for Field Activities" (DEP-SOP-001/01, March 1, 2014). The specific standard operating procedures (SOPs) to be used for this contract shall be cited in the contract QA plan (see Section 6).
   b. Field-Generated Quality Control (QC) Blanks are defined in DEP SOP FQ 1000 (subparts FQ 1211 – FQ 1214) and shall be composed and analyzed for sample collection activities associated with this contract according to the requirements of part FQ 1230 (sections 1. – 2.3.1), DEP SOP FS 2100 (Part FS 2110, sec. 2.1.1.2) and/or DEP SOP FS 2400 (Part FS 2430, sec. 2.1.1.2), as applicable to the analytes and matrices to be collected using the sampling equipment specified in the contract QA plan (section 6 below).
      (i) If an analyte detected in the sample is also found in any field-generated QC blank that is associated with the sample, the contractor shall investigate and attempt to determine the cause of the QC blank contamination. If any contracted sample results are qualified as in (ii) below, the outcome of this investigation shall be reported to the DEP contract manager and shall include a discussion of the corrective measures taken to minimize future occurrences of QC blank contamination associated with the collection of samples for this contract.
      (ii) If an analyte detected in the sample is also found in any field-generated QC blank that is associated with the sample, the analytical result reported for the affected sample shall be qualified as an estimated value, unless the analyte concentration in the blank is less than or equal to 10% of the reported sample concentration. The "G" data qualifier code shall be reported with the sample result for any blank concentration exceeding the above "10%" criterion for the affected analyte (see Table 1, Chapter 62-160, F.A.C.).

4. **REPORTING, DOCUMENTATION AND RECORDS RETENTION**
   a. All laboratory and field records described or listed in Rules 62-160.240 and 62-160.340, F.A.C. shall be retained for a minimum of five years after the generation (or completion) of the records applicable to the contract. Longer retention times as specified in the contract shall supersede.
   b. All field and laboratory data and supporting information shall be reported for this contract according to applicable requirements in 62-160.340(3) through 62-160.340(8), F.A.C.
   c. Any other documentation and reports associated with work performed for this contract shall be likewise retained and shall include relevant information for the procedures described in sections 2 and 3, above.
   d. Any documentation or reports specifically identified in this contract as deliverable work products shall be retained as in 4.a., above.
   e. All field and laboratory records that are associated with work performed under this contract shall be organized so that any information can be quickly and easily retrieved for inspection, copying or distribution.
   f. The Department reserves the right to request some or all of the laboratory or field information in an electronic format specified by the Department, as specified in the contract, and/or as described in the approved contract QA plan (section 6). Also see subsection k., below.

g. Any certified laboratory reports issued for contracted sample analyses using certified methods shall be generated in accordance with NELAC Quality Systems requirements (NELAC 2003, section 5.5.10).
h. Upon request by the Department contract manager or as required by the contract, copies of the original laboratory reports shall be submitted to the contract manager.
i. In addition to any reports of sample results provided per contract deliverable requirements and subsections b., e., f. and g., above, the contractor shall submit any of the laboratory information and/or records associated with the contracted analyses as described in this section (section 4) upon request by DEP, including any of the following:
    - Laboratory sample identification (ID) and associated Field ID
    - Analytical/test method
    - Parameter/analyte name
    - Analytical result (including dilution factor)
    - Result unit
    - Applicable DEP Data Qualifier Codes per Table 1 of Chapter 62-160, F.A.C.
    - Result comment(s) to include corrective/preventive actions taken for any failed QC measure (e.g., QC sample result, calibration failure) or other problem related to the analysis of the samples
    - Date and time of sample preparation (if applicable)
    - Date and time of sample analysis
    - Results of laboratory verification of field preservation of received samples
    - Sample matrix
    - DoH ELCP certification number for each laboratory (must be associated with the test results generated by each laboratory analyzing samples under this contract)
    - MDL, Limit of Detection (LOD) or other defined limit of detection
    - PQL, Limit of Quantitation (LOQ) or other defined limit of quantification
    - Field and laboratory QC blank results:
        - Laboratory QC blank analysis results as required by the method and the NELAC Quality Systems standards (e.g., method blank)
        - Results for trip blanks, field blanks and equipment blanks, as applicable to the project and as specified in the QA Plan (see Section 6)
    - Results for field duplicates (or replicates)
    - Results for other QC and calibration verification results, as applicable to the specific test methods used for the contracted analyses:
        - Results of sample matrix spikes, laboratory duplicates or matrix spike duplicates
        - Results of surrogate spike analyses
        - Results of laboratory control samples (LCS)
        - Results of calibration verifications
        - Acceptance criteria used to evaluate each reported quality control measure
j. Unequivocal documentation links between each reported laboratory quality control measure (e.g., QC blanks, matrix spikes, LCS, duplicates, calibration verification) and the associated sample result(s) shall be maintained for all contracted analyses.
k. In addition to any field information provided per contract deliverable requirements, and subsections b., e., f. and g., above, the contractor shall submit any of the field information and/or records associated with the contracted samples as described in this section (section 4) upon request by DEP, including any of the following:
    - Site name and location information
    - Field ID for each sample container and the associated analytes (test methods) for which the container was collected
    - Date and time of sample collection
    - Sample collection depth, if applicable
    - Sample collection method identified by the DEP SOP number, where applicable
    - If performed, indicate samples that were filtered
    - Field test measurement results:
        - DEP SOP number (FT-series), where applicable
        - Parameter name

- Result
- Result unit
- Applicable Data Qualifier Codes per Table 1 of Chapter 62-160, F.A.C.

- Narrative comments providing explanations, descriptions and/or discussions of: field conditions impacting QC for sample collections, unacceptable field measurements, field-testing meter calibration verification failures, or other problems related to the sampling event, and corrective/preventive actions taken for the items noted (e.g., for blank contamination or meter calibration failure).

l. The Department reserves the right to request some or all of the laboratory or field information in a format as specified in the contract, and/or as described in the approved contract QA plan (section 6). Required formats are specified below.
   (i) Data shall be reported electronically using the following format(s): See Attachment L, Observational Data Management Plan
   (ii) Hardcopy of reporting data shall be provided in the following paper format(s): see Attachment L, Observational Data Management Plan

5. **AUDITS**
   a. AUDITS BY THE DEPARTMENT – Pursuant to Rule 62-160.650, F.A.C., the Department may conduct audits of field and laboratory activities. In addition to allowing Department representatives to conduct onsite audits of contracted work in the field or at contractor (or subcontractor) facilities, upon request by the Department, field and laboratory records pertinent to the contracted research as described per section 4, above shall be provided by the contractor. If an audit by the Department results in a determination that the reported data are not usable for the purpose(s) of the contract, do not meet the data quality objectives specified by the contract, do not meet other applicable Department criteria described in the contract, its attachments, the QA Plan (see section 6, below) or these QA Requirements, do not applicable meet data validation criteria outlined in Rule 62-160.670, F.A.C.; or, are not otherwise suitable for the intended use of the data (however applicable), the DEP contract manager shall pursue remedies available to the Department, including those outlined in section 8, below.
   b. PLANNING REVIEW AUDITS –
      (i) Initial: Prior to the completion of the sampling and analysis events and after the second completed sampling and analysis event but no later than fourth**,** the contractor and all subcontractors shall review the contract QA plan (see Section 6 below) relative to the completed field and laboratory activities to determine if data quality objectives are being met, identify any improvements to be made to project activities, and refine the sampling and/or analytical design or schedule, if applicable. Within one month of the review, a summary of the review, including any corrective action plans or amendments to the contract QA plan, shall be sent to the DEP contract manager, and a copy of all submitted documents shall be maintained with the permanent project records.
      (ii) Ongoing: Planning reviews as described in subsection (i) above shall occur annually thereafter for the remainder of the contract, if applicable to the duration of the contract.
   c. QUALITY SYSTEMS AUDITS – The contractor and all subcontractors shall ensure that any required laboratory and field quality system audits are performed according to the respective Quality Manuals or other relevant internal quality assurance documents for each contracted and sub-contracted entity. The results of these audits shall be documented in the contractor's and subcontractors' records. Copies of the above audit reports or results shall be provided to the DEP contract manager upon request. Copies of audit records for internal audits conducted per DEP SOP FA 1000 (subpart FA 4200) or NELAC Quality Systems requirements (NELAC 2003, section 5.4.13) shall be similarly provided.
   d. STATEMENTS OF USABILITY – As a part of the audit process and the final report, the contractor shall provide statements about data usability as necessary to address the topics in subsections (i) – (iii) below, relative to the contract data quality objectives and any data quality indicators that may be specified in the contract, its attachments, the QA Plan (see section 9, below), or these QA Requirements.
      (i) All applicable data quality acceptance and usability criteria for the contract, as specified in the procedures, test methods, QA plan, Quality Manual(s), other contract attachments, or these QA Requirements shall be met.

(ii) All quality control measures shall be evaluated according to the acceptance criteria listed in the applicable procedures, test methods, QA plan, Quality Manual(s), other contract attachments or these QA Requirements.

(iii) All sample results shall be evaluated according to all applicable usability criteria specified in the procedures, test methods, QA plan, Quality Manual(s), other contract attachments, or these QA Requirements.

6. **QA PLAN**

a. The contractor shall submit the contract QA plan identified below to the DEP contract manager no later than 120 days ***prior to the commencement of field and laboratory activities***. Failure to submit the QA plan in this required timeframe shall result in a delay of approval to begin work until the document has been submitted to the Department and approved (or conditionally approved) by the DEP contract manager. The document shall be submitted as a

(i) The contractor shall prepare a QA plan that shall discuss the information contained in the document "Requirements for Field and Analytical Work Performed for the Department of Environmental Protection Under Contract", DEP-QA-002/02, Section 1, Sampling and Analysis Plan.

b. The contractor may submit a version of the QA plan to the Department for approval no more than three times. If the contractor fails to obtain approval for the QA Plan after the third (final) submission to the Department, the DEP contract manager may suspend or terminate the contract.

c. The DEP contract agreement number shall appear on the title page of the submitted QA plan. Within 45 days of receipt of the QA plan by the Department, the Department shall review and either approve the QA plan or provide comments to the contractor as to why the QA plan is not approved. If further revisions are needed, the contractor shall then have 15 days from the receipt of review comments to respond. The Department shall respond to all revisions to the QA plan within 30 days of receipt of any revisions.

d. If the review of the QA plan by the Department is delayed beyond sixty (60) days after the QA plan is received by the Department, through no fault of the contractor, the contractor shall have the option, after the QA plan is approved, of requesting and receiving an extension in the term of the contract for a time period not to exceed the period of delayed review and approval. This option must be exercised at least sixty (60) days prior to the current termination date of the contract.

e. Work may not begin for specific contract tasks until approval has been received by the contractor from the DEP contract manager. Sampling and analysis for the contract may not begin until the contract QA plan has been approved (or conditionally approved).

f. Once approved, the contractor and subcontractor(s) shall follow the procedures and methods described in the contract QA plan and any other relevant quality assurance documents, including, but not limited to:

- Ensuring that all stated quality control measures are collected, analyzed and evaluated for acceptability;
- Using only the protocols approved in the QA plan; and
- Using only the equipment approved in the QA plan.

g. If any significant changes in sampling project design, changes in the project analyte list, changes in procedures or test methods, changes in equipment, changes in subcontractor organizations or changes in key personnel occur, the contractor shall submit appropriate revisions of the QA Plan to the DEP contract manager for review. The proposed revisions may not be implemented until they have been approved (or conditionally approved) by the DEP contract manager. If the contractor fails to submit the required revisions, the DEP contract manager may suspend or terminate the contract. QA plan revisions or amendments shall be**:**

(i) Provided as amended sections of the current contract QA plan; or

(ii) Documented through written or electronic correspondence with the DEP contract manager and incorporated into the approved contract QA plan by reference or other linkage.

7. **DELIVERABLES**

a. The following lists the expected deliverables that are associated with the quality assurance requirements of this contract:

(i) Reports of planning review audits as specified in item 5.b. above.

(ii) Statements of usability as specified in item 5.d. above.

(iii) Contract QA plan, per Section 6, above.

8. **CONSEQUENCES**

a. Failure to comply with any requirement of this attachment (and any included addenda) may result in:

(i) Immediate termination of the contract.

(ii) Withheld payment for the affected activities.

(iii) Contract suspension until the requirement(s) has been met.

(iv) A request to refund already disbursed payments.

(v) A request to redo work affected by the non-compliant activity.

(vi) Other remedies available to the Department.

R. CERTIFICATIONS 49

THESE RESTORE COUNCIL FINANCIAL ASSISTANCE STANDARD TERMS AND CONDITIONS (ST&Cs) ARE INCORPORATED INTO AND MADE A PART OF THE GRANT AWARD TO WHICH THEY ARE ATTACHED.

A. STATUTORY AND NATIONAL POLICY REQUIREMENTS

The non-Federal entity[1] (also referred to as "recipient" or "grantee") and any subrecipients must, in addition to the assurances made as part of the application, comply and require each of its contractors and subcontractors employed in the completion of the project to comply with all applicable statutes, regulations, executive orders (EOs), Office of Management and Budget (OMB) circulars, terms and conditions, and approved applications. This document provides the Gulf Coast Ecosystem Restoration Council ("Council") standard terms and conditions (ST&Cs) for all Council awards. 2 CFR § 5900.101 provides the Council's adoption of 2 CFR Part 200, giving regulatory effect to the OMB guidance.

This award is subject to the laws and regulations of the United States. Any inconsistency or conflict in terms and conditions specified in the award will be resolved according to the following order of precedence: public laws, regulations, applicable notices published in the *Federal Register*, EOs, OMB circulars, the Council ST&Cs, and special award conditions. Special award conditions may amend or take precedence over the ST&Cs if and when so provided by the ST&Cs.

Certain of the ST&Cs contain, by reference or substance, a summary of the pertinent statutes or regulations published in the *Federal Register* or Code of Federal Regulations (C.F.R.), EOs, OMB circulars, or the assurances (Forms SF-424B and SF-424D). No such provision will be construed so as to be in derogation of, or an amendment to, any such statute, regulation, EO, OMB circular, or assurance.

B. PROGRAMMATIC REQUIREMENTS

The recipient must use funds only for the purposes identified in the grant award agreement in accordance with the requirements in 31 C.F.R. § 34.803(d). All activities under the award must meet the eligibility requirements of the Gulf RESTORE Program as defined in 31 C.F.R. §§ 34.201, 34.202 or 34.203, according to component.

[1] The OMB *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* located at 2 C.F.R. part 200 uses the term "non-Federal entity" to generally refer to an entity that carries out a Federal award as a recipient or subrecipient. Because certain of the provisions of these ST&Cs apply to recipients rather than subrecipients, or vice versa, for clarity, these ST&Cs use the terms "non-Federal entity", "recipient", and "subrecipient." In addition, the OMB Uniform Guidance uses the term "pass-through entity" to refer to a non-Federal entity that makes a subaward.
"Non-Federal entity" is defined at 2 C.F.R. § 200.69 as "a State, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient."
"Recipient" is defined at 2 C.F.R. § 200.86 as "a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients."
"Subrecipient" is defined at 2 C.F.R. § 200.93 as "a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency."
"Pass-through entity" is defined as 2 C.F.R. § 200.74 as "a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program."

.01 Performance (Technical) Reports

a. Non-Federal entities must use OMB-approved governmentwide standard information collections when providing financial and performance information and, as appropriate and in accordance with such information collections, are required to relate financial data to the performance accomplishments of the Federal award. When applicable, recipients must also provide cost information to demonstrate cost effective practices (e.g., through unit cost data). The Non-Federal entity's performance will be measured in a way that will help the Council and other non-Federal entities to improve program outcomes, share lessons learned and spread the adoption of promising practices. Recipients will be provided with clear performance goals, indicators and milestones as described in 2 C.F.R. § 200.210 "Information contained in a Federal award."

b. Recipients must submit performance (technical) reports, which may be Form SF-PPR "Performance Progress Report" or any successor form, or another format as required by the Council, to the Council-designated grants officer (Grants Officer). Performance reports should be submitted electronically, unless the recipient makes an arrangement with the Grants Officer for submission in hard copy (no more than one original and two copies) in accordance with the award conditions.

c. Performance Reports must be submitted with the same frequency as the Federal Financial Report (Form SF-425), unless otherwise authorized by the Grants Officer. If events occur between scheduled performance reporting dates that have significant impact upon the activity, project or program, the recipient must notify the Grants Officer as soon as possible.

d. Performance (technical) reports shall contain brief information as prescribed in the *Uniform Administrative Requirements, Cost Principals and Audit Requirements for Federal Awards* (2 C.F.R. part 200, specifically 2 C.F.R. § 200.328) incorporated into the award, unless otherwise specified in the award provisions. Specifically, in the "performance narrative" (item 10 on the SF-PPR), the recipient must provide the following information.

    1. Activities and Accomplishments:

        i. Summarize activities undertaken during the reporting period;
        ii. Summarize any key accomplishments, including milestones and metrics completed for the period;
        iii. List any contracts awarded during the reporting period, along with the name of the contractor and its principal, the DUNS number of the contractor, the value of the contract, the date of award, a brief description of the services to be provided, and whether or not local preference was used in the selection of the contractor; and
        iv. If the recipient is authorized to make subawards, list any subawards executed during the reporting period, along with the name of the entity and its principal, the DUNS number of the entity, the value of the agreement, the date of award, and a brief description of the scope of work.

    2. Adaptive Management:

        i. Indicate if any operational, legal, regulatory, budgetary, and/or ecological risks, and/or any public controversies, have materialized; if so, indicate what mitigation strategies have been undertaken to attenuate these risks or controversies; and
        ii. Summarize any challenges that have impeded the recipient's ability to accomplish the approved scope of work on schedule and on budget.

3. Findings/Events: Summarize any significant findings or events, if applicable.

4. Dissemination Activities: Describe any activities to disseminate or publicize results of the activity, project, or program, if applicable.

5. Monitoring:

   i. Describe all efforts taken to monitor contractor and/or subrecipient performance, to include site visits, during the reporting period. For subawards, indicate whether the subrecipient submitted an audit to the recipient, and if so, whether the recipient issued a management decision on any findings; and
   ii. Describe any other activities or relevant information not already provided.

6. Planned Activities: Summarize the activities planned for the next reporting period.

7. Attachments: List and attach any deliverables completed during the performance period or other materials to be submitted with the report.

.02 Reporting on Real Property

In accordance with 2 C.F.R. § 200.329, the Federal awarding agency or pass-through entity must require a non-Federal entity to submit reports at least annually on the status of real property in which the Federal government retains an interest, unless the Federal interest in the real property extends 15 years or longer. If the attached Federal interest is for a period of 15 years or longer, the Council or pass-through entity may, at its option, require the non-Federal entity to report at various multi-year frequencies as specified in the terms of the award (e.g., every two years or every three years, not to exceed a five-year reporting period; or the Council or pass-through entity may require annual reporting for the first three years of a Federal award and thereafter require reporting every five years).

.03 Unsatisfactory Performance

Failure to perform the work in accordance with the terms of the award and maintain at least a satisfactory performance as determined by the Council may result in designation of the non-Federal entity as high risk and the assignment of special award conditions or other further action as provided in Section B.06, "Non-Compliance with Award Provisions" below.

.04 Programmatic Changes

The non-Federal entity shall report programmatic changes to the Grants Officer in accordance with 2 C.F.R. § 200.308, and shall request prior approvals in accordance with 2 C.F.R. § 200.407.

.05 Other Federal Awards with Similar Programmatic Activities

The non-Federal entity shall immediately provide written notification to the Grants Officer in the event that, subsequent to receipt of the Council award, other financial assistance is received to support or fund any portion of the scope of work incorporated into the Council award. The Council will not pay for any costs that are funded by other sources.

.06 Non-Compliance with Award Provisions

Failure to comply with any or all of the provisions of the award may have a negative impact on future funding by the Council and may be considered grounds for any or all of the following actions: withholding of payments pending correction of the deficiency by the non-Federal entity and/or more severe enforcement action by the Council or pass-through entity in accordance with 2 C.F.R. § 200.338; disallowance of (that is, denial of both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance; suspension or termination of all or any portion of the award; initiation of suspension or debarment proceedings as authorized under 2 C.F.R. part 180 and any Council regulations and policies promulgated pursuant to its authority (or in the case of a pass-through entity, recommendation that such a proceeding be initiated by the Council); withholding of further awards for the project or program; or enforcement of other remedies that may be legally available. *See also* 2 C.F.R. §§ 200.339 through 200.342.

.07 Prohibition against Assignment by the Non-Federal Entity

The non-Federal entity shall not transfer, pledge, hypothecate, mortgage, or otherwise assign the award, or any interest therein, or any claim arising thereunder, to any party or parties, including without limitation any bank, trust company or other financing or financial institution, without the express written approval of the Grants Officer.

.08 Disclaimer Provisions

a. The United States expressly disclaims any and all responsibility or liability to the non-Federal entity or third persons for any actions of the non-Federal entity or third persons resulting in death, bodily injury, personal or property damage, or any other damage, loss or liability in connection with or resulting in any way from the performance of this award or any subaward or subcontract under this award.

b. Acceptance of this award by the non-Federal entity does not in any way establish or constitute an agency relationship between the United States and the non-Federal entity.

C. FINANCIAL REQUIREMENTS

.01 Financial Reports

a. In accordance with 2 C.F.R. § 200.327, the recipient shall submit a “Federal Financial Report” (Form SF-425 or any successor form, or another format as required by the Council) on a semi-annual basis. Semi-annual reporting periods will be specified in the grant award for either the periods ending March 31 and September 30, or any portion thereof, or June 30 and December 31, or any portion thereof, unless otherwise specified in a special award condition. Reports are due no later than 30 days following the end of each reporting period. A final Form SF-425 shall be submitted within 90 days after the expiration of the project period.

b. The report should be submitted to the Grants Officer electronically, unless the recipient makes an arrangement with the Grants Officer for submission in hard copy (no more than one original and two copies), in accordance with the award conditions.

c. The recipient must report to the Council at the conclusion of the grant period, or other period specified by the Council, on the use of funds pursuant to the award in accordance with the requirements in 31 C.F.R. § 34.803(e).

d. The recipient must forecast cash requirements/draws semi-annually, for the periods October 1 to March 31 and April 1 to September 30, throughout the life of the grant. Forecasted cash requirements must be updated with the submission of each "Federal Financial Report."

.02 Financial Management

a. In accordance with 2 C.F.R. § 200.302(a), each State, including a state's administrative agents and the Gulf Consortium of Florida counties, must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds. In addition, the state's and other non-Federal entities' financial management systems, including records documenting compliance with Federal statutes, regulations, and the terms and conditions of the Federal award, must be sufficient to permit the preparation of reports required by general and program-specific terms and conditions – including preparation of accurate, current and complete SF-425, Performance (Technical) Report, reporting on subawards, and any additional reports required by any additional award conditions. The financial management system also must be sufficient to trace funds to a level of expenditures adequate to establish that such funds have been used according to the Federal statutes, regulations – including without limitation the Resources and Ecosystem Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast States Act of 2012 (RESTORE Act), Council and Treasury RESTORE Act regulations – and the terms and conditions of the Federal award. *See also* 2 C.F.R. § 200.450 "Lobbying."

b. The financial management system of each non-Federal entity must provide all information required by 2 C.F.R. § 200.302(b) and maintain detailed records sufficient to account for the receipt, obligation and expenditure of grant funds in accordance with the requirements in 31 C.F.R. § 34.803(b). *See also* 2 C.F.R. §§ 200.333 "Retention requirements for records"; 200.334 "Requests for transfer of records"; 200.335 "Methods for collection, transmission and storage of information"; 200.336 "Access to records"; and 200.337 "Restrictions on public access to records." Specifically, the financial management system must provide for:

    1. Identification and tracking of all Council awards received and expended by the Catalog of Federal Domestic Assistance (CFDA) title and number, Federal award identification number and year, name of the Federal agency, and name of the pass-through entity, if any;

    2. Records that adequately identify the source and application of all funds for Federally-funded activities, including information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest, and are supported by source documentation; and

    3. Effective control over, and accountability for, all Federal funds, and all property and assets acquired with Federal funds. The recipient must adequately safeguard all assets and ensure that they are used solely for authorized purposes.

c. The recipient must establish written procedures to implement the requirements set forth in Subsection, C.03 "Award Payments," below, as well as written procedures to determine the allowability of costs in accordance with 2 C.F.R. Part 200, subpart E "Cost Principles," and the terms and conditions of this award.

.03 Award Payments

a. The reimbursement method of payment will be used under this award, unless otherwise specified in a special award condition. The Grants Officer will determine the appropriate method of payment. Payments are made through electronic funds transfers directly to the non-Federal entity's bank account and in accordance with the requirements of the Debt Collection Improvement Act of 1996 (31 U.S.C. § 3701 *et. seq.*) and the Cash Management Improvement Act (31 U.S.C. § 6501 *et. seq.*).

   1. Consistent with 2 C.F.R. § 200.305(a), for States, payments are governed by the Treasury-State Cash Management Improvement Act (CMIA) agreements and default procedures codified at 31 C.F.R. Part 205 "Rules and Procedures for Efficient Federal-State Funds Transfers" and Treasury Financial Manual Volume I, 4A-2000 "Overall Disbursing Rules for All Federal Agencies."

   2. Consistent with 2 C.F.R. § 200.305(b), for non-Federal entities other than States, payment methods must minimize the amount of time elapsing between the transfer of funds from the U.S. Treasury or the pass-through entity and the disbursement by the non-Federal entity.

b. The Council Award Number must be included on all payment-related correspondence, information, and forms.

c. Unless otherwise provided for in the award terms, payments under this award will be made using the Department of Treasury's Automated Standard Application for Payment (ASAP)[2] system. Under the ASAP system, payments will be made through preauthorized electronic funds transfers in accordance with the requirements of the Debt Collection Improvement Act of 1996. Awards paid under the ASAP system will contain a special award condition, clause or provision describing enrollment requirements and any controls or withdrawal limits set in the ASAP system. Recipients enrolled in the ASAP system are not required to submit a "Request for Advance or Reimbursement" (Form SF-270 or successor form), in order to receive payments relating to their award. Pre-approval prior to requesting payments may be required for recipients that are determined by the Council to be in a high risk category or noncompliant (*see* 2 C.F.R. § 200.205 "Federal awarding agency review of risk posed by applicants," and *see* section M "Remedies for Noncompliance" below).

   1. In order to receive payments under ASAP, recipients are required to enroll with the Department of Treasury, Financial Management Service, Regional Financial Centers, which enables them to use the on-line and Voice Response System (VRS) method of withdrawing funds from their ASAP established accounts.

   2. The following information will be required to make withdrawals under ASAP: (i) ASAP account number, i.e., the Federal award number found on the cover sheet of the award; (ii) Agency Location Code (ALC); and (iii) Region Code.

d. When expressly allowed through a special award condition, advances shall be limited to the minimum amounts necessary to meet immediate disbursement needs, but in no event shall advances exceed the amount of cash required for a 30-day period. Funds advanced but not disbursed in a timely manner and any accrued interest thereon must be promptly returned to the Council. The Grants Officer may periodically request documentation from the non-Federal entity verifying that the elapsed time between the transfer of funds and disbursement has been minimized. If a non-Federal entity demonstrates an unwillingness or inability to establish procedures that will minimize time elapsing

[2] Department of Treasury's Automated Standard Application for Payment (ASAP) system - https://www.fiscal.treasury.gov/fsservices/gov/pmt/asap/asap_home.htm, verified on 8/18/2015.

between transfer of funds and disbursement or if the non-Federal entity otherwise fails to continue to qualify for the advance payment method, the Grants Officer may change the method of payment to reimbursement only.

e. Where the use of an alternative system other than ASAP is provided for in the award terms, requests for payment will be submitted to the Grants Officer.

    1. Form SF-3881, "ACH Vendor/Miscellaneous Payment Enrollment Form," must be completed before the first award payment can be made via the "Request for Advance or Reimbursement" (Form SF-270) request.

    2. When advance payment is expressly allowed for by special award condition, the non-Federal entity must submit the request no more frequently than monthly, and advances will be approved for periods to cover only expenses anticipated over the following 30 days. The non-Federal entity must complete the "ACH Vendor Miscellaneous Payment Enrollment Form" (Form SF-3881 or successor form), and Form SF-270, and submit those forms to the Grants Officer.

.04 Federal and Non-Federal Sharing

a. Awards that include Federal and non-Federal sharing incorporate a budget consisting of shared allowable costs. If actual allowable costs are less than the total approved budget, the Federal and non-Federal cost shares shall be calculated by applying the approved Federal and non-Federal cost share ratios to actual allowable costs. If actual allowable costs are greater than the total approved budget, the Federal share shall not exceed the total Federal dollar amount authorized by the award.

b. The non-Federal share, whether in cash or in-kind, is to be paid out at the same general rate as the Federal share. Exceptions to this requirement may be granted by the Grants Officer based on sufficient documentation demonstrating previously determined plans for, or later commitment of, cash or in-kind contributions. In any case the non-Federal entity must meet its cost share commitment over the life of the award. The non-Federal entity must create and maintain sufficient records sufficient to justify all non-Federal sharing requirements and to facilitate questions and audits. *See* Section I "Audits" below for audit requirements, and *see* 2 C.F.R. § 200.306 for additional requirements regarding cost sharing.

.05 Program Income

a. Non-Federal entities are encouraged to earn income to defray program costs where appropriate. Any program income shall be earned and applied consistent with the requirements of 2 C.F.R. § 200.307.

b. The recipient must maintain detailed records sufficient to account for the receipt, obligation, and expenditure of grant funds including the tracking of program income. Program income must be included in the non-Federal entity's approved budget and tracked in accordance with the requirements in 31 C.F.R. § 34.803(b).

c. All program income must be documented in the Federal financial report submitted to the Council for the period in which the income was earned.

.06 Budget Changes and Transfer of Funds among Categories

a. Requests for changes to the approved budget must be made in accordance with 2 C.F.R. § 200.308 "Revision of budget and program plans" and submitted in writing to the Grants Officer who will make the final determination on such requests and notify the non-Federal entity in writing thereof.

   1. Construction Awards. For construction Federal awards, the non-Federal entity must request prior written approval promptly from the Grants Officer for budget revisions whenever one or more of the following applies:

      i. The revision results from changes in the scope or the objective of the project or program;
      ii. The need arises for additional Federal funds to complete the project; or
      iii. A revision is desired which involves specific costs for which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in 2 C.F.R. part 200, Subpart E—"Cost Principles."

   2. Non-Construction Awards. For non-construction Federal awards, recipients must request prior written approval promptly from the Grants Officer for budget revisions whenever one or more of the following applies:

      i. Change in the scope or the objective of the project or program;
      ii. Change in a key person specified in the application or the Federal award;
      iii. The disengagement from the project for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director or principal investigator;
      iv. The inclusion, unless waived by the Council, of costs that require prior approval in accordance with 2 C.F.R. part 200 Subpart E—"Cost Principles" or 45 C.F.R. Part 75 Appendix IX "Principles for Determining Costs Applicable to Research and Development under Awards and Contracts with Hospitals," or 48 C.F.R. Part 31 "Contract Cost Principles and Procedures," as applicable;
      v. The transfer of funds budgeted for participant support costs as defined in 2 C.F.R. § 200.75 "Participant support costs to other categories of expense";
      vi. The subawarding, transferring or contracting out of any work under a Federal award unless (a) described in the application and funded in the approved Federal award, or (b)applicable to the acquisition of supplies, material, equipment or general support services only; or
      vii. Changes in the amount of approved cost-sharing or matching provided by the non-Federal entity. No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB. *See also* 2 C.F.R. §§ 200.102 "Exceptions" and 200.407 "Prior written approval."

   3. Both Construction and Non-Construction Activities in Award. If a single award provides support for construction and non-construction work, the recipient must request prior written approval from the Grants Officer before making any fund or budget transfers between the two types of work supported.

b. In accordance with 2 C.F.R. § 200.308(e), transfers of funds by the recipient among direct cost categories are permitted for awards in which the Federal share of the project is the Simplified Acquisition Threshold ($150,000 as of 12/26/2013) or less. For awards in which the Federal share of the project exceeds the Simplified Acquisition Threshold, the recipient must request prior written approval from the Grants Officer for transfers of funds among direct cost categories when the

cumulative amount of such direct cost transfers exceeds ten percent of the total budget[3] as last approved by the Grants Officer. The 10% threshold applies to the total Federal funds authorized by the Grants Officer at the time of the transfer request. The same requirements apply to the cumulative amount of transfer of funds among programs, functions, and activities. This transfer authority does not authorize the recipient to create new budget categories within an approved budget without the prior written approval of the Grants Officer. No transfer that enables any Federal appropriation, or part thereof, to be used for an unauthorized purpose will be permitted. The foregoing provision does not prohibit the recipient from requesting Grants Officer approval for revisions to the budget. *See* 2 C.F.R. § 200.308 (as applicable) for specific requirements concerning budget revisions and transfer of funds between budget categories.

c. The recipient is not authorized at any time to transfer amounts budgeted for direct costs to the indirect costs line item or vice versa without the prior written approval of the Grants Officer.

.07 Indirect (Facilities and Administrative [F&A]) Costs

a. Indirect (facilities and administrative [F&A]) costs will not be allowable charges against an award unless permitted under the award, specifically included as a line item in the award's approved budget and consistent with 2 C.F.R. §§ 200.414 "Indirect (F&A) costs" and Subpart E "Cost Principles."

b. Indirect costs of recipients are subject to the three percent (3%) cap on administrative expenses stated in 33 U.S.C. § 1321(t)(1)(B)(iii) and 31 C.F.R. § 34.204. The three percent cap on administrative expenses applies only to recipients and does not flow down to subrecipients.

c. Excess indirect costs may not be used to offset unallowable direct costs.

d. Indirect costs charged must be consistent with the indirect cost rate agreement negotiated between the non-Federal entity and its cognizant agency (defined as the Federal agency that is responsible for reviewing, negotiating, and approving cost allocation plans or indirect cost proposals, *see* 2 C.F.R. § 200.19) and must be included in the recipient's budget. The Council will accept approved indirect cost rates unless otherwise authorized by a Federal statute or regulation, or requirements at 2 C.F.R. § 200.414(c) are met.

    1. If indirect costs are permitted and the non-Federal entity wishes to include indirect costs in its budget, but the non-Federal entity has not previously established an indirect cost rate with a Federal agency, the requirements for determining the relevant cognizant agency and developing and submitting indirect (F&A) cost rate proposals and cost allocation plans are contained in Appendices III – VII to 2 C.F.R. Part 200 as follows:

        - Appendix III to 2 C.F.R. Part 200 – Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Institutions of Higher Education (IHEs);
        - Appendix IV to 2 C.F.R. Part 200 – Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations;
        - Appendix V to 2 C.F.R. Part 200 – State/Local Governmentwide Central Service Cost Allocation Plans;

[3] The cumulative amount of direct cost transfers is calculated by summing the negative variances between the approved and proposed budgets. Variance is calculated by subtracting the proposed budget amount for each cost category from the approved budget amount for the category. Only variances less than zero are totaled. The cumulative negative variance is then divided by the total grant award budget to determine the percentage transferred, i.e., cumulative % of transfer(s) = {[Σ (negative variances)] / total award budget} x 100.

- Appendix VI to 2 C.F.R. Part 200 – Public Assistance Cost Allocation Plans; and
- Appendix VII to 2 C.F.R. Part 200 – States and Local Government and Indian Tribe Indirect Cost Proposals.

The cognizant agency for governmental units or agencies not specifically identified by OMB will be determined based on the Federal agency providing the largest amount of Federal funds. *See* 2 C.F.R. §200.416 "Cost allocation plans and indirect cost proposals." When the Council is not the oversight or cognizant Federal agency, the non-Federal entity shall provide the Grants Officer with a copy of a negotiated rate agreement or a copy of the transmittal letter submitted to the cognizant or oversight Federal agency requesting a negotiated rate agreement.

2. For those organizations for which the Council is cognizant or has oversight, the Council or its designee will either negotiate a fixed rate with carry-forward provisions for the non-Federal entity or, in some instances, will limit its review to evaluating the procedures described in the non-Federal entity's cost allocation plan. Indirect cost rates and cost allocation methodology reviews are subject to future audits to determine actual indirect costs.

3. Within 90 days after the award start date, the non-Federal entity shall submit to the address listed below documentation (indirect cost proposal, cost allocation plan, etc.) necessary to perform the review. The non-Federal entity shall provide the Grants Officer with a copy of the transmittal letter.

   Gulf Coast Ecosystem Restoration Council Office
   Attn: Senior Grants Management Officer
   500 Poydras Street, Suite 1117
   New Orleans, LA 70130

   If the non-Federal entity fails to submit the required documentation to the Council within 90 days of the award start date, the Grants Officer may amend the award to preclude the recovery of any indirect costs under the award. If the Council, oversight or cognizant Federal agency determines there is a finding of good and sufficient cause to excuse the non-Federal entity's delay in submitting the documentation, an extension of the 90-day due date may be approved by the Grants Officer.

4. The non-Federal entity may use the fixed rate proposed in the indirect cost plan until such time as the Council provides a response to the submitted plan. Actual indirect costs must be calculated annually and adjustments made through the carry-forward provision used in calculating the following year's rate. This calculation of actual indirect costs and the carry-forward provision is subject to audit. Indirect cost rate proposals must be submitted annually. Organizations that have previously established indirect cost rates must submit a new indirect cost proposal to the cognizant agency within six months after the close of each of the recipients' fiscal years.

e. The maximum dollar amount of allocable indirect costs for which the Council will reimburse the non-Federal entity shall be the lesser of:

   1. The line item amount for the Federal share of indirect costs contained in the approved award budget, including all budget revisions approved in writing by the Grants Officer; or

   2. The Federal share of the total indirect costs allocable to the award based on the indirect cost rate approved by a cognizant or oversight Federal Agency for indirect costs and applicable to the period in which the cost was incurred, provided that the rate is approved in writing on or before

the award end date, subject to the three percent (3%) cap on administrative expenses provided in 33 U.S.C. § 1321(t)(1)(B)(iii) and 31 C.F.R. § 34.204.

f. In addition, a non-Federal entity that is a State, local government, Indian tribe, institution of higher education, or nonprofit organization and has never received a negotiated indirect cost rate may elect to charge a *de minimis* rate of 10% of modified total direct costs. *See also* 2 C.F.R. § 200.414(f).

.08 Incurring Costs or Obligating Federal Funds Outside of the Period of Performance

a. The non-Federal entity shall not incur costs or obligate funds for any purpose pertaining to the operation of the project, program, or activities beyond the period of performance, i.e., the time during which the non-Federal entity may incur new obligations to carry out the work authorized under the Federal award. *See* 2 C.F.R. §§ 200.77 and 200.309.

1. The Council or pass-through entity must include start and end dates of the period of performance in the Federal award.

2. All activities supported through an award must occur and be completed during the approved period of performance, whether funded directly or through a subaward or subcontract, and all obligated costs must be liquidated within 90 days following the end date of the period of performance.

3. The only costs which may be authorized for a period of not to exceed 90 days following the end of the project period are those solely associated with close-out activities. Close-out activities are limited to the preparation of final progress, financial, and required project audit reports unless otherwise approved in writing by the Grants Officer. The Grants Officer may approve extensions of the 90-day closeout period upon a request by the non-Federal entity as provided in 2 C.F.R. § 200.343.

b. Unless otherwise authorized in 2 C.F.R. § 200.343 or a special award condition, any extension of the project period can only be authorized by the Grants Officer in writing. Verbal or written assurances of funding from anyone other than the Grants Officer shall not constitute authority to obligate funds for programmatic activities beyond the end of the project period.

c. Pre-Award Costs. Pre-award costs are those incurred prior to the effective date of the Federal award directly pursuant to the negotiation and in anticipation of the Federal award where such costs are necessary for efficient and timely performance of the scope of work. Such costs are allowable only to the extent that they would have been allowable if incurred after the date of the Federal award and only with the written approval of the Grants Officer. The recipient must use funds obligated and disbursed under the award only during the period of performance specified in the award document. *See* 2 C.F.R. § 200.458.

d. The Council has no obligation to provide any additional prospective funding. Any amendment of the award to increase funding and to extend the project period is at the sole discretion of the Council.

.09 Tax Refunds

Refunds of Federal Insurance Contributions Act (FICA) (26 U.S.C. §§ 3101-3128) or Federal Unemployment Tax Act (FUTA) (26 U.S.C. §§ 3301-3311) taxes received by the non-Federal entity

during or after the period of performance must be refunded or credited to the Council whenever the benefits were financed with Federal funds under the award. The non-Federal entity shall contact the Grants Officer immediately upon receipt of these refunds. The non-Federal entity shall in addition refund portions of FICA/FUTA taxes determined to belong to the Federal Government, including refunds received after the period of performance ends.

D. INTERNAL CONTROLS

Consistent with 2 C.F.R. § 200.303, each non-Federal entity:

a. Must establish and maintain effective internal control over the Federal award that provides reasonable assurance that the non-Federal entity is managing the Federal award in compliance with Federal statutes, regulations, and the terms and conditions of the Federal award. These internal controls must be in compliance with guidance in "Standards for Internal Control in the Federal Government"[4] issued by the Comptroller General of the United States or the "Internal Control Integrated Framework,"[5] issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

b. Must comply with Federal statutes, regulations, and the terms and conditions of the Federal award.

c. Must evaluate and monitor the non-Federal entity's compliance with statute, regulations and the terms and conditions of Federal award.

d. Must take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.

e. Must take reasonable measures to safeguard protected personally identifiable information and other information the Council or pass-through entity designates as sensitive or the non-Federal entity considers sensitive consistent with applicable Federal, state and local laws regarding privacy and obligations of confidentiality.

E. PROPERTY STANDARDS

.01 Standards

The non-Federal entity must comply with the property standards as stipulated in 2 C.F.R. §§ 200.310 to 200.316.

.02 Insurance coverage

Recipients must provide insurance coverage for real property and equipment acquired or improved with Federal funds equivalent to that provided for property owned by the non-Federal entity. Federally-owned

[4] "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States - http://www.gao.gov/assets/80/76455.pdf, verified on 8/18/2015.
[5] "Internal Control Integrated Framework," issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO), Executive Summary - http://www.coso.org/documents/Internal%20Control-Integrated%20Framework.pdf, verified on 8/18/2015.

property need not be insured unless required by the terms and conditions of the Federal award. *See* 2 C.F.R. § 200.310.

.03 Real Property

a. Real property or an interest in real property may not be acquired under an award without prior written approval of the Grants Officer.

b. Title of real property. Subject to the obligations and conditions set forth in this section, title to real property acquired or improved under a Federal award will vest upon acquisition in the non-Federal entity.

c. Use. Except as otherwise provided by Federal statutes or by the Council, real property must be used for the originally authorized purpose as long as needed for that purpose, during which time the non-Federal entity must not dispose of or encumber its title or any other interest therein.

d. Willing Sellers. Land or interest in land may only be acquired by purchase, exchange or donation from a willing seller in accordance with the requirements in 31 C.F.R. § 34.803(f).

e. Federal Acquisitions. Funds may not be used to acquire land in fee title by the Federal Government unless the exceptions in 31 C.F.R. § 34.803(g) are met.

f. Disposition. When real property is no longer needed for the originally authorized purpose, the non-Federal entity must obtain disposition instructions from the Council or pass-through entity. The instructions will provide that the non-Federal entity do one of the following:

    1. Retain title after compensating the Council. The amount paid to Council will be computed by applying the Council's percentage of participation in the cost of the original purchase (and costs of any improvements) to the fair market value of the property. However, if the non-Federal entity is disposing of real property acquired or improved with a Federal award and acquiring replacement real property under the same Federal award, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

    2. Sell the property and compensate the Council. The amount due to the Council will be calculated by applying the Council's percentage of participation in the cost of the original purchase (and cost of any improvements) to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the Federal award has not been closed out, the net proceeds from sale may be offset against the original cost of the property. When the non-Federal entity is directed to sell property, it must utilize sales procedures that provide for competition to the extent practicable and result in the highest possible return.

    3. Transfer title to the Council or to a third party designated or approved by the Council. The non-Federal entity is entitled to be paid an amount calculated by applying the non-Federal entity's percentage of participation in the purchase of the real property (and cost of any improvements) to the current fair market value of the property.

g. The Grants Officer may require the non-Federal entity to submit the Tangible Personal Property Report (Form SF-428 or successor form), and/or Real Property Status Report (Form SF-429 or successor form), including applicable attachments to each form, in connection with the reporting of tangible personal property or of real property acquired or improved, in whole or in part, under a Council financial assistance award. The Grants Officer may also require the non-Federal entity to

submit Form SF-428 and/or Form SF-429, or successor forms, in connection with a non-Federal entity's request to acquire, encumber, dispose of, or take any other action pertaining to tangible personal property or to real property acquired or improved, in whole or in part, under a Council financial assistance award.

.04 Federally-owned and Exempt Federally-owned Property

a. Title to Federally-owned property[6] remains vested in the Federal government. The non-Federal entity must submit annually an inventory listing of Federally-owned property in its custody to the Grants Officer. Upon completion of the Federal award or when the property is no longer needed, the non-Federal entity must report the property to the Grants Officer for further Council utilization. If the Council has no further need for the property, it must declare the property excess and report it for disposal to the appropriate Federal disposal authority, unless the Council has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. § 3710 (i)) to donate research equipment to educational and non-profit organizations in accordance with Executive Order 12999, "Educational Technology: Ensuring Opportunity for All Children in the Next Century."). The Council will issue appropriate instructions to the non-Federal entity. The Council may exercise this option when statutory authority exists.

b. Absent statutory authority and specific terms and conditions of the Federal award, title to exempt Federally-owned property acquired under the Federal award remains with the Federal government.

c. The Grants Officer may require the non-Federal entity to submit the Tangible Personal Property Report (Form SF-428 or successor form), and/or Real Property Status Report (Form SF-429 or successor form), including applicable attachments to each form, in connection with the reporting of Federally-owned property that is in the non-Federal entity's custody pursuant to a Council financial assistance award or with a non-Federal entity's request to acquire, encumber, dispose of, or take any other action pertaining to Federally-owned property.

.05 Equipment

a. Recipients must comply with the equipment standards provided in 2 C.F.R. §§ 200.313 "Equipment" and 200.439 "Equipment and other capital expenditures."

b. American-Made Equipment and Products. Recipients are hereby notified that they are encouraged, to the greatest extent practicable, to purchase American-made equipment and products with funding provided under this award.

c. Use, management, and disposition of equipment acquired.

    1. For recipients that are States: The recipient must use, manage and dispose of equipment acquired under this award in accordance with state laws and procedures.

    2. For recipients that are not States: Equipment must be used by the recipient in the program or project for which it was acquired as long as needed, whether or not the project or program

[6] Federally-owned property as defined in 2 C.F.R. § 200.312 means property acquired under a Federal award where the title vests with the Federal government. Exempt Federally-owned property means property acquired under a Federal award where the Federal awarding agency has chosen to vest title to the property to the non-Federal entity without further obligation to the Federal Government, based upon the explicit terms and conditions of the Federal award.

continues to be supported by the Federal award. Before disposing of equipment during the period of performance, the recipient must seek disposition instructions from the Grants Officer for equipment acquired under this award if the current fair market value of the equipment is greater than $5,000 per unit. Disposition instructions must be requested by submitting a completed "Tangible Personal Property Report" (SF-428 or any successor form) and the "Disposition Request/Report" (SF-428-C or any successor form). In addition, not later than 60 days after the end of the period of performance, the recipient must submit to the Grants Officer a completed SF-428 and "Final Report Form" (SF-428-B or any successor form) if the recipient retains any equipment with a current fair market value greater than $5,000 per unit.

.06 Supplies

a. Title to supplies vests in the non-Federal entity upon acquisition. If residual inventory of unused supplies exceeds $5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other Federal award, then the non-Federal entity may retain the supplies for use on other activities or sell them, but must, in either case, compensate the Federal government for its share. The amount of compensation must be computed in the same manner as for equipment as prescribed in 2 C.F.R. § 200.313 "Equipment"; *see* 200.313(e)(2) for the calculation methodology. *See also* 2 C.F.R. § 200.453 "Materials and supplies costs, including costs of computing devices." The recipient must report the value and the retention or sale of such supplies by submitting to the Grants Officer a completed "Tangible Personal Property Report" (SF-428 or any successor form) and "Final Report Form" (SF-428-B or any successor form) no later than 60 days after the end of the period of performance.

b. As long as the Federal government retains an interest in the supplies, the non-Federal entity must not use supplies acquired under a Federal award to provide services to other organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute.

.07 Intangible Property

a. Title to intangible[7] property acquired under a Federal award vests upon acquisition in the non-Federal entity.

b. The non-Federal entity must use intangible property for the originally-authorized purpose, and must not encumber the property without the prior written approval of the Council. When no longer needed for the originally authorized purpose, disposition of the intangible property must occur in accordance with the provisions in 2 C.F.R. § 200.313(e).

c. The non-Federal entity may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under a Federal award. The Council reserves a royalty-free, perpetual, nonexclusive and irrevocable license to reproduce, publish, distribute, exhibit, and/or otherwise use and exploit the work throughout the world in all media now known or hereafter devised, and to authorize others to do so for Federal purposes.

[7] Intangible property as defined by 2 C.F.R. § 200.59 means property having no physical existence, such as trademarks, copyrights, patents and patent applications and property, such as loans, notes and other debt instruments, lease agreements, stock and other instruments of property ownership (whether the property is tangible or intangible).

d. The non-Federal entity is subject to applicable regulations governing patents and inventions, including governmentwide regulations issued by the Department of Commerce at 37 C.F.R. part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Awards, Contracts and Cooperative Agreements."

e. The Federal government has the right, perpetually throughout the world in all media now known or hereafter devised, to:

    1. Obtain, reproduce, publish, distribute, exhibit, and/or otherwise use and exploit the data produced under a Federal award; and

    2. Authorize others to do so for Federal purposes.

f. Freedom of Information Act (FOIA). Pursuant to 2 C.F.R. § 200.315(e), in response to a FOIA request for research data relating to published research findings[8] produced under a Federal award that were used by the Federal government in developing an agency action that has the force and effect of law, the Council will request, and the non-Federal entity must provide, within a reasonable time, the research data[9] so that such data can be made available to the public through the procedures established under the FOIA. If the Council obtains the research data solely in response to a FOIA request, the Council may charge the requester a reasonable fee equal to the full incremental cost of obtaining the research data that reflects the costs incurred by the Council and the non-Federal entity. Pursuant to 5 U.S.C. § 552(a)(4)(A), this fee is in addition to any fees the Council may assess under the FOIA.

.08 Property Trust Relationship

Real property, equipment and intangible property acquired or improved with a Federal award must be held in trust by the non-Federal entity as trustee for the beneficiaries of the project or program under which the property was acquired or improved. The Council may require the non-Federal entity to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with a Federal award and that use and disposition conditions apply to the property.

F. PROCUREMENT STANDARDS

Pursuant to 2 C.F.R. § 200.317, when procuring property and services under this Federal award, a State must follow the same policies and procedures it uses for procurements from its non-Federal funds. The

[8] Published research findings (as defined by 2 C.F.R. § 200.315(e)(2)) means findings are published in a peer-reviewed scientific or technical journal; or a Federal agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law. Used by the Federal government in developing an "agency action that has the force and effect of law" is defined as when an agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

[9] As defined by 2 C.F.R. § 200.315(e)(3), research data means the recorded factual material commonly accepted in the scientific community as necessary to validate research findings, but not any of the following: preliminary analyses, drafts of scientific papers, plans for future research, peer reviews, or communications with colleagues. This "recorded" material excludes physical objects (e.g., laboratory samples). Research data also do not include: trade secrets, commercial information, materials necessary to be held confidential by a researcher until they are published, or similar information which is protected under law; and personnel and medical information and similar information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, such as information that could be used to identify a particular person in a research study.

State will comply with 2 C.F.R. § 200.322 "Procurement of recovered materials," and the State must ensure that every purchase order or other contract includes any clauses required by section 2 C.F.R. § 200.326 "Contract provisions." All other non-Federal entities, including subrecipients of a State, will follow the requirements of 2 C.F.R. §§ 200.318 "General procurement standards" through 200.326 "Contract provisions."

a. For recipients that are States: When executing procurement actions under the award, the recipient must follow the same policies and procedures it uses for procurements from its non-Federal funds. The recipient must ensure that every purchase order or other contract contains any clauses required by federal statutes and EOs and their implementing regulations, including all of the provisions listed in Appendix II to 2 C.F.R. Part 200 "Contract Provisions for Non-Federal Entity Contracts under Federal Awards," as well as any other provisions required by law or regulations.

b. For recipients that are not States: The recipient must follow all procurement requirements set forth in 2 C.F.R. §§ 200.318, 200.319, 200.320, 200.321, 200.323, 200.324, and 200.325. In addition, all contracts executed by the recipient to accomplish the approved scope of work must contain any clauses required by federal statutes and EOs and their implementing regulations, including all of the provisions listed in Appendix II to 2 C.F.R. Part 200 "Contract Provisions for Non-Federal Entity Contracts under Federal Awards."

G. NON-DISCRIMINATION REQUIREMENTS

No person in the United States shall, on the ground of race, color, national origin, handicap, age, religion, or sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance. The non-Federal entity shall comply with the non-discrimination requirements below:

.01 Statutory Provisions

a. Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000d *et seq.*) and any Council regulations and policies promulgated pursuant to its authority prohibit discrimination on the grounds of race, color, or national origin under programs or activities receiving Federal financial assistance;

b. Title IX of the Education Amendments of 1972 (20 U.S.C. §§ 1681 *et seq.*) prohibits discrimination on the basis of sex under Federally assisted education programs or activities;

c. The Americans with Disabilities Act of 1990 (ADA) (42 U.S.C. §§ 12101 *et seq.*) prohibits discrimination on the basis of disability under programs, activities, and services provided or made available by state and local governments or instrumentalities or agencies thereto, as well as public or private entities that provide public transportation;

d. Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), and any Council regulations and policies promulgated pursuant to its authority prohibit discrimination on the basis of handicap under any program or activity receiving or benefiting from Federal assistance.

e. Revised ADA Standards for Accessible Design for Construction Awards revised regulations implementing Title II of the Americans with Disabilities Act (ADA) (28 C.F.R. part 35; 75 FR 56164, as amended by 76 FR 13285) and Title III of the ADA (28 C.F.R. part 36; 75 FR 56164, as amended by 76 FR 13286) which adopted new enforceable accessibility standards called the "2010 ADA

Standards for Accessible Design" (2010 Standards). All new construction and alteration projects shall comply with the 2010 Standards.

f. The Age Discrimination Act of 1975, as amended (42 U.S.C. §§ 6101 *et seq.*), and any Council regulations and policies promulgated pursuant to its authority prohibit discrimination on the basis of age in programs or activities receiving Federal financial assistance;

g. Any other applicable non-discrimination law(s).

.02 Other Provisions

a. Parts II and III of EO 11246, "Equal Employment Opportunity," (30 FR 12319, 1965), as amended by EO 11375 (32 FR 14303, 1967) and EO 12086 (43 FR 46501, 1978), requiring Federally-assisted construction contracts to include the nondiscrimination provisions of §§ 202 and 203 of that EO and Department of Labor regulations implementing EO 11246 (41 C.F.R. § 60-1.4(b), 1991).

b. EO 13166 (August 11, 2000), "Improving Access to Services for Persons With Limited English Proficiency," requiring Federal agencies to examine the services provided, identify any need for services to those with limited English proficiency (LEP), and develop and implement a system to provide those services so LEP persons can have meaningful access to them.

c. Pilot Program for Enhancement of Employee Whistleblower Protections. The National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2013 (Pub. L. No. 112-239, enacted January 2, 2013 and codified at 41 U.S.C. § 4712) includes a pilot program of whistleblower protection. It applies to all Council awards, subawards, or contracts under awards issued beginning July 1, 2013 through January 1, 2017. The following provision implements that law:

In accordance with 41 U.S.C. § 4712, an employee of a non-Federal entity or contractor under a Federal award or subaward may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body information that the employee reasonably believes is evidence of gross mismanagement of a Federal award, subaward, or a contract under a Federal award or subaward, a gross waste of Federal funds, an abuse of authority relating to a Federal award or subaward or contract under a Federal award or subaward, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal award, subaward, or contract under a Federal award or subaward. These persons or bodies include:

1. A Member of Congress or a representative of a committee of Congress.
2. An Inspector General.
3. The Government Accountability Office.
4. A Federal employee responsible for contract or grant oversight or management at the relevant agency.
5. An authorized official of the Department of Justice or other law enforcement agency.
6. A court or grand jury.
7. A management official or other employee of the contractor, subcontractor, or grantee who has the responsibility to investigate, discover, or address misconduct.

Non-Federal entities shall inform their employees in writing of the rights and remedies provided under 41 U.S.C. § 4712, in the predominant native language of the workforce.

.03 Title VII Exemption for Religious Organizations

Generally, Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000e *et seq*., provides that it shall be an unlawful employment practice for an employer to discharge any individual or otherwise to discriminate against an individual with respect to compensation, terms, conditions, or privileges of employment because of such individual's race, color, religion, sex, or national origin. However, Title VII, 42 U.S.C. § 2000e-1(a), expressly exempts from the prohibition against discrimination on the basis of religion, a religious corporation, association, educational institution, or society with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by such corporation, association, educational institution, or society of its activities.

H. RECORDS RETENTION

a. The recipient must retain all records pertinent to this award for a period of no less than three years, beginning on a date as described in 2 C.F.R. § 200.333. While electronic storage of records (backed up as appropriate) is preferable, the recipient has the option to store records in hardcopy (paper) format. For the purposes of this section, the term "records" includes but is not limited to:

    1. Copies of all contracts and all documents related to a contract, including the Request for Proposal (RFP), all proposals/bids received, all meeting minutes or other documentation of the evaluation and selection of contractors, any disclosed conflicts of interest regarding a contract, all signed conflict of interest forms (if applicable), all conflict of interest and other procurement rules governing a particular contract, and any bid protests;

    2. Copies of all subawards, including the funding opportunity announcement or equivalent, all applications received, all meeting minutes or other documentation of the evaluation and selection of subrecipients, any disclosed conflicts of interest regarding a subaward, and all signed conflict of interest forms (if applicable);

    3. All documentation of site visits, reports, audits, and other monitoring of contractors (vendors) and subrecipients (if applicable);

    4. All financial and accounting records, including records of disbursements to contractors (vendors) and subrecipients, and documentation of the allowability of Administrative Costs charged to this award;

    5. All supporting documentation for the performance outcome and other information reported on the recipient's Financial Reports and Performance (Technical) Reports; and

    6. Any reports, publications, and data sets from any research conducted under this award.

b. If any litigation, claim, investigation, or audit relating to this award or an activity funded with award funds is started before the expiration of the three year period, the records must be retained until all litigation, claims, investigations, or audit findings involving the records have been resolved and final action taken.

I. AUDITS

a. Under the Government Accounting Office's authorities (5 U.S.C. § 701 et seq.) and the Inspector General Act of 1978, as amended, 5 U.S.C. App. 3, § 1 *et seq.*, an audit of the award may be conducted at any time. The Treasury Office of Inspector General (OIG), Government Accounting Office (GAO) and the Council are authorized to audit Council awards. *See* Section 1608 of the RESTORE Act; and *see* 31 C.F.R. §§ 34.205, 34.406, 34.508 and 34.805.

b. The Treasury OIG (as specified in the RESTORE Act), or any of his or her duly authorized representatives, the GAO and the Council shall have timely and unrestricted access to any pertinent books, documents, papers, and records of the non-Federal entity, whether written, printed, recorded, produced, or reproduced by any electronic, mechanical, magnetic, or other process or medium, in order to make audits, inspections, excerpts, transcripts, or other examinations as authorized by law.

c. If the Treasury OIG requires a program audit on a Council award, the OIG will usually make the arrangements to audit the award, whether the audit is performed by OIG personnel, an independent accountant under contract with the Council, or any other Federal, state, or local audit entity.

d. The Treasury OIG, the GAO, and the Council shall have the right during normal business hours to conduct announced and unannounced onsite and offsite physical visits of recipients and their subrecipients and contractors corresponding to the duration of their records retention obligation for this award.

.01 Organization-Wide, Program-Specific, and Project Audits

a. Organization-wide or program-specific audits must be performed in accordance with the Single Audit Act Amendments of 1996, as implemented by 2 C.F.R. part 200, Subpart F, "Audit Requirements." Recipients that are subject to the provisions of 2 C.F.R. part 200, Subpart F and that expend $750,000 or more in a year in Federal awards must have an audit conducted for that year in accordance with the requirements contained in 2 C.F.R. part 200, Subpart F. A copy of the audit shall be submitted to the Bureau of the Census, which has been designated by OMB as a central clearinghouse, by electronic submission to the Federal Audit Clearinghouse website.[10] If it is necessary to submit by paper, the address for submission is:

Federal Audit Clearinghouse
Bureau of the Census
1201 E. 10th Street
Jeffersonville, IN 47132

b. Except for the provisions for biennial audits provided in paragraphs (1) and (2) of this section, audits required must be performed annually. Any biennial audit must cover both years within the biennial period.

1. A State, local government, or Indian tribe that is required by constitution or statute, in effect on January 1, 1987, to undergo its audits less frequently than annually, is permitted to undergo its audits pursuant to this part biennially. This requirement must still be in effect for the biennial period.

[10] Federal Audit Clearinghouse website - http://harvester.census.gov/sac/, verified on 6/5/2015.

2. Any nonprofit organization that had biennial audits for all biennial periods ending between July 1, 1992, and January 1, 1995, is permitted to undergo its audits pursuant to this part biennially.

c. Council programs may have specific audit guidelines that will be incorporated into the award. When the Council does not have a program-specific audit guide available for the program, the auditor will follow the requirements for a program-specific audit as described in 2 C.F.R. § 200.507. The non-Federal entity may include a line item in the budget for the cost of the audit for approval. A copy of the program-specific audit shall be submitted to the Grants Officer and to the OIG at OIGCounsel@oig.treas.gov or if e-mail is unavailable, submission to the OIG can be made at the following address:

Treasury Office of Inspector General
1500 Pennsylvania Ave. NW
Washington, DC 20220

.02 Audit Resolution Process

a. An audit of the award may result in the disallowance of costs incurred by the non-Federal entity and the establishment of a debt (account receivable) due the Council. For this reason, the non-Federal entity should take seriously its responsibility to respond to all audit findings and recommendations with adequate explanations and supporting evidence whenever audit results are disputed.

b. A non-Federal entity whose award is audited has the following opportunities to dispute the proposed disallowance of costs and the establishment of a debt:

1. Unless the Inspector General determines otherwise, the non-Federal entity has 30 days after the date of the transmittal of the draft audit report to submit written comments and documentary evidence.

2. The non-Federal entity has 30 days after the date of the transmittal of the final audit report to submit written comments and documentary evidence. There will be no extension of this deadline.

3. The Council will review the documentary evidence submitted by the non-Federal entity and notify the non-Federal entity of the results in an *Audit Resolution Determination Letter*. The non-Federal entity has 30 days after the date of receipt of the *Audit Resolution Determination Letter* to submit a written appeal. There will be no extension of this deadline. The appeal is the last opportunity for the non-Federal entity to submit written comments and documentary evidence that dispute the validity of the audit resolution determination.

4. An appeal of the Audit Resolution Determination does not prevent the establishment of the audit-related debt nor does it prevent the accrual of interest on the debt. If the Audit Resolution Determination is overruled or modified on appeal, appropriate corrective action will be taken retroactively. An appeal will stay the offset of funds owed by the auditee against funds due to the auditee.

5. The Council will review the non-Federal entity's appeal and notify the non-Federal entity of the results in an *Appeal Determination Letter*. After the opportunity to appeal has expired or after the appeal determination has been rendered, the Council will not accept any further documentary evidence from the non-Federal entity. No other administrative appeals to the Council are available.

J. DEBTS

.01 Payment of Debts Owed the Federal Government

a. The non-Federal entity must promptly pay any debts determined to be owed the Federal Government. Council debt collection procedures are set out in 2 C.F.R. part 200, Subpart D. In accordance with 2 C.F.R. § 200.345, delinquent debt includes any funds paid to the non-Federal entity in excess of the amount to which the non-Federal entity is finally determined to be entitled under the terms of the Federal award, constituting a debt to the Federal government (this includes a post-delinquency payment agreement) unless other satisfactory payment arrangements have been made. In accordance with 2 C.F.R. § 200.345, failure to pay a debt by the due date, or if there is no due date, within 90 calendar days after demand, shall result in the assessment of interest, penalties and administrative costs in accordance with the provisions of 31 U.S.C. § 3717 and 31 C.F.R. parts 900 through 999. The Council will transfer any debt that is more than 180 days delinquent to the Bureau of the Fiscal Service for debt collection services, a process known as "cross-servicing," pursuant to 31 U.S.C. § 3711(g), 31 C.F.R. § 285.12 and any Council regulations and policies promulgated pursuant to its authority, and may result in the Council taking further action as specified in Section B.06 "Non-Compliance With Award Provisions" Above. Funds for payment of a debt shall not come from other Federally-sponsored programs. Verification that other Federal funds have not been used will be made (e.g., during on-site visits and audits).

b. If a non-Federal entity fails to repay a debt within 90 calendar days after the demand, the Council may reduce the debt by: (1) Making an administrative offset against other requests for reimbursements; (2) Withholding advance payments otherwise due to the non-Federal entity; or (3) Other action permitted by Federal statute. *See* 2 C.F.R. § 200.345(a).

.02 Late Payment Charges

a. Interest shall be assessed on the delinquent debt in accordance with section 3717(a) of the Debt Collection Act of 1982, as amended (31 U.S.C. § 3701 *et seq.)*. The minimum annual interest rate to be assessed is the Department of the Treasury's Current Value of Funds Rate (CVFR).[11] The CVFR is published by the Department of the Treasury in the *Federal Register*[12] and in the *Treasury Financial Manual Bulletin*.[13] The assessed rate shall remain fixed for the duration of the indebtedness.

b. Penalties shall accrue at a rate of not more than six percent (6%) per year or such higher rate as authorized by law.

c. Administrative charges, that is, the costs of processing and handling a delinquent debt, are determined by the Council.

.03 Effect of Judgment Lien on Eligibility for Federal Grants, Loans, or Programs

Pursuant to 28 U.S.C. § 3201(e), unless waived by the Council a debtor who has a judgment lien against the debtor's property for a debt to the United States shall not be eligible to receive any grant or loan that is made, insured, guaranteed, or financed directly or indirectly by the United States or to receive funds directly from the Federal Government in any program, except funds to which the debtor is entitled as beneficiary, until the judgment is paid in full or otherwise satisfied.

K. GOVERNMENTWIDE DEBARMENT AND SUSPENSION

The non-Federal entity shall comply with the provisions of 2 C.F.R. Part 180, "OMB Guidelines To Agencies on Governmentwide Debarment and Suspension (Nonprocurement)," which generally prohibit entities, and their principals, that have been debarred, suspended, or voluntarily excluded from participating in Federal nonprocurement transactions either through primary or lower tier covered transactions, and which sets forth the responsibilities of recipients of Federal financial assistance regarding transactions with other persons, including subrecipients and contractors.

L. LOBBYING RESTRICTIONS

.01 Statutory Provisions

The non-Federal entity shall comply with 2 C.F.R. § 200.450 ("Lobbying"), which incorporates the provisions of 31 U.S.C. § 1352, the "New Restrictions on Lobbying" published at 55 FR 6736 (February 26, 1990), and OMB guidance and notices on lobbying restrictions. In addition, non-Federal entities must comply with any Council regulations and policies promulgated pursuant to its authority. These provisions prohibit the use of Federal funds for lobbying the executive or legislative branches of the Federal Government in connection with the award, and require the disclosure of the use of non-Federal funds for lobbying. Executive lobbying costs, i.e., costs incurred in attempting to improperly influence[14] either directly or indirectly an employee or officer of the executive branch of the Federal government to give consideration or to act regarding a Federal award or a regulatory matter, are unallowable costs. *See* 2 C.F.R. § 200.450(b) and (c).

.02 Disclosure of Lobbying Activities

The non-Federal entity receiving in excess of $100,000 in Federal funding shall submit a completed Form SF-LLL or any successor form, "Disclosure of Lobbying Activities," regarding the use of non-Federal funds for lobbying. The Form SF-LLL shall be submitted within 30 days following the end of the calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed. The non-Federal entity must submit any required Forms SF-LLL, including those received from subrecipients, contractors, and subcontractors, to the Grants Officer. *See* 31 U.S.C. § 1352.

[14] To improperly influence means any influence that induces or tends to induce a Federal employee or officer to give consideration or to act regarding a Federal award or regulatory matter on any basis other than the merits of the matter.

M. REMEDIES FOR NONCOMPLIANCE

a. If a non-Federal entity fails to comply with Federal statutes, regulations or the terms and conditions of a Federal award, the Council or pass-through entity may impose additional conditions, as described in 2 C.F.R. § 200.207 "Specific conditions" (e.g., requiring additional reporting or more frequent submission of the Financial or Performance (Technical) Reports; requiring additional activity, project, or program monitoring; requiring the recipient or one or more of its subrecipients to obtain technical or management assistance; or establishing additional actions that require prior approval). If the Council or pass-through entity determines that noncompliance cannot be remedied by imposing additional conditions, pursuant to 2 C.F.R. § 200.338, the Council or pass-through entity may take one or more of the following actions, as appropriate in the circumstances:

1. Temporarily withhold cash payments pending correction of the deficiency by the non-Federal entity or more severe enforcement action by the Council or pass-through entity.

2. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

3. Wholly or partly suspend or terminate the Federal award.

4. Initiate suspension or debarment proceedings as authorized under 2 C.F.R. part 180 and Council regulations (or in the case of a pass-through entity, recommend such a proceeding be initiated by the Council).

5. Withhold further Federal awards for the project or program.

6. Take other remedies that may be legally available.

The Council will notify the recipient in writing of the Council's proposed determination that an instance of non-compliance has occurred, provide details regarding the instance of noncompliance, and indicate the remedy that the Council proposes to pursue. The recipient will then have 30 calendar days to respond and provide information and documentation contesting the Council's proposed determination or suggesting an alternative remedy. The Council will consider information provided by the recipient and issue a final determination in writing, which will state the Council's final findings regarding noncompliance and the remedy to be imposed.

b. RESTORE Act-Specific Remedy for Non-compliance

1. If the Council determines that the recipient has expended funds to cover the cost of any ineligible activities, in addition to the remedies available in this section, the Council, in coordination with the U.S. Department of Treasury ("Treasury"), will make no additional payments to the recipient from the RESTORE Trust Fund, including no payments from the RESTORE Trust Fund for activities, projects, or programs under any other RESTORE Act Component until the recipient has either (a) deposited an amount equal to the amount expended for the ineligible activities in the RESTORE Trust Fund, or (b) the Council, in coordination with Treasury, has authorized the recipient to expend an equal amount from the recipient's own funds for an activity that meets the requirements of the RESTORE Act. *See* 33 U.S.C. § 1321(t)(1)(G) and (H), and *see* 31 C.F.R. § 34.804 "Noncompliance."

2. If the Council determines that the recipient has materially violated the terms of the award, the Council, in coordination with Treasury, will make no additional funds available to the recipient from any part of the RESTORE Trust Fund until the recipient corrects the violation.

c. In extraordinary circumstances, the Council may require that any of the remedies above take effect immediately upon notice in writing to the recipient. In such cases, the recipient may contest the Council's determination or suggest an alternative remedy in writing to the Council, and the Council will issue a final determination.

d. Instead of, or in addition to, the remedies listed above, the Council may refer the noncompliance to the Treasury OIG for investigation or audit, pursuant to 31 C.F.R. § 34.805 "Treasury Inspector General." The Council will refer all allegations of fraud, waste, or abuse to the Treasury OIG.

e. Termination. In accordance with 2 C.F.R. § 200.339, when a Federal award is terminated or partially terminated, both the Council or pass-through entity and the non-Federal entity remain responsible for compliance with the requirements in 2 C.F.R. §§ 200.343 "Closeout" and 200.344 "Post-closeout adjustments and continuing responsibilities."

1. The Federal award may be terminated in whole or in part as follows:

   i. By the Council or pass-through entity, if a non-Federal entity fails to comply with the terms and conditions of a Federal award;
   ii. By the Council or pass-through entity for cause;
   iii. By the Council or pass-through entity with the consent of the non-Federal entity, in which case the two parties will agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated; or
   iv. By the non-Federal entity upon sending to the Council or pass-through entity written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if the Council or pass-through entity determines in the case of partial termination that the reduced or modified portion of the Federal award or subaward will not accomplish the purposes for which the Federal award was made, the Council or pass-through entity may terminate the Federal award in its entirety.

2. The Council or pass-through entity is required to provide a notice of termination to the non-federal entity, pursuant to 2 C.F.R. § 200.340:

   i. If the Federal award is terminated for the non-Federal entity's failure to comply with the Federal statutes, regulations, or terms and conditions of the Federal award, the notification must state that the termination decision may be considered in evaluating future applications received from the non-Federal entity.
   ii. Upon termination of a Federal award, the Council will provide the information required under FFATA to the Federal Web site established to fulfill the requirements of FFATA, and update or notify any other relevant governmentwide systems or entities of any indications of poor performance as required by 41 U.S.C. § 417b and 31 U.S.C. § 3321 and implementing guidance at 2 C.F.R. part 77. See also 2 C.F.R. part 180 for the requirements for Suspension and Debarment.

N. CODES OF CONDUCT AND SUBAWARD, CONTRACT, AND SUBCONTRACT PROVISIONS

.01 Code of Conduct for Recipients

a. The non-Federal entity must immediately report any indication of fraud, waste, abuse or potential criminal activity pertaining to grant funds to the Council, Treasury and the Treasury Inspector General in accordance with the requirements in 31 C.F.R. § 34.803(a).

b. Pursuant to the certification in Form SF-424B, paragraph 3, or equivalent, the non-Federal entity must maintain written standards of conduct to establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain in the administration of this award.

c. Non-Federal entities must comply with the requirements of 2 C.F.R. § 200.318 "General procurement standards," including maintaining written standards of conduct covering conflicts of interest and governing the performance of its employees engaged in the selection, award and administration of contracts. No employee, officer or agent shall participate in the selection, award or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to or planning to employ any of the foregoing parties, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees and agents of the non-Federal entity must neither solicit nor accept any gratuities, favors or anything of monetary value from contractors or parties to subcontracts. However, non-Federal entities may set written standards of conduct for circumstances in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. Such standards must provide for disciplinary actions to be taken for violations of the standards of conduct by officers, employees or agents of the non-Federal entity.

.02 Applicability of Award Provisions to Subrecipients

a. The non-Federal entity shall require all subrecipients, including lower tier subrecipients, under the award to comply with the provisions of the award, including applicable cost principles, administrative provisions, audit requirements, and all associated terms and conditions. *See* 2 C.F.R. part 200, Subpart D, "Subrecipient Monitoring and Management" *and see* 2 C.F.R. § 200.101(b)(1). Additionally, the non-Federal entity must perform all responsibilities required of a pass-through entity, as specified in 2 C.F.R. Part 200, including evaluating and documenting a subrecipient's risk of noncompliance; providing training and technical assistance necessary to complete the subaward activities; monitoring the performance of the subrecipient; and taking any necessary enforcement actions against a noncompliant subrecipient. *See* 2 C.F.R. § 200.331 "Requirements for pass through entities."

b. Prior to dispersing funds to a subrecipient, the recipient must execute a legally-binding written agreement with the entity receiving the subaward in accordance with the requirements in 31 C.F.R. § 34.803(c). The written agreement shall extend all applicable program requirements to the subrecipient. The written agreement must include a requirement that the contractor or subrecipient retain all records in compliance with 2 C.F.R. § 200.333.

c. A non-Federal entity is responsible for subrecipient monitoring, including the following:

1. Federal Award Identification. The non-Federal entity must ensure that each subaward includes the following information and applicable compliance requirements at the time of the subaward. If any of these data elements change, the pass through entity must include the changes in a subsequent subaward modification. When some of this information is not available, the pass-through entity must provide the best information available to describe the Federal award and subaward.

    i. Subrecipient name (which must match the registered name in DUNS);
    ii. Subrecipient's DUNS number (*see* 2 C.F.R. § 200.32 "Data Universal Numbering System (DUNS) number");
    iii. Federal Award Identification Number (FAIN);
    iv. Federal Award Date (*see* 2 C.F.R. § 200.39 "Federal award date");
    v. Subaward Period of Performance Start and End Date;
    vi. Amount of Federal Funds Obligated by this action;
    vii. Total Amount of Federal Funds Obligated to the subrecipient;
    viii. Total Amount of the Federal Award;
    ix. Federal award project description, as required to be responsive to the Federal Funding Accountability and Transparency Act (FFATA);
    x. Name of Federal awarding agency, pass-through entity and contact information for awarding official;
    xi. CFDA Number and Name; the pass-through entity must identify the dollar amount made available under each Federal award and the CFDA number at time of disbursement;
    xii. Identification of whether the award is for research and development (R&D); and
    xiii. Indirect cost rate for the Federal award (including whether the *de minimis* rate is charged per 2 C.F.R. § 200.414 "Indirect (F&A) costs").

2. Award Monitoring. The non-Federal entity is responsible for oversight of the operations of the Federal award supported activities. The non-Federal entity must monitor its activities under Federal awards to assure that compliance with applicable Federal requirements and performance expectations are being achieved. Monitoring by the non-Federal entity must cover each program, function or activity. *See* 2 C.F.R. §§ 200.328 "Monitoring and reporting program performance," and 200.331 "Requirements for pass-through entities." The non-Federal entity shall monitor activities of the subrecipient through reporting, site visits, regular contact, or other means, as necessary to ensure that the subaward is used solely for authorized purposes, in compliance with Federal statutes, regulations and the terms and conditions of the subaward; and that subaward performance goals are achieved. Pass-through entity monitoring of the subrecipient must include:

    i. Reviewing financial and programmatic reports required by the pass-through entity.
    ii. Following-up and ensuring that the subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the subrecipient from the pass-through entity detected through audits, on-site reviews, and other means.
    iii. Issuing a management decision for audit findings pertaining to the Federal award provided to the subrecipient from the pass-through entity as required by 2 C.F.R. § 200.521 "Management decision."

3. Subrecipient Audits. The non-Federal entity is responsible for ensuring that subrecipients expending $750,000 or more in Federal awards during the subrecipient's fiscal year have met the audit requirements of 2 C.F.R. part 200, Subpart F, "Audit Requirements," and that the required audits are completed within nine (9) months after the end of the subrecipient's audit period. In addition, the non-Federal entity is required to issue a management decision on audit findings within six (6) months after receipt of the subrecipient's audit report, and to ensure that the

subrecipient takes timely and appropriate corrective action on all audit findings. Pursuant to 2 C.F.R. § 200.505, in cases of continued inability or unwillingness to have an audit conducted in accordance with this part, Federal agencies and pass-through entities must take appropriate action as provided in 2 C.F.R. § 200.338 "Remedies for noncompliance."

.03 Competition and Codes of Conduct for Subawards

a. Unless otherwise approved in writing in advance by the Grants Officer, all subawards will be made in a manner to provide, to the maximum extent practicable, open and free competition in accordance with the requirements of 2 C.F.R. §§ 200.317 through 200.326 "Procurement Standards." The non-Federal entity must be alert to organizational conflicts of interest as well as other practices among subrecipients that may restrict or eliminate competition. In order to ensure objective subrecipient performance and eliminate unfair competitive advantage, subrecipients that develop or draft work requirements, statements of work, or requests for proposals shall be excluded from competing for such subawards.

b. The non-Federal entity must maintain written standards of conduct covering conflicts of interest and governing the performance of its employees engaged in the selection, award and administration of contracts. No employee, officer, or agent must participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to or planning to employ any of the foregoing parties, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the non-Federal entity shall neither solicit nor accept gratuities, favors or anything of monetary value from contractors or parties to subcontracts. However, non-Federal entities may set standards of conduct for circumstances in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. Such standards must provide for disciplinary actions to be taken for violations of the standards of conduct by officers, employees or agents of the non-Federal entity.

c. If the non-Federal entity has a parent, affiliate or subsidiary organization that is not a State, local government or Indian tribe, the non-Federal entity must also maintain written standards of conduct covering organizational conflicts of interest, wherein relationships with a parent company, affiliate or subsidiary organization cause the non-Federal entity to be or appear to be unable to be impartial in conducting a procurement action involving such related organization.

d. A financial interest may include employment, stock ownership, a creditor or debtor relationship, or prospective employment with the organization selected or to be selected for a subaward. An appearance of impairment of objectivity may result from an organizational conflict where, because of other activities or relationships with other persons or entities, a person is unable or potentially unable to render impartial assistance or advice. It may also result from non-financial gain to the individual, such as benefit to reputation or prestige in a professional field.

.04 Applicability of Provisions to Subawards, Contracts, and Subcontracts

a. The non-Federal entity shall include the following notice in each request for applications or bids for a subaward, contract, or subcontract, as applicable:

Applicants or bidders for a lower tier covered transaction (except procurement contracts for goods and services under $25,000 not requiring the consent of a Council official) are subject to 2 C.F.R. Part 180, "OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)." In addition, applicants or bidders for a lower tier covered transaction for a subaward, contract, or subcontract greater than $100,000 of Federal funds at any tier are subject to relevant statutes, including among others, the provisions of 31 U.S.C. 1352, as well as the common rule, "New Restrictions on Lobbying," published at 55 FR 6736 (February 26, 1990), including definitions, and the Office of Management and Budget "Governmentwide Guidance for New Restrictions on Lobbying," and notices published at 54 FR 52306 (December 20, 1989), 55 FR 24540 (June 15, 1990), 57 FR 1772 (January 15, 1992), and 61 FR 1412 (January 19, 1996).

When the recipient makes a subaward to a subrecipient that is authorized to enter into contracts for the purpose of completing the subaward scope of work, the recipient must require the subrecipient to comply with the requirements contained in this section.

b. Pursuant to 2 C.F.R. Appendix II to part 200, "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards," and in addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable:

    1. Contracts for more than the Simplified Acquisition Threshold ($150,000 as of 12-26-2013), which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. § 1908, must address administrative, contractual or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

    2. All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

    3. Equal Employment Opportunity. Except as otherwise provided under 41 C.F.R. part 60, all contracts that meet the definition of "Federally assisted construction contract" in 41 C.F.R. part 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with EO 11246, "Equal Employment Opportunity" (30 F.R. 12319, 12935, 3 C.F.R. part, 1964-1965 Comp., p. 339), as amended by EO 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

    4. Davis-Bacon Act. When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Council. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of

Labor regulations (29 C.F.R. part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Council.

5. Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. part 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the non-Federal entity or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the non-Federal entity or subrecipient must comply with the requirements of 37 C.F.R. part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

7. Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. § 6201).

8. Debarment and Suspension (Executive Orders 12549 and 12689). A contract award (*see* 2 C.F.R. § 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. part 180 that implement Executive Orders 12549 (3 C.F.R. part 1986 Comp., p. 189) and 12689 (3 C.F.R. part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM[15] contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352). Contractors that apply or bid for an award of $100,000 or more must file the required certification, a "Disclosure of Lobbying Activities" (Form SF-LLL or successor form). Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal

[15] System for Award Management (SAM) website - https://www.sam.gov, verified 8/18/2015.

contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier-to-tier up to the Federal award recipient. The Form SF-LLL must be submitted within 15 days following the end of the calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed. The non-Federal entity must submit all disclosure forms received, including those that report lobbying activity on its own behalf, to the Grants Officer within 30 days following the end of the calendar quarter.

10. Procurement of recovered materials (section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act). A state agency or agency of a political subdivision of a State and its contractors must comply with requirements of Section 6002 including procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired by the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Pilot Program for Enhancement of Employee Whistleblower Protections. The National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2013 (Pub. L. No. 112-239, enacted January 2, 2013 and codified at 41 U.S.C. § 4712) includes a pilot program of whistleblower protection. It applies to all Council awards, subawards, or contracts under awards issued beginning July 1, 2013 through January 1, 2017. Non-Federal entities and contractors under Federal awards and subawards shall inform their employees in writing of the rights and remedies provided under 41 U.S.C. § 4712, in the predominant native language of the workforce. *See* section G.02 (c) of this document.

c. The recipient must include in its legal agreement or contract with the subrecipient a requirement that the subrecipient make available to the Council, the Treasury OIG, and the GAO any documents, papers or other records, including electronic records, of the subrecipient, that are pertinent to this award, in order to make audits, investigations, examinations, excerpts, transcripts, and copies of such documents. This right also includes timely and reasonable access to the subrecipient's personnel for the purpose of interview and discussion related to such documents. This right of access shall continue as long as records are required to be retained.

d. The recipient and any subrecipients, contractors, or subcontractors must comply with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328), as applicable, which limit the political activities of employees whose principal employment activities are funded in whole or in part with federal funds.

e. When contracting, the non-Federal entity must take all necessary affirmative steps, as prescribed in 2 C.F.R. § 200.321(b), to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible.

.05 Subaward and/or Contract to a Federal Agency

a. The non-Federal entity, subrecipient, contractor, and/or subcontractor shall not sub-grant or sub-contract any part of the approved project to any agency or employee of the Council and/or other

Federal department, agency, or instrumentality without the prior written approval of the Grants Officer.

b. Requests for approval of such action must be submitted in writing to the Grants Officer. The Grants Officer will notify the non-Federal entity in writing of the final determination.

O. AMENDMENTS AND CLOSEOUT

a. Amendments to an award must be requested in writing and require the written approval of the Grants Officer. The recipient must provide an explanation for the reason an amendment is requested. The Council reserves the right to amend the terms of the award when required by law or regulation.

b. The non-Federal entity must comply with the closeout requirements as stipulated in 2 C.F.R. § 200.343. Closeout of the award does not affect any of the post-closeout adjustments and continuing responsibilities under 2 C.F.R. § 200.344.

P. ENVIRONMENTAL COMPLIANCE

Environmental impacts must be considered by Federal decision-makers in deciding whether or not to approve: (1) a proposal for Federal assistance; (2) such proposal with mitigation; or (3) a different proposal having less adverse environmental impacts. Federal environmental laws require that the funding agency initiate an early planning process that considers potential impacts that projects funded with Federal assistance may have on the environment. Non-Federal entities must comply with all applicable environmental laws, regulations and policies. Additionally, recipients may be required to assist the Council in complying with laws, regulations and policies applicable to Council actions. Laws, regulations, and policies potentially applicable to Council actions and/or recipients may include but are not limited to the statutes and EOs listed below. The Council does not make independent determinations of compliance with laws such as the Clean Water Act. Rather, the Council may require a recipient to provide information to the Council to demonstrate that the recipient has complied with or will comply with all such requirements. In some cases, if additional information is required after an application is selected, funds may be withheld by the Grants Officer under a special award condition requiring the recipient to submit additional information sufficient to enable the Council to make an assessment regarding compliance with applicable environmental laws, regulations and policies.

If a recipient is permitted to make any subawards, the recipient must include all of the environmental statutes, regulations and EOs listed below in any agreement or contract with a subrecipient, and require the subrecipient to comply with all of these and to notify the recipient if the subrecipient becomes aware of any impact on the environment that was not noted in the recipient's approved application package.

.01 The National Environmental Policy Act (42 U.S.C. § 4321 *et seq.*)

Council approval of financial assistance awards may be subject to the environmental review requirements of the National Environmental Policy Act (NEPA). In such cases, recipients of financial assistance awards may be required to assist the Council in complying with NEPA. For example, applicants may be required to assist the Council by providing information on a proposal's potential environmental impacts, or drafting or supplementing an environmental assessment or environmental impact statement if the Council determines such documentation is required. Independent of the Council's responsibility to comply with

NEPA, where appropriate, projects or programs funded by the Council may trigger Federal agency NEPA compliance duties involving a separate Federal action, such as the issuance of a Federal permit.

.02 The Endangered Species Act (16 U.S.C. § 1531 *et seq.*)

Council approval of financial assistance for project implementation is subject to compliance with section 7 of the Endangered Species Act (ESA). Recipients must identify any impact or activities that may involve a Federally-listed threatened or endangered species, or their designated critical habitat. Section 7 of the ESA requires every Federal agency to ensure that any action it authorizes, funds or carries out, in the United States or upon the high seas, is not likely to jeopardize the continued existence of any listed species or result in the destruction or adverse modification of designated critical habitat. Federal agencies have the responsibility for ensuring that a protected species or habitat does not incur adverse effects from actions taken under Federal assistance awards, and for conducting the required consultations with the National Marine Fisheries Service (NMFS) and the U.S. Fish and Wildlife Service under the Endangered Species Act, as applicable.

.03 Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. § 1801 *et seq.*)

Recipients of financial assistance awards must identify to the Council any effects the award may have on essential fish habitat (EFH). Federal agencies which fund, permit, or carry out activities that may adversely impact EFH are required to consult with NMFS regarding the potential effects of their actions, and respond in writing to NMFS recommendations. These recommendations may include measures to avoid, minimize, mitigate, or otherwise offset adverse effects on EFH. In addition, NMFS is required to comment on any state agency activities that would impact EFH. Provided the specifications outlined in the regulations are met, EFH consultations will be incorporated into interagency procedures previously established under NEPA, the Endangered Species Act, Clean Water Act, Fish and Wildlife Coordination Act, or other applicable statutes.

.04 Clean Water Act Section 404 (33 U.S.C. § 1344 *et seq.*)

Clean Water Act (CWA) Section 404 regulates the discharge of dredged or fill material into waters of the United States, including wetlands. Activities in waters of the United States regulated under this program include fill for development, water resource projects (such as levees and some coastal restoration activities), and infrastructure development (such as highways and airports). CWA Section 404 requires a permit from the U.S. Army Corps of Engineers before dredged or fill material may be discharged into waters of the United States, unless the activity is exempt from Section 404 regulation (e.g., certain farming and forestry activities).

.05 The Migratory Bird Treaty Act (16 U.S.C. §§ 703-712), Bald and Golden Eagle Protection Act (16 U.S.C. § 668 *et seq.*), and Executive Order No. 13186, Responsibilities of Federal Agencies to Protect Migratory Birds

A number of prohibitions and limitations apply to projects that adversely impact migratory birds and bald and golden eagles. Executive Order 13186 directs Federal agencies to enter a Memorandum of Understanding with the U.S. Fish and Wildlife Service to promote conservation of migratory bird populations when a Federal action will have a measurable negative impact on migratory birds.

.06 National Historic Preservation Act (16 U.S.C. § 470 *et seq.*)

Council approval of financial assistance awards may be subject to Section 106 of the National Historic Preservation Act (NHPA). In such cases, recipients of financial assistance awards may be requested to assist the Council in identifying any adverse effects the award may have on properties included on or eligible for inclusion on the National Register of Historic Places. Pursuant to 36 C.F.R. § 800.2(c)(4), applicants and recipients may also be requested to assist the Council in initiating consultation with State or Tribal Historic Preservation Officers, Indian tribes, Native Hawaiian Organizations or other applicable interested parties as necessary to the Council's responsibilities to identify historic properties, assess adverse effects to them, and determine ways to avoid, minimize or mitigate adverse effects on historic properties.

Pursuant to guidelines issued by the National Park Service under the Abandoned Shipwreck Act (43 U.S.C. §§ 2101-2106), state and Federal agencies whose activities may disturb, alter, damage, or destroy State-owned shipwrecks must take into account the effect of the proposed activity on any state-owned shipwreck and afford the state agencies assigned management responsibility for state-owned shipwrecks a reasonable opportunity to comment on the proposed activity.

.07 Clean Air Act (42 U.S.C. § 7401 *et seq.*), Federal Water Pollution Control Act (33 U.S.C. § 1251 *et seq.*) (Clean Water Act), and Executive Order 11738 ("Providing for administration of the Clean Air Act and the Federal Water Pollution Control Act with respect to Federal contracts, grants or loans")

Recipients must comply with the provisions of the Clean Air Act (42 U.S.C. §§ 7401 *et seq.*), Clean Water Act (33 U.S.C. §§ 1251 *et seq.*), and Executive Order 11738. Recipients shall not use a facility that the Environmental Protection Agency (EPA) has placed on EPA's List of Violating Facilities (this list is incorporated into the Excluded Parties List System which is part of SAM) in performing any award that is nonexempt under subpart J of 2 C.F.R. part 1532.

.08 The Flood Disaster Protection Act (42 U.S.C. § 4002 *et seq.*)

Flood insurance, when available, is required for Federally-assisted construction or acquisition in areas having special flood hazards and flood-prone areas. When required, recipients will ensure that flood insurance is secured for their project(s).

.09 Executive Order 11988 ("Floodplain Management"), Executive Order 13690 ("Establishing a Federal Flood Risk Management Standard and a Process for Further Soliciting and Considering Stakeholder Input"), and Executive Order 11990 ("Protection of Wetlands")

Recipients must identify proposed actions located in a floodplain and/or wetlands to enable the Council to determine whether there is an alternative to minimize any potential harm. Floodplains are identified through a climate-informed science approach, adding 2-3 feet of elevation to the 100-year floodplain, or using the 500-year floodplain.

.10 Executive Order 13112 ("Invasive Species")

Federal agencies must identify actions that may affect the status of invasive species and use relevant programs and authorities to: (i) prevent the introduction of invasive species; (ii) detect and respond rapidly to and control populations of such species in a cost-effective and environmentally sound manner; (iii) monitor invasive species populations accurately and reliably; (iv) provide for restoration of native species and habitat conditions in ecosystems that have been invaded; (v) conduct research on invasive species and develop technologies to prevent introduction and provide for environmentally sound control of invasive species; and (vi) promote public education on invasive species and the means to address them. In addition, an agency may not authorize, fund, or carry out actions that it believes are likely to cause or promote the introduction or spread of invasive species in the United States or elsewhere.

.11 The Coastal Zone Management Act (16 U.S.C. § 1451 *et seq*.)

Federally funded projects must be consistent with a coastal state's approved management program for the coastal zone.

.12 The Coastal Barriers Resources Act (16 U.S.C. § 3501 *et seq*.)

Only in certain circumstances may Federal funding be provided for actions within a Coastal Barrier System. The Coastal Barriers Resources Act generally prohibits new Federal expenditures, including Federal grants, within specific units of the Coastal Barrier Resources System (CBRS). Although the Act restricts Federal expenditures for coastal barrier development, Section 6(a)(6)(A) contains an exemption for projects relating to the study, management, protection, or enhancement of fish and wildlife resources and habitats, including recreational projects. Section 6(a)(6)(G) also exempts nonstructural projects for shoreline stabilization that are designed to mimic, enhance or restore natural stabilization systems. However, care must be taken when interpreting any exemptions described, as they are limited to projects that are consistent with the purpose of this Act as interpreted by the lead agency, Department of Interior. Applicants should work with the U.S. Fish and Wildlife Service, which reviews proposals to determine whether a project falls within a protected unit and if so, whether an exception applies. Maps of the CBRS are available through the interactive U.S. Fish and Wildlife Service Coastal Barrier Resources System Mapper.[16]

.13 The Wild and Scenic Rivers Act (16 U.S.C. § 1271 *et seq*.)

This Act applies to awards that may affect existing or proposed components of the National Wild and Scenic Rivers system. Funded projects in the National Wild and Scenic Rivers system must be consistent with Wild and Scenic Rivers Act requirements.

.14 The Safe Drinking Water Act (42 U.S.C. § 300 *et seq*.)

The Sole Source Aquifer program under this statute precludes Federal financial assistance for any project that the EPA determines may contaminate a designated sole source aquifer through a recharge zone so as to create a significant hazard to public health.

[16] U.S. Fish and Wildlife Service Interactive Coastal Barrier Resources System Mapper - http://www.fws.gov/cbra/Maps/Mapper.html, verified 8/18/2015.

.15 The Resource Conservation and Recovery Act (42 U.S.C. § 6901 *et seq*.)

This act regulates the generation, transportation, treatment, and disposal of hazardous wastes, and also provides that recipients of Federal funds that are state agencies or political subdivisions of states give preference in their procurement programs to the purchase of recycled products pursuant to EPA guidelines.

.16 The Comprehensive Environmental Response, Compensation, and Liability Act (Superfund) (42 U.S.C. § 9601 *et seq*.)

The Comprehensive Environmental Response, Compensation, and Liability Act (Superfund) (42 U.S.C. § 9601 et seq.), as amended by the Community Environmental Response Facilitation Act, provides the President with broad, discretionary response authorities to address actual and threatened releases of hazardous substances, as well as pollutants and contaminants where there is an imminent and substantial danger to public health and the environment. Section 103 of this Act contains specific reporting requirements and responsibilities and section 117 of the Act contains specific provisions designed to ensure meaningful public participation in the response process.

.17 Executive Order 12898 ("Environmental Justice in Minority Populations and Low Income Populations")

This Order identifies and addresses adverse human health or environmental effects of programs, policies and activities on low income and minority populations. Consistent with EO 12898, recipients may be requested to help identify and address, as appropriate, disproportionate impacts to low income and minority populations which could result from their project.

.18 Rivers and Harbors Act (33 U.S.C. 407)

A permit may be required from the U.S. Army Corps of Engineers if the proposed activity involves any work in, over or under navigable waters of the United States. Recipients must identify any work (including structures) that will occur in, over or under navigable waters of the United States and obtain the appropriate permit, if applicable.

.19 Marine Protection, Research and Sanctuaries Act (Pub. L. 92-532, as amended), National Marine Sanctuaries Act (16 U.S.C. 1431 et seq.), and Executive Order 13089 ("Coral Reef Protection")

The Marine Protection, Research and Sanctuaries Act prohibits dumping of material into ocean waters beyond the territorial limit without a permit. Recipients must identify any potential ocean dumping of materials, obtain the appropriate permit, if applicable, and notify the Council. Under the National Marine Sanctuaries Act, Federal agencies are required to protect National Marine Sanctuary resources. Recipients must identify actions that are in or may affect a National Marine Sanctuary and notify the Council. EO 13089 requires that any actions authorized or funded by Federal agencies not degrade the condition of coral reef ecosystems. Recipients must identify any action that might affect a coral reef ecosystem and notify the Council.

.20 Executive Order 13653 ("Preparing the United States for the Impacts of Climate Change")

This EO requires Federal agencies to identify and support smarter, more climate-resilient investments by States, local communities and tribes, including by providing incentives through agency guidance and grants. Recipients must identify and describe any project elements that promote climate resilience.

.21 Farmland Protection Policy Act (7 U.S.C. 4201 et seq.)

This act requires agency programs, to the extent possible, be compatible with state, local and private programs and policies to protect farmland from irreversible conversion to nonagricultural uses. Recipients must identity any irreversible conversion of farmland to nonagricultural uses as a result of their project.

.22 Fish and Wildlife Coordination Act (16 U.S.C. 661 et seq.)

During the planning of water resource development projects, agencies are required to give fish and wildlife resources equal consideration with other values. Additionally, the Fish and Wildlife Service and fish and wildlife agencies of States must be consulted whenever waters of any stream or other body of water are "proposed or authorized, permitted or licensed to be impounded, diverted… or otherwise controlled or modified" by any agency under a Federal permit or license.

Q. MISCELLANEOUS REQUIREMENTS

.01 Criminal and Prohibited Activities

a. The Program Fraud Civil Remedies Act (31 U.S.C. § 3801 *et seq.*), provides for the imposition of civil penalties against persons who make false, fictitious or fraudulent claims to the Federal Government for money (including money representing grants, loans or other benefits).

b. The False Claims Amendments Act and the False Statements Act (18 U.S.C. §§ 287 and 1001, respectively), provide that whoever makes or presents any false, fictitious or fraudulent statement, representation or claim against the United States shall be subject to imprisonment of not more than five years and shall be subject to a fine in the amount provided by 18 U.S.C. § 287.

c. The Civil False Claims Act (31 U.S.C. § 3729 *et seq.*), provides that suits can be brought by the government, or a person on behalf of the government, for false claims made under Federal assistance programs.

d. The Copeland "Anti-Kickback" Act (18 U.S.C. § 874), prohibits a person or organization engaged in a Federally-supported project from enticing an employee working on the project from giving up a part of his compensation under an employment contract. The Copeland "Anti-Kickback" Act also applies to contractors and subcontractors pursuant to 40 U.S.C. § 3145.

.02 Political Activities

The non-Federal entity must comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

.03 Drug-Free Workplace

The non-Federal entity shall comply with the provisions of the Drug-Free Workplace Act of 1988 (Pub. L. No. 100-690, Title V, Sec. 5153, as amended by Pub. L. No. 105-85, Div. A, Title VIII, Sec. 809, as codified at 41 U.S.C. § 8102) and any Council regulations and policies promulgated pursuant to its authority, which require that the non-Federal entity take steps to provide a drug-free workplace.

.04 Foreign Travel

a. The non-Federal entity may not use funds from this award for travel outside of the United States unless the Grants Officer provides prior written approval. The non-Federal entity shall comply with the provisions of the Fly America Act (49 U.S.C. § 40118). The implementing regulations of the Fly America Act are found at 41 C.F.R. §§ 301-10.131 through 301-10.143.

b. The Fly America Act requires that Federal travelers and others performing U.S. Government-financed air travel must use U.S. flag air carriers, to the extent that service by such carriers is available. Foreign air carriers may be used only in specific instances, such as when a U.S. flag air carrier is unavailable, or use of U.S. flag air carrier service will not accomplish the agency's mission.

c. One exception to the requirement to fly U.S. flag carriers is transportation provided under a bilateral or multilateral air transport agreement, to which the United States Government and the government of a foreign country are parties, and which the Department of Transportation has determined meets the requirements of the Fly America Act pursuant to 49 U.S.C. § 40118(b). The United States Government has entered into bilateral/multilateral "Open Skies Agreements" (U.S. Government Procured Transportation) that allow Federally-funded transportation services for travel and cargo movements to use foreign air carriers under certain circumstances. There are multiple "Open Skies Agreements" currently in effect. For more information about the current bilateral and multilateral agreements, visit the GSA website.[17] Information on the Open Skies agreements (U.S. Government Procured Transportation) and other specific country agreements may be accessed via the Department of State's website.[18]

d. If a foreign air carrier is anticipated to be used for any portion of travel under a Council financial assistance award the non-Federal entity must obtain prior written approval from the Grants Officer. When requesting such approval, the non-Federal entity must provide a justification in accordance with guidance provided by 41 C.F.R. § 301-10.142, which requires the non-Federal entity to provide the Grants Officer with the following: name; dates of travel; origin and destination of travel; detailed itinerary of travel; name of the air carrier and flight number for each leg of the trip; and a statement explaining why the non-Federal entity meets one of the exceptions to the regulations. If the use of a foreign air carrier is pursuant to a bilateral agreement, the non-Federal entity must provide the Grants Officer with a copy of the agreement or a citation to the official agreement available on the GSA website. The Grants Officer shall make the final determination and notify the non-Federal entity in writing. Failure to adhere to the provisions of the Fly America Act will result in the non-Federal entity not being reimbursed for any transportation costs for which the non-Federal entity improperly used a foreign air carrier.

[17] GSA Fly America Act website - http://www.gsa.gov/portal/content/103191, verified 8/18/2015.
[18] Department of State Open Skies Agreements website - http://www.state.gov/e/eb/tra/ata/index.htm, verified 8/18/2015.

.05 Increasing Seat Belt Use in the United States

Pursuant to EO 13043, recipients should encourage employees and contractors to enforce on-the-job seat belt policies and programs when operating company-owned, rented or personally owned vehicles.

.06 Research Involving Human Subjects

a. All proposed research involving human subjects must be conducted in accordance with 15 C.F.R. part 27 "Protection of Human Subjects." No research involving human subjects is permitted under this award unless expressly authorized by special award condition, or otherwise in writing by the Grants Officer.

b. Federal policy defines a human subject as a living individual about whom an investigator conducting research obtains (1) data through intervention or interaction with the individual, or (2) identifiable private information. Research means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge.

c. Department of Commerce regulations at 15 C.F.R. part 27, applying to all Federal departments and agencies, require that recipients maintain appropriate policies and procedures for the protection of human subjects. In the event it becomes evident that human subjects may be involved in this project, the non-Federal entity shall submit appropriate documentation to the Federal Program Officer for approval by the appropriate Council officials. This documentation may include:

    1. Documentation establishing approval of the project by an institutional review board (IRB) approved for Federal-wide use under Department of Health and Human Services guidelines (*see also* 15 C.F.R. § 27.103);

    2. Documentation to support an exemption for the project under 15 C.F.R. § 27.101(b);

    3. Documentation to support deferral for an exemption or IRB review under 15 C.F.R. § 27.118;

    4. Documentation of IRB approval of any modification to a prior approved protocol or to an informed consent form.

d. No work involving human subjects may be undertaken or conducted, or costs incurred and/or charged for human subjects research, until the appropriate documentation is approved in writing by the Grants Officer. Notwithstanding this prohibition, work may be initiated or costs incurred and/or charged to the project for protocol or instrument development related to human subjects research.

.07 Federal Employee Expenses

Federal agencies are generally barred from accepting funds from a non-Federal entity to pay transportation, travel or other expenses for any Federal employee. Use of award funds (Federal or non-Federal) or the non-Federal entity's provision of in-kind goods or services, for the purposes of transportation, travel or any other expenses for any Federal employee may raise appropriation augmentation issues. In addition, Council policy prohibits the acceptance of gifts, including travel payments for Federal employees, from recipients or applicants, regardless of the source.

.08 Minority Serving Institutions Initiative

Pursuant to EOs 13555 ("White House Initiative on Educational Excellence for Hispanics"), 13270 ("Tribal Colleges and Universities"), and 13532 ("Promoting Excellence, Innovation, and Sustainability at Historically Black Colleges and Universities"), the Council is strongly committed to broadening the participation of minority serving institutions (MSIs) in its financial assistance programs. The Council's goals include achieving full participation of MSIs in order to advance the development of human potential, strengthen the Nation's capacity to provide high-quality education, and increase opportunities for MSIs to participate in and benefit from Federal financial assistance programs. The Council encourages all recipients to include meaningful participation of MSIs. Institutions eligible to be considered MSIs are listed on the Department of Education website.

.09 Research Misconduct

The Council adopts, and applies to financial assistance awards for research, the Federal Policy on Research Misconduct (Federal Policy) issued by the Executive Office of the President's Office of Science and Technology Policy on December 6, 2000 (65 FR 76260). As provided for in the Federal Policy, research misconduct refers to the fabrication, falsification or plagiarism in proposing, performing or reviewing research, or in reporting research results. Research misconduct does not include honest errors or differences of opinion. Non-Federal entities that conduct extramural research funded by the Council must foster an atmosphere conducive to the responsible conduct of sponsored research by safeguarding against and resolving allegations of research misconduct. Non-Federal entities also have the primary responsibility to prevent, detect and investigate allegations of research misconduct and, for this purpose, may rely on their internal policies and procedures, as appropriate, to do so. Federal award funds expended on an activity that is determined to be invalid or unreliable because of research misconduct may result in appropriate enforcement action under the award, up to and including award termination and/or suspension or debarment. The Council requires that any allegation that contains sufficient information to proceed with an inquiry be submitted to the Grants Officer, who will also notify the Treasury OIG of such allegation. Once the non-Federal entity has investigated the allegation, it shall submit its findings to the Grants Officer. The Council may accept the non-Federal entity's findings or proceed with its own investigation. The Grants Officer will inform the non-Federal entity of the Council's final determination.

.10 Publications, Videos, Signage and Acknowledgment of Sponsorship

a. Publication of results or findings in appropriate professional journals and production of video or other media is encouraged as an important method of recording, reporting and otherwise disseminating information and expanding public access to Federally-funded projects (*e.g.*, scientific research).

b. Recipients are required to submit a copy of any publication materials, including but not limited to print, recorded or Internet materials, to the Council.

c. When releasing information related to a funded project, recipients must include a statement that the project or effort undertaken was or is sponsored by the Council.

d. Any signage produced with funds from the award or informing the public about the activities funded in whole or in part by the award, must first be approved in writing by the Grants Officer.

e. Recipients are responsible for assuring that every publication of material based on, developed under, or otherwise produced under a Council financial assistance award, except scientific articles or papers

appearing in scientific, technical or professional journals, contains the following disclaimer or other disclaimer approved in writing by the Grants Officer:

This [report/video/etc.] was prepared by [non-Federal entity name] using Federal funds under award [number] from the RESTORE Council. The statements, findings, conclusions, and recommendations are those of the author(s) and do not necessarily reflect the views of the RESTORE Council.

.11 Care and Use of Live Vertebrate Animals

Recipients must comply with the Laboratory Animal Welfare Act of 1966, as amended, (Pub. L. No. 89-544, 7 U.S.C. § 2131 *et seq*.) (animal acquisition, transport, care, handling, and use in projects), and implementing regulations, 9 C.F.R. Parts 1, 2, and 3; the Endangered Species Act (16 U.S.C. § 1531 *et seq*.); Marine Mammal Protection Act (16 U.S.C. § 1361 *et seq*.) (taking possession, transport, purchase, sale, export or import of wildlife and plants); the Nonindigenous Aquatic Nuisance Prevention and Control Act (16 U.S.C. § 4701 *et seq*.) (ensure preventive measures are taken or that probable harm of using species is minimal if there is an escape or release); and all other applicable statutes pertaining to the care, handling and treatment of warm-blooded animals held for research, teaching or other activities supported by Federal financial assistance. No research involving vertebrate animals is permitted under any Council financial assistance award without the prior written approval of the Grants Officer.

.12 Homeland Security Presidential Directive 12

If the performance of a grant award requires non-Federal entity personnel to have routine access to Federally-controlled facilities and/or Federally-controlled information systems (for purpose of this term "routine access" is defined as more than 180 days), such personnel must undergo the personal identity verification credential process. In the case of foreign nationals, the Council will conduct a check with U.S. Citizenship and Immigration Services' (USCIS) Verification Division, a component of the Department of Homeland Security (DHS), to ensure that the individual is in a lawful immigration status and that he or she is eligible for employment within the United States. Any items or services delivered under a financial assistance award shall comply with the Council personal identity verification procedures that implement Homeland Security Presidential Directive 12, "Policy for a Common Identification Standard for Federal Employees and Contractors," FIPS PUB 201, and OMB Memorandum M-05-24. The non-Federal entity shall ensure that its subrecipients and contractors (at all tiers) performing work under this award comply with the requirements contained in this term. The Grants Officer may delay final payment under an award if the subrecipient or contractor fails to comply with the requirements provided below. The non-Federal entity shall insert the following term in all subawards and contracts when the subaward non-Federal entity or contractor is required to have routine physical access to a Federally-controlled facility or routine access to a Federally-controlled information system:

a. *The subrecipient or contractor shall comply with the Council personal identity verification procedures identified in the subaward or contract that implement Homeland Security Presidential Directive 12 (HSPD-12), Office of Management and Budget (OMB) Guidance M-05-24, as amended, and Federal Information Processing Standards Publication (FIPS PUB) Number 201, as amended, for all employees under this subaward or contract who require routine physical access to a Federally-controlled facility or routine access to a Federally-controlled information system.*

b. *The subrecipient or contractor shall account for all forms of Government-provided identification issued to the subrecipient or contractor employees in connection with performance under this subaward or contract. The subrecipient or contractor shall return such identification to the issuing agency at the earliest of any of the following, unless otherwise determined by the Council: (1) When*

no longer needed for subaward or contract performance; (2) Upon completion of the subrecipient or contractor employee's employment; or (3) Upon subaward or contract completion or termination.

.13 Compliance with Department of Commerce Bureau of Industry and Security Export Administration Regulations

a. This clause applies to the extent that this financial assistance award involves access to export-controlled items.

b. In performing this financial assistance award, the non-Federal entity may gain access to items subject to export control (export-controlled items) under the Export Administration Regulations (EAR). The non-Federal entity is responsible for compliance with all applicable laws and regulations regarding export-controlled items, including the EAR's deemed exports and reexports provisions. The non-Federal entity shall establish and maintain effective export compliance procedures at Council and non-Council facilities throughout performance of the financial assistance award. At a minimum, these export compliance procedures must include adequate controls of physical, verbal, visual, and electronic access to export-controlled items, including by foreign nationals.

c. Definitions

1. Export-controlled items. Items (commodities, software, or technology), that are subject to the EAR (15 C.F.R. §§ 730-774), implemented by the Department of Commerce's Bureau of Industry and Security. These are generally known as "dual-use" items, items with both a military and commercial application.

2. Deemed Export/Reexport. The EAR defines a deemed export as a release of export-controlled items (specifically, technology or source code) to a foreign national in the U.S. Such release is "deemed" to be an export to the home country of the foreign national. 15 C.F.R. § 734.2(b)(2)(ii). A release may take the form of visual inspection, oral exchange of information, or the application abroad of knowledge or technical experience acquired in the U.S. If such a release occurs abroad, it is considered a deemed reexport to the foreign national's home country. Licenses may be required for deemed exports or reexports.

d. The non-Federal entity shall control access to all export-controlled items that it possesses or that comes into its possession in performance of this financial assistance award, to ensure that access to, or release of, such items are restricted, or licensed, as required by applicable Federal laws, EOs, and/or regulations, including the EAR.

e. As applicable, non-Federal entity personnel and associates at Council sites shall be informed of any procedures to identify and protect export-controlled items.

f. To the extent the non-Federal entity wishes to provide foreign nationals with access to export-controlled items, the non-Federal entity shall be responsible for obtaining any necessary licenses, including licenses required under the EAR for deemed exports or deemed reexports.

g. Nothing in the terms of this financial assistance award is intended to change, supersede, or waive the requirements of applicable Federal laws, EOs or regulations.

h. Compliance with the foregoing will not satisfy any legal obligations the non-Federal entity may have regarding items that may be subject to export controls administered by other agencies such as the Department of State, which has jurisdiction over exports of munitions items subject to the

International Traffic in Arms Regulations (ITAR) (22 C.F.R. §§ 120-130), including releases of such items to foreign nationals.

i. The non-Federal entity shall include this Subsection .13, including this Subparagraph i, in all lower tier transactions (subawards, contracts, and subcontracts) under this financial assistance award that may involve access to export-controlled items.

.14 The Trafficking Victims Protection Act of 2000 (22 U.S.C. 7104(g)), as amended, and the implementing regulations at 2 C.F.R. part 175

The Trafficking Victims Protection Act of 2000 authorizes termination of financial assistance provided to a private entity, without penalty to the Federal Government, if the non-Federal entity engages in certain activities related to trafficking in persons. The Council incorporates the following award term required by 2 C.F.R. § 175.15(b).[19]

Award Term from 2 C.F.R. § 175.15(b):

I. Trafficking in persons.

a. Provisions applicable to a non-Federal entity that is a private entity.
   1. You as the non-Federal entity, your employees, subrecipients under this award, and subrecipients' employees may not—
      i. Engage in severe forms of trafficking in persons during the period of time that the award is in effect;
      ii. Procure a commercial sex act during the period of time that the award is in effect; or
      iii. Use forced labor in the performance of the award or subawards under the award.
   2. We as the Federal awarding agency may unilaterally terminate this award, without penalty, if you or a subrecipient that is a private entity —
      i. Is determined to have violated a prohibition in paragraph a.1 of this award term; or
      ii. Has an employee who is determined by the agency official authorized to terminate the award to have violated a prohibition in paragraph a.1 of this award term through conduct that is either— (A) Associated with performance under this award; or (B) Imputed to you or the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 2 C.F.R. Part 180, "OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)," as implemented by our agency at 2 C.F.R. Part 1326, "Nonprocurement Debarment and Suspension."

b. Provision applicable to a non-Federal entity other than a private entity. We as the Federal awarding agency may unilaterally terminate this award, without penalty, if a subrecipient that is a private entity—
   1. Is determined to have violated an applicable prohibition in paragraph a.1 of this award term; or
   2. Has an employee who is determined by the agency official authorized to terminate the award to have violated an applicable prohibition in paragraph a.1 of this award term through conduct that is either—
      i. Associated with performance under this award; or

[19] *See* 2 C.F.R. § 175.15(b) - http://www.gpo.gov/fdsys/pkg/CFR-2012-title2-vol1/pdf/CFR-2012-title2-vol1-sec175-15.pdf, verified 8/18/2015.

ii. Imputed to the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 2 C.F.R. Part 180, "OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)," as implemented by our agency at 2 C.F.R. Part 1326, "Nonprocurement Debarment and Suspension."

c. Provisions applicable to any non-Federal entity.
   1. You must inform us immediately of any information you receive from any source alleging a violation of a prohibition in paragraph a.1 of this award term.
   2. Our right to terminate unilaterally that is described in paragraph a.2 or b of this section:
      i. Implements section 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), as amended (22 U.S.C. 7104(g)), and
      ii. Is in addition to all other remedies for noncompliance that are available to us under this award.
   3. You must include the requirements of paragraph a.1 of this award term in any subaward you make to a private entity.

d. Definitions. For purposes of this award term:
   1. Employee means either:
      i. An individual employed by you or a subrecipient who is engaged in the performance of the project or program under this award; or
      ii. ii. Another person engaged in the performance of the project or program under this award and not compensated by you including, but not limited to, a volunteer or individual whose services are contributed by a third party as an in-kind contribution toward cost sharing or matching requirements.
   2. Forced labor means: labor obtained by any of the following methods: the recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.
   3. Private entity:
      i. Means any entity other than a State, local government, Indian tribe, or foreign public entity, as those terms are defined in 2 C.F.R. 175.25;
      ii. Includes: (A) A nonprofit organization, including any nonprofit institution of higher education, hospital, or tribal organization other than one included in the definition of Indian tribe at 2 C.F.R. 175.25(b); and (B) A for-profit organization.
   4. "Severe forms of trafficking in persons," "commercial sex act," and "coercion" have the meanings given at section 103 of the TVPA, as amended (22 U.S.C. 7102).

.15 The Federal Funding Accountability and Transparency Act of 2006 ("Transparency Act" or FFATA)—Public Law 109-282, as amended by section 6202(a) of Public Law 110-252 (31 U.S.C. 6101)

a. Searchable Website Requirements. The Federal Funding Accountability and Transparency Act of 2006 (FFATA) requires information on Federal awards (Federal financial assistance and expenditures) be made available to the public via a single, searchable website. This information is available at the USA Spending website.[20] Recipients and subrecipients must include the following required data elements in their application:

[20] USASpending.gov website - www.USASpending.gov, verified 8/18/2015.

- Name of entity receiving award;
- Award amount;
- Transaction type, funding agency, Catalog of Federal Domestic Assistance Number, and descriptive award title;
- Location of entity, primary location of performance (City/State/Congressional District/Country); and
- Unique identifier of entity.

b. Reporting Subawards and Executive Compensation. Prime grant recipients awarded a new Federal grant greater than or equal to $25,000 on or after October 1, 2010, other than those funded by the Recovery Act, are subject to FFATA subaward reporting requirements as outlined in the OMB guidance issued August 27, 2010. The prime non-Federal entity is required to file a FFATA subaward report by the end of the month following the month in which the prime non-Federal entity awards any sub-grant greater than or equal to $25,000. *See* Pub. L. No. 109-282, as amended by section 6202(a) of Pub. L. No. 110-252 (*see* 31 U.S.C. 6101 note). The reporting requirements are located in Appendix A of 2 C.F.R. Part 170.[21]

Award Term from Appendix A of 2 C.F.R. Part 170:

I. Reporting Subawards and Executive Compensation.
   a. Reporting of first-tier subawards.
      1. Applicability. Unless you are exempt as provided in paragraph d. of this award term, you must report each action that obligates $25,000 or more in Federal funds that does not include Recovery funds (as defined in section 1512(a)(2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111–5) for a subaward to an entity (*see* definitions in paragraph e. of this award term).
      2. Where and when to report.
         i. You must report each obligating action described in paragraph a.1 of this award term to the FFATA Subaward Reporting System (FSRS).[22]
         ii. For subaward information, report no later than the end of the month following the month in which the obligation was made. (For example, if the obligation was made on November 7, 2010, the obligation must be reported by no later than December 31, 2010.)
      3. What to report. You must report the information about each obligating action that the submission instructions posted at the FSRS website specify.
   b. Reporting Total Compensation of Non-Federal Entity Executives.
      1. Applicability and what to report. You must report total compensation for each of your five most highly compensated executives for the preceding completed fiscal year, if—
         i. the total Federal funding authorized to date under this award is $25,000 or more;
         ii. in the preceding fiscal year, you received—
            (A) 80 percent or more of your annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance subject to the Transparency Act, as defined at 2 C.F.R. 170.320 (and subawards); and
            (B) $25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance subject to the Transparency Act, as defined at 2 C.F.R. 170.320 (and subawards); and

[21] 2 C.F.R. § 170.320 on GPO website - http://www.gpo.gov/fdsys/pkg/CFR-2011-title2-vol1/pdf/CFR-2011-title2-vol1-part170-appA.pdf, verified 8/18/2015.
[22] Federal Funding Accountability and Transparency Act Subaward Reporting System - http://www.fsrs.gov, verified 8/18/2015.

iii. The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to the compensation information, *see* the U.S. Security and Exchange Commission total compensation filings.[23])

2. Where and when to report. You must report executive total compensation described in paragraph b.1 of this award term:
   i. As part of your registration profile in the System for Award Management (SAM),[24] and
   ii. By the end of the month following the month in which this award is made, and annually thereafter.

c. Reporting of Total Compensation of Subrecipient Executives.
1. Applicability and what to report. Unless you are exempt as provided in paragraph d. of this award term, for each first-tier subrecipient under this award, you shall report the names and total compensation of each of the subrecipient's five most highly compensated executives for the subrecipient's preceding completed fiscal year, if—
   i. In the subrecipient's preceding fiscal year, the subrecipient received—
      (A) 80 percent or more of its annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance subject to the Transparency Act, as defined at 2 C.F.R. 170.320 (and subawards); and
      (B) $25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts), and Federal financial assistance subject to the Transparency Act (and subawards); and
   ii. The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to the compensation information, *see* the U.S. Security and Exchange Commission total compensation filings at http://www.sec.gov/answers/execomp.htm.)
2. Where and when to report. You must report subrecipient executive total compensation described in paragraph c.1. of this award term:
   i. To the non-Federal entity.
   ii. By the end of the month following the month during which you make the subaward. For example, if a subaward is obligated on any date during the month of October of a given year (i.e., between October 1 and 31), you must report any required compensation information of the subrecipient by November 30 of that year.

d. Exemptions. If, in the previous tax year, you had gross income, from all sources, under $300,000, you are exempt from the requirements to report: i. Subawards, and ii. The total compensation of the five most highly compensated executives of any subrecipient.

e. Definitions. For purposes of this award term:
1. Entity means all of the following, as defined in 2 C.F.R. part 25:
   i. A Governmental organization, which is a State, local government, or Indian tribe;
   ii. A foreign public entity;
   iii. A domestic or foreign nonprofit organization;
   iv. A domestic or foreign for-profit organization;

[23] U.S. Security and Exchange Commission Executive Compensation "Fast Facts" - http://www.sec.gov/answers/execomp.htm, verified on 8/18/2015.
[24] System for Award Management (SAM) - https://www.sam.gov, verified on 8/18/2015.

v. A Federal agency, but only as a subrecipient under an award or subaward to a non-Federal entity.

2. Executive means officers, managing partners, or any other employees in management positions.
3. Subaward:
   i. This term means a legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that you as the non-Federal entity award to an eligible subrecipient.
   ii. The term does not include your procurement of property and services needed to carry out the project or program (for further explanation, *see* 2 C.F.R. § 200.330).
   iii. A subaward may be provided through any legal agreement, including an agreement that you or a subrecipient considers a contract.
4. Subrecipient means an entity that:
   i. Receives a subaward from you (the non-Federal entity) under this award; and
   ii. Is accountable to you for the use of the Federal funds provided by the subaward.
5. Total compensation means the cash and noncash dollar value earned by the executive during the non-Federal entity's or subrecipient's preceding fiscal year and includes the following (for more information *see* 17 C.F.R. 229.402(c)(2)):
   i. Salary and bonus.
   ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.
   iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.
   iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.
   v. Above-market earnings on deferred compensation which is not tax-qualified.
   vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

c. System for Award Management (SAM) and Universal Identifier requirements.

1. Requirement for SAM. Unless you are exempted from this requirement under 2 C.F.R. § 25.110, you as the recipient must maintain the currency of your information in the SAM until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another award term.

2. Requirement for unique entity identifier. If you are authorized to make subawards under this award, you:

   i. Must notify potential subrecipients that no entity (see definition in paragraph C of this award term) may receive a subaward from you unless the entity has provided its unique entity identifier to you.
   ii. May not make a subaward to an entity unless the entity has provided its unique entity identifier to you.

3. Definitions for purposes of this award term:

   i. System for Award Management (SAM) means the Federal repository into which an entity must provide information required for the conduct of business as a recipient. Additional information about registration procedures may be found at the System for Award Management Internet site.[25]
   ii. Unique entity identifier means the identifier required for SAM registration to uniquely identify business entities.
   iii. Entity, as it is used in this award term, means all of the following, as defined at 2 C.F.R. part 25, subpart C:
      (A) A Governmental organization, which is a State, local government, or Indian Tribe;
      (B) A foreign public entity;
      (C) A domestic or foreign nonprofit organization;
      (D) A domestic or foreign for-profit organization; and
      (E) A Federal agency, but only as a subrecipient under an award or subaward to a non-Federal entity.
   iv. Subaward:
      (A) This term means a legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that you as the non-Federal entity award to an eligible subrecipient.
      (B) The term does not include your procurement of property and services needed to carry out the project or program (for further explanation, *see* 2 C.F.R. § 200.330).
      (C) A subaward may be provided through any legal agreement, including an agreement that you consider a contract.
   v. Subrecipient means an entity that:
      (A) Receives a subaward from you under this award; and
      (B) Is accountable to you for the use of the Federal funds provided by the subaward.

.16 Federal Financial Assistance Planning During a Funding Hiatus or Government Shutdown

This term sets forth initial guidance that will be implemented for Federal assistance awards in the event of a lapse in appropriations, or a government shutdown. The Grants Officer may issue further guidance prior to an anticipated shutdown.

a. Unless there is an actual rescission of funds for specific grant obligations, recipients of Federal financial assistance awards for which funds have been obligated generally will be able to continue to perform and incur allowable expenses under the award during a funding hiatus. Recipients are advised that ongoing activities by Federal employees involved in grant administration (including payment processing) or similar operational and administrative work cannot continue when there is a funding lapse. Therefore, there may be delays, including payment processing delays, in the event of a shutdown.

b. All award actions will be delayed during a government shutdown; if it appears that a non-Federal entity's performance under a grant or cooperative agreement will require agency involvement, direction or clearance during the period of a possible government shutdown, the Program Officer or

[25] System for Award Management (SAM) - https://www.sam.gov, verified on 8/18/2015.

Grants Officer, as appropriate, may attempt to provide such involvement, direction, or clearance prior to the shutdown or advise recipients that such involvement, direction, or clearance will not be forthcoming during the shutdown. Accordingly, recipients whose ability to withdraw funds is subject to prior agency approval, which in general are recipients that have been designated high risk, recipients of construction awards, or are otherwise limited to reimbursements or subject to agency review, will be able draw funds down from the relevant Automatic Standard Application for Payment (ASAP) account only if agency approval is given and coded into ASAP prior to any government shutdown or closure. This limitation may not be lifted during a government shutdown. Recipients should plan to work with the Grants Officer to request prior approvals in advance of a shutdown wherever possible. Recipients whose authority to draw down award funds is restricted may decide to suspend work until the government reopens.

c. The ASAP system may remain operational during a government shutdown. As applicable, recipients that do not require Council approval to draw down advance funds from their ASAP accounts may be able to do so during a shutdown. The 30-day limitation on the drawdown of advance funds will apply notwithstanding a government shutdown and advanced funds held for more than 30 days shall be returned with interest.

R. CERTIFICATIONS

At a minimum, the non-Federal entity must comply with the certifications and requirements in 31 C.F.R. § 34.802, assurances (Forms SF-424B and SF-424D, or equivalent, as applicable), and any required Council-specific certifications. Other certifications may be required by 2 C.F.R. part 200. Certifications must be signed by an authorized senior official of the entity receiving grant funds who can legally bind the organization or entity, and who has oversight for the administration and use of the funds in question.

ATTACHMENT J

REGULATIONS

Formal regulations concerning administrative procedures for Gulf Coast Ecosystem Restoration Council grants appear in Title 2 of the Code of Federal Regulations (CFR) Part 200. Other Federal regulations may also impact grant programs. The following list contains regulations and Office of Management and Budget Guidance which may apply to the work performed under this Agreement.	
Office of Management and Budget Circulars	
2 CFR Part 200	Uniform administrative requirements, cost principles, and audit requirements for Federal awards (State, Local and Indian Tribal Governments; Educational Institutes; Private Non-Profit Organization other than (1) institute of higher education, (2) hospital, or (3) organization named in 2 CFR Part 200 Appendix VIII
2 CFR Part 200, Subpart F	Audit Requirements
48 CFR Part 31	Contract Cost Principles and Procedures (For Profit Organization)
2 CFR 200.450	Lobbying. The Office of Management and Budget "Governmentwide Guidance for New Restrictions on Lobbying" and notices published at 54 Federal Register (FR) 52306 and "New Restrictions on Lobbying" published at 55 FR 6736.
2 CFR 180	Nonprocurement Debarment and Suspension Regulations
Other Federal Regulations	
40 U.S.C. 1101 *et seq*.	Procurement processes for architectural and engineering services, effective October 1, 2014.
41 U.S.C. § 4712	Effective December 14, 2016, the Pilot Program for Enhancement of Whistleblower Protections, was extended to all Federal agencies and made permanent (National Defense Authorization Act for Fiscal Year 2017; and Public Law No. 114-261). All provisions and requirements initially implemented under the Pilot Program are now permanent provisions and requirements under any contracts or grants funded by a Federal agency.
Accounting Standards	
Governmental Entities	Subject to accounting standards established by the Government Accounting Standards Board (GASB)
Private Sector or Individuals	Subject to generally accepted accounting principles (GAAP), promulgated by the American Institute of Certified Public Accountants (AICPA), as applicable

Attachment K: OBSERVATIONAL DATA PLAN

Project Name: Bayou Chico Contaminated Sediment Removal – Planning Design, and Permitting

Agency: State of Florida Department of Environmental Protection

Escambia County, FL (implementing organization)

Project Phase: __X__ Planning _____ Implementation _____ Post-Implementation

Element Type: __X__ Planning _____ Implementation _____ Post-Implementation

Plan Point of Contact(s):

Project Sponsor:

Phil Coram • (850) 245-2167 • Phil.Coram@dep.state.fl.us

Lisa Robertson • (850) 245-2177 • Lisa.Robertson@dep.state.fl.us

Implementing Organization Contact(s):

Taylor "Chips" Kirschenfeld, Primary Investigator for Escambia County, FL

221 Palafox Place, Pensacola, FL 32502 • (850) 595-4988 • jtkirsche@myescambia.com

Brent Wipf, Major Co-Investigator and Quality Control Officer for Escambia County, FL

3363 West Park Place, Pensacola, FL 32505 • (850) 595-3445 • bawipf@myescambia.com

Expected observational data collection start and end date for overall project: Metrics include count of Engineering & Design plans developed, compliance documents obtained, and local contracts issued. Data will be collected as plans are developed or documents are obtained. Phase I design and permitting is anticipated to be complete within 30 months of grant being issued. Specific dates will be provided once the grant is issued.

Short description of the project location: Project is located in Bayou Chico. Bayou Chico is located in south central Escambia County within the lower Pensacola Bay watershed.

Short description of the overall project construction features: Project includes engineering, design, and permitting of sediment remediation plan for Bayou Chico. Plan will require surveying to determine horizontal and vertical extend of existing sediment, chemical analysis to determine quality. Removal and disposal of contaminated sediment will occur under a future implementation phase(s).

Consistency with Local or Regional Planning/Monitoring Efforts: Proposed observational data types and methods will be consistent with the development of other local and State large-scale restoration plans. Planning will take into consideration findings from previous scientific studies of the bayou.

Overall Project Goals and Objectives: Sediment in Bayou Chico is enriched with nutrients, heavy metals, and other pollutants typical of stormwater runoff and commercial activities in the basin. Existing sediment quality is preventing ecological recovery. Project will design and permit a sediment remediation plan for Bayou Chico. Removal sediment from the bayou will prevent continued re-suspension of legacy contaminates, and provide clean substrate for biota. Improved sediment quality will allow for ecological restoration in Bayou Chico.

Specific Goals and Objectives: Project will design and permit a large-scale living shoreline project to accomplish the following goals and objectives:

- Conduct bathymetric survey and evaluate sub-bottom profile to determine horizontal and vertical distribution of sediment.
- Conduct chemical analysis of sediment to determine appropriate handling and disposal methods, as well as assist with prioritization of future implementation phases.
- Develop 100% design plans for sediment remediation plan.

- Develop specifications for sediment remediation plan.
- Secure all required environmental compliance authorizations.

Project Metrics:

1) **PRM011 – Restoration Planning/Design/Permitting – # E&D Plans Developed**
2) **PRM013 – Restoration Planning/Design/Permitting – # Compliance Documents Produced**
3) **COI104 – Economic Benefits – Number of Local Contracts**

Identification of Metrics and Associated Measures/Variables/Parameters and Success Criteria:

Metric 1: PRM011 – Restoration Planning/Design/Permitting – # E&D Plans Developed

Success Criteria: 2 Plans

Supporting Measures: I) Bathymetric survey and sub-bottom profile, II) Sediment Analysis, and III-VI) Engineering & Design plans

Supporting Measure I: Bathymetric survey and sub-bottom profile

Success Criteria: 1 Bathymetric survey and 1 sub-bottom profile

Purpose: Evaluate the distribution and depth of sediment in project area.

Schedule/Timing and Frequency: 1 survey anticipated completion within 12 months from issuance of funding

Sample Size: 1 survey

Site Locations: Proposed project area

Potential Corrective Action: N/A assessments must be completed to meet success criteria.

Supporting Measure II: Sediment analysis

Success Criteria: 1 Sediment analysis

Purpose: Determine chemical and physical characteristics of sediment

Schedule/Timing and Frequency: 1 analysis anticipated completion within 16 months from issuance of funding

Sample Size: 1 analysis

Site Locations: Proposed project area

Potential Corrective Action: N/A assessments must be completed to meet success criteria.

The following applies to Supporting Measures III-VI (below):

Success Criteria: Development of a restoration plan, including survey(s), design, specifications, bid documents

Purpose: Finalize E&D plans for project

Methods: Engineering & Design plans will be completed following the completion of Measures I & II.

Schedule/Timing and Frequency: Restoration plans will be counted as design elements are completed.

Supporting Measure III: 30% design plans

Success Criteria: 30% draft construction plans completed

Potential Corrective Action: N/A assessments must be completed to meet success criteria.

Supporting Measure IV: 60% design plans

Success Criteria: 60% draft construction plans completed

Potential Corrective Action: N/A assessments must be completed to meet success criteria.

Supporting Measure V: 90% design plans

Success Criteria: 90% draft construction plans completed

Potential Corrective Action: N/A assessments must be completed to meet success criteria.

Supporting Measure VI: 100% design plans

Success Criteria: 100% draft construction plans completed

Potential Corrective Action: N/A assessments must be completed to meet success criteria.

Metric 2: PRM013 – Restoration Planning/Design/Permitting – # Compliance Documents Produced

Success Criteria: 2 Compliance Documents

Supporting Measures: Count of compliance documents produced

Measure/Variable/Parameter: Number of compliance documents produced

Success criteria: 1 Federal Permit, 1 State Permit

Purpose: Assure project compliance with local, state, and federal agencies; Capture number of compliance documents produced

Methods: Project will require a federal permit obtained through the U.S. Army Corps of Engineers. Corps permit will include Endangered Species Act Section 7 Consultation. Project will also require a state permit obtained through the Florida Department of Environmental Protection. FDEP permit may include requirement for state land lease or easement. Project will obtain all compliance documents necessary for construction.

Schedule/Timing and Frequency: Restoration plans will be counted as design elements are completed.

Site Locations: Proposed Project Area

Metric 3: COI104 – Economic Benefits – Number of Local Contracts

Success criteria: 1 Contract

Supporting Measures: Count of contracts issued **Measure/Variable/Parameter:**

Number of local contracts

Success Criteria: 1 local contract

Purpose: Quantify economic impact of the awarded funding

Success Criteria: One contract issued to individuals or companies that reside in, are headquartered in, or are principally engaged in business in a Gulf Coast state

Methods: Contracts for work completed under this restoration plan will be tracked as awarded. Contracts issued to individuals or companies that resided in, are headquartered in, or are principally engaged in business in a Gulf Coast State will be counted toward the total number of contracts under this metric.

Schedule/Timing and Frequency: Data will be collected as contacts are awarded.

Sample Size: Not applicable

Site Location: Not applicable

Potential Corrective Action: N/A assessments must be completed to meet success criteria.

Unforeseen Event Contingency: Design & Engineering scope and contract will be drafted to incorporate adequate flexibility to address unforeseen events discovered during initial project planning and design.

Data Review and Reporting: Data collected will be used to evaluate overall project performance. Annual observational data reports will be developed and submitted in compliance with the grant reporting cycle as outlined in the RESTORE Council Financial Assistance Standard Terms and Conditions and Part IV, Chapter II, Section G of the Recipient Guidance.

High-Level Budget: Implementation of the Observational Data Plan for the planning phase is in-kind as part of the $335,500 allocation for engineering and design plans.

ATTACHMENT L
OBSERVATIONAL DATA MANAGEMENT PLAN

Project Name: Bayou Chico Contaminated Sediment Removal – Planning Design, & Permitting

Agency: State of Florida Department of Environmental Protection

Escambia County, FL (implementing organization)

Project Phase: __X__ Planning _____ Implementation _____ Post-Implementation

Plan Point of Contact(s):

Project Sponsor:

Phil Coram • (850) 245-2167 • Phil.Coram@dep.state.fl.us

Lisa Robertson • (850) 245-2177 • Lisa.Robertson@dep.state.fl.us

Data Steward(s):

Taylor "Chips" Kirschenfeld, Primary Investigator for Escambia County, FL

221 Palafox Place, Pensacola, FL 32502 • (850) 595-4988 • jtkirsche@myescambia.com

Brent Wipf, Major Co-Investigator and Quality Control Officer for Escambia County, FL

3363 West Park Place, Pensacola, FL 32505 • (850) 595-3445 • bawipf@myescambia.com

Estimated Budget for Data Management: Escambia County is managing the project data at no charge.

Expected Data Collection Start Date for Overall Project: Data collection will begin shortly after the grant award. A specific date will be provided once the grant is issued.

Expected Data Collection End Date for Overall Project: Data collection will end after the final design is complete, approximately 18 months following issuance of the grant. A specific date will be provided once the grant is issued.

Brief Project Description: Project includes engineering, design, and permitting of sediment remediation plan for Bayou Chico. Plan will require surveying to determine horizontal and vertical extend of existing sediment, and chemical analysis to determine quality. Removal and disposal of contaminated sediment will occur under a future implementation phase(s).

Project Location: Project is located in Bayou Chico. Bayou Chico is located in south central Escambia County within the lower Pensacola Bay watershed.

General Description of Data Collection Activities (Methods, Sampling Frequency, etc.):
The project is anticipated to generate the following types of information/data: contracts and financial information, plans and specifications, regulatory, and reports. Data collected will support evaluation of project specific metrics. Each type of information will have different collection methods and frequencies.

- Contracts and financial information will be generated for A&E services for design, consultant services for bathymetric survey, consultant services for sediment analysis, and consultant services for permitting. Data will also include consultant selection information and contractor bid documentation. Contracts will be issued as needed prior to the start of services necessary for the implementation of the project. Data will be collected, organized, and archived as it is generated. Data will be made available to the Council and general public annually or otherwise by request.
- Plans and specifications will be generated as part of the project design phase. Data type includes all supporting information, including bathymetric surveys, geotechnical work, sediment sampling plan(s), etc. Plans and specifications will go through multiple iterations at set intervals as final plans are developed. Data will be collected, organized,

and archived as it is generated. Data will be made available to the Council and general public annually or otherwise by request.

- Regulatory related information/data will be generated during the later stages of design. Permitting is currently anticipated to last from 4/1/18 until 3/31/19. Data will include all supporting documentation including permit applications, regulatory consultations, requests for additional information, lands lease/easement, and permits or letters of exemption. Data will be collected, organized, and archived as it is generated. Data will be made available to the Council and general public annually or otherwise by request.
- Reports will be generated annually and otherwise as needed. Reports will evaluate and summarize other data types. Reports will be submitted to the Council annually. Data will be available to the public annually or otherwise by request.

Do you have in-house data management and metadata capacity? __X__ Yes _____ No

Is so, describe how this project's data and metadata will be stored, archived, and made available/provided to the Council; and if it will utilize digital object identifiers (DOI's)? If not, how will you ensure that the project's data and metadata will be stored, archived, and made available/provided to the Council?

Describe how this will be accomplished: DOI's will not be used. Escambia County will work with the State of Florida for data generated as a result of the project to be stored, archived, and made available to the Council. Project data will also be available through the FDEP and Escambia County websites. Geospatial data will be stored in sql database format file geodatabase ESRI GIS platform available through traditional ARC Info/ArcGIS format. Metadata will meet federal geographic data guidelines. Data will be archived by date and made available in a variety of standard GIS map services. Spatial integrity will be maintained consistent with standard GIS practices.

List the Observational Data Types being collected and, if known at this time, the following information for each:

Date Type: Bathymetric survey

GIS Representation: Contours will be represented either as a polylines and polygons or as a digital elevation model (DEM).

Projection: TBD and updated in a revised DMP within 6 months of contracting sub-recipient.

POC: Brent Wipf, Major Co-Investigator and Quality Control Officer for Escambia County, FL 3363 West Park Place, Pensacola, FL 32505 • (850) 595-3445 • bawipf@myescambia.com

Frequency of Collection: TBD and updated in a revised DMP within 6 months of contracting sub-recipient.

Duration of Collection: TBD and updated in a revised DMP within 6 months of contracting sub-recipient.

Data Storage Format: TBD and updated in a revised DMP within 6 months of contracting sub-recipient.

Units: TBD and updated in a revised DMP within 6 months of contracting sub-recipient.

Horizontal and Vertical Datum: TBD and updated in a revised DMP within 6 months of contracting sub-recipient.

Data Type: Geospatial data (project boundary, sediment analysis sample locations, key design features)

GIS Representation: Project boundary and some key project features will be captures as polygons. Other key project features such as sediment analysis sample locations will be associated with point features.

Projection: High Precision Geodetic Network (HPGN) / State Plane Coordinates / Florida North FIPS 0903 / U.S. Survey Foot

Data Storage Format: field geodatabases, shapefiles Escambia County Water Quality Laboratory Information Management System (LIMS), STORET database

POC: brent wipf, Major Co-Investigator and Quality Control Officer for Escambia County, FL 3363 West Park Place, Pensacola, FL 32505 • (850) 595-3445 • bawipf@myescambia.com

Frequency and Duration of Collection: Sediment analysis sample locations will be captured with the implementation of the sediment sampling plan. Project boundary and key project features will be captured with the final design.

Units: North and East using U.S. survey foot, latitude and longitude

Horizontal Datum: High Precision Geodetic Network (HPGN) / State Plane Coordinates / Florida North FIPS 0903

Vertical Datum: NGVD88

Data Type: Non-geospatial data (contracts and financial information, plans and specifications, regulatory, and reports)

Data Storage Format: pdf

POC: brent wipf, Major Co-Investigator and Quality Control Officer for Escambia County, FL 3363 West Park Place, Pensacola, FL 32505 • (850) 595-3445 • bawipf@myescambia.com

Frequency and Duration of Collection: Contracts and financial information will be generated as contacts are executed and as payment is made for services necessary for the implementation of the project. Plans and specification will be developed for the design in regular intervals. Plans will be finalized prior to the end of the project. Regulatory data will be generated throughout the permitting process. Permits will be received prior to the end of the project. Reports will be submitted to the Council annually.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-12221 **County Administrator's Report 12. 18.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/25/2017
Issue: Renewal of Service of Process Contract with Florida Department of Revenue
From: Amy Lovoy, Assistant County Administrator
Organization: Asst County Administrator - Lovoy
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Renewal of a Service of Process Contract with the Florida Department of Revenue - Amy Lovoy, Assistant County Administrator

That the Board approve and authorize the Chairman to sign the Renewal of the Contract between Escambia County and State of Florida, Department of Revenue (DOR), Contract #CST17, for reimbursements related to Title IV-D Child Support Enforcement actions, including service of process and execution of writs for child support enforcement orders issued by DOR, beginning on July 1, 2017, and ending on June 30, 2018. This Renewal will continue to allow the County to collect 66% of the unit rate for each service of process and each writ. The original Contract was approved by the Board on May 15, 2014.

BACKGROUND:

Per Florida Statute, the Sheriff is required to provide service of process and execution of writs for child support enforcement orders issued by the Department of Revenue (DOR). With this contract, the County will continue to collect 66% of the unit rate for each service of process and each writ.

BUDGETARY IMPACT:

The County will continue to collect 66% of the unit rate for each service of process and each writ. In FY 16, the County received approximately $61,000 of child support enforcement fees resulting from this Contract.

LEGAL CONSIDERATIONS/SIGN-OFF:

The Renewal was reviewed and approved as to form and legal sufficiency by Assistant County Attorney Kristin Hual.

Renewal of DOR Child Support Enforcement Contract

RENEWAL No.:1 of 3

THIS RENEWAL entered into between the State of Florida, Department of Revenue hereafter referred to as the "Department" and Escambia County Board of County Commissioners hereafter referred to as the "Contractor", shall begin on July 1, 2017 and end on June 30, 2018, for the following goods or services: Judicial and administrative service pursuant to Section 30.231 and Section 409.2563(4), Florida Statutes on all Title IV-D Child Support Enforcement actions that are referred by the Department or its designee.

It has been determined by the Department that it is in the State's best interest to renew this contract.

This contract renewal shall not exceed $[N/A-Rate Agreement], subject to the availability of funds.

All provisions not in conflict with this renewal are still in effect. This renewal is subject to the same terms, conditions and price set forth in the initial contract and subsequent amendments. Services are to be performed (or Goods are to be provided) as specified in the Contract. The provisions of Chapter 287, Florida Statutes, are incorporated herein by reference.

This renewal is hereby made a part of Contract # CST17.

IN WITNESS WHEREOF, the parties hereto have caused this one (1) page renewal to be executed by their duly authorized officials herein.

ATTEST: PAM CHILDERS
