

**AGREEMENT RELATING TO CUSTODIAL SERVICES
SOLICITATION # P.D. 17-18.014**

THIS AGREEMENT is made by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), whose mailing address is 221 Palafox Place, Pensacola, FL 32502, and American Facility Services, Inc. (hereinafter referred to as "Contractor"), a foreign for profit corporation authorized to conduct business in the State of Florida, FEI/EIN 62-1346033, whose principal address is 1325 Union Hill Industrial Court, Suite A, Alpharetta, GA 30004.

WITNESSETH:

WHEREAS, on December 4, 2017, the County issued an Invitation to Bidders (P.D. 17-18.014) seeking a contractor to provide professional custodial services for various County buildings; and

WHEREAS, in response to the solicitation, Contractor submitted a bid demonstrating that the Contractor was the most responsive and responsible bidder proposing to provide such services; and

WHEREAS, the County desires to enter into an agreement with the Contractor for the provision of such services as set forth herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. **Recitals.** The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.
2. **Term.** This Agreement shall commence upon the date last executed and continue for a term of one (1) year. Upon mutual agreement of the parties, the Agreement may be renewed for two additional one (1) year terms by providing written notice no later than thirty (30) days prior to the expiration of the current term.

After exercising all options to renew, if it is determined that interim performance is necessary to allow for the solicitation and award of a new contract, the County may unilaterally extend this Agreement for up to an additional six (6) months. The County shall provide written notice of the desire to extend the agreement no later than thirty (30) days prior to the expiration of the last one (1) year renewal period. The total duration of this agreement, including the exercise of all options to renew/extend, shall not exceed the duration of three (3) years and six (6) months.

3. **Scope.** Contractor agrees to perform in accordance with the scope of services as outlined in Escambia County's *Invitation to Bidders, Custodial Services for Various County Buildings, Specification No. P.D. 17-18.014*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement shall prevail. Additional emergency services may be requested by the County on an as-needed basis during emergency events such as hurricanes and other natural disasters.

4. **Compensation.** County shall pay Contractor for custodial services in accordance with the Contractor's Bid Form, attached hereto as **Exhibit B**. Contractor shall be responsible for providing all custodial consumable supplies, equipment, and labor necessary to perform the

scope of services. All services purchased by the County pursuant to this agreement are subject to post sale audit adjustment. In the event an audit indicates Contractor has not honored quoted price lists and discounts, Contractor will be liable for any and all overage charges.

5. Method of Payment/Billing. Contractor may request payment from County on a monthly basis by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of goods/services received and accepted with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

6. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the Contractor shall be paid for services provided through the date of termination, but Contractor shall not be entitled to any other recovery against County, including, but not limited to, damages or any anticipated profit on portions of work not performed.

7. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

8. Insurance. The Contractor is required to carry the following insurance:
- (a) Commercial General Liability, Form CG1, with \$1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

In the event Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

9. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

10. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. 11. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

12. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. SPECIAL ACCOMMODATIONS:

Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing (850) 595-4980 at least five (5) working days prior to the solicitation opening.

Notice

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee vendor until such time as the contract is executed by the last party to the transaction.

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to vendors of the local vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County or Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and
2. Holds any business license required by Escambia County or Santa Rosa County, and
3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification, and shall have the sole discretion to determine if a vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between \$50,000.00 and \$249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between \$50,000.00 and \$249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **Community Redevelopment Area (CRA)** is within **seven percent (7%)** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between \$250,000.00 and \$999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **three percent (3%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between \$250,000.00 and \$999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of \$1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within **two percent (2%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of \$1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **four percent (4%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not

fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.
2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.
3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.
4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the

County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded and the County may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a “competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation.” For any such solicitation, the County must disclose in the bid package that “any applicable local ordinance or regulation does not include any local preference...” See §255.0991, Florida Statutes.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess,

as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least \$100,000 each accident and \$100,000 each employee/\$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of \$1,000.

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

County and Contractor agree the first \$100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made.
