PLEASE NOTE THAT ALL BCC MEETINGS ARE RECORDED AND TELEVISED

AGENDA
Board of County Commissioners
Regular Meeting – March 7, 2019 – 5:30 p.m.
Ernie Lee Magaha Government Building – First Floor

1. Call to Order.

   Please turn your cell phone to the vibrate, silence, or off setting.

   The Board of County Commissioners allows any person to speak regarding an item on the Agenda. The speaker is limited to three (3) minutes, unless otherwise determined by the Chairman, to allow sufficient time for all speakers. Speakers shall refrain from abusive or profane remarks, disruptive outbursts, protests, or other conduct which interferes with the orderly conduct of the meeting. Upon completion of the Public comment period, discussion is limited to Board members and questions raised by the Board.

2. Invocation – Commissioner Barry.

3. Pledge of Allegiance to the Flag.

4. Are there any items to be added to the agenda?

   Recommendation: That the Board adopt the agenda as prepared **(or duly amended).**

5. Commissioners' Forum.

6. Proclamations.

Recommendation: That the Board take the following action:

A. Adopt the Proclamation commending and congratulating Rosalyn Malone, a Bus Operator in the Mass Transit Department, on her selection as the "Employee of the Month" for March 2019;

B. Adopt the Proclamation proclaiming the month of April 2019 as "Donate Life Month" in Escambia County and encouraging all Florida residents to consider giving life through organ donation and to sign up on Florida's Organ and Tissue Donor Registry, by visiting www.DonateLifeFlorida.org or to make the designation when renewing their driver's license or State identification card; and

C. Ratify the Proclamation dated February 12, 2019, commending Mrs. Georgia Blackmon for her dedicated and purposeful life as a citizen-activist, bookseller, and community volunteer, and expressing the Board's gratitude for her actions as founder, owner, and daily manager of The Gathering Awareness Bookstore in sustaining community as she moves into her next phase of life and activities.

7. Retirement Proclamations.

Recommendation: That the Board adopt the following retirement Proclamations:

A. The Proclamation commending and congratulating Cheri Cook, Senior Office Support Assistant, Animal Services Division, on 23 years of dedicated service; and

B. The Proclamation commending and congratulating John Hopson, Animal Control Officer, Animal Services Division, on 33 years of dedicated service.

8. Written Communication.

February 7, 2019, communication from Christopher Langham concerning the Pensacola Hookah Lounge that is located across from the Ferry Pass Middle School.

9. Did the Clerk's Office receive the proofs of publication for the Public Hearing(s) on the agenda and the Board's Weekly Meeting Schedule?

Recommendation: That the Board waive the reading of the legal advertisement(s) and accept, for filing with the Board's Minutes, the certified affidavit(s) establishing proof of publication for the Public Hearing(s) on the agenda, and the Board of County Commissioners – Escambia County, Florida, Meeting Schedule.

10. 5:31 p.m. Public Hearing for consideration of the Petition to Vacate a portion of unopened right-of-way known as Grande Boulevard, as petitioned by George and Nita Omley:

Recommendation: That the Board take the following action concerning the Petition to Vacate a portion of unopened right-of-way known as Grande Boulevard, as petitioned by George and Nita Omley:

A. Approve or deny the Petition to Vacate a portion of unopened right-of-way known as Grande Boulevard, as petitioned by George and Nita Omley;

B. Accept the Hold/Harmless Agreement;

C. Adopt the Resolution to Vacate; and

D. Authorize the Chairman or Vice Chairman to accept the documents as of the day of delivery of the documents to the Chairman or Vice Chairman, and authorize the Chairman or Vice Chairman to execute them at that time.

This request is located in Commission District 2.

11. 5:32 p.m. Public Hearing for consideration of adopting an Ordinance creating the Brookhaven Subdivision Street Lighting MSBU.

Recommendation: That the Board adopt, and authorize the Chairman to sign, the Ordinance creating the Brookhaven Subdivision Street Lighting Municipal Services Benefit Unit (MSBU), and all related documents, and make the following findings of fact:

A. Lots in the District are specially benefited since street lighting not only increases the market value of an individual lot, but also increases safety in the District surrounding individual lots and the ability of lot owners to use their individual lots after dark;

B. The benefit from improved street lighting varies according to the relative size of the affected lots. Residential lots benefit from improved street lighting uniformly because of the small variation in size throughout the District;

C. The non-ad valorem special assessments levied represent a fair and reasonable apportionment of the cost of the special benefit received by each lot and do not represent a fair share of the cost of general governmental service provided to residents in the unincorporated areas of Escambia County; and

D. Lots which do not receive a special benefit have been and shall be excluded from the non-ad valorem special assessment for street lighting.

12. 5:33 p.m. Public Hearing for consideration of adopting an Ordinance creating the Covington Subdivision Street Lighting MSBU.

Recommendation: That the Board adopt, and authorize the Chairman to sign, the Ordinance creating the Covington Subdivision Street Lighting Municipal Services Benefit Unit (MSBU), and all related documents, and make the following findings of fact:

A. Lots in the District are specially benefited since street lighting not only increases the market value of an individual lot, but also increases safety in the District surrounding individual lots and the ability of lot owners to use their individual lots after dark;

B. The benefit from improved street lighting varies according to the relative size of the affected lots. Residential lots benefit from improved street lighting uniformly because of the small variation in size throughout the District;

C. The non-ad valorem special assessments levied represent a fair and reasonable apportionment of the cost of the special benefit received by each lot and do not represent a fair share of the cost of general governmental service provided to residents in the unincorporated areas of Escambia County; and

D. Lots which do not receive a special benefit have been and shall be excluded from the non-ad valorem special assessment for street lighting

13. 5:34 p.m. Public Hearing to Consider an Ordinance Creating Volume I, Chapter 100, Article I, Sections 100-1 through 100-6 Establishing the Escambia-Pensacola Human Relations Commission.

Recommendation: That the Board adopt an Ordinance creating Volume I, Chapter 100, Article I, Sections 100-1 through 100-6 of the Escambia County Code of Ordinances establishing the Escambia-Pensacola Human Relations Commission.

14. Reports:

CLERK & COMPTROLLER'S REPORT

Backup Not Included With The Clerk's Report Is Available For Review In
The Office Of The Clerk To The Board
Ernie Lee Magaha Government Building, Suite 110

I. Consent Agenda

1. Recommendation Concerning Acceptance of TDT Collection Data for the December 2018 Returns Received in January 2019

That the Board accept, for filing with the Board's Minutes, the Tourist Development Tax (TDT) Collections Data for the December 2018 returns received in the month of January 2019, as prepared by the Finance Department of the Clerk and Comptroller's Office; this is the fourth month of collections for the Fiscal Year 2019; total collections for the month of December 2018 returns was $453,616.70; this is a .07% decrease over the December 2017 returns; total collections year to date are 11.53% more than the comparable timeframe in Fiscal Year 2018.

2. Recommendation Concerning Acceptance of Comprehensive Annual Financial Reports

That the Board accept, for filing with the Board's Minutes, the following two Comprehensive Annual Financial Reports (the reports are available online at http://www.escambiaclerk.com/clerk/coc_cafr.aspx):

A. The Government Finance Officer's Association version of the Escambia County, Florida, Comprehensive Annual Financial Report, Fiscal Year Ended September 30, 2018; and

B. The Auditor General version of the Escambia County, Florida, Comprehensive Annual Financial Report, Fiscal Year Ended September 30, 2018.

3. Recommendation Concerning Minutes and Reports Prepared by the Clerk to the Board's Office

That the Board take the following action concerning Minutes and Reports prepared by the Clerk to the Board's Office:

A. Accept, for filing with the Board's Minutes, the Report of the Committee of the Whole Workshop held February 14, 2019;

B. Accept, for filing with the Board's Minutes, the Report of the Gary Sansing Public Forum held February 21, 2019; and

C. Approve the Minutes of the Regular Board Meeting held February 21, 2019.

GROWTH MANAGEMENT REPORT

I. Public Hearing

1. Recommendation Concerning the Review of the Rezoning Cases Heard by the Planning Board on February 5, 2019

That the Board take the following action concerning the rezoning cases heard by the Planning Board on February 5, 2019:

A. Review and either adopt, modify, or overturn the Planning Board's recommendations for Rezoning Cases Z-2019-02 and Z-2019-03 or remand the cases back to the Planning Board; and
B. Authorize the Chairman to sign the Orders of the Escambia County Board of County Commissioners for the rezoning cases that were reviewed.

1. Case No.:	***Z-2019-02***
Address:	12960 Lillian Highway and 12400 BLK Lillian Highway

Speakers:	Kerry Anne Schultz, Gail Manning, James D. Homyak

2. 5:45 p.m. - A Public Hearing for Consideration for Adopting an Ordinance Amending the Official Zoning Map

   That the Board adopt an Ordinance to amend the Official Zoning Map to include the rezoning cases heard by the Planning Board on February 5, 2019, and approved during the previous agenda item and to provide for severability, inclusion in the code, and an effective date.

3. 5:46 p.m. - A Public Hearing Concerning the Review of an Ordinance Amending Chapters 2 and 4 Regarding Accessory Structures on Pensacola Beach

   That the Board of County Commissioners (BCC) review and adopt an Ordinance amending the Land Development Code (LDC), Chapters 2 and 4, to clarify general variance provisions and the regulation of accessory structures, especially those on Pensacola Beach and as may be directed by the Santa Rosa Island Authority.

4. 5:47 p.m. - A Public Hearing Concerning the Review of an Ordinance Amending Chapters 3 and 4 of the LDC to Address Temporary Sales of Automobiles

   That the Board of County Commissioners (BCC) review and adopt an Ordinance amending the Land Development Code (LDC) Chapter 3, Article 2, Section 3-2.11, Heavy Commercial & Light Industrial (HC/LI), and Chapter 4, Article 7, Section 4-7.13, Temporary Uses and structures, to address temporary sales of automobiles as a permitted use in HC/LI. The Planning Board recommended denial of this Ordinance.

   This hearing serves as the second of two public hearings.

II. Action Items

1. Recommendation Concerning Final Plat Crimson Pointe Permit FP# 190166

That the Board take the following action concerning recording of Crimson Pointe (a 35-lot residential subdivision), located in the Beulah Community and lying north of Mobile Highway, also known as U.S. Highway 90, and west off Rebel Road and south of Beulah Church Road. Owner and Developer is Crimson Pointe Developers, Inc. Prior to recording, the County Surveyor and the Clerk of the Circuit Court must sign the Final Plat as set forth in Section 2-5.7 of the Escambia Land Development Code; also, prior to recording, the County Surveyor must sign the Final Plat as set forth in Chapter 177.081 (1), Florida Statutes:

A. Approve the Final Plat for recording;

B. Approve the street names "Crimson Pointe Boulevard" and "Crimson Pointe Circle";

C. Accept all public easements, ponds, drainage improvements within public easements as depicted on the final plat for permanent County maintenance; the cost of maintenance is to be funded through the establishment of a storm water management Municipal Services Benefit Unit (MSBU); and

D. Authorize the Chairman or Vice Chairman to execute a Two-Year Warranty Agreement without Surety, for Streets and Drainage Improvements.

2. Recommendation Concerning Final Plat Harmony Estates Permit FP# 1901150

That the Board take the following action concerning recording of Harmony Estates (a 44-lot residential subdivision), located in the Cantonment/Farm Hill Community and lying west off County Road 97 and north of W. Kingsfield Road also known as County Road 186. Owner and Developer is TH Harmony Estates (FL) 2018, LLC. Prior to recording the County Surveyor and the Clerk of the Circuit Court must sign the Final Plat as set forth in Section 2-5.7, of the Escambia Land Development Code; also, prior to recording the County Surveyor must sign the Final Plat as set forth in Chapter 177.081 (1) Florida Statute:

A. Approve the final plat for recording;

B. Approve the street names “Allegra Lane and Cadence Loop”;

C. Accept all public easements, pond, drainage improvements within public easements as depicted on the final plat for permanent County maintenance; the cost of maintenance is to be funded through the establishment of a storm water management Municipal Services Benefit Unit (MSBU); and

D. Authorize the Chairman or Vice Chairman to execute a Two-Year Warranty Agreement with Surety, for Streets and Drainage Improvements.

III. Consent Agenda

1. Recommendation Concerning the Scheduling of Public Hearings

That the Board authorize the scheduling of the following Public Hearings:

April 4, 2019

A. 5:45 p.m. - A Public Hearing - Vested Rights Determination - 625 Calhoun Avenue - VRD-2019-01

Summary: To allow a mobile home in the Warrington Overlay

B. 5:46 p.m.- A Public Hearing - Lot Width Ordinance (first of two Public Hearings)

Summary: LDC amendment to specify minimum widths for new lots fronting curved rights-of-way.

COUNTY ADMINISTRATOR'S REPORT

I. Technical/Public Service Consent Agenda

1. Recommendation Concerning Park License and Management Agreements for County Athletic Parks - Michael Rhodes, Parks and Recreation Department Director

That the Board take the following action concerning the Park License and Management Agreements for County athletic parks between Escambia County and volunteer athletic associations:

A. Approve each of the Agreements authorizing license and management of County-owned property for public recreation purposes with the following volunteer athletic organizations:

1. Five Flags Knights Lacrosse, Inc. at Brent Baseball Park;
2. D.R.E.A.M. (Diverse Relentless Empowered Achievers of Munificence) Youth Development, Inc. at Mayfair Park; and

B. Authorize the Chairman to sign each Park License and Management Agreement for the same aforementioned volunteer athletic organizations, effective upon Board approval.

2. Recommendation Concerning an Interlocal Agreement with the City of Pensacola for Use of the Raymond Riddle Park - Michael E. Rhodes, Parks and Recreation Department Director

That the Board approve and authorize the Chairman to sign the Interlocal Agreement for the use of the Raymond Riddle Park by the City of Pensacola between Escambia County, Florida, and the City of Pensacola, Florida.

3. Recommendation Concerning the Limited Noise Waiver of the Escambia County Noise Abatement Ordinance for the CNG Spring Auto Show - Tim Tolbert, Building Official/Department Director

That the Board review and approve the "Special Event Permit Application" for a limited waiver of the noise restrictions imposed by the Escambia County Noise Abatement Ordinance for the CNG Spring Auto Show, to include music and vehicle bass, being held at 113 Massachusetts Avenue, Pensacola, Florida, on Sunday, March 10, 2019, from 7:00 a.m., to 7:00 p.m.

4. Recommendation Concerning the Scheduling of a Public Hearing to Consider Amending Volume 1, Chapter 10, Article I, Section 10-11(c), Section 10-14(g),and Section 10-18 of the Escambia County Code of Ordinances, Regarding Animal Control - Tim Tolbert, Building Official/Department Director

   That the Board authorize the scheduling of a Public Hearing for April 4th, 2019, at 5:31 p.m., for consideration of adopting an Ordinance amending Volume 1, Chapter 10, Article I, Section 10-11, Section 10-14, and Section 10-18, of the Escambia Code of Ordinances, regarding Animal Control.

5. Recommendation Concerning Community Redevelopment Agency Meeting Minutes, February 7, 2019 - Tonya Green, Neighborhood & Human Services Department Director

   That the Board accept for filing with the Board's Minutes, the February 7, 2019, Community Redevelopment Agency's (CRA) Meeting Minutes, prepared by Melanie Johnson, CRA Administrative Assistant.

6. Recommendation Concerning the Scheduling of a Public Hearing for the Bradfield Subdivision Street Lighting Municipal Services Benefit Unit - Stephan Hall, Budget Manager, Management and Budget Services

   That the Board authorize the scheduling of a Public Hearing on April 4, 2019, at 5:32 p.m., to consider adoption of an Ordinance creating the Bradfield Subdivision Street Lighting Municipal Services Benefit Unit (MSBU).

7. Recommendation Concerning the Scheduling of a Public Hearing for the Seagrass Point Street Lighting Municipal Services Benefit Unit - Stephan Hall, Budget Manager, Management and Budget Services

   That the Board authorize the scheduling of a Public Hearing on April 4, 2019, at 5:33 p.m., to consider adoption of an Ordinance creating the Seagrass Point Street Lighting Municipal Services Benefit Unit (MSBU).

8. Recommendation Concerning the Human Services Appropriations Committee - Amy Lovoy, Interim County Administrator

   That the Board abolish the Human Services Appropriations Committee. Per Tom Hilton, Chief Financial Officer, United Way of Escambia County, with the consolidation of Escambia County's HSAC process into the United Way of Escambia County's Community Investment process several years ago, there is no need for the County to solicit Escambia County residents to staff the County's HSAC process.

9. Recommendation Concerning the CareerSource Escarosa Local Workforce Development Area Designation - Tonya Green, Neighborhood & Human Services Department Director

That the Board take the following action:

A. Approve the redesignation of the Local Workforce Development Area 1 to serve as a jurisdiction for the administration of workforce development activities using Adult, Dislocated Worker and Youth funds allocated by the State and to coordinate efforts related to other core programs at the community level; and

B. Approve and authorize the Chairman to sign the Application for Subsequent Local Workforce Development Area Designation.

10. Recommendation Concerning an Appointment to the Board of Adjustment - Commissioner Lumon J. May, District 3

That the Board confirm Commissioner Lumon J. May's appointment of Willie Kirkland, Jr., to the Escambia County Board of Adjustment, effective March 7, 2019, to run concurrently with Commissioner May's term of office (November 2020) or at his discretion.

11. Recommendation Concerning an Appointment to the Escambia County Disability Awareness Committee - Lumon J. May, District 3

That the Board confirm Commissioner Lumon J. May's appointment of Alexandra Goldsmith to the Escambia County Disability Awareness Committee, effective March 7, 2019, to run concurrently with Commissioner May's term of office (November 2020) or at his discretion.

12. Recommendation Concerning an Appointment by the Pensacola City Council to the West Florida Public Library Board of Governance - Todd Humble, Library Services Department Director

That the Board acknowledge for the Official Record the Pensacola's City Council's appointment of Bradley Vinson to the West Florida Public Library Board of Governance, to serve a two-year term, effective March 1, 2019, through February 28, 2021.

13. Recommendation Concerning the Request for Disposition of Property for the Library Services Department - Todd Humble, Library Services Director

    That the Board approve the Request for Disposition of Property Form for the Library Services Department, for property which is described and listed on the Form, with reason for disposition stated. The listed items have been found to be of no further usefulness to the County; thus, it is requested that they be auctioned as surplus or disposed of properly.

14. Recommendation Concerning the Request for Disposition of Property for the Public Safety Department - Michael D. Weaver, Public Safety Department Director

    That the Board approve the Request for Disposition of Property Form for the Public Safety Department, for property which is described and listed on the Form, with reason for disposition stated. The listed items have been found to be of no further usefulness to the County; thus, it is requested that they be auctioned as surplus or disposed of properly.

15. Recommendation Concerning the Request for Disposition of Property for the Information Technology Department - Shawn Fletcher, Information Technology Department Director

    That the Board approve the 10 Request for Disposition of Property Forms for the Information Technology Department for all items of equipment, which are described and listed on the Request Forms, with reason for disposition stated. The items are to be disposed of properly.

16. Recommendation Concerning the Request for Disposition of Property for the Court Administration Office - Will Moore, Chief Deputy Court Administrator

    That the Board approve the Request for Disposition of Property Form for the Court Administration Office, for property that has far exceeded the manufacturer's warranty and is past its end-of-life. Some equipment is not operational and is now no longer of use to the department. These items are listed on the provided spreadsheet with reasons stated.

17. Recommendation Concerning the Request for Reinstatement of Property to the Public Works Department - Wes Moreno, Public Works Department Director

That the Board approve the Request for Re-Instatement of Property Form for the Public Works Department, for property described and listed on the Form, with reason for reinstatement noted. The item has been found to still be useful to the County. The Request Form has been signed by all applicable authorities to be reinstated to the Fleet Maintenance Division.

18. Recommendation Concerning Lawrence S. Powell's Appointment to the Pensacola Bay Bridge Naming Committee - Robert Bender, County Commissioner, District 4

That the Board confirm the appointment of Lawrence S. Powell as Commissioner Robert Bender's appointee on the Pensacola Bay Bridge Naming Committee, effective March 7, 2019, and continuing until the Board sunsets the Committee or through Commissioner Bender's term of office (2022).

19. Recommendation Concerning the Appointment of Frederick A. Davis to the Pensacola Bay Bridge Naming Committee - Jeff Bergosh, County Commissioner, District 1

That the Board confirm Commissioner Jeff Bergosh's appointment of Frederick A. Davis as his appointee on the Pensacola Bay Bridge Naming Committee, effective March 7, 2019, and continuing until the Board sunsets the Committee or through Commissioner Bergosh's term of office (2020).

II. Budget/Finance Consent Agenda

1. Recommendation Concerning the Adoption of a Resolution Approving the Issuance of not Exceeding $8,000,000 Escambia County, Florida Environmental Improvement Revenue Refunding Bonds (International Paper Company Project), Series 2019 - JoLinda Herring, Bryant Miller Olive P.A.

   That the Board adopt and authorize the Chairman to execute the Resolution authorizing the issuance and sale of not to exceed $8,000,000 Escambia County, Florida Environmental Improvement Revenue Refunding Bonds (International Paper Company Project), Series 2019 (herein, the "Bonds"), on behalf of International Paper Company (the "Company") for the purpose of refunding certain outstanding bonds currently outstanding and issued by the County on behalf of the Company. The Bonds will not obligate the credit of the County or pose any obligation or liability for the County.

2. Recommendation Concerning Utilization of the Second of Two Possible One-Year Renewal Periods Provided for in the Agreement for Commissary Services for the Escambia County Jail, PD13-14.063 - William R. Powell, Director of Corrections

   That the Board approve the utilization of the second of two possible one-year renewal periods provided for under Section 6 of PD13-1-4.063, Agreement for Commissary Services for the Escambia County Jail.

   [Funding: This is a revenue generating Agreement benefiting the Detention/Jail Commissary Fund, Fund 111]

3. Recommendation Concerning Utilization of the First of Two Possible One-Year Renewal Periods Provided for in the Agreement for Inmate Food Services, PD13-14.065 - William R. Powell, Director of Corrections

   That the Board approve the utilization of the second of two possible one-year renewal periods provided for under Section 2 of PD 13-14.065, Agreement for Inmate Food Services.

   [Funding: Fund 001, General Fund; Cost Center 290401]

4. Recommendation Concerning Residential Rehab Grant Program Funding and Lien Agreements - Tonya Green, Neighborhood & Human Services Department Director

That the Board ratify the following March 7, 2019, action of the Board of County Commissioners of Escambia County, acting in its capacity as the Escambia County Community Redevelopment Agency (CRA), concerning the Residential Rehab Grant Program Funding and Lien Agreements:

A. Approving the following four Residential Rehab Grant Program Funding and Lien Agreements:

1. The Agreements between Escambia County CRA and Mary M. Dodd, owner of residential property located at 1 Park Drive, Warrington Redevelopment District, each in the amount of $6,000, representing an in-kind match through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114, replacement roof and central heat and air conversion;

2. The Agreements between Escambia County CRA and Thomas J. Clayton, owner of residential property located at 1 Greve Road, Warrington Redevelopment District, each in the amount of $4,365, representing an in-kind match through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114, replacement roof;

3. The Agreements between Escambia County CRA and Richard R. and Charlotte L. Birge, owners of residential property located at 101 Edgewater Drive, Warrington Redevelopment District, each in the amount of $3,212, representing an in-kind match through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114, replacement roof;

4. The Agreements between Escambia County CRA and Noeline M. Emmons, owner of residential property located at 303 Gilliland Road, Warrington Redevelopment District, each in the amount of $5,557, representing an in-kind match through the Warrington Tax Increment Financing (TIF), Fund 151, Cost Center 370114, replacement windows; and

B. Authorizing the Chairman to sign the Funding and Lien Agreements and any related documents necessary to implement the Grant awards.

5. Recommendation Concerning the Cancellation of Residential Rehab Grant Program Liens - Tonya Green, Neighborhood & Human Services Department Director

That the Board ratify the following March 7, 2019, action of the Board of County Commissioners of Escambia County, acting in its capacity as the Escambia County Community Redevelopment Agency (CRA), concerning the cancellation of the Residential Rehab Grant Program Liens:

A. Approving the following cancellations of eight Residential Rehab Grant Program Liens, as the Grant recipients have met their one-year of compliance with the Residential Rehab Grant Program:

Property Owners	**Address**	**Amount**

Naybor Properties, LLC	804 Lakewood Road	$3,115
John R. Ryan	104 Southeast Gilliland Road	$2,850
Susan Smith	429 Baublits Court	$4,397
Robert E. Tarrant, Jr.	2275 Berg Street	$6,000

B. Authorizing the Chairman to execute the Cancellation of Lien documents.

6. Recommendation Concerning the Cancellation of Commercial Facade, Landscape, and Infrastructure Grant Program Lien - Tonya Green, Neighborhood & Human Services Department Director

That the Board ratify the following March 7, 2019, action of the Board of County Commissioners of Escambia County, acting in its capacity of the Escambia County Community Redevelopment Agency (CRA), concerning the Cancellation of the Commercial Facade, Landscape, and Infrastructure Grant Program Lien:

A. Approving the following one Cancellation of the Commercial Facade, Landscape, and Infrastructure Grant Program Lien, as the Grant recipients have met their one-year of compliance with the Commercial Façade, Landscape, and Infrastructure Grant Program:

Property Owner	Address	Amount
Tzy-Yn & Michael M. Hua	847 North Navy Boulevard	$3,017

B. Authorizing the Chairman to execute the Cancellation of Lien document

7. Recommendation Concerning Authorization of a Month-to-Month Continuation of the Agreement for Livestock Collection and Boarding Services - Tim Tolbert, Building Official/Department Director

That the Board authorize a month-to-month continuation of the current livestock and boarding Agreement, as permitted by the terms of the current Agreement between Escambia County and Josh Weekley.

[Funding: Fund 101, Animal Control Fund, Cost Center 250207, Object Code 53401]

8. Recommendation Concerning the Funding Allocation to Montclair Elementary School - Commissioner Lumon May, District 3

That the Board approve the funding allocation of $500 from Commissioner Lumon May's Discretionary Fund for the purchase of school uniforms for Montclair Elementary School.

[Funding: Fund 001, Discretionary Money, Cost Center 110101, Object Code 58201]

9. Recommendation Concerning the Lease of the County-Owned Space at 150 West Maxwell Street, by Rebuild Northwest Florida, Inc. - Robert E. Dye, Facilities Management Department, Interim Director

That the Board adopt a Resolution to approve and authorize the Chairman to sign a Lease Agreement with Rebuild Northwest Florida, Inc., for the property located at 150 West Maxwell Street, Pensacola, Florida, for the term of three years, commencing on April 1, 2019, with the option to renew the lease for two additional two-year terms.

Rent is to be paid to the County in the amount of $1.00 per year.

10. Recommendation Concerning the Amendment to Miscellaneous Appropriations Agreement between Escambia County and Visit Pensacola, Inc. - Stephan Hall, Budget Manager, Management and Budget Services

That the Board take the following action concerning the Fiscal Year 2018/2019 Amendment to the Miscellaneous Appropriations Agreement between Escambia County and Visit Pensacola, Inc.:

A. Approve allocating the remaining available balances in the Tourist Promotion Fund, Fund 108, to Visit Pensacola, Inc., from Cost Center 360101, in the amount of $1,410,333, and from Cost Center 360105, in the amount of $894,707, for a combined total of $2,305,040;

B. Approve the Amendment to the Miscellaneous Appropriations Agreement, amending Section 3, increasing the allocation by $2,305,040, for a total allocation of $9,120,879, to be paid from the Tourist Promotion Fund (108), Cost Centers 360101 and 360105, Account 58201; and amending Exhibit "A," as follows:

1. Direct programming: Expenses of ~~$5,121,293.00~~ $6,884,366.00 related to acquiring visitors to the destination. This includes the purchase of advertising, payments for firms managing the advertising, public relations and market research programs, registration and travel for related trade shows and conferences, brochures and collateral, consumer promotions, sales promotions, website development and marketing, production of marketing materials, and customer sites/familiarization trips. 3. Personnel: Expenses of ~~$1,236,760.00~~ $1,675,000.00 related to salaries and benefits for employees working for Visit Pensacola and the Pensacola

Sports Association (PSA); and

C. Authorize the Chairman to sign the Amendment and all other necessary documents; and

D. Authorize the execution of the necessary Change Order.

11. Recommendation Concerning the Miscellaneous Appropriations Agreement for Fiscal Year 2018/2019 between Escambia County and Five Flags Sertoma of Pensacola, Inc. - Stephan Hall, Budget Manager, Management and Budget Services

That the Board take the following action concerning the Fiscal Year 2018/2019 Miscellaneous Appropriations Agreement between Escambia County and Five Flags Sertoma of Pensacola, Inc.:

A. Approve and authorize the Chairman to sign the Miscellaneous Appropriations Agreement between Escambia County and Five Flags Sertoma of Pensacola, Inc., in the amount of $75,000, to be paid from the 4th Cent Tourist Development Tax Fund (108), Cost Center 360105, to be used for the Sertoma's Fourth of July Celebration; and

B. Authorize the execution of the necessary Purchase Orders.

[Funding: Fund 108, 4th Cent Tourist Development Tax Fund, Cost Center 360105]

12. Recommendation Concerning Supplemental Budget Amendment #086 - Stephan Hall, Budget Manager, Management and Budget Services

That the Board adopt the Resolution approving Supplemental Budget Amendment #086, General Fund (001), in the amount of $27,292, to recognize the Sheriff's off-duty officer expenses, auto repairs, and investigative costs; and to appropriate these funds back into the Sheriff's Administrative Budget to offset operational expenses.

13. Recommendation Concerning Supplemental Budget Amendment #088 - Stephan Hall, Budget Manager, Management and Budget Services Department

That the Board adopt the Resolution approving Supplemental Budget Amendment #088, Other Grants and Projects Fund (110), in the amount of $375,533, to recognize proceeds from the State of Florida, Department of Economic Opportunity, and to appropriate these funds to augment existing planning, engineering, and regulatory permitting funds for the Pensacola Bay Living Shoreline Project at Naval Air Station (NAS) Pensacola that has matching funding from the Gulf Coast Ecosystem Council. Funds are to be used for projects that benefit both the local community and the military installation. A minimum match of 30% ($112,660) is required. Matching funds will be provided through the Florida Department of Environmental Protection (FDEP) Grant G0448 from the Gulf Coast Ecosystem Restoration Council that was approved by the Board on April 20, 2017 (Fund 118, CC:222041).

14. Recommendation Concerning the Authorization for Tax Deed Bidding for 3822 Frontera Circle - Tonya Green, Neighborhood & Human Services Department Director

That the Board ratify the following March 7, 2019, action of the Board of Escambia County Commissioners of Escambia County, acting in its capacity as the Escambia County Community Redevelopment Agency (CRA), concerning the authorization for Tax Deed bidding for 3822 Frontera Circle:

A. Authorizing the Neighborhood & Human Services Department Director, or designee, to be an authorized bidder for the April 1, 2019, Tax Deed sale for the purpose of acquiring 3822 Frontera Circle, with an open bid amount of $2,313.73; and

B. Approving a maximum bid, in the amount of $10,000.

[Funding Source: Fund 151, CRA Brownsville, Cost Center 370113, Object Code 56101]

15. Recommendation Concerning the Purchase of Two Used 6150E John Deere Cab Tractors from Smith Tractor Company, Inc. - Wes Moreno, Public Works Department Director

That the Board approve the purchase of two used 6105E John Deere cab tractors, in the amount of $46,000 each, for a total of $92,000, from Smith Tractor Company, Inc. These tractors will be used for continuing maintenance of the newly-acquired OLF-8 property.

[Funding: Fund 175, Transportation Fund, Cost Center 210402, Object Code 56401]

16. Recommendation Concerning the Purchase of Two R20 John Deere Flex Wing Rotary Cutters - Wes Moreno, Public Works Department Director

That the Board approve the purchase of two R20 John Deere Flex Wing Rotary Cutters, in the amount of $29,338.28 each, for a total of $58,676.56, from Smith Tractor Company, Inc., utilizing Sourcewell Contract Number 021815-DAC (PG1PCG70). These Flex Wing Rotary Cutters will be used for continuing maintenance of the newly-acquired OLF-8 property.

[Funding: Fund 175, Transportation Fund, Cost Center 210402, Object Code 56401]

17. Recommendation Concerning the Contract Award for PD 18-19.008, Design Services for the Perdido Key Fire Station Concrete Drive Repairs - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve and authorize the Interim County Administrator to sign the Agreement between Escambia County and Fabre Engineering, Inc. d/b/a Fabre Engineering & Surveying, per the terms and conditions of PD 18-19.008, Design Services for the Perdido Key Fire Station Concrete Drive Repairs, for a lump sum amount of $55,876.

[Funding: Fund 001, General Fund; Cost Center 310204, Facilities Priority One; Object Code 54601, Repairs and Maintenance, Project Number 19PF0419]

18. Recommendation Concerning the Issuance of Purchase Orders for the Purchase of One Vehicle for the Public Safety/Fire Department, VE 17-18.027 and VE 18-19.011 - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board take the following action:

A. Rescind its action of September 6, 2018, CAR II-21, Item "C", authorizing the County to issue a Purchase Order for one Ram 3500 Tradesman 4x4 Reg Cab 8' Box (Model D28L62) vehicle, for the Public Safety/Fire Department, to Hill-Kelly Dodge Chrysler Jeep, in the amount of $36,917.77, according to the specifications outlined in Specification Number VE 17-18.027; and

B. Authorize the issuance of a Purchase Order for one 2019 Ford Super-Duty F-350 SRW XL 4WD Reg Cab 8' Box (Model F3B) vehicle, for the Public Safety/Fire Department, to Garber Ford, Inc., in the amount of $26,272, according to the specifications outlined in Specification Number VE 18-19.011.

[Funding: Fund 352, LOST; Cost Center 330228, Fire Services Cap Project; Object Code 56401, Machinery & Equipment]

19. Recommendation Concerning Amendment of Agreement for Universal Access Plan for County Facilities and Parks on Pensacola Beach and Perdido Key - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve and authorize the Interim County Administrator to sign the Amendment of Agreement between Escambia County, Florida, and Baskerville-Donovan, Inc., for PD 17-18.061, Universal Access Plan for County Facilities and Parks on Pensacola Beach and Perdido Key, amending the Agreement approved by the Board on January 24, 2019, as follows:

WHEREAS, the County previously entered into an Agreement for Professional Consulting Services (PD 17-18.061) with the Consultant for a Universal Access Plan for County Facilities and Parks on Pensacola Beach and Perdido Key (hereinafter referred to as the “Project”); and

WHEREAS, the parties have agreed to amend the Agreement to expressly incorporate the terms of the Notice of Award for Federal Financial Assistance from the Gulf Coast Restoration Trust Fund established pursuant to the Resources and Ecosystem Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast States Act of 2012 under CFDA #21.015 (“RESTORE Act”); and

WHEREAS, the Board of County Commissioners finds it in the best interest of the health, safety and welfare of the citizens of Escambia County that the Agreement should be amended as provided herein.

NOW, THEREFORE, in consideration of the mutual terms, conditions, promises and covenants hereinafter set forth, the Parties agree to amend the Agreement as follows:

1. The foregoing recitals are true and correct and incorporated herein by reference.

2. The Agreement is amended to include the following provisions:
This Project shall be completed in accordance with the terms of the Notice of Award for Federal Financial Assistance (Grant No. 1RDCGR080048-01-00) and the corresponding RESTORE Act Financial Assistance Standard Terms and Conditions, Programmatic Terms and Conditions, and Special Award Conditions (hereinafter referred to as the *"Federal Award")*, attached hereto and incorporated herein as **Exhibit D**. The Consultant acknowledges that it has received a copy of the Federal Award, attached hereto as **Exhibit D**, and shall comply with all applicable provisions therein.

3. The parties hereby agree that all other provisions of the Agreement that are not in conflict with the provisions of this Amendment shall remain in full force and effect.

4. The effective date of this Amendment shall be on the date last executed by the parties.

5. This Agreement and any amendment thereto shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue for any state or federal court action or other proceeding relating to any matter which is the subject of this Agreement shall be in Escambia County, Florida.

[Funding: Fund 118, Gulf Coast Restoration, Cost Center 222020, Object Code 53101, Project RDC80048]

20. Recommendation Concerning Contract Award for Crockett Street and Crestfield Circle Drainage Improvements, Phase I - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve and authorize the Interim County Administrator to sign the Agreement between Escambia County, Florida, and Chavers Construction, Inc., per the terms and conditions of PD 18-19.011, Crockett Street and Crestfield Circle Drainage Improvements, Phase I in the amount of $368,236.50.

[Funding: Fund 353, LOST IV; Cost Center 210106, Transportation and Drainage; Object Code 56301, Improvements Other than Buildings; Project Number 19EN0535]

21. Recommendation Concerning Professional Services as Governed by Florida Statute 287.055 - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board take the following action concerning PD 02-03.79, Professional Services, as Governed by Florida Statute 287.055:

A. Award and authorize the Interim County Administrator to sign Task Order-based Continuing Contracts to CH2M Hill, Inc., a qualified engineering consulting firm, based on the "Current Averages for Audited Overhead, Expense and Facilities Capital Cost of Money (FCCM) Rates," as provided in the current Florida Department of Transportation Negotiation Handbook Guidelines For Professional Services Contracts; and

B. Authorize the Department(s), in conjunction with the Office of Purchasing, to negotiate Task Orders, according to Florida Statute 287.055, "Consultants' Competitive Negotiation Act" (A&E Services), on a project-by-project basis.

[Funding: Funds to be budgeted for on an annual basis and Project basis]

22. Recommendation Concerning Contract Award for Design Services for Occie (O.C.) Phillips Road Over Brushy Creek Bridge (484029) - Paul Nobles, Purchasing Manager. Office of Purchasing

That the Board approve and authorize the Interim County Administrator to sign the Agreement between Escambia County and American Consulting Engineers of Florida, LLC, per the terms and conditions of PD 17-18.023, Design Services for Occie (O.C.) Phillips Road Over Brushy Creek Bridge (484029), FPN: 430468-1-38-01, Federal No. (FAIN): D317-043-B, for an amount not to exceed $634,175.53.

[Funding:
Fund 352, LOST III, Cost Center 210107, Transportation and Drainage; Object Code 56301, Improvements Other Than Buildings; Project #13EN2188; County Match (25%) $158,543.88; and

Fund 352, LOST III, Cost Center 210127, LAP Occie (O.C.) Phillips/Brushy Cr; Object Code 56301, Improvements Other Than Buildings; Project #13EN2188, LAP Portion (75%) $475,631.65 - Total $634,175.53]

23. Recommendation Concerning the Purchase of Three 2019 International MV607 SBA LP Horton Ambulances - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board take the following action regarding the purchase of three 2019 International MV607 SBA LP Horton Ambulances:

A. Authorize the County to utilize the Florida Sheriff's Association/Florida Association of Counties and Florida Fire Chief's Association Contract, FSA18-VEF13.0, Specification #03, in accordance with Escambia County, Florida, Code of Ordinances, Chapter 46, Article II, Section 46-44, Application; Exemptions; and Section 46-64, Board approval; and

B. Authorize the issuance of a Purchase Order for the purchase of three 2019 International MV607 SBA LP Horton Ambulances for the Public Safety EMS Department to REV RTC, Inc., d/b/a Hall Mark RTC, in the amount of $909,525, for three units ($303,175 times three units = $909,525), according to the specifications outlined in Specification Number VE 18-19.005.

In an effort to encourage competition from local businesses, and in compliance with Board-adopted policy, this vehicle purchase was advertised on the Escambia County web site for 30 days. No responses were received from local vendors.

[Funding: Fund 352, LOST III; Cost Center 330435, Public Safety Cap Project; Object Code 56401, Machinery & Equipment; $703,064.00; and Fund 408, Emergency Services; Cost Center 330302, EMS Operations; Object Code 56401, Machinery & Equipment; $206,461.00, Total: $ 909,525.00]

24. Recommendation Concerning Contract Award for Design Services for Lee Street Sidewalks, Drainage, and Sanitary Sewer Project - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve and authorize the Interim County Administrator to sign the Agreement between Escambia County and Municipal Engineering Services, Inc., per the terms and conditions of PD 18-19.016, Design Services for Lee Street Sidewalks, Drainage, and Sanitary Sewer Project, for Phase I, Design, a lump sum amount of $162,089, and Optional Services of $36,700, for a Phase I total of $198,789, and a Phase II, limited contract administration services for Construction, lump sum amount of $31,215, for a combined total of total of $230,004, contingent upon funding for Phase II, Construction.

[Funding: Phase I, Design: Fund 129, 2018 CBDG Entitlement Funds, Cost Center 370232; Phase II, limited contract administration services for Construction; and Fund 129, 2019 CDBG Entitlement Funds, Cost Center 370234]

25. Recommendation Concerning Contract Award for Design Services for Erress Boulevard, Rochelle Street, and Diego Circle Sidewalks Project - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve and authorize the Interim County Administrator to sign the Agreement between Escambia County and Sigma Consulting Group, Inc., per the terms and conditions of PD 18-19.017, Design Services for Erress Boulevard, Rochelle Street, and Diego Circle Sidewalks Project, for Phase I, Design, a lump sum amount of $90,413.30, and a Phase II, limited contract administration services for Construction, lump sum amount of $5,300, for a combined total of $95,713.30, contingent upon funding for Phase II, Construction.

[Funding: Fund 129, 2014 CDBG; Cost Center 370219, CDBG 2014 Admin/Planning; ($8937.77);
Fund 129, 2014 CDBG; Cost Center 370221, CDBG 2014 Other Activities; ($39,416.63); and

26. Recommendation Concerning Contract Award for Design Services for Avery Street Sidewalks and Drainage Design Project - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve and authorize the Interim County Administrator to sign the Agreement between Escambia County and McKim & Creed, Inc., per the terms and conditions of PD 18-19.018, Design Services for Avery Street Sidewalks and Drainage Design Project, for Phase I, Design, a lump sum amount of $59,142.64, and Optional Services of $9,148.75, for a Phase I total of $68,291.39, and for Phase II, limited Contract Administration Services for Construction, a lump sum amount of $10,108.67, for a combined total of $78,400.06, contingent upon funding for Phase II, Construction.

[Funding: Fund 129, 2018 CBDG Entitlement Funds; Cost Center 370232]

27. Recommendation Concerning Contract Award for Escambia County Supervisor of Elections Warehouse Modification - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve and authorize the Interim County Administrator to sign the Agreement between Escambia County, Florida, and Vision Construction Ent, LLC, per the terms and conditions of PD 18-19.024, Escambia County Supervisor of Elections Warehouse Modification, in the amount of Base Bid $1,412,900, and Alternate Bid #1 $9,679. for a total of $1,422,579.

[Funding: Fund 352, LOST III, Cost Center 110267, Object Code 56201, Project Number 17PF3753]

28. Recommendation Concerning Budget Amendment #093 - Stephan Hall, Budget Manager, Management and Budget Services

That the Board take the following action:

A. Approve Budget Amendment #093, General Fund (001) and Escambia County Restricted Fund (101), in the amount of $102,262, to recognize a reallocation of reserves to salaries to fund personnel and operating expenses associated with establishing an Environmental Technician position to perform water quality monitoring around the Rolling Hills property site; and

B. Approve establishing an Environmental Technician position to perform duties associated with monitoring water quality around the Rolling Hills property site, per Board Action on February 21, 2019. Funding will be approximately $21,519 ($30,347 including benefits), to cover the position through the end of Fiscal Year 2018/2019. The annual funding allocation will be approximately $30,243 ($45,624 with benefits).

Funds are also being reallocated to install two wells, purchase supplies for sampling and analysis, cost to contract lab analytical services, and purchase an electric submersible pump, peristaltic pump, multi-parameter field meter, and a drying oven.

29. Recommendation Concerning Authorization for Tax Deed Bids on Properties for Erress Boulevard and Diego Circle Blight Reduction Project - Tonya Green, Neighborhood and Human Services Department Director

That the Board take the following action concerning the authorization for Tax Deed bids on various properties for Erress Boulevard and Diego Circle Blight Reduction Project:

A. Authorize the Neighborhood & Human Services Department Director, or designee, to be an authorized bidder for the April 1, 2019, Tax Deed sale for the purpose of acquiring the following properties listed in the table below:

	Account #	Reference #	Owner(s)	Property Address	Open Bid Amount	District
1	05-2631-233	092S301000110008	Rosa Ortiz	4203 Erress Blvd	$3,781.70	3
2	05-2200-208	092S300550000054	Jerome Huff	107 Diego Circle	$4,049.11	3
3	05-2200-148	092S300550000024	Jerome Huff	120 Diego Circle	$4,009.98	3
4	05-2200-186	092S300550000043	Connie Joyner	139 Diego Circle	$2,047.00	3
5	05-2200-180	092S300550000040	Clyde Stokes	151 Diego Circle	$2,063.20	3

B. Approve the maximum bid for each property, in the amount of $10,000.

[Funding Source: Fund 129/2015 CDBG, Cost Center 370224]

30. Recommendation Concerning an Agreement with Data Management, Inc.- Shawn P. Fletcher, Information Technology Director

That the Board take the following action concerning an Agreement with Data Management, Inc.:

A. Approve the TimeClock Plus Ondemand Service Agreement with Data Management, Inc., for Timeclock Plus License and Annual Subscription;

B. Ratify the current Purchase Order, dated December 14, 2018, in the amount of $33,299.64, to Data Management, Inc., for Timeclock Plus License and Annual Subscription and one-time implementation costs; and

C. Approve and authorize the Interim County Administrator to execute all current and future documents related to the acceptance of the TimeClock Plus Ondemand Service Agreement with Data Management, Inc., for Timeclock Plus License and Annual Subscription without further action of the Board.

[Funding: Funds are already encumbered on Purchase Order 190830, dated December 14, 2018:
Fund 001, General Fund, Cost Center 270103, Information Technology $10,000;
Fund 143, Fire Protection Fund, Cost Center 330206, Fire Dept PD $7,551.82; and
Fund 408, Emergency Services, Cost Center 330302, EMS Operations $15,747.82]

III. For Discussion

1. Recommendation Concerning State Law Enforcement Trust Fund - Henrique Dias, Chief Financial Officer, Escambia County Sheriff's Office Finance Division

   That the Board approve the following allocations of Law Enforcement Trust (LET) Funds per the requirements of F.S. 932.7055(5), for Outside Agency partners in Escambia County for Fiscal Year 2018/2019:

   A. Gulf Coast Kid's House, in the amount of $20,000;

   B. Washington High School Softball Boosters, in the amount of $500;

   C. Pensacola Little Theatre, Inc., in the amount of $6,500;

   D. Epilepsy Florida, in the amount of $1,000;

   E. The King Richard Foundation, Inc., in the amount of $1,000;

   F. Perdido Bay Youth Sports Association, in the amount of $1,000; and

   G. Civitan International Foundation, in the amount of $1,000.

   Upon approval of these funding allocations, the Sheriff's Office will process all appropriate paperwork and submit for payment from LET Funds to the Escambia Clerk of the Circuit Court and Comptroller.

   [Funding Source: Fund 121, Law Enforcement Trust Fund, Cost Center 540103, Aids to Private Organizations 58201]

2. Recommendation Concerning the USDA Summer Feeding Program in Escambia County - Todd Humble, Library Services Director

   That the Board grant approval for the West Florida Public Library System to operate the free United States Department of Agriculture (USDA) summer meal service for children in areas of Escambia County.

3. Recommendation Concerning the Nationwide 457 Amendment Options - Eric Kleinert, Human Resources Department Director

That the Board approve and authorize the Chairman to sign, subject to Legal review and sign-off, one of the following three Nationwide 457 amendment options:

A. Option One: Guaranteed Minimum Interest Rate (GMIR) for 2019 @ 3.0% and lowers by 0.5% in 2020-2021 and then by 1.0% in 2022. Active employees have a 20% liquidity of funds. Retirees remain with 100% liquidity. Crediting Rate is 3.5% for the remainder of 2019 and market based starting in 2020;

B. Option Two: GMIR will follow the same sliding scale as Option One. Active employees have a 40% liquidity of funds. Retirees remain with 100% liquidity. Crediting Rate is 3.4% for the remainder of 2019 and market based starting in 2020; or

C. Option Three: Existing balances in the current Fixed Contract will remain at a 3.5% GMIR. All new contributions to the Fixed Contract will be established with a GMIR of 1.0% and a Crediting Rate of 1.2%. The Crediting rate is subject to change with the market beginning in 2020. New funds can also be placed in the existing Default Investment Alternative (DIA). Participants must elect a new option. Retirees maintain 100% liquidity; and

D. Approve, if “Option 1” or “Option 2” is selected, the Supplemental Fee Structure of the Nationwide 457 Agreement Amendment (for Deferred Compensation Services).

4. Recommendation Concerning the Renewal of a Lease at 906 Ariola Drive in Pensacola Beach by the Santa Rosa Island Authority Board of Directors - Amy Lovoy, Interim County Administrator

That the Board approve or deny the renewal of a "perpetual" lease at 906 Ariola Drive, Pensacola Beach, Florida (Property Ref. No. 282S262150008004), as approved by the Santa Rosa Island Authority Board of Directors on February 13, 2019. Per Chapter 79-456 F.S., the Board of County Commissioners has veto power over the SRIA Board within 30 days of any substantive action taken regarding changes in land use and leases.

COUNTY ATTORNEY'S REPORT

I. For Action

1. Recommendation Concerning Approval of Proposed Settlement of Workers' Compensation Claims Brought by Gerald Frymire.

   That the Board approve a proposed settlement in the sum of $45,000.00 payable to Gerald Frymire in exchange for a complete resolution of all claims for Workers' Compensation benefits. The County would be responsible for payment in full of the settlement.

2. Recommendation Concerning Approval of Proposed Settlement of Workers' Compensation Claims Brought by Ron Heilman.

   That the Board approve a proposed settlement in the sum of $25,000.00 payable to Ron Heilman in exchange for a complete resolution of all claims for Workers' Compensation benefits. The County would be responsible for payment in full of the settlement.

3. Recommendation Concerning the Proposed Settlement of ADA and Section 504 Claims brought in Walter Joseph Beckman v. Escambia County, Case No. 3:18-cv-2189-MCR/EMT.

   That the Board take the following action:

   A. Authorize the Chairman to sign the settlement agreement and release in which the Board will be paying Mr. Beckman and his attorneys the sum of $14,800.00 for attorney's fees and any alleged damages suffered by Plaintiff; and

   B. Authorize the County Attorney's Office to sign the joint stipulation for dismissal with prejudice once the Board approves the settlement agreement and release.

15. Items added to the agenda.

16. Announcements.

17. Adjournment.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15718 **Proclamations 6.**
BCC Regular Meeting
Meeting Date: 03/07/2019
Issue: Adoption/Ratification of Proclamations
From: Amy Lovoy, Assistant County Administrator
Organization: Asst County Administrator - Lovoy
CAO Approval:

RECOMMENDATION:

Proclamations.

Recommendation: That the Board take the following action:

A. Adopt the Proclamation commending and congratulating Rosalyn Malone, a Bus Operator in the Mass Transit Department, on her selection as the "Employee of the Month" for March 2019;

B. Adopt the Proclamation proclaiming the month of April 2019 as "Donate Life Month" in Escambia County and encouraging all Florida residents to consider giving life through organ donation and to sign up on Florida's Organ and Tissue Donor Registry, by visiting www.DonateLifeFlorida.org or to make the designation when renewing their driver's license or State identification card; and

C. Ratify the Proclamation dated February 12, 2019, commending Mrs. Georgia Blackmon for her dedicated and purposeful life as a citizen-activist, bookseller, and community volunteer, and expressing the Board's gratitude for her actions as founder, owner, and daily manager of The Gathering Awareness Bookstore in sustaining community as she moves into her next phase of life and activities.

BACKGROUND:

On March 21, 2013, the Board approved the "Employee of the Month and Employee of the Year Awards Program." Each Department will submit one employee to be nominated as the "Employee of the Month." The County Administrator will then select one employee from the nominations. The employee who is selected will receive a check in the amount of $250, a Proclamation, and a plaque that will hang in the lobby of the Ernie Lee Magaha Government Building for that month.

Various departments, outside agencies, special interest groups, civic and religious organizations in recognition of specific events, occasions, people, etc., request Proclamations.

Information provided on the Proclamation is furnished by the requesting party and placed in the proper acceptable format for BCC approval by the County Administration staff.

Board approval is required by Board Policy Section I, A (6).

BUDGETARY IMPACT:

The Employee of the Month Award Program will cost $250 per month; the Employee of the Year Award Program will cost $500 per year. Funding is available through Fund 001, General Fund, Cost Center 150101, Object code 55201.

Rosalyn Malone EOM March 2019
April 2019 Donate Life Month
Georgia Blackmon Proclamation

P R O C L A M A T I O N

***WHEREAS**, Escambia County has established an "Employee of the Month Program" to recognize one employee to represent the various departments; and*

***WHEREAS**, Rosalyn Malone, a Bus Operator in the Mass Transit Department, began her employment with the County on May 7, 2003, and is selected for "Employee of the Month" for March 2019, for the standards of excellence that she has displayed in the performance of her duties; and*

***WHEREAS**, Ms. Malone has worked at Escambia County Area Transit for over 15 years. She is a polite, easy-going, professional employee who does her job well, in her own quiet and friendly manner; and*

***WHEREAS**, on Monday, February 4, 2019, at approximately 3:23 p.m., a passenger exited the back door of the Route 55 Bus, at the Druid Street and Navy Boulevard bus stop. The passenger walked behind the bus directly into the path of an oncoming vehicle, which was turning onto Druid Street, heading south; and*

***WHEREAS**, the passenger was hit by the oncoming vehicle. Rosalyn looked in her rear-view mirror and saw what had happened. She immediately radioed Dispatch about the incident, providing the accident location and details. Ms. Malone quickly exited the bus to assist the passenger until the authorities and Escambia County Area Transit (ECAT) Safety arrived; and*

***WHEREAS**, although ECAT was not directly involved in the accident, Rosalyn went above and beyond the call of duty, ensuring the passenger was cared for until help arrived. Her quick responsiveness provided the emergency vehicle the necessary information to respond quickly. Her calm and professional demeanor reassured the passengers on board the bus, while she attended to the injured person outside.*

***NOW, THEREFORE, BE IT PROCLAIMED**, that the Board of County Commissioners of Escambia County, Florida, commends and congratulates Rosalyn Malone on her selection as the "Employee of the Month" for March 2019.*

***WHEREAS**, Mrs. Georgia Blackmon established The Gathering Awareness Bookstore in October 1989 to provide printed materials and cultural products to educate and raise awareness of the human experience; and*

***WHEREAS**, for more than 29 years, Mrs. Blackmon has worked to raise the literary experiences of tens of thousands of citizens of Escambia County by providing access to small press publications, formidable classical works, and emerging creative authors through The Gathering Awareness Bookstore. For 30 years, she has supported annual student literacy events including annual essay contests, public reading presentations, and public performances by a variety of literary artists and artisans to all citizens of Escambia County; and*

***WHEREAS**, Mrs. Blackmon has worked to provide local access to quality, recognized authors and thought-provoking speakers of all ages, ethnicities, and global experiences to interact with local citizens and visitors through her special speakers' series, both in her store and at public venues; and*

***WHEREAS**, Mrs. Blackmon has specifically worked to support the authentic storytelling of history and especially the African American Experience and has actively involved herself in the institutions needed to create appropriate education and real solutions for human needs causes; and*

***WHEREAS**, Mrs. Georgia Blackmon has engaged daily in the business of community building and has uniquely assisted in the preservation of culture in the Belmont Devilliers Neighborhood and throughout the City of Pensacola and Escambia County; and*

***WHEREAS**, by providing products, services, and resource referrals specific to their individual and congregational needs, Mrs. Blackmon has served the Faith Community of the Gulf Coast Region across a broad spectrum of religious philosophies and institutions; and*

***WHEREAS**, Mrs. Blackmon has professed her love of her Creator daily and, with her spiritual presence in action, has inspired thousands of others to do the same. She has served as mentor, leader, and friend to thousands of citizens of Escambia County, Florida, and the entire Gulf Coast Region for more than half a century.*

***NOW, THEREFORE, BE IT PROCLAIMED**, that the Board of County Commissioners of Escambia County, Florida, hereby commends Mrs. Georgia Blackmon for her dedicated and purposeful life as a citizen-activist, bookseller, and community volunteer, and expresses its gratitude for her actions as founder, owner, and daily manager of The Gathering Awareness Bookstore in sustaining community as she moves into her next phase of life and activities.*

***BE IT FURTHER PROCLAIMED**, that the Board of County Commissioners of Escambia County, Florida, looks forward to continued work with Mrs. Georgia Blackmon as she guides the development of The Ella Jordan House and continues the good works and programs of The Mother Wit Foundation.*

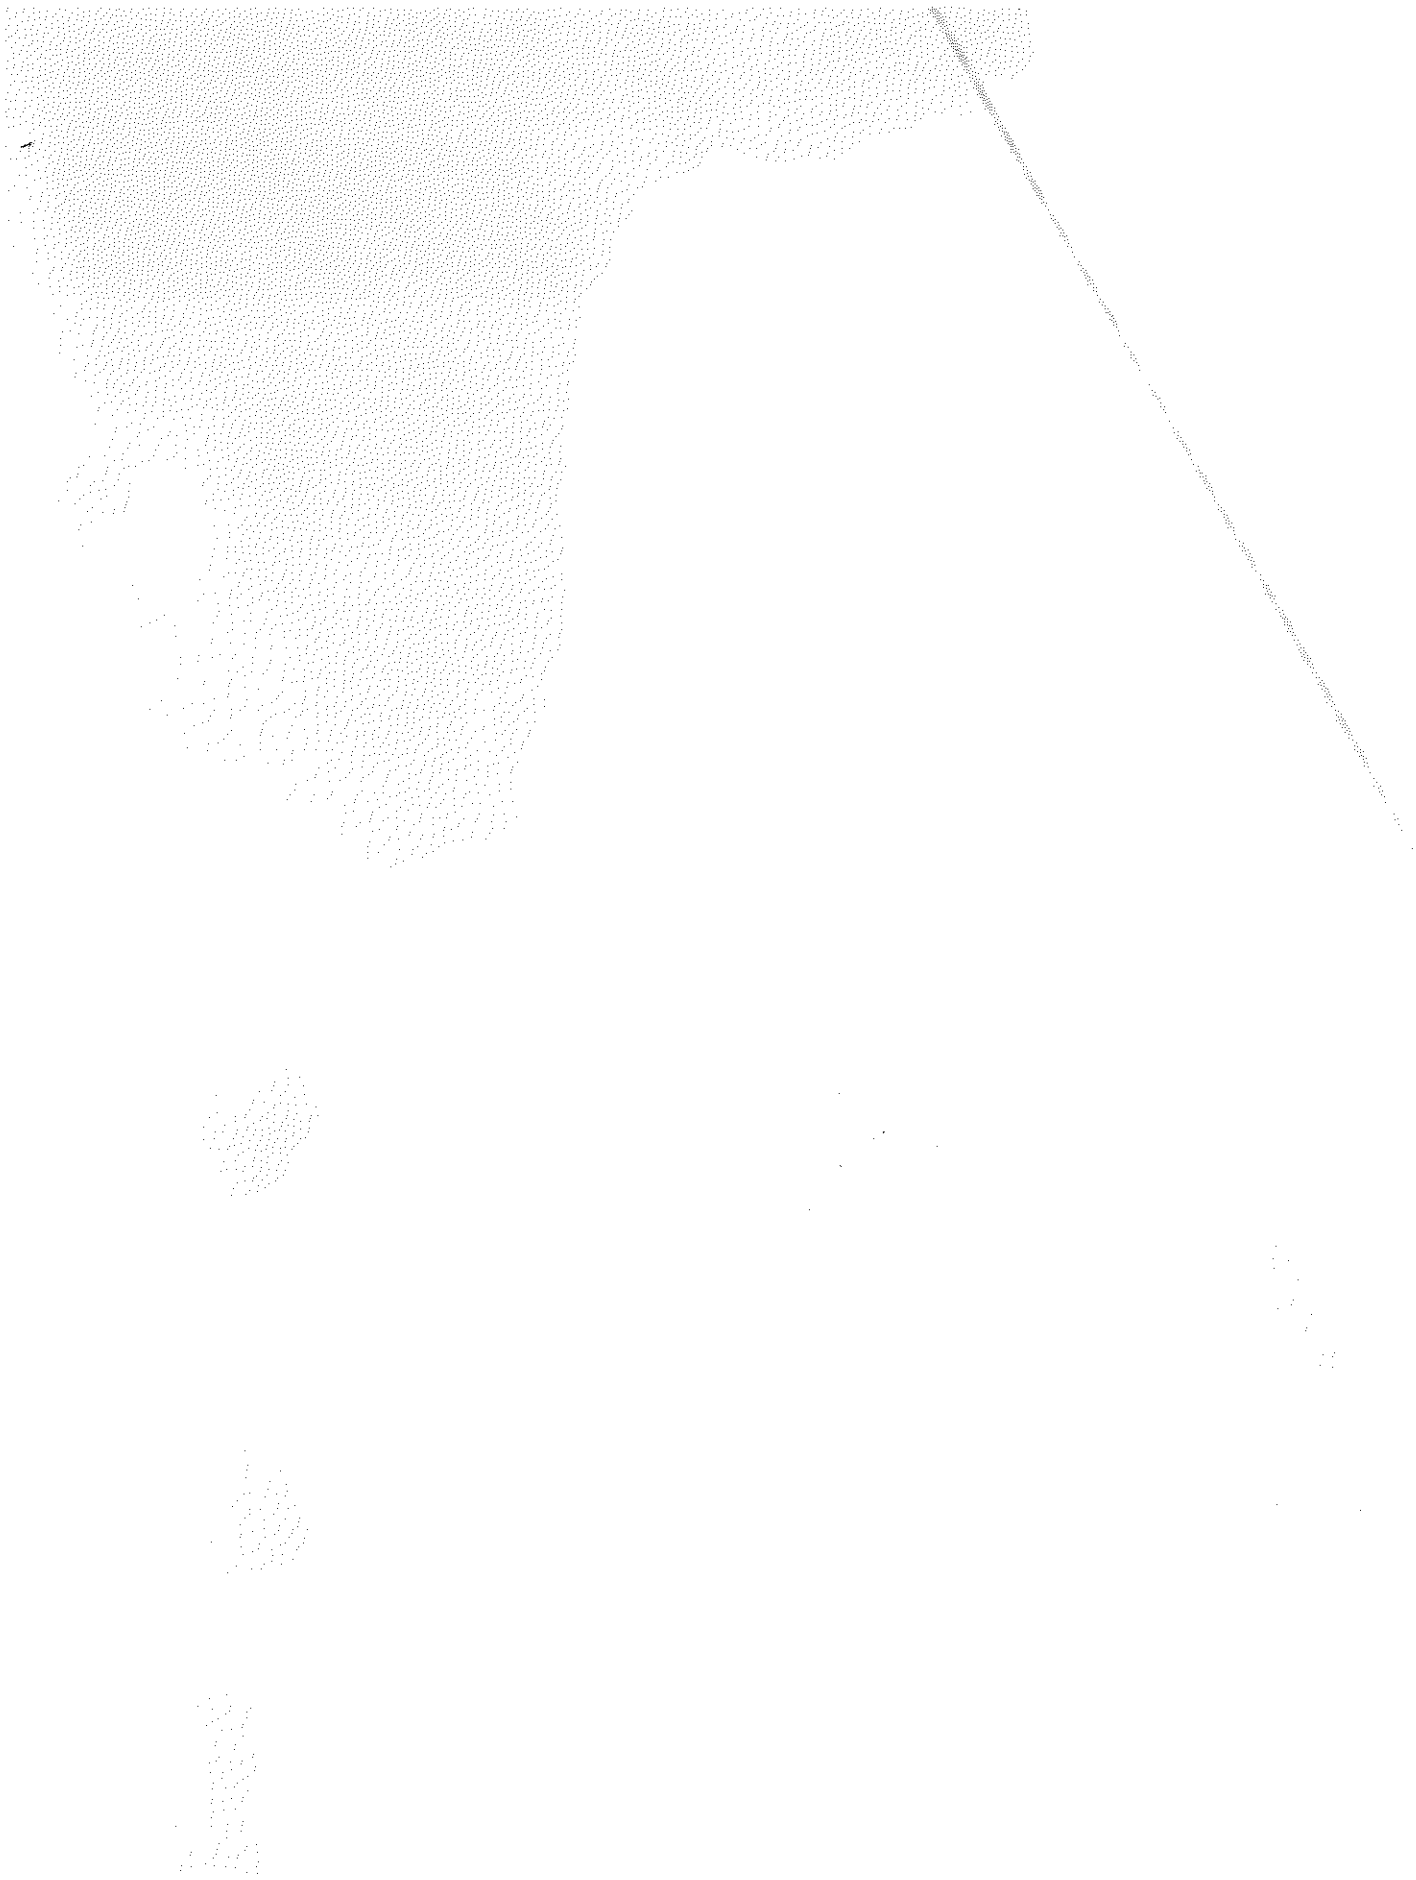
Subject: FW: Christopher Langham's request to be placed on the March 7th, 2019 Board Agenda Under Written Communication

Judy,

Please place Christopher Langham on the Thursday, March 7, 2019, agenda under Written Communication. Mr. Landham is concerned about the Hookah Lounge that just located across the street from the school.



Thank you!

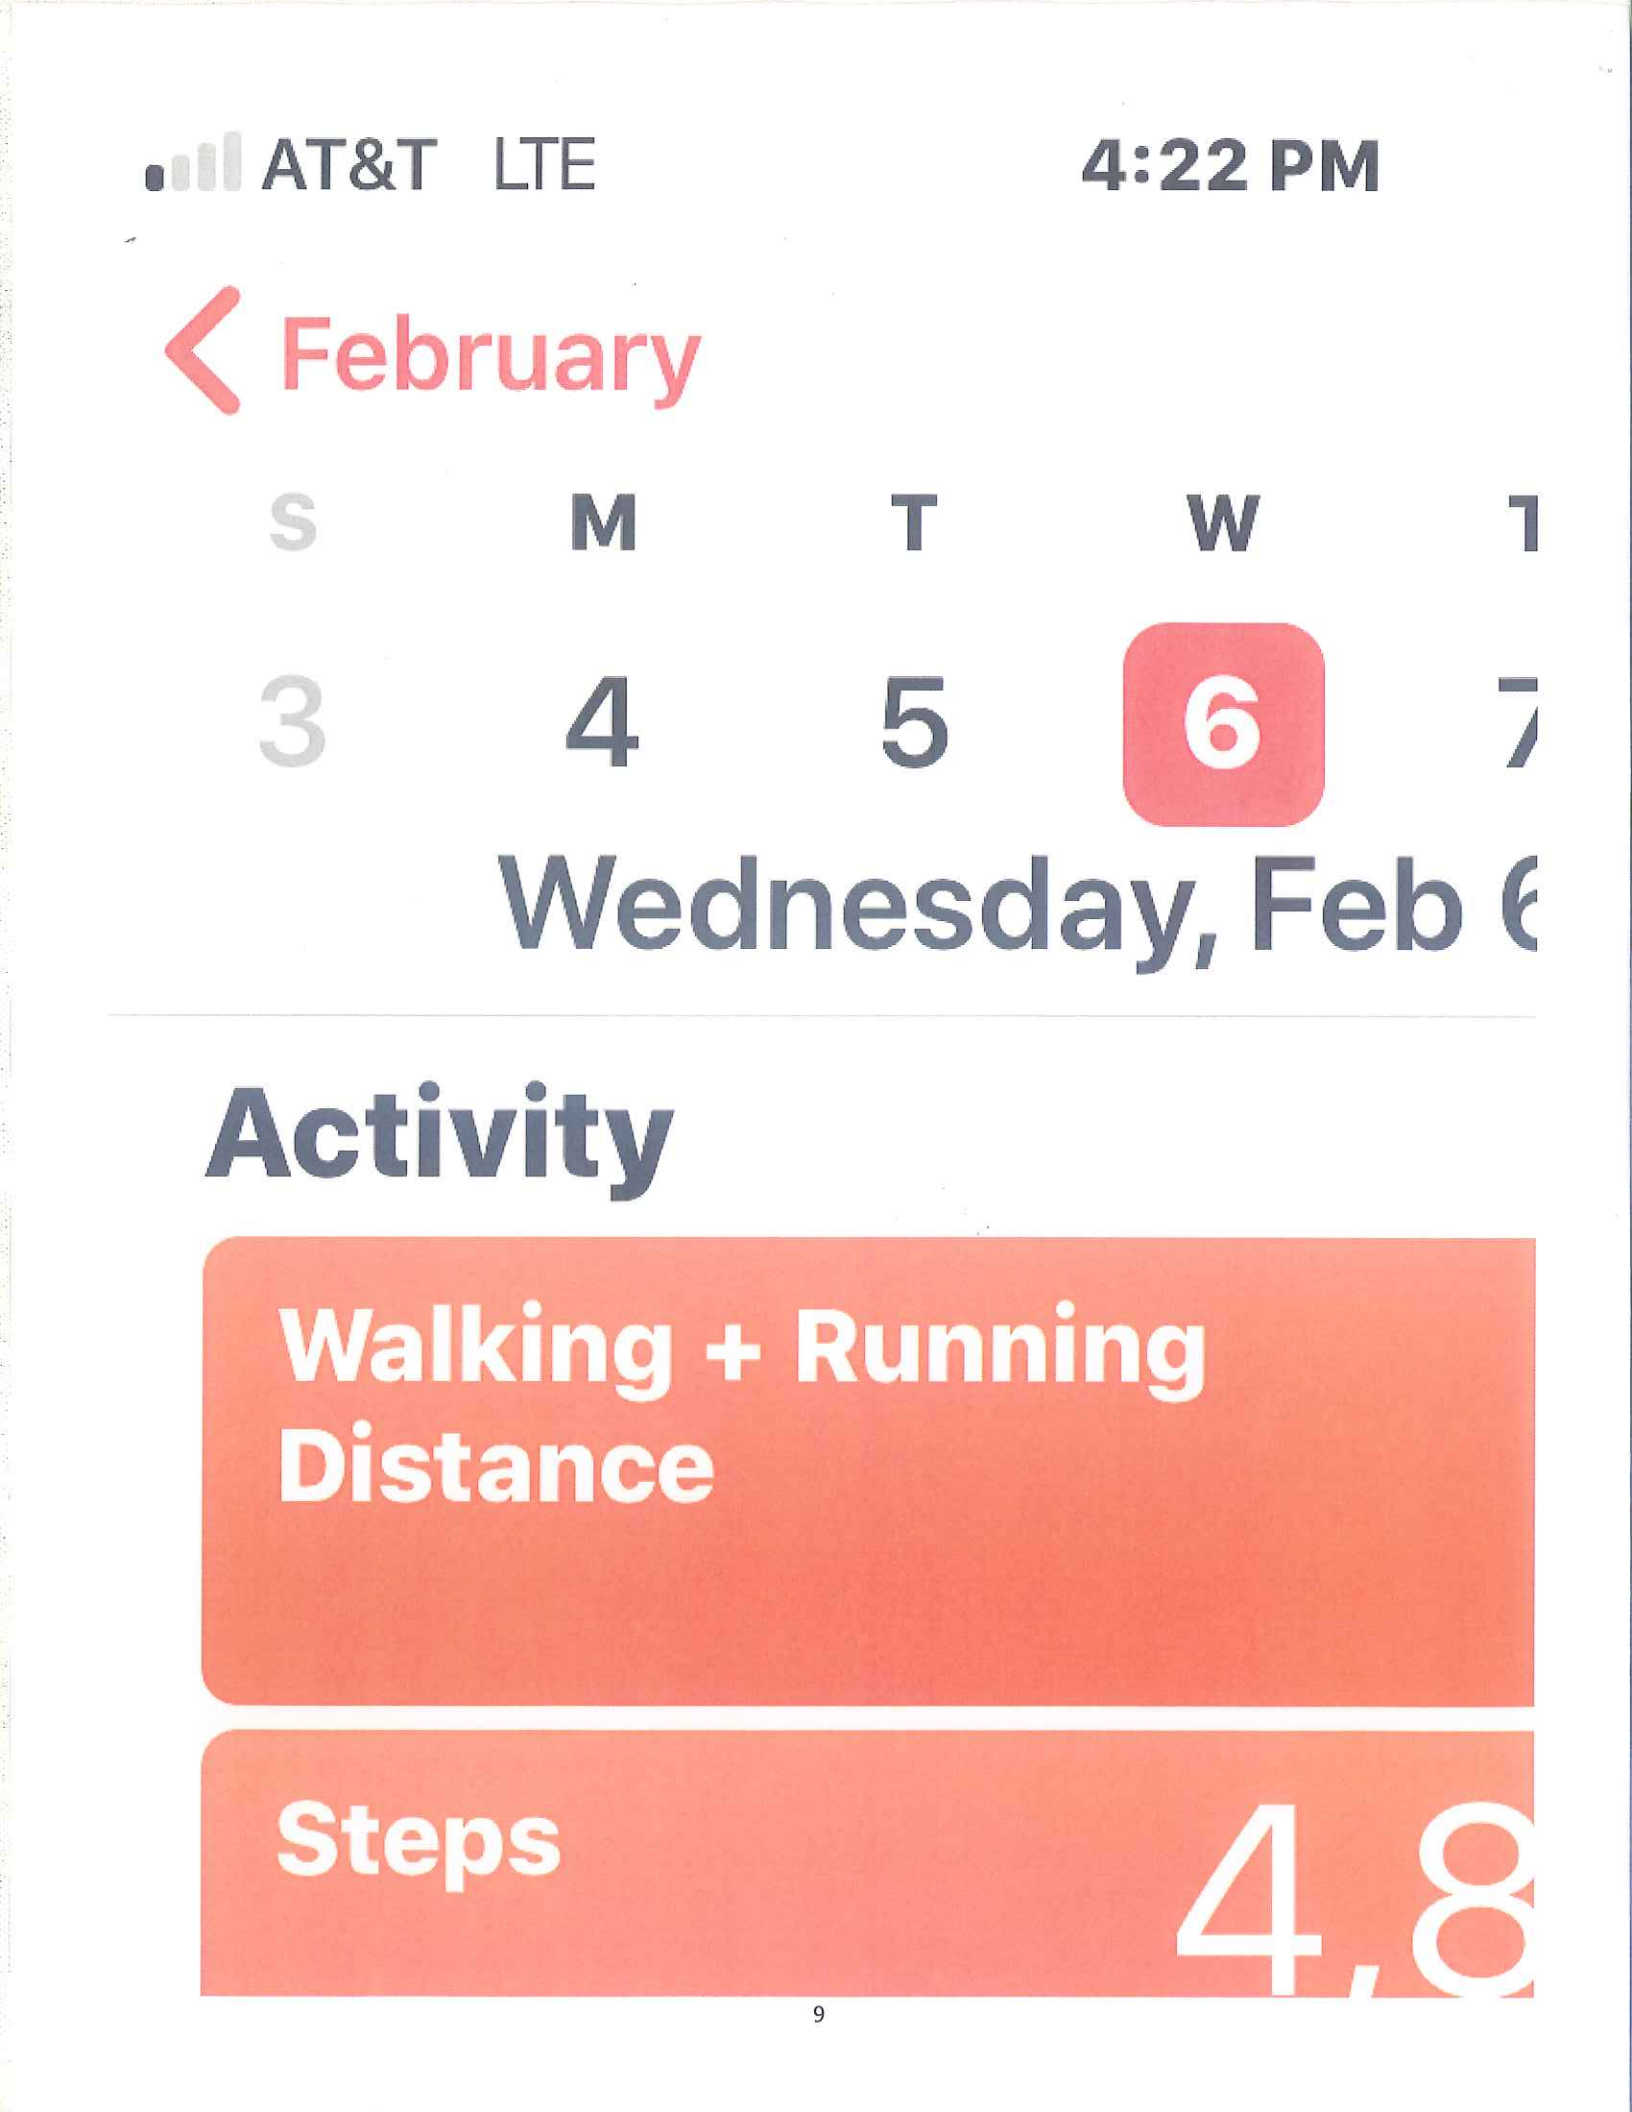
Subject: Re: Christopher Langham Calling.

Is it possible to put this on the boards agenda and set it for next meeting? I teach until 4:00 pm today at Ferry Pass, and then have an online lesson to teach from 5:00-5:25 pm. I am going to come tonight but will be late. I am unsure how to proceed but st least want you to see the pictures I am sending and see what I can do if anything.

Our fence line.



Notice the students walking by everyday.. this was after school had already been dismissed... the number walking by is much greater.

Distance from the corner of our lot to head shop.

The hookah lounge sign is plenty for them to advertise their business. The Rasta-friends-Head shop sign is a bit much...children in middle school are vulnerable and this is not what we want to be projecting to them as friendly. They are also very impressionable and again this is not what we want to impress on them.

Thank you 🙏 for your help in this matter.

Sincerely,

Christopher Langham

> I respect the decision of the board but when the said hookah lounge has up a huge billboard/sign that shows the Rasta pot colors boasting of a head shop, and talks about all the drug paraphernalia they sell, that does not seem right, and if it was a previous business owners sign then the owner of the property should at least be made to take the sign down. Because it's not just a nice friendly lounge when that is promoted, etc. also, I am going to go walk the property myself because even google shows it less than 1000 feet ... keeping in mind a quarter mile is 1,320 feet. And this ping comes through way before I turn to go into my school drive, and our track runs all the way to the road. I want to come to a meeting next time you have a public one. Can you let me know when that would be please?

Angela,

This was approved by the BOA for Conditional Use as a brewpub with off-site distribution back in October. The LDC treats a hookah lounge as retail sales and services. The only prohibition near schools is on-premise consumption of alcohol and or liquor sales and this place met the distance requirement.

Subject: RE: Zoning Question - Ferry Pass Middle School

Andrew,

Would the zoning requirements be the same for the Hookah Lounge and head shop? Did this issue come up at a BOA Hearing? If so, when and what was the determination.

Thank you!

Angela

Angela,

The measurement for alcohol sales is along the right of way, not as the crow flies. This establishment met the distance requirement as outlined in the LDC.

Dear Sir,

I am a concerned teacher at Ferry Pass Middle School, and as such; I am writing today to ask why a Hookah Lounge, and head shop is located within a 1000 feet of our school? As the crow flies it is less than 1000 feet away and as such should be closed down permanently. As a Teacher I know the danger of having this type of business in the eye gate of our students. As a person who struggled with addictions at a young age, I also realize how this type of shop is targeting these precious future Leaders of our great city. I am unaware of malicious or intentional targeting, but it is targeting nonetheless, and I want to put a stop to it right now. Can you help?

Sincerely,

Christopher Langham

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15695 **Public Hearings 10.**

BCC Regular Meeting

Meeting Date: 03/07/2019

Issue: 5:31 p.m. Public Hearing - Vacation of a Portion of Unopened Right-of-Way Known as Grande Boulevard

From: Joy Jones, Director

Organization: Engineering

CAO Approval:

RECOMMENDATION:

5:31 p.m. Public Hearing for consideration of the Petition to Vacate a portion of unopened right-of-way known as Grande Boulevard, as petitioned by George and Nita Omley:

Recommendation: That the Board take the following action concerning the Petition to Vacate a portion of unopened right-of-way known as Grande Boulevard, as petitioned by George and Nita Omley:

A. Approve or deny the Petition to Vacate a portion of unopened right-of-way known as Grande Boulevard, as petitioned by George and Nita Omley;

B. Accept the Hold/Harmless Agreement;

C. Adopt the Resolution to Vacate; and

D. Authorize the Chairman or Vice Chairman to accept the documents as of the day of delivery of the documents to the Chairman or Vice Chairman, and authorize the Chairman or Vice Chairman to execute them at that time.

This request is located in Commission District 2.

BACKGROUND:

Grande Boulevard is an unopened right-of-way that meanders along Bayou Grande. The unopened portion of Grande Boulevard in this request is located in Block 23 of Beach Haven Subdivision.

The petitioners, George and Nita Omley, own the properties located at 2105 and 2109 Augusta Avenue. Mr. and Mrs. Omley purchased these properties in May 2018. A survey completed prior to the purchase indicated that a particular portion of the property, known as the unopened right-of-way of Grande Boulevard, shows no owner of record. The Escambia County Property Appraiser's Office was contacted in an inquiry about the area in question, at which time the petitioners learned that a previously-approved Petition to Vacate, completed in 1977, did not include this portion of unopened right-of-way in the legal description. The area included in this request has been fenced and occupied by the previous owner for more than 40 years. Due to this history, the Omleys have now submitted a Petition to Vacate this area to Escambia County.

Staff has reviewed the request, with the only concern being future public access to waterfront property. All utility companies have been contacted and have no objections to approval of the Petition to Vacate this property.

Notifications were sent to the surrounding property owners within a 500' radius of the area mentioned in the Petition to Vacate, per the approval of the Request to Schedule at the January 10, 2019, BCC Meeting.

BUDGETARY IMPACT:

Indirect staff cost associated with the preparation of documents and recommendation.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

All work associated with this request is being done in-house and no additional staff is required.

POLICY/REQUIREMENT FOR BOARD ACTION:

This recommendation is based on the Board's Vacating, Abandoning, and Closing Existing Public Streets, Rights-of-Way, Alleyways, Roads, Highways, Other Places Used for Travel or Other Lands Dedicated for Public Use or Purposes, or Any Portions Thereof to Renounce and Disclaim Any right of the County and The Public In and To Said Lands policy for closing, vacating and abandoning County Owned property- Section III, and Florida Statues, Chapter 336.

IMPLEMENTATION/COORDINATION:

Upon Board approval of the Petition to Vacate, the necessary documents will be signed and delivered to the Petitioner, who will have them recorded in the public records and will have notices published.

RESOLUTION NUMBER R_____-_____

RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, VACATING, ABANDONING, AND CLOSING CERTAIN PUBLIC PROPERTY ACQUIRED FOR EXISTING PUBLIC STREETS, RIGHTS-OF-WAY, ALLEYWAYS, ROADS, HIGHWAYS, OTHER PLACES USED FOR TRAVEL, OR OTHER LANDS DEDICATED FOR PUBLIC USE OR PURPOSES, OR ANY PORTIONS THEREOF, TO RENOUNCE AND DISCLAIM ANY RIGHT OF THE COUNTY AND THE PUBLIC IN AND TO SAID LANDS.

WHEREAS, Mr. & Mrs. George Omley have petitioned this Board to vacate, abandon, and close the following public rights-of-way, alleyway, or other lands and to renounce and disclaim the right of Escambia County, Florida and of the public, and;

WHEREAS, the Board of County Commissioners of Escambia County, Florida, has determined it to be in the best interest of Escambia County to adopt a resolution vacating, abandoning, and closing the following described property:

_____(AS PREPARED BY REGOL--BATTLE & ASSOCIATES)

BEGINNING AT THE NORTHWEST CORNER OF THE SOUTH 1/2 OF LOT 3, BLOCK 23 OF BEACH HAVEN SUBDIVISION, AS RECORDED IN DEED BOOK 46 AT PAGE 51 OF THE PUBLIC RECORDS OF ESCAMBIA COUNTY, FLORIDA; THENCE PROCEED NORTH 84° WEST ALONG THE WESTERLY EXTENSION OF CENTERLINE OF SAID LOT 3, FOR A DISTANCE OF 77 FEET, MORE OR LESS, TO THE SHORELINE OF BAYOU GRANDE; THENCE MEANDER SOUTHERLY ALONG SAID SHORELINE TO THE INTERSECTION OF THE WESTERLY EXTENSION OF SOUTH LINE OF SAID LOT 3; THENCE PROCEED SOUTH 84° EAST ALONG SAID WESTERLY EXTENSION FOR A DISTANCE OF 77 FEET, MORE OR LESS, TO THE SOUTHWEST CORNER OF LOT 3; THENCE PROCEED NORTH 05° EAST ALONG THE WEST LINE OF SAID OF LOT 3 FOR A DISTANCE OF 40.0 FEET TO THE POINT OF BEGINNING.

ALL LYING AND BEING A PORTION OF SECTION 35, TOWNSHIP 2 SOUTH, RANGE 31 WEST, ESCAMBIA COUNTY, FLORIDA.

and any right of the County and the public in and to the above described road rights-of-way, alleyway or other land dedicated for public use is hereby surrendered, renounced and disclaimed; and

WHEREAS, Petitioner(s), Mr. & Mrs George Omley, have caused to be published on 21 Feb, A.D., 2019, notice in a newspaper of general circulation in Escambia County, Florida, of the filing of said petition and that a public hearing thereon would be held at 5:31 p.m. on 7 March 2019 in the Board meeting room, Escambia County Governmental Complex, Pensacola, Florida; and

WHEREAS, the vacating, abandoning, and closing of existing public streets, rights-of-way, alleyways, roads, highways, other places used for travel, or other lands dedicated for public use or purposes, or any portions thereof, to renounce and disclaim any right of the County and the Public in and to said lands will not materially interfere with the County road system or the delivery of public services and will not deprive any person of any reasonable means of ingress/egress to such person's property.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA:

1. That the motion to vacate is hereby adopted and approved.

2. That the following described property acquired for public road rights-of-way, alleyway, or other public purposes is hereby vacated, abandoned, and closed;

(AS PREPARED BY REBOL-BATTLE & ASSOCIATES)

BEGINNING AT THE NORTHWEST CORNER OF THE SOUTH 1/2 OF LOT 3, BLOCK 23 OF BEACH HAVEN SUBDIVISION, AS RECORDED IN DEED BOOK 46 AT PAGE 51 OF THE PUBLIC RECORDS OF ESCAMBIA COUNTY, FLORIDA; THENCE PROCEED NORTH 84' WEST ALONG THE WESTERLY EXTENSION OF CENTERLINE OF SAID LOT 3, FOR A DISTANCE OF 77 FEET, MORE OR LESS, TO THE SHORELINE OF BAYOU GRANDE; THENCE MEANDER SOUTHERLY ALONG SAID SHORELINE TO THE INTERSECTION OF THE WESTERLY EXTENSION OF SOUTH LINE OF SAID LOT 3; THENCE PROCEED SOUTH 84' EAST ALONG SAID WESTERLY EXTENSION FOR A DISTANCE OF 77 FEET, MORE OR LESS, TO THE SOUTHWEST CORNER OF LOT 3; THENCE PROCEED NORTH 06' EAST ALONG THE WEST LINE OF SAID OF LOT 3 FOR A DISTANCE OF 40.0 FEET TO THE POINT OF BEGINNING.

ALL LYING AND BEING A PORTION OF SECTION 35, TOWNSHIP 2 SOUTH, RANGE 31 WEST, ESCAMBIA COUNTY, FLORIDA.

and any rights of the County and the public in and to the above described land is hereby surrendered, renounced and disclaimed.

3. That this resolution shall be spread upon the minutes of the Board of County Commissioners of Escambia County, Florida, and said petitioner shall publish a notice of its adoption one time within thirty (30) days hereafter in a newspaper of general circulation in Escambia County, Florida.

Lumon J. May, Chairman

ATTEST: PAM CHILDERS
CLERK OF THE CIRCUIT COURT

By_____
Deputy Clerk

Adopted:_____

HOLD/HARMLESS AGREEMENT

WHEREAS, Mr. & Mrs. George Omley hereafter called "Petitioner(s)" have requested that the Board of County Commissioners of Escambia County, Florida, on behalf of Escambia County, vacate certain public road rights-of-way, alleyway, or other lands pursuant to the provisions of Section 336.09, Florida Statutes, and Vacation Policy - Section III(A) of the Board of County Commissioners; and

WHEREAS, the Board of County Commissioners of Escambia County, Florida, hereafter called "County" has no objection to granting such petition, providing that certain covenants and agreements are made on behalf of the citizens and residents of Escambia County, Florida, and on behalf of Escambia County;

NOW, THEREFORE, in consideration of One Dollar ($1.00) and the mutual promises contained herein, Petitioner(s) and County do agree as follows:

1. County, pursuant to the authority of and after compliance with the requirements of Chapter 336, Florida Statutes and Vacation Policy - Section III(A), agrees to vacate, abandon, and close the following described public street, road, alleyway or a portion thereof, or other land dedicated for public use and to surrender, renounce and disclaim any right of the County and public in and hereto:

(AS PREPARED BY REBOL-BATTLE & ASSOCIATES)

BEGINNING AT THE NORTHWEST CORNER OF THE SOUTH 1/2 OF LOT 3, BLOCK 23 OF BEACH HAVEN SUBDIVISION, AS RECORDED IN DEED BOOK 46 AT PAGE 51 OF THE PUBLIC RECORDS OF ESCAMBIA COUNTY, FLORIDA; THENCE PROCEED NORTH 84° WEST ALONG THE WESTERLY EXTENSION OF CENTERLINE OF SAID LOT 3, FOR A DISTANCE OF 77 FEET, MORE OR LESS, TO THE SHORELINE OF BAYOU GRANDE; THENCE MEANDER SOUTHERLY ALONG SAID SHORELINE TO THE INTERSECTION OF THE WESTERLY EXTENSION OF SOUTH LINE OF SAID LOT 3; THENCE PROCEED SOUTH 84° EAST ALONG SAID WESTERLY EXTENSION FOR A DISTANCE OF 77 FEET, MORE OR LESS, TO THE SOUTHWEST CORNER OF LOT 3; THENCE PROCEED NORTH 06° EAST ALONG THE WEST LINE OF SAID OF LOT 3 FOR A DISTANCE OF 40.0 FEET TO THE POINT OF BEGINNING.

ALL LYING AND BEING A PORTION OF SECTION 35, TOWNSHIP 2 SOUTH, RANGE 31 WEST, ESCAMBIA COUNTY, FLORIDA.

2. Petitioner(s), hereby covenant(s) and agree(s) that they have complied with all requirements of Chapter 336, Florida Statutes and Vacation Policy - Section III(A) of the Board of County Commissioners in bringing this request before the County and in obtaining the County's agreement set forth above.

3. Petitioner(s), hereby covenant(s) and warrant(s) that no person will be denied ingress/egress or access to their property or use by the vacation of the public rights-of-way or other land which is described herein.

4. Petitioner(s), further hereby agree(s) to defend, indemnify and hold harmless Escambia County, its agents and employees against any and all liability, claims, suits, actions, debts, damages, losses, costs, charges and expenses, including court costs and attorney's fees which may or might arise because of or related to the vacation of the public rights-of-way, alleyway, or other land dedicated for public use which is described herein.

AND ALSO (AS PREPARED BY REBOL-BATTLE & ASSOCIATES)

BEGINNING AT THE NORTHWEST CORNER OF THE SOUTH 1/2 OF LOT 3, BLOCK 23 OF BEACH HAVEN SUBDIVISION, AS RECORDED IN DEED BOOK 46 AT PAGE 51 OF THE PUBLIC RECORDS OF ESCAMBIA COUNTY, FLORIDA; THENCE PROCEED NORTH 84' WEST ALONG THE WESTERLY EXTENSION OF CENTERLINE OF SAID LOT 3, FOR A DISTANCE OF 77 FEET, MORE OR LESS, TO THE SHORELINE OF BAYOU GRANDE; THENCE MEANDER SOUTHERLY ALONG SAID SHORELINE TO THE INTERSECTION OF THE WESTERLY EXTENSION OF SOUTH LINE OF SAID LOT 3; THENCE PROCEED SOUTH 84' EAST ALONG SAID WESTERLY EXTENSION FOR A DISTANCE OF 77 FEET, MORE OR LESS, TO THE SOUTHWEST CORNER OF LOT 3; THENCE PROCEED NORTH 06' EAST ALONG THE WEST LINE OF SAID OF LOT 3 FOR A DISTANCE OF 40.0 FEET TO THE POINT OF BEGINNING.

ALL LYING AND BEING A PORTION OF SECTION 35, TOWNSHIP 2 SOUTH, RANGE 31 WEST, ESCAMBIA COUNTY, FLORIDA.

GENERAL NOTES:

1. NORTH AND THE SURVEY DATUM SHOWN HEREON ARE REFERENCED TO THE RECORD PLAT OF BEACH HAVEN AS RECORDED IN DEED BOOK 46 AT PAGE 51 OF THE PUBLIC RECORDS OF ESCAMBIA COUNTY, FLORIDA, HAVING A BEARING OF NORTH 06 DEGREES 00 MINUTES 00 SECONDS EAST ALONG THE EAST RIGHT-OF-WAY LINE OF AUGUSTA AVENUE (FIFTH AVENUE PER PLAT) OF SAID SUBDIVISION; COPY OF THE RECORD PLAT OF THE ABOVE BEACH HAVEN; DEEDS OF RECORD AND EXISTING FIELD MONUMENTATION.
2. A TITLE SEARCH WAS PERFORMED BY CHICAGO TITLE INSURANCE COMPANY, ISSUING OFFICE FILE NUMBER: 180523, ORDER NUMBER 6978404, WITH AN EFFECTIVE DATE OF 05/04/2018 AT 8:00 AM, AND PROVIDED TO THIS FIRM FOR THE SUBJECT PROPERTY.
3. IT IS THE OPINION OF THE UNDERSIGNED SURVEYOR & MAPPER THAT THE PARCEL OF LAND SHOWN HEREON IS PARTIALLY IN ZONE "AE", SPECIAL FLOOD HAZARD AREAS SUBJECT TO INUNDATION BY THE 1% ANNUAL CHANCE FLOOD AND ZONE 'X', AREAS DETERMINED TO BE OUTSIDE THE 0.2% ANNUAL CHANCE FLOODPLAIN, BASED ON THE FEDERAL EMERGENCY MANAGEMENT AGENCY FLOOD INSURANCE RATE MAP FOR ESCAMBIA COUNTY, FLORIDA, COMMUNITY PANEL NUMBER 12033C0364G & 12033C0527G, EFFECTIVE DATE OF SEPTEMBER 29, 2006.
4. IT IS NOTED THAT THE DESCRIPTION SHOWN IN EXHIBIT "A" AS FURNISHED BY CHICAGO TITLE INSURANCE COMPANY (AMERICAN LAND TITLE ASSOCIATION COMMITMENT DATED 05/04/2018 AT 8:00 AM, ISSUING OFFICE FILE NUMBER: 180523, ORDER NUMBER 6978404) HAS APPARENT ERRORS IN THE DESCRIPTION AS FOLLOWS:
   - LINE 1 – "BLOCK 53" IT IS THIS SURVEYORS OPINION THAT THIS SHOULD BE BLOCK 23 BASED ON THE DEED RECORDED IN O.R. BOOK 376 AT PAGE 811, O.R. BOOK 1068 AT PAGE 708 AND O.R. BOOK 1515 AT PAGE 779 OF THE PUBLIC RECORDS OF ESCAMBIA COUNTY, FLORIDA.
   - LINE 5 – "THENCE 84'00' WEST" SHOULD READ THENCE NORTH 84'00' WEST
   - LINE 6 – "TO A POINT 110 FEET 6'00' WEST" SHOULD READ TO A POINT 110 FEET SOUTH 6'00' WEST
   - LINE 7 – "THENCE 84'00' EAST, A DISTANCE OF 44 FEET" SHOULD READ THENCE SOUTH 84'00' EAST, A DISTANCE OF 44 FEET
5. IT IS NOTED THAT THE DESCRIPTION AS FURNISHED BY CHICAGO TITLE INSURANCE COMPANY AND AS SHOWN HEREON DOES NOT APPEAR TO FULLY DESCRIBE THAT PORTION OF THE APPARENT PROPERTY WEST OF THE SOUTH HALF OF LOT 3 OF BLOCK 23. IT IS ALSO NOTED THAT THE ESCAMBIA COUNTY, FLORIDA PROPERTY APPRAISERS SITE DEPICTS THIS PORTION OF PROPERTY AS BEING IN THE SAME OWNERSHIP. THE ABBREVIATED DESCRIPTION BY SAID PROPERTY APPRAISERS OFFICE APPEARS TO DESCRIBE AND INCLUDE THIS PARTICULAR PIECE OF PROPERTY. THEREFORE THIS SURVEYOR HAS DEPICTED THIS LINE AS A DASHED LINE DUE TO THE PATENT AMBIGUITY OF THE DESCRIPTION FURNISHED AND EXISTING FIELD POSSESSION LINE AS SHOWN HEREON.
6. THE STRUCTURE DIMENSIONS DO NOT INCLUDE THE EAVE OVERHANG OR FOUNDATION FOOTINGS.
7. VISIBLE IMPROVEMENTS ARE AS SHOWN HEREON.
8. VISIBLE UTILITIES ARE AS SHOWN HEREON.
9. VISIBLE ENCROACHMENTS ARE AS SHOWN HEREON.
10. THIS SURVEY DOES NOT REPRESENT NOR GUARANTEE OWNERSHIP.
11. THIS SURVEY IS CERTIFIED TO:
    - GEORGE R. OMLEY AND NITA E. OMLEY
    - CHICAGO TITLE INSURANCE COMPANY
    - CLARK PARTINGTON

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15710 **Public Hearings 11.**
BCC Regular Meeting
Meeting Date: 03/07/2019
Issue: 5:32 p.m. Public Hearing to Adopt the Brookhaven Subdivision Street Lighting MSBU Ordinance
From: STEPHAN HALL, Budget Manager
Organization: Asst County Administrator - Lovoy
CAO Approval:

RECOMMENDATION:

5:32 p.m. Public Hearing for consideration of adopting an Ordinance creating the Brookhaven Subdivision Street Lighting MSBU.

Recommendation: That the Board adopt, and authorize the Chairman to sign, the Ordinance creating the Brookhaven Subdivision Street Lighting Municipal Services Benefit Unit (MSBU), and all related documents, and make the following findings of fact:

A. Lots in the District are specially benefited since street lighting not only increases the market value of an individual lot, but also increases safety in the District surrounding individual lots and the ability of lot owners to use their individual lots after dark;

B. The benefit from improved street lighting varies according to the relative size of the affected lots. Residential lots benefit from improved street lighting uniformly because of the small variation in size throughout the District;

C. The non-ad valorem special assessments levied represent a fair and reasonable apportionment of the cost of the special benefit received by each lot and do not represent a fair share of the cost of general governmental service provided to residents in the unincorporated areas of Escambia County; and

D. Lots which do not receive a special benefit have been and shall be excluded from the non-ad valorem special assessment for street lighting.

BACKGROUND:

The owners of the property contained in Brookhaven Subdivision have met the criteria established by the Board of County Commissioners for a street lighting MSBU, and the Board has reaffirmed its intent to use the uniform method of collection of non-ad valorem special assessments levied for street lighting projects.

Adams Homes of Northwest Florida, Inc., Devine Farms LLC, and CHB of Northwest Florida Inc. own more than 55% of the 133 properties that will make up the lighting district and submitted a Letter of Request asking to create the MSBU.

The Brookhaven MSBU lighting district plan proposal:
* 133 assessable lots located in Commissioner District 5
* 45 street lights in initial plan, to be phased in over 3 years
* Assessments estimated to be $95.67 in year 1 (10% reserve), $191.34 in year 2, and $287.01 on-going after year 2

BUDGETARY IMPACT:

The MSBU will generate revenues for the purpose of providing street lighting, as well as administrative fees and a reserve for contingencies.

LEGAL CONSIDERATIONS/SIGN-OFF:

This Ordinance has been reviewed by the County Attorney's Office and found to be legally sufficient.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

The Board of County Commissioners must approve and adopt all Ordinances.

Brookhaven MSBU Ordinance

ORDINANCE 2019-_____

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA CREATING VOLUME I, CHAPTER 70, ARTICLE III, DIVISION 63, SECTIONS 70-500.330 - 70-500.337 OF THE ESCAMBIA COUNTY CODE OF ORDINANCES; ESTABLISHING THE BROOKHAVEN SUBDIVISION STREET LIGHTING MUNICIPAL SERVICE BENEFIT UNIT FOR THE PURPOSE OF PROVIDING STREET LIGHTING WITHIN THE DISTRICT; PROVIDING FOR THE AUTHORITY, PURPOSE, AND SCOPE OF SAID ORDINANCE; PROVIDING FOR SHORT TITLE; PROVIDING FOR DEFINITIONS; PROVIDING FOR DISTRICTS; PROVIDING FOR GOVERNANCE; PROVIDING FOR LEGISLATIVE FINDINGS; PROVIDING FOR SPECIAL ASSESSMENT PROCEDURES; PROVIDING FOR APPEAL PROCESS; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE OF ORDINANCES OF ESCAMBIA COUNTY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners of Escambia County, Florida has the authority to establish a Municipal Service Benefit Unit ("MSBU") pursuant to Chapter 125, Florida Statutes; and

WHEREAS, the Board of County Commissioners has adopted administrative procedures for the establishment of such a MSBU, and the proposed Brookhaven Subdivision Street Lighting MSBU has met the criteria established by the Board of County Commissioners for a MSBU; and

WHEREAS, by Resolution **R2018-134**, the Board of County Commissioners reaffirmed its intent to use the uniform method of collection of non-ad valorem special assessments levied for street lighting projects; and

WHEREAS, the owners of the property contained in the Brookhaven Subdivision have met the criteria established by the Board of County Commissioners for a MSBU, and the property owners wish to establish such a MSBU for the purpose of providing adequate street lighting; and

WHEREAS, there are an estimated 133 properties in this proposed district, and a majority of the property owners within the Brookhaven Subdivision submitted a letter to the Board of County Commissioners requesting the creation of a street lighting MSBU; and

WHEREAS, this request satisfies the 55% minimum requirement specified in the MSBU Guidelines and Procedures adopted by the Board of County Commissioners; and

WHEREAS, the proposed MSBU will assume responsibility for all street lighting in the Brookhaven Subdivision.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY:

Section 1. The foregoing recitals are true and correct and incorporated herein by reference.

Section 2: Part I, Chapter 70, Article III, Division 63, Sections 70-500.330 through 70-500.337 of the Escambia County Code of Ordinances are hereby created to read as follows:

Division 63. – BROOKHAVEN SUBDIVISION

Sec. 70-500.330. - AUTHORITY; PURPOSE; SCOPE. This Ordinance is enacted under authority of Article VII, Section 1(f) of the Constitution of the State of Florida and Chapter 125, Florida Statutes, for the purpose of providing for a street lighting district in certain unincorporated areas in Escambia County, Florida as described herein, not lying within the corporate boundaries of any municipality.

Sec. 70-500.331. - SHORT TITLE. This Ordinance shall be known and referred to as the "*Brookhaven Subdivision Street Lighting Municipal Service Benefit Unit Ordinance*."

Sec. 70-500.332. - DEFINITIONS. When used in this Ordinance, the following terms shall be defined to mean:

A. *Base Rate* shall mean the rate necessary to fund the costs of the Brookhaven Subdivision Street Lighting District divided by the total Equivalent Residential Units (ERUs) in the District.

B. *Board* shall mean the Board of County Commissioners of Escambia County, Florida.

C. *Costs* shall mean maintenance and administrative costs associated with the acquisition of Improvements to provide street lighting for the District. The Cost for street lighting may include, but is not limited, to any applicable governmental fees, the acquisition of capital improvements, purchase or rental of equipment or facilities, administrative fees and costs, personnel expenses, operating and maintenance expenses for the upcoming Fiscal Year, the Tax Collector's collection charge and an amount set aside as a reserve for contingencies or unexpected increases in utility costs.

D. *County or Escambia County* shall mean all those geographical territories of Escambia County, a political subdivision of the State of Florida, which territories are not now within the corporate limits of any municipality.

E. *District* shall mean that geographical area of the Brookhaven Subdivision Street Lighting MSBU described hereafter.

The Brookhaven Subdivision Street Lighting District shall include the following:

A one hundred and thirty-three (133) lot residential subdivision of a portion of Section 35, Township 1 North, Range 31 West, Escambia County, Florida, classified by the Property Appraiser's records in Plat Book 19, Page 81, 81A, and 81B excluding any Holding Ponds, Wetland/Drainage Easements, Designated Wetlands, or Buffer Zones, and as further described in **Exhibit A,** attached hereto and incorporated herein.

F. *Equivalent Residential Units (ERUs)*: A unit of measure used to apportion the Costs to the Lots based on the size of the Lots in the District.

G. *Fiscal Year* shall mean the period of time between October 1st and September 30th.

H. *Improvements* shall mean all street lighting projects and equipment presently located or to be located within or added to the District in the future including, but not limited to, poles, wires, conduits, lighting and all necessary appurtenances.

I. *Lot* shall mean a developed or proposed single-family residential parcel or a multi-family residential parcel identified with a unique property identification number by the Property Appraiser.

J. *Person* shall mean individuals, children, firms, associations, ventures, partnerships, estates, trusts, business trusts, syndicates, fiduciaries, corporations, and all other groups and legal entities or combinations thereof.

K. Words used in the masculine gender include the feminine and neuter; the singular number include the plural and the plural the singular.

Sec. 70-500.333. - DISTRICT CREATED. There is hereby created within Escambia County the *Brookhaven Subdivision Municipal Service Benefit Unit* for the purpose of street lighting within the District.

Sec. 70-500.334. - GOVERNANCE OF THE DISTRICT. The District shall be governed by the Board of County Commissioners of Escambia County. The Board shall have the following powers and duties:

A. To provide for the collection and disbursement by the County of special assessments collected to pay for maintenance and operational expenses within the District.

B. To provide for or contract for the installation of street lighting and related Improvements within the District.

C. To buy, lease, or rent any and all real or personal property necessary to implement this Ordinance.

D. To fairly and reasonably apportion the Cost of street lighting among all specially benefited Lots.

E. To prepare and adopt an annual budget for the District(s).

F. To make legislative findings related to the special benefits provided to Lots located in the District.

G. To otherwise act or satisfy its duties and responsibilities under this ordinance.

Sec. 70-500.335. - LEGISLATIVE FINDINGS.

A. Lots in the District are specially benefited by the provision of street lighting improvements which will increase the market value of each Lot in the District and enhance safety within the District.

B. The benefit from improved street lighting varies according to the relative size of the affected Lots. Residential Lots benefit from improved street lighting uniformly because of the small variation in size throughout the District. The extent to which Commercial Lots benefit from improved street lighting will vary according to the linear footage along the affected streets because of the large differential in Lot size throughout the District.

C. The non-ad valorem special assessments levied represent a fair and reasonable apportionment of the cost of the special benefit received by each Lot and does not represent a fair share of the cost of general governmental service provided to residents in the unincorporated areas of Escambia County.

D. Lots within the District which do not receive a special benefit shall be excluded from the non-ad valorem special assessment for street lighting.

Sec. 70-500.336. - NON-AD VALOREM SPECIAL ASSESSMENT PROCEDURES.

A. The Board shall determine each year the level of service necessary to provide adequate street lighting to Lots located in the District and the cost for providing such service.

B. The Board may by proper resolution establish rules and regulations regarding fiscal management of the District.

C. Each Fiscal Year the Board shall authorize the levy of a non-ad valorem special assessment for street lighting on all Lots located within the District. These non-ad valorem special assessments for street lighting shall be levied following the preparation and adoption of a budget by the Board as provided by law. The budget shall identify the estimated Costs for street lighting for the next Fiscal Year.

D. The amount of non ad-valorem special assessment to be assessed and levied against each Lot shall be determined based on the special benefit received by each Lot and the budgeted Costs for street lighting. The budgeted Costs for street lighting shall be fairly and reasonably apportioned among the benefited Lots using the following method:

The number of Equivalent Residential Units (ERUs) for a commercial Lot shall be calculated by dividing a commercial Lot's linear footage along the affected street by the average linear footage of the residential Lots directly across the affected street. The assessment for each Lot shall be calculated by multiplying a Lot's ERUs by the Base Rate. All residential properties shall have the equivalent of one (1) ERU.

The Board may make adjustments to the formula each Fiscal Year by resolution as necessary to reasonably and fairly apportion the cost of street lighting among benefited Lots. The Board may make a finding in the resolution to exclude any Lot that no longer receives a special benefit.

E. All special assessments as provided herein shall be assessed and collected by the uniform method adopted by the Escambia County Board of County Commissioners pursuant to Section 197.3632, Florida Statutes, as amended. All special assessments provided herein shall become a lien upon the land so assessed, prior in dignity to all other liens and assessments against said lands, save and except county taxes, and those liens and encumbrances of record prior to and on the effective date of this ordinance, until said assessments are paid.

F. The Tax Collector of Escambia County shall be entitled to receive a commission for the collection of non-ad valorem special assessments for street lighting as provided in Section 197.3632 (2), Florida Statutes, as amended.

G. A certified copy of this Ordinance shall be indexed and recorded in the public records of Escambia County after filing with the Secretary of State.

Sec. 70-500.337. - APPEAL PROCESS.

A. Any Lot owner may contest the amount of non-ad valorem special assessment levied upon Lots located in the District by notifying the County Administrator or designee in writing that the owner's Lot has been erroneously assessed within thirty (30) days of receiving the non-ad valorem special assessment or any of the notices for payment of the annual installment.

B. The County Administrator or designee shall review the request and determine within a reasonable time based on the circumstances whether an error in assessment of the owner's Lot exists based on the information provided by the Lot owner and the information provided by the records of the Escambia County Property Appraiser's Office, or other records or information made available to the Board for preparation of the non-ad valorem special assessment roll. The County Administrator or designee shall be authorized to correct facial errors based on these information sources. The County Administrator or designee shall also be authorized to make any necessary adjustment to the amount of the Lot owner's non-ad valorem special assessment due and owing as a result of the identification error, with notice to the Board of County Commissioners.

C. In the event the County Administrator or designee finds the Lot owner has been correctly assessed, the County Administrator or designee shall notify the Lot owner and advise the owner of his or her right to petition for review of the alleged assessment error by the Board of County Commissioners within thirty (30) days. The Petition for Assessment Review shall state the owner's name, a description of the real property, and the facts underlying the Lot owner's petition. The burden shall be on the Lot owner to demonstrate by competent and substantial evidence to the Board of County Commissioners the Lot has been erroneously assessed on the non-ad valorem special assessment roll.

D. At the next available meeting, the Board of County Commissioners shall either 1) direct the County Administrator or designee to adjust the assessment due and owing; or 2) advise the Lot owner that the Board of county Commissioners finds no error in the assessment of the owner's Lot and the Lot owner may appeal the Board's decision to the circuit court within thirty (30) days.

E. The Board of County Commissioners may at its discretion create an independent board to review any Petition for Assessment Review filed. In addition, the Board is authorized to establish by resolution and collect at the time a petition is filed an administrative fee for processing of the petition. The Board of County Commissioners may also by resolution identify circumstances in which a refund of the administrative fee is available.

Section 3. SEVERABILITY. If any section, paragraph, sentence or clause of this Ordinance or the application thereof to any person or circumstance is held void, invalid, unlawful or unconstitutional by a court of competent jurisdiction, it is the intent of the Board that such section,

invalidity, paragraph, sentence or clause shall be deemed a separate, distinct, independent and severable and shall not otherwise affect application of this Ordinance which can be given effect without the invalid provision or application.

Section 4. INCLUSION IN THE CODE. It is the intent of the Board that the provisions of this Ordinance shall become and be made part of the Escambia County Code and the word "Ordinance" may be changed to section, article, or other appropriate word or phrase and the sections of this Ordinance may be renumbered to accomplish such intention.

Section 5. EFFECTIVE DATE. This Ordinance shall become effective upon receipt of official acknowledgment of the Clerk of the Board of County Commissioners from the Department of State that this Ordinance has been filed with the Department of State.

DONE AND ENACTED this ____ day of _____ 2019.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15720 **Public Hearings 12.**
BCC Regular Meeting
Meeting Date: 03/07/2019
Issue: 5:33 p.m. Public Hearing to Adopt the Covington Subdivision Street Lighting MSBU Ordinance
From: STEPHAN HALL, Budget Manager
Organization: Asst County Administrator - Lovoy
CAO Approval:

RECOMMENDATION:

5:33 p.m. Public Hearing for consideration of adopting an Ordinance creating the Covington Subdivision Street Lighting MSBU.

Recommendation: That the Board adopt, and authorize the Chairman to sign, the Ordinance creating the Covington Subdivision Street Lighting Municipal Services Benefit Unit (MSBU), and all related documents, and make the following findings of fact:

A. Lots in the District are specially benefited since street lighting not only increases the market value of an individual lot, but also increases safety in the District surrounding individual lots and the ability of lot owners to use their individual lots after dark;

B. The benefit from improved street lighting varies according to the relative size of the affected lots. Residential lots benefit from improved street lighting uniformly because of the small variation in size throughout the District;

C. The non-ad valorem special assessments levied represent a fair and reasonable apportionment of the cost of the special benefit received by each lot and do not represent a fair share of the cost of general governmental service provided to residents in the unincorporated areas of Escambia County; and

D. Lots which do not receive a special benefit have been and shall be excluded from the non-ad valorem special assessment for street lighting

BACKGROUND:

The owners of the property contained in Covington Subdivision have met the criteria established by the Board of County Commissioners for a street lighting MSBU, and the Board has reaffirmed its intent to use the uniform method of collection of non-ad valorem special assessments levied for street lighting projects.

CHB of Northwest Florida Inc. own's more than 55% of the 30 properties that will make up the lighting district and submitted a Letter of Request asking to create the MSBU.

The Covington MSBU lighting district plan proposal:
* 30 assessable lots located in Commissioner District 1
* 8 street lights/poles in initial plan
* Assessments estimated to be $166 in year 1 (10% reserve), $101 in year 2

BUDGETARY IMPACT:

The MSBU will generate revenues for the purpose of providing street lighting, as well as administrative fees and a reserve for contingencies.

LEGAL CONSIDERATIONS/SIGN-OFF:

This Ordinance has been reviewed by the County Attorney's Office and found to be legally sufficient.

ORDINANCE 2019-_____

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA CREATING VOLUME I, CHAPTER 70, ARTICLE III, DIVISION 62, SECTIONS 70-500.322 - 70-500.329 OF THE ESCAMBIA COUNTY CODE OF ORDINANCES; ESTABLISHING THE COVINGTON SUBDIVISION STREET LIGHTING MUNICIPAL SERVICE BENEFIT UNIT FOR THE PURPOSE OF PROVIDING STREET LIGHTING WITHIN THE DISTRICT; PROVIDING FOR THE AUTHORITY, PURPOSE, AND SCOPE OF SAID ORDINANCE; PROVIDING FOR SHORT TITLE; PROVIDING FOR DEFINITIONS; PROVIDING FOR DISTRICTS; PROVIDING FOR GOVERNANCE; PROVIDING FOR LEGISLATIVE FINDINGS; PROVIDING FOR SPECIAL ASSESSMENT PROCEDURES; PROVIDING FOR APPEAL PROCESS; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE OF ORDINANCES OF ESCAMBIA COUNTY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners of Escambia County, Florida has the authority to establish a Municipal Service Benefit Unit ("MSBU") pursuant to Chapter 125, Florida Statutes; and

WHEREAS, the Board of County Commissioners has adopted administrative procedures for the establishment of such a MSBU, and the proposed Covington Subdivision Street Lighting MSBU has met the criteria established by the Board of County Commissioners for a MSBU; and

WHEREAS, by Resolution **R2018-134**, the Board of County Commissioners reaffirmed its intent to use the uniform method of collection of non-ad valorem special assessments levied for street lighting projects; and

WHEREAS, the owners of the property contained in the Covington Subdivision have met the criteria established by the Board of County Commissioners for a MSBU, and the property owners wish to establish such a MSBU for the purpose of providing adequate street lighting; and

WHEREAS, there are an estimated 30 properties in this proposed district, and a majority of the property owners within the Covington Subdivision submitted a letter to the Board of County Commissioners requesting the creation of a street lighting MSBU; and

WHEREAS, this request satisfies the 55% minimum requirement specified in the MSBU Guidelines and Procedures adopted by the Board of County Commissioners; and

WHEREAS, the proposed MSBU will assume responsibility for all street lighting in the Covington Subdivision.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY:

Section 1. The foregoing recitals are true and correct and incorporated herein by reference.

Section 2: Part I, Chapter 70, Article III, Division 62, Sections 70-500.322 through 70-500.329 of the Escambia County Code of Ordinances are hereby created to read as follows:

Division 62. – COVINGTON SUBDIVISION

Sec. 70-500.322. - AUTHORITY; PURPOSE; SCOPE. This Ordinance is enacted under authority of Article VII, Section 1(f) of the Constitution of the State of Florida and Chapter 125, Florida Statutes, for the purpose of providing for a street lighting district in certain unincorporated areas in Escambia County, Florida as described herein, not lying within the corporate boundaries of any municipality.

Sec. 70-500.323. - SHORT TITLE. This Ordinance shall be known and referred to as the "*Covington Subdivision Street Lighting Municipal Service Benefit Unit Ordinance.*"

Sec. 70-500.324. - DEFINITIONS. When used in this Ordinance, the following terms shall be defined to mean:

A. *Base Rate* shall mean the rate necessary to fund the costs of the Covington Subdivision Street Lighting District divided by the total Equivalent Residential Units (ERUs) in the District.

B. *Board* shall mean the Board of County Commissioners of Escambia County, Florida.

C. *Costs* shall mean maintenance and administrative costs associated with the acquisition of Improvements to provide street lighting for the District. The Cost for street lighting may include, but is not limited, to any applicable governmental fees, the acquisition of capital improvements, purchase or rental of equipment or facilities, administrative fees and costs, personnel expenses, operating and maintenance expenses for the upcoming Fiscal Year, the Tax Collector's collection charge and an amount set aside as a reserve for contingencies or unexpected increases in utility costs.

D. *County or Escambia County* shall mean all those geographical territories of Escambia County, a political subdivision of the State of Florida, which territories are not now within the corporate limits of any municipality.

E. *District* shall mean that geographical area of the Covington Subdivision Street Lighting MSBU described hereafter.

The Covington Subdivision Street Lighting District shall include the following:

A thirty (30) lot residential subdivision of a portion of Section 7, Township 1 South, Range 31 West, Escambia County, Florida, classified by the Property Appraiser's records in Plat Book 19, Page 67, excluding any Holding Ponds, Wetland/Drainage Easements, Designated Wetlands, or Buffer Zones, and as further described in **Exhibit A,** attached hereto and incorporated herein.

F. *Equivalent Residential Units (ERUs)*: A unit of measure used to apportion the Costs to the Lots based on the size of the Lots in the District.

G. *Fiscal Year* shall mean the period of time between October 1st and September 30th.

H. *Improvements* shall mean all street lighting projects and equipment presently located or to be located within or added to the District in the future including, but not limited to, poles, wires, conduits, lighting and all necessary appurtenances.

I. *Lot* shall mean a developed or proposed single-family residential parcel or a multi-family residential parcel identified with a unique property identification number by the Property Appraiser.

J. *Person* shall mean individuals, children, firms, associations, ventures, partnerships, estates, trusts, business trusts, syndicates, fiduciaries, corporations, and all other groups and legal entities or combinations thereof.

K. Words used in the masculine gender include the feminine and neuter; the singular number include the plural and the plural the singular.

Sec. 70-500.325. - DISTRICT CREATED. There is hereby created within Escambia County the *Covington Subdivision Municipal Service Benefit Unit* for the purpose of street lighting within the District.

Sec. 70-500.326. - GOVERNANCE OF THE DISTRICT. The District shall be governed by the Board of County Commissioners of Escambia County. The Board shall have the following powers and duties:

A. To provide for the collection and disbursement by the County of special assessments collected to pay for maintenance and operational expenses within the District.

B. To provide for or contract for the installation of street lighting and related Improvements within the District.

C. To buy, lease, or rent any and all real or personal property necessary to implement this Ordinance.

D. To fairly and reasonably apportion the Cost of street lighting among all specially benefited Lots.

E. To prepare and adopt an annual budget for the District(s).

F. To make legislative findings related to the special benefits provided to Lots located in the District.

G. To otherwise act or satisfy its duties and responsibilities under this ordinance.

Sec. 70-500.327. - LEGISLATIVE FINDINGS.

A. Lots in the District are specially benefited by the provision of street lighting improvements which will increase the market value of each Lot in the District and enhance safety within the District.

B. The benefit from improved street lighting varies according to the relative size of the affected Lots. Residential Lots benefit from improved street lighting uniformly because of the

small variation in size throughout the District. The extent to which Commercial Lots benefit from improved street lighting will vary according to the linear footage along the affected streets because of the large differential in Lot size throughout the District.

C. The non-ad valorem special assessments levied represent a fair and reasonable apportionment of the cost of the special benefit received by each Lot and does not represent a fair share of the cost of general governmental service provided to residents in the unincorporated areas of Escambia County.

D. Lots within the District which do not receive a special benefit shall be excluded from the non-ad valorem special assessment for street lighting.

Sec. 70-500.328. - NON-AD VALOREM SPECIAL ASSESSMENT PROCEDURES.

A. The Board shall determine each year the level of service necessary to provide adequate street lighting to Lots located in the District and the cost for providing such service.

B. The Board may by proper resolution establish rules and regulations regarding fiscal management of the District.

C. Each Fiscal Year the Board shall authorize the levy of a non-ad valorem special assessment for street lighting on all Lots located within the District. These non-ad valorem special assessments for street lighting shall be levied following the preparation and adoption of a budget by the Board as provided by law. The budget shall identify the estimated Costs for street lighting for the next Fiscal Year.

D. The amount of non ad-valorem special assessment to be assessed and levied against each Lot shall be determined based on the special benefit received by each Lot and the budgeted Costs for street lighting. The budgeted Costs for street lighting shall be fairly and reasonably apportioned among the benefited Lots using the following method:

The number of Equivalent Residential Units (ERUs) for a commercial Lot shall be calculated by dividing a commercial Lot's linear footage along the affected street by the average linear footage of the residential Lots directly across the affected street. The assessment for each Lot shall be calculated by multiplying a Lot's ERUs by the Base Rate. All residential properties shall have the equivalent of one (1) ERU.

The Board may make adjustments to the formula each Fiscal Year by resolution as necessary to reasonably and fairly apportion the cost of street lighting among benefited Lots. The Board may make a finding in the resolution to exclude any Lot that no longer receives a special benefit.

E. All special assessments as provided herein shall be assessed and collected by the uniform method adopted by the Escambia County Board of County Commissioners pursuant to Section 197.3632, Florida Statutes, as amended. All special assessments provided herein shall become a lien upon the land so assessed, prior in dignity to all other liens and assessments against said lands, save and except county taxes, and those liens and encumbrances of record prior to and on the effective date of this ordinance, until said assessments are paid.

F. The Tax Collector of Escambia County shall be entitled to receive a commission for the collection of non-ad valorem special assessments for street lighting as provided in Section 197.3632 (2), Florida Statutes, as amended.

G. A certified copy of this Ordinance shall be indexed and recorded in the public records of Escambia County after filing with the Secretary of State.

Sec. 70-500.329. - APPEAL PROCESS.

A. Any Lot owner may contest the amount of non-ad valorem special assessment levied upon Lots located in the District by notifying the County Administrator or designee in writing that the owner's Lot has been erroneously assessed within thirty (30) days of receiving the non-ad valorem special assessment or any of the notices for payment of the annual installment.

B. The County Administrator or designee shall review the request and determine within a reasonable time based on the circumstances whether an error in assessment of the owner's Lot exists based on the information provided by the Lot owner and the information provided by the records of the Escambia County Property Appraiser's Office, or other records or information made available to the Board for preparation of the non-ad valorem special assessment roll. The County Administrator or designee shall be authorized to correct facial errors based on these information sources. The County Administrator or designee shall also be authorized to make any necessary adjustment to the amount of the Lot owner's non-ad valorem special assessment due and owing as a result of the identification error, with notice to the Board of County Commissioners.

C. In the event the County Administrator or designee finds the Lot owner has been correctly assessed, the County Administrator or designee shall notify the Lot owner and advise the owner of his or her right to petition for review of the alleged assessment error by the Board of County Commissioners within thirty (30) days. The Petition for Assessment Review shall state the owner's name, a description of the real property, and the facts underlying the Lot owner's petition. The burden shall be on the Lot owner to demonstrate by competent and substantial evidence to the Board of County Commissioners the Lot has been erroneously assessed on the non-ad valorem special assessment roll.

D. At the next available meeting, the Board of County Commissioners shall either 1) direct the County Administrator or designee to adjust the assessment due and owing; or 2) advise the Lot owner that the Board of county Commissioners finds no error in the assessment of the owner's Lot and the Lot owner may appeal the Board's decision to the circuit court within thirty (30) days.

E. The Board of County Commissioners may at its discretion create an independent board to review any Petition for Assessment Review filed. In addition, the Board is authorized to establish by resolution and collect at the time a petition is filed an administrative fee for processing of the petition. The Board of County Commissioners may also by resolution identify circumstances in which a refund of the administrative fee is available.

Section 3. SEVERABILITY. If any section, paragraph, sentence or clause of this Ordinance or the application thereof to any person or circumstance is held void, invalid, unlawful or unconstitutional by a court of competent jurisdiction, it is the intent of the Board that such section, invalidity, paragraph, sentence or clause shall be deemed a separate, distinct, independent and

severable and shall not otherwise affect application of this Ordinance which can be given effect without the invalid provision or application.

Section 4. **INCLUSION IN THE CODE**. It is the intent of the Board that the provisions of this Ordinance shall become and be made part of the Escambia County Code and the word "Ordinance" may be changed to section, article, or other appropriate word or phrase and the sections of this Ordinance may be renumbered to accomplish such intention.

Section 5. **EFFECTIVE DATE**. This Ordinance shall become effective upon receipt of official acknowledgment of the Clerk of the Board of County Commissioners from the Department of State that this Ordinance has been filed with the Department of State.

DONE AND ENACTED this ____ day of _____ 2019.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15760 **Public Hearings 13.**

BCC Regular Meeting

Meeting Date: 03/07/2019

Issue: 5:34 p.m. Public Hearing to Consider an Ordinance Relating to the Escambia-Pensacola Human Relations Commission

From: KRISTIN HUAL, Senior Assistant County Attorney

Organization: County Attorney's Office

CAO Approval:

RECOMMENDATION:

5:34 p.m. Public Hearing to Consider an Ordinance Creating Volume I, Chapter 100, Article I, Sections 100-1 through 100-6 Establishing the Escambia-Pensacola Human Relations Commission.

Recommendation: That the Board adopt an Ordinance creating Volume I, Chapter 100, Article I, Sections 100-1 through 100-6 of the Escambia County Code of Ordinances establishing the Escambia-Pensacola Human Relations Commission.

BACKGROUND:

The Escambia-Pensacola Human Relations Commission was created by Interlocal Agreement by and between Escambia County, Florida and the City of Pensacola. The purpose of the EPHRC is to provide the community with local assistance to review and resolve employment and fair housing discrimination complaints and improve community relations for all persons in Escambia County regardless of race, color, national origin, age, disability, family or religious status.

Effective April 1, 2019, the County and City intend to terminate the Interlocal Agreement, and the operation of the Commission will be suspended for a period of thirty (30) days to allow for a restructuring of the organization. This ordinance will serve to reestablish the EPHRC and further define the composition, duties and powers of the Commission for the purpose of continuing to provide the community with local assistance to review and resolve employment and fair housing discrimination complaints and improve community relations in Escambia County.

ORDINANCE 2019-_____

AN ORDINANCE OF ESCAMBIA COUNTY, FLORIDA CREATING VOLUME I, CHAPTER 100, ARTICLE I, SECTIONS 100-1 – 100-6 OF THE ESCAMBIA COUNTY CODE OF ORDINANCES; ESTABLISHING THE ESCAMBIA-PENSACOLA HUMAN RELATIONS COMMISSION; PROVIDING FOR THE COMPOSITION OF THE COMMISSION; DEFINING DUTIES AND POWERS OF THE COMMISSION; DEFINING A QUORUM AND VOTING REQUIREMENTS; PROVIDING FOR THE CONDUCT OF MEETINGS; PROVIDING FOR AN EXECUTIVE DIRECTOR AND STAFF LIAISON; PROVIDING FOR INCLUSION IN THE CODE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to the authority granted in §163.01, Florida Statutes, Escambia County, Florida and the City of Pensacola previously entered into an Interlocal Agreement creating the Escambia-Pensacola Human Relations Commission to serve both the incorporated and unincorporated areas of Escambia County; and

WHEREAS, effective April 1, 2019, the Agreement will be terminated by the parties, and the operation of the Commission suspended to allow for a restructuring of the organization; and

WHEREAS, the Board of County Commissioners recognizes and reaffirms the need for the Escambia-Pensacola Human Relations Commission to provide the community with local assistance to review and resolve employment and fair housing discrimination complaints and improve community relations for all persons in Escambia County regardless of race, color, national origin, age, disability, family or religious status; and

WHEREAS, the Board has determined it is in the best interest of the citizens of Escambia County to reestablish the Escambia Pensacola Human Relations Commission by duly enacted ordinance for the purpose of continuing to provide the community with local assistance to review and resolve employment and fair housing discrimination complaints and improve community relations in Escambia County; and

WHEREAS, the Board finds that reestablishing the Escambia Pensacola Human Relations Commission by ordinance serves a compelling public purpose for the benefit of the citizens of Escambia County.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA:

Section 1. **Recitals.** The foregoing recitals are true and correct and incorporated herein by reference.

Section 2. **Creation.** Volume I, Chapter 100, Article I, Sections 100-1 through 100-6 of the Code of Ordinances of Escambia County, Florida is hereby created to read as follows:

ARTICLE I. – ESCAMBIA-PENSACOLA HUMAN RELATIONS COMMISSION

Sec. 100-1. – Establishment; Purpose of Commission.

The Escambia-Pensacola Human Relations Commission is hereby established for the following purposes: 1) to provide local assistance to review and resolve employment and fair housing

discrimination complaints and improve community relations for all persons in Escambia County regardless of race, color, national origin, age, disability, family or religious status; and 2) to improve community relations, which shall be defined as programs that promote or improve relations between races and ethnic groups in the community.

Sec. 100-2. – Membership; Terms of Office.

A. Composition- Upon the effective date of this Ordinance and for two years thereafter, the Escambia-Pensacola Human Relations Commission shall be composed of nine (9) voting members:

One (1) member of the Escambia County Board of County Commissioners who is appointed by a majority vote of the Escambia County Board of County Commissioners to perform *ex officio* the functions of an additional office;

One (1) member of the City of Pensacola City Council who is appointed by a majority vote of the City of Pensacola City Council to perform *ex officio* the functions of an additional office;

Three (3) members appointed by the Escambia County Board of County Commissioners;

Two (2) members appointed by the City of Pensacola; and

Two (2) appointed by a majority vote of the five (5) appointed Commissioners.

Upon the expiration of the initial two-year term, the Escambia-Pensacola Human Relations Commission shall be composed of seven (7) voting members:

Three (3) members appointed by the Escambia County Board of County Commissioners;

Two (2) members appointed by the City of Pensacola; and

Two (2) appointed by a majority vote of the five (5) appointed Commissioners.

B. Terms of Office- Upon the expiration of the initial two-year term, one member appointed by the Escambia County Board of County Commissioners, one member appointed by the City of Pensacola, and one member appointed by the Commissioners shall each serve one three-year term. The remaining two members appointed by the Escambia County Board of County Commissioners, one member appointed by the City of Pensacola, and one member appointed by the Commissioners shall each serve a two-year term. Thereafter, all Commissioners will serve two-year staggered terms with three members appointed during even numbered years and four members appointed during odd numbered years. There will be no term limits for a member to serve on the Commission. All members of the Commission shall be electors of Escambia County.

C. Vacancies- In the event of a vacancy in any office of a Commissioner appointed by the County or City, the appointing authority will appoint a new Commissioner to serve the balance of the unexpired term. In the event of a vacancy in any office of a Commissioner appointed by the Commission, the Commission will appoint a new Commissioner by a majority vote to serve the balance of the unexpired term. Upon the expiration of the term of office of any Commissioner, the appointing authority shall appoint a new Commissioner or reappoint the same Commissioner.

D. Removal- Members of the Commission may be removed by the appointing authority at any time. Additionally, the Commission may recommend to the relevant appointing authority the removal of a member who accrues two (2) unexcused absences from scheduled regular meetings of the Commission during a calendar year (January-December). Absences may be excused by a majority vote of the members present at any meeting. The Commission shall recommend to the relevant appointing authority the removal of a member who accrues three (3) or more absences, either excused or unexcused, from scheduled regular meetings of the Commission during a calendar year (January-December).

E. Officers-

1) Chairman. The Escambia-Pensacola Human Relations Commission shall elect a Chairman by a majority vote of the Commission to preside at all Commission meetings. The Chairman will be elected at the first meeting in January of each year and serve for a term of one year until the first meeting in January of the following year. There shall be no term limits to serve as Chairman.

2) Vice Chairman. The Escambia-Pensacola Human Relations Commission shall elect a Vice Chairman by a majority vote of the Commission to preside and act on behalf of the Chairman in the Chairman's absence or incapacity.

F. Compensation- Commissioners will not receive any salary or compensation for services performed for the Commission.

Sec. 100-3. – Duties and Powers of the Commission.

The Escambia-Pensacola Human Relations Commission shall have the following duties and powers:

1) To maintain an office at a location within Escambia County;
2) To conduct regular meetings within Escambia County;
3) To accept gifts, bequests, grants, or other payments from public or private donors, for the purpose of carrying out the powers and duties enumerated herein;
4) To enter into contracts for the purpose of carrying out the powers and duties enumerated herein;
5) To adopt, amend, and rescind rules and regulations to effectuate the purposes and policies of the Commission;
6) To receive and evaluate grant applications and forward to the County Administrator for review prior to final submission;
7) To serve as the Fair Housing Board established pursuant to Chapter 58, Article IV, Sec. 58-91 – 58-103, Escambia County Code of Ordinances;
8) To receive or initiate complaints alleging employment or fair housing discrimination in Escambia County on the basis of race, color, national origin, age, disability, family or religious status, and provide recommendations to eliminate such discrimination;
9) To investigate complaints alleging employment or fair housing discrimination and conduct public hearings to determine the relevant facts concerning such complaints;
10) To refer complaints to the appropriate local, state, or federal agencies;
11) To recommend methods to eliminate employment or fair housing discrimination;
12) To conduct programs and activities that promote or improve relations between the public and law enforcement, between races and ethnic groups, or otherwise alleviate ethnic tension;
13) To promote equal opportunity in employment and housing in Escambia County;

14) To render an annual comprehensive written report to the Escambia County Board of County Commissioners concerning the operations of the Commission;
15) On or before May 1st, to submit a proposed budget for the upcoming fiscal year to the County Administrator;
16) On or before September 1st, to adopt and amend a line item budget for the upcoming fiscal year, including all estimated receipts, fund balances, and all estimated expenditures;
17) To maintain detailed records of all transactions relating to the operation of the Commission, including, but not limited to, financial and cost accounting data, and payroll administration records, and procurement and supply records;
18) To retain an independent auditor to perform an annual audit, which shall be included in the annual comprehensive written report;
19) To procure and maintain adequate insurance coverage, including workers' compensation, commercial general liability, business automobile and umbrella liability coverage;
20) To appoint an Executive Director who shall serve at the pleasure of the Commission.

Sec. 100-4. – Quorum; Voting.

During the initial two-year term, five (5) of the nine (9) Commission members shall constitute a quorum. Thereafter, four (4) of the seven (7) Commission members shall constitute a quorum. Each member shall exercise one vote for all matters subject to a vote of the Commission. All matters will be decided by a majority vote of the members present. No member may abstain from voting unless the member has a conflict of interest.

Sec. 100-5. – Meetings.

A. Meetings- The Escambia-Pensacola Human Relations Commission shall establish a schedule of regular meetings, which shall be held at least monthly. A schedule of each year's regular meeting dates shall be distributed to all Commission members in December of the preceding calendar year. Special meetings may also be scheduled as the Commission deems necessary or upon the request of the Chairman. The meetings of the Commission will be subject to the requirements of Florida's Government in the Sunshine Law and the Florida Public Records Act.

B. Rules of Procedure- All meetings will be conducted in accordance with the current edition of Robert's Rules of Order, except to the extent the provisions thereof are inconsistent with this Ordinance.

C. Records- Minutes shall be taken at all meetings of the Commission. The minutes of the previous meeting shall be submitted for approval to the Commission at the next scheduled regular meeting. The written summary of each meeting shall reflect the meeting date, time, and location, confirmation of public notice, persons in attendance, items discussed, and a record of any official action taken by the Commission during the meeting. The minutes will also record the vote of each member for each action and any member's absence or failure to vote.

Sec. 100-6. – Executive Director; Staff Liaison.

A. Executive Director- The Executive Director of the Escambia-Pensacola Human Relations Commission will be appointed by and serve at the pleasure of the Commission. The Executive Director and any staff will, at all times, remain the sole and exclusive employees or agents of the Commission and shall be paid by the Commission. The Executive Director will be responsible for the following duties:

1) Effectuating the purposes and policies of the Commission and assisting the Commission with implementing the provisions of this Ordinance and all other applicable rules, regulations, or other Code provisions pertaining to employment and fair housing discrimination;
2) Concurrently serving as the Fair Housing Director as further described in Sec. 58-95 – 58-96, Escambia County Code of Ordinances;
3) Serving as the Secretary to the Commission and attending all Commission meetings;
4) Preparing, in consultation with the Chairman, the agenda for all Commission meetings;
5) Distributing the agenda for all Commission meetings at least one day prior to the scheduled meeting date;
6) Preparing and retaining the minutes of all Commission meetings;
7) Serving as the records custodian for the Commission;
8) Submitting a proposed annual budget and comprehensive written report to the Commission on or before April 1st of each fiscal year;
9) Monitoring all expenditures and administering the approved annual budget so as to maintain the operations of the Commission without incurring an operating deficit;
10) Ensuring compliance with the spending limitations imposed by the Commission's annual budget;
11) Managing and supervising all staff, including the authority to hire and discharge all staff employed by the Commission;
12) Ensuring compliance with all federal, state, and local laws and regulations relating to employment, including, but not limited to, wage rates, social security, unemployment insurance and workers' compensation insurance;
13) Maintaining a record of all current employees and a description of each job classification.

B. County Staff Liaison- The Division Manager of the Escambia County Neighborhood Enterprise Division will serve as the County's staff liaison to the Commission. The staff liaison will attend all meetings of the Commission and coordinate with the Executive Director to provide necessary support to carry out the purposes and objectives of the Commission.

Section 3. Severability. If any section, subsection, paragraph, sentence, clause, phrase, or portion of this Ordinance is for any reason found void, invalid, unlawful, or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct, independent, and severable provision such holding shall not affect the validity of the remaining portions of this Ordinance.

Section 4. Inclusion in the Code. It is the intention of the Board of County Commissioners that the provisions of this Ordinance shall become and be made a part of the Escambia County Code of Ordinances; and that the sections of this Ordinance may be renumbered or re-lettered and the word "ordinance" may be changed to "section", "article", or such other appropriate word or phrase in order to accomplish such intentions.

[REST OF PAGE INTENTIONALLY BLANK]

Section 5. **Effective Date.** This Ordinance shall become effective upon filing with the Department of State.

Pam Childers
Clerk of the Circuit Court and Comptroller, Escambia County

Clerk of Courts • County Comptroller • Clerk of the Board of County Commissioners • Recorder • Auditor

February 20, 2019

To the Honorable Members of the
Board of County Commissioners and
Citizens of Escambia County, Florida

Florida Statutes require that all general-purpose local governments publish a complete set of financial statements presented in conformity with generally accepted accounting principles (GAAP), and audited in accordance with generally accepted auditing standards by a firm of licensed certified public accountants. Pursuant to that requirement, we hereby submit the Comprehensive Annual Financial Report (CAFR) of the County of Escambia (County), Florida for the fiscal year ended September 30, 2018 which fulfills this requirement.

This report consists of management's representations concerning the finances of the County. Consequently, management assumes full responsibility for the completeness and reliability of the information contained in this report. To provide a reasonable basis for making these representations, the County has established a comprehensive framework of internal control designed both to protect the government's assets from unauthorized use or disposition, loss or theft, and to compile sufficient reliable information for the preparation of the County's financial statements in conformity with GAAP. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The County's financial statements have been audited by an independent firm of certified public accountants, Warren Averett CPAs and Advisors. The goal of the independent audit was to provide reasonable assurance that the financial statements of the County for the fiscal year ended September 30, 2018, are free of material misstatements. The independent audit involves examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation.

The independent audit firm of Warren Averett CPAs and Advisors has issued an unmodified ("clean") opinion on the Escambia County, Florida financial statements for the year ended September 30, 2018. The independent auditor's report is located at the front of the financial section of this report.

The independent audit of the financial statements of the County was also designed to meet the requirements of the Office of Management and Budget (OMB) Single Audit Act; and the requirements of the Code of Federal Regulations Subpart F of 2 C.F.R. part 200 (Uniform Guidance). The standards governing single audit engagements require the independent auditor to report on the government's internal controls and compliance with legal requirements with special emphasis on the administration of federal awards and state financial assistance. These reports are in the compliance section of this report.

GAAP requires that management provide a narrative introduction, overview and analysis to accompany the basic financial statements in the form of the Management's Discussion and Analysis (MD&A). The MD&A complements this Letter of Transmittal and the two should be read in conjunction with each other. Escambia County's MD&A can be found immediately following the Independent Auditors' Report.

Profile of the County of Escambia, Florida

Escambia County, located in the northwestern part of the state, was established July 21, 1821 as a non-charter government when the Provisional Governor Andrew Jackson signed an ordinance making the County one of the first two counties in Florida, the other being St. Johns County. Escambia County encompasses approximately 661 square miles with 64,000 acres of water area and serves a population of approximately 313,512. There are two municipalities within the County, the City of Pensacola, the County seat, and the Town of Century which is located 38 miles from the County seat.

Escambia County is a political subdivision of the State of Florida. As such, it is governed by and derives its operating authority from the constitution and laws of the State of Florida. The County operates under a commission/administrator form of government, with a governing board consisting of five elected County Commissioners who are elected by district to staggered four-year terms. The Chairman presides over the Board and the chair is rotated annually in sequential order by district. In addition to the Board of County Commissioners, there are five elected constitutional officers performing specifically designated governmental functions: The Clerk of the Circuit Court and Comptroller (Clerk), Property Appraiser, Sheriff, Supervisor of Elections and Tax Collector.

The Clerk serves the function of "Clerk to the Board" for County Commissioners. The Clerk also performs the duties of auditor, accountant, recorder and custodian of County funds. Such duties are set forth in the Florida Constitution.

The financial reporting entity (the County) includes all the funds of the primary government (Escambia County Board of County Commissioners) as well as its component units. Component units are legally separate entities for which the primary government is financially accountable. The County provides a full range of services including fire protection, emergency medical services, county jail and detention facilities, planning and zoning, solid waste disposal, construction and maintenance of highways, streets, and other infrastructure, mass transportation services, conservation and resource management, cultural and recreational programs, library, tourism and economic development.

Although legally separate entities, the general funds of the Clerk, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector are included as a General Fund component of the County.

The Santa Rosa Island Authority (SRIA) and the Law Library are reported separately as discrete component units within Escambia County's financial statements. SRIA operations include management services and leasing activities for County owned property on Santa Rosa Island. For additional information on Escambia County's Component Units, please refer to the Notes Section of this report.

Factors Affecting Financial Condition

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which the County operates.

Local Economy

Escambia County is located in Florida's Panhandle, along the emerald shores of the Gulf Coast, wherein the tourism sector employs approximately 25,400 in the leisure and hospitality industry with accommodations and food services representing 11.9% of the area workforce. The largest major industry sector is health care and social assistance with 16.0% of the area workforce. There are four major hospitals located in Escambia County, all of which have surgical centers; Baptist Hospital, West Florida Regional Medical Center, Navy Hospital and Sacred Heart Hospital. There are approximately 23,000 employed in health care and other health related services.

The military is another large factor in the area's economy. Navy and Air Force expenditures, including construction, have historically accounted for nearly half the total payroll in the Pensacola metro area. Navy installations include Pensacola Naval Air Station, Saufley Field and Corry Station. Whiting Field is located in Milton Florida, about 30 miles northeast of Pensacola. In neighboring Okaloosa County, Eglin Air Force Base and Hurlburt Field have an impact on the local economy as well as serving as magnets for high-tech businesses.

Escambia County has several commercial/industrial parks. The County's commerce parks consist of Central and Heritage Oaks, as well as the downtown Technology Park. The properties in the Central Commerce Park and the downtown Technology Park are being marketed in partnership with the Greater Pensacola Chamber of Commerce. This will allow the County to reach a wider audience for promoting economic development and attracting new businesses to the area.

The Heritage Oaks Commerce Park, home to Navy Federal Credit Union, continues to stimulate growth in the local economy by increasing job creation and expanding operations in the area. Navy Federal Credit Union continues to add jobs bringing its regional employment to over 7,101 employees. Continued expansion at the Pensacola campus will include facilities and parking for additional employees. The total number of jobs is expected to increase to 10,000 by the year 2026.

Escambia County's unemployment rate has fallen for the seventh straight year. The unemployment rate of 3.0% locally reflects a decrease of 1.0% from the previous year's rate of 4.0%.

Long-term Financial Planning and Major Initiatives

Unrestricted fund balance (the total of the committed, assigned, and unassigned components of fund balance) in the general fund at year end exceeded 2 months of operating expenditures and transfers out. This amount is favorable based on the policy guidelines set by the County for budgetary and planning purposes.

The adopted budget is developed around the framework set by the County's strategic planning initiative. The primary themes of the strategic initiative are to improve customer service, restore public trust and confidence, economic development, maintenance of infrastructure, and fiscal responsibility.

The County is in the planning process to include in the Citizens Academy, the anticipated module titled "Budget Game", which will engage the public in the budget process.

Process improvement is key to improving customer service. We continue to promote and adopt process improvements, and undertake a thorough review of the processes to determine ways to improve them. The County's website www.myescambia.com contains many updates for greater utility, transparency and accessibility by citizens. The "Ask My Escambia" citizen's information portal is expanding access, transparency and efficiency for citizen requests. Other process improvements will be working toward a better solution for time keeping and financial system integration. The County continues this positive trend into the future.

The County's commitment to customer service and quality is promoted by the continuation of equipping County vehicles with tracking systems, and continuation of the

fraud abuse hotline initiatives which will provide continuous tracking and reporting, allowing employees and citizens to have more involvement in their government.

A long term goal of the County is to foster economic growth and development. The County uses Tax Increment Financing (TIF) Districts to fund a variety of Community Redevelopment Areas (CRA) in the County. For the upcoming fiscal year, the TIF rate was maintained at 75% while budgeted districts increased from 19 to 20. These funds are used to pay for infrastructure improvements, neighborhood programs, and safety initiatives in these districts.

With tourism as a major part of the economy, newer and more up-to-date hotel/motel facilities have led to increasing revenue streams approaching $10 million annually in bed tax collections. Additional funding is expected from grant revenues associated with the Restore Act, Natural Resource Damage Assessment (NRDA), and the National Fish and Wildlife Federation (NFWF), to provide future revenue sources for environmental, economic, and tourism related activities. There is potential for $162 million in direct and indirect future revenue for Escambia County as projects are submitted and approved.

The RESTORE Act established the Gulf Coast Restoration Trust Fund in the U.S. Treasury Department to account for civil penalties paid under the Federal Water Pollution Control Act in connection with the Deepwater Horizon oil spill. Grants will be used for programs, projects, and activities which restore and protect the environment and the economy of the Gulf Coast region. Escambia County's calculated proportion, which is cumulative through 2031, is estimated at $70.6 million. This includes a current available net direct component allocation of $13.9 million. A sustainability oversight advisory roundtable (SOAR) with RESTORE application is currently under review with the U.S Department of Treasury and is expected to be awarded in early 2019. Planning assistance funds for Eleven Mile Creek Stream Restoration are also expected to be awarded in 2019. The Florida Department of Transportation (FDOT) is expected to finalize the design of the Perdido Key Multi-Use Path; staff will be working with FDOT to develop a RESTORE direct component application.

The County is involved in a land swap with the United States Navy for design of an additional commerce park to grow the local economy. The property is geographically close to Navy Federal Credit Union and is a prime location for economic growth with close access to Interstate 10. This land swap will allow Navy Federal to create an additional 300 jobs. A new I-10 exit is also in the planning stage to facilitate this potential growth going forward.

The County and Greater Pensacola Chamber of Commerce are promoting the Technology Park located in the downtown Pensacola area by providing business lots, and incentives to targeted industries as part of an initiative to stimulate and grow the local economy.

Between 2008 and 2019, the County will have invested more than $472 million in infrastructure with current allocations of the One Cent Local Option Sales Tax (LOST).

Proceeds of this tax are scheduled to fund road reconstruction, dirt road paving, drainage improvements and vehicle replacements for Emergency Medical Service, the Fire Department and Sheriff's Office. This is the fourth time the citizens have approved levying this tax; a 10 year extension was approved by public referendum; extending the tax to December 2028. Approximately $50.4 million of future LOST proceeds will be used towards the construction of the new Escambia County Jail Facility.

The new Escambia County Jail construction is estimated to cost approximately $128-$129 million. Cost savings and efficient operations will benefit the county for years to come.

The fiscal year 2019 adopted budget increased by $21 million over the prior year to $477.1 million. While the total direct millage rate for property tax remained unchanged at 7.661 mills, property values increased an average of 7% over the prior year for both the County-wide and unincorporated areas of Escambia County.

Discussions are on-going with regard to gaining efficiencies through consolidation efforts and promoting cost effectiveness on a range of issues. The County will continue to control cost by reviewing the economy and efficiency of all programs presented.

Relevant Financial Policies

The County has established a fund balance policy in accordance with GASB Statement No. 54 *"Fund Balance Reporting and Governmental Fund Type Definitions"*. The adopted policy outlines the County's goal to maintain an unrestricted general fund balance of at least 2 months of regular operating expenditures and transfers out to mitigate risks of either natural or man-made disasters and to provide for revenue shortfalls.

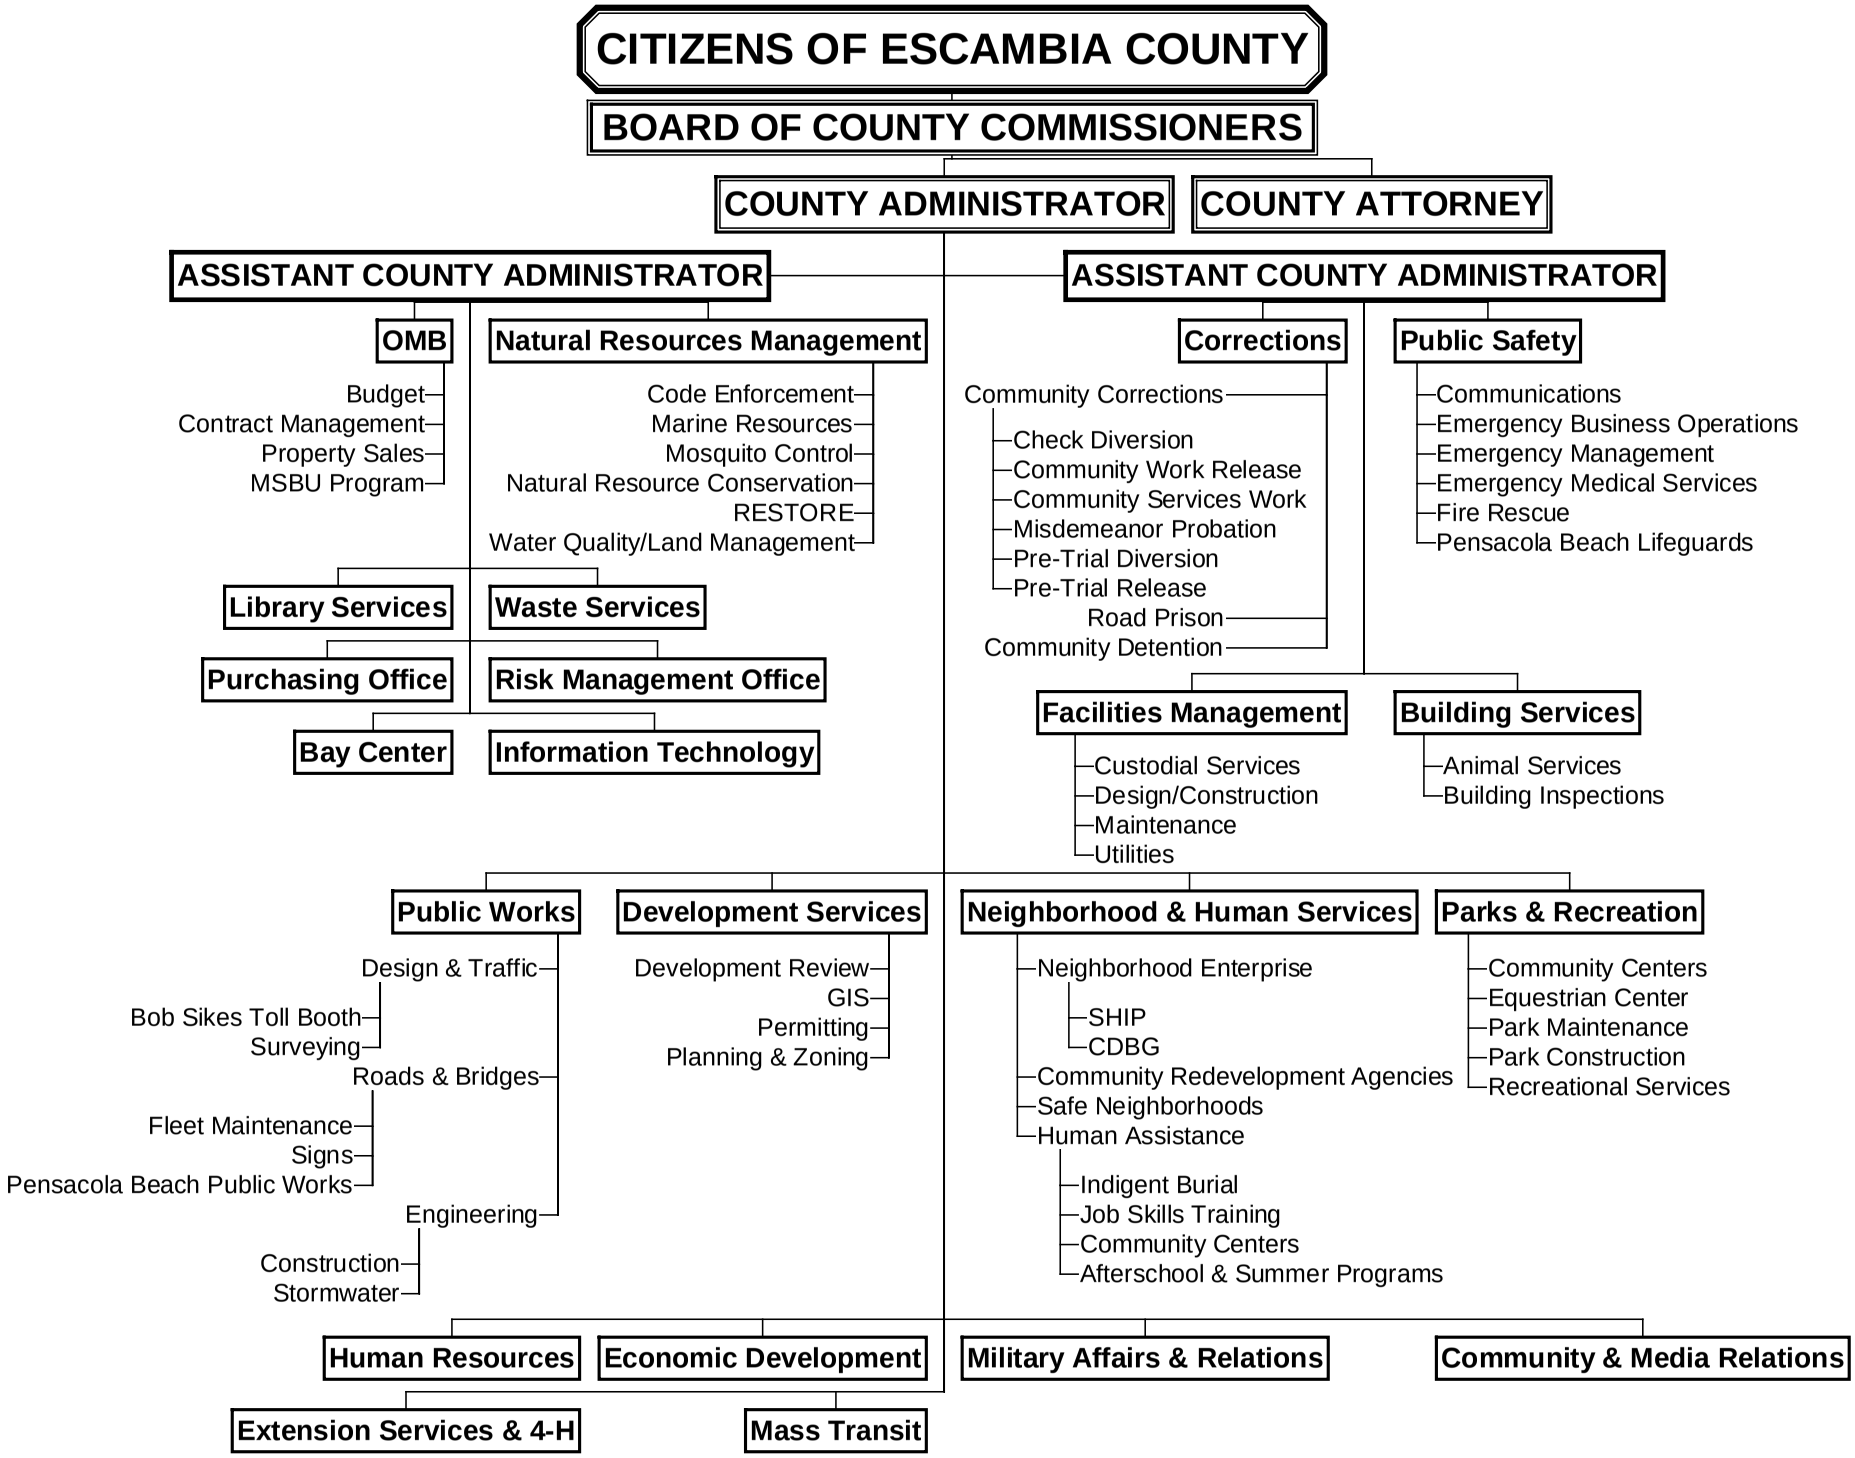
The County is in the third year of implementation for GASB Statement No 68 "*Accounting and Financial Reporting for Pensions"* and GASB Statement No 71 "*Pension Transition for Contributions Made Subsequent to the Measurement Date"* to recognize its unfunded portion of the statewide plan as a liability. The County provides pension benefits for all employees through a statewide plan managed by the Florida Department of Management Services, Division of Retirement. The statewide plan is a contributory plan. While a liability has been recorded in accordance with GASB requirements, the County currently has no obligation in connection with employee pension benefits offered through this plan beyond its monthly payments to the Division of Retirement.

The County has implemented GASB Statement No 75 "*Accounting and Financial Reporting for Postemployment Benefits Other Than Pension"* to recognize its unfunded liability. The County provides postemployment benefits at the same rate as active participants. While a liability has been recorded in accordance with GASB requirements, there is no requirement for a funded plan. All approved benefits are budgeted and paid when due.

Awards and Acknowledgements

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Escambia County for its comprehensive annual financial report for the fiscal year ended September 30, 2017. This was the 22nd consecutive year that Escambia County has achieved this prestigious award. In order to be awarded a Certificate of Achievement, Escambia County must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement for Excellence in Financial Reporting is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement for Excellence in Financial Reporting Program's requirements, and we are submitting it to the GFOA to determine its eligibility for another Certificate.



Escambia County also received the GFOA's Distinguished Budget Presentation Award for its Annual Budget Document for fiscal year beginning October 1, 2017. This is the 22nd consecutive year that Escambia County has received this award. In order to qualify for the Distinguished Budget Presentation Award, the government's budget document had to be judged proficient as a policy document, a financial plan, an operations guide, and a communication device.

The preparation of this comprehensive annual financial report (CAFR) would not have been possible without the skill, effort, and dedication of the entire financial staff of the Clerk of the Circuit Court and Comptroller. I would like to express my appreciation to the Financial Reporting and Grants Department: Sharon Harrell, Finance Director; Tammy Plant, Beth Parker, Kara Cowen, and Harold Coats. I also wish to thank all government departments for their assistance in providing the data necessary to prepare this report; and to thank Visit Pensacola for providing the photographs used in this document. Credit is due to the Board of County Commissioners for their unfailing support for maintaining the highest standards of professionalism in the management of Escambia County.

Respectfully submitted,

Pam Childers

REPORT OF INDEPENDENT AUDITORS'

The Honorable Board of County Commissioners
Escambia County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Escambia County, Florida, (hereinafter referred to as "County") as of and for the year ended September 30, 2018, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents. We did not audit the financial statements of the Santa Rosa Island Authority, a business type activities-discrete component unit, as of and for the year ended September 30, 2018, which statements reflect total assets and deferred outflows of $8,486,255 and total revenues of $5,246,343.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the Santa Rosa Island Authority, which are included in the basic financial statements as a discretely presented component unit. Those statements were audited by another auditor whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Santa Rosa Island Authority, is based solely on the report of the other auditor. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the County's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control.

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the report of the other auditor, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County, as of September 30, 2018, and the respective changes in financial position, and, where applicable, cash flows thereof, and the respective budgetary comparison for the general fund, community redevelopment agency fund, mass transit fund, and the disaster recovery fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, schedule of changes in the County's total OPEB liability and related ratios, schedule of the County's proportionate share of the net pension liability, and schedule of the County's contributions, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The introductory section, combining financial statements, individual fund budgetary comparison schedules, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining financial statements and individual fund budgetary comparison schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements.

The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The introductory section and statistical section have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 20, 2019 on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

Warren Averett, LLC

Pensacola, Florida
February 20, 2019

This Management's Discussion and Analysis ("MD&A") presents the readers of the financial statements a narrative overview of the financial activities of Escambia County, Florida (the "County") for the fiscal year ended September 30, 2018. We encourage readers to consider the information presented here in conjunction with additional information that has been furnished in the Letter of Transmittal, which can be found in the introductory section of this report.

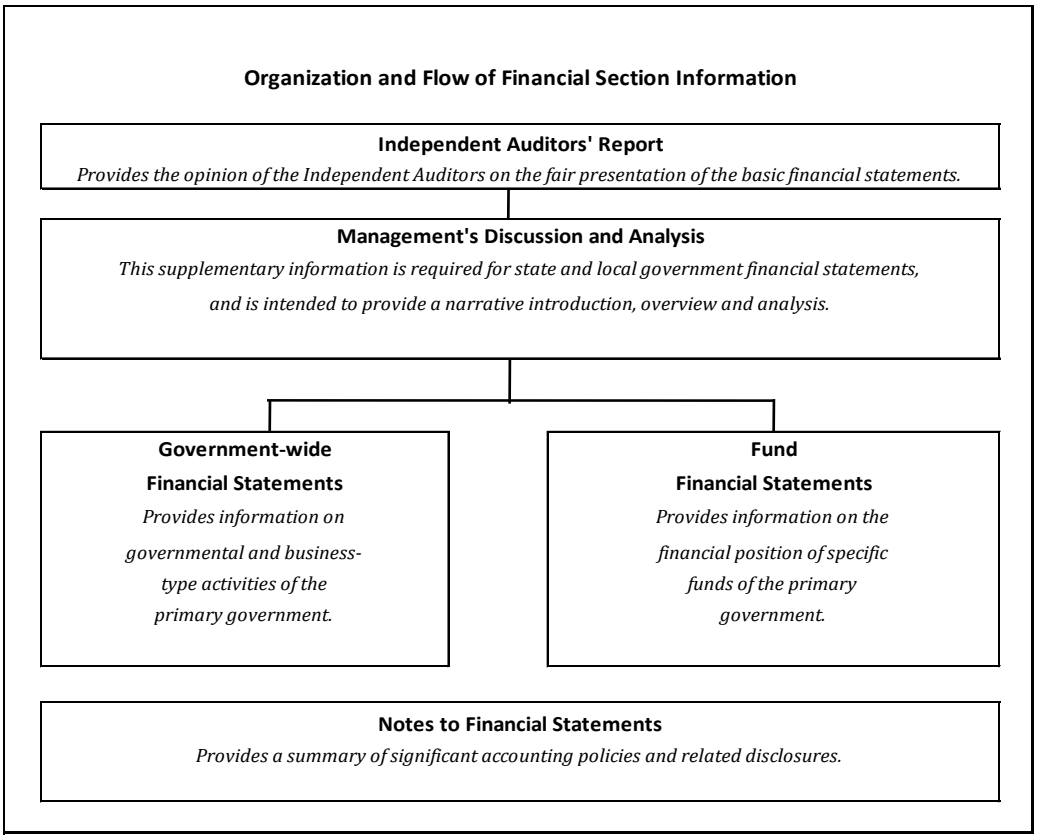
Financial Highlights

- The assets and deferred outflows of resources of the County exceeded its liabilities and deferred inflows at the close of the most recent fiscal year by $610,342,411 (net position). Of this amount, ($85,197,947) represents unrestricted deficit net position.

- The County's total net position increased by $17,349,349; governmental activities increased by $19,032,202 and business-type activities decreased by $1,682,853.

- At the close of the current fiscal year, the County's governmental funds reported combined ending fund balances of $298,200,807, a decrease of $1,575,752 in comparison with the prior year.

- At the end of the current fiscal year, unassigned fund balance available for spending at the government's discretion for the General Fund was $34,189,735 or 18.6% of total general fund expenditures and transfers out.



- At the end of the current fiscal year, unrestricted fund balance (the total of the committed, assigned, and unassigned components of fund balance) for the General Fund was $49,457,569, or approximately 27% of total general fund expenditures and transfers out.

- Governmental funds revenues increased $27,456,632 or 8.7% from the prior fiscal year primarily due to increases in property tax revenue, sales tax revenues, and fuel tax revenues. Intergovernmental revenue increases were from state revenue sharing, and grant revenue for the new jail construction and RESTORE projects. Sales tax collected on the one-cent local option sales tax for funding primarily transportation and infrastructure projects of the County increased due to increased consumer spending.

- At the end of the current fiscal year, the net pension liability decreased $2,564,764 for governmental funds and $247,284 for business-type activities for an ending net pension liability of $200,227,631, an approximate decrease of 1.4% from the prior fiscal year end. These liabilities are actuarially determined and provided by the State of Florida Retirement System (FRS).

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the County's basic financial statements. The County's basic financial statements consist of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also includes supplementary information intended to furnish additional detail to support the basic financial statements themselves.

Government-wide financial statements

The *government-wide financial statements*, which consist of the following two statements, are designed to provide readers with a broad overview of the County's finances, in a manner similar to a private-sector business.

The *statement of net position* presents financial information on all of the County's assets, liabilities and deferred inflows/outflows of resources, with the difference reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the County is improving or deteriorating. Additionally, nonfinancial factors, such as a change in the County's property tax base or the condition of County facilities and infrastructure, should be considered to assess the overall health of the County.

The *statement of activities* presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of these government-wide financial statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (*governmental activities)* from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities)*. The governmental activities of the County include general government, public safety, physical environment, transportation, economic environment, human services, culture/recreation, and court related activities. The business-type activities of the County include solid waste disposal/landfill operations, emergency medical/ambulance services, building inspections, and the Pensacola Bay Center (Bay Center).

The government-wide financial statements include not only the County itself (known as the primary government) but also legally separate entities of the Santa Rosa Island Authority (SRIA) and the Escambia County Law Library for which the County is financially accountable. These entities are known as "component units". Financial information for these component units is reported separately from the financial information presented for the primary government itself. The County's component units will not be addressed in this MD&A.

Fund financial statements

A *fund* is a grouping of related accounts used to maintain control over resources that have been segregated for specific activities or objectives. The County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the County can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The County maintains dozens of individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, Mass Transit Authority Fund, Disaster Recovery Fund, Community Redevelopment Agency Fund, Series 2017 Capital Project Fund, Mass Transit Authority FTA Capital Project Fund and Local Option Sales Tax (LOST) Capital Projects Fund, which are considered to be major funds. Data from the other governmental funds are combined into a single aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of *combining statements* in the other supplementary information section of this report.

The County adopts an annual appropriated budget for its general, special revenue, debt service, and capital projects funds. Budgetary comparison statements have been provided for the General Fund and major special revenue funds to demonstrate budgetary compliance. Due to the nature of the Disaster Recovery Fund, the original budget is generally adopted with an appropriation of zero.

The County maintains two different types of *proprietary funds*. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The County uses enterprise funds to account for the fiscal activities relating to solid waste disposal/landfill operations, emergency medical/ambulance services, building inspections, and the Bay Center. *Internal service funds* are an accounting device used to accumulate and allocate costs internally among the County's various functions. The County uses the internal service fund to account for fleet and fuel activities, insurance activities and for certain costs related to the Clerk of Circuit Court and Comptroller's compensated absences policy. Because these services predominantly benefit governmental rather than business-type functions, they have been included within *governmental activities* in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the Solid Waste and Emergency Medical Service (EMS) funds, which are considered to be major funds of the County. Non-major

funds include the Inspection and Bay Center funds, which are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for each of these non-major enterprise funds are provided in the form of combining statements in the other supplementary information section of this report. Internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for internal service funds are also provided in the form of combining statements in the other supplementary information section of this report.

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the County's own programs. The accounting used for fiduciary funds is similar to proprietary funds. The County only has agency funds.

Notes to the financial statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other information

In addition to the basic financial statements and accompanying notes, *required supplementary information* is presented concerning the County's changes in total OPEB liability and related ratios for providing other post employment benefits (OPEB) to its employees; and for the County's proportionate share of the net pension liability and contributions for employee participation in the Florida Retirement System pension plan and health insurance subsidy program.

The *other supplementary information* section contains the combining statements referred to earlier in connection with nonmajor governmental funds, proprietary and internal service funds, and fiduciary funds, along with budgetary comparison schedules for the County's three major capital project funds (LOST, Mass Transit Authority FTA Capital and Series 2017 Capital Project), and for all nonmajor governmental funds.

Government-wide Financial Analysis

Net position over time may serve as a useful indicator of a government's financial position. For the County, assets and deferred outflows of resources exceeded liabilities and deferred inflows by $610,342,411 at the close of the most recent fiscal year.

At the end of fiscal year 2018, the County is able to report positive balances in restricted categories of net position, for the government as a whole, as well as for its separate governmental and business-type activities. Negative unrestricted net position was reported for governmental activities. The same situation held true for the prior fiscal year.

The County's restricted net position represents resources that are subject to external restrictions on how they may be used. The County's restricted net position is primarily for capital projects and other special revenue purposes. The largest portion of the County's net position reflects its investment in capital assets (e.g., land, buildings, and equipment); less any related outstanding debt used to acquire those assets. The County uses these capital assets to provide services to citizens; consequently, these assets are *not* available for future spending. Although the County's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. The remaining balance ($85,197,947) is negative unrestricted net position. Unrestricted net position is primarily negative due to the effect of the recognition of the net pension liability in accordance with GASB 68.

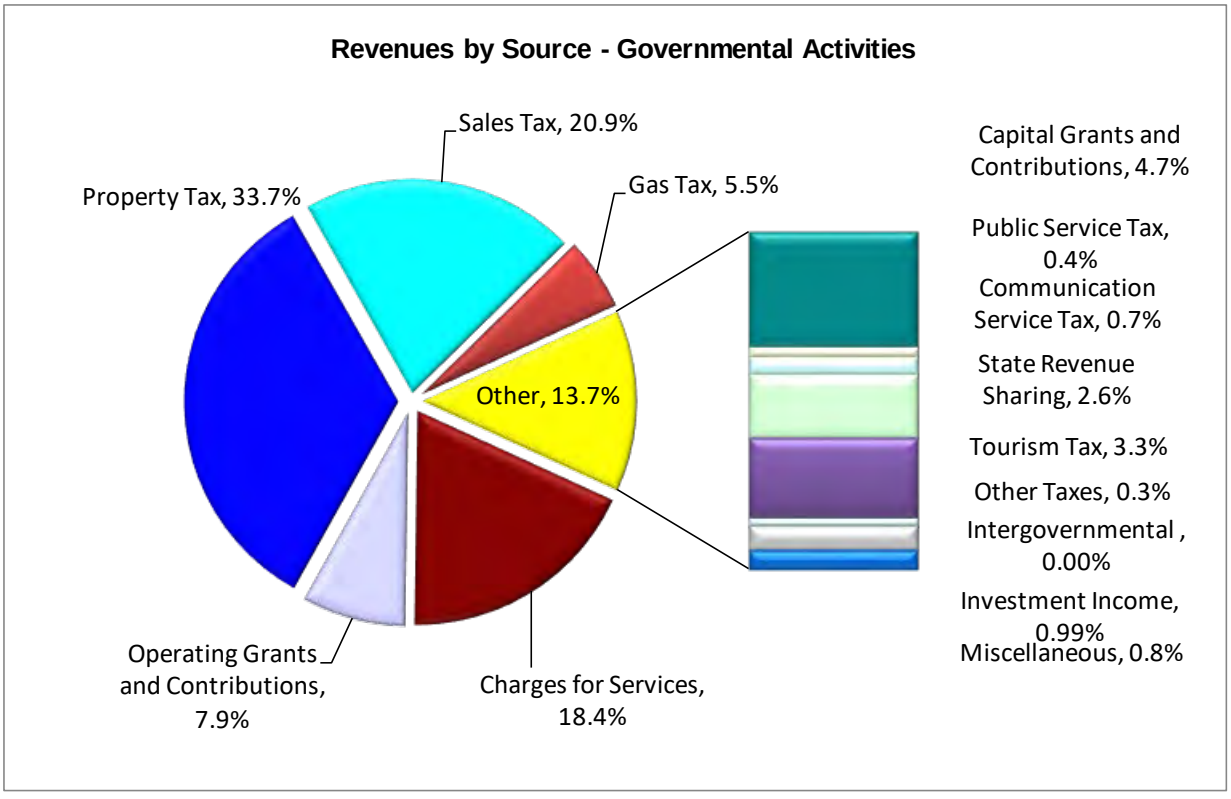
Governmental Activities

Governmental activities increased the County's net position by $19,032,202 from the prior fiscal year for an ending balance of $537,052,293. Although millage rates remained the same, property tax revenue increased due to rising taxable assessed values. Sales tax revenue and capital grant revenue increased primarily for LOST infrastructure projects, public transportation, Jail construction and RESTORE projects. Revenue increases were attributable to general government operating grants and contributions.

Government expenditures increases were primarily due to increased non-recurring capital outlay for public facilities and the new jail facility. Additional increases were attributable to economic development project costs. The internal service fund decrease was attributable to the first full year of being self-insured for medical.



Expenses and Program Revenues – Governmental

Functions/Programs	Expenses	% of Total	Program Revenues	% of Total	Net (Expense) Revenue

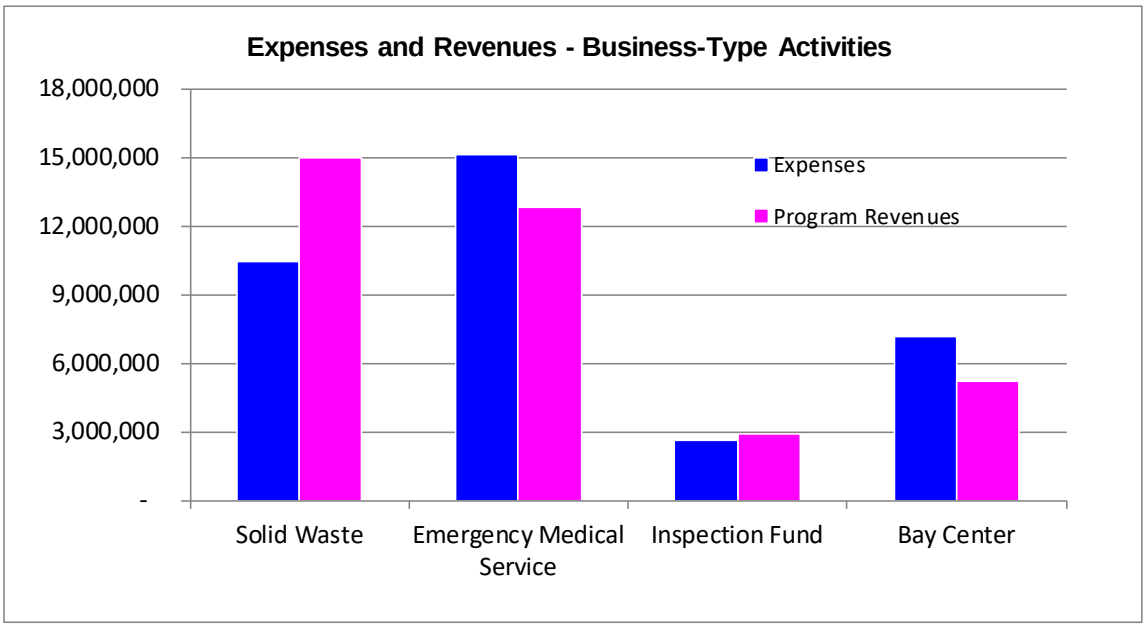
Business-type Activities



Business-type activities decreased the County's net position by $1,682,853, a 2.3% decline from the prior fiscal year, for an ending balance of $73,290,118. Charges for services contributed 99.65% of the total program revenues for the County's business-type activities. The EMS fund was primarily responsible for the overall decrease in net position. The net position decrease for the EMS Fund was primarily due to increased personal services. EMS added staff for two ambulance crews and an active hurricane season caused increased overtime. The Bay Center expenses exceeded program revenues by $1.9 million and operations were subsidized by a transfer from the Tourist Promotion Fund of $1.3 million. The Bay Center's revenue and expense increased from the prior fiscal year. This combination was not sufficient to cover operating costs and required maintenance.

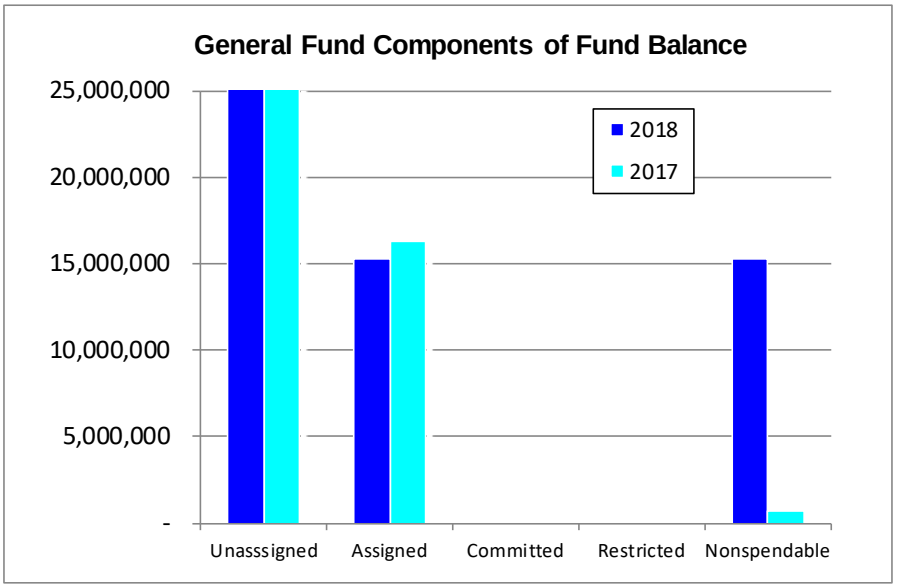
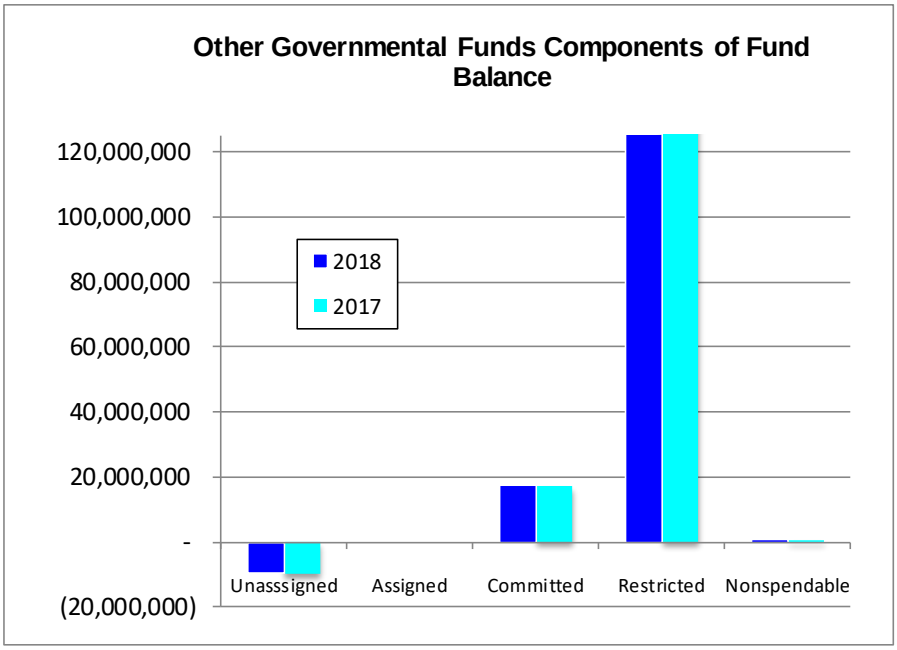
Financial Analysis of the County's Funds

As noted earlier, the County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds



The focus of the County's governmental funds is to provide information on near-term inflows, outflows, and balances of *spendable resources.* Such information is useful in assessing the County's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for discretionary use as they represent the portion of fund balance which has not been limited to use for a particular purpose by either an external party, the County itself, or a group or individual that has been delegated authority to assign resources for use for particular purposes by the County's Board of County Commissioners.

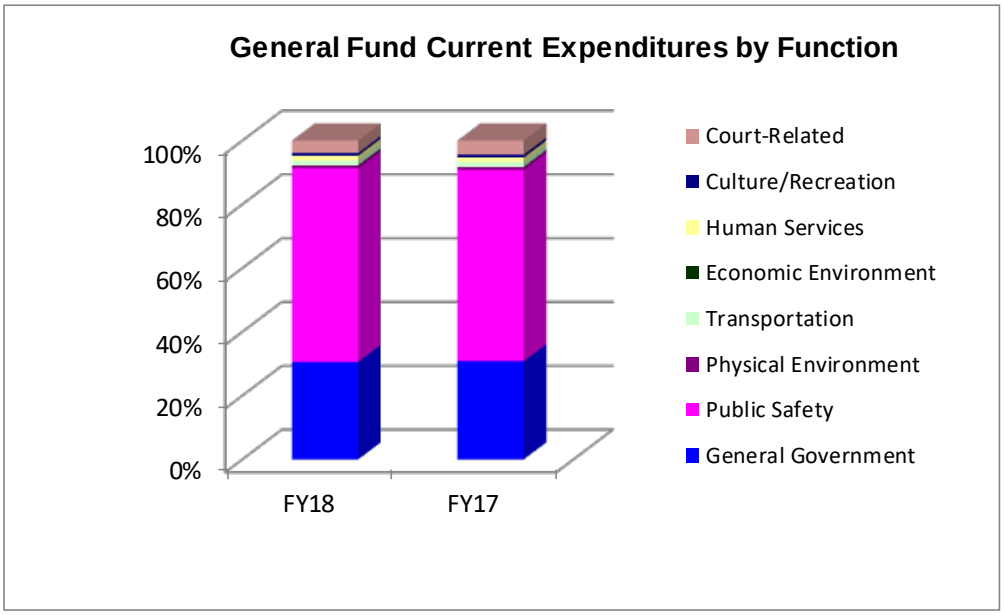


At the end of fiscal year 2018, the County's governmental funds reported combined fund balances of $298,200,807, a decrease of $1,575,752 in comparison with the prior year. Approximately 8% of this

amount, $24,644,099 constitutes *unassigned fund balance*, which is available for spending at the County's discretion. The remainder of the fund balance is either nonspendable, restricted, committed or assigned. *Restricted* fund balances of $239,658,559 represent amounts that can only be spent for specific purposes as stipulated by external resource providers either constitutionally or through enabling legislation such as Florida Statutes, laws and regulations or grantors. *Committed fund balances* of $17,376,664 represent amounts committed by County ordinance, whereas *assigned fund balances* of $15,267,834 consists of funds budgeted in the subsequent year to balance the 2018 budget. *Nonspendable fund balances* are not available for spending because they are not in spendable form, or are legally required to be maintained intact. The ending *nonspendable fund balances* consists of $1,253,651 for inventories.

The General Fund is the chief operating fund of the County. At the end of the current fiscal year unassigned fund balance of the General Fund was $34,189,735 while total fund balance increased to $50,211,158. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents 20.1% of the total General Fund expenditures, while total fund balance represents 29.5% of that same amount.

The following graphs represent the components of fund balance in the General Fund, and the components of fund balance in the other governmental funds:



The increase in fund balance of the County's General Fund was $3,070,833 during the current fiscal year, a change from prior year increase of $3,208,977. Key factors in this are as follows:

- An overall increase in revenues and transfers in over fiscal year 2017 was primarily attributable to property taxes increases due to a higher certified property values and increased collections of current year taxes. Sales tax and tourist development tax also increased due to efforts to stimulate the economy. Local half cent sales tax and state revenue sharing increased intergovernmental revenue. Transfers in increased primarily due to cost reimbursements for various programs.

- An increase in expenditures and decrease in transfers out over fiscal year 2017 for public safety is primarily the result of increased detention personnel and operating expenditures, in addition to a reduction transfers for the road prison. Physical environment increases were attributable to increased personnel and operating expenditures for environmental quality and extension services. Transportation expenditures decreased due to a reduced need for replacement equipment.

The following graph displays the General Fund's current expenditures by function for FY18 and FY17 (it does not include debt service or other financing uses).

The Disaster Recovery Fund was established to account for the costs and related funding assistance from state and federal sources for hurricane or other major disaster events. The negative fund balance of $9,545,636 represents expenditures for the April 2014 flood event that the County believes will ultimately be reimbursed by federal or state sources. An advance from the LOST Fund provided the initial resources to pay for these costs and the advance will be paid off as these outstanding reimbursement claims are resolved. Should the County be denied reimbursement for these claims, the County will have to use resources from other funds to pay off the LOST advance and fund deficit. In 2018, the County collected approximately $910 thousand from federal sources and incurred an additional $655 thousand in disaster costs.

The Mass Transit Authority Fund was established to account for the cost of operations of the Escambia County Area Transit Authority. On October 1, 2017 the County took operations in house, on February 15, 2018, Ordinance 2018-8 re-established the Fund as a Dependent Special District of Escambia County. Sources of revenue are operating grants, local option fuel tax, passengers and user fees, contributions from the University of West Florida, Santa Rosa Island Authority. At the end of fiscal year 2018 restricted fund balance was $2,004,882 and this represents 16% of the fund's total expenditures and transfers out. The fund balance increased $1,329,498, and was primarily due to increased grant revenues and increased user fees, in addition to savings on operating cost.

The Capital Project fund of the Mass Transit Authority is the Mass Transit Authority FTA-Capital Fund which was established to account for the revenue received from FTA and FDOT Grants and the costs associated with various mass transit capital projects. At the end of fiscal year 2018 fund balance was $322,611 this

represents 44% of expenditures and transfers out. The fund balance increased $1,730 and was primarily due to transfers in and investment earnings.

The CRA Fund was established to account for the operations of the community redevelopment initiative. There are eight established redevelopment districts which are funded by tax increment financing (TIF) portions of property taxes for each respective district. At the end of fiscal year 2018 restricted fund balance was $3,262,962 and this represents 183% of the fund's total expenditures and transfers out. The fund balance increased $198,926. While the TIF funding remained at 75%, the rate remained constant primarily due to more projects expenditures within the TIF districts in order to expedite cleaner, safer neighborhoods and increase property values.

The restricted components of the fund balance of the CRA are comprised of the following:

	2018	2017
Warrington CRA	$ 1,180,210	$ 1,169,628
Brownsville CRA	306,755	374,515
Englewood CRA	228,332	174,496
Ensley CRA	24,245	-
Atwood CRA	5,087	-
Palafox CRA	1,058,387	868,491
Barrancas CRA	366,135	329,106
Cantonment CRA	66,821	42,001
Neighborhood	26,990	105,799
	$ 3,262,962	$ 3,064,036

The Series 2017 Capital Projects Fund was established to account for the revenues associated with the Sales Tax Revenue Bonds, Series 2017 issued during FY2017; and to account for the expenditures associated with the planning, design and construction of the new Escambia County Jail Facility. Additional revenues funding this project will be Local Option Sales Tax, Insurance proceeds and Grant Revenue. Revenues and other financing sources exceeded expenditures by $4,846,788 for a fund balance of $85,703,817. At the end of fiscal year 2018 restricted fund balance was $85,703,817, an increase of 5.7% over the prior year. The fund balance increase was mainly attributable to FEMA grants, and other financing sources from the current year consisted of transfers from the Local Option Sales Tax Fund.

The Local Option Sales Tax Fund's primary revenue is a 1% local option sales tax imposed by Escambia County, which was restricted by voter referendum primarily for capital projects and public safety expenditures. At the end of the current fiscal year, restricted fund balance was $115,788,189 or 180% of the fund's total expenditures and transfers out. While local option sales tax revenue includes an 8.2% increase in the sales tax revenue, driven by improvements in the local economy; Fund balance decreased by $9,003,229. This was primarily a result of increased capital expenditure of $10,941,886 or 31% over the prior year for infrastructure, transportation and drainage projects. Even though the revenue source is stable and predictable, the planning, budgeting, and execution of large projects results in variances from year to year in the amount of actual expenditure for projects.

Proprietary funds

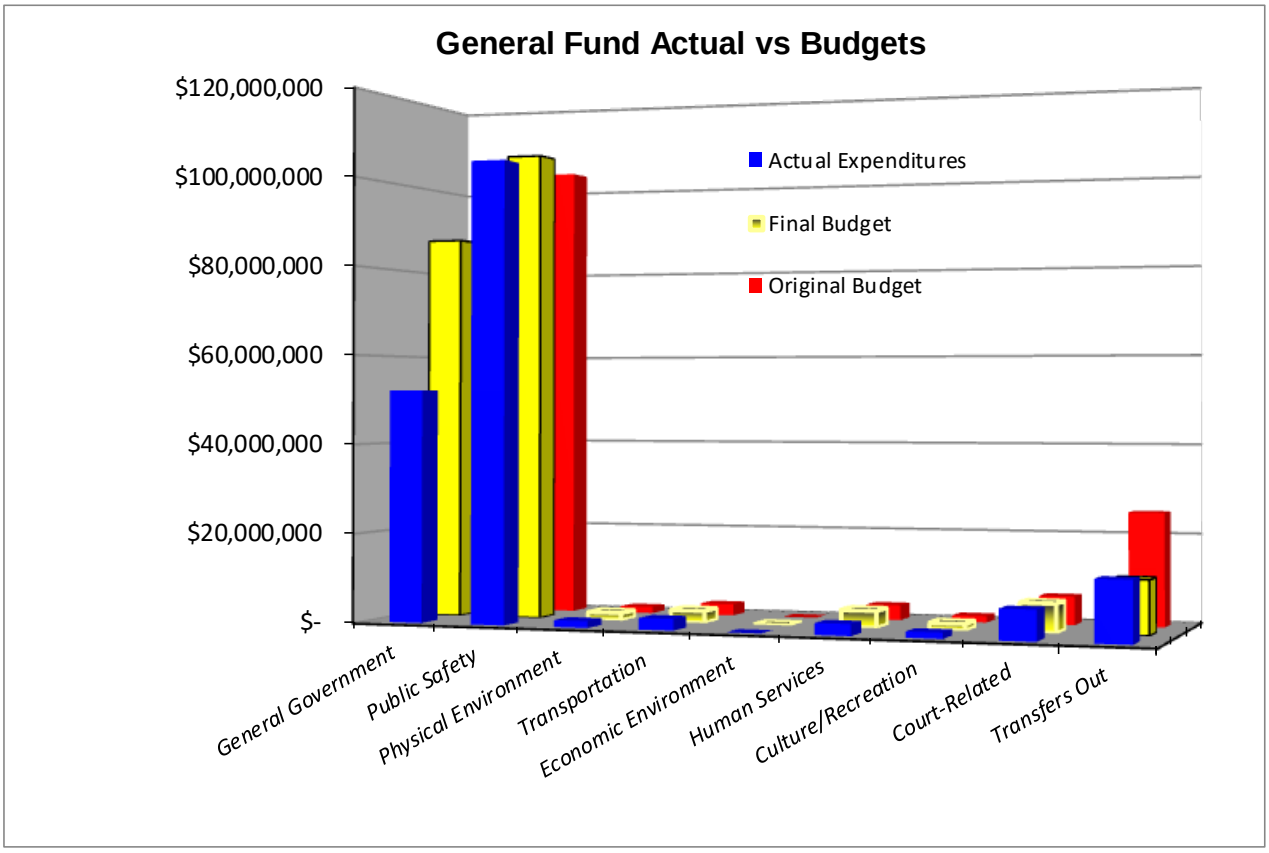
The County's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. The Solid Waste and the Emergency Medical Service Funds are reported as major enterprise funds. The Inspection and Bay Center Funds are reported as non-major enterprise funds. As previously discussed, the internal service fund is combined with governmental funds to arrive at governmental activities.

Unrestricted net position of proprietary funds at the end of the year amounted to:

	2018	2017
Solid Waste	$ 17,803,387	$ 15,607,632
Emergency Medical Service	2,395,334	7,785,244
Inspection	2,139,144	1,736,853
Bay Center	144,515	108,094
	$ 22,482,380	$ 25,237,823

Unrestricted net position for proprietary funds decreased $2,755,443 which is a 12.26% decrease from the prior fiscal year. The total change in net position for proprietary funds for the Solid Waste, Emergency Medical Services, Inspection and Bay Center funds was $4,434,986, ($5,869,095), $373,946 and ($622,690) respectively. Solid Waste increases are due to franchise fees, and dumping fees attributable to increased tonnage from debris, construction and demolition waste. The Emergency Medical Services decrease was attributable to increased personnel cost and transfers out.

General Fund Budgetary Highlights



The General Fund's original budget was decreased by $6,412,955, to arrive at the final amended budget for expenditures and transfers out. During the year there was a need to make an amendment to reallocate appropriations among departments when the prior year fund balances were finalized and purchase commitments were approved for re-budgeting. Generally the movement between departments was not significant. The largest change was to general government, contingency reserves and transfers out for road prison. The changes within functions are summarized in the following table.

	Original Budget	**Final Budget**	**Change**
General Government	$ 83,158,856	$ 86,874,113	$ 3,715,257
Public Safety	103,464,371	105,969,834	2,505,463
Physical Environment	1,423,290	1,634,608	211,318
Transportation	2,588,309	2,636,517	48,208
Economic Environment	-	-	-
Human Services	3,324,331	3,699,658	375,327
Culture/Recreation	1,419,364	1,432,761	13,397
Court-Related	6,293,202	6,293,202	-
Transfers Out	25,171,154	11,889,229	(13,281,925)
	$ 226,842,877	$ 220,429,922	$ (6,412,955)

The General Fund under spent the final budget by $37,066,336 or 16.82% for expenditures and transfers out. The variance within functions is summarized in the table below:

	Actual Expenditures	Final Budget	Variance	
General Government	$ 52,038,865	$ 86,874,113	$ 34,835,248	40.1%
Public Safety	103,301,919	105,969,834	2,667,915	2.5%
Physical Environment	1,524,026	1,634,608	110,582	6.8%
Transportation	2,555,789	2,636,517	80,728	3.1%
Economic Environment	-	-	-	
Human Services	2,578,329	3,699,658	1,121,329	30.3%
Culture/Recreation	1,353,460	1,432,761	79,301	5.5%
Court-Related	6,681,145	6,293,202	(387,943)	-6.2%
Transfers Out	13,330,053	11,889,229	(1,440,824)	-12.1%
	$ 183,363,586	$ 220,429,922	$ 37,066,336	16.8%

General Fund actual expenditures were less than anticipated expenditures by $37,066,336. Of this amount $15.27 million for purchase commitments was re-budgeted and assigned to the subsequent year budget. A review of actual expenditures compared to appropriations in the final budget yields no significant variances with the exception of an overall reduction of $1.6 million in salary and $4.5 million in operating. The majority of transfers out are offset by the elimination of budgeted General Fund transfers in, so they are not an actual budgeted expenditure. Transfers out increases were attributable to debt service and public safety programs. Cost and fuel allocation in the amount of $3.3 million in general government are budgeted, but eliminated expenditures. The remainder of unspent budget is primarily due to unspent budgeted contingency and reserves.

Capital Asset and Debt Administration

Capital assets

The County's investment in capital assets for its governmental and business-type activities as of September 30, 2018 amounts to $629,312,656 (net of accumulated depreciation and amortization). This investment in capital assets includes land, buildings, improvements other than buildings (including leasehold improvements), equipment, software, infrastructure, and construction in progress. The total increase in the County's investment in capital assets for the current fiscal year was 4.1%.

Major capital asset events during the current fiscal year included the following:

- Building projects continued with improvements to various community centers, the purchase of a new building for the Supervisor of Elections, a 4-H Multipurpose Livestock Facility and ticket booths for the Ferry Landings.
- Planning and construction progressed on the new Jail Facility.
- Ongoing transportation infrastructure projects include Navy Boulevard Project, Olive Road Corridor, IIDC Water System Upgrade, Quietwater Beach Ferry Landing, and the OLF-X Property Design and Improvements.
- Net construction in progress (CIP) increased to $34,264,008 primarily due to improvements to transportation infrastructure consisting of more than 85 projects for roads, drainage, and bridge renovations.
- The net increase of $3.9 million in land includes OLF-X Land improvements, Navy Boulevard Project, Delano Project, Kingsfield Road to 297A Project, and Block Westgate Project.
- Equipment purchases include the purchase of County vehicles, road construction equipment, trucks, library vans, and ECAT bus engine replacements.
- Software purchases increased $83 thousand and included the purchase of misdemeanor case management software as well as annual subscription purchases in lieu of software purchases.

Capital Assets, net	$ 578,504,918	$ 555,075,172	$ 50,807,738	$ 49,735,148	$ 629,312,656	$ 604,810,320

Additional information on the County's capital assets, including major construction commitments, can be found in Note 3 of this report.

Long-term debt

At the end of the current fiscal year, the County had total notes and bonded debt outstanding of $166,029,000. Of this amount, $26,269,000 consists of debt backed by Non-Ad valorem tax revenue. The remainder of the debt, $139,760,000 represents bonds and notes secured solely by specified revenue sources (i.e., sales tax and tourist development taxes). The unamortized bond issue premium for the Series 2017 Sales Tax Revenue Bond is $10,228,121.

Escambia County, Florida
Outstanding Notes and Bonded Debt

	Governmental Activities	
	2018	2017
Revenue Bonds	$ 115,545,000	$ 118,395,000
Revenue Notes	50,484,000	55,658,000
	$ 166,029,000	$ 174,053,000
Unamortized Bond Issue Premium	10,228,121	10,593,411
	$ 176,257,121	$ 184,646,411

The County's outstanding debt; including the unamortized bond issue premium; had a net decrease of $8,389,290 or 4.54% during fiscal year 2018. Decreases were attributable to normal debt service principal reductions for revenue notes and revenue bonds.

Additional information on the County's debt, including any major changes to the County's credit ratings, can be found in Note 6 of this report.

There is no outstanding debt for Business-type activities.

Economic Factors and Next Year's Budgets and Rates

The following economic factors currently affect Escambia County and were considered in developing the 2018-2019 fiscal year budget.

- The annual average unemployment rate for the County for 2018 was 3.0%. The average adjusted rate for 2017 was 4.0%. This represents a decrease of 1% from the prior year unemployment rate.
- The taxable assessed value increased 7.2% in the 2018 fiscal year.
- Population remained at 313,512 at September 30, 2018, a decrease from at September 30, 2016.

During the current fiscal year, unassigned fund balance in the General Fund increased to $34,189,735. The County has budgeted $217,798,895 for spending in the 2019 fiscal year budget, and assigned $15,267,834 of the ending 2018 fund balance to the subsequent year's budget. The total ad valorem tax rate remained the same at 7.661 mills for the 2019 fiscal year budget.

In an effort to help stimulate job creation and the economy the County continues to work with the Greater Pensacola Chamber of Commerce and the City of Pensacola to recruit new industry to the area and stimulate job growth.

Requests for information

This financial report is designed to present users with a general overview of the County's finances and to demonstrate the County's accountability. If you have questions concerning any of the information provided in this report or need additional financial information, contact the Escambia County Clerk of the Circuit Court and Comptroller, Finance Department, 221 Palafox Place Suite 130 Pensacola Florida 32502; 850-595-4825. ESCAMBIA COUNTY, FLORIDA

RECONCILIATION OF THE BALANCE SHEET OF GOVERNMENTAL FUNDS

TO THE STATEMENT OF NET POSITION

as of September 30, 2018

Total fund balances of governmental funds			$ 298,200,807
Amounts reported for governmental activities in the statement of net position are different because:			
Capital assets used in governmental activities are not financial resources and therefore, are not reported in governmental funds. The cost of assets is $1,353,418,254 Accumulated depreciation and amortization is $775,508,072. The difference does not include the net capital assets of the internal service funds $594,736 which are included below.			577,910,182
The internal service fund is used by management to charge the costs of risk management services to individual funds. The assets, liabilities, outflows/inflows of the internal service fund are included in activities in the Statement of Net Position.			4,920,293
At the governmental fund level, certain other long term assets are not available to pay for current period expenditures and, therefore, are reported as unavailable revenue in the funds.			2,143,309
Deferred inflows and outflow of resources related to debt:			
Deferred charge on refunding (to be amortized as interest expense)			2,028,260
Deferred outflows and inflows of resources related to pensions and other post employment benefits (OPEB) are applicable to future periods and not reported in governmental funds. The difference does not include certain amounts from the internal service fund which is included above.			
Deferred outflows of resources - Pensions	82,326,796		
Deferred inflows of resources - Pensions	(25,866,036)		
Deferred outflows of resources - OPEB	1,006,131		
Deferred inflows of resources - OPEB	(595,491)		
			56,871,400
Long-term liabilities are not due and payable in the current period and accordingly are not reported as fund liabilities. Interest on long-term debt is not accrued in governmental funds, but rather is recognized as an expenditure when due. All liabilities --both current and long-term--are reported in the Statement of Net Position. The difference does not include the internal service funds $11,136,341 which is included above. Long-term liabilities at year-end consist of:			
Bonds payable	115,545,000		
Notes payable	50,484,000		
Bond issuance premiums	10,228,121		
Pollution remediation	180,000		
Compensated absences	26,089,906		
Other post employment benefits	19,298,850		
Net pension liability proportionate share	183,196,081		
			(405,021,958)
Total net position of governmental activities			$ 537,052,293

The notes to the financial statements are an integral part of the financial statements.

ESCAMBIA COUNTY, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES,
EXPENDITURES, AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
For the Year Ended September 30, 2018

Amounts reported for governmental activities in the statement of activities are different because:

Net change in fund balances - total governmental funds		$ (1,575,752)
Governmental funds report capital purchases as expenditures. However, in the statement of activities, the cost of those assets is depreciated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital additions ($70,792,780) exceeds depreciation ($47,118,955) in the current period. Total capital additions consist of capital expenditures of $69,913,434 and non-cash contributions of $879,346 for donated roads.		23,673,825
Collections of principal on long-term sales type lease receivable provides current financial resources to governmental funds.		(73,230)
The issuance of bonds and similar long-term debt provides current financial resources to governmental funds and thus contributes to the change in fund balance. In the statement of net position, however, issuing debt increases long-term liabilities and does not affect the statement of activities. Similarly, repayment of principal is an expenditure in the governmental funds, but reduces the liability in the statement of net position. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. The amounts of the items that make up these differences in the treatment of long-term debt and related items are:		
Principal repayments	8,024,000	
Amortization of deferred charge on refunding	(150,510)	
Amortization of interest expense on bond premium	365,290	
		8,238,780

ESCAMBIA COUNTY, FLORIDA

RECONCILIATION OF THE STATEMENT OF REVENUES,
EXPENDITURES, AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES - Continued

For the Year Ended September 30, 2018

Under the modified accrual basis of accounting used in governmental funds, expenditures are not recognized for transactions that are not normally paid with expendable available financial resources. In the statement of activities, however, which is presented on the accrual basis, expenses and liabilities are reported regardless of when financial resources are available. In addition, interest on long-term debt is not recognized under the modified accrual basis of accounting until due, rather than as it accrues. These adjustments are as follows:		
Changes in compensated absences	(239,372)	
Changes in other post employment benefits	(29,069)	
Changes in pollution remediation	(25,000)	
		(293,441)
Governmental funds report County pension contributions as expenditures. In the statement of activities, the cost of the pension benefits earned net of contributions is reported as pension expense.		
Difference between pension contribution and net pension expense		(12,242,791)
Governmental funds report other post employment benefit contributions as expenditures. However, in the statement of activities, the actuarial cost of benefits earned net of employee contributions is reported as an expense.		410,640
In the statement of activities, only the loss on the sale/disposal of capital assets is reported. However, in the governmental funds, the proceeds from the sale increase financial resources. Thus, the change in net position differs from the change in fund balance by the net book value of the capital assets sold/disposed.		(185,487)
The internal service fund is used by management to charge the costs of risk management and other services to other funds. The net income of the internal service fund is reported with governmental activities.		1,079,658
Change in net position of governmental activities:		$ 19,032,202

The notes to the financial statements are an integral part of the financial statements.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of Government-wide Financial Statements

The financial statements of Escambia County, Florida (the "County") have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all nonfiduciary activities of the primary government and its component units. All fiduciary activities are reported only in the fund financial statements. Governmental activities, which normally are supported by taxes, intergovernmental revenues, and other nonexchange transactions, are reported separately from business-type activities, which rely to a significant extent on fees and charges to external customers for support. Likewise, the primary government is reported separately from certain legally separate component units for which the primary government is financially accountable. Significant County accounting policies are described below.

B. Financial Reporting Entity

Escambia County, Florida (the County) is a political subdivision of the State of Florida created pursuant to Chapter 7 of the Florida Statutes. The County is governed by a five member Board of County Commissioners (the Board), elected from single-member districts. The Board has no powers other than those expressly vested in it by State Statute. In addition to the Board, there are five elected Constitutional Officers: pursuant to Article 8, Section 1(d), of the Constitution of the State of Florida; the Clerk of the Circuit Court and Comptroller, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector. The Constitutional Officers maintain separate accounting records and budgets. The Board funds a portion or, in certain instances, all of the operating budgets of the County's Constitutional Officers.

The combining financial statements include the operations of the Board of County Commissioners, Clerk of the Circuit Court and Comptroller, Sheriff, Tax Collector, Property Appraiser, Supervisor of Elections and those separately administered organizations for which the government is considered to be financially accountable. Blended component units are, in substance, part of the primary government's operations, even though they are legally separate entities. Thus, blended component units are appropriately presented as funds of the primary government. Discretely presented component units are reported in a separate column in the government-wide financial statements to emphasize that they are legally separate from the government.

Blended Component Unit
Community Redevelopment Agency (CRA) – Pursuant to Florida Statutes section 163 Part III, the Community Redevelopment Act of 1969 authorized governments to use tax increment financing as a means for community redevelopment. The primary purpose of this act is to provide local governments with a source of funds to revitalize the deteriorated portions of their communities; thus establishing a financial benefit or burden relationship between the primary government and the CRA. The primary government also has operational responsibility for the Community Redevelopment Agency. In 1995, the Board of County Commissioners adopted Ordinance No. 95-6 which established the Community Redevelopment Agency (CRA) of Escambia County. Eight redevelopment areas are included under the CRA jurisdiction. The County Board serves as the CRA Board and has all rights, powers, duties, privileges and immunities authorized by the Act. The CRA is reported as a major special revenue fund in the fund financial statements of the County; a copy of this report may be found at the Community Redevelopment Agency Office; 221 Palafox Place; Suite 305, Pensacola Florida 32502.

Escambia County Area Transit Authority (Mass Transit Authority) – Pursuant to Florida Statutes section 189 Uniform Special District Accountability Act, is classified as a Dependent Special District because the membership of the Mass Transit Authority's governing body is identical to Escambia County and the Mass Transit Authority's budget requires approval through an affirmative vote or can be vetoed by Escambia County. The primary purpose of this Mass Transit Authority is to own, operate and manage the public transportation system in Escambia County on behalf of the Board of County Commissioners of Escambia County; providing an efficient and coordinated public transportation system servicing rural and urban areas. The 1 to 5 Cents Local Option Fuel Tax (4 cents levied) is used to fund public transportation operations and maintenance pursuant to Sections 206 and 336, Florida Statutes. Funding is also by Federal Transit Administration operating grants, user fees and reimbursements for non-transit activities, thus establishing a financial benefit or burden relationship between the primary government and the Mass Transit Authority. The Mass Transit Fund was a fund of the County until 2018, when the Board of County Commissioners adopted Ordinance No. 2018-8 establishing the Escambia County Area Transit Authority. The Mass Transit Authority Fund is reported as a major special revenue fund in the fund financial statements of the County; the capital projects of the Mass Transit Authority are reported as a major capital project fund in the fund financial statements of the County. A copy of this report (the fund financial statement of the County) may be found at the Escambia County Area Transit Authority Office; 1515 West Fairfield Drive, Pensacola Florida 32501.

Discretely Presented Component Units
Governmental Fund Type:

Escambia County Law Library Board – The Escambia County Law Library Board (Law Library), created under Special Act, Chapter 69-1048, Laws of Florida, provides for the maintenance of a central law library for the use of citizens, county officials, judges and officers of the courts of Escambia County. The County establishes the fees charged and collected on court actions in support of the Law Library, therefore the County is financially accountable. The Law Library is located in the M.C. Blanchard Judicial Building. The Law Library Board is composed of two (2) circuit judges, two (2) county judges and one (1) lawyer appointed by the local Bar Association. The operations of the Law Library are reported in the Escambia County Law Library Board, a special revenue fund. While the Law Library Board is an independently reported special district, it is presented in the County's Comprehensive Annual Financial Report as a discretely presented component unit. Financial statements for the Escambia County Law Library Board can be obtained from the Library staff at 190 West Government Street, Pensacola, Florida 32502-5773.

Proprietary Fund Type:

Santa Rosa Island Authority (SRIA) – The Santa Rosa Island Authority (SRIA) was established by the provisions of Chapter 24-500, Laws of Florida, Special Acts of 1947, as amended. The County appoints five (5) members of the Authority's six (6) member Board, and one (1) member is elected by the eligible voters who are full time residents of the Island. The County approves the SRIA's budget and issuance of debt. The County has veto power over decisions of the SRIA. The SRIA serves as the County's leasing agent for property on Santa Rosa Island owned by the County. The operations of SRIA are reported in the SRIA Fund, a discrete component unit in this report. Financial statements for the SRIA can be obtained at 1 Via Deluna, Pensacola Beach, Florida 32561.

Joint Ventures:

As defined in Governmental Accounting Standards Board (GASB) Statement No. 14, a joint venture is a separate legal entity or other organization that results from a contractual arrangement (or interlocal agreement) and that is owned, operated or governed by two or more participants as a separate and specific activity subject to joint control in which the participants retain (a) an on-going financial interest or (b) an on-going financial responsibility. The County participates and provides financial support to the following non-equity joint ventures:

Human Relations Commission (HRC) – The Commission was created by an Interlocal Agreement between Escambia County and the City of Pensacola in 1978, pursuant to Florida Statutes, Chapter 163.01, for the purpose of being "responsible for the promotion of fair treatment and equal opportunity

to all citizens of the local community." The Commission is composed of nine (9) members; four (4) selected by the County and four (4) selected by the City of Pensacola, with one (1) additional member jointly selected by the preceding eight. The County does not control budgeting or financing for the Commission. Separate financial statements are available from the Commission at 2257 Baylen Street, Pensacola, Florida 32501.

Pensacola – Escambia County Promotion and Development Commission (PEDC) – This Commission was created in 1967 by Chapter 67-1365, Laws of Florida, amended in 1980 by Chapter 80-579, to promote and develop tourism and industry in Escambia County and in the City of Pensacola. The nine (9) member Commission consists of the President of the Chamber of Commerce, two (2) members of the Pensacola City Council, two (2) members of the Escambia County Commission, one (1) member of the Century City Council, one (1) representative of the Committee of 100 or the Tourist Advisory Council, one (1) at-large member appointed by the Pensacola City Council and one (1) at-large member appointed by the Escambia County Commission. The County and the City of Pensacola each contribute funds annually for the operation of the Commission, but neither has control of the budget or finances of the Commission. Separate financial statements are available from the Pensacola – Escambia County Promotion and Development Commission at 117 West Garden Street, Pensacola, Florida 32593-0550.

Summary financial statements as of September 30, 2018, for the joint ventures are as follows:

STATEMENTS OF NET POSITION
SEPTEMBER 30, 2018

	HRC	PEDC
Assets	$ 14,350	$ 7,530,104

Net position - beginning	19,752	4,455,785
Net position - ending	$ 8,320	$ 4,467,857

C. Basis of Presentation – Government-wide and Fund Financial Statements

The basic financial statements consist of the government-wide (based on the County as a whole, including its component units) and fund financial statements. Both sets of statements categorize primary activities as either governmental or business-type activities.

The government-wide financial statements include a statement of net position and a statement of activities which report on the government as a whole and provide a consolidated financial picture of the government. As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Interfund activities are eliminated to avoid distorted financial results. The amounts reported as internal balances represent the residual amounts due between governmental and business-type activities. Fiduciary Funds of the government are also eliminated from this presentation since these resources are not available for general government funding purposes.

The statement of activities reports functional categories of programs provided by the County, and demonstrate how and to what degree those programs are supported by specific revenue. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on external fees and charges for support. Likewise, the primary government is reported separately from certain legally separate component units for which the primary government is financially accountable.

The statement of activities demonstrates the degree to which the direct expenses of a given program are supported by specific revenues. *Direct expenses* are those that are clearly identifiable with a specific program. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. G*eneral revenues* consist of all taxes and other items collected that help support all functions of Escambia County government.

Individual fund financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

The County reports the following major governmental funds:

The *General Fund* is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. The general fund includes the Board of County Commissioners, Clerk of Circuit Court and Comptroller, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector.

Escambia County Area Transit Authority (Mass Transit Authority) Fund accounts for the operations and maintenance of the Escambia County Transit System. The 1 to 5 Cents Local Option Fuel Tax (4 cents levied) is used to fund public transportation operations and maintenance pursuant to Sections 203 and 336, Florida Statutes. Funding is also by Federal Transit Administration operating grants, user fees and reimbursements for non-transit activities.

Escambia County Area Transit Authority FTA Capital (Mass Transit Authority - FTA Capital) Fund is the capital project fund of the Escambia Area Transit Authority and is reported as a major capital project fund in the fund financial statements of the County. It accounts for revenue received from the United States Department of Transportation and cost associated with federal transportation assistance. The Federal Transit Administration (FTA) provides capital assistance for mass transit projects including mass transit fixed route and ADA paratransit services for citizens through urban areas of Escambia County. FTA funding is provided by Grants, State matching funds, and Escambia County Area Transit Authority matching funds.

The *Disaster Recovery Fund* accounts for financing provided from various grants, or reimbursements to aid the County's recovery from either natural or man-made disasters. Due to the nature of this major fund, the County generally adopts an appropriated budget of zero.

The *Community Redevelopment Agency Fund (CRA)* was established to account for the revenues and expenditures of the redevelopment areas established within the County. The CRA Fund is a blended component unit of Escambia County. Pursuant to Florida Statutes Section 163 Part III, the Community Redevelopment Act of 1969 authorized government to use tax increment financing as a means for community redevelopment.

The *Series 2017 Project Fund* is a capital project fund created pursuant to Resolution 2017-70 to account for the proceeds of the Sales Tax Revenue Bonds, Series 2017, issued June 22, 2017. This fund will account for the expenditures associated with the acquisition, planning, design and construction of a new 1,500 rated bed correctional facility. This new facility will be constructed in two phases utilizing the design-build construction delivery method pursuant to section 287.055, Florida Statutes (acquisition of professional architectural and engineering services). Upon completion, the new correctional facility will replace the existing correctional facilities known as the Central Booking Detention Facility and Main Jail.

The *Local Option Sales Tax Fund (LOST)* accounts for monies collected pursuant to Florida Statutes 212.055, which authorizes the County to impose a one percent (1%) local option infrastructure sales surtax upon taxable transactions occurring within Escambia County, to provide for road and drainage projects and improvements, recreation projects, public safety, expansion of jail and court facilities, and community redevelopment projects. This tax was approved by referendum on March 10, 1992, and was originally set to expire on December 31, 2017. On November 4, 2014, this tax was extended by referendum through December 31, 2028, as permitted by law.

The County reports the following major proprietary funds:

The *Solid Waste Fund* accounts for solid waste disposal (landfill) operations, primarily financed through franchise fees and user charges.

The *Emergency Medical Service Fund* accounts for the cost of emergency medical services provided in Escambia County. All activities necessary to provide such services are accounted for in this fund.

Additionally, the government reports the following fund types:

The *Internal Service Fund* accounts for risk management activities, activities for garage and fuel services provided to County departments, and for administration of employee benefits. Additionally, the internal service fund is used to account for balances and activity related to compensated absences policies of the Clerk of the Circuit Court and Comptroller, for court related activities.

Agency Funds are custodial in nature, and are therefore excluded from the governmental-wide financial statements. These funds are used to account for assets held by the County as an agent for individuals, private organizations and governments. Agency funds are utilized by the Clerk of the Circuit Court and Comptroller, the Tax Collector, and the Sheriff. Resources include fines, forfeitures, and filing fees collected for other governmental agencies, child support payments, jury and witness services, posted bonds collected for individuals, prisoner's funds, confiscated monies held as evidence, property taxes and fees for licenses.

D. Measurement Focus and Basis of Accounting

The **government-wide financial statements** and the **proprietary fund and fiduciary fund financial statements** are reported using the *economic resources measurement focus* and the *accrual basis of accounting.* Revenues are recorded when earned and expenses are recorded when a liability is incurred,

regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the County considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. State shared revenues, sales taxes, franchise taxes, and interest associated with the current fiscal period are all considered to be susceptible to accrual and have been recognized as revenues of the current fiscal period. Expenditures generally are recorded when a liability is incurred, except debt service expenditures and expenditures related to compensated absences and claims and judgments, which are recorded only when payment is due. Capital asset acquisitions are recorded as expenditures in governmental funds. Monies received from issuing long-term debt and acquisitions under capital leases are reported as *other financing sources*.

Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other eligibility requirements have been met, and the amount is received during the period or within the availability period for this revenue source (within 60 days of year-end).

Escambia County allocates indirect costs comprised of administrative overhead costs to functional activities using various allocation charge methods. Therefore, expenses reported for functional activities include these allocated indirect costs. Elimination of these charges would distort the direct costs of the functions concerned.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements, with the exception of administrative overhead components as discussed above.

Amounts reported as program revenue include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided; 2) operating grants and contributions; and 3) capital grants and contributions, including special assessments. All taxes, including those dedicated for specific purposes, and internally dedicated resources are reported as general revenues rather than as program revenue.

Proprietary fund financial statements are reported using economic resource measurement focus and the accrual basis of accounting, distinguishing *operating* revenues and expenses from *non-operating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the County's enterprise funds are charges to customers for sales and services. Operating expenses for enterprise funds and the internal service fund include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

E. Budgetary Information

Annual budgets are adopted on a basis consistent with *generally accepted accounting principles* as required by Florida Statute 129 for all governmental funds. In fiscal year 2018, the Disaster Recovery Fund adopted an original budget appropriation of zero, which was subsequently amended.

On or before May 1 of each year, the Clerk of the Circuit Court and Comptroller, Property Appraiser, Supervisor of Elections, Sheriff and Tax Collector each submit to the Board of County Commissioners a tentative budget for the ensuing fiscal year.

Within fifteen days after certification of the ad valorem tax roll by the Property Appraiser, the County's Office of Management and Budget submits to the Board of County Commissioners a proposed budget for the fiscal year commencing the following October 1st. Pursuant to the provisions of Section 129.01, Florida Statutes, the proposed budgets as submitted contain balanced statements of estimated revenue and proposed appropriations for each fund required to be presented by law or sound financial practice, including the general, special revenue, debt service, and capital projects funds.

The Board holds public hearings and a final budget must be prepared and adopted no later than September 30. The County's budget is legally enacted through passage of a resolution.

The appropriated budget is prepared by fund, function and department. The Office of Management and Budget is authorized to transfer budgeted amounts within departments of a fund and between departments of a fund; however, the Board of County Commissioners must approve any revisions that alter the total expenditures of any fund. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is the fund level. The Board of County Commissioners approved supplemental budget amendments during the year that increased the original budget.

All appropriations lapse at the end of each fiscal year, although the county expects to honor purchase orders and contracts in process, subject to authority provided in the subsequent year's budget.

F. Property Taxes

Under Florida law, the assessments of all properties and the collections of all county, municipal, and school board property taxes are consolidated in the offices of the County Property Appraiser and the County Tax Collector. The laws of the state regulating tax assessments are also designed to assure a consistent property valuation method statewide. Pursuant to the State Constitution, Florida Statutes permit counties to levy ad valorem taxes on real and tangible personal property taxes at a rate not to exceed 10 mills for countywide purposes, exclusive of taxes levied for the payments of bonds and taxes levied for periods of not longer than 2 years and approved by a vote of the electors. All property is assessed at 100% of just value. For fiscal year 2018, the County-wide operating millage rate was 6.6165 mills. The County-wide operating millage rate for the Library was .359 mills for a total of 6.9755 mills. The Law Enforcement MSTU rate is .685 for a total direct rate of 7.6605 mills.

The tax levy of the County is established by the Board of County Commissioners prior to October 1 of each year and the Tax Collector incorporates the millage into the total tax levy, which includes the municipalities, special districts, and the County School Board tax requirements and produces the tax bill. All property is reassessed by the Property Appraiser, according to its fair market value on January 1 of each year. The certified assessment roll is delivered by the Property Appraiser to the Tax Collector.

All property taxes are billed in arrears and become due and payable on November 1 of each year. All unpaid taxes become delinquent on April 1 following the year which they are assessed. The legal lien date is January 1 of each year. Discounts are allowed for early payment at the rate of 4% in the month of November, 3% in the month of December, 2% in the month of January, and 1% in the month of February. Taxes paid in March are without discount. Tax certificates are sold for all delinquent taxes on real property. Virtually all unpaid taxes are collected via the sale of tax certificates prior to year end. The county does not accrue its portion of the County-held tax sale certificates or personal property tax warrants because such amounts are not considered to be material.

G. Cash and Cash Equivalents

The County defines cash and cash equivalents as cash held at a depository and cash on hand for operating purposes and those investments which are short term and highly liquid. Generally, those investments have original maturities of three (3) months or less from the date of acquisition. The County maintains an equity in pooled cash fund. All monies which are not legally restricted to separate

administration are pooled together for investment and are maintained on a daily transaction basis. Investment earnings are distributed in accordance with the participating funds' relative equity. The County's cash deposits are held by banks that qualify as public depositories under the Florida Security for Public Deposits Act as required by Chapter 280, Florida Statutes. The County's cash deposits are fully insured by the Public Deposits Trust Fund.

H. Investments

Investments for the County are reported at fair value (generally based on quoted market prices) except for the Florida Prime Investment Pool, FL CLASS Investment Pool, and Florida Fixed Income Trust are reported at amortized cost. The Florida Fixed Income Trust Cash Pool has a floating Net Asset Value (NAV) however the investment pool is managed to maintain a constant NAV. Investments are pooled together for investment purposes with each individual fund and/or account maintained on a daily transaction basis. Investment earnings are distributed in accordance with the participating funds' relative equity. Such investments consist of Certificates of Deposit, U.S. Treasury Securities, Federal Instruments, Commercial Paper, Corporate Notes, and State and/or Local Government Debt.

I. Inventories and Prepaid Items

Inventories are valued at cost, using the first-in/first-out method. Annual inventory expenditures reflect supplies consumed. The cost of such inventories is recorded as expenditures/expenses when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both the government-wide and fund financial statements. These payments are recorded as expenditures/expenses when consumed rather than when purchased.

J. Restricted Assets

The use of certain assets in business-type activities is restricted by resolution or ordinance. Assets are designated as restricted since their use is limited. Restricted assets reported represent escrow deposits for customers, funds held for the Saufley Construction and Demolition (C&D) project closure, and the Landfill Escrow held for landfill closure and post closure liability.

K. Accounts Receivable

Accounts Receivable are shown net of an allowance for uncollectible accounts. The Solid Waste Fund records an allowance for receivables older than 90 days, while the Internal Service Fund provides an allowance for receivables without collections during the past year. All other County funds record an allowance on accounts older than 120 days. Accounts in the General Fund consist primarily of franchise fees receivable. The receivables at the end of the fiscal year include an estimated total allowance for uncollectable accounts in the amount of $9.308 million. This allowance is comprised of $8.479 million for ambulance receivables in the Emergency Medical Services Fund; $693,000 for the Internal Service Funds related to the self insurance third party receivables; $63,000 for the Local Option Sales Tax Fund; $51,000 for HUD-CDBG housing programs, $18,000 for the Mass Transit Fund, $3,000 General Fund and $1,000 for the Bay Center.

L. Interfund Transactions

Reimbursements to a fund for expenditures/expenses initially made from it, which are applicable to another fund, are recorded as expenditures/expenses in the reimbursing fund, and reductions of expenditures/expenses in the fund that is reimbursed. All other interfund transactions are reported as transfers.

M. Interfund Payables and Receivables

Unpaid amounts of interfund transactions at year end are reflected as "due from other funds" or "due to other funds" in the related fund financial statements. Noncurrent portions of interfund payables and receivables are reported as advances. In governmental funds, advances are offset equally by nonspendable fund balance unless the funds are restricted or committed. Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

N. Capital Assets

Capital Assets, which include property, plant, equipment, intangibles, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Purchased or constructed assets are recorded at historical cost or at a price that would be paid to acquire the asset with equivalent service potential in an orderly market transaction at the acquisition date. Donated capital assets are recorded at acquisition value at the acquisition date.

The County capitalizes items costing $1,000 and having an estimated useful life in excess of one year. Buildings, public domain, and system infrastructure assets which represent major expenditures for such items as roads, water and sewer lines, landfill improvements, parks, and drainage systems are capitalized at historical cost. Major outlays for capital assets and improvements are capitalized as projects are constructed.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Capital Assets are depreciated over their estimated useful lives unless they are inexhaustible or are intangible assets with indefinite useful lives. The term depreciation (and related forms of the term) includes amortization of intangible assets.

Depreciation has been provided using the straight-line method. The estimated useful lives of the various classes of depreciable capital assets are as follows:

Buildings	10 – 50 years
Improvements	20 – 50 years
Infrastructure	20 – 50 years
Equipment	3 – 10 years
Intangibles	3 – 5 years

O. Unearned Revenues

Unearned revenues include amounts collected before revenue recognition criteria are met. Expenditure-driven grants and excess revenue for exchange type transactions are reported as unearned at the end of the fiscal year.

P. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources and deferred inflows of resources. Deferred outflows of resources represent a consumption of net position that applies to a future period(s) and will *no*t be recognized as an outflow of resources (expense/expenditure) until then. Deferred inflows of resources represent an acquisition of net position that applies to future periods and, will not be recognized as an inflow of resources (revenue) until that applicable time.

The County has three items that qualify for reporting as deferred outflows of resources. The first is the deferred charge on refunding reported in the government-wide statement of net position. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. The second is the deferred outflow of resources related to pensions reported in the government-wide and proprietary statements of net position. The deferred outflows for pensions are an aggregate of items related to pensions as calculated in accordance with GASB Statements No. 68, *Accounting and Financial Reporting for Pensions* and No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date*. These deferred outflows for pension will be recognized as pension expense or a reduction of the net pension liability in future reporting years. The third is the deferred outflow of resources related to OPEB reported in the government-wide and proprietary statements of net positon. The deferred outflows for OPEB are an aggregate of items related to changes in assumptions and other inputs as calculated in accordance with GASB Statements No. 75, *Accounting and Financial Reporting for Postemployment Benefits other than Pensions.* These deferred outflows for OPEB will be recognized as benefit expense or a reduction of the net OPEB liability in future reporting years.

The County also reports deferred inflows of resources in the government-wide and proprietary statements of net position. The unavailable revenue for capital lease is deferred and recognized as an inflow of resources in the period that the amounts become available. The SRIA also has deferred inflows for fees collected prior to the time requirements being met. The deferred inflows for pensions are an aggregate of items related to pensions as calculated under the same principles as the deferred outflows for pensions, and will be recognized as a reduction to pension expense in future reporting years. The deferred inflows for OPEB are an aggregate of items related estimated benefits paid after the measurement date as calculated under the same principles as the deferred outflows for OPEB, and will be recognized as a reduction to benefit expense in future reporting years.

Q. Self-Insurance Claims

Liabilities for reported claims and incurred but not reported claims (IBNR) are estimated based on an actuarial review of claims pending and historical experience.

R. Landfill Closure and Postclosure Care Payable

The County recognizes municipal solid waste landfill closure and post closure care costs under the State of Florida's Solid Waste Management Act of 1988, regulations of the Federal Environmental Protection agency and the GASB Statement No. 18, *Accounting for Municipal Solid Waste Landfill Closure and Post closure Care Costs*. The County is required to place a final cover on closed landfills and to provide long-term care for up to thirty years after final cover. These obligations for closure and postclosure are recognized in the Solid Waste Fund over the active life of the landfill, based on landfill capacity used to date.

S. Long Term Obligations

Payments on long term liabilities which are expected to be financed from governmental funds are accounted for as debt service expenditures. For proprietary fund types, long term debt and other obligations are reported as liabilities in the fund financing the obligation. In the government-wide and the proprietary fund financial statements these amounts are reported as liabilities in the statement of net position.

Debt issuance cost, except for prepaid insurance, are expensed in the period incurred. Prepaid insurance cost are reported as an asset and amortized in a systematic and rational manner over the duration of the related debt.

Legal debt margin for bond payments are governed by Florida Statutes 200.181. None of the provisions of this chapter limit or restrict the rate or amount of ad valorem taxes levied for the payment of the

principal and the interest on any debt service secured by revenue certificates or by bonds for which the full faith and credit of any taxing district may be pledged.

The County reports pollution remediation obligations, in accordance with GASB Statement No. 49, *Accounting and Financial Reporting for Pollution Remediation Obligations*. The circumstances under which the County will have to estimate, record, and disclose its expected outlays for pollution remediation include: the pollution is an imminent danger to public health or welfare; the government is in violation of a pollution prevention-related permit or license; the government has been named as a responsible party under Superfund or similar state laws; the government is named in a lawsuit that would require participation in remediation activities; or the government legally commits itself to conduct remediation activities.

T. Compensated Absences

The County's reporting of accumulated compensated absences complies with GASB Statement No. 16, *Accounting for Compensated Absences.* The County's policy permits eligible employees to accumulate a limited amount of earned but unused leave based on years of employment. While employees are encouraged to use their annual leave in the year that it is earned, unused leave time is paid upon separation of service. Compensated absences are recorded as a liability when the benefits are earned in the government-wide and proprietary fund financial statements. The governmental funds recognize an expenditure at the time payments are made to employees.

U. Other Post Employment Benefits (OPEB)

Under the provisions of GASB Statement No. 75 *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions* (OPEB), the government-wide and proprietary fund financial statements recognize the OPEB expense along with the related liability, deferred outflows and inflows of resources. The OPEB liability is the difference between the total OPEB liability and the plan's fiduciary net position. The plan is currently unfunded. The government-wide financial statements include the liability of all plan participants for the Board of County Commissioners, the Constitutional Officers, and the Santa Rosa Island Authority.

V. Net Pension Liability

The government-wide and proprietary fund financial statements net pension liability represents the County's proportionate share of the net pension liability of the cost-sharing pension plan in which it participates. The County participates in the Florida Retirement System (FRS) and the Health Insurance Subsidy Program (HIS) which are administered by the Florida Division of Retirement. For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, pension expense, additions/deductions, and information about the fiduciary's net position have been determined on the same basis as they are reported by this cost-sharing plan. Benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value. The government-wide financial statements include the liability of all plan participants for the Board of County Commissioners and the Constitutional Officers.

W. Fund Balance Reporting and Governmental Fund-Type Definitions

GASB Statement No. 54 *Fund Balance Reporting and Governmental Fund Type Definitions* clarify governmental fund balance classifications and fund-type definitions. The Board of County Commissioners is the County's highest level of decision-making authority. Governmental fund balances are classified either as nonspendable or spendable. Spendable fund balances (restricted, committed, assigned, or unassigned) are further classified below in a hierarchy based on the extent to which there are external and internal constraints on spending of these fund balances. These classifications are described as follows:

Nonspendable fund balance - include amounts that cannot be spent because they are not in spendable form or are legally or contractually required to be maintained intact. Nonspendable types consist of inventories, prepaid amounts, long-term amounts of other assets, loans, notes, and advances receivable, and may include property acquired for resale.

Restricted fund balance – include amounts that can be spent only for specific purposes stipulated by (a) external resource providers such as creditors (by debt covenants), grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed fund balance – Amounts that can be used only for the specific purposes determined by a formal action of an ordinance of the Board of County Commissioners, the highest level of decision making authority. Commitments may be changed or lifted only by the Board of County Commissioners taking the same formal action of an ordinance that imposed the constraint originally.

Assigned fund balance – comprises amounts intended to be used by the government for specific purposes. The Board of County Commissioners or management designee (via action by the Board of County Commissioners) has the authority as the official authorized to assign fund balance to a specific purpose as provided by the fund balance policy. In governmental funds other than the general fund, assigned fund balance represents the amount that is not restricted or committed. This indicates that the resources in other governmental funds are, at a minimum, intended to be used for the purpose of that fund.

Unassigned fund balance – is the residual classification for the general fund. This classification represents fund balance that has not been assigned to other funds and that has not been restricted, committed, or assigned to specific purposes within the general fund. Unassigned amounts are technically available for any purpose. Unassigned fund balance may also include negative balances for any governmental fund if expenditures exceed amounts restricted, committed, or assigned for those specific purposes.

The County has adopted a formal fund balance policy. It is the County's goal to maintain a targeted minimum unrestricted fund balance (the sum of the Committed, Assigned and Unassigned fund balance) equal to 2 months of the current fiscal year's operating expenditures and transfers out budgeted for the fund. This unrestricted fund balance is needed to cover short-term cash flow variations, economic downturns, or unanticipated events that would adversely affect the financial condition of the County and jeopardize the continuation of necessary public services.

Compliance with the provisions of the fund balance policy is reviewed as part of the annual budget adoption process and revisions to the levels of fund balance can be determined during this process. Budgeting of amounts of unassigned fund balance for the purpose of balancing the budget requires the Board of County Commissioners' approval.

When multiple categories of fund balance are available for expenditures, the County will start with the most restricted category, unless there are legal documents/contracts that prohibit this order, such as

grant agreements requiring dollar for dollar spending. Unassigned fund balance is used when expenditures are incurred for purposes which amounts in any classification could be used.

X. Net Position

The net positions of proprietary funds, governmental activities and business-type activities are made up of three components. *Net Investment in Capital Assets* which represents net capital assets less related long-term liabilities; unspent debt proceeds will increase this amount. The *Restricted* component of net position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets. The restricted component represents assets that are legally restricted. They include reserve funds, special revenues restricted by statute or ordinance, bond proceeds, and other sources restricted for capital or improvements. The *unrestricted* component of net position is the balance not included in the determination of net investment in capital assets or the restricted component of net position.

NOTE 2 - DEPOSITS AND INVESTMENTS

A. Cash and Cash Equivalents

At September 30, 2018, the County's carrying value of cash and cash equivalents totaled $200,862,090, which is presented as $191,154,902 in the statement of net position and $9,707,188 in the statement of fiduciary net position.

Additionally, funds are placed with the State Board of Administration for participation in the Florida Prime Investment Pool, created by Section 218.405, Florida Statutes. This investment pool operates under investment guidelines established by Section 215.47, Florida Statutes. The County's investment in the Florida Prime Investment Pool, a Security and Exchange Commission (SEC) Rule 2a7-like external investment pool is reported at amortized cost, which is not materially different from fair value. Rule 2a-7 is the rule that permits money market funds to use amortized cost to maintain a constant Net Asset Value (NAV) of $1.00 per share, provided that such funds meet certain conditions. The Florida Prime Investment Pool has a dollar weighted average days to maturity "WAM" of 33 days as of September 30, 2018. Next interest rate reset dates for floating rate securities are used in the calculation of the WAM. The weighted average life (WAL) of Florida Prime at September 30, 2018 is 72 days. There are no restrictions on redemptions. The Florida Prime Investment Pool is rated by Standard and Poors. The current rating is AAAm.

The County participates in the Florida Cooperative Liquid Asset Securities System (FLCLASS). This investment pool is a stable NAV Government Investment Pool established under Section 218.415, Florida Statutes; and is an intergovernmental investment authorized pursuant to the Florida Interlocal Cooperation Act of 1969. The County's investment in FLCLASS is reported at amortized cost, which is not materially different from fair value. FLCLASS has a dollar weighted average days to maturity "WAM" of 50 days as of September 30, 2018. Next interest rate reset dates for floating rate securities are used in the calculation of the WAM. The weighted average life (WAL) of FLCLASS at September 30, 2018 is 72 days. There are no restrictions on redemptions. FLCLASS is rated by Standard and Poors. The current rating is AAAm.

The County also participates in the Florida Fixed Income Trust (FL FIT). This investment pool is managed as a Constant NAV Government Investment Pool established under Section 218.415, Florida Statutes; and is an intergovernmental investment authorized pursuant to the Florida Interlocal Cooperation Act of 1969. The County's investment in the FL FIT Cash pool is reported at amortized cost, which is not materially different from fair value. FL FIT has a dollar weighted average days to maturity "WAM" of 120 days as of September 30, 2018. Next interest rate reset dates for floating rate securities are used in the calculation of the WAM. The weighted average life (WAL) of FLCLASS at September 30, 2018 is 81 days. There are no restrictions on redemptions. FL FIT is rated by Standard and Poors. The current rating is AAAf.

The County's cash deposits are held by banks that qualify as public depositories under the Florida Security for Public Deposits Act as required by Chapter 280, Florida Statutes. At September 30, 2018 the carrying amount of the County's cash deposits totaled $106,115,501, cash in money market funds totaled $15,391,642, the County's investment in the Florida Prime Investment Pool totaled $59,530,272, the County's investment in FLCLASS totaled $5,143,216 and the County's investment in FL FIT totaled $14,681,460.

B. Investment Portfolio

The Escambia County Board of County Commissioners and Escambia County Clerk of the Circuit Court and Comptroller (Clerk) formally adopted the comprehensive investment policy in January 2010. The policy was created pursuant to Section 218.415, Florida Statutes and established permitted investments, asset allocation limits, issuer limits, credit ratings requirements, and maturity limits to protect the County's cash and investment assets. The County maintains a common cash and investment pool for the use of all funds.

Section 218.415, Florida Statutes, limits the types of investments that a government can invest in unless specifically authorized in the County's investment policy. The Board adopted a list of permitted investments by ordinance, and updated the investment policy in May 2018. The policy allows for the following investments: US Government Securities, US Government Agencies, Federal Instruments, Interest Bearing Time Deposit or Savings Accounts, Agency Mortgage-Backed Securities, Asset-Backed Securities, Repurchase Agreements, Commercial Paper, Corporate Notes, Bankers' Acceptances, State and/or local government taxable and/or tax-exempt debt Registered Investment Companies (Money Market Mutual Funds), and Intergovernmental Investment Pools that contain no derivatives. Derivatives and reverse repurchase agreements are not permitted by the County's investment policy.

The County's investment policy provides asset allocation, issuer, and maturity limits to protect the County's cash and investments. The policy allows for a short-term strategy (maturities of 12 months or less) to provide for operating funds and a longer-term strategy (maturities not exceeding 5 years) for the "core" portion of the portfolio. As defined by GASB Statement 31, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools*, money market investments are reported at amortized costs rather than fair value. The County's investments as defined by GASB Statement No. 72, *Fair Value Measurement and Application* are reported at fair value based on level 1 inputs for quoted prices for identical investments in active markets.

The Constitutional Officers electing not to adopt a written investment policy are limited to investing funds pursuant to Section 218.415, Florida Statutes, and subsection (17). Those investments include the Local Government Surplus Trust Fund, or any authorized intergovernmental investment pool, SEC registered money market funds with the highest credit quality rating from a nationally recognized rating agency, interest-bearing time deposits or savings accounts in qualified public depositories, and direct obligations of the U.S. Treasury.

The County's investment portfolio consists of $159,124,106 in direct obligations of United States Treasury Securities, Federal Instruments, Commercial Paper, Corporate Notes, State and/or Local Government debt, and Local Government Investment Pool funds which are reported at fair value in accordance with GASB Statement No. 31, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools*, and GASB Statement No. 72, *Fair Value Measurement and Application*.

As of September 30, 2018, interest receivable on the County's investment portfolio amounted to $769,933.

The County had the following investment types by issuer and effective duration presented in terms of years:

Security Type		Fair Value	Weighted Average Duration (Years)	Credit Rating	Percentage of Portfolio
Short Term Investments:					
United States Treasury Securities	$	3,046,142	0.63	AA+	1.91%
Federal Instruments		17,387,207	0.68	AA+	10.93%
State and/or Local Government Debt		3,499,268	0.78	AA-	2.20%
Corporate Notes		5,483,172	0.50	A+	3.45%
Total short term investments		29,415,789			18.49%
Long Term Investments:					
United States Treasury Securities		36,038,428	2.32	AA+	22.65%
Federal Instruments		8,416,144	1.71	AA+	5.29%
Corporate Notes		14,266,131	2.68	A	8.97%
State and/or Local Government Debt		394,888	1.14	AA+	0.25%
Local Government Investment Pool		70,592,726	1.51	AAA	44.36%
Total long term investments		129,708,317			81.51%
Total Fair Value	$	159,124,106			100.00%
Portfolio Weighted Average Duration			1.65		

C. Fair Value of Investments

Escambia County measures and records its investments using fair value measurement guidelines established by generally accepted accounting principles. These guidelines recognize a three-tiered fair value hierarchy, as follows:

- *Level 1*: Quoted prices for identical investments in active markets;
- *Level 2*: Observable inputs other than quoted market prices; and
- *Level 3*: Unobservable inputs

At September 30, 2018, Escambia County had the following recurring fair value measurements.

	9/30/2018	Level 1	Level 2	Level 3
Investments by fair value level				
Debt Securities				
Corporate Notes - Long Term	$ 14,266,131	$ 14,266,131	$ -	$ -
Corporate Notes - Short Term	5,483,172	5,483,172	-	-
United States Treasury Securities - Long Term	36,038,428	36,038,428	-	-
United States Treasury Securities - Short Term	3,046,142	3,046,142	-	-
Federal Instruments - Long Term	8,416,144	8,416,144	-	-
Federal Instruments - Short Term	17,387,207	17,387,207	-	-
Local Government Investment Pool	70,592,726	70,592,726	-	-
State and/or Local Government Debt - Long Term	394,888	394,888	-	-
State and/or Local Government Debt - Short Term	3,499,268	3,499,268	-	-
Total debt securities	$ 159,124,106	$ 159,124,106	$ -	$ -
Investments (cash equivalents) measured at the net asset value (NAV)				
LGIP - FL Prime	59,530,272			
LGIP - FL FIT	14,681,460			
LGIP - FLCLASS	5,143,216			
Total investments measured at the NAV	79,354,948			
Total investments measured at fair value	**$ 238,479,054**			

D. Interest Rate Risk

The County's investment policy sets limits for investment maturities to match known cash needs and anticipated cash flow requirements. Investments of current operating funds have maturities no longer than twelve (12) months. Core funds, investments of reserves, project funds, debt proceeds, and other non-operating funds have a term appropriate for the needs of the funds in accordance with debt covenants, with a maximum term of five (5) years, and the average duration of the funds as a whole may not exceed three (3) years.

The County utilizes "weighted average duration" as a measurement of interest rate risk; as of September 30, 2018, the investments had a weighted average duration of 1.65 years.

The County had $4,527,454 of securities with embedded options consisting of the option at the discretion of the issuer to call their obligation or pay a stated increase in the interest rate as follows:

CUSIP	Description	Maurity Date	Market Value	Call Schedule	Call Date
46625HQJ2	JP Morgan Chase Corp (Callable) Notes	3/1/2021	$ 982,054	Continuous	2/1/2021
594918BA1	Microsoft Corp (Callable) Notes	2/12/2022	488,182	Continuous	1/12/2022
458140BB5	Intel Corp (Callable) Notes	5/11/2022	972,708	Continuous	4/11/2022
68389XBB0	Oracle Corp (Callable) Notes	5/15/2022	973,303	Continuous	3/15/2022
911312BC9	United Parcel Service (Callable) Notes	6/15/2022	483,137	Continuous	4/16/2022
92826CAG7	Visa (Callable) Notes	9/15/2022	628,070	Continuous	8/15/2022
			$4,527,454		

The County's long term portfolio has no federal instrumentalities mortgage pass-through securities.

The Local Government Investment Pool Short-Term Bond Fund contains asset-backed securities rated AAA or AA+, and collateralized mortgage obligations.

E. Credit Risk

The County's investment policy permits the following investments, which are limited to credit quality ratings from nationally recognized rating agencies as described below:

- U.S. Government Treasury Securities, U.S. Government Agency, and Federal Instruments.
- Commercial paper of any United States company that is rated, at the time of purchase, "Prime-1" by Moody's and "A-1" by Standard & Poor's (prime commercial paper).
- Corporate notes issued by corporations organized and operating within the United States or by depository institutions licensed by the United States that have a long-term debt rating, at the time of purchase, at a minimum "A" by Moody's and a minimum long-term debt rating of "A" by Standard & Poor's.
- Bankers' acceptances issued by a domestic bank or a federally chartered domestic office of a foreign bank, which are eligible for purchase by the Federal Reserve System, if at the time of purchase, the short-term paper is rated, at a minimum "P-1" by Moody's Investors Services and "A-1" by Standard & Poor's.
- Agency Mortgage Backed Securities that are issued or fully guaranteed as to principal and interest by a U.S. Federal agency or government sponsored enterprise; and asset backed securities with underlying collateral.
- State and/or local government taxable and/or tax-exempt debt, general obligation and/or revenue bonds, rated at least "Aa" by Moody's and "AA" by Standard & Poor's for long-term debt, or rated at least "MIG-2" by Moody's and "SP-2" by Standard & Poor's for short-term debt.

- Registered Investment Companies (Money Market Mutual Funds) rated "AAAm" by Standard & Poor's or the equivalent by another rating agency.

- Intergovernmental Investment Pool rated "AAAm, AAAf, S1" by Standard & Poor's or the equivalent by another rating agency.

As of September 30, 2018, the majority of the County's investment securities in the amount of $159,124,106 were all individually rated AAA, AA+ or A by Standard & Poors Rating Services. The County's $59,530,272 investment in the Florida State Board of Administration's Local Government Surplus Funds Trust Fund (Florida Prime Investment Pool) was rated by Standard and Poors. The current rating as of September 30, 2018 was AAAm. Additional information for the Florida Prime Investment Pool can be found at https://www.sbafla.com/prime/.

The County's $70,592,726 investment in the Local Government Investment Pool Short-Term Bond Fund is rated by Fitch. The current rating as of September 30, 2018 was AAAf, consisting of individually rated securities, primarily AAA rated. Additional information for the Florida Trust Short-Term Bond fund can be found at http://www.floridatrustonline.com.

The County's $5,143,216 investment in Florida Cooperative Liquid Asset Securities System (FLCLASS) Local Government Investment Pool was rated by Standard and Poors. The current rating as of September 30, 2018 was AAAm. Additional information for FLCLASS can be found at https://www.flclass.com.

F. Custodial Credit Risk

The County's investment policy requires securities, with the exception of certificates of deposits, to be held with a third party custodian; and all securities purchased by, and all collateral obtained by the County to be properly designated as an asset of the County. The securities must be held in an account separate and apart from the assets of the financial institution. Certificates of deposits are placed in the provider's safekeeping department for the term of the deposit.

As of September 30, 2018, the County's securities portfolio was held with a third-party custodian as required by the County's investment policy.

G. Concentration of Credit Risk

The County's investment policy establishes asset allocation and issuer limits on the following investments to reduce concentration of credit risk of the County's investment portfolio:

	Asset Allocation Maximum	Individual Issuer Limit
United States Government Securities	100%	N/A
United States Government Agencies (1)	100%	40%
Federal Instruments (1)	50%	25%
Interest Bearing Time Deposit or Saving Account	50%	15%
Repurchase Agreements	20%	10%
Commercial Paper	25%	5%
Corporate Notes	25%	5%
Agency Mortgage-Backed Securities	25%	25%
Asset-Backed Securities	25%	5%
Bankers' Acceptances	10%	5%
State and/or Local Government Taxable and/or Tax-Exempt Debt	25%	5%
Registered Investment Companies (Money Market Mutual Funds)	50%	25%
Intergovernmental Investment Pool (2)	75%	50%

(1) Treasury Strips are limited to 10% of available funds
(2) Fund may not contain derivatives

NOTE 3 – CAPITAL ASSETS

A. Changes in Capital Assets

The following show the changes in capital assets of governmental activities:

	Primary Government			
Governmental Activities	**Beginning Balance 10/1/2017**	**Increases**	**Decreases**	**Ending Balance 9/30/2018**
Capital Assets, Not Being Depreciated:				
Land	$ 60,615,067	$ 3,904,958	$ (8,650)	$ 64,511,375
Construction In Progress	19,585,718	27,131,113	(12,452,823)	34,264,008
Total Capital Assets, Not Being Depreciated	80,200,785	31,036,071	(12,461,473)	98,775,383
Capital Assets, Being Depreciated and Amortized:				
Buildings and Improvements	233,745,208	2,029,133	-	235,774,341
Equipment	139,051,028	8,360,191	(2,926,174)	144,485,045
Intangible Computer Software	8,698,164	82,714	-	8,780,878
Infrastructure	825,604,696	41,746,654	(130,443)	867,220,907
Total Capital Assets Being Depreciated	1,207,099,096	52,218,692	(3,056,617)	1,256,261,171
Less Accumulated Depreciation For:				
Buildings and Improvements	(111,205,704)	(7,186,149)		(118,391,853)
Equipment	(114,168,134)	(8,206,395)	2,854,065	(119,520,464)
Intangible Computer Software	(6,010,752)	(620,040)	-	(6,630,792)
Infrastructure	(500,840,119)	(31,174,123)	25,715	(531,988,527)
Total Accumulated Depreciation	(732,224,709)	(47,186,707)	2,879,780	(776,531,636)
Total Capital Assets, Being Depreciated, Net	474,874,387	5,031,985	(176,837)	479,729,535
Governmental Activities Capital Assets, Net	$ 555,075,172	$ 36,068,056	$ (12,638,310)	$ 578,504,918

The following is a summary of governmental activities depreciation and amortization expense by function. As used in this section, the term depreciation includes amortization of intangible assets:

Depreciation Governmental Activities:	
General Government	$ 11,463,736
Public Safety	10,056,918
Physical Environment	1,572,467
Transportation	16,217,213
Economic Environment	981,900
Human Services	109,395
Culture/Recreation	6,438,037
Court Related	279,289
Capital Assets held by the government's Internal Service Fund and charged to individual functions based on usage	67,752
Total Depreciation Expense - Governmental Activities	$ 47,186,707

The following shows the changes in capital assets of business type activities:

	Primary Government			
Business-type Activities	**Beginning Balance 10/1/2017**	**Increases**	**Decreases**	**Ending Balance 9/30/2018**
Capital Assets, Not Being Depreciated:				
Land	$ 5,793,269	$ -	$ -	$ 5,793,269
Construction In Progress	5,214,972	-	(246,260)	4,968,712
Total Capital Assets, Not Being Depreciated	11,008,241	-	(246,260)	10,761,981
Capital Assets, Being Depreciated:				
Buildings and Improvement	37,292,723	48,427	-	37,341,150
Equipment	27,482,200	1,935,506	(1,855,487)	27,562,219
Intangible Computer Software	176,255	-	-	176,255
Infrastructure	45,177,511	4,479,531	-	49,657,042
Total Capital Assets Being Depreciated	110,128,689	6,463,464	(1,855,487)	114,736,666
Less Accumulated Depreciation For:				
Buildings and Improvements	(28,143,822)	(876,352)	-	(29,020,174)
Equipment	(18,531,186)	(1,636,808)	-	(20,167,994)
Intangible Computer Software	(176,255)	(2,499,312)	1,723,345	(952,222)
Infrastructure	(24,550,519)	-	-	(24,550,519)
Total Accumulated Depreciation	(71,401,782)	(5,012,472)	1,723,345	(74,690,909)

Infrastructure	867,220,907	49,657,042	916,877,949
Capital Assets, Being Depreciated:	1,256,261,171	114,736,666	1,370,997,837
Less: Accumulated Depreciation	(776,531,636)	(74,690,909)	(851,222,545)
Total Capital Assets, Being Depreciated, Net:	479,729,535	40,045,757	519,775,292
Total Capital Assets, Net	$ 578,504,918	$ 50,807,738	$ 629,312,656

C. Construction and Other Contractual Commitments

The following is a summary of major construction and other contractual commitments outstanding as of September 30, 2018:

Projects	Spent-to-Date	Remaining Commitment
Governmental Activities:		
Building Projects	$ 278,515	$ 78,320
County Jail Facility	16,016,680	120,632,185
Environmental Projects	7,936,951	6,426,343
Road & Bridge Projects	24,188,757	24,720,908
Pensacola Beach Projects	2,381,827	1,420,135
Economic Development Projects	13,508,104	2,655,958
Parks Projects	396,236	133,456
Toll Facility Projects	606,340	3,423,652
Vehicles and Equipment	27,589	1,320,712
Transit	76,110	223,990
Community Redevelopment Projects	129,397	123,373
Disaster Recovery-Flood Projects	271,934	164,920
Total	$ 65,818,440	$ 161,323,952
Business Type Activities		
Solid Waste Landfill Projects	$ 4,559,391	$ 3,880,797
Public Safety Equipment	-	9,999
Total	$ 4,559,391	$ 3,890,796

D. Discretely Presented Component Units

Capital assets activity for the Santa Rosa Island Authority, a discretely presented component unit, for the year ended September 30, 2018, was as follows:

	Component Unit			
Santa Rosa Island Authority	**Beginning Balance 10/1/2017**	**Increases**	**Decreases**	**Ending Balance 9/30/2018**
Capital Assets, Being Depreciated:				
Buildings	1,127,549	-	-	1,127,549
Improvements other than Buildings	10,807	-	-	10,807
Equipment	239,035	8,157	(10,483)	236,709
Total Capital Assets Being Depreciated	1,377,391	8,157	(10,483)	1,375,065
Less Accumulated Depreciation For:				
Capital Assets	(754,360)	(44,446)	10,483	(788,323)
Capital Assets, Net	$ 623,031	$ (36,289)	$ -	$ 586,742

The following is a summary of the component unit business-type activities depreciation expense by program:

Depreciation component unit:	
Santa Rosa Island Authority	$ 44,446
Total Depreciation Expense - Component Unit	$ 44,446

NOTE – 4 INTERFUND RECEIVABLES, PAYABLES, ADVANCES, AND TRANSFERS

The composition of interfund balances as of September 30, 2018 is as follows:

	Receivable From Other Funds	**Payable to Other Funds**
Major Funds:		
General Fund	$ 2,245,530	$ 462,790
Major Special Revenue Funds:		
Mass Transit	-	2,000,000
Major Capital Project Fund:		
Local Option Sales Tax Fund (LOST)	-	234,153
Non-major Funds:		
Special Revenue Funds	188,189	571,894
Internal Service Fund	835,118	-
	$ 3,268,837	$ 3,268,837

	Advances Receivable from Other Funds	Advances Payable to Other Funds
Major Funds:		
Major Special Revenue Funds:		
Disaster Recovery Fund	$ -	$ 10,993,433
Major Capital Project Fund:		
Local Option Sales Tax Fund (LOST)	13,745,005	-
Non-major Funds:		
Special Revenue Funds	-	2,751,572
	$ 13,745,005	$ 13,745,005

Interfund receivables and payables resulted primarily from revenues accrued in certain funds that are transferred to other funds. Advances consist primarily of transactions between funds to finance operations, provide services, construction of assets and to service debt.

	Transfers In	Transfers Out
Major Funds:		
General Fund	$ 7,422,396	$ 13,330,053
Major Special Revenue Funds:		
Mass Transit Authority	-	23,837
CRA	17,500	-
Major Capital Project Fund:		
2017 Series Capital Project Fund	6,174,261	-
Mass Transit Authority - FTA Capital Fund	23,837	-
Local Option Sales Tax (LOST)	-	13,299,545
Major Enterprise Fund:		
Solid Waste Fund	-	381,297
Emergency Medical Service Fund	-	3,596,251
Non-major Funds:		
Special Revenue Funds	8,768,815	7,513,757
Debt Service Funds	14,442,290	-
Enterprise Funds	1,300,000	-
Internal Service Fund	-	4,359
	$ 38,149,099	$ 38,149,099

Transfers to or from other funds are based on budgetary requirements. Transfers are also used to move pledged revenue for debt service from the funds collecting the revenue to the debt service fund as required for bond coverage.

NOTE 5 – OTHER ASSETS

A summary of other assets as of September 30, 2018 is as follows:

	General Fund	LOST Fund	Total
PEDC receivable	$ 12,431	$ 2,218,838	$ 2,231,269
City of Pensacola receivable	-	3,200,000	3,200,000
IHMC loan receivable	-	7,939,911	7,939,911
SRIA loan receivable	-	3,745,000	3,745,000
PDC lease receivable	3,237,456	-	3,237,456
	$ 3,249,887	$ 17,103,749	$ 20,353,636

A. PEDC Receivable

The County has an interlocal agreement with the Pensacola Economic Development Commission (PEDC) to fund the development of the Downtown Technology Park Infrastructure. The majority of the funding source is from Local Option Sales Tax. There is no time limitation on the repayment; however, net proceeds from the sale of each Downtown Technology Park lot will be applied to the outstanding balance.

B. City of Pensacola Receivable

The County has an interlocal agreement with the City of Pensacola relating to the funding of a capital construction project at the Pensacola International Airport to aid in the development and improvement of the local economy. Under this agreement, the County provided $3.2 million to the City to assist with this project and the funds are required to be repaid no later than December 31, 2019.

C. IHMC Note Receivable

On November 14, 2013, the County and the Florida Institute for Human and Machine Cognition, Inc., (IHMC) entered into an agreement whereby the County's LOST Fund committed to loan up to $12 million to IHMC for paying off existing indebtedness and expansion of facilities in downtown Pensacola. As of September 30, 2018 the cumulative amounts borrowed by IHMC totaled $11,994,700. The remaining available amount of $5,300 will be utilized to pay debt service. The loan bears interest at 3.14% and is payable to the County over a 15 year period under a payment plan whereby fixed payments are required based upon the assumption that all $12 million was drawn by IHMC at inception of the agreement. The principal balance owed at September 30, 2018 was $7,939,911. IHMC is committed to making the following payments to the County under the payment plan:

Year	
2019	$ 1,012,067
2020	1,011,736
2021	1,011,684
2022	1,011,878
2023	1,011,287
2023-2028	5,058,682
	$ 10,117,334

D. SRIA Note Receivable

On September 30, 2014, the County and the Santa Rosa Island Authority (SRIA) entered into an interlocal agreement with the County for the County to provide up to $8.5 million of financing for sand re-nourishment and restoration on Santa Rosa Island. During prior years SRIA borrowed the entire $8.5 million under this agreement at a variable interest rate. The loan is payable to the County over a 7 year period under a payment plan whereby fixed payments are required based on the assumption that all $8.5 million was drawn by SRIA at inception of the agreement. The principal balance owed at September 30, 2018 was $3,745,000. SRIA is committed to making the following payments to the County under the payment plan:

Year		
2019	$	1,230,000
2020		1,250,000
2021		1,265,000
	$	3,745,000

E. PDC Capital Lease Receivable

The County has a capital lease agreement with Pensacola Developmental Center (PDC) for 7.08 acres of property and buildings used as an intermediate care facility for the developmentally disabled. The lease provides for transfer of ownership of the buildings and property at the conclusion of the lease. Terms of the lease include monthly payments of principal and interest at 5% per annum. The lease expires June 30, 2036.

The remaining lease payments are a deferred inflow of resources of the General Fund. As of September 30, 2018 future lease payments totaling $3,237,456 consists of principal of $2,143,309, and interest of $1,094,147. In the government-wide financial statements, only the interest is reported as a deferred inflow.

The future capital lease receivable and the net present value of the minimum lease payments as of September 30, 2018, were as follows:

Capital Lease Receivable		
Balance 10/01/2017	$	2,216,539
Additions		-
Principal reductions		(73,230)
Balance 09/30/2018	$	2,143,309

Future Lease Payments		
2019	$	182,392
2020		182,392
2021		182,392
2022		182,392
2023		182,392
2024-2036		2,325,496
Total minimum lease payment		3,237,456
less: amount representing interest		(1,094,147)
Present value of minimum lease payments	$	2,143,309

NOTE 6 - LONG TERM LIABILITIES

A. Schedule of Changes in Long Term Liabilities

The County's outstanding long-term debt includes bonds payable, revenue notes payable, claims payable, compensated absences, other post employment benefits, net pension liability-proportionate share, claims and judgments, accrued landfill closure costs, and remediation costs.

The following is a schedule of changes in the County's long term liabilities for the fiscal year ended September 30, 2018:

	Balance 10/1/17	Additions	Reductions	Balance 9/30/2018	Due Within One Year
Governmental Activities:

Total Revenue Bonds			115,545,000		
Revenue Notes:					
Sales Tax Refunding Revenue Note					
Series 2012	Refunding	$ 48,040,000	$ 36,900,000	2.820%	10/1/2032
Tourist Development Refunding Revenue Note					
Series 2012	Refunding	8,406,000	1,270,000	1.599%	10/1/2019
Capital Improvement Revenue Note					
Series 2013	Capital Project	12,000,000	8,569,000	3.816%	10/1/2028
Capital Improvement Revenue Note					
Series 2014	Capital Project	8,500,000	3,745,000	1.390%	10/1/2021
Total Revenue Notes			50,484,000		
Total Bonds & Notes Payable - Governmental Activities			**$ 166,029,000**		

C. Pledged Revenues

Escambia County has pledged certain revenues to repay certain bonds and notes outstanding at September 30, 2018. The following table reports the revenues, sometimes net of related operating expenses, pledged for each debt issue, the amount of such revenues received in the current year, the current year principal and interest paid on the debt, the approximate percentage of each revenue which is pledged to meet the debt obligation, the date through which the revenue is pledged under the debt agreement, and the total pledged future revenues for each debt, which is the amount of the remaining principal and interest on the bonds and notes at September 30, 2018:

Governmental Activities	**Revenue Pledged**	**Current Year Total Revenue**	**Pledged Outstanding Principal & Interest**	**Estimated Revenue Percentage Pledged**	**Principal & Interest Paid**	**Maturity Calandar Year**
Revenue Bonds and Notes:						
Capital Improvement Refunding Revenue Bond Series 2011	Non-Ad valorem	$ 1,395,101	$ 17,873,172	99%	$ 1,395,173	2031
Sales Tax Refunding Revenue Bond Series 2011	Half Cent Sales Tax	25,920,787	30,664,089	9.1%	2,397,059	2031
Sales Tax Revenue Bond Series 2017	Half Cent Sales Tax	25,920,787	154,724,500	20.6%	4,197,000	2047
Sales Tax Refunding Revenue Note Series 2012	Half Cent Sales Tax	25,920,787	45,692,385	12.6%	3,101,930	2032
Tourist Development Refunding Revenue Note Series2012	Tourist Development Tax	10,201,572	1,290,307	12.6%	1,289,279	2019
Capital Improvement Revenue Note Series 2013	Non-Ad valorem	1,058,730	10,450,813	99%	1,058,790	2019
Capital Improvement Revenue Note Series 2014	Non-Ad valorem	1,284,444	3,849,598	100%	1,283,944	2021
Total Revenue Bonds and Notes - Governmental Activities			$ 264,544,864		$ 14,723,175	

D. Compensated Absences

Compensated absences are accrued in proprietary funds at year end. The County does not accrue compensated absences in governmental funds; however, compensated absences paid in governmental funds are charged to the fund and function in which the employee was related and are reported as a liability on the governmental activities statement of net position. The following is a summary schedule of compensated absences as of September 30, 2018:

	Balance 10/1/17	Additions	(Reductions)	Balance 9/30/18
Governmental Activities:				
Board of County Commissioners	$ 12,969,811	$ 7,636,071	$ (7,362,739)	$ 13,243,143
Clerk	628,895	195,287	(264,396)	559,786
Property Appraiser	388,650	335,540	(313,944)	410,246
Supervisor of Elections	183,470	83,565	(73,901)	193,134
Sheriff	11,173,699	5,973,014	(5,919,123)	11,227,590
Tax Collector	506,009	359,865	(409,867)	456,007
Internal Service Fund - BCC	283,078	154,228	(161,870)	275,436

2044-2047	23,010,000	2,575,451	-	-	25,585,451
Total	$ 115,545,000	$ 87,716,761	$ 50,484,000	$ 10,799,103	$ 264,544,864

The following schedule shows the minimum and maximum future principal installments.

Governmental Activities:	**Annual Principal Installment Amounts**			
Revenue Bonds:				
Capital Improvement Refunding Revenue Bond, Series 2011	$ 885,000	to	$	1,280,000
Sales Tax Refunding Revenue Bond, Series 2011	$ 1,530,000	to	$	2,205,000
Sales Tax Revenue Bond, Series 2017	$ 510,000	to	$	6,180,000
Revenue Notes:				
Sales Tax Refunding Revenue Note, Series 2012	$ 2,050,000	to	$	5,225,000
Tourist Development Refunding Revenue Note, Series 2012	$ 1,270,000	to	$	1,270,000
Capital Improvement Revenue Note, Series 2013	$ 743,000	to	$	981,000
Capital Improvement Revenue Note, Series 2014	$ 1,230,000	to	$	1,265,000

H. Long-Term Debt – Bonds and Notes

The **Sales Tax Refunding Revenue Bond, Series 2011** in the aggregate amount of $29,535,000 was issued on October 21, 2011. The bonds have a fixed interest rate of 3.060% and a maturity date of October 1, 2031. The proceeds of this bond were used to advance refund a portion of the Sales Tax Revenue Refunding Bonds Series 2002. The Bond is secured by certain pledged revenues consisting primarily of amounts received by the County as proceeds of the Local Government Half-Cent Sales Tax.

The **Capital Improvement Refunding Revenue Bond, Series 2011** in the aggregate amount of $19,345,000 was issued on December 9, 2011. The Bonds have a fixed interest rate of 3.110% and a maturity date of October 1, 2031. The proceeds of the 2011 Bond were used to advance refund all of the outstanding Capital Improvement Revenue Bonds Series 2002. The Bond is secured by a covenant to budget and appropriate from available Non-Ad Valorem revenues.

The **Sales Tax Refunding Revenue Note, Series 2012** in the aggregate amount of $48,040,000 was issued on August 1, 2012. The Note has a fixed interest rate of 2.820% and a maturity date of October 1, 2032. The proceeds of the 2012 Note refunded on a current basis the balance of the Sales Tax Revenue Refunding Bonds Series 2002. The Bond is secured by certain pledged revenues consisting primarily of amounts received by the County as proceeds of the local Government Half-Cent Sales Tax.

The **Tourist Development Refunding Revenue Note, Series 2012** in the aggregate amount of $8,406,000 was issued on November 19, 2012. The note has a fixed interest rate of 1.599% and a maturity date of October 1, 2019. The proceeds of this note advance refunded the Tourist Development Revenue Refunding Bond, Series 2002; authorized for the purpose of the acquisition, construction, reconstruction of certain transportation facilities and certain beach nourishment improvements. The Bond is secured by a covenant to budget and appropriate from available Non-Ad Valorem revenues, and certain pledged revenues consisting of amounts received by the County as proceeds of the local Tourist Development Tax.

The **Capital Improvement Revenue Note, Series 2013** in the amount of $12,000,000 was issued on November 14, 2013. The Note has a fixed interest rate of 3.140% and a maturity date of October 1, 2028. The proceeds were used to reimburse the LOST fund for acquisition and construction of certain transportation and drainage related capital improvements of the County. The Note is secured by a covenant to budget and appropriate from legally available Non-Ad Valorem revenues.

The **Capital Improvement Revenue Note, Series 2014** in the amount of $8,500,000 was issued on September 30, 2014. The Note has a fixed interest rate of 1.390% and a maturity date of October 1, 2021. The proceeds of this note, in addition to matching funds approved by the State of Florida, were used to re-nourish 8.2 miles of Pensacola Beach located on Santa Rosa Island. The Note is secured by a covenant to budget and appropriate from legally available Non-Ad Valorem revenues.

The **Sales Tax Revenue Bond, Series 2017** for a par amount of $78,060,000 and a net premium of $10,682,424 was issued on June 22, 2017. The bonds have coupon rates ranging from 2% to 5%, with the yield ranging from .93% to 3.69% and a maturity date of October 1, 2047. The proceeds of this bond are reported in the 2017 Capital Projects fund and are being used for the construction of the new Jail Facility. The bond is secured by certain pledged revenues consisting of amounts received by the County as proceeds of the Local Government Half-Cent Sales Tax. As of September 30, 2018 there were unspent proceeds and net premium of $78,219,710.

I. Conduit Debt Obligations

Conduit debt obligations have been established in the County's name by private-sector entities for the acquisition and construction of industrial and commercial facilities deemed to be in the public interest. The bonds are secured by the property financed and are payable solely from payments received on the underlying mortgage loans and leases. Neither the County, nor the State, nor any political subdivision thereof, is obligated in any manner for repayment of the bonds. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements. As of September 30, 2018, the outstanding conduit debt of Escambia County is $370,950,000.

J. Landfill Closure and Postclosure Care Liability

State and federal laws and regulations require the County to place a final cover on its landfill when closed and to perform certain maintenance and monitoring functions at the landfill site for thirty years after closure. The cost of closure and postclosure care is allocated based on landfill capacity used to date and the type of waste being collected. The Beulah, Klondike, Mobile Highway, and Camp Five landfills are closed. Perdido Landfill is the only currently open landfill. Perdido Landfill design life is 66 years and future landfill cells will provide disposal capacity through 2055.

As of September 30, 2018, Perdido Landfill's Class I capacity is at 43.94%, leaving an estimated life of thirty seven (37) years remaining. The accrued cost for closure care and postclosure care as of September 30, 2018, is $16,483,068. The remaining closure and postclosure costs to be recognized, based upon the current engineering estimates are $21,370,619, and will be recognized as the remaining estimated capacity is used. All amounts recognized are based on an estimate by the County's engineers of the cost to perform all closure and postclosure care as of September 30, 2018. Actual costs may be different due to inflation, deflation, changes in technology, or changes in laws and regulations. The landfill is in the process of expansion to add additional capacity and useful life.

The County is required by state and federal laws and regulations to establish escrow accounts for closure and postclosure costs of the landfill. The County has complied with these requirements by depositing required amounts into a landfill management escrow account. Any balance in the account is reported as a restricted asset on the statement of net position of the Solid Waste Enterprise Fund. The restricted escrow balance as of September 30, 2018 is $9,219,916.

Closure and Postclosure Care Liability:

	2018	2017
Current	$ 74,693	$ 78,066
Long-term	16,408,375	15,627,151
Total Liability	$ 16,483,068	$ 15,705,217

K. Pollution Remediation Obligation

The County has identified potential pollution sites within the County which may require remediation. The county tracks, but does not report a liability for sites which are part of the State of Florida Department of Environmental Protection (FDEP) cleanup program funded by the State. Information on these locations and on scoring of projects is located on the FDEP website at www.dep.state.fl.us./waste.

The former Escambia County Mosquito Control Facility pollution remediation expenditures were approximately $52,000 during fiscal year 2018. Revised estimates for projected costs through 2019 are $100,000.

Pollution remediation obligations are an estimate and subject to changes resulting from price increases or reductions, technology or changes in applicable laws or regulations. The government does not expect to recover any amounts for remediation cost from any other party. The total pollution remediation obligation reported at September 30, 2018 in the governmental activities statement of net position is estimated to be approximately $180,000.

NOTE 7 - RISK MANAGEMENT PROGRAM

The County maintains a risk management program whereby the County is responsible for specific workers' compensation, general property and casualty, and auto liability claims. The risk management program is additionally responsible for active employee and retiree medical, prescription drug, and dental plans. The Santa Rosa Island Authority and Escambia County Law Library Board are also covered through the County's risk management program. The following are the types of risks and coverage:

Workers Compensation – The County is covered for workers' compensation claims through a policy with the Florida Municipal Insurance Trust. Coverage limits under the policy include statutory limits, as well as $1,000,000 bodily injury for each accident and $1,000,000 bodily injury by disease for each employee with an aggregate $1,000,000 policy limit.

Casualty and Property – The County is self-insured for liability. Limits, unless immunity is waived, are $200,000 per claim with a $300,000 aggregate limit pursuant to Florida's Sovereign Immunity Statute § 768.28. Property limits are $75 million for all Risks including flood and wind with a $25,000 deductible per occurrence.

Medical – The County offers medical and dental benefits to employees and retirees, under self-insured plans administered by Florida Blue and Delta Dental. Effective January 1, 2016 medical limits are self-insured for $250,000 annually per covered individual, with annual $1,000,000 aggregate stop loss coverage.

The County currently reports all of its risk management activities, including claims liabilities, in the Internal Service Fund. Liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Liabilities on workers compensation, casualty and property claims prior to June 9, 2008 include an amount for claims that have been incurred but not reported (IBNR). The claims liabilities totaling $9,971,921 reported in the Internal Service Fund at September 30, 2018 are actuarially determined based on historical and current information regarding the Fund. There were no settlements in excess of the insurance coverage in any of the three prior fiscal years.

Changes in the estimated liability for self-insured losses for the past two years are as follows:

Workers compensation, casualty & property:

	2018	2017
Unpaid claims, beginning	$ 8,680,464	$ 9,369,181
Claims incurred and changes in estimates	1,260,869	7,599,557
Less: claims paid	(1,668,412)	(8,288,274)
Unpaid claims, ending	$ 8,272,921	$ 8,680,464
Estimated claims due within one year	(1,469,831)	(1,627,972)
Estimated claims due longer than one year	$ 6,803,090	$ 7,052,492

Medical:

	2018	2017
Unpaid claims, beginning	$ 1,105,000	$ 897,000
Changes in estmates	594,000	208,000
Claims incurred	22,596,188	36,884,506
Less: claims paid	(22,596,188)	(36,884,506)
Unpaid claims, ending	$ 1,699,000	$ 1,105,000
Estimated claims due within one year	(1,699,000)	(1,105,000)
Estimated claims due longer than one year	$ -	$ -

NOTE 8 - RETIREMENT SYSTEM

The County participates in the Florida Retirement System (FRS) which is a cost sharing multiple employer contributory retirement system administered by the State of Florida (State). The FRS was established in 1970 by Chapter 121, Florida Statutes. In 2002 the FRS was amended to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. Rules governing the operation and administration of the system may be found in Chapter 60S of the Florida Administrative Code. Chapter 112, Florida Statutes established the Retiree Health Insurance Subsidy (HIS) Program, a cost–sharing multiple employer defined benefit pension plan to assist retired members of any state-administered retirement system in paying the cost of health insurance.

The State of Florida Retirement System issues a publicly available stand-alone financial report (CAFR) which includes financial statements and required supplementary information. Also available are the pension systems actuarial reports to support the schedules of employer allocations and schedules of pension amounts by employer. These reports are available on the division's website at http://www.dms.myflorida.com/workforce_operations/retirement/publications.

The CAFR and actuarial reports may also be obtained by contacting the Division of Retirement at:

Department of Management Services
Division of Retirement

P.O. Box 9000
Tallahassee, FL 32315-9000

850-488-5706 or toll free 877-377-1737

There are six classes of membership applicable to the County. Members are eligible for normal retirement when they have met the requirements listed below. Early retirement may be taken any time after vesting within 20 years of normal retirement age; however, there is a 5 percent benefit reduction for each year prior to the normal retirement age.

- ***Regular Class, Senior Management Service Class, and Elected Officers' Class Members –*** For members initially enrolled in the FRS before July 1, 2011, six or more years of creditable service and age 62, or the age after completing six years of creditable service if after age 62. Thirty years of creditable service regardless of age before age 62. For members initially enrolled in the FRS on or after July 1, 2011, eight or more years of creditable service and age 65, or the age after completing eight years of creditable service if after age 65. Thirty-three years of creditable service regardless of age before age 65.

- ***Special Risk Class and Special Risk Administrative Support Class Members*** – For members initially enrolled in the FRS before July 1, 2011, six or more years of Special Risk Class service and age 55, or the age after completing six years of Special Risk Class service if after age 55. Twenty- five years of special risk service regardless of age before age 55. A total of 25 years of service including special risk service and up to four years of active duty wartime service and age 52. Without six years of Special Risk Class service, members of the Special Risk Administrative Support Class must meet the requirements of the Regular Class. For members initially enrolled in the FRS on or after July 1, 2011, eight or more years of Special Risk Class service and age 60, or the age after completing eight years of Special Risk Class service if after age 60. Thirty years of special risk service regardless of age before age 60. Without eight years of Special Risk Class service, members of the Special Risk Administrative Support Class must meet the requirements of the Regular Class.

- **The Deferred Retirement Option Program (DROP)** is available under the FRS Pension Plan when the member first reaches eligibility for normal retirement. The DROP allows a member to retire while continuing employment for up to 60 months.

FRS Membership and Plan Benefits - The FRS Pension Plan provides retirement and disability benefits, death benefits and survivor's benefits. Members are also eligible for in-line-of-duty or regular disability benefits if permanently disabled and unable to work. Benefits are established by State Statutes. Retirement benefits are based on a formula comprised of age, average compensation, length of FRS service, and membership class. Average compensation is computed as the average of an individual's five highest years of earnings for employees hired before July 1, 2011 or eight highest years of earnings for employees hired on or after July 1, 2011. The amount of benefit payments is also affected by the retirement income option chosen by the plan participant.

Pension plan participants may choose to receive benefit in retirement under one of four options which will include a 3% cost-of-living adjustment each July (adjustments are only applicable for FRS service earned prior to July 1, 2011).

If a pension plan participant leaves FRS-covered employment, the pension plan benefit is frozen until the employee returns to FRS-covered employment or begins receiving early or normal retirement benefit.

HIS Membership and Plan Benefits - The HIS membership is available to all members within the FRS and defined contribution Investment Plan. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. Eligible retirees and beneficiaries receive a monthly HIS payment equal to the number of years of service credited at retirement multiplied by $5. The minimum payment is $30 and the maximum payment is $150 per month, pursuant to section 112.363 Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

Contribution Requirements -The County is required to contribute at an actuarially determined rate; these rates are a percent of annual covered payroll. Employees are required to contribute 3% of their annual salary, while members participating in DROP are not required to make the 3% contribution. The County's contractually required contribution rate includes the HIS contribution, .06% administrative and educational fee and any applicable unfunded actuarial liability "UAL" rates. The HIS required contribution rate is 1.66% for both the 2018 and 2019 FRS plan years. This contribution when combined with the employee contribution is expected to finance the cost of the benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability.

Descriptions and contribution rates in effect during the period ended September 30, 2018 and two preceding FRS fiscal years are as follows:

	7/1/18-9/30/18	7/1/17-6/30/17	7/1/16-6/30/16	7/1/15-6/30/16
Regular Class - Members not qualifying for other classes:	8.26%	7.92%	7.52%	7.26%
Senior Management:	24.06%	22.71%	21.77%	21.43%
Elected Officials Class:	48.70%	45.50%	42.47%	42.27%
Deferred Retirement Option Program (DROP):	14.03%	13.26%	12.99%	12.88%
Special Risk Class - Members employed as law enformement officers, firefighters, or correctional officers meet the criteria to qualify for this class:	24.50%	23.27%	22.57%	22.04%
Special Risk Administrative Support:	34.98%	34.63%	28.06%	32.95%

For the years ending September 30, 2018, 2017, 2016, the County contributed $19,300,469, $17,499,025, and $16,500,788 respectively, equal to 100% of the required contributions for each year.

The Florida Legislature has the authority for establishing or amending retirement legislation and related bills of significance to members of the Florida Retirement System (FRS). Passed bills are presented to the Governor and approved before they may be enacted into law.

Net pension liability, deferred outflows/inflows of resources and pension expense related to the County defined benefit pension plan

At September 30, 2018, the County reported a liability of $200,227,631 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1,

2018. The County's proportion of the net pension liability was based on the County's long-term share of contributions to the FRS relative to the contributions of all participating governments. At June 30, 2018, the County's change in proportion was decreased from its proportion measured as of June 30, 2017.

The following table presents the information on the County's proportionate share of the FRS and HIS:

	FRS	HIS	County Total
Proportionate Share of Net Pension Liability at June 30, 2018	$ 161,630,752	$ 38,596,879	$ 200,227,631
County's proportion at June 30, 2018	0.0053661	0.0036467	
County's proportion at June 30, 2017	0.0055334	0.0036815	
Change in proportion during current year	-0.0001673	-0.0000348	

For the fiscal year ended September 30, 2018, the County recognized pension expense of $13,479,141.

At September 30, 2018, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	FRS		HIS		County Total
	Deferred Outflow	Deferred Inflow	Deferred Outflow	Deferred Inflow	Deferred Outflow (Deferred Inflow)
Differences between expected and actual experience	$ 13,692,554	$ 496,975	$ 590,901	$ 65,575	$ 13,720,905
Changes in assumptions	52,813,069	-	4,292,450	4,080,785	53,024,734
Net difference between projected and actual earnings on pension plan investments	-	12,487,946	23,298	-	(12,464,648)
Changes in proportion and differences between County contributions and proportionate share of contributions	10,682,742	8,500,805	3,519,429	2,508,880	3,192,486
County contributions subsequent to the measurement date	3,908,162	-	473,257	-	4,381,419
	$ 81,096,527	$ 21,485,726	$ 8,899,335	$ 6,655,240	$ 61,854,896

The $4,381,419 reported as deferred outflows related to pensions resulting from the County's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended September 30, 2019. The significant change in assumption was the decrease in the discount rate. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

Reporting year Ending Sept 30,	FRS	HIS	County Total Deferred Outflow (Deferred Inflow)
2019	$ (21,581,546)	$ (1,236,787)	$ (22,818,333)
2020	(14,728,508)	(1,232,212)	(15,960,720)
2021	(2,053,586)	(863,248)	(2,916,834)
2022	(9,807,258)	(193,890)	(10,001,148)
2033	(6,557,711)	1,203,525	(5,354,186)
Thereafter	(974,030)	551,774	(422,256)
TOTALS	$ (55,702,639)	$ (1,770,838)	$ (57,473,477)

The total FRS pension liability as of the actuarial valuation date of July 1, 2018 was determined based on the discount rate using the following actuarial assumptions, applied to all periods included in the measurement. The total pension liability is calculated using the Individual Entry Age Normal cost allocation method, which differs from the Ultimate Entry Age Normal cost allocation method used in the funding valuation for the system.

FRS actuarial methods and assumptions are:

Valuation Date	7/1/2018
Measurement Date	6/30/2018
Actuarial cost allocation method	Individual Entry Age Normal
Amortization method	Level Percentage of Pay, Closed
Equivalent single amortization period	30 years
Asset valuation method	Fair market value
Actuarial Assumptions:	
Discount rate	7.00%
Long-term expected rate of return, net of investment expense, including inflation	7.00%
Municipal bond rate	N/A
Inflation	2.60%
Salary increases including inflation	3.25%

Mortality rates were based on the Generational RP-2000 with projection scale BB.

HIS actuarial methods and assumptions are:

Valuation Date	7/1/2018
Measurement Date	6/30/2018
Actuarial Assumptions:	
Discount rate	3.87%
Long-term expected rate of return, net of investment expense, including inflation	N/A
Municipal bond rate	3.87%
Inflation	2.60%
Salary increases including inflation	3.25%

Mortality rates were based on the Generational RP-2000 with projection scale BB.

The actuarial assumptions that determined the total pension liability as of June 30, 2018 were based on the results of an actuarial experience study for the period of July 1, 2008 – June 30, 2013.

The discount rate used for calculating the total FRS pension liability was 7.0%, The FRS plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long term expected rate of return. The discount rate used for calculating the total HIS pension liability is equal to the single rate that results in the same actuarial present value as would be calculated by using two different discount rates for the discount at the long-term expected rate of return for benefit payments prior to the projected depletion of the fiduciary net pension (trust assets) and the discount at a municipal bond rate for benefit payments after the projected depletion date. The HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the plan sponsor.

The long term expected rate of return on pension plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption.

The target allocation and best estimates of arithmetic and geometric real rates of returns for each major asset class are summarized in the following table:

Asset Class	Target Allocation (1)	Annual Arithmetic Return	Compound Annual (Geometric) Return	Standard Deviation
Cash	1%	2.9%	2.9%	1.8%
Fixed income	18%	4.4%	4.3%	4.0%
Global equity	54%	7.6%	6.3%	17.0%
Real estate	11%	6.6%	6.0%	11.3%
Private equity	10%	10.7%	7.8%	26.5%
Strategic investments	6%	6.0%	5.7%	8.6%
	100.0%			
Assumed Inflation - Mean			2.6%	1.9%

(1) As outlined in the Plan's investment policy

Sensitivity of the County's proportionate share of the pension liability to changes in the discount rate is calculated using the discount rate for the respective plans, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower or 1-percentage point higher than the current rate:

FRS Net Pension Liability (Asset)		
1% decrease 6.00%	Current Discount Rate 7.00%	1% Increase 8.00%
$ 294,982,901	$ 161,630,752	$ 50,873,908

HIS Net Pension Liability (Asset)		
1% decrease 2.87%	Current Discount Rate 3.87%	1% Increase 4.87%
$ 43,959,583	$ 38,596,879	$ 34,126,754

Detailed information about the pension plan's fiduciary net position is available in the separately issued FRS financial report.

NOTE 9 - POST EMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB)

Other postemployment benefits are provided by the County in the form of life and health insurance for pre-Medicare eligible retirees at the same rate as active participants. In health insurance plans where a government's retirees and current employees are insured together as a group, the premiums paid by the retirees may be lower than they would have been if the retirees were insured separately. This is called an *implicit rate subsidy*. Under this single-employer OPEB plan, benefit provisions are essentially the same for the Board of County Commissioners and all of the other Constitutional Officers, except for the Sheriff, who maintains a separate health insurance contract and therefore has different costs associated with the premium payments on behalf of the Sheriff's employees.

A stand-alone financial report is not prepared for the OPEB plan.

The County has the authority to establish and amend the OPEB funding policy, and is not required by law or other contractual agreement to provide funding for the implicit rate subsidy other than the pay-as-you-go amount necessary to provide current benefits for participants in its health insurance plan. Post-employment benefits are extended to retirees and continued at the discretion of the Employer, which reserves the right (subject to State Statutes and any collective bargaining agreements) to change or terminate benefits and to change premium contributions required from retirees in the future. There is no

separate trust through which benefits for retirees are funded. No assets are currently accumulated or earmarked for this purpose. All approved benefits are paid from the Employer's general assets when due.

The County is required to recognize the net OPEB liability and the OPEB expense on their financial statements, along with the related deferred outflows and inflows of resources. The net OPEB liability is the difference between the total OPEB liability and the plan's fiduciary net position.

The following table provides a summary of the number of participants covered by the benefit terms as of the September 30, 2017 measurement date:

Active plan members	2,272
Inactive plan members or beneficiaries currently receiving benefits	1,473
Inactive plan members entitled to but not yet receiving benefits	0
Total plan members	3,745

Total OPEB Liability and Changes in OPEB Liability

The County's total OPEB liability of $20,314,364 was measured as of September 30, 2017 and was determined by an actuarial valuation as of that date.

The total OPEB liability in the September 30, 2017 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Valuation Date:	September 30, 2017
Measurement Date:	September 30, 2017
Methods and Assumptions:	
Actuarial cost method	Individual Entry Age Normal
Inflation	2.50%
Discount Rate	3.50%
Salary Increases	Salary increase rates used in the July 1, 2016 actuarial valuation of the Florida Retirement System; 3.7%-7.8%, including inflation.
Retirement Age	Retriement rates used in the July 1, 2016 actuarial valuation of the Florida Retirement System. They are based on the results of a statewide experience study covering the period 2008 through 2013.
Mortality	Mortality tables used in the July 1, 2016 actuarial valuation of the Florida Retirement System. They are based on the results of a statewide experience study covering the period 2008 through 2013.
Healthcare Cost Trend Rates	Based on the Getzen Model, with trend starting at 7.00% and gradually decreasing to an ultimate trend rate of 4.24% plus .40% increase for excise tax.
Aging factors	Based on the 2013 SOA Study "Health Care Costs - From Birth to Death".
Expenses	Administrative expenses are included in the per capita health costs.
Other information	Changes in assumptions and other inputs include the change in the discount rate from 3.10% as of the beginning of the measurement period to 3.50% as of September 30, 2017. This change is reflected in the Schedule of Changes in Total OPEB Liablity. There were no benefit changes during the year.

The discount rate Long-Term Municipal Bond Rate was based on the Fidelity General Obligation AA index rate as of September 29, 2017, the most recent date available on or before the measurement date. This is the rate for Fixed Income Market Yield Curve for Municipal bonds with 20 years to maturity that include only federally tax-exempt municipal bonds as reported in Fidelity's 20-year Municipal GO AA Index.

Mortality rates were based pm the RP-2000 Combined Healthy Participant Mortality Table for active members and the RP-2000 Mortality Table for Annuitants for non-disabled inactive members, with mortality improvement projected to all future years from the year 2000 under Projection Scale BB.

There were no changes in benefit terms during the year.

Changes of assumptions and other inputs reflect a change in the discount rate from 3.1% in 2017 to 3.5% in 2018.

The following table shows the Changes the County's Total OPEB liability:

	Total OPEB Liability
Balance at 9/30/2017	$ 20,365,923
Changes for the Year:	
Service Cost	984,332
Interest on Total OPEB liability	647,293
Changes of benefit terms	-
Difference between expected & actual experience	-
Changes in assumptions & other inputs	(743,489)
Benefit payments	(939,695)
Net changes	(51,559)
Balance at 9/30/2018	$ 20,314,364

The County recognized OPEB expense of $1,526,293 during the fiscal year. GASB statement No. 75 states the employer contributions made to the OPEB plan subsequent to the measurement date and before the end of the employer's reporting period should be reported as a deferred outflow of resources.

Differences between expected and actual experience and changes in assumptions are recognized in OPEB expense using a systematic and rational method over a closed period equal to the average of the expected remaining service lives of all employees that are provided with OPEB through the OPEB plan (active employees and inactive employees) determined as of the beginning of the measurement period. At the beginning of the current measurements period, the average of the expected remaining service lives for purposes of recognizing the applicable deferred outflows and inflows of resources established in the current measurement period is 7.5 years, with 6.5 years for Sheriff Employees.

The following table shows the County's total OPEB expense:

	Total
Service cost	$ 984,332
Interest	647,293
Recognition of Outflow/(Inflow) of Resources due to Liabilities	(105,332)
Total OPEB Expense	**1,526,293**

Sensitivity of the total OPEB liability to changes in the discount rate is calculated using the discount rate for the plan. The following presents the total OPEB liability of the County, as well as what the County's total OPEB liability would be if it were calculated using a discount rate that is 1 percentage point lower, or 1 percentage point higher than the current discount rate:

	1% decrease 2.50%	Current Discount Rate 3.50%	1% Increase 4.50%
Total OPEB liability	$ 22,239,269	$ 20,314,364	$ 18,604,534

Sensitivity of the total OPEB liability to changes in the healthcare cost rates is calculated using the assumed trend rates. The following represents the total OPEB liability of the County, as well as what the County's total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1 percentage point lower, or 1 percentage point higher than the current healthcare cost trend rates.

	1% decrease (6.5% decreasing to 3.24%)	Current Healthcare Cost Trend Rate (7.5% decreasing to 4.24%)	1% Increase (8.5% decreasing to 5.24%)
Total OPEB liability	$ 18,893,649	$ 20,314,364	$ 21,997,909

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

At September 30, 2018, the County reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflow	Deferred Inflow	County Total Deferred Outflow (Deferred Inflow)
Changes in assumptions and other inputs		$ 638,157	$ (638,157)
Estimated benefits paid after the measurement date	1,072,304	-	1,072,304
	$ 1,072,304	$ 638,157	$ 434,147

Amounts reported as deferred outflows related to OPEB resulting from the County's benefits paid after the measurement date will be recognized as a reduction of the net OPEB liability in the year ended September 30, 2019. Other amounts reported as deferred outflows of resources related to OPEB will be recognized in OPEB expense as follows:

Reporting year Ending Sept 30,	County Total Deferred Outflow (Deferred Inflow)
2019	$ (105,332)
2020	$ (105,332)
2021	$ (105,332)
2022	$ (105,332)
2023	$ (105,332)
Thereafter	$ (111,497)
TOTALS	$ (638,157)

NOTE 10 – NET POSITION RESTRICTED FOR OTHER PURPOSES

Net position restricted for other purposes in the governmental-wide statement of net position at September 30, 2018 are as follows:

Court-Related	$ 3,680,293
Culture & Recreation	3,555,141
Health	43,616
Resource Conservation	973,359
Records Modernization	2,467,132
Tourism	4,368,890
	$ 15,088,431

NOTE 11 – TAX ABATEMENTS

Escambia County enters into property tax abatement agreements with local businesses under Section 196.1995, Florida Statutes, and Chapter 90, Article IV, Division 2, Sections 90-146 through 90-153, Escambia County Code of Ordinances. Escambia County is authorized to grant economic development ad valorem tax exemptions (EDATE) for new and expanding business established in the County meeting certain statutory requirements.

The County may grant an ad valorem tax exemption to eligible new businesses, or improvements to real property which additions are made to facilitate the expansion of an existing business for up to 100% of the assessed value of all improvements to real property made by or for the use of the new or expanded business and tangible personal property of such business for up to 10 years. There are no provisions for recapturing the abated taxes.

For fiscal year ended September 30, 2018, Escambia County abated property taxes totaling $1,834,972 under this program including the following tax abatement agreements that each exceeded $100,000 of the total amount abated:

- A 100% property tax abatement to a provider of financial services for business expansion, which includes construction of office buildings, multi-level parking deck and central energy plant. The abatement amounted to $931,915.

- A 100% property tax abatement to a new light weight containerboard manufacturer for machinery and equipment. The abatement amounted to $545,493.
- A 62% property tax abatement to a manufacturer of nylon products to expand and equip the existing production facility. The abatement amounted to $171,805
- A 100% property tax abatement for business expansion of a leading supplier of filtration, separation and purification technologies. The abatement amounted to $106,442.
- There are several smaller value EDATE agreements for new and expanded businesses which range from a 23% to 100% property tax abatement. These cumulative abatements amounted to $79,318.

NOTE 12 – COMMITMENTS AND CONTINGENCY

A. Litigation

The County is contingently liable with respect to lawsuits and other claims incidental to the ordinary course of operations. Claims covered by the risk management self-insurance program are reviewed and losses are accrued as required in the judgment of management. The County is a defendant in various lawsuits. In the opinion of management, based on the advice of legal counsel, the ultimate disposition of lawsuits and claims will not have a material adverse effect on the financial position of the County.

B. Grants

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. If expenditures are disallowed as a result of these audits, the claim for reimbursement to the grantor agency would become a liability of the County. In the opinion of management, any such adjustments would not be significant, and therefore do not have a material adverse effect on the financial position of the County.

C. Deficit Fund Equity

At September 30, 2018 the Disaster Recovery Special Revenue Fund, a major fund, has a deficit fund balance of $9,545,636. The deficit is due to expenditures due to the April 2014 flood event, and expenditures that were unreimbursed through grant funding.

NOTE 13 – CHANGE IN ACCOUNTING PRINCIPLE

As discussed earlier, Escambia County adopted GASB Statement No. 75 for Fiscal Year 2018. The implementation of this statement resulted in a restatement (reduction) of beginning net position of approximately $9.1 million in order to record the OPEB liability, related deferred inflows and outflows, and deferred outflows for estimated benefits paid after the measurement date.

	Governmental Activities		Business-type Activities			
	Governmental Activities	Internal Service Fund	Solid Waste Fund	Inspection Fund	Bay Center Fund	Emergency Management Fund
Beginning Net Position, Originally Reported	$ 522,893,480	$ 3,875,074	$56,360,572	$1,969,614	$5,022,050	$ 11,977,338
Change in Accounting from GASB 75 OPEB	(8,714,024)	(34,439)	(73,529)	(55,412)	-	(227,662)
Beginning Net Position, As adjusted	$ 514,179,456	$ 3,840,635	$56,287,043	$1,914,202	$5,022,050	$ 11,749,676

NOTE 14 – SUBSEQUENT EVENTS

On November 28, 2018, the County issued The **Capital Improvement Refunding Revenue Bond, Series 2018** in the aggregate amount of $41,545,000. The Bonds have a fixed interest rate of 5% with yields ranging from 1.98% to 3.25%. Maturity dates are annual from October 1, 2019 through October 1, 2031. The bonds were issued for the purpose of providing funds, together with other available monies, to refund on a current basis the County's Capital Improvement Refunding Revenue Bond, Series 2011, the Sales Tax Refunding Revenue Bond, Series 2011, and, the Capital Improvement Revenue Note, Series 2013 and pay costs of issuance of the bonds. These refunded obligations were authorized to finance the cost of certain capital improvement projects of the County, and were retired in full on the date of issuance of the Bonds. The bond are payable from and secured by a pledge of and a lien on the Pledged funds, consisting primarily of Non-Ad Valorem Revenues budgeted and appropriated by the County on an annual basis and deposited into the Debt Service Fund.

Updates to Historical Non-Ad Valorem Revenues and compliance with Anti-Dilution test can be found in the Statistical Section of this Document.

The following table sets forth the total debt service requirements on the Bonds and other outstanding County indebtedness secured by a pledge of a portion of or a covenant to budget and appropriate Non-Ad Valorem revenues:

	Capital Improvement Revenue Refunding Bond, Series 2018				
Year	Principal	Interest	Total Debt Service	Outstanding Other Non-Ad Valorem Debt Service (1)	Total Non-Ad Valorem Debt Service
10/1/19 - 10/1/2047	41,545,000	14,729,102	56,274,102	204,266,483	260,540,585

(1) Includes debt service on the County's Sales Tax Refunding Revenue Note, Series 2012, Sales Tax Revenue Bonds, Series 2017 and Capital Improvement Revenue Note, Series 2014.

Detail of the debt service requirements can be found in the Official statement dated November 16, 2018.

The County has evaluated events and transactions that occurred between September 30, 2018, and February 20, 2019, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements. No other subsequent events have been recognized or disclosed.

GOVERNMENTAL FUNDS

GENERAL FUND

The *General Fund* is the government's primary operating fund. It is used to account for and report all financial resources not accounted for and reported in another fund. The General Fund includes the Board of County Commissioners, Clerk of Circuit Court and Comptroller, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector:

Board of County Commissioners
This fund is the primary operating fund of Escambia County. It is used to account for all financial resources of the general government except those required to be accounted for in other funds.

Clerk of the Circuit Court and Comptroller
This fund reflects the activities of the Office of the Clerk of Circuit Court. Services provided are in accordance with provisions of the Florida Statutes related primarily to the county and circuit court systems, recording operations, and various other services.

Property Appraiser
This fund reflects the operations of the Office of the Property Appraiser who provides independent appraisals of tangible and personal property for all taxing authorities within the County.

Sheriff
This fund reflects the operations of the Office of the Sheriff. Services provided are for all the law enforcement activities within the County.

Supervisor of Elections
This fund reflects the operations of the Office of the Supervisor of Elections in the performance of its duties in accordance with Florida Statutes.

Tax Collector
This fund reflects the operations of the Office of the Tax Collector who collects and remits ad valorem taxes, licenses, and other revenues, to the related taxing authorities.

NONMAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects. The County has the following Special Revenue Funds:

Escambia County Restricted Fund
Created to account for monies donated to the County for a specific purpose.

Economic Development Fund
Created pursuant to the Economic Development Incentive Program Ordinance to account for revenues associated with land sales at the various County commerce parks and other economic development related revenues. Expenditures will be used to promote economic development initiatives in Escambia County.

Code Enforcement Fund
Created to account for the enforcement of ordinances and statutes to enhance the quality of life for and protect citizens from environmentally unsafe conditions.

M and A State Revenue Fund
Created to account for the cost of mosquito and other arthropod control. Financing is provided by State matching funds on a dollar for dollar basis.

Tourist Promotion Fund
Created to account for revenues restricted for promotion, development and advertisement of Escambia County tourism. Financing is provided by a tourist development tax levied under Chapter 125.0104 Florida Statutes.

Other Grant Projects Fund
Created to account for financing provided from various State and Federal grants.

Detention/Jail Commissary Fund
Created to account for the cost of the inmate commissary and the inmate welfare fund; operated in the detention facility pursuant to Section 951.23, Florida Statutes. The fiscal management of the commissary is audited in conjunction with the audit of the County.

Library Fund
Created to account for the revenue and expenditures associated with administrative and operational functions of the West Florida Library System. A countywide Library MSTU assessment is imposed for the purpose of funding library services.

Misdemeanor Probation Fund
Created to account for the cost of supervision of the misdemeanor program. Financing is provided by a fee charged to a person on parole pursuant to Section 945.30, Florida Statutes.

Article V Fund
Created to account for revenues and costs for court related fees, charges, costs, fines and other monetary penalties.

SPECIAL REVENUE FUNDS - Continued

Development Review Fund
Created to account for fees generated by the review of all development plans within the County and support of the Development Review Committee, the Planning Board, the Board of Adjustments, the Rezoning Hearing Examiner and the Board of County Commissioners.

Perdido Key Beach Mouse Fund
Created to account for the Perdido Key Beach Mouse Special Assessment revenue established by Ordinance 2006-1 and 2006-2 and by interlocal agreement with the US Fish and Wildlife Service and the Florida Fish and Wildlife Commission. This revenue will be utilized for the mitigation process for impacts to the Perdido Key Beach Mouse habitat.

Restore Fund
Created in accordance with the Resources and Ecosystem Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast States Act of 2012 (RESTORE Act; Subtitle F of Public Law 112-141); to account for revenues and expenditures for programs, projects and activities that restore and protect the environment and economy of the Gulf Coast Region.

State Housing Initiative Partnership Fund (SHIP)
Created to account for the revenues and expenditures of the SHIP program, authorized pursuant to Section 420.907-420.9079, Florida Statutes. State revenue sharing proceeds received by the County for the SHIP program are used to create partnerships that produce and preserve affordable homeownership and multifamily housing.

Law Enforcement Trust Fund
Created pursuant to the provisions of Section 932.704, Florida Statutes, to account for the net proceeds from the sale or conversion of forfeited properties. Expenditures payable from this fund are legally restricted to nonrecurring obligations of the Sheriff's office, including equipment purchases. Although legally entitled as a trust fund, this fund is more properly accounted for as a special revenue fund due to the nature of the transactions recorded therein.

Escambia County Affordable Housing Fund
Created to account for funding to assist with delivery of affordable housing assistance and support for low income families in Escambia County and the City of Pensacola, primarily in conjunction with the Escambia Consortium Home Program. The fund also provides a source for payment of up-front costs while awaiting reimbursement from the HOME program letter of credit.

CDBG HUD Entitlement Fund
Created to account for Federal HUD Block Grant revenues and the expenditures. The HUD funded Community Block Grant program provides financial support primarily for low and moderate-income families in the County.

Handicapped Parking Fines Fund
Created to account for monies collected under Chapter 316, Florida Statutes, also known as the State Uniform Traffic Control, which authorizes counties to regulate the parking of vehicles and to enforce regulations relating to disabled persons parking.

Family Mediation Fund
Created to account for monies provided through a private grant and authorized under Chapters 44.102 and 44.108, Florida Statutes. These funds were used to assure each minor child frequent and continuing contact with both parents after separation or dissolved marriages and to encourage parents to share the rights and responsibilities of child rearing.

SPECIAL REVENUE FUNDS - Continued

Fire Protection Fund
Created to account for monies assessed by the Board of County Commissioners to property owners in unincorporated areas of Escambia County to provide for fire protection.

Emergency 911 Operations Fund
Created in accordance with the provisions of the Florida Emergency Telephone Act (Sections 365.171 and 365.172, Florida Statutes) to account for the Enhanced 911 (E911) fees imposed and collected from local telephone exchange customers and subscribers of wireless telephone services. 911 service directs 911 calls to the appropriate public safety answering point and provides for automatic number and location identification. The E911 Board may adjust the allocation percentages or adjust the amount of the fee, or both, if necessary, to ensure full cost recovery or prevent over recovery of costs incurred in the provision of E911. Expenditures are restricted to the establishment and maintenance of an enhanced emergency telephone number 911 system or enhanced 911 service.

HUD-CDBG Housing Rehabilitation Loan Fund
Created to account for funding to provide assistance for low/moderate income families within the unincorporated county through the rehabilitation of several substandard homes.

HUD Home Fund
Created to account for the HUD Housing Assistance revenues and expenditures. This grant provides for the rehabilitation of severely substandard homes.

Southwest Sector Road Project Fund
Created to account for revenues and expenditures associated with the planning and development of the County's "Southwest Corridor" road project.

Bob Sikes Toll Facilities Fund
Established by County Ordinance No. 93-23 which authorizes the collection of bridge tolls for uses of the Bob Sikes Toll Bridge by passage seekers. The Board of County Commissioners establish toll rates for the Bob Sikes Bridge in order to pay for the proper maintenance, administration, debt service of the bridge, and other expenses for parks and recreation on Santa Rosa Island as approved by the Board of County Commissioners. In addition to cash tolls, annual permits (transponder sales) may be purchased for access to the Bridge.

Transportation Trust Fund
Created pursuant to the provisions of Section 129.02 Florida Statutes, to account for transportation related revenues and expenditures. The primary revenue source is fuel taxes which are the Seventh-cent/1 cent County, Ninth-cent, Local Option fuel tax, and Constitutional fuel tax. Fuel tax revenues are used to fund transportation expenditures allowable pursuant to Sections 206 and Section 366, Florida Statutes.

MSBU Assessment Program Fund
Created to account for monies collected for Municipal Service Benefit Units (MSBU) pursuant to County Ordinance No. 94-24 and Chapter 125, Florida Statutes.

Master Drainage Basin Fund
Created to account for monies to provide drainage within specific districts.

NONMAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS - Continued

Clerk Programs
This fund reflects the activities of the Office of the Clerk of the Circuit Court and Comptroller Trust Funds. Services provided are in accordance with provisions of the Florida Statutes Chapter 28.24 for records modernization.

Sheriff Programs
This fund reflects the activities of the Escambia County Sheriff's Office; primarily to account for the collection and expenditures of US Treasury and US Justice forfeiture sharing programs, and for revenues and disbursements of various Federal and State Grants.

Supervisor Programs
This fund reflects the activities of the Escambia Supervisor of Elections Office; primarily to account for the revenues and disbursements of various Federal and State Grants.

DEBT SERVICE FUND

Debt Service Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest. Debt Service funds are also used to report resources of legally mandated and financial resources that are being accumulated for principal and interest maturing in the future. The County has the following Debt Service Fund:

Debt Service Fund – Created to account for the resources accumulated and payments made for principal and interest on long-term debt of governmental funds.

CAPITAL PROJECTS FUNDS

Capital Projects Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital outlay. Capital Project funds exclude capital-related outflows financed by Proprietary Fund or for assets held in trust for individuals, private organizations, or other governments. The County has the following Capital Projects Funds:

There are no non-major Capital Project Funds.

FIDUCIARY FUNDS

AGENCY FUNDS

Agency funds are used to account for assets held by the County as an agent for individuals, private organizations, and other governments.

Clerk of the Circuit Court and Comptroller
Used to account for resources received and held by the Clerk in a fiduciary capacity. These resources represent fines, forfeitures and filing fees collected for other governmental agencies and support payments, jury and witness services and posted bonds collected for individuals.

Sheriff
Used to account for the assets held by the Sheriff for individuals such as prisoner's funds, confiscated monies held as evidence, and prepayments of the Sheriff's fees for serving papers.

Tax Collector
Used to account for property taxes and fees for licenses.

Statistical Section

This part of the Escambia County, Florida's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the County's overall financial health.

Financial Trends
These schedules contain trend information to help the reader understand how the County's financial performance and well-being have changed over time.

Revenue Capacity
These schedules contain information to help the reader assess the County's most significant local revenue source, the property tax.

Debt Capacity
These schedules present information to help the reader assess the affordability of the County's current levels of outstanding debt and the County's ability to issue additional debt in the future.

Demographic and Economic Information
These schedules offer demographic and economic indicators to help the reader understand the environment within which the County's financial activities take place.

Operating Information
These schedules contain service and infrastructure data to help the reader understand how the information in the County's financial report relates to the services the County provides and the activities it performs.

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial reports for the relevant years.

ESCAMBIA COUNTY
FLORIDA

Schedule 12
Escambia County, Florida

HISTORICAL SALES TAX REVENUE (1)

Last Seven Fiscal Years

Fiscal Year	Half-Cent Sales Tax Revenues (2)	Percentage Change
2012	19,793,471	1.3%
2013	20,617,921	4.2%
2014	21,735,479	5.4%
2015	22,513,589	3.6%
2016	23,418,049	4.0%
2017	24,173,396	3.2%
2018	25,920,787	7.2%

(1) The table sets forth the historical Sales Tax Revenues received by the county (net of amounts distributed to municipalities within the County) for the Fiscal Years Ending September 30, 2012 through 2018 (audited).

(2) The Amount of Sales Tax Revenues distributed to the County is subject to increase or decrease due to (i) more or less favorable economic conditions, (ii) increases or decreases in the dollar volume of taxable sales within the County, (iii) legislative changes relating to the sales tax, which may include changes in the scope of taxable sales, changes in tax rate and changes in the amount of Sales Tax Revenues deposited into the Trust Fund, and (iv) other factors which may be beyond the control of the County or the Series 2017 Bondholders, including but not limited to the potential for increased use of electronic commerce and other internet-related sales activity that could have a material adverse impact upon the amount of sales tax collected by the State, deposited into the Trust Fund and then distributed to the County.

(3) In particular, the share of the Sales Tax Revenues deposited in the Trust Fund which is to be distributed to the County will be affected by changes in the relative populations of the incorporated and unincorporated areas with in the County. Such relative populations are subject to change through normal increases and decreases in population within the existing unincorporated and incorporated areas of the County and are also subject to change by the annexation of previously unincorporated areas of the County by the municipalities within the County. Such annexations would not only increase the population of the incorporated areas but also would, in equal amount, decrease the population of the unincorporated areas.

Schedule 13
Escambia County, Florida

PRO FORMA DEBT SERVICE COVERAGE FROM SALES TAX REVENUES

Last Seven Fiscal Years

	Fiscal Year Ended September 30,			
	2018	**2017**	**2016**	**2015**
Sales Tax Revenue	$ 25,920,787	$ 24,173,396	$ 23,418,049	$ 22,513,589
Maximum Annual Debt Service on the Series 2011 Bond, Series 2012 Note and Series 2017 Bonds (1)	9,572,827	9,572,824	9,572,824	9,572,824
Sales Tax Revenue coverage of Maximum Annual Debt Service on the Series 2011 Bond, Series 2012 Note and Series 2017 Bonds (1)	2.71 x	2.53 x	2.45 x	2.35 x

(1) The coverage table compares the historical Sales Tax Revenues to the pro forma aggregate maximum annual debt service on the Series 2011 bond, the Series 2012 Note and the Series 2017 Bonds. The pro forma aggregate maximum annual debt service would occur in Fiscal Year 2024, based on the assumptions set forth below.

(1) Assumes that the Sales Tax Refunding Revenue Bond, Series 2011 matures on October 1, 2031 with no change in the interest rate of 3.06%, subject to adjustment as set forth in the resolution authorizing the same; however, the entire unpaid principal of and interest accrued thereon may be subject to mandatory redemption at the option of the owner of the Bond on October 1, 2026. Further, assumes that the 2012 Sales Tax Refunding Revenue Note matures on October 1, 2032 with no change in the interest rate of 2.82%, subject to adjustment as set forth in the resolution authorizing the same; however, the entire unpaid principal of and interest accrued thereon may be subject to mandatory prepayment at the option of the owner of the Note on October 1, 2027 or any date thereafter through but not including October 1, 2028.

February 20, 2019

To the Honorable Members of the
Board of County Commissioners and
Citizens of Escambia County, Florida

Florida Statutes require that all general-purpose local governments publish a complete set of financial statements presented in conformity with generally accepted accounting principles (GAAP), and audited in accordance with generally accepted auditing standards by a firm of licensed certified public accountants. Pursuant to that requirement, we hereby submit the Comprehensive Annual Financial Report (CAFR) of the County of Escambia (County), Florida for the fiscal year ended September 30, 2018 which fulfills this requirement.

This report consists of management's representations concerning the finances of the County. Consequently, management assumes full responsibility for the completeness and reliability of the information contained in this report. To provide a reasonable basis for making these representations, the County has established a comprehensive framework of internal control designed both to protect the government's assets from unauthorized use or disposition, loss or theft, and to compile sufficient reliable information for the preparation of the County's financial statements in conformity with GAAP. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The County's financial statements have been audited by an independent firm of certified public accountants, Warren Averett CPAs and Advisors. The goal of the independent audit was to provide reasonable assurance that the financial statements of the County for the fiscal year ended September 30, 2018, are free of material misstatements. The independent audit involves examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation.

The independent audit firm of Warren Averett CPAs and Advisors has issued an unmodified ("clean") opinion on the Escambia County, Florida financial statements for the year ended September 30, 2018. The independent auditor's report is located at the front of the financial section of this report.

The independent audit of the financial statements of the County was also designed to meet the requirements of the Office of Management and Budget (OMB) Single Audit Act; and the requirements of the Code of Federal Regulations Subpart F of 2 C.F.R. part 200 (Uniform Guidance). The standards governing single audit engagements require the independent auditor to report on the government's internal controls and compliance with legal requirements with special emphasis on the administration of federal awards and state financial assistance. These reports are in the compliance section of this report.

GAAP requires that management provide a narrative introduction, overview and analysis to accompany the basic financial statements in the form of the Management's Discussion and Analysis (MD&A). The MD&A complements this Letter of Transmittal and the two should be read in conjunction with each other. Escambia County's MD&A can be found immediately following the Independent Auditors' Report.

Profile of the County of Escambia, Florida

Escambia County, located in the northwestern part of the state, was established July 21, 1821 as a non-charter government when the Provisional Governor Andrew Jackson signed an ordinance making the County one of the first two counties in Florida, the other being St. Johns County. Escambia County encompasses approximately 661 square miles with 64,000 acres of water area and serves a population of approximately 313,512. There are two municipalities within the County, the City of Pensacola, the County seat, and the Town of Century which is located 38 miles from the County seat.

Escambia County is a political subdivision of the State of Florida. As such, it is governed by and derives its operating authority from the constitution and laws of the State of Florida. The County operates under a commission/administrator form of government, with a governing board consisting of five elected County Commissioners who are elected by district to staggered four-year terms. The Chairman presides over the Board and the chair is rotated annually in sequential order by district. In addition to the Board of County Commissioners, there are five elected constitutional officers performing specifically designated governmental functions: The Clerk of the Circuit Court and Comptroller (Clerk), Property Appraiser, Sheriff, Supervisor of Elections and Tax Collector.

The Clerk serves the function of "Clerk to the Board" for County Commissioners. The Clerk also performs the duties of auditor, accountant, recorder and custodian of County funds. Such duties are set forth in the Florida Constitution.

The financial reporting entity (the County) includes all the funds of the primary government (Escambia County Board of County Commissioners) as well as its component units. Component units are legally separate entities for which the primary government is financially accountable. The County provides a full range of services including fire protection, emergency medical services, county jail and detention facilities, planning and zoning, solid waste disposal, construction and maintenance of highways, streets, and other infrastructure, mass transportation services, conservation and resource management, cultural and recreational programs, library, tourism and economic development.

Although legally separate entities, the general funds of the Clerk, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector are included as a General Fund component of the County.

The Santa Rosa Island Authority (SRIA) and the Law Library are reported separately as discrete component units within Escambia County's financial statements. SRIA operations include management services and leasing activities for County owned property on Santa Rosa Island. For additional information on Escambia County's Component Units, please refer to the Notes Section of this report.

Factors Affecting Financial Condition

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which the County operates.

Local Economy

Escambia County is located in Florida's Panhandle, along the emerald shores of the Gulf Coast, wherein the tourism sector employs approximately 25,400 in the leisure and hospitality industry with accommodations and food services representing 11.9% of the area workforce. The largest major industry sector is health care and social assistance with 16.0% of the area workforce. There are four major hospitals located in Escambia County, all of which have surgical centers; Baptist Hospital, West Florida Regional Medical Center, Navy Hospital and Sacred Heart Hospital. There are approximately 23,000 employed in health care and other health related services.

The military is another large factor in the area's economy. Navy and Air Force expenditures, including construction, have historically accounted for nearly half the total payroll in the Pensacola metro area. Navy installations include Pensacola Naval Air Station, Saufley Field and Corry Station. Whiting Field is located in Milton Florida, about 30 miles northeast of Pensacola. In neighboring Okaloosa County, Eglin Air Force Base and Hurlburt Field have an impact on the local economy as well as serving as magnets for high-tech businesses.

Escambia County has several commercial/industrial parks. The County's commerce parks consist of Central and Heritage Oaks, as well as the downtown Technology Park. The properties in the Central Commerce Park and the downtown Technology Park are being marketed in partnership with the Greater Pensacola Chamber of Commerce. This will allow the County to reach a wider audience for promoting economic development and attracting new businesses to the area.

The Heritage Oaks Commerce Park, home to Navy Federal Credit Union, continues to stimulate growth in the local economy by increasing job creation and expanding operations in the area. Navy Federal Credit Union continues to add jobs bringing its regional employment to over 7,101 employees. Continued expansion at the Pensacola campus will include facilities and parking for additional employees. The total number of jobs is expected to increase to 10,000 by the year 2026.

Escambia County's unemployment rate has fallen for the seventh straight year. The unemployment rate of 3.0% locally reflects a decrease of 1.0% from the previous year's rate of 4.0%.

Long-term Financial Planning and Major Initiatives

Unrestricted fund balance (the total of the committed, assigned, and unassigned components of fund balance) in the general fund at year end exceeded 2 months of operating expenditures and transfers out. This amount is favorable based on the policy guidelines set by the County for budgetary and planning purposes.

The adopted budget is developed around the framework set by the County's strategic planning initiative. The primary themes of the strategic initiative are to improve customer service, restore public trust and confidence, economic development, maintenance of infrastructure, and fiscal responsibility.

The County is in the planning process to include in the Citizens Academy, the anticipated module titled "Budget Game", which will engage the public in the budget process.

Process improvement is key to improving customer service. We continue to promote and adopt process improvements, and undertake a thorough review of the processes to determine ways to improve them. The County's website www.myescambia.com contains many updates for greater utility, transparency and accessibility by citizens. The "Ask My Escambia" citizen's information portal is expanding access, transparency and efficiency for citizen requests. Other process improvements will be working toward a better solution for time keeping and financial system integration. The County continues this positive trend into the future.

The County's commitment to customer service and quality is promoted by the continuation of equipping County vehicles with tracking systems, and continuation of the

fraud abuse hotline initiatives which will provide continuous tracking and reporting, allowing employees and citizens to have more involvement in their government.

A long term goal of the County is to foster economic growth and development. The County uses Tax Increment Financing (TIF) Districts to fund a variety of Community Redevelopment Areas (CRA) in the County. For the upcoming fiscal year, the TIF rate was maintained at 75% while budgeted districts increased from 19 to 20. These funds are used to pay for infrastructure improvements, neighborhood programs, and safety initiatives in these districts.

With tourism as a major part of the economy, newer and more up-to-date hotel/motel facilities have led to increasing revenue streams approaching $10 million annually in bed tax collections. Additional funding is expected from grant revenues associated with the Restore Act, Natural Resource Damage Assessment (NRDA), and the National Fish and Wildlife Federation (NFWF), to provide future revenue sources for environmental, economic, and tourism related activities. There is potential for $162 million in direct and indirect future revenue for Escambia County as projects are submitted and approved.

The RESTORE Act established the Gulf Coast Restoration Trust Fund in the U.S. Treasury Department to account for civil penalties paid under the Federal Water Pollution Control Act in connection with the Deepwater Horizon oil spill. Grants will be used for programs, projects, and activities which restore and protect the environment and the economy of the Gulf Coast region. Escambia County's calculated proportion, which is cumulative through 2031, is estimated at $70.6 million. This includes a current available net direct component allocation of $13.9 million. A sustainability oversight advisory roundtable (SOAR) with RESTORE application is currently under review with the U.S Department of Treasury and is expected to be awarded in early 2019. Planning assistance funds for Eleven Mile Creek Stream Restoration are also expected to be awarded in 2019. The Florida Department of Transportation (FDOT) is expected to finalize the design of the Perdido Key Multi-Use Path; staff will be working with FDOT to develop a RESTORE direct component application.

The County is involved in a land swap with the United States Navy for design of an additional commerce park to grow the local economy. The property is geographically close to Navy Federal Credit Union and is a prime location for economic growth with close access to Interstate 10. This land swap will allow Navy Federal to create an additional 300 jobs. A new I-10 exit is also in the planning stage to facilitate this potential growth going forward.

The County and Greater Pensacola Chamber of Commerce are promoting the Technology Park located in the downtown Pensacola area by providing business lots, and incentives to targeted industries as part of an initiative to stimulate and grow the local economy.

Between 2008 and 2019, the County will have invested more than $472 million in infrastructure with current allocations of the One Cent Local Option Sales Tax (LOST).

Proceeds of this tax are scheduled to fund road reconstruction, dirt road paving, drainage improvements and vehicle replacements for Emergency Medical Service, the Fire Department and Sheriff's Office. This is the fourth time the citizens have approved levying this tax; a 10 year extension was approved by public referendum; extending the tax to December 2028. Approximately $50.4 million of future LOST proceeds will be used towards the construction of the new Escambia County Jail Facility.

The new Escambia County Jail construction is estimated to cost approximately $128-$129 million. Cost savings and efficient operations will benefit the county for years to come.

The fiscal year 2019 adopted budget increased by $21 million over the prior year to $477.1 million. While the total direct millage rate for property tax remained unchanged at 7.661 mills, property values increased an average of 7% over the prior year for both the County-wide and unincorporated areas of Escambia County.

Discussions are on-going with regard to gaining efficiencies through consolidation efforts and promoting cost effectiveness on a range of issues. The County will continue to control cost by reviewing the economy and efficiency of all programs presented.

Relevant Financial Policies

The County has established a fund balance policy in accordance with GASB Statement No. 54 *"Fund Balance Reporting and Governmental Fund Type Definitions"*. The adopted policy outlines the County's goal to maintain an unrestricted general fund balance of at least 2 months of regular operating expenditures and transfers out to mitigate risks of either natural or man-made disasters and to provide for revenue shortfalls.

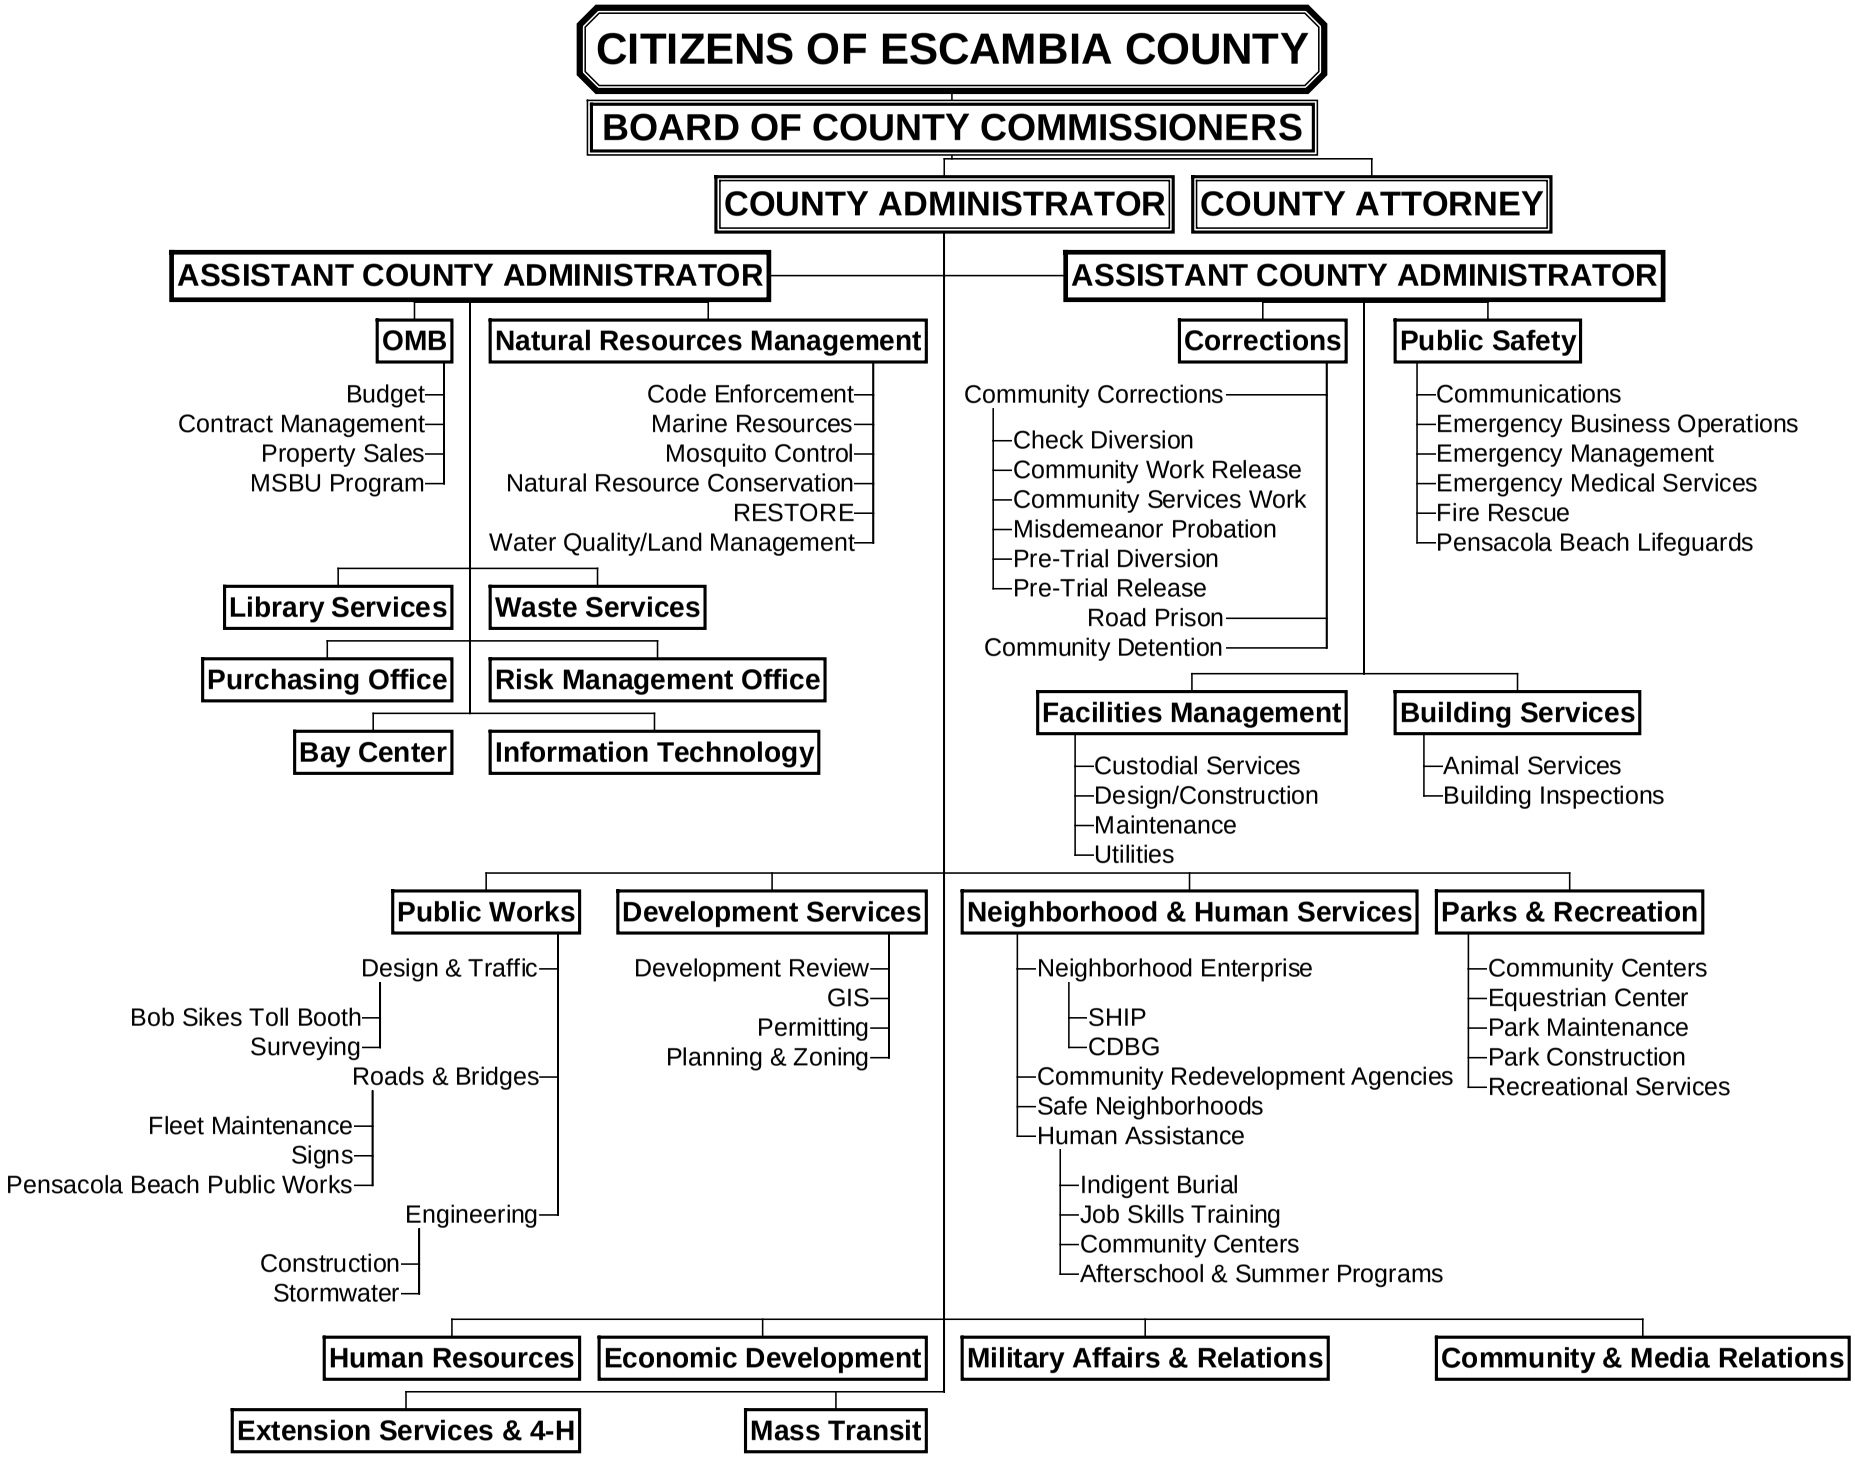
The County is in the third year of implementation for GASB Statement No 68 "*Accounting and Financial Reporting for Pensions"* and GASB Statement No 71 "*Pension Transition for Contributions Made Subsequent to the Measurement Date"* to recognize its unfunded portion of the statewide plan as a liability. The County provides pension benefits for all employees through a statewide plan managed by the Florida Department of Management Services, Division of Retirement. The statewide plan is a contributory plan. While a liability has been recorded in accordance with GASB requirements, the County currently has no obligation in connection with employee pension benefits offered through this plan beyond its monthly payments to the Division of Retirement.

The County has implemented GASB Statement No 75 "*Accounting and Financial Reporting for Postemployment Benefits Other Than Pension"* to recognize its unfunded liability. The County provides postemployment benefits at the same rate as active participants. While a liability has been recorded in accordance with GASB requirements, there is no requirement for a funded plan. All approved benefits are budgeted and paid when due.

Awards and Acknowledgements

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Escambia County for its comprehensive annual financial report for the fiscal year ended September 30, 2017. This was the 22nd consecutive year that Escambia County has achieved this prestigious award. In order to be awarded a Certificate of Achievement, Escambia County must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement for Excellence in Financial Reporting is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement for Excellence in Financial Reporting Program's requirements, and we are submitting it to the GFOA to determine its eligibility for another Certificate.



Escambia County also received the GFOA's Distinguished Budget Presentation Award for its Annual Budget Document for fiscal year beginning October 1, 2017. This is the 22nd consecutive year that Escambia County has received this award. In order to qualify for the Distinguished Budget Presentation Award, the government's budget document had to be judged proficient as a policy document, a financial plan, an operations guide, and a communication device.

The preparation of this comprehensive annual financial report (CAFR) would not have been possible without the skill, effort, and dedication of the entire financial staff of the Clerk of the Circuit Court and Comptroller. I would like to express my appreciation to the Financial Reporting and Grants Department: Sharon Harrell, Finance Director; Tammy Plant, Beth Parker, Kara Cowen, and Harold Coats. I also wish to thank all government departments for their assistance in providing the data necessary to prepare this report; and to thank Visit Pensacola for providing the photographs used in this document. Credit is due to the Board of County Commissioners for their unfailing support for maintaining the highest standards of professionalism in the management of Escambia County.

Respectfully submitted,

Pam Childers

REPORT OF INDEPENDENT AUDITORS'

The Honorable Board of County Commissioners
Escambia County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Escambia County, Florida, (hereinafter referred to as "County") as of and for the year ended September 30, 2018, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents. We did not audit the financial statements of the Santa Rosa Island Authority, a business type activities-discrete component unit, as of and for the year ended September 30, 2018, which statements reflect total assets and deferred outflows of $8,486,255 and total revenues of $5,246,343.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the Santa Rosa Island Authority, which are included in the basic financial statements as a discretely presented component unit. Those statements were audited by another auditor whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Santa Rosa Island Authority, is based solely on the report of the other auditor. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the County's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control.

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the report of the other auditor, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County, as of September 30, 2018, and the respective changes in financial position, and, where applicable, cash flows thereof, and the respective budgetary comparison for the general fund, community redevelopment agency fund, mass transit fund, and the disaster recovery fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, schedule of changes in the County's total OPEB liability and related ratios, schedule of the County's proportionate share of the net pension liability, and schedule of the County's contributions, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The introductory section, combining financial statements, individual fund budgetary comparison schedules, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining financial statements and individual fund budgetary comparison schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements.

The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The introductory section and statistical section have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 20, 2019 on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

Warren Averett, LLC

Pensacola, Florida
February 20, 2019

This Management's Discussion and Analysis ("MD&A") presents the readers of the financial statements a narrative overview of the financial activities of Escambia County, Florida (the "County") for the fiscal year ended September 30, 2018. We encourage readers to consider the information presented here in conjunction with additional information that has been furnished in the Letter of Transmittal, which can be found in the introductory section of this report.

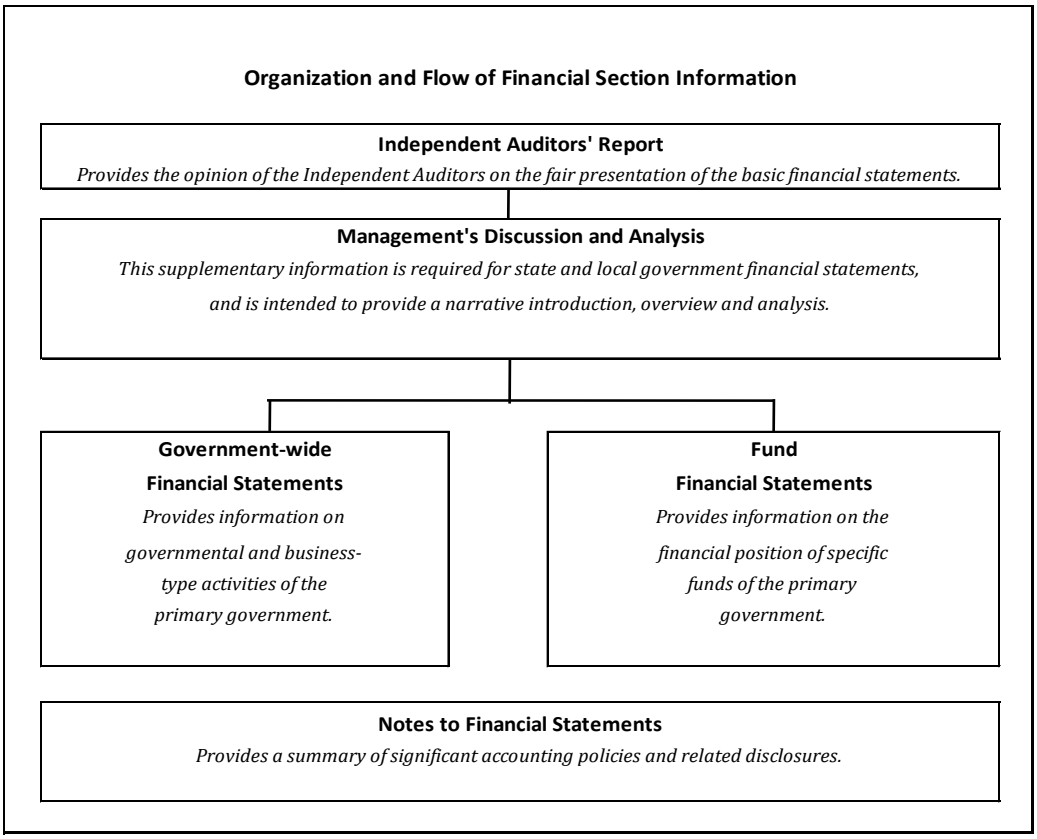
Financial Highlights

- The assets and deferred outflows of resources of the County exceeded its liabilities and deferred inflows at the close of the most recent fiscal year by $610,342,411 (net position). Of this amount, ($85,197,947) represents unrestricted deficit net position.

- The County's total net position increased by $17,349,349; governmental activities increased by $19,032,202 and business-type activities decreased by $1,682,853.

- At the close of the current fiscal year, the County's governmental funds reported combined ending fund balances of $298,200,807, a decrease of $1,575,752 in comparison with the prior year.

- At the end of the current fiscal year, unassigned fund balance available for spending at the government's discretion for the General Fund was $34,189,735 or 18.6% of total general fund expenditures and transfers out.



- At the end of the current fiscal year, unrestricted fund balance (the total of the committed, assigned, and unassigned components of fund balance) for the General Fund was $49,457,569, or approximately 27% of total general fund expenditures and transfers out.

- Governmental funds revenues increased $27,456,632 or 8.7% from the prior fiscal year primarily due to increases in property tax revenue, sales tax revenues, and fuel tax revenues. Intergovernmental revenue increases were from state revenue sharing, and grant revenue for the new jail construction and RESTORE projects. Sales tax collected on the one-cent local option sales tax for funding primarily transportation and infrastructure projects of the County increased due to increased consumer spending.

- At the end of the current fiscal year, the net pension liability decreased $2,564,764 for governmental funds and $247,284 for business-type activities for an ending net pension liability of $200,227,631, an approximate decrease of 1.4% from the prior fiscal year end. These liabilities are actuarially determined and provided by the State of Florida Retirement System (FRS).

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the County's basic financial statements. The County's basic financial statements consist of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also includes supplementary information intended to furnish additional detail to support the basic financial statements themselves.

Government-wide financial statements

The *government-wide financial statements*, which consist of the following two statements, are designed to provide readers with a broad overview of the County's finances, in a manner similar to a private-sector business.

The *statement of net position* presents financial information on all of the County's assets, liabilities and deferred inflows/outflows of resources, with the difference reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the County is improving or deteriorating. Additionally, nonfinancial factors, such as a change in the County's property tax base or the condition of County facilities and infrastructure, should be considered to assess the overall health of the County.

The *statement of activities* presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of these government-wide financial statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (*governmental activities)* from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities)*. The governmental activities of the County include general government, public safety, physical environment, transportation, economic environment, human services, culture/recreation, and court related activities. The business-type activities of the County include solid waste disposal/landfill operations, emergency medical/ambulance services, building inspections, and the Pensacola Bay Center (Bay Center).

The government-wide financial statements include not only the County itself (known as the primary government) but also legally separate entities of the Santa Rosa Island Authority (SRIA) and the Escambia County Law Library for which the County is financially accountable. These entities are known as "component units". Financial information for these component units is reported separately from the financial information presented for the primary government itself. The County's component units will not be addressed in this MD&A.

Fund financial statements

A *fund* is a grouping of related accounts used to maintain control over resources that have been segregated for specific activities or objectives. The County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the County can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The County maintains dozens of individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, Mass Transit Authority Fund, Disaster Recovery Fund, Community Redevelopment Agency Fund, Series 2017 Capital Project Fund, Mass Transit Authority FTA Capital Project Fund and Local Option Sales Tax (LOST) Capital Projects Fund, which are considered to be major funds. Data from the other governmental funds are combined into a single aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of *combining statements* in the other supplementary information section of this report.

The County adopts an annual appropriated budget for its general, special revenue, debt service, and capital projects funds. Budgetary comparison statements have been provided for the General Fund and major special revenue funds to demonstrate budgetary compliance. Due to the nature of the Disaster Recovery Fund, the original budget is generally adopted with an appropriation of zero.

The County maintains two different types of *proprietary funds*. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The County uses enterprise funds to account for the fiscal activities relating to solid waste disposal/landfill operations, emergency medical/ambulance services, building inspections, and the Bay Center. *Internal service funds* are an accounting device used to accumulate and allocate costs internally among the County's various functions. The County uses the internal service fund to account for fleet and fuel activities, insurance activities and for certain costs related to the Clerk of Circuit Court and Comptroller's compensated absences policy. Because these services predominantly benefit governmental rather than business-type functions, they have been included within *governmental activities* in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the Solid Waste and Emergency Medical Service (EMS) funds, which are considered to be major funds of the County. Non-major

funds include the Inspection and Bay Center funds, which are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for each of these non-major enterprise funds are provided in the form of combining statements in the other supplementary information section of this report. Internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for internal service funds are also provided in the form of combining statements in the other supplementary information section of this report.

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the County's own programs. The accounting used for fiduciary funds is similar to proprietary funds. The County only has agency funds.

Notes to the financial statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other information

In addition to the basic financial statements and accompanying notes, *required supplementary information* is presented concerning the County's changes in total OPEB liability and related ratios for providing other post employment benefits (OPEB) to its employees; and for the County's proportionate share of the net pension liability and contributions for employee participation in the Florida Retirement System pension plan and health insurance subsidy program.

The *other supplementary information* section contains the combining statements referred to earlier in connection with nonmajor governmental funds, proprietary and internal service funds, and fiduciary funds, along with budgetary comparison schedules for the County's three major capital project funds (LOST, Mass Transit Authority FTA Capital and Series 2017 Capital Project), and for all nonmajor governmental funds.

Government-wide Financial Analysis

Net position over time may serve as a useful indicator of a government's financial position. For the County, assets and deferred outflows of resources exceeded liabilities and deferred inflows by $610,342,411 at the close of the most recent fiscal year.

At the end of fiscal year 2018, the County is able to report positive balances in restricted categories of net position, for the government as a whole, as well as for its separate governmental and business-type activities. Negative unrestricted net position was reported for governmental activities. The same situation held true for the prior fiscal year.

The County's restricted net position represents resources that are subject to external restrictions on how they may be used. The County's restricted net position is primarily for capital projects and other special revenue purposes. The largest portion of the County's net position reflects its investment in capital assets (e.g., land, buildings, and equipment); less any related outstanding debt used to acquire those assets. The County uses these capital assets to provide services to citizens; consequently, these assets are *not* available for future spending. Although the County's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. The remaining balance ($85,197,947) is negative unrestricted net position. Unrestricted net position is primarily negative due to the effect of the recognition of the net pension liability in accordance with GASB 68.

Governmental Activities

Governmental activities increased the County's net position by $19,032,202 from the prior fiscal year for an ending balance of $537,052,293. Although millage rates remained the same, property tax revenue increased due to rising taxable assessed values. Sales tax revenue and capital grant revenue increased primarily for LOST infrastructure projects, public transportation, Jail construction and RESTORE projects. Revenue increases were attributable to general government operating grants and contributions.

Government expenditures increases were primarily due to increased non-recurring capital outlay for public facilities and the new jail facility. Additional increases were attributable to economic development project costs. The internal service fund decrease was attributable to the first full year of being self-insured for medical.

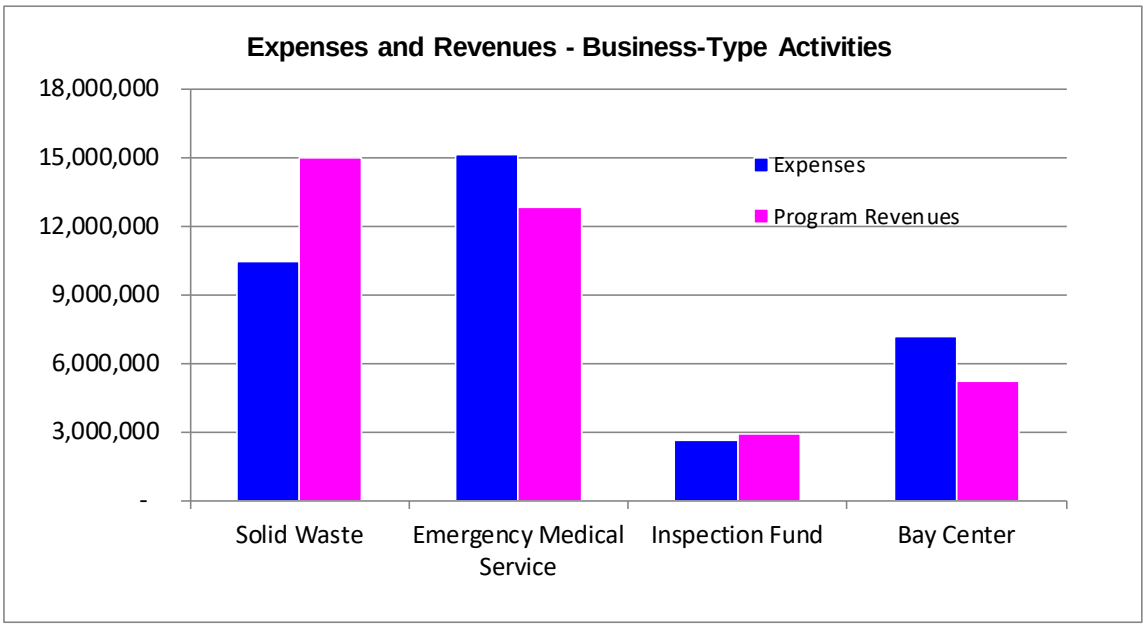
Business-type Activities



Business-type activities decreased the County's net position by $1,682,853, a 2.3% decline from the prior fiscal year, for an ending balance of $73,290,118. Charges for services contributed 99.65% of the total program revenues for the County's business-type activities. The EMS fund was primarily responsible for the overall decrease in net position. The net position decrease for the EMS Fund was primarily due to increased personal services. EMS added staff for two ambulance crews and an active hurricane season caused increased overtime. The Bay Center expenses exceeded program revenues by $1.9 million and operations were subsidized by a transfer from the Tourist Promotion Fund of $1.3 million. The Bay Center's revenue and expense increased from the prior fiscal year. This combination was not sufficient to cover operating costs and required maintenance.

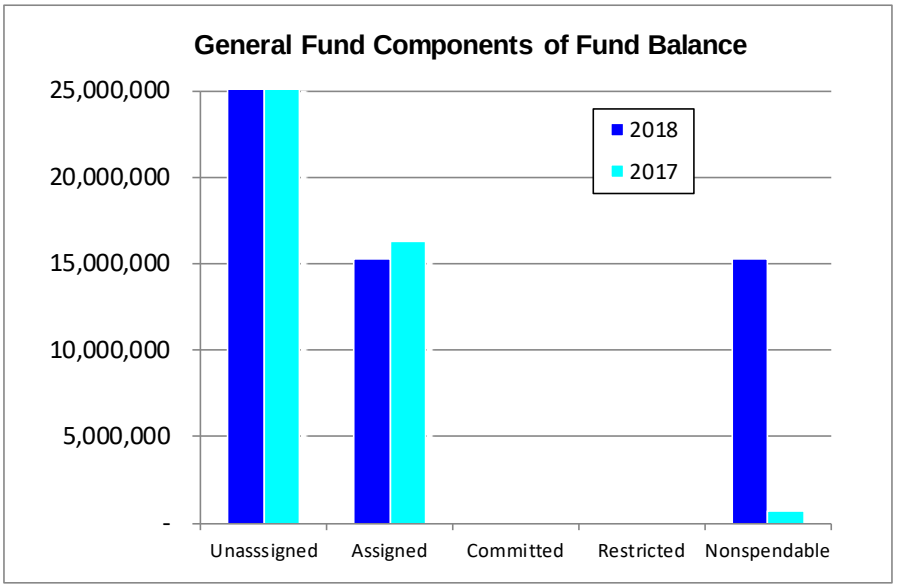
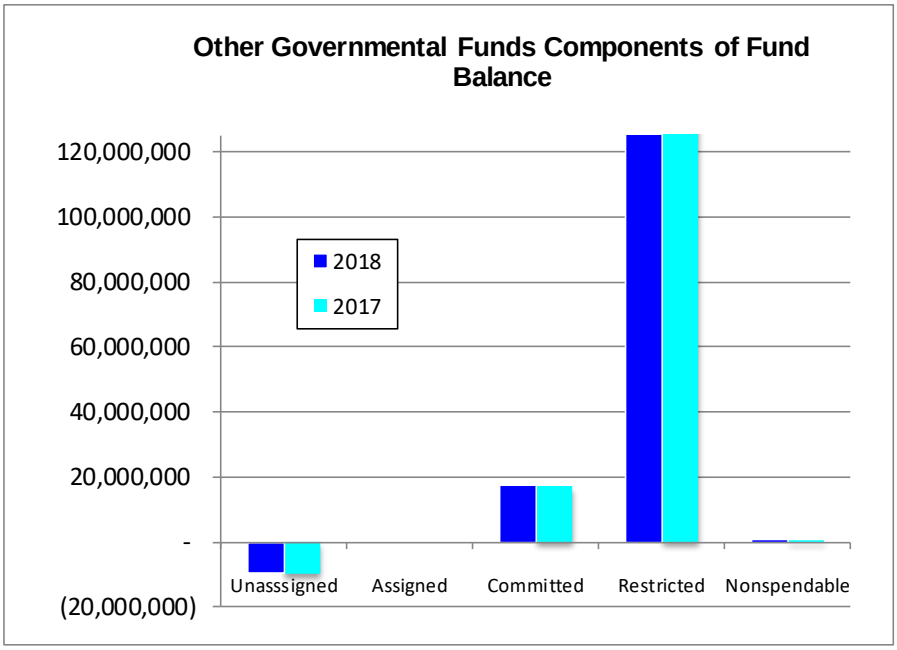
Financial Analysis of the County's Funds

As noted earlier, the County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds



The focus of the County's governmental funds is to provide information on near-term inflows, outflows, and balances of *spendable resources.* Such information is useful in assessing the County's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for discretionary use as they represent the portion of fund balance which has not been limited to use for a particular purpose by either an external party, the County itself, or a group or individual that has been delegated authority to assign resources for use for particular purposes by the County's Board of County Commissioners.

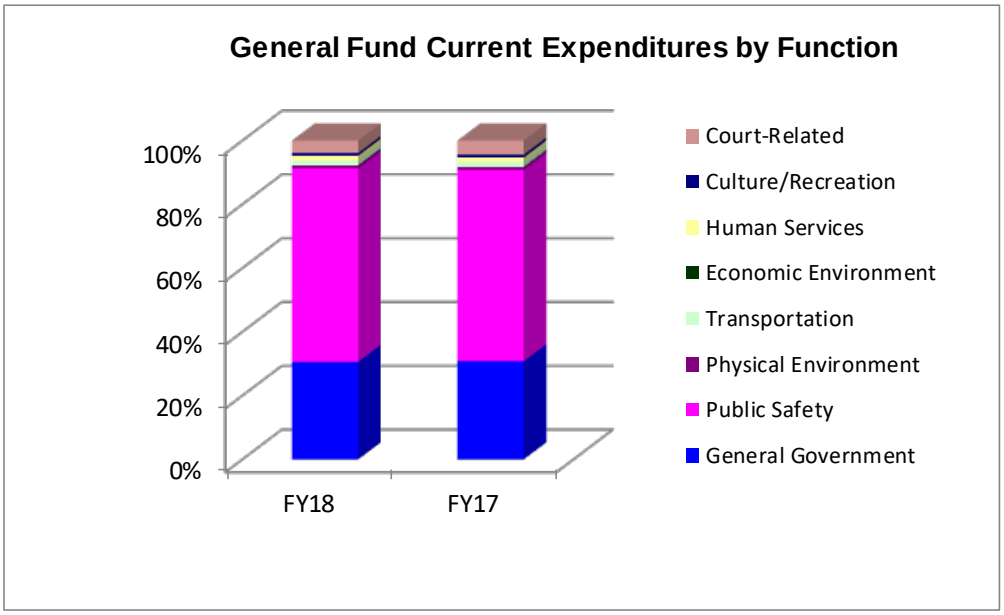


At the end of fiscal year 2018, the County's governmental funds reported combined fund balances of $298,200,807, a decrease of $1,575,752 in comparison with the prior year. Approximately 8% of this

amount, $24,644,099 constitutes *unassigned fund balance*, which is available for spending at the County's discretion. The remainder of the fund balance is either nonspendable, restricted, committed or assigned. *Restricted* fund balances of $239,658,559 represent amounts that can only be spent for specific purposes as stipulated by external resource providers either constitutionally or through enabling legislation such as Florida Statutes, laws and regulations or grantors. *Committed fund balances* of $17,376,664 represent amounts committed by County ordinance, whereas *assigned fund balances* of $15,267,834 consists of funds budgeted in the subsequent year to balance the 2018 budget. *Nonspendable fund balances* are not available for spending because they are not in spendable form, or are legally required to be maintained intact. The ending *nonspendable fund balances* consists of $1,253,651 for inventories.

The General Fund is the chief operating fund of the County. At the end of the current fiscal year unassigned fund balance of the General Fund was $34,189,735 while total fund balance increased to $50,211,158. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents 20.1% of the total General Fund expenditures, while total fund balance represents 29.5% of that same amount.

The following graphs represent the components of fund balance in the General Fund, and the components of fund balance in the other governmental funds:



The increase in fund balance of the County's General Fund was $3,070,833 during the current fiscal year, a change from prior year increase of $3,208,977. Key factors in this are as follows:

- An overall increase in revenues and transfers in over fiscal year 2017 was primarily attributable to property taxes increases due to a higher certified property values and increased collections of current year taxes. Sales tax and tourist development tax also increased due to efforts to stimulate the economy. Local half cent sales tax and state revenue sharing increased intergovernmental revenue. Transfers in increased primarily due to cost reimbursements for various programs.

- An increase in expenditures and decrease in transfers out over fiscal year 2017 for public safety is primarily the result of increased detention personnel and operating expenditures, in addition to a reduction transfers for the road prison. Physical environment increases were attributable to increased personnel and operating expenditures for environmental quality and extension services. Transportation expenditures decreased due to a reduced need for replacement equipment.

The following graph displays the General Fund's current expenditures by function for FY18 and FY17 (it does not include debt service or other financing uses).

The Disaster Recovery Fund was established to account for the costs and related funding assistance from state and federal sources for hurricane or other major disaster events. The negative fund balance of $9,545,636 represents expenditures for the April 2014 flood event that the County believes will ultimately be reimbursed by federal or state sources. An advance from the LOST Fund provided the initial resources to pay for these costs and the advance will be paid off as these outstanding reimbursement claims are resolved. Should the County be denied reimbursement for these claims, the County will have to use resources from other funds to pay off the LOST advance and fund deficit. In 2018, the County collected approximately $910 thousand from federal sources and incurred an additional $655 thousand in disaster costs.

The Mass Transit Authority Fund was established to account for the cost of operations of the Escambia County Area Transit Authority. On October 1, 2017 the County took operations in house, on February 15, 2018, Ordinance 2018-8 re-established the Fund as a Dependent Special District of Escambia County. Sources of revenue are operating grants, local option fuel tax, passengers and user fees, contributions from the University of West Florida, Santa Rosa Island Authority. At the end of fiscal year 2018 restricted fund balance was $2,004,882 and this represents 16% of the fund's total expenditures and transfers out. The fund balance increased $1,329,498, and was primarily due to increased grant revenues and increased user fees, in addition to savings on operating cost.

The Capital Project fund of the Mass Transit Authority is the Mass Transit Authority FTA-Capital Fund which was established to account for the revenue received from FTA and FDOT Grants and the costs associated with various mass transit capital projects. At the end of fiscal year 2018 fund balance was $322,611 this

represents 44% of expenditures and transfers out. The fund balance increased $1,730 and was primarily due to transfers in and investment earnings.

The CRA Fund was established to account for the operations of the community redevelopment initiative. There are eight established redevelopment districts which are funded by tax increment financing (TIF) portions of property taxes for each respective district. At the end of fiscal year 2018 restricted fund balance was $3,262,962 and this represents 183% of the fund's total expenditures and transfers out. The fund balance increased $198,926. While the TIF funding remained at 75%, the rate remained constant primarily due to more projects expenditures within the TIF districts in order to expedite cleaner, safer neighborhoods and increase property values.

The restricted components of the fund balance of the CRA are comprised of the following:

	2018	2017
Warrington CRA	$ 1,180,210	$ 1,169,628
Brownsville CRA	306,755	374,515
Englewood CRA	228,332	174,496
Ensley CRA	24,245	-
Atwood CRA	5,087	-
Palafox CRA	1,058,387	868,491
Barrancas CRA	366,135	329,106
Cantonment CRA	66,821	42,001
Neighborhood	26,990	105,799
	$ 3,262,962	$ 3,064,036

The Series 2017 Capital Projects Fund was established to account for the revenues associated with the Sales Tax Revenue Bonds, Series 2017 issued during FY2017; and to account for the expenditures associated with the planning, design and construction of the new Escambia County Jail Facility. Additional revenues funding this project will be Local Option Sales Tax, Insurance proceeds and Grant Revenue. Revenues and other financing sources exceeded expenditures by $4,846,788 for a fund balance of $85,703,817. At the end of fiscal year 2018 restricted fund balance was $85,703,817, an increase of 5.7% over the prior year. The fund balance increase was mainly attributable to FEMA grants, and other financing sources from the current year consisted of transfers from the Local Option Sales Tax Fund.

The Local Option Sales Tax Fund's primary revenue is a 1% local option sales tax imposed by Escambia County, which was restricted by voter referendum primarily for capital projects and public safety expenditures. At the end of the current fiscal year, restricted fund balance was $115,788,189 or 180% of the fund's total expenditures and transfers out. While local option sales tax revenue includes an 8.2% increase in the sales tax revenue, driven by improvements in the local economy; Fund balance decreased by $9,003,229. This was primarily a result of increased capital expenditure of $10,941,886 or 31% over the prior year for infrastructure, transportation and drainage projects. Even though the revenue source is stable and predictable, the planning, budgeting, and execution of large projects results in variances from year to year in the amount of actual expenditure for projects.

Proprietary funds

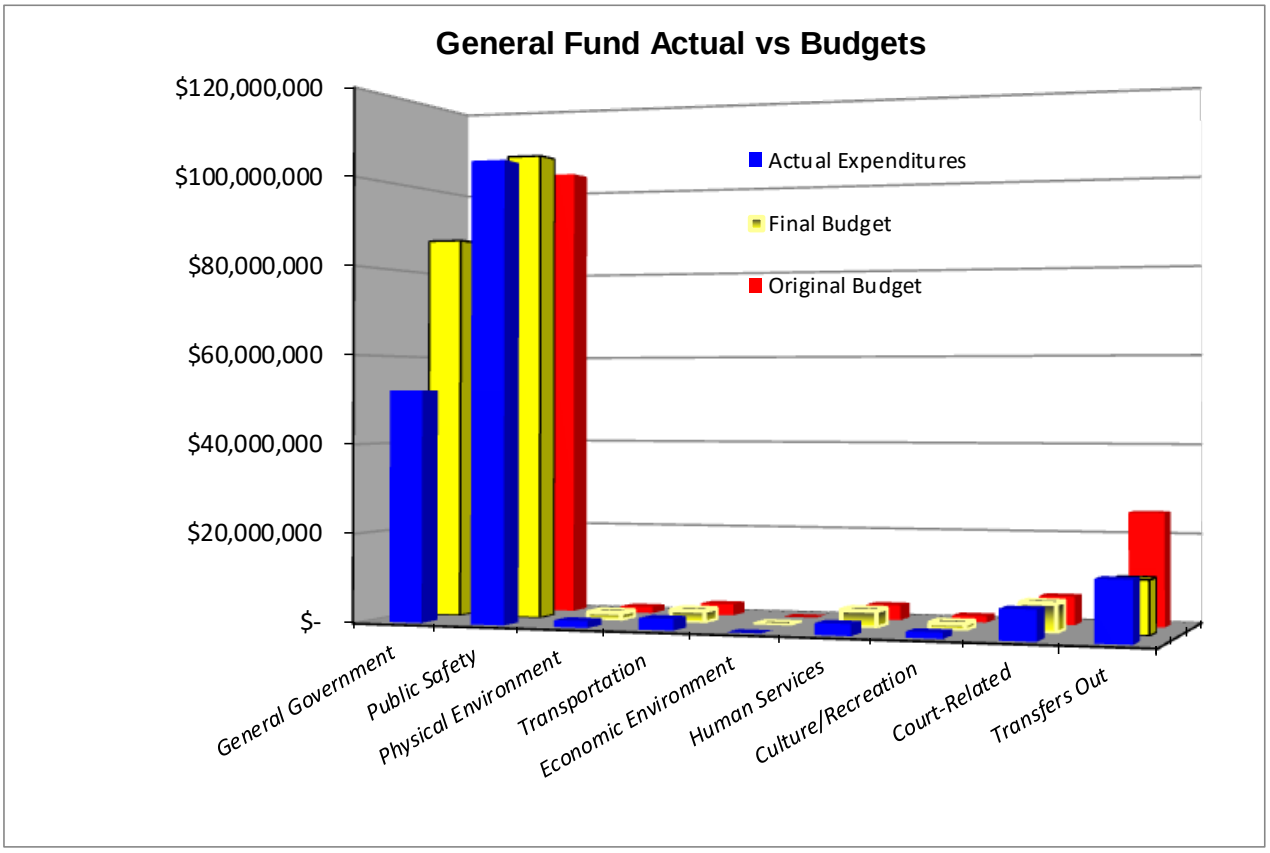
The County's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. The Solid Waste and the Emergency Medical Service Funds are reported as major enterprise funds. The Inspection and Bay Center Funds are reported as non-major enterprise funds. As previously discussed, the internal service fund is combined with governmental funds to arrive at governmental activities.

Unrestricted net position of proprietary funds at the end of the year amounted to:

	2018	2017
Solid Waste	$ 17,803,387	$ 15,607,632
Emergency Medical Service	2,395,334	7,785,244
Inspection	2,139,144	1,736,853
Bay Center	144,515	108,094
	$ 22,482,380	$ 25,237,823

Unrestricted net position for proprietary funds decreased $2,755,443 which is a 12.26% decrease from the prior fiscal year. The total change in net position for proprietary funds for the Solid Waste, Emergency Medical Services, Inspection and Bay Center funds was $4,434,986, ($5,869,095), $373,946 and ($622,690) respectively. Solid Waste increases are due to franchise fees, and dumping fees attributable to increased tonnage from debris, construction and demolition waste. The Emergency Medical Services decrease was attributable to increased personnel cost and transfers out.

General Fund Budgetary Highlights



The General Fund's original budget was decreased by $6,412,955, to arrive at the final amended budget for expenditures and transfers out. During the year there was a need to make an amendment to reallocate appropriations among departments when the prior year fund balances were finalized and purchase commitments were approved for re-budgeting. Generally the movement between departments was not significant. The largest change was to general government, contingency reserves and transfers out for road prison. The changes within functions are summarized in the following table.

	Original Budget	Final Budget	Change
General Government	$ 83,158,856	$ 86,874,113	$ 3,715,257
Public Safety	103,464,371	105,969,834	2,505,463
Physical Environment	1,423,290	1,634,608	211,318
Transportation	2,588,309	2,636,517	48,208
Economic Environment	-	-	-
Human Services	3,324,331	3,699,658	375,327
Culture/Recreation	1,419,364	1,432,761	13,397
Court-Related	6,293,202	6,293,202	-
Transfers Out	25,171,154	11,889,229	(13,281,925)
	$ 226,842,877	$ 220,429,922	$ (6,412,955)

The General Fund under spent the final budget by $37,066,336 or 16.82% for expenditures and transfers out. The variance within functions is summarized in the table below:

	Actual Expenditures	Final Budget	Variance	
General Government	$ 52,038,865	$ 86,874,113	$ 34,835,248	40.1%
Public Safety	103,301,919	105,969,834	2,667,915	2.5%
Physical Environment	1,524,026	1,634,608	110,582	6.8%
Transportation	2,555,789	2,636,517	80,728	3.1%
Economic Environment	-	-	-	
Human Services	2,578,329	3,699,658	1,121,329	30.3%
Culture/Recreation	1,353,460	1,432,761	79,301	5.5%
Court-Related	6,681,145	6,293,202	(387,943)	-6.2%
Transfers Out	13,330,053	11,889,229	(1,440,824)	-12.1%
	$ 183,363,586	$ 220,429,922	$ 37,066,336	16.8%

General Fund actual expenditures were less than anticipated expenditures by $37,066,336. Of this amount $15.27 million for purchase commitments was re-budgeted and assigned to the subsequent year budget. A review of actual expenditures compared to appropriations in the final budget yields no significant variances with the exception of an overall reduction of $1.6 million in salary and $4.5 million in operating. The majority of transfers out are offset by the elimination of budgeted General Fund transfers in, so they are not an actual budgeted expenditure. Transfers out increases were attributable to debt service and public safety programs. Cost and fuel allocation in the amount of $3.3 million in general government are budgeted, but eliminated expenditures. The remainder of unspent budget is primarily due to unspent budgeted contingency and reserves.

Capital Asset and Debt Administration

Capital assets

The County's investment in capital assets for its governmental and business-type activities as of September 30, 2018 amounts to $629,312,656 (net of accumulated depreciation and amortization). This investment in capital assets includes land, buildings, improvements other than buildings (including leasehold improvements), equipment, software, infrastructure, and construction in progress. The total increase in the County's investment in capital assets for the current fiscal year was 4.1%.

Major capital asset events during the current fiscal year included the following:

- Building projects continued with improvements to various community centers, the purchase of a new building for the Supervisor of Elections, a 4-H Multipurpose Livestock Facility and ticket booths for the Ferry Landings.
- Planning and construction progressed on the new Jail Facility.
- Ongoing transportation infrastructure projects include Navy Boulevard Project, Olive Road Corridor, IIDC Water System Upgrade, Quietwater Beach Ferry Landing, and the OLF-X Property Design and Improvements.
- Net construction in progress (CIP) increased to $34,264,008 primarily due to improvements to transportation infrastructure consisting of more than 85 projects for roads, drainage, and bridge renovations.
- The net increase of $3.9 million in land includes OLF-X Land improvements, Navy Boulevard Project, Delano Project, Kingsfield Road to 297A Project, and Block Westgate Project.
- Equipment purchases include the purchase of County vehicles, road construction equipment, trucks, library vans, and ECAT bus engine replacements.
- Software purchases increased $83 thousand and included the purchase of misdemeanor case management software as well as annual subscription purchases in lieu of software purchases.

Capital Assets, net	$ 578,504,918	$ 555,075,172	$ 50,807,738	$ 49,735,148	$ 629,312,656	$ 604,810,320

Additional information on the County's capital assets, including major construction commitments, can be found in Note 3 of this report.

Long-term debt

At the end of the current fiscal year, the County had total notes and bonded debt outstanding of $166,029,000. Of this amount, $26,269,000 consists of debt backed by Non-Ad valorem tax revenue. The remainder of the debt, $139,760,000 represents bonds and notes secured solely by specified revenue sources (i.e., sales tax and tourist development taxes). The unamortized bond issue premium for the Series 2017 Sales Tax Revenue Bond is $10,228,121.

Escambia County, Florida
Outstanding Notes and Bonded Debt

	Governmental Activities	
	2018	2017
Revenue Bonds	$ 115,545,000	$ 118,395,000
Revenue Notes	50,484,000	55,658,000
	$ 166,029,000	$ 174,053,000
Unamortized Bond Issue Premium	10,228,121	10,593,411
	$ 176,257,121	$ 184,646,411

The County's outstanding debt; including the unamortized bond issue premium; had a net decrease of $8,389,290 or 4.54% during fiscal year 2018. Decreases were attributable to normal debt service principal reductions for revenue notes and revenue bonds.

Additional information on the County's debt, including any major changes to the County's credit ratings, can be found in Note 6 of this report.

There is no outstanding debt for Business-type activities.

Economic Factors and Next Year's Budgets and Rates

The following economic factors currently affect Escambia County and were considered in developing the 2018-2019 fiscal year budget.

- The annual average unemployment rate for the County for 2018 was 3.0%. The average adjusted rate for 2017 was 4.0%. This represents a decrease of 1% from the prior year unemployment rate.
- The taxable assessed value increased 7.2% in the 2018 fiscal year.
- Population remained at 313,512 at September 30, 2018, a decrease from at September 30, 2016.

During the current fiscal year, unassigned fund balance in the General Fund increased to $34,189,735. The County has budgeted $217,798,895 for spending in the 2019 fiscal year budget, and assigned $15,267,834 of the ending 2018 fund balance to the subsequent year's budget. The total ad valorem tax rate remained the same at 7.661 mills for the 2019 fiscal year budget.

In an effort to help stimulate job creation and the economy the County continues to work with the Greater Pensacola Chamber of Commerce and the City of Pensacola to recruit new industry to the area and stimulate job growth.

Requests for information

This financial report is designed to present users with a general overview of the County's finances and to demonstrate the County's accountability. If you have questions concerning any of the information provided in this report or need additional financial information, contact the Escambia County Clerk of the Circuit Court and Comptroller, Finance Department, 221 Palafox Place Suite 130 Pensacola Florida 32502; 850-595-4825. ESCAMBIA COUNTY, FLORIDA

RECONCILIATION OF THE BALANCE SHEET OF GOVERNMENTAL FUNDS

TO THE STATEMENT OF NET POSITION

as of September 30, 2018

Total fund balances of governmental funds			$ 298,200,807
Amounts reported for governmental activities in the statement of net position are different because:			
Capital assets used in governmental activities are not financial resources and therefore, are not reported in governmental funds. The cost of assets is $1,353,418,254 Accumulated depreciation and amortization is $775,508,072. The difference does not include the net capital assets of the internal service funds $594,736 which are included below.			577,910,182
The internal service fund is used by management to charge the costs of risk management services to individual funds. The assets, liabilities, outflows/inflows of the internal service fund are included in activities in the Statement of Net Position.			4,920,293
At the governmental fund level, certain other long term assets are not available to pay for current period expenditures and, therefore, are reported as unavailable revenue in the funds.			2,143,309
Deferred inflows and outflow of resources related to debt:			
Deferred charge on refunding (to be amortized as interest expense)			2,028,260
Deferred outflows and inflows of resources related to pensions and other post employment benefits (OPEB) are applicable to future periods and not reported in governmental funds. The difference does not include certain amounts from the internal service fund which is included above.			
Deferred outflows of resources - Pensions	82,326,796		
Deferred inflows of resources - Pensions	(25,866,036)		
Deferred outflows of resources - OPEB	1,006,131		
Deferred inflows of resources - OPEB	(595,491)		
			56,871,400
Long-term liabilities are not due and payable in the current period and accordingly are not reported as fund liabilities. Interest on long-term debt is not accrued in governmental funds, but rather is recognized as an expenditure when due. All liabilities --both current and long-term--are reported in the Statement of Net Position. The difference does not include the internal service funds $11,136,341 which is included above. Long-term liabilities at year-end consist of:			
Bonds payable	115,545,000		
Notes payable	50,484,000		
Bond issuance premiums	10,228,121		
Pollution remediation	180,000		
Compensated absences	26,089,906		
Other post employment benefits	19,298,850		
Net pension liability proportionate share	183,196,081		
			(405,021,958)
Total net position of governmental activities			$ 537,052,293

The notes to the financial statements are an integral part of the financial statements.

ESCAMBIA COUNTY, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES,
EXPENDITURES, AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
For the Year Ended September 30, 2018

Amounts reported for governmental activities in the statement of activities are different because:

Net change in fund balances - total governmental funds		$ (1,575,752)
Governmental funds report capital purchases as expenditures. However, in the statement of activities, the cost of those assets is depreciated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital additions ($70,792,780) exceeds depreciation ($47,118,955) in the current period. Total capital additions consist of capital expenditures of $69,913,434 and non-cash contributions of $879,346 for donated roads.		23,673,825
Collections of principal on long-term sales type lease receivable provides current financial resources to governmental funds.		(73,230)
The issuance of bonds and similar long-term debt provides current financial resources to governmental funds and thus contributes to the change in fund balance. In the statement of net position, however, issuing debt increases long-term liabilities and does not affect the statement of activities. Similarly, repayment of principal is an expenditure in the governmental funds, but reduces the liability in the statement of net position. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. The amounts of the items that make up these differences in the treatment of long-term debt and related items are:		
Principal repayments	8,024,000	
Amortization of deferred charge on refunding	(150,510)	
Amortization of interest expense on bond premium	365,290	
		8,238,780

Continued

ESCAMBIA COUNTY, FLORIDA

RECONCILIATION OF THE STATEMENT OF REVENUES,
EXPENDITURES, AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES - Continued

For the Year Ended September 30, 2018

Under the modified accrual basis of accounting used in governmental funds, expenditures are not recognized for transactions that are not normally paid with expendable available financial resources. In the statement of activities, however, which is presented on the accrual basis, expenses and liabilities are reported regardless of when financial resources are available. In addition, interest on long-term debt is not recognized under the modified accrual basis of accounting until due, rather than as it accrues. These adjustments are as follows:		
Changes in compensated absences	(239,372)	
Changes in other post employment benefits	(29,069)	
Changes in pollution remediation	(25,000)	
		(293,441)
Governmental funds report County pension contributions as expenditures. In the statement of activities, the cost of the pension benefits earned net of contributions is reported as pension expense.		
Difference between pension contribution and net pension expense		(12,242,791)
Governmental funds report other post employment benefit contributions as expenditures. However, in the statement of activities, the actuarial cost of benefits earned net of employee contributions is reported as an expense.		410,640
In the statement of activities, only the loss on the sale/disposal of capital assets is reported. However, in the governmental funds, the proceeds from the sale increase financial resources. Thus, the change in net position differs from the change in fund balance by the net book value of the capital assets sold/disposed.		(185,487)
The internal service fund is used by management to charge the costs of risk management and other services to other funds. The net income of the internal service fund is reported with governmental activities.		1,079,658
Change in net position of governmental activities:		$ 19,032,202

The notes to the financial statements are an integral part of the financial statements.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of Government-wide Financial Statements

The financial statements of Escambia County, Florida (the "County") have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all nonfiduciary activities of the primary government and its component units. All fiduciary activities are reported only in the fund financial statements. Governmental activities, which normally are supported by taxes, intergovernmental revenues, and other nonexchange transactions, are reported separately from business-type activities, which rely to a significant extent on fees and charges to external customers for support. Likewise, the primary government is reported separately from certain legally separate component units for which the primary government is financially accountable. Significant County accounting policies are described below.

B. Financial Reporting Entity

Escambia County, Florida (the County) is a political subdivision of the State of Florida created pursuant to Chapter 7 of the Florida Statutes. The County is governed by a five member Board of County Commissioners (the Board), elected from single-member districts. The Board has no powers other than those expressly vested in it by State Statute. In addition to the Board, there are five elected Constitutional Officers: pursuant to Article 8, Section 1(d), of the Constitution of the State of Florida; the Clerk of the Circuit Court and Comptroller, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector. The Constitutional Officers maintain separate accounting records and budgets. The Board funds a portion or, in certain instances, all of the operating budgets of the County's Constitutional Officers.

The combining financial statements include the operations of the Board of County Commissioners, Clerk of the Circuit Court and Comptroller, Sheriff, Tax Collector, Property Appraiser, Supervisor of Elections and those separately administered organizations for which the government is considered to be financially accountable. Blended component units are, in substance, part of the primary government's operations, even though they are legally separate entities. Thus, blended component units are appropriately presented as funds of the primary government. Discretely presented component units are reported in a separate column in the government-wide financial statements to emphasize that they are legally separate from the government.

Blended Component Unit
Community Redevelopment Agency (CRA) – Pursuant to Florida Statutes section 163 Part III, the Community Redevelopment Act of 1969 authorized governments to use tax increment financing as a means for community redevelopment. The primary purpose of this act is to provide local governments with a source of funds to revitalize the deteriorated portions of their communities; thus establishing a financial benefit or burden relationship between the primary government and the CRA. The primary government also has operational responsibility for the Community Redevelopment Agency. In 1995, the Board of County Commissioners adopted Ordinance No. 95-6 which established the Community Redevelopment Agency (CRA) of Escambia County. Eight redevelopment areas are included under the CRA jurisdiction. The County Board serves as the CRA Board and has all rights, powers, duties, privileges and immunities authorized by the Act. The CRA is reported as a major special revenue fund in the fund financial statements of the County; a copy of this report may be found at the Community Redevelopment Agency Office; 221 Palafox Place; Suite 305, Pensacola Florida 32502.

Escambia County Area Transit Authority (Mass Transit Authority) – Pursuant to Florida Statutes section 189 Uniform Special District Accountability Act, is classified as a Dependent Special District because the membership of the Mass Transit Authority's governing body is identical to Escambia County and the Mass Transit Authority's budget requires approval through an affirmative vote or can be vetoed by Escambia County. The primary purpose of this Mass Transit Authority is to own, operate and manage the public transportation system in Escambia County on behalf of the Board of County Commissioners of Escambia County; providing an efficient and coordinated public transportation system servicing rural and urban areas. The 1 to 5 Cents Local Option Fuel Tax (4 cents levied) is used to fund public transportation operations and maintenance pursuant to Sections 206 and 336, Florida Statutes. Funding is also by Federal Transit Administration operating grants, user fees and reimbursements for non-transit activities, thus establishing a financial benefit or burden relationship between the primary government and the Mass Transit Authority. The Mass Transit Fund was a fund of the County until 2018, when the Board of County Commissioners adopted Ordinance No. 2018-8 establishing the Escambia County Area Transit Authority. The Mass Transit Authority Fund is reported as a major special revenue fund in the fund financial statements of the County; the capital projects of the Mass Transit Authority are reported as a major capital project fund in the fund financial statements of the County. A copy of this report (the fund financial statement of the County) may be found at the Escambia County Area Transit Authority Office; 1515 West Fairfield Drive, Pensacola Florida 32501.

Discretely Presented Component Units
Governmental Fund Type:

Escambia County Law Library Board – The Escambia County Law Library Board (Law Library), created under Special Act, Chapter 69-1048, Laws of Florida, provides for the maintenance of a central law library for the use of citizens, county officials, judges and officers of the courts of Escambia County. The County establishes the fees charged and collected on court actions in support of the Law Library, therefore the County is financially accountable. The Law Library is located in the M.C. Blanchard Judicial Building. The Law Library Board is composed of two (2) circuit judges, two (2) county judges and one (1) lawyer appointed by the local Bar Association. The operations of the Law Library are reported in the Escambia County Law Library Board, a special revenue fund. While the Law Library Board is an independently reported special district, it is presented in the County's Comprehensive Annual Financial Report as a discretely presented component unit. Financial statements for the Escambia County Law Library Board can be obtained from the Library staff at 190 West Government Street, Pensacola, Florida 32502-5773.

Proprietary Fund Type:

Santa Rosa Island Authority (SRIA) – The Santa Rosa Island Authority (SRIA) was established by the provisions of Chapter 24-500, Laws of Florida, Special Acts of 1947, as amended. The County appoints five (5) members of the Authority's six (6) member Board, and one (1) member is elected by the eligible voters who are full time residents of the Island. The County approves the SRIA's budget and issuance of debt. The County has veto power over decisions of the SRIA. The SRIA serves as the County's leasing agent for property on Santa Rosa Island owned by the County. The operations of SRIA are reported in the SRIA Fund, a discrete component unit in this report. Financial statements for the SRIA can be obtained at 1 Via Deluna, Pensacola Beach, Florida 32561.

Joint Ventures:

As defined in Governmental Accounting Standards Board (GASB) Statement No. 14, a joint venture is a separate legal entity or other organization that results from a contractual arrangement (or interlocal agreement) and that is owned, operated or governed by two or more participants as a separate and specific activity subject to joint control in which the participants retain (a) an on-going financial interest or (b) an on-going financial responsibility. The County participates and provides financial support to the following non-equity joint ventures:

Human Relations Commission (HRC) – The Commission was created by an Interlocal Agreement between Escambia County and the City of Pensacola in 1978, pursuant to Florida Statutes, Chapter 163.01, for the purpose of being "responsible for the promotion of fair treatment and equal opportunity

to all citizens of the local community." The Commission is composed of nine (9) members; four (4) selected by the County and four (4) selected by the City of Pensacola, with one (1) additional member jointly selected by the preceding eight. The County does not control budgeting or financing for the Commission. Separate financial statements are available from the Commission at 2257 Baylen Street, Pensacola, Florida 32501.

Pensacola – Escambia County Promotion and Development Commission (PEDC) – This Commission was created in 1967 by Chapter 67-1365, Laws of Florida, amended in 1980 by Chapter 80-579, to promote and develop tourism and industry in Escambia County and in the City of Pensacola. The nine (9) member Commission consists of the President of the Chamber of Commerce, two (2) members of the Pensacola City Council, two (2) members of the Escambia County Commission, one (1) member of the Century City Council, one (1) representative of the Committee of 100 or the Tourist Advisory Council, one (1) at-large member appointed by the Pensacola City Council and one (1) at-large member appointed by the Escambia County Commission. The County and the City of Pensacola each contribute funds annually for the operation of the Commission, but neither has control of the budget or finances of the Commission. Separate financial statements are available from the Pensacola – Escambia County Promotion and Development Commission at 117 West Garden Street, Pensacola, Florida 32593-0550.

Summary financial statements as of September 30, 2018, for the joint ventures are as follows:

STATEMENTS OF NET POSITION
SEPTEMBER 30, 2018

	HRC	PEDC
Assets	$ 14,350	$ 7,530,104

Net position - beginning	19,752	4,455,785
Net position - ending	$ 8,320	$ 4,467,857

C. Basis of Presentation – Government-wide and Fund Financial Statements

The basic financial statements consist of the government-wide (based on the County as a whole, including its component units) and fund financial statements. Both sets of statements categorize primary activities as either governmental or business-type activities.

The government-wide financial statements include a statement of net position and a statement of activities which report on the government as a whole and provide a consolidated financial picture of the government. As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Interfund activities are eliminated to avoid distorted financial results. The amounts reported as internal balances represent the residual amounts due between governmental and business-type activities. Fiduciary Funds of the government are also eliminated from this presentation since these resources are not available for general government funding purposes.

The statement of activities reports functional categories of programs provided by the County, and demonstrate how and to what degree those programs are supported by specific revenue. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on external fees and charges for support. Likewise, the primary government is reported separately from certain legally separate component units for which the primary government is financially accountable.

The statement of activities demonstrates the degree to which the direct expenses of a given program are supported by specific revenues. *Direct expenses* are those that are clearly identifiable with a specific program. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. G*eneral revenues* consist of all taxes and other items collected that help support all functions of Escambia County government.

Individual fund financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

The County reports the following major governmental funds:

The *General Fund* is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. The general fund includes the Board of County Commissioners, Clerk of Circuit Court and Comptroller, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector.

Escambia County Area Transit Authority (Mass Transit Authority) Fund accounts for the operations and maintenance of the Escambia County Transit System. The 1 to 5 Cents Local Option Fuel Tax (4 cents levied) is used to fund public transportation operations and maintenance pursuant to Sections 203 and 336, Florida Statutes. Funding is also by Federal Transit Administration operating grants, user fees and reimbursements for non-transit activities.

Escambia County Area Transit Authority FTA Capital (Mass Transit Authority - FTA Capital) Fund is the capital project fund of the Escambia Area Transit Authority and is reported as a major capital project fund in the fund financial statements of the County. It accounts for revenue received from the United States Department of Transportation and cost associated with federal transportation assistance. The Federal Transit Administration (FTA) provides capital assistance for mass transit projects including mass transit fixed route and ADA paratransit services for citizens through urban areas of Escambia County. FTA funding is provided by Grants, State matching funds, and Escambia County Area Transit Authority matching funds.

The *Disaster Recovery Fund* accounts for financing provided from various grants, or reimbursements to aid the County's recovery from either natural or man-made disasters. Due to the nature of this major fund, the County generally adopts an appropriated budget of zero.

The *Community Redevelopment Agency Fund (CRA)* was established to account for the revenues and expenditures of the redevelopment areas established within the County. The CRA Fund is a blended component unit of Escambia County. Pursuant to Florida Statutes Section 163 Part III, the Community Redevelopment Act of 1969 authorized government to use tax increment financing as a means for community redevelopment.

The *Series 2017 Project Fund* is a capital project fund created pursuant to Resolution 2017-70 to account for the proceeds of the Sales Tax Revenue Bonds, Series 2017, issued June 22, 2017. This fund will account for the expenditures associated with the acquisition, planning, design and construction of a new 1,500 rated bed correctional facility. This new facility will be constructed in two phases utilizing the design-build construction delivery method pursuant to section 287.055, Florida Statutes (acquisition of professional architectural and engineering services). Upon completion, the new correctional facility will replace the existing correctional facilities known as the Central Booking Detention Facility and Main Jail.

The *Local Option Sales Tax Fund (LOST)* accounts for monies collected pursuant to Florida Statutes 212.055, which authorizes the County to impose a one percent (1%) local option infrastructure sales surtax upon taxable transactions occurring within Escambia County, to provide for road and drainage projects and improvements, recreation projects, public safety, expansion of jail and court facilities, and community redevelopment projects. This tax was approved by referendum on March 10, 1992, and was originally set to expire on December 31, 2017. On November 4, 2014, this tax was extended by referendum through December 31, 2028, as permitted by law.

The County reports the following major proprietary funds:

The *Solid Waste Fund* accounts for solid waste disposal (landfill) operations, primarily financed through franchise fees and user charges.

The *Emergency Medical Service Fund* accounts for the cost of emergency medical services provided in Escambia County. All activities necessary to provide such services are accounted for in this fund.

Additionally, the government reports the following fund types:

The *Internal Service Fund* accounts for risk management activities, activities for garage and fuel services provided to County departments, and for administration of employee benefits. Additionally, the internal service fund is used to account for balances and activity related to compensated absences policies of the Clerk of the Circuit Court and Comptroller, for court related activities.

Agency Funds are custodial in nature, and are therefore excluded from the governmental-wide financial statements. These funds are used to account for assets held by the County as an agent for individuals, private organizations and governments. Agency funds are utilized by the Clerk of the Circuit Court and Comptroller, the Tax Collector, and the Sheriff. Resources include fines, forfeitures, and filing fees collected for other governmental agencies, child support payments, jury and witness services, posted bonds collected for individuals, prisoner's funds, confiscated monies held as evidence, property taxes and fees for licenses.

D. Measurement Focus and Basis of Accounting

The **government-wide financial statements** and the **proprietary fund and fiduciary fund financial statements** are reported using the *economic resources measurement focus* and the *accrual basis of accounting.* Revenues are recorded when earned and expenses are recorded when a liability is incurred,

regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the County considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. State shared revenues, sales taxes, franchise taxes, and interest associated with the current fiscal period are all considered to be susceptible to accrual and have been recognized as revenues of the current fiscal period. Expenditures generally are recorded when a liability is incurred, except debt service expenditures and expenditures related to compensated absences and claims and judgments, which are recorded only when payment is due. Capital asset acquisitions are recorded as expenditures in governmental funds. Monies received from issuing long-term debt and acquisitions under capital leases are reported as *other financing sources*.

Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other eligibility requirements have been met, and the amount is received during the period or within the availability period for this revenue source (within 60 days of year-end).

Escambia County allocates indirect costs comprised of administrative overhead costs to functional activities using various allocation charge methods. Therefore, expenses reported for functional activities include these allocated indirect costs. Elimination of these charges would distort the direct costs of the functions concerned.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements, with the exception of administrative overhead components as discussed above.

Amounts reported as program revenue include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided; 2) operating grants and contributions; and 3) capital grants and contributions, including special assessments. All taxes, including those dedicated for specific purposes, and internally dedicated resources are reported as general revenues rather than as program revenue.

Proprietary fund financial statements are reported using economic resource measurement focus and the accrual basis of accounting, distinguishing *operating* revenues and expenses from *non-operating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the County's enterprise funds are charges to customers for sales and services. Operating expenses for enterprise funds and the internal service fund include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

E. Budgetary Information

Annual budgets are adopted on a basis consistent with *generally accepted accounting principles* as required by Florida Statute 129 for all governmental funds. In fiscal year 2018, the Disaster Recovery Fund adopted an original budget appropriation of zero, which was subsequently amended.

On or before May 1 of each year, the Clerk of the Circuit Court and Comptroller, Property Appraiser, Supervisor of Elections, Sheriff and Tax Collector each submit to the Board of County Commissioners a tentative budget for the ensuing fiscal year.

Within fifteen days after certification of the ad valorem tax roll by the Property Appraiser, the County's Office of Management and Budget submits to the Board of County Commissioners a proposed budget for the fiscal year commencing the following October 1st. Pursuant to the provisions of Section 129.01, Florida Statutes, the proposed budgets as submitted contain balanced statements of estimated revenue and proposed appropriations for each fund required to be presented by law or sound financial practice, including the general, special revenue, debt service, and capital projects funds.

The Board holds public hearings and a final budget must be prepared and adopted no later than September 30. The County's budget is legally enacted through passage of a resolution.

The appropriated budget is prepared by fund, function and department. The Office of Management and Budget is authorized to transfer budgeted amounts within departments of a fund and between departments of a fund; however, the Board of County Commissioners must approve any revisions that alter the total expenditures of any fund. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is the fund level. The Board of County Commissioners approved supplemental budget amendments during the year that increased the original budget.

All appropriations lapse at the end of each fiscal year, although the county expects to honor purchase orders and contracts in process, subject to authority provided in the subsequent year's budget.

F. Property Taxes

Under Florida law, the assessments of all properties and the collections of all county, municipal, and school board property taxes are consolidated in the offices of the County Property Appraiser and the County Tax Collector. The laws of the state regulating tax assessments are also designed to assure a consistent property valuation method statewide. Pursuant to the State Constitution, Florida Statutes permit counties to levy ad valorem taxes on real and tangible personal property taxes at a rate not to exceed 10 mills for countywide purposes, exclusive of taxes levied for the payments of bonds and taxes levied for periods of not longer than 2 years and approved by a vote of the electors. All property is assessed at 100% of just value. For fiscal year 2018, the County-wide operating millage rate was 6.6165 mills. The County-wide operating millage rate for the Library was .359 mills for a total of 6.9755 mills. The Law Enforcement MSTU rate is .685 for a total direct rate of 7.6605 mills.

The tax levy of the County is established by the Board of County Commissioners prior to October 1 of each year and the Tax Collector incorporates the millage into the total tax levy, which includes the municipalities, special districts, and the County School Board tax requirements and produces the tax bill. All property is reassessed by the Property Appraiser, according to its fair market value on January 1 of each year. The certified assessment roll is delivered by the Property Appraiser to the Tax Collector.

All property taxes are billed in arrears and become due and payable on November 1 of each year. All unpaid taxes become delinquent on April 1 following the year which they are assessed. The legal lien date is January 1 of each year. Discounts are allowed for early payment at the rate of 4% in the month of November, 3% in the month of December, 2% in the month of January, and 1% in the month of February. Taxes paid in March are without discount. Tax certificates are sold for all delinquent taxes on real property. Virtually all unpaid taxes are collected via the sale of tax certificates prior to year end. The county does not accrue its portion of the County-held tax sale certificates or personal property tax warrants because such amounts are not considered to be material.

G. Cash and Cash Equivalents

The County defines cash and cash equivalents as cash held at a depository and cash on hand for operating purposes and those investments which are short term and highly liquid. Generally, those investments have original maturities of three (3) months or less from the date of acquisition. The County maintains an equity in pooled cash fund. All monies which are not legally restricted to separate

administration are pooled together for investment and are maintained on a daily transaction basis. Investment earnings are distributed in accordance with the participating funds' relative equity. The County's cash deposits are held by banks that qualify as public depositories under the Florida Security for Public Deposits Act as required by Chapter 280, Florida Statutes. The County's cash deposits are fully insured by the Public Deposits Trust Fund.

H. Investments

Investments for the County are reported at fair value (generally based on quoted market prices) except for the Florida Prime Investment Pool, FL CLASS Investment Pool, and Florida Fixed Income Trust are reported at amortized cost. The Florida Fixed Income Trust Cash Pool has a floating Net Asset Value (NAV) however the investment pool is managed to maintain a constant NAV. Investments are pooled together for investment purposes with each individual fund and/or account maintained on a daily transaction basis. Investment earnings are distributed in accordance with the participating funds' relative equity. Such investments consist of Certificates of Deposit, U.S. Treasury Securities, Federal Instruments, Commercial Paper, Corporate Notes, and State and/or Local Government Debt.

I. Inventories and Prepaid Items

Inventories are valued at cost, using the first-in/first-out method. Annual inventory expenditures reflect supplies consumed. The cost of such inventories is recorded as expenditures/expenses when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both the government-wide and fund financial statements. These payments are recorded as expenditures/expenses when consumed rather than when purchased.

J. Restricted Assets

The use of certain assets in business-type activities is restricted by resolution or ordinance. Assets are designated as restricted since their use is limited. Restricted assets reported represent escrow deposits for customers, funds held for the Saufley Construction and Demolition (C&D) project closure, and the Landfill Escrow held for landfill closure and post closure liability.

K. Accounts Receivable

Accounts Receivable are shown net of an allowance for uncollectible accounts. The Solid Waste Fund records an allowance for receivables older than 90 days, while the Internal Service Fund provides an allowance for receivables without collections during the past year. All other County funds record an allowance on accounts older than 120 days. Accounts in the General Fund consist primarily of franchise fees receivable. The receivables at the end of the fiscal year include an estimated total allowance for uncollectable accounts in the amount of $9.308 million. This allowance is comprised of $8.479 million for ambulance receivables in the Emergency Medical Services Fund; $693,000 for the Internal Service Funds related to the self insurance third party receivables; $63,000 for the Local Option Sales Tax Fund; $51,000 for HUD-CDBG housing programs, $18,000 for the Mass Transit Fund, $3,000 General Fund and $1,000 for the Bay Center.

L. Interfund Transactions

Reimbursements to a fund for expenditures/expenses initially made from it, which are applicable to another fund, are recorded as expenditures/expenses in the reimbursing fund, and reductions of expenditures/expenses in the fund that is reimbursed. All other interfund transactions are reported as transfers.

M. Interfund Payables and Receivables

Unpaid amounts of interfund transactions at year end are reflected as "due from other funds" or "due to other funds" in the related fund financial statements. Noncurrent portions of interfund payables and receivables are reported as advances. In governmental funds, advances are offset equally by nonspendable fund balance unless the funds are restricted or committed. Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

N. Capital Assets

Capital Assets, which include property, plant, equipment, intangibles, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Purchased or constructed assets are recorded at historical cost or at a price that would be paid to acquire the asset with equivalent service potential in an orderly market transaction at the acquisition date. Donated capital assets are recorded at acquisition value at the acquisition date.

The County capitalizes items costing $1,000 and having an estimated useful life in excess of one year. Buildings, public domain, and system infrastructure assets which represent major expenditures for such items as roads, water and sewer lines, landfill improvements, parks, and drainage systems are capitalized at historical cost. Major outlays for capital assets and improvements are capitalized as projects are constructed.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Capital Assets are depreciated over their estimated useful lives unless they are inexhaustible or are intangible assets with indefinite useful lives. The term depreciation (and related forms of the term) includes amortization of intangible assets.

Depreciation has been provided using the straight-line method. The estimated useful lives of the various classes of depreciable capital assets are as follows:

Buildings	10 – 50 years
Improvements	20 – 50 years
Infrastructure	20 – 50 years
Equipment	3 – 10 years
Intangibles	3 – 5 years

O. Unearned Revenues

Unearned revenues include amounts collected before revenue recognition criteria are met. Expenditure-driven grants and excess revenue for exchange type transactions are reported as unearned at the end of the fiscal year.

P. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources and deferred inflows of resources. Deferred outflows of resources represent a consumption of net position that applies to a future period(s) and will *no*t be recognized as an outflow of resources (expense/expenditure) until then. Deferred inflows of resources represent an acquisition of net position that applies to future periods and, will not be recognized as an inflow of resources (revenue) until that applicable time.

The County has three items that qualify for reporting as deferred outflows of resources. The first is the deferred charge on refunding reported in the government-wide statement of net position. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. The second is the deferred outflow of resources related to pensions reported in the government-wide and proprietary statements of net position. The deferred outflows for pensions are an aggregate of items related to pensions as calculated in accordance with GASB Statements No. 68, *Accounting and Financial Reporting for Pensions* and No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date*. These deferred outflows for pension will be recognized as pension expense or a reduction of the net pension liability in future reporting years. The third is the deferred outflow of resources related to OPEB reported in the government-wide and proprietary statements of net positon. The deferred outflows for OPEB are an aggregate of items related to changes in assumptions and other inputs as calculated in accordance with GASB Statements No. 75, *Accounting and Financial Reporting for Postemployment Benefits other than Pensions.* These deferred outflows for OPEB will be recognized as benefit expense or a reduction of the net OPEB liability in future reporting years.

The County also reports deferred inflows of resources in the government-wide and proprietary statements of net position. The unavailable revenue for capital lease is deferred and recognized as an inflow of resources in the period that the amounts become available. The SRIA also has deferred inflows for fees collected prior to the time requirements being met. The deferred inflows for pensions are an aggregate of items related to pensions as calculated under the same principles as the deferred outflows for pensions, and will be recognized as a reduction to pension expense in future reporting years. The deferred inflows for OPEB are an aggregate of items related estimated benefits paid after the measurement date as calculated under the same principles as the deferred outflows for OPEB, and will be recognized as a reduction to benefit expense in future reporting years.

Q. Self-Insurance Claims

Liabilities for reported claims and incurred but not reported claims (IBNR) are estimated based on an actuarial review of claims pending and historical experience.

R. Landfill Closure and Postclosure Care Payable

The County recognizes municipal solid waste landfill closure and post closure care costs under the State of Florida's Solid Waste Management Act of 1988, regulations of the Federal Environmental Protection agency and the GASB Statement No. 18, *Accounting for Municipal Solid Waste Landfill Closure and Post closure Care Costs*. The County is required to place a final cover on closed landfills and to provide long-term care for up to thirty years after final cover. These obligations for closure and postclosure are recognized in the Solid Waste Fund over the active life of the landfill, based on landfill capacity used to date.

S. Long Term Obligations

Payments on long term liabilities which are expected to be financed from governmental funds are accounted for as debt service expenditures. For proprietary fund types, long term debt and other obligations are reported as liabilities in the fund financing the obligation. In the government-wide and the proprietary fund financial statements these amounts are reported as liabilities in the statement of net position.

Debt issuance cost, except for prepaid insurance, are expensed in the period incurred. Prepaid insurance cost are reported as an asset and amortized in a systematic and rational manner over the duration of the related debt.

Legal debt margin for bond payments are governed by Florida Statutes 200.181. None of the provisions of this chapter limit or restrict the rate or amount of ad valorem taxes levied for the payment of the

principal and the interest on any debt service secured by revenue certificates or by bonds for which the full faith and credit of any taxing district may be pledged.

The County reports pollution remediation obligations, in accordance with GASB Statement No. 49, *Accounting and Financial Reporting for Pollution Remediation Obligations*. The circumstances under which the County will have to estimate, record, and disclose its expected outlays for pollution remediation include: the pollution is an imminent danger to public health or welfare; the government is in violation of a pollution prevention-related permit or license; the government has been named as a responsible party under Superfund or similar state laws; the government is named in a lawsuit that would require participation in remediation activities; or the government legally commits itself to conduct remediation activities.

T. Compensated Absences

The County's reporting of accumulated compensated absences complies with GASB Statement No. 16, *Accounting for Compensated Absences.* The County's policy permits eligible employees to accumulate a limited amount of earned but unused leave based on years of employment. While employees are encouraged to use their annual leave in the year that it is earned, unused leave time is paid upon separation of service. Compensated absences are recorded as a liability when the benefits are earned in the government-wide and proprietary fund financial statements. The governmental funds recognize an expenditure at the time payments are made to employees.

U. Other Post Employment Benefits (OPEB)

Under the provisions of GASB Statement No. 75 *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions* (OPEB), the government-wide and proprietary fund financial statements recognize the OPEB expense along with the related liability, deferred outflows and inflows of resources. The OPEB liability is the difference between the total OPEB liability and the plan's fiduciary net position. The plan is currently unfunded. The government-wide financial statements include the liability of all plan participants for the Board of County Commissioners, the Constitutional Officers, and the Santa Rosa Island Authority.

V. Net Pension Liability

The government-wide and proprietary fund financial statements net pension liability represents the County's proportionate share of the net pension liability of the cost-sharing pension plan in which it participates. The County participates in the Florida Retirement System (FRS) and the Health Insurance Subsidy Program (HIS) which are administered by the Florida Division of Retirement. For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, pension expense, additions/deductions, and information about the fiduciary's net position have been determined on the same basis as they are reported by this cost-sharing plan. Benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value. The government-wide financial statements include the liability of all plan participants for the Board of County Commissioners and the Constitutional Officers.

W. Fund Balance Reporting and Governmental Fund-Type Definitions

GASB Statement No. 54 *Fund Balance Reporting and Governmental Fund Type Definitions* clarify governmental fund balance classifications and fund-type definitions. The Board of County Commissioners is the County's highest level of decision-making authority. Governmental fund balances are classified either as nonspendable or spendable. Spendable fund balances (restricted, committed, assigned, or unassigned) are further classified below in a hierarchy based on the extent to which there are external and internal constraints on spending of these fund balances. These classifications are described as follows:

Nonspendable fund balance - include amounts that cannot be spent because they are not in spendable form or are legally or contractually required to be maintained intact. Nonspendable types consist of inventories, prepaid amounts, long-term amounts of other assets, loans, notes, and advances receivable, and may include property acquired for resale.

Restricted fund balance – include amounts that can be spent only for specific purposes stipulated by (a) external resource providers such as creditors (by debt covenants), grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed fund balance – Amounts that can be used only for the specific purposes determined by a formal action of an ordinance of the Board of County Commissioners, the highest level of decision making authority. Commitments may be changed or lifted only by the Board of County Commissioners taking the same formal action of an ordinance that imposed the constraint originally.

Assigned fund balance – comprises amounts intended to be used by the government for specific purposes. The Board of County Commissioners or management designee (via action by the Board of County Commissioners) has the authority as the official authorized to assign fund balance to a specific purpose as provided by the fund balance policy. In governmental funds other than the general fund, assigned fund balance represents the amount that is not restricted or committed. This indicates that the resources in other governmental funds are, at a minimum, intended to be used for the purpose of that fund.

Unassigned fund balance – is the residual classification for the general fund. This classification represents fund balance that has not been assigned to other funds and that has not been restricted, committed, or assigned to specific purposes within the general fund. Unassigned amounts are technically available for any purpose. Unassigned fund balance may also include negative balances for any governmental fund if expenditures exceed amounts restricted, committed, or assigned for those specific purposes.

The County has adopted a formal fund balance policy. It is the County's goal to maintain a targeted minimum unrestricted fund balance (the sum of the Committed, Assigned and Unassigned fund balance) equal to 2 months of the current fiscal year's operating expenditures and transfers out budgeted for the fund. This unrestricted fund balance is needed to cover short-term cash flow variations, economic downturns, or unanticipated events that would adversely affect the financial condition of the County and jeopardize the continuation of necessary public services.

Compliance with the provisions of the fund balance policy is reviewed as part of the annual budget adoption process and revisions to the levels of fund balance can be determined during this process. Budgeting of amounts of unassigned fund balance for the purpose of balancing the budget requires the Board of County Commissioners' approval.

When multiple categories of fund balance are available for expenditures, the County will start with the most restricted category, unless there are legal documents/contracts that prohibit this order, such as

grant agreements requiring dollar for dollar spending. Unassigned fund balance is used when expenditures are incurred for purposes which amounts in any classification could be used.

X. Net Position

The net positions of proprietary funds, governmental activities and business-type activities are made up of three components. *Net Investment in Capital Assets* which represents net capital assets less related long-term liabilities; unspent debt proceeds will increase this amount. The *Restricted* component of net position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets. The restricted component represents assets that are legally restricted. They include reserve funds, special revenues restricted by statute or ordinance, bond proceeds, and other sources restricted for capital or improvements. The *unrestricted* component of net position is the balance not included in the determination of net investment in capital assets or the restricted component of net position.

NOTE 2 - DEPOSITS AND INVESTMENTS

A. Cash and Cash Equivalents

At September 30, 2018, the County's carrying value of cash and cash equivalents totaled $200,862,090, which is presented as $191,154,902 in the statement of net position and $9,707,188 in the statement of fiduciary net position.

Additionally, funds are placed with the State Board of Administration for participation in the Florida Prime Investment Pool, created by Section 218.405, Florida Statutes. This investment pool operates under investment guidelines established by Section 215.47, Florida Statutes. The County's investment in the Florida Prime Investment Pool, a Security and Exchange Commission (SEC) Rule 2a7-like external investment pool is reported at amortized cost, which is not materially different from fair value. Rule 2a-7 is the rule that permits money market funds to use amortized cost to maintain a constant Net Asset Value (NAV) of $1.00 per share, provided that such funds meet certain conditions. The Florida Prime Investment Pool has a dollar weighted average days to maturity "WAM" of 33 days as of September 30, 2018. Next interest rate reset dates for floating rate securities are used in the calculation of the WAM. The weighted average life (WAL) of Florida Prime at September 30, 2018 is 72 days. There are no restrictions on redemptions. The Florida Prime Investment Pool is rated by Standard and Poors. The current rating is AAAm.

The County participates in the Florida Cooperative Liquid Asset Securities System (FLCLASS). This investment pool is a stable NAV Government Investment Pool established under Section 218.415, Florida Statutes; and is an intergovernmental investment authorized pursuant to the Florida Interlocal Cooperation Act of 1969. The County's investment in FLCLASS is reported at amortized cost, which is not materially different from fair value. FLCLASS has a dollar weighted average days to maturity "WAM" of 50 days as of September 30, 2018. Next interest rate reset dates for floating rate securities are used in the calculation of the WAM. The weighted average life (WAL) of FLCLASS at September 30, 2018 is 72 days. There are no restrictions on redemptions. FLCLASS is rated by Standard and Poors. The current rating is AAAm.

The County also participates in the Florida Fixed Income Trust (FL FIT). This investment pool is managed as a Constant NAV Government Investment Pool established under Section 218.415, Florida Statutes; and is an intergovernmental investment authorized pursuant to the Florida Interlocal Cooperation Act of 1969. The County's investment in the FL FIT Cash pool is reported at amortized cost, which is not materially different from fair value. FL FIT has a dollar weighted average days to maturity "WAM" of 120 days as of September 30, 2018. Next interest rate reset dates for floating rate securities are used in the calculation of the WAM. The weighted average life (WAL) of FLCLASS at September 30, 2018 is 81 days. There are no restrictions on redemptions. FL FIT is rated by Standard and Poors. The current rating is AAAf.

The County's cash deposits are held by banks that qualify as public depositories under the Florida Security for Public Deposits Act as required by Chapter 280, Florida Statutes. At September 30, 2018 the carrying amount of the County's cash deposits totaled $106,115,501, cash in money market funds totaled $15,391,642, the County's investment in the Florida Prime Investment Pool totaled $59,530,272, the County's investment in FLCLASS totaled $5,143,216 and the County's investment in FL FIT totaled $14,681,460.

B. Investment Portfolio

The Escambia County Board of County Commissioners and Escambia County Clerk of the Circuit Court and Comptroller (Clerk) formally adopted the comprehensive investment policy in January 2010. The policy was created pursuant to Section 218.415, Florida Statutes and established permitted investments, asset allocation limits, issuer limits, credit ratings requirements, and maturity limits to protect the County's cash and investment assets. The County maintains a common cash and investment pool for the use of all funds.

Section 218.415, Florida Statutes, limits the types of investments that a government can invest in unless specifically authorized in the County's investment policy. The Board adopted a list of permitted investments by ordinance, and updated the investment policy in May 2018. The policy allows for the following investments: US Government Securities, US Government Agencies, Federal Instruments, Interest Bearing Time Deposit or Savings Accounts, Agency Mortgage-Backed Securities, Asset-Backed Securities, Repurchase Agreements, Commercial Paper, Corporate Notes, Bankers' Acceptances, State and/or local government taxable and/or tax-exempt debt Registered Investment Companies (Money Market Mutual Funds), and Intergovernmental Investment Pools that contain no derivatives. Derivatives and reverse repurchase agreements are not permitted by the County's investment policy.

The County's investment policy provides asset allocation, issuer, and maturity limits to protect the County's cash and investments. The policy allows for a short-term strategy (maturities of 12 months or less) to provide for operating funds and a longer-term strategy (maturities not exceeding 5 years) for the "core" portion of the portfolio. As defined by GASB Statement 31, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools*, money market investments are reported at amortized costs rather than fair value. The County's investments as defined by GASB Statement No. 72, *Fair Value Measurement and Application* are reported at fair value based on level 1 inputs for quoted prices for identical investments in active markets.

The Constitutional Officers electing not to adopt a written investment policy are limited to investing funds pursuant to Section 218.415, Florida Statutes, and subsection (17). Those investments include the Local Government Surplus Trust Fund, or any authorized intergovernmental investment pool, SEC registered money market funds with the highest credit quality rating from a nationally recognized rating agency, interest-bearing time deposits or savings accounts in qualified public depositories, and direct obligations of the U.S. Treasury.

The County's investment portfolio consists of $159,124,106 in direct obligations of United States Treasury Securities, Federal Instruments, Commercial Paper, Corporate Notes, State and/or Local Government debt, and Local Government Investment Pool funds which are reported at fair value in accordance with GASB Statement No. 31, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools*, and GASB Statement No. 72, *Fair Value Measurement and Application*.

As of September 30, 2018, interest receivable on the County's investment portfolio amounted to $769,933.

The County had the following investment types by issuer and effective duration presented in terms of years:

Security Type		Fair Value	Weighted Average Duration (Years)	Credit Rating	Percentage of Portfolio
Short Term Investments:					
United States Treasury Securities	$	3,046,142	0.63	AA+	1.91%
Federal Instruments		17,387,207	0.68	AA+	10.93%
State and/or Local Government Debt		3,499,268	0.78	AA-	2.20%
Corporate Notes		5,483,172	0.50	A+	3.45%
Total short term investments		29,415,789			18.49%
Long Term Investments:					
United States Treasury Securities		36,038,428	2.32	AA+	22.65%
Federal Instruments		8,416,144	1.71	AA+	5.29%
Corporate Notes		14,266,131	2.68	A	8.97%
State and/or Local Government Debt		394,888	1.14	AA+	0.25%
Local Government Investment Pool		70,592,726	1.51	AAA	44.36%
Total long term investments		129,708,317			81.51%
Total Fair Value	$	159,124,106			100.00%
Portfolio Weighted Average Duration			1.65		

C. Fair Value of Investments

Escambia County measures and records its investments using fair value measurement guidelines established by generally accepted accounting principles. These guidelines recognize a three-tiered fair value hierarchy, as follows:

- *Level 1*: Quoted prices for identical investments in active markets;
- *Level 2*: Observable inputs other than quoted market prices; and
- *Level 3*: Unobservable inputs

At September 30, 2018, Escambia County had the following recurring fair value measurements.

	9/30/2018	Level 1	Level 2	Level 3
Investments by fair value level				
Debt Securities				
Corporate Notes - Long Term	$ 14,266,131	$ 14,266,131	$ -	$ -
Corporate Notes - Short Term	5,483,172	5,483,172	-	-
United States Treasury Securities - Long Term	36,038,428	36,038,428	-	-
United States Treasury Securities - Short Term	3,046,142	3,046,142	-	-
Federal Instruments - Long Term	8,416,144	8,416,144	-	-
Federal Instruments - Short Term	17,387,207	17,387,207	-	-
Local Government Investment Pool	70,592,726	70,592,726	-	-
State and/or Local Government Debt - Long Term	394,888	394,888	-	-
State and/or Local Government Debt - Short Term	3,499,268	3,499,268	-	-
Total debt securities	$ 159,124,106	$ 159,124,106	$ -	$ -
Investments (cash equivalents) measured at the net asset value (NAV)				
LGIP - FL Prime	59,530,272			
LGIP - FL FIT	14,681,460			
LGIP - FLCLASS	5,143,216			
Total investments measured at the NAV	79,354,948			
Total investments measured at fair value	**$ 238,479,054**			

D. Interest Rate Risk

The County's investment policy sets limits for investment maturities to match known cash needs and anticipated cash flow requirements. Investments of current operating funds have maturities no longer than twelve (12) months. Core funds, investments of reserves, project funds, debt proceeds, and other non-operating funds have a term appropriate for the needs of the funds in accordance with debt covenants, with a maximum term of five (5) years, and the average duration of the funds as a whole may not exceed three (3) years.

The County utilizes "weighted average duration" as a measurement of interest rate risk; as of September 30, 2018, the investments had a weighted average duration of 1.65 years.

The County had $4,527,454 of securities with embedded options consisting of the option at the discretion of the issuer to call their obligation or pay a stated increase in the interest rate as follows:

CUSIP	Description	Maurity Date	Market Value	Call Schedule	Call Date
46625HQJ2	JP Morgan Chase Corp (Callable) Notes	3/1/2021	$ 982,054	Continuous	2/1/2021
594918BA1	Microsoft Corp (Callable) Notes	2/12/2022	488,182	Continuous	1/12/2022
458140BB5	Intel Corp (Callable) Notes	5/11/2022	972,708	Continuous	4/11/2022
68389XBB0	Oracle Corp (Callable) Notes	5/15/2022	973,303	Continuous	3/15/2022
911312BC9	United Parcel Service (Callable) Notes	6/15/2022	483,137	Continuous	4/16/2022
92826CAG7	Visa (Callable) Notes	9/15/2022	628,070	Continuous	8/15/2022
			$4,527,454		

The County's long term portfolio has no federal instrumentalities mortgage pass-through securities.

The Local Government Investment Pool Short-Term Bond Fund contains asset-backed securities rated AAA or AA+, and collateralized mortgage obligations.

E. Credit Risk

The County's investment policy permits the following investments, which are limited to credit quality ratings from nationally recognized rating agencies as described below:

- U.S. Government Treasury Securities, U.S. Government Agency, and Federal Instruments.
- Commercial paper of any United States company that is rated, at the time of purchase, "Prime-1" by Moody's and "A-1" by Standard & Poor's (prime commercial paper).
- Corporate notes issued by corporations organized and operating within the United States or by depository institutions licensed by the United States that have a long-term debt rating, at the time of purchase, at a minimum "A" by Moody's and a minimum long-term debt rating of "A" by Standard & Poor's.
- Bankers' acceptances issued by a domestic bank or a federally chartered domestic office of a foreign bank, which are eligible for purchase by the Federal Reserve System, if at the time of purchase, the short-term paper is rated, at a minimum "P-1" by Moody's Investors Services and "A-1" by Standard & Poor's.
- Agency Mortgage Backed Securities that are issued or fully guaranteed as to principal and interest by a U.S. Federal agency or government sponsored enterprise; and asset backed securities with underlying collateral.
- State and/or local government taxable and/or tax-exempt debt, general obligation and/or revenue bonds, rated at least "Aa" by Moody's and "AA" by Standard & Poor's for long-term debt, or rated at least "MIG-2" by Moody's and "SP-2" by Standard & Poor's for short-term debt.

- Registered Investment Companies (Money Market Mutual Funds) rated "AAAm" by Standard & Poor's or the equivalent by another rating agency.

- Intergovernmental Investment Pool rated "AAAm, AAAf, S1" by Standard & Poor's or the equivalent by another rating agency.

As of September 30, 2018, the majority of the County's investment securities in the amount of $159,124,106 were all individually rated AAA, AA+ or A by Standard & Poors Rating Services. The County's $59,530,272 investment in the Florida State Board of Administration's Local Government Surplus Funds Trust Fund (Florida Prime Investment Pool) was rated by Standard and Poors. The current rating as of September 30, 2018 was AAAm. Additional information for the Florida Prime Investment Pool can be found at https://www.sbafla.com/prime/.

The County's $70,592,726 investment in the Local Government Investment Pool Short-Term Bond Fund is rated by Fitch. The current rating as of September 30, 2018 was AAAf, consisting of individually rated securities, primarily AAA rated. Additional information for the Florida Trust Short-Term Bond fund can be found at http://www.floridatrustonline.com.

The County's $5,143,216 investment in Florida Cooperative Liquid Asset Securities System (FLCLASS) Local Government Investment Pool was rated by Standard and Poors. The current rating as of September 30, 2018 was AAAm. Additional information for FLCLASS can be found at https://www.flclass.com.

F. Custodial Credit Risk

The County's investment policy requires securities, with the exception of certificates of deposits, to be held with a third party custodian; and all securities purchased by, and all collateral obtained by the County to be properly designated as an asset of the County. The securities must be held in an account separate and apart from the assets of the financial institution. Certificates of deposits are placed in the provider's safekeeping department for the term of the deposit.

As of September 30, 2018, the County's securities portfolio was held with a third-party custodian as required by the County's investment policy.

G. Concentration of Credit Risk

The County's investment policy establishes asset allocation and issuer limits on the following investments to reduce concentration of credit risk of the County's investment portfolio:

	Asset Allocation Maximum	Individual Issuer Limit
United States Government Securities	100%	N/A
United States Government Agencies (1)	100%	40%
Federal Instruments (1)	50%	25%
Interest Bearing Time Deposit or Saving Account	50%	15%
Repurchase Agreements	20%	10%
Commercial Paper	25%	5%
Corporate Notes	25%	5%
Agency Mortgage-Backed Securities	25%	25%
Asset-Backed Securities	25%	5%
Bankers' Acceptances	10%	5%
State and/or Local Government Taxable and/or Tax-Exempt Debt	25%	5%
Registered Investment Companies (Money Market Mutual Funds)	50%	25%
Intergovernmental Investment Pool (2)	75%	50%

(1) Treasury Strips are limited to 10% of available funds
(2) Fund may not contain derivatives

NOTE 3 – CAPITAL ASSETS

A. Changes in Capital Assets

The following show the changes in capital assets of governmental activities:

	Primary Government			
Governmental Activities	**Beginning Balance 10/1/2017**	**Increases**	**Decreases**	**Ending Balance 9/30/2018**
Capital Assets, Not Being Depreciated:				
Land	$ 60,615,067	$ 3,904,958	$ (8,650)	$ 64,511,375
Construction In Progress	19,585,718	27,131,113	(12,452,823)	34,264,008
Total Capital Assets, Not Being Depreciated	80,200,785	31,036,071	(12,461,473)	98,775,383
Capital Assets, Being Depreciated and Amortized:				
Buildings and Improvements	233,745,208	2,029,133	-	235,774,341
Equipment	139,051,028	8,360,191	(2,926,174)	144,485,045
Intangible Computer Software	8,698,164	82,714	-	8,780,878
Infrastructure	825,604,696	41,746,654	(130,443)	867,220,907
Total Capital Assets Being Depreciated	1,207,099,096	52,218,692	(3,056,617)	1,256,261,171
Less Accumulated Depreciation For:				
Buildings and Improvements	(111,205,704)	(7,186,149)		(118,391,853)
Equipment	(114,168,134)	(8,206,395)	2,854,065	(119,520,464)
Intangible Computer Software	(6,010,752)	(620,040)	-	(6,630,792)
Infrastructure	(500,840,119)	(31,174,123)	25,715	(531,988,527)
Total Accumulated Depreciation	(732,224,709)	(47,186,707)	2,879,780	(776,531,636)
Total Capital Assets, Being Depreciated, Net	474,874,387	5,031,985	(176,837)	479,729,535
Governmental Activities Capital Assets, Net	$ 555,075,172	$ 36,068,056	$ (12,638,310)	$ 578,504,918

The following is a summary of governmental activities depreciation and amortization expense by function. As used in this section, the term depreciation includes amortization of intangible assets:

Depreciation Governmental Activities:	
General Government	$ 11,463,736
Public Safety	10,056,918
Physical Environment	1,572,467
Transportation	16,217,213
Economic Environment	981,900
Human Services	109,395
Culture/Recreation	6,438,037
Court Related	279,289
Capital Assets held by the government's Internal Service Fund and charged to individual functions based on usage	67,752
Total Depreciation Expense - Governmental Activities	$ 47,186,707

The following shows the changes in capital assets of business type activities:

	Primary Government			
Business-type Activities	**Beginning Balance 10/1/2017**	**Increases**	**Decreases**	**Ending Balance 9/30/2018**
Capital Assets, Not Being Depreciated:				
Land	$ 5,793,269	$ -	$ -	$ 5,793,269
Construction In Progress	5,214,972	-	(246,260)	4,968,712
Total Capital Assets, Not Being Depreciated	11,008,241	-	(246,260)	10,761,981
Capital Assets, Being Depreciated:				
Buildings and Improvement	37,292,723	48,427	-	37,341,150
Equipment	27,482,200	1,935,506	(1,855,487)	27,562,219
Intangible Computer Software	176,255	-	-	176,255
Infrastructure	45,177,511	4,479,531	-	49,657,042
Total Capital Assets Being Depreciated	110,128,689	6,463,464	(1,855,487)	114,736,666
Less Accumulated Depreciation For:				
Buildings and Improvements	(28,143,822)	(876,352)	-	(29,020,174)
Equipment	(18,531,186)	(1,636,808)	-	(20,167,994)
Intangible Computer Software	(176,255)	(2,499,312)	1,723,345	(952,222)
Infrastructure	(24,550,519)	-	-	(24,550,519)
Total Accumulated Depreciation	(71,401,782)	(5,012,472)	1,723,345	(74,690,909)

Community Redevelopment Projects	129,397	123,373
Disaster Recovery-Flood Projects	271,934	164,920
Total	$ 65,818,440	$ 161,323,952
Business Type Activities		
Solid Waste Landfill Projects	$ 4,559,391	$ 3,880,797
Public Safety Equipment	-	9,999
Total	$ 4,559,391	$ 3,890,796

D. Discretely Presented Component Units

Capital assets activity for the Santa Rosa Island Authority, a discretely presented component unit, for the year ended September 30, 2018, was as follows:

	Component Unit			
Santa Rosa Island Authority	**Beginning Balance 10/1/2017**	**Increases**	**Decreases**	**Ending Balance 9/30/2018**
Capital Assets, Being Depreciated:				
Buildings	1,127,549	-	-	1,127,549
Improvements other than Buildings	10,807	-	-	10,807
Equipment	239,035	8,157	(10,483)	236,709
Total Capital Assets Being Depreciated	1,377,391	8,157	(10,483)	1,375,065
Less Accumulated Depreciation For:				
Capital Assets	(754,360)	(44,446)	10,483	(788,323)
Capital Assets, Net	$ 623,031	$ (36,289)	$ -	$ 586,742

The following is a summary of the component unit business-type activities depreciation expense by program:

Depreciation component unit:	
Santa Rosa Island Authority	$ 44,446
Total Depreciation Expense - Component Unit	$ 44,446

NOTE – 4 INTERFUND RECEIVABLES, PAYABLES, ADVANCES, AND TRANSFERS

The composition of interfund balances as of September 30, 2018 is as follows:

	Receivable From Other Funds	**Payable to Other Funds**
Major Funds:		
General Fund	$ 2,245,530	$ 462,790
Major Special Revenue Funds:		
Mass Transit	-	2,000,000
Major Capital Project Fund:		
Local Option Sales Tax Fund (LOST)	-	234,153
Non-major Funds:		
Special Revenue Funds	188,189	571,894
Internal Service Fund	835,118	-
	$ 3,268,837	$ 3,268,837

	Advances Receivable from Other Funds	Advances Payable to Other Funds
Major Funds:		
Major Special Revenue Funds:		
Disaster Recovery Fund	$ -	$ 10,993,433
Major Capital Project Fund:		
Local Option Sales Tax Fund (LOST)	13,745,005	-
Non-major Funds:		
Special Revenue Funds	-	2,751,572
	$ 13,745,005	$ 13,745,005

Interfund receivables and payables resulted primarily from revenues accrued in certain funds that are transferred to other funds. Advances consist primarily of transactions between funds to finance operations, provide services, construction of assets and to service debt.

	Transfers In	Transfers Out
Major Funds:		
General Fund	$ 7,422,396	$ 13,330,053
Major Special Revenue Funds:		
Mass Transit Authority	-	23,837
CRA	17,500	-
Major Capital Project Fund:		
2017 Series Capital Project Fund	6,174,261	-
Mass Transit Authority - FTA Capital Fund	23,837	-
Local Option Sales Tax (LOST)	-	13,299,545
Major Enterprise Fund:		
Solid Waste Fund	-	381,297
Emergency Medical Service Fund	-	3,596,251
Non-major Funds:		
Special Revenue Funds	8,768,815	7,513,757
Debt Service Funds	14,442,290	-
Enterprise Funds	1,300,000	-
Internal Service Fund	-	4,359
	$ 38,149,099	$ 38,149,099

Transfers to or from other funds are based on budgetary requirements. Transfers are also used to move pledged revenue for debt service from the funds collecting the revenue to the debt service fund as required for bond coverage.

NOTE 5 – OTHER ASSETS

A summary of other assets as of September 30, 2018 is as follows:

	General Fund	LOST Fund	Total
PEDC receivable	$ 12,431	$ 2,218,838	$ 2,231,269
City of Pensacola receivable	-	3,200,000	3,200,000
IHMC loan receivable	-	7,939,911	7,939,911
SRIA loan receivable	-	3,745,000	3,745,000
PDC lease receivable	3,237,456	-	3,237,456
	$ 3,249,887	$ 17,103,749	$ 20,353,636

A. PEDC Receivable

The County has an interlocal agreement with the Pensacola Economic Development Commission (PEDC) to fund the development of the Downtown Technology Park Infrastructure. The majority of the funding source is from Local Option Sales Tax. There is no time limitation on the repayment; however, net proceeds from the sale of each Downtown Technology Park lot will be applied to the outstanding balance.

B. City of Pensacola Receivable

The County has an interlocal agreement with the City of Pensacola relating to the funding of a capital construction project at the Pensacola International Airport to aid in the development and improvement of the local economy. Under this agreement, the County provided $3.2 million to the City to assist with this project and the funds are required to be repaid no later than December 31, 2019.

C. IHMC Note Receivable

On November 14, 2013, the County and the Florida Institute for Human and Machine Cognition, Inc., (IHMC) entered into an agreement whereby the County's LOST Fund committed to loan up to $12 million to IHMC for paying off existing indebtedness and expansion of facilities in downtown Pensacola. As of September 30, 2018 the cumulative amounts borrowed by IHMC totaled $11,994,700. The remaining available amount of $5,300 will be utilized to pay debt service. The loan bears interest at 3.14% and is payable to the County over a 15 year period under a payment plan whereby fixed payments are required based upon the assumption that all $12 million was drawn by IHMC at inception of the agreement. The principal balance owed at September 30, 2018 was $7,939,911. IHMC is committed to making the following payments to the County under the payment plan:

Year	
2019	$ 1,012,067
2020	1,011,736
2021	1,011,684
2022	1,011,878
2023	1,011,287
2023-2028	5,058,682
	$ 10,117,334

D. SRIA Note Receivable

On September 30, 2014, the County and the Santa Rosa Island Authority (SRIA) entered into an interlocal agreement with the County for the County to provide up to $8.5 million of financing for sand re-nourishment and restoration on Santa Rosa Island. During prior years SRIA borrowed the entire $8.5 million under this agreement at a variable interest rate. The loan is payable to the County over a 7 year period under a payment plan whereby fixed payments are required based on the assumption that all $8.5 million was drawn by SRIA at inception of the agreement. The principal balance owed at September 30, 2018 was $3,745,000. SRIA is committed to making the following payments to the County under the payment plan:

Year		
2019	$	1,230,000
2020		1,250,000
2021		1,265,000
	$	3,745,000

E. PDC Capital Lease Receivable

The County has a capital lease agreement with Pensacola Developmental Center (PDC) for 7.08 acres of property and buildings used as an intermediate care facility for the developmentally disabled. The lease provides for transfer of ownership of the buildings and property at the conclusion of the lease. Terms of the lease include monthly payments of principal and interest at 5% per annum. The lease expires June 30, 2036.

The remaining lease payments are a deferred inflow of resources of the General Fund. As of September 30, 2018 future lease payments totaling $3,237,456 consists of principal of $2,143,309, and interest of $1,094,147. In the government-wide financial statements, only the interest is reported as a deferred inflow.

The future capital lease receivable and the net present value of the minimum lease payments as of September 30, 2018, were as follows:

Capital Lease Receivable		
Balance 10/01/2017	$	2,216,539
Additions		-
Principal reductions		(73,230)
Balance 09/30/2018	$	2,143,309

Future Lease Payments		
2019	$	182,392
2020		182,392
2021		182,392
2022		182,392
2023		182,392
2024-2036		2,325,496
Total minimum lease payment		3,237,456
less: amount representing interest		(1,094,147)
Present value of minimum lease payments	$	2,143,309

NOTE 6 - LONG TERM LIABILITIES

A. Schedule of Changes in Long Term Liabilities

The County's outstanding long-term debt includes bonds payable, revenue notes payable, claims payable, compensated absences, other post employment benefits, net pension liability-proportionate share, claims and judgments, accrued landfill closure costs, and remediation costs.

The following is a schedule of changes in the County's long term liabilities for the fiscal year ended September 30, 2018:

	Balance 10/1/17	Additions	Reductions	Balance 9/30/2018	Due Within One Year
Governmental Activities:					
Revenue bonds payable	$ 118,395,000	$ -	$ (2,850,000)	$ 115,545,000	$ 2,925,000
Revenue notes payable	55,658,000	-	(5,174,000)	50,484,000	5,293,000
Bonds/notes payable	174,053,000	-	(8,024,000)	166,029,000	8,218,000
Unamortized Bond Issue Premiums	10,593,411	-	(365,290)	$ 10,228,121	-
Total bonds/notes payable	184,646,411	-	(8,389,290)	176,257,121	8,218,000
Claims payable	9,785,464	1,854,869	(1,668,412)	9,971,921	3,168,831
Compensated absences	26,821,429	15,181,748	(14,950,852)	27,052,325	2,705,233
Net other post employment benefits	19,366,318	21,969	-	19,388,287	-
Net pension liability *	186,456,762	-	(2,564,764)	183,891,998	-
Pollution remediation obligation	155,000	25,000	-	180,000	120,000
Governmental activities long-term liabilities	$ 427,231,384	$ 17,083,586	$ (27,573,318)	$ 416,741,652	$ 14,212,064
Business-type Activities:					
Compensated absences	$ 1,264,029	$ 1,001,084	$ (903,622)	$ 1,361,491	$ 136,150
Net other post employment benefits	999,605	-	(73,528)	926,077	-
Net pension liability *	16,582,917	-	(247,284)	16,335,633	-
Landfill closure costs	15,705,217	777,851	-	16,483,068	74,693
Business-type activities Long-term liabilities	$ 34,551,768	$ 1,778,935	$ (1,224,434)	$ 35,106,269	$ 210,843

* presented net increases (decreases)

Compensated absences, other net post employment benefits, and net pension liability will be liquidated in future periods primarily by the General Fund.

B. Bonds and Notes Payable

The County has revenue bonds and revenue notes payable outstanding at year end. As of September 30, 2018, there are no business type-activity notes or bonds payable.

The following is a schedule of bonds and notes outstanding at September 30, 2018:

	Purpose of Issue	Amount Issued	Amount Outstanding	Interest Rates	Final Maturity
Governmental Activities:					
Revenue Bonds:					
Capital Improvement Refunding Revenue Bond					
Series 2011	Refunding	$ 19,345,000	$ 13,955,000	3.780%	10/1/2031
Sales Tax Refunding Revenue Bond					
Series 2011	Refunding	29,535,000	24,030,000	3.719%	10/1/2031
Sales Tax Revenue Bonds,					
Series 2017	Capital Project	78,060,000	77,560,000	2%-5%	10/1/2047
Total Revenue Bonds			115,545,000		
Revenue Notes:					
Sales Tax Refunding Revenue Note					
Series 2012	Refunding	$ 48,040,000	$ 36,900,000	2.820%	10/1/2032
Tourist Development Refunding Revenue Note					
Series 2012	Refunding	8,406,000	1,270,000	1.599%	10/1/2019
Capital Improvement Revenue Note					
Series 2013	Capital Project	12,000,000	8,569,000	3.816%	10/1/2028
Capital Improvement Revenue Note					
Series 2014	Capital Project	8,500,000	3,745,000	1.390%	10/1/2021
Total Revenue Notes			50,484,000		
Total Bonds & Notes Payable - Governmental Activities			**$ 166,029,000**		

C. Pledged Revenues

Escambia County has pledged certain revenues to repay certain bonds and notes outstanding at September 30, 2018. The following table reports the revenues, sometimes net of related operating expenses, pledged for each debt issue, the amount of such revenues received in the current year, the current year principal and interest paid on the debt, the approximate percentage of each revenue which is pledged to meet the debt obligation, the date through which the revenue is pledged under the debt agreement, and the total pledged future revenues for each debt, which is the amount of the remaining principal and interest on the bonds and notes at September 30, 2018:

Governmental Activities	**Revenue Pledged**	**Current Year Total Revenue**	**Pledged Outstanding Principal & Interest**	**Estimated Revenue Percentage Pledged**	**Principal & Interest Paid**	**Maturity Calandar Year**
Revenue Bonds and Notes:						
Capital Improvement Refunding Revenue Bond Series 2011	Non-Ad valorem	$ 1,395,101	$ 17,873,172	99%	$ 1,395,173	2031

D. Compensated Absences

Compensated absences are accrued in proprietary funds at year end. The County does not accrue compensated absences in governmental funds; however, compensated absences paid in governmental funds are charged to the fund and function in which the employee was related and are reported as a liability on the governmental activities statement of net position. The following is a summary schedule of compensated absences as of September 30, 2018:

	Balance 10/1/17	Additions	(Reductions)	Balance 9/30/18
Governmental Activities:				
Board of County Commissioners	$ 12,969,811	$ 7,636,071	$ (7,362,739)	$ 13,243,143
Clerk	628,895	195,287	(264,396)	559,786
Property Appraiser	388,650	335,540	(313,944)	410,246
Supervisor of Elections	183,470	83,565	(73,901)	193,134
Sheriff	11,173,699	5,973,014	(5,919,123)	11,227,590
Tax Collector	506,009	359,865	(409,867)	456,007
Internal Service Fund - BCC	283,078	154,228	(161,870)	275,436
Internal Service Fund - Clerk	687,817	444,178	(445,012)	686,983
	$ 26,821,429	$ 15,181,748	$ (14,950,852)	$ 27,052,325
Business-type Activities:

	$ 1,264,029	$ 1,001,084	$ (903,622)	$ 1,361,491

E. Other Post Employment Benefits (OPEB)

Other Post Employment Benefits (OPEB) are accrued in proprietary funds at year end. The County does not accrue OPEB in governmental funds; however, these benefits in governmental funds are charged to the fund and function in which the employee was related and are reported as a liability on the governmental activities statement of net position. The following is a summary schedule of OPEB as of September 30, 2018:

	Balance 10/1/17	Additions	(Reductions)	Balance 9/30/18
Governmental Activities:				
Governmental Activities	$ 19,366,318	$ 21,969	$ -	$ 19,388,287
	$ 19,366,318	$ 21,969	$ -	$ 19,388,287
Business-type Activities:				
Solid Waste Fund	$ 206,111		$ (15,161)	$ 190,950
Emergency Medical Service Fund	638,167	-	(46,941)	591,226
Inspections Fund	155,327	-	(11,426)	143,901
	$ 999,605	$ -	$ (73,528)	$ 926,077

F. Net Pension Liability

The following is a summary schedule of the net pension liability as of September 30, 2018:

Net pension liability FRS

	Balance 10/1/17	Increase (Decrease)	Balance 9/30/18
Governmental Activities:			
Governmental Activities	$ 150,234,441	$ (1,865,003)	$ 148,369,438

G. Debt Service Requirements

The following schedule shows debt service requirements to maturity for the County's bonds payable and notes payable:

Governmental Activities:

Fiscal Year	Revenue Bonds Payable		Revenue Notes Payable		Total
	Principal	Interest	Principal	Interest	
2019	2,925,000	5,108,169	5,293,000	1,454,414	14,780,583
2020	3,020,000	5,002,516	4,121,000	1,332,772	13,476,288
2021	3,115,000	4,888,169	4,220,000	1,223,248	13,446,417
2022	3,225,000	4,764,765	3,045,000	1,113,614	12,148,379
2023	3,340,000	4,636,867	3,130,000	1,018,753	12,125,620
2024-2028	18,485,000	21,101,458	17,080,000	3,575,130	60,241,588
2023-2033	16,805,000	17,287,366	13,595,000	1,081,172	48,768,538
2034-2038	18,465,000	13,523,250	-	-	31,988,250
2039-2043	23,155,000	8,828,750	-	-	31,983,750
2044-2047	23,010,000	2,575,451	-	-	25,585,451
Total	$ 115,545,000	$ 87,716,761	$ 50,484,000	$ 10,799,103	$ 264,544,864

The following schedule shows the minimum and maximum future principal installments.

Governmental Activities:	**Annual Principal Installment Amounts**				
Revenue Bonds:					
Capital Improvement Refunding Revenue Bond, Series 2011	$	885,000	to	$	1,280,000
Sales Tax Refunding Revenue Bond, Series 2011	$	1,530,000	to	$	2,205,000
Sales Tax Revenue Bond, Series 2017	$	510,000	to	$	6,180,000
Revenue Notes:					
Sales Tax Refunding Revenue Note, Series 2012	$	2,050,000	to	$	5,225,000
Tourist Development Refunding Revenue Note, Series 2012	$	1,270,000	to	$	1,270,000
Capital Improvement Revenue Note, Series 2013	$	743,000	to	$	981,000
Capital Improvement Revenue Note, Series 2014	$	1,230,000	to	$	1,265,000

H. Long-Term Debt – Bonds and Notes

The **Sales Tax Refunding Revenue Bond, Series 2011** in the aggregate amount of $29,535,000 was issued on October 21, 2011. The bonds have a fixed interest rate of 3.060% and a maturity date of October 1, 2031. The proceeds of this bond were used to advance refund a portion of the Sales Tax Revenue Refunding Bonds Series 2002. The Bond is secured by certain pledged revenues consisting primarily of amounts received by the County as proceeds of the Local Government Half-Cent Sales Tax.

The **Capital Improvement Refunding Revenue Bond, Series 2011** in the aggregate amount of $19,345,000 was issued on December 9, 2011. The Bonds have a fixed interest rate of 3.110% and a maturity date of October 1, 2031. The proceeds of the 2011 Bond were used to advance refund all of the outstanding Capital Improvement Revenue Bonds Series 2002. The Bond is secured by a covenant to budget and appropriate from available Non-Ad Valorem revenues.

The **Sales Tax Refunding Revenue Note, Series 2012** in the aggregate amount of $48,040,000 was issued on August 1, 2012. The Note has a fixed interest rate of 2.820% and a maturity date of October 1, 2032. The proceeds of the 2012 Note refunded on a current basis the balance of the Sales Tax Revenue Refunding Bonds Series 2002. The Bond is secured by certain pledged revenues consisting primarily of amounts received by the County as proceeds of the local Government Half-Cent Sales Tax.

The **Tourist Development Refunding Revenue Note, Series 2012** in the aggregate amount of $8,406,000 was issued on November 19, 2012. The note has a fixed interest rate of 1.599% and a maturity date of October 1, 2019. The proceeds of this note advance refunded the Tourist Development Revenue Refunding Bond, Series 2002; authorized for the purpose of the acquisition, construction, reconstruction of certain transportation facilities and certain beach nourishment improvements. The Bond is secured by a covenant to budget and appropriate from available Non-Ad Valorem revenues, and certain pledged revenues consisting of amounts received by the County as proceeds of the local Tourist Development Tax.

The **Capital Improvement Revenue Note, Series 2013** in the amount of $12,000,000 was issued on November 14, 2013. The Note has a fixed interest rate of 3.140% and a maturity date of October 1, 2028. The proceeds were used to reimburse the LOST fund for acquisition and construction of certain transportation and drainage related capital improvements of the County. The Note is secured by a covenant to budget and appropriate from legally available Non-Ad Valorem revenues.

The **Capital Improvement Revenue Note, Series 2014** in the amount of $8,500,000 was issued on September 30, 2014. The Note has a fixed interest rate of 1.390% and a maturity date of October 1, 2021. The proceeds of this note, in addition to matching funds approved by the State of Florida, were used to re-nourish 8.2 miles of Pensacola Beach located on Santa Rosa Island. The Note is secured by a covenant to budget and appropriate from legally available Non-Ad Valorem revenues.

The **Sales Tax Revenue Bond, Series 2017** for a par amount of $78,060,000 and a net premium of $10,682,424 was issued on June 22, 2017. The bonds have coupon rates ranging from 2% to 5%, with the yield ranging from .93% to 3.69% and a maturity date of October 1, 2047. The proceeds of this bond are reported in the 2017 Capital Projects fund and are being used for the construction of the new Jail Facility. The bond is secured by certain pledged revenues consisting of amounts received by the County as proceeds of the Local Government Half-Cent Sales Tax. As of September 30, 2018 there were unspent proceeds and net premium of $78,219,710.

I. Conduit Debt Obligations

Conduit debt obligations have been established in the County's name by private-sector entities for the acquisition and construction of industrial and commercial facilities deemed to be in the public interest. The bonds are secured by the property financed and are payable solely from payments received on the underlying mortgage loans and leases. Neither the County, nor the State, nor any political subdivision thereof, is obligated in any manner for repayment of the bonds. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements. As of September 30, 2018, the outstanding conduit debt of Escambia County is $370,950,000.

J. Landfill Closure and Postclosure Care Liability

State and federal laws and regulations require the County to place a final cover on its landfill when closed and to perform certain maintenance and monitoring functions at the landfill site for thirty years after closure. The cost of closure and postclosure care is allocated based on landfill capacity used to date and the type of waste being collected. The Beulah, Klondike, Mobile Highway, and Camp Five landfills are closed. Perdido Landfill is the only currently open landfill. Perdido Landfill design life is 66 years and future landfill cells will provide disposal capacity through 2055.

As of September 30, 2018, Perdido Landfill's Class I capacity is at 43.94%, leaving an estimated life of thirty seven (37) years remaining. The accrued cost for closure care and postclosure care as of September 30, 2018, is $16,483,068. The remaining closure and postclosure costs to be recognized, based upon the current engineering estimates are $21,370,619, and will be recognized as the remaining estimated capacity is used. All amounts recognized are based on an estimate by the County's engineers of the cost to perform all closure and postclosure care as of September 30, 2018. Actual costs may be different due to inflation, deflation, changes in technology, or changes in laws and regulations. The landfill is in the process of expansion to add additional capacity and useful life.

The County is required by state and federal laws and regulations to establish escrow accounts for closure and postclosure costs of the landfill. The County has complied with these requirements by depositing required amounts into a landfill management escrow account. Any balance in the account is reported as a restricted asset on the statement of net position of the Solid Waste Enterprise Fund. The restricted escrow balance as of September 30, 2018 is $9,219,916.

Closure and Postclosure Care Liability:

	2018	2017
Current	$ 74,693	$ 78,066
Long-term	16,408,375	15,627,151
Total Liability	$ 16,483,068	$ 15,705,217

K. Pollution Remediation Obligation

The County has identified potential pollution sites within the County which may require remediation. The county tracks, but does not report a liability for sites which are part of the State of Florida Department of Environmental Protection (FDEP) cleanup program funded by the State. Information on these locations and on scoring of projects is located on the FDEP website at www.dep.state.fl.us./waste.

The former Escambia County Mosquito Control Facility pollution remediation expenditures were approximately $52,000 during fiscal year 2018. Revised estimates for projected costs through 2019 are $100,000.

Pollution remediation obligations are an estimate and subject to changes resulting from price increases or reductions, technology or changes in applicable laws or regulations. The government does not expect to recover any amounts for remediation cost from any other party. The total pollution remediation obligation reported at September 30, 2018 in the governmental activities statement of net position is estimated to be approximately $180,000.

NOTE 7 - RISK MANAGEMENT PROGRAM

The County maintains a risk management program whereby the County is responsible for specific workers' compensation, general property and casualty, and auto liability claims. The risk management program is additionally responsible for active employee and retiree medical, prescription drug, and dental plans. The Santa Rosa Island Authority and Escambia County Law Library Board are also covered through the County's risk management program. The following are the types of risks and coverage:

Workers Compensation – The County is covered for workers' compensation claims through a policy with the Florida Municipal Insurance Trust. Coverage limits under the policy include statutory limits, as well as $1,000,000 bodily injury for each accident and $1,000,000 bodily injury by disease for each employee with an aggregate $1,000,000 policy limit.

Casualty and Property – The County is self-insured for liability. Limits, unless immunity is waived, are $200,000 per claim with a $300,000 aggregate limit pursuant to Florida's Sovereign Immunity Statute § 768.28. Property limits are $75 million for all Risks including flood and wind with a $25,000 deductible per occurrence.

Medical – The County offers medical and dental benefits to employees and retirees, under self-insured plans administered by Florida Blue and Delta Dental. Effective January 1, 2016 medical limits are self-insured for $250,000 annually per covered individual, with annual $1,000,000 aggregate stop loss coverage.

The County currently reports all of its risk management activities, including claims liabilities, in the Internal Service Fund. Liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Liabilities on workers compensation, casualty and property claims prior to June 9, 2008 include an amount for claims that have been incurred but not reported (IBNR). The claims liabilities totaling $9,971,921 reported in the Internal Service Fund at September 30, 2018 are actuarially determined based on historical and current information regarding the Fund. There were no settlements in excess of the insurance coverage in any of the three prior fiscal years.

Changes in the estimated liability for self-insured losses for the past two years are as follows:

Workers compensation, casualty & property:

	2018	2017
Unpaid claims, beginning	$ 8,680,464	$ 9,369,181
Claims incurred and changes in estimates	1,260,869	7,599,557
Less: claims paid	(1,668,412)	(8,288,274)
Unpaid claims, ending	$ 8,272,921	$ 8,680,464
Estimated claims due within one year	(1,469,831)	(1,627,972)
Estimated claims due longer than one year	$ 6,803,090	$ 7,052,492

Medical:

	2018	2017
Unpaid claims, beginning	$ 1,105,000	$ 897,000
Changes in estmates	594,000	208,000
Claims incurred	22,596,188	36,884,506
Less: claims paid	(22,596,188)	(36,884,506)
Unpaid claims, ending	$ 1,699,000	$ 1,105,000
Estimated claims due within one year	(1,699,000)	(1,105,000)
Estimated claims due longer than one year	$ -	$ -

NOTE 8 - RETIREMENT SYSTEM

The County participates in the Florida Retirement System (FRS) which is a cost sharing multiple employer contributory retirement system administered by the State of Florida (State). The FRS was established in 1970 by Chapter 121, Florida Statutes. In 2002 the FRS was amended to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. Rules governing the operation and administration of the system may be found in Chapter 60S of the Florida Administrative Code. Chapter 112, Florida Statutes established the Retiree Health Insurance Subsidy (HIS) Program, a cost–sharing multiple employer defined benefit pension plan to assist retired members of any state-administered retirement system in paying the cost of health insurance.

The State of Florida Retirement System issues a publicly available stand-alone financial report (CAFR) which includes financial statements and required supplementary information. Also available are the pension systems actuarial reports to support the schedules of employer allocations and schedules of pension amounts by employer. These reports are available on the division's website at http://www.dms.myflorida.com/workforce_operations/retirement/publications.

The CAFR and actuarial reports may also be obtained by contacting the Division of Retirement at:

There are six classes of membership applicable to the County. Members are eligible for normal retirement when they have met the requirements listed below. Early retirement may be taken any time after vesting within 20 years of normal retirement age; however, there is a 5 percent benefit reduction for each year prior to the normal retirement age.

- ***Regular Class, Senior Management Service Class, and Elected Officers' Class Members –*** For members initially enrolled in the FRS before July 1, 2011, six or more years of creditable service and age 62, or the age after completing six years of creditable service if after age 62. Thirty years of creditable service regardless of age before age 62. For members initially enrolled in the FRS on or after July 1, 2011, eight or more years of creditable service and age 65, or the age after completing eight years of creditable service if after age 65. Thirty-three years of creditable service regardless of age before age 65.

- ***Special Risk Class and Special Risk Administrative Support Class Members*** – For members initially enrolled in the FRS before July 1, 2011, six or more years of Special Risk Class service and age 55, or the age after completing six years of Special Risk Class service if after age 55. Twenty- five years of special risk service regardless of age before age 55. A total of 25 years of service including special risk service and up to four years of active duty wartime service and age 52. Without six years of Special Risk Class service, members of the Special Risk Administrative Support Class must meet the requirements of the Regular Class. For members initially enrolled in the FRS on or after July 1, 2011, eight or more years of Special Risk Class service and age 60, or the age after completing eight years of Special Risk Class service if after age 60. Thirty years of special risk service regardless of age before age 60. Without eight years of Special Risk Class service, members of the Special Risk Administrative Support Class must meet the requirements of the Regular Class.

- **The Deferred Retirement Option Program (DROP)** is available under the FRS Pension Plan when the member first reaches eligibility for normal retirement. The DROP allows a member to retire while continuing employment for up to 60 months.

FRS Membership and Plan Benefits - The FRS Pension Plan provides retirement and disability benefits, death benefits and survivor's benefits. Members are also eligible for in-line-of-duty or regular disability benefits if permanently disabled and unable to work. Benefits are established by State Statutes. Retirement benefits are based on a formula comprised of age, average compensation, length of FRS service, and membership class. Average compensation is computed as the average of an individual's five highest years of earnings for employees hired before July 1, 2011 or eight highest years of earnings for employees hired on or after July 1, 2011. The amount of benefit payments is also affected by the retirement income option chosen by the plan participant.

Pension plan participants may choose to receive benefit in retirement under one of four options which will include a 3% cost-of-living adjustment each July (adjustments are only applicable for FRS service earned prior to July 1, 2011).

If a pension plan participant leaves FRS-covered employment, the pension plan benefit is frozen until the employee returns to FRS-covered employment or begins receiving early or normal retirement benefit.

HIS Membership and Plan Benefits - The HIS membership is available to all members within the FRS and defined contribution Investment Plan. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. Eligible retirees and beneficiaries receive a monthly HIS payment equal to the number of years of service credited at retirement multiplied by $5. The minimum payment is $30 and the maximum payment is $150 per month, pursuant to section 112.363 Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

Contribution Requirements -The County is required to contribute at an actuarially determined rate; these rates are a percent of annual covered payroll. Employees are required to contribute 3% of their annual salary, while members participating in DROP are not required to make the 3% contribution. The County's contractually required contribution rate includes the HIS contribution, .06% administrative and educational fee and any applicable unfunded actuarial liability "UAL" rates. The HIS required contribution rate is 1.66% for both the 2018 and 2019 FRS plan years. This contribution when combined with the employee contribution is expected to finance the cost of the benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability.

Descriptions and contribution rates in effect during the period ended September 30, 2018 and two preceding FRS fiscal years are as follows:

	7/1/18-9/30/18	7/1/17-6/30/17	7/1/16-6/30/16	7/1/15-6/30/16
Regular Class - Members not qualifying for other classes:	8.26%	7.92%	7.52%	7.26%
Senior Management:	24.06%	22.71%	21.77%	21.43%
Elected Officials Class:	48.70%	45.50%	42.47%	42.27%
Deferred Retirement Option Program (DROP):	14.03%	13.26%	12.99%	12.88%
Special Risk Class - Members employed as law enformement officers, firefighters, or correctional officers meet the criteria to qualify for this class:	24.50%	23.27%	22.57%	22.04%
Special Risk Administrative Support:	34.98%	34.63%	28.06%	32.95%

For the years ending September 30, 2018, 2017, 2016, the County contributed $19,300,469, $17,499,025, and $16,500,788 respectively, equal to 100% of the required contributions for each year.

The Florida Legislature has the authority for establishing or amending retirement legislation and related bills of significance to members of the Florida Retirement System (FRS). Passed bills are presented to the Governor and approved before they may be enacted into law.

Net pension liability, deferred outflows/inflows of resources and pension expense related to the County defined benefit pension plan

At September 30, 2018, the County reported a liability of $200,227,631 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1,

2018. The County's proportion of the net pension liability was based on the County's long-term share of contributions to the FRS relative to the contributions of all participating governments. At June 30, 2018, the County's change in proportion was decreased from its proportion measured as of June 30, 2017.

The following table presents the information on the County's proportionate share of the FRS and HIS:

	FRS	HIS	County Total
Proportionate Share of Net Pension Liability at June 30, 2018	$ 161,630,752	$ 38,596,879	$ 200,227,631
County's proportion at June 30, 2018	0.0053661	0.0036467	
County's proportion at June 30, 2017	0.0055334	0.0036815	
Change in proportion during current year	-0.0001673	-0.0000348	

For the fiscal year ended September 30, 2018, the County recognized pension expense of $13,479,141.

At September 30, 2018, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	FRS		HIS		County Total
	Deferred Outflow	Deferred Inflow	Deferred Outflow	Deferred Inflow	Deferred Outflow (Deferred Inflow)
Differences between expected and actual experience	$ 13,692,554	$ 496,975	$ 590,901	$ 65,575	$ 13,720,905
Changes in assumptions	52,813,069	-	4,292,450	4,080,785	53,024,734
Net difference between projected and actual earnings on pension plan investments	-	12,487,946	23,298	-	(12,464,648)
Changes in proportion and differences between County contributions and proportionate share of contributions	10,682,742	8,500,805	3,519,429	2,508,880	3,192,486
County contributions subsequent to the measurement date	3,908,162	-	473,257	-	4,381,419
	$ 81,096,527	$ 21,485,726	$ 8,899,335	$ 6,655,240	$ 61,854,896

The $4,381,419 reported as deferred outflows related to pensions resulting from the County's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended September 30, 2019. The significant change in assumption was the decrease in the discount rate. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

Reporting year Ending Sept 30,	FRS	HIS	County Total Deferred Outflow (Deferred Inflow)
2019	$ (21,581,546)	$ (1,236,787)	$ (22,818,333)
2020	(14,728,508)	(1,232,212)	(15,960,720)
2021	(2,053,586)	(863,248)	(2,916,834)
2022	(9,807,258)	(193,890)	(10,001,148)
2033	(6,557,711)	1,203,525	(5,354,186)
Thereafter	(974,030)	551,774	(422,256)
TOTALS	$ (55,702,639)	$ (1,770,838)	$ (57,473,477)

The total FRS pension liability as of the actuarial valuation date of July 1, 2018 was determined based on the discount rate using the following actuarial assumptions, applied to all periods included in the measurement. The total pension liability is calculated using the Individual Entry Age Normal cost allocation method, which differs from the Ultimate Entry Age Normal cost allocation method used in the funding valuation for the system.

FRS actuarial methods and assumptions are:

Valuation Date	7/1/2018
Measurement Date	6/30/2018
Actuarial cost allocation method	Individual Entry Age Normal
Amortization method	Level Percentage of Pay, Closed
Equivalent single amortization period	30 years
Asset valuation method	Fair market value
Actuarial Assumptions:	
Discount rate	7.00%
Long-term expected rate of return, net of investment expense, including inflation	7.00%
Municipal bond rate	N/A
Inflation	2.60%
Salary increases including inflation	3.25%

Mortality rates were based on the Generational RP-2000 with projection scale BB.

HIS actuarial methods and assumptions are:

Valuation Date	7/1/2018
Measurement Date	6/30/2018
Actuarial Assumptions:	
Discount rate	3.87%
Long-term expected rate of return, net of investment expense, including inflation	N/A
Municipal bond rate	3.87%
Inflation	2.60%
Salary increases including inflation	3.25%

Mortality rates were based on the Generational RP-2000 with projection scale BB.

The actuarial assumptions that determined the total pension liability as of June 30, 2018 were based on the results of an actuarial experience study for the period of July 1, 2008 – June 30, 2013.

The discount rate used for calculating the total FRS pension liability was 7.0%, The FRS plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long term expected rate of return. The discount rate used for calculating the total HIS pension liability is equal to the single rate that results in the same actuarial present value as would be calculated by using two different discount rates for the discount at the long-term expected rate of return for benefit payments prior to the projected depletion of the fiduciary net pension (trust assets) and the discount at a municipal bond rate for benefit payments after the projected depletion date. The HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the plan sponsor.

The long term expected rate of return on pension plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption.

The target allocation and best estimates of arithmetic and geometric real rates of returns for each major asset class are summarized in the following table:

Asset Class	Target Allocation (1)	Annual Arithmetic Return	Compound Annual (Geometric) Return	Standard Deviation
Cash	1%	2.9%	2.9%	1.8%
Fixed income	18%	4.4%	4.3%	4.0%
Global equity	54%	7.6%	6.3%	17.0%
Real estate	11%	6.6%	6.0%	11.3%
Private equity	10%	10.7%	7.8%	26.5%
Strategic investments	6%	6.0%	5.7%	8.6%
	100.0%			
Assumed Inflation - Mean			2.6%	1.9%

(1) As outlined in the Plan's investment policy

Sensitivity of the County's proportionate share of the pension liability to changes in the discount rate is calculated using the discount rate for the respective plans, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower or 1-percentage point higher than the current rate:

FRS Net Pension Liability (Asset)		
1% decrease 6.00%	Current Discount Rate 7.00%	1% Increase 8.00%
$ 294,982,901	$ 161,630,752	$ 50,873,908

HIS Net Pension Liability (Asset)		
1% decrease 2.87%	Current Discount Rate 3.87%	1% Increase 4.87%
$ 43,959,583	$ 38,596,879	$ 34,126,754

Detailed information about the pension plan's fiduciary net position is available in the separately issued FRS financial report.

NOTE 9 - POST EMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB)

Other postemployment benefits are provided by the County in the form of life and health insurance for pre-Medicare eligible retirees at the same rate as active participants. In health insurance plans where a government's retirees and current employees are insured together as a group, the premiums paid by the retirees may be lower than they would have been if the retirees were insured separately. This is called an *implicit rate subsidy*. Under this single-employer OPEB plan, benefit provisions are essentially the same for the Board of County Commissioners and all of the other Constitutional Officers, except for the Sheriff, who maintains a separate health insurance contract and therefore has different costs associated with the premium payments on behalf of the Sheriff's employees.

A stand-alone financial report is not prepared for the OPEB plan.

The County has the authority to establish and amend the OPEB funding policy, and is not required by law or other contractual agreement to provide funding for the implicit rate subsidy other than the pay-as-you-go amount necessary to provide current benefits for participants in its health insurance plan. Post-employment benefits are extended to retirees and continued at the discretion of the Employer, which reserves the right (subject to State Statutes and any collective bargaining agreements) to change or terminate benefits and to change premium contributions required from retirees in the future. There is no

separate trust through which benefits for retirees are funded. No assets are currently accumulated or earmarked for this purpose. All approved benefits are paid from the Employer's general assets when due.

The County is required to recognize the net OPEB liability and the OPEB expense on their financial statements, along with the related deferred outflows and inflows of resources. The net OPEB liability is the difference between the total OPEB liability and the plan's fiduciary net position.

The following table provides a summary of the number of participants covered by the benefit terms as of the September 30, 2017 measurement date:

Active plan members	2,272
Inactive plan members or beneficiaries currently receiving benefits	1,473
Inactive plan members entitled to but not yet receiving benefits	0
Total plan members	3,745

Total OPEB Liability and Changes in OPEB Liability

The County's total OPEB liability of $20,314,364 was measured as of September 30, 2017 and was determined by an actuarial valuation as of that date.

The total OPEB liability in the September 30, 2017 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Valuation Date:	September 30, 2017
Measurement Date:	September 30, 2017
Methods and Assumptions:	
Actuarial cost method	Individual Entry Age Normal
Inflation	2.50%
Discount Rate	3.50%
Salary Increases	Salary increase rates used in the July 1, 2016 actuarial valuation of the Florida Retirement System; 3.7%-7.8%, including inflation.
Retirement Age	Retriement rates used in the July 1, 2016 actuarial valuation of the Florida Retirement System. They are based on the results of a statewide experience study covering the period 2008 through 2013.
Mortality	Mortality tables used in the July 1, 2016 actuarial valuation of the Florida Retirement System. They are based on the results of a statewide experience study covering the period 2008 through 2013.
Healthcare Cost Trend Rates	Based on the Getzen Model, with trend starting at 7.00% and gradually decreasing to an ultimate trend rate of 4.24% plus .40% increase for excise tax.
Aging factors	Based on the 2013 SOA Study "Health Care Costs - From Birth to Death".
Expenses	Administrative expenses are included in the per capita health costs.
Other information	Changes in assumptions and other inputs include the change in the discount rate from 3.10% as of the beginning of the measurement period to 3.50% as of September 30, 2017. This change is reflected in the Schedule of Changes in Total OPEB Liablity. There were no benefit changes during the year.

The discount rate Long-Term Municipal Bond Rate was based on the Fidelity General Obligation AA index rate as of September 29, 2017, the most recent date available on or before the measurement date. This is the rate for Fixed Income Market Yield Curve for Municipal bonds with 20 years to maturity that include only federally tax-exempt municipal bonds as reported in Fidelity's 20-year Municipal GO AA Index.

Mortality rates were based pm the RP-2000 Combined Healthy Participant Mortality Table for active members and the RP-2000 Mortality Table for Annuitants for non-disabled inactive members, with mortality improvement projected to all future years from the year 2000 under Projection Scale BB.

There were no changes in benefit terms during the year.

Changes of assumptions and other inputs reflect a change in the discount rate from 3.1% in 2017 to 3.5% in 2018.

The following table shows the Changes the County's Total OPEB liability:

	Total OPEB Liability
Balance at 9/30/2017	$ 20,365,923
Changes for the Year:	
Service Cost	984,332
Interest on Total OPEB liability	647,293
Changes of benefit terms	-
Difference between expected & actual experience	-
Changes in assumptions & other inputs	(743,489)
Benefit payments	(939,695)
Net changes	(51,559)
Balance at 9/30/2018	$ 20,314,364

The County recognized OPEB expense of $1,526,293 during the fiscal year. GASB statement No. 75 states the employer contributions made to the OPEB plan subsequent to the measurement date and before the end of the employer's reporting period should be reported as a deferred outflow of resources.

Differences between expected and actual experience and changes in assumptions are recognized in OPEB expense using a systematic and rational method over a closed period equal to the average of the expected remaining service lives of all employees that are provided with OPEB through the OPEB plan (active employees and inactive employees) determined as of the beginning of the measurement period. At the beginning of the current measurements period, the average of the expected remaining service lives for purposes of recognizing the applicable deferred outflows and inflows of resources established in the current measurement period is 7.5 years, with 6.5 years for Sheriff Employees.

The following table shows the County's total OPEB expense:

	Total
Service cost	$ 984,332
Interest	647,293
Recognition of Outflow/(Inflow) of Resources due to Liabilities	(105,332)
Total OPEB Expense	**1,526,293**

Sensitivity of the total OPEB liability to changes in the discount rate is calculated using the discount rate for the plan. The following presents the total OPEB liability of the County, as well as what the County's total OPEB liability would be if it were calculated using a discount rate that is 1 percentage point lower, or 1 percentage point higher than the current discount rate:

	1% decrease 2.50%	Current Discount Rate 3.50%	1% Increase 4.50%
Total OPEB liability	$ 22,239,269	$ 20,314,364	$ 18,604,534

Sensitivity of the total OPEB liability to changes in the healthcare cost rates is calculated using the assumed trend rates. The following represents the total OPEB liability of the County, as well as what the County's total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1 percentage point lower, or 1 percentage point higher than the current healthcare cost trend rates.

	1% decrease (6.5% decreasing to 3.24%)	Current Healthcare Cost Trend Rate (7.5% decreasing to 4.24%)	1% Increase (8.5% decreasing to 5.24%)
Total OPEB liability	$ 18,893,649	$ 20,314,364	$ 21,997,909

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

At September 30, 2018, the County reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflow	Deferred Inflow	County Total Deferred Outflow (Deferred Inflow)
Changes in assumptions and other inputs		$ 638,157	$ (638,157)
Estimated benefits paid after the measurement date	1,072,304	-	1,072,304
	$ 1,072,304	$ 638,157	$ 434,147

Amounts reported as deferred outflows related to OPEB resulting from the County's benefits paid after the measurement date will be recognized as a reduction of the net OPEB liability in the year ended September 30, 2019. Other amounts reported as deferred outflows of resources related to OPEB will be recognized in OPEB expense as follows:

Reporting year Ending Sept 30,	County Total Deferred Outflow (Deferred Inflow)
2019	$ (105,332)
2020	$ (105,332)
2021	$ (105,332)
2022	$ (105,332)
2023	$ (105,332)
Thereafter	$ (111,497)
TOTALS	$ (638,157)

NOTE 10 – NET POSITION RESTRICTED FOR OTHER PURPOSES

Net position restricted for other purposes in the governmental-wide statement of net position at September 30, 2018 are as follows:

Court-Related	$ 3,680,293
Culture & Recreation	3,555,141
Health	43,616
Resource Conservation	973,359
Records Modernization	2,467,132
Tourism	4,368,890
	$ 15,088,431

NOTE 11 – TAX ABATEMENTS

Escambia County enters into property tax abatement agreements with local businesses under Section 196.1995, Florida Statutes, and Chapter 90, Article IV, Division 2, Sections 90-146 through 90-153, Escambia County Code of Ordinances. Escambia County is authorized to grant economic development ad valorem tax exemptions (EDATE) for new and expanding business established in the County meeting certain statutory requirements.

The County may grant an ad valorem tax exemption to eligible new businesses, or improvements to real property which additions are made to facilitate the expansion of an existing business for up to 100% of the assessed value of all improvements to real property made by or for the use of the new or expanded business and tangible personal property of such business for up to 10 years. There are no provisions for recapturing the abated taxes.

For fiscal year ended September 30, 2018, Escambia County abated property taxes totaling $1,834,972 under this program including the following tax abatement agreements that each exceeded $100,000 of the total amount abated:

- A 100% property tax abatement to a provider of financial services for business expansion, which includes construction of office buildings, multi-level parking deck and central energy plant. The abatement amounted to $931,915.

- A 100% property tax abatement to a new light weight containerboard manufacturer for machinery and equipment. The abatement amounted to $545,493.
- A 62% property tax abatement to a manufacturer of nylon products to expand and equip the existing production facility. The abatement amounted to $171,805
- A 100% property tax abatement for business expansion of a leading supplier of filtration, separation and purification technologies. The abatement amounted to $106,442.
- There are several smaller value EDATE agreements for new and expanded businesses which range from a 23% to 100% property tax abatement. These cumulative abatements amounted to $79,318.

NOTE 12 – COMMITMENTS AND CONTINGENCY

A. Litigation

The County is contingently liable with respect to lawsuits and other claims incidental to the ordinary course of operations. Claims covered by the risk management self-insurance program are reviewed and losses are accrued as required in the judgment of management. The County is a defendant in various lawsuits. In the opinion of management, based on the advice of legal counsel, the ultimate disposition of lawsuits and claims will not have a material adverse effect on the financial position of the County.

B. Grants

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. If expenditures are disallowed as a result of these audits, the claim for reimbursement to the grantor agency would become a liability of the County. In the opinion of management, any such adjustments would not be significant, and therefore do not have a material adverse effect on the financial position of the County.

C. Deficit Fund Equity

At September 30, 2018 the Disaster Recovery Special Revenue Fund, a major fund, has a deficit fund balance of $9,545,636. The deficit is due to expenditures due to the April 2014 flood event, and expenditures that were unreimbursed through grant funding.

NOTE 13 – CHANGE IN ACCOUNTING PRINCIPLE

As discussed earlier, Escambia County adopted GASB Statement No. 75 for Fiscal Year 2018. The implementation of this statement resulted in a restatement (reduction) of beginning net position of approximately $9.1 million in order to record the OPEB liability, related deferred inflows and outflows, and deferred outflows for estimated benefits paid after the measurement date.

	Governmental Activities		Business-type Activities			
	Governmental Activities	Internal Service Fund	Solid Waste Fund	Inspection Fund	Bay Center Fund	Emergency Management Fund
Beginning Net Position, Originally Reported	$ 522,893,480	$ 3,875,074	$56,360,572	$1,969,614	$5,022,050	$ 11,977,338
Change in Accounting from GASB 75 OPEB	(8,714,024)	(34,439)	(73,529)	(55,412)	-	(227,662)
Beginning Net Position, As adjusted	$ 514,179,456	$ 3,840,635	$56,287,043	$1,914,202	$5,022,050	$ 11,749,676

NOTE 14 – SUBSEQUENT EVENTS

On November 28, 2018, the County issued The **Capital Improvement Refunding Revenue Bond, Series 2018** in the aggregate amount of $41,545,000. The Bonds have a fixed interest rate of 5% with yields ranging from 1.98% to 3.25%. Maturity dates are annual from October 1, 2019 through October 1, 2031. The bonds were issued for the purpose of providing funds, together with other available monies, to refund on a current basis the County's Capital Improvement Refunding Revenue Bond, Series 2011, the Sales Tax Refunding Revenue Bond, Series 2011, and, the Capital Improvement Revenue Note, Series 2013 and pay costs of issuance of the bonds. These refunded obligations were authorized to finance the cost of certain capital improvement projects of the County, and were retired in full on the date of issuance of the Bonds. The bond are payable from and secured by a pledge of and a lien on the Pledged funds, consisting primarily of Non-Ad Valorem Revenues budgeted and appropriated by the County on an annual basis and deposited into the Debt Service Fund.

Updates to Historical Non-Ad Valorem Revenues and compliance with Anti-Dilution test can be found in the Statistical Section of this Document.

The following table sets forth the total debt service requirements on the Bonds and other outstanding County indebtedness secured by a pledge of a portion of or a covenant to budget and appropriate Non-Ad Valorem revenues:

	Capital Improvement Revenue Refunding Bond, Series 2018				
Year	Principal	Interest	Total Debt Service	Outstanding Other Non-Ad Valorem Debt Service (1)	Total Non-Ad Valorem Debt Service
10/1/19 - 10/1/2047	41,545,000	14,729,102	56,274,102	204,266,483	260,540,585

(1) Includes debt service on the County's Sales Tax Refunding Revenue Note, Series 2012, Sales Tax Revenue Bonds, Series 2017 and Capital Improvement Revenue Note, Series 2014.

Detail of the debt service requirements can be found in the Official statement dated November 16, 2018.

The County has evaluated events and transactions that occurred between September 30, 2018, and February 20, 2019, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements. No other subsequent events have been recognized or disclosed.

GOVERNMENTAL FUNDS

GENERAL FUND

The *General Fund* is the government's primary operating fund. It is used to account for and report all financial resources not accounted for and reported in another fund. The General Fund includes the Board of County Commissioners, Clerk of Circuit Court and Comptroller, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector:

Board of County Commissioners
This fund is the primary operating fund of Escambia County. It is used to account for all financial resources of the general government except those required to be accounted for in other funds.

Clerk of the Circuit Court and Comptroller
This fund reflects the activities of the Office of the Clerk of Circuit Court. Services provided are in accordance with provisions of the Florida Statutes related primarily to the county and circuit court systems, recording operations, and various other services.

Property Appraiser
This fund reflects the operations of the Office of the Property Appraiser who provides independent appraisals of tangible and personal property for all taxing authorities within the County.

Sheriff
This fund reflects the operations of the Office of the Sheriff. Services provided are for all the law enforcement activities within the County.

Supervisor of Elections
This fund reflects the operations of the Office of the Supervisor of Elections in the performance of its duties in accordance with Florida Statutes.

Tax Collector
This fund reflects the operations of the Office of the Tax Collector who collects and remits ad valorem taxes, licenses, and other revenues, to the related taxing authorities.

NONMAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects. The County has the following Special Revenue Funds:

Escambia County Restricted Fund
Created to account for monies donated to the County for a specific purpose.

Economic Development Fund
Created pursuant to the Economic Development Incentive Program Ordinance to account for revenues associated with land sales at the various County commerce parks and other economic development related revenues. Expenditures will be used to promote economic development initiatives in Escambia County.

Code Enforcement Fund
Created to account for the enforcement of ordinances and statutes to enhance the quality of life for and protect citizens from environmentally unsafe conditions.

M and A State Revenue Fund
Created to account for the cost of mosquito and other arthropod control. Financing is provided by State matching funds on a dollar for dollar basis.

Tourist Promotion Fund
Created to account for revenues restricted for promotion, development and advertisement of Escambia County tourism. Financing is provided by a tourist development tax levied under Chapter 125.0104 Florida Statutes.

Other Grant Projects Fund
Created to account for financing provided from various State and Federal grants.

Detention/Jail Commissary Fund
Created to account for the cost of the inmate commissary and the inmate welfare fund; operated in the detention facility pursuant to Section 951.23, Florida Statutes. The fiscal management of the commissary is audited in conjunction with the audit of the County.

Library Fund
Created to account for the revenue and expenditures associated with administrative and operational functions of the West Florida Library System. A countywide Library MSTU assessment is imposed for the purpose of funding library services.

Misdemeanor Probation Fund
Created to account for the cost of supervision of the misdemeanor program. Financing is provided by a fee charged to a person on parole pursuant to Section 945.30, Florida Statutes.

Article V Fund
Created to account for revenues and costs for court related fees, charges, costs, fines and other monetary penalties.

SPECIAL REVENUE FUNDS - Continued

Development Review Fund
Created to account for fees generated by the review of all development plans within the County and support of the Development Review Committee, the Planning Board, the Board of Adjustments, the Rezoning Hearing Examiner and the Board of County Commissioners.

Perdido Key Beach Mouse Fund
Created to account for the Perdido Key Beach Mouse Special Assessment revenue established by Ordinance 2006-1 and 2006-2 and by interlocal agreement with the US Fish and Wildlife Service and the Florida Fish and Wildlife Commission. This revenue will be utilized for the mitigation process for impacts to the Perdido Key Beach Mouse habitat.

Restore Fund
Created in accordance with the Resources and Ecosystem Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast States Act of 2012 (RESTORE Act; Subtitle F of Public Law 112-141); to account for revenues and expenditures for programs, projects and activities that restore and protect the environment and economy of the Gulf Coast Region.

State Housing Initiative Partnership Fund (SHIP)
Created to account for the revenues and expenditures of the SHIP program, authorized pursuant to Section 420.907-420.9079, Florida Statutes. State revenue sharing proceeds received by the County for the SHIP program are used to create partnerships that produce and preserve affordable homeownership and multifamily housing.

Law Enforcement Trust Fund
Created pursuant to the provisions of Section 932.704, Florida Statutes, to account for the net proceeds from the sale or conversion of forfeited properties. Expenditures payable from this fund are legally restricted to nonrecurring obligations of the Sheriff's office, including equipment purchases. Although legally entitled as a trust fund, this fund is more properly accounted for as a special revenue fund due to the nature of the transactions recorded therein.

Escambia County Affordable Housing Fund
Created to account for funding to assist with delivery of affordable housing assistance and support for low income families in Escambia County and the City of Pensacola, primarily in conjunction with the Escambia Consortium Home Program. The fund also provides a source for payment of up-front costs while awaiting reimbursement from the HOME program letter of credit.

CDBG HUD Entitlement Fund
Created to account for Federal HUD Block Grant revenues and the expenditures. The HUD funded Community Block Grant program provides financial support primarily for low and moderate-income families in the County.

Handicapped Parking Fines Fund
Created to account for monies collected under Chapter 316, Florida Statutes, also known as the State Uniform Traffic Control, which authorizes counties to regulate the parking of vehicles and to enforce regulations relating to disabled persons parking.

Family Mediation Fund
Created to account for monies provided through a private grant and authorized under Chapters 44.102 and 44.108, Florida Statutes. These funds were used to assure each minor child frequent and continuing contact with both parents after separation or dissolved marriages and to encourage parents to share the rights and responsibilities of child rearing.

SPECIAL REVENUE FUNDS - Continued

Fire Protection Fund
Created to account for monies assessed by the Board of County Commissioners to property owners in unincorporated areas of Escambia County to provide for fire protection.

Emergency 911 Operations Fund
Created in accordance with the provisions of the Florida Emergency Telephone Act (Sections 365.171 and 365.172, Florida Statutes) to account for the Enhanced 911 (E911) fees imposed and collected from local telephone exchange customers and subscribers of wireless telephone services. 911 service directs 911 calls to the appropriate public safety answering point and provides for automatic number and location identification. The E911 Board may adjust the allocation percentages or adjust the amount of the fee, or both, if necessary, to ensure full cost recovery or prevent over recovery of costs incurred in the provision of E911. Expenditures are restricted to the establishment and maintenance of an enhanced emergency telephone number 911 system or enhanced 911 service.

HUD-CDBG Housing Rehabilitation Loan Fund
Created to account for funding to provide assistance for low/moderate income families within the unincorporated county through the rehabilitation of several substandard homes.

HUD Home Fund
Created to account for the HUD Housing Assistance revenues and expenditures. This grant provides for the rehabilitation of severely substandard homes.

Southwest Sector Road Project Fund
Created to account for revenues and expenditures associated with the planning and development of the County's "Southwest Corridor" road project.

Bob Sikes Toll Facilities Fund
Established by County Ordinance No. 93-23 which authorizes the collection of bridge tolls for uses of the Bob Sikes Toll Bridge by passage seekers. The Board of County Commissioners establish toll rates for the Bob Sikes Bridge in order to pay for the proper maintenance, administration, debt service of the bridge, and other expenses for parks and recreation on Santa Rosa Island as approved by the Board of County Commissioners. In addition to cash tolls, annual permits (transponder sales) may be purchased for access to the Bridge.

Transportation Trust Fund
Created pursuant to the provisions of Section 129.02 Florida Statutes, to account for transportation related revenues and expenditures. The primary revenue source is fuel taxes which are the Seventh-cent/1 cent County, Ninth-cent, Local Option fuel tax, and Constitutional fuel tax. Fuel tax revenues are used to fund transportation expenditures allowable pursuant to Sections 206 and Section 366, Florida Statutes.

MSBU Assessment Program Fund
Created to account for monies collected for Municipal Service Benefit Units (MSBU) pursuant to County Ordinance No. 94-24 and Chapter 125, Florida Statutes.

Master Drainage Basin Fund
Created to account for monies to provide drainage within specific districts.

NONMAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS - Continued

Clerk Programs
This fund reflects the activities of the Office of the Clerk of the Circuit Court and Comptroller Trust Funds. Services provided are in accordance with provisions of the Florida Statutes Chapter 28.24 for records modernization.

Sheriff Programs
This fund reflects the activities of the Escambia County Sheriff's Office; primarily to account for the collection and expenditures of US Treasury and US Justice forfeiture sharing programs, and for revenues and disbursements of various Federal and State Grants.

Supervisor Programs
This fund reflects the activities of the Escambia Supervisor of Elections Office; primarily to account for the revenues and disbursements of various Federal and State Grants.

DEBT SERVICE FUND

Debt Service Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest. Debt Service funds are also used to report resources of legally mandated and financial resources that are being accumulated for principal and interest maturing in the future. The County has the following Debt Service Fund:

Debt Service Fund – Created to account for the resources accumulated and payments made for principal and interest on long-term debt of governmental funds.

CAPITAL PROJECTS FUNDS

Capital Projects Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital outlay. Capital Project funds exclude capital-related outflows financed by Proprietary Fund or for assets held in trust for individuals, private organizations, or other governments. The County has the following Capital Projects Funds:

There are no non-major Capital Project Funds.

FIDUCIARY FUNDS

AGENCY FUNDS

Agency funds are used to account for assets held by the County as an agent for individuals, private organizations, and other governments.

Clerk of the Circuit Court and Comptroller
Used to account for resources received and held by the Clerk in a fiduciary capacity. These resources represent fines, forfeitures and filing fees collected for other governmental agencies and support payments, jury and witness services and posted bonds collected for individuals.

Sheriff
Used to account for the assets held by the Sheriff for individuals such as prisoner's funds, confiscated monies held as evidence, and prepayments of the Sheriff's fees for serving papers.

Tax Collector
Used to account for property taxes and fees for licenses.

Statistical Section

This part of the Escambia County, Florida's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the County's overall financial health.

Financial Trends
These schedules contain trend information to help the reader understand how the County's financial performance and well-being have changed over time.

Revenue Capacity
These schedules contain information to help the reader assess the County's most significant local revenue source, the property tax.

Debt Capacity
These schedules present information to help the reader assess the affordability of the County's current levels of outstanding debt and the County's ability to issue additional debt in the future.

Demographic and Economic Information
These schedules offer demographic and economic indicators to help the reader understand the environment within which the County's financial activities take place.

Operating Information
These schedules contain service and infrastructure data to help the reader understand how the information in the County's financial report relates to the services the County provides and the activities it performs.

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial reports for the relevant years.

ESCAMBIA COUNTY
FLORIDA

Schedule 12
Escambia County, Florida

HISTORICAL SALES TAX REVENUE (1)

Last Seven Fiscal Years

Fiscal Year	Half-Cent Sales Tax Revenues (2)	Percentage Change
2012	19,793,471	1.3%
2013	20,617,921	4.2%
2014	21,735,479	5.4%
2015	22,513,589	3.6%
2016	23,418,049	4.0%
2017	24,173,396	3.2%
2018	25,920,787	7.2%

(1) The table sets forth the historical Sales Tax Revenues received by the county (net of amounts distributed to municipalities within the County) for the Fiscal Years Ending September 30, 2012 through 2018 (audited).

(2) The Amount of Sales Tax Revenues distributed to the County is subject to increase or decrease due to (i) more or less favorable economic conditions, (ii) increases or decreases in the dollar volume of taxable sales within the County, (iii) legislative changes relating to the sales tax, which may include changes in the scope of taxable sales, changes in tax rate and changes in the amount of Sales Tax Revenues deposited into the Trust Fund, and (iv) other factors which may be beyond the control of the County or the Series 2017 Bondholders, including but not limited to the potential for increased use of electronic commerce and other internet-related sales activity that could have a material adverse impact upon the amount of sales tax collected by the State, deposited into the Trust Fund and then distributed to the County.

(3) In particular, the share of the Sales Tax Revenues deposited in the Trust Fund which is to be distributed to the County will be affected by changes in the relative populations of the incorporated and unincorporated areas with in the County. Such relative populations are subject to change through normal increases and decreases in population within the existing unincorporated and incorporated areas of the County and are also subject to change by the annexation of previously unincorporated areas of the County by the municipalities within the County. Such annexations would not only increase the population of the incorporated areas but also would, in equal amount, decrease the population of the unincorporated areas.

Schedule 13
Escambia County, Florida

PRO FORMA DEBT SERVICE COVERAGE FROM SALES TAX REVENUES

Last Seven Fiscal Years

	Fiscal Year Ended September 30,			
	2018	**2017**	**2016**	**2015**
Sales Tax Revenue	$ 25,920,787	$ 24,173,396	$ 23,418,049	$ 22,513,589
Maximum Annual Debt Service on the Series 2011 Bond, Series 2012 Note and Series 2017 Bonds (1)	9,572,827	9,572,824	9,572,824	9,572,824
Sales Tax Revenue coverage of Maximum Annual Debt Service on the Series 2011 Bond, Series 2012 Note and Series 2017 Bonds (1)	2.71 x	2.53 x	2.45 x	2.35 x

(1) The coverage table compares the historical Sales Tax Revenues to the pro forma aggregate maximum annual debt service on the Series 2011 bond, the Series 2012 Note and the Series 2017 Bonds. The pro forma aggregate maximum annual debt service would occur in Fiscal Year 2024, based on the assumptions set forth below.

(1) Assumes that the Sales Tax Refunding Revenue Bond, Series 2011 matures on October 1, 2031 with no change in the interest rate of 3.06%, subject to adjustment as set forth in the resolution authorizing the same; however, the entire unpaid principal of and interest accrued thereon may be subject to mandatory redemption at the option of the owner of the Bond on October 1, 2026. Further, assumes that the 2012 Sales Tax Refunding Revenue Note matures on October 1, 2032 with no change in the interest rate of 2.82%, subject to adjustment as set forth in the resolution authorizing the same; however, the entire unpaid principal of and interest accrued thereon may be subject to mandatory prepayment at the option of the owner of the Note on October 1, 2027 or any date thereafter through but not including October 1, 2028.

ESCAMBIA COUNTY
FLORIDA

Compliance Section

This section is presented in accordance with:

- *Government Auditing Standards, issued by the Comptroller General of the United States*
- *The provisions of Office and Management and Budget (OMB) Single Audit Act, and the requirements of the Code of Federal Regulations Subpart F of 2 C.F.R. Part 200*
- *Florida Single Audit Act, Chapter 215.97 of the Florida Statutes*
- *The Rules of the Auditor General of the State of Florida, Chapter 10.550*

Additional elements of the report are prepared in accordance with the Government Auditing Standards, issued by the Comptroller General of the United States; the provisions of the Office of Management and Budget (OMB) and the Single Audit Act.; and the rules of the Auditor General of the State of Florida.

For fiscal years beginning on or after December 26, 2014, reports will be prepared in accordance with the requirements of the OMB Subpart F of 2 C.F.R. Part 200 (Uniform Guidance) which supersede the requirements of *Circular* A-133.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

The Honorable Board of County Commissioners
Escambia County, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Escambia County, Florida, (hereinafter referred to as "County"), as of and for the year ended September 30, 2018, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated February 20, 2019. Our report includes a reference to another auditor who audited the financial statements of the Santa Rosa Island Authority, as described in our report on the County's basic financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by the other auditor.

Internal Control Over Financial Reporting
In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free of material misstatement, we performed tests of compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT ACCOUNTANTS' REPORT ON EXAMINATION OF COMPLIANCE REQUIREMENTS IN ACCORDANCE WITH CHAPTER 10.550, *RULES OF THE AUDITOR GENERAL*

The Honorable Board of County Commissioners
Escambia County, Florida

We have examined Escambia County, Florida's, (hereinafter referred to as the "the County") compliance with the following requirements for the year ended September 30, 2018:

(1) Florida Statute 218.415 in regards to investments.

(2) Florida Statute 288.8018 in regards to the Deepwater Horizon Oil Spill receipts and expenditures.

(3) Florida Statutes 365.172 and 365.173 in regards to use of E-911 revenues and expenditures.

Management is responsible for the County's compliance with those requirements. Our responsibility is to express an opinion on the County's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the County's compliance with specified requirements.

In our opinion, the County has complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2018.

INDEPENDENT AUDITORS' REPORT ON THE SCHEDULE OF RECEIPTS AND EXPENDITURES OF FUNDS RELATED TO THE DEEPWATER HORIZON OIL SPILL

The Honorable Board of County Commissioners
Escambia County, Florida

We have audited the financial statements of Escambia County, Florida as of and for the year ended September 30, 2018, and have issued our report thereon dated February 20, 2019 which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole.

The Schedule of Receipts and Expenditures of Funds related to the Deepwater Horizon Oil Spill on page 221 is presented for the purpose of additional analysis as required by Florida Statute 288.8018 and the Rules of the Auditor General Chapter 10.557(3)(f), and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

MANAGEMENT LETTER

The Honorable Board of County Commissioners
Escambia County, Florida

Report on the Financial Statements
We have audited the financial statements Escambia County, Florida (hereinafter referred to as the "County"), as of and for the year ended September 30, 2018, and have issued our report thereon dated February 20, 2019.

Auditors' Responsibility
We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550 *Rules of the Florida Auditor General*.

Other Reports Requirements
We have issued our Independent Auditors' Report on Internal Control Over Financial Reporting and Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; Independent Auditor's Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control over Compliance; Schedule of Findings and Questioned Costs; and Independent Accountants' Report on Examination of Compliance Requirements in Accordance with Chapter 10.550*, Rules of the Auditor General.* Disclosures in those reports and schedules, which are dated February 20, 2019, should be considered in conjunction with this management letter.

Prior Audit Findings
Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. No findings were reported in the prior year.

Financial Condition and Management
Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require that we apply appropriate procedures and report the results of our determination as to whether or not the County has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the County did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.c. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures. It is management's responsibility to monitor the County's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we address in the management letter any recommendations to improve financial management.

Unbilled EMS services at Year-End
During initial discussions with Management in regards to the Emergency Medical Services Fund, revenue was noted to be significantly understated from the prior year. Further discussions with Management revealed the billings were significantly behind as of year-end due to a change in software. The Public Safety Department changed software during the year, and the new software did not adequately support and integrate with the billing function.

As a result of the issues with the software transition, the billings for services performed in June through September 2018 were significantly delayed until February 2019. Based on the issues with billing through the new software, data from the new software was imported into the old software in order to complete the billing process. As of September 30, 2018, there were approximately $4 million in unbilled services net of contractual allowances.

The software transition process and subsequent additional billing transition process caused a significant use of resources, to include additional personnel time and positions, in order to maintain the billing function for EMS services provided. In addition, the cash flows and overall financial position of the EMS fund decreased during the year. For future software transitions, we recommend the County evaluate all potential processes impacted by the software to ensure an appropriate transition.

Special District Component Units

Section 10.554(1)(i)5.d, *Rules of the Auditor General*, requires that we determine whether or not a special district that is a component unit of the County provided the financial information necessary for proper reporting of the component unit, within the audited financial statements of the County in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we determined that all special district component units provided the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Additional Matters

Section 10.554 (1)(i)3., *Rules of the Auditor General*, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such to include.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, and applicable management and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.550, *RULES OF THE AUDITOR GENERAL*

Honorable Board of County Commissioners
Escambia County, Florida

Report on Compliance for Each Major Federal Program and State Project
We have audited the compliance of Escambia County, Florida (hereinafter referred to as "County"), with the types of compliance requirements described in the U. S. Office of Management and Budget (OMB) *Compliance Supplement*, and the requirements described in the State of Florida Department of Financial Services' *State Projects Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs and state projects for the year ended September 30, 2018. The County's major federal programs and state projects are identified in the summary of auditor results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility
Management is responsible for compliance with federal and state statutes, regulations, and the terms and conditions of its federal and state awards applicable to its federal programs and state projects.

Auditors' Responsibility
Our responsibility is to express an opinion on compliance for each of the County's major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550*, Rules of the Auditor General*. Those standards, the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of the County's compliance with those requirements.

Opinion on Each Major Federal Program and State Project
In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2018.

Report on Internal Control over Compliance
Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with requirements that could have a direct and material effect on each major federal program or state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and the Florida Department of Financial Services *State Projects Compliance Supplement*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented or detected and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Schedule of Expenditures of Federal Awards and State Financial Assistance Required by the Uniform Guidance and Chapter 10.550, Rules of the Auditor General
We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Escambia County, Florida, as of and for the year ended September 30, 2018, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon dated February 20, 2019, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance is presented for the purposes of additional analysis as required by the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, and is not a required part of the basic financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards and State Financial Assistance is fairly stated in all material respects in relation to the basic financial statements as a whole.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General.* Accordingly, this report is not suitable for any other purpose.

ESCAMBIA COUNTY FLORIDA
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
AND STATE FINANCIAL ASSISTANCE
FOR THE YEAR ENDED SEPTEMBER 30, 2018

NOTE A – BASIS OF PRESENTATION

The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.550, *Rules of the Auditor General*. Therefore, some amounts presented in this schedule may differ from amounts presented in or used in the preparation of the basic financial statements.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance includes the federal and state grant activity of Escambia County, Florida under programs of the federal and state government for the year ended September 30, 2018. Expenditures reported on the schedule are reported on the modified accrual basis of accounting. Escambia County, Florida did not elect to utilize the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

NOTE C – MATCH

The County's match on Federal Transit Administration grants is received from the State of Florida as a non-cash award via Florida Toll Road Credits.

INDEPENDENT AUDITORS' REPORT

Honorable Pam Childers
Escambia County, Clerk of the Circuit Court and Comptroller

Report on the Financial Statements
We have audited the accompanying financial statements of each major fund and the aggregate remaining fund information of the Office of the Clerk of the Circuit Court and Comptroller of Escambia County, Florida ("Clerk") as of and for the year ended September 30, 2018, and the related notes to the financial statements, which collectively comprise the Clerk's financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Clerk's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Clerk's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of each major fund and the aggregate remaining fund information of the Clerk, as of September 30, 2018, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above have been prepared for the purpose of complying with the Rules of the Auditor General, State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund, and aggregate remaining fund information, only for that portion of the major funds, and the aggregate remaining fund information, of Escambia County, Florida that are attributable to the Clerk. They do not purport to, and do not, present fairly the financial position of Escambia County, Florida as of September 30, 2018, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison schedules on pages 18 - 19 be presented to supplement the basic financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Clerk's financial statements. The accompanying combining and individual fund financial statements and schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of these financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report on our consideration of the Clerk's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, rules, regulations, contracts, and grant agreements and other matters included under the heading *"Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with Government Auditing Standards."*

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Clerk's internal control over financial reporting and compliance.

ESCAMBIA COUNTY, FLORIDA
CLERK OF THE CIRCUIT COURT AND COMPTROLLER

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

The following is a summary of the significant principles and policies used in the preparation of these financial statements.

A. Reporting entity

The Escambia County, Florida, Clerk of the Circuit Court and Comptroller (the "Clerk") is an elected constitutional officer as provided by Article VIII, Section 1 (d) of the Constitution of the State of Florida.

For financial reporting purposes, the Clerk is deemed to be a part of the primary government of Escambia County, Florida (the County), and therefore, is included as such in the Escambia County, Florida, Comprehensive Annual Financial Report.

B. Basis of presentation – fund financial statements

These financial statements have been prepared for the purpose of complying with the *Rules of the Auditor General, State of Florida*, which require presentation of *fund level* only financial statements and permit omission of entity-wide full accrual financial statements and management's discussion and analysis. Therefore, these financial statements are intended to present only the financial position and changes in financial position of that portion of Escambia County, Florida that relate to transactions of the Clerk and are not intended to present the financial position and changes in financial position of Escambia County, Florida, taken as a whole.

The Clerk's financial records and accounts are maintained in accordance with the principles of "fund accounting," whereby resources are classified for accounting and reporting purposes into funds to insure compliance with any special restrictions or limitations on the use of such resources. The Clerk's major funds are defined as follows:

The ***General Fund*** – a governmental fund, is used to account for and report all financial resources of the Clerk not accounted for and reported in other funds.

The ***Public Records Modernization Fund -*** a special revenue fund, accounts for monies collected according to Chapter 28.24, Florida Statutes to be used exclusively for the purchase and maintenance of equipment, personal training, and technical assistance in modernizing the official records system and for funding court-related technology needs of the Clerk as defined in Chapter 29.008, Florida Statutes. Also included in the Special Revenue Fund are activities related to Title IV-D child support cases. Title IV-D funding provides assistance to the plaintiff and enforcement of collections through the Office of Child Support Enforcement.

1. Summary of Significant Accounting Policies *(Continued)*

Additionally, the Clerk reports the following fund types:

Agency Funds - are used to account for assets received and held by the Clerk as an agent for individuals, private organizations and other governments. Agency funds are custodial in nature. The Clerk has numerous agency funds for varying purposes.

Internal Service Fund – is a proprietary fund that accounts for the balances and activity related to the court-related personnel compensated absences policies.

C. Measurement focus and basis of accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements, and also refers to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when received in cash or when they become both measurable and available to finance expenditures of the current period.

The Clerk considers receivables collected within 60 days after year end to be available and recognizes them as revenues of the current year. Expenditures are recorded when the liability is incurred, except for compensated absences for non-court related activities, which are not recorded until paid by the General Fund. Court-related compensated absences are accrued when earned in the internal service fund.

The accounting and financial reporting treatment applied to the capital assets and long-term liabilities associated with a fund are determined by its measurement focus. All governmental funds are accounted for on a spending or “financial flow" measurement focus. This means that generally, only current assets, deferred outflows, current liabilities, and deferred inflows are included in the balance sheet. Governmental fund operating statements present increases (revenues, inflows, and other financing sources) and decreases (expenditures, outflows, and other financing uses) in fund balance. Accordingly, they present a summary of sources and uses of “available spendable resources” during a period.

Proprietary funds (the internal service fund) are reported using the economic resources measurement focus and the accrual basis of accounting. Proprietary funds distinguish operating revenues and expenses from non-operating items. The principal operating revenues of the internal service fund are charges related to the Clerk’s court-related compensated absences activity.

Agency fund financial statements have no measurement focus but report assets and liabilities using the accrual basis of accounting.

Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met. Capital asset acquisitions are recorded as expenditures in governmental funds.

1. Summary of Significant Accounting Policies *(Continued)*

The preparation of financial statements in conformity with GAAP requires management to make use of estimates that affect the reported amounts in the financial statements and note disclosures. Actual results could differ from estimates.

D. Fund balance and flow assumptions

Fund balance at September 30, 2018, consists of the following:

Nonspendable fund balance - include amounts that cannot be spent because they are not in spendable form or are legally or contractually required to be maintained intact. Nonspendable in governmental fund types typically are for inventories and prepaid items. As of September 30, 2018, the Clerk had no nonspendable fund balances.

Restricted fund balance – include amounts that can be spent only for specific purposes which are externally imposed by creditors, grantors, contributors, or laws or regulations or are imposed by law through constitutional provisions or enabling legislation.

Committed fund balance – include amounts that can only be used for the specific purpose determined by a formal action of the Clerk's highest level of decision-making authority. Commitments may be changed or lifted only by the Clerk taking the same formal action that imposed the constraint originally. As of September 30, the Clerk had no committed fund balances.

Assigned fund balance – include amounts intended to be used by the Clerk for specific purposes, but which do not meet any of the criterion to be considered either restricted or committed. As of September 30, 2018, the Clerk had no assigned fund balances.

Unassigned fund balance – is the residual classification of the general fund only and includes all amounts not contained in other classifications. Unassigned amounts are technically available for any purpose.

Periodically, the Clerk may fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the Clerk's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

1. Summary of Significant Accounting Policies *(Continued)*

E. Capital Assets

Capital assets (vehicles, equipment and other property costing at least $1,000 with a useful life of more than one year) and intangible assets costing at least $5,000 are recorded as expenditures at the time of purchase. These assets are capitalized at cost and depreciated or amortized in Escambia County's government-wide financial statements. The Clerk maintains custodial responsibility for the capital assets used by the Clerk.

F. Accumulated compensated absences

Employees may accumulate, subject to limitations, amounts of earned but unused sick leave, annual leave, and compensatory time, which will be paid upon separation from service. The amount of vested accumulated compensated absences payable (related to governmental fund activities) based upon the Clerk's paid-time-off (PTO) policy is reported as a liability in the statement of net position in the County's government-wide financial statements. That liability includes earned but unused vacation and sick time as well as FICA taxes and retirement contributions related thereto.

The court-related portion of compensated absences are recorded in the internal service fund, which was established to accumulate resources for such payment in future years.

G. Funding Provided by the State of Florida and Board of County Commissioners

The Clerk and Comptroller functions are funded by two primary sources, the State of Florida and the Board of County Commissioners.

The State provides operating funds for court-side activities of the Clerk through a State of Florida Clerk of Court Trust Fund. Clerks retain their revenues up to the budget amount appropriated from the Trust Fund. Also, any shortage of revenues up to the approved budget is funded by the Trust Fund. Excess revenues above the appropriation are returned to the State.

The Board of County Commissioners funds operating activities and capital expenditures for the comptroller functions. The Clerk submits a proposed budget to the Board for approval for each fiscal year. Funding by the Board is recorded as a "transfer out" in the financial statements of the County, and as a "transfer in" on the financial statements of the Clerk.

Florida Statutes require that the excess of the Board's appropriations (and other revenues) over expenditures be returned to the Board at the end of the fiscal year.

2. Cash deposits with financial institutions

Cash and cash equivalents are highly liquid investments with original maturities of three months or less when purchased. Investments are recorded at fair value.

The investment of surplus funds is governed by the provisions of Florida Statute 218.415 as to the type of investments that can be made. Deposits may be exposed to custodial credit risk, which is the risk of loss in the event of a bank failure.

The Clerk manages custodial credit risk by maintaining its deposits in financial institutions designated as “Qualified Public Depositories” by the State Treasurer.

The Clerk's cash deposits are held by banks which qualify as public depositories under the Florida Security for Public Deposits Act as required by Chapter 280, Florida Statutes. All of the Clerk’s deposits are fully insured by the Public Deposit Trust Fund.

At September 30, 2018, the reported amount of the Clerk’s deposits was approximately $12.8 million, and the bank balance was approximately $12.7 million, consisting entirely of cash and deposit accounts.

3. Interfund receivables, payables and transfers

Interfund receivables and payables consist of amounts due to or from funds during the normal course of business. At September 30, 2018 there were no interfund receivables or payables within the Clerk’s funds. Transfers consist of $2,834,814 of “transfers in” from the Board of County Commissioners and “transfers out” of excess budget and fees totaling $671,090.

4. Due from/to other governments

At September 30, 2018, due from other governments contains $52,229 due from the State for Title IV-D services. The due to other governments includes $1,026,652 payable to the Board of County Commissioners of which $671,090 was excess budget and fees.

Based on the legal opinion provided by Clerks of Court Operations Corporation general counsel of the provisions of Section 28.37(3), F.S., which was adopted as a policy by the CCOC Finance and Budget Committee, excess court-related funds of $718,530 have been included in due to other governments.

5. Retirement plan

The Clerk participates in the Florida Retirement System (FRS), administered by the Florida Department of Management Services. The FRS was established in 1970 by Chapter 121, Florida Statutes. Changes to the FRS can only be made by an act of the Florida Legislature. Rules governing the operation and administration of the system may be found in Chapter 60S of the Florida Administrative Code. The State of Florida issues a publicly available stand-alone financial report that includes financial statements and required supplementary information for FRS. The report maybe be obtained on the division's website at http://www.dms.myflorida.com. The report may also be obtained by contacting the State of Florida Division of Retirement, Department of Management Services, P.O. Box 9000, Tallahassee, FL 32315-9000.

Employees elect participation in either the defined benefit plan (Pension Plan), a multiple-employer cost–sharing defined benefit retirement plan, or the defined contribution plan (Investment Plan). As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university community college or a participating city or special district within the State of Florida.

The FRS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Retirement benefits are based upon age, average compensation and years-of-service credit where average compensation is computed as the average of the members' highest 5 or 8 fiscal years of earnings, depending upon enrollment date. A post-employment health insurance subsidy is also provided to eligible retired members through the FRS in accordance with Florida Statutes.

For employees who were enrolled in the plan prior to July 1, 2011, normal retirement benefits are available at age 62 with 6 or more years of service, or to those employees who have at least 30 years of creditable service, regardless of age.

For employees who were enrolled in the plan after July 1, 2011, normal retirement benefits are available at age 65 with 8 or more years of service, or to those employees who have at least 33 years of creditable service, regardless of age.

Early retirement is available for vested members with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement age and years of service requirements also vary depending on membership class.

In addition to the above benefits, the Deferred Retirement Option Program (DROP) is available under the Pension Plan when the member first reaches eligibility for normal retirement. This program allows eligible members to defer receipt of monthly retirement benefit payments while continuing employment with a FRS employer for a period not to exceed 60 months after electing to participate.

For those members who elect participation in the Investment Plan rather than the Pension Plan, vesting occurs at one year of service. The Investment Plan is a defined contribution plan funded monthly by employer and employee contributions based on salary and membership class.

5. Retirement plan *(Continued)*

Members in the Investment Plan decide how their funds are allocated between various investment accounts and the vested funds are portable upon termination. The final retirement benefit is equal to the vested contributions plus investment earnings less expenses and losses allocated to the member's account. Members in the Investment Plan are not eligible for participation in the Deferred Retirement Option Program.

The contribution requirements of the Clerk and members are established and may be amended by FRS. Both plans are contributory for employees and require a 3% employee contribution. This is in addition to the contributions that are the obligation of the employer. The Clerk's contributions to FRS for the years ended September 30, 2018, 2017 and 2016 were $689,477, $654,247, and $651,490, respectively, equal to the required contributions for each year.

The contribution rates in effect during the period ended September 30, 2018, 2017, and 2016 were as follows:

	2018	2017	2016
Regular Class: Members not qualifying for other classes.	8.26%	7.92%	7.52%
Senior Management Class: Members of senior management who do not elect the optional annuity retirement program.	24.06%	22.71%	21.77%
Elected Officials Class: Certain elected county officials.	48.70%	45.50%	42.47%
Deferred Retirement Option Program (DROP): Members are enrolled in DROP from FRS	14.03%	13.26%	12.99%

Net Pension Obligation-Proportionate Share

The Clerk has a net FRS pension liability determined in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions.* This long-term liability is only reported in the county-wide financial statements and is not a current liability of the governmental funds. All required disclosures and schedules may be found in the Comprehensive Annual Financial Report of Escambia County, Florida.

6. Other post-employment benefits (OPEB), other than pensions

The Board offers post-employment health care benefits (OPEB) to all retired employees of the Clerk's Office and their dependents. Participating retirees are required to reimburse the Board for 100% of the premium cost, which is netted against the premium payment, so that no net expense is initially recorded in the Board's financial statements. However, these retirees are receiving an "implicit subsidy" because the premium is a group rate which includes active, lower cost employees. This implicit subsidy has a cost, however, this annual cost, and the total OPEB liability is measured as the portion of the actuarial present value of projected benefit payments that is attributed to past periods of employee service. The total OPEB liability and other required disclosures have been calculated for the County as a whole, and not separately for the Clerk's Office. Accordingly, these calculations and disclosures can be found in the County's Comprehensive Annual Financial Report.

7. Risk management

The County has a risk management program to insure claims against the BOCC, Constitutional Officers, and Santa Rosa Island Authority for the following types of risks:

Workers Compensation – The County is covered for workers' compensation claims through a policy with the Florida Municipal Insurance Trust. Coverage limits under the policy include statutory limits, as well as $1,000,000 bodily injury for each accident and $1,000,000 bodily injury by disease for each employee with an aggregate $1,000,000 policy limit.

Casualty and Property – Casualty limits are self-insured for $200,000 per claim with a $300,000 aggregate limit. Property limits are $50,000 - $250,000 self-insured retentions per occurrence with excess limits of $45 million including wind.

The Clerk participated in the County's insurance program during fiscal year 2018 at a cost of $17,366. There also were no significant reductions in insurance coverage from the prior year and there have been no settlements which exceeded the Clerk's insurance coverage in any of the past three fiscal years.

8. Litigation

From time to time, the Clerk may be involved as a defendant in certain litigation and claims arising from the ordinary course of operations. In the opinion of legal counsel, there are no lawsuits or claims outstanding which will have a material adverse effect on the financial position of the Clerk.

ESCAMBIA COUNTY, FLORIDA
CLERK OF THE CIRCUIT COURT AND COMPTROLLER

Notes to Required Supplementary Information

The Clerk's Office operates under budget procedures pursuant to Florida Statutes. Annual budgets are legally adopted for the general fund and the public records modernization fund and are on a basis consistent with accounting principles generally accepted in the United States of America. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is at the fund level. Budgetary changes within the funds are made at the discretion of the Clerk.

The proposed budget is also prepared, summarized, and submitted by the Clerk to the Florida Clerks of Court Operations Corporation. The proposed budget must provide detailed information on the anticipated revenues available and expenditures necessary for the performance of the court-related functions listed in Florida Statute 28.35(3)(a) of the Clerk's office.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Pam Childers
Escambia County, Clerk of Circuit Court and Comptroller

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements (hereinafter referred to as "financial statements") of each major fund and the aggregate remaining fund information of the Office of the Clerk of the Circuit Court and Comptroller of Escambia County, Florida (hereinafter referred to as "Clerk"), as of and for the year ended September 30, 2018, and the related notes to the financial statements, which collectively comprise the Clerk's financial statements, and have issued our report thereon dated November 28, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Clerk's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Clerk's internal control. Accordingly, we do not express an opinion on the effectiveness of the Clerk's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Clerk's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts.

Compliance and Other Matters-Continued
However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report
The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT ACCOUNTANTS' REPORT ON EXAMINATION OF COMPLIANCE REQUIREMENTS IN ACCORDANCE WITH CHAPTER 10.550, *RULES OF THE AUDITOR GENERAL*

Honorable Pam Childers
Escambia County, Clerk of Circuit Court and Comptroller

We have examined the Office of the Clerk of the Circuit Court and Comptroller of Escambia County, Florida's (hereinafter referred to as the "Clerk") compliance with Florida Statute 218.415 in regards to investments, Florida Statutes 28.35 and 28.36 in regards to certain court-related functions, and Florida Statute 61.181 in regards to operation of a depository for alimony and child support for the year ended September 30, 2018.

Management is responsible for the Clerk's compliance with those requirements. Our responsibility is to express an opinion on the Clerk's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Clerk's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Clerk's compliance with specified requirements.

In our opinion, the Clerk complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2018.

MANAGEMENT LETTER

Honorable Pam Childers
Escambia County, Clerk of the Circuit Court and Comptroller

Report on the Financial Statements
We have audited the financial statements of each major fund and the aggregate remaining fund information of the Office of the Clerk of the Circuit Court and Comptroller of Escambia County, Florida (hereinafter referred to as "Clerk"), as of and for the year ended September 30, 2018, and the related notes to the financial statements, and have issued our report thereon dated November 28, 2018.

Auditors' Responsibility
We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General.*

Other Reporting Requirements
We have also issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards;* and Independent Accountants' Report on Examination of Compliance Requirements Performed in Accordance with Chapter 10.550*, Rules of the Auditor General.* Disclosures in those reports, which are dated November 28, 2018, should be considered in conjunction with this management letter.

Prior Audit Findings
Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. No recommendations were made in the preceding annual financial report.

Financial Management
Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters
Section 10.554 (1)(i)3., *Rules of the Auditor General*, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Clerk, and the Escambia County Board of County Commissioners and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Honorable Chris Jones
Escambia County Property Appraiser

Report on the Financial Statements
We have audited the accompanying financial statements of the general fund of the Escambia County Property Appraiser, Escambia County, Florida (the Property Appraiser), as of and for the fiscal year ended September 30, 2018, and the related notes to the financial statements, which collectively comprise the Property Appraiser's financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the general fund of the Property Appraiser as of September 30, 2018, and the changes in financial position thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter
As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the general fund of the Property Appraiser. They do not purport to, and do not, present fairly the financial position of Escambia County, Florida as of September 30, 2018, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison schedule, as listed in the table of contents, be presented to supplement the financial statements. Such information, although not a required part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*
In accordance with *Government Auditing Standards*, we have also issued a report on our consideration of the Property Appraiser's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, rules, regulations, contracts, and grant agreements and other matters included under the heading "Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards".* The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Property Appraiser's internal control over financial reporting and compliance.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2018

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the significant principles and policies used in the preparation of these financial statements.

A. Reporting Entity

The Escambia County, Florida Property Appraiser (Property Appraiser), is an elected constitutional officer as provided by Article VIII, Section 1 (d) of the Constitution of the State of Florida. The Property Appraiser's budget is submitted to the Escambia County Board of County Commissioners (the Board) for approval. The Board appropriates and distributes to the Property appraiser on a quarterly basis the funds necessary to operate the Property Appraiser's office.

For financial reporting purposes, the Property Appraiser is deemed to be a part of the primary government of Escambia County, Florida (the County), and therefore, is included as such in the Escambia County, Florida, Comprehensive Annual Financial Report.

B. Basis of Presentation – Fund Financial Statements

These financial statements have been prepared for the purpose of complying with *Rules of the Auditor General, State of Florida*, which require presentation of *fund level* only financial statements and permit omission of entity-wide full accrual financial statements and management's discussion and analysis. Therefore, these financial statements are intended to present only the financial position and changes in financial position of that portion of Escambia County, Florida, that relate to transactions of the Property Appraiser and are not intended to present the financial position and changes in financial position of Escambia County, Florida, taken as a whole.

The Property Appraiser's financial records and accounts are maintained in accordance with the principles of "fund accounting," whereby resources are classified for accounting and reporting purposes into funds to insure compliance with any special restrictions or limitations on the use of such resources. The Property Appraiser's general fund (a governmental fund type) is the sole operating fund of the Property Appraiser. No additional funds are required to be maintained.

Fund Balance – Fund balances are classified either as non-spendable or as restricted, committed, assigned, and unassigned, based on the extent to which there are external and internal constraints on the spending.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

C. Measurement Focus and Basis of Accounting

The general fund is accounted for using the *modified accrual basis of accounting*. Revenues are recognized when they become susceptible to accrual—that is when they are both measurable and available to finance expenditures of the current period. The Property Appraiser considers receivables collected within 60 days after year-end to be available and recognizes them as revenues of the current year.

Expenditures generally are recognized under the *modified accrual basis of accounting* when the fund liability is incurred. However, expenditures for compensated absences are recognized when payments are made to employees.

D. Funding from the Board of County Commissioners

Appropriations from the Board are recorded as “transfers in” on the Statement of Revenues, Expenditures and Changes in Fund Balance.

In accordance with Florida Statutes, the General Fund’s excess of revenues and transfers over expenditures is returned to the Board at year end and is reported as a “transfer out” on the Statement of Revenues, Expenditures and Changes in Fund Balance.

E. Capital Assets

Capital assets (vehicles, equipment and other property costing at least $1,000 with a useful life of more than one year) are recorded as expenditures at the time of purchase. These assets are capitalized at cost and depreciated in Escambia County’s government-wide financial statements.

F. Accumulated Compensated Absences

Employees may accumulate, subject to limitations, amounts of earned but unused sick leave, annual leave, and compensatory time, which will be paid upon separation from service. The amount of vested accumulated compensated absences payable (related to governmental fund activities) based upon the Property Appraiser’s paid-time-off (PTO) policy is reported as a liability in the statement of net position in the County’s basic financial statements. That liability includes earned but unused vacation, sick and comp time as well as FICA taxes and retirement contributions related thereto.

2. CASH DEPOSITS WITH FINANCIAL INSTITUTIONS

The investment of surplus funds is governed by the provisions of Florida Statute 218.415 as to the type of investments that can be made. Deposits may be exposed to custodial credit risk, which is the risk of loss in the event of a bank failure.

The Property Appraiser manages custodial credit risk by maintaining its deposits in a financial institution designated as a "Qualified Public Depository" by the State Treasurer. All deposits were fully insured through a combination of federal depository insurance and participation of the financial institution in the multiple financial institution collateral pool as specified in Chapter 280, Florida Statutes. Accordingly, risk of loss due to bank failure is not significant.

At September 30, 2018, the reported amount of the Property Appraiser's deposits was approximately $324,000, and the bank balance was approximately $346,000 consisting entirely of deposits in a checking account.

3. TRANSFERS

Transfers in consist of $5,906,903 from the Escambia County Board of County Commissioners, and transfers out represent excess appropriations and fees returned to the Board in the amount of $150,219.

4. DUE TO/FROM OTHER GOVERNMENTS

At September 30, 2018, the amounts due to other governments totals $150,482 and mainly consists of excess appropriations and fees over expenditures payable to the Board in the amount of $150,219.

5. RETIREMENT PLAN

The Property Appraiser participates in the Florida Retirement System (FRS), administered by the Florida Department of Management Services. The FRS was established in 1970 by Chapter 121, Florida Statutes. Changes to the FRS can only be made by an act of the Florida Legislature. Rules governing the operation and administration of the system may be found in Chapter 60S of the Florida Administrative Code. The State of Florida issues a publicly available stand-alone financial report that includes financial statements and required supplementary information for FRS. The report maybe be obtained on the division's website at http://www.dms.myflorida.com. The report may also be obtained by contacting the State of Florida Division of Retirement, Department of Management Services, P.O. Box 9000, Tallahassee, FL 32315-9000.

5. RETIREMENT PLAN – CONTINUED

Employees elect participation in either the defined benefit plan (Pension Plan), a multiple-employer cost –sharing defined benefit retirement plan, or the defined contribution plan (Investment Plan). As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university community college or a participating city or special district within the State of Florida.

The FRS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Retirement benefits are based upon age, average compensation and years-of-service credit where average compensation is computed as the average of the members' highest 5 or 8 fiscal years of earnings, depending upon enrollment date. A post-employment health insurance subsidy is also provided to eligible retired members through the FRS in accordance with Florida Statutes.

For employees who were enrolled in the plan prior to July 1, 2011, normal retirement benefits are available at age 62 with 6 or more years of service, or to those employees who have at least 30 years of creditable service, regardless of age.

For employees who were enrolled in the plan after July 1, 2011, normal retirement benefits are available at age 65 with 8 or more years of service, or to those employees who have at least 33 years of creditable service, regardless of age.

Early retirement is available for vested members with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement age and years of service requirements also vary depending on membership class.

In addition to the above benefits, the Deferred Retirement Option Program (DROP) is available under the Pension Plan when the member first reaches eligibility for normal retirement. This program allows eligible members to defer receipt of monthly retirement benefit payments while continuing employment with a FRS employer for a period not to exceed 60 months after electing to participate.

For those members who elect participation in the Investment Plan rather than the Pension Plan, vesting occurs at one year of service. The Investment Plan is a defined contribution plan funded monthly by employer and employee contributions based on salary and membership class. Members in the Investment Plan decide how their funds are allocated between various investment accounts and the vested funds are portable upon termination. The final retirement benefit is equal to the vested contributions plus investment earnings less expenses and losses allocated to the member's account. Members in the Investment Plan are not eligible for participation in the Deferred Retirement Option Program.

The contribution requirements of the Property Appraiser and members are established and may be amended by FRS. Both plans are contributory for employees and require a 3% employee contribution. This is in addition to the contributions that are the obligation of the employer.

5. RETIREMENT PLAN – CONTINUED

The Property Appraiser's contributions to FRS for the years ended September 30, 2018, 2017 and 2016 were $380,963, $361,711, and $350,596, respectively, equal to the required contributions for each year.

The contribution rates in effect during the period ended September 30, 2018, 2017 and 2016 are as follows:

	2018	2017	2016
Regular Class:	8.26%	7.92%	7.52%
Members not qualifying for other classes.			
Senior Management Class:	24.06%	22.71%	21.77%
Members of senior management who do not elect the optional annuity retirement program.			
Elected Officials Class:	48.70%	45.50%	42.47%
Certain elected county officials.			
Deferred Retirement Option Program (DROP):	14.03%	13.26%	12.99%
Members are enrolled in DROP from FRS			

Net Pension Liability-Proportionate Share

The Property Appraiser has a net FRS pension liability determined in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*. This long-term liability is only reported in the county-wide financial statements and is not a current liability of the General Fund. All required disclosures and schedules may be found in the Comprehensive Annual Financial Report of Escambia County, Florida.

6. OTHER POST-EMPLOYMENT BENEFITS (OPEB), OTHER THAN PENSIONS

The Board offers post-employment health care benefits (OPEB) to all retired employees of the Property Appraiser's Office and their dependents. Participating retirees are required to reimburse the Board for 100% of the premium cost, which is netted against the premium payment, so that no net expense is initially recorded in the Board's financial statements. However, these retirees are receiving an "implicit subsidy" because the premium is a group rate which includes active, lower cost employees. This implicit subsidy has a cost, however, this annual cost, and the total OPEB liability is measured as the portion of the actuarial present value of projected benefit payments that is attributed to past periods of employee service. The total OPEB liability and other required disclosures have been calculated for the County as a whole, and not separately for the Property Appraiser's Office. Accordingly, these calculations and disclosures can be found in the County's Comprehensive Annual Financial Report.

7. RISK MANAGEMENT

The County has a risk management program to insure claims against the Board, Constitutional Officers, and Santa Rosa Island Authority for the following types of risks:

Workers Compensation – The County is covered for workers' compensation claims through a policy with the Florida Municipal Insurance Trust. Coverage limits under the policy include statutory limits, as well as $1,000,000 bodily injury for each accident and $1,000,000 bodily injury by disease for each employee with an aggregate $1,000,000 policy limit.

Casualty and Property – Casualty limits are self-insured for $200,000 per claim with a $300,000 aggregate limit. Property limits are $50,000 - $250,000 self-insured retentions per occurrence with excess limits of $45 million including wind.

The Property Appraiser participated in the County's insurance program during the year at a cost of $31,747. There also were no significant reductions in insurance coverage from the prior year and there have been no settlements which exceeded the Property Appraiser's insurance coverage in any of the past three fiscal years.

8. LITIGATION

The Property Appraiser is contingently liable with respect to lawsuits and other claims which might be filed incidental to the ordinary course of operations. In the opinion of management, based on the advice of legal counsel, there are no lawsuits or claims outstanding which will have a material adverse effect on the financial position of the Property Appraiser's Office.

9. SUBSEQUENT EVENTS

The Property Appraiser has evaluated events and transactions for potential recognition or disclosure in the financial statements through November 14, 2018, the date the financial statements were available to be issued. No subsequent events have been recognized or disclosed.

NOTES TO THE REQUIRED SUPPLEMENTARY INFORMATION

SEPTEMBER 30, 2018

The Property Appraiser's Office operates under budget procedures pursuant to Florida Statutes. Annual budgets are legally adopted for the general fund on a basis consistent with accounting principles generally accepted in the United States of America. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is at the fund level.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Chris Jones
Escambia County Property Appraiser

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Escambia County, Florida Property Appraiser (the Property Appraiser) as of and for the year ended September 30, 2018, and the related notes to the financial statements, and have issued our report thereon dated November 14, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Property Appraiser's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Property Appraiser's internal control. Accordingly, we do not express an opinion on the effectiveness of the Property Appraiser's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Property Appraiser's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Property Appraiser's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Property Appraiser's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT ACCOUNTANTS' REPORT ON EXAMINATION OF COMPLIANCE REQUIREMENTS IN ACCORDANCE WITH CHAPTER 10.550, RULES OF THE AUDITOR GENERAL

Honorable Chris Jones
Escambia County Property Appraiser

We have examined the Office of the Property Appraiser of Escambia County, Florida's (hereinafter referred to as "Property Appraiser") compliance with Florida Statute 218.415 in regards to investments for the year ended September 30, 2018.

Management is responsible for the Property Appraiser's compliance with those requirements. Our responsibility is to express an opinion on the Property Appraiser's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Property Appraiser's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Property Appraiser's compliance with specified requirements.

In our opinion, the Property Appraiser complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2018.

MANAGEMENT LETTER

Honorable Chris Jones
Escambia County Property Appraiser

Report on the Financial Statements
We have audited the financial statements of the general fund of the Office of the Property Appraiser of Escambia County, Florida, as of and for the fiscal year ended September 30, 2018, and the related notes to the financial statements, and have issued our report thereon dated November 14, 2018.

Auditors' Responsibility
We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements
We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and our Independent Accountants' Report on Examination of Compliance Requirements in Accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated November 14, 2018, should be considered in conjunction with this management letter.

Prior Audit Findings
Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no recommendations made in the preceding audit report.

Financial Management
Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters
Section 10.554(1)(i)3., Rules of the Auditor General, requires that we communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Property Appraiser, the Escambia County Board of County Commissioners, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Honorable David Morgan, Sheriff
Escambia County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of each major fund and the aggregate remaining fund information of the Office of the Sheriff of Escambia County, Florida ("Sheriff") as of and for the year ended September 30, 2018, and the related notes to the financial statements, which collectively comprise the Sheriff's financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Sheriff's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of each major fund and the aggregate remaining fund information of the Sheriff, as of September 30, 2018, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above have been prepared for the purpose of complying with the Rules of the Auditor General, State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund, and aggregate remaining fund information, only for that portion of the major funds, and the aggregate remaining fund information, of Escambia County, Florida that are attributable to the Sheriff. They do not purport to, and do not, present fairly the financial position of Escambia County, Florida as of September 30, 2018, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison schedule on page 15 be presented to supplement the basic financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements. The accompanying budgetary comparison schedule and combining financial statements on pages 17 - 22 are presented for purposes of additional analysis and are not a required part of these financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 20, 2018, on our consideration of the Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, rules, regulations, contracts, and grant agreements and other matters included under the heading *"Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with Government Auditing Standards."* The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Sheriff's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

The following is a summary of the significant principles and policies used in the preparation of these financial statements.

A. Reporting entity

The Escambia County, Florida, Sheriff (the "Sheriff") is an elected constitutional officer as provided by Article VIII, Section 1 (d) of the Constitution of the State of Florida. The Sheriff's budget is submitted to the Escambia County Board of County Commissioners (the Board) for approval. The Board appropriates and distributes to the Sheriff on a monthly basis funds necessary to operate the Sheriff's office.

For financial reporting purposes, the Sheriff is deemed to be a part of the primary government of Escambia County, Florida (the County), and therefore, is included as such in the Escambia County, Florida, Comprehensive Annual Financial Report.

B. Basis of presentation – fund financial statements

These financial statements have been prepared for the purpose of complying with *Rules of the Auditor General, State of Florida*, which require presentation of *fund level* only financial statements and permit omission of entity-wide full accrual financial statements and management's discussion and analysis. Therefore, these financial statements are intended to present only the financial position and changes in financial position of that portion of Escambia County, Florida, that relate to transactions of the Sheriff and are not intended to present the financial position and changes in financial position of Escambia County, Florida, taken as a whole.

The Sheriff's financial records and accounts are maintained in accordance with the principles of "fund accounting," whereby resources are classified for accounting and reporting purposes into funds to insure compliance with any special restrictions or limitations on the use of such resources. The Sheriff's major funds are the General Fund and the Sheriff's Programs Fund.

The ***General Fund*** is the general operating fund of the Sheriff. It is used to account for all financial resources except those required to be accounted for in other funds.

Additionally, the Sheriff reports the following fund types:

Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects.

The ***Sheriff's Programs Fund*** is used to account for various grant and federal forfeiture activities.

1. Summary of Significant Accounting Policies *(Continued)*

Agency Funds are used to account for assets received and held by the Sheriff as an agent for individuals, private organizations and other governments. Agency funds are custodial in nature and do not involve measurement of changes in financial position. The Sheriff has numerous agency funds for varying purposes.

C. Capital Assets

Capital assets (vehicles, equipment and other property costing at least $1,000 with a useful life of more than one year) are recorded as expenditures at the time of purchase. These assets are capitalized at cost and depreciated in the County's government-wide financial statements. It is not appropriate to report capital assets and the related depreciation in the governmental fund financial statements.

D. Fund balance and flow assumptions

Fund balance at September 30, 2018, consists of the following:

Non-spendable fund balances include amounts that cannot be spent because they are not in spendable form or are legally or contractually required to be maintained intact. Non-spendable fund balance at the Sheriff consists of $297,942 for inventory.

Remaining fund balances are classified as following, depending upon the Sheriff's ability to control the spending of these balances:

Restricted fund balances can only be used for specific purposes which are externally imposed by creditors, grantors, contributors, or laws or regulations or are imposed by law through constitutional provisions or enabling legislation. As of September 30, 2018, the Sheriff had no restricted fund balances.

Committed fund balances can only be used for specific purposes imposed internally by the Sheriff's formal action of highest level of decision making authority. As of September 30, 2018, the Sheriff had no committed fund balances.

Assigned fund balances are fund balances intended to be used for specific purposes, but which do not meet the more formal criterion to be considered either restricted or committed. As of September 30, 2018, the Sheriff had no assigned fund balances.

Unassigned fund balances represent the residual positive fund balance within the General Fund, which has not been assigned to other funds and has not been restricted, committed, or assigned. In funds other than the General Fund, unassigned fund balances are limited to negative residual balances. As of September 30, 2018, the Sheriff had no unassigned fund balances because all excess revenues within the General Fund are required to be remitted to the Board and there were no negative residual balances in the special revenue fund.

1. Summary of Significant Accounting Policies *(Continued)*

Periodically, the Sheriff will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the Sheriff's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

E. Accumulated compensated absences

Employees may accumulate, subject to limitations, amounts of earned but unused sick leave, annual leave, and compensatory time, which will be paid upon separation from service. The amount of vested accumulated compensated absences payable, based upon the Sheriff's paid-time-off (PTO) policy, is reported as a liability in the statement of net position in the County's government wide financial statements. That liability also includes earned but unused sick leave, annual leave, and compensatory time, as well as FICA taxes and retirement contributions related thereto.

F. Measurement focus and basis of accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements, and also refers to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when received in cash or when they become both measurable and available to finance expenditures of the current period. The Sheriff considers receivables collected within 60 days after year end to be available and recognizes them as revenues of the current year. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met. Compensated absences are paid from the general fund. Capital asset acquisitions are recorded as expenditures in the governmental funds.

Measurement Focus - The accounting and financial reporting treatment applied to the capital assets and long-term liabilities associated with a fund are determined by its measurement focus. All governmental funds are accounted for on a spending or "financial flow" measurement focus. This means that generally, only current assets, deferred outflows, current liabilities, and deferred inflows are included in the balance sheet. Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in fund balance. Accordingly, they present a summary of sources and uses of "available spendable resources" during a period.

Fiduciary fund financial statements (agency funds) have no measurement focus but utilize the accrual basis of accounting for reporting assets and liabilities.

1. Summary of Significant Accounting Policies *(Continued)*

G. Funding Provided by Board of County Commissioners

The Board funds the majority of the operating budget of the Sheriff. Payment by the Board to fund the operations of the Sheriff is recorded as a "transfer out" in the basic financial statements of the County, and as an operating "transfer in" on the financial statements of the Sheriff.

In accordance with Florida Statutes, the General Fund's excess of revenues over expenditures is returned to the Board at the end of the fiscal year. Repayments to the Board are recorded as a "transfer out" in the financial statements of the Sheriff and the amount of undistributed excess appropriations at the end of the fiscal year is reported as amounts due the Board.

2. Deposits and Investments

Cash and cash equivalents are highly liquid investments with original maturities of three months or less when purchased. Investments, if any, are recorded at fair. The Sheriff has an investment policy governed by the provisions of Florida Statute 218.415 as to the type of investments that can be made. Authorized investments include the Local Government Surplus Trust Fund or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act of 1969, Security and Exchange registered money market funds with the highest credit quality rating from a recognized rating agency, savings accounts or certificates of deposit in state-certified depositories, notes, bonds, or treasury bills or other direct obligations of the United States Treasury, federal agencies and instruments, and repurchase agreements.

Deposits may be exposed to custodial credit risk, which is the risk of loss in the event of a bank failure. The Sheriff manages custodial credit risk by maintaining its deposits in financial institutions designated as "Qualified Public Depositories" by the State Treasurer. The Sheriff's cash deposits are held by a bank that qualifies as a public depository under the Florida Security for Public Deposits Act as required by Chapter 280, Florida Statutes. All of the Sheriff's deposits are fully insured by the Public Deposit Trust Fund.

At September 30, 2018, the reported amount of the Sheriff's deposits was approximately $3.2 million, and the bank balance was approximately $3.5 million consisting entirely of cash and deposit accounts.

3. Interfund Receivables and Payables

Interfund receivables and payables consist of amounts due to or from funds during the normal course of business. Transfers consist of $58,807,092 of "transfers in" from the Board, and "transfers out" of unspent appropriations in the amount of $522,612.

4. Due to / from Other Governments

At September 30, 2018, due from other governments contains $245,530 receivable from the Board which is comprised mainly of expenditures paid on their behalf. The due to other governments contains $147,870 payable to the Board of County Commissioners which is partially comprised of unspent appropriations of $522,613.

5. Inventory

Inventory is valued at cost using the first-in/first out (FIFO) method and consists of expendable supplies. The costs of such inventory is recorded as an expenditure when purchased and also reported as an inventory asset based on a physical inventory of supplies on hand at year end.

6. Retirement Plan

The Sheriff participates in the Florida Retirement System (FRS), administered by the Florida Department of Management Services. The FRS was established in 1970 by Chapter 121, Florida Statutes. Changes to the FRS can only be made by an act of the Florida Legislature. Rules governing the operation and administration of the system may be found in Chapter 60S of the Florida Administrative Code. The State of Florida issues a publicly available stand-alone financial report that includes financial statements and required supplementary information for FRS. The report maybe be obtained on the division's website at http://www.dms.myflorida.com. The report may also be obtained by contacting the State of Florida Division of Retirement, Department of Management Services, P.O. Box 9000, Tallahassee, FL 32315-9000.

Employees elect participation in either the defined benefit plan (Pension Plan), a multiple-employer cost –sharing defined benefit retirement plan, or the defined contribution plan (Investment Plan). As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university community college or a participating city or special district within the State of Florida.

The FRS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Retirement benefits are based upon age, average compensation and years-of-service credit where average compensation is computed as the average of the members' highest 5 or 8 fiscal years of earnings, depending upon enrollment date. A post-employment health insurance subsidy is also provided to eligible retired members through the FRS in accordance with Florida Statutes.

For employees who were enrolled in the plan prior to July 1, 2011, normal retirement benefits are available at age 62 with 6 or more years of service, or to those employees who have at least 30 years of creditable service, regardless of age.

For employees who were enrolled in the plan after July 1, 2011, normal retirement benefits are available at age 65 with 8 or more years of service, or to those employees who have at least 33 years of creditable service, regardless of age.

6. Retirement Plan – *(Continued)*

Early retirement is available for vested members with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement age and years of service requirements also vary depending on membership class.

In addition to the above benefits, the Deferred Retirement Option Program (DROP) is available under the Pension Plan when the member first reaches eligibility for normal retirement. This program allows eligible members to defer receipt of monthly retirement benefit payments while continuing employment with a FRS employer for a period not to exceed 60 months after electing to participate.

For those members who elect participation in the Investment Plan rather than the Pension Plan, vesting occurs at one year of service. The Investment Plan is a defined contribution plan funded monthly by employer and employee contributions based on salary and membership class.

Members in the Investment Plan decide how their funds are allocated between various investment accounts and the vested funds are portable upon termination. The final retirement benefit is equal to the vested contributions plus investment earnings less expenses and losses allocated to the member's account. Members in the Investment Plan are not eligible for participation in the Deferred Retirement Option Program.

The contribution requirements of the Sheriff and members are established and may be amended by FRS. Both plans are contributory for employees and require a 3% employee contribution. This is in addition to the contributions that are the obligation of the employer. The Sheriff's contributions to FRS for the years ended September 30, 2018, 2017 and 2016 were $6 million, $5.6 million, and $5.3 million, respectively, equal to the required contributions for each year.

The contribution rates in effect during the period ended September 30, 2018, 2017 and 2016 were as follows:

	2018	2017	2016
Regular Class: Members not qualifying for other classes.	8.26%	7.92%	7.52%
Senior Management Class: Members of senior management who do not elect the optional annuity retirement program	24.06%	22.71%	21.77%
Elected Officials Class: Certain elected county officials.	48.70%	45.50%	42.47%
Deferred Retirement Option Program (DROP): Members are enrolled in DROP from FRS	14.03%	13.26%	12.99%
Special Risk Class: Members employed as law enforcement officers, firefighters, or correctional officers meet the criteria to qualify for this class	24.50%	23.27%	25.57%

6. Retirement Plan – *(Continued)*

Net Pension Obligation-Proportionate Share

The Sheriff has a net FRS pension liability determined in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions.* This long-term liability is only reported in the county-wide financial statements and is not a current liability of the governmental funds. All required disclosures and schedules may be found in the comprehensive annual financial report of Escambia County, Florida.

7. Other Postemployment Benefit (OPEB) Obligations, Other Than Pensions

The Sheriff offers post-employment health care benefits (OPEB) to all retired employees and their dependents. Participating retirees are required to reimburse the Sheriff for 100% of the premium cost, which is netted against the premium payment, so that no net expenditure is initially recorded in the financial statements. However, these retirees are receiving an "implicit subsidy" because the premium is a group rate which includes active, lower cost employees. This implicit subsidy has a cost, however, this annual cost, and the total OPEB liability is measured as the portion of the actuarial present value of projected benefit payments that is attributed to past periods of employee service. The total OPEB liability and other required disclosures have been calculated for the County as a whole, and not separately for the Sheriff. Accordingly, these calculations and disclosures can be found in the County's comprehensive annual financial report.

8. Risk Management

The Sheriff participates in the Florida Sheriff's Self Insurance Fund with an annual premium cost for the year ended September 30, 2018 of approximately $1 million. Coverage limits under the policy include $1.0 million bodily injury for each accident and $1.0 million bodily injury by disease for each employee with a $1.0 million limit. The plan calls for an annual final premium calculation after fiscal year end using the actual premium basis, proper classifications, and experience modifications and rates that lawfully apply to the Sheriff.

During the fiscal year ended September 30, 2018, the Sheriff had no significant reductions in insurance coverage from the prior year. In addition, there have been no settlements which exceeded the Sheriff's insurance coverage in any of the three past fiscal years.

9. Federal and State Financial Assistance

The following programs are presented in the schedules of expenditures of federal and state awards within the Escambia County financial report under the *Uniform Guidance*.

Edward Byrne Memorial-Justice Assistance Grant Program

10. Fund Expenditure Details

The following is a schedule of the General Fund's expenditures for the year ended September 30, 2018:

Account Description	Law Enforcement	Court Security	Totals
Salary & Benefits	$ 46,737,278	$ 3,427,698	$ 50,164,976
Other Operating	7,764,809	13,257	7,778,066
Capital Outlay	341,438	-	341,438
Totals	$ 54,843,525	$ 3,440,955	$ 58,284,480

11. Litigation

The Sheriff is contingently liable with respect to lawsuits and other claims which might be filed incidental to the ordinary course of operations. In the opinion of management, based on the advice of legal counsel, there are no lawsuits or claims outstanding which will have a material adverse effect on the financial position of the Sheriff's Office.

12. Commitments and Contingencies

The Sheriff receives financial assistance from federal and state agencies primarily in the form of operating grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by grantor agencies. Disallowed claims, if any, resulting from such audits, may become liabilities of the Sheriff.

13. Subsequent Events

The Sheriff has evaluated events and transactions that occurred between September 30, 2018 and November 20, 2018, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

ESCAMBIA COUNTY, FLORIDA
SHERIFF

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

The Sheriff's Office operates under budget procedures pursuant to Florida Statutes. The budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America. The budget for the Sheriff's general fund is a "legally adopted" budget whereas the budget for the Sheriff's Programs Fund is prepared and used solely as an internal management tool and is not considered "legally adopted". The legal level of budgetary control is at the fund level.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable David Morgan, Sheriff
Escambia County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements (hereinafter referred to as "financial statements") of each major fund and the aggregate remaining fund information of the Office of the Sheriff of Escambia County, Florida (hereinafter referred to as "Sheriff"), as of and for the year ended September 30, 2018, and the related notes to the financial statements, which collectively comprise the Sheriff's financial statements, and have issued our report thereon dated November 20, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Sheriff's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control. Accordingly, we do not express an opinion on the effectiveness of the Sheriff's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Sheriff's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT ACCOUNTANTS' REPORT ON EXAMINATION OF COMPLIANCE REQUIREMENTS IN ACCORDANCE WITH CHAPTER 10.550, *RULES OF THE AUDITOR GENERAL*

Honorable David Morgan, Sheriff
Escambia County, Florida

We have examined the Office of the Sheriff of Escambia County, Florida's (hereinafter referred to as "Sheriff") compliance with Florida Statute 218.415 in regards to investments for the year ended September 30, 2018.

Management is responsible for the Sheriff's compliance with those requirements. Our responsibility is to express an opinion on the Sheriff's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Sheriff's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Sheriff's compliance with specified requirements.

In our opinion, the Sheriff complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2018.

MANAGEMENT LETTER

Honorable David Morgan, Sheriff
Escambia County, Florida

Report on the Financial Statements
We have audited the financial statements ("financial statements") of each major fund and the aggregate remaining fund information of the Office of the Sheriff of Escambia County, Florida (hereinafter referred to as "Sheriff"), as of and for the year ended September 30, 2018 and the related notes to the financial statements, and have issued our report thereon dated November 20, 2018.

Auditors' Responsibility
We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550 Rules of the Florida Auditor General.

Other Report Requirements
We have also issued our Independent Auditors' Report on Internal Control Over Financial Reporting and Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountants' Report on Examination of Compliance Requirements in Accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated November 20, 2018, should be considered in conjunction with this management letter.

Prior Audit Findings
Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. No recommendations were made in the preceding annual financial report.

Financial Management
Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters
Section 10.554 (1)(i)3., *Rules of the Auditor General*, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Sheriff, and the Escambia County Board of County Commissioners and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Honorable David Stafford
Escambia County, Florida Supervisor of Elections

Report on the Financial Statements
We have audited the accompanying financial statements of the general fund and the grant fund of the Escambia County, Florida Supervisor of Elections, as of and for the year ended September 30, 2018, and the related notes to the financial statements, which collectively comprise the Supervisor of Elections' financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the general fund and the grant fund of the Supervisor of Elections as of September 30, 2018, and the respective changes in financial position, thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter
As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the general fund and grant fund attributable solely to the operations of the Supervisor of Elections.

Emphasis of Matter – Continued

They do not purport to, and do not, present fairly the financial position of Escambia County, Florida, as of September 30, 2018, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison schedules and related notes, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report on our consideration of the Supervisor of Elections' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters included under the heading *"Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards."* The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Supervisor of Elections' internal control over financial reporting and compliance.

ESCAMBIA COUNTY, FLORIDA
SUPERVISOR OF ELECTIONS

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

The following is a summary of the significant principles and policies used in the preparation of these financial statements.

A. Reporting entity

The Escambia County, Florida Supervisor of Elections is an elected constitutional officer as provided by Article VIII, Section 1 (d) of the Constitution of the State of Florida. The Supervisor of Elections' budget is submitted to the Escambia County Board of County Commissioners (the Board) for approval. The Board appropriates and provides funding necessary to operate the Supervisor of Elections' office.

For financial reporting purposes, the Supervisor of Elections is deemed to be a part of the primary government of Escambia County, Florida (the County), and therefore, is included as such in the Escambia County, Florida, Comprehensive Annual Financial Report.

B. Basis of presentation – fund financial statements

These financial statements have been prepared for the purpose of complying with *Rules of the Auditor General, State of Florida*, which require presentation of *fund level* only financial statements and permit omission of entity-wide full accrual financial statements and management's discussion and analysis. Therefore, these financial statements are intended to present only the financial position and changes in financial position of that portion of Escambia County, Florida, that relate to transactions of the Supervisor of Elections and are not intended to present the financial position and changes in financial position of Escambia County, Florida, taken as a whole.

The Supervisor of Elections' financial records and accounts are maintained in accordance with the principles of "fund accounting," whereby resources are classified for accounting and reporting purposes into funds to insure compliance with any special restrictions or limitations on the use of such resources. The Supervisor of Elections maintains two governmental funds as follows:

General Fund - Accounts for all financial resources except those required to be accounted for in other funds.

Grant Fund - Accounts for activities of various federal and state grants.

C. Basis of accounting and measurement focus

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements, and also refers to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when received in cash or when they become both measurable and available to finance expenditures of the current period. The Supervisor of Elections considers receivables collected within 60 days after year end to be available and recognizes them as revenues of the current year. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met. Compensated absences are paid from the general fund. Capital asset acquisitions are recorded as expenditures in the governmental funds.

1. Summary of Significant Accounting Policies (Continued)

C. Basis of accounting and measurement focus (Continued)

The accounting and financial reporting treatment applied to the capital assets and long-term liabilities associated with a fund are determined by its measurement focus. All governmental funds are accounted for on a spending or “financial flow" measurement focus. This means that generally, only current assets, deferred outflows, current liabilities, and deferred inflows are included in the balance sheet. Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in fund balance. Accordingly, they present a summary of sources and uses of “available spendable resources” during a period.

D. Funding from the Board of County Commissioners

Appropriations from the Board are recorded as “transfers in” on the Statement of Revenues, Expenditures and Changes in Fund Balance.

In accordance with Florida Statutes, the general fund’s excess of revenues and transfers in over expenditures and interfund transfers out is returned to the Board at year end and is reported as a “transfer out” on the Statement of Revenues, Expenditures and Changes in Fund Balance. This amount was zero for the year.

E. Fund balance and flow assumptions

Fund balances are classified either as non-spendable or as restricted, committed, assigned, and unassigned, based on the extent to which there are external and internal constraints on the spending. Fund balance at September 30, 2018, consists of the following:

Non-spendable fund balances include amounts that cannot be spent because they are not in spendable form or are legally or contractually required to be maintained intact. As of September 30, 2018, The Supervisor of Elections had no non-spendable fund balance.

Remaining fund balances are classified as following, depending upon the Supervisor of Elections ability to control the spending of these balances:

Restricted fund balances can only be used for specific purposes which are externally imposed by creditors, grantors, contributors, or laws or regulations or are imposed by law through constitutional provisions or enabling legislation. As of September 30, 2018, the Supervisor of Elections had no restricted fund balances.

Committed fund balances can only be used for specific purposes imposed internally by the Supervisor of Elections’ formal action of highest level of decision making authority. As of September 30, 2018, the Supervisor of Elections had no committed fund balances.

Assigned fund balances are fund balances intended to be used for specific purposes, but which do not meet the more formal criterion to be considered either restricted or committed. As of September 30, 2018, the Supervisor of Elections had no assigned fund balances.

Unassigned fund balances represent the residual positive fund balance within the General Fund, which has not been assigned to other funds and has not been restricted, committed, or assigned. In funds other than the General Fund, unassigned fund balances are limited to negative residual balances. As of September 30, 2018, the Supervisor of Elections had no unassigned fund balances because all excess revenues within the General Fund are required to be remitted to the Board and there were no negative residual balances in the special revenue fund.

1. Summary of Significant Accounting Policies (Continued)

E. Fund balance and flow assumptions (Continued)

Periodically, the Supervisor of Elections will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the Supervisor of Elections policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance.

Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

F. Capital assets

Capital assets (vehicles, equipment and other property costing at least $1,000 with a useful life of more than one year) are recorded as expenditures at the time of purchase. These assets are capitalized at cost and depreciated in Escambia County's government-wide financial statements.

G. Accumulated compensated absences

Employees may accumulate, subject to limitations, amounts of earned but unused paid time off, which will be paid upon separation from service. The amount of vested accumulated compensated absences payable based upon the Supervisor of Elections' paid-time-off (PTO) policy is reported as a liability in the statement of net position in the County's basic financial statements. That liability includes earned but unused PTO as well as FICA taxes and retirement contributions related thereto. Compensated absences are paid from the General Fund.

2. Cash deposits with financial institutions

The Supervisor of Elections does not maintain a separate cash account. The Escambia County Clerk of the Circuit Court and Comptroller, serving as the accountant for the Supervisor of Elections, records all cash activity using a pooled cash account of the Board of County Commissioners. The "due from" reflected on the Supervisor of Elections' balance sheet represents the amount of cash held by the Board on behalf of the Supervisor of Elections.

The Board manages custodial credit risk by maintaining its deposits in financial institutions designated as "Qualified Public Depositories" by the State Treasurer. All deposits were fully insured through a combination of Federal depository insurance and participation of the financial institution in the multiple financial institution collateral pool as specified in Chapter 280, Florida Statutes. Accordingly, risk of loss due to bank failure is not significant.

3. Due to/from other governments

At September 30, 2018, the amounts due to other governmental units totaled $1,895 and was payable to the Board. The due from other governmental units totaled $204,673 and was receivable from the Board.

4. Retirement plan

Plan Description — The Supervisor of Elections participates in the Florida Retirement System (FRS), administered by the Florida Department of Management Services. The FRS was established in 1970 by Chapter 121, Florida Statutes. Changes to the FRS can only be made by an act of the Florida Legislature. Rules governing the operation and administration of the system may be found in Chapter 60S of the Florida Administrative Code. The State of Florida issues a publicly available stand-alone financial report that includes financial statements and required supplementary information for FRS. The report maybe be obtained on the division's website at http://www.dms.myflorida.com. The report may also be obtained by contacting the State of Florida Division of Retirement, Department of Management Services, P.O. Box 9000, Tallahassee, FL 32315-9000.

Employees elect participation in either the defined benefit plan (Pension Plan), a multiple-employer cost – sharing defined benefit retirement plan, or the defined contribution plan (Investment Plan). As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university community college or a participating city or special district within the State of Florida.

The FRS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Retirement benefits are based upon age, average compensation and years-of-service credit where average compensation is computed as the average of the members' highest 5 or 8 fiscal years of earnings, depending upon enrollment date. A post-employment health insurance subsidy is also provided to eligible retired members through the FRS in accordance with Florida Statutes.

For employees who were enrolled in the plan prior to July 1, 2011, normal retirement benefits are available at age 62 with 6 or more years of service, or to those employees who have at least 30 years of creditable service, regardless of age.

For employees who were enrolled in the plan after July 1, 2011, normal retirement benefits are available at age 65 with 8 or more years of service, or to those employees who have at least 33 years of creditable service, regardless of age.

Members in the Investment Plan decide how their funds are allocated between various investment accounts and the vested funds are portable upon termination. The final retirement benefit is equal to the vested contributions plus investment earnings less expenses and losses allocated to the member's account. Members in the Investment Plan are not eligible for participation in the Deferred Retirement Option Program.

4. Retirement plan (Continued)

The contribution requirements of the Supervisor of Elections and members are established and may be amended by FRS. Both plans are contributory for employees and require a 3% employee contribution. This is in addition to the contributions that are the obligation of the employer. The Supervisor of Election's contributions to FRS for the years ended September 30, 2018, 2017 and 2016 were $120,165, $110,263, and $98,903 respectively, equal to the required contributions for each year.

The contribution rates in effect during the period ended September 30, 2018, 2017 and 2016 were as follows:

	2018	2017	2016
Regular Class: Members not qualifying for other classes.	8.26%	7.92%	7.52%
Senior Management Class: Members of senior management who do not elect the optional annuity retirement program.	24.06%	22.71%	21.77%
Elected Officials Class: Certain elected county officials.	48.70%	45.50%	42.47%
Deferred Retirement Option Program (DROP): Members are enrolled in DROP from FRS	14.03%	13.26%	12.99%

Net Pension Obligation-Proportionate Share

The Supervisor of Elections has a net FRS pension liability determined in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions.* This long-term liability is only reported in the county-wide financial statements and is not a current liability of the governmental funds. All required disclosures and schedules may be found in the comprehensive annual financial report of Escambia County, Florida.

5. Other postemployment (OPEB) benefits, other than pensions

The Board offers post-employment health care benefits (OPEB) to all retired employees of the Supervisor of Elections' Office and their dependents. Participating retirees are required to reimburse the Board for 100% of the premium cost, which is netted against the premium payment, so that no net expense is initially recorded in the Board's financial statements. However, these retirees are receiving an "implicit subsidy" because the premium is a group rate which includes active, lower cost employees. This implicit subsidy has a cost, however, this annual cost, and the total OPEB liability is measured as the portion of the actuarial present value of the projected benefit payments that is attributed to past periods of employee service. The total OPEB liability and other required disclosures have been calculated for the County as a whole, and not separately for the Supervisor of Elections' Office. Accordingly, these calculations and disclosures can be found in the County's comprehensive annual financial report.

6. Risk management

The County has a risk management program to insure claims against the Board, Constitutional Officers, and Santa Rosa Island Authority for the following types of risks:

Workers Compensation – The County is covered for workers' compensation claims through a policy with the Florida Municipal Insurance Trust. Coverage limits under the policy include statutory limits, as well as $1,000,000 bodily injury for each accident and $1,000,000 bodily injury by disease for each employee with an aggregate $1,000,000 policy limit.

Casualty and Property – Casualty limits are self-insured for $200,000 per claim with a $300,000 aggregate limit. Property limits are $50,000 - $250,000 self-insured retentions per occurrence with excess limits of $45 million including wind.

The Supervisor of Elections participated in the County's insurance program during fiscal year 2018 at a cost of $2,110. There also were no significant reductions in insurance coverage from the prior year and there have been no settlements which exceeded the Supervisor of Elections' insurance coverage in any of the past three fiscal years.

7. Commitments and contingencies

The Supervisor of Elections receives federal and state financial assistance primarily in the form of capital and operating grants. The expenditure of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by grantor agencies. Disallowed costs, if any, resulting from such audits, may become liabilities of the Supervisor of Elections. However, in the opinion of management, disallowed costs, if any, will not have a material effect on the financial statements.

8. Subsequent events

The Supervisor of Elections has evaluated events and transactions for potential recognition or disclosure in the financial statements through January 16, 2019, the date the financial statements were available to be issued. No subsequent events have been recognized or disclosed.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable David Stafford
Supervisor of Elections Escambia County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements (hereinafter referred to as "financial statements") of the general fund and the grant fund of the Supervisor of Elections of Escambia County, Florida (hereinafter referred to as "Supervisor of Elections"), as of and for the year ended September 30, 2018, and the related notes to the financial statements, which collectively comprise the Supervisor of Elections' financial statements, and have issued our report thereon dated January16, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Supervisor of Elections' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Supervisor of Elections' internal control. Accordingly, we do not express an opinion on the effectiveness of the Supervisor of Elections' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Supervisor of Elections' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT ACCOUNTANTS' REPORT ON EXAMINATION OF COMPLIANCE REQUIREMENTS IN ACCORDANCE WITH CHAPTER 10.550, *RULES OF THE AUDITOR GENERAL*

Honorable David Stafford
Supervisor of Elections Escambia County, Florida

We have examined the Office of the Supervisor of Elections' of Escambia County, Florida's (hereinafter referred to as the "Supervisor of Elections") compliance with Florida Statute 218.415 in regards to investments for the year ended September 30, 2018.

Management is responsible for the Supervisor of Elections' compliance with those requirements. Our responsibility is to express an opinion on the Supervisor of Elections' compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Supervisor of Elections' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Supervisor of Elections' compliance with specified requirements.

In our opinion, the Supervisor of Elections complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2018.

MANAGEMENT LETTER

Honorable David Stafford
Supervisor of Elections of Escambia County

Report on the Financial Statements
We have audited the financial statements of the general fund and the grant fund of the Office of the Supervisor of Elections of Escambia County, Florida (hereinafter referred to as the "Supervisor of Elections"), as of and for the year ended September 30, 2018, and the related notes to the financial statements, and have issued our report thereon dated January 16, 2019.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550 *Rules of the Florida Auditor General.*

Other Reporting Requirements
We have issued our Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards;* and Independent Accountants' Report on Examination of Compliance Requirements in Accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated January 16, 2019, should be considered in conjunction with this management letter.

Prior Audit Findings
Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. No recommendations were made in the preceding annual financial audit report.

Financial Management
Section 10.554(1)(i)2., *Rules of the Auditor General,* requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters
Section 10.554(1)(i)3., *Rules of the Auditor General,* requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter
Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Supervisor of Elections, Escambia County Board of County Commissioners, and applicable management and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Honorable Scott Lunsford
Tax Collector Escambia County, Florida

Report on the Financial Statements
We have audited the accompanying financial statements of the general fund and the aggregate remaining fund information of the Office of the Tax Collector of Escambia County, (hereinafter referred to as "Tax Collector"), as of and for the year ended September 30, 2018, and the related notes to the financial statements, which collectively compose the Tax Collector's financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the general fund and the aggregate remaining fund information of the Tax Collector as of September 30, 2018, and the respective changes in financial position, where applicable, thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter
As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the *Rules of the Auditor General* of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund, and the aggregate remaining fund information, only for the portion of the major funds, and the aggregate remaining fund information, of Escambia County, Florida that are attributable to the Tax Collector.

They do not purport to, and do not, present fairly the financial position of Escambia County, Florida, as of September 30, 2018, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison schedule and related notes, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Tax Collector's financial statements. The combining statements, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of these financial statements. The combining statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining statements are fairly stated, in all material respects in relation to the financial statements taken as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report on our consideration of the Tax Collector's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters included under the heading *"Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards."* The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Tax Collector's internal control over financial reporting and compliance.

ESCAMBIA COUNTY, FLORIDA
TAX COLLECTOR

NOTES TO THE FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

The following is a summary of the significant principles and policies used in the preparation of these financial statements.

A. Reporting entity

The Escambia County, Florida Tax Collector (Tax Collector) is an elected constitutional officer as provided by Article VIII, Section 1 (d) of the Constitution of the State of Florida. The Tax Collector's budget is approved by the Florida Department of Revenue and submitted to the Escambia County Board of County Commissioners (the Board). The Board pays a monthly fee to the Tax Collector for collection of property taxes based on a statutory formula. The remainder of the budget is funded by fees earned for providing services for other governmental agencies.

For financial reporting purposes, the Tax Collector is deemed to be a part of the primary government of Escambia County, Florida (the County), and therefore, is included as such in the Escambia County, Florida, Comprehensive Annual Financial Report.

B. Basis of presentation – fund financial statements

These financial statements have been prepared for the purpose of complying with *Rules of the Auditor General, State of Florida*, which require presentation of *fund level* only financial statements and permit omission of entity-wide full accrual financial statements and management's discussion and analysis. Therefore, these financial statements are intended to present only the financial position and changes in financial position of that portion of Escambia County, Florida, that relate to transactions of the Tax Collector and are not intended to present the financial position and changes in financial position of Escambia County, Florida, taken as a whole.

The Tax Collector's financial records and accounts are maintained in accordance with the principles of "fund accounting," whereby resources are classified for accounting and reporting purposes into funds to insure compliance with any special restrictions or limitations on the use of such resources. The Tax Collector's funds are defined as follows:

Governmental Funds:

The G*eneral Fund* is the general operating fund of the Tax Collector. It is used to account for all financial resources except those required to be accounted for in other funds.

Fiduciary Funds:

The *agency funds* are used to account for assets held for individuals, private organizations, or other governments and consist primarily of taxes and fees collected but not distributed to other governments. Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of the results of operations.

Fund balances are classified either as non-spendable or as restricted, committed, assigned, and unassigned, based on the extent to which there are external and internal constraints on the spending.

NOTES TO THE FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies (Continued)

C. Measurement focus and basis of accounting

The general fund is accounted for using the *current resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they become susceptible to accrual—that is when they are both measurable and available to finance expenditures of the current period. The Tax Collector considers receivables collected within 60 days after year-end to be available and recognizes them as revenues of the current year. Expenditures generally are recorded when the related fund liability is incurred. However, expenditures for compensated absences are recognized when payments are made to employees.

Fiduciary fund financial statements are reported using the accrual basis of accounting.

D. Funding from Board of County Commissioners

Commissions from the Board are recorded as “transfers in” on the Statement of Revenues, Expenditures and Changes in Fund Balance.

In accordance with Florida Statutes, the General Fund’s excess of revenues and transfers over expenditures is returned to the Board at year end and is reported as a “transfer out” on the Statement of Revenues, Expenditures and Changes in Fund Balance.

E. Capital Assets

Capital assets (vehicles, equipment and other property costing at least $1,000 with a useful life of more than one year) are recorded as expenditures at the time of purchase. These assets are capitalized at cost and depreciated in Escambia County’s government-wide financial statements.

F. Accumulated Compensated Absences

Employees may accumulate, subject to limitations, amounts of earned but unused paid time off, which will be paid upon separation from service. The amount of vested accumulated compensated absences payable is reported as a liability in the statement of net position in the County’s basic financial statements. That liability includes earned but unused paid time off as well as FICA taxes and retirement contributions related thereto.

2. Deposits and Investments

The investment of surplus funds is governed by the provisions of Florida Statute 218.415 as to the type of investments that can be made. Deposits may be exposed to custodial credit risk, which is the risk of loss in the event of a bank failure.

The Tax Collector manages custodial credit risk by maintaining its deposits in a financial institution designated as “Qualified Public Depository” by the State Treasurer.

2. Deposits and Investments (Continued)

All deposits were fully insured through a combination of federal depository insurance and participation of the financial institution in the multiple financial institution collateral pool as specified in Chapter 280, Florida Statutes. Accordingly, risk of loss due to bank failure is not significant.

At September 30, 2018, the reported amount of the Tax Collector's deposits was approximately $5.0 million, and the bank balance was approximately $4.8 million, consisting entirely of deposits in checking and saving accounts.

3. Interfund receivables, payables and transfers

Interfund receivables and payables consist of amounts due to or from funds during the normal course of business. At September 30, 2018, there were no interfund receivables or payables within the Tax Collector's funds. Transfers in consist of $4,428,755 from the Board of County Commissioners, and transfers out (excess budget and fees to the Board) totaled $493,425.

4. Due to/from other governments

At September 30, 2018, the due to other governmental units totals $494,679 and primarily is payable to the Board and is comprised mainly of excess fees over expenditures.

5. Retirement Plan

The Tax Collector participates in the Florida Retirement System (FRS), administered by the Florida Department of Management Services. The FRS was established in 1970 by Chapter 121, Florida Statutes. Changes to the FRS can only be made by an act of the Florida Legislature. Rules governing the operation and administration of the system may be found in Chapter 60S of the Florida Administrative Code. The State of Florida issues a publicly available stand-alone financial report that includes financial statements and required supplementary information for FRS. The report maybe be obtained on the division's website at http://www.dms.myflorida.com. The report may also be obtained by contacting the State of Florida Division of Retirement, Department of Management Services, P.O. Box 9000, Tallahassee, FL 32315-9000.

Employees elect participation in either the defined benefit plan (Pension Plan), a multiple-employer cost–sharing defined benefit retirement plan, or the defined contribution plan (Investment Plan). As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university community college or a participating city or special district within the State of Florida.

5. Retirement Plan (Continued)

The FRS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Retirement benefits are based upon age, average compensation and years-of-service credit where average compensation is computed as the average of the members' highest 5 or 8 fiscal years of earnings, depending upon enrollment date. A post-employment health insurance subsidy is also provided to eligible retired members through the FRS in accordance with Florida Statutes.

For employees who were enrolled in the plan prior to July 1, 2011, normal retirement benefits are available at age 62 with 6 or more years of service, or to those employees who have at least 30 years of creditable service, regardless of age.

For employees who were enrolled in the plan after July 1, 2011, normal retirement benefits are available at age 65 with 8 or more years of service, or to those employees who have at least 33 years of creditable service, regardless of age.

Early retirement is available for vested members with a 5% reduction of benefits for each year prior to the normal retirement age. Retirement age and years of service requirements also vary depending on membership class.

In addition to the above benefits, the Deferred Retirement Option Program (DROP) is available under the Pension Plan when the member first reaches eligibility for normal retirement. This program allows eligible members to defer receipt of monthly retirement benefit payments while continuing employment with a FRS employer for a period not to exceed 60 months after electing to participate.

For those members who elect participation in the Investment Plan rather than the Pension Plan, vesting occurs at one year of service. The Investment Plan is a defined contribution plan funded monthly by employer and employee contributions based on salary and membership class. Members in the Investment Plan decide how their funds are allocated between various investment accounts and the vested funds are portable upon termination. The final retirement benefit is equal to the vested contributions plus investment earnings less expenses and losses allocated to the member's account. Members in the Investment Plan are not eligible for participation in the Deferred Retirement Option Program.

The contribution requirements of the Tax Collector and members are established and may be amended by FRS. Both plans are contributory for employees and require a 3% employee contribution. This is in addition to the contributions that are the obligation of the employer. The Tax Collector's contributions to FRS for the years ended September 30, 2018, 2017 and 2016 were $471,709, $432,519, and $417,919, respectively, equal to the required contributions for each year.

5. Retirement Plan (Continued)

The contribution rates in effect during the period ended September 30, 2018, 2017 and 2016 were as follows:

	2018	2017	2016
Regular Class: Members not qualifying for other classes.	8.26%	7.92%	7.52%
Senior Management Class: Members of senior management who do not elect the optional annuity retirement program.	24.06%	22.71%	21.77%
Elected Officials Class: Certain elected county officials.	48.70%	45.50%	42.47%
Deferred Retirement Option Program (DROP): Members are enrolled in DROP from FRS	14.03%	13.26%	12.99%

Net Pension Obligation-Proportionate Share

The Tax Collector has a net FRS pension liability determined in accordance with GASB Statement No. 68, Accounting and Financial Reporting for Pensions. This long-term liability is only reported in the county-wide financial statements and is not a current liability of the governmental funds. All required disclosures and schedules may be found in the comprehensive annual financial report of Escambia County, Florida.

6. Other post-employment benefits (OPEB), other than pensions

The Board offers post-employment health care benefits (OPEB) to all retired employees of the Tax Collector's Office and their dependents. Participating retirees are required to reimburse the Board for 100% of the premium cost, which is netted against the premium payment, so that no net expense is initially recorded in the Board's financial statements. However, these retirees are receiving an "implicit subsidy" because the premium is a group rate which includes active, lower cost employees. This implicit subsidy has a cost, however, this annual cost, and the total OPEB liability is measured as the portion of the actuarial present value of projected benefit payments that is attributed to past periods of employee service. The total OPEB liability and other required disclosures have been calculated for the County as a whole, and not separately for the Tax Collector's Office. Accordingly, these calculations and disclosures can be found in the County's comprehensive annual financial report.

7. Risk management

The County has a risk management program to insure claims against the Board, Constitutional Officers, and Santa Rosa Island Authority for the following types of risks:

Workers Compensation – The County is covered for workers' compensation claims through a policy with the Florida Municipal Insurance Trust. Coverage limits under the policy include statutory limits, as well as $1,000,000 bodily injury for each accident and $1,000,000 bodily injury by disease for each employee with an aggregate $1,000,000 policy limit.

Casualty and Property – Casualty limits are self-insured for $200,000 per claim with a $300,000 aggregate limit. Property limits are $50,000 - $250,000 self-insured retentions per occurrence with excess limits of $45 million including wind.

The Tax Collector participated in the County's insurance program during fiscal year 2018 at a cost of $9,207. There also were no significant reductions in insurance coverage from the prior year and there have been no settlements which exceeded the Tax Collector's insurance coverage in any of the past three fiscal years.

8. Commitments and contingencies

Operating leases

The Tax Collector is committed to operating leases for office space with noncancellable terms in excess of one year. Future minimum lease payments are as follows:

Year	Amount
2019	278,652
2020	278,652
2021	202,500
2022	50,625
	$810,429

Rent expense for the year ended September 30, 2018 was $319,374.

9. Litigation

The Tax Collector is contingently liable with respect to lawsuits and other claims which might be filed incidental to the ordinary course of operations. In the opinion of management, based on the advice of legal counsel, there are no lawsuits or claims outstanding which will have a material adverse effect on the financial position of the Tax Collector's Office.

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

The Tax Collector's Office operates under budget procedures pursuant to Florida Statutes. An annual budget is adopted for the general fund on a basis consistent with accounting principles generally accepted in the United States of America. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is at the fund level.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Scott Lunsford
Tax Collector Escambia County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements (hereinafter referred to as "financial statements") of the general fund and aggregate remaining fund information of the Tax Collector of Escambia County, Florida (hereinafter referred to as "Tax Collector"), as of and for the year ended September 30, 2018, and the related notes to the financial statements, which collectively comprise the Tax Collector's financial statements, and have issued our report thereon dated December 19, 2018.

Internal Control Over Financial Reporting
In planning and performing our audit of the financial statements, we considered the Tax Collector's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Tax Collector's internal control. Accordingly, we do not express an opinion on the effectiveness of the Tax Collector's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters
As part of obtaining reasonable assurance about whether the Tax Collector's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts.

However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE REQUIREMENTS IN ACCORDANCE WITH CHAPTER 10.550, *RULES OF THE AUDITOR GENERAL*

Honorable Scott Lunsford
Escambia County Tax Collector

We have examined the Office of the Tax Collector of Escambia County, Florida's (hereinafter referred to as "Tax Collector") compliance with Florida Statute 218.415 in regards to investments for the year ended September 30, 2018.

Management is responsible for the Tax Collector's compliance with those requirements. Our responsibility is to express an opinion on the Tax Collector's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Tax Collector's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination of the Tax Collector's compliance with specified requirements.

In our opinion, the Tax Collector complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2018.

MANAGEMENT LETTER

Honorable Scott Lunsford
Tax Collector Escambia County, Florida

Report on the Financial Statements
We have audited the financial statements (hereinafter referred to as "financial statements") of the general fund and the aggregate remaining fund information of the Office of the Tax Collector of Escambia County, Florida (hereinafter referred to as "Tax Collector"), as of and for the year ended September 30, 2018, and the related notes to the financial statements, and have issued our report thereon dated December 19, 2018.

Auditors' Responsibility
We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550 *Rules of the Florida Auditor General.*

Other Reporting Requirements
We have issued our Independent Auditors' Report on Internal Control Over Financial Reporting and Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards;* and Independent Accountants' Report on Examination of Compliance Requirements in Accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated December 19, 2018, should be considered in conjunction with this management letter.

Prior Audit Findings
Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no recommendations made in the preceding audit report.

Financial Management
Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters
Section 10.554 (1)(i)3., *Rules of the Auditor General,* requires that we communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Tax Collector, the Escambia County Board of County Commissioners, and applicable management and is not intended to be and should not be used by anyone other than these specified parties.

REPORT OF THE COMMITTEE OF THE WHOLE WORKSHOP OF THE ESCAMBIA COUNTY BOARD OF COUNTY COMMISSIONERS

FEBRUARY 14, 2019

Present: Commissioner Lumon J. May, Chairman, District 3
Commissioner Steven L. Barry, Vice Chairman, District 5
Commissioner Robert D. Bender, District 4
Commissioner Jeffrey W. Bergosh, Chairman, District 1
Commissioner Douglas B. Underhill, District 2
Honorable Pam Childers, Clerk of the Circuit Court and Comptroller
Amy Lovoy, Interim County Administrator
Alison Rogers, County Attorney
Lizabeth Carew, Administrative Specialist, Clerk and Comptroller's Office
Shamara Jernigan, Administrative Assistant, County Administrator's Office

Location: Ernie Lee Magaha Government Building, Board Chambers, First Floor, 221 Palafox Place, Pensacola, Florida

Minutes prepared by: Lizabeth Carew

AGENDA ITEMS

1. Call to Order

   Chairman May called the Committee of the Whole Workshop (C/W) to order at 9:02 a.m.

2. Was the Meeting Properly Advertised?

   The C/W was advised by Lizabeth Carew, Administrative Specialist, Clerk and Comptroller's Office, that the meeting was advertised in the *Pensacola News Journal* on February 9, 2019, in the Board's Weekly Meeting Schedule.

AGENDA ITEMS – Continued

3. OLF8/OLFX

A. Board Discussion – The C/W:

(1) Agreed to not address any zoning and future land use issues until after the Master Plan for the site has been completed;

(2) Discussed the costs associated with lawn maintenance of the site, and:

(a) Was advised by Wes Moreno, Director of the Roads and Bridges Department, that:

1) A contractor who does work for the Florida Department of Transportation has provided an estimate of approximately $115,000, annually, to mow the field; and

2) The County could purchase a couple of used tractors and mowing decks at approximately $156,000, and staff the mowing duty internally at approximately $7-$8 per acre;

(3) Heard the request from Commissioner Underhill that the Board be informed of the cost for the Cultural Survey as soon as it's available;

(4) Upon inquiry from Commissioner May, heard comments from Mr. Moreno concerning issues relating to the use of inmates to mow the site;

(5) Agreed to have staff bring back further information with regard to the purchase of the tractors; and

(6) Agreed to direct staff to begin the process of advertising the Request for Proposals for an OLF8 Master Plan; and

B. Board Direction – None.

AGENDA ITEMS – Continued

4. Midtown Commerce Park/Memorandum of Understanding (MOU)

   A. Board Discussion – The C/W:

      (1) Was advised by Dave Robau, CEO and Chief Scientist of National Energy, that the proposal for development of the Midtown Commerce Park site, as discussed at the September 2019 C/W Workshop, is to create a training facility to process waste, and a Memorandum of Understanding with the County would allow National Energy to start engaging with the community, to bring in stakeholders, and have focus groups to discuss the future of the site;

      (2) Heard comments from Commissioner Underhill relating to concerns he has with questions he has that have been answered regarding certain logistics, and with the other entity (Parkside Partners) involved with the proposal;

      (3) Heard comments from Commissioner Bergosh relating to concerns he has with the absence of a representative from Parkside Partners at this meeting and with the idea that the County would be paying another entity to process garbage; and

      (4) Agreed to table this issue until all entities involved are available and able to participate in this discussion; and

   B. Board Direction – None.

5. New Escambia County Correctional Facility Progress Report

   A. Board Discussion – The C/W was provided with an update relating to the progress of the new Escambia County Correctional Facility from Steve Jernigan, Bay Design; Bob Dye, Facilities Management Department Director; and Colby Brown, Assistant County Engineer, and:

      (1) Was advised by Mr. Jernigan that the foundation and backfilling for "Area D" has been poured, the JJC [Juvenile Justice Center] parking lot was inspected, accepted, and turned over for use in January; the stormwater pond on Leonard Street is being excavated; and inclement weather has placed the project 28 days behind;

(Continued on Page 4)

AGENDA ITEMS – Continued

5. Continued…

   A. Continued…

      (2) Was advised by Mr. Brown that the Shared Access/Joint Use Acknowledgement Agreement for the Escambia County Jail will come before the Board for approval on February 21, 2019;

      (3) After discussion concerning the surrounding businesses, agreed to direct staff to move forward with a master developer for the sites surrounding the new facility;

      (4) Requested that staff explore the possibility of expanding the boundaries of the Englewood CRA (Community Redevelopment Agency); and

      (5) Heard the request from Commissioner May for the zip codes of the local contractors/hires for the project; and

   B. Board Direction – None.

6. Gulf Coast Minority Chamber of Commerce

   A. Board Discussion – The C/W:

      (1) Heard a review from Brian Wyer, President/CEO of the Gulf Coast Minority Chamber of Commerce, of statistics he obtained while trying to create a baseline of the current level of the County's involvement with minority business, which was also provided in hard copy;

      (2) Heard comments from Commissioner Barry concerning the State of Florida's definition of minority businesses and the process by which it uses for registry, and requesting that Mr. Wyer, in collaboration with staff, continue to look for ways to refine the registry process;

      (3) Heard comments from Commissioner May requesting an analysis of vendors that are currently registered to do business with the County and that the candid and honest conversations concerning the lack of minority participation in the County's procurement process continue with a goal of obtaining a higher participation level;

(Continued on Page 5)

AGENDA ITEMS – Continued

6. Continued…

   A. Continued…

      (4) Heard comments from Commissioner Barry suggesting a requirement that all vendors are to be registered through the County's website by a date certain, and, if a vendor does not meet that requirement, then they will be unable to "get checks"; and

      (5) Was advised by County Attorney Rogers that the requirement Commissioner Barry is suggesting needs to be written into the County's existing Ordinance, and at Commissioner Barry's request, advised that her office will begin to work on an amendment; and

   B. Board Direction – None.

7. Escambia County Healthy Start Coalition, Inc.

   A. Board Discussion – The C/W heard an overview from Theresa Chmeil, Chief Executive Officer of Escambia County Healthy Start Coalition, Inc., and Chandra Smiley, Chief Executive Officer of Community Health Northwest Florida, of the services being provided in the northern area of the County; and

   B. Board Direction – None.

8. Rolling Hills Update

   A. Board Discussion – The C/W viewed and discussed a PowerPoint Presentation, which was also provided in hard copy, entitled *Rolling Hills Construction and Demolition Debris Facility Update*, presented by Chips Kirschenfeld, Director, and Tim Day, Senior Manager, Natural Resources Department:

      (1) Was advised by Mr. Kirschenfeld that:

         (a) There are no current permit authorizations from the Florida Department of Environmental Protection (FDEP) for construction demolition debris or land clearing debris;

(Continued on Page 6)

AGENDA ITEMS – Continued

8. Continued…

A. Continued…

(1) Continued…

(b) South Palafox Properties is out of compliance and FDEP will be filing a motion for contempt of court;

(c) FDEP is working with a contractor to close the construction demolition debris portion of the property; and

(d) Groundwater flows south through the site toward a wetland area, away from the Wedgewood Community, and identified contaminants are listed in the PowerPoint; furthermore, staff has not seen any surface water data further downstream in that tributary that runs into Marcus Creek to determine whether there are or are not any water quality impairments;

(2) Was advised by County Attorney Rogers that:

(a) The County has a Code Enforcement fine against the property, which continues to accrue daily at $200 per day; and the County has filed a foreclosure action with regards to a fire suppression lien, which is extremely inferior to a number of existing liens attached to the property; and

(b) The County is not obligated/involved in the procurement, management, and oversight of the closure; therefore, the obvious and easiest approach would be to adopt a Resolution to urge FDEP to "see this across the finish line"; the County could also do surface or groundwater testing off the site, with the permission of the land owners; and

(3) Was advised by Commissioner Underhill that he is opposed to any action, including foreclosure, that would let the owners of this property off the hook for what they've done to the community; and

(Continued on Page 7)

AGENDA ITEMS – Continued

8. Continued…

   A. Continued…

      (4) Was advised by Mr. Day that:

         (a) Since November 2016, which is around the time FDEP began the formal closure process, the levels have dropped significantly in terms of the frequency that the hydrogen sulfite was detected or was high enough to start to cause a level of potential concern;

         (b) Once FDEP gets their contractor working again, it is expected to take approximately nine weeks to complete the cap and closure process; and

         (c) FDEP has offered to hold an open house next month at the Wedgewood Community Center to provide information and address concerns; and

   B. Board Direction – The C/W recommends that the Board direct staff to immediately take all measures necessary to test the surface water and the ground water, as appropriate, in concentric circles around the Rolling Hills property site.

      Recommended 5-0

      Speaker(s):

      Gloria Horning

AGENDA ITEMS – Continued

9. Interim Medical Examiner

A. Board Discussion – The C/W:

(1) Heard an update from County Attorney Rogers relating to the situation with the District's Medical Examiner and the process by which a new Medical Examiner will be appointed; and was advised by Ms. Rogers that:

(a) Escambia County is the last county of the four counties in the District to address the salaries for the current Medical Examiner and Associate Medical Examiner, which are as follows:

- Chief Medical Examiner – $300,00, plus benefits
- Associate Medical Examiner – $200,000, plus benefits

(b) If the Board is open to moving forward with the salaries, then a written four-county contract, which will govern the remainder of the Medical Examiner's time with the District, will be presented to each county for approval;

(2) Heard comments from Commissioner Bender in favor of moving forward with a contract for the salaries, as presented;

(3) Heard comments from Commissioner Bergosh and Commissioner Barry in favor of moving forward with a contract for the salaries, as presented, only if there is a clause that protects the County's interest in getting monies back through a favorable judgement;

(4) Was advised by Commissioner Underhill that he is open to keeping the current Medical Examiner on staff as long as necessary, and the billing issue should probably be bifurcated from the salary negotiations;

B. Board Direction – None.

REPORT OF THE COMMITTEE OF THE WHOLE WORKSHOP – February 14, 2019

ITEMS ADDED TO THE AGENDA

1. Pensacola Bay Bridge

   A. Board Discussion – The C/W discussed Commissioner Bender's proposal concerning establishing a committee to assist with the naming of the newly constructed Pensacola Bay Bridge; and

   B. Board Direction – None.

AGENDA ITEMS – Continued

10. Adjourn

    Chairman May declared the Committee of the Whole Workshop adjourned at 11:31 a.m.

REPORT OF THE GARY SANSING PUBLIC FORUM OF THE ESCAMBIA COUNTY BOARD OF COUNTY COMMISSIONERS

FEBRUARY 21, 2019

Commissioner Jeffrey W. Bergosh, Chairman, District 1
Commissioner Douglas B. Underhill, District 2
Amy Lovoy, Interim County Administrator
Alison Rogers, County Attorney
DeLana Allen-Busbee, Administrative Specialist, Clerk and Comptroller's Office
Shamara Jernigan, Administrative Assistant, County Administrator's Office

Location: Ernie Lee Magaha Government Building, Board Chambers, First Floor, 221 Palafox Place, Pensacola, Florida

Report prepared by: DeLana Allen-Busbee

AGENDA ITEMS

1. Call to Order

   Vice Chairman Barry called the Gary Sansing Public Forum to Order at 8:37 a.m.

2. Speakers

   The Board heard comments from the following individuals:

James Welcome	Bill Fetke	Melissa Pino
Barbara Mayall	Anita Feliciano	Larry Downs, Jr.
Randy Cudd	Nancy Hagman	Michael Bearden
James Scaminaci	John Nixon	Merit Celaire
Margaret Hostetter	Dan Clark	Kevin Wade
Charles Krupnick	Dianne Krumel	

3. Adjournment

   Chairman May declared the Gary Sansing Public Forum adjourned at 9:23 a.m.

MINUTES OF THE REGULAR MEETING OF
THE ESCAMBIA COUNTY BOARD OF COUNTY COMMISSIONERS

FEBRUARY 21, 2019

Present: Commissioner Lumon J. May, Chairman, District 3
Commissioner Steven L. Barry, Vice Chairman, District 5
Commissioner Robert D. Bender, District 4
Commissioner Jeffrey W. Bergosh, District 1
Commissioner Douglas B. Underhill, District 2
Honorable Pam Childers, Clerk of the Circuit Court and Comptroller
Amy Lovoy, Interim County Administrator
Alison Rogers, County Attorney
DeLana Allen-Busbee, Administrative Specialist, Clerk and Comptroller's Office
Shamara Jernigan, Administrative Assistant, County Administrator's Office

Location: Ernie Lee Magaha Government Building, Board Chambers, First Floor
221 Palafox Place, Pensacola, Florida

Minutes prepared by: DeLana Allen-Busbee

REGULAR BCC AGENDA

1. Call to Order

   Chairman May called the Regular Meeting of the Board of County Commissioners to Order at 9:29 a.m.

2. Invocation

   Monsignor Luke Hunt of Our Lady of the Assumption Catholic Church delivered the invocation.

3. Pledge of Allegiance to the Flag

   Commissioner Barry led the Pledge of Allegiance to the Flag.

REGULAR BCC AGENDA – Continued

4. Recommendation: That the Board adopt the agenda as prepared (or duly amended).

Motion: Move the agenda, as amended
Made by: Commissioner Barry **Seconded by:** Commissioner Underhill
Disposition: Carried unanimously

5. Commissioners' Forum:

   A. District 2 – Commissioner Underhill provided comments;

   B. District 1 – Commissioner Bergosh provided comments and made a motion concerning his verbal add-on item (see page 35);

   C. District 4 – Commissioner Bender provided comments;

   D. District 5 – Commissioner Barry provided comments;

   E. District 3 – Commissioner May provided comments.

6. Recommendation: That the Board take the following action:

   A. Adopt the Proclamation honoring and congratulating Mrs. Arie Lee McCloud Ragler on reaching the age of 100 and extending best wishes to her for continued good health and happiness;

   B. Adopt the Proclamation congratulating Senior Pastor Larry McKeehan on his retirement after serving the Warrington Assembly of God for 14 years and commending him for his dedication to his community and his congregation; and

   C. Ratify the Proclamation dated February 12, 2019, congratulating John Appleyard and the Appleyard Agency on the Agency's 60th Anniversary and commending John Appleyard and his staff for their contribution to the community.

Motion: Move the items, A through C
Made by: Commissioner Barry **Seconded by:** Commissioner Bender
Disposition: Carried unanimously

REGULAR BCC AGENDA – Continued

7. Written Communication:

   January 30, 2019, communication from Sharron Dunn Gallant regarding a permit fee she paid for tree cutting done by a tenant without her knowledge.

Motion: Move to release the lien from the remaining properties that it's currently on
Made by: Commissioner Bender **Seconded by:** Commissioner Underhill
Disposition: Carried unanimously
Speaker(s): Sharon Dunn Gallant

8. Recommendation: That the Board waive the reading of the legal advertisement(s) and accept, for filing with the Board's Minutes, the certified affidavit(s) establishing proof of publication for the Public Hearing(s) on the agenda, and the Board of County Commissioners – Escambia County, Florida, Meeting Schedule:

   A. The 9:01 a.m. Public Hearing, advertised in the *Pensacola News Journal* on February 8, 2019, for consideration of adopting an Ordinance creating the Tanglewood Subdivision Street Lighting MSBU; and

   B. The *Board of County Commissioners – Escambia County, Florida, Meeting Schedule February 18 – February 22, 2019,* as published in the *Pensacola News Journal* on February 16, 2019 (affidavit received after the Board Meeting).

Motion: Move the waiving of the reading
Made by: Commissioner Underhill **Seconded by:** Commissioner Bergosh
Disposition: Carried unanimously

9. Recommendation: That the Board, at the 9:01 a.m. Public Hearing, adopt, and authorize the Chairman to sign, the Ordinance [Number 2019-10] creating the Tanglewood Subdivision Street Lighting Municipal Services Benefit Unit (MSBU), and all related documents, and make the following findings of fact:

   A. Lots in the District are specially benefited since street lighting not only increases the market value of an individual Lot, but also increases safety in the District surrounding individual Lots and the ability of Lot owners to use their individual Lots after dark;

(Continued on Page 4)

REGULAR BCC AGENDA – Continued

9. Continued…

   B. The benefit from improved street lighting varies according to the relative size of the affected Lots. Residential Lots benefit from improved street lighting uniformly because of the small variation in size throughout the District;

   C. The non-ad valorem special assessments levied represent a fair and reasonable apportionment of the cost of the special benefit received by each Lot and do not represent a fair share of the cost of general governmental service provided to residents in the unincorporated areas of Escambia County; and

   D. Lots which do not receive a special benefit have been and shall be excluded from the non-ad valorem special assessment for street lighting.

Motion: Move the Item in the affirmative and Items A, B, C, and D
Made by: Commissioner Bergosh **Seconded by:** Commissioner Underhill
Disposition: Carried unanimously
Speaker(s): None

10. Recommendation: That the Board direct staff to immediately take all measures necessary to test the surface water and the ground water, as appropriate, in concentric circles around the Rolling Hills property site, as recommended by the Committee of the Whole (C/W) at the February 14, 2019, C/W Workshop.

Motion: Move the Item
Made by: Commissioner Bergosh **Seconded by:** Commissioner Underhill
Disposition: Carried unanimously

Motion: Move to proceed with monthly sampling **For Information:** Director Chips Kirschenfeld presented a PowerPoint presentation regarding options for the Board to choose from relating to sampling of water around the Rolling Hills property site.
Made by: Commissioner Bergosh **Seconded by:** Commissioner Underhill
Disposition: Carried unanimously

CLERK & COMPTROLLER'S REPORT – Honorable Pam Childers, Clerk of the Circuit Court and Comptroller

I. CONSENT AGENDA

1. Recommendation: That the Board accept, for filing with the Board's Minutes, the following documents provided to the Clerk to the Board's office:

   A. The Pensacola-Escambia County Promotion and Development Commission Final Fiscal Year 2017-2018 Financial Audit, as provided by Melissa Stoker, Operations Manager for FloridaWest; and

   B. The Santa Rosa Island Authority Fiscal Year 2018 Audited Financial Statements, as provided by Vickie S. Johnson, Director of Finance for the Santa Rosa Island Authority.

Motion: Move the Clerk's Report in its entirety **For Information:** Ms. Childers advised the Board that Item 1.B was being dropped from the Clerk's Report.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried unanimously

2. Recommendation: That the Board take the following action concerning Minutes and Reports prepared by the Clerk to the Board's Office:

   A. Accept, for filing with the Board's Minutes, the Report of the Agenda Work Session held February 7, 2019;

   B. Accept, for filing with the Board's Minutes, the Report of the Gary Sansing Public Forum held February 7, 2019; and

   C. Approve the Minutes of the Regular Board Meeting held February 7, 2019.

Motion: Move the Clerk's Report in its entirety **For Information:** Ms. Childers advised the Board that Item 1.B was being dropped from the Clerk's Report.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried unanimously

GROWTH MANAGEMENT REPORT – Horace Jones, Director, Development Services Department

I. ACTION ITEM

1. Recommendation: That the Board take the following action concerning recording of Crimson Pointe (a 35-lot residential subdivision), located in the Beulah Community and lying north of Mobile Highway, also known as U.S. Highway 90, and west off Rebel Road and south of Beulah Church Road. Owner and Developer is Crimson Pointe Developers, Inc. Prior to recording, the County Surveyor and the Clerk of the Circuit Court must sign the Final Plat as set forth in Section 2-5.7 of the Escambia Land Development Code; also, prior to recording, the County Surveyor must sign the Final Plat as set forth in Chapter 177.081 (1) Florida Statutes:

   A. Approve the Final Plat for recording;

   B. Approve the street names “Crimson Pointe Boulevard" and "Crimson Pointe Circle”;

   C. Accept all public easements, ponds, drainage improvements within public easements as depicted on the Final Plat for permanent County maintenance; the cost of maintenance is to be funded through the establishment of a storm water management Municipal Services Benefit Unit; and

   D. Authorize the Chairman or Vice Chairman to execute a Two-Year Warranty Agreement without Surety, for Streets and Drainage Improvements.

Motion: Move to pull back and do additional research
Made by: Commissioner Bergosh **Seconded by:** Commissioner Bender
Disposition: Carried 4-1, with Commissioner Underhill voting “no”
Speaker(s): Tom Hammond

II. CONSENT AGENDA

1. Recommendation: That the Board authorize the scheduling of the following Public Hearing for March 7, 2019:

   5:47 p.m. - Public Hearing - Temporary Auto Sales Ordinance (second of two public hearings)

Motion: Move the Consent Agenda
Made by: Commissioner Underhill **Seconded by:** Commissioner Bergosh
Disposition: Carried unanimously
Speaker(s): Larry Downs, Jr. and Michael Bearden

COUNTY ADMINISTRATOR'S REPORT – Amy Lovoy, Interim County Administrator

I. TECHNICAL/PUBLIC SERVICE CONSENT AGENDA

1. Recommendation: That the Board authorize the scheduling of a Public Hearing on March 7, 2019, at 5:32 p.m., to consider adoption of an Ordinance creating the Brookhaven Street Lighting Municipal Services Benefit Unit.

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

2. Recommendation: That the Board authorize the scheduling of a Public Hearing on March 7, 2019, at 5:33 p.m., to consider adoption of an Ordinance creating the Covington Street Lighting Municipal Services Benefit Unit.

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

3. Recommendation: That the Board approve the Request for Disposition of Property Form for the Facilities Management Department for all items of equipment, which are described and listed on the Request Form, with reason for disposition stated. The items are to be disposed of properly.

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

COUNTY ADMINISTRATOR'S REPORT – Continued

I. TECHNICAL/PUBLIC SERVICE CONSENT AGENDA – Continued

4. Recommendation: That the Board approve the two Request for Disposition of Property Forms for the Supervisor of Elections Office, for property which is listed on the Disposition Forms, to be auctioned as surplus or disposed of properly.

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

5. Recommendation: That the Board take the following action:

   A. Approve the Request for Disposition of Property Form for the Public Defender's Office, for equipment which is described and listed on the Disposition Form; the listed items are non-working, are in excess, and have been found to be of no further usefulness to the County. Escambia County Policy establishes the procedures for disposing of surplus or obsolete equipment; the surplus property listed on the Request for Disposition of Property Form has been checked and declared to be of no use to the County but is suitable for donating to Goodwill Industries/Easterseals of the Gulf Coast, a non-profit charity; and

   B. Adopt the Resolution [R2019-21] authorizing the conveyance of personal property to Goodwill Industries/Easterseals of the Gulf Coast, Inc.

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

COUNTY ADMINISTRATOR'S REPORT – Continued

I. TECHNICAL/PUBLIC SERVICE CONSENT AGENDA – Continued

6. Recommendation: That the Board approve the Request for Disposition of Property Form for the Human Resources Department, for two treadmills which have been described and listed on the Form, with reason for disposition stated. The listed items have been found to be of no further usefulness to the County, thus, it is requested that they be disposed of property.

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

7. Recommendation: That the Board take the following action concerning the donation of County-owned dental equipment held by the Florida Department of Health in Escambia County:

   A. Approve the Request for Disposition of Property Form for the Florida Department of Health in Escambia County for County-owned dental equipment to be donated; the items are described and listed on the list provided with the Request Form, with reason for disposition stated; and

   B. Adopt the Resolution [R2019-22] authorizing the conveyance of personal property to Escambia Community Clinics, Inc., d/b/a Community Health Northwest Florida.

Motion: Move the Item in the affirmative
Made by: Commissioner Barry **Seconded by:** Commissioner Bergosh
Disposition: Carried 4-1, with Commissioner Underhill voting "no"
Speaker(s): Bill Fetke

8. Recommendation: That the Board take the following action concerning the conveyance of Utility Easements in support of the Emerald Coast Utilities Authority (ECUA) lift station #120 relocation project:

   A. Approve the Temporary Construction Easement granted to ECUA and the Temporary Overhead Distribution Easement granted to Gulf Power Company, individually, to allow for temporary relocation of overhead utilities during construction of the new lift station;

(Continued on Page 10)

COUNTY ADMINISTRATOR'S REPORT – Continued

I. TECHNICAL/PUBLIC SERVICE CONSENT AGENDA – Continued

8. Continued…

B. Approve a 10-foot-wide Underground Distribution Easement granted to Gulf Power Company following the centerline of the existing electrical facilities; and

C. Authorize the Chairman or Vice Chairman to sign the necessary documents granting the Utility Easements to ECUA and Gulf Power Company.

The subject property is located in Commission District 2.

[Funding source: all costs associated with accepting and recording of documents will be borne by ECUA and Gulf Power Company.]

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

9. Recommendation: That the Board take the following action concerning the Shared Access/Joint Use Acknowledgement for the Escambia County Jail:

A. Approve, and authorize the Chairman to sign, the Shared Access/Joint Use Acknowledgement for the Escambia County Jail; and

B. Authorize the payment of incidental expenditures associated with the recording of the document.

[Funding: Fund 352, "LOST (Local Option Sales Tax) III," Cost Center 290407, Object Code 56201]

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

COUNTY ADMINISTRATOR'S REPORT – Continued

I. TECHNICAL/PUBLIC SERVICE CONSENT AGENDA – Continued

10. Recommendation: That the Board authorize staff to obtain title policy and insurance on County-owned property, located at 10808 Lillian Highway, for the Perdido Bay Boat Ramp Conservation Project.

[Funding Source: Fund 110, Other Grants and Projects, Cost Center 220807, Vessel Registration Fees]

This project is located in District 1.

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

11. Recommendation: That the Board reappoint Dr. Carol B. Tanskley to the West Florida Public Library Board of Governance, effective March 1, 2019, through February 28, 2021.

Escambia County's Community & Media Relations Office posted a General Alert on the County's website, from January 8, 2019, to January 22, 2019, to seek volunteers to be considered for an appointment to the West Florida Public Library Board of Governance. Dr. Tanksley's resume was the only one received.

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

I. TECHNICAL/PUBLIC SERVICE CONSENT AGENDA – Continued

12. Recommendation: That the Board take the following action concerning the Commissioner Appointment to the Downtown Improvement Board (DIB):

    A. Rescind the Board's action of January 24, 2019 (Commissioner Underhill's Add-on #1), approving to rescind the Board's action of December 6, 2018, appointing Commissioner Underhill as the DIB representative and appointing Chairman May to serve in that role; and

    B. Appoint Commissioner Robert D. Bender to serve on the DIB for calendar year 2019.

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

13. Recommendation: That the Board approve and ratify the Chairman's signature on the Florida Department of State Division of Library and Information Services State Aid to Libraries Grant Application Certification of Hours, Free Library Service, and Access to Materials, which certifies the following statements are true for West Florida Public Libraries from October 1, 2016, through June 30, 2019:

    A. Provides free library service, including loaning materials available for circulation free of charge and providing reference and information services free of charge;

    B. Provides access to materials, information, and services for all residents of the area served; and

    C. Has at least one library, branch library, or member library open 40 hours or more each week (excluding holidays; between Sunday through Saturday, on a schedule determined by the library system).

(Continued on Page 13)

COUNTY ADMINISTRATOR'S REPORT – Continued

I. TECHNICAL/PUBLIC SERVICE CONSENT AGENDA – Continued

13. Continued…

The Certification is related to the State Aid to Libraries Grant Agreement that was approved by the Board on December 6, 2018.

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

14. Recommendation: That the Board approve the Revised 2019 Board of County Commissioners' Meeting/Committee of the Whole Workshop Schedule, as submitted, to include the First and Second Budget Public Hearings, scheduled on Tuesday, September 10, 2019, at 5:31 p.m., and Monday, September 23, 2019, at 5:31 p.m., respectively.

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

15. Recommendation: That the Board approve the reinstatement of expired Escambia County Master Electrical Certificate of Competency ER0015268, issued to Gary Garza, per the recommendation of the Escambia County Board of Electrical Examiners.

Motion: Move the balance in the affirmative **For Information:** The "balance" refers to Items 1 through 15, with the exception of Item 7, which was held for a separate vote, as amended to drop Item 14.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Bergosh temporarily out of Board Chambers

COUNTY ADMINISTRATOR'S REPORT – Continued

II. BUDGET/FINANCE CONSENT AGENDA

1. Recommendation: That the Board approve, and authorize the Chairman to sign, the Settlement Agreement between First Judicial Circuit of Florida and Escambia County. An Agreement for the Funding of Court Personnel Between the First Judicial Circuit of Florida and Escambia County, Florida, was approved by the Escambia County Board of County Commissioners at the June 21, 2018, meeting. There was a delay in obtaining the signature of both parties resulting in the execution of the contract after the work had begun, on July 27, 2018. The Court has determined the most efficient way to reimburse the County for all services related to this Agreement is through a Settlement Agreement for the work performed prior to the execution of the Agreement.

   [The County agrees to provide funding for the existing Veterans Court Coordinator through Court Innovation Article V Local Option portion of the $65 Court Fee according to Florida Statutes 939.185(1)(a); whereas the Court agrees to reimburse the County for salary and benefits not to exceed $61,433.]

Motion: Move the balance **For Information:** The "balance" refers to Items 1 through 25, with the exception of Items 2, 13, and 23, which were held for separate votes, as amended to drop Item 12.
Made by: Commissioner Bergosh **Seconded by:** Commissioner Underhill
Disposition: Carried unanimously

2. Recommendation: That the Board approve the second 12-month extension, effective February 22, 2019, to the Agreements relating to Escambia County, Florida, Grounds Mowing and Trimming for Athletic Parks - Zones 1 through 6, per PD 16-17.016, Parks and Recreation Department Grounds Mowing and Trimming, for the following six zones identified and contracted for separately, for a term of 12 months, with options to renew for 2 additional 12-month terms, at the annual amounts noted for each. The Agreements are Unit Price Agreements, based on a cost per mow, per field in each zone:

   A. Agreement for Zone 1 to Total Landscape Service, Inc., in the annual amount of $29,450;

   B. Agreement for Zone 2 to Rhett James Landscaping, Inc., in the annual amount of $63,990;

   C. Agreement for Zone 3 to Emerald Coast Grass Company, LLC, in the annual amount of $36,172.50;

(Continued on Page 15)

COUNTY ADMINISTRATOR'S REPORT – Continued

2. Continued…

D. Agreement for Zone 4 to Coastal Landscaping and Maintenance, Inc., in the annual amount of $36,950;

E. Agreement for Zone 5 to Big Orange Enterprises, LLC, d/b/a Escape Landscaping and Lawn Care, in the annual amount of $54,720; and

F. Agreement for Zone 6 to Gulf Coast Environmental Contractors, Inc., in the annual amount of $52,320.

[Funding: Fund 353, Lost (Local Option Sales Tax) IV, Cost Center 350221, Object Code 53401, Project Number 19PR0369]

Motion: Move CAR II-2, with the stipulation that this be the last extension on this contract.
Made by: Commissioner Underhill **Seconded by:** Commissioner Barry
Disposition: Carried unanimously

3. Recommendation: That the Board take the following action:

A. Approve the reallocation of funds from the Capital Improvement Program - Parks and Recreation Department from the following projects to fund other priority projects, totaling $520,000, as follows:

FROM:

Description	District	Amount
Civitan Park	2	$50,000
Molino Track	5	$40,000
Englewood	3	$30,000
Land Acquisition	9	$400,000

(Continued on Page 16)

6. Recommendation: That the Board take the following action concerning the First Amendment to the Software License and Service Agreement with the South Central Planning and Development Commission:

   A. Approve the Amendment to the Software License and Service Agreement with the South Central Planning and Development Commission (SCPDC), for the addition of the full Mobile App module and base Facilities asset module to the MyGovernmentOnline (MGO) Software Suite, at an additional annual cost of $28,800, with no initial setup fee; the additional cost will be paid by the Information Technology Department; the software modules will replace the current Accela CRM (AKA PublicStuff) App that is being used by all Escambia County Board of County Commissioners (ECBCC) Departments for Public Records Requests and citizen requests for ECBCC services. It will also replace an old, facilities asset application;

   B. Authorize the issuance of a Change Order, in the amount of $28,800, to South Central Planning and Development Commission for the MyGovernmentOnline Software Suite;

   C. Authorize the County Administrator to execute all documents related to the acceptance of the Amendment to Software License and Service Agreement with SCPDC for the MGO Software Suite; and

   D. Approve sending Accela a notice terminating all services for additional annual terms (with language stating that the County will not appropriate additional funds for the Agreement), to be provided no less than 60 calendar days prior to the expiration of the current term ending on July 16, 2019.

   [Funding: Fund 001, General Fund, Cost Center 270102, Information Technology $28,800]

Motion: Move the balance **For Information:** The “balance” refers to Items 1 through 25, with the exception of Items 2, 13, and 23, which were held for separate votes, as amended to drop Item 12.
Made by: Commissioner Bergosh **Seconded by:** Commissioner Underhill
Disposition: Carried unanimously

9. Recommendation: That the Board adopt the Resolution [R2019-24] approving Supplemental Budget Amendment #081, Other Grants and Projects Fund (110), in the amount of $150,000, to recognize proceeds from the Florida Department of Environmental Protection (DEP), and the Florida Fish and Wildlife Conservation Commission (FWC), and to appropriate these funds to increase compliance with outdoor lighting standards to protect nesting sea turtles and hatchlings on Pensacola Beach.

Motion: Move the balance **For Information:** The "balance" refers to Items 1 through 25, with the exception of Items 2, 13, and 23, which were held for separate votes, as amended to drop Item 12.
Made by: Commissioner Bergosh **Seconded by:** Commissioner Underhill
Disposition: Carried unanimously

10. Recommendation: That the Board take the following action concerning the acceptance of a drainage easement located at the north end of Motley Court from the University of West Florida - Board of Trustees of the Internal Improvement Trust Fund of the State of Florida, for the Motley Court Creek Gulley Project:

    A. Accept the donation of a drainage easement (approximately 4.05 acres) located at the north end of Motley Court from the University of West Florida - Board of Trustees of the Internal Improvement Trust Fund of the State of Florida, for drainage improvements;

    B. Authorize the payment of documentary stamps considering the property is being donated for governmental use for drainage improvements, and the County benefits from the acceptance of this property, which enhances the safety and well-being of the citizens of Escambia County;

    C. Authorize the payment of incidental expenditures associated with the recording of documents; and

    D. Authorize the Chairman or Vice Chairman to accept the Easement on the day of delivery of the Easement to the Chairman or Vice Chairman, and authorize the Chairman or Vice Chairman to acknowledge the Board's acceptance at that time.

III. FOR DISCUSSION

1. Recommendation: That the Board adopt, and authorize the Chairman to sign, the Resolution [R2019-25] establishing a Committee to Assist with the Naming of the New $400 million dollar Pensacola Bay Bridge that the Florida Department of Transportation is constructing. The composition of this Committee would be made up by each Commissioner appointing one representative. After the Committee seeks public comment and comes to a consensus, they will bring their final recommendation to the Board for approval.

Motion: Move to establish a committee to assist with the naming of the Pensacola Bay Bridge and to adopt the Resolution
Made by: Commissioner Bender **Seconded by:** Commissioner Bergosh
Disposition: Carried 4-1, with Commissioner May voting “no”
Speaker(s): Jack Brown, Samuel Bolden, Butch Hansen, Lee Hansen, Alan Gray, Donna Clark, Jerry McIntosh, Reginald Parker, Ellis Jones, Cris Dosev, and Melissa Pino

Motion: Move to reconsider the Item that we just voted on
Made by: Commissioner Underhill **Seconded by:** Commissioner Bergosh
Disposition: Carried unanimously

Motion: Move to adopt the Resolution to form a committee to name the Pensacola Bay Bridge
Made by: Commissioner Bender **Seconded by:** Commissioner Bergosh
Disposition: Carried 3-2, with Commissioner May and Commissioner Underhill voting “no”

2. Recommendation: That the Board discuss the County Road 99/Beulah Road and State Road 292/Perdido Key Drive ownership swap.

Disposition: No Action Taken

COUNTY ATTORNEY'S REPORT – Alison Rogers, County Attorney

I. FOR ACTION

1. Recommendation: That the Board take the following action:

   A. Authorize the scheduling of a private meeting with its attorneys to discuss pending litigation in accordance with Section 286.01(8), Florida Statutes, for Thursday, March 7, 2019, at 8:15 a.m.; and

   B. Authorize the public notice printed below that will be published in the *Pensacola News Journal* on Saturday, March 02, 2019.

PUBLIC NOTICE

IT IS THE INTENTION of the Board of County Commissioners of Escambia County, Florida to hold a private meeting with its attorneys to discuss pending litigation in the case of Andrea N. Minyard, M.D. v. Escambia County, Case No. 2018 CA 000780, Escambia County Circuit Court , in accordance with Section 286.01(8), Florida Statutes. Such attorney/client session will be held at 8:15 a.m., on Thursday, March 7, 2019, in the Ernie Lee Magaha Government Building, Board of Chambers, 221 Palafox Place, Pensacola, Florida. Commissioners Lumon J. May, Douglas B. Underhill, Jeff Bergosh, Robert Bender, and Steven L. Barry, Interim County Administrator Amy Lovoy, County Attorney Alison P. Rogers, Charles V. Peppler, Deputy County Attorney, attorneys representing Escambia County in the foregoing litigation. A certified court reporter will attend and report the attorney/client session.

Motion: Move County Attorney's Report Items 1, 2, and 3 **For Information:** County Attorney Rogers advised the Board that Action Item 4 was being dropped from the County Attorney's Report.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner May having left the meeting

COUNTY ATTORNEY'S REPORT – Continued

I. FOR ACTION – Continued

2. Recommendation: That the Board take the following action concerning authorization to proceed with a lawsuit against Evanston Insurance Company for closure costs and post-closure costs pertaining to Saufley Landfill:

   A. Authorize the County Attorney's Office to pursue all available legal remedies; and

   B. Authorize the filing of a lawsuit against Evanston Insurance Company for breach of policy endorsements allowing for the recovery of closure costs and post-closure costs by Escambia County.

Motion: Move County Attorney's Report Items 1, 2, and 3 **For Information:** County Attorney Rogers advised the Board that Action Item 4 was being dropped from the County Attorney's Report.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner May having left the meeting

3. Recommendation: That the Board authorize the scheduling of a Public Hearing on Thursday, March 7, 2019, at 5:34 p.m., to consider an Ordinance creating Chapter 100, Article I, Sections 100-1 through 100-6 establishing the Escambia-Pensacola Human Relations Commission.

Motion: Move County Attorney's Report Items 1, 2, and 3 **For Information:** County Attorney Rogers advised the Board that Action Item 4 was being dropped from the County Attorney's Report.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner May having left the meeting

COUNTY ATTORNEY'S REPORT – Continued

I. FOR ACTION – Continued

4. Recommendation: That the Board take the following action concerning the proposed settlement of ADA and Section 504 claims brought in Walter Joseph Beckman v. Escambia County, Case No. 3:18-cv-2189-MCR/EMT:

   A. Authorize the Chairman to sign the settlement agreement and release in which the Board will be paying Mr. Beckman and his attorneys the sum of $14,800.00 for attorney's fees and any alleged damages suffered by Plaintiff; and

   B. Authorize the County Attorney's Office to sign the joint stipulation for dismissal with prejudice once the Board approves the settlement agreement and release.

Motion: Move County Attorney's Report Items 1, 2, and 3 **For Information:** County Attorney Rogers advised the Board that Action Item 4 was being dropped from the County Attorney's Report.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner May having left the meeting

ITEMS ADDED TO THE AGENDA – COMMISSIONER JEFFREY W. BERGOSH

1. Recommendation: That the Board approve funding $1,500 to Jim C. Bailey Middle School for the Florida Science Olympiad on March 30, 2019, in Orlando, Florida, from Commissioner Jeff Bergosh's discretionary money, and approve a Purchase Order for this purpose.

   [Funding: Fund 001, General Fund, Board of County Commissioners' Discretionary Money, Cost Center 110101, Object Code 58201]

Motion: Move $1,500 from my discretionary spending for the Jim Bailey Middle School Florida Science Olympiad March 30, 2019
Made by: Commissioner Bergosh **Seconded by:** Commissioner Underhill
Disposition: Carried 4-0, with Commissioner May having left the meeting

ITEMS ADDED TO THE AGENDA – COMMISSIONER BERGOSH – Continued

2. Verbal Item Added to the Agenda

Motion: Move to waive the cost of the fee for the rental of Beulah Park on Saturday, March 2nd, and I will cover any associated costs out of my discretionary fund so that the community of Beulah can honor Mr. Reddy and raise money for his family **For Information:** Govardhan "Reddy" Kotha was the victim killed in a robbery on Mobile Highway in Pensacola on February 19, 2019.
Made by: Commissioner Bergosh **Seconded by:** Commissioner Underhill
Disposition: Carried unanimously

ITEMS ADDED TO THE AGENDA – COMMISSIONER STEVEN L. BARRY

1. Recommendation: That the Board take the following action concerning obtaining an appraisal for property located in the 1600 Block of Old Chemstrand Road (approximately 0.67 acres), owned by Hussein and Anne Sharaway:

   A. Authorize staff to order an appraisal for the potential acquisition of property located in the 1600 Block of Old Chemstrand Road, owned by Hussein and Anne Sharaway; and

   B. Authorize staff to bring the appraisal back to the Board for further discussion prior to making an offer and prior to continuing with standard due diligence, as outlined in Section 46-139 of Escambia County Code of Ordinances.

   [Funding Source: Fund 352 "LOST (Local Option Sales Tax) III," Cost Center 350229, Object Code 56101, Project #08PR0058 "Park Development"]

Motion: Move the recommendation concerning appraisal for acquisition of property located on Old Chemstrand Road
Made by: Commissioner Bender **Seconded by:** Commissioner Underhill
Disposition: Carried 4-0, with Commissioner May having left the meeting

ITEMS ADDED TO THE AGENDA – COMMISSIONER LUMON J. MAY

1. Recommendation: That the Board approve the funding allocation of $1,500 from Commissioner Lumon May's Discretionary Fund to sponsor Booker T. Washington High School Chorus.

   [Funding: Fund 001, Discretionary Money, Cost Center 110101, Object Code 58201]

Motion: Move in the affirmative
Made by: Commissioner Bender **Seconded by:** Commissioner Underhill
Disposition: Carried 4-0, with Commissioner May having left the meeting

ANNOUNCEMENTS – None.

ADJOURNMENT

There being no further business to come before the Board, Vice Chairman Barry declared the Regular Meeting of the Board of County Commissioners adjourned at 11:38 a.m.

BOARD OF COUNTY COMMISSIONERS
ESCAMBIA COUNTY, FLORIDA

By: _____
Lumon J. May, Chairman

ATTEST:

Pam Childers
Clerk of the Circuit Court & Comptroller

_____
Deputy Clerk

Approved: March 7, 2019

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15711 **Growth Management Report 14. 1.**
BCC Regular Meeting
Meeting Date: 03/07/2019
Issue: Review of Rezoning Cases Heard by the Planning Board on February 5, 2019
From: HORACE JONES, Director
Organization: Development Services

RECOMMENDATION:

Recommendation Concerning the Review of the Rezoning Cases Heard by the Planning Board on February 5, 2019

That the Board take the following action concerning the rezoning cases heard by the Planning Board on February 5, 2019:

A. Review and either adopt, modify, or overturn the Planning Board's recommendations for Rezoning Cases Z-2019-02 and Z-2019-03 or remand the cases back to the Planning Board; and
B. Authorize the Chairman to sign the Orders of the Escambia County Board of County Commissioners for the rezoning cases that were reviewed.

1. Case No.:	**Z-2019-02**
Address:	12960 Lillian Highway and 12400 BLK Lillian Highway
Property Reference No.:	02-2S-32-1001-030-010 & 02-2S-32-1001-043-010
Property Size:	0.17 (+/-) acres and 0.11 (+/-) acres
From:	MDR, Medium Density Residential district (10 du/acre)
To:	HDMU, High Density Mixed-Use district (25 du/acre)
FLU Category:	MU-S, Mixed-Use Suburban
Commissioner District:	1
Requested by:	Wiley C. "Buddy" Page, Agent for Slavoljub & Margaret Djuric, Owner
Planning Board Recommendation:	Approval
Speakers:	Buddy Page, Barbara Fortunati, Bruce Gamiere, David Puglisi, Jacqueline Lane, Craig Hartigan, Patrick Langan, Ellen Stuckey, Karen Hartigan

2. Case No.:	**Z-2019-03**
Address:	8662 Ashland Avenue
Property Reference:	10-1S-30-1101-030-005
Property Size:	4.76 (+/-) acres
From:	MDR, Medium Density Residential district (10 du/acre)
To:	HDMU, High Density Mixed-Use district (25 du/acre)
FLU Category:	MU-U, Mixed-Use Urban
Commissioner District:	3
Requested by:	Kerry Anne Schultz, Agent for James D. Homyak, Ashland Avenue, LLC, Owner
Planning Board Recommendation:	Approval
Speakers:	Kerry Anne Schultz, Gail Manning, James D. Homyak

BACKGROUND:

The above cases were owner initiated and heard at the February 5, 2019, Planning Board meeting. Under the Land Development Code (LDC) Chapter 2, Article 7, "the Board of County Commissioners, at its scheduled hearing shall adopt, modify, or reject the recommendation of the Planning Board or SRIA or return the rezoning case to the board with instructions for additional facts or clarification. The staff of the recommending board shall inform the board of all formal actions taken by the BCC on the rezoning request.

To further the County's policy of "decreasing response time from notification of citizen needs to ultimate resolution," the Board is acting on both the approval of the Planning Board recommended order and the LDC Map Amendment for this month's rezoning cases. This report item addresses only the review and upholding of the Planning Board's recommendation. The next report item will address the Public Hearing for the LDC Zoning Map Amendment.

BUDGETARY IMPACT:

This action may increase the ad valorem tax base for Escambia County.

LEGAL CONSIDERATIONS/SIGN-OFF:

The recommended order is the result of deliberations by the Planning Board based on the applicants presentation of competent substantial evidence for each of the approval conditions, on staff analysis, public testimony, and knowledge of the Comprehensive Plan and Land Development Code as well as case law and Florida Statutes.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

The Chairman will need to sign the Orders of the Escambia County Board of County Commissioners either denying or approving the rezoning requests.

IMPLEMENTATION/COORDINATION:

The cases under review are presented to the Planning Board for collection of evidence. The Planning Board conducts a quasi-judicial public hearing and issues a recommended order to the Board of County Commissioners.

ESCAMBIA COUNTY PLANNING BOARD
QUASI-JUDICIAL HEARING

Case #: Z-2019-02
Applicant: Wiley C. "Buddy" Page, Agent for Slavoljub & Margaret Djuric, Owner

Address: 12960 Lillian Highway & 12400 Blk Lillian Highway
Property Size: 0.17 (+/-) acres and 0.11 (+/-) acres
From: MDR, Medium Density Residential district (10 du/acre)

To: HDMU, High Density Mixed-Use district (25 du/acre)

A quasi-judicial hearing was held in the above-styled cause before the Escambia County Planning Board on the 5th day of February 2019, commencing at approximately 8:30 a.m., at the Escambia County Central Office Complex, 3363 West Park Place, Room 104, Governmental Center, Pensacola, Florida, reported by David A. Deik, CP, CPE, Professional Reporter.

CERTIFICATE OF REPORTER	99

P R O C E E D I N G S

(Planning Board Staff was duly sworn.)

THE CHAIRMAN: Board members, these individuals have been qualified in the past as experts in the area of land use and planning. Do any of you have any questions regarding their qualifications to offer expert testimony?

(No response.)

THE CHAIRMAN: All right. Hearing none, we will enter them on the record as experts in the area of land use and planning.

THE CHAIRMAN: We're going to go ahead and move directly into our first case.

The first rezoning application for today is Case Z-2019-02. The applicant is Buddy Page, who is acting as the agent for Slavoljub and Margaret Djuric. I'm sure I murdered that name, but I apologize.

12960 Lillian Highway and 12400 block of Lillian Highway. This is .17 acres and .11 acres, from medium-density residential to high-density mixed use.

At this time I'll ask our members of the board: Have there been any ex parte

communications between you, the applicants, agents, attorneys, witnesses, fellow Planning Board members or anyone from the general public prior to this hearing?

I'll also ask that you describe if you have visited the subject property and disclose if you are a relative or business associate to any of the parties.

And good morning, Steve. We'll start with you.

MR. OPALENIK: Good morning.

No to all.

THE CHAIRMAN: Thank you.

MS. HIGHTOWER: Good morning.

No to all.

MR. GRAY: No to all, Mr. Chairman.

MR. PYLE: No to all as well.

THE CHAIRMAN: All right. Chairman, no to all.

MR. FEARS: No to all.

MR. INGWELL: No to all.

THE CHAIRMAN: All right. Thank you.

Staff, was a notice of this hearing sent to all interested parties?

MS. MEADOR: Yes, sir.

THE CHAIRMAN: Okay. And was that notice also properly posted on the subject property?

MS. MEADOR: Yes, sir.

THE COURT: Okay. Mr. Page, do you have any opposition to the maps and photography being presented?

He's indicated he's okay with it.

So we will ask the staff members to go over the maps and photos.

Who will be presenting?

MS. WILSON: I will.

THE CHAIRMAN: Okay. Would you give your name and position for the record, please.

MS. WILSON: Kim Wilson, Planner I.

THE CHAIRMAN: Thank you.

MS. WILSON: This is a rezoning case for the addresses of 12960 Lillian Highway and the 12400 block of Lillian Highway, going from medium-density residential to high-density mixed use.

So we're going to go do the maps first. Again, this is the location map. That's the surrounding -- that's the actual parcel -- two parcels there, properties, and the surrounding properties or parcels, which are MDR and HDMU.

This is another view of the future land-use map, mixed-use suburban.

As you can see, the surrounding areas are also mixed-use suburban, with one of the, you know, mixed-use urban.

This is the existing land-use map with the -- showing single-family residence on the property, as well as the vacant lot next door with an existing business office to the adjacent property, which is a dentist's office.

And this is an area view of the two parcels that's requesting the rezoning from medium-density residential to high-density mixed use.

THE CHAIRMAN: Okay.

MR. GRAY: For clarity's sake, is one parcel owned by Mr. Slavoljub and one owned by Djuric, or is it one single owner for both parcels?

MS. WILSON: I believe it's one single owner for both parcels.

MR. GRAY: Is that correct? Okay. There's just a dual parcel. It's not a double parcel.

Okay. Thank you.

THE CHAIRMAN: Okay.

MS. WILSON: So criterion A --

THE CHAIRMAN: Hold on just a moment, please.

MS. WILSON: I'm sorry.

THE CHAIRMAN: That's okay.

Board members, do we have any questions about the maps or photography?

(No response.)

THE CHAIRMAN: All right. Hearing none, Mr. Page would you come forward, please, sir.

Good morning, sir.

MR. PAGE: Good morning.

THE CHAIRMAN: Please be sworn in.

- - -

WILEY C. "BUDDY" PAGE, upon being duly sworn, was examined and testified as follows:

- - -

THE CHAIRMAN: Good morning, Mr. Page.

If you would please state your full name and address for the record.

THE WITNESS: Mr. Chairman, Buddy Page, 5337 Hamilton Lane in Pace, Florida.

THE CHAIRMAN: Thank you, sir.

Did you receive a copy of the rezoning

Page 9

hearing package and the staff's findings of fact?
THE WITNESS: I did.
THE CHAIRMAN: All right, sir.
Do you understand that you have the burden of providing substantial, competent evidence that the proposed rezoning is consistent with the Comprehensive Plan, furthers the goals, objectives and policies of that plan, and is not in conflict with the Land Development Code?
THE WITNESS: I do.
THE CHAIRMAN: Thank you, sir. Please proceed.
THE WITNESS: Mr. Chairman, I would request consideration of the board for my testimony to be that of an expert, please.
THE CHAIRMAN: Okay. Board members, we have previously qualified Mr. Page on this board as an expert in areas of land use and planning.
However, you have the right to ask any questions that you'd like to of his qualifications or background.
(No response.)
THE CHAIRMAN: Hearing none, we would ask for a motion to qualify him as an expert.

Page 10

MR. GRAY: So moved.
MR. INGWELL: Second.
THE CHAIRMAN: Motion and a second.
All those in favor, say "aye."
(Chorus of "ayes.")
THE CHAIRMAN: Opposed?
(No response.)
THE CHAIRMAN: All right. Let the record reflect that Mr. Page will be an expert in the area of land use and planning.
All right, sir.
THE WITNESS: Thank you, Mr. Chairman.
In looking over the staff analysis for the five criteria that was posted earlier, in reviewing those, Mr. Chairman, criterion A, regarding consistency with the Comprehensive Plan, the staff did review that, and indicated in the writing that the proposed amendment of HDMU is consistent with the intent and purpose of future land-use category.
THE COURT: Mr. Page, I'm sorry. Just a second.
Can we bring that up on the screen so everybody can follow along, please?
Sorry, Mr. Page. Didn't want to interrupt

Page 11

you. I just wanted everybody to be able to follow along.
Thank you, sir. Ma'am. Sorry.
Go ahead, Mr. Page
THE WITNESS: Mr. Chairman, as that comes up, the staff finding, then, for the first criterion found to be consistent with the intent and purpose of the future land-use category.
Mr. Chairman, under criterion B, consistency with the Land Development Code, there was a fair amount of information presented in terms of the findings of the staff, but the conclusion is that the proposed amendment to HDMU is consistent with the intent and purpose of the Land Development Code. That was item B. So we're consistent with item A and item B.
THE CHAIRMAN: Okay. Let's hold on just a minute.
In the findings here, what we have up on the screen, it says it's not consistent. Now, I know you submitted an additional compatibility analysis.
THE WITNESS: Yes, sir.
THE CHAIRMAN: So let's talk about that so that we can make sure that it's correct in the

Page 12

record.
MS. WILSON: It was revised.
THE CHAIRMAN: Okay. So this is not the revised copy, then?
MS. LINDSAY: That one is the one on the screen.
THE CHAIRMAN: So it's not consistent.
MS. LINDSAY: It's not.
THE CHAIRMAN: Okay. So, even with --
MR. JONES: He has to make . . .
THE CHAIRMAN: Okay. Mr. Page, I think you've been doing this long enough to understand that the staff's findings is that it's not consistent.
But you did submit a compatibility analysis. And it's your job to bring that into evidence and convince the board that that's an alternate finding in this case. So I'll give you opportunity to do that at this time.
THE WITNESS: Sure.
Mr. Chairman, we submitted additional information. As a matter of fact, I think it's already part of the record; is it not?
MS. MEADOR: Yes.
MS. CRAWFORD: Yes.

MR. JONES: Yes.
THE CHAIRMAN: Let's have him go directly to Mr. Page's submission so we can address this finding.
Mr. Page, if you'll walk us through what your compatibility study says and why you believe that is an alternate finding of fact.
THE WITNESS: Sure.
Mr. Chairman, under what we submitted in addition to the application package, the section as it shows, 3-2.9, high-density mixed use, I highlighted the portion that says, "The primary intent of the district is to provide for a mix of neighborhood retail sales, services and professional offices.
And professional offices is what Dr. Djuric has there now. He owns two buildings. His practice is in the easterly-most building.
And what we're addressing, of course, is the rezoning of both parcels but principally on the parcel to the west, that building too will be a professional office too. That will be occupied by his son, who is a chiropractor. So these will be professional offices, as allowed under 3-2.9.

THE CHAIRMAN: Okay. Just hold on for just a moment there, and let's get testimony of staff.
So in the findings of fact, we've indicated that it's not compatible with this finding, that this is actually in our code for those type of offices, making an incompatible use.
MR. JONES: Yes, sir. If the board so wishes to -- Sorry. If the board so wishes to accept --
THE CHAIRMAN: State your name.
MR. JONES: Yes, sir. My name is Horace Jones. I'm the Director for the Development Services Department.
If the board so wishes to accept the compatibility analysis, the staff does not have no problem with it, but it is a decision of the board to make that decision.
THE CHAIRMAN: Okay.
MR. JONES: Yes.
THE CHAIRMAN: Thank you, sir.
MR. JONES: But from the strict overview of looking at the criteria as is, with the location, that's why staff have to go back on

the strict overview of it, but if we can accept his -- his compatibility analysis, we can move forward.
THE CHAIRMAN: And it's very common because this is a complex area that this comes up in these type of cases.
MR. JONES: Yes, it does. Absolutely.
THE CHAIRMAN: All right.
Go ahead, Mr. Page. Sorry.
THE WITNESS: Mr. Chairman, if we could scan further down the page, I think I indicated that that next paragraph, about what the intent of the applicant is, he's been practicing in the area for 21 years.
I observe and I've shown on the maps that I've attached with that that the requested zoning category is the same as these two properties are surrounded by. I think the board saw that in the earlier land use.
MR. JONES: Yes.
THE WITNESS: So the request is not for anything new or different or inconsistent with the areas. It's for the same category that it is completely surrounded by.
Then further down, in terms of

compatibility, even under 3.16, different land uses allowing neighboring uses to coexist successfully in a stable fashion over time, protecting the investments of each.
That's 3-1.6, Mr. Chairman, and it basically is a definition of what compatibility is. And we certainly concur that we've already shown or Dr. Djuric has already shown for 21 years he's been compatible in the area. And we simply are stating in this particular paragraph that it's consistent with that portion of the Land Development Code.
And then further down, the locational criteria . . . Let's see. It's not a part of the residential development and the planned unit development, so it meets the criteria as follows under the infill development aspect listing under three:
Along an arterial or a collector road in an area where already established nonresidential uses are otherwise consistent with the HDMU district.
We feel like what we are requesting is consistent with that, Mr. Chairman. So the infill development, in terms of compatibility,

in terms of location and the other paragraphs that we have in this amended bit of information for the application, we think -- and I believe we heard the staff say that they feel consistent or comfortable, rather, with the addendum that we filed.

MR. JONES: And also, too, if I may -- if I may, board members --

THE CHAIRMAN: And state your name again so that everybody knows who you are.

MR. JONES: Yes, Mr. Chairman. Horace Jones, Development Services Director.

Again, there's some additional criteria if the board approves this that will have to be done at the site plan review level, which is providing adequate buffering fences, zoning and use. So all of those things can make it more -- it can help with any adverse impact on the surrounding neighbors because of the additional higher buffering standards.

THE CHAIRMAN: Okay. And when we get ready to go into public comments, I will ask Mr. Jones to give a little bit more of an in-depth explanation of the DRC process, which may cover some of the concerns that the residents have

about something like this. And at least you'll understand that it is a separate process than this process, a very strict process that the applicant must go through when they're developing property.

So we'll give you as much information as we can before we go into public comment. That way, you can base your comments accordingly.

So go ahead, Mr. Page.

THE WITNESS: Thank you, Mr. Chairman.

Under criterion C, compatibility with the surrounding uses, I think we've covered some of that in our comments previous. And were found to be consistent with that.

One of the observations that staff makes, Mr. Chairman, is within 500 feet radius, staff identified properties with zoning characteristics MDR and HDMU.

Both parcels are currently surrounded by HDMU zoning, and the proposed development will be consistent with the similar densities and intensities of the area.

So we're consistent with item C, as well.

Under criterion D, appropriate if spot zoning, we agree with the staff's finding that

it would not be spot zoning under the LDC definition and language.

And then finally under the last criterion, appropriate with change or changing conditions, this area has not had a great deal of change. And we agree with that observation by the staff.

So Mr. Chairman, according to everything we have here, with the addendum that we submitted as well, we think that we comply with all five of the criteria, and we ask the board's consideration for approval.

THE CHAIRMAN: Okay. Thank you, Mr. Page.

Do you have any witnesses you wish to call?

THE WITNESS: I have no witnesses, no, sir.

THE CHAIRMAN: Okay. Thank you.

If you'll have a seat, we'll call you back up in a moment.

Okay. Let's have staff's presentation at this time.

MS. WILSON: Okay. Criterion A, consistent with the Comprehensive Plan.

Staff findings: We did find that HDMU is consistent with the intent and purpose of the

future land use category mixed-use suburban.

And current future land use allows for residential and nonresidential uses, while promoting compatible infill development and the separation of urban and suburban land uses.

The proposed development will be using existing roads and infrastructure.

Criterion B, findings, I think --

MR. GRAY: Mr. Chairman.

THE CHAIRMAN: Yes.

MR. GRAY: I had a question at this point.

THE CHAIRMAN: Okay.

MR. GRAY: I was going to ask staff, in using the infrastructure that's present, but later on if we find out that this is not available for sewer, do we have an extent map that you guys have that shows the extent of sewers that are available in this area of Lillian Highway?

MS. WILSON: We wouldn't have that.

MR. FISHER: No.

MS. WILSON: That wouldn't be us.

MR. JONES: That would be ECUA. That's utilities --

MR. FISHER: That would be decided at --

THE CHAIRMAN: State your name and position, for the record.

MR. FISHER: Jon Fisher, senior planner.

The ECUA would look at it through the development review services committee when we go through that, DRC.

MR. JONES: Absolutely.

MR. GRAY: And I just -- I mean, I just recognize it on the box that's checked, that the only thing available is septic in this area. It's very adjacent to the water. It's one house -- one block away from the water.

MR. FISHER: This project did go through a preapplication, so they're aware of what they need to do.

It's their responsibility to check with the health department and ECUA whether they're on a septic tank or not, if they want to pursue with their project.

MR. GRAY: I mean, I'm not trying to get Mr. Page's mouth to dry up from that. I'm just saying it is an issue we have, in addition to -- and I think it's . . .

MR. JONES: Yes.

THE CHAIRMAN: Okay.

MR. GRAY: Thank you.

THE CHAIRMAN: Thank you.

Please proceed.

MS. WILSON: Okay. Criterion B. As I stated, I think I believe we discussed that as far as the -- being it's not consistent with the Land Development Code, the HDMU, high-density mixed use, but Mr. Page addressed that.

Criterion C, compatible with surrounding uses. Staff findings was the proposed amendment is compatible, as he stated, with the surrounding existing uses in the area.

We did identify within the 500-foot radius that it was zoning districts within medium-density residential and high-density mixed use.

So criterion D, appropriate if spot zoning, staff findings, based on the land development language -- Land Development Code language, the requested amendment would not be considered to be spot zoning, as the adjoining parcels are currently zoned high-density mixed use.

Criterion E, appropriate with the change or changing conditions. Staff findings, the

land use or development conditions within the areas surrounding the property of rezoning have not changed due to development or land-use changes.

So the proposed rezoning to high-density mixed use will share the same allowable uses and intensities as the adjoining parcels.

And that's it.

THE CHAIRMAN: All right. Thank you.

MS. WILSON: Thank you.

THE CHAIRMAN: Boards members, questions of staff?

(No response.)

THE CHAIRMAN: Mr. Page, any questions of staff before we move forward?

MR. PAGE: No, sir.

THE CHAIRMAN: All right.

Horace, at this time, before we go into public comments, if you would maybe give a little bit more of an explanation about what happens if this was approved for the rezoning change and they were going to develop the property what would happen at that time.

MR. JONES: Yes, sir, I will.

Again, Horace Jones, Director for

Development Services Department. Yes, I will, Mr. Briske.

Again, if the Planning Board makes a recommendation for approval, and if the board does adopt the recommendation from the Planning Board, the reflection step that they would need to go through is what we call a site plan review process or the development review process.

That process will be looking at the specific requirements, such as for traffic, for drainage, for fencing, for ECUA or septic tank. There's a group of technical experts that sits within that governing body. And staff -- they provide all comments governed by the Land Development Code of Escambia County.

And also -- since -- the Health Department, there's -- there's a specific expert that sits on that committee. And he will provide comments about either ECUA, water, septic tank.

They sit on that board, and prior to them -- once they make the application, we go through several phases. And it's very, very detailed; very, very technical.

If they do not meet those requirements of

Page 25

the Land Development Code for the specific project, they will not be receiving a development order.

That means they cannot proceed until they address every Land Development Code regulation for any other -- for any other of the governing body, action that they may require. So it's very, very detailed.

This is -- At this point, we're at the 30,000-foot level. And that goes for any site plan review project that comes in where they want to add on or build a structure on a vacant lot. They must go by the development review process, which is very technical in nature.

THE CHAIRMAN: Okay. I've got a couple questions about that process, Mr. Jones.

Number one, is it open to the public?

MR. JONES: It is. Yes, it is. The public, they can attend. The public can receive the comments. The public can receive -- The can come in -- They can take a look at the plans once they're officially submitted.

As Mr. Fisher stated, this project already had a preapplication meeting, so -- so if there's any -- There are some general plans

Page 26

that's currently involved, currently inside our records. And all those are under Sunshine rules and are available for the public.

THE CHAIRMAN: So you mentioned quite a few of the items that are covered.

Are things like traffic, emergency access, stormwater drainage?

MR. JONES: Yes.

THE CHAIRMAN: Environmental issues, such as septic tanks. Are all of those covered in the DRC process as well?

MR. JONES: Yes, they are.

We have fire safety. We have fire safety. Mr. Joe Quinn, he sits on the board.

We do -- we do have an environmental expert, Mr. Bey. And there are other departments, if we need to engage further with the other -- different other departments, and other of the experts, we do have access to them as well.

THE CHAIRMAN: Okay. Thank you.

MR. PYLE: Mr. Chairman, just a quick note. This is a great case to pay real attention to, in my opinion, the criterion C.

I would say 90 percent of our future cases

Page 27

coming up have to do with -- We noticed a while back a swath of land on a larger road back 20 feet is going to be deemed some certain zoning. And it's in contradiction to the majority of the residential houses around it.

I just believe that we will -- this will be a consistent issue -- And not this one. I've driven by. I live in the area. I know the doctor has been there for a number of -- a number of years.

But I think this is a real interesting case because I think it's going to be singular. We're going to look at this in a singular case, but it will be consistent with others coming in the future. And I think we just need to really pay attention.

And for those who are set to speak, to kind of reinforce what the Chairman said, please direct your arguments based on these criteria because it's just too challenging for us to say, "Well, I don't like it in my neighborhood" or "I don't" -- this or that. This is why the chair is going to painstaking degrees to explain the process because there is a process.

But at this stage, for example, these five

Page 28

criteria are what we need to focus on.

But I'm saying this for myself as well, that this is a very interesting case for that particular -- C. And I think that the agents were smart to do the compatibility study. But please keep it in mind when we hear from others.

THE CHAIRMAN: Absolutely. Thank you.

For those members of the public who wish to speak on this matter, please note that the Planning Board bases its decisions on the approval conditions and exceptions described in 2-7.2 of the Escambia Land Development Code. They are listed on the screen.

During our deliberations, the Planning Board does not consider general statements of support or opposition.

Accordingly, please limit your testimony to those approval conditions and criteria that are shown on the screen and described in Section 2-7.2.

Also, please note that only the individuals who are here today and give testimony on the record before this Planning Board will be allowed to speak at the BCC meeting.

And at this time, we'll go right into our public speakers. The first one is Barbara Fortunati.

Good morning, ma'am.

When you come forward, if you'll please be sworn in, and then state your name and address for the record.

Once you do that, we do give a time for each person to speak. That way, we can hear from everyone. So all right. We'll have you sworn in, please.

- - -

BARBARA FORTUNATI, upon being duly sworn, was examined and testified as follows:

- - -

THE CHAIRMAN: Good morning.

THE WITNESS: Good morning. Thank you for hearing me.

My name is Barbara Fortunati.

My husband and I bought our house at 12950 Ogden Drive 34 years ago.

I am here to speak about -- Yeah, over here. I have an essential tremor, which, if you're going to have one, is the best kind.

So I would like to show some photos I have

taken that deal with compatibility with surroundings and appropriate with changed or changing conditions, if that's okay.

THE CHAIRMAN: Ms. Fortunati, let me just -- Put the timer on stop for just a second, please.

When we're bringing actual pictures, they're considered evidence in the case because we are quasi-judicial.

So what we have to do is, we actually have to bring them into evidence. The board has to accept them into evidence, and then it's made part of the record.

THE WITNESS: Okay.

THE CHAIRMAN: And then that way, we can consider them. If it's not part of the evidence, it's kind of hard for us to say, "Well, there was some pictures out there."

THE WITNESS: Correct.

THE CHAIRMAN: We have to actually bring them in.

So at this time, could you please describe to us what the pictures are of.

First of all, did you personally take them?

THE WITNESS: Yes, I did.

THE CHAIRMAN: And are they an accurate representation of what's out there right now?

THE WITNESS: Yes.

The only problem is, when I took it with my digital camera when I was trying to do a panoramic view where they match up, I was very careful to match up dwellings, and that sort of thing, but, you know, the wires and the line in the center of the road is not exactly on; but, yeah.

THE CHAIRMAN: Okay. All right. And you personally took these pictures, and --

THE WITNESS: Yes, I did.

THE CHAIRMAN: -- they're an accurate --

THE WITNESS: I took them yesterday.

THE CHAIRMAN: -- representation of what's on the ground?

THE WITNESS: Yes.

THE CHAIRMAN: Okay.

Board members -- How many pictures do you have?

THE WITNESS: I think I have five right there.

THE CHAIRMAN: Okay. So five.

Some of them are kind of taped together, like you said.

THE WITNESS: There are. That's what I did.

THE CHAIRMAN: So five different views, let's call them.

THE WITNESS: Yes.

THE CHAIRMAN: Okay. Board members, the Chair will entertain a motion to accept these pictures into evidence.

MR. GRAY: I make a motion that we accept these five pictures into evidence that were taken yesterday by the witness.

MR. PYLE: Second.

THE CHAIRMAN: Motion and second.

All those in favor say "aye."

(Chorus of "ayes.")

THE CHAIRMAN: Opposed?

(No response.)

THE CHAIRMAN: Motion carries.

Let's list those as Fortunati Exhibit 1 through 5, being the pictures. That way we have them.

And I would ask the folks that are showing them, maybe if you could come a little closer so

we could see them a little better.

And we also . . . Once you show the board members and you describe them, that we will need you to stay at the microphone.

THE WITNESS: Okay.

THE CHAIRMAN: We will also ask you to show them to members of the public so everybody can see what you're talking about. Okay?

So Ms. Fortunati, if you want to go forward, please.

THE WITNESS: Okay. All right.

Did you-all see the pictures on the right?

THE CHAIRMAN: We did.

THE WITNESS: All right. Just when I say this, I'd like you-all to look at it so I can denote what's up there.

THE CHAIRMAN: Okay.

THE WITNESS: Just turn to the board, please.

Okay. On the right-hand side you will see the dentist's office.

And as you come left, you will come down to Tracy Road, which is the road that leads in to where I live on Ogden Drive.

The dentist's office has been there for

years. It is a dentist's office in a renovated one-story small house.

And as a result, there is -- and because it's one dentist, there has not been a lot of traffic. There have been -- I go by there at least four times every day. They're like four or five cars that may be there, at the most. Very often there are two.

And as you look, there is a small house to the left. Right behind that is a house that is on Rosirito Place.

And then right next to that where you see the fence on the left-hand side, that property has a house on it on Rosirito, but it is the full length of the block from 98 to Rosirito Place.

And where you see the car in the far left at the end, that is where Tracy Road begins.

Now, in this area from Bauer on to -- going on to Lillian, there is -- Down at Bauer there's a 7-Eleven type of store, and there's a Dollar General.

The rest of the area, until you get around the bend, which is about a mile from Bauer, there is a restaurant.

This entire area where the dentist's office is, on both sides of the road is residential. It is a two-lane road.

The next picture shows the two houses that are right behind the dentist's office. The house on the left is the one that is right behind the house that is to the west of the dentist's office. And the house on the right is the house that is represented by the fence on 98.

THE CHAIRMAN: Okay.

THE WITNESS: Now, it said here, the criteria which is appropriate with changed or changing conditions.

This area, except for the dentist's office, has been the same for years. And we are a two-lane road, which is 98. And it is residential.

This shows you coming down Tracy, turning right onto Ogden Drive. There are eight individual homes there.

There are homes on Rosirito and Tracy, and it is a very small community on both sides of 98 and just north of 98.

Okay. Next picture. Okay.

There are two houses here. These are directly across from the dentist's office. And I didn't do a panoramic of all the houses on that side of the road, but that just sort of shows you the property lines.

All right. This shows you the wooded area coming into Tracy off of 98 that is just west of the dentist's office.

And this is looking from the intersection of Tracy, which goes out to 98, and Ogden Drive. And it's looking directly up -- It's looking directly south. And there are houses right across the street from that. And they're very small houses, but -- in the picture, but they -- it's -- it's definitely a neighborhood.

And we are concerned about traffic. Traffic on 98 on a two-lane road is -- is really objectionable at this point in time.

And so those are my -- those are my premises. One, that it is not compatible with the surroundings because the driveway into the dentist's office is not huge, and it's a one-story, small, older house that's been renovated.

And additionally, this area -- this

Page 37

particular area has not changed.
Thank you very much.
THE CHAIRMAN: Thank you, ma'am.
A quick question for staff. Is the use of the property right now a conforming use or a nonconforming use?
MR. JONES: Based upon -- It appears -- Again, Horace Jones.
It appears that basically that doctor's office has been there for quite a bit of time.
Now, we would call it a legal nonconforming use. That is what we would call it.
So this is now -- And there are some definite provisions that govern the legal nonconforming aspect of that that's governed by the Land Development Code. But we would call it a legal nonconforming use because of the period of time that it has been there. The code basically calls it nonconforming, the legal nonconforming use.
THE CHAIRMAN: Okay. All right. Thank you.
Mr. Page, do you have any cross-examination for --

Page 38

MR. PAGE: No, I do not.
THE CHAIRMAN: All right. Thank you.
MR. INGWELL: Do the other pictures have to be entered into evidence?
THE CHAIRMAN: We took 1 through 5 into evidence.
MR. GRAY: I thought we did that.
MR. INGWELL: Okay.
THE CHAIRMAN: Yeah. We're going to label those Fortunati Exhibits 1 through 5 for the record.
MS. CRAWFORD: Mr. Chairman, it appears there may be 12 -- I'm not sure how many photos. There are more than five.
THE CHAIRMAN: They're taped together.
MR. PYLE: Because they're taped together. They're taped together.
MS. CRAWFORD: Okay.
MR. PYLE: I assumed that the five meant --
MR. JONES: Yes.
MR. PYLE: -- all of them.
MR. GRAY: Five. The first one --
MR. PYLE: That was on --
MS. MEADOR: It's six pieces of paper.

Page 39

THE CHAIRMAN: Okay. So let's just be clear for the record.
Make a motion -- Someone make a motion to accept all of the pictures, even if they were taped together, as part of the record.
MR. INGWELL: I'll make a motion to accept all photos presented as evidence.
THE CHAIRMAN: All right. Thank you. Second?
MR. FEARS: Second.
THE CHAIRMAN: All right. All those in favor say "aye."
(Chorus of "ayes.")
THE CHAIRMAN: Opposed?
(No response.)
THE CHAIRMAN: Motion carries.
However, we have to label them for the record. I had them as 1 through 5, but if we need to go 1 through 12 or whatever, as long as they're listed as the exhibit.
MR. JONES: Is it possible -- We'll probably get with, if we can, so they can help us really label them accordingly.
THE CHAIRMAN: Right.
MR. JONES: For the reports, if it

Page 40

proceeds to the next level.
THE CHAIRMAN: Ms. Fortunati, before you leave today, if you would get with the staff members so you can help them get that into evidence for us.
All right. Thank you.
Our next speaker is Bruce Gamiere.

BRUCE GAMIERE, upon being duly sworn, was examined and testified as follows:

THE CHAIRMAN: Good morning, sir.
Your name and address for the record.
Be sworn in first, please.
THE WITNESS: My name is Bruce Gamiere, and I live at 12730 Lillian Highway with my wife Delores.
THE CHAIRMAN: Okay.
THE WITNESS: And some of my observations are, as Barbara pointed out, Highway 98 is a two-lane highway.
Presently right now, sometimes it takes us 10 minutes to pull out of our driveway.
Our family has owned that property for 49 years. Now, years ago it wasn't that bad.

Page 41

Sometimes it's terrible. And if you're in a hurry, you know, it's -- it's too much traffic right now.

My opinion is, you know, this is not suitable for a high-density project that they want to do.

My concerns, as a resident and a citizen, which was mentioned before, you know, no sewers, no room for septic tank and leach field.

You know, you're right next to the bay. The problems with pollution in Perdido Bay are bad enough now.

Too much traffic. I would think it would be a visual eyesore, perhaps. I'm not a geologist or anything, but to me, that area is a sandy soil. It's more like wetlands than it would be for a bedrock earth for a big, large construction project.

I think you need to keep it medium-density residential. As Barbara pointed out, the dentist's office is a single-family home, right. It's just been converted to a dentist's office.

And it was noted it was granted legal nonconforming use. And then previously it's -- your findings had it's not consistent and has

Page 42

shown not to be compatible with the neighborhood.

And we want to keep it a single-family residential neighborhood.

Okay.

THE CHAIRMAN: Thank you, sir.

Mr. Page, any cross-examination for this gentleman?

MR. PAGE: (No response.)

THE CHAIRMAN: Board members, any questions?

(No response.)

THE CHAIRMAN: All right. Thank you.

Delores Gamiere.

THE WITNESS: I spoke for both of us.

THE CHAIRMAN: Okay. I'm just going to notate here she did not speak here, because she won't be allowed to speak at the Board of County Commission unless she speaks here, so doesn't want to speak. Okay.

THE WITNESS: Say something.

THE CHAIRMAN: All right. That's fine.

All right. Patrick Langan.

MR. LANGAN: I'll waive it.

THE CHAIRMAN: Okay. Do not wish to

Page 43

speak.

MR. LANGAN: No.

THE CHAIRMAN: You do understand you won't be allowed to speak at the Board of County Commissioners.

All right.

Gilbert Birgel.

MR. BIRGEL: Same thing.

THE CHAIRMAN: Okay.

David Puglisi.

MR. PUGLISI: That's it.

THE CHAIRMAN: Good morning, sir. Please be sworn in.

- - -

DAVID PUGLISI, upon being duly sworn, was examined and testified as follows:

- - -

THE WITNESS: Do you want me to say my name?

THE CHAIRMAN: Name and address for the record, please.

THE WITNESS: David Puglisi, a good Italian. 13021 Lillian Highway, Pensacola, Florida.

I live across the street, four doors down,

Page 44

west of there, Djuric's place.

I might add that the Djurics are really nice people. They've been working on my teeth.

That building may have been a dentist's office for 21 years, but he hasn't worked out of it for 21 years. Other dentists have.

My concern is the traffic. If anybody drives 98, it's a death trap.

I'm right across the street from Tracy Street. I can't even get out of my driveway. I got a couple kids. Of course, one's 23 and one's 15. I don't even want to play in the front yard. Actually, my kids have never played in the front yard because of my fear of the maniacs driving off that bridge.

And I -- I venture to say if you put a cop there or a policeman or a sheriff, it's probably proper. You could probably afford to pay a couple salaries in speeding tickets, because they come off that bridge and drive that curve to the right, which is west of there. They're going at least 55, 60.

Now, I don't know if y'all drove 98, but when you get to Bauer Road where the light is, it's Tom Thumb. It's a nightmare in the

morning.

Sometimes I've seen that backed up all the way past the Blue Angel campgrounds thing, where $10 million is a lot of money that went to give them a lane to turn in. So they have a little pull.

And I wouldn't be against the doctor if they were going to put exit lanes and put a three-lane road in the highway there and widen the highway so there's an exit and entrance.

And the other part would be . . . the Lillian -- the bay. The -- the water -- They're either going to have to have a holding pond -- Of course, that would be belated. I don't know if they . . . I want to keep it in line -- in line with what you're talking about.

But water's got to drain because it's downhill, so it's going to drain to the bay. So we all know Perdido Bay is probably one of the most polluted bays in the country, and it stinks.

And those are my concerns.

The traffic is a huge problem. And I can't believe that they would allow further development until they did something with the

infrastructure.

So that's my points. Thank you.

THE CHAIRMAN: All right. Thank you, sir.

MR. GRAY: Mr. Chairman.

THE CHAIRMAN: Yes.

MR. GRAY: May I ask a question of staff, please?

THE CHAIRMAN: Yes.

MR. GRAY: Do we know if Perdido Bay Dental, which is the converted house . . . They do have a parking lot. Have they ever built a pond for retention?

MR. JONES: No.

VOICE IN AUDIENCE: No.

MR. JONES: And that's something that we would definitely . . . be part of the site plan review process.

MR. GRAY: Are they the applicant? If they're applying for, you know, another property, why would they have to do anything retroactively on their property?

MR. JONES: Because it may -- it may require them to -- basically to add some type of impervious surface.

MR. GRAY: Ah.

MR. JONES: And if they reach that threshold, it may require stormwater management plans.

MR. GRAY: So a mechanism may be in place, even though they're not the parcel in question, to provide some sort of remediation for the stormwater impact from the parking lot.

MR. JONES: Yes, sir.

THE CHAIRMAN: Okay. Good to know.

Thank you, Mr. Chairman.

THE CHAIRMAN: Thank you.

Mr. Page, do you have any cross-examination?

MR. PAGE: No.

THE CHAIRMAN: Okay. Board members, any questions?

He's gone anyway, so . . . Again, we want to hear all of your comments. But I just want to remind you some of these things that you're bringing up, as far as traffic and retention ponds, and things like that, are not within the purview of this board. We can only consider these five criteria.

Now, when you get up and you say you don't feel it's compatible with surrounding uses, that

is something that we consider.

When you talk about traffic, it's not within the purview of this board. That goes through the DRC process. A completely different set of eyes has to review that, which it is a public process as well.

I want you to understand we have a very narrow scope of the things that we can consider. If it's consistent -- If it's found consistent with all of these categories, then we would recommend approval. If it's not consistent with these categories, we would recommend denial. Okay. So it's very specific.

I just -- I know that's difficult. If you have concerns, you want to bring out -- And we want to hear them. It's fine that you bring them out. I just want you to understand that we can't necessarily vote on any traffic issues up here. Okay? So just realize that.

All right. Next speaker is Jacqueline Lane.

Good morning, ma'am. If you'll be sworn in and please state your name, please, for the record.

JACQUELINE LANE, upon being duly sworn, was examined and testified as follows:

THE WITNESS: Board members, my name is Jacqueline Lane. I live at 10738 Lillian Highway. That's around the corner from the property that's in question -- in question here.

And I think there are two criteria that this rezoning does not meet. It does not meet -- It is not compatible in the least with the surroundings, and -- and he -- it is not appropriate with the changing conditions. There are really no -- The area has not changed in many, many years.

And this is why I'm here, because I'm afraid that if it starts to change -- and it will -- this will open the door to just one zoning change after the other.

And this is . . . We like it out there. We do not want urban sprawl. And this is just going to do nothing but contribute to urban sprawl.

So that's my comment. Thank you.

THE CHAIRMAN: Thank you very much.

And thank you for addressing the criteria. That's perfect. Thank you.

THE WITNESS: Thank you.

Do you have questions?

MR. FEARS: Staff, can we pull up the 500 radius?

Mr. Jones, any insight on the history of HDMU?

MR. JONES: Yes, sir. Yes, sir.

When I looked at this, that popped out to me just like that. And -- and I looked at the original zoning mylars.

The original zoning mylars had . . . It was labeled as R-6. R-6 was a neighborhood commercial zoning, which allowed for neighborhood uses like doctor's office, dentist's office, professional offices, those type of neighborhood -- convenience stores, mobile homes, apartments, neighborhood-type uses. That was the original R-6 zoning.

When we did the changeover -- when we did the conversion, direction was given that we cannot downzone or take anybody's property rights.

So what we --

MR. FEARS: You're preserving the rationale of --

MR. JONES: Absolutely.

And R-6 -- R-6 got converted properly to high-density mixed use.

And if you can see from that map, the original map showing on that side of Lillian Highway, it is all HDMU.

That was the original -- I mean, that was the original -- What we called the R-6 allowed for doctor's offices, dentist's offices, again. So it just got -- it just got it converted properly.

Whether or not it was the right zoning that preceded me before I became involved . . . As Mr. Pyle stated, there were many areas like that.

THE CHAIRMAN: Okay.

MR. FEARS: There are a number of -- Lillian Highway is similar to, I would say, to Gulf Beach Highway.

And living over there, looking at this map is not really, I would say, indicative of what is along that road.

And you're probably familiar with it to

some degree, but being over there, I know that there used to be a homebuilder -- I believe it's Russell Homebuilders -- for years. He's probably been closed for a year. It was a single-family home that was utilized.

The only other -- To the -- One of the speakers, points back down Bauer, there's a Tom Thumb. There's also -- I believe it used to be the old Vallarta's, which is closed, and I think Crazy Horse, the restaurant. Everything there visibly is single-family.

But, again, it's where we're in the conundrum of -- Same as Gulf Beach. Is it commercial? Is it residential? We're not sure.

One of the things I was going do ask the applicant, Mr. Page, or maybe it's appropriate after the speaker -- And it may be that Mr. Page would not want to answer me.

But I was just curious. What the applicant's desire, from dental -- Does he want to, you know, add two more chairs? Five more chairs? I mean, is it . . . What would -- And I -- I understand that this board is not to take into consideration what the applicant intends to do, but I certainly would think it may help the

speakers against or for, or just for our general knowledge, if they wish to share that -- if not, I understand completely -- what the end goal would be for the doctor.

And my second question would be -- I'm just curious -- does the doctor live on the property? I don't know. I'm just curious. And, again, it may not be relevant, but I just thought it was worth asking.

THE CHAIRMAN: We'll give Mr. Page an opportunity to respond to those, if he wishes, when he comes back up.

We'll just hold that, if you don't mind, until we get through the rest of the speakers.

Mr. Jones, you started discussing some things that general members of the public might not be really aware of, which is that we had some pretty major changes to our Land Development Code awhile back, in which zoning categories -- some of them were consolidated.

MR. JONES: Yes.

THE CHAIRMAN: The names were obviously changed.

Could you just give a very brief overview of what that process was? I know we had an

outside consultant that helped with it.

Could you just give a little analysis of that, please?

MR. JONES: Yes, sir. Yes, sir. I will do, Chairman.

Again, Horace Jones, Director.

Yes, sir. Very, very briefly, because it was very -- it was a very, very detailed, complex process.

We had -- There were numerous -- We had over -- over 37 zoning categories, over 30-something future land-use categories.

Very, very briefly, many of those zoning categories, they were not consistent because zoning came in so late in Escambia County, about 1989, '90. And many of those uses were already in place.

So back then, the Board of County Commissioners, they directed staff basically to take a look at all of the zoning categories, all of the future land-use categories to see if we could consolidate them, shrink them down.

And we went through the process. And in April of, I believe, 2015 or 2014, there were numerous Planning Board meetings. There were --

there were many -- there were many BCC meetings on these. There were -- there were advertised neighborhood meetings so we could consolidate many of these zoning categories.

And, again -- And our task was not to downzone anyone. We had to consolidate to make -- Reduce the zoning categories. So -- so had many of them, they got converted. And -- and some of them just got a name change only.

In this specific one, again, it was R-6. R-6 allows for neighborhood-type uses. So basically that -- I hate to use the word strip, but that strip of HDMU that's in orange, all that was originally R-6 -- Talking about the zoning map.

Now, the uses probably were not there, but those uses allowed for neighborhood mixed-use, commercial-type uses.

So we just converted many of those zoning categories, and we just gave them a name change only. Instead of calling it R-6, we had to reduce them. We made it high-density mixed use. That's -- that is -- And we have all the documents, and -- It was already approved. It was adopted in 2015, the new Land Development

Code, the new maps. All of those things happened.

The board blessed it. And now we have like 15 zoning categories and about 16 or 17 future land-use categories. So we consolidated them down immensely.

THE CHAIRMAN: Okay. And on this particular two parcels, it's kind of odd that we have the MDR kind of right in the middle of the HDMU.

MR. JONES: Yes, sir.

THE CHAIRMAN: Do you have any specific history on these parcels, as to why they would have . . . or why the county, when we did this name change, would have done something like this?

MR. JONES: That was the . . . The orange was all R-6. The yellow, it was the same way. It was R-2. I mean R-3. So R-3. And we just -- we just converted it. Properly we called that MDR, which was basically still a single-family dwelling district.

So we couldn't downzone, and we couldn't -- We couldn't downzone no one. So we just basically took that map and just make that

Page 57

MDR, name change only, and called the rest of it HDMU. So that was the original zoning maps before I got here. I don't know why it was done like that.

THE CHAIRMAN: So this property, the one that we're talking about that's in this little yellow box here, it was R-2 before.

And when the -- when the name changes happened, it went to MDR because that was the most applicable category for it to go into.

MR. JONES: (Nods head up and down.)

THE CHAIRMAN: You certainly didn't move it to HDMU, because that would have been considered an upzoning.

MR. JONES: No, sir.

THE CHAIRMAN: And you didn't move it down because that would have been a downzoning. It was very consistent with what was already in place.

MR. JONES: Yes, sir. And -- and -- and I want to be clear. It was -- definitely was a residential zoning. It was R-2 or R-3. I'm not specific because -- I can find the map to be -- But it definitely was -- And you're right, Mr. Briske. It was just basically changed over

Page 58

appropriately.

THE CHAIRMAN: Okay. Okay.

MR. FEARS: And that was in the year?

MR. JONES: Of 2015.

MR. FEARS: '14, '15?

MR. JONES: Yes, sir.

MR. FEARS: Okay.

And for the education of our guests here today, prior to that it was made R-2 or R-3, and the other was made R-6.

MR. JONES: R-6.

MR. FEARS: In '89 --

MR. JONES: '89 --

MR. FEARS: -- or '90?

MR. JONES: '89 or '90, yes, sir.

MR. FEARS: Prior to '89 and '90, it was nothing, correct?

I think they care about this because a lot of their homes were built . . .

MR. JONES: Yes.

MR. FEARS: . . . before . . .

MR. JONES: Yes.

MR. FEARS: . . . it was anything.

MR. JONES: Yes, sir.

MR. FEARS: So the logical pattern of

Page 59

growth in the area launched itself . . .

MR. JONES: Right.

MR. FEARS: . . . before zoning even existed.

MR. JONES: And if I may -- There's a very, very good point.

And if I may, on the HD -- on the HDMU parcels, let's say -- I'm not trying -- I -- I like to educate people while they're here. On the HDM parcels, someone can come and see me right now -- see my department right now and say, "I want to put up a lawyer's office, or a doctor's office," or one of the HDMU zoning uses.

Do you know what I have to say?

MR. FEARS: Yes.

MR. JONES: Yes.

MR. FEARS: That's what I was --

MR. JONES: -- skip this process -- it will skip this -- no rezoning. They will go directly to the DRC process.

Yes, they definitely have to go through the location criteria again, but they could -- they would be allowed to do those type of uses under the HDMU.

Page 60

MR. FEARS: Thank you for pointing that out. That was where I was going, was for those who feel this is a drastic change to the area, what we're charged with deciding today is having HDMU status given to this property.

But, in fact, anything you see on that map right now that is orange, it could already be taking place without this proceeding.

MR. JONES: Yes.

MR. FEARS: Because it's already allowed to have those types of uses on this property.

MR. JONES: Yes.

MR. GRAY: Mr. Chairman, may I also add to what Mr. Fears was --

THE CHAIRMAN: Absolutely.

MR. GRAY: -- illuminating to our audience and others on the board?

Quite often, when the zoning categories were adopted, be it the 1960s, '70s or '80s in the case of the Escambia County area, quite often what was looked at -- If we can switch to the existing land-use map, please.

The ELUs were largely influential in what the LDC maps would look like, which influenced the FLU -- future land-use -- maps.

Page 61

Unless there's an area where the community had a vision or an anticipation or an expectation or a goal to do something different --

MR. JONES: Right.

MR. GRAY: -- so in large part we called this market-driven zoning.

So the market previous to the adoption of the document drove what in large part was reflected on the existing land-use maps, which then in part became the documents that we live and die by today in much of Florida.

The only areas where we don't see this are -- We'll call them focal areas or focal corridors -- where there might be a new vision, like in Perdido Key's master planning area where they said, "Okay. We understand what we have. We're going to flip it to this."

Or in an area of downtown where they say, "Okay. We understand what we used to have, but we want to increase it to this or decrease it to that."

So it is in large part what we call these market-driven forces. In other words, the -- the real estate market, the commercial land --

Page 62

commercial real estate market drove what was on the ground.

But, of course, communities don't just stay stagnant. They grow and they change. And we have done that over the course. And so as our extent to -- The metropolitan physical area now includes Lillian, Alabama. So Alabama is now a part of the influence and the sphere of the Pensacola area, and 98 is the corridor that connects them.

And, yes, unfortunately you guys live on 98, but it is a corridor that connects the economic activity and the engine that is the Pensacola greater area.

So, you know, these things are what they are. But, again, these are driven by market -- You know, that's all the point I was trying to make, Mr. Chairman.

THE CHAIRMAN: Thank you, Mr. Gray.

All right. We have one more speaker that has signed up to speak, so we will go forward with this. And then we'll open it up again for the board, comments or questions.

Craig Hartigan.

Good morning, sir.

Page 63

MR. HARTIGAN: Good morning.

THE CHAIRMAN: I think you know the drill. Be sworn in and state your name and address for the record.

- - -

CRAIG HARTIGAN, upon being duly sworn, was examined and testified as follows:

- - -

THE WITNESS: Craig Hartigan, 12640 Lillian Highway.

Thank you for allowing us this opportunity.

You know, I bought the property. It was a fish camp built in 1946. I bought it in 1993 because I wanted to get away from the rat race. Okay.

Little history. And I know this is beyond the purview of the meeting here, but Highway 98, which you're calling Lillian Highway, is a highway that's supposed to allow you to get from point A to be point B in kind of a rapid fashion.

Development that has occurred on 98 from, oh, I guess, Blue Angel all the way to us to Lillian Bridge has been haphazard. And, you

Page 64

know, it's not compatible with what's there right now.

Folks that referred to the traffic issues. If we look at the map that you guys had up there, the future land-use map, all those HDMU properties, they're vacant right now. They're woods.

Those woods should be purchased by the government of Florida, perhaps, or since it's a U.S. road, by the Federal Government, because that road is -- Since it goes between Mississippi and the east end of Florida, isn't that considered a highway?

So should all these little developments be going on there? That's the question that I have. And I know, again, it's beyond what you guys are looking at, but maybe it's time for somebody to take a big look.

To meet the -- what you guys are -- are requesting of us, category C and category E are not compatible.

Obviously, the land has been the same for quite a long time. And the fact that the zoning laws were changed without . . . I don't remember ever getting a notice that, hey, we're going

to -- we're thinking about, you know, making these properties high density, maximum use.

And I saw the sign here. I did my homework last night, so I'm a little bit behind on all this, but it seems to me the one property that's in question now, the reason that is still MDR is because the gentleman who owned the house before the Djurics bought the property came here said, "I don't want to be MD -- or I don't want it to be HDMU."

But everybody else, since it was vacant land, they said, "Well, I don't care, because I own the land. And if you make it HDMU, well, then, I'm going to make some more money on it."

But it certainly doesn't give credence to the -- to the -- to the lay of the land, you know, where we're at right now.

So that's about all I have to say. I appreciate you taking the time.

THE CHAIRMAN: Thank you, sir.

Mr. Page, any questions?

MR. PAGE: Yes.

THE CHAIRMAN: Hold on just a moment.

Okay. Is there anyone else who has not already spoken that wishes to speak on this

matter?

(No response.)

THE CHAIRMAN: Okay. Come forward. We'll let this gentleman go first, ma'am, since he's closer in the front. And then you'll be next, please.

Yes, sir. Come forward.

MR. LANGAN: Briefly.

THE CHAIRMAN: Okay. And I know you filled out a form.

MR. LANGAN: Yes.

THE CHAIRMAN: Okay. Be sworn in, sir.

PATRICK LANGAN, upon being duly sworn, was examined and testified as follows:

THE CHAIRMAN: All right, sir. And your name and address for the record.

THE WITNESS: My name is Patrick Langan. I live at 2009 Tracy Road -- Two 900 Tracy Road.

You brought up something -- I wasn't going to speak until he brought it up -- about the time -- the changing of this automatically to reduce the number of changes that he had.

And that's -- I had a question at the

beginning was, when was the zoning changed? Who -- who intended -- What intended to require -- What required the change? And was a public notice about -- notified about it. And I don't believe the public was notified about the change. Is that correct?

UNIDENTIFIED VOICE IN THE AUDIENCE: I never saw anything.

MR. JONES: I can give you more information on that, but the public -- There were many, many meetings. There were neighborhood meetings on it.

THE WITNESS: So --

MR. JONES: So the public -- Yes, sir. Yes, sir.

I mean, it was given -- Public notification was -- was done, by state law.

THE WITNESS: When you consolidate.

MR. JONES: Yes, sir.

THE WITNESS: Okay. That's what I wanted to know.

Thank you.

THE CHAIRMAN: Yes, sir.

I was part of the process when it happened. And I know that there's very strict

requirements by the State of Florida about notice when these things happened. It was advertised in local newspapers, and all kinds of things like that.

So you have to go all the way back to -- like Mr. Jones was saying -- 1989 when the initial zoning started.

And I think Mr. Gray kind of alluded to the fact that that . . . I was not on the board or part of the process at that time, but it was probably driven by what was actually already on the ground, and they just came in and said, "Well, this is already here."

We've actually heard stories that people were allowed to choose what zoning they wanted at that time.

UNIDENTIFIED VOICE: That's right.

THE CHAIRMAN: I was not part of it. I don't know for sure, but . . .

MR. GRAY: You've surmised that just perfectly. It's almost like it was either what was on the ground or kind of what public input was given.

And the reason being was, when these adoptions were taking place, just understand,

this was a top-down mandate from the state.
MR. JONES: Absolutely.
MR. GRAY: Tallahassee was saying, "You must comply." And all of our communities in the West Florida area were quite reticent to do so. They did not want to comply. They did not want to see this done. And so Escambia was a bit of a holdout.
There were worse. Trust me. Don't worry. Don't get ashamed, but there were worse. And the idea was, well, we'll just take what's on the ground, and we'll formulate that into a map, and it will largely reflect what was here.
And that was . . . I think -- I don't want to call it the bare minimum, but it was -- it was the least likely scenario to rock the boat. And the boat were the voters and the public and people that would come to meetings and really -- What do you call it? Give feedback.
So if somebody came and said, "I don't want to be HDMU. I want to be MDU" -- or whatever -- MDR, in large part there was not a lot of grief given to that person.
Quite often it was, let's just comply with them. Let's just do what they want. Because

there was so much -- There was an onslaught at times because they were -- they were under mandates. Tallahassee wasn't going to give them money next year if they didn't comply with these rules. So in large part, the Panhandle is shaped by what the Panhandle was performing like.
So, again, we weren't the last to come into compliance. We weren't the first. '89 is a late date. There were much preceding dates than that.
So that's -- that's been my experience. And, again, just to clarify, so I'm a certified land planner, and I've worked for over 36 governments in the Panhandle. And I have brought communities into compliance before. As late as 2014 was the most recent one.
So thank you very much, Mr. Chair.
THE CHAIRMAN: Thank you.
We did have another young lady that wished to speak.
Come forward, please.
And if you'll -- Okay. And someone else as well. So we have a couple more speakers. If you'll turn your sheets in to the staff members,

and then we'll call you one at a time.
- - -
ELLEN STUCKEY, upon being duly sworn, was examined and testified as follows:
- - -
THE CHAIRMAN: And your name and address for the record.
THE WITNESS: Yes. My name is Ellen Stuckey. I live at 12960 Ogden Drive, which is behind -- It's one of the -- Could you put the map back up of the neighborhood with the circle.
If you'll notice where the two yellow buildings are that are in question right now, on Highway 98, directly behind them is a skinny lot.
And the problem that -- that we have -- One of the issues we have is that lot has never been developed because that is wetlands.
So what will happen is, the increased drainage off of an additional property there in increased size of the building is going to do more -- you know, more problems with the pollution of the bay.
I realize that that is a little bit outside the scope of this, but that skinny

little lot is wetlands, so . . .
THE CHAIRMAN: Just to let you know, that's part of the DRC process, the Development Review Committee. Stormwater is an issue that they address.
MR. JONES: Yes.
THE CHAIRMAN: And property owners are required to control their own stormwater on site.
MR. JONES: Yes.
THE CHAIRMAN: So if they're going to have off site, then the engineers have to figure out how to control it on site. And I think that's why someone asked about if there was a holding pond on the property or something like that.
THE WITNESS: I understand.
THE CHAIRMAN: So I want you -- Again, this is something that is handled at a different level, but it is addressed.
THE WITNESS: Okay. Thank you.
MR. JONES: Yes, it is.
THE CHAIRMAN: All right. Thank you. Ms. Karen Hartigan.

Page 73

KAREN HARTIGAN, upon being duly sworn, was examined and testified as follows:

THE WITNESS: Thank you-all for having this meeting, and allowing us --

THE CHAIRMAN: Name and address for the record, please.

THE WITNESS: Huh?

THE CHAIRMAN: Your name and address for the record.

THE WITNESS: Karen Hartigan, 12640 Lillian Highway.

THE CHAIRMAN: Thank you.

Go ahead, ma'am.

THE WITNESS: Okay. Again, thank you for opening this up.

And I know a lot of us are very concerned about futures, what happens after this meeting.

But as this wonderful gentleman brought up --

MR. GRAY: Which one? Him or me?

THE WITNESS: Yes.

(Laughter.)

THE WITNESS: Well, you -- Planner, you

Page 74

brought up some stuff, too.

Where do I start?

MR. PYLE: For the record, it's Tim Pyle.

THE WITNESS: For the record, it was Tim, Mr. Pyle.

UNIDENTIFIED VOICE: Maybe we should hear the rest of it.

(Laughter.)

THE CHAIRMAN: Go ahead.

THE WITNESS: And he has lived out there.

We moved out there in 1993. And we looked before we bought our property on Lillian Highway. We looked at future plans for Highway 98.

And, you know, 20 years later, part of that future plan happened, with them widening the road, which they're still working on. Supposed to be completed a little bit ago, but they're working on it.

But . . . So I can move forward, I'm concerned about criterion C, the surroundings, and E, the changing conditions.

What they want to do with this higher -- being able to build small businesses or apartment buildings, it is not compatible to

Page 75

that area. It's a slice of land.

And if -- our community will become fractured, just like the annoyance that you did, having to get here an hour, living 19 miles away, what you're about to do is create more havoc in that area to a bunch of citizens who have built their hopes and dreams there, and why people love to drive along there. And it is an arterial highway that needs to be able to move quickly.

The more small businesses you have, the more people you have, the more congestion, the more possibility for emergencies.

You have us moving -- And you mentioned Lillian, Alabama is part of this community now. You have Greer's on Bauer Road that is a commercial area. You have the town of Lillian that is a commercial area.

Why would anyone start building small businesses or apartments at a condensed arterial road and grocery stores and bars, which is just going to cause more congestion?

And I wanted to speak now so I could speak with the DRC, because a little known secret is all along, you have Hartong, which is part of

Page 76

that HDMU, right, road? That has been . . . On the other side of that, you have the Christian college that owns a ton of that land.

But what's happening is, all of that property on the Christian college, Hartong, there were natural springs that run from the south to the north to Perdido Bay under Highway 98.

There are natural springs along our properties that run down into the water. The drainage is a huge issue. When we have huge events like we've had, our houses got flooded from the runoff of Highway 98. And the higher that it builds, the more challenges are along this. There's not the wetlands to handle it.

There was a huge sewage issue that they put in on the other side of Hartong. It's not about just one, small, new little building being changed to a chiropractic.

But if we start doing this, we're going down a road that is going to change that whole area, and it's going to just be fractured like every other part, going to Gulf Breeze, Gulf Beach Highway. We want to prevent that and just keep our community the way it was.

And we want people to succeed in small businesses in Lillian, Alabama, by Bauer on the commercial area and let residents live in the residential areas.

Thank you.

THE CHAIRMAN: Thank you, ma'am.

All right. Once again, anyone who has not already spoken who wishes to speak on this matter?

(No response.)

THE CHAIRMAN: All right. Hearing none, we will hereby close the public comment portion of the meeting.

And I think at this time, it's a great time for us to take about a five-minute break. I've been -- I'm going to give him opportunity to tell his side of the story when we come back.

I've been asked by a few board members in the past to not run for three hours at a time because they like to take a break. So we're about an hour and a half in. So let's just take a very quick five-minute break, and everybody just come back quickly and we'll get started again.

(Brief recess.)

THE CHAIRMAN: I think we have everyone back at this point. A few of our staff members are still missing, but we can move forward.

MR. JONES: Mr. Chair, I do have a copy of the old zoning prior to the adoption in 2015. It was -- For the record, I got a copy of it. I went to our computer system. It was -- The whole area was R-6, as I stated before.

The parcel in question was R-2, which only allowed for single-family homes. But the surrounding property was R-6, which allowed for neighborhood-commercial-type uses. Very, very broad and open.

MR. GRAY: So R-2 and not R-3?

MR. JONES: It was R-2, which was much more restrictive.

MR. GRAY: R-2.

That still fit within the realm of an MDR --

MR. JONES: Yes. Yes. Absolutely.

MR. GRAY: -- when you recategorized?

MR. JONES: Yes, sir. We just --

MR. GRAY: Some of the things were combined into one --

MR. JONES: Yes, sir.

MR. GRAY: -- when things were combined.

MR. JONES: Yes, sir.

THE CHAIRMAN: Okay. All right.

MR. JONES: Yes, it was.

THE CHAIRMAN: Thank you, sir.

So we have obviously made Mr. Page wait for quite a while here, so we're going to give him an opportunity. I would ask --

MR. JONES: And I'd like this to be part of the record, if we just submit the map, if we don't mind.

THE CHAIRMAN: Okay. Let's go ahead and take care of that before we bring Mr. Page up.

Mr. Jones, could you explain to us what exactly --

MR. JONES: Yes.

THE CHAIRMAN: -- you have and where you got it from.

MR. JONES: Yes, sir.

This is a copy taken from the -- taken from our GIS, Chris Jones Web site, of the -- of the previous zoning prior to the new adoption in 2015, the old -- It's a copy of the map, of the old zoning map, for the parcel in question and the surrounding areas in question.

THE CHAIRMAN: Okay. And did you personally acquire that off the computer system?

MR. JONES: Yes. Yes. Yes, sir.

THE CHAIRMAN: Okay. And you believe that it's a true and accurate copy.

MR. JONES: Yes, I do.

THE CHAIRMAN: Okay. Board members, I will entertain a motion to accept that as an exhibit.

MR. FEARS: I make a motion to accept.

MR. PYLE: Second.

THE CHAIRMAN: All those in favor say "aye."

(Chorus of "ayes.")

THE CHAIRMAN: And we will label that as County Exhibit 1, as additional evidence, since we have -- already have findings of fact in the file.

I was going to say after we give Mr. Page an opportunity to speak, I think it might be appropriate to bring up the differences between MDR and HDMU on the screen so we can kind of see what the different categories are.

So with that, Mr. Page, please come forward, sir.

Page 81

MR. PAGE: Thank you again, Mr. Chairman.
Just a couple of closing remarks and observations.
The first speaker that spoke indicated that she drove by this site several times per day, the dentist's office and saw four, maybe five cars in the parking lot.
A chiropractor probably would not have much more than that as well, even if they both had five cars and a total of ten.
Trip distribution spreadsheets would show that would be almost an absolute de minimis, if it even rose to that level, of an impact for traffic on Lillian Highway. But those are her numbers, not mine.
I spoke with the doctor about that. He indicated that, as a single practitioner, he would have guessed it to be probably two or three cars.
But nonetheless, the impact -- We heard quite a few. We heard traffic on -- One, two, three, four, five people mentioned traffic. Traffic is an arterial collector roadway or Lillian Highway is. It's a hurricane evacuation route.

Page 82

Only two lanes. Yes, it's two 10-foot lanes. It's a very well-traveled road, very well maintained by Florida DOT.
Mr. Chairman, we heard one individual say that he feels uncomfortable with this large construction project.
I'm not sure where that type of -- where those adjectives might best fit. This is not a large construction project on a parcel of property that's probably less than two-tenths of an acre.
And if we could, Mr. Chairman -- In conclusion, if we could bring -- ask the staff to bring up the zoning map. It's there.
Mr. Chairman, we had several people talk about pollution, sewer, septic tanks, and so forth, especially as they potentially could harm Perdido Bay.
And I might also say, Mr. Chairman, there is no one that knows more about pollution of Perdido Bay than Jackie Lane, if she's still here. Yes, she is.
Mr. Chairman, I would submit to you that this septic tank -- And I'm no septic tank expert. But in my younger life I was District

Page 83

One environmental administrator for Florida DEP out of Tallahassee. And septic tanks were then and still are a large concern.
This particular smaller parcel that's not a part of the doctor's practice has a septic tank already in place.
And if you notice, a 500-foot circle has been drawn around it, which means that probably the back of the property may be 550, maybe 600 feet before it actually gets into Perdido Bay.
My guess is that all of the lots that are north of this -- between this site and Perdido Bay, they already have septic tanks. So the notion and the statement that this is going to cause additional pollution -- sewer pollution into Perdido Bay, I don't think is very well-founded because of the distance that it is away.
Lateral seepage for a septic tank, especially one for that building that probably was constructed in the '50s or so, it might have a 550-gallon septic tank with leach fields, probably two of them parallel, 25 feet long, the notion that anything that goes in there could add to the pollution to Perdido Bay, I think, is

Page 84

somewhat far-fetched.
It has a tank. No new tanks are anticipated, although, as you heard staff say, if any were to be constructed, it would have to be to current standards.
Also, this particular project went through the development review. And one of the concerns that the development review had -- And the county has a drainage engineer, Rosa.
And she looked at this and indicated that there would be no need for any additional impervious surfaces to go down because there already is an asphalt piece of pavement in front of the building. And they could get the required six cars in there. He has a site plan showing the six cars, with the required HIPAA handicapped space as well.
So in essence, Mr. Chairman, what we're looking at here is a building that will not have a need for any type of new construction in order for it to be converted over to a chiropractic office.
No new payment will be required because it will have -- It has impervious use area, adequate, that's been reviewed by the drainage

engineer.
So the impact on this, should the board approve it for the uses that the doctor and his son have for it, I would say still fall within the de minimis range.
In summary, Mr. Chairman, your expert staff has reviewed our application for all of the criteria that we had on the board.
The staff has concurred that, with that modification we made to it, that we pass all six.
And, again, we would ask the board's consideration to approve it, based on those approval processes, Mr. Chairman.
THE CHAIRMAN: Okay. Thank you, sir.
Any questions?
MR. PYLE: Mr. Page, I had asked earlier -- And, again, you may choose not to answer. I certainly respect that.
The board's purview is to judge this zoning based upon just the facts and the change from one zoning to another.
But I was curious as to what the doctor's plans are for this property, one; and, b -- or 2, does -- would the doctor live on -- on

premises? Again, just curious. If you choose not to answer, I totally understand.
MR. PAGE: Thank you.
THE CHAIRMAN: Okay. I have a question for Mr. Jones.
MR. JONES: Yes, sir.
THE CHAIRMAN: Mr. Page testified here that with the updated compatibility study that's submitted, the staff believes that all five criteria are met.
Is that the position of the county staff?
MR. JONES: Staff does take that position, if the board so wishes to accept the compatibility analysis.
THE CHAIRMAN: Okay. As far as your review of the compatibility analysis, it meets the standards . . .
MR. JONES: Yes.
THE CHAIRMAN: . . . for what you've been looking at.
MR. JONES: Yes, sir.
THE CHAIRMAN: Okay.
All right. Board members, any questions? Discussions?
I did ask if we could bring up the MDR and

HDMU categories. And maybe it's possible to get them side by side.
Is that possible in today's technology world?
Putting you on the spot, Kayla.
If you can't get them side by side, that's fine. We can review them.
MR. FEARS: Click on a tab and pull on it.
MS. MEADOR: Yes.
MR. GRAY: Pull it down there.
MS. MEADOR: Yes.
MR. GRAY: Okay.
MR. FEARS: It will become its own window. There you go.
(Discussion held off the record.)
MR. GRAY: Still push it to the top. It will stay. Partially, anyway.
(Discussion held off the record.)
THE CHAIRMAN: Mr. Fears has got it dialed in, too.
Okay. So let's just first take a look at HDMU so everybody understands what is allowed in that.
These are permitted uses. All of those areas surrounding the property that are already

HDMU would not require coming to the Planning Board for any zoning changes. They would, however, go through the . . .
MR. JONES: Site plan.
THE CHAIRMAN: . . . site plan review.
MR. JONES: Yes, sir.
THE CHAIRMAN: The development review process, as we now call it.
MR. JONES: Yes, sir.
THE CHAIRMAN: Okay.
MR. INGWELL: Staff, you mentioned that the property is currently legal nonconforming.
Can you go into detail on that?
MR. JONES: Well, a nonconforming use -- Basically, very, very briefly, a legal nonconforming use is a use that basically was -- was there, and -- and something changed with the zoning. That's -- that's in a quick nutshell. Some of the rules changed.
We would call that a nonconforming use. And -- and with that, that use, it continued to operate if it meets the criteria now.
Now, if they choose to expand or add on or -- or things like that, they will not be able to do that unless they make the zoning

conforming.
Now, they could make interior modifications, alterations, but as far as changed to a completely different use, in a nutshell, they cannot.
Now, if they choose to -- if they choose to operate and they go out of business within a certain period of time, that zoning category takes precedence. They have lost -- what we call lost the nonconforming status, because they will close within -- I think it's a year, I believe. I believe that's what the code says. So that is -- I can go more in detail than that, but that is a -- that's a Cliff Notes version.
MR. INGWELL: So basically the use is almost grandfathered in?
MR. JONES: Basically. If you want to -- if you want to -- Everybody's aware of that term, and basically . . . There's a slight difference between grandfathered and legal nonconforming, but everyone is aware -- Call it grandfathered in.
THE CHAIRMAN: Mr. Jones, another question.
So as our code is today, there's no

category between MDR and HDMU.
I heard you mention before the old zoning had some other categories like R-2, R-3, R-6.
MR. JONES: Right.
THE CHAIRMAN: And R-6 was one of those more transitional-type areas . . .
MR. JONES: Yes.
THE CHAIRMAN: . . . that allowed for offices, and things like that.
MR. JONES: Right.
THE CHAIRMAN: And that's what converted into the HDMU.
MR. JONES: Right.
Now, there -- there is another zoning category that comes between HDMU and MDR. That zone is called HDR, which stands for high-density residential uses.
That would bring in . . . that would bring in apartments and some of the quads, and different things like that. That is between MDR and HDMU. That's the high-level residential development, like for apartments.
THE CHAIRMAN: Right. Okay.
And so in this case, because it's not really their intent, that wouldn't be

appropriate.
MR. JONES: Absolutely. Absolutely.
THE CHAIRMAN: Okay. That's all the questions I have, board members.
Can we bring up the compatibility study that Mr. Page presented? And let's take a look at his rationale and how he came up with those.
MR. PYLE: In bringing that up, I just kind of wanted to go -- I certainly accepted that document as evidence, based upon Mr. Page's expertise.
I don't know that I necessarily agree with the . . . I'm curious about the county's findings that this -- this document changed their opinion and therefore altered their finding on -- Personally, I may or may not have, based upon what is existing on the ground as a part of the picture, then, when you put up HDMU versus -- again, colors on a map versus what's actually there.
THE CHAIRMAN: Is it fair to say, Mr. Jones, that in some cases a category could go either way, depending on information like this presented?
MR. JONES: (Nods head up and down.)

THE CHAIRMAN: And that's why you kind of leave it to the Planning Board for --
MR. JONES: Yes.
THE CHAIRMAN: -- an opinion on these type of things?
MR. JONES: Yes.
THE CHAIRMAN: So --
MR. JONES: You are correct.
Because, again, there is . . . It's not too . . . There are certain criteria that you have to meet.
And, basically, because this is -- this is an arterial road, yes, but there are intersections that you got to be in, so it did -- it did not meet that criteria between arterial -- arterial intersection or collector -- collector intersection.
Now, it's a long arterial, but -- but the criteria says -- it says -- it says, "And connecting to intersections within a certain distance." Therefore, from the strict overview of that, it did not meet the location criteria.
Now, with a compatibility analysis, that is -- that is presented by the board -- board, so if you wish to accept, there is a commercial

Page 93

use that's there.
The buffering standards, the landscaping, all of those things are existing use. All of those things can basically make it compatible over the duration, as long as it does not cause an adverse impact on the surrounding area.
Traffic. Lillian Highway is an arterial road. That's not governed by the -- by the county. That's governed by DOT. So we really got limited. Says so when it come to the expansion, maintenance, and what can go there. Yes, also to the -- Thank you, County Attorney. There's a traffic study that's in the back as well.
THE CHAIRMAN: So, board members, you may have differing opinions on this, but in my mind, when I look at the compatibility with surrounding areas, I'm looking at, first of all, compatibility with existing zonings that are next to it or adjacent and --
MR. FEARS: Right.
THE CHAIRMAN: And then secondarily, compatibility with the actual uses that are on those properties is another consideration.
So in this case, this property is

Page 94

completely surrounded by the HDMU district, so I'm not sure 100 percent of why it got that lower classification when everything was redone.
But it's almost like what you would consider to be reverse spot zoning, is that in the fact that it's in the middle of higher uses, so . . .
MR. GRAY: And, Mr. Chair, I mean, just -- just understand that the things that I said are patterns.
In other words, it's simply the norm. It does not mean that this could have been the exception. There could have been some other reason why this was in essence made that single outlier among the others around it.
I just said that in my experience, the pattern has been quite often what was on the ground usually, what was then referenced -- reflected, I would say, in the map.
THE CHAIRMAN: Right.
MR. PYLE: I would say, Mr. Chair, just to take issue with one thing you said. Not higher uses but higher zoning. The usage is not higher.
If you'd like to see the higher usage, you

Page 95

go on the the other side of Lillian Bridge. That would be an existing higher usage.
UNIDENTIFIED VOICE IN THE AUDIENCE: There's nothing there.
MR. PYLE: Much like -- much like further down towards the Greer's and the shopping center.
THE CHAIRMAN: Okay.
Is anyone ready to make a motion on this or do you want to continue to have further discussion on it?
Since we don't have a motion on the floor, we still can ask Mr. Page or staff questions at this point.
MR. GRAY: Okay, Mr. Chair, I think I'd like to make a motion.
And I'm just wondering if my motion has to include the addendum or the extra piece of analysis that was presented by Mr. Page or does it not?
I'm going to ask my legal representative if I do or not. Do we now agree that staff accepts all five criteria as . . .
MS. CRAWFORD: Mr. Jones could answer that question.

Page 96

It's my understanding that they would still object to the one criteria that was changed. You would consider all evidence, to include Mr. Page's addendum in making your motion.
So, you know, it would be your responsibility to look at everything that's been submitted.
Now, whether or not you want to accept that versus staff's analysis, that's, you know, your decision, if that makes sense.
MR. GRAY: It does make sense.
I just wanted to make sure that I had to make a motion to incorporate supplemental data that was presented by the applicant for criterion C, correct?
MS. CRAWFORD: Right.
If you disagree with -- Typically, the way you guys handle this is, whenever there's a disagreement with staff's findings, you'll address that finding and explain why you're determining something differently.
As long as you address the five criteria in whichever manner, you know, you deem appropriate, it should be fine.

MR. GRAY: In this criterion, I'm just making sure.
MS. CRAWFORD: Yes.
MR. GRAY: Okay. So thank you for this piece of paper. This does help, Mr. Chair.
So I've got a motion I'm going to present to the board. See what we think here.
So I have a motion to recommend the approval of Z-2019-2. And I'm going to take exception with the staff's finding of criterion C because I think the --
MR. JONES: For the record, it would be criterion B.
MR. GRAY: I knew I heard it, and I wasn't sure if I heard it from you. So thank you.
So it was criterion B. Because I think there was a reasonable argument made by the applicant for B. And that's my motion.
THE CHAIRMAN: Okay. Do we have a second?
MR. FEARS: Second.
THE CHAIRMAN: Any further discussion?
(No response.)
THE CHAIRMAN: All those in favor say "aye."
(Chorus of "ayes.")

THE CHAIRMAN: Opposed?
MR. PYLE: Nay.
THE CHAIRMAN: Okay. We have one opposed. That was Pyle.
MR. PYLE: Yes.
THE CHAIRMAN: All right. So the motion passes 4 to 1, so it will go to the Board of County Commissioners.
All of you that have had concerns will have the opportunity, if you spoke here today, to go and present those concerns in front of the Commissioners.
They do make the final decisions. This is our recommended order to them. They make the final decision.
And there have been times when they changed the decision that we've recommended. And that's certainly within their purview.
So if you don't agree with the recommended order, then I would encourage you to go in front of the Board of County Commissioners.
All right. Thank you very much.
If you are leaving, please do so orderly so we can continue on with the hearing.
(Hearing concluded at 10:20 a.m.)

Planning Board-Rezoning **7. A.**

Meeting Date: 02/05/2019

CASE : Z-2019-02

APPLICANT: Wiley C. "Buddy" Page, Agent for Slavoljub & Margaret Djuric, Owner

ADDRESS: 12960 Lillian Highway & 12400 Blk Lillian Highway

PROPERTY REF. NO.: 02-2S-32-1001-030-010 & 02-2S-32-1001-043-010

FUTURE LAND USE: MU-S, Mixed-Use Suburban

DISTRICT: 1

OVERLAY DISTRICT: N/A

BCC MEETING DATE: 03/07/2019

SUBMISSION DATA:

REQUESTED REZONING:

FROM: MDR, Medium Density Residential district (10 du/acre)

TO: HDMU, High Density Mixed-Use district (25 du/acre)

RELEVANT AUTHORITY:

(1) Escambia County Comprehensive Plan
(2) Escambia County Land Development Code
(3) Board of County Commissioners of Brevard County v. Snyder, 627 So. 2d 469 (Fla. 1993)
(4) Resolution 96-34 (Quasi-judicial Proceedings)
(5) Resolution 96-13 (Ex-parte Communications)

APPROVAL CONDITIONS

Criterion a., LDC Sec. 2-7.2(b)(4)

Consistent with Comprehensive Plan

The proposed zoning is consistent with the future land use (FLU) category as prescribed in LDC Chapter 3, and with all other applicable goals, objectives, and policies of the Comprehensive Plan. If the rezoning is required to properly enact a proposed FLU map amendment transmitted for state agency review, the proposed zoning is consistent with the proposed FLU and conditional to its adoption.

Comprehensive Plan (CPP) FLU 1.1.1 Development Consistency. New

development and redevelopment in unincorporated Escambia County shall beconsistent with the Escambia County Comprehensive Plan and the Future LandUse Map (FLUM).

CPP FLU 1.3.1 Future Land Use Category The Mixed-Use Suburban (MU-S) Future Land Use (FLU) category is intended for a mix of residential and nonresidential uses while promoting compatible infill development and theseparation of urban and suburban land uses. Range of allowable uses include: Residential, Retail and Services, Professional Office, Recreational Facilities, Public and Civic. The maximum residential density is twenty five dwelling units per acre.

CPP FLU 1.5.1 New Development and Redevelopment in Built Areas. To promote the efficient use of existing public roads, utilities and service infrastructure, the County will encourage redevelopment in underutilized properties to maximize development densities and intensities located in the Mixed Use-Suburban, Mixed Use-Urban, Commercial and Industrial Future Land Use districts categories (with the exception of residential development).

CPP FLU 2.1.2 Compact Development. To promote compact development, FLUM amendments and residential rezonings to allow higher residential densities may be may be allowed in the Mixed-Use Urban (MU-U) and Mixed-Use Suburban (MU-S) future land use categories.

FINDINGS

The proposed amendment to HDMU **is consistent** with the intent and purpose of FLU category MU-S, as stated in CPP FLU 1.3.1. The current FLU allows for residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses. The proposed development will use the existing roads and infrastructure.

Criterion b., LDC Sec. 2-7.2(b)(4)

Consistent with The Land Development Code

The proposed zoning is consistent with the purpose and intent and with any other zoning establishment provisions prescribed by the proposed district in Chapter 3.

MDR, Medium Density Residential.

Purpose. The Medium Density Residential (MDR) district establishes appropriate areas and land use regulations for residential uses at medium densities within suburban or urban areas. The primary intent of the district is to provide for residential neighborhood development in an efficient urban pattern of well-connected streets and at greater dwelling unit density than the Low Density Residential district. Residential uses within the MDR district are limited to single-family and two-family dwellings. The district allows non-residential uses that are compatible with suburban and urban residential neighborhoods.

HDMU, High Density Mixed-Use

(a) Purpose. The High Density Mixed-use (HDMU) district establishes appropriate areas and land use regulations for a complimentary mix of high density residential uses and compatible non-residential uses within urban areas. The primary intent of the district is to provide for a mix of neighborhood retail sales, services and professional offices with greater dwelling unit density and diversity than the Low Density Mixed-use district. Additionally, the HDMU district is intended to rely on urban street connectivity and encourage vertical mixes of commercial and residential uses within the same building to accommodate a physical pattern of development characteristic of village main streets and older neighborhood commercial areas. Residential uses within the district include all forms of single-family, two-family and multi-family dwellings.

(b) Permitted uses. Permitted uses within the HDMU district are limited to the following;

(1) Residential. The following residential uses are allowed throughout the district, but if within a Commercial (C) future land use category they are permitted only if part of a predominantly commercial development.

a. Group living, excluding dormitories, fraternity and sorority houses, and residential facilities providing substance abuse treatment, post-incarceration reentry, or similar services.

b. Manufactured (mobile) homes, including manufactured home subdivisions, but excluding new or expanded manufactured home parks.

c. Single-family dwellings (other than manufactured homes), detached or attached, including townhouses and zero lot line subdivisions.

d. Two-family and multi-family dwellings. See also conditional uses in this district.

(2) Retail sales. Small-scale (gross floor area 6000 sq.ft. or less per lot) retail sales, including Low-THC marijuana dispensing facilities, sales of beer and wine, but excluding sales of liquor, automotive fuels, or motor vehicles, and excluding permanent outdoor storage, display, or sales. See also conditional uses in this district.

(3) Retail services. The following small-scale (gross floor area 6000 sq.ft. or less per lot) retail services, excluding outdoor work or permanent outdoor storage:

a. Bed and breakfast inns.

b. Boarding and rooming houses.

c. Child care facilities.

d. Personal services, including those of beauty shops, health clubs, pet groomers, dry cleaners, and tattoo parlors.

e. Professional services, including those of realtors, bankers, accountants, engineers, architects, dentists, physicians, and attorneys.

f. Repair services, including appliance repair, furniture refinishing and upholstery, watch and jewelry repair, small engine and motor services, but excluding major motor vehicle or boat service or repair.

g. Restaurants, and brewpubs, including on-premises consumption of alcoholic beverages, but excluding drive-in or drive-through service and brewpubs with distribution of alcoholic beverages for off-site sales.

See also conditional uses in this district.

Public and civic.

a. Preschools and kindergartens.

b. Emergency service facilities, including law enforcement, fire fighting, and medical assistance.

c. Foster care facilities.

d. Places of worship.

e. Public utility structures, excluding telecommunications towers.

See also conditional uses in this district.

(5) Recreation and entertainment.

a. Marinas, private only.

b. Parks without permanent restrooms or outdoor event lighting.

See also conditional uses in this district.

(6) Industrial and related. No industrial or related uses.

(7) Agricultural and related. Agricultural production limited to food primarily for personal consumption by the producer, but no farm animals.

(8) Other uses. [Reserved]

(c) Conditional uses. Through the conditional use process prescribed in Chapter 2, the BOA may conditionally allow the following uses within the HDMU district:

(1) Residential.

a. Dormitories.

b. Fraternity and sorority houses.

c. Manufactured (mobile) home parks.

(2) Retail sales. Medium-scale (gross floor area greater than 6000 sq.ft. per lot, but no greater than 35,000 sq.ft.) retail sales, including sales of beer and wine and automotive fuels, but excluding sales of motor vehicles and liquor, and excluding permanent outdoor storage, display, or sales.

Retail services.

a. Medium-scale (gross floor area greater than 6000 sq. ft. per lot, but no greater than 35,000 sq. ft.) retail services, excluding motor vehicle service and repair.

b. Restaurants and brewpubs with drive-in or drive-through service and brewpubs with the distribution of on-premises produced alcoholic beverages for off-site sales.

c. Small-scale (gross floor area 6000 sq.ft. or less per lot) major motor vehicle service and repair, excluding painting or body work and outdoor work.

Public and civic.

a. Broadcast stations with satellite dishes and antennas, excluding towers.

b. Cemeteries, including family cemeteries.

c. Clubs, civic and fraternal.

d. Community service facilities, including auditoriums, libraries, museums, and neighborhood centers. e. Cinerators.

f. Educational facilities not among the permitted uses of the district.

g. Funeral establishments.
h. Hospitals.
i. Offices for government agencies or public utilities.
j. Public utility structures exceeding the district structure height limit and telecommunications towers of any height, excluding any industrial uses.
k. Warehousing or maintenance facilities for government agencies or public utilities.
(5) Recreation and entertainment.
a. Amusement arcade centers and bingo facilities.
b. Golf courses, tennis centers, swimming pools and similar active outdoor recreational facilities, including associated country clubs.
c. Parks with permanent restrooms or outdoor event lighting.
(6) Industrial and related. Microbreweries, microdistilleries, and microwineries
(7) Agricultural and related.
a. Horses or other domesticated equines kept on site, and stables for such animals, only as a private residential accessory with a minimum lot area of two acres and a maximum of one animal per acre.
b. Veterinary clinics.
(8) Other uses.
a. Self-storage facilities with a maximum lot area of one acre and outdoor storage limited to operable motor vehicles and boats. No vehicle rental.
b. Structures of permitted uses exceeding the district structure height limit, excluding telecommunications towers.
(d) Site and building requirements. The following site and building requirements apply to uses within the HDMU district:
(1) Density. A maximum density of 25 dwelling units per acre.
(2) Floor area ratio. A maximum floor area ratio of 1.0 within the Commercial (C) future land use category and 2.0 within Mixed-Use Urban (MU-U).
(3) Structure height. A maximum structure height of 150 feet above highest adjacent grade.
(4) Lot area. No minimum lot area unless prescribed by use.
(5) Lot width. Except for cul-de-sac lots which shall provide a minimum lot width of 20 feet at the street right-of-way, the following minimum lot widths are required:
a. Single-family detached. Forty feet at the street right-of-way for single-family detached dwellings.
b. Two-family. Eighty feet at the street right-of-way for two-family dwellings.
c. Multi-family and other. Eighty feet at the street right-of-way for multi-family dwellings, boarding or rooming houses, or townhouse groups. No minimum lot width required by zoning for other uses.
(6) Lot coverage. Minimum pervious lot coverage of 20 percent (80 percent maximum semi-impervious and impervious cover) for all uses.
(7) Structure setbacks. For all principal structures, minimum setbacks are:
a. Front and rear. Twenty feet in the front and 15 feet in the rear.
b. Sides. Ten feet on each side of a group of attached townhouses. On each side of all other structures, 10 feet or 10 percent of the lot width at the street

right-of-way, whichever is less, but at least five feet. For structures exceeding 35 feet above highest adjacent grade, an additional two feet for each additional 10 feet in height, but not required to exceed 15 feet.
c. Corner lots. Will have one front setback and one side setback.
(8) Other requirements. Refer to chapters 4 and 5 for additional development regulations and standards.
(e) Location criteria. All new non-residential uses proposed within the HDMU district that are not part of a predominantly residential development or a planned unit development, or are not identified as exempt by district regulations, shall be on parcels that satisfy at least one of the following location criteria:
(1) Proximity to intersection. Along an arterial or collector street and within 200 feet of an intersection with another arterial or collector.
(2) Proximity to traffic generator. Along an arterial or collector street and within a one-quarter mile radius of an individual traffic generator of more than 600 daily trips, such as an apartment complex, military base, college campus, hospital, shopping mall or similar generator.
(3) Infill development. Along an arterial or collector street, in an area where already established non-residential uses are otherwise consistent with the HDMU district, and where the new use would constitute infill development of similar intensity as the conforming development on surrounding parcels. Additionally, the location would promote compact development and not contribute to or promote strip commercial development.
(4) Site design. Along an arterial street and at the intersection with a local street that serves to connect the arterial street to another arterial, and all of the following site design conditions:
a. Any intrusion into a recorded residential subdivision is limited to a corner lot.
b. Access and stormwater management is shared with adjoining uses or properties to the extent practicable.
c. Adverse impacts to any adjoining residential uses are minimized by placing the more intensive elements of the use, such as solid waste dumpsters and truck loading/unloading areas, furthest from the residential uses.
(5) Documented compatibility. A compatibility analysis prepared by the applicant provides competent substantial evidence of unique circumstances regarding the parcel or use that were not anticipated by the alternative criteria, and the proposed use will be able to achieve long-term compatibility with existing and potential uses. Additionally, the following conditions exist:
a. The parcel has not been rezoned by the landowner from the mixed-use, commercial, or industrial zoning assigned by the county.
b. If the parcel is within a county redevelopment district, the use will be consistent with the district's adopted redevelopment plan, as reviewed and recommended by the Community Redevelopment Agency (CRA).
(f) Rezoning to HDMU. High Density Mixed-use zoning may be established only within the Mixed-Use Suburban (MU-S), Mixed-Use Urban (MU-U), or Commercial (C) future land use categories. The district is suitable for areas where the intermixing of uses has been the custom, where future uses are uncertain,

and some redevelopment is probable. The district is appropriate to provide transitions between areas zoned or used for medium or high density residential and areas zoned or used for commercial. Rezoning to HDMU is subject to the same location criteria as any new non-residential use proposed within the HDMU district.

FINDINGS

The proposed amendment to HDMU is consistent with the intent and purpose of the Land Development Code (LDC). HDMU zoning allows for a mix of neighborhood commercial and residential uses. The subject properties are adjacent to HDMU zoned parcels and currently have access from Lillian Hwy. The applicant provided supporting documentation for both parcels to address location criteria per the LDC requirements.

Criterion c., LDC Sec. 2-7.2(b)(4)

Compatible with surrounding uses

All the permitted uses of the proposed zoning, not just those anticipated by the rezoning applicant, are compatible, as defined in Chapter 6, with the surrounding uses. The uses of any surrounding undeveloped land shall be considered the permitted uses of the applicable district. Compatibility is not considered with potential conditional uses or with any nonconforming or unapproved uses. Also, in establishing the compatibility of a residential use, there is no additional burden to demonstrate the compatibility of specific residents or activities protected by fair housing law.

FINDINGS

The proposed amendment is compatible with surrounding existing uses in the area. Within the 500' ft radius area, staff identified properties within zoning districts MDR and HDMU. Both parcels are currently surrounded by HDMU zoning and the proposed development will be consistent with similar densities and intensities in the area. One parcel currently has a dentist office on site; any future development of the adjoining parcel will be reviewed through the Site Plan Review Process.

Criterion d., LDC Sec. 2-7.2(b)(4)

Appropriate if spot zoning

Where the proposed zoning would establish or reinforce a condition of spot zoning as defined in Chapter 6, the isolated district would nevertheless be transitional in character between the adjoining districts, or the differences with those districts would be minor or sufficiently limited. The extent of these mitigating characteristics or conditions demonstrates an appropriate site specific balancing of interests between the isolated district and adjoining lands. **As per LDC Chapter 6, Spot Zoning is:** *Zoning applied to an area of land, regardless of its*

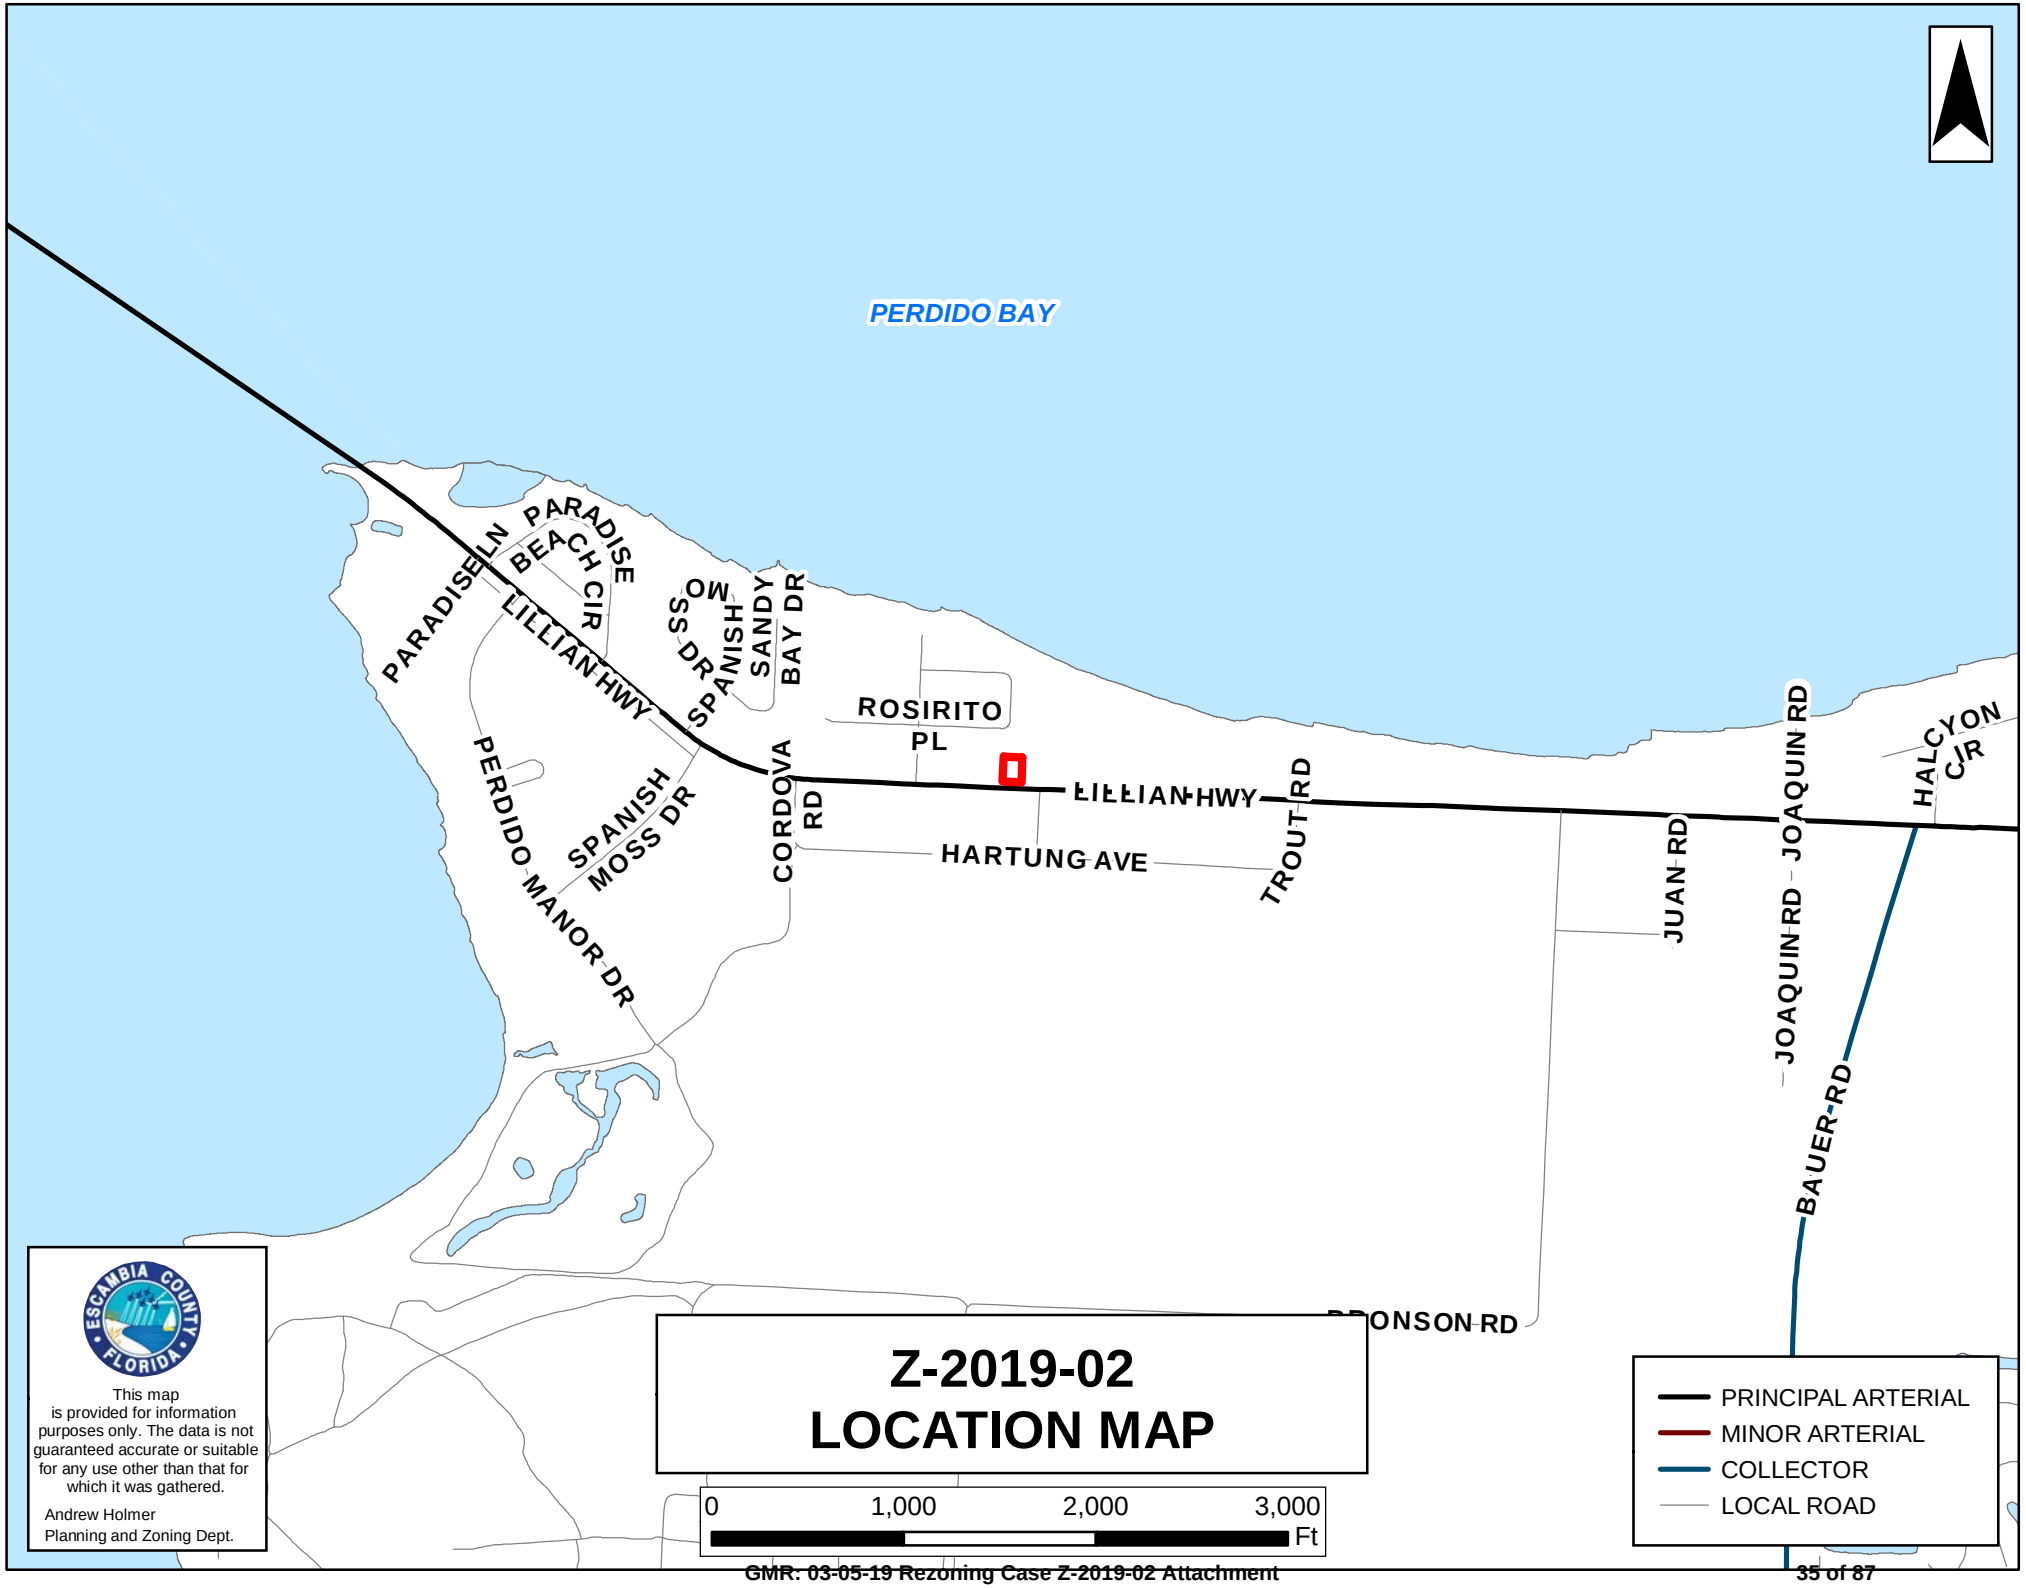
size, that is different from the zoning of all contiguous land. Such isolated or "spot" zoning is usually higher in its density or intensity of use than the adjoining zoning and may, therefore, extend privileges not generally extended to property similarly located in the area. Spot zoning is not by itself prohibited, but due to its potentially adverse impacts on adjoining zoning it carries a higher burden of demonstration that, if authorized, it will contribute to or result in logical and orderly development.

FINDINGS

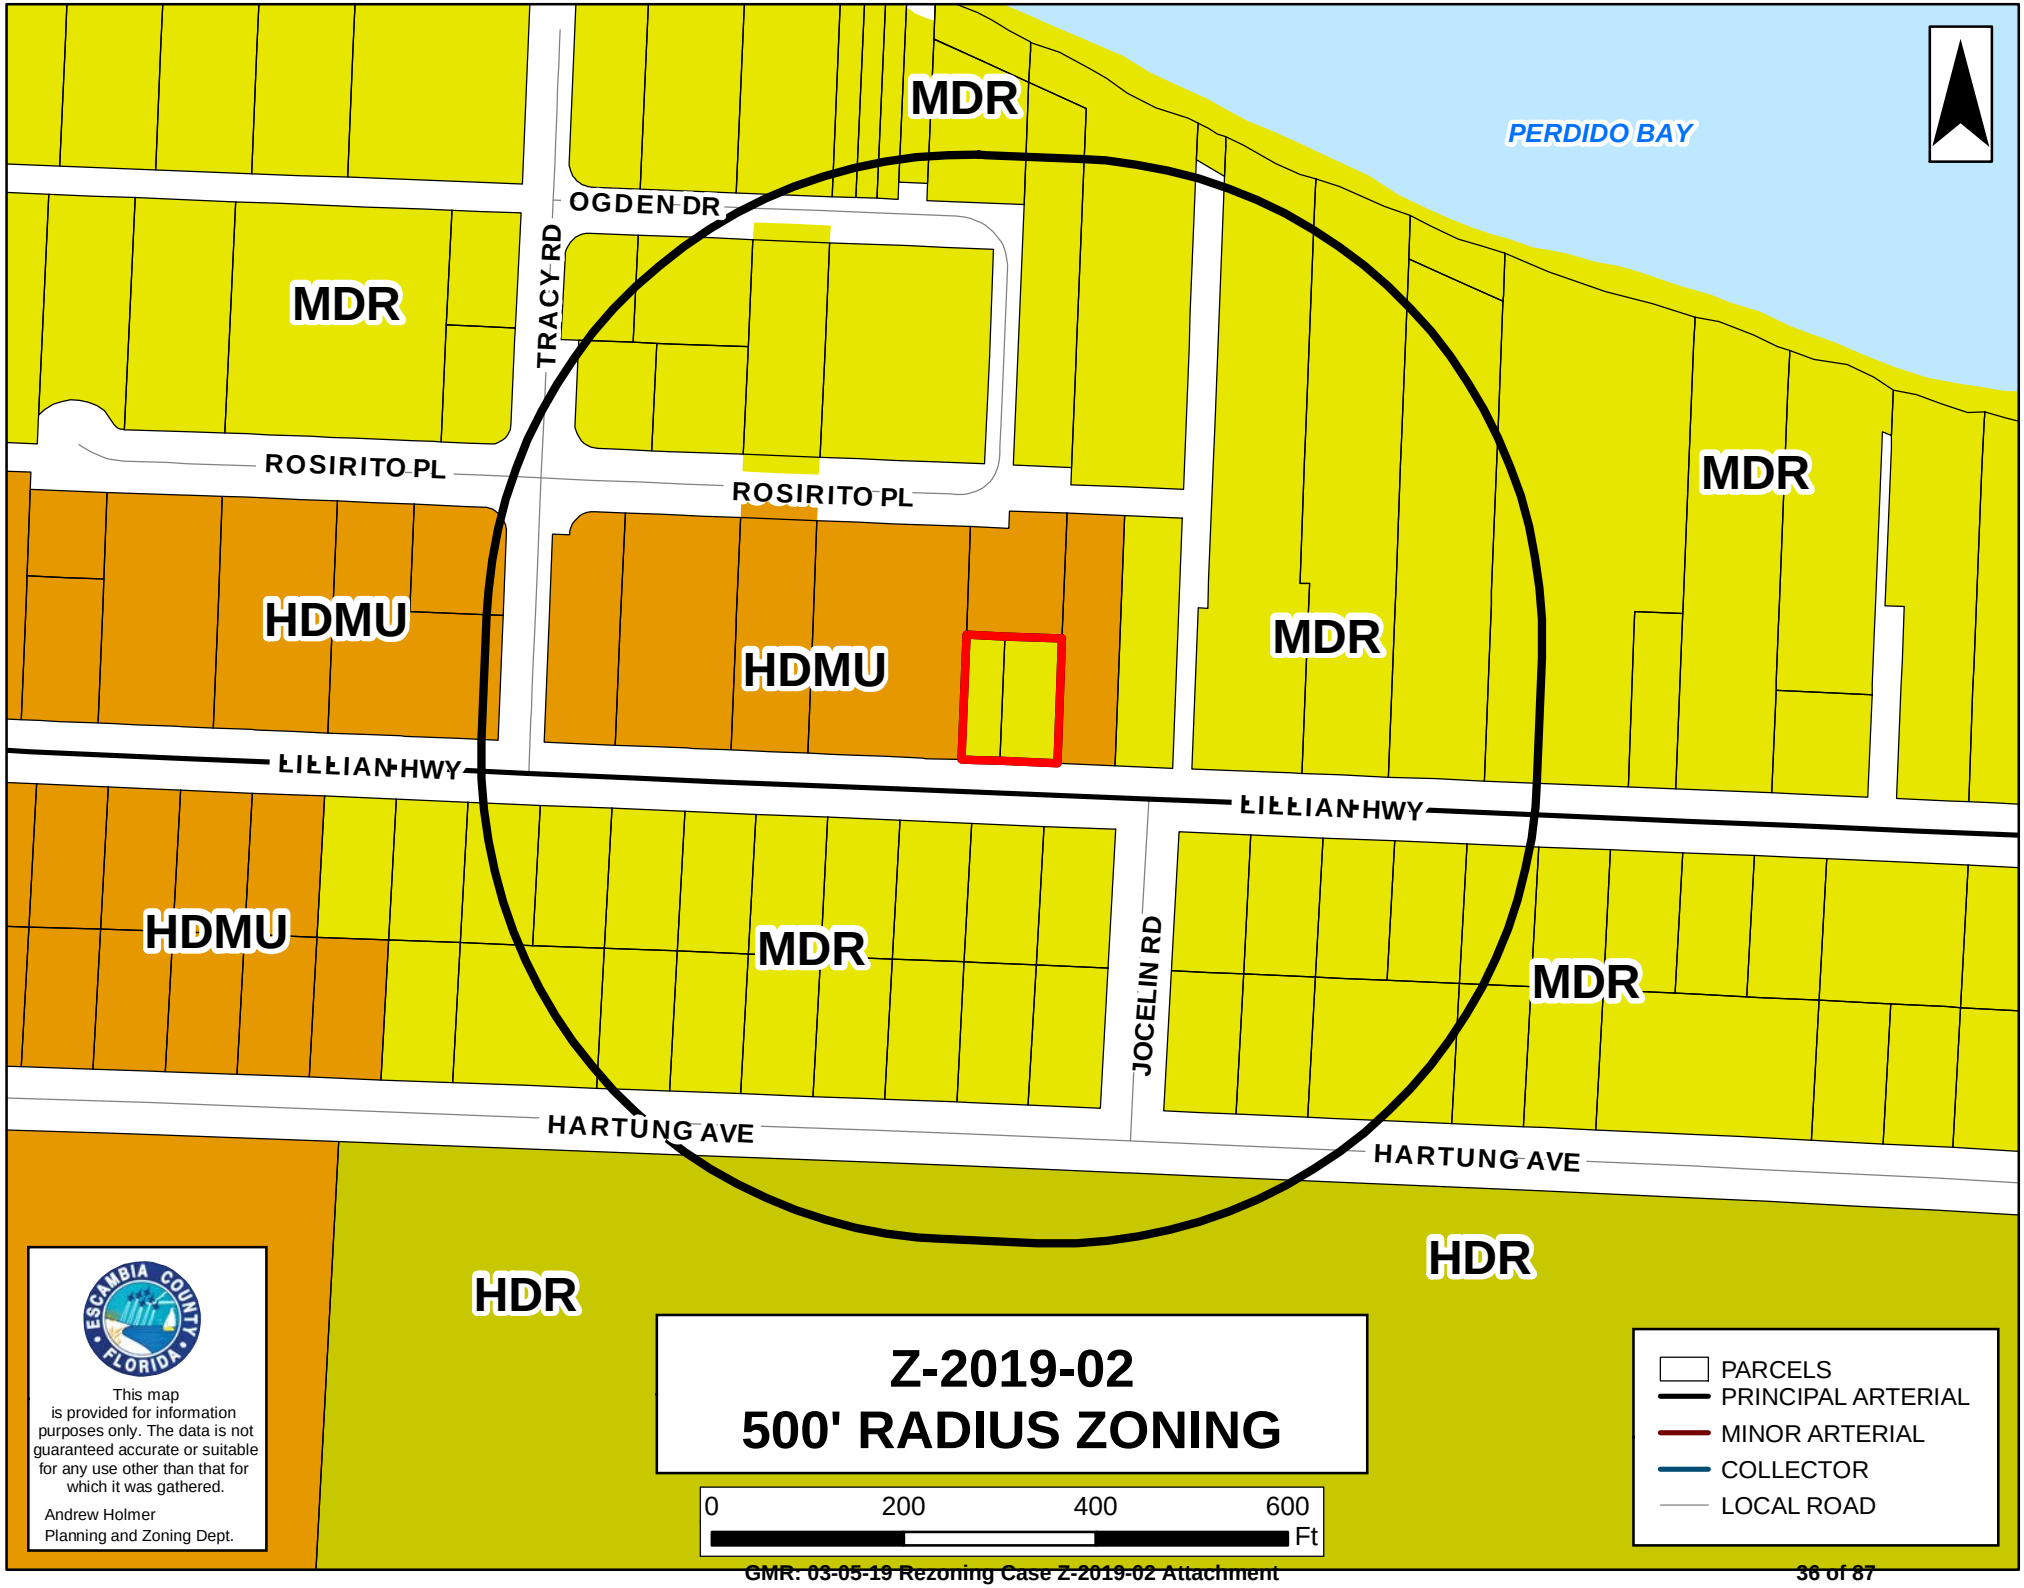
Based on the LDC language, the requested ammendment **would not** be considered to be spot zoning as the adjoining parcels are currently zoned HDMU.

Criterion e., LDC Sec. 2-7.2(b)(4)

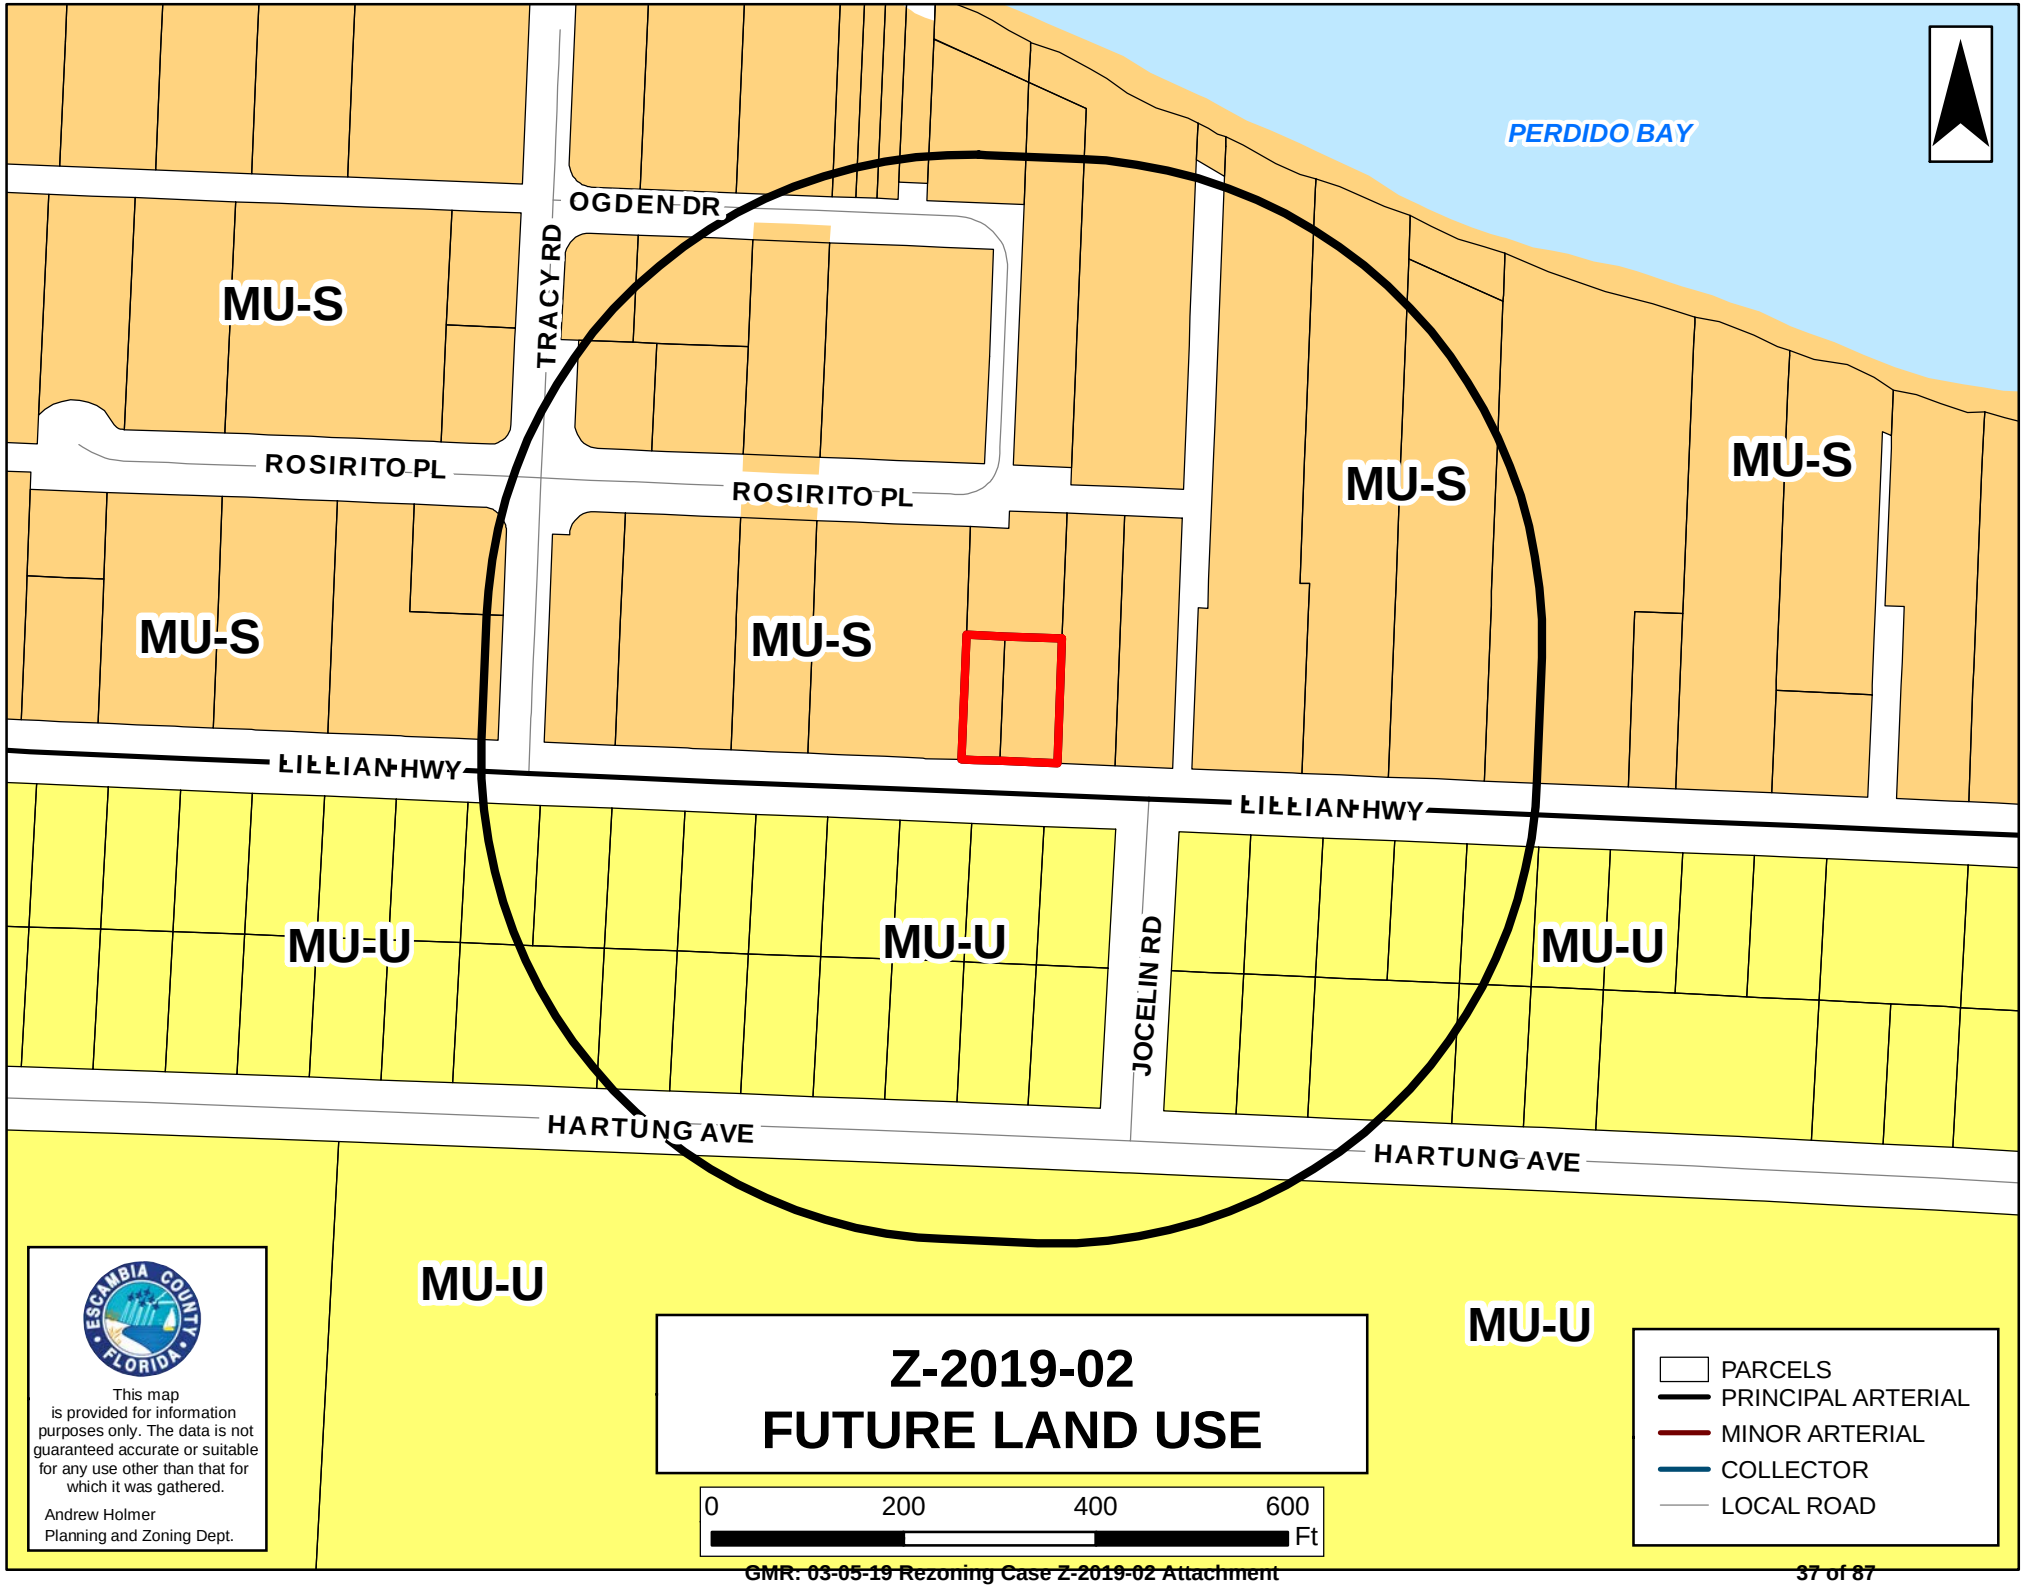
Appropriate with changed or changing conditions



If the land uses or development conditions within the area surrounding the property of rezoning have changed, the changes are to such a degree and character that it is in the public interest to allow new uses, density, or intensity in the area through rezoning; and the permitted uses of the proposed district are appropriate and not premature for the area or likely to create or contribute to sprawl.



FINDINGS



The land uses or development conditions within the area surrounding the property of rezoning **have not** changed due to new developments or land use changes. The proposed rezoning to HDMU will share the same allowable uses and intensities as the adjoining parcels.

VIA HAND DELIVERY

Mr. Horace Jones, Director
Department of Growth Management
3363 West Park Avenue
Pensacola, Florida 32505

RE: **Rezoning request: MDR to HDMU**
Parcel: **02-2S-32-1001-030-010 &**
02-2S-32-1001-043-010
Owner: **Dr. S. & Margaret Djuric**
Address: **12960 Lillian Hwy Pensacola**

Dear Mr. Jones:

The attached application requests Planning Board consideration to rezone the referenced parcels from **MDR** to **HDMU** classification. The lots are located on Lillian Highway which is classified by the FDOT as a Principal Arterial Urban roadway facility (see FDOT map enclosed).

This classification should satisfy those requirements at **LDC Sec. 3-2.9(e)(30) Infill Development** wherein requiring new development to be located along an arterial roadway, and not promoting strip commercial development.

The application contains the required filing fee together with additional information regarding location, proof of ownership and referenced materials. Please contact me if you have any questions or require anything further. Thank you.

Very truly yours,

Wiley C."Buddy" Page

   Business Phone: _____ Cell: 850-232-9853

   Email: budpage1@att.net

   ***Note:** Owner must complete the attached Agent Affidavit. If there is more than one owner, each owner must complete an Agent Affidavit. Application will be voided if changes to this application are found.*

2. **Property Information:**

   A. Existing Street Address: 12960 Lillian Highway Pensacola, Florida 32506

   Parcel ID (s): 02-2S-32-1001-030-010 & 02-2S-32-1001-043-010

   B. Total acreage of the subject property: 0.298ac

   C. Existing Zoning: MDR

   Proposed Zoning: HD/MU ; explain why necessary and/or appropriate

   Medical offices not a listed use within the MDR category while it is within HD/MU.

   FLU Category: MU-S

D. Is the subject property developed (if yes, explain): _____
Existing dental office on easterly lot as shown on enclosed photo; west lot is vacant.

E. Sanitary Sewer: _____ Septic: X

3. Amendment Request

Approval conditions. The applicant has the burden of presenting competent substantial evidence to the reviewing board establishing that the requested zoning district would contribute to or result in a logical and orderly development pattern. The appropriate surrounding area within which uses and conditions must be considered may vary with those uses and conditions and is not necessarily the same area required for mailed notification. A logical and orderly pattern shall require demonstration of each of the following conditions:

Please address *ALL* the following approval conditions for your rezoning request. (use supplement sheets as needed)

a. Consistent with Comprehensive Plan. The proposed zoning is consistent with the future land use (FLU) category as prescribed in LDC Chapter 3, and with all other applicable goals, objectives, and policies of the Comprehensive Plan. If the rezoning is required to properly enact a proposed FLU map amendment transmitted for state agency review, the proposed zoning is consistent with the proposed FLU and conditional to its adoption.

As depicted on Attachment A herein, the requested HD/MU is shown as being consistent with the Mix Use Surburban Future Land Use Category found at LDC Sec. 3-1.3.

b. Consistent with zoning district provisions. The proposed zoning is consistent with the purpose and intent and with any other zoning establishment provisions prescribed by the proposed district in Chapter 3

LDC Sec. 3-2.9(b)(3)d establishes areas for a complimentary mix of residential uses and compatible non-residential uses in urban areas. This stated purpose is consistent with the requested change and use of the subject property.

c. **Compatible with surroundings.** All of the permitted uses of the proposed zoning, not just those anticipated by the rezoning applicant, are compatible, as defined in Chapter 6, with the surrounding uses. The uses of any surrounding undeveloped land shall be considered the permitted uses of the applicable district. Compatibility is not considered with potential conditional uses or with any nonconforming or unapproved uses. Also, in establishing the compatibility of a residential use, there is no additional burden to demonstrate the compatibility of specific residents or activities protected by fair housing law.

Compatibility is assured in theat the requested HDMU category will be consistent with all adjacent properties because these adjacent properties are currently zoned HDMU, which is the same category as is being requested herewith.

d. **Appropriate if spot zoning.** Where the proposed zoning would establish or reinforce a condition of spot zoning as defined in Chapter 6, the isolated district would nevertheless be transitional in character between the adjoining districts, or the differences with those districts would be minor or sufficiently limited. The extent of these mitigating characteristics or conditions demonstrates an appropriate site-specific balancing of interests between the isolated district and adjoining lands.

As per LDC Chapter 6, Spot Zoning is: *Zoning applied to an area of land, regardless of its size, that is different from the zoning of all contiguous land. Such isolated or "spot" zoning is usually higher in its density or intensity of use than the adjoining zoning and may, therefore, extend privileges not generally extended to property similarly located in the area. Spot zoning is not by itself prohibited, but due to its potentially adverse impacts on adjoining zoning it carries a higher burden of demonstration that, if authorized, it will contribute to or result in logical and orderly development*

This request will not result in an isolated district; rather, it will provide an infill resulting in compatibility with all adjacent properties because all will share the same zoning catrgory.

e. **Appropriate with changed or changing conditions.** If the land uses or development conditions within the area surrounding the property of rezoning have changed, the changes are to such a degree and character that it is in the public interest to allow new uses, density, or intensity in the area through rezoning; and the permitted uses of the proposed district are appropriate and not premature for the area or likely to create or contribute to sprawl.

These properties front on Highway 98 which continues to show increased traffic densities as shown on Attachment B Traffic Counts. One of the lots contains the owners dental offices where he has practiced since 1998. If approved by the Planning Board, the owner plans to expand the building for offices for his son who is a chiopractor. These proposed changes are a result of overall increase in residental housing in the area and the increasing need for more dental and chiopractic services to the area.

4. **Please complete the following Forms: Concurrency Determination Acknowledgement and Affidavit of Owner/Limited Power of Attorney (if applicable).**

CONCURRENCY DETERMINATION ACKNOWLEDGMENT

Property Reference Number(s): 02-2S-32-1001-030.010 / 02-2S-32-1001-043-010

Property Address: 12960 LILLIAN HWY PENSACOLA, FL 32506

I/We acknowledge and agree that no future development for which concurrency of required facilities and services must be certified shall be approved for the subject parcel(s) without the issuance of a certificate of concurrency for the development based on the actual densities and intensities proposed in the future development's permit application.

I/We also acknowledge and agree that approval of a zoning district amendment (rezoning) or Future Land Use Map amendment does not certify, vest, or otherwise guarantee that concurrency of required facilities and services is, or will be, available for any future development of the subject parcels.

I/We further acknowledge and agree that no development for which concurrency must be certified shall be approved unless at least one of the following minimum conditions of the Comprehensive Plan will be met for each facility and service of the County's concurrency management system prior to development approval:

a. The necessary facilities or services are in place at the time a development permit is issued.

b. A development permit is issued subject to the condition that the necessary facilities and services will be in place and available to serve the new development at the time of the issuance of a certificate of occupancy.

c. For parks and recreation facilities and roads, the necessary facilities are under construction at the time the development permit is issued.

d. For parks and recreation facilities, the necessary facilities are the subject of a binding executed contract for the construction of the facilities at the time the development permit is issued and the agreement requires that facility construction must commence within one year of the issuance of the development permit.

e. The necessary facilities and services are guaranteed in an enforceable development agreement. An enforceable development agreement may include, but is not limited to, development agreements pursuant to Section 163.3220, F.S., or as amended, or an agreement or development order issued pursuant to Chapter 380, F.S., or as amended. For wastewater, solid waste, potable water, and stormwater facilities, any such agreement will guarantee the necessary facilities and services to be in place and available to serve the new development at the time of the issuance of a certificate of occupancy.

f. For roads, the necessary facilities needed to serve the development are included in the first three years of the applicable Five-Year Florida Department of Transportation (FDOT) Work Program or are in place or under actual construction no more than three years after the issuance of a County development order or permit.

I HEREBY ACKNOWLEDGE THAT I HAVE READ, UNDERSTAND AND AGREE WITH THE ABOVE STATEMENT ON THIS 21 ST DAY OF October, YEAR OF 2018.

5. Submittal Requirements

A. _____ Completed application: All applicable areas of the application shall be filled in and submitted to the Planning and Zoning Department, 3363 West Park Place, Pensacola, FL 32505.

B. _____ Application Fees: To view fees visit the website: http://myescambia.com/business/ds/planning-board or contact us at 595-3547

Note: Application fees include a $5 technical fee. Cost of the public notice mailing is to be borne by the applicant. Payments must be submitted prior to 3 pm of the closing date of acceptance of application. Please make checks payable to Escambia County. MasterCard and Visa are also accepted (a 3% fee will be added for credit card payments).

C. _____ Legal Proof of Ownership (ex: copy of Tax Notice or Warranty Deed) **AND** a Certified Boundary Survey (Include Corporation/LLC documentation if applicable.)

D. _____ Compatibility Analysis (if applicable): If the subject property does not meet the roadway requirements of Locational Criteria, a compatibility analysis prepared by the applicant is required to provide substantial evidence of unique circumstances regarding the parcel or use that were not anticipated by the alternative criteria. (See "Documented Compatibility" within the request zoning district of the LDC.)

E. _____ Signed and Notarized Affidavit of Owner/Limited Power of Attorney AND Concurrency Determination Acknowledgement (pages 4 and 5).

By my signature, I hereby certify that:

1) I am duly qualified as owner(s) or authorized agent to make such application, this application is of my own choosing, and staff has explained all procedures relating to this request; and

2) All information given is accurate to the best of my knowledge and belief, and I understand that deliberate misrepresentation of such information will be grounds for denial or reversal of this application and/or revocation of any approval based upon this application; and

3) I understand that there are no guarantees as to the outcome of this request, and that the application fee is non-refundable; and

4) I authorize County staff to enter upon the property referenced herein at any reasonable time for purposes of site inspection and authorize placement of a public notice sign(s) on the property referenced herein at a location(s) to be determined by County staff; and

5) I am aware that Public Hearing notices (legal ad and/or postcards) for the request shall be provided by the Development Services Bureau.

A 1,000sf Medical Dental facility will have a trip distribution of 36 trips per day as shown above.

DJURIC NEIGHBORHOOD COMPATIBILITY

The requested HDMU zoning district classification was selected because it contains the allowed use of professional offices as per the following excerpt from the adopted Escambia County Land Development Code:

Sec. 3-2.9 High Density Mixed-use district (HDMU). (a) Purpose. The High Density Mixed-use (HDMU) district establishes appropriate areas and land use regulations for a complimentary mix of high density residential uses and compatible non-residential uses within urban areas. The primary intent of the district is to provide for a mix of neighborhood retail sales, services and **professional offices** with greater dwelling unit density and diversity than the Low Density Mixed-use district. Additionally, the HDMU district is intended to rely on urban street connectivity and encourage vertical mixes of commercial and residential uses within the same building to accommodate a physical pattern of development characteristic of village main streets and older neighborhood commercial areas. Residential uses within the district include all forms of single-family, two-family and multi-family dwellings.

Dr. Djuric has maintained his dental practice at this location since 1998. The location contains two buildings, the dental office and an adjacent existing building as well. He anticipates his son will use the second building to open his new chiropractic offices. Both buildings will be used to provide medical services under the allowed "professional uses" referenced above. The existing dental office has proven itself to be compatible with the neighborhood for over 21 years. No new construction is anticipated on the building except for parking and a handicapped ramp addition out front. Dr. Djuric's proposed plans are contained in his attached letter dated November 15, 2018.

As shown on maps in the application, the property is surrounded by

lots that currently are zoned the same HDMU category as is being

requested by Dr. Djuric.

Sec. 3-1.6 Compatibility. (a) Generally. Zoning districts provide the primary means to establish and maintain the necessary balance between the needs and interests of **different land uses, allowing neighboring uses to coexist successfully in a stable fashion over time, protecting the investments in each.** Although zoning separates generally incompatible development, inclusion as a permitted use within a district does not alone ensure compatibility with other district uses. (b) Location criteria. Location criteria are established within some zoning districts to promote compatibility among uses, especially new non-residential uses in relation to existing residential uses. Most criteria are designed to create smooth transitions of use intensity from large-scale concentrations of general commercial uses near major street intersections to small-scale dispersed neighborhood commercial uses in proximity to residential areas. Such transitions prevent the adverse impacts of continuous strip commercial development along major streets and avoid negative or blighting influences of some commercial uses on adjacent residential neighborhoods.

As referenced earlier, the dental practice has been a part of this neighborhood for over twenty years, demonstrating that professional services can co-exist successfully in a stable fashion over time, protecting the investments in each.

The Comprehensive requires the following criteria regarding location:

(e) Location criteria. All new non-residential uses proposed within

the HDMU district that are not part of a predominantly residential development or a planned unit development, or are not identified as exempt by district regulations, shall be on parcels that satisfy at least one of the following location criteria:

(3) Infill development. Along an arterial or collector street, in an area where already established non-residential uses are otherwise consistent with the HDMU district, and where the new use would constitute infill development of similar intensity as the conforming development on surrounding parcels. Additionally, the location would promote compact development and not contribute to or promote strip commercial development

The requested zoning category is consistent with item **(3) Infill Development** above in that the site is surrounded by the same category as is being requested in this application, and the proposed use of **Professional Services** is listed as an allowed and permitted use under **LDC 3-2.9** cited above.

P R O C E E D I N G S

THE CHAIRMAN: All right. At this time we will now move directly into our next case, Z-2019-03.

The applicant in this case is Ms. Kerry Anne Schultz. She is the agent for Jim Homyak, Ashland Avenue, LLC.

Okay. On this case, Z-2019-03, I'm going to ask members of the board: Has there been any ex parte communication between you, the applicant, applicant's agents, attorneys, witnesses, Planning Board members or anyone from the general public prior to this hearing?

Also ask if you have visited the subject property. And disclose if you are a relative or business associate of any of the parties.

And starting with Steve.

MR. OPALENIK: No to all.

MS. HIGHTOWER: No to all.

MR. GRAY: I have visited the adjacent areas. I live near this area, but I have not had any conversations with anyone or the applicant, so everything else is -- I've just been past it several times.

THE CHAIRMAN: Okay.
MR. PYLE: No to all.
THE CHAIRMAN: Chairman, no to ex parte communication.
I'm very familiar with this site. I've traveled that road many times but don't have any extra information to give.
MR. FEARS: No to all.
MR. INGWELL: No to all.
THE CHAIRMAN: All right. Thank you.
Okay. Ms. Schultz, if there's no objection, we'll let the staff present the maps and photography.
She's indicated yes.
So who will be presenting?
Jon? Okay.
MR. FISHER: Thank you, Chair and board.
Jon fisher, senior planner.
Again, zoning -- rezoning case Z-2019-03.
This is the locational map. You can see it's north of Detroit and south of Nine Mile.
Along Ashland Avenue.
This is the 500-foot zoning map. You can see it's currently zoned MDR.
And to the south, you have a zoning that's

HDMU, adjoining property.
This is the future-land use map, mixed-use urban.
This is the existing land-use map showing mostly all single family, a couple vacant.
This is the aerial map.
This is the public hearing sign.
This is public hearing sign looking south along Ashland Avenue.
Looking west from the subject property. You can see there's a new subdivision being constructed with homes.
Looking north along Ashland Avenue towards Nine Mile Road.
Looking at subject property.
Those are the maps and pictures.
THE CHAIRMAN: Okay. Thank you.
Any questions from board members about the maps or photography?
(No response.)
THE CHAIRMAN: All right.
Ms. Schultz, if you'll come forward, please.
And in this case, Ms. Schultz is an attorney, and so she's bound by a code of

conduct as far as telling the truth. So she doesn't get sworn in, but we know that you're bound by a very high code.
So if you would please present your name and address for the record, please.
MS. SCHULTZ: Thank you, Honorable Chair.
Kerry Ann Schultz, a local attorney, 3869 Paradise Bay Drive, Gulf Breeze, Florida 32563.
THE CHAIRMAN: Okay. Thank you.
Ms. Schultz, did you receive a copy of the staff's findings of fact?
MS. SCHULTZ: Yes, Your Honor.
THE CHAIRMAN: Okay.
Do you understand that you must provide substantial, competent evidence that the rezoning request is not in conflict with the Comprehensive Plan or the Land Development Code?
MS. SCHULTZ: That is correct.
THE CHAIRMAN: Okay.
Please proceed.
MS. SCHULTZ: Thank you, Your Honor.
I have the pleasure of representing Ashland Avenue, the owner of the subject property. James D. Homyak, my client, is here today on behalf of the owner.

The staff, as always, has written a very nice response as far as the criteria and the findings.
I'm just going to walk through that because every single one of them we believe we have met the criteria. And the staff has agreed with that.
And so what we're looking at -- And this is not a future land-use map application either. It is simply rezoning from the MDR to HDMU. So we're going from high-density -- excuse me -- from medium-density residential to high-density mixed use.
So let's talk about the criteria, because that is the burden, as Mr. Briske has mentioned, that I have to meet today.
Number one is consistent with the Comprehensive Plan. Obviously, if the zoning is consistent with the plan -- Let's look at this.
The proposed amendment is to HDMU. It's consistent with the intent and purposes of the plan. What this will allow the client to do simply is just to have flexibility in lot lines, as well as there are 25 units per acre that would be allowed in this particular category.

Page 9

As the maps -- As Mr. Fisher has showed on the maps, there is HDMU within that area. And we'll speak to the other criteria here in a second.

But based on the staff's findings, the staff has found that this proposal would be consistent with the Comprehensive Plan. And I clearly agree with that as well.

Number 2, is our request consistent with zoning district provisions?

Well, the proposed zoning is consistent with the stated purposes, intent of the Land Development Code, including the other zoning established provisions prescribed by the proposed district in Chapter 3.

Obviously, we're trying to go from MDR to HDMU, which is to provide simply for residential development and efficient urban pattern with well-connected streets.

As most of you have -- know the site, several of you board members have mentioned you drive by this frequently. You're very much aware of the streets in that area, as well as the traffic in that area. The county staff has also determined in the findings that we are

Page 10

consistent as well.

The current owner of the property, Ashland Avenue, intends to build nice homes in that area, which would be compatible with that area and the growing population in that area due to businesses in that area.

So the staff has also agreed -- and I couldn't agree more that -- we are consistent with the zoning district provisions.

Number 3, is our request compatible with the surroundings?

Well, land uses, development activities and conditions. We are going to be consistent with the flow of that.

As you saw in the map, you're seeing some new development that is being conducted simply just adjacent across the street.

This will be residential use. And as you all know, that within this particular zoning category, we can do residential in that. It just allows for flexibility, obviously, with how many units per acre, as well as the lot lines, but it will be compatible with the surrounding areas.

The staff's analysis also agrees, that it

Page 11

will be compatible with the surrounding residential land uses in the area.

If you looked at that map that -- the 500 radius area, Mr. Fisher had mentioned in the report that the properties within the zoning districts include HDMU and MDR, which is what we currently are.

So 30 single-family residents, 3 vacant commercial, 1 stormwater pond and 1 warehouse was noted in that area.

Well, that's consistent with what you find in residential areas. So from going from MDR to HDMU, that would not be incompatible. So we believe we've met the criteria. And the staff has agreed as well.

Let's take a look at the next one, which is, is it appropriate if spot zoning?

Well, as mentioned, the adjacent property immediately to the south is also zoned HDMU. That's important. That right there, we don't have a spot zoning issue. The rezoning request does not constitute spot zoning.

The density of the proposed development will actually fall below the maximum allowed by the existing contiguous zones.

Page 12

So if you look at that square footage, you're looking at about 4.68 acres is the approximate. If you find that in your packet, there's no way in the world that Mr. Homyak mathematically could put the allowable density within that area. There's just not enough square footage mathematically.

And you-all are very sophisticated, and you see that when you look at the layout of that. So not only are we not dealing with the spot zoning issue, but we would be well below the density that we would be allowed to use in that. We're not putting houses on top of houses.

The last criteria we have to meet and show that we have the evidence to do that is, are we appropriate with changes or changes -- changing conditions?

The area to which the proposed zoning will apply has changed. It's changing. There's lots of development in that area, which is very, very exciting for Escambia County.

I know Mr. Briske, Mr. Gray had mentioned that they drive by that every day. You know, years ago -- We could all say there really was a

whole lot of development and newer homes to accommodate our residents in this area, with some of the changes with dynamics up in that community, with new businesses, and all of that.

So it's exciting, is that we are coming in now and wanting to develop this land consistent with what other individuals are doing in that area to meet the needs of our community of those looking for single-family nice homes.

So the demands of the smaller lot, single-family residential homes in that portion the county would be compatible. And it's consistent with the changes and changing conditions.

The staff also determined that as well, that this does not or create or contribute to urban sprawl.

And so the land uses and development conditions within the area surrounding the property or zoning have not changed, and our -- our development, which would be single-family residential, would be consistent.

So based on that, not only do I believe that I have showed my burden today before this honorable board under the Land Development Code

in establishing that we can meet the evidentiary criteria as required in this quasi-judicial proceeding, but the staff report, extremely well written, and determines that, yes, on every single point there's no evidence to suggest that we can't meet the criteria.

And so based on that, I ask this honorable board to vote in favor and allow us to go forward before the Board of County Commission.

In saying that, just want to reserve the right -- We all know, and I really appreciate this county emphasizing that we will have to go through the process like any subdivision.

So when you deal with stormwater and traffic and the houses and all the particulars of that site plan, that's a whole 'nother burden we have to meet.

But for the purpose of this hearing today, I believe we have met the criteria. And I kindly ask you to vote in proponency.

Thank you.

THE CHAIRMAN: Thank you.

Ms. Schultz, do you have any witnesses you want to present?

MS. SCHULTZ: I do not at this time.

THE CHAIRMAN: Okay. All right.

All right. Board members, any questions?

(No response.)

THE CHAIRMAN: We will go -- We do have some folks signed up to speak.

For those members of the public who wish to speak, please note the Planning Board bases its decision on the approval conditions and exceptions described in 2-7.2 of the Land Development Code.

During our deliberations, the Planning Board does not consider general statements of support or opposition.

Please limit your testimony to those approval conditions and exceptions described in 2-7.2, and please also note that only those who are here today giving testimony on the record will be allowed to speak at the subsequent Board of County Commission meeting.

Ms. Gail Manning.

Good morning, ma'am.

If you'll be sworn in, and then your name and address for the record.

- - -

GAIL MANNING, upon being duly sworn, was examined and testified as follows:

- - -

THE CHAIRMAN: Okay.

THE WITNESS: Thank you.

Thanks for educating me in a way that I was not educated before I got here.

THE CHAIRMAN: If you'll state your name and address for the record.

THE WITNESS: Excuse me. I'm Gail Manning. I live at 8363 Ashland Avenue. And we own property there and at 8381 Ashland Avenue. And we have lived there for 38 years. And, yes, we've seen a lot of changes.

I'm not a public speaker, so I made some notes. Some of this involves traffic. And so, therefore, in sitting there and listening, I'm going to say criterion B and E.

THE CHAIRMAN: Okay.

THE WITNESS: So I can speak. Okay.

I am concerned with the development of this parcel at this time.

And it will further impact a serious traffic situation that has developed on Ashland

Page 17

Avenue. The situation is one of deteriorating roads, excessive speed, and increase in noise.

Having said that, density. How many houses? Too many houses. That's what I guess I'm here for.

The section of Ashland Avenue I wish to discuss is the one -- one-plus mile that is between Nine Mile Road crosses Detroit Boulevard, ends at Lepley.

There are approximately 30 homes -- and these are probably old properties, acres plus, that face Ashland Avenue.

What is happening is, these properties are being sold off, and they're being divided. And therefore, we have these maps -- and if you don't mind putting that one map back up -- that are zoning.

The zoning is something that's all new to me. I've -- I've seen signs over the years. Never had anything that I had time to go really talk to somebody about. So thank you.

The other part of it is that there's approximately 27 -- 279 homes in subdivisions where the occupants absolutely, positively have to go on Ashland Avenue to leave their

Page 18

subdivisions. So it's not like there's any other road that these 309 people can travel to get to either Nine Mile Road or to Detroit Boulevard. There's one small side street. But these people actually have to travel this highway -- or this road, this neighborhood.

You also have the people who live in the Milestone complex -- or not Milestone, but the Milestone Crossings complex. There's 240 units in there. Those people are using the street also.

Then you also have the American Legion, the Deliverance Tabernacle Church, school, child care center, a Lakeview Center facility, four construction companies, and a place that houses RVs and other assorted items that are on wheels.

The street is crumbling beneath this wear and tear. In some places the asphalt is gone. Ruts have been replaced beside of the road. Potholes and patches are abundant. And we have places where two cars cannot even pass.

The biggest issue being the amount of traffic that this poses and the rates of speed that some folks drive.

I've checked the adjoining streets that

Page 19

are parallel. They have no -- even half the amount of traffic that has to enter their street in order to exit, so all the traffic is like twice as much or three times as much.

The . . . I know I'm supposed to cut this short probably. Just yesterday we had an accident on the corner of Ashland and Detroit. The lines were knocked down. A power pole was in the middle of the road. Traffic was stopped north, south, east and west.

My reasons for coming here today is to respectfully ask you to reconsider any future building projects at this time. There are necessary improvements that need to be made, and the improvements will be made for -- make the neighborhood safer, improve the quality of life of those living there, and hopefully increase our property values. I'm not so sure that our property values are increasing through what's being done.

That property that is south of the property in question that these folks are here for rezoning, that property houses one building that used to be a residential home. It was residents. And it is now being used by the

Page 20

Lakeview Center.

So that is not really a high-density property right now. That's just one building.

And, yes, that is all I have to say. And I don't speak well. And I appreciate your time. Thank you very much.

MR. INGWELL: You spoke very well.

THE CHAIRMAN: Thank you. You did very well. No problem. Thank you.

THE WITNESS: Mm-hmm. Thank you.

THE CHAIRMAN: Mr. Alvin Manning.

MS. MANNING: Oh, he's not talking.

THE CHAIRMAN: Okay.

Mr. Manning, you do understand if you don't speak here today, you can't speak at the Commission. Okay. All right.

That's the only person that we have signed up to speak.

Is there anyone else here that wishes to speak on this matter today?

Mr. Homyak, if you'll come forward.

- - -

JIM HOMYAK, upon being duly sworn, was examined and testified as follows:

- - -

THE WITNESS: Jim Homyak, 366 Fort Pickens Road, Pensacola Beach, Florida, owner of the property.

I just more or less wanted to reserve my right to speak and just see if anybody had any questions of me at this time.

THE CHAIRMAN: Okay.

MR. PYLE: No, but I thank you for offering that up.

My personal opinion, having been on your side in a past life doing this for a living, I think it's incumbent upon the agent to express their wishes and desires to the neighbors.

Doesn't mean that all neighbors are going to be in a hundred percent agreement, but I always -- I don't -- A lot of the "not in my back yard" crowd doesn't sway me, but I do -- And I always feel like it's applicable or agent's responsibility to sell their idea and their change to their neighborhood.

So I appreciate you offering yourself up --

THE WITNESS: Okay.

MR. PYLE: -- so to speak.

THE WITNESS: All right.

THE CHAIRMAN: Mr. Homyak, just to preserve your right to speak on multiple issues, are you in agreement with the staff's findings of facts that you are consistent with the five categories?

THE WITNESS: Yes, I am.

THE CHAIRMAN: Okay. Just . . . If we don't have you speak on that -- Because you can't bring any new evidence to the Board of County Commissioners.

So as long as you're in agreement with those, so . . .

THE WITNESS: Okay.

THE CHAIRMAN: Board members, any other questions?

(No response.)

MR. GRAY: Thank you, Mr. Homyak.

THE WITNESS: Thank you.

THE CHAIRMAN: Ms. Schultz.

MS. SCHULTZ: Yes.

THE CHAIRMAN: I'm sorry. Anyone else from the public that wishes to speak?

(No response.)

THE CHAIRMAN: All right. Hearing none, we will hereby close the public comment portion of the meeting.

And Ms. Schultz, you have an opportunity to do a close.

MS. SCHULTZ: Yes, Your Honor.

Just a few follow-ups.

We obviously believe that we have met our burden of establishing why we can meet the criteria. The staff's findings also are in support of that.

Just a couple of things here to keep in mind. Ms. Manning had mentioned traffic, significant focus on traffic. And that is a concern that is definitely going to be brought up. It's brought up on every development, the neighboring property over there.

But what I would like to mention, with that, although traffic is not something this honorable board considers, you're very well aware of that. You've mentioned that yourselves to those in both cases today.

But the use of the property, in talking about -- I mean, pretend like that goes towards the surrounding uses and compatibility, just to kind of fit that idea.

What's important to know is that with the existing MDR, and even with the HDMU of our proposed request, is that we are using a less intense use of the property.

Ms. Manning brought up density issues, which is always a concern. But in reality, with MDR, we could use a more intense use than what we're planning, which is a single-family home neighborhood and with HDMU.

So there's got to be comfort there that with this property -- And, obviously, this board does not have jurisdiction to prevent development, like Ms. Manning had suggested.

However, there's guidelines in place with the law, and the site plan, and development review process of where my client will have to sit with those various agencies and work through that. So there's comfort in knowing that.

But even with Ms. Manning's well-thought-out comments, I can tell this honorable board that traffic is not a criteria that we look at.

And, in fact, when it comes down to density, we're using a less intense use of the property. So we believe, even with those comments and what the staff has provided, that

we've met the criteria.
And I ask this honorable board to move to allow us to go forward on an acceptance.
THE CHAIRMAN: All right.
THE WITNESS: Thank you.
THE CHAIRMAN: Board members, any questions?
MR. INGWELL: Staff, what's the history on the property to the south, the zoning history on that?
THE CHAIRMAN: Jon, state your name.
MR. FISHER: Jon Fisher, senior planner.
Not sure what we mean by "the zoning history on it."
MR. INGWELL: Well, it looks like it almost was spot zoning, to be zoned HDMU -- MDR.
MR. FISHER: My guess would be we didn't come up with a rezoning on this property, that when they did the zoning consolidation or got a zoning, it was already at that time some type of living facility use or whatever is by . . . I forget what she said it's being used by right now.
MR. FEARS: In other words, it defaulted to HDMU because of the --

MR. FISHER: -- current use in the building right now.
MR. FEARS: In 2015?
MR. FISHER: It's either 2015 or when zoning came about.
MR. FEARS: Or '89.
MR. FISHER: Yes.
It could have been R-5 or R-6 old zoning which automatically goes to HDMU because the current use that was in the building. It probably was a single family at the time when the zoning came or when the consolidation came.
THE CHAIRMAN: Okay. Further questions?
(No response.)
THE CHAIRMAN: Okay. Board members ready to make a motion?
MR. FEARS: Mr. Chair, I make a motion that we accept and approve the application for Z-2019-03, based on the five criteria being met.
MR. PYLE: Second.
THE CHAIRMAN: We have a motion and a second.
Further discussion?
(No response.)
THE CHAIRMAN: All those in favor, say

"aye."
(Chorus of "ayes.")
THE CHAIRMAN: Opposed?
(No response.)
THE CHAIRMAN: Motion carries unanimously.
(Hearing concluded at 10:52 a.m.)

Planning Board-Rezoning **7. B.**

Meeting Date:	02/05/2019
CASE :	Z-2019-03
APPLICANT:	Kerry Anne Schultz, Agent for James D. Homyak, Ashland Avenue, LLC.
ADDRESS:	8662 Ashland Avenue
PROPERTY REF. NO.:	10-1S-30-1101-030-005
FUTURE LAND USE:	MU-U, Mixed-Use Urban
DISTRICT:	3
OVERLAY DISTRICT:	N/A
BCC MEETING DATE:	03/07/2019

SUBMISSION DATA:
REQUESTED REZONING:

FROM: MDR, Medium Density Residential district (10 du/acre)

TO: HDMU, High Density Mixed-use district (25 du/acre)

RELEVANT AUTHORITY:

(1) Escambia County Comprehensive Plan
(2) Escambia County Land Development Code
(3) Board of County Commissioners of Brevard County v. Snyder, 627 So. 2d 469 (Fla. 1993)
(4) Resolution 96-34 (Quasi-judicial Proceedings)
(5) Resolution 96-13 (Ex-parte Communications)

APPROVAL CONDITIONS

Criterion a., LDC Sec. 2-7.2(b)(4)
Consistent with Comprehensive Plan
The proposed zoning is consistent with the future land use (FLU) category as prescribed in LDC Chapter 3, and with all other applicable goals, objectives, and policies of the Comprehensive Plan. If the rezoning is required to properly enact a proposed FLU map amendment transmitted for state agency review, the proposed zoning is consistent with the proposed FLU and conditional to its adoption.

CPP FLU 1.3.1 Future Land Use Categories. The Mixed-Use Urban (MU-U) Future Land Use (FLU) category is intended for an intense mix of residential and nonresidential uses while promoting compatible infill development and the separation of urban and suburban land uses within the category as a whole. Range of allowable uses include: Residential, Retail and Services, Professional Office, Light Industrial, Recreational Facilities, Public and Civic. The maximum residential density is 25 dwelling units per acre.

CPP FLU 1.5.1 New Development and Redevelopment in Built Areas. To promote the efficient use of existing public roads, utilities, and service infrastructure, the County will encourage the redevelopment in underutilized properties to maximize development densities and intensities located in the MU-S, MU-U, Commercial, and Industrial Future Land Use categories (with the exception of residential development).

CPP FLU 2.1.2 Compact Development. To promote compact development, FLUM amendments and residential rezonings to allow higher residential densities may be allowed in the Mixed-Use Urban (MU-U) and Mixed-Use Suburban (MU-S) future land use categories.

FINDINGS

The proposed amendment to HDMU **is consistent** with the intent and purpose of Future Land Use category MU-U as stated in CPP FLU 1.3.1. The MU-U FLU is intended for an intense mix of residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses within the category as a whole. The listed Range of Allowable Uses includes residential, retail and services, professional office, light industrial, recreational facilities, public, civic and limited agriculture. The amendment is also consistent with the intent of FLU 1.5.1 and FLU 2.1.2 by making use of the existing public roads and the availability of utilities and service infrastructure.

Criterion b., LDC Sec. 2-7.2(b)(4)

Consistent with The Land Development Code

The proposed zoning is consistent with the purpose and intent and with any other zoning establishment provisions prescribed by the proposed district in Chapter 3.

Sec. 3-2.7 Medium Density Residential district (MDR).

(a) Purpose. The Medium Density Residential (MDR) district establishes appropriate areas and land use regulations for residential uses at medium densities within suburban or urban areas. The primary intent of the district is to provide for residential neighborhood development in an efficient urban pattern of well-connected streets and at greater dwelling unit density than the Low Density Residential district. Residential uses within the MDR district are limited to single-family and two-family dwellings. The district allows non-residential uses that are compatible with suburban and urban residential neighborhoods.

Sec. 3-2.9 High Density Mixed-use district (HDMU).

(a) Purpose. The High Density Mixed-use (HDMU) district establishes appropriate areas and land use regulations for a complimentary mix of high density residential uses and compatible non-residential uses within urban areas. The primary intent of the district is to provide for a mix of neighborhood retail sales, services and professional offices with greater dwelling unit density and diversity than the Low Density Mixed-use district. Additionally, the HDMU district is intended to rely on urban street connectivity and encourage vertical mixes of commercial and residential uses within the same building to accommodate a physical pattern of development characteristic of village main streets and older neighborhood commercial areas. Residential uses within the district include all forms of single-family, two-family and multi-family dwellings.

(b) Permitted uses. Permitted uses within the HDMU district are limited to the following:

(1) Residential. The following residential uses are allowed throughout the district, but if within a Commercial (C) future land use category they are permitted only if part of a predominantly commercial development.

a. Group living, excluding dormitories, fraternity and sorority houses, and residential facilities providing substance abuse treatment, post-incarceration reentry, or similar services.

b. Manufactured (mobile) homes, including manufactured home subdivisions, but excluding new or expanded manufactured home parks.

c. Single-family dwellings (other than manufactured homes), detached or attached, including townhouses and zero lot line subdivisions.

d. Two-family and multi-family dwellings.

See also conditional uses in this district.

(2) Retail sales. Small-scale (gross floor area 6000 sq.ft. or less per lot) retail sales, including Low-THC marijuana dispensing facilities, sales of beer and wine, but excluding sales of liquor, automotive fuels, or motor vehicles, and excluding permanent outdoor storage, display, or sales. See also conditional uses in this district.

(3) Retail services. The following small-scale (gross floor area 6000 sq.ft. or less per lot) retail services, excluding outdoor work or permanent outdoor storage:

a. Bed and breakfast inns.

b. Boarding and rooming houses.

c. Child care facilities.

d. Personal services, including those of beauty shops, health clubs, pet groomers, dry cleaners, and tattoo parlors.

e. Professional services, including those of realtors, bankers, accountants, engineers, architects, dentists, physicians, and attorneys.

f. Repair services, including appliance repair, furniture refinishing and upholstery, watch and jewelry repair, small engine and motor services, but excluding major motor vehicle or boat service or repair.

g. Restaurants, and brewpubs, including on-premises consumption of alcoholic beverages, but excluding drive-in or drive-through service and brewpubs

with distribution of alcoholic beverages for off-site sales.
See also conditional uses in this district.

(4) Public and civic.

a. Preschools and kindergartens.

b. Emergency service facilities, including law enforcement, fire fighting, and medical assistance.

c. Foster care facilities.

d. Places of worship.

e. Public utility structures, excluding telecommunications towers.

See also conditional uses in this district.

(5) Recreation and entertainment.

a. Marinas, private only.

b. Parks without permanent restrooms or outdoor event lighting.

See also conditional uses in this district.

(6) Industrial and related. No industrial or related uses.

(7) Agricultural and related. Agricultural production limited to food primarily for personal consumption by the producer, but no farm animals.

(8) Other uses. [Reserved]

(c) Conditional uses. Through the conditional use process prescribed in Chapter 2, the BOA may conditionally allow the following uses within the HDMU district:

(1) Residential.

a. Dormitories.

b. Fraternity and sorority houses.

c. Manufactured (mobile) home parks.

(2) Retail sales. Medium-scale (gross floor area greater than 6000 sq.ft. per lot, but no greater than 35,000 sq.ft.) retail sales, including sales of beer and wine and automotive fuels, but excluding sales of motor vehicles and liquor, and excluding permanent outdoor storage, display, or sales.

(3) Retail services.

a. Medium-scale (gross floor area greater than 6000 sq. ft. per lot, but no greater than 35,000 sq. ft.) retail services, excluding motor vehicle service and repair.

b. Restaurants and brewpubs with drive-in or drive-through service and brewpubs with the distribution of on-premises produced

alcoholic beverages for off-site sales.

c. Small-scale (gross floor area 6000 sq.ft. or less per lot) major motor vehicle service and repair, excluding painting or body work and outdoor work.

(4) Public and civic.

a. Broadcast stations with satellite dishes and antennas, excluding towers.

b. Cemeteries, including family cemeteries.

c. Clubs, civic and fraternal.

d. Community service facilities, including auditoriums, libraries, museums, and neighborhood centers.

e. Cinerators.

f. Educational facilities not among the permitted uses of the district.

g. Funeral establishments.

h. Hospitals.

i. Offices for government agencies or public utilities.

j. Public utility structures exceeding the district structure height limit and telecommunications towers of any height, excluding any industrial uses.

k. Warehousing or maintenance facilities for government agencies or public utilities.

(5) Recreation and entertainment.

a. Amusement arcade centers and bingo facilities.

b. Golf courses, tennis centers, swimming pools and similar active outdoor recreational facilities, including associated country clubs.

c. Parks with permanent restrooms or outdoor event lighting.

(6) Industrial and related. Microbreweries, microdistilleries, and microwineries

(**7) Agricultural and related.**

a. Horses or other domesticated equines kept on site, and stables for such animals, only as a private residential accessory with a minimum lot area of two acres and a maximum of one animal per acre.

b. Veterinary clinics.

(8) Other uses.

a. Self-storage facilities with a maximum lot area of one acre and outdoor storage limited to operable motor vehicles and boats. No vehicle rental.

b. Structures of permitted uses exceeding the district structure height limit, excluding telecommunications towers.

FINDINGS

The proposed amendment **is consistent** with the intent and purpose of the Land Development Code. The proposed High Density Mixed-use zoning may be established only within the Mixed-Use Suburban (MU-S), Mixed-Use Urban (MU-U), or Commercial (C) future land use categories. The district is suitable for areas where the intermixing of uses has been the custom, where future uses are uncertain, and some redevelopment is probable. The district is appropriate to provide transitions between areas zoned or used for medium or high density residential and areas zoned or used for commercial.

Criterion c., LDC Sec. 2-7.2(b)(4)

Compatible with surrounding uses

All the permitted uses of the proposed zoning, not just those anticipated by the rezoning applicant, are compatible, as defined in Chapter 6, with the surrounding uses. The uses of any surrounding undeveloped land shall be considered the permitted uses of the applicable district. Compatibility is not considered with potential conditional uses or with any nonconforming or unapproved uses. Also, in establishing the compatibility of a residential use, there is no additional burden to demonstrate the compatibility of specific residents or activities protected by fair housing law.

FINDINGS

The applicant has stated that the proposed rezoning is for residential use. For any nonresidential uses an compatibility study would have to be approved by the Planning Director during the Site Plan Review Process. The proposed amendment **is compatible** with surrounding residential existing uses in the area. Within the 500 radius area, staff observed properties with zoning districts HDMU and MDR. Thirty single family residences, three vacant commercial, one stormwater pond, and one warehouse.

Criterion d., LDC Sec. 2-7.2(b)(4)

Appropriate if spot zoning

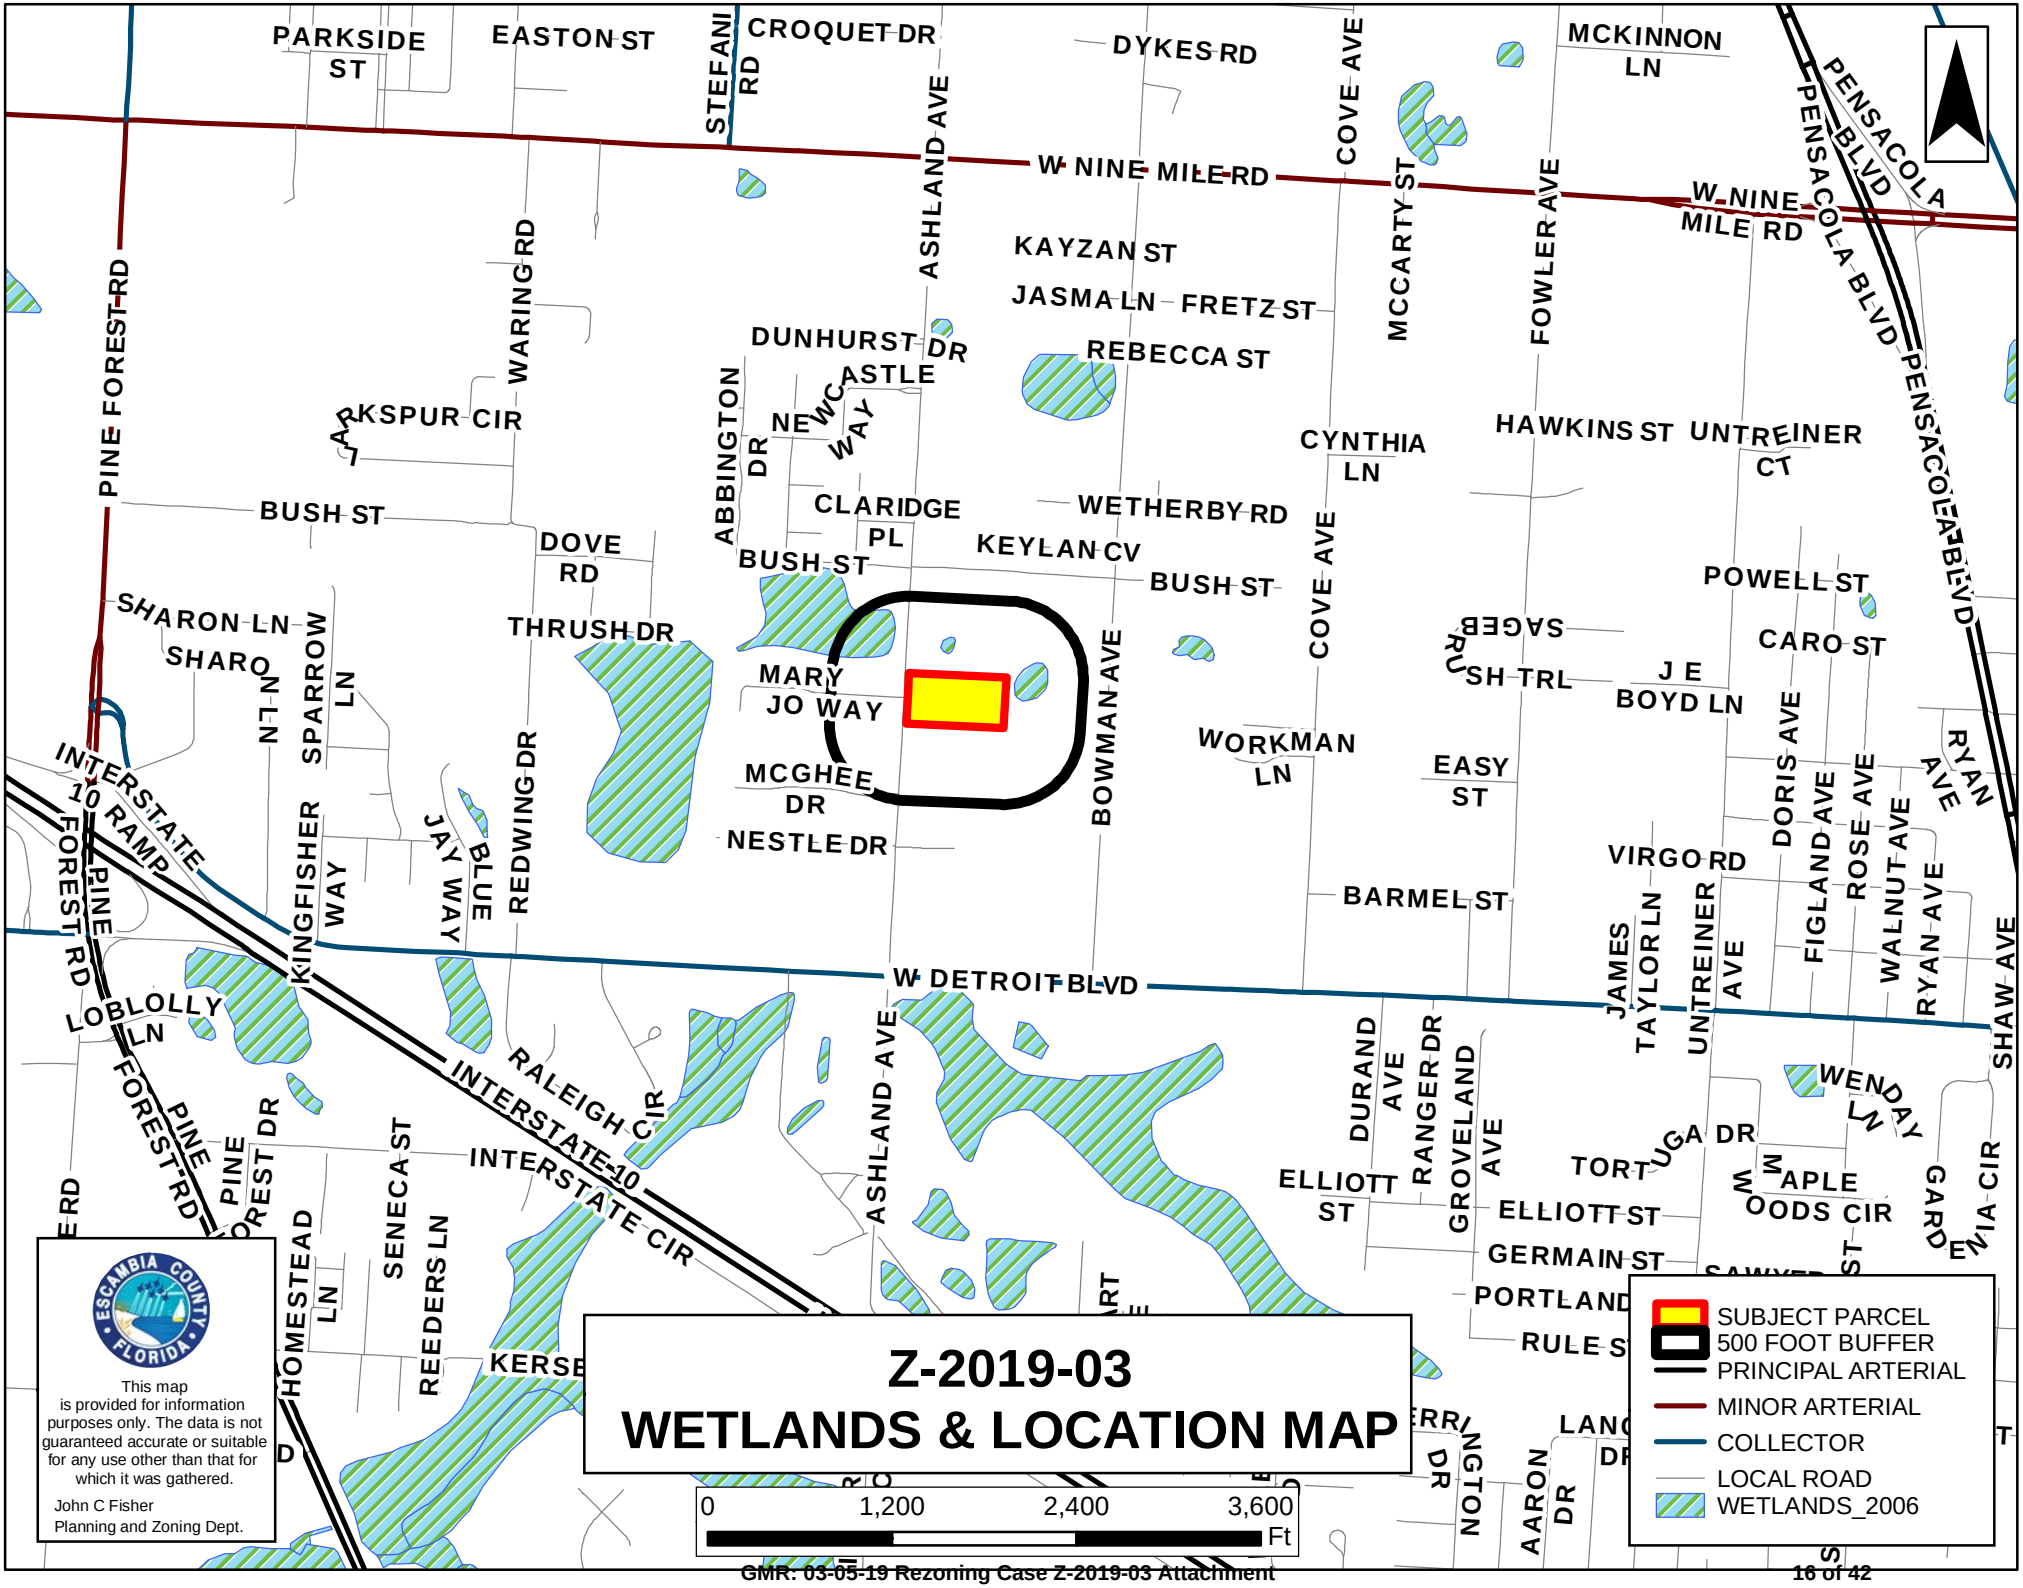
Where the proposed zoning would establish or reinforce a condition of spot zoning as defined in Chapter 6, the isolated district would nevertheless be transitional in character between the adjoining districts, or the differences with those districts would be minor or sufficiently limited. The extent of these mitigating characteristics or conditions demonstrates an appropriate site specific balancing of interests between the isolated district and adjoining lands. **As per LDC Chapter 6, Spot Zoning is:** *Zoning applied to an area of land, regardless of its size, that is different from the zoning of all contiguous land. Such isolated or "spot" zoning is usually higher in its density or intensity of use than the adjoining zoning and may, therefore, extend privileges not generally extended to property similarly located in the area. Spot zoning is not by itself prohibited, but due to its potentially adverse impacts on adjoining zoning it carries a higher burden of demonstration that, if authorized, it will contribute to or result in logical and orderly development.*

FINDINGS

The requested zoning district **would not be considered to be spot zoning** as the adjoining parcel to the south is currently zoned HDMU. Along Ashland Ave, there are residential use properties and existing subdivision with new subdivision be built to the west along Ashland Ave.

Criterion e., LDC Sec. 2-7.2(b)(4)

Appropriate with changed or changing conditions



If the land uses or development conditions within the area surrounding the property of rezoning have changed, the changes are to such a degree and character that it is in the public interest to allow new uses, density, or intensity in the area through rezoning; and the permitted uses of the proposed district are appropriate and not premature for the area or likely to create or contribute to sprawl.

FINDINGS

The land uses or development conditions within the area surrounding the property of rezoning **have not changed.** The current request does support the transitional character, uses and intensities of the surrounding areas.

RE: REZONING APPLICATION
Property Reference Number: 101S301101030005
8662 Ashland Avenue, Pensacola, Florida 32534
Owner: Ashland Avenue, LLC

Dear Ms. Cain:

I have the pleasure of assisting the above-referenced owner with the Application for Rezoning. Enclosed is the following information and documentation:

(1) **Completed Application**
(2) **Concurrency Determination Acknowledgment**
(3) **Affidavit of Owner and Limited Power of Attorney**
(4) **Property Appraiser Information Confirming Ownership**
(5) **Check in the amount of $1,275.00 for the application fee**
(6) **Boundary Survey**

Please be advised that the owner can satisfy the re-zoning approval conditions to re-zone the property from Medium Density Residential ("MDR") to High Density Mixed Use ("HDMU"). In support of the Rezoning Application, the owner can support the following approval conditions:

(1) **Consistent with Comprehensive Plan**. The proposed rezoning is consistent with the future land use (FLU) category as prescribed in the Land Development Code ("LDC") Chapter 3, and with all other applicable goals, objectives, and policies of the Comprehensive Plan and not in conflict with any of its provisions. The rezoning is consistent with aspects of the Comprehensive Plan. The future land use of the property (Mixed Use Urban ("MU-U") (25 units per acre) allows for a mix of uses, including residential. The proposed zoning request of HDMU allows for single family residential use, and therefore, is consistent with the goals of the comprehensive plan. The subject parcel is located in Escambia County. The proposed development is well within the service areas of the County and Utility

infrastructure and will not negatively impact or degrade the level of service. In addition, the applicant understands the development must meet County land development standards. The proposed rezoning for the subject parcel meets the goals, objectives and policies of the comprehensive plan regarding potable water, wastewater, solid waste, storm water management, traffic, school and aquifer protection.

(2) **Consistent with Zoning District Provisions**. The proposed rezoning is consistent with the stated purposes and intent of the Land Development Code, including any other zoning establishment provisions prescribed by the proposed district in Chapter 3. The primary intent of the HDMU district is to provide for residential development in an efficient urban pattern of well-connected streets. The proposed rezoning is consistent with the LDC and surrounding uses.

(3) **Compatible with Surroundings.** All land uses, development activities, and conditions allowed by the proposed zoning are compatible with the surrounding conforming uses, activities and conditions and are able to coexist in relative proximity to them in a stable fashion over time such that no use, activity, or condition negatively impacts another. The appropriateness of the rezoning is not limited to any specific use that may be proposed but is evident for all permitted uses of the requested zoning. This condition shall not apply to any conditional uses of the proposed district or compatibility with nonconforming or unapproved uses, activities, or conditions. The requested zoning is HDMU, which allows for single family residential. The proposed zoning is compatible with the surrounding uses. The proposed development is residential development and the density would remain below the maximum allowed by the neighboring districts. The owner desires HDMU zoning to have the flexibility of forty foot lot widths. The proposed rezoning meets intent and goals of the surroundings area.

(4) **Appropriate if Spot Zoning.** The adjacent property immediately to the South is also zoned HDMU. This rezoning request does not constitute spot zoning. In addition, the density of the proposed development would fall below the maximum allowed by the existing contiguous zones.

(5) **Appropriate with Changes or Changing Conditions.** The area to which the proposed rezoning would apply has changed, or is changing, to such degree that it is in the public interest to encourage new uses, density, or intensity in the area through rezoning. The demand for smaller lot single family residential homes in the portion of the county has increased sharply in recent years.

Should you have any questions or need additional information, please do not hesitate to contact my office. Thank you for your consideration.

Sincerely,
Fountain, Schultz & Associates, P.L.

Kerry Anne Schultz

Rezoning Application

FOR OFFICE USE ONLY - Case Number: Z-2019-03 Accepted by: _____ PB Meeting: 2/5/2019

1. **Contact Information:**

   A. **Property Owner/Applicant:** Ashland Avenue, L.L.C., a Florida limited liability company

   Mailing Address: 366 Fort Pickens Road, Pensacola Beach, FL 32561

   Business Phone: 850-393-0893 Cell: 850-393-0893

   Email: jim@panhandlegulf.com

   B. **Authorized Agent (if applicable):** Kerry Anne Schultz

   Mailing Address: 2045 Fountain Professional Court, Ste. A, Navarre, FL 32566

   Business Phone: 850-939-3535 Cell: _____

   Email: kaschultz@fountainlaw.com

   Note: *Owner must complete the attached Agent Affidavit. If there is more than one owner, each owner must complete an Agent Affidavit. Application will be voided if changes to this application are found.*

2. **Property Information:**

   A. Existing Street Address: 8662 Ashland Ave., Pensacola, Florida 32534

   Parcel ID (s): 101S301101030005

   B. Total acreage of the subject property: 4.83

   C. Existing Zoning: MDR

   Proposed Zoning: HDMU; explain why necessary and/or appropriate

   Development of residential townhomes.

   FLU Category: MU-U

D. Is the subject property developed (if yes, explain): No.

The current structures will be demolished upon commencement of construction

E. Sanitary Sewer: X Septic: ____

3. **Amendment Request**

Approval conditions. The applicant has the burden of presenting competent substantial evidence to the reviewing board establishing that the requested zoning district would contribute to or result in a logical and orderly development pattern. The appropriate surrounding area within which uses and conditions must be considered may vary with those uses and conditions and is not necessarily the same area required for mailed notification. A logical and orderly pattern shall require demonstration of each of the following conditions:

Please address *ALL* the following approval conditions for your rezoning request. (use supplement sheets as needed)

a. **Consistent with Comprehensive Plan.** The proposed zoning is consistent with the future land use (FLU) category as prescribed in LDC Chapter 3, and with all other applicable goals, objectives, and policies of the Comprehensive Plan. If the rezoning is required to properly enact a proposed FLU map amendment transmitted for state agency review, the proposed zoning is consistent with the proposed FLU and conditional to its adoption.

See attached letter

b. **Consistent with zoning district provisions.** The proposed zoning is consistent with the purpose and intent and with any other zoning establishment provisions prescribed by the proposed district in Chapter 3

See attached letter

c. **Compatible with surroundings.** All of the permitted uses of the proposed zoning, not just those anticipated by the rezoning applicant, are compatible, as defined in Chapter 6, with the surrounding uses. The uses of any surrounding undeveloped land shall be considered the permitted uses of the applicable district. Compatibility is not considered with potential conditional uses or with any nonconforming or unapproved uses. Also, in establishing the compatibility of a residential use, there is no additional burden to demonstrate the compatibility of specific residents or activities protected by fair housing law.

See attached letter

d. **Appropriate if spot zoning.** Where the proposed zoning would establish or reinforce a condition of spot zoning as defined in Chapter 6, the isolated district would nevertheless be transitional in character between the adjoining districts, or the differences with those districts would be minor or sufficiently limited. The extent of these mitigating characteristics or conditions demonstrates an appropriate site-specific balancing of interests between the isolated district and adjoining lands.

As per LDC Chapter 6, Spot Zoning is: *Zoning applied to an area of land, regardless of its size, that is different from the zoning of all contiguous land. Such isolated or "spot" zoning is usually higher in its density or intensity of use than the adjoining zoning and may, therefore, extend privileges not generally extended to property similarly located in the area. Spot zoning is not by itself prohibited, but due to its potentially adverse impacts on adjoining zoning it carries a higher burden of demonstration that, if authorized, it will contribute to or result in logical and orderly development*

See attached letter

e. **Appropriate with changed or changing conditions.** If the land uses or development conditions within the area surrounding the property of rezoning have changed, the changes are to such a degree and character that it is in the public interest to allow new uses, density, or intensity in the area through rezoning; and the permitted uses of the proposed district are appropriate and not premature for the area or likely to create or contribute to sprawl.

See attached letter

4. **Please complete the following Forms: Concurrency Determination Acknowledgement and Affidavit of Owner/Limited Power of Attorney (if applicable).**

CONCURRENCY DETERMINATION ACKNOWLEDGMENT

Property Reference Number(s): 101S301101030005

Property Address: 8662 Ashland Ave., Pensacola, Florida 32534

I/We acknowledge and agree that no future development for which concurrency of required facilities and services must be certified shall be approved for the subject parcel(s) without the issuance of a certificate of concurrency for the development based on the actual densities and intensities proposed in the future development's permit application.

I/We also acknowledge and agree that approval of a zoning district amendment (rezoning) or Future Land Use Map amendment does not certify, vest, or otherwise guarantee that concurrency of required facilities and services is, or will be, available for any future development of the subject parcels.

I/We further acknowledge and agree that no development for which concurrency must be certified shall be approved unless at least one of the following minimum conditions of the Comprehensive Plan will be met for each facility and service of the County's concurrency management system prior to development approval:

a. The necessary facilities or services are in place at the time a development permit is issued.

b. A development permit is issued subject to the condition that the necessary facilities and services will be in place and available to serve the new development at the time of the issuance of a certificate of occupancy.

c. For parks and recreation facilities and roads, the necessary facilities are under construction at the time the development permit is issued.

d. For parks and recreation facilities, the necessary facilities are the subject of a binding executed contract for the construction of the facilities at the time the development permit is issued and the agreement requires that facility construction must commence within one year of the issuance of the development permit.

e. The necessary facilities and services are guaranteed in an enforceable development agreement. An enforceable development agreement may include, but is not limited to, development agreements pursuant to Section 163.3220, F.S., or as amended, or an agreement or development order issued pursuant to Chapter 380, F.S., or as amended. For wastewater, solid waste, potable water, and stormwater facilities, any such agreement will guarantee the necessary facilities and services to be in place and available to serve the new development at the time of the issuance of a certificate of occupancy.

f. For roads, the necessary facilities needed to serve the development are included in the first three years of the applicable Five-Year Florida Department of Transportation (FDOT) Work Program or are in place or under actual construction no more than three years after the issuance of a County development order or permit.

I HEREBY ACKNOWLEDGE THAT I HAVE READ, UNDERSTAND AND AGREE WITH THE ABOVE STATEMENT ON THIS 19th DAY OF December, YEAR OF 2018.

5. **Submittal Requirements**

A. X Completed application: All applicable areas of the application shall be filled in and submitted to the Planning and Zoning Department, 3363 West Park Place, Pensacola, FL 32505.

B. X Application Fees: To view fees visit the website: http://myescambia.com/business/ds/planning-board or contact us at 595-3547

Note: Application fees include a $5 technical fee. Cost of the public notice mailing is to be borne by the applicant. Payments must be submitted prior to 3 pm of the closing date of acceptance of application. Please make checks payable to Escambia County. MasterCard and Visa are also accepted (a 3% fee will be added for credit card payments).

C. X Legal Proof of Ownership (ex: copy of Tax Notice or Warranty Deed) **AND** a Certified Boundary Survey (Include Corporation/LLC documentation if applicable.)

D. NA Compatibility Analysis (if applicable): If the subject property does not meet the roadway requirements of Locational Criteria, a compatibility analysis prepared by the applicant is required to provide substantial evidence of unique circumstances regarding the parcel or use that were not anticipated by the alternative criteria. (See "Documented Compatibility" within the request zoning district of the LDC.)

E. X Signed and Notarized Affidavit of Owner/Limited Power of Attorney AND Concurrency Determination Acknowledgement (pages 4 and 5).

By my signature, I hereby certify that:

1) I am duly qualified as owner(s) or authorized agent to make such application, this application is of my own choosing, and staff has explained all procedures relating to this request; and

2) All information given is accurate to the best of my knowledge and belief, and I understand that deliberate misrepresentation of such information will be grounds for denial or reversal of this application and/or revocation of any approval based upon this application; and

3) I understand that there are no guarantees as to the outcome of this request, and that the application fee is non-refundable; and

4) I authorize County staff to enter upon the property referenced herein at any reasonable time for purposes of site inspection and authorize placement of a public notice sign(s) on the property referenced herein at a location(s) to be determined by County staff; and

5) I am aware that Public Hearing notices (legal ad and/or postcards) for the request shall be provided by the Development Services Bureau.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15712 **Growth Management Report 14. 2.**
BCC Regular Meeting **Public Hearing**
Meeting Date: 03/07/2019
Issue: 5:45 p.m. - Amendment to the Official Zoning Map
From: HORACE JONES, Director
Organization: Development Services

RECOMMENDATION:

5:45 p.m. - A Public Hearing for Consideration for Adopting an Ordinance Amending the Official Zoning Map

That the Board adopt an Ordinance to amend the Official Zoning Map to include the rezoning cases heard by the Planning Board on February 5, 2019, and approved during the previous agenda item and to provide for severability, inclusion in the code, and an effective date.

BACKGROUND:

Rezoning cases Z-2019-02 and Z-2019-03 were heard by the Planning Board on February 5, 2019. Under the Land Development Code (LDC), the Board of County Commissioners reviews the record and the recommended order of the Planning Board and conducts a Public Hearing for adoption of the LDC Zoning Map Amendment.

As a means of achieving the Board's goal of "decreasing response time from notification of citizen needs to ultimate resolution," the Board is acting on both the approval of the Planning Board's recommendation and the LDC Map Amendment for this month's rezoning cases.

The previous report item addresses the Board's determination regarding the Planning Board's recommendation. This report item addresses only the Public Hearing and adoption of the Ordinance amending the LDC Official Zoning Map.

BUDGETARY IMPACT:

No budgetary impacts are expected as a result of the recommended Board action.

LEGAL CONSIDERATIONS/SIGN-OFF:

A copy of the standardized Ordinance has initially been provided to the County Attorney's office for review regarding compliance with rezoning requirements in Florida Statutes and the Land Development Code.

PERSONNEL:

No additional personnel are anticipated for the implementation of this recommended Board action.

POLICY/REQUIREMENT FOR BOARD ACTION:

The Board Chairman will need to sign the Ordinance to amend the Official Zoning Map.

IMPLEMENTATION/COORDINATION:

This Ordinance, amending the Land Development Code Official Zoning Map, will be filed with the Department of State following adoption by the Board.

This proposed Ordinance was prepared by the Development Services Department in coordination with the County Attorney's Office, and interested citizens. The Development Services Department will ensure proper advertisement.

Draft Ordinance

ORDINANCE NUMBER 2019-_____

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, AMENDING PART III OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, THE LAND DEVELOPMENT CODE OF ESCAMBIA COUNTY, FLORIDA, AS AMENDED; AMENDING CHAPTER 3, ARTICLE 1, SECTION 3-1.3(b), THE OFFICIAL ZONING MAP; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; PROVIDING FOR AN EFFECTIVE DATE.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA:

Section 1. Purpose and Intent.

The Official Zoning Map of Escambia County, Florida, as adopted by reference and codified in Part III of the Escambia County Code of Ordinances, the Land Development Code of Escambia County, Florida, as amended: Chapter 3, Article 1, Section 3-1.3(b), and all notations, references and information shown thereon as it relates to the following described real property in Escambia County, Florida, is hereby amended, as follows.

Case No.:	**Z-2019-02**
Address:	12960 Lillian Highway and 12400 BLK Lillian Highway
Property Reference No.:	02-2S-32-1001-030-010 & 02-2S-32-1001-043-010
Property Size:	0.17 and 0.11 (+/-) acres
From:	MDR, Medium Density Residential district (10 du/acre)
To:	HDMU, High Density Mixed-use district (25 du/acre)
FLU Category:	MU-S, Mixed-Use Suburban

Case No.:	**Z-2019-03**
Address:	8662 Ashland Avenue
Property Reference No.:	10-1S-30-1101-030-005
Property Size:	4.76 (+/-) acres
From:	MDR, Medium Density Residential district (10 du/acre)
To:	HDMU, High Density Mixed-use district (25 du/acre)
FLU Category:	MU-U, Mixed-Use Urban

DRAFT

Section 2. Severability.

If any section, sentence, clause or phrase of this Ordinance is held to be invalid or unconstitutional by any court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this Ordinance.

Section 3. Inclusion in Code.

It is the intention of the Board of County Commissioners that the provisions of this Ordinance shall be codified as required by F.S. § 125.68; and that the sections, subsections and other provisions of this Ordinance may be renumbered or re-lettered and the word "ordinance" may be changed to "section," "article," or such other appropriate word or phrase in order to accomplish such intentions.

Section 4. Effective Date.

This Ordinance shall become effective upon filing with the Department of State.

DONE AND ENACTED by the Board of County Commissioners of

Escambia County Florida, this _____day of _____, 2019.

BOARD OF COUNTY COMMISSIONERS
ESCAMBIA COUNTY, FLORIDA

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15713 **Growth Management Report 14. 3.**
BCC Regular Meeting **Public Hearing**
Meeting Date: 03/07/2019
Issue: 5:46 p.m. - A Public Hearing Concerning the Review of an Ordinance Amending LDC, Chapters 2 and 4 Regarding Accessory Structures on Pensacola Beach
From: HORACE JONES, Director
Organization: Development Services

RECOMMENDATION:
5:46 p.m. - A Public Hearing Concerning the Review of an Ordinance Amending Chapters 2 and 4 Regarding Accessory Structures on Pensacola Beach

That the Board of County Commissioners (BCC) review and adopt an Ordinance amending the Land Development Code (LDC), Chapters 2 and 4, to clarify general variance provisions and the regulation of accessory structures, especially those on Pensacola Beach and as may be directed by the Santa Rosa Island Authority.

BACKGROUND:
The Santa Rosa Island Authority recognized that its established review responsibilities and practices regarding accessory structures on Pensacola Beach were only described by the LDC for residential uses, and not accurately described within either the code's variance provisions or its supplemental use regulations. In the resolution of these deficiencies, the general application of variances to eligible development standards is clarified and appropriate modifications are made to the supplemental use regulations that govern accessory uses and structures.

BUDGETARY IMPACT:
No budgetary impact is anticipated by the adoption of this Ordinance.

LEGAL CONSIDERATIONS/SIGN-OFF:
The attached Ordinance has been reviewed and approved for legal sufficiency by Meredith D. Crawford, Assistant County Attorney. Any recommendations or legal sufficiency comments made in that review are attached herein.

PERSONNEL:

No additional personnel are required for implementation of this Ordinance.

POLICY/REQUIREMENT FOR BOARD ACTION:

Amendment of the LDC requires public hearing review and recommendation by the Board prior to action by the BCC. The proposed Ordinance is consistent with the Board's goal "to increase citizen involvement in, access to, and approval of, County government activities."

IMPLEMENTATION/COORDINATION:

This Ordinance amending the LDC will be filed with the Department of State following adoption by the BCC.

Implementation of this Ordinance will consist of an amendment to the LDC and distribution of a copy of the adopted Ordinance to staff and interested citizens.

The proposed Ordinance was prepared by the Development Services Department in cooperation with the County Attorney's Office and all interested citizens. The Development Services Department will ensure proper advertisement.

ORDINANCE NUMBER 2019-_____

AN ORDINANCE OF ESCAMBIA COUNTY, FLORIDA, AMENDING PART III OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, THE LAND DEVELOPMENT CODE OF ESCAMBIA COUNTY, FLORIDA, AS AMENDED; AMENDING CHAPTER 2, DEVELOPMENT AND COMPLIANCE REVIEW, ARTICLE 6, SPECIAL CONDITIONS AND CIRCUMSTANCES, SECTION 2-6.3, VARIANCE OF LDC STANDARDS, TO CLARIFY THE GENERAL APPLICATION OF VARIANCES TO ELIGIBLE DEVELOPMENT STANDARDS AND TO REMOVE THE SANTA ROSA ISLAND AUTHORITY VARIANCE PROVISION REGARDING APPROVAL OF THE LOCATION OF SWIMMING POOLS ON SANTA ROSA ISLAND FOR REPLACEMENT IN CHAPTER 4; AMENDING CHAPTER 4, LOCATION AND USE REGULATIONS, ARTICLE 7, SUPPLEMENTAL USE REGULATIONS, AMENDING SECTION 4-7.3, ACCESSORY USES AND STRUCTURES, TO REMOVE REFERENCE TO FAMILY DAY CARE HOMES AND FAMILY FOSTER HOMES AS ACCESSORY USES AND TO ADDRESS ACCESSORY STRUCTURES ON PENSACOLA BEACH; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Legislature of the State of Florida has, in Chapter 125, Florida Statutes, conferred upon local governments the authority to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry; and

WHEREAS, the Escambia County Board of County Commissioners has, within the Land Development Code of Escambia County, established regulations for logical and orderly land development in support of public health, safety and general welfare; and

WHEREAS, the Board, as authorized by a Special Act of the Legislature of the State of Florida, has delegated certain authority to the Santa Rosa Island Authority for the stewardship of Pensacola Beach, including the review of development thereon; and

WHEREAS, the Board finds that revisions to those provisions of the Land Development Code regarding clarification of the County's general variance provisions and regulation of accessory structures on Pensacola Beach will aid Escambia County and the Santa Rosa Island Authority in promoting the logical and orderly development of beach lands and of the County;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA:

Section 1. All above recitals are true and correct and are incorporated herein by reference.

Section 2. Part III of the Escambia County Code of Ordinances, the Land Development Code of Escambia County, Chapter 2, Development and Compliance Review, Article 6, Special Conditions and Circumstances, is hereby amended as follows (words underlined are additions and words ~~stricken~~ are deletions):

Article 6 Special Conditions and Circumstances

Sec. 2-6.3 Variance of LDC standards

(a) General. ~~An applicant may request a variance to specified provisions of the LDC.~~ The variance process considers whether there are deficiencies in real property that create hardships which limit or prevent development in compliance with LDC standards. Variances provide relief by allowing adjustments in eligible development standards to permit the reasonable use of land, mitigate limited site-specific conditions, and avoid undue hardship. A variance authorizes site use in a manner that is not otherwise allowed by the dimensional or physical requirements of the LDC~~, but~~. However, a variance cannot authorize ~~uses~~ any use that ~~are~~ is prohibited by the applicable zoning district or remedy any general hardship conditions that may extend to other ~~sites~~ properties. No applicant is automatically entitled to a variance.

(b) Limits on variances. Minor variances of 20% or less that are of mutual benefit to the public and the applicant are evaluated and may be approved by the Planning Official. All other variances shall be evaluated as substantial hardships through quasi-judicial public hearing review by the Board of Adjustment (BOA), or by the SRIA for Pensacola Beach properties.

~~Limits on variances.~~ Variances are available and may be granted only for the LDC standards that specifically provide the option, and only as allowed by the provisions of the LDC. No variances are available to any provisions of chapters 1, 2, or 6. Additionally, variances cannot be granted to any provisions that establish the allowable uses or densities in a zoning district or to any conditions of approval imposed by an approving authority.

~~Design and construction of swimming pools at Pensacola beach must take into consideration the existing environmental conditions on a barrier island location. Swimming pools to be constructed outside of established building setback lines must be approved by the SRIA Board only, without the need for further action by the BOA.~~

(~~b~~c) General variance conditions. All variances shall satisfy the following conditions:

(1) Special conditions and circumstances exist which are peculiar to the land, structure or building and which are not applicable to other lands, structures or buildings in the same zoning district.

(2) The special conditions and circumstances do not result from the actions of the applicant.

(3) Granting the variance requested will not confer on the applicant any special privilege that is denied by this land development code to other lands, buildings or structures in the same zoning district.

(4) Strict application of the provisions of the land development code would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of the Land Development Code and would create an unnecessary and undue hardship on the applicant.

(5) The variance granted is the minimum variance that will make possible the reasonable use of the land, building or structure.

(6) The granting of the variance will be consistent with the general intent and purpose of the Land Development Code and that such variance will not be injurious to the area or otherwise detrimental to the public welfare.

(~~c~~d) Substantial hardship variance provisions. An applicant may request a substantial hardship variance providing limited relief for a hardship arising from conditions peculiar to a specific property. The process to approve a substantial hardship variance is established here for the BOA and SRIA to consider whether there is a deficiency in real property that creates a substantial undue hardship for the property owner by preventing development of the property in compliance with a LDC standard and whether a requested adjustment in the standard should compensate for that deficiency.

(1) Application. An application for substantial hardship variance approval shall be submitted for compliance review to the clerk of the reviewing board within the deadline stated in the application. A pre-application meeting with staff is recommended.

(2) Public participation. Prior to any hearing to consider a substantial hardship variance, the clerk of the reviewing board shall provide adequate public notice.

a. Publication. At least ten days prior to the hearing, notice shall be published in a newspaper of general circulation in Escambia County.

b. Site sign. At least 15 days prior to the hearing, a sign no smaller than 24 inches by 48 inches shall be prominently posted on, or as near as practicable to, the subject property and shall be clearly readable from the nearest public right-of-way.

c. Notification. At least 15 days prior to the hearing, notification shall be sent via U.S. mail to the address registered with the property appraiser for each owner of real property with any portion of the property located adjacent to the subject property. The cost of the mailing is to be borne by the applicant.

(3) Compliance review. The BOA or SRIA shall conduct a quasi-judicial public hearing as noticed to consider the requested substantial hardship variance according to the provisions of this article. The applicant must establish the presence of the following:

a. Exceptional conditions. There are exceptional conditions or circumstances that are unique to the land in question, not ordinarily found on other lands in the vicinity and not a result of the owner's intentional action. Unique conditions or circumstances include exceptional narrowness, shallowness,

shape, or topographic conditions of the land or the presence of environmentally sensitive lands in or around the land.

b. Substantial hardship. Under the unique land conditions or circumstances prompting the variance request, the strict application of LDC standards causes an exceptional practical difficulty or undue physical hardship to the owner that effectively prohibits a permissible principal use or denies rights and privileges legally enjoyed by owners of other properties in the vicinity or within the same zoning district.

(4) Final determination.

a. Action of board. If the reviewing board finds from the established record of the hearing that there is a compelling demonstration by the applicant of competent substantial evidence proving the required conditions, the board shall grant a variance. However, a variance may only be granted to the extent supported by the evidence presented.

b. Period of valid approval. If not otherwise reduced as a condition of approval, a variance is valid for two years from the date of approval. If within that period the variance is not part of an approved site development application or one continuing in good faith as determined by the Planning Official and no application for its extension has been submitted according to the provisions of this article, the variance approval expires and is void. Once the variance is part of an approved site development plan, however, the variance will remain valid through the approved plan.

c. Other conditions of approval. In granting a variance, the reviewing board shall have the authority to attach any conditions directly related to the variance as the board may find necessary for satisfaction of the variance conditions and preservation of the intent of the subject standard.

Section 3. Part III of the Escambia County Code of Ordinances, the Land Development Code of Escambia County, Chapter 4, Location and Use Regulations, Article 7, Supplemental Use Regulations, is hereby amended as follows (words underlined are additions and words ~~stricken~~ are deletions):

Article 7 Supplemental Use Regulations

Sec. 4-7.3 Accessory uses and structures

(a) General conditions. Accessory uses and structures shall be allowed in compliance with the provisions of the applicable zoning district and this section.

(1) Subordinate. An accessory use shall be subordinate in extent and purpose to the principal use and not simply a different, alternative or additional use. Multiple uses on a parcel may each be classified as a principal use, so the determination of subordinate uses shall, at a minimum, consider the following:

a. Area. The area devoted to the use in relation to the principal use. However, the fact that a use occupies less area does not necessarily make the use accessory.

b. Time. The time devoted to the use in relation to the principal use. For example, a seasonal activity may be accessory in relation to a year-round primary use, but a year-round use would not be subordinate to a seasonal primary use.

c. Intensity. The relative intensity of the use and the resulting impacts on the land and neighboring properties.

d. Employees. The number of employees assigned to a use. However, an accessory use need not always have fewer employees than the principal use.

(2) Customarily incidental. An accessory use shall be customarily incidental to the principal use, having commonly, habitually, and by long practice been established as reasonably associated with that use. A rare association of uses does not qualify as customary, but the uses need not be joined in a majority of the instances of the principal use. Additionally, an incidental use must have a reasonable relationship to the principal use, being clearly associated, attendant or connected. A use is customarily incidental when it is so necessary or so commonly to be expected in connection with the principal use that it cannot be reasonably supposed that the LDC intended to prevent it.

(3) Establishment. Unless otherwise specifically allowed by the provisions of the LDC, accessory uses and structures may only be established concurrently with or following the lawful establishment of a validating principal use or structure.

(4) Location. An accessory use or structure shall be located on the same lot as the principal use or structure. Accessory structures are limited to locations within side and rear yards, except as specifically allowed by LDC provisions, including the following:

a. Large residential lots. Accessory structures, including an accessory dwelling unit, on a lot ten acres in size or larger may be located within the front yard of the principal dwelling if the structures are at least 60 feet from the front lot line.

b. Waterfront lots. Accessory structures may be located in the front yard of a waterfront lot if the structures are at least 60 feet from the front lot line and granted conditional use approval by the Board of Adjustment (BOA).

c. Signs and fences. Signs and fences as accessory structures may be located within a front yard if in compliance with the sign and fence standards prescribed in Chapter 5.

d. Fuel pumps. Pumps and pump islands for retail fuel sales may be located within the front yard of a conforming non-residential use if the pumps and islands are at least 20 feet from any street right-of-way.

e. Sewage systems. The underground components of an on-site sewage treatment and disposal system (e.g., septic tank and drain field) may be

located within a front yard as necessary to obtain sufficient open space if the components are at least five feet from any lot line.

f. Deposit boxes. Deposit boxes for the donation of used items to charitable organizations may be located within the front yard of a conforming non-residential use if the total area coverage by the boxes is limited to 100 square feet and they are placed in compliance with the sight visibility and sign standards prescribed in Chapter 5.

g. Automated vending. Automated vending structures may be located within the front yard of a conforming non-residential use if the vending structures are at least 20 feet from any street right-of-way and in compliance with the sight visibility and sign standards prescribed in Chapter 5. Such structures shall also be freestanding, self-contained, and unattended; have separately metered utilities; and be limited to on-demand self-service commercial activities such as the retail sale of ice or the provision of banking services.

(5) Size in relation to single-family dwellings. Structures accessory to a single-family dwelling, including accessory dwelling units, are subject to the following size limits, excluding accessory structures on farms or within agricultural zoning:

a. Less than two acres. On lots smaller than two acres, no individual accessory structure may exceed 50 percent of the gross floor area of the principal dwelling.

b. Two to five acres. On lots two acres to five acres, no individual accessory structure may exceed 75 percent of the size of the gross floor area.

c. Greater than five acres. On lots larger than five acres, no individual accessory structure may exceed the size of the principal dwelling.

Structures larger than the limits established here shall require variance approval from the BOA.

~~**(6) Structures on Pensacola Beach.** Residential accessory structures on Pensacola Beach, except for signs and fences, require approval of the SRIA Board. Such private structures include garages, storage buildings, playhouses, swimming pools, cabanas, uncovered decks, and screened enclosures. Approval of these accessory structures is entirely at the discretion of the SRIA and shall require compliance with the following:~~

~~**a.** The design of the structure is compatible with the design of the residence.~~

~~**b.** If on a waterfront lot, the structure does not extend further seaward than residences on adjoining lots.~~

~~**c.** If the structure is a detached elevated deck, it is no greater than 200 square feet in area and does not exceed 35 feet in height or the height of the residence, whichever height is less.~~

~~**d.** No variance to established structure setback lines is necessary.~~

~~**e.** No wall of the structure is closer than six feet to any wall of the residence, and no part of the structure is closer than four feet to any part of the residence.~~

~~**f.** If the structure includes a walkway cover between the residence and the structure, the cover is no more than six feet wide.~~

~~**g.** If the structure is a swimming pool or gazebo type structure, it does not extend seaward of the state's 1975 Coastal Construction Control Line or a line 50 feet landward of the crest of the primary dune line, whichever setback from the shoreline is more restrictive.~~

~~**h.** The structure complies with all other LDC and Florida Building Code requirements.~~

(b) Specific uses and structures.

(1) Accessory dwelling units. Accessory dwelling units are allowed on the lots of single-family dwellings, but a second dwelling unit on a lot is not subject to the limitations of accessory structures if the lot area and applicable zoning district would otherwise allow the additional dwelling. Accessory dwelling units shall comply with the following conditions:

a. The applicable zoning is a mainland district, but is not Industrial (Ind), Recreation (Rec), Conservation (Con), or Public (Pub).

b. The principal dwelling and accessory dwelling unit are the only dwellings on the lot and the lot provides the minimum area required by the applicable zoning.

c. The resulting residential density on the lot may exceed the gross density limit of the applicable zoning, but complies with all other applicable density limits (e.g., airfield environs).

d. The form of accessory dwelling (e.g., manufactured home) is an allowed use of the applicable zoning.

e. The accessory dwelling complies with the setbacks applicable to the principal dwelling unless otherwise allowed by the LDC.

(2) Carports. All carports, attached or detached, are allowed as accessory structures regardless of their construction material, but shall comply with the following conditions:

a. The structure setbacks of the applicable zoning district are not exceeded, except that a carport may encroach into the required front yard provided it is not less than ten feet from the front property line.

b. The carport is not prohibited by private deed restrictions.

c. Minor site development approval is obtained for the structure and it complies with applicable building codes.

d. A building permit is obtained for the structure unless it is a portable carport covering less than 400 square feet.

e. The structure is not attached to a mobile home.

(3) Chickens and single-family dwellings The ownership, possession, and raising of live chickens (*Gallus gallus domesticus*) is an allowed accessory use for any single-family dwelling principal use, except on Perdido Key and Santa Rosa Island, regardless of any prohibition of farm animals or minimum lot area for farm animals established by the applicable zoning district. However, such keeping of chickens shall comply with the following standards:

a. Limit by lot area. No more than eight chickens shall be kept on any lot that is one quarter acre or less in size.

b. Roosters. No rooster shall be kept less than 100 yards from any inhabited residence other than the dwelling of the person keeping the rooster.

c. Security. Chickens may roam freely in the fenced rear yard of the principal dwelling from sunrise to sunset. During all other times the chickens shall be kept in secure coops, pens or enclosures that prevent access by predators.

d. Enclosure setbacks. All chicken pens, coops, or enclosures shall be a minimum of 10 feet from rear and side property lines, and a minimum of 20 feet from any residence located on an adjacent lot.

(4) Columbaria. Columbaria are allowed as accessory uses to places of worship.

(5) Docks and piers. As an exception to the establishment of a principal use or structure for any accessory use or structure, docks and piers may be permitted as accessory structures on lots exclusively for single-family dwellings regardless of the establishment of any dwellings on the lots.

(6) Dog-friendly outdoor dining areas. Chapter 509, Florida Statutes, as amended, authorizes a local exemption to certain regulations adopted by the Division of Hotels and Restaurants, Florida Department of Business and Professional Regulation, for the option of restaurants and other public food service establishments to offer dog-friendly outdoor dining areas. As further provided in this part, those establishments as defined by the state and licensed by the division may allow patrons' dogs within designated outdoor portions of the establishments as an accessory use to the food service. These provisions do not limit the areas of use by dogs as service animals for disabled persons or by dogs in th**e service of law enforcement agencies.**

a. Permit required. Prior to allowing patron's dogs on their premises, all public food service establishments, new or existing, shall obtain a permit for the accessory use from the county through the site plan review process prescribed in Article 4 of Chapter 2. In addition to information required by adopted site plan application procedures, the applicant shall provide the following:

1. Name, location, and mailing address of the public food service establishment.

2. Name, mailing address, and telephone contact information of the permit applicant.

3. Accurately labeled, dimensioned, and scaled diagram of the outdoor area to be designated as available to patrons' dogs. The area shall be shown in relation to the establishment's property boundary, remaining unavailable area, and any sidewalks or other public ways within or adjoining the site. The diagram shall also depict any quantity and placement of tables, chairs, and restaurant equipment within the designated area for patrons' dogs, all entries and exits to that area, any existing or proposed fences or barriers, and locations of site signs proposed for the required posting of rules.

4. Days of the week and hours of operation that patrons' dogs will be permitted in the designated outdoor area.

5. Division-issued license number of the applying public food service establishment.

6. Scaled representations of the site signs proposed for the required posting of rules.

b. **Design and operation**. To protect the health, safety, and general welfare of the public, all public food service establishments authorized by this local exemption shall instruct employees in appropriate health and safety practices and include the following in their design and operation of outdoor areas provided for patron's dogs:

1. **Hand sanitizer**. Waterless hand sanitizer shall be provided at all tables within the designated areas.

2. **Surface cleaning**. Between the seating of patrons all table and chair surfaces shall be cleaned and sanitized with a division - approved product and all spilled food and drink shall be removed from the floor or ground.

3. **Waste cleanup**. Accidents involving dog waste shall be cleaned immediately and the area sanitized with a division-approved product. A kit with the appropriate materials for this purpose shall be kept near the designated outdoor area.

4. **Limited travel**. Except for dogs as service animals for disabled persons or dogs in the service of law enforcement agencies, no dogs shall be permitted to travel through indoor or non-designated outdoor portions of the establishment. Accordingly, ingress and egress to the designated outdoor portions of the establishment must not require entrance into or passage through other areas of the establishment.

5. **Area signage**. One or more signs notifying the public that a designated outdoor area is available for the use of patrons and patrons' dogs shall be conspicuously posted on the premises of the establishment. Additionally, one or more signs at each entrance to the designated outdoor area shall

remind employees and patrons of the following statute-based rules of use of the area:

i. All employees shall wash their hands promptly after touching, petting, or otherwise handling dogs. Employees are prohibited from touching, petting, or otherwise handling dogs while serving food or beverages or handling tableware or before entering other parts of the public food service establishment.

ii. All patrons in the designated outdoor areas should wash their hands before eating.

iii. Employees and patrons shall not allow dogs to come into contact with serving dishes, utensils, tableware, linens, paper products, or any other items involved in food service operations.

iv. Patrons shall keep their dogs on leashes at all times and shall keep their dogs under direct control.

v. Dogs are not allowed on chairs, tables, or other furnishings.

vi. Except for dogs used as service animals for disabled persons or dogs in the service of law enforcement agencies, dogs are not permitted to travel through indoor or non-designated outdoor portions of the establishment.

c. Owner obligations. Any current or subsequent owner of a public food service establishment approved through these provisions to allow patrons' dogs within designated outdoor portions of the establishment is obligated by the approval to maintain all site conditions and elements as approved for all times the patrons' dogs are allowed within those designated areas.

d. Enforcement. The regulations of this part shall be enforced by county code enforcement officers as authorized pursuant to Chapter 30, Code Enforcement, Part I, Escambia County Code of Ordinances. Any party or parties in violation of these regulations shall be subject to notices of violation, citations, and civil penalties as prescribed in Chapter 30.

e. State and local cooperation. The county shall monitor permit compliance in cooperation with the Division of Hotels and Restaurants through the following:

1. Planning Official. The Planning Official shall, on no less than an annual basis, provide the division with a copy of all county-approved applications and issued permits for dog-friendly dining. The appropriate division-issued license numbers of the respective public food service establishments shall be on all documents provided.

2. Code enforcement. County Code Enforcement shall, on no less than an annual basis, report citizen complaints related to these dog-friendly dining provisions and the enforcement responses made to such complaints. The report shall include the division-issued license numbers of the respective

public food service establishments and may be submitted in coordination with the applications report of the Planning Official.

~~**(7) Family day care or foster homes.** A family day care home or family foster home is allowed as an accessory use wherever the host dwelling unit is allowed unless prohibited by the applicable zoning district.~~

(8<u>7</u>) Home occupations and home-based businesses. Home occupations and home-based businesses are limited to the residents of a dwelling unit other than a manufactured (mobile) home, and allowed only as accessory uses to the residential uses. A home occupation, or employment at home, is allowed wherever the host dwelling unit is allowed, but shall generally be unnoticeable to adjoining land uses. A home-based business, which is at a greater scale or intensity than a home occupation, is limited to the rural zoning districts (Agr, RR, RMU) and only allowed if impacts to adjoining land uses are minimal. Home occupations and home-based businesses shall comply with each of the following requirements:

a. Licenses. All required business, professional, or occupational licenses are obtained prior to commencement of the occupation or business and are maintained for the duration of the activity.

b. Exterior evidence. For home occupations, there is no evidence visible from outside of the dwelling or accessory building that any part of a building is utilized for an occupation. For home-based businesses, any evidence visible from outside of the dwelling or accessory building that any part of a building is utilized for a business is minimal. Such exterior evidence includes any storage or display associated with the occupation or business. Signs are limited for both uses as prescribed by the outdoor sign provisions in Article 8 of Chapter 5.

c. Off-site impacts. Occupations or business activities shall not create nuisances or adverse off-site impacts, including but not limited to noise, vibration, smoke, dust or other particulates, odors, heat, light or glare, or electromagnetic interference. In a residential neighborhood, no activities are allowed to alter the character of the neighborhood.

d. Structural alterations. No structural alterations are made that would be inconsistent with the use of the dwelling exclusively as a residence or that would not customarily be associated with dwellings or their accessory buildings.

e. Employees. Employment in a home occupation is limited to residents of the dwelling unit unless the applicable zoning district allows BOA conditional use approval of non-resident employees. Employment in a home-based business may include no more than two non-resident employees.

f. Customers. No customers shall visit the house and there shall not be any additional traffic or an increase in demand for parking due to trucks or other service vehicles coming to the house.

g. Motor vehicles. The manufacture or repair of motor vehicles or other transportation equipment is prohibited.

(8) Pensacola Beach structures. All accessory structures on Pensacola Beach require approval of the SRIA Board, except signs, fences, swimming pools within principal structure setbacks, and decks on grade (max. 12 inches above finished grade). Those structures requiring approval include detached garages, storage buildings, playhouses, swimming pools outside of structure setbacks, cabanas, gazebos, detached elevated decks, and screened enclosures. Approval is entirely at the discretion of the SRIA, but any approved accessory structure shall comply with the following:

a. Compatible design. The design of the accessory structure is compatible with the design of the principal structure.

b. Waterfront location. Other than a state-approved dune walkover, if the accessory structure is on a waterfront lot, it does not extend further seaward than principal structures on adjoining lots. Additionally, if the lot fronts the Gulf of Mexico, the structure does not extend seaward of the state's 1975 Coastal Construction Control Line or a line 50 feet landward of the crest of the primary dune line, whichever setback from the shoreline is more restrictive.

c. No variance. No variance to established structure setback lines is requested or necessary.

d. Structure separation. No wall of the accessory structure is closer than six feet to any wall of the principal structure, and no part of the accessory structure is closer than four feet to any part of the principal structure.

e. Elevated decks. If the accessory structure is a detached elevated deck, it is no greater than 200 square feet in area and does not exceed 35 feet in height or the height of the principal structure, whichever height is less.

f. Walkway covers. If the accessory structure includes a walkway cover between it and the principal structure, the cover is no more than six feet wide.

g. Swimming pools. If the accessory structure is a swimming pool, it is designed and constructed in consideration of barrier island environmental conditions and complies with the following conditions:

1. Hold harmless. The property leaseholder executes a Hold Harmless Agreement with the SRIA prior to approval.

2. Outside of setbacks. Any request to construct the swimming pool outside of the building setback lines of the applicable zoning district, although not subject to a variance approval, is approved as prescribed by adopted SRIA procedures, including a requirement of no objections from adjoining property leaseholders.

3. Hardscape setbacks. No swimming pool hardscape is closer than five feet to any side or rear property line.

h. Other requirements. The accessory structure complies with all other LDC and Florida Building Code requirements, and all applicable building permits are obtained from the county prior to commencement of construction.

(9) Small wind energy systems. For the purposes of this section, a small wind energy system is an accessory use consisting of a wind turbine, structural support, and associated control or conversion electronics design to supply some of the on-site electrical power demands of a home, farm, or small business. A small wind energy system is allowed only if constructed and operated in compliance with each of the following requirements:

a. System Height. The height of the system is the minimum necessary to reliably provide the required power.

b. Prohibited use. To protect the unique scenic view, the system is not installed within the Scenic Highway Overlay District.

c. Airport and military review. If the installation of the system or additional turbines is within the Pensacola International Airport Planning District (PNSPD) or any military Airfield Influence Planning District (AIPD), the applicant has notified and obtained a response from the respective airport/airfield authority. If the authority has objections to the installation, the Planning Official shall consider them in any final determination and may impose approval conditions on the installation to address the objections.

d. Setback. The center of the system tower base is no closer to any part of a dwelling outside of the system installation parcel than the total height of the system. Additionally, no part of the system structure, including any guy wires or anchors, is closer than five feet to the property boundary of the installation parcel.

e. Appearance.

1. Design and Location. Towers are designed and located to minimize visual impacts. Colors and surface treatment of system components minimize visual distraction.

2. Signs. Signs on system components are limited to the manufacturer's or installer's identification and appropriate warnings.

3. Lighting. System structures are not lighted except to the extent required by the Federal Aviation Administration or other applicable authority.

(10) Swimming pool enclosures. Screened enclosures for swimming pools may be erected no closer than five feet from the rear or side property line. No pool enclosure shall be allowed on any easement unless authorized by the grantee of the easement through an encroachment agreement.

Section 4. Severability.

If any section, sentence, clause or phrase of this Ordinance is held to be invalid or unconstitutional by any Court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this Ordinance.

Section 5. Inclusion in Code.

It is the intention of the Board of County Commissioners that the provisions of this Ordinance shall be codified as required by F.S. § 125.68 (2018); and that the sections, subsections and other provisions of this Ordinance may be renumbered or re-lettered and the word "ordinance" may be changed to "section," "chapter," or such other appropriate word or phrase in order to accomplish such intentions.

Section 6. Effective Date.

This Ordinance shall become effective upon filing with the Department of State.

DONE AND ENACTED this_____ day of _____, 2019.

BOARD OF COUNTY COMMISSIONERS

ESCAMBIA COUNTY, FLORIDA

By: _____

Lumon J. May, Chairman

ATTEST: PAM CHILDERS

Clerk of the Circuit Court

By: _____

Deputy Clerk

(SEAL)

ENACTED:

FILED WITH THE DEPARTMENT OF STATE:

EFFECTIVE DATE:

ORDINANCE NUMBER 2019-_____

AN ORDINANCE OF ESCAMBIA COUNTY, FLORIDA, AMENDING PART III OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, THE LAND DEVELOPMENT CODE OF ESCAMBIA COUNTY, FLORIDA, AS AMENDED; AMENDING CHAPTER 2, DEVELOPMENT AND COMPLIANCE REVIEW, ARTICLE 6, SPECIAL CONDITIONS AND CIRCUMSTANCES, SECTION 2-6.3, VARIANCE OF LDC STANDARDS, TO CLARIFY THE GENERAL APPLICATION OF VARIANCES TO ELIGIBLE DEVELOPMENT STANDARDS AND TO REMOVE THE SANTA ROSA ISLAND AUTHORITY VARIANCE PROVISION REGARDING APPROVAL OF THE LOCATION OF SWIMMING POOLS ON SANTA ROSA ISLAND FOR REPLACEMENT IN CHAPTER 4; AMENDING CHAPTER 4, LOCATION AND USE REGULATIONS, ARTICLE 7, SUPPLEMENTAL USE REGULATIONS, AMENDING SECTION 4-7.3, ACCESSORY USES AND STRUCTURES, TO REMOVE REFERENCE TO FAMILY DAY CARE HOMES AND FAMILY FOSTER HOMES AS ACCESSORY USES AND TO ADDRESS ACCESSORY STRUCTURES ON PENSACOLA BEACH; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Legislature of the State of Florida has, in Chapter 125, Florida Statutes, conferred upon local governments the authority to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry; and

WHEREAS, the Escambia County Board of County Commissioners has, within the Land Development Code of Escambia County, established regulations for logical and orderly land development in support of public health, safety and general welfare; and

WHEREAS, the Board, as authorized by a Special Act of the Legislature of the State of Florida, has delegated certain authority to the Santa Rosa Island Authority for the stewardship of Pensacola Beach, including the review of development thereon; and

WHEREAS, the Board finds that revisions to those provisions of the Land Development Code regarding clarification of the County's general variance provisions and regulation of accessory structures on Pensacola Beach will aid Escambia County and the Santa Rosa Island Authority in promoting the logical and orderly development of beach lands and of the County;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA:

Section 1. All above recitals are true and correct and are incorporated herein by reference.

Section 2. Part III of the Escambia County Code of Ordinances, the Land Development Code of Escambia County, Chapter 2, Development and Compliance Review, Article 6,

Special Conditions and Circumstances, is hereby amended as follows (words underlined are additions and words ~~stricken~~ are deletions):

Article 6 Special Conditions and Circumstances

Sec. 2-6.3 Variance of LDC standards

(a) General. ~~An applicant may request a variance to specified provisions of the LDC.~~ The variance process considers whether there are deficiencies in real property that create hardships which limit or prevent development in compliance with LDC standards. Variances provide relief by allowing adjustments in eligible development standards to permit the reasonable use of land, mitigate limited site-specific conditions, and avoid undue hardship. A variance authorizes site use in a manner that is not otherwise allowed by the dimensional or physical requirements of the LDC~~, but~~. However, a variance cannot authorize ~~uses~~ any use that ~~are~~ is prohibited by the applicable zoning district or remedy any general hardship conditions that may extend to other ~~sites~~ properties. No applicant is automatically entitled to a variance.

(b) Limits on variances. Minor variances of 20% or less that are of mutual benefit to the public and the applicant are evaluated and may be approved by the Planning Official. All other variances shall be evaluated as substantial hardships through quasi-judicial public hearing review by the Board of Adjustment (BOA), or by the SRIA for Pensacola Beach properties.

~~Limits on variances.~~ Variances are available and may be granted only for the LDC standards that specifically provide the option, and only as allowed by the provisions of the LDC. No variances are available to any provisions of chapters 1, 2, or 6. Additionally, variances cannot be granted to any provisions that establish the allowable uses or densities in a zoning district or to any conditions of approval imposed by an approving authority.

~~Design and construction of swimming pools at Pensacola beach must take into consideration the existing environmental conditions on a barrier island location. Swimming pools to be constructed outside of established building setback lines must be approved by the SRIA Board only, without the need for further action by the BOA.~~

(~~b~~c) General variance conditions. All variances shall satisfy the following conditions:

(1) Special conditions and circumstances exist which are peculiar to the land, structure or building and which are not applicable to other lands, structures or buildings in the same zoning district.

(2) The special conditions and circumstances do not result from the actions of the applicant.

(3) Granting the variance requested will not confer on the applicant any special privilege that is denied by this land development code to other lands, buildings or structures in the same zoning district.

(4) Strict application of the provisions of the land development code would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of the Land Development Code and would create an unnecessary and undue hardship on the applicant.

(5) The variance granted is the minimum variance that will make possible the reasonable use of the land, building or structure.

(6) The granting of the variance will be consistent with the general intent and purpose of the Land Development Code and that such variance will not be injurious to the area or otherwise detrimental to the public welfare.

(~~c~~d) Substantial hardship variance provisions. An applicant may request a substantial hardship variance providing limited relief for a hardship arising from conditions peculiar to a specific property. The process to approve a substantial hardship variance is established here for the BOA and SRIA to consider whether there is a deficiency in real property that creates a substantial undue hardship for the property owner by preventing development of the property in compliance with a LDC standard and whether a requested adjustment in the standard should compensate for that deficiency.

(1) Application. An application for substantial hardship variance approval shall be submitted for compliance review to the clerk of the reviewing board within the deadline stated in the application. A pre-application meeting with staff is recommended.

(2) Public participation. Prior to any hearing to consider a substantial hardship variance, the clerk of the reviewing board shall provide adequate public notice.

a. Publication. At least ten days prior to the hearing, notice shall be published in a newspaper of general circulation in Escambia County.

b. Site sign. At least 15 days prior to the hearing, a sign no smaller than 24 inches by 48 inches shall be prominently posted on, or as near as practicable to, the subject property and shall be clearly readable from the nearest public right-of-way.

c. Notification. At least 15 days prior to the hearing, notification shall be sent via U.S. mail to the address registered with the property appraiser for each owner of real property with any portion of the property located adjacent to the subject property. The cost of the mailing is to be borne by the applicant.

(3) Compliance review. The BOA or SRIA shall conduct a quasi-judicial public hearing as noticed to consider the requested substantial hardship variance according to the provisions of this article. The applicant must establish the presence of the following:

a. Exceptional conditions. There are exceptional conditions or circumstances that are unique to the land in question, not ordinarily found on other lands in the vicinity and not a result of the owner's intentional action. Unique conditions or circumstances include exceptional narrowness, shallowness, shape, or topographic conditions of the land or the presence of environmentally sensitive lands in or around the land.

b. Substantial hardship. Under the unique land conditions or circumstances prompting the variance request, the strict application of LDC standards causes an exceptional practical difficulty or undue physical hardship to the

owner that effectively prohibits a permissible principal use or denies rights and privileges legally enjoyed by owners of other properties in the vicinity or within the same zoning district.

(4) Final determination.

a. Action of board. If the reviewing board finds from the established record of the hearing that there is a compelling demonstration by the applicant of competent substantial evidence proving the required conditions, the board shall grant a variance. However, a variance may only be granted to the extent supported by the evidence presented.

b. Period of valid approval. If not otherwise reduced as a condition of approval, a variance is valid for two years from the date of approval. If within that period the variance is not part of an approved site development application or one continuing in good faith as determined by the Planning Official and no application for its extension has been submitted according to the provisions of this article, the variance approval expires and is void. Once the variance is part of an approved site development plan, however, the variance will remain valid through the approved plan.

c. Other conditions of approval. In granting a variance, the reviewing board shall have the authority to attach any conditions directly related to the variance as the board may find necessary for satisfaction of the variance conditions and preservation of the intent of the subject standard.

Section 3. Part III of the Escambia County Code of Ordinances, the Land Development Code of Escambia County, Chapter 4, Location and Use Regulations, Article 7, Supplemental Use Regulations, is hereby amended as follows (words underlined are additions and words ~~stricken~~ are deletions):

Article 7 Supplemental Use Regulations

Sec. 4-7.3 Accessory uses and structures

(a) General conditions. Accessory uses and structures shall be allowed in compliance with the provisions of the applicable zoning district and this section.

(1) Subordinate. An accessory use shall be subordinate in extent and purpose to the principal use and not simply a different, alternative or additional use. Multiple uses on a parcel may each be classified as a principal use, so the determination of subordinate uses shall, at a minimum, consider the following:

a. Area. The area devoted to the use in relation to the principal use. However, the fact that a use occupies less area does not necessarily make the use accessory.

b. Time. The time devoted to the use in relation to the principal use. For example, a seasonal activity may be accessory in relation to a year-round primary use, but a year-round use would not be subordinate to a seasonal primary use.

c. **Intensity.** The relative intensity of the use and the resulting impacts on the land and neighboring properties.

d. **Employees.** The number of employees assigned to a use. However, an accessory use need not always have fewer employees than the principal use.

(2) Customarily incidental. An accessory use shall be customarily incidental to the principal use, having commonly, habitually, and by long practice been established as reasonably associated with that use. A rare association of uses does not qualify as customary, but the uses need not be joined in a majority of the instances of the principal use. Additionally, an incidental use must have a reasonable relationship to the principal use, being clearly associated, attendant or connected. A use is customarily incidental when it is so necessary or so commonly to be expected in connection with the principal use that it cannot be reasonably supposed that the LDC intended to prevent it.

(3) Establishment. Unless otherwise specifically allowed by the provisions of the LDC, accessory uses and structures may only be established concurrently with or following the lawful establishment of a validating principal use or structure.

(4) Location. An accessory use or structure shall be located on the same lot as the principal use or structure. Accessory structures are limited to locations within side and rear yards, except as specifically allowed by LDC provisions, including the following:

a. Large residential lots. Accessory structures, including an accessory dwelling unit, on a lot ten acres in size or larger may be located within the front yard of the principal dwelling if the structures are at least 60 feet from the front lot line.

b. Waterfront lots. Accessory structures may be located in the front yard of a waterfront lot if the structures are at least 60 feet from the front lot line and granted conditional use approval by the Board of Adjustment (BOA).

c. Signs and fences. Signs and fences as accessory structures may be located within a front yard if in compliance with the sign and fence standards prescribed in Chapter 5.

d. Fuel pumps. Pumps and pump islands for retail fuel sales may be located within the front yard of a conforming non-residential use if the pumps and islands are at least 20 feet from any street right-of-way.

e. Sewage systems. The underground components of an on-site sewage treatment and disposal system (e.g., septic tank and drain field) may be located within a front yard as necessary to obtain sufficient open space if the components are at least five feet from any lot line.

f. Deposit boxes. Deposit boxes for the donation of used items to charitable organizations may be located within the front yard of a conforming non-residential use if the total area coverage by the boxes is limited to 100 square feet and they are placed in compliance with the sight visibility and sign standards prescribed in Chapter 5.

g. Automated vending. Automated vending structures may be located within the front yard of a conforming non-residential use if the vending structures are at least 20 feet from any street right-of-way and in compliance with the sight visibility and sign standards prescribed in Chapter 5. Such structures shall also be freestanding, self-contained, and unattended; have separately metered utilities; and be limited to on-demand self-service commercial activities such as the retail sale of ice or the provision of banking services.

(5) Size in relation to single-family dwellings. Structures accessory to a single-family dwelling, including accessory dwelling units, are subject to the following size limits, excluding accessory structures on farms or within agricultural zoning:

a. Less than two acres. On lots smaller than two acres, no individual accessory structure may exceed 50 percent of the gross floor area of the principal dwelling.

b. Two to five acres. On lots two acres to five acres, no individual accessory structure may exceed 75 percent of the size of the gross floor area.

c. Greater than five acres. On lots larger than five acres, no individual accessory structure may exceed the size of the principal dwelling.

Structures larger than the limits established here shall require variance approval from the BOA.

~~**(6) Structures on Pensacola Beach.** Residential accessory structures on Pensacola Beach, except for signs and fences, require approval of the SRIA Board. Such private structures include garages, storage buildings, playhouses, swimming pools, cabanas, uncovered decks, and screened enclosures. Approval of these accessory structures is entirely at the discretion of the SRIA and shall require compliance with the following:~~

~~**a.** The design of the structure is compatible with the design of the residence.~~

~~**b.** If on a waterfront lot, the structure does not extend further seaward than residences on adjoining lots.~~

~~**c.** If the structure is a detached elevated deck, it is no greater than 200 square feet in area and does not exceed 35 feet in height or the height of the residence, whichever height is less.~~

~~**d.** No variance to established structure setback lines is necessary.~~

~~**e.** No wall of the structure is closer than six feet to any wall of the residence, and no part of the structure is closer than four feet to any part of the residence.~~

~~**f.** If the structure includes a walkway cover between the residence and the structure, the cover is no more than six feet wide.~~

~~**g.** If the structure is a swimming pool or gazebo type structure, it does not extend seaward of the state's 1975 Coastal Construction Control Line or a line 50 feet landward of the crest of the primary dune line, whichever setback from the shoreline is more restrictive.~~

~~**h.** The structure complies with all other LDC and Florida Building Code requirements.~~

(b) Specific uses and structures.

(1) Accessory dwelling units. Accessory dwelling units are allowed on the lots of single-family dwellings, but a second dwelling unit on a lot is not subject to the limitations of accessory structures if the lot area and applicable zoning district would otherwise allow the additional dwelling. Accessory dwelling units shall comply with the following conditions:

a. The applicable zoning is a mainland district, but is not Industrial (Ind), Recreation (Rec), Conservation (Con), or Public (Pub).

b. The principal dwelling and accessory dwelling unit are the only dwellings on the lot and the lot provides the minimum area required by the applicable zoning.

c. The resulting residential density on the lot may exceed the gross density limit of the applicable zoning, but complies with all other applicable density limits (e.g., airfield environs).

d. The form of accessory dwelling (e.g., manufactured home) is an allowed use of the applicable zoning.

e. The accessory dwelling complies with the setbacks applicable to the principal dwelling unless otherwise allowed by the LDC.

(2) Carports. All carports, attached or detached, are allowed as accessory structures regardless of their construction material, but shall comply with the following conditions:

a. The structure setbacks of the applicable zoning district are not exceeded, except that a carport may encroach into the required front yard provided it is not less than ten feet from the front property line.

b. The carport is not prohibited by private deed restrictions.

c. Minor site development approval is obtained for the structure and it complies with applicable building codes.

d. A building permit is obtained for the structure unless it is a portable carport covering less than 400 square feet.

e. The structure is not attached to a mobile home.

(3) Chickens and single-family dwellings The ownership, possession, and raising of live chickens (*Gallus gallus domesticus*) is an allowed accessory use for any single-family dwelling principal use, except on Perdido Key and Santa Rosa Island, regardless of any prohibition of farm animals or minimum lot area for farm animals established by the applicable zoning district. However, such keeping of chickens shall comply with the following standards:

a. Limit by lot area. No more than eight chickens shall be kept on any lot that is one quarter acre or less in size.

b. **Roosters.** No rooster shall be kept less than 100 yards from any inhabited residence other than the dwelling of the person keeping the rooster.

c. **Security.** Chickens may roam freely in the fenced rear yard of the principal dwelling from sunrise to sunset. During all other times the chickens shall be kept in secure coops, pens or enclosures that prevent access by predators.

d. **Enclosure setbacks.** All chicken pens, coops, or enclosures shall be a minimum of 10 feet from rear and side property lines, and a minimum of 20 feet from any residence located on an adjacent lot.

(4) Columbaria. Columbaria are allowed as accessory uses to places of worship.

(5) Docks and piers. As an exception to the establishment of a principal use or structure for any accessory use or structure, docks and piers may be permitted as accessory structures on lots exclusively for single-family dwellings regardless of the establishment of any dwellings on the lots.

(6) Dog-friendly outdoor dining areas. Chapter 509, Florida Statutes, as amended, authorizes a local exemption to certain regulations adopted by the Division of Hotels and Restaurants, Florida Department of Business and Professional Regulation, for the option of restaurants and other public food service establishments to offer dog-friendly outdoor dining areas. As further provided in this part, those establishments as defined by the state and licensed by the division may allow patrons' dogs within designated outdoor portions of the establishments as an accessory use to the food service. These provisions do not limit the areas of use by dogs as service animals for disabled persons or by dogs in th**e service of law enforcement agencies.**

a. **Permit required.** Prior to allowing patron's dogs on their premises, all public food service establishments, new or existing, shall obtain a permit for the accessory use from the county through the site plan review process prescribed in Article 4 of Chapter 2. In addition to information required by adopted site plan application procedures, the applicant shall provide the following:

1. Name, location, and mailing address of the public food service establishment.

2. Name, mailing address, and telephone contact information of the permit applicant.

3. Accurately labeled, dimensioned, and scaled diagram of the outdoor area to be designated as available to patrons' dogs. The area shall be shown in relation to the establishment's property boundary, remaining unavailable area, and any sidewalks or other public ways within or adjoining the site. The diagram shall also depict any quantity and placement of tables, chairs, and restaurant equipment within the designated area for patrons' dogs, all entries and exits to that area, any existing or proposed fences or barriers, and locations of site signs proposed for the required posting of rules.

4. Days of the week and hours of operation that patrons' dogs will be permitted in the designated outdoor area.
5. Division-issued license number of the applying public food service establishment.
6. Scaled representations of the site signs proposed for the required posting of rules.

b. **Design and operation**. To protect the health, safety, and general welfare of the public, all public food service establishments authorized by this local exemption shall instruct employees in appropriate health and safety practices and include the following in their design and operation of outdoor areas provided for patron's dogs:

1. **Hand sanitizer**. Waterless hand sanitizer shall be provided at all tables within the designated areas.
2. **Surface cleaning**. Between the seating of patrons all table and chair surfaces shall be cleaned and sanitized with a division - approved product and all spilled food and drink shall be removed from the floor or ground.
3. **Waste cleanup**. Accidents involving dog waste shall be cleaned immediately and the area sanitized with a division-approved product. A kit with the appropriate materials for this purpose shall be kept near the designated outdoor area.
4. **Limited travel**. Except for dogs as service animals for disabled persons or dogs in the service of law enforcement agencies, no dogs shall be permitted to travel through indoor or non-designated outdoor portions of the establishment. Accordingly, ingress and egress to the designated outdoor portions of the establishment must not require entrance into or passage through other areas of the establishment.
5. **Area signage**. One or more signs notifying the public that a designated outdoor area is available for the use of patrons and patrons' dogs shall be conspicuously posted on the premises of the establishment. Additionally, one or more signs at each entrance to the designated outdoor area shall remind employees and patrons of the following statute-based rules of use of the area:

i. All employees shall wash their hands promptly after touching, petting, or otherwise handling dogs. Employees are prohibited from touching, petting, or otherwise handling dogs while serving food or beverages or handling tableware or before entering other parts of the public food service establishment.

ii. All patrons in the designated outdoor areas should wash their hands before eating.

iii. Employees and patrons shall not allow dogs to come into contact with serving dishes, utensils, tableware, linens, paper products, or any other items involved in food service operations.

iv. Patrons shall keep their dogs on leashes at all times and shall keep their dogs under direct control.

v. Dogs are not allowed on chairs, tables, or other furnishings.

vi. Except for dogs used as service animals for disabled persons or dogs in the service of law enforcement agencies, dogs are not permitted to travel through indoor or non-designated outdoor portions of the establishment.

c. Owner obligations. Any current or subsequent owner of a public food service establishment approved through these provisions to allow patrons' dogs within designated outdoor portions of the establishment is obligated by the approval to maintain all site conditions and elements as approved for all times the patrons' dogs are allowed within those designated areas.

d. Enforcement. The regulations of this part shall be enforced by county code enforcement officers as authorized pursuant to Chapter 30, Code Enforcement, Part I, Escambia County Code of Ordinances. Any party or parties in violation of these regulations shall be subject to notices of violation, citations, and civil penalties as prescribed in Chapter 30.

e. State and local cooperation. The county shall monitor permit compliance in cooperation with the Division of Hotels and Restaurants through the following:

1. Planning Official. The Planning Official shall, on no less than an annual basis, provide the division with a copy of all county-approved applications and issued permits for dog-friendly dining. The appropriate division-issued license numbers of the respective public food service establishments shall be on all documents provided.

2. Code enforcement. County Code Enforcement shall, on no less than an annual basis, report citizen complaints related to these dog-friendly dining provisions and the enforcement responses made to such complaints. The report shall include the division-issued license numbers of the respective public food service establishments and may be submitted in coordination with the applications report of the Planning Official.

~~**(7) Family day care or foster homes.** A family day care home or family foster home is allowed as an accessory use wherever the host dwelling unit is allowed unless prohibited by the applicable zoning district.~~

(~~8~~7) Home occupations and home-based businesses. Home occupations and home-based businesses are limited to the residents of a dwelling unit other than a manufactured (mobile) home, and allowed only as accessory uses to the residential uses. A home occupation, or employment at home, is allowed wherever the host dwelling unit is allowed, but shall generally be unnoticeable to adjoining land uses. A home-based business, which is at a greater scale or intensity than a home occupation, is limited to the rural zoning districts (Agr, RR, RMU) and only allowed if impacts to adjoining land uses are minimal. Home occupations and home-based businesses shall comply with each of the following requirements:

a. **Licenses.** All required business, professional, or occupational licenses are obtained prior to commencement of the occupation or business and are maintained for the duration of the activity.

b. **Exterior evidence.** For home occupations, there is no evidence visible from outside of the dwelling or accessory building that any part of a building is utilized for an occupation. For home-based businesses, any evidence visible from outside of the dwelling or accessory building that any part of a building is utilized for a business is minimal. Such exterior evidence includes any storage or display associated with the occupation or business. Signs are limited for both uses as prescribed by the outdoor sign provisions in Article 8 of Chapter 5.

c. **Off-site impacts.** Occupations or business activities shall not create nuisances or adverse off-site impacts, including but not limited to noise, vibration, smoke, dust or other particulates, odors, heat, light or glare, or electromagnetic interference. In a residential neighborhood, no activities are allowed to alter the character of the neighborhood.

d. **Structural alterations.** No structural alterations are made that would be inconsistent with the use of the dwelling exclusively as a residence or that would not customarily be associated with dwellings or their accessory buildings.

e. **Employees.** Employment in a home occupation is limited to residents of the dwelling unit unless the applicable zoning district allows BOA conditional use approval of non-resident employees. Employment in a home-based business may include no more than two non-resident employees.

f. **Customers.** No customers shall visit the house and there shall not be any additional traffic or an increase in demand for parking due to trucks or other service vehicles coming to the house.

g. **Motor vehicles.** The manufacture or repair of motor vehicles or other transportation equipment is prohibited.

(8) Pensacola Beach structures. All accessory structures on Pensacola Beach require approval of the SRIA Board, except signs, fences, swimming pools within principal structure setbacks, and decks on grade (max. 12 inches above finished grade). Those structures requiring approval include detached garages, storage buildings, playhouses, swimming pools outside of structure setbacks, cabanas, gazebos, detached elevated decks, and screened enclosures. Approval is entirely at the discretion of the SRIA, but any approved accessory structure shall comply with the following:

a. **Compatible design.** The design of the accessory structure is compatible with the design of the principal structure.

b. **Waterfront location.** Other than a state-approved dune walkover, if the accessory structure is on a waterfront lot, it does not extend further seaward than principal structures on adjoining lots. Additionally, if the lot fronts the Gulf of Mexico, the structure does not extend seaward of the state's 1975

Coastal Construction Control Line or a line 50 feet landward of the crest of the primary dune line, whichever setback from the shoreline is more restrictive.

c. **No variance.** No variance to established structure setback lines is requested or necessary.

d. **Structure separation.** No wall of the accessory structure is closer than six feet to any wall of the principal structure, and no part of the accessory structure is closer than four feet to any part of the principal structure.

e. **Elevated decks.** If the accessory structure is a detached elevated deck, it is no greater than 200 square feet in area and does not exceed 35 feet in height or the height of the principal structure, whichever height is less.

f. **Walkway covers.** If the accessory structure includes a walkway cover between it and the principal structure, the cover is no more than six feet wide.

g. **Swimming pools.** If the accessory structure is a swimming pool, it is designed and constructed in consideration of barrier island environmental conditions and complies with the following conditions:

1. **Hold harmless.** The property leaseholder executes a Hold Harmless Agreement with the SRIA prior to approval.

2. **Outside of setbacks.** Any request to construct the swimming pool outside of the building setback lines of the applicable zoning district, although not subject to a variance approval, is approved as prescribed by adopted SRIA procedures, including a requirement of no objections from adjoining property leaseholders.

3. **Hardscape setbacks.** No swimming pool hardscape is closer than five feet to any side or rear property line.

h. **Other requirements.** The accessory structure complies with all other LDC and Florida Building Code requirements, and all applicable building permits are obtained from the county prior to commencement of construction.

(9) Small wind energy systems. For the purposes of this section, a small wind energy system is an accessory use consisting of a wind turbine, structural support, and associated control or conversion electronics design to supply some of the on-site electrical power demands of a home, farm, or small business. A small wind energy system is allowed only if constructed and operated in compliance with each of the following requirements:

a. **System Height.** The height of the system is the minimum necessary to reliably provide the required power.

b. **Prohibited use.** To protect the unique scenic view, the system is not installed within the Scenic Highway Overlay District.

c. **Airport and military review.** If the installation of the system or additional turbines is within the Pensacola International Airport Planning District (PNSPD) or any military Airfield Influence Planning District (AIPD), the applicant has notified and obtained a response from the respective

airport/airfield authority. If the authority has objections to the installation, the Planning Official shall consider them in any final determination and may impose approval conditions on the installation to address the objections.

d. Setback. The center of the system tower base is no closer to any part of a dwelling outside of the system installation parcel than the total height of the system. Additionally, no part of the system structure, including any guy wires or anchors, is closer than five feet to the property boundary of the installation parcel.

e. Appearance.

1. **Design and Location.** Towers are designed and located to minimize visual impacts. Colors and surface treatment of system components minimize visual distraction.
2. **Signs.** Signs on system components are limited to the manufacturer's or installer's identification and appropriate warnings.
3. **Lighting.** System structures are not lighted except to the extent required by the Federal Aviation Administration or other applicable authority.

(10) Swimming pool enclosures. Screened enclosures for swimming pools may be erected no closer than five feet from the rear or side property line. No pool enclosure shall be allowed on any easement unless authorized by the grantee of the easement through an encroachment agreement.

Section 4. Severability.

If any section, sentence, clause or phrase of this Ordinance is held to be invalid or unconstitutional by any Court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this Ordinance.

Section 5. Inclusion in Code.

It is the intention of the Board of County Commissioners that the provisions of this Ordinance shall be codified as required by F.S. § 125.68 (2018); and that the sections, subsections and other provisions of this Ordinance may be renumbered or re-lettered and the word "ordinance" may be changed to "section," "chapter," or such other appropriate word or phrase in order to accomplish such intentions.

Section 6. Effective Date.

This Ordinance shall become effective upon filing with the Department of State.

DONE AND ENACTED this_____ day of _____, 2019.

BOARD OF COUNTY COMMISSIONERS

ESCAMBIA COUNTY, FLORIDA

FILED WITH THE DEPARTMENT OF STATE:

EFFECTIVE DATE:

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15751 **Growth Management Report 14. 4.**
BCC Regular Meeting **Public Hearing**
Meeting Date: 03/07/2019
Issue: 5:47 p.m. - A Public Hearing Concerning the Review of an Ordinance Amending Chapters 3 and 4 of the LDC to Address Temporary Sales of Automobiles
From: HORACE JONES, Director
Organization: Development Services

RECOMMENDATION:
5:47 p.m. - A Public Hearing Concerning the Review of an Ordinance Amending Chapters 3 and 4 of the LDC to Address Temporary Sales of Automobiles

That the Board of County Commissioners (BCC) review and adopt an Ordinance amending the Land Development Code (LDC) Chapter 3, Article 2, Section 3-2.11, Heavy Commercial & Light Industrial (HC/LI), and Chapter 4, Article 7, Section 4-7.13, Temporary Uses and structures, to address temporary sales of automobiles as a permitted use in HC/LI. The Planning Board recommended denial of this Ordinance.

This hearing serves as the second of two public hearings.

BACKGROUND:
The Board of County Commissioners has determined it to be in the best interest of the public to develop an ordinance prohibiting the selling of vehicles in areas not appropriately zoned, and without the necessary licenses or an established place of business.

BUDGETARY IMPACT:
No budgetary impact is anticipated by the adoption of this Ordinance.

LEGAL CONSIDERATIONS/SIGN-OFF:
The attached Ordinance has been reviewed and approved for legal sufficiency by Meredith D. Crawford, Assistant County Attorney. Any recommended legal comments are attached herein.

PERSONNEL:

No additional personnel are required for implementation of this Ordinance.

POLICY/REQUIREMENT FOR BOARD ACTION:

The proposed Ordinance is consistent with the Board's goal "to increase citizen involvement in, access to, and approval of, County government activities."

IMPLEMENTATION/COORDINATION:

This Ordinance, amending the LDC, will be filed with the Department of State following adoption by the board.

Implementation of this Ordinance will consist of an amendment to the LDC and distribution of a copy of the adopted Ordinance to interested citizens and staff.

The proposed Ordinance was prepared by the Development Services Department, in cooperation with the County Attorney's Office and all interested citizens. The Development Services Department will ensure proper advertisement.

ORDINANCE NUMBER 2019-_____

AN ORDINANCE OF ESCAMBIA COUNTY, FLORIDA, AMENDING PART III OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, THE LAND DEVELOPMENT CODE OF ESCAMBIA COUNTY, FLORIDA, AS AMENDED, AMENDING CHAPTER 3, ARTICLE 2, SECTION 3-2.11 "HEAVY COMMERICAL AND LIGHT INDUSTRIAL DISTRICT (HCLI)," AND AMENDING CHAPTER 4, ARTICLE 7, SECTION 4-7.13 "TEMPORARY USES AND STRUCTURES" TO ADDRESS TEMPORARY SALES OF AUTOMOBILES AS A PERMITTED USE IN HCLI; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Authority for this code is hereby granted pursuant to Chapter 163, Florida Statutes; and

WHEREAS, Article VIII, Section (f) of the Constitution of the State of Florida, gives counties the powers of self-government as is provided by general or special law; and

WHEREAS, the Legislature of the State of Florida has, in Chapter 125, Florida Statutes, conferred upon local governments the authority to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry; and

WHEREAS, Chapter 163, Florida Statutes, requires counties to prepare and adopt a comprehensive plan and land development code to manage future development, within their jurisdiction, and to permit only that development which is consistent with the adopted plan, its amendments, and all regulations adopted pursuant thereto; and

WHEREAS, it is the intent and purpose of Escambia County to equitably manage and control public and private development in furtherance of state policy as articulated and expressed in the Constitution of the State of Florida and Chapter 163, Florida Statutes, and elsewhere; and

WHEREAS, Section 316.1951, Florida Statutes, authorizes the County to adopt an ordinance to prohibit the curbstoning, Curbstoning is engagement in the illegal business of buying and selling automobiles without the necessary license and permits; and

WHEREAS, unauthorized roadside car sales have triggered complaints from neighborhood groups that consider them an eyesore; and

WHEREAS, unauthorized roadside car sales can also distract passing drivers who try to look at the parked merchandise; and

WHEREAS, curbstoning often involves people who frequently sell cars in various, high-traffic locations and who ignore laws meant to protect consumers from unlicensed, unscrupulous sellers; and

WHEREAS, consumers can easily become victims of fraud involving issues like odometer tampering, undisclosed frame damage or salvage rebuilt vehicles, faulty safety devices, mechanics or promissory liens, predatory lending and other problems that may not be truthfully disclosed at the time of sale and that leave the consumer with no recourse; and

WHEREAS, "off-the-books" curbstoned car sales often result in taxes and registration fees going unpaid; and

WHEREAS, the Board of County Commissioners has determined that regulation of the practice of buying and selling automobiles without a motor vehicle dealer license and outside of a legally established place of business is in the public interest; and

WHEREAS, the Board of County Commissioners finds that establishing criteria for temporary sales of automobiles promotes these interests and serves an important public purpose; and

WHEREAS, the Board of County Commissioners deems it in the best interest of health, safety, and welfare for the citizens and residents of the County for the County to regulate the practice of buying and selling automobiles without a motor vehicle dealer license and legally established place of business.

NOW, THEREFORE, BE IT ORDAINED by the Board of County Commissioners of Escambia County that the following regulation is hereby adopted.

Section 1. The above recitals are true and correct and are incorporated herein by reference.

Section 2. Part III of the Escambia County Code of Ordinances, the Land Development Code of Escambia County, Chapter 3, Article 2, Section 3-2.11. "Heavy Commercial and Light Industrial district (HCLI)," subsection (b) "Permitted uses," is hereby amended as follows:

Sec. 3-2.11 Heavy Commercial and Light Industrial district (HC/LI).

(a) Permitted uses. Permitted uses within the HC/LI district are limited to the following:

(1) Residential. Any residential uses outside of the Industrial (I) future land use category but if within the Commercial (C) future land use category (and not the principal single-family dwelling on an existing lot of record), only as part of a predominantly commercial development; and excluding new or expanded manufactured (mobile) home parks and subdivisions. See also conditional uses in this district.

(2) Retail sales. Retail sales, including Medical marijuana dispensing facilities, sales of alcoholic beverages, sales of automotive fuels, and sales of new and used automobiles, motorcycles, boats, manufactured (mobile) homes. Temporary sales of automobiles are permitted when conducted by a licensed dealership with a permanent sales location within the County. See also Temporary Uses and Structures, Section 4-7.13 of the Escambia County Development Code.

(3) Retail services.

a. Car washes, automatic or manual, full service or self-serve.

b. Child care facilities.

c. Hotels, motels and all other public lodging, including boarding and rooming houses.

d. Personal services, including those of beauty shops, health clubs, pet groomers, dry cleaners and tattoo parlors.

e. Professional services, including those of realtors, bankers, accountants, engineers, architects, dentists, physicians, and attorneys.

f. Rental of automobiles, trucks, utility trailers and recreational vehicles.

g. Repair services, including appliance repair, furniture refinishing and upholstery, watch and jewelry repair, small engine and motor services, and major motor vehicle and boat service and repair, but excluding outdoor work or storage.

h. Restaurants and brewpubs, including on-premises consumption of alcoholic beverages, drive-in and drive-through service, and brewpubs with the distribution of on-premises produced alcoholic beverages for off-site sales. The parcel boundary of any restaurant or brewpub with drive-in or drive- through service shall be at least 200 feet from any LDR or MDR zoning district unless separated by a 50-foot or wider street right-of-way.

i. Taxi and limousine services.

See also conditional uses in this district.

(4) Public and civic.

a. Broadcast stations with satellite dishes and antennas, including towers.

b. Cemeteries, including family cemeteries.

c. Community service facilities, including auditoriums, libraries, museums, and neighborhood centers.

d. Educational facilities, including preschools, K-12, colleges, and vocational schools.

e. Emergency service facilities, including law enforcement, fire fighting, and medical assistance.

DRAFT

f. Funeral establishments.

g. Homeless shelters.

h. Hospitals.

i. Offices for government agencies or public utilities.

j. Places of worship.

k. Public utility structures, including telecommunications towers, but excluding industrial uses not otherwise permitted.

See also conditional uses in this district.
(Ord. No. 2015-24, § 1, 7-7-15)

(5) Recreation and entertainment.

a. Commercial entertainment facilities, indoor or outdoor, including movie theatres, amusement parks, and stadiums, but excluding motorsports facilities. Carnival-type amusements shall be at least 500 feet from any residential district. Bars, nightclubs, and adult entertainment are prohibited in areas with the zoning designation HC/LI-NA or areas zoned ID-CP or ID-1 prior to adoption of HC/LI zoning.

b. Commercial recreation facilities, passive or active, including those for walking, hiking, bicycling, camping, recreational vehicles, swimming, skateboarding, bowling, court games, field sports, and golf, but excluding off-highway vehicle uses and outdoor shooting ranges. Campgrounds and recreational vehicle parks require a minimum lot area of five acres.

c. Marinas, private and commercial.

d. Parks, with or without permanent restrooms or outdoor event lighting.

See also conditional uses in this district.

(6) Industrial and related. The following industrial and related uses, except within MU-S:

a. Light industrial uses, including research and development, printing and binding, distribution and wholesale warehousing, and manufacturing, all completely within the confines of buildings and without adverse off-site impacts.

b. Marinas, industrial.

c. Microbreweries, microdistilleries, and microwineries, except in areas with the zoning designation HC/LI-NA.

See also conditional uses in this district.

(7) Agricultural and related.

a. Food produced primarily for personal consumption by the producer, but no farm animals.

DRAFT

b. Nurseries and garden centers, including adjoining outdoor storage or display of plants.

c. Veterinary clinics, excluding outside kennels.

See also conditional uses in this district.

(8) Other uses. Within MU-S, outside storage is permitted only when adequately screened per LDC regulations.

a. Billboards structures, excluding areas zoned ID-CP, GBD, or GID prior to adoption of HC/LI zoning.

b. Building or construction trades shops and warehouses, including on-site outside storage.

c. Bus leasing and rental facilities.

d. Deposit boxes for donation of used items when placed as an accessory structure on the site of a charitable organization.

e. Outdoor adjacent display of plants by garden shops and nurseries.

f. Outdoor sales.

g. Outdoor storage of trailered boats and operable recreational vehicles, excluding repair, overhaul or salvage activities.

h. Parking garages and lots, commercial.

i. Sales and outdoor display of prefabricated storage sheds.

j. Self-storage facilities, including vehicle rental as an accessory use.

Section 3. Part III of the Escambia County Code of Ordinances, the Land Development Code of Escambia County, Chapter 4, Article 7, Section 4-3.13. "Temporary Uses and Structures," is hereby amended as follows:

Sec. 4-7.13 Temporary uses and structures.

(a) General limitations. Where authorized by the parcel owner and applicable permits, uses and structures are allowed temporarily according to the provisions of this section.

(1) Time of use. Except as may otherwise be provided for specific uses and structures, the temporary establishment of a use, or the temporary placement of one or more structures, on the same parcel for more than 30 days shall require county land use approval. Establishment or placement for more than 180 days shall require LDC compliance review and approval as prescribed in Chapter 2 for permanent development. Prior to the expiration of their authorized time of use on a parcel, all temporary uses shall be discontinued on the parcel and all temporary

structures shall be removed from the parcel unless authorized for permanent use. Unless authorized by a separate land use permit, the time limit for all temporary uses and structures is measured from the time any temporary use is established or any temporary structure is placed on the parcel until all the uses are discontinued and all structures are removed.

(2) Temporary uses. A temporary use may be established outdoors on a parcel or within an authorized permanent or temporary structure on the parcel, provided the use is a permitted use within the applicable zoning district or is otherwise authorized. Minor alterations in a temporary use (e.g., changing items offered at a sales event) do not modify the permitted duration of the use and are not considered discontinuation of the use.

(3) Temporary structures. A temporary structure may be erected on a parcel for an authorized use for a limited time provided the structure complies with the requirements of the applicable zoning district or is otherwise authorized as a specific structure. A temporary structure may be the principal structure on a parcel and a permanent structure is not required to be on the same parcel as the temporary structure. Change of use or occupancy, including periods of disuse or vacancy, does not modify the permitted time of placement for a temporary structure, and relocation within the same parcel is not considered removal of the structure or discontinuation of its use.

(b) Specific uses and structures. The following uses and structures are allowed temporarily under the conditions prescribed for each:

(1) Construction sites. Real estate sales and construction management may be carried out within separate or combined temporary construction site offices when in compliance with the applicable provisions for each use.

a. **Construction offices.** A construction office is allowed by land use permit as a temporary use and structure on a construction site, or on an adjoining parcel, during authorized site construction. The temporary office shall be set back a minimum of five feet from any property line of the host parcel, be a State of Florida approved modular building, and be removed no later than 90 days from the date of issuance of a certificate of occupancy or other applicable final county approval of the site construction.

b. **Sales offices.** A real estate sales office is allowed by land use permit as a temporary use and structure on a construction site, or on an adjoining parcel, and can be authorized prior to the start of construction if a pre-application review of the proposed development has been completed by the county. The setback and building type shall be that required for a construction office, but removal of a temporary sales office shall be within 24 months of the issuance of pre-application review comments if construction has not begun. Extension of the time may only be authorized as prescribed in Article 6 of Chapter 2. These provisions do not apply to real estate sales offices authorized within model homes by other provisions of this section.

DRAFT

(2) Disaster recovery housing. A temporary structure or recreational vehicle is allowed by land use permit to provide disaster recovery housing when a fire, flood, windstorm, or other natural or man-made disaster requires the temporary housing of a single-family residential use or a non-residential use to facilitate repair or replacement of a damaged structure. The following provisions apply to such housing:

a. Permit conditions. As a condition of its land use permit, a temporary structure providing disaster recovery housing shall be removed from the property within ten days after a certificate of occupancy is issued for the new or rehabilitated structure, or upon the expiration of the permit, whichever occurs first. Failure to remove the temporary structure shall authorize the county to remove it without further notice and at the expense of the permit holder or property owner. After a recreational vehicle is no longer authorized to be used for disaster recovery housing, the vehicle becomes subject to the normal use provisions of the LDC.

b. Date of disaster. If an official disaster declaration is issued, the date of the declaration shall be the date of the disaster for the purpose of permitting.

c. Utilities required. Electrical power, potable water, and sanitary sewer connections complying with the Florida Building Code shall be provided to the temporary structure.

d. Flood considerations. Placement of the temporary structure shall comply with all floodplain management regulations.

e. Single-family dwelling. During post-disaster rehabilitation or reconstruction of a single-family dwelling made unfit for human habitation, the Building Official may permit the use of a manufactured (mobile) home or recreational vehicle as temporary living quarters on the lot of the damaged dwelling, regardless of zoning district requirements. However, no more than one such temporary structure or vehicle may be permitted per lot, and the resident of the damaged dwelling must occupy it. Additionally, the applicant must apply for such permit within six months of the date of the disaster and the maximum length of the temporary use shall be 18 months after the date of the disaster. [

f. Alternate residential sites. When the lot of a damaged single family dwelling is not suitable for placement of a manufactured (mobile) home or recreational vehicle as temporary living quarters, the applicant for the temporary quarters may designate an alternate site for either type of quarters. However, a manufactured home must be a permitted use under the zoning of the alternate site and shall comply with the setback requirements for an accessory dwelling. When an alternate site is designated, both the person whose home has been made uninhabitable and the owner of the alternate site shall join in the application for the permit and be responsible for the timely removal of the temporary housing.

DRAFT

g. Non-residential use. During post-disaster rehabilitation or reconstruction of commercial or industrial use structures made unfit for business activities, the Building Official may permit the use of a State of Florida approved modular building as a temporary structure to carry out business activities on the lot of the damaged building. However, such temporary structures may be permitted only for use on the site of the damaged structure and only if there remains adequate parking (including handicap) based on the temporary structure. Additionally, the applicant must apply for such permit within six months of the date of the disaster and the maximum length of the temporary use shall be nine months after the date of the disaster.

h. Permit extension. When any temporary use structure or vehicle permitted under these disaster recovery provisions is replaced due to damage from a subsequent disaster, the duration of the original temporary use permit shall not be extended unless the Building Official determines the subsequent disaster caused sufficient damage to the permanent structure to require additional repairs that will slow the rehabilitation or reconstruction process.

(3) Medical hardship temporary living quarters. A manufactured (mobile) home or park trailer is allowed as a temporary use within any mainland zoning district that does not otherwise allow such living quarters if approved by the Board of Adjustment (BOA) for use due to medical hardship as prescribed in Article 6 of Chapter 2. The following standards apply to the temporary living quarters:

a. Maximum structure size. The temporary quarters shall not exceed 1280 square feet in gross floor area.

b. Minimum lot size. The lot where the temporary quarters will be located shall be at least one-quarter acre if served by public sewer. If a septic tank is used, the lot shall be at least one-half acre. Additionally, the lot shall be sufficient in size to allow compliance with all zoning district lot coverage and setback requirements.

c. Location. The temporary quarters shall be located on the same parcel (same property identification number) as the primary residence.

d. Limited occupancy. Only the caregiver and their immediate family, or the person in need of medical care and their immediate family, shall occupy the temporary quarters.

e. Indemnification. Prior to placement of the temporary quarters on the approved parcel, the landowner shall execute an agreement with the county (in a form acceptable to the County Attorney) providing for indemnification from all claims arising in connection with the temporary quarters and acknowledging the county's right to remove the temporary use at the owner's expense if the owner, or his heirs and assigns, fails to remove it within 60 days after the expiration of the temporary use approval granted by the BOA.

DRAFT

f. Building code compliance. The installation of the temporary quarters shall comply fully with the Florida Building Code and is subject to all associated compliance inspections.

g. Temporary status maintained. The wheels and axles of the temporary quarters shall not be removed, and no additions shall be constructed except that handicap access ramps may be provided.

(4) Mobile vending units. A mobile vending unit is allowed as a temporary use in the Com, HC/LI, Ind, Com-PK, CC-PK, CG-PK, and PR-PK zoning districts, The following additional restrictions apply to any use of mobile vending units:

a. License. The operator of the mobile vending unit must obtain any applicable occupational license from the Escambia County Tax Collector and affix a copy of the occupational license to the mobile vending unit in a conspicuous location. The operator is additionally responsible for obtaining all other applicable authorizations required to store, prepare, serve, distribute, or sell by mobile vending.

b. Nuisance conditions. The mobile vending unit shall be designed, placed, maintained, and operated so as to prevent the creation of nuisance conditions, including surface discharges of waste water, oil, or grease. Solid waste receptacles of adequate capacity and convenience shall be provided to prevent the scattering of beverage containers, paper products, and other vending related debris.

c. Placement. The mobile vending unit shall not be placed within a parking lot drive aisle or required landscape area of a developed site used by another active use; within any active driveway or sidewalk, or within any public right-of-way; in any location obstructing the line of sight for traffic; or in any location otherwise presenting a safety hazard.

(5) Model homes. Within any residential subdivision for which a preliminary plat has been approved by the county, the construction of no more than two principal dwellings for temporary use as model homes or real estate offices for the promotion and sale of lots or houses within the subdivision may be authorized prior to final plat approval. For the annual “Parade of Homes” event or other special circumstances the Board of County Commissioners (BCC) may authorize at a public hearing the issuance of additional model home permits if additional assurances of infrastructure completion are provided. However, issuance of a model home permit does not authorize issuance of a certificate of occupancy, and no permanent certificate of occupancy may be issued for any dwellings until the final plat is approved by the BCC and recorded as prescribed in Article 5 of Chapter 2. Additionally, the dwellings cannot be permanently occupied as residences until certificates of occupancy are issued. Any office use of a model home shall cease when sales within the subdivision have been completed.

DRAFT

(6) Portable storage containers. On a lot where a portable storage container is not allowed as outdoor storage by the applicable zoning, the container may be allowed as a temporary use according to the following provisions:

a. The on-site use of a container for 30 days or less only requires notification to the Planning Official of the placement by the provider of the container, and tracking by the official for enforcement purposes.

b. The on-site use of a container for more than 30 days requires issuance of a 90-day permit by the Planning Official after a reasonable demonstration by the applicant of temporary circumstances that make the additional on-site storage time necessary. Such circumstances may include damage to or destruction of the principle structure, remodeling, renovation, construction, or relocation. A weatherproof copy of the permit indicating the date of issuance, date of expiration, and address of the approved placement shall be attached to the container.

c. Prior to expiration of the original permit and upon additional demonstration by the applicant of unforeseen circumstances, the Planning Official may grant not more than one 90-day extension to the permit for good cause shown. If granted, a weatherproof copy of the extension shall be attached with the initial permit.

d. Applicants are generally limited to one portable storage container per principal use. For residential uses the limit is one container per dwelling unit. The use of more than one storage container per principal use may be approved by the Planning Official upon a demonstration of need, such as the scope of work or extent of construction.

e. The exterior dimensions of a container shall not exceed nine feet in height, 20 feet in length, and eight feet in width.

f. The container shall not obstruct the line of sight for traffic or otherwise present a safety hazard. The placement of containers in fire lanes or public rights-of-way is prohibited.

g. Front yard placement of a container may only be permitted where no alternative location on the parcel exists, or if placement at an alternative location would create an unreasonable hardship on the owner or occupant.

h. The provider of a container shall be responsible to ensure that it is in good condition, free from evidence of deterioration, weathering, discoloration, graffiti, rust, rips, tears or other holes or breaks.

(7) Special events. For the purposes of this section, a special event is an infrequent short-term outdoor use or activity not specifically identified as allowed by the applicable zoning district, but not otherwise prohibited by law or ordinance. Special event uses and activities include art shows, garage and yard sales, estate sales, sidewalk sales, festivals, school carnivals, church bazaars, classic car shows, tournaments, concerts, fairs and circuses, haunted houses, pumpkin

and Christmas tree sales, grand openings, and similar temporary events likely to attract crowds.

a. **Limitations.** A special event is allowed as a temporary use without a land use permit for up to 30 days, but on any parcel used as or zoned residential a special event is limited to no more than 14 days in a calendar year. No special event or associated temporary structure on any parcel shall endanger public health, safety, or welfare, particularly in consideration of nuisance or other adverse impacts from the scale, extent, intensity, time, or duration of the event.

b. **Associated structures.** Temporary structures may be placed on special event parcels for the duration of the associated event according to the provisions of this article and the conditions of any applicable permits. Nothing in this section shall be construed to prohibit temporary structures associated with civic, community, or religious events, including authorized events on public lands, social and religious activities on parcels occupied by places of worship, and events on private lands developed to include special events (e.g. Pensacola Interstate Fairgrounds).

(8) Temporary shelters. The use or placement of one or more temporary structures, shelters, or any other accommodations on a parcel for the residence, dwelling, or habitation of any person(s) on that parcel is allowed as a temporary use on the parcel for no more than 14 days in any calendar year outside of a duly licensed campground or recreational vehicle park, except as may be authorized through the disaster recovery housing or medical hardship provisions of this section. See also the additional provisions of this article regarding the use of manufactured (mobile) homes and recreational vehicles.
(Ord. No. 2015-54, § 2, 12-10-2015)

(9) Temporary Auto Sales. Temporary auto sales may be allowed when conducted by a licensed dealership with a permanent sales location within County when permitted by the applicable zoning district.

Section 4. Severability.

If any section, sentence, clause or phrase of this ordinance is held to be invalid or unconstitutional by a court of competent jurisdiction, the holding shall in no way affect the validity of the remaining portions of this ordinance.

Section 5. Inclusion in the code.

The Board of County Commissioners intends that the provisions of this ordinance will be codified as required by Section 125.68, Florida Statutes (2018), and that the sections of this ordinance may be renumbered or relettered and the word “ordinance” may

be changed to “section,” “article,” or such other appropriate word of phrase in order to accomplish its intentions.

Section 6. Effective date.

This ordinance shall become effective upon filling with the Department of State.

DRAFT

ORDINANCE NUMBER 2019-_____

AN ORDINANCE OF ESCAMBIA COUNTY, FLORIDA, AMENDING PART III OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, THE LAND DEVELOPMENT CODE OF ESCAMBIA COUNTY, FLORIDA, AS AMENDED, AMENDING CHAPTER 3, ARTICLE 2, SECTION 3-2.11 "HEAVY COMMERICAL AND LIGHT INDUSTRIAL DISTRICT (HCLI)," AND AMENDING CHAPTER 4, ARTICLE 7, SECTION 4-7.13 "TEMPORARY USES AND STRUCTURES" TO ADDRESS TEMPORARY SALES OF AUTOMOBILES AS A PERMITTED USE IN HCLI; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Authority for this code is hereby granted pursuant to Chapter 163, Florida Statutes; and

WHEREAS, Article VIII, Section (f) of the Constitution of the State of Florida, gives counties the powers of self-government as is provided by general or special law; and

WHEREAS, the Legislature of the State of Florida has, in Chapter 125, Florida Statutes, conferred upon local governments the authority to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry; and

WHEREAS, Chapter 163, Florida Statutes, requires counties to prepare and adopt a comprehensive plan and land development code to manage future development, within their jurisdiction, and to permit only that development which is consistent with the adopted plan, its amendments, and all regulations adopted pursuant thereto; and

WHEREAS, it is the intent and purpose of Escambia County to equitably manage and control public and private development in furtherance of state policy as articulated and expressed in the Constitution of the State of Florida and Chapter 163, Florida Statutes, and elsewhere; and

WHEREAS, Section 316.1951, Florida Statutes, authorizes the County to adopt an ordinance to prohibit the curbstoning, Curbstoning is engagement in the illegal business of buying and selling automobiles without the necessary license and permits; and

WHEREAS, unauthorized roadside car sales have triggered complaints from neighborhood groups that consider them an eyesore; and

WHEREAS, unauthorized roadside car sales can also distract passing drivers who try to look at the parked merchandise; and

WHEREAS, curbstoning often involves people who frequently sell cars in various, high-traffic locations and who ignore laws meant to protect consumers from unlicensed, unscrupulous sellers; and

WHEREAS, consumers can easily become victims of fraud involving issues like odometer tampering, undisclosed frame damage or salvage rebuilt vehicles, faulty safety devices, mechanics or promissory liens, predatory lending and other problems that may not be truthfully disclosed at the time of sale and that leave the consumer with no recourse; and

WHEREAS, "off-the-books" curbstoned car sales often result in taxes and registration fees going unpaid; and

WHEREAS, the Board of County Commissioners has determined that regulation of the practice of buying and selling automobiles without a motor vehicle dealer license and outside of a legally established place of business is in the public interest; and

WHEREAS, the Board of County Commissioners finds that establishing criteria for temporary sales of automobiles promotes these interests and serves an important public purpose; and

WHEREAS, the Board of County Commissioners deems it in the best interest of health, safety, and welfare for the citizens and residents of the County for the County to regulate the practice of buying and selling automobiles without a motor vehicle dealer license and legally established place of business.

NOW, THEREFORE, BE IT ORDAINED by the Board of County Commissioners of Escambia County that the following regulation is hereby adopted.

Section 1. The above recitals are true and correct and are incorporated herein by reference.

Section 2. Part III of the Escambia County Code of Ordinances, the Land Development Code of Escambia County, Chapter 3, Article 2, Section 3-2.11. "Heavy Commercial and Light Industrial district (HCLI)," subsection (b) "Permitted uses," is hereby amended as follows:

Sec. 3-2.11 Heavy Commercial and Light Industrial district (HC/LI).

(a) Permitted uses. Permitted uses within the HC/LI district are limited to the following:

(1) Residential. Any residential uses outside of the Industrial (I) future land use category but if within the Commercial (C) future land use category (and not the principal single-family dwelling on an existing lot of record), only as part of a predominantly commercial development; and excluding new or expanded manufactured (mobile) home parks and subdivisions. See also conditional uses in this district.

(2) Retail sales. Retail sales, including Medical marijuana dispensing facilities, sales of alcoholic beverages, sales of automotive fuels, and sales of new and used automobiles,

motorcycles, boats, manufactured (mobile) homes. Temporary sales of automobiles are permitted when conducted by a licensed dealership with a permanent sales location within the County. See also Temporary Uses and Structures, Section 4-7.13 of the Escambia County Development Code.

(3) Retail services.

a. Car washes, automatic or manual, full service or self-serve.

b. Child care facilities.

c. Hotels, motels and all other public lodging, including boarding and rooming houses.

d. Personal services, including those of beauty shops, health clubs, pet groomers, dry cleaners and tattoo parlors.

e. Professional services, including those of realtors, bankers, accountants, engineers, architects, dentists, physicians, and attorneys.

f. Rental of automobiles, trucks, utility trailers and recreational vehicles.

g. Repair services, including appliance repair, furniture refinishing and upholstery, watch and jewelry repair, small engine and motor services, and major motor vehicle and boat service and repair, but excluding outdoor work or storage.

h. Restaurants and brewpubs, including on-premises consumption of alcoholic beverages, drive-in and drive-through service, and brewpubs with the distribution of on-premises produced alcoholic beverages for off-site sales. The parcel boundary of any restaurant or brewpub with drive-in or drive- through service shall be at least 200 feet from any LDR or MDR zoning district unless separated by a 50-foot or wider street right-of-way.

i. Taxi and limousine services.

See also conditional uses in this district.

(4) Public and civic.

a. Broadcast stations with satellite dishes and antennas, including towers.

b. Cemeteries, including family cemeteries.

c. Community service facilities, including auditoriums, libraries, museums, and neighborhood centers.

d. Educational facilities, including preschools, K-12, colleges, and vocational schools.

e. Emergency service facilities, including law enforcement, fire fighting, and medical assistance.

f. Funeral establishments.

g. Homeless shelters.

h. Hospitals.

i. Offices for government agencies or public utilities.

j. Places of worship.

k. Public utility structures, including telecommunications towers, but excluding industrial uses not otherwise permitted.

See also conditional uses in this district.
(Ord. No. 2015-24, § 1, 7-7-15)

(5) Recreation and entertainment.

a. Commercial entertainment facilities, indoor or outdoor, including movie theatres, amusement parks, and stadiums, but excluding motorsports facilities. Carnival-type amusements shall be at least 500 feet from any residential district. Bars, nightclubs, and adult entertainment are prohibited in areas with the zoning designation HC/LI-NA or areas zoned ID-CP or ID-1 prior to adoption of HC/LI zoning.

b. Commercial recreation facilities, passive or active, including those for walking, hiking, bicycling, camping, recreational vehicles, swimming, skateboarding, bowling, court games, field sports, and golf, but excluding off-highway vehicle uses and outdoor shooting ranges. Campgrounds and recreational vehicle parks require a minimum lot area of five acres.

c. Marinas, private and commercial.

d. Parks, with or without permanent restrooms or outdoor event lighting.

See also conditional uses in this district.

(6) Industrial and related. The following industrial and related uses, except within MU-S:

a. Light industrial uses, including research and development, printing and binding, distribution and wholesale warehousing, and manufacturing, all completely within the confines of buildings and without adverse off-site impacts.

b. Marinas, industrial.

c. Microbreweries, microdistilleries, and microwineries, except in areas with the zoning designation HC/LI-NA.

See also conditional uses in this district.

(7) Agricultural and related.

a. Food produced primarily for personal consumption by the producer, but no farm animals.

b. Nurseries and garden centers, including adjoining outdoor storage or display of plants.

c. Veterinary clinics, excluding outside kennels.

See also conditional uses in this district.

(8) Other uses. Within MU-S, outside storage is permitted only when adequately screened per LDC regulations.

a. Billboards structures, excluding areas zoned ID-CP, GBD, or GID prior to adoption of HC/LI zoning.

b. Building or construction trades shops and warehouses, including on-site outside storage.

c. Bus leasing and rental facilities.

d. Deposit boxes for donation of used items when placed as an accessory structure on the site of a charitable organization.

e. Outdoor adjacent display of plants by garden shops and nurseries.

f. Outdoor sales.

g. Outdoor storage of trailered boats and operable recreational vehicles, excluding repair, overhaul or salvage activities.

h. Parking garages and lots, commercial.

i. Sales and outdoor display of prefabricated storage sheds.

j. Self-storage facilities, including vehicle rental as an accessory use.

Section 3. Part III of the Escambia County Code of Ordinances, the Land Development Code of Escambia County, Chapter 4, Article 7, Section 4-3.13. "Temporary Uses and Structures," is hereby amended as follows:

Sec. 4-7.13 Temporary uses and structures.

(a) General limitations. Where authorized by the parcel owner and applicable permits, uses and structures are allowed temporarily according to the provisions of this section.

(1) Time of use. Except as may otherwise be provided for specific uses and structures, the temporary establishment of a use, or the temporary placement of one or more structures, on the same parcel for more than 30 days shall require county land use approval. Establishment or placement for more than 180 days shall require LDC compliance review and approval as prescribed in Chapter 2 for permanent development. Prior to the expiration of their authorized time of use on a parcel, all temporary uses shall be discontinued on the parcel and all temporary structures shall be removed from the parcel unless authorized for permanent use. Unless authorized by a separate land use permit, the time limit for all temporary uses and structures is measured from the time any temporary use is established or any temporary structure is placed on the parcel until all the uses are discontinued and all structures are removed.

(2) Temporary uses. A temporary use may be established outdoors on a parcel or within an authorized permanent or temporary structure on the parcel, provided

the use is a permitted use within the applicable zoning district or is otherwise authorized. Minor alterations in a temporary use (e.g., changing items offered at a sales event) do not modify the permitted duration of the use and are not considered discontinuation of the use.

(3) Temporary structures. A temporary structure may be erected on a parcel for an authorized use for a limited time provided the structure complies with the requirements of the applicable zoning district or is otherwise authorized as a specific structure. A temporary structure may be the principal structure on a parcel and a permanent structure is not required to be on the same parcel as the temporary structure. Change of use or occupancy, including periods of disuse or vacancy, does not modify the permitted time of placement for a temporary structure, and relocation within the same parcel is not considered removal of the structure or discontinuation of its use.

(b) Specific uses and structures. The following uses and structures are allowed temporarily under the conditions prescribed for each:

(1) Construction sites. Real estate sales and construction management may be carried out within separate or combined temporary construction site offices when in compliance with the applicable provisions for each use.

a. **Construction offices.** A construction office is allowed by land use permit as a temporary use and structure on a construction site, or on an adjoining parcel, during authorized site construction. The temporary office shall be set back a minimum of five feet from any property line of the host parcel, be a State of Florida approved modular building, and be removed no later than 90 days from the date of issuance of a certificate of occupancy or other applicable final county approval of the site construction.

b. **Sales offices.** A real estate sales office is allowed by land use permit as a temporary use and structure on a construction site, or on an adjoining parcel, and can be authorized prior to the start of construction if a pre-application review of the proposed development has been completed by the county. The setback and building type shall be that required for a construction office, but removal of a temporary sales office shall be within 24 months of the issuance of pre-application review comments if construction has not begun. Extension of the time may only be authorized as prescribed in Article 6 of Chapter 2. These provisions do not apply to real estate sales offices authorized within model homes by other provisions of this section.

(2) Disaster recovery housing. A temporary structure or recreational vehicle is allowed by land use permit to provide disaster recovery housing when a fire, flood, windstorm, or other natural or man-made disaster requires the temporary housing of a single-family residential use or a non-residential use to facilitate repair or replacement of a damaged structure. The following provisions apply to such housing:

a. Permit conditions. As a condition of its land use permit, a temporary structure providing disaster recovery housing shall be removed from the

property within ten days after a certificate of occupancy is issued for the new or rehabilitated structure, or upon the expiration of the permit, whichever occurs first. Failure to remove the temporary structure shall authorize the county to remove it without further notice and at the expense of the permit holder or property owner. After a recreational vehicle is no longer authorized to be used for disaster recovery housing, the vehicle becomes subject to the normal use provisions of the LDC.

b. **Date of disaster.** If an official disaster declaration is issued, the date of the declaration shall be the date of the disaster for the purpose of permitting.

c. **Utilities required.** Electrical power, potable water, and sanitary sewer connections complying with the Florida Building Code shall be provided to the temporary structure.

d. **Flood considerations.** Placement of the temporary structure shall comply with all floodplain management regulations.

e. **Single-family dwelling.** During post-disaster rehabilitation or reconstruction of a single-family dwelling made unfit for human habitation, the Building Official may permit the use of a manufactured (mobile) home or recreational vehicle as temporary living quarters on the lot of the damaged dwelling, regardless of zoning district requirements. However, no more than one such temporary structure or vehicle may be permitted per lot, and the resident of the damaged dwelling must occupy it. Additionally, the applicant must apply for such permit within six months of the date of the disaster and the maximum length of the temporary use shall be 18 months after the date of the disaster. [

f. **Alternate residential sites.** When the lot of a damaged single family dwelling is not suitable for placement of a manufactured (mobile) home or recreational vehicle as temporary living quarters, the applicant for the temporary quarters may designate an alternate site for either type of quarters. However, a manufactured home must be a permitted use under the zoning of the alternate site and shall comply with the setback requirements for an accessory dwelling. When an alternate site is designated, both the person whose home has been made uninhabitable and the owner of the alternate site shall join in the application for the permit and be responsible for the timely removal of the temporary housing.

g. **Non-residential use.** During post-disaster rehabilitation or reconstruction of commercial or industrial use structures made unfit for business activities, the Building Official may permit the use of a State of Florida approved modular building as a temporary structure to carry out business activities on the lot of the damaged building. However, such temporary structures may be permitted only for use on the site of the damaged structure and only if there remains adequate parking (including handicap) based on the temporary structure. Additionally, the applicant must apply for such permit within six months of the date of the disaster and the maximum length of the temporary use shall be nine months after the date of the disaster.

h. **Permit extension.** When any temporary use structure or vehicle permitted under these disaster recovery provisions is replaced due to damage from a subsequent disaster, the duration of the original temporary use permit shall not be extended unless the Building Official determines the subsequent disaster caused sufficient damage to the permanent structure to require additional repairs that will slow the rehabilitation or reconstruction process.

(3) Medical hardship temporary living quarters. A manufactured (mobile) home or park trailer is allowed as a temporary use within any mainland zoning district that does not otherwise allow such living quarters if approved by the Board of Adjustment (BOA) for use due to medical hardship as prescribed in Article 6 of Chapter 2. The following standards apply to the temporary living quarters:

a. **Maximum structure size.** The temporary quarters shall not exceed 1280 square feet in gross floor area.

b. **Minimum lot size.** The lot where the temporary quarters will be located shall be at least one-quarter acre if served by public sewer. If a septic tank is used, the lot shall be at least one-half acre. Additionally, the lot shall be sufficient in size to allow compliance with all zoning district lot coverage and setback requirements.

c. **Location.** The temporary quarters shall be located on the same parcel (same property identification number) as the primary residence.

d. **Limited occupancy.** Only the caregiver and their immediate family, or the person in need of medical care and their immediate family, shall occupy the temporary quarters.

e. **Indemnification.** Prior to placement of the temporary quarters on the approved parcel, the landowner shall execute an agreement with the county (in a form acceptable to the County Attorney) providing for indemnification from all claims arising in connection with the temporary quarters and acknowledging the county's right to remove the temporary use at the owner's expense if the owner, or his heirs and assigns, fails to remove it within 60 days after the expiration of the temporary use approval granted by the BOA.

f. **Building code compliance.** The installation of the temporary quarters shall comply fully with the Florida Building Code and is subject to all associated compliance inspections.

g. **Temporary status maintained.** The wheels and axles of the temporary quarters shall not be removed, and no additions shall be constructed except that handicap access ramps may be provided.

(4) Mobile vending units. A mobile vending unit is allowed as a temporary use in the Com, HC/LI, Ind, Com-PK, CC-PK, CG-PK, and PR-PK zoning districts, The following additional restrictions apply to any use of mobile vending units:

a. **License.** The operator of the mobile vending unit must obtain any applicable occupational license from the Escambia County Tax Collector and affix a copy of the occupational license to the mobile vending unit in a conspicuous

location. The operator is additionally responsible for obtaining all other applicable authorizations required to store, prepare, serve, distribute, or sell by mobile vending.

b. Nuisance conditions. The mobile vending unit shall be designed, placed, maintained, and operated so as to prevent the creation of nuisance conditions, including surface discharges of waste water, oil, or grease. Solid waste receptacles of adequate capacity and convenience shall be provided to prevent the scattering of beverage containers, paper products, and other vending related debris.

c. Placement. The mobile vending unit shall not be placed within a parking lot drive aisle or required landscape area of a developed site used by another active use; within any active driveway or sidewalk, or within any public right-of-way; in any location obstructing the line of sight for traffic; or in any location otherwise presenting a safety hazard.

(5) Model homes. Within any residential subdivision for which a preliminary plat has been approved by the county, the construction of no more than two principal dwellings for temporary use as model homes or real estate offices for the promotion and sale of lots or houses within the subdivision may be authorized prior to final plat approval. For the annual "Parade of Homes" event or other special circumstances the Board of County Commissioners (BCC) may authorize at a public hearing the issuance of additional model home permits if additional assurances of infrastructure completion are provided. However, issuance of a model home permit does not authorize issuance of a certificate of occupancy, and no permanent certificate of occupancy may be issued for any dwellings until the final plat is approved by the BCC and recorded as prescribed in Article 5 of Chapter 2. Additionally, the dwellings cannot be permanently occupied as residences until certificates of occupancy are issued. Any office use of a model home shall cease when sales within the subdivision have been completed.

(6) Portable storage containers. On a lot where a portable storage container is not allowed as outdoor storage by the applicable zoning, the container may be allowed as a temporary use according to the following provisions:

a. The on-site use of a container for 30 days or less only requires notification to the Planning Official of the placement by the provider of the container, and tracking by the official for enforcement purposes.

b. The on-site use of a container for more than 30 days requires issuance of a 90-day permit by the Planning Official after a reasonable demonstration by the applicant of temporary circumstances that make the additional on-site storage time necessary. Such circumstances may include damage to or destruction of the principle structure, remodeling, renovation, construction, or relocation. A weatherproof copy of the permit indicating the date of issuance, date of expiration, and address of the approved placement shall be attached to the container.

c. Prior to expiration of the original permit and upon additional demonstration by the applicant of unforeseen circumstances, the Planning Official may grant not more than one 90-day extension to the permit for good cause shown. If granted, a weatherproof copy of the extension shall be attached with the initial permit.

d. Applicants are generally limited to one portable storage container per principal use. For residential uses the limit is one container per dwelling unit. The use of more than one storage container per principal use may be approved by the Planning Official upon a demonstration of need, such as the scope of work or extent of construction.

e. The exterior dimensions of a container shall not exceed nine feet in height, 20 feet in length, and eight feet in width.

f. The container shall not obstruct the line of sight for traffic or otherwise present a safety hazard. The placement of containers in fire lanes or public rights-of-way is prohibited.

g. Front yard placement of a container may only be permitted where no alternative location on the parcel exists, or if placement at an alternative location would create an unreasonable hardship on the owner or occupant.

h. The provider of a container shall be responsible to ensure that it is in good condition, free from evidence of deterioration, weathering, discoloration, graffiti, rust, rips, tears or other holes or breaks.

(7) Special events. For the purposes of this section, a special event is an infrequent short-term outdoor use or activity not specifically identified as allowed by the applicable zoning district, but not otherwise prohibited by law or ordinance. Special event uses and activities include art shows, garage and yard sales, estate sales, sidewalk sales, festivals, school carnivals, church bazaars, classic car shows, tournaments, concerts, fairs and circuses, haunted houses, pumpkin and Christmas tree sales, grand openings, and similar temporary events likely to attract crowds.

a. **Limitations.** A special event is allowed as a temporary use without a land use permit for up to 30 days, but on any parcel used as or zoned residential a special event is limited to no more than 14 days in a calendar year. No special event or associated temporary structure on any parcel shall endanger public health, safety, or welfare, particularly in consideration of nuisance or other adverse impacts from the scale, extent, intensity, time, or duration of the event.

b. **Associated structures.** Temporary structures may be placed on special event parcels for the duration of the associated event according to the provisions of this article and the conditions of any applicable permits. Nothing in this section shall be construed to prohibit temporary structures associated with civic, community, or religious events, including authorized events on public lands, social and religious activities on parcels occupied by places of

worship, and events on private lands developed to include special events (e.g. Pensacola Interstate Fairgrounds).

(8) Temporary shelters. The use or placement of one or more temporary structures, shelters, or any other accommodations on a parcel for the residence, dwelling, or habitation of any person(s) on that parcel is allowed as a temporary use on the parcel for no more than 14 days in any calendar year outside of a duly licensed campground or recreational vehicle park, except as may be authorized through the disaster recovery housing or medical hardship provisions of this section. See also the additional provisions of this article regarding the use of manufactured (mobile) homes and recreational vehicles.
(Ord. No. 2015-54, § 2, 12-10-2015)

(9) Temporary Auto Sales. Temporary auto sales may be allowed when conducted by a licensed dealership with a permanent sales location within County when permitted by the applicable zoning district.

Section 4. Severability.

If any section, sentence, clause or phrase of this ordinance is held to be invalid or unconstitutional by a court of competent jurisdiction, the holding shall in no way affect the validity of the remaining portions of this ordinance.

Section 5. Inclusion in the code.

The Board of County Commissioners intends that the provisions of this ordinance will be codified as required by Section 125.68, Florida Statutes (2018), and that the sections of this ordinance may be renumbered or relettered and the word “ordinance” may be changed to “section,” “article,” or such other appropriate word of phrase in order to accomplish its intentions.

Section 6. Effective date.

This ordinance shall become effective upon filling with the Department of State.

ENACTED:

FILED WITH THE DEPARTMENT OF STATE:

EFFECTIVE DATE:

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15716 **Growth Management Report** **14. 1.**
BCC Regular Meeting **Action**
Meeting Date: 03/07/2019
Issue: Action Item - Crimson Pointe Final Plat
From: HORACE JONES, Director
Organization: Development Services

RECOMMENDATION:

Recommendation Concerning Final Plat Crimson Pointe Permit FP# 190166

That the Board take the following action concerning recording of Crimson Pointe (a 35-lot residential subdivision), located in the Beulah Community and lying north of Mobile Highway, also known as U.S. Highway 90, and west off Rebel Road and south of Beulah Church Road. Owner and Developer is Crimson Pointe Developers, Inc. Prior to recording, the County Surveyor and the Clerk of the Circuit Court must sign the Final Plat as set forth in Section 2-5.7 of the Escambia Land Development Code; also, prior to recording, the County Surveyor must sign the Final Plat as set forth in Chapter 177.081 (1), Florida Statutes:

A. Approve the Final Plat for recording;

B. Approve the street names "Crimson Pointe Boulevard" and "Crimson Pointe Circle";

C. Accept all public easements, ponds, drainage improvements within public easements as depicted on the final plat for permanent County maintenance; the cost of maintenance is to be funded through the establishment of a storm water management Municipal Services Benefit Unit (MSBU); and

D. Authorize the Chairman or Vice Chairman to execute a Two-Year Warranty Agreement without Surety, for Streets and Drainage Improvements.

BACKGROUND:

The preliminary plat and construction plans were approved on June 6, 2018. The Escambia County Public Safety Department approved the street names “Crimson Pointe Boulevard" and "Crimson Pointe Circle,” on November 3, 2017. Development Services Department inspected the improvements on February 12, 2019, and found improvements substantially complete and in accordance with applicable County Requirements. An executed Two-Year Warranty Agreement without Surety and a Real Estate Infrastructure Maintenance Disclosure will be recorded with the Final Plat. Staff has reviewed the final plat and related documents.

LEGAL CONSIDERATIONS/SIGN-OFF:

This recommendation is consistent with previous practices of the County Attorney’s Office. A Two-Year Warranty Agreement without Surety has been reviewed and approved by Meredith Crawford on January 29, 2019.

PERSONNEL:

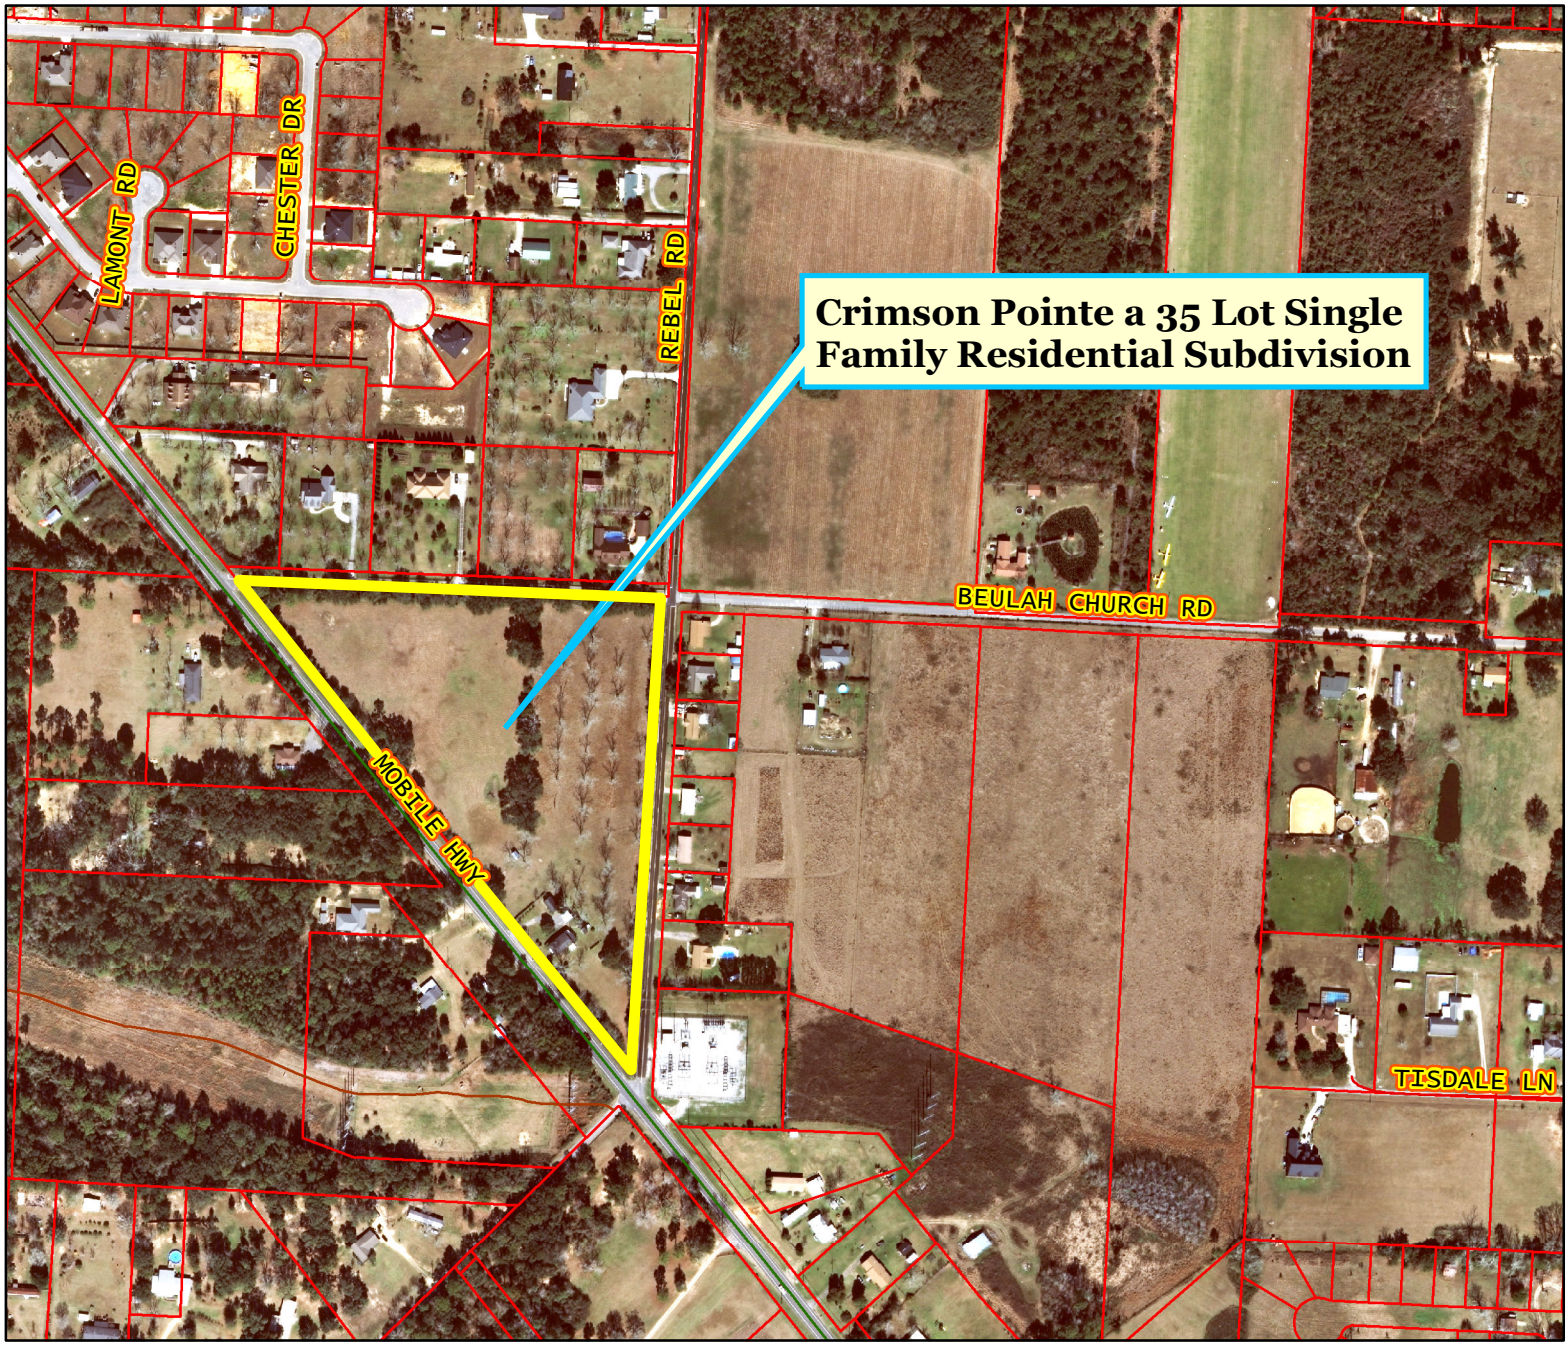
All work associated with this recommendation was done in-house and no additional staff was required. Future Road Department budgets will reflect additional cost to maintain these improvements, if any.

POLICY/REQUIREMENT FOR BOARD ACTION:

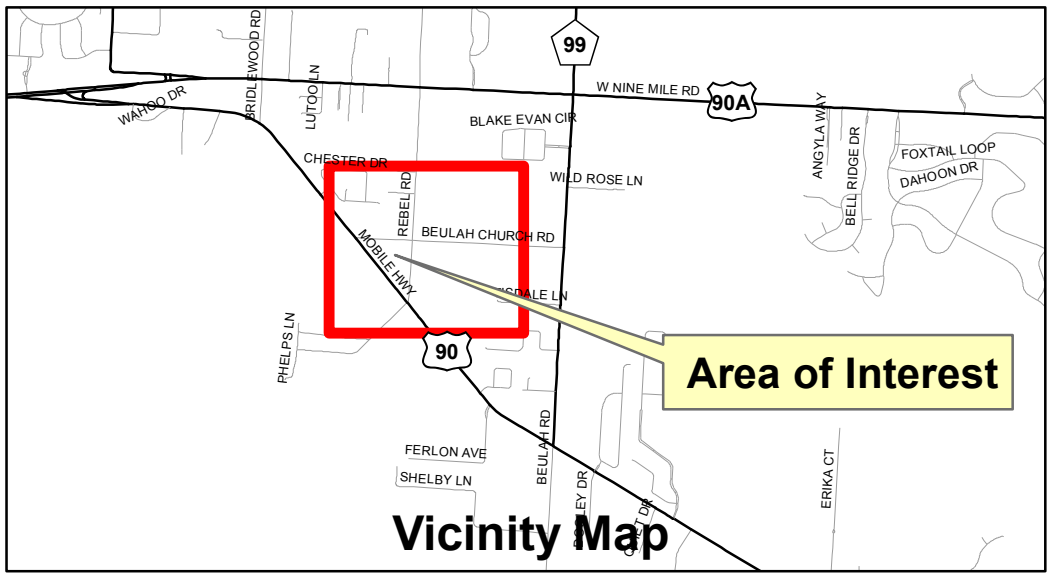
Based on Escambia County Land Development Code – with regards to providing procurement for surety to warrant subdivision improvements (Ord. #2002-9) and the Florida State Plat Act - Chapter 177.

IMPLEMENTATION REQUIREMENTS:

Once the final plat has been approved by the Board and final sign-off given by the County Surveyor, the plat shall be transmitted to the Clerk of Court’s Office for Clerk signatures and recording in the public records of Escambia County, Florida.



COORDINATION WITH OTHER AGENCIES/PERSONS:



Staff has been in contact with the developer, developer’s engineer and surveyor, County Engineer, County Surveyor, County Road Department, County Building Inspections, and Development Services Department.

RESIDENTIAL SALES
INFRASTRUCTURE MAINTENANCE DISCLOSURE

ATTENTION: Pursuant to section 86-165 of the Escambia County Code of Ordinances, sellers of residential lots are required to disclose to buyers who is responsible for maintenance of infrastructure within areas platted on or after June 1, 2017. Section 86-166 of the Escambia County Code of Ordinances requires this disclosure be attached along with other attachments to the deed or other method of conveyance required to be made part of the public records of Escambia County, Florida. Note: Acceptance for filing by County employees of this disclosure shall in no way be construed as an acknowledgment by the County of the veracity of any disclosure statement.

If multiple entities are responsible for maintenance of the same type of infrastructure within the platted area, you must attach an additional disclosure form for each responsible entity and designate the area of responsibility by lot and block.

If additional space is needed, please check box and attach additional pages.

TWO-YEAR WARRANTY AGREEMENT
FOR STREETS AND DRAINAGE IMPROVEMENTS WITHOUT
SURETY/FINANCIAL SECURITY
(Corporation)

This Two-Year Warranty Agreement (Agreement) is entered by and between Crimson Pointe Developers, Inc., a corporation organized under the laws of the State of Florida whose address is 1050 Urban Drive, Cantonment, FL 32533 (Developer) and Escambia County, a political subdivision of the State of Florida, whose address is Post Office Box 1591, 221 Palafox Place, Pensacola, Florida 32591 (County).

WITNESSETH:

WHEREAS, Developer has undertaken to develop and construct certain streets and drainage improvements in and for the Crimson Pointe subdivision development, more particularly described as follows:

See Exhibit A (Legal Description) for Crimson Pointe Subdivision PB _____PG _____; and

WHEREAS, Developer wishes to have the streets and drainage improvements dedicated to the public and accepted for maintenance by the County; and

WHEREAS, the streets and drainage improvements have been built and approved in accordance with County standards; and

WHEREAS, a condition of the County accepting the streets and drainage improvements is the Developer's agreement to provide a warranty for the improvements;

NOW, THEREFORE, in consideration of the County accepting the streets and drainage improvements, and for other good and sufficient consideration, the receipt of which is acknowledged, Developer and the County agree as follows:

1. The foregoing recitals are incorporated in this Agreement by reference.

2. Developer warrants that it shall, at its sole expense, for a period of two years from the date of the County's acceptance of the above-referenced streets and drainage improvements (Warranty Period):

a. repair all defects due to design, construction, materials or workmanship that may be discovered during the Warranty Period; and

b. take every reasonable precaution during the course of any repairs to protect the work from damage by the elements and provide and maintain suitable barricades and signs, which shall remain lighted from sunset to sunrise; and

c. indemnify, pay on behalf of, protect, defend, and hold harmless the County, or its officers, agents, and employees from and against any demand, claim, suit, loss, expense or damage that may be asserted against any of them by reason of any alleged damage to property or injury to or death of any person arising out of or in any way related to a defect in streets and drainage improvements or Developer's obligations under this Agreement.

3. During the Warranty Period, if in the judgment of the County Engineer or her designee repairs to the streets and drainage improvements become necessary due to any defect in the design, construction, materials, or workmanship, then upon notice from the County, Developer shall, at its sole expense, remove and replace all defective materials, repair any defects, and otherwise bring the improvements into compliance with the construction drawings and specifications approved by the Escambia County Development Review Committee. Developer shall correct any defect within thirty (30) calendar days, or, if the defect cannot reasonably be corrected within that period, commence corrective action within thirty (30) calendar days and thereafter diligently pursue the corrective action to completion. The County Engineer, in her sole discretion, may require the Developer to fulfill its obligations within a shorter period of time in order to comply with federal, state or local regulations or to protect the public health, safety, or welfare. Should the Developer fail to fulfill its obligations, the County may perform the repairs necessary to correct the defect, and the Developer shall be responsible for the costs of any such repairs, even if the County performs the repairs after the expiration of the Warranty Period. If the Developer fails to pay the costs incurred by the County within thirty (30) days of County's written demand, then the County may pursue collection of such costs in a court of competent jurisdiction.

4. In any judicial action brought by the County to enforce the provisions of this Agreement, Developer agrees to pay the costs, including reasonable attorney's fees through appeal, that the County may incur. Venue for any judicial action shall lie in Escambia County, Florida.

5. The parties shall execute the original Agreement with all attached exhibits. The Developer shall record the executed Agreement in the public records and provide a certified copy of the recorded Agreement to the County's Engineering Department.

6. During the Warranty Period, Developer shall advise the County in writing of any change in address, contact information or corporate status.

7. Developer's obligations under this Agreement shall include, but not be limited to, the following infrastructure deficiencies: (i) cracked concrete and cracked curbing, (ii) minor ponding of water on the asphalt, (iii) minor settling of asphalt areas, (iv) minor deficiencies in storm pipe, (v) ponds recharging at a slow rate but still meeting regulatory requirements, and (vi) stabilization and erosion.

8. Developer's failure to perform its obligations under this Agreement may result in the denial of building permits and certificates of occupancy.

IN WITNESS THEREOF, the parties have executed this Agreement on the dates shown below.

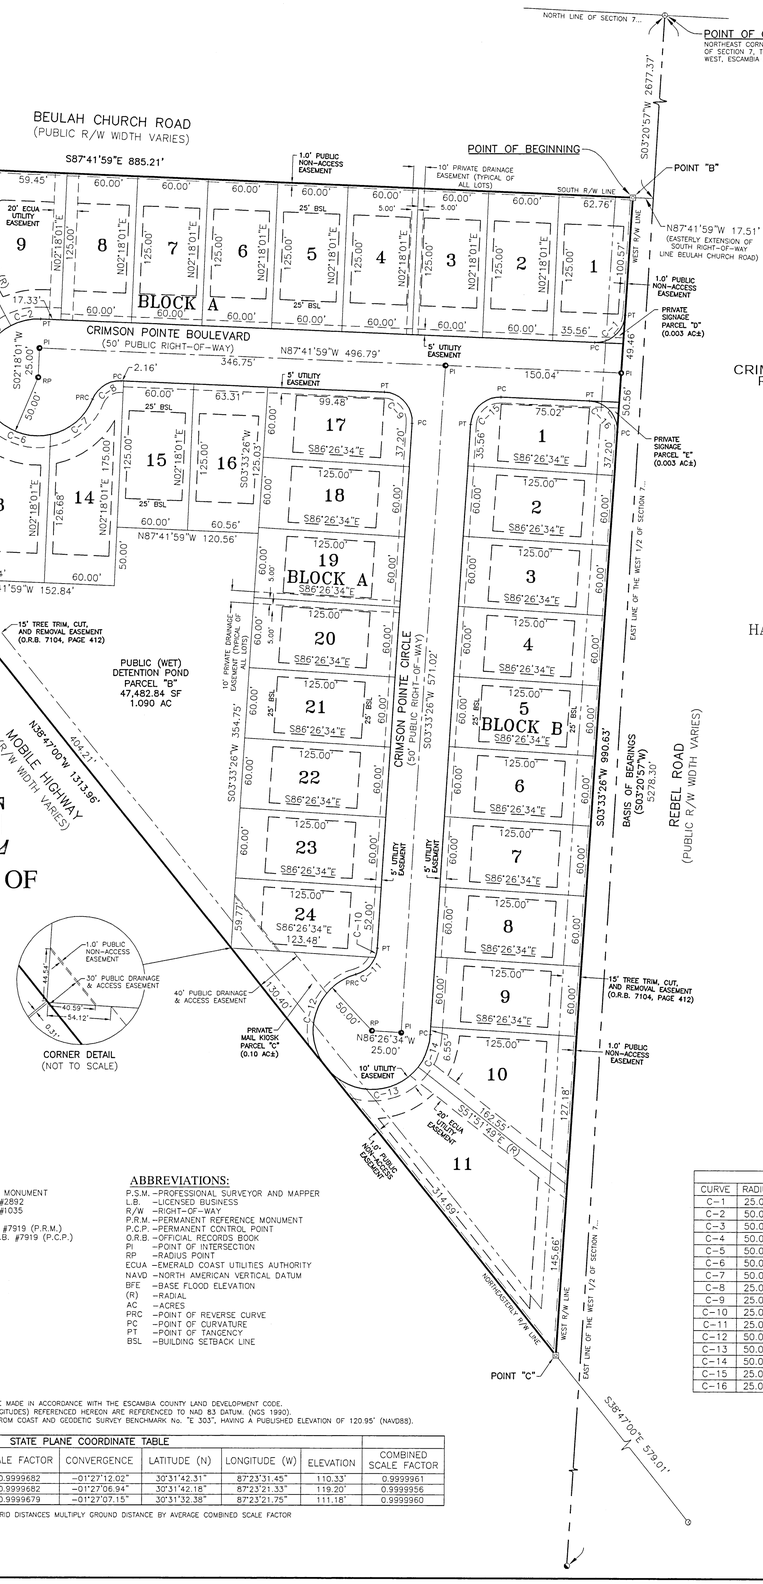
ESCAMBIA COUNTY DRC PLAN REVIEW

DRC Chairman Signature / Development Services Director or Designee — Date: 2/13/19

This document has been reviewed in accordance with the requirements of applicable Escambia County Regulations and Ordinances, and does not in any way relieve the submitting Architect, Engineer, Surveyor or other signatory from responsibility of details as drawn. A Development Order must be obtained from the Development review Committee (DRC) prior to the commencement of construction. This approval by the DRC does not constitute approval by any other agency. All additional state/federal permits shall be provided to the county prior to approval of a final plat or the issuance of state/federal permits shall be provided to the county prior to approval of a final plat or the issuance of a building permit.



LEGAL DESCRIPTION:

COMMENCE AT A NAIL & DISK L.B. #7073 AT THE NORTHEAST CORNER OF THE NORTHWEST QUARTER OF SECTION 7, TOWNSHIP 1 SOUTH, RANGE 31 WEST, ESCAMBIA COUNTY, FLORIDA; THENCE RUN SOUTH 03 DEGREES 20 MINUTES 57 SECONDS WEST ALONG THE EAST LINE OF THE WEST HALF OF SAID SECTION 7 A DISTANCE OF 2677.37 FEET TO THE INTERSECTION OF SAID EAST LINE; AND AN EASTERLY EXTENSION OF THE SOUTH RIGHT-OF-WAY LINE OF BEULAH CHURCH ROAD (R/W VARIES); THENCE DEPARTING SAID EAST LINE RUN NORTH 87 DEGREES 41 MINUTES 59 SECONDS WEST ALONG SAID EASTERLY EXTENSION OF THE SOUTH RIGHT-OF-WAY LINE OF SAID BEULAH CHURCH ROAD A DISTANCE OF 17.51 FEET TO THE **POINT OF BEGINNING**, SAID POINT BEING THE INTERSECTION OF THE SOUTH RIGHT-OF-WAY LINE OF SAID BEULAH CHURCH ROAD AND THE WEST RIGHT-OF-WAY LINE OF REBEL ROAD (R/W VARIES); THENCE RUN SOUTH 03 DEGREES 33 MINUTES 26 SECONDS WEST ALONG THE WEST RIGHT-OF-WAY LINE OF SAID REBEL ROAD A DISTANCE OF 990.63 FEET TO THE INTERSECTION OF SAID WEST RIGHT-OF-WAY LINE AND THE NORTHEASTERLY RIGHT-OF-WAY LINE OF MOBILE HIGHWAY (R/W VARIES); THENCE DEPARTING SAID WEST RIGHT-OF-WAY LINE RUN NORTH 38 DEGREES 47 MINUTES 00 SECONDS WEST ALONG THE NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID MOBILE HIGHWAY A DISTANCE OF 1313.96 FEET TO THE INTERSECTION OF SAID NORTHEASTERLY RIGHT-OF-WAY LINE AND THE SOUTH RIGHT-OF-WAY LINE OF SAID BEULAH CHURCH ROAD; THENCE DEPARTING SAID NORTHEASTERLY RIGHT-OF-WAY LINE RUN SOUTH 87 DEGREES 41 MINUTES 59 SECONDS EAST ALONG SAID SOUTH RIGHT-OF-WAY LINE OF BEULAH CHURCH ROAD A DISTANCE OF 885.21 FEET TO THE **POINT OF BEGINNING**.

NOTES

1. THIS PLAT, AS RECORDED IN ITS GRAPHIC FORM, IS THE OFFICIAL DEPICTION OF THE SUBDIVIDED LANDS DESCRIBED HEREIN AND WILL IN NO CIRCUMSTANCES BE SUPPLANTED IN AUTHORITY BY ANY OTHER GRAPHIC OR DIGITAL FORM OF THE PLAT. THERE MAY BE ADDITIONAL RESTRICTIONS THAT ARE NOT RECORDED ON THIS PLAT THAT MAY BE FOUND IN THE PUBLIC RECORDS OF THIS COUNTY.
2. ALL PLATTED UTILITY EASEMENTS SHOWN HEREON SHALL BE IN ACCORDANCE WITH AND SUBJECT TO THE PROVISIONS OF FLORIDA STATUTES 177.091 (28).
3. FENCES OR OTHER STRUCTURES SHALL NOT BE INSTALLED IN DRAINAGE/ACCESS EASEMENTS (PUBLIC OR PRIVATE). THESE SHALL BE ACCESSIBLE AT ALL TIMES.
4. NO BUILDING ON LOTS WITH PERMANENT WATER TABLE LESS THAN 2 FEET.
5. THERE ARE 10 FOOT PRIVATE DRAINAGE EASEMENTS ALONG EACH LOT PROPERTY LINES, BEING 5 FOOT ON EACH LOT. FENCES OR OTHER STRUCTURES IN THESE EASEMENTS SHALL NOT IMPEDE STORMWATER FLOW.
6. TOTAL NUMBER OF LOTS = 35.

GEODESY NOTE:

TIES TO THE ESCAMBIA COUNTY GPS NETWORK WERE MADE IN ACCORDANCE WITH THE ESCAMBIA COUNTY LAND DEVELOPMENT CODE.
ALL GEOGRAPHIC COORDINATES (LATITUDES AND LONGITUDES) REFERENCED HEREON ARE REFERENCED TO NAD 83 DATUM, (NGS 1990).
ELEVATIONS AS SHOWN HEREON ARE REFERENCED FROM COAST AND GEODETIC SURVEY BENCHMARK No. "E 353", HAVING A PUBLISHED ELEVATION OF 120.95' (NAVD88).

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15752 **Growth Management Report** **14. 2.**
BCC Regular Meeting **Action**
Meeting Date: 03/07/2019
Issue: Action Item - Harmony Estates Final Plat
From: HORACE JONES, Director
Organization: Development Services

RECOMMENDATION:

Recommendation Concerning Final Plat Harmony Estates Permit FP# 1901150

That the Board take the following action concerning recording of Harmony Estates (a 44-lot residential subdivision), located in the Cantonment/Farm Hill Community and lying west off County Road 97 and north of W. Kingsfield Road also known as County Road 186. Owner and Developer is TH Harmony Estates (FL) 2018, LLC. Prior to recording the County Surveyor and the Clerk of the Circuit Court must sign the Final Plat as set forth in Section 2-5.7, of the Escambia Land Development Code; also, prior to recording the County Surveyor must sign the Final Plat as set forth in Chapter 177.081 (1) Florida Statute:

A. Approve the final plat for recording;

B. Approve the street names “Allegra Lane and Cadence Loop”;

C. Accept all public easements, pond, drainage improvements within public easements as depicted on the final plat for permanent County maintenance; the cost of maintenance is to be funded through the establishment of a storm water management Municipal Services Benefit Unit (MSBU); and

D. Authorize the Chairman or Vice Chairman to execute a Two-Year Warranty Agreement with Surety, for Streets and Drainage Improvements.

BACKGROUND:

The preliminary plat and construction plans were approved on June 6, 2018. The Escambia County Public Safety Department approved the street names “Allegra Lane and Cadence Loop” on November 8, 2017. Development Services Department inspected the improvements on February xx , 2019 and found improvements substantially complete and in accordance with applicable County Requirements. An executed Two-Year Warranty Agreement with Surety, Irrevocable Letter of Credit and a Real Estate Infrastructure Maintenance Disclosure will be recorded with the Final Plat. Staff has reviewed the final plat and related documents.

LEGAL CONSIDERATIONS/SIGN-OFF:

This recommendation is consistent with previous practices of the County Attorney’s Office. A Two-Year Warranty Agreement with Surety has been reviewed and approved by Meredith Crawford on February xx, 2019.

PERSONNEL:

All work associated with this recommendation was done in-house and no additional staff was required. Future Road Department budgets will reflect additional cost to maintain these improvements, if any.

POLICY/REQUIREMENT FOR BOARD ACTION:

Based on Escambia County Land Development Code – with regards to providing procurement for surety to warrant subdivision improvements (Ord. #2002-9) and the Florida State Plat Act - Chapter 177.

IMPLEMENTATION REQUIREMENTS:

Once the final plat has been approved by the Board and final sign-off given by the County Surveyor, the plat shall be transmitted to the Clerk of Court’s Office for Clerk signatures and recording in the public records of Escambia County, Florida.

COORDINATION WITH OTHER AGENCIES/PERSONS:

Staff has been in contact with the developer, developer’s engineer and surveyor, County Engineer, County Surveyor, County Road Department, County Building Inspections and Development Services Department.

RESIDENTIAL SALES
INFRASTRUCTURE MAINTENANCE DISCLOSURE

ATTENTION: Pursuant to section 86-165 of the Escambia County Code of Ordinances, sellers of residential lots are required to disclose to buyers who is responsible for maintenance of infrastructure within areas platted on or after June 1, 2017. Section 86-166 of the Escambia County Code of Ordinances requires this disclosure be attached along with other attachments to the deed or other method of conveyance required to be made part of the public records of Escambia County, Florida. Note: Acceptance for filing by County employees of this disclosure shall in no way be construed as an acknowledgment by the County of the veracity of any disclosure statement.

If multiple entities are responsible for maintenance of the same type of infrastructure within the platted area, you must attach an additional disclosure form for each responsible entity and designate the area of responsibility by lot and block.

If additional space is needed, please check box and attach additional pages.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15687 **County Administrator's Report 14. 1.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 03/07/2019
Issue: Park License and Management Agreements for County Athletic Parks
From: Michael Rhodes, Dept Director
Organization: Parks and Recreation
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Park License and Management Agreements for County Athletic Parks - Michael Rhodes, Parks and Recreation Department Director

That the Board take the following action concerning the Park License and Management Agreements for County athletic parks between Escambia County and volunteer athletic associations:

A. Approve each of the Agreements authorizing license and management of County-owned property for public recreation purposes with the following volunteer athletic organizations:

1. Five Flags Knights Lacrosse, Inc. at Brent Baseball Park;
2. D.R.E.A.M. (Diverse Relentless Empowered Achievers of Munificence) Youth Development, Inc. at Mayfair Park; and

B. Authorize the Chairman to sign each Park License and Management Agreement for the same aforementioned volunteer athletic organizations, effective upon Board approval.

BACKGROUND:

The Parks and Recreation Department, at the direction of the Board of County Commissioners, has partnered with volunteer/parent athletic organizations to provide organized recreational sports activities for Escambia County citizens. These organizations successfully provide t-ball, softball, baseball, football, lacrosse, cheerleading, soccer, and flag football activities, benefiting thousands of citizens each year.

The majority of County athletic parks operate under Park License and Management Agreements. Copies of the Park License and Management Agreements have been attached to the recommendation for reference purposes.

BUDGETARY IMPACT:

N/A

LEGAL CONSIDERATIONS/SIGN-OFF:

The Park License and Management Agreements were prepared in conjunction with the County Attorney's Office, and were approved for form and legal sufficiency.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Board policy requires the approval of the Board for License and Management Agreements for County park property, as well as for the authorization of the Chairman's signature on the Park License and Management Agreements.

IMPLEMENTATION/COORDINATION:

The Parks and Recreation Department will coordinate all efforts between Escambia County and the athletic organizations.

Park L&M Agreements

PARK LICENSE AND MANAGEMENT AGREEMENT

THIS LICENSE AND MANAGEMENT AGREEMENT (Agreement) is made and entered into as of this 31st day of March, 2019 by and between Escambia County, a political subdivision of the State of Florida, whose address is 221 Palafox Place, Pensacola, Florida (County), and Five Flags Lacrosse, Inc. , a Florida Not For Profit Corporation, whose address is 2875 Bay Street, Gulf Breeze, Florida 32563, and Federal Tax Identification Number is 82-4463374.

WITNESSETH:

WHEREAS, the County owns the property known as Brent Baseball Park, located at 4711 N. "W" Street, Pensacola, Florida 32505; and

WHEREAS, the Organization, a non-profit corporation organized under the laws of the State of Florida, was created to provide social and character development through recreational activities for citizens of Escambia County; and

WHEREAS, the County and the Organization desire that the Organization manage recreational activities at the Park for the use and benefit of the public; and

WHEREAS, the Organization has expressed interest to the Board of County Commissioners to use and manage the Park for the purpose of providing a location for members of its organization and citizens and groups in Escambia County to engage in recreational activities and pastimes; and

WHEREAS, the County is satisfied that a license to use, manage, and administer the Park would be in the County's best interests; and

WHEREAS, the Organization desires to assist the County in the continued operation of public recreational and athletic programs at the Park which are controlled by the County; and

WHEREAS, the County would benefit from the assistance of the Organization in operating the Park for recreational purposes; and

WHEREAS, this Agreement supersedes any prior agreements.

NOW THEREFORE, the parties agree as follows:

1. PARK USE AND MANAGEMENT. The County licenses the Organization to use and manage the Park with relation to activities and programs that are sponsored by and under the Organization's direction. The Organization agrees that the Park will remain available for use by other citizens and community organizations at all times for activities which do not interfere with the Organization's scheduled activities.

During the period of the Agreement and any renewal of the Agreement, the Organization will administer the Park's various athletic programs for the public's benefit and will organize team athletic events in accordance with the terms in the Agreement. The Organization has priority in scheduling its athletic events and practices at the Park. Any member of the public, who qualifies under applicable Organization rules, may participate in the athletic events.

The Organization may grant preferences to programs designated for youth.

The Organization may charge a fee for participation in the Organization's athletic events, provided however, that any fee charged cannot exceed anticipated expenses directly associated with the program, including appropriate allowances for participation in the programs by children without sufficient funds to pay the fees. The Organization shall provide the Recreation Manager with documentation of its allowances for participation in the programs by children unable to otherwise pay the fees. Documentation shall include the number of children receiving financial assistance and the total amount of financial assistance given, per season. The fees are to be used solely for the purpose of covering expenses directly associated with the programs and activities of the Organization.

The Organization shall comply with Section 504 of the Rehabilitation Act of 1973, as amended, and Title VI of the Civil Rights Act of 1964, as amended. The Organization shall not discriminate against any person because of race, color, sex, religion, handicap, age, or national origin, by refusing to furnish services provided by the Organization.

2. TERM. The term of this Agreement begins on the 31st day of March, 2019, and shall terminate on the 30th day of March, 2020.

3. LICENSE FEE. The Organization agrees to pay to the County a license fee in the amount of one-dollar ($1) per year, payable in advance for the initial agreement term one (1) year. The County acknowledges receipt of one dollar ($1).

4. NOTICES. Notices to the County under the Agreement must be addressed to and mailed or delivered to the following:

TO THE COUNTY:
Escambia County Parks and Recreation Department
Attn: Michael Rhodes
1651 East Nine Mile Road
Pensacola, Florida 32514

TO THE ORGANIZATION:
Five Flags Lacrosse, Inc.
Mark M. Hollis, President and Registered Agent
2875 Bay Street
Gulf Breeze, Florida 32563

Notices can be personally delivered or sent by U.S. mail. The date of delivery is the date of receipt of any notice. Each party may change its address by written notice given to the other.

5. ORGANIZATION DOCUMENTS. Within sixty (60) days of execution of the Agreement, the Organization agrees to provide to the County a copy of its incorporating documents, all previous year reports, a list of its current Board of Directors, and a copy of its current bylaws. The Organization agrees to furnish the following annually with the Park License and Management Agreement to the County: certificate of insurance, financial report, player roster, board member roster, coaches roster, monthly board meeting minutes, activity report, documentation showing the number of children receiving financial assistance per season, documentation showing the total amount of financial assistance given per season, a monthly calendar of events, and the Organization's equipment inventory. The Organization agrees to furnish all reports after each season with the exception of non-resident fees, player and coach's roster spreadsheet which is to be submitted by the third week of the season. Failure to provide said documents to the County by March 1 of any year could result in the termination of this Agreement.

A meeting will be scheduled on an annual basis with the Parks and Recreation Director and Recreation Manager and the organization's president and vice-president or treasurer to review all necessary documents referenced above.

6. **MEDIATION.** The County Administrator, or authorized designee, will assure the Organization's compliance with the terms of the Agreement. The County Administrator may elect to mediate disputes arising between members of the public and the Organization regarding the Organization's compliance with the Agreement. The Organization designates its Board of Directors, or a specifically appointed committee of the Board of Directors, to represent the Organization in disputes. The Organization's Board of Directors is responsible for carrying out all the objectives set forth in the Agreement.

7. **CONSTRUCTION OF IMPROVEMENTS.** The County agrees to preserve the Park exclusively for recreational purposes. The County further agrees that during the term of the Agreement, no physical change to the property or major construction work will be undertaken without prior consultation with the Board of Directors of the Organization.

If the Organization wants to undertake any construction work in the Park, prior approval must be obtained from the County, and the Organization shall ensure that all Federal, State, local laws, regulations, and ordinances are complied with, including but not limited to: (a) the Occupational Safety and Health Act of 1970, Construction Industry Standards (29 CFR §1926, et. seq.); (b) the Americans with Disabilities Act of 1990, as subsequently amended (42 U.S.C. 12101, et. seq.); (c) Escambia County Development Services Department review and approval; and (d) Escambia County Building Inspections Department review and approval. All improvements made by the Organization become the property of the County without charge upon completion.

8. **MAINTENANCE.** The Organization and the County agree that all necessary grounds and structure maintenance and general upkeep of the Park will be carried out year-round. In order to create a clear understanding of this scope of work, the following maintenance guidelines are agreed to by the parties: (a) the Organization will maintain and clean the premises in a safe and orderly condition, normal wear and tear excepted, including, but not limited to, grounds maintenance, facility maintenance, and fence maintenance; (b) in the event it is determined that damage to facilities and equipment has occurred due to abuse or misuse by the Organization, the Organization shall be responsible for the repair and must return the facility and equipment to its pre-damaged condition; (c) the Organization is responsible for setting rules and guidelines to prevent against damage, i.e. no throwing or batting balls into the fence; (d) the Organization will promptly pay all water, gas, electric, telephone, sewage, garbage disposal, janitorial, safety equipment, and other utility bills related to the Park during the term of the Agreement; (e) the County will be responsible for mowing the athletic fields on a weekly basis during the months of March through November; otherwise, the Organization will be responsible for all athletic field maintenance, which may include necessary mowing of athletic fields and providing or applying herbicide, insecticide, or fertilizer to ensure proper turf maintenance; (f) the Organization is responsible for day-to-day maintenance including chalking, dragging, paint lining, adding clay/dirt/sand and otherwise preparing fields for athletic play; (g) the County will be responsible for certain maintenance and repairs related to field lighting and scoreboards as well as irrigation infrastructure and electrical repairs; (h) the Organization is responsible to notify the County as soon as possible of any structural or maintenance issues occurring on the property.

ALL ORGANIZATIONS SHALL OBTAIN PRIOR WRITTEN APPROVAL FROM COUNTY BEFORE UNDERTAKING ANY ACTIVITY ON OR NEAR THE PREMISES THAT MAY ADVERSELY AFFECT ANY ADJACENT RESIDENTIAL OR COMMERCIAL PROPERTY.

9. **REVENUE/INCOME.** Revenue and income derived from the activities of the Organization are the exclusive property of the Organization but must be used by the Organization in furtherance of its activities at the Park in providing additional improvements for the Organization's programs. The Organization shall provide a full accounting of all revenue and expenses to the County annually and upon request. Such reports shall be filed on March 1 of every year. Failure to timely file such financial information may result in the termination of this Agreement. The County has the right to audit the financial information at any time, at the County's expense.

10. **EQUIPMENT.** A complete inventory of an Organization's equipment and any personal property that is stored at the Park must be provided annually to the County by the Organization. Such inventory shall be filed on March 1 of every year. Failure to timely file such inventory may result in the termination of this Agreement. All equipment or other personal property owned by the Organization, which has been placed or maintained in the Park by the Organization, is at the sole risk of the Organization. The Organization may remove from the Park any time prior to, or within sixty (60) days of the termination of the Agreement, its equipment and personal property. Any Organization equipment or personal property not removed from the Park within sixty (60) days after termination of the Agreement becomes the exclusive property of the County without recourse.

11. **CONCESSIONS.** The Organization may maintain a concession activity for food and drink at the Park as long as the Organization complies with all applicable County ordinances and local and state health regulations. No alcoholic beverages are allowed. The County will not, without the prior approval of the Organization, engage in any competing concession activities, either through its own agents or by the granting of concession privileges to any other person or entity. Income derived from concession activities remain the exclusive property of the Organization and must be used by the Organization to further its activities at the Park and in providing additional improvements for the Organizations' programs. The Organization is responsible for all repairs, maintenance, and certification of all concession equipment owned either by the Organization or by its contracted concessioners. The Organization is responsible for the annual maintenance and certification of any ventilated hood systems and fire extinguishers.

12. **SIGNS.** Signs used for team or Organization sponsor advertising remain the separate property of the Organization and all the income derived from their display must be used to further Organization activities. All sponsorship signs, pursuant to the ordinances of Escambia County, must be uniform in size and shape with general display locations fronting inwards or facing a playing field. No sign can serve as an external advertisement facing outwards toward roadways or other public facilities, and no sign is allowed on the Park's perimeter fencing.

13. **COACHES AND BACKGROUND CHECKS.** The Organization will perform necessary background checks on all coaches as required by law. The Organization agrees to have the Coaches certified annually through such organizations as National Alliance for Youth Sports or National Center for Safety Initiatives or their appropriate league affiliation at the Organization's expense. The Organization agrees to provide to the County a coaches roster spreadsheet that includes a check box for certification and background checks by the third week of the season. In addition, at the County's request, the Organization shall provide copies of all coaches' background checks which shall remain confidential.

14. **BOARD MEETINGS.** The Organization agrees to notify the County in advance of all scheduled meetings. The Organization agrees to supply list of board members with phone numbers, email addresses, and physical addresses to the County annually. The Organization is to notify the County of any changes to the membership of the board during the term of the Agreement. The Organization agrees to provide monthly board meeting minutes to the County. It is the responsibility of the Organization to ensure that the public and all participating players and their parents or guardians are notified of the dates,

times, and locations of all of the Organization's Board Meetings and that the meetings are open to the public and to all participating players and their parents or guardians.

15. TOURNAMENTS/PARK-RENTALS/SUCCESSORS/CLINICS/CAMPS. Without prior written consent of the County, neither the Organization, nor its successors in interest by operation of law or otherwise, are permitted to assign the Agreement or to permit the occupancy of the Park or any part of the Park, by anyone other than the Organization. In the event that the Organization wishes to assign the Agreement or to permit the occupancy of the park for any recreational camp, clinic, church event, tournament, or other similar event, prior to scheduling the event, the Organization must notify the County and provide sufficient proof of insurance which names both the entity to which the Organization wishes to assign the Agreement or permit the use of the park and the County as an additional insured. Any unauthorized use of the park by a third-party may result in termination of the Agreement.

16. SCHEDULES. The Organization agrees to provide the County with all league game and practice schedules. The Organization agrees to provide sixty (60) days-notice of season start date. The Organization agrees to notify the County thirty days in advance of any special events and fundraisers. The Organization agrees to provide at the time of submission of the signed lease agreement a proposed annual calendar showing sign up dates, start date of practices, start date of games, and the dates of any special events. It is the responsibility of the Organization to ensure that the County is on written notice of the dates and times for all activities occurring at the Park. Failure to provide the County with a current schedule and to further notify the County of any changes occurring to the schedule may result in termination of the Agreement.

17. TERMINATION. The Agreement may be terminated by the County after thirty (30) days-notice to the Organization without cause and for convenience or with cause, particularly whenever the Park is not being used, utilized, or managed by the Organization in accordance with the provisions of the Agreement, or whenever the Organization ceases operation, dissolves its corporation, or otherwise no longer provides the required services under the terms of the Agreement.

The Agreement may be terminated by the Organization at any time in case of material breach of the Agreement by the County provided that the Organization shall first give to the County written notice of the breach and thirty (30) days within which to remedy the breach. Any notice under this section mailed or delivered by the County to the Board of Directors of the Organization will be deemed as the official notice of the County.

18. RECORDS. The parties acknowledge that this agreement and any related financial records, and its reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. In the event a party fails to abide by the provisions of Chapter 119, Florida Statutes, the other party may, without prejudice to any right or remedy and after giving that party, seven (7) days written notice, during which period the party fails to allow access to such documents, terminate this agreement.

19. ENTIRE AGREEMENT. The Agreement contains the entire agreement of the parties and no representations, inducements, promises, or agreements between the parties not contained in the Agreement will be of any force and effect. Any amendments, modifications, additions, or alterations of the Agreement must be in writing executed with the same formalities as the Agreement.

20. HEADINGS. Headings and subtitles used throughout this agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

21. SUCCESSORS AND ASSIGNS. Without the previous written consent of the County, neither the Organization, nor its successors in interest by operation of law or otherwise, are permitted to assign the Agreement or permit the occupancy of the Park or any part of the Park, by anyone other than the Organization. Any consent by the County to any act of assignment or occupancy by a third-party will be held to apply only to the specific transaction authorized. In any event, no assignment or occupancy by a third-party will relieve the Organization of its obligations under the Agreement.

22. SURVIVAL. All other provisions which, by their inherent character, sense, and context, are intended to survive termination of this agreement shall survive it.

23. INSURANCE. During the period mutually agreed upon between the County and the Organization, the Organization shall procure and maintain:

- Commercial general liability insurance policy with minimum limits of coverage in the amount of One Million Dollars ($1,000,000), per occurrence/aggregate, including coverage parts of bodily injury, personal injury and death, broad form property damage, blanket contractual liability covering the contract, independent contractors, premises/operations, products and completed operations, and fire legal liability. Sports participation cannot be excluded. The Organization must also require any other organization using the Park for organized events to have "special event" liability insurance.

- Auto liability insurance policy with One Million Dollars ($1,000,000); minimum combined single limits per occurrence for bodily injury, property damage, and death, arising out of ownership or use of any vehicles to include owned, non-owned and hired vehicles. Auto liability may be endorsed under the commercial general liability policy.

The Organization shall procure and maintain required insurance coverage's documented on Certificates of Insurance, which show policies with insurers with a Secure A.M. Best rating and financial rating guide. Except for Worker's Compensation and Professional Liability, Escambia County shall be an additional insured under these policies. Required insurance shall be documented in certificates of insurance that reflects Escambia County as certificate holder. The insurance coverage's and limits required must be evidenced by properly executed certificates of insurance submitted to— *the Recreation Manager, Parks and Recreation Division, 1651 E. Nine Mile Road, Pensacola, Florida 32514.*

Certificates of insurance will be satisfactory to the County with all succeeding coverage's and carriers to be consecutive to prior coverages. Certificates of Insurance must expressly evidence that the Organization's policies have been endorsed to give Escambia County at least thirty (30) days advance notice before any cancellation or reduction in insurance coverage takes effect. All liability coverage shall be through carriers licensed to do business in the State of Florida.

No provision of the Agreement can be construed, or in any way is intended to be construed, as a waiver of Escambia County's sovereign immunity or any other limitation of liability of Escambia County. Escambia County is self-insured for liabilities in excess of the amounts provided under Section 768.28, Florida Statutes, as amended.

The Organization agrees not to violate, or knowingly or negligently permit or allow to be violated, any condition of any insurance policies required by the Agreement. All insurance coverage of the Organization must be primary to any insurance or self-insurance carried by Escambia County applicable to this Agreement. The acceptance by Escambia County of any Certificate of Insurance does not constitute approval or agreement by Escambia County that the

insurance requirements have been satisfied or that the insurance policy shown on the Certificate of Insurance is in compliance with the Agreement.

24. HOLD HARMLESS. The Organization shall indemnify and hold harmless Escambia County, its subsidiaries or affiliates, elected and appointed officials, employees, volunteers, representatives and, agents from any and all claims, suits, actions, damages, penalties, interest, attorney and paralegal fees, liability and expenses in connection with the loss of life, bodily or personal injury, environmental impairment, property damage, including loss of use of the property, zoning or similar issues, directly or indirectly caused by, resulting from, arising out of or occurring in connection with the Organization's negligent performance of the Agreement. The Organization's obligation is not limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

25. DAMAGE OR DESTRUCTION BY CASUALTY. If by fire or other casualty the Park is totally damaged or destroyed, either party has the option of terminating the Agreement by serving written notice upon the other within "thirty (30) days from the date of the casualty or a lesser number of days as the parties may mutually agree.

26. COMPLIANCE WITH LAWS AND PROCEDURES. The parties agree to comply with all applicable laws, guidelines, rules, regulations, and requirements, whether federal, state, or local, applicable to the Organization and its use of the Park and those for the correction, prevention, and abatement of nuisance, unsafe conditions, or other grievances arising from or pertaining to the use or occupancy of the Park.

27. SEVERABILITY. If any term or condition of the Agreement or the application of the Agreement to any person or circumstance is, to any extent, invalid or unenforceable, the remainder of the Agreement is not affected and each term and condition of the Agreement is to be valid and enforceable to the fullest extent permitted by law.

28. GOVERNING LAW. This agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue for any matter, which is a subject of this agreement, shall be in the County of Escambia. The Agreement will be construed in accordance with the laws of the State of Florida, and venue is in Escambia County, Florida.

29. INTERPRETATION. For purposes of this agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If either party discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of this agreement, it shall immediately notify the other party and request clarification of its interpretation of this agreement.

(b) This agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all the terms and provisions hereof.

30. FURTHER DOCUMENTS. The parties shall execute and deliver all documents and perform further actions that may reasonably be necessary to effectuate the provisions of this agreement.

31. NO WAIVER. The failure of a party to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either Party's right to thereafter enforce the same in accordance with this agreement.

32. EFFECTIVE DATE. Submission of the Agreement to the County does not constitute an offer, and the Agreement becomes effective upon the execution and delivery by both the Organization and the County. The County and the Organization acknowledge that they have not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements, or warranties, except as expressed in the Agreement.

If the Organization, with the County's consent, uses the Park or any part of the Park prior to the beginning of the agreement term, all provisions of the Agreement will be in full force and effect beginning at the time of the initial use.

33. RELATIONSHIP OF PARTIES. Nothing contained in the Agreement can be deemed by the parties or by any third party to create the relationship of principal and agent, partnership, joint venture or similar relationship between the County and the Organization.

34. ACKNOWLEDGEMENT. The Agreement cannot be more strictly construed against either party because one party may have drafted or prepared any or all of the terms and provisions of the Agreement. It is acknowledged that each of the parties has been represented by legal counsel and that each of the legal counsel has contributed substantially to the content of the Agreement.

PARK LICENSE AND MANAGEMENT AGREEMENT

THIS LICENSE AND MANAGEMENT AGREEMENT (Agreement) is made and entered into as of this 31st day of March, 2019 by and between Escambia County, a political subdivision of the State of Florida, whose address is 221 Palafox Place, Pensacola, Florida (County), and D.R.E.A.M. (Diverse Relentless Empowered Achievers of Munificence) Youth Development, Inc. , a Florida Not For Profit Corporation, whose address is 3208 W. Gadsden Street, Pensacola, Florida 32505, and Federal Tax Identification Number is 82-5315683.

WITNESSETH:

WHEREAS, the County owns the property known as Mayfair Park located at 701 S. Madison Dr, Pensacola, FL 32505; and

WHEREAS, the Organization, a non-profit corporation organized under the laws of the State of Florida, was created to provide social and character development through recreational activities for citizens of Escambia County; and

WHEREAS, the County and the Organization desire that the Organization manage recreational activities at the Park for the use and benefit of the public; and

WHEREAS, the Organization has expressed interest to the Board of County Commissioners to use and manage the Park for the purpose of providing a location for members of its organization and citizens and groups in Escambia County to engage in recreational activities and pastimes; and

WHEREAS, the County is satisfied that a license to use, manage, and administer the Park would be in the County's best interests; and

WHEREAS, the Organization desires to assist the County in the continued operation of public recreational and athletic programs at the Park which are controlled by the County; and

WHEREAS, the County would benefit from the assistance of the Organization in operating the Park for recreational purposes; and

WHEREAS, this Agreement supersedes any prior agreements.

NOW THEREFORE, the parties agree as follows:

1. **PARK USE AND MANAGEMENT.** The County licenses the Organization to use and manage the Park with relation to activities and programs that are sponsored by and under the Organization's direction. The Organization agrees that the Park will remain available for use by other citizens and community organizations at all times for activities which do not interfere with the Organization's scheduled activities.

During the period of the Agreement and any renewal of the Agreement, the Organization will administer the Park's various athletic programs for the public's benefit and will organize team athletic events in accordance with the terms in the Agreement. The Organization has priority in scheduling its athletic events and practices at the Park. Any member of the public, who qualifies under applicable Organization rules, may participate in the athletic events.

The Organization may grant preferences to programs designated for youth.

The Organization may charge a fee for participation in the Organization's athletic events, provided however, that any fee charged cannot exceed anticipated expenses directly associated with the program, including appropriate allowances for participation in the programs by children without sufficient funds to pay the fees. The Organization shall provide the Recreation Manager with documentation of its allowances for participation in the programs by children unable to otherwise pay the fees. Documentation shall include the number of children receiving financial assistance and the total amount of financial assistance given, per season. The fees are to be used solely for the purpose of covering expenses directly associated with the programs and activities of the Organization.

The Organization shall comply with Section 504 of the Rehabilitation Act of 1973, as amended, and Title VI of the Civil Rights Act of 1964, as amended. The Organization shall not discriminate against any person because of race, color, sex, religion, handicap, age, or national origin, by refusing to furnish services provided by the Organization.

2. TERM. The term of this Agreement begins on the 31st day of March, 2019, and shall terminate on the 30th day of March, 2020.

3. LICENSE FEE. The Organization agrees to pay to the County a license fee in the amount of one-dollar ($1) per year, payable in advance for the initial agreement term one (1) year. The County acknowledges receipt of one dollar ($1).

4. NOTICES. Notices to the County under the Agreement must be addressed to and mailed or delivered to the following:

TO THE COUNTY:
Escambia County Parks and Recreation Department
Attn: Michael Rhodes
1651 East Nine Mile Road
Pensacola, Florida 32514

TO THE ORGANIZATION:
D.R.E.A.M. Youth Development, Inc.
Attn: Tawanna Lewis, President and Registered Agent
3208 W. Gadsden Street
Pensacola, Florida 32505

Notices can be personally delivered or sent by U.S. mail. The date of delivery is the date of receipt of any notice. Each party may change its address by written notice given to the other.

5. ORGANIZATION DOCUMENTS. Within sixty (60) days of execution of the Agreement, the Organization agrees to provide to the County a copy of its incorporating documents, all previous year reports, a list of its current Board of Directors, and a copy of its current bylaws. The Organization agrees to furnish the following annually with the Park License and Management Agreement to the County: certificate of insurance, financial report, player roster, board member roster, coaches roster, monthly board meeting minutes, activity report, documentation showing the number of children receiving financial assistance per season, documentation showing the total amount of financial assistance given per season, a monthly calendar of events, and the Organization's equipment inventory. The Organization agrees to furnish all reports after each season with the exception of non-resident fees, player and coach's roster

spreadsheet which is to be submitted by the third week of the season. Failure to provide said documents to the County by March 1 of any year could result in the termination of this Agreement.

A meeting will be scheduled on an annual basis with the Parks and Recreation Director and Recreation Manager and the organization's president and vice-president or treasurer to review all necessary documents referenced above.

6. MEDIATION. The County Administrator, or authorized designee, will assure the Organization's compliance with the terms of the Agreement. The County Administrator may elect to mediate disputes arising between members of the public and the Organization regarding the Organization's compliance with the Agreement. The Organization designates its Board of Directors, or a specifically appointed committee of the Board of Directors, to represent the Organization in disputes. The Organization's Board of Directors is responsible for carrying out all the objectives set forth in the Agreement.

7. CONSTRUCTION OF IMPROVEMENTS. The County agrees to preserve the Park exclusively for recreational purposes. The County further agrees that during the term of the Agreement, no physical change to the property or major construction work will be undertaken without prior consultation with the Board of Directors of the Organization.

If the Organization wants to undertake any construction work in the Park, prior approval must be obtained from the County, and the Organization shall ensure that all Federal, State, local laws, regulations, and ordinances are complied with, including but not limited to: (a) the Occupational Safety and Health Act of 1970, Construction Industry Standards (29 CFR §1926, et. seq.); (b) the Americans with Disabilities Act of 1990, as subsequently amended (42 U.S.C. 12101, et. seq.); (c) Escambia County Development Services Department review and approval; and (d) Escambia County Building Inspections Department review and approval. All improvements made by the Organization become the property of the County without charge upon completion.

8. MAINTENANCE. The Organization and the County agree that all necessary grounds and structure maintenance and general upkeep of the Park will be carried out year-round. In order to create a clear understanding of this scope of work, the following maintenance guidelines are agreed to by the parties: (a) the Organization will maintain and clean the premises in a safe and orderly condition, normal wear and tear excepted, including, but not limited to, grounds maintenance, facility maintenance, and fence maintenance; (b) in the event it is determined that damage to facilities and equipment has occurred due to abuse or misuse by the Organization, the Organization shall be responsible for the repair and must return the facility and equipment to its pre-damaged condition; (c) the Organization is responsible for setting rules and guidelines to prevent against damage, i.e. no throwing or batting balls into the fence; (d) the Organization will promptly pay all water, gas, electric, telephone, sewage, garbage disposal, janitorial, safety equipment, and other utility bills related to the Park during the term of the Agreement; (e) the County will be responsible for mowing the athletic fields on a weekly basis during the months of March through November; otherwise, the Organization will be responsible for all athletic field maintenance, which may include necessary mowing of athletic fields and providing or applying herbicide, insecticide, or fertilizer to ensure proper turf maintenance; (f) the Organization is responsible for day-to-day maintenance including chalking, dragging, paint lining, adding clay/dirt/sand and otherwise preparing fields for athletic play; (g) the County will be responsible for certain maintenance and repairs related to field lighting and scoreboards as well as irrigation infrastructure and electrical repairs; (h) the Organization is responsible to notify the County as soon as possible of any structural or maintenance issues occurring on the property.

ALL ORGANIZATIONS SHALL OBTAIN PRIOR WRITTEN APPROVAL FROM COUNTY BEFORE UNDERTAKING ANY ACTIVITY ON OR NEAR THE PREMISES THAT MAY ADVERSELY AFFECT ANY ADJACENT RESIDENTIAL OR COMMERCIAL PROPERTY.

9. REVENUE/INCOME. Revenue and income derived from the activities of the Organization are the exclusive property of the Organization but must be used by the Organization in furtherance of its activities at the Park in providing additional improvements for the Organization's programs. The Organization shall provide a full accounting of all revenue and expenses to the County annually and upon request. Such reports shall be filed on March 1 of every year. Failure to timely file such financial information may result in the termination of this Agreement. The County has the right to audit the financial information at any time, at the County's expense.

10. EQUIPMENT. A complete inventory of an Organization's equipment and any personal property that is stored at the Park must be provided annually to the County by the Organization. Such inventory shall be filed on March 1 of every year. Failure to timely file such inventory may result in the termination of this Agreement. All equipment or other personal property owned by the Organization, which has been placed or maintained in the Park by the Organization, is at the sole risk of the Organization. The Organization may remove from the Park any time prior to, or within sixty (60) days of the termination of the Agreement, its equipment and personal property. Any Organization equipment or personal property not removed from the Park within sixty (60) days after termination of the Agreement becomes the exclusive property of the County without recourse.

11. CONCESSIONS. The Organization may maintain a concession activity for food and drink at the Park as long as the Organization complies with all applicable County ordinances and local and state health regulations. No alcoholic beverages are allowed. The County will not, without the prior approval of the Organization, engage in any competing concession activities, either through its own agents or by the granting of concession privileges to any other person or entity. Income derived from concession activities remain the exclusive property of the Organization and must be used by the Organization to further its activities at the Park and in providing additional improvements for the Organizations' programs. The Organization is responsible for all repairs, maintenance, and certification of all concession equipment owned either by the Organization or by its contracted concessioners. The Organization is responsible for the annual maintenance and certification of any ventilated hood systems and fire extinguishers.

12. SIGNS. Signs used for team or Organization sponsor advertising remain the separate property of the Organization and all the income derived from their display must be used to further Organization activities. All sponsorship signs, pursuant to the ordinances of Escambia County, must be uniform in size and shape with general display locations fronting inwards or facing a playing field. No sign can serve as an external advertisement facing outwards toward roadways or other public facilities, and no sign is allowed on the Park's perimeter fencing.

13. COACHES AND BACKGROUND CHECKS. The Organization will perform necessary background checks on all coaches as required by law. The Organization agrees to have the Coaches certified annually through such organizations as National Alliance for Youth Sports or National Center for Safety Initiatives or their appropriate league affiliation at the Organization's expense. The Organization agrees to provide to the County a coaches roster spreadsheet that includes a check box for certification and background checks by the third week of the season. In addition, at the County's request, the Organization shall provide copies of all coaches' background checks which shall remain confidential.

14. BOARD MEETINGS. The Organization agrees to notify the County in advance of all scheduled meetings. The Organization agrees to supply list of board members with phone numbers, email

addresses, and physical addresses to the County annually. The Organization is to notify the County of any changes to the membership of the board during the term of the Agreement. The Organization agrees to provide monthly board meeting minutes to the County. It is the responsibility of the Organization to ensure that the public and all participating players and their parents or guardians are notified of the dates, times, and locations of all of the Organization's Board Meetings and that the meetings are open to the public and to all participating players and their parents or guardians.

15. TOURNAMENTS/PARK-RENTALS/SUCCESSORS/CLINICS/CAMPS. Without prior written consent of the County, neither the Organization, nor its successors in interest by operation of law or otherwise, are permitted to assign the Agreement or to permit the occupancy of the Park or any part of the Park, by anyone other than the Organization. In the event that the Organization wishes to assign the Agreement or to permit the occupancy of the park for any recreational camp, clinic, church event, tournament, or other similar event, prior to scheduling the event, the Organization must notify the County and provide sufficient proof of insurance which names both the entity to which the Organization wishes to assign the Agreement or permit the use of the park and the County as an additional insured. Any unauthorized use of the park by a third-party may result in termination of the Agreement.

16. SCHEDULES. The Organization agrees to provide the County with all league game and practice schedules. The Organization agrees to provide sixty (60) days-notice of season start date. The Organization agrees to notify the County thirty days in advance of any special events and fundraisers. The Organization agrees to provide at the time of submission of the signed lease agreement a proposed annual calendar showing sign up dates, start date of practices, start date of games, and the dates of any special events. It is the responsibility of the Organization to ensure that the County is on written notice of the dates and times for all activities occurring at the Park. Failure to provide the County with a current schedule and to further notify the County of any changes occurring to the schedule may result in termination of the Agreement.

17. TERMINATION. The Agreement may be terminated by the County after thirty (30) days-notice to the Organization without cause and for convenience or with cause, particularly whenever the Park is not being used, utilized, or managed by the Organization in accordance with the provisions of the Agreement, or whenever the Organization ceases operation, dissolves its corporation, or otherwise no longer provides the required services under the terms of the Agreement.

The Agreement may be terminated by the Organization at any time in case of material breach of the Agreement by the County provided that the Organization shall first give to the County written notice of the breach and thirty (30) days within which to remedy the breach. Any notice under this section mailed or delivered by the County to the Board of Directors of the Organization will be deemed as the official notice of the County.

18. RECORDS. The parties acknowledge that this agreement and any related financial records, and its reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. In the event a party fails to abide by the provisions of Chapter 119, Florida Statutes, the other party may, without prejudice to any right or remedy and after giving that party, seven (7) days written notice, during which period the party fails to allow access to such documents, terminate this agreement.

19. ENTIRE AGREEMENT. The Agreement contains the entire agreement of the parties and no representations, inducements, promises, or agreements between the parties not contained in the Agreement will be of any force and effect. Any amendments, modifications, additions, or alterations of the Agreement must be in writing executed with the same formalities as the Agreement.

20. HEADINGS. Headings and subtitles used throughout this agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

21. SUCCESSORS AND ASSIGNS. Without the previous written consent of the County, neither the Organization, nor its successors in interest by operation of law or otherwise, are permitted to assign the Agreement or permit the occupancy of the Park or any part of the Park, by anyone other than the Organization. Any consent by the County to any act of assignment or occupancy by a third-party will be held to apply only to the specific transaction authorized. In any event, no assignment or occupancy by a third-party will relieve the Organization of its obligations under the Agreement.

22. SURVIVAL. All other provisions which, by their inherent character, sense, and context, are intended to survive termination of this agreement shall survive it.

23. INSURANCE. During the period mutually agreed upon between the County and the Organization, the Organization shall procure and maintain:

- Commercial general liability insurance policy with minimum limits of coverage in the amount of One Million Dollars ($1,000,000), per occurrence/aggregate, including coverage parts of bodily injury, personal injury and death, broad form property damage, blanket contractual liability covering the contract, independent contractors, premises/operations, products and completed operations, and fire legal liability. Sports participation cannot be excluded. The Organization must also require any other organization using the Park for organized events to have "special event" liability insurance.

- Auto liability insurance policy with One Million Dollars ($1,000,000); minimum combined single limits per occurrence for bodily injury, property damage, and death, arising out of ownership or use of any vehicles to include owned, non-owned and hired vehicles. Auto liability may be endorsed under the commercial general liability policy.

The Organization shall procure and maintain required insurance coverage's documented on Certificates of Insurance, which show policies with insurers with a Secure A.M. Best rating and financial rating guide. Except for Worker's Compensation and Professional Liability, Escambia County shall be an additional insured under these policies. Required insurance shall be documented in certificates of insurance that reflects Escambia County as certificate holder. The insurance coverage's and limits required must be evidenced by properly executed certificates of insurance submitted to— *the Recreation Manager, Parks and Recreation Division, 1651 E. Nine Mile Road, Pensacola, Florida 32514.*

Certificates of insurance will be satisfactory to the County with all succeeding coverage's and carriers to be consecutive to prior coverages. Certificates of Insurance must expressly evidence that the Organization's policies have been endorsed to give Escambia County at least thirty (30) days advance notice before any cancellation or reduction in insurance coverage takes effect. All liability coverage shall be through carriers licensed to do business in the State of Florida.

No provision of the Agreement can be construed, or in any way is intended to be construed, as a waiver of Escambia County's sovereign immunity or any other limitation of liability of Escambia County. Escambia County is self-insured for liabilities in excess of the amounts provided under Section 768.28, Florida Statutes, as amended.

The Organization agrees not to violate, or knowingly or negligently permit or allow to be violated, any condition of any insurance policies required by the Agreement. All insurance

coverage of the Organization must be primary to any insurance or self-insurance carried by Escambia County applicable to this Agreement. The acceptance by Escambia County of any Certificate of Insurance does not constitute approval or agreement by Escambia County that the insurance requirements have been satisfied or that the insurance policy shown on the Certificate of Insurance is in compliance with the Agreement.

24. HOLD HARMLESS. The Organization shall indemnify and hold harmless Escambia County, its subsidiaries or affiliates, elected and appointed officials, employees, volunteers, representatives and, agents from any and all claims, suits, actions, damages, penalties, interest, attorney and paralegal fees, liability and expenses in connection with the loss of life, bodily or personal injury, environmental impairment, property damage, including loss of use of the property, zoning or similar issues, directly or indirectly caused by, resulting from, arising out of or occurring in connection with the Organization's negligent performance of the Agreement. The Organization's obligation is not limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

25. DAMAGE OR DESTRUCTION BY CASUALTY. If by fire or other casualty the Park is totally damaged or destroyed, either party has the option of terminating the Agreement by serving written notice upon the other within "thirty (30) days from the date of the casualty or a lesser number of days as the parties may mutually agree.

26. COMPLIANCE WITH LAWS AND PROCEDURES. The parties agree to comply with all applicable laws, guidelines, rules, regulations, and requirements, whether federal, state, or local, applicable to the Organization and its use of the Park and those for the correction, prevention, and abatement of nuisance, unsafe conditions, or other grievances arising from or pertaining to the use or occupancy of the Park.

27. SEVERABILITY. If any term or condition of the Agreement or the application of the Agreement to any person or circumstance is, to any extent, invalid or unenforceable, the remainder of the Agreement is not affected and each term and condition of the Agreement is to be valid and enforceable to the fullest extent permitted by law.

28. GOVERNING LAW. This agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue for any matter, which is a subject of this agreement, shall be in the County of Escambia. The Agreement will be construed in accordance with the laws of the State of Florida, and venue is in Escambia County, Florida.

29. INTERPRETATION. For purposes of this agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If either party discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of this agreement, it shall immediately notify the other party and request clarification of its interpretation of this agreement.

(b) This agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all the terms and provisions hereof.

30. FURTHER DOCUMENTS. The parties shall execute and deliver all documents and perform further actions that may reasonably be necessary to effectuate the provisions of this agreement.

31. NO WAIVER. The failure of a party to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either Party's right to thereafter enforce the same in accordance with this agreement.

32. EFFECTIVE DATE. Submission of the Agreement to the County does not constitute an offer, and the Agreement becomes effective upon the execution and delivery by both the Organization and the County. The County and the Organization acknowledge that they have not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements, or warranties, except as expressed in the Agreement.

If the Organization, with the County's consent, uses the Park or any part of the Park prior to the beginning of the agreement term, all provisions of the Agreement will be in full force and effect beginning at the time of the initial use.

33. RELATIONSHIP OF PARTIES. Nothing contained in the Agreement can be deemed by the parties or by any third party to create the relationship of principal and agent, partnership, joint venture or similar relationship between the County and the Organization.

34. ACKNOWLEDGEMENT. The Agreement cannot be more strictly construed against either party because one party may have drafted or prepared any or all of the terms and provisions of the Agreement. It is acknowledged that each of the parties has been represented by legal counsel and that each of the legal counsel has contributed substantially to the content of the Agreement.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15688 **County Administrator's Report 14. 2.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 03/07/2019
Issue: Interlocal Agreement with the City of Pensacola for Use of the Raymond Riddle Park
From: Michael Rhodes, Dept Director
Organization: Parks and Recreation
CAO Approval:

RECOMMENDATION:

Recommendation Concerning an Interlocal Agreement with the City of Pensacola for Use of the Raymond Riddle Park - Michael E. Rhodes, Parks and Recreation Department Director

That the Board approve and authorize the Chairman to sign the Interlocal Agreement for the use of the Raymond Riddle Park by the City of Pensacola between Escambia County, Florida, and the City of Pensacola, Florida.

BACKGROUND:

Escambia County and the City of Pensacola agree that providing the City with access and use of Raymond Riddle Park for various youth and adult recreation programs will benefit both Escambia County and City residents by providing a park location for athletic and recreational activities. The City will be responsible for utility costs and other costs associated with activities under their direction during this time frame as noted in the agreement.

BUDGETARY IMPACT:

The Interlocal Agreement will not have a budgetary impact on the county.

LEGAL CONSIDERATIONS/SIGN-OFF:

The Interlocal Agreement was reviewed and approved as to legal sufficiency by Meredith D. Crawford, Assistant County Attorney.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Board Policy requires that documents such as these be approved by the Board.

IMPLEMENTATION/COORDINATION:

Oversight and any potential implementation of the Interlocal Agreement will be coordinated by Michael E. Rhodes, Director, Parks and Recreation Department.

Interlocal Agreement

STATE OF FLORIDA
COUNTY OF ESCAMBIA

INTERLOCAL AGREEMENT FOR USE OF THE RAYMOND RIDDLE PARK BY THE CITY OF PENSACOLA BETWEEN ESCAMBIA COUNTY, FLORIDA AND THE CITY OF PENSACOLA, FLORIDA

THIS AGREEMENT is made by and between Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as the "County"), with administrative offices located at 221 Palafox Place, Pensacola, Florida 32502 and the City of Pensacola, a municipal corporation created and existing under the laws of the State of Florida, (hereinafter referred to as the "City") with administrative offices at 222 West Main St., Pensacola, Florida 32502 (at times referred to as "party" or "parties" or "agency" or "agencies").

WITNESSETH:

WHEREAS, the parties have legal authority to perform general governmental services within their respective jurisdictions; and

WHEREAS, the parties are authorized by §163.01, Florida Statutes, to enter into Interlocal Agreements and thereby cooperatively utilize their powers and resources in the most efficient manner possible; and

WHEREAS, Escambia County owns certain real property located at 1704 North "W" Street, Pensacola, Florida, 32505 (hereinafter referred to as the "Property"); and

WHEREAS, the Property is a currently developed and operated by the County as Raymond Riddle Park, for use by the citizens of Escambia County and by citizens of the City of Pensacola, Florida for recreational purposes; and

WHEREAS, the County desires to allow access and use of the Property by the City during such times as mutually agreed upon by the parties for continued benefit of its citizens; and

WHEREAS, the parties have determined that it is in the best interest of the health, safety, and welfare of the citizens of both the incorporated and unincorporated areas of Escambia County that the City and County enter into this agreement for joint use of the Property and for payment by the City of certain costs as provided herein.

NOW THEREFORE, for an in consideration of the mutual covenants contained herein and the mutual benefits each unto the other, and for other good and valuable consideration, the parties to this Agreement hereby agree as follows:

Article 1
Purpose

1.1 The recitals contained in the Preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

1.2 Pursuant to §163.01, Florida Statutes, this Agreement establishes the conditions, extent, and mechanism whereby the parties will establish a framework for use of the Property and for payment of certain costs for recreational purposes.

Article 2
Responsibilities of the Parties

2.1 The County agrees to allow use and access of the Property by the City of Pensacola Parks and Recreation Department for various youth and adult programs, including but not limited to, baseball, t-ball, soccer, and kickball programs for a term not to exceed one year, unless extended by amendment as provided in paragraph 3.1.

2.2 The City agrees that the Property will remain available for use by other citizens and community organizations at all times for activities which do not interfere with the City's scheduled activities.

2.3 The City agrees that during the term of this Agreement, the City will administer various athletic programs at the Property for the public's benefit and will organize team athletic events in accordance with the terms of this Agreement.

2.4 The City may charge a fee for participation in its events and programs, provided however, that any fee charged cannot exceed anticipated expenses directly associated with its programs.

2.5 The City shall be responsible for all field preparation during its use of the Property, including but not limited to, chalking, dragging, paint lining, adding clay/dirt/sand and otherwise preparing fields for athletic play.

2.6 The City shall be responsible for payment of all monthly utilities during its use of the Property, including but not limited to, water, gas, electric, telephone, sewage, garbage disposal, janitorial, safety equipment, and

any other utility bills related to the Property during the term of the Agreement.

2.7 The City shall maintain and clean the premises in a safe and orderly condition, normal wear and tear excepted, including but not limited to grounds maintenance, facility maintenance, and fence maintenance.

2.8 In the event it is determined that damage to the Property has occurred due to abuse or misuse by the City, the City shall be responsible for the necessary repair and must return the Property to its pre-damaged condition.

2.9 The City shall notify the County as soon as possible of any structural or maintenance issues occurring on the Property.

2.10 At all times mutually agreeable to the parties, the City shall be allowed access and use of the Property for recreational purposes.

2.11 Revenue and income derived from the activities of the City or its recreational programs at the property during the term of this Agreement are the exclusive property of the City.

2.12 The City agrees to provide the County with a complete inventory of its equipment and any personal property that is stored at the Property. All equipment or other personal property of the City, which has been placed or maintained at the Property, is at the sole risk of the City. Any City equipment or personal property not removed from the Property within sixty (60) days after termination of the Agreement becomes the exclusive property of the County without recourse.

2.13 The City may maintain a concession activity for food and drink at the Property during the term of this Agreement as long as the City complies with all applicable County ordinances and local and state health regulations. No alcoholic beverages are allowed. Income derived from the City's concession activities shall remain the exclusive property of the City. The City is responsible for all repairs, maintenance, and certification of all concession equipment owned by either the City or any of its contracted concessioners.

2.14 The City will perform necessary background checks on all coaches or other individuals involved in its recreational programming as required by law.

2.15 The City agrees to provide the County with a monthly calendar of events to include dates of league play and other scheduled programs or activities occurring at the Property during the term of this Agreement.

2.16 The City agrees to comply with Section 504 of the Rehabilitation Act of 1973, as amended, and Title VI of the Civil Rights Act of 1964, as amended. The City shall not discriminate against any person because of race, color, sex, religion, handicap, age, or national origin, by refusing to furnish services or allow participation in programs provided by the City.

Article 3
General Provisions

3.1 Term: This agreement shall commence on the Effective Date, as provided in paragraph 3.15, and continue for a term of one year, unless otherwise terminated as provided herein. No less than ninety (90) days before the expiration of this Agreement the Parties shall review the progress and analyze the success of the Agreement for consideration to extend the term by written amendment to the Agreement.

3.2 Termination: This Agreement may be terminated by either party for cause or for convenience. Either party may exercise its right of termination for convenience by furnishing to the other party written notice of its election to do so. The termination of convenience shall be effective thirty (30) days following the date of the receipt of such notice.

3.3 Liability: The parties hereto, their respective elected officials, officers, and employees shall not be deemed to assume any liability for the acts, omissions, or negligence of the other party. The City agrees to be fully responsible for its negligent acts or omissions or tortuous acts which result in claims or suits against the County and further agrees to be fully liable for any damages proximately caused by said acts or omissions. Escambia County, Florida, as a subdivision of the State of Florida as defined in §768.28, Florida Statutes, agrees to be fully responsible for its negligent acts or omissions or tortuous acts which result in claims or suits against the City and further agrees to be fully liable for any damages proximately caused by said acts or omissions. Nothing herein is intended to serve as a waiver of sovereign immunity by the City or the County and nothing herein shall be construed as consent by the City or the County to be sued by third parties in any matter arising out of this Agreement.

3.4 Insurance: Each party shall insure its own interests through appropriate insurance policies of through a self-insurance program. This provision shall not be construed to prevent any claim or action which either party may have against the other.

3.5 Records: The parties acknowledge that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public

pursuant to Chapter 119, Florida Statutes, as amended. In the event a party fails to abide by the provisions of Chapter 119, Florida Statutes, the other party may, without prejudice to any right or remedy and after giving that party, seven (7) days written notice, during which period the party fails to allow access to such documents, terminate this Agreement.

3.6 Assignment: This Agreement or any interest herein shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the parties, without the prior written consent of the other party.

3.7 Headings: Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

3.8 Survival: All other provisions, which by their inherent character, sense, and context are intended to survive termination of this Agreement, shall survive the termination of this Agreement.

3.9 Interpretation: For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If either party discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, it shall immediately notify the other party and request clarification of the interpretation of this Agreement.

(b) This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

3.10 Severability: The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed to be enforced as if this Agreement did not contain such invalid or unenforceable portion of provision.

3.11 Further Documents: The parties shall execute and deliver all documents and perform further actions that may be reasonably necessary to effectuate the provisions of this Agreement.

3.12 Governing Law: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue, for any matter, which is the subject of this Agreement shall be in the County of Escambia.

3.13 Notices: All notices required or made pursuant to this Agreement by either party to the other shall be in writing and delivered by hand or by United States Postal Service, first class mail, postage prepaid, return receipt requested, addressed to the following:

TO THE COUNTY:
Attn: Mr. Michael Rhodes
Escambia County
Parks and Recreation Dept.
1651 East Nine Mile Road
Pensacola, FL 32514

County Administrator
221 Palafox Place, Suite 420
Post Office Box 1591

Pensacola, FL 32502

City Administrator
City of Pensacola
Post Office Box 12910
Pensacola, FL 32521

Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this section.

3.14 No Waiver: The failure of a party to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Agreement.

3.15 Effective Date: This agreement shall become effective when filed in the Office of the Clerk of the Circuit Court of Escambia County, Florida. The County shall be responsible for such filing.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature: Escambia County, Florida through its Board of County Commissioners, signing by and through its duly authorized Chairman, and the City of Pensacola, signing by and through its Mayor.

COUNTY:
Escambia County, Florida Board of County Commissioners, a political subdivision of the State of Florida acting through its duly authorized Board of County Commissioners signing by and through its Chairman.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15701 **County Administrator's Report 14. 3.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 03/07/2019
Issue: Noise Waiver for the CNG Spring Auto Show
From: Tim Tolbert, Building Official/Department Director
Organization: Building Services
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Limited Noise Waiver of the Escambia County Noise Abatement Ordinance for the CNG Spring Auto Show - Tim Tolbert, Building Official/Department Director

That the Board review and approve the "Special Event Permit Application" for a limited waiver of the noise restrictions imposed by the Escambia County Noise Abatement Ordinance for the CNG Spring Auto Show, to include music and vehicle bass, being held at 113 Massachusetts Avenue, Pensacola, Florida, on Sunday, March 10, 2019, from 7:00 a.m., to 7:00 p.m.

BACKGROUND:

Escambia County Noise Abatement Ordinance Number 2001-8 (Escambia County Code of Ordinances, Chapter 42, Article III, Noise) was adopted by the Board of County Commissioners (BCC) on March 1, 2001, for the purpose of protecting, preserving, and promoting the health, safety, welfare, peace and quiet of the citizens of Escambia County through the reduction, control, and prevention of loud and raucous noise, or any noise which unreasonably disturbs, injures, or endangers the comfort, repose, health, peace, or safety of reasonable persons of ordinary sensitivity. Subsequently, on August 3, 2001, the BCC adopted Escambia County Ordinance Number 2001-36 to amend Escambia County Ordinance Number 2001-8 in order to provide a means of exemption to the Noise Abatement Ordinance to allow special outdoor events to take place in the community while still protecting the health, safety, and welfare of the citizens of Escmabia County, and promoting an environment free from sound and noise disruptive of peace and good order. On July 23, 2013 the BCC adopted Escambia County Ordinance Number 2013-31, stating that the County has the authority to regulate within its jurisdiction unreasonably loud noise based on decibel readings beyond certain limits and providing for two different noise regulation standards within Escambia County is consistent with the equak protection clause, so long as the division created is rationally

related to a legitimate government objective. Again, on January 16, 204 the BCC of Escambia County adopted Escambia County Ordinance number 2014-5 defining the core are of Santa Rosa Island and providing two different noise regulation standards fot the areas of Santa Rosa Island that are primarily commercial businesses and the areas that are almost exclusively residential to better ensure the health, safety, welfare, tranquility, and peace of the public.

POLICY/REQUIREMENT FOR BOARD ACTION:

Escambia County Code of Ordinances, Chapter 42, Article III. Noise Section 42-66. Exemptions. (g), provides that the County Administrator shall provide the permit application as well as any other available inforamtion to the Board of County Commissioners for consideration at a meeting of the Board of County Commissioners. The Board of County Commissioners may impose any other conditions on the permit, as it deems necessary to reduce the disturbance to surrounding or neighboring properties.

IMPLEMENTATION/COORDINATION:

The Building Inspections Division will issue a Special Event permit for this exemption. Upon Board approval, the Escambia County Sherriff's Office and the Fire Prevention Division of Fire Rescue will be notified of the issuance of this waiver.

AI-15697 **County Administrator's Report 14. 4.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 03/07/2019
Issue: Authorize the Scheduling of a Public Hearing to Consider Amending Section 10-11, 10-14 and 10-18 of the Escambia County Code of Ordinances
From: JOHN ROBINSON, Division Manager
Organization: Building Services
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Scheduling of a Public Hearing to Consider Amending Volume 1, Chapter 10, Article I, Section 10-11(c), Section 10-14(g),and Section 10-18 of the Escambia County Code of Ordinances, Regarding Animal Control - Tim Tolbert, Building Official/Department Director

That the Board authorize the scheduling of a Public Hearing for April 4th, 2019, at 5:31 p.m., for consideration of adopting an Ordinance amending Volume 1, Chapter 10, Article I, Section 10-11, Section 10-14, and Section 10-18, of the Escambia Code of Ordinances, regarding Animal Control.

BACKGROUND:

The Escambia County Disability Awareness Committee voted to recommend that Staff amend Escambia County Ordinance Sections 10-11, 10-14 and 10-18. The recommendation asks that references to ***"blind or hearing Impaired"*** be removed and replaced with ***"persons with disabilities".*** It is important to put the person first and recognize the individuality of a person who has a disability rather than referring to the person as the disability.

BUDGETARY IMPACT:

Ordinance Update

ORDINANCE NUMBER 2019-___

AN ORDINANCE OF ESCAMBIA COUNTY, FLORIDA AMENDING VOLUME 1, CHAPTER 10, ARTICLE I, SECTION 10-11 OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, ANIMAL CONTROL, SUBSECTION 10-11(C), EXCEPTIONS; AMENDING CHAPTER 10, ARTICLE I, SECTION 10-14 OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, DANGEROUS DOGS, SUBSECTION 10-14(G), EXEMPTIONS; AND AMENDING CHAPTER 10, ARTICLE I, SECTION 10-18 OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, ANIMALS TRAINED TO ASSIST THE BLIND, DISABLED AN HEARING-IMPAIRED ALLOWED IN PUBLIC PLACES; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Chapter 125, Florida Statutes, the County is authorized to establish regulations in the interest of the public health, safety and welfare to provide protection for, regulate, and control animals in the County; and

WHEREAS, the Board of County Commissioners finds that the County's ordinances relating to animal control require amendment to promote the health, safety and welfare of the public by providing protection for, regulation and control of animals in the County; and

WHEREAS, the Escambia County Animal Services Division has identified areas where greater efficiencies may occur in the administration of animal services; and

WHEREAS, Escambia County recognizes the individuality, equality, and dignity of people with disabilities; and

WHEREAS, Escambia County recognizes that people with disabilities are entitled to equal access to programs, services, activities and other rights and may not be discriminated against solely because that person has a disability and is accompanied by a service animal; and

WHEREAS, the Board of County Commissioners further finds that the proposed amendments to revise the animal control ordinance serves an important public purpose.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA:

Section 1. The above recitals are true and correct and are incorporated herein by reference.

DRAFT

Section 2. Volume 1, Chapter 10, Article I, Section 10-11 of the Escambia County Code of Ordinances, *Animal Control*, Subsection 10-11(c), *Exceptions*, is hereby amended to read as follows (words underlined are additions and words ~~stricken~~ are deletions):

(c) *Exceptions.* These restrictions relating to public places, schools, parks, beaches and recreational areas shall not apply to:

(1) Animals utilized by law enforcement agencies, while engaged in law enforcement activity.

(2) Animals trained to assist a person with a disability ~~the blind or hearing impaired~~, provided such animal is in the company of such person.

(3) The showing and training of dogs and the use of animals in educational presentations in appropriate locations of auditoriums, schools, parks, parking lots, armories, theaters, and similar public or privately-owned areas.

(4) The transportation of animals by airlines at the airport in the county.

(5) Special events as authorized by a vote of the majority of the board of county commissioners with any conditions set forth by the board as reasonable under the circumstances.

(6) Designated portions of Santa Rosa Island owned by and under the jurisdiction of the county or the Santa Rosa Island Authority as provided in section 10-25.

(7) Designated portions of Perdido Key under the jurisdiction of the county as provided in section 10-26.

(8) Animals in lawful permitted dog-friendly dining establishments.

Section 3. Volume 1, Chapter 10, Article I, Section 10-14 of the Escambia County Code of Ordinances, *Dangerous Dogs*, Subsection 10-14(g), *Exemptions*, is hereby amended to read as follows (words underlined are additions and words ~~stricken~~ are deletions):

(g) Exemptions.

(1) Hunting dogs are exempt from this section when engaged in any legal hunt or training procedure. Dogs engaged in training or exhibiting in legal sports such as obedience trials, conformation shows, field trials, hunting/retrieving trials, and herding trials are exempt from this section when engaged in such legal procedures but are at all other times and in all respects subject to this section. Dogs that have been classified as dangerous may not be used for hunting purposes.

(2) Dogs that are owned, or the service of which are employed, by a law enforcement agency, are exempt from this section.

(3) Any dog used as a service dog for a person with a disability ~~blind, hearing impaired, or disabled persons~~ that bites another animal or a human is exempt from any quarantine requirement following such bite if the dog has

DRAFT

a current rabies vaccination that was administered by a licensed veterinarian.

Section 4. Volume 1, Chapter 10, Article I, Section 10-18 of the Escambia County Code of Ordinances, *Animals trained to assist the blind, disabled an hearing-impaired allowed in public places*, Subsection 10-11(c)(2) is hereby amended to read as follows (words underlined are additions and words ~~stricken~~ are deletions):

Sec. 10-18. - Animals trained to assist a person with a disability ~~the blind, disabled and hearing-impaired~~ allowed in public places.

It shall be a violation of this chapter for any person owning, operating, or maintaining any public place of business or conveyance into which the general public is invited for any business purpose to exclude therefrom any animal which has been trained to assist a person with a disability ~~the blind, disabled and/or hearing impaired~~, provided that such animal is in the company of the person it is assisting. Violation of this section shall be a civil infraction punishable pursuant to section 10-23.

Section 5. Severability.

If any section, sentence, clause or phrase of this Ordinance is held to be invalid or unconstitutional by any Court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this Ordinance.

Section 6. Inclusion in the Code.

It is the intention of the Board of County Commissioners that the provisions of this ordinance shall become and be made a part of the Escambia County Code; and that the sections of this Ordinance may be renumbered or relettered and the word "ordinance" may be changed to "section", "article", or such other appropriate word or phrase in order to accomplish such intentions.

Section 7. Effective Date.

This Ordinance shall become effective upon filing with the Department of State.

DONE AND ENACTED this ___ day of_____, 2019**.**

CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Scheduling of a Public Hearing for the Bradfield Subdivision Street Lighting Municipal Services Benefit Unit - Stephan Hall, Budget Manager, Management and Budget Services

That the Board authorize the scheduling of a Public Hearing on April 4, 2019, at 5:32 p.m., to consider adoption of an Ordinance creating the Bradfield Subdivision Street Lighting Municipal Services Benefit Unit (MSBU).

BACKGROUND:

The property developer of Bradfield Subdivision has submitted a letter of request asking to create a street lighting MSBU. The letter of request is sufficient to meet the MSBU Guidelines and Procedures because the developer owns greater than fifty-five percent of parcels in the subdivision.

The Bradfield lighting district plan proposal:
* 62 assessable lots located in Commission District 5
* 20 street lights/poles in initial plan
* Assessments estimated to be $191 in year 1 (includes a reserve and 18 mos of cost) and $116 in year 2

RECOMMENDATION:

Recommendation Concerning the Human Services Appropriations Committee - Amy Lovoy, Interim County Administrator

That the Board abolish the Human Services Appropriations Committee. Per Tom Hilton, Chief Financial Officer, United Way of Escambia County, with the consolidation of Escambia County's HSAC process into the United Way of Escambia County's Community Investment process several years ago, there is no need for the County to solicit Escambia County residents to staff the County's HSAC process.

BACKGROUND:

The Human Services Appropriations Committee (HSAC) was maintained by the United Way of Escambia County, Inc. The purpose of the HSAC was to review agency funding requests to Escambia County and the City of Pensacola and to make funding recommendations individually to both bodies in accordance with policy and procedure agreements with each.

Per Tom Hilton, Chief Financial Officer, United Way of Escambia County, with the consolidation of Escambia County's HSAC process into the United Way of Escambia County's Community Investment process several years ago, there is no need for the County to solicit Escambia County residents to staff the County's HSAC process.

County Administrator's Office

Judy,

Per our discussion, with the consolidation of Escambia County's Human Services Appropriations Committee (HSAC) process into the United Way of Escambia County's Community Investment (CI) process several years ago, there is no need for the County to solicit Escambia County residents to staff the County's HSAC process. We currently already solicit County residents to staff our CI process for the evaluation of agency applications, and using the current (CI) process eliminates the need for local agencies to prepare multiple applications for funding.

Sincerely,

Tom Hilton

Issue: CareerSource Escarosa Local Workforce Development Area Designation
From: TONYA GREEN, Neighborhood & Human Services Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the CareerSource Escarosa Local Workforce Development Area Designation - Tonya Green, Neighborhood & Human Services Department Director

That the Board take the following action:

A. Approve the redesignation of the Local Workforce Development Area 1 to serve as a jurisdiction for the administration of workforce development activities using Adult, Dislocated Worker and Youth funds allocated by the State and to coordinate efforts related to other core programs at the community level; and

B. Approve and authorize the Chairman to sign the Application for Subsequent Local Workforce Development Area Designation.

BACKGROUND:

Under the Workforce Innovation and Opportunity Act (Pub. L. 113-128), the Govenor must re-designate local workforce development areas (LWDA) after consultation with the State Workforce Board, local chief officials (CEOs) and local workforce development boards.

As required under section 106 of the Workforce Innovation and Opportunity Act (WIOA), CareerSource Florida will grant subsequent designation of a local area if, for the two most recent program years, the local workforce development area performed successfully and sustained fiscal integrity. Additionaly, every two years, CareerSource Florida must certify each local board as required under section 107, WIOA.

January 24, 2019

Commissioner Lumon J. May, Chairman
Board of County Commissioners
Escambia County, Florida
221 Palafox Place
Pensacola, FL 32502

Dear Commissioner May:

Under the Workforce Innovation and Opportunity Act (Pub. L. 113-128), the Governor must re-designate local workforce development areas (LWDA) after consultation with the State Workforce Board, local chief elected officials (CEOs) and local workforce development boards.

Career Source Escarosa requests that the Board of County Commissioners approve the re-designation of LWDA 1 to serve as a jurisdiction for the administration of workforce development activities using Adult, Dislocated Worker and Youth funds allocated by the State and to coordinate efforts related to other core programs at the community level.

The Board of County Commissioners of Escambia County initially designated LWDA 1 on June 30, 2015.

Sincerely,

Sheryl Rehberg

MEMORANDUM

DATE: January 16, 2019

TO: Local Workforce Development Board (LWDB) Executive Directors

FROM: Shila A. Salem, Chief, One-Stop Program Support

SUBJECT: Local Workforce Development Area Designation and Local Board Composition & Certification

The purpose of this memorandum is to inform Local Workforce Development Boards of the upcoming due date to submit applications for Subsequent Local Workforce Development Area Designation and Local Board Composition Rosters. As required under section 106 of the Workforce Innovation and Opportunity Act (WIOA), CareerSource Florida will grant subsequent designation of a local area if, for the two most recent program years, the local workforce development area performed successfully and sustained fiscal integrity. Additionally, every two years, CareerSource Florida must certify each local board as required under section 107, WIOA.

Please refer to the authority section in the table below for details on the requirements for each of these actions. Applications for Subsequent Local Workforce Development Area Designation and Local Board Composition Rosters and are due on or before close of business **April 15, 2019**. Submit the completed documents to the email addresses below. Contact Trina Travis at (850) 245-7446 with questions related to these requirements.

Action	Authority	Submit to
1. Complete the Application for Subsequent Local Workforce Development Area Designation	Sec. 106, WIOA CareerSource Florida Administrative Policy 94	WIOA@deo.myflorida.com
2. Complete the Local Board Composition Roster	Sec. 107, WIOA CareerSource Florida Administrative Policy 91	Trina.Travis@deo.myflorida.com

CareerSource FLORIDA Administrative Policy	Policy Number 94

Title:	**Local Workforce Development Area Designation**
Program:	**Workforce Innovation and Opportunity Act**
Adopted:	**March 20, 2017**
Effective:	**March 20, 2017**

I. PURPOSE AND SCOPE

The purpose of this policy is to outline the process for new and subsequent area designation for local workforce development boards (LWDBs) under the Workforce Innovation and Opportunity Act (WIOA).

II. BACKGROUND

Under the Workforce Innovation and Opportunity Act (Pub. L. 113-128), the Governor must designate local workforce development areas after consultation with the State Workforce Board (SWB), local chief elected officials (CEO) and LWDBs.

WIOA requires that the Governor approve a request for initial designation as a local workforce development area from any area that was designated as a local workforce development area for purposes of the Workforce Investment Act (WIA) of 1998 for the two-year period preceding the enactment of WIOA, provided the area performed successfully and sustained fiscal integrity.

III. AUTHORITY

Workforce Innovation and Opportunity Act (Pub. L. 113-128, Section 106, 107 and 116)

Training and Employment Guidance Letter (TEGL No. 19-14), *Vision for the Workforce System and Initial Implementation of the Workforce Innovation and Opportunity Act*, February 19, 2015

Training and Employment Guidance Letter (TEGL) No. 27-14, *Workforce Innovation and Opportunity Act Transition Authority for Immediate Implementation of Governance Provisions*, April 15, 2015

Training and Employment Guidance Letter (TEGL) No. 10-16, *Performance Accountability Guidance for Workforce Innovation and Opportunity Act (WIOA) Title I, Title II, Title III and Title IV Core Programs*, December 19, 2016

20 CFR 679.230-679.260; 20 CFR 683.630(a); 20 CFR 683.640; 20 CFR 677.205-677.210

IV. POLICIES AND PROCEDURES

The purpose of the local workforce development area is to serve as the jurisdiction for the administration of workforce development activities using Adult, Dislocated Worker and Youth funds allocated by the State and to coordinate efforts related to the other core programs at a community level. The Governor shall approve a request for designation of an area from a unit of general local government as a local workforce development area in accordance with the process and considerations outlined in WIOA Section 106b(1)(A) and (B).

Under the authority granted to states in WIOA Section 106(b)(2), each of Florida's existing local workforce investment areas that were operating in accordance with WIA were automatically granted an initial designation as a local workforce development area. This initial designation became effective July 1, 2015 and will expire on June 30, 2017.

1. New Area Designation

The Governor may approve a request at any time for designation as a local workforce development area from any unit of general local government, including a combination of such units, if the SWB recommends designation after determining that the area:

a. Is consistent with local labor market areas;
b. Has a common economic development area; and
c. Has the Federal and non-Federal resources, including appropriate education and training institutions, to administer activities under WIOA subtitle B.

If local representatives have concluded that a new local workforce development area is needed, the CEOs shall make a request to the Department of Economic Opportunity (DEO) and CareerSource Florida. The new designation request requires the following steps:

a. A completed request that addresses the required designation criteria as described in WIOA Section 106:

    i. Consistency with local labor market areas.

    ii. Has a common economic development area.

iii. Has the federal and non-federal resources, including appropriate education and training institutions, to administer activities under the Youth, Adult and Dislocated Worker formula programs.

b. The request must contain the signature of all of the CEOs of the units of local government that will make up the new local workforce development area, to demonstrate that the request is the consensus of all the units of local government involved.

c. A statement of how the proposed new area designation will impact those other workforce areas from which it is withdrawing. It should be understood by any county, city or combination of such seeking designation, that the new area will only secure the formula allocated funds for each WIOA funding stream based on the formula factors as defined by WIOA.

d. CareerSource Florida will review all public comments received and include those comments in the recommendation packet for approval or disapproval of local workforce development area designations to the Governor.

e. CareerSource Florida will submit its recommendation to the Governor within ten business days of CareerSource Florida decision.

f. The final decision rests with the Governor (or designee) and shall be made no later than six weeks prior to the beginning of the new program year (July 1st).

Additionally, the Governor may re-designate a local workforce development area if the re-designation has been requested by a local workforce development area and the Governor approves the request.

2. Subsequent Designation

Local workforce development areas that receive an initial designation shall be granted a ***subsequent designation*** if, for the two most recent program years, the local workforce development area performed successfully and sustained fiscal integrity, and in the case of a local workforce development area in a planning region, met the regional planning requirements as described in WIOA Sec. 106(c)(1). The process for a local area to submit a subsequent designation request is outlined below:

a. The CEOs must submit a request for subsequent designation (Attachment A) to CareerSource Florida and DEO every two years beginning July 1, 2017. The completed form must be submitted via email to: WIOA@deo.myflorida.com. The application to request subsequent designation is due by April 15 of the renewal year.

b. DEO and CareerSource Florida will review the request submitted to verify that the stated requirements were met. The submissions will be made available for public review at www.careersourceflorida.com/wioa for a period not to exceed ten days.

c. After the receipt and review of public comment, CareerSource Florida will review the submissions along with any public comments received, and make recommendations to the Governor regarding the local workforce development area's subsequent designation.

d. Each local workforce development area will be notified of the Governor's designation decision within ten business days of receipt by DEO and CareerSource Florida.

The Governor may review a local workforce development area at any time to evaluate whether that area continues to meet the requirements for subsequent designation. Additionally, the Governor must review a local workforce development area before submitting the State Plan during each four-year State planning cycle to evaluate whether the area continues to meet the requirements for subsequent designation.

3. Performed Successfully

For the purpose of determining subsequent local workforce development area designation, the term "**performed successfully**" means the local workforce development area met or exceeded the adjusted levels of performance for primary indicators of performance for the last two consecutive years for which data are available, and that the local area has not failed the same measure for the last two consecutive program years.

4. Sustained Fiscal Integrity

Sustained Fiscal Integrity for all program years means the Secretary of the United States Department of Labor has not made a formal determination that either the grant recipient or the administrative entity of the area misexpended funds due to willful disregard of the requirements of the provision involved, gross negligence or failure to comply with accepted standards of administration for the two-year period preceding the determination.

V. APPEAL PROCEDURES FOR DENIAL OR OTHER ADVERSE ACTION(S) PERTAINING TO LOCAL WIOA AREA DESIGNATION

If the Governor denies a local area designation or makes a decision related to designation that adversely affects an area, the unit of general local government or grant recipient may submit an appeal to CareerSource Florida. The appeal procedures are as follows:

1. State Appeal Procedures

a. The request for appeal must be sent by certified mail, return receipt to the President, CareerSource Florida, Inc. c/o the Department of Economic Opportunity, Attention: OSPS Program Management Unit, MSG-229, 107 East Madison Street, Tallahassee, FL 32399 and/or email the request for appeal to WIOA@deo.myflorida.com. The request must include the name of the contact person and the address where official notices are to be mailed. The appeal request must be legible, written/typed clearly and

concisely, and include the title "**REQUEST FOR APPEAL**" at the top of the first page in all capital letters. The written/typed appeal must specifically state why the designation as a WIOA local workforce development area should be approved. The request shall be no longer than five pages. (Exhibits and attachments are not included in the five-page limit.)

b. As specified in WIOA Regulations, 20 CFR 683.630(a)(2), CareerSource Florida must provide an opportunity for a hearing and prescribe appropriate time limits to ensure prompt resolution of the appeal. CareerSource Florida must conduct a hearing and make a determination of designation within 60 calendar days of receipt of the request. At least ten calendar days prior to the hearing, the designated local contact person shall receive by certified mail, return receipt, a written/typed notice of the hearing from CareerSource Florida.

c. The notice shall inform the local contact/board of the following:

   i. The date, time, and place of the hearing;

   ii. The reason the WIOA local workforce development area designation was denied, including the pertinent sections of the WIOA and any federal regulations involved;

   iii. That the affected parties that they may present witnesses or documentary evidence at the hearing;

   iv. That the affected parties that they may be represented at the hearing by an attorney or other representative;

   v. That the parties are entitled to a written/typed decision of findings to be issued within 30 calendar days after the date of the hearing; and

   vi. That the local area has the right to appeal to the Secretary of the United States Department of Labor (USDOL).

2. Federal Appeal Procedures

a. If the appeal does not result in a designation, the appellant may request a review by the Secretary of USDOL to determine if procedural rights were granted or if the minimum criteria of WIOA Section 106(b)(2) or Section 106(b)(3) were met. This appeal must be filed no later than 30 days after receipt of written notification of the denial from CareerSource Florida, and must be submitted by certified mail, return receipt requested to: Secretary, U.S. Department of Labor, 200 Constitution Avenue, N.W. Washington, DC 20210, Attention: ASET. A copy of the appeal must be provided to CareerSource Florida at the same time it is sent to USDOL.

b. The appellant must establish that it was not accorded procedural rights under the appeal process set forth in the State Plan or that it meets the requirements for designation as specified in WIOA.

c. The USDOL Secretary may consider any comments submitted in response by CareerSource Florida. If the USDOL Secretary determines that the appellant has met its burden of establishing that it was not accorded procedural rights under the appeal process or that it met the requirements for designation in WIOA, the Secretary may require that the area be designated a local area. The Secretary must issue a written decision to the Governor and the appellant.

VI. DEFINITIONS

Initial Designation – The period of initial designation applies to July 1, 2015 through June 30, 2017.

Subsequent Designation – The period of subsequent designation applies to program years 2017 and beyond.

New Designation – Creation of a new local area.

VII. ATTACHMENT

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Workforce Escarosa, Inc. dba CareerSource Escarosa

Report on the Financial Statements
We have audited the accompanying financial statements of the governmental activities and the General Fund of Workforce Escarosa, Inc. dba CareerSource Escarosa (CareerSource Escarosa) as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise CareerSource Escarosa's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions
In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the General Fund of CareerSource Escarosa as of June 30, 2018, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information
Accounting principles generally accepted in the United States of America require that management's discussion and analysis as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance
Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for the purposes of additional analysis as required by the Uniform Guidance, and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards
In accordance with *Government Auditing Standards*, we have also issued our report dated September 20, 2018, on our consideration of CareerSource Escarosa's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering CareerSource Escarosa's internal control over financial reporting and compliance.

I. INTRODUCTION AND MONITORING APPROACH

As set forth in the following authoritative publications, annually the Department of Economic Opportunity (DEO) is required to perform monitoring of its subrecipients:

- Workforce Innovation and Opportunity Act (WIOA), Section 184
- 31 USC 7502(f)(2)(B), Single Audit Act Amendments of 1996, (Pub. L.104-156)
- 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
- 20 CFR 667, Administrative Provisions Under Title I of the Workforce Investment Act
- Federal granting agency regulations, including:
  - 29 CFR 95.21 and 97.20, Standards for financial management systems
  - 29 CFR 95.51 and 97.40, Monitoring and reporting program performance

The DEO, Bureau of Financial Monitoring and Accountability (FMA) uses its financial monitoring tool (tool) as a guide to conduct the monitoring. The tool was developed to provide the framework for monitoring activities performed by FMA as well as the criteria used to monitor. This tool was provided to the Local Workforce Development Board (LWDB).

The sample size and selections for each tool objective was based on, but not limited to, a risk assessment performed by FMA and reviews of the monthly general ledger and cost allocation statistics. The risk assessment includes factors such as the funding allocation to each LWDB; results of prior monitoring and audit reports; personnel and staffing changes; and organizational structure. Sample selections assist the monitors in the following:

- Gaining an understanding of the financial management systems processes and assess whether the policies and procedures provide for accurate, current and complete disclosure of the financial results of each grant program.
- Gaining an understanding of the internal control processes and assessing whether the internal controls reasonably assure compliance with federal laws, regulations, and program compliance requirements.
- Determining if appropriate and sufficient cash management and revenue recognition procedures are in place, being followed, and comply with federal and state requirements.
- Determining if the required reconciliations between the financial records and OSMIS/SERA have been appropriately performed on a timely basis and adequately documented.

- Determining if prepaid program items are adequately or accurately safeguarded, managed, tracked and reported.
- Determining if the cost allocations are accurate, supported and consistent with the cost allocation plan.
- Determining if payroll records are properly maintained for employees; if personnel activity reports (PAR) comply with applicable cost principles; and verify salary and benefit costs are charged/allocated to funding sources in accordance with the PAR and the cost allocation plan.
- Determining if salary and bonuses paid to employees and charged to ETA grant programs do not exceed the ETA Salary and Bonus Cap for the calendar year.
- Determining if purchasing/procurement transactions comply with the appropriate federal or state procurement laws, and the organization's procurement policies.
- Determining if the LWDB's contracting process and contract monitoring comply with federal and state requirements, and the organization's contracting policies.
- Determining if the LWDB's subawarding and subrecipient monitoring activities comply with federal requirements, and the organization's policies and procedures.
- Determining if property management activities comply with federal requirements and the organization's policies and procedures.
- Determining if non-payroll related disbursements are reasonable, necessary, allocable and properly recorded in the financial records.

This report was prepared at the conclusion of the Department of Economic Opportunity's (DEO) financial monitoring activities performed for LWDB-01, and included the annual on-site visit, which began on February 13, 2018.

The FMA monitoring team assigned to the LWDB consisted of Tom Abney, Maureen Castaño and Janice Hutchison.

II. ENTRANCE AND EXIT CONFERENCE

Entrance Conference

An entrance conference was conducted on-site February 13, 2018, with Naeemah Frazier, Chief Financial Officer; and Shelia Dunford, Accounting Specialist. The Executive Director was attending a state-wide DEO function at the time of the on-site and was unable to join. The purpose of the entrance conference was to discuss the annual monitoring efforts and various monitoring topics.

Exit Conference

An exit conference was conducted at the conclusion of the on-site portion of monitoring with Naeemah Frazier, Chief Financial Officer. We discussed the issues and recommendations noted during the on-site visit. A summary of issues was also provided to the Executive Director via email at the conclusion of testing.

III. MONITORING RESULTS

FMA performed financial monitoring procedures based on the DEO 2017-18 Financial Monitoring Tool. The monitoring procedures performed included tests of transaction details, file inspections, and inquiries (1) to determine the status of recommendations from the prior year monitoring visit(s) and (2) to adequately support current year findings, other non-compliance issues and observations. Detailed information for these items is disclosed in the following section of this report.

Summarized below are the results of testing by category as detailed in the DEO 2017-18 Financial Monitoring Tool:

2017-18 Monitoring Results				
Category	**Findings**	**Issues of Non-Compliance**	**Observations**	**Technical Assistance Provided**
1.0 – Prior Year Corrective Action Follow-Up	-	-	-	-
2.0 – Financial Management Systems	-	-	1	-
3.0 – Internal Control Environment	-	-	-	-
4.0 – Cash Management and Revenue Recognition	-	-	-	-
5.0 – OSMIS/SERA Reporting and Reconciliation	-	-	-	-
6.0 – Prepaid Program Items	-	-	-	-
7.0 – General Ledger and Cost Allocations	-	-	-	-
8.0 – Payroll and Personnel Activity Report (PAR) Testing	-	-	-	-
9.0 – ETA Salary and Bonus Cap	-	-	-	-
10.0 – Purchasing	-	-	-	-
11.0 – Contracting and Contract Monitoring	-	-	-	1
12.0 – Subawarding and Subrecipient Monitoring	-	-	1	-
13.0 – Property Management				-
14.0 – Disbursement Testing	-	-	-	-
TOTAL	-	-	2	1

IV. FINDINGS

There were no findings during the monitoring period of July 1, 2017- March 31, 2018.

V. ISSUES OF NON-COMPLIANCE

There were no issues of non-compliance during the monitoring period of July 1, 2017- March 31, 2018.

VI. OBSERVATIONS

Observations #01-18-01

Category: 2.0: Financial Management Systems

Condition: The current LWDB administrative plan (plan) and policies in several places reference incorrect, outdated and superseded guidance. The plan references 2 CFR 230 and OMB A-122 which were superseded by 2 CFR Part 200. Also, the plan, section IV, *Procurement*, cites incorrect guidance.

Criteria: On December 15, 2014, the Department of Labor (DOL) issued its Final Rule entitled *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (2 CFR 2900) adopting the OMB Rule (2 CFR 200) with DOL Exceptions and issued Training and Employment Guidance Letter (TEGL) No. 15-14 to provide guidance to Employment and Training Administration (ETA) grantees.

Recommendation: We recommend the LWDB update its current administrative plan and policies to accurately reference the guidance of 2 CFR Part 200, where appropriate. Updating the current plan and policies will help ensure compliance with guidance governing its federal awards. Upon completion of updating the plan and policies, upload to the information to the LWDB-01 2018-19 folder in SharePoint.

LWDB Response: "We are currently reviewing and updating the Administrative Plan and policies to accurately reference the guidance of 2 CFR Part 200 to ensure compliance with guidance governing the federal awards. We will upload to SharePoint as soon as we have completed the task."

Observations #01-18-02

Category: 12.0 Subawarding and Subrecipient Monitoring

Condition: The subaward agreements with Escambia County School District (ECSD) and Children's Home Society of Florida (CHS), for youth services, did not identify required agreement information or address applicable compliance provisions:

- Subrecipient's unique entity identifier;
- Federal Award Identification Number (FAIN);

- Compliance with the provisions of the Hatch Act;
- Codes of Conduct;
- Procurement of Recovered Materials (applicable to awards w/ units of gov't, (ECSD));
- Trafficking Victims Protection Act of 2000 (applicable to CHS);
- Evaluation of the subrecipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward; and
- We could not determine if certain salaries for CHS were tested for compliance with the Employment and Training Administration (ETA) caps for 2017.

Applicable criteria for conditions above:

Criteria: 2 CFR 200.331 Requirements for pass-through entities. All pass-through entities must include: (ii) Subrecipient's unique entity identifier; and (iii) Federal Award Identification Number (FAIN).

Criteria: Title 5 U.S.C, 1501-1508; and Title 5 U.S.C, 7324, (Hatch Act) generally limits the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

Criteria: 29 CFR 95.42, states "The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved…"

Criteria: 2 CFR Appendix II to Part 200 (J); 2 CFR 200.322, states "A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act."

Criteria: 2 CFR 175, Award Term for Trafficking in Persons, references (a) To implement the trafficking in persons requirement in section 106(g) of the TVPA, as amended, a Federal awarding agency must include the award term in paragraph (b) of this section in--" (1) A grant or cooperative agreement to a private entity, as defined in §175.25(d).

Criteria: 2 CFR 200.331, Requirements for pass-through entities, states "All pass-through entities must: (b) Evaluate each subrecipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward for purposes of determining the appropriate subrecipient monitoring described in paragraphs (d) and (e) of this section, which may include consideration of such factors as: (1) The subrecipient's prior experience with the same or similar subawards; (2) The results of previous audits including whether or not the subrecipient receives a Single Audit...; (3) Whether the subrecipient has new personnel or new or substantially changed systems; and (4) The extent and results of Federal awarding agency monitoring (e.g., if the subrecipient also receives Federal awards directly from a Federal awarding agency)."

Criteria: Section 7013 of Public Law 109-234 limits salary and bonus compensation for individuals who are paid by funds appropriated under Employment and Training Administration (ETA). None of the funds available for expenditure on or after the date of enactment of the section (June 15, 2006) shall be used by a recipient or subrecipient of such funds to pay the salary and bonuses of an individual, either as direct costs or indirect costs, at a rate in excess of Executive Level II.

Recommendations:

DEO recommends the LWDB complete tasks that include, but are not limited to, the following:

Agreement Information- Ensure all subaward agreements for 2018 and beyond include the federally required unique entity identifier available. This is also referred to as the DUNS number which should be obtained from the subrecipient; also include the Federal Award Identification Number (FAIN) which is provided by DEO with its awards to the LWDB.

Contract clauses and assurances- Amending any new agreements, including renewals, for 2018 and beyond to include all applicable contract provisions and assurances. The agreement clauses and assurances can be incorporated into the agreement by reference rather than including the entire text in the contracts. To assist the LWDB's, the monitoring tool is posted to SharePoint which identifies all the applicable contract clauses and assurances.

Risk Assessment- For all subaward agreements entered into for 2018, perform a risk assessment of the subrecipient, using the criteria provided in 2 CFR 200.331(b) and document the assessment of risk.

ETA Testing- Annually, ensure subaward monitoring activities include testing each subrecipients compliance with Section 7013 of Public Law 109-234, which limits the salary and bonus compensation for individuals who are paid by funds appropriated under Employment and Training Administration (ETA). Additionally, DEO provides guidance each year and testing worksheets for use to ensure subrecipients comply with Public Law 109-234.

For fiscal year 2017, the LWDB should test the salaries of CHS staff to determine if any salaries exceeded the 2017 ETA Salary and Bonus caps of $187,000.

LWDB Response: "A Modification to our current subrecipient agreements were executed in June 2018. This Modification includes the following:

- The FAIN number
- Identification of whether the award is R & D
- Salary ETA cap
- Procurement of Recovered Materials
- Trafficking Victims Protection Act of 2000
- The Hatch Act
- Public Announcements and Advertising
- Codes of Conduct

We have also put in place monthly monitoring and testing processes to ensure compliance by our subrecipients."

VII. TECHNICAL ASSISTANCE

Technical Assistance #01-18-01

Category: 11.0 Contracting

Condition: The contract with Warren Averett, LLC for annual audit services (FYE 2017-21) did not address termination for cause and for convenience by the LWDB.

Criteria: 2 CFR Appendix II to Part 200 (B), "All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement."

Technical Assistance/Recommendation: Since the contract with Warren Averett, LLC is going into year 2 of potentially a 5-year term, the LWDB should execute an addendum to the current agreement to include language addressing termination for cause and for convenience by the LWDB.

Additionally, the LWDB should review all current and future contracts exceeding $10,000 to ensure there is language addressing termination for cause and for convenience by the LWDB. To assist the LWDB, the monitoring tool is posted to SharePoint which identifies all the applicable contract clauses and assurances.

LWDB Response: "Our current contract with Warren Averett, LLC, which was executed on April 25, 2018, addresses the termination for cause and convenience. We are also ensuring that all contracts in excess of $10,000 will address the termination for cause and convenience going forward."

Observation # 1

Category: Contracting

Condition: The LWDB has a board who is the President of Fortis Institute, an ITA training provider for the LWDB. Between July 1, 2016 and April 30, 2017, there were $127,841 of tuition cost paid to the Fortis Institute.

Criteria: Section 445.007, F.S and the WFI contracting policy, (presently CareerSource Florida) states, if the local workforce development board enters into a contract with an organization or individual represented on the board of directors, the contract must be approved by a two-thirds vote of the board.

Recommendation(s): Since this a contract between the LWDB and an organization with a board member representation, the LWDB should ensure it complies with Section 445.007, F.S the WFI Contracting policy.

When this issue was noted during the monitoring process, the WFI contracting policy and additional assistance was provided to the LWDB.

Observation # 2

Category: Subawarding

Condition: The following contract provisions and required information were not included in the agreement with Children's Home Society of Florida, a private entity.

- 2 CFR Part 175 Trafficking Victims Protection Act of 2000
- Veteran's Priority of Service Provision
- Public Announcements and Advertising

Also, the Federal Award Identification Number (FAIN) was not included in the agreement.

Criteria:

2 CFR 175 establishes a Government-wide award term for grants and cooperative agreements to implement the requirement in paragraph (g) of section 106 of the Trafficking Victims Protection Act of 2000 (TVPA), as amended (22 U.S.C. 7104(g)). Further, each agency award (i.e., grant or cooperative agreement) under which funding is provided to a private entity, section 106(g) of the TVPA, as amended, requires the agency to include a condition that authorizes the agency to terminate the award, without penalty, if the entity is involved in certain activities which are listed in the CFR.

20 CFR 1010 stipulates, agreements to implement priority of service is a condition for receipt of all Department job training program funds; additionally, all recipients are required to ensure that priority of service is applied by all sub- recipients of Department funds.

Public Law 103-333 §508 states all grantees receiving federal funds shall clearly state (1) the percentage of the total costs of the program or project which will be financed with Federal money, (2) the dollar amount of Federal funds for the project or program, and (3) percentage and dollar amount of the total costs of the project or program that will be financed by nongovernmental sources.

200.331(a)(1)(iii) Required subrecipient information includes the Federal Award Identification Number (FAIN).

Recommendation(s): The requirements from the circulars and required contract provisions and references were provided to the LWDB, May 23, 2017, to be used in its future agreements. We recommend CareerSource Escarosa ensure future sub-awards include required contract provisions, assurances and other required information.

V. TECHNICAL ASSISTANCE

There was no technical assistance during the monitoring period, however, DEO is prepared to offer technical assistance upon request.

Application for Initial Local Workforce Area Designation
and Continued Charter of the existing Regional Workforce Board
July 1, 2015 – June 30, 2017

Under the Workforce Innovation and Opportunity Act (WIOA) (Pub. L. 113-128), the Governor must designate the local workforce development areas after consultation with the state workforce board, the local chief elected official, and local workforce development boards. The WIOA provides for the initial designation of local workforce development areas that were designated pursuant to the Workforce Investment Act of 1998.

The WIOA also provides states with the authority to use an existing regional workforce development board that is established to serve the local workforce development area and was in existence on the day before the enactment of the WIOA pursuant to state law, and includes representatives of business, labor organizations or other representatives of employees in a local area in which no employees are represented by such labor organizations. Please list the membership of the existing regional workforce board on the form on the following page.

This application will serve as your request for Local Workforce Development Area initial designation and a continuation of the existing charter of the Regional Workforce Board indicated below for the period July 1, 2015 through June 30, 2017.

Local Area Information	
Name of Local Area	**CareerSource Escarosa**
Region Number	**1**
Date of Submission	**June 25, 2015**
Contact Person	Name: **Susan Nelms, Executive Director** Phone: **(850) 473-0939 ext. 288**

By signing below, the local Chief Elected Official and the local workforce board Executive Director request the initial designation of the workforce area indicated above.

Subject: Re: Resume

Willie Kirkland Jr. born on 7/13/79 the owner and operator of W C Kirkland Trucking Inc is a dedicated advocate of children and those working to improve their lives. Kirkland Jr has been in the trucking industry for over 20 years. Kirkland has spent the last 15 years providing 2nd chance employment for individuals ranging from all walks of life. Kirkland Jr believes in running a drug-free operation and helping people get back on their feet through employment and encouragement. Kirkland Jr operates a fleet of state of the art dump trucks that allows, for his customers to recognize quality service when he approaches a job site. As a student of Booker T Washington High School and Pensacola Christian K-8, Kirkland Jr understands what his former mentors meant when they asked him to give back to the community. Mr. Kirkland Jr. is a former 2016 Candidate for Escambia County School District 1 and is currently a Minister at PCS Outreach Ministries. Kirkland Jr is the 2017,2018 & 2019 Chairman of the Pine Forest Student Advisory Council, and the 2016 Vice Chairman of the Pine Forest SAC, Willie Kirkland Jr also sat on the 2017&2018 Pine Forest High School Hall of Fame Committee. Mr. Kirkland Jr 's organization recently partnered with similar organizations in 2017 and 2018 to raise awareness to youth poverty by hosting not only a toy drive during the holiday season for over 250 kids but also was one of the four supporters for a food drive that fed over 300 families in Pensacola in 2017 and 2018. Kirkland Jr. teamed up with Chef Carmen Atlanta in 2017 to feed over 2,500 people from Pensacola's Water Front Mission, Pensacola's Salvation Army, and Atlanta's Women and Children Shelter. His current work as Board Member to the Jim C. Downey Community Center has provided a clear path towards making young peoples life's stable in Escambia County. Kirkland Jr. is also a current President for Northwest Florida Guardian Ad Litem Foundation, Inc. Kirkland Jr is active in his Christian Faith to help others in need. In 2018 Mr. Kirkland became a teacher and mentor for The Suit Up For The Kingdom of God Boys Club and also a lifetime supporter of Wait Till Marriage Girls Club. He is also a 2018 Candidate for Real Men Wear Pink Campaign raising money for breast cancer for the American Cancer Society. Willie Kirkland Jr. also received his 2018 certification to volunteer for Guardian Ad Litem is a voice for children in the courtroom. Kirkland Jr. also was appointed to the Escambia County School Half-Cent Sales Tax Watch Dog Committee by the Escambia County School Superintendent Malcom Thomas In 2018. Mr. Kirkland Jr. received outstanding partner in Education of the year from Pine Forest High School in 2017, Kirkland Jr. also received a Certificate of Appreciation from PJA Ministries for playing a valuable role in

building the foundation of our children's future in Pensacola, also receiving The Magic 106 Hero of the Week Award in 2017, the PCS Outreach Ministries Leadership Award In 2018, Kirkland Jr. was 2018 runner up for Inweekly's Best of the Coast Best Community Leader, and also as a 2018 MLK Living The Dream Honoree. Willie Kirkland Jr embodies civic dedication.

Willie Kirkland Jr.

Ms. Goldsmith Cover Letter

Ms. Goldsmith Resume

Dear Sir or Madam,

I have earned my Bachelors of Science in Interdisciplinary Studies with a minor Health Services Administration and area in Public Affairs and Communications with over five years of experience in the hospital, and Health Care Industry and providing administrative support and patient care. I am confident in my qualifications which will allow me to effectively represent the quality and strategic goals of your health care organization.

Throughout the course of my professional career, my experience is focused on the administrative, health care policy and knowledge; the quality of care in decision making with the mission of improving patient care, which are both valuable and gratifying. My key qualifications related to Health Care Administration and Management professional include:

- I currently have Non- Competitive Eligibility (NCE) status for Federal hire, valid through February 2020.
- I have proven myself to be an advocate of patient's dignity, liberty and privacy required by HIPPA guideline.
- I have leadership, administrative, professional management, and patient service expertise to achieve organizational goals.
- I am able to function effectively to evaluate, and analytically solve problems with frequent interruptions and can handle multiple priorities.
- I possess skills in medical terminology, records management, electronic medical records, maintain logs, and ICD 9/10/CPT codes.
- I have provided assistance to coordinate organization wide quality improvement activities to comply with Joint Commission on accreditation.
- I have researched disability rights, laws/policies, and funding opportunities.
- I have hosted and lead a course that dealt with the safety and types of Epilepsy.
- I have created a prayer for Non-Profit Faith Based Organizations.
- I have contributed personal hygiene items to organizations. (Baskets of Love)
- I have collected and distributed disaster buckets.
- I have created multiple learning activities such as (What's in The Box, and Read my Lips,)
- I have knowledge of accommodations for Healthcare in the Workplace
- Give Back project (United Way)

I look forward to meeting with you in person to potentially discuss my qualifications further.

Sincerely,

Alexandra Lynn Goldsmith

Alexandra Goldsmith

Dear Ms. Vinson:

On behalf of the City Council, it is a pleasure to advise you of your appointment to the West Florida Public Library Board of Governance. You have been appointed for a two year term beginning March 1, 2019 and expires February 28, 2021.

Should you have any questions or desire to discuss this appointment, please do not hesitate to contact Todd Humble, Library Director at 850-436-5042.

Also please be advised, as a member of the Board you are subject to Florida's Public Records Law and Sunshine Law, as well as the City of Pensacola Code of Ethics. Therefore, please review the following enclosures: *A Pocket Guide to Florida's Government-in-the-Sunshine Laws: Open Meetings and Public Records; and City of Pensacola Ordinance No. 07-11 Code of Ethics for City Officials and Employees.* If you have any questions please call the City Attorney's Office at 435-1615.

Thank you for your willingness to serve the citizens of our community in this capacity. We look forward to working with you.

Congratulations on your appointment.

Sincerely,

R. Andy Terhaar
President of City Council

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15691 **County Administrator's Report 14. 16.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 03/07/2019
Issue: Disposition of County Asset
From: Will Moore, Chief Deputy Court Administrator
Organization: Court Administration
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Request for Disposition of Property for the Court Administration Office - Will Moore, Chief Deputy Court Administrator

That the Board approve the Request for Disposition of Property Form for the Court Administration Office, for property that has far exceeded the manufacturer's warranty and is past its end-of-life. Some equipment is not operational and is now no longer of use to the department. These items are listed on the provided spreadsheet with reasons stated.

BACKGROUND:

IT equipment purchased from Article 5 Funding by the Office of the Court Administrator.

BUDGETARY IMPACT:

N/A

LEGAL CONSIDERATIONS/SIGN-OFF:

Approved by Craig Van Brussel, Court Technology Officer for the Office of the Court Administrator.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

In compliance with FS 274.07 and BCC Policy B-1, 2, Section ll, Procedures for Disposition of County Property.

IMPLEMENTATION/COORDINATION:

Items have no residual value other than scrap. Recommend Escambia County pick uo items for disposal/destruction. Please contact Patt Ormerod at 595-4406 to schedule pickup.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15662 **County Administrator's Report 14. 17.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 03/07/2019
Issue: Request for Reinstatement of Property
From: Wes Moreno, Director, Public Works
Organization: Public Works
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Request for Reinstatement of Property to the Public Works Department - Wes Moreno, Public Works Department Director

That the Board approve the Request for Re-Instatement of Property Form for the Public Works Department, for property described and listed on the Form, with reason for reinstatement noted. The item has been found to still be useful to the County. The Request Form has been signed by all applicable authorities to be reinstated to the Fleet Maintenance Division.

BACKGROUND:

Escambia County policy established the procedures for reinstating surplus or obsolete equipment. The surplus property listed on the attached Reinstatement Form has been checked and declared to be suitable for further use to the County and therefore we are requesting reinstatement.

BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 03/07/2019
Issue: Appointment of Lawrence S. Powell to the Pensacola Bay Bridge Naming Committee
From: Robert Bender, District 4 Commissioner
Organization: Board of County Commissioners
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Lawrence S. Powell's Appointment to the Pensacola Bay Bridge Naming Committee - Robert Bender, County Commissioner, District 4

That the Board confirm the appointment of Lawrence S. Powell as Commissioner Robert Bender's appointee on the Pensacola Bay Bridge Naming Committee, effective March 7, 2019, and continuing until the Board sunsets the Committee or through Commissioner Bender's term of office (2022).

BACKGROUND:

On February 21, 2019, the Board of County Commissioners adopted Resolution R2019-25 establishing the Pensacola Bay Bridge Naming Committee for the new $400 million dollar bridge over Pensacola Bay. As discussed in that meeting, each Commissioner was to bring back their appointee for Board approval at the next regular Board meeting.

LAWRENCE S. POWELL
5910 Otter Point Rd.,| Pensacola, FL 32504
Phone: 850.454.7143 Email: Lawrence.S.Powell@gmail.com

OBJECTIVE

Seeking a position that will benefit from my 20 years of active duty Army military experience and leadership that have equipped me with personnel, budget, and oversight of critical assignments and contracts in domestic and foreign locations. This is in addition to my positive interaction skills, community contacts and leadership, in addition to project management proficiencies in college and community environments, as well as, my experience in career coaching, community outreach, classroom teaching, and development of grassroots partnerships.

EDUCATION

1991 Troy State University
Master of Science degree, Education Leadership

1982 University of West Florida
Bachelor of Science degree, Social Work

1979 Pensacola Junior College
Associate of Arts, Liberal Arts

EMPLOYMENT HISTORY

Iron Sharpens Iron Academy, Pensacola, FL **May 2016 - Present**
Co-Founder, Administrator

- Maintain all student records, correspond with parents and faculty, and organize school events.
- Manage all student accounts and monetary transactions.
- Enforce school policies and facilitate student development programs through Title I.
- Oversee business marketing, advertisements, and scholarships.
- Acts as the liaison between the school Director, faculty, staff, and parents.
- Coordinator of family events, open houses, and holiday events.
- Train employees on best practices in early childhood education and school age curriculum during Teacher In-service days.
- Responsible for compliance with the rules and regulations of the Florida Department of Education.
- Coordination of Title IA, II, & III student entitlements.
- Responsible for all personnel interviews, hiring, promotions, and performance improvement plans.

Future Leaders of Warrington, Pensacola, FL **March 2016 – Present**
President

- Coordinator of programs that provide activities that provide opportunities for the youth of Warrington to become future leaders in the county through:
    - Programs that promote leadership activities through field trips, speakers, and networking with local business leaders.
    - Education in politics, voting, and requirements for college enrollment.
    - Enrichment activities in the arts and sciences.
    - Community service to teach the youth how to give back to the community.
    - Activities that support soft skills development and positive decision making.

LAWRENCE S. POWELL
5910 Otter Point Rd.,| Pensacola, FL 32504
Phone: 850.454.7143 Email: Lawrence.S.Powell@gmail.com

Lexington Terrace Community Center, Warrington, FL **Jan. 2007 - Present**
Manager

- Provide access to the space for community activities that enrich the lives of children, families, and senior citizens.
- Coordinate bi-monthly feeding for the community.
- Manage reservations and monetary exchanges for renters of the building for various events, county meetings, and conferences.
- Responsible for coordinating with the Facilities Directory, County Administrator, and Parks and Recreation to make sure the citizens of Warrington have a safe place to enjoy the park and the facilities located on the property.
- Develop and facilitate community enrichment and youth development programs.

Virginia College, Pensacola, FL **Oct. 2007-2013**
Student Services Director

Developed, monitored and maintained effective enrollment management and student life processes and procedures. Developed and facilitated student activities and events to enhance the student's on-campus experience and ensured that overall student satisfaction levels were 85% or greater as measured by student surveys. Enhanced students' education experience by enthusiastically and proficiently teaching the following courses: Patterns for Successful Thinking, Resume Preparation and Job Interview Skills, Introduction to Psychology, Professionalism is For Everyone, and Introduction to Professionalism.

- Coordinated bi-annual administration of campus surveys.
- Ensured that campus goals were met to include retention through the advising process.
- Directed the campus-reentry program to meet enrollment and retention goals through the management of the retention report.
- Tracked campus population completion rates, graduation rates, and net interrupt percentages for monthly and quarterly goas of 5% or less per program.
- Interacted and communicated with each student as an advocate, counselor, instructor, and mentor. Conducted mock interviews, student surveys, and community outreach programs to cultivate and enhance rapport between students, faculty, and community.
- Coordinated with the Pensacola United Way to support annual activities and solicit volunteers for student based organizations (e.g., Students for Students, Student Ambassadors, and Veterans Supporting Veterans).
- Organized and facilitated graduation and academic recognition ceremonies.
- Developed relationships with Pensacola businesses through participation in Gallery Night, Halloween Downtown for kids, and attendance at community meetings.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-15744 **County Administrator's Report 14. 1.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 03/07/2019
Issue: Not exceeding $8,000,000 Escambia County, Florida Environmental Improvement Revenue Refunding Bonds (International Paper Company Project), Series 2019
From: JoLinda Herring, Shareholder
Organization: Bryant Miller Olive P.A.
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Adoption of a Resolution Approving the Issuance of not Exceeding $8,000,000 Escambia County, Florida Environmental Improvement Revenue Refunding Bonds (International Paper Company Project), Series 2019 - JoLinda Herring, Bryant Miller Olive P.A.

That the Board adopt and authorize the Chairman to execute the Resolution authorizing the issuance and sale of not to exceed $8,000,000 Escambia County, Florida Environmental Improvement Revenue Refunding Bonds (International Paper Company Project), Series 2019 (herein, the "Bonds"), on behalf of International Paper Company (the "Company") for the purpose of refunding certain outstanding bonds currently outstanding and issued by the County on behalf of the Company. The Bonds will not obligate the credit of the County or pose any obligation or liability for the County.

BACKGROUND:

The proposed Bonds are to be issued to refinance the costs of the acquisition, construction, installation and equipping of certain sewage and solid waste disposal facilities including, but not limited to, modifications to the wastewater treatment systems, landfill modifications and modifications and improvements to the bark boiler system used for the incineration of bark and waste wood at the Company's Pensacola Mill (the "Mill") by refunding the County's Environmental Improvement Revenue Bonds, 2009 Series A (International Paper Company Project), currently outstanding in the aggregate principal amount of $8,000,000. The Mill is owned and operated by the Company and is located at 375 Muscogee Road in Cantonment, Florida. The principal of and interest on the Bonds are payable

solely out of the revenues derived from the financing agreement which will be entered into by the County, the Company and PNC Bank, National Association, as the lender. The Bonds do not constitute the debt or indebtedness of the County within the meaning of any provision or limitation of the statutes or Constitution of the State of Florida, and shall not constitute or give rise to a pecuniary liability of the County, or a charge against its general credit or taxing powers. The Bonds will be industrial development revenue bonds within the meaning of Chapter 159 Part II, Florida Statutes

BUDGETARY IMPACT:

The County will not be required to make any payments or incur any costs for the Bonds. The County shall be reimbursed by the Borrower for out of pocket expenses as outlined in Chapter 46, Article VII, of the County's Code of Ordinances (the "Conduit Bonds Ordinance").

LEGAL CONSIDERATIONS/SIGN-OFF:

JoLinda Herring, Bryant Miller Olive P.A., the County's Bond Counsel, will review the documents on behalf of the County to insure that the County has no liability or obligation under the Bonds. Further, the County's Financial Advisor, Public Resources Advisory Group, will also review the financing on behalf of the County.

PERSONNEL:

None.

POLICY/REQUIREMENT FOR BOARD ACTION:

The Bonds will comply with the Board's requirements for the issuance of conduit bonds, as established in the Conduit Bonds Ordinance.

IMPLEMENTATION/COORDINATION:

Execution by the authorized officers of the Board of the final financing and closing documents will be required at or prior to the Closing.

Attachments

Resolution

RESOLUTION NO. R2019-___

RESOLUTION AUTHORIZING THE ISSUANCE, SALE AND DELIVERY BY ESCAMBIA COUNTY, FLORIDA, FROM TIME TO TIME OR AT ONE TIME IN ONE OR MORE SERIES OR ISSUES, OF ITS REVENUE REFUNDING BONDS IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED $8,000,000 (THE "BONDS"); AND THE EXECUTION AND DELIVERY OF A FINANCING AGREEMENT AND OTHER RELATED DOCUMENTS

WHEREAS, Escambia County, Florida (the "County"), is authorized and empowered by the provisions of the Florida Industrial Development Financing Act, being Part II of Chapter 159, Florida Statutes, as amended (the "Act"), to issue revenue refunding bonds for the purpose of refunding bonds previously issued under the Act; and

WHEREAS, the County has previously issued its Environmental Improvement Revenue Bonds, 2009 Series A (International Paper Company Project), currently outstanding in the aggregate principal amount of $8,000,000 (the "Prior Bonds") for the purpose of financing the costs of the acquisition, improvement, construction, installation and equipping of certain solid waste disposal, wastewater treatment and sewage facilities (collectively, the "Project") at the Pensacola Mill (the "Mill") located in the County, and owned by International Paper Company, a New York corporation (the "Company"), as such Project is more fully described in the documents delivered in connection with the Prior Bonds; and

WHEREAS, the Company requests that the County approve the issuance, from time to time or at one time in one or more issues or series, of its refunding revenue bonds in an aggregate principal amount not to exceed $8,000,000 (the "Bonds") to refinance the Project by refunding the Prior Bonds; and

WHEREAS, there has been submitted to this meeting a substantially final form of a Financing Agreement (the "Agreement"), among the County, the Company and the lender (the "Lender") to be identified therein, including the form of the Bonds.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA AS FOLLOWS:

IT IS HEREBY ASCERTAINED, DETERMINED AND DECLARED BY THE COUNTY, AS FOLLOWS:

SECTION I

(a) Giving due regard to the nature of the industry in which the Company is involved, its inherent stability, and all other factors determinative of the Company's capabilities, financial and otherwise, of fulfilling its obligations consistent with the purpose of the Act, the Company is capable and willing to fulfill its obligations under the Agreement, including the obligation to make payments thereunder in the amounts and at the times required and the obligation to repair and maintain the projects heretofore financed for the Company by the County and the Project,

and the Company is willing and capable of fully performing all other obligations and responsibilities imposed upon it pursuant to the provisions of the Agreement;

(b) Adequate provision is or will be made under the provisions of the Agreement for the repair and maintenance of the Project at the expense of the Company, and for the payment of amounts sufficient to pay the principal of and premium, if any, and interest on the Bonds when due;

(c) The principal of and premium, if any, and interest on the Bonds shall be payable solely from the proceeds derived by the County under the Agreement; the County shall never be required to levy ad valorem taxes on any property within its territorial limits to pay the principal of and premium, if any, and interest on the Bonds, or to pay the same from any funds of the County other than those derived by the County under the Agreement; and the Bonds shall not constitute a lien upon any property of the County; and

(d) The payments to be made by the Company under the Agreement will be sufficient to pay all principal of and interest, and premium, if any, on the Bonds, as the same shall become due, and to make all other payments required by the Agreement.

SECTION II

The sale and issuance of the Bonds in one or more series issued from time to time in the aggregate principal amount not to exceed $8,000,000, pursuant to the Act, the Agreement, this Resolution, and the plan of finance proposed by the Company and the loan of the proceeds of the sale thereof to the Company pursuant to the Agreement, is hereby authorized and approved. The Bonds will be dated, will mature not later than thirty (30) years from their date, contain redemption provisions and bear interest at a fixed or variable rate or rates not in excess of twelve percent (12%) per annum all as provided in the Agreement.

SECTION III

The form of the Agreement, in substantially the form attached hereto as Exhibit A, is hereby approved, and the Chairman or Vice-Chairman is hereby authorized and directed to execute and deliver, and the Clerk is hereby authorized and directed to seal and attest, the Agreement substantially in such form with such necessary or appropriate variations, omissions and insertions as may be approved by the Chairman or Vice-Chairman. All of the provisions of the Agreement, including all variations, omissions and insertions thereof, shall be deemed to be a part of this Resolution as and to the same extent as if incorporated herein verbatim and shall be in full force and effect from the date of delivery thereof.

SECTION IV

It is hereby found, ascertained, determined and declared by the County that a negotiated sale of the Bonds is in the best interest of the County on the basis of the following reasons as to which specific findings are hereby made:

(a) The Company desires that the Bonds be sold on a negotiated basis;

(b) Private activity revenue bonds are traditionally sold on a negotiated basis and consequently a competitive sale of the Bonds would in all probability not produce terms as favorable as a negotiated sale of the Bonds; and

(c) The Bonds are payable solely from revenues derived from the Agreement and consequently, as set forth above, the County does not have a direct interest in the terms of sale. The negotiated sale of the Bonds to the Lender is hereby authorized pursuant to Section 218.385, Florida Statutes, as amended, under the terms and conditions set forth in the Agreement.

SECTION V

The Bonds shall be issued, executed and delivered in accordance with the terms and conditions of the Agreement and this Resolution. The Chairman or Vice-Chairman is hereby authorized and directed to execute and deliver the Bonds and the Clerk is hereby authorized and directed to affix the seal of the County to the Bonds and attest the same, including the use of facsimile signatures and a facsimile seal on the Bonds.

SECTION VI

The Chairman, the Vice-Chairman, the Clerk and her Deputy Clerks, the County Attorney, the County Administrator, Bryant Miller Olive P.A., as bond counsel to the County, and such other officials of the County as may be appropriate are hereby authorized and directed to execute, deliver and file for and on behalf of the County any and all certificates, agreements, documents or other papers, including without limitation, tax certifications and Internal Revenue Service Form 8038, and to perform any and all acts as they may deem necessary or appropriate in order to carry out the intent of this Resolution and the matters herein authorized. The execution by the Chairman, the Vice-Chairman, the Clerk or her Deputy Clerks, the County Attorney, the County Administrator or such other officials of the County of the Agreement, the Bonds and any and all certificates, agreements, documents or other papers authorized hereunder (collectively, the "Bond Documents") shall be conclusive evidence of approval of the final terms, provisions, form, content and substance of the Bond Documents, which shall thereupon become binding upon the County.

SECTION VII

Nothing herein shall be deemed to obligate the County to make any payments or undertake any responsibilities for the costs and expenses and other financial liabilities that may be incurred in connection herewith; provided that the County's Conduit Bond fee shall be applied toward payment of the fee of the County's Bond Counsel.

SECTION VIII

This Resolution shall be in full force and effect immediately upon its passage.

Passed and approved this __ day of March, 2019.

EXHIBIT A	FORM OF BONDS

This **FINANCING AGREEMENT**, dated as of April 1, 2019 (this "Agreement"), is entered into by and among **ESCAMBIA COUNTY, FLORIDA,** a political subdivision of the State of Florida (the "Issuer"), **INTERNATIONAL PAPER COMPANY**, a New York corporation (the "Borrower"), and **PNC BANK, NATIONAL ASSOCIATION** (the "Lender").

W I T N E S S E T H:

WHEREAS, the Issuer is a political subdivision of the State of Florida (the "State") and is authorized and empowered by the Constitution and the laws of the State, including specifically, without limitation, the provisions of the Florida Industrial Development Financing Act, being Part II of Chapter 159, Florida Statutes, as amended (the "Act"), to issue its refunding revenue bonds for the purpose of refunding bonds previously issued under the Act;

WHEREAS, pursuant to the Act, the Issuer issued its Environmental Improvement Revenue Bonds, 2009 Series A (International Paper Company Project), in the aggregate principal amount of $8,000,000 (the "Prior Bonds");

WHEREAS, the proceeds of the Prior Bonds were used by the Borrower for the purpose of financing the costs of the acquisition, construction, installation and equipping of certain solid waste disposal, wastewater treatment and sewage facilities (the "Project"), at the Borrower's Pensacola Mill (the "Mill") located in Escambia County, Florida;

WHEREAS, the Prior Bonds are currently outstanding in the aggregate principal amount of $8,000,000;

WHEREAS, the Issuer intends to issue and deliver to the Lender its Environmental Improvement Revenue Refunding Bonds (International Paper Company Project), Series 2019, in the principal amount of $8,000,000 (the "Bonds"), and will loan the proceeds of the Bonds, when received from the Lender for the purchase of the Bonds, to the Borrower to be used to refinance the Project by refunding the Prior Bonds;

WHEREAS, in consideration of the Issuer's loan of the proceeds of the Bonds to the Borrower to refund the Prior Bonds, the Borrower will agree to make payments sufficient to pay the principal of, premium (if any) and interest on the Bonds as and when due;

WHEREAS, the Bonds are limited obligations of the Issuer secured by, and payable by the Issuer solely out of, the payments to be made by the Borrower under the terms and conditions of this Agreement;

WHEREAS, the Lender has agreed to purchase the Bonds from the Issuer and thereby facilitate the loan to the Borrower contemplated herein in reliance upon the Borrower's covenants, agreements and payment obligations under this Agreement; and

WHEREAS, the Issuer, the Borrower and the Lender desire to enter into this Agreement in order to set forth their respective obligations with respect to the foregoing refinancing and the terms and conditions for issuance, delivery and repayment of the Bonds.

NOW, THEREFORE, the parties hereto agree as follows:

Section 1. Definitions; Rules of Construction.

(a) In addition to other terms defined elsewhere in this Agreement, the following terms shall have the following meanings in this Agreement unless the context otherwise requires:

"**Act**" shall mean the Florida Industrial Development Financing Act, being Part II of Chapter 159, Florida Statutes, as amended.

"**Administrative Agent**" shall mean JPMorgan Chase Bank, N.A., as administrative agent under the Reference Revolver.

"**Affiliate**" shall mean, with respect to any Person, any Person that directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such first Person. A Person shall be deemed to control another Person for the purposes of this definition if such first Person possesses, directly or indirectly, the power to direct, or cause the direction of, the management and policies of the second Person, whether through the ownership of voting securities, common directors, trustees or officers, by contract or otherwise.

"**Agreement**" shall mean this Financing Agreement, including any amendments or supplements hereto.

"**Authorized Denomination**" shall mean $250,000 and multiples of $1,000 in excess thereof.

"**Bond Counsel**" shall mean McGuireWoods LLP or any other firm nationally recognized on the subject of municipal bonds acceptable to the Lender.

"**Bond Documents**" shall mean this Agreement and the Bonds.

"**Bonds**" shall mean the Issuer's Environmental Improvement Revenue Refunding Bonds (International Paper Company Project), Series 2019, substantially in the form of Exhibit A attached hereto, issued pursuant to this Agreement in the principal amount of $8,000,000, dated the date of their issuance, and purchased by the Lender, including any amendments or supplements thereto.

"**Borrower**" shall mean International Paper Company, a New York corporation.

"**Business Day**" shall mean any day other than a Saturday, a Sunday or a day on which the Lender is authorized to be closed under general law or regulation applicable in the place where the Lender performs its business with respect to this Agreement and the Bonds and, in respect of any determination relevant to the determination or payment of interest based on LIBOR, any such day that is also a day on which dealings in Dollar deposits are carried out in the London interbank market.

"**Change in Law**" shall mean (a) the adoption of any law, rule, treaty or regulation after the Closing Date, (b) any change in any law, rule, treaty or regulation or in the administration, implementation, interpretation or application thereof by any Governmental Authority after the

Closing Date or (c) compliance by the Lender (or, for purposes of Section 7(h)(ii) herein, by any lending office of the Lender or by the Lender's holding company, if any) with any request, rule, guideline, requirement or directive (whether or not having the force of law) of any Governmental Authority made or issued after the Closing Date; provided, however, that notwithstanding anything herein to the contrary, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder, issued in connection therewith or in implementation thereof, and (ii) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "Change in Law" regardless of the date enacted, adopted, issued or implemented.

"**Closing Date**" shall mean the date of initial delivery of and payment for the Bonds.

"**Code**" shall mean the Internal Revenue Code of 1986, as amended, including applicable regulations and revenue rulings thereunder.

"**Determination of Taxability**" shall mean a determination that the interest on the Bonds is includable in the gross income of the Lender for Federal income tax purposes, which determination shall be deemed to have been made on the date on which the Borrower is advised in writing that a final determination, from which no further right of appeal exists, has been made by a court of competent jurisdiction in the United States of America or by the Internal Revenue Service, in a proceeding with respect to which the Borrower has been given written notice and an opportunity to participate and defend, that the interest on the Bonds is includable in the gross income of the Lender for Federal income tax purposes; provided, however, that no Determination of Taxability shall be deemed to have occurred unless the Borrower has been afforded the opportunity, at its own expense, to contest any such conclusion or assessment, and no Determination of Taxability shall be deemed to have occurred until such contest, if made, has been finally determined. The Borrower shall be deemed to have been afforded the opportunity to contest if it shall have been permitted to commence and maintain any action in the name of the Lender to judgment and through any appeals therefrom or other proceedings related thereto.

"**Dollars**" shall mean the lawful money of the United States of America.

"**Event of Default**" shall mean any of the events set forth in Section 10.

"**Excluded Taxes**" shall mean, with respect to the Lender, (a) income or franchise taxes imposed on (or measured by) its net income by the United States of America, or by the jurisdiction under the laws of which such recipient is organized or in which its principal office is located or, in the case of the Lender, in which its applicable lending office is located, and (b) any branch profits taxes imposed by the United States of America or any similar tax imposed by any other jurisdiction in which the Borrower is located.

"**Governmental Authority**" shall mean the government of the United States of America or any other nation, or any political subdivision thereof, whether state or local, and any agency, authority, instrumentality, regulatory body, court, central bank or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or functions of or pertaining to

government and any group or body charged with setting financial accounting or regulatory capital rules or standards (including, without limitation, the Financial Accounting Standards Board, the Bank for International Settlements or the Basel Committee on Banking Supervision or any successor or similar authority to any of the foregoing).

"**Indemnified Taxes**" shall mean Taxes, other than Excluded Taxes, imposed on any payment made by or on account of the Borrower hereunder.

"**Interest Payment Date**" shall mean the first Business Day of each month, commencing May 1, 2019.

"**Issuer**" shall mean Escambia County, Florida, a political subdivision of the State, together with its successors and assigns.

"**Lender**" shall mean PNC Bank, National Association, or any successor, as holder of a majority of the Bonds.

"**Mandatory Purchase Date**" shall mean April 1, 2024 or such later date, on or prior to the maturity date specified in the Bonds, as may be approved in writing by the Lender, in its discretion, following receipt by the Lender of (a) a written request of the Borrower to extend such date, delivered by the Borrower not less than 90 days prior to April 1, 2024, and (b) not later than 20 days after such written request, an opinion of Bond Counsel to the effect that such extension will not adversely affect the tax-exempt status of the Bonds. Any written request delivered by the Borrower to the Lender pursuant to clause (a) in the preceding sentence shall be deemed not approved by the Lender if no approval is given by the Lender within 30 days of such written request of the Borrower.

"**Margin Stock**" shall mean margin stock within the meaning of Regulations U and X.

"**Material Adverse Effect**" shall mean a material adverse change in, or material adverse effect on, the business, results of operations or financial condition of the Borrower, taken as a whole.

"**Maximum Rate**" shall mean twelve percent (12%) per annum.

"**Non-Arbitrage Certificate**" shall mean the Non-Arbitrage Certificate executed and delivered by the Issuer upon the issuance of the Bonds.

"**Other Taxes**" shall mean any and all present or future stamp, registration, filing, court or documentary taxes or any other excise or property taxes, charges or similar levies arising from any payment made hereunder or from the execution, delivery or enforcement of, or otherwise with respect to, this Agreement, excluding any stamp duty, registration tax or other similar Taxes payable in respect of any assignment or transfer by the Lender of its rights and/or obligations under this Agreement.

"**Payment of the Bonds**" shall mean payment in full of the Bonds, upon maturity, acceleration or otherwise, and the making in full of all other payments due and payable pursuant to this Agreement at the time of such payment.

"**Permitted Transferee**" shall mean (a) an Affiliate of the Lender, (b) a trust or other custodial arrangement established by the Lender or an Affiliate of the Lender, (c) a commercial bank having a combined capital and surplus, determined as of the date of transfer pursuant to this Agreement, of not less than $5,000,000,000 or (d) a Qualified Institutional Buyer.

"**Person**" shall mean any natural person, corporation, business trust, joint venture, association, company, limited liability company, partnership or government, or any agency or political subdivision thereof.

"**Prior Bonds**" shall mean the Issuer's Environmental Improvement Revenue Bonds, 2009 Series A (International Paper Company Project), currently outstanding in the aggregate principal amount of $8,000,000.

"**Prior Indenture**" shall mean that certain Trust Indenture, dated as of March 1, 2009, by and between the Issuer and the Prior Trustee, relating to the Prior Bonds.

"**Prior Trustee**" shall mean The Bank of New York Mellon, as trustee under the Prior Indenture.

"**Project**" shall mean the project refinanced with the proceeds of the Bonds, as more particularly described in the Tax Certificate.

"**Qualified Institutional Buyer**" shall mean a "qualified institutional buyer" as defined in Rule 144A promulgated under the Securities Act of 1933, as amended.

"**Reference Revolver**" shall mean that certain 5-Year Credit Agreement, dated as of December 12, 2016, among the Borrower, as borrower, each of the lenders from time to time party thereto, the Administrative Agent, Citibank, N.A., as syndication agent, and JPMorgan Chase Bank, N.A. and Citigroup Global Markets Inc., as joint lead arrangers and joint bookrunners, as such agreement may be amended, modified and supplemented from time to time, or, if such agreement has been terminated, the "Replacement Revolver."

"**Regulations U and X**" shall mean, respectively, Regulations U and X of the Board of Governors of the Federal Reserve System (or any successor), as the same may be amended or supplemented from time to time.

"**Related Party**" shall mean (a) with respect to the Lender, its Affiliates, directors, officers, employees and agents, and (b) with respect to the Issuer, its officers, employees and agents, including its attorneys and financial advisors.

"**Replacement Revolver**" means, following any termination of the Reference Revolver, the revolving credit agreement entered into by the Borrower substantially concurrently with such termination of and in replacement of the Reference Revolver.

"**State**" shall mean the State of Florida.

"**Tax Certificate**" shall mean the Tax Certificate and Covenants executed and delivered by the Borrower upon the issuance of the Bonds.

"**Taxes**" shall mean any and all present or future taxes, levies, imposts, duties, deductions, charges and similar fees, assessments or withholdings imposed by any Governmental Authority.

"**Transactions**" means the issuance, sale, delivery and purchase of the Bonds by the Lender, the execution and delivery by the Borrower of this Agreement, the performance by the Borrower of its obligations (including payment obligations) hereunder and under the Bonds and the use of the proceeds of the Bonds to refund the Prior Bonds.

(b) The following rules of construction shall apply for purposes of this Agreement:

(1) The words "hereof," "herein," "hereunder," "hereto" and other words of similar import refer to this Agreement in its entirety.

(2) The terms "agree" and "agreements" contained herein are intended to include and mean "covenant" and "covenants."

(3) References to Sections and other subdivisions of this Agreement are to the designated Sections and other subdivisions of this Agreement as originally executed.

(4) The headings of this Agreement are for convenience only and shall not define or limit the provisions hereof.

(5) All references made (i) in the neuter, masculine or feminine gender shall be deemed to have been made in all such genders and (ii) in the singular or plural number shall be deemed to have been made, respectively, in the plural or singular number as well.

Section 2. <u>Representations and Findings by the Issuer</u>.

The Issuer makes the following representations as the basis for its undertakings hereunder:

(a) The Issuer is a political subdivision of the State and has the power to issue the Bonds, enter into this Agreement and the transactions contemplated herein and to carry out its obligations under this Agreement. The Project constitutes a "project" as such term is defined in the Act. By proper action, the Issuer has duly authorized the execution and delivery of this Agreement, the performance of its obligations hereunder and the issuance and delivery of the Bonds to the Lender.

(b) The Bond Documents to which the Issuer is a party have been duly executed and delivered by the Issuer and, assuming the due authorization, execution and delivery by the other parties thereto, constitute valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms, except as the same may be limited by bankruptcy, insolvency, reorganization or other laws or equitable principles relating to or affecting the enforcement of creditors' rights.

(c) To the best of its knowledge and belief, the Issuer is not (i) in default in the payment of the principal of or interest on any of its indebtedness for borrowed money and is not in default under any instrument under or subject to which any indebtedness for borrowed money has been incurred, and no event has occurred and is continuing under the provisions of any such instrument

that with the lapse of time or the giving of notice, or both, would constitute an event of default thereunder; (ii) in violation of the Act or any other existing State law, rule or regulation applicable to it; or (iii) in default under any indenture, mortgage, deed of trust, lien, lease, contract, note, order, judgment, decree or other agreement, instrument or restriction of any kind to which any of its assets are subject, and the execution and delivery by the Issuer of the Bond Documents and the performance of its obligations thereunder will not conflict with or result in the breach of or constitute a default under any of the above described documents or other restrictions.

(d) No further approval or consent on the part of any regulatory body, state or local, is required in connection with (i) the issuance and delivery of the Bonds by the Issuer, (ii) the execution or delivery of or performance by the Issuer of its obligations under the Bond Documents to which it is a party; or (iii) the assignment and pledge by the Issuer pursuant to this Agreement and the payments thereon by the Borrower, as security for payment of the principal of and interest on the Bonds. To the best of its knowledge and belief, no withholding of objection on the part of any federal regulatory body is required in connection with the issuance and delivery of the Bonds by the Issuer.

(e) No litigation, inquiry or investigation of any kind in or by any judicial or administrative court or agency is pending or, to its knowledge, threatened against the Issuer with respect to (i) the organization and existence of the Issuer; (ii) its authority to execute or deliver the Bond Documents to which it is a party; (iii) the validity or enforceability of any of such Bond Documents or the performance of its obligations thereunder; (iv) the title of any officer of the Issuer who executed such Bond Documents; or (v) any authority or proceedings related to the execution and delivery of such Bond Documents on behalf of the Issuer. No such authority or proceedings have been repealed, revoked, rescinded or amended and all are in full force and effect.

It is specifically understood and agreed that the Issuer makes no representation, covenant or agreement as to the financial position or business condition of the Borrower or the Project and does not represent or warrant as to any statements, materials, representations or certifications furnished by the Borrower in connection with the sale of the Bonds, or as to the correctness, completeness or accuracy thereof.

THE BONDS SHALL NOT CONSTITUTE AN INDEBTEDNESS, LIABILITY OR GENERAL OR MORAL OBLIGATION, OR A PLEDGE OF THE FAITH, CREDIT OR TAXING POWER OF THE ISSUER OR THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, WITHIN THE MEANING OF ANY CHARTER OR CONSTITUTIONAL OR STATUTORY PROVISIONS OR LIMITATIONS. THE PRINCIPAL OF AND PREMIUM, IF ANY, AND INTEREST ON THE BONDS AND ALL PAYMENTS REQUIRED UNDER THIS AGREEMENT SHALL BE PAYABLE SOLELY FROM THE PROCEEDS DERIVED BY THE ISSUER UNDER THIS AGREEMENT, AND NEITHER THE ISSUER NOR THE STATE NOR ANY POLITICAL SUBDIVISION THEREOF SHALL EVER BE REQUIRED TO (I) LEVY AD VALOREM TAXES ON ANY PROPERTY WITHIN ITS TERRITORIAL LIMITS TO PAY THE PRINCIPAL OF AND PREMIUM, IF ANY, AND INTEREST ON THE BONDS OR TO MAKE ANY OTHER PAYMENTS PROVIDED FOR UNDER THIS AGREEMENT OR (II) PAY THE SAME FROM ANY FUNDS OF THE ISSUER OTHER THAN THOSE DERIVED BY THE ISSUER UNDER THIS AGREEMENT, AND THE BONDS SHALL NOT

CONSTITUTE A LIEN UPON ANY PROPERTY OWNED BY OR SITUATED WITHIN THE TERRITORIAL LIMITS OF THE ISSUER.

Section 3. Representations by the Borrower.

The Borrower makes the following representations as the basis for its undertakings hereunder:

(a) The Borrower (i) is a corporation duly organized and validly existing under the laws of the State of New York; (ii) has all requisite legal power, and has all material governmental licenses, authorizations, consents and approvals, necessary to own its assets and carry on its business as now being or as proposed to be conducted; and (iii) is qualified to do business in all jurisdictions in which the nature of the business conducted by it makes such qualification necessary and where failure so to qualify would have a Material Adverse Effect.

(b) None of the execution and delivery of this Agreement, the consummation of the transactions herein contemplated and compliance with the terms and provisions hereof will conflict with or result in a breach of, or require any consent under, the by-laws of the Borrower, or any applicable law or regulation, or any order, writ, injunction or decree of any Governmental Authority, or any material agreement or instrument to which the Borrower is a party or by which it is bound or to which it is subject, or constitute a default under any such agreement or instrument, other than immaterial conflicts under contractual obligations.

(c) The Borrower has all necessary corporate power and authority to execute, deliver and perform its obligations under this Agreement; the execution, delivery and performance by the Borrower of this Agreement have been duly authorized by all necessary corporate action on its part; and this Agreement has been duly and validly executed and delivered by the Borrower and constitutes the legal, valid and binding obligation of the Borrower, enforceable in accordance with its terms, except as enforcement may be limited by equitable principles or by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally.

(d) No authorizations, approvals or consents of, and no filings or registrations with, any Governmental Authority are necessary for the execution, delivery or performance by the Borrower of this Agreement or for the validity or enforceability thereof.

(e) The Borrower is not engaged principally, or as one of its important activities, in the business of extending credit for the purpose, whether immediate, incidental or ultimate, of buying or carrying Margin Stock, and no part of the proceeds of the Bonds will be used to buy or carry, or to extend credit to others to buy or carry, any Margin Stock.

(f) The Borrower has heretofore furnished to the Lender a true copy of the Borrower's Annual Report on Form 10-K for the fiscal year ended December 31, 2018 (the "Annual Report"), as filed by the Borrower with the Securities and Exchange Commission. Except as disclosed in writing to the Lender prior to the Closing Date, the Annual Report does not contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(g) Sections 3.03, 3.08, 3.09, 3.10, 3.12 (provided that, for purposes of matters expressly disclosed, the last sentence in Section 3.12(b) of the Existing 5-Year Credit Agreement shall be deemed to include a reference to the Annual Report) and 3.14 (provided that the term "Loans" in the last sentence in Section 3.14 of the Existing 5-Year Credit Agreement shall be deemed to mean the Bonds) of the Existing 5-Year Credit Agreement as well as related defined terms contained therein are hereby incorporated herein by reference for the benefit of the Lender with the same effect as if the same were set forth herein in their entirety and were made as of the date hereof.

Section 4. Representations by the Lender.

The Lender is purchasing the Bonds in a commercial transaction as a means of making a loan to the Issuer and of evidencing and securing the Issuer's obligation to repay that loan. In order to support compliance with laws potentially applicable to this loan transaction, the Lender hereby represents and warrants that it is (i) purchasing the Bonds for its own account for investment and has no present intention of reselling or disposing of the Bonds or engaging in any "distribution" thereof (as that term is used in the Securities Act of 1933, as amended, and the regulations of the Securities and Exchange Commission thereunder); (ii) familiar with the operations and financial condition of the Borrower and the Project based upon information furnished to the Lender by the Borrower and has made such inquiries as it deems appropriate in connection with the purchase of the Bonds; and (iii) capable of evaluating the merits and risks of the purchase of the Bonds. In determining to purchase the Bonds, the Lender has not relied upon any information (including financial information) relating to the Borrower provided by the Issuer, nor has it relied upon the omission of the Issuer to provide any such information.

Section 5. Sale and Purchase of the Bonds; Pledged Estate

(a) The Issuer shall issue and sell the Bonds to the Lender and secure the Bonds by the Pledged Estate (as defined herein), and the Lender shall purchase the Bonds, all upon the terms and conditions set forth herein. On the Closing Date, the Issuer shall deliver the Bonds to the Lender in exchange for payment of the purchase price equal to the principal amount of the Bonds being made directly to the Borrower, which payment shall constitute an immediate and contemporaneous loan by the Issuer to the Borrower of the principal proceeds of the Bonds, as further provided in Section 7(a) herein.

(b) To secure the payment of the principal of and interest on the Bonds and the performance of the covenants contained herein and in the Bonds, and to declare the terms and conditions on which the Bonds are secured, and in consideration of the purchase of the Bonds by the Lender, the Issuer by these presents does grant, convey, assign, transfer, pledge, set over and confirm unto the Lender, and grant to the Lender security title to and a continuing security interest in, all and singular, the following described property and all proceeds and products thereof (collectively, the "Pledged Estate"): (i) all payments to be made by the Borrower to the Lender for the account of the Issuer pursuant to Section 7(b) of this Agreement; (ii) all right, title and interest of the Issuer in and to this Agreement (except for any right to indemnification and payment of expenses and right to consent granted to the Issuer pursuant to this Agreement), together with all powers, privileges, options and other benefits of the Issuer contained in this Agreement; provided, however, that nothing contained in this subsection shall impair, diminish or otherwise

affect the Issuer's obligations under this Agreement or, except as otherwise provided in this Agreement, impose any such obligations on the Lender; and (iii) any and all property of every kind or description which may, from time to time hereafter, by delivery or by writing of any kind, be subjected to the lien of this Agreement as additional security for the Issuer or any person on its part or with its written consent, or which pursuant to any of the provisions hereof may come into the possession or control of the Lender or a receiver appointed pursuant to this Agreement; and the Lender is hereby authorized to receive any and all such property as and for additional security for the Bonds and to hold and apply all such property subject to the terms hereof.

Section 6. Conditions Precedent to Delivery of the Bonds.

The Lender shall accept delivery of the Bonds and pay the purchase price thereof directly to the Borrower only upon delivery to the Lender in form and substance satisfactory to the Lender of the following:

(a) Executed copies of the Bond Documents;

(b) A certificate, signed by an authorized officer of the Borrower, evidencing the Borrower's approval of the issuance and sale of the Bonds;
