AGENDA
Board of County Commissioners
Regular Meeting – November 5, 2020 – 5:30 p.m.
Ernie Lee Magaha Government Building – First Floor

1. Call to Order.

   Please turn your cell phone to the vibrate, silence, or off setting.

   The Board of County Commissioners allows any person to speak regarding an item on the Agenda. The speaker is limited to three (3) minutes, unless otherwise determined by the Chairman, to allow sufficient time for all speakers. Speakers shall refrain from abusive or profane remarks, disruptive outbursts, protests, or other conduct which interferes with the orderly conduct of the meeting. Upon completion of the Public comment period, discussion is limited to Board members and questions raised by the Board.

2. Invocation – Commissioner Bergosh.

3. Pledge of Allegiance to the Flag.

4. Are there any items to be added to the agenda?

   Recommendation: That the Board adopt the agenda as prepared **(or duly amended).**

5. Commissioners' Forum.

6. Proclamations.

   Recommendation: That the Board adopt the following Proclamations:

   A. The Proclamation commending and congratulating Andrew Huffman, a Veteran's Service Officer in the Veteran's Affairs Department, on his selection as the "Employee of the Month" for November 2020;

   B. The Proclamation calling upon citizens to observe the entire week of November 8, 2020, through November 14, 2020, as Veteran's Week, in tribute to those who have thus added strength to the Nation and in renewed dedication to their work, building peace with honor among all nations; and

   C. The Proclamation, commending and congratulating Lieutenant General Duane D. Thieesen for his many years of service and upcoming retirement.

   C. to be distributed under separate cover.

7. Did the Clerk's Office receive the proofs of publication for the Public Hearing(s) on the agenda and the Board's Weekly Meeting Schedule?

   Recommendation: That the Board waive the reading of the legal advertisement(s) and accept, for filing with the Board's Minutes, the certified affidavit(s) establishing proof of publication for the Public Hearing(s) on the agenda, and the Board of County Commissioners – Escambia County, Florida, Meeting Schedule.

8. 5:31 p.m. Public Hearing for Consideration of Adopting an Ordinance Creating Volume 1, Chapter 18, Article VII, Sections 18-351 through 18-355 of the Escambia County Code of Ordinances.

Recommendation: That the Board adopt and authorize the Chairman to sign an Ordinance creating Volume 1, Chapter 18, Article VII, Sections 18-351 through 18-355 of the Escambia County Code of Ordinances, providing for regulation of the sale of motor vehicles unless conducted by a business within Escambia County.

9. 5:32 p.m. Public Hearing for Consideration of Amendments to Volume 1, Chapter 18, Article VI, Sections 18-314 through 18-324 of the Escambia County Code of Ordinances.

Recommendation: That the Board adopt and authorize the Chairman to sign an Ordinance amending Volume 1, Chapter 18, Article VI, Sections 18-314 through 18-324 of the Escambia County Code of Ordinances, providing for additional consumer protections related to itinerant vendor sales occurring in Escambia County.

10. Reports:

CLERK & COMPTROLLER'S REPORT

Backup Not Included With The Clerk's Report Is Available For Review In
The Office Of The Clerk To The Board
Ernie Lee Magaha Government Building, Suite 110

I. Consent Agenda

1. Recommendation Concerning Acceptance of TDT Collection Data for the August 2020 Returns Collected in September 2020

That the Board accept, for filing with the Board's Minutes, the Tourist Development Tax (TDT) Collections Data for the August 2020 returns received in the month of September 2020, as prepared by the Finance Department of the Clerk and Comptroller's Office; this is the twelfth month of collections for the Fiscal Year 2020; total collections for the month of August 2020 returns was $938,397.86; this is a 22.34% decrease over the August 2019 returns; total collections year to date are 20.61% less than the comparable time frame in Fiscal year 2019.

2. Recommendation Concerning Acceptance of the September 30, 2020, Investment Report.

That the Board accept, for filing with the Board's Minutes, the Investment Portfolio Summary Report for the month ended September 30, 2020, as required by Ordinance Number 95-13. On September 30, 2020, the portfolio market value was $316,863,867 and portfolio earnings totaled $259,958 for the month. The short term portfolio achieved a yield of 0.57%. The long-term CORE portfolio achieved a yield of 0.18%.

3. Recommendation Concerning the Acceptance of Documents Provided for Filing with the Board's Minutes

That the Board accept, for filing with the Board's Minutes, Closing Documents for the sale of surplus property at 3722 James Street, based on the Board's action on July 10, 2014, CAR II-7, authorizing the surplus and sale of real properties and authorizing the Chairman to sign all documents related to the sale.

4. Recommendation Concerning Minutes and Reports Prepared by the Clerk to the Board's Office

That the Board take the following action concerning Minutes and Reports prepared by the Clerk to the Board's office:

A. Accept, for filing with the Board's Minutes, the Report of the Committee of the Whole Workshop held October 8, 2020;

B. Approve the Minutes of the Attorney-Client Session held October 15, 2020;

C. Accept, for filing with the Board's Minutes, the Report of the Gary Sansing Public Forum held October 15, 2020; and

D. Approve the Minutes of the Regular Board Meeting held October 15, 2020.

GROWTH MANAGEMENT REPORT

I. Public Hearing

1. Recommendation Concerning the Review of the Rezoning Case Heard by the Planning Board on October 6, 2020

That the Board take the following action concerning the rezoning case heard by the Planning Board on October 6, 2020:

A. Review and either adopt, modify, or overturn the Planning Board's recommendation for Rezoning Case Z-2020-07or remand the case back to the Planning Board; and
B. Authorize the Chairman to sign the Orders of the Escambia County Board of County Commissioners for the rezoning case that were reviewed.

Case No.:	**Z-2020-07**
Address:	900 BLK Dog Track Road
Property Reference No.:	25-2S-31-1302-000-001 and 25-2S-31-2402-000-000
Property Size:	20.43 (+/-) acres
From:	MDR, Medium Density Residential district (10 du/acre)
To:	HDMU, High Density Mixed-use district (25 du/acre)
FLU Category:	MU-U, Mixed-Use Urban and MU-S, Mixed-Use Suburban
Commissioner District:	1
Requested by:	Joe A. Rector, Jr., Mullins LLC, Agent for Bellview Development Company, Inc. / Linda O'Neill
Planning Board Recommendation:	Approval
Speakers:	Joe Rector

2. 5:45 p.m. A Public Hearing for Consideration of Adopting an Ordinance Amending the Official Zoning Map

That the Board adopt an Ordinance to amend the Official Zoning Map to include the rezoning case heard by the Planning Board on October 6, 2020, and approved during the previous agenda item and to provide for severability, inclusion in the code, and an effective date.

3. 5:46 p.m. - A Public Hearing Concerning the Review of an Ordinance Removing a Parcel from the County DSAP and Assigning a Compatible FLU - OSP-2020-01

That the Board of County Commissioners (BCC) review and transmit to the Department of Economic Opportunity, (DEO), an Ordinance amending the Escambia County Mid-West Sector Plan, Final Land Use Plan, Figure 2.01.A, removing a parcel within Section 03, Township 1N, Range 31W, Parcel Number 1302-000-001, totaling 10.05 (+/-) acres, located on N. Highway 29, from the Escambia County Mid-West Sector Plan; further amending Part II of the Escambia County Code of Ordinances, the Escambia County Comprehensive Plan: 2030, as amended; amending Chapter 7, "The Future Land Use Element," Policy FLU 1.1.1, to provide for an amendment to the 2030 Future Land Use Map, assigning a Future Land Use category to a parcel within Section 03, Township 1N, Range 31W, Parcel Number 1302-000-001, totaling 10.05 (+/-) acres, of Mixed-Use Suburban (MU-S).

This hearing serves as the first of two public hearings.

Please note that the October 1, 2020, GMR Consent Item included an inadvertent reference to the "Muscogee Detailed Specific Area Plan." It should have read "Jacks Branch Detailed Specific Area Plan."

4. 5:47 p.m. - A Public Hearing Concerning the Review of an Ordinance Removing a Parcel from the County DSAP and Assigning a Compatible FLU - OSP-2020-02

   That the Board of County Commissioners (BCC) review and transmit to the Department of Economic Opportunity, (DEO), an Ordinance amending the Escambia County Mid-West Sector Plan, Final Land Use Plan, Figure 2.01.A, removing a parcel within Section 03, Township 1N, Range 31W, Parcel Number 3401-000-000, totaling 19.34 (+/-) acres, located on Pine Top Lane, from the Escambia County Mid-West Sector Plan; further amending Part II of the Escambia County Code of Ordinances, the Escambia County Comprehensive Plan: 2030, as amended; amending Chapter 7, "The Future Land Use Element," Policy FLU 1.1.1, to provide for an amendment to the 2030 Future Land Use Map, assigning a Future Land Use category to a parcel within Section 03, Township 1N, Range 31W, Parcel Number 3401-000-000, totaling 19.34 (+/-) acres, of Mixed-Use Suburban (MU-S).

   This hearing serves as the first of two public hearings.

   Please note that the October 1, 2020, GMR Consent Item included an inadvertent reference to the "Muscogee Detailed Specific Area Plan." It should have read "Jacks Branch Detailed Specific Area Plan."

5. 5:48 p.m. - A Public Hearing Concerning the Review of an Ordinance Amending the Future Land Use Map, LSA-2019-05

   That the Board of County Commissioners (BCC) review and approve an Ordinance amending the Comprehensive Plan, Chapter 7, 2030 Future Land Use (FLU) map, LSA-2019-05, changing the FLU category for two parcels located on Pine Forest Road, Parcel Number 24-1S-31-4230-000-020, totaling 10.28 (+/-) acres, and Parcel Number 24-1S-31-3140-000-000, totaling 3.66 (+/-) acres, from Commercial (C) to Mixed-Use Urban (MU-U).

   This serves as the second of two public hearings.

6. 5:49 p.m. - A Public Hearing Concerning the Review of an Ordinance Amending Chapter 7, Policy FLU 1.1.1 and FLU 5.1 to Provide for an Amendment to the 2030 Future Land Use Map - LSA-2020-02

   That the Board of County Commissioners (BCC) review and approve an Ordinance amending the Comprehensive Plan, Chapter 7, 2030 FLU map, for the specific parcel 25-2S-31-1303-000-000, located on Dog Track Road, requesting to change the existing FLUM designation from Commercial (C) to Mixed-Use Urban (MU-U) of 88.24 (+/-) acres.

   This hearing serves as the second of two required public hearings.

II. Consent Agenda

1. Recommendation Concerning the Scheduling of Public Hearing

That the Board authorize the scheduling of the following Public Hearing:

December 10, 2020

5:45 p.m. - A Public Hearing - Morgan Cemetery Road Land Clearing Debris Disposal Facility

Summary: Review and approve, modify or deny the permit for Morgan Cemetery Road Yard Trash/Land Clearing Debris Disposal Facility located at 1950 Morgan Cemetery Road.

COUNTY ADMINISTRATOR'S REPORT

I. Technical/Public Service Consent Agenda

1. Recommendation Concerning Community Redevelopment Agency Meeting Minutes, September 3, 2020 - Clara Long Neighborhood & Human Services Department Director

That the Board accept for filing with the Board's Minutes, the September 3, 2020, Community Redevelopment Agency's (CRA) Meeting Minutes, prepared by Lily Blackburn, CRA Redeveloper 1.

2. Recommendation Concerning Community Redevelopment Agency Meeting Minutes, October 1, 2020 - Clara Long, Neighborhood & Human Services Department Director

That the Board accept for filing with the Board's Minutes, the October 1, 2020, Community Redevelopment Agency's (CRA) Meeting Minutes, prepared by Lily Blackburn, CRA Redeveloper 1.

3. Recommendation Concerning the Renewal to the Memorandum of Understanding and Infrastructure Funding Agreement with CareerSource Escarosa and the Department of Education, Division of Vocational Rehabilitation - Clara Long, Neighborhood & Human Services Department Director

That the Board take the following action concerning the Memorandum of Understanding and Infrastructure Funding Agreement:

A. Approve the renewal Memorandum of Understanding between CareerSource Escarosa and Florida Department of Education, Division of Vocational Rehabilitation. The Workforce Innovation and Opportunity Act (WIOA), Public Law 113-128 requires that Local Workforce Development Boards, with the agreement of the Chief Elected Officials, develop and enter into MOU with the local Board and the one-stop partners. The MOU renewal will become effective the date of the executed signature through June 30, 2023;

B. Approve the Infrastructure Funding Agreement (IFA) for the One-Stop Career Center System between CareerSource Escarosa (formerly Workforce Escarosa, Inc.) and Department of Education, Division of Vocational Rehabilitation. The IFA is made pursuant to the Workforce Innovation and Opportunity Act (WIOA) of 2014. The IFA will become effective the date of the executed signature through June 30, 2023; and

C. Authorize the Chairman to sign the renewal Memorandum of Understanding and Infrastructure Funding Agreement and any additional documents associated with the process.

4. Recommendation Concerning the Renewal of Memorandum of Understanding and Infrastructure Funding Agreement with CareerSource Escarosa and the Florida Department of Education, Division of Blind Services - Clara Long, Neighborhood & Human Services Department Director

That the Board take the following action concerning the Memorandum of Understanding and Infrastructure Funding Agreement:

A. Approve the renewal Memorandum of Understanding between CareerSource Escarosa and Florida Department of Education, Division of Blind Services. The Workforce Innovation and Opportunity Act (WOIA), Public Law 113-128 requires that Local Workforce Development Boards, with the agreement of the Chief Elected Officials, develop and enter into MOU with the local Board and the one-stop partners. The MOU renewal will become effective the date of the executed signature through June 30, 2023;

B. Approve the Infrastructure Funding Agreement (IFA) for the One-Stop Career Center System between CareerSource Escarosa (formerly Workforce Escarosa, Inc.) and Department of Education, Division of Blind Services. The IFA is made pursuant to the Workforce Innovation and Opportunity Act (WIOA) of 2014. The IFA will become effective the date of the executed signature through June 30, 2023; and

C. Authorize the Chairman to sign the renewal Memorandum of Understanding and Infrastructure Funding Agreement and any additional documents associated with this process.

5. Recommendation Concerning the 2021 Board of County Commissioners' Meeting/Committee of the Whole Schedule - Janice P. Gilley, County Administrator

That the Board approve the 2021 Board of County Commissioners' Meeting/Committee of the Whole Schedule, as submitted.

6. Recommendation Concerning the Approval and Adoption of the 2021 Holiday Calendar - Janice P. Gilley, County Administrator

That the Board approve and adopt the 2021 Holiday Calendar.

7. Recommendation Concerning Modification #1 to the Subgrant Agreement Between the Division of Emergency Management and Escambia County - Jason Rogers, Public Safety Department Director

That the Board approve and authorize the Chairman to sign Modification #1 to the Subgrant Agreement between the Division of Emergency Management and Escambia County, regarding Escambia County Fire Rescue's request to extend the Agreement for 10 months, ending June 30, 2021.

8. Recommendation Concerning a Memorandum of Understanding Between Escambia County Fire Rescue and the United States Special Operations Command - Jason Rogers, Public Safety Department Director

That the Board approve and authorize the Chairman to sign the Memorandum of Understanding (MOU) by and between Escambia County Fire Rescue and the United States Special Operations Command (USSOCOM), that identifies parameters, roles and responsibilities for the unpaid developmental internship program to provide educational experience and learning opportunities that will enable them to develop their technical skills and business knowledge, to expand their understanding of Escambia County Fire Rescue, and to learn about different career paths that may be available.

9. Recommendation Concerning the Revocable License Agreement with the District Board of Trustees of Pensacola State College, Florida, and Escambia County - Patrick Johnson, Waste Services Department Director

That the Board take the following action:

A. Approve the Revocable License Agreement with the District Board of Trustees of Pensacola State College, Florida, and Escambia County, to access a portion of the school's property for a hurricane debris management site; and

B. Authorize the County Administrator to sign the Agreement and any subsequent documents related to acceptance, execution, reporting, no-cost time extension, and amendments to this Agreement, subject to Legal review and approval, without further action of the Board.

10. Recommendation Concerning the Scheduling of a Public Hearing for Adopting the Uniform Method of Collection for Non-Ad Valorem Special Assessments Resolution - Amber McClure, Chief Budget Officer, Management and Budget Services

That the Board authorize the scheduling of a Public Hearing on December 10, 2020, at 5:31 p.m., to consider adopting a Resolution establishing its intent to use the Uniform Method of Collection for Non-Ad Valorem Special Assessments, as provided in Florida Statutes 197.3632.

11. Recommendation Concerning the Contract for the Florida Department of Health for Operation of the Escambia County Health Department - Marie Brady Mott, JD, MS, RDN, CSSD, LDN, Administrator, Florida Department of Health in Escambia County

That the Board take the following action concerning the Contract for the Florida Department of Health in Escambia County:

A. Approve the Florida Department of Health in Escambia County Contract, providing for an effective date for the Contract year of October 1, 2020, through September 30, 2021; and

B. Authorize the Chairman to sign the Contract.

12. Recommendation Concerning Amendments to Standard Construction Contracts - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve Amendments to the Standard Construction Contracts, as follows:

1. Form A: A/E Designed - Exhibit A, General Terms and Conditions, Progress Payments, E-Verify and other non-substantive revisions;
2. Form B: Construction - Exhibit A, General Terms and Conditions, Progress Payments, E-Verify and other non-substantive revisions;
3. Form C: Design/Build - Exhibit A, General Terms and Conditions, Progress Payments, E-Verify and other non-substantive revisions;
4. Form D: Road/Drainage - Exhibit A, General Terms and Conditions, Progress Payments, E-Verify and other non-substantive revisions;
5. Form F: Consulting Services for Task Orders - Exhibit A, General Terms, E-Verify and other non-substantive revisions;
6. Form G: Consulting Services for Stand-Alone Projects - Exhibit A, General Terms, E-Verify and other non-substantive revisions;
7. Form H: Consulting Services for Study - Exhibit A, General Terms, E-Verify and other non-substantive revisions; and
8. Form I: Bridges/Docks/Boat Ramps - Exhibit A, General Terms and Conditions, Progress Payments, E-Verify and other non-substantive revisions.

13. Recommendation Concerning the Limited Waiver of the Escambia County Noise Abatement Ordinance for the Soundside Merchants 2020 Lighted Boat Parade - Tim Tolbert, Building Official/Director

That the Board approve the following "Special Event Permit Application" for a limited waiver of the noise restrictions imposed by the Escambia County Noise Abatement Ordinance regarding Pensacola Beach, allowing the number of sound decibels to exceed 70 dbA (sound level measured by taking four sound readings over a continuous 15 minute period, with the four readings taken at approximately equal intervals at or within the property boundary of the receiving land use) for the Soundside Merchants 2020 Lighted Boat Parade Fireworks Display, to be launched from a barge off Quietwater Beach on December 5, 2020, from 8:00 p.m., to 8:30 p.m.

II. Budget/Finance Consent Agenda

1. Recommendation Concerning Residential Rehab Grant Program Funding and Lien Agreements - Clara Long, Neighborhood & Human Services Department Director

5. Recommendation Concerning the Conveyance of Tangible Personal Property from Escambia County to Escambia Community Clinics, Inc. d/b/a Community Health Northwest Florida - Cassie C. Boatwright, Facilities Management Director

That the Board adopt and authorize the Chairman to sign a Resolution for the Conveyance of Tangible Personal Property as shown on Exhibit A from Escambia County to Escambia Community Clinics, Inc. d/b/a Community Health Northwest Florida.

6. Recommendation Concerning Street Name Approval of “Via Celeste" and “Via Azzurro” - Horace Jones, Development Services Department Director

That the Board take the following action concerning two street names requested by David Tiller, P.E.:

A. Approve the street name “Via Celeste,” for a private road running south off the 7100 block of N. Blue Angel Pkwy, approximately 1000 feet west of Pine Forest Road; and

B. Approve the street name “Via Azzurro,” a private road running west, then south and looping back around, off the 6900 block of Via Celeste, approximately 140 feet south of the 7100 block of N. Blue Angel Pkwy.

One hundred percent of the property owners signed the petition. The streets are in Commission District 1.

[Funding Source: Fund 175, "Transportation Trust Fund," Cost Center 211201, Object Code 55201]

7. Recommendation Concerning a Derelict Vessel Removal Grant, in the Amount of $10,600, from the Florida Fish and Wildlife Conservation Commission - J. Taylor "Chips" Kirschenfeld, Director, Department of Natural Resources Management

That the Board approve and authorize the Chairman to sign the State of Florida, Florida Fish and Wildlife Conservation Commission (FWC) Agreement No. 20158, relating to the Derelict Vessel Removal Grant for Fiscal Year 2020, which provides up to $10,600 in Grant funding from FWC. There is no County match required under this Grant Agreement.

Note: The County Attorney's Office has requested that the Board be made aware of the following language:

Paragraph 29, SEVERABILITY, CHOICE OF LAW, AND CHOICE OF VENUE, (page 17 of 20), last sentence, "Any action in connection herewith, in law or equity, shall be brought in Leon County, Florida, to the exclusion of all other lawful venues."

Paragraph 31, JURY TRIAL WAIVER, (page 18 of 20), "As part of the consideration of this Agreement, the Parties hereby waive trial by jury in any action or proceeding brought by any party against any other party pertaining to any matter whatsoever arising out of or in any way connected with this Agreement, or with the products or services provided under this Agreement, including but not limited to any claim by the Grantee of *quantum meruit*."

Vendor/Contractor	Amount	Contract Number	
Florida Fish and Wildlife Conservation Commission There is no County match required under this Grant Agreement Fund 110, Other Grants and Projects Cost Center 220339, Derelict Vessels Grant Fund 110, Other Grants and Projects Cost Center 220807, Vessel Registration Fees	$10,600	FWC 20158	

[Funding Source: Fund 110, Other Grants and Projects, Cost Center 220339, Derelict Vessels Grant; Fund 110, Other Grants and Projects, Cost Center 220807, Vessel Registration Fees. There is no County match required under this Grant Agreement.]

8. Recommendation Concerning the Surplus and Sale of Two County-Owned Parcels of Real Property Located Along Innerarity Circle - Cassie Boatwright, Director, Facilities Management

That the Board take the following action concerning the surplus and sale of two County-Owned Parcels of Real Property Located Along Innerarity Circle:

A. Declare surplus two County-owned parcels of real property located along Innerarity Circle, located in District 2; specifically, Lot 3, Blk G, The Cove, 5600 Blk Innerarity Circle (Ref#: 15-3S-32-1102-003-007), and Lot 3, Blk H, The Cove, 5600 Blk Innerarity Circle (Ref #: 15-3S-32-1102-003-008);

B. Add a stipulation that both parcels must be sold together, as one (Property), and that the Property is conveyed subject to the restriction that Grantee use the Property solely for right-of-way purposes and construction of a cul-de-sac or other road structures that facilitate egress from Innerarity Circle; this restriction will run with the land and be binding on Grantee's heirs, executors, administrators, successors, and assigns, and may be enforced by Grantor or any owner of a lot in the Cove subdivision, Plat Book 9, Page 97 of the public records of Escambia County, Florida;

C. Authorize the sale of the Property to the bidder with the highest offer received at or above the minimum bid, which will be set at the combined total of the Property Appraiser's assessed values;

D. Authorize the County Attorney's Office to prepare and the Chairman to sign all documents necessary to complete the sale of the Property, without further action of the Board; and

E. Upon a determination of Default, allow the County Administrator to authorize retention of any bid deposit that may be paid, and allow the parcels to be put back out for sale, without further Board action.

9. Recommendation Concerning the Authorization for Cumulative Expenditures Over $25,000 in Fiscal Year 2020-2021, for the Department of Natural Resources, for Demolition or Lot Clearing Services - J. Taylor "Chips" Kirschenfeld, Director, Department of Natural Resources Management

That the Board authorize cumulative total expenditures over $25,000, in Fiscal Year 2020-2021, to contractors performing demolition or lot clearing services for the Department of Natural Resources, Environmental Enforcement Division, for individual projects of less than $50,000, based on competitive quotes. The request is being made in advance of the cumulative total of expenditures exceeding $25,000 this Fiscal Year for the following vendors:

	Vendor Name	**Vendor No.**	**Approval Amount**
1.	Alfred Morris LLC, dba Morris & Morris Landscaping	426848	$40,000

[Funding: Fund 001, General Fund, Board of County Commissioners' Discretionary Money, Cost Center 110101, Object Code 58201]

23. Recommendation Concerning the Approval of $1,000 from Commissioner Robert Bender's Discretionary Money for the Epps Christian Ministries Thanksgiving Meal for the Community - Commissioner Robert Bender, District 4

That the Board approve a funding allocation, in the amount of $1,000, from Commissioner Robert Bender's discretionary funds to Epps Christian Ministries to assist them with their Thanksgiving Meal for the Community.

[Funding: Fund 001, General Fund, Board of County Commissioner's Discretionary Money, Cost Center 110101, Object Code 58201]

24. Recommendation Concerning CARES Act Funding Program Agreements - Janice P. Gilley, County Administrator

That the Board be provided an update on the CARES Family Emergency Financial Assistance and Business Assistance grants and take the following action:

A. Authorize the Chairman to sign the CARES Act attestation form certifying and attesting that Escambia County has incurred or encumbered costs amounting to at least 25% of the total Coronavirus Relief Fund allocation; and

B. Authorize the Chairman to sign the updated Feeding the Gulf Coast Amendment to the CARES Act Funding Program Agreement to lower the total funding from $1,100,000 to $650,000, and to increase the per pound cost from $.50 per pound to $.95 per pound due to higher quotes for food than originally anticipated and to continue to include transportation and distribution costs.

Feeding the Gulf Coast anticipates the utilization of $650,000 dollars through Escambia CARES Act funds to fund 684,000 pounds of the total 1.2 – 1.5 million pounds of food provided in the final quarter of the year. The food will be distributed through traditional pantries, mobile distributions, and the Child Nutrition programs. The anticipated current loss for Feeding the Gulf Coast, if the reimbursement rate is not approved at $.95, is over $103,000.

25. Recommendation Concerning Fiscal Year 2020 Budget Compliance and Fiscal Year 2021 Carryforwards - Amber M. McClure, Chief Budget Officer, Management and Budget Services

That the Board take the following action amending the Fiscal Year 2020 and Fiscal Year 2021 Budgets:

A. Approve the Fiscal Year 2020 Supplemental Budget Amendment #228 to provide for additional budget as required for statutory compliance to not exceed spending authority at the fund level per Florida Statute 129.07; and

B. Approve Fiscal Year 2021 Supplemental Budget Amendment #001 to carryforward unencumbered funds associated with on-going Grants and projects, in the amount of $31,747,990, and encumbered funds associated with Fiscal Year 2020 open Purchase Orders relating to Contracts or equipment purchases, in the amount of $18,854,336.

26. Recommendation Concerning SBA #007 to Increase Fund 119 to Reflect CARES Grant Award - Amber M. McClure, Chief Budget Officer, Management and Budget Services

That the Board adopt the Resolution approving Supplemental Budget Amendment #007, Fund 119, in the amount of $28,521,104, to reflect the $57,285,296 CARES grant award.

27. Recommendation Concerning Acceptance of the Fiscal Year 2019/2020 Escambia County Expenditure Comparison Summary by Fund Report and Community Partner Reports for the 4th Quarter, which ended September 30, 2020 - Amber M. McClure, Chief Budget Officer, Management and Budget Services

That the Board accept for record the Fiscal Year 2019/2020, Escambia County Expenditure Comparison Summary by Fund Report and Community Partners for the fourth quarter, which ended September 30, 2020.

Previous quarterly financial packages provided the expenditures summary by fund and total by cost center. This financial packet now includes a comparison of revenue over expense as well as revenue summary by fund and total by account. Escambia County ended the year with $14.8 million more in expense than revenue. This is primarily from the construction of the new jail as planned. The County ended the year with expense exceeding revenue by a marginal 3% despite being faced by many challenges including the COVID-19 pandemic beginning in March and Hurricane Sally which made landfall September 16, 2020.

The Board of County Commissioners on September 23, 2019, agreed that all Community Partners receiving funding from Escambia County would be required to provide a goals and metrics scorecard. The Goals and Metrics Scorecard is designed to allow the recipient to provide information stating how the funding received is being used.

28. Recommendation Concerning Approval of Appropriations Agreements for Pensacola-Escambia Promotion and Development Commission, Escambia County Human Relations Commission and United Way - Amber M. McClure, Chief Budget Officer, Management and Budget Services

That the Board take the following action concerning the Fiscal Year 2020/2021, Appropriations Agreements for Pensacola-Escambia County Promotion and Development Commission (PEDC), Escambia County Human Relations Commission (HRC) and United Way:

A. Approve the Interlocal Agreement Between Escambia County and Pensacola-Escambia County Promotion and Development Commission in the amount of $600,000, to be paid from the Local Option Sales Tax Fund (353), Cost Center 110277;

B. Approve the Miscellaneous Appropriations Agreement for Escambia County Human Relations Commission in the amount of $84,265, to be paid from the General Fund (001), Cost Center 110201;

C. Approve the Miscellaneous Appropriations Agreement for United Way in the amount of $86,190, to be paid from the General Fund (001), Cost Center 110201;

E. Authorize the Chairman to sign the Agreements and all other necessary documents; and

F. Authorize the execution of the necessary Purchase Orders.

Miscellaneous Appropriations Agreement for HRC to be distributed under separate cover

29. Recommendation Concerning Pay Instruction for the Volunteer Firefighters that Participated in Hurricane Sally Fire Rescue Missions - Jason Rogers, Public Safety Department Director

That the Board authorize the 20 remaining Volunteer Firefighters that submitted an ICS 214 Form that did not meet the minimum requirement of 72 hours but had worked in support of Hurricane Sally Fire Rescue efforts to receive the additional stipend payment, in the amount of $200.

The Public Safety Director is requesting that the Board waive the policy and authorize the other (20) volunteer firefighters who did not meet the minimum 72 hour requirement or work a minimum of 70 hours (as previously approved) to receive the stipend of $200. ECFR members responded to multiple calls from volunteer stations and worked diligently to clear roadways and provide public safety. Members completed their paperwork and have been identified as having participated in response efforts.

30. Recommendation Concerning the Issuance of Fiscal Year 2020/2021 Purchase Order, in Excess of $25,000, for the Public Safety Department - Jason Rogers, Public Safety Department Director

That the Board, for Fiscal Year 2020/2021, approve the issuance of an individual Purchase Order, in excess of $25,000, based upon quotes obtained utilizing Florida Department of Management Services, Alternate Contract Source Contract, for the Public Safety Department, as follows:

	Vendor/Contractor	**Amount**	**Contract Number**
	Henry Schein, Inc. Vendor #: 131760 Medical Supplies Fund 110, Grants Cost Center: 330305 EMS CARES ACT	$139,800.38	Department of Management Services Contract No: 42000000-18-ACS

[Funding Source: Fund 110, Grants, Cost Center 330305, EMS CARES Act]

Escambia County EMS received $395,998 to support COVID related expenses in Fiscal Year 2019/2020. These funds will be utilized to purchase: Cardiac Arrhythmia Simulators that will show heart rhythms; Eitan Sapphire Infusion Pumps which will be used to regulate IV's; Carefusion Ventilator which is a respiratory therapy breathing machine; and Lifeline ARM which is a IV mannequin. All items are for medical care and to assist Escambia County EMT's and Paramedics to train for, respond to, treat, and transport patients.

31. Recommendation Concerning the approval of a Blanket Order with Dell Marketing LP in the amount of $250,000 - Bart Siders, Information Technology Department Director

That the Board take the following action:

A. Authorize the County to utilize the State of Florida, Department of Management Services, Contract Number 43211500-WSCA-15-ACS, in accordance with the Escambia County, Florida, Code of Ordinances, Chapter 46, Article II, Section 46-44, Application; Exemptions; and Section 46-64, Board Approval; and

B. Authorize the issuance of a Blanket Order for the purchase of new personal computers and other hardware to replace existing equipment for the Information Technology Department of Escambia County, Florida, to Dell Marketing LP, in the amount of $250,000, according to the specifications outlined in Contract # 43211500-WSCA-15-ACS.

46. Recommendation Concerning the Contract Award for Re-Solicit Secondary Collections Agency for Public Safety & EMS - Jason Rogers, Director, Public Safety, and Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board take the following action:

A. Terminate the Agreement, PD 17-18.028, EMS Collection Services, with Affiliated Creditors, Inc., effective immediately. The Board awarded the Agreement to Affiliated Creditors, Inc., on April 5, 2018. On February 22, 2020, the County was notified by Emerge Law Firm that Affiliated Creditors, Inc., filed for protection under Chapter 11 of the U.S. Bankruptcy Code. The County was subsequently notified on April 30, 2020, that Affiliated Creditors, Inc., filed an expedited motion to dismiss the Case under Section 1112(b) conditionally or alternatively to convert to Chapter 7; and

B. Award and authorize the County Administrator to sign a Revenue Agreement between Escambia County, Florida, and Life Line Billing Systems, LLC d/b/a LifeQuest Services, per the terms and conditions of PD 19-20.094, Re-Solicit Secondary Collections Agency for Public Safety & EMS, for a payment to the firm of 9% of secondary collections which is defined as collections accounts that are more than 120 days and have not received any recovery or collection services outside of Escambia County's EMS Billing Office or their primary collections designee.

50. Recommendation Concerning the Issuance of a Purchase Order for Annual aiSmartbench Maintenance for Court Administration - Kayla Blanchard, Administrative Services Manager

That the Board authorize the issuance of a Purchase Order to Mentis Technology Solutions, LLC, in the amount of $50,095, for the annual maintenance for aiSmartbench, the Court's electronic filing system software. This system allows the judges to view and manage their court files electronically. Judges are able to electronically review and search court cases, transmit documents to the clerk, work remotely, digitally sign orders, and efile. This Agreement allows for 24/7/365 support to Court Technology for the necessary maintenance to the aiSmartbench software.

[Funding: Fund 115, Article V Court Administration, Cost Centers 410503, 410515, 410516, Object Code 54601]

Cost Centers/Object Codes	**Descriptions**	**Amount**
410503/54601	Escambia County aiSmartbench Maintenance 11/2020-10/2021	$21,916
410515/54601	Santa Rosa County aiSmartbench Maintenance 11/2020-10/2021	$14,648

52. Recommendation Concerning Authorization to Take Action Regarding Defaulted Contracts for Reimbursement of Training Expenses - William R. Powell, Director of Corrections

That the Board take the following action concerning authorization for legal action related to defaulted Contracts for reimbursement of training expenses:

A. Authorize the County Attorney's Office to file a small claims case against Douglas Forbes and Derrick Allgood related to the default of their respective Contracts for reimbursement of training expenses; and

B. Authorize the County Attorney's Office to prepare and the Chairman to sign all documents related to the aforementioned action.

53. Recommendation ConcerningProfessional Liability (Medical Malpractice) Insurance for the Jail - Mark Bartlett, Manager, Risk Management Office/Jana Still, Human Resources Department Director

That the Board approve the payment to USI Insurance Services, LLC, for the Professional Liability (Medical Malpractice) Insurance policy issued through Pro-Praxis Insurance and underwritten by Certain Underwriters at Lloyd's of London, for an extension effective November 15, 2020, through January 1, 2021, in the amount of $23,767, with a $75,000 deductible.

Vendor	Funding	Amount	
USI Insurance Services, LLC Professional Liability (Medical Malpractice) Insurance	Fund 501, Internal Service Fund, Cost Center 140835, Object Code 54501	$23,767	

[Funding: Fund 501, Internal Service, Cost Center 140835, Object Code 54501]

54. Recommendation Concerning Debris Collection Removal Media Spots - Janice P. Gilley, County Administrator

That the Board approve the Debris Collection Removal Media Spots with WEAR-TV, in the amount of $27,740.

[Funding: Fund 112, Cost Center 330902]

55. Recommendation Concerning an Extension for the General Paving and Drainage Agreement - Joy Jones, Director, Engineering and Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board take the following action:

A. Authorize and award an extension to the current General Paving and Drainage Agreement (PD 16-17.081) for a period not to exceed 31 days, for the Unit Price Contract, PD 16-17.081, General Paving and Drainage Pricing Agreement for each of the following firms.

- Allsouth Construction Services, LLC
- B & W Utilities, Inc
- Chavers Construction, Inc.
- Gulf Atlantic Constructors, Inc.
- Gulf Marine Construction, Inc.
- Heaton Brothers Construction Company, Inc.
- J. Miller Construction, Inc.
- Panhandle Grading & Paving, Inc.
- Principle Properties, Inc.
- Roads, Inc. of NWF
- Site and Utility, LLC
- Utility Service Company, Inc.

The current Agreement ends on November 30, 2020, and a 31-day extension would allow the Agreement to go through December 31, 2020.

B. Authorize the Agreement for use by various Departments/Divisions, and utilize the accepted Bid Form Price Listing and Balance of Line Items as defined within the Special Terms and Conditions of the Solicitation to determine the lowest bid for a project; and

C. Authorize the issuance of individual or blanket Purchase Orders by all Departments/Divisions, in accordance with Chapter 46 of the Escambia County Code of Ordinances for the period of December 1, 2020, through December 31, 2020.

III. For Discussion

1. Recommendation Concerning State Law Enforcement Trust Fund - Henrique Dias, Chief Financial Officer, Escambia County Sheriff's Office Finance Division

That the Board approve the following allocations of Law Enforcement Trust (LET) Funds, per the requirements of F.S. 932.7055(5), for Outside Agency partners in Escambia County for Fiscal Year 2020/2021:

A. General Daniel Chappie James Flight Academy, Inc., in the amount of $5,000;

B. West Florida High School Baseball Booster Club, in the amount of $2,500;

C. Pensacola Sports, in the amount of $12,000;

D. Gulf Coast Crime Stoppers, in the amount of $18,000; and

E. Onbikes Pensacola, Inc., in the amount of $7,500;

Upon approval of these funding allocations, the Sheriff's Office will process all appropriate paperwork and submit for payment from LET Funds to the Escambia Clerk of the Circuit Court and Comptroller.

[Funding Source: Fund 121, Law Enforcement Trust Fund, Cost Center 540103, Aids to Private Organizations 58201]

2. Recommendation Concerning Hurricane Sally Update - Janice P. Gilley, County Administrator

That the Board discuss the status of Hurricane Sally recovery.

3. Recommendation Concerning the State to Libraries Grant Application, Certification of Hours, Free Library Service, and Access to Materials - Todd Humble, Library Services Department Director

That the Board take the following action:

A. Approve the State Aid to Libraries Grant Agreement between the State of Florida, Department of State, and the Escambia County Board of County Commissioners (BCC), for and on behalf of West Florida Public Library System;

B. Authorize the Chairman to sign the Agreement with Section (37) Mandated Conditions, that "This Agreement shall be construed, performed and enforced in all respects in accordance with the laws and rules of Florida. Venue of location for any legal action arising under this Agreement will be Leon County, Florida";

C. Authorize the Clerk of the Courts to sign the Agreement; and

D. Approve and authorize the Chairman to sign the Florida Department of State Division of Library and Information Services State to Libraries Grant Application Certification of Hours, Free Library Service and Access to Materials, which certifies the following statements are true for West Florida Public Libraries from October 1, 2018, through June 30, 2021:

1. Provides free library service, including loaning materials available for circulation free of charge and providing reference and information services free of charge;

2. Provides access to materials, information and services for all residents of the area served; and

3. Has at least one library, branch library, or member library open 40 hours or more each week (excluding holidays; between Sunday through Saturday, on a schedule determined by the library system).

[Funding: The State Aid to Libraries Program provides annual funding to eligible recipients for the operation and maintenance of public libraries. The funds will be included in the Fiscal Year 2020/2021 Annual Budget for the West Florida Public Libraries when received.]

4. Recommendation Concerning Local Government Contribution for SAIL Housing Tax Credit Applications through Florida Housing Finance Corporation - Clara Long, Neighborhood & Human Services Department Director

That the Board take the following action concerning the Local Government Contribution for SAIL Housing Tax Credit Applications through Florida Housing Finance Corporation:

A. Approve or reject the Applications submitted for the State Apartment Incentive Loan (SAIL) financing through Florida Housing Finance Corporation (FHFC), under RFA 2020-205-Meadowbrook Senior, Westover Senior Apartments, and 901 S. Old Corry Field Road Family Housing; and

B. Authorize the County Administrator to sign the Local Government Contribution of Loan Form, in the amount of $137,500 ($37,500 minimum contribution plus $100,000 special needs set aside), for approved multi-family developments applying for State Apartment Incentive Loan (SAIL) financing through Florida Housing Finance Corporation (FHFC), under RFA 2020-205.

[Funding: Fund 120/SHIP and/or Fund 124/Affordable Housing]

5. Recommendation Concerning Authorization for the Acquisition of Real Property Located at 3300 West DeSoto Street - Cassie Boatwright, Facilities Management Department Director

That the Board take the following action regarding the authorization for acquisition of a parcel of real property located at 3300 West DeSoto Street from the Myrtle Grove Lodge #352:

Authorize staff to negotiate and/or offer a purchase price of $90,000 for a parcel of real property located at 3300 West DeSoto Street, subject to receipt of an appraised value of $90,000 or greater, completion of the due diligence check list, and an executed Sales Agreement. An appraisal for this real property has been ordered and is expected to be completed by November 17, 2020. Additionally, authorize staff to proceed with the remaining due diligence for real property acquisition which is consistent with the provisions of Section 46-139 of the Escambia County code of Ordinances. An executed Sales Agreement will be brought back to the BCC for approval prior to closing on the property.

The property is located strategically across the street from the Brownsville Community Center, which would provide an opportunity to further the vision to bring community services to the citizens of Escambia County. The Lodge notified staff that it had a bona fide offer for the property and time is of the essence if the County is interested in purchasing the property. After evaluating the market, the condition of the building on the property and the Lodge's appraisal ($183,000 valuation), staff recommends the purchase of the Property at $90,000.

6. Recommendation Concerning New Correctional Facility Update - Cassie C. Boatwright, Facilities Management Department Director

That the Board discuss the status of the construction of the New Correctional Facility.

COUNTY ATTORNEY'S REPORT

I. For Action

1. Recommendation Concerning Proposed Settlement of Workers' Compensation Claim Brought by Former Sheriff's Deputy James Salter

That the Board approve a global settlement agreement in the sum of $83,250.00. The proposed settlement would constitute a full resolution of any and all medical and indemnity benefits, attorney's fees and costs to which James Salter and his attorney may be entitled under the Florida Workers' Compensation Act. All settlement funds would be reimbursed by excess carriers, Liberty Mutual and AmeriTrust.

2. Recommendation Concerning Authorization for Substitution as Counsel by Escambia County Attorney Office for Lydecker Diaz Law Firm in Andrea Minyard, M.D. v. Esc. Co., Case No. 3:20-00034-TKW/EMT.

That the Board authorize the County Attorney's Office to substitute as counsel for Escambia County in place of Lydecker Diaz Law Firm in this pending matter.

3. Recommendation Concerning Settlement of Esc. Co. adv. CEJ South, Inc., Case No. 2014 CA 002270 & Esc. Co. v. CEJ South, Inc. d/b/a Family-Funeral & Cremation, Case No. 2020 CA 000787.

That the Board authorize the Chairman to sign the settlement agreement regarding the pending litigation between Escambia County and CEJ South, Inc.

4. Recommendation Concerning Approval of Proposed Settlement of Medical Benefits in Workers' Compensation Claim Brought by Walter Johnson

That the Board approve a proposed settlement in the sum of $85,000.00 for past and future medical benefits, payable to former employee Walter Johnson. If approved, all settlement funds would be reimbursed by the excess carrier.

5. Recommendation Concerning Escambia County State of Local Emergencies.

That the Board take the following actions:

A. Ratification of Escambia County State of Local Emergency Resolution R2020-150, R2020-151, R2020-152, R2020-153, R2020-154; and

B. Extension of Escambia County State of Local Emergencies.

6. Recommendation Concerning a Resolution Amending and Restating Resolution R2018-123 Identifying LOST Economic Development Trust Fund and Projects to be Funded from the Trust Fund.

That the Board take the following action concerning the Resolution amending and restating Resolution R2018-123:

A. Adopt the Resolution; and

B. Authorize the Chairman to sign the Resolution.

II. For Discussion

1. Recommendation Concerning Legal Representation for the Three Mile Bridge Outage.

At the request of Commissioner Bergosh, that the Board discuss providing the County Attorney's Office direction regarding legal representation for the Three Mile Bridge Outage.

III. For Information

1. Recommendation Concerning Krystopher Walden v. Escambia County, FCHR Charge No. 202024819.

That the Board be made aware that the County Attorney's Office has successfully defended a charge of discrimination recently filed with the Florida Commission on Human Relations ("FCHR"). Based upon the FCHR's investigation, the FCHR determined that there is no reasonable cause to believe that an unlawful employment practice occurred with respect to Mr. Walden. Therefore, the charge of discrimination was dismissed.

11. Items added to the agenda.

12. Announcements.

13. Adjournment.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18770 **Proclamations 6.**
BCC Regular Meeting
Meeting Date: 11/05/2020
Issue: Adoption of Proclamations
From: Janice Gilley, County Administrator
Organization: County Administrator's Office
CAO Approval:

RECOMMENDATION:
Proclamations.

Recommendation: That the Board adopt the following Proclamations:

A. The Proclamation commending and congratulating Andrew Huffman, a Veteran's Service Officer in the Veteran's Affairs Department, on his selection as the "Employee of the Month" for November 2020;

B. The Proclamation calling upon citizens to observe the entire week of November 8, 2020, through November 14, 2020, as Veteran's Week, in tribute to those who have thus added strength to the Nation and in renewed dedication to their work, building peace with honor among all nations; and

C. The Proclamation, commending and congratulating Lieutenant General Duane D. Thieesen for his many years of service and upcoming retirement.

C. to be distributed under separate cover.

BACKGROUND:
On March 21, 2013, the Board approved the "Employee of the Month and Employee of the Year Awards Program." Each Department will submit one employee to be nominated as the "Employee of the Month." The County Administrator will then select one employee from the nominations. The employee who is selected will receive a check in the amount of $250, a Proclamation, and a plaque that will hang in the lobby of the Ernie Lee Magaha Government Building for that month.

Various departments, outside agencies, special interest groups, civic and religious organizations in recognition of specific events, occasions, people, etc., request Proclamations.

Information provided on the Proclamation is furnished by the requesting party and placed in the proper acceptable format for BCC approval by the County Administration staff.

Board approval is required by Board Policy Section I, A (6).

BUDGETARY IMPACT:

The Employee of the Month Award Program will cost $250 per month; the Employee of the Year Award Program will cost $500 per year. Funding is available through Fund 001, General Fund, Cost Center 150101, Object code 55201.

Andrew Huffman, Employee of the Month November 2020

Veteran's Week 2020

PROCLAMATION

***WHEREAS**, Escambia County has established an "Employee of the Month Program" to recognize one employee to represent the various departments; and*

***WHEREAS**, Andrew Huffman, a Veteran's Service Officer, in the Veteran's Affairs Department, is selected as "Employee of the Month" for November 2020, for the standards of excellence that he has displayed in the performance of his duties; and*

***WHEREAS**, Mr. Huffman began his employment with the County on March 26, 2019, and provides excellent service to the citizens of Escambia County through all assigned duties; and*

***WHEREAS**, as the Veteran Service Officer assigned to Escambia County, Mr. Huffman is responsible for assisting veterans and their dependents in securing all entitled benefits earned through honorable military service. His primary focus is to advise, instruct and counsel veterans, their spouses and children of the benefits available from the Veterans Administration and the Department of Defense; and*

***WHEREAS**, with more than 41,700 veterans in Escambia County, Andrew Huffman serves as a liaison for local veterans educating them on benefits they may be eligible to obtain. Benefits which include disability compensation, pension, death/burial benefits, education, medical expenses, housing, auto grants and appeals, just to name a few; and*

***WHEREAS**, because of COVID-19, and the closure of the Pensacola VA clinic's in-person services, Mr. Huffman is the only available Veteran's Service Officer in the area who can personally meet with veterans. As a result of his due diligence, Andrew processes 150 veteran claims per month; Veteran Service Officers on the surrounding bases process only about 20 veteran claims a month; and*

***WHEREAS**, Andrew consistently receives superior remarks from the veterans he serves. Comments like "I was extremely pleased and grateful for his assistance", or "He is the best. It's nice to have someone actually looking out for us!". These are a couple of the comments that Andrew has received for his service to our veterans. Along with serving our veterans, Andrew volunteered to work at the Citizens Information Center to help answer telephones during Hurricane Sally in September 2020. With his "Can Do Attitude", and dedication, Andrew has exceeded the expectations of our veterans. He is an invaluable asset to the County Administrators Office, and to the citizens of Escambia County.*

***NOW, THEREFORE, BE IT PROCLAIMED**, that the Board of County Commissioners of Escambia County, Florida, commends and congratulates Mr. Andrew Huffman his selection as the "Employee of the Month" for November 2020.*

BOARD OF COUNTY COMMISSIONERS
ESCAMBIA COUNTY, FLORIDA

_____
Steven Barry, Chairman, District Five

Robert D. Bender, Vice Chairman

Deputy Clerk

Adopted: November 5, 2020

PROCLAMATION

***WHEREAS**, the United States is a beacon of hope, freedom, and opportunity to people around the world. Our military patriots safeguard the values that keep our great nation strong. On National Veterans Day, we honor and express our deepest appreciation for these brave men and women and their families who served our great nation; and*

***WHEREAS**, our veterans left everything they knew and loved and served with exemplary dedication and courage so we could all know a safer America and a more just world. They have been tested in ways the rest of us may never fully understand, and it is our duty to fulfill our sacred obligation to our veterans and their families. On Veterans Day, and every day, let us show them the extraordinary gratitude they so rightly deserve; and*

***WHEREAS**, we remember that our obligations endure long after the battle ends, and we must make it our mission to give them the respect and care they have earned. When America's veterans return home, they continue to serve our country in new ways, bringing tremendous skills to their communities and to the workforce. These men and women should have the chance to power our economy, both because their talents demand it and because no one who fights for our country should ever have to fight for a job; and*

***WHEREAS**, with respect for, and in recognition of, the contributions our service members have made to the cause of peace and freedom around the world and in our communities, the Escambia County Board of County Commissioners have declared a week long observance of our veterans in Escambia County.*

***NOW, THEREFORE**, the Board of County Commissioners of Escambia County, Florida, does hereby call upon our citizens to observe the entire week of November 8, 2020, through November 14, 2020, as Veteran's Week, in tribute to those who have thus added strength to the Nation and in renewed dedication to their work, building peace with honor among all nations.*

AI-18848 **Public Hearings 8.**

BCC Regular Meeting

Meeting Date: 11/05/2020

Issue: 5:31 p.m. Public Hearing to Consider an Ordinance Relating to the Regulation of Remote Motor Vehicle Sales in Escambia County

From: KIA JOHNSON, Assistant County Attorney

Organization: County Attorney's Office

CAO Approval:

RECOMMENDATION:

5:31 p.m. Public Hearing for Consideration of Adopting an Ordinance Creating Volume 1, Chapter 18, Article VII, Sections 18-351 through 18-355 of the Escambia County Code of Ordinances.

Recommendation: That the Board adopt and authorize the Chairman to sign an Ordinance creating Volume 1, Chapter 18, Article VII, Sections 18-351 through 18-355 of the Escambia County Code of Ordinances, providing for regulation of the sale of motor vehicles unless conducted by a business within Escambia County.

BACKGROUND:

There has been an increased occurrence of remote motor vehicle sales within Escambia County. These remote motor vehicle sales are conducted on property by individuals and entities which have no established business within the boundaries of Escambia County. The individuals and entities which conduct these transactions normally depart the area after completion of the event and there is limited or no ability for purchasers of the motor vehicles to seek necessary information and recourse from the sellers. Sales conducted by businesses, individuals, and entities which have an established business within Escambia County provide a meaningful opportunity for the seller to seek recourse in the event that problems occur as to the vehicle. The creation of this ordinance will assist in that effort.

BUDGETARY IMPACT:

N/A

LEGAL CONSIDERATIONS/SIGN-OFF:

ORDINANCE NUMBER 2020-___

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA CREATING VOLUME 1, CHAPTER 18, ARTICLE VII, SECTIONS 18-351 THROUGH 18-355 OF THE ESCAMBIA COUNTY CODE OF ORDINANCES; REGULATING THE SALE OF MOTOR VEHICLES UNLESS CONDUCTED BY A BUSINESS WITHIN ESCAMBIA COUNTY; PROVIDING FOR SEVERABILITY AND CONFLICTS; PROVIDING FOR INCLUSION IN THE CODE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Chapter 125, Florida Statutes, the County is authorized to establish regulations in the interest of the public health, safety, and welfare to provide protection for, regulate, and control remote motor vehicle sales in the County; and

WHEREAS, there has been an increased occurrence of remote motor vehicle sales within Escambia County; and

WHEREAS, these remote motor vehicle sales are conducted on property by individuals and entities which have no established business within the boundaries of Escambia County; and

WHEREAS, the individuals and entities which conduct these transactions normally depart the area after completion of the event and there is limited or no ability for purchasers of the motor vehicles to seek necessary information and recourse from the sellers; and

WHEREAS, sales conducted by businesses, individuals, and entities which have an established business within Escambia County provides a meaningful opportunity for the seller to seek recourse in the event that problems occur as to the vehicle; and

WHEREAS, the Board of County Commissioners further finds that the proposed amendments serve a compelling public purpose and are in the best interest of the County and its citizens;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA:

SECTION 1. Recitals. The foregoing recitals are true and correct and incorporated herein by reference.

SECTION 2. Creation. Volume 1, Chapter 18, Article VII, Section 18-351 through 18-355 of the Code of Ordinances of Escambia County, Florida is hereby created as follows:

ARTICLE VII. – REMOTE MOTOR VEHICLE SALES

DRAFT

Sec. 18-351. – Short Title.

This article shall be known and may be cited as the “Remote Motor Vehicle Sale Regulatory Ordinance of Escambia County, Florida” and shall be applicable within the unincorporated area of Escambia County.

Sec. 18-352. – Scope.

It is not intended by this article to repeal, abrogate, annul or any way impair or interfere with existing provisions of other laws. Where this article imposes a greater restriction upon persons, premises or personal property than is imposed or required by other laws or ordinances, the provisions of this article shall control.

Sec. 18-353. – Definitions.

For the purpose of this article, the following terms, phrases, words and their derivations shall have the meanings given herein. When not inconsistent with the context, words used in the present tense include the future, words in the plural number include the singular number, and words in the singular number include the plural number. The word “shall” is always mandatory and not merely directory.

Licensed Dealership means a premise which the primary endeavor is the sale of new or used motor vehicles.

Motor Vehicle means a new or used automobile or truck.

Permanent Motor Vehicle Sales Business means a business which operates out of a structure and has paid the Local Business Tax authorized under section 205.013, Florida Statutes for that location.

Person means and includes natural persons, partnerships, joint ventures, trusts or corporations, or any officers, agents, employees of any kind or personal representatives of any thereof, in any capacity, acting either for himself, or for any other person.

Premises means and includes all lands, structures, places, and also the equipment and appurtenances connected or used therewith in any business, or as is otherwise used in connection with any such business conducted on such premises.

Sec. 18-354. – Prohibited Actions.

It shall be unlawful for any person, either directly or indirectly, to conduct a sale of a motor vehicle, regardless of whether it is new or used, where it is conducted at a site which is not the location of the permanent motor vehicle sale business unless it is conducted by a licensed dealership with a permanent sales location within the boundaries of Escambia County. This prohibition shall not apply to the sale of a motor vehicle by a person at a location other than the individual residence for which the motor vehicle is

DRAFT

individually titled to that person (not including titled as part of a dealership or commercial business) provided no person shall sell more than three (3) such motor vehicles per year. This prohibition shall also not apply to the online sale of new or used motor vehicles.

Sec. 18-355. – Penalties for Violations.

The sheriff of the county or his duly authorized representative, and other law enforcement officers operating in the county, are authorized and directed to enforce this article.

Secs. 18-356—18-380. - Reserved.

SECTION 3. Severability and Conflicts. If any section, sentence, clause or phrase of this ordinance is held to be invalid or unconstitutional by any court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this ordinance. If this ordinance conflicts with any other ordinance in the Escambia County Code of Ordinances, this ordinance shall apply.

SECTION 4. Inclusion in Code. It is the intention of the Board of County Commissioners that the provisions of this ordinance shall be codified as required by F.S. § 125.68, and that the sections, subsections and other provisions of this ordinance may be renumbered or relettered and the word "ordinance" may be changed to "section," "article," or such other appropriate word or phrase in order to accomplish such intentions.

THIS SPACE INTENTIONALLY LEFT BLANK

DRAFT

SECTION 5. **Effective Date.** This ordinance shall become effective upon filing with the Department of State.

BCC Regular Meeting

Meeting Date: 11/05/2020

Issue: 5:32 p.m. Public Hearing to Consider Amendments to the Current Itinerant Vendor Ordinance

From: KIA JOHNSON, Assistant County Attorney

Organization: County Attorney's Office

CAO Approval:

RECOMMENDATION:

5:32 p.m. Public Hearing for Consideration of Amendments to Volume 1, Chapter 18, Article VI, Sections 18-314 through 18-324 of the Escambia County Code of Ordinances.

Recommendation: That the Board adopt and authorize the Chairman to sign an Ordinance amending Volume 1, Chapter 18, Article VI, Sections 18-314 through 18-324 of the Escambia County Code of Ordinances, providing for additional consumer protections related to itinerant vendor sales occurring in Escambia County.

BACKGROUND:

The current itinerant vendor ordinance has not been revised since its enactment in 1985. Amendments to the current itinerant vendor ordinance are necessary due to the creation of Volume 1, Chapter 18, Article VII, Sections 18-351 through 18-355 of the Escambia County Code of Ordinances, providing for regulation of the sale of motor vehicles unless conducted by a business within Escambia County.

ORDINANCE NUMBER 2020-___

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, AMENDING VOLUME 1, CHAPTER 18, ARTICLE VI, SECTION 18-314, DEFINITIONS; SECTION 18-315, EXEMPTION; SECTION 18-316, LICENSE REQUIRED; SECTION 18-317, LICENSE APPLICATION PROCEDURE; SECTION 18-318, VERIFICATION OF EMERGENCY, BANKRUPT, DAMAGED, ETC., SALES STATUS; SECTION 18-319, LICENSE PREREQUISITE TO SALES OR ADVERTISEMENT; SECTION 18-320, REPORTS OF SALES; SECTION 18-321, LICENSE PERMIT NOT TRANSFERABLE; SECTION 18-322, DURATION OF LICENSE; SECTION 18-323, PENALTIES AND SECTION 18-324, ENFORCEMENT, FOR THE PURPOSE OF EXEMPTING CERTAIN TYPES OF MOTOR VEHICLES AND ADDING ADDITIONAL CONSUMER PROTECTIONS; PROVIDING FOR SEVERABILITY AND CONFLICTS; PROVIDING FOR INCLUSION IN THE CODE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Chapter 125, Florida Statutes, the County is authorized to establish regulations in the interest of the public health, safety, and welfare to provide protection for, regulate, and control itinerant vendor sales in the County; and

WHEREAS, the Board of County Commissioners finds that the County's ordinance relating to itinerant vendors requires amendment to exempt certain types of motor vehicles and to promote consumer protection of the public by adding protection, regulation, and control of itinerant vendor sales within the County; and

WHEREAS, the Board of County Commissioners further finds that the proposed amendments serve a compelling public purpose and are in the best interest of the County and its citizens;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA:

SECTION 1. Recitals. The foregoing recitals are true and correct and incorporated herein by reference.

SECTION 2. Amendments. Volume 1, Chapter 18, Article VI, Section 18-314 through Section 18-324 of the Escambia County Code of Ordinances are hereby amended to read as follows (words underlined are additions and words ~~stricken~~ are deletions):

Sec. 18-314. - Definitions.

The following words, terms and phrases when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

DRAFT

Continuously held means commencing on the date shown as the start date on the license permit and continuing without break or interruption during the established regular hours and days of the sale as specified within the application, until the end of the permit period. In the case of dealers licensed under Chapter 320 of the Florida Statutes, as amended, the sale may not extend past the dates authorized by the Florida Department of Highway Safety and Motor Vehicle's Temporary Off-Premises Supplemental Sales Permit. See §§ 320.27(5), 320.77(7) and 320.771(7), Florida Statutes, as amended.

Itinerant vendor means all persons, firms and corporations, as well as their agents and employees, who engage in the temporary or transient business in the unincorporated area of the county, of selling, offering for sale or exhibiting for sale any goods, wares or merchandise and who, for the purpose of carrying on such business, either hires, rents, leases or occupies any room or space in any building, structure, any lot or parcel of land or vehicle in such unincorporated area of the county, in, through or from which any goods, wares or merchandise may be sold, offered for sale or exhibited for sale.

Temporary means any such business transacted or conducted in the unincorporated area of the county for which definite arrangements have not been made for the hire, rental or lease of premises for at least ~~180~~30 days in or upon which such business is to be operated or conducted, excepting from the provisions of this article any business sponsored by or under contract with an established business, shopping mall, shopping center or interstate fairground, and which agrees in writing to act as surety therefor for the period which such business contracts with or is sponsored by such established business, shopping mall, shopping center, or interstate fairground and two years thereafter.

Transient means any such business of any such itinerant vendor as may be operated or conducted by persons, firms, or corporations, or by their agents or employees who reside away from the county or who have fixed places of business in places other than the county, or who have their headquarters in places other than the county, or who move stocks of goods or merchandise or samples thereof into the county with the purpose or intention of removing them or the unsold portion thereof away from the county before the expiration of ~~180~~30 days.

Sec. 18-315. - Exemption.

The licensing provisions of this article shall not be applicable to:

(1) Salesmen representing wholesale houses or distributors who sell to local retail merchants from catalogues or samples.

(2) Sales of items which have been personally fabricated or handcrafted by the seller thereof.

(3) Sales of goods or merchandise purchased with donated funds or donated by the owners thereof, the proceeds whereof to be applied to any charitable or philanthropic purpose.

DRAFT

(4) The conducting of a sale of privately owned, used merchandise at garage or yard sales on premises owned or rented as a residence by the seller of such goods.

(5) Sales of goods or merchandise at festivals, celebrations or other special events sponsored or permitted by the appropriate governing body or authority.

(6) The sale of farm, grove, horticultural, floricultural, tropical piscicultural, or tropical fish, farm products or products manufactured therefrom, except intoxicating liquors, wine or beer.

(7) Where anticipated sales and stocks on hand are anticipated at or valued at less than $500.00 in any given business day.

(8) Those persons doing business pursuant to Ordinance No. 83-18, commonly referred to as the seafood vendor's ordinance (section 18-1).

(9) The sale or exhibit of firearms and related items.

(10) The sale of a "motor vehicle," as that term is defined in section 18-353. However, the licensing provisions of this article shall still be applicable to all other types of motor vehicles, as defined in Chapter 320 of the Florida Statutes, as amended.

Sec. 18-316. - License permit required; license permit application fee.

It shall be unlawful for any itinerant vendor to sell, offer for sale or exhibit for sale, any goods, wares or merchandise without having first secured a license permit therefor, as provided in this article. The office of the tax collector of the county shall issue to any itinerant vendor a license permit authorizing such itinerant vendor to sell, exhibit for sale or offer for sale, in the unincorporated areas of the county, goods, wares and merchandise only after such itinerant vendor shall have fully complied with the provisions of this article and made payment of a license permit application fee based on the following schedule:

If Anticipated Sales Are

$10,000.00 or less $120.00
$10,001.00—$24,999.00 ..... $250.00

If Anticipated Sales Are

$25,000.00—~~$49,000.00~~49,999.00 ..... $375.00
$50,000.00—~~$99,000.00~~99,999.00 ..... $500.00
Over $100,000.00 ..... $625.00

DRAFT

Sec. 18-317. – License permit application procedure.

(a) The itinerant vendor shall make application to the office of the county tax collector at least ten days prior to the date of his contemplated sale or offer for sale to be held in the unincorporated areas of the county, which application shall be in the form of an affidavit stating the full name and address of the itinerant vendor, the location of his or its principal office and place of business, the names and addresses of its officers if it be a corporation, and the partnership name and the names and addresses of all partners if such itinerant vendor be a firm. The county tax collector may waive the ten-day application timeframe upon a showing of good cause.

(b) Before such license permit shall issue, the application therefor must be accompanied by:

(1) A statement showing the kind and character of the goods, wares or merchandise to be sold or offered for sale.

(2) A certified copy of the charter if the itinerant vendor be a corporation, incorporated under the laws of the state.

(3) A certified copy of its permit to do business in the state if the itinerant vendor be a corporation incorporated under the laws of some state other than this state.

(4) A bond in the sum of ~~$5,000.00~~ $10,000.00 or ten percent of anticipated sales, whichever is greater, shall be required. ~~and it~~ The bond shall be executed by the itinerant vendor as principal with two or more good and sufficient sureties satisfactory to the office of the county tax collector, which bond shall be payable to the ~~county~~ Escambia County Board of County Commissioners, for the use and benefit of the county and any other person or persons entitled thereto and conditioned that the principal and surety will pay all damages to persons caused by, or arising from or growing out of, the wrongful, fraudulent, or illegal conduct of the itinerant vendor while conducting the sale or offer for sale in the county. The bond shall remain in full force and effect for the entire duration of the license permit as provided in this article and two years thereafter~~, or until compliance with the provisions of this article, whichever period is greater~~. The itinerant vendor shall ensure that the itinerant vendor's name appearing on the bond is the same name appearing on the license permit application and on the itinerant vendor's business tax receipt. All documents submitted for the purpose of obtaining an itinerant vendor business license shall be original documents.

(5) A statement of the commencement and completion dates of the anticipated sale. The commencement and completion dates shall match those dates contained on the itinerant vendor's State of Florida Temporary Off-Premises "Supplemental" Sales Permit.

DRAFT

(6) An affidavit affirming that there are no active consumer complaints against the itinerant vendor.

(7) A statement of the following information for the itinerant vendor's notary: (i) name, address, telephone number and e-mail address of notary, and (ii) notary bond information. If the itinerant vendor will not be utilizing the services of a notary, then the itinerant vendor shall include a statement affirming that no notary will be utilized.

The information listed above in Sec. 18-317(b) shall be provided no later than five days prior to the commencement date of the sale.

(c) The itinerant vendor shall display or announce the license permit number in all advertisements, whether the advertisement be by circular, handbill, magazine, newspaper, poster, billboard, television, radio announcement or any other means of conveying to the public notice of the anticipated sale.

Sec. 18-318. - Verification of emergency, bankrupt, damaged, etc., sales status.

An itinerant vendor shall not advertise, represent, or hold forth a sale of goods, wares, or merchandise as an emergency, insurance, bankrupt, insolvent, assignee, trustee, estate, executor, administrator, receiver, manufacturer's wholesale, cancelled order, or misfit sale or closing-out, or a sale of any goods damaged by smoke, fire, water or otherwise, unless before so doing he shall state in writing under oath to the office of the tax collector of the county at the time he makes application for a license permit all the facts relating to the reason and character of such special sales so advertised, held forth or represented, including a statement of the names of persons from whom such goods, wares, or merchandise were purchased, and the date of delivery of such goods, wares, or merchandise to the person applying for license permit, the place where such goods, wares, or merchandise were taken last, and such details necessary to exactly locate and fully identify goods, wares, or merchandise to be sold, and make such further disclosure to and give such information as may be required by the tax collector of the county. An itinerant vendor shall also include in such statement names and residences of the owners in whose interest the sale is conducted and whether conducted as an individual, firm, association, or corporation. An itinerant vendor shall maintain reasonable indicia of ownership onsite during the sale or exhibit. An itinerant vendor shall also permit inspection of all indicia of ownership by the sheriff of the county or his duly authorized representative, and other law enforcement officers operating in the county.

Sec. 18-319. - License permit prerequisite to sales or advertisement.

(a) It shall be unlawful for any itinerant vendor to sell or exhibit for sale either at public or private sale any goods, wares, or merchandise without first complying with the provisions of sections 18-316 through 18-319, or to make any false statements in reference to the matters required in subsection 18-317(b) and

DRAFT

section 18-318, or to fail or refuse to comply with the requirements of any of the provisions of this article, and every person, whether principal or agent, who by circular, handbill, magazine, newspaper, poster, billboard, television, radio announcement or in any manner advertises such sales as contemplated in this article before proper license permit is issued to such itinerant vendor and before he has complied with the provisions of this section, shall be guilty of a violation of this article. Provided, however, that nothing in this section contained shall be construed as abridging or denying the right and power of the board of county commissioner to refuse or withhold the granting of any license permit or to revoke the license permit, if granted, to an itinerant vendor upon any hearing thereof when in the discretion of such board of county commissioners on the basis of the disclosures during such hearing, or from other information deemed by them sufficient, such action may be deemed necessary or proper to protect or safeguard the public from imposition, mischief or fraud.

(b) All advertisements shall include a statement that the itinerant vendor is bonded and insured.

Sec. 18-320. - Reports of sales.

(a) All itinerant vendors shall make a verified report of sales within seven days of the close of business. The report shall include a detailed summary of the goods, wares, or merchandise sold; including the sales price, year, make, model and identification number (if applicable). In the case of sales involving trade-ins, the report shall also include a detailed summary of those goods, wares, or merchandise that the itinerant vendor has accepted as a trade-in, including the value of the trade-in as determined by the itinerant vendor.

(b) All itinerant vendors shall provide a sworn affidavit within ten days of the close of business. The affidavit shall include an affirmation that all goods, wares, or merchandise sold has been delivered in working order to the purchasers. In the case of sales involving trade-ins, the itinerant vendor shall also include in the affidavit an affirmation that any and all liens on the traded goods, wares, or merchandise have been satisfied.

(c) If the report of sales establishes that the actual sales exceeded the anticipated sales estimated in accordance with Section 18-316 then, at the time of submission of the report of sales, the itinerant vendor shall pay to the county tax collector the difference between the application fee paid and the application fee that would have been paid had the application fee been calculated using actual sales.

(d) The following shall be considered grounds for denial of issuance of future license permits to an itinerant vendor:

(1) The failure to timely provide any of the reports of sales information described in this section;

DRAFT

(2) The failure to timely pay the license permit application fee as described in Section 18-316; and

(3) The failure to exercise good faith when securing the bond based on anticipated sales, as required by Section 18-317(b)(4). If the report of sales establishes that the actual sales exceeded the anticipated sales by more than fifty percent (50%), then such result shall be considered a failure to exercise good faith in estimating anticipated sales.

Sec. 18-321. - License permit not transferable.

The license permit provided for in this article shall not be transferable, nor give authority to more than one person to sell or exhibit goods or merchandise as an itinerant vendor either by agent or by employee or in any other way than his own proper person, but any person having obtained such license permit may have the assistance of one or more persons in conducting the sale or offer of sale, who shall have authority to aid that principal, but not to act for or without him.

Sec. 18-322. - Duration of license permit.

The license permit as provided for in this article shall continue so long as such sale or exhibit is continuously held in the unincorporated areas of the county, ~~but in no event shall it continue for more than 180 days from the date of its issuance~~ so long as the sale or exhibit does not extend beyond the completion date stated in the itinerant vendor's license permit application. Any extension beyond the stated completion date shall require an additional license permit. Such license permit shall be prominently displayed in a conspicuous place on the premises where such sale or exhibit is being conducted and shall remain so displayed so long as any goods, wares or merchandise are being so sold or offered for sale.

Sec. 18-323. - Penalties.

(a) Any person violating any provision of this article or any rule, order, or regulation made pursuant to this article shall be prosecuted in the same manner as misdemeanors are prosecuted, and upon conviction shall be punished by a fine not to exceed $500.00 or by imprisonment in the county jail not to exceed 60 days or by both such fine and imprisonment.

(b) The county attorney is hereby authorized to institute a civil action in a court of competent jurisdiction to seek injunctive relief to enforce compliance with this article.

(c) For the purposes of this article, a separate offense shall be deemed committed for each day a violation of this article exists, such time commencing on the day the offender is notified of the violation.

DRAFT

(d) Any violation of this Article shall be considered grounds for denial of issuance of future license permits to an itinerant vendor. Any itinerant vendor aggrieved by any denial of issuance of a future license permit may petition the board of county commissioners of the county for review of such decision. A petition setting forth a statement of facts establishing petitioner's grievance shall be filed with the clerk to the board of county commissioners within 20 days of the decision for which review is sought. Within 20 days of the filing of the petition, the board of county commissioners shall issue an order providing for a notice and time of hearing on the claim of petitioner before the board of county commissioners at its next regular meeting.

Sec. 18-324. - Enforcement.

(a) The sheriff of the county or his duly authorized representative, and other law enforcement officers operating in the county, are authorized and directed to enforce this article.

(b) At least five days prior to the commencement date of the anticipated sale or exhibit, the itinerant vendor shall notify the office of the county tax collector of the sale commencement date.

(c) At least five days prior to the commencement date of the anticipated sale or exhibit, the itinerant vendor shall also notify the Escambia County Sheriff's Office in writing of the anticipated sale date(s), provide the Sheriff's Office with a copy of the itinerant vendor's license permit, as well as provide the Sheriff's Office with contact information (name, telephone number, address and email address) for the onsite manager and security personnel expected to be present each day of the sale or exhibit.

SECTION 3. Severability and Conflicts. If any section, sentence, clause or phrase of this ordinance is held to be invalid or unconstitutional by any court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this ordinance. If this ordinance conflicts with any other ordinance in the Escambia County Code of Ordinances, this ordinance shall apply.

SECTION 4. Inclusion in Code. It is the intention of the Board of County Commissioners that the provisions of this ordinance shall be codified as required by F.S. § 125.68, and that the sections, subsections and other provisions of this ordinance may be renumbered or relettered and the word "ordinance" may be changed to "section," "article," or such other appropriate word or phrase in order to accomplish such intentions.

ORDINANCE NUMBER 2020-___

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, AMENDING VOLUME 1, CHAPTER 18, ARTICLE VI, SECTION 18-314, DEFINITIONS; SECTION 18-315, EXEMPTION; SECTION 18-316, LICENSE REQUIRED; SECTION 18-317, LICENSE APPLICATION PROCEDURE; SECTION 18-318, VERIFICATION OF EMERGENCY, BANKRUPT, DAMAGED, ETC., SALES STATUS; SECTION 18-319, LICENSE PREREQUISITE TO SALES OR ADVERTISEMENT; SECTION 18-320, REPORTS OF SALES; SECTION 18-321, LICENSE PERMIT NOT TRANSFERABLE; SECTION 18-322, DURATION OF LICENSE; SECTION 18-323, PENALTIES AND SECTION 18-324, ENFORCEMENT, FOR THE PURPOSE OF EXEMPTING CERTAIN TYPES OF MOTOR VEHICLES AND ADDING ADDITIONAL CONSUMER PROTECTIONS; PROVIDING FOR SEVERABILITY AND CONFLICTS; PROVIDING FOR INCLUSION IN THE CODE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Chapter 125, Florida Statutes, the County is authorized to establish regulations in the interest of the public health, safety, and welfare to provide protection for, regulate, and control itinerant vendor sales in the County; and

WHEREAS, the Board of County Commissioners finds that the County's ordinance relating to itinerant vendors requires amendment to exempt certain types of motor vehicles and to promote consumer protection of the public by adding protection, regulation, and control of itinerant vendor sales within the County; and

WHEREAS, the Board of County Commissioners further finds that the proposed amendments serve a compelling public purpose and are in the best interest of the County and its citizens;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA:

SECTION 1. Recitals. The foregoing recitals are true and correct and incorporated herein by reference.

SECTION 2. Amendments. Volume 1, Chapter 18, Article VI, Section 18-314 through Section 18-324 of the Escambia County Code of Ordinances are hereby amended to read as follows (words underlined are additions and words ~~stricken~~ are deletions):

Sec. 18-314. - Definitions.

The following words, terms and phrases when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Continuously held means commencing on the date shown as the start date on the license permit and continuing without break or interruption during the established regular hours and days of the sale as specified within the application, until the end of the permit period. In the case of dealers licensed under Chapter 320 of the Florida Statutes, as amended, the sale may not extend past the dates authorized by the Florida Department of Highway Safety and Motor Vehicle's Temporary Off-Premises Supplemental Sales Permit. See §§ 320.27(5), 320.77(7) and 320.771(7), Florida Statutes, as amended.

Itinerant vendor means all persons, firms and corporations, as well as their agents and employees, who engage in the temporary or transient business in the unincorporated area of the county, of selling, offering for sale or exhibiting for sale any goods, wares or merchandise and who, for the purpose of carrying on such business, either hires, rents, leases or occupies any room or space in any building, structure, any lot or parcel of land or vehicle in such unincorporated area of the county, in, through or from which any goods, wares or merchandise may be sold, offered for sale or exhibited for sale.

Temporary means any such business transacted or conducted in the unincorporated area of the county for which definite arrangements have not been made for the hire, rental or lease of premises for at least ~~180~~30 days in or upon which such business is to be operated or conducted, excepting from the provisions of this article any business sponsored by or under contract with an established business, shopping mall, shopping center or interstate fairground, and which agrees in writing to act as surety therefor for the period which such business contracts with or is sponsored by such established business, shopping mall, shopping center, or interstate fairground and two years thereafter.

Transient means any such business of any such itinerant vendor as may be operated or conducted by persons, firms, or corporations, or by their agents or employees who reside away from the county or who have fixed places of business in places other than the county, or who have their headquarters in places other than the county, or who move stocks of goods or merchandise or samples thereof into the county with the purpose or intention of removing them or the unsold portion thereof away from the county before the expiration of ~~180~~30 days.

Sec. 18-315. - Exemption.

The licensing provisions of this article shall not be applicable to:

(1) Salesmen representing wholesale houses or distributors who sell to local retail merchants from catalogues or samples.

(2) Sales of items which have been personally fabricated or handcrafted by the seller thereof.

(3) Sales of goods or merchandise purchased with donated funds or donated by the owners thereof, the proceeds whereof to be applied to any charitable or philanthropic purpose.

(4) The conducting of a sale of privately owned, used merchandise at garage or yard sales on premises owned or rented as a residence by the seller of such goods.

(5) Sales of goods or merchandise at festivals, celebrations or other special events sponsored or permitted by the appropriate governing body or authority.

(6) The sale of farm, grove, horticultural, floricultural, tropical piscicultural, or tropical fish, farm products or products manufactured therefrom, except intoxicating liquors, wine or beer.

(7) Where anticipated sales and stocks on hand are anticipated at or valued at less than $500.00 in any given business day.

(8) Those persons doing business pursuant to Ordinance No. 83-18, commonly referred to as the seafood vendor's ordinance (section 18-1).

(9) The sale or exhibit of firearms and related items.

(10) The sale of a "motor vehicle," as that term is defined in section 18-353. However, the licensing provisions of this article shall still be applicable to all other types of motor vehicles, as defined in Chapter 320 of the Florida Statutes, as amended.

Sec. 18-316. - License permit required; license permit application fee.

It shall be unlawful for any itinerant vendor to sell, offer for sale or exhibit for sale, any goods, wares or merchandise without having first secured a license permit therefor, as provided in this article. The office of the tax collector of the county shall issue to any itinerant vendor a license permit authorizing such itinerant vendor to sell, exhibit for sale or offer for sale, in the unincorporated areas of the county, goods, wares and merchandise only after such itinerant vendor shall have fully complied with the provisions of this article and made payment of a license permit application fee based on the following schedule:

If Anticipated Sales Are

$10,000.00 or less $120.00
$10,001.00—$24,999.00 ..... $250.00

If Anticipated Sales Are

$25,000.00—~~$49,000.00~~49,999.00 ..... $375.00
$50,000.00—~~$99,000.00~~99,999.00 ..... $500.00
Over $100,000.00 ..... $625.00

Sec. 18-317. – License permit application procedure.

(a) The itinerant vendor shall make application to the office of the county tax collector at least ten days prior to the date of his contemplated sale or offer for sale to be held in the unincorporated areas of the county, which application shall be in the form of an affidavit stating the full name and address of the itinerant vendor, the location of his or its principal office and place of business, the names and addresses of its officers if it be a corporation, and the partnership name and the names and addresses of all partners if such itinerant vendor be a firm. The county tax collector may waive the ten-day application timeframe upon a showing of good cause.

(b) Before such license permit shall issue, the application therefor must be accompanied by:

(1) A statement showing the kind and character of the goods, wares or merchandise to be sold or offered for sale.

(2) A certified copy of the charter if the itinerant vendor be a corporation, incorporated under the laws of the state.

(3) A certified copy of its permit to do business in the state if the itinerant vendor be a corporation incorporated under the laws of some state other than this state.

(4) A bond in the sum of ~~$5,000.00~~ $10,000.00 or ten percent of anticipated sales, whichever is greater, shall be required. ~~and it~~ The bond shall be executed by the itinerant vendor as principal with two or more good and sufficient sureties satisfactory to the office of the county tax collector, which bond shall be payable to the ~~county~~ Escambia County Board of County Commissioners, for the use and benefit of the county and any other person or persons entitled thereto and conditioned that the principal and surety will pay all damages to persons caused by, or arising from or growing out of, the wrongful, fraudulent, or illegal conduct of the itinerant vendor while conducting the sale or offer for sale in the county. The bond shall remain in full force and effect for the entire duration of the license permit as provided in this article and two years thereafter~~, or until compliance with the provisions of this article, whichever period is greater~~. The itinerant vendor shall ensure that the itinerant vendor's name appearing on the bond is the same name appearing on the license permit application and on the itinerant vendor's business tax receipt. All documents submitted for the purpose of obtaining an itinerant vendor business license shall be original documents.

(5) A statement of the commencement and completion dates of the anticipated sale. The commencement and completion dates shall match those dates contained on the itinerant vendor's State of Florida Temporary Off-Premises "Supplemental" Sales Permit.

(6) An affidavit affirming that there are no active consumer complaints against the itinerant vendor.

(7) A statement of the following information for the itinerant vendor's notary: (i) name, address, telephone number and e-mail address of notary, and (ii) notary bond information. If the itinerant vendor will not be utilizing the services of a notary, then the itinerant vendor shall include a statement affirming that no notary will be utilized.

The information listed above in Sec. 18-317(b) shall be provided no later than five days prior to the commencement date of the sale.

(c) The itinerant vendor shall display or announce the license permit number in all advertisements, whether the advertisement be by circular, handbill, magazine, newspaper, poster, billboard, television, radio announcement or any other means of conveying to the public notice of the anticipated sale.

Sec. 18-318. - Verification of emergency, bankrupt, damaged, etc., sales status.

An itinerant vendor shall not advertise, represent, or hold forth a sale of goods, wares, or merchandise as an emergency, insurance, bankrupt, insolvent, assignee, trustee, estate, executor, administrator, receiver, manufacturer's wholesale, cancelled order, or misfit sale or closing-out, or a sale of any goods damaged by smoke, fire, water or otherwise, unless before so doing he shall state in writing under oath to the office of the tax collector of the county at the time he makes application for a license permit all the facts relating to the reason and character of such special sales so advertised, held forth or represented, including a statement of the names of persons from whom such goods, wares, or merchandise were purchased, and the date of delivery of such goods, wares, or merchandise to the person applying for license permit, the place where such goods, wares, or merchandise were taken last, and such details necessary to exactly locate and fully identify goods, wares, or merchandise to be sold, and make such further disclosure to and give such information as may be required by the tax collector of the county. An itinerant vendor shall also include in such statement names and residences of the owners in whose interest the sale is conducted and whether conducted as an individual, firm, association, or corporation. An itinerant vendor shall maintain reasonable indicia of ownership onsite during the sale or exhibit. An itinerant vendor shall also permit inspection of all indicia of ownership by the sheriff of the county or his duly authorized representative, and other law enforcement officers operating in the county.

Sec. 18-319. - License permit prerequisite to sales or advertisement.

(a) It shall be unlawful for any itinerant vendor to sell or exhibit for sale either at public or private sale any goods, wares, or merchandise without first complying with the provisions of sections 18-316 through 18-319, or to make any false statements in reference to the matters required in subsection 18-317(b) and

section 18-318, or to fail or refuse to comply with the requirements of any of the provisions of this article, and every person, whether principal or agent, who by circular, handbill, magazine, newspaper, poster, billboard, television, radio announcement or in any manner advertises such sales as contemplated in this article before proper license permit is issued to such itinerant vendor and before he has complied with the provisions of this section, shall be guilty of a violation of this article. Provided, however, that nothing in this section contained shall be construed as abridging or denying the right and power of the board of county commissioner to refuse or withhold the granting of any license permit or to revoke the license permit, if granted, to an itinerant vendor upon any hearing thereof when in the discretion of such board of county commissioners on the basis of the disclosures during such hearing, or from other information deemed by them sufficient, such action may be deemed necessary or proper to protect or safeguard the public from imposition, mischief or fraud.

(b) All advertisements shall include a statement that the itinerant vendor is bonded and insured.

Sec. 18-320. - Reports of sales.

(a) All itinerant vendors shall make a verified report of sales within seven days of the close of business. The report shall include a detailed summary of the goods, wares, or merchandise sold; including the sales price, year, make, model and identification number (if applicable). In the case of sales involving trade-ins, the report shall also include a detailed summary of those goods, wares, or merchandise that the itinerant vendor has accepted as a trade-in, including the value of the trade-in as determined by the itinerant vendor.

(b) All itinerant vendors shall provide a sworn affidavit within ten days of the close of business. The affidavit shall include an affirmation that all goods, wares, or merchandise sold has been delivered in working order to the purchasers. In the case of sales involving trade-ins, the itinerant vendor shall also include in the affidavit an affirmation that any and all liens on the traded goods, wares, or merchandise have been satisfied.

(c) If the report of sales establishes that the actual sales exceeded the anticipated sales estimated in accordance with Section 18-316 then, at the time of submission of the report of sales, the itinerant vendor shall pay to the county tax collector the difference between the application fee paid and the application fee that would have been paid had the application fee been calculated using actual sales.

(d) The following shall be considered grounds for denial of issuance of future license permits to an itinerant vendor:

(1) The failure to timely provide any of the reports of sales information described in this section;

(2) The failure to timely pay the license permit application fee as described in Section 18-316; and

(3) The failure to exercise good faith when securing the bond based on anticipated sales, as required by Section 18-317(b)(4). If the report of sales establishes that the actual sales exceeded the anticipated sales by more than fifty percent (50%), then such result shall be considered a failure to exercise good faith in estimating anticipated sales.

Sec. 18-321. - License permit not transferable.

The license permit provided for in this article shall not be transferable, nor give authority to more than one person to sell or exhibit goods or merchandise as an itinerant vendor either by agent or by employee or in any other way than his own proper person, but any person having obtained such license permit may have the assistance of one or more persons in conducting the sale or offer of sale, who shall have authority to aid that principal, but not to act for or without him.

Sec. 18-322. - Duration of license permit.

The license permit as provided for in this article shall continue so long as such sale or exhibit is continuously held in the unincorporated areas of the county, ~~but in no event shall it continue for more than 180 days from the date of its issuance~~ so long as the sale or exhibit does not extend beyond the completion date stated in the itinerant vendor's license permit application. Any extension beyond the stated completion date shall require an additional license permit. Such license permit shall be prominently displayed in a conspicuous place on the premises where such sale or exhibit is being conducted and shall remain so displayed so long as any goods, wares or merchandise are being so sold or offered for sale.

Sec. 18-323. - Penalties.

(a) Any person violating any provision of this article or any rule, order, or regulation made pursuant to this article shall be prosecuted in the same manner as misdemeanors are prosecuted, and upon conviction shall be punished by a fine not to exceed $500.00 or by imprisonment in the county jail not to exceed 60 days or by both such fine and imprisonment.

(b) The county attorney is hereby authorized to institute a civil action in a court of competent jurisdiction to seek injunctive relief to enforce compliance with this article.

(c) For the purposes of this article, a separate offense shall be deemed committed for each day a violation of this article exists, such time commencing on the day the offender is notified of the violation.

(d) Any violation of this Article shall be considered grounds for denial of issuance of future license permits to an itinerant vendor. Any itinerant vendor aggrieved by any denial of issuance of a future license permit may petition the board of county commissioners of the county for review of such decision. A petition setting forth a statement of facts establishing petitioner's grievance shall be filed with the clerk to the board of county commissioners within 20 days of the decision for which review is sought. Within 20 days of the filing of the petition, the board of county commissioners shall issue an order providing for a notice and time of hearing on the claim of petitioner before the board of county commissioners at its next regular meeting.

Sec. 18-324. - Enforcement.

(a) The sheriff of the county or his duly authorized representative, and other law enforcement officers operating in the county, are authorized and directed to enforce this article.

(b) At least five days prior to the commencement date of the anticipated sale or exhibit, the itinerant vendor shall notify the office of the county tax collector of the sale commencement date.

(c) At least five days prior to the commencement date of the anticipated sale or exhibit, the itinerant vendor shall also notify the Escambia County Sheriff's Office in writing of the anticipated sale date(s), provide the Sheriff's Office with a copy of the itinerant vendor's license permit, as well as provide the Sheriff's Office with contact information (name, telephone number, address and email address) for the onsite manager and security personnel expected to be present each day of the sale or exhibit.

SECTION 3. Severability and Conflicts. If any section, sentence, clause or phrase of this ordinance is held to be invalid or unconstitutional by any court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this ordinance. If this ordinance conflicts with any other ordinance in the Escambia County Code of Ordinances, this ordinance shall apply.

SECTION 4. Inclusion in Code. It is the intention of the Board of County Commissioners that the provisions of this ordinance shall be codified as required by F.S. § 125.68, and that the sections, subsections and other provisions of this ordinance may be renumbered or relettered and the word "ordinance" may be changed to "section," "article," or such other appropriate word or phrase in order to accomplish such intentions.

STATE OF FLORIDA
COUNTY OF ESCAMBIA

DEED

THIS DEED is made this 13TH day of OCTOBER, 2020, by Escambia County, a political subdivision of the State of Florida, acting by and through its duly authorized Board of County Commissioners, whose address is 221 Palafox Place, Pensacola, Florida 32502 (Grantor), and Christopher Hicks, whose address is 1800 E. Franklin Street, Evansville, Indiana 47711(Grantee).

WITNESSETH, that Grantor, for and in consideration of the sum of Five Thousand and Seven Dollars ($5,007.00), and other good and valuable consideration in hand paid by Grantee, the receipt of which is acknowledged, conveys to Grantee and Grantee's heirs, executors, administrators, successors and assigns forever, the following land in Escambia County, Florida, more particularly described as follows:

AGREEMENT FOR SALE AND PURCHASE

THIS AGREEMENT FOR SALE AND PURCHASE (Agreement) is entered into this _____ day of _____, 2020, by and between Escambia County, a political subdivision of the State of Florida, acting by and through its duly authorized Board of County Commissioners, whose mailing address is 221 Palafox Place, Pensacola, Florida 32502 (Seller), and Christopher Hicks, whose address is 1800 E. Franklin Street, Evansville, Indiana 47711 (Buyer).

WITNESSETH:

WHEREAS, Seller is the record owner of fee simple title to the real property (Property) described below;

BEG AT A PT ON S R/W LI OF US RD 90 (HWY 10A) WHICH IS 1520 8/10 FT ALG SD R/W E OF FRISCO RR R/W (SD PT BEING ON ELY LI OF KRASNOSKY AVE AND BEING ALG SD S R/W OF HWY 90) 200 FT ELY OF NW COR OF GEORGE KRASNOSKY PROP (DB 145 P 292) S PARL WITH W LI OF GEORGE KRASNOSKY PROP ALG ELY LI OF KRASNOSKY AVE 550 FT FOR POB CONT SLY ALG SD ELY R/W OF KRASNOSKY AVE 90 FT TO NELY COR OF INTER OF KRASNOSKY AVE & JAMES ST ELY PARL WITH N LI OF SD GEORGE KRASNOSKY PROP AND ALG NLY LI OF JAMES ST 150 FT NLY PARL TO ELY LI OF KRASNOSKY AVE 90 FT WLY PARL TO N LI KRASNOSKY PROP 150 FT TO POB LESS W 100 FT PART OF LT 66 OR 1191 P 69 PLAT DB 128 P 575 CA 156
SECTION 34, TOWNSHIP 2 SOUTH, RANGE 30 WEST
REFERENCE NUMBER 34-2S-30-0660-000-021
TAX ACCOUNT NUMBER 07-0787-000.

WHEREAS, at a duly advertised meeting of the Board of County Commissioners on July 10, 2014, Seller approved the sale of the Property; and

WHEREAS, Seller and Buyer now desire to enter into this Agreement to set forth the mutually agreed upon terms and conditions associated with the proposed purchase and sale.

NOW, THEREFORE, for and in consideration of the premises, the sums of money to be paid, and for other good and valuable consideration, the parties agree as follows:

1. Agreement to Sell and Purchase. Seller agrees to sell and convey the Property to Buyer, and Buyer agrees to purchase the Property from Seller upon the terms and conditions as set forth in this Agreement.

2. Purchase Price and Method of Payment. The purchase price for the Property is Five Thousand and Seven Dollars ($ 5,007.00) and must be paid by certified or official check at closing.

3. Evidence of Title. Seller shall transfer and convey to Buyer fee simple title to the Property. Within 30 days after the date of execution of this Agreement, Buyer may examine title to the Property and give notice to Seller in writing of any defects or encumbrances upon the Property unacceptable to Buyer except for (a) those exceptions identified in Section 10 of this Agreement entitled "Conveyance of Property," and (b) those exceptions to title which are to be discharged by Seller at or before closing. Seller is not obligated to provide Buyer with a title insurance commitment.

If Buyer determines title to the Property is unmarketable for reasons other than the existence of the exceptions identified in Section 10 or exceptions that are to be discharged by Seller at or before closing, Buyer shall notify Seller in writing no later than five days after examining title. The written notice shall specify those liens, encumbrances, exceptions or qualifications to title that are either not acceptable or not contemplated by this Agreement to be discharged by Seller at or before closing (Title Defects).

If Seller is unable or unwilling to cure or eliminate the Title Defects prior to closing, Seller shall notify Buyer in writing prior to closing. Buyer and Seller may then extend the time allowed for removal of the Title Defects and the time of closing; or Buyer may waive Title Defects and proceed with closing; or Buyer and Seller may withdraw from the transaction and terminate the obligations under the Agreement. Buyer agrees that any Title Defects present on the day title is transferred, unless expressly objected to by written notice, will be considered accepted by Buyer.

4. Survey. Buyer may obtain a survey of the Property prior to closing at Buyer's expense. Buyer must notify Seller in writing after receipt of the survey of any matters shown on the survey that adversely affect title to the Property. The adverse matters will be deemed Title Defects, and Seller is obligated to undertake a cure within the time and in the manner provided in Section 3 of this Agreement.

5. Financing. Within five days of execution of this Agreement, Buyer must make application to obtain financing, if necessary, to consummate the purchase and sale of the Property and provide notice to Seller when it has secured necessary financing. Buyer shall notify Seller in writing if Buyer is unable to obtain financing prior to closing after making a good faith effort to do so. Seller may extend the time allowed for Buyer to obtain financing or exercise its right to terminate this Agreement in accordance with Section 22.

6. Possession. Possession of the Property will be surrendered by Seller to Buyer at the time of closing. Seller shall not commit nor permit waste, deterioration or other destruction of the Property prior to that time.

7. Condition of Property. Pursuant to Section 125.411, Florida Statutes, Seller is precluded from warranting or representing any state of facts regarding title to the Property and, as a governmental entity, is exempt from the disclosures otherwise required by local ordinance. Except as set forth in the Agreement, it is understood and agreed that Seller disclaims all warranties or representations of any kind or character, express or implied, with respect to the Property, including, but not limited to, warranties and representations related to title, zoning, tax consequences, physical or environmental conditions, availability of

access, ingress or egress, property value, operating history, governmental approvals, governmental regulations or any other matter or thing relating to or affecting the Property. Buyer represents that it is a knowledgeable buyer of real estate and that it is relying solely on its own expertise and that of its consultants, and that Buyer will conduct inspections and investigations of the Property, including, but not limited to, the physical conditions of the Property, and will rely upon them, and upon closing, will assume the risk of all adverse matters, including but not limited to, adverse physical conditions, which may not have been revealed by Buyer's inspections and investigations. Seller sells and conveys to Buyer and Buyer accepts the Property "As Is, Where Is," with all faults and there are no oral agreements, warranties or representations collateral to or affecting the Property to Buyer by Seller or any third party. The terms and conditions of this paragraph expressly survive the closing of the Agreement.

8. Right to Inspect Property. Prior to undertaking any inspections and testing, Buyer must provide notice to Seller and coordinate with Seller's designee. Buyer must not intentionally nor unreasonably interfere with Seller's activities on the Property.

Prior to closing, Buyer, and its agents and consultants, has the right to enter upon the Property and undertake at Buyer's expense, any physical inspections and other investigations of the Property, including surveys, soil bores, percolation tests, engineering studies, tests for radon gas and other tests or studies that Buyer considers necessary or desirable to review and evaluate the physical characteristics of the Property. Results of any investigation or testing conducted on the Property must promptly be disclosed to Seller.

Buyer shall notify Seller in writing of any defects disclosed by its inspections and testing within five days of completion of the inspection or test. For purposes of this paragraph, "defect" means a condition on or under the Property that violates applicable state or federal environmental laws, rules or regulations, or may present an imminent and substantial danger to the public health or welfare. Upon receipt, Seller shall notify Buyer that 1) it will terminate this Agreement, whereupon all rights and obligations of the parties shall cease; or 2) it will remedy the environmental defect within six months of the date of the notice, or as otherwise agreed by the parties, in which case the closing date will automatically be extended.

Buyer, as a condition precedent to its entry rights, will defend, indemnify, save and hold Seller harmless from any loss, damage, liability, suit, claim, cost or expense, including reasonable attorneys' fees, arising from the exercise by Buyer of its entry rights.

9. Radon Gas. Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

10. Conveyance of Property. At closing, Seller will convey to Buyer title to the Property by deed, which will identify the following exceptions to title:

a. Ad valorem real property taxes and assessments for the year 2020 and subsequent years; outstanding and unpaid taxes and assessments, if any, for previous years; conditions, easements, and restrictions of record; zoning ordinances and other restrictions and prohibitions imposed by applicable governmental authorities.

b. Reservation of an undivided ¾ interest in, and title in and to an undivided ¾ interest in, all the phosphate, minerals and metals that are or may be in, on, or under the Property and an undivided ½ interest in all the petroleum that is or may be in, on, or under the Property with the privilege to mine and develop, pursuant to Section 270.11, Florida Statutes.

The parties expressly acknowledge that Buyer accepts title as it exists on the day title is transferred from Seller to Buyer unless written notice has been provided to Seller in accordance with Section 3.

11. Closing. Subject to satisfaction of the obligations of Seller and Buyer as set forth in the Agreement, the Purchase Price will be paid to Seller and the Deed and other closing documents reasonably required by either party will be executed and delivered at the time of closing. The purchase and sale contemplated by this Agreement will be closed in the Office of the Escambia County Attorney, 221 Palafox Place, Suite 430, Pensacola, Florida. Seller's attorney will prepare and furnish all documents for closing including any necessary corrective documents. Closing shall occur on or before 30 days from the date that the last party executes this Agreement unless the date for closing is extended by written agreement of the parties or as otherwise provided herein.

12. Costs and Expenses at Closing. Upon closing, Seller and Buyer shall pay the following costs and expenses:

SELLER	BUYER	
_____	__X__	Deed Documentary Stamps
_____	__X__	Survey, if any
_____	__X__	Recording (Deed)
_____	__X__	County Attorney's Fees (Document Preparation)
_____	__X__	Title Insurance, if any
_____	__X__	Structural and Environmental Inspections, if any
_____	__X__	Real Estate Professional Fee or Commission, if any

13. Taxes, Fees, and Charges. Taxes, fees and charges will be paid as follows:

a. Buyer is responsible for all ad valorem taxes and assessments, if any, assessed against the Property. Any outstanding taxes or tax certificates or assessments encumbering the Property must be satisfied by the Buyer at closing. Seller is immune from ad valorem taxes and will not pay ad valorem taxes on the Property.

b. All impact fees, permit fees, systems charges, and any other amounts charged or assessed as a result of, arising from, or necessary for Buyer's proposed construction on, or development of, the Property will be paid solely by Buyer.

14. Conditions Precedent to Closing. The obligation of Buyer to close the sale and purchase transaction contemplated in this Agreement is expressly conditioned on the prior occurrence, satisfaction or fulfillment of the following:

a. Prior to closing, all obligations of Seller and Buyer in this Agreement must have been either fully satisfied or have occurred or have been waived by Seller or Buyer in writing or as otherwise provided in this Agreement.

b. Within the time provided in the Agreement, Buyer will have established to its satisfaction that Seller is the owner of good and marketable fee simple title to the Property, subject only to the Permitted Exceptions and those exceptions which are to be discharged by Seller at or before the closing or, alternatively, waived by Buyer.

c. There are no pending or threatened building, utility (including sewer or water) or other moratoria, injunctions or court orders in effect which would interfere with the immediate use or occupancy of any portion of the Property.

d. There is no litigation or administrative proceeding pending or threatened against or relating to either the Property or Seller which would preclude Buyer's purchase and Seller's sale of the Property under the Agreement.

e. There are no pending or threatened zoning, condemnation or eminent domain proceedings against or in any way affecting the Property or any known pending or threatened suits, actions or other proceedings against Seller or affecting the Property or its use in any manner permitted as of the date of the Agreement by the land development regulations of the local government entity with land development regulatory authority over the Property (either as a primary or permitted conditional use) and that the Property and such uses are not in any manner encumbered or adversely affected by any judgment, order, writ, injunction, rule or regulation or any court or governmental agency or officer.

f. The results of inspections, investigations and inquiries Buyer has made with respect to the Property are, in Buyer's sole opinion and in Buyer's sole

discretion, acceptable to Buyer.

If one or more of the above requirements precedent to Buyer's obligation to close this Agreement has not occurred or been satisfied, or expressly waived by Buyer or by the terms of this Agreement on or before the closing date for any reason, then Buyer is entitled to terminate this Agreement and the obligations of the parties, by giving written notice to the other party.

15. Assignability. This Agreement cannot be assigned by Buyer without the prior written consent of Seller.

16. Litigation and Attorneys' Fees. Each party will pay for its own attorneys' fees and costs in the event of litigation related to the sale and purchase of the Property.

17. Time of the Essence. Time is of the essence of this Agreement and in the performance of all conditions and covenants to be performed or satisfied by either party. Waiver of performance or satisfaction of timely performance or satisfaction of any condition or covenant by one party is not to be deemed to be a waiver of the performance or satisfaction of any other condition or covenant unless specifically consented to in writing. Whenever a date in the Agreement falls on a Saturday, Sunday or legal holiday, the date is extended to the next business day.

18. Counterparts. This Agreement will be executed in duplicate counterparts, each of which upon execution by all parties is deemed to be an original.

19. Governing Law and Binding Effect. The interpretation and enforcement of this Agreement will be governed by and construed in accordance with the laws of the State of Florida and bind Buyer and Seller and their respective successors and assigns. The venue for any legal proceeding arising out of this Agreement shall be in a court of competent jurisdiction in Escambia County, Florida.

20. Integrated Agreement, Waiver and Modification. This Agreement represents the complete and entire understanding and agreement between and among the parties with regard to all matters involved in the Agreement and supersedes any prior or contemporaneous agreements, whether written or oral. The Agreement cannot be modified or amended and no provision is waived, except in writing signed by all parties, or if such modification, amendment or waiver is for the benefit of one or more of the parties and to the detriment of the others, then the amendment or waiver must be in writing, signed by all parties to whose detriment the modification, amendment or waiver inures.

21. Brokerage. Seller and Buyer acknowledge, represent and warrant to each other that no broker or finder has been employed in connection with the sale and purchase contemplated in the Agreement.

22. Default and Termination. If either party fails to perform any of its obligations set forth in the Agreement within the times specified, the other party, at its option and at any time, may terminate the Agreement. Neither party can declare the other in default without giving

the other party at least five days written notice of intention to do so, during which time the other party will have an opportunity to remedy the default or to commence to remedy. The notice must specify, in detail, the default.

23. Notices. All notices must be in writing and served either personally or by deposit with the U.S. Postal Service, certified mail, return receipt requested, or by deposit with a nationally recognized overnight courier service, postage pre-paid and addressed to the Seller and Buyer at the following addresses:

TO THE SELLER:
Escambia County
County Administrator
221 Palafox Place
Pensacola, Florida 32502

TO THE BUYER:
Christopher Hicks
1800 E. Franklin Street
Evansville, IN 47711

WITH A COPY TO:
County Attorney's Office
221 Palafox Place, Suite 430
Pensacola, Florida 32502

All notices are deemed served when received, except that any notice mailed or deposited in the manner provided in this section are deemed served on the postmark date or courier pickup date.

24. Further Assurances. Each party, without further consideration, will act and execute and deliver documents as the other may reasonably request to effectuate the purposes of the Agreement.

25. Relationship of the Parties. Nothing in this Agreement or any act of the parties is deemed or construed by the parties or by any third party to create a relationship of principal and agent or of partnership or of joint venture or of any association whatsoever between Buyer and Seller.

26. Risk of Loss. The risk of loss to the property is the responsibility of Seller until closing.

27. Property Tax Disclosure Summary. Buyer should not rely on the Seller's current property taxes as the amount of property taxes that the Buyer may be obligated to pay in the year subsequent to purchase. A change of ownership or property improvements triggers reassessments of the property that could result in higher property taxes. If you have any questions concerning valuation, contact the County Property Appraiser's Office for information.

28. Miscellaneous. If any term, provision, covenant, or condition of the Agreement or the application to any person or circumstances is invalid or unenforceable, the remainder of the Agreement is valid and enforceable to the extent permitted by law.

THIS AGREEMENT SHALL NOT BE EFFECTIVE UNLESS FIRST APPROVED BY THE BOARD OF COUNTY COMMISSIONERS AT A DULY NOTICED PUBLIC MEETING.

IN WITNESS WHEREOF, Seller and Buyer have made and executed this Agreement as of this date and year first above written.

REPORT OF THE COMMITTEE OF THE WHOLE WORKSHOP OF THE ESCAMBIA COUNTY BOARD OF COUNTY COMMISSIONERS

OCTOBER 8, 2020

Present: Commissioner Steven L. Barry, Chairman, District 5
Commissioner Robert D. Bender, Vice Chairman, District 4
Commissioner Jeffrey W. Bergosh, District 1
Commissioner Lumon J. May, District 3
Janice Gilley, County Administrator
Alison Rogers, County Attorney
DeLana Allen-Busbee, Administrative Specialist, Clerk and Comptroller's Office
Shamara Jernigan, Agenda Program Coordinator, County Administrator's Office

Absent: Commissioner Douglas B. Underhill, District 2

Location: Ernie Lee Magaha Government Building, Board Chambers, First Floor
221 Palafox Place, Pensacola, Florida

Report prepared by: DeLana Allen-Busbee

AGENDA ITEMS

1. Call to Order

   Chairman Barry called the Committee of the Whole (C/W) Workshop to order at 9:05 a.m.

2. Was the Meeting Properly Advertised?

   The C/W was advised by DeLana Allen-Busbee, Administrative Specialist, Clerk and Comptroller's Office, that the meeting was advertised in the *Pensacola News Journal* on October 3, 2020, in the Board's weekly meeting schedule.

3. Pledge of Allegiance to the Flag

   Commissioner May led the Pledge of Allegiance to the Flag and the Board held a brief Commissioners' Forum.

FOR INFORMATION: Commissioner Barry advised the C/W that he is working on a Resolution to bring back next week requesting that FDOT consider adding additional storm water capacity and regional storm water facilities in the vicinity of Eleven Mile Creek into the current PD&E (Project Development and Environment) reevaluation of the Nine Mile Road corridor.

AGENDA ITEMS – Continued

4. Itinerant Vendor Ordinance

A. Board Discussion – The C/W:

(1) Was advised by County Attorney Alison Rogers that there are two versions of the Itinerant Vendor Ordinance for the Board's consideration;

(2) Heard consensus from the Board regarding support for Option B; and

(3) Was advised by County Attorney Rogers that she will bring back Option B for a vote in November; and

B. Board Direction – None.

Speaker(s):

Alan Turner

5. Eager Beaver Permit

A. Board Discussion – The C/W:

(1) Was advised by County Attorney Rogers that:

- Eager Beaver filed a lawsuit against the County for declaratory judgment stating that under the County's Ordinance they should be entitled to a five year permit to process the land clearing and yard trash at their site instead of a one year permit, which is what is currently given to processing under the Solid Waste Code
- The suggestion and ask from Eager Beaver's counsel is that they are holding off on pursuing the lawsuit, which has been filed, until they can get an answer from the County on whether the Board would be open to amending the Code to create a new category for processing, and direct staff to bring back an amendment to the Code that would allow the tweak to the Solid Waste Code

(2) Heard comments from Commissioner Bergosh concerning the different types of facilities and that he is not opposed to permits for recycling vegetative debris for five years; Commissioner Barry suggested something in between the current one year allowance and five years;

(3) Heard comments from Commissioner May regarding his support of something in the middle in regards to the permitting;

(Continued on Page 3)

AGENDA ITEMS – Continued

5. Continued…

   A. Continued…

      (4) Was advised by County Attorney Rogers that the suit has been filed but a stay has been placed with the demand for a five year permit for Eager Beaver's type of processing;

      (5) Heard comments from Commissioner May and Commissioner Barry requesting that a shade meeting be scheduled for the Board to discuss this matter further;

      (6) Heard comments from Commissioner Bender regarding his support of increasing the times on permitting, including concrete crushing facilities, contingent on inspections; Commissioner May advised that he would be open to considering a longer term if there were caveats for facilities within so many feet of residential homes due to sufficient evidence that crushed concrete cause health issues for residents; and

      (7) Agreed to schedule a shade meeting for October 15th at 8:15 a.m.; and

   B. Board Direction – None.

6. Panhandling Update

   A. Board Discussion – The C/W viewed and discussed a PowerPoint presentation, which was also provided in hard copy, presented by County Attorney Rogers, and the C/W:

      (1) Was advised by Commissioner Bergosh that he asked County Attorney Rogers to provide this update due to complaints from citizens regarding aggressive panhandlers;

(Continued on Page 4)

AGENDA ITEMS – Continued

6. Continued…

A. Continued…

(2) Was advised by County Attorney Rogers that:

- Panhandling and the solicitation of contributions are generally afforded some degree of First Amendment protection, but even protected speech is not immune from regulation
- Content-based restrictions that regulate the message conveyed are presumptively unconstitutional and subject to the stringent requirements of the "strict scrutiny" text, while content-neutral "time, place and manner" restrictions are subject to intermediate scrutiny
- In 2015 the Supreme Court held that speech regulation targeted at specific subject matter is content-based even if the regulation does not discriminate among viewpoints; this opinion articulated a new standard for determining content neutrality resulting in a significant impact to signage regulations and panhandling restrictions across multiple jurisdictions
- Most panhandling regulations may be categorized into three broad categories and these categories may be further defined by the stated "governmental interest" that is served by the regulation
- Zone-based restrictions do not pass muster in court and the County cannot prohibit the ability to panhandle and ask verbally or through signage, for money
- Zone-based restrictions exist in current Code and need to be tweaked out, enforcement is the primary issue, and the City is facing similar challenges

(3) Heard comments from Commissioner Bergosh regarding finding the center in this issue and that his main goal with this discussion was that citizens could understand the role the County plays and the limitations faced; and

(4) Heard comments from Commissioner Bender regarding the need to work in step with the City; and

B. Board Direction – None.

AGENDA ITEMS – Continued

7. Broadband Discussion

A. Board Discussion – The C/W was presented with a spreadsheet by IT Director Bart Siders regarding staff's recommendation for internet for parks and community centers and the associated costs, and the C/W:

(1) Was advised by Commissioner Barry that he will be providing feedback regarding priorities in District 5 and that he will support the other Commissioners identifying their priorities in their districts; Commissioner Barry further provided comments concerning the importance of Wi-Fi for emergencies and that he would like to see boat ramps included due to potential medical emergencies;

(2) Discussed issues with Navy Point Park and advised staff to eliminate the waterfront park line from the spreadsheet, but to leave the boat ramp;

(3) Heard comments from Director Siders regarding the types of infrastructure that will be needed and installed at the various sites, the ability to block some content, that staff does have the ability to get and provide information on data usage, and that a 60-month contract will have to be signed;

(4) Heard comments from Parks and Recreation Director Michael Rhodes regarding Wi-Fi at sports fields;

(5) Discussed funding the infrastructure for parks and community centers in the City from CARES Act funding, but then having the yearly expense fall to the City;

(6) Agreed that each Commissioner would work with staff to prioritize parks/areas needing broadband access; and

(7) Was advised by County Administrator Janice Gilley that:

- Under the CARES Act, staff has been told that they cannot prepay for contracts, but that they can purchase equipment and pay for one year
- Staff will continue to push to try and pay ahead and be billed for the five-year contract up front
- She will bring an agenda item back next week to be voted on for costs

B. Board Direction – None.

Speaker(s):

Will Dunaway

AGENDA ITEMS – Continued

8. CARES Update

A. Board Discussion – The C/W:

(1) Was advised by Commissioner Barry that after conversation with Meredith Reeves, Neighborhood Enterprise Manager, regarding the progress of the Rent and Mortgage Assistance Program, he would like to see if the Board would consider increasing the award from $3,000 to $7,500 to better assist the citizens and not just landlords or lienholders;

(2) Discussed the parameters for this program and was advised by Ms. Reeves that the Board's discretion is only on the max award, not the parameters, and that there are 40-50 applications close to completion;

(3) Requested that staff finish working through applications where the citizens have submitted all documentation, and attempt to steer other applicants to the County's CARES funds for individual and family assistance;

(4) Heard comments from Commissioner Bender regarding the ability to verify data through the IRS and was advised that he would like to see this accomplished if there is a way to do so;

(5) Was advised by Ms. Reeves that up to ten percent of the grant can be utilized for administration and that it is being used for temporary staffing;

(6) Heard an update on the Individual and Family Assistance grants and was advised by Clara Long, Neighborhood and Human Services Director, that staff has reviewed thousands of applications in the last few days and that 634 are ready for final review and to be sent to the Clerk's office; Honorable Pam Childers advised that her staff is going to put in writing that the Clerk's office will accept typed signatures on the W-9 forms;

(7) Heard an update from Assistant County Administrator Debbie Bowers on the Business funding for CARES and was advised that if all 300 applications submitted were approved, $2.25 million in funding would be utilized;

(8) Agreed to move $3 million from Business to Individual/Family and increase the awards from $2,000 to $3,000; further agreed to not open new applications yet, but requested that staff come back to the Board with needs;

(Continued on Page 7)

AGENDA ITEMS – Continued

8. Continued…

   A. Continued…

      (9) Was advised by Assistant County Administrator Bowers that she feels the business side can manage with the loss of funds and suggested opening another round of applications, which may be discussed at the next meeting;

      (10) Was advised by Liz Kissel, Program Coordinator, that other counties have billed 100 percent of their EMS staff costs to CARES and that Escambia County is currently billing 50 percent; heard support from the C/W to bill as much as possible;

      (11) Agreed to support the highlighted options in the backup, which include the Escambia County Road Prison IAQ Proposal, the Sheriff's Office-148-Oransi EJ120 Air Purifiers, the Sheriff's Office-26-Body Temperature Kiosk, and the Neighborly Software use for the Family and Business Grant Applications; and

      (12) Briefly discussed the requests from Covenant Care and ARC Gateway and agreed to discuss non-profits more at a future meeting; and

   B. Board Direction – None.

9. Hurricane Update

   A. Board Discussion – The C/W:

      (1) Was provided with the following information from County Administrator Gilley:

      - Staff had a long-term recovery meeting yesterday with community partners
      - FEMA has already received approximately 11,000 applications for individual assistance and plans to move into their downtown offices soon
      - Staff has been working diligently to get in touch with contacts regarding debris removal in gated communities and FEMA is reaching out as well
      - Daily collection briefs and maps are being updated and sent out
      - Over 1.2 million cubic yards have been collected in the past 13 days

      (2) Heard the request from Wes Moreno, Public Works Deputy Director, to purchase three grapple trucks to assist with debris removal for $460,000 out of the Waste Services fund under an expedited purchase order; heard support from the Board to move forward with the purchase;

(Continued on Page 8)

AGENDA ITEMS – Continued

9. Continued…

A. Continued…

(3) Was advised by County Administrator Gilley that staff is working diligently to respond to calls, questions, and concerns; staff has emphasized the importance of excellent customer service with the contractors; Thompson Consulting is handling complaints regarding damage to property;

(4) Was further advised by County Administrator Gilley that the debris removal teams can go down a private road, but not a private drive, and that they cannot go in a gated community, but staff is trying to resolve this issue; staff will work with Commissioners if there are any issues in their respective districts;

(5) Heard comments of concern from Commissioner May regarding contractors working privately and misrepresenting themselves as working for the County; County Administrator Gilley will look into the issue;

(6) In response to inquiry from Commissioner May regarding LCD (land clearing debris) disposal, was advised by Pat Johnson, Waste Services Director, that staff has been evaluating options and quotes and did determine the best option based on FEMA best practices; was advised by Commissioner May that he would like more information on the bid process, especially relative to minority and local inclusion;

(7) Discussed impending Hurricane Delta and heard comments from Commissioner Bender asking that all citizens remain vigilant; and

(8) Was advised by Commissioner May that he wanted to make sure staff was informing citizens about contractors and scammers and was advised by County Administrator that staff will purchase additional air time on the radio concerning these issues; and

B. Board Direction – None.

10. Adjourn

Chairman Barry declared the C/W Workshop adjourned at 11:04 a.m.

MINUTES OF THE ATTORNEY-CLIENT SESSION OF THE ESCAMBIA COUNTY BOARD OF COUNTY COMMISSIONERS

GROWTH MANAGEMENT REPORT – Horace Jones, Director, Development Services Department

I. FOR ACTION

1. Recommendation: That the Board take the following action concerning recording Avellanas Estates (a 24-lot residential subdivision), located in the Ensley Community, lying west of Fowler Avenue and south of West Nine Mile Road (U.S. Alternate Highway 90), owned and developed by Aero Tide Investments, LLC. Prior to recording, the County Surveyor and the Clerk of the Circuit Court must sign the subdivision plat as set forth in Section 2-5.7, of the Escambia Land Development Code; also, prior to recording, the County Surveyor must sign the Final Plat as set forth in Chapter 177.081 (1) Florida Statute:

   A. Approve the subdivision plat for recording in the Public Records;

   B. Approve the street name "Avellanas Drive";

   C. Accept all public easements, pond, and drainage improvements within public easements as depicted upon the subdivision plat for permanent County maintenance; the cost of maintenance is to be funded through the establishment of a storm water management Municipal Services Benefit Unit (MSBU); and

   D. Authorize Chairman or Vice Chairman to execute a Two-Year Warranty Agreement without Surety.

Motion: So moved **For information:** Chairman Barry advised he would entertain a motion for items 1 and 2.
Made by: Commissioner May **Seconded by:** Commissioner Bergosh
Disposition: Carried 4-0, with Commissioner Underhill absent

2. Recommendation: That the Board take the following action concerning recording of Replat of Huntington Creek Third Addition (a 6-lot, private single-family residential subdivision), located in the Beulah Community off Mobile Highway (U.S. Highway 90), lying east of Beulah Road. Owned and developed by Clearwater 102, LLC. Prior to recording, the County Surveyor and the Clerk of the Circuit Court must sign the Final Plat as set forth in Section 2-5.7, of the Escambia Land Development Code; also, prior to recording, the County Surveyor must sign the Final Plat as set forth in Chapter 177.081 (1) Florida Statute:

   A. Approve the final plat for recording; and

II. BUDGET/FINANCE CONSENT AGENDA – Continued

7. Recommendation: That the Board take the following action:

   A. Approve and authorize the Chairman to sign the Resolution [R2020-144] authorizing Escambia County Fire Rescue to provide a disaster stipend payment, in the amount of $200, to the Volunteer Firefighters, who worked during the declared State of Emergency for Hurricane Sally. Florida Governor Ron DeSantis declared a State of Emergency in two Counties on Monday, September 14, 2020; and

   B. Authorize the four employees that did not meet the minimum requirement of 72 hours but had worked 70 hours in support of Hurricane Sally Fire Rescue efforts to receive the stipend payment, in the amount of $200.

Motion: Move the item in the affirmative, A and B
Made by: Commissioner Bergosh **Seconded by:** Commissioner Bender
Disposition: Carried 4-0, with Commissioner Underhill absent

8. Recommendation: That the Board approve and authorize Fire's Certified Paramedics to help staff the EMS unit posted 24/7 at Pensacola Beach. If any Fire personnel is utilized for the staffing of the EMS unit, they will be paid from EMS's Cost Center. Fire currently has 16 full-time and three part-time certified paramedics. The need for additional paramedics at the Pensacola Beach location is due to Hurricane Sally and the damage sustained to the three-mile bridge requiring employees to drive the additional distance to travel to the post location.

	Vendor	Amount	Contract Number

III. FOR DISCUSSION

1. Recommendation: That the Board discuss the Escambia CARES Act Plan update including the following topics:

   1. Update on the CARES Family Emergency Financial Assistance Grant;
   2. The CARES Business Assistance Grant;
   3. Assistance for implementing Grant programs; and
   4. The funding balance for CARES Programs.

Motion: I'll make that motion
For information: Chairman Barry advised that he would entertain a motion to ratify the Board's Discussion.

The Board:

- In reference to the Family CARES applications, gave direction for households where duplicate applications exist, to only consider the first qualified application submitted and disregard any subsequent, duplicate applications; if a gap in information exists on the first application, work with that application to obtain the additional necessary information
- Discussed and made comments in support of moving $1.5 million from the Business CARES allocation to the Family CARES allocation [this action was taken with the approval for CAR III-5]
- Agreed that in order to increase the funding for the Family CARES portion to a total of $16.5 million, to take $2.5 million from the $21,885,029 that is needed to reach the total allocation for Phase 3
- Identified the necessity of increasing the "Public Health and Safety" allocation from $10,081,094 to $10,500,000, and the "COVID Operations and Oversight" from $180,000 to $200,000
- Made comments in support for the Animal Services request of $15,651.70;
- Briefly addressed paying the Dispatch Salaries of $1,673,000
- Discussed putting a line on Corrections Medical Payroll for 70% of the estimated cost at 2.66

(Continued on Page 37)

COUNTY ADMINISTRATOR'S REPORT – Continued

III. FOR DISCUSSION – Continued

1. Continued…

Motion: Continued…
For information: Continued…

The Board:

- Discussed the FEMA eligible expenses of $749,023.69 from August and September that have yet to be submitted and the FEMA allocations for the City to be determined once numbers are received
- Made comments in support of paying overtime for the City of Pensacola police officers at $15,934.12
- Discussed designating the leftover amount yet to be allocated as a plug number for the Fire, Correctional, and Detention Officers Salary reimbursement and if the Board decides to take up additional items it can be moved from this plug number in the future
- Discussed the payment of the Medical Examiner and adding the $190,750 as a line item as a reference point
- Made comments in support of using a portion of the remaining allocation amount for the Escambia County Parks and Facilities Broadband in the amounts of $720,320 as a one-time CARES expense and $441,350 which includes the first total yearly cost for parks and community centers; heard comments from Michael Rhodes, Parks and Recreations Director, about discussions with the City of Pensacola concerning this project and their possible interest in being included in it; gave direction to staff to negotiate the terms of this contract
- Heard comments from Commissioner May regarding the possible need for laptops for students impacted by COVID and getting prices for that equipment
- Discussed the plug number and the additional items that may be taken from that remaining allocation amount at the November 12th Special Meeting

Made by: Commissioner Bergosh
Seconded by: Commissioner May

Disposition: Carried 4-0, with Commissioner Underhill absent

III. FOR DISCUSSION – Continued

5. Recommendation: That the Board take the following action:

   A. Reallocate $3 million from Business CARES Act to Family CARES Act;
   B. Increase the Family CARES Act from $2,000 to $3,000 per household;
   C. Seek reimbursement for 100% of Escambia County's EMS Staff from March 1, 2020, through December 30, 2020;
   D. Pay the Escambia County Road Prison IAQ Proposal of $13,140 from the Public Health & Safety CARES Act bucket;
   E. Reimburse the Sheriff's Office for 148 Oransi EJ120 Air Purifiers, for a total of $118,252, from the Public Health & Safety CARES Act bucket;
   F. Reimburse the Sheriff's Office for 26 Body Temperature Kiosks, for a total of $71,500, from the Public Health & Safety CARES Act bucket; and
   G. Pay the two Neighborly Software Invoices from the COVID-19 Operations & Oversight bucket.

Motion: Move A through H **For information:** Chairman Barry advised that this item was amended to increase the allocation in A. from Business CARES to Family CARES an additional $1.5 million for a total of $4.5 million and added H. which increased the Community Redevelopment Rent and Mortgage Assistance Program funds to $7,500 per household.
Made by: Commissioner Bender **Seconded by:** Commissioner Bergosh
Disposition: Carried 4-0, with Commissioner Underhill absent

COUNTY ATTORNEY'S REPORT – Alison Rogers, County Attorney

I. FOR ACTION

1. Recommendation: At the request of Commissioner Steven Barry, that the Board take the following action:

   A. Approve the Ground Lease with the School Board of Escambia County, Florida for approximately two acres of the former Ransom Middle School property for development of a community center; and

   B. Authorize the Chairman or Vice-Chairman to sign the Ground Lease.

ANNOUNCEMENTS – None.

ADJOURNMENT

There being no further business to come before the Board, Chairman Barry declared the Regular Meeting of the Board of County Commissioners adjourned at 12:58 p.m.

BOARD OF COUNTY COMMISSIONERS
ESCAMBIA COUNTY, FLORIDA

By: _____
Steven Barry, Chairman

ATTEST:

Pam Childers
Clerk of the Circuit Court & Comptroller

_____
Deputy Clerk

Approved: November 5, 2020

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18765 **Growth Management Report 10. 1.**
BCC Regular Meeting
Meeting Date: 11/05/2020
Issue: Review of Rezoning Case Heard by the Planning Board on October 6, 2020
From: HORACE JONES, Director
Organization: Development Services

RECOMMENDATION:

Recommendation Concerning the Review of the Rezoning Case Heard by the Planning Board on October 6, 2020

That the Board take the following action concerning the rezoning case heard by the Planning Board on October 6, 2020:

A. Review and either adopt, modify, or overturn the Planning Board's recommendation for Rezoning Case Z-2020-07 or remand the case back to the Planning Board; and
B. Authorize the Chairman to sign the Orders of the Escambia County Board of County Commissioners for the rezoning case that were reviewed.

Case No.:	**Z-2020-07**
Address:	900 BLK Dog Track Road
Property Reference No.:	25-2S-31-1302-000-001 and 25-2S-31-2402-000-000
Property Size:	20.43 (+/-) acres
From:	MDR, Medium Density Residential district (10 du/acre)
To:	HDMU, High Density Mixed-use district (25 du/acre)
FLU Category:	MU-U, Mixed-Use Urban and MU-S, Mixed-Use Suburban
Commissioner District:	1
Requested by:	Joe A. Rector, Jr., Mullins LLC, Agent for Bellview Development Company, Inc. / Linda O'Neill
Planning Board Recommendation:	Approval
Speakers:	Joe Rector

BACKGROUND:

The above case was owner initiated and heard at the October 6, 2020, Planning Board meeting. Under the Land Development Code (LDC) Chapter 2, Article 7, "the Board of County Commissioners, at its scheduled hearing shall adopt, modify, or reject the recommendation of the Planning Board or SRIA or return the rezoning case to the board with instructions for additional facts or clarification. The staff of the recommending board shall inform the board of all formal actions taken by the BCC on the rezoning request.

To further the County's policy of "decreasing response time from notification of citizen needs to ultimate resolution," the Board is acting on both the approval of the Planning Board recommended order and the LDC Map Amendment for this month's rezoning cases. This report item addresses only the review and upholding of the Planning Board's recommendation. The next report item will address the Public Hearing for the LDC Zoning Map Amendment.

BUDGETARY IMPACT:

This action may increase the ad valorem tax base for Escambia County.

LEGAL CONSIDERATIONS/SIGN-OFF:

The recommended order is the result of deliberations by the Planning Board based the applicants presentation of competent substantial evidence for each of the approval conditions, on staff analysis, public testimony, and knowledge of the Comprehensive Plan and Land Development Code as well as case law and Florida Statutes.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

The Chairman will need to sign the Orders of the Escambia County Board of County Commissioners either denying or approving the rezoning request.

IMPLEMENTATION/COORDINATION:

The cases under review are presented to the Planning Board for collection of evidence. The Planning Board conducts a quasi-judicial public hearing and issues a recommended order to the Board of County Commissioners.

PROCEEDINGS.....4

CERTIFICATE OF REPORTER.....20

P R O C E E D I N G S

THE CHAIRMAN: I will hereby call to order the October 6, 2020 quasi-judicial hearing. We do have enough members for a quorum here.

At this time, I'd like to ask you to please stand for the Pledge of Allegiance.

(Pledge of Allegiance recited.)

THE CHAIRMAN: Thank you. And good morning to everybody.

Please put your phones on silent so we don't interrupt the meeting.

I know Mr. Pyle is on his way. He got tied up, I think, with some of the storm debris clean-up traffic possibly.

So at this time I'd like to ask staff, do we have proof of publication of the meeting?

MS. MERLIN: Yes.

THE CHAIRMAN: Okay. Does that meet all of the legal requirements?

MS. MERLIN: Yes, sir.

THE CHAIRMAN: Okay. The Chair will entertain a motion to waive the reading of that legal.

MR. RUSHING: So moved.

MR. FEARS: Second.
THE CHAIRMAN: Motion and a second.
All those in favor say "aye."
(Chorus of "ayes.")
THE CHAIRMAN: Anyone opposed?
(No response.)
THE CHAIRMAN: All right. Thank you.
You've been previously provided the minutes from the last meeting. Are there any additions, deletions or corrections to these meeting minutes?
(No response.)
THE CHAIRMAN: Hearing none, the Chair will entertain a motion to accept.
MS. MEADOR: There's not minutes on this one. That will be the next agenda.
THE CHAIRMAN: Okay. All right. Skip that one, then. Okay.
You've been previously provided the rezoning Planning Board meeting package for the quasi-judicial hearing.
The Chair will entertain a motion to accept that and the legal advertisement into evidence.
MR. INGWELL: So moved.

THE CHAIRMAN: Motion.
MR. FEARS: Second.
THE CHAIRMAN: Second.
All in favor?
(Chorus of "ayes.")
THE CHAIRMAN: Opposed?
(No response.)
THE CHAIRMAN: Motion carries.
MR. SMITH: Mr. Briske, if I may, may I say something, please?
We do want to continue to emphasize the mask hearing if you are not -- for the public. If you are not six feet apart, we definitely need for you to have a mask on.
It's preferred to have a mask anyway, but if you choose not to wear one, we ask for everyone, everyone that's in here, to please be six feet apart, or the preferred option is to wear a mask.
Are we all good? We're all good. Thank you.
Thank you, Mr. Briske.
THE CHAIRMAN: At this time I'll ask that Dave, our court reporter, to please swear in the members of staff that will be testifying in the

quasi-judicial.
(Members of staff were duly sworn and affirmed.)
THE CHAIRMAN: Thank you, sir.
Board members, you've previously qualified all of these staff members as experts in the area of land use and planning.
Do any of you have questions regarding their qualifications or their ability to offer that expert testimony?
(No response.)
THE CHAIRMAN: Hearing none, the record will reflect that these staff members will be considered experts in the area of land use and planning.
At this hearing, the Planning Board is acting under its authority to hear and make recommendations to the Board of County Commissioners on rezoning applications.
These hearings are quasi-judicial in nature. Quasi-judicial hearings are like evidentiary hearings in a court of law, however, less formal.
All testimony will be given under oath, and anyone testifying before the Planning Board

may be subject to cross-examination.
All documents and exhibits that the Planning Board considers will be entered into evidence and made part of the record.
Opinion testimony will be limited to experts, and closing arguments will be limited to the evidence in the record.
Before making a decision, the Planning Board will consider the relevant testimony, the exhibits entered into evidence, and the applicable laws.
Each individual who wishes to address the Planning Board must complete a speaker request form and submit it to our staff members. They're located at the rear of the chambers. You will not be allowed to speak unless we have received a completed form.
Please also note that only those individuals who are present and give testimony on the record before the Planning Board will be allowed to speak at the subsequent hearing before the Board of County Commissioners. No new evidence can be presented to the BCC meeting. Therefore, all testimony and evidence must be presented today.

The Planning Board will provide a recommendation for each rezoning request to the BCC. They will then review the testimony, the documents, exhibits, and consider the closing arguments. They will make a final decision. All decisions by the BCC are final.

Anyone who wishes to seek judicial review of that decision must do so in a court of competent jurisdiction within 30 days of the date the BCC either approves or rejects the recommended order of the Planning Board.

All written or oral communications outside of this hearing with the members of the Planning Board regarding any matters under consideration today are considered ex parte communications. Ex parte communications are presumed prejudicial under Florida law and must be disclosed as provided in BCC Resolution 96-13.

As each case is heard, the Chair will ask any board member that has been involved in ex parte communication please identify themselves and describe that communication.

The rezoning criteria. If we could bring that up on the board, please.

(Rezoning criteria recited.)

THE CHAIRMAN: We just have one quasi-judicial case today.

With that, we'll jump right into it. The first case for consideration is Z-2020-07. The applicant is Joe Rector, representing Mullins LLC, agent for Bellview Development Company, 900 block of Dog Track Road, 20.43 plus-minus acres, from medium-density residential, 10 dwelling units an acre to high-density mixed-use district, 25 dwelling units per acre.

Members of the Board, I'll now ask if there's been any ex parte communication between you, the applicant, agents, attorneys, witnesses, fellow Planning Board members or anyone from the general public prior to this hearing.

I'll also ask if you have visited the subject property. And please disclose if you are a relative or business associate of the applicant, agent or any parties associated.

Good morning, Steve. We'll start with you.

MR. OPALENIK: Good morning.

No to all.

THE CHAIRMAN: Thank you.

Mr. Sammons.

MR. SAMMONS: No to all.

THE CHAIRMAN: Thank you.

Tim?

MR. PYLE: No to all, other than being on the job site -- or the site, property site.

THE CHAIRMAN: Chairman, no to all.

MR. FEARS: No to all.

MR. INGWELL: No to all.

MR. RUSHING: No to all.

THE CHAIRMAN: Ms. Hightower.

MS. HIGHTOWER: No to all.

THE CHAIRMAN: Thank you.

Staff, was a hearing sent to all -- excuse me -- the notice of hearing sent to all interested parties?

MS. MERLIN: Yes, sir.

THE CHAIRMAN: Okay. Thank you.

Was it also correctly posted on the subject property?

MS. MERLIN: Yes, sir.

THE CHAIRMAN: Okay. Mr. Rector, do you have any objections to the photography or the maps being shown?

MR. RECTOR: No.

THE CHAIRMAN: Okay. He's indicated no, so staff members, if you'll please do that part of the presentation.

MR. FISHER: Thank you, Chair and Board members. Jon Fisher here, senior planner.

Here on the screen we have the rezoning case Z-2020-07. This is the location map showing it between Dog Track and south of Highway 98.

This is the zoning map showing that it is currently zoned MDR with surrounding of HC/LI, HDMU that are adjacent.

And this is the proposed zoning map, what it would look like if approved to the BCC.

This is the future land-use map. You can see it actually has two different designations. The first parcel is MUU, mixed-use urban. The other one is mixed-use suburban.

This is the aerial map.

And this is showing some of the rezoning cases in the past, back to like 2007, that all these rezoning cases were approved in the past, just for your information.

This is showing the surrounding subdivision names and subdivisions that have

been platted in the area.
This is the wetlands map. One of the parcels has heavy wetlands on the west side of the property.
This is the public hearing sign.
This is looking north along Dog Track Road.
This is looking west on the subject property.
This is looking south along Dog Track road.
This is looking east from the subject property.
And this is the application.
THE CHAIRMAN: Okay, Jon. Thank you.
Could you go back to the aerial picture for just a moment?
MR. FISHER: Mm-hmm.
THE CHAIRMAN: I just had a question on that.
MR. FISHER: Sure.
THE CHAIRMAN: What's that waterway that goes behind the property there? Is that a named waterway?
MR. FISHER: I cannot remember off the top

of my head.
MR. PYLE: It's a little --
MR. FISHER: Kind of like a --
MR. PYLE: -- up in that area. But if you get -- if you look up to where -- I'm sorry. If you look up where Highway 98 is to the left in front of Riola, there is an overpass, a bridge. People do launch very low boats there.
It goes back, but as it heads to the -- I guess that's the north.
MR. FISHER: I believe that the north side --
MR. PYLE: Or it's the other --
MR. FISHER: -- is actually a launch pad --
MR. PYLE: Yes.
MR. FISHER: -- but the county owns a part that goes out to the bay.
THE CHAIRMAN: Right. Okay. I seem to remember that.
MR. PYLE: And then it gets back behind the Blue Angel Elementary School.
MR. FISHER: A bayou more or less we'd probably call it.
THE CHAIRMAN: Okay. All right. Just was

curious. That kind of provides a natural buffer in there between some of the other areas. Okay. Thank you.
Mr. Rector, if you'll come forward, please.
Good morning, sir. If you'll please be sworn in.

JOE RECTOR, upon being duly sworn, was examined and testified as follows:

THE CHAIRMAN: Thank you, sir.
If you'll state your name and address for the record.
MR. RECTOR: My name is Joe Rector, 41 North Jefferson Street, here in Pensacola, with Mullins, LLC.
THE CHAIRMAN: Thank you, sir.
MR. RECTOR: Thank you.
THE CHAIRMAN: Have you received a copy of the rezoning hearing package and the staff's findings of fact?
MR. RECTOR: Yes.
THE CHAIRMAN: All right. Thank you, sir.
Do you understand that you have the burden

of providing substantial, competent evidence that the proposed rezoning is consistent with the Comprehensive Plan, furthers the goals, objectives and policies of that plan, and is not in conflict with the Land Development Code?
MR. RECTOR: Yes.
THE CHAIRMAN: All right, sir. Please proceed.
MR. RECTOR: Okay. As you may recall at a previous meeting, we brought the actual Dog Track property in for a future land-use amendment.
That was transferred to Tallahassee recently. And this parcel that we're looking at here that's the 22 acres just to the north of it is a continuation of that overall plan development that we're putting together there at the little -- repurpose the Dog Track site into a multiphased residential development of single-family on one end, with a mix of some apartments and townhomes, with a commercial component out in the front toward Dog Track in the future.
And this piece is -- was a piece that already had their future land use that was

needed to be able to acquire the eventual density and development type that we were looking for, with just the need to request the rezoning to this, HDMU, which as the map previously showed that it was consistent with the parcel. It's just to the north of us.

And then the piece that is to the south, that's the 88 acres of Dog Track is already zoned HC/LI. So it kind of brings it all in the similar-type zoning.

And it gives us the ability to be able to get the whole site that we're going to be developing there under one type of land use and development there.

We reviewed all of the staff's findings and agreed that, as we had stated in our report as well, that it was not -- there's no spot zoning. It is consistent with the growth patterns in the area, and that . . . and it seems that the staff had agreed with all those findings as well.

So if you have any particular questions, I can answer those and drill down into them with any -- with any more detail that you'd like.

THE CHAIRMAN: Okay. Is Mr. Mark Connor

one of your witnesses?

MR. RECTOR: Yes.

THE CHAIRMAN: Okay. The reason I ask is, in some cases when you agree with the staff's findings, we can do expedited if there's no one else signed up to speak on a case.

In this particular case, I don't have any other speakers signed up, so it's the pleasure of the Board if you want to go through that expedited process or go through and have the staff go through all of the findings.

MR. FEARS: Make a motion we expedite.

THE CHAIRMAN: Okay. All right. Motion to expedite, which basically means that the findings of fact are part of the record. We just don't read them in again to the record. So they're part of that.

Before we go on with that -- I'm sorry?

MR. FISHER: Mr. Chair, I would like to make just one comment. As he had mentioned, the parcels to the south went through future land-use map amendment. We received that from this DEO I believe last week or two weeks ago. They'll be going to the November 5th BCC for either denial or approval, but DEO did not have

any comments.

THE CHAIRMAN: Okay. All right. Thank you. Is there anyone, before we make a motion on this, that wants to speak on this matter from the public?

(No response.)

THE CHAIRMAN: Okay. Hearing none, the Chair will entertain a motion.

MR. PYLE: I make a motion to approve Z-2020-07, as noted in the county's and staff's findings.

MR. FEARS: Second.

THE CHAIRMAN: Motion and second.

Any further discussion?

(No response.)

THE CHAIRMAN: All those in favor say "aye."

(Chorus of "ayes.")

THE CHAIRMAN: Opposed?

(No response.)

THE CHAIRMAN: Good luck with it, sir.

Motion carries unanimously. I think that possibly is the fastest quasi-judicial hearing we've ever had.

(Hearing concluded at 8:50 a.m.)

CERTIFICATE OF REPORTER

STATE OF FLORIDA)
)
COUNTY OF ESCAMBIA)

I, DAVID A. DEIK, CP, CPE, Professional Court Reporter, certify that I was authorized to and did stenographically report the foregoing Planning Board proceedings; and that the transcript is a true record, to the best of my ability, of the proceedings contained herein.

I further certify that I am not a relative, employee, attorney, or counsel to any of the parties, nor am I a relative or employee of any of the parties' attorney or counsel connected with the action, nor am I financially interested in the action.

Planning Board-Rezoning **6. A.**

Meeting Date:	10/06/2020
CASE :	Z-2020-07
APPLICANT:	Joe A. Rector, Jr. / Mullins LLC Agent for Bellview Development Company, Inc. / Linda O'Neill
ADDRESS:	900 Blk Dog Track Road
PROPERTY REF. NO.:	25-2S-31-1302-000-001, 25-2S-31-2402-000-000
FUTURE LAND USE:	MU-U, Mixed-Use Urban & MU-S, Mixed-Use Suburban
DISTRICT:	1
OVERLAY DISTRICT:	N/A
BCC MEETING DATE:	11/05/2020

SUBMISSION DATA:
REQUESTED REZONING:

FROM: MDR, Medium Density Residential district (10 du/acre)

TO: HDMU, High Density Mixed-use district (25 du/acre)

RELEVANT AUTHORITY:

(1) Escambia County Comprehensive Plan
(2) Escambia County Land Development Code
(3) Board of County Commissioners of Brevard County v. Snyder, 627 So. 2d 469 (Fla. 1993)
(4) Resolution 96-34 (Quasi-judicial Proceedings)
(5) Resolution 96-13 (Ex-parte Communications)

APPROVAL CONDITIONS

Criterion a., LDC Sec. 2-7.2(b)(4)
Consistent with Comprehensive Plan
The proposed zoning is consistent with the future land use (FLU) category as prescribed in LDC Chapter 3, and with all other applicable goals, objectives, and policies of the Comprehensive Plan. If the rezoning is required to properly enact a proposed FLU map amendment transmitted for state agency review, the proposed zoning is consistent with the proposed FLU and conditional to its adoption.

CPP FLU 1.3.1 Future Land Use Categories. The Mixed-Use Urban (MU-U) Future Land Use (FLU) category is intended for an intense mix of residential and nonresidential uses while promoting compatible infill development and the separation of urban and suburban land uses within the category as a whole. Range of allowable uses include: Residential, Retail and Services, Professional Office, Light Industrial, Recreational Facilities, Public and Civic, limited agriculture. The maximum residential density is 25 dwelling units per acre.

CPP FLU 1.5.1 New Development and Redevelopment in Built Areas. To promote the efficient use of existing public roads, utilities, and service infrastructure, the County will encourage the redevelopment in underutilized properties to maximize development densities and intensities located in the MU-S, MU-U, Commercial, and Industrial Future Land Use categories (with the exception of residential development).

CPP FLU 2.1.2 Compact Development. To promote compact development, FLUM amendments and residential rezonings to allow higher residential densities may be allowed in the Mixed-Use Urban (MU-U) and Mixed-Use Suburban (MU-S) future land use categories.

FINDINGS

The proposed amendment to HDMU **is consistent** with the intent and purpose of Future Land Use category MU-U as stated in CPP FLU 1.3.1. The MU-U FLU is intended for an intense mix of residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses within the category as a whole. The listed Range of Allowable Uses includes residential, retail and services, professional office, light industrial, recreational facilities, public, civic and limited agriculture. The amendment is also consistent with the intent of FLU 1.5.1 and FLU 2.1.2 by making use of the existing public roads and the availability of utilities and service infrastructure.

Criterion b., LDC Sec. 2-7.2(b)(4)

Consistent with Zoning District Provisions

The proposed zoning is consistent with the purpose and intent and with any other zoning establishment provisions prescribed by the proposed district in Chapter 3.

Sec. 3-2.7 Medium Density Residential district (MDR).

(a) Purpose. The Medium Density Residential (MDR) district establishes appropriate areas and land use regulations for residential uses at medium densities within suburban or urban areas. The primary intent of the district is to provide for residential neighborhood development in an efficient urban pattern of well-connected streets and at greater dwelling unit density than the Low Density Residential district. Residential uses within the MDR district are limited to single-family and two-family dwellings. The district allows non-residential uses that are compatible with suburban and urban residential neighborhoods.

Sec. 3-2.9 High Density Mixed-use district (HDMU).

(a) Purpose. The High Density Mixed-use (HDMU) district establishes appropriate areas and land use regulations for a complimentary mix of high density residential uses and compatible non-residential uses within urban areas. The primary intent of the district is to provide for a mix of neighborhood retail sales, services and professional offices with greater dwelling unit density and diversity than the Low Density Mixed-use district. Additionally, the HDMU district is intended to rely on urban street connectivity and encourage vertical mixes of commercial and residential uses within the same building to accommodate a physical pattern of development characteristic of village main streets and older neighborhood commercial areas. Residential uses within the district include all forms of single-family, two-family and multi-family dwellings al and residential uses within the same building to accommodate a physical pattern of development characteristic of village main streets and older neighborhood commercial areas. Residential uses within the district include all forms of single-family, two-family and multi-family dwellings.

(b)Permitted uses. Permitted uses within the HDMU district are limited to the following:

1. **Residential.** The following residential uses are allowed throughout the district, but if within a Commercial (C) future land use category they are permitted only if part of a predominantly commercial development.

a. Group living, excluding dormitories, fraternity and sorority houses, and residential facilities providing substance abuse treatment, post-incarceration reentry, or similar services.
b. Manufactured (mobile) homes, including manufactured home subdivisions, but excluding new or expanded manufactured home parks.
c. Single-family dwellings (other than manufactured homes), detached or attached, including townhouses and zero lot line subdivisions.
d. Two-family and multi-family dwellings.

See also conditional uses in this district.

(2) Retail sales. Small-scale (gross floor area 6000 sq.ft. or less per lot) retail sales, including medical marijuana dispensing facilities, sales of beer and wine, but excluding sales of liquor, automotive fuels, or motor vehicles, and excluding permanent outdoor storage, display, or sales. See also conditional uses in this district.

3. **Retail services.** The following small-scale (gross floor area 6000 sq.ft. or less per lot) retail services, excluding outdoor work or permanent outdoor storage:

a. Bed and breakfast inns.
b. Boarding and rooming houses.
c. Child care facilities.
d. Personal services, including those of beauty shops, health clubs, pet

groomers, dry cleaners, and tattoo parlors.
e. Professional services, including those of realtors, bankers, accountants, engineers, architects, dentists, physicians, and attorneys.
f. Repair services, including appliance repair, furniture refinishing and upholstery, watch and jewelry repair, small engine and motor services, but excluding major motor vehicle or boat service or repair.
g. Restaurants, and brewpubs, including on-premises consumption of alcoholic beverages, but excluding drive-in or drive-through service and brewpubs with distribution of alcoholic beverages for off-site sales.

See also conditional uses in this district.

4. **Public and civic.**

a. Preschools and kindergartens.
b. Emergency service facilities, including law enforcement, fire fighting, and medical assistance.
c. Foster care facilites.
d. Places of worship.
e. Public utility structures, excluding telecommunications towers.

See also conditional uses in this district.
5. Recreation and entertainment.

a. Marinas, private only.
b. Parks without permanent restrooms or outdoor event lighting.

See also conditional uses in this district.
6. Industrial and related. No industrial or related uses.
7.Agricultural and related. Agricultural production limited to food primarily for personal consumption by the producer, but no farm animals.
8. Other uses. [Reserved]

(c) Conditional uses. Through the conditional use process prescribed in Chapter 2, the BOA may conditionally allow the following uses within the HDMU district:

1. **Residential.**
   a. Dormitories.
   b. Fraternity and sorority houses.
   c. Manufactured (mobile) home parks.
2. **Retail sales.** Medium-scale (gross floor area greater than 6000 sq.ft. per lot, but no greater than 35,000 sq.ft.) retail sales, including sales of beer and wine and automotive fuels, but excluding sales of motor vehicles and liquor, and excluding permanent outdoor storage, display, or sales.
3. **Retail services.**

a. Medium-scale (gross floor area greater than 6000 sq. ft. per lot, but no

greater than 35,000 sq. ft.) retail services, excluding motor vehicle service and repair.
b. Restaurants and brewpubs with drive-in or drive-through service and brewpubs with the distribution of on-premises produced alcoholic beverages for off-site sales.
c. Small-scale (gross floor area 6000 sq.ft. or less per lot) major motor vehicle service and repair, excluding painting or body work and outdoor work.

4. **Public and civic.**

a. Broadcast stations with satellite dishes and antennas, excluding towers.
b. Cemeteries, including family cemeteries.
c. Clubs, civic and fraternal.
d. Community service facilities, including auditoriums, libraries, museums, and neighborhood centers.
e. Cinerators.
f. Educational facilities not among the permitted uses of the district.
g. Funeral establishments.
h. Hospitals.
i. Offices for government agencies or public utilities.
j. Public utility structures exceeding the district structure height limit and telecommunications towers of any height, excluding any industrial uses.
k. Warehousing or maintenance facilities for government agencies or public utilities.

(5)Recreation and entertainment.

a. Amusement arcade centers and bingo facilities.
b. Golf courses, tennis centers, swimming pools and similar active outdoor recreational facilities, including associated country clubs.
c. Parks with permanent restrooms or outdoor event lighting.

(6)Industrial and related. Microbreweries, microdistilleries, and microwineries

(7)Agricultural and related.

a. Horses or other domesticated *equines* kept on site, and stables for such animals, only as a private residential accessory with a minimum lot area of two acres and a maximum of one animal per acre.
b. Veterinary clinics.

(8)Other uses.

a. Self-storage facilities with a maximum lot area of one acre and outdoor storage limited to operable motor vehicles and boats. No vehicle rental.
b. Structures of permitted uses exceeding the district structure height limit, excluding telecommunications towers.

(d)Site and building requirements. The following site and building requirements

apply to uses within the HDMU district:

1. **Density.** A maximum density of 25 dwelling units per acre.
2. **Floor area ratio.** A maximum floor area ratio of 1.0 within the Commercial (C) future land use category and 2.0 within Mixed-Use Urban (MU-U).
3. **Structure height.** A maximum structure height of 150 feet above highest adjacent grade.
4. **Lot area.** No minimum lot area unless prescribed by use.
5. **Lot width.** For a new lot with a majority of its frontage along the outside of a street right-of-way curve whose radius is 100 feet or less, the minimum lot width at the right-of-way is 40 percent of the radius length, but not less than 20 feet. The minimum width for all other new lots is as follow:
6. **Single-family detached.** Forty feet at the street right-of-way for single-family detached dwellings.
7. **Two-family.** Eighty feet at the street right-of-way for two-family dwellings.
8. **Multi-family and other.** Eighty feet at the street right-of-way for multi-family dwellings, boarding or rooming houses, or townhouse groups. No minimum lot width required by zoning for other uses.
9. **Lot coverage.** Minimum pervious lot coverage of 20 percent (80 percent maximum semi-impervious and impervious cover) for all uses.
10. **Structure setbacks.** For all principal structures, minimum setbacks are:
11. **Front and rear.** Twenty feet in the front and 15 feet in the rear.
12. **Sides.** Ten feet on each side of a group of attached townhouses. On each side of all other structures, 10 feet or 10 percent of the lot width at the street right-of-way, whichever is less, but at least five feet. For structures exceeding 35 feet above highest adjacent grade, an additional two feet for each additional 10 feet in height, but not required to exceed 15 feet.
3. **Other requirements.** Refer to chapters 4 and 5 for additional development regulations and standards.
4. **Location criteria.** All new non-residential uses proposed within the HDMU district that are not part of a predominantly residential development or a planned unit development, or are not identified as exempt by district regulations, shall be on parcels that satisfy at least one of the following location criteria:
    1. **Proximity to intersection.** Along an arterial or collector street and within 200 feet of an intersection with another arterial or collector.
    2. **Proximity to traffic generator.** Along an arterial or collector street and within a one-quarter mile radius of an individual traffic generator of more than 600 daily trips, such as an apartment complex, military base, college campus, hospital, shopping mall or similar generator.
    3. **Infill development.** Along an arterial or collector street, in an area where already established non-residential uses are otherwise consistent with the HDMU district, and where the new use would constitute infill development of similar intensity as the conforming development on surrounding parcels. Additionally, the location would promote compact development and not contribute to or promote strip

commercial development.

4. **Site design.** Along an arterial street and at the intersection with a local street that serves to connect the arterial street to another arterial, and all of the following site design conditions:

a. Any intrusion into a recorded residential subdivision is limited to a corner lot
b. Access and stormwater management is shared with adjoining uses or properties to the extent practicable.
c. Adverse impacts to any adjoining residential uses are minimized by placing the more intensive elements of the use, such as solid waste dumpsters and truck loading/unloading areas, furthest from the residential uses.

(5) Documented compatibility. A compatibility analysis prepared by the applicant provides competent substantial evidence of unique circumstances regarding the parcel or use that were not anticipated by the alternative criteria, and the proposed use will be able to achieve long-term compatibility with existing and potential uses. Additionally, the following conditions exist:

a. The parcel has not been rezoned by the landowner from the mixed-use, commercial, or industrial zoning assigned by the county.
b. If the parcel is within a county redevelopment district, the use will be consistent with the district's adopted redevelopment plan, as reviewed and recommended by the Community Redevelopment Agency (CRA).

Rezoning to HDMU. High Density Mixed-use zoning may be established only within the Mixed-Use Suburban (MU-S), Mixed-Use Urban (MU-U), or Commercial (C) future land use categories. The district is suitable for areas where the intermixing of uses has been the custom, where future uses are uncertain, and some redevelopment is probable. The district is appropriate to provide transitions between areas zoned or used for medium or high density residential and areas zoned or used for commercial. Rezoning to HDMU is subject to the same location criteria as any new non-residential use proposed within the HDMU district.

FINDINGS

The proposed amendment **is consistent** with the intent and purpose of the Land Development Code. The proposed High Density Mixed-use zoning may be established only within the Mixed-Use Suburban (MU-S), Mixed-Use Urban (MU-U), or Commercial (C) future land use categories. The district is suitable for areas where the intermixing of uses has been the custom, where future uses are uncertain, and some redevelopment is probable. The district is appropriate to provide transitions between areas zoned or used for medium or high density residential and areas zoned or used for commercial. The parcel has not been rezoned by the landowner from the mixed-use, commercial, or industrial zoning assigned by the county. The parcel is not within a county redevelopment district.

Criterion c., LDC Sec. 2-7.2(b)(4)

Compatible with surrounding uses

All the permitted uses of the proposed zoning, not just those anticipated by the rezoning applicant, are compatible, as defined in Chapter 6, with the surrounding uses. The uses of any surrounding undeveloped land shall be considered the permitted uses of the applicable district. Compatibility is not considered with potential conditional uses or with any nonconforming or unapproved uses. Also, in establishing the compatibility of a residential use, there is no additional burden to demonstrate the compatibility of specific residents or activities protected by fair housing law.

FINDINGS

The proposed amendment **is compatible** with surrounding residential uses in the area. Within the 500' radius impact area, staff observed properties with zoning districts MDR (Medium-Density Residential), HDMU and HC/LI Heavy Commercial and Light Industrial. The current property has an established residential use. The residential uses for the proposed rezoning **is compatible** with the properties located to the North, South, East and West. The proposed rezoning to HDMU would abut existing and well-established residential area.

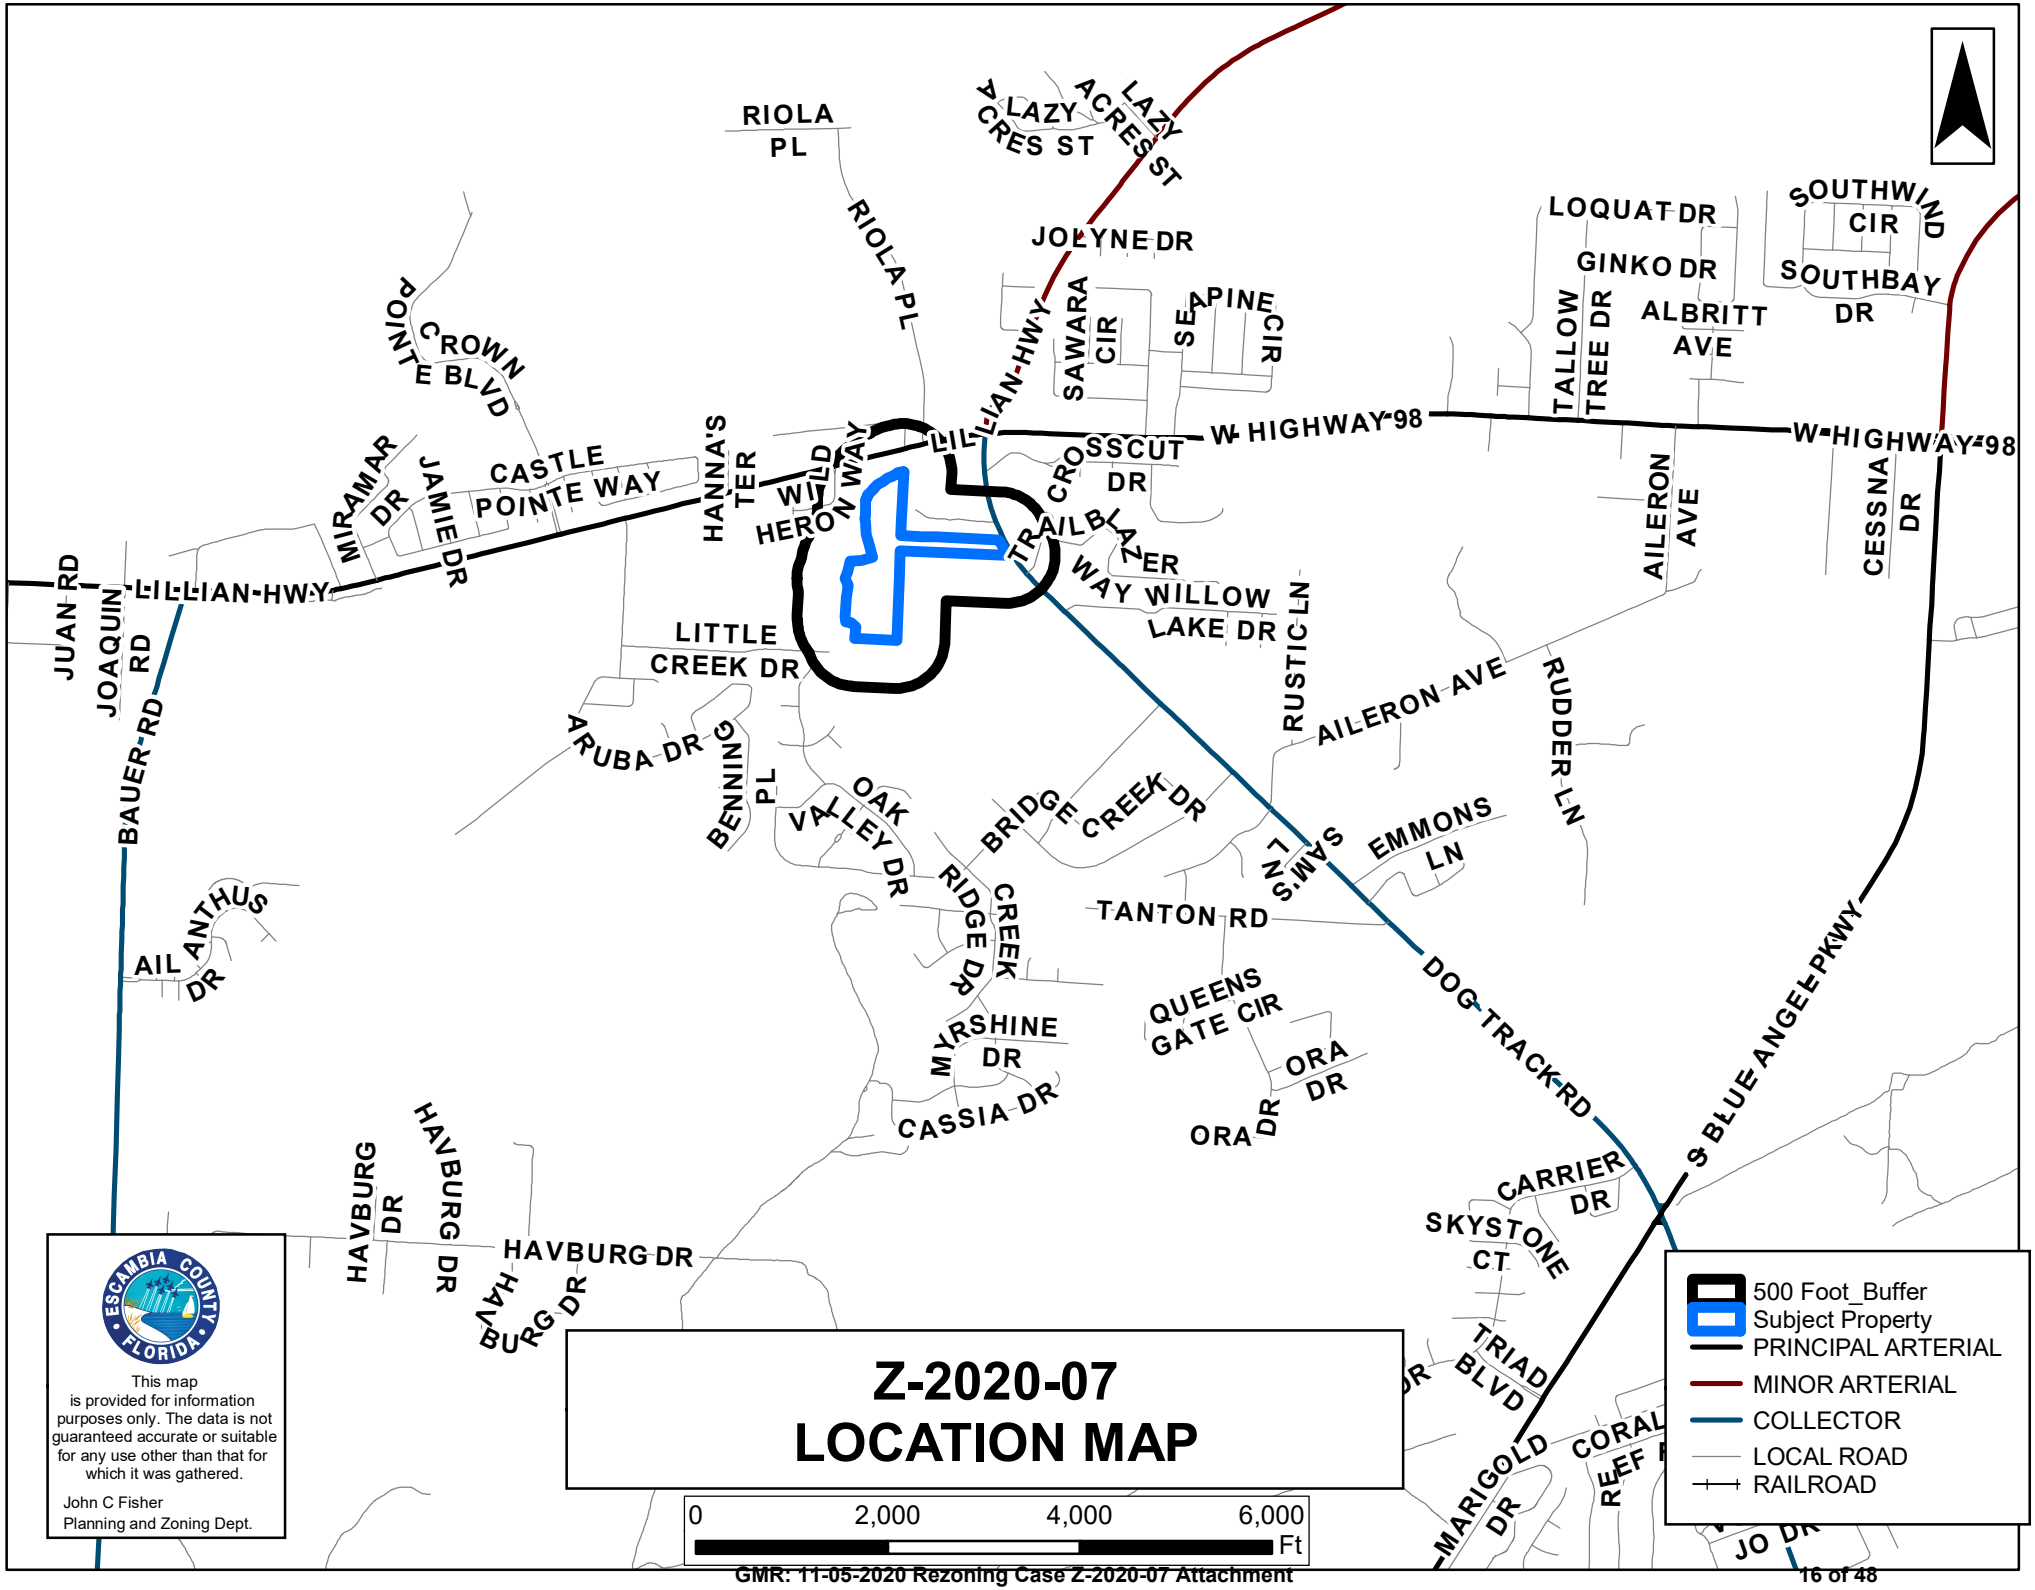
Criterion d., LDC Sec. 2-7.2(b)(4)

Appropriate if spot zoning. Where the proposed zoning would establish or reinforce a condition of spot zoning as defined in Chapter 6, the isolated district would nevertheless be transitional in character between the adjoining districts, or the differences with those districts would be minor or sufficiently limited. The extent of these mitigating characteristics or conditions demonstrates an appropriate site specific balancing of interests between the isolated district and adjoining lands.

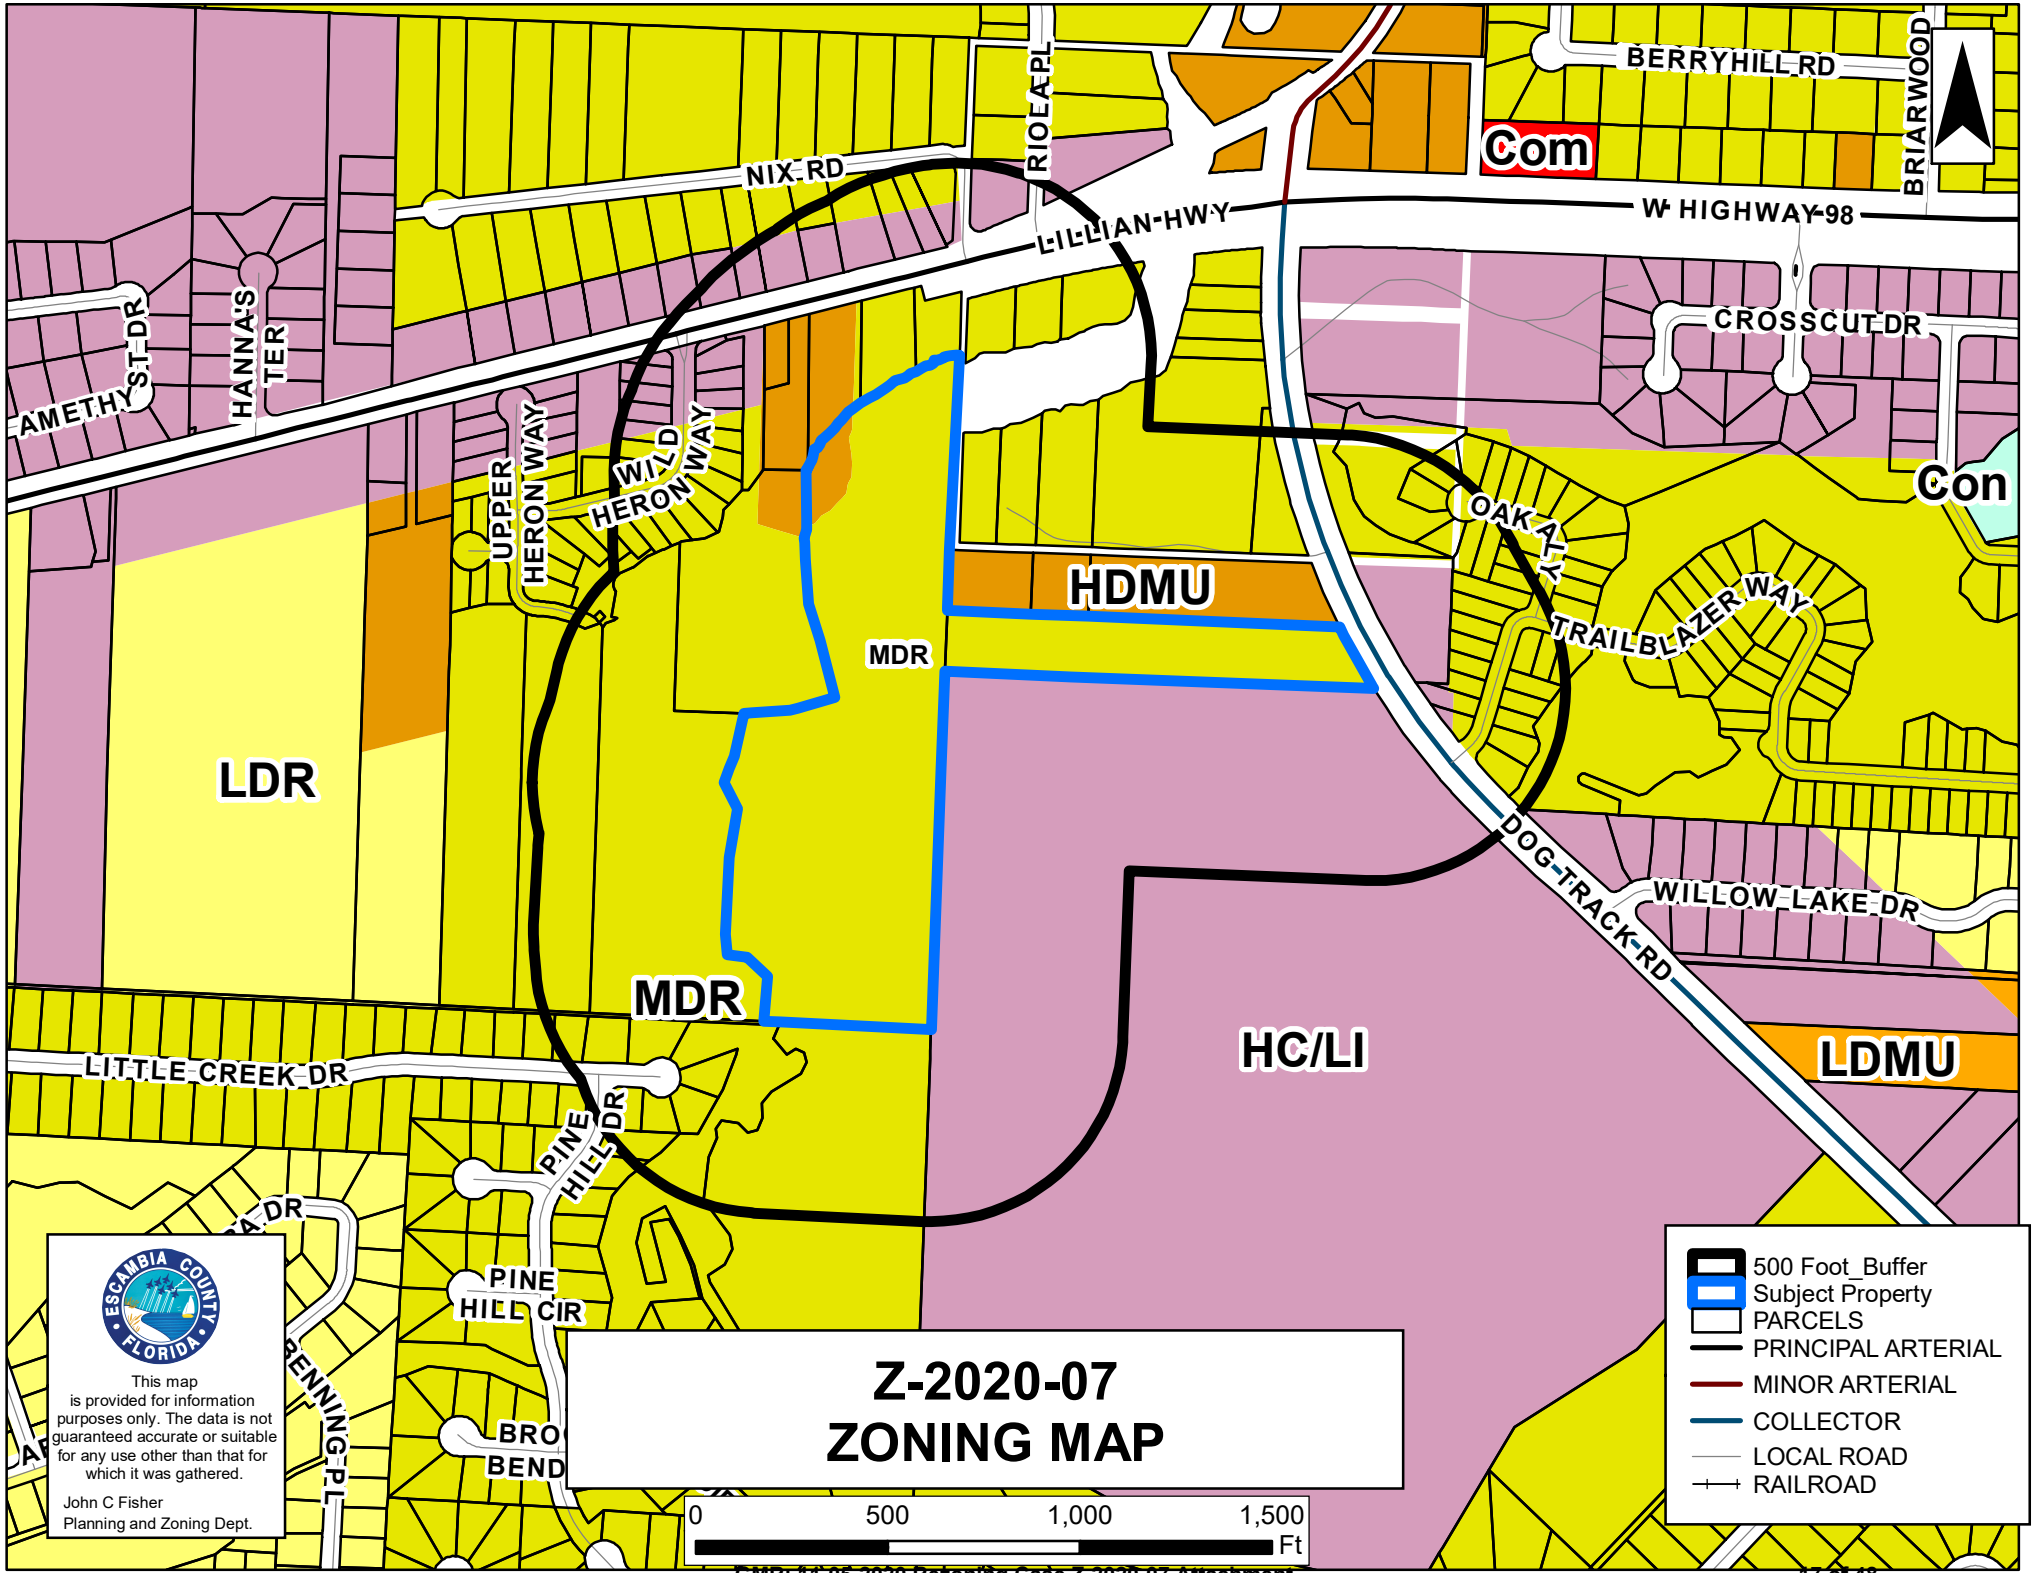
As per LDC Chapter 6, Spot Zoning is: *Zoning applied to an area of land, regardless of its size, that is different from the zoning of all contiguous land. Such isolated or "spot" zoning is usually higher in its density or intensity of use than the adjoining zoning and may, therefore, extend privileges not generally extended to property similarly located in the area. Spot zoning is not by itself prohibited, but due to its potentially adverse impacts on adjoining zoning it carries a higher burden of demonstration that, if authorized, it will contribute to or result in logical and orderly development*

FINDINGS

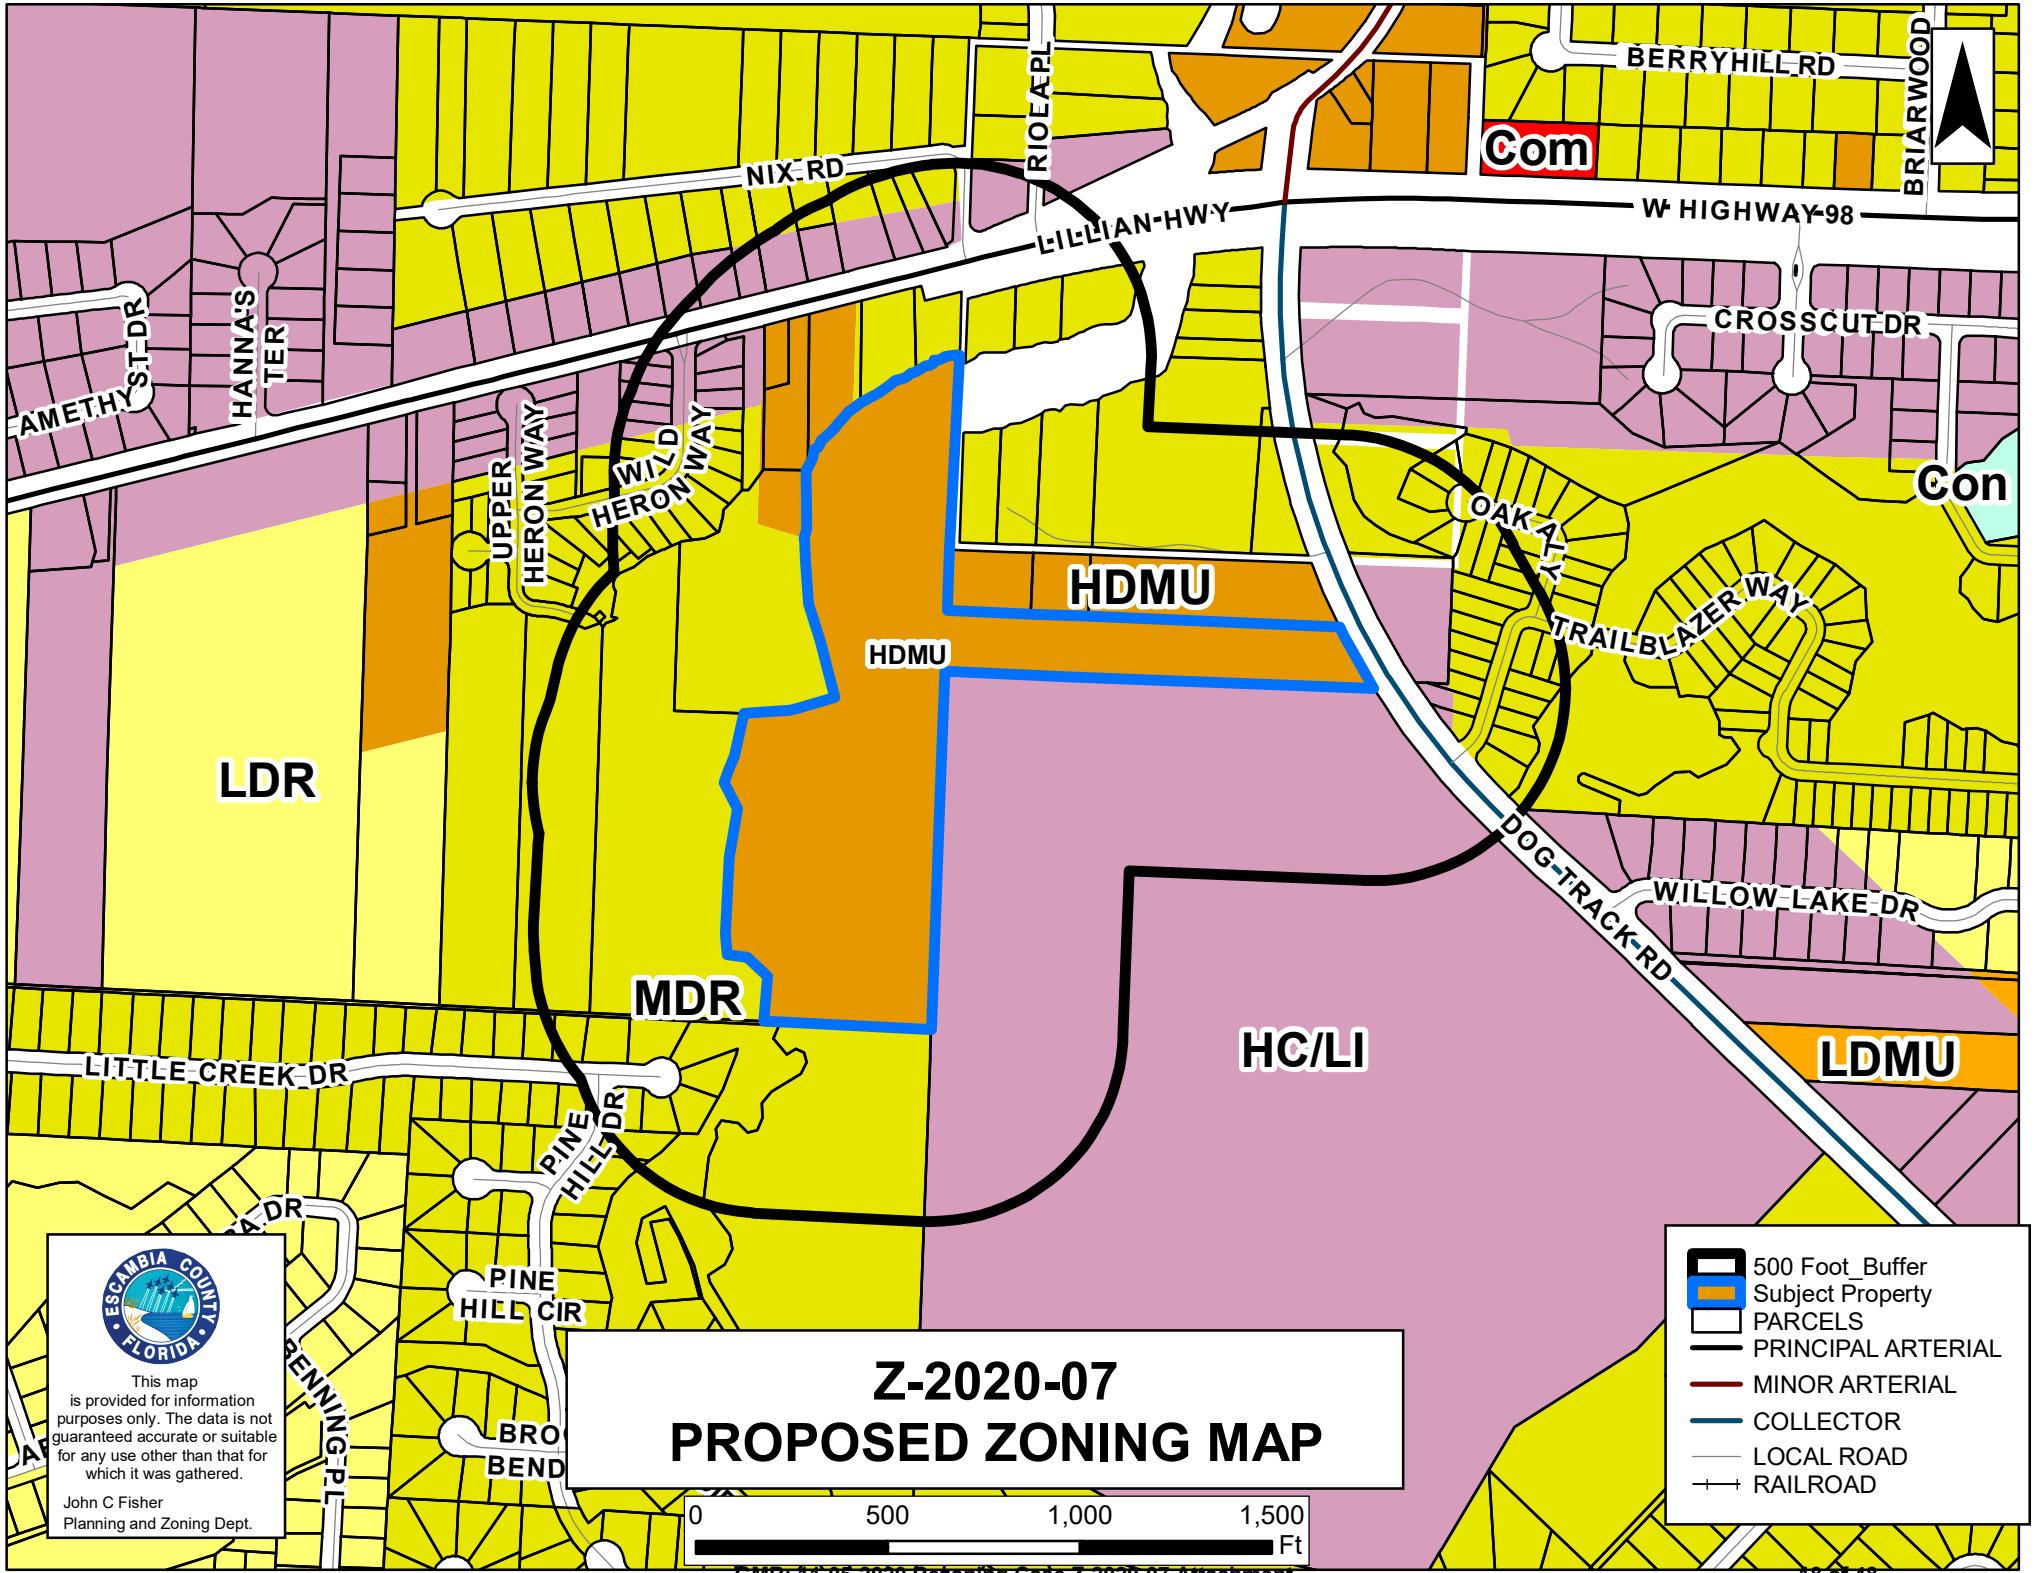
The requested zoning district **would not be considered** to be spot zoning as the adjoining parcel to the Northwest and North is currently zoned HDMU.



Criterion e., LDC Sec. 2-7.2(b)(4)



Appropriate with changed or changing conditions.
If the land uses or development conditions within the area surrounding the property of rezoning have changed, the changes are to such a degree and character that it is in the public interest to allow new uses, density, or intensity in the area through rezoning; and the permitted uses of the proposed district are appropriate and not premature for the area or likely to create or contribute to sprawl.



FINDINGS
The land uses or development conditions within the area surrounding the property of rezoning **have changed.** To the Northwest of the subject property there was a rezoning case Z-2007-24 from R-2 to R-6 was approved by the BCC on October 4, 2007 and adjacent to the North rezoning case Z-2007-15 from R-2 to R-6 was approved by the BCC on August 2, 2007. Across Dog Track Road east of the subject property rezoning case Z-2007-09 from SDD & C-2 to R-3 was approved by the BCC on July 19, 2007.
Currently a Large Scale Map Amendment to the south LSA-2020-02 from Commercial FLU to Mixed-Use Urban is being reviewed by DEO. The Planning Board recommended approval to the BCC on July 6, 2020 and the BCC approved the transmittal to DEO on August 6, 2020.

RE: Letter of Request – Bellevue Parcel Rezoning Request
25-2S-31-1302-000-001and25-2S-31-2402-000-000

To Whom It May Concern:

We respectively request the property described herein be granted the change of the current zoning to **HDMU** as depicted on the following page. The parcel previously held a zoning of MDR, with a small portion depicted as HDMU per the Escambia County GIS maps..

In light of the citizens of Florida voting to cease greyhound racing throughout the state, and following current development trends in the area, the subject parcel as well as the 88+/- acres parcel directly south, which was previously used for the Pensacola Greyhound Park, would be more appropriately used as a mixed used development consisting of a blend of multi-family residential, single family residential and commercial uses. With its proximity to Navy Federal Credit Union Campus on Nine Mile Road and Naval Air Station Pensacola, the development trends on the west side of Escambia County continue to show high demand for housing.

Thank you for consideration of our application and we trust you will find sufficient documentation supporting our request.

Sincerely,

Joe A. Rector, Jr.
Regional Vice President

   _____

   FLU Category: MU-U, MU-S

D. Is the subject property developed (if yes, explain): _____

_____

E. Sanitary Sewer: ☑ Septic: ☐

3. Amendment Request

Approval conditions. The applicant has the burden of presenting competent substantial evidence to the reviewing board establishing that the requested zoning district would contribute to or result in a logical and orderly development pattern. The appropriate surrounding area within which uses and conditions must be considered may vary with those uses and conditions and is not necessarily the same area required for mailed notification. A logical and orderly pattern shall require demonstration of each of the following conditions:

Please address *ALL* the following approval conditions for your rezoning request. (use supplement sheets as needed)

a. Consistent with Comprehensive Plan. The proposed zoning is consistent with the future land use (FLU) category as prescribed in LDC Chapter 3, and with all other applicable goals, objectives, and policies of the Comprehensive Plan. If the rezoning is required to properly enact a proposed FLU map amendment transmitted for state agency review, the proposed zoning is consistent with the proposed FLU and conditional to its adoption.

HDMU High density mixed-use is an allowable zoning per Sec. 3-1.3 - Zoning and future land use. Currently a portion of this property is already zoned HDMU, this according to the Escambia County GIS as shown in the attachment.

b. Consistent with zoning district provisions. The proposed zoning is consistent with the purpose and intent and with any other zoning establishment provisions prescribed by the proposed district in Chapter 3

Sec. 3-2.9 - High density mixed-use district (HDMU) allows for Two-family and multifamily dwellings. The property requesting is proposed for a townhome development which is consistent with this provision.

c. Compatible with surroundings. All the permitted uses of the proposed zoning, not just those anticipated by the rezoning applicant, are compatible, as defined in Chapter 6, with the surrounding uses. The uses of any surrounding undeveloped land shall be considered the permitted uses of the applicable district. Compatibility is not considered with potential conditional uses or with any nonconforming or unapproved uses. Also, in establishing the compatibility of a residential use, there is no additional burden to demonstrate the compatibility of specific residents or activities protected by fair housing law.

The attached current zoning map depicts the parcel directly north to the subject parcel is currently zoned HDMU, as we as indicated previously that a portion of this parcel is shown to be zone HDMU. Parcel directly east, across Dog Track Road are also HDMU. This is also consistent with the plans to further develop the parcel to the south, currently zoned HC/LI with a mixed use of commercial, single family residential and multifamily residential.

d. Appropriate if spot zoning. Where the proposed zoning would establish or reinforce a condition of spot zoning as defined in Chapter 6, the isolated district would nevertheless be transitional in character between the adjoining districts, or the differences with those districts would be minor or sufficiently limited. The extent of these mitigating characteristics or conditions demonstrates an appropriate site-specific balancing of interests between the isolated district and adjoining lands.

As per LDC Chapter 6, Spot Zoning is: *Zoning applied to an area of land, regardless of its size, that is different from the zoning of all contiguous land. Such isolated or "spot" zoning is usually higher in its density or intensity of use than the adjoining zoning and may, therefore, extend privileges not generally extended to property similarly located in the area. Spot zoning is not by itself prohibited, but due to its potentially adverse impacts on adjoining zoning it carries a higher burden of demonstration that, if authorized, it will contribute to or result in logical and orderly development*

Spot zoning is not applicable to the subject parcel.

e. Appropriate with changed or changing conditions. If the land uses or development conditions within the area surrounding the property of rezoning have changed, the changes are to such a degree and character that it is in the public interest to allow new uses, density, or intensity in the area through rezoning; and the permitted uses of the proposed district are appropriate and not premature for the area or likely to create or contribute to sprawl.

The requested zoning is appropriate with the changing conditions as the current use of the parcel directly south has historically been the site of the Pensacola Greyhound Park. With the recent changes in Florida ending greyhound racing, the site is in the process of being re-purposed for a mult-use development.

4. Please complete the following Forms: Concurrency Determination Acknowledgement and Affidavit of Owner/Limited Power of Attorney (if applicable).

CONCURRENCY DETERMINATION ACKNOWLEDGMENT

Property Reference Number(s): 25-2S-31-1302-000-001 and 25-2S-31-2402-000-000

Property Address: 900 BLK DOG TRACK RD

I/We acknowledge and agree that no future development for which concurrency of required facilities and services must be certified shall be approved for the subject parcel(s) without the issuance of a certificate of concurrency for the development based on the actual densities and intensities proposed in the future development's permit application.

I/We also acknowledge and agree that approval of a zoning district amendment (rezoning) or Future Land Use Map amendment does not certify, vest, or otherwise guarantee that concurrency of required facilities and services is, or will be, available for any future development of the subject parcels.

I/We further acknowledge and agree that no development for which concurrency must be certified shall be approved unless at least one of the following minimum conditions of the Comprehensive Plan will be met for each facility and service of the County's concurrency management system prior to development approval:

a. The necessary facilities or services are in place at the time a development permit is issued.

b. A development permit is issued subject to the condition that the necessary facilities and services will be in place and available to serve the new development at the time of the issuance of a certificate of occupancy.

c. For parks and recreation facilities and roads, the necessary facilities are under construction at the time the development permit is issued.

d. For parks and recreation facilities, the necessary facilities are the subject of a binding executed contract for the construction of the facilities at the time the development permit is issued and the agreement requires that facility construction must commence within one year of the issuance of the development permit.

e. The necessary facilities and services are guaranteed in an enforceable development agreement. An enforceable development agreement may include, but is not limited to, development agreements pursuant to Section 163.3220, F.S., or as amended, or an agreement or development order issued pursuant to Chapter 380, F.S., or as amended. For wastewater, solid waste, potable water, and stormwater facilities, any such agreement will guarantee the necessary facilities and services to be in place and available to serve the new development at the time of the issuance of a certificate of occupancy.

f. For roads, the necessary facilities needed to serve the development are included in the first three years of the applicable Five-Year Florida Department of Transportation (FDOT) Work Program or are in place or under actual construction no more than three years after the issuance of a County development order or permit.

I HEREBY ACKNOWLEDGE THAT I HAVE READ, UNDERSTAND AND AGREE WITH THE ABOVE STATEMENT ON THIS 13 DAY OF July, YEAR OF 2020.

5. Submittal Requirements

A. ☑ Completed application: All applicable areas of the application shall be filled in and submitted to the Planning and Zoning Department, 3363 West Park Place, Pensacola, FL 32505.

B. ☑ Application Fees: To view fees visit the website: http://myescambia.com/business/ds/planning-board or contact us at 595-3547

Note: Application fees include a $5 technical fee. Cost of the public notice mailing is to be borne by the applicant. Payments must be submitted prior to 3 pm of the closing date of acceptance of application. Please make checks payable to Escambia County. MasterCard and Visa are also accepted (a 3% fee will be added for credit card payments).

C. ☑ Legal Proof of Ownership (ex: copy of Tax Notice or Warranty Deed) **AND** a Certified Boundary Survey (Include Corporation/LLC documentation if applicable.)

D. ☑ Compatibility Analysis (if applicable): If the subject property does not meet the roadway requirements of Locational Criteria, a compatibility analysis prepared by the applicant is required to provide substantial evidence of unique circumstances regarding the parcel or use that were not anticipated by the alternative criteria. (See "Documented Compatibility" within the request zoning district of the LDC.)

E. ☑ Signed and Notarized Affidavit of Owner/Limited Power of Attorney AND Concurrency Determination Acknowledgement (pages 4 and 5).

By my signature, I hereby certify that:

1) I am duly qualified as owner(s) or authorized agent to make such application, this application is of my own choosing, and staff has explained all procedures relating to this request; and

2) All information given is accurate to the best of my knowledge and belief, and I understand that deliberate misrepresentation of such information will be grounds for denial or reversal of this application and/or revocation of any approval based upon this application; and

3) I understand that there are no guarantees as to the outcome of this request, and that the application fee is non-refundable; and

4) I authorize County staff to enter upon the property referenced herein at any reasonable time for purposes of site inspection and authorize placement of a public notice sign(s) on the property referenced herein at a location(s) to be determined by County staff; and

5) I am aware that Public Hearing notices (legal ad and/or postcards) for the request shall be provided by the Development Services Bureau.

INTEROFFICE MEMORANDUM

TO: **Andrew Holmer, Division Manager**
Development Services Department

FROM: **Terri V. Malone, AICP, Transportation Planner**
Transportation & Traffic Operations Division

DATE: **August 28, 2020**

RE: **Transportation & Traffic Operations (TTO) Comments – Z-2020-07**

TTO Staff has reviewed Z-2020-07, 900 Block Dog Track Road. The requested Future land use change is from Commercial (C) to High Density Mixed Use (HDMU) and is scheduled for the September 1, 2020 Planning Board Meeting. Please see the below comments.

This segment of Dog Track Road has a two-lane typical section with two 12-foot travel lanes and a six-foot wide path on the west side of the road. Dog Track Road has an approximate right-of-way width of 100 feet. The County does not have any proposed improvement projects scheduled for this section of Dog Track Road.

Per the Florida-Alabama TPO's Congestion Management Process Plan, Dog Track Road is classified as a major collector with a maximum LOS of D and a corresponding daily volume threshold of 17,700. Near the subject property, the daily traffic volume on Dog Track Road for 2019 was recorded as 6,400.

TTO's review is solely based off the application submittal packet, so the comments above hold no bearing on any future TTO comments during the Development Review process.

How did you hear about the rezoning case: ☐ Mail ☐ Internet ☐ Sign

Please indicate if you:

☐ would like to be notified of any further action related to the public hearing item.

☐ do not wish to speak but would like to be notified of any further action related to the public hearing item.

*All items with an asterisk * are required.*

****

Chamber Rules

1. All who wish to speak will be heard.
2. You must sign up to speak. This form must be filled out and given to the Clerk in order to be heard.
3. When the Chairman calls you to speak, come to the podium, adjust the microphone so you can be heard, then state your NAME and ADDRESS for the record.
4. Please keep your remarks BRIEF and FACTUAL.
5. Everyone will be granted uniform time to speak (normally 3 - 5 minutes).
6. Should there be a need for information to be presented to the Board, please provide 13 copies for distribution. The Board will determine whether to accept the information into evidence. Once accepted, copies are given to the Clerk for Board distribution.
7. During quasi-judicial hearings (i.e., rezonings), conduct is very formal and regulated by Supreme Court decisions. Verbal reaction or applause is not appropriate.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18767 **Growth Management Report 10. 2.**
BCC Regular Meeting **Public Hearing**
Meeting Date: 11/05/2020
Issue: 5:45 p.m. - Amendment to the Official Zoning Map
From: HORACE JONES, Director
Organization: Development Services

RECOMMENDATION:

5:45 p.m. A Public Hearing for Consideration of Adopting an Ordinance Amending the Official Zoning Map

That the Board adopt an Ordinance to amend the Official Zoning Map to include the rezoning case heard by the Planning Board on October 6, 2020, and approved during the previous agenda item and to provide for severability, inclusion in the code, and an effective date.

BACKGROUND:

Rezoning case Z-2020-07 was heard by the Planning Board on October 6, 2020. Under the Land Development Code (LDC), the Board of County Commissioners reviews the record and the recommended order of the Planning Board and conducts a Public Hearing for adoption of the LDC Zoning Map Amendment.

As a means of achieving the Board's goal of "decreasing response time from notification of citizen needs to ultimate resolution," the Board is acting on both the approval of the Planning Board's recommendation and the LDC Map Amendment for this month's rezoning case.

The previous report item addresses the Board's determination regarding the Planning Board's recommendation. This report item addresses only the Public Hearing and adoption of the Ordinance amending the LDC Official Zoning Map.

BUDGETARY IMPACT:

No budgetary impacts are expected as a result of the recommended Board action.

LEGAL CONSIDERATIONS/SIGN-OFF:

A copy of the standardized Ordinance has initially been provided to the County Attorney's office for review regarding compliance with rezoning requirements in Florida Statutes and the Land Development Code.

PERSONNEL:

No additional personnel are anticipated for the implementation of this recommended Board action.

POLICY/REQUIREMENT FOR BOARD ACTION:

The Board Chairman will need to sign the Ordinance to amend the Official Zoning Map.

IMPLEMENTATION/COORDINATION:

This Ordinance, amending the Land Development Code Official Zoning Map, will be filed with the Department of State following adoption by the Board.

This proposed Ordinance was prepared by the Development Services Department in coordination with the County Attorney's Office, and interested citizens. The Development Services Department will ensure proper advertisement.

Draft Ordinance

ORDINANCE NUMBER 2020-_____

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, AMENDING PART III OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, THE LAND DEVELOPMENT CODE OF ESCAMBIA COUNTY, FLORIDA, AS AMENDED; AMENDING CHAPTER 3, ARTICLE 1, SECTION 3-1.3(b), THE OFFICIAL ZONING MAP; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; PROVIDING FOR AN EFFECTIVE DATE.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA:

Section 1. Purpose and Intent.

The Official Zoning Map of Escambia County, Florida, as adopted by reference and codified in Part III of the Escambia County Code of Ordinances, the Land Development Code of Escambia County, Florida, as amended: Chapter 3, Article 1, Section 3-1.3(b), and all notations, references and information shown thereon as it relates to the following described real property in Escambia County, Florida, is hereby amended, as follows.

Case No.:	**Z-2020-07**
Address:	900 BLK Dog Track Road
Property Reference No.:	25-2S-31-1302-000-001 and 25-2S-31-2402-000-000
Property Size:	20.43 (+/-) acres
From:	MDR, Medium Density Residential district (10 du/acre)
To:	HDMU, High Density Mixed-use district (25 du/acre)

Section 2. Severability.

If any section, sentence, clause or phrase of this Ordinance is held to be invalid or unconstitutional by any court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this Ordinance.

Section 3. Inclusion in Code.

It is the intention of the Board of County Commissioners that the provisions of this Ordinance shall be codified as required by F.S. § 125.68; and that the sections, subsections and other provisions of this Ordinance may be renumbered or re-lettered and

DRAFT

the word “ordinance” may be changed to “section,” “article,” or such other appropriate word or phrase in order to accomplish such intentions.

Section 4. Effective Date.

This Ordinance shall become effective upon filing with the Department of State.

DONE AND ENACTED by the Board of County Commissioners of

Escambia County Florida, this _____day of _____, 2020.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18764 **Growth Management Report 10. 3.**
BCC Regular Meeting **Public Hearing**
Meeting Date: 11/05/2020
Issue: 5:46 p.m. - A Public Hearing Concerning the Review of an Ordinance Removing a Parcel from the County DSAP and Assigning a Compatible FLU - OSP-2020-01
From: HORACE JONES, Director
Organization: Development Services

RECOMMENDATION:

5:46 p.m. - A Public Hearing Concerning the Review of an Ordinance Removing a Parcel from the County DSAP and Assigning a Compatible FLU - OSP-2020-01

That the Board of County Commissioners (BCC) review and transmit to the Department of Economic Opportunity, (DEO), an Ordinance amending the Escambia County Mid-West Sector Plan, Final Land Use Plan, Figure 2.01.A, removing a parcel within Section 03, Township 1N, Range 31W, Parcel Number 1302-000-001, totaling 10.05 (+/-) acres, located on N. Highway 29, from the Escambia County Mid-West Sector Plan; further amending Part II of the Escambia County Code of Ordinances, the Escambia County Comprehensive Plan: 2030, as amended; amending Chapter 7, "The Future Land Use Element," Policy FLU 1.1.1, to provide for an amendment to the 2030 Future Land Use Map, assigning a Future Land Use category to a parcel within Section 03, Township 1N, Range 31W, Parcel Number 1302-000-001, totaling 10.05 (+/-) acres, of Mixed-Use Suburban (MU-S).

This hearing serves as the first of two public hearings.

Please note that the October 1, 2020, GMR Consent Item included an inadvertent reference to the "Muscogee Detailed Specific Area Plan." It should have read "Jacks Branch Detailed Specific Area Plan."

BACKGROUND:

The applicant is requesting to remove a parcel from Mid-West Escambia County Sector Plan, Jacks Branch Detailed Specific Area Plan (DSAP), and also requesting assignment of Future Land Use category of Mixed-Use Suburban (MU-S).

The property owner is requesting a parcel be removed from the Escambia County Mid-West Sector Plan (SP),in the Jacks Branch Detailed Specific Area Plan (DSAP). Within the DSAP, the existing land use for the parcel is Conservation Neighborhood with a maximum residential dwelling of 3 du/acre. The request is to assign a Future Land Use (FLU) designation of Mixed-Use Suburban (MU-S) to the parcel with no future development proposed at this time. According to the Escambia County Property Appraiser, the vacant parcel totals 10.04 (+/-) acres.

BUDGETARY IMPACT:

No budgetary impact is anticipated by the adoption of this Ordinance.

LEGAL CONSIDERATIONS/SIGN-OFF:

The attached Ordinance has been reviewed and approved for legal sufficiency by the County Attorney office. Any recommended legal comments are attached herein.

PERSONNEL:

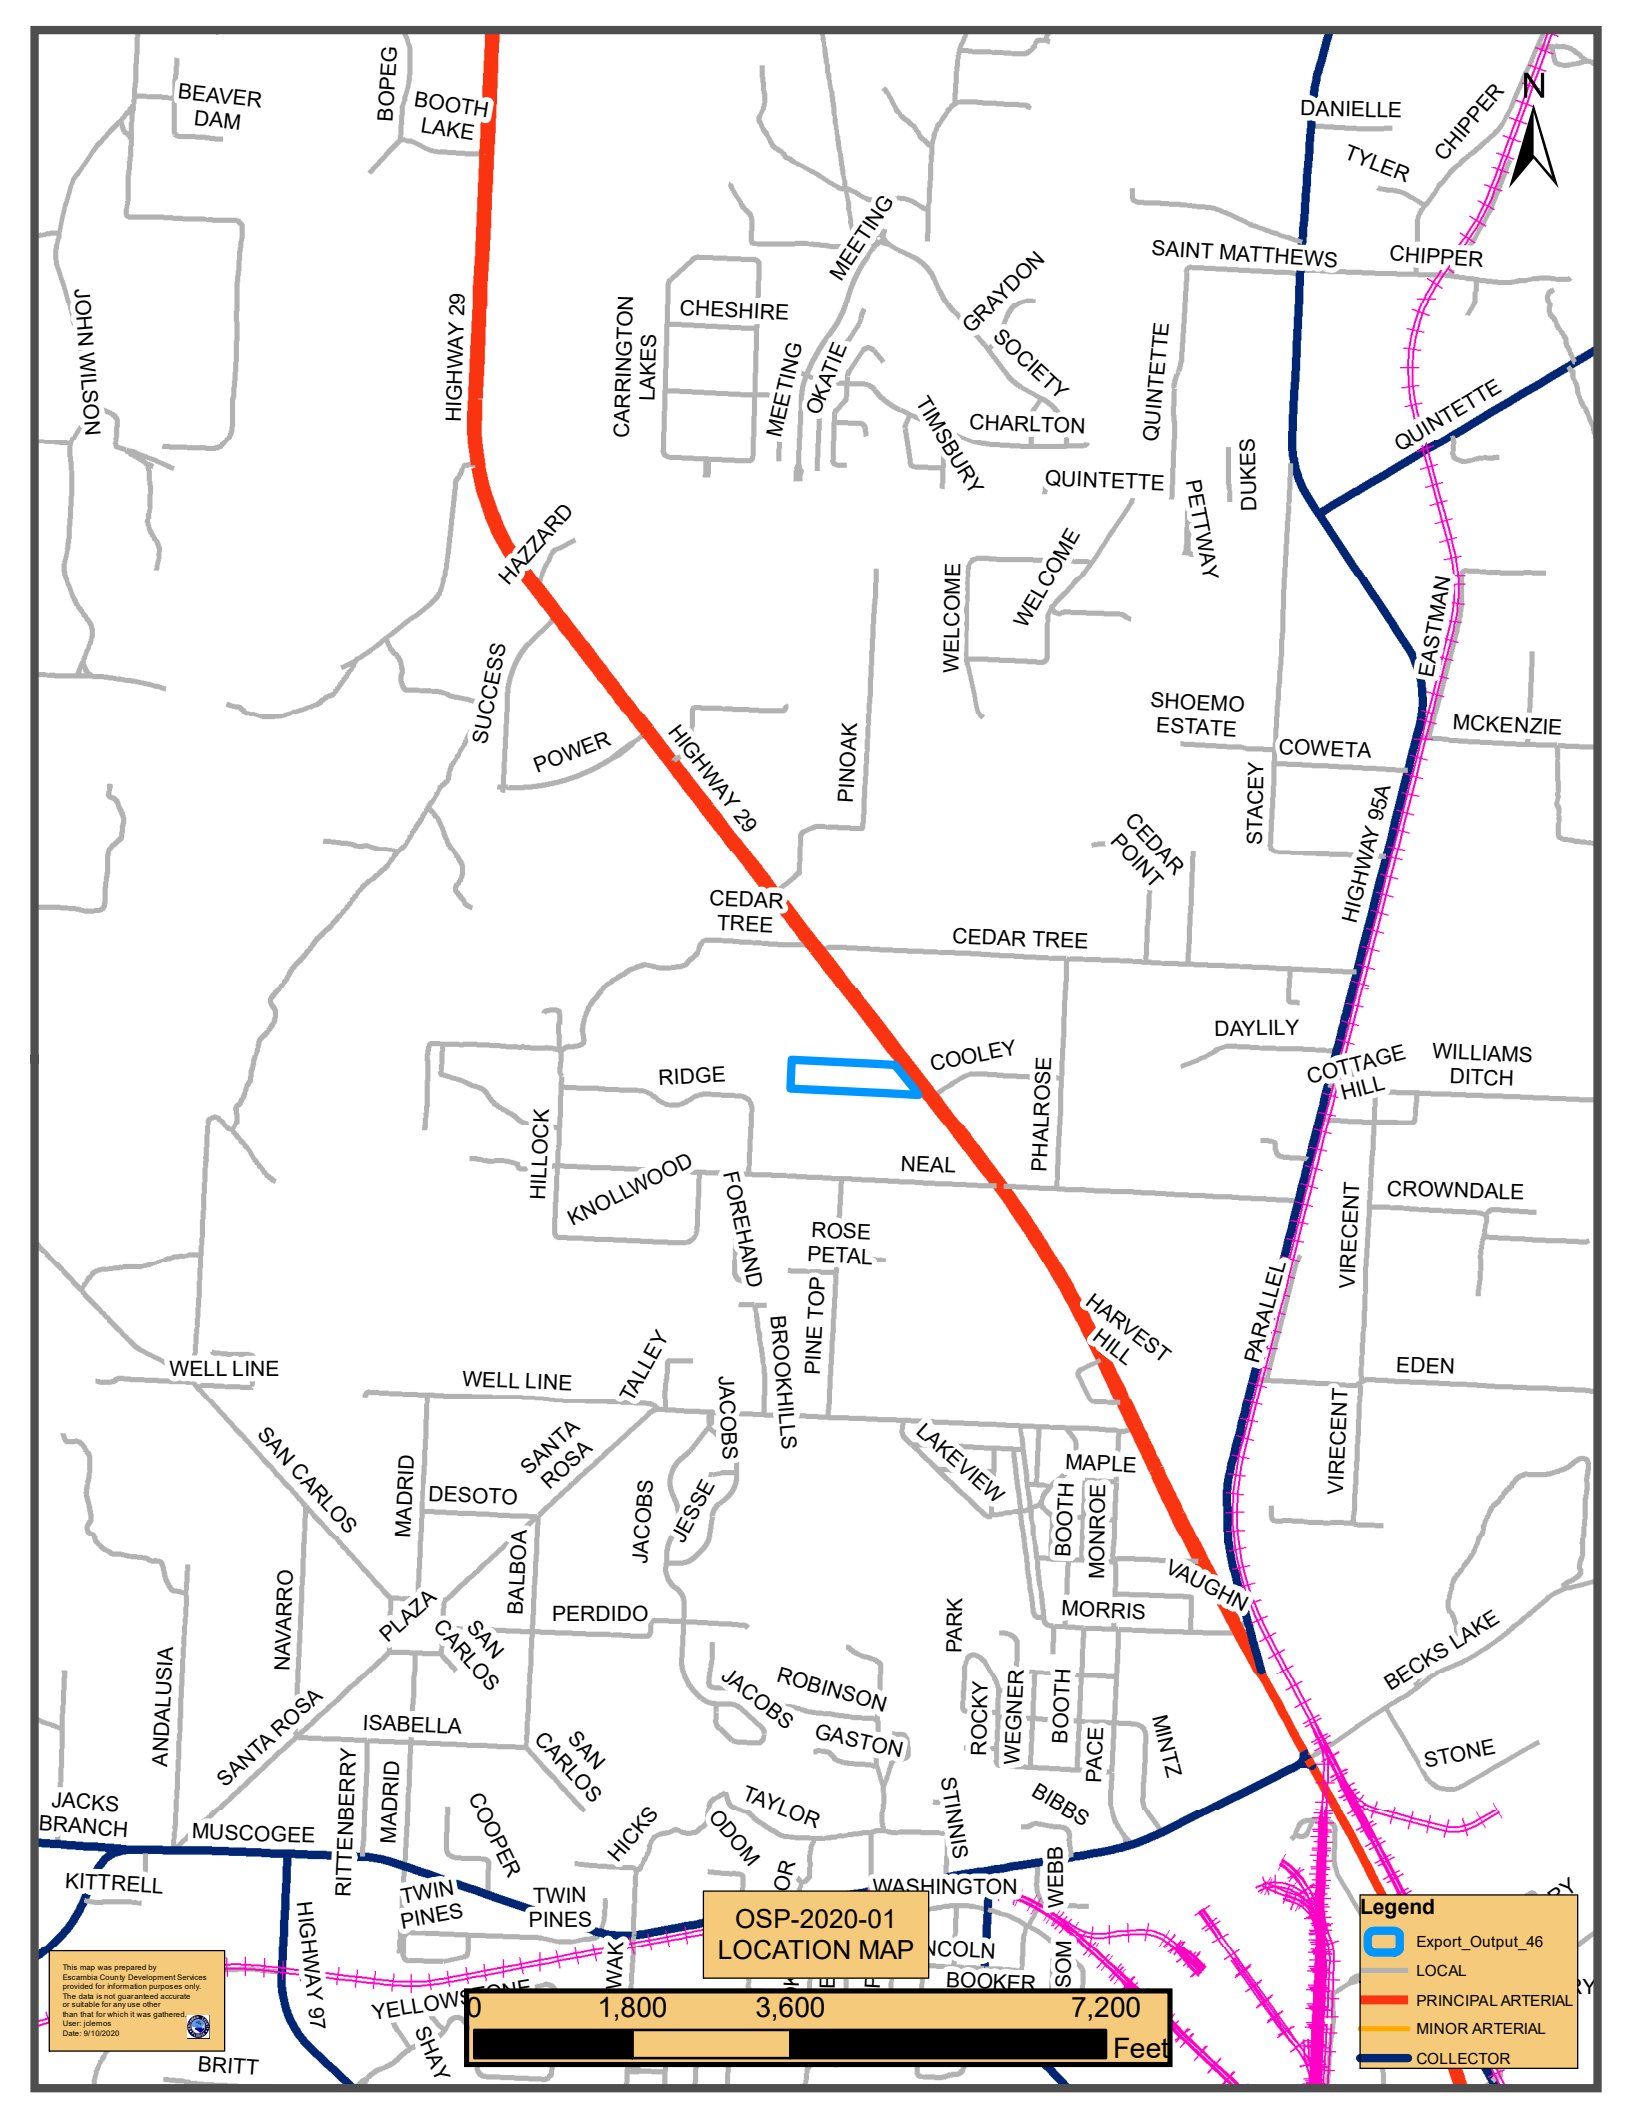
No additional personnel are required for implementation of this Ordinance.

POLICY/REQUIREMENT FOR BOARD ACTION:

The proposed Ordinance is consistent with the Board's goal "to increase citizen involvement in, access to, and approval of, County government activities."

IMPLEMENTATION/COORDINATION:

This Ordinance, assigning a new Future Land Use category and amending the Land Use Plan Map which is a part of the Mid-West Sector Plan will be filed with the Department of State following adoption by the board.



The proposed Ordinance was prepared by the Development Services Department, in cooperation with the County Attorney's Office and all interested citizens. The Development Services Department will ensure proper advertisement.

Re: **The First Baptist Church of Cottage Hill, Florida, Inc.**
Letter of Request to Opt-Out of the Escambia County Mid-West Sector Plan
Parcel Reference 03-1N-31-1302-000-001 1400 N. Hwy. 29

Dear Planning Board Members and Director Jones:

This letter includes an application from the First Baptist Church of Cottage Hill to "opt out" of the Escambia County Mid-West Sector Plan. If approved, the church's effective zoning will be low density residential (LDR), which is its current underlying zoning with a future land use (FLU) of MU-S to be assigned by the county as required by law.

In 2006, the church purchased 10.0456 acres of land on the west side of U.S. Highway 29, approximately 1,000 feet north of Neal Road in Cantonment for the purpose of building a new church facility to accommodate its expectation of growth. The purchase price was $175,000.

Due to circumstances beyond its control, the church needs to sell the subject property and recover its capital to make improvements to its existing facilities and purchase a small bus to transport its elderly members to worship services. The church has tried diligently to sell the property but has been unable to do so because severe Sector Plan Conservation Neighborhood regulations have substantially degraded the value of the property. In other words, the church cannot find a buyer willing to pay close to the $175,000 cost more than a decade ago.

The problem is the unfair regulations in the Conservation Neighborhood land use district of the Sector Plan known as (1) the 50 percent "taking" rule and (2) the mandatory clustering and

open space rule. Both rules constitute de facto "taking" of private property for public use without compensation, which violates constitutionally and statutorily protected property rights. Both rules were imposed on the church and other private landowners without their knowledge, consent, or due process.

This unlawful intrusion on private property is the sole reason the church is forced to opt out of the Sector Plan, which is identical to the central issue in the four opt-outs previously approved by the planning board this year, 2020.

The Board of County Commissioners has approved three of the four opt-outs you recommended, with the fourth awaiting BCC approval subject to resolving a technical issue that did not affect the other three.

It is an indisputable fact that the church's property has been devalued by the two regulations referenced above, and will not be able to recover their capital or fair market value until the land is free of the Sector Plan overlay and back into regular county resident zoning (LDR).

In consideration of equity and fair treatment, and consistence with your previous actions concerning identical issues, the First Baptist Church of Cottage Hill respectfully requests your approval of its opt-out application.

Sincerely,

Frank E. Westmark, Agent (pro bono)
The First Baptist Church of Cottage Hill, Inc.

ESCAMBIA COUNTY DEVELOPMENT SERVICES DEPARTMENT
3363 West Park Place, Pensacola, FL 32505 (850) 595-3475

MID-WEST ESCAMBIA COUNTYSECTOR PLAN OPT-OUT APPLICATION AND FUTURE LAND USE ASSIGNMENT
(Revised 6-30-2020)

INSTRUCTIONS

Please contact our office at (595-3475) to make an appointment with a Planner to personally discuss your site and prospective plans for it, and to review the application form with you to answer any questions you may have.

It is important for the application packet to be complete and on time in order to process and schedule your request for the required public hearing(s). The Planning Board holds public hearings once a month. Application closing dates for these hearings are provided in the attached schedule (Attachment A). In order for your application to move through the process in a timely manner, it is important for all items on the application to be completed. Incorrect or missing information could delay the hearing of your request. **NOTE:** The applicant, or his/her agent, must be present at the Planning Board meeting. It is also highly recommended that he or she be present at the subsequent Board of County Commissioners meeting.

An application is not considered complete until all of the items listed on the Application Checklist (attached herein) are received.

The Opt-Out application request and Future Land Use assignment is a concurrent two-step process: approval of the Opt-Out request will be required first; **the applicant will also request assignment of a Future Land Use category** to be consistent with the underlying zoning district for approval. Chapter 16, FLU 16.6.1.V of the Escambia County Comprehensive Plan provides guidelines for removing properties from an approved DSAP.

Please note the completion and notarized certification(s) required herein. The owner and/or agent acting in his/her behalf, must sign the certification(s) where indicated on the application. Signatures must be properly notarized. If an agent is handling the request, the owner must sign the application and submit an Affidavit of Ownership & Limited Power of Attorney (attached herein) authorizing said agent to act in his/her behalf.

FEES: Application fees can be found on the Escambia County website: https://myescambia.com/our-services/development-services/planning-zoning/rezoning/planning-board

Please remember, the Planning Board meets only once a month. Applications received after the deadline for a particular meeting will not be heard until the following meeting.

NOTE: Whenever an applicant would like any County Staff member to appear and testify at a hearing other than the normal public hearings required to process your request, a minimum notification of 5-10 days to the individual staff member and the Development Services Department is required in advance of the hearing.

I/We acknowledge and agree that no future development permit (other than a rezoning/reclassification) shall be approved for the subject parcel(s) prior to the issuance of a certificate of concurrency for such proposed development based on the densities and intensities contained within such future development permit application.

I/We also acknowledge and agree that no development permit or order (other than a rezoning /reclassification) will be issued at that time unless at least one of the concurrency management system standards is met as contained in the Escambia County Code of Ordinances, Part II, Section 6.04, namely:

(1) The necessary facilities and services are in place at the time a development permit is issued; or

(2) A development permit is issued subject to the condition that the necessary facilities and services will be in place when the impacts of the development occur; or

(3) The necessary facilities are under construction at the time a permit is issued; or

(4) The necessary facilities and services are the subject of a binding executed contract for the construction of the facilities or the provision of services at the time the development permit is issued. NOTE: This provision only relates to parks and recreation facilities and roads. The LDC will include a requirement that the provision or construction of the facility or service must commence within one (1) year of the Development Order or Permit; or

(5) The necessary facilities and services are guaranteed in an enforceable development agreement. An enforceable development agreement may include, but is not limited to, development agreements pursuant to Section 163.320, Florida Statutes or an agreement or development order issued pursuant to Chapter 380, Florida Statutes. Any such agreement shall include provisions pursuant to paragraphs 1, 2, or 3 above.

(6) The necessary facilities needed to serve new development are in place or under actual construction no more than three (3) years after issuance, by the County, of a certificate of occupancy or its functional equivalent. NOTE: This provision only relates to roads.

I HEREBY ACKNOWLEDGE THAT I HAVE READ, UNDERSTAND AND AGREE WITH THE ABOVE STATEMENT ON THIS 8th **DAY OF** August **, 20**20

APPLICANT ANALYSIS

DATA AND ANALYSIS REQUIREMENTS

As the approval of an Opt-Out request will trigger a Future Land Use assignment for the parcel, county staff will review the requested Future Land Use category by the applicant to ensure consistency with applicable regulations. The applicant's request for the Future Land Use category will be evaluated using the following criteria:

1. A comparative analysis of the impact of both the current and the proposed future land use categories. If a specific development is proposed, then **the applicant** must show that the infrastructure is available to support the most intense development allowed under the requested Future Land Use category

2. Proximity to and impact on the following:

   A. Wellheads (indicate distance and location to nearest wellhead)
   B. Historically significant sites available from the Florida Division of Historical Resources:
      R. A. Gray Building, 500 S. Bronough Street, Room 425, Tallahassee, FL 32399-0250
      sitefile@dos.myflorida.com Phone 850.245.6440
   C. Natural Resources, including wetlands (a wetlands survey is highly recommended if wetlands are located on the property)

3. An analysis of consistency with the Escambia County Comprehensive Plan, with reference to applicable sections therein.

NOTE: Pages 111-162 of the adopted Escambia County Mid-West Sector Plan, Detailed Specific Area Plans (DSAP) contain a detailed analysis of public facilities produced using the DSAP land use plan and associated development program tables to calculate theoretical impacts. Included in this analysis were the full range of public facilities as defined by 163.3164, Florida Statutes, including transportation, potable water, sanitary sewer, solid waste, drainage, schools, and parks. Impacts were analyzed for both short-term (5-yr) and long-term (buildout) conditions

4. The parcel size in relation to the individual DSAP land use category and in relation to the overall Sector Plan, and the aggregate acreage of any granted opt-outs.

5. The existing transportation infrastructure and any effect the proposal may have on the capacity of that infrastructure.

6. The underlying existing zoning category and the compatibility with the surrounding DSAP land use designation.

7. The consistency of any requested FLU designation with underlying zoning.

8. The previous future land use designation.

During the processing of a Sector Plan opt-out request, to the extent possible, the staff analysis, the Planning Board and the Board shall consider whether the applicant lost development rights or was effectively down zoned as part of the Sector Plan adoption. The Board may take into consideration any other relevant factors in making its determination related to the request.

General Warranty Deed

THIS DEED IS made this 25th day of April, 2006, by **David A. Zaukelies and Maggie L. Zaukelies, husband and wife,** whose address is 810 Neal Road, Cantonment, Florida 32533 ("Grantor"), to **The First Baptist Church of Cottage Hill, Florida, Inc., a Florida not-for-profit corporation,** whose address is 230 Williams Ditch Road, Cantonment, Florida 32533 ("Grantee").

WITNESSETH:

That the Grantor, for and in consideration of the sum of Ten Dollars ($10.00) and other valuable consideration, receipt whereof is hereby acknowledged, hereby grants, bargains, sells, aliens, remises, releases, conveys and confirms unto the Grantee, and Grantee's heirs, successors and assigns, forever, all that certain land situate in Escambia County, Florida to-wit:

The Land is described as follows:
See Exhibit "A" attached

SAVE AND EXCEPT all oil, gas and mineral rights, which are hereby reserved by, to and for Grantor and Grantor's heirs, successors and assigns, but without right of entry upon the land hereby conveyed.

Subject to zoning restrictions and other requirements imposed by governmental authorities; recorded covenants, conditions and restrictions, if any; restrictions and other matters which appear on the recorded plat, if any, which includes the subject property; valid easements and mineral reservations of record affecting the subject property, which are not hereby reimposed; and ad valorem taxes for 2005 and thereafter.

This conveyance is further made subject to the following restrictions which are hereby imposed upon the land hereby conveyed:

(1) No intoxicating beverages shall be sold on or from the land hereby conveyed.

(2) No illegal activity shall be conducted on or from the land hereby conveyed.

(3) No activity shall be permitted on the land hereby conveyed which would produce noxious fumes, toxic substances or activities (other than construction activities and conventional church activities and recreation) that produce sounds greater than ninety (90) decibels for periods in excess of five (5) minutes continuous duration more than thirty-five (35) feet beyond the boundaries of the land hereby conveyed.

The foregoing restrictions shall be for the benefit of the remaining land of Grantor which is adjacent to the land hereby conveyed and shall run with the land.

Together with all the tenements, hereditaments and appurtenances thereto belonging or in anywise appertaining.

To Have and to Hold the same in fee simple forever.

Said property is not the homestead of the Grantor(s) under the laws and constitution of the State of Florida in that neither Grantor(s) or any members of the household of Grantor(s) reside thereon.

And subject to the foregoing, Grantor does hereby fully warrant the title to said land and will defend the same against the lawful claims of all persons whomsoever.

"Grantor" and "Grantee" are used for singular or plural, as the context requires.

The First Baptist Church of Cottage Hill, Florida, Inc.
Address of property applying to withdraw from the Mid-West Escambia County Sector Plan: 1400 N. Hwy. 29
Parcel Number: 03-1N-31-1302-000-001

Applicant's Data and Analysis

As the approval of an Opt-Out request will trigger a Future Land Use assignment for the parcel, county staff will review the requested Future Land Use category by the applicant to ensure consistency with applicable regulations. The applicant's request for the Future Land Use category will be evaluated using the following criteria:

Explanatory note from Applicant: For clarity and easier reading, the County's language from page 7 of the Opt-Out application dated 06-30-2020 is repeated here in black ink, italicized. Applicant's responses are in dark blue ink. We recognize this application is a work in progress and applaud the improvements that have been made thus far.

1. ***A comparative analysis of the impact of both the current and the proposed future land use categories. If a specific development is proposed, then the applicant must show that the infrastructure is available to support the most intense development allowed under the requested Future Land Use category***

APPLICANT'S RESPONSE.

1.The current Future Land Use (FLU) is Conservation Neighborhood, in the Jack's Branch Detailed Specific Area Plan (DSAP). The proposed FLU of MU-S is the only one consistent with the applicant's existing low density residential (LDR). (See attached Exhibit A, DSAP Conservation Neighborhood Guidelines, and Exhibit B, Escambia County Comprehensive Plan 2030, Chapter 7 Future Land Use Element, FLUM Mixed-Use Suburban (MU-S).

2. There is no development project proposed.

3. The current FLU, which is the Sector Plan overlay on the applicant's approximately ten-acre parcel, is Conservation Neighborhood. It allows a maximum density of 3 DU/AC, or 30 dwelling units total. The proposed FLU

of MU-S, has a range of densities, from 3 DU/AC to a maximum of 25 DU/AC.

4. The underlying existing zoning on the church's parcel, LDR, would allow a maximum density of 4 DU/AC.

5.Other relevant criteria of the Conservation Neighborhood FLU included in Section 3.03(D)(F):

(a) The 50% "taking" rule: "At least fifty (50) percent of the gross land area of the proposed subdivision shall be designated as undivided, permanently protected open space, managed for either agriculture or conservation purpose, and on which the underlying development rights of the open space have been severed through a legal instrument that runs with the land." (De facto taking of private property for public use without compensation in violation of constitutional and statutory protection.)

(b) Mandatory clustering with required open space design: "Development shall be arranged in compact, neighborhood clusters. Sites may contain multiple neighborhood clusters provided they are separated by open space." (Another de facto taking, although non-specific and varying depending upon open space required by design.)

(c) Contiguous: "Open space should be contiguous to greenways, trails, public parks or other open spaces on adjoining parcels in order to promote the creation of larger, interconnected open space system." (Not possible to achieve with more than 1,500 individual parcels mostly developed before the Sector Plan was approved in 2011.)

(d) Landowners in the Sector Plan (either the Jack's Branch or the Muscogee DSAP) are **not** permitted to apply for rezoning of their property.

6. Other relevant criteria of Escambia County FLU MU-S:

(a) According to the county's Comprehensive Plan, MU-S is "intended for a mix of residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses." The range of allowable uses includes: "residential, retail sales and services, professional office, recreational facilities, public and civic, limited agriculture."

(b) Current underlying zoning of the subject property is LDR. The maximum number of dwelling units allowed in LDR with MU-S is 4 DU/AC.

(c) Property owners with land outside the Sector Plan may apply for rezoning to a higher density within the MU-S FLU with a reasonable expectation of approval, subject to compatibility with surrounding properties and zonings.

7. Withdrawing from the Sector Plan will result in the applicant's underlying LDR becoming its *effective* zoning within MU-S FLU with a maximum density of 4 DU/AC.

2. ***Proximity to and impact on the following:***

APPLICANT'S REPONSE:

A. Wellheads: Escambia County GIS map of nearest wellheads. The subject parcel is not located in a wellhead protection area. (See Exhibit C.)

B. Historically significant sites: Letter from Eman M. Vovsi, Ph.D., Sr. Data Base Analyst, Florida Master Site File. No cultural resources are recorded at the subject site. (See Exhibit D.)

C. Natural Resources: Escambia County GIS map layer showing no wetlands on the subject property. (See Exhibit E.)

Other map amendment criteria:

While not specifically requested in the application since there is no project proposed for the subject parcel, applicant notes there are additional standard map amendment criteria not otherwise addressed in the application. See LDC, Section 2-7.4(1). They are herein addressed:

(1)Stormwater Management: Escambia County's Land Development Code, Section 5-4, enumerates established development standards to properly manage stormwater runoff. Section 5-4.2(a), Stormwater Impact Review, requires review and approval for any land use or development activity that "may alter or disrupt existing stormwater runoff patterns and conditions." While there is no development proposed at this time, all applicable LDC regulations will apply at such time a plan is submitted. (See Exhibit H.)

(2) Recreation and Open Space: The ten-acre subject parcel at 1400 N. Highway 29, has a number of recreation opportunities nearby. It is located near the Cantonment Youth Athletic Park, the Quintette Community Center and Athletic Park, and the Carver Park Resource Center. (See Exhibit I.)

(**3**) Schools: The subject parcel address is served by Jim Allen Elementary School, Ransom Middle School, and Tate High School. The 30 DU/AC maximum allowed by the Sector Plan's Conservation Neighborhood district vs. the 40 DU/AC maximum allowed by regular county LDR is a difference of ten homes, the impact of which on school capacity would be minimal. Nonetheless, any future proposed project would be required to go through development services' normal evaluation processes. (See Exhibit J.)

3. ***An analysis of consistency with the Escambia County Comprehensive Plan, with reference to applicable sections therein:***

APPLICANT'S REPONSE:

Escambia County has an established opt-out procedure for withdrawing from its Sector Plan real property owned by aggrieved owners whose land was downzoned, improperly zoned, burdened by excessive regulations, or otherwise devalued.

The procedure was put in place as required by Florida Statutes 163.3245(8), which was passed into law after the Escambia County Comprehensive Plan was adopted in 2011. The statute requires that "an owner may withdraw his or her property from the Sector Plan master plan with the approval of local government (BCC) by plan amendment adopted and reviewed (at the state level) pursuant to Florida Statute 163.3184."

The county's opt-out procedure was properly incorporated into the land development code and is fully consistent with the provisions of the comprehensive plan.

NOTE: Pages 111-162 of the adopted Escambia County Mid-West Sector Plan, Detailed Specific Area Plans (DSAP) contain a detailed analysis of public facilities produced using the DSAP land use plan and associated development program tables to calculate theoretical impacts. Included in this analysis were the full range of public facilities as defined by 163.3164, Florida Statutes, including transportation, potable water, sanitary sewer, solid waste, drainage, schools, and parks. Impacts were analyzed for both short-term (5-yr) and long-term (buildout) conditions.

Note from Applicant: In consideration of the complexity and magnitude of the data and analysis referred to in this application, applicant includes by reference the entirety of the Sector Plan document and its DSAPs, including all data and analysis generated to support the above-stated documents, all of which were approved by the BCC and reviewed by the Florida Department of Economic Opportunity and other state agencies prior to adoption.

4. ***The parcel size in relation to the individual DSAP land use category and in relation to the overall Sector Plan, and the aggregate acreage of any granted opt-outs.***

APPLICANT'S REPONSE:

The parcel size is 10.0453 acres. The total number of acres in the Jack's Branch DSAP, Conservation Neighborhood land use, is 2,565.6. The parcel represents .0039% of that total. The total number of acres in the Sector Plan is 14,991.33 and the subject parcel represents .0007% of that total. The aggregate acreage of any granted opt-outs is 8.67 acres.

Note Three additional opt-outs have been approved by the Planning Board, and the Board of County Commissioners, with no objection from DEO. However, the county's ordinances relating to these opt-outs have been challenged by Jacqueline Rogers, Theresa Blackwell, and William Beech in Florida Division of Administrative Hearings (DOAH) Case Number 20-003015GM. A fourth opt-out approved by the Planning Board remains pending before the BCC subject to resolution of a technical issue.

5. ***The existing transportation infrastructure and any effect the proposal may have on the capacity of that infrastructure.***

APPLICANT'S REPONSE:

Applicant's parcel has 436.63 feet fronting U. S. Highway 29, which is maintained by the Florida Department of Transportation. See Exhibit F, section of U.S. Highway 29. A change from the currently allowed 3 DU/AC (Sector Plan DSAP-Conservation Neighborhood) to 4 DU/AC (underlying county LDR zoning) would not impact Highway 29.

6. ***The underlying existing zoning category and the compatibility with the surrounding DSAP land use designation.***

APPLICANT'S REPONSE:

The underlying zoning category for the subject parcel is Low Density Residential (LDR). Land to the west of this parcel is a low-density residential subdivision with large lots which was fully developed many years before the Sector Plan was adopted. That subdivision, while fully developed, is in the Conservation Neighborhood. Land to the north of the subject parcel has underlying county zoning of LDMU but is in the Conservation Neighborhood

district. To the east, across Highway 29, the zoning is LDR, and to the south, one parcel is county HCLI and another is Conservation Neighborhood with underlying LDR. Altogether, there is a mix of low density residential and HCLI surrounding the subject parcel. The underlying existing zoning of LDR is compatible with the existing neighborhood.

7. ***The consistency of any requested FLU designation with underlying zoning.***

APPLICANT'S REPONSE:

A FLU assignment of MU-S is consistent with LDR zoning. See Exhibit G, Escambia County Land Development Code, low density residential (LDR).

8. ***The previous future land use designation.***

APPLICANT'S REPONSE:

The previous future land use designation was MU-S.

9. ***During the processing of a Sector Plan opt-out request, to the extent possible, the staff analysis, the Planning Board and the Board shall consider whether the applicant lost development rights or was effectively down zoned as part of the Sector Plan adoption. The Board may take into consideration any other relevant factors in making its determination related to the request.***

Development Rights vs. Value: Comparative Analysis

It is not clear whether the First Baptist Church property was downzoned or upzoned by the Sector Plan Conservation Neighborhood district overlay at the time it was approved in 2011.

The term "development rights" appears to be a staff synonym for "density." Assuming that is correct, development rights/density was increased. However, increased density in the Conservation Neighborhood district does not translate into increased value. Generally, the reverse is true.

The church's VR-2 zoning with MU-6 FLU on its 10.05 acres would have allowed 14 dwelling units. The Conservation Neighborhood allows 30 dwelling units. But the 50 percent rule in the Conservation Neighborhood takes away half the church's property. As a practical matter, 30 single family dwelling units (6du/ac) cannot be physically located on five acres. Twenty units (4du/ac) is the maximum achievable density, especially with the

mandatory clustering and required open space that could take away some of the remaining five acres without compensation. Hence, at least 10 dwelling units of the increased allowable density are worthless.

The question comes down to what is the most valuable in the current market: 14 half-acre- plus lots worth about $60,000 each ($840,000 total), or 20 smaller lots worth $40,000 each ($800,000 total). The fact is that given the high cost of land and development in today's market, neither of these hypothetical projects would be feasible.

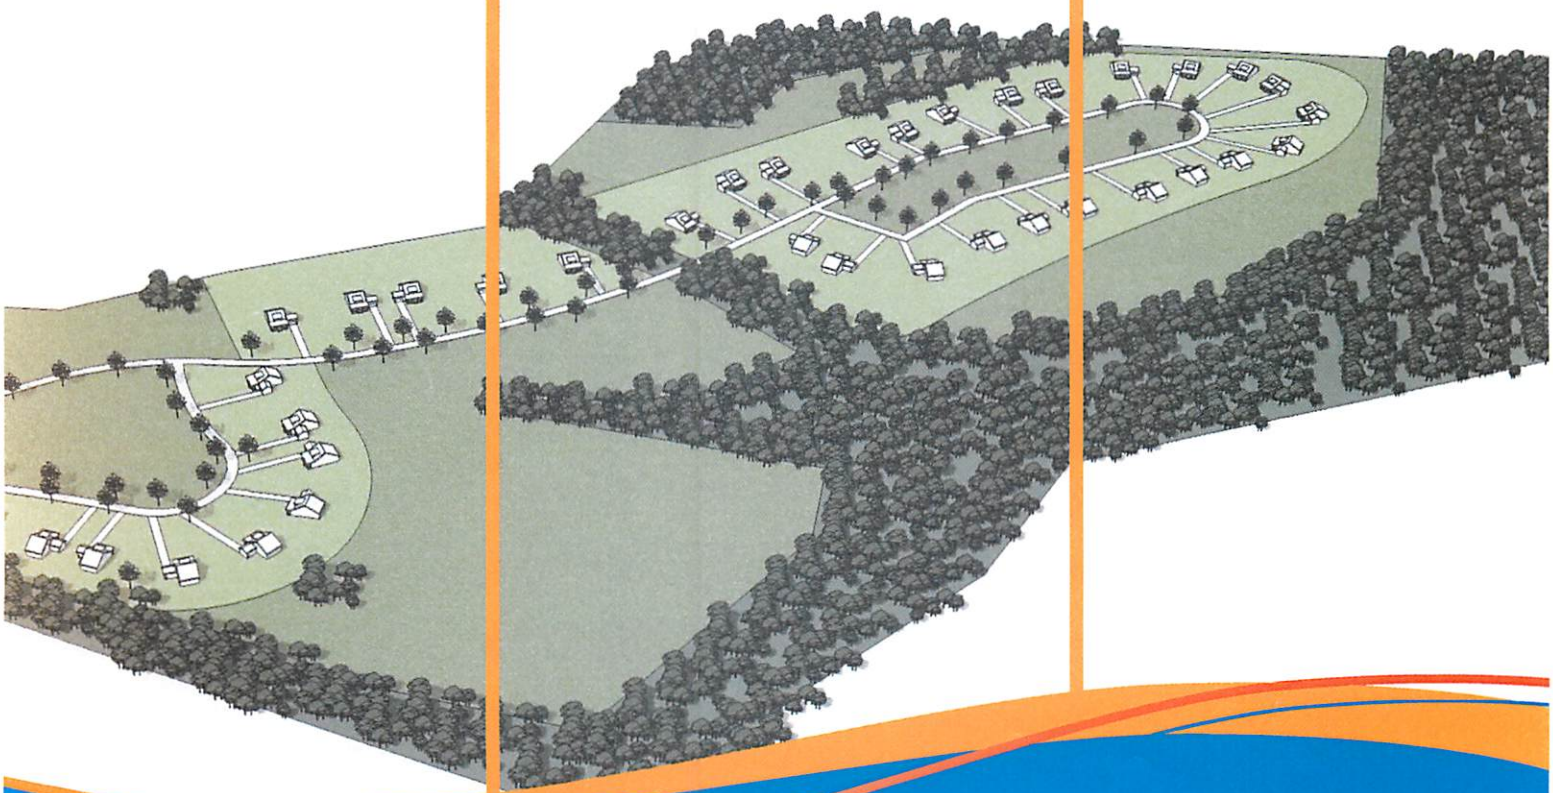
Here is reality: (1) Prior to the adoption of the Sector Plan in 2011, the church had the right to apply for R1 or other residential zoning allowing four dwelling units per acre, or 40 total such as LDR with reasonable assurance of approval. The Sector Plan took away the church's right to even apply.

(2) If the Sector Plan had not been approved, the Land Development Code 2015 revision would have applied, and the church's zoning and future land use today would be LDR and MU-S, respectively, with a maximum of 40 subdivision lots allowed on the 10.05 acre tract (4 du/ac). The actual value of 40 dwelling units on the tract at $40,000 each would change the equation to $1,600,000.

In that scenario, a development company would pay the church an estimated current market value of approximately $300,000 for its property. As things stand, however, the church has been unable to find a buyer in four years that would pay something close to its purchase price of $175,000 in 2006 due to the Sector Plan encumbrances devaluing its property. Likely buyers of the church's property (development companies) will not pay full price for half value or less if they cannot develop it for a profit.

Therefore, private property owners like the church are forced to take up to a 50 percent loss or more on their land with no administrative right to relief except opting out of the Sector Plan. And that basic unfairness is real, not hypothetical.

Conservation Neighborhoods



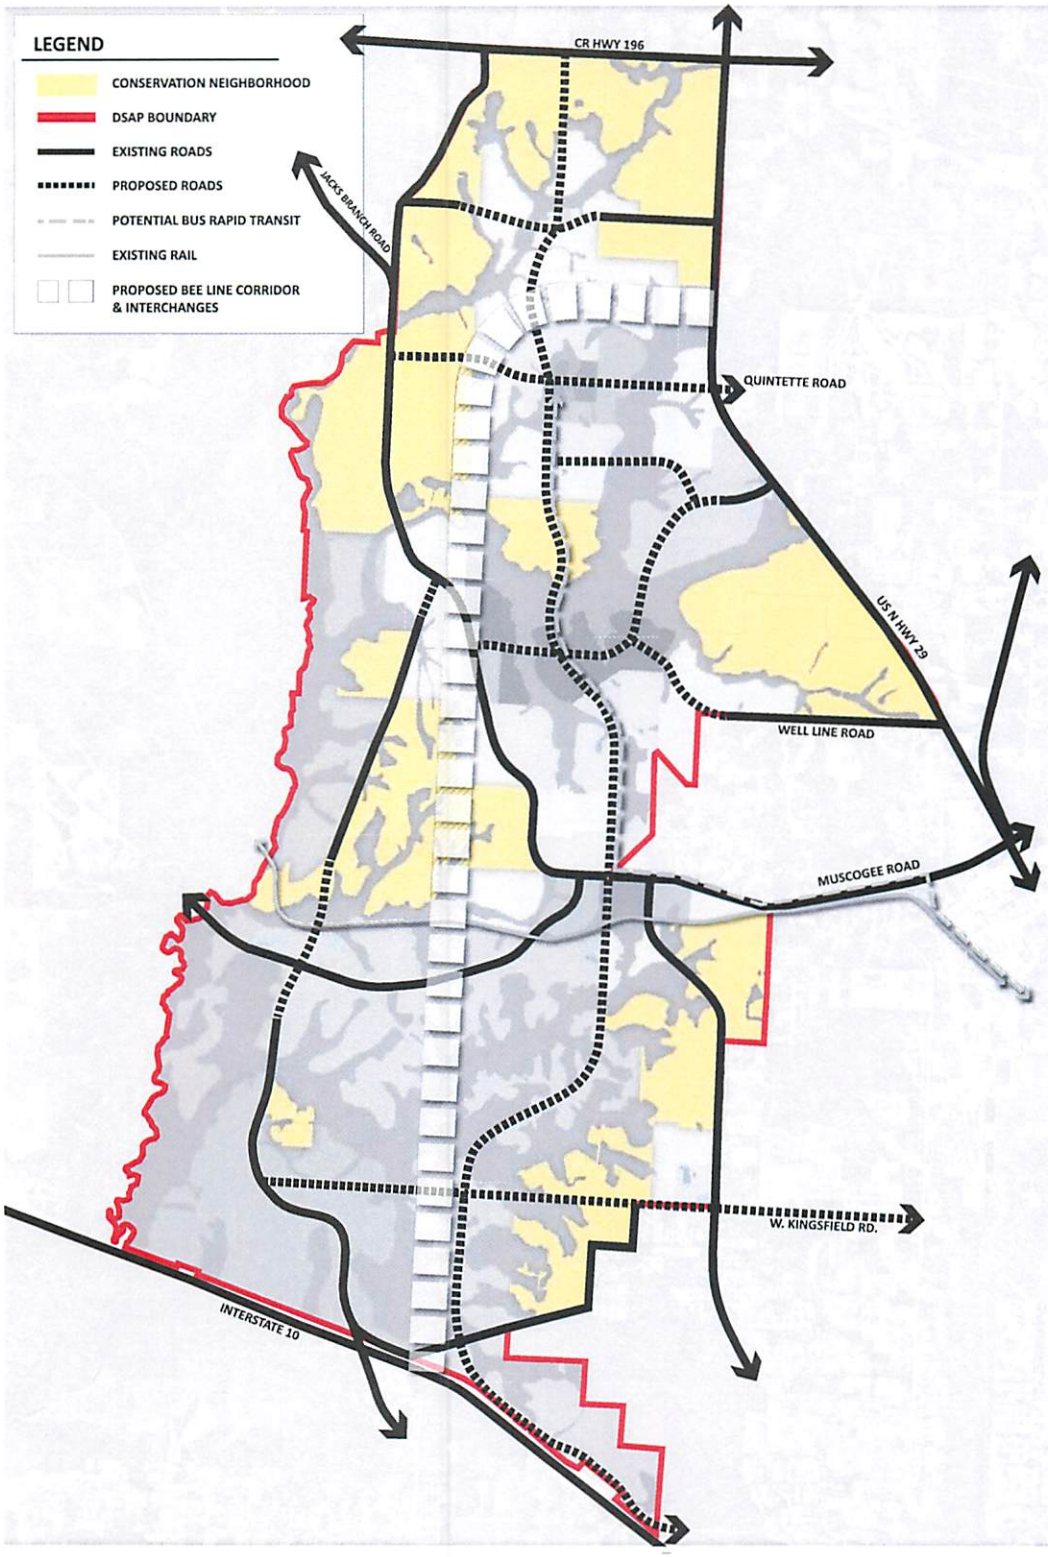


EXHIBIT A

Conservation Neighborhoods

Section 3.03 Conservation Neighborhood Guidelines

A. General Description

Conservation Neighborhoods are located greater than ½ mile from Town, Village and Neighborhood Centers and are typically located in more rural areas of the DSAP. They are subdivisions of clustered, single-family dwellings intended to:

- *Establish a more efficient use of land and infrastructure, thereby reducing costs to taxpayers, residents and developers.*
- *Offer landowners alternatives to conventional, large-lot development and incentivize the conservation of natural resources.*
- *Create usable and accessible open space for use by neighborhood residents.*
- *Contribute to an overall, interconnected open space system which links individual neighborhoods to parks and other publicly owned lands.*

B. Corresponding Escambia County Zoning District

(1) VAG-1, VR-1, R-1, V-1, V-2, V-2A, V-5, SDD

C. Permitted Uses

(1) Detached housing as well as those uses listed in the specific zoning category, schools, civic use, open space and parks.

D. Density

(1) Minimum Density: none

(2) Maximum Density: 3 DU/ Net Acre

E. Development Pattern and Design

(1) The developed area of the subject site shall not exceed fifty (50) percent of the gross land area of the site.

(2) Development shall be arranged in compact, neighborhood clusters.

(3) Sites may contain multiple neighborhood clusters provided they are separated by open space.

Conventional Development

Cluster Development

F. Open Space

(1) At least fifty (50) percent of the gross land area of the proposed subdivision shall be designated as undivided, permanently protected open space, managed for either agriculture or conservation purposes, and on which the underlying development rights of the open space have been severed through a legal instrument that runs with the land.

(2) Open space shall be arranged to preserve the function and integrity of on-site natural resources.

(3) Open space shall consist of ~~Primary and Secondary Conservation Areas, Improved Common Open Space, and/or Active Agricultural Areas~~ one or more of the following:

(a) Primary Conservation Areas – wetlands, watercourses, waterbodies and associated buffers, and lands conserved for the protection of flora, fauna and habitat. Such lands shall be managed as natural open space and maintained in a natural or restored condition.

(b) Secondary Conservation Area – other selected areas which contain attractive spaces that are unique to the character of the site.

(c) Improved Common Open Space – open space set aside for ~~passive~~ recreational purposes. These areas may contain accessory buildings and improvements necessary and appropriate for recreational and/ or public uses.

(d) Active Agricultural Areas – improved land used for bona fide agriculture uses subject to Best Management Practices of the Florida Department of Agriculture and Consumer Services including structures and facilities to support bona fide agricultural uses.

(4) Up to ½ of the required open space area may include stormwater facilities provided such facilities are designed as a community amenity.

(5) Open space should be contiguous to greenways, trails, public parks or other open spaces on adjoining parcels in order to promote the creation of larger, interconnected open space system.

(6) Required open space should be encouraged to have access from the subject sites buildable area, except areas that contain bona fide agricultural activities.

G. Streets

(1) Refer to Section 7 for typical cross sections for Conservation Neighborhoods.

(2) Roadways should be designed according to best engineering practices and encouraged to follow existing contours to minimize the extent of cuts and fills.

ESCAMBIA COUNTY
COMPREHENSIVE PLAN

2030

8/2019*

EXHIBIT B

FLUM Agriculture (AG)

General Description: Intended for routine agricultural and silvicultural related activities and very low density residential uses. Also allows for commercial activity limited to those endeavors ancillary to agricultural and silvicultural pursuits or in support of agricultural activities such as seed, feed and food outlets, farm equipment and repair and veterinary services.

Range of Allowable Uses:

Agriculture, silviculture, residential, recreational, public and civic, limited ancillary or supportive, commercial.

Standards:
Residential Maximum Density: 1 du/20 acres
Non-Residential: Minimum Intensity: None.
Maximum Intensity: 0.25 Floor Area Ratio (FAR).

FLUM Rural Community (RC)

General Description: Intended to recognize existing residential development and neighborhood serving nonresidential activity through a compact development pattern that serves the rural and agricultural areas of Escambia County.

Range of Allowable Uses:

Agriculture, silviculture, residential, recreational facilities, public and civic, compact traditional neighborhood supportive commercial.

Standards:
Residential Maximum Density: 2 du/acre
Non-Residential Minimum Intensity: None
Maximum Intensity: 0.25 Floor Area Ratio (FAR)

FLUM Mixed-Use Suburban (MU-S)

General Description: Intended for a mix of residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses.

Range of Allowable Uses: Residential, retail sales & services, professional office, recreational facilities, public and civic, limited agriculture.

Standards:

Residential Maximum Density: 25 du/acre
Non-Residential Minimum Intensity: None
Maximum Intensity: 1.0 Floor Area Ratio (FAR)

Escambia County intends to achieve the following mix of land uses for new development within ¼ mile of arterial roadways or transit corridors by 2030:

a) Residential 8% to 25%
b) Public/Rec/Inst. 5% to 20%
c) Non-Residential:
Retail Service-30% to 50%
Office-25% to 50%

In areas beyond ¼ mile of arterial roadways or transit corridors, the following mix of land uses is anticipated:

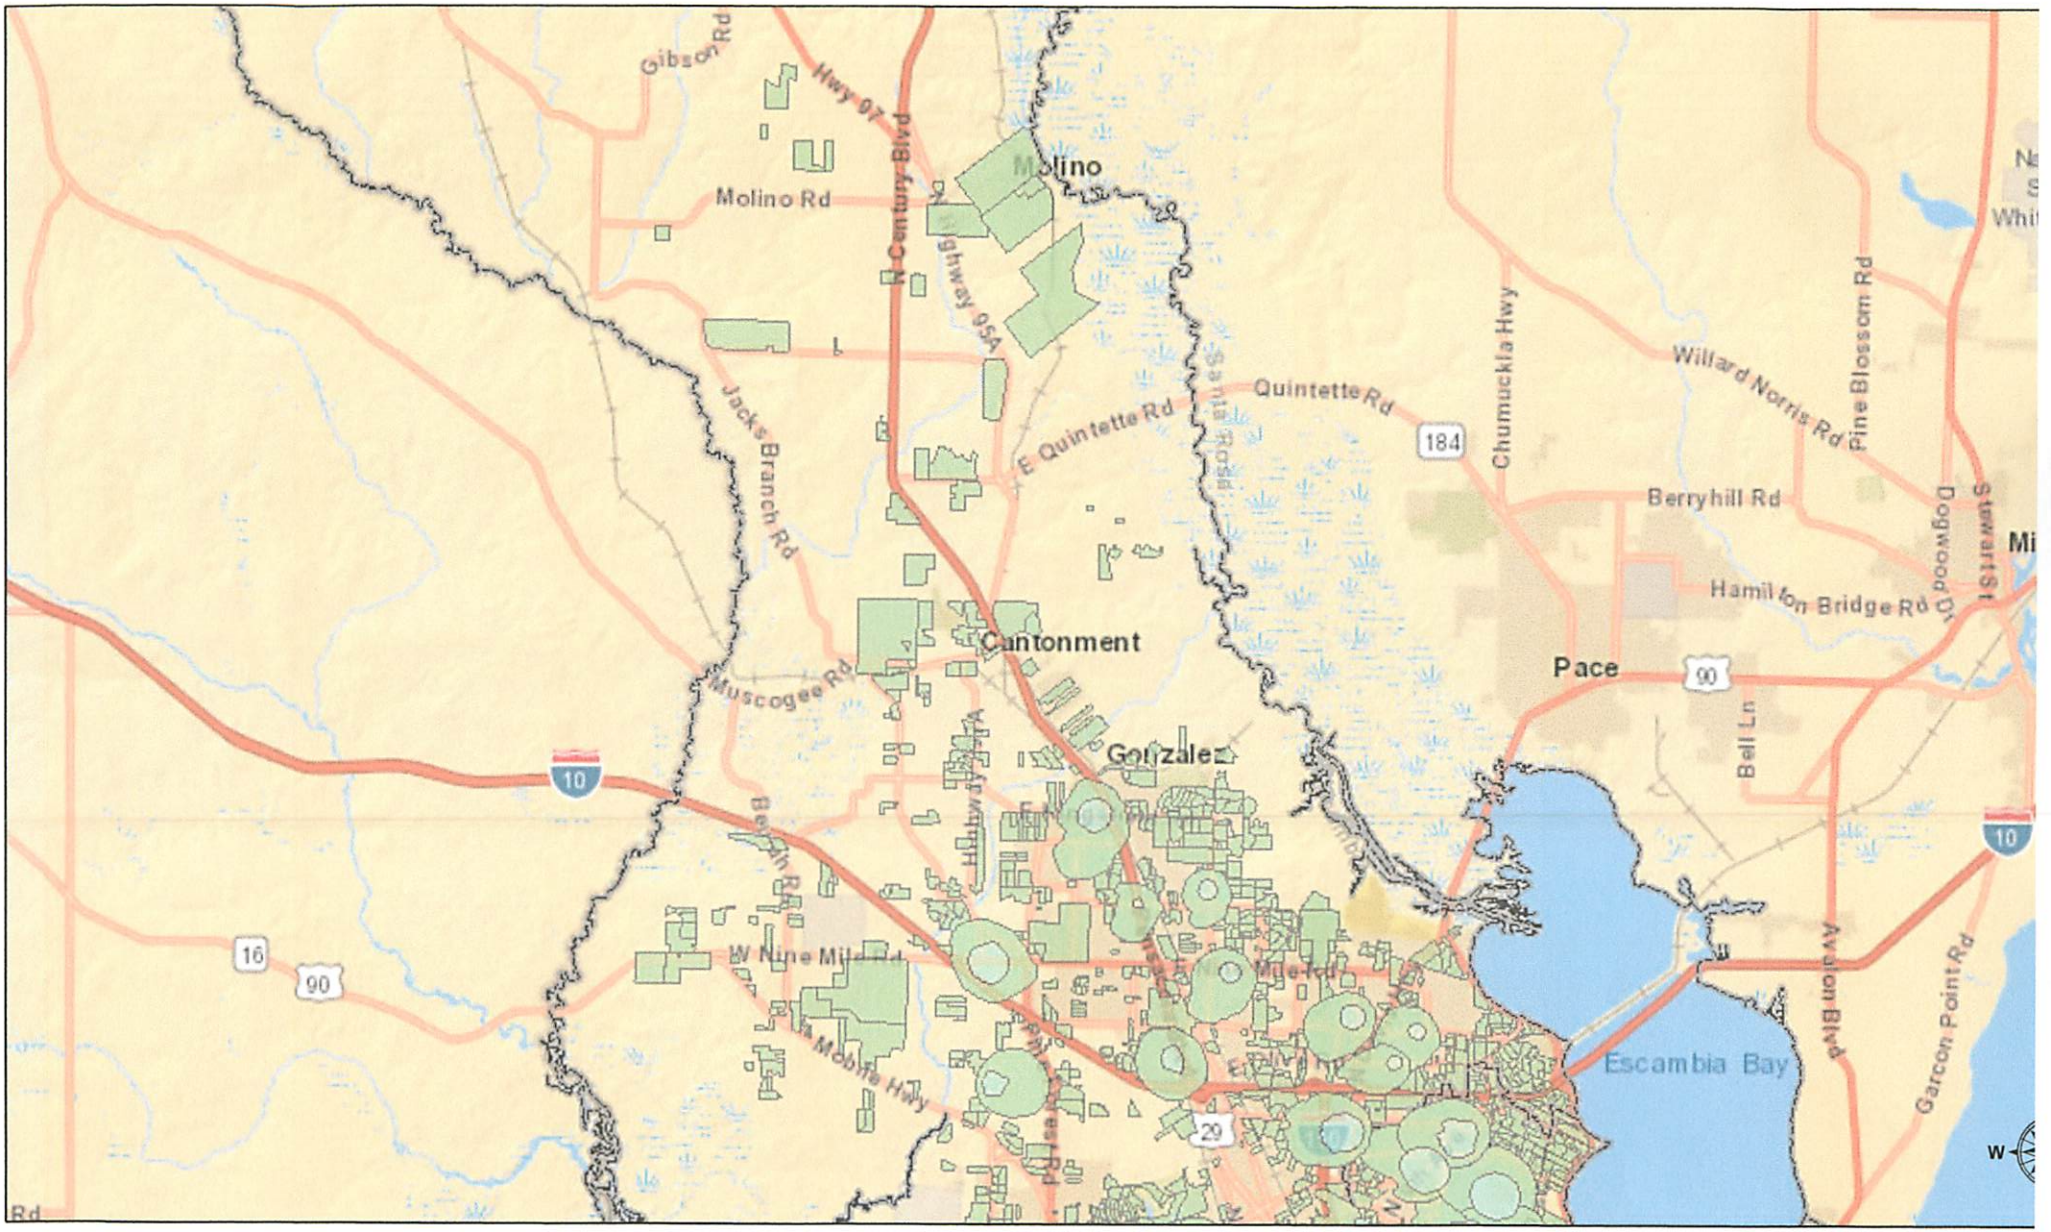
a) Residential 70% to 85%
b) Public/Rec/Inst. 10% to 25%
c) Non-Residential 5% to 10%

FLUM Mixed-Use Urban (MU-U)

General Description: Intended for an intense mix of residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses within the category as a whole.

Range of Allowable Uses:
Residential, retail and services, professional office, light industrial, recreational facilities, public and civic, limited agriculture.

Standards:
Residential Maximum Density: 25 du/acre
Non-Residential Minimum Intensity: 0.25 Floor Area Ration (FAR)
Maximum Intensity: 2.0 Floor Area Ratio (FAR)



Escambia County intends to achieve the following mix of land uses for new development within a ¼ mile of arterial roadways or transit corridors by 2030:

a) Residential 8% to 25%
b) Public/Rec/Inst. 5% to 20%
c) Non-Residential:
Retail/Service 30% to 50%
Office 25% to 50%
Light Industrial 5% to 10%

In areas beyond ¼ mile of arterial roadways or transit corridors, the following mix of land uses is anticipated:

a) Residential 70% to 85%
b) Public/Rec/Inst. 10% to 25%
c) Non-Residential 5% to 10%

August 18, 2020

Florida Master Site File

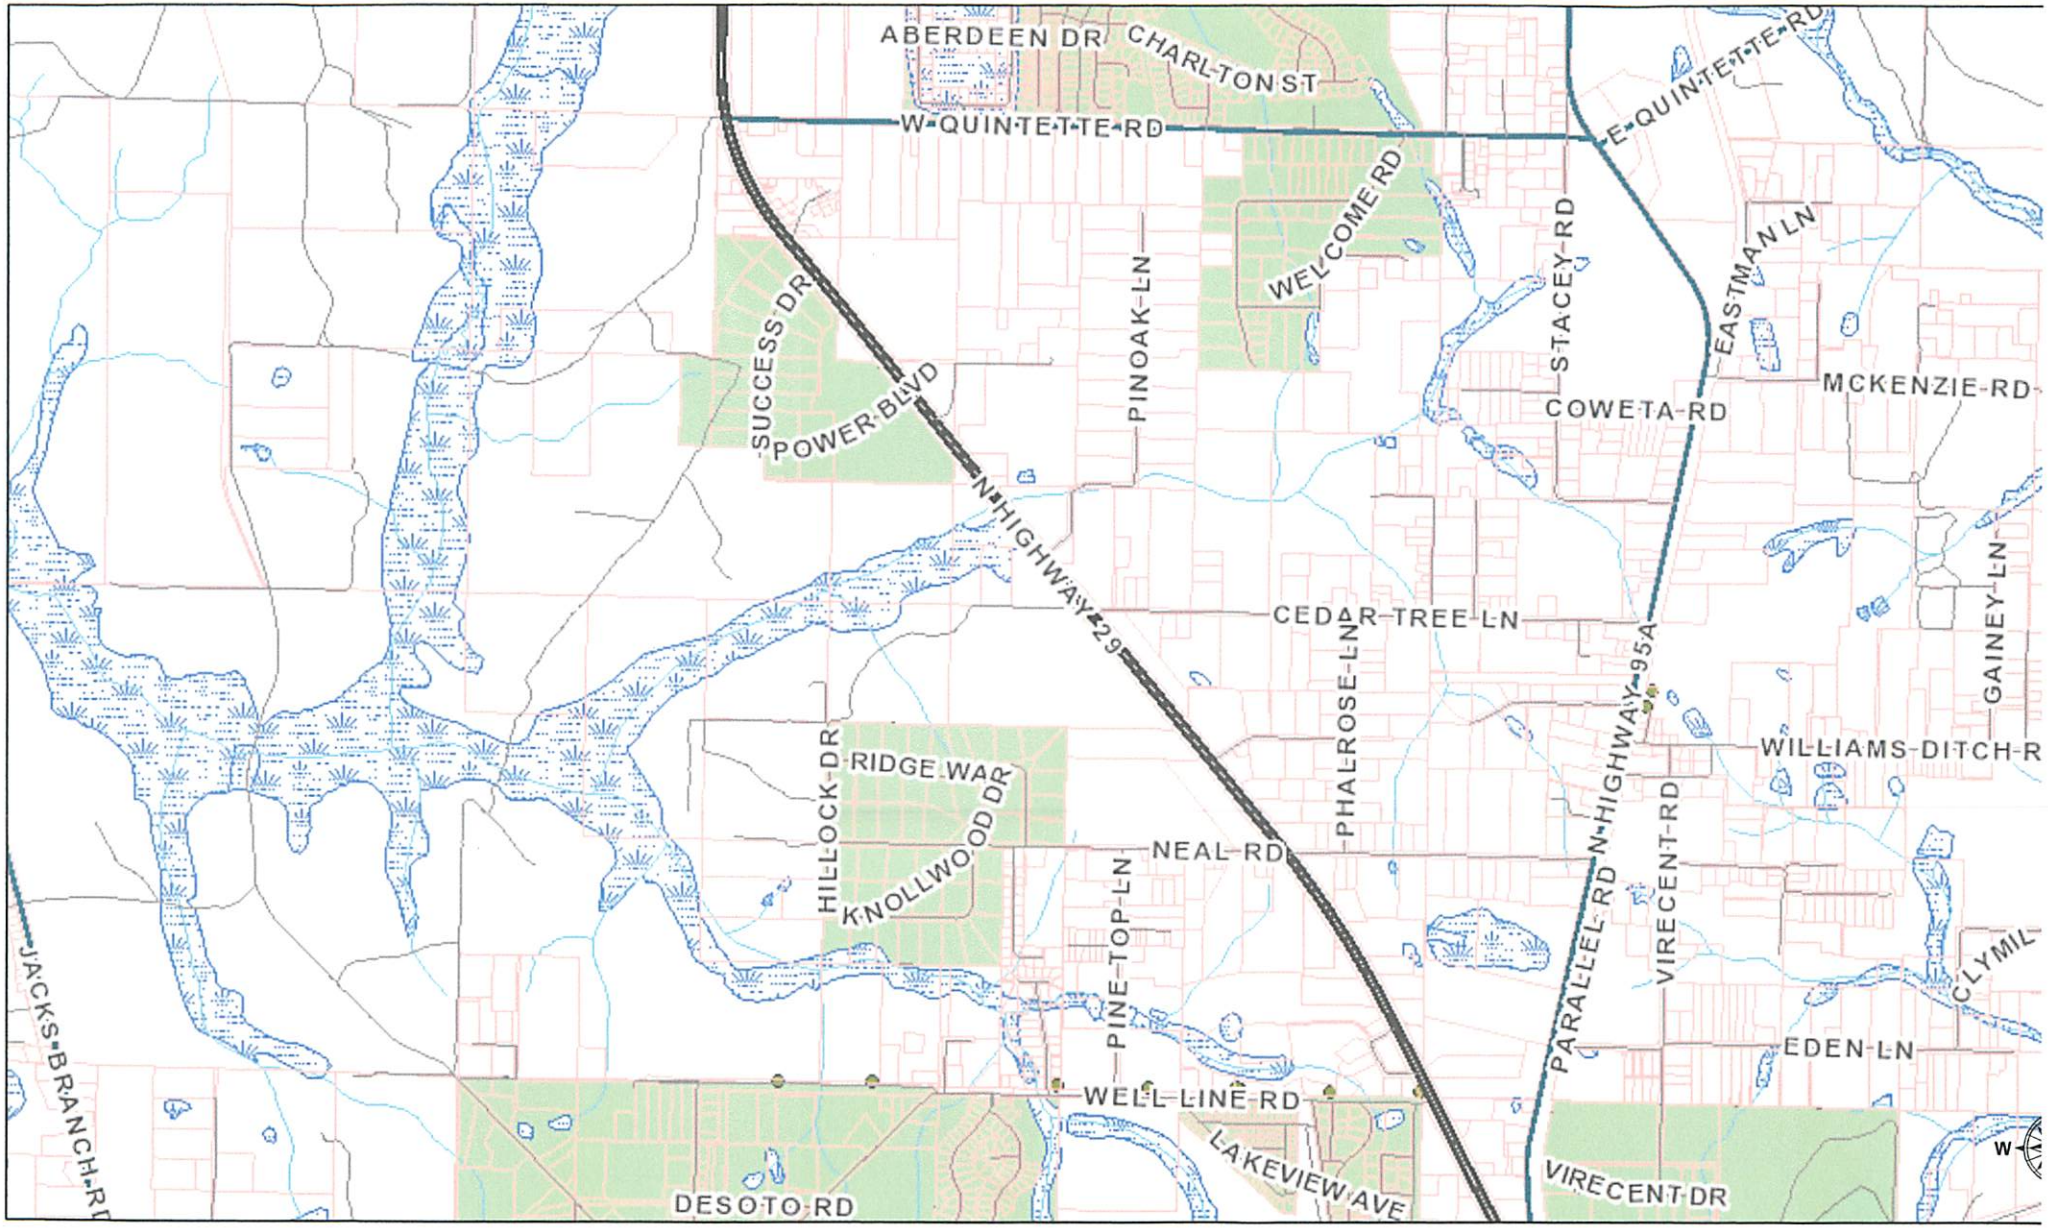
Elizabeth J. Westmark
E-mail: ejwestmark@gmail.com

In response to your request of August 18, 2020, the Florida Master Site File lists no cultural resources recorded at **1400 N. Hwy. 29**, Cantonment, FL 32533

When interpreting the results of this search, please consider the following information:

- **This search area may contain *unrecorded* archaeological sites, historical structures or other resources even if previously surveyed for cultural resources.**
- **Because vandalism and looting are common at Florida sites, we ask that you limit the distribution of location information on archaeological sites.**
- **While many of our records document historically significant resources, the documentation of a resource at the Florida Master Site File does not necessarily mean the resource is historically significant.**
- **Federal, state and local laws require formal environmental review for most projects. This search DOES NOT constitute such a review. If your project falls under these laws, you should contact the Compliance and Review Section of the Division of Historical Resources at 850-245-6333.**

Please do not hesitate to contact us if you have any questions regarding the results of this search.



Kind Regards,

Eman M. Vovsi

EXHIBIT F

Sec. 3-2.5 - Low density residential district (LDR).

(a) *Purpose.* The low density residential (LDR) district establishes appropriate areas and land use regulations for residential uses at low densities within suburban areas. The primary intent of the district is to provide for large-lot suburban type residential neighborhood development that blends aspects of rural openness with the benefits of urban street connectivity, and at greater density than the rural residential district. Residential uses within the LDR district are predominantly detached single-family dwellings. Clustering dwellings on smaller residential lots may occur where needed to protect prime farmland from non-agricultural use or to conserve and protect environmentally sensitive areas. The district allows non-residential uses that are compatible with suburban residential neighborhoods and the natural resources of the area.

(b) *Permitted uses.* Permitted uses within the LDR district are limited to the following:

(1) *Residential.*

a. Manufactured (mobile) homes only within existing manufactured home parks or subdivisions, or on land zoned SDD prior to adoption of LDR zoning. No new or expanded manufactured home parks or subdivisions.

b. Single-family dwellings (other than manufactured homes), detached and only one per lot, excluding accessory dwellings. Accessory dwellings only on lots two acres or larger. Attached single-family dwellings and zero lot line subdivision only on land zoned V-5 or SDD prior to adoption of LDR zoning.

c. Two-family dwellings and multifamily dwellings up to four units per dwelling (triplex and quadruplex) only on land zoned V-5 or SDD prior to adoption of LDR zoning.

See also conditional uses in this district.

(2) *Retail sales.* No retail sales.

(3) *Retail services.* No retail services.

(4) *Public and civic.*

a. Cemeteries, family only.

b. Public utility structures, excluding telecommunications towers.

See also conditional uses in this district.

(5) *Recreation and entertainment.*

a. Marinas, private only.

b. Parks without permanent restrooms or outdoor event lighting.

See also conditional uses in this district.

EXHIBIT 6 (includes all zoning Categories in MU-S)

(6) *Industrial and related.* No industrial or related uses.

(7) *Agricultural and related.* On land not zoned SDD prior to adoption of LDR zoning, agricultural production and storage is limited to food primarily for personal consumption by the producer. The following additional agricultural uses are allowed on lands zoned SDD prior to LDR zoning:

a. Agriculture, but no farm animals except horses and other domesticated equines kept on site, and stables for such animals, accessory to a private residential use with a minimum lot area of two acres and a maximum of one animal per acre.

b. Aquaculture, marine or freshwater.

c. Produce display and sales of fruit, vegetables and similar agricultural products.

d. Silviculture.

See also conditional uses in this district.

(8) *Other uses.* [Reserved.]

(c) *Conditional uses.* Through the conditional use process prescribed in chapter 2, the BOA may conditionally allow the following uses within the LDR district:

(1) *Residential.*

a. Accessory dwellings on lots less than two acres.

b. Home occupations with non-resident employees.

(2) *Public and civic.*

a. Clubs, civic and fraternal.

b. Educational facilities, excluding preschools or kindergartens independent of other elementary grades.

c. Emergency service facilities, including law enforcement, firefighting, and medical assistance.

d. Offices for government agencies or public utilities, small scale (gross floor area 6,000 square feet or less per lot).

e. Places of worship.

f. Public utility structures exceeding the district structure height limit, excluding telecommunications towers.

(3) *Recreation and entertainment.*

a. Golf courses, tennis centers, swimming pools and similar active outdoor recreational facilities, including associated country clubs.

b. Parks with permanent restrooms or outdoor event lighting.

(4) *Agricultural and related.* Horses and other domesticated equines kept on site, and stables for such animals, as a private residential accessory not among the permitted

uses of the district, or for public riding on land zoned SDD prior to adoption of LDR zoning. A minimum lot area of two acres if accessory to a private residential use and a minimum ten acres if for public riding, with a maximum of one animal per acre for either use.

(d) *Site and building requirements.* The following site and building requirements apply to uses within the LDR district:

(1) *Density.* A maximum density of four dwelling units per acre.

(2) *Floor area ratio.* A maximum floor area ratio of 1.0 for all uses.

(3) *Structure height.* A maximum structure height of 45 feet. See height definition.

(4) *Lot area.* No minimum lot area unless prescribed by use.

(5) *Lot width.* For a new lot with a majority of its frontage along the outside of a street right-of-way curve whose radius is 100 feet or less, the minimum lot width at the right-of-way is 40 percent of the radius length, but not less than 20 feet. The minimum width for all other new lots is 60 feet at the right-of-way.

(6) *Lot coverage.* Minimum pervious lot coverage of 30 percent (70 percent maximum semi-impervious and impervious cover) for all uses.

(7) *Structure setbacks.* For all principal structures, minimum setbacks are:

a. *Front and rear.* Twenty-five feet in the front and rear.

b. *Sides.* On each side, five feet or ten percent of the lot width at the street right-of-way, whichever is greater, but not required to exceed 15 feet.

(8) *Other requirements.*

a. *Horse shelters.* Stables or other structures for sheltering horses or other domesticated equines shall be at least 50 feet from any property line and at least 130 feet from any dwelling on the property of another landowner.

b. *Chapters 4 and 5.* Refer to chapters 4 and 5 for additional development regulations and standards.

(e) *Location criteria.* All nonresidential uses within the LDR district shall be located to avoid nuisance, hazard and other adverse impacts to surrounding residential uses.

(f) *Rezoning to LDR.* Low density residential zoning may be established only within the mixed-use suburban (MU-S) future land use category. The district is suitable for suburban areas with or without central water and sewer. The district is appropriate to provide transitions between areas zoned or used for rural residential or rural mixed-use and areas zoned or used for low density mixed-use or medium density residential.

(Ord. No. 2015-12, § 1(Exh. A), 4-16-2015; Ord. No. 2015-32, § 1, 8-20-2015; Ord. No. 2015-44, § 1, 10-8-2015; Ord. No. 2015-51, § 1, 11-5-2015; Ord. No. 2016-31, § 1, 8-4-2016; Ord. No. 2016-42, § 1, 12-8-2016; Ord. No. 2017-20, § 1, 4-6-2017; Ord. No. 2019-18, § 3, 4-4-2019)

Sec. 3-2.6 - Low density mixed-use district (LDMU).

(a) *Purpose.* The low density mixed-use (LDMU) district establishes appropriate areas and land use regulations for a complementary mix of low density residential uses and compatible nonresidential uses within mostly suburban areas. The primary intent of the district is to provide for a mix of neighborhood-scale retail sales, services and professional offices with greater dwelling unit density and diversity than the low density residential district. Additionally, the LDMU district is intended to rely on a pattern of well-connected streets and provide for the separation of suburban uses from more dense and intense urban uses. Residential uses within the district include most forms of single-family, two-family and multifamily dwellings.

(b) *Permitted uses.* Permitted uses within the LDMU district are limited to the following:

(1) *Residential.*

a. Manufactured (mobile) homes within manufactured home parks or subdivisions, including new or expanded manufactured home parks and subdivisions.

b. Single-family dwellings (other than manufactured homes), attached or detached, including townhouses and zero lot line subdivisions.

c. Two-family dwellings (duplex) and multifamily dwellings up to four units per building (triplex and quadruplex).

See also conditional uses in this district.

(2) *Retail sales.* Small-scale (gross floor area 6000 sq. ft. or less per lot) retail sales, or retail sales within a neighborhood retail center no greater than 35,000 square feet per lot and containing a mix of retail sales and services. Retail sales including, medical marijuana dispensing facilities, sales of beer and wine, but excluding sales of liquor or motor vehicles, and exclude permanent outdoor storage, display, or sales.

See also conditional uses in this district.

(3) *Retail services.* Small-scale (gross floor area 6,000 square feet or less per lot) retail services, or retail services within a neighborhood retail center no greater than 35,000 square feet per lot and containing a mix of retail sales and services. Retail services are limited to the following with no outdoor work or permanent outdoor storage:

a. Bed and breakfast inns.

b. Personal services, including those of beauty shops, health clubs, pet groomers, dry cleaners, and tattoo parlors.

c. Professional services, including those of realtors, bankers, accountants, engineers, architects, dentists, physicians, and attorneys.

d. Repair services, including appliance repair, furniture refinishing and upholstery, watch and jewelry repair, small engine and motor services, but excluding major motor vehicle or boat service or repair.

e. Restaurants, including on-premises consumption of alcohol, but excluding drive-in or drive-through service.

See also conditional uses in this district.

(4) *Public and civic.*

a. Cemeteries, including family cemeteries.

b. Educational facilities, including preschools, K-12, colleges, and vocational schools.

c. Emergency service facilities, including law enforcement, firefighting, and medical assistance.

d. Funeral establishments.

e. Offices for government agencies or public utilities, small scale (gross floor area 6,000 square feet or less

per lot).

f. Places of worship.

g. Public utility structures, excluding telecommunications towers.

See also conditional uses in this district.

(5) *Recreation and entertainment.*

a. Marinas, private only.

b. Parks without permanent restrooms or outdoor event lighting.

(6) *Industrial and related.* No industrial or related uses.

(7) *Agricultural and related.* Veterinary clinics, excluding outside kennels. Agricultural production limited to food primarily for personal consumption by the producer, but no farm animals.

(8) *Other uses.* [Reserved.]

(c) *Conditional uses.* Through the conditional use process prescribed in chapter 2, the BOA may conditionally allow the following uses within the LDMU district:

(1) *Residential.*

a. Group living, including nursing homes, assisted living facilities, dormitories and residential facilities providing substance abuse treatment and post-incarceration reentry.

b. Manufactured (mobile) homes outside manufactured home parks or subdivisions.

(2) *Retail sales.*

a. Liquor sales.

b. Medium-scale (gross floor area greater than 6,000 square feet per lot, but no greater than 35,000 square feet) retail sales, excluding sales of motor vehicles and excluding permanent outdoor storage, sales, or display.

(3) *Retail services.*

a. Medium-scale (gross floor area greater than 6,000 square feet per lot, but no greater than 35,000 square feet) retail services, excluding outdoor work and permanent outdoor storage.

b. Restaurants with drive-in or drive-through service.

(4) *Public and civic.*

a. Clubs, civic and fraternal.

b. Community service facilities, including auditoriums, libraries, museums, and neighborhood centers.

c. Offices for government agencies or public utilities, with gross floor area greater than 6,000 square feet.

d. Public utility structures exceeding the district structure height limit, and telecommunications towers of any height, excluding any industrial uses.

e. Warehousing or maintenance facilities for government agencies or public utilities.

(5) *Recreation and entertainment.*

a. Golf courses, tennis centers, swimming pools and similar active outdoor recreational facilities, including associated country clubs.

b. Parks with permanent restrooms or outdoor event lighting.

(6) *Other uses.* Self-storage facilities with a maximum lot area of one acre and no vehicle rental or outdoor storage.

(d) *Site and building requirements.* The following site and building requirements apply to uses within the LDMU district:

(1) *Density.* A maximum density of seven dwelling units per acre regardless of the future land use category.

(2) *Floor area ratio.* A maximum floor area ratio of 1.0 within the MU-S future land use category and 2.0 within MU-U

(3) *Structure height.* A maximum structure height of 45 feet. See height definition.

(4) *Lot area.* No minimum lot area unless prescribed by use.

(5) *Lot width.* For a new lot with a majority of its frontage along the outside of a street right-of-way curve whose radius is 100 feet or less, the minimum lot width at the right-of-way is 40 percent of the radius length, but not less than 20 feet. The minimum width for all other new lots is as follows:

a. *Single-family detached.* Forty feet at the street right-of-way for single-family detached dwellings.

b. *Two-family.* Eighty feet at the street right-of-way for two-family dwellings.

c. *Multi-family and other.* Eighty feet at the street right-of-way for multi-family dwellings and townhouse groups. No minimum lot width required by zoning for other uses.

(6) *Lot coverage.* Minimum pervious lot coverage of 25 percent (75 percent maximum semi-impervious and impervious cover) for all uses.

(7) *Structure setbacks.* For all principal structures, minimum setbacks are:

a. *Front and rear.* Twenty feet in the front and 15 feet in the rear.

b. *Sides.* Ten feet on each side of a group of attached townhouses. On each side of all other structures, five feet or ten percent of the lot width at the street right-of-way, whichever is greater, but not required to exceed 15 feet.

(8) *Other requirements.* Refer to chapters 4 and 5 for additional development regulations and standards.

(e) *Location criteria.* All new nonresidential uses proposed within the LDMU district that are not part of a predominantly residential development or a planned unit development, or are not identified as exempt by district regulations, shall be on parcels that satisfy at least one of the following location criteria:

(1) *Proximity to intersection.* Along an arterial or collector street, and within 200 feet of an intersection with another arterial or collector.

(2) *Proximity to traffic generator.* Along an arterial or collector street and within a one-quarter mile radius of an individual traffic generator of more than 600 daily trips, such as an apartment complex, military base, college campus, hospital, or shopping mall.

(3) *Infill development.* Along an arterial or collector street, in an area where already established non-residential uses are otherwise consistent with the LDMU district, and where the new use would constitute infill development of similar intensity as the conforming development on surrounding parcels. Additionally, the location would promote compact development and not contribute to or promote strip commercial development.

(4) *Site design.* Along an arterial street and at the intersection with a local street that serves to connect the arterial street to another arterial, and all of the following site design conditions:

a. Any intrusion into a recorded residential subdivision is limited to a corner lot.

b. Access and stormwater management is shared with adjoining uses or properties to the extent practicable.

c. Adverse impacts to any adjoining residential uses are minimized by placing the more intensive elements of the use (solid waste dumpsters, truck loading/unloading areas, drive-thru facilities, etc.) furthest from the residential uses.

(5) *Documented compatibility.* A compatibility analysis prepared by the applicant provides competent substantial evidence of unique circumstances regarding the parcel or use that were not anticipated by the alternative location criteria, and the proposed use will be able to achieve long-term compatibility with existing and potential uses. Additionally, that the following conditions exist:

a. The parcel has not been rezoned by the landowner from mixed-use, commercial, or industrial zoning assign
b. If the parcel is within a county redevelopment area, the use will be consistent with the area's adopted redevelopment plan, as reviewed and recommended by the community redevelopment agency (CRA).

(f) *Rezoning to LDMU.* Low density mixed-use zoning may be established only within the mixed-use suburban (MU-S) and mixed-use urban (MU-U) future land use categories. The district is suitable for suburban or urban areas with central water and sewer and developed street networks. The district is appropriate to provide transitions between areas zoned or used for low or medium density residential and areas zoned or used for high density mixed-use. Rezoning to LDMU is subject to the same location criteria as any new nonresidential use proposed within the LDMU district.

(Ord. No. 2015-12, § 1(Exh. A), 4-16-2015; Ord. No. 2015-44, § 2, 10-8-2015; Ord. No. 2016-31, § 1, 8-4-2016; Ord. No. 2016-42, § 1, 12-8-2016; Ord. No. 2017-5, § 2(Exh. B), 1-5-2017; Ord. No. 2019-2, § 2(Exh. B), 1-10-2019; Ord. No. 2019-18, § 3, 4-4-2019)

Sec. 3-2.7 - Medium density residential district (MDR).

(a) *Purpose.* The medium density residential (MDR) district establishes appropriate areas and land use regulations for residential uses at medium densities within suburban or urban areas. The primary intent of the district is to provide for residential neighborhood development in an efficient urban pattern of well-connected streets and at greater dwelling unit density than the low density residential district. Residential uses within the MDR district are limited to single-family and two-family dwellings. The district allows non-residential uses that are compatible with suburban and urban residential neighborhoods.

(b) *Permitted uses.* Permitted uses within the MDR district are limited to the following:

(1) *Residential.*

a. Manufactured (mobile) homes only within manufactured home parks or subdivisions. No new or expanded manufactured home parks, and new or expanded manufactured home subdivisions only on land zoned V-4 prior to adoption of MDR zoning.
b. Single-family dwellings (other than manufactured homes), detached and only one per lot, excluding accessory dwellings. Accessory dwellings only on lots one acre or larger. Attached single-family dwellings and zero lot line subdivisions only on land zoned R-3 or V-4 prior to adoption of MDR zoning.
c. Two-family dwellings only on land zoned R-3 or V-4 prior to adoption of MDR zoning, and multi-family dwellings up to four units per dwelling (quadruplex) only on land zoned V-4 prior to MDR zoning.

See also conditional uses in this district.

(2) *Retail sales.* No retail sales.

(3) *Retail services.* No retail services. See conditional uses in this district.

(4) *Public and civic.* Public utility structures, excluding telecommunications towers.

See also conditional uses in this district.

(5) *Recreation and entertainment.*

a. Marinas, private.
b. Parks without permanent restrooms or outdoor event lighting.

See also conditional uses in this district.

(6) *Industrial and related.* No industrial or related uses.

(7) *Agricultural and related.* Agricultural production limited to food primarily for personal consumption by the producer, but no farm animals. See also conditional uses in this district.

(8) *Other uses.* [Reserved.]

(c) *Conditional uses.* Through the conditional use process prescribed in chapter 2, the BOA may conditionally allow the fo uses within the MDR district:

(1) *Residential.*

a. Accessory dwellings on lots less than one acre.

b. Group living, excluding residential facilities providing substance abuse treatment, post-incarceration reentry, or similar services.

c. Home occupations with nonresident employees.

d. Townhouses not among the permitted uses of the district.

(2) *Retail services.* Boarding and rooming houses.

(3) *Public and civic.*

a. Clubs, civic and fraternal.

b. Educational facilities, excluding preschools or kindergartens independent of other elementary grades.

c. Emergency service facilities, including law enforcement, firefighting, and medical assistance.

d. Offices for government agencies or public utilities, small scale (gross floor area 6,000 square feet or less per lot).

e. Places of worship.

f. Public utility structures exceeding the district structure height limit, excluding telecommunications towers.

(4) *Recreation and entertainment.*

a. Golf courses, tennis centers, swimming pools and similar active outdoor recreational facilities, including associated country clubs.

b. Parks with permanent restrooms or outdoor event lighting.

(5) *Agricultural and related.* Horses or other domesticated equines kept on site, and stables for such animals, only as a private residential accessory with a minimum lot area of two acres and a maximum of one animal per acre.

(d) *Site and building requirements.* The following site and building requirements apply to uses within the MDR district:

(1) *Density.* A maximum density of ten dwelling units per acre regardless of the future land use category.

(2) *Floor area ratio.* A maximum floor area ratio of 1.0 within the MU-S future land use category and 2.0 within MU-U.

(3) *Structure height.* A maximum structure height of 45 feet. See height definition.

(4) *Lot area.* No minimum lot area unless prescribed by use.

(5) *Lot width.* For a new lot with a majority of its frontage along the outside of a street right-of-way curve whose radius is 100 feet or less, the minimum lot width at the right-of-way is 40 percent of the radius length, but not less than 20 feet. The minimum width for all other new lots is as follows:

a. *Single-family detached.* Fifty feet at the street right-of-way for single-family detached dwellings.

b. *Two-family.* Eighty feet at the street right-of-way or two-family dwellings.

c. *Multi-family and other.* Eighty feet at the street right-of-way for townhouse groups and boarding or rooming houses. No minimum lot width required by zoning for other uses.

(6) *Lot coverage.* Minimum pervious lot coverage of 30 percent (70 percent maximum semi-impervious and impervious cover) for all uses.

(7) *Structure setbacks.* For all principal structures, minimum setbacks are:

a. *Front and rear.* Twenty feet in the front and rear.

b. *Sides.* Ten feet on each side of a group of attached townhouses. On each side of all other structures, five fe the lot width at the street right-of-way, whichever is greater, but not required to exceed 15 feet.

(8) *Other requirements.*

a. *Stables.* Stables shall be at least 50 feet from any property line and at least 130 feet from any residential dwelling on the property of another landowner.

b. *Chapters 4 and 5.* Refer to chapters 4 and 5 for additional development regulations and standards.

(e) *Location criteria.* All nonresidential uses within the MDR district shall be located to avoid nuisance, hazard and other adverse impacts to surrounding residential uses.

(f) *Rezoning to MDR.* Medium density residential zoning may be established only within the mixed-use suburban (MU-S) and mixed-use urban (MU-U) future land use categories. The district is suitable for suburban or urban areas with central water and sewer and developed street networks. The district is appropriate to provide transitions between areas zoned or used for low density residential and areas zoned or used for high density residential or mixed-use.

(Ord. No. 2015-12, § 1(Exh. A), 4-16-2015; Ord. No. 2015-44, § 3, 10-8-2015; Ord. No. 2016-31, § 1, 8-4-2016; Ord. No. 2016-42, § 1, 12-8-2016; Ord. No. 2019-18, § 3, 4-4-2019)

Sec. 3-2.8 - High density residential district (HDR).

(a) *Purpose.* The high density residential (HDR) district establishes appropriate areas and land use regulations for residential uses at high densities within urban areas. The primary intent of the district is to provide for residential neighborhood development in an efficient urban pattern of well-connected streets and at greater dwelling unit density and diversity than the medium density residential district. Residential uses within the HDR district include most forms of single-family, two-family and multifamily dwellings. Nonresidential uses within the district are limited to those that are compatible with urban residential neighborhoods.

(b) *Permitted uses.* Permitted uses within the HDR district are limited to the following:

(1) *Residential.*

a. Group living, excluding dormitories, fraternity and sorority houses, and residential facilities providing substance abuse treatment, post-incarceration reentry, or similar services.

b. Manufactured (mobile) homes only within existing manufactured home parks or subdivisions. No new or expanded manufactured home parks or subdivisions.

c. Single-family dwellings (other than manufactured homes), attached or detached, including townhouses and zero lot line subdivisions.

d. Two-family and multifamily dwellings. See also conditional uses in this district.

(2) *Retail sales.* No retail sales, except as conditional uses in this district.

(3) *Retail services.*

a. Boarding and rooming houses.

b. Child care facilities.

See also conditional uses in this district.

(4) *Public and civic.* Public utility structures, excluding telecommunications towers.

See also conditional uses in this district.

(5) *Recreation and entertainment.*

a. Marina, private.

b. Parks without permanent restrooms or outdoor event lighting.

See also conditional uses in this district.

(6) *Industrial and related.* No industrial or related uses.

(7) *Agricultural and related.* Agricultural production limited to food primarily for personal consumption by the producer, but no farm animals. See also conditional uses in this district.

(8) *Other uses.* [Reserved.]

(c) *Conditional uses.* Through the conditional use process prescribed in chapter 2, the BOA may conditionally allow the following uses within the HDR district:

(1) *Residential.*

a. Dormitories.

b. Fraternity or sorority houses.

c. Home occupations with nonresident employees.

(2) *Retail sales.* Retail sales only within a predominantly residential multi-story building.

(3) *Retail services.* Retail services only within a predominantly residential multi-story building.

(4) *Public and civic.*

a. Clubs, civic and fraternal.

b. Educational facilities, excluding preschools or kindergartens independent of other elementary grades.

c. Emergency service facilities, including law enforcement, firefighting, and medical assistance.

d. Hospitals.

e. Offices for government agencies or public utilities, small scale (gross floor area 6,000 square feet or less per lot).

f. Places of worship.

g. Public utility structures exceeding the district structure height limit, excluding telecommunications towers.

(5) *Recreation and entertainment.*

a. Golf courses, tennis centers, swimming pools and similar active outdoor recreational facilities, including associated country clubs.

b. Parks with permanent restrooms or outdoor event lighting.

(6) *Agricultural and related.* Horses or other domesticated equines kept on site, and stables for such animals, only as a private residential accessory with a minimum lot area of two acres and a maximum of one animal per acre.

(d) *Site and building requirements.* The following site and building requirements apply to uses within the HDR district:

(1) *Density.* A maximum density of 18 dwelling units per acre.

(2) *Floor area ratio.* A maximum floor area ratio of 2.0 for all uses.

(3) *Structure height.* A maximum structure height of 120 feet above highest adjacent grade.

(4) *Lot area.* No minimum lot area unless prescribed by use.

(5) *Lot width.* For a new lot with a majority of its frontage along the outside of a street right-of-way curve whose radius is 100 feet or less, the minimum lot width at the right-of-way is 40 percent of the radius length, but not less than 20 feet. The minimum width for all other new lots is as follows:

a. *Single-family detached.* Forty feet at the street right-of-way for single-family detached dwellings.

b. *Two-family.* Eighty feet at the street right-of-way for two-family dwellings.

c. *Multi-family and other.* Eighty feet at the street right-of-way for multi-family dwellings, boarding or rooming houses, and townhouse groups. No minimum lot width required by zoning for other uses.

(6) *Lot coverage.* Minimum pervious lot coverage of 20 percent (80 percent maximum semi-impervious and impervic uses.

(7) *Structure setbacks.* For all principal structures, minimum setbacks are:

a. *Front and rear.* Twenty feet in the front and 15 feet in the rear.

b. *Sides.* Ten feet on each side of a group of attached townhouses. On each side of all other structures, ten feet or ten percent of the lot width at the street right-of-way, whichever is less, but at least five feet. For structures exceeding 35 feet above highest adjacent grade, an additional two feet for each additional ten feet in height, but not required to exceed 15 feet.

(8) *Other requirements.* Refer to chapters 4 and 5 for additional development regulations and standards.

(e) *Location criteria.* All nonresidential uses within the HDR district shall be located to avoid nuisance, hazard, and other adverse impacts to surrounding residential uses.

(f) *Rezoning to HDR.* High density residential zoning may be established only within the mixed-use suburban (MU-S) or mixed-use urban (MU-U) future land use categories. The district is suitable for urban areas with central water and sewer and developed street networks. The district is appropriate to provide transitions between areas zoned or used for medium density residential and areas zoned or used for high density mixed-use or commercial.

(Ord. No. 2015-12, § 1(Exh. A), 4-16-2015; Ord. No. 2015-56, § 2, 12-10-2015; Ord. No. 2016-31, § 1, 8-4-2016; Ord. No. 2016-42, § 1, 12-8-2016; Ord. No. 2019-18, § 3, 4-4-2019)

Sec. 3-2.9 - High density mixed-use district (HDMU).

(a) *Purpose.* The high density mixed-use (HDMU) district establishes appropriate areas and land use regulations for a complimentary mix of high density residential uses and compatible nonresidential uses within urban areas. The primary intent of the district is to provide for a mix of neighborhood retail sales, services and professional offices with greater dwelling unit density and diversity than the low density mixed-use district. Additionally, the HDMU district is intended to rely on urban street connectivity and encourage vertical mixes of commercial and residential uses within the same building to accommodate a physical pattern of development characteristic of village main streets and older neighborhood commercial areas. Residential uses within the district include all forms of single-family, two-family and multifamily dwellings.

(b) *Permitted uses.* Permitted uses within the HDMU district are limited to the following:

(1) *Residential.* The following residential uses are allowed throughout the district, but if within a commercial (C) future land use category they are permitted only if part of a predominantly commercial development.

a. Group living, excluding dormitories, fraternity and sorority houses, and residential facilities providing substance abuse treatment, post-incarceration reentry, or similar services.

b. Manufactured (mobile) homes, including manufactured home subdivisions, but excluding new or expanded manufactured home parks.

c. Single-family dwellings (other than manufactured homes), detached or attached, including townhouses and zero lot line subdivisions.

d. Two-family and multifamily dwellings.

See also conditional uses in this district.

(2) *Retail sales.* Small-scale (gross floor area 6000 sq. ft. or less per lot) retail sales including medical marijuana dispensing facilities, sales of beer and wine, but excluding sales of liquor, automotive fuels, or motor vehicles, and excluding permanent outdoor storage, display, or sales.

See also conditional uses in this district.

(3) *Retail services.* The following small-scale (gross floor area 6,000 square feet or less per lot) retail services,

excluding outdoor work or permanent outdoor storage:

a. Bed and breakfast inns.

b. Boarding and rooming houses.

c. Child care facilities.

d. Personal services, including those of beauty shops, health clubs, pet groomers, dry cleaners, and tattoo parlors.

e. Professional services, including those of realtors, bankers, accountants, engineers, architects, dentists, physicians, and attorneys.

f. Repair services, including appliance repair, furniture refinishing and upholstery, watch and jewelry repair, small engine and motor services, but excluding major motor vehicle or boat service or repair.

g. Restaurants and brewpubs, including on-premises consumption of alcoholic beverages, but excluding drive-in or drive-through service and brewpubs with distribution of alcoholic beverages for off-site sales.

See also conditional uses in this district.

(4) *Public and civic.*

a. Preschools and kindergartens.

b. Emergency service facilities, including law enforcement, firefighting, and medical assistance.

c. Foster care facilities.

d. Places of worship.

e. Public utility structures, excluding telecommunications towers.

See also conditional uses in this district.

(5) *Recreation and entertainment.*

a. Marinas, private only.

b. Parks without permanent restrooms or outdoor event lighting.

See also conditional uses in this district.

(6) *Industrial and related.* No industrial or related uses.

(7) *Agricultural and related.* Agricultural production limited to food primarily for personal consumption by the producer, but no farm animals.

(8) *Other uses.* [Reserved.]

(c) *Conditional uses.* Through the conditional use process prescribed in chapter 2, the BOA may conditionally allow the following uses within the HDMU district:

(1) *Residential.*

a. Dormitories.

b. Fraternity and sorority houses.

c. Manufactured (mobile) home parks.

(2) *Retail sales.* Medium-scale (gross floor area greater than 6,000 square feet per lot, but no greater than 35,000 square feet) retail sales, including sales of beer and wine and automotive fuels, but excluding sales of motor vehicles and liquor, and excluding permanent outdoor storage, display, or sales.

(3) *Retail services.*

a. Medium-scale (gross floor area greater than 6,000 square feet per lot, but no greater than 35,000 square feet) retail services, excluding motor vehicle service and repair.

b. Restaurants and brewpubs with drive-in or drive-through service and brewpubs with the distribution of

on-premises produced alcoholic beverages for off-site sales.

c. Small-scale (gross floor area 6,000 square feet or less per lot) major motor vehicle service and repair, excluding painting or body work and outdoor work.

(4) *Public and civic.*

a. Broadcast stations with satellite dishes and antennas, excluding towers.

b. Cemeteries, including family cemeteries.

c. Clubs, civic and fraternal.

d. Community service facilities, including auditoriums, libraries, museums, and neighborhood centers.

e. Cinerators.

f. Educational facilities not among the permitted uses of the district.

g. Funeral establishments.

h. Hospitals.

i. Offices for government agencies or public utilities.

j. Public utility structures exceeding the district structure height limit and telecommunications towers of any height, excluding any industrial uses.

k. Warehousing or maintenance facilities for government agencies or public utilities.

(5) *Recreation and entertainment.*

a. Amusement arcade centers and bingo facilities.

b. Golf courses, tennis centers, swimming pools and similar active outdoor recreational facilities, including associated country clubs.

c. Parks with permanent restrooms or outdoor event lighting.

(6) *Industrial and related.* Microbreweries, microdistilleries, and microwineries.

(7) *Agricultural and related.*

a. Horses or other domesticated equines kept on site, and stables for such animals, only as a private residential accessory with a minimum lot area of two acres and a maximum of one animal per acre.

b. Veterinary clinics.

(8) *Other uses.*

a. Self-storage facilities with a maximum lot area of one acre and outdoor storage limited to operable motor vehicles and boats. No vehicle rental.

b. Structures of permitted uses exceeding the district structure height limit, excluding telecommunications towers.

(d) *Site and building requirements.* The following site and building requirements apply to uses within the HDMU district:

(1) *Density.* A maximum density of 25 dwelling units per acre.

(2) *Floor area ratio.* A maximum floor area ratio of 1.0 within the commercial (C) future land use category and 2.0 within mixed-use urban (MU-U).

(3) *Structure height.* A maximum structure height of 150 feet above highest adjacent grade.

(4) *Lot area.* No minimum lot area unless prescribed by use.

(5) *Lot width.* For a new lot with a majority of its frontage along the outside of a street right-of-way curve whose radius is 100 feet or less, the minimum lot width at the right-of-way is 40 percent of the radius length, but not less than 20 feet. The minimum width for all other new lots is as follows:

a. *Single-family detached.* Forty feet at the street right-of-way for single-family detached dwellings.

b. *Two-family.* Eighty feet at the street right-of-way for two-family dwellings.

c. *Multi-family and other.* Eighty feet at the street right-of-way for multi-family dwellings, boarding or rooming houses, or townhouse groups. No minimum lot width required by zoning for other uses.

(6) *Lot coverage.* Minimum pervious lot coverage of 20 percent (80 percent maximum semi-impervious and impervious cover) for all uses.

(7) *Structure setbacks.* For all principal structures, minimum setbacks are:

a. *Front and rear.* Twenty feet in the front and 15 feet in the rear.

b. *Sides.* Ten feet on each side of a group of attached townhouses. On each side of all other structures, ten feet or ten percent of the lot width at the street right-of-way, whichever is less, but at least five feet. For structures exceeding 35 feet above highest adjacent grade, an additional two feet for each additional ten feet in height, but not required to exceed 15 feet.

(8) *Other requirements.* Refer to chapters 4 and 5 for additional development regulations and standards.

(e) *Location criteria.* All new nonresidential uses proposed within the HDMU district that are not part of a predominantly residential development or a planned unit development, or are not identified as exempt by district regulations, shall be on parcels that satisfy at least one of the following location criteria:

(1) *Proximity to intersection.* Along an arterial or collector street and within 200 feet of an intersection with another arterial or collector.

(2) *Proximity to traffic generator.* Along an arterial or collector street and within a one-quarter mile radius of an individual traffic generator of more than 600 daily trips, such as an apartment complex, military base, college campus, hospital, shopping mall or similar generator.

(3) *Infill development.* Along an arterial or collector street, in an area where already established non-residential uses are otherwise consistent with the HDMU district, and where the new use would constitute infill development of similar intensity as the conforming development on surrounding parcels. Additionally, the location would promote compact development and not contribute to or promote strip commercial development.

(4) *Site design.* Along an arterial street and at the intersection with a local street that serves to connect the arterial street to another arterial, and all of the following site design conditions:

a. Any intrusion into a recorded residential subdivision is limited to a corner lot.

b. Access and stormwater management is shared with adjoining uses or properties to the extent practicable.

c. Adverse impacts to any adjoining residential uses are minimized by placing the more intensive elements of the use, such as solid waste dumpsters and truck loading/unloading areas, furthest from the residential uses.

(5) *Documented compatibility.* A compatibility analysis prepared by the applicant provides competent substantial evidence of unique circumstances regarding the parcel or use that were not anticipated by the alternative criteria, and the proposed use will be able to achieve long-term compatibility with existing and potential uses. Additionally, the following conditions exist:

a. The parcel has not been rezoned by the landowner from the mixed-use, commercial, or industrial zoning assigned by the county.

b. If the parcel is within a county redevelopment district, the use will be consistent with the district's adopted redevelopment plan, as reviewed and recommended by the community redevelopment agency (CRA).

(f) *Rezoning to HDMU.* High density mixed-use zoning may be established only within the mixed-use suburban (MU-S), mixed-use urban (MU-U) or commercial (C) future land use categories. The district is suitable for areas where the

intermixing of uses has been the custom, where future uses are uncertain, and some redevelopment is probable. The district inappropriate to provide transitions between areas zoned or used for medium or high density residential and areas zoned or used for commercial. Rezoning to HDMU is subject to the same location criteria as any new nonresidential use proposed within the HDMU district.

(Ord. No. 2015-12, § 1(Exh. A), 4-16-2015; Ord. No. 2015-56, § 3, 12-10-2015; Ord. No. 2016-2, § 1, 1-7-2016; Ord. No. 2016-31, § 1, 8-4-2016; Ord. No. 2016-42, § 1, 12-8-2016; Ord. No. 2017-5, § 2(Exh. B), 1-5-2017; Ord. No. 2019-2, § 2(Exh. B), 1-10-2019; Ord. No. 2019-18, § 3, 4-4-2019)

Sec. 3-2.10 - Commercial district (Com).

(a) *Purpose.* The commercial (Com) district establishes appropriate areas and land use regulations for general commercial activities, especially the retailing of commodities and services. The primary intent of the district is to allow more diverse and intense commercial uses than the neighborhood commercial allowed within the mixed-use districts. To maintain compatibility with surrounding uses, all commercial operations within the commercial district are limited to the confines of buildings and not allowed to produce undesirable effects on surrounding property. To retain adequate area for commercial activities, new and expanded residential development within the district is limited, consistent with the commercial (C) future land use category.

(b) *Permitted uses.* Permitted uses within the commercial district are limited to the following:

(1) *Residential.* The following residential uses are allowed throughout the district, but if within the commercial (C) future land use category they are permitted only if part of a predominantly commercial development:

a. Group living, excluding dormitories, fraternity and sorority houses, and residential facilities providing substance abuse treatment, post-incarceration reentry, or similar services.

b. Manufactured (mobile) homes, including new or expanded manufactured home parks or subdivisions.

c. Single-family dwellings (other than manufactured homes), detached or attached, including townhouses and zero lot line subdivisions.

d. Two-family and multifamily dwellings.

See also conditional uses in this district.

(2) *Retail sales.* Retail sales, including medical marijuana dispensing facilities, sales of alcoholic beverages and automotive fuels, but excluding motor vehicle sales and permanent outdoor storage.

See also conditional uses in this district.

(3) *Retail services.* The following retail services, excluding permanent outdoor storage:

a. Car washes, automatic or manual, full service or self-serve.

b. Child care facilities.

c. Hotels, motels and all other public lodging, including boarding and rooming houses.

d. Personal services, including those of beauty shops, health clubs, pet groomers, dry cleaners and tattoo parlors.

e. Professional services, including those of realtors, bankers, accountants, engineers, architects, dentists, physicians, and attorneys.

f. Repair services, including appliance repair, furniture refinishing and upholstery, watch and jewelry repair, small engine and motor services, but excluding major motor vehicle or boat service or repair, and outdoor work.

g. Restaurants and brewpubs, including on-premises consumption of alcoholic beverages, drive-in and drive-through service, and brewpubs with the distribution of on-premises produced alcoholic beverages for off-site sales. The parcel boundary of any restaurant or brewpub with drive-in or drive-through

service shall be at least 200 feet from any LDR or MDR zoning district unless separated by a 50-foot or wider street right-of-way.

See also conditional uses in this district.

(4) *Public and civic.*

a. Broadcast stations with satellite dishes and antennas, including towers.

b. Cemeteries, including family cemeteries.

c. Community service facilities, including auditoriums, libraries, museums, and neighborhood centers.

d. Educational facilities, including preschools, K-12, colleges, and vocational schools.

e. Emergency service facilities, including law enforcement, firefighting, and medical assistance.

f. Foster care facilities.

g. Funeral establishments.

h. Hospitals.

i. Offices for government agencies or public utilities.

j. Places of worship.

k. Public utility structures, including telecommunications towers, but excluding any industrial uses.

l. Warehousing or maintenance facilities for government agencies or for public utilities.

See also conditional uses in this district.

(5) *Recreation and entertainment.*

a. Campgrounds and recreational vehicle parks on lots five acres or larger.

b. Indoor recreation or entertainment facilities, including movie theaters, bowling alleys, skating rinks, arcade amusement centers, bingo facilities and shooting ranges, but excluding bars, nightclubs or adult entertainment facilities.

c. Marinas, private and commercial.

d. Parks without permanent restrooms or outdoor event lighting.

See also conditional uses in this district.

(6) *Industrial and related.*

a. Printing, binding, lithography and publishing.

b. Wholesale warehousing with gross floor area 10,000 square feet or less per lot.

See also conditional uses in this district.

(7) *Agricultural and related.*

a. Agricultural food production primarily for personal consumption by the producer, but no farm animals.

b. Nurseries and garden centers, including adjoining outdoor storage or display of plants.

c. Veterinary clinics.

See also conditional uses in this district.

(8) *Other uses.*

a. Billboard structures.

b. Outdoor storage if minor and customarily incidental to the allowed principal use, and if in the rear yard, covered, and screened from off-site view, unless otherwise noted.

c. Parking garages and lots, commercial.

d. Self-storage facilities, excluding vehicle rental.

(c) *Conditional uses.* Through the conditional use process prescribed in chapter 2, the BOA may conditionally allow the following uses within the commercial district:

(1) *Residential.*

a. Group living not among the permitted uses of the district.

b. Home occupations with nonresident employees.

(2) *Retail sales.*

a. Boat sales, new and used.

b. Automobile sales, used autos only, excluding parcels fronting on any of the following streets: Sorrento Road/Gulf Beach Highway/Barrancas Avenue (SR 292); Blue Angel Parkway (SR 173); Pine Forest Road, south from Interstate 10 to State Road 173; Navy Boulevard (SR 295 and US 98); and Scenic Highway (SR 10A and US 90). Additionally, the parcel shall be no larger than one acre and provided with a permanent fence, wall, or other structural barrier of sufficient height and mass along all road frontage to prevent encroachment into the right-of-way other than through approved site access.

c. Automobile rental limited to the same restrictions as used automobile sales.

d. Utility trailer, heavy truck (gross vehicle weight rating more than 8,500 lbs.), and recreational vehicle sales, rental, or service limited to the same restrictions as used automobile sales.

(3) *Retail services.*

a. Restaurants not among the permitted uses of the district.

b. Service and repair of motor vehicles, small scale (gross floor area 6,000 square feet or less per lot), excluding painting and body work and outdoor work and storage.

(4) *Public and civic.*

a. Cemeteries, including family cemeteries.

b. Clubs, civic and fraternal.

c. Cinerators.

d. Homeless shelters.

(5) *Recreation and entertainment.*

a. Bars and nightclubs.

b. Golf courses, tennis centers, swimming pools and similar active outdoor recreational facilities, including associated country clubs.

c. Parks with permanent restrooms or outdoor event lighting.

(6) *Industrial and related.*

a. Borrow pits and reclamation activities 20 acres minimum and (subject to local permit and development review requirements per Escambia County Code of Ordinances, part I, chapter 42, article VIII, and land use and regulations in part III, the land development code, chapter 4.

* Borrow pits are prohibited on land zoned GMD prior to the adoption of the commercial (Com) zoning.

b. Microbreweries, microdistilleries, microwineries.

(7) *Agricultural and related.* Horses or other domesticated equines kept on site, and stables for such animals, only as a private residential accessory with a minimum lot area of two acres and a maximum of one animal per acre.

(8) *Other uses.*

a. Outdoor sales not among the permitted uses of the district.

b. Outdoor storage not among the permitted uses of the district, including outdoor storage of trailered boats a recreational vehicles, but no repair, overhaul, or salvage activities. All such storage shall be screened from r maintained to avoid nuisance conditions.

c. Self-storage facilities, including vehicle rental as an accessory use.

d. Structures of permitted uses exceeding the district structure height limit.

(d) *Site and building requirements.* The following site and building requirements apply to uses within the commercial district:

(1) *Density.* A maximum density of 25 dwelling units per acre throughout the district. Lodging unit density not limited by zoning.

(2) *Floor area ratio.* A maximum floor area ratio of 1.0 within the commercial (C) future land use category and 2.0 within mixed-use urban (MU-U).

(3) *Structure height.* A maximum structure height of 150 feet above adjacent grade.

(4) *Lot area.* No minimum lot area unless prescribed by use.

(5) *Lot width.* For a new lot with a majority of its frontage along the outside of a street right-of-way curve whose radius is 100 feet or less, the minimum lot width at the right-of-way is 40 percent of the radius length, but not less than 20 feet. The minimum width for all other new lots is as follows:

a. *Single-family detached.* Forty feet at the street right-of-way for single-family detached dwellings.

b. *Two-family.* Eighty feet at the street right-of-way for two-family dwellings.

c. *Multi-family and other.* Eighty feet at the street right-of-way for multi-family dwellings, boarding or rooming houses, or townhouse groups. No minimum lot width required by zoning for other uses or lots.

(6) *Lot coverage.* Minimum pervious lot coverage of 15 percent (85 percent maximum semi-impervious and impervious cover) for all uses.

(7) *Structure setback.* For all principal structures, minimum setbacks are:

a. *Front and rear.* Fifteen feet in both front and rear.

b. *Sides.* On each side of a single-family detached dwelling, ten feet or ten percent of the lot width at the street right-of-way, whichever is less, but at least five feet. For all other structures, including any group of attached townhouses ten feet on each side. For structures exceeding 35 feet above highest adjacent grade, an additional two feet for each additional ten feet in height.

(8) *Other requirements.* Refer to chapters 4 and 5 for additional development regulations and standards.

(e) *Location criteria.* All new nonresidential uses proposed within the commercial district that are not part of a planned unit development or not identified as exempt by the district shall be on parcels that satisfy at least one of the following location criteria:

(1) *Proximity to intersection.* Along an arterial or collector street and within one-quarter mile of its intersection with an arterial street.

(2) *Proximity to traffic generator.* Along an arterial or collector street and within a one-quarter mile radius of an individual traffic generator of more than 600 daily trips, such as an apartment complex, military base, college campus, hospital, shopping mall or similar generator.

(3) *Infill development.* Along an arterial or collector street, in an area where already established nonresidential uses are otherwise consistent with the commercial district, and where the new use would constitute infill development of similar intensity as the conforming development on surrounding parcels. Additionally, the location would promote compact development and not contribute to or promote strip commercial development.

(4) *Site design.* Along an arterial or collector street, no more than one-half mile from its intersection with an

arterial or collector street, not abutting a single-family residential zoning district (RR, LDR or MDR), and all of the following site design conditions:

a. Any intrusion into a recorded subdivision is limited to a corner lot.

b. A system of service roads or shared access is provided to the maximum extent made feasible by lot area, shape, ownership patterns, and site and street characteristics.

c. Adverse impacts to any adjoining residential uses are minimized by placing the more intensive elements of the use, such as solid waste dumpsters and truck loading/unloading areas, furthest from the residential uses.

(5) *Documented compatibility.* A compatibility analysis prepared by the applicant provides competent substantial evidence of unique circumstances regarding the potential uses of parcel that were not anticipated by the alternative criteria, and the proposed use, or rezoning as applicable, will be able to achieve long-term compatibility with existing and potential uses. Additionally, the following conditions exist:

a. The parcel has not been rezoned by the landowner from the mixed-use, commercial, or industrial zoning assigned by the county.

b. If the parcel is within a county redevelopment district, the use will be consistent with the district's adopted redevelopment plan, as reviewed and recommended by the community redevelopment agency (CRA).

(f) *Rezoning to commercial.* Commercial zoning may be established only within the mixed-use suburban (MU-S) mixed-use urban (MU-U), or commercial (C) future land use categories. The district is appropriate to provide transitions between areas zoned or used as high density mixed-use and areas zoned or used as heavy commercial or industrial. Rezoning to commercial is subject to the same location criteria as any new nonresidential use proposed within the commercial district.

(Ord. No. 2015-12, § 1(Exh. A), 4-16-2015; Ord. No. 2015-56, § 4, 12-10-2015; Ord. No. 2016-02, § 2, 1-7-2016; Ord. No. 2016-31, § 1, 8-4-2016; Ord. No. 2016-42, § 1, 12-8-2016; Ord. No. 2017-5, § 2(Exh. B), 1-5-2017; Ord. No. 2018-16, § 1, 4-5-2018; Ord. No. 2019-2, § 2(Exh. B), 1-10-2019; Ord. No. 2019-18, § 3, 4-4-2019)

Sec. 5-4.1 - Purpose of article.

This article establishes land development standards for stormwater management that implement level-of-service and other comprehensive plan policies requiring development to properly manage any stormwater runoff it generates. It is the intent of these standards to allow landowners reasonable use of their property while protecting adjoining lands and resources from any detrimental impacts of stormwater produced by land uses and development activities. More specifically, this article is intended to:

(a) Prevent untreated stormwater runoff from adversely impacting receiving water bodies.

(b) Minimize the loss of valuable topsoil by erosion and prevent the sedimentation of streets and surface water bodies.

(c) Facilitate groundwater recharge.

(d) Protect and maintain the natural habitats of fish and wildlife and prevent damage to wetlands.

(e) Reduce capital expenditures for flood-proofing and storm drainage systems where feasible by routing runoff through swales or other natural retention/detention systems to increase stormwater infiltration, settle suspended solids, and remove pollutants.

(f) Require the approval and implementation of stormwater management plans for proposed development as necessary to achieve the purposes of this article.

(Ord. No. 2015-12, § 1(Exh. A), 4-16-2015)

Sec. 5-4.2 - Stormwater impact review.

(a) *Approval required.* No land use or development activity may alter or disrupt existing stormwater runoff patterns or conditions without prior county review and approval for compliance with the standards of this article unless the use or activity is specifically identified in the LDC as exempt from these standards. Uses or activities that may alter or disrupt existing stormwater runoff sufficiently to require a stormwater management plan include the following:

(1) *Land disturbance.* Grading, digging, cutting, scraping, or excavating of soil; placement of fill materials; substantial removal of vegetation; the drainage of land; and any other forms of land disturbance that would significantly change stormwater runoff.

(2) *Lot coverage.* Construction of a structure or the non-de minimis alteration of the size of one or more structures; placement of aggregate and paving; and other constructed changes in the proportions of pervious, impervious, and semi-impervious lot coverage.

(3) *Alterations.* Alteration of the shoreline or bank of any watercourse or surface waterbody; or alteration of any ditches, dikes, terraces, berms, swales, piping, inlets, ponds, or other natural or manmade elements affecting the control or management of stormwater.

EXHIBIT H

(4) *Subdivision.* The subdivision of land, including the replatting of a recorded subdivision.

(b) *Exemptions.*

(1) *Stormwater management plan exempt.* A stormwater management plan need not be provided for the uses and activities listed in the DSM chapter 1, stormwater management systems, exemptions section. In areas with documented drainage problems, the county may request a reduction in the proposed impervious lot cover or other on-site stormwater impact-reduction measures:

a. *New single-family dwellings.* Construction of a single-family dwelling on either a lot of record, a lot created in compliance with the family conveyance provisions of the LDC, or a lot verified as functionally conforming according to the provisions of chapter 2. The construction shall comply with a county-approved lot grading plan, which provides the same lot information required by this article for subdivision grading and erosion control plans. Additionally, lots relying on conformance verification for stormwater plan exemption shall comply with the individual lot limits prescribed in this part for subdivision along existing streets.

b. *Subdivision along existing streets.* See DSM chapter 1, stormwater management systems, exemptions section for details.

c. *Maintenance.* Maintenance of an existing stormwater structure, which will not change the discharge rate, volume, or treatment method of the structure or the stormwater runoff from the site on which the structure is located.

d. *De minimis additions.* See DSM chapter 1, stormwater management systems, exemptions section for details.

e. *Emergencies.* Emergencies requiring immediate action to prevent material harm or danger to persons when obtaining a permit is impractical and would cause undue hardship in protection of property from fire, violent storms, hurricanes, and other hazards. The emergency action shall be reported to the county as soon as practical, and any permanent changes from the action may require the subsequent development and approval of a stormwater management plan to document any impacts from the changes.

f. *Other exemptions.* Stormwater plan exemptions for other structures, uses, or activities as may be determined by the county engineer to be appropriate and consistent with accepted standards of engineering practice and the purposes of this article.

(2) *Stormwater exempt activities.* The following activities are exempt from all stormwater management standards of this article:

a. *Agriculture and silviculture.* Bona fide agricultural or silvicultural operations on land classified by the Escambia County Property Appraiser as "agricultural,"

according to Florida Statutes, for ad valorem tax purposes, it is recommended that the local offices of the natural resources conservation service and the Florida Forest Service be consulted regarding appropriate stormwater management for agricultural and silvicultural operations.

b. *Mosquito drainage structures.* Maintenance work on existing mosquito and arthropod drainage structures for public health and welfare purposes.

(c) *Modification of standards.* Variances to the strict application of the stormwater management standards of this article are not available from the planning official, BOA, or SRIA. Where the provisions of this article specifically allow, the county engineer has discretion within accepted standards of engineering practice to allow modifications that maintain the stated purposes of the article.

(Ord. No. 2015-12, § 1(Exh. A), 4-16-2015)

Sec. 5-4.3 - Control of erosion and sediment.

Sediment shall be retained on the site of development. Erosion and sedimentation control measures shall be applied to stabilize barren areas and other unvegetated areas during and after construction. No clearing of land or other land-disturbing activity shall begin until the appropriate erosion and sedimentation control devices have been installed between the areas to be disturbed and adjacent lands, including waterbodies, watercourses, and wetlands. Such erosion and sediment control shall comply with the best management practices listed in the DSM chapter 1, stormwater management plans, content section.

(Ord. No. 2015-12, § 1(Exh. A), 4-16-2015)

Sec. 5-4.4 - Stormwater management plans.

(a) *General.* Where a stormwater management plan is required, it is the responsibility of the applicant to include sufficient information in the plan for the county to evaluate the physical characteristics of the affected areas as required in the DSM chapter 1, stormwater management plans section.

(b) *Preparation.* The stormwater management plan shall be developed and/or reviewed as indicated in the DSM chapter 1. Chapter 1 of the DSM contains the provisions for the content of the plan. The DSM also contains information regarding the existing conditions, proposed changes, and supporting documentation.

(c) *[Supporting information.]* Supporting information is regarded as other information that the applicant or the county believes is reasonably necessary for LDC compliance evaluation of the proposed stormwater management plan.

(d) *Plan adherence.* The applicant shall adhere to the stormwater management plan as approved and permitted. Any changes or amendments to the plan must be approved by the

original approving authority. After completion of the subject development, the engineer of record shall certify that the completed development complies with the approved plan and its specifications.

(Ord. No. 2015-12, § 1(Exh. A), 4-16-2015)

Sec. 5-4.5 - Stormwater management systems.

(a) *General design and construction.* The installation of all stormwater management facilities made necessary by new development, according to the provisions of this article, is the responsibility of the developer, including all necessary ditches, canals, greenbelts, outfalls, bridges, retention or detention structures, flow attenuation devices, etc. The general design and construction of all stormwater management systems shall be as indicated in the DSM chapter 1, stormwater article and achieve the following objectives:

(1) Comply with regulations.

(2) Protect adjacent property.

(3) Incorporate upland runoff.

(4) Reduce pollution.

(5) Prevent hazards.

(6) Encourage regional stormwater management system.

(b) *Resource protection.* All stormwater management systems shall be designed and constructed to protect natural resources as per state requirements.

(c) *System maintenance.*

(1) *General.* All stormwater management facilities shall be designed for a minimum 50-year life (where standards are available) have low maintenance costs, and have easy legal access for periodic maintenance.

(2) *Maintenance entity.* Stormwater management systems shall be maintained by the owner, except where the county selects certain systems for county maintenance. All areas and/or structures to be maintained by the county must be dedicated to the county by plat or separate instrument and accepted by the BCC. Systems to be maintained by the owner shall have adequate easements to permit the county right-of-entry to inspect and, if necessary, take corrective action if the owner fails to maintain the system. In addition, the owner shall submit a copy of any outside agency inspections and/or reports for the county to evaluate in accordance with the county's MS4. If the owner fails to maintain his system, the county shall give the owner written notice of the nature of corrective action required. If the owner fails to take corrective action within 30 days from the date of the notice, the county may take the necessary corrective action, including placement of a lien on all property of the owner to recover the costs thereof.

(d) *Inspections.* The owner shall initiate scheduling with the county for the following inspections:

(1) *Erosion control.* An erosion and sediment control inspection prior to any construction or other land disturbance, as may be required by county development approval, to ensure effective controls are in place according to the provisions of this article.

(2) *Underground.* An inspection prior to the burial of any underground drainage structure to ensure appropriate materials and installation.

(3) *Final.* A final inspection after all work has been completed, including installation of all stormwater management system facilities, to ensure compliance with the county's approved plan. After inspecting the work, a county representative shall approve it or notify the applicant in writing of any failure to comply with requirements of the approved plan. Any portion of the work which does not comply shall be corrected by the applicant before final county authorization for use is issued. Failure to complete or correct the work as notified is subject to the penalty provisions of the LDC.

(Ord. No. 2015-12, § 1(Exh. A), 4-16-2015; Ord. No. 2016-30, § 1(Exh. A), 8-4-2016)

Sec. 5-4.6 - Additional requirements for subdivisions.

(a) *General.* Stormwater management plans for subdivisions shall be developed in compliance with the additional subdivision requirements of this section and the DSM chapter 1, stormwater article.

(b) *Outfall.* The developer shall prepare any necessary agreements or easements for disposition of stormwater beyond the limits of the subdivision and shall attempt to acquire necessary rights of easements. The county may assist in the acquisition of such easements when it is in the public interest and where governmental action is necessary for the proper disposition of water, and the developer advances all costs and expenses incurred by the county.

(c) *Detention/retention without positive outfall.* See DSM chapter 1, stormwater quantity (attenuation) section.

(d) *Subdrains, subsoil drains, and trench drains.* Subdrains, subsoil drains, and trench drains shall be required where soil and water conditions warrant.

(e) *Public dedication.* Consistent with the provisions of article 3 of this chapter, a subdivision's stormwater management system cannot be dedicated for county ownership and maintenance without the concurrent public dedication of the subdivision streets. Additionally, a subdivision stormwater management system constructed for public ownership and maintenance shall comply with the following:

(1) *Completed permitting.* All required permitting of the system from applicable local, state, and federal agencies shall be complete and documented with the county, or proof of exemption shall be provided.

(2) *Detention/retention structures.* The system detention and retention/detention

structures shall provide side slopes, stabilization, and access as per the DSM.

Screening. Ponds shall be screened from view from the right-of-way with shrubs and/or other natural barriers within a minimum ten-foot-wide strip between the right-of-way and the pond. The county engineer may reduce the width if it is not feasible to provide in a sound engineering design. The screening may be eliminated if the pond is designed with specific amenity characteristics to be viewed.

(3) *Plat or deed.* The stormwater system lands shall be dedicated to the county, or the county shall be provided with a warranty deed to the parcels involved. The plat or deed shall be approved for recording by the BCC prior to the acceptance of the stormwater management system for county maintenance.

(4) *Municipal services benefit unit.* An ordinance creating a municipal services benefit unit (MSBU) to fund future county maintenance and operational expenses for the stormwater pond and related improvements shall be enacted by the BCC according to the stormwater pond MSBU provisions of chapter 70, local public improvements, part I, Escambia County Code of Ordinances.

(f) *Hold harmless agreement.* If the stormwater management system (and streets) will remain in private ownership and the site has no positive drainage outfall, the developer shall either execute, on his behalf and on behalf of any landowners within the subdivision who are ultimately to have ownership of the stormwater management system, a hold harmless agreement with each downstream, impacted property owner(s). The agreement holds the landowners harmless from the effects of any waters that may flow onto the downstream property(ies), or construct a drainage system in accordance with article 1-1.2 as related to areas with no positive drainage outfall, and such other provisions as the county may require. For public subdivisions that have drainage outfall to private property(ies), the county engineer or designee shall require a hold harmless agreement with each downstream impacted property owner(s), that will hold the county, its officers, and employees, harmless from any damages to persons or property that may result from the authorized stormwater management system.

(Ord. No. 2015-12, § 1(Exh. A), 4-16-2015; Ord. No. 2018-5, § 1, 2-1-2018)

Comprehensive Plan
Removal of Parcel from the Optional Sector Plan (amending map)
and assignment of a new Future Land Use Category
Staff Analysis

General Data

Project Name:	OSP 2020-01
Location:	1400 Highway 29 North
Parcel #s:	03-1N-31-1302-000-001
Acreage:	10.04 (+/-) acres
Request:	Opt-out of the Sector Plan and assign Future Land Use category
Current Zoning:	Low Density Residential district (LDR)
Future Land Use Requested:	Mixed Use Suburban (MU-S)
DSAP Land Use:	Conservation Neighborhood (Jacks Branch DSAP)
Applicant:	Frank Westmark, Agent for First Baptist Church of Cottage Hill, Owner
Meeting Dates:	Planning Board: October 6, 2020 BCC: November 5, 2020

Site Description and Summary of Proposed Amendment:

The property owner is requesting a parcel be removed from the Escambia County Mid-West Sector Plan (SP), in the Jacks Branch Detailed Specific Area Plan (DSAP). Within the DSAP, the existing land use for the parcels is Conservation Neighborhood with a maximum residential density of 3 du/acre.

The applicant's request is to assign a Future Land Use (FLU) designation of **Mixed-Use Suburban (MU-S)** to the parcel with no future development proposed at this time.

According to the Escambia County Property Appraiser, the parcel is vacant totaling 10.04 +/- acres.

Standard Map Amendment Criteria

1. Availability of Facilities and Services:

The availability of public facilities and services are necessary to accommodate existing and future development, to promote orderly growth within areas best suited to accommodate development, protect sensitive natural resource systems and rural and

agricultural areas. All level of service (LOS) standards are evaluated for compliance during the review processes stated in the Land Development Code (LDC) for proposed development.

A. Sanitary Sewer

Ensure the safe and efficient provision of wastewater services through coordination with service providers, maximized use of existing facilities, maintenance of appropriate levels of service, correction of existing deficiencies, and protection of natural resources.

CP Policy INF 1.1.7 Level of Service (LOS) Standards*. Average LOS standard for wastewater service is 210 gallons per residential connection per day, and the peak LOS will be 350 gallons per residential connection per day. For nonresidential uses, the LOS requirements will be based upon an Equivalent Residential Connection (ERC), as may be recalculated by the service provider from time to time, and on the size of the nonresidential water meter. Escambia County will continue to work with the water providers to ensure that adequate capacity is available.*

CP Policy INF 1.1.11 Required New Service Connection*. All new structures intended for human occupancy will connect to the ECUA wastewater system unless ECUA has determined that it is not feasible to provide wastewater service to the proposed structures. Those structures not required to connect to the ECUA wastewater system will not be issued a building permit until the applicant has obtained the appropriate permit from the Health Department.*

B. Solid Waste Disposal

Ensure the safe and efficient provision of solid waste services through coordination with service providers, maximized use of existing landfill facilities, maintenance of appropriate levels of service, promotion of recycling and reuse, and protection of natural resources.

CP Policy INF 2.1.2 **Perdido Landfill Operation.** Escambia County will provide and operate the Perdido Landfill so as to accommodate the municipal solid waste disposal needs of the entire County.

CP Policy INF 2.1.4 **Level of Service (LOS) Standards.** The LOS standard for solid waste disposal will be 6 pounds per capita per day.

C. Potable Water

Ensure the safe and efficient provision of potable water services through coordination with service providers, maximized use of existing facilities, maintenance of appropriate levels of service, correction of existing deficiencies, water conservation, and protection of natural resources.

CP Policy **INF 4.1.1 Service Agreements.** Potable water service will be provided at

established levels of service within Escambia County consistent with the Interlocal Agreement between the County and ECUA, the Escambia County Utilities Authority Act, and franchise agreements between Escambia County and other water service providers that were in operation on August 1, 1981.

CP Policy INF 4.1.6 Developer Responsibility. The cost of water line extensions made necessary by new development will be the responsibility of the developer unless otherwise funded by the service provider.

***CP Policy* INF 4.1.7 Level of Service (LOS) Standards.** The LOS standard for potable water service within Escambia County will be 250 gallons per residential connection per day. For non-residential uses, the LOS requirements will be based upon an Equivalent Residential Connection (ERC) to be calculated by the service provider at the time of application. Escambia County will continue to work with the water providers to ensure that adequate capacity is available.

Analysis: As shown in the tables in Section 4.03, Potable Water, of the Mid West Sector Plan document, an analysis was done to determine the infrastructure needed to support development within the DSAP area. Potable water for this area in the DSAP is supplied by Cottage Hill Waterworks. The level of service (LOS) for potable water within Escambia County is 250 gallons per residential connection per day and the non-residential uses are based on equivalent residential connection to be calculated by the service provider at the time of application. Wastewater is supplied to the region by Emerald Coast Utilities Authority with the LOS standards within Escambia County being 210 gallons per residential connection per day, and the non-residential uses are calculated by the service prover at the time of application. Solid waste service LOS is 6 pounds per capita per day. Potable water was analyzed for both the five year and the buildout development programs. A conceptual potable water distribution system was developed based upon this analysis and is available in Figure 4.03A of the DSAP document. Funding for any expansion or improvements to the potable distribution and water treatment systems within a service area are typically generated by the respective Utility Authority.
At the time of submittal, the applicant's analysis documented that there is no development proposed at this time, however all the LOS standards for sanitary sewer, potable water, and waste disposal must be identified and reviewed for any proposed development.

D. Stormwater Management

Ensure the safe and efficient provision of stormwater management through maximized use of existing facilities, maintenance of appropriate levels of service, correction of existing deficiencies, and protection of natural resources.

CP Policy INF 3.1.5 Concurrency Management. *Escambia County will ensure the provision of stormwater management facilities concurrent with the demand for such facilities as created by development or redevelopment through implementation of the Concurrency Management System.*

CP Policy INF 3.1.6 Developer Responsibilities. *Installation of stormwater management facilities made necessary by new development will be the responsibility of the developer.*

CP Policy CON 1.3.1 Stormwater Management. *Escambia County will protect surface water quality by implementing the stormwater management policies of the Infrastructure Element to improve existing stormwater management systems and ensure the provision of stormwater management facilities concurrent with the demand for such facilities.*

Analysis: Based on the DSAP's original analysis for stormwater in areas of the Sector Plan, stormwater systems should be developed as regional systems and encompass multiple areas of development. Attempts should be made to design stormwater treatment and attenuation systems and supporting conveyance pipes and swales as complete systems. All developments are required to meet or exceed the standards established by the Northwest Florida Water Management District (NWFWMD). The applicant stated that there is no proposed development at this time. Compliance with adopted stormwater management provisions will be reviewed and confirmed prior to any site development plan approval.

E. Traffic

Continue to provide a safe, convenient, efficient, and cost-effective multimodal transportation system and roadway network for present and future residents.

CP Policy **MOB 1.1.1 Level of Service (LOS) Standards.** Levels of Service (LOS) will be used to evaluate facility capacity. Escambia County will adopt LOS standards for all roadways as indicated in the LDC. The standards for Strategic Intermodal System (SIS) facilities may be revised based on changes to the federal classification of these roadways. These standards are not regulatory but provide a basis by which the County may monitor congestion and coordinate needed improvements with FDOT.

CP Policy **MOB 1.1.2 On-site Facilities.** All new private development will be required to provide safe and convenient on-site traffic flow as indicated in the LDC.

MOB 1.1.7 Access Management. Escambia County will promote access management by limiting the number of conflict points that a motorist experiences during travel, separating conflict points as much as possible when they cannot be eliminated, and controlling the turning movements to facilitate traffic flow on affected roadways.

Analysis: Based on Section 4.02 in the Public Facilities Plan under the Midwest Sector Plan, a transportation analysis was conducted on different roadways and segments evaluating the existing facilities and travel characteristics as well as the potential impacts and road capacity needs for the five year interim period and the buildout of the plan. A review of the area shows that various transportation improvements are planned

near the DSAP, including capacity expansions of US 29, Interstate 10, and Nine Mile Road. The County's Traffic and Transportation department has provided comments.

At the time of submittal, the applicant stated there is no proposed development for this parcel. Any development application will require submittal, review, and approval thru the Site Plan Review process, meeting all the requirements of the LDC and Comprehensive Plan.

F. Recreation and Open Space

The purpose of the Recreation and Open Space Element is to ensure adequate recreational opportunities for the citizens of Escambia County through the provision of a comprehensive system of public and private park facilities. These facilities may include, but are not limited to, natural reservations, parks and playgrounds, trails, beaches and public access to beaches, open spaces, and waterways.

Analysis: Conservation Neighborhoods are intended to provide a more efficient and environmentally protective development pattern. As per Mid-West Sector Plan, Section 3.03, Conservation Neighborhood Guidelines, Open Space, the intent is to be low density, clustered communities with an interconnected open space that will serve to protect and preserve areas of significant natural resources and wildlife habitat while offering passive recreational opportunities to residents. Parks and recreational facilities within a neighborhood will promote physical activity as well as adding to the overall value of the area.
The applicant stated that there is no proposed development for the parcel, however, any future development must go through the Development Review process and meet all standards for Recreation and Open Space in the Comprehensive Plan.

G. Public School Facilities

***CP Policy* ICE 1.1.2 Interlocal Agreements.** Escambia County will implement adopted interlocal agreements with the Escambia County School Board, the City of Milton, the City of Pensacola, the City of Gulf Breeze, and Santa Rosa County so as to provide for coordination and evaluation of development proposals that affect the bays, bayous, sound, or gulf (including estuaries and estuarine systems).

Analysis: As per the Sector Plan, Section 4.08, for Schools, an analysis was completed for the purposes of estimating DSAP impacts for both the five year and buildout conditions. Based on the public records of Escambia County, the assigned schools that service the area are Jim Allen, Ransom and Tate. The school district staff is part of the Site Plan Review process having the ability to comment on all proposed projects in Escambia County. The applicant stated there are no plans to develop and although any increase in density may or may not have an influence on student population, the exact number of students cannot be calculated until a plan is submitted thru the Site Plan Review process.

2. Impact on Natural Resources

A. Wellheads

CP Policy CON 1.4.1 Wellhead Protection. Escambia County will provide comprehensive wellhead protection from potential adverse impacts to current and future public water supplies. The provisions will establish specific wellhead protection areas and address incompatible land uses, including prohibited activities and materials, within those areas.

Analysis: Based on the Geographical Information System (GIS) layer, the subject parcel is not located in a wellhead protection area.

B. Historically Significant Sites

CP Policy FLU 1.2.1 State Assistance. *Escambia County will utilize all available resources of the Florida Department of State, Division of Historical Resources in the identification of archeological and/or historic sites or structures within the County and will utilize guidance, direction, and technical assistance received from this agency.*

Analysis: The applicant provided documentation stating there are no previously recorded historical resources within the parcel. The Escambia County Comprehensive Plan has a section for historical preservation and at any time during development if artifacts are discovered, they are to cease construction under policy OBJ FLU 1.2 Historic Resources, in the Escambia County Comprehensive Plan.

C. Natural Environment

CP Policy CON 1.1.2 Wetland and Habitat Indicators. *Escambia County has adopted and will use the National Wetlands Inventory Map, the Escambia County Soils Survey, and the Florida Fish and Wildlife Conservation Commission's (FFWCC) LANDSAT imagery as indicators of the potential presence of wetlands or listed wildlife habitat in the review of applications for development approval.*

CP Policy CON 1.1.6 Habitat Protection. *Escambia County will coordinate with the FDEP, FFWCC, and other state or federal agencies so as to provide the fullest protection to marine or wildlife habitats that may be impacted by existing or proposed development within the County.*

CP Policy CON 1.3.6 Wetland Development Provisions. *Development in wetlands will not be allowed unless sufficient uplands do not exist to avoid a taking. In this case, development in wetlands will be restricted to allow residential density uses as indicated by the LDC.*

CP Policy CON 1.6.3 Tree Protection. *Escambia County will protect trees through LDC provisions.*

***Analysis*:** As stated in the Sector Plan document, Section 5.01, Natural Resources, the DSAP contains significant wetland systems that are listed as a Regionally Significant Natural Resource by the Emerald Coast Regional Planning Council and the final design was to avoid and minimize wetland impacts to the greatest extent possible. The applicant stated that there is no development proposed on the subject parcel. Once a project is proposed, the application will be reviewed and must receive approval through the Site Plan Review process.

***3.* Comprehensive Plan requirements for changes to an existing DSAP.**

OBJ FLU 16.6 Specific Area Plans

Changes to an Existing DSAP: Any addition or deletion of property or changes to the neighborhood, center or district boundaries in an approved DSAP shall follow the County's established processes. It shall include an evaluation and analysis of the impacts to the approved or planned land uses and the ability of the proposed amendment to meet the principles and guidelines outlined in this plan. Such additions or deletions shall not be designed to create remnant areas or fragmented DSAPs.

Evaluation and Analysis. In recognitions of the benefits of long-range planning for specific areas, Escambia County adopted the Sector plan which is intended to promote long-term planning for development and conservation. The primary component of the Sector plan is two DSAP land use plans. The two DSAP land use plans, Muscogee DSAP and Jacks Branch, capture the consensus long-term vision for the area. Both DSAPs were assigned development types and associated densities based on the proportionate share of the overall sector plan.
The total developable land under the Muscogee DSAP, located in the southern section of the SP, is approximately 3,380 acres; under the Jacks Branch DSAP, located in the northern section of the SP, the total developable land is approximately 5,231.70 acres, as can be identified in Figure 2.01A, Attachment A.

The subject parcel is in the southeast area of the Jacks Branch DSAP with access from Highway 29. Analysis of the areas under the DSAP Land Use Plan designated the parcel as being Conservation Neighborhood. If approved, the requested removal of the parcel would not create a fragmented DSAP in Section JB-51 with 10 parcels.

4. Parcel size in relation to the individual DSAP land use category and in relation to the overall Sector Plan, and the aggregate acreage of any granted opt-outs.

The total developable acreage in the entire Sector Plan is 8,611.80 acres. Based on staff calculations, utilizing data from DSAP document Section 2.02, the applicant's parcel totaling 10.04 +/- acres, represent 0.11% of the existing developable acreage of the **Sector Plan*.***

Under Section 2.02 Development Program calculation tables, (page 34 of the DSAP) the total residential developable acreage of the **Jacks Branch DSAP** under the

Conservation Neighborhood Land Use is 2,565.6 acres. Removal of the applicant's 10.04 +/- acres will result in a **0.39% decrease** in developable acres.

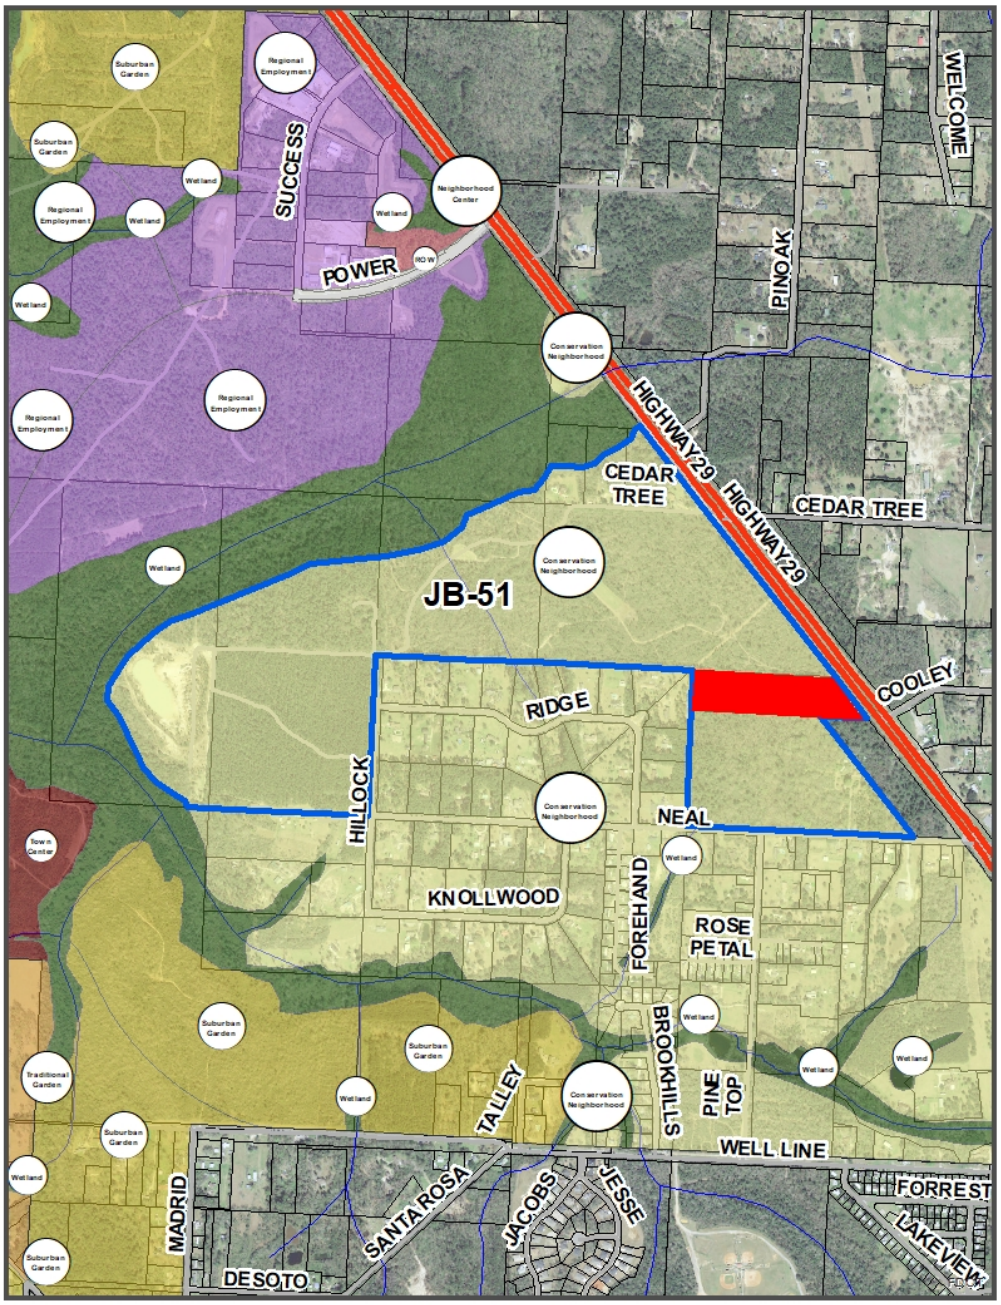

Figure A

The specific Jacks Branch DSAP Land Use for parcels in sections JB-51 (Figure A) is identified as **Conservation Neighborhood** with total dwelling unit development allowances assigned as follows:

JB-51 section total development acreage 238.9 acres
-low density x (0.1) yielding a total density of 23 dwelling units

-medium density x (1) yielding a total density of 238 dwelling units
-high density x (3) yielding a total density of 716 dwelling units

Derived from the analysis of the baseline data we can identify the following trends:

JB-51 section
a. the applicant's parcel area represents 0.11% of the total developable area.
b. removal of the applicant's 10.04 (+/-) acres from the total developable acreage for section JB-51, will result in a reduction of 30.12 total dwelling units under the high-density allocation.

This is the **sixth Opting-Out request** submitted to and processed by County staff. If approved, the total Sector Plan aggregate acreage will be **135.14.**

The original Sector Plan profile identified approximately 15,000 acres of land, the availability of infrastructure and public services and the protection of natural resources; the calculations used to complete the maximum development scenario for the Plan were specific and resulted in a **balanced jobs-to-housing ratio**. Changes to or variations of any of the original data used for the plan could hinder the balance and the viability of attaining the SP goals and objectives.

Assuming a maximum theoretical buildout under the mixture of uses, the DSAP area would produce approximately 27,145 jobs. When analyzed using the maximum residential build-out of 23,000 dwelling units, the result, is a jobs-to- employed residents' ratio of **1.19**. It should be noted that although there is no single perfect ratio, an area is generally considered to be "balanced" if it has a jobs-to-housing ratio of roughly **0.8 to 1.2.** If the proposed amendment is approved the resulting **job-to-housing ratio will be 1.20.**

5. The existing transportation infrastructure and any effect the proposal may have on the capacity of that infrastructure.

TTO Staff has reviewed the Sector Plan Opt-Out Case OSP-2020-01, 1400 Highway 29(parcels 301N312203001001), agenda item for the Planning Board meeting scheduled for October 6, 2020. Please see the below comments.

The property in question is located on the west side of Highway 29 North. Highway 29 North is a 4-lane divided roadway with 12-foot lanes. The right-of-way is approximately 200 feet and the posted speed is 65 MPH.

FDOT has no project listed for this section of Highway 29 N. in their five-year work program, FY 2021-2025. Also, there are no on-going or programmed projects on Highway 29 N. showing in the County's Capital Improvement Program (CIP).

Per the TPO's Congestion Management Process Plan, this section of Highway 29 N. is classified as a rural arterial with a FDOT target daily vehicular capacity of 41,790 (LOS D). The daily volume was recorded as 21,000 for 2019.

TTO's review is solely based off the application submittal packet, so the comments above hold no bearing on any future TTO comments during the Development Review process.

6. The underlying zoning district and the compatibility with the surrounding DSAP Land Use designation.

The existing parcel is currently zoned Low-Density residential (LDR). If removed from the SP, the following range of permitted uses are allowed under the existing zoning district:

Sec. 3-2.5 Low Density Residential district (LDR).

(a) Purpose. The Low Density Residential (LDR) district has a density of four dwellings units per acre. The district establishes appropriate areas and land use regulations for residential uses at low densities within suburban areas. The primary intent of the district is to provide for large-lot suburban type residential neighborhood development that blends aspects of rural openness with the benefits of urban street connectivity, and at greater density than the Rural Residential district. Residential uses within the LDR district are predominantly detached single-family dwellings. Clustering dwellings on smaller residential lots may occur where needed to protect prime farmland from non-agricultural use or to conserve and protect environmentally sensitive areas. The district allows non-residential uses that are compatible with suburban residential neighborhoods and the natural resources of the area.

(b) Permitted uses. Permitted uses within the LDR district are limited to the following:

(1) Residential.

a. Manufactured (mobile) homes only within existing manufactured home parks or subdivisions, or on land zoned SDD prior to adoption of LDR zoning. No new or expanded manufactured home parks or subdivisions.

b. Single-family dwellings (other than manufactured homes), detached and only one per lot, excluding accessory dwellings. Accessory dwellings only on lots two acres or larger. Attached single-family dwellings and zero lot line subdivision only on land zoned V-5 or SDD prior to adoption of LDR zoning.

c. Two-family dwellings and multi-family dwellings up to four units per dwelling (triplex and quadruplex) only on land zoned V-5 or SDD prior to adoption of LDR zoning.

See also conditional uses in this district.

(2) Retail sales. No retail sales.

(3) Retail services. No retail services.

(4) Public and civic.

a. Cemeteries, family only.

b. Public utility structures, excluding telecommunications towers.

See also conditional uses in this district.

(5) Recreation and entertainment.

a. Marinas, private only.

b. Parks without permanent restrooms or outdoor event lighting.

See also conditional uses in this district.

(6) Industrial and related. No industrial or related uses.

(7) Agricultural and related. On land not zoned SDD prior to adoption of LDR zoning, agricultural production and storage is limited to food primarily for personal consumption by the producer. The following additional agricultural uses are allowed on lands zoned SDD prior to LDR zoning:

a. Agriculture, but no farm animals except horses and other domesticated *equines* kept on site, and stables for such animals, accessory to a private residential use with a minimum lot area of two acres and a maximum of one animal per acre.

b. Aquaculture, marine or freshwater.

c. Produce display and sales of fruit, vegetables and similar agricultural products.

d. Silviculture

The Escambia County Land Development Code defines compatibility as a condition in which land uses, activities or conditions can coexist in relative proximity to each other in a stable fashion over time such that no use, activity, or condition is unduly negatively impacted directly or indirectly by another use, activity, or condition. The character and intensity of the LDR zoning district **is compatible** with the low densities in the Conservation Neighborhood.
The DSAP Land Use for the surrounding parcels is strictly Conservation Neighborhood; based on the Residential Guidelines language, the Conservation Neighborhood Land Use is designed to allow clustered subdivisions of detached housing, with a maximum density of 3 dwellings units per net acre.

7. The consistency of any requested Future Land Use designation with the underlying zoning.

Should the Opt-Out be approved, and the MU-S Future Land Use category assigned, the most intense use will be dictated by the LDR zoning category, which allows for residential developments of 4 du/acre. The requested **MU-S** FLU category **will be consistent** with the underlying zoning uses densities and intensities allowed by LDR. From the Escambia County 2030 Comprehensive Plan:

FLUM Mixed-Use Suburban (MU-S)

General Description: Intended for a mix of residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses.

Range of Allowable Uses: Residential, retail sales & services, professional office, recreational facilities, public and civic, limited agriculture.

Standards:

Residential Maximum Density: 25 du/acre
Non-Residential Minimum Intensity: None
Maximum Intensity: 1.0 Floor Area Ratio (FAR)

Escambia County intends to achieve the following mix of land uses for new development within ¼ mile of arterial roadways or transit corridors by 2030:
a) Residential 8% to 25%

b) Public/Rec/Inst. 5% to 20%
c) Non-Residential:
Retail Service-30% to 50%
Office-25% to 50%

In areas beyond ¼ mile of arterial roadways or transit corridors, the following mix of land uses is anticipated:
a) Residential 70% to 85%
b) Public/Rec/Inst. 10% to 25%
c) Non-Residential 5% to 10%

8. Previous FLU designation

Prior to adoption of the DSAP, the FLU designation for this parcel was The Cottage Hill/Quintette Area (Area #15) which stated approximately 70 percent of the lands within the node shall remain in agricultural uses, 25 percent may be developed in residential uses and five percent may be developed in commercial or light industrial uses. The intensity of the nonresidential uses shall be defined by limiting the maximum amount of impervious surface to 82 percent and a floor area ratio of 1.1.

9. Analysis to consider whether the applicant lost development rights or was effectively downzoned as part of the Sector Plan adoption.

The vacant 10.04 (+/-) acre parcel had a FLU designation of Activity Area 15 (AA15). Table, 7-1 under Chapter 7 of the 2020 Comprehensive Plan, Policy 7.A.4.8: Rural Densities, established the density of residential uses in the agriculture, rural and activity area (nodes). The residential density, lot sizes, clustering, and size of proposed new subdivisions would have been governed by the table based on the location of proposed development site and its relationship to an activity node. Any development at that time would have been required to meet the design standards in the LDC or submit a proposal for development, however, there is no record that the property owner submitted a plan or received an approved Development Order, therefore there is no evidence that development rights were lost.

Prior to the adoption of the Mid-West Escambia Sector Plan, the parcel was zoned Villages Rural Residential, VR-2 The Villages Rural Residential zoning districts where characterized by rural land development patterns, as stated in the previous zoning district of VR-2, in the prior LDC. The VR-2 densities reflected the need for more affordable lot sizes for single family and mobile home development allowing for 1 du/.75 acre. Based on the available data, **the residential density** for the parcel were in-fact **increased** by the adoption of the Sector Plan and the assignment of the Conservation Neighborhood Land Use under the DSAP, which provides a maximum allowance of 3 du/acre.

If approved, any future development associated with this parcel will be evaluated during the Site Plan Review process. The review will utilize the current zoning regulations

addressing and minimizing any potential impacts that the proposed development could have on the characteristics of the existing low to mid-density residential development listed under the SP's Land Uses.

If approved, the SP boundary map will be adjusted accordingly, to reflect the removal of the parcel from the Plan as shown in Attachment B.

If approved the parcels will be assigned the Future Land Use Category of MU-S as shown in Attachment C.

INTEROFFICE MEMORANDUM

TO: **Andrew Holmer, Division Manager**
Development Services Department

FROM: **Terri V. Malone, AICP, Transportation Planner**
Transportation & Traffic Operations Division

DATE: **September 24, 2020**

RE: **Transportation & Traffic Operations (TTO) Comments – OSP-2020-01**

TTO Staff has reviewed the Sector Plan Opt-Out Case OSP-2020-01 1400 Highway 29 North, agenda item for the Planning Board meeting scheduled for October 6, 2020. Please see the below comments.

The property in question is located on the west side of Highway 29 North. Highway 29 North is a 4-lane divided roadway with 12-foot lanes. The right-of-way is approximately 200 feet and the posted speed is 65 MPH.

FDOT has no project listed for this section of Highway 29 N. in their five-year work program, FY 2021-2025. Also, there are no on-going or programmed projects on Highway 29 N. showing in the County's Capital Improvement Program (CIP).

Per the TPO's Congestion Management Process Plan, this section of Highway 29 N. is classified as a rural arterial with a FDOT target daily vehicular capacity of 41,790 (LOS D). The daily volume was recorded as 21,000 for 2019.

TTO's review is solely based off the application submittal packet, so the comments above hold no bearing on any future TTO comments during the Development Review process.

ORDINANCE NUMBER 2020-___

AN ORDINANCE OF ESCAMBIA COUNTY, FLORIDA, AMENDING THE ESCAMBIA COUNTY MID-WEST SECTOR PLAN, FINAL LAND USE PLAN, FIGURE 2.01.A, REMOVING A PARCEL WITHIN SECTION 03, TOWNSHIP 1N, RANGE 31W, PARCEL NUMBER 1302-000-001 TOTALING 10.05 (+/-) ACRES, LOCATED ON N. HIGHWAY 29, FROM THE ESCAMBIA COUNTY MID-WEST SECTOR PLAN; FURTHER AMENDING PART II OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, THE ESCAMBIA COUNTY COMPREHENSIVE PLAN: 2030, AS AMENDED; AMENDING CHAPTER 7, "THE FUTURE LAND USE ELEMENT," POLICY FLU 1.1.1, TO PROVIDE FOR AN AMENDMENT TO THE 2030 FUTURE LAND USE MAP, ASSIGNING A FUTURE LAND USE CATEGORY TO A PARCEL WITHIN SECTION 03, TOWNSHIP 1N, RANGE 31W, PARCEL NUMBER 1302-000-001 TOTALING 10.05 (+/-) ACRES, OF MIXED USE SUBURBAN (MU-S); PROVIDING FOR A TITLE; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Chapter 163, Part II, Florida Statutes, Escambia County adopted its Comprehensive Plan on April 29, 2014; and

WHEREAS, Chapter 16, FLU 16.6.1.V of the Escambia County Comprehensive Plan provides guidelines for removing properties from an approved DSAP; and

WHEREAS, the Escambia County Planning Board conducted a public hearing and forwarded a recommendation to the Board of County Commissioners to consider changes (amendments) to the boundaries of the Escambia County Mid-West Sector Plan, Final Land Use Plan Map, Figure 2.01.A, Attachment "A;" and

WHEREAS, Chapter 125, Florida Statutes, empowers the Board of County Commissioners of Escambia County, Florida to prepare, amend and enforce comprehensive plans for the development of the County; and

WHEREAS, the Escambia County Planning Board conducted a public hearing and forwarded a recommendation to the Board of County Commissioners to consider changes (amendments) to the Comprehensive Plan; and

WHEREAS, the Board of County Commissioners of Escambia County, Florida finds that the adoption of this amendment is in the best interest of the County and its citizens;

DRAFT

NOW, THEREFORE, BE IT ORDAINED by the Board of County Commissioners of Escambia County, Florida, as follows:

Section 1. Purpose and Intent

This Ordinance is enacted to carry out the purpose and intent of, and exercise the authority set out in, the Community Planning Act, Sections 163.3161 through 163.3215, Florida Statutes.

Section 2. Title of Map Amendment

This Final Land Use Plan Map amendment shall be entitled – "Opting-Out Escambia County Mid-West Sector Plan OSP 2020-01."

Section 3. Changes to the Final Land Use Plan

The Final Land Use Plan (Figure 2.01.A) as adopted in the Escambia County Mid-West Sector Plan, Land Use Plan and Development Program, and all notations, references and information shown thereon, is further amended to remove the following parcel:

> A parcel within Section 03, Township 1N, Range 31W, parcel number 1302-000-001 and totaling 10.05 (+/-) acres, located on N. Highway 29.

The amended Final Land Use Plan Map boundary is reflected in Attachment “B.”

Section 4. Title of Comprehensive Plan Amendment

This Comprehensive Plan amendment shall be entitled – "Opting-Out Escambia County Mid-West Sector Plan OSP 2020-01."

Section 5. Changes to the 2030 Future Land Use Map

The 2030 Future Land Use Map, as adopted by reference and codified in Part II of the Escambia County Code of Ordinances, the Escambia County Comprehensive Plan: 2030, as amended; Chapter 7, "Future Land Use Element," Policy FLU 1.1.1; and all notations, references and information shown thereon, is further amended to include the following future land use changes:

> A parcel within Section 03, Township 1N, Range 31W, parcel number 1321-000-001 and totaling 10.05 (+/-) acres, located on N. Highway 29, included as Attachment “C,” **assigning a FLU of Mixed-Use Suburban (MU-S).**

DRAFT

Section 6. Severability

If any section, sentence, clause or phrase of this Ordinance is held to be invalid or unconstitutional by any Court of competent jurisdiction, the holding shall in no way affect the validity of the remaining portions of this Ordinance.

Section 7. Effective Date

Pursuant to Section 163.3184(3)(c)(4), Florida Statutes, this Ordinance shall not become effective until 31 days after the Department of Economic Opportunity notifies Escambia County that the plan amendment package is complete. If timely challenged, this Ordinance shall not become effective until the Department of Economic Opportunity or the Administration Commission enters a final order determining the Ordinance to be in compliance.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18768 **Growth Management Report 10. 4.**
BCC Regular Meeting **Public Hearing**
Meeting Date: 11/05/2020
Issue: 5:47 p.m. - A Public Hearing Concerning the Review of an Ordinance Removing a Parcel from the County DSAP and Assigning a Compatible FLU - OSP-2020-02
From: HORACE JONES, Director
Organization: Development Services

RECOMMENDATION:

5:47 p.m. - A Public Hearing Concerning the Review of an Ordinance Removing a Parcel from the County DSAP and Assigning a Compatible FLU - OSP-2020-02

That the Board of County Commissioners (BCC) review and transmit to the Department of Economic Opportunity, (DEO), an Ordinance amending the Escambia County Mid-West Sector Plan, Final Land Use Plan, Figure 2.01.A, removing a parcel within Section 03, Township 1N, Range 31W, Parcel Number 3401-000-000, totaling 19.34 (+/-) acres, located on Pine Top Lane, from the Escambia County Mid-West Sector Plan; further amending Part II of the Escambia County Code of Ordinances, the Escambia County Comprehensive Plan: 2030, as amended; amending Chapter 7, "The Future Land Use Element," Policy FLU 1.1.1, to provide for an amendment to the 2030 Future Land Use Map, assigning a Future Land Use category to a parcel within Section 03, Township 1N, Range 31W, Parcel Number 3401-000-000, totaling 19.34 (+/-) acres, of Mixed-Use Suburban (MU-S).

This hearing serves as the first of two public hearings.

Please note that the October 1, 2020, GMR Consent Item included an inadvertent reference to the "Muscogee Detailed Specific Area Plan." It should have read "Jacks Branch Detailed Specific Area Plan."

BACKGROUND:

The applicant is requesting to remove parcel from the Mid-West Escambia County Sector Plan, Jacks Branch Detailed Specific Area Plan (DSAP), and also requesting assignment of a Future Land Use category of Mixed-Use Suburban (MU-S). The subject parcel is located on the corner of Well Line Road and Pine Top Lane.

Based on the public records of Escambia County, the Escambia County Property Appraiser, there is NON-AG acreage on-site. The current underlying zoning for the parcel is LDR, with a maximum residential development allowance of 4 du/acre. The applicant is also requesting that the BOCC assign a Future Land Use (FLU) category of MU-S. The applicant stated that there is no immediate proposed development for the sites.

The existing Land Use derived from the adopted DSAP Final Land Use Plan, identifies the parcel under the Conservation Neighborhood designation, with a maximum residential development allowance of 3 du/acre.

BUDGETARY IMPACT:

No budgetary impact is anticipated by the adoption of this Ordinance.

LEGAL CONSIDERATIONS/SIGN-OFF:

The attached Ordinance has been reviewed and approved for legal sufficiency by the County Attorney office. Any recommended legal comments are attached herein.

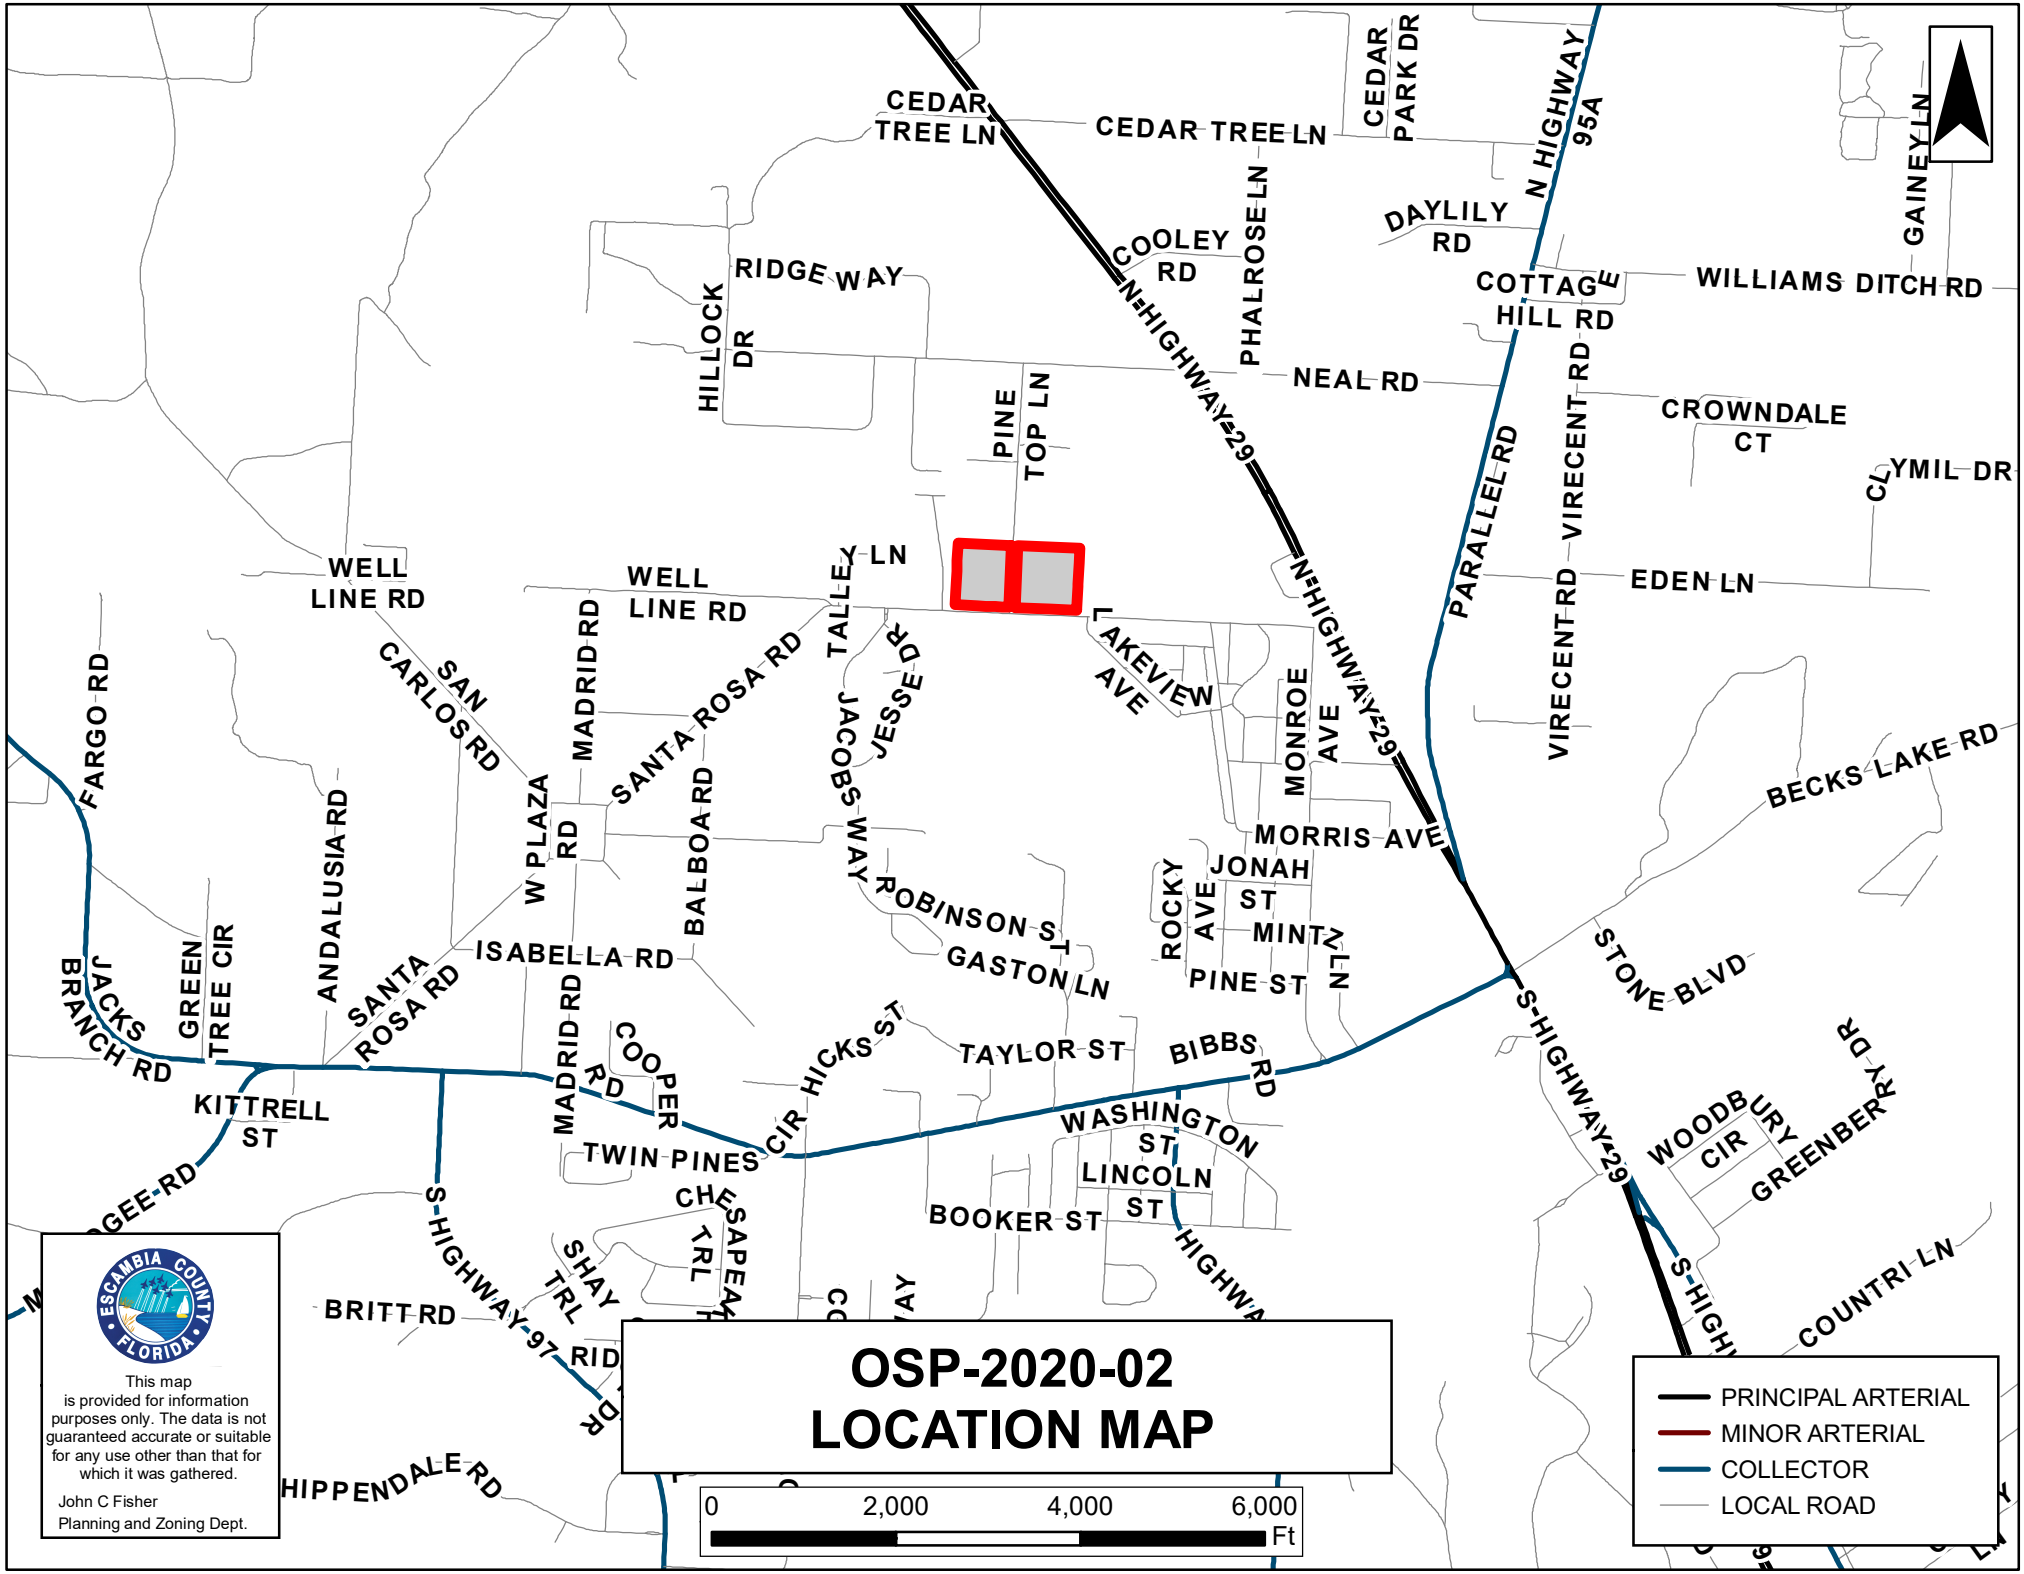
PERSONNEL:

No additional personnel are required for implementation of this Ordinance.

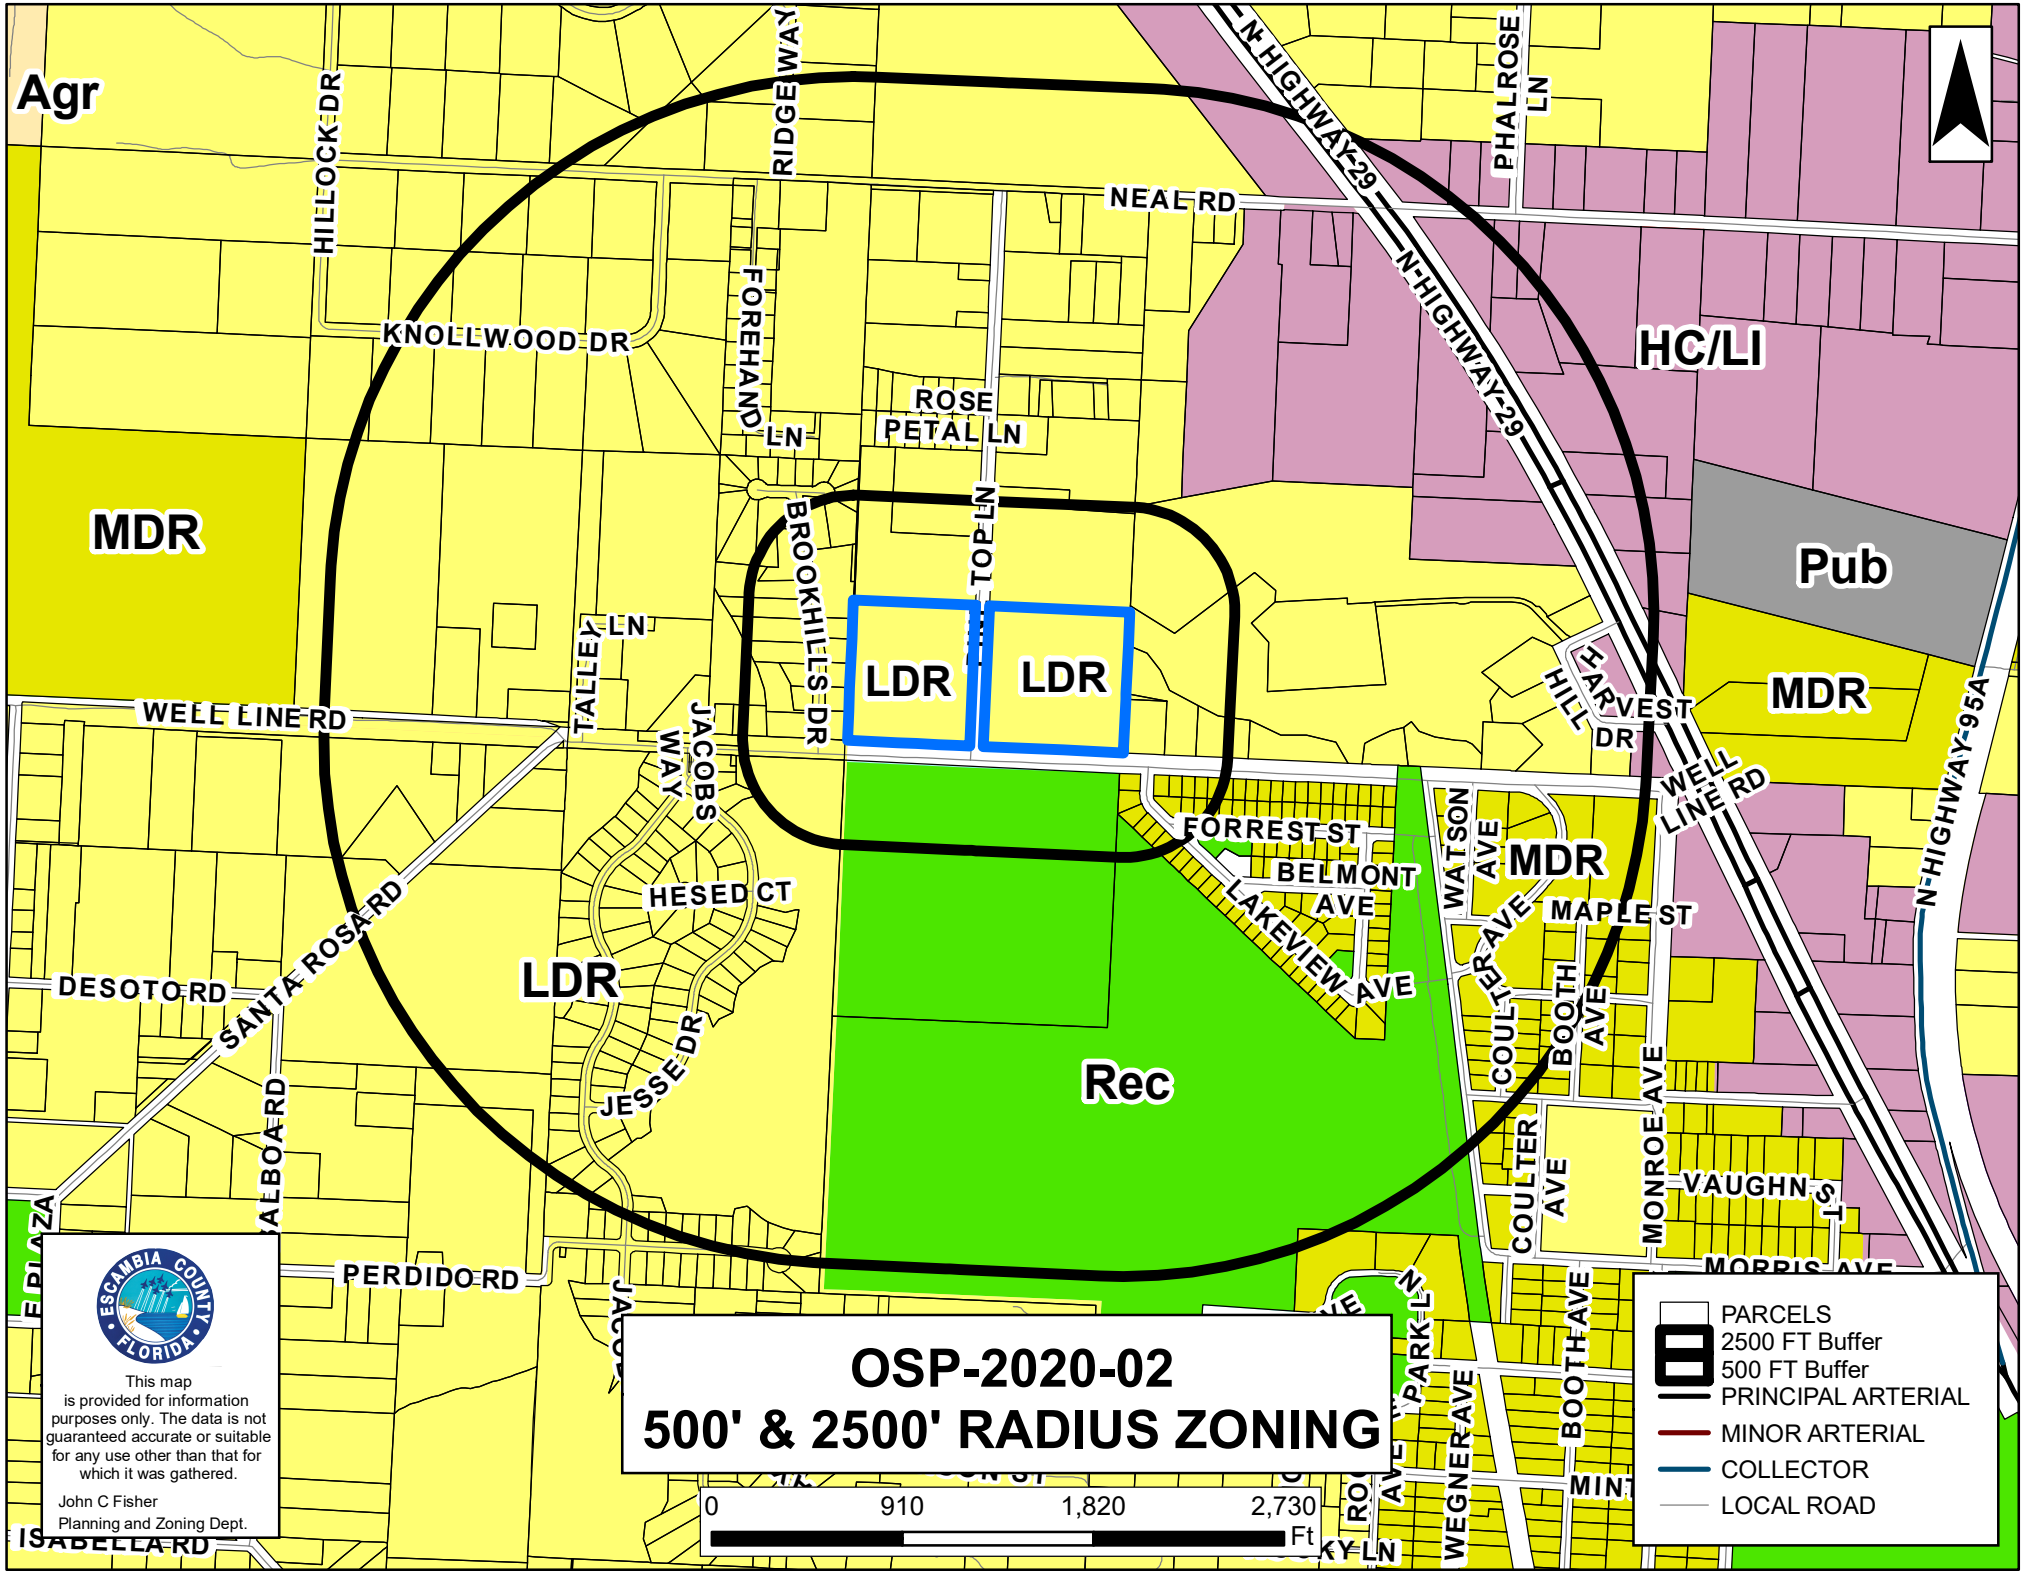
POLICY/REQUIREMENT FOR BOARD ACTION:

The proposed Ordinance is consistent with the Board's goal "to increase citizen involvement in, access to, and approval of, County government activities."

IMPLEMENTATION/COORDINATION:



This Ordinance, assigning a new Future Land Use category and amending the Land Use Plan Map which is a part of the Mid-West Sector Plan will be filed with the Department of State following adoption by the board.



The proposed Ordinance was prepared by the Development Services Department, in cooperation with the County Attorney's Office and all interested citizens. The Development Services Department will ensure proper advertisement.

Pensacola, Florida 32505

RE: Sector Plan Opt-Out Request
Parcel: 03-1N-31-000-000
Address: 1000 Block Well Line Road

Dear Mr. Jones:

The attached application requests Planning Board consideration to remove/opt-out for the referenced parcel above from the adopted Escambia County DSAP Sector Plan. It is our understanding that, if granted, the Future Land Use classification for the property could likely change to the original MU-S category.

The application contains the required $975.00 filing fee together with additional information regarding location, proof of ownership, water and sewer letters of service capacity and location/reference materials. Please contact me if you have any questions or require anything further. Thank you.

Very truly yours,

Wiley C."Buddy" Page

MID-WEST ESCACAMBIA COUNTY SECTOR PLAN OPT-OUT APPLICATION AND FUTURE LAND USE ASSIGNMENT

STAFF

APPLICATION

CHECKLIST

1. ✓ Owner(s) Name, Home Address and Telephone Number. An email address is optional (see form herein).
2. ___ Letter of request, including desired future land use category
3. ✓ Notarized Affidavit of Ownership and Authorization (form herein)
4. ✓ Notarized Affidavit of Ownership and Limited Power of Attorney (form herein) if agent will act in owner's behalf
5. ✓ Concurrency Determination Acknowledgement (form herein)
6. ✓ Proof of Ownership (Copy of Warranty Deed or Tax Notice)
   - Also need copy of Contract for Sale if the change of ownership has not yet been recorded.
7. ✓ Street Map depicting general property location
8. ✓ Legal Description of exact property area proposed for opt-out and a future land use map assignment request , including:
   - ___ Street Address
   - ___ Property Reference Number(s)
   - ___ Boundary Survey
   - ___ Total parcel acreage
9. ✓ Opt-Out application and Future Land Use Assignment fee $975.00

Staff must ensure that all of the information is complete and the required documents on the checklist are provided at the time of submittal. Do not accept incomplete or partial applications.

I/We acknowledge and agree that no future development permit (other than a rezoning/reclassification) shall be approved for the subject parcel(s) prior to the issuance of a certificate of concurrency for such proposed development based on the densities and intensities contained within such future development permit application.

I/We also acknowledge and agree that no development permit or order (other than a rezoning /reclassification) will be issued at that time unless at least one of the concurrency management system standards is met as contained in the Escambia County Code of Ordinances, Part II, Section 6.04, namely:

(1) The necessary facilities and services are in place at the time a development permit is issued; or

(2) A development permit is issued subject to the condition that the necessary facilities and services will be in place when the impacts of the development occur; or

(3) The necessary facilities are under construction at the time a permit is issued; or

(4) The necessary facilities and services are the subject of a binding executed contract for the construction of the facilities or the provision of services at the time the development permit is issued. NOTE: This provision only relates to parks and recreation facilities and roads. The LDC will include a requirement that the provision or construction of the facility or service must commence within one (1) year of the Development Order or Permit; or

(5) The necessary facilities and services are guaranteed in an enforceable development agreement. An enforceable development agreement may include, but is not limited to, development agreements pursuant to Section 163.320, Florida Statutes or an agreement or development order issued pursuant to Chapter 380, Florida Statutes. Any such agreement shall include provisions pursuant to paragraphs 1, 2, or 3 above.

(6) The necessary facilities needed to serve new development are in place or under actual construction no more than three (3) years after issuance, by the County, of a certificate of occupancy or its functional equivalent. NOTE: This provision only relates to roads.

I HEREBY ACKNOWLEDGE THAT I HAVE READ, UNDERSTAND AND AGREE WITH THE ABOVE STATEMENT ON THIS 12 **DAY OF** July **, 20** 20

SPECIAL WARRANTY DEED

THIS INDENTURE is made the 24th day of March, 2020, by the undersigned, **ALICE KAY CAMPBELL,** an unremarried widow, whose address is 1340 Brickton Road, Molino, FL 32577 (the "Grantor"), to **CLEVELAND RUFUS CAMPBELL, SR., as TRUSTEE of the CLEVELAND RUFUS CAMPBELL, SR. REVOCABLE TRUST dated December 14, 2017, as amended,** whose address is 10391 Old Dairy Lane, Pensacola, FL 32534 (the "Grantee").

WITNESSETH, that the said Grantor, for and in consideration of the sum of TEN AND NO/100 DOLLARS ($10.00), in hand paid by the Grantee, and other good and valuable consideration the receipt whereof is hereby acknowledged, does hereby remise, release and convey unto the Grantee forever, all the right, title interest, claim and demand which the Grantor has in and to the following described lot, piece or parcel of land, situate, lying and being in Escambia County, Florida, as follows:

SEE ATTACHED EXHIBIT A

Together with all the rights, tenements, improvements, hereditaments, easements and appurtenances thereto belonging or in anywise appertaining, to have and to hold the same in fee simple forever.

The benefits and obligations hereunder shall inure to and be binding upon the successors and assigns of the respective parties hereto, and the Grantor does hereby fully warrant title to Grantor's interest in the Property that is being conveyed hereunder and will defend the same against the lawful claims of all persons claiming by, through or under the Grantor, but against none other.

This conveyance is subject to taxes and assessments for the year 2020 and thereafter, zoning and other governmental regulations, and all conditions, restrictions, limitations, easements and matters of record, if any, but this provision shall not operate to reimpose same.

The property conveyed hereby is not the homestead of the Grantor as determined under the laws of the State of Florida.

IN WITNESS WHEREOF, the Grantor has hereunto set Grantor's hand and seal the day and year first above written.

Opt-Out Background and Overview

This application seeks approval and request to remove, or opt-out, a parcel of property from its classification within the adopted Escambia County Mid-West Sector Plan, Detailed Specific Area Plan (DSAP) as permitted at **Florida Statutes Ch.163.3245, Laws of Florida**. The subject parcel is a 19.10 acre site described as follows:

> Location: Intersection of Pine Top Lane and Well Line Road in Cantonment, Escambia County, Florida. See attached maps.
>
> Property Parcel Number 03-1N-31-3401-000-000
>
> DSAP Land Use designation: Conservation
>
> Requested Future Land Use Designation: Return to MU-S
>
> Zoning: Should return to LDR

The following narrative responds to each required data set(s) using the same ITEM number identified in the application:

ITEM *1* *A comparative analysis of the impact of both the current and the proposed future land use categories. If a specific development is proposed, then the applicant must show that the infrastructure is available to support the most intense development allowed under the requested Future Land Use category.*

NOTE: Unless otherwise addressed herein, the remainder of identified analysis and data requirements will be submitted to the Development Review Committee when plans are complete.

The site is located just west of Highway 29 on Well Line Road and is bisected by Pine Top Lane as depicted on location maps herein. With the exception of a small wetland area in the northeast corner of the site, the balance of the property is otherwise high and dry. The site is located across Well Line Road from the 155 acre Cantonment Community park and has several existing residential subdivisions to the west and south east of the site. While the subject site is some 19 acres the DSAP area covers over 15,000 acres in comparison.

The current classification of Conservation provides for little if any development activity. A feed store is an example of allowed development even though the site has two residential developments and a large community park nearby. If this request is granted, the MU-S classification would provide for residential uses, among others, but no future development is proposed at this time. A residential subdivision would likely be more compatible with the existing land use patterns than a feed store.

ITEM 2 *Proximity to and impact on the following: A. Wellheads (indicate distance and location to nearest wellhead) B. Historically significant sites available from the Florida Division of Historical Resources: R. A. Gray Building, 500 S. Bronough Street, Room 425, Tallahassee, FL 32399-0250 sitefile@dos.myflorida.com Phone 850.245.6440 C. Natural Resources, including wetlands (a wetlands*

survey is highly recommended if wetlands are located on the property).

A. Wellheads Proximity: The nearest public potable water wellhead is located some 5,550 feet southwest of the site adjacent to the Farm Hill Utilities offices at 120 Madrid Road.

B. Natural Resources: As stated elsewhere, the site has a likely wetlands site in the northeast portion of the site. Once development are determined, a wetlands survey will be conducted to delineate exact locations which will be preserved pursuant to local, state and federal criteria.

C. Historical Significant Sites: A request to the Florida Department of Archives resulted in the attached letter of "no findings of cultural resources" issued from the Florida Master Site File.

Utility impacts and capacities have been reviewed by the respective providers and letters of availability are included in this application. Sanitary sewer service and solid waste provider ECUA affirms availability as well as potable water availability from Farm Hill Utilities.

The existing drainage pattern on the site is basically south west to north east. This natural flow direction will likely be retained with any new development because of the existing wetland in the northeast corner of the site as shown on the attached wetlands map.

ITEM 3 CONSISTENCY ANALYSIS WITH THE ADOPTED ESCAMBIA COUNTY COMPREHENSIVE PLAN

A review and analysis of the potential impacts on the adopted Escambia County Comprehensive Plan has been completed as follows:

Section 1.03 Intent. It is the intent of this Plan to provide orderly growth management for those areas identified in Section 1.02 above. This ordinance is not intended to terminate growth but rather to provide mechanisms for growth management in order to serve the citizens, visitors and property owners of Escambia County. Implementation of this ordinance is designed to maintain and improve the quality of life for all citizens of the county.

RESPONSE: The ordinance provides an opt-out provision which will allow the owner to develop his property more consistent with the original growth allowances in effect prior to the adoption of the DSAP.

FLU 1.2.1 State Assistance. Escambia County will utilize all available resources of the Florida Department of State, Division of Historical Resources in the identification of archeological and/or historic sites or structures within the County, and will utilize guidance, direction, and technical assistance received from this

agency.

FLUM Mixed-Use Suburban (MU-S) General Description: Intended for a mix of residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses. Range of Allowable Uses: Residential, retail sales & services, professional office, recreational facilities, public and civic, limited agriculture. Standards: Residential Maximum Density: 25 du/acre Non-Residential Minimum Intensity: None Maximum Intensity: 1.0 Floor Area Ratio (FAR) CP7:4 Escambia County intends to achieve the following mix of land uses for new development within ¼ mile of arterial roadways or transit corridors by 2030: a) Residential 8% to 25% b) Public/Rec/Inst. 5% to 20% c) Non-Residential: Retail Service-30% to 50% Office-25% to 50% In areas beyond ¼ mile of arterial roadways or transit corridors, the following mix of land uses is anticipated: a) Residential 70% to 85% b) Public/Rec/Inst. 10% to 25% c) Non-Residential 5% to 10%.

RESPONSE: This proposed MU-S designation is more in keeping with promoting compatible infill land uses than the existing Conservation DSAP designation.

OBJ FLU 1.5 Sustainable Development Escambia County will promote sustainable development by encouraging compact, mixed- and multi-use land use patterns.

POLICIES FLU 1.5.1 New Development and Redevelopment in Built Areas. To promote the efficient use of existing public roads, utilities, and service infrastructure, the County will encourage the redevelopment in underutilized properties to maximize development densities and intensities located in the MU-S, MU-U, Commercial, and Industrial Future Land Use categories (with the exception of residential development).

OBJ FLU 2.1 Urban Development Direct growth toward those areas where infrastructure and services exist to support development at approved densities and intensities.

RESPONSE: This site will have all necessary infrastructure and services necessary to support uses allowed in the MU-U Future Land Use Category.

MU-S REQUESTED

POLICIES FLU 2.1.1 Infrastructure Capacities. Urban uses will be concentrated in the urbanized areas with the most intense development permitted in the Mixed-Use Urban (MU-U) areas and areas with sufficient central water and sewer system capacity to accommodate higher density development. Land use densities may be increased through Comprehensive Plan amendments. This policy is intended to direct higher density urban uses to those areas with infrastructure capacities sufficient to meet demands and to those areas with capacities in excess of current or projected demand. Septic systems remain allowed through Florida Health Department .

RESPONSE: This site meets all stated requirements in that water, sanitary sewer and other required urban services are available as witnessed by the utility letters included herein. The site has existing single family residences nearby together with the aforementioned 150 county recreation park across the street.

FLU 2.1.2 Compact Development. To promote compact development, FLUM amendments and residential re-zonings to allow for higher residential densities to be allowed in the MU-U and MU-S future land use categories.

RESPONSE: As referenced elsewhere, this opt-out request will result in the property being re-designated with a Future Land Use category of MU-S.

FLU 16.1.3 The total maximum development scenario of the Mid-West Escambia County Optional Sector Plan shall be limited to 12,175,000 sq. ft. of nonresidential development and 23,000 residential dwelling units. Any future amendments to this total shall result in a balanced jobs-to-housing ratio.

RESPONSE: Given the 19 acre size of the site, some 75 single family homes could conceivably be constructed on the property. The County has not revised the housing count within the DSAP area but it is highly unlikely that an additional 75 dwelling units will

negatively impact the housing limits of 23,000 units.

OBJ FLU 2.3 Infill Development Encourage infill development in appropriate urbanized areas where infrastructure is sufficient to meet demands, such as in MU-U and MU-S.

RESPONSE: This site is consistent with this Objective in that the request should result in a re designation to MU-S.

GOAL MOB 1 TRANSPORTATION Escambia County will provide a safe, cost-effective and functional roadway and transportation system for all residents and visitors to Escambia County.

RESPONSE: This site is provided access with the use of Well Line Road, which is a county owned and maintained roadway.

OBJ MOB 1.1 Transportation System Continue to provide a safe, convenient, efficient and cost-effective multimodal transportation system and roadway network for present and future residents.

RESPONSE: Well Line Road will provide the owner with readily available and quick access to Highway29 , a four lane, divided highway which is also designated as a north-south Hurricane Evacuwation facility.

POLICIES MOB 1.1.1 Level of Service (LOS) Standards.

Levels of Service (LOS) will be used to evaluate facility capacity.

Escambia County will adopt LOS standards for all roadways as indicated in the LDC. The standards for Strategic Intermodal System (SIS) facilities may be revised based on changes to the federal classification of these roadways. These standards are not regulatory but provide a basis by which the County may monitor congestion and coordinate needed improvements with FDOT.

RESPONSE: As shown on the attached spread sheet, this section of Hwy 29 has ample LOS capacity to support the requested FLU change to MU-S. NOT A FLU CHANGE BUT AN ASSIGNMENT OF FLU

POLICIES HOU 1.1.1 Residential Areas. The Escambia County FLUM and zoning maps will identify areas suitable for residential development and/or redevelopment.

RESPONSE: This has been accomplished through the MU-S designations found on the Future Land Use map series.

HOU 1.1.4 Adequate Infrastructure. To assure the sustainability of residential communities, Escambia County will require new residential development to locate where adequate infrastructure is available.

RESPONSE: As referenced elsewhere in this application, the site has all adequate infrastructure available for this 19 acre site.

GOAL INF 1 WASTEWATER Escambia County will ensure the provision of environmentally safe and efficient wastewater collection, treatment, and disposal concurrent with the demand for such services.

RESPONSE: The attached letter of capacity availability from ECUA affirms that sanitary sewer services are ready and capable to serve this 19 acre site.

INF 1.1.7 Level of Service (LOS) Standards. Average LOS standard for wastewater service is 210 gallons per residential connection per day, and the peak LOS will be 350 gallons per residential connection per day. For nonresidential uses, the LOS requirements will be based upon an Equivalent Residential Connection (ERC), as may be recalculated by the service provider from time to time, and on the size of the nonresidential water meter. Escambia County will continue to work with the water providers to ensure that adequate capacity is available

RESPONSE: See attached service provided (ECUA) letter.

INF 1.1.11 Required New Service Connection. All new structures intended for human occupancy will connect to the ECUA

wastewater system unless ECUA has determined that it is not feasible to provide wastewater service to the proposed structures. Those structures not required to connect to the ECUA CP10:3 wastewater system will not be issued a building permit until the applicant has obtained the appropriate permit from the Health Department.

RESPONSE: See attached service provider (ECUA) letter.

GOAL INF 3 STORMWATER MANAGEMENT Escambia County will ensure the provision of environmentally safe and efficient stormwater management concurrent with the demand for such services. OBJ INF 3.1 Provision of Stormwater Management Ensure the safe and efficient provision of stormwater management through maximized use of existing facilities, maintenance of appropriate levels of service, correction of existing deficiencies, and protection of natural resources.

RESPONSE: Once development plans are solidified, they will be submitted to the appropriate regulatory agencies for various compliance review to assure consistency with this Goal.

INF 3.1.6 Developer Responsibilities. Installation of stormwater management facilities made necessary by new development will be the responsibility of the developer.

RESPONSE: The owner understands that the installation of these

facilities will be his responsibility.

INF 4.1.4 Concurrency Management. Escambia County will ensure the provision of potable water facilities concurrent with the occupancy, as created by development or redevelopment through the implementation of the Concurrency Management System, and

INF 4.1.5 Facility Funding. All costs for potable water facilities will be the responsibility of the service providers and will be funded by user fees, special assessments, developer contributions, and state or federal grants or other means. Escambia County may consider additional funding mechanisms as appropriate, and

INF 4.1.6 Developer Responsibility. The cost of water line extensions made necessary by new development will be the responsibility of the developer unless otherwise funded by the service provider.

RESPONSE: Owner acknowledges the costs associated with potable water facilities improvements will be another developer responsibility.

CON 1.1.6 Habitat Protection. Escambia County will coordinate with the FDEP, FFWCC, and other state or federal agencies so as to provide the fullest protection to marine or wildlife habitats that may be impacted by existing or proposed development within the

County.

RESPONSE: The attached wetlands map identifies those areas on the site that will not be disturbed.

CON 1.4.1 Wellhead Protection. Escambia County will provide comprehensive wellhead protection from potential adverse impacts to current and future public water supplies. The provisions will establish specific wellhead protection areas and address incompatible land uses, including prohibited activities and materials, within those areas.

RESPONSE: The nearest protected well head designated area is located over 5,000 feet southwest of the site.

ITEM 4 Parcel size comparison The subject parcel measures some 19+ acres in size compared to a DSAP area made up of over 15,000 acres.

ITEM 5 Infrastructure design/impacts Access to the site is by way of Well Line Road, which has 100' of right of way containing two 9' paved driving lanes. The roadway begins at Hwy 29 on the east and travels west some 7,890 feet where it mixes and terminates with several local subdivision roads. Well Line Road is a county owned and maintained all weather roadway. The roadway is sufficient to serve area development and is similar to

other nearby roadways in the area. The vast majority of traffic enters and exits at the Well Line Road/Highway 29 intersection. Should the property be residentially developed it is not anticipated that traffic to and from Hwy 29 will would cause Well Line Road to decrease in LOS Level Of Service standards.

ITEM 6 Zoning Category Compatibility The existing underlying zoning category is Low Density Residential LD-R. The allowed residential category will not be compatible with the Conservation DSAP in that DSAP requires greater site requirements than otherwise allowed in LD-R which is approximately 4 units per acre.

ITEM 7 Consistency The requested opt-out will likely result in the assignment of the original underlying zoning of LD-R which is compatible with existing residential and recreational development in the area.

ITEM 8 Previous Future Land Use Designation Mixed Use Suburban MU-S was the site designation previously.

This record search is for informational purposes only and does NOT constitute a project review. This search only identifies resources recorded at the Florida Master Site File and does NOT provide project approval from the Division of Historical Resources. In response to your inquiry of July 30, 2020, the Florida Master Site File lists no cultural resources located at 1000 BLK PINETOP ROAD, CANTONMENT, FL 32533

When interpreting the results of this search, please consider the following information:

- **This search area may contain *unrecorded* archaeological sites, historical structures or other resources even if previously surveyed for cultural resources.**
- **Because vandalism and looting are common at Florida sites, we ask that you limit the distribution of location information on archaeological sites.**
- **While many of our records document historically significant resources, the documentation of a resource at the Florida Master Site File does not necessarily mean the resource is historically significant.**
- **Federal, state and local laws require formal environmental review for most projects. This search DOES NOT constitute such a review. If your project falls under these laws, you should contact the Compliance and Review Section of the Division of Historical Resources at 850-245-6333.**

Please do not hesitate to contact us if you have any questions regarding the results of this search.

RE: Stafford Pine Top
1000 blk Well Line Road, at Pine Top intersection
Cantonment, Florida 32533
Letter of Capacity Reservation

Dear Mr. Fitzpatrick,:

ECUA is in receipt of your inquiry concerning the availability of ECUA service/s for the above-referenced project. ECUA provides Potable Water Production Well and/or Wastewater Treatment Plant Capacity Letters exclusively to assist with your permitting efforts through Escambia County's development and concurrency review process. The administration of the concurrency review process is the sole responsibility of Escambia County, and ECUA plays no role in it.

For the purpose of concurrency review only, ECUA anticipates no problems in wastewater treatment plant capacity for the flow rates indicated on your inquiry/request form. A determination on potable water production is not included as part of this letter as parcels appear to be within the potable water franchise area of Cottage Hill Waterworks. This letter is valid for a period not to exceed one (1) year from the date of issuance.

This letter does not guarantee that ECUA's existing water distribution or sanitary sewer collection infrastructure (mains, lift stations, etc.) in the area of your project are sufficient to serve your project; instead, this letter solely addresses potable water production well capacity and/or wastewater treatment plant capacity. Therefore, the project referenced above may require various extensions, additions, upgrades, and/or modifications to the existing ECUA water and/or sewer infrastructure that you, as the Developer, may be required to pay for and install as part of your project.

All extensions, additions, upgrades, and/or modifications to the potable water or sewer collection systems to serve this project must be designed, approved and constructed in accordance with ECUA's policies, procedures, and all applicable permitting requirements. Please submit your project to ECUA Engineering so we can work with your Engineer of Record to evaluate your project's potable water distribution and sanitary sewer collection system needs.

Sincerely,

Stacy N. Hayden, PE
Director of Engineering/ECUA

Re: Well Line Road Project
Water Availability for Development

To Whom It May Concern:

In response to your inquiry concerning availability of water service for the above referenced project, the Cottage Hill Water Works anticipates no problem in water supply capacity for 76 Single family homes at approximately 22,800 gallons per day.

For the purpose of concurrency review, the Cottage Hill Water Works will supply potable water to the development. Connection of the proposed project to our potable water system is the responsibility of the developer. Extensions to the potable water systems to serve these projects must be designed and constructed in accordance with State accepted policies, procedures, and all applicable permitting requirements.

Sincerely,

Cottage Hill Water Works, Inc.

Ronnie Reynolds
Chairman Cottage Hill Water Works, Inc.

Comprehensive Plan
Removal of Parcel from the Optional Sector Plan (amending map)
and assignment of a new Future Land Use Category
Staff Analysis

General Data

Project Name: OSP 2020-02
Location: 1000 BLK Pine Top Lane
Parcel #s: 03-1N-31-3401-000-000
Acreage: 19.34 (+/-) acres
Request: Opt-out of the Sector Plan and assign Future Land Use category
Current Zoning: Low Density Residential district (LDR)
Future Land Use Requested: Mixed Use Suburban (MU-S)
DSAP Land Use: Conservation Neighborhood (Jacks Branch DSAP)
Applicant: Todd Stafford, Agent for Cleveland R. Campbell, Sr, Owner
Meeting Dates: Planning Board: October 6, 2020
BCC: November 5, 2020

Site Description and Summary of Proposed Amendment:

The property owner is requesting a parcel be removed from the Escambia County Mid-West Sector Plan (SP), in the Jacks Branch Detailed Specific Area Plan (DSAP). Within the DSAP, the existing land use for the parcels is Conservation Neighborhood with a maximum residential density of 3 du/acre.

The applicant's request is to assign a Future Land Use (FLU) designation of **Mixed-Use Suburban (MU-S)** to the parcel with no future development proposed at this time.

According to the Escambia County Property Appraiser, the parcel is Non-AG Acreage, with total 19.34 +/- acres.

Standard Map Amendment Criteria

1. Availability of Facilities and Services:

The availability of public facilities and services are necessary to accommodate existing and future development, to promote orderly growth within areas best suited to accommodate development, protect sensitive natural resource systems and rural and agricultural areas. All level of service (LOS) standards are evaluated for compliance

during the review processes stated in the Land Development Code (LDC) for proposed development.

A. Sanitary Sewer

Ensure the safe and efficient provision of wastewater services through coordination with service providers, maximized use of existing facilities, maintenance of appropriate levels of service, correction of existing deficiencies, and protection of natural resources.

CP Policy INF 1.1.7 Level of Service (LOS) Standards*. Average LOS standard for wastewater service is 210 gallons per residential connection per day, and the peak LOS will be 350 gallons per residential connection per day. For nonresidential uses, the LOS requirements will be based upon an Equivalent Residential Connection (ERC), as may be recalculated by the service provider from time to time, and on the size of the nonresidential water meter. Escambia County will continue to work with the water providers to ensure that adequate capacity is available.*

CP Policy INF 1.1.11 Required New Service Connection*. All new structures intended for human occupancy will connect to the ECUA wastewater system unless ECUA has determined that it is not feasible to provide wastewater service to the proposed structures. Those structures not required to connect to the ECUA wastewater system will not be issued a building permit until the applicant has obtained the appropriate permit from the Health Department.*

B. Solid Waste Disposal

Ensure the safe and efficient provision of solid waste services through coordination with service providers, maximized use of existing landfill facilities, maintenance of appropriate levels of service, promotion of recycling and reuse, and protection of natural resources.

CP Policy INF 2.1.2 **Perdido Landfill Operation.** Escambia County will provide and operate the Perdido Landfill so as to accommodate the municipal solid waste disposal needs of the entire County.

CP Policy INF 2.1.4 **Level of Service (LOS) Standards.** The LOS standard for solid waste disposal will be 6 pounds per capita per day.

C. Potable Water

Ensure the safe and efficient provision of potable water services through coordination with service providers, maximized use of existing facilities, maintenance of appropriate levels of service, correction of existing deficiencies, water conservation, and protection of natural resources.

CP Policy **INF 4.1.1 Service Agreements.** Potable water service will be provided at established levels of service within Escambia County consistent with the Interlocal

Agreement between the County and ECUA, the Escambia County Utilities Authority Act, and franchise agreements between Escambia County and other water service providers that were in operation on August 1, 1981.

CP Policy INF 4.1.6 Developer Responsibility. The cost of water line extensions made necessary by new development will be the responsibility of the developer unless otherwise funded by the service provider.

***CP Policy* INF 4.1.7 Level of Service (LOS) Standards.** The LOS standard for potable water service within Escambia County will be 250 gallons per residential connection per day. For non-residential uses, the LOS requirements will be based upon an Equivalent Residential Connection (ERC) to be calculated by the service provider at the time of application. Escambia County will continue to work with the water providers to ensure that adequate capacity is available.

Analysis: As shown in the tables in Section 4.03, Potable Water, of the Mid West Sector Plan document, an analysis was done to determine the infrastructure needed to support development within the DSAP area. Potable water for this area in the DSAP is supplied by Cottage Hill Water Works, Inc. The level of service (LOS) for potable water within Escambia County is 250 gallons per residential connection per day and the non-residential uses are based on equivalent residential connection to be calculated by the service provider at the time of application. Wastewater is supplied to the region by Emerald Coast Utilities Authority with the LOS standards within Escambia County being 210 gallons per residential connection per day, and the non-residential uses are calculated by the service prover at the time of application. Solid waste service LOS is 6 pounds per capita per day. Potable water was analyzed for both the five year and the buildout development programs. A conceptual potable water distribution system was developed based upon this analysis and is available in Figure 4.03A of the DSAP document. Funding for any expansion or improvements to the potable distribution and water treatment systems within a service area are typically generated by the respective Utility Authority.
At the time of submittal, the applicant's analysis documented that there is no development proposed at this time, however all the LOS standards for sanitary sewer, potable water, and waste disposal must be identified and reviewed for any proposed development.

D. Stormwater Management

Ensure the safe and efficient provision of stormwater management through maximized use of existing facilities, maintenance of appropriate levels of service, correction of existing deficiencies, and protection of natural resources.

CP Policy INF 3.1.5 Concurrency Management. *Escambia County will ensure the provision of stormwater management facilities concurrent with the demand for such facilities as created by development or redevelopment through implementation of the Concurrency Management System.*

CP Policy INF 3.1.6 Developer Responsibilities. *Installation of stormwater management facilities made necessary by new development will be the responsibility of the developer.*

CP Policy CON 1.3.1 Stormwater Management. *Escambia County will protect surface water quality by implementing the stormwater management policies of the Infrastructure Element to improve existing stormwater management systems and ensure the provision of stormwater management facilities concurrent with the demand for such facilities.*

Analysis: Based on the DSAP's original analysis for stormwater in areas of the Sector Plan, stormwater systems should be developed as regional systems and encompass multiple areas of development. Attempts should be made to design stormwater treatment and attenuation systems and supporting conveyance pipes and swales as complete systems. All developments are required to meet or exceed the standards established by the Northwest Florida Water Management District (NWFWMD). The applicant stated that there is no proposed development at this time. Compliance with adopted stormwater management provisions will be reviewed and confirmed prior to any site development plan approval.

E. Traffic

Continue to provide a safe, convenient, efficient, and cost-effective multimodal transportation system and roadway network for present and future residents.

CP Policy **MOB 1.1.1 Level of Service (LOS) Standards.** Levels of Service (LOS) will be used to evaluate facility capacity. Escambia County will adopt LOS standards for all roadways as indicated in the LDC. The standards for Strategic Intermodal System (SIS) facilities may be revised based on changes to the federal classification of these roadways. These standards are not regulatory but provide a basis by which the County may monitor congestion and coordinate needed improvements with FDOT.

CP Policy **MOB 1.1.2 On-site Facilities.** All new private development will be required to provide safe and convenient on-site traffic flow as indicated in the LDC.

MOB 1.1.7 Access Management. Escambia County will promote access management by limiting the number of conflict points that a motorist experiences during travel, separating conflict points as much as possible when they cannot be eliminated, and controlling the turning movements to facilitate traffic flow on affected roadways.

Analysis: Based on Section 4.02 in the Public Facilities Plan under the Midwest Sector Plan, a transportation analysis was conducted on different roadways and segments evaluating the existing facilities and travel characteristics as well as the potential impacts and road capacity needs for the five year interim period and the buildout of the plan. A review of the area shows that various transportation improvements are planned

near the DSAP, including capacity expansions of US 29, Interstate 10, and Nine Mile Road.
The County's Traffic and Transportation department has provided comments.
At the time of submittal, the applicant stated there is no proposed development for this parcel. Any development application will require submittal, review, and approval thru the Site Plan Review process, meeting all the requirements of the LDC and Comprehensive Plan.

F. Recreation and Open Space

The purpose of the Recreation and Open Space Element is to ensure adequate recreational opportunities for the citizens of Escambia County through the provision of a comprehensive system of public and private park facilities. These facilities may include, but are not limited to, natural reservations, parks and playgrounds, trails, beaches and public access to beaches, open spaces, and waterways.

Analysis: Conservation Neighborhoods are intended to provide a more efficient and environmentally protective development pattern. As per Mid-West Sector Plan, Section 3.03, Conservation Neighborhood Guidelines, Open Space, the intent is to be low density, clustered communities with an interconnected open space that will serve to protect and preserve areas of significant natural resources and wildlife habitat while offering passive recreational opportunities to residents. Parks and recreational facilities within a neighborhood will promote physical activity as well as adding to the overall value of the area.
The applicant stated that there is no proposed development for the parcel, however, any future development must go through the Development Review process and meet all standards for Recreation and Open Space in the Comprehensive Plan.

G. Public School Facilities

***CP Policy* ICE 1.1.2 Interlocal Agreements.** Escambia County will implement adopted interlocal agreements with the Escambia County School Board, the City of Milton, the City of Pensacola, the City of Gulf Breeze, and Santa Rosa County so as to provide for coordination and evaluation of development proposals that affect the bays, bayous, sound, or gulf (including estuaries and estuarine systems).

Analysis: As per the Sector Plan, Section 4.08, for Schools, an analysis was completed for the purposes of estimating DSAP impacts for both the five year and buildout conditions. Based on the public records of Escambia County, the assigned schools that service the area are Jim Allen, Ransom and Tate. The school district staff is part of the Site Plan Review process having the ability to comment on all proposed projects in Escambia County. The applicant stated there are no plans to develop and although any increase in density may or may not have an influence on student population, the exact number of students cannot be calculated until a plan is submitted thru the Site Plan Review process.

2. Impact on Natural Resources

A. Wellheads

CP Policy CON 1.4.1 Wellhead Protection. Escambia County will provide comprehensive wellhead protection from potential adverse impacts to current and future public water supplies. The provisions will establish specific wellhead protection areas and address incompatible land uses, including prohibited activities and materials, within those areas.

Analysis: Based on the Geographical Information System (GIS) layer, the subject parcel is not located in a wellhead protection area.

B. Historically Significant Sites

CP Policy FLU 1.2.1 State Assistance. *Escambia County will utilize all available resources of the Florida Department of State, Division of Historical Resources in the identification of archeological and/or historic sites or structures within the County and will utilize guidance, direction, and technical assistance received from this agency.*

Analysis: The applicant provided documentation stating there are no previously recorded historical resources within the parcel. The Escambia County Comprehensive Plan has a section for historical preservation and at any time during development if artifacts are discovered, they are to cease construction under policy OBJ FLU 1.2 Historic Resources, in the Escambia County Comprehensive Plan.

C. Natural Environment

CP Policy CON 1.1.2 Wetland and Habitat Indicators. *Escambia County has adopted and will use the National Wetlands Inventory Map, the Escambia County Soils Survey, and the Florida Fish and Wildlife Conservation Commission's (FFWCC) LANDSAT imagery as indicators of the potential presence of wetlands or listed wildlife habitat in the review of applications for development approval.*

CP Policy CON 1.1.6 Habitat Protection. *Escambia County will coordinate with the FDEP, FFWCC, and other state or federal agencies so as to provide the fullest protection to marine or wildlife habitats that may be impacted by existing or proposed development within the County.*

CP Policy CON 1.3.6 Wetland Development Provisions. *Development in wetlands will not be allowed unless sufficient uplands do not exist to avoid a taking. In this case, development in wetlands will be restricted to allow residential density uses as indicated by the LDC.*

CP Policy CON 1.6.3 Tree Protection. *Escambia County will protect trees through LDC provisions.*

***Analysis*:** As stated in the Sector Plan document, Section 5.01, Natural Resources, the DSAP contains significant wetland systems that are listed as a Regionally Significant Natural Resource by the Emerald Coast Regional Planning Council and the final design was to avoid and minimize wetland impacts to the greatest extent possible. The applicant stated that there is no development proposed on the subject parcel. Once a project is proposed, the application will be reviewed and must receive approval through the Site Plan Review process.

***3.* Comprehensive Plan requirements for changes to an existing DSAP.**

OBJ FLU 16.6 Specific Area Plans

Changes to an Existing DSAP: Any addition or deletion of property or changes to the neighborhood, center or district boundaries in an approved DSAP shall follow the County's established processes. It shall include an evaluation and analysis of the impacts to the approved or planned land uses and the ability of the proposed amendment to meet the principles and guidelines outlined in this plan. Such additions or deletions shall not be designed to create remnant areas or fragmented DSAPs.

Evaluation and Analysis. In recognitions of the benefits of long-range planning for specific areas, Escambia County adopted the Sector plan which is intended to promote long-term planning for development and conservation. The primary component of the Sector plan is two DSAP land use plans. There are two DSAP land use plans, Muscogee DSAP and Jacks Branch, that capture the consensus long-term vision for the area. Both DSAPs were assigned development types and associated densities based on the proportionate share of the overall sector plan.
The total developable land under the Muscogee DSAP, located in the southern section of the SP, is approximately 3,380 acres; under the Jacks Branch DSAP, located in the northern section of the SP, the total developable land is approximately 5,231.70 acres, as can be identified in Figure 2.01A, Attachment A.

The subject parcel is in the southeast area of the Jacks Branch DSAP with access from Well Line Road to Highway 29. Analysis of the areas under the DSAP Land Use Plan designated the parcel as being Conservation Neighborhood. If approved, the requested removal of the parcel would not create a fragmented DSAP in Section JB-53 with parcels.

4. Parcel size in relation to the individual DSAP land use category and in relation to the overall Sector Plan, and the aggregate acreage of any granted opt-outs.

The total developable acreage in the entire Sector Plan is 8,611.80 acres. Based on staff calculations, utilizing data from DSAP document Section 2.02 , the applicant's parcel totaling 19.34+/- acres, represent 0.22% of the existing developable acreage of the **Sector Plan.**

Under Section 2.02 Development Program calculation tables, (page 34 of the DSAP) the total residential developable acreage of the **Jacks Branch DSAP** under the

Conservation Neighborhood Land Use is 2,565.6 acres. Removal of the applicant's 19.34 +/-acres will result in a **0.75% decrease** in developable acres.

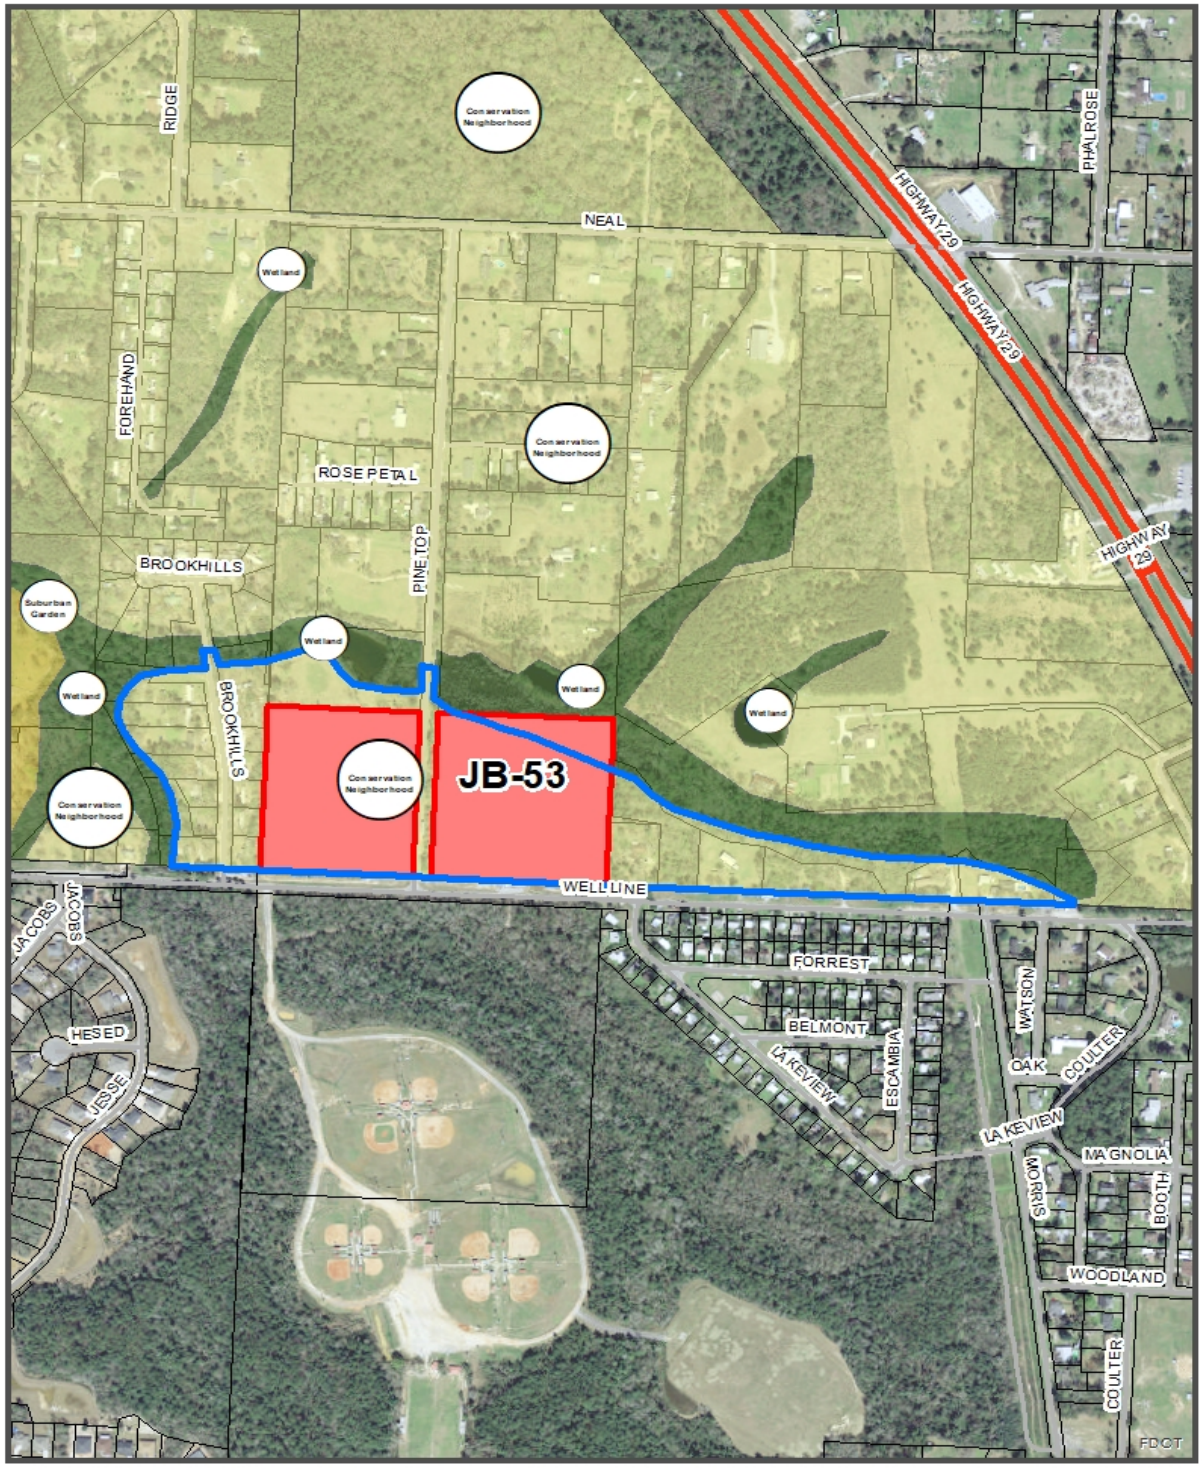

Figure A

The specific Jacks Branch DSAP Land Use for parcels in sections JB-53 (Figure A) is identified as **Conservation Neighborhood** with total dwelling unit development allowances assigned as follows:

JB-53 section total development acreage 38.3 acres
-low density x (0.1) yielding a total density of 3 dwelling units
-medium density x (1) yielding a total density of 38 dwelling units
-high density x (3) yielding a total density of 114 dwelling units

Derived from the analysis of the baseline data we can identify the following trends:

JB-53 section
a. the applicant's parcel area represents 0.22% of the total developable area.
b. removal of the applicant's 19.34 (+/-) acres from the total developable acreage for section JB-53, will result in a reduction of 58.02 total dwelling units under the high-density allocation.

This is the **Seventh Opting-Out request** submitted to and processed by County staff. If approved, the total Sector Plan aggregate acreage will be **154.45**

The original Sector Plan profile identified approximately 15,000 acres of land, the availability of infrastructure and public services and the protection of natural resources; the calculations used to complete the maximum development scenario for the Plan were specific and resulted in a **balanced jobs-to-housing ratio**. Changes to or variations of any of the original data used for the plan could hinder the balance and the viability of attaining the SP goals and objectives.

Assuming a maximum theoretical buildout under the mixture of uses, the DSAP area would produce approximately 27,145 jobs. When analyzed using the maximum residential build-out of 23,000 dwelling units, the result, is a jobs-to-employed residents' ratio of **1.19**. It should be noted that although there is no single perfect ratio, an area is generally considered to be "balanced" if it has a jobs-to-housing ratio of roughly **0.8 to 1.2.** If the proposed amendment is approved the resulting **job-to-housing ratio will be 1.20.**

5. The existing transportation infrastructure and any effect the proposal may have on the capacity of that infrastructure.

TTO Staff has reviewed the Sector Plan Opt-Out Case OSP-2020-02, 1000 BLK Pine Top Lane (parcels 03-1N-31-3401-000-000), agenda item for the Planning Board meeting scheduled for October 6, 2020. Please see the below comments.

The property in question is located on either side of Pine Top Lane and has direct access from Well Line Road. Pine Top Lane is a two-lane undivided facility without paved shoulders. The approximate pavement width of Pine Top Lane is 18 feet, with a right-of-way width of 64 feet. The posted speed is 35 MPH. Well Line Road is also a two-lane undivided facility without paved shoulders. The approximate pavement width

for this segment of the roadway is 18 feet, with a right-of-way width of 90 feet. The posted speed on Well Line Road is 35 MPH.

The County has a project in design for a Well Line Road extension. We have 60% plans to extend Well Line Road by constructing a road through an unopened/un-acquired area along the Well Line Road corridor between Andalusia Road and Jacks Branch Road. Once acquired, the new roadway will consist of 120' of county-owned right-of-way with 12' travel lanes, 5' paved shoulders, and drainage improvements. Holding ponds and a bridge will be constructed at various locations along the corridor.

The County collected a traffic count on Well Line Road between Pine Top Lane and the road to Cantonment Park, September 9, 2020. The daily volume was recorded as 1,878.

TTO's review is solely based off the application submittal packet, so the comments above hold no bearing on any future TTO comments during the Development Review process.

6. The underlying zoning district and the compatibility with the surrounding DSAP Land Use designation.

The existing parcel is currently zoned Low-Density residential (LDR). If removed from the SP, the following range of permitted uses are allowed under the existing zoning district:

Sec. 3-2.5 Low Density Residential district (LDR).

(a) Purpose. The Low Density Residential (LDR) district has a density of four dwellings units per acre. The district establishes appropriate areas and land use regulations for residential uses at low densities within suburban areas. The primary intent of the district is to provide for large-lot suburban type residential neighborhood development that blends aspects of rural openness with the benefits of urban street connectivity, and at greater density than the Rural Residential district. Residential uses within the LDR district are predominantly detached single-family dwellings. Clustering dwellings on smaller residential lots may occur where needed to protect prime farmland from non-agricultural use or to conserve and protect environmentally sensitive areas. The district allows non-residential uses that are compatible with suburban residential neighborhoods and the natural resources of the area.

(b) Permitted uses. Permitted uses within the LDR district are limited to the following:

(1) Residential.

a. Manufactured (mobile) homes only within existing manufactured home parks or subdivisions, or on land zoned SDD prior to adoption of LDR zoning. No new or expanded manufactured home parks or subdivisions.

b. Single-family dwellings (other than manufactured homes), detached and only one per lot, excluding accessory dwellings. Accessory dwellings only on lots two acres or larger. Attached single-family dwellings and zero lot line subdivision only on land zoned V-5 or SDD prior to adoption of LDR zoning.

c. Two-family dwellings and multi-family dwellings up to four units per dwelling (triplex and quadruplex) only on land zoned V-5 or SDD prior to adoption of LDR zoning.

See also conditional uses in this district.

(2) Retail sales. No retail sales.

(3) Retail services. No retail services.

(4) Public and civic.

a. Cemeteries, family only.

b. Public utility structures, excluding telecommunications towers.

See also conditional uses in this district.

(5) Recreation and entertainment.

a. Marinas, private only.

b. Parks without permanent restrooms or outdoor event lighting.

See also conditional uses in this district.

(6) Industrial and related. No industrial or related uses.

(7) Agricultural and related. On land not zoned SDD prior to adoption of LDR zoning, agricultural production and storage is limited to food primarily for personal consumption by the producer. The following additional agricultural uses are allowed on lands zoned SDD prior to LDR zoning:

a. Agriculture, but no farm animals except horses and other domesticated *equines* kept on site, and stables for such animals, accessory to a private residential use with a minimum lot area of two acres and a maximum of one animal per acre.

b. Aquaculture, marine or freshwater.

c. Produce display and sales of fruit, vegetables and similar agricultural products.

d. Silviculture

The Escambia County Land Development Code defines compatibility as a condition in which land uses, activities or conditions can coexist in relative proximity to each other in a stable fashion over time such that no use, activity, or condition is unduly negatively impacted directly or indirectly by another use, activity, or condition. The character and intensity of the LDR zoning district **is compatible** with the low densities in the Conservation Neighborhood.

The DSAP Land Use for the surrounding parcels is strictly Conservation Neighborhood; based on the Residential Guidelines language, the Conservation Neighborhood Land Use is designed to allow clustered subdivisions of detached housing, with a maximum density of 3 dwellings units per net acre.

7. The consistency of any requested Future Land Use designation with the underlying zoning.

Should the Opt-Out be approved, and the MU-S Future Land Use category assigned, the most intense use will be dictated by the LDR zoning category, which allows for residential developments of 4 du/acre. The requested **MU-S** FLU category **will be consistent** with the underlying zoning uses densities and intensities allowed by LDR. From the Escambia County 2030 Comprehensive Plan:

FLUM Mixed-Use Suburban (MU-S)

General Description: Intended for a mix of residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses.

Range of Allowable Uses: Residential, retail sales & services, professional office, recreational facilities, public and civic, limited agriculture.

Standards:

Residential Maximum Density: 25 du/acre
Non-Residential Minimum Intensity: None
Maximum Intensity: 1.0 Floor Area Ratio (FAR)

Escambia County intends to achieve the following mix of land uses for new development within ¼ mile of arterial roadways or transit corridors by 2030:
a) Residential 8% to 25%
b) Public/Rec/Inst. 5% to 20%
c) Non-Residential:
Retail Service-30% to 50%
Office-25% to 50%

In areas beyond ¼ mile of arterial roadways or transit corridors, the following mix of land uses is anticipated:
a) Residential 70% to 85%
b) Public/Rec/Inst. 10% to 25%
c) Non-Residential 5% to 10%

8. Previous FLU designation

Prior to adoption of the DSAP, the FLU designation for this parcel was The Cottage Hill/Quintette Area (Area #15) which stated approximately 70 percent of the lands within the node shall remain in agricultural uses, 25 percent may be developed in residential uses and five percent may be developed in commercial or light industrial uses. The intensity of the nonresidential uses shall be defined by limiting the maximum amount of impervious surface to 82 percent and a floor area ratio of 1.1.

9. Analysis to consider whether the applicant lost development rights or was effectively downzoned as part of the Sector Plan adoption.

The vacant 19.34 (+/-) acre parcel had a FLU designation of Activity Area 15 (AA15). The table, 7-1 under Chapter 7 of the 2020 Comprehensive Plan, Policy 7.A.4.8: Rural Densities, established the density of residential uses in the agriculture, rural and activity area(nodes). The residential density, lot sizes clustering and size of proposed new subdivisions would have been governed by the table based on the location of proposed development site and its relationship to an activity node. Any development at that time would have been required to meet the design standards in the LDC or submit a proposal for development, however there is no record that the property owner submitted

a plan or received an approved Development Order, therefore the applicant did not lose development rights.

Prior to the adoption of the Mid-West Escambia Sector Plan, the vacant parcel was zoned Villages Clustered Residential, V-5. The Villages Clustered Residential zoning districts where characterized by rural land development patterns, as stated in the previous zoning district of V-5, in the prior LDC. The V-5 densities reflected the need for more affordable lot sizes for single family detached, attached structures, duplexes, quadraplexes, townhouses, and patio homes that would be allowed with a gross density (four units per acre, if sewered and clustered) or gross density (one unit per acre, if unsewered). Based on the available data, **the residential density** for the parcel were in-fact **increased and decreased based on rather a development is sewered and clustered or unsewered** by the adoption of the Sector Plan and the assignment of the Conservation Neighborhood Land Use under the DSAP, which provides a maximum allowance of 3 du/acre.

If approved, any future development associated with this parcel will be evaluated during the Site Plan Review process. The review will utilize the current zoning regulations addressing and minimizing any potential impacts that the proposed development could have on the characteristics of the existing low to mid-density residential development listed under the SP's Land Uses.

If approved, the SP boundary map will be adjusted accordingly, to reflect the removal of the parcel from the Plan as shown in Attachment B.

If approved the parcels will be assigned the Future Land Use Category of MU-S as shown in Attachment C.

BOARD OF COUNTY COMMISSIONERS
ESCAMBIA COUNTY, FLORIDA

INTEROFFICE MEMORANDUM

TO: **Andrew Holmer, Division Manager**
Development Services Department

FROM: **Terri V. Malone, AICP, Transportation Planner**
Transportation & Traffic Operations Division

DATE: **September 24, 2020**

RE: **Transportation & Traffic Operations (TTO) Comments – OSP-2020-02**

TTO Staff has reviewed the Sector Plan Opt-Out Case OSP-2020-02 1,000 Block of Well Line Road, agenda item for the Planning Board meeting scheduled for October 6, 2020. Please see the below comments.

The property in question is located on either side of Pine Top Lane and has direct access from Well Line Road. Pine Top Lane is a two-lane undivided facility without paved shoulders. The approximate pavement width of Pine Top Lane is 18 feet, with a right-of-way width of 64 feet. The posted speed is 35 MPH. Well Line Road is also a two-lane undivided facility without paved shoulders. The approximate pavement width for this segment of the roadway is 18 feet, with a right-of-way width of 90 feet. The posted speed on Well Line Road is 35 MPH.

The County has a project in design for a Well Line Road extension. We have 60% plans to extend Well Line Road by constructing a road through an unopened/un-acquired area along the Well Line Road corridor between Andalusia Road and Jacks Branch Road. Once acquired, the new roadway will consist of 120' of county-owned right-of-way with 12' travel lanes, 5' paved shoulders, and drainage improvements. Holding ponds and a bridge will be constructed at various locations along the corridor.

The County collected a traffic count on Well Line Road between Pine Top Lane and the road to Cantonment Park, September 9, 2020. The daily volume was recorded as 1,878.

TTO's review is solely based off the application submittal packet, so the comments above hold no bearing on any future TTO comments during the Development Review process.

ORDINANCE NUMBER 2020-___

AN ORDINANCE OF ESCAMBIA COUNTY, FLORIDA, AMENDING THE ESCAMBIA COUNTY MID-WEST SECTOR PLAN, FINAL LAND USE PLAN, FIGURE 2.01.A, REMOVING A PARCEL WITHIN SECTION 03, TOWNSHIP 1N, RANGE 31W, PARCEL NUMBER 3401-000-000 TOTALING 19.34 (+/-) ACRES, LOCATED ON PINE TOP LANE, FROM THE ESCAMBIA COUNTY MID-WEST SECTOR PLAN; FURTHER AMENDING PART II OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, THE ESCAMBIA COUNTY COMPREHENSIVE PLAN: 2030, AS AMENDED, AMENDING CHAPTER 7, "THE FUTURE LAND USE ELEMENT," POLICY FLU 1.1.1, TO PROVIDE FOR AN AMENDMENT TO THE 2030 FUTURE LAND USE MAP, ASSIGNING A FUTURE LAND USE CATEGORY TO A PARCEL WITHIN SECTION 30, TOWNSHIP 1N, RANGE 31W, PARCEL NUMBER 3401-000-000 TOTALING 19.34 (+/-) ACRES, OF MIXED-USE SUBURBAN (MU-S); PROVIDING FOR A TITLE; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Chapter 163, Part II, Florida Statutes, Escambia County adopted its Comprehensive Plan on April 29, 2014; and

WHEREAS, Chapter 16, FLU 16.6.1.V of the Escambia County Comprehensive Plan provides guidelines for removing properties from an approved DSAP; and

WHEREAS, the Escambia County Planning Board conducted a public hearing and forwarded a recommendation to the Board of County Commissioners to consider changes (amendments) to the boundaries of the Escambia County Mid-West Sector Plan, Final Land Use Plan Map, Figure 2.01.A, Attachment "A;" and

WHEREAS, Chapter 125, Florida Statutes, empowers the Board of County Commissioners of Escambia County, Florida to prepare, amend and enforce comprehensive plans for the development of the County; and

WHEREAS, the Escambia County Planning Board conducted a public hearing and forwarded a recommendation to the Board of County Commissioners to consider changes (amendments) to the Comprehensive Plan; and

WHEREAS, the Board of County Commissioners of Escambia County, Florida finds that the adoption of this amendment is in the best interest of the County and its citizens;

NOW, THEREFORE, BE IT ORDAINED by the Board of County Commissioners of Escambia County, Florida, as follows:

PB: 10-6-2020
Re: OSP-2020-02
Draft: legal sign-off

DRAFT

Section 1. Purpose and Intent

This Ordinance is enacted to carry out the purpose and intent of, and exercise the authority set out in, the Community Planning Act, Sections 163.3161 through 163.3215, Florida Statutes.

Section 2. Title of Map Amendment

This Final Land Use Plan Map amendment shall be entitled – "Opting-Out Escambia County Mid-West Sector Plan OSP 2020-02."

Section 3. Changes to the Final Land Use Plan

The Final Land Use Plan (Figure 2.01.A), as adopted in the Escambia County Mid-West Sector Plan, Land Use Plan and Development Program, and all notations, references and information shown thereon, is further amended to remove the following parcel:

> One parcel within Section 03, Township 1N, Range 31W, parcel number 3401-000-000 totaling 19.34 (+/-) acres, located on Pine Top Lane.

The amended Final Land Use Plan Map boundary is reflected in Attachment "B."

Section 4. Title of Comprehensive Plan Amendment

This Comprehensive Plan amendment shall be entitled – "Opting-Out Escambia County Mid-West Sector Plan OSP 2020-02."

Section 5. Changes to the 2030 Future Land Use Map

The 2030 Future Land Use Map, as adopted by reference and codified in Part II of the Escambia County Code of Ordinances, the Escambia County Comprehensive Plan: 2030, as amended; Chapter 7, "Future Land Use Element," Policy FLU 1.1.1; and all notations, references and information shown thereon, is further amended to include the following future land use changes:

> A parcel within Section 03, Township 1N, Range 31W, parcel number 3401-000-000 totaling 19.34 (+/-) acres, located on Pine Top Lane, included as Attachment "C," **assigning a FLU of Mixed-Use Suburban (MU-S).**

DRAFT

Section 6. Severability

If any section, sentence, clause, or phrase of this Ordinance is held to be invalid or unconstitutional by any Court of competent jurisdiction, the holding shall in no way affect the validity of the remaining portions of this Ordinance.

Section 7. Effective Date

Pursuant to Section 163.3184(3)(c)(4), Florida Statutes, this Ordinance shall not become effective until 31 days after the Department of Economic Opportunity notifies Escambia County that the plan amendment package is complete. If timely challenged, this Ordinance shall not become effective until the Department of Economic Opportunity or the Administration Commission enters a final order determining the Ordinance to be in compliance.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18815 **Growth Management Report 10. 5.**
BCC Regular Meeting **Public Hearing**
Meeting Date: 11/05/2020
Issue: 5:48 p.m. - A Public Hearing Concerning the Review of an Ordinance Amending the Future Land Use Map, LSA-2019-05
From: HORACE JONES, Director
Organization: Development Services

RECOMMENDATION:

5:48 p.m. - A Public Hearing Concerning the Review of an Ordinance Amending the Future Land Use Map, LSA-2019-05

That the Board of County Commissioners (BCC) review and approve an Ordinance amending the Comprehensive Plan, Chapter 7, 2030 Future Land Use (FLU) map, LSA-2019-05, changing the FLU category for two parcels located on Pine Forest Road, Parcel Number 24-1S-31-4230-000-020, totaling 10.28 (+/-) acres, and Parcel Number 24-1S-31-3140-000-000, totaling 3.66 (+/-) acres, from Commercial (C) to Mixed-Use Urban (MU-U).

This serves as the second of two public hearings.

BACKGROUND:

The applicant is requesting a Future Land Use Map change from Commercial (C) to Mixed-Use Urban (MU-U) in order to obtain an increase in residential development.

BUDGETARY IMPACT:

No budgetary impact is anticipated by the adoption of this Ordinance.

LEGAL CONSIDERATIONS/SIGN-OFF:

The attached Ordinance has been reviewed and approved for legal sufficiency by Kia Johnson, Assistant County Attorney. Any recommended legal comments are attached herein.

PERSONNEL:

No additional personnel are required for implementation of this Ordinance.

POLICY/REQUIREMENT FOR BOARD ACTION:

The proposed Ordinance is consistent with the Board's goal "to increase citizen involvement in, access to, and approval of, County government activities."

IMPLEMENTATION/COORDINATION:

This Ordinance, amending the Comprehensive Plan will be filed with the Department of State following adoption by the Board.

Implementation of this Ordinance will consist of an amendment to the Future Land Use Map and distribution of a copy of the adopted Ordinance to interested citizens and staff.

The proposed Ordinance was prepared by the Development Services Department, in cooperation with the County Attorney's Office and all interested citizens. The Development Services Department will ensure proper advertisement.

Board of County Commissioners • Escambia County, Florida

Horace Jones, Director
Development Services

August 11, 2020

Mr. Ray Eubanks, Plan Processing Administrator
Florida Department of Economic Opportunity
Division of Community Planning
Caldwell Building
107 East Madison, MSC 160
Tallahassee, FL32399-4120

RE: Proposed Escambia County Comprehensive Plan Map Amendment LSA-2019-05

Dear Mr. Eubanks:

On behalf of Escambia County, enclosed are three (3) copies of the proposed Escambia County Comprehensive Plan Map Amendment which are forwarded for your review. This amendment is subject to the Expedited Review process pursuant to Section 163.3184(2), (3) and (5), Florida Statues (F.S.).

The Local Planning Agency (LPA) considered the LSA on December 5, 2019 and approved this amendment for transmittal to the Board of County Commissioners (BCC), which subsequently held a transmittal public hearing for the amendment on August 6, 2020, and approved submission of this package to the Department of Economic Opportunity.

Pursuant to the new Comprehensive Plan Amendment Processing Guidelines, a copy of the proposed amendment package is being forwarded to the Department of Environmental Protection, the Florida Department of Transportation, (District Three), the Department of State, the Emerald Coast Regional Council, the Northwest Florida Water Management District, the Military Commanding Officers of Naval Air Station Pensacola and Naval Air Station Whiting Field, the Florida Fish and Wildlife Conservation Commission, and the Florida Department of Agriculture and Consumer Services, concurrent with this submittal. This amendment is not applicable to the area of critical state concern and has not been prepared under a joint planning agreement.

Sincerely,

Horace Jones
Department Director

Ron DeSantis
GOVERNOR

FLORIDA DEPARTMENT of ECONOMIC OPPORTUNITY

Dane Eagle
EXECUTIVE DIRECTOR

September 18, 2020

The Honorable Steven Barry
Chairman, Escambia County
Board of County Commissioners
221 Palafox Place
Pensacola, Florida 32502

Dear Chairman Barry:

The Department of Economic Opportunity ("Department") has reviewed the proposed comprehensive plan amendment for Escambia County (Amendment No. 20-05ESR; County Number LSA-2019-05) received on August 20, 2020. The review was completed under the expedited state review process. We have no comment on the proposed amendment.

The County should act by choosing to adopt, adopt with changes, or not adopt the proposed amendment. For your assistance, we have enclosed the procedures for adoption and transmittal of the comprehensive plan amendment. In addition, the County is reminded that:

- Section 163.3184(3)(b), F.S., authorizes other reviewing agencies to provide comments directly to the County. **If the County receives reviewing agency comments and they are not resolved, these comments could form the basis for a challenge to the amendment after adoption.**

- **The second public hearing,** which shall be a hearing on whether to adopt one or more comprehensive plan amendments, **must be held within 180 days** of your receipt of agency comments or the amendment shall be **deemed withdrawn** unless extended by agreement with notice to the Department and any affected party that provided comment on the amendment pursuant to Section 163.3184(3)(c)1., F.S.

- **The adopted amendment must be rendered to the Department.** Under Section 163.3184(3)(c)2. and 4., F.S., the **amendment effective date** is 31 days after the Department notifies the County that the amendment package is complete or, if challenged, until it is found to be in compliance by the Department or the Administration Commission.

An equal opportunity employer/program. Auxiliary aids and service are available upon request to individuals with disabilities. All voice telephone numbers on this document may be reached by persons using TTY/TTD equipment via the Florida Relay Service at 711.

If you have any questions concerning this review, please contact Valerie James, Planning Analyst, by telephone at (850) 717-8493 or by email at valerie.james@deo.myflorida.com.

Sincerely,

James D. Stansbury, Chief
Bureau of Community Planning and Growth

SUBMITTAL OF ADOPTED COMPREHENSIVE PLAN AMENDMENTS

FOR EXPEDITED STATE REVIEW

Section 163.3184(3), Florida Statutes

NUMBER OF COPIES TO BE SUBMITTED: Please submit three complete copies of all comprehensive plan materials, of which one complete paper copy and two complete electronic copies on CD ROM in Portable Document Format (PDF) to the State Land Planning Agency and one copy to each entity below that provided timely comments to the local government: the appropriate Regional Planning Council; Water Management District; Department of Transportation; Department of Environmental Protection; Department of State; the appropriate county (municipal amendments only); the Florida Fish and Wildlife Conservation Commission and the Department of Agriculture and Consumer Services (county plan amendments only); and the Department of Education (amendments relating to public schools); and for certain local governments, the appropriate military installation and any other local government or governmental agency that has filed a written request.

SUBMITTAL LETTER: Please include the following information in the cover letter transmitting the adopted amendment:

_____ State Land Planning Agency identification number for adopted amendment package;

_____ Summary description of the adoption package, including any amendments proposed but not adopted;

_____ Identify if concurrency has been rescinded and indicate for which public facilities. (Transportation, schools, recreation and open space).

_____ Ordinance number and adoption date;

_____ Certification that the adopted amendment(s) has been submitted to all parties that provided timely comments to the local government;

_____ Name, title, address, telephone, FAX number and e-mail address of local government contact;

_____ Letter signed by the chief elected official or the person designated by the local government.

ADOPTION AMENDMENT PACKAGE: Please include the following information in the amendment package:

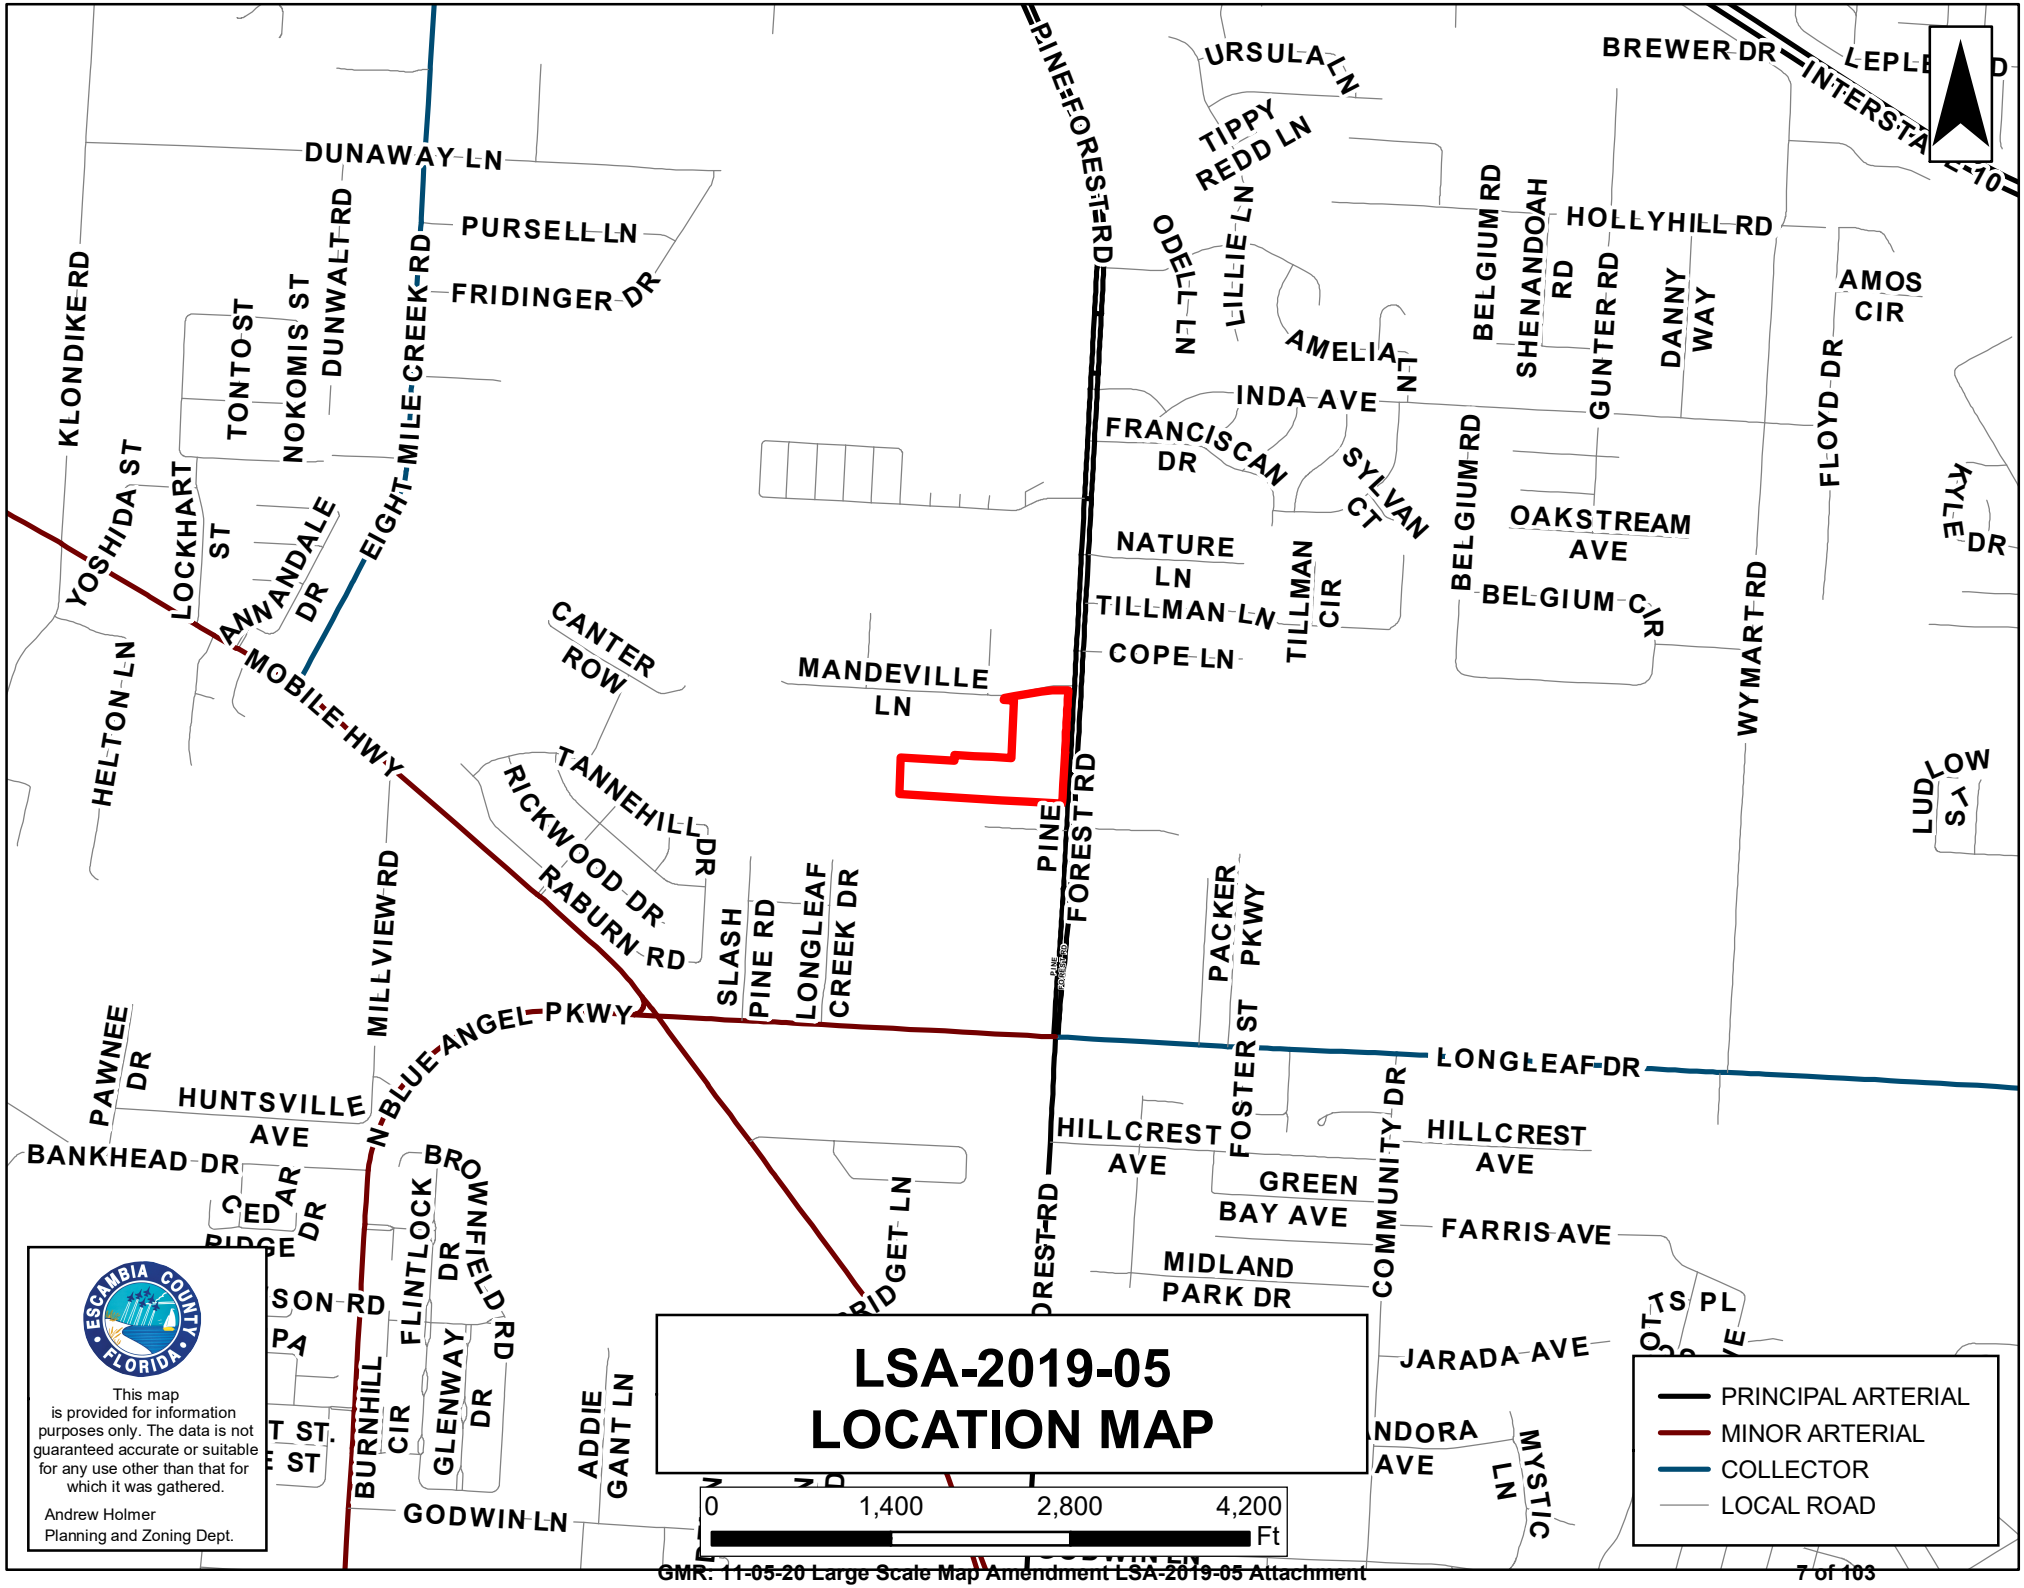
_____ In the case of text amendments, changes should be shown in strike-through/underline format.

_____ In the case of future land use map amendments, an adopted future land use map, **in color format,** clearly depicting the parcel, its future land use designation, and its adopted designation.

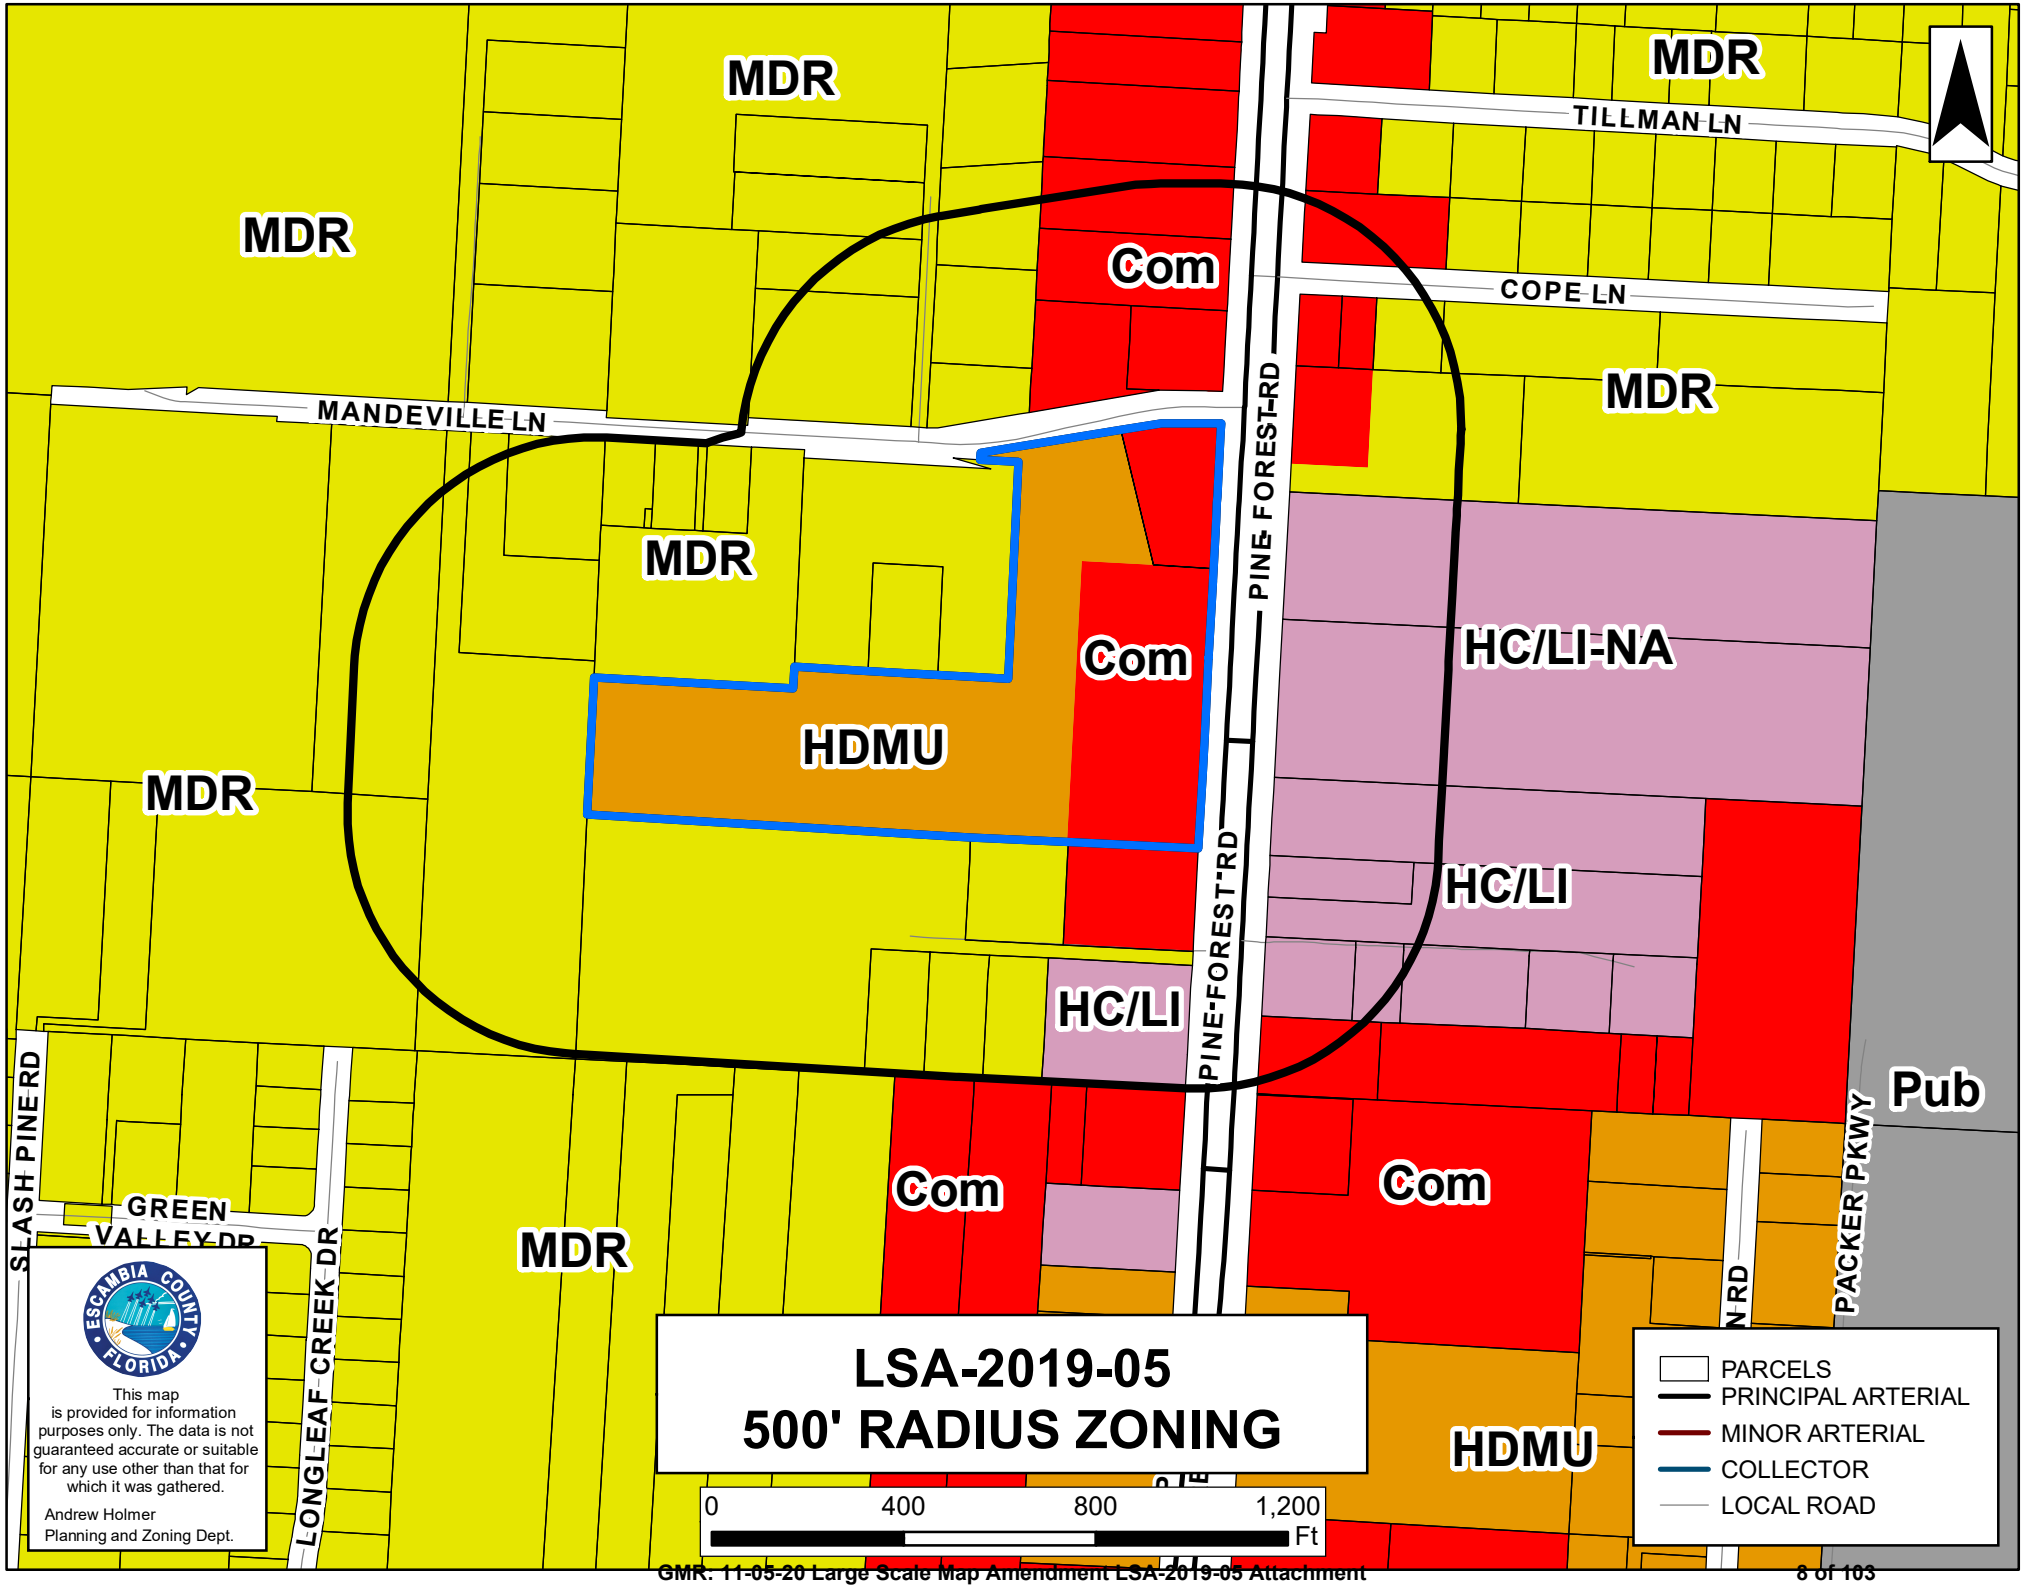
_____ A copy of any data and analyses the local government deems appropriate.

Note: If the local government is relying on previously submitted data and analysis, no additional data and analysis is required;

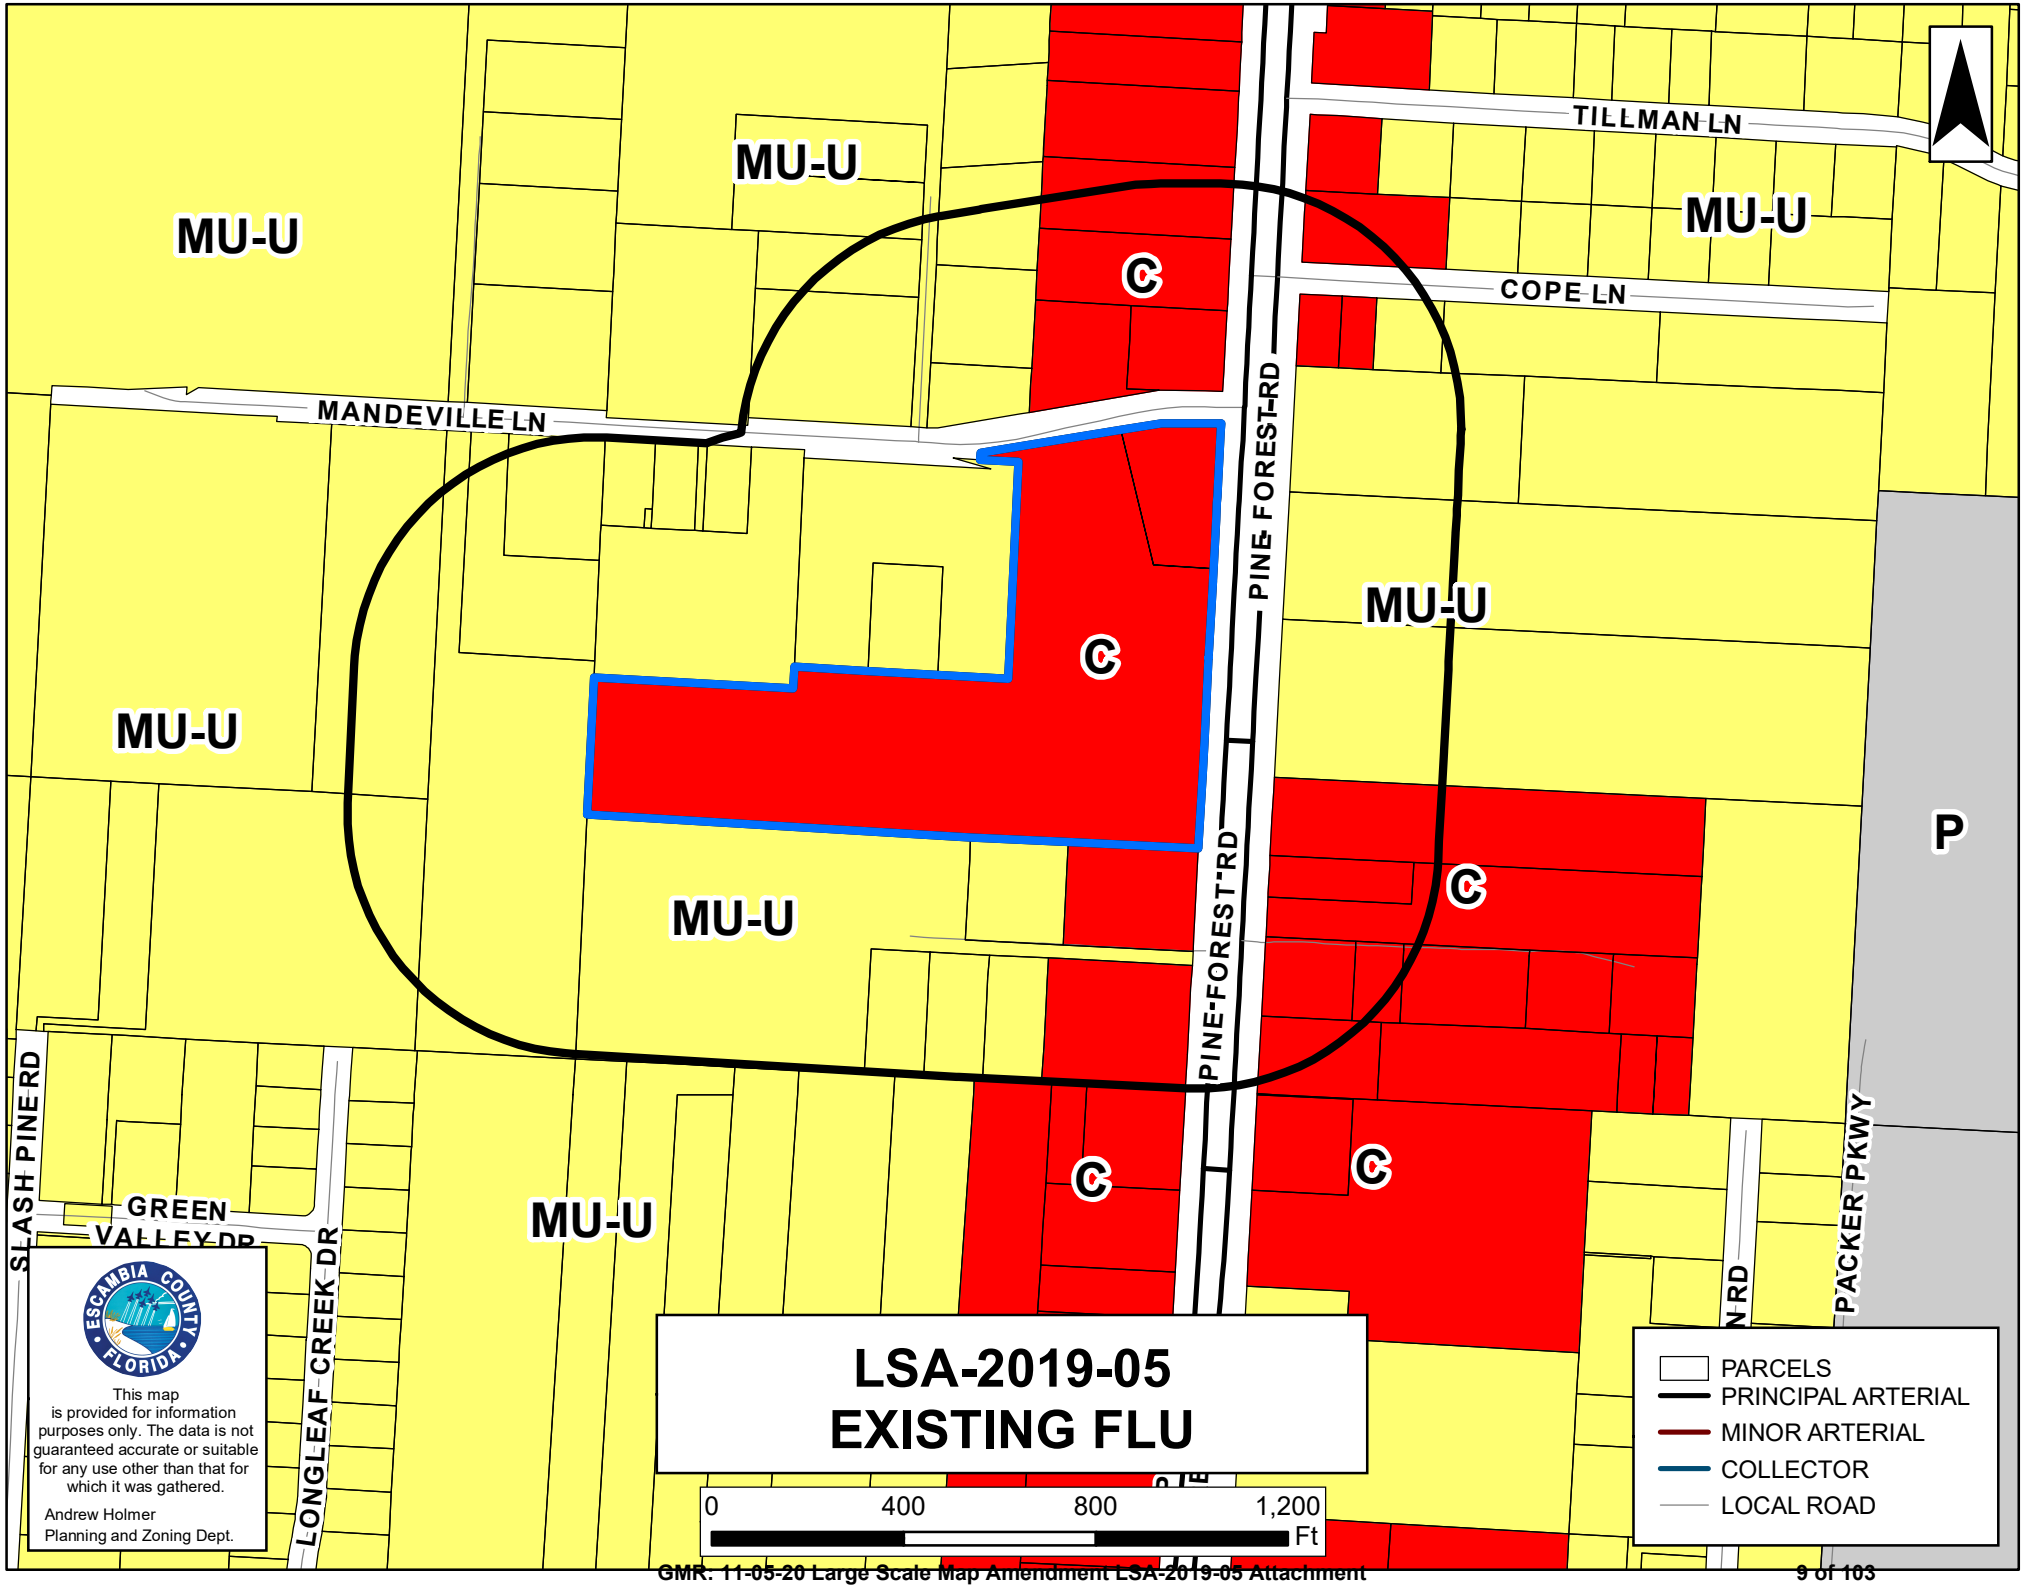
_____ Copy of the executed ordinance adopting the comprehensive plan amendment(s);



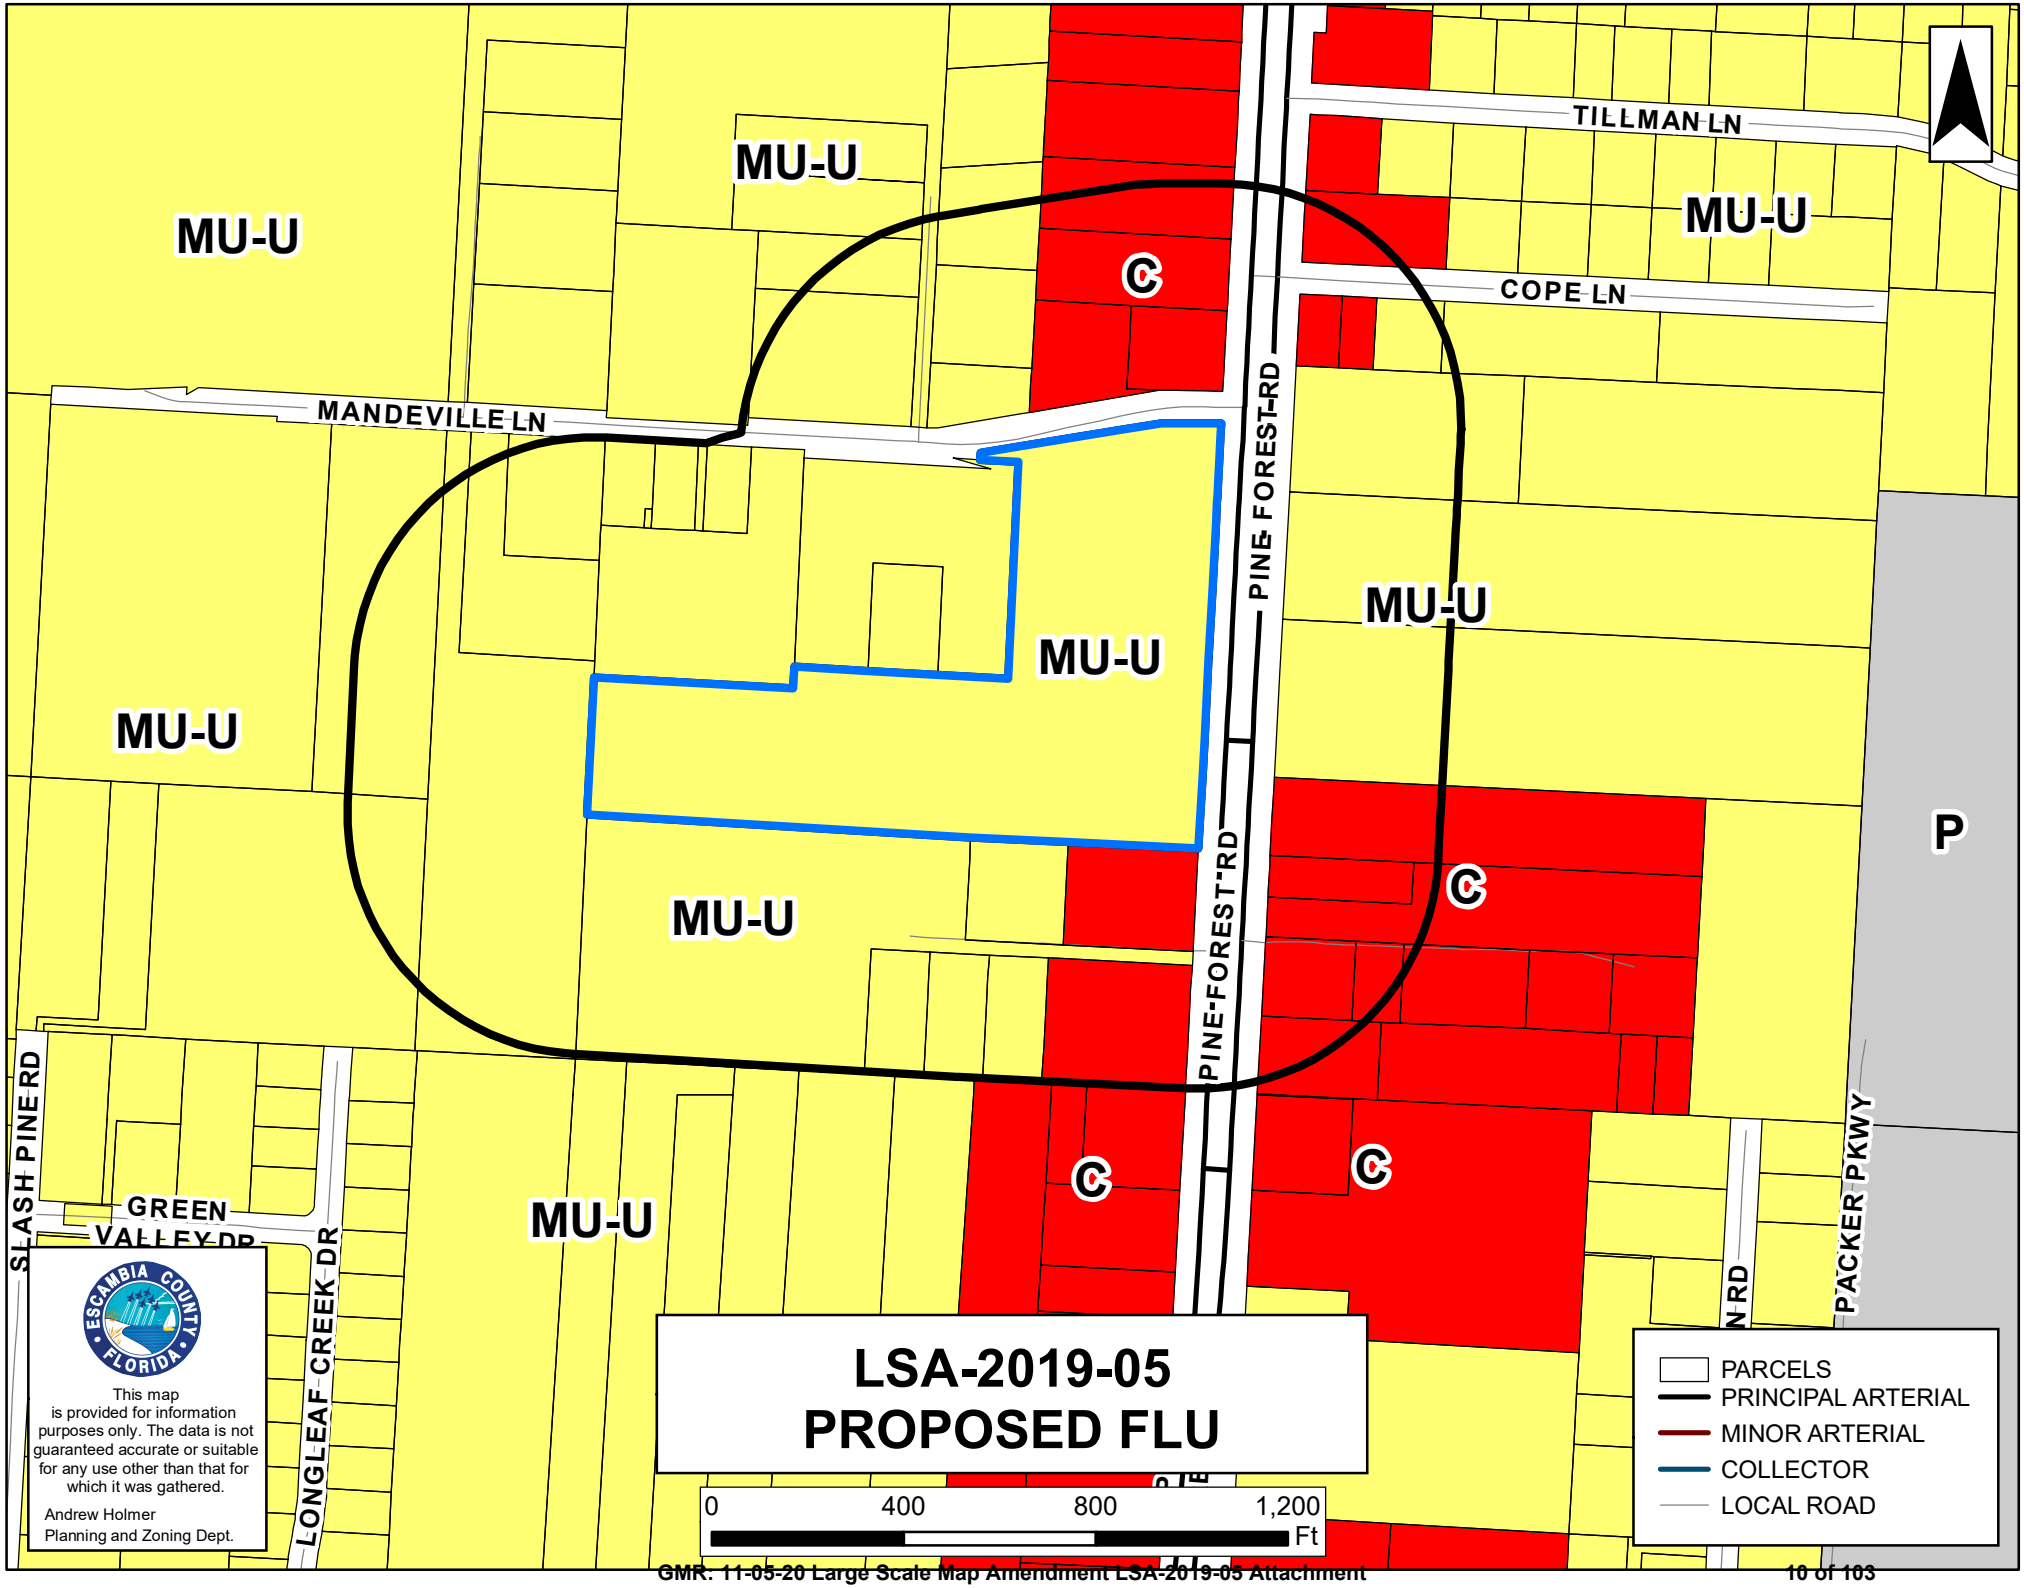
Suggested effective date language for the adoption ordinance for expedited review:



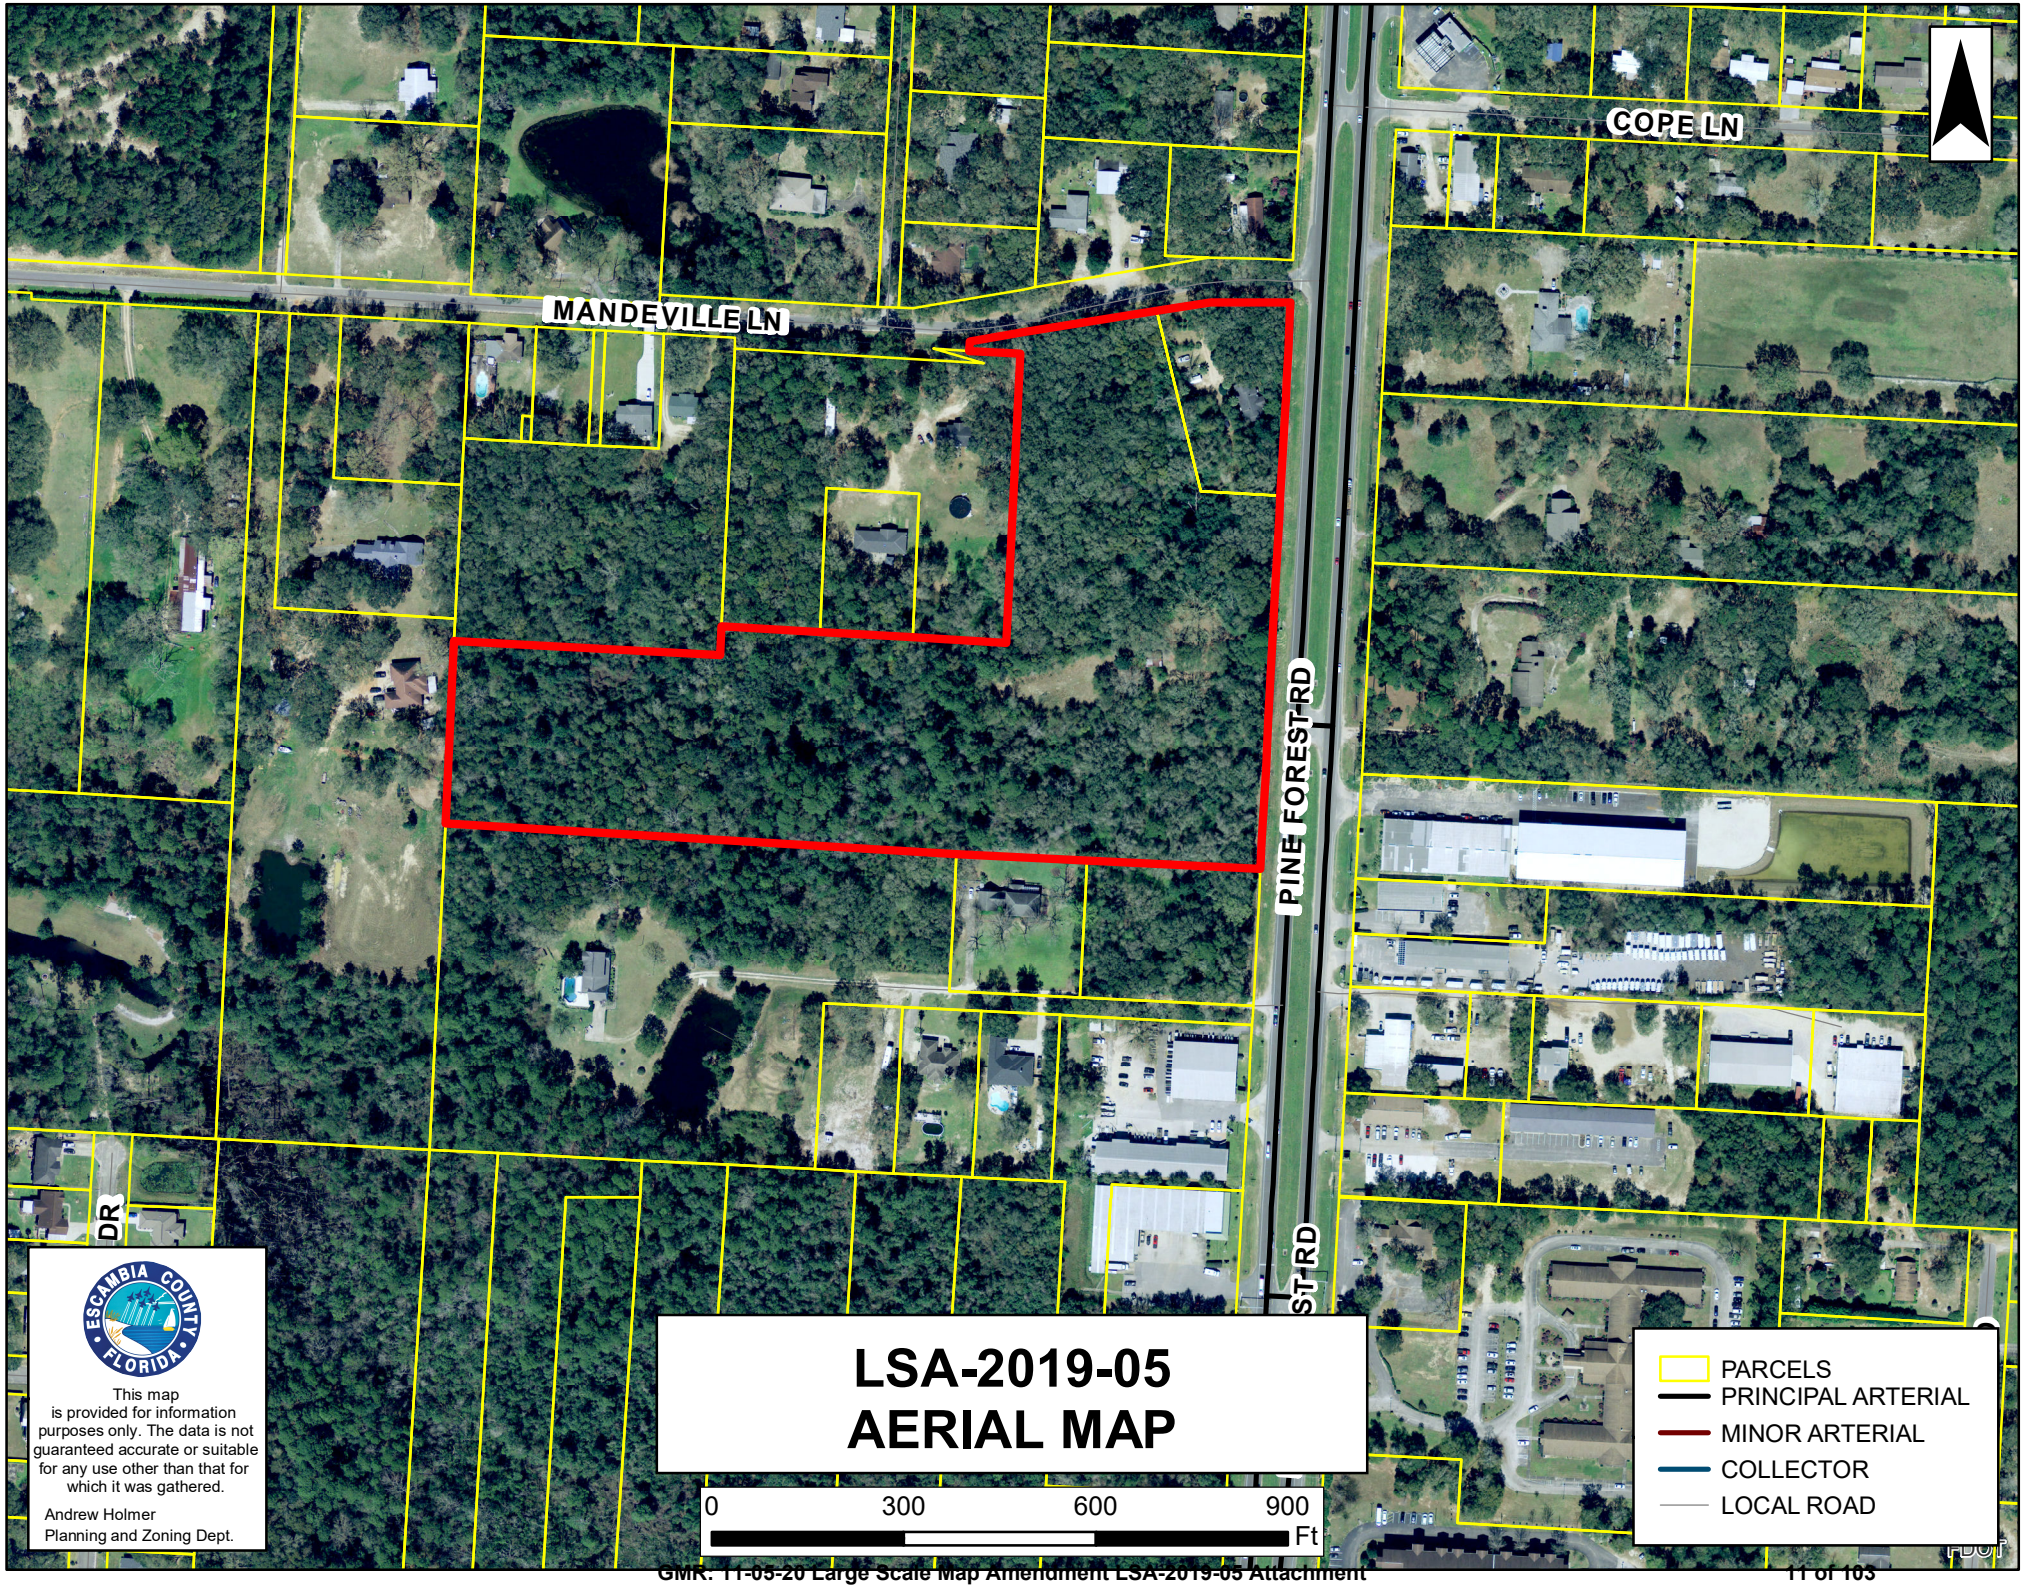
> "The effective date of this plan amendment, if the amendment is not timely challenged, shall be 31 days after the state land planning agency notifies the local government that the plan amendment package is complete. If the amendment is timely challenged, this amendment shall become effective on the date the state land planning agency or the Administration Commission enters a final order determining this adopted amendment to be in compliance."



_____ List of additional changes made in the adopted amendment that the State Land Planning Agency did not previously review;



_____ List of findings of the local governing body, if any, that were not included in the ordinance and which provided the basis of the adoption or determination not to adopt the proposed amendment;



_____ Statement indicating the relationship of the additional changes not previously reviewed by the State Land Planning Agency in response to the comment letter from the State Land Planning Agency.

Letter of Request

We are requesting the Future Land Use (FLU) Amendment for these two parcels on Pine Forest in order to development residential properties. Currently, the present zonings under the current FLU of Commercial do not allow any residential uses outside of a predominately commercial development. Therefore, we are proposing a FLU Amendment to change the two parcels to FLU MU-U, which allows residential development without any such restriction.

ESCAMBIA COUNTY DEVELOPMENT SERVICES DEPARTMENT
3363 West Park Place, Pensacola, FL 32505 (850) 595-3475

FUTURE LAND USE MAP AMENDMENT APPLICATION
CONCURRENCY DETERMINATION ACKNOWLEDGMENT

Project name: Pine Forest Residential Development

Property reference #: Section 24 Township 1S Range 31W

Parcel # 241S31423000020 241S313140000000

Project Address: 7045 Pine Forest Road

I/We acknowledge and agree that no future development permit (other than a rezoning/reclassification) shall be approved for the subject parcel(s) prior to the issuance of a certificate of concurrency for such proposed development based on the densities and intensities contained within such future development permit application.

I/We also acknowledge and agree that no development permit or order (other than a rezoning /reclassification) will be issued at that time unless at least one of the concurrency management system standards is met as contained in the Escambia County Code of Ordinances, Part II, Section 6.04, namely:

(1) The necessary facilities and services are in place at the time a development permit is issued; or

(2) A development permit is issued subject to the condition that the necessary facilities and services will be in place when the impacts of the development occur; or

(3) The necessary facilities are under construction at the time a permit is issued; or

(4) The necessary facilities and services are the subject of a binding executed contract for the construction of the facilities or the provision of services at the time the development permit is issued. NOTE: This provision only relates to parks and recreation facilities and roads. The LDC will include a requirement that the provision or construction of the facility or service must commence within one (1) year of the Development Order or Permit; or

(5) The necessary facilities and services are guaranteed in an enforceable development agreement. An enforceable development agreement may include, but is not limited to, development agreements pursuant to Section 163.320, Florida Statutes or an agreement or development order issued pursuant to Chapter 380, Florida Statutes. Any such agreement shall include provisions pursuant to paragraphs 1, 2, or 3 above.

(6) The necessary facilities needed to serve new development are in place or under actual construction no more than three (3) years after issuance, by the County, of a certificate of occupancy or its functional equivalent. NOTE: This provision only relates to roads.

I HEREBY ACKNOWLEDGE THAT I HAVE READ, UNDERSTAND AND AGREE WITH THE ABOVE STATEMENT ON THIS 8 DAY OF OCT., 2019

GENERAL NOTES:

1. NORTH AND THE SURVEY DATUM SHOWN HEREON IS REFERENCED TO THE GRID BEARING OF S 03°05'36" W ALONG THE WEST RIGHT OF WAY LINE OF PINE FOREST ROAD (STATE ROAD 297 – 150' R/W) AND IS BASED ON THE FLORIDA STATE PLANE COORDINATE SYSTEM (FLORIDA NORTH ZONE), NORTH AMERICAN DATUM OF 1983 (NAD83)–(2011)–(EPOCH 2010.0000) AND WERE DERIVED UTILIZING A GLOBAL NAVIGATION SATELLITE SYSTEM (GNSS) TRIMBLE R2 DUAL FREQUENCY RECEIVER. THE RECEIVER WAS UTILIZED IN A REAL–TIME KINEMATIC (RTK) MODE UTILIZING THE FLORIDA DEPARTMENT OF TRANSPORTATION FLORIDA PERMANENT REFERENCE NETWORK (FPRN), FLORIDA'S GLOBAL NAVIGATION SATELLITE SYSTEM (GNSS) REFERENCE STATION NETWORK; A COPY OF FDOT RIGHT OF WAY MAP OF STATE ROAD 297, SECTION 48190–2501, SHEET 3 OF 6, DATED 6/21/1966; DEEDS OF RECORD AND EXISTING FIELD MONUMENTATION.
2. ELEVATIONS AS SHOWN HEREON ARE BASED ON THE NORTH AMERICAN VERTICAL DATUM OF 1988 (NAVD88) AND ARE REFERENCED TO THE FLORIDA DEPARTMENT OF TRANSPORTATION (FDOT) VERTICAL CONTROL NETWORK BENCH MARK NUMBER 48–00–D04HV HAVING A PUBLISHED ELEVATION OF 99.55 FEET
3. MEASUREMENTS AS SHOWN HEREON WERE MADE TO UNITED STATES STANDARDS AND ARE EXPRESSED IN DECIMAL OF FEET.
4. VISIBLE UTILITIES WITHIN THE SURVEY LIMITS ARE AS SHOWN HERON.
5. THE STRUCTURE DIMENSIONS DO NOT INCLUDE THE EAVE OVERHANG OR FOUNDATION FOOTINGS.
6. VISIBLE IMPROVEMENTS ARE AS SHOWN HEREON.
7. IT IS THE OPINION OF THE UNDERSIGNED SURVEYOR & MAPPER THAT THE PARCEL OF LAND SHOWN HEREON IS IN ZONE "X", AREAS DETERMINED TO BE OUTSIDE THE 0.2% ANNUAL CHANCE FLOODPLAIN, BASED ON THE FEDERAL EMERGENCY MANAGEMENT AGENCY FLOOD INSURANCE RATE MAP FOR ESCAMBIA COUNTY, FLORIDA, COMMUNITY PANEL NUMBER 12033C0360G, EFFECTIVE DATE OF SEPTEMBER 29, 2006.
8. GRAPHIC SYMBOLISM FOR FEATURES SUCH AS MONUMENTATION, FENCES, TREES, TREE LINES, UTILITIES ETCETERA MAY BE EXAGGERATED IN SIZE FOR CLARITY PURPOSES. DIMENSIONS TO EXAGGERATED FEATURES WILL SUPERSEDE SCALED MEASUREMENTS.
9. NO TITLE SEARCH WAS PERFORMED BY NOR PROVIDED TO THIS FIRM FOR THE SUBJECT PROPERTY. THERE MAY BE DEEDS OF RECORD, UNRECORDED DEEDS, EASEMENTS, RIGHTS–OF–WAY, BUILDING SETBACKS, RESTRICTIVE COVENANTS OR OTHER INSTRUMENTS WHICH COULD AFFECT THE BOUNDARIES OR USE OF THE SUBJECT PROPERTY.
10. THE SURVEYING BUSINESS CERTIFICATE OF AUTHORIZATION NUMBER FOR McKIM & CREED, INC. IS LB7917.
11. THE ENVIRONMENTAL JURISDICTIONAL WETLANDS LINES AS SHOWN HEREON ARE BASED ON INFORMATION PROVIDED BY BIOME CONSULTING GROUP, 1300 W GOVERNMENT ST., PENSACOLA, FLORIDA, 850 435–9367.
12. THIS SURVEY DOES NOT REPRESENT NOR GUARANTEE OWNERSHIP.

SHEET 2 OF 2

ESCAMBIA COUNTY DEVELOPMENT SERVICES DEPARTMENT
3363 West Park Place, Pensacola, FL 32505 (850) 595-3475

DATA AND ANALYSIS REQUIREMENTS

1. A comparative analysis of the impact of both the current and the proposed future land use categories on the following items, presented in tabular format, based on data taken from professionally accepted existing sources, such as the US Census, State University System of Florida, National Wetland Inventory Maps, regional planning councils, water management districts, or existing technical studies. The data should show that the infrastructure is available to support the most intense development allowed under the requested Future Land Use category, regardless of what type of development is proposed.

- Please note that there are no pending development request before the County regarding the property. Any development will proceed only after obtaining those appropriate and necessary County, State, and Federal approvals and permits.

A. Sanitary Sewer

ECUA has confirmed infrastructure and service available to service development under the requested FLU designations. See letters from ECUA attached.

B. Solid Waste Disposal

We will ensure provision of adequate solid waste disposal services during the ownership, development, or use of the property, in accordance with the requirements of the Escambia County LDC. Any solid waste disposal issues will be appropriately addressed at the County Development Review phase prior to any development of the property.

C. Potable Water

ECUA has confirmed infrastructure and service available to service development under the requested FLU designations. See letters from ECUA attached. Any issues will be appropriately addressed at the County Development Review phase prior to any development of the property.

D. Stormwater Management

Any development of the property will be done in a manner to meet all applicable stormwater management studies, regulations, and permitting requirements. Any stormwater issues will be appropriately addressed at the County Development Review phase prior to any development of the property.

E. Traffic

Access to the parcels will mainly be from Pine Forest, a median cut currently exists in front of 7045 Pine Forest road for our use. There is anticipated to be a rear entrance on Mandeville as well. Any access and traffic issues will be appropriately addressed at the County Development Review phase prior to any development of the property.

F. Recreation and Open Space

Any recreation and open space issues will be appropriately addressed at the County Development Review phase prior to any development of the property.

G. Schools

As we are proposing a FLU Amendment for residential purposes, the below schools will be affected:

1) Beulah Elementary School
2) Beulah Middle School
3) Pine Forest High School

H. Power

Gulf Power has confirmed infrastructure and service are available to the property to service development under the requested FLU categories. See letter from Gulf power attached as exhibit.

The data and analysis should also support the requested future land use category by reflecting a need for that category. For example, a future land use request from Agricultural to Residential would need an analysis demonstrating the need for additional Residential acreage in the County.

2. Proximity to and impact on the following:
A. Wellheads (indicate distance and location to nearest wellhead)

The nearest wellhead according to county GIS records is at the crossing of Dunaway Lane and Eight Mile Creek Road, approximately 6,300 feet away. The proposed two parcels are well outside the 7 and 20 year Well-head protection areas as indicated below:

B. Historically significant sites (available from Florida Master Site File, Division of Historical Resources; email sitefile@dos.state.fl.us) Request form attached.

Florida Master Site File, Division of Historical Resources, has indicated there are no previously recorded cultural or historical resources in the proposed Amendment area. Please see the attached letter as Exhibit.

C. Natural Resources, including wetland (a wetlands survey is highly recommended if wetlands are located on the property).

According to County GIS and US Fish and Wildlife Wetlands Mapper, there are no reported wetlands on either of the two parcels. No endangered species have been reported. Any Natural Resource issues will be appropriately addressed at the County Development Review phase prior to any development of the property.

3. An analysis of consistency with the Escambia County Comprehensive Plan, with reference to applicable sections therein.

The proposed Future Land Use Amendment Application is consistent with the overall plans contained within the Escambia County Comprehensive Plan 2030.

Mixed-Used Urban (MU-U) Future Land Use is consistent with many parcels along Pine Forest, which is comprised of a mix of Commercial and MU-U parcels directly on the road. Consistent with the residential element found along the roadway, with many homes laying directly off Pine Forest, we are looking to keep with the character that is currently there.

RE: Power availability
7045 & 7055 Pine Forest Rd.
Pensacola, FL 32526

Dear Mr. Spencer:

Gulf Power Company has three phase electric facilities available along the west side of Pine Forest Rd. at the property in question. There is sufficient capacity for three phase overhead or underground service and single phase service if required.

Though three phase power is available, there may be charges associated with service depending on qualifying load and type of service requested. The service voltage and point of attachment will be determined upon receipt of final plat and electrical panel schedules.

Depending on the loads and the decision to have overhead or underground there may be some additional cost.

If you have any questions, please contact me at paul.cazenavette@fpl.com 850-429-2818.

Sincerely,

Paul J. Cazenavette

In response to your inquiry of October 4, 2019, the Florida Master Site File lists no previously recorded cultural or historical resources found in the following section of Escambia County:

T01S, R31W, Section 24 with a 500 foot buffer as shown on the corresponding map.

When interpreting the results of our search, please consider the following information:

- **This search area may contain *unrecorded* archaeological sites, historical structures or other resources even if previously surveyed for cultural resources.**
- **Because vandalism and looting are common at Florida sites, we ask that you limit the distribution of location information on archaeological sites.**
- **While many of our records document historically significant resources, the documentation of a resource at the Florida Master Site File does not necessarily mean the resource is historically significant.**
- **Federal, state and local laws require formal environmental review for most projects. This search DOES NOT constitute such a review. If your project falls under these laws, you should contact the Compliance and Review Section of the Division of Historical Resources at 850-245-6333.**

Please do not hesitate to contact us if you have any questions regarding the results of this search.

Sincerely,

Cody VanderPloeg

Comprehensive Plan
Large-Scale Future Land Use Map Amendment
Staff Analysis

General Data

Project Name:	LSA 2019-05 – Amending the Comprehensive Plan, Chapter 7, 2030 FLU map.
Location:	7045 & 7055 Pine Forest Road
Parcel #s:	24-1S-31-4230-000-020, 24-1S-31-3140-000-000
Acreage:	10.28 (+/-) acres, 3.66 (+/-) acres.
Request:	Commercial (C) to Mixed-Use Urban (MU-U).
Agent:	Chris Thompson, Agent for Eric Gleaton, Owner
Meeting Dates:	Planning Board, December 5, 2019 BCC January 7, 2019 (Transmittal)

Site Description and Summary of Proposed Amendment:

The area includes parcels 24-1S-31-4230-000-020, 24-1S-31-3140-000-000, located on Pine Forest road just north of Blue Angel Parkway.

Mixed-Use Urban. "Intended for an intense mix of residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses within the category as a whole." The range of allowable uses is "residential, retail and services, professional office, light industrial, recreational facilities, public and civic." The FLU has a maximum residential density of 25 du/acre and a maximum floor area ratio (FAR) of 2.0.

Commercial. "Intended for professional office, retail, wholesale, service and general business trade. Residential development may be permitted only if secondary to a primary commercial development." "Range of Allowable Uses: Residential, retail and services, professional office, light industrial, recreational facilities, public and civic." The FLU has a maximum residential density of 25 du/acre and a maximum floor area ratio (FAR) of 1.0.

Analysis of Availability of Facilities and Services:

The availability of public facilities and services for the site of a Future Land Use map amendment requires analysis of the general demands of its proposed use. All specific level of service (LOS) standards established by Escambia County are evaluated for compliance during the review processes prescribed by the LDC for approval of proposed development.

Sanitary Sewer Service.

CP Policy INF 1.1.7 Level of Service (LOS) Standards. *Average LOS standard for wastewater service is 210 gallons per residential connection per day, and the peak LOS will be 350 gallons per residential connection per day. For nonresidential uses, the LOS requirements will be based upon an Equivalent Residential Connection (ERC), as may be recalculated by the service provider from time to time, and on the size of the nonresidential water meter. Escambia County will continue to work with the water providers to ensure that adequate capacity is available.*

CP Policy INF 1.1.11 Required New Service Connection. *All new structures intended for human occupancy will connect to the ECUA wastewater system unless ECUA has determined that it is not feasible to provide wastewater service to the proposed structures. Those structures not required to connect to the ECUA wastewater system will not be issued a building permit until the applicant has obtained the appropriate permit from the Health Department.*

Analysis: The subject property is within the service area of the Emerald Coast Utility Authority (ECUA) for sanitary sewer. The applicant provided a letter from ECUA stating services for water and sanitation are provided by ECUA. Any new proposed development will have a complete reviewed during the Development Review Process.

Solid Waste Disposal.

CP Policy INF 2.1.2 Perdido Landfill Operation. *Escambia County will provide and operate the Perdido Landfill so as to accommodate the municipal solid waste disposal needs of the entire County.*

CP Policy INF 2.1.4 Level of Service (LOS) Standards. *The LOS standard for solid waste disposal will be 6 pounds per capita per day.*

Analysis: Escambia County continues to maintain its adopted solid waste LOS commitments. The Department of Waste Services reported in its 2018 solid waste LOS analysis that the current build-out for disposal at the Perdido Landfill will provide solid waste disposal capacity through 2045.

Potable Water Service.

CP Policy INF 4.1.4 Concurrency Management. *Escambia County will ensure the provision of potable water facilities concurrent with the demand for such facilities but no later than the certificate of occupancy, as created by development or redevelopment through the implementation of the Concurrency Management System.*

CP Policy INF 4.1.6 Developer Responsibility. *The cost of water line extensions made necessary by new development will be the responsibility of the developer unless otherwise funded by the service provider.*

CP Policy INF 4.1.7 Level of Service (LOS) Standards. *The LOS standard for potable water service within Escambia County will be 250 gallons per residential connection per day. For non-residential uses, the LOS requirements will be based upon an Equivalent Residential Connection (ERC) to be calculated by the service provider at the time of*

application. Escambia County will continue to work with the water providers to ensure that adequate capacity is available.

Analysis: Based on Escambia County Property Appraiser records, the parcels are within the service area of ECUA for potable water and meets the adopted level of services standards in the Comprehensive Plan. Any new proposed development will have a complete review during the Development Review Process.

Stormwater Management.

CP Policy INF 3.1.5 Concurrency Management. *Escambia County will ensure the provision of stormwater management facilities concurrent with the demand for such facilities as created by development or redevelopment through implementation of the Concurrency Management System.*

CP Policy INF 3.1.6 Developer Responsibilities. *Installation of stormwater management facilities made necessary by new development will be the responsibility of the developer.*

CP Policy INF 3.1.7 Level of Service (LOS) Standards. *Stormwater management LOS will be monitored through the provisions in the LDC design standards.*

Analysis: Compliance with adopted stormwater management provisions that implement these policies would be reviewed and confirmed prior to any site development plan approval, regardless of the proposed FLU change or use.

Streets and Access.

CP Policy MOB 1.1.1 Level of Service (LOS) Standards. *Levels of Service (LOS) will be used to evaluate facility capacity. Escambia County will adopt LOS standards for all roadways as indicated in the LDC. The standards for SIS facilities may be revised based on changes to the federal classification of these roadways. These standards are not regulatory but provide a basis by which the County may monitor congestion and coordinate needed improvements with FDOT.*

Analysis: The parcel fronts Pine Forest Road, which is a FDOT road, classified as an arterial roadway. Any new development will have to submit an application for Development Review Process.

Transportation & Traffic Operations (TTO) Comments – LSA-2019-05

TTO Staff has reviewed the LSA-2019-05 7045 & 7055 Pine Forest Road (C to MU-U), agenda item for the Planning Board meeting scheduled for December 3, 2019. Please see the below comments.

Pine Forest Road is a four-lane divided roadway with a right-of-way of 100 feet. The County does not have any proposed improvement projects scheduled for Pine Forest Road in this area. In addition, FDOT does not have any construction scheduled.

Per the Florida-Alabama TPO's Congestion Management Process Plan, Pine Forest Road is classified as a minor arterial with a maximum LOS of D and a

corresponding daily volume threshold of 39,800. Near Louisiana Drive, the daily volume on Pine Forest Road for 2018 was recorded as 32,000.

TTO's review is solely based off the application submittal packet, so the comments above hold no bearing on any future TTO comments during the Development Review process.

Public School Facilities.

CP Policy ICE 1.3.1 Interlocal Agreement for Public School Facility Planning. *In cooperation with the School Board and the local governments within Escambia County, the County will implement the Interlocal Agreement for Public School Facility Planning (herein Interlocal Agreement) that establishes procedures for coordination and sharing of information, planning processes, and implementation.*

Analysis: Based on the public records of Escambia County, the assigned schools that service this area are: Beulah Elementary, Beulah Middle, and Pine Forest High. An increase of residential dwellings may influence student population projections, requiring the plan to be reviewed and approved through the Site Plan Review process.

Analysis of Suitability of Amendment for Proposed Use:

The suitability of a Future Land Use map amendment for its proposed use requires an analysis of the characteristics of the site and its resources relative to Comprehensive Plan (CP) goals, objectives, and policies. For these purposes, suitability is the degree to which the existing characteristics and limitations of land and water are compatible with the proposed use or development. Compliance with specific regulations and standards established by Escambia County, including those for public facilities and services, are evaluated during the development review processes prescribed by the LDC for approval of proposed development.

Impact on Land Use.

CP Policy FLU 1.3.1 Future Land Use Categories. *General descriptions, range of allowable uses, and residential densities and non-residential intensities for all future land use categories in Escambia County are outlined in Table 1* [of the Escambia County Comprehensive Plan].

Analysis:

Approval of the amendment would allow for the proposed Future Land Use to be consistent with the existing zoning and allow more residential density which will be compatible with the surrounding residential uses.

Impact on Wellheads.

CP Policy CON 1.4.1 Wellhead Protection. *Escambia County will provide comprehensive wellhead protection from potential adverse impacts to current and future public water supplies. The provisions will establish specific wellhead protection areas and address incompatible land uses, including prohibited activities and materials, within those areas.*

Analysis: Based on the GIS wellhead protection areas layer, there are wellhead protection areas to the north of this site, however, this property is not located in a wellhead protection area, and will not impact the wellhead area. Any new development will have to submit for Development Review Process.

Impact on Historically Significant Sites.

CP Policy FLU 1.2.1 State Assistance. *Escambia County will utilize all available resources of the Florida Department of State, Division of Historical Resources in the identification of archeological and/or historic sites or structures within the County and will utilize guidance, direction, and technical assistance received from this agency.*

Analysis: A letter from the Historical Resources was provided which states no historical resources were found to be on site. At the time of development review if any historic or archeological resources or structures are discovered, the county will request the appropriate guidance, direction and technical assistance from the State.

Impact on the Natural Environment.

CP Policy CON 1.1.2 Wetland and Habitat Indicators. *Escambia County has adopted and will use the National Wetlands Inventory Map, the Escambia County Soils Survey, and the Florida Fish and Wildlife Conservation Commission's (FFWCC) LANDSAT imagery as indicators of the potential presence of wetlands or listed wildlife habitat in the review of applications for development approval.*

CP Policy CON 1.1.6 Habitat Protection. *Escambia County will coordinate with the FDEP, FFWCC, and other state or federal agencies so as to provide the fullest protection to marine or wildlife habitats that may be impacted by existing or proposed development within the County.*

CP Policy CON 1.3.1 Stormwater Management. *Escambia County will protect surface water quality by implementing the stormwater management policies of the Infrastructure Element to improve existing stormwater management systems and ensure the provision of stormwater management facilities concurrent with the demand for such facilities.*

CP Policy CON 1.3.6 Wetland Development Provisions. *Development in wetlands will not be allowed unless sufficient uplands do not exist to avoid a taking. In this case, development in wetlands will be restricted to allow residential density uses as indicated by the LDC:*

CP Policy CON 1.6.3 Tree Protection. *Escambia County will protect trees through LDC provisions.*

Analysis: The proposed FLU amendment will not have an impact beyond existing development at this time. Any natural resource issues will be appropriately addressed at the county Development Review process at the time of development. Any proposed development will be reviewed for impacts on the natural resources during the Site Plan Review process.

Urban Sprawl

CP Objective FLU 1.3 Future Land Use Map Designations. *Designate land uses on the FLUM to discourage urban sprawl, promote mixed use, compact development in urban areas, and support development compatible with the protection and preservation of rural areas.*"

Analysis: The proposed FLU amendment would promote mixed uses in the urban areas, with compatible infill development.

CP Policy FLU 2.2.1 Location. Public facilities and services will be located to minimize their cost and negative impacts on the natural environment and maximize their efficiency. Cost alternatives, impacts on the environment, and levels of efficiency will be discussed during the design phase and bid process utilized by the County to accomplish the installation or location of public facilities and/or services. In addition, the County will coordinate with the ECUA, other water and/or sewer providers, and state or federal agencies with facilities located in the County or with plans to expand existing facilities or create new facilities in the County. Among other things, it is the intent of this policy that public facilities and services are available to support the densities and intensities of uses provided by this Plan and the FLUM and that there is adequate and suitable land available for such utility facilities.

CP Policy FLU 2.2.4 Existing Facilities. Prior to embarking on the construction of new capital improvements, Escambia County will consider the feasibility of upgrading or rehabilitating existing facilities to determine if the rehabilitation of present facilities would be in the best interest of the County and its citizens.

Analysis: There are multiple residential and commercial developments along Pine Forest Rd. Any new proposed project will be required to meet the current regulations, as it relates to the availability of public services to support the requested densities and intensities.

~~REZONING~~ HEARING

FUTURE LAND USE 12/3/19 EAH

Opposition point of view

Skip Hardaway
2837 Mandeville Lane, Pensacola FL
850-255-6002 or email taaj33a@msn.com

1

INTRODUCTION

Residents in the Pine Forest area became aware of a request for rezoning of the 14,35 Ac. property to the right of Mandeville Lane as it enters the major arterial road Pine Forest (State Route 297).

The rezoning request would change zoning from C to MU-U and substantially change the character of the established community of homes distant from Pine Forrest Road, such as Mandeville Lane, by allowing a much higher density of people and structures.

FLU 12/3/19 (CC)

It is my intuition that the change in ~~zoning~~ request is insufficiently worded to convey the true impacts. The Letter of Request reads in part:

"We are requesting the Future Land Use (FLU) amendment for these two parcels on Pine Forrest in order to development [sic] residential properties. Currently, the present zoning under the current FLU of Commercial do not allow any residential use outside of a predominately commercial development. Therefore, we are proposing a FLU Amendment to change the two parcels to FLU MU-U, which allows residential development without any such restriction."

This request gives the impression that the 14+Ac will eventually be developed as a sub-division of residential homes, the impacts of which would blend into the existing quality of life standard we enjoy without much adjustment or impact due to the continuation of a moderate density of dwellings.

However, I have been informed that there are various commercial interests that have been approached in relation to the construction of an apartment complex on this site following its' rezoning. This 14+ Ac apartment complex (funded from Louisiana I am told) of however many multiple floors, people, and cars will present huge problems and have a serious impact on personal safety due to traffic congestion and uncontrolled intersections, property damage due to inadequate drainage, and negative impacts on existing truly residential home values.

In the following pages I hope to present a compelling against this rezoning request.

Traffic Concerns

The poor pictures implying Pine Forest is a low volume roadway are extremely misleading. Pine Forrest Road, Route 297, is a major arterial roadway.

1) *To illustrate this please consider that Nine Mile Road is considered a major roadway and is being rebuilt to improve traffic issues. Its traffic count was estimated to be 19,000 drivers per day. This compares to 24,500 traffic count on Pine Forrest north of I-35. Little of that volume is lost as traffic from Navy Federal and others continues to all South bound locations. Much of this traffic compressed into morning and afternoon rush hours with very dense traffic patterns.*
2) *The filing makes reference to two Cross-over cuts across Pine Forest which facilitate turns into the property. These Turn Arounds are inadequate even now as they are only wide enough to handle 1 car at a time.*
    a. *There is no room for stacking in a "Left turn" lane and*
    b. *This forces the 2nd car desiring to turn to continue to the next (and only nearby) Cut or to slow down / stop in the moving passing lane of traffic.*
    c. *Two cars in the crossover block turns from opposing direction drivers.*
    d. *In heavy high speed bumper to bumper morning and afternoon rush hours it will be VERY hazardous for drivers of large numbers of new cars turning Right into traffic.*
    e. *It will be many multiples of danger higher trying to make a Left Hand turn, shooting the 2 lane gap to the "Cut" where it must again wait for a gap to turn Left. Heaven forbid any 2nd car trying to piggyback into the Gap. They will not fit*

Letter of Request

We are requesting the Future Land Use (FLU) Amendment for these two parcels on Pine Forest in order to development residential properties. Currently, the present zonings under the current FLU of Commercial do not allow any residential uses outside of a predominately commercial development. Therefore, we are proposing a FLU Amendment to change the two parcels to FLU MU-U, which allows residential development without any such restriction.

12/3/19
IF THE FUTURE LAND USE ~~REZONING~~ ALLOWS THE BUILDING OF A LARGE APARTMENT COMPLEX, THEN THIS WORDING IS VERY MISLEADING FOR YOU.

and oncoming cars will not be able to change lanes or stop to avoid a collision.

f. *The cross-over Gap North of Mandeville Lane, where North bound cars will make a "U" turn back to Mandeville (where a rear entrance is mentioned to be built) is also very dangerous. There is only a small patch of pavement on the far Right to use to slow down as you enter Mandeville. It WILL NOT handle multiple cars stacking to turn onto Mandeville Lane and will present oncoming cars with impossible rush hour choices as they will often be unable to break or change lanes due to heavy traffic behind them.*
g. *The preferred entry to Pine Forrest will be from Mandeville as it will have "1st pick" of any of the few safe available gaps in rush hour traffic. That, in turn, will frustrate any driver leaving from the Southern Main entrance as it will seem to be NO Gaps available in rush hours. They will however make dangerous mistakes as they push into traffic.*
h. *Accidents which occur on Pine Forest Road are often violent and deadly due to the high speeds many vehicles maintain.*

Drainage

Please consider that this 14+ Ac. Sits on some of the highest land in the area. The Eastern section is relatively flat but then slopes rapidly to the South where the primary drainage must occur. This drainage route will go through several truly residential areas where the "Creek" is shallow and creek bed is not maintained to promote rapid handling of water runoff.

The other route is to drain down Mandeville Lane where there has already been a large drainage remedial project to prevent drainage, from the newly paved Mandeville Lane years ago, from entering a

home located at a low point in the road. This low point will be where upland drainage will gravitate. At best the drainage will make its way in to the lake behind the house and then overflow into creek North of its earthen dam. The condition of that dam is unknown and its adequacy to be placed into service during high rates of rainfall is also an unknown. However to place all this into a more immediately understandable framework consider this:

1) *If the 14+ Ac were true homes there would be yards and large green areas which would help absorb runoff. If the construction is apartments there will be little to absorb runoff as everything will be buildings and parking.*
2) *If rainfall is not readily absorbed almost all will flow downhill, maybe "Controlled" but downhill all the same. QUICK CALCULATTIONS SHOW THAT 14+Ac. WILL RUNOFF 336,000 GALLONS OF WATER FOR EACH 1 INCH OF RAINFALL. This water will cause others in the watershed problems to include flooding during the periods of heavy rainfall we have from time to time. The drainage to the South creeks cannot be reliably maintained and will back up. The more reliable Mandeville Road slough off will present a flood hazard to the low lying home and should the pond dam fail may cause other unknown damages.*
3) *The Zoning change requestor has letters from local and state agencies confirming the capacity to solve these problems. However the budget and therefore the adequacy of their solutions is unknown but should be known before zoning actions are approved.*

Other Builders in Play?

FLU 12/3/19 (E)

All of the ~~rezoning~~ requests affect the properties at the East end of Mandeville Lane. However, there is a recent flurry of activity at the West dead end of Mandeville Lane. There someone has attempted to clear a large area of land, apparently with the intention to build something of significant size. They had not pulled the proper

paperwork to continue and their clearing of the land stopped for the moment. At this time their intentions are not clear but two things seem reasonable:

KLO 12/3/19

1) *The ~~zoning~~ board must consider that the use of this parcel of land may come to them soon. This may compound any complications caused by this present zoning request. So, any approval of rezoning now may require a future denial of permits in the future for this other property.*
2) *It may be prudent to learn what this other property owner has in mind before approving the present rezoning request.*

Adverse effects on property values

The increases in automobile traffic with its attached increases in accident hazards and delays, plus the increase in population density will likely erode property values in the immediate area. I will be directly across the street on Mandeville. Any "Public good" to be had will come at my expense as I had planned to have home equity as a significant part of my retirement buffer. Seems unreasonable to have a dramatic change in property use which reduces home values. It would seem to me that a reduction of home values would be a reasonable and reliable indication that the change was not for the good of the established property owners but rather a transfer tax to in favor of large developers.

Thank you for your diligence in this regard,

Edward Hardaway

Florida Department of TRANSPORTATION

Northwest Florida Roads

TRAFFIC

US 90A (9 Mile Rd) from SR 297 to US29

Project Details

FDOT has awarded two construction contracts totaling $46 million to improve Nine Mile Road. Due to specific project requirements, the construction along Nine Mile Road has been divided into three segments, which will be referred to as the "project corridor."

Improvements along the project corridor include: (1) Widening Nine Mile Road from two to four lanes between Beulah Road and US 29. (2) Constructing a new bridge over Eleven Mile Creek. (3) Constructing new sidewalks and stormwater retention ponds. (4) Signalization improvements. (5) Drainage upgrades. (6) Adding buffered bike lanes.

SR 10 (US 90A) Nine Mile Road from SR 297 (Pine Forest Road) to SR 95 (US 29)

Photos | Map | Video

The planned construction work will enhance safety, improve mobility, and reduce congestion for the estimated 19,000 drivers who travel the roadway daily. In addition, the improvements underway support future economic development opportunities for Escambia County and Northwest Florida.

COMPARES TO ~~32,000~~ 24,500 ON PINE FOREST

Traffic Impacts

Construction activities are weather dependent and may be rescheduled in the event of inclement weather.

Note: All information is preliminary and subject to change without notice.

DESCRIPTION

1.78 acres commercial lot located directly across from newly built Wal Mart Neighborhood Center. Median Cut in place. 210 FT frontage. Trade Population 109,208. Traffic count 24,500 AADT. Small wooden home on property given no value.

Subject property is located on busy mixed-use corridor. The area has a strong trade/residential mix.

Subject property is across the street from the new Wal-Mart Marketplace with Murphy Express on out parcel. Center includes: Wal Mart, Fancy Nails, Cuts By Us, Jin Jang Restaurant, SOLO. Southpaws. The Pine Forest corridor is mixed with restaurants, retail, retirement centers, service centers, growing rooftops and shopping

Located at Interstate On/Off ramp Pine Forest is a busy commuter travel route, for area residents. Pine Forest Road near Godwin Lane.

Quickly becoming a sought after area for housing with A rated schools and quick access to the city, via the interstate.

HIGHLIGHTS

- Located directly across from new Wal Mart Neighborhood Center!
- M/U Corridor lined with Hotels, Restaurants, Retail, Service & Shopping Centers
- Heavy Trade Corridor

Chamber Rules

1. All who wish to speak will be heard.
2. You must sign up to speak. This form must be filled out and given to the Clerk in order to be heard.
3. When the Chairman calls you to speak, come to the podium, adjust the microphone so you can be heard, then state your NAME and ADDRESS for the record.
4. Please keep your remarks BRIEF and FACTUAL.
5. Everyone will be granted uniform time to speak (normally 3 - 5 minutes).
6. Should there be a need for information to be presented to the Board, please provide 13 copies for distribution. The Board will determine whether to accept the information into evidence. Once accepted, copies are given to the Clerk for Board distribution.
7. During quasi-judicial hearings (i.e., rezonings), conduct is very formal and regulated by Supreme Court decisions. Verbal reaction or applause is not appropriate.

ORDINANCE NUMBER 2020-___

AN ORDINANCE OF ESCAMBIA COUNTY, FLORIDA, AMENDING PART II OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, THE ESCAMBIA COUNTY COMPREHENSIVE PLAN: 2030, AS AMENDED; AMENDING CHAPTER 7, "THE FUTURE LAND USE ELEMENT," POLICY FLU 1.1.1, TO PROVIDE FOR AN AMENDMENT TO THE 2030 FUTURE LAND USE MAP, CHANGING THE FUTURE LAND USE CATEGORY OF A PARCEL, WHICH IS LOCATED WITHIN SECTION 24, TOWNSHIP 1S, RANGE 31W, AND WHICH IS IDENTIFIED AS PARCEL ID NUMBER 24-1S-31-4230-000-020 TOTALING 10.28(+/-) ACRES, LOCATED ON PINE FOREST ROAD, FROM COMMERCIAL (C) TO MIXED USE URBAN (MU-U); CHANGING A PARCEL WITHIN SECTION 24, TOWNSHIP 1S, RANGE 31W, AND WHICH IS IDENTIFIED AS PARCEL ID NUMBER 24-1S-31-3140-000-000 TOTALING 3.66(+/-) ACRES, LOCATED ON PINE FOREST ROAD, FROM COMMERCIAL (C) TO MIXED USE URBAN (MU-U); PROVIDING FOR A TITLE; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Chapter 163, Part II, Florida Statutes, Escambia County adopted its Comprehensive Plan on April 29, 2014; and

WHEREAS, Chapter 125, Florida Statutes, empowers the Board of County Commissioners of Escambia County, Florida to prepare, amend and enforce comprehensive plans for the development of the County; and

WHEREAS, the Escambia County Planning Board conducted a public hearing and forwarded a recommendation to the Board of County Commissioners to consider changes (amendments) to the Comprehensive Plan; and

WHEREAS, the Board of County Commissioners of Escambia County, Florida finds that the adoption of this amendment is in the best interest of the County and its citizens;

NOW, THEREFORE, BE IT ORDAINED by the Board of County Commissioners of Escambia County, Florida, as follows:

Section 1. Purpose and Intent

This Ordinance is enacted to carry out the purpose and intent of, and exercise the authority set out in, the Community Planning Act, Sections 163.3161 through 163.3215, Florida Statutes.

Section 2. Title of Comprehensive Plan Amendment

This Comprehensive Plan amendment shall be entitled – "Large Scale Amendment 2019-05."

Section 3. Changes to the 2030 Future Land Use Map

The 2030 Future Land Use Map, as adopted by reference and codified in Part II of the Escambia County Code of Ordinances, the Escambia County Comprehensive Plan: 2030, as amended; Chapter 7, "Future Land Use Element," Policy FLU 1.1.1; and all notations, references and information shown thereon, is further amended to include the following future land use changes:

(A) A parcel of land which is located within Section 24, Township 1S, Range 31W, parcel number 24-1S-31-4230-000-020 and totaling 10.28 (+/-) acres, located on Pine Forest Road, as more particularly described in the Boundary Survey produced by Gary Rutan, a registered land surveyor with McKim and Creed, dated 11/21/2019, attached as Exhibit A, from Commercial (C) to Mixed-Use Urban (MU-U).

(B) A parcel of land which is located within Section 24, Township 1S, Range 31W, parcel number 24-1S-31-3140-000-000 and totaling 3.66 (+/-) acres, located at Pine Forest Road, as more particularly described in the Boundary Survey produced by Gary Rutan, a registered land surveyor with McKim and Creed, dated 11/21/2019, attached as Exhibit A, from Commercial (C) to Mixed-Use Urban (MU-U).

Section 4. Severability

If any section, sentence, clause or phrase of this Ordinance is held to be invalid or unconstitutional by any Court of competent jurisdiction, the holding shall in no way affect the validity of the remaining portions of this Ordinance.

Section 5. Inclusion in the Code

It is the intention of the Board of County Commissioners that the provisions of this Ordinance shall be codified as required by Section 125.68, Florida Statutes, and that the sections, subsections and other provisions of this Ordinance may be renumbered or relettered and the word "ordinance" may be changed to "section," "article," or such other appropriate word or phrase in order to accomplish such intentions.

Section 6. Effective Date

Pursuant to Section 163.3184(3)(c)(4), Florida Statutes, this Ordinance shall not become effective until 31 days after the Department of Economic Opportunity notifies Escambia County that the plan amendment package is complete. If timely challenged, this Ordinance shall not become effective until the Department of Economic Opportunity or the Administration Commission enters a final order determining the Ordinance to be in compliance.

NORTH AND THE SURVEY DATUM SHOWN HEREON IS REFERENCED TO THE GRID BEARING OF S 03°05'36" W ALONG THE WEST RIGHT OF WAY LINE OF PINE FOREST ROAD (STATE ROAD 297 – 150' R/W) AND IS BASED ON THE FLORIDA STATE PLANE COORDINATE SYSTEM (FLORIDA NORTH ZONE), NORTH AMERICAN DATUM OF 1983 (NAD83)–(2011)–(EPOCH 2010.0000) AND WERE DERIVED UTILIZING A GLOBAL NAVIGATION SATELLITE SYSTEM (GNSS) TRIMBLE R2 DUAL FREQUENCY RECEIVER. THE RECEIVER WAS UTILIZED IN A REAL–TIME KINEMATIC (RTK) MODE UTILIZING THE FLORIDA DEPARTMENT OF TRANSPORTATION FLORIDA PERMANENT REFERENCE NETWORK (FPRN), FLORIDA'S GLOBAL NAVIGATION SATELLITE SYSTEM (GNSS) REFERENCE STATION NETWORK; A COPY OF FDOT RIGHT OF WAY MAP OF STATE ROAD 297, SECTION 48190–2501, SHEET 3 OF 6, DATED 6/21/1966; DEEDS OF RECORD AND EXISTING FIELD MONUMENTATION.
2. ELEVATIONS AS SHOWN HEREON ARE BASED ON THE NORTH AMERICAN VERTICAL DATUM OF 1988 (NAVD88) AND ARE REFERENCED TO THE FLORIDA DEPARTMENT OF TRANSPORTATION (FDOT) VERTICAL CONTROL NETWORK BENCH MARK NUMBER 48–00–D04HV HAVING A PUBLISHED ELEVATION OF 99.55 FEET
3. MEASUREMENTS AS SHOWN HEREON WERE MADE TO UNITED STATES STANDARDS AND ARE EXPRESSED IN DECIMAL OF FEET.
4. VISIBLE UTILITIES WITHIN THE SURVEY LIMITS ARE AS SHOWN HERON.
5. THE STRUCTURE DIMENSIONS DO NOT INCLUDE THE EAVE OVERHANG OR FOUNDATION FOOTINGS.
6. VISIBLE IMPROVEMENTS ARE AS SHOWN HEREON.
7. IT IS THE OPINION OF THE UNDERSIGNED SURVEYOR & MAPPER THAT THE PARCEL OF LAND SHOWN HEREON IS IN ZONE "X", AREAS DETERMINED TO BE OUTSIDE THE 0.2% ANNUAL CHANCE FLOODPLAIN, BASED ON THE FEDERAL EMERGENCY MANAGEMENT AGENCY FLOOD INSURANCE RATE MAP FOR ESCAMBIA COUNTY, FLORIDA, COMMUNITY PANEL NUMBER 12033C0360G, EFFECTIVE DATE OF SEPTEMBER 29, 2006.
8. GRAPHIC SYMBOLISM FOR FEATURES SUCH AS MONUMENTATION, FENCES, TREES, TREE LINES, UTILITIES ETCETERA MAY BE EXAGGERATED IN SIZE FOR CLARITY PURPOSES. DIMENSIONS TO EXAGGERATED FEATURES WILL SUPERSEDE SCALED MEASUREMENTS.
9. NO TITLE SEARCH WAS PERFORMED BY NOR PROVIDED TO THIS FIRM FOR THE SUBJECT PROPERTY. THERE MAY BE DEEDS OF RECORD, UNRECORDED DEEDS, EASEMENTS, RIGHTS–OF–WAY, BUILDING SETBACKS, RESTRICTIVE COVENANTS OR OTHER INSTRUMENTS WHICH COULD AFFECT THE BOUNDARIES OR USE OF THE SUBJECT PROPERTY.
10. THE SURVEYING BUSINESS CERTIFICATE OF AUTHORIZATION NUMBER FOR McKIM & CREED, INC. IS LB7917.
11. THE ENVIRONMENTAL JURISDICTIONAL WETLANDS LINES AS SHOWN HEREON ARE BASED ON INFORMATION PROVIDED BY BIOME CONSULTING GROUP, 1300 W GOVERNMENT ST., PENSACOLA, FLORIDA, 850 435–9367.
12. THIS SURVEY DOES NOT REPRESENT NOR GUARANTEE OWNERSHIP.

ORDINANCE NUMBER 2020-___

AN ORDINANCE OF ESCAMBIA COUNTY, FLORIDA, AMENDING PART II OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, THE ESCAMBIA COUNTY COMPREHENSIVE PLAN: 2030, AS AMENDED; AMENDING CHAPTER 7, "THE FUTURE LAND USE ELEMENT," POLICY FLU 1.1.1, TO PROVIDE FOR AN AMENDMENT TO THE 2030 FUTURE LAND USE MAP, CHANGING THE FUTURE LAND USE CATEGORY OF A PARCEL, WHICH IS LOCATED WITHIN SECTION 24, TOWNSHIP 1S, RANGE 31W, AND WHICH IS IDENTIFIED AS PARCEL ID NUMBER 24-1S-31-4230-000-020 TOTALING 10.28(+/-) ACRES, LOCATED ON PINE FOREST ROAD, FROM COMMERCIAL (C) TO MIXED USE URBAN (MU-U); CHANGING A PARCEL WITHIN SECTION 24, TOWNSHIP 1S, RANGE 31W, AND WHICH IS IDENTIFIED AS PARCEL ID NUMBER 24-1S-31-3140-000-000 TOTALING 3.66(+/-) ACRES, LOCATED ON PINE FOREST ROAD, FROM COMMERCIAL (C) TO MIXED USE URBAN (MU-U); PROVIDING FOR A TITLE; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Chapter 163, Part II, Florida Statutes, Escambia County adopted its Comprehensive Plan on April 29, 2014; and

WHEREAS, Chapter 125, Florida Statutes, empowers the Board of County Commissioners of Escambia County, Florida to prepare, amend and enforce comprehensive plans for the development of the County; and

WHEREAS, the Escambia County Planning Board conducted a public hearing and forwarded a recommendation to the Board of County Commissioners to consider changes (amendments) to the Comprehensive Plan; and

WHEREAS, the Board of County Commissioners of Escambia County, Florida finds that the adoption of this amendment is in the best interest of the County and its citizens;

NOW, THEREFORE, BE IT ORDAINED by the Board of County Commissioners of Escambia County, Florida, as follows:

Section 1. Purpose and Intent

This Ordinance is enacted to carry out the purpose and intent of, and exercise the authority set out in, the Community Planning Act, Sections 163.3161 through 163.3215, Florida Statutes.

Section 2. Title of Comprehensive Plan Amendment

This Comprehensive Plan amendment shall be entitled – "Large Scale Amendment 2019-05."

Section 3. Changes to the 2030 Future Land Use Map

The 2030 Future Land Use Map, as adopted by reference and codified in Part II of the Escambia County Code of Ordinances, the Escambia County Comprehensive Plan: 2030, as amended; Chapter 7, "Future Land Use Element," Policy FLU 1.1.1; and all notations, references and information shown thereon, is further amended to include the following future land use changes:

(A) A parcel of land which is located within Section 24, Township 1S, Range 31W, parcel number 24-1S-31-4230-000-020 and totaling 10.28 (+/-) acres, located on Pine Forest Road, as more particularly described in the Boundary Survey produced by Gary Rutan, a registered land surveyor with McKim and Creed, dated 11/21/2019, attached as Exhibit A, from Commercial (C) to Mixed-Use Urban (MU-U).

(B) A parcel of land which is located within Section 24, Township 1S, Range 31W, parcel number 24-1S-31-3140-000-000 and totaling 3.66 (+/-) acres, located at Pine Forest Road, as more particularly described in the Boundary Survey produced by Gary Rutan, a registered land surveyor with McKim and Creed, dated 11/21/2019, attached as Exhibit A, from Commercial (C) to Mixed-Use Urban (MU-U).

Section 4. Severability

If any section, sentence, clause or phrase of this Ordinance is held to be invalid or unconstitutional by any Court of competent jurisdiction, the holding shall in no way affect the validity of the remaining portions of this Ordinance.

Section 5. Inclusion in the Code

It is the intention of the Board of County Commissioners that the provisions of this Ordinance shall be codified as required by Section 125.68, Florida Statutes, and that the sections, subsections and other provisions of this Ordinance may be renumbered or relettered and the word "ordinance" may be changed to "section," "article," or such other appropriate word or phrase in order to accomplish such intentions.

Section 6. Effective Date

Pursuant to Section 163.3184(3)(c)(4), Florida Statutes, this Ordinance shall not become effective until 31 days after the Department of Economic Opportunity notifies Escambia County that the plan amendment package is complete. If timely challenged, this Ordinance shall not become effective until the Department of Economic Opportunity or the Administration Commission enters a final order determining the Ordinance to be in compliance.

GENERAL NOTES:

1. NORTH AND THE SURVEY DATUM SHOWN HEREON IS REFERENCED TO THE GRID BEARING OF S 03°05'36" W ALONG THE WEST RIGHT OF WAY LINE OF PINE FOREST ROAD (STATE ROAD 297 – 150' R/W) AND IS BASED ON THE FLORIDA STATE PLANE COORDINATE SYSTEM (FLORIDA NORTH ZONE), NORTH AMERICAN DATUM OF 1983 (NAD83)–(2011)–(EPOCH 2010.0000) AND WERE DERIVED UTILIZING A GLOBAL NAVIGATION SATELLITE SYSTEM (GNSS) TRIMBLE R2 DUAL FREQUENCY RECEIVER. THE RECEIVER WAS UTILIZED IN A REAL–TIME KINEMATIC (RTK) MODE UTILIZING THE FLORIDA DEPARTMENT OF TRANSPORTATION FLORIDA PERMANENT REFERENCE NETWORK (FPRN), FLORIDA'S GLOBAL NAVIGATION SATELLITE SYSTEM (GNSS) REFERENCE STATION NETWORK; A COPY OF FDOT RIGHT OF WAY MAP OF STATE ROAD 297, SECTION 48190–2501, SHEET 3 OF 6, DATED 6/21/1966; DEEDS OF RECORD AND EXISTING FIELD MONUMENTATION.
2. ELEVATIONS AS SHOWN HEREON ARE BASED ON THE NORTH AMERICAN VERTICAL DATUM OF 1988 (NAVD88) AND ARE REFERENCED TO THE FLORIDA DEPARTMENT OF TRANSPORTATION (FDOT) VERTICAL CONTROL NETWORK BENCH MARK NUMBER 48–00–D04HV HAVING A PUBLISHED ELEVATION OF 99.55 FEET
3. MEASUREMENTS AS SHOWN HEREON WERE MADE TO UNITED STATES STANDARDS AND ARE EXPRESSED IN DECIMAL OF FEET.
4. VISIBLE UTILITIES WITHIN THE SURVEY LIMITS ARE AS SHOWN HERON.
5. THE STRUCTURE DIMENSIONS DO NOT INCLUDE THE EAVE OVERHANG OR FOUNDATION FOOTINGS.
6. VISIBLE IMPROVEMENTS ARE AS SHOWN HEREON.
7. IT IS THE OPINION OF THE UNDERSIGNED SURVEYOR & MAPPER THAT THE PARCEL OF LAND SHOWN HEREON IS IN ZONE "X", AREAS DETERMINED TO BE OUTSIDE THE 0.2% ANNUAL CHANCE FLOODPLAIN, BASED ON THE FEDERAL EMERGENCY MANAGEMENT AGENCY FLOOD INSURANCE RATE MAP FOR ESCAMBIA COUNTY, FLORIDA, COMMUNITY PANEL NUMBER 12033C0360G, EFFECTIVE DATE OF SEPTEMBER 29, 2006.
8. GRAPHIC SYMBOLISM FOR FEATURES SUCH AS MONUMENTATION, FENCES, TREES, TREE LINES, UTILITIES ETCETERA MAY BE EXAGGERATED IN SIZE FOR CLARITY PURPOSES. DIMENSIONS TO EXAGGERATED FEATURES WILL SUPERSEDE SCALED MEASUREMENTS.
9. NO TITLE SEARCH WAS PERFORMED BY NOR PROVIDED TO THIS FIRM FOR THE SUBJECT PROPERTY. THERE MAY BE DEEDS OF RECORD, UNRECORDED DEEDS, EASEMENTS, RIGHTS–OF–WAY, BUILDING SETBACKS, RESTRICTIVE COVENANTS OR OTHER INSTRUMENTS WHICH COULD AFFECT THE BOUNDARIES OR USE OF THE SUBJECT PROPERTY.
10. THE SURVEYING BUSINESS CERTIFICATE OF AUTHORIZATION NUMBER FOR McKIM & CREED, INC. IS LB7917.
11. THE ENVIRONMENTAL JURISDICTIONAL WETLANDS LINES AS SHOWN HEREON ARE BASED ON INFORMATION PROVIDED BY BIOME CONSULTING GROUP, 1300 W GOVERNMENT ST., PENSACOLA, FLORIDA, 850 435–9367.
12. THIS SURVEY DOES NOT REPRESENT NOR GUARANTEE OWNERSHIP.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18814 **Growth Management Report 10. 6.**
BCC Regular Meeting **Public Hearing**
Meeting Date: 11/05/2020
Issue: 5:49 p.m. - A Public Hearing Concerning the Review of an Ordinance Amending Chapter 7, Policy FLU 1.1.1, 2030 Future Land Use Map LSA-2020-02
From: HORACE JONES, Director
Organization: Development Services

RECOMMENDATION:

5:49 p.m. - A Public Hearing Concerning the Review of an Ordinance Amending Chapter 7, Policy FLU 1.1.1 and FLU 5.1 to Provide for an Amendment to the 2030 Future Land Use Map - LSA-2020-02

That the Board of County Commissioners (BCC) review and approve an Ordinance amending the Comprehensive Plan, Chapter 7, 2030 FLU map, for the specific parcel 25-2S-31-1303-000-000, located on Dog Track Road, requesting to change the existing FLUM designation from Commercial (C) to Mixed-Use Urban (MU-U) of 88.24 (+/-) acres.

This hearing serves as the second of two required public hearings.

BACKGROUND:

The applicant requests a Future Land Use (FLU) map amendment to change the FLU category of 88.24 (+/-) acres from Commercial to Mixed-Use (MU-U). The current zoning designation of the referenced parcels is Heavy Commercial Light Industrial (HC/LI). The FLU amendment proposed will remove the predominantly commercial development requirement factor out and allow for a more mixed-use development allowing for residential development.

BUDGETARY IMPACT:

No budgetary impact is anticipated by the adoption of this Ordinance.

LEGAL CONSIDERATIONS/SIGN-OFF:

The attached Ordinance has been reviewed and approved for legal sufficiency by Kia M. Johnson, Assistant County Attorney. Any recommended legal comments are attached herein.

PERSONNEL:

No additional personnel are required for implementation of this Ordinance.

POLICY/REQUIREMENT FOR BOARD ACTION:

The proposed Ordinance is consistent with the Board's goal "to increase citizen involvement in, access to, and approval of, County government activities."

IMPLEMENTATION/COORDINATION:

This Ordinance, amending the LDC, will be filed with the Department of State following adoption by the board.

Implementation of this Ordinance will consist of an amendment to the LDC and distribution of a copy of the adopted Ordinance to interested citizens and staff.

The proposed Ordinance was prepared by the Development Services Department, in cooperation with the County Attorney's Office and all interested citizens. The Development Services Department will ensure proper advertisement.

RE: Proposed Escambia County Comprehensive Plan Map Amendment LSA-2020-02

Dear Mr. Eubanks:

On behalf of Escambia County, enclosed are three (3) copies of the proposed Escambia County Comprehensive Plan Map Amendment which are forwarded for your review. This amendment is subject to the Expedited Review process pursuant to Section 163.3184(2), (3) and (5), Florida Statues (F.S.).

The Local Planning Agency (LPA) considered the LSA on July 6, 2020 and approved this amendment for transmittal to the Board of County Commissioners (BCC), which subsequently held a transmittal public hearing for the amendment on August 6, 2020, and approved submission of this package to the Department of Economic Opportunity.

Pursuant to the new Comprehensive Plan Amendment Processing Guidelines, a copy of the proposed amendment package is being forwarded to the Department of Environmental Protection, the Florida Department of Transportation, (District Three), the Department of State, the Emerald Coast Regional Council, the Northwest Florida Water Management District, the Military Commanding Officers of Naval Air Station Pensacola and Naval Air Station Whiting Field, the Florida Fish and Wildlife Conservation Commission, and the Florida Department of Agriculture and Consumer Services, concurrent with this submittal. This amendment is not applicable to the area of critical state concern and has not been prepared under a joint planning agreement.

Sincerely,

Horace Jones
Department Director

RE: LSA-2020-02 Heron's Landing

Dear Mr. Jones:

Thank you for submitting Escambia County's proposed comprehensive plan amendment submitted for our review pursuant to the Expedited State Review process. The reference number for this amendment package is 20-06ESR.

The proposed submission package will be reviewed pursuant to Section 163.3184(3), Florida Statutes. Once the review is underway, you may be asked to provide additional supporting documentation by the review team to ensure a thorough review. You will receive the Department's Comment Letter no later than September 19, 2020.

If you have any questions please contact Donna Harris, Plan Processor at (850) 717-8491 or James Stansbury, Chief, Bureau of Community Planning and Growth, whom will be overseeing the review of the amendments, at (850)718-8512.

Sincerely,

D. Ray Eubanks, Administrator
Plan Review and Processing

Pensacola, Florida 32502

Dear Chairman Barry:

The Department of Economic Opportunity ("Department") has reviewed the proposed comprehensive plan amendment for Escambia County (Amendment No. 20-06ESR) received on August 20, 2020. The review was completed under the expedited state review process. We have no comment on the proposed amendment.

The County should act by choosing to adopt, adopt with changes, or not adopt the proposed amendment. For your assistance, we have enclosed the procedures for adoption and transmittal of the comprehensive plan amendment. In addition, the County is reminded that:

- Section 163.3184(3)(b), F.S., authorizes other reviewing agencies to provide comments directly to the County. **If the County receives reviewing agency comments and they are not resolved, these comments could form the basis for a challenge to the amendment after adoption.**

- **The second public hearing,** which shall be a hearing on whether to adopt one or more comprehensive plan amendments, **must be held within 180 days** of your receipt of agency comments or the amendment shall be **deemed withdrawn** unless extended by agreement with notice to the Department and any affected party that provided comment on the amendment pursuant to Section 163.3184(3)(c)1., F.S.

- **The adopted amendment must be rendered to the Department.** Under Section 163.3184(3)(c)2. and 4., F.S., the **amendment effective date** is 31 days after the Department notifies the City that the amendment package is complete or, if challenged, until it is found to be in compliance by the Department or the Administration Commission.

An equal opportunity employer/program. Auxiliary aids and service are available upon request to individuals with disabilities. All voice telephone numbers on this document may be reached by persons using TTY/TTD equipment via the Florida Relay Service at 711.

If you have any questions concerning this review, please contact Dan Evans, Planning Analyst, by telephone at (850) 717-8484 or by email at dan.evans@deo.myflorida.com.

Sincerely,

James D. Stansbury, Chief
Bureau of Community Planning and Growth

RE: Proposed Escambia County Comprehensive Plan Amendment 20-06 ESR

Dear Mr. Jones:

Pursuant to Section 163.3184(3), Florida Statutes (F.S.), in its role as a reviewing agency as identified in Section 163.3184(1)(c), F.S., the Florida Department of Transportation (FDOT) has reviewed the proposed amendment 20-06 ESR to the Escambia County Comprehensive Plan.

The proposed amendment will alter +/-88.24 acres located on the west side of Dog Track Road approximately 0.25-mile south of the intersection West Highway 98/Lillian Highway and 1.5 miles north of Blue Angel Parkway. The amendment proposes a change in future land use (FLU) designation to alter the existing Commercial designation to a Mixed-Use Urban designation. Both land uses have a maximum residential density of 25 dwelling units per acre, but the Mixed-Use Urban FLU allows a non-residential floor-area-ratio (FAR) of 2.0 and the Commercial FLU only allows a FAR of 1.0, thus doubling the allowable non-residential development on the property.

FDOT is providing a technical assistance comment consistent with Section 163.3168(3), Florida Statutes. The technical assistance comment will not form the basis of a challenge. Technical assistance comments can strengthen the local government's comprehensive plan in order to foster a vibrant, healthy community or is/are technical in nature and designed to ensure consistency with the Community Planning Act in Chapter 163, Part II, F.S.:

Technical Assistance Comment #1

A traffic analysis should be provided in support of the proposed FLU amendment to evaluate the potential impacts of the increased trip generation potential on important state facilities. The change in FLU from Commercial to Mixed-Used Urban would increase the allowable FAR by 1.0. The number of trips on the road will increase due to an increase in allowable non-residential development (up to 3,850,000 SF) for the approximately 88-acre property.

DocuSign Envelope ID: 2714C129-D5A6-4B66-B6D9-CF40241F86F1

Thank you for coordinating on the review of this proposed amendment with FDOT. If you have any questions, please do not hesitate to contact me by email at Starsky.Harrell@dot.state.fl.us or (850) 330-1540.

Sincerely,

DocuSigned by:

WARNING! This email originated from an outside network. **DO NOT CLICK** links or attachments unless you recognize the sender and know the content is safe.

Hi John, I wanted to follow up to my voice mail of about 30 minutes ago about our "no comment". The email is below and was sent out ahead of time so your email didn't get included. Escambia County requires a site-specific environmental assessment which will include a wildlife survey ahead of the Environmental Resource Permit application process and that information will give us a better idea of how to provide specific recommendations to the applicant. For this property, I think it's best to follow up with the applicant during that phase of the project. Thank you and if you have any questions, please don't hesitate to call me! Kristal

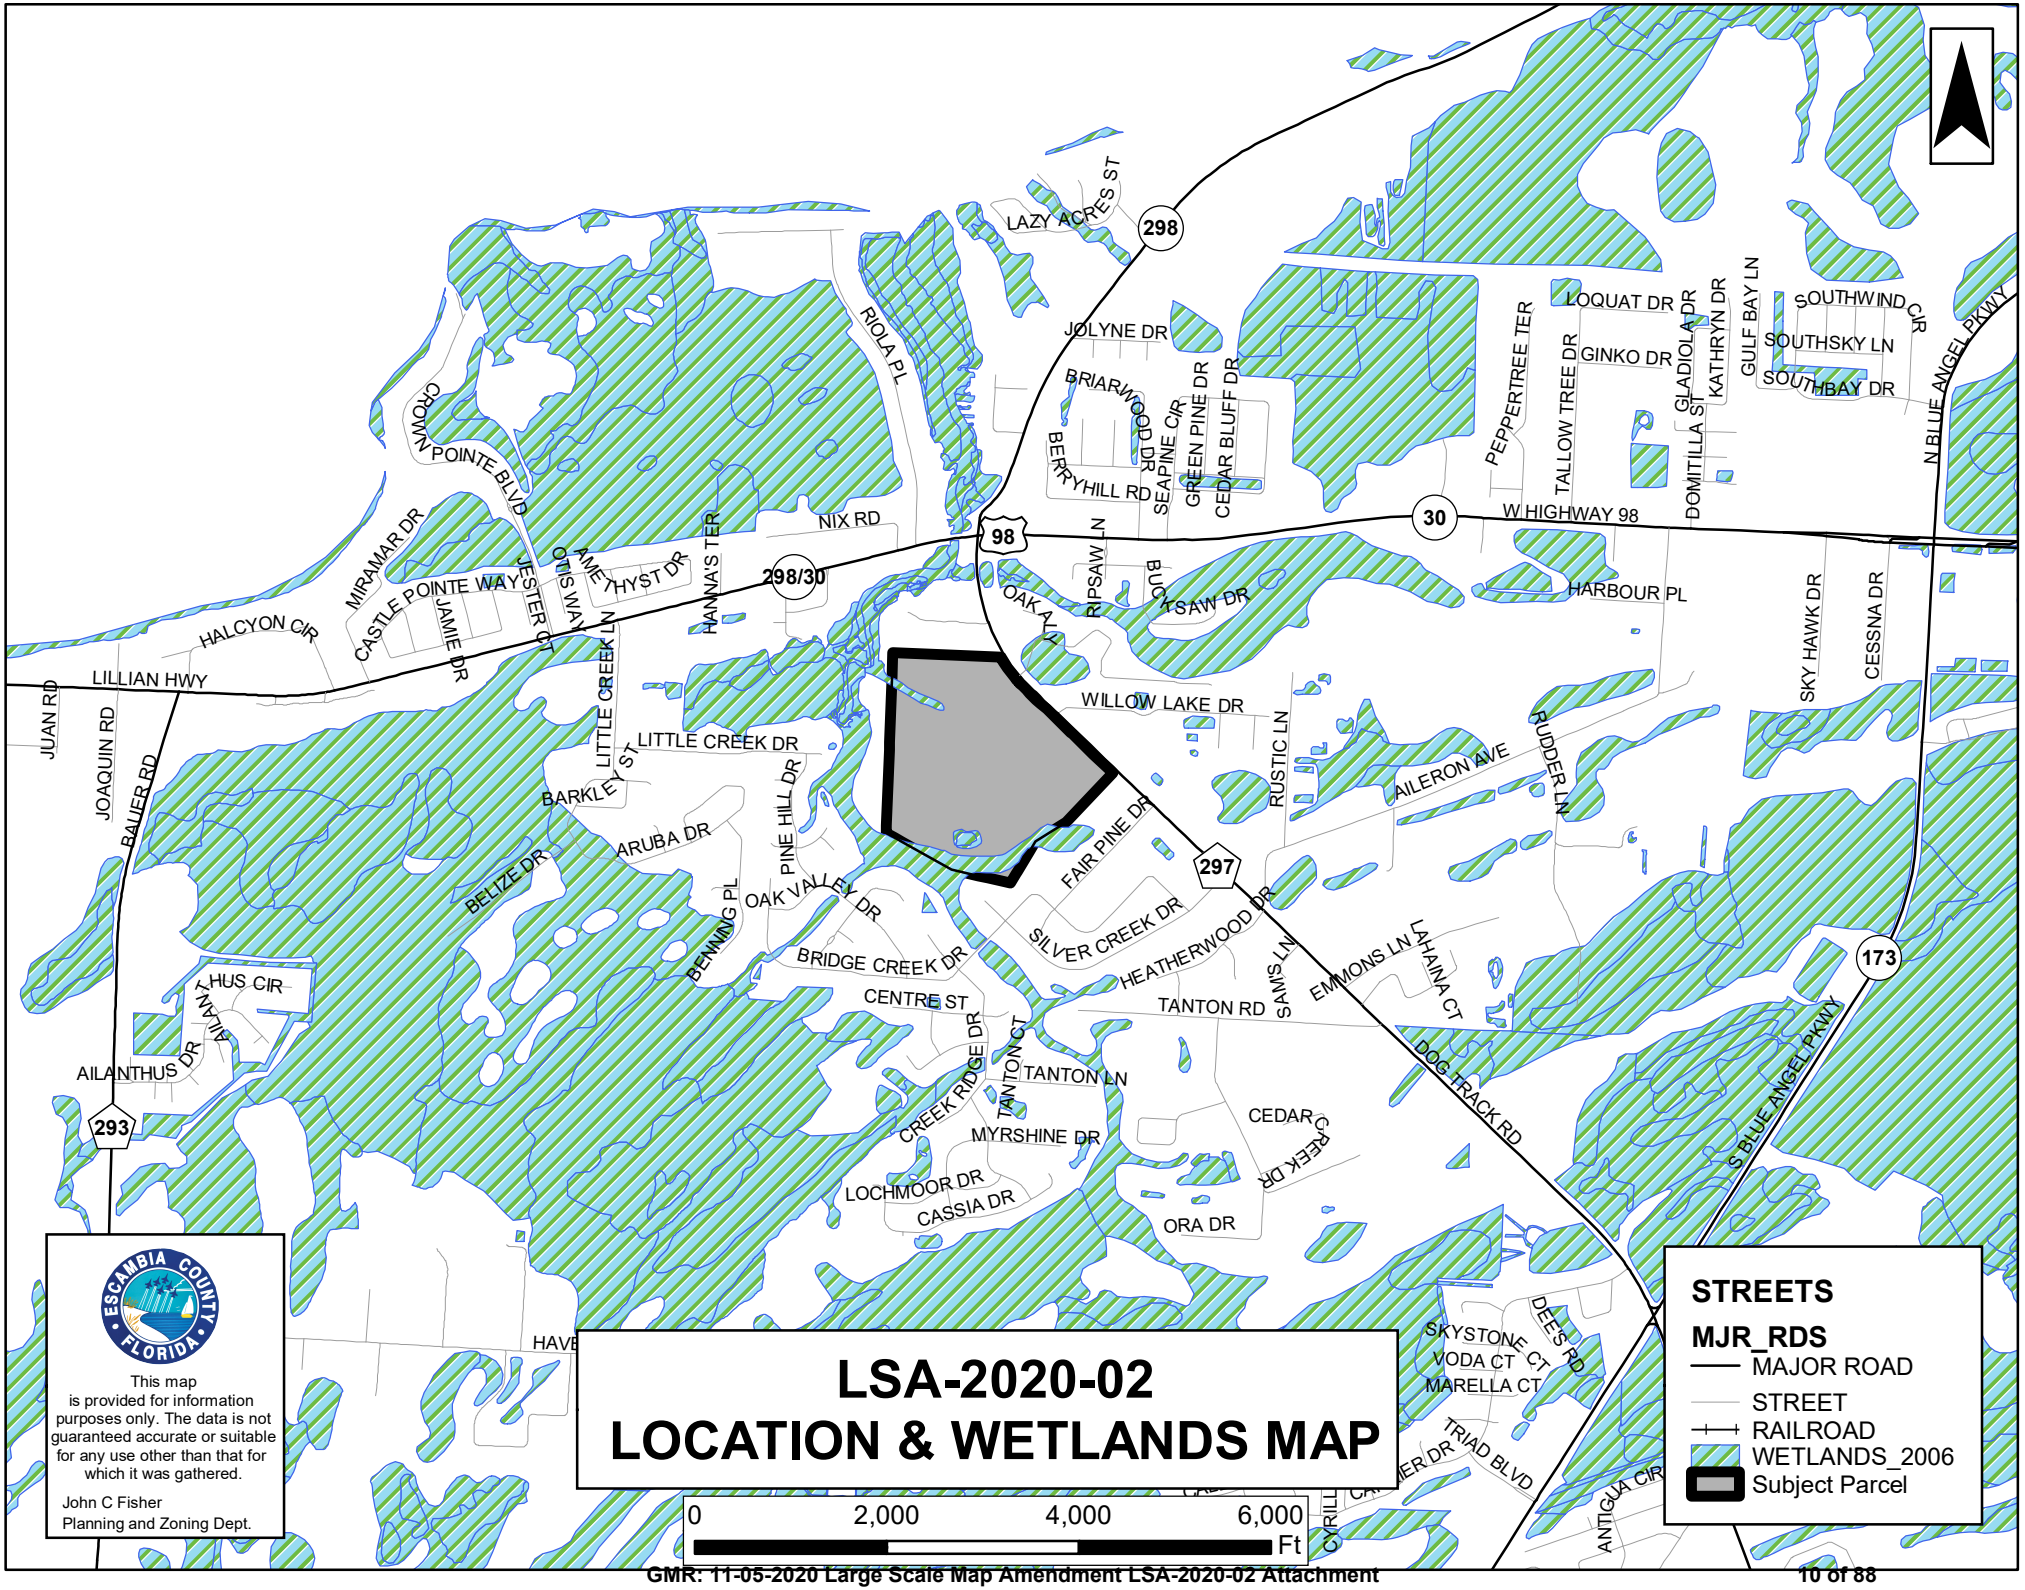
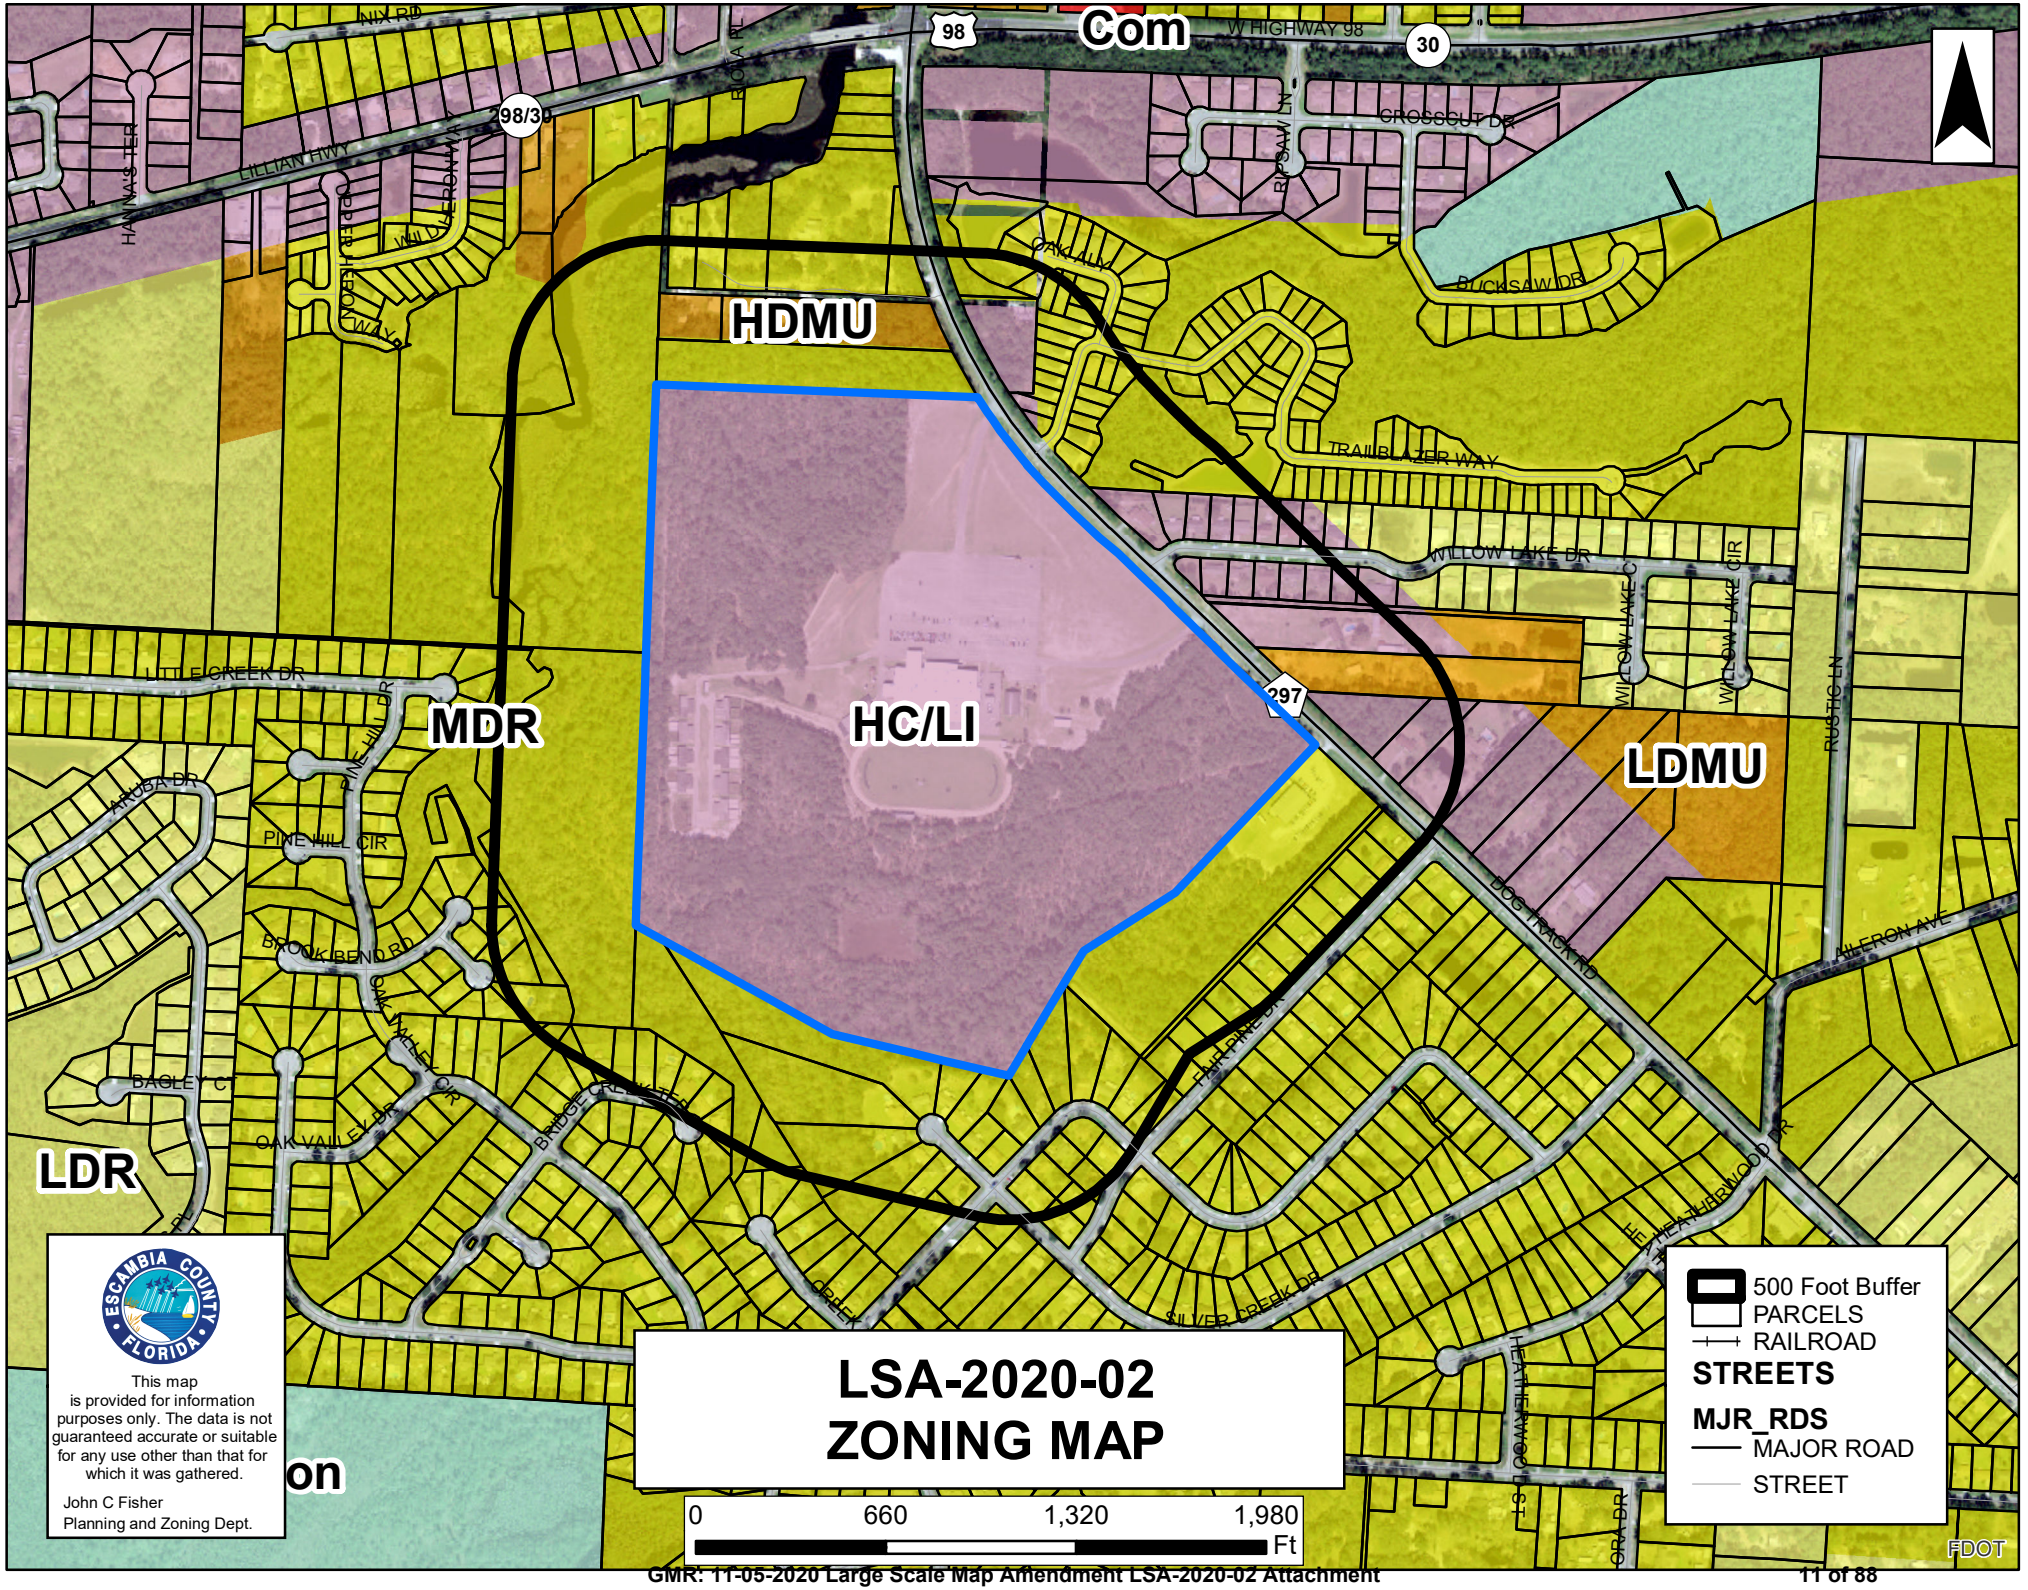
Dear Mr. Jones:



Florida Fish and Wildlife Conservation Commission (FWC) staff reviewed the above-referenced comprehensive plan amendment package in accordance with Chapter 163.3184(3), Florida Statutes. We have no comments, recommendations, or objections related to fish and wildlife or listed species and their habitat to offer on this amendment.



If you need any further assistance, please do not hesitate to contact our office at ConservationPlanningServices@MyFWC.com. If you have specific technical questions, please contact Kristal Walsh at (850) 851-8065 or at Kristal.Walsh@myfwc.com.

I/We acknowledge and agree that no future development permit (other than a rezoning/reclassification) shall be approved for the subject parcel(s) prior to the issuance of a certificate of concurrency for such proposed development based on the densities and intensities contained within such future development permit application.

I/We also acknowledge and agree that no development permit or order (other than a rezoning /reclassification) will be issued at that time unless at least one of the concurrency management system standards is met as contained in the Escambia County Code of Ordinances, Part II, Section 6.04, namely:

(1) The necessary facilities and services are in place at the time a development permit is issued; or

(2) A development permit is issued subject to the condition that the necessary facilities and services will be in place when the impacts of the development occur; or

(3) The necessary facilities are under construction at the time a permit is issued; or

(4) The necessary facilities and services are the subject of a binding executed contract for the construction of the facilities or the provision of services at the time the development permit is issued. NOTE: This provision only relates to parks and recreation facilities and roads. The LDC will include a requirement that the provision or construction of the facility or service must commence within one (1) year of the Development Order or Permit; or

(5) The necessary facilities and services are guaranteed in an enforceable development agreement. An enforceable development agreement may include, but is not limited to, development agreements pursuant to Section 163.320, Florida Statutes or an agreement or development order issued pursuant to Chapter 380, Florida Statutes. Any such agreement shall include provisions pursuant to paragraphs 1, 2, or 3 above.

(6) The necessary facilities needed to serve new development are in place or under actual construction no more than three (3) years after issuance, by the County, of a certificate of occupancy or its functional equivalent. NOTE: This provision only relates to roads.

I HEREBY ACKNOWLEDGE THAT I HAVE READ, UNDERSTAND AND AGREE WITH THE ABOVE STATEMENT ON THIS 21 DAY OF May , 2020

DATA AND ANALYSIS REQUIREMENTS

1. A comparative analysis of the impact of both the current and the proposed future land use categories on the following items, presented in tabular format, based on data taken from professionally accepted existing sources, such as the US Census, State University System of Florida, National Wetland Inventory Maps, regional planning councils, water management districts, or existing technical studies. The data should show that the infrastructure is available to support the most intense development allowed under the requested Future Land Use category, regardless of what type of development is proposed.

    A. Sanitary Sewer

    B. Solid Waste Disposal

    C. Potable Water

    D. Stormwater Management

    E. Traffic

    F. Recreation and Open Space

    G. Schools

    The data and analysis should also support the requested future land use category by reflecting a need for that category. For example, a future land use request from Agricultural to Residential would need an analysis demonstrating the need for additional Residential acreage in the County.

2. Proximity to and impact on the following:

    A. Wellheads (indicate distance and location to nearest wellhead)

    B. Historically significant sites (available from Florida Master Site File, Division of Historical Resources; email sitefile@dos.state.fl.us) Request form attached.

    C. Natural Resources, including wetlands (a wetlands survey is highly recommended if wetlands are located on the property)

3. An analysis of consistency with the Escambia County Comprehensive Plan, with reference to applicable sections therein

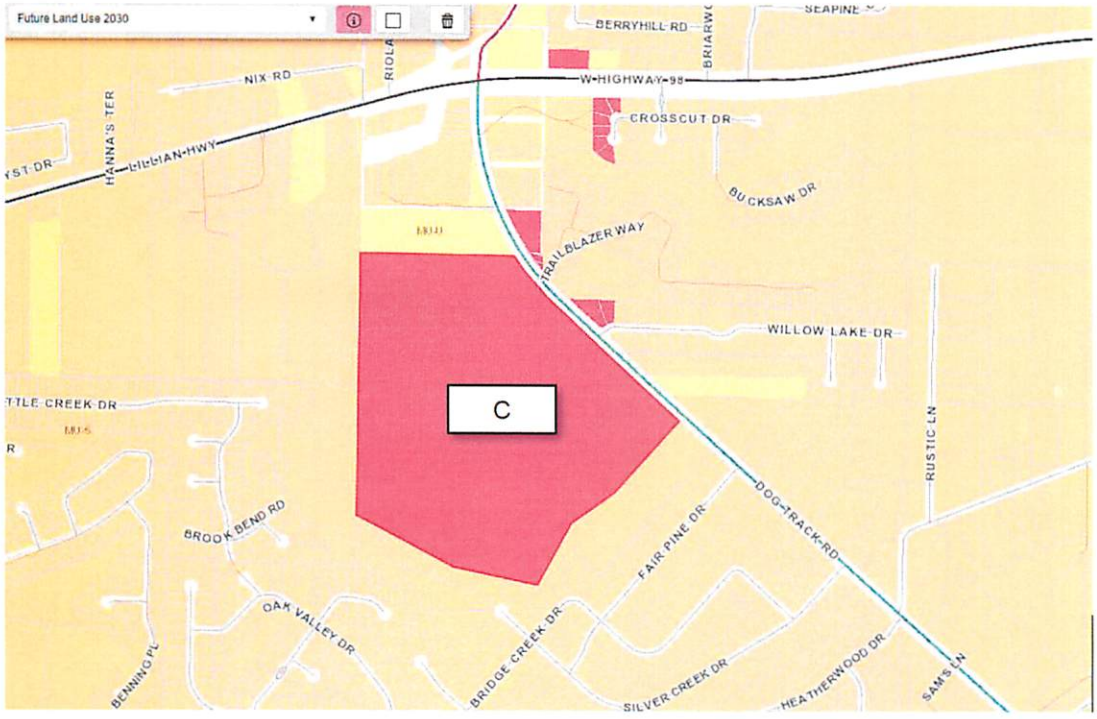
RE: Letter of Request – Former Dog Track Site FLU Change

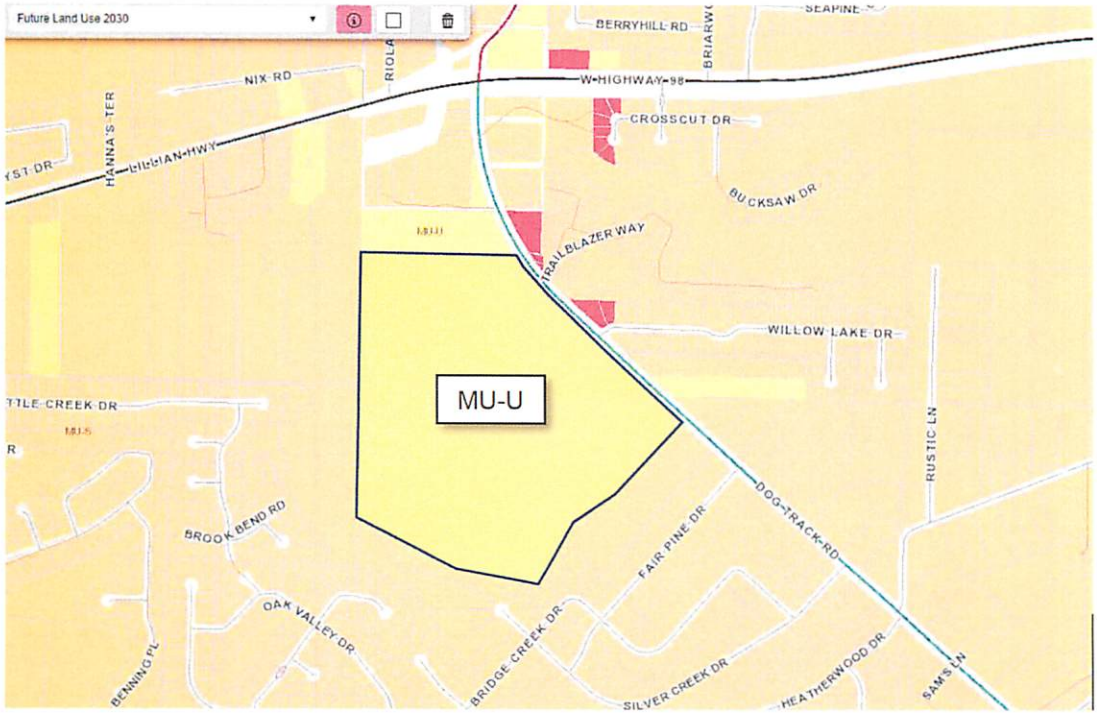
To Whom It May Concern:

We respectively request the property described herein be granted the change of Future Land Use to **MU-U** as depicted on the following page. The parcel previously held a Future Land use for C or Commercial, and was used as the location of the Pensacola Greyhound Park.



In light of the citizen's of Florida voting to cease greyhound racing throughout the state, and following current development trends in the area, the subject 88+/- acres property would be more appropriately used as a mixed used development consisting of a blend of multi-family residential, single family residential and commercial uses. With its proximity to Navy Federal Credit Union Campus on Nine Mile Road and Naval Air Station Pensacola, the development trends on the west side of Escambia County continue to show high demand for housing.

Thank you for consideration of our application and we trust you will find sufficient documentation supporting our request.



Sincerely,

Joe A. Rector, Jr.
Regional Vice President

Sec. 3-2.11 - Heavy commercial and light industrial district (HC/LI).

(a) *Purpose.* The heavy commercial and light industrial (HC/LI) district establishes appropriate areas and land use regulations for a complementary mix of industrial uses with a broad range of commercial activities. The primary intent of the district is to allow light manufacturing, large-scale wholesale and retail uses, major services, and other more intense uses than allowed in the commercial district. The variety and intensity of non-residential uses within the HC/LI district is limited by the applicable FLU and their compatibility with surrounding uses. All commercial and industrial operations are limited to the confines of buildings and not allowed to produce undesirable effects on other property. To retain adequate area for commercial and industrial activities, other uses within the district are limited.

(b) *Permitted uses.* Permitted uses within the HC/LI district are limited to the following:

(1) *Residential.* Any residential uses outside of the industrial (I) future land use category, but if within the commercial (C) future land use category (and not the principal single-family dwelling on an existing lot of record), only as part of a predominantly commercial development; and excluding new or expanded manufactured (mobile) home parks and subdivisions. See also conditional uses in this district.

(2) *Retail sales.* Retail sales including medical marijuana dispensing facilities, sales of alcoholic beverages, sales of automotive fuels, and sales of new and used automobiles, motorcycles, boats, manufactured (mobile) homes.

(3) *Retail services.*

a. Car washes, automatic or manual, full service or self-serve.

b. Child care facilities.

c. Hotels, motels and all other public lodging, including boarding and rooming houses.

d. Personal services, including those of beauty shops, health clubs, pet groomers, dry cleaners and tattoo parlors.

e. Professional services, including those of realtors, bankers, accountants, engineers, architects, dentists, physicians, and attorneys.

f. Rental of automobiles, trucks, utility trailers and recreational vehicles.

g. Repair services, including appliance repair, furniture refinishing and upholstery, watch and jewelry repair, small engine and motor services, and major motor vehicle and boat service and repair, but excluding outdoor work or storage.

h. Restaurants and brewpubs, including on-premises consumption of alcoholic beverages, drive-in and drive-through service, and brewpubs with the distribution of on-premises produced alcoholic beverages for off-site sales. The parcel boundary of any restaurant with drive-in or drive-through service shall be at least 200 feet from any LDR or MDR zoning district unless separated by a 50-foot or wider street right-of-way.

i. Taxi and limousine services.

See also conditional uses in this district.

(4) *Public and civic.*

a. Broadcast stations with satellite dishes and antennas, including towers.

b. Cemeteries, including family cemeteries.

c. Community service facilities, including auditoriums, libraries, museums, and neighborhood centers.

d. Educational facilities, including preschools, K-12, colleges, and vocational schools.

e. Emergency service facilities, including law enforcement, firefighting, and medical assistance.

f. Funeral establishments.

g. Homeless shelters.

h. Hospitals.

i. Offices for governmental agencies or public utilities.

j. Places of worship.

k. Public utility structures, including telecommunications towers, but excluding industrial uses not otherwise permitted.

See also conditional uses in this district.

(5) *Recreation and entertainment.*

a. Commercial entertainment facilities, indoor or outdoor, including movie theatres, amusement parks, and stadiums, but excluding motorsports facilities. Carnival-type amusements shall be at least 500 feet from any residential district. Bars, nightclubs, and adult entertainment are prohibited in areas with the zoning designation HC/LI-NA or areas zoned ID-CP or ID-1 prior to adoption of HC/LI zoning.

b. Commercial recreation facilities, passive or active, including those for walking, hiking, bicycling, camping, recreational vehicles, swimming, skateboarding, bowling, court games, field sports, and golf, but excluding off-highway vehicle uses and outdoor shooting ranges. Campgrounds and recreational vehicle parks require a minimum lot area of five acres.

c. Marinas, private and commercial.

d. Parks, with or without permanent restrooms or outdoor event lighting.

See also conditional uses in this district.

(6) *Industrial and related.* The following industrial and related uses, except within MU-S:

a. Light industrial uses, including research and development, printing and binding, distribution and wholesale warehousing, and manufacturing, all completely within the confines of buildings and without adverse off-site impacts.

b. Marinas, industrial.

c. Microbreweries, microdistilleries, and microwineries, except in areas with the zoning designation HC/LI-NA.

See also conditional uses in this district.

(7) *Agricultural and related.*

a. Food produced primarily for personal consumption by the producer, but no farm animals.

b. Nurseries and garden centers, including adjoining outdoor storage or display of plants.

c. Veterinary clinics, excluding outside kennels.

See also conditional uses in this district.

(8) *Other uses.* Within MU-S, outside storage is permitted only when adequately screened per LDC regulations.

a. Billboards structures, excluding areas zoned ID-CP, GBD, or GID prior to adoption of HC/LI zoning.

b. Building or construction trades shops and warehouses, including on-site outside storage.

c. Bus leasing and rental facilities, not allowed within MU-S.

d. Deposit boxes for donation of used items when placed as an accessory structure on the site of a charitable organization.

e. Outdoor adjacent display of plants by garden shops and nurseries.

f. Outdoor sales.

g. Outdoor storage of trailered boats and operable recreational vehicles, excluding repair, overhaul or salvage activities.

h. Parking garages and lots, commercial, not allowed within MU-S.

i. Sales and outdoor display of prefabricated storage sheds.

j. Self-storage facilities, including vehicle rental as an accessory use.

(c) *Conditional uses.* Through the conditional use process prescribed in chapter 2, the BOA, or the BCC as noted, may conditionally allow the following uses within the HC/LI district:

(1) *Residential.* Caretaker residences not among the permitted uses of the district and for permitted non-residential uses.

(2) *Retail services.* Restaurants not among the permitted uses of the district.

(3) *Public and civic.* Cinerators.

(4) *Recreation and entertainment.*

a. Motorsports facilities on lots 20 acres or larger.

b. Off-highway vehicle commercial recreation facilities on lots 20 acres or larger.

c. Shooting ranges, outdoor.

(5) *Industrial and related.* The following industrial and related uses, except within MU-S:

a. Asphalt and concrete batch plants if within the industrial (I) future land use category and within areas zoned GID prior to adoption of HC/LI zoning.

b. Borrow pits and reclamation activities 20 acres minimum (subject to local permit and development review requirements per Escambia County Code of Ordinances, part I, chapter 42, article VIII, and land use regulations in part III, the land development code, chapter 4).

* Borrow pits are prohibited on land zoned GBD, GID, and WMU prior to the adoption of the HC/LI zoning.

c. Salvage yards not otherwise requiring approval as solid waste processing facilities.

d. Solid waste processing facilities, including solid waste collection points, solid waste transfer facilities, materials recovery facilities, recovered materials processing facilities, recycling facilities and operations, resource recovery facilities and operations, and volume reduction plants.

The conditional use determination for any of these solid waste facilities shall be made by the BCC in lieu of any hearing before the BOA. The applicant shall submit a site boundary survey, development plan, description of anticipated operations, and evidence that establishes each of the following conditions in addition to those prescribed in chapter 2:

1. Trucks have access to and from the site from adequately wide collector or arterial streets and do not use local residential streets.

2. The scale, intensity, and operation of the use will not generate unreasonable noise, traffic, objectionable odors, dust, or other potential nuisances or hazards to contiguous properties.

3. The processing of materials will be completely within enclosed buildings unless otherwise approved by the BCC.

4. The plan includes appropriate practices to protect adjacent land and resources, minimize erosion, and treat stormwater; landscaping and buffering for adjacent uses; hours of operation; methods to comply with maximum permissible noise levels; means of access control to prevent illegal dumping; and plans for materials storage.

(6) *Agricultural and related.* Kennels or animal shelters not interior to veterinary clinics.

(7) *Other uses.*

a. Structures of permitted uses exceeding the district structure height limit.

b. Heliports.

(d) *Site and building requirements.* The following site and building requirements apply to uses within the HC/LI district:

(1) *Density.* A maximum density of 25 dwelling units per acre. Lodging unit density is not limited by zoning.

(2) *Floor area ratio.* A maximum floor area ratio of 1.0 within the mixed-use suburban (MU-S), commercial (C) and industrial (I) future land use categories, and 2.0 within mixed-use urban (MU-U).

(3) *Structure height.* A maximum structure height of 150 feet above highest adjacent grade, except that for any parcel previously zoned GBD and within the MU-S future land use category the mean roof height (average of roof eave and peak heights) of a building shall not exceed 45 feet above average finished grade.

(4) *Lot area.* No minimum lot area unless prescribed by use.

(5) *Lot width.* No minimum lot width required by zoning

(6) *Lot coverage.* Minimum pervious lot coverage of 15 percent (85 percent maximum semi-impervious and impervious cover) for all uses. A maximum 75 percent of lot area occupied by principal and accessory buildings on lots of non-residential uses.

(7) *Structure setbacks.* For all principal structures, minimum setbacks are:

a. *Front and rear.* Fifteen feet in both front and rear.

b. *Sides.* On each side of a single-family detached dwelling, ten feet or ten percent of the lot width at the street right-of-way, whichever is less, but at least five feet. For all other structures, including any group of attached townhouses, ten feet on each side. For structures exceeding 35 feet above highest adjacent grade, an additional two feet for each additional ten feet in height.

(8) *Other requirements.*

a. *Access.* For any industrial use south of Well Line Road, site access shall be provided by curb cuts on an arterial or collector street. Alternatively, a private or public street may link the site to an arterial or collector, provided that the private or public street does not traverse a residential subdivision or predominantly residential neighborhood between the site and the arterial or collector street.

b. *Parcels within MU-S previously zoned GBD.* For any parcel previously zoned GBD and within the MU-S future land use category, additional requirements apply as mandated by the GBD performance standards and the site and building requirements in effect as of April 15, 2015, prior to the adoption of the current Land Development Code to ensure compatibility.

c. *Chapters 4 and 5.* Refer to chapters 4 and 5 for additional development regulations and standards.

(e) *Location criteria.* All new non-residential uses proposed within the HC/LI district that are not part of a planned unit development or not identified as exempt by district regulations shall be on parcels that satisfy at least one of the following location criteria:

(1) *Parcels along Hwy 29 or SR 95A.* Parcels previously zoned GBD and within the MU-S future land use category which are located along and directly fronting U.S. Highway 29 or State Road 95A.

(2) *Proximity to intersection.* Along an arterial street and within one-quarter mile of its intersection with an arterial street.

(3) *Site design.* Along an arterial street, no more than one-half mile from its intersection with an arterial street, and all of the following site design conditions:

a. Not abutting a RR, LDR or MDR zoning district.

b. Any intrusion into a recorded residential subdivision is limited to a corner lot.

c. A system of service roads or shared access is provided to the maximum extent feasible given the lot area, lot shape, ownership patterns, and site and street characteristics.

d. Adverse impacts to any adjoining residential uses are minimized by placing the more intensive elements of the use, such as solid waste dumpsters and truck loading/unloading areas, furthest from the residential uses.

e. Location in an area where already established non-residential uses are otherwise consistent with the HC/LI, and where the new use would constitute infill development of similar intensity as the conforming development on surrounding parcels. Additionally, the location would promote compact development and not contribute to or promote strip commercial development.

(4) *Documented compatibility.* A compatibility analysis prepared by the applicant provides competent substantial evidence of unique circumstances regarding the parcel or use that were not anticipated by the alternative criteria, and the proposed use will be able to achieve long-term compatibility with existing and potential uses. Additionally, the following conditions exist:

a. The parcel has not been rezoned by the landowner from the mixed-use, commercial, or industrial zoning assigned by the county.

b. If the parcel is within a county redevelopment district, the use will be consistent with the district's adopted redevelopment plan, as reviewed and recommended by the community redevelopment agency (CRA).

(f) *Rezoning to HC/LI.*

(1) *Generally.* Heavy commercial and light industrial zoning may be established by rezoning only within the mixed-use urban (MU-U), commercial (C), or industrial (I) future land use categories. The district is appropriate to provide transitions between areas zoned or used for commercial and areas zoned or used for industrial. The district is suitable for areas able to receive bulk deliveries by truck in locations served by major transportation networks and able to avoid undesirable effects on nearby property and residential uses. Rezoning to HC/LI is subject to the same location criteria as any non-residential use proposed within the HC/LI district.

(2) *HC/LI-NA designation.* Any applicant for rezoning to the HC/LI zoning district may request a HC/LI-NA designation prohibiting the subsequent establishment of any microbreweries, microdistilleries, microbreweries, bars, nightclubs, or adult entertainment uses on the rezoned property. The request shall be in the form of a notarized affidavit that acknowledges this use restriction and affirms that it is a voluntary request. Once approved according to the rezoning process of chapter 2, the HC/LI-NA zoning designation and its prohibitions shall apply to the property, regardless of ownership, unless the parcel is rezoned.

Exhibit B
Escambia County, Florida

Subject to the Following Matters:

All recording references herein are to the records appearing in the Office of the Judge of Probate of Escambia County, Florida, unless otherwise indicated.

1. All liens for taxes, assessments and other governmental charges, including rollback taxes, not yet due and payable.

2. Oil, gas, and other minerals lying on, in, under or upon the Property, previously reserved by others, and any mineral leases or other documents concerning the oil, gas, and other mineral estate.

3. All rights, easements, and servitudes incident to and a part of the mineral estate underlying the Property and all oil, gas, saltwater or disposal wellsites and related agreements.

4. All public and private recorded rights of way, public roads, utility easements, utility rights of way, and pipeline rights of way now in existence in, on, under, over and across the surface of the Property.

5. Any matter affecting the Property that would be disclosed by an accurate and complete land survey of the Property.

6. Recorded easements and rights-of-way for existing roads (public or private), railroads, and public utility lines running through, over or across the Property.

7. That certain mortgage from Pensacola Greyhound Track, Inc., to the Poarch Band of Creek Indians, PCI Gaming Authority, filed of record 5/19/2009 in OR Book 6461, Page 335, in the original principal amount of $3,450,000.00, and the terms and conditions thereof.

8. UCC-1 (Financing Statement) from Pensacola Greyhound Track, Inc., a Florida Corporation, to the Poarch Band of Creek Indians, PCI Gaming Authority, recorded 5/19/2009 in OR Book 6461, Page 348.

9. Easement granted to Gulf Power Company by instrument recorded in OR Book 880, Page 62.

10. Easement granted to Escambia County Utilities Authority by instrument recorded in OR Book 2820, Page 504.

11. Easement granted to Southern Bell Telephone and Telegraph Company by instrument recorded in OR Book 3101, Page 944.

12. All matters recorded in the Official Records of Escambia County, Florida.

DESCRIPTION AS SURVEYED:

PARCEL 1:

THAT PORTION OF SECTION 25, TOWNSHIP 2 SOUTH, RANGE 31 WEST, ESCAMBIA COUNTY, FLORIDA, DESCRIBED AS FOLLOWS:

BEGINNING AT A CONCRETE MONUMENT AT THE SOUTHEAST CORNER OF THE NORTH 1/2 OF THE NORTHWEST 1/4 OF THE SOUTHEAST 1/4 OF SAID SECTION; THENCE NORTH 42°22' EAST A DISTANCE OF 877.6 FEET TO A POINT IN THE SOUTHWESTERLY RIGHT-OF-WAY LINE OF THE PLEASANT GROVE HIGHWAY; THENCE NORTH 47°47' WEST ALONG THE SAID RIGHT OF WAY LINE A DISTANCE OF 197.05 FEET TO A POINT OF CURVATURE; SAID CURVE TO THE RIGHT; THENCE NORTH 49°08' WEST ALONG A CHORD DISTANCE OF 126.28 FEET TO A POINT IN THE EAST LINE OF THE WEST 1/2 OF THE NORTHEAST 1/4 OF SAID SECTION 25; THENCE NORTH 00°04' WEST ALONG SAID EAST LINE A DISTANCE OF 284.16 FEET TO A CONCRETE MONUMENT AT THE NORTHEAST CORNER OF THE SOUTH 1/2 OF THE NORTH 1/2 OF THE SOUTHWEST 1/4 OF THE NORTHEAST 1/4 OF SAID SECTION 25; THENCE NORTH 88°33'28" WEST ALONG THE NORTH LINE OF THE NORTH 1/2 OF THE SOUTHWEST 1/4 OF THE NORTHEAST 1/4 OF SAID SECTION 25 A DISTANCE OF 1326.27 FEET TO A POINT BEING A CONCRETE MONUMENT AT THE NORTHWEST CORNER OF THE SOUTH 1/2 OF THE NORTH 1/2 OF THE SOUTHWEST 1/4 OF THE NORTHWEST 1/4 OF SAID SECTION 25; THENCE SOUTH 00°03' EAST PARALLEL TO THE WEST LINE OF SAID SECTION 25 A DISTANCE OF 2224.8 FEET FROM THE NORTHWEST CORNER OF THE NORTH 1/2 OF THE NORTHWEST 1/4 OF THE SOUTHWEST 1/4 OF SAID SECTION 25; THENCE SOUTH 89°57'07" EAST ALONG THE SOUTH LINE OF THE NORTH 1/2 OF THE NORTHWEST 1/4 OF THE SOUTHWEST 1/4 OF SAID SECTION 25 A DISTANCE OF 1326.11 FEET TO THE POINT OF BEGINNING. ALSO, YOU COME RIGHT OF WAY (ESCAMBIA RURAL ROADWAY CROSSING NEAR THE NORTHWEST CORNER OF THE SOUTH 1/2 OF THE NORTH 1/2 OF THE SOUTHEAST 1/4 OF THE NORTHEAST 1/4 OF SAID SECTION 25.

PARCEL 2:

BEGINNING AT A CONCRETE MONUMENT AT THE SOUTHEAST CORNER OF THE NORTH 1/2 OF THE NORTHWEST 1/4 OF THE SOUTHEAST 1/4 OF SAID SECTION; THENCE NORTH 42°22' EAST A DISTANCE OF 877.6 FEET TO A POINT IN THE SOUTHWESTERLY RIGHT OF WAY LINE OF THE PLEASANT GROVE HIGHWAY; THENCE SOUTH 47°47' EAST ALONG SAID RIGHT OF WAY LINE A DISTANCE OF 409.25 FEET TO A CONCRETE MONUMENT; THENCE SOUTH 42°22' WEST A DISTANCE OF 1748.8 FEET; THENCE SOUTH 88°33'28" EAST PARALLEL TO THE NORTH LINE OF THE SOUTHWEST 1/4 OF SAID SECTION 25, THENCE NORTH 00°03' WEST A DISTANCE OF 660.5 FEET; THENCE NORTH 88°33' WEST A DISTANCE OF 1326.3 FEET; THENCE NORTH 00°03' WEST A DISTANCE OF 1326.3 FEET TO A POINT IN THE NORTH LINE OF THE SOUTHWEST 1/4 OF SAID SECTION 25; THENCE NORTH 88°34' WEST ALONG THE SAID NORTH LINE A DISTANCE OF 286.77 FEET TO THE SOUTHEAST CORNER OF THE NORTH 1/2 OF THE NORTHWEST 1/4 OF THE SOUTHWEST 1/4 OF SAID SECTION 25; THENCE NORTH 00°03' WEST ALONG THE EAST LINE OF THE EAST 1/2 OF SAID SECTION 25 A DISTANCE OF 1438.2 FEET TO A CONCRETE MONUMENT AT THE NORTHEAST CORNER OF THE SOUTH 1/2 OF THE NORTH 1/2 OF THE SOUTHWEST 1/4 OF THE NORTHEAST 1/4 OF SAID SECTION 25; THENCE SOUTH 88°33' EAST ALONG THE NORTH LINE OF THE SOUTH 1/2 OF THE NORTH 1/2 OF THE SOUTHEAST 1/4 OF THE NORTHWEST 1/4 OF SAID SECTION 25 A DISTANCE OF 1326.11 FEET TO A CONCRETE MONUMENT AT THE NORTHEAST CORNER OF THE SOUTH 1/2 OF THE NORTH 1/2 OF THE SOUTHEAST 1/4 OF THE NORTHWEST 1/4 OF SAID SECTION 25; THENCE NORTH 00°03' WEST ALONG THE EAST LINE OF SAID SECTION 25 A DISTANCE OF 1326.8 FEET TO A POINT ON THE NORTH LINE OF THE NORTH 1/2 OF THE NORTHWEST 1/4 OF THE SOUTHEAST 1/4 OF SAID SECTION 25; SAID POINT BEING A DISTANCE OF 330.0 FEET FROM THE NORTHWEST CORNER OF THE NORTH 1/2 OF THE NORTHWEST 1/4 OF THE SOUTHEAST 1/4 OF SAID SECTION 25; THENCE SOUTH 88°35'25" EAST ALONG THE SOUTH LINE OF THE NORTH 1/2 OF THE NORTHWEST 1/4 OF THE SOUTHEAST 1/4 OF SAID SECTION 25 A DISTANCE OF 1320.11 FEET TO THE POINT OF BEGINNING.

LESS AND EXCEPT THE WEST 66 FEET OF THE FOLLOWING DESCRIBED PARCEL:

THAT PORTION OF THE NORTH 1/2 OF THE NORTHWEST 1/4 OF THE SOUTHEAST 1/4 OF SECTION 25, TOWNSHIP 2 SOUTH, RANGE 31 WEST, ESCAMBIA COUNTY, FLORIDA, DESCRIBED AS FOLLOWS: BEGINNING AT A CONCRETE MONUMENT AT THE SOUTHWEST CORNER OF SAID NORTH 1/2; THENCE NORTH 00°03' WEST ALONG THE WEST LINE OF SAID NORTH 1/2 A DISTANCE OF 660.05 FEET TO A CONCRETE MONUMENT; THENCE SOUTH 88°33'28" EAST, 330.4 FEET TO A CONCRETE MONUMENT; THENCE SOUTH 00°03' EAST, 660.05 FEET TO A CONCRETE MONUMENT IN THE SOUTH LINE OF SAID NORTH 1/2; THENCE NORTH 88°33'28" WEST ALONG SAID SOUTH LINE, 330.4 FEET TO THE POINT OF BEGINNING.

EASEMENT NOTES:

1.) AN EASEMENT IN FAVOR OF GULF POWER COMPANY, AS RECORDED IN OFFICIAL RECORDS BOOK 1961, PAGE 921, OF THE PUBLIC RECORDS OF ESCAMBIA COUNTY, FLORIDA, AFFECTS THE SUBJECT PROPERTY AND IS DEPICTED HEREON.

2.) AN EASEMENT IN FAVOR OF [illegible] AS RECORDED IN OFFICIAL RECORDS BOOK 2824 AT PAGE 904 OF THE PUBLIC RECORDS OF ESCAMBIA COUNTY, FLORIDA, AFFECTS THE SUBJECT PROPERTY AND IS DEPICTED HEREON.

3.) AN EASEMENT IN FAVOR OF SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY, AS RECORDED IN OFFICIAL RECORDS BOOK 2151 AT PAGE 844 OF THE PUBLIC RECORDS OF ESCAMBIA COUNTY, FLORIDA, AFFECTS THE SUBJECT PROPERTY AND IS DEPICTED HEREON.

GENERAL NOTES:

1. THE BEARINGS AS SHOWN HEREON ARE REFERENCED TO THE ASSUMED BEARING OF NORTH 88°33'28" WEST ALONG THE SOUTH LINE OF THE NORTH 1/2 OF THE SOUTHWEST 1/4 OF THE NORTHEAST 1/4 OF SECTION 25, TOWNSHIP-2-SOUTH, RANGE-31-WEST, ESCAMBIA COUNTY, FLORIDA, AS PER THE DESCRIPTION AS FURNISHED.

2. THE SURVEY DATUM AS SHOWN HEREON IS REFERENCED TO THE DESCRIPTION AS FURNISHED, DEEDS OF RECORD AND TO EXISTING FIELD MONUMENTATION.

3. A TITLE COMMITMENT WAS PROVIDED TO MERRILL PARKER SHAW, INC. FROM FIRST AMERICAN TITLE INSURANCE COMPANY, AGENT FILE NUMBER 09-5740, DATED DATE 8, 2009, FOR THE SUBJECT PROPERTY. THERE MAY BE UNRECORDED DEEDS, EASEMENTS, RIGHTS-OF-WAY, STATE AND/OR FEDERAL JURISDICTIONAL AREAS OR OTHER INSTRUMENTS WHICH COULD AFFECT THE SUBJECT PROPERTY.

4. THIS SURVEY DOES NOT DETERMINE OWNERSHIP.

5. THIS SURVEY MEETS MINIMUM TECHNICAL STANDARDS AS SET FORTH BY THE FLORIDA BOARD OF PROFESSIONAL LAND SURVEYORS IN CHAPTER 5J-17.051 AND 5J-17.052 FLORIDA ADMINISTRATIVE CODE, PURSUANT TO SECTION 472.027, FLORIDA STATUTES, TO THE BEST OF MY KNOWLEDGE AND BELIEF.

6. THE MEASUREMENTS AS SHOWN HEREON WERE MADE TO UNITED STATES STANDARDS.

7. FEDERAL AND STATE COPYRIGHT ACTS PROHIBIT THIS MAP FROM BEING ALTERED OR, THIS MAP IS NOT TO BE COPIED OR REPRODUCED IN WHOLE OR PART AND IS NOT TO BE USED FOR ANY OTHER TRANSACTIONS. THIS DRAWING CANNOT BE USED FOR THE BENEFIT OF ANY OTHER PERSON. ELIMINATION OF ANY PERSON'S THEIR RIGHTS CONSENT OF THE COPYRIGHT OWNER AND IS TO BE RETURNED UPON REQUEST.

8. ONLY THE ABOVE GROUND VISIBLE ENCROACHMENTS AND IMPROVEMENTS WERE FIELD LOCATED AS SHOWN HEREON, UNLESS OTHERWISE NOTED. UNDER GROUND ENCROACHMENTS AND IMPROVEMENTS OF ANY KIND NOT FIELD LOCATED OR VERIFIED, UNLESS OTHERWISE NOTED.

9. THE DESCRIPTION AS FURNISHED OR MADE, DID DOES NOT MATHEMATICALLY CLOSE BY 1.00 FEET.

10. THE DESCRIPTION AS FURNISHED OR MADE, DID DOES NOT MATHEMATICALLY CLOSE BY 2.00 FEET.

Heron's Landing

Data and Analysis

88 +/- Acre former Pensacola Greyhound Parcel

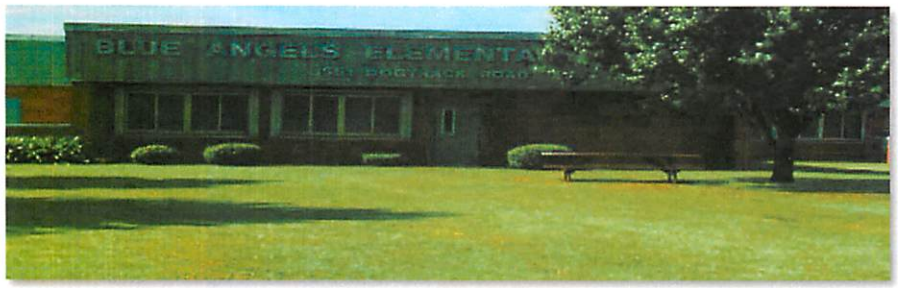
Mixed Used Development

Pensacola, Florida

The subject site is accessible from Dog Track Road, which is classified as a Major Urban Collector. The property is located ¼ mile south of the intersection with Highway 98 and Lilian Highway. The site is approximately 88+/- acres and was formerly home to the Pensacola Greyhound Park. Our proposal is for development of a mixed-use development consisting of a blend of multi-family residential, single family residential and commercial uses.

UTILITY IMPACTS: A letter identifying potential development impacts on utility capacities including water, sanitary sewer and garbage collection, has been requested and will be provided upon receipt, prior to public meeting. It is anticipated that an ECUA lift station will be required for this development.

STORMWATER MANAGEMENT Topographical features show that the site is higher on the east side. As shown on the attached site/contour map, the western and southerly end was found to have an elevation of 12 feet, while the easterly edge of the site had an 21 feet elevation contour. With a 8' downhill gradient, the existing stormwater drainage pattern is from east to west. This is similar to the existing stormwater drainage system within Woodridge Manor Subdivision, located to south of the property, as evidenced by the location of the existing drainage ponds.



The proposed stormwater design for the 88 acre site will include the use of pipe, curb and gutter and swales, among others. The collected stormwater will be directed into several large ponds running along the edge of the existing wetland. The northern and easterly end of the site has been designed to avoid any construction activities within areas that could potentially be classified as jurisdictional wetlands. These areas have been flagged by environmental scientists to precisely identify any plants, wetlands and any other flora/fauna of concern. The proposed stormwater plan will then be designed and submitted for review and approval by all appropriate county, state and federal regulatory offices.

TRAFFIC: All Access to the site from the east will be from Dog Track Road. These connection points will be designed during the approval process to make necessary accommodations recommended in traffic study. The development's ingress/egress points will be similar to the attached concept plan. **(See Supplement)**

RECREATION AND OPEN SPACE: The site is located approximately2 miles from the Southwest Escambia Sports Complex as well as the Millview ~ Heron Bayou Public Boat Ramp. **(See Supplement)** It is anticipated that existing facilities have sufficient capacity to meet the recreation and open space needs of this proposed new development. Recreational amenities are planned as a part of this development.

SCHOOLS: A letter identifying potential development impacts on the area school facilities has been requested. Schools of potential impact include:

Elementary School Zone: **Blue Angels Elementary**

Middle School Zone: **Bailey Middle School**

High School Zone: **Escambia High School**

May 15, 2020

Consistency with Relevant Portions of the Escambia Comprehensive Plan

88 +/- Acre former Pensacola Greyhound Parcel

Mixed Used Development

Pensacola, Florida

OBJ FLU 1.1 Growth Strategies

Apply accepted planning principles and utilize innovative and flexible planning strategies to achieve orderly and balanced growth and development.

POLICIES

FLU 1.1.1 **Development Consistency**. New development and redevelopment in unincorporated Escambia County will be consistent with the Plan and the FLUM.

RESPONSE: If approved by the Escambia County Planning Board, this proposed development will be consistent with this policy.

OBJ FLU 1.3 Future Land Use Map Designations

Designate land uses on the FLUM to discourage urban sprawl, promote mixed use, compact development in urban areas, and support development compatible with the protection and preservation of rural areas.

POLICIES

FLU 1.3.1 **Future Land Use Categories**. General descriptions, range of allowable uses, and residential densities and non-residential intensities for all future land use categories in Escambia County are outlined in below.

FLUM Mixed-Use Urban (MU-U)

General Description:

Intended for an intense mix of residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses within the category as a whole.

Range of Allowable Uses:

Residential, retail and services, professional office, light industrial, recreational facilities, public and civic, limited agriculture.

Standards:

Residential Maximum Density: 25 du/acre

Non-Residential Minimum Intensity: 0.25

Floor Area Ration (FAR) Maximum Intensity: 2.0 Floor Area Ratio (FAR)

Escambia County intends to achieve the following mix of land uses for new development within a ¼ mile of arterial roadways or transit corridors by 2030:

a) Residential 8% to 25%

b) Public/Rec/Inst. 5% to 20%

c) Non-Residential: Retail/Service 30% to 50% Office 25% to 50% Light Industrial 5% to 10%

In areas beyond ¼ mile of arterial roadways or transit corridors, the following mix of land uses is anticipated:

a) Residential 70% to 85%

b) Public/Rec/Inst. 10% to 25%

c) Non-Residential 5% to 10%

RESPONSE: If approved by the Escambia County Planning Board, this proposed development will be consistent with this policy.

OBJ FLU 2.1 Urban Development

Direct growth toward those areas where infrastructure and services exist to support development at approved densities and intensities.

POLICIES

FLU 2.1.1 **Infrastructure Capacities.** Urban uses will be concentrated in the urbanized areas with the most intense development permitted in the Mixed-Use Urban (MU-U) areas and areas with sufficient central water and sewer system capacity to accommodate higher density development. Land use densities may be increased through Comprehensive Plan amendments. This policy is intended to direct higher density urban uses to those areas with infrastructure capacities sufficient to meet demands and to those areas with capacities in excess of current or projected demand. Septic systems remain allowed through Florida Health Department permits where central sewer is not available.

RESPONSE: A letter identifying potential development impacts on utility capacities including water, sanitary sewer and garbage collection, has been requested and will be provided upon receipt, prior to public meeting. It is anticipated that an ECUA lift station will be required for this development.

OBJ FLU 2.2 Provision of Public Services

Promote orderly and balanced growth and development as a fiscal management technique to provide cost-efficient public services and facilities.

POLICIES

FLU 2.2.3 **Right-of-way Dedication.** Escambia County will continue to require dedication of adequate rights-of-way as approved by the County.

RESPONSE: The development of this site would result in roadways that meet the Escambia County Engineering Manuals Specifications for Roadways of which the rights-of-ways would be dedicated to Escambia County.

OBJ MOB 1.1 Transportation System

Continue to provide a safe, convenient, efficient and cost-effective multimodal transportation system and roadway network for present and future residents.

POLICIES

MOB 1.1.1 **Level of Service (LOS) Standards.** Levels of Service (LOS) will be used to evaluate facility capacity. Escambia County will adopt LOS standards for all roadways as indicated in the LDC. The standards for Strategic Intermodal System (SIS) facilities may be revised based on changes to the federal classification of these roadways. These standards are not regulatory but provide a basis by which the County may monitor congestion and coordinate needed improvements with FDOT.

Nothing in this policy shall be interpreted to preclude the County from requiring the development to pay all costs to the County associated with construction of any transportation improvement made necessary by the development.

RESPONSE: This proposed development will submit detailed site plans identifying required improvements all of which will be paid by the developer.

MOB 1.1.2 **On-site Facilities.** All new private development will be required to provide safe and convenient on-site traffic flow as indicated in the LDC.

RESPONSE: Preliminary internal circulation design shows the site will be accessible from the west, at two locations. These plans will be submitted to the County for review and approval. The plans will contain overall traffic circulation patterns and will comply with this element of the Comprehensive Plan.

OBJ MOB 1.4 Corridor Preservation

Provide for the protection of existing and future rights-of-way from encroachment by including appropriate regulations for standard right-of- way, setback regulations, density and intensity regulation, right-of-way, and scenic roadway designation within the provisions of the LDC.

POLICIES

MOB 1.4.1 **Proposed Transportation Corridors.** Escambia County will make efforts to inform the public about the location of proposed transportation corridors. Such proposed transportation corridors are to be initially designated in this section, the adopted TPO's Cost Feasible Plan, the proposed or adopted County Capital Improvement Plan, or in any proposed or adopted Development of Regional Impact (DRI) or development plan. Transportation corridor protection regulations will be incorporated in the LDC.

FY 2021 - FY 2025 Florida-Alabama TPO Project Priorities Table 5 - FY 21-25 Transportation Alternatives (TA) Project Priorities, Dog Track Road from Blue Angel Parkway to SR 30 (US 98) is listed as number six on

this list. This project calls for the installation of paved shoulders along both sides of Dog Track Rd (CR-297) in Escambia County.

RESPONSE: This proposed development is adjacent to the Dog Track Road. It is not anticipated that any additional right-of-way will be necessary additional right-of-way to accommodate this project. However, consideration will be given and final determination will occur during the development review stages of the project in accordance with the Escambia County Land Development Code.

OBJ INF 3.1 Provision of Stormwater Management

Ensure the safe and efficient provision of stormwater management through maximized use of existing facilities, maintenance of appropriate levels of service, correction of existing deficiencies, and protection of natural resources.

POLICIES

INF 3.1.6 **Developer Responsibilities.** Installation of stormwater management facilities made necessary by new development will be the responsibility of the developer.

RESPONSE: Required stormwater management plan and facilities will be designed and installed at the developer's expense.

OBJ INF 4.1 Provision of Potable Water Service Ensure the safe and efficient provision of potable water services through coordination with service providers, maximized use of existing facilities, maintenance of appropriate levels of service, correction of existing deficiencies, water conservation, and protection of natural resources. POLICIES

INF 4.1.6 **Developer Responsibility**. The cost of water line extensions made necessary by new development will be the responsibility of the developer unless otherwise funded by the service provider.

RESPONSE: The developer will pay for all agreed costs associated with any required modifications to the water lines.

OBJ COA 1.1 General Hazard Mitigation

Reduce the exposure of people and property to natural hazards.

POLICIES

COA 1.1.3 **Flood Elevation.** Escambia County will, as supported by federal emergency management regulations (Title 44, Code of Federal Regulations (CFR) 60.1) and the County's experience of significant flood hazard events, require additional height above the base flood elevation to more effectively reduce the exposure of people and property to losses from flood hazards.

RESPONSE: Base finished floor elevations will be establish as necessary during the development review stages of the project in accordance with the Escambia County Land Development Code.

OBJ CON 1.1 General Resource Management

Effectively manage the natural resources of Escambia County through sound conservation principles.

POLICIES

CON 1.1.2 **Wetland and Habitat Indicators.** Escambia County has adopted and will use the National Wetlands Inventory Map, the Escambia County Soils Survey, and the FFWCC Land Satellite (LANDSAT) imagery as indicators of the potential presence of wetlands or listed wildlife habitat in the review of applications for development approval.

RESPONSE: Existing inventory maps indicate that an area in the northwestern portion of the site contain jurisdictional wetlands. This is verified in the Jurisdictional Wetland Assessment performed by BIOME Consulting Group, dated, April 7, 2020. Based on their wetland jurisdictional determination, they have determined that the site appears to have approximately 84.11-acres of uplands and 3.93-acres of wetlands and other jurisdictional waters. Their site visit documented the wetlands within the jurisdiction of the COE and WMD/FDEP. **(See Supplement)** As shown on the preliminary site layout, this area is being completely avoided and will remain in its natural state.

OBJ CON 1.3 Surface Water Resources

Protect and improve the quality, biological health, and natural function of all surface water systems to preserve their ecological and aesthetic values.

POLICIES

CON 1.3.1 **Stormwater Management.** Escambia County will protect surface water quality by implementing the stormwater management policies of the Infrastructure Element to improve existing stormwater management systems and ensure the provision of stormwater

RESPONSE: Plans depicting stormwater management and treatment will be submitted to Escambia County for review and approval to assure compliance with this requirement.

OTHER: The site is not located within any designated Area of Critical State Concern.

RECREATION AND OPEN SPACE

The Southwest Escambia Sports Complex is located at 2020 Bauer Rd, Pensacola, FL 32506 ½ south of Lilian Highway on Bauer Road.

This 17-field athletic complex is the home for all of Perdido Youth sports. Baseball, Softball, Soccer, and Football fields comprise the athletic fields, and the park also offers a playground and pavilions.

Re: Jurisdictional Wetland Assessment – Herons Landing, +/- 88.24 acres
Escambia County Parcel: 25-2S-31-1303-000-000

Dear Mr. Conner,

Biome Consulting Group, LLC (Biome) has completed a jurisdictional wetlands and waters assessment of the above referenced property. Our assessment included an analysis of vegetative cover and composition, wetland hydrology indicators and hydric soil indicators in accordance with state and federal procedural guidelines. The following is meant to be used as a brief summary of site results and the regulatory agencies' potential involvement with this property.

The site was found to contain approximately **84.11-acres of uplands and 3.93-acres of wetlands and other waters** within the jurisdiction of state and federal agencies. Please note that these calculations are based on an inspection boundary provided by the Escambia County property appraiser and an actual boundary survey may result in slightly different calculations. The jurisdictional boundaries were alphanumerically flagged with pink surveyor's tape, located via Trimble Geo7x GPS, and is depicted on the enclosed map using ArcMap 10.5 software. The following is a summary of our observations relating to the jurisdictional determination:

1. **General Observations:** The site is an 88.24-acre parcel that comprised the former Greyhound Race Track/Poker Room, which is currently closed. Remnants of the operation are still present;

2. **Vegetation:** The wetland area is dominated by slash pine, cypress, sweetbay magnolia, red maple, wax myrtle, cinnamon fern, pitcher plants, and bog buttons, and the upland area is dominated by longleaf pine, saw palmetto, live oak, blueberry, bracken fern, and gopher apple;

3. **Soils:** The soil survey indicates that the property is underlain by and Hurricane Sand (non-hydric), Foxworth (non-hydric), and Dorovan muck (hydric), which was confirmed by on-site soil pit excavation. Dark surface and redox were present in the wetland areas of the site;

4. **Hydrology:** Indicators of wetland hydrology include buttressing and multi-trunking.

FEDERAL JURISDICTION - U.S. ARMY CORPS OF ENGINEERS

The Federal agency responsible for regulating wetlands is the U.S. Army Corps of Engineers (COE). Technical guidelines outlined in the US Army Corps of Engineers Wetlands Delineation Manual (1987) were applied in the field for determining the presence and location of jurisdictional wetlands on the above referenced property.

Results: All parameters necessary for the COE to exert jurisdiction are present on the site. Please contact Biome for permitting guidance and suggestions.

Section 404 of the Clean Water Act (33 USC 1344) requires authorization from the Secretary of the Army, acting through the COE, for the discharge of dredged or fill material into all waters of the United States, including wetlands. Discharges of fill material generally include, without limitation: placement of fill that is necessary for the construction of any structure, or impoundment requiring rock, sand, dirt, or other material for its construction; site-development fills for recreational, industrial, commercial, residential, and other uses; causeways or road fills; dams and dikes; artificial islands; property protection or reclamation devices such as riprap, groins, seawalls, breakwaters, and revetments; beach nourishment; levees; fill for intake and outfall pipes and sub-aqueous utility lines; fill associated with the creation of ponds; and any other work involving the discharge of fill or dredged material. A COE permit is required whether the work is permanent or temporary.

The basic premise of the dredge and fill program is that no discharge of dredged or fill material may be permitted if: (1) a practicable alternative exists that is less damaging to the aquatic environment or (2) the nation's waters would be significantly degraded. What this means is when you apply for a permit, you must show that you have, to the extent practicable:

- Reasonably avoided all wetland impacts;
- Minimized potential impacts on wetlands; and
- Provide compensation for any remaining unavoidable impacts.

STATE JURISDICTION - STATE OF FLORIDA

The State agencies responsible for regulating wetlands are the Florida Department of Environmental Protection (FDEP) and Northwest Florida Water Management District (WMD).

Results: All parameters necessary for the FDEP/WMD to exert jurisdiction are present on the site. Please contact Biome for permitting guidance and suggestions.

Similar to COE requirements, dredge and/or fill activities waterward of State's limits will require a permit under the Environmental Resource Permitting (ERP) program, Section 373, F.S., Chapters 62-4, 62-340 and 62-330, F.A.C. There is a state application permitting fee (based on acreage) and mitigation is usually required for permanent wetland impacts. Typically, permits are issued within 90 days of complete application. Please contact Biome for permitting guidance and suggestions or visit http://www.biome.co/

CONCLUSION

Based on our wetland jurisdictional determination, we have determined that the site appears to have approximately **84.11-acres of uplands and 3.93-acres of wetlands and other jurisdictional waters**. Our site visit documented wetlands within the jurisdiction of the COE and WMD/FDEP. Any proposal to impact wetlands will require permits from the applicable agencies. Please contact Biome for permitting guidance and suggestions.

A wetland delineation performed by an ecological consultant represents the professional opinion of the scientist that performed the work. The results of this jurisdiction are based on the professional opinion and experience of an environmental consultant. This report is intended for the sole use by the above listed addressee. Its contents may not be relied upon by other parties without the written consent of Biome Consulting Group.

This concludes our assessment of the target property. If you require additional information, assistance, or clarification, please give us a call at 850.435.9367 or visit http://www.biome.co/. We look forward to assisting you in the future.

Sincerely,
Biome Consulting Group

Pensacola Greyhound Track discontinues live dog races

Kevin Robinson, Pensacola News Journal Published 1:32 p.m. CT Jan. 31, 2019

The Pensacola Greyhound Track & Poker Room is discontinuing its live greyhound racing. *(Photo: Getty Images/Flickr Select)*

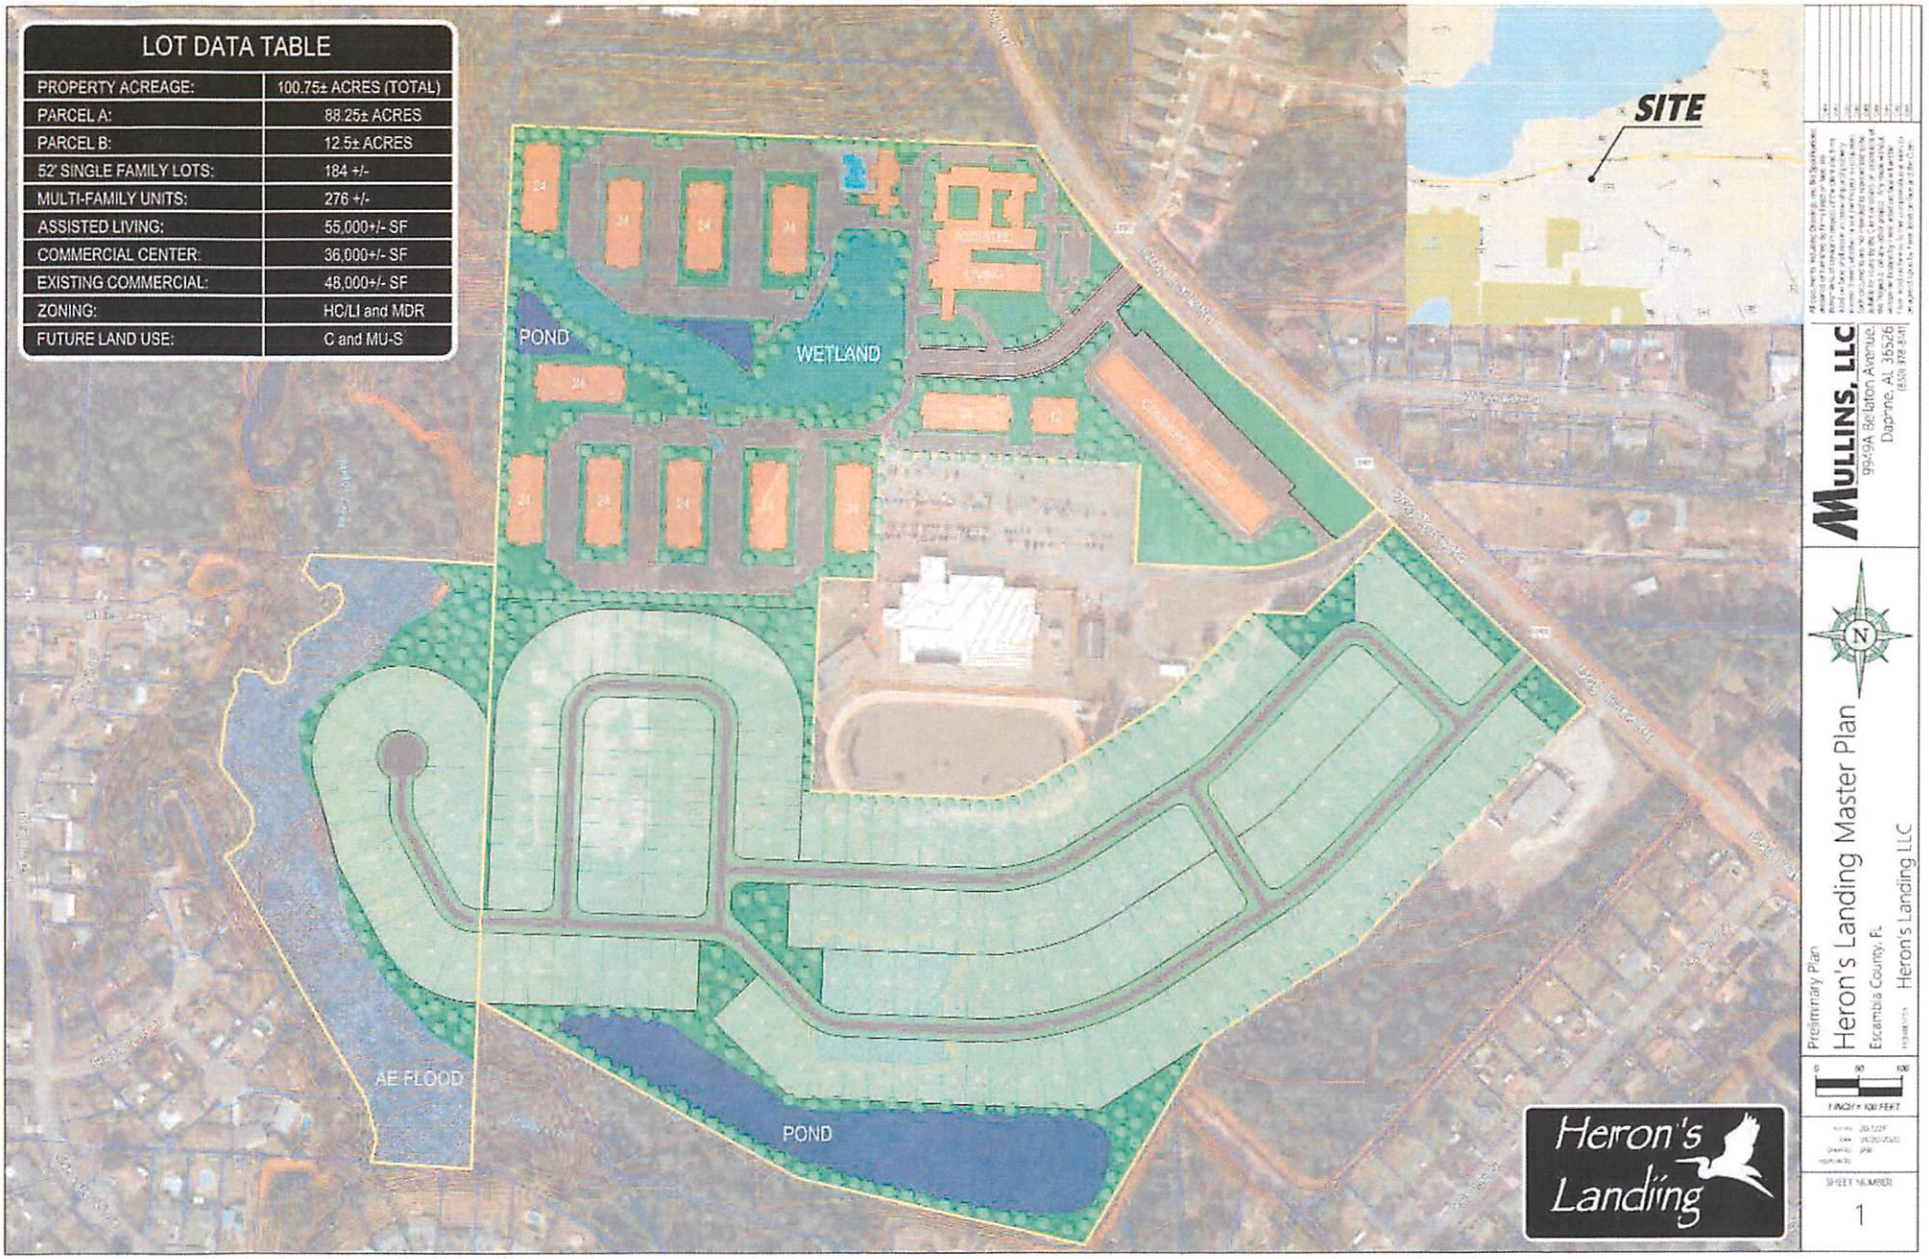
There will be no more live dog races in Pensacola.

The Pensacola Greyhound Track & Poker Room's fall greyhound racing season ended Sept. 30, 2018, and races were supposed to resume Jan. 18, 2019. However, in November, Florida voters passed an amendment that will phase out live greyhound races statewide by 2021, so Pensacola track owner, PCI Gaming, has opted not to resume live races.

"The transition is complete and all team members impacted by the change were offered new job placement within the company," said an emailed statement from a PCI Gaming representative. "With the help of national partners, all greyhounds were successfully placed in good care."

Conclusion

88 +/- Acre former Pensacola Greyhound Parcel



Mixed Used Development

Pensacola, Florida

We believe the afore presented report sufficiently demonstrates that our request described herein be granted the change of Future Land Use to **MU-U**. We have provided the normal practices and normal standard of care in analyzing this criteria and addressed criteria set forth as follows:

1. Our comparative analysis of the impact of both the current and the proposed future land use categories on the following items adequately demonstrate consistency with the Comprehensive Plan for:
    A. Sanitary Sewer
    B. Solid Waste Disposal
    C. Potable Water
    D. Stormwater Management
    E. Traffic
    F. Recreation and Open Space
    G. Schools
2. The data and analysis also supports the requested future land use category by reflecting a need for that category. This is demonstrated by the closure of the previous use as the Pensacola Greyhound Park and converting to a mixed-use development consistent with the current development trends.
3. Proximity to and impact on the following:
    A. Wellheads (no wellhead locations within 2 miles of site).
    B. Historically significant sites (available from Florida Master Site File, Division of Historical Resources; email sitefile@dos.state.fl.us) Requested.
    C. Natural Resources, including wetlands **(See Supplement).**
4. Analysis of consistency with the Escambia County Comprehensive Plan included in this report.
5. Applicable sections referenced and addressed herein.

Thank you for consideration of our application and the documentation supporting our request.

RE: Heron's Landing
951 Dog Track Road
Pensacola, Florida 32506
Letter of Capacity Reservation

Dear Mr. Rector:

ECUA is in receipt of your inquiry concerning the availability of ECUA service/s for the above-referenced project. ECUA provides Potable Water Production Well and/or Wastewater Treatment Plant Capacity Letters exclusively to assist with your permitting efforts through Escambia County's development and concurrency review process. The administration of the concurrency review process is the sole responsibility of Escambia County, and ECUA plays no role in it.

For the purpose of concurrency review only, ECUA anticipates no problems in potable water production well capacity or wastewater treatment plant capacity for the flow rates indicated on your inquiry/request form. This letter is valid for a period not to exceed one (1) year from the date of issuance.

This letter does not guarantee that ECUA's existing water distribution or sanitary sewer collection infrastructure (mains, lift stations, etc.) in the area of your project are sufficient to serve your project; instead, this letter solely addresses potable water production well capacity and/or wastewater treatment plant capacity. Therefore, the project referenced above may require various extensions, additions, upgrades, and/or modifications to the existing ECUA water and/or sewer infrastructure that you, as the Developer, may be required to pay for and install as part of your project.

All extensions, additions, upgrades, and/or modifications to the potable water or sewer collection systems to serve this project must be designed, approved and constructed in accordance with ECUA's policies, procedures, and all applicable permitting requirements. Please submit your project to ECUA Engineering so we can work with your Engineer of Record to evaluate your project's potable water distribution and sanitary sewer collection system needs.

Sincerely,

Stacy N. Hayden, PE
Director of Engineering/ECUA

Comprehensive Plan
Large-Scale Future Land Use Map Amendment
Staff Analysis

General Data

Project Name:	LSA 2020-02– Amending the Comprehensive Plan, Chapter 7, 2030 FLU map.
Location:	951 Dog Track Road
Parcel #s:	25-2S-31-1303-000-000
Acreage:	88.24 (+/-) acres.
Request:	Commercial (C) to Mixed-Use Urban (MU-U).
Agent:	**Joe A. Rector, Jr. -VP Mullins LLC, Agent for** Pensacola Greyhound Racing LLP, Brent Pinkston.
Meeting Dates:	Planning Board, July 6, 2020 BCC August 6, 2020 (Transmittal)

Site Description and Summary of Proposed Amendment:

The parcel is located on the west side of Dog Track Road about .25 miles (+/-) south of the intersection West Highway 98/Lillian Highway and 1.5 miles (+/-) north of Blue Angle Parkway.

Commercial. "Intended for professional office, retail, wholesale, service and general business trade. Residential development may be permitted only if secondary to a primary commercial development." "Range of Allowable Uses: Residential, retail and services, professional office, light industrial, recreational facilities, public and civic." The FLU has a maximum residential density of 25 du/acre and a maximum floor area ratio (FAR) of 1.0.

Mixed-Use Urban. "Intended for an intense mix of residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses within the category as a whole." The range of allowable uses is "residential, retail and services, professional office, light industrial, recreational facilities, public and civic." The FLU has a maximum residential density of 25 du/acre and a maximum floor area ratio (FAR) of 2.0.

Analysis of Availability of Facilities and Services:

The availability of public facilities and services for the site of a Future Land Use map amendment requires analysis of the general demands of its proposed use. All specific level of service (LOS) standards established by Escambia County are evaluated for

compliance during the review processes prescribed by the LDC for approval of proposed development.

Sanitary Sewer Service.

CP Policy INF 1.1.7 Level of Service (LOS) Standards. *Average LOS standard for wastewater service is 210 gallons per residential connection per day, and the peak LOS will be 350 gallons per residential connection per day. For nonresidential uses, the LOS requirements will be based upon an Equivalent Residential Connection (ERC), as may be recalculated by the service provider from time to time, and on the size of the nonresidential water meter. Escambia County will continue to work with the water providers to ensure that adequate capacity is available.*

CP Policy INF 1.1.11 Required New Service Connection. *All new structures intended for human occupancy will connect to the ECUA wastewater system unless ECUA has determined that it is not feasible to provide wastewater service to the proposed structures. Those structures not required to connect to the ECUA wastewater system will not be issued a building permit until the applicant has obtained the appropriate permit from the Health Department.*

Analysis: The subject property is within the service area of the Emerald Coast Utility Authority (ECUA) for sanitary sewer. The applicant provided in their application that an ECUA lift station will be required for the development. ECUA currently already provides water and sanitation to the existing structures on site. ECUA anticipates no problems in potable water production well capacity or wastewater treatment plant capacity for the flow rates. Any new proposed development will have a complete reviewed during the Development Review Process, as well must be designed, approved and constructed in accordance with ECUA's policies, procedures, and all applicable permitting requirements.

Solid Waste Disposal.

CP Policy INF 2.1.2 Perdido Landfill Operation. *Escambia County will provide and operate the Perdido Landfill so as to accommodate the municipal solid waste disposal needs of the entire County.*

CP Policy INF 2.1.4 Level of Service (LOS) Standards. *The LOS standard for solid waste disposal will be 6 pounds per capita per day.*

Analysis: Escambia County continues to maintain its adopted solid waste LOS commitments. The Department of Waste Services reported in its 2018 solid waste LOS analysis that the current build-out for disposal at the Perdido Landfill will provide solid waste disposal capacity through 2045.

Potable Water Service.

CP Policy INF 4.1.4 Concurrency Management. *Escambia County will ensure the provision of potable water facilities concurrent with the demand for such facilities but no later than the certificate of occupancy, as created by development or redevelopment through the implementation of the Concurrency Management System.*

CP Policy INF 4.1.6 Developer Responsibility. *The cost of water line extensions made necessary by new development will be the responsibility of the developer unless otherwise funded by the service provider.*

CP Policy INF 4.1.7 Level of Service (LOS) Standards. *The LOS standard for potable water service within Escambia County will be 250 gallons per residential connection per day. For non-residential uses, the LOS requirements will be based upon an Equivalent Residential Connection (ERC) to be calculated by the service provider at the time of application. Escambia County will continue to work with the water providers to ensure that adequate capacity is available.*

Analysis: Based on the applicant's documentation the parcel is under the ECUA service area; the applicant did submit a letter from ECUA assuring there is capacity reservation availability from ECUA. Any proposed development will submit for a complete review and obtain approval from the Development Review Committee.

Stormwater Management.

CP Policy INF 3.1.5 Concurrency Management. *Escambia County will ensure the provision of stormwater management facilities concurrent with the demand for such facilities as created by development or redevelopment through implementation of the Concurrency Management System.*

CP Policy INF 3.1.6 Developer Responsibilities. *Installation of stormwater management facilities made necessary by new development will be the responsibility of the developer.*

CP Policy INF 3.1.7 Level of Service (LOS) Standards. *Stormwater management LOS will be monitored through the provisions in the LDC design standards.*

Analysis: Compliance with adopted stormwater management provisions that implement these policies would be reviewed and confirmed prior to any site development plan approval, regardless of the proposed FLU change or use.

Streets and Access.

CP Policy MOB 1.1.1 Level of Service (LOS) Standards. *Levels of Service (LOS) will be used to evaluate facility capacity. Escambia County will adopt LOS standards for all roadways as indicated in the LDC. The standards for SIS facilities may be revised based on changes to the federal classification of these roadways. These standards are not regulatory but provide a basis by which the County may monitor congestion and coordinate needed improvements with FDOT.*

Analysis: The parcel fronts Dog Track Road which is a Escambia County maintained road, classified as a major collect roadway. Any new development will have to apply for review and approval thru the Development Review Committee.

Transportation & Traffic Operations (TTO) Comments – LSA-2020-01

TTO Staff has reviewed LSA-2020-02, 951 Dog Track Road. The requested Future land use change is from Commercial (C) to Mixed Use – Urban (MU-U) and is

scheduled for the July 6, 2020 Planning Board Meeting. Please see the below comments.

This segment of Dog Track Road has a two-lane typical section with two 12 foot travel lanes and a six foot wide path on the west side of the road. Dog Track Road has an approximate right-of-way width of 100 feet. The County does not have any proposed improvement projects scheduled for Dog Track Road in this area.

Per the Florida-Alabama TPO's Congestion Management Process Plan, Dog Track Road is classified as a major collector with a maximum LOS of D and a corresponding daily volume threshold of 17,700. Near the subject property, the daily volume on Dog Track Road for 2019 was recorded as 6,400.

TTO's review is solely based off the application submittal packet, so the comments above hold no bearing on any future TTO comments during the Development Review process.

Facilities.

CP Policy ICE 1.3.1 Interlocal Agreement for Public School Facility Planning. *In cooperation with the School Board and the local governments within Escambia County, the County will implement the Interlocal Agreement for Public School Facility Planning (herein Interlocal Agreement) that establishes procedures for coordination and sharing of information, planning processes, and implementation.*

Analysis: Based on the public records of Escambia County, the assigned schools that service this area are Blue Angels Elementary, Bailey Middle School and Escambia High School. The applicant has requested a letter from the Escambia County School District Facilities Planning Director, stating that capacity for this project meets the School Level of Service requirements.

Analysis of Suitability of Amendment for Proposed Use:

The suitability of a Future Land Use map amendment for its proposed use requires an analysis of the characteristics of the site and its resources relative to Comprehensive Plan (CP) goals, objectives, and policies. For these purposes, suitability is the degree to which the existing characteristics and limitations of land and water are compatible with the proposed use or development. Compliance with specific regulations and standards established by Escambia County, including those for public facilities and services, are evaluated during the development review processes prescribed by the LDC for approval of proposed development.

Impact on Land Use.

CP Policy FLU 1.3.1 Future Land Use Categories. *General descriptions, range of allowable uses, and residential densities and non-residential intensities for all future land use categories in Escambia County are outlined in Table 1* [of the Escambia County Comprehensive Plan].

Analysis:

The referenced Comprehensive Plan table describes the current Commercial FLU as intended for professional office, retail, wholesale, service and general business trade. Residential development may be permitted only if secondary to a primary commercial development. MU-U FLU as intended for an intense mix of residential and non-residential uses while promoting compatible infill development and the separation of urban and suburban land uses within the category. Residential density is limited to 25 dwelling units per acre. If the amendment is approved the proposed Future Land Use to MU-U would be consistent with the existing zoning; there would be a decrease on the intensity of the development, but it would potentially accommodate a proposed residential development and mixed-use development that would be compatible with the surrounding uses.

Impact on Wellheads.

CP Policy CON 1.4.1 Wellhead Protection. *Escambia County will provide comprehensive wellhead protection from potential adverse impacts to current and future public water supplies. The provisions will establish specific wellhead protection areas and address incompatible land uses, including prohibited activities and materials, within those areas.*

Analysis: Based on the GIS wellhead protection areas layer, there are no wellhead protection areas within the parcel. Any new development will have to submit for Development Review Process.

Impact on Historically Significant Sites.

CP Policy FLU 1.2.1 State Assistance. *Escambia County will utilize all available resources of the Florida Department of State, Division of Historical Resources in the identification of archeological and/or historic sites or structures within the County and will utilize guidance, direction, and technical assistance received from this agency.*

Analysis: The county did not receive a letter from the Historical Resources, Florida Master File. A request was made by the applicant. At the time of development review if any historic or archeological resources or structures are discovered, the county will request the appropriate guidance, direction, and technical assistance from the State, in accordance with current regulations.

Impact on the Natural Environment.

CP Policy CON 1.1.2 Wetland and Habitat Indicators. *Escambia County has adopted and will use the National Wetlands Inventory Map, the Escambia County Soils Survey, and the Florida Fish and Wildlife Conservation Commission's (FFWCC) LANDSAT imagery as indicators of the potential presence of wetlands or listed wildlife habitat in the review of applications for development approval.*

CP Policy CON 1.1.6 Habitat Protection. *Escambia County will coordinate with the FDEP, FFWCC, and other state or federal agencies so as to provide the fullest protection to marine or wildlife habitats that may be impacted by existing or proposed development within the County.*

CP Policy CON 1.3.1 Stormwater Management. *Escambia County will protect surface water quality by implementing the stormwater management policies of the Infrastructure Element to improve existing stormwater management systems and ensure the provision of stormwater management facilities concurrent with the demand for such facilities.*

CP Policy CON 1.3.6 Wetland Development Provisions. *Development in wetlands will not be allowed unless sufficient uplands do not exist to avoid a taking. In this case, development in wetlands will be restricted to allow residential density uses as indicated by the LDC:*

CP Policy CON 1.6.3 Tree Protection. *Escambia County will protect trees through LDC provisions.*

Analysis: The applicant stated that wetlands on-site have been identified and delineated. The applicant understands and will comply with the design and permitting processes requirements during the Site Plan Review process.

Urban Sprawl

CP Objective FLU 1.3 Future Land Use Map Designations. *Designate land uses on the FLUM to discourage urban sprawl, promote mixed use, compact development in urban areas, and support development compatible with the protection and preservation of rural areas.*"

Analysis: The proposed FLU amendment would promote mixed uses in the urban areas, with compatible development.

CP Policy FLU 2.2.1 Location. Public facilities and services will be located to minimize their cost and negative impacts on the natural environment and maximize their efficiency. Cost alternatives, impacts on the environment, and levels of efficiency will be discussed during the design phase and bid process utilized by the County to accomplish the installation or location of public facilities and/or services. In addition, the County will coordinate with the ECUA, other water and/or sewer providers, and state or federal agencies with facilities located in the County or with plans to expand existing facilities or create new facilities in the County. Among other things, it is the intent of this policy that public facilities and services are available to support the densities and intensities of uses provided by this Plan and the FLUM and that there is adequate and suitable land available for such utility facilities.

CP Policy FLU 2.2.4 Existing Facilities. Prior to embarking on the construction of new capital improvements, Escambia County will consider the feasibility of upgrading or rehabilitating existing facilities to determine if the rehabilitation of present facilities would be in the best interest of the County and its citizens.

Analysis: The applicant has stated the development of the site would result in roadways that meet the Escambia County Engineering Manuals Specifications for roadways of which the rights-of-ways would be dedicated to Escambia County. There were no capacity letters from supporting agencies addressing the availability of public services. Any new proposed project will be required to meet the current regulations, as

it relates to the availability of public services to support the requested densities and intensities.

ORDINANCE NUMBER 2020-___

AN ORDINANCE OF ESCAMBIA COUNTY, FLORIDA, AMENDING PART II OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, THE ESCAMBIA COUNTY COMPREHENSIVE PLAN: 2030, AS AMENDED; AMENDING CHAPTER 7, "THE FUTURE LAND USE ELEMENT," POLICY FLU 1.1.1, TO PROVIDE FOR AN AMENDMENT TO THE 2030 FUTURE LAND USE MAP, CHANGING THE FUTURE LAND USE CATEGORY OF A PARCEL, WHICH IS LOCATED WITHIN SECTION 25, TOWNSHIP 2S, RANGE 31W, AND WHICH IS IDENTIFIED AS PARCEL ID NUMBER 25-2S-31-1303-000-000 TOTALING 88.24(+/-) ACRES, LOCATED ON DOG TRACK ROAD, FROM COMMERCIAL (C) TO MIXED USE URBAN (MU-U); PROVIDING FOR A TITLE; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Chapter 163, Part II, Florida Statutes, Escambia County adopted its Comprehensive Plan on April 29, 2014; and

WHEREAS, Chapter 125, Florida Statutes, empowers the Board of County Commissioners of Escambia County, Florida to prepare, amend and enforce comprehensive plans for the development of the County; and

WHEREAS, the Escambia County Planning Board conducted a public hearing and forwarded a recommendation to the Board of County Commissioners to consider changes (amendments) to the Comprehensive Plan; and

WHEREAS, the Board of County Commissioners of Escambia County, Florida finds that the adoption of this amendment is in the best interest of the County and its citizens;

NOW, THEREFORE, BE IT ORDAINED by the Board of County Commissioners of Escambia County, Florida, as follows:

Section 1. Purpose and Intent

This Ordinance is enacted to carry out the purpose and intent of, and exercise the authority set out in, the Community Planning Act, Sections 163.3161 through 163.3215, Florida Statutes.

Section 2. Title of Comprehensive Plan Amendment

This Comprehensive Plan amendment shall be entitled – "Large Scale Amendment 2020-02."

Section 3. Changes to the 2030 Future Land Use Map

The 2030 Future Land Use Map, as adopted by reference and codified in Part II of the Escambia County Code of Ordinances, the Escambia County Comprehensive Plan: 2030, as amended; Chapter 7, "Future Land Use Element," Policy FLU 1.1.1; and all notations, references and information shown thereon, is further amended to include the following future land use changes:

(A) A parcel of land which is located within Section 25, Township 2S, Range 31W, parcel number 25-2S-31-1303-000-000 and totaling 88.24 (+/-) acres, located on 951 Dog Track Road, as more particularly described in the Boundary Survey produced by Merrill Parker Shaw, Inc., E. Wayne Parker, a registered Florida land surveyor, dated 03/10/2010, attached as Exhibit A, from Commercial (C) to Mixed-Use Urban (MU-U).

Section 4. Severability

If any section, sentence, clause or phrase of this Ordinance is held to be invalid or unconstitutional by any Court of competent jurisdiction, the holding shall in no way affect the validity of the remaining portions of this Ordinance.

Section 5. Inclusion in the Code

It is the intention of the Board of County Commissioners that the provisions of this Ordinance shall be codified as required by Section 125.68, Florida Statutes, and that the sections, subsections and other provisions of this Ordinance may be renumbered or relettered and the word "ordinance" may be changed to "section," "article," or such other appropriate word or phrase in order to accomplish such intentions.

THIS SPACE INTENTIONALLY BLANK

Section 6. Effective Date

Pursuant to Section 163.3184(3)(c)(4), Florida Statutes, this Ordinance shall not become effective until 31 days after the Department of Economic Opportunity notifies Escambia County that the plan amendment package is complete. If timely challenged, this Ordinance shall not become effective until the Department of Economic Opportunity or the Administration Commission enters a final order determining the Ordinance to be in compliance.

DONE AND ENACTED this_____ day of _____, 2020.

ORDINANCE NUMBER 2020-___

AN ORDINANCE OF ESCAMBIA COUNTY, FLORIDA, AMENDING PART II OF THE ESCAMBIA COUNTY CODE OF ORDINANCES, THE ESCAMBIA COUNTY COMPREHENSIVE PLAN: 2030, AS AMENDED; AMENDING CHAPTER 7, "THE FUTURE LAND USE ELEMENT," POLICY FLU 1.1.1, TO PROVIDE FOR AN AMENDMENT TO THE 2030 FUTURE LAND USE MAP, CHANGING THE FUTURE LAND USE CATEGORY OF A PARCEL, WHICH IS LOCATED WITHIN SECTION 25, TOWNSHIP 2S, RANGE 31W, AND WHICH IS IDENTIFIED AS PARCEL ID NUMBER 25-2S-31-1303-000-000 TOTALING 88.24(+/-) ACRES, LOCATED ON DOG TRACK ROAD, FROM COMMERCIAL (C) TO MIXED USE URBAN (MU-U); PROVIDING FOR A TITLE; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Chapter 163, Part II, Florida Statutes, Escambia County adopted its Comprehensive Plan on April 29, 2014; and

WHEREAS, Chapter 125, Florida Statutes, empowers the Board of County Commissioners of Escambia County, Florida to prepare, amend and enforce comprehensive plans for the development of the County; and

WHEREAS, the Escambia County Planning Board conducted a public hearing and forwarded a recommendation to the Board of County Commissioners to consider changes (amendments) to the Comprehensive Plan; and

WHEREAS, the Board of County Commissioners of Escambia County, Florida finds that the adoption of this amendment is in the best interest of the County and its citizens;

NOW, THEREFORE, BE IT ORDAINED by the Board of County Commissioners of Escambia County, Florida, as follows:

Section 1. Purpose and Intent

This Ordinance is enacted to carry out the purpose and intent of, and exercise the authority set out in, the Community Planning Act, Sections 163.3161 through 163.3215, Florida Statutes.

Section 2. Title of Comprehensive Plan Amendment

This Comprehensive Plan amendment shall be entitled – "Large Scale Amendment 2020-02."

Section 3. Changes to the 2030 Future Land Use Map

The 2030 Future Land Use Map, as adopted by reference and codified in Part II of the Escambia County Code of Ordinances, the Escambia County Comprehensive Plan: 2030, as amended; Chapter 7, "Future Land Use Element," Policy FLU 1.1.1; and all notations, references and information shown thereon, is further amended to include the following future land use changes:

(A) A parcel of land which is located within Section 25, Township 2S, Range 31W, parcel number 25-2S-31-1303-000-000 and totaling 88.24 (+/-) acres, located on 951 Dog Track Road, as more particularly described in the Boundary Survey produced by Merrill Parker Shaw, Inc., E. Wayne Parker, a registered Florida land surveyor, dated 03/10/2010, attached as Exhibit A, from Commercial (C) to Mixed-Use Urban (MU-U).

Section 4. Severability

If any section, sentence, clause or phrase of this Ordinance is held to be invalid or unconstitutional by any Court of competent jurisdiction, the holding shall in no way affect the validity of the remaining portions of this Ordinance.

Section 5. Inclusion in the Code

It is the intention of the Board of County Commissioners that the provisions of this Ordinance shall be codified as required by Section 125.68, Florida Statutes, and that the sections, subsections and other provisions of this Ordinance may be renumbered or relettered and the word “ordinance” may be changed to “section,” “article,” or such other appropriate word or phrase in order to accomplish such intentions.

THIS SPACE INTENTIONALLY BLANK

Section 6. Effective Date

Pursuant to Section 163.3184(3)(c)(4), Florida Statutes, this Ordinance shall not become effective until 31 days after the Department of Economic Opportunity notifies Escambia County that the plan amendment package is complete. If timely challenged, this Ordinance shall not become effective until the Department of Economic Opportunity or the Administration Commission enters a final order determining the Ordinance to be in compliance.

Recommendation Concerning the Renewal to the Memorandum of Understanding and Infrastructure Funding Agreement with CareerSource Escarosa and the Department of Education, Division of Vocational Rehabilitation - Clara Long, Neighborhood & Human Services Department Director

That the Board take the following action concerning the Memorandum of Understanding and Infrastructure Funding Agreement:

A. Approve the renewal Memorandum of Understanding between CareerSource Escarosa and Florida Department of Education, Division of Vocational Rehabilitation. The Workforce Innovation and Opportunity Act (WIOA), Public Law 113-128 requires that Local Workforce Development Boards, with the agreement of the Chief Elected Officials, develop and enter into MOU with the local Board and the one-stop partners. The MOU renewal will become effective the date of the executed signature through June 30, 2023;

B. Approve the Infrastructure Funding Agreement (IFA) for the One-Stop Career Center System between CareerSource Escarosa (formerly Workforce Escarosa, Inc.) and Department of Education, Division of Vocational Rehabilitation. The IFA is made pursuant to the Workforce Innovation and Opportunity Act (WIOA) of 2014. The IFA will become effective the date of the executed signature through June 30, 2023; and

C. Authorize the Chairman to sign the renewal Memorandum of Understanding and Infrastructure Funding Agreement and any additional documents associated with the process.

BACKGROUND:

In accordance the Workforce Innovation and Opportunity Act (WIOA), Public Law 113-126 requires that the Local Workforce Development Boards, with the agreement of the Chief Elected Officials, develop and enter into Memorandums of Understanding (MOU) with the local Board and the one-stop partners. The Infrastructure Funding Agreement (IFA) is made pursuant to the Workforce Innovation and Opportunity Act (WIOA) of 2014.

The MOU is made pursuant to the Rehabilitation Act of 1973, 29 U.S.C. S721(a) (11) and the Workforce Innovation and Opportunity Act of 2014, (WIOA) and is entered into by the Department of Education, Division of Rehabilitation (hereafter referred to as the Partner) and CareerSource Escarosa dba Workforce Escarosa, Inc (hereafter referred to as "CareerSource"), and the Chief Elected Officials of Escambia.

The initial MOU and Infrastructure Funding Agreement (IFA -Attachment to the MOU) between the Florida Department of Education - Division of Vocational Rehabilitation (VR) and CareerSource Escarosa was signed by Escambia County on October 17, 2017, and May 18, 2018, respectively. The terms set by VR stated, "This MOU is effective July 1, 2017, through June 30, 2020, and may be renewed for an additional three-year term," and "This IFA will become effective as of the date of signing by the final signatory and must terminate on June 30, 2020."

CareerSource Escarosa and its one-stop partner will continue to provide collaborative referrals between partners for appropriate services and activities, as well as methods to ensure the needs of workers and youths, including individuals with barriers to employment, have access to services through the one-stop delivery systerm. CareerSource Escarosa will serve as for the Workforce Innovation and Opportunity Act (WIOA) partner meetings.

Board Chairman

Marcus L. McBride, PhD
Chief Executive Officer

CareerSource Escarosa Item for Approval

Florida Department of Education, Division of Vocational Rehabilitation (VR) Memorandum of Understanding (MOU) and Infrastructure Funding Agreement (IFA) Renewal

Description: The Workforce Innovation and Opportunity Act (WIOA), Public Law 113-128 requires that Local Workforce Development Boards, with the agreement of the Chief Elected Officials, develop and enter into Memorandums of Understanding (MOU) with the local board and the one-stop partners. The Infrastructure Funding Agreement (IFA) is made pursuant to the Workforce Innovation and Opportunity Act (WIOA) of 2014.

Requested action: That the County Commissioners of Escambia and Santa Rosa County approve the Florida Department of Education – Division of Vocational Rehabilitation MOU and IFA.

The initial MOU and Infrastructure Funding Agreement (IFA - Attachment to the MOU) between the Florida Department of Education – Division of Vocational Rehabilitation (VR) and CareerSource Escarosa was signed by Escambia County on October 17, 2017 and May 18, 2018, respectively. The terms set by VR stated, "This MOU is effective July 1, 2017 through June 30, 2020, and may be renewed for an additional three-year term," and "This IFA will become effective as of the date of signing by the final signatory and must terminate on June 30, 2020."

The County signed MOU No. IA-767, Amendment No. 2, Renewal No. 1 on July 21, 2020, but Vocational Rehabilitation nulled and void it due to timing to fully execute the document and issued a new MOU (No. SA-274) and Infrastructure Funding Agreement, which is attached for approval and signature.

Authority
Workforce Innovation and Opportunity Act (WIOA), Public Law 113-128
Workforce Innovation and Opportunity Act (WIOA) of 2014

MEMORANDUM OF UNDERSTANDING
BETWEEN
CAREERSOURCE ESCAROSA d/b/a
WORKFORCE ESCAROSA
AND
FLORIDA DEPARTMENT OF EDUCATION
DIVISION OF VOCATIONAL REHABILITATION
NO.: SA-274

I. PARTIES

This Memorandum of Understanding ("MOU"), is made pursuant to Rehabilitation Act of 1973, 29 U.S.C. §721(a)(11) and the Workforce Innovation and Opportunity Act of 2014 (WIOA), and is entered into by the Department of Education, Division of Vocational Rehabilitation (hereafter referred to as the Partner) and CareerSource Escarosa d/b/a/ Workforce Escarosa, Inc (hereafter referred to as "CareerSource"), and the Chief Elected Officials of Escambia and Santa Rosa County.

II. PURPOSE

The Workforce Innovation and Opportunity Act of 2014 is an affirmation of the work that has been done in Florida to build the workforce development system. The cornerstone of the Act is its one- stop customer service delivery system. TheOne-stop System assures coordination between the activities authorized in and linked to this Act.

The purpose of this MOU is to describe the cooperative workforce training, employment and economic development efforts of CareerSource and the Partner and the actions to be taken by each to assure the coordination of their efforts in accordance with state issued requirements in order to establish and maintain an effective and successful One-stop System.

This agreement is intended to coordinate resources and to prevent duplication and ensure the effective and efficient delivery of workforce services in Escambia and Santa Rosa Counties. In addition, this agreement will establish joint processes and procedures that will enable the Partner to integrate with the current one-stop service delivery system resulting in a seamless and comprehensive array of education, human service, job training, and other workforce development services to persons with disabilities within the region.

The parties to this document agree to coordinate and perform the activities and services described herein within the scope of legislative requirements governing the parties' respective programs, services, and agencies.

III. PROVISION OF SERVICES

A. The local area workforce board and the Chief Elected Officials of Escambia and Santa Rosa County have designated CareerSource to act as the administrative entity, grant recipient and fiscal agent for this area. CareerSource will perform the following functions:

1. Review this MOU annually and solicit feedback from the Partner regarding improvements, changes, and/or additions.

2. Coordinate with the Partner to provide access to workforce services and programs through the One-stop System in accordance with published policies and procedures which include the manner in which the services will be coordinated and delivered through the One-stop System. Workforce services and programs include, but are not limited to, the allowable

activities described in the WIOA and related legislation for: WIOA adult, dislocated worker and youth programs; Wagner-Peyser; Unemployment Insurance (UI); Veterans programs; Trade Adjustment Assistance (TM); Temporary Assistance for Needy Families (TANF) program; adult education and family literacy; Perkins Act programs; and Vocational Rehabilitation.

3. Coordinate with the Partner to ensure that the needs of job seekers, youth, and individuals with barriers to employment, including individuals with disabilities, are addressed in providing access to services, including access to technology and materials that are available through the One-stop System.

4. Coordinate with the Partner for the funding of the infrastructure costs of the one-stop career centers and the funding of shared services and operating costs in accordance with 29 U.S.C § 3151 and any state infrastructure funding mechanism requirements issued by the State of Florida.

5. Maintain the statewide "CareerSource" branding of each center.

6. Maintain and operate at least one comprehensive one-stop career center within the local workforce development area that shall be open to the public from 8:00 am until 5:00 pm, Monday through Friday (excluding recognized holidays and emergency situations.)

7. Provide an area for the Partner's meetings and/or co-location as space permits.

8. Model CareerSource core values and maintain a professional working environment.

9. Abide by all of its policies, rules, and procedures and applicable Florida statutes and rules.

B. The Partner will perform the following functions:

1. Coordinate with CareerSource to provide access to its workforce services and programs through the One-stop System in accordance with published policies and procedures which include the manner in which the services will be coordinated and delivered through theOne-stop System.

2. Coordinate with CareerSource to ensure that the needs of job seekers, youth, and individuals with barriers to employment, including individuals with disabilities, are addressed in providing access to services, including access to technology and materials that are available through the One-stop System.

3. Coordinate with CareerSource for the potential funding of the infrastructure costs of the one- stop career centers and the funding of shared services and operating costs in accordance with 29 U.S.C § 3151 and any infrastructure funding mechanism requirements issued by the State ofFlorida.

4. Provide all logistical support necessary for its staff located within the local area to be fully integrated within the One-stopSystem.

5. Provide CareerSource with monthly outcome numbers for performance data tracking.

6. Provide feedback to CareerSource management regarding the performance of the partnership, including its effectiveness and success.

7. Participate in career center periodic meetings to provide updates on the partners' programs and procedures to CareerSource staff.

IV. METHODS OF INTERNAL REFERRAL

Internal cross-referral procedures will be developed and/or reassessed based upon availability of funding, services and program need to ensure that high quality and convenient services are available to potentially eligible customers of the One-Stop system.

V. CONFIDENTIALITY OF RECORDS

In the event that either party to this MOU obtains access to any records, files, or other information of the other party in connection with, or during the performance of this MOU, then that party shall keep all such records, files or other information confidential, and shall comply with all laws and regulations concerning the confidentiality of such records, files or other information to the same extent as such laws and regulations apply to the other party.

VI. INFRASTRUCTURE COSTS

Costs of the infrastructure of one-stop centers will be funded in accordance with the requirements of the Workforce Innovation and Opportunity Act; federal cost principles; and all other applicable legal requirements. The Department of Education, Division of Vocational Rehabilitation will transfer its total statewide infrastructure cost contribution, minus funds already committed through MOUs containing lease agreements, to the Department of Economic Opportunity for disbursal to local area workforce boards, as it deems appropriate.

VII. TERM

The term of this MOU shall commence on the date last executed by both parties through June 30, 2023. The parties agree to review this MOU no less than once every three-year period to ensure appropriate funding and delivery of services. This MOU may be terminated for convenience at any time by either party upon thirty (30) days written notice.

Neither this MOU nor any provision hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by each of the parties to this Agreement.

VIII. MERGER

This MOU constitutes and expresses the entire and integrated understanding and agreement between the parties hereto, superseding, incorporating and merging all prior understandings, agreements, and discussions relating to the transactions contemplated hereby, and no agreements, understandings, prior negotiations, prior discussions, warranties, representations or covenants not herein expressed shall be binding upon the parties.

IX. THIRD PARTY BENEFICIARY

This MOU is for the benefit of CareerSource, the Partner, and the Chief Elected Officials of Escambia and Santa Rosa Counties and no third party is an intended beneficiary.

X. GOVERNANCE

The accountability and responsibility for the One-stop System's organizational activity and accomplishments will rest with CareerSource and the region's Chief Elected Officials. Pursuant to the Workforce Innovation and Opportunity Act of 2014, the local Board in partnership with the CEOs shall conduct oversight with respect to the One-stop System.

ATTACHMENT I TO THE MEMORANUM OF UNDERSTANDING
Between
Workforce Escarosa, Inc. dba CareerSource Escarosa
And the
Department of Education, Division of Vocational Rehabilitation

1. Effective Period

This Infrastructure Funding Agreement (IFA) is entered into on the date executed by all parties. This IFA will become effective as of the date of signing by the final signatory below and must terminate on June 30, 2023.

2. Cost Allocation Methodology

Infrastructure costs per the annual budget, included as Exhibit I, are allocated by full time employee (FTE) for partners and programs that are physically located in the One-Stop Center. VR is responsible for contributing $3,005.00 annually based on an estimated .20 FTE presence.

3. Payment

CareerSource Escarosa shall submit to the Partners quarterly invoices such that the Partners will have covered all costs agreed to in this IFA by the end of the program year, June 30 annually. The Parties to this IFA intend to be bound by this agreement and agree to make payment of all such funds as indicated in Section V. Upon receipt of the above described invoices, the Partners shall process payment within 30 days.

4. Costs Reconciliation and Allocation

The One-Sop Operating Budget is subject to change based upon increases or decreases in infrastructure cost contained within. The actual infrastructure costs will be reconciled with those projected annually at the end of the fiscal year (June 30). Increases and decreases will be calculated and included in a separate invoice including reconciliation documentation, once the difference is determined.

5. Steps Utilized to Reach Consensus

The Partners and CareerSource conferred regarding the involvement of each partner at the CareerSource Centers. The appropriate allocation bases were discussed and those bases included in this IFA were agreed upon as the most appropriate. CareerSource proposed the initial Partner Contribution Amounts as described above and the Partners concurred with their proposal. Finally, the parties discussed the best mechanisms by which to review and reconcile actual expenses in the future and agreed to the term included in the Cost Reconciliation and Allocation Base Update section above.

6. Dispute and Impasse Resolution

All parties will actively participate in local IFA negotiations in a good faith effort to reach agreement. Any disputes shall first be attempted to be resolved informally. Should informal resolution efforts fail, then the following Dispute Resolution process must be followed.

1. If an issue arises involving this IFA, both parties will make every effort to reach a resolution in a timely and efficient manner. Either partner may request a face-to-face meeting of the local partners to identify and discuss the issue. If resolved and no further action is deemed necessary by the partners, the issue and the resolution will be documented in writing.

2. If not resolved, the issue and the efforts to resolve will be documented and forwarded to the President/CEO of CareerSource and the Director of the Partner organization. A joint decision shall be issued within 60 calendar days of receipt.

3. If dissatisfied with the decision, the dispute may be filed with the State of Florida Department of Economic Opportunity (DEO) and the Commissioner of the Department of Education (DOE) to review concerns and determine resolution. DEO and DOE may remand the issue back to the President/CEO of CareerSource and to the Director of the Partner organization, Partner or impose other remedies to resolve the issue.

If Partners in a local area have employed the dispute resolution process and have failed to reach consensus on an issue pertaining to the IFA, then an impasse is declared and the State Funding Mechanism (SFM) is triggered and the IFA will be appealed through the process established by the governor for this purpose.

7. Modification Process

This IFA may be amended or modified with review and consent of all parties. Amendments and modifications must be issued in writing to all parties. All parties must be given a minimum of 30 days to comment prior to the inclusion of any amendment or modification. Oral amendments of modifications shall have no effect.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18793 **County Administrator's Report 10. 4.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 11/05/2020
Issue: CareerSource Escarosa MOU and Infrastructure Funding Agreement
From: CLARA LONG, Department Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Renewal of Memorandum of Understanding and Infrastructure Funding Agreement with CareerSource Escarosa and the Florida Department of Education, Division of Blind Services - Clara Long, Neighborhood & Human Services Department Director

That the Board take the following action concerning the Memorandum of Understanding and Infrastructure Funding Agreement:

A. Approve the renewal Memorandum of Understanding between CareerSource Escarosa and Florida Department of Education, Division of Blind Services. The Workforce Innovation and Opportunity Act (WOIA), Public Law 113-128 requires that Local Workforce Development Boards, with the agreement of the Chief Elected Officials, develop and enter into MOU with the local Board and the one-stop partners. The MOU renewal will become effective the date of the executed signature through June 30, 2023;

B. Approve the Infrastructure Funding Agreement (IFA) for the One-Stop Career Center System between CareerSource Escarosa (formerly Workforce Escarosa, Inc.) and Department of Education, Division of Blind Services. The IFA is made pursuant to the Workforce Innovation and Opportunity Act (WIOA) of 2014. The IFA will become effective the date of the executed signature through June 30, 2023; and

C. Authorize the Chairman to sign the renewal Memorandum of Understanding and Infrastructure Funding Agreement and any additional documents associated with this process.

BACKGROUND:

In accordance the Workforce Innovation and Opportunity Act ((WIOA), Public Law 113-128 requires that Local Workforce Development Boards, with Agreement of the Chief Elected Officials, develop and enter into Memorandums of Understanding (MOU) with the local Board and the one-stop partners. The Infrastructure Funding Agreement (IFA) is made pursuant to the Workforce Innovation and Opportunity Act (WIOA) of 2014.

The initial MOU and Infrastructure Funding Agreement (IFA -Attachment to the MOU) between the Florida Department of Education - Division of Blind Services and CareerSource Escarosa was signed by Escambia County on March 20, 2018, and June 18, 2018, respectively. The terms set by the Blind Services stated, "This MOU is effective July 1, 2017, through June 30, 2020, and may be renewed for an additional three year term". "The term of the IFA shall commence on July 1, 2017, or the date last executed by both parties, whichever is later, through June 30, 2020".

CareerSource Escarosa and its one-stop partner will continue to provide collaborative referrals between partners for appropriate services and activities, as well as methods to ensure the needs of workers and youth, including individuals with barriers to employment, have access to services through the one-stop delivery system. CareerSource Escarosa will serve as for the Workforce Innovation and Opportunity Act (WIOA) partner meetings.

CareerSource Escarosa Item for Approval

Florida Department of Education, Division of Blind Services Memorandum of Understanding (MOU) and Infrastructure Funding Agreement (IFA) Renewal

Description: The Workforce Innovation and Opportunity Act (WIOA), Public Law 113-128 requires that Local Workforce Development Boards, with the agreement of the Chief Elected Officials, develop and enter into Memorandums of Understanding (MOU) with the local board and the one-stop partners. The Infrastructure Funding Agreement (IFA) is made pursuant to the Workforce Innovation and Opportunity Act (WIOA) of 2014.

Requested action: That the County Commissioners of Escambia and Santa Rosa County approve the Florida Department of Education – Division of Blind Services MOU and IFA.

The initial MOU and Infrastructure Funding Agreement (IFA - Attachment to the MOU) between the Florida Department of Education – Division of Blind Services and CareerSource Escarosa was signed by Escambia County on March 20, 2018 and June 18, 2018, respectively. The terms set by Blind Services stated, “This MOU is effective July 1, 2017 through June 30, 2020, and may be renewed for an additional three-year term,” and "The term of the IFA shall commence on July 1, 2017, or the date last executed by both parties, whichever is later, through June 30, 2020.”

MEMORANDUM OF UNDERSTANDING

between

Workforce Escarosa, Inc.

dba CareerSource Escarosa

and

Florida Department of Education, Division of Blind Services

SA-121

I. PARTIES

This Memorandum of Understanding ("MOU"), is made pursuant to Rehabilitation Act of 1973, 29 U.S.C. §721(a) (11) and the Workforce Innovation and Opportunity Act (WIOA) of 2014, is entered into between the **Florida Department of Education, Division of Blind Services**, (hereafter referred to as the "Partner") and Workforce Escarosa, Inc. d/b/a CareerSource Escarosa, (hereafter referred to as **CareerSource Escarosa**).

II. PURPOSE

The Workforce Innovation and Opportunity Act of 2014 is an affirmation of the work that has been done in Florida to build the workforce development system. The cornerstone of the Act is its one- stop customer service delivery system. The One-stop System assures coordination between the activities authorized in and linked to this Act.

The purpose of this MOU is to describe the cooperative workforce training, employment and economic development efforts of CareerSource Escarosa and the Partner and the actions to be taken by each to assure the coordination of their efforts in accordance with state issued requirements in order to establish and maintain an effective and successful One-stop System.

This agreement is intended to coordinate resources, prevent duplication and ensure the effective and efficient delivery of workforce services in Escambia and Santa Rosa Counties. In addition, this agreement will establish joint processes and procedures that will enable the Partner to integrate with the current one-stop service delivery system resulting in a seamless and comprehensive array of education, human service, job training and other workforce development services within Escambia and Santa Rosa Counties, Florida.

The parties to this document agree to coordinate and perform the activities and services described herein within the scope of legislative requirements governing the parties' respective programs, services, and agencies.

III. PROVISION OF SERVICES

A. The Chief Elected Officials of Escambia and Santa Rosa Counties have designated CareerSource Escarosa as the entity to serve as the grant sub-recipient and fiscal agent to assist in the administration of WIOA funds and other funds allocated to LWDA 1 by federal and state workforce programs.

CareerSource Escarosa will perform the following functions:

1. Review this MOU annually and solicit feedback from the Partner regarding improvements, changes, and/or additions.

2. Coordinate with the Partner to provide access to workforce services and programs through the One-stop System in accordance with published policies and procedures which include the manner in which the services will be coordinated and delivered through the One-stop System. Workforce services and programs include, but are not limited to, the allowable activities described in the WIOA and related legislation for: WIOA adult, dislocated worker and youth programs; Wagner-Peyser; Unemployment Insurance (UI); Veterans programs; Trade Adjustment Assistance (TAA); Temporary Assistance for Needy Families (TANF); Supplemental Nutrition Assistance Program (SNAP); Adult Education and Family Literacy Act programs; Perkins Act programs and Vocational Rehabilitation.

3. Coordinate with the Partner to ensure that the needs of job seekers, youth, and individuals with barriers to employment, including individuals with disabilities, are addressed in providing access to services, including access to technology and materials that are available through the One-stop System.

4. Coordinate with the Partner for the funding of the infrastructure costs of the one-stop career centers in accordance with §678.700 through §678.755 of the WIOA and the funding of shared services and operating costs in accordance with §678.760 of the WIOA and any state infrastructure funding mechanism requirements issued by the State of Florida. *Under the WIOA, a required component of the MOU is an Infrastructure Funding Agreement (IFA). The U.S. Department of Labor (DOL) acknowledged that additional time was needed for local areas to negotiate each one-stop partner's contribution for infrastructure. Therefore, the U.S. DOL is using the transition authority of WIOA sec. 503(b) to provide an extension for the implementation of the final IFA. Local areas have until January 1, 2018 to enter into a final IFA with their required partners. The IFA is attached to this MOU as Addendum 1, including its Attachment A, One-Stop Operating Budget.*

5. Maintain the statewide "CareerSource" branding of each center.

6. Maintain and operate at least one comprehensive one-stop career center within the local workforce development area that shall be open to the public from 7:30 a.m. until 4:30 p.m., Monday through Friday (excluding recognized holidays and emergency situations.)

7. Provide an area for the Partner's meetings and/or co-location as space permits.

8. Model CareerSource core values and maintain a professional working environment.

9. Abide by all of its policies, rules, and procedures and applicable Florida statutes and rules.

B. The Partner will perform the following functions:

1. Coordinate with CareerSource Escarosa to provide access to its workforce services and programs through the One-stop System in accordance with published policies and procedures which include the manner in which the services will be coordinated and delivered through the One-stop System.

2. Coordinate with CareerSource Escarosa to ensure that the needs of job seekers, youth and individuals with barriers to employment, including individuals with disabilities, are addressed in

providing access to services, including access to technology and materials that are available through the One-stop System.

3. Coordinate with CareerSource Escarosa for the funding of the infrastructure costs of the one- stop career centers in accordance with §678.700 through §678.755 and the funding of shared services and operating costs in accordance with §678.760 and any infrastructure funding mechanisms issued by the State of Florida. The duly authorized agent of the recipient agrees to satisfy the requirements of 34 CFR 361.505 and 34 CFR 361.720. *Under the WIOA, a required component of the MOU is an Infrastructure Funding Agreement (IFA). The U.S. Department of Labor (DOL) acknowledged that additional time was needed for local areas to negotiate each one-stop partner's contribution for infrastructure. Therefore, the U.S. DOL is using the transition authority of WIOA sec. 503(b) to provide an extension for the implementation of the final IFA. Local areas have until January 1, 2018 to enter into a final IFA with their required partners. The IFA is attached to this MOU as Addendum 1, including its Attachment A, One-Stop Operating Budget.*

4. Provide all logistical support necessary for its staff located within the local area to be fully integrated within the One-stop System.

5. Provide CareerSource Escarosa with outcome numbers for performance data tracking. Participate in local recruiting events and share information with one another on placement and performance.

6. Provide feedback to CareerSource Escarosa management regarding the performance of the partnership, including its effectiveness and success.

7. Participate in CareerSource Escarosa Career Center periodic meetings to provide updates on the partner's programs and procedures to CareerSource staff.

8. Provide a key leadership representative of the Partner for representation in the CareerSource Escarosa WIOA Partner's Council and participate in quarterly meetings of The Council.

IV. METHODS OF INTERNAL REFERRAL

Internal cross-referral procedures will be developed and/or reassessed based upon availability of funding, services and program need to ensure that high quality and convenient services are available to potentially eligible customers of the One-Stop system.

V. CONFIDENTIALITY OF RECORDS

In the event that either party to this MOU obtains access to any records, files, or other information of the other party in connection with, or during the performance of this MOU, then that party shall keep all such records, files or other information confidential, and shall comply with all laws and regulations concerning the confidentiality of such records, files or other information to the same extent as such laws and regulations apply to the other party.

VI. TERM

The term of this MOU shall commence on July 1, 2020, or the date last executed by both parties, whichever is later, through June 30, 2023, and may be renewed for an additional three-year term. This MOU may be

terminated for convenience at any time by either party upon thirty (30) days written notice.

Neither this MOU nor any provision hereof may be changed or amended orally, but only by an instrument in writing signed by all of the parties to this Agreement.

VII. MERGER

This MOU constitutes and expresses the entire and integrated understanding and agreement between the parties hereto, superseding, incorporating and merging all prior understandings, agreements and discussions relating to the transactions contemplated hereby, and no agreements, understandings, prior negotiations, prior discussions, warranties, representations or covenants not herein expressed shall be binding upon the parties.

VIII. ACCESS FOR INDIVIDUALS WITH BARRIERS TO EMPLOYMENT

Career Source Escarosa one stop system partners will ensure access for individuals with barriers to employment and will offer priority for services to recipients of public assistance, other low-income individuals, or individuals who are skills deficient for individualized career services and training services funded with WIOA adult funds.

IX. NON-DISCRIMINATION

As required by federal and state law, participating agencies will assure that no person shall be discriminated against in consideration for or receipt of partner agency services and/ or employment based upon sex, disability, race, color, age, religion, national origin, political affiliation, belief, veteran status, familial status, sexual orientation, gender identity, pregnancy, or genetic information.

The One-Stop system partner will assure compliance with the Americans with Disabilities Act of 1990, and its Amendments, which prohibits discrimination on the basis of disability, as well as applicable regulations and guidelines issued pursuant to the ADA.

Partners agree to comply fully with the WIOA, Title VII of the civil rights act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination against qualified individuals with disabilities and The Age Discrimination Act of 1975, as amended, which prohibits discrimination on the basis of age; and 29 CFR Part 37 and all other regulations implementing the aforementioned laws.

X. THIRD PARTY BENEFICIARY

This MOU is for the benefit of CareerSource Escarosa, the Partner, and the Chief Elected Officials of Escambia and Santa Rosa Counties and no third party is an intended beneficiary.

XI. GOVERNANCE

The accountability and responsibility for the One-stop System's organizational activity and accomplishments will rest with CareerSource Escarosa and the region's Chief Elected Officials. Pursuant to the Workforce Innovation and Opportunity Act of 2014, the local Board in partnership with the CEOs shall conduct oversight with respect to the One-stop System.

XII. DISPUTE RESOLUTION

1. If an issue arises involving this MOU, both parties will make every effort to reach a resolution in a timely and efficient manner. Either partner may request a face-to-face meeting of the local partners to identify and discuss the issue. If resolved and no further action is deemed necessary by the partners, the issue and the resolution will be documented in writing.

2. If not resolved, the issue and the efforts to resolve will be documented and forwarded to the President/CEO of CareerSource and the Director of the Partner organization. A joint decision shall be issued within 60 calendar days of receipt.

3. If dissatisfied with the decision, the dispute may be filed with the State of Florida Department of Economic Opportunity (DEO) and the Commissioner of the Department of Education (DOE) to review concerns and determine resolution. DEO and DOE may remand the issue back to the President/CEO of CareerSource and to the Director of the Partner organization, or impose other remedies to resolve the issue.

INFRASTRUCTURE FUNDING AGREEMENT
FOR ONE-STOP CAREER CENTER SYSTEM
BETWEEN THE DEPARTMENT OF EDUCATION
AND WORKFORCE ESCAROSA, INC.

I. PARTIES

This Infrastructure Funding Agreement ("IFA"), is made pursuant to the Workforce Innovation and Opportunity Act of 2014 ("WIOA"), and is entered into by the Florida Department of Education, Division of Blind Services (hereafter referred to as the Partner) and WorkForce Escarosa, Inc. (hereafter referred to as "CareerSource").

II. PURPOSE

The Workforce Innovation and Opportunity Act of 2014 is an affirmation of the work that has been done in Florida to build the workforce development system. The cornerstone of the Act is its one-stop customer service delivery system. The one-stop system assures coordination between the activities authorized in and linked to this Act.

The purpose of this IFA is to describe the infrastructure cost responsibilities of the Parties to provide for the maintenance of effective and successful one-stop system. This agreement is intended to coordinate resources and to prevent duplication and ensure the effective and efficient delivery of workforce services in Escambia and Santa Rosa counties.

The parties to this document agree to coordinate and perform the responsibilities described herein within the scope of legislative requirements governing the parties' respective programs, services, and agencies.

III. INFRASTRUCTURE COST BUDGET

Refer to the Infrastructure Funding Agreement Attachment A.

IV. COST ALLOCATION METHODOLOGY

CareerSource selected Infrastructure costs per the annual budget are allocated by FTE for partners and programs that are physically located in the One-Stop Center, as outlined in Attachment A. This was done in an effort:

a) To remedy the imbalance of non-physically represented partners, and

b) To comply with the requirement of partners' contributions having to be in proportion to the partners' use of the one-stop center(s) and relative benefit received.

V. ALLOCATION BASIS PER COST ITEM

Refer to the Infrastructure Funding Agreement Attachment A.

VI. PARTNER CONTRIBUTION AMOUNTS

The Partner will be responsible for .2 FTE based on the Partner's benefit from and presence in the CareerSource center. This amounts to a total cost of $3,005 for the Partner. See Attachment A.

This will be handled through in-kind services where the Partner Agency will provide training for all front line CareerSource staff at least one time during the program year. Such training will be designed to help staff better understand the obstacles faced by vision impaired individuals when seeking employment assistance through a career center. Training shall also be designed to improve the knowledge base of front line CareerSource staff as to resources available to assist individuals with vision impairment.

VII. COST RECONCILIATION AND ALLOCATION BASE UPDATE

All Parties agree that a quarterly reconciliation of budgeted and actual costs and update of the allocation bases will be completed in accordance with the following process:

1. Partners will provide CareerSource with the following information no later than fifteen (15) days after the end of each quarter, as applicable:
   - Quarterly cost information and documentation of the actual costs,
   - Updated staffing information (per the 1st day of the 1st month of each quarter), and
   - Actual customer participation numbers (per the last day of the last month of each quarter).
2. Upon receipt of the above information, CareerSource will:
   - Compare budgeted costs to actual costs,
   - Update the allocation bases, and
   - Apply the updated allocation bases, as described in the Cost Allocation Methodology section above, to determine the actual costs allocable to each partner.
3. CareerSource will prepare an updated budget document showing cost adjustments and will prepare an invoice for each Partner with the actual costs allocable to each Partner for the quarter.
4. CareerSource will submit the invoices to the Partners and send a copy of the updated budget to all Parties no later than forty-five (45) days after the end of each quarter. The Partners understand that the timeliness of CareerSource's preparation and submission of invoices and adjusted budgets is contingent upon the timeliness of each Partner in providing the necessary cost information. For Partners that advance funds to the local area, CareerSource will only send a copy of the updated budget.
5. Upon receipt of the invoice and adjusted budget, each Partner will review both documents and will submit payment to CareerSource no later than fifteen (15) days following receipt. Payment of the invoice signifies agreement with the costs in the adjusted budget. For Partners that advance funds to the local area, CareerSource may draw down funds for quarterly payments upon approval via email of the reconciled budget.
6. Partners will communicate any disputes with costs in the invoice or the adjusted budget CareerSource in writing. CareerSource will review the disputed cost items and respond accordingly to the Partner within ten (10) days of receipt of notice of the disputed costs. When necessary, CareerSource will revise the invoice and the adjusted budget upon resolution of the dispute.

VIII. STEPS UTILIZED TO REACH CONSENSUS

The Partners and CareerSource conferred regarding the involvement of each partner at the CareerSource Centers. The appropriate allocation bases were discussed and those bases included in this IFA were agreed upon as the most appropriate. CareerSource proposed the initial Partner Contribution Amounts as described above and the Partners concurred with their proposal. Finally, the parties discussed the best mechanisms by which to review and reconcile actual expenses in the future and agreed to the term included in the Cost Reconciliation and Allocation Base Update section above.

IX. DISPUTE RESOLUTION

1. If an issue arises involving this IFA, both parties will make every effort to reach a resolution in a timely and efficient manner. Either partner may request a face-to-face meeting of the local partners to identify and discuss the issue. If resolved and no further action is deemed necessary by the partners, the issue and the resolution will be documented in writing.

2. If not resolved, the issue and the efforts to resolve will be documented and forwarded to the President/CEO of CareerSource and the Director of the Partner organization. A joint decision shall be issued within 60 calendar days of receipt.

3. If dissatisfied with the decision, the dispute may be filed with the State of Florida Department of Economic Opportunity (DEO) and the Commissioner of the Department of Education (DOE) to review concerns and determine resolution. DEO and DOE may remand the issue back to the President/CEO of CareerSource and to the Director of the Partner organization, or impose other remedies to resolve the issue.

X. MODIFICATION PROCESS

This IFA may be amended or modified with review and consent of all parties. Amendments and modifications must be issued in writing to all parties. All parties must be given a minimum of 30 days to comment prior to the inclusion of any amendment or modification. Oral amendments or modifications shall have no effect.

XI. EFFECTIVE PERIOD

This IFA is entered into on the date executed by all parties. The term of this IFA shall commence on July 1, 2020, or the date last executed by both parties, whichever is later, through June 30, 2023.

XII. PAYMENT METHODOLOGY

Career Source shall submit to the Partners quarterly invoices such that the Partners will have covered all costs agreed to in this IFA by the end of the program year, June 30 annually. The Parties to this IFA intend to be bound by this agreement and agree to make payment of all such funds as indicated in Section VI. Upon receipt of the above described invoices, the Partners shall process payment within 30 days.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18790 **County Administrator's Report 10. 7.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 11/05/2020
Issue: Modification #1 to Subgrant Agreement Between the Division of Emergency Management and Escambia County
From: Jason Rogers, Director
Organization: Public Safety
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Modification #1 to the Subgrant Agreement Between the Division of Emergency Management and Escambia County - Jason Rogers, Public Safety Department Director

That the Board approve and authorize the Chairman to sign Modification #1 to the Subgrant Agreement between the Division of Emergency Management and Escambia County, regarding Escambia County Fire Rescue's request to extend the Agreement for 10 months, ending June 30, 2021.

BACKGROUND:

The State of Florida Division of Emergency Management distributes Grants for the sustainment of the State's Hazardous Materials Teams. The State issues these funds to counties as sub-recipients to be used for training and sustainment of those teams. Escambia County Fire Rescue has a Hazardous Materials Waste Team. The Grant funds will be used to support the sustainment of the teams' equipment and training.

BUDGETARY IMPACT:

Funding for the Contract is 100% Grant-funded, with no local match required. The budget funds have already been appropriated and will be expended for Hazmat training and equipment sustainment.

[Funding: Fund 110, Hazmat Technical Resource, Cost Center 330232]

LEGAL CONSIDERATIONS/SIGN-OFF:

This Agreement has been reviewed by Senior Assistant County Attorney Kristin Hual and approved as to form and legal sufficiency.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Board policy requires Board approval of Agreements.

IMPLEMENTATION/COORDINATION:

Upon approval by the Board, this extension shall become effective for the expressed term.

Attachments

Modification #1

MODIFICATION #1 TO SUBGRANT AGREEMENT BETWEEN THE DIVISION OF EMERGENCY MANAGEMENT AND ESCAMBIA COUNTY

This Modification is made and entered into by and between the State of Florida, Division of Emergency Management ("the Division"), and Escambia County ("Recipient"), to modify Contract Number **20-DS-01-01-27-01-012**, which began on October 30, 2019 ("the Agreement").

WHEREAS, the Division and the Recipient have entered into the Agreement, pursuant to which the Division has provided a subgrant to Recipient under the State Homeland Security Grant program of **$136,513.00**;

WHEREAS, the Agreement expired on August 31, 2020; and,

WHEREAS, the Division and the Recipient desire to reinstate and extend the terms of the Agreement.

WHEREFORE, in consideration of the mutual promises of the parties contained herein, the parties agree as follows:

1. The agreement is hereby reinstated and extended as though it had never expired.

2. Paragraph 8 of the Agreement is hereby amended to read as follows:

   This Agreement shall begin upon execution by both parties and shall end on June 30, 2021, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement. Consistent with the definition of "period of performance" contained in 2 C.F.R. §200.77, the term "period of agreement" refers to the time during which the Sub-Recipient "may incur new obligations to carry out the work authorized under" this Agreement. In accordance with 2 C.F.R. §200.309, the Sub-Recipient may receive reimbursement under this Agreement only for "allowable costs incurred during the period of performance." In accordance with section 215.971(1)(d), Florida Statutes, the Sub-Recipient may expend funds authorized by this Agreement "only for allowable costs resulting from obligations incurred during" the period of agreement..

3. All provisions not in conflict with this Modification remain in full force and effect, and are to be performed at the level specified in the Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Modification as of the dates set out below.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18791 **County Administrator's Report 10. 8.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 11/05/2020
Issue: Memorandum of Understanding between Escambia County Fire Rescue and the United States Special Operations Command
From: Jason Rogers, Director
Organization: Public Safety
CAO Approval:

RECOMMENDATION:

Recommendation Concerning a Memorandum of Understanding Between Escambia County Fire Rescue and the United States Special Operations Command - Jason Rogers, Public Safety Department Director

That the Board approve and authorize the Chairman to sign the Memorandum of Understanding (MOU) by and between Escambia County Fire Rescue and the United States Special Operations Command (USSOCOM), that identifies parameters, roles and responsibilities for the unpaid developmental internship program to provide educational experience and learning opportunities that will enable them to develop their technical skills and business knowledge, to expand their understanding of Escambia County Fire Rescue, and to learn about different career paths that may be available.

BACKGROUND:

Pensacola being a military community has always encouraged volunteerism. Often military personnel are willing to serve in the community they live. Escambia County Fire Rescue has benefitted greatly from the military members assigned to the local bases for many years. These men and women bring value into the organization having come from a regimented schedule, familiarization with the chain-of-command, service, and sacrifice. The fire department, the County, and most of all the citizens prosper from this resource. We are enhancing a long-time tradition of recruiting members of the military. These are active duty and service members retiring from the military to join ECFR as volunteers and/or career firefighters. This is a wonderful resource for ECFR to continue to recruit volunteer and career firefighters through a consistent process.

BUDGETARY IMPACT:

There are no recurring automatic expenses associated with this MOU.

LEGAL CONSIDERATIONS/SIGN-OFF:

Senior Assistant County Attorney, Stephen G. West approved the MOU as to form and legal sufficiency.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Board Policy requires such documents to be approved by it.

IMPLEMENTATION/COORDINATION:

Oversight and any potential implication of the MOU will be coordinated by Volunteer Coordinator, Mike Aaron, Escambia County Fire Rescue, in cooperation with USSOCOM.

Attachments

Memorandum of Understanding

MEMORANDUM OF UNDERSTANDING BETWEEN

UNITED STATES SPECIAL OPERATIONS COMMAND

AND

ESCAMBIA COUNTY

FOR

WARRIOR CARE PROGRAM INTERNSHIP INITIATIVE

This is a Memorandum of Understanding (MOU) between U.S. Special Operations Command (USSOCOM) and Escambia County (County). When referred to collectively, USSOCOM and Escambia County are referred to as the "Parties."

1. PURPOSE: The purpose of this Memorandum of Understanding (MOU) is to set forth a cooperative understanding of support between USSOCOM and Escambia County in Pensacola, FL. The service and support provided herein will be on a non-reimbursable basis and the relationship will be guided by the following authorities:

1.1. 10 U.S. Code §1143, Employment assistance.

1.2. DOD Instruction (DODI) 1322.29, Job Training, Employment Skills Training, Apprenticeships, and Internships (JEST-AI) for Eligible Service Members, January 24, 2014. Department of Defense Instruction (DoDI) 1300.25, Guidance for the Education and Employment Initiative (E21) and Operation WARFIGHTER (OWF), March 25, 2013.

1.3. Secretary of Defense Memorandum, U.S. Special Operations Command Authority to Implement Employment Skills Training Programs under Fiscal Year 2012 NDAA, June 29, 2012.

1.4. DoDI 4000.19, Support Agreements, April 25, 2013 Incorporating. Change 2 August 31, 2018.

2. **BACKGROUND:**

2.1. The USSOCOM Warrior Care Program (WCP) Internship Initiative was implemented to mutually benefit Special Operations Forces (SOF) Service Members (SMs) and the County. The WCP Internship Initiative was designed to benefit the County by providing a recruitment tool for top leadership talent. SOF SMs embody leadership skills that exceed the skills and abilities of the civilian population due to their unique training. The USSOCOM Warrior Care Program Internship Initiative also provides interaction between the Intern and the Escambia County Fire Rescue on projects of mutually beneficial interest.

2.2. Escambia County Fire Rescue is a division of the County's Public Safety department, located in Pensacola, FL. The County is offering to provide an unpaid developmental internship under the DODI - JEST-AI or OWF to provide educational experience and learning opportunities that will enable them to develop their technical skills and business

knowledge, to expand their understanding of Escambia County Fire Rescue, and to learn about different career paths that may be available.

3. SCOPE. This MOU clarifies services and support that USSOCOM and Escambia County will provide in order to ensure the success of this internship and further outlines general areas of understanding.

4. RESPONSIBILITIES OF THE PARTIES: Administration of this understanding shall not create any obligations or appropriated or non-appropriated funds available to USSOCOM.

4.1. **USSOCOM will:**

4.1.1. Identify SMs for potential participation in the Internship Initiative based on the following criteria:

4.1.1.1. Enrollment in the USSOCOM WCP;

4.1.1.2. Have at least 180 days of active duty service (note that SMs may be subject to early termination of service of discharge without USSOCOM's knowledge); and

4.1.1.3. Able to provide transportation for him or herself to and from the location of the internship.

4.1.2. Along with the County, advise the Intern of his or her responsibilities regarding participation in the Internship.

4.1.3. The USSOCOM WCP will add the following statement to their print or digital materials concerning their MOU with the County: "Appearance of a non-DoD entity's name does not constitute an endorsement by U.S. Special Operations Command Warrior Care Program-Care Coalition, U.S. Special Operations Command or the Department of Defense."

4.2. **The County Intends to:**

4.2.1. Make any final decision about the assignment of a SM to the County as an Intern;

4.2.2. Along with USSOCOM, advise the Intern of his or her responsibilities regarding participation in the Internship Initiative, including expected professional conduct (including dress code) and the requirement to follow the rules and standards set by the County and USSOCOM;

4.2.3. Provide the Intern meaningful professional work experience that supports the intent of the Warrior Care Program Internship Initiative, as described above. The County will make reasonable efforts to ensure the Intern is provided with exposure to varied tasks and experiences within Escambia County Fire Rescue;

4.2.4. Provide quality supervision of the Intern during the Internship and will report periodically to USSOCOM on the Intern's performance, as may be mutually agreed;

4.2.5. Provide input to USSOCOM upon completion of the Internship or as requested by USSOCOM;

4.2.6. Follow USSOCOM policies on media releases and publicly available information of its Intern, which includes USSOCOM WCP's pre-publication review and approval of any public release pertaining to the Intern and the WCP;

4.2.7. The County will add the following statement to their print or web materials concerning their MOU with the USSOCOM WCP: "The appearance of U.S. Special Operations Command Warrior Care Program-Care Coalition, U.S. Special Operations Command or the Department of Defense does not constitute Escambia County endorsement" and

4.2.8. Ensure the Intern is not assigned to any position which would require the Intern to act as the County's agent before the federal government or involve performance of government contract requirements by the Intern.

4.3. **Both Parties agree:**

4.3.1. Internships will be scheduled for a period of up to 179 days and may be extended based on the mutual agreement of the County, USSOCOM, and the SM. Internships are unpaid and are no cost to the Government. USSOCOM may find it necessary to terminate the internship prior to 179 days as a result of medical discharge, reassignment, or other unforeseen reasons. USSOCOM has limited influence over the Integrated Disability Evaluation System (IDES) process;

4.3.2. The County recognizes that the SM may be required to participate in medical appointments and other activities required to complete the IDES process and any other directed military duties by the SM's chain of command. All such requirements take precedence over internship duties. In such an event, the SM and/or USSOCOM will provide as much advance notice to the County as possible so that the County can plan accordingly. The geographical location of the internship, including unpaid temporary travel, will be designed to facilitate the Intern completing all required appointments scheduled pursuant to the IDES, medical, and military processes;

4.3.3. During the course of this internship, the SM's official place of duty will be at an Escambia County Fire Rescue designated location, unless otherwise agreed to voluntarily by the SM Intern;

4.3.4. There will be ongoing, open communication between the WCP and the County to ensure understanding of the expectation and roles of the parties in providing a meaningful experience for the Intern;

4.3.5. Either USSOCOM or the County may dismiss the Intern from the Internship if, in the opinion of either Party, the Intern is not meeting applicable requirements or is not being utilized consistent with the goals of the Internship Initiative. Prior to dismissing the Intern, USSOCOM and the County may confer and try to resolve any issue(s);

4.3.6. USSOCOM, County and SM understand that participation in the Internship Initiative does not guarantee or imply that the SM will be offered a paid position with the county upon his or her release from active duty or upon completion of the Internship;

4.3.7. Consistent with Title 18, U.S. Code §205, the Intern will not act as an agent for Escambia County before any agency or department of the United States;

4.3.8. USSOCOM and the County may provide public release of establishment of this MOU on websites and public releases. USSOCOM does not allow use of its logos or emblem by the County and must approve any website or public release prior to publication or distribution. USSOCOM will ask for permission for use of County's logo or emblem prior to use.

5. PERSONNEL: For purposes of the Fair Labor Standards Act, this is not an unpaid internship. The Department of Defense (DOD) is responsible for paying the Interns' ongoing base salary, bonus (if applicable), and other forms of payment. The SM is not and will not be the County's employee, agent or contractor during the program. As such, the SM will remain an employee of DOD and be eligible for all benefits, including workers' compensation, from DOD. The Intern will not receive any form of compensation or benefits from the County.

6. GENERAL PROVISIONS:

6.1. POINTS OF CONTACT (POC): The following POCs will be used by the Parties to communicate in the implementation of this MOU. Each Party may change its point of contact upon reasonable notice to the other Party.

6.1.1. For USSOCOM WCP-CC:

6.1.1.1. **Primary POC:** Chief, Career Transition Section, WCP, Office: 813-826-0973.

6.1.1.2. Alternate POC: Career Transition Assistant, Career Transition Section, WCP, Office: 813-826-6448.

6.1.2. **For Escambia County Fire Rescue:**

6.1.2.1. **Primary POC:** Michael Aaron, 850-221-4631.

6.2. REVIEW OF AGREEMENT: This MOU will be reviewed in its entirety triennially on or around the anniversary of its effective date.

6.3. MODIFICATION OF AGREEMENT: This MOU may only be modified by the written agreements of the Parties, duly signed by their authorized representatives. Amendments to this MOU necessitated by administrative or organizational changes shall not require renegotiation of this MOU and will be implemented following coordination between the Parties.

6.4. DISPUTES: Any disputes relating to this MOU will, subject to any applicable law, Executive Order, Directive or Instruction, be resolved by consultation between the Parties or in accordance with DODI 4000.19.

6.5. TERMINATION OF AGREEMENT: This MOU may be terminated at any time by the Parties.

6.6. ENTIRE AGREEMENT: It is expressly understood and agreed that this MOU embodies the entire agreement between the Parties regarding the MOUs subject matter.

6.7. EFFECTIVE DATE: This MOU takes effect on the day after the last Party signs.

6.8. EXPIRATION DATE: This MOU remains in effect until terminated by either Party.

6.9. RECORDS: There are three copies of this MOU; one copy is maintained by each Party and one copy is maintained by the assigned Intern.

Escambia County, Florida

AI-18750 **County Administrator's Report 10. 9.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 11/05/2020
Issue: Revocable License Agreement Pensacola State College
From: Pat Johnson, Department Director
Organization: Waste Services
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Revocable License Agreement with the District Board of Trustees of Pensacola State College, Florida, and Escambia County - Patrick Johnson, Waste Services Department Director

That the Board take the following action:

A. Approve the Revocable License Agreement with the District Board of Trustees of Pensacola State College, Florida, and Escambia County, to access a portion of the school's property for a hurricane debris management site; and

B. Authorize the County Administrator to sign the Agreement and any subsequent documents related to acceptance, execution, reporting, no-cost time extension, and amendments to this Agreement, subject to Legal review and approval, without further action of the Board.

BACKGROUND:

This Revocable License Agreement will allow County staff and debris removal contractors to access Pensacola State College property in order to assist in disaster related debris management, collection and removal.

BUDGETARY IMPACT:

There is no budgetary impact associated with this Agreement.

LEGAL CONSIDERATIONS/SIGN-OFF:

The Agreement was prepared by Stephen G. West, Senior Assistant County Attorney.

PERSONNEL:

Escambia County Waste Services Department Staff will manage this project.

POLICY/REQUIREMENT FOR BOARD ACTION:

Required by Board Policy II.B.8.

IMPLEMENTATION/COORDINATION:

This project will be coordinated with the Escambia County Waste Services Department and Pensacola State College Administration.

Revocable License Agreement

REVOCABLE LICENSE AGREEMENT

THIS REVOCABLE LICENSE AGREEMENT (the "Agreement") is made and entered into this ____ day of _____ 2020, by and between THE DISTRICT BOARD OF TRUSTEES OF PENSACOLA STATE COLLEGE, FLORIDA (hereinafter "Licensor"), whose address is 1000 College Boulevard, Pensacola, Florida 32504, and ESCAMBIA COUNTY, a political subdivision of the State of Florida (hereinafter "Licensee"), whose address is 221 Palafox Place, Pensacola, Florida 32502.

WITNESSETH:

WHEREAS, Licensee has requested permission to access a portion of Licensor's property for a hurricane debris management site; and

WHEREAS, Licensor and Licensee wish to enter into this Agreement to confirm their respective rights and obligations;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties agree as follows:

1. Property. The Licensor grants to Licensee a revocable license (the "License") to allow Licensee's employees, contractors, and agents access to and use of the property described in the attached Exhibits A and B (the "Property").

2. Term and License Fee. The term of this Agreement shall be one hundred and twenty (120) days, commencing on the date that the last party executes this Agreement, unless either party terminates the Agreement as provided herein.

3. Use of the Property. Licensee shall use the Property shown in Exhibit A only as a hurricane debris management site.

4. Parking. Licensor grants to Licensee and its employees and contractors during the term of this agreement, the right of ingress and egress to park personal vehicles in the westernmost parking lot on Licensor's campus shown as Lot "A" on the attached Exhibit B. The use of Lot "A" is limited to parking personal and work vehicles such as cars and pickup trucks, but does not include debris, or machinery, dump trucks, tractors, or other such heavy equipment.

5. Condition and Maintenance of the Property. Licensee's access and use of the Property shall be conducted so as not to unduly interfere with Licensor's operations. Licensee shall be responsible, at its expense, for removing any materials, trash or debris brought onto the Property or generated by Licensee in connection with its access and use. Licensor shall promptly notify Licensee upon discovery of any condition that would cause a hazard or threat to the safety of its faculty, staff, students, or members of the public.

6. Liability. Licensee shall conduct all of its operations in a safe and workmanlike manner, at its own cost, expense and risk. Licensee agrees to be responsible for its

negligent or tortious acts or omissions and agrees to be liable for damages proximately caused by those acts or omissions to the extent set forth in Section 768.28, Florida Statutes. However, no provision of this Agreement shall be construed, or in any way is intended to be construed, as an indemnity or a waiver of the County's sovereign immunity. Licensee shall require all of its contractors and subcontractors who access the Property to procure and maintain insurance coverage in the types and amounts described in the attached Exhibit C.

7. Termination. This Agreement may be terminated for cause or convenience by any party upon thirty (30) days written notice to the other party. Upon notice of termination, Licensee shall promptly restore the Property to its original condition and remove all equipment and materials not originally present on the Property.

8. Notices. Notices to the parties of this Agreement will be addressed, mailed, or delivered to the following:

TO LICENSEE:
Tim Day
Department of Natural
Resources Management
221 Palafox Place
Pensacola, FL 32502

COPY TO:
Escambia County Attorney's Office
221 Palafox Place, Suite 430
Pensacola, FL 32502

TO LICENSOR:
Edward Meadows, President
Pensacola State College
1000 College Boulevard
Pensacola, FL 32504

COPY TO:
Thomas J. Gilliam, Jr., Esq.
Vice President of Administrative Services
and General Counsel
1000 College Boulevard
Pensacola, FL 32504

Notices shall be delivered in person or by U. S. Mail. Notices delivered personally will be deemed to have been given as of the date of delivery and notices given by overnight mail will be deemed to have been delivered the next day. Each party may change its address from time to time by written notice to the other as specified above.

9. Compliance with Laws. The County agrees to comply with all federal, state and local laws, ordinances, policies or other governmental regulations, and shall obtain all permits applicable to its proposed use of the Property.

10. Entire Agreement. This Agreement contains the entire understanding between the parties and supersedes all prior oral and written agreements between them regarding the use of the Property. This Agreement may be modified only by an amendment in writing, dated and signed by each party after the date of this Agreement.

11. Miscellaneous. The captions, headings, and paragraphs titles in this Agreement are for reference only and are not intended in any way to restrict, affect or interpret the

provisions of any paragraph of this Agreement.

If any term, provision, covenant, or condition of this Agreement or the application thereof to any persons or circumstances shall, to any extent, be held invalid or unenforceable, the remainder of this Agreement or the application of such term, provision, covenant, or condition to persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected, and each term, provision, covenant, or condition of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

This Agreement shall not be more strictly construed against either party by reason of the fact that one party may have drafted or prepared any or all of the terms and conditions. Venue of any legal proceeding arising out of this Agreement shall be in a court of competent jurisdiction in Escambia County, Florida.

This Agreement shall have no effect unless first approved by the Escambia County Board of County Commissioners at a duly noticed public meeting.

Each of the persons executing this Agreement warrant that they have the authority necessary to bind each of the parties to the terms and conditions described in this Agreement.

IN WITNESS WHEREOF, the Licensor and the County have caused this Agreement to be executed by their duly authorized representative as of the day and year indicated.

EXHIBIT C

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the Buyer and Seller. Such policies shall be from insurers with a minimum financial size category of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

These insurance requirements shall not limit the liability of the contractor. The Buyer and Seller do not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for workers' compensation and professional liability, the contractor's insurance policies shall be endorsed to name the Buyer and Seller as an additional insured for bodily injury, property damage and personal and advertising injury caused, in whole or in part, by the contractor's acts or omissions; or the acts or omissions of those acting on the contractor's behalf; in the performance of the contractor's ongoing operations for the additional insured(s). Additional Insured Endorsement ISO Form CG 20 10 is required for the Commercial General Liability coverage.

Except for workers' compensation, the contractor waives its right of recovery against the Buyer and Seller, to the extent permitted by its insurance policies.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary.

Commercial General Liability Coverage – Occurrence Form Required
Commercial General Liability Insurance with One Million Dollars ($1,000,000) per occurrence and aggregate limits, including coverage parts of bodily injury, property damage, personal injury, product and completed operations, and contractual liability. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies (including employers liability required in the Workers' Compensation Coverage section) and the total amount of coverage required.

Automobile Coverage
Automobile Liability Insurance with One Million Dollars ($1,000,000) per occurrence and aggregate limits, to include bodily injury liability and property damage liability, arising out of the ownership and maintenance or use of any auto, which includes owned, non-owned and hired automobiles and employee non-ownership use.

Workers' Compensation Coverage
Workers' compensation insurance for all workers' compensation obligations imposed by state law and employers liability limits of at least $100,000 each accident/$100,000 each employee/$500,000 policy limit for disease. The contractor shall also purchase any other coverage's required by law for the benefit of the employees.

EVIDENCE/CERTIFICATES OF INSURANCE
Required insurance shall be documented in Certificates of Insurance which reflect the Buyer and Seller as certificate holder. The certificate shall also include that the policy/policies is/are endorsed to provide Buyer and Seller at least 30 days in advance notice of cancellation, nonrenewal or adverse change.

New Certificates of Insurance are to be provided to the Buyer and Seller at least 15 days prior to coverage renewals. If requested by the Buyer and Seller, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the Buyer and Seller, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18787 **County Administrator's Report 10. 10.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 11/05/2020
Issue: 5:31 p.m. Public Hearing Request to Adopt the Uniform Method of Collection Resolution
From: Amber McClure, Chief Budget Officer
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Scheduling of a Public Hearing for Adopting the Uniform Method of Collection for Non-Ad Valorem Special Assessments Resolution - Amber McClure, Chief Budget Officer, Management and Budget Services

That the Board authorize the scheduling of a Public Hearing on December 10, 2020, at 5:31 p.m., to consider adopting a Resolution establishing its intent to use the Uniform Method of Collection for Non-Ad Valorem Special Assessments, as provided in Florida Statutes 197.3632.

BACKGROUND:

The Uniform Method of Collection, as authorized in Florida Statute 197.3632, provides that the County adopt a Resolution prior to January 1, or if the Property Appraiser and Tax Collector agree, March 1. The Resolution must be advertised four (4) consecutive weeks in a newspaper of general circulation, and this advertisement will happen during November 2020. The Uniform Method of Collection of the Municipal Services Benefit Unit (MSBU) assessments increases the collection of assessments and reduces administrative costs by eliminating duplicated preparation and mailing of tax notices.

Prior to billing of the non-ad valorem assessments under the Uniform Method, the following steps must take place:

1. Public Hearing to adopt the Uniform Method by Resolution;
2. First class notices mailed to each affected property owner notifying them of a new assessment to be levied and the place and time of a public hearing to be held between June 1 and September 15;

3. Public Hearing is held by the Board to adopt the MSBU assessment roll; and
4. Assessment roll is transmitted to the Tax Collector's Office for billing.

BUDGETARY IMPACT:

This Resolution for the Uniform Method of Collection will apply to Non-Ad Valorem Special Assessments to be collected in Fiscal Year 2021/2022.

LEGAL CONSIDERATIONS/SIGN-OFF:

Compliance with Florida Statute 197.3632.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Non-Ad Valorem Special Assessments will be consolidated with the Ad Valorem Property Tax Bills issued by the Tax Collector, and will be subject to the tax lien process if not paid by March 31. Compliance with Florida Statute 197.3632.

IMPLEMENTATION/COORDINATION:

1. By June 1, the Property Appraiser provides the tax parcel information to the County.
2. Twenty (20) days prior to the public hearing to adopt the assessment roll, the County must advertise in the newspaper the boundaries of any new, first time assessed districts, and also mail first class notices to all property owners that will be assessed for the first time.
3. The County must hold a public hearing to adopt the assessment roll no later than September 15 each year.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18789 **County Administrator's Report 10. 11.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 11/05/2020
Issue: Recommendation to approve Contract between Board of County Commissioners and Florida Department of Health in Escambia County 2020/2021
From: Marie Brady Mott, Health Officer/Administrator
Organization: Florida Dept. of Health in Esc. Co.
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Contract for the Florida Department of Health for Operation of the Escambia County Health Department - Marie Brady Mott, JD, MS, RDN, CSSD, LDN, Administrator, Florida Department of Health in Escambia County

That the Board take the following action concerning the Contract for the Florida Department of Health in Escambia County:

A. Approve the Florida Department of Health in Escambia County Contract, providing for an effective date for the Contract year of October 1, 2020, through September 30, 2021; and

B. Authorize the Chairman to sign the Contract.

BACKGROUND:

Annually, the Escambia County Board of County Commissioners and the State of Florida, Department of Health, enter into a Contract for the operation of the Escambia County Health Deparment, as authorized by Florida Statutes, Chapter 154.

BUDGETARY IMPACT:

The Escambia County Board of County Commissioners agrees to appropriate $337,649 to Escambia County Health Department for the Fiscal Year October 1, 2020, through September 30, 2021.

LEGAL CONSIDERATIONS/SIGN-OFF:

Section 154.01 Florida Statutes states that "The several Counties of the state may cooperate with the Department of Health in the establishment and maintenance of full-time County health departments in such Counties for the promotion of the public's health, the control and eradication of preventable diseases, and the provision of primary care for special populations. The Department of Health shall enter into Contracts with several Counties of the purposes of this part."

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

N/A

IMPLEMENTATION/COORDINATION:

Upon Board approval, the Chairman will sign the provided Contract.

Contract 20-21

CONTRACT BETWEEN
ESCAMBIA COUNTY BOARD OF COUNTY COMMISSIONERS
AND
STATE OF FLORIDA DEPARTMENT OF HEALTH
FOR OPERATION OF THE
ESCAMBIA COUNTY HEALTH DEPARTMENT
CONTRACT YEAR 2020-2021

This contract is made and entered into between the State of Florida, Department of Health ("State") and the Escambia County Board of County Commissioners ("County"), through their undersigned authorities, effective October 1, 2020.

RECITALS

A. Pursuant to Chapter 154, Florida Statutes, the intent of the legislature is to "promote, protect, maintain, and improve the health and safety of all citizens and visitors of this state through a system of coordinated county health department services."

B. County Health Departments were created throughout Florida to satisfy this legislative intent through "promotion of the public's health, the control and eradication of preventable diseases, and the provision of primary health care for special populations."

C. Escambia County Health Department ("CHD") is one of the created County Health Departments.

D. It is necessary for the parties hereto to enter into this contract in order to ensure coordination between the State and the County in the operation of the CHD.

NOW THEREFORE, in consideration of the mutual promises set forth herein, the sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. RECITALS. The parties mutually agree that the foregoing recitals are true and correct and incorporated herein by reference.

2. TERM. The parties mutually agree that this contract shall be effective from October 1, 2020, through September 30, 2021, or until a written contract replacing this contract is entered into between the parties, whichever is later, unless this contract is otherwise terminated pursuant to the termination provisions set forth in paragraph 8. below.

3. SERVICES MAINTAINED BY THE CHD. The parties mutually agree that the CHD shall provide those services as set forth on Part III of Attachment II hereof, in order to maintain the following three levels of service pursuant to section 154.01(2), Florida Statutes, as defined below:

a. "Environmental health services" are those services which are organized and operated to protect the health of the general public by monitoring and regulating activities in the environment which may contribute to the occurrence or transmission of disease. Environmental health services shall be supported by available federal, state and local funds

and shall include those services mandated on a state or federal level. Examples of environmental health services include, but are not limited to, food hygiene, safe drinking water supply, sewage and solid waste disposal, swimming pools, group care facilities, migrant labor camps, toxic material control, radiological health, and occupational health.

b. "Communicable disease control services" are those services which protect the health of the general public through the detection, control, and eradication of diseases which are transmitted primarily by human beings. Communicable disease services shall be supported by available federal, state, and local funds and shall include those services mandated on a state or federal level. Such services include, but are not limited to, epidemiology, sexually transmissible disease detection and control, HIV/AIDS, immunization, tuberculosis control and maintenance of vital statistics.

c. "Primary care services" are acute care and preventive services that are made available to well and sick persons who are unable to obtain such services due to lack of income or other barriers beyond their control. These services are provided to benefit individuals, improve the collective health of the public, and prevent and control the spread of disease. Primary health care services are provided at home, in group settings, or in clinics. These services shall be supported by available federal, state, and local funds and shall include services mandated on a state or federal level. Examples of primary health care services include, but are not limited to: first contact acute care services; chronic disease detection and treatment; maternal and child health services; family planning; nutrition; school health; supplemental food assistance for women, infants, and children; home health; and dental services.

4. FUNDING. The parties further agree that funding for the CHD will be handled as follows:

a. The funding to be provided by the parties and any other sources is set forth in Part II of Attachment II hereof. This funding will be used as shown in Part I of Attachment II.

i. The State's appropriated responsibility *(direct contribution excluding any state fees, Medicaid contributions or any other funds not listed on the Schedule C)* as provided in Attachment II, Part II is an amount not to exceed $ 9,737,173 *(State General Revenue, State Funds, Other State Funds and Federal Funds listed on the Schedule C)*. The State's obligation to pay under this contract is contingent upon an annual appropriation by the Legislature.

ii. The County's appropriated responsibility *(direct contribution excluding any fees, other cash or local contributions)* as provided in Attachment II, Part II is an amount not to exceed $337,649 *(amount listed under the "Board of County Commissioners Annual Appropriations section of the revenue attachment)*.

b. Overall expenditures will not exceed available funding or budget authority, whichever is less, (either current year or from surplus trust funds) in any service category. Unless requested otherwise, any surplus at the end of the term of this contract in the County Health Department Trust Fund that is attributed to the CHD shall be carried forward to the next contract period.

c. Either party may establish service fees as allowed by law to fund activities of the CHD. Where applicable, such fees shall be automatically adjusted to at least the Medicaid fee schedule.

d. Either party may increase or decrease funding of this contract during the term hereof by notifying the other party in writing of the amount and purpose for the change in funding. If the State initiates the increase/decrease, the CHD will revise the Attachment II and send a copy of the revised pages to the County and the Department of Health, Office of Budget and Revenue Management. If the County initiates the increase/decrease, the County shall notify the CHD. The CHD will then revise the Attachment II and send a copy of the revised pages to the Department of Health, Office of Budget and Revenue Management.

e. The name and address of the official payee to whom payments shall be made is:

County Health Department Trust Fund
Escambia County
1295 W. Fairfield Drive
Pensacola, FL 32501

5. CHD DIRECTOR/ADMINISTRATOR. Both parties agree the director/administrator of the CHD shall be a State employee or under contract with the State and will be under the day-to-day direction of the Deputy Secretary for County Health Systems. The director/administrator shall be selected by the State with the concurrence of the County. The director/administrator of the CHD shall ensure that non-categorical sources of funding are used to fulfill public health priorities in the community and the Long Range Program Plan.

6. ADMINISTRATIVE POLICIES AND PROCEDURES. The parties hereto agree that the following standards should apply in the operation of the CHD:

a. The CHD and its personnel shall follow all State policies and procedures, except to the extent permitted for the use of County purchasing procedures as set forth in subparagraph b., below. All CHD employees shall be State or State-contract personnel subject to State personnel rules and procedures. Employees will report time in the Health Management System compatible format by program component as specified by the State.

b. The CHD shall comply with all applicable provisions of federal and state laws and regulations relating to its operation with the exception that the use of County purchasing procedures shall be allowed when it will result in a better price or service and no statewide Department of Health purchasing contract has been implemented for those goods or services. In such cases, the CHD director/administrator must sign a justification therefore, and all County purchasing procedures must be followed in their entirety, and such compliance shall be documented. Such justification and compliance documentation shall be maintained by the CHD in accordance with the terms of this contract. State procedures must be followed for all leases on facilities not enumerated in Attachment IV.

c. The CHD shall maintain books, records and documents in accordance with the Generally Accepted Accounting Principles (GAAP), as promulgated by the Governmental Accounting Standards Board (GASB), and the requirements of federal or state law. These

records shall be maintained as required by the Department of Health Policies and Procedures for Records Management and shall be open for inspection at any time by the parties and the public, except for those records that are not otherwise subject to disclosure as provided by law which are subject to the confidentiality provisions of paragraphs 6.i. and 6.k., below. Books, records and documents must be adequate to allow the CHD to comply with the following reporting requirements:

i. The revenue and expenditure requirements in the Florida Accounting Information Resource (FLAIR) System;

ii. The client registration and services reporting requirements of the minimum data set as specified in the most current version of the Client Information System/Health Management Component Pamphlet;

iii. Financial procedures specified in the Department of Health's Accounting Procedures Manuals, Accounting memoranda, and Comptroller's memoranda;

iv. The CHD is responsible for assuring that all contracts with service providers include provisions that all subcontracted services be reported to the CHD in a manner consistent with the client registration and service reporting requirements of the minimum data set as specified in the Client Information System/Health Management Component Pamphlet.

d. All funds for the CHD shall be deposited in the County Health Department Trust Fund maintained by the state treasurer. These funds shall be accounted for separately from funds deposited for other CHDs and shall be used only for public health purposes in Escambia County.

e. That any surplus/deficit funds, including fees or accrued interest, remaining in the County Health Department Trust Fund account at the end of the contract year shall be credited/debited to the State or County, as appropriate, based on the funds contributed by each and the expenditures incurred by each. Expenditures will be charged to the program accounts by State and County based on the ratio of planned expenditures in this contract and funding from all sources is credited to the program accounts by State and County. The equity share of any surplus/deficit funds accruing to the State and County is determined each month and at contract year-end. Surplus funds may be applied toward the funding requirements of each participating governmental entity in the following year. However, in each such case, all surplus funds, including fees and accrued interest, shall remain in the trust fund until accounted for in a manner which clearly illustrates the amount which has been credited to each participating governmental entity. The planned use of surplus funds shall be reflected in Attachment II, Part I of this contract, with special capital projects explained in Attachment V.

f. There shall be no transfer of funds between the three levels of services without a contract amendment unless the CHD director/administrator determines that an emergency exists wherein a time delay would endanger the public's health and the Deputy Secretary for County Health Systems has approved the transfer. The Deputy Secretary for County Health Systems

shall forward written evidence of this approval to the CHD within 30 days after an emergency transfer.

g. The CHD may execute subcontracts for services necessary to enable the CHD to carry out the programs specified in this contract. Any such subcontract shall include all aforementioned audit and record keeping requirements.

h. At the request of either party, an audit may be conducted by an independent CPA on the financial records of the CHD and the results made available to the parties within 180 days after the close of the CHD fiscal year. This audit will follow requirements contained in OMB Circular A-133 and may be in conjunction with audits performed by County government. If audit exceptions are found, then the director/administrator of the CHD will prepare a corrective action plan and a copy of that plan and monthly status reports will be furnished to the contract managers for the parties.

i. The CHD shall not use or disclose any information concerning a recipient of services except as allowed by federal or state law or policy.

j. The CHD shall retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this contract for a period of five (5) years after termination of this contract. If an audit has been initiated and audit findings have not been resolved at the end of five (5) years, the records shall be retained until resolution of the audit findings.

k. The CHD shall maintain confidentiality of all data, files, and records that are confidential under the law or are otherwise exempted from disclosure as a public record under Florida law. The CHD shall implement procedures to ensure the protection and confidentiality of all such records and shall comply with sections 384.29, 381.004, 392.65 and 456.057, Florida Statutes, and all other state and federal laws regarding confidentiality. All confidentiality procedures implemented by the CHD shall be consistent with the Department of Health Information Security Policies, Protocols, and Procedures. The CHD shall further adhere to any amendments to the State's security requirements and shall comply with any applicable professional standards of practice with respect to client confidentiality.

l. The CHD shall abide by all State policies and procedures, which by this reference are incorporated herein as standards to be followed by the CHD, except as otherwise permitted for some purchases using County procedures pursuant to paragraph 6.b.

m. The CHD shall establish a system through which applicants for services and current clients may present grievances over denial, modification or termination of services. The CHD will advise applicants of the right to appeal a denial or exclusion from services, of failure to take account of a client's choice of service, and of his/her right to a fair hearing to the final governing authority of the agency. Specific references to existing laws, rules or program manuals are included in Attachment I of this contract.

n. The CHD shall comply with the provisions contained in the Civil Rights Certificate, hereby incorporated into this contract as Attachment III.

o. The CHD shall submit quarterly reports to the County that shall include at least the following:

i. The DE385L1 Contract Management Variance Report and the DE580L1 Analysis of Fund Equities Report;

ii. A written explanation to the County of service variances reflected in the year end DE385L1 report if the variance exceeds or falls below 25 percent of the planned expenditure amount for the contract year. However, if the amount of the service specific variance between actual and planned expenditures does not exceed three percent of the total planned expenditures for the level of service in which the type of service is included, a variance explanation is not required. A copy of the written explanation shall be sent to the Department of Health, Office of Budget and Revenue Management.

p. The dates for the submission of quarterly reports to the County shall be as follows unless the generation and distribution of reports is delayed due to circumstances beyond the CHD's control:

i. March 1, 2021 for the report period October 1, 2020 through December 31, 2020;

ii. June 1, 2021 for the report period October 1, 2020 through March 31, 2021;

iii. September 1, 2021 for the report period October 1, 2020 through June 30, 2021; and

iv. December 1, 2021 for the report period October 1, 2020 through September 30, 2021.

7. FACILITIES AND EQUIPMENT. The parties mutually agree that:

a. CHD facilities shall be provided as specified in Attachment IV to this contract and the County shall own the facilities used by the CHD unless otherwise provided in Attachment IV.

b. The County shall ensure adequate fire and casualty insurance coverage for County-owned CHD offices and buildings and for all furnishings and equipment in CHD offices through either a self-insurance program or insurance purchased by the County.

c. All vehicles will be transferred to the ownership of the County and registered as County vehicles. The County shall ensure insurance coverage for these vehicles is available through either a self-insurance program or insurance purchased by the County. All vehicles will be used solely for CHD operations. Vehicles purchased through the County Health Department Trust Fund shall be sold at fair market value when they are no longer needed by the CHD and the proceeds returned to the County Health Department Trust Fund.

8. TERMINATION.

a. Termination at Will. This contract may be terminated by either party without cause upon no less than one-hundred eighty (180) calendar days notice in writing to the other party unless a lesser time is mutually agreed upon in writing by both parties. Said notice shall be delivered by certified mail, return receipt requested, or in person to the other party's contract manager with proof of delivery.

b. Termination Because of Lack of Funds. In the event funds to finance this contract become unavailable, either party may terminate this contract upon no less than twenty-four (24) hours notice. Said notice shall be delivered by certified mail, return receipt requested, or in person to the other party's contract manager with proof of delivery.

c. Termination for Breach. This contract may be terminated by one party, upon no less than thirty (30) days notice, because of the other party's failure to perform an obligation hereunder. Said notice shall be delivered by certified mail, return receipt requested, or in person to the other party's contract manager with proof of delivery. Waiver of breach of any provisions of this contract shall not be deemed to be a waiver of any other breach and shall not be construed to be a modification of the terms of this contract.

9. MISCELLANEOUS. The parties further agree:

a. Availability of Funds. If this contract, any renewal hereof, or any term, performance or payment hereunder, extends beyond the fiscal year beginning July 1, 2021, it is agreed that the performance and payment under this contract are contingent upon an annual appropriation by the Legislature, in accordance with section 287.0582, Florida Statutes.

b. Contract Managers. The name and address of the contract managers for the parties under this contract are as follows:

For the State:	For the County:
Linda Moyer Name	Amber M. McClure Name
Public Health Services Manager Title	Chief Budget Officer Title
1295 W. Fairfield Drive Pensacola, FL 32501 Address	221 Palafox Place Pensacola, FL 32502 Address
(850) 595-6500 x1010 Telephone	(850) 595-4954 Telephone

If different contract managers are designated after execution of this contract, the name, address and telephone number of the new representative shall be furnished in writing to the other parties and attached to originals of this contract.

c. Captions. The captions and headings contained in this contract are for the convenience of the parties only and do not in any way modify, amplify, or give additional notice of the provisions hereof.

In WITNESS THEREOF, the parties hereto have caused this eight page contract, with its attachments as referenced, including Attachment I (two pages), Attachment II (six pages), Attachment III (one page), Attachment IV (one page), and Attachment V (one page), to be executed by their undersigned officials as duly authorized effective the 1st day of October, 2020.

ESCAMBIA COUNTY HEALTH DEPARTMENT

PROGRAM SPECIFIC REPORTING REQUIREMENTS AND PROGRAMS REQUIRING COMPLIANCE WITH THE PROVISIONS OF SPECIFIC MANUALS

Some health services must comply with specific program and reporting requirements in addition to the Personal Health Coding Pamphlet (DHP 50-20), Environmental Health Coding Pamphlet (DHP 50-21) and FLAIR requirements because of federal or state law, regulation or rule. If a county health department is funded to provide one of these services, it must comply with the special reporting requirements for that service. The services and the reporting requirements are listed below:

	Service	Requirement
1.	Sexually Transmitted Disease Program	Requirements as specified in F.A.C. 64D-3, F.S. 381 and F.S. 384.
2.	Dental Health	Periodic financial and programmatic reports as specified by the program office.
3.	Special Supplemental Nutrition Program for Women, Infants and Children (including the WIC Breastfeeding Peer Counseling Program)	Service documentation and monthly financial reports as specified in DHM 150-24* and all federal, state and county requirements detailed in program manuals and published procedures.
4.	Healthy Start/ Improved Pregnancy Outcome	Requirements as specified in the 2007 Healthy Start Standards and Guidelines and as specified by the Healthy Start Coalitions in contract with each county health department.
5.	Family Planning	Requirements as specified in Public Law 91-572, 42 U.S.C. 300, et seq., 42 CFR part 59, subpart A, 45 CFR parts 74 & 92, 2 CFR 215 (OMB Circular A-110) OMB Circular A-102, F.S. 381.0051, F.A.C. 64F-7, F.A.C. 64F-16, and F.A.C. 64F-19. Requirements and Guidance as specified in the Program Requirements for Title X Funded Family Planning Projects (Title X Requirements)(2014) and the Providing Quality Family Planning Services (QFP): Recommendations of CDC and the U.S. Office of Population Affairs published on the Office of Population Affairs website. Programmatic annual reports as specified by the program office as specified in the annual programmatic Scope of Work for Family Planning and Maternal Child Health Services, including the Family Planning Annual Report (FPAR), and other minimum guidelines as specified by the Policy Web Technical Assistance Guidelines.
6.	Immunization	Periodic reports as specified by the department pertaining to immunization levels in kindergarten and/or seventh grade pursuant to instructions contained in the Immunization Guidelines-Florida Schools, Childcare Facilities and Family Daycare Homes (DH Form 150-615) and Rule 64D-3.046, F.A.C. In addition, periodic reports as specified by the department pertaining to the surveillance/investigation of reportable vaccine-preventable diseases, adverse events, vaccine accountability, and assessment of immunization

ATTACHMENT I (Continued)

		levels as documented in Florida SHOTS and supported by CHD Guidebook policies and technical assistance guidance.
7.	Environmental Health	Requirements as specified in Environmental Health Programs Manual 150-4* and DHP 50-21*
8.	HIV/AIDS Program	Requirements as specified in F.S. 384.25 and F.A.C. 64D-3.030 and 64D-3.031. Case reporting should be on Adult HIV/AIDS Confidential Case Report CDC Form DH2139 and Pediatric HIV/AIDS Confidential Case Report CDC Form DH2140. Requirements as specified in F.A.C. 64D-2 and 64D-3, F.S. 381 and F.S. 384. Socio-demographic and risk data on persons tested for HIV in CHD clinics should be reported on Lab Request DH Form 1628 in accordance with the Forms Instruction Guide. Requirements for the HIV/AIDS Patient Care programs are found in the Patient Care Contract Administrative Guidelines.
9.	School Health Services	Requirements as specified in the Florida School Health Administrative Guidelines (May 2012). Requirements as specified in F.S. 381.0056, F.S. 381.0057, F.S. 402.3026 and F.A.C. 64F-6.
10.	Tuberculosis	Tuberculosis Program Requirements as specified in F.A.C. 64D-3 and F.S. 392.
11.	General Communicable Disease Control	Carry out surveillance for reportable communicable and other acute diseases, detect outbreaks, respond to individual cases of reportable diseases, investigate outbreaks, and carry out communication and quality assurance functions, as specified in F.A.C. 64D-3, F.S. 381, F.S. 384 and the CHD Epidemiology Guide to Surveillance and Investigations.
12.	Refugee Health Program	Programmatic and financial requirements as specified by the program office.

*or the subsequent replacement if adopted during the contract period.

ATTACHMENT III

ESCAMBIA COUNTY HEALTH DEPARTMENT

CIVIL RIGHTS CERTIFICATE

The applicant provides this assurance in consideration of and for the purpose of obtaining federal grants, loans, contracts (except contracts of insurance or guaranty), property, discounts, or other federal financial assistance to programs or activities receiving or benefiting from federal financial assistance. The provider agrees to complete the Civil Rights Compliance Questionnaire, DH Forms 946 A and B (or the subsequent replacement if adopted during the contract period), if so requested by the department.

The applicant assures that it will comply with:

1. Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C., 2000 Et seq., which prohibits discrimination on the basis of race, color or national origin in programs and activities receiving or benefiting from federal financial assistance.

2. Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, which prohibits discrimination on the basis of handicap in programs and activities receiving or benefiting from federal financial assistance.

3. Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. 1681 et seq., which prohibits discrimination on the basis of sex in education programs and activities receiving or benefiting from federal financial assistance.

4. The Age Discrimination Act of 1975, as amended, 42 U.S.C. 6101 et seq., which prohibits discrimination on the basis of age in programs or activities receiving or benefiting from federal financial assistance.

5. The Omnibus Budget Reconciliation Act of 1981, P.L. 97-35, which prohibits discrimination on the basis of sex and religion in programs and activities receiving or benefiting from federal financial assistance.

6. All regulations, guidelines and standards lawfully adopted under the above statutes. The applicant agrees that compliance with this assurance constitutes a condition of continued receipt of or benefit from federal financial assistance, and that it is binding upon the applicant, its successors, transferees, and assignees for the period during which such assistance is provided. The applicant further assures that all contracts, subcontractors, subgrantees or others with whom it arranges to provide services or benefits to participants or employees in connection with any of its programs and activities are not discriminating against those participants or employees in violation of the above statutes, regulations, guidelines, and standards. In the event of failure to comply, the applicant understands that the grantor may, at its discretion, seek a court order requiring compliance with the terms of this assurance or seek other appropriate judicial or administrative relief, to include assistance being terminated and further assistance being denied.

SPECIAL PROJECTS CONSTRUCTION/RENOVATION PLAN

PROJECT NUMBER: 72017100

PROJECT NAME: Fairfield Chiller Replacement

LOCATION/ADDRESS: 1295 W Fairfield Drive

PROJECT TYPE:

NEW BUILDING		ROOFING	
RENOVATION		PLANNING STUDY	
NEW ADDITION		OTHER	X

SQUARE FOOTAGE: 45000

PROJECT SUMMARY:

Describe scope of work in reasonable detail.

The existing 160 Ton Chiller at this location is nearing the end of its useful life as indicated by the increasing maintenance and repair costs. The condenser coil sections are failing and have already been bypassed to allow repair for continued operation of the existing chiller as a temporary solution. The original chiller was installed in 2006. Failure would result in closure of the facility and require emergency repair and costs for temporary equipment. The project will provide for engineering review of the system and repair/modication as needed.

START DATE *(Initial expenditure of funds)* : September 1, 2020

COMPLETION DATE: March 31, 2021

DESIGN FEES: $ 30000

CONSTRUCTION COSTS: $ 270000

FURNITURE/EQUIPMENT: $ 0

TOTAL PROJECT COST: $ 300000

COST PER SQ FOOT: $ 7

Special Capital Projects are new construction or renovation projects and new furniture or equipment associated with these projects and mobile health vans.

* Cash balance as of 9/30/20

** Cash to be transferred to FCO account.

*** Cash anticipated for future contract years.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18824 **County Administrator's Report 10. 12.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 11/05/2020
Issue: Amendment to Standard Forms of Contracts
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Amendments to Standard Construction Contracts - Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve Amendments to the Standard Construction Contracts, as follows:

1. Form A: A/E Designed - Exhibit A, General Terms and Conditions, Progress Payments, E-Verify and other non-substantive revisions;
2. Form B: Construction - Exhibit A, General Terms and Conditions, Progress Payments, E-Verify and other non-substantive revisions;
3. Form C: Design/Build - Exhibit A, General Terms and Conditions, Progress Payments, E-Verify and other non-substantive revisions;
4. Form D: Road/Drainage - Exhibit A, General Terms and Conditions, Progress Payments, E-Verify and other non-substantive revisions;
5. Form F: Consulting Services for Task Orders - Exhibit A, General Terms, E-Verify and other non-substantive revisions;
6. Form G: Consulting Services for Stand-Alone Projects - Exhibit A, General Terms, E-Verify and other non-substantive revisions;
7. Form H: Consulting Services for Study - Exhibit A, General Terms, E-Verify and other non-substantive revisions; and
8. Form I: Bridges/Docks/Boat Ramps - Exhibit A, General Terms and Conditions, Progress Payments, E-Verify and other non-substantive revisions.

BACKGROUND:

The proposed Amendments to the Standard Construction Contracts incorporate requirements of the Local Government Prompt Payment Act, as provided in §218.735(8), Florida Statutes, relating to the release of retainage of construction services purchased pursuant to the Contract and Employment Eligibility Verification, in accordance with §448.095, Florida Statutes.

Exhibit A
General Terms and Conditions

Section X. Progress Payments.

X.X a) If the Contract Amount is $200,000.00 or less, the following shall apply: County shall retain ten percent (10%) of the gross amount of each monthly payment request or ten percent (10%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer.

b) If the Contract Amount is in excess of $200,000.00, the following shall apply: ~~After fifty-percent 50% completion of Work,~~ the County shall ~~reduce the retainage to~~ retainfive percent (5%) of the gross amount of each monthly payment request or five percent (5%) of the portion thereof approved by the County for payment, whichever is less. ~~After fifty percent (50%) completion of Work, the Contractor may request payment of up to one-half of the retainage held by the County, and the County shall make payment unless there are grounds for withholding the payment of retainage.~~ Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer. This subsection shall not apply if the project is paid, in whole or in part, with federal funds and subject to federal grantor laws and regulations or requirements that are contrary to any provision of the Local Government Prompt Payment Act.

The County shall not pay or release any amounts that are the subject of a good faith dispute, claim, or demand.

~~Release of any portion or percentage of sums retained prior to final completion of the Project shall in no way imply approval or acceptance of Contractor's work.~~

X.X Monthly payments to Contractor, including the release of any portion or percentage of sums retained prior to final completion of the Project, shall in no way imply approval or acceptance of Contractor's work.

XX.X Employment Eligibility Verification.

In accordance with ~~State of Florida, Office of the Governor, Executive Order 11-116 (superseding Executive Order 11-02; Verification of Employment Status), in the event performance of this Agreement is or will be funded using state or federal funds, the CONTRACTOR must comply with the Employment Eligibility Verification Program ("E-Verify Program") developed by the federal government to verify the eligibility of individuals to work in the United States and 48 CFR 52.222-54 (as amended) is incorporated herein by reference. If applicable, in accordance with Subpart 22.18 of the Federal Acquisition Register, the CONTRACTOR must (1) enroll in the E-Verify Program, (2) use E-Verify to verify the employment eligibility of all new hires working in the United States, except if the CONTRACTOR is a state or local government, the CONTRACTOR may choose to verify only new hires assigned to the Agreement; (3) use E-Verify to verify the employment eligibility of all employees assigned to the Agreement; and (4) include these requirement in certain subcontracts, such as construction.~~ §448.095, Florida Statutes, Contractor shall register with and utilize the E-Verify System operated by the United States Department of Homeland Security to verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Contractor enters into a contract with a subcontractor performing work or providing services on its behalf, Contractor shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify System can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

STANDARD ARCHITECT/ENGINEER DESIGNED CONSTRUCTION CONTRACT DOCUMENTS

FOR

AGREEMENT BETWEEN
THE BOARD OF COUNTY COMMISSIONERS OF
ESCAMBIA COUNTY, FLORIDA
AND
_____

FORM A: A/E Designed Construction
A_AE.2020.docx
(Revised 2020)

AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA AND _____ FOR ARCHITECT/ENGINEER DESIGNED CONSTRUCTION

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida ("County"), with administrative offices at 221 South Palafox Place, Pensacola, Florida 32502, and _____, a _____ for-profit [corporation OR limited liability company] ("Contractor"), FEI/EIN _____, with a principal address of _____, relating to the Contractor's performance of all work ("Work") in connection with _____, P.D. _____ ("Project"), as detailed in the attached Plans and Specifications and other Contract Documents hereafter specified.

WITNESSETH:

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

SECTION 1. CONTRACT DOCUMENTS.

1.1 The Contract Documents include this Agreement, including Amendments and Exhibits, the Exhibits described in Section 6, Change Orders, Work Directive Changes, Field Orders and the solicitation documents, including addenda. These Contract Documents are incorporated by reference and made a part of this Agreement. A copy of all Contract Documents shall be maintained by Contractor at the Project site at all times during the performance of the Work.

1.2 In case of any inconsistency or conflict among the provisions of the agreement and any other terms and conditions of any documents comprising the Contract Documents, the provisions of the Agreement shall control. Concerning the Contract Documents, the order of precedence shall be as follows: 1) the Agreement, including Amendments and Exhibits; 2) Change Orders; 3) Work Directive Changes; 4) Field Orders; 5) the Solicitation Documents, including addenda. The Contract Documents listed above represent the entire and integrated agreement between the parties hereto, and supersede prior negotiations, representations, or agreements, either written or oral.

1.3 County shall furnish to the Contractor up to four (4) sets of the Contract Documents for execution of the Work. Additional copies of the Contract Documents are available at the cost of reproduction.

SECTION 2. SCOPE OF WORK.
Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the Work required by the Contract Documents.

SECTION 3. CONTRACT AMOUNT.
In consideration of the faithful performance by Contractor of the covenants in this Agreement to the full satisfaction and acceptance of County, County agrees to pay, or cause to be paid, to Contractor in accordance with the terms of this Agreement the following amount (herein "Contract Amount"): [Contract Amount]

SECTION 4. BONDS.

4.1 Contractor shall provide at his expense Performance and Payment Bonds, in the form prescribed in **Exhibit B**, in the amount of 100% of the Contract Amount. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to County; provided; however, the surety shall be rated as "A-" (excellent) or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holder's surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

4.2 If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval. Failure by Contractor to maintain its bonds in full force and effect at all times, including the warranty period, shall be grounds for termination of this Contract.

4.3 Pursuant to §255.05, Florida Statutes, the Contractor shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the project sufficient to identify it. (The recording fee is $10.00 for the first page and $8.50 for each remaining page).

SECTION 5. CONTRACT TIME AND LIQUIDATED DAMAGES.

5.1 Time is of the essence in the performance of the Work under this Agreement. Contractor shall commence the Work within ten (10) calendar days from the Commencement Date, established in the Notice to Proceed. No Work shall be performed at the Project site prior to the Commencement Date. Contractor shall provide 48 hours' notice prior to beginning the Work. The Work shall be substantially completed within _____ ( ) calendar days from the Commencement Date. The Work shall be fully completed and deemed ready by the County for final completion within _____ ( ) calendar days from the Substantial Completion Date. The Contract Time shall be the time period from the Commencement Date to the date of final completion totaling _____ ( ) calendar days (herein "Contract Time").

5.2 County and Contractor recognize that, since time is of the essence for this Agreement, the County will suffer financial loss if the Work is not substantially completed within the time specified. Should Contractor fail to substantially complete the Work within the time period noted above, County shall be entitled to assess, as liquidated damages, but not as a penalty, **$**_____ for each calendar day thereafter until substantial completion is achieved. The Project shall be deemed to be substantially completed by the County on the date that the County's Architect certifies in writing that the construction of the project, or specified part thereof, is sufficiently completed in accordance with the Contract Documents, so that the Project or specified part can be utilized for the purposes for which it is intended. Along with such certification, the County's Architect shall compile a "punch list" of any remaining exceptions that do not adversely affect the use of the Project. Completion of these items will be required prior to final payment.

SAMPLE

5.3 Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the County's actual damages at the time of contracting if Contractor fails to substantially complete the Work in accordance with the progress schedule.

5.4 When any period of time is referenced to by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday, or legal holiday.

SECTION 6. EXHIBITS INCORPORATED.

The following documents are expressly agreed to be incorporated by reference and made a part of this Agreement.

Exhibit A:	General Terms and Conditions
Exhibit B:	Form of Performance and Payment Bonds
Exhibit C:	Insurance Requirements
Exhibit D:	Form of Release and Affidavit
Exhibit E:	Form of Contractor Application for Payment
Exhibit F:	Form of Change Order
Exhibit G:	Owner Direct Purchases- FORM OF 0205 (if applicable)
Exhibit H:	Working Drawings / Plans prepared by Architect/Engineer and Identified as Follows: **[Description/Sheet No./Date]**
Exhibit I:	Technical Specifications **[Description/Date]**
Exhibit J:	Supplemental Terms and Conditions
Exhibit K:	Federal Documents (if applicable)
Exhibit L:	Solicitation Documents Index

SECTION 7. NOTICES.

7.1 All notices required or made pursuant to this Agreement by the Contractor to the County shall be in writing and delivered by hand or by United States Postal Service Department, first class mail, postage pre-paid, return receipt requested, addressed to the following:

_____
_____
_____
Attn: _____

7.2 All notices required or made pursuant to this Agreement by County to Contractor shall be made in writing and shall be delivered by hand or by United States Postal Service Department, first class mail, postage pre-paid, return receipt requested, addressed to the following:

_____
_____
_____
Attn: _____

7.3 Either party may change its above noted address by giving written notice to the other party

SAMPLE

in accordance with the requirements of this Section.

SECTION 8. MODIFICATION.
No modification or change to the Agreement shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

SECTION 9. SUCCESSORS AND ASSIGNS.
Subject to other provisions hereof, the Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Agreement.

SECTION 10. GOVERNING LAW.
The Agreement shall be interpreted under and its performance governed by the laws of the State of Florida and the parties agree that venue shall be in Escambia County, Florida for any matter which is the subject of this Contract.

SECTION 11. NO WAIVER.
The failure of the County to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

SECTION 12. ENTIRE AGREEMENT.
Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Agreement.

SECTION 13. SEVERABILITY.
Should any provision of the Agreement be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

SECTION 14. PUBLIC RECORDS.
The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract. In such case, the Contractor shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontractor work).

EXHIBIT A
GENERAL TERMS AND CONDITIONS

Section 1. INTENT OF CONTRACT DOCUMENTS

1.1. It is the intent of the Contract Documents to describe a functionally complete project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents as being required to produce the intended result shall be supplied whether or not specifically called for. When words which have a well known technical or trade meaning are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in affect at the time the Work is performed, except as may be otherwise specifically stated herein.

1.2. During the performance of the Work, if Contractor discovers a conflict, error or discrepancy in the Contract Document, Contractor immediately shall report same to Architect/Engineer in writing and before proceeding with the Work affected thereby shall obtain a written interpretation or clarification from the Architect/Engineer. Contractor shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to Contractor with the Contract Documents before commencing any portion of the Work.

1.3. Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts, or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications of other Contract Document provisions, Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Contractor, as determined by the Architect/Engineer. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

1.4. "Architect", where referenced on the drawings or in the specifications or in other related documents, shall mean the Escambia County Architect or the designated representative thereof.

Section 2. INVESTIGATION AND UTILITIES

2.1. Contractor shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the Project area as a whole; topography and ground surface conditions; nature and quality of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Contractor to acquaint itself with any applicable

conditions shall not relieve Contractor from any of its responsibilities to perform under the Contract Documents, nor shall it be considered the basis for any claim for additional time or compensation.

2.2. Contractor shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Section 2 as the "Utilities". Contractor shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Contractor shall schedule and coordinate its Work around any such relocation or temporary service interruption. Contractor shall be responsible for properly shoring, supporting and protecting all Utilities at all times during the course of the Work.

Section 3. SCHEDULE

3.1. Within ten (10) calendar days after receipt of the Notice of Award, Contractor shall prepare and submit to County, for review and approval, a progress schedule for the Project (herein "Progress Schedule"). The Progress Schedule may be provided in an electronic format. The Progress Schedule shall relate to all Work required by the Contract Documents and shall provide for expeditious and practicable execution of the Work within the Contract Time. The Progress Schedule shall indicate the dates for starting and completing the various stages of the Work and shall include dates of Shop Drawing Submittals.

3.2. The Progress Schedule shall be updated monthly by Contractor. All monthly updates to the Progress Schedule shall be subject to the County's review and approval. Contractor shall submit the updates to the Progress Schedule with its Applications for Payment noted below. The County's review and approval of the submitted Progress Schedule updates shall be a condition precedent to the County's obligation to pay Contractor.

Section 4. PROGRESS PAYMENTS

4.1. Prior to submitting its first Application for Payment, Contractor shall submit to County and the Architect/Engineer, for its review and approval, a schedule of values based upon the Contract Price, listing the major elements of the Work and the dollar value for each element. After its approval by the County and Architect/Engineer, this schedule of values shall be used as the basis for the Contractor's Applications for Payment. This schedule shall be updated and submitted along with a completed and notarized copy of the Application for Payment form attached to the Agreement as **Exhibit E**.

4.2. Prior to submitting its first monthly Application for Payment, Contractor shall submit to County and the Architect/Engineer a complete list of all its proposed subcontractors and materialmen, showing the work and materials involved and the dollar amount of each proposed subcontract and purchase order. The first Application for Payment shall be submitted no earlier than thirty (30) calendar days after the Commencement Date.

4.3. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location agreed to by the County in writing, the Application for Payment will subdivide the work into component parts in sufficient detail to serve as the basis for a progress payment and shall also be accompanied by a bill of sale, invoice or other documentation warranting that upon payment by County, the County shall receive the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect County's interest therein, all of which shall be subject to the County's prior written approval.

4.4. Contractor shall submit ___ (__) original copies of each of its Applications for Payment to the Architect/Engineer on or before the 25th day of each month for work performed during the previous month. Invoices received after the 25th day of each month shall be considered for payment as part of the next month's application. Within ten (10) calendar days after receipt of each Application for Payment, the Architect/Engineer shall either: (1) indicate approval of the requested payment; (2) indicate approval of only a portion of the requested payment, stating in writing the reasons therefore; or (3) return the Application for Payment to the Contractor indicating, in writing, the reason for refusing to approve payment. In the event of a total or partial denial of the Application for Payment by the Architect/Engineer, the Contractor may make the necessary corrections and resubmit the Application for Payment for reconsideration within ten (10) calendar days of receiving notice of refusal.

If re-submittal of the Application for Payment is refused by the Architect/Engineer, in whole or in part, the Contractor may submit a written request to the County Administrator for an administrative decision within two (2) business days of receiving notice of refusal. Upon receiving a timely request, an administrative decision shall be rendered within ten (10) calendar days with written notification provided to the Contractor.

If the administrative decision is disputed, the Contractor may submit a written request to the County Administrator for an administrative hearing before the Dispute Resolution Committee (DRC) within two (2) business days of receiving said decision. A hearing shall be scheduled within ten (10) business days from the date the request is received, and the Contractor will receive written notice of the hearing date. The DRC may, within its discretion, render a final decision at the hearing or may elect to mail a written decision to the property owner within a period not to exceed ten (10) calendar days from the hearing date. The DRC's written decision shall be considered administratively final.

The County shall, within twenty (20) business days after County approval of an Application for Payment, pay the Contractor the amounts so approved. Provided, however, in no event shall the County be obligated to pay an amount greater than that portion of the Application for Payment approved.

4.5 Retainage.

a) If the Contract Amount is $200,000.00 or less, the following shall apply:

County shall retain ten percent (10%) of the gross amount of each monthly payment request or ten percent (10%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be

reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer.

b) If the Contract Amount is in excess of $200,000.00, the following shall apply: County shall retain five percent (5%) of the gross amount of each monthly payment request or five percent (5%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer. This subsection shall not apply if the project is paid, in whole or in part, with federal funds and subject to federal grantor laws and regulations or requirements that are contrary to any provision of the Local Government Prompt Payment Act.

The County shall not pay or release any amounts that are the subject of a good faith dispute, claim, or demand.

4.6 Monthly payments to Contractor, including the release of any portion or percentage of sums retained prior to final completion of the Project, shall in no way imply approval or acceptance of Contractor's work.

4.7 Each Application for Payment shall be accompanied by Release and Affidavit, in the form attached as **Exhibit D**, showing that all materials, labor, equipment and other bills associated with that portion of the Work payment is being requested on have been paid in full. The County shall not be required to make payment until and unless these affidavits are furnished by Contractor.

4.8 Applications for Payment will not be approved unless all submittals required by the Contract documents, up to that point, are provided and "As-Built" record documents are maintained as required by Section 8.2.

4.9 Contractor agrees and understands that funding limitations exist and that the expenditure of funds must be spread over the duration of the Project at regular intervals based on the Contract Amount and Progress Schedule. Accordingly, prior to submitting its first monthly Application for Payment, Contractor shall prepare and submit for County's and Architect/Engineer's review and approval, a detailed Project Funding Schedule, which shall be updated as necessary and approved by County to reflect approved adjustments to the Contract Amount and Contract Time. No voluntary acceleration or early completion of the Work shall modify the time of payments to Contractor as set forth in the approved Project Funding Schedule.

4.10 All payments under this Agreement and interest on any late payments shall be governed by the Local Government Prompt Payment Act, §§ 218.70, et seq., Florida Statutes, as amended.

Section 5. PAYMENTS WITHHELD.

The Architect/Engineer or County may decline to approve any Application for Payment, or portions thereof, because of subsequently discovered evidence or subsequent inspections. The Architect/Engineer or County may nullify the whole or any part of any approval for payment previously issued and County may withhold any payments otherwise due Contractor under this Agreement or any other agreement between County and Contractor, to such extent as may be

necessary in the County's opinion to protect it from loss because of: (a) defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the Work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the Work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the Work by the Contractor; or (g) any other material breach of the Contract Documents. If these conditions are not remedied or removed, County may, after three (3) days written notice, rectify the same at Contractor's expense. County also may offset against any sums due Contractor the amount of any liquidated or unliquidated obligations of Contractor to County, whether relating to or arising out of this Agreement or any other agreement between Contractor and County.

Section 6. FINAL PAYMENT

6.1. County shall make final payment to Contractor within thirty (30) calendar days after the Work is finally inspected and accepted by County and Architect/Engineer in accordance with Section 20.1 herein, provided that Contractor first, and as an explicit condition precedent to the accrual of Contractor's right to final payment, shall have furnished County with a properly executed and notarized copy of the Release and Affidavit attached as **Exhibit D**, as well as, a duly executed copy of the Surety's consent to final payment and such other documentation that may be required by the Contract Documents or the County.

6.2. Contractor's acceptance of final payment shall constitute a full waiver of any and all claims by Contractor against County arising out of this Agreement or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final Application for Payment. Neither the acceptance of the Work nor payment by County shall be deemed to be a waiver of County's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the Architect/Engineer or County at the time of final inspection.

Section 7. SUBMITTALS AND SUBSTITUTIONS

7.1. Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. When submitted for the Architect's review, Shop Drawings shall bear the Contractor's certification that the Contractor has reviewed, checked, and approved the Shop Drawings and that they are in conformance with the requirements of the Contract Documents. Contractor shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

7.2. Prior to submitting its first Application for Payment, Contractor shall provide to County a CD/DVD in digital format and/or photographs showing the pre-existing conditions located within the limits of construction.

7.3. Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by County if sufficient information is submitted by Contractor to allow the County

to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by County from anyone other than Contractor and all such requests must be submitted by Contractor to County within thirty (30) calendar days after Notice to Proceed is received by Contractor.

7.4. If Contractor wishes to furnish or use a substitute item of material or equipment, Contractor shall make application to the County for acceptance thereof, certifying that the proposed substitute shall perform adequately the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Contractor's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with County for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the County in evaluating the proposed substitute. The County may require Contractor to furnish at Contractor's expense additional data about the proposed substitute.

7.5. If a specific means, method, technique, sequence or procedure of construction is indicated in or required by the Contract Documents, Contractor may furnish or utilize a substitute means, method, sequence, technique or procedure of construction acceptable to the County, if Contractor submits sufficient information to allow the County to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by the County shall be the same as those provided herein for substitute materials and equipment.

7.6. The County shall be allowed a reasonable time within which to evaluate each proposed substitute. The County shall be the sole judge of acceptability, and no substitute will be ordered, installed or utilized without the County's prior written acceptance, which shall be evidenced by either a Change Order or an approved Shop Drawing. The County may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitute.

Section 8. DAILY REPORTS, AS-BUILTS, AND MEETINGS

8.1. Unless waived in writing by County, Contractor shall complete and submit, along with its Application for Payment, to the County on a monthly basis a daily log of the Contractor's work for the preceding month in a format approved by the County. The daily log shall document all activities of Contractor at the Project site including, but not limited to, the following:

a) Weather conditions showing the high and low temperatures during work hours, the amount of precipitation received on the Project site, and any other weather conditions which adversely affect the Work;
b) Soil conditions which adversely affect the Work;
c) The hours of operation by Contractor's personnel and subcontractor's personnel;

d) The number of Contractor's and subcontractor's personnel present and working at the Project site, by subcontract and trade;
e) All equipment on the Project site, description of equipment use, and designation of time equipment was used (specifically indicating any down time);
f) Description of Work being performed at the Project site;
g) Any unusual or special occurrences at the Project site;
h) Materials received at the Project site; and
i) A list of all visitors to the Project site.

The daily log shall not constitute or take the place of any notice required to be given by Contractor to County or Architect/Engineer pursuant to the Contract Documents.

8.2. Contractor shall maintain in a safe place at the Project site one record copy of the Contract Documents, as well as all shop drawings and other Contractor submittals and all written interpretations and clarifications issued by the County, in good order and annotated to show all changes made during construction. The annotated drawings shall be continuously updated by the Contractor throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Work Directive Changes and Field Orders, and all concealed and buried installations of piping, conduit and utility services. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the annotated drawings as to depth and in relationship to not less than two (2) permanent features (e.g. interior or exterior wall faces). The annotated drawings shall be clean, and all changes, corrections and dimensions shall be given in a neat and legible manner in a contrasting color. The "As-Built" record documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to County for reference. Upon completion of the Work, and as a condition precedent to Contractor's entitlement to final payment, these "As-Built" record documents, samples and shop drawings shall be delivered to County by Contractor.

8.3. Contractor shall keep all records and supporting documentation which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed, whichever is later. County, or any duly authorized agents or representatives of County, shall have the right to audit, inspect and copy all such records and documentation as often as they deem necessary during the period of this Agreement and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 9. CONTRACT TIME AND TIME EXTENSIONS

9.1. Contractor shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and materialmen, as well as coordinating its Work with all work of others at the Project Site, so that its Work or the work of others shall not be delayed or impaired by any act or omission of Contractor. Contractor shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Contract Documents.

9.2. Should Contractor be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall

notify the County in writing within forty-eight (48) hours after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which Contractor may have had to request a time extension.

9.3. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

Section 10. CHANGES IN THE WORK

10.1. County shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Contractor shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of County, and County shall not be liable to the Contractor for any increased compensation without such written order. No officer, employee or agent of County is authorized to direct any extra or changed work orally.

10.2. A Change Order, in the form attached as **Exhibit F** to this Agreement, shall be issued and executed promptly after an agreement is reached between Contractor and County concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as County and Contractor shall mutually agree.

10.3. If County and Contractor are unable to agree on a Change Order for the requested change, Contractor shall, nevertheless, promptly perform the change as directed by County in a written Work Directive Change. In that event, the Contract Amount and Contract Time shall be adjusted as directed by County. If Contractor disagrees with the County's adjustment determination, Contractor must make a claim pursuant to Section 11 of these General Conditions or else be deemed to have waived any claim on this matter it might otherwise have had.

10.4. In the event a requested change results in an increase to the Contract Amount, the amount of the increase shall be limited to the Contractor's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit. In the event such change Work is performed by a Subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all Subcontractors' and sub-subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the Contractor for all of its overhead and profit, for a total maximum markup of fifteen percent (15%). All compensation due Contractor and any Subcontractor or sub-subcontractor for field and home office overhead is included in the markups noted above.

10.5. County shall have the right to conduct an audit of Contractor's books and records to verify the accuracy of the Contractor's claim with respect to Contractor's costs associated with any

Change Order.

10.6. The County shall have authority to order minor changes in the Work not involving an adjustment to the Contract Amount and not inconsistent with the intent of the Contract Documents. Such changes may be affected by Field Order or by other written order. Such changes shall be binding on the Contractor.

Section 11. CLAIMS AND DISPUTES

11.1. A Claim is a demand or assertion by one of the parties seeking an adjustment or interpretation of the terms of the Contract Documents, payment of money, extension of time or other relief with respect to the terms of the Contract Documents. The term "Claim" also includes other disputes and matters in question between County and Contractor arising out of or relating to the Contract Documents. The responsibility to substantiate a Claim shall rest with the party making the Claim.

11.2. Claims by the Contractor shall be made in writing to the County and Architect/Engineer within forty-eight (48) hours after the first day of the event giving rise to such Claim or else the Contractor shall be deemed to have waived the Claim. Written supporting data shall be submitted to the County and Architect/Engineer within fifteen (15) calendar days after the occurrence of the event, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived the Claim. All claims shall be priced in accordance with the provisions of Subsection 10.4.

11.3. The Contractor shall proceed diligently with its performance as directed by the County, regardless of any pending Claim, action, suit or administrative proceeding, unless otherwise agreed to by the County in writing. County shall continue to make payments in accordance with the Contract Documents during the pendency of any Claim.

Section 12. OTHER WORK

12.1. County may perform other work related to the Project at the site by County's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, notice thereof will be given to Contractor. If Contractor believes that such performance will involve additional expense to Contractor or require additional time, Contractor shall send written notice of that fact to County and Architect/Engineer within forty-eight (48) hours of being notified of the other work. If the Contractor fails to send the above required forty-eight (48) hour notice, the Contractor will be deemed to have waived any rights it otherwise may have had to seek an extension to the Contract Time or adjustment to the Contract Amount.

12.2. Contractor shall afford each utility owner and other contractor (or County, if County is performing the additional work with County's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Contractor shall do all cutting, fitting and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating or otherwise altering their work and will only cut or alter their work with the written consent of the Architect/Engineer and the others whose work will be affected.

12.3. If any part of Contractor's Work depends for proper execution or results upon the work of any other contractor or utility owner (or County), Contractor shall inspect and promptly report to Architect/Engineer in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Contractor's failure to report will constitute an acceptance of the other work as fit and proper for integration with Contractor's Work.

Section 13. INDEMNIFICATION AND INSURANCE

13.1 Indemnification. Contractor shall pay on behalf of or indemnify and hold harmless County and its agents, officers and employees from and against all liabilities, damages, losses, and costs, including attorney's and paralegal fees, incurred by County to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by anyone for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. Contractor's obligation as provided herein shall be limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor, and Contractor shall not be required to pay on behalf of or indemnify and hold harmless County where County's negligence, recklessness, or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's fees and paralegal fees.

County and Contractor agree one percent (1%) of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement.

Contractor agrees that such indemnification by Contractor relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any applicable statutes of limitations thereafter. Contractor's obligation to indemnify shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

13.2 Duty to Provide Legal Defense. Contractor shall pay for and provide a legal defense for the County, which shall include attorneys' fees and costs, both of which will be done only if and when requested by the County, for all liabilities, damages, losses, and costs as described in paragraph 13.1 above. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

13.3 Insurance.
Contractor shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in Exhibit C to the Agreement. All insurance policies shall be from responsible companies duly authorized to do business in the State of Florida and/or responsible risk retention group insurance companies or trusts which are registered with the State of Florida. Foreign or off-shore insurance carriers are not acceptable for work under this contract unless admitted to the State of Florida. All commercial insurance carriers providing the Contractor with required insurance shall be a minimum financial size category of VII

according to the AM Best Rating Guide, latest edition. An “A” or better Best Rating is preferred; however, other ratings if "Secure Best Ratings" may be considered. Within ten (10) calendar days after Notice of Award is received by Contractor and prior to the commencement of work, Contractor shall provide County with properly executed Certificates of Insurance to evidence Contractor's compliance with the insurance requirements of the Contract Documents. Said Certificates of Insurance shall be on forms approved by County, such as "Acord Form 25". The Certificates of Insurance shall be personally, manually signed by the authorized representatives of the insurance company/companies shown on the Certificates of Insurance, with proof that they are authorized representatives thereof. Certificates of Insurance shall be mailed to Escambia County in care of: Purchasing Manager, Office of Purchasing, P.O. Box 1591, Pensacola, Florida 32597-1591. In addition, certified, true and correct copies of all insurance policies required hereunder shall be provided to County, on a timely basis, when requested by County.

The Certificates of Insurance and required insurance policies shall contain provisions that thirty (30) calendar days’ prior written notice by registered or certified mail shall be given County of any cancellation, intent not to renew, or reduction in the policies or coverages, except in the application of the aggregate limits provisions. In the event of a reduction in the aggregate limit of any policy, Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

All insurance coverages of the Contractor shall be primary to any insurance or self-insurance program carried by the County applicable to this Project. The acceptance by County of any Certificate of Insurance does not constitute approval or agreement by the County that the insurance requirements have been satisfied or that the insurance policy shown on the Certificate of Insurance is in compliance with the requirements of the Contract Documents. No work shall commence at the Project site unless and until the required Certificates of Insurance are received by the County.

Contractor shall require each of its subcontractors to procure and maintain, until the completion of the subcontractor's work, insurance of the types and to the limits specified in **Exhibit C**, unless such insurance requirements for the subcontractor are expressly waived in writing by the County.

All liability insurance policies, other than professional liability, worker's compensation and employer's liability policies, obtained by Contractor to meet the requirements of the Contract Documents shall name Escambia County as an additional insured and shall contain severability of interest provisions. Escambia County shall also be designated as certificate holder with the address of P. O. Box 1591, Pensacola, Florida 32597-1591.

If any insurance provided pursuant to the Contract Documents expires prior to the completion of the Work, renewal Certificates of Insurance and, if requested by County, certified, true copies of the renewal policies, shall be furnished by Contractor within thirty (30) days prior to the date of expiration. Upon expiration of an insurance policy term during the course of work under the contract, succeeding insurance policies shall be consecutive to the expiring policy.

All liability policies shall be underwritten on the "occurrence" basis, unless otherwise approved in writing by the County Division of Risk Management. "Claims made" policies, if approved by the Risk Manager, and subsequent insurance certificates shall provide a "retro-date" which shall include the effective date of the contract. "Claims-made" renewals or carrier and policy replacements shall reflect the original "retro-date."

Should at any time the Contractor not maintain the insurance coverages required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverages and charge the Contractor for such coverages purchased. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverages shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

13.4 Contractor shall submit to County a copy of all accident reports arising out of any personal injuries or property damages arising or alleged to have arisen on account of any work by Contractor or subcontractor(s) under the Contract Documents.

Section 14. COMPLIANCE WITH LAWS

14.1. Contractor agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, regulations and requirements applicable to the Project, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety. If Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify County and Architect/Engineer in writing. Compliance with the above laws shall include but is not limited to: (1) the Occupational Safety and Health Act, 29 C.F.R. 1910 and 1926, respectively, General Industry Standards and Construction Industry Standards, including regulations regarding Trenching and Shoring; (2) the Florida Workers' Compensation Law, Chapter 440, Florida Statutes; (3) Rules 38F and 38I, Florida Administrative Code; and (4) Florida Department of Transportation Manual of Traffic Control and Safe Practices. Failure to adhere to the requirements of the abovenamed laws and regulations regarding safety and traffic control shall be grounds for an immediate work stoppage, either by County staff or the Contractor, until the deficiency is corrected.

14.2 Employment Eligibility Verification. In accordance with §448.095, Florida Statutes, Contractor shall register with and utilize the E-Verify System operated by the United States Department of Homeland Security to verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Contractor enters into a contract with a subcontractor performing work or providing services on its behalf, Contractor shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Section 15. CLEANUP AND PROTECTIONS

15.1. Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. At the completion of the Work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy by County.

15.2. Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the

Contract Documents to be removed or altered, shall be protected by Contractor from damage during the prosecution of the Work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the Work. Non-compliance with directives of this section may serve as a basis of rejection of Application for Payment.

Section 16. ASSIGNMENT

Contractor shall not assign this Agreement or any part thereof, without the prior consent in writing of County. If Contractor does, with approval, assign this Agreement or any part thereof, it shall require that its assignee be bound to it and to assume toward Contractor all of the obligations and responsibilities that Contractor has assumed toward County.

Section 17. PERMITS, LICENSES AND TAXES.

17.1. All permits and licenses necessary for the prosecution of the Work shall be procured and paid for by Contractor. All permits or fees, including but not limited to, all license fees, permit fees, impact fees or inspection fees payable by Contractor to County have been disclosed to Contractor in the bidding documents or other request for proposal at the time the Project was let for bid. If Contractor performs any Work without obtaining, or contrary to, such permits or licenses, Contractor shall bear all costs arising therefrom. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the Work.

17.2. Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work.

Section 18. TERMINATION FOR DEFAULT.

18.1 Contractor shall be considered in material default of the Agreement and such default shall be considered cause for County to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the County or Architect/Engineer or as provided for in the approved Progress Schedule; or (4) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (5) discontinues the prosecution of the Work; or (6) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (7) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (8) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (9) makes an assignment for the benefit of creditors; or (10) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (11) materially breaches any other provision of the Contract Documents.

18.2 County shall notify Contractor in writing of Contractor's default(s). If County determines that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice, then County, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's

Work by whatever means, method or agency which County, in its sole discretion, may choose.

18.3 If County deems any of the foregoing remedies necessary, Contractor agrees that it shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including Architect/Engineer and attorneys' fees) or damages incurred by County incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, shall be certified by the Architect/Engineer, upon application, and this obligation for payment shall survive termination of the Agreement.

18.4 The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefore or re-letting the Work, in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder.

18.5 If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that County is not entitled to the remedies against Contractor provided herein, then Contractor's remedies against County shall be the same as and limited to those afforded Contractor below under Subsection 19.1, Termination for Convenience.

18.6 If the Contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Contractor in conjunction with this Agreement then the County may, without prejudice to any right or remedy and after giving the Contractor and his surety, if any, seven (7) calendar days' written notice, during which period Contractor still fails to allow access, terminate the employment of the Contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the Contractor, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the Project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontract work).

Section 19. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION

19.1. County shall have the right to terminate this Agreement without cause upon seven (7) calendar days' written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against County shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

19.2. County shall have the right to suspend all or any portions of the Work upon giving Contractor two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

Section 20. COMPLETION

20.1. Upon receipt of written notice, the County will ascertain whether the work or designated portions thereof are ready for the Architect's substantial completion inspection. From the Architect's list of incomplete or unsatisfactory items, a schedule for the County's review will be prepared for their completion indicating such completion dates. The County will issue a Certificate of Substantial Completion when the work has been deemed substantially complete by the County.

20.2. Upon receipt of written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the County shall promptly make such inspection and, if it finds the work acceptable and fully performed under the Contract Documents, shall promptly issue a Certificate of Final Completion and Recommendation for Payment, stating that, on the basis of observations and inspections, the Work has been completed in accordance with the terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor is due and payable. The final payment shall not become due and payable until Contractor submits: 1) the Release and Affidavit in the form attached as **Exhibit D;** 2) consent of surety to final payment; 3) if required by County, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by County; 4) a published copy of the Notice of Completion as provided for in this section; and 5) all required close out documents as provided in the Contract Documents. County reserves the right to inspect the Work and make an independent determination as to the Work's acceptability. Unless and until the County is completely satisfied, the final payment shall not become due and payable.

20.3. After the Work is ready for final inspection and acceptance by the County, a legal advertisement must be published by the Contractor in a local newspaper of a general countywide circulation at least thirty (30) days before final payment shall be made. Example of such publication is as follows:

Legal Notice of Completion

Notice is hereby given that the undersigned Contractor has completed and has ready for acceptance by the Board of County Commissioners of Escambia County, Florida, the following construction project:

_____
(Project Name and Address)

_____
(Legal Name and Address - entity of the Contractor)

Subcontractors, material men, and other persons having payment claims against the Contractor relating to this project should govern themselves accordingly.

Section 21. WARRANTY

Contractor shall obtain and assign to County all express warranties given to Contractor or any subcontractors by any material men supplying materials, equipment or fixtures to be incorporated into the Project. Contractor warrants to County that any materials and equipment furnished under the Contract Documents shall be new unless otherwise specified, and that all Work shall be of good quality, free from all defects and in conformance with the Contract Documents. Contractor further warrants to County that all materials and equipment furnished under the Contract Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Contract Documents. If, within one (1) year after substantial completion and acceptance, any Work is found to be defective or not in conformance with the Contract Documents, Contractor shall correct it promptly after receipt of written notice from County. Contractor shall also be responsible for and pay for replacement or repair of adjacent materials or Work, which may be damaged as a result of such replacement or repair. These warranties are in addition to those implied warranties to which County is entitled as a matter of law. The Performance Bond shall remain in full force and effect throughout the Warranty Period.

Section 22. TESTS AND INSPECTIONS

22.1. County, Architect/Engineer, their respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide Architect/Engineer with timely notice of readiness of the Work for all required inspections, tests or approvals.

22.2. If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Contractor shall assume full responsibility therefore, pay all costs in connection therewith and furnish Architect/Engineer the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the Architect/Engineer and County.

22.3. If any Work that is to be inspected, tested or approved is covered without written concurrence from the Architect/Engineer, such work must, if requested by Architect/Engineer, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given Architect/Engineer timely notice of Contractor's intention to cover the same and Architect/Engineer has not acted with reasonable promptness to respond to such notice. If any Work is covered contrary to written directions from Architect/Engineer, such Work must, if requested by Architect/Engineer, be uncovered for Architect/Engineer's observation and be replaced at Contractor's sole expense.

22.4. The County shall charge to Contractor and may deduct from any payments due Contractor all engineering and inspection expenses incurred by County in connection with any overtime work. Such overtime work consisting of any work during the construction period beyond the regular eight (8) hour day and for any work performed on Saturday, Sunday or holidays.

22.5. Neither observations by the Architect/Engineer nor inspections, tests or approvals by

others shall relieve Contractor from Contractor's obligations to perform the Work in accordance with the Contract Documents.

22.6. Prior to payment for any Work for which testing is specified, Contractor shall provide the County a copy of reasonably acceptable test results relating to such work as required by the technical specifications of the solicitation.

Section 23. DEFECTIVE WORK

23.1. Work not conforming to the requirements of the construction plans or Contract Documents or work conforming to the construction plans or contract documents containing errors or omissions, including, but not limited to, design flaws shall be deemed defective Work. If required by County or Architect/Engineer, Contractor shall as directed, either correct all defective Work, whether or not fabricated, installed or completed, or, if the defective Work has been rejected by County or Architect/Engineer, remove it from the site and replace it with undefective Work. Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold County harmless for same.

23.2. If the County or Architect/Engineer considers it necessary or advisable that covered Work be observed by Architect/Engineer or inspected or tested by others, Contractor, at County's or Architect/Engineer's request, shall uncover, expose or otherwise make available for observation, inspection or tests as County or Architect/Engineer may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and County shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

23.3. If any portion of the Work is defective, or Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the Work in such a way that the completed Work will conform to the Contract Documents, County or Architect/Engineer may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, this right of County or Architect/Engineer to stop the Work shall not give rise to any duty on the part of County or Architect/Engineer to exercise this right for the benefit of Contractor or any other party.

23.4. Should the County determine, at its sole opinion, it is in the County's best interest to accept defective Work, the County may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the County's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents and reflecting an appropriate decrease in the Contract Amount. If the County accepts such defective Work after final payment, Contractor at the discretion of the County shall promptly pay County an appropriate amount to adequately compensate County for its acceptance of the defective Work or shall increase in the Work’s warranty period beyond two (2) years.

23.5. If Contractor fails, within a reasonable time after the written notice from County or Architect/Engineer, to correct defective Work or to remove and replace rejected defective Work as required by Architect/Engineer or County, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any of the provisions of the Contract Documents, County may, after seven (7) calendar days' written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, County may exclude Contractor from any or all of the Project site, take possession of all or any part of the Work, and suspend Contractor's services related thereto, take possessions of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which County has paid Contractor but which are stored elsewhere. Contractor shall allow County or Architect/Engineer, and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable County to exercise the rights and remedies under this Subsection. All direct, indirect and consequential costs of County in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or others destroyed or damaged by correction, removal or replacement of Contractor's defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by County of County's rights and remedies hereunder.

Section 24. SUPERVISION AND SUPERINTENDENTS

Contractor shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Contractor shall be responsible to see that the finished Work complies accurately with the Contract Documents. Contractor shall keep on the Work at all times during its progress a competent resident superintendent, who shall not be replaced without prior written notice to County except under extraordinary circumstances. The superintendent shall be Contractor's representative at the Project site and shall have authority to act on behalf of Contractor. All communications given to the superintendent shall be as binding as if given to the Contractor. County shall have the right to direct Contractor to remove and replace its Project superintendent, with or without cause.

Section 25. PROTECTION OF WORK

25.1. Contractor shall fully protect the Work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made. If Contractor, or any one for whom Contractor is legally liable, is responsible for any loss or damage to the Work, or other work or materials of County or County's separate contractors, Contractor shall be charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due Contractor.

25.2. Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent property to stresses or pressures that will endanger it.

Section 26. EMERGENCIES

In the event of an emergency affecting the safety or protection of persons or the Work or property at the Project site or adjacent thereto, Contractor, without special instruction or authorization from County or Architect/Engineer is obligated to act to prevent threatened damage, injury, or loss. Contractor shall give Architect/Engineer written notice within forty-eight (48) hours after the occurrence of the emergency, if Contractor believes that any significant changes in the Work or variations from the Contract Document have been caused thereby. If the Architect/Engineer determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Contractor fails to provide the forty-eight (48) hour written notice noted above, the Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjacent to the Contract Amount or an extension to the Contract Time.

Section 27. USE OF PREMISES

Contractor shall confine all construction equipment, the storage of materials and equipment and the operations of workers to the Project site and land and areas identified in and permitted by the Contract Documents and other lands and areas permitted by law, rights of way, permits and easements, and shall not unreasonably encumber the Project site with construction equipment or other material or equipment. Contractor shall assume full responsibility for any damage to any such land or area, or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the Work.

Section 28. SAFETY

28.1. Contractor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to:

a) All employees performing the Work and other persons and/or organizations who may be affected thereby;
b) All the Work and materials and equipment to be incorporated therein, whether in storage on or off the Project site; and
c) Other property on the Project site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, utilities and any underground structures or improvements not designated for removal, relocation or replacement in the contract documents.

28.2 Contractor shall comply with all applicable codes, laws, ordinances, rules and regulations of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury or loss. Contractor shall erect and maintain all necessary safeguards for such safety and protection. Contractor shall notify owners of adjacent property and of underground structures and improvements and utility owners when performance of the Work may affect them, and shall cooperate with them in the protection, removal, relocation, or replacement of their property. Contractor's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by County has occurred.

28.3 Contractor shall designate a responsible representative at the Project site whose duty shall be the prevention of accidents. This person shall be Contractor's superintendent unless otherwise designated in writing by the Contractor to the County.

28.4 Contractor shall adhere at all times to the minimum safety guidelines for construction and renovation projects as set out in **Exhibit C** of this Agreement.

Section 29. PROJECT MEETINGS.

Prior to the commencement of Work, the Contractor shall attend a preconstruction conference with the County to discuss the Progress Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the performance of the Work, the Contractor shall attend any and all meetings convened by the Architect/Engineer or County with respect to the Project, when directed to do so by County or Architect/Engineer. Contractor shall have its subcontractors and suppliers attend all such meetings (including the preconstruction conference) as may be directed by the County or the Architect/Engineer.

AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA AND

_____

FOR CONSTRUCTION

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida ("County"), with administrative offices at 221 South Palafox Place, Pensacola, Florida 32502, and _____, a _____ for-profit [corporation OR limited liability company] ("Contractor"), FEI/EIN _____, with a principal address of _____, relating to the Contractor's performance of all work ("Work") in connection with _____, P.D. _____ ("Project"), as detailed in the attached Plans and Specifications and other Contract Documents hereafter specified.

WITNESSETH:

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

SECTION 1. CONTRACT DOCUMENTS.

1.1 The Contract Documents consist of this Agreement, the Exhibits described in Section 6 hereof, Change Orders, Work Directive Changes, Field Orders and amendments relating thereto. All of the foregoing Contract Documents are incorporated by reference and made a part of this Agreement (all of said documents including this Agreement sometimes being referred to herein as the "Contract Documents" and sometimes as the "Agreement"). A copy of the Contract Documents shall be maintained by Contractor at the Project site at all times during the performance of the Work.

1.2 County shall furnish to the Contractor up to ____ (__) set(s) of the Contract Documents for execution of the Work. Additional copies of the Contract Documents shall be furnished, upon request, at the cost of reproduction.

SECTION 2. SCOPE OF WORK

Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the Work required by the Contract Documents.

SECTION 3. CONTRACT AMOUNT.

In consideration of the faithful performance by Contractor of the covenants in this Agreement to the full satisfaction and acceptance of County, County agrees to pay, or cause to be paid, to Contractor in accordance with the terms of this Agreement the following amount (herein "Contract Amount"): [Contract Amount]

SECTION 4. BONDS.

4.1 Contractor shall provide Performance and Payment Bonds, in the form prescribed in **Exhibit B**, in the amount of 100% of the Contract Amount, the costs of which to be paid by Contractor. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to County; provided; however, the surety shall be rated as "A-" (excellent) or better and Class "V" or higher rating as to financial size

category and the amount required shall not exceed 2% of the reported policy holder's surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

4.2 If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval.

4.3 Pursuant to §255.05, Florida Statutes, the Contractor shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the Project sufficient to identify it. (The recording fee is $10.00 for the first page and $8.50 for each remaining page).

SECTION 5. CONTRACT TIME AND LIQUIDATED DAMAGES.

5.1 Time is of the essence in the performance of the Work under this Agreement. The "Commencement Date" shall be established in the Notice to Proceed to be issued by the County. Contractor shall commence the Work within five (5) calendar days from the Commencement Date. No Work shall be performed at the Project site prior to the Commencement Date. Any Work performed by Contractor prior to the Commencement Date shall be at the sole risk of Contractor. The Work shall be substantially completed within _____ (__) calendar days from the Commencement Date. The Work shall be fully completed and ready for final acceptance by the County within _____ (___) calendar days from the Commencement Date (herein "Contract Time"). No work under this contract shall commence until certificates of insurance (see **Exhibit A**, paragraph 13.2) have been received and acknowledged by the Purchasing Manager.

5.2 County and Contractor recognize that, since time is of the essence for this Agreement, County will suffer financial loss if the Work is not substantially completed within the time specified above, as said time may be adjusted as provided for herein. Should Contractor fail to substantially complete the Work within the time period noted above, County shall be entitled to assess, as liquidated damages, but not as a penalty, **$_____**for each calendar day thereafter until substantial completion is achieved. The Project shall be deemed to be substantially completed on the date the County issues a Substantial Completion Certificate pursuant to the terms hereof.

5.3 Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the County's actual damages at the time of contracting if Contractor fails to substantially complete the Work in accordance with the progress schedule.

5.4 When any period of time is reference to by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday, or legal holiday.

SECTION 6. EXHIBITS INCORPORATED.

The following documents are expressly agreed to be incorporated by reference and made a part of this Agreement.

Exhibit A: General Terms and Conditions
Exhibit B: Form of Performance and Payment Bonds
Exhibit C: Insurance Requirements
Exhibit D: Form of Release and Affidavit
Exhibit E: Form of Contractor Application for Payment
Exhibit F: Form of Change Order
Exhibit G: Supplemental Terms and Conditions
Exhibit H: Plans and Specifications prepared by County and Identified as follows:
[DESCRIPTION/SHEET NO./DATE]
Exhibit I: Technical Specifications
[DESCRIPTION SHEET NO./DATE]
Exhibit J: Standard Details
[DESCRIPTION SHEET NO./DATE]

SECTION 7. NOTICES

7.1 All notices required or made pursuant to this Agreement by the Contractor to the County shall be in writing and delivered by hand or by United States Postal Service Department, first class mail, postage pre-paid, return receipt requested, addressed to the following:

_____
_____
_____
Attention: _____

7.2 All notices required or made pursuant to this Agreement by County to Contractor shall be made in writing and shall be delivered by hand or by United States Postal Service Department, first class mail, postage pre-paid, return receipt requested, addressed to the following:

_____
_____
_____
Attention: _____

7.3 Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

SECTION 8. MODIFICATION.
No modification or change to the Agreement shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

SECTION 9. SUCCESSORS AND ASSIGNS.
Subject to other provisions hereof, the Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Agreement.

SECTION 10. GOVERNING LAW.
The Agreement shall be interpreted under and its performance governed by the laws of the State of Florida and the parties agree that venue shall be in Escambia County, Florida for any matter which is the subject of the Contract.

SECTION 11. NO WAIVER.
The failure of the County to enforce at any time or for any period of time any one or more of the

provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

SECTION 12. ENTIRE AGREEMENT.
Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Agreement.

SECTION 13. SEVERABILITY.
Should any provision of the Agreement be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

SECTION 14. PUBLIC RECORDS.
The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract. In such case, the Contractor shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontractor work).

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

EXHIBIT A
GENERAL TERMS AND CONDITIONS

Section 1. INTENT OF CONTRACT DOCUMENTS

1.1 It is the intent of the Contract Documents to describe a functionally complete project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents as being required to produce the intended result shall be supplied whether or not specifically called for. When words, which have a well known technical or trade meaning are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in affect at the time the Work is performed, except as may be otherwise specifically stated herein.

1.2. During the performance of the Work, if Contractor discovers a conflict, error or discrepancy in the Contract Document, Contractor immediately shall report same to County in writing and before proceeding with the Work affected thereby shall obtain a written interpretation or clarification from the County. Contractor shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to Contractor with the Contract Documents before commencing any portion of the Work.

1.3. Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts, or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications of other Contract Document provisions, Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Contractor, as determined by the County. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

Section 2. INVESTIGATION AND UTILITIES

2.1 Contractor shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the Project area as a whole; topography and ground surface conditions; nature and quality of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Contractor to acquaint itself with any applicable conditions shall not relieve Contractor from any of its responsibilities to perform under the Contract Documents, nor shall it be considered the basis for any claim for additional time or compensation.

2.2. Contractor shall locate all existing roadways, railways, drainage facilities and utility

services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Section 2 as the "Utilities". Contractor shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Contractor shall schedule and coordinate its Work around any such relocation or temporary service interruption. Contractor shall be responsible for properly shoring, supporting and protecting all Utilities at all times during the course of the Work.

Section 3. SCHEDULE

3.1. Within ten (10) calendar days after receipt of the Notice of Award, Contractor shall prepare and submit to County, for review and approval, a progress schedule for the Project (herein "Progress Schedule"). The Progress Schedule may be provided in an electronic format. The Progress Schedule shall relate to all Work required by the Contract Documents and shall provide for expeditious and practicable execution of the Work within the Contract Time. The Progress Schedule shall indicate the dates for starting and completing the various stages of the Work.

3.2. The Progress Schedule shall be updated bi-monthly by Contractor. All monthly updates to the Progress Schedule shall be subject to the County's review and approval. Contractor shall submit the updates to the Progress Schedule with its Applications for Payment noted below. The County's review and approval of the submitted Progress Schedule updates shall be a condition precedent to the County's obligation to pay Contractor.

[NOTE: FOR LARGER PROJECTS, THROUGH THE SUPPLEMENTAL CONDITIONS OR TECHNICAL SPECIFICATIONS, COUNTY MAY WISH TO EXPAND UPON THE LEVEL OF DETAIL REQUIRED FOR THE PROJECT SCHEDULE.]

Section 4. PROGRESS PAYMENTS

4.1. Prior to submitting its first Application for Payment, Contractor shall submit to County, for its review and approval, a schedule of values based upon the Contract Price, listing the major elements of the Work and the dollar value for each element. After its approval by the County, this schedule of values shall be used as the basis for the Contractor's Applications for Payment. This schedule shall be updated and submitted along with a completed and notarized copy of the Application for Payment form attached to the Agreement as **Exhibit E**.

4.2. Prior to submitting its first Monthly Application for Payment, Contractor shall submit to County a complete list of all its proposed subcontractors and materialmen, showing the work and materials involved and the dollar amount of each proposed subcontract and purchase order. The first Application for Payment shall be submitted no earlier than thirty (30) calendar days after the Commencement Date.

4.3. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location agreed to by the County in writing, the Application for Payment shall also be accompanied by a bill of sale, invoice or other documentation warranting that upon payment by County, the County shall receive the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect County's interest therein, all of which shall be subject to the County's prior written approval.

4.4. Contractor shall submit _____(__) copies of each of its Applications for Payment to the

County on or before the 25th day of each month for work performed during the previous month. Invoices received after the 25th day of each month shall be considered for payment as part of the next month's application. Within ten (10) calendar days after receipt of each Application for Payment, the County shall either: (1) indicate approval of the requested payment; (2) indicate approval of only a portion of the requested payment, stating in writing the reasons therefore; or (3) return the Application for Payment to the Contractor indicating, in writing, the reason for refusing to approve payment. In the event of a total or partial denial of the Application for Payment, the Contractor may make the necessary corrections and resubmit the Application for Payment for reconsideration within ten (10) calendar days of receiving notice of refusal.

If re-submittal of the Application for Payment is refused, in whole or in part, the Contractor may submit a written request to the County Administrator for an administrative decision within two (2) business days of receiving notice of refusal. Upon receiving a timely request, an administrative decision shall be rendered within ten (10) calendar days with written notification provided to the Contractor.

If the administrative decision is disputed, the Contractor may submit a written request to the County Administrator for an administrative hearing before the Dispute Resolution Committee (DRC) within two (2) business days of receiving said decision. A hearing shall be scheduled within ten (10) business days from the date the request is received, and the Contractor will receive written notice of the hearing date. The DRC may, within its discretion, render a final decision at the hearing or may elect to mail a written decision within a period not to exceed ten (10) calendar days from the hearing date. The DRC's written decision shall be considered administratively final.

The County shall, within twenty (20) business days after County approval of an Application for Payment, pay the Contractor the amounts so approved. Provided, however, in no event shall the County be obligated to pay an amount greater than that portion of the Application for Payment approved by the County.

4.5. Retainage.

a) If the Contract Amount is $200,000.00 or less, the following shall apply:
County shall retain ten percent (10%) of the gross amount of each monthly payment request or ten percent (10%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer.

b) If the Contract Amount is in excess of $200,000.00, the following shall apply:
County shall retain five percent (5%) of the gross amount of each monthly payment request or five percent (5%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer. This subsection shall not apply if the project is paid, in whole or in part, with federal funds and subject to federal grantor laws and regulations or requirements that are contrary to any provision of the Local Government Prompt Payment Act.

The County shall not pay or release any amounts that are the subject of a good faith dispute, claim, or demand.

4.6. Monthly payments to Contractor, including the release of any portion or percentage of sums retained prior to final completion of the Project, shall in no way imply approval or acceptance of Contractor's work.

4.7. Each Application for Payment shall be accompanied by Release and Affidavit, in the form attached as **Exhibit D**, showing that all materials, labor, equipment and other bills associated with that portion of the Work payment is being requested or have been paid in full. The County shall not be required to make payment until and unless these affidavits are furnished by Contractor.

4.8. Applications for Payment will not be approved unless all submittals required by the Contract documents, up to that point, are provided and "As-Built" record documents are maintained as required by Section 8.2.

4.9 **(OPTIONAL)** Contractor agrees and understands that funding limitations exist and that the expenditure of funds must be spread over the duration of the Project at regular intervals based on the Contract Amount and Progress Schedule. Accordingly, prior to submitting its first monthly Application for Payment, Contractor shall prepare and submit for County's approval, a detailed Project Funding Schedule, which shall be updated as necessary and approved by County to reflect approved adjustments to the Contract Amount and Contract Time. No voluntary acceleration or early completion of the Work shall modify the time of payments to Contractor as set forth in the approved Project Funding Schedule.

4.10 All payments under this Agreement and interest on any late payments shall be governed by the Local Government Prompt Payment Act, §§ 218.70, et seq., Florida Statutes, as amended.

Section 5. PAYMENTS WITHHELD

The County may decline to approve any Application for Payment, or portions thereof, because of subsequently discovered evidence or subsequent inspections. The County may nullify the whole or any part of any approval for payment previously issued and County may withhold any payments otherwise due Contractor under this Agreement or any other agreement between County and Contractor, to such extent as may be necessary in the County's opinion to protect it from loss because of: (a) defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the Work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the Work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the Work by the Contractor; or (g) any other material breach of the Contract Documents. If these conditions are not remedied or removed, County may, after three (3) days written notice, rectify the same at Contractor's expense. County also may offset against any sums due Contractor the amount of any liquidated or unliquidated obligations of Contractor to County, whether relating to or arising out of this Agreement or any other agreement between Contractor and County.

Section 6. FINAL PAYMENT

6.1. County shall make final payment to Contractor within thirty (30) calendar days after the Work is finally inspected and accepted by County in accordance with Section 20.1 herein, provided that Contractor first, and as an explicit condition precedent to the accrual of Contractor's

right to final payment, shall have furnished County with a properly executed and notarized copy of the Release and Affidavit attached as **Exhibit D**, as well as, a duly executed copy of the Surety's consent to final payment and such other documentation that may be required by the Contract Documents or the County.

6.2. Contractor's acceptance of final payment shall constitute a full waiver of any and all claims by Contractor against County arising out of this Agreement or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final Application for Payment. Neither the acceptance of the Work nor payment by County shall be deemed to be a waiver of County's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the County at the time of final inspection.

Section 7. SUBMITTALS AND SUBSTITUTIONS

7.1. Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. Contractor shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

7.2 Prior to submitting its first Application for Payment, Contractor shall provide to County a CD/DVD in digital format and/or photographs showing the pre-existing conditions located within the limits of construction.

7.3. Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by County if sufficient information is submitted by Contractor to allow the County to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by County from anyone other than Contractor and all such requests must be submitted by Contractor to County within thirty (30) calendar days after Notice of Award is received by Contractor.

7.4. If Contractor wishes to furnish or use a substitute item of material or equipment, Contractor shall make application to the County for acceptance thereof, certifying that the proposed substitute shall perform adequately the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Contractor's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with County for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the County in evaluating the proposed substitute. The County may require Contractor to furnish at Contractor's expense additional data

about the proposed substitute.

7.5. If a specific means, method, technique, sequence or procedure of construction is indicated in or required by the Contract Documents, Contractor may furnish or utilize a substitute means, method, sequence, technique or procedure of construction acceptable to the County, if Contractor submits sufficient information to allow the County to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by the County shall be the same as those provided herein for substitute materials and equipment.

7.6. The County shall be allowed a reasonable time within which to evaluate each proposed substitute. The County shall be the sole judge of acceptability, and no substitute will be ordered, installed or utilized without the County's prior written acceptance which shall be evidenced by either a Change Order or an approved Shop Drawing. The County may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitute.

Section 8. DAILY REPORTS, AS-BUILTS AND MEETINGS

8.1. Unless waived in writing by County, Contractor shall complete and submit to the County on a weekly basis a daily log of the Contractor's work for the preceding week in a format approved by the County. The daily log shall document all activities of Contractor at the Project site including, but not limited to, the following:

a) Weather conditions showing the high and low temperatures during work hours, the amount of precipitation received on the Project site, and any other weather conditions which adversely affect the Work;
b) Soil conditions which adversely affect the Work;
c) The hours of operation by Contractor's personnel and subcontractor's personnel;
d) The number of Contractor's and subcontractor's personnel present and working at the Project site, by subcontract and trade;
e) All equipment on the Project site, description of equipment use, and designation of time equipment was used (specifically indicating any down time);
f) Description of Work being performed at the Project site;
g) Any unusual or special occurrences at the Project site;
h) Materials received at the Project site; and
i) A list of all visitors to the Project site.

The daily log shall not constitute nor take the place of any notice required to be given by Contractor to County pursuant to the Contract Documents.

8.2. Contractor shall maintain in a safe place at the Project site one record copy of the Contract Documents, as well as all shop drawings and other Contractor submittals and all written interpretations and clarifications issued by the County, in good order and annotated to show all changes made during construction. The annotated drawings shall be continuously updated by the Contractor throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Work Directive Changes and Field Orders, and all concealed and buried installations of piping, conduit and utility services. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the annotated drawings as to depth and in relationship to not less than two (2) permanent features (e.g. interior or exterior wall faces). The annotated drawings shall be

clean and all changes, corrections and dimensions shall be given in a neat and legible manner in a contrasting color. The "As-Built" record documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to County for reference. Upon completion of the Work, and as a condition precedent to Contractor's entitlement to final payment, these "As-Built" record documents, samples and shop drawings shall be delivered to County by Contractor for County.

8.3. Contractor shall keep all records and supporting documentation which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed, whichever is later. County, or any duly authorized agents or representatives of County, shall have the right to audit, inspect and copy all such records and documentation as often as they deem necessary during the period of this Agreement and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 9. CONTRACT TIME AND TIME EXTENSIONS

9.1. Contractor shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and materialmen, as well as coordinating its Work with all work of others at the Project Site, so that its Work or the work of others shall not be delayed or impaired by any act or omission of Contractor. Contractor shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Contract Documents.

9.2. Should Contractor be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall notify the County in writing within forty-eight (48) hours after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which Contractor may have had to request a time extension.

9.3. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

Section 10. CHANGES IN THE WORK

10.1. County shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Contractor shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of County, and County shall not be liable to the Contractor for any increased compensation without such written order. No officer, employee or agent of County is authorized to direct any extra or changed work orally.

10.2. A Change Order, in the form attached as **Exhibit F** to this Agreement, shall be issued and executed promptly after an agreement is reached between Contractor and County concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as County and Contractor shall mutually agree.

10.3. If County and Contractor are unable to agree on a Change Order for the requested change, Contractor shall, nevertheless, promptly perform the change as directed by County in a written Work Directive Change. In that event, the Contract Amount and Contract Time shall be adjusted as directed by County. If Contractor disagrees with the County's adjustment determination, Contractor must make a claim pursuant to Section 11 of these General Conditions or else be deemed to have waived any claim on this matter it might otherwise have had.

10.4. In the event a requested change results in an increase to the Contract Amount, the amount of the increase shall be limited to the Contractor's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit. In the event such change Work is performed by a Subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all Subcontractors' and sub-subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the Contractor for all of its overhead and profit, for a total maximum markup of fifteen percent (15%). All compensation due Contractor and any Subcontractor or sub-subcontractor for field and home office overhead is included in the markups noted above.

10.5. County shall have the right to conduct an audit of Contractor's books and records to verify the accuracy of the Contractor's claim with respect to Contractor's costs associated with any Change Order.

10.6. The County shall have authority to order minor changes in the Work not involving an adjustment to the Contract Amount and not inconsistent with the intent of the Contract Documents. Such changes may be affected by Field Order or by other written order. Such changes shall be binding on the Contractor.

Section 11. CLAIMS AND DISPUTES

11.1. A Claim is a demand or assertion by one of the parties seeking an adjustment or interpretation of the terms of the Contract Documents, payment of money, extension of time or other relief with respect to the terms of the Contract Documents. The term "Claim" also includes other disputes and matters in question between County and Contractor arising out of or relating to the Contract Documents. The responsibility to substantiate a Claim shall rest with the party making the Claim.

11.2. Claims by the Contractor shall be made in writing to the County within forty-eight (48) hours after the first day of the event giving rise to such Claim or else the Contractor shall be deemed to have waived the Claim. Written supporting data shall be submitted to the County within fifteen (15) calendar days after the occurrence of the event, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived the Claim. All claims shall be priced in accordance with the provisions of Subsection 10.4.

11.3. The Contractor shall proceed diligently with its performance as directed by the County,

regardless of any pending Claim, action, suit or administrative proceeding, unless otherwise agreed to by the County in writing. County shall continue to make payments in accordance with the Contract Documents during the pendency of any Claim.

Section 12. OTHER WORK

12.1. County may perform other work related to the Project at the site by County's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, notice thereof will be given to Contractor. If Contractor believes that such performance will involve additional expense to Contractor or require additional time, Contractor shall send written notice of that fact to County within forty-eight (48) hours of being notified of the other work. If the Contractor fails to send the above required forty-eight (48) hour notice, the Contractor will be deemed to have waived any rights it otherwise may have had to seek an extension to the Contract Time or adjustment to the Contract Amount.

12.2. Contractor shall afford each utility owner and other contractor (or County, if County is performing the additional work with County's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Contractor shall do all cutting, fitting and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating or otherwise altering their work and will only cut or alter their work with the written consent of the County and the others whose work will be affected.

12.3. If any part of Contractor's Work depends for proper execution or results upon the work of any other contractor or utility owner (or County), Contractor shall inspect and promptly report to County in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Contractor's failure to report will constitute an acceptance of the other work as fit and proper for integration with Contractor's Work.

Section 13. INDEMNIFICATION AND INSURANCE

13.1 Indemnification. Contractor shall pay on behalf of or indemnify and hold harmless County and its agents, officers and employees from and against all liabilities, damages, losses, and costs, including attorney's and paralegal fees, incurred by County to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by anyone for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. Contractor's obligation as provided herein shall be limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor, and Contractor shall not be required to pay on behalf of or indemnify and hold harmless County where County's negligence, recklessness, or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's fees and paralegal fees.

County and Contractor agree one percent (1%) of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement.

Contractor agrees that such indemnification by Contractor relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any applicable statutes of limitations thereafter. Contractor's obligation to indemnify shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

13.2 Duty to Provide Legal Defense. Contractor shall pay for and provide a legal defense for the County, which shall include attorneys' fees and costs, both of which will be done only if and when requested by the County, for all liabilities, damages, losses, and costs as described in paragraph 13.1 above. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

13.3. Insurance.
Contractor shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in **Exhibit C** to the Agreement. All insurance policies shall be from responsible companies duly authorized to do business in the State of Florida and/or responsible risk retention group insurance companies or which are registered with the State of Florida. All commercial insurance carriers providing the Contractor with required insurance shall be a minimum financial size category of VII according to the AM Best Rating Guide, latest edition. An "A" or better Best Rating is preferred; however, other ratings if "Secure Best Ratings" may be considered. Within ten (10) calendar days after Notice of Award is received by Contractor and prior to the commencement of work, Contractor shall provide County with properly executed Certificates of Insurance to evidence Contractor's compliance with the insurance requirements of the Contract Documents. Said Certificates of Insurance shall be on forms approved by County, such as "Acord Form 25". The Certificates of Insurance shall be personally, manually signed by the authorized representatives of the insurance company/companies shown on the Certificates of Insurance, with proof that they are authorized representatives thereof. Certificates of Insurance shall be mailed to Escambia County in care of: Purchasing Manager, Office of Purchasing, P. O. Box 1591, Pensacola, Florida 32597-1591. In addition, certified, true and correct copies of all insurance policies required hereunder shall be provided to County, on a timely basis, when requested by County.

The Certificates of Insurance and required insurance policies shall contain provisions that thirty (30) days prior written notice by registered or certified mail shall be given County of any cancellation, intent not to renew, or reduction in the policies or coverages, except in the application of the aggregate limits provisions. In the event of a reduction in the aggregate limit of any policy, Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

All insurance coverages of the Contractor shall be primary to any insurance or self- insurance program carried by the County applicable to this Project. The acceptance by County of any Certificate of Insurance does not constitute approval or agreement by the County that the insurance requirements have been satisfied or that the insurance policy shown on the Certificate of Insurance is in compliance with the requirements of the Contract Documents. No work shall

commence at the Project site unless and until the required Certificates of Insurance are received by the County.

Contractor shall require each of its subcontractors to procure and maintain, until the completion of the subcontractor's work, insurance of the types and to the limits specified in **Exhibit C**, unless such insurance requirements for the subcontractor are expressly waived in writing by the County.

All liability insurance policies, other than professional liability, worker's compensation and employer's liability policies, obtained by Contractor to meet the requirements of the Contract Documents shall name Escambia County as an additional insured and shall contain severability of interest provisions. Escambia County shall also be designated as certificate holder with the address of P. O. Box 1591, Pensacola, Florida 32597-1591.

If any insurance provided pursuant to the Contract Documents expires prior to the completion of the Work, renewal Certificates of Insurance and, if requested by County, certified, true copies of the renewal policies, shall be furnished by Contractor within thirty (30) days prior to the date of expiration. Upon expiration of an insurance policy term during the course of work under the contract, succeeding insurance policies shall be consecutive to the expiring policy.

All liability policies shall be underwritten on the "occurrence" basis, unless otherwise approved in writing by the County Division of Risk Management. "Claims made" policies, if approved by the Risk Manager, and subsequent insurance certificates shall provide a "retro-date" which shall include the effective date of the contract. "Claims-made" renewals or carrier and policy replacements shall reflect the original "retro-date."

Should at any time the Contractor not maintain the insurance coverages required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverages and charge the Contractor for such coverages purchased. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverages shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

13.4 Contractor shall submit to County a copy of all accident reports arising out of any personal injuries or property damages arising or alleged to have arisen on account of any work by Contractor or subcontractor(s) under the Contract Documents.

Section 14. COMPLIANCE WITH LAWS

14.1. Contractor agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, regulations and requirements applicable to the Project, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety. If Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify County in writing. Compliance with the above laws shall include but is not limited to: (1) the Occupational Safety and Health Act, 29 C.F.R. 1910 and 1926, respectively, General Industry Standards and Construction Industry Standards, including regulations regarding Trenching and Shoring; (2) the Florida Workers' Compensation Law, Chapter 440, Florida Statutes; (3) Rules 38F and 38I, Florida Administrative Code; and (4) Florida Department of Transportation Manual of Traffic Control and Safe Practices. Failure to adhere to the requirements of the abovenamed laws and regulations regarding safety and traffic control shall be grounds for an immediate work stoppage, either by County staff or the Contractor, until the

deficiency is corrected.

14.2 Employment Eligibility Verification: In accordance with §448.095, Florida Statutes, Contractor shall register with and utilize the E-Verify System operated by the United States Department of Homeland Security to verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Contractor enters into a contract with a subcontractor performing work or providing services on its behalf, Contractor shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Section 15. CLEANUP AND PROTECTIONS

15.1. Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. At the completion of the Work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy by County.

15.2. Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Contract Documents to be removed or altered, shall be protected by Contractor from damage during the prosecution of the Work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the Work.

Section 16. ASSIGNMENT

Contractor shall not assign this Agreement or any part thereof, without the prior consent in writing of County. If Contractor does, with approval, assign this Agreement or any part thereof, it shall require that its assignee be bound to it and to assume toward Contractor all of the obligations and responsibilities that Contractor has assumed toward County.

Section 17. PERMITS, LICENSES AND TAXES

17.1. All permits and licenses necessary for the prosecution of the Work shall be procured and paid for by Contractor. All permits or fees, including but not limited to, all license fees, permit fees, impact fees or inspection fees payable by Contractor to County have been disclosed to Contractor in the bidding documents or other request for proposal at the time the project was let for bid. If Contractor performs any Work without obtaining, or contrary to, such permits or licenses, Contractor shall bear all costs arising therefrom. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the Work.

17.2. Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work.

Section 18. TERMINATION FOR DEFAULT

18.1. Contractor shall be considered in material default of the Agreement and such default shall be considered cause for County to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the County or as provided for in the approved Progress Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) materially breaches any other provision of the Contract Documents.

18.2. County shall notify Contractor in writing of Contractor's default(s). If County determines that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice, then County, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's Work by whatever means, method or agency which County, in its sole discretion, may choose.

18.3. If County deems any of the foregoing remedies necessary, Contractor agrees that is shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by County incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, and this obligation for payment shall survive termination of the Agreement.

18.4. The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefor or re-letting the Work, in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder.

18.5. If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that County is not entitled to the remedies against Contractor provided herein, then Contractor's remedies against County shall be the same as and limited to those afforded Contractor below under Subsection 19.1, Termination for Convenience.

18.6 If the Contractor refuses to allow public access to all documents, papers, letters, or other

material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Contractor in conjunction with this Agreement then the County may, without prejudice to any right or remedy and after giving the Contractor and his surety, if any, seven (7) days' written notice, during which period Contractor still fails to allow access, terminate the employment of the Contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the Contractor, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the Project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontract work).

Section 19. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION

19.1. County shall have the right to terminate this Agreement without cause upon seven (7) calendar days' written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against County shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

19.2. County shall have the right to suspend all or any portions of the Work upon giving Contractor two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

Section 20. COMPLETION

20.1. Upon receipt of written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the County shall promptly make such inspection and, if it finds the work acceptable and fully performed under the Contract Documents, shall promptly issue a final Certificate for Payment, stating that, on the basis of observations and inspections, the Work has been completed in accordance with the terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor is due and payable. The final payment shall not become due and payable until Contractor submits: 1) the Release and Affidavit in the form attached as **Exhibit D;** 2) consent of surety to final payment; 3) if required by County, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by County; and 4) a published copy of the Notice of Completion as provided for in this section. County reserves the right to inspect the Work and make an independent determination as to the Work's acceptability. Unless and until the County is completely satisfied, the final payment shall not become due and payable.

20.2 After the Work is ready for final inspection and acceptance by the County, a legal advertisement must be published by the Contractor in a local newspaper of a general countywide circulation at least thirty (30) days before final payment shall be made. Example of such publication is as follows:

Legal Notice of Completion

Notice is hereby given that the undersigned Contractor has completed and has ready for acceptance by the Board of County Commissioners of Escambia County, Florida, the following construction project:

_____
(Project Name and Address)

_____
(Legal Name and Address - entity of the Contractor)

Subcontractors, materialmen, and other persons having payment claims against the Contractor relating to this project should govern themselves accordingly.

Section 21. WARRANTY

Contractor shall obtain and assign to County all express warranties given to Contractor or any subcontractors by any materialmen supplying materials, equipment or fixtures to be incorporated into the Project. Contractor warrants to County that any materials and equipment furnished under the Contract Documents shall be new unless otherwise specified, and that all Work shall be of good quality, free from all defects and in conformance with the Contract Documents. Contractor further warrants to County that all materials and equipment furnished under the Contract Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Contract Documents. If, within one (1) year after substantial completion and acceptance, any Work is found to be defective or not in conformance with the Contract Documents, Contractor shall correct it promptly after receipt of written notice from County. Contractor shall also be responsible for and pay for replacement or repair of adjacent materials or Work, which may be damaged as a result of such replacement or repair. These warranties are in addition to those implied warranties to which County is entitled as a matter of law. The Performance Bond shall remain in full force and effect throughout the Warranty Period.

Section 22. TESTS AND INSPECTIONS

22.1. County, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide County with timely notice of readiness of the Work for all required inspections, tests or approvals.

22.2. If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Contractor shall assume full responsibility therefor, pay all costs in connection therewith and furnish County the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the County.

22.3. If any Work that is to be inspected, tested or approved is covered without written concurrence from the County, such work must, if requested by County, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given

County timely notice of Contractor's intention to cover the same and County has not acted with reasonable promptness to respond to such notice. If any Work is covered contrary to written directions from County, such Work must, if requested by County, be uncovered for County's observation and be replaced at Contractor's sole expense.

22.4. The County shall charge to Contractor and may deduct from any payments due Contractor all engineering and inspection expenses incurred by County in connection with any overtime work. Such overtime work consisting of any work during the construction period beyond the regular eight (8) hour day and for any work performed on Saturday, Sunday or holidays.

22.5. Neither observations by the County nor inspections, tests or approvals by others shall relieve Contractor from Contractor's obligations to perform the Work in accordance with the Contract Documents.

Section 23. DEFECTIVE WORK

23.1. Work not conforming to the requirements of the construction plans or Contract Documents shall be deemed defective Work. If required by County, Contractor shall, as directed, either correct all defective Work, whether or not fabricated, installed or completed, or, if the defective Work has been rejected by County, remove it from the site and replace it with undefective Work. Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold County harmless for same.

23.2. If the County considers it necessary or advisable that covered Work be observed by County or inspected or tested by others, Contractor, at County's request, shall uncover, expose or otherwise make available for observation, inspection or tests as County may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and County shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

23.3. If any portion of the Work is defective, or Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the Work in such a way that the completed Work will conform to the Contract Documents, County may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, this right of County to stop the Work shall not give rise to any duty on the part of County to exercise this right for the benefit of Contractor or any other party.

23.4. Should the County determine, at its sole opinion, it is in the County's best interest to accept defective Work, the County may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the County's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents and reflecting an appropriate decrease in the Contract Amount. If the County accepts such defective Work after final payment, Contractor shall promptly pay County an appropriate amount to adequately compensate County for its acceptance of the defective

Work.

23.5. If Contractor fails, within a reasonable time after the written notice from County, to correct defective Work or to remove and replace rejected defective Work as required by County, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any of the provisions of the Contract Documents, County may, after seven (7) days' written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, County may exclude Contractor from any or all of the Project site, take possession of all or any part of the Work, and suspend Contractor's services related thereto, take possessions of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which County has paid Contractor but which are stored elsewhere. Contractor shall allow County, and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable County to exercise the rights and remedies under this Subsection. All direct, indirect and consequential costs of County in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or others destroyed or damaged by correction, removal or replacement of Contractor's defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by County of County's rights and remedies hereunder.

Section 24. SUPERVISION AND SUPERINTENDENTS

Contractor shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Contractor shall be responsible to see that the finished Work complies accurately with the Contract Documents. Contractor shall keep on the Work at all times during its progress a competent resident superintendent, who shall not be replaced without prior written notice to County except under extraordinary circumstances. The superintendent shall be Contractor's representative at the Project site and shall have authority to act on behalf of Contractor. All communications given to the superintendent shall be as binding as if given to the Contractor. County shall have the right to direct Contractor to remove and replace its Project superintendent, with or without cause.

Section 25. PROTECTION OF WORK

25.1. Contractor shall fully protect the Work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made. If Contractor, or any one for whom Contractor is legally liable, is responsible for any loss or damage to the Work, or other work or materials of County or County's separate contractors, Contractor shall be charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due Contractor.

25.2. Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent property to stresses or pressures that will endanger it.

Section 26. EMERGENCIES

26.1. In the event of an emergency affecting the safety or protection of persons or the Work or property at the Project site or adjacent thereto, Contractor, without special instruction or authorization from County is obligated to act to prevent threatened damage, injury or loss. Contractor shall give County written notice within forty-eight (48) hours after the occurrence of the emergency, if Contractor believes that any significant changes in the Work or variations from the Contract Document have been caused thereby. If the County determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Contractor fails to provide the forty-eight (48) hour written notice noted above, the Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Contract Amount or an extension to the Contract Time.

Section 27. USE OF PREMISES

Contractor shall confine all construction equipment, the storage of materials and equipment and the operations of workers to the Project site and land and areas identified in and permitted by the Contract Documents and other lands and areas permitted by law, rights of way, permits and easements, and shall not unreasonably encumber the Project site with construction equipment or other material or equipment. Contractor shall assume full responsibility for any damage to any such land or area, or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the Work.

Section 28. SAFETY

28.1. Contractor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to:

a) All employees performing the Work and other persons and/or organizations who may be affected thereby;
b) All Work and materials and equipment to be incorporated therein, whether in storage on or off the Project site; and
c) Other property on the Project site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, utilities and any underground structures or improvements not designated for removal, relocation or replacement in the Contract Documents.

28.2. Contractor shall comply with all applicable codes, laws, ordinances, rules and regulations of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury or loss. Contractor shall erect and maintain all necessary safeguards for such safety and protection. Contractor shall notify owners of adjacent property and of underground structures and improvements and utility owners when performance of the Work may affect them, and shall cooperate with them in the protection, removal, relocation or replacement of their property. Contractor's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by County has occurred.

28.3. Contractor shall designate a responsible representative at the Project site whose duty

shall be the prevention of accidents. This person shall be Contractor's superintendent unless otherwise designated in writing by the Contractor to the County.

28.4. Contractor shall adhere at all times to the minimum safety guidelines for construction and renovation projects as set out in **Exhibit C** of this Agreement.

Section 29. PROJECT MEETINGS

Prior to the commencement of Work, the Contractor shall attend a preconstruction conference with the County to discuss the Progress Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the performance of the Work, the Contractor shall attend any and all meetings convened by the County with respect to the Project, when directed to do so by County. Contractor shall have its subcontractors and suppliers attend all such meetings (including the preconstruction conference) as may be directed by the County.

(Revised 2020)

AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA AND _____ FOR DESIGN-BUILD SERVICES

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida ("County"), with administrative offices at 221 South Palafox Place, Pensacola, Florida 32502, and _____, a _____ for profit [corporation OR limited liability company] ("Design-Build Firm"), FEI/EIN _____, with a principal address of _____, relating to the Design-Build Firm's performance of all work ("Work") in connection with _____, P.D. _____("Project"), as set forth in the Plans and Specifications furnished by the Design-Build Firm and other Contract Documents hereafter specified.

WITNESSETH:

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Design-Build Firm agree as follows:

SECTION 1. CONTRACT DOCUMENTS.

1.1 The Contract Documents consist of this Agreement, the Amendments and Exhibits described in Section 7 hereof, Change Orders, Work Directive Changes, Field Orders, and the solicitation documents, including addenda relating thereto. All of the foregoing Contract Documents are incorporated by reference and made a part of this Agreement (all of said documents, including this Agreement, sometimes being referred to herein as the "Contract Documents" and sometimes as the "Agreement"). A copy of the Contract Documents shall be maintained by Design-Build Firm at the Project site at all times during the performance of the Work.

1.2 In case of any inconsistency or conflict among the provisions of the Agreement and any other terms and conditions of any documents comprising the Contract Documents, the provisions of the Agreement shall control. Concerning the Contract Documents, the order of precedence shall be as follows: 1) the Agreement, including Amendments and Exhibits; 2) Change Orders; 3) Work Directive Changes; 4) Field Orders; 5) the Solicitation Documents, including addenda. The Contract Documents listed above represent the entire and integrated agreement between the parties hereto, and supersede prior negotiations, representations, or agreements, either written or oral.

1.3 County shall furnish to the Design-Build Firm up to three (3) sets of the Contract Documents for execution of the Work. Additional copies of the Contract Documents shall be furnished, upon request, at the cost of reproduction.

SECTION 2. SCOPE OF WORK.

2.1 Generally.
Design-Build Firm will provide all planning, design, and architectural/engineering services required for the proper design and for all other services necessary for the construction of the Project.

2.2 Responsibility with respect to Design.

SAMPLE

1) In fulfilling its obligations under this Section, Design-Build Firm shall employ Architects and Engineers of the appropriate specialties for proper preparation of the Project drawings and specifications, including structural, mechanical, electrical, soils (excepting existing environmental contamination and based upon soil boring reports furnished to Design-Build Firm by County), civil and such other specialties as are reasonably required. All such professional services shall be performed by appropriately State of Florida licensed personnel. Design-Build Firm takes responsibility for the proper performance of such architectural and engineering services.

2) The Design-Build Firm shall prepare and the County shall approve a Pre-Construction Phase schedule as follows:

   (a) PHASE I - SCHEMATIC DESIGN PHASE
   Based upon the County's Project requirements, as set forth in the Design Criteria Package prepared by the County Architect, and set forth in Exhibit I, Schematic Design Studies will be prepared by the Design-Build Firm. These Schematics are for the purpose of assisting the County in determining the feasibility of the Project.

   (b) PHASE 2 - DESIGN DEVELOPMENT
   Upon approval of Schematic Designs and authorization from the County to proceed, the Design-Build Firm shall prepare Design Development documents to fix the size and character of the Project as to structural, mechanical and electrical systems, materials, and other appropriate essential items in the Project. These Development Documents shall be the basis for the design and construction of the Project. Approved Development Documents shall be incorporated in Exhibit K.

   (c) PHASE 3 - WORKING DRAWINGS AND SPECIFICATIONS
   From approved Design Development Documents, the Design-Build Firm will prepare working Drawings and Specifications setting forth in detail the requirements for the construction of the Project, and based upon codes, laws, or regulations which have been enacted at the time of their preparation.

3) The Design-Build Firm and the County will work closely together to monitor the design in accordance with prior approvals so as to ensure that the Project can be constructed within the amount as defined in Section 3. As these working Drawings and Specifications are being completed, the Design-Build Firm will keep the County advised of the effects of any County requested changes on the Contract Time Schedule and/or the Guaranteed Maximum Price (“GMP”). Construction of the Project shall be in accordance with these Drawings and Specifications as approved by the County and incorporated in the exhibits. The Drawings and Specifications shall remain the property of the County and may be used by the County on this or other projects without the written consent of the Design-Build Firm.

4) After the completion of any Pre-Construction Phase as set forth above in Subsection 2. B., paragraphs 2) (a), (b), and (c), if the Project is no longer feasible for any reason from the standpoint of the County, the County may terminate this Agreement and pay the Design-Build Firm pursuant to Section 3 “Contract Amount”.

SAMPLE

2.3 Responsibility with Respect to Construction.

1) The Design-Build Firm will provide all construction supervision, inspection, labor, materials, tools, construction equipment, and subcontracted items of every kind and type necessary for the timely execution and full completion of the Project in a good workmanlike manner required by the Contract.

2) The Design-Build Firm will pay all sales, use, gross receipts and similar taxes related to the Work provided by the Design-Build Firm, which have been legally enacted at the time of execution of this Agreement and for which the Design-Build Firm is liable.

3) The Design-Build Firm will prepare and submit for the County's approval an estimated progress schedule for the Project. This schedule shall indicate the dates for the starting and completion of the various stages of the construction. It shall be revised as required by the conditions of the Work and by those conditions and events, which are beyond the Design-Build Firm's control. (**Exhibit O)**

4) The Design-Build Firm shall keep such full and detailed accounts as may be necessary for proper financial management under this Agreement. The system shall be satisfactory to the County, which shall be afforded access to all of the Design-Build Firm's records, books, correspondence, instructions, drawings, receipts, vouchers, memoranda, and similar data relating to this Agreement. The Design-Build Firm shall preserve all such records for a period of three (3) years after the final payment or longer where required by law. All such records shall be subject to public disclosure under Chapter 119, Florida Statutes, the Florida Public Records Law. Failure to disclose such documents shall result in the termination of this Agreement by the County.

2.4 Royalties and Patents.

The Design-Build Firm shall pay all royalties and license fees for materials, methods, and systems incorporated in the Work. It shall defend all suits or claims for infringement of any patent rights and shall save the County harmless from loss on account thereof except when a particular design process or product is specified by the County. In such case the Design-Build Firm shall be responsible for such loss only if it has reason to believe that the design, process, or product so specified is an infringement of a patent, and fails to give such information promptly to the County.

2.5 Warranties and Completion.

In addition to the warranty set forth in Section 20, General Conditions:

1) The Design-Build Firm will secure required certificates of inspection, testing, or approval and deliver them to the County.

2) The Design-Build Firm will collect all written warranties and equipment manuals and deliver them to the County.

3) The Design-Build Firm, with the assistance of the County's maintenance personnel, will direct the commissioning of utilities and the operations of the Project’s systems and equipment, and will assist in their initial start-up and testing.

SECTION 3. CONTRACT AMOUNT.

In consideration of the faithful performance by Design-Build Firm of the covenants in this

SAMPLE

Agreement to the full satisfaction and acceptance of County, County agrees to pay, or cause to be paid, to Design-Build Firm in accordance with the terms of this Agreement the following Guaranteed Maximum Price (GMP) amount for the Project (herein "Contract Amount"):
$_____.

SECTION 4. DESIGN-BUILD FIRM FEES.

4.1 Pre-Construction Phase Fee. For the performance of the design services set forth herein and for profit and overhead related to these services, a total fee of $_____ shall be paid to the Design-Build Firm. The Pre-construction Phase Fee for the Project shall be paid in monthly payments of $_____ each. The first monthly payment shall become due thirty (30) days following the issuance by the County of the Notice To Proceed with the design services for the Project and monthly thereafter based on the project schedule and approval by County of deliverables as set forth in **Exhibit M** (Design Fee proposal) and **Exhibit J** (Schedule of Project Fees).

The Design-Build Firm's design personnel to be assigned during the Pre-Construction Phase(s) of the Work and their duties, responsibilities, and fee schedule, and the duration of their assignments are shown on **Exhibit N**, which is incorporated by reference herein. Such personnel shall not be replaced without the prior written consent of the County which shall not unreasonably withhold such consent.

4.2 Construction Phase Fee. Prior to commencement of the Construction Phase of the Project, the County will direct the Design-Build Firm in writing to proceed with that Construction Phase. The Design-Build Firm's compensation for services performed during the Construction Phase shall be a total fee of $_____ (However, the County retains the right to review the need and effectiveness of any employee or employees assigned by the Design-Build Firm, should the County question the need for the employee or employees). The Construction Phase Fee shall be paid in monthly payments of $_____ each and one final monthly payment of $_____ at the conclusion of the Project. The first monthly payment shall become due thirty (30) days following the issuance of the Construction Phase Notice to Proceed by the County and the final monthly payment shall be paid only when construction of the Project is finally completed and occupancy of is accepted by the County. If construction is authorized only for a part of the Project, the fee paid shall be proportionate to the amount of work authorized by the County. The construction phase fee shall be negotiated based on the Design and the negotiated fee and supporting documentation shall be incorporated in **Exhibit J** (Schedule of Project Fees).

4.3 Design-Build Firm's Exclusive Remedy. In the event the construction Substantial or Final Completion date is extended, regardless of whether delay is caused by any act or neglect of the County, or is attributable to the County, the Design-Build Firm's sole and exclusive remedy is an extension of the construction completion date.

4.4 Overhead and Profit for the Construction Phase. For overhead, profit, and general expenses of any kind for services provided during and related to the Construction Phase of the Project, the fee shall be $_____, and shall be paid proportionally to the ratio of the cost of the Work in place, and less retainage as it bears on the latest estimate of the total construction cost or to the GMP or to the County's Construction Budget, whichever is less. The balance of the fee shall be paid when construction of the Project is finally completed and occupancy of the Project accepted by the County as provided in this Agreement. If construction is authorized only for a part of a phase of the Project, the fee paid shall be proportionate to the

SAMPLE

amount of Work authorized by the County. The Overhead and Profit for the Construction Phase shall be negotiated based on the design and set forth in **Exhibit J** (Schedule of Project Fees).

4.5 All payments under this Agreement and interest on any late payments shall be governed by the Local Government Prompt Payment Act, §§ 218.70, et seq., Florida Statutes, as amended.

SECTION 5. BONDS.

5.1 Design-Build Firm shall provide Performance and Payment Bonds, in the form prescribed in **Exhibit B**, in the amount of one hundred percent (100%) of the Contract Amount, the costs of which to be paid by Design-Build Firm. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to County; provided; however, the surety shall be rated as "A-" (excellent) or better and Class "V" or higher rating as to financial size category and the amount required shall not exceed two percent (2%) of the reported policy holder's surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

5.2 If the surety for any bond furnished by Design-Build Firm is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Design-Build Firm shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval. Failure by the Design-Build Firm to maintain its bonds in full force and effect at all times, including the warranty period, shall be grounds for termination of this Contract.

5.3 Pursuant to §255.05, Florida Statutes, the Design-Build Firm shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the Project sufficient to identify it. (The recording fee is $10.00 for the first page and $8.50 for each additional page).

SECTION 6. CONTRACT TIME AND LIQUIDATED DAMAGES.

6.1 Time is of the essence in the performance of the Work under this Agreement. Design-Build Firm shall commence the Work within ten (10) calendar days from the Commencement Date, established in each Phase's Notice to Proceed. No Work shall be performed at the Project site prior to such Commencement Dates. Design-Build Firm shall provide forty-eight (48) hours' notice prior to beginning the Work. The Work shall be substantially completed within _____ ( ) calendar days from the Commencement Date. The Work shall be fully completed and deemed ready by the County for final completion within _____ ( ) calendar days from the Substantial Completion Date. The Contract Time shall be the time period from the Commencement Date to the date of final completion totaling _____ ( ) calendar days (herein "Contract Time").

6.2 County and Design-Build Firm recognize that, since time is of the essence for this Agreement, the County will suffer financial loss if the Work is not substantially completed within the time specified. Should Design-Build Firm fail to substantially complete the Work within the time period noted above, County shall be entitled to assess, as liquidated damages, but not as a penalty, **$**_____ for each calendar day thereafter until Substantial Completion is achieved. The Project shall be deemed to be substantially completed by the County on the date that the County's Architect certifies in writing that the construction of the Project, or specified part thereof, is sufficiently completed in accordance with the Contract Documents, so that the Project or specified

SAMPLE

part can be utilized for the purposes for which it is intended. Along with such certification, the Architect shall compile a “punch list” of any remaining exceptions that do not adversely affect the use of the Project. Completion of these items will be required prior to final payment as provided herein.

6.3 Design-Build Firm hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the County's actual damages at the time of contracting if Design-Build Firm fails to substantially complete the Work in accordance with the progress schedule.

6.4 When any period of time is referenced to by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday.

SECTION 7. EXHIBITS INCORPORATED.

The following documents are expressly agreed to be incorporated by reference and made a part of this Agreement.

Exhibit A: General Terms and Conditions
Exhibit B: Form of Performance and Payment Bonds
Exhibit C: Insurance Requirements
Exhibit D: Form of Release and Affidavit
Exhibit E: Form of Application for Payment
Exhibit F: Form of Change Order
Exhibit G: Owner Direct Purchases- FORM OF 0205 (if applicable)
Exhibit H: Contract Definitions
Exhibit I: Design Criteria Package
Exhibit J: Schedule of Project Fees
Exhibit K: Approved schematic Designs/Development Documents
Exhibit L: Approved GMP Construction Drawings and Specifications
Exhibit M: Pre-Construction Fee proposal
Exhibit N: Design-Build Firm Project Personnel Roster
Exhibit O: Project Schedule
Exhibit P: GMP Amount Detail
Exhibit Q: Information Package
Exhibit R: If Required

SECTION 8. NOTICES.

8.1 All notices required or made pursuant to this Agreement by the Design-Build Firm to the County shall be in writing and delivered by hand or by United States Postal Service Department, first class mail, postage pre-paid, return receipt requested, addressed to the following:

_____
_____
_____
Attention: _____

SAMPLE

8.2 All notices required or made pursuant to this Agreement by County to Design-Build Firm shall be made in writing and shall be delivered by hand or by United States Postal Service Department, first class mail, postage pre-paid, return receipt requested, addressed to the following:

_____
_____
_____
Attention: _____

8.3 Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

SECTION 9. MODIFICATION.
No modification or change to the Agreement shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

SECTION 10. SUCCESSORS AND ASSIGNS.
Subject to other provisions hereof, the Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Agreement.

SECTION 11. GOVERNING LAW.
The Agreement shall be interpreted under and its performance governed by the laws of the State of Florida, and the Parties stipulate venue for matters relating to the subject of this Agreement shall be in the County of Escambia.

SECTION 12. NO WAIVER.
The failure of the County to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

SECTION 13. ENTIRE AGREEMENT.
Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Agreement.

SECTION 14. SEVERABILITY.
Should any provision of the Agreement be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

SECTION 15. PUBLIC RECORDS.
The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor

SAMPLE

fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract. In such case, the Contractor shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontractor work).

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

EXHIBIT A
GENERAL TERMS AND CONDITIONS

Section 1. INTENT OF CONTRACT DOCUMENTS

1.1. It is the intent of the Contract Documents to describe a functionally complete project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents as being required to produce the intended result shall be supplied whether or not specifically called for. When words which have a well known technical or trade meaning are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in affect at the time the Work is performed, except as may be otherwise specifically stated herein.

1.2. During the performance of the Work, if Design-Build Firm discovers a conflict, error or discrepancy in the Contract Documents, Design-Build Firm immediately shall report same to the County in writing and before proceeding with the Work affected thereby shall obtain a written interpretation or clarification from the Design-Build Firm's Architect/Engineer. Design-Build Firm shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to Design-Build Firm with the Contract Documents before commencing any portion of the Work.

1.3. Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts, or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications of other Contract Document provisions, Design-Build Firm shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Design-Build Firm, as determined by its Architect/Engineer. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

Section 2. INVESTIGATION AND UTILITIES

2.1 Design-Build Firm shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the Project area as a whole; topography and ground surface conditions; nature and quality of the surface materials to be encountered; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Design-Build Firm to acquaint itself with any applicable conditions shall not relieve Design-Build Firm from any of its responsibilities to perform under the Contract Documents, nor shall it be considered the basis for any claim for additional time or compensation.

SAMPLE

2.2. Design-Build Firm shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Section 2 as the "Utilities". Design-Build Firm shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Design-Build Firm shall schedule and coordinate its Work around any such relocation or temporary service interruption. Design-Build Firm shall be responsible for properly shoring, supporting and protecting all Utilities at all times during the course of the Work.

Section 3. PROGRESS PAYMENTS FOR CONSTRUCTION PHASE

3.1. Prior to submitting its first Application for Payment, Design-Build Firm shall submit to County, for its review and approval, a schedule of values based upon the Contract Price, listing the major elements of the Work and the dollar value for each element. After its approval by the County, this schedule of values shall be used as the basis for the Design-Build Firm's Applications for Payment. This schedule shall be updated and submitted along with a completed and notarized copy of the Application for Payment form attached to the Agreement as **Exhibit E**.

3.2. Prior to submitting its first Monthly Application for Payment, Design-Build Firm shall submit to County a complete list of all its proposed subcontractors and materialmen, showing the work and materials involved and the dollar amount of each proposed subcontract and purchase order. The first Application for Payment shall be submitted no earlier than thirty (30) calendar days after Commencement Date of construction.

3.3. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location agreed to by the County in writing, the Application for Payment shall also be accompanied by a bill of sale, invoice or other documentation warranting that upon payment by County, the County shall receive the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect County's interest therein, all of which shall be subject to the County's prior written approval.

3.4. Design-Build Firm shall submit three (3) copies of each of its Applications for Payment to the County on or before the 25th day of each month for work performed during the previous month. Invoices received after the 25th day of each month shall be considered for payment as part of the next month's application. Within ten (10) calendar days after receipt of each Application for Payment, the County shall either: (1) indicate approval of the requested payment; (2) indicate approval of only a portion of the requested payment, stating in writing the reasons therefore; or (3) return the Application for Payment to the Design-Build Firm indicating, in writing, the reason for refusing to approve payment. In the event of a total or partial denial of the Application for Payment, the Design-Build Firm may make the necessary corrections and resubmit the Application for Payment for reconsideration within ten (10) calendar days of receiving notice of refusal.

If re-submittal of the Application for Payment is refused, in whole or in part, the Design-Build Firm may submit a written request to the County Administrator for an administrative decision within two (2) business days of receiving notice of refusal. Upon receiving a timely request, an administrative decision shall be rendered within ten (10) calendar days with written notification provided to the Design-Build Firm.

SAMPLE

If the administrative decision is disputed, the Design-Build Firm may submit a written request to the County Administrator for an administrative hearing before the Dispute Resolution Committee (DRC) within two (2) business days of receiving said decision. A hearing shall be scheduled within ten (10) business days from the date the request is received, and the Design-Build Firm will receive written notice of the hearing date. The DRC may, within its discretion, render a final decision at the hearing or may elect to mail a written decision within a period not to exceed ten (10) calendar days from the hearing date. The DRC's written decision shall be considered administratively final.

The County shall, within twenty (20) business days after County approval of an Application for Payment, pay the Design-Build Firm the amounts so approved. Provided, however, in no event shall the County be obligated to pay an amount greater than that portion of the Application for Payment approved by the County.

3.5. The following provisions relating to retainage shall not apply to applications for payment for work performed pursuant to Section 2.A. of the Agreement, relating to the Design Phase.

a) If the Contract Amount is $200,000.00 or less, the following shall apply:
County shall retain ten percent (10%) of the gross amount of each monthly payment request or ten percent (10%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to the Design-Build Firm until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Design-Build Firm upon receiving a certificate of substantial completion and approval from the Architect/Engineer.

b) If the Contract Amount is in excess of $200,000.00, the following shall apply:
County shall retain five percent (5%) of the gross amount of each monthly payment request or five percent (5%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Design-Build Firm upon receiving a certificate of substantial completion and approval from the Architect/Engineer. This subsection shall not apply if the project is paid, in whole or in part, with federal funds and subject to federal grantor laws and regulations or requirements that are contrary to any provision of the Local Government Prompt Payment Act.

The County shall not pay or release any amounts that are the subject of a good faith dispute, claim, or demand.

3.6. Monthly payments to Design-Build Firm, including the release of any portion or percentage of sums retained prior to final completion of the Project, shall in no way imply approval or acceptance of Design-Build Firm's work.

3.7. Each Application for Payment shall be accompanied by a Release and Affidavit, in the form attached as **Exhibit D**, showing that all materials, labor, equipment and other bills associated with that portion of the Work payment is being requested or have been paid in full. The County shall not be required to make payment until and unless these affidavits are furnished by Design-Build Firm.

SAMPLE

3.8 All payments under this Agreement and interest on any late payments shall be governed by the Local Government Prompt Payment Act, §§ 218.70, et seq., Florida Statutes, as amended.

Section 4. PAYMENTS WITHHELD

The County may decline to approve any Application for Payment, or portions thereof, because of subsequently discovered evidence or subsequent inspections. The County may nullify the whole or any part of any approval for payment previously issued and County may withhold any payments otherwise due Design-Build Firm under this Agreement or any other agreement between County and Design-Build Firm, to such extent as may be necessary in the County's opinion to protect it from loss because of: (a) defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Design-Build Firm to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the Work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the Work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the Work by the Design-Build Firm; or (g) any other material breach of the Contract Documents. If these conditions are not remedied or removed, County may, after three (3) days written notice, rectify the same at Design-Build Firm's expense. County also may offset against any sums due Design-Build Firm the amount of any liquidated or un-liquidated obligations of Design-Build Firm to County, whether relating to or arising out of this Agreement or any other agreement between Design-Build Firm and County.

Section 5. FINAL PAYMENT

5.1. County shall make final payment to Design-Build Firm within thirty (30) calendar days after the Work is finally inspected and accepted by County in accordance with Section 19.1 herein, provided that Design-Build Firm first, and as an explicit condition precedent to the accrual of Design-Build Firm's right to final payment, shall have furnished County with a properly executed and notarized copy of the Release and Affidavit attached as **Exhibit D**, as well as, a duly executed copy of the Surety's consent to final payment and such other documentation that may be required by the Contract Documents or the County.

5.2. Design-Build Firm's acceptance of final payment shall constitute a full waiver of any and all claims by Design-Build Firm against County arising out of this Agreement or otherwise relating to the Project, except those previously made in writing and identified by Design-Build Firm as unsettled at the time of the final Application for Payment. Neither the acceptance of the Work nor payment by County shall be deemed to be a waiver of County's right to enforce any obligations of Design-Build Firm hereunder or to the recovery of damages for defective Work not discovered by the County at the time of final inspection.

Section 6. SUBMITTALS AND SUBSTITUTIONS

6.1. Design-Build Firm shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. Design-Build Firm shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

SAMPLE

6.2. Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by County if sufficient information is submitted by Design-Build Firm to allow the County to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by County from anyone other than Design-Build Firm and all such requests must be submitted by Design-Build Firm to County within thirty (30) calendar days after Notice of Award is received by Design-Build Firm.

6.3. If Design-Build Firm wishes to furnish or use a substitute item of material or equipment, Design-Build Firm shall make application to the County for acceptance thereof, certifying that the proposed substitute shall perform adequately the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Design-Build Firm's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with County for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other Design-Build Firms affected by the resulting change, all of which shall be considered by the County in evaluating the proposed substitute. The County may require Design-Build Firm to furnish at Design-Build Firm's expense additional data about the proposed substitute.

6.4. If a specific means, method, technique, sequence or procedure of construction is indicated in or required by the Contract Documents, Design-Build Firm may furnish or utilize a substitute means, method, sequence, technique or procedure of construction acceptable to the County, if Design-Build Firm submits sufficient information to allow the County to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by the County shall be the same as those provided herein for substitute materials and equipment.

6.5. The County shall be allowed a reasonable time within which to evaluate each proposed substitute. The County shall be the sole judge of acceptability, and no substitute will be ordered, installed or utilized without the County's prior written acceptance which shall be evidenced by either a Change Order or an approved Shop Drawing. The County may require Design-Build Firm to furnish at Design-Build Firm's expense a special performance guarantee or other surety with respect to any substitute.

Section 7. DAILY REPORTS, AS-BUILTS AND MEETINGS

7.1. Unless waived in writing by County, during the Construction Phase, Design-Build Firm shall complete and submit to the County on a weekly basis a daily log of the Design-Build Firm's work for the preceding week in a format approved by the County. The daily log shall document all activities of Design-Build Firm at the Project site including, but not limited to, the following:

SAMPLE

a) Weather conditions showing the high and low temperatures during work hours, the amount of precipitation received on the Project site, and any other weather conditions which adversely affect the Work;
b) Soil conditions which adversely affect the Work;
c) The hours of operation by Contractor's personnel and subcontractor's personnel;
d) The number of Contractor's and subcontractor's personnel present and working at the Project site, by subcontract and trade;
e) All equipment on the Project site, description of equipment use, and designation of time equipment was used (specifically indicating any down time);
f) Description of Work being performed at the Project site;
g) Any unusual or special occurrences at the Project site;
h) Materials received at the Project site; and
i) A list of all visitors to the Project site.

The daily log shall not constitute nor take the place of any notice required to be given by Design-Build Firm to County pursuant to the Contract Documents.

7.2. Design-Build Firm shall maintain in a safe place at the Project site one record copy of the Contract Documents, as well as all shop drawings and other Design-Build Firm submittals and all written interpretations and clarifications issued by the County, in good order and annotated to show all changes made during construction. The annotated drawings shall be continuously updated by the Design-Build Firm throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Work Directive Changes and Field Orders, and all concealed and buried installations of piping, conduit and utility services. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the annotated drawings as to depth and in relationship to not less than two (2) permanent features (e.g. interior or exterior wall faces). The annotated drawings shall be clean, and all changes, corrections and dimensions shall be given in a neat and legible manner in a contrasting color. The "As-Built" record documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to County for reference. Upon completion of the Work, and as a condition precedent to Design-Build Firm's entitlement to final payment, these "As-Built" record documents, samples and shop drawings shall be delivered to County by Design-Build Firm for County.

7.3. Design-Build Firm shall keep all records and supporting documentation which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed, whichever is later. County, or any duly authorized agents or representatives of County, shall have the right to audit, inspect and copy all such records and documentation as often as they deem necessary during the period of this Agreement and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 8. CONTRACT TIME AND TIME EXTENSIONS

8.1. Design-Build Firm shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its Architect/Engineer, subcontractors and materialmen, as well as coordinating its Work with all work of others at the Project Site, so that its Work or the work of others shall not be delayed or impaired by any act or omission of Design-Build Firm. Design-Build Firm shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Contract Documents.

SAMPLE

8.2. Should Design-Build Firm be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Design-Build Firm, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Design-Build Firm shall notify the County in writing within forty-eight (48) hours after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which Design-Build Firm may have had to request a time extension.

8.3. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Design-Build Firm of its duty to perform or give rise to any right to damages or additional compensation from County. Design-Build Firm expressly acknowledges and agrees that it shall receive no damages for delay. Design-Build Firm's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

Section 9. CHANGES IN THE WORK

9.1. County shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Design-Build Firm shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of County, and County shall not be liable to the Design-Build Firm for any increased compensation without such written order. No officer, employee or agent of County is authorized to direct any extra or changed work orally.

9.2. A Change Order, in the form attached as **Exhibit F** to this Agreement, shall be issued and executed promptly after an agreement is reached between Design-Build Firm and County concerning the requested changes. Design-Build Firm shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as County and Design-Build Firm shall mutually agree.

9.3. If County and Design-Build Firm are unable to agree on a Change Order for the requested change, Design-Build Firm shall, nevertheless, promptly perform the change as directed by County in a written Work Directive Change. In that event, the Contract Amount and Contract Time shall be adjusted as directed by County. If Design-Build Firm disagrees with the County's adjustment determination, Design-Build Firm must make a claim pursuant to Section 10 of these General Conditions or else be deemed to have waived any claim on this matter it might otherwise have had.

9.4. In the event a requested change results in an increase to the Contract Amount, as to design the amount of the increase shall be based upon the standard hourly billing rates, according to classification of the Design-Build Firm's Architect/Engineer plus expenses to be charged at actual cost. As to the construction, the amount of the increase shall be limited to the Design-Build Firm's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit. In the event such change Work is performed by a Subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all

SAMPLE

Subcontractors' and sub-subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the Design-Build Firm for all of its overhead and profit, for a total maximum markup of fifteen percent (15%). All compensation due Design-Build Firm and any Subcontractor or sub-subcontractor for field and home office overhead is included in the markups noted above.

9.5. County shall have the right to conduct an audit of Design-Build Firm's books and records to verify the accuracy of the Design-Build Firm's claim with respect to Design-Build Firm's costs associated with any Change Order.

9.6. The County shall have authority to order minor changes in the Work not involving an adjustment to the Contract Amount and not inconsistent with the intent of the Contract Documents. Such changes may be affected by Field Order or by other written order. Such changes shall be binding on the Design-Build Firm.

Section 10. CLAIMS AND DISPUTES

10.1. A Claim is a demand or assertion by one of the parties seeking an adjustment or interpretation of the terms of the Contract Documents, payment of money, extension of time or other relief with respect to the terms of the Contract Documents. The term "Claim" also includes other disputes and matters in question between County and Design-Build Firm arising out of or relating to the Contract Documents. The responsibility to substantiate a Claim shall rest with the party making the Claim.

10.2. Claims by the Design-Build Firm shall be made in writing to the County within forty-eight (48) hours after the first day of the event giving rise to such Claim or else the Design-Build Firm shall be deemed to have waived the Claim. Written supporting data shall be submitted to the County within fifteen (15) calendar days after the occurrence of the event, unless the County grants additional time in writing, or else the Design-Build Firm shall be deemed to have waived the Claim. All claims shall be priced in accordance with the provisions of Subsection 9.4.

10.3. The Design-Build Firm shall proceed diligently with its performance as directed by the County, regardless of any pending Claim, action, suit or administrative proceeding, unless otherwise agreed to by the County in writing. County shall continue to make payments in accordance with the Contract Documents during the pendency of any Claim.

Section 11. OTHER WORK

11.1. County may perform other work related to the Project at the site by County's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, notice thereof will be given to Design-Build Firm. If Design-Build Firm believes that such performance will involve additional expense to Design-Build Firm or require additional time, Design-Build Firm shall send written notice of that fact to County within forty-eight (48) hours of being notified of the other work. If the Design-Build Firm fails to send the above required forty-eight (48) hour notice, the Design-Build Firm will be deemed to have waived any rights it otherwise may have had to seek an extension to the Contract Time or adjustment to the Contract Amount.

11.2. Design-Build Firm shall afford each utility owner and other Design-Build Firm (or County, if County is performing the additional work with County's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment

SAMPLE

and the execution of such work and shall properly connect and coordinate its Work with theirs. Design-Build Firm shall do all cutting, fitting and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Design-Build Firm shall not endanger any work of others by cutting, excavating or otherwise altering their work and will only cut or alter their work with the written consent of the County and the others whose work will be affected.

11.3. If any part of Design-Build Firm's Work depends for proper execution or results upon the work of any other Design-Build Firm or utility owner (or County), Design-Build Firm shall inspect and promptly report to County in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Design-Build Firm's failure to report will constitute an acceptance of the other work as fit and proper for integration with Design-Build Firm's Work.

Section 12. INDEMNIFICATION AND INSURANCE

12.1. Indemnification. Design-Build Firm shall pay on behalf of or indemnify and hold harmless the County and its, agents, officers and employees from all liabilities, damages, losses, and costs, including attorneys' and paralegal fees, incurred by County to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Design-Build Firm or by any person, firm or corporation (including but not limited to the Architect/Engineer) to whom any portion of the Work is subcontracted by Design-Build Firm or resulting from the use by Design-Build Firm, or by any one for whom Design-Build Firm is legally liable, of any materials, tools, machinery or other property of County. Design-Build Firm's obligation as provided herein shall be limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Design-Build Firm or by any person, firm or corporation to whom any portion of the Work is subcontracted by Design-Build Firm, and Design-Build Firm shall not be required to pay on behalf of or indemnify and hold harmless County where County's negligence, recklessness or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's fees and paralegal fees.

County and Design-Build Firm agree one percent (1%) of the Contract Amount paid by County to Design-Build Firm shall be given as separate consideration for this indemnification, and any other indemnification of County by Design-Build Firm provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Design-Build Firm by Design-Build Firm's acceptance and execution of the Agreement.

Design Build Firm agrees that such indemnification by Design Build Firm relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any applicable statutes of limitations thereafter. The Design-Build Firm's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

12.2 Duty to Provide Legal Defense. To the extent permitted by law, the Design-Build Firm shall pay for and provide a legal defense for County, which shall include attorneys' fees and costs, both of which will be done only if and when requested by County, for all liabilities, damages, losses, and costs as described in paragraph 12.1 above. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

SAMPLE

12.3 Insurance.

Design-Build Firm shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in Exhibit C to the Agreement. All insurance policies shall be from responsible companies duly authorized to do business in the State of Florida and/or responsible risk retention group insurance companies or trusts which are registered with the State of Florida. Foreign or off-shore insurance carriers are not acceptable for work under this contract unless admitted to the State of Florida. All commercial insurance carriers providing the Design-Build Firm with required insurance shall be rated with a minimum financial size category of VII according to the AM Best Rating Guide, latest edition. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Within ten (10) calendar days after Notice of Award is received by Design-Build Firm and prior to the commencement of work, Design-Build Firm shall provide County with properly executed Certificates of Insurance to evidence Design-Build Firm's compliance with the insurance requirements of the Contract Documents. Said Certificates of Insurance shall be on forms approved by County, such as "Acord Form 25". The Certificates of Insurance shall be personally, manually signed by the authorized representatives of the insurance company/companies shown on the Certificates of Insurance, with proof that they are authorized representatives thereof. Certificates of Insurance shall be mailed to Escambia County in care of: Purchasing Manager, Office of Purchasing, P.O. Box 1591, Pensacola, Florida 32597-1591. In addition, certified, true and exact copies of all insurance policies required hereunder shall be provided to County, on a timely basis, when requested by County.

The Certificates of Insurance and required insurance policies shall contain provisions that thirty (30) days' prior written notice by registered or certified mail shall be given County of any cancellation, intent not to renew, or reduction in the policies or coverages, except in the application of the aggregate limits provisions. In the event of a reduction in the aggregate limit of any policy, Design-Build Firm shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

All insurance coverages of the Design-Build Firm shall be primary to any insurance or self-insurance program carried by the County applicable to this Project. The acceptance by County of any Certificate of Insurance does not constitute approval or agreement by the County that the insurance requirements have been satisfied or that the insurance policy shown on the Certificate of Insurance is in compliance with the requirements of the Contract Documents. No work shall commence at the Project site unless and until the required Certificates of Insurance are received by the County.

Design-Build Firm shall require each of its subcontractors to procure and maintain, until the completion of the subcontractor's work, insurance of the types and to the limits specified in **Exhibit C**, unless such insurance requirements for the subcontractor is expressly waived in writing by the County.

All liability insurance policies, other than professional liability, worker's compensation and employer's liability policies, obtained by Design-Build Firm to meet the requirements of the Contract Documents shall name Escambia County as an additional insured and shall contain severability of interest provisions. Escambia County shall also be designated as certificate holder with the address of P. O. Box 1591, Pensacola, Florida 32597-1591. If any insurance provided pursuant to the Contract Documents expires prior to the completion of the Work, renewal Certificates of Insurance and, if requested by County, certified, true copies of the renewal policies, shall be furnished by Design-Build Firm within thirty (30) days prior to the date of expiration. Upon expiration of an insurance policy term during the course of work under the contract, succeeding

SAMPLE

insurance policies shall be consecutive to the expiring policy.

All liability policies shall be underwritten on the "occurrence" basis, unless otherwise approved in writing by the County Division of Risk Management. "Claims made" policies, if approved by the Risk Manager, and subsequent insurance certificates shall provide a "retro-date" which shall include the effective date of the contract. "Claims-made" renewals or carrier and policy replacements shall reflect the original "retro-date."

Should at any time the Design-Build Firm not maintain the insurance coverages required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverages and charge the Design-Build Firm for such coverages purchased. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverages shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

12.4 Design-Build Firm shall submit to County a copy of all accident reports arising out of any personal injuries or property damages arising or alleged to have arisen on account of any work by Design-Build Firm or sub-Contractor under the contract documents.

Section 13. COMPLIANCE WITH LAWS

13.1 Design-Build Firm agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, regulations and requirements applicable to the Project, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety. If Design-Build Firm observes that the Contract Documents are at variance therewith, it shall promptly notify County in writing. Compliance with the above laws shall include but is not limited to: (1) the Occupational Safety and Health Act, 29 CFR 1910 and 1926, respectively, General Industry Standards and Construction Industry Standards, including regulations regarding Trenching and Shoring; (2) the Florida Workers' Compensation Law, Chapter 440, Florida Statutes; (3) Rules 38F and 38I, Florida Administrative Code; and (4) Florida Department of Transportation Manual of Traffic Control and Safe Practices. Failure to adhere to the requirements of the abovenamed laws and regulations regarding safety and traffic control shall be grounds for an immediate work stoppage, either by County staff or the Design-Build Firm, until the deficiency is corrected.

13.2 Employment Eligibility Verification. In accordance with §448.095, Florida Statutes, Contractor shall register with and utilize the E-Verify System operated by the United States Department of Homeland Security to verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Contractor enters into a contract with a subcontractor performing work or providing services on its behalf, Contractor shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Section 14. CLEANUP AND PROTECTIONS

14.1. Design-Build Firm agrees to keep the Project site clean at all times of debris, rubbish and

SAMPLE

waste materials arising out of the Work. At the completion of the Work, Design-Build Firm shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy by County.

14.2. Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Contract Documents to be removed or altered, shall be protected by Design-Build Firm from damage during the prosecution of the Work. Any such improvements so damaged shall be restored by Design-Build Firm to the condition equal to that existing at the time of Design-Build Firm's commencement of the Work.

Section 15. ASSIGNMENT

Design-Build Firm shall not assign this Agreement or any part thereof, without the prior consent in writing of County. If Design-Build Firm does, with approval, assign this Agreement or any part thereof, it shall require that its assignee be bound to it and to assume toward Design-Build Firm all of the obligations and responsibilities that Design-Build Firm has assumed toward County.

Section 16. PERMITS, LICENSES AND TAXES

16.1. All permits and licenses necessary for the prosecution of the Work shall be procured and paid for by Design-Build Firm. All permits or fees, including but not limited to, all license fees, permit fees, impact fees or inspection fees payable by Design-Build Firm to County have been disclosed to Design-Build Firm in the bidding documents or other request for proposal at the time the Project was let for bid. If Design-Build Firm performs any Work without obtaining, or contrary to, such permits or licenses, Design-Build Firm shall bear all costs arising therefrom. Design-Build Firm shall pay all governmental charges and inspection fees necessary for the prosecution of the Work.

16.2. Design-Build Firm shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work.

Section 17. TERMINATION FOR DEFAULT

17.1. Design-Build Firm shall be considered in material default of the Agreement and such default shall be considered cause for County to terminate the Agreement, in whole or in part, as further set forth in this Section, if Design-Build Firm: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the County or as provided for in the approved Progress Schedule; or (3) commits errors or omissions in the performance of the architectural/engineering design or inspection services; or (4) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (5) discontinues the prosecution of the Work; or (6) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (7) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (8) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (9) makes an assignment for the benefit of creditors; or (10) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (11) materially breaches any other provision of the Contract Documents.

SAMPLE

17.2. County shall notify Design-Build Firm in writing of Design-Build Firm's default(s). If County determines that Design-Build Firm has not remedied and cured the default(s) within seven (7) calendar days following receipt by Design-Build Firm of said written notice, then County, at its option, without releasing or waiving its rights and remedies against the Design-Build Firm's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Design-Build Firm's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Design-Build Firm, take assignments of any of Design-Build Firm's subcontracts and purchase orders, and complete all or any portion of Design-Build Firm's Work by whatever means, method or agency which County, in its sole discretion, may choose.

17.3. If County deems any of the foregoing remedies necessary, Design-Build Firm agrees that is shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by County incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Design-Build Firm agrees to pay promptly to County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Design-Build Firm. The amount to be paid to the Design-Build Firm or County, as the case may be, and this obligation for payment shall survive termination of the Agreement.

17.4. The liability of Design-Build Firm hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefor or re-letting the Work, in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder.

17.5. If, after notice of termination of Design-Build Firm's right to proceed pursuant to this Section, it is determined for any reason that Design-Build Firm was not in default, or that its default was excusable, or that County is not entitled to the remedies against Design-Build Firm provided herein, then Design-Build Firm's remedies against County shall be the same as and limited to those afforded Design-Build Firm below under Subsection 18.1, Termination for Convenience.

17.6 If the Design-Build Firm refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Design-Build Firm in conjunction with this Agreement then the County may, without prejudice to any right or remedy and after giving the Design-Build Firm and his surety, if any, seven (7) days written notice, during which period Design-Build Firm still fails to allow access, terminate the employment of the Design-Build Firm and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the Design-Build Firm, and may finish the project by whatever method it may deem expedient. In such case, the Design-Build Firm shall not be entitled to receive any further payment until the Project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Design-Build Firm (excluding monies owed the Design-Build Firm for subcontract work).

SAMPLE

Section 18. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION

18.1. County shall have the right to terminate this Agreement without cause upon seven (7) calendar days written notice to Design-Build Firm. In the event of such termination for convenience, Design-Build Firm's recovery against County shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Design-Build Firm shall not be entitled to any other or further recovery against County, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

18.2. County shall have the right to suspend all or any portions of the Work upon giving Design-Build Firm two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Design-Build Firm's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Design-Build Firm be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Design-Build Firm shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

Section 19. COMPLETION

19.1. Upon receipt of written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the County shall promptly make such inspection and, if it finds the work acceptable and fully performed under the Contract Documents, shall promptly issue a final Certificate for Payment, stating that, on the basis of observations and inspections, the Work has been completed in accordance with the terms and conditions of the Contract Documents and that the entire balance found to be due the Design-Build Firm is due and payable. The final payment shall not become due and payable until Design-Build Firm submits: 1) the Release and Affidavit in the form attached as **Exhibit D;** 2) consent of surety to final payment; 3) if required by County, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by County; and 4) a published copy of the Notice of Completion as provided for in section 19.2. County reserves the right to inspect the Work and make an independent determination as to the Work's acceptability. Unless and until the County is completely satisfied, the final payment shall not become due and payable.

19.2 After the Work is ready for final inspection and acceptance by the County, a legal advertisement must be published by the Design-Build Firm in a local newspaper of a general countywide circulation at least thirty (30) days before final payment shall be made. Example of such publication is as follows:

Legal Notice of Completion

Notice is hereby given that the undersigned Design-Build Firm has completed and has ready for acceptance by the Board of County Commissioners of Escambia County, Florida, the following construction project:

_____

(Project Name and Address)

_____

(Legal Name and Address - entity of the Design-Build Firm)

SAMPLE

Subcontractors, materialmen, and other persons having payment claims against the Design-Build Firm relating to this project should govern themselves accordingly.

Section 20. WARRANTY

Design-Build Firm shall obtain and assign to County all express warranties given to Design-Build Firm or any subcontractors by any material men supplying materials, equipment or fixtures to be incorporated into the Project. Design-Build Firm warrants to County that any materials and equipment furnished under the Contract Documents shall be new unless otherwise specified, and that all Work shall be of good quality, free from all defects and in conformance with the Contract Documents. Design-Build Firm further warrants to County that all materials and equipment furnished under the Contract Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Contract Documents. If, within one (1) year after substantial completion and acceptance, any Work is found to be defective or not in conformance with the Contract Documents, Design-Build Firm shall correct it promptly after receipt of written notice from County. Design-Build Firm shall also be responsible for and pay for replacement or repair of adjacent materials or Work, which may be damaged as a result of such replacement or repair. These warranties are in addition to those implied warranties to which County is entitled as a matter of law. The Performance Bond shall remain in full force and effect throughout the Warranty Period.

Section 21. TESTS AND INSPECTIONS

21.1. County, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Design-Build Firm shall provide proper, safe conditions for such access. Design-Build Firm shall provide County with timely notice of readiness of the Work for all required inspections, tests or approvals.

21.2. If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Design-Build Firm shall assume full responsibility therefore, pay all costs in connection therewith and furnish County the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the County.

21.3. If any Work that is to be inspected, tested, or approved is covered without written concurrence from the County, such work must, if requested by County, be uncovered for observation. Such uncovering shall be at Design-Build Firm's expense unless Design-Build Firm has given County timely notice of Design-Build Firm's intention to cover the same and County has not acted with reasonable promptness to respond to such notice. If any Work is covered contrary to written directions from County, such Work must, if requested by County, be uncovered for County's observation and be replaced at Design-Build Firm's sole expense.

21.4. The County shall charge to Design-Build Firm and may deduct from any payments due Design-Build Firm all engineering and inspection expenses incurred by County in connection with any overtime work. Such overtime work consisting of any work during the construction period beyond the regular eight (8) hour day and for any work performed on Saturday, Sunday, or holidays.

SAMPLE

21.5. Neither observations by the County nor inspections, tests or approvals by others shall relieve Design-Build Firm from Design-Build Firm's obligations to perform the Work in accordance with the Contract Documents.

Section 22. DEFECTIVE WORK

22.1. Work not conforming to the requirements of the construction plans or Contract Documents or work conforming to the construction plans or contract documents containing errors or omissions, including, but not limited to, design flaws shall be deemed defective Work. If required by County, Design-Build Firm shall, as directed, either correct all defective Work, whether or not fabricated, installed or completed, or, if the defective Work has been rejected by County, remove it from the site and replace it with undefective Work. Design-Build Firm shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold County harmless for same.

22.2. If the County considers it necessary or advisable that covered Work be observed by County or inspected or tested by others, Design-Build Firm, at County's request, shall uncover, expose or otherwise make available for observation, inspection or tests as County may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Design-Build Firm shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and County shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Design-Build Firm shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

22.3. If any portion of the Work is defective, or Design-Build Firm fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the Work in such a way that the completed Work will conform to the Contract Documents, County may order Design-Build Firm to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, this right of County to stop the Work shall not give rise to any duty on the part of County to exercise this right for the benefit of Design-Build Firm or any other party.

22.4. Should the County determine, at its sole opinion, it is in the County's best interest to accept defective Work, the County may do so. Design-Build Firm shall bear all direct, indirect and consequential costs attributable to the County's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents and reflecting an appropriate decrease in the Contract Amount. If the County accepts such defective Work after final payment, Design-Build Firm shall promptly pay County an appropriate amount to adequately compensate County for its acceptance of the defective Work.

22.5. If Design-Build Firm fails, within a reasonable time after the written notice from County, to correct defective Work or to remove and replace rejected defective Work as required by County, or if Design-Build Firm fails to perform the Work in accordance with the Contract Documents, or if Design-Build Firm fails to comply with any of the provisions of the Contract Documents, County may, after seven (7) days' written notice to Design-Build Firm, correct and remedy any such

SAMPLE

deficiency. To the extent necessary to complete corrective and remedial action, County may exclude Design-Build Firm from any or all of the Project site, take possession of all or any part of the Work, and suspend Design-Build Firm's services related thereto, take possessions of Design-Build Firm's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which County has paid Design-Build Firm but which are stored elsewhere. Design-Build Firm shall allow County, and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable County to exercise the rights and remedies under this Subsection. All direct, indirect and consequential costs of County in exercising such rights and remedies shall be charged against Design-Build Firm, and a Change Order shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or others destroyed or damaged by correction, removal or replacement of Design-Build Firm's defective Work. Design-Build Firm shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by County of County's rights and remedies hereunder.

Section 23. SUPERVISION AND SUPERINTENDENTS

Design-Build Firm shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Design-Build Firm shall be responsible to see that the finished Work complies accurately with the Contract Documents. Design-Build Firm shall keep on the Work at all times during its progress a competent resident superintendent, who shall not be replaced without prior written notice to County except under extraordinary circumstances. The superintendent shall be Design-Build Firm's representative at the Project site and shall have authority to act on behalf of Design-Build Firm. All communications given to the superintendent shall be as binding as if given to the Design-Build Firm. County shall have the right to direct Design-Build Firm to remove and replace its Project superintendent, with or without cause.

Section 24. PROTECTION OF WORK

24.1. Design-Build Firm shall fully protect the Work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made. If Design-Build Firm, or any one for whom Design-Build Firm is legally liable, is responsible for any loss or damage to the Work, or other work or materials of County or County's separate Design-Build Firms, Design-Build Firm shall be charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due Design-Build Firm.

24.2. Design-Build Firm shall not load or permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Design-Build Firm subject any part of the Work or adjacent property to stresses or pressures that will endanger it.

Section 25. EMERGENCIES

In the event of an emergency affecting the safety or protection of persons or the Work or property at the Project site or adjacent thereto, Design-Build Firm, without special instruction or authorization from County is obligated to act to prevent threatened damage, injury or loss. Design-Build Firm shall give County written notice within forty-eight (48) hours after the

SAMPLE

occurrence of the emergency, if Design-Build Firm believes that any significant changes in the Work or variations from the Contract Document have been caused thereby. If the County determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Design-Build Firm fails to provide the forty-eight (48) hour written notice noted above, the Design-Build Firm shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Contract Amount or an extension to the Contract Time.

Section 26. USE OF PREMISES

Design-Build Firm shall confine all construction equipment, the storage of materials and equipment and the operations of workers to the Project site and land and areas identified in and permitted by the Contract Documents and other lands and areas permitted by law, rights of way, permits and easements, and shall not unreasonably encumber the Project site with construction equipment or other material or equipment. Design-Build Firm shall assume full responsibility for any damage to any such land or area, or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the Work.

Section 27. SAFETY

27.1. The Design-Build Firm shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work. The Design-Build Firm shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to:

a) All employees performing the Work and other persons and/or organizations who may be affected thereby;
b) All the Work and materials and equipment to be incorporated therein, whether in storage on or off the Project site; and
c) Other property on the Project site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, utilities and any underground structures or improvements not designated for removal, relocation or replacement in the contract documents.

27.2. The Design-Build Firm shall comply with all applicable codes, laws, ordinances, rules and regulations of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury or loss. The Design-Build Firm shall erect and maintain all necessary safeguards for such safety and protection. The Design-Build Firm shall notify owners of adjacent property and of underground structures and improvements and utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation or replacement of their property. Design-Build Firm's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by County has occurred.

27.3. The Design-Build Firm shall designate a responsible representative at the Project site whose duty shall be the prevention of accidents. This person shall be Design-Build Firm's superintendent unless otherwise designated in writing by the Design-Build Firm to the County.

SAMPLE

27.4. The Design-Build Firm shall adhere at all times to the minimum safety guidelines for construction and renovation projects as set out in **Exhibit C** of this Agreement.

Section 28. PROJECT MEETINGS

Prior to the commencement of Work, the Design-Build Firm shall attend a preconstruction conference with the County to discuss the Progress Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the performance of the Work, the Design-Build Firm shall attend any and all meetings convened by the County with respect to the Project, when directed to do so by County. Design-Build Firm shall have its subcontractors and suppliers attend all such meetings (including the preconstruction conference) as may be directed by the County.

FORM D: Road/Drainage
D_DRANRD.2020.docx
(Revised 2020)

AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA AND _____ FOR ROAD/DRAINAGE CONSTRUCTION

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida ("County"), with administrative offices at 221 South Palafox Place, Pensacola, Florida 32502, and _____, a _____ for profit [corporation OR limited liability company] ("Contractor"), FEI/EIN _____, with a principal address of _____, relating to the Contractor's performance of all work ("Work") in connection with _____, P.D. _____ ("Project"), as detailed in the attached Plans and Specifications and other Contract Documents hereafter specified.

WITNESSETH:

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

SECTION 1. CONTRACT DOCUMENTS.

1.1 The Contract Documents include this Agreement, including Amendments and Exhibits, the Exhibits described in Section 6, Change Orders, Work Directive Changes, Field Orders and the solicitation documents, including addenda. These Contract Documents are incorporated by reference and made a part of this Agreement. A copy of all Contract Documents shall be maintained by Contractor at the Project site at all times during the performance of the Work.

1.2 In case of any inconsistency or conflict among the provisions of the agreement and any other terms and conditions of any documents comprising the Contract Documents, the provisions of the Agreement shall control. Concerning the Contract Documents, the order of precedence shall be as follows: 1) the Agreement, including Amendments and Exhibits; 2) Change Orders; 3) Work Directive Changes; 4) Field Orders; 5) the Solicitation Documents, including addenda. The Contract Documents listed above represent the entire and integrated agreement between the parties hereto, and supersede prior negotiations, representations, or agreements, either written or oral.

1.3 County shall furnish to the Contractor up to four (4) sets of the Contract Documents for execution of the Work. Additional copies of the Contract Documents are available at the cost of reproduction.

SECTION 2. SCOPE OF WORK.

Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the Work required by the Contract Documents.

SECTION 3. CONTRACT AMOUNT.

In consideration of the faithful performance by Contractor of the covenants in this Agreement to the full satisfaction and acceptance of County, County agrees to pay, or cause to be paid, to Contractor in accordance with the terms of this Agreement the following amount (herein "Contract Amount"): [Contract Amount]

SAMPLE

SECTION 4. BONDS.

4.1 Contractor shall provide at his expense Performance and Payment Bonds, in the form prescribed in **Exhibit B**, in the amount of 100% of the Contract Amount. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to County; provided; however, the surety shall be rated as "A-" (excellent) or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holder's surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

4.2 If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval. Failure by Contractor to maintain its bonds in full force and effect at all times, including the warranty period, shall be grounds for termination of this Contract.

4.3 Pursuant to §255.05, Florida Statutes, the Contractor shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the project sufficient to identify it. (The recording fee is $10.00 for the first page and $8.50 for each remaining page.)

SECTION 5. CONTRACT TIME AND LIQUIDATED DAMAGES.

5.1 Time is of the essence in the performance of the Work under this Agreement. Contractor shall commence the Work within ten (10) calendar days from the Commencement Date, established in the Notice to Proceed. No Work shall be performed at the Project site prior to the Commencement Date. Contractor shall provide 48 hours' notice prior to beginning the Work. The Work shall be substantially completed within _____ ( ) calendar days from the Commencement Date. The Work shall be fully completed and deemed ready by the County for final completion within _____ ( ) calendar days from the Substantial Completion Date. The Contract Time shall be the time period from the Commencement Date to the date of final completion totaling _____ ( ) calendar days (herein "Contract Time"). No work under this contract shall commence until certificates of insurance have been received and acknowledged by the Purchasing Manager.

5.2 County and Contractor recognize that, since time is of the essence for this Agreement, the County will suffer financial loss if the Work is not substantially completed within the time specified. Should Contractor fail to substantially complete the Work within the time period noted above, County shall be entitled to assess, as liquidated damages, but not as a penalty, **$**_____ for each calendar day thereafter until substantial completion is achieved. The Project shall be deemed to be substantially completed by the County on the date that the County's Architect certifies in writing that the construction of the project, or specified part thereof, is sufficiently completed in accordance with the Contract Documents, so that the Project or specified part can be utilized for the purposes for which it is intended. Along with such certification, the Architect shall compile a "punch list" of any remaining exceptions that do not adversely affect the use of the Project. Completion of these items will be required prior to final payment.

SAMPLE

5.3 Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the County's actual damages at the time of contracting if Contractor fails to substantially complete the Work in accordance with the progress schedule.

5.4 When any period of time is referenced to by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday, or legal holiday.

SECTION 6. EXHIBITS INCORPORATED.

The following documents are expressly agreed to be incorporated by reference and made a part of this Agreement.

Exhibit A: General Terms and Conditions
Exhibit B: Form of Performance and Payment Bonds
Exhibit C: Insurance and Safety Requirements
Exhibit D: Form of Release and Affidavit
Exhibit E: Form of Contractor Application for Payment
Exhibit F: Form of Change Order
Exhibit G: Payment Adjustment - Bituminous Material
Exhibit H: Technical Specifications
Exhibit I: Plans & Standard Details prepared by/for County and identified as follows:

TITLE SHEET NO. DATE

Exhibit K: Federal Documents (if applicable)
Exhibit L: Solicitation Documents Index

SECTION 7. NOTICES.

7.1 All notices required or made pursuant to this Agreement by the Contractor to the County shall be in writing. All correspondence with the County should be addressed as follows:

_____
_____
_____
Attention: _____

7.2 All correspondence with the Contractor will be addressed to the following:

_____
_____
_____
Attention: _____

7.3 Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

SECTION 8. MODIFICATION.

No modification or change to the Agreement shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

SAMPLE

SECTION 9. SUCCESSORS AND ASSIGNS.
Subject to other provisions hereof, the Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Agreement.

SECTION 10. GOVERNING LAW.
The Agreement shall be interpreted under and its performance governed by the laws of the State of Florida and the parties agree that venue shall be in Escambia County, Florida for any matter which is the subject of this Contract.

SECTION 11. NO WAIVER.
The failure of the County to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

SECTION 12. ENTIRE AGREEMENT.
Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Agreement.

SECTION 13. SEVERABILITY.
Should any provision of the Agreement be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

SECTION 14. PUBLIC RECORDS.
The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract. In such case, the Contractor shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontractor work).

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

EXHIBIT A
GENERAL TERMS AND CONDITIONS

Section 1. INTENT OF CONTRACT DOCUMENTS

1.1. It is the intent of the Contract Documents to describe a functionally complete project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents, as being required to produce the intended result shall be supplied whether or not specifically called for. When words, which have a well-known technical or trade meaning, are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in affect at the time the Work is performed, except as may be otherwise specifically stated herein.

1.2. If, during the performance of the Work, Contractor discovers a conflict, error or discrepancy in the Contract Document, Contractor immediately shall report same to County and before proceeding with the Work affected thereby shall obtain an interpretation or clarification from the County. Contractor shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to Contractor with the Contract Documents before commencing any portion of the Work.

1.3. Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts, or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications of other Contract Document provisions, Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Contractor, as determined by the County. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

1.4. "Engineer", where referenced on the drawings or in the specifications or in other related documents, shall mean the Escambia County Engineer or the designated representative thereof.

Section 2. INVESTIGATION AND UTILITIES

2.1. Contractor shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the Project area as a whole; topography and ground surface conditions; nature and quality of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Contractor to acquaint itself with any applicable conditions shall not relieve Contractor from any of its responsibilities to perform under the Contract

SAMPLE

Documents, nor shall it be considered the basis for any claim for additional time or compensation.

2.2. Contractor shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Section 2 as the "Utilities". Contractor shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Contractor shall schedule and coordinate its Work around any such relocation or temporary service interruption. Where Utilities block construction, Contractor shall aggressively pursue relocation by the Utility owners. Contractor shall immediately notify the County of any delays due to Utilities blockage and document all attempts to resolve such blockage. Contractor shall be responsible for properly shoring, supporting and protecting all Utilities at all times during the course of the Work.

Section 3. SCHEDULE

3.1. The Contractor, within ten (10) calendar days after receipt of the Notice of Award, shall prepare and submit to County, for review and approval, a progress schedule for the Project (herein "Progress Schedule"). The Progress schedule may be provided in an electronic format. The Progress Schedule shall relate to all Work required by the Contract Documents and shall provide for expeditious and practicable execution of the Work within the Contract Time. The Progress Schedule shall indicate the dates for starting and completing the various stages of the Work and shall include dates of Shop Drawing Submittals.

3.2. The Progress Schedule shall be updated monthly by the Contractor. All monthly updates to the Progress Schedule shall be subject to the County's review and approval. Contractor shall submit the updates to the Progress Schedule with its Applications for Payment noted below. The County's review and approval of the submitted Progress Schedule updates shall be a condition precedent to the County's obligation to pay Contractor.

Section 4. PROGRESS PAYMENTS

4.1. Prior to submitting its first Application for Payment, Contractor shall submit to County, for its review and approval, a schedule of values based upon the Contract Price, listing the major elements of the Work and the dollar value for each element. After its approval by the County, this schedule of values shall be used as the basis for the Contractor's Applications for Payment. This schedule shall be updated and submitted along with a completed and notarized copy of the Application for Payment form attached to the Agreement as **Exhibit E.**

4.2. Prior to submitting its first Monthly Application for Payment, Contractor shall submit to County a complete list of all its proposed subcontractors and material men, showing the work and materials involved. The first Application for Payment shall be submitted no earlier than thirty (30) days after Commencement Date.

4.3. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location agreed to by the County in writing, the Application for Payment will subdivide the work into component parts in sufficient detail to serve as the basis for a progress payment and shall also be accompanied by a bill of sale, invoice or other documentation warranting that upon payment by County, the County shall receive the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect County's interest therein, all

SAMPLE

of which shall be subject to the County's prior written approval.

4.4. Contractor shall submit _____ (__) copies of its applications for Payment to the County on or about the 25th day of each month for work performed during that month. Contractor shall submit no more than one application for payment each month. Within ten (10) calendar days after receipt of each Application for Payment, the County shall either: (1) indicate approval of the requested payment; (2) indicate approval of only a portion of the requested payment, stating in writing the reasons therefore; or (3) return the Application for Payment to the Contractor indicating, in writing, the reason for refusing to approve payment. In the event of a total or partial denial of the Application for Payment, the Contractor may make the necessary corrections and resubmit the Application for Payment for reconsideration within ten (10) calendar days of receiving notice of refusal.

If re-submittal of the Application for Payment is refused, in whole or in part, the Contractor may submit a written request to the County Administrator for an administrative decision within two (2) business days of receiving notice of refusal. Upon receiving a timely request, an administrative decision shall be rendered within ten (10) calendar days with written notification provided to the Contractor.

If the administrative decision is disputed, the Contractor may submit a written request to the County Administrator for an administrative hearing before the Dispute Resolution Committee (DRC) within two (2) business days of receiving said decision. A hearing shall be scheduled within ten (10) business days from the date the request is received, and the Contractor will receive written notice of the hearing date. The DRC may, within its discretion, render a final decision at the hearing or may elect to mail a written decision within a period not to exceed ten (10) calendar days from the hearing date. The DRC's written decision shall be considered administratively final.

The County shall, within twenty (20) business days after County approval of an Application for Payment, pay the Contractor the amounts so approved. Provided, however, in no event shall the County be obligated to pay an amount greater than that portion of the Application for Payment approved by the County.

4.5 <u>Retainage.</u>

a) If the Contract Amount is $200,000.00 or less, the following shall apply:
County shall retain ten percent (10%) of the gross amount of each monthly payment request or ten percent (10%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer.

b) If the Contract Amount is in excess of $200,000.00, the following shall apply:
County shall retain five percent (5%) of the gross amount of each monthly payment request or five percent (5%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer. This subsection shall not apply if the project is paid, in whole or in part, with federal funds and

SAMPLE

subject to federal grantor laws and regulations or requirements that are contrary to any provision of the Local Government Prompt Payment Act.

The County shall not pay or release any amounts that are the subject of a good faith dispute, claim, or demand.

4.6 Monthly payments to Contractor, including the release of any portion or percentage of sums retained prior to final completion of the Project, shall in no way imply approval or acceptance of Contractor's work.

4.7 Each Application for Payment shall be accompanied by Release and Affidavit, in the form attached as **Exhibit D**, showing that all materials, labor, equipment and other bills associated with that portion of the Work payment is being requested or have been paid in full. The County shall not be required to make payment until and unless these affidavits are furnished by Contractor.

4.8 Applications for Payment will not be approved unless all submittals required by the Contract documents, up to that point, are provided and "As-Built" record documents are maintained as required by Section 8.2.

4.9 All payments under this Agreement and interest on any late payments shall be governed by the Local Government Prompt Payment Act, §§ 218.70, et seq., Florida Statutes, as amended.

Section 5. PAYMENTS WITHHELD

The County may decline to approve any Application for Payment, or portions thereof, because of subsequently discovered evidence or subsequent inspections. The County may nullify the whole or any part of any approval for payment previously issued and County may withhold any payments otherwise due Contractor under this Agreement or any other agreement between County and Contractor, to such extent as may be necessary in the County's opinion to protect it from loss because of: (a) defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the Work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the Work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the Work by the Contractor; or (g) any other material breach of the Contract Documents. If these conditions are not remedied or removed, County may, after three (3) days written notice, rectify the same at Contractor's expense. County also may offset against any sums due Contractor the amount of any liquidated or unliquidated obligations of Contractor to County, whether relating to or arising out of this Agreement or any other agreement between Contractor and County.

Section 6. FINAL PAYMENT

6.1. County shall make final payment to Contractor within thirty (30) calendar days after the Work is finally inspected and accepted by County in accordance with Section 20.1 herein, provided that Contractor first, and as an explicit condition precedent to the accrual of Contractor's right to final payment, shall have furnished County with a properly executed and notarized copy of the Release and Affidavit attached as **Exhibit D**, as well as, a duly executed copy of the Surety's consent to final payment and such other documentation that may be required by the Contract Documents or the County.

6.2. Contractor's acceptance of final payment shall constitute a full waiver of any and all claims

SAMPLE

by Contractor against County arising out of this Agreement or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final Application for Payment. Neither the acceptance of the Work nor payment by County shall be deemed to be a waiver of County's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the County at the time of final inspection.

Section 7. SUBMITTALS AND SUBSTITUTIONS

7.1. Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. When submitted for the Engineer's review, Shop Drawings shall bear the Contractor's certification that the Contractor has reviewed, checked, and approved the Shop Drawings and that they are in conformance with the requirements of the Contract Documents. Contractor shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

7.2. Prior to submitting its first Application for Payment, Contractor shall provide to County a CD/DVD in digital format and/or photographs showing the pre-existing conditions located within the limits of construction.

7.3. Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by County if sufficient information is submitted by Contractor to allow the County to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by County from anyone other than Contractor and all such requests must be submitted by Contractor to County within thirty (30) calendar days after Notice to Proceed is received by Contractor.

7.4. If Contractor wishes to furnish or use a substitute item of material or equipment, Contractor shall make application to the County for acceptance thereof, certifying that the proposed substitute shall perform adequately the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Contractor's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with County for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the County in evaluating the proposed substitute. The County may require Contractor to furnish at Contractor's expense additional data about the proposed substitute.

7.5. If a specific means, method, technique, sequence or procedure of construction is indicated

SAMPLE

in or required by the Contract Documents, Contractor may furnish or utilize a substitute means, method, sequence, technique or procedure of construction acceptable to the County, if Contractor submits sufficient information to allow the County to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by the County shall be the same as those provided herein for substitute materials and equipment.

7.6. The County shall be allowed a reasonable time within which to evaluate each proposed substitute. The County shall be the sole judge of acceptability, and no substitute will be ordered, installed or utilized without the County's prior written acceptance, which shall be evidenced by either a Change Order or an approved Shop Drawing. The County may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitute.

Section 8. DAILY REPORTS, AS-BUILTS, AND MEETINGS

8.1. Unless waived in writing by County, Contractor shall complete and submit, along with its Application for Payment, to the County on a monthly basis a daily log of the Contractor's work for the preceding month in a format approved by the County. The daily log shall document all activities of Contractor at the Project site including, but not limited to, the following:

a) Weather conditions showing the high and low temperatures during work hours, the amount of precipitation received on the Project site, and any other weather conditions which adversely affect the Work;
b) Soil conditions which adversely affect the Work;
c) The hours of operation by Contractor's personnel and subcontractor's personnel;
d) The number of Contractor's and subcontractor's personnel present and working at the Project site, by subcontract and trade;
e) All equipment on the Project site, description of equipment use, and designation of time equipment was used (specifically indicating any down time);
f) Description of Work being performed at the Project site;
g) Any unusual or special occurrences at the Project site;
h) Materials received at the Project site; and
i) A list of all visitors to the Project site.

The daily log shall not constitute nor take the place of any notice required to be given by Contractor to County pursuant to the Contract Documents.

8.2. Contractor shall maintain in a safe place at the Project site one record copy of the Contract Documents, as well as all shop drawings and other Contractor submittals and all written interpretations and clarifications issued by the County, in good order and annotated to show all changes made during construction. The annotated drawings shall be continuously updated by the Contractor throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Work Directive Changes and Field Orders, and all concealed and buried installations of piping, conduit and utility services. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the annotated drawings as to depth and in relationship to not less than two (2) permanent features (e.g. interior or exterior wall faces). The annotated drawings shall be clean, and all changes, corrections and dimensions shall be given in a neat and legible manner in a contrasting color. The "As-Built" record documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to County for reference. Upon

SAMPLE

completion of the Work, and as a condition precedent to Contractor's entitlement to final payment, these "As-Built" record documents, samples and shop drawings shall be delivered to County by Contractor.

8.3. Contractor shall keep all records and supporting documentation which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed, whichever is later. County, or any duly authorized agents or representatives of County, shall have the right to audit, inspect and copy all such records and documentation as often as they deem necessary during the period of this Agreement and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 9. CONTRACT TIME AND TIME EXTENSIONS

9.1. Contractor shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and material men, as well as coordinating its Work with all work of others at the Project Site, so that its Work or the work of others shall not be delayed or impaired by any act or omission of Contractor. Contractor shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Contract Documents.

9.2. Should Contractor be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall notify the County in writing within forty-eight (48) hours after the commencement of such delay. Written supporting data with specific details of Contractor operations, which were delayed, shall be submitted to the County within fifteen (15) calendar days after the occurrence of the delay, unless the County grants additional time in writing for such submittals, or else the Contractor shall be deemed to have waived any right which Contractor may have had to request a time extension.

9.3. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damages For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

9.4. Requests for delays due to adverse weather conditions shall meet all of the following conditions:

a) Contractor notified the County in writing within forty-eight (48) hours of the delay;
b) The weather was unusual as documented by supporting data;
c) The weather had an adverse impact on the contractor’s schedule (critical path only); and
d) The Contractor and inspector’s daily logs corroborate the adverse impact. Where a conflict exists between the weather data and the daily reports, the daily reports will take precedence.

SAMPLE

Section 10. CHANGES IN THE WORK

10.1. County shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Contractor shall submit an itemized estimate of any cost and/or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of County, and County shall not be liable to the Contractor for any increased compensation without such written order. No officer, employee or agent of County is authorized to direct any extra or changed work orally.

10.2. A Construction Change Order, in the form attached as **Exhibit F** to this Agreement, shall be issued and executed promptly after an agreement is reached between Contractor and County concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as County and Contractor shall mutually agree.

10.3. If County and Contractor are unable to agree on a Change Order for the requested change, Contractor shall, nevertheless, promptly perform the change as directed by County in a written Work Directive Change. In that event, the Contract Amount and Contract Time shall be adjusted as directed by County. If Contractor disagrees with the County's adjustment determination, Contractor must make a claim pursuant to Section 11 of these General Conditions or else be deemed to have waived any claim on this matter it might otherwise have had.

10.4. In the event a requested change results in an increase to the Contract Amount, the amount of the increase shall be limited to the Contractor's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit. In the event such change Work is performed by a Subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all Subcontractors' and sub-subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the Contractor for all of its overhead and profit, for a total maximum markup of fifteen percent (15%). All compensation due Contractor and any Subcontractor or sub-subcontractor for field and home office overhead is included in the markups noted above.

10.5. County shall have the right to conduct an audit of Contractor's books and records to verify the accuracy of the Contractor's claim with respect to Contractor's costs associated with any Change Order.

10.6. The County shall have authority to order minor changes in the Work not involving an adjustment to the Contract Amount and not inconsistent with the intent of the Contract Documents. Such changes may be affected by Field Order or by other written order. Such changes shall be binding on the Contractor.

Section 11. CLAIMS AND DISPUTES

11.1. A Claim is a demand or assertion by one of the parties seeking an adjustment or interpretation of the terms of the Contract Documents, payment of money, extension of time or other relief with respect to the terms of the Contract Documents. The term "Claim" also includes other disputes and matters in question between County and Contractor arising out of or relating to the Contract Documents. The responsibility to substantiate a Claim shall rest with the party making the Claim.

SAMPLE

11.2. Claims by the Contractor shall be made in writing to the County within forty-eight (48) hours after the first day of the event giving rise to such Claim or else the Contractor shall be deemed to have waived the Claim. Written supporting data shall be submitted to the County within fifteen (15) calendar days after the occurrence of the event, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived the Claim. All claims shall be priced in accordance with the provisions of Subsection 10.4.

11.3. The Contractor shall proceed diligently with its performance as directed by the County, regardless of any pending Claim, action, suit or administrative proceeding, unless otherwise agreed to by the County in writing. County shall continue to make payments in accordance with the Contract Documents pending Claim.

Section 12. OTHER WORK

12.1. County may perform other work related to the Project at the site by County's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, notice thereof will be given to Contractor. If Contractor believes that such performance will involve additional expense to Contractor or require additional time, Contractor shall send written notice of that fact with specific details of anticipated costs and delays to County within forty-eight (48) hours of being notified of the other work. Written supporting data of actual need for additional time or additional expense, shall be submitted to the County within fifteen (15) calendar days after completion of other work, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived any right which Contractor may have had to request a time extension or adjustment to the Contract Amount.

12.2. Contractor shall afford each utility owner and other contractor (or County, if County is performing the additional work with County's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Contractor shall do all cutting, fitting and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating or otherwise altering their work and will only cut or alter their work with the written consent of the County and the others whose work will be affected.

12.3. If any part of Contractor's Work depends for proper execution or results upon the work of any other contractor or utility owner (or County), Contractor shall inspect and promptly report to County in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Contractor's failure to report will constitute an acceptance of the other work as fit and proper for integration with Contractor's Work.

Section 13. INDEMNIFICATION AND INSURANCE

13.1 Indemnification. Contractor shall pay on behalf of or indemnify and hold harmless County and its agents, officers and employees from and against all liabilities, damages, losses, and costs, including attorney's and paralegal fees, incurred by County to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by anyone for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. Contractor's obligation as provided herein shall be

SAMPLE

limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor, and Contractor shall not be required to pay on behalf of or indemnify and hold harmless County where County's negligence, recklessness, or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's fees and paralegal fees.

County and Contractor agree one percent (1%) of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement.

Contractor agrees that such indemnification by Contractor relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any applicable statutes of limitations thereafter. Contractor's obligation to indemnify shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

13.2 Duty to Provide Legal Defense. Contractor shall pay for and provide a legal defense for the County, which shall include attorneys' fees and costs, both of which will be done only if and when requested by the County, for all liabilities, damages, losses, and costs as described in paragraph 13.1 above. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

13.3 Insurance.

Contractor shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in Exhibit C to the Agreement. All insurance policies shall be from responsible companies duly authorized to do business in the State of Florida and/or responsible risk retention group insurance companies, which are registered with the State of Florida. All commercial insurance carriers providing the Contractor with required insurance shall be a minimum financial size category of VII according to the AM Best Rating Guide, latest edition. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Within ten (10) calendar days after Notice of Award is received by Contractor and prior to the commencement of work, Contractor shall provide County with properly executed Certificates of Insurance to evidence Contractor's compliance with the insurance requirements of the Contract Documents. Said Certificates of Insurance shall be on forms approved by County, such as "Acord Form 25". The Certificates of Insurance shall be personally, manually signed by the authorized representatives of the insurance company/companies shown on the Certificates of Insurance, with proof that they are authorized representatives thereof. Certificates of Insurance shall be mailed to Escambia County in care of: Purchasing Manager, Purchasing Division, P.O. Box 1591, Pensacola, Florida 32597-1591. In addition, certified, true and exact copies of all insurance policies required hereunder shall be provided to County, on a timely basis, when requested by County.

The Certificates of Insurance and required insurance policies shall contain provisions that thirty (30) days' prior written notice by registered or certified mail shall be given County of any cancellation, intent not to renew, or reduction in the policies or coverages, except in the application of the aggregate limits provisions. In the event of a reduction in the aggregate limit of any policy,

Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

All insurance coverages of the Contractor shall be primary to any insurance or self-insurance program carried by the County applicable to this Project. The acceptance by County of any Certificate of Insurance does not constitute approval or agreement by the County that the insurance requirements have been satisfied or that the insurance policy shown on the Certificate of Insurance is in compliance with the requirements of the Contract Documents. No work shall commence at the Project site unless and until the required Certificates of Insurance are received by the County.

Contractor shall require each of its subcontractors to procure and maintain, until the completion of the subcontractor's work, insurance of the types and to the limits specified in **Exhibit C**, unless such insurance requirements for the subcontractor is expressly waived in writing by the County.

All liability insurance policies, other than professional liability, worker's compensation and employer's liability policies, obtained by Contractor to meet the requirements of the Contract Documents shall name Escambia County as an additional insured and shall contain Severability of Interest provisions. Escambia County shall also be designated as certificate holder with the address of P. O. Box 1591, Pensacola, Florida 32597-1591. If any insurance provided pursuant to the Contract Documents expires prior to the completion of the Work, renewal Certificates of Insurance and, if requested by County, certified, true copies of the renewal policies shall be furnished by Contractor within thirty (30) days prior to the date of expiration.

All liability policies shall be underwritten on the "occurrence" basis, unless otherwise approved in writing by the County Division of Risk Management. "Claims made" policies, if approved by the Risk Manager, and subsequent insurance certificates shall provide a "retro-date" which shall include the effective date of the contract. "Claims-made" renewals or carrier and policy replacements shall reflect the original "retro-date."

Should at any time the Contractor not maintain the insurance coverages required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverages and charge the Contractor for such coverages purchased. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverages shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

13.4 Contractor shall submit to County a copy of all accident reports arising out of any injuries to its employees or those of any firm or individual to whom it may have subcontracted a portion of the Work, or any personal injuries or property damages arising or alleged to have arisen on account of any work by Contractor under the Contract Documents.

Section 14. COMPLIANCE WITH LAWS

14.1 Contractor agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, regulations and requirements applicable to the Project, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety. If Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify County in writing. Compliance with the above laws shall include but is not limited to: (1) the Occupational Safety and Health Act, 29 C.F.R. 1910 and 1926, respectively, General

DRAFT

Industry Standards and Construction Industry Standards, including regulations regarding Trenching and Shoring; (2) the Florida Workers' Compensation Law, Chapter 440, Florida Statutes; (3) Rules 38F and 38I, Florida Administrative Code; and (4) Section 102, Standard Specifications for Road and Bridge Construction, Florida Department of Transportation.

14.2 Employment Eligibility Verification. In accordance with §448.095, Florida Statutes, Contractor shall register with and utilize the E-Verify System operated by the United States Department of Homeland Security to verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Contractor enters into a contract with a subcontractor performing work or providing services on its behalf, Contractor shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Section 15. CLEANUP AND PROTECTIONS

15.1. Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. At the completion of the Work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy by County. Non-compliance with directives of this section may serve as a basis of rejection of Application for Payment.

15.2. Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Contract Documents to be removed or altered, shall be protected by Contractor from damage during the prosecution of the Work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the Work.

Section 16. ASSIGNMENT

Contractor shall not assign this Agreement or any part thereof, without the prior consent in writing of County. If Contractor does, with approval, assign this Agreement or any part thereof, it shall require that its assignee be bound to it and to assume toward Contractor all of the obligations and responsibilities that Contractor has assumed toward County.

Section 17. PERMITS, LICENSES AND TAXES

17.1. Except as noted in paragraph 17.2 below, all permits and licenses necessary for the prosecution of the Work shall be procured and paid for by Contractor. All permits or fees, including but not limited to, all license fees, permit fees, impact fees or inspection fees payable by Contractor to County have been disclosed to Contractor in the bidding documents or other request for proposal at the time the Project was let for bid. If Contractor performs any Work without obtaining, or contrary to, such permits or licenses, Contractor shall bear all costs arising there from. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the Work.

SAMPLE

17.2. Permits required for the Work from FDOT, FDEP, the Army Corps of Engineers, and any archeological permitting agency will be paid for and obtained by the County.

17.3. Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work.

Section 18. TERMINATION FOR DEFAULT

18.1. Contractor shall be considered in material default of the Agreement and such default shall be considered cause for County to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the County or as provided for in the approved Progress Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) materially breaches any other provision of the Contract Documents.

18.2. County shall notify Contractor in writing of Contractor's default(s). If County determines that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice, then County, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's Work by whatever means, method or agency which County, in its sole discretion, may choose.

18.3. If County deems any of the foregoing remedies necessary, Contractor agrees that is shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by County incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, and this obligation for payment shall survive termination of the Agreement.

18.4. The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefore or re-letting the Work, in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder.

SAMPLE

18.5. If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that County is not entitled to the remedies against Contractor provided herein, then Contractor's remedies against County shall be the same as and limited to those afforded Contractor below under Subsection 19.1, Termination for Convenience.

18.6. If the Contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Contractor in conjunction with this Agreement then the County may, without prejudice to any right or remedy and after giving the Contractor and his surety, if any, seven (7) days' written notice, during which period Contractor still fails to allow access, terminate the employment of the Contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the Contractor, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the Project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontract work).

Section 19. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION

19.1. County shall have the right to terminate this Agreement without cause upon seven (7) calendar days written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against County shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

19.2. County shall have the right to suspend all or any portions of the Work upon giving Contractor two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

Section 20. COMPLETION

20.1. Upon receipt of written notice, the County will ascertain whether the work or designated portions thereof are ready for the Engineer's substantial completion inspection. From the Engineer's list of incomplete or unsatisfactory items, a schedule for the County's review will be prepared for their completion indicating such completion dates. The County will issue a Certificate of Substantial Completion when the work on the punch list has been accomplished.

20.2. Upon receipt of written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the County shall promptly make such inspection and, if it finds the work acceptable and fully performed under the Contract Documents, shall promptly issue a Certificate of Final Completion and Recommendation for Payment, stating that, on the basis of observations and inspections, the Work has been completed in accordance

SAMPLE

with the terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor is due and payable. The final payment shall not become due and payable until Contractor submits: (1) the Release and Affidavit in the form attached as **Exhibit D**, (2) consent of surety to final payment, (3) if required by County, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by County, and (4) a published copy of the Notice of Completion as provided for in this section. County reserves the right to inspect the Work and make an independent determination as to the Work's acceptability. Unless and until the County is completely satisfied, the final payment shall not become due and payable.

20.3. After the Work is ready for final inspection and acceptance by the County, a legal advertisement must be published by the Contractor in a local newspaper of a general countywide circulation at least thirty (30) days before final payment shall be made. Example of such publication is as follows:

Legal Notice of Completion

Notice is hereby given that the undersigned Contractor has completed and has ready for acceptance by the Board of County Commissioners of Escambia County, Florida, the following construction project:

_____
(Project Name and Address)

_____
(Legal Name and Address - entity of the Contractor)

Subcontractors, material men, and other persons having payment claims against the Contractor relating to this project should govern themselves accordingly.

Section 21. WARRANTY

Contractor shall obtain and assign to County all express warranties given to Contractor or any subcontractors by any material men supplying materials, equipment, or fixtures to be incorporated into the Project. Contractor warrants to County that any materials and equipment furnished under the Contract Documents shall be new unless otherwise specified, and that all Work shall be of good quality, free from all defects, and in conformance with the Contract Documents. Contractor further warrants to County that all materials and equipment furnished under the Contract Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers, or processors except as otherwise provided for in the Contract Documents. If, within two (2) years after substantial completion and acceptance, any Work is found to be defective or not in conformance with the Contract Documents, Contractor shall correct it promptly after receipt of written notice from County. Contractor shall also be responsible for and pay for replacement or repair of adjacent materials or Work, which may be damaged as a result of such replacement or repair. These warranties are in addition to those implied warranties to which County is entitled as a matter of law. The Performance Bond shall remain in full force and effect throughout the Warranty Period.

SAMPLE

Section 22. PROJECT LAYOUT AND CONTROL

22.1. Engineer will provide survey control, referencing beginning and ending stations, P.C.'s, P.T.'s and intermediate stations at 500 foot intervals. Staking is to be set along control line (base line or centerline of right-of-way, as indicated on plans) or at an offset determined by the Engineer. Benchmarks will be provided at intervals no greater than 1000 feet. The Engineer at the Contractor's expense shall replace any of these points, which are disturbed or destroyed by the Contractor.

22.2. Contractor shall employ a competent Engineer or Land Surveyor licensed in the State of Florida familiar with construction control procedures to lay out all other parts of the work, and to establish all points, grades and levels necessary to locate the work. The Contractor shall be held responsible for all mistakes that may be caused by any incorrect layout and grade spotting work or caused by the loss or disturbance of the Engineer's layout work.

22.3. Should the Contractor in the course of the work find that the points, grades, and levels which are shown upon the Drawings do not conform to the physical conditions of the locality at the proposed work or structure, he shall immediately inform the Engineer of the discrepancy between the actual physical conditions of the locality of the proposed work, and the points, grades and levels which are shown on the Drawings. No claim shall be made by the Contractor against the County/Owner for compensation or damage by reasons for failure of the Engineer to accurately represent upon said Drawings, points, grades, and levels conforming to the actual physical conditions of the locality of the proposed work.

Section 23. TESTS AND INSPECTIONS

23.1. County, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide County with timely notice of readiness of the Work for all required inspections, tests or approvals.

23.2. If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Contractor shall assume full responsibility therefore, pay all costs in connection therewith and furnish County the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the County.

23.3. If any Work that is to be inspected, tested or approved is covered without written concurrence from the County, such work must, if requested by County, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given County timely notice of Contractor's intention to cover the same and County has not acted with reasonable promptness to respond to such notice. If any Work is covered contrary to written directions from County, such Work must, if requested by County, be uncovered for County's observation and be replaced at Contractor's sole expense.

23.4. Neither observations by the County nor inspections, tests or approvals by others shall relieve Contractor from Contractor's obligations to perform the Work in accordance with the Contract Documents.

SAMPLE

23.5. Prior to payment for any Work for which testing is specified, Contractor shall provide the County a copy of reasonably acceptable test results relating to such work as required by the technical specifications of the solicitation.

Section 24. DEFECTIVE WORK

24.1. Work not conforming to the requirements of the Contract Documents shall be deemed defective Work. If required by County, Contractor shall, as directed, either correct all defective Work, whether or not fabricated, installed or completed, or, if the defective Work has been rejected by County, remove it from the site and replace it with acceptable Work. Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold County harmless for same.

24.2. If the County considers it necessary or advisable that covered Work be observed by County or inspected or tested by others, Contractor, at County's request, shall uncover, expose or otherwise make available for observation, inspection or tests as County may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and County shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

24.3. If any portion of the Work is defective, or Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the Work in such a way that the completed Work will conform to the Contract Documents, County may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, this right of County to stop the Work shall not give rise to any duty on the part of County to exercise this right for the benefit of Contractor or any other party.

24.4. Should the County determine, at its sole opinion, it is in the County's best interest to accept defective Work, the County may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the County's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents and reflecting an appropriate decrease in the Contract Amount. If the County accepts such defective Work after final payment, Contractor at the discretion of the County shall promptly pay County an appropriate amount to adequately compensate County for its acceptance of the defective Work or shall increase in the Work's warranty period beyond two (2) years.

24.5. If Contractor fails, within a reasonable time after the written notice from County, to correct defective Work or to remove and replace rejected defective Work as required by County, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any of the provisions of the Contract Documents, County may, after seven (7) days' written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, County may exclude Contractor from any or all of the Project site, take possession of all or any part of the Work, and suspend Contractor's

SAMPLE

services related thereto, take possessions of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which County has paid Contractor but which are stored elsewhere. Contractor shall allow County, and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable County to exercise the rights and remedies under this Subsection. All direct, indirect and consequential costs of County in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or others destroyed or damaged by correction, removal or replacement of Contractor's defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by County of County's rights and remedies hereunder.

Section 25. SUPERVISION AND SUPERINTENDENTS

Contractor shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Contractor shall be responsible to see that the finished Work complies accurately with the Contract Documents. Contractor shall keep on the Work at all times during its progress a competent resident superintendent acceptable to the County, who shall not be replaced without prior written notice to County except under extraordinary circumstances. The resident superintendent shall possess Florida Department of Transportation approved training and certifications applicable to the Work, including but not limited to National Pollutant Discharge Elimination System (NPDES) Stormwater Management and Maintenance of Traffic Control Devices. The superintendent shall be Contractor's representative at the Project site and shall have authority to act on behalf of Contractor. All communications given to the superintendent shall be as binding as if given to the Contractor. County shall have the right to direct Contractor to remove and replace its Project superintendent, with or without cause.

Section 26. PROTECTION OF WORK

26.1. Contractor shall fully protect the Work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made. If Contractor, or any one for whom Contractor is legally liable, is responsible for any loss or damage to the Work, or other work or materials of County or County's separate contractors, Contractor shall be charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due Contractor.

26.2. Contractor shall not load or permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent property to stresses or pressures that will endanger it.

Section 27. EMERGENCIES

In the event of an emergency affecting the safety or protection of persons or the Work or property at the Project site or adjacent thereto, Contractor, without special instruction or authorization from County is obligated to act to prevent threatened damage, injury or loss. Contractor shall give

SAMPLE

County written notice within forty-eight (48) hours after the occurrence of the emergency, if Contractor believes that any significant changes in the Work or variations from the Contract Document have been caused thereby. If the County determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Contractor fails to provide the forty-eight (48) hour written notice noted above, the Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Contract Amount or an extension to the Contract Time.

Section 28. USE OF PREMISES

28.1. Contractor shall confine all construction equipment, the storage of materials and equipment and the operations of workers to the Project site and land and areas identified in and permitted by the Contract Documents and other lands and areas permitted by law, rights of way, permits and easements, and shall not unreasonably encumber the Project site with construction equipment or other material or equipment. Contractor shall assume full responsibility for any damage to any such land or area, or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the Work.

28.2. Contractor shall provide and maintain in a neat, sanitary condition such accommodation for the use of his employees as may be necessary to comply with the regulations of the State Board of Health or other bodies having jurisdiction. Contractor shall commit no public nuisance.

Section 29. SAFETY

29.1. Contractor shall designate in writing the individual responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the Work. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to:

a) All employees performing the Work and other persons and/or organizations who may be affected thereby;
b) All Work and materials and equipment to be incorporated therein, whether in storage on or off the Project site; and
c) Other property on the Project site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, utilities and any underground structures or improvements not designated for removal, relocation or replacement in the Contract Documents.

29.2. Contractor shall comply with all applicable codes, laws, ordinances, rules, and regulations of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury, or loss. Contractor shall erect and maintain all necessary safeguards for such safety and protection. Contractor shall notify owners of adjacent property and of underground structures and improvements and utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation, or replacement of their property. Contractor's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by County has occurred.

29.3 Contractor shall designate a responsible representative at the Project site whose duty shall be the prevention of accidents. This person shall be Contractor's superintendent unless

SAMPLE

otherwise designated in writing by the Contractor to the County.

29.4 Contractor shall adhere at all times to the minimum safety guidelines for construction and renovation projects as set out in **Exhibit C** of this Agreement.

Section 30. PROJECT MEETINGS

Prior to the commencement of Work, Contractor shall attend a pre-construction conference with the County to discuss the Progress Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the performance of the Work, the Contractor shall attend any and all meetings convened by the County with respect to the Project, when directed to do so by County. Contractor shall have its subcontractors and suppliers attend all such meetings (including the pre-construction conference) as may be directed by the County.

AGREEMENT FOR PROFESSIONAL CONSULTING SERVICES

THIS AGREEMENT is made and entered into this ___ day of _____, 20_, by and between Escambia County, a political subdivision of the State of Florida, by and through its Board of County Commissioners, its successors and assigns, with its administrative offices located at 221 Palafox Place, Pensacola, Florida 32502-1590, (hereinafter referred to as "County,") and _____, a for-profit _____, authorized to conduct business in the State of Florida, FEI/EIN _____, whose principal address is _____, (hereinafter referred to as "Consultant").

WITNESSETH:

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Consultant agree as follows:

ARTICLE 1
DEFINITIONS AND IDENTIFICATIONS

For the purpose of this Agreement and the various covenants, conditions, terms, and provisions which follow, the definitions and identifications set forth below are assumed to be true and correct and are therefore agreed upon by the parties.

1.1 BOARD OF COUNTY COMMISSIONERS:
The Board of County Commissioners is the governing body of Escambia County, Florida.

1.2 CONSULTANT:
_____ is the Consultant selected to perform professional services pursuant to this Agreement.

1.3 CONTRACT ADMINISTRATOR:
Whenever the term Contract Administrator is used herein, it is intended to mean (Dept. Name), (Title), Escambia County (Dept.). In the administration of this Agreement, as contrasted with matters of policy, all parties may rely upon instructions or determinations made by the Contract Administrator.

1.4 COUNTY:
Escambia County, Florida is a political subdivision of the State of Florida.

1.5 NOTICE TO PROCEED:
The Notice to Proceed is the written authorization as defined in Section 1.10 issued by the County or the Contract Administrator to commence the project.

1.6 PROJECT:
The project is the task, as defined in Section 1.10, assigned to the Consultant pursuant to this Agreement.

1.7 PROJECT MANAGER:
The project manager shall mean the staff person within the County's (Dept. Name) who is assigned by the Contract Administrator to oversee the task order work.

1.8 SCOPE OF SERVICES:

SAMPLE

The intent of this Agreement is to make available certain design, engineering, surveying, and inspection services for Escambia County as requested and as outlined herein.

1.9 SCOPE OF WORK:
The scope of work is the specific information relating to those certain services provided to the Consultant on an individual project task order including, but not limited to, project description with boundaries, intent of project, anticipated services required, and expected deliverables.

1.10 TASK ORDER:
The task order is a formal written assignment of work, based upon negotiation, which is issued to the Consultant pursuant to this Agreement.

ARTICLE 2
PREAMBLE

In order to establish the background, context and frame of reference for this Agreement and to generally express the objectives and intentions of the respective parties herein, the following statements, representations, and explanations shall be accepted as predicates for the undertakings and commitments included within the provisions which follow and that may be relied upon by the parties as essential elements of the mutual considerations upon which this Agreement is based.

2.1 Negotiations pertaining to hourly rates for professional services to be performed by the Consultant were undertaken between the Consultant and a committee selected by the Board of County Commissioners, and this Agreement incorporates the results of such negotiations.

2.2 The Board of County Commissioners has complied with the requirements of Section 287.055, Florida Statutes, as amended, the Consultants' Competitive Negotiation Act, and has selected the Consultant to perform such services hereunder.

2.3 Escambia County will budget funds for each task order issued under the Agreement.

ARTICLE 3
SCOPE OF SERVICES

3.1 The Consultant will provide _____(briefly describe)_____ as hereinafter described in this Article 3 for tasks outlined in Escambia County's Request for Proposals, Specification No. P.D. _____. In the event of a conflict between the terms of the RFP and this Agreement, the terms of this Agreement shall prevail.

3.2 The basic professional services to be provided are as set forth in Exhibit A, attached hereto and incorporated by reference herein, and unless otherwise specifically excluded from any particular task order, these services shall comport with County guidelines for construction and retrofitting of projects, and local ordinances, State, and Federal laws and regulations.

ARTICLE 4
ORDERING OF THE WORK

4.1 The Consultant is one of several firms selected to perform professional services on same or similar terms pursuant to this Agreement. The County expressly reserves the exclusive right to assign specific task orders to the firm it deems best suited for the type of work to be

SAMPLE

accomplished. This Agreement does not guarantee any amount or type of task orders to be assigned to the Consultant.

4.2 The scope of work, provided by the County, will constitute the basis for negotiation of each task order. When requested by the County, the Consultant will provide a proposal to the County to perform the services requested under this scope of work. The County and the Consultant will enter negotiations to determine a fair and reasonable number of hours, by discipline, for such requested services pursuant to Section 3.2.

4.3 In the event a mutually agreeable number of hours is reached, the County will issue a task order which describes the services to be provided by the Consultant and the amount of compensation to be provided by the County. In the event a mutually agreeable number of hours cannot be reached, the Consultant will be requested to provide a best and final offer to the County. If this best and final offer is not acceptable to the County, negotiations will cease with the Consultant, and the County will open negotiations for the same scope of work with another firm.

ARTICLE 5
TIME FOR PERFORMANCE

5.1 As a part of its task order proposal, the Consultant shall submit to the County a schedule for completion of the scope of work. Pursuant to Article 4 above, this schedule is a negotiable item during task order negotiations.

5.2 Prior to beginning the performance of any basic professional services under this Agreement, the Consultant must receive a written Notice to Proceed from the County. For those task orders where a mutual agreement of a fair and reasonable price has been reached, a copy of the fully executed task order will serve as the Consultant's written approval to begin the performance of the Consultant's services. Prior to granting approval for the Consultant to proceed to a subsequent phase of a task order, the Contract Administrator may at his or her sole discretion require the Consultant to submit such documents and drawings as may be reasonably necessary for review and approval by the County.

ARTICLE 6
COMPENSATION AND METHOD OF PAYMENT

6.1 COMPENSATION:

(a) The County agrees to pay the Consultant as compensation for its services under Section 3.1 of this Agreement a fee to be computed as described below and based upon the schedule set forth in Exhibit B, attached hereto and made a part hereof. Individual task orders submitted to the Consultant will be paid through a budget line item recommended by the (Dept. Name) and approved by the Board of County Commissioners. For each such task order, the Consultant will be compensated by a lump sum fee as negotiated, unless otherwise mutually agreed to by the parties hereto.

(b) The term "salary costs" as used herein shall mean the hourly rate as shown on Exhibit B, attached hereto and made a part hereof, including, but not limited to, principals, engineers, surveyors, draftsmen, clerks, plus costs for sick leave, vacation, unemployment, excise and payroll taxes, contributions for social security, employment compensation insurance, retirement benefits, and medical and insurance benefits. Said salary costs shall be only for time directly chargeable to a task order under this Agreement.

SAMPLE

A detailed breakdown for these costs shall be kept current and readily accessible to the County.

6.2 ANNUAL APPROPRIATION: Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

6.3 YEARLY ADJUSTMENT OF CONSULTANT'S RATES:

(a) On or before August 31st of each contract year, either party may request an adjustment in the Consultant's existing hourly rate schedule. Both the Consultant and the County agree to enter into negotiations concerning such changes upon receipt of a written request from the other detailing the proposed changes and specifying the reasons for such changes. Should the parties fail to reach agreement on the Consultant's revised hourly rates within thirty (30) days after the commencement of such negotiations, this Agreement shall terminate by operation of law on October 1st of that contract year, and the Consultant shall no longer be eligible to offer its services to the County pursuant to this Agreement.

(b) The effective date of any such adjustment shall be October 1st of the contract year. The Consultant agrees that throughout the life of this Agreement, at no time will the negotiated rates charged to the County be in excess of any other published or unpublished rates paid by any other client of the same class under similar terms and conditions of use and service.

(c) Rate adjustments shall be made a part of this Agreement by the issuance of a written contract amendment executed by the parties.

6.4 DIRECT EXPENSES:

(a) Direct expenses directly attributable to a task order will be borne by the Consultant and will include, but not be limited to, the following:

1. Transportation expenses in connection with any task order.
2. Living expenses in connection with travel inside and outside of Escambia County and other related expenses.
3. Long distance communications and other miscellaneous communications expenses.
4. Cost of printing drawings and specifications which are required by or of the Consultant to deliver services set forth in this Agreement.
5. Cost of any software or hardware used or developed for any task order, including CAD/CADD time.

(b) Direct expenses to be borne by the Consultant shall not include project permit fees or compensation owed to subcontractors engaged according to Section 10.5 of this Agreement.

6.5 METHOD OF BILLING AND PAYMENT:

(a) The Consultant shall submit monthly estimates (payment requisitions) for the amount and value of the work accomplished and services performed by the Consultant

SAMPLE

which meet standards of quality established under this Agreement. The estimates shall be prepared by the Consultant and shall be accompanied by any supporting data required by the County. Where the monthly estimate includes work performed by a subcontractor, the Consultant shall attach copies of the subcontractor's invoice for such work. The Consultant agrees no markup for overhead and profit on subcontractor's invoices shall be allowed on any project task order.

(b) For lump sum contracts, the Consultant may submit bills at the completion and approval of each phase or for partial completion of each phase on a pro-rata basis. However, requests for payment shall not be made more frequently than once a month.

(c) Payments under this Agreement and interest on any late payments shall be governed by the Local Government Prompt Payment Act, §§ 218.70, et seq., Florida Statutes, as amended.

6.6 Payment requisitions will be sent to:

(Contact Name & Title)
(Dept. Name)
(Address)
Pensacola, Florida (Zip)
(850) (Telephone #)
(850) (Fax #)

Notices will be sent to:

County Administrator
Escambia County Administrator
221 Palafox Place
Pensacola, Florida 32502-1590
(850) 595-4900
(850) 595-4908

6.7 Payments and notices will be made to the Consultant at:

(Principle Name & Title)
(Consulting Firm's Name)
(Address)
(City, State, Zip)

(a) Any notice required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or other private courier service, such as Federal Express.

(b) Unless otherwise notified in writing of a new address, notices, payments, and invoices shall be made to each party at the listed addresses. Rejection, or other refusal by the addressee to accept, or the inability of the courier service, or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

ARTICLE 7
ADDITIONAL SERVICES AND CHANGES IN SCOPE OF SERVICES

7.1 The County or the Consultant may request changes that would increase, decrease, or otherwise modify the Scope of Services provided under this Agreement. Such changes must be in accordance with the procurement policies of Escambia County and must be contained in a written amendment, executed by the parties thereto, with the same formality and of equal dignity prior to any deviation from the terms of this Agreement, including the initiation of any extra work.

SAMPLE

7.2 The County or the Consultant may request changes that would increase, decrease, or otherwise modify the Scope of Work of individual project task orders. Such changes must be negotiated and mutually agreed upon by both parties. This mutual agreement will be formalized by a written change order to the task order issued by the County to the Consultant.

7.3 The County shall have authority to order extensions in the Consultant's schedule for completion of the Scope of Work of individual project task orders by providing written notice to the Consultant.

ARTICLE 8
COUNTY'S RESPONSIBILITIES

8.1 The County shall assist the Consultant by providing all available information pertinent to the project including previous reports and any other data relative to design or construction of the project.

8.2 The County shall make available to the Consultant, as required for performance of the Consultant's basic services, data prepared by or services of others, including without limitation (as may be appropriate) core borings, probings, and subsurface explorations, hydraulic surveys, laboratory tests and inspections of samples, materials and equipment; appropriate professional interpretations of all of the foregoing; environmental assessment and impact statements; property boundary, easement, rights-of-way, topographic and utility surveys; property descriptions; zoning, deed and other land use restriction; and other special data or consultations.

8.3 The County shall arrange for access to and make all provisions for the Consultant to enter upon public and private property as required for the Consultant to perform its services.

8.4 The County shall examine, within a reasonable time so as not to delay the services of the Consultant, all studies, reports, sketches, drawings, specifications, proposals and other documents presented by the Consultant, obtain advice of an attorney, insurance counselor and other consultants, as the County deems appropriate, for such examination and the rendering of written opinions or decisions pertaining thereto.

8.5 The County will assist in obtaining approvals and permits from all governmental authorities having jurisdiction over the project and such approvals and consents from others as may be necessary for completion of the task order by the Consultant.

8.6 The County shall give prompt written notice to the Consultant whenever the County observes or otherwise becomes aware of any development that affects the scope of timing of the Consultant's services, or any defect in the work of the Consultant.

8.7 The County will perform an evaluation of the services provided by the Consultant at the completion of work for each task order. This evaluation will consider the timeliness as well as the quality of services provided during that task order for the purpose of determining whether additional task orders will be awarded to the Consultant by the County.

ARTICLE 9
CONSULTANT'S RESPONSIBILITIES

9.1 QUALITY OF SERVICES:

SAMPLE

(a) The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished pursuant to this Agreement.

(b) To that end, the Consultant shall correct or shall revise, without additional compensation, any errors or deficiencies in its work product or shall make such revisions as are necessary as the result of the failure of the Consultant to provide an accurate, more efficient, and properly constructable product in its designs, drawings, specifications, or other services.

(c) Neither the County's review of, approval of, or acceptance of, nor payment for, the services required by this Agreement shall be construed to operate as a waiver of any rights or of any cause of action arising out of the performance of this Agreement. Additionally, the Consultant shall be and remain liable to the County in accordance with applicable law for all damages to the County caused by the Consultant's negligent performance of any of the services furnished under this Agreement.

(d) The rights and remedies of the County provided for under this Agreement are in addition to any other rights and remedies otherwise provided by law.

9.2 CONSULTANT PROFESSIONAL REGISTRATION AND CERTIFICATION:

(a) The design services provided to the County by the Consultant shall be certified by professional consultants registered to practice and in good standing in the State of Florida. Any project inspection services also shall be reviewed and shall be approved by such professional engineers.

(b) The survey services provided to the County by the Consultant shall be certified by professional land surveyors registered to practice and in good standing in the State of Florida.

(c) Permit applications to State and Federal agencies prepared by the Consultant shall be signed and shall be sealed by the Consultant, as the project's Consultant of Record. For all such permit applications, post-construction certification also shall be made by the Consultant to the appropriate State or Federal permitting agency.

ARTICLE 10
GENERAL CONDITIONS

10.1 OWNERSHIP OF DOCUMENTS

(a) Drawings, specifications, designs, models, photographs, reports, surveys, calculations, and other data provided in connection with this Agreement are and shall remain the property of the County whether the project for which they are made is executed or not. Such finished or unfinished documents, data, calculations, studies, surveys, specifications, drawings, maps, models, photographs and reports prepared by the Consultant shall be delivered by the Consultant to the County at the conclusion of the project or the termination of the Consultant's services.

(b) When such documents are provided to other parties, the Consultant shall ensure

SAMPLE

return of the County's property by collecting a deposit equal to the cost of reproduction. Such deposit shall be returned if the documents are timely returned in a useable condition. Otherwise, such deposit shall be retained by the Consultant.

10.2 SUSPENSION OR TERMINATION:

(a) The County, in writing, may order the Consultant to suspend, delay, or interrupt all or any part of the work of a task order for the period of time that the County determines to be appropriate for the convenience of the County. The Consultant expressly acknowledges and agrees that it shall receive no damages for delays. The Consultant's sole remedy, if any, against the County will be the right to seek an extension to the contract time as provided for the completion of the project.

(b) This Agreement may be terminated by either party for cause, or by the County for convenience, upon fourteen (14) days written notice by the terminating party to the other party of such termination in which event the Consultant shall be paid its compensation for services performed to termination date, including all reimbursable expenses then due or incurred to the date of termination.

(c) Termination of the Consultant for cause shall include, but not be limited to, misuse of funds, fraud, lack of compliance with applicable rules, laws, regulations, and ordinances, and failure to perform in a timely manner any provision of this Agreement.

(d) In no event shall a termination for convenience by the County be deemed a default, and any such termination shall not subject the County to any penalty or other claim for damages. If the Consultant abandons this Agreement or causes it to be terminated, the Consultant shall indemnify the County against any loss pertaining to this termination up to a maximum of 1.3 times the full contracted fee amount of the project.

(e) Vendor suspension or debarment proceedings brought by the County pursuant to Article II of Chapter 46, Escambia County Code of Ordinances, shall be grounds for immediate termination of this Agreement.

10.3 RECORDS:

(a) The Consultant shall keep such records and accounts and shall require any subcontractors to keep records and accounts as may be necessary in order to record complete and correct entries as to personnel hours charged to this engagement and any expenses for which the Consultant expects to be reimbursed. Such books and records will be available at all reasonable times for examination and audit by the County and shall be kept for a period of three (3) years after the completion of all work to be performed pursuant to this Agreement. Incomplete or incorrect entries in such books and records will be grounds for disallowance by the County of any fees or expenses based upon such entries.

(b) The Consultant acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. The Consultant shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. The Consultant shall also ensure that any public records that are exempt

SAMPLE

or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Consultant agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Consultant fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any right or remedy and after giving the Consultant and its surety, if any, seven (7) days written notice, during which period the Consultant still fails to allow access to such documents, terminate the Agreement. In such case, the Consultant shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Consultant (excluding monies owed the Consultant for subcontractor work).

IF THE CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

10.4 NO CONTINGENT FEES: The Consultant warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Consultant to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for the Consultant any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of this provision, the County shall have the right to terminate the Agreement without liability and at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift or consideration.

10.5 SUBCONTRACTORS: In the event the Consultant, during the course of the work under this Agreement, requires the services of any subcontractors or other professional associates in connection with services covered by this Agreement, the Consultant must secure the prior written approval of the County unless such work is specifically detailed in the task order.

Any subcontractors or other professional associates retained by Consultant must carry the appropriate insurance coverage as specified in paragraph 10.8 below in an amount equal to or greater than the coverage carried by the Consultant.

10.6 ASSIGNMENT: This Agreement, or any interest herein, shall not be assigned, transferred or otherwise encumbered, under any circumstances, by the Consultant, without the prior written consent of the County. However, the Agreement shall run with the Escambia County Government and its successors.

SAMPLE

10.7 HOLD HARMLESS AND INDEMNIFICATION OF COUNTY: The Consultant agrees to hold harmless and indemnify the County and its agents, officers, and employees from all liabilities, damages, losses, and costs, including attorneys' fees and paralegals' fees, incurred by County to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Consultant or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Consultant, or by any other person for whom the Consultant is legally liable. Consultant's obligation as provided herein shall be limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Consultant or by any person, firm or corporation to whom any portion of the Work is subcontracted by Consultant, and Consultant shall not be required to indemnify and hold harmless County where County's negligence, recklessness, or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's and paralegal fees.

County and Consultant agree one percent (1%) of the Contract Amount paid by County to Consultant shall be given as separate consideration for this indemnification, and any other indemnification of County by Consultant provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Consultant by Consultant's acceptance and execution of the Agreement.

Consultant agrees that such indemnification by the Consultant relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any statutes of limitations thereafter. The Consultant's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

10.8 INSURANCE: The Consultant is required to carry the following insurance:

(a) Commercial General Liability with $1,000,000 minimum per occurrence, including coverage parts of bodily injury, property damage, broad form property damage, personal injury, independent contractors, blanket contractual liability, and completed operations;

(b) Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease; and

(d) Professional Liability coverage with $1,000,000 minimum limit, except where the estimated construction contract price for the project described in the Agreement is greater than $5 Million dollars, the minimum limit of professional liability coverage shall be equal to 25% of the estimated construction contract price for the project. Said coverage shall be continuously maintained and in effect for a period of not less than **five (5) years** from the effective date of this Agreement. The policy limit of liability shall not include legal fees and other defense costs. If a claims made form of coverage is provided, the retroactive date of coverage shall be no later than the effective date of this Agreement and shall not be advanced. If at any time during the aforementioned policy period there should be a cancellation, non-renewal, or lapse in coverage, professional liability coverage shall be extended for the remainder of the five year period with a supplemental extended reporting period (SERP) endorsement to take effect upon expiration of the policy period referenced above. The limits of liability applicable to the SERP coverage shall be equal to the limits

SAMPLE

of liability applicable to the policy referenced above and to which the endorsement attaches.

It is understood and agreed by the parties that in the event that the Consultant consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

All liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Liability policies shall be underwritten on the occurrence basis, except the professional and environmental impairment coverage may be provided on a claims made basis. Escambia County and the Board of County Commissioners shall be “additional insureds” on all liability policies (except professional liability). Certificates of insurance shall be provided to Purchasing Manager, P.O. Box 1591, Pensacola, Florida 32597-1591 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County and shall provide for a minimum of thirty (30) days’ notice of cancellation. Escambia County and the Board of County Commissioners also shall be the certificate holders.

10.9 CLAIMS AND DISPUTES:

(a) A claim is a demand or assertion by one of the parties to this Agreement seeking an adjustment or interpretation of the terms of the contract documents, payment of money, extension of time or other relief with respect to the terms of the contract documents. The term “claim” also includes other disputes and matters in question between the County and the Consultant arising out of or relating to the contract documents. The responsibility to substantiate a claim shall rest with the party making the claim.

(b) Claims by the Consultant shall be made in writing to the County with supporting data. All claims shall be submitted during the performance term of the Agreement or else the Consultant shall be deemed to have waived that claim.

(c) The Consultant shall proceed diligently with its performance, as directed by the County, regardless of any pending claim, legal action, suit, or administrative proceeding, unless otherwise agreed to by the County in writing. The County shall continue to make payments in accordance with the contract documents during the pendency of such claim.

10.10 REPRESENTATIVE OF COUNTY AND CONSULTANT:

(a) It is recognized that questions in the day-to-day conduct of the project will arise. The Contract Administrator, upon request by the Consultant, shall designate and shall advise the Consultant in writing, persons to whom all communications pertaining to the day-to-day conduct of the project shall be addressed.

(b) The Consultant shall inform the Contract Administrator in writing of the representative of the Consultant to whom matters involving the conduct of the project shall be addressed.

10.11 ALL PRIOR AGREEMENTS SUPERSEDED

(a) This document incorporates and includes all prior negotiations, correspondence,

SAMPLE

conversations, agreements, or understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements whether oral or written.

(b) It is further agreed that no modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

10.12 TERM OF AGREEMENT: This Agreement shall be for a one (1) year term beginning (Month Day, Year) and continuing through (Month Day, Year), with an option to renew for two (2) successive one (1) year periods.

10.13 TRUTH-IN-NEGOTIATION CERTIFICATE: Signature of this Agreement by the Consultant shall act as the execution of a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation of this Agreement are accurate, complete, and current at the time of contracting. The original contract price and any additions thereto shall be adjusted to exclude any significant sums by which the County determines the contract price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such contract adjustments shall be made within one (1) year following the end of this Agreement.

10.14 HEADINGS: Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

10.15 GRATUITIES: Neither the Consultant nor any of its employees, agents, and representatives shall offer or give to an officer, official, or employee of the County gifts, entertainment, payments, loans, or other gratuities. The Consultant acknowledges knowledge of the State of Florida's ethics statutes and to the extent applicable to the Consultant, the Consultant agrees to abide with such statutes.

10.16 CONFLICT OF INTEREST: The Consultant hereby certifies that it will completely disclose to the County all facts bearing upon any possible conflicts, direct or indirect, with its performance which it believes that any officer, employee, or agent of the Consultant now has or will have. Said disclosure shall be made by the Consultant contemporaneously with the execution of this Agreement and at any time thereafter that such facts become known to the Consultant. The Consultant at all times shall perform its obligations under this Agreement in a manner consistent with the best interests of the County. Failure to abide by this section shall result in the immediate termination of this Agreement pursuant to Article II of Chapter 46 of the Escambia County Code of Ordinances.

10.17 SURVIVAL: All other provisions which, by their inherent character, sense, and context are intended to survive termination of this Agreement, shall survive the termination of this Agreement.

10.18 GOVERNING LAW: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue for any matter which is a subject of this Agreement shall be in the County of Escambia.

SAMPLE

10.19 INTERPRETATION: For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If the Consultant discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, the Consultant shall immediately notify the County and request clarification of the County's interpretation of this Agreement.

(b) This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

10.20 SEVERABILITY: The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed and enforced as if this Agreement did not contain such invalid or unenforceable portion or provision.

10.21 COMPLIANCE WITH LAWS: The Consultant shall keep fully informed regarding and shall fully and timely comply with all current laws and future laws that may affect those engaged or employed in the performance of this Agreement. Without limiting the generality of the foregoing, the Consultant shall observe all rules and regulations of federal, state, and local officials relating to the subject matter of this Agreement.

10.22 EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY): In accordance with §448.095, Florida Statutes, Consultant shall register with and utilize the E-Verify System operated by the United States Department of Homeland Security to verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Consultant enters into a contract with a subcontractor performing work or providing services on its behalf, Consultant shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

10.23 PARTICIPATION IN OTHER PROCEEDINGS: At the County's request, the Consultant shall allow itself to be joined as a party in any legal proceeding that involves the County regarding the design, construction, or installation of any matter which is the subject of this Agreement. This provision is for the benefit of the County and not for the benefit of any other party.

10.24 FURTHER DOCUMENTS: The parties shall execute and deliver all documents and perform further actions that may be reasonably necessary to effectuate the provisions of this Agreement.

SAMPLE

10.25 NO WAIVER: The failure of the Consultant or the County to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Agreement.

AGREEMENT FOR PROFESSIONAL CONSULTING SERVICES

THIS AGREEMENT is made and entered into this ___ day of _____, 20_, by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "the County"), whose address is 221 Palafox Place, Pensacola, Florida 32502, and _____, a for-profit _____ authorized to transact business in the State of Florida, FEI/EIN _____, whose principal address is _____, (hereinafter referred to as the "Consultant").

WITNESSETH:

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Consultant agree as follows:

ARTICLE I
DEFINITIONS AND IDENTIFICATIONS

For purposes of this Agreement and the various covenants, conditions, terms, and provisions which follow, the definitions and identifications set forth below are assumed to be true and correct and are, therefore, agreed upon by the parties.

1.1 BOARD OF COUNTY COMMISSIONERS: The Board of County Commissioners of Escambia County, Florida, means the governing body of the Escambia County Government.

1.2 CONSULTANT: _____ is the Consultant selected to perform professional services pursuant to this Agreement.

1.3 CONSULTANT SERVICES: The intent of this Contract is to make available certain professional consultant services to Escambia County as outlined herein.

1.4 CONTRACT ADMINISTRATOR: Whenever the term "Contract Administrator" is used herein, it is intended to mean (Name), (Title), (Department). In the administration of this contract, as contrasted with matters of policy, all parties may rely upon instructions or determinations made by the Contract Administrator.

1.5 COUNTY: Escambia County is a political subdivision of the State of Florida.

1.6 LUMP SUM COMPENSATION: Lump sum computation refers to the method of payment under this Agreement for the professional services of the Consultant.

1.7 NOTICE TO PROCEED: A Notice to Proceed is the written authorization issued by the County or the Contract Administrator to commence the Project.

1.8 PROJECT: It is the intent of this Agreement that the Consultant provide to the County certain professional services for _____.

SAMPLE

ARTICLE 2
PREAMBLE

In order to establish the background, context, and frame of reference for this Agreement and to generally express the objectives and intentions of the respective parties herein, the following statements, representations, and explanations shall be accepted as predicates for the undertakings and commitments included within the provisions which follow and may be relied upon by the parties as essential elements of the mutual considerations upon which this Agreement is based.

2.1 Under this Agreement, Escambia County will budget funds during Fiscal Year(s) XX-XX in the amount of _____ ($_____) for this Project.

2.2 The Board of County Commissioners has complied with the requirements of the Consultants' Competitive Negotiation Act, as contained in Section 287.055, Florida Statutes, as amended, and has selected the Consultant to perform the services hereunder.

2.3 Negotiations pertaining to the services to be performed by the Consultant were undertaken between Consultant and a committee selected by the Board of County Commissioners, and this Agreement incorporates the results of such negotiation.

ARTICLE 3
SCOPE OF WORK

The Consultant will provide certain professional consultant services for the tasks outlined in Escambia County's Request for Letters of Interest (RLI), Specification No. PD XX-XX.XXX, _____, and as represented in the Consultant's Letter of Interest, subsequent interview, and proposal presentation. In the event of a conflict between the terms of the proposal and this Agreement, the terms of this Agreement shall prevail.

3.1 The basic services to be provided are set forth in Exhibit A, attached hereto and incorporated by reference herein, and unless otherwise specified, such services shall be completed in accordance with the standard care in the profession at the time such services are rendered.

3.2 Such services, generally, shall include those services performed by the Consultant, its employees, and subcontractors, as more specifically enumerated in the Scope of Work set forth in Exhibit A and any other services specifically included therein.

3.3 The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by the Consultant under this Agreement. The Consultant shall, without additional compensation, correct or revise any errors or omissions in its designs, drawings, specifications, and other services furnish pursuant to the Agreement.

SAMPLE

(a) Neither the County's review, approval or acceptance of, nor payment for, the services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement, and the Consultant shall be and remain liable to the County in accordance with applicable law for all damages to the County caused by the Consultant's negligent performance of any of the services furnished under this Agreement.

(b) The rights and remedies of the County provided for under this Agreement are in addition to any other rights and remedies provided by law.

(c) If the Consultant is comprised of more than one legal entity, each such entity shall be jointly and severally liable hereunder.

3.4 The Consultant shall accomplish the design services required under this Agreement so as to permit the award of a contract at a price that does not exceed the estimated construction contract price as set forth in paragraph (b) below. When bids or proposals for the construction contract are received that exceed the estimated price, the Consultant shall perform such redesign and other services as are necessary to permit contract award within the funding limitation. These additional services shall be performed at no increase in the price of this Agreement. However, the Consultant shall not be required to perform such additional services at no cost to the County if the unfavorable bids or proposals are the result of conditions beyond its reasonable control.

(a) The Consultant will promptly advise the County if it finds that the project being designed will exceed or is likely to exceed the funding limitations, and it is unable to design a usable project within these limitations. Upon receipt of such information, the County will review the Consultant's revised estimate of construction cost. The County may, if it determines that the estimated construction contract price set forth in this Agreement is so low that award of a construction contract not in excess of such estimate is improbable, authorize a change in scope or materials as required to reduce the estimated construction cost to an amount within the estimated construction contract price set forth in paragraph (b) below, or the County may adjust such estimated construction contract price. When bids or proposals are not solicited or are unreasonably delayed, the County shall prepare an estimate of constructing the design submitted and such estimate shall be used in lieu of bids or proposals to determine compliance with the funding limitation. In the event the county increases the amount in (b) below the compensation to the consultant may be increased equitably.

(b) The estimated construction contract price for the project described in the Agreement is $_____.

3.5 The Consultant may be liable for County costs resulting from negligent, reckless or intentionally wrongful errors or omissions in designs furnished under this Agreement, or failure to timely perform its services under this Agreement. Therefore, when a modification to a construction contract is required because of a negligent, reckless or intentionally wrongful error or omission in the services provided under this Agreement, the County (with the advice of technical personnel and legal counsel) shall consider the extent to which the Consultant may be reasonably liable. The County shall enforce such liability and collect the amount due, if the recoverable cost will exceed the administrative cost involved or is otherwise in the County's interest.

SAMPLE

ARTICLE 4
TIME FOR PERFORMANCE

4.1 The schedule for completion of the Consultant's services shall be in accordance with Exhibit B, which is attached hereto and made a part hereof. Such schedule may be modified from time to time upon the mutual consent of the County and the Consultant.

4.2 These services shall be performed as expeditiously as is consistent with professional skill and care and the orderly progress of the Project. The Consultant's schedule for the performance of its services shall include allowances for periods of time required for the County's review and for its approval of submissions by the Consultant. Time limits established by this schedule, which are hereby approved by the County, shall not be exceeded by the Consultant, except for reasonable cause.

4.3 Prior to beginning the performance of any basic services under this Agreement, the Consultant must receive in writing a Notice to Proceed from the Contract Administrator.

ARTICLE 5
COMPENSATION AND METHOD OF BILLING AND PAYMENT

5.1 COMPENSATION: The County agrees to pay the Consultant, as compensation for its services under Section 3.1 of this Agreement, an aggregate fee for certain project tasks pursuant to the fee schedule set forth in Exhibit C, attached hereto and made a part hereof. At the completion of each task, the Consultant will be compensated by a lump sum amount, which has been negotiated for that task, unless otherwise mutually agreed to by the parties hereto. The total fee for all such services, to be performed by the Consultant, including costs, direct expenses, and any other charges described in Section 5.3, is to be paid as follows: A lump sum amount of _____ ($_____). Final payment will be subject to approval by the Board of County Commissioners.

5.2 FEE SCHEDULE: The "fee schedule," as used herein, shall mean the charges shown in Exhibit C for certain tasks to be performed by the Consultant. Such fees shall include, all inclusively the Consultant's salaries of professional and administrative staff, sick leave, vacation, unemployment, excise and payroll taxes, contributions for social security, unemployment compensation insurance, retirement benefits, medical and insurance benefits, air travel, auto travel, telephone, facsimile, reproduction costs, other routine overhead expenses, profit, and all other expenses of every type.

5.3 DIRECT EXPENSES: Direct expenses are those expenses directly attributable to the Project, which will be exclusively borne by Consultant, and are included in its aggregate fee, they shall include, but not be limited to, the following:

(a) Transportation expenses in connection with the Project.
(b) Living expenses in connection with travel and any other travel expenses.
(c) Long distance communications and other miscellaneous budget expenses.
(d) Cost of printing plans, drawings, and specifications which are required by or of the Consultant to deliver the services set forth in this Agreement. The Consultant agrees and understands that it will furnish to the County two (2) sets of all Project plans, reports, and specifications in a bound format acceptable to the County.
(e) Cost of any software or hardware used or developed for the Project, including CAD/CADD time.

SAMPLE

5.4 METHOD OF BILLING AND PAYMENT:

(a) For lump sum contracts, the Consultant may submit bills to the County at the completion and approval of each task or at the partial completion of a task on a pro-rata basis. However, requests for payment shall not be made more frequently than once a month. The Consultant shall submit such monthly statements identifying the nature of the work performed.

Calculations shall be made monthly of the amount and value of the work accomplished and services performed by the Consultant which meet the standards of quality established under this Agreement. The estimates shall be prepared by the Consultant and accompanied by such supporting data as required by the Contract Administrator.

(b) Payments under this Agreement and interest on any late payments shall be governed by the Local Government Prompt Payment Act, §§ 218.70, et seq., as amended.

5.5 NOTICES:

(a) Any notice, invoice, payment, or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or other private courier service, such as Federal Express.

(b) Unless otherwise notified in writing of a new address, notices, payment, and invoices shall be made to each party at the below listed addresses. Rejection, or other refusal by the addressee to accept, or the inability of the courier service, or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Either party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

(c) Payments and Notices to the Consultant shall be made to:

_____
_____
_____

(d) Invoices to the County shall be sent to:

_____
_____
_____
Pensacola, Florida _____

Notices to the County shall be sent to:

_____
County Administrator
P.O. Box 1591
Pensacola, Florida 32597-1591

SAMPLE

ARTICLE 6
ADDITIONAL SERVICES AND CHANGES IN SCOPE OF WORK

6.1 The County or the Consultant may request changes that would increase, decrease, or otherwise modify the Scope of Work to be provided under this Agreement. Such changes must be in accordance with the procurement policies of the County and must be contained in a written amendment, executed by the parties thereto, with the same formality and of equal dignity prior to any deviation from the terms of this Agreement, including the initiation of any extra work.

ARTICLE 7
COUNTY'S RESPONSIBILITIES

7.1 The County shall furnish to the Consultant, as required for performance of the Consultant's basic services, all available data prepared by or the result of the services of others, including without limitation (as may be appropriate): building plans and related drawings, core borings, probings, and subsurface explorations, hydraulic surveys, laboratory tests, and inspections of samples, materials, and equipment, appropriate professional interpretations of all of the foregoing; environmental assessments and impact statements, appropriate professional interpretations of all of the foregoing; property boundary, easement, rights-of-way, topographic and utility surveys; property descriptions; zoning, deed, and other land use restrictions; and any other special data or consultations relating to this Project.

7.2 The County shall arrange for access to and make all provisions for the Consultant to enter upon public and private property as required for the Consultant to perform its services.

7.3 Within a reasonable time so as not to delay the services of the Consultant, the County shall examine all studies, reports, sketches, drawings, specifications, proposals, and other documents presented by the Consultant, obtain advice of an attorney, insurance counselor, or other Consultants, as the County deems appropriate, for such examinations and the rendering, if required, of written opinions pertaining thereto.

7.4 The County shall furnish approvals and permits from all governmental authorities having jurisdiction over the Project and such approvals and consents from others as may be necessary for completion of the Project.

7.5 The County shall give prompt written notice to the Consultant whenever the County observes or otherwise becomes aware of any development that affects the scope of timing of the Consultant's services, or any defect in the work of the Consultant.

ARTICLE 8
CONSULTANT'S RESPONSIBILITIES

8.1 QUALITY OF SERVICES:

(a) The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished pursuant to this Agreement.

(b) To that end, the Consultant shall correct or shall revise, without additional compensation, any errors or omissions in its work product or shall make such revisions as are necessary as the result of the failure of the Consultant to provide an accurate, more

SAMPLE

efficient, and properly constructable product in its designs, drawings, specifications, or other services.

(c) The County's review/approval/acceptance of or payment for the services required by this Agreement shall NOT be construed to operate as a waiver of any rights or of any cause of action arising out of the performance of this Agreement. Additionally, the Consultant shall be and remain liable to the County in accordance with applicable law for all damages to the County caused by the Consultant's negligent performance of any of the services furnished under this Agreement.

(d) The rights and remedies of the County provided for under this Agreement are in addition to any other rights and remedies otherwise provided by law.

8.2 CONSULTANT PROFESSIONAL REGISTRATION AND CERTIFICATION:

(a) The design services provided to the County by the Consultant shall be certified by professional consultants registered to practice and in good standing in the State of Florida. Any project inspection services also shall be reviewed and shall be approved by such professional consultants.

(b) The survey services provided to the County by the Consultant shall be certified by professional land surveyors registered to practice and in good standing in the State of Florida.

(c) Permit applications to State and Federal agencies prepared by the Consultant shall be signed and shall be sealed by the Consultant, as the project's Consultant of Record. For all such permit applications, post-construction certification also shall be made by the Consultant to the appropriate State or Federal permitting agency.

ARTICLE 9
GENERAL PROVISIONS

9.1 OWNERSHIP OF DOCUMENTS:

(a) Drawings, specifications, design, models, photographs, reports, surveys, and other data, including intellectual property of any type or description, produced by the Consultant in connection with this Agreement are and shall remain the property of the County whether the Project for which they were made is completed or not. Such ownership also shall include any electronic files developed or created of such documents.

(b) When such documents are provided to other parties, the Consultant shall ensure return of the County’s property by collecting, if appropriate, a deposit equal to the cost of reproduction. Such deposit shall be returned if the documents are timely returned in a useable condition. Otherwise, such deposit shall be retained by the Consultant.

SAMPLE

9.2 TERMINATION:

(a) This Agreement may be terminated by either party for cause, or by the County for convenience, upon fourteen (14) days written notice by the terminating party to the other party of such termination in which event the Consultant shall be paid its compensation for services performed to termination date, including all reimbursable expenses then due or incurred to the date of termination.

(b) Termination for cause shall include, but not be limited to, misuse of funds, fraud, lack of compliance with applicable rules, laws, regulations, and ordinances, and failure to perform in a timely manner any provision of this Agreement.

(c) In no event shall a termination for convenience by the County be deemed a default, and any such termination shall not subject the County to any penalty or other claim for damages. If the Consultant abandons this Agreement or causes it to be terminated, the Consultant shall indemnify the County against any loss pertaining to this termination up to a maximum of 1.3 times the full contracted fee amount of the Project. All finished or unfinished documents, data, studies surveys, drawings, maps, models, photographs, and reports prepared by the Consultant shall become the property of the County and shall be immediately delivered by the Consultant to the County.

(d) Vendor suspension or debarment proceedings brought by County pursuant to Chapter 46, Article II, Division 2, Section 46-102, Escambia County Code of Ordinances, shall be grounds for immediate termination of this Agreement.

9.3 RECORDS:

(a) The Consultant shall keep such records and accounts and shall require any subcontractors to keep records and accounts as may be necessary in order to record complete and correct entries as to personnel hours charged to this engagement and any expenses for which the Consultant expects to be reimbursed. Such books and records will be available at all reasonable times for examination and audit by the County and shall be kept for a period of three (3) years after the completion of all work to be performed pursuant to this Agreement. Incomplete or incorrect entries in such books and records will be grounds for disallowance by the County of any fees or expenses based upon such entries.

(b) The Consultant acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. The Consultant shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. The Consultant shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Consultant agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Consultant fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any right or remedy and after giving the Consultant and its surety, if any, seven (7) days written notice, during which period the Consultant still fails to allow access to such documents, terminate the Agreement. In such case, the

SAMPLE

Consultant shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Consultant (excluding monies owed the Consultant for subcontractor work).

IF THE CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

9.4 NO CONTINGENT FEES: The Consultant warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Consultant to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Consultant any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of this provision, the County shall have the right to terminate the Agreement without liability and at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

9.5 SUBCONTRACTORS: The County approves the use of subcontractors by the Consultant. In the event the Consultant, during the course of the work under this Agreement, requires the services of any subcontractors or other professional associates in connection with services covered by this Agreement, it must secure the prior written approval of the County for employment of such subcontractors.

9.6 ASSIGNMENT: This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the Consultant, without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

9.7 HOLD HARMLESS AND INDEMNIFICATION OF COUNTY: The Consultant agrees to hold harmless and indemnify the County and its agents, officers, and employees from all liabilities, damages, losses, and costs, including attorneys' fees and paralegals' fees, incurred by County to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Consultant or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Consultant, or by any other person for whom the Consultant is legally liable. Consultant's obligation as provided herein shall be limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Consultant or by any person, firm or corporation to whom any portion of the Work is subcontracted by Consultant, and Consultant shall not be required to indemnify and hold harmless County where County's negligence, recklessness, or intentional wrongful

SAMPLE

misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's and paralegal fees.

County and Consultant agree one percent (1%) of the Contract Amount paid by County to Consultant shall be given as separate consideration for this indemnification, and any other indemnification of County by Consultant provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Consultant by Consultant's acceptance and execution of the Agreement.

Consultant agrees that such indemnification by the Consultant relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any statutes of limitations thereafter. The Consultant's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

9.8 INSURANCE: The Consultant is required to carry the following insurance:

(a) Commercial General Liability with $1,000,000 minimum per occurrence, including coverage parts of bodily injury, property damage, broad form property damage, personal injury, independent contractors, blanket contractual liability, and completed operations;

(b) Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease; and

(d) Professional Liability coverage with $1,000,000 minimum limit, except where the estimated construction contract price for the project described in the Agreement is greater than $5 Million dollars, the minimum limit of professional liability coverage shall be equal to 25% of the estimated construction contract price for the project. Said coverage shall be continuously maintained and in effect for a period of not less than **five (5) years** from the effective date of this Agreement. The policy limit of liability shall not include legal fees and other defense costs. If a claims made form of coverage is provided, the retroactive date of coverage shall be no later than the effective date of this Agreement and shall not be advanced. If at any time during the aforementioned policy period there should be a cancellation, non-renewal, or lapse in coverage, professional liability coverage shall be extended for the remainder of the five year period with a supplemental extended reporting period (SERP) endorsement to take effect upon expiration of the policy period referenced above. The limits of liability applicable to the SERP coverage shall be equal to the limits of liability applicable to the policy referenced above and to which the endorsement attaches.

It is understood and agreed by the parties that in the event that the Consultant consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

All liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be a minimum financial size of VII, according to the latest edition of the A.M. Best Key Rating Guide. An A or better Best Rating is referred; however, other ratings if "Secure Best Ratings" may be considered. Liability policies shall be underwritten on the occurrence basis,

SAMPLE

except the professional and environmental impairment coverage may be provided on a claims made basis. Escambia County and the Board of County Commissioners shall be "additional insured's" on all liability policies (except professional liability). Certificates of insurance shall be provided to Purchasing Manager, P.O. Box 1591, Pensacola, Florida 32597-1591 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County and shall provide for a minimum of thirty (30) days' notice of cancellation. Escambia County and the Board of County Commissioners also shall be the certificate holders.

9.9 REPRESENTATIVE OF COUNTY AND CONSULTANT:

(a) It is recognized that questions in the day-to-day conduct of the Project will arise. The Contract Administrator, upon request by the Consultant, shall designate and shall advise the Consultant in writing, persons to whom all communications pertaining to the day-to-day conduct of the Project shall be addressed.

(b) The Consultant shall inform the Contract Administrator in writing of the representative of the Consultant to whom matters involving the conduct of the Project shall be addressed.

9.10 ALL PRIOR AGREEMENTS SUPERSEDED:

(a) This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein, and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or Agreements whether oral or written.

(b) It is further agreed that no modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

9.11 TRUTH-IN-NEGOTIATION CERTIFICATE: The signing of this Agreement by the Consultant shall act as the execution of a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation of this Agreement are accurate, complete, and current at the time of contracting. The original contract price and any additions thereto shall be adjusted to exclude any significant sums by which the County determines the contract price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such contract adjustments shall be made within one (1) year following the end of this Agreement.

9.12 HEADINGS: Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

9.13 GRATUITIES: Neither the Consultant nor any of its employees, agents, and representatives shall offer or give to an officer, official, or employee of the County gifts, entertainment, payments, loans, or other gratuities. The Consultant acknowledges knowledge of the State of Florida's ethics statutes, and to the extent applicable to the Consultant, the Consultant agrees to abide by such statutes.

SAMPLE

9.14 CONFLICT OF INTEREST: The Consultant hereby certifies that it will completely disclose to the County all facts bearing upon any possible conflicts, direct or indirect, with its performance which it believes that any officer, employee, or agent of the Consultant now has or will have. Said disclosure shall be made by the Consultant contemporaneously with the execution of this Agreement and at any time thereafter that such facts become known to the Consultant. The Consultant at all times shall perform its obligations under this Agreement in a manner consistent with the best interests of the County. Failure to abide by this section shall result in the immediate termination of this Agreement pursuant to Chapter 46, Article II, Division 4 of the Escambia County Code of Ordinances.

9.15 SURVIVAL: All other provisions which, by their inherent character, sense, and context are intended to survive termination of this Agreement, shall survive the termination of this Agreement.

9.16 GOVERNING LAW: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue for any matter which is a subject of this Agreement shall be in the County of Escambia.

9.17 INTERPRETATION: For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If the Consultant discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, the Consultant shall immediately notify the County and request clarification of the County's interpretation of this Agreement.

(b) This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

9.18 SEVERABILITY: The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed and enforced as if this Agreement did not contain such invalid or unenforceable portion or provision.

9.19 COMPLIANCE WITH LAWS: The Consultant shall keep fully informed regarding and shall fully and timely comply with all current laws and future laws that may affect those engaged or employed in the performance of this Agreement. Without limiting the generality of the foregoing, the Consultant shall observe all rules and regulations of federal, state, and local officials relating to the subject matter of this Agreement.

9.20 EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY): In accordance with §448.095, Florida Statutes, Consultant shall register with and utilize the E-Verify System operated by the United States Department of Homeland Security to verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors

SAMPLE

performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Consultant enters into a contract with a subcontractor performing work or providing services on its behalf, Consultant shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

9.21 PARTICIPATION IN OTHER PROCEEDINGS: At the County's request, the Consultant shall allow itself to be joined as a party in any legal proceeding that involves the County regarding the design, construction, or installation of any matter which is the subject of this Agreement. This provision is for the benefit of the County and not for the benefit of any other party.

9.22 FURTHER DOCUMENTS: The parties shall execute and deliver all documents and perform further actions that may be reasonably necessary to effectuate the provisions of this Agreement.

9.23 NO WAIVER: The failure of the Consultant or the County to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Agreement.

AGREEMENT FOR PROFESSIONAL CONSULTING SERVICES

THIS AGREEMENT is made and entered into this ____ day of_____, 20__, by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), with administrative offices located at 221 South Palafox Place, Pensacola, Florida 32502, and _____, a for-profit _____, authorized to conduct business in the State of Florida, FEI/EIN _____, whose principal address is_____ (hereinafter referred to as "Consultant").

WITNESSETH:

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Consultant agree as follows:

ARTICLE I
PREAMBLE

1.1 The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

1.2 The Board of County Commissioners has complied with the requirements of the Consultants' Competitive Negotiation Act, as contained in Section 287.055, Florida Statutes, as amended, and has selected the Consultant to perform the services hereunder.

1.3 Negotiations pertaining to the services to be performed by the Consultant were undertaken between Consultant and a committee selected by the Board of County Commissioners, and this Agreement incorporates the results of such negotiation.

ARTICLE 2
SCOPE OF WORK

2.1 The Consultant will provide certain professional consultant services for the tasks outlined in Escambia County's Request for Letters of Interest (RLI), Specification No. P.D. _____, _____and as represented in the Consultant's Letter of Interest, subsequent interview, and proposal presentation. In the event of a conflict between the terms of the proposal and this Agreement, the terms of this Agreement shall prevail.

2.2 The basic services to be provided are set forth in Exhibit A, attached hereto and incorporated by reference herein, and unless otherwise specified, such services shall be completed in accordance with the standard care in the profession at the time such services are rendered.

2.3 Such services, generally, shall include those services performed by a consultant, its employees, and subcontractors, as more specifically enumerated in the Scope of Work set forth in Exhibit A and any other services specifically included therein.

2.4 The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by the Consultant under this Agreement. The Consultant shall, without additional compensation, correct

SAMPLE

or revise any errors or omissions in its designs, drawings, specifications, and other services furnish pursuant to the Agreement.

(a) Neither the County's review, approval or acceptance of, nor payment for, the services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement, and the Consultant shall be and remain liable to the County in accordance with applicable law for all damages to the County caused by the Consultant's negligent performance of any of the services furnished under this Agreement.

(b) The rights and remedies of the County provided for under this Agreement are in addition to any other rights and remedies provided by law.

(c) If the Consultant is comprised of more than one legal entity, each such entity shall be jointly and severally liable hereunder.

ARTICLE 3
TIME FOR PERFORMANCE

3.1 The schedule for completion of the Consultant's services shall be in accordance with Exhibit B, which is attached hereto and made a part hereof. Such schedule may be modified from time to time upon the mutual consent of the County and the Consultant.

3.2 These services shall be performed as expeditiously as is consistent with professional skill and care and the orderly progress of the Project. The Consultant's schedule for the performance of its services shall include allowances for periods of time required for the County's review and for its approval of submissions by the Consultant. Time limits established by this schedule, which are hereby approved by the County, shall not be exceeded by the Consultant, except for reasonable cause.

3.3 Prior to beginning the performance of any basic services under this Agreement, the Consultant must receive in writing a Notice to Proceed from the Contract Administrator.

ARTICLE 4
COMPENSATION AND METHOD OF BILLING AND PAYMENT

4.1 The County agrees to pay the Consultant, as compensation for its services under this Agreement, an aggregate fee for certain project tasks pursuant to the fee schedule set forth in Exhibit C, attached hereto and made a part hereof. At the completion of each task, the Consultant will be compensated by a lump sum amount, which has been negotiated for that task, unless otherwise mutually agreed to by the parties hereto. The total fee for all such services, to be performed by the Consultant, including costs, direct expenses, and any other charges is to be paid as follows: A lump sum amount of _____ ($_____). Final payment will be subject to approval by the Board of County Commissioners.

4.2 FEE SCHEDULE: The "fee schedule," as used herein, shall mean the charges shown in Exhibit C for certain tasks to be performed by the Consultant. Such fees shall include, all inclusively the Consultant's salaries of professional and administrative staff, sick leave, vacation, unemployment, excise and payroll taxes, contributions for social security, unemployment

SAMPLE

compensation insurance, retirement benefits, medical and insurance benefits, air travel, auto travel, telephone, facsimile, reproduction costs, other routine overhead expenses, profit, and all other expenses of every type.

4.3 DIRECT EXPENSES: Direct expenses are those expenses directly attributable to the Project, which will be exclusively borne by Consultant, and are included in its aggregate fee, they shall include, but not be limited to, the following:

(a) Transportation expenses in connection with the Project.
(b) Living expenses in connection with travel and any other travel expenses.
(c) Long distance communications and other miscellaneous budget expenses.
(d) Cost of printing plans, drawings, and specifications which are required by or of the Consultant to deliver the services set forth in this Agreement. The Consultant agrees and understands that it will furnish to the County two (2) sets of all Project plans, reports, and specifications in a bound format acceptable to the County.
(e) Cost of any software or hardware used or developed for the Project, including CAD/CADD time.

4.4 METHOD OF BILLING AND PAYMENT:

(a) For lump sum contracts, the Consultant may submit bills to the County at the completion and approval of each task or at the partial completion of a task on a pro-rata basis. However, requests for payment shall not be made more frequently than once a month. The Consultant shall submit such monthly statements identifying the nature of the work performed.

(b) Calculations shall be made monthly of the amount and value of the work accomplished and services performed by the Consultant which meet the standards of quality established under this Agreement. The estimates shall be prepared by the Consultant and accompanied by such supporting data as required by the Contract Administrator.

(c) Payments under this Agreement and interest on any late payments shall be governed by the Local Government Prompt Payment Act, §§ 218.70, et seq., Florida Statutes, as amended.

ARTICLE 5
ADDITIONAL SERVICES AND CHANGES IN SCOPE OF WORK

5.1 The County or the Consultant may request changes that would increase, decrease, or otherwise modify the Scope of Work to be provided under this Agreement. Such changes must be in accordance with the procurement policies of the County and must be contained in a written amendment, executed by the parties thereto, with the same formality and of equal dignity prior to any deviation from the terms of this Agreement, including the initiation of any extra work.

SAMPLE

ARTICLE 6
COUNTY'S RESPONSIBILITIES

6.1 The County shall furnish to the Consultant, as required for performance of the Consultant's basic services, all available data prepared by or the result of the services of others, including without limitation (as may be appropriate): building plans and related drawings, core borings, probings, and subsurface explorations, hydraulic surveys, laboratory tests, and inspections of samples, materials, and equipment, appropriate professional interpretations of all of the foregoing; environmental assessments and impact statements, appropriate professional interpretations of all of the foregoing; property boundary, easement, rights-of-way, topographic and utility surveys; property descriptions; zoning, deed, and other land use restrictions; and any other special data or consultations relating to this Project.

6.2 The County shall arrange for access to and make all provisions for the Consultant to enter upon public and private property as required for the Consultant to perform its services.

6.3 Within a reasonable time so as not to delay the services of the Consultant, the County shall examine all studies, reports, sketches, drawings, specifications, proposals, and other documents presented by the Consultant, obtain advice of an attorney, insurance counselor, or other Consultants, as the County deems appropriate, for such examinations and the rendering, if required, of written opinions pertaining thereto.

6.4 The County shall furnish approvals and permits from all governmental authorities having jurisdiction over the Project and such approvals and consents from others as may be necessary for completion of the Project.

6.5 The County shall give prompt written notice to the Consultant whenever the County observes or otherwise becomes aware of any development that affects the scope of timing of the Consultant's services, or any defect in the work of the Consultant.

ARTICLE 7
CONSULTANT'S RESPONSIBILITIES

7.1 QUALITY OF SERVICES:

(a) The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished pursuant to this Agreement.

(b) To that end, the Consultant shall correct or shall revise, without additional compensation, any errors or deficiencies in its work product or shall make such revisions as are necessary as the result of the failure of the Consultant to provide an accurate, more efficient product in its designs, drawings, specifications, or other services.

(c) The County's review/approval/acceptance of or payment for, the services required by this Agreement shall not be construed to operate as a waiver of any rights or of any cause of action arising out of the performance of this Agreement. Additionally, the Consultant shall be and remain liable to the County in accordance with applicable law for all damages to the County caused by the Consultant's negligent performance of any of the services furnished under this Agreement.

SAMPLE

(d) The rights and remedies of the County provided for under this Agreement are in addition to any other rights and remedies otherwise provided by law.

ARTICLE 8
GENERAL PROVISIONS

8.1 OWNERSHIP OF DOCUMENTS:

(a) Drawings, specifications, design, models, photographs, reports, surveys, and other data, including intellectual property of any type or description, produced by the Consultant in connection with this Agreement are and shall remain the property of the County whether the Project for which they were made is completed or not. Such ownership also shall include any electronic files developed or created of such documents.

(b) When such documents are provided to other parties, the Consultant shall ensure return of the County's property by collecting, if appropriate, a deposit equal to the cost of reproduction. Such deposit shall be returned if the documents are timely returned in a useable condition. Otherwise, such deposit shall be retained by the Consultant.

8.2. TERMINATION:

(a) This Agreement may be terminated by either party for cause, or by the County for convenience, upon fourteen (14) days written notice by the terminating party to the other party of such termination in which event the Consultant shall be paid its compensation for services performed to termination date, including all reimbursable expenses then due or incurred to the date of termination.

(b) Termination for cause shall include, but not be limited to, misuse of funds, fraud, lack of compliance with applicable rules, laws, regulations, and ordinances, and failure to perform in a timely manner any provision of this Agreement.

(c) In no event shall a termination for convenience by the County be deemed a default, and any such termination shall not subject the County to any penalty or other claim for damages. If the Consultant abandons this Agreement or causes it to be terminated, the Consultant shall indemnify the County against any loss pertaining to this termination up to a maximum of 1.3 times the full contracted fee amount of the Project. All finished or unfinished documents, data, studies surveys, drawings, maps, models, photographs, and reports prepared by the Consultant shall become the property of the County and shall be immediately delivered by the Consultant to the County.

(d) Vendor suspension or debarment proceedings brought by County pursuant to Chapter 46, Article II, Division 2, Section 46-102, Escambia County Code of Ordinances, shall be grounds for immediate termination of this Agreement.

8.3 RECORDS:

(a) The Consultant shall keep such records and accounts and shall require any subcontractors to keep records and accounts as may be necessary in order to record complete and correct entries as to personnel hours charged to this engagement and any expenses for which the Consultant expects to be reimbursed. Such books and records will be available at all reasonable times for examination and audit by the County and shall be kept for a period of three

SAMPLE

(3) years after the completion of all work to be performed pursuant to this Agreement. Incomplete or incorrect entries in such books and records will be grounds for disallowance by the County of any fees or expenses based upon such entries.

(b) The Consultant acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. Consultant shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Consultant shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Consultant agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Consultant fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any right or remedy and after giving the Consultant and its surety, if any, seven (7) days written notice, during which period the Consultant still fails to allow access to such documents, terminate the employment of the Consultant. In such case, the Consultant shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Consultant (excluding monies owed the Consultant for subcontractor work).

IF THE CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

8.4 CONFLICT OF INTEREST. Consultant agrees it shall not contract for or accept employment for the performance of any work or service with any individual, business corporation, or government unit that would create a conflict of interest in the performance of its obligations under this Agreement. Consultant further agrees it will neither take any action nor engage in any conduct that would cause any County employee or official to violate the provisions of Chapter 112, Florida Statutes, relating to ethics in government. Consultant also agrees to comply with the County's ordinance prohibiting conflicts of interest among retained consultants.

8.5 NO CONTINGENT FEES: The Consultant warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Consultant to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Consultant any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of this provision, the County shall have the right to terminate the Agreement without liability and at its discretion, to deduct

SAMPLE

from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

8.6 SUBCONTRACTORS: The County approves the use of subcontractors by the Consultant. In the event the Consultant, during the course of the work under this Agreement, requires the services of any subcontractors or other professional associates in connection with services covered by this Agreement, it must secure the prior written approval of the County for employment of such subcontractors.

8.7 ASSIGNMENT: This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the Consultant, without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

8.8 HOLD HARMLESS AND INDEMNIFICATION OF COUNTY: The Consultant agrees to hold harmless and indemnify the County and its agents, officers, and employees from all liabilities, damages, losses, and costs, including attorneys' fees and paralegals' fees, incurred by County to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Consultant or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Consultant, or by any other person for whom the Consultant is legally liable. Consultant's obligation as provided herein shall be limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Consultant or by any person, firm or corporation to whom any portion of the Work is subcontracted by Consultant, and Consultant shall not be required to indemnify and hold harmless County where County's negligence, recklessness, or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's and paralegal fees.

County and Consultant agree one percent (1%) of the Contract Amount paid by County to Consultant shall be given as separate consideration for this indemnification, and any other indemnification of County by Consultant provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Consultant by Consultant's acceptance and execution of the Agreement.

Consultant agrees that such indemnification by the Consultant relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any statutes of limitations thereafter. The Consultant's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

8.9 INSURANCE. The Consultant is required to carry the following insurance:

(a) Commercial General Liability with $1,000,000 minimum per occurrence, including coverage parts of bodily injury, property damage, broad form property damage, personal injury, independent contractors, blanket contractual liability, and completed operations;

(b) Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease; and

SAMPLE

(d) Professional Liability coverage with $1,000,000 minimum limit, except where the estimated construction contract price for the project described in the Agreement is greater than $5 Million dollars, the minimum limit of professional liability coverage shall be equal to 25% of the estimated construction contract price for the project. Said coverage shall be continuously maintained and in effect for a period of not less than **five (5) years** from the effective date of this Agreement. The policy limit of liability shall not include legal fees and other defense costs. If a claims made form of coverage is provided, the retroactive date of coverage shall be no later than the effective date of this Agreement and shall not be advanced. If at any time during the aforementioned policy period there should be a cancellation, non-renewal, or lapse in coverage, professional liability coverage shall be extended for the remainder of the five year period with a supplemental extended reporting period (SERP) endorsement to take effect upon expiration of the policy period referenced above. The limits of liability applicable to the SERP coverage shall be equal to the limits of liability applicable to the policy referenced above and to which the endorsement attaches.

It is understood and agreed by the parties that in the event that the Consultant consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Consultant agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Liability policies shall be underwritten on the occurrence basis, except the professional and environmental impairment coverage may be provided on a claims made basis. Escambia County and the Board of County Commissioners shall be “additional insureds” on all liability policies (except professional liability). Certificates of insurance shall be provided to Purchasing Manager, P.O. Box 1591, Pensacola, Florida 32597-1591 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County and shall provide for a minimum of thirty (30) days’ notice of cancellation. Escambia County and the Board of County Commissioners also shall be the certificate holders.

8.10 REPRESENTATIVE OF COUNTY AND CONSULTANT:

(a) It is recognized that questions in the day-to-day conduct of the Project will arise. The Contract Administrator, upon request by the Consultant, shall designate and shall advise the Consultant in writing, persons to whom all communications pertaining to the day-to-day conduct of the Project shall be addressed.

(b) The Consultant shall inform the Contract Administrator in writing of the representative of the Consultant to whom matters involving the conduct of the Project shall be addressed.

8.11 ALL PRIOR AGREEMENTS SUPERSEDED:

(a) This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein, and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed

SAMPLE

that no deviation from the terms hereof shall be predicated upon any prior representations or Agreements whether oral or written.

(b) It is further agreed that no modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

8.12 TRUTH-IN-NEGOTIATION CERTIFICATE: The signing of this Agreement by the Consultant shall act as the execution of a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation of this Agreement are accurate, complete, and current at the time of contracting. The original contract price and any additions thereto shall be adjusted to exclude any significant sums by which the County determines the contract price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such contract adjustments shall be made within one (1) year following the end of this Agreement.

8.13 HEADINGS: Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

8.14 GRATUITIES: Neither the Consultant nor any of its employees, agents, and representatives shall offer or give to an officer, official, or employee of the County gifts, entertainment, payments, loans, or other gratuities. The Consultant acknowledges knowledge of the State of Florida's ethics statutes and to the extent applicable to the Consultant, the Consultant agrees to abide with such statutes.

8.15 NOTICE. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To:_____	To: County
Attention:_____	Attention: County Administrator
_____	221 Palafox Place
_____	Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

8.16 SURVIVAL: All other provisions which, by their inherent character, sense, and context are intended to survive termination of this Agreement, shall survive the termination of this Agreement.

8.17. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

SAMPLE

8.18 ENTIRE AGREEMENT. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Consultant acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

8.19 INTERPRETATION: For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If the Consultant discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, the Consultant shall immediately notify the County and request clarification of the County's interpretation of this Agreement.

(b) This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

8.20 SEVERABILITY: The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed and enforced as if this Agreement did not contain such invalid or unenforceable portion or provision.

8.21. COMPLIANCE WITH LAWS. The Consultant shall keep fully informed regarding and shall fully and timely comply with all current laws and future laws that may affect those engaged or employed in the performance of this Agreement. Without limiting the generality of the foregoing, the Consultant shall observe all rules and regulations of federal, state, and local officials relating to the subject matter of this Agreement.

8.22 EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY). In accordance with §448.095, Florida Statutes, Consultant shall register with and utilize the E-Verify System operated by the United States Department of Homeland Security to verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Consultant enters into a contract with a subcontractor performing work or providing services on its behalf, Consultant shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

SAMPLE

8.23 PARTICIPATION IN OTHER PROCEEDINGS: At the County's request, the Consultant shall allow itself to be joined as a party in any legal proceeding that involves the County regarding the design, construction, or installation of any matter which is the subject of this Agreement. This provision is for the benefit of the County and not for the benefit of any other party.

8.24 FURTHER DOCUMENTS: The parties shall execute and deliver all documents and perform further actions that may be reasonably necessary to effectuate the provisions of this Agreement.

8.25 NO WAIVER: The failure of the Consultant or the County to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Agreement.

8.26 ANNUAL APPROPRIATION. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA AND _____ FOR BRIDGE/DOCK/BOAT RAMP CONSTRUCTION

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida ("County"), with administrative offices at 221 South Palafox Place, Pensacola, Florida 32502, and _____, a _____ for profit [corporation OR limited liability company] ("Contractor"), FEI/EIN _____, with a principal address of _____, relating to the Contractor's performance of all work ("Work") in connection with _____, P.D. _____ ("Project"), as detailed in the attached Plans and Specifications and other Contract Documents hereafter specified.

WITNESSETH:

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

SECTION 1. CONTRACT DOCUMENTS.

1.1 The Contract Documents include this Agreement, including Amendments and Exhibits, the Exhibits described in Section 6, Change Orders, Work Directive Changes, Field Orders and the solicitation documents, including addenda. The Contract Documents are incorporated by reference and made a part of this Agreement. A copy of all Contract Documents shall be maintained by Contractor at the Project site at all times during the performance of any Work performed pursuant to this Agreement.

1.2 In case of any inconsistency or conflict among the provisions of this Agreement and any other terms and conditions of any documents comprising the Contract Documents, the provisions of the Agreement shall control. Concerning the Contract Documents, the order of precedence shall be as follows: 1) the Agreement, including Amendments and Exhibits; 2) Change Orders; 3) Work Directive Changes; 4) Field Orders; 5) the Solicitation Documents, including addenda. The Contract Documents listed above represent the entire and integrated agreement between the parties hereto, and supersede prior negotiations, representations, or agreements, either written or oral.

SECTION 2. SCOPE OF WORK.

2.1 Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the Scope of Work assigned to the Contractor.

2.2 The basic Scope of Work to be performed under this Agreement is to provide for "Miscellaneous Bridge, Dock, and Boat Ramp repairs and construction" for projects within Escambia County, Florida, per the Florida Department of Transportation "Standard Specifications for Road and Bridge Construction" (current edition) and the "Escambia County Bridge, Dock, and Boat Ramp Specification Guide" (current edition) and, unless otherwise specifically excluded from any particular purchase order, all Work shall comport with County guidelines for construction, rehabilitation and renovation of projects, and local ordinances, State, and Federal laws and regulations.

SAMPLE

SECTION 3. ORDERING OF THE WORK.

3.1 The Contractor is one of several firms selected to perform work on same or similar terms pursuant to this Agreement. The County expressly reserves the exclusive right to assign specific purchase orders to the firm it deems best suited for the type of work to be accomplished. This Agreement does not guarantee any amount or type of work to be assigned to the Contractor.

3.2 When requested by the County, the Contractor will provide a bid to the County to perform the work requested under a scope of work, and the County shall select the most responsive bidder to perform the work.

3.3 The County will issue a purchase order to the Contractor which describes the work to be provided by the Contractor and the amount of compensation to be provided by the County.

SECTION 4. BONDS.

4.1 Where the Contract Amount is in excess of $250,000.00 and/or at the County's request, Contractor shall provide at its expense Performance and Payment Bonds, in the form prescribed in **Exhibit B**, in the amount of 100% of the Contract Amount. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to County; provided; however, the surety shall be rated as "A-" (excellent) or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holder's surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

4.2 If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval. Failure by Contractor to maintain its bonds in full force and effect at all times, including the warranty period, shall be grounds for termination of this Contract.

4.3 Pursuant to §255.05, Florida Statutes, the Contractor shall be required to execute and record Performance and Payment Bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the project sufficient to identify it. (The recording fee is $10.00 for the first page and $8.50 for each remaining page.)

SECTION 5. CONTRACT TIME AND LIQUIDATED DAMAGES.

5.1 Time is of the essence in the performance of any Work assigned under this Agreement. Contractor shall commence the Work within ten (10) calendar days from the Commencement Date, established in the Notice to Proceed. No Work shall be performed at a Project site prior to the Commencement Date. Contractor shall provide forty-eight (48) hours' notice prior to beginning Work.

5.2 County and Contractor recognize that, since time is of the essence for this Agreement, the County will suffer financial loss if Work is not substantially completed within the time specified. Should Contractor fail to substantially complete the Work within the agreed time period, County shall be entitled to assess, as liquidated damages, but not as a penalty, **$**_____ for each calendar

SAMPLE

day thereafter until substantial completion is achieved. The Project shall be deemed to be substantially completed by the County on the date that the County's representative certifies in writing that the construction of the Project, or specified part thereof, is sufficiently completed in accordance with the Contract Documents, so that the Project or specified part can be utilized for the purposes for which it is intended. Along with such certification, the Architect shall compile a "punch list" of any remaining exceptions that do not adversely affect the use of the Project. Completion of these items will be required prior to final payment.

5.3 Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the County's actual damages at the time of contracting if Contractor fails to substantially complete the Work in accordance with the progress schedule.

5.4 When any period of time is referenced to by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday.

SECTION 6. EXHIBITS INCORPORATED.
The following documents are expressly agreed to be incorporated by reference and made a part of this Agreement.

Exhibit A:	General Terms and Conditions
Exhibit B:	Form of Performance and Payment Bonds
Exhibit C:	Insurance and Safety Requirements
Exhibit D:	Form of Release and Affidavit
Exhibit E:	Form of Contractor Application for Payment
Exhibit F:	Form of Change Order
Exhibit G:	Technical Specifications
Exhibit H:	Plans & Standard Details prepared by/for County and identified as follows:
Exhibit I:	Federal Documents (if applicable)
Exhibit J:	Solicitation Documents Index

SECTION 7. COMPENSATION AND METHOD OF PAYMENT.

7.1 COMPENSATION. Contractor shall be compensated for satisfactory completion of work performed pursuant to an assigned scope of work in accordance with this Agreement. Individual purchase orders submitted to the Contractor will be paid through a budget line item recommended by Staff and approved by the Board of County Commissioners. For each such purchase order, the Contractor will be compensated by a lump sum fee, unless otherwise mutually agreed to by the parties hereto.

7.2 ANNUAL APPROPRIATION. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

7.3 Payment requisitions will be sent to: Notices will be sent to:

Escambia County Administrator
221 Palafox Place
Pensacola, Florida 32502
(850) 595-4900 (phone)
(850) 595-4908 (fax)

7.4 Payments and notices will be made to the Contractor at:

(Principle Name & Title)
(Consulting Firm's Name)
(Address)
(City, State, Zip)

7.5 Any notice required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or other private courier service, such as Federal Express.

Unless otherwise notified in writing of a new address, notices, payments, and invoices shall be made to each party at the listed addresses. Rejection, or other refusal by the addressee to accept, or the inability of the courier service, or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

SECTION 8. MISCELLANEOUS PROVISIONS.

8.1 RECORDS:

(a) The Contractor shall keep such records and accounts and shall require any subcontractors to keep records and accounts as may be necessary in order to record complete and correct entries as to personnel hours charged to this engagement and any expenses for which the Contractor expects to be reimbursed. Such books and records will be available at all reasonable times for examination and audit by the County, and shall be kept for a period of three (3) years after the completion of all work to be performed pursuant to this Agreement. Incomplete or incorrect entries in such books and records will be grounds for disallowance by the County of any fees or expenses based upon such entries.

(b) The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any right or remedy and after giving the Contractor and its surety,

SAMPLE

if any, seven (7) days' written notice, during which period the Contractor still fails to allow access to such documents, terminate the employment of the Contractor. In such case, the Contractor shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontractor work).

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

8.2 SUBCONTRACTORS: In the event the Contractor, during the course of any work performed under this Agreement, requires the services of any subcontractors or other professional associates in connection with work performed under this Agreement, the Contractor must secure the prior written approval of the County unless such work is specifically detailed in the purchase order.

8.3 REPRESENTATIVE OF COUNTY AND CONTRACTOR:

(a) It is recognized that questions in the day-to-day conduct of the project will arise. The Contract Administrator, upon request by the Contractor, shall designate and shall advise the Contractor in writing, persons to whom all communications pertaining to the day-to-day conduct of the project shall be addressed.

(b) The Contractor shall inform the Contract Administrator in writing of the representative of the Contractor to whom matters involving the conduct of the project shall be addressed.

8.4 HEADINGS: Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

8.5 SURVIVAL: All other provisions which, by their inherent character, sense, and context are intended to survive termination of this Agreement, shall survive the termination of this Agreement.

8.6 MODIFICATION: No modification or change to the Agreement shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

8.7 SUCCESSORS AND ASSIGNS: Subject to other provisions hereof, the Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the

SAMPLE

Agreement.

8.8 GOVERNING LAW: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue for any matter which is a subject of this Agreement shall be in the County of Escambia.

8.9 INTERPRETATION: For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If the Consultant discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, the Consultant shall immediately notify the County and request clarification of the County's interpretation of this Agreement.

(b) This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

8.10 SEVERABILITY: The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed and enforced as if this Agreement did not contain such invalid or unenforceable portion or provision.

8.11 FURTHER DOCUMENTS: The parties shall execute and deliver all documents and perform further actions that may be reasonably necessary to effectuate the provisions of this Agreement.

8.12 NO WAIVER: The failure of the Contractor or the County to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Agreement.

8.13 ENTIRE AGREEMENT: Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Agreement.

EXHIBIT A
GENERAL TERMS AND CONDITIONS

Section 1. INTENT OF CONTRACT DOCUMENTS

1.1. It is the intent of the Contract Documents to describe a functionally complete project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents, as being required to produce the intended result shall be supplied whether or not specifically called for. When words, which have a well-known technical or trade meaning, are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in affect at the time the Work is performed, except as may be otherwise specifically stated herein.

1.2. If, during the performance of the Work, Contractor discovers a conflict, error or discrepancy in the Contract Documents, Contractor immediately shall report same to County and before proceeding with the Work affected thereby shall obtain an interpretation or clarification from the County. Contractor shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to Contractor with the Contract Documents before commencing any portion of the Work.

1.3. Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts, or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications of other Contract Document provisions, Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Contractor, as determined by the County. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

1.4. "Engineer", where referenced on the drawings or in the specifications or in other related documents, shall mean the Escambia County Engineer or the designated representative thereof.

Section 2. INVESTIGATION AND UTILITIES

2.1. Contractor shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the Project area as a whole; topography and ground surface conditions; nature and quality of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Contractor to acquaint itself with any applicable

SAMPLE

conditions shall not relieve Contractor from any of its responsibilities to perform under the Contract Documents, nor shall it be considered the basis for any claim for additional time or compensation.

2.2. Contractor shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Section 2 as the "Utilities". Contractor shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Contractor shall schedule and coordinate its Work around any such relocation or temporary service interruption. Where Utilities block construction, Contractor shall aggressively pursue relocation by the Utility owners. Contractor shall immediately notify the County of any delays due to Utilities blockage and document all attempts to resolve such blockage. Contractor shall be responsible for properly shoring, supporting and protecting all Utilities at all times during the course of the Work.

Section 3. SCHEDULE

3.1. The Contractor, within ten (10) calendar days after receipt of the Notice of Award, shall prepare and submit to County, for review and approval, a progress schedule for the Project (herein "Progress Schedule"). The Progress Schedule shall relate to all Work required by the Contract Documents and shall provide for expeditious and practicable execution of the Work within the Contract Time. The Progress Schedule shall indicate the dates for starting and completing the various stages of the Work and shall include dates of Shop Drawing Submittals.

3.2. The Progress Schedule shall be updated monthly by the Contractor. All monthly updates to the Progress Schedule shall be subject to the County's review and approval. Contractor shall submit the updates to the Progress Schedule with its Applications for Payment noted below. The County's review and approval of the submitted Progress Schedule updates shall be a condition precedent to the County's obligation to pay Contractor.

Section 4. PROGRESS PAYMENTS

4.1. Prior to submitting its first Application for Payment, Contractor shall submit to County, for its review and approval, a schedule of values based upon the Contract Price, listing the major elements of the Work and the dollar value for each element. After its approval by the County, this schedule of values shall be used as the basis for the Contractor's Applications for Payment. This schedule shall be updated and submitted along with a completed and notarized copy of the Application for Payment form attached to the Agreement as **Exhibit E.**

4.2. Prior to submitting its first Monthly Application for Payment, Contractor shall submit to County a complete list of all its proposed subcontractors and material men, showing the work and materials involved. The first Application for Payment shall be submitted no earlier than thirty (30) days after Commencement Date.

4.3. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location agreed to by the County in writing, the Application for Payment will subdivide the work into component parts in sufficient detail to serve as the basis for a progress payment and shall also be accompanied by a bill of sale, invoice or other documentation warranting that upon payment by County, the County shall receive the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect County's interest therein, all

SAMPLE

of which shall be subject to the County's prior written approval.

4.4 Contractor shall submit one electronic copy of each of its Applications for Payment to the County on or about the 25th day of each month for work performed during that month. Contractor shall submit no more than one application for payment each month. Within ten (10) calendar days after receipt of each Application for Payment, the County shall either: (1) indicate approval of the requested payment; (2) indicate approval of only a portion of the requested payment, stating in writing the reasons therefore; or (3) return the Application for Payment to the Contractor indicating, in writing, the reason for refusing to approve payment. In the event of a total or partial denial of the Application for Payment by the County, the Contractor may make the necessary corrections and resubmit the Application for Payment for reconsideration within ten (10) calendar days of receiving notice of refusal.

If re-submittal of the Application for Payment is refused, in whole or in part, the Contractor may submit a written request to the County Administrator for an administrative decision within two (2) business days of receiving notice of refusal. Upon receiving a timely request, an administrative decision shall be rendered within ten (10) calendar days with written notification provided to the Contractor.

If the administrative decision is disputed, the Contractor may submit a written request to the County Administrator for an administrative hearing before the Dispute Resolution Committee (DRC) within two (2) business days of receiving said decision. A hearing shall be scheduled within ten (10) business days from the date the request is received, and the Contractor will receive written notice of the hearing date. The DRC may, within its discretion, render a final decision at the hearing or may elect to mail a written decision within a period not to exceed ten (10) calendar days from the hearing date. The DRC's written decision shall be considered administratively final.

The County shall, within twenty (20) business days after County approval of an Application for Payment, pay the Contractor the amounts so approved. Provided, however, in no event shall the County be obligated to pay an amount greater than that portion of the Application for Payment approved by the County.

4.5 Retainage.

a) If the Contract Amount is $200,000.00 or less, the following shall apply:
County shall retain ten percent (10%) of the gross amount of each monthly payment request or ten percent (10%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer.

b) If the Contract Amount is in excess of $200,000.00, the following shall apply:
County shall retain five percent (5%) of the gross amount of each monthly payment request or five percent (5%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer. This subsection shall not apply if the project is paid, in whole or in part, with federal funds and

SAMPLE

subject to federal grantor laws and regulations or requirements that are contrary to any provision of the Local Government Prompt Payment Act.

The County shall not pay or release any amounts that are the subject of a good faith dispute, claim, or demand.

4.6 Monthly payments to Contractor, including the release of any portion or percentage of sums retained prior to final completion of the Project, shall in no way imply approval or acceptance of Contractor's work.

4.7 Each Application for Payment shall be accompanied by Release and Affidavit, in the form attached as **Exhibit D**, showing that all materials, labor, equipment and other bills associated with that portion of the Work payment is being requested or have been paid in full. The County shall not be required to make payment until and unless these affidavits are furnished by Contractor.

4.8 Applications for Payment will not be approved unless all submittals required by the Contract documents, up to that point, are provided and "As-Built" record documents are maintained as required by Section 8.2.

4.9 All payments under this Agreement and interest on any late payments shall be governed by the Local Government Prompt Payment Act, §§ 218.70, et seq., Florida Statutes, as amended.

Section 5. PAYMENTS WITHHELD

The County may decline to approve any Application for Payment, or portions thereof, because of subsequently discovered evidence or subsequent inspections. The County may nullify the whole or any part of any approval for payment previously issued and County may withhold any payments otherwise due Contractor under this Agreement or any other agreement between County and Contractor, to such extent as may be necessary in the County's opinion to protect it from loss because of: (a) defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the Work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the Work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the Work by the Contractor; or (g) any other material breach of the Contract Documents. If these conditions are not remedied or removed, County may, after three (3) days written notice, rectify the same at Contractor's expense. County also may offset against any sums due Contractor the amount of any liquidated or unliquidated obligations of Contractor to County, whether relating to or arising out of this Agreement or any other agreement between Contractor and County.

Section 6. FINAL PAYMENT

6.1. County shall make final payment to Contractor within thirty (30) calendar days after the Work is finally inspected and accepted by County in accordance with Section 20.1 herein, provided that Contractor first, and as an explicit condition precedent to the accrual of Contractor's right to final payment, shall have furnished County with a properly executed and notarized copy of the Release and Affidavit attached as **Exhibit D**, as well as, a duly executed copy of the Surety's consent to final payment and such other documentation that may be required by the Contract Documents or the County.

6.2. Contractor's acceptance of final payment shall constitute a full waiver of any and all claims

SAMPLE

by Contractor against County arising out of this Agreement or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final Application for Payment. Neither the acceptance of the Work nor payment by County shall be deemed to be a waiver of County's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the County at the time of final inspection.

Section 7. SUBMITTALS AND SUBSTITUTIONS

7.1. Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. When submitted for the Engineer's review, Shop Drawings shall bear the Contractor's certification that the Contractor has reviewed, checked, and approved the Shop Drawings and that they are in conformance with the requirements of the Contract Documents. Contractor shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

7.2. Prior to submitting its first Application for Payment, Contractor shall provide to County a CD/DVD in digital format and/or photographs (as determined by the County Project Manager) showing the pre-existing conditions located within the limits of construction.

7.3. Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by County if sufficient information is submitted by Contractor to allow the County to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by County from anyone other than Contractor and all such requests must be submitted by Contractor to County within thirty (30) calendar days after Notice to Proceed is received by Contractor.

7.4. If Contractor wishes to furnish or use a substitute item of material or equipment, Contractor shall make application to the County for acceptance thereof, certifying that the proposed substitute shall perform adequately the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Contractor's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with County for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the County in evaluating the proposed substitute. The County may require Contractor to furnish at Contractor's expense additional data about the proposed substitute.

7.5. If a specific means, method, technique, sequence or procedure of construction is indicated

SAMPLE

in or required by the Contract Documents, Contractor may furnish or utilize a substitute means, method, sequence, technique or procedure of construction acceptable to the County, if Contractor submits sufficient information to allow the County to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by the County shall be the same as those provided herein for substitute materials and equipment.

7.6. The County shall be allowed a reasonable time within which to evaluate each proposed substitute. The County shall be the sole judge of acceptability, and no substitute will be ordered, installed or utilized without the County's prior written acceptance, which shall be evidenced by either a Change Order or an approved Shop Drawing. The County may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitute.

Section 8. DAILY REPORTS, AS-BUILTS, AND MEETINGS

8.1. Unless waived in writing by County, Contractor shall complete and submit, along with its Application for Payment, to the County on a monthly basis a daily log of the Contractor's work for the preceding month in a format approved by the County. The daily log shall document all activities of Contractor at the Project site including, but not limited to, the following:

a) Weather conditions showing the high and low temperatures during work hours, the amount of precipitation received on the Project site, and any other weather conditions which adversely affect the Work;
b) Soil conditions which adversely affect the Work;
c) The hours of operation by Contractor's personnel and subcontractor's personnel;
d) The number of Contractor's and subcontractor's personnel present and working at the Project site, by subcontract and trade;
e) All equipment on the Project site, description of equipment use, and designation of time equipment was used (specifically indicating any down time);
f) Description of Work being performed at the Project site;
g) Any unusual or special occurrences at the Project site;
h) Materials received at the Project site; and
i) A list of all visitors to the Project site.

The daily log shall not constitute nor take the place of any notice required to be given by Contractor to County pursuant to the Contract Documents.

8.2. Contractor shall maintain in a safe place at the Project site one record copy of the Contract Documents, as well as all shop drawings and other Contractor submittals and all written interpretations and clarifications issued by the County, in good order and annotated to show all changes made during construction. The annotated drawings shall be continuously updated by the Contractor throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Work Directive Changes and Field Orders, and all concealed and buried installations of piping, conduit and utility services. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the annotated drawings as to depth and in relationship to not less than two (2) permanent features (e.g. interior or exterior wall faces). The annotated drawings shall be clean and all changes, corrections and dimensions shall be given in a neat and legible manner in a contrasting color. The "As-Built" record documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to County for reference. Upon

SAMPLE

completion of the Work, and as a condition precedent to Contractor's entitlement to final payment, these "As-Built" record documents, samples and shop drawings shall be delivered to County by Contractor.

8.3. Contractor shall keep all records and supporting documentation which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed, whichever is later. County, or any duly authorized agents or representatives of County, shall have the right to audit, inspect and copy all such records and documentation as often as they deem necessary during the period of this Agreement and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 9. CONTRACT TIME AND TIME EXTENSIONS

9.1. Contractor shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and material men, as well as coordinating its Work with all work of others at the Project Site, so that its Work or the work of others shall not be delayed or impaired by any act or omission of Contractor. Contractor shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Contract Documents.

9.2. Should Contractor be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall notify the County in writing within forty-eight (48) hours after the commencement of such delay. Written supporting data with specific details of Contractor operations, which were delayed, shall be submitted to the County within fifteen (15) calendar days after the occurrence of the delay, unless the County grants additional time in writing for such submittals, or else the Contractor shall be deemed to have waived any right which Contractor may have had to request a time extension.

9.3. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damages For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

9.4. Requests for delays due to adverse weather conditions shall meet all of the following conditions:

a) Contractor notified the County in writing within forty-eight (48) hours of the delay;
b) The weather was unusual as documented by supporting data;
c) The weather had an adverse impact on the contractor’s schedule (critical path only); and
d) The Contractor and inspector’s daily logs corroborate the adverse impact. Where a conflict exists between the weather data and the daily reports, the daily reports will take precedence.

SAMPLE

Section 10. CHANGES IN THE WORK

10.1. County shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Contractor shall submit an itemized estimate of any cost and/or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of County, and County shall not be liable to the Contractor for any increased compensation without such written order. No officer, employee or agent of County is authorized to direct any extra or changed work orally.

10.2. A Construction Change Order, in the form attached as **Exhibit F** to this Agreement, shall be issued and executed promptly after an agreement is reached between Contractor and County concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as County and Contractor shall mutually agree.

10.3. If County and Contractor are unable to agree on a Change Order for the requested change, Contractor shall, nevertheless, promptly perform the change as directed by County in a written Work Directive Change. In that event, the Contract Amount and Contract Time shall be adjusted as directed by County. If Contractor disagrees with the County's adjustment determination, Contractor must make a claim pursuant to Section 11 of these General Conditions or else be deemed to have waived any claim on this matter it might otherwise have had.

10.4. In the event a requested change results in an increase to the Contract Amount, the amount of the increase shall be limited to the Contractor's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit. In the event such change Work is performed by a Subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all Subcontractors' and sub-subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the Contractor for all of its overhead and profit, for a total maximum markup of fifteen percent (15%). All compensation due Contractor and any Subcontractor or sub-subcontractor for field and home office overhead is included in the markups noted above.

10.5. County shall have the right to conduct an audit of Contractor's books and records to verify the accuracy of the Contractor's claim with respect to Contractor's costs associated with any Change Order.

10.6. The County shall have authority to order minor changes in the Work not involving an adjustment to the Contract Amount and not inconsistent with the intent of the Contract Documents. Such changes may be affected by Field Order or by other written order. Such changes shall be binding on the Contractor.

Section 11. CLAIMS AND DISPUTES

11.1. A Claim is a demand or assertion by one of the parties seeking an adjustment or interpretation of the terms of the Contract Documents, payment of money, extension of time or other relief with respect to the terms of the Contract Documents. The term "Claim" also includes other disputes and matters in question between County and Contractor arising out of or relating to the Contract Documents. The responsibility to substantiate a Claim shall rest with the party making the Claim.

SAMPLE

11.2. Claims by the Contractor shall be made in writing to the County within forty-eight (48) hours after the first day of the event giving rise to such Claim or else the Contractor shall be deemed to have waived the Claim. Written supporting data shall be submitted to the County within fifteen (15) calendar days after the occurrence of the event, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived the Claim. All claims shall be priced in accordance with the provisions of Subsection 10.4.

11.3. The Contractor shall proceed diligently with its performance as directed by the County, regardless of any pending Claim, action, suit or administrative proceeding, unless otherwise agreed to by the County in writing. County shall continue to make payments in accordance with the Contract Documents pending Claim.

Section 12. OTHER WORK

12.1. County may perform other work related to the Project at the site by County's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, notice thereof will be given to Contractor. If Contractor believes that such performance will involve additional expense to Contractor or require additional time, Contractor shall send written notice of that fact with specific details of anticipated costs and delays to County within forty-eight (48) hours of being notified of the other work. Written supporting data of actual need for additional time or additional expense, shall be submitted to the County within fifteen (15) calendar days after completion of other work, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived any right which Contractor may have had to request a time extension or adjustment to the Contract Amount.

12.2. Contractor shall afford each utility owner and other contractor (or County, if County is performing the additional work with County's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Contractor shall do all cutting, fitting and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating or otherwise altering their work and will only cut or alter their work with the written consent of the County and the others whose work will be affected.

12.3. If any part of Contractor's Work depends for proper execution or results upon the work of any other contractor or utility owner (or County), Contractor shall inspect and promptly report to County in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Contractor's failure to report will constitute an acceptance of the other work as fit and proper for integration with Contractor's Work.

Section 13. INDEMNIFICATION AND INSURANCE

13.1. Indemnification. Contractor shall pay on behalf of or indemnify and hold harmless County and its agents, officers and employees from and against all liabilities, damages, losses, and costs, including attorney's and paralegal fees, incurred by County to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by anyone for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. Contractor's obligation as provided herein shall be

DRAFT

limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor, and Contractor shall not be required to pay on behalf of or indemnify and hold harmless County where County's negligence, recklessness, or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's fees and paralegal fees.

County and Contractor agree one percent (1%) of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement.

Contractor agrees that such indemnification by Contractor relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any applicable statutes of limitations thereafter. Contractor's obligation to indemnify shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

13.2 Duty to Provide Legal Defense. Contractor shall pay for and provide a legal defense for the County, which shall include attorneys' fees and costs, both of which will be done only if and when requested by the County, for all liabilities, damages, losses, and costs as described in paragraph 13.1 above. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

13.3 Insurance.

Contractor shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in Exhibit C to the Agreement. All insurance policies shall be from responsible companies duly authorized to do business in the State of Florida and/or responsible risk retention group insurance companies, which are registered with the State of Florida. All commercial insurance carriers providing the Contractor with required insurance shall be a minimum financial size category of VII according to the AM Best Rating Guide, latest edition. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Within ten (10) calendar days after Notice of Award is received by Contractor and prior to the commencement of work, Contractor shall provide County with properly executed Certificates of Insurance to evidence Contractor's compliance with the insurance requirements of the Contract Documents. Said Certificates of Insurance shall be on forms approved by County, such as "Acord Form 25". The Certificates of Insurance shall be personally, manually signed by the authorized representatives of the insurance company/companies shown on the Certificates of Insurance, with proof that they are authorized representatives thereof. Certificates of Insurance shall be mailed to Escambia County in care of: Purchasing Manager, Purchasing Division, P.O. Box 1591, Pensacola, Florida 32597-1591. In addition, certified, true and exact copies of all insurance policies required hereunder shall be provided to County, on a timely basis, when requested by County.

The Certificates of Insurance and required insurance policies shall contain provisions that thirty (30) days' prior written notice by registered or certified mail shall be given County of any cancellation, intent not to renew, or reduction in the policies or coverages, except in the application of the aggregate limits provisions. In the event of a reduction in the aggregate limit of any policy,

Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

All insurance coverages of the Contractor shall be primary to any insurance or self-insurance program carried by the County applicable to this Project. The acceptance by County of any Certificate of Insurance does not constitute approval or agreement by the County that the insurance requirements have been satisfied or that the insurance policy shown on the Certificate of Insurance is in compliance with the requirements of the Contract Documents. No work shall commence at the Project site unless and until the required Certificates of Insurance are received by the County.

Contractor shall require each of its subcontractors to procure and maintain, until the completion of the subcontractor's work, insurance of the types and to the limits specified in Exhibit C, unless such insurance requirements for the subcontractor is expressly waived in writing by the County.

All liability insurance policies, other than professional liability, worker's compensation and employer's liability policies, obtained by Contractor to meet the requirements of the Contract Documents shall name Escambia County as an additional insured and shall contain Severability of Interest provisions. Escambia County shall also be designated as certificate holder with the address of P. O. Box 1591, Pensacola, Florida 32597-1591. If any insurance provided pursuant to the Contract Documents expires prior to the completion of the Work, renewal Certificates of Insurance and, if requested by County, certified, true copies of the renewal policies shall be furnished by Contractor within thirty (30) days prior to the date of expiration.

All liability policies shall be underwritten on the "occurrence" basis, unless otherwise approved in writing by the County Division of Risk Management. "Claims made" policies, if approved by the Risk Manager, and subsequent insurance certificates shall provide a "retro-date" which shall include the effective date of the contract. "Claims-made" renewals or carrier and policy replacements shall reflect the original "retro-date."

Should at any time the Contractor not maintain the insurance coverages required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverages and charge the Contractor for such coverages purchased. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverages shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

13.4 Contractor shall submit to County a copy of all accident reports arising out of any injuries to its employees or those of any firm or individual to whom it may have subcontracted a portion of the Work, or any personal injuries or property damages arising or alleged to have arisen on account of any work by Contractor under the Contract Documents.

Section 14. COMPLIANCE WITH LAWS

14.1 Contractor agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, regulations and requirements applicable to the Project, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety. If Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify County in writing. Compliance with the above laws shall include but is not limited to: (1) the Occupational Safety and Health Act, 29 C.F.R. 1910 and 1926, respectively, General

DRAFT

Industry Standards and Construction Industry Standards, including regulations regarding Trenching and Shoring; (2) the Florida Workers' Compensation Law, Chapter 440, Florida Statutes; (3) Rules 38F and 38I, Florida Administrative Code; and (4) Section 102, Standard Specifications for Road and Bridge Construction, Florida Department of Transportation.

14.2 Employment Eligibility Verification. In accordance with §448.095, Florida Statutes, Contractor shall register with and utilize the E-Verify System operated by the United States Department of Homeland Security to verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Contractor enters into a contract with a subcontractor performing work or providing services on its behalf, Contractor shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Section 15. CLEANUP AND PROTECTIONS

15.1 Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. At the completion of the Work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy by County. Non-compliance with directives of this section may serve as a basis of rejection of Application for Payment.

15.2 Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Contract Documents to be removed or altered, shall be protected by Contractor from damage during the prosecution of the Work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the Work.

Section 16. ASSIGNMENT

Contractor shall not assign this Agreement or any part thereof, without the prior consent in writing of County. If Contractor does, with approval, assign this Agreement or any part thereof, it shall require that its assignee be bound to it and to assume toward Contractor all of the obligations and responsibilities that Contractor has assumed toward County.

Section 17. PERMITS, LICENSES AND TAXES

17.1 Except as noted in paragraph 17.2 below, all permits and licenses necessary for the prosecution of the Work shall be procured and paid for by Contractor. All permits or fees, including but not limited to, all license fees, permit fees, impact fees or inspection fees payable by Contractor to County have been disclosed to Contractor in the bidding documents or other request for proposal at the time the Project was let for bid. If Contractor performs any Work without obtaining, or contrary to, such permits or licenses, Contractor shall bear all costs arising there from. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the Work.

SAMPLE

17.2 Permits required for the Work from FDOT, FDEP, the Army Corps of Engineers, Northwest Florida Water Management District and any archeological permitting agency will be paid for and obtained by the County.

17.3 Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work.

Section 18. TERMINATION FOR DEFAULT

18.1 Contractor shall be considered in material default of the Agreement and such default shall be considered cause for County to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the County or as provided for in the approved Progress Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) materially breaches any other provision of the Contract Documents.

18.2 County shall notify Contractor in writing of Contractor's default(s). If County determines that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice, then County, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's Work by whatever means, method or agency which County, in its sole discretion, may choose.

18.3 If County deems any of the foregoing remedies necessary, Contractor agrees that is shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by County incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, and this obligation for payment shall survive termination of the Agreement.

18.4 The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefore or re-letting the Work, in settlement, discharge or compromise of any claims,

SAMPLE

demands, suits, and judgments pertaining to or arising out of the Work hereunder.

18.5 If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that County is not entitled to the remedies against Contractor provided herein, then Contractor's remedies against County shall be the same as and limited to those afforded Contractor below under Subsection 19.1, Termination for Convenience.

18.6 If the Contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Contractor in conjunction with this Agreement then the County may, without prejudice to any right or remedy and after giving the Contractor and his surety, if any, seven (7) days written notice, during which period Contractor still fails to allow access, terminate the employment of the Contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the Contractor, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the Project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontract work).

Section 19. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION

19.1 County shall have the right to terminate this Agreement without cause upon seven (7) calendar days' written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against County shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

19.2 County shall have the right to suspend all or any portions of the Work upon giving Contractor two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

Section 20. COMPLETION

20.1 Upon receipt of written notice, the County will ascertain whether the work or designated portions thereof are ready for the Engineer's substantial completion inspection. From the Engineer's list of incomplete or unsatisfactory items, a schedule for the County's review will be prepared for their completion indicating such completion dates. The County will issue a Certificate of Substantial Completion when the work on the punch list has been accomplished.

20.2 Upon receipt of written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the County shall promptly make such inspection and, if it finds the work acceptable and fully performed under the Contract Documents, shall promptly issue a Certificate of Final Completion and Recommendation for Payment, stating

SAMPLE

that, on the basis of observations and inspections, the Work has been completed in accordance with the terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor is due and payable. The final payment shall not become due and payable until Contractor submits: (1) the Release and Affidavit in the form attached as **Exhibit D**, (2) consent of surety to final payment, (3) if required by County, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by County, and (4) a published copy of the Notice of Completion as provided for in this section. County reserves the right to inspect the Work and make an independent determination as to the Work's acceptability. Unless and until the County is completely satisfied, the final payment shall not become due and payable.

20.3 After the Work is ready for final inspection and acceptance by the County, a legal advertisement must be published by the Contractor in a local newspaper of a general countywide circulation at least thirty (30) days before final payment shall be made. Example of such publication is as follows:

Legal Notice of Completion

Notice is hereby given that the undersigned Contractor has completed and has ready for acceptance by the Board of County Commissioners of Escambia County, Florida, the following construction project:

_____
(Project Name and Address)

_____
(Legal Name and Address - entity of the Contractor)

Subcontractors, material men, and other persons having payment claims against the Contractor relating to this project should govern themselves accordingly.

Section 21. WARRANTY

Contractor shall obtain and assign to County all express warranties given to Contractor or any subcontractors by any material men supplying materials, equipment or fixtures to be incorporated into the Project. Contractor warrants to County that any materials and equipment furnished under the Contract Documents shall be new unless otherwise specified, and that all Work shall be of good quality, free from all defects and in conformance with the Contract Documents. Contractor further warrants to County that all materials and equipment furnished under the Contract Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Contract Documents. If, within two (2) years after substantial completion and acceptance, any Work is found to be defective or not in conformance with the Contract Documents, Contractor shall correct it promptly after receipt of written notice from County. Contractor shall also be responsible for and pay for replacement or repair of adjacent materials or Work, which may be damaged as a result of such replacement or repair. These warranties are in addition to those implied warranties to which County is entitled as a matter of law. The Performance Bond, if required, shall remain in full force and effect throughout the Warranty Period.

SAMPLE

Section 22. PROJECT LAYOUT AND CONTROL

22.1 Engineer will provide survey control, referencing beginning and ending stations, P.C.'s, P.T.'s and intermediate stations at 500 foot intervals. Staking is to be set along control line (base line or centerline of right-of-way, as indicated on plans) or at an offset determined by the Engineer. Benchmarks will be provided at intervals no greater than 1000 feet. The Engineer at the Contractor's expense shall replace any of these points, which are disturbed or destroyed by the Contractor.

22.2 Contractor shall employ a competent Engineer or Land Surveyor licensed in the State of Florida familiar with construction control procedures to lay out all other parts of the work, and to establish all points, grades, and levels necessary to locate the work. The Contractor shall be held responsible for all mistakes that may be caused by any incorrect layout and grade spotting work or caused by the loss or disturbance of the Engineer's layout work.

22.3 Should the Contractor in the course of the work find that the points, grades, and levels which are shown upon the Drawings do not conform to the physical conditions of the locality at the proposed work or structure, Contractor shall immediately inform the Engineer of the discrepancy between the actual physical conditions of the locality of the proposed work, and the points, grades, and levels which are shown on the Drawings. No claim shall be made by the Contractor against the County/Owner for compensation or damage for failure of the Engineer to accurately represent upon said Drawings, points, grades, and levels conforming to the actual physical conditions of the locality of the proposed work.

Section 23. TESTS AND INSPECTIONS

23.1 County, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide County with timely notice of readiness of the Work for all required inspections, tests or approvals.

23.2 If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Contractor shall assume full responsibility therefore, pay all costs in connection therewith and furnish County the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the County.

23.3 If any Work that is to be inspected, tested or approved is covered without written concurrence from the County, such work must, if requested by County, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given County timely notice of Contractor's intention to cover the same and County has not acted with reasonable promptness to respond to such notice. If any Work is covered contrary to written directions from County, such Work must, if requested by County, be uncovered for County's observation and be replaced at Contractor's sole expense.

23.4 Neither observations by the County nor inspections, tests or approvals by others shall relieve Contractor from Contractor's obligations to perform the Work in accordance with the Contract Documents.

SAMPLE

23.5 Prior to payment for any Work for which testing is specified, Contractor shall provide the County a copy of reasonably acceptable test results relating to such work as required by the technical specifications of the solicitation.

Section 24. DEFECTIVE WORK

24.1 Work not conforming to the requirements of the Contract Documents shall be deemed defective Work. If required by County, Contractor shall, as directed, either correct all defective Work, whether or not fabricated, installed or completed, or, if the defective Work has been rejected by County, remove it from the site and replace it with acceptable Work. Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold County harmless for same.

24.2 If the County considers it necessary or advisable that covered Work be observed by County or inspected or tested by others, Contractor, at County's request, shall uncover, expose or otherwise make available for observation, inspection or tests as County may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and County shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

24.3 If any portion of the Work is defective, or Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the Work in such a way that the completed Work will conform to the Contract Documents, County may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, this right of County to stop the Work shall not give rise to any duty on the part of County to exercise this right for the benefit of Contractor or any other party.

24.4 Should the County determine, at its sole opinion, it is in the County's best interest to accept defective Work, the County may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the County's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents and reflecting an appropriate decrease in the Contract Amount. If the County accepts such defective Work after final payment, Contractor at the discretion of the County shall promptly pay County an appropriate amount to adequately compensate County for its acceptance of the defective Work or shall increase in the Work's warranty period beyond two (2) years.

24.5 If Contractor fails, within a reasonable time after the written notice from County, to correct defective Work or to remove and replace rejected defective Work as required by County, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any of the provisions of the Contract Documents, County may, after seven (7) days' written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, County may exclude Contractor from any or all of the Project site, take possession of all or any part of the Work, and suspend Contractor's

SAMPLE

services related thereto, take possessions of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which County has paid Contractor but which are stored elsewhere. Contractor shall allow County, and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable County to exercise the rights and remedies under this Subsection. All direct, indirect and consequential costs of County in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or others destroyed or damaged by correction, removal or replacement of Contractor's defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by County of County's rights and remedies hereunder.

Section 25. SUPERVISION AND SUPERINTENDENTS

Contractor shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Contractor shall be responsible to see that the finished Work complies accurately with the Contract Documents. Contractor shall keep on the Work at all times during its progress a competent resident superintendent acceptable to the County, who shall not be replaced without prior written notice to County except under extraordinary circumstances. The resident superintendent shall possess Florida Department of Transportation approved training and certifications applicable to the Work, including but not limited to National Pollutant Discharge Elimination System (NPDES) Stormwater Management and Maintenance of Traffic Control Devices. The superintendent shall be Contractor's representative at the Project site and shall have authority to act on behalf of Contractor. All communications given to the superintendent shall be as binding as if given to the Contractor. County shall have the right to direct Contractor to remove and replace its Project superintendent, with or without cause.

Section 26. PROTECTION OF WORK

26.1 Contractor shall fully protect the Work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made. If Contractor, or any one for whom Contractor is legally liable, is responsible for any loss or damage to the Work, or other work or materials of County or County's separate contractors, Contractor shall be charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due Contractor.

26.2 Contractor shall not load or permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent property to stresses or pressures that will endanger it.

Section 27. EMERGENCIES

In the event of an emergency affecting the safety or protection of persons or the Work or property at the Project site or adjacent thereto, Contractor, without special instruction or authorization from County is obligated to act to prevent threatened damage, injury or loss. Contractor shall give

SAMPLE

County written notice within forty-eight (48) hours after the occurrence of the emergency, if Contractor believes that any significant changes in the Work or variations from the Contract Document have been caused thereby. If the County determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Contractor fails to provide the forty-eight (48) hour written notice noted above, the Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Contract Amount or an extension to the Contract Time.

Section 28. USE OF PREMISES

28.1 Contractor shall confine all construction equipment, the storage of materials and equipment and the operations of workers to the Project site and land and areas identified in and permitted by the Contract Documents and other lands and areas permitted by law, rights of way, permits and easements, and shall not unreasonably encumber the Project site with construction equipment or other material or equipment. Contractor shall assume full responsibility for any damage to any such land or area, or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the Work.

28.2 Contractor shall provide and maintain in a neat, sanitary condition such accommodation for the use of his employees as may be necessary to comply with the regulations of the State Board of Health or other bodies having jurisdiction. Contractor shall commit no public nuisance.

Section 29. SAFETY

29.1 Contractor shall designate in writing the individual responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to:

a) All employees performing the Work and other persons and/or organizations who may be affected thereby;
b) All Work and materials and equipment to be incorporated therein, whether in storage on or off the Project site; and
c) Other property on the Project site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, utilities and any underground structures or improvements not designated for removal, relocation or replacement in the Contract Documents.

29.2 Contractor shall comply with all applicable codes, laws, ordinances, rules and regulations of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury or loss. Contractor shall erect and maintain all necessary safeguards for such safety and protection. Contractor shall notify owners of adjacent property and of underground structures and improvements and utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation or replacement of their property. Contractor's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by County has occurred.

29.3 Contractor shall adhere at all times to the minimum safety guidelines for construction and renovation projects as set out in **Exhibit C** of this Agreement.

SAMPLE

Section 30. PROJECT MEETINGS

Prior to the commencement of Work, Contractor shall attend a pre-construction conference with the County to discuss the Progress Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the prosecution of the Work, Contractor shall attend any and all meetings convened by the County with respect to the Project, when directed to do so by County. Contractor shall have its subcontractors and suppliers attend all such meetings (including the pre-construction conference) as may be directed by the County.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18864 **County Administrator's Report 10. 13.**
BCC Regular Meeting **Technical/Public Service Consent**
Meeting Date: 11/05/2020
Issue: Noise Waiver for the Soundside Merchants Lighted Boat Parade Fireworks Display 2020
From: Tim Tolbert, Building Official/Department Director
Organization: Building Services
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Limited Waiver of the Escambia County Noise Abatement Ordinance for the Soundside Merchants 2020 Lighted Boat Parade - Tim Tolbert, Building Official/Director

That the Board approve the following "Special Event Permit Application" for a limited waiver of the noise restrictions imposed by the Escambia County Noise Abatement Ordinance regarding Pensacola Beach, allowing the number of sound decibels to exceed 70 dbA (sound level measured by taking four sound readings over a continuous 15 minute period, with the four readings taken at approximately equal intervals at or within the property boundary of the receiving land use) for the Soundside Merchants 2020 Lighted Boat Parade Fireworks Display, to be launched from a barge off Quietwater Beach on December 5, 2020, from 8:00 p.m., to 8:30 p.m.

BACKGROUND:

Escambia County Noise Abatement Ordinance Number 2001-8 (Escambia County Code of Ordinances, Chapter 42, Article III, Noise) was adopted by the Board of County Commissioners (BCC) on March 1, 2001, for the purpose of protecting, preserving and promoting the health, safety, welfare, peace and quiet of the citizens of Escambia County through the reduction, control and prevention of loud and raucous noise or any noise which unreasonably disturbs , injures or endangers the comfort, repose, health peace or safety of reasonable persons of ordinary sensitivity. Subsequently, on August 31, 2001, the BCC adopted Escambia County Code of Ordinance Number 2001-36 to amend Escambia County Ordinance 2001-8 in order to provide a means of exemption to the Noise Abatement Ordinance to allow a fair and just application of the Ordinance and grant limited waivers of the

restrictions imposed by the Noise Abatement Ordinance to allow special outdoor events to take place in the community while still protecting the health, safety and welfare of the citizens of Escambia County; and promoting an environment free from sound and noise disruptive of peace and good order. On July 23, 2013, the BCC adopted Escambia County Ordinance Number 2013-31, stating that the County has authority to regulate within its jurisdiction unreasonably loud noise based on decibel readings beyond certain limits and providing two different noise regulation standards within Escambia County is consistent with the Equal Protection Clause so long as the division created is rationally related to a legitimate gevernmental objective. On January 16, 2014, the BCC adopted Escambia County Ordinance Number 2014-5, defining the core area of Santa Rosa Island and providing two different noise regulation standards for the areas of Santa Rosa Island and Perdido Key that are primarily commercial businesses and the areas that are almost exclusively residential to better ensure the health, safety, welfare, tranquility, and peace of the public.

BUDGETARY IMPACT:

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Escambia County Code of Ordinances Chapter 42, Article III. Noise. Section 42-66. Exemptions. (g) provides that the County Administrator shall provide the permit application as well as any other available information to the Board of County Commissioners for consideration as a meeting of the Board of County Commissioners. The Board of County Commissioners may impose any other conditions on the permit as it deems necessary to reduce the disturbance to surrounding or neighboring properties.

IMPLEMENTATION/COORDINATION:

The Building Services Department will issue a Special Event/Noise Waiver permit for the exemption approved in this Recommendation. Upon BCC approval, the Escambia County Sheriff's Office will be notified of the issuance of the waiver.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18845 **County Administrator's Report 10. 1.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 11/05/2020
Issue: Residential Rehab Grant Program Funding and Lien Agreements
From: CLARA LONG, Department Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Residential Rehab Grant Program Funding and Lien Agreements - Clara Long, Neighborhood & Human Services Department Director

That the Board ratify the following November 5, 2020, action of the Board of County Commissioners of Escambia County, acting in its capacity as the Escambia County Community Redevelopment Agency (CRA), concerning the Residential Rehab Grant Program Funding and Lien Agreements:

A. Approving the Residential Rehab Grant Program Funding and Lien Agreements between Escambia County CRA and Property Owner:

Property Owner	Address	Fund	Cost Center	Improvement	Amount	Homestead
Tracey L. and Kimberly T. King	311 Southeast Baublits Drive	151	Warrington-370114	Roof Replacement	$6,000	YES
Katherine K. and Jimmie D. Langham	6533 White Oak Drive	151	Oakfield-370121	Window Replacement	$6,000	YES

B. Authorizing the Chairman to sign the Funding and Lien Agreements and any related documents necessary to implement the Grant awards.

BACKGROUND:

The intent of the matching Grant program is to promote private investment which will upgrade the appearance, property values, and economic activity for residential properties within the designated CRA areas. A rendering of each project is provided.

On November 5, 2020, at 9:00 a.m., a CRA meeting was convened to consider approval of the various agenda items.

BUDGETARY IMPACT:

Funding for the Grants will be provided as follows:

Property Owner	Address	Fund	Cost Center	Improvement	Amount	Homestead
Tracey L. and Kimberly T. King	311 Southeast Baublits Drive	151	Warrington-370114	Roof Replacement	$6,000	YES
Katherine K. and Jimmie D. Langham	6533 White Oak Drive	151	Oakfield-370121	Window Replacement	$6,000	YES

LEGAL CONSIDERATIONS/SIGN-OFF:

The Funding and Lien Agreements were reviewed and approved as to form and legal sufficiency by the County Attorney's Office.

PERSONNEL:

Neighborhood & Human Services/Community Redevelopment Agency (NHS/CRA) staff will handle these Grant awards.

POLICY/REQUIREMENT FOR BOARD ACTION:

Board approval is required for disbursement of funds to all private individuals or outside agencies.

IMPLEMENTATION/COORDINATION:

NHS/CRA staff, in coordination with the property owner, handles all implementation tasks. NHS/CRA staff will monitor the work in progress and will be responsible for compiling the necessary documentation prior to the Grant award.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this 5th day of November 2020, by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and Tracey L. and Kimberly T. King, (the "Recipient(s)"), owner of residential property located at 311 Southeast Baublits Drive, Pensacola, Florida, 32507.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient has applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the total amount of $6,000, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of $6,000, which shall be comprised of a cash contribution of $6,000.

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the 5th day of November 2020, and the Project shall be complete on or before the 5th day of February 2021, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

County:
Max Rogers, AICP
Development Program Manager
Neighborhood and Human Services Dept.
Community Redevelopment Agency
221 Palafox Place, Ste. 305
Pensacola, Florida 32502

Recipient(s):
Tracey L. and Kimberly T. King
311 Southeast Baublits Drive
Pensacola, FL 32507

All notices shall be sent by certified mail, return receipt requested.

18. No Discrimination: The Recipient shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

19. Entire Agreement: This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

20. No Waiver: This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

21. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

22. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

23. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

24. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

25. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

Lien Agreement

Applicant Name(s)	Address of Property	Property Reference No.
Tracey L. King and Kimberly T. King Husband and Wife	**311 Southeast Baublits Drive Pensacola, FL 32507**	**50-2S-30-6090-484-023**

Total Amount of Lien **$6,000**

I, the undersigned owner of the residential property referenced above, agree that the improved residential property will continue to be used for residential purposes for a period of not less than two (2) years from the date this lien agreement is recorded in the public records. I will not sell or transfer ownership or possession of the property to any other person, persons, corporation or other legal entity during this two (2) year period without the express written permission of the CRA. Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

The lien shall be due and payable in total for a period of two (2) years from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Residential Rehab Grant Program,** and two (2) years subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the two (2) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL REHAB GRANT PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **5th** day of **November 2020,** by and between the ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Katherine K. and Jimmie D. Langham** (the "Recipient"), owner of residential property located at **6533 White Oak Drive,** Pensacola, Florida, **32503**.

WITNESSETH:

WHEREAS, the CRA has established the **Residential Rehab Grant Program** (the "Program") to provide grants to qualified property owners for projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient has applied for a grant to fund the project described in **EXHIBIT I** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program grant to be provided to the Recipient.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. Recitals: The above recitals are incorporated into this Agreement.

2. **Residential Rehab Grant Program:** The CRA awards to the Recipient a matching Grant in the maximum amount of **$6,000**, which, together with any matching funds provided by the Recipient, shall be expended solely for the construction and completion of the Project described in **EXHIBIT I**, which is hereby fully incorporated into this agreement.

3. In-Kind Match: The Recipient shall provide matching funds in the total amount of **$6,000** which shall be comprised of a cash contribution of **$6,000**.

4. Project: The Project funded by the grant is defined in **EXHIBIT I.** The Recipient shall supervise the work performed and ensure proper maintenance of the Project. The CRA will not be responsible in any manner for the selection of a contractor. Work on the Project shall not commence until the Recipient receives written notification from the CRA that the Project may proceed.

5. Term: The work to be performed for the Project shall commence after the **5th** day of **November 2020**, and the Project shall be complete on or before the **5th** day of **February 2021**, (the "Termination Date"). In the event that the Project will not be completed by the Termination Date, the Recipient shall submit a written request for an extension to the CRA at least (30) days prior to the Termination Date. The CRA, in its sole discretion, may grant the extension. However, the CRA's agreement to grant an extension shall not constitute a waiver of any of the other terms or provisions of this Agreement.

6. Applicable Laws: The Recipient must comply with all applicable federal, state, and local laws, and shall, at his expense, secure and pay for all permits and be responsible for all other fees or charges associated with the performance of the Project or any other activities under this Agreement.

7. Indemnification: The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

8. Termination: The CRA shall have the right to terminate this Agreement for convenience or in the event of a breach of any of its terms and provisions. A breach shall include, but not be limited to, failure to meet the match requirements described in paragraph 3; failure to begin work and progress along the schedule in the time and manner specified in paragraph 5; failure to obtain approval of any Project modifications; or failure to obtain Project time extensions. If a Project is terminated, and the Project is located on public property or right-of-way, the CRA reserves the right to remove or require the Recipient to remove any or all portions of the Project or claim as its own and use it deems fit, any improvements or materials remaining on the Project site.

9. Notice of Termination: Upon the CRA's determination that the Recipient has breached any term or provision of the Agreement, the CRA shall provide the Recipient with written notice of the breach and the required corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the written notice.

10. Subsequent to Termination: The CRA shall provide the Recipient a certified letter confirming termination of the Agreement. Within thirty (30) days of receipt of the termination letter, the Recipient shall submit a cashier's check to the County for the total amount of grant funds disbursed under this Agreement.

11. Property Owner(s) as Independent Contractor: The parties agree that the Recipient is an independent contractor and is not employee or agent of the CRA.

12. Inspector: The Escambia County CRA, or other County officials as may be duly authorized by the CRA, reserves the right to place inspectors at the work site in order to ensure proper expenditure of the grant funds provided under this Agreement. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

13. Payment Process: At Project completion, the CRA will reimburse the Recipient for pre-approved eligible Project costs that are incurred during the course of the Project. The Recipient accepts sole responsibility for ensuring that all Project expenses are reviewed and approved by the CRA prior to Recipient authorizing delivery of the goods, services, or equipment. The Recipient shall provide the CRA with a minimum of three written price quotes for each item to be purchased. The CRA shall not be obligated to disburse Grant funds for any unauthorized goods, services, or equipment, and the liability for payment in such instances shall be the responsibility of the Recipient. The CRA shall not be obligated to disburse Grant funds until the Recipient submits vendor invoices, copy of signed permit, proof of payment, and other documentation as may be required by the CRA. Final determination regarding the acceptability of supporting documentation shall rest with the Clerk of the Circuit Court/Finance Division. The Recipient shall provide the CRA with the names and signatures of all persons designated by Recipient to purchase goods, services, and equipment for the Project and the CRA shall not be obligated to disburse Grant funds to persons not previously designated by the Recipient.

14. Maintenance of Records: The Recipient shall maintain written records and accounts

documenting all expenditures related to the Project. The Recipient shall maintain all documents for a minimum period of three (3) years from the date of final completion of the Project, or until final resolution of matters involving any questioned costs, audit concerns, or related matters. The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event that the Recipient fails to abide by the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement. In such case, the Recipient shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

15. Audit: The County or the Clerk of the Circuit Court/Finance Division may audit or review any and all records or documents pertaining to this Agreement at any time.

16. Amendments: Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

17. Notice: Any notices to the County shall be mailed to:

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18846 **County Administrator's Report 10. 2.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 11/05/2020
Issue: Cancellation of Residential Rehab Grant Program Liens
From: CLARA LONG, Department Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Cancellation of Residential Rehab Grant Program Liens - Clara Long, Neighborhood & Human Services Department Director

That the Board ratify the following November 5, 2020, action of the Board of County Commissioners of Escambia County, acting in its capacity as the Escambia County Community Redevelopment Agency (CRA), concerning the cancellation of the Residential Rehab Grant Program Liens:

A. Approving the following cancellations of 17 Residential Rehab Grant Program Liens, as the Grant recipients have met their one-year of compliance with the Residential Rehab Grant Program:

Property Owners	Address	Amount
James M. Barnes and Constance R. Barnes	6534 White Oak Dr.	$5,095
Fred and Phyllis Diane Campbell	202 Saint Cedd Ave.	$4,060
Belinda E. Dansby	428 Norris Ave.	$3,675
Vincent Distefano, Jr.	221 Carolyn Way	$3,350
Virgie M. Dortch	4120 Erress Blvd.	$3,960
Mark Furay	3800-B Ward Blvd.	$2,662
Glenda A. Gainey	8768 Hollingsworth Ave.	$5,020
Larry J. and Jaqueline D. Gibbs	1357 Mazurek Blvd.	$5,860
Barbara L. Larkin	2324 Grundy St.	$3,157
Gwendolyn D. Pellet	6215 Vicksburg Dr.	$4,455
David E. Rivers	1317 Dexter Ave.	$6,000
Markus Saage and Juelee E. Riesau	129 Brandon Ave.	$4,495

Richard A. and Karen G. Schrock	8601 Chisholm Rd.	$6,000
Karen Summerville	600 Pelham Rd.	$3,028
Cynthia R. Thornton	9345 Chisholm Rd., N3	$1,183
Joseph and Phyllis M. Tranchina	8457 Meliaceae Dr.	$6,000
Justin T. Williams	6537 White Oak Dr.	$6,000

B. Authorizing the Chairman to execute the Cancellation of Lien documents.

BACKGROUND:

The aforementioned property owners have satisfied their one-year compliance with the Residential Rehab Grant Program.

BUDGETARY IMPACT:

Property Owners	Address	Amount
James M. Barnes and Constance R. Barnes	6534 White Oak Dr.	$5,095
Fred and Phyllis Diane Campbell	202 Saint Cedd Ave.	$4,060
Belinda E. Dansby	428 Norris Ave.	$3,675
Vincent Distefano, Jr.	221 Carolyn Way	$3,350
Virgie M. Dortch	4120 Erress Blvd.	$3,960
Mark Furay	3800-B Ward Blvd.	$2,662
Glenda A. Gainey	8768 Hollingsworth Ave.	$5,020
Larry J. and Jaqueline D. Gibbs	1357 Mazurek Blvd.	$5,860
Barbara L. Larkin	2324 Grundy St.	$3,157
Gwendolyn D. Pellet	6215 Vicksburg Dr.	$4,455
David E. Rivers	1317 Dexter Ave.	$6,000
Markus Saage and Juelee E. Riesau	129 Brandon Ave.	$4,495
Richard A. and Karen G. Schrock	8601 Chisholm Rd.	$6,000
Karen Summerville	600 Pelham Rd.	$3,028
Cynthia R. Thornton	9345 Chisholm Rd., N3	$1,183
Joseph and Phyllis M. Tranchina	8457 Meliaceae Dr.	$6,000
Justin T. Williams	6537 White Oak Dr.	$6,000

LEGAL CONSIDERATIONS/SIGN-OFF:

Kristin Hual, Senior Assistant County Attorney, has reviewed and approved the Cancellation of Lien documents as to form and legal sufficiency.

PERSONNEL:

Neighborhood & Human Services/Community Redevelopment Agency (NHS/CRA) staff coordinates the Residential Rehab Grant Program and all associated administrative functions.

POLICY/REQUIREMENT FOR BOARD ACTION:

Current practice requires Board approval for Residential Rehab Grant Program lien cancellation.

IMPLEMENTATION/COORDINATION:

Upon obtaining the Chairman's signature, the Clerk of Court will record the Cancellation of Lien documents for the owners.

I, the undersigned owner of the residential property referenced above, agree that the improved residential property will continue to be used for residential purposes for a period of not less than one (1) year from the date this lien agreement is recorded in the public records. I will not sell or transfer ownership or possession of the property to any other person, persons, corporation or other legal entity during this one (1) year period without the express written permission of the CRA. Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

The lien shall be due and payable in total for a period of one (1) year from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Residential Rehab Grant Program,** and one (1) year subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the one (1) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

Verified By: [signature] Date: 9/9/19

Total Amount of Lien **$2,662**

I, the undersigned owner of the residential property referenced above, agree that the improved residential property will continue to be used for residential purposes for a period of not less than one (1) year from the date this lien agreement is recorded in the public records. I will not sell or transfer ownership or possession of the property to any other person, persons, corporation or other legal entity during this one (1) year period without the express written permission of the CRA. Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

The lien shall be due and payable in total for a period of one (1) year from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Residential Rehab Grant Program,** and one (1) year subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the one (1) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

Total Amount of Lien **$4,495**

Verified By [signature] Date: 8/15/19

I, the undersigned owner of the residential property referenced above, agree that the improved residential property will continue to be used for residential purposes for a period of not less than one (1) year from the date this lien agreement is recorded in the public records. I will not sell or transfer ownership or possession of the property to any other person, persons, corporation or other legal entity during this one (1) year period without the express written permission of the CRA. Such permission shall not be unreasonably withheld nor is this lien agreement intended to otherwise unreasonably prevent the alienation of the property.

The lien shall be due and payable in total for a period of one (1) year from the date this lien agreement is recorded in the public records. Upon documentation of compliance with the provisions of this lien agreement and the Escambia County **Residential Rehab Grant Program,** and one (1) year subsequent to the recording of the lien agreement in the public records, this lien shall depreciate to zero (0), and repayment shall be forgiven. I understand that this lien will not be subordinated without the prior approval of the CRA, and subordination shall be considered for approval only to enable the owner to secure financing required to complete further improvements to the subject property.

If the property is sold or if ownership or possession is otherwise transferred without the express written permission of the CRA to another party or parties or the funding agreement executed concurrently with this lien agreement is terminated prior to expiration of the one (1) year period referenced above, I agree that I or my heir(s) or assigns shall repay the total amount of grant funds disbursed by the CRA, up to and including the amount recited above.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18847 **County Administrator's Report 10. 3.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 11/05/2020
Issue: Residential Roof Program Funding and Lien Agreements
From: CLARA LONG, Department Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Residential Roof Program Funding and Lien Agreements - Clara Long, Neighborhood & Human Services Department Director

That the Board ratify the following November 5, 2020, action of the Board of County Commissioners of Escambia County, acting in its capacity as the Escambia County Community Redevelopment Agency (CRA), concerning the Residential Roof Program Funding and Lien Agreements:

A. Approving the Residential Roof Program Funding and Lien Agreements between Escambia County CRA and Property Owners:

Property Owner	Address	Fund	Cost Center	Improvement	Amount
Leva M. Cook	6490 Bull Run Court	151	Oakfield CRA-370121	Roof Replacement	$11,900
Ida L. Dubose	186 Overlook Drive	151	Oakfield CRA-370121	Roof Replacement	$7,795.32
Diane Melton	2500 West Godfrey Street	151	Brownsville CRA- 370113	Roof Replacement	$8,977
Evelyn Pate and Samuel Pate	1136 Medford Avenue	151	Palafox CRA-370115	Roof Replacement	$11,483

B. Authorizing the Chairman to sign the Funding and Lien Agreements and any related documents necessary to implement the Grant awards.

BACKGROUND:

The intent of the Roof Grant program is to provide improvements to low-income residents with replacement of damaged roofs which in term will upgrade the appearance, property values, and economic activity for residential properties within the designated Palafox and Englewood CRA areas. The Scope of Work included but not limited to removal of all existing shingles, rotten wood, underlayment and drip-edge to expose decking, and inspect vent boots. Repair degraded and damaged decking, replace underlayment, new drip edge and install architectural shingles. Additional improvements may or may not include replacing soffits, fascias, rafters, and vents. A rendering of each project is provided.

On November 5, 2020, at 9:00 a.m., a CRA meeting was convened to consider approval of the various agenda items.

BUDGETARY IMPACT:

Funding for the Grants will be provided as follows:

Property Owner	Address	Fund	Cost Center	Improvement	Amount
Leva M. Cook	6490 Bull Run Court	151	Oakfield CRA-370121	Roof Replacement	$11,900
Ida L. Dubose	186 Overlook Drive	151	Oakfield CRA-370121	Roof Replacement	$7,795.32
Diane Melton	2500 West Godfrey Street	151	Brownsville CRA- 370113	Roof Replacement	$8,977
Evelyn Pate and Samuel Pate	1136 Medford Avenue	151	Palafox CRA-370115	Roof Replacement	$11,483

LEGAL CONSIDERATIONS/SIGN-OFF:

The Funding and Lien Agreements were reviewed and approved as to form and legal sufficiency by the County Attorney's Office.

PERSONNEL:

Neighborhood & Human Services/Community Redevelopment Agency (NHS/CRA) staff will handle these Grant awards.

POLICY/REQUIREMENT FOR BOARD ACTION:

Board approval is required for disbursement of funds to all private individuals or outside agencies.

IMPLEMENTATION/COORDINATION:

NHS/CRA staff, in coordination with the property owner, handles all implementation tasks. NHS/CRA staff will monitor the work in progress and will be responsible for compiling the necessary documentation prior to the Grant award.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL ROOF PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **5th** day of **November,** by and between the ESCAMBIA COUNTY BOARD OF COUNTY COMMISSIONERS, acting in its capacity as the Escambia County Community Redevelopment Agency, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Leva M. Cook,** (the "Recipient"), owner of residential property located at **6490 Bull Run Court,** Pensacola, Florida, **32503.**

WITNESSETH:

WHEREAS, the CRA has established the **Residential Roof Funding Program** (the "Program") to provide funding to qualified property owners for roofing projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient has applied for funding of the roofing project described in **EXHIBIT 1** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program funding to be provided for the benefit of the Recipient;

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. **Recitals.** The above recitals are true and correct and incorporated by reference in this Agreement.

2. **Residential Roof Program.** The CRA will pay a total amount of **$11,900** on behalf of the Recipient to the roofing contractor selected to complete the Project described in **EXHIBIT 1**. In consideration for the funds provided by the CRA, the Recipient shall execute the Lien Agreement attached to this Agreement as **EXHIBIT 2**.

3. **Project.** The Project funded by this Agreement is defined in **EXHIBIT 1.**

4. **Term.** This Agreement will terminate after five years from the date that the Lien Agreement is recorded in the public records.

5. **Indemnification.** The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

6. **Termination.** The CRA may terminate this Agreement if Recipient breaches any of its terms and provisions. A breach shall include, but not be limited to, the Recipient's failure to reside on the property as their principal residence for five years following the date that the Lien Agreement is recorded in the public records, or conveyance of any interest in

the Property, including but not limited to sale, lease, or mortgage, within five years after the date that the Lien Agreement is recorded in the public records.

7. **Notice of Termination.** The CRA will provide the Recipient with written notice of a breach and any corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the notice.

8. **Subsequent to Termination.** The CRA will provide the Recipient a written notice confirming termination of the Agreement. Within thirty (30) days of receipt of the termination notice, the Recipient shall submit a cashier's check to the CRA for the total amount of the funds disbursed under this Agreement.

9. **Inspector.** The CRA may place an inspector on the property during the Project to ensure proper expenditure of the funds provided under this Agreement. The CRA does not assume any liability for the quality of the work performed or injuries incurred during the Project.

10. **Payment Process.** When the Project is completed, the CRA will disburse the funds directly to the roofing contractor. The CRA will not disburse any funds for unauthorized goods, services, or equipment other than those described in **EXHIBIT 1**.

11. **Public Records.** The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents will be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. If the Recipient fails to comply with the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement.

12. **Audit.** The CRA or the Clerk of the Circuit Court/Finance Division may audit or review any records or documents related to this Agreement.

13. **Amendments.** Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

14. **Notice.** Any notices to the County shall be mailed to:

County:
Megan Polk
Development Program Manager
Neighborhood and Human Services Dept.
Community Redevelopment Agency
221 Palafox Place, Ste. 305
Pensacola, Florida 32502

Recipient:
Leva M. Cook
6490 Bull Run Court
Pensacola, Florida 32503

All notices shall be sent by certified mail, return receipt requested.

15. **Entire Agreement.** This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the

parties not contained in this Agreement will be of any force and effect.

16. **No Waiver.** This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

17. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

18. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

19. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

20. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

Community Redevelopment Agency

Lien Agreement

Applicant Name	Address of Property	Property Reference No.
Leva M. Cook,	**6490 Bull Run Court**	**28-1S-30-4300-009-002**
a single woman	**Pensacola, Florida 32503**	

Total Amount of Lien **$11,900**

I, the undersigned owner of the residential property referenced above, more particularly described in the **Quit Claim Deed** recorded in Official Record Book **4256** at page **1680** of the public records of Escambia County, Florida, agree that the improved residential property will continue to be used as my primary residence for a period of not less than five (5) years from the date this lien agreement is recorded in the public records.

The amount secured by this lien shall be due and payable in total for a period of five (5) years from the date this Lien Agreement is recorded in the public records. Upon documentation of compliance with the provisions of this Lien Agreement and the Escambia County **Residential Roof Funding Program,** and five (5) years subsequent to the recording of the Lien Agreement in the public records, this lien shall depreciate to zero (0). I understand that this lien will not be subordinated under any circumstances.

If the property is sold or if ownership or possession or any interest in the Property is otherwise conveyed, or if the funding agreement executed concurrently with this Lien Agreement is terminated prior to the expiration of five (5) years, I agree that I or my successors or assigns will repay the total amount of the residential roof funds secured by this lien.

INCOME-BASED ROOF PROGRAM CONTRACT

THIS CONTRACT is made and entered into by and between **Leva M. Cook** (hereinafter referred to as "Owner"), and **McDelt, LLC** (hereinafter referred to as "Contractor"), and Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County").

W I T N E S S E T H:

WHEREAS, the County, acting by and through the Community Redevelopment Agency (hereinafter referred to as "CRA"), has established the **Income-Based Roof Program** (hereinafter referred to as the "Program") to provide loans to qualified income eligible property owners to fund repairs to homestead property; and

WHEREAS, the Owner submitted an application with the CRA for a loan to fund certain repairs as provided herein; and

WHEREAS, the Contractor was selected by competitive bid to complete said repairs as provided herein; and

WHEREAS, the parties hereto wish to define their rights and responsibilities as it relates to the Program.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Contract, and other good and valuable consideration, the parties agree as follows:

Section 1. Recitals. The recitals contained in the preamble of this Contract are declared to be true and correct and are hereby incorporated into this Contract.

Section 2. Scope of Work. The Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the renovation and rehabilitation of the subject property located at **6490 Bull Run Court, Pensacola, Florida 32503** (hereinafter referred to as "Project"), in accordance with the Scope of Work, attached hereto as **Exhibit A**. In the event there is any conflict between the provisions of this Contract and the provisions of any other contract documents, the provisions of this Contract shall in all cases prevail.

Section 3. Contract Amount. In consideration of the faithful performance by Contractor of the covenants in this Contract to the full satisfaction and acceptance of the CRA, the County agrees to pay, or cause to be paid, to Contractor an amount not to exceed the total sum of **$10,800** (hereinafter referred to as the "Contract Amount") for the completion of the Project in accordance with the Scope of Work referenced above.

Section 4. Method of Payment. Contractor may request payments by the submission of a properly executed original invoice with appropriate supporting documentation. Payments will be

made within fifteen (15) calendar days of the date of approval by the Clerk of the Circuit Court. All payments will be provided to the Contractor directly from the Clerk of the Circuit Court's office by mail or direct deposit as determined by the Contractor.

Contractor's acceptance of payments hereunder shall constitute a full waiver of any and all claims by Contractor against the County arising out of this Contract or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final inspection.

The County may decline to approve payment(s), or portions thereof, to such extent as may be necessary in the County's opinion to protect it from loss due to: (a) Defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the work by the Contractor; or (g) any other material breach of the Contract.

All payments under this Contract and interest on any late payments shall be governed by and construed in accordance with the Florida Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

Section 5. Bonds. If the Contract Amount exceeds $25,000, the Contractor shall provide Performance and Payment Bonds in the form prescribed in **Exhibit B**, in the amount of 100% of the Contract Amount. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to the County; provided, however, the surety shall be rated as "A-" (excellent) or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holders' surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval. Failure by Contractor to maintain its bonds in full force and effect at all times, including the warranty period, shall be grounds for termination of this Contract.

Pursuant to §255.05, Florida Statutes, the Contractor shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the project sufficient to identify it. (The filing costs are $10.00 for the first page and $8.50 for each remaining page.)

Section 6. Notice to Proceed. The CRA shall issue a written Notice to Proceed to the Contractor within **thirty (30) calendar days** from the date of award. Contractor shall commence

work within **seven (7) calendar days** from the Commencement Date specified in the Notice to Proceed. No work shall be performed at the Project site prior to the Commencement Date.

Section 7. Contract Time and Liquidated Damages. Time is of the essence in the performance of the work under this Contract. The Project shall be complete within **thirty (30) calendar days** from the Commencement Date specified in the Notice to Proceed. Should Contractor fail to complete the Project within the time period noted above, the County shall be entitled to assess, as liquidated damages, but not as a penalty, **$50.00** for each calendar day thereafter until substantial completion is achieved.

The Project shall be deemed to be complete on the date that all required documentation (Contractor Invoice, Contractors Final Payment Affidavit, Final Release and Warranty and Permit/Final Inspection Passed) is received by the County and the CRA certifies in writing that the Project has been completed in accordance with the contract documents so that the Project can be utilized for the purposes for which it is intended. Completion of these items will be required prior to final inspection and issuance of a final Certificate of Payment as provided in **Section 11** below.

Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the actual damages at the time of contracting if Contractor fails to substantially complete the Project in accordance with the progress schedule.

When any period of time is defined by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday.

Section 8. Delays. Should Contractor be obstructed or delayed in the prosecution of or completion of the work as a result of the Owner's unreasonable interference or other unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall notify the CRA in writing within **forty-eight (48) hours** after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which Contractor may have had to request a time extension.

No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early

completion, as well as to claims based on late completion.

Section 9. Change Orders. After the execution of this Contract, no change in the scope, quantity, or quality of work will be undertaken without the prior written approval of the CRA. Any changes requested by the Owner or Contractor must be submitted in writing to the CRA and must detail all proposed work and cost. The Owner or Contractor's preference shall not be cause for a Change Order. Furthermore, the Contractor shall not be entitled to additional compensation as a result of the Contractor's failure to properly evaluate the extent of the work, as related to the work specifications.

The CRA shall have the right at any time during the progress of the work to increase or decrease the work. After being notified of an authorized change, Contractor shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the work shall be made except upon written order of the CRA, and the County and CRA shall not be liable to the Contractor for any increased compensation without such written order.

A Change Order, in the form attached as **Exhibit C** to this Contract, shall be issued and executed promptly after an agreement is reached between Contractor, Owner, and the CRA concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as the CRA, Owner, and Contractor shall mutually agree. The Owner shall execute a Modification of Mortgage and/or Lien, as appropriate, which coincides with any cost increase or decrease resulting from the Change Order.

Section 10. Project Site Protection. Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the work. Upon the completion of the work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy.

Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery shall be protected by Contractor from damage during the prosecution of the work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the work.

Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the work or adjacent property to stresses or pressures that will endanger it.

Section 11. Final Completion. The Contractor shall provide the CRA with written notice that the Project is complete and ready for final inspection, and the CRA shall promptly make such inspection.

After the Project is ready for final inspection by the CRA, the Contractor shall submit to the CRA: (1) a Release and Affidavit in the form attached as **Exhibit D;** (2) if requested by CRA, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract, to the extent and in such form as may be designated by CRA; and (3) Owner's Final Release and Warranty. The CRA reserves the right to inspect the work and make an independent determination as to the work's acceptability.

If the CRA finds the work acceptable and fully performed in accordance with the Contract Documents and upon receiving the documentation described above, the CRA shall promptly issue a final Certificate for Payment, stating that, on the basis of observations and inspections, the work has been completed in accordance with the terms and conditions of the Contract and that any remaining balance due the Contractor is due and payable. If Owner does not consent to sign Homeowner's Final Release and Warranty, the CRA, after documentation of acceptable completion of work and reasonable effort to secure signoff from the Owner, shall cause final Certificate for Payment to be issued to the Contractor.

Section 12. **Tests and Inspections.** The CRA, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the work, whether performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide CRA with timely notice of readiness of the work for all required inspections, tests or approvals.

If the Contract or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the work to be specifically inspected, tested or approved, the Contractor shall assume full responsibility therefor, pay all costs in connection therewith and furnish the CRA the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the CRA.

If any work that is to be inspected, tested or approved is covered without written concurrence from the CRA, such work must, if requested by the CRA, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given the CRA timely notice of Contractor's intention to cover the same and the CRA has not acted with reasonable promptness to respond to such notice. If any work is covered contrary to written directions from the CRA, such work must, if requested by the CRA, be uncovered for the CRA's observation and be replaced at Contractor's sole expense.

The CRA, or other County officials as may be designated by the CRA, reserves the right to place inspectors at the Project site in order to ensure proper expenditure of the funds provided under this Contract. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

Section 13. **Reports.** The Contractor shall maintain in a safe place at the Project site one copy of the all documents related to the performance of this Contract, as well as all shop

drawings and other Contractor submittals and all written interpretations and clarifications issued by the CRA, in good order and annotated to show all changes made during construction.

The Contractor shall keep all records and supporting documentation which relate to the work hereunder for a minimum of five (5) years from the date of termination of this Contract or the date the Project is completed, whichever is later. The CRA, the Clerk of the Circuit Court/Finance Division, or any duly authorized agents or representatives of the County, shall have the right to audit, inspect, and copy all such records and documentation relating to this Contract as often as they deem necessary during the period of this Contract and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 14. Defective Work. Work not conforming to the requirements of the Contract shall be deemed Defective Work. If required by the CRA, the Contractor shall either cure all Defective Work, whether or not fabricated, installed or completed, or, if the Defective Work has been rejected by the CRA, remove it from the site and replace it. The Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold the CRA and County harmless for the same.

If the CRA considers it necessary or advisable that covered work be observed by the CRA or inspected or tested by others, the Contractor, at the CRA's request, shall uncover, expose or otherwise make available for observation, inspection or tests as the CRA may require, that portion of the work in question, furnishing all necessary labor, material and equipment. If it is found that such work is Defective Work, the Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and the CRA shall be entitled to an appropriate decrease in the Contract Amount. If, however, such work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

If any portion of the work is Defective Work, or the Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the work to conform to the requirements of the Contract, the CRA may order the Contractor to stop the work, or any portion thereof, until the cause for such order has been eliminated; however, this right of the CRA to stop the work shall not give rise to any duty on the part of the CRA to exercise this right for the benefit of the Contractor or any other party.

Should the CRA determine, at its sole opinion, it is in the County's best interest to accept Defective Work, the CRA may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the CRA's evaluation of and determination to accept Defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such Defective Work, incorporating the necessary revisions in the Contract and reflecting an appropriate decrease in the Contract Amount. If the CRA accepts such

Defective Work after final payment, Contractor shall promptly pay CRA an appropriate amount to adequately compensate for its acceptance of the Defective Work.

If Contractor fails, within a reasonable time after the written notice from the CRA, to correct Defective Work or to remove and replace rejected Defective Work as required by the CRA, or if Contractor fails to perform the work in accordance with the Contract, or if Contractor fails to comply with any of the provisions of the Contract, the CRA may, after **seven (7) calendar days'** written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, the CRA may exclude Contractor from any or all of the Project site, take possession of all or any part of the work, and suspend the Contractor's services related thereto, take possession of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the work all materials and equipment stored at the Project site or for which the CRA has paid the Contractor but which are stored elsewhere. The Contractor shall allow the CRA, and its respective representatives, agents, and employees such access to the Project site as may be necessary to enable the CRA to exercise the rights and remedies under this Section. All direct, indirect and consequential costs of the CRA in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or other property destroyed or damaged by correction, removal or replacement of Contractor's Defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the work attributable to the exercise of the CRA's rights and remedies hereunder.

Section 15. Termination.

15.1 Termination for Contractor's Default. The Contractor shall be considered in material default of the Contract and such default shall be considered cause for the CRA to terminate the Contract, in whole or in part, as further set forth in this Section, if the Contractor: (a) fails to begin the work within the time specified herein; or (b) fails to properly and timely perform the work as directed by the CRA; or (c) performs the work unsuitably or neglects or refuses to remove materials or to correct or replace such work as may be rejected as unacceptable or unsuitable; or (d) discontinues the prosecution of the work; or (e) fails to resume work that has been suspended within a reasonable time after being notified to do so; or (f) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (g) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (h) makes an assignment for the benefit of creditors; or (i) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the work; or (j) materially breaches any other provision of the Contract.

The CRA shall notify Contractor in writing of Contractor's default(s). If the CRA determines that Contractor has not remedied and cured the default(s) within **seven (7) calendar days** following receipt by Contractor of said written notice of default, the County may terminate Contractor's right to proceed under the Contract, in whole or in part, and take possession of all or any portion

of the work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's work by whatever means, method or agency which County, in its sole discretion, may choose.

If the CRA deems any of the foregoing remedies necessary, Contractor agrees that it shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by the County incident to such completion shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, the Contractor agrees to pay promptly to the County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, and this obligation for payment, shall survive termination of the Contract.

The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the work and providing labor, materials, equipment, supplies, and other items therefor or re-letting the work, in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the work hereunder.

If, after notice of termination of the Contractor's right to proceed pursuant to this Section, it is determined for any reason that the Contractor was not in default, or that its default was excusable, or that the County is not entitled to the remedies against Contractor provided herein, then the Contractor's remedies against the County shall be the same as and limited to those afforded Contractor below.

15.2 Termination for Owner's Default. The Owner shall be considered in material default of the Contract, and such default shall be considered cause for County to terminate the Contract, if the Owner: (a) cancels the Project after the Owner's Right to Rescind has expired; (b) fails to allow necessary ingress and egress on the subject property; (c) if applicable, fails to timely vacate the premises prior to the Project Commencement Date; (d) otherwise obstructs or delays the prosecution of or completion of the work; or (e) materially breaches any other provision of the Contract.

The CRA shall notify Owner in writing of Owner's default. If the CRA determines that the Owner has not remedied and cured the default within **seven (7) calendar days** following receipt of said written notice of default then the Contract may be terminated by the County.

Any Project costs incurred prior to the date of termination or Project funding paid on the Owner's behalf, including, but not limited to, temporary relocation payment, moving/storage payment, title

search fee, procurement costs, permit fees, work completed by the Contractor as of the date of termination, and costs incurred for special order materials, shall be repaid to the County by the Owner. Within **thirty (30) calendar days** of receipt of the notice of termination, the Owner shall submit a cashier's check to the County for the total amount of any costs incurred or funds disbursed under this Contract through the date of Owner's termination. If Owner fails to return such funds, the County may initiate legal action to recover the total amount expended.

15.3 Termination for Convenience. The County shall have the right to terminate this Contract without cause upon **seven (7) calendar days'** written notice of termination to the Contractor and Owner. In the event of such termination for convenience, Contractor's recovery against the County shall be limited to that portion of the Contract Amount earned through the date of termination, but the Contractor shall not be entitled to any other or further recovery against the County, including, but not limited to, damages or any anticipated profit on portions of the work not performed. The Owner shall not be liable for any Project costs incurred through the date of termination but shall return any unencumbered funds advanced to the Owner.

15.4 Termination for Lack of Funding. The parties acknowledge that this Contract is based upon the availability of Tax Increment Financing (TIF) funds, pursuant to F.S. Chapter 163, the Community Redevelopment Act, and the County reserves the right to cancel same upon providing **seven (7) calendar days'** written notice to the Contractor and Owner should funding cease to be available. In the event of such termination for lack of funding, the Contractor will be paid for the work completed as of the contract termination date. The Owner shall not be liable for any Project costs incurred through the date of termination.

15.5 Notice of Suspension. The County shall have the right to suspend all or any portions of the work upon providing the Contractor **two (2) calendar days'** written notice of such suspension. If all or any portion of the work is so suspended, the Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Contract with respect to that portion of the work which is subject to the ordered suspension.

Section 16. Indemnification. To the extent permitted by law, the Contractor and Owner covenant and agree to, and do hereby indemnify and hold harmless and defend the County, CRA, and the State of Florida and their agents, directors, and employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of this Contract or the work to be performed hereunder.

Section 17. Insurance. The Contractor and any subcontractors who may perform work in connection with this Project are required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies.

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles.

(c) Florida statutory Workers' Compensation or proof of exemption.

If the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

The Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least **thirty (30) calendar days'** notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County Neighborhood Enterprise Division, 221 Palafox Place, Suite 200, Pensacola, FL 32502.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Escambia County, 221 Palafox Place, Suite 200, Pensacola, Florida 32502 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

Neither the Contractor nor any subcontractor shall commence work under this Contract until all insurance required under this section has been secured and such insurance has been approved by the CRA.

Section 18. Subcontracts. The Contractor may subcontract work under this Contract with the prior written consent of the County. Regardless of any subcontract, the Contractor shall remain responsible for all work performed under this Contract. The Contractor agrees to be responsible for the fulfillment of all work included in any subcontract and further agrees to be responsible for payment of all monies due to under any subcontract. It is understood and agreed that the County shall not be liable to any subcontractor for any expenses or liabilities incurred by Contractor under a subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

Section 19. Independent Contractor Status. In the performance of this Contract hereunder, the Contractor and Owner shall be independent contractors. Neither the Contractor nor Owner shall hold itself out as an employee, agent or servant of the County; and neither shall have the power or authority to bind the County in any promise, agreement or representation, other than

as specifically provided in this Contract or as may be expressly provided hereafter in writing by an authorized official of the County.

Section 20. Warranty. The Contractor hereby guarantees the improvements detailed in the Scope of Work, attached hereto as **Exhibit A**, for a period of five (5) years from the date of final inspection and acceptance of all work performed pursuant to this Contract. Should any defects arise during that period, the Owner shall provide written notice to the Contractor and CRA.

It is further agreed that the Contractor will obtain and assign to the Owner, c/o the County, all express warranties given to Contractor or any subcontractors by any materialmen supplying materials, equipment or fixtures to be incorporated into the Project.

Section 21. Utilities. The Owner will permit the Contractor to use at no extra cost, existing utilities such as lights, electrical power, and water necessary to complete the Project.

Section 22. Owner's Responsibilities. The Owner shall at all times cooperate with the Contractor and County to facilitate the performance of the work, including the removal of rugs, draperies, wall coverings, and furniture, when necessary, prior to the commencement of the project. The Contractor is not responsible for removal of Owner's trash and/or discarded belongings or furnishings. The Owner is responsible for reinstallation of area rugs, draperies, wall coverings and/or furniture at project completion unless otherwise specified in the Project Scope of Work. The Owner shall allow and maintain a route of ingress and egress for Contractor's equipment on the subject property. If applicable, the Owner shall timely vacate the premises prior to the Commencement Date of the Project.

Section 23. Notice to Owner of Florida's Construction Lien Law & Recovery Fund.

ACCORDING TO FLORIDA'S CONSTRUCTION LIEN LAW (SECTIONS 713.001-713.37, FLORIDA STATUTES), THOSE WHO WORK ON YOUR PROPERTY OR PROVIDE MATERIALS AND SERVICES AND ARE NOT PAID IN FULL HAVE A RIGHT TO ENFORCE THEIR CLAIM FOR PAYMENT AGAINST YOUR PROPERTY. THIS CLAIM IS KNOWN AS A CONSTRUCTION LIEN. IF YOUR CONTRACTOR OR A SUBCONTRACTOR FAILS TO PAY SUBCONTRACTORS, SUB-SUBCONTRACTORS, OR MATERIAL SUPPLIERS, THOSE PEOPLE WHO ARE OWED MONEY MAY LOOK TO YOUR PROPERTY FOR PAYMENT, EVEN IF YOU HAVE ALREADY PAID YOUR CONTRACTOR IN FULL. IF YOU FAIL TO PAY YOUR CONTRACTOR, YOUR CONTRACTOR MAY ALSO HAVE A LIEN ON YOUR PROPERTY. THIS MEANS IF A LIEN IS FILED YOUR PROPERTY COULD BE SOLD AGAINST YOUR WILL TO PAY FOR LABOR, MATERIALS, OR OTHER SERVICES THAT YOUR CONTRACTOR OR A SUBCONTRACTOR MAY HAVE FAILED TO PAY. TO PROTECT YOURSELF, YOU SHOULD STIPULATE IN THIS CONTRACT THAT BEFORE ANY PAYMENT IS MADE, YOUR CONTRACTOR IS REQUIRED TO PROVIDE YOU WITH A WRITTEN RELEASE OF LIEN FROM ANY PERSON OR COMPANY THAT HAS PROVIDED TO YOU A "NOTICE TO OWNER." FLORIDA'S CONSTRUCTION LIEN LAW IS COMPLEX, AND IT IS RECOMMENDED THAT YOU CONSULT AN ATTORNEY.

According to Florida Statutes 489.1425 (1) regarding the FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND:

PAYMENT MAY BE AVAILABLE FROM THE FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND IF YOU LOSE MONEY ON A PROJECT PERFORMED UNDER CONTRACT, WHERE THE LOSS RESULTS FROM SPECIFIED VIOLATIONS OF FLORIDA LAW BY A LICENSED CONTRACTOR. FOR INFORMATION ABOUT THE RECOVERY FUND AND FILING A CLAIM, CONTACT THE FLORIDA CONSTRUCTION INDUSTRY LICENSING BOARD AT THE FOLLOWING TELEPHONE NUMBER AND ADDRESS:

Division of Professions
Construction Industry Licensing Board
1940 North Monroe Street
Tallahassee, FL 32399

Section 24. Dispute Resolution. Should a dispute arise between the Owner and the Contractor regarding work performed pursuant to this Contract that cannot be satisfactorily resolved, the Owner and Contractor agree to participate in the Arbitration Mediation Program provided by the Better Business Bureau (BBB) of Northwest Florida, Inc., to resolve the dispute. The decision of the BBB shall be considered final by the parties. However, this shall in no way prohibit the Owner or the Contractor from further appeal.

Section 25. Public Records. The Owner and Contractor acknowledge that this Contract and any related financial records, audits, reports, plans, correspondence, and other documents related to the performance of this Contract may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. The Owner and Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Owner and Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Contract, Owner and Contractor agree to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event that any party fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the parties, and surety, if any, seven calendar days' written notice, during which period the parties still fail to allow access to such documents, terminate this Contract. In such case, the Owner and Contractor shall not be entitled to receive any further disbursement or benefit associated with this Contract.

IF THE OWNER OR CONTRACTOR HAVE QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE OWNER AND CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County/Office of the County Administrator

221 Palafox Place, Suite 420
Pensacola, FL 32502
850-595-4947

Section 26. Entire Contract. This instrument constitutes the entire agreement between the parties and no written or oral agreement of any kind exists to change the provision hereof.

Section 27. Permits. The Contractor shall be responsible for obtaining all permits and licenses necessary for the Project. If the Contractor performs any work without obtaining, or contrary to, any such permits or licenses necessary for the prosecution of the work, the Contractor shall bear all costs arising therefrom. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the work.

Section 28. Compliance with Laws. Contractor agrees to comply, at its sole expense, with all federal, state, and local laws, codes, statutes, ordinances, rules, regulations and requirements related to the performance of this Contract, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety.

Section 29. Assignment. This Contract, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the Contractor without the prior written consent of the County.

Section 30. Notices. Any notices shall be mailed to:

COUNTY:	OWNER:	CONTRACTOR:
Clara Long	Leva M. Cook	McDelt, LLC
Community Redevelopment Agency	6490 Bull Run Court	4675 Balmoral Drive
221 Palafox Place, Suite 305	Pensacola, Florida 32503	Pensacola, FL 32504
Pensacola, Florida 32502		

All notices shall be sent by certified mail, return receipt requested.

Section 31. No Discrimination. The Owner and Contractor shall ensure that this Contract is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

Section 32. No Waiver. This Contract does not constitute a waiver of any local ordinances, codes, or regulations.

Section 33. Governing Law. This Contract is executed in Escambia County, Florida, and performance and interpretation of this Contract shall be construed in accordance with the laws of Florida. Any action relating to this Contract shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

Section 34. Severability. If any part, term, or provision of this Contract is held by the courts to

be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular part, term, or provision held to be invalid.

Section 35. Headings. The headings appearing in this Contract have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

Section 36. Authority. Each individual executing this Contract on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Contract on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Contract is binding upon each party in accordance with its terms.

IN WITNESS WHEREOF, the parties hereto have made and executed this Contract on the respective dates under each signature:

CONTRACTOR'S FINAL PAYMENT AFFIDAVIT

STATE OF FLORIDA
COUNTY OF ESCAMBIA

BEFORE ME, the undersigned authority, personally appeared **Michael W. Taylor** [*name of affiant*], who, after being first duly sworn, deposes and says of his or her personal knowledge the following:

1. He or she is the President [*title of affiant*], of **McDelt, LLC.** [*name of contractor's business*], which does business in the State of Florida, hereinafter referred to as the "Contractor."

2. Contractor, pursuant to a contract with **Leva M. Cook** [*name of owner*], hereinafter referred to as the "Owner," and Escambia County, has furnished or caused to be furnished labor, materials, and services for the construction of certain improvements to real property as more particularly set forth in said contract.

3. This affidavit is executed by the Contractor in accordance with section 713.06 of the Florida Statutes for the purposes of obtaining final payment in the amount of **$11,900**.

4. All work to be performed under the contract has been fully completed, and all lienors under the direct contract have been paid in full, except the following listed lienors:

Name of Lienor	Amount Due
None

FINAL RELEASE AND WARRANTY

SECTION 1: HOMEOWNER'S RELEASE

I, **Leva Cook**, as owner of the unit located at **6490 Bull Run Court, Pensacola, FL 32503,** certify and accept all work as performed and contracted by, **McDelt, LLC.** as complete and satisfactory. I hereby authorize final payment to **McDelt, LLC.** for the work done on this residence.

SECTION 2: CONTRACTOR'S OBLIGATION AND WARRANTY

I, **McDelt, LLC.,** as Contractor of record, for the rehabilitation of the above referenced residence, do issue a five (5) year limited labor and material warranty ending **September 2, 2025.** The warranty covers defects in materials and workmanship, which occur during normal use. I, **Leva Cook**, acknowledge that routine homeowner maintenance and/or problems caused by neglect, abuse, or improper use are not covered by this warranty. Further, after the warranty expiration date, neither the County, nor the Contractor, shall be responsible for any further work related to this Contract.

SECTION 3: HOMEOWNER/ESCAMBIA COUNTY OBLIGATIONS

As the Contractor has completed his/her contract, the Homeowner, upon acceptance of same, now causes final payment to be made to the Contractor. The Homeowner fully understands that **McDelt, LLC,** the Contractor, is sole responsible party for the five (5) year warranty as specified in Section 2 of this agreement. The Homeowner understands that it is their responsibility to contact the Contractor **McDelt, LLC.** regarding necessary warranty work.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL ROOF PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **5th** day of **November,** by and between the ESCAMBIA COUNTY BOARD OF COUNTY COMMISSIONERS, acting in its capacity as the Escambia County Community Redevelopment Agency, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Ida L. Dubose,** (the "Recipient"), owner of residential property located at **186 Overlook Drive,** Pensacola, Florida, **32503.**

WITNESSETH:

WHEREAS, the CRA has established the **Residential Roof Funding Program** (the "Program") to provide funding to qualified property owners for roofing projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient has applied for funding of the roofing project described in **EXHIBIT 1** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program funding to be provided for the benefit of the Recipient;

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. **Recitals.** The above recitals are true and correct and incorporated by reference in this Agreement.

2. **Residential Roof Program.** The CRA will pay a total amount of **$7,795.32** on behalf of the Recipient to the roofing contractor selected to complete the Project described in **EXHIBIT 1**. In consideration for the funds provided by the CRA, the Recipient shall execute the Lien Agreement attached to this Agreement as **EXHIBIT 2**.

3. **Project.** The Project funded by this Agreement is defined in **EXHIBIT 1.**

4. **Term.** This Agreement will terminate after five years from the date that the Lien Agreement is recorded in the public records.

5. **Indemnification.** The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

6. **Termination.** The CRA may terminate this Agreement if Recipient breaches any of its terms and provisions. A breach shall include, but not be limited to, the Recipient's failure to reside on the property as their principal residence for five years following the date

that the Lien Agreement is recorded in the public records, or conveyance of any interest in the Property, including but not limited to sale, lease, or mortgage, within five years after the date that the Lien Agreement is recorded in the public records.

7. **Notice of Termination.** The CRA will provide the Recipient with written notice of a breach and any corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the notice.

8. **Subsequent to Termination.** The CRA will provide the Recipient a written notice confirming termination of the Agreement. Within thirty (30) days of receipt of the termination notice, the Recipient shall submit a cashier's check to the CRA for the total amount of the funds disbursed under this Agreement.

9. **Inspector.** The CRA may place an inspector on the property during the Project to ensure proper expenditure of the funds provided under this Agreement. The CRA does not assume any liability for the quality of the work performed or injuries incurred during the Project.

10. **Payment Process.** When the Project is completed, the CRA will disburse the funds directly to the roofing contractor. The CRA will not disburse any funds for unauthorized goods, services, or equipment other than those described in **EXHIBIT 1**.

11. **Public Records.** The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents will be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. If the Recipient fails to comply with the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement.

12. **Audit.** The CRA or the Clerk of the Circuit Court/Finance Division may audit or review any records or documents related to this Agreement.

13. **Amendments.** Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

14. **Notice.** Any notices to the County shall be mailed to:

All notices shall be sent by certified mail, return receipt requested.

15. **Entire Agreement.** This Agreement contains the entire agreement between the

parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

16. **No Waiver.** This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

17. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

18. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

19. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

20. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

EXHIBIT I

RESIDENTIAL ROOF PROGRAM PROJECT

Property Owner(s): **Ida L. Dubose**
Property Address: **186 Overlook Drive, Pensacola, Florida 32503**

The “Project” includes the following improvement to the above referenced property:

Roof Replacement

EXHIBIT 2

Escambia County Community Redevelopment Agency
Residential Roof Funding Program
Administered By: Escambia County Neighborhood and Human Services Department
Community Redevelopment Agency

Lien Agreement

Applicant Name	Address of Property	Property Reference No.
Ida L. Dubose, a single woman	**186 Overlook Drive Pensacola, Florida 32503**	**21-1S-30-2102-007-004**

Total Amount of Lien **$7,795.32**

I, the undersigned owner of the residential property referenced above, more particularly described in the **Warranty Deed** recorded in Official Record Book **3355** at page **701** of the public records of Escambia County, Florida, agree that the improved residential property will continue to be used as my primary residence for a period of not less than five (5) years from the date this lien agreement is recorded in the public records.

The amount secured by this lien shall be due and payable in total for a period of five (5) years from the date this Lien Agreement is recorded in the public records. Upon documentation of compliance with the provisions of this Lien Agreement and the Escambia County **Residential Roof Funding Program,** and five (5) years subsequent to the recording of the Lien Agreement in the public records, this lien shall depreciate to zero (0). I understand that this lien will not be subordinated under any circumstances.

If the property is sold or if ownership or possession or any interest in the Property is otherwise conveyed, or if the funding agreement executed concurrently with this Lien Agreement is terminated prior to the expiration of five (5) years, I agree that I or my successors or assigns will repay the total amount of the residential roof funds secured by this lien.

INCOME-BASED ROOF PROGRAM CONTRACT

THIS CONTRACT is made and entered into by and between **Ida L. Dubose** (hereinafter referred to as "Owner"), and **Bill Walther Roofing, Inc.** (hereinafter referred to as "Contractor"), and Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County").

W I T N E S S E T H:

WHEREAS, the County, acting by and through the Community Redevelopment Agency (hereinafter referred to as "CRA"), has established the **Income-Based Roof Program** (hereinafter referred to as the "Program") to provide loans to qualified income eligible property owners to fund repairs to homestead property; and

WHEREAS, the Owner submitted an application with the CRA for a loan to fund certain repairs as provided herein; and

WHEREAS, the Contractor was selected by competitive bid to complete said repairs as provided herein; and

WHEREAS, the parties hereto wish to define their rights and responsibilities as it relates to the Program.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Contract, and other good and valuable consideration, the parties agree as follows:

Section 1. Recitals. The recitals contained in the preamble of this Contract are declared to be true and correct and are hereby incorporated into this Contract.

Section 2. Scope of Work. The Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the renovation and rehabilitation of the subject property located at **186 Overlook Drive, Pensacola, Florida 32503** (hereinafter referred to as "Project"), in accordance with the Scope of Work, attached hereto as **Exhibit A**. In the event there is any conflict between the provisions of this Contract and the provisions of any other contract documents, the provisions of this Contract shall in all cases prevail.

Section 3. Contract Amount. In consideration of the faithful performance by Contractor of the covenants in this Contract to the full satisfaction and acceptance of the CRA, the County agrees to pay, or cause to be paid, to Contractor an amount not to exceed the total sum of **$5,891** (hereinafter referred to as the "Contract Amount") for the completion of the Project in accordance with the Scope of Work referenced above.

Section 4. Method of Payment. Contractor may request payments by the submission of a properly executed original invoice with appropriate supporting documentation. Payments will be

made within fifteen (15) calendar days of the date of approval by the Clerk of the Circuit Court. All payments will be provided to the Contractor directly from the Clerk of the Circuit Court's office by mail or direct deposit as determined by the Contractor.

Contractor's acceptance of payments hereunder shall constitute a full waiver of any and all claims by Contractor against the County arising out of this Contract or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final inspection.

The County may decline to approve payment(s), or portions thereof, to such extent as may be necessary in the County's opinion to protect it from loss due to: (a) Defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the work by the Contractor; or (g) any other material breach of the Contract.

All payments under this Contract and interest on any late payments shall be governed by and construed in accordance with the Florida Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

Section 5. Bonds. If the Contract Amount exceeds $25,000, the Contractor shall provide Performance and Payment Bonds in the form prescribed in **Exhibit B**, in the amount of 100% of the Contract Amount. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to the County; provided, however, the surety shall be rated as "A-" (excellent) or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holders' surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval. Failure by Contractor to maintain its bonds in full force and effect at all times, including the warranty period, shall be grounds for termination of this Contract.

Pursuant to §255.05, Florida Statutes, the Contractor shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the project sufficient to identify it. (The filing costs are $10.00 for the first page and $8.50 for each remaining page.)

Section 6. Notice to Proceed. The CRA shall issue a written Notice to Proceed to the Contractor within **thirty (30) calendar days** from the date of award. Contractor shall commence

work within **seven (7) calendar days** from the Commencement Date specified in the Notice to Proceed. No work shall be performed at the Project site prior to the Commencement Date.

Section 7. Contract Time and Liquidated Damages. Time is of the essence in the performance of the work under this Contract. The Project shall be complete within **thirty (30) calendar days** from the Commencement Date specified in the Notice to Proceed. Should Contractor fail to complete the Project within the time period noted above, the County shall be entitled to assess, as liquidated damages, but not as a penalty, **$50.00** for each calendar day thereafter until substantial completion is achieved.

The Project shall be deemed to be complete on the date that all required documentation (Contractor Invoice, Contractors Final Payment Affidavit, Final Release and Warranty and Permit/Final Inspection Passed) is received by the County and the CRA certifies in writing that the Project has been completed in accordance with the contract documents so that the Project can be utilized for the purposes for which it is intended. Completion of these items will be required prior to final inspection and issuance of a final Certificate of Payment as provided in **Section 11** below.

Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the actual damages at the time of contracting if Contractor fails to substantially complete the Project in accordance with the progress schedule.

When any period of time is defined by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday.

Section 8. Delays. Should Contractor be obstructed or delayed in the prosecution of or completion of the work as a result of the Owner's unreasonable interference or other unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall notify the CRA in writing within **forty-eight (48) hours** after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which Contractor may have had to request a time extension.

No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early

completion, as well as to claims based on late completion.

Section 9. Change Orders. After the execution of this Contract, no change in the scope, quantity, or quality of work will be undertaken without the prior written approval of the CRA. Any changes requested by the Owner or Contractor must be submitted in writing to the CRA and must detail all proposed work and cost. The Owner or Contractor's preference shall not be cause for a Change Order. Furthermore, the Contractor shall not be entitled to additional compensation as a result of the Contractor's failure to properly evaluate the extent of the work, as related to the work specifications.

The CRA shall have the right at any time during the progress of the work to increase or decrease the work. After being notified of an authorized change, Contractor shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the work shall be made except upon written order of the CRA, and the County and CRA shall not be liable to the Contractor for any increased compensation without such written order.

A Change Order, in the form attached as **Exhibit C** to this Contract, shall be issued and executed promptly after an agreement is reached between Contractor, Owner, and the CRA concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as the CRA, Owner, and Contractor shall mutually agree. The Owner shall execute a Modification of Mortgage and/or Lien, as appropriate, which coincides with any cost increase or decrease resulting from the Change Order.

Section 10. Project Site Protection. Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the work. Upon the completion of the work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy.

Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery shall be protected by Contractor from damage during the prosecution of the work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the work.

Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the work or adjacent property to stresses or pressures that will endanger it.

Section 11. Final Completion. The Contractor shall provide the CRA with written notice that the Project is complete and ready for final inspection, and the CRA shall promptly make such inspection.

After the Project is ready for final inspection by the CRA, the Contractor shall submit to the CRA: (1) a Release and Affidavit in the form attached as **Exhibit D;** (2) if requested by CRA, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract, to the extent and in such form as may be designated by CRA; and (3) Owner's Final Release and Warranty. The CRA reserves the right to inspect the work and make an independent determination as to the work's acceptability.

If the CRA finds the work acceptable and fully performed in accordance with the Contract Documents and upon receiving the documentation described above, the CRA shall promptly issue a final Certificate for Payment, stating that, on the basis of observations and inspections, the work has been completed in accordance with the terms and conditions of the Contract and that any remaining balance due the Contractor is due and payable. If Owner does not consent to sign Homeowner's Final Release and Warranty, the CRA, after documentation of acceptable completion of work and reasonable effort to secure signoff from the Owner, shall cause final Certificate for Payment to be issued to the Contractor.

Section 12. Tests and Inspections. The CRA, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the work, whether performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide CRA with timely notice of readiness of the work for all required inspections, tests or approvals.

If the Contract or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the work to be specifically inspected, tested or approved, the Contractor shall assume full responsibility therefor, pay all costs in connection therewith and furnish the CRA the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the CRA.

If any work that is to be inspected, tested or approved is covered without written concurrence from the CRA, such work must, if requested by the CRA, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given the CRA timely notice of Contractor's intention to cover the same and the CRA has not acted with reasonable promptness to respond to such notice. If any work is covered contrary to written directions from the CRA, such work must, if requested by the CRA, be uncovered for the CRA's observation and be replaced at Contractor's sole expense.

The CRA, or other County officials as may be designated by the CRA, reserves the right to place inspectors at the Project site in order to ensure proper expenditure of the funds provided under this Contract. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

Section 13. Reports. The Contractor shall maintain in a safe place at the Project site one copy of the all documents related to the performance of this Contract, as well as all shop

drawings and other Contractor submittals and all written interpretations and clarifications issued by the CRA, in good order and annotated to show all changes made during construction.

The Contractor shall keep all records and supporting documentation which relate to the work hereunder for a minimum of five (5) years from the date of termination of this Contract or the date the Project is completed, whichever is later. The CRA, the Clerk of the Circuit Court/Finance Division, or any duly authorized agents or representatives of the County, shall have the right to audit, inspect, and copy all such records and documentation relating to this Contract as often as they deem necessary during the period of this Contract and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 14. Defective Work. Work not conforming to the requirements of the Contract shall be deemed Defective Work. If required by the CRA, the Contractor shall either cure all Defective Work, whether or not fabricated, installed or completed, or, if the Defective Work has been rejected by the CRA, remove it from the site and replace it. The Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold the CRA and County harmless for the same.

If the CRA considers it necessary or advisable that covered work be observed by the CRA or inspected or tested by others, the Contractor, at the CRA's request, shall uncover, expose or otherwise make available for observation, inspection or tests as the CRA may require, that portion of the work in question, furnishing all necessary labor, material and equipment. If it is found that such work is Defective Work, the Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and the CRA shall be entitled to an appropriate decrease in the Contract Amount. If, however, such work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

If any portion of the work is Defective Work, or the Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the work to conform to the requirements of the Contract, the CRA may order the Contractor to stop the work, or any portion thereof, until the cause for such order has been eliminated; however, this right of the CRA to stop the work shall not give rise to any duty on the part of the CRA to exercise this right for the benefit of the Contractor or any other party.

Should the CRA determine, at its sole opinion, it is in the County's best interest to accept Defective Work, the CRA may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the CRA's evaluation of and determination to accept Defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such Defective Work, incorporating the necessary revisions in the Contract and reflecting an appropriate decrease in the Contract Amount. If the CRA accepts such

Defective Work after final payment, Contractor shall promptly pay CRA an appropriate amount to adequately compensate for its acceptance of the Defective Work.

If Contractor fails, within a reasonable time after the written notice from the CRA, to correct Defective Work or to remove and replace rejected Defective Work as required by the CRA, or if Contractor fails to perform the work in accordance with the Contract, or if Contractor fails to comply with any of the provisions of the Contract, the CRA may, after **seven (7) calendar days'** written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, the CRA may exclude Contractor from any or all of the Project site, take possession of all or any part of the work, and suspend the Contractor's services related thereto, take possession of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the work all materials and equipment stored at the Project site or for which the CRA has paid the Contractor but which are stored elsewhere. The Contractor shall allow the CRA, and its respective representatives, agents, and employees such access to the Project site as may be necessary to enable the CRA to exercise the rights and remedies under this Section. All direct, indirect and consequential costs of the CRA in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or other property destroyed or damaged by correction, removal or replacement of Contractor's Defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the work attributable to the exercise of the CRA's rights and remedies hereunder.

Section 15. Termination.

15.1 Termination for Contractor's Default. The Contractor shall be considered in material default of the Contract and such default shall be considered cause for the CRA to terminate the Contract, in whole or in part, as further set forth in this Section, if the Contractor: (a) fails to begin the work within the time specified herein; or (b) fails to properly and timely perform the work as directed by the CRA; or (c) performs the work unsuitably or neglects or refuses to remove materials or to correct or replace such work as may be rejected as unacceptable or unsuitable; or (d) discontinues the prosecution of the work; or (e) fails to resume work that has been suspended within a reasonable time after being notified to do so; or (f) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (g) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (h) makes an assignment for the benefit of creditors; or (i) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the work; or (j) materially breaches any other provision of the Contract.

The CRA shall notify Contractor in writing of Contractor's default(s). If the CRA determines that Contractor has not remedied and cured the default(s) within **seven (7) calendar days** following receipt by Contractor of said written notice of default, the County may terminate Contractor's right to proceed under the Contract, in whole or in part, and take possession of all or any portion

of the work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's work by whatever means, method or agency which County, in its sole discretion, may choose.

If the CRA deems any of the foregoing remedies necessary, Contractor agrees that it shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by the County incident to such completion shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, the Contractor agrees to pay promptly to the County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, and this obligation for payment, shall survive termination of the Contract.

The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the work and providing labor, materials, equipment, supplies, and other items therefor or re-letting the work, in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the work hereunder.

If, after notice of termination of the Contractor's right to proceed pursuant to this Section, it is determined for any reason that the Contractor was not in default, or that its default was excusable, or that the County is not entitled to the remedies against Contractor provided herein, then the Contractor's remedies against the County shall be the same as and limited to those afforded Contractor below.

15.2 Termination for Owner's Default. The Owner shall be considered in material default of the Contract, and such default shall be considered cause for County to terminate the Contract, if the Owner: (a) cancels the Project after the Owner's Right to Rescind has expired; (b) fails to allow necessary ingress and egress on the subject property; (c) if applicable, fails to timely vacate the premises prior to the Project Commencement Date; (d) otherwise obstructs or delays the prosecution of or completion of the work; or (e) materially breaches any other provision of the Contract.

The CRA shall notify Owner in writing of Owner's default. If the CRA determines that the Owner has not remedied and cured the default within **seven (7) calendar days** following receipt of said written notice of default then the Contract may be terminated by the County.

Any Project costs incurred prior to the date of termination or Project funding paid on the Owner's behalf, including, but not limited to, temporary relocation payment, moving/storage payment, title

search fee, procurement costs, permit fees, work completed by the Contractor as of the date of termination, and costs incurred for special order materials, shall be repaid to the County by the Owner. Within **thirty (30) calendar days** of receipt of the notice of termination, the Owner shall submit a cashier's check to the County for the total amount of any costs incurred or funds disbursed under this Contract through the date of Owner's termination. If Owner fails to return such funds, the County may initiate legal action to recover the total amount expended.

15.3 Termination for Convenience. The County shall have the right to terminate this Contract without cause upon **seven (7) calendar days'** written notice of termination to the Contractor and Owner. In the event of such termination for convenience, Contractor's recovery against the County shall be limited to that portion of the Contract Amount earned through the date of termination, but the Contractor shall not be entitled to any other or further recovery against the County, including, but not limited to, damages or any anticipated profit on portions of the work not performed. The Owner shall not be liable for any Project costs incurred through the date of termination but shall return any unencumbered funds advanced to the Owner.

15.4 Termination for Lack of Funding. The parties acknowledge that this Contract is based upon the availability of Tax Increment Financing (TIF) funds, pursuant to F.S. Chapter 163, the Community Redevelopment Act, and the County reserves the right to cancel same upon providing **seven (7) calendar days'** written notice to the Contractor and Owner should funding cease to be available. In the event of such termination for lack of funding, the Contractor will be paid for the work completed as of the contract termination date. The Owner shall not be liable for any Project costs incurred through the date of termination.

15.5 Notice of Suspension. The County shall have the right to suspend all or any portions of the work upon providing the Contractor **two (2) calendar days'** written notice of such suspension. If all or any portion of the work is so suspended, the Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Contract with respect to that portion of the work which is subject to the ordered suspension.

Section 16. Indemnification. To the extent permitted by law, the Contractor and Owner covenant and agree to, and do hereby indemnify and hold harmless and defend the County, CRA, and the State of Florida and their agents, directors, and employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of this Contract or the work to be performed hereunder.

Section 17. Insurance. The Contractor and any subcontractors who may perform work in connection with this Project are required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies.

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles.

(c) Florida statutory Workers' Compensation or proof of exemption.

If the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

The Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least **thirty (30) calendar days'** notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County Neighborhood Enterprise Division, 221 Palafox Place, Suite 200, Pensacola, FL 32502.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Escambia County, 221 Palafox Place, Suite 200, Pensacola, Florida 32502 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

Neither the Contractor nor any subcontractor shall commence work under this Contract until all insurance required under this section has been secured and such insurance has been approved by the CRA.

Section 18. Subcontracts. The Contractor may subcontract work under this Contract with the prior written consent of the County. Regardless of any subcontract, the Contractor shall remain responsible for all work performed under this Contract. The Contractor agrees to be responsible for the fulfillment of all work included in any subcontract and further agrees to be responsible for payment of all monies due to under any subcontract. It is understood and agreed that the County shall not be liable to any subcontractor for any expenses or liabilities incurred by Contractor under a subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

Section 19. Independent Contractor Status. In the performance of this Contract hereunder, the Contractor and Owner shall be independent contractors. Neither the Contractor nor Owner shall hold itself out as an employee, agent or servant of the County; and neither shall have the power or authority to bind the County in any promise, agreement or representation, other than

as specifically provided in this Contract or as may be expressly provided hereafter in writing by an authorized official of the County.

Section 20. Warranty. The Contractor hereby guarantees the improvements detailed in the Scope of Work, attached hereto as **Exhibit A**, for a period of five (5) years from the date of final inspection and acceptance of all work performed pursuant to this Contract. Should any defects arise during that period, the Owner shall provide written notice to the Contractor and CRA.

It is further agreed that the Contractor will obtain and assign to the Owner, c/o the County, all express warranties given to Contractor or any subcontractors by any materialmen supplying materials, equipment or fixtures to be incorporated into the Project.

Section 21. Utilities. The Owner will permit the Contractor to use at no extra cost, existing utilities such as lights, electrical power, and water necessary to complete the Project.

Section 22. Owner's Responsibilities. The Owner shall at all times cooperate with the Contractor and County to facilitate the performance of the work, including the removal of rugs, draperies, wall coverings, and furniture, when necessary, prior to the commencement of the project. The Contractor is not responsible for removal of Owner's trash and/or discarded belongings or furnishings. The Owner is responsible for reinstallation of area rugs, draperies, wall coverings and/or furniture at project completion unless otherwise specified in the Project Scope of Work. The Owner shall allow and maintain a route of ingress and egress for Contractor's equipment on the subject property. If applicable, the Owner shall timely vacate the premises prior to the Commencement Date of the Project.

Section 23. Notice to Owner of Florida's Construction Lien Law & Recovery Fund.
