ACCORDING TO FLORIDA'S CONSTRUCTION LIEN LAW (SECTIONS 713.001-713.37, FLORIDA STATUTES), THOSE WHO WORK ON YOUR PROPERTY OR PROVIDE MATERIALS AND SERVICES AND ARE NOT PAID IN FULL HAVE A RIGHT TO ENFORCE THEIR CLAIM FOR PAYMENT AGAINST YOUR PROPERTY. THIS CLAIM IS KNOWN AS A CONSTRUCTION LIEN. IF YOUR CONTRACTOR OR A SUBCONTRACTOR FAILS TO PAY SUBCONTRACTORS, SUB-SUBCONTRACTORS, OR MATERIAL SUPPLIERS, THOSE PEOPLE WHO ARE OWED MONEY MAY LOOK TO YOUR PROPERTY FOR PAYMENT, EVEN IF YOU HAVE ALREADY PAID YOUR CONTRACTOR IN FULL. IF YOU FAIL TO PAY YOUR CONTRACTOR, YOUR CONTRACTOR MAY ALSO HAVE A LIEN ON YOUR PROPERTY. THIS MEANS IF A LIEN IS FILED YOUR PROPERTY COULD BE SOLD AGAINST YOUR WILL TO PAY FOR LABOR, MATERIALS, OR OTHER SERVICES THAT YOUR CONTRACTOR OR A SUBCONTRACTOR MAY HAVE FAILED TO PAY. TO PROTECT YOURSELF, YOU SHOULD STIPULATE IN THIS CONTRACT THAT BEFORE ANY PAYMENT IS MADE, YOUR CONTRACTOR IS REQUIRED TO PROVIDE YOU WITH A WRITTEN RELEASE OF LIEN FROM ANY PERSON OR COMPANY THAT HAS PROVIDED TO YOU A "NOTICE TO OWNER." FLORIDA'S CONSTRUCTION LIEN LAW IS COMPLEX, AND IT IS RECOMMENDED THAT YOU CONSULT AN ATTORNEY.

According to Florida Statutes 489.1425 (1) regarding the FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND:

PAYMENT MAY BE AVAILABLE FROM THE FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND IF YOU LOSE MONEY ON A PROJECT PERFORMED UNDER CONTRACT, WHERE THE LOSS RESULTS FROM SPECIFIED VIOLATIONS OF FLORIDA LAW BY A LICENSED CONTRACTOR. FOR INFORMATION ABOUT THE RECOVERY FUND AND FILING A CLAIM, CONTACT THE FLORIDA CONSTRUCTION INDUSTRY LICENSING BOARD AT THE FOLLOWING TELEPHONE NUMBER AND ADDRESS:

Section 24. Dispute Resolution. Should a dispute arise between the Owner and the Contractor regarding work performed pursuant to this Contract that cannot be satisfactorily resolved, the Owner and Contractor agree to participate in the Arbitration Mediation Program provided by the Better Business Bureau (BBB) of Northwest Florida, Inc., to resolve the dispute. The decision of the BBB shall be considered final by the parties. However, this shall in no way prohibit the Owner or the Contractor from further appeal.

Section 25. Public Records. The Owner and Contractor acknowledge that this Contract and any related financial records, audits, reports, plans, correspondence, and other documents related to the performance of this Contract may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. The Owner and Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Owner and Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Contract, Owner and Contractor agree to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event that any party fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the parties, and surety, if any, seven calendar days' written notice, during which period the parties still fail to allow access to such documents, terminate this Contract. In such case, the Owner and Contractor shall not be entitled to receive any further disbursement or benefit associated with this Contract.

IF THE OWNER OR CONTRACTOR HAVE QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE OWNER AND CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County/Office of the County Administrator

Section 26. Entire Contract. This instrument constitutes the entire agreement between the parties and no written or oral agreement of any kind exists to change the provision hereof.

Section 27. Permits. The Contractor shall be responsible for obtaining all permits and licenses necessary for the Project. If the Contractor performs any work without obtaining, or contrary to, any such permits or licenses necessary for the prosecution of the work, the Contractor shall bear all costs arising therefrom. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the work.

Section 28. Compliance with Laws. Contractor agrees to comply, at its sole expense, with all federal, state, and local laws, codes, statutes, ordinances, rules, regulations and requirements related to the performance of this Contract, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety.

Section 29. Assignment. This Contract, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the Contractor without the prior written consent of the County.

Section 30. Notices. Any notices shall be mailed to:

COUNTY:	OWNER:	CONTRACTOR:

All notices shall be sent by certified mail, return receipt requested.

Section 31. No Discrimination. The Owner and Contractor shall ensure that this Contract is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

Section 32. No Waiver. This Contract does not constitute a waiver of any local ordinances, codes, or regulations.

Section 33. Governing Law. This Contract is executed in Escambia County, Florida, and performance and interpretation of this Contract shall be construed in accordance with the laws of Florida. Any action relating to this Contract shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

Section 34. Severability. If any part, term, or provision of this Contract is held by the courts to

be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular part, term, or provision held to be invalid.

Section 35. Headings. The headings appearing in this Contract have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

Section 36. Authority. Each individual executing this Contract on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Contract on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Contract is binding upon each party in accordance with its terms.

FINAL RELEASE AND WARRANTY

SECTION 1: HOMEOWNER'S RELEASE

I, **Ida Dubose**, as owner of the unit located at **186 Overlook Drive, Pensacola, FL 32503,** certify and accept all work as performed and contracted by, **Bill Walther Roofing, Inc.** as complete and satisfactory. I hereby authorize final payment to **Bill Walther Roofing, Inc.** for the work done on this residence.

SECTION 2: CONTRACTOR'S OBLIGATION AND WARRANTY

I, **Bill Walther Roofing, Inc.,** as Contractor of record, for the rehabilitation of the above referenced residence, do issue a five (5) year limited labor and material warranty ending **August 28, 2025.** The warranty covers defects in materials and workmanship, which occur during normal use. I, **Ida Dubose** acknowledge that routine homeowner maintenance and/or problems caused by neglect, abuse, or improper use are not covered by this warranty. Further, after the warranty expiration date, neither the County, nor the Contractor, shall be responsible for any further work related to this Contract.

SECTION 3: HOMEOWNER/ESCAMBIA COUNTY OBLIGATIONS

As the Contractor has completed his/her contract, the Homeowner, upon acceptance of same, now causes final payment to be made to the Contractor. The Homeowner fully understands that **Bill Walther Roofing, Inc.,** the Contractor, is sole responsible party for the five (5) year warranty as specified in Section 2 of this agreement. The Homeowner understands that it is their responsibility to contact the Contractor **Bill Walther Roofing, Inc.** regarding necessary warranty work.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL ROOF PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **5th** day of **November,** by and between the ESCAMBIA COUNTY BOARD OF COUNTY COMMISSIONERS, acting in its capacity as the Escambia County Community Redevelopment Agency, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Diane Melton,** (the "Recipient"), owner(s) of residential property located at **2500 W. Godfrey Street,** Pensacola, Florida, **32505.**

WITNESSETH:

WHEREAS, the CRA has established the **Residential Roof Funding Program** (the "Program") to provide funding to qualified property owners for roofing projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient has applied for funding of the roofing project described in **EXHIBIT 1** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program funding to be provided for the benefit of the Recipient;

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. **Recitals.** The above recitals are true and correct and incorporated by reference in this Agreement.

2. **Residential Roof Program.** The CRA will pay a total amount of **$8,977** on behalf of the Recipient to the roofing contractor selected to complete the Project described in **EXHIBIT 1**. In consideration for the funds provided by the CRA, the Recipient shall execute the Lien Agreement attached to this Agreement as **EXHIBIT 2**.

3. **Project.** The Project funded by this Agreement is defined in **EXHIBIT 1.**

4. **Term.** This Agreement will terminate after five years from the date that the Lien Agreement is recorded in the public records.

5. **Indemnification.** The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

6. **Termination.** The CRA may terminate this Agreement if Recipient breaches any of its terms and provisions. A breach shall include, but not be limited to, the Recipient's failure to reside on the property as their principal residence for five years following the date

that the Lien Agreement is recorded in the public records, or conveyance of any interest in the Property, including but not limited to sale, lease, or mortgage, within five years after the date that the Lien Agreement is recorded in the public records.

7. **Notice of Termination.** The CRA will provide the Recipient with written notice of a breach and any corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the notice.

8. **Subsequent to Termination.** The CRA will provide the Recipient a written notice confirming termination of the Agreement. Within thirty (30) days of receipt of the termination notice, the Recipient shall submit a cashier's check to the CRA for the total amount of the funds disbursed under this Agreement.

9. **Inspector.** The CRA may place an inspector on the property during the Project to ensure proper expenditure of the funds provided under this Agreement. The CRA does not assume any liability for the quality of the work performed or injuries incurred during the Project.

10. **Payment Process.** When the Project is completed, the CRA will disburse the funds directly to the roofing contractor. The CRA will not disburse any funds for unauthorized goods, services, or equipment other than those described in **EXHIBIT 1**.

11. **Public Records.** The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents will be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. If the Recipient fails to comply with the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement.

12. **Audit.** The CRA or the Clerk of the Circuit Court/Finance Division may audit or review any records or documents related to this Agreement.

13. **Amendments.** Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

14. **Notice.** Any notices to the County shall be mailed to:

County:
Megan Polk
Development Program Manager
Neighborhood and Human Services Dept.
Community Redevelopment Agency
221 Palafox Place, Ste. 305
Pensacola, Florida 32502

Recipient:
Diane Melton
2500 W. Godfrey Street
Pensacola, Florida 32505

All notices shall be sent by certified mail, return receipt requested.

15. **Entire Agreement.** This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

16. **No Waiver.** This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

17. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

18. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

19. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

20. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

INCOME-BASED ROOF PROGRAM CONTRACT

THIS CONTRACT is made and entered into by and between **Diane Melton** (hereinafter referred to as "Owner"), and **Bill Walther Roofing, Inc.** (hereinafter referred to as "Contractor"), and Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County").

W I T N E S S E T H:

WHEREAS, the County, acting by and through the Community Redevelopment Agency (hereinafter referred to as "CRA"), has established the **Income-Based Roof Program** (hereinafter referred to as the "Program") to provide loans to qualified income eligible property owners to fund repairs to homestead property; and

WHEREAS, the Owner submitted an application with the CRA for a loan to fund certain repairs as provided herein; and

WHEREAS, the Contractor was selected by competitive bid to complete said repairs as provided herein; and

WHEREAS, the parties hereto wish to define their rights and responsibilities as it relates to the Program.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Contract, and other good and valuable consideration, the parties agree as follows:

Section 1. Recitals. The recitals contained in the preamble of this Contract are declared to be true and correct and are hereby incorporated into this Contract.

Section 2. Scope of Work. The Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the renovation and rehabilitation of the subject property located at **2500 W. Godfrey Street, Pensacola, Florida 32505** (hereinafter referred to as "Project"), in accordance with the Scope of Work, attached hereto as **Exhibit A**. In the event there is any conflict between the provisions of this Contract and the provisions of any other contract documents, the provisions of this Contract shall in all cases prevail.

Section 3. Contract Amount. In consideration of the faithful performance by Contractor of the covenants in this Contract to the full satisfaction and acceptance of the CRA, the County agrees to pay, or cause to be paid, to Contractor an amount not to exceed the total sum of **$6,340** (hereinafter referred to as the "Contract Amount") for the completion of the Project in accordance with the Scope of Work referenced above.

Section 4. Method of Payment. Contractor may request payments by the submission of a properly executed original invoice with appropriate supporting documentation. Payments will be

made within fifteen (15) calendar days of the date of approval by the Clerk of the Circuit Court. All payments will be provided to the Contractor directly from the Clerk of the Circuit Court's office by mail or direct deposit as determined by the Contractor.

Contractor's acceptance of payments hereunder shall constitute a full waiver of any and all claims by Contractor against the County arising out of this Contract or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final inspection.

The County may decline to approve payment(s), or portions thereof, to such extent as may be necessary in the County's opinion to protect it from loss due to: (a) Defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the work by the Contractor; or (g) any other material breach of the Contract.

All payments under this Contract and interest on any late payments shall be governed by and construed in accordance with the Florida Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

Section 5. Bonds. If the Contract Amount exceeds $25,000, the Contractor shall provide Performance and Payment Bonds in the form prescribed in **Exhibit B**, in the amount of 100% of the Contract Amount. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to the County; provided, however, the surety shall be rated as "A-" (excellent) or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holders' surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval. Failure by Contractor to maintain its bonds in full force and effect at all times, including the warranty period, shall be grounds for termination of this Contract.

Pursuant to §255.05, Florida Statutes, the Contractor shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the project sufficient to identify it. (The filing costs are $10.00 for the first page and $8.50 for each remaining page.)

Section 6. Notice to Proceed. The CRA shall issue a written Notice to Proceed to the Contractor within **thirty (30) calendar days** from the date of award. Contractor shall commence

work within **seven (7) calendar days** from the Commencement Date specified in the Notice to Proceed. No work shall be performed at the Project site prior to the Commencement Date.

Section 7. Contract Time and Liquidated Damages. Time is of the essence in the performance of the work under this Contract. The Project shall be complete within **thirty (30) calendar days** from the Commencement Date specified in the Notice to Proceed. Should Contractor fail to complete the Project within the time period noted above, the County shall be entitled to assess, as liquidated damages, but not as a penalty, **$50.00** for each calendar day thereafter until substantial completion is achieved.

The Project shall be deemed to be complete on the date that all required documentation (Contractor Invoice, Contractors Final Payment Affidavit, Final Release and Warranty and Permit/Final Inspection Passed) is received by the County and the CRA certifies in writing that the Project has been completed in accordance with the contract documents so that the Project can be utilized for the purposes for which it is intended. Completion of these items will be required prior to final inspection and issuance of a final Certificate of Payment as provided in **Section 11** below.

Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the actual damages at the time of contracting if Contractor fails to substantially complete the Project in accordance with the progress schedule.

When any period of time is defined by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday.

Section 8. Delays. Should Contractor be obstructed or delayed in the prosecution of or completion of the work as a result of the Owner's unreasonable interference or other unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall notify the CRA in writing within **forty-eight (48) hours** after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which Contractor may have had to request a time extension.

No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early

completion, as well as to claims based on late completion.

Section 9. Change Orders. After the execution of this Contract, no change in the scope, quantity, or quality of work will be undertaken without the prior written approval of the CRA. Any changes requested by the Owner or Contractor must be submitted in writing to the CRA and must detail all proposed work and cost. The Owner or Contractor's preference shall not be cause for a Change Order. Furthermore, the Contractor shall not be entitled to additional compensation as a result of the Contractor's failure to properly evaluate the extent of the work, as related to the work specifications.

The CRA shall have the right at any time during the progress of the work to increase or decrease the work. After being notified of an authorized change, Contractor shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the work shall be made except upon written order of the CRA, and the County and CRA shall not be liable to the Contractor for any increased compensation without such written order.

A Change Order, in the form attached as **Exhibit C** to this Contract, shall be issued and executed promptly after an agreement is reached between Contractor, Owner, and the CRA concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as the CRA, Owner, and Contractor shall mutually agree. The Owner shall execute a Modification of Mortgage and/or Lien, as appropriate, which coincides with any cost increase or decrease resulting from the Change Order.

Section 10. Project Site Protection. Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the work. Upon the completion of the work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy.

Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery shall be protected by Contractor from damage during the prosecution of the work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the work.

Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the work or adjacent property to stresses or pressures that will endanger it.

Section 11. Final Completion. The Contractor shall provide the CRA with written notice that the Project is complete and ready for final inspection, and the CRA shall promptly make such inspection.

After the Project is ready for final inspection by the CRA, the Contractor shall submit to the CRA: (1) a Release and Affidavit in the form attached as **Exhibit D;** (2) if requested by CRA, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract, to the extent and in such form as may be designated by CRA; and (3) Owner's Final Release and Warranty. The CRA reserves the right to inspect the work and make an independent determination as to the work's acceptability.

If the CRA finds the work acceptable and fully performed in accordance with the Contract Documents and upon receiving the documentation described above, the CRA shall promptly issue a final Certificate for Payment, stating that, on the basis of observations and inspections, the work has been completed in accordance with the terms and conditions of the Contract and that any remaining balance due the Contractor is due and payable. If Owner does not consent to sign Homeowner's Final Release and Warranty, the CRA, after documentation of acceptable completion of work and reasonable effort to secure signoff from the Owner, shall cause final Certificate for Payment to be issued to the Contractor.

Section 12. Tests and Inspections. The CRA, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the work, whether performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide CRA with timely notice of readiness of the work for all required inspections, tests or approvals.

If the Contract or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the work to be specifically inspected, tested or approved, the Contractor shall assume full responsibility therefor, pay all costs in connection therewith and furnish the CRA the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the CRA.

If any work that is to be inspected, tested or approved is covered without written concurrence from the CRA, such work must, if requested by the CRA, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given the CRA timely notice of Contractor's intention to cover the same and the CRA has not acted with reasonable promptness to respond to such notice. If any work is covered contrary to written directions from the CRA, such work must, if requested by the CRA, be uncovered for the CRA's observation and be replaced at Contractor's sole expense.

The CRA, or other County officials as may be designated by the CRA, reserves the right to place inspectors at the Project site in order to ensure proper expenditure of the funds provided under this Contract. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

Section 13. Reports. The Contractor shall maintain in a safe place at the Project site one copy of the all documents related to the performance of this Contract, as well as all shop

drawings and other Contractor submittals and all written interpretations and clarifications issued by the CRA, in good order and annotated to show all changes made during construction.

The Contractor shall keep all records and supporting documentation which relate to the work hereunder for a minimum of five (5) years from the date of termination of this Contract or the date the Project is completed, whichever is later. The CRA, the Clerk of the Circuit Court/Finance Division, or any duly authorized agents or representatives of the County, shall have the right to audit, inspect, and copy all such records and documentation relating to this Contract as often as they deem necessary during the period of this Contract and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 14. Defective Work. Work not conforming to the requirements of the Contract shall be deemed Defective Work. If required by the CRA, the Contractor shall either cure all Defective Work, whether or not fabricated, installed or completed, or, if the Defective Work has been rejected by the CRA, remove it from the site and replace it. The Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold the CRA and County harmless for the same.

If the CRA considers it necessary or advisable that covered work be observed by the CRA or inspected or tested by others, the Contractor, at the CRA's request, shall uncover, expose or otherwise make available for observation, inspection or tests as the CRA may require, that portion of the work in question, furnishing all necessary labor, material and equipment. If it is found that such work is Defective Work, the Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and the CRA shall be entitled to an appropriate decrease in the Contract Amount. If, however, such work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

If any portion of the work is Defective Work, or the Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the work to conform to the requirements of the Contract, the CRA may order the Contractor to stop the work, or any portion thereof, until the cause for such order has been eliminated; however, this right of the CRA to stop the work shall not give rise to any duty on the part of the CRA to exercise this right for the benefit of the Contractor or any other party.

Should the CRA determine, at its sole opinion, it is in the County's best interest to accept Defective Work, the CRA may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the CRA's evaluation of and determination to accept Defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such Defective Work, incorporating the necessary revisions in the Contract and reflecting an appropriate decrease in the Contract Amount. If the CRA accepts such

Defective Work after final payment, Contractor shall promptly pay CRA an appropriate amount to adequately compensate for its acceptance of the Defective Work.

If Contractor fails, within a reasonable time after the written notice from the CRA, to correct Defective Work or to remove and replace rejected Defective Work as required by the CRA, or if Contractor fails to perform the work in accordance with the Contract, or if Contractor fails to comply with any of the provisions of the Contract, the CRA may, after **seven (7) calendar days'** written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, the CRA may exclude Contractor from any or all of the Project site, take possession of all or any part of the work, and suspend the Contractor's services related thereto, take possession of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the work all materials and equipment stored at the Project site or for which the CRA has paid the Contractor but which are stored elsewhere. The Contractor shall allow the CRA, and its respective representatives, agents, and employees such access to the Project site as may be necessary to enable the CRA to exercise the rights and remedies under this Section. All direct, indirect and consequential costs of the CRA in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or other property destroyed or damaged by correction, removal or replacement of Contractor's Defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the work attributable to the exercise of the CRA's rights and remedies hereunder.

Section 15. Termination.

15.1 Termination for Contractor's Default. The Contractor shall be considered in material default of the Contract and such default shall be considered cause for the CRA to terminate the Contract, in whole or in part, as further set forth in this Section, if the Contractor: (a) fails to begin the work within the time specified herein; or (b) fails to properly and timely perform the work as directed by the CRA; or (c) performs the work unsuitably or neglects or refuses to remove materials or to correct or replace such work as may be rejected as unacceptable or unsuitable; or (d) discontinues the prosecution of the work; or (e) fails to resume work that has been suspended within a reasonable time after being notified to do so; or (f) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (g) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (h) makes an assignment for the benefit of creditors; or (i) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the work; or (j) materially breaches any other provision of the Contract.

The CRA shall notify Contractor in writing of Contractor's default(s). If the CRA determines that Contractor has not remedied and cured the default(s) within **seven (7) calendar days** following receipt by Contractor of said written notice of default, the County may terminate Contractor's right to proceed under the Contract, in whole or in part, and take possession of all or any portion

of the work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's work by whatever means, method or agency which County, in its sole discretion, may choose.

If the CRA deems any of the foregoing remedies necessary, Contractor agrees that it shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by the County incident to such completion shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, the Contractor agrees to pay promptly to the County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, and this obligation for payment, shall survive termination of the Contract.

The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the work and providing labor, materials, equipment, supplies, and other items therefor or re-letting the work, in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the work hereunder.

If, after notice of termination of the Contractor's right to proceed pursuant to this Section, it is determined for any reason that the Contractor was not in default, or that its default was excusable, or that the County is not entitled to the remedies against Contractor provided herein, then the Contractor's remedies against the County shall be the same as and limited to those afforded Contractor below.

15.2 Termination for Owner's Default. The Owner shall be considered in material default of the Contract, and such default shall be considered cause for County to terminate the Contract, if the Owner: (a) cancels the Project after the Owner's Right to Rescind has expired; (b) fails to allow necessary ingress and egress on the subject property; (c) if applicable, fails to timely vacate the premises prior to the Project Commencement Date; (d) otherwise obstructs or delays the prosecution of or completion of the work; or (e) materially breaches any other provision of the Contract.

The CRA shall notify Owner in writing of Owner's default. If the CRA determines that the Owner has not remedied and cured the default within **seven (7) calendar days** following receipt of said written notice of default then the Contract may be terminated by the County.

Any Project costs incurred prior to the date of termination or Project funding paid on the Owner's behalf, including, but not limited to, temporary relocation payment, moving/storage payment, title

search fee, procurement costs, permit fees, work completed by the Contractor as of the date of termination, and costs incurred for special order materials, shall be repaid to the County by the Owner. Within **thirty (30) calendar days** of receipt of the notice of termination, the Owner shall submit a cashier's check to the County for the total amount of any costs incurred or funds disbursed under this Contract through the date of Owner's termination. If Owner fails to return such funds, the County may initiate legal action to recover the total amount expended.

15.3 Termination for Convenience. The County shall have the right to terminate this Contract without cause upon **seven (7) calendar days'** written notice of termination to the Contractor and Owner. In the event of such termination for convenience, Contractor's recovery against the County shall be limited to that portion of the Contract Amount earned through the date of termination, but the Contractor shall not be entitled to any other or further recovery against the County, including, but not limited to, damages or any anticipated profit on portions of the work not performed. The Owner shall not be liable for any Project costs incurred through the date of termination but shall return any unencumbered funds advanced to the Owner.

15.4 Termination for Lack of Funding. The parties acknowledge that this Contract is based upon the availability of Tax Increment Financing (TIF) funds, pursuant to F.S. Chapter 163, the Community Redevelopment Act, and the County reserves the right to cancel same upon providing **seven (7) calendar days'** written notice to the Contractor and Owner should funding cease to be available. In the event of such termination for lack of funding, the Contractor will be paid for the work completed as of the contract termination date. The Owner shall not be liable for any Project costs incurred through the date of termination.

15.5 Notice of Suspension. The County shall have the right to suspend all or any portions of the work upon providing the Contractor **two (2) calendar days'** written notice of such suspension. If all or any portion of the work is so suspended, the Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Contract with respect to that portion of the work which is subject to the ordered suspension.

Section 16. Indemnification. To the extent permitted by law, the Contractor and Owner covenant and agree to, and do hereby indemnify and hold harmless and defend the County, CRA, and the State of Florida and their agents, directors, and employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of this Contract or the work to be performed hereunder.

Section 17. Insurance. The Contractor and any subcontractors who may perform work in connection with this Project are required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies.

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles.

(c) Florida statutory Workers' Compensation or proof of exemption.

If the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

The Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least **thirty (30) calendar days'** notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County Neighborhood Enterprise Division, 221 Palafox Place, Suite 200, Pensacola, FL 32502.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Escambia County, 221 Palafox Place, Suite 200, Pensacola, Florida 32502 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

Neither the Contractor nor any subcontractor shall commence work under this Contract until all insurance required under this section has been secured and such insurance has been approved by the CRA.

Section 18. Subcontracts. The Contractor may subcontract work under this Contract with the prior written consent of the County. Regardless of any subcontract, the Contractor shall remain responsible for all work performed under this Contract. The Contractor agrees to be responsible for the fulfillment of all work included in any subcontract and further agrees to be responsible for payment of all monies due to under any subcontract. It is understood and agreed that the County shall not be liable to any subcontractor for any expenses or liabilities incurred by Contractor under a subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

Section 19. Independent Contractor Status. In the performance of this Contract hereunder, the Contractor and Owner shall be independent contractors. Neither the Contractor nor Owner shall hold itself out as an employee, agent or servant of the County; and neither shall have the power or authority to bind the County in any promise, agreement or representation, other than

as specifically provided in this Contract or as may be expressly provided hereafter in writing by an authorized official of the County.

Section 20. Warranty. The Contractor hereby guarantees the improvements detailed in the Scope of Work, attached hereto as **Exhibit A**, for a period of five (5) years from the date of final inspection and acceptance of all work performed pursuant to this Contract. Should any defects arise during that period, the Owner shall provide written notice to the Contractor and CRA.

It is further agreed that the Contractor will obtain and assign to the Owner, c/o the County, all express warranties given to Contractor or any subcontractors by any materialmen supplying materials, equipment or fixtures to be incorporated into the Project.

Section 21. Utilities. The Owner will permit the Contractor to use at no extra cost, existing utilities such as lights, electrical power, and water necessary to complete the Project.

Section 22. Owner's Responsibilities. The Owner shall at all times cooperate with the Contractor and County to facilitate the performance of the work, including the removal of rugs, draperies, wall coverings, and furniture, when necessary, prior to the commencement of the project. The Contractor is not responsible for removal of Owner's trash and/or discarded belongings or furnishings. The Owner is responsible for reinstallation of area rugs, draperies, wall coverings and/or furniture at project completion unless otherwise specified in the Project Scope of Work. The Owner shall allow and maintain a route of ingress and egress for Contractor's equipment on the subject property. If applicable, the Owner shall timely vacate the premises prior to the Commencement Date of the Project.

Section 23. Notice to Owner of Florida's Construction Lien Law & Recovery Fund.

ACCORDING TO FLORIDA'S CONSTRUCTION LIEN LAW (SECTIONS 713.001-713.37, FLORIDA STATUTES), THOSE WHO WORK ON YOUR PROPERTY OR PROVIDE MATERIALS AND SERVICES AND ARE NOT PAID IN FULL HAVE A RIGHT TO ENFORCE THEIR CLAIM FOR PAYMENT AGAINST YOUR PROPERTY. THIS CLAIM IS KNOWN AS A CONSTRUCTION LIEN. IF YOUR CONTRACTOR OR A SUBCONTRACTOR FAILS TO PAY SUBCONTRACTORS, SUB-SUBCONTRACTORS, OR MATERIAL SUPPLIERS, THOSE PEOPLE WHO ARE OWED MONEY MAY LOOK TO YOUR PROPERTY FOR PAYMENT, EVEN IF YOU HAVE ALREADY PAID YOUR CONTRACTOR IN FULL. IF YOU FAIL TO PAY YOUR CONTRACTOR, YOUR CONTRACTOR MAY ALSO HAVE A LIEN ON YOUR PROPERTY. THIS MEANS IF A LIEN IS FILED YOUR PROPERTY COULD BE SOLD AGAINST YOUR WILL TO PAY FOR LABOR, MATERIALS, OR OTHER SERVICES THAT YOUR CONTRACTOR OR A SUBCONTRACTOR MAY HAVE FAILED TO PAY. TO PROTECT YOURSELF, YOU SHOULD STIPULATE IN THIS CONTRACT THAT BEFORE ANY PAYMENT IS MADE, YOUR CONTRACTOR IS REQUIRED TO PROVIDE YOU WITH A WRITTEN RELEASE OF LIEN FROM ANY PERSON OR COMPANY THAT HAS PROVIDED TO YOU A "NOTICE TO OWNER." FLORIDA'S CONSTRUCTION LIEN LAW IS COMPLEX, AND IT IS RECOMMENDED THAT YOU CONSULT AN ATTORNEY.

According to Florida Statutes 489.1425 (1) regarding the FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND:

PAYMENT MAY BE AVAILABLE FROM THE FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND IF YOU LOSE MONEY ON A PROJECT PERFORMED UNDER CONTRACT, WHERE THE LOSS RESULTS FROM SPECIFIED VIOLATIONS OF FLORIDA LAW BY A LICENSED CONTRACTOR. FOR INFORMATION ABOUT THE RECOVERY FUND AND FILING A CLAIM, CONTACT THE FLORIDA CONSTRUCTION INDUSTRY LICENSING BOARD AT THE FOLLOWING TELEPHONE NUMBER AND ADDRESS:

Division of Professions
Construction Industry Licensing Board
1940 North Monroe Street
Tallahassee, FL 32399

Section 24. Dispute Resolution. Should a dispute arise between the Owner and the Contractor regarding work performed pursuant to this Contract that cannot be satisfactorily resolved, the Owner and Contractor agree to participate in the Arbitration Mediation Program provided by the Better Business Bureau (BBB) of Northwest Florida, Inc., to resolve the dispute. The decision of the BBB shall be considered final by the parties. However, this shall in no way prohibit the Owner or the Contractor from further appeal.

Section 25. Public Records. The Owner and Contractor acknowledge that this Contract and any related financial records, audits, reports, plans, correspondence, and other documents related to the performance of this Contract may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. The Owner and Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Owner and Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Contract, Owner and Contractor agree to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event that any party fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the parties, and surety, if any, seven calendar days' written notice, during which period the parties still fail to allow access to such documents, terminate this Contract. In such case, the Owner and Contractor shall not be entitled to receive any further disbursement or benefit associated with this Contract.

IF THE OWNER OR CONTRACTOR HAVE QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE OWNER AND CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County/Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, FL 32502
850-595-4947

Section 26. Entire Contract. This instrument constitutes the entire agreement between the parties and no written or oral agreement of any kind exists to change the provision hereof.

Section 27. Permits. The Contractor shall be responsible for obtaining all permits and licenses necessary for the Project. If the Contractor performs any work without obtaining, or contrary to, any such permits or licenses necessary for the prosecution of the work, the Contractor shall bear all costs arising therefrom. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the work.

Section 28. Compliance with Laws. Contractor agrees to comply, at its sole expense, with all federal, state, and local laws, codes, statutes, ordinances, rules, regulations and requirements related to the performance of this Contract, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety.

Section 29. Assignment. This Contract, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the Contractor without the prior written consent of the County.

Section 30. Notices. Any notices shall be mailed to:

COUNTY:	OWNER:	CONTRACTOR:

All notices shall be sent by certified mail, return receipt requested.

Section 31. No Discrimination. The Owner and Contractor shall ensure that this Contract is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

Section 32. No Waiver. This Contract does not constitute a waiver of any local ordinances, codes, or regulations.

Section 33. Governing Law. This Contract is executed in Escambia County, Florida, and performance and interpretation of this Contract shall be construed in accordance with the laws of Florida. Any action relating to this Contract shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

Section 34. Severability. If any part, term, or provision of this Contract is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular part, term, or provision held to be invalid.

Section 35. Headings. The headings appearing in this Contract have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

Section 36. Authority. Each individual executing this Contract on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Contract on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Contract is binding upon each party in accordance with its terms.

IN WITNESS WHEREOF, the parties hereto have made and executed this Contract on the respective dates under each signature:

FINAL RELEASE AND WARRANTY

SECTION 1: HOMEOWNER'S RELEASE

I, **Diane Melton**, as owner of the unit located at **2500 W. Godfrey, Pensacola, FL 32505,** certify and accept all work as performed and contracted by, **Bill Walther Roofing, Inc.** as complete and satisfactory. I hereby authorize final payment to **Bill Walther Roofing, Inc.** for the work done on this residence.

SECTION 2: CONTRACTOR'S OBLIGATION AND WARRANTY

I, **Bill Walther Roofing, Inc.,** as Contractor of record, for the rehabilitation of the above referenced residence, do issue a five (5) year limited labor and material warranty ending **August 20, 2025.** The warranty covers defects in materials and workmanship, which occur during normal use. I, **Diane Melton** acknowledge that routine homeowner maintenance and/or problems caused by neglect, abuse, or improper use are not covered by this warranty. Further, after the warranty expiration date, neither the County, nor the Contractor, shall be responsible for any further work related to this Contract.

SECTION 3: HOMEOWNER/ESCAMBIA COUNTY OBLIGATIONS

As the Contractor has completed his/her contract, the Homeowner, upon acceptance of same, now causes final payment to be made to the Contractor. The Homeowner fully understands that **Bill Walther Roofing, Inc.,** the Contractor, is sole responsible party for the five (5) year warranty as specified in Section 2 of this agreement. The Homeowner understands that it is their responsibility to contact the Contractor **Bill Walther Roofing, Inc.** regarding necessary warranty work.

ESCAMBIA COUNTY COMMUNITY REDEVELOPMENT AGENCY
RESIDENTIAL ROOF PROGRAM FUNDING AGREEMENT

THIS FUNDING AGREEMENT is made and entered into this **5th** day of **November,** by and between the ESCAMBIA COUNTY BOARD OF COUNTY COMMISSIONERS, acting in its capacity as the Escambia County Community Redevelopment Agency, (the "CRA"), 221 Palafox Place, Pensacola, Florida 32502 and **Evelyn Pate and Samuel Pate,** (the "Recipient"), owner(s) of residential property located at **1126 Medford Avenue,** Pensacola, Florida, **32505.**

WITNESSETH:

WHEREAS, the CRA has established the **Residential Roof Funding Program** (the "Program") to provide funding to qualified property owners for roofing projects within the boundaries of the County's designated Community Redevelopment Areas; and

WHEREAS, the Recipient has applied for funding of the roofing project described in **EXHIBIT 1** of this Agreement (the "Project"); and

WHEREAS, the parties wish to define their rights and obligations with respect to the Project and the Program funding to be provided for the benefit of the Recipient;

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. **Recitals.** The above recitals are true and correct and incorporated by reference in this Agreement.

2. **Residential Roof Program.** The CRA will pay a total amount of **$11,483** on behalf of the Recipient to the roofing contractor selected to complete the Project described in **EXHIBIT 1**. In consideration for the funds provided by the CRA, the Recipient shall execute the Lien Agreement attached to this Agreement as **EXHIBIT 2**.

3. **Project.** The Project funded by this Agreement is defined in **EXHIBIT 1.**

4. **Term.** This Agreement will terminate after five years from the date that the Lien Agreement is recorded in the public records.

5. **Indemnification.** The Recipient shall indemnify, defend, and hold harmless the CRA, including its elected officials, Board members, agents and employees, from and against all claims, suits, actions, damages, losses, and expenses, including but not limited to attorney's fees and costs, arising out of or resulting from this Agreement, the Project, or any other activities under this Agreement.

6. **Termination.** The CRA may terminate this Agreement if Recipient breaches any of its terms and provisions. A breach shall include, but not be limited to, the Recipient's failure to reside on the property as their principal residence for five years following the date

that the Lien Agreement is recorded in the public records, or conveyance of any interest in the Property, including but not limited to sale, lease, or mortgage, within five years after the date that the Lien Agreement is recorded in the public records.

7. **Notice of Termination.** The CRA will provide the Recipient with written notice of a breach and any corrective action. This Agreement shall terminate automatically if the Recipient fails to remedy the breach to the CRA's satisfaction within fifteen (15) days of the Recipient's receipt of the notice.

8. **Subsequent to Termination.** The CRA will provide the Recipient a written notice confirming termination of the Agreement. Within thirty (30) days of receipt of the termination notice, the Recipient shall submit a cashier's check to the CRA for the total amount of the funds disbursed under this Agreement.

9. **Inspector.** The CRA may place an inspector on the property during the Project to ensure proper expenditure of the funds provided under this Agreement. The CRA does not assume any liability for the quality of the work performed or injuries incurred during the Project.

10. **Payment Process.** When the Project is completed, the CRA will disburse the funds directly to the roofing contractor. The CRA will not disburse any funds for unauthorized goods, services, or equipment other than those described in **EXHIBIT 1**.

11. **Public Records.** The Recipient acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents will be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. If the Recipient fails to comply with the provisions of Chapter 119, Florida Statutes, the CRA may terminate this Agreement.

12. **Audit.** The CRA or the Clerk of the Circuit Court/Finance Division may audit or review any records or documents related to this Agreement.

13. **Amendments.** Any amendments to this Agreement shall be in writing executed by both parties with the same formalities as this Agreement.

14. **Notice.** Any notices to the County shall be mailed to:

County:
Megan Polk
Development Program Manager
Neighborhood and Human Services Dept.
Community Redevelopment Agency
221 Palafox Place, Ste. 305
Pensacola, Florida 32502

Recipient:
Evelyn Pate
Samuel Pate
1126 Medford Avenue
Pensacola, Florida 32505

All notices shall be sent by certified mail, return receipt requested.

15. **Entire Agreement.** This Agreement contains the entire agreement between the parties and no representations, inducements, promises, or other agreements between the parties not contained in this Agreement will be of any force and effect.

16. **No Waiver.** This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

17. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

18. If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

19. The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

20. If any date herein set forth for the performance of any obligations, or the delivery of any instrument, or for the giving of any notice by the parties such as herein provided, shall be on Saturday, Sunday, or legal holiday such compliance shall be deemed acceptable on the next business day following such Saturday, Sunday, or legal holiday.

INCOME-BASED ROOF PROGRAM CONTRACT

THIS CONTRACT is made and entered into by and between **Evelyn Pate and Samuel Pate** (hereinafter referred to as "Owner"), and **Bill Walther Roofing, Inc.** (hereinafter referred to as "Contractor"), and Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County").

W I T N E S S E T H:

WHEREAS, the County, acting by and through the Community Redevelopment Agency (hereinafter referred to as "CRA"), has established the **Income-Based Roof Program** (hereinafter referred to as the "Program") to provide loans to qualified income eligible property owners to fund repairs to homestead property; and

WHEREAS, the Owner submitted an application with the CRA for a loan to fund certain repairs as provided herein; and

WHEREAS, the Contractor was selected by competitive bid to complete said repairs as provided herein; and

WHEREAS, the parties hereto wish to define their rights and responsibilities as it relates to the Program.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Contract, and other good and valuable consideration, the parties agree as follows:

Section 1. Recitals. The recitals contained in the preamble of this Contract are declared to be true and correct and are hereby incorporated into this Contract.

Section 2. Scope of Work. The Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the renovation and rehabilitation of the subject property located at **1126 Medford Avenue, Pensacola, Florida 32505** (hereinafter referred to as "Project"), in accordance with the Scope of Work, attached hereto as **Exhibit A**. In the event there is any conflict between the provisions of this Contract and the provisions of any other contract documents, the provisions of this Contract shall in all cases prevail.

Section 3. Contract Amount. In consideration of the faithful performance by Contractor of the covenants in this Contract to the full satisfaction and acceptance of the CRA, the County agrees to pay, or cause to be paid, to Contractor an amount not to exceed the total sum of **$9,129** (hereinafter referred to as the "Contract Amount") for the completion of the Project in accordance with the Scope of Work referenced above.

Section 4. Method of Payment. Contractor may request payments by the submission of a properly executed original invoice with appropriate supporting documentation. Payments will be

made within fifteen (15) calendar days of the date of approval by the Clerk of the Circuit Court. All payments will be provided to the Contractor directly from the Clerk of the Circuit Court's office by mail or direct deposit as determined by the Contractor.

Contractor's acceptance of payments hereunder shall constitute a full waiver of any and all claims by Contractor against the County arising out of this Contract or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final inspection.

The County may decline to approve payment(s), or portions thereof, to such extent as may be necessary in the County's opinion to protect it from loss due to: (a) Defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the work by the Contractor; or (g) any other material breach of the Contract.

All payments under this Contract and interest on any late payments shall be governed by and construed in accordance with the Florida Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

Section 5. Bonds. If the Contract Amount exceeds $25,000, the Contractor shall provide Performance and Payment Bonds in the form prescribed in **Exhibit B**, in the amount of 100% of the Contract Amount. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to the County; provided, however, the surety shall be rated as "A-" (excellent) or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holders' surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval. Failure by Contractor to maintain its bonds in full force and effect at all times, including the warranty period, shall be grounds for termination of this Contract.

Pursuant to §255.05, Florida Statutes, the Contractor shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the project sufficient to identify it. (The filing costs are $10.00 for the first page and $8.50 for each remaining page.)

Section 6. Notice to Proceed. The CRA shall issue a written Notice to Proceed to the Contractor within **thirty (30) calendar days** from the date of award. Contractor shall commence

work within **seven (7) calendar days** from the Commencement Date specified in the Notice to Proceed. No work shall be performed at the Project site prior to the Commencement Date.

Section 7. Contract Time and Liquidated Damages. Time is of the essence in the performance of the work under this Contract. The Project shall be complete within **thirty (30) calendar days** from the Commencement Date specified in the Notice to Proceed. Should Contractor fail to complete the Project within the time period noted above, the County shall be entitled to assess, as liquidated damages, but not as a penalty, **$50.00** for each calendar day thereafter until substantial completion is achieved.

The Project shall be deemed to be complete on the date that all required documentation (Contractor Invoice, Contractors Final Payment Affidavit, Final Release and Warranty and Permit/Final Inspection Passed) is received by the County and the CRA certifies in writing that the Project has been completed in accordance with the contract documents so that the Project can be utilized for the purposes for which it is intended. Completion of these items will be required prior to final inspection and issuance of a final Certificate of Payment as provided in **Section 11** below.

Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the actual damages at the time of contracting if Contractor fails to substantially complete the Project in accordance with the progress schedule.

When any period of time is defined by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday.

Section 8. Delays. Should Contractor be obstructed or delayed in the prosecution of or completion of the work as a result of the Owner's unreasonable interference or other unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall notify the CRA in writing within **forty-eight (48) hours** after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which Contractor may have had to request a time extension.

No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early

completion, as well as to claims based on late completion.

Section 9. Change Orders. After the execution of this Contract, no change in the scope, quantity, or quality of work will be undertaken without the prior written approval of the CRA. Any changes requested by the Owner or Contractor must be submitted in writing to the CRA and must detail all proposed work and cost. The Owner or Contractor's preference shall not be cause for a Change Order. Furthermore, the Contractor shall not be entitled to additional compensation as a result of the Contractor's failure to properly evaluate the extent of the work, as related to the work specifications.

The CRA shall have the right at any time during the progress of the work to increase or decrease the work. After being notified of an authorized change, Contractor shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the work shall be made except upon written order of the CRA, and the County and CRA shall not be liable to the Contractor for any increased compensation without such written order.

A Change Order, in the form attached as **Exhibit C** to this Contract, shall be issued and executed promptly after an agreement is reached between Contractor, Owner, and the CRA concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as the CRA, Owner, and Contractor shall mutually agree. The Owner shall execute a Modification of Mortgage and/or Lien, as appropriate, which coincides with any cost increase or decrease resulting from the Change Order.

Section 10. Project Site Protection. Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the work. Upon the completion of the work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy.

Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery shall be protected by Contractor from damage during the prosecution of the work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the work.

Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the work or adjacent property to stresses or pressures that will endanger it.

Section 11. Final Completion. The Contractor shall provide the CRA with written notice that the Project is complete and ready for final inspection, and the CRA shall promptly make such inspection.

After the Project is ready for final inspection by the CRA, the Contractor shall submit to the CRA: (1) a Release and Affidavit in the form attached as **Exhibit D;** (2) if requested by CRA, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract, to the extent and in such form as may be designated by CRA; and (3) Owner's Final Release and Warranty. The CRA reserves the right to inspect the work and make an independent determination as to the work's acceptability.

If the CRA finds the work acceptable and fully performed in accordance with the Contract Documents and upon receiving the documentation described above, the CRA shall promptly issue a final Certificate for Payment, stating that, on the basis of observations and inspections, the work has been completed in accordance with the terms and conditions of the Contract and that any remaining balance due the Contractor is due and payable. If Owner does not consent to sign Homeowner's Final Release and Warranty, the CRA, after documentation of acceptable completion of work and reasonable effort to secure signoff from the Owner, shall cause final Certificate for Payment to be issued to the Contractor.

Section 12. **Tests and Inspections.** The CRA, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the work, whether performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide CRA with timely notice of readiness of the work for all required inspections, tests or approvals.

If the Contract or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the work to be specifically inspected, tested or approved, the Contractor shall assume full responsibility therefor, pay all costs in connection therewith and furnish the CRA the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the CRA.

If any work that is to be inspected, tested or approved is covered without written concurrence from the CRA, such work must, if requested by the CRA, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given the CRA timely notice of Contractor's intention to cover the same and the CRA has not acted with reasonable promptness to respond to such notice. If any work is covered contrary to written directions from the CRA, such work must, if requested by the CRA, be uncovered for the CRA's observation and be replaced at Contractor's sole expense.

The CRA, or other County officials as may be designated by the CRA, reserves the right to place inspectors at the Project site in order to ensure proper expenditure of the funds provided under this Contract. The CRA does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the CRA shall not act in a supervisory capacity during the course of the Project.

Section 13. **Reports.** The Contractor shall maintain in a safe place at the Project site one copy of the all documents related to the performance of this Contract, as well as all shop

drawings and other Contractor submittals and all written interpretations and clarifications issued by the CRA, in good order and annotated to show all changes made during construction.

The Contractor shall keep all records and supporting documentation which relate to the work hereunder for a minimum of five (5) years from the date of termination of this Contract or the date the Project is completed, whichever is later. The CRA, the Clerk of the Circuit Court/Finance Division, or any duly authorized agents or representatives of the County, shall have the right to audit, inspect, and copy all such records and documentation relating to this Contract as often as they deem necessary during the period of this Contract and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 14. Defective Work. Work not conforming to the requirements of the Contract shall be deemed Defective Work. If required by the CRA, the Contractor shall either cure all Defective Work, whether or not fabricated, installed or completed, or, if the Defective Work has been rejected by the CRA, remove it from the site and replace it. The Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold the CRA and County harmless for the same.

If the CRA considers it necessary or advisable that covered work be observed by the CRA or inspected or tested by others, the Contractor, at the CRA's request, shall uncover, expose or otherwise make available for observation, inspection or tests as the CRA may require, that portion of the work in question, furnishing all necessary labor, material and equipment. If it is found that such work is Defective Work, the Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and the CRA shall be entitled to an appropriate decrease in the Contract Amount. If, however, such work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

If any portion of the work is Defective Work, or the Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the work to conform to the requirements of the Contract, the CRA may order the Contractor to stop the work, or any portion thereof, until the cause for such order has been eliminated; however, this right of the CRA to stop the work shall not give rise to any duty on the part of the CRA to exercise this right for the benefit of the Contractor or any other party.

Should the CRA determine, at its sole opinion, it is in the County's best interest to accept Defective Work, the CRA may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the CRA's evaluation of and determination to accept Defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such Defective Work, incorporating the necessary revisions in the Contract and reflecting an appropriate decrease in the Contract Amount. If the CRA accepts such

Defective Work after final payment, Contractor shall promptly pay CRA an appropriate amount to adequately compensate for its acceptance of the Defective Work.

If Contractor fails, within a reasonable time after the written notice from the CRA, to correct Defective Work or to remove and replace rejected Defective Work as required by the CRA, or if Contractor fails to perform the work in accordance with the Contract, or if Contractor fails to comply with any of the provisions of the Contract, the CRA may, after **seven (7) calendar days'** written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, the CRA may exclude Contractor from any or all of the Project site, take possession of all or any part of the work, and suspend the Contractor's services related thereto, take possession of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the work all materials and equipment stored at the Project site or for which the CRA has paid the Contractor but which are stored elsewhere. The Contractor shall allow the CRA, and its respective representatives, agents, and employees such access to the Project site as may be necessary to enable the CRA to exercise the rights and remedies under this Section. All direct, indirect and consequential costs of the CRA in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or other property destroyed or damaged by correction, removal or replacement of Contractor's Defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the work attributable to the exercise of the CRA's rights and remedies hereunder.

Section 15. Termination.

15.1 Termination for Contractor's Default. The Contractor shall be considered in material default of the Contract and such default shall be considered cause for the CRA to terminate the Contract, in whole or in part, as further set forth in this Section, if the Contractor: (a) fails to begin the work within the time specified herein; or (b) fails to properly and timely perform the work as directed by the CRA; or (c) performs the work unsuitably or neglects or refuses to remove materials or to correct or replace such work as may be rejected as unacceptable or unsuitable; or (d) discontinues the prosecution of the work; or (e) fails to resume work that has been suspended within a reasonable time after being notified to do so; or (f) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (g) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (h) makes an assignment for the benefit of creditors; or (i) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the work; or (j) materially breaches any other provision of the Contract.

The CRA shall notify Contractor in writing of Contractor's default(s). If the CRA determines that Contractor has not remedied and cured the default(s) within **seven (7) calendar days** following receipt by Contractor of said written notice of default, the County may terminate Contractor's right to proceed under the Contract, in whole or in part, and take possession of all or any portion

of the work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's work by whatever means, method or agency which County, in its sole discretion, may choose.

If the CRA deems any of the foregoing remedies necessary, Contractor agrees that it shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by the County incident to such completion shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, the Contractor agrees to pay promptly to the County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, and this obligation for payment, shall survive termination of the Contract.

The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the work and providing labor, materials, equipment, supplies, and other items therefor or re-letting the work, in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the work hereunder.

If, after notice of termination of the Contractor's right to proceed pursuant to this Section, it is determined for any reason that the Contractor was not in default, or that its default was excusable, or that the County is not entitled to the remedies against Contractor provided herein, then the Contractor's remedies against the County shall be the same as and limited to those afforded Contractor below.

15.2 Termination for Owner's Default. The Owner shall be considered in material default of the Contract, and such default shall be considered cause for County to terminate the Contract, if the Owner: (a) cancels the Project after the Owner's Right to Rescind has expired; (b) fails to allow necessary ingress and egress on the subject property; (c) if applicable, fails to timely vacate the premises prior to the Project Commencement Date; (d) otherwise obstructs or delays the prosecution of or completion of the work; or (e) materially breaches any other provision of the Contract.

The CRA shall notify Owner in writing of Owner's default. If the CRA determines that the Owner has not remedied and cured the default within **seven (7) calendar days** following receipt of said written notice of default then the Contract may be terminated by the County.

Any Project costs incurred prior to the date of termination or Project funding paid on the Owner's behalf, including, but not limited to, temporary relocation payment, moving/storage payment, title

search fee, procurement costs, permit fees, work completed by the Contractor as of the date of termination, and costs incurred for special order materials, shall be repaid to the County by the Owner. Within **thirty (30) calendar days** of receipt of the notice of termination, the Owner shall submit a cashier's check to the County for the total amount of any costs incurred or funds disbursed under this Contract through the date of Owner's termination. If Owner fails to return such funds, the County may initiate legal action to recover the total amount expended.

15.3 Termination for Convenience. The County shall have the right to terminate this Contract without cause upon **seven (7) calendar days'** written notice of termination to the Contractor and Owner. In the event of such termination for convenience, Contractor's recovery against the County shall be limited to that portion of the Contract Amount earned through the date of termination, but the Contractor shall not be entitled to any other or further recovery against the County, including, but not limited to, damages or any anticipated profit on portions of the work not performed. The Owner shall not be liable for any Project costs incurred through the date of termination but shall return any unencumbered funds advanced to the Owner.

15.4 Termination for Lack of Funding. The parties acknowledge that this Contract is based upon the availability of Tax Increment Financing (TIF) funds, pursuant to F.S. Chapter 163, the Community Redevelopment Act, and the County reserves the right to cancel same upon providing **seven (7) calendar days'** written notice to the Contractor and Owner should funding cease to be available. In the event of such termination for lack of funding, the Contractor will be paid for the work completed as of the contract termination date. The Owner shall not be liable for any Project costs incurred through the date of termination.

15.5 Notice of Suspension. The County shall have the right to suspend all or any portions of the work upon providing the Contractor **two (2) calendar days'** written notice of such suspension. If all or any portion of the work is so suspended, the Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Contract with respect to that portion of the work which is subject to the ordered suspension.

Section 16. Indemnification. To the extent permitted by law, the Contractor and Owner covenant and agree to, and do hereby indemnify and hold harmless and defend the County, CRA, and the State of Florida and their agents, directors, and employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of this Contract or the work to be performed hereunder.

Section 17. Insurance. The Contractor and any subcontractors who may perform work in connection with this Project are required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies.

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles.

(c) Florida statutory Workers' Compensation or proof of exemption.

If the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

The Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least **thirty (30) calendar days'** notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County Neighborhood Enterprise Division, 221 Palafox Place, Suite 200, Pensacola, FL 32502.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Escambia County, 221 Palafox Place, Suite 200, Pensacola, Florida 32502 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

Neither the Contractor nor any subcontractor shall commence work under this Contract until all insurance required under this section has been secured and such insurance has been approved by the CRA.

Section 18. Subcontracts. The Contractor may subcontract work under this Contract with the prior written consent of the County. Regardless of any subcontract, the Contractor shall remain responsible for all work performed under this Contract. The Contractor agrees to be responsible for the fulfillment of all work included in any subcontract and further agrees to be responsible for payment of all monies due to under any subcontract. It is understood and agreed that the County shall not be liable to any subcontractor for any expenses or liabilities incurred by Contractor under a subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

Section 19. Independent Contractor Status. In the performance of this Contract hereunder, the Contractor and Owner shall be independent contractors. Neither the Contractor nor Owner shall hold itself out as an employee, agent or servant of the County; and neither shall have the power or authority to bind the County in any promise, agreement or representation, other than

as specifically provided in this Contract or as may be expressly provided hereafter in writing by an authorized official of the County.

Section 20. Warranty. The Contractor hereby guarantees the improvements detailed in the Scope of Work, attached hereto as **Exhibit A**, for a period of five (5) years from the date of final inspection and acceptance of all work performed pursuant to this Contract. Should any defects arise during that period, the Owner shall provide written notice to the Contractor and CRA.

It is further agreed that the Contractor will obtain and assign to the Owner, c/o the County, all express warranties given to Contractor or any subcontractors by any materialmen supplying materials, equipment or fixtures to be incorporated into the Project.

Section 21. Utilities. The Owner will permit the Contractor to use at no extra cost, existing utilities such as lights, electrical power, and water necessary to complete the Project.

Section 22. Owner's Responsibilities. The Owner shall at all times cooperate with the Contractor and County to facilitate the performance of the work, including the removal of rugs, draperies, wall coverings, and furniture, when necessary, prior to the commencement of the project. The Contractor is not responsible for removal of Owner's trash and/or discarded belongings or furnishings. The Owner is responsible for reinstallation of area rugs, draperies, wall coverings and/or furniture at project completion unless otherwise specified in the Project Scope of Work. The Owner shall allow and maintain a route of ingress and egress for Contractor's equipment on the subject property. If applicable, the Owner shall timely vacate the premises prior to the Commencement Date of the Project.

Section 23. Notice to Owner of Florida's Construction Lien Law & Recovery Fund.

ACCORDING TO FLORIDA'S CONSTRUCTION LIEN LAW (SECTIONS 713.001-713.37, FLORIDA STATUTES), THOSE WHO WORK ON YOUR PROPERTY OR PROVIDE MATERIALS AND SERVICES AND ARE NOT PAID IN FULL HAVE A RIGHT TO ENFORCE THEIR CLAIM FOR PAYMENT AGAINST YOUR PROPERTY. THIS CLAIM IS KNOWN AS A CONSTRUCTION LIEN. IF YOUR CONTRACTOR OR A SUBCONTRACTOR FAILS TO PAY SUBCONTRACTORS, SUB-SUBCONTRACTORS, OR MATERIAL SUPPLIERS, THOSE PEOPLE WHO ARE OWED MONEY MAY LOOK TO YOUR PROPERTY FOR PAYMENT, EVEN IF YOU HAVE ALREADY PAID YOUR CONTRACTOR IN FULL. IF YOU FAIL TO PAY YOUR CONTRACTOR, YOUR CONTRACTOR MAY ALSO HAVE A LIEN ON YOUR PROPERTY. THIS MEANS IF A LIEN IS FILED YOUR PROPERTY COULD BE SOLD AGAINST YOUR WILL TO PAY FOR LABOR, MATERIALS, OR OTHER SERVICES THAT YOUR CONTRACTOR OR A SUBCONTRACTOR MAY HAVE FAILED TO PAY. TO PROTECT YOURSELF, YOU SHOULD STIPULATE IN THIS CONTRACT THAT BEFORE ANY PAYMENT IS MADE, YOUR CONTRACTOR IS REQUIRED TO PROVIDE YOU WITH A WRITTEN RELEASE OF LIEN FROM ANY PERSON OR COMPANY THAT HAS PROVIDED TO YOU A "NOTICE TO OWNER." FLORIDA'S CONSTRUCTION LIEN LAW IS COMPLEX, AND IT IS RECOMMENDED THAT YOU CONSULT AN ATTORNEY.

According to Florida Statutes 489.1425 (1) regarding the FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND:

PAYMENT MAY BE AVAILABLE FROM THE FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND IF YOU LOSE MONEY ON A PROJECT PERFORMED UNDER CONTRACT, WHERE THE LOSS RESULTS FROM SPECIFIED VIOLATIONS OF FLORIDA LAW BY A LICENSED CONTRACTOR. FOR INFORMATION ABOUT THE RECOVERY FUND AND FILING A CLAIM, CONTACT THE FLORIDA CONSTRUCTION INDUSTRY LICENSING BOARD AT THE FOLLOWING TELEPHONE NUMBER AND ADDRESS:

Division of Professions
Construction Industry Licensing Board
1940 North Monroe Street
Tallahassee, FL 32399

Section 24. Dispute Resolution. Should a dispute arise between the Owner and the Contractor regarding work performed pursuant to this Contract that cannot be satisfactorily resolved, the Owner and Contractor agree to participate in the Arbitration Mediation Program provided by the Better Business Bureau (BBB) of Northwest Florida, Inc., to resolve the dispute. The decision of the BBB shall be considered final by the parties. However, this shall in no way prohibit the Owner or the Contractor from further appeal.

Section 25. Public Records. The Owner and Contractor acknowledge that this Contract and any related financial records, audits, reports, plans, correspondence, and other documents related to the performance of this Contract may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. The Owner and Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Owner and Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Contract, Owner and Contractor agree to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event that any party fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the parties, and surety, if any, seven calendar days' written notice, during which period the parties still fail to allow access to such documents, terminate this Contract. In such case, the Owner and Contractor shall not be entitled to receive any further disbursement or benefit associated with this Contract.

IF THE OWNER OR CONTRACTOR HAVE QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE OWNER AND CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County/Office of the County Administrator

Section 26. Entire Contract. This instrument constitutes the entire agreement between the parties and no written or oral agreement of any kind exists to change the provision hereof.

Section 27. Permits. The Contractor shall be responsible for obtaining all permits and licenses necessary for the Project. If the Contractor performs any work without obtaining, or contrary to, any such permits or licenses necessary for the prosecution of the work, the Contractor shall bear all costs arising therefrom. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the work.

Section 28. Compliance with Laws. Contractor agrees to comply, at its sole expense, with all federal, state, and local laws, codes, statutes, ordinances, rules, regulations and requirements related to the performance of this Contract, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety.

Section 29. Assignment. This Contract, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the Contractor without the prior written consent of the County.

Section 30. Notices. Any notices shall be mailed to:

Section 31. No Discrimination. The Owner and Contractor shall ensure that this Contract is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

Section 32. No Waiver. This Contract does not constitute a waiver of any local ordinances, codes, or regulations.

Section 33. Governing Law. This Contract is executed in Escambia County, Florida, and performance and interpretation of this Contract shall be construed in accordance with the laws of Florida. Any action relating to this Contract shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

Section 34. Severability. If any part, term, or provision of this Contract is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular part, term, or provision held to be invalid.

Section 35. Headings. The headings appearing in this Contract have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

Section 36. Authority. Each individual executing this Contract on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Contract on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Contract is binding upon each party in accordance with its terms.

Meeting Date: 11/05/2020
Issue: Contract Award for SHIP Housing Rehabilitation Services for 23 Sandalwood Street
From: CLARA LONG, Department Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Contract Award for State Housing Initiatives Partnership Housing Rehabilitation Services for 23 Sandalwood Street - Clara Long, Neighborhood & Human Services Department Director

That the Board take the following action concerning the Contract Award for State Housing Initiatives Partnership (SHIP) Housing Rehabilitation Services for 23 Sandalwood Street:

A. Authorize the County Administrator to sign the SHIP Housing Rehabilitation Services Program Agreement, between Escambia County, Florida; Design Homebuilders, Inc., Contractor; and Wiley Reese, Owner; per the terms and conditions of NED S-R-2020-19, NED SHIP Housing Repair for 23 Sandalwood, for $34,355; and

B. Authorize the issuance of a Purchase Order.

Vendor/Contractor	Funding	Amount	Contract Number
Design Homebuilders, Inc.	Fund 120/2020 SHIP, Cost Center 370207 or 2021 SHIP/Cost Center 370208	$30,000	NED-S-R-2020-19
	Fund 124/Affordable Housing, Cost Center 370290	$4355	

BACKGROUND:

An Invitation to Bid for project NED S-R-2020-19, NED SHIP Housing Repair for 23 Sandalwood Street, was published in Vendor Registry on September 4, 2020, (Exhibit I), and accessed by 94 firms including construction resources such as the Construction Journal and Construction Bid Source. A mandatory pre-solicitation conference was held on September 11, 2020, at the property, which was attended by four firms. Sealed bids were received from three firms by the deadline of September 25, 2020, with Design Homebuilders, Inc., being the lowest, most responsive bidder (Exhibit II). The Program Agreement is provided as Exhibit III, which will award the Contract for the base bid of $34,355. SHIP funding will cover $30,000 of the repairs, which is the maximum allowed by the SHIP program as outlined in the Board approved Local Housing Assistance Plan (LHAP), with the balance to come from Affordable Housing funds.

Repairs for this property will include roof replacement; installation of new water heater; installation of new mechanical system; electrical upgrade to include installation of new meter base, smoke detectors, light fixtures, and GFCI's; installation of new exterior doors; exterior siding repairs; floor joist repairs; and associated interior wall and ceiling repairs due to code upgrades.

BUDGETARY IMPACT:

Vendor/Contractor	Funding	Amount	Contract Number
Design Homebuilders, Inc.	Fund 120/2020 SHIP, Cost Center 370207 or 2021 SHIP/Cost Center 370208	$30,000	NED-S-R-2020-19
	Fund 124/Affordable Housing, Cost Center 370290	$4355	

LEGAL CONSIDERATIONS/SIGN-OFF:

The SHIP Housing Rehabilitation Services Program Agreement has been reviewed and approved by Kristin Hual, Senior Assistant County Attorney.

PERSONNEL:

All work associated with this Recommendation was done in-house and no additional staff was required.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the Code of Ordinances of Escambia County, FL 1999, Chapter 46, Finance, Article II, Purchases and Contracts. The project and Agreement are in compliance with the SHIP LHAP and the property owner meets all eligibility guidelines for assistance under this program.

IMPLEMENTATION/COORDINATION:

The Neighborhood Enterprise Division will submit the Purchase Order and will have administrative oversight of the project.

Neighborhood Enterprise Division recommends to the BOCC to award a contract to Design Home Builders Inc for the base bid of $34,355

Status: Under Review
BCC Meeting Date: 11/5/20

SHIP HOUSING REHABILITATION SERVICES PROGRAM AGREEMENT

THIS AGREEMENT is made and entered into by and between _Wiley Reese___ (hereinafter referred to as "Owner"), and __Design Homebuilders, Inc.____ (hereinafter referred to as "Contractor"), and Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County") for the purpose of implementing a State Housing Initiatives Partnership ("SHIP") Program Project.

W I T N E S S E T H:

WHEREAS, the County has been awarded State Housing Initiatives Partnership ("SHIP") Program Grant, CSFA #40.901, which provides for the development, establishment and administration of projects to meet the unmet housing needs of low and moderate income citizens of Escambia County; and

WHEREAS, the County, acting by and through the Neighborhood Enterprise Division (hereinafter referred to as "NED"), has established the **SHIP Housing Rehabilitation Services Program** (hereinafter referred to as the "Program") to provide loans to qualified income eligible property owners to fund repairs to homestead property; and

WHEREAS, the Owner submitted an application with the NED for a SHIP Housing Rehabilitation Services loan to fund certain repairs as provided herein; and

WHEREAS, the Contractor was selected by competitive bid to complete said repairs as provided herein; and

WHEREAS, the parties hereto wish to define their rights and responsibilities as it relates to the Program.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

Section 1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

Section 2. Scope of Work. The Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the renovation and rehabilitation of the subject property located at _23 Sandalwood Street, Pensacola, FL 32505__ (hereinafter referred to as "Project"), in accordance with the *Scope of Work*, attached hereto as **Exhibit A**. In the event there is any conflict between the provisions of this Agreement and the provisions of any other contract documents, the provisions of this Agreement shall in all cases prevail.

Section 3. Contract Amount. In consideration of the faithful performance by Contractor of the covenants in this Agreement to the full satisfaction and acceptance of County, County agrees to

pay, or cause to be paid, to Contractor an amount not to exceed the total sum of $ 34,355.00 [comprised of $30,000 in SHIP funds and $4355 in Affordable Housing funds] (hereinafter referred to as the "Contract Amount") for the completion of the Project in accordance with the Scope of Work referenced above.

Section 4. Method of Payment. If the Contract Amount is $15,000 or less then the County shall issue payment to the Contractor in a single lump sum upon satisfactory completion of the Project. If the Contract Amount exceeds $15,000 then the County shall issue two payments to Contractor as follows: 40% of the Contract Amount will be paid when 50% of the scope of work is certified complete by NED; the remaining 60% of the Contract Amount will be paid upon full completion of the scope of work and acceptance by NED.

Contractor may request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of services rendered with appropriate supporting documentation. Invoices shall be submitted to:

Neighborhood Enterprise Division
221 Palafox Place, Suite 200
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

Contractor's acceptance of payments hereunder shall constitute a full waiver of any and all claims by Contractor against County arising out of this Agreement or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final inspection.

The County may decline to approve payment(s), or portions thereof, to such extent as may be necessary in the County's opinion to protect it from loss due to: (a) defective work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the work by the Contractor; or (g) any other material breach of the Agreement.

Section 5. Bonds. If the Contract Amount exceeds $25,000, the Contractor shall provide Performance and Payment Bonds, in the form prescribed in Exhibit B, in the amount of 100% of the Contract Amount. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to County; provided; however, the surety shall be rated as "A-" (excellent) or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holders' surplus, all as reported in the most

current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Documents, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval. Failure by Contractor to maintain its bonds in full force and effect at all times, including the warranty period, shall be grounds for termination of this Contract.

Pursuant to §255.05, Florida Statutes, the Contractor shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the project sufficient to identify it. (The filing costs are $10.00 for the first page and $8.50 for each remaining page).

Section 6. Notice to Proceed. The County/NED shall issue a written Notice to Proceed to the Contractor within **thirty (30) calendar days** from the date of award. Contractor shall commence work within **seven (7) calendar days** from the Commencement Date specified in the Notice to Proceed. No work shall be performed at the Project site prior to the Commencement Date.

Section 7. Contract Time and Liquidated Damages. Time is of the essence in the performance of the work under this Agreement. The Project shall be substantially complete within **thirty (30) calendar days** from the Commencement Date specified in the Notice to Proceed. Should Contractor fail to substantially complete the Project within the time period noted above, County shall be entitled to assess, as liquidated damages, but not as a penalty, **$50.00** for each calendar day thereafter until substantial completion is achieved.

The Project shall be deemed to be substantially complete on the date that the County/NED certifies in writing that the Project has been completed in accordance with the contract documents, so that the Project can be utilized for the purposes for which it is intended. Along with such certification, the County/NED shall compile a “punch list” of any remaining exceptions that do not adversely affect the use of the Project. Completion of these items will be required prior to final inspection and issuance of a final Certificate of Payment as provided in **Section 11** below.

Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the actual damages at the time of contracting if Contractor fails to substantially complete the Project in accordance with the progress schedule.

When any period of time is referenced to by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday.

Section 8. Delays. Should Contractor be obstructed or delayed in the performance or completion of the work as a result of the Owner's unreasonable interference or other unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not limited to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall notify the County/NED in writing within **forty-eight (48) hours** after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which Contractor may have had to request a time extension.

No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

Section 9. Change Orders. After the execution of this Agreement, no change in the scope, quantity, or quality of work will be undertaken without the prior written approval of the County/NED. Any changes requested by the Owner or Contractor must be submitted in writing to the County/NED and must detail all proposed work and cost. The Owner or Contractor's preference shall not be cause for a Change Order. Furthermore, the Contractor shall not be entitled to additional compensation as a result of the Contractor's failure to properly evaluate the extent of the work, as related to the work specifications.

The County/NED shall have the right at any time during the progress of the work to increase or decrease the work. After being notified of an authorized change, Contractor shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the work shall be made except upon written order of the County/NED, and the County/NED shall not be liable to the Contractor for any increased compensation without such written order.

A *Change Order*, in the form attached as **Exhibit C** to this Agreement, shall be issued and executed promptly after an agreement is reached between Contractor, Owner, and the County/NED concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as the County/NED, Owner, and Contractor shall mutually agree. The Owner shall execute a Modification of Mortgage and/or Lien, as appropriate, which coincides with any cost increase or decrease resulting from the Change Order.

Section 10. Project Site Protection. Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the work. Upon the completion of the work, Contractor shall remove all debris, rubbish and waste materials from and about the

Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy.

Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery shall be protected by Contractor from damage during the prosecution of the work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the work.

Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the work or adjacent property to stresses or pressures that will endanger it.

Section 11. **Final Completion.** The Contractor shall provide the County/NED with written notice that the Project is complete and ready for final inspection, and the County/NED shall promptly make such inspection.

After the Project is ready for final inspection by the County/NED, the Contractor shall submit to County: (1) a *Release and Affidavit* in the form attached as **Exhibit D;** (2) if requested by County/NED, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Agreement, to the extent and in such form as may be designated by County; and (3) Owner's Final Release and Warranty. County reserves the right to inspect the work and make an independent determination as to the work's acceptability.

If the County/NED finds the work acceptable and fully performed in accordance with the Contract Documents and upon receiving the documentation described above, the County/NED shall promptly issue a final *Certificate for Payment*, stating that, on the basis of observations and inspections, the work has been completed in accordance with the terms and conditions of the Agreement and that any remaining balance due the Contractor is due and payable. If Owner does not consent to sign Homeowner's Final Release and Warranty, the County/NED, after documentation of acceptable completion of work and reasonable effort to secure signoff from the Owner, shall cause final Certificate for Payment to be issued to the Contractor.

Section 12. **Tests and Inspections.** The County/NED, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the work, whether performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide County with timely notice of readiness of the work for all required inspections, tests or approvals.

If the Agreement or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the work to be specifically inspected, tested or approved, Contractor shall assume full responsibility therefor, pay all costs in connection therewith and furnish County the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by

organizations acceptable to the County.

If any work that is to be inspected, tested or approved is covered without written concurrence from the County, such work must, if requested by County, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given County timely notice of Contractor's intention to cover the same and County has not acted with reasonable promptness to respond to such notice. If any work is covered contrary to written directions from County, such work must, if requested by County, be uncovered for County's observation and be replaced at Contractor's sole expense.

The County/NED, or other County officials as may be duly authorized by the NED, reserves the right to place inspectors at the Project site in order to ensure proper expenditure of the funds provided under this Agreement. The County/NED does not assume any liability for the quality of work performed or injuries incurred during the performance of the Project. Further, the County/NED shall not act in a supervisory capacity during the course of the Project.

Section 13. Contract Documents. Contractor shall maintain at the Project site one copy of all documents related to the performance of this Agreement, as well as all shop drawings and other Contractor submittals and all written interpretations and clarifications issued by the County. Said documents shall be maintained in good order and annotated to show all changes made during the course of the Project.

Contractor shall keep all records and supporting documentation which relate to the work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed, whichever is later. The County, the Clerk of the Circuit Court/Finance Division, or any duly authorized agents or representatives of County, shall have the right to audit, inspect, and copy all such records and documentation relating to this Agreement as often as they deem necessary during the period of this Agreement and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 14. Defective Work. Work not conforming to the requirements of the Agreement shall be deemed "*defective work*." If required by County, Contractor shall either cure all defective work, whether or not fabricated, installed or completed, or, if the defective work has been rejected by County, remove it from the site and replace it. Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold County harmless for same.

If the County considers it necessary or advisable that covered work be observed by County or inspected or tested by others, Contractor, at County's request, shall uncover, expose or otherwise make available for observation, inspection or tests as County may require, that portion of the work in question, furnishing all necessary labor, material and equipment. If it is found that such work is defective work, Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys

and other professionals), and County shall be entitled to an appropriate decrease in the Contract Amount. If, however, such work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

If any portion of the work is defective work, or Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the work to conform to the requirements of the Agreement, County may order Contractor to stop the work, or any portion thereof, until the cause for such order has been eliminated; however, this right of County to stop the work shall not give rise to any duty on the part of County to exercise this right for the benefit of Contractor or any other party.

Should the County determine, at its sole opinion, it is in the County's best interest to accept defective work, the County may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the County's evaluation of and determination to accept defective work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective work, incorporating the necessary revisions in the Agreement and reflecting an appropriate decrease in the Contract Amount. If the County accepts such defective work after final payment, Contractor shall promptly pay County an appropriate amount to adequately compensate County for its acceptance of the defective work.

If Contractor fails, within a reasonable time after the written notice from County, to correct defective work or to remove and replace rejected defective work as required by County, or if Contractor fails to perform the work in accordance with the Agreement, or if Contractor fails to comply with any of the provisions of the Agreement, County may, after **seven (7) calendar days'** written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, County may exclude Contractor from any or all of the Project site, take possession of all or any part of the work, and suspend Contractor's services related thereto, take possession of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the work all materials and equipment stored at the Project site or for which County has paid Contractor but which are stored elsewhere. Contractor shall allow County, and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable County to exercise the rights and remedies under this Section. All direct, indirect and consequential costs of County in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Agreement, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or others destroyed or damaged by correction, removal or replacement of Contractor's defective work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the work attributable to the exercise by County of County's rights and remedies hereunder.

Section 15. <u>Termination.</u>

15.1 Termination for Contractor's Default. Contractor shall be considered in material default of the Agreement and such default shall be considered cause for County to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (a) fails to begin the work within the time specified herein; or (b) fails to properly and timely perform the work as directed by the County; or (c) performs the work unsuitably or neglects or refuses to remove materials or to correct or replace such work as may be rejected as unacceptable or unsuitable; or (d) discontinues the performance of the work; or (e) fails to resume work which has been suspended within a reasonable time after being notified to do so; or (f) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (g) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (h) makes an assignment for the benefit of creditors; or (i) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the work; or (j) materially breaches any other provision of the Agreement.

The County/NED shall notify Contractor in writing of Contractor's default(s). If County/NED determines that Contractor has not remedied and cured the default(s) within **seven (7) calendar days** following receipt by Contractor of said written notice of default, the County/NED may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's work by whatever means, method or agency which County, in its sole discretion, may choose.

If County deems any of the foregoing remedies necessary, Contractor agrees that it shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by County incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, and this obligation for payment shall survive termination of the Agreement.

The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the work and providing labor, materials, equipment, supplies, and other items therefor or re-letting the work, in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the work hereunder.

If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that County is not entitled to the remedies against Contractor provided herein, then

Contractor's remedies against County shall be the same as and limited to those afforded Contractor below.

15.2 Termination for Owner's Default. The Owner shall be considered in material default of the Agreement and such default shall be considered cause for County to terminate the Agreement, if the Owner: (a) cancels the Project after the Owner's Right to Rescind has expired; (b) fails to allow necessary ingress and egress on the subject property; (c) if applicable, fails to timely vacate the premises prior to the Project Commencement Date; (d) otherwise obstructs or delays the performance or completion of the work; or (e) materially breaches any other provision of the Agreement.

The County/NED shall notify Owner in writing of Owner's default. If County/NED determines that the Owner has not remedied and cured the default within **seven (7) calendar days** following receipt of said written notice of default then the Agreement may be terminated by the County/NED.

Any Project costs incurred prior to the date of termination or Project funding advanced to the Owner or paid on the Owner's behalf, including, but not limited to, temporary relocation payment, moving/storage payment, title search fee, procurement costs, permit fees, work completed by Contractor as of the date of termination, and costs incurred for special order materials, etc.) shall be repaid to the County by Owner. Within **thirty (30) calendar days** of receipt of the notice of termination, the Owner shall submit a cashier's check to the County for the total amount of any costs incurred and/or funds disbursed under this Agreement through the date of Owner's termination. If Owner fails to return such funds, the County shall place a lien against the subject property for the total amount expended.

15.3 Termination for Convenience. County shall have the right to terminate this Agreement without cause upon **seven (7) calendar days'** written notice of termination to Contractor and Owner. In the event of such termination for convenience, Contractor's recovery against County shall be limited to that portion of the Contract Amount earned through the date of termination, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages or any anticipated profit on portions of the work not performed. The Owner shall not be liable for any Project costs incurred through the date of termination but shall return any unencumbered funds advanced to the Owner.

15.4 Termination for Lack of Funding. The parties acknowledge that this Agreement is based upon the availability of SHIP funds, and the County/NED reserves the right to cancel same upon providing **seven (7) calendar days'** written notice to Contractor and Owner should funding cease to be available. In the event of such termination for lack of funding, the Contractor will be paid for the work completed as of the contract termination date. The Owner shall not be liable for any Project costs incurred through the date of termination but shall return any unencumbered funds advanced to the Owner.

15.5 Notice of Suspension. County shall have the right to suspend all or any portions of the work upon providing Contractor **two (2) calendar days'** written notice of such suspension. If all or any portion of the work is so suspended, Contractor's sole and exclusive remedy shall

be to seek an extension of time to its schedule in accordance with the procedures set forth in the Agreement. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the work which is subject to the ordered suspension.

Section 16. **Indemnification.** To the extent permitted by law, the Contractor and Owner covenant and agree to, and do hereby indemnify and hold harmless and defend the County, NED, the U. S. Department of Housing and Urban Development, and the State of Florida and their agents, directors, and employees, from and against any and all claims for injuries or damages to persons or property of whatsoever kind or character, whether real or asserted, arising out of this agreement or the work to be performed hereunder.

Section 17. **Insurance.** The Contractor and any subcontractors who may perform work in connection with this Project are required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies.

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles.

(c) Florida statutory Workers' Compensation or proof of exemption.

If the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least **thirty (30) calendar days'** notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County Neighborhood Enterprise Division, 221 Palafox Place, Suite 200, Pensacola, FL 32502.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Escambia County, 221 Palafox Place, Suite 200, Pensacola, Florida 32502 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

Neither the Contractor nor any subcontractor shall commence work under this agreement until all insurance required under this section has been secured and such insurance has been approved by the County/NED.

Section 18. **Subcontracts.** The Contractor may subcontract work under this Agreement with the prior written consent of the County. Regardless of any subcontract, the Contractor shall remain responsible for all work performed under this Agreement. The Contractor agrees to be responsible for the fulfillment of all work included in any subcontract and further agrees to be responsible for payment of all monies due to under any subcontract. It is understood and agreed that the County shall not be liable to any subcontractor for any expenses or liabilities incurred by Contractor under a subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

Section 19. **Independent Contractor Status.** In the performance of this Agreement hereunder, Contractor and Owner shall be independent contractors. Neither Contractor nor Owner shall hold itself out as an employee, agent or servant of the County; and neither Contractor nor Owner shall have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

Section 20. **Warranty.** Contractor hereby guarantees the improvements detailed in the Scope of Work, attached hereto as **Exhibit A**, for a period of one (1) calendar year from the date of final inspection and acceptance of all work performed pursuant to this Agreement. Should any defects arise during that period, the Owner shall provide written notice to the Contractor and County/NED.

It is further agreed that the Contractor will obtain and assign to the Owner, c/o the County/NED, all express warranties given to Contractor or any subcontractors by any materialmen supplying materials, equipment or fixtures to be incorporated into the Project.

Section 21. **Utilities [CHECK ONE]:**

☒ The Owner will permit the Contractor to use at no extra cost, existing utilities such as lights, electrical power, and water necessary to complete the Project.

☐ The Owner will permit the Contractor to use the water at no extra cost. The Contactor assumes all obligation/liability regarding the electrical power necessary to complete the Project.

Section 22. **Owner's Responsibilities.** The Owner shall at all times cooperate with the Contractor and County to facilitate the performance of the work, including the removal of rugs, draperies, wall coverings, and furniture, when necessary, prior to the commencement of the project. The Contractor is not responsible for removal of Owner's trash and/or discarded belongings or furnishings. The Owner is responsible for reinstallation of area rugs, draperies, wall coverings and/or furniture at project completion unless otherwise specified in the Project Scope of Work. The Owner shall allow and maintain a route of ingress and egress for Contractor's equipment on the subject property. If applicable, the Owner shall timely vacate the premises prior to the Commencement Date of the Project.

Section 23. Notice to Owner of Florida's Construction Lien Law & Recovery Fund.

ACCORDING TO FLORIDA'S CONSTRUCTION LIEN LAW (SECTIONS 713.001-713.37, FLORIDA STATUTES), THOSE WHO WORK ON YOUR PROPERTY OR PROVIDE MATERIALS AND SERVICES AND ARE NOT PAID IN FULL HAVE A RIGHT TO ENFORCE THEIR CLAIM FOR PAYMENT AGAINST YOUR PROPERTY. THIS CLAIM IS KNOWN AS A CONSTRUCTION LIEN. IF YOUR CONTRACTOR OR A SUBCONTRACTOR FAILS TO PAY SUBCONTRACTORS, SUB-SUBCONTRACTORS, OR MATERIAL SUPPLIERS, THOSE PEOPLE WHO ARE OWED MONEY MAY LOOK TO YOUR PROPERTY FOR PAYMENT, EVEN IF YOU HAVE ALREADY PAID YOUR CONTRACTOR IN FULL. IF YOU FAIL TO PAY YOUR CONTRACTOR, YOUR CONTRACTOR MAY ALSO HAVE A LIEN ON YOUR PROPERTY. THIS MEANS IF A LIEN IS FILED YOUR PROPERTY COULD BE SOLD AGAINST YOUR WILL TO PAY FOR LABOR, MATERIALS, OR OTHER SERVICES THAT YOUR CONTRACTOR OR A SUBCONTRACTOR MAY HAVE FAILED TO PAY. TO PROTECT YOURSELF, YOU SHOULD STIPULATE IN THIS CONTRACT THAT BEFORE ANY PAYMENT IS MADE, YOUR CONTRACTOR IS REQUIRED TO PROVIDE YOU WITH A WRITTEN RELEASE OF LIEN FROM ANY PERSON OR COMPANY THAT HAS PROVIDED TO YOU A "NOTICE TO OWNER." FLORIDA'S CONSTRUCTION LIEN LAW IS COMPLEX, AND IT IS RECOMMENDED THAT YOU CONSULT AN ATTORNEY.

Pursuant to §489.1425 (1), Florida Statute, regarding the FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND:

PAYMENT MAY BE AVAILABLE FROM THE FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND IF YOU LOSE MONEY ON A PROJECT PERFORMED UNDER CONTRACT, WHERE THE LOSS RESULTS FROM SPECIFIED VIOLATIONS OF FLORIDA LAW BY A LICENSED CONTRACTOR. FOR INFORMATION ABOUT THE RECOVERY FUND AND FILING A CLAIM, CONTACT THE FLORIDA CONSTRUCTION INDUSTRY LICENSING BOARD AT THE FOLLOWING TELEPHONE NUMBER AND ADDRESS:

Section 24. Dispute Resolution. Should a dispute arise between the Owner and the Contractor regarding work performed pursuant to this Agreement that cannot be satisfactorily resolved, the Owner and Contractor agree to participate in the Arbitration and Mediation Program provided by the Better Business Bureau (BBB) of Northwest Florida, Inc. to resolve the dispute. The decision of the BBB shall be considered final by the parties. However, this shall in no way prohibit the Owner and/or the Contractor from further appeal.

Section 25. Public Records. The Owner and Contractor acknowledge that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents

related to the performance of this Agreement may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. The Owner and Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Owner and Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Owner and Contractor agree to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event that any party fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the parties, and surety, if any, seven calendar days' written notice, during which period the parties still fail to allow access to such documents, terminate this Agreement. In such case, the Owner and Contractor shall not be entitled to receive any further disbursement or benefit associated with this Agreement.

IF THE OWNER OR CONTRACTOR HAVE QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE OWNER AND CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County/Office of the County Administrator

Section 26. Entire Agreement. This instrument constitutes the entire agreement between the parties and no written or oral agreement of any kind exists to change the provision hereof.

Section 27. Permits. The Contractor shall be responsible for obtaining all permits and licenses necessary for the Project. If Contractor performs any work without obtaining, or contrary to, any such permits or licenses necessary for the performance of the work, Contractor shall bear all costs arising therefrom. Contractor shall pay all governmental charges and inspection fees necessary to perform the work.

Section 28. Compliance with Laws. Contractor agrees to comply, at its sole expense, with all federal, state, and local laws, codes, statutes, ordinances, rules, regulations and requirements related to the performance of this Agreement, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety.

Section 29. Assignment. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor or Owner without the prior written consent of the County.

Section 30. **Notices.** Any notices shall be mailed to:

COUNTY:	OWNER:	CONTRACTOR:
Meredith Reeves	Wiley Reese	Design Homebuilders, Inc
Neighborhood Enterprise Division	23 Sandalwood Street	2340 Bluffs Circle
221 Palafox Place, Suite 200	Pensacola, FL 32505	Pensacola, FL 32503

All notices shall be sent by certified mail, return receipt requested.

Section 31. **No Discrimination.** The Owner and Contractor shall ensure that this Agreement is performed and executed in a non-discriminatory manner, consistent with state and federal civil rights legislation. All services and access shall be available without regard to race, creed, color, handicap, familial status, disability, religion, or national origin.

Section 32. **No Waiver.** This Agreement does not constitute a waiver of any local ordinances, codes, or regulations.

Section 33. **Governing Law.** This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be construed in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

Section 34. **Severability.** If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

Section 35. **Headings.** The headings appearing in this Agreement have been inserted for the purpose of convenience and for ready reference. They do not purport to, and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they appertain.

Section 36. **Authority**. Each individual executing this Agreement on behalf of a business or government entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of their respective principal, in accordance with duly adopted action or authority of the governing Board of each party, and that this Agreement is binding upon each party in accordance with its terms.

Complete and submit COVER SHEET AND ALL NUMBERED PAGES OF SPECIFICATIONS with signature of Contractor, bid price, and itemized pricing. Bid submissions will be accepted online via Vendor Registry or Hand-delivery. Hand-delivery of sealed bids may be accepted by appointment only and must be in a sealed envelope and delivered to Neighborhood Enterprise Division Office, 221 Palafox Place (Ernie Lee Magaha Government Building), Suite 200, Pensacola, FL 32502. NO email or fax submissions will be accepted. All bids must be received by the published deadline.

The bids will be opened by the Bid Committee and bid will be awarded based upon the lowest eligible bidder with the most reasonable combined bid for the work specified. Bids $25,000 or over must be approved by the Board of County Commissioners prior to award of contract. Itemized pricing may be used for negotiation in the event of a change in the scope of work as described within the Specifications.

Labor, overhead, permits, insurance, and profit must be included into each itemized price and not listed as a separate itemized price or listed under “miscellaneous.” Non-compliance will result in rejection of bid.

All repair work performed must be inspected (rough and final) and conform to County Ordinances, State Laws, and Florida Building Code.

The Contractor is responsible for proper reattachment/hook-up of any/all of the following that apply: appliances, existing coaxial cable, telephone and interface, electric, water, and sewage.

HOMEOWNER’S RESPONSIBILITIES AND OBLIGATIONS

The Homeowner is responsible for maintaining existing utilities for the Contractor’s use during the rehabilitation period.

The Homeowner is responsible for the removal of all belongings/furnishings from the designated work areas prior to the start date. The Contractor is not responsible for removal of Homeowner’s trash and/or discarded belongings or furnishings.

PAYMENT SCHEDULE

Payment will be lump sum at project completion for bids $15,000.00 and under. For bids over $15,000.00, contractor will be eligible for a 40% draw once all required permit applications are in place and 50% of the work is completed as determined by the itemized costs for the job.

The Contractor will be eligible for Final Payment after the following conditions have been fulfilled:

Completion of Write-Up
Inspection/Sign-off by Building Inspections and/or Health Department
Acceptance by the Homeowner (Homeowner’s Release & Warranty)
Warranty Paper provided to the Homeowner
Premises free from all construction debris
Submission of RRP Checklist Form & Contractor’s Final Affidavit
Original Invoice from Contractor
Surety’s Consent to Final Payment if applicable

COMPLETION DATE

FINAL RELEASE AND WARRANTY

SECTION 1: HOMEOWNER'S RELEASE

I, _____, as owner of the unit located at [**ADDRESS],** certify and accept all work as performed and contracted by, _____ as complete and satisfactory. I hereby authorize final payment to_____ for the work done on this residence**.**

SECTION 2: CONTRACTOR'S OBLIGATION AND WARRANTY

I, _____ as Contractor of record, for the rehabilitation of the above referenced residence, do issue a one (1) year limited labor and material warranty ending_____**.** The warranty covers defects in materials and workmanship, which occur during normal use. I, _____ **(owner)** acknowledge that routine homeowner maintenance and/or problems caused by neglect, abuse, or improper use are not covered by this warranty. Further, after the warranty expiration date, neither the County, nor the Contractor, shall be responsible for any further work related to this Contract.

SECTION 3: HOMEOWNER/ESCAMBIA COUNTY OBLIGATIONS

As the Contractor has completed his/her contract, the Homeowner, upon acceptance of same, now causes final payment to be made to the Contractor. The Homeowner fully understands that the Contractor is the sole responsible party for the one (1) year warranty as specified in Section 2 of this agreement. The Homeowner understands that it is his/her responsibility to contact the Contractor regarding necessary warranty work. Only after documented efforts by the Homeowner will Escambia County become involved with warranty issues/disputes. Failure of the Contractor to respond to legitimate warranty requests will cause Escambia County/NED to sanction said Contractor.

BACKGROUND:

Florida Fish and Wildlife Conservation Commission (FWC) announced a Derelict Vessel Removal Funding Opportunity Grant to fund removal of vessels that have been declared “derelict” by law enforcement officers pursuant to Florida Statutes. Escambia County Department of Natural Resources Management Marine Resources Division (MRD) has identified the 40-ft motor-vessel *Overdraft* that recently sank in Bayou Chico and has requested and received a declaration of “derelict” status by FWC.

MRD has obtained five written price quotes (lowest price $10,600) for removal and transport of the *Overdraft* to Perdido Landfill for disposal. MRD submitted a Grant application to FWC to fund the $10,600 cost of removal and transport of *Overdraft* to Perdido Landfill. Landfill tipping fee will be funded by the County portion of Vessel Registration Fees.

State Award Name(s): Escambia County Derelict Vessel Removal Project	

This Agreement is entered into by and between the Florida Fish and Wildlife Conservation Commission, whose address is 620 South Meridian Street, Tallahassee, Florida 32399-1600, hereafter "**Commission,**" and Escambia County BOCC, FEID # 59-6000598, whose address is 3363 West Park Place, Pensacola, Florida 32505, hereinafter "**Grantee.**"

WHEREAS, the Commission and Grantee have partnered together to remove derelict vessels from the waters of the state; and,

WHEREAS, Grantee has been awarded Bulk Derelict Vessel Removal Grant 20158; and,

WHEREAS, such benefits are for the ultimate good of the State of Florida, its resources, wildlife, and public welfare.

NOW THEREFORE, the Commission and the Grantee, for the considerations hereafter set forth, agree as follows:

1. **PROJECT DESCRIPTION.**

The Grantee shall provide the services and perform the specific responsibilities and obligations, as set forth in the Scope of Work, attached hereto as Attachment A and made a part hereof (hereafter, Scope of Work). The Scope of Work specifically identifies project tasks and accompanying deliverables. These deliverables must be submitted and approved by the Commission prior to any payment. The Commission will not accept any deliverable that does not comply with the specified required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable. If this agreement is the result of Grantee responses to the Commission's request for competitive or other grant proposals, the Grantee's response is hereby incorporated by reference.

2. **PERFORMANCE.**

The Grantee shall perform the activities described in the Scope of Work in a proper and satisfactory manner. Unless otherwise provided for in the Scope of Work, any and all equipment, products or materials necessary or appropriate to perform under this Agreement shall be supplied by the Grantee. Grantee shall obtain all necessary local, state, and federal authorizations necessary to complete this project, and the Grantee shall be licensed as necessary to perform under this Agreement as may be required by law, rule, or regulation; the Grantee shall provide evidence of such compliance to the Commission upon request. The Grantee shall procure all supplies and pay all charges, fees, taxes and incidentals that may be required for the completion of this Agreement. By acceptance of this Agreement, the Grantee warrants that it has the capability in all respects to fully perform the requirements and the integrity and reliability that will assure good-faith performance as a responsible Grantee. Grantee shall immediately notify the Commission's Grant Manager in writing if its ability to perform under the Agreement is compromised in any manner during the term of the Agreement. The Commission shall take appropriate action, including potential termination of this Agreement pursuant to Paragraph nine (9) below, in the event the Grantee's ability to perform under this Agreement becomes compromised.

3. **AGREEMENT PERIOD.**

A. **Agreement Period and Commission's Limited Obligation to Pay.** This Agreement is made pursuant to a grant award and shall be effective upon execution by the last Party to sign, and shall remain in effect through 01/29/2021. However, as authorized by Rule 68-1.003, F.A.C., referenced grant programs may execute Agreements with a retroactive start date of no more than sixty (60) days, provided that approval is granted from the Executive Director or his/her designee and that it is in the best interest of the Commission and State to do so. For this agreement, the retroactive start date was not approved. The Commission's Grant Manager shall confirm the specific start date of the Agreement by written notice to the Grantee. The Grantee shall not be eligible for reimbursement or compensation for grant activities performed prior to the start date of this Agreement nor after the end date of the Agreement. For this agreement, preaward costs are not eligible for reimbursement. If necessary, by mutual agreement as evidenced in writing and lawfully executed by the Parties, an Amendment to this Agreement may be executed to lengthen the Agreement period.

4. **COMPENSATION AND PAYMENTS.**

A. **Compensation.** As consideration for the services rendered by the Grantee under the terms of this Agreement, the Commission shall pay the Grantee on a cost reimbursement basis in an amount not to exceed $10,600.00.

B. **Payments.** The Commission shall pay the Grantee for satisfactory performance of the tasks identified in Attachment A, Scope of Work, as evidenced by the completed deliverables, upon submission of invoices, accompanied by supporting documentation sufficient to justify invoiced expenses or fees, and after acceptance of services and deliverables in writing by the Commission's Grant Manager identified in Paragraph ten (10), below. Unless otherwise specified in the Scope of Work, invoices shall be due monthly, commencing from the start date of this Agreement. Invoices must be legible and must clearly reflect the Deliverables that were provided in accordance with the terms of the Agreement for the invoice period. Unless otherwise specified in the Scope of Work, a final invoice shall be submitted to the Commission no later than forty-five (45) days following the expiration date of this Agreement to assure the availability of funds for payment. Further, pursuant to Section 215.971(1)(d), F.S., the Commission may only reimburse the Grantee for allowable costs resulting from obligations incurred during the agreement period specified in Paragraph three (3).

C. **Invoices.** Each invoice shall include the Commission Agreement Number and the Grantee's Federal Employer Identification (FEID) Number. Invoices, with supporting documentation, may be submitted electronically to the attention of the Commission's Grant Manager identified in Paragraph ten (10), below. If submitting hard copies, an original and two (2) copies of the invoice, plus all supporting documentation, shall be submitted. All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. Grantee acknowledges that the Commission's Grant Manager shall reject invoices lacking documentation necessary to justify invoiced expenses.

D. **Match.** Pursuant to grant program guidelines, the Grantee is not required to contribute non-federal match towards this Agreement. If applicable, details regarding specific match requirements are included in Attachment A, Scope of Work.

E. **Travel Expenses.** If authorized in Attachment A, Scope of Work, travel expenses shall be reimbursed in accordance with Section 112.061, F.S.

F. **State Obligation to Pay.** The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation and authorization to spend by the Legislature. The Parties hereto understand that this Agreement is not a commitment to future appropriations, but is subject to appropriation and authority to spend provided by the Legislature. The Commission shall be the final authority as to the availability of funds for this Agreement, and as to what constitutes an "annual appropriation" of funds to complete this Agreement. If such funds are not appropriated or available for the Agreement purpose, such event will not constitute a default on behalf of the Commission or the State. The Commission's Grant Manager shall notify the Grantee in writing at the earliest possible time if funds are not appropriated or available.

G. **Non-Competitive Procurement and Rate of Payment.** Section 216.3475, F.S., requires that under non-competitive procurements, a Grantee may not receive a rate of payment in excess of the competitive prevailing rate for those services unless expressly authorized in the General Appropriations Act. If applicable, Grantee warrants, by execution of this Agreement, that the amount of non-competitive compensation provided in this Agreement is in compliance with Section 216.3475, F.S.

H. **Time Limits for Payment of Invoices.** Payments shall be made in accordance with Sections 215.422 and 287.0585, F.S., which govern time limits for payment of invoices. Section 215.422, F.S. provides that agencies have five (5) working days to inspect and approve Deliverables, unless the Scope of Work specifies otherwise. If payment is not available within forty (40) days, measured from the latter of the date the invoice is received or the Deliverables are received, inspected and approved, a separate interest penalty set by the Department of Financial Services pursuant to Section 55.03(1), F.S., will be due and payable in addition to the invoice amount. Invoices returned to a Grantee due to preparation errors will result in a payment delay. Invoice payment requirements do not start until a properly completed invoice is provided to the agency.

I. **Electronic Funds Transfer.** Grantee agrees to enroll in Electronic Funds Transfer (EFT), offered by the State's Chief Financial Officer, within thirty (30) days of the date the last Party has signed this Agreement. Copies of the Authorization form and a sample blank enrollment letter can be found on the vendor instruction page at:

http://www.fldfs.com/aadir/direct_deposit_web/Vendors.htm

Questions should be directed to the State of Florida's EFT Section at (850) 413-5517. Once enrolled, invoice payments will be made by EFT.

J. **Vendor Ombudsman.** A Vendor Ombudsman, whose duties include acting as an advocate for vendors who may be experiencing problems in obtaining timely payment(s) from a State agency, may be contacted at (850) 413-5516 or by calling the Chief Financial Officer's Hotline, (800) 342-2762.

5. **RETURN OR RECOUPMENT OF FUNDS.**

A. **Overpayment to Grantee.** Pursuant to Section 215.971(1)(e)&(f), F.S., the Grantee shall return to the Commission any overpayments due to unearned funds or funds disallowed pursuant to the terms of this Agreement that were disbursed to Grantee by the Commission. In the event the Grantee or its independent auditor discovers that overpayment has been made, the Grantee shall repay said overpayment within forty (40) calendar days without prior notification from the Commission. In the event the Commission first discovers an overpayment has been made, the Commission will notify the Grantee in writing. Should repayment not be made in a timely manner, the Commission shall be entitled to charge interest at the lawful rate of interest established pursuant to Section 55.03(1), F.S., on the outstanding balance beginning forty (40) calendar days after the date of notification or discovery. Refunds should be sent to the Commission's Grant Manager, and made payable to the "The Florida Fish and Wildlife Conservation Commission."

B. **Additional Costs or Monetary Loss Resulting from Grantee Non-Compliance.** If the Grantee's non-compliance with any provision of the Agreement results in additional cost or monetary loss to the Commission or the State of Florida to the extent allowed by Florida Law, the Commission can recoup that cost or loss from monies owed to the Grantee under this Agreement or any other agreement between Grantee and the Commission. In the event the discovery of this cost or loss arises when no monies are available under this Agreement or any other agreement between the Grantee and the Commission, the Grantee will repay such cost or loss in full to the Commission within thirty (30) days of the date of notice of the amount owed, unless the Commission agrees, in writing, to an alternative timeframe. If the Grantee is unable to repay any cost or loss to the Commission, the Commission shall notify the State of Florida, Department of Financial Services, for resolution pursuant to Section 17.0415, F.S.

6. **COMMISSION EXEMPT FROM TAXES, PROPERTY EXEMPT FROM LIEN.**

A. **Commission Exempt from Taxes.** The Grantee recognizes that the State of Florida, by virtue of its sovereignty, is not required to pay any taxes on the services or goods purchased under the terms of this Agreement. Grantee is placed on notice that this exemption generally does not apply to nongovernmental entity recipients, subrecipients, contractors, or subcontractors. Any questions regarding this tax exemption should be addressed to the Commission Grant Manager.

B. **Property Exempt from Lien.** If the Grant involves the improvement of real property titled to the State of Florida, then the following paragraph applies:

> The Grantee acknowledges that Property being improved is titled to the State of Florida, and is not subject to lien of any kind for any reason. The Grantee shall include notice of such exemptions in any subcontracts and purchase orders issued hereunder.

7. MONITORING.

The Commission's Grant Manager shall actively monitor the Grantee's performance and compliance with the terms of this Agreement. The Commission reserves the right for any Commission staff to make scheduled or unscheduled, announced or unannounced monitoring visits. Specific State and Federal monitoring terms and conditions are found in Attachment B, Audit Requirements. Additionally, monitoring terms, conditions, and schedules may be included in Attachment A, Scope of Work.

8. TERMINATION.

A. **Commission Termination.** The Commission may unilaterally terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar days of written notice of its intent to terminate. The Grantee shall not be entitled to recover any cancellation charges or lost profits. The Grantee may request termination of the Agreement for convenience.

B. **Termination – Fraud or Willful Misconduct.** This Agreement shall terminate immediately in the event of fraud or willful misconduct. In the event of such termination, the Commission shall provide the Grantee with written notice of termination.

C. **Termination – Other.** The Commission may terminate this Agreement if the Grantee fails to: 1.) comply with all terms and conditions of this Agreement; 2.) produce each deliverable within the time specified by the Agreement or extension; 3.) maintain adequate progress, thus endangering the performance of the Agreement; or, 4.) abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), F.A.C., governs the procedure and consequences for default. The rights and remedies of the Commission in this clause are in addition to any other rights and remedies provided by law or under the Agreement. The Grantee shall not be entitled to recover any cancellation charges or lost profits.

D. **Termination - Funds Unavailability.** In the event funds to finance this Agreement become unavailable or if federal or state funds upon which this Agreement is dependent are withdrawn or redirected, the Commission may terminate this Agreement upon no less than twenty-four (24) hours' notice in writing to the Grantee. Said notice shall be delivered by certified mail, return receipt requested or in person with proof of delivery. The Commission shall be the final authority as to the availability of funds and will not reallocate funds appropriated for this Agreement to another program thus causing "lack of funds." In the event of termination of this Agreement under this provision, the Grantee will be compensated for any work satisfactorily completed and any non-cancellable obligations properly incurred prior to notification of termination.

E. **Grantee Discontinuation of Activities upon Termination Notice.** Upon receipt of notice of termination, the Grantee shall, unless the notice directs otherwise, immediately discontinue all activities authorized hereunder. Upon termination of this Agreement, the Grantee shall promptly render to the Commission all property belonging to the Commission. For the purposes of this section, property belonging to the Commission shall include, but shall not be limited to, all books and records kept on behalf of the Commission.

9. REMEDIES.

A. **Financial Consequences.** In accordance with Sections 215.971(1)(a)&(b), F.S., Attachment A, Scope of Work, contains clearly established tasks in quantifiable units of deliverables that must be received and accepted in writing by the agency before payment. Each deliverable specifies the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable. If the Grantee fails to produce each deliverable within the time

frame specified by the Scope of Work, the budget amount allocated for that deliverable will be deducted from the Grantee's payment. In addition, pursuant to Section 215.971(1)(c), the Commission shall apply any additional financial consequences, identified in the Scope of Work.

B. **Cumulative Remedies.** The rights and remedies of the Commission in this paragraph are in addition to any other rights and remedies provided by law or under the Agreement.

10. NOTICES AND CORRESPONDENCE.

Any and all notices shall be delivered to the individuals identified below. In the event that either Party designates a different Grant Manager after the execution of this Agreement, the Party will provide written notice of the name, address, zip code, telephone and fax numbers, and email address of the newest Grant Manager, or an individual authorized to receive notice on behalf of that Party, to all other Parties as soon as possible, but not later than five (5) business days after the new Grant Manager has been named. A designation of a new Grant Manager shall not require a formal amendment to the Agreement.

11. AMENDMENT.

A. **Waiver or Modification.** No waiver or modification of this Agreement or of any covenant, condition, or limitation herein contained shall be valid unless in writing and lawfully executed by the Parties.

B. **Change Orders.** The Commission may, at any time, by written order, make a change to this Agreement. Such changes are subject to the mutual agreement of both Parties as evidenced in writing. Any change which causes an increase or decrease in the Grantee's cost or time shall require an Amendment. Minor changes, such as those updating a Party's contact information, may be accomplished by a Modification.

C. **Renegotiation upon Change in Law or Regulation.** The Parties agree to renegotiate this Agreement if federal and/or state revisions of any applicable laws or regulations make changes in the Agreement necessary.

12. PROPERTY RIGHTS.

If this Agreement includes Federal funds, the provisions of Sections 200.310-200.316, OMB Uniform Guidance (2 CFR 200), and any language addressing Federal rights, apply.

A. Intellectual and Other Intangible Property.

i. **Grantee's Preexisting Intellectual Property (Proprietary) Rights.** Unless specifically addressed in the Attachment A, Scope of Work, intellectual and other intangible property rights to the Grantee's preexisting property will remain with the Grantee.

ii. **Proceeds Related to Intellectual Property Rights.** Proceeds derived from the sale, licensing, marketing or other authorization related to any intellectual and other intangible property right created or otherwise developed by the Grantee under this Agreement for the Commission shall be handled in the manner specified by the applicable Florida State Statute and/or Federal program requirements.

iii. **Commission Intellectual Property Rights.** Where activities supported by this Agreement produce original writing, sound recordings, pictorial reproductions, drawings or other graphic representations and works of any similar nature, the Commission and the State of Florida have the unlimited, royalty-free, nonexclusive, irrevocable right to use, duplicate and disclose such materials in whole or in part, in any manner, for any purpose whatsoever and to have others acting on behalf of the Commission to do so. If this Agreement is supported by federal funds, the federal awarding agency reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for federal purposes, and to authorize others to do so.

B. Purchase or Improvement of Real Property

This agreement is not for the purchase or improvement of real property, therefore, the following terms and conditions do not apply.

i. **Federal Funds.** Any Federal funds provided for the purchase of or improvements to real property are subject to the Property Standards of Sections 200.310 - 200.316, and 200.329, OMB Uniform Guidance (2 CFR 200), as amended.

ii. **Title.** If this agreement is supported by state funds, the Grantee shall comply with Section 287.05805, F.S. This section requires the Grantee to grant a security interest in the property to the State of Florida, the type and details of which are provided for in Attachment A, Scope of Work. Title to state-owned real property remains vested in the state. Title to federally-owned real property remains vested in the Federal government in accordance with the provisions of Section 200.312, OMB Uniform Guidance (2 CFR 200), as amended.

iii. **Use.** Federally-owned real property will be used for the originally authorized purpose as long as needed for that purpose in accordance with Section 200.311, OMB Uniform Guidance (2 CFR 200). State-owned real property will be used as provided in Attachment A, Scope of Work.

C. Non-Expendable Property. The following provisions apply to the extent that the grant allows the acquisition of non-expendable property.

i. **Non-Expendable Property Defined.** For the requirements of this section of the Agreement, "non-expendable property" is the same as "property" as defined in Section 273.02, F.S. (equipment, fixtures, and other tangible personal property of a non-consumable and non-expendable nature, with a value or cost of **$1,000.00** or more, and a normal expected life of one (1) year or more; hardback-covered bound books that are

circulated to students or the general public, with a value or cost of **$25.00** or more; and uncirculated hardback-covered bound books, with a value or cost of **$250.00** or more).

ii. **Title to Non-Expendable Property.** Title (ownership) to all non-expendable property acquired with funds from this Agreement shall be vested in the Commission and said property shall be transferred to the Commission upon completion or termination of the Agreement unless otherwise authorized in writing by the Commission or unless otherwise specifically provided for in Attachment A, Scope of Work.

D. Equipment and Supplies. The following provisions apply to the extent that the grant allows the acquisition of equipment and supplies.

i. **Title - Equipment.** Title to equipment acquired under a Federal award will vest upon acquisition in the non-Federal entity in accordance with Sections 200.313 and 200.314, OMB Uniform Guidance (2 CFR 200).

ii. **Title – Supplies.** Title to supplies will vest in the non-Federal entity upon acquisition. Unused supplies exceeding **$5,000.00** in total aggregate value upon termination or completion of the project or program are subject to Section 200.314, OMB Uniform Guidance.

iii. **Use – Equipment.** Equipment must be used by the non-Federal entity in the program or project for which it was acquired as long as needed

13. RELATIONSHIP OF THE PARTIES.

A. Independent Grantee. The Grantee shall perform as an independent grantee and not as an agent, representative, or employee of the Commission. The Grantee covenants that it presently has no interest and shall not acquire any interest that would conflict in any manner or degree with the performance of services required. Each Party hereto covenants that there is no conflict of interest or any other prohibited relationship between the Grantee and the Commission.

B. Grantee Training and Qualifications. Grantee agrees that all Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification.

C. Commission Security. All employees, subcontractors, or agents performing work under the Agreement must comply with all security and administrative requirements of the Commission. The Commission may conduct, and the Grantee shall cooperate in, a security background check or otherwise assess any employee, subcontractor, or agent furnished by the Grantee. The Commission may refuse access to, or require replacement of, any personnel for cause, including, but not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with the Commission's other requirements. Such refusal shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Commission, in coordination with the Grantee, may reject and bar from any facility for cause any of Grantee's employees, subcontractors, or agents.

D. Commission Rights to Assign or Transfer. The Grantee agrees that the State of Florida shall at all times be entitled to assign or transfer its rights, duties, or obligations under this Agreement to

another governmental agency in the State of Florida, upon giving prior written notice to the Grantee.

E. **Commission Rights to Undertake and Award Supplemental Agreements.** Grantee agrees that the Commission may undertake or award supplemental agreements for work related to the Agreement. The Grantee and its subcontractors shall cooperate with such other Grantees and the Commission in all such cases.

14. SUBCONTRACTS.

A. **Authority.** Grantee is permitted to subcontract work under this Agreement, therefore, the following terms and conditions apply. The Grantee shall ensure, and provide assurances to the Commission upon request, that any subcontractor selected for work under this Agreement has the necessary qualifications and abilities to perform in accordance with the terms and conditions of this Agreement. The Grantee must provide the Commission with the names of any subcontractor considered for work under this Agreement; the Commission in coordination with the Grantee reserves the right to reject any subcontractor. The Grantee agrees to be responsible for all work performed and all expenses incurred with the project. Any subcontract arrangements must be evidenced by a written document available to the Commission upon request. The Grantee further agrees that the Commission shall not be liable to the extent allowed by law, to any subcontractor for any expenses or liabilities incurred under the subcontract and the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

B. **Grantee Payments to Subcontractor.** If subcontracting is permitted pursuant to Paragraph A, above, Grantee agrees to make payments to the subcontractor upon completion of work and submitted invoice in accordance with the contract between the Grantee and subcontractor. Failure to make payment pursuant to any subcontract will result in a penalty charged against Grantee and paid to the subcontractor in the amount of one-half of one percent (0.50%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due."

C. **Commission Right to Reject Subcontractor Employees.** The Commission in coordination with Grantee shall retain the right to reject any of the Grantee's or subcontractor's employees whose qualifications or performance, in the Commission's judgment, are insufficient.

D. **Subcontractor as Independent Contractor.** If subcontracting is permitted pursuant to Paragraph A above, the Grantee agrees to take such actions as may be necessary to ensure that each subcontractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.

15. MANDATORY DISCLOSURE.

These disclosures are required by State law, as indicated, and apply when this Agreement includes State funding; and by Federal law, as indicated, and apply when the Agreement includes a Federal award.

A. **Disclosure of Interested State Employees and Conflict of Interest.** This Agreement is subject to Chapter 112, F.S. Grantee shall provide the name of any officer, director, employee, or other agent who is affiliated with this project and an employee of the State of Florida. If the Agreement includes a Federal award, then the Agreement is also subject to Section 200.112, OMB Uniform Guidance (2 CFR 200). Grantee must disclose, in writing, any potential conflict of interest to the Commission in accordance with applicable Federal awarding agency policy.

B. **Convicted Vendors.** Grantee hereby certifies that neither it, nor any person or affiliate of Grantee, has been convicted of a Public Entity Crime as defined in section 287.133, F.S., nor placed on the convicted vendor list. Grantee shall have a continuing obligation to disclose, to the Commission, in writing, if it, its principals, recipient, subrecipient, contractor, or subcontractor, are on the convicted vendors list maintained by the Florida Department of Management Services pursuant to Section 287.133(3)(d), F.S.

i. **Convicted Vendor List.** Pursuant to Subsection 287.133(2)(a), F.S., a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not be awarded or perform work as a Grantee, supplier, subcontractor or consultant under a contract with any public entity and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, F.S., for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. The State of Florida, Department of Management Services, Division of State Purchasing provides listings for convicted, suspended, discriminatory and federal excluded parties, as well as the vendor complaint list at:

http://www.dms.myflorida.com/business_operations/state_purchasing/vendor_information/convicted_suspended_discriminatory_complaints_vendor_lists

ii. **Notice of Conviction of Public Entity Crime.** Any person must notify the Department of Management Services and the Commission, in writing, within thirty (30) days after conviction of a public entity crime applicable to that person or an affiliate of that person as defined in Section 287.133, F.S.

C. **Vendors on Scrutinized Companies List.**

i. **Scrutinized Companies.** Grantee certifies that it and any of its affiliates are not scrutinized companies as identified in Section 287.135, F.S. In addition, Grantee agrees to observe the requirements of Section 287.135, F.S., for applicable sub-agreements entered into for the performance of work under this Agreement. Pursuant to Section 287.135, F.S., the Commission may immediately terminate this Agreement for cause if the Grantee, its affiliates, or its subcontractors are found to have submitted a false certification; or if the Grantee, its affiliates, or its subcontractors are placed on any applicable scrutinized companies list or engaged in prohibited contracting activity during the term of the Agreement. As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions then they shall become inoperative.

D. **Discriminatory Vendors.** Grantee shall disclose to the Commission, in writing, if they, their subrecipient, contractor, or subcontractor, are on the Discriminatory Vendor List maintained by the Florida Department of Management Services pursuant to Section 287.134(3)(d), F.S. "An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity." Section 287.134(2)(a), F.S.. Grantee has a continuing duty to disclose to the Commission whether they appear on the discriminatory vendor list.

E. **Prompt Disclosure of Litigation, Investigations, Arbitration, or Administrative Proceedings.** Throughout the term of the Agreement, the Grantee has a continuing duty to promptly disclose to

the Commission's Grant Manager, in writing, upon occurrence, all civil or criminal litigation, investigations, arbitration, or administrative proceedings (Proceedings) relating to or affecting the Grantee's ability to perform under this agreement. If the existence of such Proceeding causes the Commission concern that the Grantee's ability or willingness to perform the Agreement is jeopardized, the Grantee may be required to provide the Commission with reasonable assurances to demonstrate that: a.) the Grantee will be able to perform the Agreement in accordance with its terms and conditions; and, b.) Grantee and/or its employees or agents have not and will not engage in conduct in performing services for the Commission which is similar in nature to the conduct alleged in such Proceeding.

F. Certain Violations of Federal Criminal Law. If this agreement includes a Federal award, then in accordance with Section 200.113, OMB Uniform Guidance (2 CFR 200), Grantee must disclose, in a timely manner, in writing to the Commission all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award.

16. INSURANCE.

The Grantee warrants and represents that it is insured, or self-insured for liability insurance, in accordance with applicable state law and that such insurance or self-insurance offers protection applicable to the Grantee's officers, employees, servants and agents while acting within the scope of their employment with the Grantee.

17. SPONSORSHIP.

As required by Section 286.25, F.S., if any recipient, subrecipient, contractor or subcontractor under this grant is a nongovernmental organization which sponsors a program financed wholly or in part by state funds, including any funds obtained through this Agreement, it shall, in publicizing, advertising, or describing the sponsorship of the program, state: "Sponsored by (Grantee's name) and the State of Florida, Fish and Wildlife Conservation Commission." If the sponsorship reference is in written material, the words "State of Florida, Fish and Wildlife Conservation Commission" shall appear in the same size letters or type as the name of the Grantee's organization. Additional sponsorship requirements may be specified in Attachment A, Scope of Work.

18. PUBLIC RECORDS.

A. This Agreement may be unilaterally canceled by the Commission for refusal by the Grantee to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, F.S., and made or received by the Grantee in conjunction with this Agreement, unless exemption for such records is allowable under Florida law.

B. If the Grantee meets the definition of "Contractor" in Section 119.0701(1)(a) F.S., the Grantee shall comply with the following:

i. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF THE CHAPTER 119, FLORIDA STATUES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: 850-488-6553, RecordsCustodian@myfwc.com, and 620 South Meridian Street, Tallahassee FL 32399**

ii. Keep and maintain public records required by the Commission to perform the service.
iii. Upon request from the Commission's custodian of public records, provide the Commission with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S. or as otherwise provided by law.
iv. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the Commission.
v. Upon completion of the contract transfer, at no cost, to the Commission all public records in possession of the Contractor or keep and maintain public records required by the Commission to perform the service. If the Contractor transfers all public records to the Commission upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Commission, upon request from the Commission's custodian of public records, in a format that is compatible with the information technology systems of the Commission.

19. COOPERATION WITH INSPECTOR GENERAL.

Pursuant to subsection 20.055(5), F.S., Grantee, and any subcontractor to the Grantee, understand and will comply with their duty to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing. Upon request of the Inspector General or any other authorized State official, the Grantee shall provide any type of information the Inspector General deems relevant to the Grantee's integrity or responsibility. Such information may include, but shall not be limited to, the Grantee's business or financial records, documents, or files of any type or form that refer to or relate to the Agreement. The Grantee agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the Grantee's compliance with the terms of this or any other agreement between the Grantee and the State which results in the suspension or debarment of the Grantee. Such costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.

20. SECURITY AND CONFIDENTIALITY.

The Grantee shall not divulge to third parties any clearly marked confidential information obtained by the Grantee or its agents, distributors, resellers, subcontractors, officers or employees in the course of performing Grant work. To ensure confidentiality, the Grantee shall take appropriate steps regarding its personnel, agents, and subcontractors. The warranties of this paragraph shall survive the Grant.

21. RECORD KEEPING REQUIREMENTS.

A. Grantee Responsibilities. The Grantee shall maintain accurate books, records, documents and other evidence that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement, in accordance with generally accepted accounting principles.

B. State Access to Grantee Books, Documents, Papers, and Records. The Grantee shall allow the Commission, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability or authorized representatives of the state or federal government to have access to any of the Grantee's books, documents, papers, and records, including electronic storage media, as they may relate to this

Agreement, for the purposes of conducting audits or examinations or making excerpts or transcriptions.

C. **Grantee Records Retention.** Unless otherwise specified in the Scope of Work, these records shall be maintained for five (5) fiscal years following the close of this Agreement, or the period required for this particular type of project by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/), whichever is longer. Grantee shall cooperate with the Commission to facilitate the duplication and transfer of such records upon the Commission's request.

D. **Grantee Responsibility to Include Records Requirements – Subcontractors.** In the event any work is subcontracted under this Agreement, the Grantee shall include the aforementioned audit and record keeping requirements in all subsequent contracts.

E. **Compliance with Federal Funding Accountability and Transparency.** Any federal funds awarded under this Agreement must comply with the Federal Funding Accountability and Transparency Act (FFATA) of 2006. The intent of the FFATA is to empower every American with the ability to hold the government accountable for each spending decision. The result is to reduce wasteful spending in the government. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website: http://www.USASpending.gov. Grant recipients awarded a new Federal grant greater than or equal to **$25,000.00** awarded on or after October 1, 2010 are subject to the FFATA. The Grantee agrees to provide the information necessary, over the life of this Agreement, for the Commission to comply with this requirement.

22. FEDERAL AND FLORIDA SINGLE AUDIT ACT REQUIREMENTS.

Pursuant to the FSAA (or Federal) Vendor / Recipient Determination Checklist, the Grantee has been determined to be a recipient of state financial assistance and/or a subrecipient of a federal award. Therefore, pursuant to Section 215.97, F.S. and/or OMB Uniform Guidance (2 CFR 200), the Grantee may be subject to the audit requirements of the Florida and/or Federal Single Audit Acts. If applicable, the Grantee shall comply with the audit requirements outlined in Attachment B, "Requirements of the Federal and Florida Single Audit Acts," attached hereto and made a part of the Agreement, as applicable.

23. FEDERAL COMPLIANCE.

As applicable, Grantee shall comply with all federal laws, rules, and regulations, including but not limited to:

i. **Clean Air Act and Water Pollution Control Act.** All applicable standards, orders, or requirements issued under the Clean Air Act (42 U.S.C. 7401-7671q), and the Water Pollution Control Act (33 U.S.C. 1251-1387, as amended).
ii. **Lacey Act, 16 U.S.C 3371-3378.** This Act prohibits trade in wildlife, fish and plants have been illegally taken, possessed, transported or sold.
iii. **Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C. 1801-1884.** This Act governs marine fisheries in Federal waters.
iv. **Migratory Bird Treaty Act, 16 U.S.C. 703-712.** The Act prohibits anyone, unless permitted, to pursue, hunt, take, capture, kill, attempt to take, capture or kill, possess, offer for sale, sell, offer to purchase, deliver for shipment, ship, cause to be shipped, deliver for transportation, transport, cause to be transported, carry or cause to be carried by any means

whatsoever, receive for shipment, transport of carriage, or export, at any time, or in any manner, any migratory bird, or any part, nest, or egg of such bird.

v. **Endangered Species Act, 16 U.S.C. 1531, et seq.** The Act provides a program for the conservation of threatened and endangered plants and animals and the habitat in which they are found. The Act also prohibits any action that cause a "taking" of any listed species of endangered fish or wildlife. Also generally prohibited are the import, export, interstate, and foreign commerce of listed species.

24. FEDERAL FUNDS. No Federal Funds are applied to this Agreement, therefore, the following terms and conditions do not apply.

A. Prior Approval to Expend Federal Funds to Federal Agency or Employee. It is understood and agreed that the Grantee is not authorized to expend any federal funds under this Contract to a federal agency or employee without the prior written approval of the awarding federal agency.

B. Equal Employment Opportunity. Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR Chapter 60). Applicable, except as otherwise provide under 41 CFR Part 60, to any grant, contract, loan, insurance, or guarantee involving Federal assisted construction.

C. Davis-Bacon Act. The Davis-Bacon Act, 40 U.S.C. 3141-3148, as supplemented by Department of Labor regulations at 29 CFR Part 5. Applicable to contractors and subcontractors performing on federally funded or assisted contracts in excess of **$2,000.00** for the construction, alteration, or repair (including painting and decorating) of public buildings or public works. Under this Act, contractors and subcontractors must pay their laborers and mechanics employed under the contract no less than the locally prevailing wages and fringe benefits for corresponding work on similar projects in the area.

D. Copeland "Anti-Kickback Act. The Copeland "Anti-Kickback" Act, 40 U.S.C. 3141-3148, and 3146-3148, as supplemented by Department of Labor regulations (29 CFR Part 5). Applicable to contracts awarded by a non-Federal entity in excess of **$100,000.00** that involve employment of mechanics or labors. Under this Act, contractors and subrecipients are prohibited from inducing, by any mean, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

E. Contract Work Hours and Safety Standards Act. Sections 103 and 107 of the Agreement Work Hours and Safety Standards Act (40 U.S.C. 327–330) as supplemented by Department of Labor regulations (29 CFR part 5). Applicable to construction contracts awarded by Contractors and subcontractors in excess of **$2,000.00**, and in excess of **$2,500.00** for other contracts which involve the employment of mechanics or laborers. Under this Act, contractors and subcontractors must compute wages of mechanics and laborers (workers) on the basis of a standard forty (40) hour work week; provide workers no less than time and a half for hours worked in excess of the forty (40) hour work week; and not require workers to work in surroundings or work conditions that are unsanitary, hazardous, or dangerous.

F. Rights to Inventions Made Under a Contract or Agreement. 37 CFR Part 401. If the Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or Subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under the "funding agreement," the recipient or subrecipient must comply with the requirements of 37

CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

G. **Energy Efficiency.** Mandatory standards and policies relating to energy efficiency which are contained in the State energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94–163, 89 Stat. 871).

H. **Debarment and Suspension Contractor Federal Certification.** In accordance with Federal Executive Order 12549 and 2 CFR Part 1400 regarding Debarment and Suspension, the Grantee certifies that neither it, nor its principals, is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency; and, that the Grantee shall not knowingly enter into any lower tier contract, or other covered transaction, with a person who is similarly debarred or suspended from participating in this covered transaction.

I. **Prohibition against Lobbying.**

i. **Grantee Certification – Payments to Influence.** The Grantee certifies that no Federal appropriated funds have been paid or will be paid, on or after December 22, 1989, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding, renewal, amending or modifying of any Federal contract, grant, or cooperative agreement. The Grantee also certifies that they have not engaged any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on behalf of the Grantee with respect to this Contract and its related federal contract, grant, loan, or cooperative agreement; or, if the Grantee has engaged any registrant with respect to this Contract and its related Federal contract, grant, loan, or cooperative agreement, the Grantee shall, prior to or upon execution of this Contract, provide the Commission Contract Manager a signed declaration listing the name of any said registrant. During the term of this Contract, and at the end of each Calendar quarter in which any event occurs that materially affects the accuracy of this certification or declaration, the Grantee shall file an updated declaration with the Commission's Contract Manager. If any non-federal funds are used for lobbying activities as described above in connection with this Contract, the Grantee shall submit Standard Form-LLL, "Disclosure Form to Report Lobbying", and shall file quarterly updates of any material changes. The Grantee shall require the language of this certification to be included in all subcontracts, and all subcontractors shall certify and disclose accordingly.

ii. **Grantee – Refrain from Subcontracting with Certain Organizations.** Pursuant to the Lobbying Disclosure Act of 1995, the Grantee agrees to refrain from entering into any subcontracts under this Contract with any organization described in Section 501(c)(4) of the Internal Revenue Code of 1986, unless such organization warrants that it does not, and will not, engage in lobbying activities prohibited by the Act as a special condition of the subcontract.

J. **Compliance with Office of Management and Budget Circulars.** As applicable, Grantee shall comply with the following Office of Management and Budget (OMB) Uniform Guidance (2 CFR 200).

K. **Drug Free Workplace.** Pursuant to the Drug-Free Workplace Act of 1988, the Grantee attests and certifies that the Grantee will provide a drug-free workplace compliant with 41 U.S.C. 81.

25. CONTRACT-RELATED PROCUREMENT.

A. **PRIDE.** In accordance with Section 946.515(6), F.S., if a product or service required for the performance of this Contract is certified by or is available from Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE) and has been approved in accordance with Subsection 946.515(2), F.S., the following statement applies:

> It is expressly understood and agreed that any articles which are the subject of, or required to carry out, this contract shall be purchased from [PRIDE] in the same manner and under the same procedures set forth in Subsections 946.515(2) and (4), F.S.; and for purposes of this contract the person, firm or other business entity carrying out the provisions of this contract shall be deemed to be substituted for this agency insofar as dealings with such corporation are concerned.

The above clause is not applicable to subcontractors unless otherwise required by law. Additional information about PRIDE and the products it offers is available at http://www.pride-enterprises.org.

B. **Respect of Florida.** In accordance with Subsection 413.036(3), F.S., if a product or service required for the performance of this Contract is on the procurement list established pursuant to Subsection 413.035(2), F.S., the following statement applies:

> It is expressly understood and agreed that any articles that are the subject of, or required to carry out, this contract shall be purchased from a nonprofit agency for the blind or for the severely handicapped that is qualified pursuant to Chapter 413, F.S., in the same manner and under the same procedures set forth in Subsections 413.036(1) and (2), F.S.; and for purposes of this contract, the person, firm or other business entity carrying out the provisions of this contract shall be deemed to be substituted for the state agency insofar as dealings with such qualified nonprofit agency are concerned.

Additional information about the designated nonprofit agency and the products it offers is available at http://www.respectofflorida.org.

C. **Procurement of Recycled Products or Materials.** Grantee agrees to procure any recycled products or materials which are the subject of or are required to carry out this Contract in accordance with Section 403.7065, F.S.

26. PROFESSIONAL SERVICES.

A. **Architectural, Engineering, Landscape Architectural, or Survey and Mapping.** If this Agreement is for the acquisition of professional architectural, engineering, landscape architectural, or registered surveying and mapping services, and is therefore subject to Section 287.055, F.S., the following provision applies:

> The architect (or registered surveyor and mapper or professional engineer, as applicable) warrants that he or she has not employed or retained any company or person, other than a bona fide employee working solely for the architect (or

registered surveyor and mapper, or professional engineer, as applicable) to solicit or secure this Agreement and that he or she has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the architect (or registered surveyor and mapper or professional engineer, as applicable) any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this contract.

B. Termination for Breach. For the breach or violation of this provision, the Commission shall have the right to terminate the Agreement without liability and, at its discretion, to deduct from the Agreement price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

27. INDEMNIFICATION.

If Grantee is a state agency or subdivision, as defined in Subsection 768.28(2), F.S., pursuant to Subsection 768.28(19), F.S., neither Party indemnifies nor insures the other Party for the other Party's negligence. If Grantee is not a state agency or subdivision as defined above, Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State and the Commission, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors, provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the State or the Commission. If this is a Professional Services Agreement as defined in Subsection 725.08 F.S., then notwithstanding the provisions of Subsection 725.06 F.S., the design professional shall only be liable for, and fully indemnify, defend, and hold harmless the State, the Commission, and their officers, agents, and employees, for actions caused in whole or in part, by the negligence, recklessness, or intentionally wrongful conduct of the design professional and other persons employed or utilized by the design professional in the performance of the Agreement.

28. NON-DISCRIMINATION.

No person, on the grounds of race, creed, color, national origin, age, sex, or disability, shall be excluded from participation in, be denied the proceeds or benefits of, or be otherwise subjected to discrimination in performance of this Agreement.

29. SEVERABILITY, CHOICE OF LAW, AND CHOICE OF VENUE.

This Agreement has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Any action in connection herewith, in law or equity, shall be brought in Leon County, Florida, to the exclusion of all other lawful venues.

30. NO THIRD PARTY RIGHTS.

The Parties hereto do not intend nor shall this Agreement be construed to grant any rights, privileges or interest to any person not a party to this Agreement.

31. JURY TRIAL WAIVER.

As part of the consideration for this Agreement, the Parties hereby waive trial by jury in any action or proceeding brought by any party against any other party pertaining to any matter whatsoever arising out of or in any way connected with this Agreement, or with the products or services provided under this Agreement, including but not limited to any claim by the Grantee of *quantum meruit*.

32. PROHIBITION OF UNAUTHORIZED ALIENS.

In accordance with Federal Executive Order 96-236, the Commission shall consider the employment by the Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationalization Act. Such violation shall be cause for unilateral cancellation of this Agreement if the Grantee knowingly employs unauthorized aliens.

33. EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY).

A. **Requirement to Use E-Verify.** Executive Order 11-116, signed May 27, 2011, by the Governor of Florida, requires Commission contracts in excess of nominal value to expressly require the Grantee to: 1.) utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by Grantee during the Agreement term; and, 2.) include in all subcontracts under this Agreement, the requirement that subcontractors performing work or providing services pursuant to this Agreement utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the term of the subcontract.

B. **E-Verify Online.** E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States after the effective date of the required Memorandum of Understanding (MOU); the responsibilities and elections of federal contractors, however, may vary, as stated in Article II.D.1.c. of the MOU. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found online at http://www.dhs.gov/files/programs/gc_1185221678150.shtm

C. **Enrollment in E-Verify.** If Grantee does not have an E-Verify MOU in effect, the Grantee must enroll in the E-Verify system prior to hiring any new employee after the effective date of this Agreement.

D. **E-Verify Recordkeeping.** The Grantee further agrees to maintain records of its participation and compliance with the provisions of the E-Verify program, including participation by its subcontractors as provided above, and to make such records available to the Commission or other authorized state entity consistent with the terms of the Grantee's enrollment in the program. This includes maintaining a copy of proof of the Grantee's and subcontractors' enrollment in the E-Verify Program (which can be accessed from the "Edit Company Profile" link on the left navigation menu of the E-Verify employer's homepage).

E. **Employment Eligibility Verification.** Compliance with the terms of the Employment Eligibility Verification provision is made an express condition of this Agreement and the Commission may treat a failure to comply as a material breach of the Agreement.

34. FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE.

Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay Agreement believes is excusable under this paragraph, Grantee shall notify the Commission's Grant Manager in writing of the delay or potential delay and describe the cause of the delay either: (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) within five (5) calendar days after the date Grantee first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. The Commission, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify Grantee of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against the Commission. Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from the Commission for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, Grantee shall perform at no increased cost, unless the Commission determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to the Commission or the State, in which case, the Commission may do any or all of the following: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to the Commission with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate the Agreement in whole or in part.

35. TIME IS OF THE ESSENCE.

Time is of the essence regarding the performance obligations set forth in this Agreement. Any additional deadlines for performance for Grantee's obligation to timely provide deliverables under this Agreement including but not limited to timely submittal of reports, are contained in the Scope of Work, Attachment A.

36. ENTIRE AGREEMENT.

This Agreement with all incorporated attachments and exhibits represents the entire Agreement of the Parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, and duly signed by each of the Parties hereto, unless otherwise provided herein. In the event of conflict, the following order of precedence shall prevail;

this Agreement and its attachments, the terms of the solicitation and the Grantee's response to the solicitation.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed through their duly authorized signatories on the day and year last written below.

Attachment A – SCOPE OF WORK

Project Name:	Escambia County Derelict Vessel Removal Project	**FWC Contract No.**	20158

1. PROJECT DESCRIPTION

A. Purpose: The purpose of this project is to remove and dispose of one derelict vessel from the public waters of the state within the jurisdiction of Escambia County, Florida.

B. Project Benefits: The removal and disposal of this derelict vessel will improve boating safety by removing hazards to navigation. This project will also help to restore sensitive marine resources and improve water quality.

2. DELIVERABLE(S) Removal and disposal of 1 derelict vessel from the public waters of the State

A. Tasks: The Grantee shall provide all labor, equipment, and materials to remove the derelict vessels listed below from the public waters of the state within the jurisdiction of Escambia County and properly dispose of the vessels in the designated disposal location:

1) FWNW19OFF017478
Description: White 40’ Blue Water Cabin Cruiser, Reg: MI2905BZ
HIN: BTL04305M79F
Location: 30 24.20982(N) / 087 15.3762(W) /Bayou Chico
Disposal: Landfill

B. Documentation used as evidence of performance: The Grantee shall provide to the Commission a Final Disposition Report. This report shall contain the list of all derelict vessels removed, the disposition of each derelict vessel, and photographs that document the condition of each vessel prior to removal, the removal process for each vessel, and the final disposition of each vessel.

3. FINANCIAL CONSEQUENCES

The Commission may restrict payment of any or all costs for failure to complete the project as described herein within the timeframe allowed, or for failure to correct any project deficiencies, as noted in the final project inspection. The final project inspection will be done by a Commission officer verifying that the entire vessel for each task has been removed according to the project plan.

Failure of Grantee to have all receipts and evidence of project performance delivered to FWC on or before January 29, 2021, before close of business may jeopardize payment of funds to the Grantee per the agreement.

Project Name:	Escambia County Derelict Vessel Removal Project	**FWC Contract No.**	20158

4. PERFORMANCE

A. Acceptance of Agreement: The Grantee will accept the agreement, and have it signed and returned to the Commission within 30 days of receipt. Failure to have the agreement returned within the specified time will render the agreement null and void. In some cases, the Commission will allow a modified return time with prior notice and approval from the Commission's Contract Manager.

B. Commencement of Work: The Grantee shall commence work on the overall project as soon as notified by the Commission of the agreement execution. Failure by the Grantee to execute the work within 60 days of agreement execution shall result in the agreement being null and void, unless prior approval for a delay is granted by the Commission's Contract Manager.

C. Procurement: The Grantee shall procure goods and services through a competitive solicitation process in accordance with Chapter 287, Florida Statutes. The Grantee has already included in the application the quote provided by the contractor chosen for the task and the Commission will pay to the Grantee 100 percent of the quoted price for each task or 100 percent of the actual cost if less than the quoted price. The Grantee will ensure that the selected contractor has adequate insurance and is qualified to do the work. A copy of the state's Derelict Vessel Removal Best Management Practices, attached as Attachment D, will provide guidance as to whether or not the selected contractor is qualified to do the work.

D. Closeout: Final receipts with required evidence of completion will be received by the Commission's Contract Manager no later than January 29,2021.

5. COMPENSATION AND PAYMENT

A. Compensation: For satisfactory completion of the tasks described in this Scope of Work, by the Grantee under the terms of this Agreement, the Commission shall pay the Grantee on a cost reimbursement basis in an amount not to exceed $10,600.00. The Grantee shall be reimbursed only for budgeted expenses that are directly related to the removal and disposal of vessels within the project.

B. Cost Share: The Grantee is not required to provide any cost share of the total cost of the project as indicated in the FWC Derelict Vessel Removal Grant Guidelines. The total compensation by the Commission shall be $10,600.00 or 100% of the total cost for the project, whichever is less.

C. Salvage Value: The Grantee shall be entitled to the salvage value of any grant-designated derelict vessel or any part(s) or accessories thereof, not used in the construction of a

permitted artificial reef site, excluding the hull. All such salvage activities not essential to the physical removal of a derelict vessel shall be accomplished after the vessel has been removed from public waters. The salvage value of each vessel shall be deducted by the Grantee when determining the reimbursement request for the removal and disposal costs for each derelict vessel. Vessel hulls must be destroyed and not salvaged in whole. All salvaged materials from such vessels must be removed from the vessels before being sold for salvage. By law, such salvage values must offset the cost of removal to be allowed.

D. Forms and Documentation: The Grantee shall be reimbursed on a cost reimbursement basis in accordance with 2011 Reference Guide for State Expenditures attached hereto and made a part hereof as Attachment C.

The request for reimbursement shall include an invoice in a format similar to Attachment F, Sample Invoice Form, which shall include the FWC Agreement Number, the Grantee's Federal Employer Identification (FEID) Number, and the dates of service. The invoice shall be accompanied by Attachment H: Certificate of Completion, photographs to document project **removal and destruction** completion, an itemized list of all project expenditures, and copies of invoices and cancelled checks or check numbers to document payment for all project expenditures.

6. MONITORING

A. Compliance Monitoring and Corrective Actions: The Commission will monitor the Grantee's service delivery to determine if the Grantee has achieved the required level of performance. If the Commission in its sole discretion determines that the Grantee failed to meet any of the terms or conditions of this Agreement, the Grantee will be sent a formal written notice. The Grantee shall correct all identified deficiencies within forty-five (45) days of notice. Failure to achieve 100% compliance with all of the terms and conditions of this Agreement or failure to correct the deficiencies identified in a notice identifying deficiencies within the time frame specified may result in delays in payment or termination of this Agreement in accordance with the terms of the Agreement.

B. Site Inspections: The Commission may inspect the Project site prior to and, if applicable, during the removal of project vessels. The Grantee shall notify the Commission's Contract Manager when the Project has reached substantial completion so that inspection may occur in a timeframe allowing for the timely submission and processing of the final invoice. The Commission's Contract Manager, or designee, shall inspect the work accomplished on the project and, if deemed complete and in compliance with the terms of the Agreement, approve the request for payment. All derelict vessel removal sites will be inspected by a Commission officer to verify the complete removal of the vessel as described in the Agreement.

C. Project Progress Reports: The Grantee shall submit to the Commission, on a monthly basis, project progress reports outlining the progress of the project, and identifying any problems that may have arisen and actions taken to correct such problems. Such reports shall be submitted on the Project Monthly Progress Report Form attached hereto and made a part hereof as

Attachment G. Reports are due to the Commission's Contract Manager by the 15th of the month immediately following the reporting period until the Certificate of Completion is submitted.

D. Best Management Practices: The Grantee shall ensure that the contractor chosen to complete the tasks as indicated in this Scope of Work are both able and instructed to follow state Derelict Vessel Removal Best Management Practices (BMPs), (Attachment D). Failure to follow these BMPs may subject both the contractor and the Grantee to State or Federal fines and penalties if it is shown that these practices were not followed.

E. Certificate of Completion: Upon completion of the Project, the Contract Manager for the Grantee shall sign a Certificate of Completion form, Attachment H, attached hereto and made a part hereof, that certifies the project was completed in accordance with this Scope of Work and the Agreement. For reporting purposes this project will be submitted to the Executive Office of the Governor, a Letter of Return on Investment for the State is attached hereto and made part thereof as Attachment E to this agreement.

7. INTELLECTUAL PROPERTY RIGHTS

No additional requirements. Refer to Section 12 of the Agreement.

8. SUBCONTRACTS

No additional requirements. Refer to Section 14 of the Agreement.

9. INSURANCE

No additional requirements. Refer to Section 16 of the Agreement.

10. SECURITY AND CONFIDENTIALITY

No additional requirements. Refer to Section 20 of the Agreement.

11. RECORD KEEPING REQUIREMENTS

No additional requirements. Refer to Section 21 of the Agreement.

12. NON-EXPENDABLE PROPERTY

No additional requirements. Refer to Section 12 of the Agreement.

13. PURCHASE OR IMPROVEMENT OF REAL PROPERTY

No additional requirements. Refer to Section 12 of the Agreement.

Attachment B
AUDIT REQUIREMENTS

The administration of resources awarded by the Florida Fish and Wildlife Conservation Commission (Commission) to the Grantee may be subject to audits and/or monitoring by the Commission as described in Part II of this attachment regarding State funded activities. If this Agreement includes a Federal award, then Grantee will also be subject to the Federal provisions cited in Part I. If this Agreement includes both State and Federal funds, then all provisions apply.

MONITORING

In addition to reviews of audits conducted in accordance with Sections 200.500-200.521, Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards (2 CFR 200), as revised, hereinafter "OMB Uniform Guidance" and Section 215.97, F.S., as revised (see "AUDITS" below), the Commission may conduct or arrange for monitoring of activities of the Contractor. Such monitoring procedures may include, but not be limited to, on-site visits by the Commission staff or contracted consultants, limited scope audits as defined by Section 200.331, OMB Uniform Guidance and/or other procedures. By entering into this Contract, the Grantee agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Commission. The Grantee further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Florida Department of Financial Services or the Florida Auditor General.

AUDITS

PART I: FEDERALLY FUNDED. If this Agreement includes a Federal award, then the following provisions apply:

A. This part is applicable if the Grantee is a State or local government or a non-profit organization as defined in Sections 200.90, 200.64, or 200.70, respectively, OMB Uniform Guidance.

B. In the event that the Grantee expends **$500,000.00** (**$750,000.00** for fiscal years beginning on or after December 26, 2014) or more in Federal awards in its fiscal year, the Grantee must have a single or program-specific audit conducted in accordance with the provisions of the Federal Single Audit Act of 1996 and Sections 200.500-200.521, OMB Uniform Guidance. EXHIBIT 1 to this Attachment indicates Federal resources awarded through the Commission by this Agreement. In determining the Federal awards expended in its fiscal year, the Grantee shall consider all sources of Federal awards, including Federal resources received from the Commission. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by Sections 200.500-200.521, OMB Uniform Guidance. An audit of the Grantee conducted by the Auditor General in the OMB Uniform Guidance, will meet the requirements of this part.

C. In connection with the audit requirements addressed in Part I, paragraph A. herein, the Grantee shall fulfill the requirements relative to auditee responsibilities as provided in Section 200.508, OMB Uniform Guidance. This includes, but is not limited to, preparation of financial statements, a schedule of expenditure of Federal awards, a summary schedule of prior audit findings, and a corrective action plan.

D. If the Grantee expends less than **$500,000.00** (**$750,000.00** for fiscal years beginning on or after December 26, 2014) in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, is not required. In the event that the Grantee expends less than **$500,000.00** (**$750,000.00** for fiscal years beginning on or after

December 26, 2014) in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from Grantee resources obtained from other than Federal entities).

E. Such audits shall cover the entire Grantee's organization for the organization's fiscal year. Compliance findings related to contracts with the Commission shall be based on the contract requirements, including any rules, regulations, or statutes referenced in the Contract. The financial statements shall disclose whether or not the matching requirement was met for each applicable contract. All questioned costs and liabilities due to the Commission shall be fully disclosed in the audit report with reference to the Commission contract involved. Additionally, the results from the Commission's annual financial monitoring reports must be included in the audit procedures and the Sections 200.500-200.521, OMB Uniform Guidance audit reports.

F. If not otherwise disclosed as required by Section 200.510, OMB Uniform Guidance, the schedule of expenditures of Federal awards shall identify expenditures by contract number for each contract with the Commission in effect during the audit period.

G. If the Grantee expends less than **$500,000.00** in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, is not required. In the event that the Grantee expends less than **$500,000.00** in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, the cost of the audit must be paid from non-Federal resources (*i.e.*, the cost of such an audit must be paid from the Grantee's resources obtained from other-than Federal entities).

H. A web site that provides links to several Federal Single Audit Act resources can be found at: http://harvester.census.gov/sac/sainfo.html

PART II: STATE FUNDED. If this Agreement includes State funding, then the following provisions apply:

This part is applicable if the Grantee is a non-state entity as defined by Section 215.97, F.S., (the Florida Single Audit Act).

A. In the event that the Grantee expends a total amount of state financial assistance equal to or in excess of **$500,000.00** in any fiscal year of such Grantee, the Grantee must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; applicable rules of the Executive Office of the Governor and the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Attachment indicates state financial assistance awarded through the Commission by this Contract. In determining the state financial assistance expended in its fiscal year, the Grantee shall consider all sources of state financial assistance, including state financial assistance received from the Commission, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.

B. In connection with the audit requirements addressed in Part II, paragraph A herein, the Grantee shall ensure that the audit complies with the requirements of Section 215.97(7), F.S. This includes submission of a financial reporting package as defined by Section 215.97(2)(d), F.S., and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

C. If the Grantee expends less than **$500,000.00** in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. In the event that the Grantee expends less than **$500,000.00** in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the non-state entity's resources (*i.e.*, the cost of such an audit must be paid from the Grantee's resources obtained from other-than State entities).

D. Additional information regarding the Florida Single Audit Act can be found at: https://apps.fldfs.com/fsaa/.

E. Grantee shall provide a copy of any audit conducted pursuant to the above requirements directly to the following address:

Chief Financial Officer
Florida Fish and Wildlife Conservation Commission
Bryant Building
620 S. Meridian St.
Tallahassee, FL 32399-1600

PART III: REPORT SUBMISSION

A. Copies of reporting packages, to include any management letter issued by the auditor, for audits conducted in accordance with Sections 200.500-200.521, OMB Uniform Guidance, and required by Part I of this Attachment shall be submitted by or on behalf of the Grantee directly to each of the following at the address indicated:

1. The Commission at the following address:

   Chief Financial Officer
   Florida Fish and Wildlife Conservation Commission
   Bryant Building
   620 S. Meridian St.
   Tallahassee, FL 32399-1600

2. The Federal Audit Clearinghouse designated in Section 200.512, OMB Uniform Guidance (the reporting package required by Section 200.512, OMB Uniform Guidance, should be submitted to the Federal Audit Clearinghouse):

   Federal Audit Clearinghouse
   Bureau of the Census
   1201 East 10th Street
   Jeffersonville, IN 47132

3. Other Federal agencies and pass-through entities in accordance with Section 200.512, OMB Uniform Guidance.

B. Copies of audit reports for audits conducted in accordance with Sections 200.500-200.521, OMB Uniform Guidance, and required by Part I of this Attachment (in correspondence accompanying the audit report, indicate the date that the Grantee received the audit report); copies of the reporting

package described in Section 200.512, OMB Uniform Guidance, and any management letters issued by the auditor; copies of reports required by Part II of this Attachment must be sent to the Commission at the addresses listed in paragraph C. below.

C. Copies of financial reporting packages required by Part II of this Attachment, including any management letters issued by the auditor, shall be submitted by or on behalf of the Grantee directly to each of the following:

1. The Commission at the following address:

   Chief Financial Officer
   Florida Fish and Wildlife Conservation Commission
   Bryant Building
   620 S. Meridian St.
   Tallahassee, FL 32399-1600

2) The Auditor General's Office at the following address:

   Auditor General's Office
   G74 Claude Pepper Building
   111 West Madison Street
   Tallahassee, FL 32399-1450

D. Any reports, management letter, or other information required to be submitted to the Commission pursuant to this Contract shall be submitted timely in accordance with OMB Sections 200.500-200.521, OMB Uniform Guidance, Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

Grantees and sub-Grantees, when submitting financial reporting packages to the Commission for audits done in accordance with Sections 200.500-200.521, OMB Uniform Guidance, or Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the Grantee/sub-Grantee in correspondence accompanying the reporting package.

COST REIMBURSEMENT CONTRACT PAYMENT REQUIREMENTS

Pursuant to the February, 2011 *Reference Guide for State Expenditures* published by the Department of Financial Services, invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). In addition, supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of types of supporting documentation:

(1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

(2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

(3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.

(4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.

(5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.

(6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports. Additionally, the invoice or submitted documentation must evidence the completion of all tasks required to be performed for the deliverable and must show that the provider met the minimum performance standards established in the agreement.

Best Management Practices for DV removal

Derelict Vessel Removal Process

Derelict vessels are existing impacts to the environment as well as boating safety hazards, impediments to navigation, and esthetic nuisances. Typically these vessels are found grounded on the edges of active waterways where they may have physical impacts on benthic and shoreline communities. However, the impact of these vessels is not limited to their immediate location. If left unattended, the influences of winds and tides continue to push the boats causing greater impact as they become more deeply mired into the environment. Early extraction of these vessels will avoid and minimize the environmental impacts. In addition to these physical impacts resulting from the movement of these vessel through the environment; there is the long term effect caused by their continued degradation and decay in the marine environment. These vessels may be constructed of various materials, such as wood, steel, aluminum, or fiberglass; each having varying degrees of resilience and can remain in the marine environment for extended periods of time. With the progression of time; the environmental impacts increase with the shading from the hull and displacement of live bottom and emergent vegetative communities resulting from the expansion of the debris field as the vessels disintegrates. The impacts resulting from the removal of these vessels during any stage is less than the impacts caused by the long-term presence of the vessel in the marine environment. Therefore, the early detection and removal of these abandoned and derelict vessels is the best means of minimizing the individual or cumulative impacts to the environment.

Derelict Vessel Removal (FDEP) Permit Exemption

An Exemption under Florida Administrative Code Chapter 62-330-051(5)(g) by Florida Department of Environmental Protection, has been established for the removal of derelict vessels. Based on the presumption that the extraction of these vessels from the marine environment will cause only minimal environmental impacts and in turn avoid the long-term impacts resulting from the degradation of the vessel at it current location. The environmental impacts are ameliorated by the application of the best management practices referenced below.

Florida Administrative Code Chapter 62-330-051(5)(g)

(g) The removal of derelict vessels, as defined in Section 823.11(1), F.S., by federal, state, and local agencies, provided:
1. The derelict vessel case has been completed as specified in Section 705.103, F.S., and has been entered into the Statewide Derelict Vessel Database maintained by the Florida Fish and Wildlife Conservation Commission;

2. All work is done in a manner that, to the greatest practicable extent, avoids additional dredging or filling, grounding or dragging of vessels, and damage to submerged resources such as seagrass beds, oyster beds, coral communities, mangroves, other wetlands, and live bottom; and
3. An absorbent blanket or boom shall be immediately deployed on the surface of the water around the derelict vessel if fuel, oil, or other free-floating pollutants are observed during the work.

General Derelict Vessel Removal and Environmental Protection Best Management Practices

The following best management practices (BMP's) will be employed by the marine contractor during the removal of derelict vessels. These BMP's will be incorporated into the contact for each vessel removal project. The marine contractor selected for the project will be required to show proof of their ability to meeting the BMP requirements with their contingency of equipment, staff and expertise in the removal of derelict vessels.

Compliance with these BMP's will be monitored by the County and by local Florida Fish and Wildlife Conservation Commission law enforcement officers. These BMP's are as follows:

a. All Work Is To Meet The Following Requirements:

1. Operations are to be limited to daylight hours.
2. Operations are to be staged from an upland area.
3. All work is to be performed in a manner that avoids and/or minimizes impacts to live bottom and other resource areas (e.g., seagrass beds, oyster beds, wetlands, mangroves, and other sensitive habitats) while approaching, working in, and leaving the derelict vessel site.
4. All work shall avoid impacts to manatees, sea turtles, and other species listed by the state and federal government as threatened or protected.
5. The Contractor will remove all contaminants and pollutants including fuels, batteries, paints, solvents, and engine from the derelict vessel prior to extraction. Any contaminant or pollutant found to be contained within a derelict vessel shall be removed by the Contractor, placed in an approved container, and disposed of properly. The placement of an absorbent blanket on the surface of the water around the derelict vessel within the turbidity barrier is required where free floating product (gas/oil) is observed.
6. The Contractor is to provide appropriate best management practices (BMPs) approved by the Florida Department of Environmental Protection for erosion control and turbidity protection while each derelict vessel is being removed. In areas of low to moderate currents, a Type II floating turbidity barrier will be

installed within a ten (10) foot radius of the vessel being removed prior to starting any removal activities. The turbidity barrier shall be anchored to the bottom of the waterway.

7. The Contractor is to provide appropriate BMPs for erosion control and turbidity prevention around the vessels/barges being used to remove the derelict vessel and around the perimeter of any upland staging site (where necessary).
8. The Contractor is to monitor turbidity levels throughout removal work.
9. In an effort to reduce turbidity, a crane, winch and/or approved alternate method is to be used to raise the derelict vessel from the water.
10. The Contractor will assess turbidity levels and allow them to return to an acceptable level similar to pre-project condition prior to removal of turbidity measures.
11. The dragging of vessels is to be avoided both on and off-shore. All vessels/barges used in vessel removal shall continually monitor water depths to avoid running aground.
12. The Contractor will load derelict vessels onto a barge and/or flat bed truck (or similar) for proper disposal.
13. The Contractor is to photo-document all removals as described in Item 6 below with pictures taken before, during and after removal. The Contractor will provide a daily written report of all removal activities.

b. For Derelict Vessels That Are Floating or Lightly Aground:

    1. The vessel is to be pumped out as needed and extracted (floated out) during high water.
    2. Following extraction, the vessel is to be towed from the grounded location to a boat ramp or other removal point while avoiding and/or minimizing impacts to live bottom areas.

c. For Derelict Vessels That Are Hard Aground:

    1. The vessel is to be approached using shallow draft vessels.
    2. The vessel is to be extracted using a crane from a shallow draft deck barge, by hand using the best available tools, or similar approach to minimize impacts to the site and surrounding areas.

d. For Derelict Vessels Sunken in Shallow Water:

    1. Install and inflate flotation bags as needed.
    2. Lift the vessel with barge mounted crane or similar equipment.

To: FWC Contract 20158, Escambia County
From: Phil Horning, Contract Manager
RE: Return on Investment Reporting

This Memorandum is to document the Return of Investment reporting language as mandated and approved by Florida's Executive Office of the Governor, Office of Policy and Budget, in to FWC Contract 20158.

Return of Investment reporting:

The ultimate objective is for the vessel(s) to be removed from the water at the earliest possible time to prevent additional removal costs and potential damage by interfering with navigation or the environment. Removing vessels at the earliest possible time reduces the cost of removing vessels at a later time when they frequently sink or break apart thereby increasing removal costs. By eliminating these hazards from navigation, there is a reduced chance of injury or death associated with a collision between a boater and a derelict vessel thereby reducing risk to the boater, county and state.

Removing a greater number of derelict vessels reduces the number of environmental incidents of pollution caused by spilled fuels and oils and the leaching of caustic chemicals into the waters of the state. A reduction of derelict vessel damage to sea grasses, corals, and other benthic resources also increases value to our states natural resources and reduces restoration costs. Derelict vessels can also be a blight on working waterfronts, resort and residential areas. This blight can negatively affect the economy of these areas including use, sales and tourism.

Analysis at the program's conclusion will list the number of derelict vessels and/or total linear feet removed for both individual counties and the statewide total. The average cost for vessels removed and the average cost per linear foot will also be included. The report will measure the percentage of derelict vessels removed for both counties and the entire state based on the pre-program totals as listed in the Statewide Derelict Vessel Database.

Detailed Project Proposal and Scope of Work

Date: August 24, 2020

Escambia County Marine Resources Division (MRD) is submitting an application to the Florida Fish and Wildlife Conservation Commission's (FWC) Derelict Vessel Removal Grant Opportunity Announcement. As required in the application, Escambia County must provide individual price quotes for each proposed Derelict Vessel. This Price Quote seeks the total price for floating and removal to the Perdido Landfill of the following vessel:

Vessel Name: *OVERDRAFT*, (MI 2905 BZ)

Escambia County Responsibilities

1. Provide Contractor with written documentation of vessel and "Derelict Vessel" status and authorization for removal.
2. Ensure contractor's insurance coverage meets Escambia County requirements. (see below)
3. Oversight of the removal project. To the extent possible, the Marine Resources Division will have someone available to be on scene during the removal operation.
4. MRD will coordinate in advance with the contractor and landfill to ensure the disposal of the vessel proceeds in a timely manner when delivered. The "tipping fees" for the vessel will be covered by Escambia County. Escambia County's Perdido Landfill is the preferred disposal site.

Contractor Responsibilities

The following best management practices (BMP's) will be employed by the marine contractor during the removal of derelict vessels. The marine contractor selected for the project will be required to show proof of their ability to meeting the BMP requirements with their contingency of equipment, staff and expertise in the removal of derelict vessels.

Contractor must comply with the following Florida Fish and Wildlife Conservation Commission (FWC) BMP's. Escambia County and FWC law enforcement officers may monitor for compliance.

1. Obey all local, state, regional and federal laws and regulations.
2. Locate and remove derelict vessel from waterway, including vessel components that may separate from vessel during removal. No dredging is allowed unless contractor obtains authorization from state and federal agencies.
3. Determine and obtain permission, if necessary, the location required to remove the vessel from the waterway (marina, dock, boat yard).
4. Operations are to be limited to daylight hours.
5. Operations are to be staged from an upland area.
6. The vessel is to be pumped out (seawater) as needed and extracted (floated out) during high water.

7. All work is to be performed in a manner that avoids and/or minimizes impacts to live bottom and other resource areas (e.g., seagrass beds, oyster beds, wetlands, and other sensitive habitats) while approaching, working in, and leaving the derelict vessel site.
8. All work shall avoid impacts to manatees, sea turtles, and other species listed by the state and federal government as threatened or protected.
9. The Contractor will remove all contaminants and pollutants including fuels, batteries, paints, solvents, engine oil, transmission oil, lower unit oil from the derelict vessel prior to extraction, or immediately after raising of the vessel. Any contaminant or pollutant found to be contained within a derelict vessel shall be removed by the Contractor, placed in an approved container, and disposed of properly. The placement of an absorbent blanket on the surface of the water around the derelict vessel within the turbidity barrier is required where free floating product (gas/oil) is observed.
10. The Contractor is to provide appropriate BMP's approved by the Florida Department of Environmental Protection for erosion control and turbidity protection while each derelict vessel is being removed. In areas of low to moderate currents, a Type II floating turbidity barrier will be installed within a ten (10) foot radius of the vessel being removed prior to starting any removal activities. The turbidity barrier shall be anchored to the bottom of the waterway.
11. The Contractor is to monitor turbidity levels throughout removal work.
12. In an effort to reduce turbidity, a crane, winch and/or approved alternate method is to be used to raise the derelict vessel from the water.
13. The Contractor will assess turbidity levels and allow them to return to an acceptable level similar to pre-project condition prior to removal of turbidity measures.
14. The dragging of vessels is to be avoided both on and offshore. All vessels/barges used in vessel removal shall continually monitor water depths to avoid running aground.
15. The Contractor will load derelict vessels onto a barge and/or flatbed truck (or similar) for proper disposal.
16. The Contractor is to photo-document all removal activities with photographs taken before, during and after removal. The Contractor will provide a daily written report of all removal activities to the County with photographs.
17. Contractor will transport vessel to pre-authorized landfill. Escambia County will pay the landfill "tipping fee" costs; contractor will obtain pre-authorization from Escambia County Marine Resources Division regarding landfill selection and disposal.
18. No items may be salvaged from the vessel during the removal/disposal process.

Insurance Requirements

See attached document: DV_StdInsAttchmt_20200819 for Escambia County Standard Insurance Requirements and Certificates.

At the time of submittal, please include a letter from your insurance company stating that your company has the required insurance levels. A COI will later be required in order for your company to proceed if selected.

Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

Project expected to be completed within _15__ calendar days of issuance of Notice to Proceed.

Meeting Date: 11/05/2020
Issue: Surplus and Sale of Two County-Owned Parcels of Real Property Located Along Innerarity Circle
From: Cassie Boatwright, Department Director
Organization: Facilities Management
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Surplus and Sale of Two County-Owned Parcels of Real Property Located Along Innerarity Circle - Cassie Boatwright, Director, Facilities Management

That the Board take the following action concerning the surplus and sale of two County-Owned Parcels of Real Property Located Along Innerarity Circle:

A. Declare surplus two County-owned parcels of real property located along Innerarity Circle, located in District 2; specifically, Lot 3, Blk G, The Cove, 5600 Blk Innerarity Circle (Ref#: 15-3S-32-1102-003-007), and Lot 3, Blk H, The Cove, 5600 Blk Innerarity Circle (Ref #: 15-3S-32-1102-003-008);

B. Add a stipulation that both parcels must be sold together, as one (Property), and that the Property is conveyed subject to the restriction that Grantee use the Property solely for right-of-way purposes and construction of a cul-de-sac or other road structures that facilitate egress from Innerarity Circle; this restriction will run with the land and be binding on Grantee's heirs, executors, administrators, successors, and assigns, and may be enforced by Grantor or any owner of a lot in the Cove subdivision, Plat Book 9, Page 97 of the public records of Escambia County, Florida;

C. Authorize the sale of the Property to the bidder with the highest offer received at or above the minimum bid, which will be set at the combined total of the Property Appraiser's assessed values;

D. Authorize the County Attorney's Office to prepare and the Chairman to sign all documents necessary to complete the sale of the Property, without further action of

the Board; and

E. Upon a determination of Default, allow the County Administrator to authorize retention of any bid deposit that may be paid, and allow the parcels to be put back out for sale, without further Board action.

BACKGROUND:

The County inherited 119 parcels of real property on Innerarity Island on January 31, 2017, as part of a Settlement Agreement with Innerarity Island Development Corporation (IIDC). Two County-owned parcels of real property located along Innerarity Circle; specifically, Lot 3, Blk G, The Cove, 5600 Blk Innerarity Circle (Ref#: 15-3S-32-1102-003-007), and Lot 3, Blk H, The Cove, 5600 Blk Innerarity Circle (Ref #: 15-3S-32-1102-003-008), were received as part of that Settlement Agreement.

The residents along Innerarity Circle contacted staff regarding safety issues for first responder and delivery vehicles to be able to maneuver once the vehicle reaches the end of the paved portion of the street. The parcels at the end of the street were identified as wetlands when the County received them in the IIDC settlement. However, staff has verified that the subject parcels are not wetlands and can be paved for the purpose of a vehicle turnaround. The community is a private, gated community where the HOA maintains the roads instead of the County.

Surplusing the properties with the following deed restrictions:
(1) That both parcels must be sold together as one (Property); and
(2) That the Property is conveyed subject to the restriction that Grantee use the Property solely for right-of-way purposes and construction of a cul-de-sac or other road structures that facilitate egress from Innerarity Circle; this restriction will run with the land and be binding on Grantee's heirs, executors, administrators, successors, and assigns, and may be enforced by Grantor or any owner of a lot in the Cove subdivision, Plat Book 9, Page 97 of the public records of Escambia County, Florida; and
(3) May allow the appropriate parties to purchase the land and pave the parcels to allow large vehicle turnaround at the end of the street, if the community so desires.

BUDGETARY IMPACT:

Sale of these properties will provide revenue to offset the cost of the Municipal Services Benefit Unit (MSBU) for sewer improvements or other costs related to this project.

LEGAL CONSIDERATIONS/SIGN-OFF:

All legal documents will be approved as to form and legal sufficiency by the County Attorney's Office prior to execution by the Chairman. The purchaser will pay all closing costs.

Subject: Fire Truck Driving Surface Clarification

Good Afternoon Mr. Quinn,
Thank you very much for taking the time to speak with me last week regarding the driving surface required for a fire truck. Will you please confirm that an all-weather surface, i.e. gravel (#57 stone), asphalt millings, or crushed aggregate would be sufficient? Once I receive your confirmation, I will include those options with the rest of information (maps of wetland boundaries and property boundaries) to the residents of Innerarity Circle. This will assist them with the installation of the truck turn-around they wish to have built. I appreciate the help.

Respectfully,

Issue: Authorization for Cumulative Expenditures Over $25,000 in FY2020-2021 for Demolition or Lot Clearing Services
From: Chips Kirschenfeld, Director
Organization: Natural Resources
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Authorization for Cumulative Expenditures Over $25,000 in Fiscal Year 2020-2021, for the Department of Natural Resources, for Demolition or Lot Clearing Services - J. Taylor "Chips" Kirschenfeld, Director, Department of Natural Resources Management

That the Board authorize cumulative total expenditures over $25,000, in Fiscal Year 2020-2021, to contractors performing demolition or lot clearing services for the Department of Natural Resources, Environmental Enforcement Division, for individual projects of less than $50,000, based on competitive quotes. The request is being made in advance of the cumulative total of expenditures exceeding $25,000 this Fiscal Year for the following vendors:

[Funding Source: Fund 103, Environmental Code Enforcement Fund, Cost Center 220110, Object Code 53401]

BACKGROUND:

Environmental Enforcement (Code) requests quotes from a pool of qualified contractors for the performance of demolition and lot clearing work throughout the year, as needed. The estimated cost of each individual project is below the mandatory formal bid amount of $50,000. The work is awarded based on the lowest quoted cost. The Demolition and Lot Clearing Contractors are qualified through a formal qualification process administered and maintained by the Office of Purchasing. Based on projected activity in Fiscal Year 2020-2021, it is anticipated the cumulative value of Purchase Orders issued to some of the contractors listed may exceed $25,000.

The vendors listed in the table above are qualified as of October 1, 2020; however, this list is non-exclusive. The Department of Natural Resources Management continues to encourage participation of additional contractors. As additional vendors become qualified, the Department will bring forth agenda items as necessary for the Board's consideration.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18852 **County Administrator's Report 10. 11.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 11/05/2020
Issue: Single Patient Agreements for Inmate Dialysis Services for Fresenius Kidney Care
From: William Powell, Director, Corrections
Organization: Corrections
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Single Patient Agreements for Fresenius Kidney Care for Dialysis Services and Delegation of Signatory Authority to Dr. Rayme Edler, Escambia County Medical Director - William R. Powell, Director of Corrections

That the Board take the following action:

A. Approve the additional paragraph that Fresenius Kidney Care has requested to add to the previously approved Single Patient Agreement for Dialysis Services Agreement required by treating facilities; and

B. Authorize Dr. Rayme Edler, Escambia County Medical Director, to sign the Single Patient Agreements for Fresenius Kidney Care.

BACKGROUND:

On 7/5/2018, the Board approved the Single Patient Agreements for Inmate Dialysis Services. This action was taken because individual treatment facilities that provide dialysis services to the inmates of the Escambia County Jail require a Single Patient Agreement to be signed. This Agreement covers the treatment of the corresponding inmate only for the period during which they are incarcerated under the jurisdiction of Escambia County. In order to expedite the return of the requested Single Patient Agreements to the treatment facility, the Corrections Department requested authorization for Dr. Rayme Edler, Escambia County Medical Director, to sign the referenced Agreements.

On 10/7/2020, Fresenius Kidney Care requested to update the language in the Single Patient Agreement by adding a paragraph to comply with the international

Foreign Corrupt Practices Act. Below is the requested update:

"As Stated in the Fresenius Medical Care Code of Ethic and Business Conduct, Provider upholds the values of integrity and lawful conduct, especially with regard to anti-bribery and anti-corruption. Provider upholds these values in its own operations, as well as in its relationships with business partners. Provider's continued success and reputation depends on a common commitment to act accordingly. Together with Provider, Payor is committed to uphold these fundamental values by adherence to applicable laws and regulations."

BUDGETARY IMPACT:

There is no additional financial impact related to the requested change to the Single Patient Agreements for Fresenius Kidney Care.

LEGAL CONSIDERATIONS/SIGN-OFF:

The approved Single Patient Agreement is provided along with the Single Patient Agreement with the additional paragraph. These Agreements have been reviewed and approved for utilization by Kristin Hual, Senior Assistant County Attorney.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Designation of Signatory authority and additional language must be approved by the Board of County Commissioners.

IMPLEMENTATION/COORDINATION:

Upon approval, the Jail's health services section will coordinate with the Fresenius treatment facilities to provide them with the approved agreement for utilization.

PROVIDER and PAYOR agree that PROVIDER shall be available to provide dialysis treatments, plus related items and supplies normally provided by PROVIDER to PATIENT. This Treatment Agreement applies only to the FACILITY represented above, pursuant to the terms herein (and all other policies and procedures of PROVIDER applicable to all of its patients),and is limited to treatments provided by the PROVIDER to the PATIENT represented above.

Term of Agreement: The term shall commence on _____ and shall continue until the patient is no longer in the custody of the Escambia County Jail, unless earlier terminated by either party. Either party may terminate this agreement with or without cause upon providing at least thirty (30) days prior written notice to the non-terminating party. In the event of termination by either party as provided herein, the Provider shall be paid for services provided through the date of termination but shall not be entitled to any other recovery, including, but not limited to, damages or any anticipated profit on services not performed.

PROVIDER reserves the right to immediately discontinue the provision of dialysis services to PATIENT if the PATIENT poses a threat of danger or harm to FACILITY, its patients or staff.

PLAN/INSURER shall ensure PATIENT is accompanied by appropriate security personnel at all times and shall be responsible for all costs of transportation associated with the transfer of the PATIENT to and from the FACILITY. PLAN/INSURER shall also be responsible for ensuring, in a manner satisfactory to FACILITY, the safety and well-being of the ESRD Dialysis Unit, its patients, and staff.

Applicable Rate(s): All outpatient dialysis and related services shall be reimbursed at an all-inclusive rate of $_____ per treatment. This rate is all-inclusive of the services provided with the exception of codes J0606 or J0604, which shall be reimbursed at 100% Medicare.

However, notwithstanding these rate terms, in the event of a breach of the Agreement by PAYOR, PAYOR shall be obligated to pay to PROVIDER 100% of PROVIDER's full (i.e., non-discounted) billed charges from the date of the breach through the remainder of the Term of the Agreement.

Billing/Payment: PROVIDER shall submit bills within 120 days of the applicable date of service (or longer period due to circumstances beyond its reasonable control). Payments and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended. The above-referenced Applicable Rates shall not be further discounted in any way, except with regard to patient-responsible amounts for which PROVIDER shall look to PATIENT to recover.

In-Network Provider: PROVIDER will be recognized as an "in-network" provider for purposes of PATIENT's benefit plan. This Treatment Agreement will apply to all claims with dates of service on or after the term commencement date of this Agreement submitted by PROVIDER to PAYOR on behalf of PATIENT who is a beneficiary of the benefit plan or policy that PAYOR administers or insures.

The reimbursement rates set forth in this Agreement may be reduced by PATIENT co-insurance, co-payment, or deductible obligations, but may not be further discounted, reduced, limited, or modified in any other way, unless agreed to in writing by PROVIDER and PAYOR. The parties agree that nothing in any plan program, benefit plan provision, policy, manual or any other document shall have the ultimate effect of reducing the fees specified in this Treatment Agreement and further agree that the provisions of this Agreement shall control reimbursement to PROVIDER. PAYOR guarantees and assumes the obligation to pay PROVIDER at the rates set forth in this Agreement.

PAYOR shall have no right to set-off the amount of any alleged erroneous payment or overpayment against any amounts otherwise owed to PROVIDER by PAYOR. Should PAYOR believe that overpayments were made to PROVIDER, PAYOR shall provide written notice to PROVIDER of the asserted overpayment and request for refund within ninety (90) days after the date of claims payment by PAYOR. PROVIDER shall review the asserted overpayment and shall provide PAYOR with a written response within forty-five (45) days of PROVIDER's receipt of PAYOR's notice. Unless notification is made as required in the preceding sentence, all payments are final after one year following the applicable date of service.

All amendments to this Treatment Agreement must be mutually agreed to in writing by the parties. This Agreement shall not be assigned by PROVIDER or PAYOR unless mutually agreed upon in writing by both parties. PAYOR agrees and shall ensure that its clients will not use PROVIDER's or any of PROVIDER's parent entity names in any PAYOR marketing or advertising in any form of media without PROVIDER's written consent. This Treatment Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

As stated in the Fresenius Medical Care Code of Ethics and Business Conduct, Provider upholds the values of integrity and lawful conduct, especially with regard to anti-bribery and anti-corruption. Provider upholds these values in its own operations, as well as in its relationships with business partners. Provider's continued success and reputation depends on a common commitment to act accordingly. Together with Provider, Payor is committed to uphold these fundamental values by adherence to applicable laws and regulations.

Here is the quote from KESCO on the replacement freezer for the road Prison. This was the only vendor who actually went out to the site and looked. This is a more realistic cost for what we need. They did suggest some other ideas to help insure that this freezer is up to the abuse that does and will happen to the freezer.

Is this freezer to replace one of the two freezers existing on site now? If so which one? The one closest to the kitchen is 16'x20' and the one in the parking lot is 20'x20'. If this is to replace the one near the kitchen there is extra work that will be required. The concrete slab is presently too small to accommodate a larger freezer and would need to be expanded. Also the transfer switch for the generator is located behind this freezer and a larger size freezer may interfere with access to this when needed. Please advise me on if I need to have a different size quoted. If not I do have an updated quote on a 20'x20' freezer.

Thanks, Bill. They want to run with this as soon as we can. Johnstone should price under the purchasing cooperative program they are setting us up with. If over $25k, needs to go before the board so we need to get it on the next board agenda. Enjoy your weekend.

From what I see the only issue on the quote:

1) The refrigeration condensers need to be 208/240 3phase. I have gone to the site and verified the power.

Also what is the plan during the installation of the new freezer for the product in the old freezer?

Is this going to be done by Facilities or an outside contractor?

Please let me know if I need to do anything else to help with this.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18742 **County Administrator's Report 10. 13.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 11/05/2020
Issue: Florida Department of Law Enforcement Justice Assistance Grant (JAG) Acceptance for Jail Alternative Initiative & Tactical Response Team Federal FY 19
From: William Powell, Director, Corrections
Organization: Corrections
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Acceptance of the Florida Department of Law Enforcement Justice Assistance Grant Countywide Program Subgrant, in the Amount of $41,133, for the Federal Fiscal Year 2019-2020 Jail Alternative Initiative Project and Corrections Tactical Response Team (TRT) - William R. Powell, Director of Corrections

That the Board take the following action concerning the Justice Assistance Grant for the Federal Fiscal Year 2019-2020 Jail Alternative Initiative project:

A. Approve the acceptance of the Justice Assistance Grant (JAG) Countywide Program subgrant award, in the amount of $41,133, related to the Federal Fiscal Year 2019-2020 Jail Alternative Initiative and Corrections Tactical Response Team (TRT) Officer Training and Supplies Project;

B. Authorize the Chairman to sign the Acceptance of Federal Funding Assistance; and

C. Authorize the Chairman, as the County's authorized official, to execute any amendments or other related documents as may be required for the Jail Alternative Initiative and Tactical Response Team Officer Training and Supplies Project.

BACKGROUND:

As authorized by the Board on May 21, 2020, the Escambia County Corrections Department completed the Application for Funding Assistance related to the Justice Assistance Grant for the Jail Alternative Initiative and Tactical Response Team Project. The $41,133 Grant will be utilized for the Jail Alternative Initiative (JAI) and Tactical Response Team Projects. The JAI project will ensure that qualified offenders who are eligible for release are not penalized due to their inability to remit payment for the alternative electronic monitoring programs or drug patch program offered by the County. Eligible offenders have no monetary bond requirement with the condition of GPS monitoring, SCRAM (secure continuous remote alcohol monitor) unit, or a drug patch as a condition of release.

Funds will also be expended to support Corrections Officer Tactical Safety and Wellness. The ability for Corrections Officers to protect themselves during dangerous encounters is essential. The Escambia Corrections Tactical Response Team (TRT) responds to the transport of high-risk inmates, cell extractions, mass searches, riots and disturbances that potentially involve uncooperative or violent inmates. TRT officers are outfitted with extensive gear, including body armor, helmet, tactical gloves, handcuffs, and less lethal equipment such as pepper spray and diversion devices. Intense TRT Instructor-level training covering less lethal techniques and skills for dangerous situations will be accomplished under the JAGC Grant. Upon completion of the training, TRT Officers will have the ability to provide in-service training to other Escambia TRT members to enhance the abilities of the entire TRT team.

To accept the JAGC Grant award, the Board is required to sign the FDLE Acceptance of Federal Funding Assistance Form. The special condition noted regarding Escambia's procurement policy not appearing to comply with all federal procurement requirements has been discussed with FDLE. This special condition will be cleared as Escambia County has proven its compliance repeatedly as evidenced by frequent monitoring, auditing and reviews conducted by outside agencies within Corrections and all other County departments. To expedite the award in lieu of waiting for the change to be made administratively at the State level, it was recommended by FDLE to execute the Acceptance of Federal Funding Assistance Form with the understanding that the special condition will be cleared at the time of FDLE monitoring.

BUDGETARY IMPACT:

The Grant draw-downs will be processed on a cost reimbursement basis. No additional funds are being requested from the Board.

LEGAL CONSIDERATIONS/SIGN-OFF:

The Award Acceptance document has been reviewed and approved for legal sufficiency by Kristin Hual, Senior Assistant County Attorney.

PERSONNEL:

The Corrections Department staff will manage and implement the Grant project.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation complies with all provisions of the Board of County Commissioners' Grant Policy.

IMPLEMENTATION/COORDINATION:

Corrections Department Staff will administer the Grant related project.

Edward Byrne Memorial Justice Assistance Grant (JAG) Program

SUBAWARD STANDARD CONDITIONS

The State of Florida, Department of Law Enforcement (FDLE) is a recipient of federal JAG funds. FDLE, as the non-federal pass-through entity and State Administering Agency (SAA) for this program, subawards JAG funds to eligible units of government. All subawards made by FDLE to units of government under this program require compliance with the agreement and Standard Conditions upon signed acceptance of the subaward.

The Department will only reimburse subrecipients for authorized activities. The Department will not reimburse for costs incurred for any purpose other than those specified in the agreement. Failure to comply with provisions of this agreement, or failure to perform grant activities as specified in the agreement, will result in required corrective action up to and including financial consequences. A financial consequence may be imposed for non-compliance in accordance with 2 C.F.R. § 200 and these Standard Conditions, including but not limited to project costs being disallowed, withholding of federal funds and/or termination of the project.

GENERAL REQUIREMENTS

All subrecipients must comply with the financial and administrative requirements set forth in the following:

DEFINITIONS

Disallowed costs means those charges to a Federal award that the Federal awarding agency or pass-through entity determines to be unallowable, in accordance with the applicable Federal statutes, regulations, or the terms and conditions of the Federal award.

Equipment means tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost which equals or exceeds the lesser of the capitalization level established by the non-Federal entity for financial statement purposes, or $5,000. *See also §§200.12 Capital assets, 200.20 Computing devices, 200.48 General purpose equipment, 200.58 Information technology systems, 200.89 Special purpose equipment, and 200.94 Supplies.*

Grant agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non-Federal entity that, consistent with 31 U.S.C. 6302, 6304, is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non-Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal awarding agency or pass-through entity's direct benefit or use; and is distinguished from a cooperative agreement in that it does not provide for substantial involvement between the Federal awarding agency or pass-through entity and the non-Federal entity in carrying out the activity contemplated by the Federal award.

Improper payment means any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements. Improper payment also includes any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

Micro-purchase means a purchase of supplies or services using simplified acquisition procedures, the aggregate amount of which does not exceed the micro-purchase threshold. The non-Federal entity uses such procedures in order to expedite the completion of its lowest-dollar small purchase transactions and minimize the associated administrative burden and cost. The micro-purchase threshold is set by the Federal Acquisition Regulation in 48 CFR Subpart 2.1 (Definitions). It is $3,500 except as otherwise discussed in Subpart 2.1 of that regulation, but this threshold is periodically adjusted for inflation.

Modified Total Direct Cost (MTDC) means all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first $25,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of $25,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency for indirect costs.

Non-Federal entity is a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Non-federal pass-through entity is a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program; the Florida Department of Law Enforcement (FDLE) is the non-federal pass-through entity for this agreement, also referred to as the State Administering Agency (SAA).

Period of performance means the time during which the non-Federal entity may incur new obligations to carry out the work authorized under the Federal award. The Federal awarding agency or pass-through entity must include start and end dates of the period of performance in the Federal award (see §§200.210 Information contained in a Federal award paragraph (a)(5) and 200.331 Requirements for pass-through entities, paragraph (a)(1)(iv)).

Protected Personally Identifiable Information (PII) means an individual's first name or first initial and last name in combination with any one or more of types of information, including, but not limited to social security numbers; passport numbers; credit card numbers; clearances; bank numbers; biometrics; date and place of birth; mother's maiden name; criminal, medical, and financial records; and educational transcripts. This does not include PII that is required by law to be disclosed. (See also § 200.79 Personally Identifiable Information (PII)).

Questioned cost means a cost that is questioned by the auditor because of an audit finding 1) that resulted from a violation or possible violation of a statute, regulation, or the terms and conditions of a Federal award, including for funds used to match Federal funds; 2) where the costs, at the time of the audit, are not supported by adequate documentation; or 3) where the costs incurred appear unreasonable and do

not reflect the actions a prudent person would take in the circumstances.

Simplified acquisition threshold means the dollar amount below which a non-Federal entity may purchase property or services using small purchase methods. Non-Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 C.F.R. Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. § 1908. As of the publication of this part, the simplified acquisition threshold is $250,000, but this threshold is periodically adjusted for inflation. (Also see definition of Micro-purchase, 2 C.F.R.§ 200.67)

Subaward is an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual who is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Supplies means all tangible personal property other than those described in §200.33 Equipment. A computing device is a supply if the acquisition cost is less than the lesser of the capitalization level established by the non-Federal entity for financial statement purposes or $5,000, regardless of the length of its useful life. See also §§200.20 Computing devices and 200.33 Equipment.

SECTION I: TERMS AND CONDITIONS

1.0 Payment Contingent on Appropriation and Available Funds - The State of Florida's obligation to pay under this agreement is contingent upon an annual appropriation by the Florida Legislature. Furthermore, the obligation of the State of Florida to reimburse subrecipients for incurred costs is subject to available federal funds.

2.0 Commencement of Project - If a project is not operational within 60 days of the original start date of the award period, the subrecipient must report by letter to the Department the steps taken to initiate the project, the reasons for delay, and the expected start date.

If a project is not operational within 90 days of the original start date of the award period, the subrecipient must submit a second statement to the Department explaining the implementation delay.

Upon receipt of the ninety (90) day letter, the Department shall determine if the reason for delay is justified or shall, at its discretion, unilaterally terminate this agreement and re-obligate subaward funds to other Department approved projects. The Department, where warranted by extenuating circumstances, may extend the starting date of the project past the ninety (90) day period, but only by formal written adjustment to this agreement.

3.0 Supplanting - The subrecipient agrees that funds received under this award will not be used to supplant state or local funds, but will be used to increase the amounts of such funds that would, in the absence of federal funds, be made available for law enforcement activities.

4.0 Personnel Changes - The subrecipient agrees to promptly notify the Department through the SIMON Help Desk of any change in chief officials or key project staff, including changes to contact information or title changes. The subrecipient acknowledges that some changes in points of contact will require formal grant adjustment to reflect the change in the agreement.

5.0 Non-Procurement, Debarment and Suspension - The subrecipient agrees to comply with Executive Order 12549, Debarment and Suspension and 2 C.F.R. § 180, "OMB Guidelines To Agencies On Government wide Debarment And Suspension (Non-procurement)". These procedures require the subrecipient to certify it shall not enter into any lower tiered covered transaction with a person who is debarred, suspended, declared ineligible or is voluntarily excluded from participating in this covered transaction, unless authorized by the Department. If the subaward is $100,000 or more, the sub recipient and implementing agency certify that they and their principals:

1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, sentenced to a denial of federal benefits by a state or federal court, or voluntarily excluded from covered transactions by any federal department or agency;

2) Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal

offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (a)(ii) of the "Lobbying, Debarment and Drug Free Workplace" certification; and

4) Have not within a three-year period preceding this application had one or more public transactions (federal, state, or local) terminated for cause or default.

6.0 Federal Restrictions on Lobbying - In general, as a matter of federal law, federal funds may not be used by any subrecipient at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. § 1913.

Another federal law generally prohibits federal funds from being used by any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352.

7.0 State Restrictions on Lobbying - In addition to the provisions contained above, the expenditure of funds for the purpose of lobbying the legislature or a state agency is prohibited under this agreement.

8.0 Additional Restrictions on Lobbying - The subrecipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, without the express prior written approval of the Office of Justice Programs.

9.0 "Pay–to–Stay" - Funds from this award may not be used to operate a "pay-to-stay" program in any local jail. Furthermore, no funds may be given to local jails that operate "pay-to-stay" programs. "Local jail", as referenced in this condition, means an adult facility or detention center owned and/or operated by city, county, or municipality. It does not include juvenile detention centers. "Pay-to-stay" programs as referenced in this condition, means a program by which extraordinary services, amenities and/or accommodations, not otherwise available to the general inmate population, may be provided, based upon an offender's apparent ability to pay, such that disparate conditions of confinement are created for the same or similar offenders within a jurisdiction.

10.0 The Coastal Barrier Resources Act - The subrecipient will comply and assure the compliance of all contractors with the provisions of the Coastal Barrier Resources Act (P.L. No. 97-348) dated October 18, 1982 (16 USC 3501 et seq.) which prohibits the expenditure of most new federal funds within the units of the Coastal Barrier Resources System.

11.0 Background Check - Whenever a background screening for employment or a background security check is required by law for employment, unless otherwise provided by law, the provisions of § 435, F.S. shall apply.

All employees in positions designated by law as positions of trust or responsibility shall be required to undergo security background investigations as a condition of employment and continued employment. For the purposes of the subsection, security background investigations shall include, but not be limited to, employment history checks, fingerprinting for all purposes and checks in this subsection, statewide criminal and juvenile records checks through the Florida Department of Law Enforcement, and federal criminal records checks through the Federal Bureau of Investigation, and may include local criminal records checks through local law enforcement agencies.

Such background investigations shall be conducted at the expense of *the employing agency or employee.*

12.0 Privacy Certification - The subrecipient must comply with all confidentiality requirements of 34 U.S.C. § 10231 and 28 C.F.R. § 22 that are applicable to collection, use, and revelation of data or information. Subrecipient further agrees, as a condition of grant approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. §§ 22 and, in particular, 22.23. Privacy Certification forms must be signed by the subrecipient or implementing

agency chief official or an individual with formal, written signature authority for the chief official.

13.0 Conferences and Inspection of Work - Conferences may be held at the request of any party to this agreement. At any time, a representative of the Department, of the U.S. Department of Justice, or the Auditor General of the State of Florida, have the right of visiting the project site to monitor, inspect and assess work performed under this agreement.

14.0 Insurance for Real Property and Equipment - The subrecipient must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved with Federal funds as provided to property owned by the non-Federal entity.

15.0 Flood Disaster Protection Act - The sub recipient will comply with Section 102(a) of the Flood Disaster Protection Act of 1973, Public Law 93-234, 87 Stat. 975, requiring that the purchase of flood insurance in communities where such insurance is available as a condition of the receipt of any federal financial assistance for construction or acquisition purposes for use in any area that has been identified as an area having special flood hazards.

16.0 Immigration and Nationality Act - No public funds will intentionally be awarded to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324(a), Section 274(A) of the Immigration and Nationality Act ("INA"). The Department shall consider the employment by any contractor of unauthorized aliens a violation of Section 274(A) of the INA. Such violation by the subrecipient of the employment provisions contained in Section 274(A) of the INA shall be grounds for unilateral cancellation of this contract by the Department.

SECTION II: CIVIL RIGHTS REQUIREMENTS

1.0 Participant Notification of Non-discrimination FDLE does not discriminate on the basis of race, color, religion, national origin, sex, disability or age in the delivery of services, benefits or in employment.

2.0 Title VI of the Civil Rights Act of 1964 - The subrecipient at any tier, must comply with all applicable requirements of 28 CFR § 42, specifically including any applicable requirements in Subpart E that relate to an equal employment opportunity program.

Equal Employment Opportunity Certification (EEOC) - A subrecipient or implementing agency must submit an EEO Certification annually within 120 days of award.

Equal Employment Opportunity Program (EEOP) - A subrecipient or implementing agency must comply with all applicable requirements in 28 C.F.R. §42, Subpart E.

Subrecipients are advised to use the Office for Civil Rights EEO Reporting Tool to satisfy this condition (https://ojp.gov/about/ocr/eeop.htm).

3.0 Title IX of the Education Amendments of 1972 If the subrecipient operates an education program or activity, the subrecipient must comply with all applicable requirements of 28 C.F.R. § 54, "Nondiscrimination on the basis of sex in education programs or activities receiving federal financial assistance."

4.0 Equal Treatment for Faith Based Organizations The subrecipient at any tier, must comply with all applicable requirements of 28 C.F.R. § 38, "Equal Treatment for Faith Based Organizations", specifically including the provision for written notice to current or prospective program beneficiaries.

5.0 Americans with Disabilities Act - Subrecipients must comply with the requirements of the Americans with Disabilities Act (ADA), Public Law 101-336, which prohibits discrimination on the basis of disability including provision to provide reasonable accommodations.

6.0 Section 504 of the Rehabilitation Act of 1973 (28 C.F.R. § 42, Subpart G) - Subrecipients must comply with all provisions prohibiting discrimination on the basis of disability in both employment and the delivery of services**.**

7.0 Age Discrimination Act of 1975 - Subrecipients must comply with all requirements in Subpart I of 28 C.F.R. §42 which prohibits discrimination based on age in federally assisted programs.

8.0 Limited English Proficiency (LEP) - In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, subrecipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with LEP. FDLE strongly advises subrecipients to have a written LEP Language Access Plan. For more information visit www.lep.gov.

9.0 Finding of Discrimination - In the event a federal or state court or federal or state administrative agency makes, after a due

process hearing, a finding of discrimination on the grounds of race, color, religion, national origin, sex, or disability against a subrecipient of funds, the subrecipient will forward a copy of the finding to FDLE and to the Office for Civil Rights, Office of Justice Programs.

10.0 Filing a Complaint - If the subrecipient or any of its employees, contractors, vendors, or program beneficiaries has a discrimination complaint, they may file a complaint with the subrecipient, with FDLE, or with the Office for Civil Rights.

Discrimination complaints may be submitted to FDLE at Office of the Inspector General, Post Office Box 1489, Tallahassee, Florida 32302-1489, or online at info@fdle.state.fl.us. Any discrimination complaints filed with FDLE will be reviewed by FDLE's Inspector General and referred to the Office for Civil Rights, the Florida Commission on Human Relations, or the Equal Employment Opportunity Commission, based on the nature of the complaint.

Discrimination complaints may also be submitted to the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice, 810 7th Street, Northwest, Washington, D.C. 20531, or by phone at (202) 307-0690.

11.0 Retaliation - In accordance with federal civil rights laws, the subrecipient shall not retaliate against individuals for taking action or participating in action to secure rights protected by these laws.

12.0 Non-discrimination Contract Requirements - Subrecipients must include comprehensive Civil Rights nondiscrimination provisions in all contracts funded by the subrecipient.

13.0 Pass-through Requirements - Subrecipients are responsible for the compliance of contractors and other entities to whom they pass-through funds including compliance with all Civil Rights requirements. These additional tier subrecipients must be made aware that they may file a discrimination complaint with the subrecipient, with FDLE, or with the USDOJ Office for Civil Rights and provided the contact information.

SECTION III: FINANCIAL REQUIREMENTS AND RESPONSIBILTY

1.0 Fiscal Control and Fund Accounting Procedures - All expenditures and cost accounting of funds shall conform to the DOJ Grants Financial Guide, the 28 C.F.R. § 66, and 2 C.F.R. § 200 as applicable, in their entirety.

Subrecipients are required to establish and maintain adequate accounting systems and financial records and to accurately account for funds awarded to them. Financial management systems must be able to record and report on the receipt, obligation, and expenditure of grant funds; and able to accommodate a fund and account structure to separately track receipts, expenditures, assets, and liabilities for awards, programs, and additional tiered subrecipients. The awarded funds may or may not be an interest bearing account, but any earned interest must be used for program purposes and expended before the federal grant period end date. Any unexpended interest remaining at the end of the federal grant period must be submitted to the Office of Criminal Justice Grants for transmittal to DOJ.

2.0 Match - The value or amount of any "non-federal share," "match," or cost-sharing contribution incorporated into the approved budget is part of the "project cost" for purposes of the 2 C.F.R. § 200 Uniform Requirements, and is subject to audit. In general, the rules and restrictions that apply to award funds from federal sources also apply to funds in the approved budget that are provided as "match" or through "cost sharing."

SECTION IV: SUBAWARD MANAGEMENT AND REPORTING REQUIREMENTS

1.0 Obligation of Subrecipient Funds - Subaward funds shall not under any circumstances be obligated prior to the effective date, or subsequent to the termination date, of the period of performance. Only project costs incurred on or after the effective date, and on or prior to the termination date of the subrecipient's project are eligible for reimbursement. All payments must be completed within forty-five (45) days of the end of the subaward period of performance.

2.0 Use of Funds - Grant funds may be used only for the purposes in the subrecipient's approved application. Subrecipients shall not undertake any work or activities not described in the approved grant award, and that use staff, equipment, or other goods or services paid for with grant funds, without prior written approval from FDLE's Office of Criminal Justice Grants (OCJG).

3.0 Advance Funding - Advance funding may be provided to a subrecipient upon a written request to the Department. The request must be electronically signed by the subrecipient or

implementing agency's Chief Financial Officer or the Chief Financial Officer designee.

4.0 Performance and Reporting

Reporting Time Frames - The Project Director, Application Manager, or Performance Contacts shall submit Monthly or Quarterly Project Performance Reports to the Department, within fifteen (15) days after the end of the reporting period. In addition, if the subaward period is extended beyond the "original" project period, additional Project Performance Reports shall be submitted.

Failure to Submit - Performance Reports that are not complete, accurate, and timely may result in sanctions, as specified in Section IV, Subaward Management and Reporting Requirements.

Report Contents - Performance Reports must include a response to all objectives included in your subaward. A detailed response is required in the narrative portion for yes/no performance objectives. Submitted performance reports must clearly articulate, where appropriate, performance during the execution of the award has met a standard against which the subrecipient's performance can be measured. The narrative must also reflect on accomplishments for the period and identify problems with project implementation and address actions being taken to resolve the problems. Additional information may be required if necessary to comply with federal reporting requirements.

Requirement for Data on Performance and Effectiveness Under the Award - The subrecipient must collect and maintain data that measures the performance and effectiveness of work under this award. The data must be provided to OCJG in the manner (including within the timeframes) specified by OCJG. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

Financial Consequences for Failure to Perform - In accordance with s. 215.971 F.S., payments for state and federal financial assistance must be directly related to the scope of work and meet the minimum level of performance for successful completion. If the subrecipient fails to meet the minimum level of service or performance identified in this agreement, or is customary for subawards, then the Department will apply financial consequences commensurate with the deficiency. Financial consequences may include but are not limited to withholding payments or reimbursement until the deficiency is resolved, tendering only partial payment/reimbursement, imposition of other financial consequences according to the Standard Conditions as applicable, and/or termination of contract and requisition of goods or services from an alternate source. Any payment made in reliance on subrecipient's evidence of performance, which evidence is subsequently determined to be erroneous, will be immediately due to the Department as an overpayment.

5.0 Grant Adjustments - Subrecipients must submit a grant adjustment through SIMON for major substantive changes such as changes in project activities or scope of the project, target populations, service providers, implementation schedules, project director, and designs or research plans set forth in the approved agreement and for any budget changes that affect a cost category that was not included in the original budget. Adjustments are also required when there will be a transfer of 10% or more of the total budget between budget categories, or there is an indirect cost rate category change.

Subrecipients may transfer up to 10% of the total budget between current, approved budget categories without prior approval as long as the funds are transferred to an existing line item.

Under no circumstances can transfers of funds increase the total budgeted award.

Requests for changes to the subaward agreement must be electronically signed by the subrecipient or implementing agency's chief official or the chief official's designee.

All requests for changes, including all requests for project period extensions, must be submitted in SIMON no later than thirty (30) days prior to grant expiration date.

6.0 Financial Expenditures and Reporting

Reporting Requirements - The subrecipient shall have a choice of submitting either a Monthly or a Quarterly Project Expenditure Report to the Department. Project Expenditure Reports are due thirty (30) days after the end of the reporting period. In addition, if the subaward period is extended, additional Project Expenditure Reports shall be submitted.

All project expenditures for reimbursement of subrecipient costs shall be submitted on the Project Expenditure Report Forms prescribed and provided by the Office of Criminal Justice Grants (OCJG) through the SIMON (Subgrant Information Management Online).

All Project Expenditure Reports shall be submitted in sufficient detail for proper pre-audit and post-audit.

All reports must relate financial data to performance accomplishments.

Before the "final" Project Expenditure Report will be processed, the subrecipient must submit to the Department all outstanding project reports and must have satisfied all special conditions. Failure to comply with the above provisions shall result in forfeiture of reimbursement.

Reports are to be submitted even when no reimbursement is being requested.

Submission - The report must be electronically signed by the subrecipient or implementing agency's Chief Financial Officer or the Chief Financial Officer designee.

7.0 Project Generated Income (PGI) - All income generated as a direct result of a sub project shall be deemed program income. Program income from asset seizures and forfeitures is considered earned when the property has been adjudicated to the benefit of the plaintiff (i.e., law enforcement entity).

Required Reports - The subrecipient shall submit Quarterly PGI Earnings and Expenditures Reports to the Department within thirty (30) days after the end of the reporting period covering subaward project generated income and expenditures during the previous quarter.

PGI Expenditure - Program income should be used as earned and expended as soon as possible and used to further the objects in which the award was made.

Submission - PGI Earnings and Expenditures reports must be electronically signed by the subrecipient or implementing agency's chief financial officer or the chief financial officer's designee.

Unexpended PGI - If any PGI remains unspent after the subaward ends, the subrecipient must continue submitting quarterly PGI reports until all funds are expended.

Additionally, any unexpended PGI remaining at the end of the federal grant period must be submitted to OCJG for transmittal to the Bureau of Justice Assistance.

8.0 Subrecipient Integrity and Performance Matters - Requirement to report information on certain civil, criminal, and administrative proceedings to OCJG, SAM and FAPIIS.

The subrecipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, subrecipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management ("SAM"), to the designated federal integrity and performance system ("FAPIIS").

SECTION V: MONITORING AND AUDITS

1.0 Access to Records - The Florida Department of Law Enforcement, the Auditor General of the State of Florida, the U.S. Department of Justice, the U.S. Comptroller General or any of their duly authorized representatives, shall have access to books, documents, papers and records of the subrecipient, implementing agency and contractors for the purpose of audit and examination according to the Financial Guide and the 28 C.F.R. § 66. At any time, a representative of the Department, the U.S. Department of Justice, or the Auditor General of the State of Florida, have the right to visit the project site to monitor, inspect and assess work performed under this agreement.

The Department reserves the right to unilaterally terminate this agreement if the subrecipient, implementing agency, or contractor refuses to allow public access to all documents, papers, letters, or other materials subject to provisions of s. 119, F.S., unless specifically exempted and/or made confidential by operation of s. 119, F.S., and made or received by the subrecipient or its contractor in conjunction with this agreement.

The subrecipient will give the awarding agency or the General Accounting Office, through any authorized representative, access to and the right to examine all paper or electronic records related to the financial assistance.

2.0 Monitoring - The recipient agrees to comply with FDLE's grant monitoring guidelines, protocols, and procedures; and to cooperate with FDLE on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide FDLE all documentation necessary to complete monitoring of the award. Further, the recipient agrees to abide by

reasonable deadlines set by FDLE for providing requested documents. Failure to cooperate with grant monitoring activities may result in sanctions affecting the recipient's award, including, but not limited to: withholding and/or other restrictions on the recipient's access to funds, referral to the Office of the Inspector General for audit review, designation of the recipient as a FDLE High Risk grantee, or termination of award(s).

3.0 Property Management - The subrecipient shall establish and administer a system to protect, preserve, use, maintain and dispose of any property furnished to it by the Department or purchased pursuant to this agreement according to federal property management standards set forth in the DOJ Grants Financial Guide, and 28 C.F.R. § 66. This obligation continues as long as the subrecipient retains the property, notwithstanding expiration of this agreement.

Property Use - The subrecipient must use equipment acquired under a Federal award for the authorized purposes of the project during the period of performance, or until the property is no longer needed. Subrecipients must use, manage and dispose of equipment acquired under a Federal award in accordance with ss. 274, F.S. Tangible Property and 2 C.F.R. 200.313, Equipment.

4.0 Subaward Closeout - A Financial Closeout Audit shall be submitted to the Department within forty-five (45) days of the end date of the performance period.

The Financial Closeout Audit report located in SIMON must be electronically signed by the subrecipient or implementing agency's Chief Financial Officer or the Chief Financial Officer designee.

Subaward Closeout will be initiated by the Department after the Financial Closeout has been completed and approved. Failure to submit closeout reports timely will result in an Administrative Closeout by the Department.

5.0 High Risk Subrecipients - If a subrecipient is designated "high risk" by a federal grant-making agency, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to FDLE's OCJG. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the subrecipient's past performance, or other programmatic or financial concerns with the subrecipient. The subrecipient's disclosure must include the following: 1. The federal awarding agency that currently designates the subrecipient high risk, 2. The date the subrecipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

6.0 Imposition of Additional Requirements - The subrecipient agrees to comply with any additional requirements that may be imposed by OCJG during the period of performance for this award, if the subrecipient is designated as "high risk" for purposes of the DOJ high-risk grantee list.

7.0 Retention of Records - The subrecipient shall maintain all records and documents for a minimum of five (5) years from the date of the final financial statement and be available for audit and public disclosure upon request of duly authorized persons. The subrecipient shall comply with State of Florida General Records Schedule GS1-SL for State and Local Government Agencies: https://dos.myflorida.com/media/693576/gs1-sl-2017-final.pdf .

8.0 Disputes and Appeals - The Department shall make its decision in writing when responding to any disputes, disagreements, or questions of fact arising under this agreement and shall distribute its response to all concerned parties. The subrecipient shall proceed diligently with the performance of this agreement according to the Department's decision. If the subrecipient appeals the Department's decision, the appeal also shall be made in writing within twenty-one (21) calendar days to the Department's clerk (agency clerk). The subrecipient's right to appeal the Department's decision is contained in § 120, F.S., and in procedures set forth in Rule 28-106.104, Florida Administrative Code. Failure to appeal within this time frame constitutes a waiver of proceedings under Chapter 120, F.S.

9.0 Failure to Address Audit Issues - The subrecipient understands and agrees that FDLE's OCJG may withhold award funds, or may impose award conditions or other related requirements, if (as determined by OCJG) the subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the 2 C.F.R. § 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews.

10.0 Single Annual Audit - Subrecipients that expend $750,000 or more in a year in federal awards shall have a single audit or program-specific audit conducted for that year. The audit shall be performed in accordance with the OMB 2 C.F.R. § 200 Subpart F – Audit Requirements and other

applicable federal law. The contract for this agreement shall be identified in the Schedule of Federal Financial Assistance in the subject audit. The contract shall be identified as federal funds passed through the Florida Department of Law Enforcement and include the contract number, CFDA number, award amount, contract period, funds received and disbursed. When applicable, the subrecipient shall submit an annual financial audit that meets the requirements of 2 C.F.R. § 200 Subpart F, "Audit Requirements" s. 215.97, F.S., "Florida Single Audit Act" and Rules of the Auditor General, Chapter 10.550, and Chapter 10.650, "Local Governmental Entity Audits" and "Florida Single Audit Act Audits Nonprofit and For-Profit Organizations."

A complete audit report that covers any portion of the effective dates of this agreement must be performed and submitted to the Federal Audit Clearinghouse within the earlier of thirty (30) calendar days after receipt of the auditor's report(s), or nine (9) months after the end of the audit period. Submissions must include required elements described in Appendix X to 2 C.F.R. § 200 on the specified Data Collection Form (Form SF-SAC).

Records shall be made available upon request for a period of five (5) years from the date the audit report is issued, unless extended in writing by the Department.

Subrecipients that expend less than $750,000 in federal awards during a fiscal year are exempt from the Single Audit Act audit requirements for that fiscal year. In this case, written notification, in the form of the "Certification of Audit Exemption" form, shall be provided to the Department by the Chief Financial Officer, or designee, that the subrecipient is exempt. This notice shall be provided to the Department no later than March 1 following the end of the fiscal year.

SECTION VI: SUBAWARD PROCUREMENT AND COST PRINCIPLES

1.0 Procurement Procedures - Subrecipients must have written procedures for procurement transactions. Procedures must conform to applicable Federal law and the standards in 2 C.F.R. §§ 200.318-326.

This condition applies to agreements that OCJG considers to be a procurement "contract", and not a second tier subaward.

The details of the advance approval requirement to use a noncompetitive approach in a procurement contract under this award are posed on the OJP website at https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm.

Additional information on Federal purchasing guidelines can be found in the Guide to Procurements Under DOJ Grants and Cooperative agreements at https://ojp.gov/funding/Implement/Resources/GuideToProcurementProcedures.pdf.

2.0 Cost Analysis - A cost analysis must be performed by the subrecipient if the cost or price is at or above the $35,000 acquisition threshold and the contract was awarded non-competitively in accordance with s. 216.3475, F.S. The subrecipient must maintain records to support the cost analysis, which includes a detailed budget, documented review of individual cost elements for allowability, reasonableness, and necessity. See also: Reference Guide for State Expenditures.

3.0 Allowable Costs - Allowance for costs incurred under the subaward shall be determined according to the general principles and standards for selected cost items set forth in the DOJ Grants Financial Guide, 28 C.F.R. § 66, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments", and 2 CFR Subpart E, "Cost Principles".

4.0 Unallowable Costs - Payments made for costs determined to be unallowable by either the Federal awarding agency, or the Department, either as direct or indirect costs, must be refunded (including interest) to FDLE and the Federal Government in accordance with instructions that determined the costs are unallowable unless state or Federal statute or regulation directs otherwise. See also 2 C.F.R. §§ 200.300-309.

5.0 Indirect Cost Rate - A subrecipient that is eligible to use the "de minimis" indirect cost rate described in 2 C.F.R. § 200.414(f), and elects to do so, must advise OCJG in writing of both its eligibility and its election, and must comply with all associated requirements in the 2 C.F.R. § 200 and Appendix VII.

6.0 Sole Source - If the project requires a non-competitive purchase from a sole source, the subrecipient must complete the Sole Source Justification for Services and Equipment Form and submit to OCJG upon application for pre-approval. If the subrecipient is a state agency and the cost meets or exceeds $250,000, the subrecipient must also receive approval from the Department of Management Services (DMS) (s.

287.057(5), F.S.). The Sole Source form must be signed by the subrecipient or implementing agency chief official or chief official designee. Additional details on the sole source requirement can be found at 2 C.F.R. § 200 and the DOJ Grants Financial Guide.

7.0 **Personal Services** - Subrecipients may use grant funds for eligible personal services including salaries, wages, and fringe benefits, including overtime in accordance with the DOJ Grants Financial Guide Section 3.9 - Compensation for Personal Services, consistent with the principles set out in 2 C.F.R. § 200, Subpart E and those permitted in the federal program's authorizing legislation. Subrecipient employees should be compensated with overtime payments for work performed in excess of the established work week and in accordance with the subrecipient's written compensation and pay plan.

Documentation - Charges for salaries, wages, and fringe benefits must be supported by a system of internal controls providing reasonable assurance that charges are accurate, allowable, and properly allocated. Documentation supporting charges must be incorporated into the official records of the organization.

Charges made to the Personnel Budget Category must reasonably reflect the total time and activity for which the employee is compensated by the organization and cover both federally funded and all other activities. The records may include the use of subsidiary records as defined in the organization's written policies. Where grant subrecipients work on multiple grant programs or cost activities, documentation must support a reasonable allocation or distribution of costs among specific activities or cost objectives.

8.0 **Contractual Services -** The subrecipient must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts as described in 2 C.F.R. § 200.318, General procurement.

Requirements for Contractors of Subrecipients - The subrecipient assures the compliance of all contractors with the applicable provisions of Title I of the Omnibus Crime Control and Safe Streets Act of 1968, as amended 42 U.S.C. § 3711 et seq.; the provisions of the current edition of the DOJ Grants FinancialGuide(https://ojp.gov/financialguide/doj/pdfs/DOJ_FinancialGuide.pdf); and all other applicable federal and state laws, orders, circulars, or regulations. The subrecipient must pass-through all requirements and conditions applicable to the federal grant award/subaward to any subcontract. The term "contractor" is used rather than the term "vendor" and means an entity that receives a contract as defined in 2 C.F.R. § 200.22, the nature of the contractual relationship determines the type of agreement.

Approval of Consultant Contracts Compensation for individual consultant services must be reasonable and consistent with that paid for similar services in the marketplace. The Federal awarding agency and pass-through entity must review and approve in writing all consultant contracts prior to employment of a consultant when the individual compensation rate exceeds $650 (excluding travel and subsistence costs) per eight-hour day, or $81.25 per hour. A detailed justification must be submitted to and approved by FDLE, who will coordinate written approval of the Federal awarding agency, prior to subrecipient obligation or expenditures of such funds. Approval shall be based upon the contract's compliance with requirements found in the Financial Guide Section 3.6 Consultant Rates, 28 C.F.R. § 66, and applicable state statutes. The Department's approval of the subrecipient agreement does not constitute approval of individual consultant contracts or rates. If consultants are hired through a competitive bidding process (not sole source), the $650 threshold does not apply.

FFATA Reporting Requirements - Subrecipients that enter into subawards of $25,000 or more should review the Federal Funding Accountability and Transparency Act of 2006 (FFATA), website for additional reporting requirements at https://ojp.gov/funding/Explore/FFATA.htm

9.0 **Travel and Training -** The cost of all travel shall be reimbursed according to the subrecipient's written travel policy. If the subrecipient does not have a written travel policy, cost of all travel will be reimbursed according to State of Florida Travel Guidelines § 112.061, F.S. Any foreign travel must obtain prior written approval from the Federal awarding agency and pass-through entity.

10.0 **Expenses Related to Conferences, Meetings, Trainings, and Other Events -** Subgrant funds requested for meetings, retreats, seminars, symposia, events, and group training activities and related expenses must receive written pre-approval from the Federal awarding agency and pass-through entity and comply with all provisions in 2 C.F.R. § 200.432 and DOJ Grants Financial Guide Section 3.10; Conference Approval, Planning, and Reporting. Subgrant applications requesting approval for meeting, training, conference, or other event costs must include a completed Conference & Events

Submission Form for approval prior to obligating subgrant funds for these purposes.

11.0 Training and Training Materials – Any training or training materials that has been developed or delivered with grant funding under this award must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at www.ojp.gov/funding/ojptrainingguidingprinciples.htm.

12.0 Publications, Media and Patents Ownership of Data and Creative Material - Ownership of material, discoveries, inventions, and results developed, produced, or discovered subordinate to this agreement is governed by the terms of the DOJ Grants Financial Guide, 28 C.F.R. §§ 66, and 200.315.

Publication or Printing of Materials - Publication costs for electronic and print media, including distribution, promotion, and general handling are allowable. If these costs are not identifiable with a particular direct cost objective, it should be allocated as indirect costs. Publication includes writing, editing, and preparing the illustrated material (including videos and electronic mediums).

Subrecipients must request pre-approval in writing for page charges for professional journal publications. All publication materials must comply with provisions in 2 C.F.R. § 200.461 and DOJ Grants Financial Guide, Section 3.9; Allowable Costs – Publication.

Subrecipients must submit for review and approval one (1) copy of any written materials to be published, including web-based materials and website content, to be paid under this award at least thirty (30) days prior to the targeted dissemination date.

All electronic and print materials paid under this award must contain the following statements identifying the federal award:

"This project was supported by Award No. 2019-MU-BX-0036 awarded by the Bureau of Justice Assistance, Office of Justice programs. The opinions, findings, and conclusions or recommendations expressed in this publication/program/exhibition are those of the authors and do not necessarily reflect the views of the Department of Justice or grant-making component."

Any website funded in whole or in part under this award must include the same statement on the home page, on all major entry pages (i.e., pages (exclusive of documents) whose primary purpose is to navigate the user to interior content), and on any pages from which a visitor may access or use a web-based service, including any pages that provide results or outputs from the service.

Patents - Subrecipients are subject to applicable regulations governing patents and inventions, including government wide regulations issued by the Department of Commerce (37 C.F.R. § 401 and 2 C.F.R. § 200.315(c)).

Subrecipients must promptly and fully report to FDLE and the Federal awarding agency if any program produces patentable items, patent rights, processes, or inventions, in the course of work sponsored under this award.

13.0 Information Technology Projects

Criminal Intelligence Systems - The subrecipient agrees that any information technology system funded or supported by the Office of Justice Programs funds will comply with 28 C.F.R. § 23, Criminal Intelligence Systems Operating Policies, if the Office of Justice Programs determines this regulation to be applicable. Should the Office of Justice Programs determine 28 C.F.R. § 23 to be applicable, the Office of Justice Programs may, at its discretion, perform audits of the system, as per 28 C.F.R. § 23.20(g). Should any violation of 28 C.F.R. § 23 occur, the subrecipient may be fined as per 42 U.S.C. § 3789g(c)-(d). The subrecipient may not satisfy such a fine with federal funds.

The subrecipient understands and agrees that no awarded funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography. In doing so the subrecipient agrees that these restrictions will not limit the use of awarded funds necessary for any federal, state, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecutions, or adjudication activities.

State IT Point of Contact - The subrecipient must ensure that the State IT Point of Contact receives written notification regarding any information technology project funded by this grant during the obligation and expenditures period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these grant funds. In addition, the subrecipient must maintain an administrative file documenting the meeting of this requirement. For a list of State IT Points of Contact, go to https://it.ojp.gov/technology-contacts.

The State IT Point of Contact will ensure the

subrecipient's project follows a statewide comprehensive strategy for information sharing systems that improve the functioning of the criminal justice system, with an emphasis on integration of all criminal justice components, law enforcement, courts, prosecution, corrections, and probation and parole.

Interstate Connectivity - To avoid duplicating existing networks or IT systems in any initiatives funded by the Bureau of Justice Assistance for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the subrecipient can demonstrate to the satisfaction of the Bureau of Justice Assistance that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

ADP Justification - The subrecipient must complete an Automated Data Processing (ADP) equipment and Software and Criminal Justice Information and Communication Systems Request for Approval form if the purchase of any ADP equipment is to be made. This form must be submitted upon application if applicable and pre-approval must be obtained. ADP Justification must be signed by the subrecipient or implementing agency chief official or an individual with formal, written signature authority for the chief official.

14.0 Interoperable Communications Guidance - Subrecipients using funds to support emergency communications activities must comply with the current SAFECOM Guidance for Emergency Communication Grants, including provisions on technical standards that ensure and enhance interoperable communications. Emergency communications activities include the purchase of Interoperable Communications Equipment and technologies such as voice-over-internet protocol bridging or gateway devices, or equipment to support the build out of wireless broadband networks in the 700 MHz public safety band under the Federal Communications Commission (FCC) Waiver Order. SAFECOM guidance can be found at https://www.dhs.gov/publication/funding-documents.

Subrecipients interested in developing a public safety broadband network in the 700 MHz band in their jurisdictions must adhere to the technical standards set forth in the FCC Waiver Order, or any succeeding FCC orders, rules, or regulations pertaining to broadband operations in the 700 MHz public safety band. The subrecipient shall also ensure projects support the Statewide Communication Interoperability Plan (SCIP) and are fully coordinated with the full-time Statewide Interoperability Coordinator (SWIC). If any future regulatory requirement (from the FCC or other governmental entity) results in a material technical or financial change in the project, the subrecipient should submit associated documentation, and other material, as applicable, for review by the SWIC to ensure coordination. Subrecipients must provide a listing of all communications equipment purchased with grant award funding (plus the quantity purchased of each item) to FDLE once items are procured during any periodic programmatic progress reports.

15.0 Global Standards Package - In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires the grantee to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. Grantee shall conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at https://it.ojp.gov/gsp. Grantee shall document planned approaches to information sharing and describe compliance to the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.

16.0 Unreasonable Restrictions on Competition - This condition applies with respect to any procurement of property or services funded (in whole or in part) by this subaward, by the subrecipient (at any tier), and regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used. The provisions of this condition must be among those included in any subaward (at any tier).

i. Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 and 200.319(a) – Subrecipient (at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

ii. Monitoring of compliance with the requirements of this condition will be conducted by FDLE.

iii. The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor (at any tier), grant recipient or -subrecipient (at any tier), agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

iv. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

17.0 Task Force Training Requirement - The subrecipient agrees that within 120 days of award, each current member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership (www.ctfli.org).

All current and new task force members are required to complete this training once during the life of the award, or once every four years if multiple awards include this requirement. This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability.

When FDLE awards funds to support a task force, the subrecipient must compile and maintain a task force personnel roster along with course completion certificates. Additional information is available regarding this required training and access methods via BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfli.org).

SECTION VII: DHS Requirements

1.0 In regards to the program or activity funded in whole or in part under this subaward and throughout the period of performance for this award, no state or local government entity, agency or official may prohibit or in any way restrict:

Any government entity or official from sending or receiving information regarding citizenship or immigration status as described in 8 U.S.C. 1373(a); or a government entity or agency from sending, requesting or receiving, maintaining, or exchanging information regarding immigration status as described in either 8 U.S.C. 1373(b) or 1644. For the purposes of this subaward, any prohibition (or restriction) that violates this condition is an "information-communication restriction."

2.0 A subaward to a state or local government or a public institution of higher education, cannot be made unless a properly executed certification of compliance with 8 U.S.C. 1373 and 1644, signed by the chief legal officer of the subrecipient entity has been received by OCJG. Similarly, subrecipients cannot make a further subaward to a state or local government or a public institution of higher education, unless it first obtains a properly executed certification of compliance with 8 U.S.C. 1373 and 1644 signed by the chief legal officer of the third tier subrecipient.

3.0 Funding under this award cannot be subawarded to any subrecipient at any tier that is either a state or unit of local government or a public institution of higher education that is subject to any "information-communication restriction."

4.0 Subrecipients must notify FDLE (in writing) if it has credible evidence that indicates that a funded program or activity of a subrecipient at any tier that is either a state or local government or a public institution of higher education, may be subject to any "information-communication restriction."

5.0 For **STATE AGENCIES**: With respect to the program or activity that is funded by this subaward, as of the date the subrecipient accepts this subaward, and throughout the remainder of the period of performance for the award-

i. A state statute or a state rule, regulation, policy or practice must be in place that is designed to ensure that agents of the United States acting under color of federal law are given access to any state (or state contracted) correctional facility for the

purpose of permitting such agents to meet with individuals who are (or are believed by such agents to be) aliens and to inquire as to such individuals' right to be or remain in the United States.

ii. A state statute, or a state rule, regulation, policy or practice must be in place that is designed to ensure that, when a state (or state contracted) correctional facility receives a formal written request authorized by the Immigration and Nationality Act from DHS that seeks advance notice of the scheduled release date and time for a particular alien, they will honor the request and as early as practicable, provide the request notice to DHS.

6.0 For units of **LOCAL GOVERNMENT**: With respect to the program or activity that is funded by this subaward, as of the date the subrecipient accepts this subaward, and throughout the remainder of the period of performance for the award-

i. A local ordinance, rule, regulation, policy or practice (or an applicable state statute, rule, regulation policy or practice) must be in place that is designed to ensure that agents of the United States acting under color of federal law are given access to any state (or state contracted) correctional facility for the purpose of permitting such agents to meet with individuals who are (or are believed by such agents to be) aliens and to inquire as to such individuals' right to be or remain in the United States.

ii. A local ordinance, rule, regulation, policy or practice (or an applicable state statute, rule, regulation policy or practice) must be in place that is designed to ensure that, when a local government (or local government contracted) correctional facility receives a formal written request authorized by the Immigration and Nationality Act from DHS that seeks advance notice of the scheduled release date and time for a particular alien, they will honor the request and as early as practicable, provide the request notice to DHS.

7.0 Noninterference: No Public Disclosure - Subrecipients (at any tier) are prohibited from making public disclosure of any federal law enforcement information in a direct, or indirect, attempt to conceal, harbor, or shield from detection any fugitive from justice under 18 U.S.C. Chapter 39, or any alien who has come to, entered, or remains in the United States in violation of 8 U.S.C. Chapter 12, without regard to whether such disclosure would constitute (or could form a predicate for) a violation of 18 U.S.C. 1071 or 1072 or of 8 U.S.C. 1324(a).

Funds under this program are prohibited from being used to make any public disclosure of federal law enforcement information in a direct, or indirect, attempt to conceal, harbor, or shield from detection any fugitive from justice under 18 U.S.C. Chapter 39, or any alien who has come to, entered, or remains in the United States in violation of 8 U.S.C. Chapter 12, without regard to whether such disclosure would constitute (or could form a predicate for) a violation of 18 U.S.C. 1071 or 1072 or of 8 U.S.C. 1324(a).

8.0 Noninterference: Interrogation of Certain Aliens - In accordance with federal law enforcement statutes and regulations, including 8 U.S.C. 1357(a) and 8 C.F.R. 287.5(a), which allow certain federal officers and employees the power to interrogate "any alien or person believed to be an alien" regarding their right to be or remain in the United states, and allows that power to be exercised "anywhere in or outside the United States," subrecipients (at any tier) are prohibited from interfering with the exercise of the power to interrogate "without warrant" (by agents of the United States acting under color of federal law) by impeding access to any state or local government (or government contracted) correctional facility by such agents for the purpose of "interrogat[ing] any alien or person believed to be an alien as to his [or her] right to be in the United States."

No state or local government entity, agency, or official may use funds under this award to interfere with the exercise of power to interrogate "without warrant" (by agents of the United States acting under color of federal law) by impeding access to any state or local government (or government contracted) correctional facility by such agents for the purpose of "interrogat[ing] any alien or person believed to be an alien as to his [or her] right to be in the United States."

9.0 Noninterference: Notice of Scheduled Release - Within the funded program or activity, no subrecipient (at any tier) may interfere with the "removal" process of an alien by failing to provide, as early as practicable, advance notice to DHS of the scheduled release date and time for a particular alien, if a state or local government (or government contracted) correctional facility received from DHS a formal written request pursuant to the INA that seeks such advance notice.

Subrecipients (at any tier) are not permitted to use subaward funds to interfere with the "removal" process of an alien by failing to provide, as early as practicable, advance notice

to DHS of the scheduled release date and time for a particular alien, if a state or local government (or government contracted) correctional facility received from DHS a formal written request pursuant to the INA that seeks such advance notice (see the following federal law enforcement statues, incorporated here by reference: 8 U.S.C. 1231, 8 U.S.C. 1226, and 8 U.S.C. 1366).

10.0 Monitoring of compliance with the requirements of this condition will be conducted by FDLE.

11.0 Nothing in the above conditions shall be understood to authorize any subrecipient at any tier to violate any federal law, including any applicable civil rights or nondiscrimination law.

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to FDLE prior to award acceptance.

SECTION VIII: ADDITIONAL REQUIREMENTS

1.0 Environmental Protection Agency's (EPA) list of Violating Facilities - The subrecipient assures that the facilities under its ownership, lease or supervision which shall be utilized in the accomplishment of the Program Purpose are not listed on the EPA's list of Violating Facilities and that it will notify the Department of the receipt of any communication from the Director of the EPA Office of Federal Activities indicating that a facility to be used in the project is under consideration for listing by the EPA.

2.0 National Environmental Policy Act (NEPA)

The subrecipient agrees to assist FDLE in complying with the NEPA, the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of subaward funds by the subrecipient. This applies to the following new activities whether or not they are being specifically funded with these subaward funds. That is, it applies as long as the activity is being conducted by the subrecipient or any third party and the activity needs to be undertaken in order to use these subaward funds. Accordingly, the subrecipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes.

If it is determined that any of the following activities will be funded by the grant, the recipient agrees to contact FDLE OCJG.

1) New construction;

2) Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain; a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;

3) A renovation, lease, or any other proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;

4) Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or educational environments; and

5) Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The subrecipient understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by the Bureau of Justice Assistance. The subrecipient further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed by the Department of Justice at https://www.bja.gov/Funding/nepa.html, for programs relating to methamphetamine laboratory operations.

3.0 National Historic Preservation Act – The Act will assist the Department (if necessary) in assuring compliance with section 106 of the National Historic Preservation Act of 1966 (16 U.S.C. § 470), Ex. Order 11593 (identification and protection of historic properties), the Archeological and Historical Preservation Act of 1974 (16 U.S.C. § 469 a-1 et seq.), and the National Environmental Policy Act of 1969 (42 U.S.C. § 4321).

4.0 Human Research Subjects - Subrecipient agrees to comply with the requirements of 28 C.F.R. part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.

5.0 Disclosures

Conflict of Interest - The subrecipient and implementing agency will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain. Subrecipients must disclose in writing any potential conflict of interest to FDLE (the non-federal pass-through entity).

Violations of Criminal Law - The subrecipient and implementing agency must disclose all violations of state or federal criminal law involving fraud, bribery or gratuity violations potentially affecting the sub award.

6.0 Uniform Relocation Assistance and Real Property Acquisitions Act - The subgrant recipient will comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisitions Act of 1970 (42 U.S.C. § 4601 et seq.), which govern the treatment of persons displaced as a result of federal and federally-assisted programs.

7.0 Limitations on Government Employees Financed by Federal Assistance - The subrecipient will comply with requirements of 5 U.S.C. §§ 1501-08 and §§ 7324-28, which limit certain political activities of State or local government employees whose principal employment is in connection with an activity financed in whole or in part by federal assistance.

8.0 Funds to Association of Community Organizations for Reform Now (ACORN) Unallowable - Subrecipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of OJP.

9.0 Text Messaging While Driving - Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), and §316.305, F.S., the subrecipient is encouraged to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this subaward and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

10.0 DNA Testing of Evidentiary Materials and Upload of DNA Profiles to a Database - If JAG program funds will be used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System (CODIS), by a government DNA lab with access to CODIS. No profiles generated with JAG funding may be entered into any other non-governmental DNA database without prior express written approval from BJA. For more information, refer to the NIJ FY 2012 DNA Backlog Reduction Program, available at https://www.ncjrs.gov/pdffiles1/nij/sl001062.pdf.

In addition, funds may not be used for purchase of DNA equipment and supplies when the resulting DNA profiles from such technology are not accepted for entry into CODIS (the National DNA Database operated by the FBI).

11.0 Environmental Requirements and Energy - For subawards in excess of $100,000, the subrecipient must comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C 85), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR 1). The subrecipient must comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871), if any.

12.0 Other Federal Funds - The subrecipient agrees that if it currently has an open award of federal funds or if it receives an award of federal funds other than this award, and those awards have been, are being, or are to be used, in whole or in part, for one or more of the identical cost items for which funds are being provided under this award, the subrecipient will promptly notify, in writing the grant manager for this award, and, if so requested by OCJG seek a budget modification or change of project scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

13.0 Trafficking in Persons - The subrecipient must comply with applicable requirements pertaining to prohibited conduct relating to the trafficking of persons, whether on the part of recipients, subrecipients or individuals defined as "employees" of the subrecipient. The details of the recipient and subrecipient obligations related to prohibited conduct related to trafficking in persons are incorporated by reference and posted at https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm

14.0 Employment Eligibility Verification for Hiring Under This Award – The subrecipient must ensure that as part of the hiring process for any position that is or will be funded (in whole or in part) with award funds, the employment eligibility of the individual being hired is properly verified in accordance with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

i. All persons who are or will be involved in activities under this award must be made aware of the requirement for verification of employment eligibility, and associated provisions of 8 U.S.C. 1324a(a)(1) and (2) that make it unlawful in the United States to hire (or recruit for employment) certain aliens.

ii. The subrecipient must provide training (to the extent necessary) to those persons required by this condition to be notified of the requirement for employment eligibility verification and the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).

iii. As part of the recordkeeping requirements of this subaward, the subrecipient must maintain records of all employment eligibility verifications pertinent to compliance with this condition and in accordance with I-9 record retention requirements, as well as pertinent records of notifications and trainings.

iv. Monitoring of compliance with the requirements of this condition will be conducted by FDLE.

v. Persons who are or will be involved in activities under this award includes any and all subrecipient officials or other staff who are or will be involved in the hiring process with respect to a grant funded position under this award.

vi. For the purposes of satisfying this condition, the subrecipient may choose to participate in, and use E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the subrecipient entity uses E-Verify to confirm employment eligibility for each position funded through this award.

vii. Nothing in this condition shall be understood to authorize or require any subrecipient, or any person or other entity, to violate federal law, including any applicable civil rights or nondiscrimination law.

viii. Nothing in this condition, including paragraph vi., shall be understood to relieve any subrecipient, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to FDLE prior to award acceptance.

15.0 Determination of Suitability to Interact with Minors – This condition applies if it is indicated in the application for subaward (at any tier) that a purpose of some or all of the activities to be carried out under the subaward is to benefit a set of individuals under 18 years of age.

The subrecipient (at any tier), must make determinations of suitability before certain individuals may interact with participating minors. The requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP website at https://ojp.gov/funding/Explore/Interact-Minors.htm.

BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/21/2020
Issue: Application for Funding Assistance for JAG County-wide Funds to Support The Jail Alternative Initiative Project For FY 2019-2020
From: William Powell, Director, Corrections
Organization: Corrections
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Application for Funding Assistance Regarding the Florida Department of Law Enforcement Justice Assistance Grant (JAG) County-wide Program to Support the Jail Alternative Initiative and Tactical Response Team Project - William R. Powell, Director of Corrections

That the Board take the following action concerning the Application for the Jail Alternative Initiative project:

A. Approve the Application for Funding Assistance regarding the Florida Department of Law Enforcement Justice Assistance Grant (JAG) County-wide Program for the Jail Alternative Initiative and Tactical Response Team Project, in the amount of $41,133;

B. Authorize the Chairman to Sign the Application for Funding Assistance, to include the Subaward Standard Conditions;

C. Authorize the Chairman to sign the Certifications regarding Lobbying, Debarment and Drug-Free Workplace requirements and to sign the Financial Management and System of Internal Controls Questionnaire; and

D. Authorize the Department to electronically submit the Application on behalf of the Board through the Florida Department of Law Enforcement, Subgrant Information Management ON-line System (SIMON) portal.

[Funding: The funds are made available through the Federal Fiscal Year 2019 Edward Byrne Memorial Justice Assistance Grant Program - JAG Countywide Solicitation, for the period beginning October 1, 2019, and terminating September

30, 2021. There is no cost to the County]

BACKGROUND:

The $41,133 Grant will be utilized for the Jail Alternative Initiative (JAI) and Tactical Response Team Projects. The JAI project will ensure that qualified offenders who are eligible for release are not penalized due to their inability to remit payment for the alternative electronic monitoring programs or drug patch program offered by the County. Eligible offenders have no monetary bond requirement with the condition of GPS monitoring, SCRAM (secure continuous remote alcohol monitor) unit or a drug patch as a condition of release.

Funds will also be expended to support Corrections Officer Tactical Safety and Wellness. The ability for Corrections Officers to protect themselves during dangerous encounters is essential. The Escambia Corrections Tactical Response Team (TRT)responds to the transport of high-risk inmates, cell extractions, mass searches, riots and disturbances that potentially involve uncooperative or violent inmates. TRT officers are outfitted with extensive gear, including body armor, helmet, tactical gloves, handcuffs, and less lethal equipment such as pepper spray and diversion devices. Intense TRT Instructor-level training covering less lethal techniques and skills for dangerous situations will be accomplished under the JAGC Grant. Upon completion of the training, TRT Officers will have the ability to provide in-service training to other Escambia TRT members to enhance the abilities of the entire TRT team.

This Grant will provide the needed funding to offset the costs associated with providing JAI services to indigent offenders and TRT Officer training and equipment beginning Fiscal Year 2019-2020.

BUDGETARY IMPACT:

The Grant draw-downs will be processed on a cost reimbursement basis. No additional funds are being requested from the Board.

LEGAL CONSIDERATIONS/SIGN-OFF:

The Application has been reviewed and approved for legal sufficiency by Kristin Hual, Senior Assistant County Attorney.

PERSONNEL:

The Corrections Department staff will manage and implement the Grant project.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation complies with all provisions of the Board of County Commissioners' Grant Policy.

IMPLEMENTATION/COORDINATION:

Corrections Department Staff will administer the Grant related project.

Section 2: Project Overview

General Project Information

Project Title: JAIL ALT INITIATIVE,TRT,OFFICER HEALTH\SAFETY FOR FFY 2019

Subgrant Recipient: Escambia County Board of County Commissioners

Implementing Agency: Escambia County Department of Corrections

Project Start Date: 4/1/2020 **End Date:** 6/30/2021

Problem Identification

Escambia County Corrections experiences overcrowding in their correctional facilities. To mitigate overcrowding, Escambia County advocates for providing alternatives to incarceration in the form of alternative programs and/or monitoring. This application is a continuation JAGC program grant for contractual services from 2020-JAGC-ESCA-1-Y5-014. This grant was awarded for the project period 10/01/18-03/31/20 in the amount of $47,213. The program has been deemed a success for its ability to provide alternatives to incarceration for the target population with its Jail Alternative Initiative (JAI).

During FFY18-19 Escambia County Corrections successfully monitored approximately 181 unduplicated participants, thus reducing the number of incarcerated offenders. Offenders frequently are unable to participate in alternative programs due to their inability to pay the fees associated with these programs. The fees are the financial responsibility of the offender and are necessary to cover the operating costs of the respective program. When qualified offenders are financially unable to pay for the associated monitoring fees it creates a barrier preventing offenders from participating in alternative programs, as such they remain in jail.

Additionally, the ability for a corrections officer to protect themselves in a dangerous encounter is essential. The Escambia Corrections Tactical Response Team (TRT) responds to the transport of high-risk inmates, cell extractions, mass searches, riots and disturbances that potentially involve uncooperative or violent inmates. TRT officers are outfitted with extensive gear, including but not limited to body armor, helmet, tactical gloves, handcuffs, and less lethal equipment such as pepper spray and diversion devices.

There is a need for advanced TRT training for the safety and welfare of officers and current TRT field equipment to optimize officers ability to perform tactical response. Currently the budget for the Escambia County Board of Commissioners does not have the resources to provide for the necessary expenses needed by the Escambia County Department of Corrections. Grant funding will provide the assistance necessary to purchase the equipment and supplies for the Tactical Response Team

Project Summary (Scope of Work)

The mission of the Escambia County Community Corrections Division is to provide community-based alternatives to incarceration that ensure public safety, promote responsible behavior and encourage positive lifestyles. When an offender is sentenced to a period of supervision via a community-based alternative to incarceration, the offender is required to pay the associated operational fees. These fees are necessary to maintain the viability of the various programs offered through Escambia County Community Corrections. For offenders who are deemed indigent by

the Court and/or the Community Corrections staff, assistance with payment of these fees through the Edward Byrne Memorial Justice Assistance Grant is being sought.

The grant will assist in ensuring the release of qualified low-level offenders from the Escambia County Jail. This would reflect a direct reduction in incarcerated offenders at the already overcrowded Escambia County Jail who will alternatively be placed in a supervised community-based program with assistance from the Edward Byrne Memorial Justice Assistance Grant. The primary emphasis of the Jail Alternative Initiative is to ensure that qualified offenders who are eligible for release are not penalized due to their inability to remit payment for the alternative programs associated fees. The grant will be utilized to offset the cost for indigent offenders released from the Escambia County Jail with an Electronic GPS monitoring device, drug patch/analysis, or SCRAM (secure continuous remote alcohol monitor) condition accompanying their terms of release. The fundamental objective of the Jail Alternative Initiative is to provide community-based alternatives to indigent offenders who are incarcerated and have been court-ordered to be released under Community Corrections supervision. This program is not designed and will be prohibited from paying any court ordered bond requirements. Eligible offenders will have no bond requirement and as a condition of release will follow their court ordered provision of monitored GPS, drug patch/analysis, or SCRAM program. Providing for the indigent offender population will assist in alleviating the overcrowding at the Escambia County Jail while more importantly providing indigent individuals the opportunity to participate in an alternative program they would not otherwise have access to.

Escambia County Department of Corrections has a goal to transition indigent offenders with bonds less than $1,000 to GPS, SCRAM, or Drug Patch monitoring as an alternative to jail confinement. The major activities associated with reaching the goals as outlined are the identification of candidates in the target population, registration of those candidates to GPS monitoring, followed by continued growth of the effectiveness of the program using factual data.

The Escambia Community Corrections Division is currently utilizing the lowest priced vendor for Electronic Monitoring Service (GPS) and Secure Continuous Remote Alcohol Monitor (SCRAM) units as determined by competitive quotes obtained by the department to provide all offenders with the lowest cost for court ordered tracking equipment required for their release. Grant funding would be used to remit payment for contractual obligations for the indigent offender population in our three (3) target groups: SCRAM; GPS Active; GPS Passive. Drug patch costs and analysis will be also provided by the lowest priced vendor as determined by a competitive bid process. Escambia utilizes a procurement suite called Vendor Registry that matches products and services by alerting vendors with bid notifications. This method of procurement allows Escambia County to reach a large and wide range of vendors thus bringing competitive bids, lower pricing and transparency to the bid process.

The GPS, SCRAM and Drug Patch and Analysis vendors minimum performance required for payment by the County will be established and accounted for through the local subcontract agreement. Documentation to support costs and activities will consist of a copy of the contractual agreement with the equipment provider, monthly logs with the name or identification number of each participant, the date of enrollment into the program and the date, time and duration of each monitoring appointment. The implementation of the Jail Alternative Initiative commenced in 2016 and will continue to serve the needs of the indigent population through September

30, 2020 or until funds are expended.

Within every jail or prison there is the potential for inmates to become disruptive, violent, or even riotous in nature. The way to respond to hostile and violent situations has dramatically changed over the past several years. Simply "running and reacting" to a dynamically developing situation is dangerous and unsafe for both the officers and the inmates involved. The Tactical Response Team (TRT) for Escambia County Corrections is made up of highly motivated and experienced Correction Officers that are trained to respond to dangerous encounters. The team is dedicated to the preservation of life and the presence of order within the Escambia County Jail. Each TRT officer is required to complete an intense tactical training program which demands physical strength and mental concentration during emergency situations. Utilizing grant funds, TRT Officers will be outfitted with less-than-lethal gear such as, Tasers, pepper spray, and diversion devices. Procurement of TRT Officer gear will be through a competitive bid process. Standard factory warranty and shipping will be included in the purchase price of equipment and will be procured during the grant period. Professional training for TRT leaders is essential to successfully deescalate dangerous situations and will be provided in addition to equipment training of all TRT members. TRT leaders will attend professionally administered four 8-hour instructor-level classes covering OC Aerosols, Impact Munitions, Chemical Munitions and Distraction Device Munitions. The student will acquire instructor-level knowledge of Defense Technology products, both technically and tactically, along with the skills necessary to conduct in-service training. Contingent upon current travel restrictions due to COVID19, it is anticipated that training will occur in the first quarter of 2021. Equipment will be procured after October 1, 2020 with final receipt of all items by December 31, 2020.

Copies of invoices and payment records will be provided to support expenditures for reimbursement. The deliverable for this agreement is the quarterly performance of the tasks and activities described in the scope of work in accordance with the local agency agreement. The County will request reimbursement of allowable costs identified in Section 4 on a quarterly basis. All activities discussed in the scope of work or project deliverables are for the expenses and contractual services provided to the Escambia County Department of Corrections.

Section 3: Performance

General Performance Info:

Performance Reporting Frequency: Quarterly

Prime Purpose Area: 07 - Corrections

State Purpose Area: 1G - General Questions

Objectives and Measures

Objective: General Questions - General Questions for All Recipients

Measure: General 01

Will your organization be using the crimesolutions.gov website during the grant period regardless of JAG funding? Crimesolutions.gov provides information on several crime reduction and prevention programs and practices.

Goal: No

Measure: General 02

Will your organization be using the The National Training and Technical Assistance Center (NTTAC) during the grant period, regardless of JAG funding? The NTTAC serves as BJA's training and technical assistance center. You can find resources, tools, webinars, and TTA support on a variety of criminal justice issues and initiatives.

Goal: No

Measure: General 03

Will your organization be using the NCJP.org website during the grant period, regardless of JAG funding? NCJP.org contains resources to support strategic planning, program development, and implementation of evidence-based policy and practice.

Goal: No

Measure: General 04

Will your organization be using the Evidence-Based Policing Matrix during the grant period regardless of JAG funding? The Evidence-Based Policing Matrix provides information on evidence-based practices for law enforcement.

Goal: No

Measure: General 05

Will your organization be using the What Works in Reentry Clearinghouse during the grant period regardless of JAG funding? The clearinghouse provides research on the effectiveness of reentry programs and practices.

Goal: No

Measure: General 06

Section 3: Performance

Will your organization be using Research to Practice during the grant period regardless of JAG funding? Research to Practice promotes the dissemination of research on drug courts to practitioners and policymakers.

Goal: No

Measure: General 07

Will your organization be using any other resources during the grant period regardless of JAG funding? If yes, please describe them.

Goal: No other resources will be utilized for the target population to participate in the Jail Alternative Initiative.

Measure: General 08

During the grant period, will your agency conduct or sponsor (with or without JAG funds) a survey or focus group of citizens on any of the following topics? Enter all that apply from the following list: Public satisfaction with police services; public satisfaction with prosecution services; public satisfaction with public defender/indigent defense services; public satisfaction with courts; public perceptions of crime/disorder problems; personal crime experiences of citizens; none of the above; unsure/don't know.

Goal: None of the above.

Measure: General 09

During the grant period, which of the following community activities will your organization be involved in, with or without JAG funds and how often will they each occur (yearly, monthly, etc.)? Choose from the following list: Hosting community meetings; attending community meetings; distributing a newsletter, e-mail, or other bulletin; attending community events; conducting social media activities; conducting outreach to minority populations; other (please describe)

Goal: No outreach activities as described are presently planned.

Measure: General 10

Law Enforcement Agencies ONLY: In which of the following ways has your agency fostered community involvement in the last year? Enter all that apply from the following list: Citizen Review Board or other review board with citizen representation, Citizen's Police Academy, Internships for university or high school students, Volunteer Program, Auxiliary police officer program, Police Cadet Program, k-12 school programs, Youth Athletic Programs, Other (please Describe), None of the above, Unsure/Don't know.

Goal: None of the above. Not applicable, Not a Law Enforcement Agency.

Measure: General 11

Identify the goal(s) you hope to achieve with your funding. If you have

Section 3: Performance

multiple goals, describe each goal separately.

Goal: Jail Alternative Initiative: 1.Provide offenders alternatives to incarceration. 2.Reduce jail population. 3.Enable offenders to continue to meet employment, family, and academic obligations.
Tactical Response Team: 1.Officer safety and wellness providing adequate TRT training to avoid officer injury. 2.Provide appropriate tactical equipment to avoid officer and inmate injury or harm.

Measure: General 12

Are the subrecipient and implementing agency aware that they will be required to report on the status of the identified goals during each reporting period?

Goal: Yes, agency is aware of reporting requirements.

Measure: General 13

Describe any barriers you may encounter which may prevent you from achieving your identified goal(s).

Goal: The barrier encountered for the Jail Alternative Initiative may be that demand exceeds the funding available to the target population. Barriers for the Tactical Response Team may be officer safety when advanced TRT training to protect against dangerous encounters with a violent subject is unavailable.

Measure: General 14

Are you aware that the Office of Criminal Justice Grants encourages recipients to report on any noteworthy accomplishments, success stories, or program results that they would like to showcase?

Goal: Yes

Measure: General 11b

What major activities are planned for each of your goals listed in question 11?

Goal: JAI: Provide alternatives to incarceration, determined by judiciary discretion. Sentencing non-violent offenders to JAI program allows grantee to use limited jail space to house dangerous offenders. Community corrections allows continuation of employment,school,or counseling. TRT: Intense training to elevate TRT officer skills and knowledge in less lethal to tactical training courses. Training will sharpen officers` physical and strategic skills and study real-life scenarios.

State Purpose Area: 3E - Equipment, Supplies, and Technology Enhancements

Objectives and Measures

Objective: Equipment - Questions for all recipients purchasing Equipment, Supplies, and Technology Enhancements.

Section 3: Performance

Measure: Equipment 1

Do the Subrecipient and Implementing agencies understand that they will be required to submit an itemized account of all items purchased during each reporting period as part of their performance reporting?

Goal: Yes

State Purpose Area: 4T - Training

Objectives and Measures

Objective: Attending Training - Questions for all recipients attending training.

Measure: Training A1

If your staff will attend training with JAG funds during the grant period, what type of training will they attend? If more than one training will be attended, answer for each separately. Answer from the following list: Certification Training, In-service/annual training, skill building, leadership/management, conference, other (please describe).

Goal: Instructor-level training covering less lethal techniques and skills for dangerous situations. Trainee will have the ability to provide in-service training to other members upon completion.

Measure: Training A2

Provide a short description of the training/conference which will be attended with JAG funds. If more than one training/conference will be attended, describe each separately.

Goal: Instructor Program providing four 8-hour instructor-level classes covering OC Aerosols, Impact Munitions, Chemical Munitions and Distraction Device Munitions. The student will acquire instructor-level knowledge of Defense Technology, both technically and tactically, along with the skills necessary to conduct in-service training.

Measure: Training A3

If your staff will attend a training/conference with JAG funds during the reporting period, how many hours will the training course last? A one day course is typically classified as an 8-hour course while a week long course is typically classified as a 40 -hour course. If more than one, describe each separately.

Goal: Four 8-hour instructor-level classes.

Measure: Training A4

If your staff will attend training/conference during the reporting period, how many individuals will attend the training/conference using JAG funds? If more than one training/conference was attended, answer for each separately.

Section 3: Performance

Goal: Two individuals will attend same training program.

State Purpose Area: 5C - Consultants/Contracts

Objectives and Measures

Objective: Consultants/Contracts - Questions for all recipients using consultants/contracts.

Measure: Consultants

Please describe what consultants/contracts will be paid for with JAG funds during the grant period. Include names, titles and areas of expertise where applicable.

Goal: Western States Contracting Association-National Association of Purchasing Officers (WSCABASPO) cooperative purchasing agreement for GPS. The procurement of drug patches services is through a competitive process to ensure that the lowest price is obtained. Drug patch test kits, overlays and analysis are provided by the lowest priced vendor identified by the platform 'Vendor Registry' a web-based tool for public purchasers of cities, counties, school districts, utilities, colleges-universities.

Section 4: Financial (cont.)

Budget Narrative:

Escambia County Corrections (ECC) has a goal to convert indigent offenders with bonds less than $1,000 to GPS/SCRAM/Drug Patch/Analysis monitoring as an alternative to jail confinement. The fees are the actual cost to the department, no program income is generated. The average length of sentencing is 180 days, as such the breakdown of the indigent offenders participating in the Jail Alternative Initiative (JAI) is proposed as follows:

CONTRACTUAL SERVICES (JAI) $2,592

-1 Active GPS at $3.20/day for 180 days = $576 (Attenti US)
-1 Passive GPS at $3.10/day for 180 days = $558 (Attenti US)
-2 SCRAM (Alcohol Monitoring) at $4.05/day for 180 days = $1,458 (Alcohol Monitoring Systems)

EXPENSES (JAI) $10,250.40

-Drug Patch Analysis, 10 offenders in compliance X 4 analysis per month X 6 months (180 Days) X $28.55 = $6,852
-Drug Patch Kits, 12 offenders X 4 drug patch per month X 6 months (180 Days/288 patches) X $10.80 =$3,110.40

Some offenders abscond or return to jail prior to drug patch analysis, therefor number of patches purchased do not align exactly with drug patch analysis numbers.

PharmChem Overlay $1 each for each patch kit necessary in Florida due to hot/humid climate. PharmChem Overlay will prevent adhesive from loosening resulting in a more effective test product. $288 for Overlays.

The procurement of drug patch services is through a competitive bid process to ensure that the lowest price is obtained. Drug patch test kits including overlays and analysis are provided by the lowest priced vendor identified by the platform 'Vendor Registry' a web-based tool for public purchasers of cities, counties, school districts, utilities, colleges and universities.

EXPENSES (OFFICER SAFETY) $29,840.91

Tactical Response Team Training and Equipment needs include the items as listed below.
-Training Less Lethal ICP Instructor Training November 3-6, 2020, in Troy, Alabama. Travel expenses for two (2) members = approximately $2,100 (including transportation, hotel, per diem, and registration fees)

Section Questions:

Question: If Expenses or Operating Capital Outlay are included in your budget, what will be the method of procurement for those items? (e.g., competitive bid, sole source, state term contract)

Answer: Competitive bid process.

Question: If indirect cost is included, explain the indirect cost plan. Provide documentation of approval.

Answer: N/A

Question: If contractual services in the budget are based on unit costs, provide a definition and breakdown of cost for each service. Include the methodology for the unit cost plan and when it was approved.

Answer: The Escambia Community Corrections Division is currently utilizing the lowest priced vendor for Electronic Monitoring Service (GPS) and Secure Continuous Remote Alcohol Monitor (SCRAM) units as determined by competitive quotes obtained by the department in October 2019. The GPS unit pricing applies to the pricing plan for active and passive GPS monitoring units. The fixed rate is $3.20 per offender per day for active monitoring and $3.10 per offender per day for passive monitoring. The fixed rate for the SCRAM units are $4.05 per offender per day.

Question: If the budget contains salaries and benefits, will this project result in a net personnel increase, or continue to fund a prior federally grant funded net personnel increase?

Answer: No

Disallowed costs means those charges to a Federal award that the Federal awarding agency or pass-through entity determines to be unallowable, in accordance with the applicable Federal statutes, regulations, or the terms and conditions of the Federal award.

Equipment means tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost which equals or exceeds the lesser of the capitalization level established by the non-Federal entity for financial statement purposes, or $5,000. *See also §§200.12 Capital assets, 200.20 Computing devices, 200.48 General purpose equipment, 200.58 Information technology systems, 200.89 Special purpose equipment, and 200.94 Supplies.*

Grant agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non-Federal entity that, consistent with 31 U.S.C. 6302, 6304, is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non-Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal awarding agency or pass-through entity's direct benefit or use; and is distinguished from a cooperative agreement in that it does not provide for substantial involvement between the Federal awarding agency or pass-through entity and the non-Federal entity in carrying out the activity contemplated by the Federal award.

Improper payment means any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements. Improper payment also includes any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

Micro-purchase means a purchase of supplies or services using simplified acquisition procedures, the aggregate amount of which does not exceed the micro-purchase threshold. The non-Federal entity uses such procedures in order to expedite the completion of its lowest-dollar small purchase transactions and minimize the associated administrative burden and cost. The micro-purchase threshold is set by the Federal Acquisition Regulation in 48 CFR Subpart 2.1 (Definitions). It is $3,500 except as otherwise discussed in Subpart 2.1 of that regulation, but this threshold is periodically adjusted for inflation.

Modified Total Direct Cost (MTDC) means all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first $25,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of $25,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency for indirect costs.

Non-Federal entity is a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Non-federal pass-through entity is a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program; the Florida Department of Law Enforcement (FDLE) is the non-federal pass-through entity for this agreement, also referred to as the State Administering Agency (SAA).

Period of performance means the time during which the non-Federal entity may incur new obligations to carry out the work authorized under the Federal award. The Federal awarding agency or pass-through entity must include start and end dates of the period of performance in the Federal award (see §§200.210 Information contained in a Federal award paragraph (a)(5) and 200.331 Requirements for pass-through entities, paragraph (a)(1)(iv)).

Protected Personally Identifiable Information (PII) means an individual's first name or first initial and last name in combination with any one or more of types of information, including, but not limited to social security numbers; passport numbers; credit card numbers; clearances; bank numbers; biometrics; date and place of birth; mother's maiden name; criminal, medical, and financial records; and educational transcripts. This does not include PII that is required by law to be disclosed. (See also § 200.79 Personally Identifiable Information (PII)).

Questioned cost means a cost that is questioned by the auditor because of an audit finding 1) that resulted from a violation or possible violation of a statute, regulation, or the terms and conditions of a Federal award, including for funds used to match Federal funds; 2) where the costs, at the time of the audit, are not supported by adequate documentation; or 3) where the costs incurred appear unreasonable and do

not reflect the actions a prudent person would take in the circumstances.

Simplified acquisition threshold means the dollar amount below which a non-Federal entity may purchase property or services using small purchase methods. Non-Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 C.F.R. Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. § 1908. As of the publication of this part, the simplified acquisition threshold is $250,000, but this threshold is periodically adjusted for inflation. (Also see definition of Micro-purchase, 2 C.F.R.§ 200.67)

Subaward is an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual who is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Supplies means all tangible personal property other than those described in §200.33 Equipment. A computing device is a supply if the acquisition cost is less than the lesser of the capitalization level established by the non-Federal entity for financial statement purposes or $5,000, regardless of the length of its useful life. See also §§200.20 Computing devices and 200.33 Equipment.

SECTION I: TERMS AND CONDITIONS

1.0 Payment Contingent on Appropriation and Available Funds - The State of Florida's obligation to pay under this agreement is contingent upon an annual appropriation by the Florida Legislature. Furthermore, the obligation of the State of Florida to reimburse subrecipients for incurred costs is subject to available federal funds.

2.0 Commencement of Project - If a project is not operational within 60 days of the original start date of the award period, the subrecipient must report by letter to the Department the steps taken to initiate the project, the reasons for delay, and the expected start date.

If a project is not operational within 90 days of the original start date of the award period, the subrecipient must submit a second statement to the Department explaining the implementation delay.

Upon receipt of the ninety (90) day letter, the Department shall determine if the reason for delay is justified or shall, at its discretion, unilaterally terminate this agreement and re-obligate subaward funds to other Department approved projects. The Department, where warranted by extenuating circumstances, may extend the starting date of the project past the ninety (90) day period, but only by formal written adjustment to this agreement.

3.0 Supplanting - The subrecipient agrees that funds received under this award will not be used to supplant state or local funds, but will be used to increase the amounts of such funds that would, in the absence of federal funds, be made available for law enforcement activities.

4.0 Personnel Changes - The subrecipient agrees to promptly notify the Department through the SIMON Help Desk of any change in chief officials or key project staff, including changes to contact information or title changes. The subrecipient acknowledges that some changes in points of contact will require formal grant adjustment to reflect the change in the agreement.

5.0 Non-Procurement, Debarment and Suspension - The subrecipient agrees to comply with Executive Order 12549, Debarment and Suspension and 2 C.F.R. § 180, "OMB Guidelines To Agencies On Government wide Debarment And Suspension (Non-procurement)". These procedures require the subrecipient to certify it shall not enter into any lower tiered covered transaction with a person who is debarred, suspended, declared ineligible or is voluntarily excluded from participating in this covered transaction, unless authorized by the Department. If the subaward is $100,000 or more, the sub recipient and implementing agency certify that they and their principals:

1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, sentenced to a denial of federal benefits by a state or federal court, or voluntarily excluded from covered transactions by any federal department or agency;

2) Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal

offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (a)(ii) of the "Lobbying, Debarment and Drug Free Workplace" certification; and

4) Have not within a three-year period preceding this application had one or more public transactions (federal, state, or local) terminated for cause or default.

6.0 Federal Restrictions on Lobbying - In general, as a matter of federal law, federal funds may not be used by any subrecipient at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. § 1913.

Another federal law generally prohibits federal funds from being used by any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352.

7.0 State Restrictions on Lobbying - In addition to the provisions contained above, the expenditure of funds for the purpose of lobbying the legislature or a state agency is prohibited under this agreement.

8.0 Additional Restrictions on Lobbying - The subrecipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, without the express prior written approval of the Office of Justice Programs.

9.0 "Pay–to–Stay" - Funds from this award may not be used to operate a "pay-to-stay" program in any local jail. Furthermore, no funds may be given to local jails that operate "pay-to-stay" programs. "Local jail", as referenced in this condition, means an adult facility or detention center owned and/or operated by city, county, or municipality. It does not include juvenile detention centers. "Pay-to-stay" programs as referenced in this condition, means a program by which extraordinary services, amenities and/or accommodations, not otherwise available to the general inmate population, may be provided, based upon an offender's apparent ability to pay, such that disparate conditions of confinement are created for the same or similar offenders within a jurisdiction.

10.0 The Coastal Barrier Resources Act - The subrecipient will comply and assure the compliance of all contractors with the provisions of the Coastal Barrier Resources Act (P.L. No. 97-348) dated October 18, 1982 (16 USC 3501 et seq.) which prohibits the expenditure of most new federal funds within the units of the Coastal Barrier Resources System.

11.0 Background Check - Whenever a background screening for employment or a background security check is required by law for employment, unless otherwise provided by law, the provisions of § 435, F.S. shall apply.

All employees in positions designated by law as positions of trust or responsibility shall be required to undergo security background investigations as a condition of employment and continued employment. For the purposes of the subsection, security background investigations shall include, but not be limited to, employment history checks, fingerprinting for all purposes and checks in this subsection, statewide criminal and juvenile records checks through the Florida Department of Law Enforcement, and federal criminal records checks through the Federal Bureau of Investigation, and may include local criminal records checks through local law enforcement agencies.

Such background investigations shall be conducted at the expense of *the employing agency or employee.*

12.0 Privacy Certification - The subrecipient must comply with all confidentiality requirements of 34 U.S.C. § 10231 and 28 C.F.R. § 22 that are applicable to collection, use, and revelation of data or information. Subrecipient further agrees, as a condition of grant approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. §§ 22 and, in particular, 22.23. Privacy Certification forms must be signed by the subrecipient or implementing

agency chief official or an individual with formal, written signature authority for the chief official.

13.0 Conferences and Inspection of Work - Conferences may be held at the request of any party to this agreement. At any time, a representative of the Department, of the U.S. Department of Justice, or the Auditor General of the State of Florida, have the right of visiting the project site to monitor, inspect and assess work performed under this agreement.

14.0 Insurance for Real Property and Equipment - The subrecipient must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved with Federal funds as provided to property owned by the non-Federal entity.

15.0 Flood Disaster Protection Act - The sub recipient will comply with Section 102(a) of the Flood Disaster Protection Act of 1973, Public Law 93-234, 87 Stat. 975, requiring that the purchase of flood insurance in communities where such insurance is available as a condition of the receipt of any federal financial assistance for construction or acquisition purposes for use in any area that has been identified as an area having special flood hazards.

16.0 Immigration and Nationality Act - No public funds will intentionally be awarded to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324(a), Section 274(A) of the Immigration and Nationality Act ("INA"). The Department shall consider the employment by any contractor of unauthorized aliens a violation of Section 274(A) of the INA. Such violation by the subrecipient of the employment provisions contained in Section 274(A) of the INA shall be grounds for unilateral cancellation of this contract by the Department.

SECTION II: CIVIL RIGHTS REQUIREMENTS

1.0 Participant Notification of Non-discrimination FDLE does not discriminate on the basis of race, color, religion, national origin, sex, disability or age in the delivery of services, benefits or in employment.

2.0 Title VI of the Civil Rights Act of 1964 - The subrecipient at any tier, must comply with all applicable requirements of 28 CFR § 42, specifically including any applicable requirements in Subpart E that relate to an equal employment opportunity program.

Equal Employment Opportunity Certification (EEOC) - A subrecipient or implementing agency must submit an EEO Certification annually within 120 days of award.

Equal Employment Opportunity Program (EEOP) - A subrecipient or implementing agency must comply with all applicable requirements in 28 C.F.R. §42, Subpart E.

Subrecipients are advised to use the Office for Civil Rights EEO Reporting Tool to satisfy this condition (https://ojp.gov/about/ocr/eeop.htm).

3.0 Title IX of the Education Amendments of 1972 If the subrecipient operates an education program or activity, the subrecipient must comply with all applicable requirements of 28 C.F.R. § 54, "Nondiscrimination on the basis of sex in education programs or activities receiving federal financial assistance."

4.0 Equal Treatment for Faith Based Organizations The subrecipient at any tier, must comply with all applicable requirements of 28 C.F.R. § 38, "Equal Treatment for Faith Based Organizations", specifically including the provision for written notice to current or prospective program beneficiaries.

5.0 Americans with Disabilities Act - Subrecipients must comply with the requirements of the Americans with Disabilities Act (ADA), Public Law 101-336, which prohibits discrimination on the basis of disability including provision to provide reasonable accommodations.

6.0 Section 504 of the Rehabilitation Act of 1973 (28 C.F.R. § 42, Subpart G) - Subrecipients must comply with all provisions prohibiting discrimination on the basis of disability in both employment and the delivery of services**.**

7.0 Age Discrimination Act of 1975 - Subrecipients must comply with all requirements in Subpart I of 28 C.F.R. §42 which prohibits discrimination based on age in federally assisted programs.

8.0 Limited English Proficiency (LEP) - In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, subrecipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with LEP. FDLE strongly advises subrecipients to have a written LEP Language Access Plan. For more information visit www.lep.gov.

9.0 Finding of Discrimination - In the event a federal or state court or federal or state administrative agency makes, after a due

process hearing, a finding of discrimination on the grounds of race, color, religion, national origin, sex, or disability against a subrecipient of funds, the subrecipient will forward a copy of the finding to FDLE and to the Office for Civil Rights, Office of Justice Programs.

10.0 Filing a Complaint - If the subrecipient or any of its employees, contractors, vendors, or program beneficiaries has a discrimination complaint, they may file a complaint with the subrecipient, with FDLE, or with the Office for Civil Rights.

Discrimination complaints may be submitted to FDLE at Office of the Inspector General, Post Office Box 1489, Tallahassee, Florida 32302-1489, or online at info@fdle.state.fl.us. Any discrimination complaints filed with FDLE will be reviewed by FDLE's Inspector General and referred to the Office for Civil Rights, the Florida Commission on Human Relations, or the Equal Employment Opportunity Commission, based on the nature of the complaint.

Discrimination complaints may also be submitted to the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice, 810 7th Street, Northwest, Washington, D.C. 20531, or by phone at (202) 307-0690.

11.0 Retaliation - In accordance with federal civil rights laws, the subrecipient shall not retaliate against individuals for taking action or participating in action to secure rights protected by these laws.

12.0 Non-discrimination Contract Requirements - Subrecipients must include comprehensive Civil Rights nondiscrimination provisions in all contracts funded by the subrecipient.

13.0 Pass-through Requirements - Subrecipients are responsible for the compliance of contractors and other entities to whom they pass-through funds including compliance with all Civil Rights requirements. These additional tier subrecipients must be made aware that they may file a discrimination complaint with the subrecipient, with FDLE, or with the USDOJ Office for Civil Rights and provided the contact information.

SECTION III: FINANCIAL REQUIREMENTS AND RESPONSIBILTY

1.0 Fiscal Control and Fund Accounting Procedures - All expenditures and cost accounting of funds shall conform to the DOJ Grants Financial Guide, the 28 C.F.R. § 66, and 2 C.F.R. § 200 as applicable, in their entirety.

Subrecipients are required to establish and maintain adequate accounting systems and financial records and to accurately account for funds awarded to them. Financial management systems must be able to record and report on the receipt, obligation, and expenditure of grant funds; and able to accommodate a fund and account structure to separately track receipts, expenditures, assets, and liabilities for awards, programs, and additional tiered subrecipients. The awarded funds may or may not be an interest bearing account, but any earned interest must be used for program purposes and expended before the federal grant period end date. Any unexpended interest remaining at the end of the federal grant period must be submitted to the Office of Criminal Justice Grants for transmittal to DOJ.

2.0 Match - The value or amount of any "non-federal share," "match," or cost-sharing contribution incorporated into the approved budget is part of the "project cost" for purposes of the 2 C.F.R. § 200 Uniform Requirements, and is subject to audit. In general, the rules and restrictions that apply to award funds from federal sources also apply to funds in the approved budget that are provided as "match" or through "cost sharing."

SECTION IV: SUBAWARD MANAGEMENT AND REPORTING REQUIREMENTS

1.0 Obligation of Subrecipient Funds - Subaward funds shall not under any circumstances be obligated prior to the effective date, or subsequent to the termination date, of the period of performance. Only project costs incurred on or after the effective date, and on or prior to the termination date of the subrecipient's project are eligible for reimbursement. All payments must be completed within forty-five (45) days of the end of the subaward period of performance.

2.0 Use of Funds - Grant funds may be used only for the purposes in the subrecipient's approved application. Subrecipients shall not undertake any work or activities not described in the approved grant award, and that use staff, equipment, or other goods or services paid for with grant funds, without prior written approval from FDLE's Office of Criminal Justice Grants (OCJG).

3.0 Advance Funding - Advance funding may be provided to a subrecipient upon a written request to the Department. The request must be electronically signed by the subrecipient or

implementing agency's Chief Financial Officer or the Chief Financial Officer designee.

4.0 Performance and Reporting

Reporting Time Frames - The Project Director, Application Manager, or Performance Contacts shall submit Monthly or Quarterly Project Performance Reports to the Department, within fifteen (15) days after the end of the reporting period. In addition, if the subaward period is extended beyond the "original" project period, additional Project Performance Reports shall be submitted.

Failure to Submit - Performance Reports that are not complete, accurate, and timely may result in sanctions, as specified in Section IV, Subaward Management and Reporting Requirements.

Report Contents - Performance Reports must include a response to all objectives included in your subaward. A detailed response is required in the narrative portion for yes/no performance objectives. Submitted performance reports must clearly articulate, where appropriate, performance during the execution of the award has met a standard against which the subrecipient's performance can be measured. The narrative must also reflect on accomplishments for the period and identify problems with project implementation and address actions being taken to resolve the problems. Additional information may be required if necessary to comply with federal reporting requirements.

Requirement for Data on Performance and Effectiveness Under the Award - The subrecipient must collect and maintain data that measures the performance and effectiveness of work under this award. The data must be provided to OCJG in the manner (including within the timeframes) specified by OCJG. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

Financial Consequences for Failure to Perform - In accordance with s. 215.971 F.S., payments for state and federal financial assistance must be directly related to the scope of work and meet the minimum level of performance for successful completion. If the subrecipient fails to meet the minimum level of service or performance identified in this agreement, or is customary for subawards, then the Department will apply financial consequences commensurate with the deficiency. Financial consequences may include but are not limited to withholding payments or reimbursement until the deficiency is resolved, tendering only partial payment/reimbursement, imposition of other financial consequences according to the Standard Conditions as applicable, and/or termination of contract and requisition of goods or services from an alternate source. Any payment made in reliance on subrecipient's evidence of performance, which evidence is subsequently determined to be erroneous, will be immediately due to the Department as an overpayment.

5.0 Grant Adjustments - Subrecipients must submit a grant adjustment through SIMON for major substantive changes such as changes in project activities or scope of the project, target populations, service providers, implementation schedules, project director, and designs or research plans set forth in the approved agreement and for any budget changes that affect a cost category that was not included in the original budget. Adjustments are also required when there will be a transfer of 10% or more of the total budget between budget categories, or there is an indirect cost rate category change.

Subrecipients may transfer up to 10% of the total budget between current, approved budget categories without prior approval as long as the funds are transferred to an existing line item.

Under no circumstances can transfers of funds increase the total budgeted award.

Requests for changes to the subaward agreement must be electronically signed by the subrecipient or implementing agency's chief official or the chief official's designee.

All requests for changes, including all requests for project period extensions, must be submitted in SIMON no later than thirty (30) days prior to grant expiration date.

6.0 Financial Expenditures and Reporting

Reporting Requirements - The subrecipient shall have a choice of submitting either a Monthly or a Quarterly Project Expenditure Report to the Department. Project Expenditure Reports are due thirty (30) days after the end of the reporting period. In addition, if the subaward period is extended, additional Project Expenditure Reports shall be submitted.

All project expenditures for reimbursement of subrecipient costs shall be submitted on the Project Expenditure Report Forms prescribed and provided by the Office of Criminal Justice Grants (OCJG) through the SIMON (Subgrant Information Management Online).

All Project Expenditure Reports shall be submitted in sufficient detail for proper pre-audit and post-audit.

All reports must relate financial data to performance accomplishments.

Before the "final" Project Expenditure Report will be processed, the subrecipient must submit to the Department all outstanding project reports and must have satisfied all special conditions. Failure to comply with the above provisions shall result in forfeiture of reimbursement.

Reports are to be submitted even when no reimbursement is being requested.

Submission - The report must be electronically signed by the subrecipient or implementing agency's Chief Financial Officer or the Chief Financial Officer designee.

7.0 Project Generated Income (PGI) - All income generated as a direct result of a sub project shall be deemed program income. Program income from asset seizures and forfeitures is considered earned when the property has been adjudicated to the benefit of the plaintiff (i.e., law enforcement entity).

Required Reports - The subrecipient shall submit Quarterly PGI Earnings and Expenditures Reports to the Department within thirty (30) days after the end of the reporting period covering subaward project generated income and expenditures during the previous quarter.

PGI Expenditure - Program income should be used as earned and expended as soon as possible and used to further the objects in which the award was made.

Submission - PGI Earnings and Expenditures reports must be electronically signed by the subrecipient or implementing agency's chief financial officer or the chief financial officer's designee.

Unexpended PGI - If any PGI remains unspent after the subaward ends, the subrecipient must continue submitting quarterly PGI reports until all funds are expended.

Additionally, any unexpended PGI remaining at the end of the federal grant period must be submitted to OCJG for transmittal to the Bureau of Justice Assistance.

8.0 Subrecipient Integrity and Performance Matters - Requirement to report information on certain civil, criminal, and administrative proceedings to OCJG, SAM and FAPIIS.

The subrecipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, subrecipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management ("SAM"), to the designated federal integrity and performance system ("FAPIIS").

SECTION V: MONITORING AND AUDITS

1.0 Access to Records - The Florida Department of Law Enforcement, the Auditor General of the State of Florida, the U.S. Department of Justice, the U.S. Comptroller General or any of their duly authorized representatives, shall have access to books, documents, papers and records of the subrecipient, implementing agency and contractors for the purpose of audit and examination according to the Financial Guide and the 28 C.F.R. § 66. At any time, a representative of the Department, the U.S. Department of Justice, or the Auditor General of the State of Florida, have the right to visit the project site to monitor, inspect and assess work performed under this agreement.

The Department reserves the right to unilaterally terminate this agreement if the subrecipient, implementing agency, or contractor refuses to allow public access to all documents, papers, letters, or other materials subject to provisions of s. 119, F.S., unless specifically exempted and/or made confidential by operation of s. 119, F.S., and made or received by the subrecipient or its contractor in conjunction with this agreement.

The subrecipient will give the awarding agency or the General Accounting Office, through any authorized representative, access to and the right to examine all paper or electronic records related to the financial assistance.

2.0 Monitoring - The recipient agrees to comply with FDLE's grant monitoring guidelines, protocols, and procedures; and to cooperate with FDLE on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide FDLE all documentation necessary to complete monitoring of the award. Further, the recipient agrees to abide by

reasonable deadlines set by FDLE for providing requested documents. Failure to cooperate with grant monitoring activities may result in sanctions affecting the recipient's award, including, but not limited to: withholding and/or other restrictions on the recipient's access to funds, referral to the Office of the Inspector General for audit review, designation of the recipient as a FDLE High Risk grantee, or termination of award(s).

3.0 Property Management - The subrecipient shall establish and administer a system to protect, preserve, use, maintain and dispose of any property furnished to it by the Department or purchased pursuant to this agreement according to federal property management standards set forth in the DOJ Grants Financial Guide, and 28 C.F.R. § 66. This obligation continues as long as the subrecipient retains the property, notwithstanding expiration of this agreement.

Property Use - The subrecipient must use equipment acquired under a Federal award for the authorized purposes of the project during the period of performance, or until the property is no longer needed. Subrecipients must use, manage and dispose of equipment acquired under a Federal award in accordance with ss. 274, F.S. Tangible Property and 2 C.F.R. 200.313, Equipment.

4.0 Subaward Closeout - A Financial Closeout Audit shall be submitted to the Department within forty-five (45) days of the end date of the performance period.

The Financial Closeout Audit report located in SIMON must be electronically signed by the subrecipient or implementing agency's Chief Financial Officer or the Chief Financial Officer designee.

Subaward Closeout will be initiated by the Department after the Financial Closeout has been completed and approved. Failure to submit closeout reports timely will result in an Administrative Closeout by the Department.

5.0 High Risk Subrecipients - If a subrecipient is designated "high risk" by a federal grant-making agency, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to FDLE's OCJG. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the subrecipient's past performance, or other programmatic or financial concerns with the subrecipient. The subrecipient's disclosure must include the following: 1. The federal awarding agency that currently designates the subrecipient high risk, 2. The date the subrecipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

6.0 Imposition of Additional Requirements - The subrecipient agrees to comply with any additional requirements that may be imposed by OCJG during the period of performance for this award, if the subrecipient is designated as "high risk" for purposes of the DOJ high-risk grantee list.

7.0 Retention of Records - The subrecipient shall maintain all records and documents for a minimum of five (5) years from the date of the final financial statement and be available for audit and public disclosure upon request of duly authorized persons. The subrecipient shall comply with State of Florida General Records Schedule GS1-SL for State and Local Government Agencies: https://dos.myflorida.com/media/693576/gs1-sl-2017-final.pdf .

8.0 Disputes and Appeals - The Department shall make its decision in writing when responding to any disputes, disagreements, or questions of fact arising under this agreement and shall distribute its response to all concerned parties. The subrecipient shall proceed diligently with the performance of this agreement according to the Department's decision. If the subrecipient appeals the Department's decision, the appeal also shall be made in writing within twenty-one (21) calendar days to the Department's clerk (agency clerk). The subrecipient's right to appeal the Department's decision is contained in § 120, F.S., and in procedures set forth in Rule 28-106.104, Florida Administrative Code. Failure to appeal within this time frame constitutes a waiver of proceedings under Chapter 120, F.S.

9.0 Failure to Address Audit Issues - The subrecipient understands and agrees that FDLE's OCJG may withhold award funds, or may impose award conditions or other related requirements, if (as determined by OCJG) the subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the 2 C.F.R. § 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews.

10.0 Single Annual Audit - Subrecipients that expend $750,000 or more in a year in federal awards shall have a single audit or program-specific audit conducted for that year. The audit shall be performed in accordance with the OMB 2 C.F.R. § 200 Subpart F – Audit Requirements and other

applicable federal law. The contract for this agreement shall be identified in the Schedule of Federal Financial Assistance in the subject audit. The contract shall be identified as federal funds passed through the Florida Department of Law Enforcement and include the contract number, CFDA number, award amount, contract period, funds received and disbursed. When applicable, the subrecipient shall submit an annual financial audit that meets the requirements of 2 C.F.R. § 200 Subpart F, "Audit Requirements" s. 215.97, F.S., "Florida Single Audit Act" and Rules of the Auditor General, Chapter 10.550, and Chapter 10.650, "Local Governmental Entity Audits" and "Florida Single Audit Act Audits Nonprofit and For-Profit Organizations."

A complete audit report that covers any portion of the effective dates of this agreement must be performed and submitted to the Federal Audit Clearinghouse within the earlier of thirty (30) calendar days after receipt of the auditor's report(s), or nine (9) months after the end of the audit period. Submissions must include required elements described in Appendix X to 2 C.F.R. § 200 on the specified Data Collection Form (Form SF-SAC).

Records shall be made available upon request for a period of five (5) years from the date the audit report is issued, unless extended in writing by the Department.

Subrecipients that expend less than $750,000 in federal awards during a fiscal year are exempt from the Single Audit Act audit requirements for that fiscal year. In this case, written notification, in the form of the "Certification of Audit Exemption" form, shall be provided to the Department by the Chief Financial Officer, or designee, that the subrecipient is exempt. This notice shall be provided to the Department no later than March 1 following the end of the fiscal year.

SECTION VI: SUBAWARD PROCUREMENT AND COST PRINCIPLES

1.0 Procurement Procedures - Subrecipients must have written procedures for procurement transactions. Procedures must conform to applicable Federal law and the standards in 2 C.F.R. §§ 200.318-326.

This condition applies to agreements that OCJG considers to be a procurement "contract", and not a second tier subaward.

The details of the advance approval requirement to use a noncompetitive approach in a procurement contract under this award are posed on the OJP website at https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm.

Additional information on Federal purchasing guidelines can be found in the Guide to Procurements Under DOJ Grants and Cooperative agreements at https://ojp.gov/funding/Implement/Resources/GuideToProcurementProcedures.pdf.

2.0 Cost Analysis - A cost analysis must be performed by the subrecipient if the cost or price is at or above the $35,000 acquisition threshold and the contract was awarded non-competitively in accordance with s. 216.3475, F.S. The subrecipient must maintain records to support the cost analysis, which includes a detailed budget, documented review of individual cost elements for allowability, reasonableness, and necessity. See also: Reference Guide for State Expenditures.

3.0 Allowable Costs - Allowance for costs incurred under the subaward shall be determined according to the general principles and standards for selected cost items set forth in the DOJ Grants Financial Guide, 28 C.F.R. § 66, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments", and 2 CFR Subpart E, "Cost Principles".

4.0 Unallowable Costs - Payments made for costs determined to be unallowable by either the Federal awarding agency, or the Department, either as direct or indirect costs, must be refunded (including interest) to FDLE and the Federal Government in accordance with instructions that determined the costs are unallowable unless state or Federal statute or regulation directs otherwise. See also 2 C.F.R. §§ 200.300-309.

5.0 Indirect Cost Rate - A subrecipient that is eligible to use the "de minimis" indirect cost rate described in 2 C.F.R. § 200.414(f), and elects to do so, must advise OCJG in writing of both its eligibility and its election, and must comply with all associated requirements in the 2 C.F.R. § 200 and Appendix VII.

6.0 Sole Source - If the project requires a non-competitive purchase from a sole source, the subrecipient must complete the Sole Source Justification for Services and Equipment Form and submit to OCJG upon application for pre-approval. If the subrecipient is a state agency and the cost meets or exceeds $250,000, the subrecipient must also receive approval from the Department of Management Services (DMS) (s.

287.057(5), F.S.). The Sole Source form must be signed by the subrecipient or implementing agency chief official or chief official designee. Additional details on the sole source requirement can be found at 2 C.F.R. § 200 and the DOJ Grants Financial Guide.

7.0 **Personal Services** - Subrecipients may use grant funds for eligible personal services including salaries, wages, and fringe benefits, including overtime in accordance with the DOJ Grants Financial Guide Section 3.9 - Compensation for Personal Services, consistent with the principles set out in 2 C.F.R. § 200, Subpart E and those permitted in the federal program's authorizing legislation. Subrecipient employees should be compensated with overtime payments for work performed in excess of the established work week and in accordance with the subrecipient's written compensation and pay plan.

Documentation - Charges for salaries, wages, and fringe benefits must be supported by a system of internal controls providing reasonable assurance that charges are accurate, allowable, and properly allocated. Documentation supporting charges must be incorporated into the official records of the organization.

Charges made to the Personnel Budget Category must reasonably reflect the total time and activity for which the employee is compensated by the organization and cover both federally funded and all other activities. The records may include the use of subsidiary records as defined in the organization's written policies. Where grant subrecipients work on multiple grant programs or cost activities, documentation must support a reasonable allocation or distribution of costs among specific activities or cost objectives.

8.0 **Contractual Services -** The subrecipient must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts as described in 2 C.F.R. § 200.318, General procurement.

Requirements for Contractors of Subrecipients - The subrecipient assures the compliance of all contractors with the applicable provisions of Title I of the Omnibus Crime Control and Safe Streets Act of 1968, as amended 42 U.S.C. § 3711 et seq.; the provisions of the current edition of the DOJ Grants FinancialGuide(https://ojp.gov/financialguide/doj/pdfs/DOJ_FinancialGuide.pdf); and all other applicable federal and state laws, orders, circulars, or regulations. The subrecipient must pass-through all requirements and conditions applicable to the federal grant award/subaward to any subcontract. The term "contractor" is used rather than the term "vendor" and means an entity that receives a contract as defined in 2 C.F.R. § 200.22, the nature of the contractual relationship determines the type of agreement.

Approval of Consultant Contracts Compensation for individual consultant services must be reasonable and consistent with that paid for similar services in the marketplace. The Federal awarding agency and pass-through entity must review and approve in writing all consultant contracts prior to employment of a consultant when the individual compensation rate exceeds $650 (excluding travel and subsistence costs) per eight-hour day, or $81.25 per hour. A detailed justification must be submitted to and approved by FDLE, who will coordinate written approval of the Federal awarding agency, prior to subrecipient obligation or expenditures of such funds. Approval shall be based upon the contract's compliance with requirements found in the Financial Guide Section 3.6 Consultant Rates, 28 C.F.R. § 66, and applicable state statutes. The Department's approval of the subrecipient agreement does not constitute approval of individual consultant contracts or rates. If consultants are hired through a competitive bidding process (not sole source), the $650 threshold does not apply.

FFATA Reporting Requirements - Subrecipients that enter into subawards of $25,000 or more should review the Federal Funding Accountability and Transparency Act of 2006 (FFATA), website for additional reporting requirements at https://ojp.gov/funding/Explore/FFATA.htm

9.0 **Travel and Training -** The cost of all travel shall be reimbursed according to the subrecipient's written travel policy. If the subrecipient does not have a written travel policy, cost of all travel will be reimbursed according to State of Florida Travel Guidelines § 112.061, F.S. Any foreign travel must obtain prior written approval from the Federal awarding agency and pass-through entity.

10.0 **Expenses Related to Conferences, Meetings, Trainings, and Other Events -** Subgrant funds requested for meetings, retreats, seminars, symposia, events, and group training activities and related expenses must receive written pre-approval from the Federal awarding agency and pass-through entity and comply with all provisions in 2 C.F.R. § 200.432 and DOJ Grants Financial Guide Section 3.10; Conference Approval, Planning, and Reporting. Subgrant applications requesting approval for meeting, training, conference, or other event costs must include a completed Conference & Events

Submission Form for approval prior to obligating subgrant funds for these purposes.

11.0 Training and Training Materials – Any training or training materials that has been developed or delivered with grant funding under this award must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at www.ojp.gov/funding/ojptrainingguidingprinciples.htm.

12.0 Publications, Media and Patents Ownership of Data and Creative Material - Ownership of material, discoveries, inventions, and results developed, produced, or discovered subordinate to this agreement is governed by the terms of the DOJ Grants Financial Guide, 28 C.F.R. §§ 66, and 200.315.

Publication or Printing of Materials - Publication costs for electronic and print media, including distribution, promotion, and general handling are allowable. If these costs are not identifiable with a particular direct cost objective, it should be allocated as indirect costs. Publication includes writing, editing, and preparing the illustrated material (including videos and electronic mediums).

Subrecipients must request pre-approval in writing for page charges for professional journal publications. All publication materials must comply with provisions in 2 C.F.R. § 200.461 and DOJ Grants Financial Guide, Section 3.9; Allowable Costs – Publication.

Subrecipients must submit for review and approval one (1) copy of any written materials to be published, including web-based materials and website content, to be paid under this award at least thirty (30) days prior to the targeted dissemination date.

All electronic and print materials paid under this award must contain the following statements identifying the federal award:

"This project was supported by Award No. 2019-MU-BX-0036 awarded by the Bureau of Justice Assistance, Office of Justice programs. The opinions, findings, and conclusions or recommendations expressed in this publication/program/exhibition are those of the authors and do not necessarily reflect the views of the Department of Justice or grant-making component."

Any website funded in whole or in part under this award must include the same statement on the home page, on all major entry pages (i.e., pages (exclusive of documents) whose primary purpose is to navigate the user to interior content), and on any pages from which a visitor may access or use a web-based service, including any pages that provide results or outputs from the service.

Patents - Subrecipients are subject to applicable regulations governing patents and inventions, including government wide regulations issued by the Department of Commerce (37 C.F.R. § 401 and 2 C.F.R. § 200.315(c)).

Subrecipients must promptly and fully report to FDLE and the Federal awarding agency if any program produces patentable items, patent rights, processes, or inventions, in the course of work sponsored under this award.

13.0 Information Technology Projects

Criminal Intelligence Systems - The subrecipient agrees that any information technology system funded or supported by the Office of Justice Programs funds will comply with 28 C.F.R. § 23, Criminal Intelligence Systems Operating Policies, if the Office of Justice Programs determines this regulation to be applicable. Should the Office of Justice Programs determine 28 C.F.R. § 23 to be applicable, the Office of Justice Programs may, at its discretion, perform audits of the system, as per 28 C.F.R. § 23.20(g). Should any violation of 28 C.F.R. § 23 occur, the subrecipient may be fined as per 42 U.S.C. § 3789g(c)-(d). The subrecipient may not satisfy such a fine with federal funds.

The subrecipient understands and agrees that no awarded funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography. In doing so the subrecipient agrees that these restrictions will not limit the use of awarded funds necessary for any federal, state, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecutions, or adjudication activities.

State IT Point of Contact - The subrecipient must ensure that the State IT Point of Contact receives written notification regarding any information technology project funded by this grant during the obligation and expenditures period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these grant funds. In addition, the subrecipient must maintain an administrative file documenting the meeting of this requirement. For a list of State IT Points of Contact, go to https://it.ojp.gov/technology-contacts.

The State IT Point of Contact will ensure the

subrecipient's project follows a statewide comprehensive strategy for information sharing systems that improve the functioning of the criminal justice system, with an emphasis on integration of all criminal justice components, law enforcement, courts, prosecution, corrections, and probation and parole.

Interstate Connectivity - To avoid duplicating existing networks or IT systems in any initiatives funded by the Bureau of Justice Assistance for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the subrecipient can demonstrate to the satisfaction of the Bureau of Justice Assistance that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

ADP Justification - The subrecipient must complete an Automated Data Processing (ADP) equipment and Software and Criminal Justice Information and Communication Systems Request for Approval form if the purchase of any ADP equipment is to be made. This form must be submitted upon application if applicable and pre-approval must be obtained. ADP Justification must be signed by the subrecipient or implementing agency chief official or an individual with formal, written signature authority for the chief official.

14.0 Interoperable Communications Guidance - Subrecipients using funds to support emergency communications activities must comply with the current SAFECOM Guidance for Emergency Communication Grants, including provisions on technical standards that ensure and enhance interoperable communications. Emergency communications activities include the purchase of Interoperable Communications Equipment and technologies such as voice-over-internet protocol bridging or gateway devices, or equipment to support the build out of wireless broadband networks in the 700 MHz public safety band under the Federal Communications Commission (FCC) Waiver Order. SAFECOM guidance can be found at https://www.dhs.gov/publication/funding-documents.

Subrecipients interested in developing a public safety broadband network in the 700 MHz band in their jurisdictions must adhere to the technical standards set forth in the FCC Waiver Order, or any succeeding FCC orders, rules, or regulations pertaining to broadband operations in the 700 MHz public safety band. The subrecipient shall also ensure projects support the Statewide Communication Interoperability Plan (SCIP) and are fully coordinated with the full-time Statewide Interoperability Coordinator (SWIC). If any future regulatory requirement (from the FCC or other governmental entity) results in a material technical or financial change in the project, the subrecipient should submit associated documentation, and other material, as applicable, for review by the SWIC to ensure coordination. Subrecipients must provide a listing of all communications equipment purchased with grant award funding (plus the quantity purchased of each item) to FDLE once items are procured during any periodic programmatic progress reports.

15.0 Global Standards Package - In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires the grantee to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. Grantee shall conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at https://it.ojp.gov/gsp. Grantee shall document planned approaches to information sharing and describe compliance to the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.

16.0 Unreasonable Restrictions on Competition - This condition applies with respect to any procurement of property or services funded (in whole or in part) by this subaward, by the subrecipient (at any tier), and regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used. The provisions of this condition must be among those included in any subaward (at any tier).

i. Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 and 200.319(a) – Subrecipient (at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

ii. Monitoring of compliance with the requirements of this condition will be conducted by FDLE.

iii. The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor (at any tier), grant recipient or -subrecipient (at any tier), agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

iv. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

17.0 Task Force Training Requirement - The subrecipient agrees that within 120 days of award, each current member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership (www.ctfli.org).

All current and new task force members are required to complete this training once during the life of the award, or once every four years if multiple awards include this requirement. This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability.

When FDLE awards funds to support a task force, the subrecipient must compile and maintain a task force personnel roster along with course completion certificates. Additional information is available regarding this required training and access methods via BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfli.org).

SECTION VII: DHS Requirements

1.0 In regards to the program or activity funded in whole or in part under this subaward and throughout the period of performance for this award, no state or local government entity, agency or official may prohibit or in any way restrict:

Any government entity or official from sending or receiving information regarding citizenship or immigration status as described in 8 U.S.C. 1373(a); or a government entity or agency from sending, requesting or receiving, maintaining, or exchanging information regarding immigration status as described in either 8 U.S.C. 1373(b) or 1644. For the purposes of this subaward, any prohibition (or restriction) that violates this condition is an "information-communication restriction."

2.0 A subaward to a state or local government or a public institution of higher education, cannot be made unless a properly executed certification of compliance with 8 U.S.C. 1373 and 1644, signed by the chief legal officer of the subrecipient entity has been received by OCJG. Similarly, subrecipients cannot make a further subaward to a state or local government or a public institution of higher education, unless it first obtains a properly executed certification of compliance with 8 U.S.C. 1373 and 1644 signed by the chief legal officer of the third tier subrecipient.

3.0 Funding under this award cannot be subawarded to any subrecipient at any tier that is either a state or unit of local government or a public institution of higher education that is subject to any "information-communication restriction."

4.0 Subrecipients must notify FDLE (in writing) if it has credible evidence that indicates that a funded program or activity of a subrecipient at any tier that is either a state or local government or a public institution of higher education, may be subject to any "information-communication restriction."

5.0 For **STATE AGENCIES**: With respect to the program or activity that is funded by this subaward, as of the date the subrecipient accepts this subaward, and throughout the remainder of the period of performance for the award-

i. A state statute or a state rule, regulation, policy or practice must be in place that is designed to ensure that agents of the United States acting under color of federal law are given access to any state (or state contracted) correctional facility for the

purpose of permitting such agents to meet with individuals who are (or are believed by such agents to be) aliens and to inquire as to such individuals' right to be or remain in the United States.

ii. A state statute, or a state rule, regulation, policy or practice must be in place that is designed to ensure that, when a state (or state contracted) correctional facility receives a formal written request authorized by the Immigration and Nationality Act from DHS that seeks advance notice of the scheduled release date and time for a particular alien, they will honor the request and as early as practicable, provide the request notice to DHS.

6.0 For units of **LOCAL GOVERNMENT**: With respect to the program or activity that is funded by this subaward, as of the date the subrecipient accepts this subaward, and throughout the remainder of the period of performance for the award-

i. A local ordinance, rule, regulation, policy or practice (or an applicable state statute, rule, regulation policy or practice) must be in place that is designed to ensure that agents of the United States acting under color of federal law are given access to any state (or state contracted) correctional facility for the purpose of permitting such agents to meet with individuals who are (or are believed by such agents to be) aliens and to inquire as to such individuals' right to be or remain in the United States.

ii. A local ordinance, rule, regulation, policy or practice (or an applicable state statute, rule, regulation policy or practice) must be in place that is designed to ensure that, when a local government (or local government contracted) correctional facility receives a formal written request authorized by the Immigration and Nationality Act from DHS that seeks advance notice of the scheduled release date and time for a particular alien, they will honor the request and as early as practicable, provide the request notice to DHS.

7.0 Noninterference: No Public Disclosure - Subrecipients (at any tier) are prohibited from making public disclosure of any federal law enforcement information in a direct, or indirect, attempt to conceal, harbor, or shield from detection any fugitive from justice under 18 U.S.C. Chapter 39, or any alien who has come to, entered, or remains in the United States in violation of 8 U.S.C. Chapter 12, without regard to whether such disclosure would constitute (or could form a predicate for) a violation of 18 U.S.C. 1071 or 1072 or of 8 U.S.C. 1324(a).

Funds under this program are prohibited from being used to make any public disclosure of federal law enforcement information in a direct, or indirect, attempt to conceal, harbor, or shield from detection any fugitive from justice under 18 U.S.C. Chapter 39, or any alien who has come to, entered, or remains in the United States in violation of 8 U.S.C. Chapter 12, without regard to whether such disclosure would constitute (or could form a predicate for) a violation of 18 U.S.C. 1071 or 1072 or of 8 U.S.C. 1324(a).

8.0 Noninterference: Interrogation of Certain Aliens - In accordance with federal law enforcement statutes and regulations, including 8 U.S.C. 1357(a) and 8 C.F.R. 287.5(a), which allow certain federal officers and employees the power to interrogate "any alien or person believed to be an alien" regarding their right to be or remain in the United states, and allows that power to be exercised "anywhere in or outside the United States," subrecipients (at any tier) are prohibited from interfering with the exercise of the power to interrogate "without warrant" (by agents of the United States acting under color of federal law) by impeding access to any state or local government (or government contracted) correctional facility by such agents for the purpose of "interrogat[ing] any alien or person believed to be an alien as to his [or her] right to be in the United States."

No state or local government entity, agency, or official may use funds under this award to interfere with the exercise of power to interrogate "without warrant" (by agents of the United States acting under color of federal law) by impeding access to any state or local government (or government contracted) correctional facility by such agents for the purpose of "interrogat[ing] any alien or person believed to be an alien as to his [or her] right to be in the United States."

9.0 Noninterference: Notice of Scheduled Release - Within the funded program or activity, no subrecipient (at any tier) may interfere with the "removal" process of an alien by failing to provide, as early as practicable, advance notice to DHS of the scheduled release date and time for a particular alien, if a state or local government (or government contracted) correctional facility received from DHS a formal written request pursuant to the INA that seeks such advance notice.

Subrecipients (at any tier) are not permitted to use subaward funds to interfere with the "removal" process of an alien by failing to provide, as early as practicable, advance notice

to DHS of the scheduled release date and time for a particular alien, if a state or local government (or government contracted) correctional facility received from DHS a formal written request pursuant to the INA that seeks such advance notice (see the following federal law enforcement statues, incorporated here by reference: 8 U.S.C. 1231, 8 U.S.C. 1226, and 8 U.S.C. 1366).

10.0 Monitoring of compliance with the requirements of this condition will be conducted by FDLE.

11.0 Nothing in the above conditions shall be understood to authorize any subrecipient at any tier to violate any federal law, including any applicable civil rights or nondiscrimination law.

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to FDLE prior to award acceptance.

SECTION VIII: ADDITIONAL REQUIREMENTS

1.0 Environmental Protection Agency's (EPA) list of Violating Facilities - The subrecipient assures that the facilities under its ownership, lease or supervision which shall be utilized in the accomplishment of the Program Purpose are not listed on the EPA's list of Violating Facilities and that it will notify the Department of the receipt of any communication from the Director of the EPA Office of Federal Activities indicating that a facility to be used in the project is under consideration for listing by the EPA.

2.0 National Environmental Policy Act (NEPA)

The subrecipient agrees to assist FDLE in complying with the NEPA, the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of subaward funds by the subrecipient. This applies to the following new activities whether or not they are being specifically funded with these subaward funds. That is, it applies as long as the activity is being conducted by the subrecipient or any third party and the activity needs to be undertaken in order to use these subaward funds. Accordingly, the subrecipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes.

If it is determined that any of the following activities will be funded by the grant, the recipient agrees to contact FDLE OCJG.

1) New construction;

2) Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain; a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;

3) A renovation, lease, or any other proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;

4) Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or educational environments; and

5) Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The subrecipient understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by the Bureau of Justice Assistance. The subrecipient further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed by the Department of Justice at https://www.bja.gov/Funding/nepa.html, for programs relating to methamphetamine laboratory operations.

3.0 National Historic Preservation Act – The Act will assist the Department (if necessary) in assuring compliance with section 106 of the National Historic Preservation Act of 1966 (16 U.S.C. § 470), Ex. Order 11593 (identification and protection of historic properties), the Archeological and Historical Preservation Act of 1974 (16 U.S.C. § 469 a-1 et seq.), and the National Environmental Policy Act of 1969 (42 U.S.C. § 4321).

4.0 Human Research Subjects - Subrecipient agrees to comply with the requirements of 28 C.F.R. part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.

5.0 Disclosures

Conflict of Interest - The subrecipient and implementing agency will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain. Subrecipients must disclose in writing any potential conflict of interest to FDLE (the non-federal pass-through entity).

Violations of Criminal Law - The subrecipient and implementing agency must disclose all violations of state or federal criminal law involving fraud, bribery or gratuity violations potentially affecting the sub award.

6.0 Uniform Relocation Assistance and Real Property Acquisitions Act - The subgrant recipient will comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisitions Act of 1970 (42 U.S.C. § 4601 et seq.), which govern the treatment of persons displaced as a result of federal and federally-assisted programs.

7.0 Limitations on Government Employees Financed by Federal Assistance - The subrecipient will comply with requirements of 5 U.S.C. §§ 1501-08 and §§ 7324-28, which limit certain political activities of State or local government employees whose principal employment is in connection with an activity financed in whole or in part by federal assistance.

8.0 Funds to Association of Community Organizations for Reform Now (ACORN) Unallowable - Subrecipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of OJP.

9.0 Text Messaging While Driving - Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), and §316.305, F.S., the subrecipient is encouraged to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this subaward and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

10.0 DNA Testing of Evidentiary Materials and Upload of DNA Profiles to a Database - If JAG program funds will be used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System (CODIS), by a government DNA lab with access to CODIS. No profiles generated with JAG funding may be entered into any other non-governmental DNA database without prior express written approval from BJA. For more information, refer to the NIJ FY 2012 DNA Backlog Reduction Program, available at https://www.ncjrs.gov/pdffiles1/nij/sl001062.pdf.

In addition, funds may not be used for purchase of DNA equipment and supplies when the resulting DNA profiles from such technology are not accepted for entry into CODIS (the National DNA Database operated by the FBI).

11.0 Environmental Requirements and Energy - For subawards in excess of $100,000, the subrecipient must comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C 85), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR 1). The subrecipient must comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871), if any.

12.0 Other Federal Funds - The subrecipient agrees that if it currently has an open award of federal funds or if it receives an award of federal funds other than this award, and those awards have been, are being, or are to be used, in whole or in part, for one or more of the identical cost items for which funds are being provided under this award, the subrecipient will promptly notify, in writing the grant manager for this award, and, if so requested by OCJG seek a budget modification or change of project scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

13.0 Trafficking in Persons - The subrecipient must comply with applicable requirements pertaining to prohibited conduct relating to the trafficking of persons, whether on the part of recipients, subrecipients or individuals defined as "employees" of the subrecipient. The details of the recipient and subrecipient obligations related to prohibited conduct related to trafficking in persons are incorporated by reference and posted at https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm

14.0 Employment Eligibility Verification for Hiring Under This Award – The subrecipient must ensure that as part of the hiring process for any position that is or will be funded (in whole or in part) with award funds, the employment eligibility of the individual being hired is properly verified in accordance with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

i. All persons who are or will be involved in activities under this award must be made aware of the requirement for verification of employment eligibility, and associated provisions of 8 U.S.C. 1324a(a)(1) and (2) that make it unlawful in the United States to hire (or recruit for employment) certain aliens.

ii. The subrecipient must provide training (to the extent necessary) to those persons required by this condition to be notified of the requirement for employment eligibility verification and the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).

iii. As part of the recordkeeping requirements of this subaward, the subrecipient must maintain records of all employment eligibility verifications pertinent to compliance with this condition and in accordance with I-9 record retention requirements, as well as pertinent records of notifications and trainings.

iv. Monitoring of compliance with the requirements of this condition will be conducted by FDLE.

v. Persons who are or will be involved in activities under this award includes any and all subrecipient officials or other staff who are or will be involved in the hiring process with respect to a grant funded position under this award.

vi. For the purposes of satisfying this condition, the subrecipient may choose to participate in, and use E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the subrecipient entity uses E-Verify to confirm employment eligibility for each position funded through this award.

vii. Nothing in this condition shall be understood to authorize or require any subrecipient, or any person or other entity, to violate federal law, including any applicable civil rights or nondiscrimination law.

viii. Nothing in this condition, including paragraph vi., shall be understood to relieve any subrecipient, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to FDLE prior to award acceptance.

15.0 Determination of Suitability to Interact with Minors – This condition applies if it is indicated in the application for subaward (at any tier) that a purpose of some or all of the activities to be carried out under the subaward is to benefit a set of individuals under 18 years of age.

The subrecipient (at any tier), must make determinations of suitability before certain individuals may interact with participating minors. The requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP website at https://ojp.gov/funding/Explore/Interact-Minors.htm.

Recommendation Concerning the Employee Leave Incentive Program/Leave Buyback - Jana Still, Human Resources Department Director

That the Board take the following action concerning the Employee Leave Incentive Program:

A. Approve the employee buyback program for this fiscal year for eligible participating employees of the Board of County Commissioners and other elected officials; and

B. Waive the BCC Annual Leave Incentive Policy - Section II, C27 and the Human Resources Policy found in Section 9.3(d)-(e), which states that the amount of hours remaining after the sale of leave must be a minimum 240 hours and the maximum amount of hours sold back annually not exceed 40 hours, and allow eligible employees to sell back a maximum of 80 hours of qualifying leave with a minimum remaining balance of 100 hours of combined qualifying leave.

[Funding Source: Various Funds]

BACKGROUND:

Since 2012, the Board has annually authorized the employee leave buyback program, allowing current employees to sell, or redeem, a set amount of leave back to the County at their current hourly rate of pay. Sick leave and ELB do not currently qualify for the buyback program and are not considered when determining the remaining leave balance. This Recommendation includes a draft of the Form, which explains the terms of the buyback to a participating employee to be used if this action is approved.

The majority of the program's estimated cost of $1,000,000 would be borne by the General Fund. This estimate is based on Fiscal Year 2019 buyout cost of $865,000.00 and Fiscal Year 2020 buyout cost of $768,000.00. Also, if the Board does elect to participate in the leave buyback program, the Human Resources Department will negotiate with each Union prior to any participation by bargaining unit employees.

BUDGETARY IMPACT:

The estimated cost of the program is $1,000,000.00, with the majority of the cost borne by the General Fund.

RECOMMENDATION:

Recommendation Concerning Group Medical Insurance - Jana Still, Human Resources Department Director

That the Board takes the following action concerning Group Medical Insurance:

A. Approve the renewal action with Great Midwest Insurance Company as the County's Stop Loss Carrier from January 1, 2021, to December 31, 2021; and

B. Authorize the County Administrator to sign the Great Midwest Insurance Company Health Benefit Plan Excess Loss Coverage Signature Page.

[Funding Source: 501, Internal Service Fund, Cost Center 150108, Object Code 54501]

BACKGROUND:

Stop Loss premiums are negotiated on an annual basis. USI solicited the market again this year.

Stop Loss Costs - 2021 Renewal

- Initial stop loss renewal (spec and agg./rates) (fixed costs) with no contract or plan provision changes increased by 27.3% or $993,750 over current amount of $779,293 for a projected annual increase of $214,457.
- Final and firm negotiated fixed cost rates represent an increase of 8.2% or $63,943 ($2.97 per employee per month).
- This minimal increase does not warrant reworking of the 2021 approved budget as it only adjusts to a downward percentage of .25%.
- If we equate this to the amount spent on 1792 employees enrolled in medical plans,

the increase per employee per year (PEPY) is $1,827 or $152 per employee per month (PEPM).

Stop Loss Provisions 2021

- Specific stop loss per individual remains at $275,000.
- No lasers have been applied. - This is the practice of assigning a higher specific deductible for an individual with a known condition that is likely to exceed the specific deductible. It is essentially used when an individual on a plan possesses a higher pre-disposition for illness or higher health care cost than other employee.
- The Contract maintains its “Paid” reimbursement status, which is the most favorable type of Contract due to the protection it provides to an employer.
- The Contract maintains a $100,000 aggregating specific deductible.
- 2022 stop loss provisions, if coverage renews with Great Midwest, offers a rate cap of no more than a 50% increase on specific and aggregate premiums, as well as no lasers will be imposed in 2022.
- The value of these two provisions will continue to protect large or catastrophic RX claim spending, as the medical programs under Affordable Care Act (ACA) have unlimited coverage for services covered on the medical plan.

Timeline/Delivery of Renewal

- As medical plans continue to have unlimited reimbursements for services covered on medical plans, stop loss carriers continue to request additional months of claim data, as they want to ensure their exposures and losses are protected.
- Thus, firm rates often require the review of claims through October by stop loss vendors.
- USI was able to negotiate the review of claims through September and secure firm rates without the need for additional claim data review.
- Claims are provided in arrears meaning claims paid for the month of August are not available until the middle or end of September and this trends progressively forward, meaning September claims are not available until the end of October.
- Through August, there are six claimants over $200,000 with the top claimant at $245,482.

Drug Free Workplaces Contract

AGREEMENT FOR DRUG, ALCOHOL, AND NICOTINE TESTING SERVICES (PD 18-19.020)

THIS AGREEMENT is made and entered into by and between Escambia County, Florida, a political subdivision of the State of Florida, with an administrative office located at 221 Palafox Place, Pensacola, Florida 32502, and Drug Free Workplaces USA, LLC, a for-profit limited liability company authorized to conduct business in the State of Florida, FEI/EIN 59-3173782, whose principal address is 27 West Romana Street, Pensacola, FL 32502 (hereinafter referred to as "Contractor").

WITNESSETH:

WHEREAS, on January 7, 2019, the County issued an Invitation to Bidders (PD 18-19.020) seeking a contractor to provide drug, alcohol, and nicotine testing services; and

WHEREAS, in response to the solicitation, Contractor submitted a bid demonstrating that the Contractor was the most responsive and responsible bidder proposing to provide such services; and

WHEREAS, the County desires to enter into an agreement with the Contractor for the provision of such service as set forth herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence upon the date last executed and continue for an initial term of thirty-six (36) months. Upon mutual agreement of the parties, the Agreement may be renewed for up to two additional twelve (12) month terms. The total duration of this Agreement, including the exercise of all options to renew and extend, shall not exceed the duration of five (5) years.

3. Scope. Contractor agrees to perform in accordance with the terms and conditions as outlined in Escambia County's *Invitation to Bidders, Drug, Alcohol, and Nicotine Testing Services, Specification No. P.D. 18-19.020*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement will prevail.

4. Compensation. In exchange for the Contractor's provision of the scope of services referenced in Section 3 above, the County will pay the Contractor for services rendered in accordance with the rates provided in the Contractor's bid form, attached hereto as **Exhibit B**.

5. Purchase Orders. The County shall assign tasks to the Contractor in writing utilizing work orders relating to a blanket purchase order or by individual purchase order. The task(s) to be accomplished shall be described in detail. No minimum quantity of work is guaranteed during the term of this Agreement, and only those tasks assigned pursuant to a work order may be compensated.

6. Method of Payment/Billing. Contractor may request payment from County on a monthly basis by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of goods/services received and accepted with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

7. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the Contractor shall be paid for supplies provided through the date of termination, but Contractor shall not be entitled to any other recovery against County, including, but not limited to, damages or any anticipated profit.

8. Indemnification. The Contractor agrees to hold harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages or economic loss, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

9. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Professional Liability with $1,000,000 per occurrence minimum limits; and

(d) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32591.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies except Workers' Compensation. Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32591 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

10. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

11. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice will be made to each party as follows:

To: Drug Free Workplaces USA, LLC
Attention: Carol Law
27 West Romana Street
Pensacola, FL 32534

To: Escambia County
Attention: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, will be deemed to be receipt of the notice sent. Any party will have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

12 Governing Law. This Agreement will be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue will be in the County of Escambia.

13. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall

maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

14. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

15. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement. Contractor shall at all times maintain appropriate licensing, certification, and registration while performing services pursuant to this Agreement.

16. Assignment. This Agreement, or any interest herein, will not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County.

17. Severability. If any term or condition of this Agreement is invalid or unenforceable, the remainder of the terms and conditions of this Agreement will remain in full force and effect.

18. Survival. All provisions that, by their inherent character, sense, and context, are intended to survive the termination or expiration of this Agreement will survive the termination or expiration of this Agreement.

19. Interpretation: For the purpose of this Agreement, the singular includes the plural and the plural includes the singular. References to statutes or regulations will include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to.

Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings. References to persons will include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If the either party discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, it shall immediately notify the other party and request clarification of the interpretation of this Agreement.

(b) This Agreement will not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

20. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement will be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

21. Authority. Each individual executing this Agreement on behalf of a corporate or governmental party represents and warrants that he/she is duly authorized to execute and deliver this Agreement on behalf of said party, in accordance with any duly adopted action of the governing board of said party in accordance with applicable law, and that this Agreement is binding upon said party in accordance with its terms.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

Notice

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee vendor until such time as the contract is executed by the last party to the transaction.

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to vendors of the local vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and

2. Holds any business license required by Escambia County or Santa Rosa County, and

3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification, and shall have the sole discretion to determine if a vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **Community Redevelopment Area (CRA)** is within **seven percent (7%)** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **three percent (3%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within **two percent (2%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **four percent (4%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.

3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. **Lack of Good Faith:**

   The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded and the County may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference..." See §255.0991, Florida Statutes.

SCOPE OF WORK
DRUG, ALCOHOL AND NICOTINE TESTING SERVICES

The Provider agrees as follows:

1.1 To provide the County with their services for the purposes of complying with the rules issued by the U. S. Department of Transportation at 49 CFR Parts 382, 391, 392, and 40, in regard to drug and alcohol breath testing for current and prospective employees who operate commercial motor vehicles in the course of County employment and who are subject to commercial driver's license requirements.

1.2 To provide the County with their services for the purposes of complying with the rules issued by the U. S. Department of Transportation, Federal Transit Administration (FTA) at 49 CFR Parts 29, 40 and 655, as amended, in regard to governing workplace anti-drug and alcohol programs in the transit industry.

1.3 To provide the County with their services for the purposes of compliance with the County's Wellness Incentive Program in regard to nicotine testing for current employees.

1.4 To maintain appropriate professional certification, e.g., Substance Abuse Program Administrators Association (SAPAA) Certification or similar certification. Additionally, medical review officers, collection site persons, breath alcohol technicians, substance abuse professionals, laboratories and evidential breath testing devices must meet and maintain the standards set forth in 49 CFR 40. (For additional information on SAPAA you can go to their web site at www.sapaa.com)

1.5 To remain current with Florida Legislation and comply with all federal, state and local ordinances, including but not limited to: (a) The Occupational Safety and Health Act, 29 CFR 1910, General Industry Standards; (b) Florida Statutes, Chapter 440, Workers' Compensation, particularly with respect to sections regarding the drug free work place; (c) Florida Administrative Code, Rules 38F and 38I; (d) Escambia County Substance Abuse Policy; and (e) Escambia County Tobacco-Free Workplace Policy.

1.6 To be available for expert testimony in the event of legal challenges to the validity of results as requested by the County.

1.7 To be available to consult with the County's Human Resources Department and/or the County's Legal Department upon request.

1.8 To perform drug screens by emit with reflexive gas chromatography/mass spectrophotometer (GC/MS) confirmation of all positive test results. To perform alcohol testing as outlined in 49 CFR Part 40. The following drugs shall be included in the screening: amphetamines, cocaine, marijuana, opiates, and phencyclidine. Employees subject to the Florida Department of Law Enforcement (FDLE) requirements shall additionally be screened for barbiturates, benzodiazepines, and methaqualone. To perform the Health Professional Panel drug screens for employees when management believes there is reasonable suspicion of substance abuse and for post-accident purposes.

1.9 To perform random testing based on the following procedures: The County will send the names of the employees eligible for random drug, alcohol and nicotine testing. There are four selection pools to be maintained. The numbers for the pools are (1) DOT approximately 135 employees, (2) Non-DOT approximately 1180 employees, (3) FTA approximately 100 employees

and (4) nicotine approximately 1420 employees. All four pools shall be submitted on a quarterly basis to the Provider.

The Provider will enter the employees' names into their computer and the computer program will randomly select the employees that are to be tested. The Provider will handle the entire selection procedure.

The DOT pool draws 50% for drug testing and 10% for alcohol testing. The pool draw is 2% for nicotine testing. The Non-DOT pool draws 50% for drug testing. There will be approximately-685 random drug tests per year and 23 alcohol tests per year. There will be approximately 114 nicotine tests per year.

2.0 To perform pre-employment testing for employees who are in safety sensitive and special risk positions.

2.1 Set-up fees shall include initial set-up of a database of employees.

2.2 To perform all drug, alcohol and nicotine testing at a facility in compliance with SSPAA and FDOT regulations and guidelines. Results are to be provided to the County within 2-3 working days after the test. The required times and days for drug and alcohol testing is twenty-four hours, seven days a week; but most are done Monday through Friday from 7:00 a.m. to 5:00 p.m. The required times and days for nicotine testing will be Monday through Friday from 7:00 a.m. to 5:00 p.m.

2.3 To provide a facility that shall be available for after hours testing for reasonable suspicion and post accident testing.

2.4 To make available the services of a Medical Review Officer (MRO), who is a licensed doctor of medicine with knowledge of substance abuse disorders, laboratory testing procedures and chain of custody collection procedures. The MRO will verify test results and possess the necessary medical training to interpret and evaluate an individual's positive test result in relation to that person's medical history or any other relevant biomedical information.

2.5 To make available the services of the MRO who shall review all medical records made available by the tested individual when a confirmed positive test could have resulted from legally prescribed medication. The MRO shall not disclose to the County or any third party medical information provided by a tested individual to the MRO unless permitted by regulation or, in the MRO's reasonable judgment the information indicates that performance by the individual could pose a significant safety risk.

2.6 To ensure all results and records received by the Provider will be kept on file as required by law. Results of the testing program and the test cutoff levels for all employees will be reported to designated management representatives via electronic mail.

2.7 To provide an annual on-site supervisory workshop. This training should last at least two, but no more than four hours. The U. S. Department of Transportation (DOT) requires supervisors to be trained at least 60 minutes on alcohol misuse and receive at least an additional 60 minutes of training on controlled substance use. In consultation with the Human Resources Department, supervisors will use this training to assist them in determining whether or not reasonable suspicion exists. The DOT training will be held annually and shall include the physical behavioral, speech, and performance indicators of probable alcohol misuse and use of controlled substances. The County will designate additional training topics.

2.9 To provide educational materials that shall be printed pamphlets covering the topics of Substance Abuse and Drug Testing.

3.0 Both parties to this Contract are independent contractors, and nothing contained herein shall be construed to place the parties in the relationship of partners, joint venturer, principal-agent or employer-employee, and neither party shall have the power to bind the other whatsoever beyond the terms of this Contract.

3.1 This Contract shall be for three (3) years, unless terminated in accordance with the Special Terms and Conditions.

3.1 If during the term of this Contract there is a significant change in the requirements as a result of regulatory or statutory changes, both parties agree to renegotiate the services and fees provided herein.

3.2 The parties hereto agree the terms hereof are to be construed according to Florida law and that venue for any action arising hereunder shall be appropriate in Escambia County, Florida, where the services provided for herein shall be deemed to be rendered.

3.3 Pursuant to the requirements of Florida Law and Article II of Chapter 46 of the Code of Ordinances of Escambia County, the County's performance and obligations to fund this Contract shall be contingent on an annual appropriation by Escambia County Board of County Commissioners.

3.4 The Provider agrees to invoice the County for services provided under this Contract on a monthly basis.

3.5 The Provider shall submit an electronic copy of its monthly invoice to the County on or before the 25th day of each month for work performed during the previous month. The invoice shall be itemized and on a form approved by the Clerk of the Circuit Court's Finance Office.

3.6 That the County shall, within thirty (30) days after approval of the invoice, pay the Provider the amounts approved.

3.7 That the Provider acknowledges that this Contract and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. In the event the Provider fails to abide by the provisions of Chapter 119, Florida Statues, the County may, without prejudice to any right or remedy and after giving the Provider and its surety, if any, seven (7) days written notice, during which period the provider still fails to allow access to such documents, terminate the employment of the Provider, in such case, the Provider shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owning the Provider (excluding monies owed the Provider for subcontractor work).

3.8 Neither the Provider nor any of its employees, agents, and representatives shall offer or give to an officer, official, or employee of the County, gifts, entertainment, payments, loans, or other gratuities. The Provider acknowledges knowledge of the State of Florida's ethics statutes and to the extent applicable to the Provider, the Provider agrees to abide with such statutes.

3.9 The Provider hereby certifies that it will completely disclose to the County all facts bearing upon any possible conflicts, direct or indirect, with its performance which it believes that any officer, employee or agent of the Provider now has or will have. Said disclosure shall be made by the Provider contemporaneously with the execution of this Contract and at any time thereafter that such facts become known to the Provider. The Provider at all times shall perform its obligations under this Contract in a manner consistent with the best interests of the County. Failures to abide by this section shall result in the immediate termination of this Contract.

4.0 All other provisions, which, by their inherent character, sense, and context are intended to survive termination of the Contract, and shall survive the termination of the Contract.

4.1 The invalidity or non-enforceability of any portion or provision of this Contract shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Contract and the balance hereof shall be construed and enforced as if this Contract did not contain such invalid or unenforceable portion or provision.

4.2 The Provider shall keep fully informed regarding and shall fully and timely comply with all current laws and future laws that may affect those engaged or employed in the performance of this Contract. Without limiting the generality of the foregoing, the Provider shall observe all rules and regulations, of federal, state, and local officials relating to the subject matter of this Contract.

4.3 The failure of the Provider or the County to insist upon the strict performance of the terms, and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Contract.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(a), FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(print name of the public entity)

by_____
(print individual's name and title)

for_____
(print name of entity submitting sworn statement)

whose business address is

_____

_____

and (if applicable) its Federal Employer Identification Number (FEIN) is:

_____

(If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision or any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

   a. A predecessor or successor of a person convicted of a public entity crime; or
   b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **(indicate which statement applies.)**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(attach a copy of the final order)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THOROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgment is from the lowest and most responsible and responsive offeror(s).

Instructions to Offerors

1. **General Information**

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed to 213 Palafox Place, Room 11.101, Pensacola, Florida 32502 or delivered to the Office of Purchasing, 2nd floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, Florida 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.020, "Drug, Alcohol and Nicotine Testing Services", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service; Federal Express, Airborne, UPS, etc., you must mark airbill and envelope or box with Specification Number and Project Name.

Regardless of the method of delivery, each offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the offeror(s).

The following policy will apply to all methods of source selection:

Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the purchasing manager.

Definitions

Blackout period means the period between the time the bids/proposals for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise canceled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

Sanctions

The Board may impose any one or more of the following sanctions on a nonemployee for violations of the policy set forth herein:

(a) Rejection/disqualification of submittal
(b) Termination of contracts; or
(c) Suspension or debarment as provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

Escambia County, FL is seeking a qualified company to provide drug, alcohol and nicotine testing on current and prospective employees of Escambia County.

2. **Procurement Questions**

Questions may be directed Paul Nobles CPPO, CPPB, FCN, FCCM, Purchasing Manager. Phone: (850) 595-4918, e-mail: prnobles@myescambia.com. Last day for questions 5:00 p.m. CDT, January 30, 2019.

3. **Bid**

This Solicitation contains a Solicitation and Offer Form which shall be submitted in a sealed envelope, in duplicate with Original signatures in indelible ink signed in the proper spaces. Responses on vendor forms will not be accepted.

The Offerors Checklist included in this solicitation provides instructions to the offeror on the documentation to be submitted during the procurement process.

4. **Payment**

Partial payments in the full amount for the value of items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents if required. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

5. **Compliance with Governing Laws and Regulations**

The offeror or contractor will be required to fully comply with all applicable federal, state, and local regulations. The offeror should carefully review these requirements which are detailed in this solicitation.

6. **Contract Term/Renewal/Termination**

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of thirty-six (36) months. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an "as needed" basis.

C. The contract may be canceled by the awarded vendor, for good cause, upon ninety (90) days prior written notice.

D. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

E. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

7. **Interim Extension of Performance**

After all options have been exercised, and it is determined that interim performance is required to allow for the solicitation and award of a new contract, the County may unilaterally extend the contract for a maximum period of six months. Pricing, delivery and all other terms and conditions of the contract shall apply during this period.

8. **Pricing**

All items sold to the county as a result of this award are subject to post sale audit adjustment. In the event an audit indicates offeror has not honored quoted price lists and discounts, offeror will be liable for any and all overage charges.

9. **Price Adjustment**

The contract resulting from this Solicitation may include provisions for two (2) price adjustments. Written request for price adjustment may be made every twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract and approved by the Board of County Commissioners.

10. **Changes - Service Contracts**

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

A. Description of services to be performed.

B. Time of performance (i.e., hours of the day, days of the week, etc.).

C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the office of purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

11. **Ordering**

The County will issue release (purchase) orders against the contract on an as needed basis for the supplies or services listed on the bid form.

12. **Qualification of Offerors**

This solicitation shall be awarded to a responsible, responsive offeror, qualified by experience to provide the work specified. The offeror shall submit the following information with his offer:

5. List previous contracts of similar work with contact person, name of company and telephone number.

6. List of facilities available to do the work.

7. List Medical Review Officer (Must be licensed doctor of medicine).

8. Substance Abuse Professional Administration Certification or similar type certification.

Failure to submit the above requested information may be cause for rejection of your offer.

13. **Licenses, Certifications, Registrations**

The offeror shall at any time of bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the bid submission; and, the offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

14. **Term of Offer**

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the county within ninety (90) days from the solicitation opening date, the offeror may withdraw his offer or provide a written extension of his offer.

15. **Award**

Award shall be made on an "all-or-none total" basis.

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown in the scope of work. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

16. **Termination (Public Records Request)**

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the county may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,
during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the county may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

17. **Quantity**

Number of times the service is required will vary during the term of this contract. The service will be requested by Escambia County on an "as needed" basis.

Insurance Requirements

18. **Standard Insurance Requirements and Certificates**

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a

minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for workers compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the county, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

Workers Compensation Coverage
The contractor shall purchase and maintain workers compensation insurance for all workers compensation obligations imposed by state law and with employers liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

General, Automobile and Excess or Umbrella Liability Coverage
The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying

policies (including employers liability required in the workers compensation coverage section) and the total amount of coverage required.

General Liability Coverage - Occurrence Form Required
Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

Business Auto Liability Coverage
Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, nonowned and hired automobiles and employee nonownership use.

Excess or Umbrella Liability Coverage
Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

Professional Liability Coverage
The contractor shall purchase and maintain professional liability or malpractice or errors or omissions insurance with minimum limits of $1,000,000 per occurrence. If a claims made form of coverage is provided, the retroactive date of coverage shall be no later than the inception date of claims made coverage, unless the prior policy was extended indefinitely to cover prior acts.

Evidence/Certificates of Insurance
Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability policy.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

Escambia County
Attention: Paul Nobles CPPO, CPPB, FCN, FCPM, FCCM, Purchasing Manager
Office of Purchasing, Room 11.101
P.O. Box 1591
Pensacola, FL 32591-1591
Fax (850) 595-4805

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the county, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

19. **Indemnification**

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of
the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

RECOMMENDATION:

Recommendation Concerning Group Medicare Advantage Agreement - Jana Still, Human Resources Department Director

That the Board authorize the County Administrator to sign the Blue Medicare Group Master Agreement with Blue Cross Blue Shield of Florida, Inc., d/b/a Florida Blue and the Escambia County Board of County Commissioners for Escambia County's Group Medical Insurance.

[Funding Source: 501, Internal Service Fund, Cost Center 150108 Object Code 54501]

BACKGROUND:

On an annual basis, the County offers a Medicare Group Medicare Advantage Plan for retirees to enroll. The Advantage Plan offers the retirees the capability to use a group plan platform with Medicare options and does not affect our group's overall claims history. This plan offers a Medical Plan with Rx coverage and Rx coverage only. The Blue Medicare Group Master Agreement is Centers for Medicare and Medicaid Services (CMS) compliant and sets the premiums for 2020. Retirees pay the full premiums. This year, the Advantage Plan premium went down from $347.95 to $344.52, and the Rx2 only plan went from $181.14 to $192.63. The premiums are determined by CMS (Medicare) and it is based on the plan's experience.

BUDGETARY IMPACT:

[Funds are available in Fund 501, Internal Service Fund, Cost Center 150108, Object Code 54501]
Premiums are paid strictly by retirees.

LEGAL CONSIDERATIONS/SIGN-OFF:

This is in accordance with Florida Statutes 112.09 and 112.0801. The County Attorney's Office has reviewed the Blue
Medicare Group Master Agreement and deemed it legally sufficient.

Blue Medicare Master Agreement

BLUEMEDICARE GROUP MASTER AGREEMENT

SECTION 1: INTRODUCTION

This BlueMedicare Group Master Agreement (this "Agreement") describes the rights and obligations which you and Blue Cross and Blue Shield of Florida, Inc. ("Florida Blue") have with respect to the group Medicare Advantage, Medicare Advantage Prescription Drug Plan, and/or standalone Medicare Prescription Drug Plan (hereinafter, "Medicare Plan(s)") coverage to be provided by us to your Covered Retirees and Covered Dependents.

References to "we", "us", "our," and Florida Blue throughout this Agreement refer to Blue Cross and Blue Shield of Florida, Inc. In exchange for your payment of the Premium, we agree to provide the coverage and/or benefits specified in the Evidence of Coverage for the Medicare Plan(s) ("Evidence of Coverage"), a copy of which is attached to this Agreement. The coverage to be provided by us under the Group Plan which you have established is described in the Evidence of Coverage.

SECTION 2: DEFINITIONS

Certain terms defined in the Agreement are also used and defined (for the convenience of Covered Persons) in the Evidence of Coverage. If a word or phrase starts with a capital letter, it is either the first word in a sentence, a proper name, a title, or a defined term. The following defined terms apply to this Agreement:

Anniversary Date means the date one year after the Effective Date of coverage and subsequent annual anniversaries or such other date as mutually agreed to in writing by the parties.

Appeal means a request submitted by or on behalf of a Covered Person for a review of our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs.

CMS means the Centers for Medicare and Medicaid Services.

CMS Requirements means the provisions of Parts C and D of Title XVIII of the Social Security Act, CMS Medicare Part C and D regulations at 42 C.F.R. Parts 422 and 423, the CMS Managed Care and Prescription Drug Benefit Manuals, other CMS instructions and guidance and the provisions of Florida Blue's contracts with CMS to offer the Medicare Plans.

Covered Dependent means an Eligible Dependent who continues to meet all applicable eligibility requirements described in the Evidence of Coverage and who is enrolled, and actually covered, under the Agreement other than as a Covered Retiree.

Covered Person means a Covered Retiree or a Covered Dependent.

Covered Retiree means an Eligible Retiree, who continues to meet all applicable eligibility requirements described in the Evidence of Coverage and who is enrolled, and actually covered, under the Agreement other than as a Covered Dependent.

Effective Date for the Group means 12:01 a.m. on the date specified on the last page of this Agreement and for Covered Persons means 12:01 a.m. on the date coverage will begin as specified in the Evidence of Coverage.

Eligible Dependent means an individual who meets and continues to meet all of the eligibility requirements described in the Evidence of Coverage.

Eligible Retiree means an individual who meets and continues to meet all of the eligibility requirements set forth in the Evidence of Coverage and is eligible to enroll as a Covered Retiree. An Eligible Retiree is not a Covered Retiree until actually enrolled and accepted for coverage as a Covered Retiree by us.

Enrollment Forms means those forms, electronic or paper, which are approved by us and used to maintain accurate enrollment files under the Agreement.

Grace Period means the sixty (60) calendar day period beginning on the date the Premium is due.

Grievance means a type of complaint submitted by a Covered Person (or other person eligible under CMS Requirements to submit a Grievance) about us or one of our network providers or pharmacies, including a complaint concerning the quality of care. This type of complaint does not involve coverage or payment disputes.

Group means the employer, labor union, association, partnership, corporation, department, other organization or entity through which coverage and benefits are issued by us.

Note: References to "you" or "your" throughout the first part of this Agreement also refer to the Group. References to “you” or “your” in the Evidence of Coverage refer to Eligible Retirees, Eligible Dependents, Covered Retirees and/or Covered Dependents depending on the context and intent of the specific provision.

Group Master Agreement or Agreement means the written document which is evidence of the entire agreement between the Group and Florida Blue whereby coverage and benefits are provided to Covered Persons.

Late Enrollment Penalty (“LEP”) means an amount added to the Part D Premium of an individual who did not have Part D coverage or other creditable prescription drug plan when the individual first became eligible for Part D or who had a break in Part D or other creditable prescription drug coverage for at least 63 days.

Low Income Subsidy (“LIS”) means the premium subsidy amount paid to us by CMS for qualifying Covered Persons with Medicare Part D coverage.

Medicare Plan means the group Medicare Advantage Plan, Medicare Advantage Prescription Drug Plan, and/or standalone Medicare Prescription Drug Plan that you select.

Premium means the amount required to be paid by the Group to us for coverage under this Agreement.

Service Area means a geographic area where a Medicare Plan accepts members.

SECTION 3: ELIGIBILITY, ENROLLMENT, AND DISENROLLMENT

A. Eligibility Determination

Determination of whether an individual is an Eligible Retiree or Eligible Dependent will be a two-step process:

1. You will determine whether the individual is eligible to participate in the retiree group health benefit plan that you sponsor. For individuals meeting your eligibility criteria, you will promptly forward completed applications to us. You are responsible for complying with all applicable laws and regulations, including but not limited to the Employee Retirement Income Security Act (ERISA) and the Internal Revenue Code, in making this eligibility determination. You must also comply with all eligibility guidelines included in the benefit administrative guide and Evidence of Coverage.

2. After receiving a complete application, we will process the application in accordance with CMS Requirements. An application must be approved by us and accepted by CMS for an individual to be enrolled in a Medicare Plan.

B. Distribution of Enrollment Materials

You may only distribute materials describing the Medicare Plan that we have provided to you or that we have approved in writing. You will distribute any pre-enrollment materials that we provide to you to each potential enrollee before collecting enrollment applications. Nothing in this Section will preclude you from making additional disclosures about your group health benefit plan as applicable to comply with ERISA, such as a wrap-around summary plan description or other plan document. If applicable, you are solely responsible for compliance with ERISA disclosure requirements in connection with the Medicare Plan(s).

C. Group Disenrollment

If you decide to disenroll all Covered Persons from a Medicare Plan, you must:

1. Notify all beneficiaries that you intend to disenroll them from the Medicare Plan. You will provide this notice at least twenty one (21) calendar days before the disenrollment. This notice will explain how to contact Medicare for information about other plan options that may be available. You will include language provided by Florida Blue in this notice to meet specific CMS Requirements for notice contents.

2. Provide us with all information necessary to submit a complete disenrollment request transaction to CMS in accordance with CMS Requirements.

3. In the event of termination of this Agreement, provide advanced notice in accordance with Section 4 of this Agreement.

D. Individual Covered Person Disenrollment

Covered Persons may be disenrolled from a Medicare Plan by Florida Blue if they become ineligible for continued enrollment. Covered Persons may also be disenrolled if this Agreement terminates or if you

inform us that they are no longer eligible to participate in your retiree group health plan. If Florida Blue determines that a Covered Person is ineligible for continued enrollment or if you instruct us to disenroll an individual, you must:

1. Provide us with at least thirty (30) calendar days advanced notice of the ineligibility or disenrollment election of an individual; and

2. Provide the Covered Person(s) who will be disenrolled with at least twenty one (21) calendar days advanced notice of the termination and of other insurance options that are available to them. You will include language provided by Florida Blue in this notice to meet specific CMS Requirements for notice contents.

The Covered Person will have the opportunity to elect another plan offered by us or by you, join Original Medicare, or join another carrier's Medicare Plan (by submitting an enrollment request to that organization).

SECTION 4: TERM AND TERMINATION

A. Term of Agreement and Renewal Process

This Agreement shall become effective as of the Effective Date provided: (1) that we accept your Group Application; and (2) that you pay the required initial Premium specified by us.

This Agreement shall continue in effect until the first Anniversary Date following the Effective Date unless terminated earlier as permitted by its terms. After the initial term, this Agreement shall automatically renew each succeeding year on the Anniversary Date for an additional one-year period unless:

1. At least sixty (60) calendar days prior to such Anniversary Date, you notify us that you do not want the Agreement to automatically renew; or

2. It is terminated as permitted by its terms.

At least ninety (90) calendar days before each Anniversary Date, we will provide you with notice of changes in Premium and benefits under the Medicare Plan for the upcoming year (the "Renewal Notice").

If this Agreement renews as specified above, all of its terms and provisions (including the Premium due) shall be amended to include the terms of the Renewal Notice, and the amended Agreement shall govern coverage as of the Anniversary Date. Payment of the new charges shall constitute acceptance of the change in Premium rates. This Agreement is conditionally renewable. This means that it automatically renews each year on your Anniversary Date unless terminated earlier in accordance with its terms.

B. Termination by Group

The Group may cancel this Agreement on its Anniversary Date by giving written notice to us at least sixty (60) calendar days in advance, unless we have initiated a termination for any of the reasons stated below.

C. Termination by Florida Blue

We may terminate this Agreement or refuse to renew for the following reasons:

1. **Failure to Pay Premiums**. You do not pay Premiums in accordance with its terms or we have not received timely Premium payments prior to the end of the Grace Period. Termination of this Agreement for failure to pay premiums shall be effective as of the end of the Grace Period. In the event of such termination, you are obligated to pay the following:

    a. Any portion of the Premium due for coverage provided by us prior to termination; and

    b. Any amounts otherwise due us.

2. **Fraud or Intentional Misrepresentation of Material Fact.** You perform an act, or engage in any practice, that constitutes fraud or make an intentional misrepresentation of material fact.

3. **Group Contribution and Participation and CMS Rules.** You do not comply with: (1) a material provision which relates to rules for Group contributions or Covered Person participation; or (2) any provision in this Agreement which relates to LIS or other CMS Requirements.

4. **Service Area**. There is no longer any Covered Person who lives, resides, or works in the Service Area.

5. **Termination or Non-renewal of the CMS Contract**. We will provide you with at least ninety (90) calendar days' notice upon termination or non-renewal of our contract with CMS.

Except as specifically provided in this Subsection 4.C, if we decide to terminate or not renew the Agreement based on one or more of the circumstances mentioned above, we will give you at least forty-five (45) calendar days advance written notice.

D. Notification of Termination to Covered Retirees

It is your obligation to immediately notify each Covered Person of any such termination of this Agreement for any reason, consistent with the requirements of Section 3 of this Agreement.

E. Representations Made By, and Obligations of, the Group

In agreeing to provide coverage in accordance with the terms of this Agreement, we rely on the representations you made when you applied for coverage with us and your representation that you have authority to act on behalf of all Covered Persons with respect to this Agreement. Consequently, every act by, agreement with, or notice given to, you will be binding on all Covered Persons. You agree that you shall offer to all Eligible Retirees the opportunity to become a Covered Person under this Agreement. You agree that, if requested by us, you will distribute the Evidence of Coverage and other coverage materials to Covered Persons.

SECTION 5: PAYMENT PROVISIONS

A. Monthly Invoice

We will prepare a monthly invoice of the Premium due on or before the due date. This monthly invoice will also reflect any prorated charges and credits resulting from changes in the number of Covered Persons and changes in the types of coverage that took place in the previous or current month.

If you become aware that a Covered Person will become ineligible, you must provide us with written notice of such ineligibility as described in Section 3 of this Agreement. You shall be liable to us for the Premium due for each individual enrolled in a Medicare Plan under this Agreement until the effective date of disenrollment, which is set by CMS Requirements.

You must pay the total amount of the invoice. Do not add names to an invoice, change coverage or pay for a retiree or dependent whose name does not appear on the invoice. No changes can be made to a Group invoice unless a signed application form is on file and submitted to Florida Blue. Payment shall be for the total amount of the Group invoice.

B. Payment Due Date

The first Premium payment is due before the Effective Date of the Agreement. Each following payment is due monthly unless you agree with us in writing on some other method and/or frequency of payment. The Premium is due and payable on or before the first day of each succeeding calendar month to which such payments apply.

C. Grace Period

This Agreement has a sixty (60) calendar day Premium payment Grace Period, which begins on the date the Premium payment is due. If we do not receive the required Premium payment on or before the date it is due, it may be paid during this Grace Period. Coverage will stay in force during the Grace Period. If Premium payments are not received by the end of the Grace Period, we will terminate this Agreement and proceed with the disenrollment of Covered Persons as described in Section 3 of this Agreement.

D. Changes in Premium

Premium rates may be changed on your Anniversary Date as described in Section 4.A above regarding renewal.

E. Other Rules Regarding the Payment of Premiums

1. CMS rules govern the effective date of any disenrollment of a Covered Person under this Agreement, and we are not required to retroactively terminate this Agreement or coverage for any Covered Person.

2. If full payment of the Premium is not paid when due, this Agreement may be terminated as described in Section 4 of this Agreement.

F. Premium Subsidization

You may subsidize Premium amounts charged to Eligible Retirees. You are responsible for compliance with all applicable laws and regulations relating to your subsidy of Premiums, including ERISA and CMS Requirements, as applicable. You acknowledge and agree that Premium subsidization may vary for different classes of Eligible Retirees only if such classes are reasonable and based on objective business criteria. You represent and warrant that you will not vary Premium subsidization based on any Covered Person's eligibility for LIS. Further, you will not vary Premium subsidization for individuals within a given class of Eligible Retirees. In no case will you charge an Eligible Retiree more than the sum of the monthly Premium that we charge you for the Medicare Plan benefits.

G. Low Income Subsidy

You will comply with the following requirements in connection with LIS:

1. You are required to pass through any LIS payments received from CMS to reduce the Premium amount that the Covered Retiree pays. You will first apply any LIS amounts to a Covered Person's share of Premium. You may not benefit from any LIS amount until the Premium for a Covered Person (including amounts for the non-drug benefits in a combined Medicare Advantage Prescription Drug Plan) paid by a Covered Retiree is reduced to zero ($0.00).

2. You are responsible for reducing up-front Premium contributions that you collect from Covered Retirees for any Covered Persons eligible for LIS. In limited situations where you are unable to reduce the up-front Premium contribution (*e.g.* if LIS is awarded retroactively), you will directly refund the LIS amount to the Eligible Retiree within fifteen (15) calendar days of the date you receive the LIS amount from Florida Blue.

H. Late Enrollment Penalty (LEP)

The Premium for an individual Covered Person may be higher if the Covered Person is assessed an LEP for not enrolling in Part B in a timely manner. This higher Premium will be reflected on the bill you receive from us.

I. Premium Billing

You will be responsible for the payment of the "Total Monthly Premium per Covered Retiree" of all Group members. The Total Monthly Premium may be less for Covered Persons who qualify for LIS as defined by CMS. You will also be responsible for any LEP charges that Group members have been assessed by CMS. The first Premium charge is payable before the Effective Date of this Agreement. Monthly charges are payable on the first day of each following month during the time this Agreement is in effect.

J. Retroactive Premium Adjustment

The monthly charge will be determined from our records by the number of Covered Retirees who have been confirmed through the CMS enrollment transaction process. Retroactive adjustments will be made for additions and terminations of Covered Retirees and for Covered Retirees who have been confirmed through the CMS enrollment transaction process after the initial billing statement. Any refund that is owed to a Covered Retiree must come from the Group, unless the Covered Retiree is billed directly by us. Florida Blue will only adjust the amount due of a Group and will not refund Premium(s) paid to a Covered Retiree, unless we mutually agree that a Covered Retiree is to be directly billed by Florida Blue. You must refund to Covered Retirees any amounts received from us that are due to Covered Retirees in a timely manner.

SECTION 6: HOST BLUE PLANS

A. Out-of-Area Services – Medicare Advantage

We have relationships with other Blue Cross and/or Blue Shield Licensees ("Host Blues") referred to generally as the "Inter-Plan Medicare Advantage Program." This Program operates under rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). When members access

healthcare services outside the geographic area we serve, the claim for those services will be processed through the Inter-Plan Medicare Advantage Program. The Inter-Plan Medicare Advantage Program available to members under this agreement is described generally below.

B. Member Liability Calculation

When you receive Covered Services outside of our service area from a Medicare Advantage PPO network provider, the cost of the service, on which member liability (copayment/coinsurance) is based, will be either:

- The Medicare allowable amount for covered services; or
- The amount either we negotiate with the provider or the Host Blue negotiates with its provider on behalf of our members, if applicable. The amount negotiated may be either higher than, lower than, or equal to the Medicare allowable amount.

C. Nonparticipating Healthcare Providers Outside Our Service Area

When Covered Services are provided outside of our service area by nonparticipating healthcare providers, the amount(s) a member pays for such services will be based on either the payment arrangements, described above, for Medicare Advantage PPO network providers, Medicare's limiting charge where applicable or the provider's billed charge. In these situations, the member may be responsible for the difference between the amount that the nonparticipating healthcare provider bills and the payment we will make for the covered services as set forth in this paragraph. Payments for out-of-network emergency services will be governed by applicable federal and state law.

SECTION 7: GENERAL PROVISIONS

A. Administration and Record Retention

You must provide us with any information we need to administer the coverage and/or benefits to be provided or needed to compute the Premium due. While this coverage is in force, we have the right, at any reasonable time, to examine your records on any issues necessary to verify information provided by you. You must retain all records relating to this Agreement, including but not limited to those relating to LIS administration, for the current calendar year plus an additional ten (10) years.

B. Assignment and Delegation

You may not assign, delegate or otherwise transfer this Agreement and the obligations hereunder without our written consent. Any assignment, delegation, or transfer made in violation of this provision shall be void. We may assign, delegate, or otherwise transfer this Agreement to our successor in interest or an affiliated entity without your consent at any time.

C. Authorization

Where this Agreement requires that an act involving the administration of coverage and/or benefits be authorized or approved by us, such authorization or approval shall be considered given when provided in writing by a duly authorized officer of Florida Blue or his or her designee.

D. Evidence of Coverage

We will provide an Evidence of Coverage and ID Card for each Covered Retiree. The Evidence of Coverage will describe the coverage and benefits to be provided to Covered Persons by us.

You agree that, if requested by us, you will distribute the Evidence of Coverage (and any Endorsements to it) and other coverage materials to Covered Persons.

E. Grievance and Appeals Process

We have established and will maintain a process for hearing and resolving Grievances and Appeals raised by Covered Persons in accordance with CMS requirements. Details regarding this process are provided in the Evidence of Coverage.

F. Changes to the Agreement

Florida Blue may make any changes to this Agreement that are necessary to meet CMS Requirements ("CMS Mandated Amendments") with sixty (60) calendar days advanced written notice to you. Such changes shall become effective as amendments to this Agreement upon expiration of this sixty (60) calendar day notice period.

Except in the case of (a) CMS Mandated Amendments or (b) Renewal Notices as described in Section 4.A., no person may change, modify, or revise the written terms or provisions of this Agreement unless such change is made by a written amendment signed by one of our duly authorized officers. For example, no Eligible Retiree or agent of Florida Blue or the Group can change or waive the written terms or provisions of this Agreement except as stated in the first sentence of this paragraph.

G. Furnishing and Maintaining Enrollment Records

You must provide any information required by us for the purpose of creating and maintaining enrollment records, processing terminations, and recording changes in family status. In addition, you and each Eligible Retiree must submit accurate and complete Enrollment Forms on a timely basis. You are responsible for collecting the Enrollment Forms, reviewing them for accuracy and completeness, and forwarding them to us, along with the applicable Premium payment. All enrollment record information which is relevant to the eligibility or coverage status of any individual must be made available to us for inspection and copying upon request.

H. Errors or Delays

Clerical errors or delays by us in maintaining enrollment records regarding Covered Persons will not invalidate coverage which would otherwise be validly in force or continue coverage which would otherwise be validly terminated, provided you have furnished us with timely and accurate enrollment information. Errors or delays by you in furnishing accurate enrollment information to us will not affect our right to strictly enforce any and all eligibility requirements.

I. Entire Agreement

This Agreement sets forth the exclusive and entire understanding and agreement between the parties and shall be binding upon the Covered Persons, the parties, and any of their subsidiaries, affiliates, successors,

heirs, and permitted assigns. All prior negotiations, agreements, and understandings are superseded hereby. No oral statements, representations, or understanding by any person can change, alter, delete, add or otherwise modify the express written terms of this Agreement, which includes the terms of coverage and/or benefits set forth in the Evidence of Coverage, the Schedule of Benefits, and any other attachments, amendments or riders.

J. Financial Responsibilities of the Group

We reserve the right to recover any benefit payments made to or on behalf of any individual whose coverage has been terminated. Our recovery efforts may relate to benefit payments made for health care services rendered subsequent to the Covered Person's termination date and prior to the date notice of coverage termination is required to be made by you. Your cooperation with and support such recovery efforts is required.

In the event that you do not comply with the notice requirements set forth in Subsection 5.A (Monthly Invoice), you shall be solely liable to us for Premium due until the effective date established by CMS for a Covered Person’s disenrollment.

K. Indemnification

You shall hold harmless and indemnify Florida Blue, against all claims, demands, liabilities, or expenses (including reasonable attorney fees and court costs), which are related to, arise out of, or are in connection with any of your acts or omissions, or acts or omissions of any of your employees, retirees or agents, in the performance of your obligations under this Agreement. We are not your agent, nor are you our agent, for any purpose. This paragraph shall only apply to the extent allowed under Florida Statutes § 768.28.

L. Representations on the Group Application and the Enrollment Forms

We rely on the information you and your Eligible Retirees provide to determine whether to issue coverage; the appropriate Premium and financing method; and eligibility for coverage. All such information must be accurate, truthful, and complete. Statements made on the Enrollment Forms are representations and not warranties.

We may cancel, terminate, or void this Agreement if the information which you provide is fraudulent, or if you make an intentional misrepresentation.

M. Reservation of Right to Contract

We reserve the right to contract with any individuals, corporations, associations, partnerships, or other entities for assistance with the servicing of coverage and benefits to be provided by us or obligations due, under this Agreement.

N. Service Mark

You, on behalf of the Group and its Covered Retirees, hereby expressly acknowledge your understanding that this Agreement constitutes a contract solely between you and Florida Blue. We are an independent corporation operating under a license with the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans, (the "Association") permitting us to use the Blue Cross and Blue Shield Service Mark in the state of Florida and that we are not contracting as the agent of the

Association. You further acknowledge and agree that you have not entered into this contract based upon representations by any person other than us and that no person, entity, or organization other than us shall be held accountable or liable to you for any of our obligations created under this Agreement. This paragraph shall not create any additional obligations whatsoever on our part other than those obligations created under other provisions of this Agreement.

O. Third Party Beneficiary

This Agreement was entered into solely and specifically for the benefit of Florida Blue and the Group. The terms and provisions of the Agreement shall be binding solely upon, and inure solely to the benefit of, Florida Blue and the Group, and no other person shall have any rights, interest or claims under this Agreement, including the Evidence of Coverage, or be entitled to sue for a breach thereof as a third-party beneficiary or otherwise. Florida Blue and the Group hereby specifically express their intent that health care providers that have not entered into contracts with Florida Blue to participate in Florida Blue's provider networks shall not be third-party beneficiaries under this Agreement, including the Evidence of Coverage.

P. Inspection and Audit

You shall permit CMS, The U.S. Department of Health and Human Services, the Comptroller General, or their designees, to inspect, evaluate, and audit any of your books, contracts, medical records, patient care documentation, documents, papers, and other records pertaining to coverage by providing records to Florida Blue, which will submit the records to CMS. This right to inspect, evaluate, and audit shall extend ten (10) years from the expiration or termination of the Agreement or completion of final audit, whichever is later, unless otherwise required by applicable law.

Q. Benefit Administrator Guide

We will provide you with a Benefit Administrator Guide, which provides details related to how your plan is administered and your responsibilities as a benefit administrator.

R. Member Communications and Campaigns

We may send CMS required or Florida Blue member communications without your consent. Samples of all required materials are available upon request for informational purposes.

We may also contact Covered Persons by telephone regarding any Florida Blue campaign and any campaign approved by the Florida Office of Insurance Regulation and/or CMS, as applicable. We will notify you of the campaign prior to making contact with members.

S. COBRA

You are solely responsible for determining when individuals are eligible for coverage under a Medicare Plan pursuant to the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). You will notify us promptly of any COBRA elections. For more information on your COBRA responsibilities refer to the Benefit Administrator Guide.

BACKGROUND:

The Board approved Animal Services to piggyback on Contracts available from Virginia Tech through their Veterinary School at the BCC Regular Meeting on 08/01/2019. The Virginia Tech Contract # UCP-TG-025-09, Henry Schien Animal Health, is the Contract this PO will piggyback on. Henry Schien Animal Health is now Butler Animal Health and Holding CO., LLC, d/b/a Covetrus North America. It was our intent to open the PO for $150,000 for the new 2020/2021 budget year but did not meet the deadline. We opened the PO for the amount of $24,900, to ensure the ability to continue placing and receiving weekly orders for supplies as soon as the new budget year began. Approval of this Change Order will allow Animal Services to obtain necessary veterinary and animal care supplies for the remainder of this fiscal year.

30th ANNUAL FREEDOM FUND VIRTUAL BANQUET
November 7, 2020

Date: September 9, 2020

Jeff Bergosh
[redacted]

Dear Jeff Bergosh

As COVID-19 continues to spread, the future has never felt so unpredictable. These are challenging times for us all, and we hope you're in good spirits and health! Right now, we're doing everything possible to sustain daily operations and provide services to our community. While there's a lot of uncertainty, we know that we need to adapt fast to our changing reality. Now, more than ever, our community needs us. And we need you.

The Local Pensacola Branch of the NAACP will host its ***Annual Freedom Fund Virtual Banquet*** on November 7, 2020. We are celebrating one hundred and one years of community service. Although, we are unable to have an in person celebration due to the COVID-19 Pandemic. We will be awarding scholarships to well-deserving high school graduates starting their college careers. To date, our local branch has awarded over $100,000 in student scholarships. Your generous contribution will also provide essential operational support to our local Pensacola branch to ensure continued advocacy and equal rights of all persons as well as curtail race-based discrimination in our community. However, we cannot conquer this effectively without your much needed support.

That is why we are reaching out to you for your generous donation and partnership; as we are more optimistic to have greater success for this endeavor. Currently, we have over 300 Members throughout Escambia and Santa Rosa Counties dedicated to making sure that our community and nation achieve their greatest potential with education being our top priority in reaching our goals.

Therefore, we believe that you will be happy to be a part of advancing human and civil rights for this annual celebratory event. Please stand with us by becoming a sponsor\donor of this year's Annual Freedom Fund Virtual Banquet by advertising in our program booklet. When making your contribution, please make checks payable to: ***NAACP Pensacola Branch #5124.***

Thank you in advance for your support and know that your gift will make a tremendous difference.

Sincerely,

Vin Durant

Commissioner Robert Bender

Dear County Commissioner Lumon May:

I would like to reintroduce you to Northwest Florida Community Outreach, Inc. (NWFCO). We are a growing non-profit organization with 501c3 status that has impacted Escambia county residences since 2002. The staff is comprised of 6 individuals who volunteer their time to make sure NWFCO operates to the best of its ability. But, we could not do the work we do without the more than 30 community volunteers that work diligently with us.

As we reflect over our mission and efforts to serve seniors, youth and all those who have experienced hardship we realize we are here to stay as a resource for our community. Our food pantry, *Harvest of Hope* has helped to address food shortage for many citizens in District 1, 2, 3 and 4 by distributing hundreds of thousands of pounds of food over the years. We have sponsored more than 300 students with school supplies and summer snack packs. We have also coordinated with other community programs to educate and mentor students through back to school workshops with the intent to counter antisocial behaviors and improve social skills. We are now conducting a pilot program that will specifically assist our senior neighbors who are faced with various challenges.

Our efforts have been mainly focused on the Pensacola, Fl. area. However, we are working to answer the call to help the citizens in northern Escambia County. We have

recently put a footprint in District 5 by partnering with the Town of Century. Our newest office space is located at 130 E. Pond Street, Century, FL 32535. We have already made a significant impact by distributing over 60,000 pounds of food through our Harvest of Hope Food Program since May of 2020. We have also found an ally in Mayor Henry Hawkins who shares our concerns for senior citizens and youth in the northern part of Escambia County.

Commissioner May, with your financial support we can continue to benefit the citizens of District 3 and surrounding districts as we strive to meet some of the basic needs of your constituents. When NWFCO and the Board of County Commissioners partner together, all of Escambia county benefits. Thank you for your consideration and I look forward to hearing from you soon.

Sincerely,

Christeia Salter, MS

To: County Commissioner Bergosh:

Epps Christian Center Ministries is a 501 c3 nonprofit Organization that reaches out to the Hungry, Homeless and Hurting in the community. Throughout the year we provide healthy and nutritious meals to all who come through our doors. We are committed to improving the quality of life and restoring the dignity of those we serve by providing a hot meal to any member of our community in need of one.

We have for the last 14 years partnered with Council on Aging, Meals on Wheels, and the Englewood Community to provide a wholesome Thanksgiving Meal for the Community. This is an "Open Table" event where everyone who needs a Home Cooked Meal is welcome. We also provide delivery services to Senior Citizens who cannot get out to get a meal. We anticipate serving over 500 individuals and families during our Thanksgiving event, especially in times like the COVID-19 Pandemic.

We are asking you to be a sponsor for this event. We are asking for a donation of $1,000. Any donation to help on our Annual Thanksgiving Meal will be appreciated.

Your Name or Organization will be promoted for this event through our Newsletter, Website, Radio, Print Media and Social Media.

Thank you for your Consideration.

Yours in His Service,

Pastor Sylvia E. Tisdale

Meeting Date: 11/05/2020
Issue: Recommendation Concerning CARES Act Funding Program Agreements
From: Janice Gilley, County Administrator
Organization: County Administrator's Office
CAO Approval:

RECOMMENDATION:

Recommendation Concerning CARES Act Funding Program Agreements - Janice P. Gilley, County Administrator

That the Board be provided an update on the CARES Family Emergency Financial Assistance and Business Assistance grants and take the following action:

A. Authorize the Chairman to sign the CARES Act attestation form certifying and attesting that Escambia County has incurred or encumbered costs amounting to at least 25% of the total Coronavirus Relief Fund allocation; and

B. Authorize the Chairman to sign the updated Feeding the Gulf Coast Amendment to the CARES Act Funding Program Agreement to lower the total funding from $1,100,000 to $650,000, and to increase the per pound cost from $.50 per pound to $.95 per pound due to higher quotes for food than originally anticipated and to continue to include transportation and distribution costs.

Feeding the Gulf Coast anticipates the utilization of $650,000 dollars through Escambia CARES Act funds to fund 684,000 pounds of the total 1.2 – 1.5 million pounds of food provided in the final quarter of the year. The food will be distributed through traditional pantries, mobile distributions, and the Child Nutrition programs. The anticipated current loss for Feeding the Gulf Coast, if the reimbursement rate is not approved at $.95, is over $103,000.

BACKGROUND:

Escambia County has been impacted by the COVID-19 Pandemic. Through the CARES Act, the County has received $14,321,364 from the Florida Division of Emergency Management, which represents 25% of the County's potential allocation of $57,285,296.

After meeting with Feeding the Gulf Coast, they were able to provide the following information, which resulted in lowering total funding to $650,000 and asking for an increased cost per pound to $.95 per pound.

- Since September 1, Feeding the Gulf Coast has worked to expend some residual COVID-19 funding and federal nutrition programs to distribute 687,231 pounds into Escambia County through partner agencies, mobile distributions, and the Child Nutrition programs.
- Pounds distributed since September 1, (241,068) were "chargeable pounds". This means the pounds were not provided through a federal nutrition program or subsidized by any other state/federal funds.
- Feeding the Gulf Coast has covered the cost of these "chargeable pounds" by utilizing multiple resources to help meet the need, including alternative funding sources (Donors, corporate partners, etc.).
- Feeding the Gulf Coast has purchased 295,000 pounds of product to help supplement its inventory to meet the need in Escambia County.
- The program anticipates still meeting the 2.2 million pounds with a mix of "chargeable" and "nonchargeable" product.
- Feeding the Gulf Coast has incurred an average cost of $.85 per pound, this does not include any transportation or distribution costs.
- The distribution cost is estimated to be $.10 per pound.
- The Agency Relations team is placing the product as it arrives.
- CNP/School Pantries at the following locations: Sacred Heart, Boys and Girls Club, Washington High, Oakwood-CDAC, CA Weis. Serving an average of 600 children total (all sites combined), per distribution.

BUDGETARY IMPACT:

The funding source is the CARES Act allocation to Escambia County.

Feeding the Gulf Coast Amendment
Escambia County CARES Attestation

AMENDMENT TO CARES ACT FUNDING PROGRAM AGREEMENT
(Food Purchase & Distribution)

THIS FIRST AMENDMENT TO THE AGREEMENT is made by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as the "County") with administrative offices located at 221 Palafox Place, Pensacola, Florida 32502, and Feeding the Gulf Coast, (hereinafter referred to as "Recipient") with administrative offices at 5709 Industrial Boulevard, Milton, Florida 32583 (each being at times referred to as "Party" or "Parties").

WITNESSETH:

WHEREAS, on August 31, 2020, the Parties previously entered into the *CARES Act Funding Program Agreement* (hereinafter referred to as "CARES Funding Agreement") whereby Recipient agreed to utilize received CARES Act funds to procure and/or distribute food items to organizations serving food insecure individuals in Escambia County; and

WHEREAS, the Parties have agreed to amend certain provisions of the CARES Funding Agreement; and

WHEREAS, the Board of County Commissioners finds it in the best interest of the health, safety, and welfare of the citizens of Escambia County to amend the CARES Funding Agreement as follows.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, and covenants hereinafter set forth, the receipt and sufficiency of which is hereby acknowledged, the County and Recipient agree to amend the CARES Funding Agreement as follows:

1. The foregoing recitals are true and correct and incorporated herein by reference.

2. Section 3 of the CARES Funding Agreement related to *Funding* is amended as follows:

> **Section 3. Funding.** The Recipient agrees to accept as full payment for eligible Services rendered pursuant to this Agreement the actual amount of budgeted, eligible, and approved expenditures and encumbrances made by the Recipient under this Agreement. Said Services shall be performed in a manner satisfactory to the County. In no event shall the total funding or reimbursement to be paid hereunder exceed the maximum and total authorized sum of ~~$1,100,000.00~~ $650,000.00 for the period of the Effective Date through December 30, 2020. Any funds not expended by the expiration date of this Agreement shall automatically revert to the County.
>
> This Agreement and all obligations of County hereunder are subject to and contingent upon receipt of CARES Act funding from the FDEM. Nothing in this Agreement shall obligate the County to provide funding from the County's annual budget and appropriations.
>
> County hereby agrees to pay Recipient for all CARES Act eligible Services outlined in **Attachment A**, including, but not limited to the purchase and/or distribution of up to ~~2,200,000~~ 684,210.53 pounds of food at a cost of ~~$0.50~~ $0.95 per pound.
>
> The Recipient agrees to return to the County any overpayments due to unearned

funds or funds disallowed and any interest attributable to such funds pursuant to the terms of this Agreement that were paid to Recipient by the County. If the County or its independent auditor discovers that an overpayment has been made, Recipient will repay the overpayment within forty (40) calendar days without prior notification from the County. If the County discovers an overpayment has been made, the County will notify Recipient in writing of such a finding. Should repayment not be made in the time specified by the County, Recipient will pay interest of one percent per month compounded on the outstanding balance after 40 calendar days after the date of notification or discovery. The County reserves the right, in its sole and exclusive discretion, to recoup Recipient's unearned funds from any invoice submitted under this Agreement or through collection proceedings.

3. The Parties hereby agree that all other provisions of the CARES Funding Agreement that are not in conflict with the provisions of this Amendment shall remain in full force and effect.

4. The effective date of this Amendment shall be on the date last executed by the Parties.

5. The Agreement and any amendment thereto shall be governed by and construed in accordance with the laws of the State of Florida, and the Parties stipulate that venue for any proceeding relating to any matter which is the subject of this Agreement shall be in Escambia County, Florida.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Amendment to the CARES Funding Agreement on the respective dates under each signature:

I, representative for County of Escambia County and on behalf of the County, hereby certify and attest that the County has incurred or encumbered costs amounting to at least 25% of its total Coronavirus Relief Fund ("CRF") allocation awarded by the State of Florida in Phase I of the FL CARES Local Government Program. I further certify all costs as outlined below are true and accurate. I acknowledge that if such reported costs are found to be untrue, and such costs were either not encumbered by the county, or the amounts provided were inaccurate, the County may be required to reimburse the State of Florida for its initial 25% allocation of its total funding, and may be prohibited from securing further CRF distributions under this program. I further acknowledge the State of Florida's decision to distribute any additional CRF funding to the County is contingent on the truthfulness of the representations provided herein regarding the County's initial 25% allocation.

I hereby represent that this County has incurred or encumbered costs totaling at least its initial 25% CRF allocation. I certify that the costs below have specifically been encumbered:

Fund 119 COST CENTERS	CARES Program	Initial Allocation (25%)
110181	**Family CARES EFA**	$3,500,000.00
110182	**Business CARES EFA**	$2,080,300.00

RECOMMENDATION:

Recommendation Concerning Fiscal Year 2020 Budget Compliance and Fiscal Year 2021 Carryforwards - Amber M. McClure, Chief Budget Officer, Management and Budget Services

That the Board take the following action amending the Fiscal Year 2020 and Fiscal Year 2021 Budgets:

A. Approve the Fiscal Year 2020 Supplemental Budget Amendment #228 to provide for additional budget as required for statutory compliance to not exceed spending authority at the fund level per Florida Statute 129.07; and

B. Approve Fiscal Year 2021 Supplemental Budget Amendment #001 to carryforward unencumbered funds associated with on-going Grants and projects, in the amount of $31,747,990, and encumbered funds associated with Fiscal Year 2020 open Purchase Orders relating to Contracts or equipment purchases, in the amount of $18,854,336.

BACKGROUND:

The Fiscal Year 2020 Supplemental Budget Amendment is required per Florida Statute 129.07 to ensure the County does not exceed its spending authority at the fund level. The Fiscal Year 2021 Supplemental Budget Amendment provides for additional budget for encumbered and unencumbered carryforwards. Encumbered carryforwards (previously referred to as auto re-budgets) are for purchase orders relating to contracts or equipment purchases that were not completed by September 30, 2020. Unencumbered carryforwards (previously referred to as manual re-budgets) relate to grants and projects that were not completed by September 30, 2020.

The Fiscal Year 2021 budget process was adjusted to ensure the carryforward appropriations were minimal compared to prior years. For comparison, Fiscal Year 2020 unencumbered carryforwards totaled $107,255,141 and encumbered carryforwards totaled $90,075,471.86. Fiscal Year 2021 unencumbered and encumbered carryforward amounts are 30% and 21% of prior year totals, respectively.

BUDGETARY IMPACT:

The Fiscal Year 2020 amendment will increase the County Budget by $15,000,000. The Fiscal Year 2021 amendment will increase the County Budget by $50,602,326.

From: Amber McClure, Chief Budget Officer
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Acceptance of the Fiscal Year 2019/2020 Escambia County Expenditure Comparison Summary by Fund Report and Community Partner Reports for the 4th Quarter, which ended September 30, 2020 - Amber M. McClure, Chief Budget Officer, Management and Budget Services

That the Board accept for record the Fiscal Year 2019/2020, Escambia County Expenditure Comparison Summary by Fund Report and Community Partners for the fourth quarter, which ended September 30, 2020.

Previous quarterly financial packages provided the expenditures summary by fund and total by cost center. This financial packet now includes a comparison of revenue over expense as well as revenue summary by fund and total by account. Escambia County ended the year with $14.8 million more in expense than revenue. This is primarily from the construction of the new jail as planned. The County ended the year with expense exceeding revenue by a marginal 3% despite being faced by many challenges including the COVID-19 pandemic beginning in March and Hurricane Sally which made landfall September 16, 2020.

The Board of County Commissioners on September 23, 2019, agreed that all Community Partners receiving funding from Escambia County would be required to provide a goals and metrics scorecard. The Goals and Metrics Scorecard is designed to allow the recipient to provide information stating how the funding received is being used.

BACKGROUND:

On September 23, 2019, at the Board of County Commissioners 2nd Public Hearing, the Board agreed that all Community Partners receiving funding from Escambia County would be required to provide a Goals and Metrics Scorecard and an annual narrative report. The Goals and Metrics Scorecard is designed to allow the recipient to provide information stating how the funding request is being used.

The Escambia County Expenditure Comparison Summary by Fund Report is a listing of all active funds of the County. This listing includes the General Fund, which includes the Constitutional Officers, Special Revenue Funds, Debt Service Fund, Capital Projects Funds, Enterprise Funds and the Internal Service Fund.

Reports for both the Escambia County Expenditure Comparison and the Community Partners Metrics are provided.

STATE OF FLORIDA
COUNTY OF ESCAMBIA

INTERLOCAL AGREEMENT BETWEEN THE ESCAMBIA COUNTY BOARD OF COUNTY COMMISSIONERS AND THE CITY OF PENSACOLA RELATING TO THE FY 2020-2021 FUNDING OF PENSACOLA-ESCAMBIA COUNTY PROMOTION AND DEVELOPMENT COMMISSION.

THIS AGREEMENT is made by and between Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as the "County"), with administrative offices located at 221 Palafox Place, Pensacola, Florida 32502 and the City of Pensacola, a municipal corporation created and existing under the laws of the State of Florida (hereinafter referred to as the "City") with administrative offices at 222 West Main Street, Pensacola, Florida 32502 (each being at times referred to as a "party").

WITNESSETH:

WHEREAS, the County and the City have legal authority to perform general governmental services within their respective jurisdictions; and

WHEREAS, the Board of County Commissioners of Escambia County and the Pensacola City Council are authorized by §163.01, Florida Statutes, to enter into Interlocal agreements and thereby cooperatively utilize their powers and resources in the most efficient manner possible; and

WHEREAS, as the governing bodies of the County and the City, they recognize the leadership roles they play in assisting and guiding the development of the County's local economy and improving its economic base; and

WHEREAS, Chapter 89-481, Laws of Florida, restructured funding responsibilities of local governments to the Pensacola-Escambia County Promotion and Development Commission (hereinafter referred to as "PEDC"); and

WHEREAS, the County and the City are recognized in Chapter 89-481 as the leading governmental bodies supporting economic development in Escambia County, along with the Town of Century and the private sector, through their PEDC membership; and

WHEREAS, PEDC economic development activities are broadly recognized to include business and industry recruitment and retention, tourism promotion and development, and armed services support, which all serve critical public purposes; and

WHEREAS, as a result, Escambia County and the City of Pensacola now jointly find it advantageous and appropriate to contribute their fiscal resources to the PEDC programs and activities.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the receipt of sufficiency of which is hereby acknowledged, the County and the City agree as follows:

Article 1
Purpose

1.1 The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

1.2 Pursuant to the requirements of Chapter 89-481, Laws of Florida, the County, in cooperation with the City, hereby establishes a financial framework for shared funding responsibilities of the Pensacola-Escambia County Promotion and Development Commission for FY 2020-2021.

Article 2
Responsibilities of Parties

2.1 As set out in Chapter 89-481, Laws of Florida, the fiscal contribution of the City and the Fiscal contribution of the County are to be established yearly by Interlocal Agreement. Therefore, the City and the County agree for FY 2020-2021 that the County shall contribute to the PEDC the amount of Six Hundred Thousand Dollars ($600,000.00) and the City shall contribute to the PEDC the amount of and One Hundred Seventy-Five Thousand Dollars ($175,000.00). Each shall reflect such contributions in their respective budgets.

2.2 This Agreement shall bind the parties beginning October 1, 2020 with respect to their PEDC FY 2020-2021 budgetary contributions. However, contributions for the FY 2020-2021 PEDC budget and any subsequent budget years thereafter shall be in an amount agreed upon between the parties in separate and subsequent interlocal agreements as provided under Chapter 89-481, Laws of Florida.

2.3 The PEDC is intended to be a private-public partnership and united effort for economic development in Escambia County. To accomplish this goal, the parties also agree to encourage voluntary contributions to the PEDC from the private sector sources.

2.4 This Agreement shall become effective when filed in the office of the Clerk of the Circuit Court of Escambia County, Florida. The County shall be responsible for such filing.

Article 3
General Provision

3.1 **Termination:** This Agreement may be terminated by either party for cause, or for convenience, upon thirty (30) days written notice by the terminating party to the other party of such termination.

3.2 Records: The parties acknowledge that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. In the event a party fails to abide by the provisions of Chapter 119, Florida Statutes, the other party may, without prejudice to any right or remedy and after giving that party, seven (7) days written notice, during which period the party fails to allow access to such documents, terminate this Agreement.

3.3 Assignment: This Agreement or any interest herein shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the parties, without the prior written consent of the other party.

3.4 All Prior Agreements Superseded:

(a) This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein, and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or Agreements whether oral or written.

(b) It is further agreed that no modification, amendment, or alteration in the terms and conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

3.5 Headings: Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

3.6 Survival: All other provisions, which by their inherent character, sense, and context are intended to survive termination of this Agreement, shall survive the termination of this Agreement.

3.7 Governing Law: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue, for any matter, which is the subject of this Agreement shall be in the County of Escambia.

3.8 Interpretation: For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings. References to persons include their

respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If the City discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, the City shall immediately notify the County and request clarification of the County's interpretation of this Agreement.

(b) This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

3.9 Severability: The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed to enforced as if this Agreement did not contain such invalid or unenforceable portion of provision.

3.10 Further Documents: The parties shall execute and deliver all documents and perform further actions that may be reasonably necessary to effectuate the provisions of this Agreement.

3.11 No Waiver: The failure of a party to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Agreement.

3.12 Notices: All notices required or made pursuant to this Agreement by either party to the other shall be in writing and delivered by hand or by United States Postal Service, first class mail, postage prepaid, return receipt requested, addressed to the following:

TO THE COUNTY	**TO THE CITY**
Janice P. Gilley County Administrator 221 Palafox Place Post Office Box 1591 Pensacola, FL 32597	Keith Wilkins City Administrator Post Office Box 12910 Pensacola, FL 32521

Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this section.

3.13 Liability: The parties hereto, their respective elected officials, officers and employees shall not be deemed to assume any liability for the acts, omissions or negligence of the other party. The County and City, as local government bodies of the State of Florida, agree to be fully responsible their individual negligent acts

or omissions or tortious acts which result in claims or suits against their respective jurisdictions and agree to be fully liable for any damages proximately caused by said acts or omissions. Nothing herein is intended to serve as a waiver of sovereign immunity by the City or County and nothing herein shall be construed as consent by the City or County to be sued by third parties in any matter arising out of this Agreement.

STATE OF FLORIDA
COUNTY OF ESCAMBIA

MISCELLANEOUS APPROPRIATIONS AGREEMENT BETWEEN ESCAMBIA COUNTY AND UNITED WAY OF WEST FLORIDA, INC.

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida with administrative offices at 221 Palafox Place, Pensacola, Florida 32502 (hereinafter referred to as the "County"), and United Way of West Florida, Inc., a Florida not for profit corporation authorized to conduct business in the State of Florida, FEI/EIN 59-0651076, with a principal address of 1301 West Government Street, Pensacola, Florida 32501 (hereinafter referred to as the "Recipient").

WITNESSETH:

WHEREAS, the Recipient serves the citizens of Escambia County by coordinating the provision of essential services that effectively leverage local resources and community partnerships to create positive changes in the education, health and financial stability of Escambia County citizens; and

WHEREAS, the Recipient's activities demonstrate a farsighted and firm commitment to this County's welfare reflected by this dedication to the civic good; and

WHEREAS, in order to preserve and expand that mission, the Recipient has agreed to perform certain terms and conditions relating to the grant of County monies to it for such work; and

WHEREAS, the Board of County Commissioners has concluded that in order to advance the health, safety, and general welfare of the residents of Escambia County that said expenditure of County monies serves an essential public purpose as established by law; and

WHEREAS, the County has appropriated from the County's General Fund for the County's current Fiscal Year 2020/21 (October 1 through September 30), the sum of **$86,190.00** to conduct the program generally described as *"Community Investment to Improve Lives"* and more particularly described in Exhibit A, attached hereto and incorporated by reference herein; and

WHEREAS, the undersigned representatives of the Recipient are authorized to sign this Agreement binding it.

NOW, THEREFORE, IN CONSIDERATION of the premises, the appropriation and disbursement of funds by the County now or hereafter made, and the mutual covenants herein, the parties do hereby agree as follows:

Section 1. The recitals contained in the Preamble of this Agreement are declared to be true and correct and are incorporated into this Agreement.

Section 2. The Recipient agrees as follows:

A) To accept the funds as appropriated in accordance with the terms of this Agreement, and the provisions of §129.09, Florida Statutes, as amended, governing the expenditures of said funds, which is incorporated by reference herein; and

B) To abide by Chapter 119, Florida Statutes, as amended, and successors thereto; and

C) To return to the County within fifteen (15) days of demand all County funds paid to it upon the County's finding that the terms of the Agreement, the provisions of any Ordinances or Florida Statutes appropriating of such funds, or the provisions of §129.09, Florida Statutes, have been violated; and

D) To return to the County all funds expended for disallowed expenditures for the following purposes as determined by the Internal Auditor of the Escambia County Office of the Clerk of the Circuit Court:

1. "Bad Debts"- Losses arising from uncollectible accounts and other claims, and related costs;

2. "Contingencies"- Contributions to a contingency reserve or any similar provisions for unforeseen events;

3. "Contributions or Donations"- Contributions or donations to any organization;

4. "Entertainment"- Costs of amusement, social activities, and incidental costs relating thereto, such as meals, beverages, lodgings, rentals, transportation, and gratuities;

5. "Fines and Penalties"- Costs resulting from violations of, or failure to comply with federal, state, and local laws and regulations governing this Agreement;

6. "Governor's Expenses"- The salaries and expenses of the Office of the Governor of the State of Florida or the chief executive of the County, which are considered a cost of general state or local government;

7. "Legislative Expenses"- The salaries and other expenses of the State Legislature or similar local government entities such as county commissions, city councils, school boards, etc., whether incurred for purposes of legislation or executive direction; and

8. "Interest and Other Financial Costs"- Interest on borrowings (however represented), bond discounts, costs of financing and refinancing operations, and legal and professional fees paid in connection therewith; and

E) To maintain a separate bank demand account and/or time deposit account and deposit all County funds received and no other funds into this account and to make all disbursements of County funds from said account; or, in lieu of a separate bank account, to keep a separate accounting of County funds to assure that interest earned is pro-rated; and

F) To consent to:

1. Providing such audits of the financial affairs of the Recipient by the Internal Auditor of the Escambia County Office of the Clerk of the Circuit Court as the County may require;

2. Producing all documents required by the Internal Auditors; and

3. Furnishing, if issued, to the Office of Management and Budget a copy of an audit report and a management letter of its financial affairs for its fiscal year ending within the current fiscal year of the County made by an independent certified public accountant licensed and in good standing in the State of Florida. This report will be due within one hundred and twenty (120) days of the close of the Recipient's fiscal year; and

G) To successfully perform the program more particularly described in Exhibit A.

H) To provide monthly report of program expenditures on or before the 10th day of each month to include an itemization of eligible expenditures.

Section 3. The Recipient may not enter into subcontracts or sub-grants under this Agreement without the County's prior written approval. When requesting approval, the Recipient must furnish the County with a copy of all proposed subcontracts or sub-grants. Approval of any subcontracts or sub-grants shall be granted at the County's sole discretion.

Section 4. The term of this Agreement shall commence on October 1, 2020, and expire on the 30th day of September 2021, unless canceled sooner with or without cause and for convenience by either party by giving thirty (30) days prior written notice of such cancellation to the other party.

Section 5. For the County's current Fiscal Year (FY) 2020/21 (October 1 through September 30), the County agrees to pay the Recipient the sum of **$86,190.00** for the program of activity payable in accordance with the procedures set forth in Exhibit B, attached hereto and incorporated by reference herein.

Section 6. Any equipment purchased in accordance with this or previous contract(s) in connection with aforementioned program that has a unit cost of $1,000.00 or more will be placed on an inventory record by Recipient and inventoried at least annually. Upon the expiration of the useful life of such equipment or upon the expiration of the aforementioned program, whichever occurs first, such equipment will be transferred free and clear of all liens and encumbrances to the County or disposed of as authorized in writing by the County.

Section 7. The Recipient agrees to provide the County with an annual narrative progress report on the program described in Exhibit A. Such report will be due within thirty (30) days of the close of Fiscal Year 2020-2021 and will include basic statistical information relevant to the program and a statement of expenditures made in each budget category and line item identified in the budget which is included in Exhibit A.

Section 8. The Recipient's approved budget, included in Exhibit A, and any changes in that budget which would affect expenditure of funds must be approved in writing by the County Administrator or designee; provided that nothing herein will authorize or allow any expenditure or obligation of funds in excess of the total sum authorized by this Agreement.

Section 9. The Recipient agrees that any funds provided by the County for the operation of the program through September 30, 2021, which are residual funds remaining unspent or unencumbered by any existing (not contingent) legal obligations will be returned to the County in the form of a negotiable instrument not later than ninety (90) days after the close of this period unless the Recipient continues to receive a miscellaneous appropriation from the County in the next fiscal year. A limited amount of residual funds may be carried forward from September 30 to October 1, which will not exceed ten percent (10%) of the current appropriation to the Recipient or $500.00, whichever is greater. The County appropriation for the new fiscal year will, however, be reduced by the amount of such unencumbered residual funds carried forward. Any additional unencumbered funds will be returned as provided above.

Section 10. This Agreement will apply to all funds appropriated during the Fiscal Year ending September 30, 2021, provided that the County's rights and the Recipient's duties hereunder will continue for a period of five (5) years from the date of execution hereof.

IN WITNESS WHEREOF the parties hereto have duly executed this Agreement on the respective dates under each signature below.

APPROVED BUDGET

SALARIES, BENEFITS, AND PROGRAMMATIC
EXPENSES ASSOCIATED WITH THE PROGRAM
FUNCTIONS OF THE **UNITED WAY OF WEST FLORIDA, INC.**.. **$86,190.00**

PROGRAM FUNCTIONS TO BE CARRIED OUT WITH THESE FUNDS:

United Way of West Florida, Inc. will coordinate the provision of essential services that effectively leverage local resources and community partnerships to create positive changes in the education, health and financial stability of Escambia County citizens through the Community Investment Program for Escambia County.

The Community Investment Program is a comprehensive community investment process through which Escambia County volunteers review applications, tour nonprofit agencies, and listen to oral presentations to determine where County resources are invested in collaborative work that benefits local citizenry. United Way of West Florida, Inc. manages the process; and nonprofit agencies are required to demonstrate positive outcomes on a quarterly basis, that prove they are having impacts in education, health, and financial stability.

EXHIBIT B

As a recipient of funds resulting from a Miscellaneous Appropriations Agreement from Escambia County, this guide is meant to assist you with submitting your invoices for your appropriations payments. Your invoice package should be complete and submitted to the Office of Management and Budget (OMB) for the payment process to begin. OMB will forward the invoice and supporting documentation to the Clerk's Accounts Payable Department for final payment processing.

To begin the payment process, Accounts Payable will need the following items:

- A fully completed W-9 form (these will need to be updated every two years).

- A fully executed Appropriations Agreement signed by the Recipient and an authorized County representative. It is the responsibility of the Recipient to be aware of and abide by the terms and conditions of the Agreement throughout the duration of Agreement.

- Invoicing should appear in accordance with the Agreement terms and should be accompanied by supporting documentation showing proof of payment by your entity for the expense incurred per approved budget expenditures. **Supporting documentation should include copies of invoices, copies of cancelled checks, wire transaction reports and/or bank statements showing proof of payment.**

- With the exception of the first payment, all appropriation payments are made to the entity on a reimbursement basis after proof of payment for eligible costs in accordance with the budget outlined in Exhibit A has been submitted for all monthly reimbursements. The first payment in the amount of 1/12 of the total approved budget will be advanced in October to assist the Recipient in starting the authorized program activity. Additional funds will not be released until the entity provides adequate supporting documentation showing proof of payments for eligible expenditures exhausting the initial sum. **For the remainder of the year, no funding will be advanced.** Subsequent reimbursements will be made for the amount requested and verified by the supporting documentation furnished, not to exceed the total amount of the contract.

Invoices and receiving documents received in Accounts Payable by Wednesday at 5:00 p.m. will be paid the following week (as long as there are no discrepancies). Checks are mailed directly to vendor's remittance address indicated on the invoice. Checks are not released directly to vendors.

AI-18834 **County Administrator's Report 10. 29.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 11/05/2020
Issue: Volunteer Firefighters Pay Instructions for Hurricane Sally
From: Jason Rogers, Director
Organization: Public Safety
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Pay Instruction for the Volunteer Firefighters that Participated in Hurricane Sally Fire Rescue Missions - Jason Rogers, Public Safety Department Director

That the Board authorize the 20 remaining Volunteer Firefighters that submitted an ICS 214 Form that did not meet the minimum requirement of 72 hours but had worked in support of Hurricane Sally Fire Rescue efforts to receive the additional stipend payment, in the amount of $200.

The Public Safety Director is requesting that the Board waive the policy and authorize the other (20) volunteer firefighters who did not meet the minimum 72 hour requirement or work a minimum of 70 hours (as previously approved) to receive the stipend of $200. ECFR members responded to multiple calls from volunteer stations and worked diligently to clear roadways and provide public safety. Members completed their paperwork and have been identified as having participated in response efforts.

BACKGROUND:

Florida Governor Ron DeSantis declared a State of Emergency in two Counties as Hurricane Sally emerged closer to land on Monday, September 14, 2020. Several Volunteer Firefighters mobilized to provide mutual aid to the County.

In keeping with the Standard Operating Guidelines for the Administration of the Volunteer Firefighter Stipend Program, Section IV, A.3, Board Action is required for the Volunteer Firefighters to get paid a one-time supplemental stipend payment of $200.

BUDGETARY IMPACT:

The estimated impact for all additional payments associated with this event will not exceed $4,000.

LEGAL CONSIDERATIONS/SIGN-OFF:

Senior Assistant County Attorney, Kristin Hual, advised that the Public Safey Director submit a Recommendation requesting the Board waive the policy and authorize the other (20) employees who did not meet the minimum 72 hour requirement or work a minimum of 70 hours (as previously approved) to receive the stipend of $200.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18831 **County Administrator's Report 10. 30.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 11/05/2020
Issue: Approval to Issue Fiscal Year 2020-2021 Purchase Order For EMS in Excess of $25,000
From: Jason Rogers, Director
Organization: Public Safety
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Issuance of Fiscal Year 2020/2021 Purchase Order, in Excess of $25,000, for the Public Safety Department - Jason Rogers, Public Safety Department Director

That the Board, for Fiscal Year 2020/2021, approve the issuance of an individual Purchase Order, in excess of $25,000, based upon quotes obtained utilizing Florida Department of Management Services, Alternate Contract Source Contract, for the Public Safety Department, as follows:

Vendor/Contractor	Amount	Contract Number
Henry Schein, Inc. Vendor #: 131760 Medical Supplies Fund 110, Grants Cost Center: 330305 EMS CARES ACT	$139,800.38	Department of Management Services Contract No: 42000000-18-ACS

[Funding Source: Fund 110, Grants, Cost Center 330305, EMS CARES Act]

Escambia County EMS received $395,998 to support COVID related expenses in Fiscal Year 2019/2020. These funds will be utilized to purchase: Cardiac Arrhythmia Simulators that will show heart rhythms; Eitan Sapphire Infusion Pumps which will be used to regulate IV's; Carefusion Ventilator which is a respiratory therapy breathing machine; and Lifeline ARM which is a IV mannequin. All items

are for medical care and to assist Escambia County EMT's and Paramedics to train for, respond to, treat, and transport patients.

BACKGROUND:

Lifeline ARM Automated Chest Compression (ACC) device is for performing mechanical chest compressions. Effective cardiopulmonary resuscitation (CPR) requires a high level of excellence in order to have an impact on the survival rate of a cardiac arrest victim. In an emergency situation, the Lifeline ARM when used as an adjunct to manual CPR, provides extended CPR with minimal interruptions when fatigue, insufficient personnel, or patient transport (e.g., ambulance, intra-hospital) may prohibit the delivery of effective/consistent compressions to the victim.

The current IV pumps used are becoming out dated to deliver and monitor medications. These are a must for patient safety. By using IV pumps, medicine is delivered with accuracy.

Critical care/transport ventilators are designed to duplicate the advanced functions of acute care ventilators. Most can deliver CPAP and/or BiPAP, and are suitable for EMS and ICU patients during transportation between hospitals. These ventilators give the ability to take better care of and increase the patients positive outcome. We are seeing more patients everyday needing ventilator management. During COVID ventilators are needed to manage patients. We currently only have one vent in inventory with the purchase of five more, we can more effectively manage our community's needs

This Cardiac Arrhythmia Simulator allows for training to better educate incoming and existing employees to better recognize life threatening heart problems.

BUDGETARY IMPACT:

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the provisions of the Code of Ordinances of Escambia County, Florida, Chapter 46, Finance, Article II, Purchases and Contracts. Per the guidance received at the October 3, 2019, Board meeting, all purchases over $25,000 must be approved by the Board.

IMPLEMENTATION/COORDINATION:

The Public Safety Department will work with the Purchasing Office staff to prepare the Purchase Order as needed.

AMENDMENT NO.: 2
Contract Renewal
Contract No.: 42000000-18-ACS
Contract Name: Medical Supplies

This Amendment ("Amendment"), effective as of June 26, 2020, to the Medical Supplies Contract, No. 42000000-18-ACS ("Contract"), is made by and between the State of Florida, Department of Management Services ("Department"), and Henry Schein Medical, a division of Henry Schein, Inc. ("Contractor"), collectively referred to herein as the "Parties." All capitalized terms used herein have the meanings assigned to them in the Contract unless otherwise defined herein.

WHEREAS, the Department entered into the above-referenced Contract with the Contractor for the provisions of medical supplies on October 23, 2018;

WHEREAS, the underlying Minnesota Multistate Contracting Alliance for Pharmacy (MMCAP) contract no. MMS18016 (Master Agreement) was amended to extend the term of the Master Agreement through June 25, 2021, as set forth in Exhibit A; and

WHEREAS, the Parties wish to renew the Contract in accordance with Article 4, section 2, of the Master Agreement.

THEREFORE, in consideration of the mutual promises contained below, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree to the following:

I. Scrutinized Companies. By entering into this Amendment, the Contractor certifies that: 1) it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List; 2) it does not have business operations in Cuba or Syria; and 3) it is not participating in a boycott of Israel.

II. Contract Renewal. Pursuant to section 2 of Article 4 of the Master Agreement, the Master Agreement was extended for a period of one year, with a new expiration date of June 25, 2021. In accordance with the "Term" section of the Contract, this Contract also remains in effect until June 25, 2021.

III. Conflict. To the extent any of the terms of this Amendment conflict with the terms of the Contract, the terms of this Amendment shall control.

IV. Warranty of Authority. Each person signing this Amendment warrants that he or she is duly authorized to do so and to bind the respective party.

V. Effect. Unless otherwise modified by this Amendment, all terms and conditions contained in the Contract shall continue in full force and effect.

MMS18016
Amendment #8
Tendered: January 22, 2020

AMENDMENT NO. 8 TO MMCAP INFUSE CONTRACT NO. MMS18016

THIS AMENDMENT NO. 8 ("**Amendment**") is entered into on the date all required signatures are obtained for this document and is by and between the State of Minnesota acting through its Commissioner of Administration ("**Minnesota**") on behalf of the MMCAP Infuse f/k/a Minnesota Multistate Contracting Alliance for Pharmacy ("**MMCAP Infuse**") and **Henry Schein Medical, a division of Henry Schein Inc.**, a corporation with an address of 135 Duryea Road, Melville, New York 11747 ("**Vendor**").

RECITALS

WHEREAS, MMCAP Infuse and Vendor entered into MMS18016 on June 25, 2018, as amended (collectively, the "**Original Contract**");

WHEREAS, MMCAP Infuse and Vendor have agreed to certain changes in the terms and conditions set forth in the Original Contract and have agreed to amend the Original Contract to reflect said changes;

WHEREAS, besides the terms and conditions of the Original Contract amended in this Amendment, the Original Contract remains in full force and effect; and

NOW, THEREFORE, the parties acknowledge and hereby agree that the Original Contract shall be amended as follows:

Capitalized Terms; Definitions; Conditions. The Original Contract and Amendment shall be read together as one document. Any capitalized terms used in Amendment that are defined in the Original Contract will have the same meaning(s) when used herein, unless the context clearly requires otherwise. To the extent there shall exist a conflict between the Original Contract and this Amendment, the terms of this Amendment will control. Unless otherwise clearly altered, modified, deleted, or amended otherwise, the terms of the Original Contract will continue in their entirety and govern the contractual relationship between Vendor and MMCAP Infuse.

Clause Modifications:

Revision 1: *ARTICLE 4: CONTRACT TERMS AND CONDITIONS* clause *2. Contract Expiration Date* in the Original Contract is deleted in its entirety and replaced with the following:

> **2. Contract Expiration Date**
> June 25, 2021; the Contract may be extended for up to two (2) additional one (1) year periods upon execution of a written amendment and acceptance of both parties.

Revision 2: The second sentence of ARTICLE 4: CONTRACT TERMS AND CONDITIONS, Clause 23.6 in the Original Contract is deleted in its entirety and replaced with the following:

> 23.6 In the event that a court of competent jurisdiction orders Vendor to disclose its insurance policy(ies) in connection with discovery during litigation brought as a result of a dispute between the parties, Vendor agrees to adhere to such court's order with respect to disclosure of such policy(ies).

Attachment A Modifications:

Revision 3: Attachment A of the Original Contract is removed and replaced with a new *Attachment A: Products and Services Pricing*, which is attached and incorporated as Exhibit 1 of this Amendment.

TIG Terms & Conditions

This Technology Integration Group ("TIG") offer to sell products and provide services is solely at the prices set forth in this Quote and solely in accordance with the terms and conditions (the "Terms") attached to this Quote. If Buyer has ordered products or services from TIG and such order is deemed to be an offer by Buyer, TIG's acceptance of such offer is expressly conditional on Buyer's assent to the Terms, to the exclusion of all other terms and conditions. Any additional, different, or conflicting terms or conditions proposed by Buyer in any offer, acceptance, or confirmation, including those set forth on any Buyer purchase order, specifications, or other documents issued by Buyer are considered by TIG to be requests for material alterations of the Terms, are hereby rejected, and will not be binding in any way on TIG. Buyer is hereby notified of TIG's objection to all such additional, different, or conflicting terms and conditions. No waiver or amendment of any of the Terms will be binding on TIG unless made in a writing expressly stating that it is such a waiver or amendment and signed by an authorized agent of TIG. Buyer will have accepted (and will be deemed to have accepted) these Terms if Buyer does any of the

In the event of non-payment, Buyer agrees to pay all collection costs including attorney fees. A finance charge of 1.5% per month may be charged on delinquent invoices. All returns are subject to the following: must include original invoice & Return Material Authorization (RMA) number, 15% restocking fee, must be in original box in resalable condition. After 30 days, repair or exchange only. Quotes are valid for thirty (30) days. All orders are subject to credit approval and adjustments to ordered products and prices that may be due to product availability, typographical error, electronic processing errors or price changes, including rebate or promotion expiration which may occur without notice. TIG and Buyer must confirm acceptance of any adjustments prior to shipment. Prices do not include applicable taxes and/or shipping charges which may be added at the time of shipment. Taxes, shipping and handling charges are subject to change based on the terms and conditions of the final sale. Defective product may be returned within thirty (30) days of the shipping date for repair or replacement as determined by manufacturer warranty. TIG does not offer or accept terms requiring most favored customer pricing.

TIG resells products from numerous manufacturers. It is common industry practice for manufacturers to offer incentives and rebates for product sales. This quote may contain product or services subject to such incentives. No representation or warranty to the contrary is made. Technology Integration Group passes through to buyer the terms and conditions of the original equipment manufacturers product and software licenses and warranties. Any exception must be negotiated directly with the original equipment manufacturer. Unless ordered pursuant to a government prime contract that is identified on the customer's purchase order, all sales are intended to be to the end user, and resale of the products is prohibited.

Issue: Application for Certificate of Need - Joyner & Raney, Inc., d/b/a Pensacola Containers
From: Pat Johnson, Department Director
Organization: Waste Services
CAO Approval:

RECOMMENDATION:

Recommendation Concerning an Application for Certificate of Need for Joyner & Raney, Inc., d/b/a Pensacola Containers - Patrick T. Johnson, Waste Services Department Director

That the Board take the following action concerning an Application for Certificate of Need for Joyner & Raney, Inc., d/b/a Pensacola Containers:

A. Approve the Application for Certificate of Need, permitting Joyner & Raney, Inc., d/b/a Pensacola Containers, to operate in Escambia County; and

B. Authorize the Chairman to sign the Certificate.

[Funding: Fund 401, Solid Waste Fund, Account No. 343402]

BACKGROUND:

An Application for a Certificate of Need for Solid Waste Management Activity has been submitted to the Waste Services Department by Joyner & Raney, Inc., d/b/a Pensacola Containers, to operate in Escambia County. This company anticipates servicing Escambia County by providing dumpsters and removal services for construction waste in Escambia County, Florida.

The Escambia County Code of Ordinances, Chapter 82 *Solid Waste*, states: "Any person who engages in any solid waste management activity on a commercial basis, and any person who establishes a solid waste disposal facility, shall also hold a valid certificate of need or current County franchise". An executed Certificate of Need is valid indefinitely unless a change in name or ownership occurs.

BUDGETARY IMPACT:

The required Permit Application Fee of $150 has been deposited into Fund 401, Solid Waste, Account Number 343402.

Issue: Contract Award for Commercial Demolition of 7220 Plantation Road
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Contract Award for the Commercial Demolition of 7220 Plantation Road - Chips Kirschenfeld, Director, Natural Resources Management through Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve and authorize the County Administrator to sign the Agreement between Escambia County, Florida, and Larry Gates Construction, Inc., per the terms and conditions of PD 19-20-088, Commercial Demolition of 7220 Plantation Road.

Vendor/Contractor	Funding	Amount	Contract Number
Larry Gates, Construction, Inc.	Fund Name Code Enforcement, Fund Number 103, Cost Center 220110, Object Code 53401	$180,000	PD 19-20.088

BACKGROUND:

The property located at 7220 Plantation Road is a hotel on a commercial parcel that has been owned by Park Avenue Hotel Group Florida, LLC, since 2017 and became a source of nuisance complaints which are affecting the neighboring commercial properties. A Notice of Violation (CE19084055U) was issued on August 7, 2019. This property is located just to the east of Interstate 110, and west of Plantation Place Townhomes. The north side of the parcel abuts Super 6 Inn & Suites Hotel, and the south side abuts a parcel containing a cell phone tower. The property is centered in between Interstate 110 and Plantation Road.

The property is not being maintained in accordance with the nuisance codes 42-196

(a), (b), and unsafe structure codes 30-203 (n), (p), (t), (u), (x), and (cc). The building is in disrepair and open to the elements, with broken windows, dilapidated siding, a roof not structurally sound, exterior doors open or not weather tight, and a non-functioning swimming pool which is not properly secured. The building is a safety hazard.

After proper notices and due process, the owners of the property were noticed to appear before the Special Magistrate, and ordered to comply with all cited conditions, otherwise face fines and costs. Representative Sunil Mir from Park Avenue Hotel Group Florida LLC, now a dissolved company, appeared at the hearing however, has failed to make any attempts to clear the violations. A Special Magistrate Order was issued on March 10, 2020, regarding the nuisance and unsafe structure conditions. The property continues to worsen since the investigation began.

Escambia County Code Enforcement has elected to solicit contractor pricing in order to take action to bring the parcel into compliance, as provided in the Special Magistrate Order. The Contract will consist of demolition and legal disposal of the structure, and crushing and filling in the defunct swimming pool, as well as clearing the parcel of all existing nuisance conditions. The cost of the cleanup, along with daily fines that began on May 10, 2020, at $50 per day and court fee of $235, will be filed as a lien on the parcel after it is abated.

An Invitation to Bid for PD 19-20.088, Demolition of 7220 Plantation Road, was publicly noticed to 172 firms via Vendor Registry on August 19, 2020. A Mandatory Pre-bid meeting was conducted at the job site on August 24, 2020, with 10 firms attending. One bid was received. Larry Gates Construction, Inc., was the only bid received.

BUDGETARY IMPACT:

Vendor/Contractor	Funding	Amount	Contract Number
Larry Gates, Construction, Inc.	Fund Name Code Enforcement, Fund Number 103, Cost Center 220110, Object Code 53401	$180,000.00	PD 19-20.088

LEGAL CONSIDERATIONS/SIGN-OFF:

PERSONNEL:

All work associated with this Recommendation was done in-house and no additional staff was required.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the Code of Ordinances of Escambia County, FL 1999, Chapter 46, Finance, article II Purchases and Contracts.

IMPLEMENTATION/COORDINATION:

The Office of Purchasing will issue the Standard Form of Contract, Form B, Construction as well as the Purchase Order.

SPECIAL ACCOMMODATIONS:
Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing (850-595-4980) at least five (5) working days prior to the solicitation opening.

Notice

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee vendor until such time as the contract is executed by the last party to the transaction.

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to vendors of the local vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and

2. Holds any business license required by Escambia County or Santa Rosa County, and

3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification, and shall have the sole discretion to determine if a vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and

responsive local businesses is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **Community Redevelopment Area (CRA)** is within **seven percent (7%)** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **three percent (3%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within **two percent (2%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **four percent (4%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.

3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. **Lack of Good Faith:**

   The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded and the County may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A),

FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And (if applicable) its Federal Employer Identification Number (FEIN) is:

_____

If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a

person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with a convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that is not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY INDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be submitted electronicall via the Vendor Registry website, or mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 19-20.088, "Commercial Demolition of 7220 Plantation Road", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the outside of the air-bill, envelope or box with the Specification number and project name. Bids may be submitted electronically via Vendor Registry site.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Drawings

N/A.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **5%** of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful offeror(s) will be returned immediately after the offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the offeror and the County, and/or the offeror accepts the purchase order by signing the Solicitation and Offer Form acceptance copy of same and returning to the County Purchasing department. Any unsuccessful offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

3. Performance and Payment Bonds

The County **will** require the successful offeror(s) to furnish **separate performance and**

payment bonds, under pledge of adequate surety and covering up to **100% of the dollar value of award** on the forms provided by the County. Such bonds shall be issued by sureties authorized to act as a surety by the State of Florida. Bonds of the successful offeror(s) shall be reviewed by the Office of Purchasing to assure compliance, then recorded in the Office of the Clerk of the Circuit Court Recording Office, 1st Floor, 221 Palafox Place, Pensacola, Florida, by the successful offeror at his expense before the contract is executed. The cost of recording is $10.00 for the first page and $8.50 for each additional page.

4. Procurement Questions

Questions shall be directed to Buzz Roggenbuck, Senior Purchasing Coordinator, at Abroggenbuck@myescambia.com . Last day for questions will be August 28, 2020 at 5:00 p.m. CDT.

5. Bid Forms

This Solicitation contains a Solicitation and Offer Form which shall be submitted in a sealed envelope, in duplicate with Original signatures in indelible ink signed in the proper spaces. Responses on vendor forms will not be accepted. Electronic submittasls via the Vendor Registry website will be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

6. F.O.B. Point

Not required

7. Liquidated Damages

Should the awarded vendor fail to complete the required services or make delivery of the commodities or equipment within the time(s) specified in the contract, or within such additional time(s) as may be granted by Escambia County, the County will suffer damage, the amount of which is difficult, if not impossible to ascertain therefore, the vendor shall pay to the County, as liquidated damages, the sum of $100.00 for each calendar day of delay that actual completion extends beyond the time limit specified until such reasonable time as may be required for final completion of the work. Such sum is mutually agreed upon as a reasonable and proper amount of damages the County will sustain per diem by failure of the vendor to complete the services or make delivery within the specified time. The costs for liquidated damages shall not be construed as a penalty on the vendor.

8. Payment

Partial billing will not be accepted. Escambia County will pay 100% of the contract price after all items have been delivered and accepted. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 South Palafox Place
Pensacola, FL 32502

9. Warranty

The awarded vendor shall fully warrant all equipment furnished hereunder against defect in materials and/or workmanship for a period of one (1) year from date of delivery/acceptance by Escambia County.

Should any defect in materials or workmanship, except ordinary wear and tear, appear during the above stated warranty period, the awarded vendor shall repair or replace same at no cost to the County, immediately upon written notice from the Purchasing Manager.

10. Debris

Awarded vendor shall be responsible for the prompt removal of all debris, which is a result of this contractual service.

11. Protection of Property/Security

The awarded vendor shall provide all barricades and take all necessary precautions to protect buildings and personnel.

All work shall be completed in every respect and accomplished in a professional manner and awarded vendor shall provide for removal of all debris from County property.

The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

The awarded vendor shall at all times guard against injury to Escambia County employees. The vendor shall properly fence and secure the construction site(s) at all times, including evenings and weekends.

The awarded vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

13. Permits

The County and/or its contracted consultant(s) have conducted a review of required permits and fees required to be purchased by the contractor from the County permitting agencies for this specific project and they are listed on the bid form(s) to the best of our knowledge.

14. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded vendor, Escambia County may serve written notice upon the awarded vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

15. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement,

contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. **Excess or Umbrella Liability Coverage** (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. **Evidence/Certificates of Insurance**

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Buzz Roggenbuck, Sr. Purchasing Coordinator
   Office of Purchasing, Room 11.101
   Pensacola, FL 32502
   Fax (850) 595-4806
   E-mail: abroggenbuck@myescambia.com

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

16. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA

AND

Larry Gates Construction, Inc.

FOR
PD 19-20.088 Commercial Demolition of 7220 Plantation Road.

THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, ("County"), hereby contracts with Larry Gates Construction, Inc. .a Florida corporation for profit, to perform all work ("Work") in connection with PD 19-20.088 Commercial Demolition of 7220 Plantation Road. ("Project"), as said Work is set forth in the Plans and Specifications prepared by Escambia County and other Contract Documents hereafter specified.

SECTION 1. CONTRACT DOCUMENTS

A. The Contract Documents consist of this Agreement, the Exhibits described in Section 6 hereof, Change Orders, Work Directive Changes, Field Orders and amendments relating thereto. All of the foregoing Contract Documents are incorporated by reference and made a part of this Agreement (all of said documents including this Agreement sometimes being referred to herein as the "Contract Documents" and sometimes as the "Agreement"). A copy of the Contract Documents shall be maintained by Contractor at the Project site at all times during the performance of the Work.

B. County shall furnish to the Contractor up to one (1) set of the Contract Documents for execution of the Work. Additional copies of the Contract Documents shall be furnished, upon request, at the cost of reproduction.

SECTION 2. SCOPE OF WORK

Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the Work required by the Contract Documents.

SECTION 3. CONTRACT AMOUNT

In consideration of the faithful performance by Contractor of the covenants in this Agreement to the full satisfaction and acceptance of County, County agrees to pay, or cause to be paid, to Contractor the following amount (herein "Contract Amount"), in accordance with the terms of this Agreement:

$ 180,000.00
One hundred eighty Thousand dollars

SECTION 4. BONDS

A. Contractor shall provide Performance and Payment Bonds, in the form prescribed in **Exhibit B**, in the amount of 100% of the Contract Amount, the costs of which to be paid by Contractor. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to County; provided; however, the surety shall be rated as "A-" (excellent) or better and Class "V" or higher rating as to financial size category and the amount required shall not exceed 2% of the reported policy holder’s surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York

10038.

B. If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval.

C. Per §255.05, Florida Statutes, the Contractor shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the Project sufficient to identify it. (The filing costs are $10.00 for the first page and $8.50 for each remaining page).

SECTION 5. CONTRACT TIME AND LIQUIDATED DAMAGES

A. Time is of the essence in the performance of the Work under this Agreement. The "Commencement Date" shall be established in the Notice to Proceed to be issued by the County. Contractor shall commence the Work within five (5) calendar days from the Commencement Date. No Work shall be performed at the Project site prior to the Commencement Date. Any Work performed by Contractor prior to the Commencement Date shall be at the sole risk of Contractor. The Work shall be substantially completed within sixty (60) calendar days from the Commencement Date. The Work shall be fully completed and ready for final acceptance by the County within ninety (90) calendar days from the Commencement Date (herein "Contract Time"). No work under this contract shall commence until certificates of insurance (see Exhibit A, paragraph 13.2) have been received and acknowledged by the Purchasing Manager.

B. County and Contractor recognize that, since time is of the essence for this Agreement, County will suffer financial loss if the Work is not substantially completed within the time specified above, as said time may be adjusted as provided for herein. Should Contractor fail to substantially complete the Work within the time period noted above, County shall be entitled to assess, as liquidated damages, but not as a penalty, **$ 100.00** for each calendar day thereafter until substantial completion is achieved. The Project shall be deemed to be substantially completed on the date the County issues a Substantial Completion Certificate pursuant to the terms hereof.

C. Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the County's actual damages at the time of contracting if Contractor fails to substantially complete the Work in accordance with the progress schedule.

D. When any period of time is reference to by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday.

SECTION 6. EXHIBITS INCORPORATED

The following documents are expressly agreed to be incorporated by reference and made a part of this Agreement.

B. All notices required or made pursuant to this Agreement by County to Contractor shall be made in writing and shall be delivered by hand or by United States Postal Service Department, first class mail, postage pre-paid, return receipt requested, addressed to the following:

Larry Gates Construction, Inc.
8077 Kipling Street
Pensacola, FL 32514
ATTENTION: Larry Gates

C. Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

SECTION 8. MODIFICATION

No modification or change to the Agreement shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

SECTION 9. SUCCESSORS AND ASSIGNS

Subject to other provisions hereof, the Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Agreement.

SECTION 10. GOVERNING LAW

The Agreement shall be interpreted under and its performance governed by the laws of the State of Florida and the parties agree that venue shall be in Escambia County, Florida for any matter which is the subject of the Contract.

SECTION 11. NO WAIVER

The failure of the County to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

SECTION 12. ENTIRE AGREEMENT

Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Agreement.

SECTION 13. SEVERABILITY

Should any provision of the Agreement be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

SECTION 14. PUBLIC RECORDS.

The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract. In such case, the Contractor shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontractor work).

EXHIBIT A
GENERAL TERMS AND CONDITIONS

Section 1. INTENT OF CONTRACT DOCUMENTS

1.1 It is the intent of the Contract Documents to describe a functionally complete project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents as being required to produce the intended result shall be supplied whether or not specifically called for. When words, which have a well known technical or trade meaning are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in affect at the time the Work is performed, except as may be otherwise specifically stated herein.

1.2. If during the performance of the Work Contractor discovers a conflict, error or discrepancy in the Contract Document, Contractor immediately shall report same to County in writing and before proceeding with the Work affected thereby shall obtain a written interpretation or clarification from the County. Contractor shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to Contractor with the Contract Documents before commencing any portion of the Work.

1.3. Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts, or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications of other Contract Document provisions, Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Contractor, as determined by the County. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

Section 2. INVESTIGATION AND UTILITIES

2.1 Contractor shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the Project area as a whole; topography and ground surface conditions; nature and quality of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Contractor to acquaint itself with any applicable conditions shall not relieve Contractor from any of its responsibilities to perform under the Contract Documents, nor shall it be considered the basis for any claim for additional time or compensation.

2.2. Contractor shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Section 2 as the "Utilities". Contractor shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Contractor shall schedule and coordinate its Work around any such relocation or temporary

service interruption. Contractor shall be responsible for properly shoring, supporting and protecting all Utilities at all times during the course of the Work.

Section 3. SCHEDULE

3.1. The Contractor, within ten (10) calendar days after receipt of the Notice of Award, shall prepare and submit to County, for review and approval, a progress schedule for the Project (herein "Progress Schedule"). The Progress Schedule may be provided in an electronic format. The Progress Schedule shall relate to all Work required by the Contract Documents and shall provide for expeditious and practicable execution of the Work within the Contract Time. The Progress Schedule shall indicate the dates for starting and completing the various stages of the Work.

3.2. The Progress Schedule shall be updated bi-monthly by the Contractor. All monthly updates to the Progress Schedule shall be subject to the County's review and approval. Contractor shall submit the updates to the Progress Schedule with its Applications for Payment noted below. The County's review and approval of the submitted Progress Schedule updates shall be a condition precedent to the County's obligation to pay Contractor. **[NOTE: FOR LARGER PROJECTS, THROUGH THE SUPPLEMENTAL CONDITIONS OR TECHNICAL SPECIFICATIONS, COUNTY MAY WISH TO EXPAND UPON THE LEVEL OF DETAIL REQUIRED FOR THE PROJECT SCHEDULE.]**

Section 4. PROGRESS PAYMENTS

4.1. Prior to submitting its first Application for Payment, Contractor shall submit to County, for its review and approval, a schedule of values based upon the Contract Price, listing the major elements of the Work and the dollar value for each element. After its approval by the County, this schedule of values shall be used as the basis for the Contractor's Applications for Payment. This schedule shall be updated and submitted along with a completed and notarized copy of the Application for Payment form attached to the Agreement as **Exhibit E**.

4.2. Prior to submitting its first Monthly Application for Payment, Contractor shall submit to County a complete list of all its proposed subcontractors and materialmen, showing the work and materials involved and the dollar amount of each proposed subcontract and purchase order. The first Application for Payment shall be submitted no earlier than thirty (30) days after Commencement Date.

4.3. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location agreed to by the County in writing, the Application for Payment shall also be accompanied by a bill of sale, invoice or other documentation warranting that upon payment by County, the County shall receive the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect County's interest therein, all of which shall be subject to the County's prior written approval.

4.4. Contractor shall submit four (4) copies of each of its Applications for Payment to the County on or before the 25th day of each month for work performed during the previous month. Invoices received after the 25th day of each month shall be considered for payment as part of the next month's application. Within ten (10) calendar days after receipt of each Application for Payment, the County shall either: (1) indicate approval of the requested payment; (2) indicate approval of only a portion of the requested payment, stating in writing the reasons therefore; or (3) return the Application for Payment to the Contractor indicating, in writing, the reason for refusing to approve payment. In the event of a total or partial denial of the Application for Payment, the Contractor may make the necessary corrections and resubmit the Application for Payment for reconsideration within ten (10) calendar days of receiving

notice of refusal.

If re-submittal of the Application for Payment is refused, in whole or in part, the Contractor may submit a written request to the County Administrator for an administrative decision within two (2) business days of receiving notice of refusal. Upon receiving a timely request, an administrative decision shall be rendered within ten (10) calendar days with written notification provided to the Contractor.

If the administrative decision is disputed, the Contractor may submit a written request to the County Administrator for an administrative hearing before the Dispute Resolution Committee (DRC) within two (2) business days of receiving said decision. A hearing shall be scheduled within ten (10) business days from the date the request is received, and the Contractor will receive written notice of the hearing date. The DRC may, within its discretion, render a final decision at the hearing or may elect to mail a written decision within a period not to exceed ten (10) calendar days from the hearing date. The DRC's written decision shall be considered administratively final.

The County shall, within twenty (20) business days after County approval of an Application for Payment, pay the Contractor the amounts so approved. Provided, however, in no event shall the County be obligated to pay an amount greater than that portion of the Application for Payment approved by the County.

4.5. County shall retain ten percent (10%) of the gross amount of each monthly payment request or ten percent (10%) of the portion thereof approved by the County for payment, whichever is less. The retained sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County.

At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer.

Release of any portion or percentage of sums retained prior to final completion of the Project shall in no way imply approval or acceptance of Contractor's work.

4.6. Monthly payments to Contractor shall in no way imply approval or acceptance of Contractor's work.

4.7. Each Application for Payment shall be accompanied by Release and Affidavit, in the form attached as **Exhibit D**, showing that all materials, labor, equipment and other bills associated with that portion of the Work payment is being requested or have been paid in full. The County shall not be required to make payment until and unless these affidavits are furnished by Contractor.

4.8. Applications for Payment will not be approved unless all submittals required by the Contract documents, up to that point, are provided and "As-Built" record documents are maintained as required by Section 8.2.

Section 5. PAYMENTS WITHHELD

5.1. The County may decline to approve any Application for Payment, or portions thereof, because of subsequently discovered evidence or subsequent inspections. The County may nullify the whole or any part of any approval for payment previously issued and County may withhold any payments otherwise due Contractor under this Agreement or any other agreement between County and Contractor, to such extent as may be necessary in the County's opinion to protect it from loss because of: (a) defective Work not remedied; (b) third party claims filed or reasonable evidence indicating

probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the Work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the Work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the Work by the Contractor; or (g) any other material breach of the Contract Documents. If these conditions are not remedied or removed, County may, after three (3) days written notice, rectify the same at Contractor's expense. County also may offset against any sums due Contractor the amount of any liquidated or unliquidated obligations of Contractor to County, whether relating to or arising out of this Agreement or any other agreement between Contractor and County.

Section 6. FINAL PAYMENT

6.1. County shall make final payment to Contractor within thirty (30) calendar days after the Work is finally inspected and accepted by County in accordance with Section 20.1 herein, provided that Contractor first, and as an explicit condition precedent to the accrual of Contractor's right to final payment, shall have furnished County with a properly executed and notarized copy of the Release and Affidavit attached as **Exhibit D**, as well as, a duly executed copy of the Surety's consent to final payment and such other documentation that may be required by the Contract Documents or the County.

6.2. Contractor's acceptance of final payment shall constitute a full waiver of any and all claims by Contractor against County arising out of this Agreement or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final Application for Payment. Neither the acceptance of the Work nor payment by County shall be deemed to be a waiver of County's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the County at the time of final inspection.

Section 7. SUBMITTALS AND SUBSTITUTIONS

7.1. Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. Contractor shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

7.2 Prior to submitting its first Application for Payment, Contractor shall provide to County a DVD showing the pre-existing conditions located within the limits of construction.

7.3. Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by County if sufficient information is submitted by Contractor to allow the County to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by County from anyone other than Contractor and all such requests must be submitted by Contractor to County within thirty (30) calendar days after Notice of Award is received by Contractor.

7.4. If Contractor wishes to furnish or use a substitute item of material or equipment, Contractor shall make application to the County for acceptance thereof, certifying that the proposed substitute shall perform adequately the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Contractor's achievement of substantial completion on time, whether or not acceptance

of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with County for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the County in evaluating the proposed substitute. The County may require Contractor to furnish at Contractor's expense additional data about the proposed substitute.

7.5. If a specific means, method, technique, sequence or procedure of construction is indicated in or required by the Contract Documents, Contractor may furnish or utilize a substitute means, method, sequence, technique or procedure of construction acceptable to the County, if Contractor submits sufficient information to allow the County to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by the County shall be the same as those provided herein for substitute materials and equipment.

7.6. The County shall be allowed a reasonable time within which to evaluate each proposed substitute. The County shall be the sole judge of acceptability, and no substitute will be ordered, installed or utilized without the County's prior written acceptance which shall be evidenced by either a Change Order or an approved Shop Drawing. The County may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitute.

Section 8. DAILY REPORTS, AS-BUILTS AND MEETINGS

8.1. Unless waived in writing by County, Contractor shall complete and submit to the County on a weekly basis a daily log of the Contractor's work for the preceding week in a format approved by the County. The daily log shall document all activities of Contractor at the Project site including, but not limited to, the following:

8.1.1. Weather conditions showing the high and low temperatures during work hours, the amount of precipitation received on the Project site, and any other weather conditions which adversely affect the Work;

8.1.2. Soil conditions which adversely affect the Work;

8.1.3. The hours of operation by Contractor's and subcontractor's personnel;

8.1.4. The number of Contractor's and subcontractor's personnel present and working at the Project site, by subcontract and trade;

8.1.5. All equipment present at the Project site, description of equipment use and designation of time equipment was used (specifically indicating any down time);

8.1.6. Description of Work being performed at the Project site;

8.1.7. Any unusual or special occurrences at the Project site;

8.1.8. Materials received at the Project site; and

8.1.9. A list of all visitors to the Project site.

The daily log shall not constitute nor take the place of any notice required to be given by Contractor to County pursuant to the Contract Documents.

8.2. Contractor shall maintain in a safe place at the Project site one record copy of the Contract Documents, as well as all shop drawings and other Contractor submittals and all written interpretations and clarifications issued by the County, in good order and annotated to show all changes made during construction. The annotated drawings shall be continuously updated by the Contractor throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Work Directive Changes and Field Orders, and all concealed and buried installations of piping, conduit and utility services. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the annotated drawings as to depth and in relationship to not less than two (2) permanent features (e.g. interior or exterior wall faces). The annotated drawings shall be clean and all changes, corrections and dimensions shall be given in a neat and legible manner in a contrasting color. The "As-Built" record documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to County for reference. Upon completion of the Work, and as a condition precedent to Contractor's entitlement to final payment, these "As-Built" record documents, samples and shop drawings shall be delivered to County by Contractor for County.

8.3. Contractor shall keep all records and supporting documentation which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed, whichever is later. County, or any duly authorized agents or representatives of County, shall have the right to audit, inspect and copy all such records and documentation as often as they deem necessary during the period of this Agreement and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 9. CONTRACT TIME AND TIME EXTENSIONS

9.1. Contractor shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and materialmen, as well as coordinating its Work with all work of others at the Project Site, so that its Work or the work of others shall not be delayed or impaired by any act or omission of Contractor. Contractor shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Contract Documents.

9.2. Should Contractor be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall notify the County in writing within forty-eight (48) hours after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which Contractor may have had to request a time extension.

9.3. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

Section 10. CHANGES IN THE WORK

10.1. County shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Contractor shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of County, and County shall not be liable to the Contractor for any increased compensation without such written order. No officer, employee or agent of County is authorized to direct any extra or changed work orally.

10.2. A Change Order, in the form attached as **Exhibit F** to this Agreement, shall be issued and executed promptly after an agreement is reached between Contractor and County concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as County and Contractor shall mutually agree.

10.3. If County and Contractor are unable to agree on a Change Order for the requested change, Contractor shall, nevertheless, promptly perform the change as directed by County in a written Work Directive Change. In that event, the Contract Amount and Contract Time shall be adjusted as directed by County. If Contractor disagrees with the County's adjustment determination, Contractor must make a claim pursuant to Section 11 of these General Conditions or else be deemed to have waived any claim on this matter it might otherwise have had.

10.4. In the event a requested change results in an increase to the Contract Amount, the amount of the increase shall be limited to the Contractor's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit. In the event such change Work is performed by a Subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all Subcontractors' and sub-subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the Contractor for all of its overhead and profit, for a total maximum markup of fifteen percent (15%). All compensation due Contractor and any Subcontractor or sub-subcontractor for field and home office overhead is included in the markups noted above.

10.5. County shall have the right to conduct an audit of Contractor's books and records to verify the accuracy of the Contractor's claim with respect to Contractor's costs associated with any Change Order.

10.6. The County shall have authority to order minor changes in the Work not involving an adjustment to the Contract Amount and not inconsistent with the intent of the Contract Documents. Such changes may be affected by Field Order or by other written order. Such changes shall be binding on the Contractor.

Section 11. CLAIMS AND DISPUTES

11.1. A Claim is a demand or assertion by one of the parties seeking an adjustment or interpretation of the terms of the Contract Documents, payment of money, extension of time or other relief with respect to the terms of the Contract Documents. The term "Claim" also includes other disputes and matters in question between County and Contractor arising out of or relating to the Contract Documents. The responsibility to substantiate a Claim shall rest with the party making the Claim.

11.2. Claims by the Contractor shall be made in writing to the County within forty-eight (48)

hours after the first day of the event giving rise to such Claim or else the Contractor shall be deemed to have waived the Claim. Written supporting data shall be submitted to the County within fifteen (15) calendar days after the occurrence of the event, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived the Claim. All claims shall be priced in accordance with the provisions of Subsection 10.4.

11.3. The Contractor shall proceed diligently with its performance as directed by the County, regardless of any pending Claim, action, suit or administrative proceeding, unless otherwise agreed to by the County in writing. County shall continue to make payments in accordance with the Contract Documents during the pendency of any Claim.

Section 12. OTHER WORK

12.1. County may perform other work related to the Project at the site by County's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, notice thereof will be given to Contractor. If Contractor believes that such performance will involve additional expense to Contractor or require additional time, Contractor shall send written notice of that fact to County within forty-eight (48) hours of being notified of the other work. If the Contractor fails to send the above required forty-eight (48) hour notice, the Contractor will be deemed to have waived any rights it otherwise may have had to seek an extension to the Contract Time or adjustment to the Contract Amount.

12.2. Contractor shall afford each utility owner and other contractor (or County, if County is performing the additional work with County's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Contractor shall do all cutting, fitting and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating or otherwise altering their work and will only cut or alter their work with the written consent of the County and the others whose work will be affected.

12.3. If any part of Contractor's Work depends for proper execution or results upon the work of any other contractor or utility owner (or County), Contractor shall inspect and promptly report to County in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Contractor's failure to report will constitute an acceptance of the other work as fit and proper for integration with Contractor's Work.

Section 13. INDEMNIFICATION AND INSURANCE

13.1 Contractor shall pay on behalf of or indemnify and hold harmless County and its agents, officers and employees from and against all liabilities, damages, losses, and costs, including attorney's and paralegal fees, incurred by County to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by anyone for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. Contractor's obligation as provided herein shall be limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor, and Contractor shall not be required to pay on behalf of or indemnify and hold harmless County where County's negligence, recklessness, or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's fees and paralegal fees.

County and Contractor agree one percent (1%) of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement.

Contractor agrees that such indemnification by Contractor relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any applicable statutes of limitations thereafter. Contractor's obligation to indemnify shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

13.2. Contractor shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in Exhibit C to the Agreement. All insurance policies shall be from responsible companies duly authorized to do business in the State of Florida and/or responsible risk retention group insurance companies or which are registered with the State of Florida. All commercial insurance carriers providing the Contractor with required insurance shall be a minimum financial size category of VII according to the AM Best Rating Guide, latest edition. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Within ten (10) calendar days after Notice of Award is received by Contractor and prior to the commencement of work, Contractor shall provide County with properly executed Certificates of Insurance to evidence Contractor's compliance with the insurance requirements of the Contract Documents. Said Certificates of Insurance shall be on forms approved by County, such as "Acord Form 25". The Certificates of Insurance shall be personally, manually signed by the authorized representatives of the insurance company/companies shown on the Certificates of Insurance, with proof that they are authorized representatives thereof. Certificates of Insurance shall be mailed to Escambia County in care of: Purchasing Manager, Office of Purchasing, P. O. Box 1591, Pensacola, Florida 32597-1591. In addition, certified, true and exact copies of all insurance policies required hereunder shall be provided to County, on a timely basis, when requested by County.

13.3. The Certificates of Insurance and required insurance policies shall contain provisions that thirty (30) days prior written notice by registered or certified mail shall be given County of any cancellation, intent not to renew, or reduction in the policies or coverages, except in the application of the aggregate limits provisions. In the event of a reduction in the aggregate limit of any policy, Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

13.4. All insurance coverages of the Contractor shall be primary to any insurance or self-insurance program carried by the County applicable to this Project. The acceptance by County of any Certificate of Insurance does not constitute approval or agreement by the County that the insurance requirements have been satisfied or that the insurance policy shown on the Certificate of Insurance is in compliance with the requirements of the Contract Documents. No work shall commence at the Project site unless and until the required Certificates of Insurance are received by the County.

13.5. Contractor shall require each of its subcontractors to procure and maintain, until the completion of the subcontractor's work, insurance of the types and to the limits specified in Exhibit C, unless such insurance requirements for the subcontractor is expressly waived in writing by the County. All liability insurance policies, other than professional liability, worker's compensation and employer's liability policies, obtained by Contractor to meet the requirements of the Contract Documents shall name Escambia County as an additional insured and shall contain severability of interest provisions. Escambia County shall also be designated as certificate holder with the address of P. O. Box 1591, Pensacola, Florida 32597-1591. If any insurance provided pursuant to the Contract Documents expires prior to the completion of the Work, renewal Certificates of Insurance and, if requested by County, certified, true copies of the renewal policies, shall be furnished by Contractor within thirty (30) days prior

to the date of expiration. Upon expiration of an insurance policy term during the course of work under the contract, succeeding insurance policies shall be consecutive to the expiring policy.

13.6 All liability policies shall be underwritten on the "occurrence" basis, unless otherwise approved in writing by the County Division of Risk Management. "Claims made" policies, if approved by the Risk Manager, and subsequent insurance certificates shall provide a "retro-date" which shall include the effective date of the contract. "Claims-made" renewals or carrier and policy replacements shall reflect the original "retro-date."

13.7. Should at any time the Contractor not maintain the insurance coverages required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverages and charge the Contractor for such coverages purchased. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverages shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

13.8. Contractor shall submit to County a copy of all accident reports arising out of any personal injuries or property damages arising or alleged to have arisen on account of any work by Contractor or sub-Contractor under the contract documents.

13.9. Duty To Provide Legal Defense. Contractor shall pay for and provide a legal defense for the County, which shall include attorneys' fees and costs, both of which will be done only if and when requested by the County, for all liabilities, damages, losses, and costs as described in paragraph 13.1 above. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

Section 14. COMPLIANCE WITH LAWS

14.1. Contractor agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, regulations and requirements applicable to the Project, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety. If Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify County in writing. Compliance with the above laws shall include but is not limited to: (1) the Occupational Safety and Health Act, 29 CFR 1910 and 1926, respectively, General Industry Standards and Construction Industry Standards, including regulations regarding Trenching and Shoring; (2) the Florida Workers' Compensation Law, Chapter 440, Florida Statutes; (3) Rules 38F and 38I, Florida Administrative Code; and (4) Florida Department of Transportation Manual of Traffic Control and Safe Practices. Failure to adhere to the requirements of the abovenamed laws and regulations regarding safety and traffic control shall be grounds for an immediate work stoppage, either by County staff or the Contractor, until the deficiency is corrected.

14.2 EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY): In accordance with State of Florida, Office of the Governor, Executive Order 11-116 (superseding Executive Order 11-02; Verification of Employment Status), in the event performance of this Agreement is or will be funded using state or federal funds, the CONTRACTOR must comply with the Employment Eligibility Verification Program (“E-Verify Program”) developed by the federal government to verify the eligibility of individuals to work in the United States and 48 CFR 52.222-54 (as amended) is incorporated herein by reference. If applicable, in accordance with Subpart 22.18 of the Federal Acquisition Register, the CONTRACTOR must (1) enroll in the E-Verify Program, (2) use E-Verify to verify the employment eligibility of all new hires working in the United States, except if the CONTRACTOR is a state or local government, the CONTRACTOR may choose to verify only new hires assigned to the Agreement; (3) use E-Verify to verify the employment eligibility of all employees assigned to the Agreement; and (4) include these requirement in certain subcontracts, such as construction. Information on registration for

and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Section 15. CLEANUP AND PROTECTIONS

15.1. Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. At the completion of the Work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy by County.

15.2. Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Contract Documents to be removed or altered, shall be protected by Contractor from damage during the prosecution of the Work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the Work.

Section 16. ASSIGNMENT

16.1. Contractor shall not assign this Agreement or any part thereof, without the prior consent in writing of County. If Contractor does, with approval, assign this Agreement or any part thereof, it shall require that its assignee be bound to it and to assume toward Contractor all of the obligations and responsibilities that Contractor has assumed toward County.

Section 17. PERMITS, LICENSES AND TAXES

17.1. All permits and licenses necessary for the prosecution of the Work shall be procured and paid for by Contractor. All permits or fees, including but not limited to, all license fees, permit fees, impact fees or inspection fees payable by Contractor to County have been disclosed to Contractor in the bidding documents or other request for proposal at the time the project was let for bid. If Contractor performs any Work without obtaining, or contrary to, such permits or licenses, Contractor shall bear all costs arising therefrom. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the Work.

17.2. Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work.

Section 18. TERMINATION FOR DEFAULT

18.1. Contractor shall be considered in material default of the Agreement and such default shall be considered cause for County to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the County or as provided for in the approved Progress Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) materially breaches any other provision of the Contract Documents.

18.2. County shall notify Contractor in writing of Contractor's default(s). If County determines

that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice, then County, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's Work by whatever means, method or agency which County, in its sole discretion, may choose.

18.3. If County deems any of the foregoing remedies necessary, Contractor agrees that is shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by County incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, and this obligation for payment shall survive termination of the Agreement.

18.4. The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefor or re-letting the Work, in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder.

18.5. If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that County is not entitled to the remedies against Contractor provided herein, then Contractor's remedies against County shall be the same as and limited to those afforded Contractor below under Subsection 19.1, Termination for Convenience.

18.6 If the Contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Contractor in conjunction with this Agreement then the County may, without prejudice to any right or remedy and after giving the Contractor and his surety, if any, seven (7) days' written notice, during which period Contractor still fails to allow access, terminate the employment of the Contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the Contractor, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the Project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontract work).

Section 19. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION

19.1. County shall have the right to terminate this Agreement without cause upon seven (7) calendar days' written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against County shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against County,

including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

19.2. County shall have the right to suspend all or any portions of the Work upon giving Contractor two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

Section 20. COMPLETION

20.1. Upon receipt of written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the County shall promptly make such inspection and, if it finds the work acceptable and fully performed under the Contract Documents, shall promptly issue a final Certificate for Payment, stating that, on the basis of observations and inspections, the Work has been completed in accordance with the terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor is due and payable. The final payment shall not become due and payable until Contractor submits: (1) the Release and Affidavit in the form attached as **Exhibit D**, (2) consent of surety to final payment, (3) if required by County, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by County, and (4) a published copy of the Notice of Completion as provided for in this section. County reserves the right to inspect the Work and make an independent determination as to the Work's acceptability. Unless and until the County is completely satisfied, the final payment shall not become due and payable.

20.2 After the Work is ready for final inspection and acceptance by the County, a legal advertisement must be published by the Contractor in a local newspaper of a general countywide circulation at least thirty (30) days before final payment shall be made. Example of such publication is as follows:

Legal Notice of Completion

Notice is hereby given that the undersigned Contractor has completed and has ready for acceptance by the Board of County Commissioners of Escambia County, Florida, the following construction project:

_____

(Project Name and Address)

_____

(Legal Name and Address - entity of the Contractor)

Subcontractors, materialmen, and other persons having payment claims against the Contractor relating to this project should govern themselves accordingly.

Section 21. WARRANTY

21.1. Contractor shall obtain and assign to County all express warranties given to Contractor or any subcontractors by any materialmen supplying materials, equipment or fixtures to be incorporated into the Project. Contractor warrants to County that any materials and equipment furnished under the Contract Documents shall be new unless otherwise specified, and that all Work shall be of good quality, free from all defects and in conformance with the Contract Documents. Contractor further warrants to County that all materials and equipment furnished under the Contract Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Contract Documents. If, within one (1) year(s) after final completion, any Work is found to be defective or not in conformance with the Contract Documents, Contractor shall correct it promptly after receipt of written notice from County. Contractor shall also be responsible for and pay for replacement or repair of adjacent materials or Work which may be damaged as a result of such replacement or repair. These warranties are in addition to those implied warranties to which County is entitled as a matter of law.

Section 22. TESTS AND INSPECTIONS

22.1. County, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide County with timely notice of readiness of the Work for all required inspections, tests or approvals.

22.2. If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Contractor shall assume full responsibility therefor, pay all costs in connection therewith and furnish County the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the County.

22.3. If any Work that is to be inspected, tested or approved is covered without written concurrence from the County, such work must, if requested by County, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given County timely notice of Contractor's intention to cover the same and County has not acted with reasonable promptness to respond to such notice. If any Work is covered contrary to written directions from County, such Work must, if requested by County, be uncovered for County's observation and be replaced at Contractor's sole expense.

22.4. The County shall charge to Contractor and may deduct from any payments due Contractor all engineering and inspection expenses incurred by County in connection with any overtime work. Such overtime work consisting of any work during the construction period beyond the regular eight (8) hour day and for any work performed on Saturday, Sunday or holidays.

22.5. Neither observations by the County nor inspections, tests or approvals by others shall relieve Contractor from Contractor's obligations to perform the Work in accordance with the Contract Documents.

Section 23. DEFECTIVE WORK

23.1. Work not conforming to the requirements of the construction plans or Contract Documents shall be deemed defective Work. If required by County, Contractor shall, as directed, either correct all defective Work, whether or not fabricated, installed or completed, or, if the defective Work

has been rejected by County, remove it from the site and replace it with undefective Work. Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold County harmless for same.

23.2. If the County considers it necessary or advisable that covered Work be observed by County or inspected or tested by others, Contractor, at County's request, shall uncover, expose or otherwise make available for observation, inspection or tests as County may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and County shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

23.3. If any portion of the Work is defective, or Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the Work in such a way that the completed Work will conform to the Contract Documents, County may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, this right of County to stop the Work shall not give rise to any duty on the part of County to exercise this right for the benefit of Contractor or any other party.

23.4. Should the County determine, at its sole opinion, it is in the County's best interest to accept defective Work, the County may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the County's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents and reflecting an appropriate decrease in the Contract Amount. If the County accepts such defective Work after final payment, Contractor shall promptly pay County an appropriate amount to adequately compensate County for its acceptance of the defective Work.

23.5. If Contractor fails, within a reasonable time after the written notice from County, to correct defective Work or to remove and replace rejected defective Work as required by County, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any of the provisions of the Contract Documents, County may, after seven (7) days' written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, County may exclude Contractor from any or all of the Project site, take possession of all or any part of the Work, and suspend Contractor's services related thereto, take possessions of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which County has paid Contractor but which are stored elsewhere. Contractor shall allow County, and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable County to exercise the rights and remedies under this Subsection. All direct, indirect and consequential costs of County in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or others destroyed or damaged by correction, removal or replacement of Contractor's defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by County of County's rights and remedies hereunder.

Section 24. SUPERVISION AND SUPERINTENDENTS

24.1. Contractor shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Contractor shall be responsible to see that the finished Work complies accurately with the Contract Documents. Contractor shall keep on the Work at all times during its progress a competent resident superintendent, who shall not be replaced without prior written notice to County except under extraordinary circumstances. The superintendent shall be Contractor's representative at the Project site and shall have authority to act on behalf of Contractor. All communications given to the superintendent shall be as binding as if given to the Contractor. County shall have the right to direct Contractor to remove and replace its Project superintendent, with or without cause.

Section 25. PROTECTION OF WORK

25.1. Contractor shall fully protect the Work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made. If Contractor, or any one for whom Contractor is legally liable, is responsible for any loss or damage to the Work, or other work or materials of County or County's separate contractors, Contractor shall be charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due Contractor.

25.2. Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent property to stresses or pressures that will endanger it.

Section 26. EMERGENCIES

26.1. In the event of an emergency affecting the safety or protection of persons or the Work or property at the Project site or adjacent thereto, Contractor, without special instruction or authorization from County is obligated to act to prevent threatened damage, injury or loss. Contractor shall give County written notice within forty-eight (48) hours after the occurrence of the emergency, if Contractor believes that any significant changes in the Work or variations from the Contract Document have been caused thereby. If the County determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Contractor fails to provide the forty-eight (48) hour written notice noted above, the Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Contract Amount or an extension to the Contract Time.

Section 27. USE OF PREMISES

27.1. Contractor shall confine all construction equipment, the storage of materials and equipment and the operations of workers to the Project site and land and areas identified in and permitted by the Contract Documents and other lands and areas permitted by law, rights of way, permits and easements, and shall not unreasonably encumber the Project site with construction equipment or other material or equipment. Contractor shall assume full responsibility for any damage to any such land or area, or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the Work.

Section 28. SAFETY

28.1. The Contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the Work. The Contractor shall take all necessary

precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to:

28.1.1. All employees of the Work and other persons and/or organizations who may be affected thereby;

28.1.2. All the Work and materials and equipment to be incorporated therein, whether in storage on or off the Project site; and

28.1.3. Other property on Project site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, utilities and any underground structures or improvements not designated for removal, relocation or replacement in the contract documents.

28.2. The Contractor shall comply with all applicable codes, laws, ordinances, rules and regulations of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury or loss. The Contractor shall erect and maintain all necessary safeguards for such safety and protection. The Contractor shall notify owners of adjacent property and of underground structures and improvements and utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation or replacement of their property. Contractor's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by County has occurred.

28.3. The Contractor shall designate a responsible representative at the Project site whose duty shall be the prevention of accidents. This person shall be Contractor's superintendent unless otherwise designated in writing by the Contractor to the County.

28.4. The Contractor shall adhere at all times to the minimum safety guidelines for construction and renovation projects as set out in **Exhibit C** of this Agreement.

Section 29. PROJECT MEETINGS

1.1. Prior to the commencement of Work, the Contractor shall attend a preconstruction conference with the County to discuss the Progress Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the prosecution of the Work, the Contractor shall attend any and all meetings convened by the County with respect to the Project, when directed to do so by County. Contractor shall have its subcontractors and suppliers attend all such meetings (including the preconstruction conference) as may be directed by the County.

PERFORMANCE AND PAYMENT BOND

BOND NO. _____

PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS: That

_____

_____

(Insert name, address, and phone number of contractor), as Principal, and

_____

_____,

(Insert full name, home office address and phone number of surety) as Surety, are held and firmly bound unto the Board of County Commissioners for Escambia County, Florida, 221 Palafox Place, Pensacola, Florida 32597-1591, (850) 595-4900, as Obligee in the sum of

_____

Dollars ($_____), for the payment whereof we bind ourselves, our heirs, executors, personal representatives, successors and assigns, jointly and severally, firmly by these present.

WHEREAS, Principal has entered into a contract dated as of the _____ day of_____, 20____, with Obligee for Contract No._____,_____

_____

_____

(Insert name of project, including legal description, street address of property and general description of improvement) in accordance with drawings and specifications, which contract is by reference made a part hereof, and is hereinafter referred to as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

1. Performs the Contract at the times and in the manner prescribed in the Contract; and

2. Pays Obligee any and all losses, damages, costs and attorneys' fees that Obligee sustains because of any default by Principal under the Contract; and

3. Performs the guarantee of all work and materials furnished under the Contract applicable to the work and materials, then this bond is void; otherwise it remains in full force; and

4. Principal understands and agrees that this bond shall remain in full force and effect throughout the two (2) year warranty period after substantial completion of the work.

The Surety, for value received, hereby stipulates and agrees that no changes, extensions of time, alterations or additions to the terms of the Contract or other work to be performed hereunder, or the specifications referred to therein shall in anywise affect its obligation under this bond, and it does hereby waive notice of any such changes, extensions of time, alterations or additions to the terms of the Contract or to work or to the specifications.

This instrument shall be construed in all respects as a common law bond.

In no event will the Surety be liable in the aggregate to Obligee for more than the penalty sum of this Performance Bond, regardless of the number of suits that may be filed by Obligee.

IN WITNESS WHEREOF, the above parties have executed this instrument this _____ day of _____, 20____, the name and corporate seal of each corporate party being hereto affixed and these premises duly signed by its undersigned representative, pursuant to authority of its governing body.

EXHIBIT C
INSURANCE AND SAFETY

INSURANCE - BASIC COVERAGES REQUIRED

The Contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such on policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the Contract Documents, whether such services, work and operations be by the Contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The Contractor shall require, and shall be responsible for assuring throughout the time the Agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the Contractor. The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the Contractor's interests or liabilities, but are merely minimums.

Except for workers compensation and professional liability, the Contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The Contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The Contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The Contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the Contractor or any other insurance of the Contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations, which arise out of this agreement, contract or lease.

Workers Compensation Coverage
The Contractor shall purchase and maintain workers compensation insurance for all workers compensation obligations imposed by state law and with employers liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

General, Automobile And Excess Or Umbrella Liability Coverage

The Contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the Commercial General Liability and Business Auto policies of the Insurance Services Office.
Minimum limits of $1,000,000 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including

employers liability required in the Workers Compensation Coverage section) and the total amount of coverage required.

General Liability Coverage - Occurrence Form Required
Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The Contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

Business Auto Liability Coverage
Business Auto Liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

Excess or Umbrella Liability Coverage
Umbrella Liability insurance is preferred, but an Excess Liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

Evidence/Certificates of Insurance
Required insurance shall be documented in Certificates of Insurance. If and when required by the County, Certificates of Insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the Certificate of Insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverages(s) indicated on each Certificate of Insurance.

New Certificates of Insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the Contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information.

1. Indicate that Escambia County is an additional insured on the general liability policy.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of $1,000.
4. Designate Escambia County as the certificate holder as follows:
Escambia County
Attention: Buzz Roggenbuck
Office of Purchasing
213 S. Palafox Place
Pensacola, FL 32502
Fax (850) 595-4805
5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the Contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the Contractor shall furnish complete copies of the Contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For Commercial General Liability coverage the Contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

MINIMUM PROJECT SAFETY REQUIREMENTS

The following safety requirements represent the minimum condition, which shall be met by all Contractors and subcontractors performing work for Escambia County: Reported or observed violations of Federal and State laws and regulations, or County ordinances shall be brought to the attention of the County project manager and County's Department of Safety and Risk Services and shall be immediately corrected by the Contractor. Additionally, the County may order work to be stopped if conditions exist that present immediate danger to persons or property. The Contractor acknowledges that any such stoppage will not shift responsibility for any damages from the Contractor to the County. Failure to comply with required safety procedures shall result in the suspension of the Work of the Contractor until such time as his operations are brought into compliance. Items which are not corrected or that are disputed by the Contractor may be referred by the County's Department of Safety and Risk Services for inspection or interpretation. The Contractor shall take reasonable precautions for work place safety and shall provide reasonable protection to prevent damage, injury, or loss to employees on the work site and to other persons who may be affected by the Work.

(1) Prior to the commencement of the project, the Contractor and all subcontractors shall provide to the County a written copy of their respective safety and health plans for review as part of the pre-submittal bid package.

(2) The Contractor shall establish and maintain an access control system at the work site, including a daily sign-in log, for all visitors, including County and regulatory personnel. Prior to commencement of construction, the project manager may designate specific individuals for routine access so that their duties are not impeded. All visitors that are not pre-approved for admittance shall be escorted through the project by either a Contractor representative or by the project manager or designee.

(3) The Contractor shall provide all necessary safety equipment for County staff, employees, and visitors to enter the work site. This equipment may include hard hats, hearing protection, safety glasses, or any other safety items deemed necessary by the Contractor or required by State or Federal safety regulations.

(4) Construction vehicles on the work site shall always be operated in a safe manner. The Contractor shall take appropriate action to ensure the safety of County staff, visitors, and the general public while operating work vehicles at a "controlled" construction site. Where conditions warrant, or at the request of the County, temporary barriers shall also be established for these traffic areas.

(5) The Contractor shall prominently mark the work site and ensure its security. Site security shall include appropriate fencing, barricades, warning tape, covered walkways and warning signs. In no instance shall a work site be accessible, without obvious warning, to County staff, visitors, or the general public. At a minimum, the project site shall be posted with the appropriate trespass warning signs as specified in Section 810.09(2)(d), Florida Statutes: THIS AREA IS A DESIGNATED CONSTRUCTION SITE; ANYONE TRESPASSING ON THIS PROPERTY SHALL, UPON CONVICTION, BE GUILTY OF A FELONY; "A DANGER, CONSTRUCTION SITE. AUTHORIZED PERSONNEL ONLY," and other general safety warning signs, i.e., "HARD HAT AREA," as are deemed necessary by the Contractor and project manager.

(6) In the event barricading of a work site is not feasible, alternative measures may be used upon prior approval by the County safety Office. Alternative measures may include, but are not limited to, working during "off 'hours such as nights, weekends, or holidays, or the providing of temporary accommodations for building occupants (to be prearranged, if necessary, at the discretion of the County).

(7) The Contractor shall ensure compliance with all fire safety codes at the work site, especially as to egress, during the construction phase of an occupied facility. In no instance, (except where impractical and with the prior approval of the County's Department of Safety and Risk Services and the appropriate life safety code inspector), shall the life safety code components of an occupied facility be reduced or otherwise compromised.

A set of these construction plans, with a signature of approval by the appropriate life safety code inspector, shall be kept at each construction site and available for routine inspection. The Contractor shall communicate with each subcontractor and County's Department of Safety and Risk Services as to scheduling of events that may pose hazards or inconveniences to building occupants. The Contractor shall also ensure that appropriate scheduling information is also conveyed to the project manager.

- When a project alters a building's fire protection compartment features, such as fire barriers, smoke barriers, or corridor walls, exits must provide free and unobstructed egress. Employees shall receive notice if any alternative exits have been designated. Buildings or areas under construction must maintain escape egress for construction workers at all times. These means of egress shall be inspected daily by the Contractor.

- When a project affects fire alarms, fire detection, or fire suppression systems, of a building that is occupied, the Contractor must ensure that such systems are not functionally impaired. Any temporary systems, which are installed, must be inspected and tested monthly by the Contractor. Employees must be notified when such temporary systems are in place.

- When any sources of ignition are present, such as welding torches, smoking by all persons shall be prohibited on any construction site and in any County facility.

(8) Noise, dust, and the use of chemical products may create inside health hazards at the work site to building occupants requiring that the Contractor to adhere to the following guidelines at a minimum:

(a) The Contractor shall initiate construction and engineering safety controls to minimize exposure of dusts, noise, and chemical odors to building occupants. These controls may involve the construction or use of temporary walls, plastic barriers, mechanical ventilation, elimination of make-up air returns from work areas, pressurizing occupied areas, or a combination of several methods. The Contractor shall coordinate all such engineering efforts with the project manager, and these control measures shall require prior approval by the County's Department of Safety and Risk Services. In cases where these efforts may not be feasible, alternative work schedules on evenings and weekends may be instituted as a part of this process.

(b) Material Safety Data Sheets (MSDS) shall be provided to the County's Department of Safety and Risk Services for all hazardous substances used on the project or brought on the job site. These products include, but are not limited to, paints, solvents, roofing compounds, and cleaning compounds.

(c) Appropriate precautions shall be taken to prevent occupant exposure to hazardous respirable dusts, contaminants, and fumes from welding, cutting, or drilling of concrete and masonry, or the operation of internal combustion engines. The Contractor shall also determine whether respirable crystalline silica, which is a potential carcinogen contained in many building products, is present at the work site. Control of dusts from these types of products and operations shall be an essential safety requirement for the Contractor.

(d) The Contractor should be aware of other buildings adjacent to his work areas and shall be prepared to take necessary actions to prevent the spread of dusts and fumes to those facilities.

(9) The Contractor shall ensure that all emergency notifications, including those for fires and medical needs, shall be promptly made by dialing County 911 dispatchers. The Caller should state the exact location of the work site emergency, the nature of the emergency, and specifically indicate if medical or fire services are needed.

(10) The Contractor agrees and understands that all County construction/renovation sites shall be subject to periodic inspection by life safety code inspectors, Florida Department of Labor and Employment Security, Division of Safety, Occupational Safety and Health Administration, Florida Department of Environmental Protection, Environmental Protection Agency, and other Federal, State, or County regulatory agencies.

(11) The Contractor shall provide adequate refuse containers for the disposal of construction debris. Refuse shall not be allowed to accumulate on the project site grounds, and the Contractor shall ensure that these containers are subsequently emptied on a regular basis.

(12) Water runoff and soil erosion from the project site shall be controlled by the Contractor pursuant to the regulations of the Florida Department of Environmental Protection.

(13) Water-based paint and stain products shall be used by the Contractor in the place of solvent-based products where the application so permits. Use of organic solvent-based products shall be used only where absolutely necessary and with the prior approval of the project manager. Lead-containing paints shall not be normally used or specified for any application. If the use of lead-containing paint is essential for a specific application, prior written approval from the County's Department of Safety and Risk Services shall be obtained before their use.

(14) The use of any products containing toxic metals, especially those regulated by Resource Conservation and Recovery Act (RCRA), (i.e. lead, chromium, barium, silver, arsenic, cadmium, mercury, selenium), on the work site shall be avoided. Prior written approval for use of these metals shall be obtained by the Contractor from the County's Department of Safety and Risk Services.

(15) The use of any radioactive materials by the Contractor on project sites shall require pre-approval. Copies of appropriate certifications, licenses, testing, and inspection records shall be provided by the Contractor to the project manager and County's Department of Safety and Risk Services for review.

(16) The County contracts out the identification and abatement of asbestos containing building materials. Asbestos abatement can only be performed by state licensed asbestos abatement contractors. General contractors, therefore, shall not be authorized to remove or disturb any asbestos containing materials. Although efforts are made to identify or remove such asbestos containing materials prior to renovations, the possibility exists that asbestos materials may be

encountered at a work site. If so, Contractors who encounter such materials shall immediately stop work and notify the project manager ~~or~~ and the County's Department of Safety and Risk Services.

(17) The above-cited guidelines represent minimum expectations and actions, which shall be taken by Contractors while under contract for County construction and renovation projects. These guidelines are not all inclusive and will be revised as necessary. In the event these guidelines conflict with other contract documents, the most stringent application shall apply. Any questions or disputes should be brought to the immediate attention of the project manager and County's Department of Safety and Risk Services.

Response:

This is a private property and the County has no contact from owners. There will be no plans, drawings etc. hence the MANDATORY walkthrough. In order to handle potential asbestos properties, the bidder will be required to include the survey along with straight demolition and disposal costs in the quote. Once the project is awarded, the first thing the contractor will have to before anything is order the survey. The survey will indicate if remediation is required. If required, that contractor will be required to solicit cost of remediation and submit a change order. At that point the County will elect to approve the change and the contractor will complete the job OR the County can decide that it is too costly to spend tax dollars and cancel the project. The contractor will then submit an invoice with appropriate backup and a copy of the survey (as the County is paying for the survey) and the Contractor will paid off that invoice. The Contractor can add profit and overhead for facilitating and obtaining the survey. At that point, the county will let the property sit and draw fines.

Provided Question and Response:

1. Are slab and footers to be removed? Do we need to backfill the area of where we removed the slab and footers?
    a. Response:
        i. Under the demolition permit, there would be no requirement to remove the slab or parking lot and both should remain due to cost and potential erosion. Crushing and filling of the swimming pool is required. The contractor can punch a hole in the bottom of the pool and crush the sides, burying that cement/concrete, packing it in with fill dirt to level the surface with the surrounding area of the pool. The pool slab should remain; remove the handrails in the shallow end.

CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Volunteer Florida Federal Fiscal Year 2020-2021 Emergency Management Performance Grant Community Emergency Response Team Program Contract - Jason D. Rogers, Public Safety Director

That the Board take the following action:

A. Approve the Volunteer Florida Fiscal Year 2020-2021 Emergency Management Performance Grant Community Emergency Response Team (CERT) Program Grant Contract awarding Escambia County $5,000 to implement the CERT Program;

B. Authorize the Chairman or Vice Chairman to execute the Contract; and

C. Authorize Eric Gilmore, Emergency Manager, to execute any documents required to implement the Grant.

The County Attorney's Office has requested that the Board be made aware of the following language within the Contract:

Paragraph VIII. MANDATED CONDITIONS, Subsection B. states that "This Contract shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Contract shall be in the Circuit Court of Leon County."

[Fund 110, Other Grants and Project Funds, Cost Center 330430, Revenue Account 334248]

BACKGROUND:

In support of the national effort to develop and enhance Citizen Corps programs, to include the CERT program, federal funds are being provided to continue the effort to engage, educate, and train local citizens in their role as it relates to emergency prevention, preparedness, response, recovery, mitigation, and public health measures for all hazards. The Grant will provide funds totaling $5,000, with program match being provided from either the selected contractor implementing the Grant program or from the existing Emergency Management Division existing budget funding.

BUDGETARY IMPACT:

These funds are designed as a reimbursement program to the Escambia County Division of Emergency Management for costs associated with eligible program activities. The local match requirements will be met by either the selected contractor implementing the program or from existing Emergency Management Division budget funding.

CERT Contract

Volunteer Florida
Community Emergency Response Team (CERT) Contract
2020-2021

Sub-Grantee: Escambia County

FY 20-21 Grant Period: July 1, 2020 – May 31, 2021 (period of performance)

CFDA Number: 97.042

Contract Total: $5,000.00

This contract is hereby made and entered into as of this (the "Effective Date"), by and between the Florida Commission on Community Service, doing business as Volunteer Florida, having its principal place of business at 1545 Raymond Diehl Road, Suite 250, Tallahassee, FL 32308, and Escambia County, an entity organized under the laws of the State of Florida with its principal place of business located at 6575 North W Street, Pensacola, Florida 32505 (the "Sub-Grantee") (collectively, the "Parties") and referred to herein as the "Contract."

In accordance with the provisions of Federal Emergency Management Performance Grant Program (EMPG) funding, Volunteer Florida, serving as the Administrative Agency, hereby awards to the Sub-Grantee a contract in the amount shown above.

In consideration of the contracted services by Volunteer Florida and of the advantages and benefits received by the Sub-Grantee by virtue of such relationship, the receipt and adequacy of all of which considerations are hereby acknowledged; NOW THEREFORE, in consideration of the mutual covenants hereinafter set forth herein, the Parties agree as follows:

I. **TYPE OF CONTRACT.** This is a cost reimbursement contract. Reimbursement for the contracted services will be contingent upon the documented allowable expenditures for the specified contract period. Volunteer Florida's performance and obligation to pay for services rendered under this contract is contingent upon available funding from FEMA and the State of Florida.

II. **PAYMENT OF FUNDS.** The Contract must be signed by an official authorized to sign on behalf of the Sub-Grantee and return to Volunteer Florida before execution of the contract. The Sub-Grantee should not request reimbursement for any funds spent outside the period of performance of the contract. Contract funds will be disbursed to Sub-Grantee (according to approved program budget) upon receipt of evidence of expenditures and receipt of deliverables according to the terms and conditions of the contract.

III. **REIMBURSEMENT.**
   A. Periodic Expenditure Reports (PER) shall be submitted quarterly, due on the 15th of the month following the end of the quarter, and shall include the supporting documentation for all costs of the project or services as well as compliance with the deliverables.

i. A PER, along with supporting documentation (invoices and proof of payment in the form of canceled checks, paid credit card statements, etc.), will be required before a reimbursement will be made to Sub-Grantee.
ii. Sub-grantees will be **required** to attend a PER 101 training during the contract period.
iii. An expense should be submitted on a PER in the quarter in which that expense is **paid**.

B. **The final PER shall be submitted no later than thirty (30) days after the expiration date of the contract.**

C. If funds are not available to fund this contract as a result of action by the United States Congress, the federal Office of Management and Budgeting, or the State Chief Financial Officer, all obligations on the part of Volunteer Florida to make any further payment of funds shall terminate, and the Sub-Grantee shall submit its closeout report no later than thirty days of receiving notice from Volunteer Florida.

IV. **MATCH REQUIREMENTS AND CASH OR IN-KIND CONTRIBUTIONS.**

A. Sub-Grantees are required to provide cash or in-kind match **dollar for dollar for this grant funding**. If the Sub-Grantee is unable to meet their contracted match amount, Volunteer Florida reserves the right to hold payments and utilize the Sub-Grantee's reimbursement request to meet the required match.

B. Match must be stated as a dollar amount on the PER. Sub-Grantees shall be required to document the source of any cash and/or in-kind contributions. Volunteer hours (valued at $24.93/hour, source: https://independentsector.org/resource/vovt_details/) directly related to Planning, Organizational, Training and/or Exercises may be used to meet the match requirement.

V. **AUDITS.**

A. The Sub-Grantee's performance under this Contract is subject to the applicable requirements published in the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,* Title 2 of the United States Code of Federal Regulations (C.F.R.) part 200 hereinafter referred to as the "Uniform Guidance."

B. The Sub-Grantee shall retain all records pertaining to this Contract, regardless of the form of the record (e.g. paper, film, recording, electronic), including but not limited to financial records, supporting documents, statistical records, and any other documents (hereinafter referred to as "Records") for a period of five State fiscal years after all reporting requirements are satisfied and final payments have been received, or if an audit has been initiated and audit findings through ligation or otherwise.

C. If the Sub-Grantee's expenditures of Federal awards during its applicable fiscal year(s) require it to conduct a single audit in accordance with the Uniform Guidance, the Sub-Grantee shall ensure that the required single audit is performed timely by an independent auditor.

VI. **CONTRACT AMENDMENTS.** All amendments to the contract must be in writing and must utilize the format provided herein and incorporated by reference. Further, any such amendments must be executed by authorized representatives of Volunteer Florida and the Sub-Grantee.

VII. **ATTACHMENTS.**

A. All Attachments to this Contract are incorporated as if set out fully.

B. In the event of any inconsistencies or conflict between the language of this Contract and the attachments, the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

C. This Contract has the following attachments:

Attachment A	Program Budget
Attachment B	Quarterly Milestones
Attachment C	Allowable Cost and Eligible Activities
Attachment D	Reports

Attachment E	Reporting Forms
Attachment F	Contract Amendment
Attachment G	Program Statutes and Regulations
Attachment H	Certification Regarding Debarment
Attachment I	Criminal History Check Status Form

VIII. **MANDATED CONDITIONS.**

A. The validity of this Contract is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Grantee in this Contract, in any later submission or response to a Volunteer Florida request, or in any submission or response to fulfill the requirements of this Contract. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of Volunteer Florida and no later than thirty days written notice to the Sub-Grantee, cause the termination of this Contract and the release of Volunteer Florida from all its obligations to the Sub-Grantee

B. This Contract shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Contract shall be in the Circuit Court of Leon County. If any provision of this Contract is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Contract.

C. Any power of approval or disapproval granted to Volunteer Florida under the terms of this Contract shall survive the term of this Contract.

D. Any Sub-Grantee which is not a local government or State agency, and which receives funds under this Contract from the Federal government, certifies, to the best of its knowledge and belief, that it and its principals:

   i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a Federal department or agency;

   ii. Have not, within a five-year period preceding this Contract been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any offenses enumerated in paragraph 19(g)2. of this certification; and,

   iv. Have not within a five-year period preceding this Contract had one or more public transactions (federal, state or local) terminated for cause or default.

E. If the Sub-Grantee is unable to certify to any of the statements in VIII.D above, then the Sub-Grantee shall attach an explanation to this Contract.

F. **In addition, the Sub-Grantee shall send to Volunteer Florida by email the completed Attachment H titled: "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" for each intended subcontractor which sub-grantee plans to fund under this Contract.**

G. Volunteer Florida reserves the right to unilaterally cancel this Contract if the Sub-Grantee refuses to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Florida Statutes, which the Sub-Grantee created or received under this Contract. Volunteer Florida shall be permitted to inspect and monitor the records and facilities of funded projects and award recipients. Such inspections may occur without notice at any reasonable time, which shall be presumed to be normal business hours.

H. Volunteer Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the

employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. Volunteer Florida shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Grantee of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Contract by Volunteer Florida.

I. All unmanufactured and manufactured articles, materials and supplies which are acquired for public use under this Contract must have been produced in the United States as required under 41 U.S.C. 10a, unless it would not be in the public interest or unreasonable in cost.

IX. **LEGAL AUTHORIZATION.**

J. The Sub-Grantee certifies that it has the legal authority to receive the funds under this Contract and that it's governing body has authorized the execution and acceptance of this Contract. The Sub-Grantee also certifies that the undersigned person has the authority to legally execute and bind Sub-Grantee to the terms of this Contract.

I certify that I understand and agree that funds will only be expended for those projects outlined in the funding amounts as listed above. I also certify that I understand and agree to comply with the general and fiscal terms and conditions of this contract; that there has been appropriate coordination with affected agencies; that I am duly authorized to commit to these requirements; and that all agencies involved with this project understand that all Federal funds are limited to the period of performance and date stipulated in the funding contract.

I certify that I understand and agree the contract must be executed by December 31, 2020. I understand if the contract is not executed in that time frame, the awarded amount is considered declined and funds returned to Volunteer Florida.

IN WITNESS WHEREOF, the parties hereto have executed this Contract.

Attachment C
ALLOWABLE COSTS AND ELIGIBLE ACTIVITIES

I. **CATEGORIES AND ELIGIBLE ACTIVITIES.**

The 2020 EMPG Notice of Funding Opportunity allowable costs are divided into the following categories: **Planning, Organizational, Equipment, Training, Exercise, Management and Administration Costs.**

II. **PLANNING.**

Planning provides a methodical way to engage the whole community in the development of a strategic, operational, and community-based approach to preparedness. Allowable planning costs include, but are not limited to the following:

A. All-of-Nation/Whole Community Engagement/Planning
   i. Developing/enhancing emergency operations plans to integrate citizen/volunteer organizations and other non-governmental organization resources and participation
   ii. Engaging the whole community in public education and awareness activities
   iii. Planning to foster public-private sector partnerships, including innovation for disasters initiatives that support the Citizen Corps mission as defined at: https://www.ready.gov/citizen-corps.
   iv. Executing an America's PrepareAthon! Activity to engage the whole community in a hazard-specific activity on the National Day of Action
   v. Establishing a Citizen Corps Council that brings together representatives of the whole community to provide input on emergency operations plans, risk assessments, mitigation plans, alert and warning systems, and other plans; assisting in outreach and education of community members in preparedness activities; and building volunteer capacity to support disaster response, recovery, and mitigation
   vi. Delivering the CERT Basic Training Course and supplemental training for CERT members who have completed the basic training, the CERT Train-the-Trainer Course, and the CERT Program Manager course
   vii. Developing or enhancing mutual aid agreements/compacts, including required membership in EMAC.

B. Resource Management Planning
   i. Developing/enhancing logistics and resource management plans.
   ii. Developing/enhancing volunteer and/or donations management plans.
   iii. Establishing, expanding or maintaining volunteer programs that support disaster preparedness and/or response, including but not limited to: Neighborhood Watch/USAonWatch, CERT, Volunteers in Police Service, Medical Reserve Corps, Fire Corps, Citizen Corps Affiliate Programs and Organizations.

III. **ORGANIZATION.**

A. Per the *Robert T. Stafford Disaster Relief and Emergency Assistance Act*, as amended, (42 U.S.C. §§ 5121-5207), EMPG Program funds may be used for all-hazards emergency management operations, staffing, and other day-to-day activities in support of emergency management, including staffing CERT and Citizen Corps positions at the state and local levels in order to promote whole community engagement in all phases of emergency management. Proposed staffing activities should be linked to accomplishing the activities outlined in the EMPG Program Work Plan.

B. Personnel costs, including salary, overtime, compensatory time off, and associated fringe benefits, are allowable costs with EMPG Program funds. These costs must comply with 2 C.F.R. Part 200, Subpart E – Cost Principles.

C. Reimbursement for services by a person(s) who is not a regular or full-time employee filling established positions. This includes but is not limited to temporary employees, student or graduate assistants, fellowships, part time academic employment, board members, consultants, and other services.

D. Position descriptions for funded EMPG personnel and any position being used as match;
E. Office Supplies/Materials, memberships, postages.

IV. **TRAINING.**

Training funds may be used for a range of emergency management-related training activities to enhance the capabilities of local emergency management personnel through the establishment, support, conduct, and attendance of training.

A. Training events should be registered on the Citizens Corps Council Calendar though the FEMA Citizens Responder website: https://community.fema.gov/Register, the SERTrac State Calendar: http://trac.floridadisaster.org/trac/loginform.aspx and approved by the Volunteer Florida Grants and Contracts Manager.
B. Training should foster the development of a community-oriented approach to emergency management that emphasizes engagement at the community level, strengthens best practices, and provides a path toward building sustainable resilience.
C. Additional types of training or training related activities include but are not limited to the following:
    i. Developing/enhancing systems to monitor training programs
    ii. Conducting all hazards emergency management training
    iii. Attending Emergency Management Institute (EMI) training or delivering EMI train-the-trainer courses
    iv. Attending other FEMA-approved emergency management training or conferences
    v. State-approved, locally-sponsored CERT training or conferences
    vi. Mass evacuation training at local, state, and tribal levels
D. Allowable training-related costs include the following:
    i. Funds used to develop, deliver, and evaluate training
    ii. Overtime and backfill
    iii. Travel
    iv. Hiring of a full or part-time staff or contractors/consultants
    v. Certification or recertification of instructors
E. The following are required items for the CERT Basic Training Course to be taught under this sub-grant:
    i. Use of the Full FEMA/EMI/Volunteer Florida CERT Basic Training Course – G317, including the terrorism module and showing the Sheltering-In-Place Video (DVD);
    ii. Use of a CERT Train-the-Trainer (TTT) – G428 Qualified Individual (A graduate of the CERT TTT or Trainer Course) as Program Manager, Course Manager, or Lead Instructor;
    iii. Use of the CERT Program Manager Course – G427 Qualified Individual (A graduate of the CERT TTT or Trainer Course) as Program Manager
    iv. Use of an adequate training facility.
F. It is the responsibility of the Sub-Grantee to arrange and compensate course managers for CERT trainings and course manuals. Sub-Grantees must maintain and monitor a database to track the number of trained volunteers.

V. **EXERCISE.**

A. Allowable exercise-related costs include:
    i. Funds used to design, develop, conduct and evaluate an exercise
    ii. Hiring of a full or part-time staff or contractors/consultants
    iii. Overtime and backfill
    iv. Travel
    v. Supplies

vi. Other Items - These costs are limited to items consumed in direct support of exercise activities, such as the rental of space/locations for planning and conducting an exercise, rental of equipment, and the procurement of other essential nondurable goods. Recipients are encouraged to use free public space/locations, whenever available. Costs associated with inclusive practices and the provision of reasonable accommodations and modifications that facilitate full access for children and adults with disabilities are allowable. Food expenses outside of per diem reimbursement are not allowed.

VI. EQUIPMENT.

A. Allowable equipment categories for the EMPG Program are listed on the web-based version of the Authorized Equipment List (AEL) at: https://www.fema.gov/authorized-equipment-list. Unless otherwise stated, equipment must meet all mandatory regulatory and/or FEMA-adopted standards to be eligible for purchase using these funds. In addition, agencies will be responsible for obtaining and maintaining all necessary certifications and licenses for the requested equipment.

B. Allowable equipment includes equipment from the following AEL categories:
   i. Information Technology (Category 4)
   ii. Interoperable Communications Equipment (Category 6)
   iii. Power Equipment (Category 10)
   iv. Physical Security Enhancement Equipment (Category 14)
   v. Other Authorized Equipment (Category 21)

C. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technical advances. Large equipment purchases must be identified and explained. For more information regarding property management standards for equipment, please reference 2 C.F.R. Part 200, including 2 C.F.R. §§ 200.310, 200.313, and 200.316.

VII. MANAGEMENT & ADMINISTRATION (M&A).

A. M&A activities are those defined as directly relating to the management and administration of EMPG Program funds, such as financial management and monitoring. It should be noted that salaries of state and local emergency managers are not typically categorized as M&A, unless the state or local emergency management agency chooses to assign personnel to specific M&A activities.

B. **M&A costs shall not exceed 5% percent of the total grant award.**

Attachment D
REPORTS

Sub-grantees shall provide Volunteer Florida with a Quarterly Program Report (found on page 14) and a quarterly Periodic Expenditure Report (PER) (found on page 15).

I. Quarterly Program and Financial reports are due to Volunteer Florida **no later than fifteen (15) days after the end of each quarter of the program year**; and shall continue to be submitted each quarter until submission of the fourth quarter report. The ending dates for each quarter of this program year are September 30, December 31, March 31 and May 31.

II. **Sub-grantees shall expend and request reimbursement for: 50% of the sub-grant agreement funds no later than March 31; and 100% of the sub-grant agreement funds no later than May 31, 2020.**

III. **The sub-grantee shall provide Volunteer Florida with complete supporting documentation for the PER. Volunteer Florida will accept documentation via email to** CERT2020@volunteerflorida.org**.** Copies of invoices/receipts, canceled checks, and/ or bank/credit card statements and proof of credit card payment.

   A. **Planning Costs:** copies of completed plan, contracts or agreements with consultants or sub-contractors, providing services and documenting hours worked and proof employee was paid (paystubs, earning statements, payroll expenditure reports), Copies of invoices, receipts and cancelled checks, credit card statements, bank statements for proof of payment.

   B. **Organization Costs:** For salaries, provide copies of certified timesheets with employee and supervisor signature documenting hours worked and proof employee was paid (paystubs, earning statements, and payroll expenditure reports), Expense items need to have copies of invoices, receipts and cancelled checks, credit card statements, bank statements for proof of payment. All documentation for reimbursement amounts must be clearly visible and defined (i.e., highlighted, underlined, and/or circled on the required supporting documentation).

   C. **Training Costs**: Provide copies of contracts, MOUs or agreements with consultants or sub-contractors providing services, and a copy of the agenda and sign in rosters (if using pre populated sign in sheets they must be certified by the Emergency Management Director verifying attendance). May also request any training materials provided.

   D. **Exercise Costs**: Provide copies of contracts, MOUs or agreements with consultants or sub-contractors providing services, and a copy of the agenda and sign in rosters (if using pre populated sign in sheets they must be certified by the Emergency Management Director verifying attendance). Copies of Exercise Plan (EXPLAN), After-Action Report/Improvement Plan (AAR/IP) and sign in sheets for conducted exercises (if using prepopulated sign in sheets they must be certified by the Emergency Management Director or Lead Exercise Planner verifying attendance).

   E. **Equipment Acquisition Costs**: Provide copies of invoices, receipts and cancelled checks, credit card statements, bank statements for proof of payment. Provide the Authorized Equipment List (AEL) # for each equipment purchase.

   F. **Management and Administration Costs**: Copies of certified timesheets with employee and supervisor signature documenting hours worked or Division Form 6 - Time and Effort and proof employee was paid (paystubs, earning statements, and payroll expenditure reports); **Costs for M&A activities are allowed up to 5% of the total award amount.**

IV. For travel and conferences related to EMPG activities, copies of all receipts must be submitted (i.e., airfare, proof of mileage, toll receipts, hotel receipts, car rental receipts, etc.) Receipts must be itemized and match the dates of travel/conference. If conference, a copy of the agenda must be provided. Proof of payment is also required for all travel and conferences. If the sub-grantees seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes ($6 for breakfast, $11 for lunch, and $19 for dinner), then the sub-grantee must provide documentation that: The costs are reasonable and do not exceed charges normally

allowed by the sub-grantee in its regular operations as a result of the sub-grantee written travel policy; and participation of the individual in the travel is necessary to the Federal award.

V. Sub-grantees shall provide a quarterly report outlining activities and accomplishments of the CC and CERT program via Blackbaud following the same schedule as the PER submission.

VI. Failure to submit reports in a timely manner will cause reimbursement to be withheld or delayed.

VII. Sub-grantees shall provide supporting documentation to justify all amounts in the reimbursement and match columns on the budget submitting to Volunteer Florida for approval. Sub-Grantees' can match using cash or in-kind goods or services.

VIII. The last quarter report is due no later than thirty (30) days after termination of this Contract. Federal funds provided under this contract shall be matched by the sub-grantee either by Cash Match or In-Kind Match from non-federal funds. Appropriate back-up/supporting documentation needs to be provided (i.e. copies of invoices, receipts and cancelled checks, credit card statements, bank statements for proof of payment).

BACKGROUND:

In support of the national effort to develop and enhance Citizen Corps programs, federal funds are being provided to continue the effort to engage, educate, and train local citizens in their roles as it relates to emergency prevention, preparedness, response, recovery, mitigation, and public health measures for all hazards. The Grant will provide funds totaling $5,000, with local match being required from either the selected contractor implementing the Grant or from the existing Emergency Management Division budget funding.

BUDGETARY IMPACT:

These funds are designed as a reimbursement program to the Escambia County Division of Emergency Management for costs associated with eligible program activities. The local match requirement will be met by either the selected contractor implementing the program or from existing Emergency Management Division budget funding.

Volunteer Florida
Citizens Corps (CC) Contract
2020-2021

Sub-Grantee: Escambia County

FY 20-21 Grant Period: July 1, 2020 – May 31, 2021 (period of performance)

CFDA Number: 97.042

Contract Total: $5,000.00

This contract is hereby made and entered into as of this (the "Effective Date"), by and between the Florida Commission on Community Service, doing business as Volunteer Florida, having its principal place of business at 1545 Raymond Diehl Road, Suite 250, Tallahassee, FL 32308, and Escambia County, an entity organized under the laws of the State of Florida with its principal place of business located at 6575 North W Street, Pensacola, Florida 32505 (the "Sub-Grantee") (collectively, the "Parties") and referred to herein as the "Contract."

In accordance with the provisions of Federal Emergency Management Performance Grant Program (EMPG) funding, Volunteer Florida, serving as the Administrative Agency, hereby awards to the Sub-Grantee a contract in the amount shown above.

In consideration of the contracted services by Volunteer Florida and of the advantages and benefits received by the Sub-Grantee by virtue of such relationship, the receipt and adequacy of all of which considerations are hereby acknowledged; NOW THEREFORE, in consideration of the mutual covenants hereinafter set forth herein, the Parties agree as follows:

I. **TYPE OF CONTRACT.** This is a cost reimbursement contract. Reimbursement for the contracted services will be contingent upon the documented allowable expenditures for the specified contract period. Volunteer Florida's performance and obligation to pay for services rendered under this contract is contingent upon available funding from FEMA and the State of Florida.

II. **PAYMENT OF FUNDS.** The Contract must be signed by an official authorized to sign on behalf of the Sub-Grantee and return to Volunteer Florida before execution of the contract. The Sub-Grantee should not request reimbursement for any funds spent outside the period of performance of the contract. Contract funds will be disbursed to Sub-Grantee (according to approved program budget) upon receipt of evidence of expenditures and receipt of deliverables according to the terms and conditions of the contract.

III. **REIMBURSEMENT.**
   A. Periodic Expenditure Reports (PER) shall be submitted quarterly, due on the 15th of the month following the end of the quarter, and shall include the supporting documentation for all costs of the project or services as well as compliance with the deliverables.

DocuSign Envelope ID: D0265D48-04E1-42CD-9AA7-094AA430B45C

i. A PER, along with supporting documentation (invoices and proof of payment in the form of canceled checks, paid credit card statements, etc.), will be required before a reimbursement will be made to Sub-Grantee.
ii. Sub-grantees will be **required** to attend a PER 101 training during the contract period.
iii. An expense should be submitted on a PER in the quarter in which that expense is **paid**.

B. **The final PER shall be submitted no later than thirty (30) days after the expiration date of the contract.**

C. If funds are not available to fund this contract as a result of action by the United States Congress, the federal Office of Management and Budgeting, or the State Chief Financial Officer, all obligations on the part of Volunteer Florida to make any further payment of funds shall terminate, and the Sub-Grantee shall submit its closeout report no later than thirty days of receiving notice from Volunteer Florida.

IV. MATCH REQUIREMENTS AND CASH OR IN-KIND CONTRIBUTIONS.

A. Sub-Grantees are required to provide cash or in-kind match **dollar for dollar for this grant funding**. If the Sub-Grantee is unable to meet their contracted match amount, Volunteer Florida reserves the right to hold payments and utilize the Sub-Grantee's reimbursement request to meet the required match.

B. Match must be stated as a dollar amount on the PER. Sub-Grantees shall be required to document the source of any cash and/or in-kind contributions. Volunteer hours (valued at $24.93/hour, source: https://independentsector.org/resource/vovt_details/) directly related to Planning, Organizational, Training and/or Exercises may be used to meet the match requirement.

V. AUDITS.

A. The Sub-Grantee's performance under this Contract is subject to the applicable requirements published in the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,* Title 2 of the United States Code of Federal Regulations (C.F.R.) part 200 hereinafter referred to as the "Uniform Guidance."

B. The Sub-Grantee shall retain all records pertaining to this Contract, regardless of the form of the record (e.g. paper, film, recording, electronic), including but not limited to financial records, supporting documents, statistical records, and any other documents (hereinafter referred to as "Records") for a period of five State fiscal years after all reporting requirements are satisfied and final payments have been received, or if an audit has been initiated and audit findings through ligation or otherwise.

C. If the Sub-Grantee's expenditures of Federal awards during its applicable fiscal year(s) require it to conduct a single audit in accordance with the Uniform Guidance, the Sub-Grantee shall ensure that the required single audit is performed timely by an independent auditor.

VI. CONTRACT AMENDMENTS.

All amendments to the contract must be in writing and must utilize the format provided herein and incorporated by reference. Further, any such amendments must be executed by authorized representatives of Volunteer Florida and the Sub-Grantee.

VII. ATTACHMENTS.

A. All Attachments to this Contract are incorporated as if set out fully.

B. In the event of any inconsistencies or conflict between the language of this Contract and the attachments, the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

C. This Contract has the following attachments:

Attachment A	Program Budget
Attachment B	Quarterly Milestones
Attachment C	Allowable Cost and Eligible Activities
Attachment D	Reports

DocuSign Envelope ID: D0265D48-04E1-42CD-9AA7-094AA430B45C

Attachment E	Reporting Forms
Attachment F	Contract Amendment
Attachment G	Program Statutes and Regulations
Attachment H	Certification Regarding Debarment
Attachment I	Criminal History Check Status Form

VIII. **MANDATED CONDITIONS.**

A. The validity of this Contract is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Grantee in this Contract, in any later submission or response to a Volunteer Florida request, or in any submission or response to fulfill the requirements of this Contract. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of Volunteer Florida and no later than thirty days written notice to the Sub-Grantee, cause the termination of this Contract and the release of Volunteer Florida from all its obligations to the Sub-Grantee

B. This Contract shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Contract shall be in the Circuit Court of Leon County. If any provision of this Contract is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Contract.

C. Any power of approval or disapproval granted to Volunteer Florida under the terms of this Contract shall survive the term of this Contract.

D. Any Sub-Grantee which is not a local government or State agency, and which receives funds under this Contract from the Federal government, certifies, to the best of its knowledge and belief, that it and its principals:

   i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a Federal department or agency;

   ii. Have not, within a five-year period preceding this Contract been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any offenses enumerated in paragraph 19(g)2. of this certification; and,

   iv. Have not within a five-year period preceding this Contract had one or more public transactions (federal, state or local) terminated for cause or default.

E. If the Sub-Grantee is unable to certify to any of the statements in VIII.D above, then the Sub-Grantee shall attach an explanation to this Contract.

F. **In addition, the Sub-Grantee shall send to Volunteer Florida by email the completed Attachment H titled: "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" for each intended subcontractor which sub-grantee plans to fund under this Contract.**

G. Volunteer Florida reserves the right to unilaterally cancel this Contract if the Sub-Grantee refuses to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Florida Statutes, which the Sub-Grantee created or received under this Contract. Volunteer Florida shall be permitted to inspect and monitor the records and facilities of funded projects and award recipients. Such inspections may occur without notice at any reasonable time, which shall be presumed to be normal business hours.

H. Volunteer Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the

DocuSign Envelope ID: D0265D48-04E1-42CD-9AA7-094AA430B45C

employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. Volunteer Florida shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Grantee of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Contract by Volunteer Florida.

I. All unmanufactured and manufactured articles, materials and supplies which are acquired for public use under this Contract must have been produced in the United States as required under 41 U.S.C. 10a, unless it would not be in the public interest or unreasonable in cost.

IX. **LEGAL AUTHORIZATION.**

J. The Sub-Grantee certifies that it has the legal authority to receive the funds under this Contract and that it's governing body has authorized the execution and acceptance of this Contract. The Sub-Grantee also certifies that the undersigned person has the authority to legally execute and bind Sub-Grantee to the terms of this Contract.

I certify that I understand and agree that funds will only be expended for those projects outlined in the funding amounts as listed above. I also certify that I understand and agree to comply with the general and fiscal terms and conditions of this contract; that there has been appropriate coordination with affected agencies; that I am duly authorized to commit to these requirements; and that all agencies involved with this project understand that all Federal funds are limited to the period of performance and date stipulated in the funding contract.

I certify that I understand and agree the contract must be executed by December 31, 2020. I understand if the contract is not executed in that time frame, the awarded amount is considered declined and funds returned to Volunteer Florida.

IN WITNESS WHEREOF, the parties hereto have executed this Contract.

ALLOWABLE COSTS AND ELIGIBLE ACTIVITIES

I. **CATEGORIES AND ELIGIBLE ACTIVITIES.**

The 2020 EMPG Notice of Funding Opportunity allowable costs are divided into the following categories: **Planning, Organizational, Equipment, Training, Exercise, Management and Administration Costs.**

II. **PLANNING.**

Planning provides a methodical way to engage the whole community in the development of a strategic, operational, and community-based approach to preparedness. Allowable planning costs include, but are not limited to the following:

A. All-of-Nation/Whole Community Engagement/Planning
   i. Developing/enhancing emergency operations plans to integrate citizen/volunteer organizations and other non-governmental organization resources and participation
   ii. Engaging the whole community in public education and awareness activities
   iii. Planning to foster public-private sector partnerships, including innovation for disasters initiatives that support the Citizen Corps mission as defined at: https://www.ready.gov/citizen-corps.
   iv. Executing an America's PrepareAthon! Activity to engage the whole community in a hazard-specific activity on the National Day of Action
   v. Establishing a Citizen Corps Council that brings together representatives of the whole community to provide input on emergency operations plans, risk assessments, mitigation plans, alert and warning systems, and other plans; assisting in outreach and education of community members in preparedness activities; and building volunteer capacity to support disaster response, recovery, and mitigation
   vi. Delivering the CERT Basic Training Course and supplemental training for CERT members who have completed the basic training, the CERT Train-the-Trainer Course, and the CERT Program Manager course
   vii. Developing or enhancing mutual aid agreements/compacts, including required membership in EMAC.

B. Resource Management Planning
   i. Developing/enhancing logistics and resource management plans.
   ii. Developing/enhancing volunteer and/or donations management plans.
   iii. Establishing, expanding or maintaining volunteer programs that support disaster preparedness and/or response, including but not limited to: Neighborhood Watch/USAonWatch, CERT, Volunteers in Police Service, Medical Reserve Corps, Fire Corps, Citizen Corps Affiliate Programs and Organizations.

III. **ORGANIZATION.**

A. Per the *Robert T. Stafford Disaster Relief and Emergency Assistance Act*, as amended, (42 U.S.C. §§ 5121-5207), EMPG Program funds may be used for all-hazards emergency management operations, staffing, and other day-to-day activities in support of emergency management, including staffing CERT and Citizen Corps positions at the state and local levels in order to promote whole community engagement in all phases of emergency management. Proposed staffing activities should be linked to accomplishing the activities outlined in the EMPG Program Work Plan.

B. Personnel costs, including salary, overtime, compensatory time off, and associated fringe benefits, are allowable costs with EMPG Program funds. These costs must comply with 2 C.F.R. Part 200, Subpart E – Cost Principles.

C. Reimbursement for services by a person(s) who is not a regular or full-time employee filling established positions. This includes but is not limited to temporary employees, student or graduate assistants, fellowships, part time academic employment, board members, consultants, and other services.

DocuSign Envelope ID: D0265D48-04E1-42CD-9AA7-094AA430B45C

D. Position descriptions for funded EMPG personnel and any position being used as match;
E. Office Supplies/Materials, memberships, postages.

IV. **TRAINING.**

Training funds may be used for a range of emergency management-related training activities to enhance the capabilities of local emergency management personnel through the establishment, support, conduct, and attendance of training.

A. Training events should be registered on the Citizens Corps Council Calendar though the FEMA Citizens Responder website: https://community.fema.gov/Register, the SERTrac State Calendar: http://trac.floridadisaster.org/trac/loginform.aspx and approved by the Volunteer Florida Grants and Contracts Manager.
B. Training should foster the development of a community-oriented approach to emergency management that emphasizes engagement at the community level, strengthens best practices, and provides a path toward building sustainable resilience.
C. Additional types of training or training related activities include but are not limited to the following:
    i. Developing/enhancing systems to monitor training programs
    ii. Conducting all hazards emergency management training
    iii. Attending Emergency Management Institute (EMI) training or delivering EMI train-the-trainer courses
    iv. Attending other FEMA-approved emergency management training or conferences
    v. State-approved, locally-sponsored CERT training or conferences
    vi. Mass evacuation training at local, state, and tribal levels
D. Allowable training-related costs include the following:
    i. Funds used to develop, deliver, and evaluate training
    ii. Overtime and backfill
    iii. Travel
    iv. Hiring of a full or part-time staff or contractors/consultants
    v. Certification or recertification of instructors
E. The following are required items for the CERT Basic Training Course to be taught under this sub-grant:
    i. Use of the Full FEMA/EMI/Volunteer Florida CERT Basic Training Course – G317, including the terrorism module and showing the Sheltering-In-Place Video (DVD);
    ii. Use of a CERT Train-the-Trainer (TTT) – G428 Qualified Individual (A graduate of the CERT TTT or Trainer Course) as Program Manager, Course Manager, or Lead Instructor;
    iii. Use of the CERT Program Manager Course – G427 Qualified Individual (A graduate of the CERT TTT or Trainer Course) as Program Manager
    iv. Use of an adequate training facility.
F. It is the responsibility of the Sub-Grantee to arrange and compensate course managers for CERT trainings and course manuals. Sub-Grantees must maintain and monitor a database to track the number of trained volunteers.

V. **EXERCISE.**

A. Allowable exercise-related costs include:
    i. Funds used to design, develop, conduct and evaluate an exercise
    ii. Hiring of a full or part-time staff or contractors/consultants
    iii. Overtime and backfill
    iv. Travel
    v. Supplies

DocuSign Envelope ID: D0265D48-04E1-42CD-9AA7-094AA430B45C

vi. Other Items - These costs are limited to items consumed in direct support of exercise activities, such as the rental of space/locations for planning and conducting an exercise, rental of equipment, and the procurement of other essential nondurable goods. Recipients are encouraged to use free public space/locations, whenever available. Costs associated with inclusive practices and the provision of reasonable accommodations and modifications that facilitate full access for children and adults with disabilities are allowable. Food expenses outside of per diem reimbursement are not allowed.

VI. EQUIPMENT.

A. Allowable equipment categories for the EMPG Program are listed on the web-based version of the Authorized Equipment List (AEL) at: https://www.fema.gov/authorized-equipment-list. Unless otherwise stated, equipment must meet all mandatory regulatory and/or FEMA-adopted standards to be eligible for purchase using these funds. In addition, agencies will be responsible for obtaining and maintaining all necessary certifications and licenses for the requested equipment.

B. Allowable equipment includes equipment from the following AEL categories:
   i. Information Technology (Category 4)
   ii. Interoperable Communications Equipment (Category 6)
   iii. Power Equipment (Category 10)
   iv. Physical Security Enhancement Equipment (Category 14)
   v. Other Authorized Equipment (Category 21)

C. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technical advances. Large equipment purchases must be identified and explained. For more information regarding property management standards for equipment, please reference 2 C.F.R. Part 200, including 2 C.F.R. §§ 200.310, 200.313, and 200.316.

VII. MANAGEMENT & ADMINISTRATION (M&A).

A. M&A activities are those defined as directly relating to the management and administration of EMPG Program funds, such as financial management and monitoring. It should be noted that salaries of state and local emergency managers are not typically categorized as M&A, unless the state or local emergency management agency chooses to assign personnel to specific M&A activities.

B. **M&A costs shall not exceed 5% percent of the total grant award.**

REPORTS

Sub-grantees shall provide Volunteer Florida with a Quarterly Program Report (found on page 14) and a quarterly Periodic Expenditure Report (PER) (found on page 15).

I. Quarterly Program and Financial reports are due to Volunteer Florida **no later than fifteen (15) days after the end of each quarter of the program year**; and shall continue to be submitted each quarter until submission of the fourth quarter report. The ending dates for each quarter of this program year are September 30, December 31, March 31 and May 31.

II. **Sub-grantees shall expend and request reimbursement for: 50% of the sub-grant agreement funds no later than March 31; and 100% of the sub-grant agreement funds no later than May 31, 2020.**

III. **The sub-grantee shall provide Volunteer Florida with complete supporting documentation for the PER. Volunteer Florida will accept documentation via email to** CERT2020@volunteerflorida.org**.** Copies of invoices/receipts, canceled checks, and/ or bank/credit card statements and proof of credit card payment.

   A. **Planning Costs:** copies of completed plan, contracts or agreements with consultants or sub-contractors, providing services and documenting hours worked and proof employee was paid (paystubs, earning statements, payroll expenditure reports), Copies of invoices, receipts and cancelled checks, credit card statements, bank statements for proof of payment.

   B. **Organization Costs:** For salaries, provide copies of certified timesheets with employee and supervisor signature documenting hours worked and proof employee was paid (paystubs, earning statements, and payroll expenditure reports), Expense items need to have copies of invoices, receipts and cancelled checks, credit card statements, bank statements for proof of payment. All documentation for reimbursement amounts must be clearly visible and defined (i.e., highlighted, underlined, and/or circled on the required supporting documentation).

   C. **Training Costs**: Provide copies of contracts, MOUs or agreements with consultants or sub-contractors providing services, and a copy of the agenda and sign in rosters (if using pre populated sign in sheets they must be certified by the Emergency Management Director verifying attendance). May also request any training materials provided.

   D. **Exercise Costs**: Provide copies of contracts, MOUs or agreements with consultants or sub-contractors providing services, and a copy of the agenda and sign in rosters (if using pre populated sign in sheets they must be certified by the Emergency Management Director verifying attendance). Copies of Exercise Plan (EXPLAN), After-Action Report/Improvement Plan (AAR/IP) and sign in sheets for conducted exercises (if using prepopulated sign in sheets they must be certified by the Emergency Management Director or Lead Exercise Planner verifying attendance).

   E. **Equipment Acquisition Costs**: Provide copies of invoices, receipts and cancelled checks, credit card statements, bank statements for proof of payment. Provide the Authorized Equipment List (AEL) # for each equipment purchase.

   F. **Management and Administration Costs**: Copies of certified timesheets with employee and supervisor signature documenting hours worked or Division Form 6 - Time and Effort and proof employee was paid (paystubs, earning statements, and payroll expenditure reports); **Costs for M&A activities are allowed up to 5% of the total award amount.**

IV. For travel and conferences related to EMPG activities, copies of all receipts must be submitted (i.e., airfare, proof of mileage, toll receipts, hotel receipts, car rental receipts, etc.) Receipts must be itemized and match the dates of travel/conference. If conference, a copy of the agenda must be provided. Proof of payment is also required for all travel and conferences. If the sub-grantees seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes ($6 for breakfast, $11 for lunch, and $19 for dinner), then the sub-grantee must provide documentation that: The costs are reasonable and do not exceed charges normally

Issue: Award of a Purchase Order for One D6LGP Waste Arrangement VPAT
From: JAMES HIGDON, Division Manager
Organization: Public Works
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the award of a Purchase Order for One D6 LGP Waste Arrangement VPAT for the Waste Services Department - Wes Moreno, Public Works Department Director and Pat Johnson, Waste Services Department Director

That the Board take the following action:

A. Authorize the use of Sourcewell Contract # 032119-Cat: and

B. Award and Authorize the County Administrator to sign a Purchase Order, in the amount of $457,875, to Thompson Caterpillar for the purchase of one D6 LGP Waste Arrangement VPAT for the Waste Services Department.

Vendor	Funding	Amount	Contract
Thompson Caterpillar (Vendor #: 201640)	Fund: 401 Cost Center: 230314 Object Code: 56401 Machinery & Equipment	$457,875	Sourcewell Contract 032119-CAT

BACKGROUND:

The purchase of this equipment will replace the existing 2008 Caterpillar D6T dozer PN#57026. Repairs associated with PN# 57026 have resulted in an increase in repair/maintenance expenditures. Given the increased amount of waste being received from Hurricane Sally, as well as the projected increase due to continual residential expansion in the County and city, waste equipment capable of meeting the demand, with minimal operating costs is necessary.

BUDGETARY IMPACT:

Vendor	Funding	Amount	Contract
Thompson Caterpillar (Vendor #: 201640)	Fund: 401 Cost Center: 230314 Object Code: 56401, Machinery & Equipment	$457,875	Sourcewell Contract 032119-CAT

LEGAL CONSIDERATIONS/SIGN-OFF:

No legal consideration assocated with this Recommendation.

PERSONNEL:

This Recommendation was prepared in-house, no additional staff was required.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the Code of Ordinances, Escambia County, Florida 1999, Chapter 46, Article II, Purchases and Contracts.

IMPLEMENTATION/COORDINATION:

The Office of Purchasing will issue the Purchase Order upon Board approval.

TERMS AND CONDITIONS

1. EXECUTION OF OTHER DOCUMENTS. If the full amount of the purchase price is not paid in cash, when the equipment necessary to fill this order is available, Purchaser agrees on demand to execute and deliver to Seller such promissory notes, security agreements, financing statements, equipment leases, and other documents as Seller may require evidencing and securing the Total Time Pay Balance shown above. In the event Purchaser fails to execute and deliver such documents, the entire Net Balance Due Shall, at Seller's election, be immediately due and payable, together with interest as provided below from the date demand is made by Seller.

2. RISK OF LOSS; INSURANCE. The equipment shall at all times after delivery to Purchaser, Purchaser's agent, or a transportation company for delivery to Purchaser, whichever first occurs, be the sole responsibility of Purchaser, and all risk of loss or damage to the equipment or any part thereof from any cause whatsoever shall be borne by Purchaser, and shall not operate to extinguish or diminish the liability of Purchaser to Seller. Unless Purchaser pays Seller cash on or prior to delivery, Purchaser shall procure, and furnish to Seller, evidence of insurance showing the existence of valid and collectible insurance insuring the equipment against loss from fire, theft, collision and comprehensive coverage, and from such other insurable perils as Seller may require, in an amount not less than the Net Balance Due or Amount to be Financed shown above, with loss thereunder payable to Seller, as loss payee, as its interest may appear. If the equipment is leased by Purchaser, Purchaser shall also furnish evidence of liability insurance satisfactory to Seller in its sole discretion. Purchaser may furnish the required insurance through an existing policy or through an insurance agent selected by Purchaser. Seller may refuse to accept any insurance offered by Purchaser for reasonable cause. Any insurance offered through Seller or an affiliate of Seller is offered only as a convenience to Purchaser and is not required. If any insurance coverage is purchased through Seller, Seller is not the agent or broker for Purchases, and Seller or an affiliate of Seller may receive compensation on the sale of the insurance.

3. DISCLAIMER OF WARRANTIES AND LIMITATION OF LIABILITY. Purchaser understands and agrees that Seller is not the manufacturer of the equipment described in this order. Seller makes no representation or warranty against latent or patent defects in material or workmanship, no warranty of capacity or performance, and no warranty that the equipment will meet the requirements of any law, regulation, specification or contract term that provides for or requires specific machinery or apparatus or specific capacity or methods of operation. New Caterpillar products are sold subject to the terms of the applicable Caterpillar warranty. Purchaser hereby acknowledges receipt of any applicable Caterpillar warranty or warranties identified on this order. Seller assumes no responsibility for such warranties.
Seller will cooperate with Purchaser in seeking to obtain adjustment from the manufacturer for any breach of the manufacturer's warranty. Unless otherwise provided in a writing signed by Seller, any transportation, travel and other expenses will be for Purchaser's account. In no event will Seller have any obligation on account of any defect or defects in the equipment, or of any failure of the equipment to operate as warranted, or for any loss or damage to or caused by the equipment.
With respect to equipment described herein as "used" or "other", Purchaser agrees that all such equipment is sold "AS IS" and with all faults or defects except as otherwise expressly provided in any express warranty specifically set forth hereon or contained in a separate writing signed by Seller.
The forgoing provisions are in lieu of all other warranties, express or implied. Seller hereby disclaims, and Purchaser hereby waives, any warranty of MERCHANTABILITY or FITNESS FOR ANY PARTICULAR PURPOSE and any other warranty or obligation of Seller to Purchaser on account of any defect in or any failure or insufficiency of the equipment.
In no event will Seller be liable for any especial or consequential damages sustained by Purchaser, even if Seller had reason to know of them.
Purchaser expressly agrees that Seller and its officers, agents, affiliates and employees shall not be liable in tort -- whether on claims of negligence, wantonness, fraud, misrepresentation, suppression, strict liability, or other theory of tort liability -- for any action or failure to act in connection with the making of this order or negotiations leading up to it, or the repair or operation of the equipment. Purchaser agree that it is the intent of the parties to absolve Seller, its officers, agents, affiliates, and employees, from all liability in tort, and that Purchaser's sole and exclusive remedy against Seller, its officers, agents, affiliates, and employees, shall be in contract under this order or under the express warranties, if any, made by Seller under this order or in a separate writing signed by Seller.

4. PRODUCT IMPROVEMENTS; REPAIRS OF DAMAGE. Purchaser acknowledges that the equipment delivered pursuant to this order may have been modified by Seller at the manufacturer's direction or request to update or improve the equipment after it left the manufacturer's plant and that Seller may have repainted or repaired damage to the equipment suffered in demonstration, transit or storage. Purchaser consents to such modifications, repairs, or repainting and waives any further notice or disclosure thereof.

5. SELLER'S RESERVATION OF TITLE. Seller hereby retains title to all equipment described hereon until the Total Time Pay Balance shown hereon is paid in full or, in the case of a cash sale paid by check or a sale on account, until Seller receives full payment of the Net Balance Due in collected funds. All payments under this order shall be made in United States dollars and immediately available funds. If Purchaser defaults on any payment, the unpaid balance of the Total Time Pay Balance shall be immediately due any payable, at Seller's election. If Seller does not receive collected funds or is not paid in full when due. Seller may repossess the equipment, sell it at public or private sale or accept it in satisfaction of the unpaid debt (at Seller's election), and exercise all rights and remedies of a secured party following default by its debtor. A copy of this order may be filed as a financing statement.

6. INTEREST AFTER DEFAULT. After default by Purchaser in the payment of any sum owed by Purchaser under this order, such sum shall accrue interest daily, payable on demand, at the per annum rate that is 2% in excess of the highest prime rate published in The Wall Street Journal on the date of default, such rate to increase or decrease in like amount each time the prime rate changes until such sum is paid in full.

7. COLLECTION COSTS. Purchaser agrees to pay all expenses, including reasonable attorney's fees, incurred by Seller in enforcing this order or collecting any sum owed by Purchaser hereunder following default by Purchaser.

8. ARBITRATION OF DISPUTES. Purchaser and Seller acknowledge and agree that the transaction between them involves ""commerce"" as that term is used in the Federal Arbitration Act, 9 U.S.C. Sec.. 1. Purchaser and Seller agree that all disputes, controversies or claims of any kind and character whatsoever arising out of or related to this order, the equipment, the transactions evidenced or contemplated by this order, any prior negotiations or dealings between them, or any maintenance or service performed by Seller on the equipment or on any other related or unrelated property before or after the date of this order, or arising out of or related to any relationship resulting from any of the foregoing, whether based in tort, contract, warranty, or statutory or strict liability, shall be submitted to binding arbitration held in Birmingham, Alabama in accordance with the Commercial Arbitration Rules of the American Arbitration Association. Judgment on the arbitrator's award may be entered by any court of competent jurisdictio The arbitrator shall be well versed in the sale and financing of equipment of the type involved in the dispute and shall, at the election of either party, be an attorney at law who has been licensed to practice at least 10 years. The foregoing does not affect the right of either party to seek a judgment in court against the other on a contract claim for breach of an express covenant to pay money and for interest and costs of collection, or to exercise any right of offset or self-help repossession, or to seek a court order for possession of personal property, or to seek an injunction or other purely equitable remedy other than a stay of arbitration. The parties agree that the commencement of litigation by either of them pursuant to the preceding sentence or otherwise shall not operate as a waiver or estoppel of the right to arbitrate any counterclaim or other similar claim, and that upon the giving of a notice of arbitration of the counterclaim or similar claim by any party hereto, the litigation of the counterclaim shall be stayed and the counterclaim shall be submitted to binding arbitration hereunder. The parties hereby waive the right to trial by jury of all disputes, controversies and claims which they have hereby agreed to resolve by arbitration whether or not the dispute, claim or controversy is submitted to arbitration or is decided by a court.

9. NO ADDITIONAL OR DIFFERENT TERMS. If Purchaser has sent or hereafter sends Seller a purchase order, order acknowledgement, or other writing that states terms additional to or different from those contained in this order, any acceptance of this order by Seller is expressly made conditional on Purchaser's acceptance of the terms and conditions of this order, and Seller hereby gives notification of its objection to any additional or different terms proposed by Purchaser.

Issue: Award of a Purchase Order for Two Kenworth Model T370 Fuel Trucks for the Public Works Department
From: JAMES HIGDON, Division Manager
Organization: Public Works
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Award of a Purchase Order for Two Kenworth Model T370 Fuel Trucks for the Public Works Department - Wes Moreno, Public Works Department Director

That the Board take the following action:

A. Authorize the use of NJPA Sourcewell Contract 081716-KTC; and

B. Award and authorize the County administrator to sign a Purchase Order, in the amount of $343,278.88, to Rush Truck Center of Alabama, for Two 2021 Kenworth Model T370 fuel trucks ($171,639.44 each) for the Public Works Department.

VENDOR	FUNDING	AMOUNT	CONTRACT
Rush Truck Center of Alabama Vendor Number: 182903	Transportation Trust Fund 175 Cost Center 260102 Object Code 56401 Machinery and Equipment	$343,278.88	NJPA Sourcewell Contract 08176-KTC

BACKGROUND:

The Public Works Department is utilizing two 1991 fire truck chasis outfitted for use as fuel trucks. These trucks have mileages of 166,381 and 236,829. These two trucks are heavily relied upon to provide fuel to equipment and generators. They are crucial to keeping the County fueled during emergency response. Additionally, these trucks are sent as part of mutual aide responses whenever Emergency Management or the Sheriff's Depertment respond to events such as Hurricane Michael in Bay County. The purchase of the two proposed new fuel trucks would be a much-needed enhancement that would bring improved reliability and efficiency to

the County's Fuel Operations.

Chris,

Just following up with you on this as today is my deadline for submission. I need to know if you're keeping prices the same or asking for changes.

Any requested changes have to come with justification(s) and be approved by Engineering before I can send it to the Board.

Best regards,

Jeffrey Lovingood

Subject: PD 17-18.096 Renewal for Roadway Materials Pricing

All,

The Roadway Materials Pricing Agreement is due to be renewed prior to October 31. This will be the second of two possible renewal periods.

If you plan to request any changes to the pricing, please provide that information as quickly as possible. There is just one Board meeting available to me to get this renewed prior to expiration, and that I October 15. To make that meeting, I will need your input no later than the close of business on Thursday regarding whether or not your firm would like to renew and what pricing changes (if any) will be requested.

Please contact me with any questions.

Best regards,

Jeffrey Lovingood
Purchasing Coordinator

Wes,

Engineering was formerly responsible for the Road Materials Pricing Agreement, and I am told that this is now the responsibility of the Road Department. This agreement ends November 1 but has a renewal remaining. I have completed the renewal request, however, there is one firm that requested price changes.

I have attached the original bid from Panhandle and the Bid Form starts on page 5 of the PDF. The requested pricing changes are in the other attachment. All of the highlighted changes requested are price **De**creases except for lines 15 & 16, those are increases.

If you could please review and give me the OK via email if you approve of these changes, I will complete the agenda item and send it to you for review.

Please advise.

Liz,

I need to know if your department is approving the requested price changes.

Also, I reached out to Chris at CW Roberts because he still has not provided a notice of price changes or holding prices the same.

My deadline for getting this to the November 5 Board meeting is today.

Liz,

Josh forwarded the attached document requesting price changes for Roadway Materials Pricing. Please review and let me know if you have any questions. Josh did not provide any justification but did say he went down on most of the changes. I don't know how those changes affect costs to the County.

I need your approval at your earliest convenience to get this on the Board agenda for October 15 and the agreement is set to expire October 30.

NOTICE

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee vendor until such time as the contract is executed by the last party to the transaction.

SPECIAL ACCOMODATIONS

Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing at 850-595-4953 at least five (5) working days prior to the solicitation opening. If you are hearing or speech impaired, please contact the Office of Purchasing at 850-595-4684 (TTY).

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to vendors of the local vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and
2. Holds any business license required by Escambia County or Santa Rosa County, and
3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification and shall have the sole discretion to determine if a vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by

the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated Community Redevelopment Area (CRA) is within seven percent (7%) of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within three percent (3%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within two percent (2%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within four percent (4%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.
2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.
3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.
4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded, and the County may return all, or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(a)
FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(print name of the public entity)

by _____
(print individual's name and title)

for _____
(print name of entity submitting sworn statement)

whose business address is:

_____

_____

and, if applicable, its Federal Employer Identification Number (FEIN) is:

_____
(If the entity has no FEIN, provide the Social Security Number of the Individual signing this sworn statement.)

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity, or with an agency or political subdivision of any other state or of the United State, including but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision or any other state or of the United State and involving antitrust, fraud, theft, briber, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, non-jury trial, or entry of a please of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

a. A predecessor or successor of a person convicted of a public entity crime; or

b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in

management of the entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement.

Please indicate which statement applies:

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Please attach a copy of the Final Order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO (2) OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer' to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

INSTRUCTIONS TO OFFERORS

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Building, 213 Palafox Place, Pensacola, FL, 32502, in a sealed envelope clearly marked:

Specification Number PD 19-20.092, Custodial Services for Various Escambia County Facilities, Name of Submitting Firm, September 04, 2020 at 2:00 PM CDT.

Note: If using a courier service (e.g. FedEx, UPS, US Post Office, etc.) the air-bill and envelope or box must be marked with the specification Number and Project Name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The following policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors, or individuals action on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County official, their agents or employees, or any member of the relevant Selection Committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/ protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the bids/proposals for Invitations to Bid or the Request for Proposal, or Qualification, or Information, or Request for Letters of Interest, or the Invitation to Negotiate, as applicable, are received at the Escambia County Office of Purchasing, and the time the Board awards the Contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees, or any member of the relevant Selection Committee, for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/disqualification of submittal;

2) Termination of contract; or

3) Suspension or debarment as provided in Sec. 46-102 of the Escambia County Code of Ordinances.

2. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check, or certified check in the amount of One Thousand Dollars ($1,000.00).

Checks or bonds are to be made payable to Escambia County, Florida. **The amount of the check or bond is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.**

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by the contract as evidenced by signatures thereto by an authorized representative of both the Offeror and the County, and/or the Offeror accepts the Purchase Order by signing the Solicitation, Offer, and Bid Form and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of their cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

3. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. The last day for questions will be September 01, 2020 at 5:00 PM CDT.

4. Proposal Forms

This Solicitation contains a Solicitation, Offer, and Proposal Form which shall be submitted by either (choose one):

- A sealed envelope, with Original (wet) signature in indelible ink and signed in the proper spaces by a person authorized to sign on behalf of the firm. Responses on Vendor forms will not be accepted. **Firms electing to submit original forms shall also provide a complete copy of the bid response via CD or flash drive.**
- Uploading to Vendor Registry a PDF of the signed Bid Form with Original signatures in indelible ink and signed in the proper spaces by a person authorized to sign on behalf of the firm. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

5. Pre-Solicitation Conference

There will be no pre-solicitation conference.

6. Diversity

Pursuant to Resolution R2018-87, the Escambia County Board of County Commissioners has expressed its support for diversity in the County's procurement process and affirmatively encourages all vendors, contractors, and subcontractors providing goods or services for the County to promote diversity and provide equal opportunities for the participation of local small-, minority-, women-, and service-disabled veteran-owned businesses.

Pursuant to Sec. 46-110, Sec. 46-111, and Sec. 46-112 of the Escambia County Code of Ordinances, Escambia County is committed to providing the maximum opportunity for increased participation of local small-, minority-, women-owned business enterprises in the procurement of goods and services by the County. Qualifying businesses who wish to participate in this program may apply for certification as a small, minority, and/or woman-owned business by contacting the Office of Purchasing.

Please note: Sec. 46-110, Local Preference in Bidding, Sec. 46-111, Small Business Enterprise Program, Sec. 46-112, Participation of Minority and Women Business Enterprises, and Resolution R2018-87 are attached to this document. Compliance with

7. Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the vendor.

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

   1. The potential for fire, explosion, corrosiveness, and reactivity;

   2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

   3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.'

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address, and emergency telephone number of the manufacturer responsible for preparing the information.

8. Codes and Regulations

The awarded vendor shall strictly comply with all federal, state, and local safety codes.

9. Payment

Partial payments in the full amount for the value of items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents if required. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

10. Debris

Awarded vendor shall be responsible for the prompt removal of all debris, which is a result of this contractual service.

11. Protection of Property/Security

A. The awarded vendor shall provide all barricades and take all necessary precautions to protect buildings and personnel.

B. All work shall be completed in every respect and accomplished in a professional manner and awarded vendor shall provide for removal of all debris from County property.

C. The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

D. The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

E. The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

F. The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

G. The awarded vendor shall at all times guard against injury to Escambia County employees. The vendor shall properly fence and secure the construction site(s) at all times, including evening and weekends.

H. The awarded vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

12. Compliance with Governing Laws and Regulations

The offeror or contractor will be required to fully comply with all applicable federal, state, and local regulations. The offeror should carefully review these requirements which are detailed in this solicitation.

13. Contract Term/Renewal/Termination

The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of thirty-six (36) months. The contract may be renewed for up to two (2) additional twelve (12) month periods, up to a maximum sixty (60) months upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

14. Option to Extend the Term of the Contract

The County may unilaterally extend the term of this contract by written notice to the contractor at least sixty (60) days before the expiration of any contract term. The exercise of the option shall be for the period specified and for the prices listed on the proposal form. All other terms and conditions of the contract shall apply to the option periods. The total duration of this contract, including the exercise of all options, shall not exceed five (5) years.

15. Pricing

All services sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates offeror has not honored quoted price lists and discounts, offeror will be liable for any and all overage charges.

16. Changes – Service Contracts

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas.

A. Description of services to be performed

B. Time of performance (i.e., hours of the day, days of the week, etc.)

C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

17. Termination

A. The contract may be canceled by the contractor, for good cause, upon ninety (90) days prior written notice.

B. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

C. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

18. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the offeror may withdraw his offer or provide a written extension of his offer.

19. Award

Award shall be made on an "all-or-none total by zone".

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

A. In an effort to encourage small businesses that may not have the infrastructure to service a client as large as the County, the Board of County Commissioners has asked that all of the County facilities be put into smaller Zones that small businesses can service.

B. With this in mind, vendors are encouraged to bid on each Zone, however, the vendor's bid for a Zone should reflect that the bid is a stand-alone price for that Zone.

1) The vendor may or may not be awarded any Zones.

2) The vendor may or may not be awarded multiple Zones.

C. Any firm that bids on a Zone and refuses to accept award or refuses to enter into an agreement with the County for any reason shall have the firm's Bid Surety retained by the County and not returned to the vendor.

20. Termination (Services)

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring deficiencies within five (5) working days of notification by the Contract Administrator.

Upon the third such written notification of unsatisfactory performance and/or deficiencies to the contractor by the Office of Purchasing within a four (4) month period, or the sixth such notification within any contract term, shall result in issuance of written notice of immediate contract termination to the contractor by the Office of Purchasing. Such termination may also result in suspension or debarment of the contractor.

21. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is

finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work).

Non-Contract Insurance Requirements

22. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the level of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred", however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract, or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract, or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage – Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract, or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (if utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract, or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of $1,000.
4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   213 Palafox Place 2nd Floor
   Pensacola, FL 32591
   Purchasing@myescambia.com

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Fidelity/Dishonesty/Liability Coverage – for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

23. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgements, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

PART I GENERAL INFORMATION

1-1 PURPOSE

The Board of County Commissioners of Escambia County is seeking the Professional Services of a qualified contractor to provide Custodial Services in County-owned and maintained facilities as noted in Exhibit "A". The primary objective of this RFP is the selection of the most qualified and experienced Contractor(s) to provide these Custodial Services in a manner that is most advantageous to the County.

1-2 ISSUING OFFICER

The project Director shall be Janice P. Gilley, County Administrator. The liaison officer shall be Donald Knight, Custodial Manager, Facilities Management Department. The contracting agency shall be the Escambia County Board of Commissioners, c/o the Office of Purchasing, 213 Palafox Place, 2nd Floor, Pensacola, Florida, 32502.

1-3 CONTRACT CONSIDERATION

It is expected that the contract shall be a multi-award, term agreement, and shall officially begin on October 1, 2020.

1-4 REJECTION

The right is reserved by the Board of County Commissioners to accept or reject any or all proposals or to waive any informality, existing in any proposal, or to accept the proposal which best serves the interest and intent of this project and is from the most responsive and responsible proposer.

1-5 INQUIRIES

All questions regarding this Request for Proposal shall be directed to Jeffrey Lovingood, Purchasing Coordinator, in writing via email at JDLovingood@myescambia.com.

1-6 ADDENDA

Any changes made in the Request for Proposal shall be brought to the attention of all of those who have provided the proper notices of interest in performing the services.

1-7 SCHEDULE

The following schedule shall be adhered to in so far as practical in all actions related to this procurement:

A. Mailing (Advertisement) Date……..….August 21, 2020

B. Last Date for Questions…….September 01, 2020 at 5:00 PM CDT

C. Receipt of Proposals.....September 04, 2020 at 2:00 PM CDT

D. Ranking Meeting.....September 09, 2020

E. Target Board Date…..……....September 17, 2020

F. Projected Start Date……..…….October 01, 2020

1-8 PRIME CONTRACT RESPONSIBILITIES

The selected contractor shall be required to assume responsibility for all services offered in their proposal. The selected contractor shall be the sole point of contact with regard to contractual matters including payments of any and all changes resulting from the contract.

1-9 DISCLOSURE

All information submitted in response to this RFP shall become a matter of public record, subject to Florida Statutes regarding public disclosure.

1-10 DELAYS

The Project Director reserves the right to delay scheduled due dates if it is to the advantage of the project.

1-11 WORK PLAN CONTROL

Control of the work plan to be developed under the RFP shall remain totally with the Escambia County Board of Commissioners.

PART II INFORMATION REQUIRED FROM CONTRACTORS

ALL PROPOSALS SHALL INCLUDE THE FOLLOWING: TECHNICAL AND COST PROPOSAL

2-1 PROPOSAL FORMAT AND CONTENT

All Proposers shall provide a straightforward and concise description of their ability to meet the RFP requirements.

All RFP documents (excluding the Excel Spreadsheet) shall be contained in a single PDF- or Microsoft Word-type document. The Excel Spreadsheet will also be returned complete as a single document.

There shall be avoidance of fancy bindings and promotional material within. The proposal shall clearly show the technical approach to include work tasks, estimated time phasing and the proposed approach rational. All proposals submitted in a sealed envelope shall be in spiral binding or "GBC" type binder with all pages 8.5" x 11" format. The County discourages overly lengthy or costly proposals.

2-2 INTRODUCTION

Proposals shall include the complete name and address of their firm and the name, mailing address, and telephone number of the person the County should contact regarding the proposal.

Proposals shall confirm that the firm will comply with all of the provisions in this RFP; and, if applicable, provide notice that the firm qualifies as a County proposer. Proposals shall be signed by a company officer empowered to bind the company. A proposer's failure to include these items in their proposals may cause their proposal to be determined to be non-responsive and the proposal may be rejected.

2-3 UNDERSTANDING OF THE PROJECT

Proposers shall provide a comprehensive narrative statement that illustrates their understanding of the requirements of the project and the project schedule.

2-4 METHODOLOGY USED FOR THE PROJECT

Proposers shall provide a comprehensive narrative statement that sets out the methodology they intend to employ and that illustrates how their methodology will serve to accomplish the work and meet the County's project schedule.

2-5 MANAGEMENT PLAN FOR THE PROJECT

Proposers shall provide a comprehensive narrative statement that sets out the management plan they intend to follow and illustrates how their plan will serve to accomplish the work and meet the County's project schedule.

2-6 EXPERIENCE AND QUALIFICATIONS

Provide an organizational chart specific to the personnel assigned to accomplish the work called for in this RFP; illustrate the lines of authority; designate the individual responsible and accountable for the completion of each component and deliverable of the RFP. It is understood by the County that staff may need to be hired to accomplish the tasks required. Firms shall provide an organizational chart and narrative description of the organization of the project team.

Provide a personnel roster that identifies each person who will actually work on the contract and provide the following information about each person listed.

[a] Title,

[b] Résumé,

[c] Location(s) where work will be performed,

[d] Itemize the total cost and the number of estimated hours for everyone named above.

After delivering an initial proposal in response to this solicitation, all submitters are prohibited from substituting, modifying, or amending those staff or subconsultants identified in the initial written submittal at any time during the course of the solicitation process up to the final award of contract. A substitution of staff or subconsultants, the addition of any subconsultants, or any other material changes to the submittal after the initial response will cause the submittal to be invalid for review and selection purposes.

Provide reference names and phone numbers for similar projects your firm has completed.

It is understood that firms will likely need to hire new staff to perform the duties outlined in this solicitation. For any employees that will need to be hired as a result of this award, please include a job description for the role(s) that will be filled, as well as your companies policies and procedures related to hiring and training.

2-7 COST PROPOSAL

Please see the attached Excel spreadsheet for Proposal pricing information. The Excel spreadsheet provides firms with a list, by zone, of each building/facility to be serviced.

A. Firms shall provide pricing based on the annual cost for servicing each building within a zone, based on a three (3) year agreement with up to two (2) one-year renewals.

B. Proposers are asked to offer complete pricing for each of the eleven (11) zones the firm is willing to service for the mutually agreed upon term noted in **2-7, A.**, above. Proposers are not required to offer pricing for any zone they do not wish to service.

C. **At the discretion of the Selection Committee, firms <u>may</u> be recommended for award by the Board of County Commissioners for zero, one, or multiple zones.** It is therefore imperative that pricing for each zone shall be "stand-alone" pricing representing the true cost to the County of that specific zone. The prices offered for each zone by the Proposer shall not be based on the firm being awarded any other zone. The pricing listed for any zone shall be considered a stand-alone price and the recommended award for such zone shall have no bearing on the recommendation to award any other zone.

D. **The Selection Committee reserves the right to limit the number of zones for which a firm will be recommended for award.**

E. Proposals that do not provide pricing for each building <u>within a zone</u> will result in the zone being considered non-responsive. If the overall proposal is responsive other zones bid will be considered, however, the County cannot select Vendors to service a zone based on incomplete information.

F. Proposer's cost proposals shall include an itemized list of all direct and indirect costs associated with the performance of this contract, including, but not limited to, total number of hours at various hourly rates, direct expenses, payroll, supplies,

overhead assigned to each person working on the project, percentage of each person's time devoted to the project, and profit.

G. In addition to the pricing for each zone, firms are asked to complete the Excel spreadsheet relating to Additional Area Cleaning Cost and Emergency Service Call. These are requested rates for any services outside the standard Scope of Work and shall be completed in full. Incomplete information for Additional Area Cleaning Cost and Emergency Service Call may result in a Proposer's complete bid being deemed non-responsive.

2-8 The Board has requested that each firm provide their status relating to being a minority-, woman-, and/or veteran-owned business. If a firm is using sub-contractors, the Bidder must provide the business status of the sub-contractor.

Additionally, the Board has requested that Bidders provide a breakout of the firm's employees by minority status, as well as the status of employees of any sub-contractor that will be performing the work.

The following are the designations requested:

1. **WOSBE** – Woman-Owned Small Business Enterprise
2. **VOSB** – Veteran-Owned Small Business
3. **SDVSOB** – Service-Disabled Veteran-Owned Business
4. **EDWSOB** – Economically Disadvantaged Woman-Owned Small Business
5. **DBE Certified** – Disadvantaged Business Enterprise
6. **SBA 8(A) Certified** – Small Business Administration program for small businesses owned by socially and economically disadvantaged people or entities.
7. **HUBZone Certified** – Historically Underutilized Business Zone, a federal program to encourage small businesses to locate in and hire employees from economically disadvantaged areas.
8. **Minorities**:
    A. African American
    B. Hispanic
    C. Asian
    D. Native American
    E. Pacific Islander

Please note that a copy of the Escambia County Code of Ordinance related to Small Business Enterprise (Sec. 46-111) and Participation of Minority and Women Business Enterprises (Sec. 46-112) has been included in this document.

PART III CRITERIA FOR SELECTION

3-1 EVALUATION MATRIX

To ensure that all RFP's are fairly evaluated, scored, and ranked, it is particularly important that the RFP's are prepared according to the prescribed format. Failure to follow this requirement may result in the disqualification of the vendor's proposal.

All proposals will be evaluated on the following scale:

		Maximum Point Value
1.	Scope of Services	10
2.	Adequacy of Staffing and Supervision	20
3.	Related Experience	20
4.	Safety Program and Training of Personnel	10
5.	Distance to Sites	20
6.	Proposed Fee Schedule	20
	Total Points Possible:	**100**

3-2 EVALUTATION CRITERIA

The recommendation to award any contract(s) will be based on each firm's responses to the following criteria as addressed in the RFP. References to "Project" in the evaluation criteria are related to potential projects within the services described in this RFP. Please separate the RFP responses into the following categories:

1. Scope of Services

A. Describe your firm's depth of understanding of the work.

B. Clarify your firm's capacity to successfully provide the services required. Additionally, firms shall include their plan for scaling up trained staff in preparation for an October 1, 2020 start date.

C. Include quality assurance procedures to be utilized.

D. Indicate the firm's willingness to work with County staff in the creation and implementation of site-specific work-orders and task plans.

2. Adequacy of Staffing and Supervision

A. Describe the typical organizational structure to be used to staff County facilities and the responsibilities of each staff member.

B. Provide a brief résumé of proposed Site Supervisor(s) and other key positions. No more than one page dedicated to each individual.

C. Provide an organization chart for each Zone and indicate which positions are full- and part-time. Include an organizational chart showing corporate support, if applicable.

D. Provide staff qualifications including job descriptions which indicate minimum qualifications required.

E. The County recognizes that in order to recruit and retain quality personnel, the Proposer may offer a package of benefits including life insurance,

health insurance, and paid leave, among other potential benefits. Please indicate the benefits offered/provided to employees and if the company or employee pays the expense.

F. Indicate the Proposer's plan to minimize turnover and assure the highest rates of retention. Provide a five (5) year history of turnover for all previous contracts.

3. Related Experience

A. List all clients currently under contract.

B. Include information on previous and current experience with commercial contracts of similar size and/or dollar value.

C. Include reference letters from the client on each of the three (3) most closely related agencies or businesses. References are to be specific to the Proposer. The references shall include the company name, address, contact email address and phone number. References shall not include any County employees or members of the Escambia County Board of County Commissioners.

D. Include approximate square footage and cost of contract(s).

E. Provide a summary of any litigation, claim, or contract dispute(s) which have been finalized and/or decided by a Court of Law, which were filed by or against the Proposer in the past five (5) years. Include a summary of the nature of the litigation, claim, or contract dispute, a brief description of the case, the outcome, and the monetary amounts involved.

4. Safety Program and Training of Personnel

Provide a copy of the Proposer's Training Plan to include but not be limited to the following:

A. Management's Safety Policy Statement.

B. Hazard Assessment and Safety Planning processes.

C. Staff training plans for Occupational Safety and Health (OSHA).

D. Plans for the handling and clean-up of blood-borne pathogens.

E. Driver safety training, including golf cart operations.

F. Staff orientation program.

G. On-going training and experience requirements.

H. Data to support the existence and quality of the programs the Proposer brings to the operation with respect to providing a safe and secure workplace.

5. Distance to Sites

Indicate the primary location of the Proposer's office that will have direct responsibility for this contract. If the distance from the project exceeds sixty (60) miles, describe how the project would be effectively managed or what limitations in services, if any, the County might expect as a result of the distance.

6. Proposed Fee Schedule

A. Provide the pricing schedule on the Price Proposal Form (Excel).

B. The proposed rates shall remain firm for the first year of the contract term and shall include all charges incurred in fulfilling the terms of the contract.

C. Each year, on or before January 31, the awarded vendor may request a rate increase.

1) An increase in contract rates will require prior written approval by the County and shall take effect at the next fiscal year or renewal period, if any remain, and if the Board awards the new rate.

2) All increases related to changes in wage law(s) or other applicable laws shall not be retroactive and can only be granted for the upcoming year of service. When wages are affected by changes to the wage law(s), only the specific positions affected by the wage law(s) will be reviewed to determine the increase.

3) Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract approved by the Board of County Commissioners.

3-3 EVALUATION METHOD

The County will appoint a Selection Committee to evaluate proposals and will evaluate and rank all responsive proposals to determine which proposal(s) best meet the needs of the County based on the evaluation criteria. A firm(s) shall then be recommended for award by the Escambia County Board of County Commissioners.

The County may elect to choose to award zero, one, or multiple zones, and may adjust which buildings are within each zone.

The County shall be the sole judge of its own best interests, the proposals, and the approval of any resulting contract. The County's decisions shall be final.

3-4 NON-RESPONSIVE PROPOSALS

Non-responsive proposals will be rejected by the Purchasing Department and may not be distributed to the Selection Committee for consideration. Additionally, the Selection Committee may determine that required submittals/documentation is so inadequate as to be determined to be non-responsive. Non-responsive proposals may include but are not limited to the following:

1. Failure to sign the proposal and failure to have the proposal signed by someone with authority at the firm to sign a binding agreement.
2. Failure to acknowledge addenda (unless all changes are not material to the Scope).
3. Failure to provide required submittals/documentation.
4. Submission of a late proposal.
5. Firm does not meet minimum requirements.

3-5 NOTIFICATION

Upon completion of the evaluation of all written proposals, the Selection Committee will meet on September 09, 2020. At this time, the Selection Committee shall rank then recommend firms for zero, one, or multiple zones.

The Ranking meeting is a public meeting; however, it is not a public-participation meeting. Firms can join by coming to the Office of Purchasing for the Ranking meeting or by attending a videoconference, the link for which will be provided to all responsive proposers.

PART IV SCOPE OF WORK

4-1 SUMMARY

The Contractor shall provide all labor, supplies, and equipment needed to perform required services. The Scope is defined as cleaning and maintaining all interior areas and exterior entrances for the building under contract unless otherwise specified in writing by Facilities Management.

DEFINED TASK: The following tasks defined as general cleaning shall be deemed the "Scope of Work" for the purposes of this solicitation.

4-2 CUSTODIAL CLEANING SPECIFICATIONS

A. Floor Maintenance

Floors shall be cleaned in accordance with the following standards to maintain a safe, sanitary condition, present a pleasing appearance, and provide protection from damage.

1. **Damp Mopping:** A damp-mopped floor shall have an evenly cleaned surface that is free of dirt, dust, hair, mop marks, smears, film, dirt residue, streaks, debris, and standing water. All mop marks on baseboards, doors, and furniture shall be removed. Floors that cannot be cleaned satisfactorily by damp mopping shall be scrubbed.
2. **Scrubbing:** A scrubbed floor shall have an evenly cleaned surface that is free of dirt, dust black marks, and other foreign matter to the floor surface. Wax that has been removed during the scrubbing operation shall be reapplied.
3. **Buffing:** A buffed floor will be done in such a manner that the finish will be evenly distributed on the floor surface. The floor surface shall present an even, clean, and uniform sheen, with no brush marks left upon completion of work. Floors shall be dust mopped, damp mopped, and have black marks removed prior to buffing operation.
4. **Spray Buffing:** A spray-buffed floor shall have received spray applications of wax and sufficient buffing to provide a high gloss finish that blends in with the surrounding floor finish. The floor surface shall be cleaned to remove all dust, dirt, and black marks prior to the buffing operation.
5. **Stripping of Waxed/Sealed Surfaces:** A properly stripped floor shall have all wax/sealer removed down to the flooring material. The floor shall be left free of all dirt and stains.
6. **Waxing:** A properly waxed floor shall have an even coating of slip-resistant wax. The floor shall be clean and bright, including corners and under furniture. Wax shall be buffed to a uniform sheen, leaving no brush marks. If self-polishing wax is used, buffing is not required.
7. **Sealing:** A properly sealed floor shall have an even coating of slip-resistant sealer. The floor shall be clean and bright, including corners and under furniture.
8. **Polishing:** A properly polished floor area shall be free of small objects such as paper clips, staples, etc. This shall include removal of trash and debris of building interior and exterior doorways.

9. **Vacuuming:** A properly vacuumed floor, carpet, elevator, and stairway shall be free of all dust, dirt, cobwebs, grit, and lint. This includes debris in corners, behind doors, and under furniture (except permanently positioned items, such as built-in, safes or file cabinets). Removal of chewing gum or other foreign matter is considered part of vacuuming process.

10. **Detailing:** Properly detailed carpeting shall be vacuumed with edging tools around edge of carpet, desk legs and other areas inaccessible to equipment. This process shall be done at the time of each vacuuming or cleaning.

11. **Steam Cleaning:** Properly steamed carpet shall be free of dirt, streaks, stains, and spots.

12. **Spot Cleaning:** All floor and carpet areas spot cleaned shall be free of all stains, deposits, and cleaning marks.

13. **Rug and Carpet Care:** A properly cared for carpet shall be free of dirt, streaks, stains, spots and have a bright uniform color.

14. **Interior Concrete, Brick, and Ceramic Tile Floor Care:** Properly cared for concrete, brick and ceramic tile floors shall be free of streaks, stains, black marks, spots, gum, and other foreign matter to floor surfaces and shall have a bright, uniform color and appearance. Waxing of concrete and ceramic tile floors is prohibited.

15. **Baseboard Care:** All baseboards shall be kept clean and free of dust, dirt, splash marks and other matter foreign to the surface. Baseboards should be free of wax buildup at VCT floors.

B. Building Surfaces Maintenance

Building surfaces shall include doors, elevators, interiors, shelves, walls, trim, woodwork, handrails, stair rails, banisters, baseboard, frames, windowsills, ledges, and other horizontal surfaces.

1. **Vacuuming/Dusting** – A properly vacuumed/dusted surface is free of all dust, dirt, streaks, lint, and cobwebs.

2. **Washing** – Properly washed doors, walls, trim, woodwork, shelves, baseboards, handrails/stair rails, including their component parts, shall be clean and free from all dirt, dust, film streaks, smudges, lint, cobwebs, and debris.

3. **Damp Wiping** – Surfaces properly damp wiped shall be free of dirt, dust, marks, film, streaks, smudges, lint, cobwebs, and other debris.

4. **Horizontal Surfaces(s) Care** – Properly cared for horizontal surfaces shall be free of all dust, dirt, streaks, lint, and cobwebs.

5. **Metal Cleaning and Polishing** – Properly cleaned and polished metal surface(s) shall be clean and bright without deposits or tarnish. Metal cleaner shall be promptly removed from adjacent surfaces.

6. **Spot Cleaning** – Surfaces adequately spot cleaned shall be free of all stains, deposits and substantially free of cleaning marks.

7. **Glass and Mirror Cleaning** – Glass and mirrors accessible surfaces cleaned shall be without streaks, film, smudges, deposits and stains with a

uniformly bright appearance and adjacent surfaces wiped clean. Glass surfaces shall include, besides windows and mirrors, all display cases, and cabinets, building directory board enclosures, picture frame enclosures and glass panels within or adjacent to interior and exterior doors.

C. Windows Maintenance

1. **Window Washing and Brushing of Screens** – Properly washed window/door pane and frame shall be free of dirt, film, smudges, streaks, and other debris both inside and out. Screens, sunshade screens and screen frame shall be free of dust, dirt, cobwebs, lint, and other debris. Brushing shall be accomplished outside of building at location that does not conflict with other activities or cause damage to screens. Screens that are removed shall be replaced in their original positions.

2. **Vertical/Mini-Blinds** – Properly cleaned blinds(s) shall be free of all dirt, dust, smudges, film, streaks, lint, and cobwebs.

3. **Drapery Care** – Draperies shall be vacuumed in place. Extreme care shall be taken to protect draperies during the vacuuming process.

4-5 ADDITIONAL PROVISIONS

All employees assigned by Contractor to perform the work under the resulting contract shall be physically able to do their assigned work, and shall be free from communicable diseases. It shall be the contractor's responsibility to ensure all employees meet the physical standards needed to perform the work assigned. All personnel employed by contractor shall be trained and qualified in their assigned type of work.

A. CONTRACTOR REQUIREMENTS

1. Contractor will require all employees to report for duty in County-approved uniforms with the Company logo and approved photo ID badges while on County Property.
2. All contractor vehicles shall be clearly identified as belonging to the contractor and shall clearly display a parking decal where required.
3. Prohibit employees from disturbing papers on desk (must dust/clean around items on desk), opening desk drawers and cabinets, or using the telephones, computers, or office equipment provided for County use.
4. Require employees to comply with instructions pertaining to conduct and building rules and regulations.
5. Ensure employees do not have access to buildings or County property unless on official duty.
6. Conduct a national criminal background check on all prospective employees before hire for the County premises. The contractor will reject any person whose criminal background demonstrates he/she failed to report criminal convictions accurately on the contractor's employment application form. Any person having a conviction for a felony involving theft, burglary, embezzlement, violence, or moral turpitude under the laws of Florida or any other state, within the 10 years immediately preceding the date of his/her employment will be forbidden to be employed by the contractor for County. All provision of Chapter 435 F.S. must be followed.

   Once the firm's background check is complete, any of the firm's employees being asked to work in a secure location are required to have a County-provided background check.
7. Ensure all applicable employment laws are followed.
8. Provide adequate supervision of employees to ensure complete and satisfactory performance of all work in accordance with the resulting contract. When work is performed, supervision should be onsite and available at all times. Supervision shall be fully and adequately trained, with experience in cleaning supervision, sufficient in scope to meet the approval of County's representative. Supervision shall be responsible for hiring, training, equipping, directing, discharging, and issuing uniforms for all

custodial services personnel. Supervision shall also be responsible for monitoring the work order management software or email to ensure work orders are completed in a timely manner.

9. Provide, for approval by the County, a chain of command for management and supervision for all contractor staff at each location. The contract shall provide County's representative written list of all key employees and should update upon changes.

10. Report all stopped drains, broken fixtures, glass, burnt out lights, and other facilities maintenance needs to the County representative on the established computerized maintenance request.

11. Notify the County of any observed irregularities (i.e., defective plumbing, unlocked doors, lights left on, etc.) The Contractor shall be responsible for turning off all lights when not needed for the cleaning that room, and all lights are to be turned off at the end of the shift. The Contractor shall provide a quality assurance review report and meet with the County representative monthly or as requested to discuss service quality assurance reviews report. These meetings shall be held at a mutually agreeable time.

12. Take all steps necessary to protect the public and nearby property from damage during custodial activities. Any damages to the County property as a result of the vendor must be remedied by the awarded vendor.

13. Ensure all doors are to remain shut and then locked after cleaning.

14. Ensure all keys shall be maintained in accordance with the County key procedure. Any lost keys will be paid for by the contractor. Any rekeying of buildings necessitated by keys being lost by contractor will be paid for by contractor.

15. Schedule sufficient staff at no extra charge for County special events which shall include but not be limited to cleaning as may be required from time to time. The County will notify the Contractor at least twenty-four (24) hours prior to requirement.

16. Maintain a Material Data Safety Sheet (MSDS) file on all chemical and cleaning agents used in the performance of this contract. A copy of MSDS's shall be provided to the Facilities Management Branch prior to its use. Green products are highly encouraged to be used for the appropriate applications.

17. Responsible for lost or stolen keys and security proximity cards issued to them. They may be financially responsible for reimbursement to the County for the replacement of any keys, cards, or locks due to the loss or theft. The Contractor shall maintain a key log of all of its locations and their employees that have been issued keys and cards to County buildings. Facilities Management may request a copy of the key log at their discretion. Key Boxes may be utilized in specific buildings to insure key control.

18. Willing to make accommodations to clean sensitive areas at specific days and times if requested by the building occupants. This may require being escorted and/or providing the services during the occupant's normal business hours.

19. The Contractor shall be made available to clean the Board of County Commissioners chambers and surrounding areas after all scheduled meetings.

20. In the event that the County requests additional project assistance or special services outside the scope of this contract, the Contractor shall provide such extra labor on an hourly rate basis, not including materials. All such work shall be performed outside of, and exclusive of, the normal scope of scheduled services.

B. COST INCREASES

Any annual cost increase request must be submitted to the Director of Facilities Management by February 1st for the following annual term. The increase will only be granted under the following conditions, an increase in the CPI measured as the annual rate for the previous 12 months, regionally adjusted and an increase to minimum wage. These factors will be reviewed independently and will not be submitted as a combined % requested increase. A percent increase in CPI shall only be requested on the non-labor portion of the contract. For a request due to minimum wage increase, the contractor must supply documentation of the employee wages and outline which employees will be affected by the minimum wage increase.

C. ADDITIONS/DELETIONS

The County reserves the right to add or decrease buildings and square footage under the same terms, specifications, and conditions of this contract. The rates for the new areas will be quoted by the Contractor for County approval and shall be based on the cost per square foot as bid for the same or similar building. This includes when there is an increase or decrease to the number of cleaning days.

D. COMPLAINTS

Customer complaint records will be maintained by the County representative(s). For each customer complaint, the County representative shall document the incident and report it immediately to the Contractor. The County representative will then investigate the complaint, accompanied by the Contractor's representative, if the Contractor desires. If the complaint is found to be legitimate, it will be labeled as a "valid complaint." For every one "valid complaint" documented for the month, one-tenth percent (1/10%) of the monthly invoice amount will be deducted from the Contractor's payment for that same month as a penalty. For example, if twenty (20) complaints are found to be "valid complaints" during that same month, then a total of two percent (2%) will be deducted from the Contractor's payment for that month resulting from customer complaints. Leaving doors unlocked and not arming or disarming alarms systems properly that results in a false alarm is an example of a valid complaint. Any costs assessed to the County for excessive false alarm responses by local law enforcement agencies attributable to failed performance will be the financial obligation of the Contractor. Not having soap in the dispensers is another example of a valid complaint.

4-6 SUPPLIES, CHEMICALS, AND EQUIPMENT

The Contractor shall furnish and maintain all the necessary equipment, cleaning chemicals and supplies required for proper maintenance as described in these specifications and to meet all local fire codes for storage of cleaning agents and solvents. The County is not

responsible for any repairs, maintenance, or replacement of inoperable equipment. The contractor shall be responsible for any replacement equipment required.

The Contractor will provide with his/her proposal a list of the chemicals and supplies that will be used to perform the work under this contract. OSHA Material Safety Data Sheets (MSDS) are required for all chemicals and cleaning products and shall be supplied to the County at the time of product introduction. In addition, all MSDS shall be maintained on-site and updated on a quarterly basis. The County shall be notified in writing each quarter ten (10) business days prior to updates and one (1) full copy of the most current MSDS shall be furnished to the County.

The Contractor will display the MSDS sheets, in English and Spanish, in each custodial closet where the cleaning products are stored. All bottles are to be labeled properly listing all ingredients. The Contractor is responsible for training its employees on how to read the MSDS and to follow instructions for both use of product and responding to a spill or ingestion of product. The Custodial Manager or designee will conduct periodic inspections of cleaning supply cabinets and MSDS books to ensure cleanliness, proper labeling of chemicals, documentation of supplies stored on County property, and compliance.

The Contractor will identify their efforts in the green cleaning movement. Green cleaning is a widely accepted movement that uses procedures and products that consider the health of the building occupants, custodians, and the environment.

The following minimum supplies, chemicals and equipment shall be provided/supplied by the Contractor (NOTE: The County reserves the right to approve all supplies, chemicals and equipment used at the County facilities prior to their use).

Soap for dispensers	Anti-Bacterial Hand sanitizer for dispensers
Toilet tissue (2-ply)	Roll towels and Multi-fold towels
Sanitary toilet cover sleeves	Plastic trash liners (inside/outside receptacles)

Contractor will replace all broken dispensers as needed and provide additional dispensers when determined necessary.

Escambia County focuses on providing safe, effective, and environmentally friendly products in all of their buildings. Green seal certified products are highly encouraged when deemed appropriate and effective for the task.

Vacuum cleaners shall be required to have a HEPA filtration system.

All disinfectant agents and chemicals used by the contractor in the cleaning process shall be bactericidal, fungicidal, viricidal and tuberculocidal, in accordance with appropriate laws & guidelines. Green seal certified products are highly encouraged to be used for the appropriate applications.

All carpet shampooing and stripping and waxing of floors will be performed after hours, on weekends or holidays, unless other specific arrangements have been approved by Facilities Management. This additional work will be invoiced separately and written authorization by Facilities Management will accompany the invoice for payment. No additional work shall be performed without prior written authorization.

It is the responsibility of the Contractor to ensure that all cleaning products are compatible and appropriate for the surfaces to be cleaned. The Contractor will be held responsible for the repair or replacement of any surfaces or items found to be damaged by the improper use of any product it provides.

4-7 SAFETY REQUIREMENTS

All work procedures, materials and supplies and all equipment provided to each employee must meet all Occupational Safety and Health Administration (OSHA) and American National Standards Institute (ANSI) standards. The Contractor shall be responsible for annual safety training for employees in Florida's Right to Know, OSHA Blood borne Pathogens and Center for Disease Control (CDC) Blood borne Pathogens information, and Environmental Protection Agency (EPA) hazardous waste disposal training. Proof of training will be provided to the County.

All equipment used by the Contractor shall be maintained in safe operating condition at all times, free from defects or wear which may in any way constitute a hazard to any person or persons on County property. Vacuum cleaners must be HEPA filtered at 99.97% efficient at 0.3 microns. All electrical equipment will be properly grounded. No internal combustion driven equipment or propane floor machines will be approved for use in County facilities. All employees will wear proper personal protective equipment while working on County property.

The Contractor shall not permit placing or use of mops, brooms, or equipment in traffic lanes or other locations in such a manner as to create safety hazards, and shall provide appropriate warning signs for slippery floor areas caused by cleaning or floor finishing operations. The Contractor's employees shall be required to interrupt their work at any time to allow passage of personnel.

4-8 INSPECTION CRITERIA

Inspection records will be maintained by the County representative(s).

Rooms/areas and exterior areas will be selected by and inspected each month.

The Counties representative(s) will evaluate restrooms/gym rooms as "acceptable" or "unacceptable" using the following criteria:

A. Presence of adequate two (2) ply toilet paper, paper towels, sanitary toilet sleeves, soap, and/or anti-bacterial hand sanitizer.

B. Absence of soil, stains, and rust on toilet room fixtures, drains, traps, faucets, soap and paper dispensers, stalls, mirrors, ledges and drinking fountains

C. Absence of dust on horizontal and vertical surfaces of floors, walls, ledges, furniture, and equipment

D. Absence of litter and trash on floor and horizontal surfaces of equipment

E. Absence of finger marks and spots and soil build-up on walls, partitions, doors, dividers, etc.

F. Absence of encrustation, soil, and wax build-up on floors, particularly in corners, along edges and baseboards, around door jambs, and around fixture and equipment bases

G. Absence of soil, litter, dust, and encrustation in trash containers

H. Absence of soil and dust on window blinds, shades, sills, frames, and ledges

I. Absence of other visible soil and cobwebs on horizontal surfaces including ceilings

J. Absence of soil, litter, dust and spots from all mats and floors

K. Absence of streaks, spots, stains from all bright work, where appropriate - All bright

works shall be polished dry to a high sheen

L. All other contract provisions.

If item #1 is found to be unacceptable, the restroom will be deemed “unacceptable.” If a total of four (4) of the other items are found unacceptable the restroom will be deemed “unacceptable.” If two (2) or more of the same items are found unacceptable in more than half of the rooms inspected in one month, a sustenance problem will be deemed to exist. This condition will require the Contractor to determine the cause and take corrective measures.

The County representative(s) will evaluate non-restrooms as “acceptable” or “unacceptable” using the following criteria:

A. Absence of dust on horizontal and vertical surfaces of floors, walls, ledges, furniture, HVAC vents and equipment

B. Absence of litter and trash on floor and horizontal surfaces of equipment

C. Absence of finger marks and spots and soil build-up on walls, partitions, doors, dividers, etc.

D. Absence of encrustation, soil, and wax build-up on floors, particularly in corners, along edges and baseboards, around door jambs, and around furniture and equipment legs and bases

E. Absence of soil and stains on fixtures, drains, traps, faucets, soap and paper dispensers, mirrors, ledges and drinking fountains

F. Absence of dust, spots, soil build-up and encrustation on furniture and equipment surfaces and legs

G. Absence of dust, lint, and litter on upholstered furniture

H. Absence of soil, litter, dust and encrustation in ash trays, urns, wastebaskets, and trash containers - Trashcan liners shall be new and urn sand in good condition

I. Absence of marks, spots, stains and streaks on interior and exterior entrance doors and all glass windows

J. Absence of soil and dust on window blinds, shades, sills, frames, and ledges

K. Absence of other visible soil and cobwebs on horizontal surfaces including ceilings

L. Absence of soil, litter, dust and spots from all carpets, mats, and floors

M. Absence of streaks, spots, stains from all bright work and stainless steel, where appropriate - All bright work shall be polished dry to a high sheen

N. Empty or nearly empty trashcans and pencil sharpeners (depending on time of day)

O. Absence of interior walk-off mats by all entrance/exit doors.

If a total of five (5) items are found to be unacceptable, the non-restroom will be deemed “unacceptable.” If two (2) or more of the same items are found unacceptable in more than half of the rooms inspected in one month, a sustenance problem will be deemed to exist. This condition will require the Contractor to determine the cause and take corrective measures.

For every one (1) “unacceptable” room rating in a month, one percent (1%) of the monthly invoice amount will be deducted from the Contractor’s payment for that same month as a penalty. For example, if ten (10) rooms are found to be “unacceptable” in one month, then ten percent (10%) of the monthly invoice amount will be deducted from the Contractor’s payment for that month resulting from “unacceptable” room ratings.

All unacceptable rooms will be re-inspected for compliance. A repeat “unacceptable” rating will cause an additional one percent (1%) to be deducted from that month’s payment.

Sec. 46-110. - Local preference in bidding.

(a) *Legislative intent.* The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the county's overall tax base.

(b) *"Local business" defined.*

Local business. For purposes of this section, "local business" shall mean a business which meets all of the following criteria:

(1) Has had a fixed office or distribution point located in and having a street address within Escambia County or Santa Rosa County for at least one year immediately prior to the issuance of the request for competitive bids by the county. The fixed office or distribution point must be staffed by at least one employee. Post office boxes are not verifiable and shall not be used for the purpose of establishing a physical address;

(2) Holds any business license required by Escambia County or Santa Rosa County; and

(3) Is the principal offeror who is a single offeror; a business which is the prime contractor and not a subcontractor; or a partner or joint venturer submitting an offer in conjunction with other businesses.

(c) *Certification.* Any vendor claiming to be a local business as defined above shall so certify in writing to the office of purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certifications, and shall have the sole discretion to determine if a vendor meets the definition of a "local business."

(d) *Preference in purchase of commodities and services by means of competitive bid.* Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive bid (local price match option). Each formal competitive bid solicitation (i.e., sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.00, and the bid submitted by one or more qualified and responsive local businesses is within five percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated community redevelopment area (CRA) is within seven percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.00, and the bid submitted by one or more qualified and responsive local businesses is within three percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within five percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within two percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within four percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the office of purchasing within five business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the board of county commissioners.

(e) *Notice.* All bid solicitation documents shall include notice to vendors of the local preference policy.

(f) *Waiver of the application of local preference.* The application of local preference to a particular purchase or contract for which the board of county commissioners is the awarding authority may be waived upon approval of the board of county commissioners.

(g) *Limitations.*

(1) The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

(2) The provisions of this section shall not apply where prohibited by federal or Florida law or where prohibited under the conditions of any grant.

(3) The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

(4) The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

(h) *Penalties.*

(1) *Misrepresentation.* A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the county will lose the privilege to claim local preference status for a period of up to one year from the date of the award of the contract or upon completion of the contract whichever is greater. The county administrator, in his discretion, may also recommend that the firm be referred for suspension of eligibility to claim the privilege of local preference.

(2) *Failure to maintain local business preference qualifications.* Any vendor that does not maintain its local

preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

(3) *Lack of good faith.* The contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the county determines that the contractor or firm did not act in good faith, all amounts paid to the contractor or firm under the county contract intended for expenditure with the local business shall be forfeited and recoverable by the county. In addition, the contract may be rescinded and the county may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

(Ord. No. 2013-43, § 2, 9-16-2013; Ord. No. 2016-9, § 2, 1-21-2016)

Sec. 46-111. - Small business enterprise program.

(a) *Purpose and intent of section.* The purpose and intent of this section is to provide the maximum opportunity for increased participation of qualified small businesses in the county's procurement system.

(b) *Definitions.* The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

Commercially useful business function means adding value to the goods and services supplied under a contract. A small business is considered to perform a commercially useful business function when it is responsible for execution of a distinct element of work of a contract or transaction and carrying out its responsibilities by actually performing, managing and supervising the work performed. Businesses who merely act as a conduit do not perform a commercially useful business function and will not be eligible for certification as a SBE. In determining whether a business performs a commercially useful business function, consideration will include, but not be limited to, whether the business adds a value to the product or service provided; whether the business has a distributorship agreement with the manufacturer of goods supplied; whether the business takes possession of the product or service provided; whether the business warrants the product or service provided; whether the business maintains sufficient storage space to keep the product in inventory; whether the business maintains sufficient inventory to meet the requirements of its contracts; whether the business provides the product or service to the public or other business other than a governmental agency.

SBE means a small business enterprise certified by Escambia County.

(c) *Scope.* Unless otherwise prohibited by federal or state law, this chapter shall apply to the solicitation of all goods, services and construction by the county which are governed by the county purchasing code. Whenever possible, the county shall utilize a solicitation process which encourages SBE participation even on those items which are exempted from the requirements of the purchasing code.

(d) *SBE program goals.*

Annual goal: The cumulative annual SBE goal shall be up to 15 percent of the total annual expenditures for operating and capital costs for the current fiscal year as calculated in accordance with county SBE program policies and procedures. The cumulative annual SBE goal may be adjusted annually by the board of county commissioners.

(e) *Certification.*

(1) *Requirements.* For the purposes of this section, the following certification requirements shall govern:

a. The business must currently perform a commercially useful business function;

b. The business must be a local business as defined in section 46-110;

c. The business must be an independently owned and operated, for-profit entity;

d. The business may employ ten or fewer full time employees; and

e. The business may have a net worth of not more than $1,000,000.00.

(2) *Application procedure.* All applicants wishing to be considered as certified businesses for the benefits of the SBE program must complete the small business self certification form which can be obtained through the office of purchasing. This is a self-certification process and shall require a signed affidavit attesting to the accuracy of the data provided on the form.

(3) The purchasing department shall accept SBEs for use by the county in its purchasing and procurement process based upon the eligibility requirements provided herein. The purchasing department shall maintain an up-to-date electronic list of SBEs, and encourage the use of this list by all departments in their procurement activities.

(4) Any change of ownership or circumstances that may affect certification eligibility of an SBE must be reported to the purchasing department within 30 days of the change taking place. In the event of a change, the current owner is responsible for fulfilling this reporting requirement prior to seeking business with the county.

(5) *Recertification.* Certified SBEs are required to submit an affidavit of their continued eligibility as a SBE every year. If there has been a change in operation, ownership, control, activities, domicile or gross receipts, the SBE must identify such change on their application for recertification. A company that fails to submit its affidavit of continued eligibility will no longer be deemed certified for purposes of participation in the small business program.

(6) *Decertification.* If during any period of certification, the county has reason to believe that the SBE was not properly certified or that there has been a substantial change of ownership or circumstances that may affect certification eligibility then the county administrator may conduct an investigation and decertify an SBE if the investigation indicates that continued certification would be contrary to the county's SBE program requirements. The county administrator shall notify the SBE by certified mail that it has been decertified. Any business that is decertified may not be recertified for one year from the date of decertification.

(7) *Appeal of decertification.* Any business that believes it was wrongfully denied certification may submit a written request with the office of purchasing to appeal the decertification. The appeal shall be filed within 20 days of receipt of the notice of decertification. The request for appeal shall state with particularity the reasons why the business believes the denial was erroneous.

(8) *Hearing on appeal of decertification.* If an appeal is requested, an administrative review will be conducted by the county administrator, or designee, within 45 days of receipt of the notice of appeal. Upon review, the county administrator, or designee shall take one of the following actions:

a. *Grant the appeal.* If a determination is made that decertification was contrary to county's SBE program requirements, the appeal shall be granted and the business recertified;

b. *Deny the appeal.* If a determination is made that certification would be contrary to the county's SBE program requirements, the appeal shall be denied and the applicant may request that the matter be referred to a special master for further proceedings in accordance with subsections 46-102(4)—(7); or

c. *Refer the appeal to a special master.* If no administrative determination is made, the matter may be referred to a special master for further proceedings in accordance with subsections 46-102(4)—(7).

(f) *False representation.*

(1) It is unlawful for any individual or entity to knowingly submit false information in order to qualify for SBE certification.

(2) Any contractor that falsely represents to the county that it is an SBE, or knowingly submits false information or represents that it will use the services or commodities of an SBE and subsequently does not, shall be deemed in breach of contract. Upon a determination that a breach has occurred, all payments under the contract or

any other arrangement shall be immediately suspended. The contractor may show that it attempted in good faith to comply with the terms of the contract but was unable to comply. If the county determines that the contractor did not act in good faith, all amounts paid to the contractor under the county contract or agreement intended for expenditure with the SBE shall be forfeited and recoverable by the county. In addition, the contract or agreement may be rescinded and the department or division may return all unused goods received and recover all amounts paid under the contract.

(3) Any contractor or affiliate determined to have falsely represented that it or a subcontractor is an SBE, or determined to have not acted in good faith to fulfill the terms of a contract calling for it to use the services or commodities of an SBE, will be considered under the county's suspension and debarment policy.

(g) *Reservation of contracts.*

(1) Unless otherwise prohibited by federal or state law, the county may reserve contracts to be awarded only to SBEs. The county may review all of its needs and requirements in each fiscal year and the board of county commissioners may determine which contracts may be reserved for bidding only by SBEs. This reservation may only be used when it is determined, before dissemination of the request for proposals or invitation to bid, that there are capable, qualified, SBEs available who are interested and willing to bid on these contracts in order to provide for effective competition. Once a decision has been made to reserve a contract, the county shall estimate what it expects the dollar amount of the contract to be based on the nature of the contract and its value under prevailing market conditions. If all the bids received are over this estimate, the county may reject the bids and open the bidding to all vendors and contractors. Before contracts can be reserved for bidding only by SBEs, the board of county commissioners must determine that such a reservation is in the best interest of the county.

(2) Unless otherwise prohibited by federal or state law, the county may reserve any construction contract for competitive bidding for contractors who agree to utilize SBEs as subcontractors or subvendors. The percentage of funds which must be expended with SBE subcontractors shall be determined by the county before the contract is reserved. In order to bid on a construction contract so reserved, the contractor shall identify those SBEs that will be utilized as subcontractors or subvendors. Once a decision has been made to reserve a contract, but before bids are requested, the county shall estimate what it expects the amount of the contract to be based on the nature of the contract involved and its value under prevailing market conditions. If all the bids received are over this estimate, the county may reject the bids and open the bidding to all vendors and contractors. It is the express responsibility of the contractor to verify that all SBEs that will be utilized as subcontractors or subvendors are currently certified by the county.

(h) *SBE preference.*

(1) The county may award a bid preference on any single bid, as provided in section 46-110, to a certified SBE.

(2) SBE preference does not apply to contracts that are reserved in accordance with this section. Preferences as provided in this chapter may not be combined. Only one preference may be awarded on any single solicitation to any certified SBE or contractor. Any SBE bid preference awarded pursuant to this section shall take priority over any local business bid preference that may apply to any single solicitation.

(i) *Responsiveness of bids—good faith efforts.*

(1) Every competitive bid, if not submitted by a SBE, must demonstrate good faith efforts to utilize SBEs as subcontractors or subvendors.

(2) The county may consider written documentation submitted with the bid package in determining whether a contractor has made one or more good faith efforts including, but not limited to:

a. Whether the contractor attended any presolicitation or prebid meeting that was scheduled by the county to inform SBEs of contracting and subcontracting opportunities;

b. Whether the contractor advertised in a general circulation, trade association, and/or SBE focus media

concerning the subcontracting opportunities;

c. Whether the contractor provided written notice to a reasonable number of SBEs that their interest in the contract was being solicited in sufficient time to allow the SBE to participate effectively;

d. Whether the contractor followed up initial solicitations of interest by contacting SBEs to determine whether a SBE is interested;

e. Whether the contractor selected portions of the work to be performed by SBEs in order to increase the likelihood of meeting the SBE goals of the county, including, where possible, breaking down contracts into economically feasible units to facilitate SBE participation;

f. Whether the contractor negotiated in good faith with interested SBEs, not rejecting SBE as unqualified without sound reasons based on investigation of their capabilities;

g. Whether the contractor made efforts to assist interested SBEs in obtaining bonding, lines of credit, or insurance required by the county and/or the contractor; and

h. Whether the contractor effectively used the services of available small business community organizations; small business contractors' groups; local, state, and federal business assistance offices; and other organizations that provide assistance in the recruitment and placement of small businesses.

(3) The county may waive the good faith requirement for procurement where sub-contracting is not applicable or in order to ensure adequate competition.

(j) *SBE assistance program.*

(1) The SBE assistance program is established within the office of purchasing and will report all recommendations and activities associated with the SBE program directly to the county administrator. This program will assist and encourage SBEs to participate in the county solicitation process.

(2) In addition, the purchasing department, in conjunction with the county administrator, shall:

a. Review and comment on any changes to a county policy, rule or regulation relating to SBE procurement;

b. Receive, compile and disseminate information on procurement opportunities, availability of SBEs and available technical assistance;

c. Refer all information on any business suspected of misrepresenting its SBE status to the county administrator's office;

d. Maintain a central list of certified SBEs and provide it upon request; and

e. Host, not less than annually, a workshop to assist small businesses located in Escambia County to obtain SBE certification and to do business with the county.

(k) *Implementation of policy.* In order to systematically augment a viable SBE component within the county's purchasing and procurement system, the purchasing manager shall be delegated the following powers and duties to fulfill their responsibilities and functions:

(1) Establish and compile a system of coordinated, uniform procurement policies, procedures, and practices supporting the SBE program.

(2) Encourage the use of SBEs in county contracting and procurement for goods, services and construction that may be provided or performed by SBEs and strive to achieve the stated SBE annual program goal.

(3) Manage and maintain the information system or other automated interface with the county's finance system to record and measure the use of SBEs in county contracting. This system shall maintain information and statistics on SBE participation, in order to analyze the progress of the SBE program.

(4) Provide an annual written report to the county administrator detailing disbursements made to SBEs for goods, services and construction.

(Ord. No. 2013-52, § 2, 12-5-2013; Ord. No. 2014-29, § 1, 7-24-2014)

Sec. 46-112. - Participation of minority and women business enterprises.

(a) *Policy statement.* The county is committed to providing equal opportunities to minority and women business enterprises and strives to improve the opportunities and participation of such businesses in the public procurement of goods and services by the county. Pursuant to this policy, the county shall hereby establish procedures to encourage the participation of minority and women owned businesses in the public procurement of goods and services by the county. Nothing in this section shall be construed to provide for or require any preference or set-aside based on gender, race, or national origin.

(b) *Definitions.* For the purpose of this section, the following terms shall have the following meanings:

Minority shall mean any of the following groups:

(1) African American persons having origins in any of the black racial groups in Africa;

(2) Hispanic American persons of Spanish or Portuguese culture with origins in Mexico, South America, Central America, or the Caribbean, regardless of race;

(3) Native American persons including those residing in the U.S. or its territories, who are descendants of any Indian tribe with origins in the North and South American continents and other islands or lands to include the countries of the U.S., Canada, and Mexico;

(4) Asian American persons having origins in any of the original peoples of the Far East, Southeast Asia, Indian Subcontinent, or Pacific Islands.

Minority business enterprise (MBE) shall mean any business which is at least 51 percent owned and operated by minority members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by minority members.

Women business enterprise (WBE) shall mean any business which is at least 51 percent owned and operated by women members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by women members.

(c) *Certification.*

(1) *Requirements.* For the purpose of this section, the following certification requirements shall govern:

a. The business is a MBE and/or WBE as defined in this section.

b. The business meets the requirements provided in section 46-111(e)(1).

c. The business is legally structured as required by Florida law and, if applicable, in good standing with the Florida Secretary of State.

(2) *Procedure.* All applicants wishing to be considered as certified MBE/WBE(s) must complete a small business enterprise program certification application form which may be obtained through the office of purchasing. This is a self-certification process and shall require a signed affidavit attesting to the accuracy of the data provided on the form. Proof of current certification as a minority and/or women business enterprise by the Florida Office of Supplier Diversity may be accepted in lieu of other supporting documentation. Certified M/WBEs shall submit an affidavit of continued eligibility on an annual basis.

(d) *Implementation.* In an effort to implement this policy, the county may undertake the following measures:

(1) Designate the purchasing manager to administer this policy.

(2) Maintain a central list of certified M/WBEs.

(3) Manage and maintain the information system or other automated interface with the county's finance system to record and measure the use of M/WBEs in county procurements.

(4) Utilize outreach programs to identify and educate M/WBEs about the county's procurement process.

ADDENDUM NUMBER 1:

Re: PD 19-20.092 Re-Solicit Custodial Services for Various County Facilities

All:

Your firm recently received a Request for Proposals for the above-mentioned specification. This Addendum Number 1 provides for information related to the current vendor.

The current vendor is American Facilities Services, and has been since October 2011. This solicitation is being issued because the current agreement has expired, and the County is required to solicit competitive bids. Additionally, the previous agreement did not allow for multiple vendors to be awarded as the current solicitation offers.

The Bid Tabulations from two previous solicitations have been attached, however, the Scope of Work from previous solicitations is not at all comparable to the current Scope of Work being requested. Firms are strongly encouraged to not utilize past pricing to determine current or future bids.

Per Florida Statute 119.071(b)(3), bids from the most recent solicitation, PD 19-20.065, will not be available until after the current solicitation is awarded or 12 months have passed from the rejection of bids, which occurred on August, 17, 2020, whichever comes first.

This Addendum Number 1 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photocopy this form for your records.

ADDENDUM NUMBER 2:

Re: PD 19-20.092 Re-Solicit Custodial Services for Various County Facilities

All:

Your firm recently received a Request for Proposals for the above-mentioned specification. This Addendum Number 2 provides for information related to questions and answers shown on the following page.

This Addendum Number 2 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photocopy this form for your records.

Q1. Can the vendors show the toiletry pricing separately from the service price shown in the proposal?

A1. For the purposes of this solicitation, we ask that the pricing provided in the proposal be an "all inclusive" price that covers everything the vendor will need to perform the service and have the facilities sufficiently stocked.

Q2. Can vendors purchase supplies directly from Escambia County?

A2. At this time, the County does not offer the ability for vendors to purchase supplies from the County.

Q3. On page 27 of 61, Item 2-2, "Proposals shall confirm that the firm will comply with all of the provisions in this RFP." Is there a form to be utilized for this?

A3. Confirmation that a firm will comply with all provisions can be stated anywhere within the proposal. Most firms opt to write a letter of interest as a type of cover page for the proposal. Such a statement can be included in a letter of this type.

Q4. On what page of the RFP is the "Solicitation, Offer, and Proposal Form"?

A4. This form was intentionally left out of the RFP and the language referenced in the question is boilerplate language that is used from one RFP to the next. Please disregard this requirement.

Q5. Page 4 of 61, states that the Proposal Response must include one (1) original and one (1) electronic copy via CD or flash drive OR uploaded via Vendor Registry. Page 14 of 61, Item 4 Proposal Forms states that, "Firms electing to submit original forms shall also provide a complete copy of the bid response via CD or flash drive." Since one original is required per page 4 of 61, this seems to indicate that a complete copy of the bid response via CD or flash drive would also be required, is this correct? Or could the proposal – in its entirety – be submitted via Vendor Registry?

A5. If a firm is submitting a physical proposal document to the Office of Purchasing via mail or courier, an electronic copy shall be included. If a firm is submitting their complete proposal via Vendor Registry, a physical proposal document is not required.

Q6. If some documents are not ADA-compliant, would the proposal be deemed non-responsive?

A6. No. At this time, the County does not require ADA-compliant documents, but we do ask for them to be utilized whenever possible. The County attempts to provide ADA-compliant documents to all those who submit a Sunshine Law information request.

As a reminder, regardless of the means with which the proposal is submitted, all firms shall provide their Bid Surety to the Office of Purchasing prior to the Proposal submittal deadline.

Firms submitting a surety from their insurance provider can upload the surety documents in Vendor Registry and a physical delivery to the Office of Purchasing is not required.

Q7. Page 27 of 61, Item 2-1 states that, "All RFP documents (excluding the Excel Spreadsheet) shall be contained in a single PDF or Microsoft Word-Type document. The Excel Spreadsheet will also be returned complete as a single document."

Page 30 of 61, Item 3-2 asks proposers to, “Please separate the RFP responses into the following categories:” and on page 32 of 61, Item 6, A asks proposers to provide the pricing schedule on the Price Proposal Form.

Should a hard copy of the Cost Proposal (Excel spreadsheet) be included as an item in the submission of the original Technical Proposal? Or should it be submitted in a separate envelope with the other signed forms? Or on its own?

A7. All the proposal documents shall be in a single PDF, and sorted according to the order outlined in Item 3-2.

The physical Excel document can be separate, in either Excel or PDF. Both the proposal (PDF) and the Excel spreadsheet (Excel) shall be on the electronic copy and/or uploaded to Vendor Registry.

Q8. Will the content referred to on page 27 of 61, Part II, 2-3 Understanding of the Project, 2-4 Methodology Used for the Project, and 2-5 Management Plan for the Project be evaluated as part of 1: Scope of Services as outlined on page 30 of 61, Part III, Section 3-2 Evaluation Criteria?

A8. Yes.

Q9. Will the content referred to on pages 27 and 28 of 61, Part II, Section 2-6 Experience and Qualifications, be evaluated as part of 2: Adequacy of Staffing and Supervision and 3: Related Experience as outlined on pages 30 and 31 of 61, Part III, Section 3-2 Evaluation Criteria?

A9. Yes.

Q10. Page 29 of 61, Item 2-8 requests that “Bidders provide a breakout of the firm’s employees by minority status, as well as the status of employees of any subcontractor that will be performing the work.” This item is not referred to as part of the Evaluation Criteria. Under which section of the Evaluation Matrix will this item be considered? Or is this a pass/fail item for meeting minimum requirements?

A10. If it is not listed in the “Selection Criteria,” it is not a selection criterion. The Board has requested information for information purposes.

Q11. Page 50 of 61, paragraph 1, states that, “The Contractor will provide with his/her proposal a list of the chemicals and supplies that will be used to perform the work under this contract.” This item is not listed as part of the Evaluation Criteria. Under which section of the Evaluation Matrix will this item be considered? Or is this a pass/fail item for meeting minimum requirements?

A11. If it is not listed in the “Selection Criteria,” it is not a selection criterion. The department has requested this information for information purposes.

AGREEMENT RELATING TO CUSTODIAL SERVICES (P.D. 19-20.092)

THIS AGREEMENT is made by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County**"**), whose mailing address is 221 Palafox Place, Pensacola, FL 32502, and 3H Service System, Inc. (hereinafter referred to as "Contractor"), a foreign for-profit corporation authorized to conduct business in the State of Florida, FEI/EIN 46-1939343, whose principal address is 1700 Cumberland Point Drive, Suite #16, Marietta, GA 30067.

WITNESSETH:

WHEREAS, on August 21, 2020, the County issued a Request for Proposals (P.D. 19-20.092) seeking contractors to perform custodial services for various Escambia County facilities located within eleven zones; and

WHEREAS, Contractor submitted a proposal demonstrating that the Contractor was qualified to provide such services; and

WHEREAS, the County desires to enter into an agreement with the Contractor for the provision of such services as set forth herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. After being properly executed by the Parties named herein, this Agreement shall commence on November 1, 2020, and continue for an initial term of thirty-six (36) months expiring on October 31, 2023. Upon mutual agreement, the Agreement may be renewed for two additional twelve (12) month terms up to a maximum of sixty (60) months. The County shall provide written notice of the desire to renew or extend the Agreement at least thirty (30) days prior to the expiration of the current term.

3. Scope. Contractor agrees to perform in accordance with the scope of services as outlined in Escambia County's *Request for Proposals Custodial Services for Various Escambia County Facilities, Specification No. P.D. 19-20.092*, attached hereto and incorporated herein as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement shall prevail. Additional cleaning services and emergency services may be requested by the County on an as-needed basis.

4. Compensation. In exchange for the Contractor's provision of the scope of services referenced in Section 3 above, County agrees to pay the Contractor as follows and as further specified in the Contractor's proposal, attached hereto and incorporated herein as **Exhibit B**:

Zone 1 in an amount not to exceed $42,960.00 per year;
Zone 2 in an amount not to exceed $294,216.00 per year;
Zone 3 in an amount not to exceed $92,665.53 per year; and
Zone 11 in an amount not to exceed $252,948.00 per year.

In exchange for the provision of any requested additional cleaning services or emergency services referenced in Section 3 above, County agrees to pay Contractor as follows:

Additional Area Cleaning Cost		
Ceramic: Scrub	$0.12	per sq. ft.
Carpet: Shampoo	$0.14	per sq. ft.
Window Cleaning Exterior (Outside of Scope)	$0.10	per sq. ft.
Window Cleaning Interior (Outside of Scope)	$0.08	per sq. ft.
Day Porter	$15.75	Per Hour

Emergency Service Call Cost – Two-Hour Response Time Based on One Hour On-Site	
Century Library	$175.00
Genealogy Library	$100.00
Legion Field	$175.00
Molino Library	$100.00
S.W. Library	$100.00
Tryon Library	$100.00
W. Florida Regional Library	$100.00
Additional Hourly Rate	$15.75

Contractor shall be responsible for providing all supplies, equipment, and labor necessary to perform services pursuant to this Agreement.

5. Method of Payment/Billing. Contractor may request payment from County on a monthly basis by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of services rendered with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

6. Price Adjustments. Contractor may request price adjustments once every twelve (12) months. Requests must be provided to the Director of Facilities Management no later than May 1st and shall take effect on November 1st of the year in which the request was submitted. Any requested price increase shall be accompanied by appropriate documentation of a bona fide cost increase to the Contractor based upon an increase in the consumer price index (CPI) and/or an increase in the minimum wage. Any price decrease effectuated during the term of the Agreement

shall be passed on the County by the Contractor. Any price adjustment shall be accomplished by written amendment to this Agreement and approved by the Board of County Commissioners.

7. Changes in Scope. The County reserves the right to increase or decrease the frequency of services or the number of buildings or square footage within a zone as may be required. The County will provide Contractor with not less than forty-eight hours prior written notice of any such modifications. Rates for new areas shall be based upon the cost per square foot as bid for the same or similar building within the zone. No minimum quantity of work is guaranteed during the term of this Agreement, and only those tasks assigned by the Contract Administrator may be compensated.

8. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the Contractor shall be paid for services provided through the date of termination, but Contractor shall not be entitled to any other recovery against County, including, but not limited to, damages or any anticipated profit on portions of work not performed.

9. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

10. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory Workers' Compensation and Employers' Liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease; and

(d) Fidelity Bond with $1,000,000 per occurrence coverage limit.

In the event Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days' advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

11. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

12. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: 3H Service System, Inc.	To: Escambia County
Attention: John Heo	Attention: County Administrator
1700 Cumberland Point Drive, Suite #16	221 Palafox Place, Suite 420
Marietta, GA 30067	Pensacola, Florida 32502

Rejection or other refusal by the addressee to accept or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

13 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

14. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

15. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

16. Compliance with Laws. Contractor agrees to comply with all federal, state, and local laws, rules, policies, or guidelines related to the performance of this Agreement.

17. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

18. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

19. Authority. Any individual executing this Agreement on behalf of a corporate or governmental party represents and warrants that he/she is duly authorized to execute and deliver

this Agreement on behalf of said party, in accordance with any duly adopted action of the governing board of said party, as may be applicable and in accordance with applicable law, and that this Agreement is binding upon said party in accordance with its terms.

20. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

NOTICE

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee vendor until such time as the contract is executed by the last party to the transaction.

SPECIAL ACCOMODATIONS

Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing at 850-595-4953 at least five (5) working days prior to the solicitation opening. If you are hearing or speech impaired, please contact the Office of Purchasing at 850-595-4684 (TTY).

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to vendors of the local vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and
2. Holds any business license required by Escambia County or Santa Rosa County, and
3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification and shall have the sole discretion to determine if a vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by

the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated Community Redevelopment Area (CRA) is within seven percent (7%) of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within three percent (3%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within two percent (2%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within four percent (4%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.
2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.
3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.
4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded, and the County may return all, or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(a)
FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(print name of the public entity)

by _____
(print individual's name and title)

for _____
(print name of entity submitting sworn statement)

whose business address is:

_____

_____

and, if applicable, its Federal Employer Identification Number (FEIN) is:

_____
(If the entity has no FEIN, provide the Social Security Number of the Individual signing this sworn statement.)

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity, or with an agency or political subdivision of any other state or of the United State, including but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision or any other state or of the United State and involving antitrust, fraud, theft, briber, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, non-jury trial, or entry of a please of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

a. A predecessor or successor of a person convicted of a public entity crime; or

b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in

management of the entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement.

Please indicate which statement applies:

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Please attach a copy of the Final Order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO (2) OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Note: If using a courier service (e.g. FedEx, UPS, US Post Office, etc.) the air-bill and envelope or box must be marked with the specification Number and Project Name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The following policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors, or individuals action on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County official, their agents or employees, or any member of the relevant Selection Committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/ protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the bids/proposals for Invitations to Bid or the Request for Proposal, or Qualification, or Information, or Request for Letters of Interest, or the Invitation to Negotiate, as applicable, are received at the Escambia County Office of Purchasing, and the time the Board awards the Contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees, or any member of the relevant Selection Committee, for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/disqualification of submittal;

2) Termination of contract; or

3) Suspension or debarment as provided in Sec. 46-102 of the Escambia County Code of Ordinances.

2. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check, or certified check in the amount of One Thousand Dollars ($1,000.00).

Checks or bonds are to be made payable to Escambia County, Florida. **The amount of the check or bond is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.**

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by the contract as evidenced by signatures thereto by an authorized representative of both the Offeror and the County, and/or the Offeror accepts the Purchase Order by signing the Solicitation, Offer, and Bid Form and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of their cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

3. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. The last day for questions will be September 01, 2020 at 5:00 PM CDT.

4. Proposal Forms

   3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.'

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address, and emergency telephone number of the manufacturer responsible for preparing the information.

8. Codes and Regulations

The awarded vendor shall strictly comply with all federal, state, and local safety codes.

9. Payment

Partial payments in the full amount for the value of items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents if required. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

10. Debris

Awarded vendor shall be responsible for the prompt removal of all debris, which is a result of this contractual service.

11. Protection of Property/Security

A. The awarded vendor shall provide all barricades and take all necessary precautions to protect buildings and personnel.

B. All work shall be completed in every respect and accomplished in a professional manner and awarded vendor shall provide for removal of all debris from County property.

C. The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

D. The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

E. The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

F. The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

G. The awarded vendor shall at all times guard against injury to Escambia County employees. The vendor shall properly fence and secure the construction site(s) at all times, including evening and weekends.

H. The awarded vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

12. Compliance with Governing Laws and Regulations

The offeror or contractor will be required to fully comply with all applicable federal, state, and local regulations. The offeror should carefully review these requirements which are detailed in this solicitation.

13. Contract Term/Renewal/Termination

The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of thirty-six (36) months. The contract may be renewed for up to two (2) additional twelve (12) month periods, up to a maximum sixty (60) months upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

14. Option to Extend the Term of the Contract

The County may unilaterally extend the term of this contract by written notice to the contractor at least sixty (60) days before the expiration of any contract term. The exercise of the option shall be for the period specified and for the prices listed on the proposal form. All other terms and conditions of the contract shall apply to the option periods. The total duration of this contract, including the exercise of all options, shall not exceed five (5) years.

15. Pricing

All services sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates offeror has not honored quoted price lists and discounts, offeror will be liable for any and all overage charges.

16. Changes – Service Contracts

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas.

A. Description of services to be performed

B. Time of performance (i.e., hours of the day, days of the week, etc.)

C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

17. Termination

A. The contract may be canceled by the contractor, for good cause, upon ninety (90) days prior written notice.

B. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

C. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

18. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the offeror may withdraw his offer or provide a written extension of his offer.

19. Award

Award shall be made on an "all-or-none total by zone".

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

A. In an effort to encourage small businesses that may not have the infrastructure to service a client as large as the County, the Board of County Commissioners has asked that all of the County facilities be put into smaller Zones that small businesses can service.

B. With this in mind, vendors are encouraged to bid on each Zone, however, the vendor's bid for a Zone should reflect that the bid is a stand-alone price for that Zone.

1) The vendor may or may not be awarded any Zones.

2) The vendor may or may not be awarded multiple Zones.

C. Any firm that bids on a Zone and refuses to accept award or refuses to enter into an agreement with the County for any reason shall have the firm's Bid Surety retained by the County and not returned to the vendor.

20. Termination (Services)

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring deficiencies within five (5) working days of notification by the Contract Administrator.

Upon the third such written notification of unsatisfactory performance and/or deficiencies to the contractor by the Office of Purchasing within a four (4) month period, or the sixth such notification within any contract term, shall result in issuance of written notice of immediate contract termination to the contractor by the Office of Purchasing. Such termination may also result in suspension or debarment of the contractor.

21. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is

finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work).

Non-Contract Insurance Requirements

22. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the level of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred", however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract, or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract, or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage – Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract, or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (if utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract, or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of $1,000.
4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   213 Palafox Place 2nd Floor
   Pensacola, FL 32591
   Purchasing@myescambia.com

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Fidelity/Dishonesty/Liability Coverage – for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

23. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgements, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

PART I GENERAL INFORMATION

1-1 PURPOSE

The Board of County Commissioners of Escambia County is seeking the Professional Services of a qualified contractor to provide Custodial Services in County-owned and maintained facilities as noted in Exhibit "A". The primary objective of this RFP is the selection of the most qualified and experienced Contractor(s) to provide these Custodial Services in a manner that is most advantageous to the County.

1-2 ISSUING OFFICER

The project Director shall be Janice P. Gilley, County Administrator. The liaison officer shall be Donald Knight, Custodial Manager, Facilities Management Department. The contracting agency shall be the Escambia County Board of Commissioners, c/o the Office of Purchasing, 213 Palafox Place, 2nd Floor, Pensacola, Florida, 32502.

1-3 CONTRACT CONSIDERATION

It is expected that the contract shall be a multi-award, term agreement, and shall officially begin on October 1, 2020.

1-4 REJECTION

The right is reserved by the Board of County Commissioners to accept or reject any or all proposals or to waive any informality, existing in any proposal, or to accept the proposal which best serves the interest and intent of this project and is from the most responsive and responsible proposer.

1-5 INQUIRIES

All questions regarding this Request for Proposal shall be directed to Jeffrey Lovingood, Purchasing Coordinator, in writing via email at JDLovingood@myescambia.com.

1-6 ADDENDA

Any changes made in the Request for Proposal shall be brought to the attention of all of those who have provided the proper notices of interest in performing the services.

1-7 SCHEDULE

The following schedule shall be adhered to in so far as practical in all actions related to this procurement:

A. Mailing (Advertisement) Date……..….August 21, 2020

B. Last Date for Questions…….September 01, 2020 at 5:00 PM CDT

C. Receipt of Proposals.....September 04, 2020 at 2:00 PM CDT

D. Ranking Meeting.....September 09, 2020

E. Target Board Date…..……....September 17, 2020

F. Projected Start Date……..…….October 01, 2020

1-8 PRIME CONTRACT RESPONSIBILITIES

The selected contractor shall be required to assume responsibility for all services offered in their proposal. The selected contractor shall be the sole point of contact with regard to contractual matters including payments of any and all changes resulting from the contract.

1-9 DISCLOSURE

All information submitted in response to this RFP shall become a matter of public record, subject to Florida Statutes regarding public disclosure.

1-10 DELAYS

The Project Director reserves the right to delay scheduled due dates if it is to the advantage of the project.

1-11 WORK PLAN CONTROL

Control of the work plan to be developed under the RFP shall remain totally with the Escambia County Board of Commissioners.

PART II INFORMATION REQUIRED FROM CONTRACTORS

ALL PROPOSALS SHALL INCLUDE THE FOLLOWING: TECHNICAL AND COST PROPOSAL

2-1 PROPOSAL FORMAT AND CONTENT

All Proposers shall provide a straightforward and concise description of their ability to meet the RFP requirements.

All RFP documents (excluding the Excel Spreadsheet) shall be contained in a single PDF- or Microsoft Word-type document. The Excel Spreadsheet will also be returned complete as a single document.

There shall be avoidance of fancy bindings and promotional material within. The proposal shall clearly show the technical approach to include work tasks, estimated time phasing and the proposed approach rational. All proposals submitted in a sealed envelope shall be in spiral binding or "GBC" type binder with all pages 8.5" x 11" format. The County discourages overly lengthy or costly proposals.

2-2 INTRODUCTION

Proposals shall include the complete name and address of their firm and the name, mailing address, and telephone number of the person the County should contact regarding the proposal.

Proposals shall confirm that the firm will comply with all of the provisions in this RFP; and, if applicable, provide notice that the firm qualifies as a County proposer. Proposals shall be signed by a company officer empowered to bind the company. A proposer's failure to include these items in their proposals may cause their proposal to be determined to be non-responsive and the proposal may be rejected.

2-3 UNDERSTANDING OF THE PROJECT

Proposers shall provide a comprehensive narrative statement that illustrates their understanding of the requirements of the project and the project schedule.

2-4 METHODOLOGY USED FOR THE PROJECT

Proposers shall provide a comprehensive narrative statement that sets out the methodology they intend to employ and that illustrates how their methodology will serve to accomplish the work and meet the County's project schedule.

2-5 MANAGEMENT PLAN FOR THE PROJECT

Proposers shall provide a comprehensive narrative statement that sets out the management plan they intend to follow and illustrates how their plan will serve to accomplish the work and meet the County's project schedule.

2-6 EXPERIENCE AND QUALIFICATIONS

Provide an organizational chart specific to the personnel assigned to accomplish the work called for in this RFP; illustrate the lines of authority; designate the individual responsible and accountable for the completion of each component and deliverable of the RFP. It is understood by the County that staff may need to be hired to accomplish the tasks required. Firms shall provide an organizational chart and narrative description of the organization of the project team.

Provide a personnel roster that identifies each person who will actually work on the contract and provide the following information about each person listed.

[a] Title,

[b] Résumé,

[c] Location(s) where work will be performed,

[d] Itemize the total cost and the number of estimated hours for everyone named above.

After delivering an initial proposal in response to this solicitation, all submitters are prohibited from substituting, modifying, or amending those staff or subconsultants identified in the initial written submittal at any time during the course of the solicitation process up to the final award of contract. A substitution of staff or subconsultants, the addition of any subconsultants, or any other material changes to the submittal after the initial response will cause the submittal to be invalid for review and selection purposes.

Provide reference names and phone numbers for similar projects your firm has completed.

It is understood that firms will likely need to hire new staff to perform the duties outlined in this solicitation. For any employees that will need to be hired as a result of this award, please include a job description for the role(s) that will be filled, as well as your companies policies and procedures related to hiring and training.

2-7 COST PROPOSAL

Please see the attached Excel spreadsheet for Proposal pricing information. The Excel spreadsheet provides firms with a list, by zone, of each building/facility to be serviced.

A. Firms shall provide pricing based on the annual cost for servicing each building within a zone, based on a three (3) year agreement with up to two (2) one-year renewals.

B. Proposers are asked to offer complete pricing for each of the eleven (11) zones the firm is willing to service for the mutually agreed upon term noted in **2-7, A.**, above. Proposers are not required to offer pricing for any zone they do not wish to service.

C. **At the discretion of the Selection Committee, firms <u>may</u> be recommended for award by the Board of County Commissioners for zero, one, or multiple zones.** It is therefore imperative that pricing for each zone shall be "stand-alone" pricing representing the true cost to the County of that specific zone. The prices offered for each zone by the Proposer shall not be based on the firm being awarded any other zone. The pricing listed for any zone shall be considered a stand-alone price and the recommended award for such zone shall have no bearing on the recommendation to award any other zone.

D. **The Selection Committee reserves the right to limit the number of zones for which a firm will be recommended for award.**

E. Proposals that do not provide pricing for each building <u>within a zone</u> will result in the zone being considered non-responsive. If the overall proposal is responsive other zones bid will be considered, however, the County cannot select Vendors to service a zone based on incomplete information.

F. Proposer's cost proposals shall include an itemized list of all direct and indirect costs associated with the performance of this contract, including, but not limited to, total number of hours at various hourly rates, direct expenses, payroll, supplies,

overhead assigned to each person working on the project, percentage of each person's time devoted to the project, and profit.

G. In addition to the pricing for each zone, firms are asked to complete the Excel spreadsheet relating to Additional Area Cleaning Cost and Emergency Service Call. These are requested rates for any services outside the standard Scope of Work and shall be completed in full. Incomplete information for Additional Area Cleaning Cost and Emergency Service Call may result in a Proposer's complete bid being deemed non-responsive.

2-8 The Board has requested that each firm provide their status relating to being a minority-, woman-, and/or veteran-owned business. If a firm is using sub-contractors, the Bidder must provide the business status of the sub-contractor.

Additionally, the Board has requested that Bidders provide a breakout of the firm's employees by minority status, as well as the status of employees of any sub-contractor that will be performing the work.

The following are the designations requested:

1. **WOSBE** – Woman-Owned Small Business Enterprise
2. **VOSB** – Veteran-Owned Small Business
3. **SDVSOB** – Service-Disabled Veteran-Owned Business
4. **EDWSOB** – Economically Disadvantaged Woman-Owned Small Business
5. **DBE Certified** – Disadvantaged Business Enterprise
6. **SBA 8(A) Certified** – Small Business Administration program for small businesses owned by socially and economically disadvantaged people or entities.
7. **HUBZone Certified** – Historically Underutilized Business Zone, a federal program to encourage small businesses to locate in and hire employees from economically disadvantaged areas.
8. **Minorities**:
    A. African American
    B. Hispanic
    C. Asian
    D. Native American
    E. Pacific Islander

Please note that a copy of the Escambia County Code of Ordinance related to Small Business Enterprise (Sec. 46-111) and Participation of Minority and Women Business Enterprises (Sec. 46-112) has been included in this document.

PART III CRITERIA FOR SELECTION

3-1 EVALUATION MATRIX

To ensure that all RFP's are fairly evaluated, scored, and ranked, it is particularly important that the RFP's are prepared according to the prescribed format. Failure to follow this requirement may result in the disqualification of the vendor's proposal.

All proposals will be evaluated on the following scale:

		Maximum Point Value
1.	Scope of Services	10
2.	Adequacy of Staffing and Supervision	20
3.	Related Experience	20
4.	Safety Program and Training of Personnel	10
5.	Distance to Sites	20
6.	Proposed Fee Schedule	20
	Total Points Possible:	**100**

3-2 EVALUTATION CRITERIA

The recommendation to award any contract(s) will be based on each firm's responses to the following criteria as addressed in the RFP. References to "Project" in the evaluation criteria are related to potential projects within the services described in this RFP. Please separate the RFP responses into the following categories:

1. Scope of Services

A. Describe your firm's depth of understanding of the work.

B. Clarify your firm's capacity to successfully provide the services required. Additionally, firms shall include their plan for scaling up trained staff in preparation for an October 1, 2020 start date.

C. Include quality assurance procedures to be utilized.

D. Indicate the firm's willingness to work with County staff in the creation and implementation of site-specific work-orders and task plans.

2. Adequacy of Staffing and Supervision

A. Describe the typical organizational structure to be used to staff County facilities and the responsibilities of each staff member.

B. Provide a brief résumé of proposed Site Supervisor(s) and other key positions. No more than one page dedicated to each individual.

C. Provide an organization chart for each Zone and indicate which positions are full- and part-time. Include an organizational chart showing corporate support, if applicable.

D. Provide staff qualifications including job descriptions which indicate minimum qualifications required.

E. The County recognizes that in order to recruit and retain quality personnel, the Proposer may offer a package of benefits including life insurance,

health insurance, and paid leave, among other potential benefits. Please indicate the benefits offered/provided to employees and if the company or employee pays the expense.

F. Indicate the Proposer's plan to minimize turnover and assure the highest rates of retention. Provide a five (5) year history of turnover for all previous contracts.

3. Related Experience

A. List all clients currently under contract.

B. Include information on previous and current experience with commercial contracts of similar size and/or dollar value.

C. Include reference letters from the client on each of the three (3) most closely related agencies or businesses. References are to be specific to the Proposer. The references shall include the company name, address, contact email address and phone number. References shall not include any County employees or members of the Escambia County Board of County Commissioners.

D. Include approximate square footage and cost of contract(s).

E. Provide a summary of any litigation, claim, or contract dispute(s) which have been finalized and/or decided by a Court of Law, which were filed by or against the Proposer in the past five (5) years. Include a summary of the nature of the litigation, claim, or contract dispute, a brief description of the case, the outcome, and the monetary amounts involved.

4. Safety Program and Training of Personnel

Provide a copy of the Proposer's Training Plan to include but not be limited to the following:

A. Management's Safety Policy Statement.

B. Hazard Assessment and Safety Planning processes.

C. Staff training plans for Occupational Safety and Health (OSHA).

D. Plans for the handling and clean-up of blood-borne pathogens.

E. Driver safety training, including golf cart operations.

F. Staff orientation program.

G. On-going training and experience requirements.

H. Data to support the existence and quality of the programs the Proposer brings to the operation with respect to providing a safe and secure workplace.

5. Distance to Sites

Indicate the primary location of the Proposer's office that will have direct responsibility for this contract. If the distance from the project exceeds sixty (60) miles, describe how the project would be effectively managed or what limitations in services, if any, the County might expect as a result of the distance.

6. Proposed Fee Schedule

A. Provide the pricing schedule on the Price Proposal Form (Excel).

B. The proposed rates shall remain firm for the first year of the contract term and shall include all charges incurred in fulfilling the terms of the contract.

C. Each year, on or before January 31, the awarded vendor may request a rate increase.

1) An increase in contract rates will require prior written approval by the County and shall take effect at the next fiscal year or renewal period, if any remain, and if the Board awards the new rate.

2) All increases related to changes in wage law(s) or other applicable laws shall not be retroactive and can only be granted for the upcoming year of service. When wages are affected by changes to the wage law(s), only the specific positions affected by the wage law(s) will be reviewed to determine the increase.

3) Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract approved by the Board of County Commissioners.

3-3 EVALUATION METHOD

The County will appoint a Selection Committee to evaluate proposals and will evaluate and rank all responsive proposals to determine which proposal(s) best meet the needs of the County based on the evaluation criteria. A firm(s) shall then be recommended for award by the Escambia County Board of County Commissioners.

The County may elect to choose to award zero, one, or multiple zones, and may adjust which buildings are within each zone.

The County shall be the sole judge of its own best interests, the proposals, and the approval of any resulting contract. The County's decisions shall be final.

3-4 NON-RESPONSIVE PROPOSALS

Non-responsive proposals will be rejected by the Purchasing Department and may not be distributed to the Selection Committee for consideration. Additionally, the Selection Committee may determine that required submittals/documentation is so inadequate as to be determined to be non-responsive. Non-responsive proposals may include but are not limited to the following:

1. Failure to sign the proposal and failure to have the proposal signed by someone with authority at the firm to sign a binding agreement.
2. Failure to acknowledge addenda (unless all changes are not material to the Scope).
3. Failure to provide required submittals/documentation.
4. Submission of a late proposal.
5. Firm does not meet minimum requirements.

3-5 NOTIFICATION

Upon completion of the evaluation of all written proposals, the Selection Committee will meet on September 09, 2020. At this time, the Selection Committee shall rank then recommend firms for zero, one, or multiple zones.

The Ranking meeting is a public meeting; however, it is not a public-participation meeting. Firms can join by coming to the Office of Purchasing for the Ranking meeting or by attending a videoconference, the link for which will be provided to all responsive proposers.

PART IV SCOPE OF WORK

4-1 SUMMARY

The Contractor shall provide all labor, supplies, and equipment needed to perform required services. The Scope is defined as cleaning and maintaining all interior areas and exterior entrances for the building under contract unless otherwise specified in writing by Facilities Management.

DEFINED TASK: The following tasks defined as general cleaning shall be deemed the "Scope of Work" for the purposes of this solicitation.

4-2 CUSTODIAL CLEANING SPECIFICATIONS

A. Floor Maintenance

Floors shall be cleaned in accordance with the following standards to maintain a safe, sanitary condition, present a pleasing appearance, and provide protection from damage.

1. **Damp Mopping:** A damp-mopped floor shall have an evenly cleaned surface that is free of dirt, dust, hair, mop marks, smears, film, dirt residue, streaks, debris, and standing water. All mop marks on baseboards, doors, and furniture shall be removed. Floors that cannot be cleaned satisfactorily by damp mopping shall be scrubbed.
2. **Scrubbing:** A scrubbed floor shall have an evenly cleaned surface that is free of dirt, dust black marks, and other foreign matter to the floor surface. Wax that has been removed during the scrubbing operation shall be reapplied.
3. **Buffing:** A buffed floor will be done in such a manner that the finish will be evenly distributed on the floor surface. The floor surface shall present an even, clean, and uniform sheen, with no brush marks left upon completion of work. Floors shall be dust mopped, damp mopped, and have black marks removed prior to buffing operation.
4. **Spray Buffing:** A spray-buffed floor shall have received spray applications of wax and sufficient buffing to provide a high gloss finish that blends in with the surrounding floor finish. The floor surface shall be cleaned to remove all dust, dirt, and black marks prior to the buffing operation.
5. **Stripping of Waxed/Sealed Surfaces:** A properly stripped floor shall have all wax/sealer removed down to the flooring material. The floor shall be left free of all dirt and stains.
6. **Waxing:** A properly waxed floor shall have an even coating of slip-resistant wax. The floor shall be clean and bright, including corners and under furniture. Wax shall be buffed to a uniform sheen, leaving no brush marks. If self-polishing wax is used, buffing is not required.
7. **Sealing:** A properly sealed floor shall have an even coating of slip-resistant sealer. The floor shall be clean and bright, including corners and under furniture.
8. **Polishing:** A properly polished floor area shall be free of small objects such as paper clips, staples, etc. This shall include removal of trash and debris of building interior and exterior doorways.

9. **Vacuuming:** A properly vacuumed floor, carpet, elevator, and stairway shall be free of all dust, dirt, cobwebs, grit, and lint. This includes debris in corners, behind doors, and under furniture (except permanently positioned items, such as built-in, safes or file cabinets). Removal of chewing gum or other foreign matter is considered part of vacuuming process.

10. **Detailing:** Properly detailed carpeting shall be vacuumed with edging tools around edge of carpet, desk legs and other areas inaccessible to equipment. This process shall be done at the time of each vacuuming or cleaning.

11. **Steam Cleaning:** Properly steamed carpet shall be free of dirt, streaks, stains, and spots.

12. **Spot Cleaning:** All floor and carpet areas spot cleaned shall be free of all stains, deposits, and cleaning marks.

13. **Rug and Carpet Care:** A properly cared for carpet shall be free of dirt, streaks, stains, spots and have a bright uniform color.

14. **Interior Concrete, Brick, and Ceramic Tile Floor Care:** Properly cared for concrete, brick and ceramic tile floors shall be free of streaks, stains, black marks, spots, gum, and other foreign matter to floor surfaces and shall have a bright, uniform color and appearance. Waxing of concrete and ceramic tile floors is prohibited.

15. **Baseboard Care:** All baseboards shall be kept clean and free of dust, dirt, splash marks and other matter foreign to the surface. Baseboards should be free of wax buildup at VCT floors.

B. Building Surfaces Maintenance

Building surfaces shall include doors, elevators, interiors, shelves, walls, trim, woodwork, handrails, stair rails, banisters, baseboard, frames, windowsills, ledges, and other horizontal surfaces.

1. **Vacuuming/Dusting** – A properly vacuumed/dusted surface is free of all dust, dirt, streaks, lint, and cobwebs.

2. **Washing** – Properly washed doors, walls, trim, woodwork, shelves, baseboards, handrails/stair rails, including their component parts, shall be clean and free from all dirt, dust, film streaks, smudges, lint, cobwebs, and debris.

3. **Damp Wiping** – Surfaces properly damp wiped shall be free of dirt, dust, marks, film, streaks, smudges, lint, cobwebs, and other debris.

4. **Horizontal Surfaces(s) Care** – Properly cared for horizontal surfaces shall be free of all dust, dirt, streaks, lint, and cobwebs.

5. **Metal Cleaning and Polishing** – Properly cleaned and polished metal surface(s) shall be clean and bright without deposits or tarnish. Metal cleaner shall be promptly removed from adjacent surfaces.

6. **Spot Cleaning** – Surfaces adequately spot cleaned shall be free of all stains, deposits and substantially free of cleaning marks.

4-5 ADDITIONAL PROVISIONS

All employees assigned by Contractor to perform the work under the resulting contract shall be physically able to do their assigned work, and shall be free from communicable diseases. It shall be the contractor's responsibility to ensure all employees meet the physical standards needed to perform the work assigned. All personnel employed by contractor shall be trained and qualified in their assigned type of work.

A. CONTRACTOR REQUIREMENTS

1. Contractor will require all employees to report for duty in County-approved uniforms with the Company logo and approved photo ID badges while on County Property.
2. All contractor vehicles shall be clearly identified as belonging to the contractor and shall clearly display a parking decal where required.
3. Prohibit employees from disturbing papers on desk (must dust/clean around items on desk), opening desk drawers and cabinets, or using the telephones, computers, or office equipment provided for County use.
4. Require employees to comply with instructions pertaining to conduct and building rules and regulations.
5. Ensure employees do not have access to buildings or County property unless on official duty.
6. Conduct a national criminal background check on all prospective employees before hire for the County premises. The contractor will reject any person whose criminal background demonstrates he/she failed to report criminal convictions accurately on the contractor's employment application form. Any person having a conviction for a felony involving theft, burglary, embezzlement, violence, or moral turpitude under the laws of Florida or any other state, within the 10 years immediately preceding the date of his/her employment will be forbidden to be employed by the contractor for County. All provision of Chapter 435 F.S. must be followed.

   Once the firm's background check is complete, any of the firm's employees being asked to work in a secure location are required to have a County-provided background check.
7. Ensure all applicable employment laws are followed.
8. Provide adequate supervision of employees to ensure complete and satisfactory performance of all work in accordance with the resulting contract. When work is performed, supervision should be onsite and available at all times. Supervision shall be fully and adequately trained, with experience in cleaning supervision, sufficient in scope to meet the approval of County's representative. Supervision shall be responsible for hiring, training, equipping, directing, discharging, and issuing uniforms for all

custodial services personnel. Supervision shall also be responsible for monitoring the work order management software or email to ensure work orders are completed in a timely manner.

9. Provide, for approval by the County, a chain of command for management and supervision for all contractor staff at each location. The contract shall provide County's representative written list of all key employees and should update upon changes.

10. Report all stopped drains, broken fixtures, glass, burnt out lights, and other facilities maintenance needs to the County representative on the established computerized maintenance request.

11. Notify the County of any observed irregularities (i.e., defective plumbing, unlocked doors, lights left on, etc.) The Contractor shall be responsible for turning off all lights when not needed for the cleaning that room, and all lights are to be turned off at the end of the shift. The Contractor shall provide a quality assurance review report and meet with the County representative monthly or as requested to discuss service quality assurance reviews report. These meetings shall be held at a mutually agreeable time.

12. Take all steps necessary to protect the public and nearby property from damage during custodial activities. Any damages to the County property as a result of the vendor must be remedied by the awarded vendor.

13. Ensure all doors are to remain shut and then locked after cleaning.

14. Ensure all keys shall be maintained in accordance with the County key procedure. Any lost keys will be paid for by the contractor. Any rekeying of buildings necessitated by keys being lost by contractor will be paid for by contractor.

15. Schedule sufficient staff at no extra charge for County special events which shall include but not be limited to cleaning as may be required from time to time. The County will notify the Contractor at least twenty-four (24) hours prior to requirement.

16. Maintain a Material Data Safety Sheet (MSDS) file on all chemical and cleaning agents used in the performance of this contract. A copy of MSDS's shall be provided to the Facilities Management Branch prior to its use. Green products are highly encouraged to be used for the appropriate applications.

17. Responsible for lost or stolen keys and security proximity cards issued to them. They may be financially responsible for reimbursement to the County for the replacement of any keys, cards, or locks due to the loss or theft. The Contractor shall maintain a key log of all of its locations and their employees that have been issued keys and cards to County buildings. Facilities Management may request a copy of the key log at their discretion. Key Boxes may be utilized in specific buildings to insure key control.

18. Willing to make accommodations to clean sensitive areas at specific days and times if requested by the building occupants. This may require being escorted and/or providing the services during the occupant's normal business hours.

19. The Contractor shall be made available to clean the Board of County Commissioners chambers and surrounding areas after all scheduled meetings.

20. In the event that the County requests additional project assistance or special services outside the scope of this contract, the Contractor shall provide such extra labor on an hourly rate basis, not including materials. All such work shall be performed outside of, and exclusive of, the normal scope of scheduled services.

B. COST INCREASES

Any annual cost increase request must be submitted to the Director of Facilities Management by February 1st for the following annual term. The increase will only be granted under the following conditions, an increase in the CPI measured as the annual rate for the previous 12 months, regionally adjusted and an increase to minimum wage. These factors will be reviewed independently and will not be submitted as a combined % requested increase. A percent increase in CPI shall only be requested on the non-labor portion of the contract. For a request due to minimum wage increase, the contractor must supply documentation of the employee wages and outline which employees will be affected by the minimum wage increase.

C. ADDITIONS/DELETIONS

The County reserves the right to add or decrease buildings and square footage under the same terms, specifications, and conditions of this contract. The rates for the new areas will be quoted by the Contractor for County approval and shall be based on the cost per square foot as bid for the same or similar building. This includes when there is an increase or decrease to the number of cleaning days.

D. COMPLAINTS

Customer complaint records will be maintained by the County representative(s). For each customer complaint, the County representative shall document the incident and report it immediately to the Contractor. The County representative will then investigate the complaint, accompanied by the Contractor's representative, if the Contractor desires. If the complaint is found to be legitimate, it will be labeled as a "valid complaint." For every one "valid complaint" documented for the month, one-tenth percent (1/10%) of the monthly invoice amount will be deducted from the Contractor's payment for that same month as a penalty. For example, if twenty (20) complaints are found to be "valid complaints" during that same month, then a total of two percent (2%) will be deducted from the Contractor's payment for that month resulting from customer complaints. Leaving doors unlocked and not arming or disarming alarms systems properly that results in a false alarm is an example of a valid complaint. Any costs assessed to the County for excessive false alarm responses by local law enforcement agencies attributable to failed performance will be the financial obligation of the Contractor. Not having soap in the dispensers is another example of a valid complaint.

4-6 SUPPLIES, CHEMICALS, AND EQUIPMENT

The Contractor shall furnish and maintain all the necessary equipment, cleaning chemicals and supplies required for proper maintenance as described in these specifications and to meet all local fire codes for storage of cleaning agents and solvents. The County is not

responsible for any repairs, maintenance, or replacement of inoperable equipment. The contractor shall be responsible for any replacement equipment required.

The Contractor will provide with his/her proposal a list of the chemicals and supplies that will be used to perform the work under this contract. OSHA Material Safety Data Sheets (MSDS) are required for all chemicals and cleaning products and shall be supplied to the County at the time of product introduction. In addition, all MSDS shall be maintained on-site and updated on a quarterly basis. The County shall be notified in writing each quarter ten (10) business days prior to updates and one (1) full copy of the most current MSDS shall be furnished to the County.

The Contractor will display the MSDS sheets, in English and Spanish, in each custodial closet where the cleaning products are stored. All bottles are to be labeled properly listing all ingredients. The Contractor is responsible for training its employees on how to read the MSDS and to follow instructions for both use of product and responding to a spill or ingestion of product. The Custodial Manager or designee will conduct periodic inspections of cleaning supply cabinets and MSDS books to ensure cleanliness, proper labeling of chemicals, documentation of supplies stored on County property, and compliance.

The Contractor will identify their efforts in the green cleaning movement. Green cleaning is a widely accepted movement that uses procedures and products that consider the health of the building occupants, custodians, and the environment.

The following minimum supplies, chemicals and equipment shall be provided/supplied by the Contractor (NOTE: The County reserves the right to approve all supplies, chemicals and equipment used at the County facilities prior to their use).

Soap for dispensers	Anti-Bacterial Hand sanitizer for dispensers
Toilet tissue (2-ply)	Roll towels and Multi-fold towels
Sanitary toilet cover sleeves	Plastic trash liners (inside/outside receptacles)

Contractor will replace all broken dispensers as needed and provide additional dispensers when determined necessary.

Escambia County focuses on providing safe, effective, and environmentally friendly products in all of their buildings. Green seal certified products are highly encouraged when deemed appropriate and effective for the task.

Vacuum cleaners shall be required to have a HEPA filtration system.

All disinfectant agents and chemicals used by the contractor in the cleaning process shall be bactericidal, fungicidal, viricidal and tuberculocidal, in accordance with appropriate laws & guidelines. Green seal certified products are highly encouraged to be used for the appropriate applications.

All carpet shampooing and stripping and waxing of floors will be performed after hours, on weekends or holidays, unless other specific arrangements have been approved by Facilities Management. This additional work will be invoiced separately and written authorization by Facilities Management will accompany the invoice for payment. No additional work shall be performed without prior written authorization.

It is the responsibility of the Contractor to ensure that all cleaning products are compatible and appropriate for the surfaces to be cleaned. The Contractor will be held responsible for the repair or replacement of any surfaces or items found to be damaged by the improper use of any product it provides.

4-7 SAFETY REQUIREMENTS

All work procedures, materials and supplies and all equipment provided to each employee must meet all Occupational Safety and Health Administration (OSHA) and American National Standards Institute (ANSI) standards. The Contractor shall be responsible for annual safety training for employees in Florida's Right to Know, OSHA Blood borne Pathogens and Center for Disease Control (CDC) Blood borne Pathogens information, and Environmental Protection Agency (EPA) hazardous waste disposal training. Proof of training will be provided to the County.

All equipment used by the Contractor shall be maintained in safe operating condition at all times, free from defects or wear which may in any way constitute a hazard to any person or persons on County property. Vacuum cleaners must be HEPA filtered at 99.97% efficient at 0.3 microns. All electrical equipment will be properly grounded. No internal combustion driven equipment or propane floor machines will be approved for use in County facilities. All employees will wear proper personal protective equipment while working on County property.

The Contractor shall not permit placing or use of mops, brooms, or equipment in traffic lanes or other locations in such a manner as to create safety hazards, and shall provide appropriate warning signs for slippery floor areas caused by cleaning or floor finishing operations. The Contractor's employees shall be required to interrupt their work at any time to allow passage of personnel.

4-8 INSPECTION CRITERIA

Inspection records will be maintained by the County representative(s).

Rooms/areas and exterior areas will be selected by and inspected each month.

The Counties representative(s) will evaluate restrooms/gym rooms as "acceptable" or "unacceptable" using the following criteria:

A. Presence of adequate two (2) ply toilet paper, paper towels, sanitary toilet sleeves, soap, and/or anti-bacterial hand sanitizer.

B. Absence of soil, stains, and rust on toilet room fixtures, drains, traps, faucets, soap and paper dispensers, stalls, mirrors, ledges and drinking fountains

C. Absence of dust on horizontal and vertical surfaces of floors, walls, ledges, furniture, and equipment

D. Absence of litter and trash on floor and horizontal surfaces of equipment

E. Absence of finger marks and spots and soil build-up on walls, partitions, doors, dividers, etc.

F. Absence of encrustation, soil, and wax build-up on floors, particularly in corners, along edges and baseboards, around door jambs, and around fixture and equipment bases

G. Absence of soil, litter, dust, and encrustation in trash containers

H. Absence of soil and dust on window blinds, shades, sills, frames, and ledges

I. Absence of other visible soil and cobwebs on horizontal surfaces including ceilings

J. Absence of soil, litter, dust and spots from all mats and floors

K. Absence of streaks, spots, stains from all bright work, where appropriate - All bright

works shall be polished dry to a high sheen

L. All other contract provisions.

If item #1 is found to be unacceptable, the restroom will be deemed “unacceptable.” If a total of four (4) of the other items are found unacceptable the restroom will be deemed “unacceptable.” If two (2) or more of the same items are found unacceptable in more than half of the rooms inspected in one month, a sustenance problem will be deemed to exist. This condition will require the Contractor to determine the cause and take corrective measures.

The County representative(s) will evaluate non-restrooms as “acceptable” or “unacceptable” using the following criteria:

A. Absence of dust on horizontal and vertical surfaces of floors, walls, ledges, furniture, HVAC vents and equipment

B. Absence of litter and trash on floor and horizontal surfaces of equipment

C. Absence of finger marks and spots and soil build-up on walls, partitions, doors, dividers, etc.

D. Absence of encrustation, soil, and wax build-up on floors, particularly in corners, along edges and baseboards, around door jambs, and around furniture and equipment legs and bases

E. Absence of soil and stains on fixtures, drains, traps, faucets, soap and paper dispensers, mirrors, ledges and drinking fountains

F. Absence of dust, spots, soil build-up and encrustation on furniture and equipment surfaces and legs

G. Absence of dust, lint, and litter on upholstered furniture

H. Absence of soil, litter, dust and encrustation in ash trays, urns, wastebaskets, and trash containers - Trashcan liners shall be new and urn sand in good condition

I. Absence of marks, spots, stains and streaks on interior and exterior entrance doors and all glass windows

J. Absence of soil and dust on window blinds, shades, sills, frames, and ledges

K. Absence of other visible soil and cobwebs on horizontal surfaces including ceilings

L. Absence of soil, litter, dust and spots from all carpets, mats, and floors

M. Absence of streaks, spots, stains from all bright work and stainless steel, where appropriate - All bright work shall be polished dry to a high sheen

N. Empty or nearly empty trashcans and pencil sharpeners (depending on time of day)

O. Absence of interior walk-off mats by all entrance/exit doors.

If a total of five (5) items are found to be unacceptable, the non-restroom will be deemed “unacceptable.” If two (2) or more of the same items are found unacceptable in more than half of the rooms inspected in one month, a sustenance problem will be deemed to exist. This condition will require the Contractor to determine the cause and take corrective measures.

For every one (1) “unacceptable” room rating in a month, one percent (1%) of the monthly invoice amount will be deducted from the Contractor’s payment for that same month as a penalty. For example, if ten (10) rooms are found to be “unacceptable” in one month, then ten percent (10%) of the monthly invoice amount will be deducted from the Contractor’s payment for that month resulting from “unacceptable” room ratings.

All unacceptable rooms will be re-inspected for compliance. A repeat “unacceptable” rating will cause an additional one percent (1%) to be deducted from that month’s payment.

Sec. 46-110. - Local preference in bidding.

(a) *Legislative intent.* The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the county's overall tax base.

(b) *"Local business" defined.*

Local business. For purposes of this section, "local business" shall mean a business which meets all of the following criteria:

(1) Has had a fixed office or distribution point located in and having a street address within Escambia County or Santa Rosa County for at least one year immediately prior to the issuance of the request for competitive bids by the county. The fixed office or distribution point must be staffed by at least one employee. Post office boxes are not verifiable and shall not be used for the purpose of establishing a physical address;

(2) Holds any business license required by Escambia County or Santa Rosa County; and

(3) Is the principal offeror who is a single offeror; a business which is the prime contractor and not a subcontractor; or a partner or joint venturer submitting an offer in conjunction with other businesses.

(c) *Certification.* Any vendor claiming to be a local business as defined above shall so certify in writing to the office of purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certifications, and shall have the sole discretion to determine if a vendor meets the definition of a "local business."

(d) *Preference in purchase of commodities and services by means of competitive bid.* Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive bid (local price match option). Each formal competitive bid solicitation (i.e., sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.00, and the bid submitted by one or more qualified and responsive local businesses is within five percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated community redevelopment area (CRA) is within seven percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.00, and the bid submitted by one or more qualified and responsive local businesses is within three percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within five percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within two percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within four percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the office of purchasing within five business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the board of county commissioners.

(e) *Notice.* All bid solicitation documents shall include notice to vendors of the local preference policy.

(f) *Waiver of the application of local preference.* The application of local preference to a particular purchase or contract for which the board of county commissioners is the awarding authority may be waived upon approval of the board of county commissioners.

(g) *Limitations.*

(1) The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

(2) The provisions of this section shall not apply where prohibited by federal or Florida law or where prohibited under the conditions of any grant.

(3) The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

(4) The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

(h) *Penalties.*

(1) *Misrepresentation.* A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the county will lose the privilege to claim local preference status for a period of up to one year from the date of the award of the contract or upon completion of the contract whichever is greater. The county administrator, in his discretion, may also recommend that the firm be referred for suspension of eligibility to claim the privilege of local preference.

(2) *Failure to maintain local business preference qualifications.* Any vendor that does not maintain its local

preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

(3) *Lack of good faith.* The contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the county determines that the contractor or firm did not act in good faith, all amounts paid to the contractor or firm under the county contract intended for expenditure with the local business shall be forfeited and recoverable by the county. In addition, the contract may be rescinded and the county may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

(Ord. No. 2013-43, § 2, 9-16-2013; Ord. No. 2016-9, § 2, 1-21-2016)

Sec. 46-111. - Small business enterprise program.

(a) *Purpose and intent of section.* The purpose and intent of this section is to provide the maximum opportunity for increased participation of qualified small businesses in the county's procurement system.

(b) *Definitions.* The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

Commercially useful business function means adding value to the goods and services supplied under a contract. A small business is considered to perform a commercially useful business function when it is responsible for execution of a distinct element of work of a contract or transaction and carrying out its responsibilities by actually performing, managing and supervising the work performed. Businesses who merely act as a conduit do not perform a commercially useful business function and will not be eligible for certification as a SBE. In determining whether a business performs a commercially useful business function, consideration will include, but not be limited to, whether the business adds a value to the product or service provided; whether the business has a distributorship agreement with the manufacturer of goods supplied; whether the business takes possession of the product or service provided; whether the business warrants the product or service provided; whether the business maintains sufficient storage space to keep the product in inventory; whether the business maintains sufficient inventory to meet the requirements of its contracts; whether the business provides the product or service to the public or other business other than a governmental agency.

SBE means a small business enterprise certified by Escambia County.

(c) *Scope.* Unless otherwise prohibited by federal or state law, this chapter shall apply to the solicitation of all goods, services and construction by the county which are governed by the county purchasing code. Whenever possible, the county shall utilize a solicitation process which encourages SBE participation even on those items which are exempted from the requirements of the purchasing code.

(d) *SBE program goals.*

Annual goal: The cumulative annual SBE goal shall be up to 15 percent of the total annual expenditures for operating and capital costs for the current fiscal year as calculated in accordance with county SBE program policies and procedures. The cumulative annual SBE goal may be adjusted annually by the board of county commissioners.

(e) *Certification.*

(1) *Requirements.* For the purposes of this section, the following certification requirements shall govern:

a. The business must currently perform a commercially useful business function;

b. The business must be a local business as defined in section 46-110;

c. The business must be an independently owned and operated, for-profit entity;

d. The business may employ ten or fewer full time employees; and

e. The business may have a net worth of not more than $1,000,000.00.

(2) *Application procedure.* All applicants wishing to be considered as certified businesses for the benefits of the SBE program must complete the small business self certification form which can be obtained through the office of purchasing. This is a self-certification process and shall require a signed affidavit attesting to the accuracy of the data provided on the form.

(3) The purchasing department shall accept SBEs for use by the county in its purchasing and procurement process based upon the eligibility requirements provided herein. The purchasing department shall maintain an up-to-date electronic list of SBEs, and encourage the use of this list by all departments in their procurement activities.

(4) Any change of ownership or circumstances that may affect certification eligibility of an SBE must be reported to the purchasing department within 30 days of the change taking place. In the event of a change, the current owner is responsible for fulfilling this reporting requirement prior to seeking business with the county.

(5) *Recertification.* Certified SBEs are required to submit an affidavit of their continued eligibility as a SBE every year. If there has been a change in operation, ownership, control, activities, domicile or gross receipts, the SBE must identify such change on their application for recertification. A company that fails to submit its affidavit of continued eligibility will no longer be deemed certified for purposes of participation in the small business program.

(6) *Decertification.* If during any period of certification, the county has reason to believe that the SBE was not properly certified or that there has been a substantial change of ownership or circumstances that may affect certification eligibility then the county administrator may conduct an investigation and decertify an SBE if the investigation indicates that continued certification would be contrary to the county's SBE program requirements. The county administrator shall notify the SBE by certified mail that it has been decertified. Any business that is decertified may not be recertified for one year from the date of decertification.

(7) *Appeal of decertification.* Any business that believes it was wrongfully denied certification may submit a written request with the office of purchasing to appeal the decertification. The appeal shall be filed within 20 days of receipt of the notice of decertification. The request for appeal shall state with particularity the reasons why the business believes the denial was erroneous.

(8) *Hearing on appeal of decertification.* If an appeal is requested, an administrative review will be conducted by the county administrator, or designee, within 45 days of receipt of the notice of appeal. Upon review, the county administrator, or designee shall take one of the following actions:

a. *Grant the appeal.* If a determination is made that decertification was contrary to county's SBE program requirements, the appeal shall be granted and the business recertified;

b. *Deny the appeal.* If a determination is made that certification would be contrary to the county's SBE program requirements, the appeal shall be denied and the applicant may request that the matter be referred to a special master for further proceedings in accordance with subsections 46-102(4)—(7); or

c. *Refer the appeal to a special master.* If no administrative determination is made, the matter may be referred to a special master for further proceedings in accordance with subsections 46-102(4)—(7).

(f) *False representation.*

(1) It is unlawful for any individual or entity to knowingly submit false information in order to qualify for SBE certification.

(2) Any contractor that falsely represents to the county that it is an SBE, or knowingly submits false information or represents that it will use the services or commodities of an SBE and subsequently does not, shall be deemed in breach of contract. Upon a determination that a breach has occurred, all payments under the contract or

any other arrangement shall be immediately suspended. The contractor may show that it attempted in good faith to comply with the terms of the contract but was unable to comply. If the county determines that the contractor did not act in good faith, all amounts paid to the contractor under the county contract or agreement intended for expenditure with the SBE shall be forfeited and recoverable by the county. In addition, the contract or agreement may be rescinded and the department or division may return all unused goods received and recover all amounts paid under the contract.

(3) Any contractor or affiliate determined to have falsely represented that it or a subcontractor is an SBE, or determined to have not acted in good faith to fulfill the terms of a contract calling for it to use the services or commodities of an SBE, will be considered under the county's suspension and debarment policy.

(g) *Reservation of contracts.*

(1) Unless otherwise prohibited by federal or state law, the county may reserve contracts to be awarded only to SBEs. The county may review all of its needs and requirements in each fiscal year and the board of county commissioners may determine which contracts may be reserved for bidding only by SBEs. This reservation may only be used when it is determined, before dissemination of the request for proposals or invitation to bid, that there are capable, qualified, SBEs available who are interested and willing to bid on these contracts in order to provide for effective competition. Once a decision has been made to reserve a contract, the county shall estimate what it expects the dollar amount of the contract to be based on the nature of the contract and its value under prevailing market conditions. If all the bids received are over this estimate, the county may reject the bids and open the bidding to all vendors and contractors. Before contracts can be reserved for bidding only by SBEs, the board of county commissioners must determine that such a reservation is in the best interest of the county.

(2) Unless otherwise prohibited by federal or state law, the county may reserve any construction contract for competitive bidding for contractors who agree to utilize SBEs as subcontractors or subvendors. The percentage of funds which must be expended with SBE subcontractors shall be determined by the county before the contract is reserved. In order to bid on a construction contract so reserved, the contractor shall identify those SBEs that will be utilized as subcontractors or subvendors. Once a decision has been made to reserve a contract, but before bids are requested, the county shall estimate what it expects the amount of the contract to be based on the nature of the contract involved and its value under prevailing market conditions. If all the bids received are over this estimate, the county may reject the bids and open the bidding to all vendors and contractors. It is the express responsibility of the contractor to verify that all SBEs that will be utilized as subcontractors or subvendors are currently certified by the county.

(h) *SBE preference.*

(1) The county may award a bid preference on any single bid, as provided in section 46-110, to a certified SBE.

(2) SBE preference does not apply to contracts that are reserved in accordance with this section. Preferences as provided in this chapter may not be combined. Only one preference may be awarded on any single solicitation to any certified SBE or contractor. Any SBE bid preference awarded pursuant to this section shall take priority over any local business bid preference that may apply to any single solicitation.

(i) *Responsiveness of bids—good faith efforts.*

(1) Every competitive bid, if not submitted by a SBE, must demonstrate good faith efforts to utilize SBEs as subcontractors or subvendors.

(2) The county may consider written documentation submitted with the bid package in determining whether a contractor has made one or more good faith efforts including, but not limited to:

a. Whether the contractor attended any presolicitation or prebid meeting that was scheduled by the county to inform SBEs of contracting and subcontracting opportunities;

b. Whether the contractor advertised in a general circulation, trade association, and/or SBE focus media

concerning the subcontracting opportunities;

c. Whether the contractor provided written notice to a reasonable number of SBEs that their interest in the contract was being solicited in sufficient time to allow the SBE to participate effectively;

d. Whether the contractor followed up initial solicitations of interest by contacting SBEs to determine whether a SBE is interested;

e. Whether the contractor selected portions of the work to be performed by SBEs in order to increase the likelihood of meeting the SBE goals of the county, including, where possible, breaking down contracts into economically feasible units to facilitate SBE participation;

f. Whether the contractor negotiated in good faith with interested SBEs, not rejecting SBE as unqualified without sound reasons based on investigation of their capabilities;

g. Whether the contractor made efforts to assist interested SBEs in obtaining bonding, lines of credit, or insurance required by the county and/or the contractor; and

h. Whether the contractor effectively used the services of available small business community organizations; small business contractors' groups; local, state, and federal business assistance offices; and other organizations that provide assistance in the recruitment and placement of small businesses.

(3) The county may waive the good faith requirement for procurement where sub-contracting is not applicable or in order to ensure adequate competition.

(j) *SBE assistance program.*

(1) The SBE assistance program is established within the office of purchasing and will report all recommendations and activities associated with the SBE program directly to the county administrator. This program will assist and encourage SBEs to participate in the county solicitation process.

(2) In addition, the purchasing department, in conjunction with the county administrator, shall:

a. Review and comment on any changes to a county policy, rule or regulation relating to SBE procurement;

b. Receive, compile and disseminate information on procurement opportunities, availability of SBEs and available technical assistance;

c. Refer all information on any business suspected of misrepresenting its SBE status to the county administrator's office;

d. Maintain a central list of certified SBEs and provide it upon request; and

e. Host, not less than annually, a workshop to assist small businesses located in Escambia County to obtain SBE certification and to do business with the county.

(k) *Implementation of policy.* In order to systematically augment a viable SBE component within the county's purchasing and procurement system, the purchasing manager shall be delegated the following powers and duties to fulfill their responsibilities and functions:

(1) Establish and compile a system of coordinated, uniform procurement policies, procedures, and practices supporting the SBE program.

(2) Encourage the use of SBEs in county contracting and procurement for goods, services and construction that may be provided or performed by SBEs and strive to achieve the stated SBE annual program goal.

(3) Manage and maintain the information system or other automated interface with the county's finance system to record and measure the use of SBEs in county contracting. This system shall maintain information and statistics on SBE participation, in order to analyze the progress of the SBE program.

(4) Provide an annual written report to the county administrator detailing disbursements made to SBEs for goods, services and construction.

(Ord. No. 2013-52, § 2, 12-5-2013; Ord. No. 2014-29, § 1, 7-24-2014)

Sec. 46-112. - Participation of minority and women business enterprises.

(a) *Policy statement.* The county is committed to providing equal opportunities to minority and women business enterprises and strives to improve the opportunities and participation of such businesses in the public procurement of goods and services by the county. Pursuant to this policy, the county shall hereby establish procedures to encourage the participation of minority and women owned businesses in the public procurement of goods and services by the county. Nothing in this section shall be construed to provide for or require any preference or set-aside based on gender, race, or national origin.

(b) *Definitions.* For the purpose of this section, the following terms shall have the following meanings:

Minority shall mean any of the following groups:

(1) African American persons having origins in any of the black racial groups in Africa;

(2) Hispanic American persons of Spanish or Portuguese culture with origins in Mexico, South America, Central America, or the Caribbean, regardless of race;

(3) Native American persons including those residing in the U.S. or its territories, who are descendants of any Indian tribe with origins in the North and South American continents and other islands or lands to include the countries of the U.S., Canada, and Mexico;

(4) Asian American persons having origins in any of the original peoples of the Far East, Southeast Asia, Indian Subcontinent, or Pacific Islands.

Minority business enterprise (MBE) shall mean any business which is at least 51 percent owned and operated by minority members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by minority members.

Women business enterprise (WBE) shall mean any business which is at least 51 percent owned and operated by women members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by women members.

(c) *Certification.*

(1) *Requirements.* For the purpose of this section, the following certification requirements shall govern:

a. The business is a MBE and/or WBE as defined in this section.

b. The business meets the requirements provided in section 46-111(e)(1).

c. The business is legally structured as required by Florida law and, if applicable, in good standing with the Florida Secretary of State.

(2) *Procedure.* All applicants wishing to be considered as certified MBE/WBE(s) must complete a small business enterprise program certification application form which may be obtained through the office of purchasing. This is a self-certification process and shall require a signed affidavit attesting to the accuracy of the data provided on the form. Proof of current certification as a minority and/or women business enterprise by the Florida Office of Supplier Diversity may be accepted in lieu of other supporting documentation. Certified M/WBEs shall submit an affidavit of continued eligibility on an annual basis.

(d) *Implementation.* In an effort to implement this policy, the county may undertake the following measures:

(1) Designate the purchasing manager to administer this policy.

(2) Maintain a central list of certified M/WBEs.

(3) Manage and maintain the information system or other automated interface with the county's finance system to record and measure the use of M/WBEs in county procurements.

(4) Utilize outreach programs to identify and educate M/WBEs about the county's procurement process.

ADDENDUM NUMBER 1:

Re: PD 19-20.092 Re-Solicit Custodial Services for Various County Facilities

All:

Your firm recently received a Request for Proposals for the above-mentioned specification. This Addendum Number 1 provides for information related to the current vendor.

The current vendor is American Facilities Services, and has been since October 2011. This solicitation is being issued because the current agreement has expired, and the County is required to solicit competitive bids. Additionally, the previous agreement did not allow for multiple vendors to be awarded as the current solicitation offers.

The Bid Tabulations from two previous solicitations have been attached, however, the Scope of Work from previous solicitations is not at all comparable to the current Scope of Work being requested. Firms are strongly encouraged to not utilize past pricing to determine current or future bids.

Per Florida Statute 119.071(b)(3), bids from the most recent solicitation, PD 19-20.065, will not be available until after the current solicitation is awarded or 12 months have passed from the rejection of bids, which occurred on August, 17, 2020, whichever comes first.

This Addendum Number 1 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photocopy this form for your records.

Sincerely,

Jeffrey D. Lovingood

Re: PD 19-20.092 Re-Solicit Custodial Services for Various County Facilities

Q1. Can the vendors show the toiletry pricing separately from the service price shown in the proposal?

A1. For the purposes of this solicitation, we ask that the pricing provided in the proposal be an "all inclusive" price that covers everything the vendor will need to perform the service and have the facilities sufficiently stocked.

Q2. Can vendors purchase supplies directly from Escambia County?

A2. At this time, the County does not offer the ability for vendors to purchase supplies from the County.

Q3. On page 27 of 61, Item 2-2, "Proposals shall confirm that the firm will comply with all of the provisions in this RFP." Is there a form to be utilized for this?

A3. Confirmation that a firm will comply with all provisions can be stated anywhere within the proposal. Most firms opt to write a letter of interest as a type of cover page for the proposal. Such a statement can be included in a letter of this type.

Q4. On what page of the RFP is the "Solicitation, Offer, and Proposal Form"?

A4. This form was intentionally left out of the RFP and the language referenced in the question is boilerplate language that is used from one RFP to the next. Please disregard this requirement.

Q5. Page 4 of 61, states that the Proposal Response must include one (1) original and one (1) electronic copy via CD or flash drive OR uploaded via Vendor Registry. Page 14 of 61, Item 4 Proposal Forms states that, "Firms electing to submit original forms shall also provide a complete copy of the bid response via CD or flash drive." Since one original is required per page 4 of 61, this seems to indicate that a complete copy of the bid response via CD or flash drive would also be required, is this correct? Or could the proposal – in its entirety – be submitted via Vendor Registry?

A5. If a firm is submitting a physical proposal document to the Office of Purchasing via mail or courier, an electronic copy shall be included. If a firm is submitting their complete proposal via Vendor Registry, a physical proposal document is not required.

Q6. If some documents are not ADA-compliant, would the proposal be deemed non-responsive?

A6. No. At this time, the County does not require ADA-compliant documents, but we do ask for them to be utilized whenever possible. The County attempts to provide ADA-compliant documents to all those who submit a Sunshine Law information request.

As a reminder, regardless of the means with which the proposal is submitted, all firms shall provide their Bid Surety to the Office of Purchasing prior to the Proposal submittal deadline.

Firms submitting a surety from their insurance provider can upload the surety documents in Vendor Registry and a physical delivery to the Office of Purchasing is not required.

Q7. Page 27 of 61, Item 2-1 states that, "All RFP documents (excluding the Excel Spreadsheet) shall be contained in a single PDF or Microsoft Word-Type document. The Excel Spreadsheet will also be returned complete as a single document."

Page 30 of 61, Item 3-2 asks proposers to, “Please separate the RFP responses into the following categories:” and on page 32 of 61, Item 6, A asks proposers to provide the pricing schedule on the Price Proposal Form.

Should a hard copy of the Cost Proposal (Excel spreadsheet) be included as an item in the submission of the original Technical Proposal? Or should it be submitted in a separate envelope with the other signed forms? Or on its own?

A7. All the proposal documents shall be in a single PDF, and sorted according to the order outlined in Item 3-2.

The physical Excel document can be separate, in either Excel or PDF. Both the proposal (PDF) and the Excel spreadsheet (Excel) shall be on the electronic copy and/or uploaded to Vendor Registry.

Q8. Will the content referred to on page 27 of 61, Part II, 2-3 Understanding of the Project, 2-4 Methodology Used for the Project, and 2-5 Management Plan for the Project be evaluated as part of 1: Scope of Services as outlined on page 30 of 61, Part III, Section 3-2 Evaluation Criteria?

A8. Yes.

Q9. Will the content referred to on pages 27 and 28 of 61, Part II, Section 2-6 Experience and Qualifications, be evaluated as part of 2: Adequacy of Staffing and Supervision and 3: Related Experience as outlined on pages 30 and 31 of 61, Part III, Section 3-2 Evaluation Criteria?

A9. Yes.

Q10. Page 29 of 61, Item 2-8 requests that “Bidders provide a breakout of the firm’s employees by minority status, as well as the status of employees of any subcontractor that will be performing the work.” This item is not referred to as part of the Evaluation Criteria. Under which section of the Evaluation Matrix will this item be considered? Or is this a pass/fail item for meeting minimum requirements?

A10. If it is not listed in the “Selection Criteria,” it is not a selection criterion. The Board has requested information for information purposes.

Q11. Page 50 of 61, paragraph 1, states that, “The Contractor will provide with his/her proposal a list of the chemicals and supplies that will be used to perform the work under this contract.” This item is not listed as part of the Evaluation Criteria. Under which section of the Evaluation Matrix will this item be considered? Or is this a pass/fail item for meeting minimum requirements?

A11. If it is not listed in the “Selection Criteria,” it is not a selection criterion. The department has requested this information for information purposes.

AGREEMENT RELATING TO CUSTODIAL SERVICES (P.D. 19-20.092)

THIS AGREEMENT is made by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County**"**), whose mailing address is 221 Palafox Place, Pensacola, FL 32502, and Latonya Carter, a sole proprietor d/b/a Ay'Notyal (hereinafter referred to as "Contractor"), FEI/EIN (Not Provided), whose principal address is 4471 Rochelle Drive, Pensacola, FL 32505.

WITNESSETH:

WHEREAS, on August 21, 2020, the County issued a Request for Proposals (P.D. 19-20.092) seeking contractors to perform custodial services for various Escambia County facilities located within eleven zones; and

WHEREAS, Contractor submitted a proposal demonstrating that the Contractor was qualified to provide such services; and

WHEREAS, the County desires to enter into an agreement with the Contractor for the provision of such services as set forth herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. After being properly executed by the Parties named herein, this Agreement shall commence on November 1, 2020, and continue for an initial term of thirty-six (36) months expiring on October 31, 2023. Upon mutual agreement, the Agreement may be renewed for two additional twelve (12) month terms up to a maximum of sixty (60) months. The County shall provide written notice of the desire to renew or extend the Agreement at least thirty (30) days prior to the expiration of the current term.

3. Scope. Contractor agrees to perform in accordance with the scope of services as outlined in Escambia County's *Request for Proposals Custodial Services for Various Escambia County Facilities, Specification No. P.D. 19-20.092*, attached hereto and incorporated herein as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement shall prevail. Additional cleaning services and emergency services may be requested by the County on an as-needed basis.

4. Compensation. In exchange for the Contractor's provision of the scope of services referenced in Section 3 above, County agrees to pay the Contractor as follows and as further specified in the Contractor's proposal attached hereto and incorporated herein as **Exhibit B**:

Zone 10 in an amount not to exceed $99,191.40.00 per year.

In exchange for the provision of any requested additional cleaning services or emergency services referenced in Section 3 above, County agrees to pay Contractor as follows:

Additional Area Cleaning Cost		
Ceramic: Scrub	$0.15	per sq. ft.
Carpet: Shampoo	$0.15	per sq. ft.
Window Cleaning Exterior (Outside of Scope)	$0.15	per sq. ft.
Window Cleaning Interior (Outside of Scope)	$0.15	per sq. ft.
Day Porter	$15.50	Per Hour

Emergency Service Call Cost – Two-Hour Response Time Based on One Hour On-Site	
Century Library	$125.00
Genealogy Library	$125.00
Legion Field	$125.00
Molino Library	$125.00
S.W. Library	$125.00
Tryon Library	$125.00
W. Florida Regional Library	$125.00
Additional Hourly Rate	$25.00

Contractor shall be responsible for providing all supplies, equipment, and labor necessary to perform services pursuant to this Agreement.

5. Method of Payment/Billing. Contractor may request payment from County on a monthly basis by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of services rendered with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

6. Price Adjustments. Contractor may request price adjustments once every twelve (12) months. Requests must be provided to the Director of Facilities Management no later than May 1st and shall take effect on November 1st of the year in which the request was submitted. Any requested price increase shall be accompanied by appropriate documentation of a bona fide cost increase to the Contractor based upon an increase in the consumer price index (CPI) and/or an increase in the minimum wage. Any price decrease effectuated during the term of the Agreement

shall be passed on the County by the Contractor. Any price adjustment shall be accomplished by written amendment to this Agreement and approved by the Board of County Commissioners.

7. Changes in Scope. The County reserves the right to increase or decrease the frequency of services or the number of buildings or square footage within a zone as may be required. The County will provide Contractor with not less than forty-eight hours prior written notice of any such modifications. Rates for new areas shall be based upon the cost per square foot as bid for the same or similar building within the zone. No minimum quantity of work is guaranteed during the term of this Agreement, and only those tasks assigned by the Contract Administrator may be compensated.

8. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the Contractor shall be paid for services provided through the date of termination, but Contractor shall not be entitled to any other recovery against County, including, but not limited to, damages or any anticipated profit on portions of work not performed.

9. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

10. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory Workers' Compensation and Employers' Liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease; and

(d) Fidelity Bond with $1,000,000 per occurrence coverage limit.

In the event Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days' advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

11. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

12. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Latonya Carter D/B/A Ay'Notyal	To: Escambia County
Attention: Latonya Carter	Attention: County Administrator
4471 Rochelle Drive	221 Palafox Place, Suite 420
Pensacola, FL 32505	Pensacola, Florida 32502

Rejection or other refusal by the addressee to accept or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

13 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

14. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420

15. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

16. Compliance with Laws. Contractor agrees to comply with all federal, state, and local laws, rules, policies, or guidelines related to the performance of this Agreement.

17. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

18. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

19. Authority. Any individual executing this Agreement on behalf of a corporate or governmental party represents and warrants that he/she is duly authorized to execute and deliver

this Agreement on behalf of said party, in accordance with any duly adopted action of the governing board of said party, as may be applicable and in accordance with applicable law, and that this Agreement is binding upon said party in accordance with its terms.

20. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

NOTICE

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee vendor until such time as the contract is executed by the last party to the transaction.

SPECIAL ACCOMODATIONS

Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing at 850-595-4953 at least five (5) working days prior to the solicitation opening. If you are hearing or speech impaired, please contact the Office of Purchasing at 850-595-4684 (TTY).

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to vendors of the local vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and
2. Holds any business license required by Escambia County or Santa Rosa County, and
3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification and shall have the sole discretion to determine if a vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by

the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated Community Redevelopment Area (CRA) is within seven percent (7%) of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within three percent (3%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within two percent (2%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within four percent (4%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.
2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.
3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.
4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded, and the County may return all, or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(a)
FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(print name of the public entity)

by _____
(print individual's name and title)

for _____
(print name of entity submitting sworn statement)

whose business address is:

_____

_____

and, if applicable, its Federal Employer Identification Number (FEIN) is:

_____
(If the entity has no FEIN, provide the Social Security Number of the Individual signing this sworn statement.)

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity, or with an agency or political subdivision of any other state or of the United State, including but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision or any other state or of the United State and involving antitrust, fraud, theft, briber, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, non-jury trial, or entry of a please of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

a. A predecessor or successor of a person convicted of a public entity crime; or

b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in

management of the entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement.

Please indicate which statement applies:

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Please attach a copy of the Final Order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO (2) OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

B. All work shall be completed in every respect and accomplished in a professional manner and awarded vendor shall provide for removal of all debris from County property.

C. The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

D. The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

E. The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

F. The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

G. The awarded vendor shall at all times guard against injury to Escambia County employees. The vendor shall properly fence and secure the construction site(s) at all times, including evening and weekends.

H. The awarded vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

12. Compliance with Governing Laws and Regulations

The offeror or contractor will be required to fully comply with all applicable federal, state, and local regulations. The offeror should carefully review these requirements which are detailed in this solicitation.

13. Contract Term/Renewal/Termination

The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of thirty-six (36) months. The contract may be renewed for up to two (2) additional twelve (12) month periods, up to a maximum sixty (60) months upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

14. Option to Extend the Term of the Contract

The County may unilaterally extend the term of this contract by written notice to the contractor at least sixty (60) days before the expiration of any contract term. The exercise of the option shall be for the period specified and for the prices listed on the proposal form. All other terms and conditions of the contract shall apply to the option periods. The total duration of this contract, including the exercise of all options, shall not exceed five (5) years.

15. Pricing

All services sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates offeror has not honored quoted price lists and discounts, offeror will be liable for any and all overage charges.

16. Changes – Service Contracts

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas.

A. Description of services to be performed

B. Time of performance (i.e., hours of the day, days of the week, etc.)

C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

17. Termination

A. The contract may be canceled by the contractor, for good cause, upon ninety (90) days prior written notice.

B. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

C. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

18. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the offeror may withdraw his offer or provide a written extension of his offer.

19. Award

Award shall be made on an "all-or-none total by zone".

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

A. In an effort to encourage small businesses that may not have the infrastructure to service a client as large as the County, the Board of County Commissioners has asked that all of the County facilities be put into smaller Zones that small businesses can service.

B. With this in mind, vendors are encouraged to bid on each Zone, however, the vendor's bid for a Zone should reflect that the bid is a stand-alone price for that Zone.

1) The vendor may or may not be awarded any Zones.

2) The vendor may or may not be awarded multiple Zones.

C. Any firm that bids on a Zone and refuses to accept award or refuses to enter into an agreement with the County for any reason shall have the firm's Bid Surety retained by the County and not returned to the vendor.

20. Termination (Services)

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring deficiencies within five (5) working days of notification by the Contract Administrator.

Upon the third such written notification of unsatisfactory performance and/or deficiencies to the contractor by the Office of Purchasing within a four (4) month period, or the sixth such notification within any contract term, shall result in issuance of written notice of immediate contract termination to the contractor by the Office of Purchasing. Such termination may also result in suspension or debarment of the contractor.

21. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is

finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work).

Non-Contract Insurance Requirements

22. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the level of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred", however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract, or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract, or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage – Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract, or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (if utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract, or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of $1,000.
4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   213 Palafox Place 2nd Floor
   Pensacola, FL 32591
   Purchasing@myescambia.com

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Fidelity/Dishonesty/Liability Coverage – for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

23. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgements, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

PART I GENERAL INFORMATION

1-1 PURPOSE

The Board of County Commissioners of Escambia County is seeking the Professional Services of a qualified contractor to provide Custodial Services in County-owned and maintained facilities as noted in Exhibit "A". The primary objective of this RFP is the selection of the most qualified and experienced Contractor(s) to provide these Custodial Services in a manner that is most advantageous to the County.

1-2 ISSUING OFFICER

The project Director shall be Janice P. Gilley, County Administrator. The liaison officer shall be Donald Knight, Custodial Manager, Facilities Management Department. The contracting agency shall be the Escambia County Board of Commissioners, c/o the Office of Purchasing, 213 Palafox Place, 2nd Floor, Pensacola, Florida, 32502.

1-3 CONTRACT CONSIDERATION

It is expected that the contract shall be a multi-award, term agreement, and shall officially begin on October 1, 2020.

1-4 REJECTION

The right is reserved by the Board of County Commissioners to accept or reject any or all proposals or to waive any informality, existing in any proposal, or to accept the proposal which best serves the interest and intent of this project and is from the most responsive and responsible proposer.

1-5 INQUIRIES

All questions regarding this Request for Proposal shall be directed to Jeffrey Lovingood, Purchasing Coordinator, in writing via email at JDLovingood@myescambia.com.

1-6 ADDENDA

Any changes made in the Request for Proposal shall be brought to the attention of all of those who have provided the proper notices of interest in performing the services.

1-7 SCHEDULE

The following schedule shall be adhered to in so far as practical in all actions related to this procurement:

A. Mailing (Advertisement) Date……..….August 21, 2020

B. Last Date for Questions…….September 01, 2020 at 5:00 PM CDT

C. Receipt of Proposals.....September 04, 2020 at 2:00 PM CDT

D. Ranking Meeting.....September 09, 2020

E. Target Board Date…..……....September 17, 2020

F. Projected Start Date……..…….October 01, 2020

1-8 PRIME CONTRACT RESPONSIBILITIES

The selected contractor shall be required to assume responsibility for all services offered in their proposal. The selected contractor shall be the sole point of contact with regard to contractual matters including payments of any and all changes resulting from the contract.

1-9 DISCLOSURE

All information submitted in response to this RFP shall become a matter of public record, subject to Florida Statutes regarding public disclosure.

1-10 DELAYS

The Project Director reserves the right to delay scheduled due dates if it is to the advantage of the project.

1-11 WORK PLAN CONTROL

Control of the work plan to be developed under the RFP shall remain totally with the Escambia County Board of Commissioners.

PART II INFORMATION REQUIRED FROM CONTRACTORS

ALL PROPOSALS SHALL INCLUDE THE FOLLOWING: TECHNICAL AND COST PROPOSAL

2-1 PROPOSAL FORMAT AND CONTENT

All Proposers shall provide a straightforward and concise description of their ability to meet the RFP requirements.

All RFP documents (excluding the Excel Spreadsheet) shall be contained in a single PDF- or Microsoft Word-type document. The Excel Spreadsheet will also be returned complete as a single document.

There shall be avoidance of fancy bindings and promotional material within. The proposal shall clearly show the technical approach to include work tasks, estimated time phasing and the proposed approach rational. All proposals submitted in a sealed envelope shall be in spiral binding or "GBC" type binder with all pages 8.5" x 11" format. The County discourages overly lengthy or costly proposals.

2-2 INTRODUCTION

Proposals shall include the complete name and address of their firm and the name, mailing address, and telephone number of the person the County should contact regarding the proposal.

Proposals shall confirm that the firm will comply with all of the provisions in this RFP; and, if applicable, provide notice that the firm qualifies as a County proposer. Proposals shall be signed by a company officer empowered to bind the company. A proposer's failure to include these items in their proposals may cause their proposal to be determined to be non-responsive and the proposal may be rejected.

2-3 UNDERSTANDING OF THE PROJECT

Proposers shall provide a comprehensive narrative statement that illustrates their understanding of the requirements of the project and the project schedule.

2-4 METHODOLOGY USED FOR THE PROJECT

Proposers shall provide a comprehensive narrative statement that sets out the methodology they intend to employ and that illustrates how their methodology will serve to accomplish the work and meet the County's project schedule.

2-5 MANAGEMENT PLAN FOR THE PROJECT

Proposers shall provide a comprehensive narrative statement that sets out the management plan they intend to follow and illustrates how their plan will serve to accomplish the work and meet the County's project schedule.

2-6 EXPERIENCE AND QUALIFICATIONS

Provide an organizational chart specific to the personnel assigned to accomplish the work called for in this RFP; illustrate the lines of authority; designate the individual responsible and accountable for the completion of each component and deliverable of the RFP. It is understood by the County that staff may need to be hired to accomplish the tasks required. Firms shall provide an organizational chart and narrative description of the organization of the project team.

Provide a personnel roster that identifies each person who will actually work on the contract and provide the following information about each person listed.

[a] Title,

[b] Résumé,

[c] Location(s) where work will be performed,

[d] Itemize the total cost and the number of estimated hours for everyone named above.

After delivering an initial proposal in response to this solicitation, all submitters are prohibited from substituting, modifying, or amending those staff or subconsultants identified in the initial written submittal at any time during the course of the solicitation process up to the final award of contract. A substitution of staff or subconsultants, the addition of any subconsultants, or any other material changes to the submittal after the initial response will cause the submittal to be invalid for review and selection purposes.

Provide reference names and phone numbers for similar projects your firm has completed.

It is understood that firms will likely need to hire new staff to perform the duties outlined in this solicitation. For any employees that will need to be hired as a result of this award, please include a job description for the role(s) that will be filled, as well as your companies policies and procedures related to hiring and training.

2-7 COST PROPOSAL

Please see the attached Excel spreadsheet for Proposal pricing information. The Excel spreadsheet provides firms with a list, by zone, of each building/facility to be serviced.

A. Firms shall provide pricing based on the annual cost for servicing each building within a zone, based on a three (3) year agreement with up to two (2) one-year renewals.

B. Proposers are asked to offer complete pricing for each of the eleven (11) zones the firm is willing to service for the mutually agreed upon term noted in **2-7, A.**, above. Proposers are not required to offer pricing for any zone they do not wish to service.

C. **At the discretion of the Selection Committee, firms <u>may</u> be recommended for award by the Board of County Commissioners for zero, one, or multiple zones.** It is therefore imperative that pricing for each zone shall be "stand-alone" pricing representing the true cost to the County of that specific zone. The prices offered for each zone by the Proposer shall not be based on the firm being awarded any other zone. The pricing listed for any zone shall be considered a stand-alone price and the recommended award for such zone shall have no bearing on the recommendation to award any other zone.

D. **The Selection Committee reserves the right to limit the number of zones for which a firm will be recommended for award.**

E. Proposals that do not provide pricing for each building <u>within a zone</u> will result in the zone being considered non-responsive. If the overall proposal is responsive other zones bid will be considered, however, the County cannot select Vendors to service a zone based on incomplete information.

F. Proposer's cost proposals shall include an itemized list of all direct and indirect costs associated with the performance of this contract, including, but not limited to, total number of hours at various hourly rates, direct expenses, payroll, supplies,

overhead assigned to each person working on the project, percentage of each person's time devoted to the project, and profit.

G. In addition to the pricing for each zone, firms are asked to complete the Excel spreadsheet relating to Additional Area Cleaning Cost and Emergency Service Call. These are requested rates for any services outside the standard Scope of Work and shall be completed in full. Incomplete information for Additional Area Cleaning Cost and Emergency Service Call may result in a Proposer's complete bid being deemed non-responsive.

2-8 The Board has requested that each firm provide their status relating to being a minority-, woman-, and/or veteran-owned business. If a firm is using sub-contractors, the Bidder must provide the business status of the sub-contractor.

Additionally, the Board has requested that Bidders provide a breakout of the firm's employees by minority status, as well as the status of employees of any sub-contractor that will be performing the work.

The following are the designations requested:

1. **WOSBE** – Woman-Owned Small Business Enterprise
2. **VOSB** – Veteran-Owned Small Business
3. **SDVSOB** – Service-Disabled Veteran-Owned Business
4. **EDWSOB** – Economically Disadvantaged Woman-Owned Small Business
5. **DBE Certified** – Disadvantaged Business Enterprise
6. **SBA 8(A) Certified** – Small Business Administration program for small businesses owned by socially and economically disadvantaged people or entities.
7. **HUBZone Certified** – Historically Underutilized Business Zone, a federal program to encourage small businesses to locate in and hire employees from economically disadvantaged areas.
8. **Minorities**:
    A. African American
    B. Hispanic
    C. Asian
    D. Native American
    E. Pacific Islander

Please note that a copy of the Escambia County Code of Ordinance related to Small Business Enterprise (Sec. 46-111) and Participation of Minority and Women Business Enterprises (Sec. 46-112) has been included in this document.

PART III CRITERIA FOR SELECTION

3-1 EVALUATION MATRIX

To ensure that all RFP's are fairly evaluated, scored, and ranked, it is particularly important that the RFP's are prepared according to the prescribed format. Failure to follow this requirement may result in the disqualification of the vendor's proposal.

All proposals will be evaluated on the following scale:

		Maximum Point Value
1.	Scope of Services	10
2.	Adequacy of Staffing and Supervision	20
3.	Related Experience	20
4.	Safety Program and Training of Personnel	10
5.	Distance to Sites	20
6.	Proposed Fee Schedule	20
	Total Points Possible:	**100**

3-2 EVALUTATION CRITERIA

The recommendation to award any contract(s) will be based on each firm's responses to the following criteria as addressed in the RFP. References to "Project" in the evaluation criteria are related to potential projects within the services described in this RFP. Please separate the RFP responses into the following categories:

1. Scope of Services

A. Describe your firm's depth of understanding of the work.

B. Clarify your firm's capacity to successfully provide the services required. Additionally, firms shall include their plan for scaling up trained staff in preparation for an October 1, 2020 start date.

C. Include quality assurance procedures to be utilized.

D. Indicate the firm's willingness to work with County staff in the creation and implementation of site-specific work-orders and task plans.

2. Adequacy of Staffing and Supervision

A. Describe the typical organizational structure to be used to staff County facilities and the responsibilities of each staff member.

B. Provide a brief résumé of proposed Site Supervisor(s) and other key positions. No more than one page dedicated to each individual.

C. Provide an organization chart for each Zone and indicate which positions are full- and part-time. Include an organizational chart showing corporate support, if applicable.

D. Provide staff qualifications including job descriptions which indicate minimum qualifications required.

E. The County recognizes that in order to recruit and retain quality personnel, the Proposer may offer a package of benefits including life insurance,

health insurance, and paid leave, among other potential benefits. Please indicate the benefits offered/provided to employees and if the company or employee pays the expense.

F. Indicate the Proposer's plan to minimize turnover and assure the highest rates of retention. Provide a five (5) year history of turnover for all previous contracts.

3. Related Experience

A. List all clients currently under contract.

B. Include information on previous and current experience with commercial contracts of similar size and/or dollar value.

C. Include reference letters from the client on each of the three (3) most closely related agencies or businesses. References are to be specific to the Proposer. The references shall include the company name, address, contact email address and phone number. References shall not include any County employees or members of the Escambia County Board of County Commissioners.

D. Include approximate square footage and cost of contract(s).

E. Provide a summary of any litigation, claim, or contract dispute(s) which have been finalized and/or decided by a Court of Law, which were filed by or against the Proposer in the past five (5) years. Include a summary of the nature of the litigation, claim, or contract dispute, a brief description of the case, the outcome, and the monetary amounts involved.

4. Safety Program and Training of Personnel

Provide a copy of the Proposer's Training Plan to include but not be limited to the following:

A. Management's Safety Policy Statement.

B. Hazard Assessment and Safety Planning processes.

C. Staff training plans for Occupational Safety and Health (OSHA).

D. Plans for the handling and clean-up of blood-borne pathogens.

E. Driver safety training, including golf cart operations.

F. Staff orientation program.

G. On-going training and experience requirements.

H. Data to support the existence and quality of the programs the Proposer brings to the operation with respect to providing a safe and secure workplace.

5. Distance to Sites

Indicate the primary location of the Proposer's office that will have direct responsibility for this contract. If the distance from the project exceeds sixty (60) miles, describe how the project would be effectively managed or what limitations in services, if any, the County might expect as a result of the distance.

6. Proposed Fee Schedule

A. Provide the pricing schedule on the Price Proposal Form (Excel).

B. The proposed rates shall remain firm for the first year of the contract term and shall include all charges incurred in fulfilling the terms of the contract.

C. Each year, on or before January 31, the awarded vendor may request a rate increase.

1) An increase in contract rates will require prior written approval by the County and shall take effect at the next fiscal year or renewal period, if any remain, and if the Board awards the new rate.

2) All increases related to changes in wage law(s) or other applicable laws shall not be retroactive and can only be granted for the upcoming year of service. When wages are affected by changes to the wage law(s), only the specific positions affected by the wage law(s) will be reviewed to determine the increase.

3) Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract approved by the Board of County Commissioners.

3-3 EVALUATION METHOD

The County will appoint a Selection Committee to evaluate proposals and will evaluate and rank all responsive proposals to determine which proposal(s) best meet the needs of the County based on the evaluation criteria. A firm(s) shall then be recommended for award by the Escambia County Board of County Commissioners.

The County may elect to choose to award zero, one, or multiple zones, and may adjust which buildings are within each zone.

The County shall be the sole judge of its own best interests, the proposals, and the approval of any resulting contract. The County's decisions shall be final.

3-4 NON-RESPONSIVE PROPOSALS

Non-responsive proposals will be rejected by the Purchasing Department and may not be distributed to the Selection Committee for consideration. Additionally, the Selection Committee may determine that required submittals/documentation is so inadequate as to be determined to be non-responsive. Non-responsive proposals may include but are not limited to the following:

1. Failure to sign the proposal and failure to have the proposal signed by someone with authority at the firm to sign a binding agreement.
2. Failure to acknowledge addenda (unless all changes are not material to the Scope).
3. Failure to provide required submittals/documentation.
4. Submission of a late proposal.
5. Firm does not meet minimum requirements.

3-5 NOTIFICATION

Upon completion of the evaluation of all written proposals, the Selection Committee will meet on September 09, 2020. At this time, the Selection Committee shall rank then recommend firms for zero, one, or multiple zones.

The Ranking meeting is a public meeting; however, it is not a public-participation meeting. Firms can join by coming to the Office of Purchasing for the Ranking meeting or by attending a videoconference, the link for which will be provided to all responsive proposers.

PART IV SCOPE OF WORK

4-1 SUMMARY

The Contractor shall provide all labor, supplies, and equipment needed to perform required services. The Scope is defined as cleaning and maintaining all interior areas and exterior entrances for the building under contract unless otherwise specified in writing by Facilities Management.

DEFINED TASK: The following tasks defined as general cleaning shall be deemed the "Scope of Work" for the purposes of this solicitation.

4-2 CUSTODIAL CLEANING SPECIFICATIONS

A. Floor Maintenance

Floors shall be cleaned in accordance with the following standards to maintain a safe, sanitary condition, present a pleasing appearance, and provide protection from damage.

1. **Damp Mopping:** A damp-mopped floor shall have an evenly cleaned surface that is free of dirt, dust, hair, mop marks, smears, film, dirt residue, streaks, debris, and standing water. All mop marks on baseboards, doors, and furniture shall be removed. Floors that cannot be cleaned satisfactorily by damp mopping shall be scrubbed.
2. **Scrubbing:** A scrubbed floor shall have an evenly cleaned surface that is free of dirt, dust black marks, and other foreign matter to the floor surface. Wax that has been removed during the scrubbing operation shall be reapplied.
3. **Buffing:** A buffed floor will be done in such a manner that the finish will be evenly distributed on the floor surface. The floor surface shall present an even, clean, and uniform sheen, with no brush marks left upon completion of work. Floors shall be dust mopped, damp mopped, and have black marks removed prior to buffing operation.
4. **Spray Buffing:** A spray-buffed floor shall have received spray applications of wax and sufficient buffing to provide a high gloss finish that blends in with the surrounding floor finish. The floor surface shall be cleaned to remove all dust, dirt, and black marks prior to the buffing operation.
5. **Stripping of Waxed/Sealed Surfaces:** A properly stripped floor shall have all wax/sealer removed down to the flooring material. The floor shall be left free of all dirt and stains.
6. **Waxing:** A properly waxed floor shall have an even coating of slip-resistant wax. The floor shall be clean and bright, including corners and under furniture. Wax shall be buffed to a uniform sheen, leaving no brush marks. If self-polishing wax is used, buffing is not required.
7. **Sealing:** A properly sealed floor shall have an even coating of slip-resistant sealer. The floor shall be clean and bright, including corners and under furniture.
8. **Polishing:** A properly polished floor area shall be free of small objects such as paper clips, staples, etc. This shall include removal of trash and debris of building interior and exterior doorways.

9. **Vacuuming:** A properly vacuumed floor, carpet, elevator, and stairway shall be free of all dust, dirt, cobwebs, grit, and lint. This includes debris in corners, behind doors, and under furniture (except permanently positioned items, such as built-in, safes or file cabinets). Removal of chewing gum or other foreign matter is considered part of vacuuming process.

10. **Detailing:** Properly detailed carpeting shall be vacuumed with edging tools around edge of carpet, desk legs and other areas inaccessible to equipment. This process shall be done at the time of each vacuuming or cleaning.

11. **Steam Cleaning:** Properly steamed carpet shall be free of dirt, streaks, stains, and spots.

12. **Spot Cleaning:** All floor and carpet areas spot cleaned shall be free of all stains, deposits, and cleaning marks.

13. **Rug and Carpet Care:** A properly cared for carpet shall be free of dirt, streaks, stains, spots and have a bright uniform color.

14. **Interior Concrete, Brick, and Ceramic Tile Floor Care:** Properly cared for concrete, brick and ceramic tile floors shall be free of streaks, stains, black marks, spots, gum, and other foreign matter to floor surfaces and shall have a bright, uniform color and appearance. Waxing of concrete and ceramic tile floors is prohibited.

15. **Baseboard Care:** All baseboards shall be kept clean and free of dust, dirt, splash marks and other matter foreign to the surface. Baseboards should be free of wax buildup at VCT floors.
