4-5 ADDITIONAL PROVISIONS

All employees assigned by Contractor to perform the work under the resulting contract shall be physically able to do their assigned work, and shall be free from communicable diseases. It shall be the contractor's responsibility to ensure all employees meet the physical standards needed to perform the work assigned. All personnel employed by contractor shall be trained and qualified in their assigned type of work.

A. CONTRACTOR REQUIREMENTS

1. Contractor will require all employees to report for duty in County-approved uniforms with the Company logo and approved photo ID badges while on County Property.
2. All contractor vehicles shall be clearly identified as belonging to the contractor and shall clearly display a parking decal where required.
3. Prohibit employees from disturbing papers on desk (must dust/clean around items on desk), opening desk drawers and cabinets, or using the telephones, computers, or office equipment provided for County use.
4. Require employees to comply with instructions pertaining to conduct and building rules and regulations.
5. Ensure employees do not have access to buildings or County property unless on official duty.
6. Conduct a national criminal background check on all prospective employees before hire for the County premises. The contractor will reject any person whose criminal background demonstrates he/she failed to report criminal convictions accurately on the contractor's employment application form. Any person having a conviction for a felony involving theft, burglary, embezzlement, violence, or moral turpitude under the laws of Florida or any other state, within the 10 years immediately preceding the date of his/her employment will be forbidden to be employed by the contractor for County. All provision of Chapter 435 F.S. must be followed.

   Once the firm's background check is complete, any of the firm's employees being asked to work in a secure location are required to have a County-provided background check.
7. Ensure all applicable employment laws are followed.
8. Provide adequate supervision of employees to ensure complete and satisfactory performance of all work in accordance with the resulting contract. When work is performed, supervision should be onsite and available at all times. Supervision shall be fully and adequately trained, with experience in cleaning supervision, sufficient in scope to meet the approval of County's representative. Supervision shall be responsible for hiring, training, equipping, directing, discharging, and issuing uniforms for all

custodial services personnel. Supervision shall also be responsible for monitoring the work order management software or email to ensure work orders are completed in a timely manner.

9. Provide, for approval by the County, a chain of command for management and supervision for all contractor staff at each location. The contract shall provide County's representative written list of all key employees and should update upon changes.

10. Report all stopped drains, broken fixtures, glass, burnt out lights, and other facilities maintenance needs to the County representative on the established computerized maintenance request.

11. Notify the County of any observed irregularities (i.e., defective plumbing, unlocked doors, lights left on, etc.) The Contractor shall be responsible for turning off all lights when not needed for the cleaning that room, and all lights are to be turned off at the end of the shift. The Contractor shall provide a quality assurance review report and meet with the County representative monthly or as requested to discuss service quality assurance reviews report. These meetings shall be held at a mutually agreeable time.

12. Take all steps necessary to protect the public and nearby property from damage during custodial activities. Any damages to the County property as a result of the vendor must be remedied by the awarded vendor.

13. Ensure all doors are to remain shut and then locked after cleaning.

14. Ensure all keys shall be maintained in accordance with the County key procedure. Any lost keys will be paid for by the contractor. Any rekeying of buildings necessitated by keys being lost by contractor will be paid for by contractor.

15. Schedule sufficient staff at no extra charge for County special events which shall include but not be limited to cleaning as may be required from time to time. The County will notify the Contractor at least twenty-four (24) hours prior to requirement.

16. Maintain a Material Data Safety Sheet (MSDS) file on all chemical and cleaning agents used in the performance of this contract. A copy of MSDS's shall be provided to the Facilities Management Branch prior to its use. Green products are highly encouraged to be used for the appropriate applications.

17. Responsible for lost or stolen keys and security proximity cards issued to them. They may be financially responsible for reimbursement to the County for the replacement of any keys, cards, or locks due to the loss or theft. The Contractor shall maintain a key log of all of its locations and their employees that have been issued keys and cards to County buildings. Facilities Management may request a copy of the key log at their discretion. Key Boxes may be utilized in specific buildings to insure key control.

18. Willing to make accommodations to clean sensitive areas at specific days and times if requested by the building occupants. This may require being escorted and/or providing the services during the occupant's normal business hours.

19. The Contractor shall be made available to clean the Board of County Commissioners chambers and surrounding areas after all scheduled meetings.

20. In the event that the County requests additional project assistance or special services outside the scope of this contract, the Contractor shall provide such extra labor on an hourly rate basis, not including materials. All such work shall be performed outside of, and exclusive of, the normal scope of scheduled services.

B. COST INCREASES

Any annual cost increase request must be submitted to the Director of Facilities Management by February 1st for the following annual term. The increase will only be granted under the following conditions, an increase in the CPI measured as the annual rate for the previous 12 months, regionally adjusted and an increase to minimum wage. These factors will be reviewed independently and will not be submitted as a combined % requested increase. A percent increase in CPI shall only be requested on the non-labor portion of the contract. For a request due to minimum wage increase, the contractor must supply documentation of the employee wages and outline which employees will be affected by the minimum wage increase.

C. ADDITIONS/DELETIONS

The County reserves the right to add or decrease buildings and square footage under the same terms, specifications, and conditions of this contract. The rates for the new areas will be quoted by the Contractor for County approval and shall be based on the cost per square foot as bid for the same or similar building. This includes when there is an increase or decrease to the number of cleaning days.

D. COMPLAINTS

Customer complaint records will be maintained by the County representative(s). For each customer complaint, the County representative shall document the incident and report it immediately to the Contractor. The County representative will then investigate the complaint, accompanied by the Contractor's representative, if the Contractor desires. If the complaint is found to be legitimate, it will be labeled as a "valid complaint." For every one "valid complaint" documented for the month, one-tenth percent (1/10%) of the monthly invoice amount will be deducted from the Contractor's payment for that same month as a penalty. For example, if twenty (20) complaints are found to be "valid complaints" during that same month, then a total of two percent (2%) will be deducted from the Contractor's payment for that month resulting from customer complaints. Leaving doors unlocked and not arming or disarming alarms systems properly that results in a false alarm is an example of a valid complaint. Any costs assessed to the County for excessive false alarm responses by local law enforcement agencies attributable to failed performance will be the financial obligation of the Contractor. Not having soap in the dispensers is another example of a valid complaint.

4-6 SUPPLIES, CHEMICALS, AND EQUIPMENT

The Contractor shall furnish and maintain all the necessary equipment, cleaning chemicals and supplies required for proper maintenance as described in these specifications and to meet all local fire codes for storage of cleaning agents and solvents. The County is not

responsible for any repairs, maintenance, or replacement of inoperable equipment. The contractor shall be responsible for any replacement equipment required.

The Contractor will provide with his/her proposal a list of the chemicals and supplies that will be used to perform the work under this contract. OSHA Material Safety Data Sheets (MSDS) are required for all chemicals and cleaning products and shall be supplied to the County at the time of product introduction. In addition, all MSDS shall be maintained on-site and updated on a quarterly basis. The County shall be notified in writing each quarter ten (10) business days prior to updates and one (1) full copy of the most current MSDS shall be furnished to the County.

The Contractor will display the MSDS sheets, in English and Spanish, in each custodial closet where the cleaning products are stored. All bottles are to be labeled properly listing all ingredients. The Contractor is responsible for training its employees on how to read the MSDS and to follow instructions for both use of product and responding to a spill or ingestion of product. The Custodial Manager or designee will conduct periodic inspections of cleaning supply cabinets and MSDS books to ensure cleanliness, proper labeling of chemicals, documentation of supplies stored on County property, and compliance.

The Contractor will identify their efforts in the green cleaning movement. Green cleaning is a widely accepted movement that uses procedures and products that consider the health of the building occupants, custodians, and the environment.

The following minimum supplies, chemicals and equipment shall be provided/supplied by the Contractor (NOTE: The County reserves the right to approve all supplies, chemicals and equipment used at the County facilities prior to their use).

Soap for dispensers	Anti-Bacterial Hand sanitizer for dispensers
Toilet tissue (2-ply)	Roll towels and Multi-fold towels
Sanitary toilet cover sleeves	Plastic trash liners (inside/outside receptacles)

Contractor will replace all broken dispensers as needed and provide additional dispensers when determined necessary.

Escambia County focuses on providing safe, effective, and environmentally friendly products in all of their buildings. Green seal certified products are highly encouraged when deemed appropriate and effective for the task.

Vacuum cleaners shall be required to have a HEPA filtration system.

All disinfectant agents and chemicals used by the contractor in the cleaning process shall be bactericidal, fungicidal, viricidal and tuberculocidal, in accordance with appropriate laws & guidelines. Green seal certified products are highly encouraged to be used for the appropriate applications.

All carpet shampooing and stripping and waxing of floors will be performed after hours, on weekends or holidays, unless other specific arrangements have been approved by Facilities Management. This additional work will be invoiced separately and written authorization by Facilities Management will accompany the invoice for payment. No additional work shall be performed without prior written authorization.

It is the responsibility of the Contractor to ensure that all cleaning products are compatible and appropriate for the surfaces to be cleaned. The Contractor will be held responsible for the repair or replacement of any surfaces or items found to be damaged by the improper use of any product it provides.

4-7 SAFETY REQUIREMENTS

All work procedures, materials and supplies and all equipment provided to each employee must meet all Occupational Safety and Health Administration (OSHA) and American National Standards Institute (ANSI) standards. The Contractor shall be responsible for annual safety training for employees in Florida's Right to Know, OSHA Blood borne Pathogens and Center for Disease Control (CDC) Blood borne Pathogens information, and Environmental Protection Agency (EPA) hazardous waste disposal training. Proof of training will be provided to the County.

All equipment used by the Contractor shall be maintained in safe operating condition at all times, free from defects or wear which may in any way constitute a hazard to any person or persons on County property. Vacuum cleaners must be HEPA filtered at 99.97% efficient at 0.3 microns. All electrical equipment will be properly grounded. No internal combustion driven equipment or propane floor machines will be approved for use in County facilities. All employees will wear proper personal protective equipment while working on County property.

The Contractor shall not permit placing or use of mops, brooms, or equipment in traffic lanes or other locations in such a manner as to create safety hazards, and shall provide appropriate warning signs for slippery floor areas caused by cleaning or floor finishing operations. The Contractor's employees shall be required to interrupt their work at any time to allow passage of personnel.

4-8 INSPECTION CRITERIA

Inspection records will be maintained by the County representative(s).

Rooms/areas and exterior areas will be selected by and inspected each month.

The Counties representative(s) will evaluate restrooms/gym rooms as "acceptable" or "unacceptable" using the following criteria:

A. Presence of adequate two (2) ply toilet paper, paper towels, sanitary toilet sleeves, soap, and/or anti-bacterial hand sanitizer.

B. Absence of soil, stains, and rust on toilet room fixtures, drains, traps, faucets, soap and paper dispensers, stalls, mirrors, ledges and drinking fountains

C. Absence of dust on horizontal and vertical surfaces of floors, walls, ledges, furniture, and equipment

D. Absence of litter and trash on floor and horizontal surfaces of equipment

E. Absence of finger marks and spots and soil build-up on walls, partitions, doors, dividers, etc.

F. Absence of encrustation, soil, and wax build-up on floors, particularly in corners, along edges and baseboards, around door jambs, and around fixture and equipment bases

G. Absence of soil, litter, dust, and encrustation in trash containers

H. Absence of soil and dust on window blinds, shades, sills, frames, and ledges

I. Absence of other visible soil and cobwebs on horizontal surfaces including ceilings

J. Absence of soil, litter, dust and spots from all mats and floors

K. Absence of streaks, spots, stains from all bright work, where appropriate - All bright

works shall be polished dry to a high sheen

L. All other contract provisions.

If item #1 is found to be unacceptable, the restroom will be deemed “unacceptable.” If a total of four (4) of the other items are found unacceptable the restroom will be deemed “unacceptable.” If two (2) or more of the same items are found unacceptable in more than half of the rooms inspected in one month, a sustenance problem will be deemed to exist. This condition will require the Contractor to determine the cause and take corrective measures.

The County representative(s) will evaluate non-restrooms as “acceptable” or “unacceptable” using the following criteria:

A. Absence of dust on horizontal and vertical surfaces of floors, walls, ledges, furniture, HVAC vents and equipment

B. Absence of litter and trash on floor and horizontal surfaces of equipment

C. Absence of finger marks and spots and soil build-up on walls, partitions, doors, dividers, etc.

D. Absence of encrustation, soil, and wax build-up on floors, particularly in corners, along edges and baseboards, around door jambs, and around furniture and equipment legs and bases

E. Absence of soil and stains on fixtures, drains, traps, faucets, soap and paper dispensers, mirrors, ledges and drinking fountains

F. Absence of dust, spots, soil build-up and encrustation on furniture and equipment surfaces and legs

G. Absence of dust, lint, and litter on upholstered furniture

H. Absence of soil, litter, dust and encrustation in ash trays, urns, wastebaskets, and trash containers - Trashcan liners shall be new and urn sand in good condition

I. Absence of marks, spots, stains and streaks on interior and exterior entrance doors and all glass windows

J. Absence of soil and dust on window blinds, shades, sills, frames, and ledges

K. Absence of other visible soil and cobwebs on horizontal surfaces including ceilings

L. Absence of soil, litter, dust and spots from all carpets, mats, and floors

M. Absence of streaks, spots, stains from all bright work and stainless steel, where appropriate - All bright work shall be polished dry to a high sheen

N. Empty or nearly empty trashcans and pencil sharpeners (depending on time of day)

O. Absence of interior walk-off mats by all entrance/exit doors.

If a total of five (5) items are found to be unacceptable, the non-restroom will be deemed “unacceptable.” If two (2) or more of the same items are found unacceptable in more than half of the rooms inspected in one month, a sustenance problem will be deemed to exist. This condition will require the Contractor to determine the cause and take corrective measures.

For every one (1) “unacceptable” room rating in a month, one percent (1%) of the monthly invoice amount will be deducted from the Contractor’s payment for that same month as a penalty. For example, if ten (10) rooms are found to be “unacceptable” in one month, then ten percent (10%) of the monthly invoice amount will be deducted from the Contractor’s payment for that month resulting from “unacceptable” room ratings.

All unacceptable rooms will be re-inspected for compliance. A repeat “unacceptable” rating will cause an additional one percent (1%) to be deducted from that month’s payment.

Sec. 46-110. - Local preference in bidding.

(a) *Legislative intent.* The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the county's overall tax base.

(b) *"Local business" defined.*

Local business. For purposes of this section, "local business" shall mean a business which meets all of the following criteria:

(1) Has had a fixed office or distribution point located in and having a street address within Escambia County or Santa Rosa County for at least one year immediately prior to the issuance of the request for competitive bids by the county. The fixed office or distribution point must be staffed by at least one employee. Post office boxes are not verifiable and shall not be used for the purpose of establishing a physical address;

(2) Holds any business license required by Escambia County or Santa Rosa County; and

(3) Is the principal offeror who is a single offeror; a business which is the prime contractor and not a subcontractor; or a partner or joint venturer submitting an offer in conjunction with other businesses.

(c) *Certification.* Any vendor claiming to be a local business as defined above shall so certify in writing to the office of purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certifications, and shall have the sole discretion to determine if a vendor meets the definition of a "local business."

(d) *Preference in purchase of commodities and services by means of competitive bid.* Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive bid (local price match option). Each formal competitive bid solicitation (i.e., sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.00, and the bid submitted by one or more qualified and responsive local businesses is within five percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated community redevelopment area (CRA) is within seven percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.00, and the bid submitted by one or more qualified and responsive local businesses is within three percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within five percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within two percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within four percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the office of purchasing within five business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the board of county commissioners.

(e) *Notice.* All bid solicitation documents shall include notice to vendors of the local preference policy.

(f) *Waiver of the application of local preference.* The application of local preference to a particular purchase or contract for which the board of county commissioners is the awarding authority may be waived upon approval of the board of county commissioners.

(g) *Limitations.*

(1) The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

(2) The provisions of this section shall not apply where prohibited by federal or Florida law or where prohibited under the conditions of any grant.

(3) The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

(4) The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

(h) *Penalties.*

(1) *Misrepresentation.* A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the county will lose the privilege to claim local preference status for a period of up to one year from the date of the award of the contract or upon completion of the contract whichever is greater. The county administrator, in his discretion, may also recommend that the firm be referred for suspension of eligibility to claim the privilege of local preference.

(2) *Failure to maintain local business preference qualifications.* Any vendor that does not maintain its local

preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

(3) *Lack of good faith.* The contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the county determines that the contractor or firm did not act in good faith, all amounts paid to the contractor or firm under the county contract intended for expenditure with the local business shall be forfeited and recoverable by the county. In addition, the contract may be rescinded and the county may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

(Ord. No. 2013-43, § 2, 9-16-2013; Ord. No. 2016-9, § 2, 1-21-2016)

Sec. 46-111. - Small business enterprise program.

(a) *Purpose and intent of section.* The purpose and intent of this section is to provide the maximum opportunity for increased participation of qualified small businesses in the county's procurement system.

(b) *Definitions.* The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

Commercially useful business function means adding value to the goods and services supplied under a contract. A small business is considered to perform a commercially useful business function when it is responsible for execution of a distinct element of work of a contract or transaction and carrying out its responsibilities by actually performing, managing and supervising the work performed. Businesses who merely act as a conduit do not perform a commercially useful business function and will not be eligible for certification as a SBE. In determining whether a business performs a commercially useful business function, consideration will include, but not be limited to, whether the business adds a value to the product or service provided; whether the business has a distributorship agreement with the manufacturer of goods supplied; whether the business takes possession of the product or service provided; whether the business warrants the product or service provided; whether the business maintains sufficient storage space to keep the product in inventory; whether the business maintains sufficient inventory to meet the requirements of its contracts; whether the business provides the product or service to the public or other business other than a governmental agency.

SBE means a small business enterprise certified by Escambia County.

(c) *Scope.* Unless otherwise prohibited by federal or state law, this chapter shall apply to the solicitation of all goods, services and construction by the county which are governed by the county purchasing code. Whenever possible, the county shall utilize a solicitation process which encourages SBE participation even on those items which are exempted from the requirements of the purchasing code.

(d) *SBE program goals.*

Annual goal: The cumulative annual SBE goal shall be up to 15 percent of the total annual expenditures for operating and capital costs for the current fiscal year as calculated in accordance with county SBE program policies and procedures. The cumulative annual SBE goal may be adjusted annually by the board of county commissioners.

(e) *Certification.*

(1) *Requirements.* For the purposes of this section, the following certification requirements shall govern:

a. The business must currently perform a commercially useful business function;

b. The business must be a local business as defined in section 46-110;

c. The business must be an independently owned and operated, for-profit entity;

d. The business may employ ten or fewer full time employees; and

e. The business may have a net worth of not more than $1,000,000.00.

(2) *Application procedure.* All applicants wishing to be considered as certified businesses for the benefits of the SBE program must complete the small business self certification form which can be obtained through the office of purchasing. This is a self-certification process and shall require a signed affidavit attesting to the accuracy of the data provided on the form.

(3) The purchasing department shall accept SBEs for use by the county in its purchasing and procurement process based upon the eligibility requirements provided herein. The purchasing department shall maintain an up-to-date electronic list of SBEs, and encourage the use of this list by all departments in their procurement activities.

(4) Any change of ownership or circumstances that may affect certification eligibility of an SBE must be reported to the purchasing department within 30 days of the change taking place. In the event of a change, the current owner is responsible for fulfilling this reporting requirement prior to seeking business with the county.

(5) *Recertification.* Certified SBEs are required to submit an affidavit of their continued eligibility as a SBE every year. If there has been a change in operation, ownership, control, activities, domicile or gross receipts, the SBE must identify such change on their application for recertification. A company that fails to submit its affidavit of continued eligibility will no longer be deemed certified for purposes of participation in the small business program.

(6) *Decertification.* If during any period of certification, the county has reason to believe that the SBE was not properly certified or that there has been a substantial change of ownership or circumstances that may affect certification eligibility then the county administrator may conduct an investigation and decertify an SBE if the investigation indicates that continued certification would be contrary to the county's SBE program requirements. The county administrator shall notify the SBE by certified mail that it has been decertified. Any business that is decertified may not be recertified for one year from the date of decertification.

(7) *Appeal of decertification.* Any business that believes it was wrongfully denied certification may submit a written request with the office of purchasing to appeal the decertification. The appeal shall be filed within 20 days of receipt of the notice of decertification. The request for appeal shall state with particularity the reasons why the business believes the denial was erroneous.

(8) *Hearing on appeal of decertification.* If an appeal is requested, an administrative review will be conducted by the county administrator, or designee, within 45 days of receipt of the notice of appeal. Upon review, the county administrator, or designee shall take one of the following actions:

a. *Grant the appeal.* If a determination is made that decertification was contrary to county's SBE program requirements, the appeal shall be granted and the business recertified;

b. *Deny the appeal.* If a determination is made that certification would be contrary to the county's SBE program requirements, the appeal shall be denied and the applicant may request that the matter be referred to a special master for further proceedings in accordance with subsections 46-102(4)—(7); or

c. *Refer the appeal to a special master.* If no administrative determination is made, the matter may be referred to a special master for further proceedings in accordance with subsections 46-102(4)—(7).

(f) *False representation.*

(1) It is unlawful for any individual or entity to knowingly submit false information in order to qualify for SBE certification.

(2) Any contractor that falsely represents to the county that it is an SBE, or knowingly submits false information or represents that it will use the services or commodities of an SBE and subsequently does not, shall be deemed in breach of contract. Upon a determination that a breach has occurred, all payments under the contract or

any other arrangement shall be immediately suspended. The contractor may show that it attempted in good faith to comply with the terms of the contract but was unable to comply. If the county determines that the contractor did not act in good faith, all amounts paid to the contractor under the county contract or agreement intended for expenditure with the SBE shall be forfeited and recoverable by the county. In addition, the contract or agreement may be rescinded and the department or division may return all unused goods received and recover all amounts paid under the contract.

(3) Any contractor or affiliate determined to have falsely represented that it or a subcontractor is an SBE, or determined to have not acted in good faith to fulfill the terms of a contract calling for it to use the services or commodities of an SBE, will be considered under the county's suspension and debarment policy.

(g) *Reservation of contracts.*

(1) Unless otherwise prohibited by federal or state law, the county may reserve contracts to be awarded only to SBEs. The county may review all of its needs and requirements in each fiscal year and the board of county commissioners may determine which contracts may be reserved for bidding only by SBEs. This reservation may only be used when it is determined, before dissemination of the request for proposals or invitation to bid, that there are capable, qualified, SBEs available who are interested and willing to bid on these contracts in order to provide for effective competition. Once a decision has been made to reserve a contract, the county shall estimate what it expects the dollar amount of the contract to be based on the nature of the contract and its value under prevailing market conditions. If all the bids received are over this estimate, the county may reject the bids and open the bidding to all vendors and contractors. Before contracts can be reserved for bidding only by SBEs, the board of county commissioners must determine that such a reservation is in the best interest of the county.

(2) Unless otherwise prohibited by federal or state law, the county may reserve any construction contract for competitive bidding for contractors who agree to utilize SBEs as subcontractors or subvendors. The percentage of funds which must be expended with SBE subcontractors shall be determined by the county before the contract is reserved. In order to bid on a construction contract so reserved, the contractor shall identify those SBEs that will be utilized as subcontractors or subvendors. Once a decision has been made to reserve a contract, but before bids are requested, the county shall estimate what it expects the amount of the contract to be based on the nature of the contract involved and its value under prevailing market conditions. If all the bids received are over this estimate, the county may reject the bids and open the bidding to all vendors and contractors. It is the express responsibility of the contractor to verify that all SBEs that will be utilized as subcontractors or subvendors are currently certified by the county.

(h) *SBE preference.*

(1) The county may award a bid preference on any single bid, as provided in section 46-110, to a certified SBE.

(2) SBE preference does not apply to contracts that are reserved in accordance with this section. Preferences as provided in this chapter may not be combined. Only one preference may be awarded on any single solicitation to any certified SBE or contractor. Any SBE bid preference awarded pursuant to this section shall take priority over any local business bid preference that may apply to any single solicitation.

(i) *Responsiveness of bids—good faith efforts.*

(1) Every competitive bid, if not submitted by a SBE, must demonstrate good faith efforts to utilize SBEs as subcontractors or subvendors.

(2) The county may consider written documentation submitted with the bid package in determining whether a contractor has made one or more good faith efforts including, but not limited to:

a. Whether the contractor attended any presolicitation or prebid meeting that was scheduled by the county to inform SBEs of contracting and subcontracting opportunities;

b. Whether the contractor advertised in a general circulation, trade association, and/or SBE focus media

concerning the subcontracting opportunities;

c. Whether the contractor provided written notice to a reasonable number of SBEs that their interest in the contract was being solicited in sufficient time to allow the SBE to participate effectively;

d. Whether the contractor followed up initial solicitations of interest by contacting SBEs to determine whether a SBE is interested;

e. Whether the contractor selected portions of the work to be performed by SBEs in order to increase the likelihood of meeting the SBE goals of the county, including, where possible, breaking down contracts into economically feasible units to facilitate SBE participation;

f. Whether the contractor negotiated in good faith with interested SBEs, not rejecting SBE as unqualified without sound reasons based on investigation of their capabilities;

g. Whether the contractor made efforts to assist interested SBEs in obtaining bonding, lines of credit, or insurance required by the county and/or the contractor; and

h. Whether the contractor effectively used the services of available small business community organizations; small business contractors' groups; local, state, and federal business assistance offices; and other organizations that provide assistance in the recruitment and placement of small businesses.

(3) The county may waive the good faith requirement for procurement where sub-contracting is not applicable or in order to ensure adequate competition.

(j) *SBE assistance program.*

(1) The SBE assistance program is established within the office of purchasing and will report all recommendations and activities associated with the SBE program directly to the county administrator. This program will assist and encourage SBEs to participate in the county solicitation process.

(2) In addition, the purchasing department, in conjunction with the county administrator, shall:

a. Review and comment on any changes to a county policy, rule or regulation relating to SBE procurement;

b. Receive, compile and disseminate information on procurement opportunities, availability of SBEs and available technical assistance;

c. Refer all information on any business suspected of misrepresenting its SBE status to the county administrator's office;

d. Maintain a central list of certified SBEs and provide it upon request; and

e. Host, not less than annually, a workshop to assist small businesses located in Escambia County to obtain SBE certification and to do business with the county.

(k) *Implementation of policy.* In order to systematically augment a viable SBE component within the county's purchasing and procurement system, the purchasing manager shall be delegated the following powers and duties to fulfill their responsibilities and functions:

(1) Establish and compile a system of coordinated, uniform procurement policies, procedures, and practices supporting the SBE program.

(2) Encourage the use of SBEs in county contracting and procurement for goods, services and construction that may be provided or performed by SBEs and strive to achieve the stated SBE annual program goal.

(3) Manage and maintain the information system or other automated interface with the county's finance system to record and measure the use of SBEs in county contracting. This system shall maintain information and statistics on SBE participation, in order to analyze the progress of the SBE program.

(4) Provide an annual written report to the county administrator detailing disbursements made to SBEs for goods, services and construction.

(Ord. No. 2013-52, § 2, 12-5-2013; Ord. No. 2014-29, § 1, 7-24-2014)

Sec. 46-112. - Participation of minority and women business enterprises.

(a) *Policy statement.* The county is committed to providing equal opportunities to minority and women business enterprises and strives to improve the opportunities and participation of such businesses in the public procurement of goods and services by the county. Pursuant to this policy, the county shall hereby establish procedures to encourage the participation of minority and women owned businesses in the public procurement of goods and services by the county. Nothing in this section shall be construed to provide for or require any preference or set-aside based on gender, race, or national origin.

(b) *Definitions.* For the purpose of this section, the following terms shall have the following meanings:

Minority shall mean any of the following groups:

(1) African American persons having origins in any of the black racial groups in Africa;

(2) Hispanic American persons of Spanish or Portuguese culture with origins in Mexico, South America, Central America, or the Caribbean, regardless of race;

(3) Native American persons including those residing in the U.S. or its territories, who are descendants of any Indian tribe with origins in the North and South American continents and other islands or lands to include the countries of the U.S., Canada, and Mexico;

(4) Asian American persons having origins in any of the original peoples of the Far East, Southeast Asia, Indian Subcontinent, or Pacific Islands.

Minority business enterprise (MBE) shall mean any business which is at least 51 percent owned and operated by minority members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by minority members.

Women business enterprise (WBE) shall mean any business which is at least 51 percent owned and operated by women members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by women members.

(c) *Certification.*

(1) *Requirements.* For the purpose of this section, the following certification requirements shall govern:

a. The business is a MBE and/or WBE as defined in this section.

b. The business meets the requirements provided in section 46-111(e)(1).

c. The business is legally structured as required by Florida law and, if applicable, in good standing with the Florida Secretary of State.

(2) *Procedure.* All applicants wishing to be considered as certified MBE/WBE(s) must complete a small business enterprise program certification application form which may be obtained through the office of purchasing. This is a self-certification process and shall require a signed affidavit attesting to the accuracy of the data provided on the form. Proof of current certification as a minority and/or women business enterprise by the Florida Office of Supplier Diversity may be accepted in lieu of other supporting documentation. Certified M/WBEs shall submit an affidavit of continued eligibility on an annual basis.

(d) *Implementation.* In an effort to implement this policy, the county may undertake the following measures:

(1) Designate the purchasing manager to administer this policy.

(2) Maintain a central list of certified M/WBEs.

(3) Manage and maintain the information system or other automated interface with the county's finance system to record and measure the use of M/WBEs in county procurements.

(4) Utilize outreach programs to identify and educate M/WBEs about the county's procurement process.

ADDENDUM NUMBER 1:

Re: PD 19-20.092 Re-Solicit Custodial Services for Various County Facilities

All:

Your firm recently received a Request for Proposals for the above-mentioned specification. This Addendum Number 1 provides for information related to the current vendor.

The current vendor is American Facilities Services, and has been since October 2011. This solicitation is being issued because the current agreement has expired, and the County is required to solicit competitive bids. Additionally, the previous agreement did not allow for multiple vendors to be awarded as the current solicitation offers.

The Bid Tabulations from two previous solicitations have been attached, however, the Scope of Work from previous solicitations is not at all comparable to the current Scope of Work being requested. Firms are strongly encouraged to not utilize past pricing to determine current or future bids.

Per Florida Statute 119.071(b)(3), bids from the most recent solicitation, PD 19-20.065, will not be available until after the current solicitation is awarded or 12 months have passed from the rejection of bids, which occurred on August, 17, 2020, whichever comes first.

This Addendum Number 1 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photocopy this form for your records.

Sincerely,

Jeffrey D. Lovingood

Re: PD 19-20.092 Re-Solicit Custodial Services for Various County Facilities

Q1. Can the vendors show the toiletry pricing separately from the service price shown in the proposal?

A1. For the purposes of this solicitation, we ask that the pricing provided in the proposal be an "all inclusive" price that covers everything the vendor will need to perform the service and have the facilities sufficiently stocked.

Q2. Can vendors purchase supplies directly from Escambia County?

A2. At this time, the County does not offer the ability for vendors to purchase supplies from the County.

Q3. On page 27 of 61, Item 2-2, "Proposals shall confirm that the firm will comply with all of the provisions in this RFP." Is there a form to be utilized for this?

A3. Confirmation that a firm will comply with all provisions can be stated anywhere within the proposal. Most firms opt to write a letter of interest as a type of cover page for the proposal. Such a statement can be included in a letter of this type.

Q4. On what page of the RFP is the "Solicitation, Offer, and Proposal Form"?

A4. This form was intentionally left out of the RFP and the language referenced in the question is boilerplate language that is used from one RFP to the next. Please disregard this requirement.

Q5. Page 4 of 61, states that the Proposal Response must include one (1) original and one (1) electronic copy via CD or flash drive OR uploaded via Vendor Registry. Page 14 of 61, Item 4 Proposal Forms states that, "Firms electing to submit original forms shall also provide a complete copy of the bid response via CD or flash drive." Since one original is required per page 4 of 61, this seems to indicate that a complete copy of the bid response via CD or flash drive would also be required, is this correct? Or could the proposal – in its entirety – be submitted via Vendor Registry?

A5. If a firm is submitting a physical proposal document to the Office of Purchasing via mail or courier, an electronic copy shall be included. If a firm is submitting their complete proposal via Vendor Registry, a physical proposal document is not required.

Q6. If some documents are not ADA-compliant, would the proposal be deemed non-responsive?

A6. No. At this time, the County does not require ADA-compliant documents, but we do ask for them to be utilized whenever possible. The County attempts to provide ADA-compliant documents to all those who submit a Sunshine Law information request.

As a reminder, regardless of the means with which the proposal is submitted, all firms shall provide their Bid Surety to the Office of Purchasing prior to the Proposal submittal deadline.

Firms submitting a surety from their insurance provider can upload the surety documents in Vendor Registry and a physical delivery to the Office of Purchasing is not required.

Q7. Page 27 of 61, Item 2-1 states that, "All RFP documents (excluding the Excel Spreadsheet) shall be contained in a single PDF or Microsoft Word-Type document. The Excel Spreadsheet will also be returned complete as a single document."

Page 30 of 61, Item 3-2 asks proposers to, “Please separate the RFP responses into the following categories:” and on page 32 of 61, Item 6, A asks proposers to provide the pricing schedule on the Price Proposal Form.

Should a hard copy of the Cost Proposal (Excel spreadsheet) be included as an item in the submission of the original Technical Proposal? Or should it be submitted in a separate envelope with the other signed forms? Or on its own?

A7. All the proposal documents shall be in a single PDF, and sorted according to the order outlined in Item 3-2.

The physical Excel document can be separate, in either Excel or PDF. Both the proposal (PDF) and the Excel spreadsheet (Excel) shall be on the electronic copy and/or uploaded to Vendor Registry.

Q8. Will the content referred to on page 27 of 61, Part II, 2-3 Understanding of the Project, 2-4 Methodology Used for the Project, and 2-5 Management Plan for the Project be evaluated as part of 1: Scope of Services as outlined on page 30 of 61, Part III, Section 3-2 Evaluation Criteria?

A8. Yes.

Q9. Will the content referred to on pages 27 and 28 of 61, Part II, Section 2-6 Experience and Qualifications, be evaluated as part of 2: Adequacy of Staffing and Supervision and 3: Related Experience as outlined on pages 30 and 31 of 61, Part III, Section 3-2 Evaluation Criteria?

A9. Yes.

Q10. Page 29 of 61, Item 2-8 requests that “Bidders provide a breakout of the firm’s employees by minority status, as well as the status of employees of any subcontractor that will be performing the work.” This item is not referred to as part of the Evaluation Criteria. Under which section of the Evaluation Matrix will this item be considered? Or is this a pass/fail item for meeting minimum requirements?

A10. If it is not listed in the “Selection Criteria,” it is not a selection criterion. The Board has requested information for information purposes.

Q11. Page 50 of 61, paragraph 1, states that, “The Contractor will provide with his/her proposal a list of the chemicals and supplies that will be used to perform the work under this contract.” This item is not listed as part of the Evaluation Criteria. Under which section of the Evaluation Matrix will this item be considered? Or is this a pass/fail item for meeting minimum requirements?

A11. If it is not listed in the “Selection Criteria,” it is not a selection criterion. The department has requested this information for information purposes.

AGREEMENT RELATING TO CUSTODIAL SERVICES (P.D. 19-20.092)

THIS AGREEMENT is made by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County**"**), whose mailing address is 221 Palafox Place, Pensacola, FL 32502, and Eagle Janitorial Service, Inc. (hereinafter referred to as "Contractor"), a Florida for-profit corporation authorized to conduct business in the State of Florida, FEI/EIN 63-1185437, whose principal address is 525 Belview Street, Bessemer, AL 35020.

WITNESSETH:

WHEREAS, on August 21, 2020, the County issued a Request for Proposals (P.D. 19-20.092) seeking contractors to perform custodial services for various Escambia County facilities located within eleven zones; and

WHEREAS, Contractor submitted a proposal demonstrating that the Contractor was qualified to provide such services; and

WHEREAS, the County desires to enter into an agreement with the Contractor for the provision of such services as set forth herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. After being properly executed by the Parties named herein, this Agreement shall commence on November 1, 2020, and continue for an initial term of thirty-six (36) months expiring on October 31, 2023. Upon mutual agreement, the Agreement may be renewed for two additional twelve (12) month terms up to a maximum of sixty (60) months. The County shall provide written notice of the desire to renew or extend the Agreement at least thirty (30) days prior to the expiration of the current term.

3. Scope. Contractor agrees to perform in accordance with the scope of services as outlined in Escambia County's *Request for Proposals Custodial Services for Various Escambia County Facilities, Specification No. P.D. 19-20.092*, attached hereto and incorporated herein as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement shall prevail. Additional cleaning services and emergency services may be requested by the County on an as-needed basis.

4. Compensation. In exchange for the Contractor's provision of the scope of services referenced in Section 3 above, County agrees to pay the Contractor as follows and as further specified in the Contractor's proposal attached hereto and incorporated herein as **Exhibit B**:

Zone 5 in an amount not to exceed $36,140.00 per year;
Zone 6 in an amount not to exceed $101,210.00 per year;
Zone 7 in an amount not to exceed $33,040.00 per year;
Zone 8 in an amount not to exceed $30,370.00 per year; and
Zone 9 in an amount not to exceed $20,510.00 per year.

In exchange for the provision of any requested additional cleaning services or emergency services referenced in Section 3 above, County agrees to pay Contractor as follows:

Additional Area Cleaning Cost		
Ceramic: Scrub	$0.18	per sq. ft.
Carpet: Shampoo	$0.18	per sq. ft.
Window Cleaning Exterior (Outside of Scope)	$0.12	per sq. ft.

Contractor shall be responsible for providing all supplies, equipment, and labor necessary to perform services pursuant to this Agreement.

5. Method of Payment/Billing. Contractor may request payment from County on a monthly basis by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of services rendered with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

6. Price Adjustments. Contractor may request price adjustments once every twelve (12) months. Requests must be provided to the Director of Facilities Management no later than May 1st and shall take effect on November 1st of the year in which the request was submitted. Any requested price increase shall be accompanied by appropriate documentation of a bona fide cost increase to the Contractor based upon an increase in the consumer price index (CPI) and/or an

increase in the minimum wage. Any price decrease effectuated during the term of the Agreement shall be passed on the County by the Contractor. Any price adjustment shall be accomplished by written amendment to this Agreement and approved by the Board of County Commissioners.

7. Changes in Scope. The County reserves the right to increase or decrease the frequency of services or the number of buildings or square footage within a zone as may be required. The County will provide Contractor with not less than forty-eight hours prior written notice of any such modifications. Rates for new areas shall be based upon the cost per square foot as bid for the same or similar building within the zone. No minimum quantity of work is guaranteed during the term of this Agreement, and only those tasks assigned by the Contract Administrator may be compensated.

8. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the Contractor shall be paid for services provided through the date of termination, but Contractor shall not be entitled to any other recovery against County, including, but not limited to, damages or any anticipated profit on portions of work not performed.

9. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

10. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory Workers' Compensation and Employers' Liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease; and

(d) Fidelity Bond with $1,000,000 per occurrence coverage limit.

In the event Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days' advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

11. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

12. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Eagle Janitorial Services, Inc.	To: Escambia County
Attention: Michelle Scholtz	Attention: County Administrator
525 Bellview Street	221 Palafox Place, Suite 420
Bessemer, AL 35020	Pensacola, Florida 32502

Rejection or other refusal by the addressee to accept or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

13 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

14. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

15. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

16. Compliance with Laws. Contractor agrees to comply with all federal, state, and local laws, rules, policies, or guidelines related to the performance of this Agreement.

17. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

18. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

19. Authority. Any individual executing this Agreement on behalf of a corporate or governmental party represents and warrants that he/she is duly authorized to execute and deliver

this Agreement on behalf of said party, in accordance with any duly adopted action of the governing board of said party, as may be applicable and in accordance with applicable law, and that this Agreement is binding upon said party in accordance with its terms.

20. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

NOTICE

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee vendor until such time as the contract is executed by the last party to the transaction.

SPECIAL ACCOMODATIONS

Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing at 850-595-4953 at least five (5) working days prior to the solicitation opening. If you are hearing or speech impaired, please contact the Office of Purchasing at 850-595-4684 (TTY).

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to vendors of the local vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and
2. Holds any business license required by Escambia County or Santa Rosa County, and
3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification and shall have the sole discretion to determine if a vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by

the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated Community Redevelopment Area (CRA) is within seven percent (7%) of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within three percent (3%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within two percent (2%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within four percent (4%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.
2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.
3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.
4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded, and the County may return all, or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(a)
FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(print name of the public entity)

by _____
(print individual's name and title)

for _____
(print name of entity submitting sworn statement)

whose business address is:

_____

_____

and, if applicable, its Federal Employer Identification Number (FEIN) is:

_____
(If the entity has no FEIN, provide the Social Security Number of the Individual signing this sworn statement.)

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity, or with an agency or political subdivision of any other state or of the United State, including but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision or any other state or of the United State and involving antitrust, fraud, theft, briber, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, non-jury trial, or entry of a please of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

a. A predecessor or successor of a person convicted of a public entity crime; or

b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in

management of the entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement.

Please indicate which statement applies:

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Please attach a copy of the Final Order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO (2) OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The following policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors, or individuals action on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County official, their agents or employees, or any member of the relevant Selection Committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/ protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the bids/proposals for Invitations to Bid or the Request for Proposal, or Qualification, or Information, or Request for Letters of Interest, or the Invitation to Negotiate, as applicable, are received at the Escambia County Office of Purchasing, and the time the Board awards the Contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees, or any member of the relevant Selection Committee, for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/disqualification of submittal;

2) Termination of contract; or

3) Suspension or debarment as provided in Sec. 46-102 of the Escambia County Code of Ordinances.

2. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check, or certified check in the amount of One Thousand Dollars ($1,000.00).

Checks or bonds are to be made payable to Escambia County, Florida. **The amount of the check or bond is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.**

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by the contract as evidenced by signatures thereto by an authorized representative of both the Offeror and the County, and/or the Offeror accepts the Purchase Order by signing the Solicitation, Offer, and Bid Form and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of their cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

3. Procurement Questions

5. Pre-Solicitation Conference

There will be no pre-solicitation conference.

6. Diversity

Pursuant to Resolution R2018-87, the Escambia County Board of County Commissioners has expressed its support for diversity in the County's procurement process and affirmatively encourages all vendors, contractors, and subcontractors providing goods or services for the County to promote diversity and provide equal opportunities for the participation of local small-, minority-, women-, and service-disabled veteran-owned businesses.

Pursuant to Sec. 46-110, Sec. 46-111, and Sec. 46-112 of the Escambia County Code of Ordinances, Escambia County is committed to providing the maximum opportunity for increased participation of local small-, minority-, women-owned business enterprises in the procurement of goods and services by the County. Qualifying businesses who wish to participate in this program may apply for certification as a small, minority, and/or woman-owned business by contacting the Office of Purchasing.

Please note: Sec. 46-110, Local Preference in Bidding, Sec. 46-111, Small Business Enterprise Program, Sec. 46-112, Participation of Minority and Women Business Enterprises, and Resolution R2018-87 are attached to this document. Compliance with

7. Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS). The MSDS shall include the following information:

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

   1. The potential for fire, explosion, corrosiveness, and reactivity;

   2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

   3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.'

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address, and emergency telephone number of the manufacturer responsible for preparing the information.

8. Codes and Regulations

The awarded vendor shall strictly comply with all federal, state, and local safety codes.

9. Payment

Partial payments in the full amount for the value of items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents if required. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

10. Debris

Awarded vendor shall be responsible for the prompt removal of all debris, which is a result of this contractual service.

11. Protection of Property/Security

A. The awarded vendor shall provide all barricades and take all necessary precautions to protect buildings and personnel.

B. All work shall be completed in every respect and accomplished in a professional manner and awarded vendor shall provide for removal of all debris from County property.

C. The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

D. The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

E. The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

F. The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

G. The awarded vendor shall at all times guard against injury to Escambia County employees. The vendor shall properly fence and secure the construction site(s) at all times, including evening and weekends.

H. The awarded vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

12. Compliance with Governing Laws and Regulations

The offeror or contractor will be required to fully comply with all applicable federal, state, and local regulations. The offeror should carefully review these requirements which are detailed in this solicitation.

13. Contract Term/Renewal/Termination

The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of thirty-six (36) months. The contract may be renewed for up to two (2) additional twelve (12) month periods, up to a maximum sixty (60) months upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

14. Option to Extend the Term of the Contract

The County may unilaterally extend the term of this contract by written notice to the contractor at least sixty (60) days before the expiration of any contract term. The exercise of the option shall be for the period specified and for the prices listed on the proposal form. All other terms and conditions of the contract shall apply to the option periods. The total duration of this contract, including the exercise of all options, shall not exceed five (5) years.

15. Pricing

All services sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates offeror has not honored quoted price lists and discounts, offeror will be liable for any and all overage charges.

16. Changes – Service Contracts

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas.

A. Description of services to be performed

B. Time of performance (i.e., hours of the day, days of the week, etc.)

C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

17. Termination

A. The contract may be canceled by the contractor, for good cause, upon ninety (90) days prior written notice.

B. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

C. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

18. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the offeror may withdraw his offer or provide a written extension of his offer.

19. Award

Award shall be made on an "all-or-none total by zone".

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

A. In an effort to encourage small businesses that may not have the infrastructure to service a client as large as the County, the Board of County Commissioners has asked that all of the County facilities be put into smaller Zones that small businesses can service.

B. With this in mind, vendors are encouraged to bid on each Zone, however, the vendor's bid for a Zone should reflect that the bid is a stand-alone price for that Zone.

1) The vendor may or may not be awarded any Zones.

2) The vendor may or may not be awarded multiple Zones.

C. Any firm that bids on a Zone and refuses to accept award or refuses to enter into an agreement with the County for any reason shall have the firm's Bid Surety retained by the County and not returned to the vendor.

20. Termination (Services)

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring deficiencies within five (5) working days of notification by the Contract Administrator.

Upon the third such written notification of unsatisfactory performance and/or deficiencies to the contractor by the Office of Purchasing within a four (4) month period, or the sixth such notification within any contract term, shall result in issuance of written notice of immediate contract termination to the contractor by the Office of Purchasing. Such termination may also result in suspension or debarment of the contractor.

21. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is

finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work).

Non-Contract Insurance Requirements

22. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the level of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred", however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract, or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract, or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage – Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract, or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (if utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract, or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of $1,000.
4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   213 Palafox Place 2nd Floor
   Pensacola, FL 32591
   Purchasing@myescambia.com

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Fidelity/Dishonesty/Liability Coverage – for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

23. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgements, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

PART I GENERAL INFORMATION

1-1 PURPOSE

The Board of County Commissioners of Escambia County is seeking the Professional Services of a qualified contractor to provide Custodial Services in County-owned and maintained facilities as noted in Exhibit "A". The primary objective of this RFP is the selection of the most qualified and experienced Contractor(s) to provide these Custodial Services in a manner that is most advantageous to the County.

1-2 ISSUING OFFICER

The project Director shall be Janice P. Gilley, County Administrator. The liaison officer shall be Donald Knight, Custodial Manager, Facilities Management Department. The contracting agency shall be the Escambia County Board of Commissioners, c/o the Office of Purchasing, 213 Palafox Place, 2nd Floor, Pensacola, Florida, 32502.

1-3 CONTRACT CONSIDERATION

It is expected that the contract shall be a multi-award, term agreement, and shall officially begin on October 1, 2020.

1-4 REJECTION

The right is reserved by the Board of County Commissioners to accept or reject any or all proposals or to waive any informality, existing in any proposal, or to accept the proposal which best serves the interest and intent of this project and is from the most responsive and responsible proposer.

1-5 INQUIRIES

All questions regarding this Request for Proposal shall be directed to Jeffrey Lovingood, Purchasing Coordinator, in writing via email at JDLovingood@myescambia.com.

1-6 ADDENDA

Any changes made in the Request for Proposal shall be brought to the attention of all of those who have provided the proper notices of interest in performing the services.

1-7 SCHEDULE

The following schedule shall be adhered to in so far as practical in all actions related to this procurement:

A. Mailing (Advertisement) Date……..….August 21, 2020

B. Last Date for Questions…….September 01, 2020 at 5:00 PM CDT

C. Receipt of Proposals.....September 04, 2020 at 2:00 PM CDT

D. Ranking Meeting.....September 09, 2020

E. Target Board Date…..……....September 17, 2020

F. Projected Start Date……..…….October 01, 2020

1-8 PRIME CONTRACT RESPONSIBILITIES

The selected contractor shall be required to assume responsibility for all services offered in their proposal. The selected contractor shall be the sole point of contact with regard to contractual matters including payments of any and all changes resulting from the contract.

1-9 DISCLOSURE

All information submitted in response to this RFP shall become a matter of public record, subject to Florida Statutes regarding public disclosure.

1-10 DELAYS

The Project Director reserves the right to delay scheduled due dates if it is to the advantage of the project.

1-11 WORK PLAN CONTROL

Control of the work plan to be developed under the RFP shall remain totally with the Escambia County Board of Commissioners.

PART II INFORMATION REQUIRED FROM CONTRACTORS

ALL PROPOSALS SHALL INCLUDE THE FOLLOWING: TECHNICAL AND COST PROPOSAL

2-1 PROPOSAL FORMAT AND CONTENT

All Proposers shall provide a straightforward and concise description of their ability to meet the RFP requirements.

All RFP documents (excluding the Excel Spreadsheet) shall be contained in a single PDF- or Microsoft Word-type document. The Excel Spreadsheet will also be returned complete as a single document.

There shall be avoidance of fancy bindings and promotional material within. The proposal shall clearly show the technical approach to include work tasks, estimated time phasing and the proposed approach rational. All proposals submitted in a sealed envelope shall be in spiral binding or "GBC" type binder with all pages 8.5" x 11" format. The County discourages overly lengthy or costly proposals.

2-2 INTRODUCTION

Proposals shall include the complete name and address of their firm and the name, mailing address, and telephone number of the person the County should contact regarding the proposal.

Proposals shall confirm that the firm will comply with all of the provisions in this RFP; and, if applicable, provide notice that the firm qualifies as a County proposer. Proposals shall be signed by a company officer empowered to bind the company. A proposer's failure to include these items in their proposals may cause their proposal to be determined to be non-responsive and the proposal may be rejected.

2-3 UNDERSTANDING OF THE PROJECT

Proposers shall provide a comprehensive narrative statement that illustrates their understanding of the requirements of the project and the project schedule.

2-4 METHODOLOGY USED FOR THE PROJECT

Proposers shall provide a comprehensive narrative statement that sets out the methodology they intend to employ and that illustrates how their methodology will serve to accomplish the work and meet the County's project schedule.

2-5 MANAGEMENT PLAN FOR THE PROJECT

Proposers shall provide a comprehensive narrative statement that sets out the management plan they intend to follow and illustrates how their plan will serve to accomplish the work and meet the County's project schedule.

2-6 EXPERIENCE AND QUALIFICATIONS

Provide an organizational chart specific to the personnel assigned to accomplish the work called for in this RFP; illustrate the lines of authority; designate the individual responsible and accountable for the completion of each component and deliverable of the RFP. It is understood by the County that staff may need to be hired to accomplish the tasks required. Firms shall provide an organizational chart and narrative description of the organization of the project team.

Provide a personnel roster that identifies each person who will actually work on the contract and provide the following information about each person listed.

[a] Title,

[b] Résumé,

[c] Location(s) where work will be performed,

[d] Itemize the total cost and the number of estimated hours for everyone named above.

After delivering an initial proposal in response to this solicitation, all submitters are prohibited from substituting, modifying, or amending those staff or subconsultants identified in the initial written submittal at any time during the course of the solicitation process up to the final award of contract. A substitution of staff or subconsultants, the addition of any subconsultants, or any other material changes to the submittal after the initial response will cause the submittal to be invalid for review and selection purposes.

Provide reference names and phone numbers for similar projects your firm has completed.

It is understood that firms will likely need to hire new staff to perform the duties outlined in this solicitation. For any employees that will need to be hired as a result of this award, please include a job description for the role(s) that will be filled, as well as your companies policies and procedures related to hiring and training.

2-7 COST PROPOSAL

Please see the attached Excel spreadsheet for Proposal pricing information. The Excel spreadsheet provides firms with a list, by zone, of each building/facility to be serviced.

A. Firms shall provide pricing based on the annual cost for servicing each building within a zone, based on a three (3) year agreement with up to two (2) one-year renewals.

B. Proposers are asked to offer complete pricing for each of the eleven (11) zones the firm is willing to service for the mutually agreed upon term noted in **2-7, A.**, above. Proposers are not required to offer pricing for any zone they do not wish to service.

C. **At the discretion of the Selection Committee, firms <u>may</u> be recommended for award by the Board of County Commissioners for zero, one, or multiple zones.** It is therefore imperative that pricing for each zone shall be "stand-alone" pricing representing the true cost to the County of that specific zone. The prices offered for each zone by the Proposer shall not be based on the firm being awarded any other zone. The pricing listed for any zone shall be considered a stand-alone price and the recommended award for such zone shall have no bearing on the recommendation to award any other zone.

D. **The Selection Committee reserves the right to limit the number of zones for which a firm will be recommended for award.**

E. Proposals that do not provide pricing for each building <u>within a zone</u> will result in the zone being considered non-responsive. If the overall proposal is responsive other zones bid will be considered, however, the County cannot select Vendors to service a zone based on incomplete information.

F. Proposer's cost proposals shall include an itemized list of all direct and indirect costs associated with the performance of this contract, including, but not limited to, total number of hours at various hourly rates, direct expenses, payroll, supplies,

overhead assigned to each person working on the project, percentage of each person's time devoted to the project, and profit.

G. In addition to the pricing for each zone, firms are asked to complete the Excel spreadsheet relating to Additional Area Cleaning Cost and Emergency Service Call. These are requested rates for any services outside the standard Scope of Work and shall be completed in full. Incomplete information for Additional Area Cleaning Cost and Emergency Service Call may result in a Proposer's complete bid being deemed non-responsive.

2-8 The Board has requested that each firm provide their status relating to being a minority-, woman-, and/or veteran-owned business. If a firm is using sub-contractors, the Bidder must provide the business status of the sub-contractor.

Additionally, the Board has requested that Bidders provide a breakout of the firm's employees by minority status, as well as the status of employees of any sub-contractor that will be performing the work.

The following are the designations requested:

1. **WOSBE** – Woman-Owned Small Business Enterprise
2. **VOSB** – Veteran-Owned Small Business
3. **SDVSOB** – Service-Disabled Veteran-Owned Business
4. **EDWSOB** – Economically Disadvantaged Woman-Owned Small Business
5. **DBE Certified** – Disadvantaged Business Enterprise
6. **SBA 8(A) Certified** – Small Business Administration program for small businesses owned by socially and economically disadvantaged people or entities.
7. **HUBZone Certified** – Historically Underutilized Business Zone, a federal program to encourage small businesses to locate in and hire employees from economically disadvantaged areas.
8. **Minorities**:
    A. African American
    B. Hispanic
    C. Asian
    D. Native American
    E. Pacific Islander

Please note that a copy of the Escambia County Code of Ordinance related to Small Business Enterprise (Sec. 46-111) and Participation of Minority and Women Business Enterprises (Sec. 46-112) has been included in this document.

PART III CRITERIA FOR SELECTION

3-1 EVALUATION MATRIX

To ensure that all RFP's are fairly evaluated, scored, and ranked, it is particularly important that the RFP's are prepared according to the prescribed format. Failure to follow this requirement may result in the disqualification of the vendor's proposal.

All proposals will be evaluated on the following scale:

		Maximum Point Value
1.	Scope of Services	10
2.	Adequacy of Staffing and Supervision	20
3.	Related Experience	20
4.	Safety Program and Training of Personnel	10
5.	Distance to Sites	20
6.	Proposed Fee Schedule	20
	Total Points Possible:	**100**

3-2 EVALUTATION CRITERIA

The recommendation to award any contract(s) will be based on each firm's responses to the following criteria as addressed in the RFP. References to "Project" in the evaluation criteria are related to potential projects within the services described in this RFP. Please separate the RFP responses into the following categories:

1. Scope of Services

A. Describe your firm's depth of understanding of the work.

B. Clarify your firm's capacity to successfully provide the services required. Additionally, firms shall include their plan for scaling up trained staff in preparation for an October 1, 2020 start date.

C. Include quality assurance procedures to be utilized.

D. Indicate the firm's willingness to work with County staff in the creation and implementation of site-specific work-orders and task plans.

2. Adequacy of Staffing and Supervision

A. Describe the typical organizational structure to be used to staff County facilities and the responsibilities of each staff member.

B. Provide a brief résumé of proposed Site Supervisor(s) and other key positions. No more than one page dedicated to each individual.

C. Provide an organization chart for each Zone and indicate which positions are full- and part-time. Include an organizational chart showing corporate support, if applicable.

D. Provide staff qualifications including job descriptions which indicate minimum qualifications required.

E. The County recognizes that in order to recruit and retain quality personnel, the Proposer may offer a package of benefits including life insurance,

health insurance, and paid leave, among other potential benefits. Please indicate the benefits offered/provided to employees and if the company or employee pays the expense.

F. Indicate the Proposer's plan to minimize turnover and assure the highest rates of retention. Provide a five (5) year history of turnover for all previous contracts.

3. Related Experience

A. List all clients currently under contract.

B. Include information on previous and current experience with commercial contracts of similar size and/or dollar value.

C. Include reference letters from the client on each of the three (3) most closely related agencies or businesses. References are to be specific to the Proposer. The references shall include the company name, address, contact email address and phone number. References shall not include any County employees or members of the Escambia County Board of County Commissioners.

D. Include approximate square footage and cost of contract(s).

E. Provide a summary of any litigation, claim, or contract dispute(s) which have been finalized and/or decided by a Court of Law, which were filed by or against the Proposer in the past five (5) years. Include a summary of the nature of the litigation, claim, or contract dispute, a brief description of the case, the outcome, and the monetary amounts involved.

4. Safety Program and Training of Personnel

Provide a copy of the Proposer's Training Plan to include but not be limited to the following:

A. Management's Safety Policy Statement.

B. Hazard Assessment and Safety Planning processes.

C. Staff training plans for Occupational Safety and Health (OSHA).

D. Plans for the handling and clean-up of blood-borne pathogens.

E. Driver safety training, including golf cart operations.

F. Staff orientation program.

G. On-going training and experience requirements.

H. Data to support the existence and quality of the programs the Proposer brings to the operation with respect to providing a safe and secure workplace.

5. Distance to Sites

Indicate the primary location of the Proposer's office that will have direct responsibility for this contract. If the distance from the project exceeds sixty (60) miles, describe how the project would be effectively managed or what limitations in services, if any, the County might expect as a result of the distance.

6. Proposed Fee Schedule

A. Provide the pricing schedule on the Price Proposal Form (Excel).

B. The proposed rates shall remain firm for the first year of the contract term and shall include all charges incurred in fulfilling the terms of the contract.

C. Each year, on or before January 31, the awarded vendor may request a rate increase.

1) An increase in contract rates will require prior written approval by the County and shall take effect at the next fiscal year or renewal period, if any remain, and if the Board awards the new rate.

2) All increases related to changes in wage law(s) or other applicable laws shall not be retroactive and can only be granted for the upcoming year of service. When wages are affected by changes to the wage law(s), only the specific positions affected by the wage law(s) will be reviewed to determine the increase.

3) Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract approved by the Board of County Commissioners.

3-3 EVALUATION METHOD

The County will appoint a Selection Committee to evaluate proposals and will evaluate and rank all responsive proposals to determine which proposal(s) best meet the needs of the County based on the evaluation criteria. A firm(s) shall then be recommended for award by the Escambia County Board of County Commissioners.

The County may elect to choose to award zero, one, or multiple zones, and may adjust which buildings are within each zone.

The County shall be the sole judge of its own best interests, the proposals, and the approval of any resulting contract. The County's decisions shall be final.

3-4 NON-RESPONSIVE PROPOSALS

Non-responsive proposals will be rejected by the Purchasing Department and may not be distributed to the Selection Committee for consideration. Additionally, the Selection Committee may determine that required submittals/documentation is so inadequate as to be determined to be non-responsive. Non-responsive proposals may include but are not limited to the following:

1. Failure to sign the proposal and failure to have the proposal signed by someone with authority at the firm to sign a binding agreement.
2. Failure to acknowledge addenda (unless all changes are not material to the Scope).
3. Failure to provide required submittals/documentation.
4. Submission of a late proposal.
5. Firm does not meet minimum requirements.

3-5 NOTIFICATION

Upon completion of the evaluation of all written proposals, the Selection Committee will meet on September 09, 2020. At this time, the Selection Committee shall rank then recommend firms for zero, one, or multiple zones.

The Ranking meeting is a public meeting; however, it is not a public-participation meeting. Firms can join by coming to the Office of Purchasing for the Ranking meeting or by attending a videoconference, the link for which will be provided to all responsive proposers.

PART IV SCOPE OF WORK

4-1 SUMMARY

The Contractor shall provide all labor, supplies, and equipment needed to perform required services. The Scope is defined as cleaning and maintaining all interior areas and exterior entrances for the building under contract unless otherwise specified in writing by Facilities Management.

DEFINED TASK: The following tasks defined as general cleaning shall be deemed the "Scope of Work" for the purposes of this solicitation.

4-2 CUSTODIAL CLEANING SPECIFICATIONS

A. Floor Maintenance

Floors shall be cleaned in accordance with the following standards to maintain a safe, sanitary condition, present a pleasing appearance, and provide protection from damage.

1. **Damp Mopping:** A damp-mopped floor shall have an evenly cleaned surface that is free of dirt, dust, hair, mop marks, smears, film, dirt residue, streaks, debris, and standing water. All mop marks on baseboards, doors, and furniture shall be removed. Floors that cannot be cleaned satisfactorily by damp mopping shall be scrubbed.
2. **Scrubbing:** A scrubbed floor shall have an evenly cleaned surface that is free of dirt, dust black marks, and other foreign matter to the floor surface. Wax that has been removed during the scrubbing operation shall be reapplied.
3. **Buffing:** A buffed floor will be done in such a manner that the finish will be evenly distributed on the floor surface. The floor surface shall present an even, clean, and uniform sheen, with no brush marks left upon completion of work. Floors shall be dust mopped, damp mopped, and have black marks removed prior to buffing operation.
4. **Spray Buffing:** A spray-buffed floor shall have received spray applications of wax and sufficient buffing to provide a high gloss finish that blends in with the surrounding floor finish. The floor surface shall be cleaned to remove all dust, dirt, and black marks prior to the buffing operation.
5. **Stripping of Waxed/Sealed Surfaces:** A properly stripped floor shall have all wax/sealer removed down to the flooring material. The floor shall be left free of all dirt and stains.
6. **Waxing:** A properly waxed floor shall have an even coating of slip-resistant wax. The floor shall be clean and bright, including corners and under furniture. Wax shall be buffed to a uniform sheen, leaving no brush marks. If self-polishing wax is used, buffing is not required.
7. **Sealing:** A properly sealed floor shall have an even coating of slip-resistant sealer. The floor shall be clean and bright, including corners and under furniture.
8. **Polishing:** A properly polished floor area shall be free of small objects such as paper clips, staples, etc. This shall include removal of trash and debris of building interior and exterior doorways.

9. **Vacuuming:** A properly vacuumed floor, carpet, elevator, and stairway shall be free of all dust, dirt, cobwebs, grit, and lint. This includes debris in corners, behind doors, and under furniture (except permanently positioned items, such as built-in, safes or file cabinets). Removal of chewing gum or other foreign matter is considered part of vacuuming process.

10. **Detailing:** Properly detailed carpeting shall be vacuumed with edging tools around edge of carpet, desk legs and other areas inaccessible to equipment. This process shall be done at the time of each vacuuming or cleaning.

11. **Steam Cleaning:** Properly steamed carpet shall be free of dirt, streaks, stains, and spots.

12. **Spot Cleaning:** All floor and carpet areas spot cleaned shall be free of all stains, deposits, and cleaning marks.

13. **Rug and Carpet Care:** A properly cared for carpet shall be free of dirt, streaks, stains, spots and have a bright uniform color.

14. **Interior Concrete, Brick, and Ceramic Tile Floor Care:** Properly cared for concrete, brick and ceramic tile floors shall be free of streaks, stains, black marks, spots, gum, and other foreign matter to floor surfaces and shall have a bright, uniform color and appearance. Waxing of concrete and ceramic tile floors is prohibited.

15. **Baseboard Care:** All baseboards shall be kept clean and free of dust, dirt, splash marks and other matter foreign to the surface. Baseboards should be free of wax buildup at VCT floors.

B. Building Surfaces Maintenance

4-5 ADDITIONAL PROVISIONS

All employees assigned by Contractor to perform the work under the resulting contract shall be physically able to do their assigned work, and shall be free from communicable diseases. It shall be the contractor's responsibility to ensure all employees meet the physical standards needed to perform the work assigned. All personnel employed by contractor shall be trained and qualified in their assigned type of work.

A. CONTRACTOR REQUIREMENTS

1. Contractor will require all employees to report for duty in County-approved uniforms with the Company logo and approved photo ID badges while on County Property.
2. All contractor vehicles shall be clearly identified as belonging to the contractor and shall clearly display a parking decal where required.
3. Prohibit employees from disturbing papers on desk (must dust/clean around items on desk), opening desk drawers and cabinets, or using the telephones, computers, or office equipment provided for County use.
4. Require employees to comply with instructions pertaining to conduct and building rules and regulations.
5. Ensure employees do not have access to buildings or County property unless on official duty.
6. Conduct a national criminal background check on all prospective employees before hire for the County premises. The contractor will reject any person whose criminal background demonstrates he/she failed to report criminal convictions accurately on the contractor's employment application form. Any person having a conviction for a felony involving theft, burglary, embezzlement, violence, or moral turpitude under the laws of Florida or any other state, within the 10 years immediately preceding the date of his/her employment will be forbidden to be employed by the contractor for County. All provision of Chapter 435 F.S. must be followed.

   Once the firm's background check is complete, any of the firm's employees being asked to work in a secure location are required to have a County-provided background check.
7. Ensure all applicable employment laws are followed.
8. Provide adequate supervision of employees to ensure complete and satisfactory performance of all work in accordance with the resulting contract. When work is performed, supervision should be onsite and available at all times. Supervision shall be fully and adequately trained, with experience in cleaning supervision, sufficient in scope to meet the approval of County's representative. Supervision shall be responsible for hiring, training, equipping, directing, discharging, and issuing uniforms for all

custodial services personnel. Supervision shall also be responsible for monitoring the work order management software or email to ensure work orders are completed in a timely manner.

9. Provide, for approval by the County, a chain of command for management and supervision for all contractor staff at each location. The contract shall provide County's representative written list of all key employees and should update upon changes.

10. Report all stopped drains, broken fixtures, glass, burnt out lights, and other facilities maintenance needs to the County representative on the established computerized maintenance request.

11. Notify the County of any observed irregularities (i.e., defective plumbing, unlocked doors, lights left on, etc.) The Contractor shall be responsible for turning off all lights when not needed for the cleaning that room, and all lights are to be turned off at the end of the shift. The Contractor shall provide a quality assurance review report and meet with the County representative monthly or as requested to discuss service quality assurance reviews report. These meetings shall be held at a mutually agreeable time.

12. Take all steps necessary to protect the public and nearby property from damage during custodial activities. Any damages to the County property as a result of the vendor must be remedied by the awarded vendor.

13. Ensure all doors are to remain shut and then locked after cleaning.

14. Ensure all keys shall be maintained in accordance with the County key procedure. Any lost keys will be paid for by the contractor. Any rekeying of buildings necessitated by keys being lost by contractor will be paid for by contractor.

15. Schedule sufficient staff at no extra charge for County special events which shall include but not be limited to cleaning as may be required from time to time. The County will notify the Contractor at least twenty-four (24) hours prior to requirement.

16. Maintain a Material Data Safety Sheet (MSDS) file on all chemical and cleaning agents used in the performance of this contract. A copy of MSDS's shall be provided to the Facilities Management Branch prior to its use. Green products are highly encouraged to be used for the appropriate applications.

17. Responsible for lost or stolen keys and security proximity cards issued to them. They may be financially responsible for reimbursement to the County for the replacement of any keys, cards, or locks due to the loss or theft. The Contractor shall maintain a key log of all of its locations and their employees that have been issued keys and cards to County buildings. Facilities Management may request a copy of the key log at their discretion. Key Boxes may be utilized in specific buildings to insure key control.

18. Willing to make accommodations to clean sensitive areas at specific days and times if requested by the building occupants. This may require being escorted and/or providing the services during the occupant's normal business hours.

19. The Contractor shall be made available to clean the Board of County Commissioners chambers and surrounding areas after all scheduled meetings.

20. In the event that the County requests additional project assistance or special services outside the scope of this contract, the Contractor shall provide such extra labor on an hourly rate basis, not including materials. All such work shall be performed outside of, and exclusive of, the normal scope of scheduled services.

B. COST INCREASES

Any annual cost increase request must be submitted to the Director of Facilities Management by February 1st for the following annual term. The increase will only be granted under the following conditions, an increase in the CPI measured as the annual rate for the previous 12 months, regionally adjusted and an increase to minimum wage. These factors will be reviewed independently and will not be submitted as a combined % requested increase. A percent increase in CPI shall only be requested on the non-labor portion of the contract. For a request due to minimum wage increase, the contractor must supply documentation of the employee wages and outline which employees will be affected by the minimum wage increase.

C. ADDITIONS/DELETIONS

The County reserves the right to add or decrease buildings and square footage under the same terms, specifications, and conditions of this contract. The rates for the new areas will be quoted by the Contractor for County approval and shall be based on the cost per square foot as bid for the same or similar building. This includes when there is an increase or decrease to the number of cleaning days.

D. COMPLAINTS

Customer complaint records will be maintained by the County representative(s). For each customer complaint, the County representative shall document the incident and report it immediately to the Contractor. The County representative will then investigate the complaint, accompanied by the Contractor's representative, if the Contractor desires. If the complaint is found to be legitimate, it will be labeled as a "valid complaint." For every one "valid complaint" documented for the month, one-tenth percent (1/10%) of the monthly invoice amount will be deducted from the Contractor's payment for that same month as a penalty. For example, if twenty (20) complaints are found to be "valid complaints" during that same month, then a total of two percent (2%) will be deducted from the Contractor's payment for that month resulting from customer complaints. Leaving doors unlocked and not arming or disarming alarms systems properly that results in a false alarm is an example of a valid complaint. Any costs assessed to the County for excessive false alarm responses by local law enforcement agencies attributable to failed performance will be the financial obligation of the Contractor. Not having soap in the dispensers is another example of a valid complaint.

4-6 SUPPLIES, CHEMICALS, AND EQUIPMENT

The Contractor shall furnish and maintain all the necessary equipment, cleaning chemicals and supplies required for proper maintenance as described in these specifications and to meet all local fire codes for storage of cleaning agents and solvents. The County is not

responsible for any repairs, maintenance, or replacement of inoperable equipment. The contractor shall be responsible for any replacement equipment required.

The Contractor will provide with his/her proposal a list of the chemicals and supplies that will be used to perform the work under this contract. OSHA Material Safety Data Sheets (MSDS) are required for all chemicals and cleaning products and shall be supplied to the County at the time of product introduction. In addition, all MSDS shall be maintained on-site and updated on a quarterly basis. The County shall be notified in writing each quarter ten (10) business days prior to updates and one (1) full copy of the most current MSDS shall be furnished to the County.

The Contractor will display the MSDS sheets, in English and Spanish, in each custodial closet where the cleaning products are stored. All bottles are to be labeled properly listing all ingredients. The Contractor is responsible for training its employees on how to read the MSDS and to follow instructions for both use of product and responding to a spill or ingestion of product. The Custodial Manager or designee will conduct periodic inspections of cleaning supply cabinets and MSDS books to ensure cleanliness, proper labeling of chemicals, documentation of supplies stored on County property, and compliance.

The Contractor will identify their efforts in the green cleaning movement. Green cleaning is a widely accepted movement that uses procedures and products that consider the health of the building occupants, custodians, and the environment.

The following minimum supplies, chemicals and equipment shall be provided/supplied by the Contractor (NOTE: The County reserves the right to approve all supplies, chemicals and equipment used at the County facilities prior to their use).

Soap for dispensers	Anti-Bacterial Hand sanitizer for dispensers
Toilet tissue (2-ply)	Roll towels and Multi-fold towels
Sanitary toilet cover sleeves	Plastic trash liners (inside/outside receptacles)

Contractor will replace all broken dispensers as needed and provide additional dispensers when determined necessary.

Escambia County focuses on providing safe, effective, and environmentally friendly products in all of their buildings. Green seal certified products are highly encouraged when deemed appropriate and effective for the task.

Vacuum cleaners shall be required to have a HEPA filtration system.

All disinfectant agents and chemicals used by the contractor in the cleaning process shall be bactericidal, fungicidal, viricidal and tuberculocidal, in accordance with appropriate laws & guidelines. Green seal certified products are highly encouraged to be used for the appropriate applications.

All carpet shampooing and stripping and waxing of floors will be performed after hours, on weekends or holidays, unless other specific arrangements have been approved by Facilities Management. This additional work will be invoiced separately and written authorization by Facilities Management will accompany the invoice for payment. No additional work shall be performed without prior written authorization.

It is the responsibility of the Contractor to ensure that all cleaning products are compatible and appropriate for the surfaces to be cleaned. The Contractor will be held responsible for the repair or replacement of any surfaces or items found to be damaged by the improper use of any product it provides.

4-7 SAFETY REQUIREMENTS

All work procedures, materials and supplies and all equipment provided to each employee must meet all Occupational Safety and Health Administration (OSHA) and American National Standards Institute (ANSI) standards. The Contractor shall be responsible for annual safety training for employees in Florida's Right to Know, OSHA Blood borne Pathogens and Center for Disease Control (CDC) Blood borne Pathogens information, and Environmental Protection Agency (EPA) hazardous waste disposal training. Proof of training will be provided to the County.

All equipment used by the Contractor shall be maintained in safe operating condition at all times, free from defects or wear which may in any way constitute a hazard to any person or persons on County property. Vacuum cleaners must be HEPA filtered at 99.97% efficient at 0.3 microns. All electrical equipment will be properly grounded. No internal combustion driven equipment or propane floor machines will be approved for use in County facilities. All employees will wear proper personal protective equipment while working on County property.

The Contractor shall not permit placing or use of mops, brooms, or equipment in traffic lanes or other locations in such a manner as to create safety hazards, and shall provide appropriate warning signs for slippery floor areas caused by cleaning or floor finishing operations. The Contractor's employees shall be required to interrupt their work at any time to allow passage of personnel.

4-8 INSPECTION CRITERIA

Inspection records will be maintained by the County representative(s).

Rooms/areas and exterior areas will be selected by and inspected each month.

The Counties representative(s) will evaluate restrooms/gym rooms as "acceptable" or "unacceptable" using the following criteria:

A. Presence of adequate two (2) ply toilet paper, paper towels, sanitary toilet sleeves, soap, and/or anti-bacterial hand sanitizer.

B. Absence of soil, stains, and rust on toilet room fixtures, drains, traps, faucets, soap and paper dispensers, stalls, mirrors, ledges and drinking fountains

C. Absence of dust on horizontal and vertical surfaces of floors, walls, ledges, furniture, and equipment

D. Absence of litter and trash on floor and horizontal surfaces of equipment

E. Absence of finger marks and spots and soil build-up on walls, partitions, doors, dividers, etc.

F. Absence of encrustation, soil, and wax build-up on floors, particularly in corners, along edges and baseboards, around door jambs, and around fixture and equipment bases

G. Absence of soil, litter, dust, and encrustation in trash containers

H. Absence of soil and dust on window blinds, shades, sills, frames, and ledges

I. Absence of other visible soil and cobwebs on horizontal surfaces including ceilings

J. Absence of soil, litter, dust and spots from all mats and floors

K. Absence of streaks, spots, stains from all bright work, where appropriate - All bright

works shall be polished dry to a high sheen

L. All other contract provisions.

If item #1 is found to be unacceptable, the restroom will be deemed “unacceptable.” If a total of four (4) of the other items are found unacceptable the restroom will be deemed “unacceptable.” If two (2) or more of the same items are found unacceptable in more than half of the rooms inspected in one month, a sustenance problem will be deemed to exist. This condition will require the Contractor to determine the cause and take corrective measures.

The County representative(s) will evaluate non-restrooms as “acceptable” or “unacceptable” using the following criteria:

A. Absence of dust on horizontal and vertical surfaces of floors, walls, ledges, furniture, HVAC vents and equipment

B. Absence of litter and trash on floor and horizontal surfaces of equipment

C. Absence of finger marks and spots and soil build-up on walls, partitions, doors, dividers, etc.

D. Absence of encrustation, soil, and wax build-up on floors, particularly in corners, along edges and baseboards, around door jambs, and around furniture and equipment legs and bases

E. Absence of soil and stains on fixtures, drains, traps, faucets, soap and paper dispensers, mirrors, ledges and drinking fountains

F. Absence of dust, spots, soil build-up and encrustation on furniture and equipment surfaces and legs

G. Absence of dust, lint, and litter on upholstered furniture

H. Absence of soil, litter, dust and encrustation in ash trays, urns, wastebaskets, and trash containers - Trashcan liners shall be new and urn sand in good condition

I. Absence of marks, spots, stains and streaks on interior and exterior entrance doors and all glass windows

J. Absence of soil and dust on window blinds, shades, sills, frames, and ledges

K. Absence of other visible soil and cobwebs on horizontal surfaces including ceilings

L. Absence of soil, litter, dust and spots from all carpets, mats, and floors

M. Absence of streaks, spots, stains from all bright work and stainless steel, where appropriate - All bright work shall be polished dry to a high sheen

N. Empty or nearly empty trashcans and pencil sharpeners (depending on time of day)

O. Absence of interior walk-off mats by all entrance/exit doors.

If a total of five (5) items are found to be unacceptable, the non-restroom will be deemed “unacceptable.” If two (2) or more of the same items are found unacceptable in more than half of the rooms inspected in one month, a sustenance problem will be deemed to exist. This condition will require the Contractor to determine the cause and take corrective measures.

For every one (1) “unacceptable” room rating in a month, one percent (1%) of the monthly invoice amount will be deducted from the Contractor’s payment for that same month as a penalty. For example, if ten (10) rooms are found to be “unacceptable” in one month, then ten percent (10%) of the monthly invoice amount will be deducted from the Contractor’s payment for that month resulting from “unacceptable” room ratings.

All unacceptable rooms will be re-inspected for compliance. A repeat “unacceptable” rating will cause an additional one percent (1%) to be deducted from that month’s payment.

Sec. 46-110. - Local preference in bidding.

(a) *Legislative intent.* The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the county's overall tax base.

(b) *"Local business" defined.*

Local business. For purposes of this section, "local business" shall mean a business which meets all of the following criteria:

(1) Has had a fixed office or distribution point located in and having a street address within Escambia County or Santa Rosa County for at least one year immediately prior to the issuance of the request for competitive bids by the county. The fixed office or distribution point must be staffed by at least one employee. Post office boxes are not verifiable and shall not be used for the purpose of establishing a physical address;

(2) Holds any business license required by Escambia County or Santa Rosa County; and

(3) Is the principal offeror who is a single offeror; a business which is the prime contractor and not a subcontractor; or a partner or joint venturer submitting an offer in conjunction with other businesses.

(c) *Certification.* Any vendor claiming to be a local business as defined above shall so certify in writing to the office of purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certifications, and shall have the sole discretion to determine if a vendor meets the definition of a "local business."

(d) *Preference in purchase of commodities and services by means of competitive bid.* Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive bid (local price match option). Each formal competitive bid solicitation (i.e., sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.00, and the bid submitted by one or more qualified and responsive local businesses is within five percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated community redevelopment area (CRA) is within seven percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.00, and the bid submitted by one or more qualified and responsive local businesses is within three percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within five percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within two percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within four percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the office of purchasing within five business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the board of county commissioners.

(e) *Notice.* All bid solicitation documents shall include notice to vendors of the local preference policy.

(f) *Waiver of the application of local preference.* The application of local preference to a particular purchase or contract for which the board of county commissioners is the awarding authority may be waived upon approval of the board of county commissioners.

(g) *Limitations.*

(1) The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

(2) The provisions of this section shall not apply where prohibited by federal or Florida law or where prohibited under the conditions of any grant.

(3) The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

(4) The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

(h) *Penalties.*

(1) *Misrepresentation.* A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the county will lose the privilege to claim local preference status for a period of up to one year from the date of the award of the contract or upon completion of the contract whichever is greater. The county administrator, in his discretion, may also recommend that the firm be referred for suspension of eligibility to claim the privilege of local preference.

(2) *Failure to maintain local business preference qualifications.* Any vendor that does not maintain its local

preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

(3) *Lack of good faith.* The contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the county determines that the contractor or firm did not act in good faith, all amounts paid to the contractor or firm under the county contract intended for expenditure with the local business shall be forfeited and recoverable by the county. In addition, the contract may be rescinded and the county may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

(Ord. No. 2013-43, § 2, 9-16-2013; Ord. No. 2016-9, § 2, 1-21-2016)

Sec. 46-111. - Small business enterprise program.

(a) *Purpose and intent of section.* The purpose and intent of this section is to provide the maximum opportunity for increased participation of qualified small businesses in the county's procurement system.

(b) *Definitions.* The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

Commercially useful business function means adding value to the goods and services supplied under a contract. A small business is considered to perform a commercially useful business function when it is responsible for execution of a distinct element of work of a contract or transaction and carrying out its responsibilities by actually performing, managing and supervising the work performed. Businesses who merely act as a conduit do not perform a commercially useful business function and will not be eligible for certification as a SBE. In determining whether a business performs a commercially useful business function, consideration will include, but not be limited to, whether the business adds a value to the product or service provided; whether the business has a distributorship agreement with the manufacturer of goods supplied; whether the business takes possession of the product or service provided; whether the business warrants the product or service provided; whether the business maintains sufficient storage space to keep the product in inventory; whether the business maintains sufficient inventory to meet the requirements of its contracts; whether the business provides the product or service to the public or other business other than a governmental agency.

SBE means a small business enterprise certified by Escambia County.

(c) *Scope.* Unless otherwise prohibited by federal or state law, this chapter shall apply to the solicitation of all goods, services and construction by the county which are governed by the county purchasing code. Whenever possible, the county shall utilize a solicitation process which encourages SBE participation even on those items which are exempted from the requirements of the purchasing code.

(d) *SBE program goals.*

Annual goal: The cumulative annual SBE goal shall be up to 15 percent of the total annual expenditures for operating and capital costs for the current fiscal year as calculated in accordance with county SBE program policies and procedures. The cumulative annual SBE goal may be adjusted annually by the board of county commissioners.

(e) *Certification.*

(1) *Requirements.* For the purposes of this section, the following certification requirements shall govern:

a. The business must currently perform a commercially useful business function;

b. The business must be a local business as defined in section 46-110;

c. The business must be an independently owned and operated, for-profit entity;

d. The business may employ ten or fewer full time employees; and

e. The business may have a net worth of not more than $1,000,000.00.

(2) *Application procedure.* All applicants wishing to be considered as certified businesses for the benefits of the SBE program must complete the small business self certification form which can be obtained through the office of purchasing. This is a self-certification process and shall require a signed affidavit attesting to the accuracy of the data provided on the form.

(3) The purchasing department shall accept SBEs for use by the county in its purchasing and procurement process based upon the eligibility requirements provided herein. The purchasing department shall maintain an up-to-date electronic list of SBEs, and encourage the use of this list by all departments in their procurement activities.

(4) Any change of ownership or circumstances that may affect certification eligibility of an SBE must be reported to the purchasing department within 30 days of the change taking place. In the event of a change, the current owner is responsible for fulfilling this reporting requirement prior to seeking business with the county.

(5) *Recertification.* Certified SBEs are required to submit an affidavit of their continued eligibility as a SBE every year. If there has been a change in operation, ownership, control, activities, domicile or gross receipts, the SBE must identify such change on their application for recertification. A company that fails to submit its affidavit of continued eligibility will no longer be deemed certified for purposes of participation in the small business program.

(6) *Decertification.* If during any period of certification, the county has reason to believe that the SBE was not properly certified or that there has been a substantial change of ownership or circumstances that may affect certification eligibility then the county administrator may conduct an investigation and decertify an SBE if the investigation indicates that continued certification would be contrary to the county's SBE program requirements. The county administrator shall notify the SBE by certified mail that it has been decertified. Any business that is decertified may not be recertified for one year from the date of decertification.

(7) *Appeal of decertification.* Any business that believes it was wrongfully denied certification may submit a written request with the office of purchasing to appeal the decertification. The appeal shall be filed within 20 days of receipt of the notice of decertification. The request for appeal shall state with particularity the reasons why the business believes the denial was erroneous.

(8) *Hearing on appeal of decertification.* If an appeal is requested, an administrative review will be conducted by the county administrator, or designee, within 45 days of receipt of the notice of appeal. Upon review, the county administrator, or designee shall take one of the following actions:

a. *Grant the appeal.* If a determination is made that decertification was contrary to county's SBE program requirements, the appeal shall be granted and the business recertified;

b. *Deny the appeal.* If a determination is made that certification would be contrary to the county's SBE program requirements, the appeal shall be denied and the applicant may request that the matter be referred to a special master for further proceedings in accordance with subsections 46-102(4)—(7); or

c. *Refer the appeal to a special master.* If no administrative determination is made, the matter may be referred to a special master for further proceedings in accordance with subsections 46-102(4)—(7).

(f) *False representation.*

(1) It is unlawful for any individual or entity to knowingly submit false information in order to qualify for SBE certification.

(2) Any contractor that falsely represents to the county that it is an SBE, or knowingly submits false information or represents that it will use the services or commodities of an SBE and subsequently does not, shall be deemed in breach of contract. Upon a determination that a breach has occurred, all payments under the contract or

any other arrangement shall be immediately suspended. The contractor may show that it attempted in good faith to comply with the terms of the contract but was unable to comply. If the county determines that the contractor did not act in good faith, all amounts paid to the contractor under the county contract or agreement intended for expenditure with the SBE shall be forfeited and recoverable by the county. In addition, the contract or agreement may be rescinded and the department or division may return all unused goods received and recover all amounts paid under the contract.

(3) Any contractor or affiliate determined to have falsely represented that it or a subcontractor is an SBE, or determined to have not acted in good faith to fulfill the terms of a contract calling for it to use the services or commodities of an SBE, will be considered under the county's suspension and debarment policy.

(g) *Reservation of contracts.*

(1) Unless otherwise prohibited by federal or state law, the county may reserve contracts to be awarded only to SBEs. The county may review all of its needs and requirements in each fiscal year and the board of county commissioners may determine which contracts may be reserved for bidding only by SBEs. This reservation may only be used when it is determined, before dissemination of the request for proposals or invitation to bid, that there are capable, qualified, SBEs available who are interested and willing to bid on these contracts in order to provide for effective competition. Once a decision has been made to reserve a contract, the county shall estimate what it expects the dollar amount of the contract to be based on the nature of the contract and its value under prevailing market conditions. If all the bids received are over this estimate, the county may reject the bids and open the bidding to all vendors and contractors. Before contracts can be reserved for bidding only by SBEs, the board of county commissioners must determine that such a reservation is in the best interest of the county.

(2) Unless otherwise prohibited by federal or state law, the county may reserve any construction contract for competitive bidding for contractors who agree to utilize SBEs as subcontractors or subvendors. The percentage of funds which must be expended with SBE subcontractors shall be determined by the county before the contract is reserved. In order to bid on a construction contract so reserved, the contractor shall identify those SBEs that will be utilized as subcontractors or subvendors. Once a decision has been made to reserve a contract, but before bids are requested, the county shall estimate what it expects the amount of the contract to be based on the nature of the contract involved and its value under prevailing market conditions. If all the bids received are over this estimate, the county may reject the bids and open the bidding to all vendors and contractors. It is the express responsibility of the contractor to verify that all SBEs that will be utilized as subcontractors or subvendors are currently certified by the county.

(h) *SBE preference.*

(1) The county may award a bid preference on any single bid, as provided in section 46-110, to a certified SBE.

(2) SBE preference does not apply to contracts that are reserved in accordance with this section. Preferences as provided in this chapter may not be combined. Only one preference may be awarded on any single solicitation to any certified SBE or contractor. Any SBE bid preference awarded pursuant to this section shall take priority over any local business bid preference that may apply to any single solicitation.

(i) *Responsiveness of bids—good faith efforts.*

(1) Every competitive bid, if not submitted by a SBE, must demonstrate good faith efforts to utilize SBEs as subcontractors or subvendors.

(2) The county may consider written documentation submitted with the bid package in determining whether a contractor has made one or more good faith efforts including, but not limited to:

a. Whether the contractor attended any presolicitation or prebid meeting that was scheduled by the county to inform SBEs of contracting and subcontracting opportunities;

b. Whether the contractor advertised in a general circulation, trade association, and/or SBE focus media

concerning the subcontracting opportunities;

c. Whether the contractor provided written notice to a reasonable number of SBEs that their interest in the contract was being solicited in sufficient time to allow the SBE to participate effectively;

d. Whether the contractor followed up initial solicitations of interest by contacting SBEs to determine whether a SBE is interested;

e. Whether the contractor selected portions of the work to be performed by SBEs in order to increase the likelihood of meeting the SBE goals of the county, including, where possible, breaking down contracts into economically feasible units to facilitate SBE participation;

f. Whether the contractor negotiated in good faith with interested SBEs, not rejecting SBE as unqualified without sound reasons based on investigation of their capabilities;

g. Whether the contractor made efforts to assist interested SBEs in obtaining bonding, lines of credit, or insurance required by the county and/or the contractor; and

h. Whether the contractor effectively used the services of available small business community organizations; small business contractors' groups; local, state, and federal business assistance offices; and other organizations that provide assistance in the recruitment and placement of small businesses.

(3) The county may waive the good faith requirement for procurement where sub-contracting is not applicable or in order to ensure adequate competition.

(j) *SBE assistance program.*

(1) The SBE assistance program is established within the office of purchasing and will report all recommendations and activities associated with the SBE program directly to the county administrator. This program will assist and encourage SBEs to participate in the county solicitation process.

(2) In addition, the purchasing department, in conjunction with the county administrator, shall:

a. Review and comment on any changes to a county policy, rule or regulation relating to SBE procurement;

b. Receive, compile and disseminate information on procurement opportunities, availability of SBEs and available technical assistance;

c. Refer all information on any business suspected of misrepresenting its SBE status to the county administrator's office;

d. Maintain a central list of certified SBEs and provide it upon request; and

e. Host, not less than annually, a workshop to assist small businesses located in Escambia County to obtain SBE certification and to do business with the county.

(k) *Implementation of policy.* In order to systematically augment a viable SBE component within the county's purchasing and procurement system, the purchasing manager shall be delegated the following powers and duties to fulfill their responsibilities and functions:

(1) Establish and compile a system of coordinated, uniform procurement policies, procedures, and practices supporting the SBE program.

(2) Encourage the use of SBEs in county contracting and procurement for goods, services and construction that may be provided or performed by SBEs and strive to achieve the stated SBE annual program goal.

(3) Manage and maintain the information system or other automated interface with the county's finance system to record and measure the use of SBEs in county contracting. This system shall maintain information and statistics on SBE participation, in order to analyze the progress of the SBE program.

(4) Provide an annual written report to the county administrator detailing disbursements made to SBEs for goods, services and construction.

(Ord. No. 2013-52, § 2, 12-5-2013; Ord. No. 2014-29, § 1, 7-24-2014)

Sec. 46-112. - Participation of minority and women business enterprises.

(a) *Policy statement.* The county is committed to providing equal opportunities to minority and women business enterprises and strives to improve the opportunities and participation of such businesses in the public procurement of goods and services by the county. Pursuant to this policy, the county shall hereby establish procedures to encourage the participation of minority and women owned businesses in the public procurement of goods and services by the county. Nothing in this section shall be construed to provide for or require any preference or set-aside based on gender, race, or national origin.

(b) *Definitions.* For the purpose of this section, the following terms shall have the following meanings:

Minority shall mean any of the following groups:

(1) African American persons having origins in any of the black racial groups in Africa;

(2) Hispanic American persons of Spanish or Portuguese culture with origins in Mexico, South America, Central America, or the Caribbean, regardless of race;

(3) Native American persons including those residing in the U.S. or its territories, who are descendants of any Indian tribe with origins in the North and South American continents and other islands or lands to include the countries of the U.S., Canada, and Mexico;

(4) Asian American persons having origins in any of the original peoples of the Far East, Southeast Asia, Indian Subcontinent, or Pacific Islands.

Minority business enterprise (MBE) shall mean any business which is at least 51 percent owned and operated by minority members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by minority members.

Women business enterprise (WBE) shall mean any business which is at least 51 percent owned and operated by women members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by women members.

(c) *Certification.*

(1) *Requirements.* For the purpose of this section, the following certification requirements shall govern:

a. The business is a MBE and/or WBE as defined in this section.

b. The business meets the requirements provided in section 46-111(e)(1).

c. The business is legally structured as required by Florida law and, if applicable, in good standing with the Florida Secretary of State.

(2) *Procedure.* All applicants wishing to be considered as certified MBE/WBE(s) must complete a small business enterprise program certification application form which may be obtained through the office of purchasing. This is a self-certification process and shall require a signed affidavit attesting to the accuracy of the data provided on the form. Proof of current certification as a minority and/or women business enterprise by the Florida Office of Supplier Diversity may be accepted in lieu of other supporting documentation. Certified M/WBEs shall submit an affidavit of continued eligibility on an annual basis.

(d) *Implementation.* In an effort to implement this policy, the county may undertake the following measures:

(1) Designate the purchasing manager to administer this policy.

(2) Maintain a central list of certified M/WBEs.

(3) Manage and maintain the information system or other automated interface with the county's finance system to record and measure the use of M/WBEs in county procurements.

(4) Utilize outreach programs to identify and educate M/WBEs about the county's procurement process.

ADDENDUM NUMBER 1:

Re: PD 19-20.092 Re-Solicit Custodial Services for Various County Facilities

All:

Your firm recently received a Request for Proposals for the above-mentioned specification. This Addendum Number 1 provides for information related to the current vendor.

The current vendor is American Facilities Services, and has been since October 2011. This solicitation is being issued because the current agreement has expired, and the County is required to solicit competitive bids. Additionally, the previous agreement did not allow for multiple vendors to be awarded as the current solicitation offers.

The Bid Tabulations from two previous solicitations have been attached, however, the Scope of Work from previous solicitations is not at all comparable to the current Scope of Work being requested. Firms are strongly encouraged to not utilize past pricing to determine current or future bids.

Per Florida Statute 119.071(b)(3), bids from the most recent solicitation, PD 19-20.065, will not be available until after the current solicitation is awarded or 12 months have passed from the rejection of bids, which occurred on August, 17, 2020, whichever comes first.

This Addendum Number 1 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photocopy this form for your records.

Sincerely,

Jeffrey D. Lovingood

Re: PD 19-20.092 Re-Solicit Custodial Services for Various County Facilities

Q1. Can the vendors show the toiletry pricing separately from the service price shown in the proposal?

A1. For the purposes of this solicitation, we ask that the pricing provided in the proposal be an "all inclusive" price that covers everything the vendor will need to perform the service and have the facilities sufficiently stocked.

Q2. Can vendors purchase supplies directly from Escambia County?

A2. At this time, the County does not offer the ability for vendors to purchase supplies from the County.

Q3. On page 27 of 61, Item 2-2, "Proposals shall confirm that the firm will comply with all of the provisions in this RFP." Is there a form to be utilized for this?

A3. Confirmation that a firm will comply with all provisions can be stated anywhere within the proposal. Most firms opt to write a letter of interest as a type of cover page for the proposal. Such a statement can be included in a letter of this type.

Q4. On what page of the RFP is the "Solicitation, Offer, and Proposal Form"?

A4. This form was intentionally left out of the RFP and the language referenced in the question is boilerplate language that is used from one RFP to the next. Please disregard this requirement.

Q5. Page 4 of 61, states that the Proposal Response must include one (1) original and one (1) electronic copy via CD or flash drive OR uploaded via Vendor Registry. Page 14 of 61, Item 4 Proposal Forms states that, "Firms electing to submit original forms shall also provide a complete copy of the bid response via CD or flash drive." Since one original is required per page 4 of 61, this seems to indicate that a complete copy of the bid response via CD or flash drive would also be required, is this correct? Or could the proposal – in its entirety – be submitted via Vendor Registry?

A5. If a firm is submitting a physical proposal document to the Office of Purchasing via mail or courier, an electronic copy shall be included. If a firm is submitting their complete proposal via Vendor Registry, a physical proposal document is not required.

Q6. If some documents are not ADA-compliant, would the proposal be deemed non-responsive?

A6. No. At this time, the County does not require ADA-compliant documents, but we do ask for them to be utilized whenever possible. The County attempts to provide ADA-compliant documents to all those who submit a Sunshine Law information request.

As a reminder, regardless of the means with which the proposal is submitted, all firms shall provide their Bid Surety to the Office of Purchasing prior to the Proposal submittal deadline.

Firms submitting a surety from their insurance provider can upload the surety documents in Vendor Registry and a physical delivery to the Office of Purchasing is not required.

Q7. Page 27 of 61, Item 2-1 states that, "All RFP documents (excluding the Excel Spreadsheet) shall be contained in a single PDF or Microsoft Word-Type document. The Excel Spreadsheet will also be returned complete as a single document."

Page 30 of 61, Item 3-2 asks proposers to, “Please separate the RFP responses into the following categories:” and on page 32 of 61, Item 6, A asks proposers to provide the pricing schedule on the Price Proposal Form.

Should a hard copy of the Cost Proposal (Excel spreadsheet) be included as an item in the submission of the original Technical Proposal? Or should it be submitted in a separate envelope with the other signed forms? Or on its own?

A7. All the proposal documents shall be in a single PDF, and sorted according to the order outlined in Item 3-2.

The physical Excel document can be separate, in either Excel or PDF. Both the proposal (PDF) and the Excel spreadsheet (Excel) shall be on the electronic copy and/or uploaded to Vendor Registry.

Q8. Will the content referred to on page 27 of 61, Part II, 2-3 Understanding of the Project, 2-4 Methodology Used for the Project, and 2-5 Management Plan for the Project be evaluated as part of 1: Scope of Services as outlined on page 30 of 61, Part III, Section 3-2 Evaluation Criteria?

A8. Yes.

Q9. Will the content referred to on pages 27 and 28 of 61, Part II, Section 2-6 Experience and Qualifications, be evaluated as part of 2: Adequacy of Staffing and Supervision and 3: Related Experience as outlined on pages 30 and 31 of 61, Part III, Section 3-2 Evaluation Criteria?

A9. Yes.

Q10. Page 29 of 61, Item 2-8 requests that “Bidders provide a breakout of the firm’s employees by minority status, as well as the status of employees of any subcontractor that will be performing the work.” This item is not referred to as part of the Evaluation Criteria. Under which section of the Evaluation Matrix will this item be considered? Or is this a pass/fail item for meeting minimum requirements?

A10. If it is not listed in the “Selection Criteria,” it is not a selection criterion. The Board has requested information for information purposes.

Q11. Page 50 of 61, paragraph 1, states that, “The Contractor will provide with his/her proposal a list of the chemicals and supplies that will be used to perform the work under this contract.” This item is not listed as part of the Evaluation Criteria. Under which section of the Evaluation Matrix will this item be considered? Or is this a pass/fail item for meeting minimum requirements?

A11. If it is not listed in the “Selection Criteria,” it is not a selection criterion. The department has requested this information for information purposes.

AGREEMENT RELATING TO CUSTODIAL SERVICES (P.D. 19-20.092)

THIS AGREEMENT is made by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County**"**), whose mailing address is 221 Palafox Place, Pensacola, FL 32502, and New World Cleaning, LLC (hereinafter referred to as "Contractor"), a Florida for-profit limited liability company authorized to conduct business in the State of Florida, FEI/EIN 26-4269831, whose principal address is 2112 West Yonge Street, Pensacola, FL 32505.

WITNESSETH:

WHEREAS, on August 21, 2020, the County issued a Request for Proposals (P.D. 19-20.092) seeking contractors to perform custodial services for various Escambia County facilities located within eleven zones; and

WHEREAS, Contractor submitted a proposal demonstrating that the Contractor was qualified to provide such services; and

WHEREAS, the County desires to enter into an agreement with the Contractor for the provision of such services as set forth herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. After being properly executed by the Parties named herein, this Agreement shall commence on November 1, 2020, and continue for an initial term of thirty-six (36) months expiring on October 31, 2023. Upon mutual agreement, the Agreement may be renewed for two additional twelve (12) month terms up to a maximum of sixty (60) months. The County shall provide written notice of the desire to renew or extend the Agreement at least thirty (30) days prior to the expiration of the current term.

3. Scope. Contractor agrees to perform in accordance with the scope of services as outlined in Escambia County's *Request for Proposals Custodial Services for Various Escambia County Facilities, Specification No. P.D. 19-20.092*, attached hereto and incorporated herein as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement shall prevail. Additional cleaning services and emergency services may be requested by the County on an as-needed basis.

4. Compensation. In exchange for the Contractor's provision of the scope of services referenced in Section 3 above, County agrees to pay the Contractor as follows and as further specified in the Contractor's proposal attached hereto and incorporated herein as **Exhibit B**:

Zone 4 in an amount not to exceed $263,328.00 per year.

In exchange for the provision of any requested additional cleaning services or emergency services referenced in Section 3 above, County agrees to pay Contractor as follows:

Additional Area Cleaning Cost		
Ceramic: Scrub	$0.12	per sq. ft.
Carpet: Shampoo	$0.14	per sq. ft.
Window Cleaning Exterior (Outside of Scope)	$0.10	per sq. ft.

Additional Hourly Rate	$12.50

Contractor shall be responsible for providing all supplies, equipment, and labor necessary to perform services pursuant to this Agreement.

5. Method of Payment/Billing. Contractor may request payment from County on a monthly basis by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of services rendered with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

6. Price Adjustments. Contractor may request price adjustments once every twelve (12) months. Requests must be provided to the Director of Facilities Management no later than May 1st and shall take effect on November 1st of the year in which the request was submitted. Any requested price increase shall be accompanied by appropriate documentation of a bona fide cost increase to the Contractor based upon an increase in the consumer price index (CPI) and/or an

increase in the minimum wage. Any price decrease effectuated during the term of the Agreement shall be passed on the County by the Contractor. Any price adjustment shall be accomplished by written amendment to this Agreement and approved by the Board of County Commissioners.

7. Changes in Scope. The County reserves the right to increase or decrease the frequency of services or the number of buildings or square footage within a zone as may be required. The County will provide Contractor with not less than forty-eight hours prior written notice of any such modifications. Rates for new areas shall be based upon the cost per square foot as bid for the same or similar building within the zone. No minimum quantity of work is guaranteed during the term of this Agreement, and only those tasks assigned by the Contract Administrator may be compensated.

8. Termination. The County retains the right to terminate this Agreement immediately for cause at any time during the term of the Agreement. This Agreement may be terminated for convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the Contractor shall be paid for services provided through the date of termination, but Contractor shall not be entitled to any other recovery against County, including, but not limited to, damages or any anticipated profit on portions of work not performed.

9. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

10. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Florida statutory Workers' Compensation and Employers' Liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease; and

(d) Fidelity Bond with $1,000,000 per occurrence coverage limit.

In the event Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days' advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

11. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

12. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: New World Cleaning, LLC	To: Escambia County
Attention: Latasha Jones	Attention: County Administrator
2112 West Yonge Street	221 Palafox Place, Suite 420
Pensacola, FL 32505	Pensacola, Florida 32502

Rejection or other refusal by the addressee to accept or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

13 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

14. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator

15. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

16. Compliance with Laws. Contractor agrees to comply with all federal, state, and local laws, rules, policies, or guidelines related to the performance of this Agreement.

17. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

18. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

19. Authority. Any individual executing this Agreement on behalf of a corporate or governmental party represents and warrants that he/she is duly authorized to execute and deliver

this Agreement on behalf of said party, in accordance with any duly adopted action of the governing board of said party, as may be applicable and in accordance with applicable law, and that this Agreement is binding upon said party in accordance with its terms.

20. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

NOTICE

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee vendor until such time as the contract is executed by the last party to the transaction.

SPECIAL ACCOMODATIONS

Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing at 850-595-4953 at least five (5) working days prior to the solicitation opening. If you are hearing or speech impaired, please contact the Office of Purchasing at 850-595-4684 (TTY).

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to vendors of the local vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and
2. Holds any business license required by Escambia County or Santa Rosa County, and
3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification and shall have the sole discretion to determine if a vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by

the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated Community Redevelopment Area (CRA) is within seven percent (7%) of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within three percent (3%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within two percent (2%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within four percent (4%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.
2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.
3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.
4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded, and the County may return all, or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(a)
FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(print name of the public entity)

by _____
(print individual's name and title)

for _____
(print name of entity submitting sworn statement)

whose business address is:

_____

_____

and, if applicable, its Federal Employer Identification Number (FEIN) is:

_____
(If the entity has no FEIN, provide the Social Security Number of the Individual signing this sworn statement.)

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity, or with an agency or political subdivision of any other state or of the United State, including but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision or any other state or of the United State and involving antitrust, fraud, theft, briber, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, non-jury trial, or entry of a please of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

a. A predecessor or successor of a person convicted of a public entity crime; or

b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in

management of the entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement.

Please indicate which statement applies:

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Please attach a copy of the Final Order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO (2) OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The following policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors, or individuals action on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County official, their agents or employees, or any member of the relevant Selection Committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/ protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the bids/proposals for Invitations to Bid or the Request for Proposal, or Qualification, or Information, or Request for Letters of Interest, or the Invitation to Negotiate, as applicable, are received at the Escambia County Office of Purchasing, and the time the Board awards the Contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees, or any member of the relevant Selection Committee, for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/disqualification of submittal;

2) Termination of contract; or

3) Suspension or debarment as provided in Sec. 46-102 of the Escambia County Code of Ordinances.

2. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check, or certified check in the amount of One Thousand Dollars ($1,000.00).

Checks or bonds are to be made payable to Escambia County, Florida. **The amount of the check or bond is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.**

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by the contract as evidenced by signatures thereto by an authorized representative of both the Offeror and the County, and/or the Offeror accepts the Purchase Order by signing the Solicitation, Offer, and Bid Form and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of their cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

3. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. The last day for questions will be September 01, 2020 at 5:00 PM CDT.

4. Proposal Forms

6. Diversity

Pursuant to Resolution R2018-87, the Escambia County Board of County Commissioners has expressed its support for diversity in the County's procurement process and affirmatively encourages all vendors, contractors, and subcontractors providing goods or services for the County to promote diversity and provide equal opportunities for the participation of local small-, minority-, women-, and service-disabled veteran-owned businesses.

Pursuant to Sec. 46-110, Sec. 46-111, and Sec. 46-112 of the Escambia County Code of Ordinances, Escambia County is committed to providing the maximum opportunity for increased participation of local small-, minority-, women-owned business enterprises in the procurement of goods and services by the County. Qualifying businesses who wish to participate in this program may apply for certification as a small, minority, and/or woman-owned business by contacting the Office of Purchasing.

Please note: Sec. 46-110, Local Preference in Bidding, Sec. 46-111, Small Business Enterprise Program, Sec. 46-112, Participation of Minority and Women Business Enterprises, and Resolution R2018-87 are attached to this document. Compliance with

7. Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS). The MSDS shall include the following information:

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

   1. The potential for fire, explosion, corrosiveness, and reactivity;

   2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

   3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.'

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address, and emergency telephone number of the manufacturer responsible for preparing the information.

8. Codes and Regulations

The awarded vendor shall strictly comply with all federal, state, and local safety codes.

9. Payment

Partial payments in the full amount for the value of items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents if required. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

10. Debris

Awarded vendor shall be responsible for the prompt removal of all debris, which is a result of this contractual service.

11. Protection of Property/Security

A. The awarded vendor shall provide all barricades and take all necessary precautions to protect buildings and personnel.

B. All work shall be completed in every respect and accomplished in a professional manner and awarded vendor shall provide for removal of all debris from County property.

C. The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

D. The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

E. The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

F. The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

G. The awarded vendor shall at all times guard against injury to Escambia County employees. The vendor shall properly fence and secure the construction site(s) at all times, including evening and weekends.

H. The awarded vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

12. Compliance with Governing Laws and Regulations

The offeror or contractor will be required to fully comply with all applicable federal, state, and local regulations. The offeror should carefully review these requirements which are detailed in this solicitation.

13. Contract Term/Renewal/Termination

The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of thirty-six (36) months. The contract may be renewed for up to two (2) additional twelve (12) month periods, up to a maximum sixty (60) months upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

14. Option to Extend the Term of the Contract

The County may unilaterally extend the term of this contract by written notice to the contractor at least sixty (60) days before the expiration of any contract term. The exercise of the option shall be for the period specified and for the prices listed on the proposal form. All other terms and conditions of the contract shall apply to the option periods. The total duration of this contract, including the exercise of all options, shall not exceed five (5) years.

15. Pricing

All services sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates offeror has not honored quoted price lists and discounts, offeror will be liable for any and all overage charges.

16. Changes – Service Contracts

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas.

A. Description of services to be performed

B. Time of performance (i.e., hours of the day, days of the week, etc.)

C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

17. Termination

A. The contract may be canceled by the contractor, for good cause, upon ninety (90) days prior written notice.

B. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

C. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

18. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the offeror may withdraw his offer or provide a written extension of his offer.

19. Award

Award shall be made on an "all-or-none total by zone".

Escambia County reserves the right to increase or decrease estimated quantities as required. Estimated quantities are shown on the bid form. It is understood by all bidders that these are only estimated quantities and the County is not obligated to purchase any minimum or maximum amount during the life of this contract.

A. In an effort to encourage small businesses that may not have the infrastructure to service a client as large as the County, the Board of County Commissioners has asked that all of the County facilities be put into smaller Zones that small businesses can service.

B. With this in mind, vendors are encouraged to bid on each Zone, however, the vendor's bid for a Zone should reflect that the bid is a stand-alone price for that Zone.

1) The vendor may or may not be awarded any Zones.

2) The vendor may or may not be awarded multiple Zones.

C. Any firm that bids on a Zone and refuses to accept award or refuses to enter into an agreement with the County for any reason shall have the firm's Bid Surety retained by the County and not returned to the vendor.

20. Termination (Services)

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring deficiencies within five (5) working days of notification by the Contract Administrator.

Upon the third such written notification of unsatisfactory performance and/or deficiencies to the contractor by the Office of Purchasing within a four (4) month period, or the sixth such notification within any contract term, shall result in issuance of written notice of immediate contract termination to the contractor by the Office of Purchasing. Such termination may also result in suspension or debarment of the contractor.

21. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is

finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work).

Non-Contract Insurance Requirements

22. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the level of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred", however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract, or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall

be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract, or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage – Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract, or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (if utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract, or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of $1,000.
4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   213 Palafox Place 2nd Floor
   Pensacola, FL 32591
   Purchasing@myescambia.com

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Fidelity/Dishonesty/Liability Coverage – for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

23. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgements, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

PART I GENERAL INFORMATION

1-1 PURPOSE

The Board of County Commissioners of Escambia County is seeking the Professional Services of a qualified contractor to provide Custodial Services in County-owned and maintained facilities as noted in Exhibit "A". The primary objective of this RFP is the selection of the most qualified and experienced Contractor(s) to provide these Custodial Services in a manner that is most advantageous to the County.

1-2 ISSUING OFFICER

The project Director shall be Janice P. Gilley, County Administrator. The liaison officer shall be Donald Knight, Custodial Manager, Facilities Management Department. The contracting agency shall be the Escambia County Board of Commissioners, c/o the Office of Purchasing, 213 Palafox Place, 2nd Floor, Pensacola, Florida, 32502.

1-3 CONTRACT CONSIDERATION

It is expected that the contract shall be a multi-award, term agreement, and shall officially begin on October 1, 2020.

1-4 REJECTION

The right is reserved by the Board of County Commissioners to accept or reject any or all proposals or to waive any informality, existing in any proposal, or to accept the proposal which best serves the interest and intent of this project and is from the most responsive and responsible proposer.

1-5 INQUIRIES

All questions regarding this Request for Proposal shall be directed to Jeffrey Lovingood, Purchasing Coordinator, in writing via email at JDLovingood@myescambia.com.

1-6 ADDENDA

Any changes made in the Request for Proposal shall be brought to the attention of all of those who have provided the proper notices of interest in performing the services.

1-7 SCHEDULE

The following schedule shall be adhered to in so far as practical in all actions related to this procurement:

A. Mailing (Advertisement) Date……..….August 21, 2020

B. Last Date for Questions…….September 01, 2020 at 5:00 PM CDT

C. Receipt of Proposals.....September 04, 2020 at 2:00 PM CDT

D. Ranking Meeting.....September 09, 2020

E. Target Board Date…..……....September 17, 2020

F. Projected Start Date……..…….October 01, 2020

1-8 PRIME CONTRACT RESPONSIBILITIES

The selected contractor shall be required to assume responsibility for all services offered in their proposal. The selected contractor shall be the sole point of contact with regard to contractual matters including payments of any and all changes resulting from the contract.

1-9 DISCLOSURE

All information submitted in response to this RFP shall become a matter of public record, subject to Florida Statutes regarding public disclosure.

1-10 DELAYS

The Project Director reserves the right to delay scheduled due dates if it is to the advantage of the project.

1-11 WORK PLAN CONTROL

Control of the work plan to be developed under the RFP shall remain totally with the Escambia County Board of Commissioners.

PART II INFORMATION REQUIRED FROM CONTRACTORS

ALL PROPOSALS SHALL INCLUDE THE FOLLOWING: TECHNICAL AND COST PROPOSAL

2-1 PROPOSAL FORMAT AND CONTENT

All Proposers shall provide a straightforward and concise description of their ability to meet the RFP requirements.

All RFP documents (excluding the Excel Spreadsheet) shall be contained in a single PDF- or Microsoft Word-type document. The Excel Spreadsheet will also be returned complete as a single document.

There shall be avoidance of fancy bindings and promotional material within. The proposal shall clearly show the technical approach to include work tasks, estimated time phasing and the proposed approach rational. All proposals submitted in a sealed envelope shall be in spiral binding or "GBC" type binder with all pages 8.5" x 11" format. The County discourages overly lengthy or costly proposals.

2-2 INTRODUCTION

Proposals shall include the complete name and address of their firm and the name, mailing address, and telephone number of the person the County should contact regarding the proposal.

Proposals shall confirm that the firm will comply with all of the provisions in this RFP; and, if applicable, provide notice that the firm qualifies as a County proposer. Proposals shall be signed by a company officer empowered to bind the company. A proposer's failure to include these items in their proposals may cause their proposal to be determined to be non-responsive and the proposal may be rejected.

2-3 UNDERSTANDING OF THE PROJECT

Proposers shall provide a comprehensive narrative statement that illustrates their understanding of the requirements of the project and the project schedule.

2-4 METHODOLOGY USED FOR THE PROJECT

Proposers shall provide a comprehensive narrative statement that sets out the methodology they intend to employ and that illustrates how their methodology will serve to accomplish the work and meet the County's project schedule.

2-5 MANAGEMENT PLAN FOR THE PROJECT

Proposers shall provide a comprehensive narrative statement that sets out the management plan they intend to follow and illustrates how their plan will serve to accomplish the work and meet the County's project schedule.

2-6 EXPERIENCE AND QUALIFICATIONS

Provide an organizational chart specific to the personnel assigned to accomplish the work called for in this RFP; illustrate the lines of authority; designate the individual responsible and accountable for the completion of each component and deliverable of the RFP. It is understood by the County that staff may need to be hired to accomplish the tasks required. Firms shall provide an organizational chart and narrative description of the organization of the project team.

Provide a personnel roster that identifies each person who will actually work on the contract and provide the following information about each person listed.

[a] Title,

[b] Résumé,

[c] Location(s) where work will be performed,

[d] Itemize the total cost and the number of estimated hours for everyone named above.

After delivering an initial proposal in response to this solicitation, all submitters are prohibited from substituting, modifying, or amending those staff or subconsultants identified in the initial written submittal at any time during the course of the solicitation process up to the final award of contract. A substitution of staff or subconsultants, the addition of any subconsultants, or any other material changes to the submittal after the initial response will cause the submittal to be invalid for review and selection purposes.

Provide reference names and phone numbers for similar projects your firm has completed.

It is understood that firms will likely need to hire new staff to perform the duties outlined in this solicitation. For any employees that will need to be hired as a result of this award, please include a job description for the role(s) that will be filled, as well as your companies policies and procedures related to hiring and training.

2-7 COST PROPOSAL

Please see the attached Excel spreadsheet for Proposal pricing information. The Excel spreadsheet provides firms with a list, by zone, of each building/facility to be serviced.

A. Firms shall provide pricing based on the annual cost for servicing each building within a zone, based on a three (3) year agreement with up to two (2) one-year renewals.

B. Proposers are asked to offer complete pricing for each of the eleven (11) zones the firm is willing to service for the mutually agreed upon term noted in **2-7, A.**, above. Proposers are not required to offer pricing for any zone they do not wish to service.

C. **At the discretion of the Selection Committee, firms <u>may</u> be recommended for award by the Board of County Commissioners for zero, one, or multiple zones.** It is therefore imperative that pricing for each zone shall be "stand-alone" pricing representing the true cost to the County of that specific zone. The prices offered for each zone by the Proposer shall not be based on the firm being awarded any other zone. The pricing listed for any zone shall be considered a stand-alone price and the recommended award for such zone shall have no bearing on the recommendation to award any other zone.

D. **The Selection Committee reserves the right to limit the number of zones for which a firm will be recommended for award.**

E. Proposals that do not provide pricing for each building <u>within a zone</u> will result in the zone being considered non-responsive. If the overall proposal is responsive other zones bid will be considered, however, the County cannot select Vendors to service a zone based on incomplete information.

F. Proposer's cost proposals shall include an itemized list of all direct and indirect costs associated with the performance of this contract, including, but not limited to, total number of hours at various hourly rates, direct expenses, payroll, supplies,

overhead assigned to each person working on the project, percentage of each person's time devoted to the project, and profit.

G. In addition to the pricing for each zone, firms are asked to complete the Excel spreadsheet relating to Additional Area Cleaning Cost and Emergency Service Call. These are requested rates for any services outside the standard Scope of Work and shall be completed in full. Incomplete information for Additional Area Cleaning Cost and Emergency Service Call may result in a Proposer's complete bid being deemed non-responsive.

2-8 The Board has requested that each firm provide their status relating to being a minority-, woman-, and/or veteran-owned business. If a firm is using sub-contractors, the Bidder must provide the business status of the sub-contractor.

Additionally, the Board has requested that Bidders provide a breakout of the firm's employees by minority status, as well as the status of employees of any sub-contractor that will be performing the work.

The following are the designations requested:

1. **WOSBE** – Woman-Owned Small Business Enterprise
2. **VOSB** – Veteran-Owned Small Business
3. **SDVSOB** – Service-Disabled Veteran-Owned Business
4. **EDWSOB** – Economically Disadvantaged Woman-Owned Small Business
5. **DBE Certified** – Disadvantaged Business Enterprise
6. **SBA 8(A) Certified** – Small Business Administration program for small businesses owned by socially and economically disadvantaged people or entities.
7. **HUBZone Certified** – Historically Underutilized Business Zone, a federal program to encourage small businesses to locate in and hire employees from economically disadvantaged areas.
8. **Minorities**:
    A. African American
    B. Hispanic
    C. Asian
    D. Native American
    E. Pacific Islander

Please note that a copy of the Escambia County Code of Ordinance related to Small Business Enterprise (Sec. 46-111) and Participation of Minority and Women Business Enterprises (Sec. 46-112) has been included in this document.

PART III CRITERIA FOR SELECTION

3-1 EVALUATION MATRIX

To ensure that all RFP's are fairly evaluated, scored, and ranked, it is particularly important that the RFP's are prepared according to the prescribed format. Failure to follow this requirement may result in the disqualification of the vendor's proposal.

All proposals will be evaluated on the following scale:

		Maximum Point Value
1.	Scope of Services	10
2.	Adequacy of Staffing and Supervision	20
3.	Related Experience	20
4.	Safety Program and Training of Personnel	10
5.	Distance to Sites	20
6.	Proposed Fee Schedule	20
	Total Points Possible:	**100**

3-2 EVALUTATION CRITERIA

The recommendation to award any contract(s) will be based on each firm's responses to the following criteria as addressed in the RFP. References to "Project" in the evaluation criteria are related to potential projects within the services described in this RFP. Please separate the RFP responses into the following categories:

1. Scope of Services

A. Describe your firm's depth of understanding of the work.

B. Clarify your firm's capacity to successfully provide the services required. Additionally, firms shall include their plan for scaling up trained staff in preparation for an October 1, 2020 start date.

C. Include quality assurance procedures to be utilized.

D. Indicate the firm's willingness to work with County staff in the creation and implementation of site-specific work-orders and task plans.

2. Adequacy of Staffing and Supervision

A. Describe the typical organizational structure to be used to staff County facilities and the responsibilities of each staff member.

B. Provide a brief résumé of proposed Site Supervisor(s) and other key positions. No more than one page dedicated to each individual.

C. Provide an organization chart for each Zone and indicate which positions are full- and part-time. Include an organizational chart showing corporate support, if applicable.

D. Provide staff qualifications including job descriptions which indicate minimum qualifications required.

E. The County recognizes that in order to recruit and retain quality personnel, the Proposer may offer a package of benefits including life insurance,

health insurance, and paid leave, among other potential benefits. Please indicate the benefits offered/provided to employees and if the company or employee pays the expense.

F. Indicate the Proposer's plan to minimize turnover and assure the highest rates of retention. Provide a five (5) year history of turnover for all previous contracts.

3. Related Experience

A. List all clients currently under contract.

B. Include information on previous and current experience with commercial contracts of similar size and/or dollar value.

C. Include reference letters from the client on each of the three (3) most closely related agencies or businesses. References are to be specific to the Proposer. The references shall include the company name, address, contact email address and phone number. References shall not include any County employees or members of the Escambia County Board of County Commissioners.

D. Include approximate square footage and cost of contract(s).

E. Provide a summary of any litigation, claim, or contract dispute(s) which have been finalized and/or decided by a Court of Law, which were filed by or against the Proposer in the past five (5) years. Include a summary of the nature of the litigation, claim, or contract dispute, a brief description of the case, the outcome, and the monetary amounts involved.

4. Safety Program and Training of Personnel

Provide a copy of the Proposer's Training Plan to include but not be limited to the following:

A. Management's Safety Policy Statement.

B. Hazard Assessment and Safety Planning processes.

C. Staff training plans for Occupational Safety and Health (OSHA).

D. Plans for the handling and clean-up of blood-borne pathogens.

E. Driver safety training, including golf cart operations.

F. Staff orientation program.

G. On-going training and experience requirements.

H. Data to support the existence and quality of the programs the Proposer brings to the operation with respect to providing a safe and secure workplace.

5. Distance to Sites

Indicate the primary location of the Proposer's office that will have direct responsibility for this contract. If the distance from the project exceeds sixty (60) miles, describe how the project would be effectively managed or what limitations in services, if any, the County might expect as a result of the distance.

6. Proposed Fee Schedule

A. Provide the pricing schedule on the Price Proposal Form (Excel).

B. The proposed rates shall remain firm for the first year of the contract term and shall include all charges incurred in fulfilling the terms of the contract.

C. Each year, on or before January 31, the awarded vendor may request a rate increase.

1) An increase in contract rates will require prior written approval by the County and shall take effect at the next fiscal year or renewal period, if any remain, and if the Board awards the new rate.

2) All increases related to changes in wage law(s) or other applicable laws shall not be retroactive and can only be granted for the upcoming year of service. When wages are affected by changes to the wage law(s), only the specific positions affected by the wage law(s) will be reviewed to determine the increase.

3) Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract approved by the Board of County Commissioners.

3-3 EVALUATION METHOD

The County will appoint a Selection Committee to evaluate proposals and will evaluate and rank all responsive proposals to determine which proposal(s) best meet the needs of the County based on the evaluation criteria. A firm(s) shall then be recommended for award by the Escambia County Board of County Commissioners.

The County may elect to choose to award zero, one, or multiple zones, and may adjust which buildings are within each zone.

The County shall be the sole judge of its own best interests, the proposals, and the approval of any resulting contract. The County's decisions shall be final.

3-4 NON-RESPONSIVE PROPOSALS

Non-responsive proposals will be rejected by the Purchasing Department and may not be distributed to the Selection Committee for consideration. Additionally, the Selection Committee may determine that required submittals/documentation is so inadequate as to be determined to be non-responsive. Non-responsive proposals may include but are not limited to the following:

1. Failure to sign the proposal and failure to have the proposal signed by someone with authority at the firm to sign a binding agreement.
2. Failure to acknowledge addenda (unless all changes are not material to the Scope).
3. Failure to provide required submittals/documentation.
4. Submission of a late proposal.
5. Firm does not meet minimum requirements.

3-5 NOTIFICATION

Upon completion of the evaluation of all written proposals, the Selection Committee will meet on September 09, 2020. At this time, the Selection Committee shall rank then recommend firms for zero, one, or multiple zones.

The Ranking meeting is a public meeting; however, it is not a public-participation meeting. Firms can join by coming to the Office of Purchasing for the Ranking meeting or by attending a videoconference, the link for which will be provided to all responsive proposers.

PART IV SCOPE OF WORK

4-1 SUMMARY

The Contractor shall provide all labor, supplies, and equipment needed to perform required services. The Scope is defined as cleaning and maintaining all interior areas and exterior entrances for the building under contract unless otherwise specified in writing by Facilities Management.

DEFINED TASK: The following tasks defined as general cleaning shall be deemed the "Scope of Work" for the purposes of this solicitation.

4-2 CUSTODIAL CLEANING SPECIFICATIONS

A. Floor Maintenance

Floors shall be cleaned in accordance with the following standards to maintain a safe, sanitary condition, present a pleasing appearance, and provide protection from damage.

1. **Damp Mopping:** A damp-mopped floor shall have an evenly cleaned surface that is free of dirt, dust, hair, mop marks, smears, film, dirt residue, streaks, debris, and standing water. All mop marks on baseboards, doors, and furniture shall be removed. Floors that cannot be cleaned satisfactorily by damp mopping shall be scrubbed.
2. **Scrubbing:** A scrubbed floor shall have an evenly cleaned surface that is free of dirt, dust black marks, and other foreign matter to the floor surface. Wax that has been removed during the scrubbing operation shall be reapplied.
3. **Buffing:** A buffed floor will be done in such a manner that the finish will be evenly distributed on the floor surface. The floor surface shall present an even, clean, and uniform sheen, with no brush marks left upon completion of work. Floors shall be dust mopped, damp mopped, and have black marks removed prior to buffing operation.
4. **Spray Buffing:** A spray-buffed floor shall have received spray applications of wax and sufficient buffing to provide a high gloss finish that blends in with the surrounding floor finish. The floor surface shall be cleaned to remove all dust, dirt, and black marks prior to the buffing operation.
5. **Stripping of Waxed/Sealed Surfaces:** A properly stripped floor shall have all wax/sealer removed down to the flooring material. The floor shall be left free of all dirt and stains.
6. **Waxing:** A properly waxed floor shall have an even coating of slip-resistant wax. The floor shall be clean and bright, including corners and under furniture. Wax shall be buffed to a uniform sheen, leaving no brush marks. If self-polishing wax is used, buffing is not required.
7. **Sealing:** A properly sealed floor shall have an even coating of slip-resistant sealer. The floor shall be clean and bright, including corners and under furniture.
8. **Polishing:** A properly polished floor area shall be free of small objects such as paper clips, staples, etc. This shall include removal of trash and debris of building interior and exterior doorways.

9. **Vacuuming:** A properly vacuumed floor, carpet, elevator, and stairway shall be free of all dust, dirt, cobwebs, grit, and lint. This includes debris in corners, behind doors, and under furniture (except permanently positioned items, such as built-in, safes or file cabinets). Removal of chewing gum or other foreign matter is considered part of vacuuming process.

10. **Detailing:** Properly detailed carpeting shall be vacuumed with edging tools around edge of carpet, desk legs and other areas inaccessible to equipment. This process shall be done at the time of each vacuuming or cleaning.

11. **Steam Cleaning:** Properly steamed carpet shall be free of dirt, streaks, stains, and spots.

12. **Spot Cleaning:** All floor and carpet areas spot cleaned shall be free of all stains, deposits, and cleaning marks.

13. **Rug and Carpet Care:** A properly cared for carpet shall be free of dirt, streaks, stains, spots and have a bright uniform color.

14. **Interior Concrete, Brick, and Ceramic Tile Floor Care:** Properly cared for concrete, brick and ceramic tile floors shall be free of streaks, stains, black marks, spots, gum, and other foreign matter to floor surfaces and shall have a bright, uniform color and appearance. Waxing of concrete and ceramic tile floors is prohibited.

15. **Baseboard Care:** All baseboards shall be kept clean and free of dust, dirt, splash marks and other matter foreign to the surface. Baseboards should be free of wax buildup at VCT floors.

B. Building Surfaces Maintenance

Building surfaces shall include doors, elevators, interiors, shelves, walls, trim, woodwork, handrails, stair rails, banisters, baseboard, frames, windowsills, ledges, and other horizontal surfaces.

1. **Vacuuming/Dusting** – A properly vacuumed/dusted surface is free of all dust, dirt, streaks, lint, and cobwebs.

2. **Washing** – Properly washed doors, walls, trim, woodwork, shelves, baseboards, handrails/stair rails, including their component parts, shall be clean and free from all dirt, dust, film streaks, smudges, lint, cobwebs, and debris.

3. **Damp Wiping** – Surfaces properly damp wiped shall be free of dirt, dust, marks, film, streaks, smudges, lint, cobwebs, and other debris.

4. **Horizontal Surfaces(s) Care** – Properly cared for horizontal surfaces shall be free of all dust, dirt, streaks, lint, and cobwebs.

5. **Metal Cleaning and Polishing** – Properly cleaned and polished metal surface(s) shall be clean and bright without deposits or tarnish. Metal cleaner shall be promptly removed from adjacent surfaces.

6. **Spot Cleaning** – Surfaces adequately spot cleaned shall be free of all stains, deposits and substantially free of cleaning marks.

3. Prohibit employees from disturbing papers on desk (must dust/clean around items on desk), opening desk drawers and cabinets, or using the telephones, computers, or office equipment provided for County use.
4. Require employees to comply with instructions pertaining to conduct and building rules and regulations.
5. Ensure employees do not have access to buildings or County property unless on official duty.
6. Conduct a national criminal background check on all prospective employees before hire for the County premises. The contractor will reject any person whose criminal background demonstrates he/she failed to report criminal convictions accurately on the contractor's employment application form. Any person having a conviction for a felony involving theft, burglary, embezzlement, violence, or moral turpitude under the laws of Florida or any other state, within the 10 years immediately preceding the date of his/her employment will be forbidden to be employed by the contractor for County. All provision of Chapter 435 F.S. must be followed.

   Once the firm's background check is complete, any of the firm's employees being asked to work in a secure location are required to have a County-provided background check.
7. Ensure all applicable employment laws are followed.
8. Provide adequate supervision of employees to ensure complete and satisfactory performance of all work in accordance with the resulting contract. When work is performed, supervision should be onsite and available at all times. Supervision shall be fully and adequately trained, with experience in cleaning supervision, sufficient in scope to meet the approval of County's representative. Supervision shall be responsible for hiring, training, equipping, directing, discharging, and issuing uniforms for all

custodial services personnel. Supervision shall also be responsible for monitoring the work order management software or email to ensure work orders are completed in a timely manner.

9. Provide, for approval by the County, a chain of command for management and supervision for all contractor staff at each location. The contract shall provide County's representative written list of all key employees and should update upon changes.

10. Report all stopped drains, broken fixtures, glass, burnt out lights, and other facilities maintenance needs to the County representative on the established computerized maintenance request.

11. Notify the County of any observed irregularities (i.e., defective plumbing, unlocked doors, lights left on, etc.) The Contractor shall be responsible for turning off all lights when not needed for the cleaning that room, and all lights are to be turned off at the end of the shift. The Contractor shall provide a quality assurance review report and meet with the County representative monthly or as requested to discuss service quality assurance reviews report. These meetings shall be held at a mutually agreeable time.

12. Take all steps necessary to protect the public and nearby property from damage during custodial activities. Any damages to the County property as a result of the vendor must be remedied by the awarded vendor.

13. Ensure all doors are to remain shut and then locked after cleaning.

14. Ensure all keys shall be maintained in accordance with the County key procedure. Any lost keys will be paid for by the contractor. Any rekeying of buildings necessitated by keys being lost by contractor will be paid for by contractor.

15. Schedule sufficient staff at no extra charge for County special events which shall include but not be limited to cleaning as may be required from time to time. The County will notify the Contractor at least twenty-four (24) hours prior to requirement.

16. Maintain a Material Data Safety Sheet (MSDS) file on all chemical and cleaning agents used in the performance of this contract. A copy of MSDS's shall be provided to the Facilities Management Branch prior to its use. Green products are highly encouraged to be used for the appropriate applications.

17. Responsible for lost or stolen keys and security proximity cards issued to them. They may be financially responsible for reimbursement to the County for the replacement of any keys, cards, or locks due to the loss or theft. The Contractor shall maintain a key log of all of its locations and their employees that have been issued keys and cards to County buildings. Facilities Management may request a copy of the key log at their discretion. Key Boxes may be utilized in specific buildings to insure key control.

18. Willing to make accommodations to clean sensitive areas at specific days and times if requested by the building occupants. This may require being escorted and/or providing the services during the occupant's normal business hours.

19. The Contractor shall be made available to clean the Board of County Commissioners chambers and surrounding areas after all scheduled meetings.

20. In the event that the County requests additional project assistance or special services outside the scope of this contract, the Contractor shall provide such extra labor on an hourly rate basis, not including materials. All such work shall be performed outside of, and exclusive of, the normal scope of scheduled services.

B. COST INCREASES

Any annual cost increase request must be submitted to the Director of Facilities Management by February 1st for the following annual term. The increase will only be granted under the following conditions, an increase in the CPI measured as the annual rate for the previous 12 months, regionally adjusted and an increase to minimum wage. These factors will be reviewed independently and will not be submitted as a combined % requested increase. A percent increase in CPI shall only be requested on the non-labor portion of the contract. For a request due to minimum wage increase, the contractor must supply documentation of the employee wages and outline which employees will be affected by the minimum wage increase.

C. ADDITIONS/DELETIONS

The County reserves the right to add or decrease buildings and square footage under the same terms, specifications, and conditions of this contract. The rates for the new areas will be quoted by the Contractor for County approval and shall be based on the cost per square foot as bid for the same or similar building. This includes when there is an increase or decrease to the number of cleaning days.

D. COMPLAINTS

Customer complaint records will be maintained by the County representative(s). For each customer complaint, the County representative shall document the incident and report it immediately to the Contractor. The County representative will then investigate the complaint, accompanied by the Contractor's representative, if the Contractor desires. If the complaint is found to be legitimate, it will be labeled as a "valid complaint." For every one "valid complaint" documented for the month, one-tenth percent (1/10%) of the monthly invoice amount will be deducted from the Contractor's payment for that same month as a penalty. For example, if twenty (20) complaints are found to be "valid complaints" during that same month, then a total of two percent (2%) will be deducted from the Contractor's payment for that month resulting from customer complaints. Leaving doors unlocked and not arming or disarming alarms systems properly that results in a false alarm is an example of a valid complaint. Any costs assessed to the County for excessive false alarm responses by local law enforcement agencies attributable to failed performance will be the financial obligation of the Contractor. Not having soap in the dispensers is another example of a valid complaint.

4-6 SUPPLIES, CHEMICALS, AND EQUIPMENT

The Contractor shall furnish and maintain all the necessary equipment, cleaning chemicals and supplies required for proper maintenance as described in these specifications and to meet all local fire codes for storage of cleaning agents and solvents. The County is not

responsible for any repairs, maintenance, or replacement of inoperable equipment. The contractor shall be responsible for any replacement equipment required.

The Contractor will provide with his/her proposal a list of the chemicals and supplies that will be used to perform the work under this contract. OSHA Material Safety Data Sheets (MSDS) are required for all chemicals and cleaning products and shall be supplied to the County at the time of product introduction. In addition, all MSDS shall be maintained on-site and updated on a quarterly basis. The County shall be notified in writing each quarter ten (10) business days prior to updates and one (1) full copy of the most current MSDS shall be furnished to the County.

The Contractor will display the MSDS sheets, in English and Spanish, in each custodial closet where the cleaning products are stored. All bottles are to be labeled properly listing all ingredients. The Contractor is responsible for training its employees on how to read the MSDS and to follow instructions for both use of product and responding to a spill or ingestion of product. The Custodial Manager or designee will conduct periodic inspections of cleaning supply cabinets and MSDS books to ensure cleanliness, proper labeling of chemicals, documentation of supplies stored on County property, and compliance.

The Contractor will identify their efforts in the green cleaning movement. Green cleaning is a widely accepted movement that uses procedures and products that consider the health of the building occupants, custodians, and the environment.

The following minimum supplies, chemicals and equipment shall be provided/supplied by the Contractor (NOTE: The County reserves the right to approve all supplies, chemicals and equipment used at the County facilities prior to their use).

Soap for dispensers	Anti-Bacterial Hand sanitizer for dispensers
Toilet tissue (2-ply)	Roll towels and Multi-fold towels
Sanitary toilet cover sleeves	Plastic trash liners (inside/outside receptacles)

Contractor will replace all broken dispensers as needed and provide additional dispensers when determined necessary.

Escambia County focuses on providing safe, effective, and environmentally friendly products in all of their buildings. Green seal certified products are highly encouraged when deemed appropriate and effective for the task.

Vacuum cleaners shall be required to have a HEPA filtration system.

All disinfectant agents and chemicals used by the contractor in the cleaning process shall be bactericidal, fungicidal, viricidal and tuberculocidal, in accordance with appropriate laws & guidelines. Green seal certified products are highly encouraged to be used for the appropriate applications.

All carpet shampooing and stripping and waxing of floors will be performed after hours, on weekends or holidays, unless other specific arrangements have been approved by Facilities Management. This additional work will be invoiced separately and written authorization by Facilities Management will accompany the invoice for payment. No additional work shall be performed without prior written authorization.

It is the responsibility of the Contractor to ensure that all cleaning products are compatible and appropriate for the surfaces to be cleaned. The Contractor will be held responsible for the repair or replacement of any surfaces or items found to be damaged by the improper use of any product it provides.

4-7 SAFETY REQUIREMENTS

All work procedures, materials and supplies and all equipment provided to each employee must meet all Occupational Safety and Health Administration (OSHA) and American National Standards Institute (ANSI) standards. The Contractor shall be responsible for annual safety training for employees in Florida's Right to Know, OSHA Blood borne Pathogens and Center for Disease Control (CDC) Blood borne Pathogens information, and Environmental Protection Agency (EPA) hazardous waste disposal training. Proof of training will be provided to the County.

All equipment used by the Contractor shall be maintained in safe operating condition at all times, free from defects or wear which may in any way constitute a hazard to any person or persons on County property. Vacuum cleaners must be HEPA filtered at 99.97% efficient at 0.3 microns. All electrical equipment will be properly grounded. No internal combustion driven equipment or propane floor machines will be approved for use in County facilities. All employees will wear proper personal protective equipment while working on County property.

The Contractor shall not permit placing or use of mops, brooms, or equipment in traffic lanes or other locations in such a manner as to create safety hazards, and shall provide appropriate warning signs for slippery floor areas caused by cleaning or floor finishing operations. The Contractor's employees shall be required to interrupt their work at any time to allow passage of personnel.

4-8 INSPECTION CRITERIA

Inspection records will be maintained by the County representative(s).

Rooms/areas and exterior areas will be selected by and inspected each month.

The Counties representative(s) will evaluate restrooms/gym rooms as "acceptable" or "unacceptable" using the following criteria:

A. Presence of adequate two (2) ply toilet paper, paper towels, sanitary toilet sleeves, soap, and/or anti-bacterial hand sanitizer.

B. Absence of soil, stains, and rust on toilet room fixtures, drains, traps, faucets, soap and paper dispensers, stalls, mirrors, ledges and drinking fountains

C. Absence of dust on horizontal and vertical surfaces of floors, walls, ledges, furniture, and equipment

D. Absence of litter and trash on floor and horizontal surfaces of equipment

E. Absence of finger marks and spots and soil build-up on walls, partitions, doors, dividers, etc.

F. Absence of encrustation, soil, and wax build-up on floors, particularly in corners, along edges and baseboards, around door jambs, and around fixture and equipment bases

G. Absence of soil, litter, dust, and encrustation in trash containers

H. Absence of soil and dust on window blinds, shades, sills, frames, and ledges

I. Absence of other visible soil and cobwebs on horizontal surfaces including ceilings

J. Absence of soil, litter, dust and spots from all mats and floors

K. Absence of streaks, spots, stains from all bright work, where appropriate - All bright

works shall be polished dry to a high sheen

L. All other contract provisions.

If item #1 is found to be unacceptable, the restroom will be deemed “unacceptable.” If a total of four (4) of the other items are found unacceptable the restroom will be deemed “unacceptable.” If two (2) or more of the same items are found unacceptable in more than half of the rooms inspected in one month, a sustenance problem will be deemed to exist. This condition will require the Contractor to determine the cause and take corrective measures.

The County representative(s) will evaluate non-restrooms as “acceptable” or “unacceptable” using the following criteria:

A. Absence of dust on horizontal and vertical surfaces of floors, walls, ledges, furniture, HVAC vents and equipment

B. Absence of litter and trash on floor and horizontal surfaces of equipment

C. Absence of finger marks and spots and soil build-up on walls, partitions, doors, dividers, etc.

D. Absence of encrustation, soil, and wax build-up on floors, particularly in corners, along edges and baseboards, around door jambs, and around furniture and equipment legs and bases

E. Absence of soil and stains on fixtures, drains, traps, faucets, soap and paper dispensers, mirrors, ledges and drinking fountains

F. Absence of dust, spots, soil build-up and encrustation on furniture and equipment surfaces and legs

G. Absence of dust, lint, and litter on upholstered furniture

H. Absence of soil, litter, dust and encrustation in ash trays, urns, wastebaskets, and trash containers - Trashcan liners shall be new and urn sand in good condition

I. Absence of marks, spots, stains and streaks on interior and exterior entrance doors and all glass windows

J. Absence of soil and dust on window blinds, shades, sills, frames, and ledges

K. Absence of other visible soil and cobwebs on horizontal surfaces including ceilings

L. Absence of soil, litter, dust and spots from all carpets, mats, and floors

M. Absence of streaks, spots, stains from all bright work and stainless steel, where appropriate - All bright work shall be polished dry to a high sheen

N. Empty or nearly empty trashcans and pencil sharpeners (depending on time of day)

O. Absence of interior walk-off mats by all entrance/exit doors.

If a total of five (5) items are found to be unacceptable, the non-restroom will be deemed “unacceptable.” If two (2) or more of the same items are found unacceptable in more than half of the rooms inspected in one month, a sustenance problem will be deemed to exist. This condition will require the Contractor to determine the cause and take corrective measures.

For every one (1) “unacceptable” room rating in a month, one percent (1%) of the monthly invoice amount will be deducted from the Contractor’s payment for that same month as a penalty. For example, if ten (10) rooms are found to be “unacceptable” in one month, then ten percent (10%) of the monthly invoice amount will be deducted from the Contractor’s payment for that month resulting from “unacceptable” room ratings.

All unacceptable rooms will be re-inspected for compliance. A repeat “unacceptable” rating will cause an additional one percent (1%) to be deducted from that month’s payment.

Sec. 46-110. - Local preference in bidding.

(a) *Legislative intent.* The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the county's overall tax base.

(b) *"Local business" defined.*

Local business. For purposes of this section, "local business" shall mean a business which meets all of the following criteria:

(1) Has had a fixed office or distribution point located in and having a street address within Escambia County or Santa Rosa County for at least one year immediately prior to the issuance of the request for competitive bids by the county. The fixed office or distribution point must be staffed by at least one employee. Post office boxes are not verifiable and shall not be used for the purpose of establishing a physical address;

(2) Holds any business license required by Escambia County or Santa Rosa County; and

(3) Is the principal offeror who is a single offeror; a business which is the prime contractor and not a subcontractor; or a partner or joint venturer submitting an offer in conjunction with other businesses.

(c) *Certification.* Any vendor claiming to be a local business as defined above shall so certify in writing to the office of purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certifications, and shall have the sole discretion to determine if a vendor meets the definition of a "local business."

(d) *Preference in purchase of commodities and services by means of competitive bid.* Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive bid (local price match option). Each formal competitive bid solicitation (i.e., sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.00, and the bid submitted by one or more qualified and responsive local businesses is within five percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated community redevelopment area (CRA) is within seven percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.00, and the bid submitted by one or more qualified and responsive local businesses is within three percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within five percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within two percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within four percent of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the office of purchasing within five business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the board of county commissioners.

(e) *Notice.* All bid solicitation documents shall include notice to vendors of the local preference policy.

(f) *Waiver of the application of local preference.* The application of local preference to a particular purchase or contract for which the board of county commissioners is the awarding authority may be waived upon approval of the board of county commissioners.

(g) *Limitations.*

(1) The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

(2) The provisions of this section shall not apply where prohibited by federal or Florida law or where prohibited under the conditions of any grant.

(3) The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

(4) The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

(h) *Penalties.*

(1) *Misrepresentation.* A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the county will lose the privilege to claim local preference status for a period of up to one year from the date of the award of the contract or upon completion of the contract whichever is greater. The county administrator, in his discretion, may also recommend that the firm be referred for suspension of eligibility to claim the privilege of local preference.

(2) *Failure to maintain local business preference qualifications.* Any vendor that does not maintain its local

preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

(3) *Lack of good faith.* The contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the county determines that the contractor or firm did not act in good faith, all amounts paid to the contractor or firm under the county contract intended for expenditure with the local business shall be forfeited and recoverable by the county. In addition, the contract may be rescinded and the county may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

(Ord. No. 2013-43, § 2, 9-16-2013; Ord. No. 2016-9, § 2, 1-21-2016)

Sec. 46-111. - Small business enterprise program.

(a) *Purpose and intent of section.* The purpose and intent of this section is to provide the maximum opportunity for increased participation of qualified small businesses in the county's procurement system.

(b) *Definitions.* The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

Commercially useful business function means adding value to the goods and services supplied under a contract. A small business is considered to perform a commercially useful business function when it is responsible for execution of a distinct element of work of a contract or transaction and carrying out its responsibilities by actually performing, managing and supervising the work performed. Businesses who merely act as a conduit do not perform a commercially useful business function and will not be eligible for certification as a SBE. In determining whether a business performs a commercially useful business function, consideration will include, but not be limited to, whether the business adds a value to the product or service provided; whether the business has a distributorship agreement with the manufacturer of goods supplied; whether the business takes possession of the product or service provided; whether the business warrants the product or service provided; whether the business maintains sufficient storage space to keep the product in inventory; whether the business maintains sufficient inventory to meet the requirements of its contracts; whether the business provides the product or service to the public or other business other than a governmental agency.

SBE means a small business enterprise certified by Escambia County.

(c) *Scope.* Unless otherwise prohibited by federal or state law, this chapter shall apply to the solicitation of all goods, services and construction by the county which are governed by the county purchasing code. Whenever possible, the county shall utilize a solicitation process which encourages SBE participation even on those items which are exempted from the requirements of the purchasing code.

(d) *SBE program goals.*

Annual goal: The cumulative annual SBE goal shall be up to 15 percent of the total annual expenditures for operating and capital costs for the current fiscal year as calculated in accordance with county SBE program policies and procedures. The cumulative annual SBE goal may be adjusted annually by the board of county commissioners.

(e) *Certification.*

(1) *Requirements.* For the purposes of this section, the following certification requirements shall govern:

a. The business must currently perform a commercially useful business function;

b. The business must be a local business as defined in section 46-110;

c. The business must be an independently owned and operated, for-profit entity;

d. The business may employ ten or fewer full time employees; and

e. The business may have a net worth of not more than $1,000,000.00.

(2) *Application procedure.* All applicants wishing to be considered as certified businesses for the benefits of the SBE program must complete the small business self certification form which can be obtained through the office of purchasing. This is a self-certification process and shall require a signed affidavit attesting to the accuracy of the data provided on the form.

(3) The purchasing department shall accept SBEs for use by the county in its purchasing and procurement process based upon the eligibility requirements provided herein. The purchasing department shall maintain an up-to-date electronic list of SBEs, and encourage the use of this list by all departments in their procurement activities.

(4) Any change of ownership or circumstances that may affect certification eligibility of an SBE must be reported to the purchasing department within 30 days of the change taking place. In the event of a change, the current owner is responsible for fulfilling this reporting requirement prior to seeking business with the county.

(5) *Recertification.* Certified SBEs are required to submit an affidavit of their continued eligibility as a SBE every year. If there has been a change in operation, ownership, control, activities, domicile or gross receipts, the SBE must identify such change on their application for recertification. A company that fails to submit its affidavit of continued eligibility will no longer be deemed certified for purposes of participation in the small business program.

(6) *Decertification.* If during any period of certification, the county has reason to believe that the SBE was not properly certified or that there has been a substantial change of ownership or circumstances that may affect certification eligibility then the county administrator may conduct an investigation and decertify an SBE if the investigation indicates that continued certification would be contrary to the county's SBE program requirements. The county administrator shall notify the SBE by certified mail that it has been decertified. Any business that is decertified may not be recertified for one year from the date of decertification.

(7) *Appeal of decertification.* Any business that believes it was wrongfully denied certification may submit a written request with the office of purchasing to appeal the decertification. The appeal shall be filed within 20 days of receipt of the notice of decertification. The request for appeal shall state with particularity the reasons why the business believes the denial was erroneous.

(8) *Hearing on appeal of decertification.* If an appeal is requested, an administrative review will be conducted by the county administrator, or designee, within 45 days of receipt of the notice of appeal. Upon review, the county administrator, or designee shall take one of the following actions:

a. *Grant the appeal.* If a determination is made that decertification was contrary to county's SBE program requirements, the appeal shall be granted and the business recertified;

b. *Deny the appeal.* If a determination is made that certification would be contrary to the county's SBE program requirements, the appeal shall be denied and the applicant may request that the matter be referred to a special master for further proceedings in accordance with subsections 46-102(4)—(7); or

c. *Refer the appeal to a special master.* If no administrative determination is made, the matter may be referred to a special master for further proceedings in accordance with subsections 46-102(4)—(7).

(f) *False representation.*

(1) It is unlawful for any individual or entity to knowingly submit false information in order to qualify for SBE certification.

(2) Any contractor that falsely represents to the county that it is an SBE, or knowingly submits false information or represents that it will use the services or commodities of an SBE and subsequently does not, shall be deemed in breach of contract. Upon a determination that a breach has occurred, all payments under the contract or

any other arrangement shall be immediately suspended. The contractor may show that it attempted in good faith to comply with the terms of the contract but was unable to comply. If the county determines that the contractor did not act in good faith, all amounts paid to the contractor under the county contract or agreement intended for expenditure with the SBE shall be forfeited and recoverable by the county. In addition, the contract or agreement may be rescinded and the department or division may return all unused goods received and recover all amounts paid under the contract.

(3) Any contractor or affiliate determined to have falsely represented that it or a subcontractor is an SBE, or determined to have not acted in good faith to fulfill the terms of a contract calling for it to use the services or commodities of an SBE, will be considered under the county's suspension and debarment policy.

(g) *Reservation of contracts.*

(1) Unless otherwise prohibited by federal or state law, the county may reserve contracts to be awarded only to SBEs. The county may review all of its needs and requirements in each fiscal year and the board of county commissioners may determine which contracts may be reserved for bidding only by SBEs. This reservation may only be used when it is determined, before dissemination of the request for proposals or invitation to bid, that there are capable, qualified, SBEs available who are interested and willing to bid on these contracts in order to provide for effective competition. Once a decision has been made to reserve a contract, the county shall estimate what it expects the dollar amount of the contract to be based on the nature of the contract and its value under prevailing market conditions. If all the bids received are over this estimate, the county may reject the bids and open the bidding to all vendors and contractors. Before contracts can be reserved for bidding only by SBEs, the board of county commissioners must determine that such a reservation is in the best interest of the county.

(2) Unless otherwise prohibited by federal or state law, the county may reserve any construction contract for competitive bidding for contractors who agree to utilize SBEs as subcontractors or subvendors. The percentage of funds which must be expended with SBE subcontractors shall be determined by the county before the contract is reserved. In order to bid on a construction contract so reserved, the contractor shall identify those SBEs that will be utilized as subcontractors or subvendors. Once a decision has been made to reserve a contract, but before bids are requested, the county shall estimate what it expects the amount of the contract to be based on the nature of the contract involved and its value under prevailing market conditions. If all the bids received are over this estimate, the county may reject the bids and open the bidding to all vendors and contractors. It is the express responsibility of the contractor to verify that all SBEs that will be utilized as subcontractors or subvendors are currently certified by the county.

(h) *SBE preference.*

(1) The county may award a bid preference on any single bid, as provided in section 46-110, to a certified SBE.

(2) SBE preference does not apply to contracts that are reserved in accordance with this section. Preferences as provided in this chapter may not be combined. Only one preference may be awarded on any single solicitation to any certified SBE or contractor. Any SBE bid preference awarded pursuant to this section shall take priority over any local business bid preference that may apply to any single solicitation.

(i) *Responsiveness of bids—good faith efforts.*

(1) Every competitive bid, if not submitted by a SBE, must demonstrate good faith efforts to utilize SBEs as subcontractors or subvendors.

(2) The county may consider written documentation submitted with the bid package in determining whether a contractor has made one or more good faith efforts including, but not limited to:

a. Whether the contractor attended any presolicitation or prebid meeting that was scheduled by the county to inform SBEs of contracting and subcontracting opportunities;

b. Whether the contractor advertised in a general circulation, trade association, and/or SBE focus media

concerning the subcontracting opportunities;

c. Whether the contractor provided written notice to a reasonable number of SBEs that their interest in the contract was being solicited in sufficient time to allow the SBE to participate effectively;

d. Whether the contractor followed up initial solicitations of interest by contacting SBEs to determine whether a SBE is interested;

e. Whether the contractor selected portions of the work to be performed by SBEs in order to increase the likelihood of meeting the SBE goals of the county, including, where possible, breaking down contracts into economically feasible units to facilitate SBE participation;

f. Whether the contractor negotiated in good faith with interested SBEs, not rejecting SBE as unqualified without sound reasons based on investigation of their capabilities;

g. Whether the contractor made efforts to assist interested SBEs in obtaining bonding, lines of credit, or insurance required by the county and/or the contractor; and

h. Whether the contractor effectively used the services of available small business community organizations; small business contractors' groups; local, state, and federal business assistance offices; and other organizations that provide assistance in the recruitment and placement of small businesses.

(3) The county may waive the good faith requirement for procurement where sub-contracting is not applicable or in order to ensure adequate competition.

(j) *SBE assistance program.*

(1) The SBE assistance program is established within the office of purchasing and will report all recommendations and activities associated with the SBE program directly to the county administrator. This program will assist and encourage SBEs to participate in the county solicitation process.

(2) In addition, the purchasing department, in conjunction with the county administrator, shall:

a. Review and comment on any changes to a county policy, rule or regulation relating to SBE procurement;

b. Receive, compile and disseminate information on procurement opportunities, availability of SBEs and available technical assistance;

c. Refer all information on any business suspected of misrepresenting its SBE status to the county administrator's office;

d. Maintain a central list of certified SBEs and provide it upon request; and

e. Host, not less than annually, a workshop to assist small businesses located in Escambia County to obtain SBE certification and to do business with the county.

(k) *Implementation of policy.* In order to systematically augment a viable SBE component within the county's purchasing and procurement system, the purchasing manager shall be delegated the following powers and duties to fulfill their responsibilities and functions:

(1) Establish and compile a system of coordinated, uniform procurement policies, procedures, and practices supporting the SBE program.

(2) Encourage the use of SBEs in county contracting and procurement for goods, services and construction that may be provided or performed by SBEs and strive to achieve the stated SBE annual program goal.

(3) Manage and maintain the information system or other automated interface with the county's finance system to record and measure the use of SBEs in county contracting. This system shall maintain information and statistics on SBE participation, in order to analyze the progress of the SBE program.

(4) Provide an annual written report to the county administrator detailing disbursements made to SBEs for goods, services and construction.

(Ord. No. 2013-52, § 2, 12-5-2013; Ord. No. 2014-29, § 1, 7-24-2014)

Sec. 46-112. - Participation of minority and women business enterprises.

(a) *Policy statement.* The county is committed to providing equal opportunities to minority and women business enterprises and strives to improve the opportunities and participation of such businesses in the public procurement of goods and services by the county. Pursuant to this policy, the county shall hereby establish procedures to encourage the participation of minority and women owned businesses in the public procurement of goods and services by the county. Nothing in this section shall be construed to provide for or require any preference or set-aside based on gender, race, or national origin.

(b) *Definitions.* For the purpose of this section, the following terms shall have the following meanings:

Minority shall mean any of the following groups:

(1) African American persons having origins in any of the black racial groups in Africa;

(2) Hispanic American persons of Spanish or Portuguese culture with origins in Mexico, South America, Central America, or the Caribbean, regardless of race;

(3) Native American persons including those residing in the U.S. or its territories, who are descendants of any Indian tribe with origins in the North and South American continents and other islands or lands to include the countries of the U.S., Canada, and Mexico;

(4) Asian American persons having origins in any of the original peoples of the Far East, Southeast Asia, Indian Subcontinent, or Pacific Islands.

Minority business enterprise (MBE) shall mean any business which is at least 51 percent owned and operated by minority members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by minority members.

Women business enterprise (WBE) shall mean any business which is at least 51 percent owned and operated by women members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by women members.

(c) *Certification.*

(1) *Requirements.* For the purpose of this section, the following certification requirements shall govern:

a. The business is a MBE and/or WBE as defined in this section.

b. The business meets the requirements provided in section 46-111(e)(1).

c. The business is legally structured as required by Florida law and, if applicable, in good standing with the Florida Secretary of State.

(2) *Procedure.* All applicants wishing to be considered as certified MBE/WBE(s) must complete a small business enterprise program certification application form which may be obtained through the office of purchasing. This is a self-certification process and shall require a signed affidavit attesting to the accuracy of the data provided on the form. Proof of current certification as a minority and/or women business enterprise by the Florida Office of Supplier Diversity may be accepted in lieu of other supporting documentation. Certified M/WBEs shall submit an affidavit of continued eligibility on an annual basis.

(d) *Implementation.* In an effort to implement this policy, the county may undertake the following measures:

(1) Designate the purchasing manager to administer this policy.

(2) Maintain a central list of certified M/WBEs.

(3) Manage and maintain the information system or other automated interface with the county's finance system to record and measure the use of M/WBEs in county procurements.

(4) Utilize outreach programs to identify and educate M/WBEs about the county's procurement process.

ADDENDUM NUMBER 1:

Re: PD 19-20.092 Re-Solicit Custodial Services for Various County Facilities

All:

Your firm recently received a Request for Proposals for the above-mentioned specification. This Addendum Number 1 provides for information related to the current vendor.

The current vendor is American Facilities Services, and has been since October 2011. This solicitation is being issued because the current agreement has expired, and the County is required to solicit competitive bids. Additionally, the previous agreement did not allow for multiple vendors to be awarded as the current solicitation offers.

The Bid Tabulations from two previous solicitations have been attached, however, the Scope of Work from previous solicitations is not at all comparable to the current Scope of Work being requested. Firms are strongly encouraged to not utilize past pricing to determine current or future bids.

Per Florida Statute 119.071(b)(3), bids from the most recent solicitation, PD 19-20.065, will not be available until after the current solicitation is awarded or 12 months have passed from the rejection of bids, which occurred on August, 17, 2020, whichever comes first.

This Addendum Number 1 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photocopy this form for your records.

Sincerely,

Jeffrey D. Lovingood

Re: PD 19-20.092 Re-Solicit Custodial Services for Various County Facilities

Q1. Can the vendors show the toiletry pricing separately from the service price shown in the proposal?

A1. For the purposes of this solicitation, we ask that the pricing provided in the proposal be an "all inclusive" price that covers everything the vendor will need to perform the service and have the facilities sufficiently stocked.

Q2. Can vendors purchase supplies directly from Escambia County?

A2. At this time, the County does not offer the ability for vendors to purchase supplies from the County.

Q3. On page 27 of 61, Item 2-2, "Proposals shall confirm that the firm will comply with all of the provisions in this RFP." Is there a form to be utilized for this?

A3. Confirmation that a firm will comply with all provisions can be stated anywhere within the proposal. Most firms opt to write a letter of interest as a type of cover page for the proposal. Such a statement can be included in a letter of this type.

Q4. On what page of the RFP is the "Solicitation, Offer, and Proposal Form"?

A4. This form was intentionally left out of the RFP and the language referenced in the question is boilerplate language that is used from one RFP to the next. Please disregard this requirement.

Q5. Page 4 of 61, states that the Proposal Response must include one (1) original and one (1) electronic copy via CD or flash drive OR uploaded via Vendor Registry. Page 14 of 61, Item 4 Proposal Forms states that, "Firms electing to submit original forms shall also provide a complete copy of the bid response via CD or flash drive." Since one original is required per page 4 of 61, this seems to indicate that a complete copy of the bid response via CD or flash drive would also be required, is this correct? Or could the proposal – in its entirety – be submitted via Vendor Registry?

A5. If a firm is submitting a physical proposal document to the Office of Purchasing via mail or courier, an electronic copy shall be included. If a firm is submitting their complete proposal via Vendor Registry, a physical proposal document is not required.

Q6. If some documents are not ADA-compliant, would the proposal be deemed non-responsive?

A6. No. At this time, the County does not require ADA-compliant documents, but we do ask for them to be utilized whenever possible. The County attempts to provide ADA-compliant documents to all those who submit a Sunshine Law information request.

As a reminder, regardless of the means with which the proposal is submitted, all firms shall provide their Bid Surety to the Office of Purchasing prior to the Proposal submittal deadline.

Firms submitting a surety from their insurance provider can upload the surety documents in Vendor Registry and a physical delivery to the Office of Purchasing is not required.

Q7. Page 27 of 61, Item 2-1 states that, "All RFP documents (excluding the Excel Spreadsheet) shall be contained in a single PDF or Microsoft Word-Type document. The Excel Spreadsheet will also be returned complete as a single document."

Page 30 of 61, Item 3-2 asks proposers to, “Please separate the RFP responses into the following categories:” and on page 32 of 61, Item 6, A asks proposers to provide the pricing schedule on the Price Proposal Form.

Should a hard copy of the Cost Proposal (Excel spreadsheet) be included as an item in the submission of the original Technical Proposal? Or should it be submitted in a separate envelope with the other signed forms? Or on its own?

A7. All the proposal documents shall be in a single PDF, and sorted according to the order outlined in Item 3-2.

The physical Excel document can be separate, in either Excel or PDF. Both the proposal (PDF) and the Excel spreadsheet (Excel) shall be on the electronic copy and/or uploaded to Vendor Registry.

Q8. Will the content referred to on page 27 of 61, Part II, 2-3 Understanding of the Project, 2-4 Methodology Used for the Project, and 2-5 Management Plan for the Project be evaluated as part of 1: Scope of Services as outlined on page 30 of 61, Part III, Section 3-2 Evaluation Criteria?

A8. Yes.

Q9. Will the content referred to on pages 27 and 28 of 61, Part II, Section 2-6 Experience and Qualifications, be evaluated as part of 2: Adequacy of Staffing and Supervision and 3: Related Experience as outlined on pages 30 and 31 of 61, Part III, Section 3-2 Evaluation Criteria?

A9. Yes.

Q10. Page 29 of 61, Item 2-8 requests that “Bidders provide a breakout of the firm’s employees by minority status, as well as the status of employees of any subcontractor that will be performing the work.” This item is not referred to as part of the Evaluation Criteria. Under which section of the Evaluation Matrix will this item be considered? Or is this a pass/fail item for meeting minimum requirements?

A10. If it is not listed in the “Selection Criteria,” it is not a selection criterion. The Board has requested information for information purposes.

Q11. Page 50 of 61, paragraph 1, states that, “The Contractor will provide with his/her proposal a list of the chemicals and supplies that will be used to perform the work under this contract.” This item is not listed as part of the Evaluation Criteria. Under which section of the Evaluation Matrix will this item be considered? Or is this a pass/fail item for meeting minimum requirements?

A11. If it is not listed in the “Selection Criteria,” it is not a selection criterion. The department has requested this information for information purposes.

Meeting Date: 11/05/2020
Issue: Contract Award for Re-Solicit Secondary Collections Agency for Public Safety & EMS
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Contract Award for Re-Solicit Secondary Collections Agency for Public Safety & EMS - Jason Rogers, Director, Public Safety, and Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board take the following action:

A. Terminate the Agreement, PD 17-18.028, EMS Collection Services, with Affiliated Creditors, Inc., effective immediately. The Board awarded the Agreement to Affiliated Creditors, Inc., on April 5, 2018. On February 22, 2020, the County was notified by Emerge Law Firm that Affiliated Creditors, Inc., filed for protection under Chapter 11 of the U.S. Bankruptcy Code. The County was subsequently notified on April 30, 2020, that Affiliated Creditors, Inc., filed an expedited motion to dismiss the Case under Section 1112(b) conditionally or alternatively to convert to Chapter 7; and

B. Award and authorize the County Administrator to sign a Revenue Agreement between Escambia County, Florida, and Life Line Billing Systems, LLC d/b/a LifeQuest Services, per the terms and conditions of PD 19-20.094, Re-Solicit Secondary Collections Agency for Public Safety & EMS, for a payment to the firm of 9% of secondary collections which is defined as collections accounts that are more than 120 days and have not received any recovery or collection services outside of Escambia County's EMS Billing Office or their primary collections designee.

Vendor	Funding	Amount	Contract Number

Publicly Noticed_____ Noticed By _____

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to vendors of the local vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and
2. Holds any business license required by Escambia County or Santa Rosa County, and
3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification and shall have the sole discretion to determine if a vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated Community Redevelopment Area (CRA) is within seven percent (7%) of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within three percent (3%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within two percent (2%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within four percent (4%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.
2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.
3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.
4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded, and the County may return all, or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A),
FLORIDA STATUES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And, if applicable, its Federal Employer Identification Number (FEIN) is: _____

If the entity has no FEIN, include the Social Security Number of the Individual signing this

sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

   a. A predecessor or successor of a person convicted of a public entity crime; or

   b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it is not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY, AND THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer' to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Building, 213 Palafox Place, Pensacola, FL, 32502, in a sealed envelope clearly marked:

Specification Number PD 19-20.094, Re-Solicit Secondary Collections Agency for Public Safety/EMS, Name of Submitting Firm, Date and Time Due.

Note: If using a courier service (e.g. FedEx, UPS, US Post Office, etc.) the air-bill and envelope or box must be marked with the specification Number and Project Name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The following policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors, or individuals action on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County official, their agents or employees, or any member of the relevant Selection Committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/ protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the bids/proposals for Invitations to Bid or the Request for Proposal, or Qualification, or Information, or Request for Letters of Interest, or the Invitation to Negotiate, as applicable, are received at the Escambia County Office of Purchasing, and the time the Board awards the Contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees, or any member of the relevant Selection Committee, for or against a specific cause related to a pending solicitation for goods or

services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/disqualification of submittal;

2) Termination of contract; or

3) Suspension or debarment as provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. <u>Scope of Work</u>

The Escambia County Board of County Commissioners is seeking competitive bids from qualified and experienced bidders for the provision and operation of a Secondary Collections Agency. The primary purpose of this Invitation to Bid is to select a firm by choosing the lowest bid among qualified and experienced firms.

A. Technical Requirements

1. The Contractor shall promptly undertake, through ethical and lawful means, the collection of the accounts referred, with particular attention to the Consumer Credit Protection Act, the Fair Credit Reporting Act, the Fair Debt Collection Practices Act, and all other laws applicable to this type of activity.

   a. Escambia County Public Safety/EMS will notify the Contractor of any direct payments and will credit the Contractor with the contractual rate for all such direct payments collected after the Contractor begins active collection efforts. The County will, upon request, verify payments on specific accounts and credit the Contractor as specified above.

   b. The Contractor shall suspend collection efforts on any account referred for collection upon written notice to do so by Escambia County's Contract Administrator or their designee. The Escambia County Public Safety/EMS Department may recall any referred account at no cost to the County except the fees earned up to the moment of recall.

   c. The Contractor shall retain all accounts until the end of the current contract unless specific accounts are requested to be returned to the County by the Contract Administrator or their designee. Such returns shall be made in a format acceptable to the County, including electronic transfer format. All costs associated with the Contractor's ability to return these accounts in a format acceptable to the County shall be the responsibility of the Contractor and shall not be paid by the County.

   d. The Contractor shall document all efforts to collect any specific amount.

e. The Contractor shall not have the right to refuse to collect any account that is referred to the Contractor by Escambia County.

2. The Contractor shall document all efforts to collect any amount and shall maintain accurate records of all services performed, as well as documentation of all revenues collected and remitted to the County for audit by the County. Such records shall be available for inspection and audit without prior notice, by an auditor designated by the County.

3. The County shall have the exclusive rights to prescribe forms which the Contractor shall use to report collection activities and the status of accounts. Additionally, the County shall prescribe the frequency with which all reporting should be provided. The Contractor may make form and frequency recommendations to the Contract Administrator; however, the Contract Administrator shall make all final decisions related to form use and frequency of reporting.

   On a monthly basis, the Contractor shall submit a list of all open accounts with the current status indicated, sorted by the last name on the account. This report will indicate adjustments to each account as requested by the Contract Administrator, as well as all skip-tracing activities and results.

   The following information shall be submitted ass directed by the Contract Administrator and shall be no less than monthly:

   a. A list of all payments made since the previous report, sorted by the last name on the account.

   b. A list of accounts against which collection efforts have begun, sorted by the last name on the account, including recommended actions to be taken regarding problem collection accounts.

   c. A Recovery Analysis Report showing the following:

      1) Every account's monthly collections for a historical period of up to two (2) years.

      2) The average age of each account at turnover, by month of turnover.

      3) Collections for the current month on aged accounts.

      4) Collections to date on aged accounts.

      5) Collections for the current month on current placements.

      6) Percentage collections on aged and new turnover.

      7) Overall collection dollars and percentages.

4. The Contractor shall not initiate any form of legal action without the expressed, written consent of the Contract Administrator or other designee appointed by the County. Where legal action is necessary, the County will provide witnesses, certified copies of official records, and other documentation required for prosecution.

   The Contractor shall be solely responsible for all costs or expenses, including but not limited to, attorney(s) fees and court costs incurred by the Contractor in the collection of the referred accounts.

5. The Contractor shall possess the following credentials at the time their bid is submitted:

    a. Satisfactory completion of at least one year of ground ambulance billing.

    b. Ability to electronically accept medical accounts referred by the County in accordance with the specification detailed in Exhibit B.

    c. Ability to bill commercial insurances in a valid 5010 electronic format.

    d. Ability to comply will all Health Insurance Portability and Accountability Act (HIPAA) requirements.

    e. Ability for the County to view account activity remotely and securely. The County shall be allowed to perform a Risk Assessment Audit at any time with or without advance notice.

B. Additional Information

1. Please ensure that any offers submitted via courier or US Mail includes a "wet" signature in the appropriate space, and is signed by someone with the authority to commit the firm to an agreement.

2. For offers submitted electronically:

    a. Only offers submitted electronically via Vendor Registry will be accepted.

    b. A "wet" signature is not required, however, responses submitted without a signature in the appropriate space on the Bid Form and signed by someone with the authority to commit the firm to an agreement shall be deemed non-responsive.

    c. The Bid Surety for all submittals shall be in the Office of Purchasing by the Bid Due Date and Time.

3. Approximately $6-7 million is being turned over annually. The most recent rate being paid for secondary collections was 15%. There are currently just over 19,000 accounts that make up the debt.

4. This solicitation is being offered because the previous firm, Affiliated Creditors, Inc. has declared bankruptcy, which means the County has no benchmark for rate of return.

5. The debt being collected is only from EMS debt.

6. Escambia County writes off debt once per year, typically prior to the end of the fiscal year at the end of September.

7. It is expected that there will be a backlog brought to the awarded vendor but there is no guarantee of quantity of accounts or debt amount.

8. Escambia County typically has approximately 32,000 runs annually. Primary Agency (County or designee) collections garners ~20%.

9. Transports are generally comprised of Medicare (~50%) and Self-Pay (~9%).

10. If payments are being made consistently, the Primary Agency (County or designee) retains the account. If an account has no activity for up to six (6) months, the account is moved to the Secondary Collections Agency.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check, or certified check in the amount of **$1,000.00**.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the check or bond is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by the contract as evidenced by signatures thereto by an authorized representative of both the Offeror and the County, and/or the Offeror accepts the Purchase Order by signing the Solicitation, Offer, and Bid Form and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of their cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com, or through Vendor Registry. The last day for questions will be September 24, 2020 at 5:00 PM CDT.

5. Bid Form

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted by either (**choose one method**):

- A sealed envelope, with Original (wet) signature in indelible ink and signed in the proper spaces by a person authorized to sign on behalf of the firm. Responses on Vendor forms will not be accepted. Firms electing to submit original forms shall also provide a complete copy of the bid response via CD or flash drive.
- Uploading to Vendor Registry a PDF of the signed Bid Form with Original signatures in indelible ink and signed in the proper spaces by a person authorized to sign on behalf of the firm. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

6. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will be held online via Microsoft Teams and will be hosted at the Office of Purchasing, 213 Palafox Place, Pensacola, Florida, 32502, on September 16, 2020 at 10:30 AM CDT.

Pre-Solicitation Audio & Video: Click Here

Bid Opening Audio Only: (863) 333-5817 **Conference ID:** 852 351 022#

It is strongly encouraged that all potential bidders attend this non-mandatory conference, so they can ask questions and be automatically notified of any updates prior to the Bid Opening.

**** Due to the current pandemic, all Escambia County offices are socially distancing. ****

This Pre-Solicitation Conference and Bid Opening will be held via Microsoft Teams, which is a free service and provides both video and audio-only capabilities. Please download the Microsoft Teams software to your device (PC, laptop, tablet, or smart phone) well in advance of the meeting so you are familiar with how to operate the program before the meeting. Video capabilities or a microphone are not required to listen to the meeting or submit questions via Microsoft Teams' chat feature.

In an effort to efficiently serve all meeting attendees, no meeting time will be dedicated to assisting vendors attempting to log into the meeting.

7. Codes and Regulations

The awarded vendor shall strictly comply with all federal laws, state statutes, and local ordinance related to this solicitation and resulting agreement.

8. Payment

The Contractor shall remit to the County all funds collected from County accounts. Payment in the full amount for the value of items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents showing the accounts collected, all monies collected and remitted to the County, and the Contractor's fee for services performed. Payment for accepted services will be accomplished by submission of an **original** invoice, in duplicate, to:

9. Required Reports

Please see the Scope of Work, Section 3, above.

10. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of twelve (12) months. The contract may be renewed for additional twelve (12) month periods, up to a maximum thirty-six (36) months upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The contract may be canceled by the awarded vendor, for good cause, upon ninety (90) days prior written notice.

C. The County retains the right to terminate the contract, with or without good cause, upon (30) days prior written notice.

D. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

11. Evaluation of Options

The County shall evaluate offers for award purposes by adding the total price. However, the evaluation of options will not obligate the County to exercise the option(s).

12. Price Adjustment

The contract resulting from this Solicitation may include provisions for twelve (12) month, price adjustments. Written request for price adjustment may be made every twelve (12) months, no less than sixty (60) days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract approved by the Board of County Commissioners.

13. Changes – Service Contracts

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas.

A. Description of services to be performed

B. Time of performance (i.e., hours of the day, days of the week, etc.)

C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

14. Qualification of Offerors

This solicitation shall be awarded to a responsible, responsive Offeror, qualified by experience to provide the work specified. The Offeror shall submit the following information with their Offer:

A. Experience record showing the Offeror's training and experience in similar work.

B. List and brief description of similar work satisfactorily completed with location, dates of contact, names and addresses of owners.

C. List of equipment and facilities available to do the work.

D. List of personnel, by name and title, contemplated to perform this work.

Failure to submit the above requested information may be cause for rejection of your offer.

15. Licenses, Certifications, Registrations

The offeror shall at any time of bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certification, registrations, and any other requirements should be provided with the bid submission; and the offeror shall provide follow up evidence that as the contractor they maintain such credentials throughout the period of agreement.

16. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the offeror may withdraw his offer or provide a written extension of his offer.

17. Award

Award shall be made on an "all-or-none total" basis.

18. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded vendor, Escambia County may serve written notice upon the awarded vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

19. Termination (Services)

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring deficiencies within five (5) working days of notification by the Contract Administrator.

Upon the third such written notification of unsatisfactory performance and/or deficiencies to the contractor by the Office of Purchasing within a four (4) month period, or the sixth such notification within any contract term, shall result in issuance of written notice of immediate contract termination to the contractor by the Office of Purchasing. Such termination may also result in suspension or debarment of the contractor.

20. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is

finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work).

21. As Specified

All attempts to collect accounts shall meet the specifications herein. Accounts submitted not as specified will be returned at no expense to Escambia County. The County may return, for full credit, any accounts received which fail to meet the County's performance standards.

Non-Contract Insurance Requirements

22. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the level of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred", however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract, or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract, or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000.00 each accident and $100,000.00 each employee/$500,000.00 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract, or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of $1,000.00.
4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   213 Palafox Place, 2nd Floor
   Pensacola, FL 32591
   Email: Purchasing@myescambia.com

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less

coverage than required does not constitute a waiver of contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Fidelity/Dishonesty/Liability Coverage – for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

Professional Liability/Malpractice/Errors or Omissions Insurance

The contractor shall purchase and maintain professional liability or malpractice or errors or omissions insurance with minimum limits of $1,000,000.00 per occurrence.

If a claim made form of coverage is provided, the retroactive date of coverage shall be no later than the inception date of claims made coverage, unless the prior policy was extended indefinitely to cover prior acts.

Coverage shall be extended beyond the policy year either by a supplemental Extended Reporting Period (ERP) of as great duration as available, and with no less coverage and with reinstated aggregate limits, or by requiring that any new policy provide a retroactive date no later than the inception date of the claims made coverage.

Cyber Enterprise Liability Coverage

The Contractor shall purchase and maintain cyber enterprise liability coverage with a minimum limit of $5,000,000.00 per occurrence, and which includes but is not limited to ransomware, data breach, social engineering business interruption including extra expense, digital data recovery, network extortion, cyber privacy, network security liability, as well as electronic, social, and printed media liability. Cyber and Privacy policies shall cover the Contractor's business liability for data breach in which the personal information of the County's customers is exposed or stolen by a hacker or other criminal who has gained access to the Contractor's network.

23. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgements, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

COLLECTION AGENCY SERVICES AGREEMENT (SAMPLE)

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), whose address is 221 Palafox Place, Pensacola, Florida 32502, and _____ (hereinafter referred to as "Agency"), a _____ for-profit corporation authorized to transact business in the State of Florida, FEI/EIN _____, whose principal address is _____ (each at times referred to as "Party" or, collectively, as "Parties").

WITNESSETH:

WHEREAS, on _____, the County issued and Invitation to Bidders (PD ---------) seeking the services of an agency to perform collection services for past-due accounts of the County's Department of Public Safety, Division of Emergency Medical Services; and

WHEREAS, Agency was the most responsive and responsible bidder proposing to provide such collection services; and

WHEREAS, the County recognizes that the collection of such past-due monies owed to the County is essential to the financial safety and welfare of the residents of Escambia County; and

WHEREAS, the County desires to enter into an agreement with the Agency for the provision of such services as set forth herein.

NOW THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, County and Agency agree as follows:

ARTICLE 1
Recitals and Definitions

1.1 Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

1.2 Definitions. For the purpose of this Agreement, the following terms shall have the following meanings:

Administrator shall mean the County Administrator of the County or her designee. The Administrator is the administrative head of all departments and divisions of the County. In the administration of this contract, as contrasted with matters of policy, the Parties may rely upon instructions or determinations made by the Administrator or her designee.

Board of County Commissioners shall mean the Board of County Commissioners of Escambia County, Florida, which is the governing body of Escambia County.

Clerk of the Circuit Court shall mean the Clerk of the Circuit Court of Escambia County, Florida, which is a constitutional officer serving as Clerk of the Court and ex official clerk to the Board of County Commissioners, auditor, recorder and custodian of all County funds.

SAMPLE

Office of Management and Budget shall mean the Office of Management and Budget under the direction of the County Administrator.

Participating Departments shall mean all County departments or divisions authorized by the Administrator to refer accounts under this Agreement and the Clerk of the Circuit Court.

ARTICLE 2
Scope of Services

2.1 Collection of Accounts. Agency shall provide the following:

2.1.1 Agency shall serve as the collection agency for all accounts of the Department of Public Safety, Division of Emergency Medical Services (EMS) that are referred by the County.

2.1.2 Agency may also serve as a collection agency on accounts referred by the Clerk of the Circuit Court and accounts of other County departments referred by the County Administrator or participating department heads.

2.2 Minimum Collection Activity. For each account, Agency shall provide, at a minimum, as follows:

2.2.1 Upon initial assignment, Agency will immediately send a letter to each debtor. Within ten (10) calendar days of receipt of account, Agency shall attempt to call each debtor with a balance greater than $25.00.

2.2.2 Every account without a valid address possessing a balance of $25.00 or more will receive skip-tracing efforts.

2.2.3 Agency shall assess each account and continue activation with either a letter series or phone calls.

2.2.4 Agency shall monitor all account payments initiated.

2.3 Collection Methodology. Agency shall establish the collection methodology once a debtor is contacted. This methodology will include the appropriate telephone script to be utilized for court-related debt as well as other departmental debt. Every effort will be made to understand the nature of the specific debt so that this information can be utilized by our collection staff.

Agency will advise County of the methodology of all collection services and adhere to County's input. While the Agency shall remain responsible for compliance with applicable laws, the County expressly reserves the right to approve such collection methods utilized by the Agency for all County referred accounts.

2.4 Timeline for Collection. Unless the County should provide written notice to return an account, Agency shall retain all accounts until the expiration or termination of this Agreement. The County shall retain full discretion to remove an account at any time provided that County shall credit Agency with subsequent collections procured directly as a result of Agency's prior efforts.

2.5 Agency Collections. Agency will accept payments on all assigned accounts. Agency may not collect any interest, service, or carrying charges on any account unless otherwise instructed

SAMPLE

to do so in writing by the County. Agency shall be solely responsible for all costs or expenses, including, but not limited to, attorneys' fees and court costs incurred by the Agency in the collection of the referred accounts. Agency may arrange payment schedules within the debtor's current income and ability to pay.

Agency shall be allowed to bill any insurance(s) determined for any referred account, other than Medicare Part B, Florida Medicaid, or Alabama Medicaid. These accounts shall be returned to Escambia County EMS Billing Office for appropriate insurance billing.

2.6 Payments Received. Agency shall deposit all payments collected in an interest-bearing account and shall distribute such funds plus and interest accrued to the County on a monthly basis to the Clerk of the Circuit Court or Participating Departments as directed by the County. A separate accounting for each department shall be provided to the Clerk of the Circuit Court and copied to such Participating Department and the Office of Management and Budget. Agency shall, in turn, receive its collection fee based on the amount received from the debtor and the applicable rate.

2.7 Reporting Requirements.

2.7.1 Placement Summary Reports: Within two (2) business days of receiving a referral from the County, Agency shall acknowledge receipt of the account(s) by providing a Placement Summary Report, which at a minimum shall contain the account number and total dollar amount of the referral.

2.7.2 Monthly Reports: In a manner prescribed or acceptable to the County, Agency shall submit to each Participating Department, with copies to the office of Management and Budget, a monthly report with an alphabetical listing of all accounts, noting all payments collected since the prior report, noting any accounts against which collection efforts have commenced, recommending actions to be taken on problem accounts, and summarizing receipts and other actions on accounts by month of assignment. Agency shall submit each report no later than the 15th day following the month that is the subject of the report.

2.7.3 Uncollectable Accounts: On a monthly basis, Agency shall also submit to the Participating Departments a report of all accounts which, after making every reasonable effort to collect, Agency has deemed uncollectable. The report must contain, at a minimum, the debtor's name, the debtor's most recent address and telephone number, and the patient account number on EMS accounts. At the request of County, Agency shall further document its effort to collect any specific amount.

Agency shall make a determination and advise the County as to whether or not the debt may be recovered through litigation. Unless otherwise directed, Agency shall return such accounts to County and shall have no right to a commission for any sums thereafter collected upon these accounts. Such returns shall be made in a format acceptable to the County.

2.7.4 Quarterly Reports: No less than quarterly, Agency shall submit to Participating Departments, with copies to the Office of Budget and Management, a quarterly report to include a list of all open accounts and the status of such accounts including payments, requested adjustments, skip-tracing activities and results.

SAMPLE

2.7.5 Yearly Reports: On an annual basis, Agency shall furnish a report to each Participating Department summarizing the activity of all accounts during the preceding year.

2.7.6 Complaints: Agency shall provide County with a copy of any and all letter(s) of complaint within ten (10) calendar days of receipt by the Agency, and the County will provide Agency a copy of any notice of complaint received by it within ten (10) calendar days of receipt by the County Administrator.

Within thirty (30) calendar days of receipt of a complaint or notice of a complaint, Agency will provide a written report to the County informing the County Administrator of the disposition of each complaint. Minimum elements of the complaint report will include a statement of the complaint, results of the complaint investigation by Agency, identification of the collector(s) involved, and a positive statement of corrective action taken to avoid recurrence of such a complain in the future. Upon request of the County Administrator, Agency shall remove any employee from the future collection of County-referred accounts.

2.8 Quality Control. Agency agrees to maintain a quality assurance program for its employees including, but not be limited to, periodic instruction in the lawful and ethical practices of account collection. Additionally, Agency shall affirm that none of the Agency's Employees or Contractors is prohibited from doing business with the Centers for Medicare and Medicaid Services as evidence that they are routinely checked on a monthly basis against the Office of Inspector Generals' List of Excluded Individuals and Entities database.

2.9 Compliance with Laws. Agency shall at all times undertake to collect County-referred accounts through all ethical and lawful means. In the performance of this Agreement, Agency shall comply with all applicable Federal, State and local laws, rules, regulations or ordinances, and all current and future provisions required thereby to be included herein, are hereby incorporated by reference.

2.10 Suspension of Collection and Recall. Upon receiving written notice from the County, Agency shall immediately suspend collection efforts on any account referred for collection. Upon receiving written notice, Agency shall return any referred account, without charge or penalty to County, except the applicable fees earned to date. County reserves the right to reevaluate and to adjust, cancel, or recall any accounts referred to Agency.

2.11 Legal Action. Agency may initiate legal action only upon the express written consent of the County. Where legal action is necessary, the County will make reasonable efforts to provide witnesses, certified copies of official records, and other necessary documentation.

ARTICLE 3
Compensation and Method of Payment

3.1 Compensation. Agency shall be compensated for collection services as follows:

3.1.1 Primary Collection: Agency agrees to accept as full payment for services rendered for the collection of accounts referred by the Emergency Medical Services Department a sum equal to 15% of monies actually collected by Agency.

SAMPLE

3.1.2 Secondary Collection: Agency agrees to accept as full payment for services rendered for the collection of accounts that have been previously forwarded to a collection agency, a commission sum equal to 30% of monies actually collected by Agency.

3.1.3 Early-out Patient Pay Collection: Agency agrees to accept as full payment for services rendered for the collection of Patient Pay accounts submitted, within sixty (60) calendar days from date of service, a sum equal to 10% of monies actually collected by Agency.

3.2 Payment of Fees. Agency shall receive its fees following transmittal to the County of all monies collected in the manner provided in this agreement. Payments under this Agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

3.3 Fees for Direct Payments. County agrees that when an account is referred to Agency, Agency is entitled to the fees described herein without regard to whether payment is made to the County or the Agency. The Participating Department will notify the Agency of any direct payments made as a result of the Agency's efforts and will pay Agency the appropriate fee for all such direct payments. After notification of direct payments by County, Agency shall document such payments in its monthly reports. The fee for such payments shall be paid as provided in ¶3.2 above. The County will, upon request, verify payments on specific accounts and credit the Agency as specified above.

ARTICLE 4
Term and Termination

4.1 Term. This Agreement shall commence upon the date last executed and continue in effect for a term of twelve (12) months. This Agreement may be renewed for two (2) additional one (1) year terms. The parties may indicate their wish to extend this Agreement by providing written notice to the other party no later than thirty (30) days before the expiration of the initial or any subsequent one-year (1) term. In no event shall the Agreement extend beyond thirty-six (36) months in duration after exercising all options for renewal.

The Parties understand and agree that upon the expiration or termination of this Agreement, the County shall in no way be further obligated to Agency and shall not be impaired from negotiating with and contracting with any other publicly- or privately-owned entity wishing to offer collection services to County.

4.2 Termination.

4.2.1 Termination for Cause. The County reserves the right to immediately terminate this Agreement for cause upon the failure of Agency to fulfill in a timely and proper manner its obligations under this Agreement, including but not limited to, the violation of any state, federal or local laws and ordinances. In the event of a termination for cause, Agency will return all accounts to County.

4.2.2 Termination for Convenience. County reserves the right, at any time during the term (including without limitation, at the end of any one-year period), and for any reason whatsoever in County's sole discretion, to terminate this Agreement for convenience with respect to all or any portion of the collection services. County may exercise its right of termination for convenience by furnishing to Agency written notice of

SAMPLE

its election to do so, which notice shall specify the services that County has elected to remove from the scope and operation of this Agreement. The termination for convenience as to such services shall be effective thirty (30) calendar days following the date of the receipt of such notice by the Agency. In no event shall a termination for convenience be deemed a default by County under this Agreement, and a termination for convenience shall not subject the County to any penalty, claim for damages, liquidated damages or any other claim of any type by Agency.

ARTICLE 5
Indemnification and Insurance Requirements

5.1 Indemnification. Agency shall indemnify, defend, and hold harmless Escambia County, and it its officers, directors, employees, and affiliates, from and against any and all liability, loss, cost, or expense, including, without limitation, reasonable attorney's fees, arising out of or in connection with the negligence, recklessness, or wrongful misconduct of the Agency in the performance of its duties and obligations pursuant to this Agreement. The parties understand and agree that such indemnification by the Agency relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Agency's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Agency agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

5.2 Insurance.

5.2.1 The Agency is required to carry the following insurance:

a. Commercial General Liability, Form CG1, with $1,000,00 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies.

b. Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles.

c. Professional Liability with $1,000,000 per occurrence minimum limit.

d. Florida statutory Workers' Compensation.

5.2.2 It is understood and agreed by the Parties that in the event that the Agency consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

5.2.3 Agency agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least thirty (30) days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, 213 Palafox Place, Second Floor,

SAMPLE

Pensacola, FL 32502.

5.2.4 The Board of County Commissioners and Escambia County shall be endorsed as "additional insured" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, 213 Palafox Place, Second Floor, Pensacola, FL 32502 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

ARTICLE 6
Miscellaneous

6.1 Independent Contractor. In the performance of this Agreement hereunder, Agency shall at all times be acting in the capacity of an independent contractor. This Agreement is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture or association, as between County and Agency or as between Participating Departments and Agency. Agency understands and agrees that all persons furnishing services pursuant to this Agreement are, for purposes of Workers' Compensation liability, employees solely of Agency and not of the County.

6.2 Notices. All notices required or to be given hereunder shall be in writing to the addresses below and shall be deemed to be been properly given on the third day after being deposited in the United States mail, with adequate postage, and sent by registered or certified mail with return receipt request, to the appropriate part, or when delivered after being deposited with a nationally recognized overnight courier such as Federal Express, Express Mail, or other overnight delivery service for next-day delivery:

COUNTY:
Office of the County Administrator
Attn: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

AGENCY:

Rejection, or other refusal by the addresses to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

6.3 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

6.4 Public Records. The Agency acknowledges that this agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Agency shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Agency shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Agency agrees

SAMPLE

to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Agency fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Agency seven (7) days written notice, during which period the Agency still fails to allow access to such documents, terminate the Agreement.

IF THE AGENCY HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE AGENCY'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator

6.5 Confidentiality. All information not subject to disclosure under the Public Records Act that is acquired by Agency in the course of performing services under this Agreement shall be confidential, and shall not be open to examination for any purpose without prior approval of County.

6.6 Entire Agreement. This Agreement represents the entire and integrated agreement between the County and Agency and supersedes all prior negotiation, representations, or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both Agency and the authorized representative of the County.

6.7 Compliance with Laws. Agency represents that at the time it executes this Agreement it possesses all licenses required by law to operate as a collection agency in the State of Florida, and in carrying out the terms of this Agreement, Agency agrees to comply with all applicable local, state and federal laws, rules or regulations. Specific to Protected Healthcare Information (PHI) submitted between the County and Agency, the Agency shall comply with all applicable provisions of the Health Insurance Portability and Accountability Act (HIPAA).

6.8 Assignment. Agency shall not assign the Agreement or monies due or to become due hereunder without prior written consent of the County. Violation of this provision shall be grounds for termination of the Agreement for cause and the attempted assignment shall be null and void.

6.9 Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafter or prepared any or all of the terms and provisions hereof.

6.10 Waiver No waiver of a breach or any provision of this Agreement by either party shall constitute a waiver of any other breach of said provision or any other provision of this Agreement. Failure of either party to enforce at any time, or from time to time, any provision of

this Agreement, shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and additional to any other remedies in law or equity.

6.11 Use of County Seal or Letterhead. Agency shall not use or display the official seal of Escambia County or County letterheads on the communications with any debtor without having previously obtained written authorization from the County Administrator.

6.12 Data Linkup. Agency shall establish a data linkup, which will allow County access to information on all accounts indicating the collection efforts made, arrangements established, and monies received. At Agency's own expense, Agency shall provide, install, and maintain a personal computer (PC) and modem for County access to Agency's system. The PC will be placed at a location as determined by the County Administrator. All information will be noted on the accounts placed for collection including financial notes, letter noted, telephone conversation notes, and skip-tracing notes. Training on the use of the system will be provided to County personnel upon request. Agency will bear all associated costs including standard resources, hardware, software, installation and training.

6.13 Records. Agency shall maintain records as provided below:

6.13.1 Record Retention and Inspection: Agency agrees that the County Administrator or any duly authorized representative without advance notice shall have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, time cards, or other records relating to this Agreement during normal working hours. Such material, including all pertinent cost, accounting, financial records and propriety data, must be kept and maintained by Agency for a period of five (5) years after completion of this Agreement unless County's written permission is given to dispose of material prior to this time.

6.13.2 Files and Records: Agency shall maintain a file on each account containing a record of any and all phone calls, letters, and any other contacts made with the client or third party regarding an account. All such records shall be made available by Agency at a mutually agreeable location in Escambia Count, during the County's normal business hours to representatives of the County for purposes of inspection or audit.

6.13.3 Audit Settlement: If, at any time during the term of this Agreement or at any time after the expiration or termination of this Agreement, authorized representatives of County Conduct an audit of Agency regarding the services provided to County hereunder and if such audit finds that County's dollar liability for such services is less than commission paid or owed by County to Agency, then Agency agrees that the difference shall be (1) repaid forthwith by Agency to County by cash payment or (2) at the County's option, credited against any future commission to be paid hereunder to Agency. In addition, Agency shall bear the cost of the audit, including personnel costs, up to the amount of the discrepancy. If such audit finds that County's dollar liability for services provided hereunder is more than fees paid by County to Agency, then the difference shall be paid to Agency and the County will bear its own costs in conducting the audit.

6.14 Credit Reports. If mutually agreed upon by Agency and County, Agency shall report particular accounts or categories of accounts to participating credit bureaus; provided however, Agency need not take any such action is deems unlawful or actionable and shall retain the responsibility of determining the propriety of such acts.

SAMPLE

6.15 Attachment. Agency may utilize the attachment process to enforce a judgement or collect an assigned amount.

6.16 Referral Discretionary. It shall be in County's discretion to refer or not to refer accounts to Agency. The existence of this Agreement does not in any way constitute a guarantee of referrals for collection by Agency, and County retains the option to collect its own debts.

6.17 Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

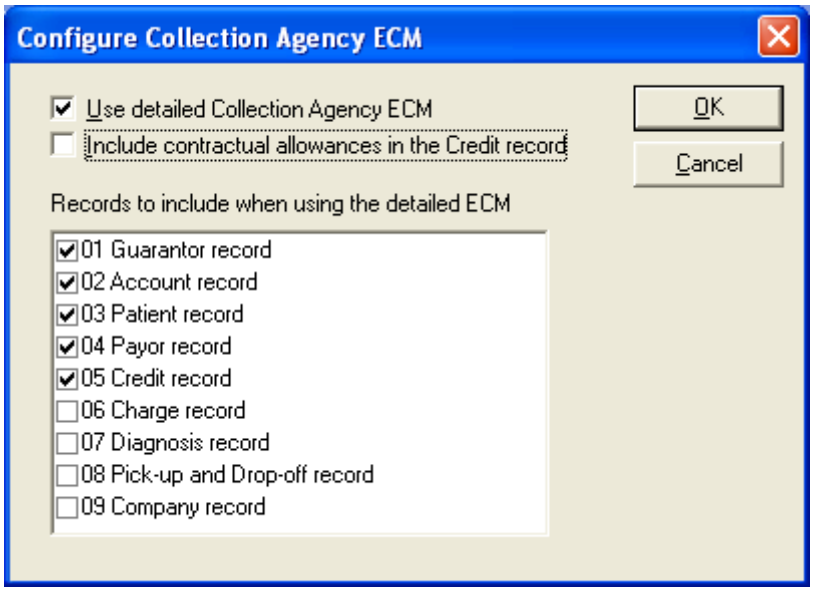
RescueNet

Configuring the Collection Agency ECM



You can use the Collection Agency ECM to create an export file from RescueNet Billing for use by a collection agency. The export file is an ASCII file that can be transmitted via modem, email, BBS, or diskette to the collection agency.

You can generate either a basic or detailed set of data.

Basic or detailed

By default, this ECM generates a basic set of data

1. If you want to generate a detailed set of data, select the **Use detailed standard collection ECM** option.

2. To include contractual allowances in the calculation of the value in the Other Credits field on the output, select **Include contractual allowance in the Credit record**.
3. Select the records you want to have included on the output.

ASCII file data layout - basic

Record Length = 2,339 bytes. Each line is followed by a carriage return + line feed combination.

Important! On 9/7/2005, a special forms update was released (for 3.80, special forms update version 3.8.0.1111 or later; for 3.70, special forms update version 3.7.3.632 or later). The update changes to the way pick-up and drop-off address information is output in record 08 of the detailed Collection Agency ECM.

Previously, the number of fields output in record 08 depended on whether the addresses include Apt/Ste/Rm address information. Now, if an address doesn't include Apt/Ste/Rm address information, that field will be output as blank. So the number of fields output in record 08 will always be 13.

You must inform your collection agency of this format change to ensure that they can successfully interpret address records you send using this new format.

Delimiters

Each field is delimited by an asterisk (*), including the last field of each record. Each record is delimited by a line feed.

ADDENDUM NUMBER 4:

Re: PD 19-20.094 Re-Solicit Secondary Collections Agency for Public Safety and EMS

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 4 provides for a clarification regarding the following question:

Question: Please clarify how old the accounts will be when placed. Will they be a year old, six months old, or 120 days old?

Answer: With our current policy, the bad debt approval goes to the Board of County Commissioners once a year. Therefore some account aging would cover 120 days - one year. The selected collection agency would have to work those accounts. All accounts would need to appear on the patient's credit report. For accounts aging under one year old, the patient possible may provide their health insurance information to be file. Depending on the timeline, some claims may not be able to file to health insurance.

This Addendum Number 4 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photocopy this form for your records. If your firm has already submitted a proposal response and this Addendum 4 has no impact on the proposal, you are welcome to email your acknowledgement of this form.

AGREEMENT FOR SECONDARY COLLECTIONS AGENCY SERVICES (P.D. 19-20.094)

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), whose address is 221 Palafox Place, Pensacola, Florida 32502, and Life Line Billing Systems, L.L.C. d/b/a LifeQuest Services (hereinafter referred to as "Agency"), a foreign for-profit corporation authorized to transact business in the State of Florida, FEI/EIN 46-1232045, whose principal address is N2930 State Road 22, Wautoma, WI 54982 (each at times referred to as "Party" or, collectively, as "Parties").

WITNESSETH:

WHEREAS, on September 2, 2020, the County issued an Invitation to Bid (P.D. 19-20.094) seeking the services of an agency to perform secondary collections services for past due accounts of the County's Department of Public Safety, Division of Emergency Medical Services; and

WHEREAS, Agency was the most responsive and responsible bidder proposing to provide such secondary collections services; and

WHEREAS, the County recognizes that the collection of such past due monies owed to the County is essential to the financial safety and welfare of the residents of Escambia County; and

WHEREAS, the County desires to enter into an agreement with the Agency for the provision of such services as set forth herein.

NOW THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, County and Agency agree as follows:

ARTICLE 1
Recitals

1.1 Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

ARTICLE 2
Scope of Services

2.1 Collection of Accounts. Agency shall serve as the secondary collections agency for all accounts of the Department of Public Safety, Division of Emergency Medical Services (EMS) that are referred by the County in accordance with the terms and conditions as outlined in *Escambia County's Invitation to Bidders, Re-Solicit Secondary Collections Agency for Public Safety/EMS, Specification Number P.D. 19-20.094*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibits referenced herein and this Agreement, the terms of this Agreement shall prevail.

2.2 Minimum Collection Activity. For each account, Agency shall provide, at a minimum, as follows:

(a) Upon initial assignment, Agency will immediately send a letter to each debtor. Within ten (10) calendar days of receipt of account, Agency shall attempt to call each debtor with a balance greater than $25.00.

(b) Every account without a valid address possessing a balance of $25 or more will receive skip tracing efforts.

(c) Agency shall assess each account and continue activation with either a letter series or phone calls.

(d) Agency shall monitor all account payments initiated.

2.3 Collection Methodology. Agency shall establish the collection methodology once a debtor is contacted to include the appropriate telephone script to be utilized. Agency will advise County of the methodology of all collection services and adhere to County's input. While the Agency shall remain responsible for compliance with applicable laws, the County expressly reserves the right to approve such collection methods utilized by the Agency for all County referred accounts.

2.4 Timeline for Collection. Unless the County should provide written notice to return an account, Agency shall retain all accounts until the expiration or termination of this Agreement. The County shall retain full discretion to remove an account at any time.

2.5 Agency Collections. Agency will accept payments on all assigned accounts. Agency may not collect any interest, service, or carrying charges on any account unless otherwise instructed to do so in writing by the County. Agency shall be solely responsible for all costs or expenses, including, but not limited to, attorneys' fees and court costs incurred by the Agency in the collection of the referred accounts. Agency may arrange payment schedules within the debtor's current income and ability to pay.

Agency may bill any insurance(s) determined for any referred account, other than Medicare Part B, Florida Medicaid, or Alabama Medicaid. These accounts shall be returned to Escambia County EMS Billing Office for appropriate insurance billing.

2.6 Payments Received. Agency shall deposit all payments collected in an interest-bearing account and shall distribute such funds plus any interest accrued to the County on a monthly basis to the Clerk of the Circuit Court or as directed by the County. Agency shall, in turn, receive its collection fee based on the amount received from the debtor and the applicable rate.

2.7 Reporting Requirements.

2.7.1 Placement Summary Reports: Within two (2) business days of receiving a referral from the County, Agency shall acknowledge receipt of the account(s) by providing a Placement Summary Report, which at a minimum shall contain the account number and total dollar amount of the referral.

2.7.2 Monthly Reports: In a manner prescribed or acceptable to the County, Agency shall submit a monthly report with an alphabetical listing of all accounts, noting all payments collected since the prior report, noting any accounts against which collection efforts have commenced, recommending actions to be taken on problem accounts, and summarizing receipts and other actions on accounts by month of assignment. Agency

shall submit reports no later than the 15th day following the month that is the subject of the report.

2.7.3 Uncollectable Accounts: On a monthly basis, Agency shall also submit a report of all accounts which, after making every reasonable effort to collect, Agency has deemed uncollectable. The report must contain, at a minimum, the debtor's name, the debtor's most recent address and telephone number, and the patient account number. At the request of County, Agency shall further document its effort to collect any specific amount.

Agency shall make a determination and advise the County as to whether or not the debt may be recovered through litigation. Unless otherwise directed, Agency shall return such accounts to County and shall have no right to a commission for any sums thereafter collected upon these accounts. Such returns shall be made in a format acceptable to the County.

2.7.4 Quarterly Reports: No less than quarterly, Agency shall submit a quarterly report to include a list of all open accounts and the status of such accounts including payments, requested adjustments, skip tracing activities and results.

2.7.5 Yearly Reports: On an annual basis, Agency shall furnish a report summarizing the activity of all accounts during the preceding year.

2.7.6 Complaint Reporting: Agency shall provide County with a copy of any and all letter(s) of complaint within ten (10) calendar days of receipt by the Agency, and the County will provide Agency a copy of any notice of complaint received by it within ten (10) calendar days of receipt by the County.

Within thirty (30) calendar days of receipt of a complaint or notice of a complaint, Agency will provide a written report to the County informing the County of the disposition of each complaint. Minimum elements of the complaint report will include a statement of the complaint, results of the complaint investigation by Agency, identification of the collector(s) involved, and a positive statement of corrective action taken to avoid recurrence of such a complaint in the future. Upon request of the County, Agency shall remove any employee from the future collection of County referred accounts.

2.8 Quality Control. Agency agrees to maintain a quality assurance program for its employees including, but not be limited to, periodic instruction in the lawful and ethical practices of account collection. Additionally, Agency shall affirm that none of the Agency's employees or Contractors is prohibited from doing business with the Centers for Medicare and Medicaid Services as evidence that they are routinely checked on a monthly basis against the Office of Inspector Generals' List of Excluded Individuals and Entities database.

2.9 Compliance with Laws. Agency shall at all times undertake to collect County referred accounts through all ethical and lawful means. In the performance of this Agreement, Agency shall comply with all applicable Federal, State and local laws, rules, regulations or ordinances, and all current and future provisions required thereby to be included herein, are hereby incorporated by reference.

2.10 Suspension of Collection and Recall. Upon receiving written notice from the County, Agency shall immediately suspend collection efforts on any account referred for collection. Upon receiving written notice, Agency shall return any referred account, without charge or penalty to

County, except the applicable fees earned to date. County reserves the right to reevaluate and to adjust, cancel, or recall any accounts referred to Agency.

2.11 Legal Action. Agency may initiate legal action only upon the express written consent of the County. Where legal action is necessary, the County will make reasonable efforts to provide witnesses, certified copies of official records, and other necessary documentation.

ARTICLE 3
Compensation and Method of Payment

3.1 Collections Agency Percentage: Agency agrees to accept as full payment for services rendered for the collection of accounts referred by Escambia County's Emergency Medical Services Department a sum equal to 9% of monies actually collected by Agency.

3.2 Payment of Fees. Agency shall receive its fees following transmittal to the County of all monies collected in the manner provided in this Agreement. Payments under this Agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

3.3 Fees for Direct Payments. County agrees that when an account is referred to Agency, Agency is entitled to the fees described herein without regard to whether payment is made to the Agency or directly to the County. The County will notify the Agency of any direct payments made as a result of Agency's efforts and will pay Agency the appropriate fee for all such direct payments. After notification of direct payments by County, Agency shall document such payments in its monthly reports. The fee for such payments shall be paid as provided in ¶3.2 above. The County will, upon request, verify payments on specific accounts and credit the Agency as specified above.

ARTICLE 4
Term and Termination

4.1 Term. This Agreement shall commence upon the date last executed and continue in effect for a term of twelve (12) months. This Agreement may be renewed for two (2) additional one (1) year terms. The parties may indicate their wish to extend this Agreement by providing written notice to the other party no later than thirty (30) days before the expiration of the initial or any subsequent one-year (1) term. In no event shall the Agreement extend beyond thirty-six (36) months in duration after exercising all options for renewal.

The parties understand and agree that upon the expiration or termination of this Agreement, the County shall in no way be further obligated to Agency and shall not be impaired from negotiating with and contracting with any other publicly or privately-owned entity wishing to offer collection services to County.

4.2 Termination.

4.2.1 Termination for cause. The County reserves the right to immediately terminate this Agreement for cause upon the failure of Agency to fulfill in a timely and proper manner its obligations under this Agreement, including but not limited to, the violation of any state, federal or local laws and ordinances. In the event of a termination for cause, Agency will return all accounts to County.

4.2.2 Termination for convenience. County reserves the right, at any time during the term (including without limitation, at the end of any one year period), and for any reason whatsoever in County's sole discretion, to terminate this Agreement for convenience with respect to all or any portion of the collection services. County may exercise its right of termination for convenience by furnishing to Agency written notice of its election to do so, which notice shall specify the services that County has elected to remove from the scope and operation of this Agreement. The termination of convenience as to such services shall be effective thirty (30) calendar days following the date of the receipt of such notice by the Agency. In no event shall a termination for convenience be deemed a default by County under this Agreement, and a termination for convenience shall not subject the County to any penalty, claim for damages, liquidated damages or any other claim of any type by Agency.

ARTICLE 5
Indemnification and Insurance Requirements

5.1 Indemnification. Agency shall indemnify, defend, and hold harmless Escambia County, and its officers, directors, employees, and affiliates, from and against any and all liability, loss, cost, or expense including, without limitation, reasonable attorney's fees, arising out of or in connection with the negligence, recklessness, or wrongful misconduct of the Agency in the performance of its duties and obligations pursuant to this Agreement. The parties understand and agree that such indemnification by the Agency relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Agency's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Agency agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

5.2 Insurance.

5.2.1 The Agency is required to carry the following insurance:

(a) Professional Liability with $1,000,000 per occurrence minimum limit;

(b) Cyber Enterprise Liability with $5,000,000 per occurrence minimum limit;

(c) Florida statutory Workers' Compensation coverage, if applicable; and

(d) Fidelity Bond with $1,000,000 per occurrence coverage limit.

5.2.2 It is understood and agreed by the parties that in the event that the Agency consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

5.2.3 Agency agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least thirty (30) days

advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32591.

5.2.4 The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32591 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

ARTICLE 6
Miscellaneous

6.1 Independent Contractor. In the performance of this Agreement hereunder, Agency shall at all times be acting in the capacity of an independent contractor. This Agreement is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture or association, as between County and Agency. Agency understands and agrees that all persons furnishing services pursuant to this Agreement are, for purposes of Workers' Compensation liability, employees solely of Agency and not of the County.

6.2 Notices. All notices required or to be given hereunder shall be in writing to the addresses below and shall be deemed to have been properly given on the third day after being deposited in the United States mail, with adequate postage, and sent by registered or certified mail with return receipt requested, to the appropriate party, or when delivered after being deposited with a nationally recognized overnight courier such as Federal Express, Express Mail, or other overnight delivery service for next-day delivery:

To: Escambia County	To: Life Line Billing Systems, LLC d/b/a LifeQuest Services
Attn: County Administrator	Attn: Michael Finn, CEO/President
221 Palafox Place, Suite 420	N2930 State Road 22
Pensacola, Florida 32502	Wautoma, WI 54982

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

6.3 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

6.4 Public Records. The Agency acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Agency shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Agency shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Agency agrees

to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Agency fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Agency seven (7) days written notice, during which period the Agency still fails to allow access to such documents, terminate the Agreement.

IF THE AGENCY HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE AGENCY'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

6.5 Confidentiality. All information not subject to disclosure under the Public Records Act that is acquired by Agency in the course of performing services under this Agreement shall be confidential and shall not be open to examination for any purpose without prior approval of County.

6.6 Entire Agreement. This Agreement represents the entire and integrated agreement between the County and Agency and supersedes all prior negotiations, representations, or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both Agency and the authorized representative of the County.

6.7 Compliance with Laws. Agency represents that at the time it executes this Agreement it possesses all licenses required by law to operate as a collection agency in the State of Florida, and in carrying out the terms of this Agreement, Agency agrees to comply with all applicable local, state and federal laws, rules or regulations. Specific to Protected Healthcare Information (PHI) submitted between the County and Agency, the Agency shall comply with all applicable provisions of the Health Insurance Portability and Accountability Act (HIPAA).

6.8 Assignment. Agency shall not assign the Agreement or monies due or to become due hereunder without prior written consent of the County. Violation of this provision shall be grounds for termination of the Agreement for cause and the attempted assignment shall be null and void.

6.9 Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

6.10 Waiver. No waiver of a breach or any provision of this Agreement by either party shall constitute a waiver of any other breach of said provision or any other provision of this Agreement. Failure of either party to enforce at any time, or from time to time, any provision of this Agreement,

shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and additional to any other remedies in law or equity.

6.11 Use of County Seal or Letterhead. Agency shall not use or display the official seal of Escambia County or County letterheads on communications with any debtor without having previously obtained written authorization from the County Administrator.

6.12 Data Link Up. Agency shall establish a data linkup, which will allow County access to information on all accounts indicating the collection efforts made, arrangements established, and monies received. At Agency's own expense, Agency shall provide, install, and maintain a personal computer (PC) and modem for County access to Agency's system. The PC will be placed at a location as determined by the County Administrator. All information will be noted on the accounts placed for collection including financial notes, letter notes, telephone conversation notes, and skiptracing notes. Training on the use of the system will be provided to County personnel upon request. Agency will bear all associated costs including standard resources, hardware, software, installation and training.

6.13 Records. Agency shall maintain records as provided below:

6.13.1 Record Retention and Inspection: Agency agrees that the County Administrator or any duly authorized representative without advance notice shall have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, time cards, or other records relating to this Agreement during normal working hours. Such material, including all pertinent cost, accounting, financial records and propriety data, must be kept and maintained by Agency for a period of five (5) years after completion of this Agreement unless County's written permission is given to dispose of material prior to this time.

6.13.2 Files and Records: Agency shall maintain a file on each account containing a record of any and all phone calls, letters, and any other contacts made with the client or third party regarding an account. All such records shall be made available by Agency at a mutually agreeable location in Escambia County, during the County's normal business hours to representatives of the County for purposes of inspection or audit.

6.13.3 Audit Settlement: If, at any time during the term of this Agreement or at any time after the expiration or termination of this Agreement, authorized representatives of County conduct an audit of Agency regarding the services provided to County hereunder and if such audit finds that County's dollar liability for such services is less than commission paid or owed by County to Agency, then Agency agrees that the difference shall be: (1) repaid forthwith by Agency to County by cash payment; or (2) at the County's option, credited against any future commission to be paid hereunder to Agency. In addition, Agency shall bear the cost of the audit, including personnel costs, up to the amount of the discrepancy. If such audit finds that County's dollar liability for services provided hereunder is more than fees paid by County to Agency, then the difference shall be paid to Agency and the County will bear its own costs in conducting the audit.

6.14 Credit Reports. If mutually agreed upon by Agency and County, Agency shall report particular accounts or categories of accounts to participating credit bureaus; provided however, Agency need not take any such action it deems unlawful or actionable and shall retain the responsibility of determining the propriety of such acts.

6.15 Attachment. Agency may utilize the attachment process to enforce a judgment or collect an assigned amount.

6.16 Referral Discretionary. It shall be in County's discretion to refer or not to refer accounts to Agency. The existence of this Agreement does not in any way constitute a guarantee of referrals for collection by Agency, and County retains the option to collect its own debts.

6.17 Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

Notice
It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee vendor until such time as the contract is executed by the last party to the transaction.

Publicly Noticed_____ Noticed By _____

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to vendors of the local vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and
2. Holds any business license required by Escambia County or Santa Rosa County, and
3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification and shall have the sole discretion to determine if a vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated Community Redevelopment Area (CRA) is within seven percent (7%) of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within three percent (3%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within five percent (5%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within two percent (2%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within four percent (4%) of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.
2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.
3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.
4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded, and the County may return all, or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A),
FLORIDA STATUES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And, if applicable, its Federal Employer Identification Number (FEIN) is: _____

If the entity has no FEIN, include the Social Security Number of the Individual signing this

sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

   a. A predecessor or successor of a person convicted of a public entity crime; or

   b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it is not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY, AND THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer' to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Building, 213 Palafox Place, Pensacola, FL, 32502, in a sealed envelope clearly marked:

Specification Number PD 19-20.094, Re-Solicit Secondary Collections Agency for Public Safety/EMS, Name of Submitting Firm, Date and Time Due.

Note: If using a courier service (e.g. FedEx, UPS, US Post Office, etc.) the air-bill and envelope or box must be marked with the specification Number and Project Name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The following policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors, or individuals action on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County official, their agents or employees, or any member of the relevant Selection Committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/ protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the bids/proposals for Invitations to Bid or the Request for Proposal, or Qualification, or Information, or Request for Letters of Interest, or the Invitation to Negotiate, as applicable, are received at the Escambia County Office of Purchasing, and the time the Board awards the Contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees, or any member of the relevant Selection Committee, for or against a specific cause related to a pending solicitation for goods or

services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/disqualification of submittal;

2) Termination of contract; or

3) Suspension or debarment as provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. <u>Scope of Work</u>

The Escambia County Board of County Commissioners is seeking competitive bids from qualified and experienced bidders for the provision and operation of a Secondary Collections Agency. The primary purpose of this Invitation to Bid is to select a firm by choosing the lowest bid among qualified and experienced firms.

A. Technical Requirements

1. The Contractor shall promptly undertake, through ethical and lawful means, the collection of the accounts referred, with particular attention to the Consumer Credit Protection Act, the Fair Credit Reporting Act, the Fair Debt Collection Practices Act, and all other laws applicable to this type of activity.

   a. Escambia County Public Safety/EMS will notify the Contractor of any direct payments and will credit the Contractor with the contractual rate for all such direct payments collected after the Contractor begins active collection efforts. The County will, upon request, verify payments on specific accounts and credit the Contractor as specified above.

   b. The Contractor shall suspend collection efforts on any account referred for collection upon written notice to do so by Escambia County's Contract Administrator or their designee. The Escambia County Public Safety/EMS Department may recall any referred account at no cost to the County except the fees earned up to the moment of recall.

   c. The Contractor shall retain all accounts until the end of the current contract unless specific accounts are requested to be returned to the County by the Contract Administrator or their designee. Such returns shall be made in a format acceptable to the County, including electronic transfer format. All costs associated with the Contractor's ability to return these accounts in a format acceptable to the County shall be the responsibility of the Contractor and shall not be paid by the County.

   d. The Contractor shall document all efforts to collect any specific amount.

e. The Contractor shall not have the right to refuse to collect any account that is referred to the Contractor by Escambia County.

2. The Contractor shall document all efforts to collect any amount and shall maintain accurate records of all services performed, as well as documentation of all revenues collected and remitted to the County for audit by the County. Such records shall be available for inspection and audit without prior notice, by an auditor designated by the County.

3. The County shall have the exclusive rights to prescribe forms which the Contractor shall use to report collection activities and the status of accounts. Additionally, the County shall prescribe the frequency with which all reporting should be provided. The Contractor may make form and frequency recommendations to the Contract Administrator; however, the Contract Administrator shall make all final decisions related to form use and frequency of reporting.

   On a monthly basis, the Contractor shall submit a list of all open accounts with the current status indicated, sorted by the last name on the account. This report will indicate adjustments to each account as requested by the Contract Administrator, as well as all skip-tracing activities and results.

   The following information shall be submitted ass directed by the Contract Administrator and shall be no less than monthly:

   a. A list of all payments made since the previous report, sorted by the last name on the account.

   b. A list of accounts against which collection efforts have begun, sorted by the last name on the account, including recommended actions to be taken regarding problem collection accounts.

   c. A Recovery Analysis Report showing the following:

      1) Every account's monthly collections for a historical period of up to two (2) years.

      2) The average age of each account at turnover, by month of turnover.

      3) Collections for the current month on aged accounts.

      4) Collections to date on aged accounts.

      5) Collections for the current month on current placements.

      6) Percentage collections on aged and new turnover.

      7) Overall collection dollars and percentages.

4. The Contractor shall not initiate any form of legal action without the expressed, written consent of the Contract Administrator or other designee appointed by the County. Where legal action is necessary, the County will provide witnesses, certified copies of official records, and other documentation required for prosecution.

   The Contractor shall be solely responsible for all costs or expenses, including but not limited to, attorney(s) fees and court costs incurred by the Contractor in the collection of the referred accounts.

5. The Contractor shall possess the following credentials at the time their bid is submitted:

    a. Satisfactory completion of at least one year of ground ambulance billing.

    b. Ability to electronically accept medical accounts referred by the County in accordance with the specification detailed in Exhibit B.

    c. Ability to bill commercial insurances in a valid 5010 electronic format.

    d. Ability to comply will all Health Insurance Portability and Accountability Act (HIPAA) requirements.

    e. Ability for the County to view account activity remotely and securely. The County shall be allowed to perform a Risk Assessment Audit at any time with or without advance notice.

B. Additional Information

1. Please ensure that any offers submitted via courier or US Mail includes a "wet" signature in the appropriate space, and is signed by someone with the authority to commit the firm to an agreement.

2. For offers submitted electronically:

    a. Only offers submitted electronically via Vendor Registry will be accepted.

    b. A "wet" signature is not required, however, responses submitted without a signature in the appropriate space on the Bid Form and signed by someone with the authority to commit the firm to an agreement shall be deemed non-responsive.

    c. The Bid Surety for all submittals shall be in the Office of Purchasing by the Bid Due Date and Time.

3. Approximately $6-7 million is being turned over annually. The most recent rate being paid for secondary collections was 15%. There are currently just over 19,000 accounts that make up the debt.

4. This solicitation is being offered because the previous firm, Affiliated Creditors, Inc. has declared bankruptcy, which means the County has no benchmark for rate of return.

5. The debt being collected is only from EMS debt.

6. Escambia County writes off debt once per year, typically prior to the end of the fiscal year at the end of September.

7. It is expected that there will be a backlog brought to the awarded vendor but there is no guarantee of quantity of accounts or debt amount.

8. Escambia County typically has approximately 32,000 runs annually. Primary Agency (County or designee) collections garners ~20%.

9. Transports are generally comprised of Medicare (~50%) and Self-Pay (~9%).

10. If payments are being made consistently, the Primary Agency (County or designee) retains the account. If an account has no activity for up to six (6) months, the account is moved to the Secondary Collections Agency.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check, or certified check in the amount of **$1,000.00**.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the check or bond is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by the contract as evidenced by signatures thereto by an authorized representative of both the Offeror and the County, and/or the Offeror accepts the Purchase Order by signing the Solicitation, Offer, and Bid Form and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of their cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com, or through Vendor Registry. The last day for questions will be September 24, 2020 at 5:00 PM CDT.

5. Bid Form

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted by either (**choose one method**):

- A sealed envelope, with Original (wet) signature in indelible ink and signed in the proper spaces by a person authorized to sign on behalf of the firm. Responses on Vendor forms will not be accepted. Firms electing to submit original forms shall also provide a complete copy of the bid response via CD or flash drive.
- Uploading to Vendor Registry a PDF of the signed Bid Form with Original signatures in indelible ink and signed in the proper spaces by a person authorized to sign on behalf of the firm. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

6. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will be held online via Microsoft Teams and will be hosted at the Office of Purchasing, 213 Palafox Place, Pensacola, Florida, 32502, on September 16, 2020 at 10:30 AM CDT.

Pre-Solicitation Audio & Video: Click Here

Bid Opening Audio Only: (863) 333-5817 **Conference ID:** 852 351 022#

It is strongly encouraged that all potential bidders attend this non-mandatory conference, so they can ask questions and be automatically notified of any updates prior to the Bid Opening.

**** Due to the current pandemic, all Escambia County offices are socially distancing. ****

This Pre-Solicitation Conference and Bid Opening will be held via Microsoft Teams, which is a free service and provides both video and audio-only capabilities. Please download the Microsoft Teams software to your device (PC, laptop, tablet, or smart phone) well in advance of the meeting so you are familiar with how to operate the program before the meeting. Video capabilities or a microphone are not required to listen to the meeting or submit questions via Microsoft Teams' chat feature.

In an effort to efficiently serve all meeting attendees, no meeting time will be dedicated to assisting vendors attempting to log into the meeting.

7. Codes and Regulations

The awarded vendor shall strictly comply with all federal laws, state statutes, and local ordinance related to this solicitation and resulting agreement.

8. Payment

The Contractor shall remit to the County all funds collected from County accounts. Payment in the full amount for the value of items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents showing the accounts collected, all monies collected and remitted to the County, and the Contractor's fee for services performed. Payment for accepted services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

9. Required Reports

Please see the Scope of Work, Section 3, above.

10. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of twelve (12) months. The contract may be renewed for additional twelve (12) month periods, up to a maximum thirty-six (36) months upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The contract may be canceled by the awarded vendor, for good cause, upon ninety (90) days prior written notice.

C. The County retains the right to terminate the contract, with or without good cause, upon (30) days prior written notice.

D. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

11. Evaluation of Options

The County shall evaluate offers for award purposes by adding the total price. However, the evaluation of options will not obligate the County to exercise the option(s).

12. Price Adjustment

The contract resulting from this Solicitation may include provisions for twelve (12) month, price adjustments. Written request for price adjustment may be made every twelve (12) months, no less than sixty (60) days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract approved by the Board of County Commissioners.

13. Changes – Service Contracts

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas.

A. Description of services to be performed

B. Time of performance (i.e., hours of the day, days of the week, etc.)

C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

14. Qualification of Offerors

This solicitation shall be awarded to a responsible, responsive Offeror, qualified by experience to provide the work specified. The Offeror shall submit the following information with their Offer:

A. Experience record showing the Offeror's training and experience in similar work.

B. List and brief description of similar work satisfactorily completed with location, dates of contact, names and addresses of owners.

C. List of equipment and facilities available to do the work.

D. List of personnel, by name and title, contemplated to perform this work.

Failure to submit the above requested information may be cause for rejection of your offer.

15. Licenses, Certifications, Registrations

The offeror shall at any time of bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certification, registrations, and any other requirements should be provided with the bid submission; and the offeror shall provide follow up evidence that as the contractor they maintain such credentials throughout the period of agreement.

16. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the offeror may withdraw his offer or provide a written extension of his offer.

17. Award

Award shall be made on an "all-or-none total" basis.

18. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded vendor, Escambia County may serve written notice upon the awarded vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

19. Termination (Services)

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring deficiencies within five (5) working days of notification by the Contract Administrator.

Upon the third such written notification of unsatisfactory performance and/or deficiencies to the contractor by the Office of Purchasing within a four (4) month period, or the sixth such notification within any contract term, shall result in issuance of written notice of immediate contract termination to the contractor by the Office of Purchasing. Such termination may also result in suspension or debarment of the contractor.

20. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is

finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work).

21. As Specified

All attempts to collect accounts shall meet the specifications herein. Accounts submitted not as specified will be returned at no expense to Escambia County. The County may return, for full credit, any accounts received which fail to meet the County's performance standards.

Non-Contract Insurance Requirements

22. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the level of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred", however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract, or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract, or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000.00 each accident and $100,000.00 each employee/$500,000.00 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract, or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of $1,000.00.
4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   213 Palafox Place, 2nd Floor
   Pensacola, FL 32591
   Email: Purchasing@myescambia.com

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less

coverage than required does not constitute a waiver of contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Fidelity/Dishonesty/Liability Coverage – for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

Professional Liability/Malpractice/Errors or Omissions Insurance

The contractor shall purchase and maintain professional liability or malpractice or errors or omissions insurance with minimum limits of $1,000,000.00 per occurrence.

If a claim made form of coverage is provided, the retroactive date of coverage shall be no later than the inception date of claims made coverage, unless the prior policy was extended indefinitely to cover prior acts.

Coverage shall be extended beyond the policy year either by a supplemental Extended Reporting Period (ERP) of as great duration as available, and with no less coverage and with reinstated aggregate limits, or by requiring that any new policy provide a retroactive date no later than the inception date of the claims made coverage.

Cyber Enterprise Liability Coverage

The Contractor shall purchase and maintain cyber enterprise liability coverage with a minimum limit of $5,000,000.00 per occurrence, and which includes but is not limited to ransomware, data breach, social engineering business interruption including extra expense, digital data recovery, network extortion, cyber privacy, network security liability, as well as electronic, social, and printed media liability. Cyber and Privacy policies shall cover the Contractor's business liability for data breach in which the personal information of the County's customers is exposed or stolen by a hacker or other criminal who has gained access to the Contractor's network.

23. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgements, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

COLLECTION AGENCY SERVICES AGREEMENT (SAMPLE)

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), whose address is 221 Palafox Place, Pensacola, Florida 32502, and _____ (hereinafter referred to as "Agency"), a _____ for-profit corporation authorized to transact business in the State of Florida, FEI/EIN _____, whose principal address is _____ (each at times referred to as "Party" or, collectively, as "Parties").

WITNESSETH:

WHEREAS, on _____, the County issued and Invitation to Bidders (PD ---------) seeking the services of an agency to perform collection services for past-due accounts of the County's Department of Public Safety, Division of Emergency Medical Services; and

WHEREAS, Agency was the most responsive and responsible bidder proposing to provide such collection services; and

WHEREAS, the County recognizes that the collection of such past-due monies owed to the County is essential to the financial safety and welfare of the residents of Escambia County; and

WHEREAS, the County desires to enter into an agreement with the Agency for the provision of such services as set forth herein.

NOW THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, County and Agency agree as follows:

ARTICLE 1
Recitals and Definitions

1.1 Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

1.2 Definitions. For the purpose of this Agreement, the following terms shall have the following meanings:

Administrator shall mean the County Administrator of the County or her designee. The Administrator is the administrative head of all departments and divisions of the County. In the administration of this contract, as contrasted with matters of policy, the Parties may rely upon instructions or determinations made by the Administrator or her designee.

Board of County Commissioners shall mean the Board of County Commissioners of Escambia County, Florida, which is the governing body of Escambia County.

Clerk of the Circuit Court shall mean the Clerk of the Circuit Court of Escambia County, Florida, which is a constitutional officer serving as Clerk of the Court and ex official clerk to the Board of County Commissioners, auditor, recorder and custodian of all County funds.

SAMPLE

Office of Management and Budget shall mean the Office of Management and Budget under the direction of the County Administrator.

Participating Departments shall mean all County departments or divisions authorized by the Administrator to refer accounts under this Agreement and the Clerk of the Circuit Court.

ARTICLE 2
Scope of Services

2.1 Collection of Accounts. Agency shall provide the following:

2.1.1 Agency shall serve as the collection agency for all accounts of the Department of Public Safety, Division of Emergency Medical Services (EMS) that are referred by the County.

2.1.2 Agency may also serve as a collection agency on accounts referred by the Clerk of the Circuit Court and accounts of other County departments referred by the County Administrator or participating department heads.

2.2 Minimum Collection Activity. For each account, Agency shall provide, at a minimum, as follows:

2.2.1 Upon initial assignment, Agency will immediately send a letter to each debtor. Within ten (10) calendar days of receipt of account, Agency shall attempt to call each debtor with a balance greater than $25.00.

2.2.2 Every account without a valid address possessing a balance of $25.00 or more will receive skip-tracing efforts.

2.2.3 Agency shall assess each account and continue activation with either a letter series or phone calls.

2.2.4 Agency shall monitor all account payments initiated.

2.3 Collection Methodology. Agency shall establish the collection methodology once a debtor is contacted. This methodology will include the appropriate telephone script to be utilized for court-related debt as well as other departmental debt. Every effort will be made to understand the nature of the specific debt so that this information can be utilized by our collection staff.

Agency will advise County of the methodology of all collection services and adhere to County's input. While the Agency shall remain responsible for compliance with applicable laws, the County expressly reserves the right to approve such collection methods utilized by the Agency for all County referred accounts.

2.4 Timeline for Collection. Unless the County should provide written notice to return an account, Agency shall retain all accounts until the expiration or termination of this Agreement. The County shall retain full discretion to remove an account at any time provided that County shall credit Agency with subsequent collections procured directly as a result of Agency's prior efforts.

2.5 Agency Collections. Agency will accept payments on all assigned accounts. Agency may not collect any interest, service, or carrying charges on any account unless otherwise instructed

SAMPLE

to do so in writing by the County. Agency shall be solely responsible for all costs or expenses, including, but not limited to, attorneys' fees and court costs incurred by the Agency in the collection of the referred accounts. Agency may arrange payment schedules within the debtor's current income and ability to pay.

Agency shall be allowed to bill any insurance(s) determined for any referred account, other than Medicare Part B, Florida Medicaid, or Alabama Medicaid. These accounts shall be returned to Escambia County EMS Billing Office for appropriate insurance billing.

2.6 Payments Received. Agency shall deposit all payments collected in an interest-bearing account and shall distribute such funds plus and interest accrued to the County on a monthly basis to the Clerk of the Circuit Court or Participating Departments as directed by the County. A separate accounting for each department shall be provided to the Clerk of the Circuit Court and copied to such Participating Department and the Office of Management and Budget. Agency shall, in turn, receive its collection fee based on the amount received from the debtor and the applicable rate.

2.7 Reporting Requirements.

2.7.1 Placement Summary Reports: Within two (2) business days of receiving a referral from the County, Agency shall acknowledge receipt of the account(s) by providing a Placement Summary Report, which at a minimum shall contain the account number and total dollar amount of the referral.

2.7.2 Monthly Reports: In a manner prescribed or acceptable to the County, Agency shall submit to each Participating Department, with copies to the office of Management and Budget, a monthly report with an alphabetical listing of all accounts, noting all payments collected since the prior report, noting any accounts against which collection efforts have commenced, recommending actions to be taken on problem accounts, and summarizing receipts and other actions on accounts by month of assignment. Agency shall submit each report no later than the 15th day following the month that is the subject of the report.

2.7.3 Uncollectable Accounts: On a monthly basis, Agency shall also submit to the Participating Departments a report of all accounts which, after making every reasonable effort to collect, Agency has deemed uncollectable. The report must contain, at a minimum, the debtor's name, the debtor's most recent address and telephone number, and the patient account number on EMS accounts. At the request of County, Agency shall further document its effort to collect any specific amount.

Agency shall make a determination and advise the County as to whether or not the debt may be recovered through litigation. Unless otherwise directed, Agency shall return such accounts to County and shall have no right to a commission for any sums thereafter collected upon these accounts. Such returns shall be made in a format acceptable to the County.

2.7.4 Quarterly Reports: No less than quarterly, Agency shall submit to Participating Departments, with copies to the Office of Budget and Management, a quarterly report to include a list of all open accounts and the status of such accounts including payments, requested adjustments, skip-tracing activities and results.

SAMPLE

2.7.5 Yearly Reports: On an annual basis, Agency shall furnish a report to each Participating Department summarizing the activity of all accounts during the preceding year.

2.7.6 Complaints: Agency shall provide County with a copy of any and all letter(s) of complaint within ten (10) calendar days of receipt by the Agency, and the County will provide Agency a copy of any notice of complaint received by it within ten (10) calendar days of receipt by the County Administrator.

Within thirty (30) calendar days of receipt of a complaint or notice of a complaint, Agency will provide a written report to the County informing the County Administrator of the disposition of each complaint. Minimum elements of the complaint report will include a statement of the complaint, results of the complaint investigation by Agency, identification of the collector(s) involved, and a positive statement of corrective action taken to avoid recurrence of such a complain in the future. Upon request of the County Administrator, Agency shall remove any employee from the future collection of County-referred accounts.

2.8 Quality Control. Agency agrees to maintain a quality assurance program for its employees including, but not be limited to, periodic instruction in the lawful and ethical practices of account collection. Additionally, Agency shall affirm that none of the Agency's Employees or Contractors is prohibited from doing business with the Centers for Medicare and Medicaid Services as evidence that they are routinely checked on a monthly basis against the Office of Inspector Generals' List of Excluded Individuals and Entities database.

2.9 Compliance with Laws. Agency shall at all times undertake to collect County-referred accounts through all ethical and lawful means. In the performance of this Agreement, Agency shall comply with all applicable Federal, State and local laws, rules, regulations or ordinances, and all current and future provisions required thereby to be included herein, are hereby incorporated by reference.

2.10 Suspension of Collection and Recall. Upon receiving written notice from the County, Agency shall immediately suspend collection efforts on any account referred for collection. Upon receiving written notice, Agency shall return any referred account, without charge or penalty to County, except the applicable fees earned to date. County reserves the right to reevaluate and to adjust, cancel, or recall any accounts referred to Agency.

2.11 Legal Action. Agency may initiate legal action only upon the express written consent of the County. Where legal action is necessary, the County will make reasonable efforts to provide witnesses, certified copies of official records, and other necessary documentation.

ARTICLE 3
Compensation and Method of Payment

3.1 Compensation. Agency shall be compensated for collection services as follows:

3.1.1 Primary Collection: Agency agrees to accept as full payment for services rendered for the collection of accounts referred by the Emergency Medical Services Department a sum equal to 15% of monies actually collected by Agency.

SAMPLE

3.1.2 Secondary Collection: Agency agrees to accept as full payment for services rendered for the collection of accounts that have been previously forwarded to a collection agency, a commission sum equal to 30% of monies actually collected by Agency.

3.1.3 Early-out Patient Pay Collection: Agency agrees to accept as full payment for services rendered for the collection of Patient Pay accounts submitted, within sixty (60) calendar days from date of service, a sum equal to 10% of monies actually collected by Agency.

3.2 Payment of Fees. Agency shall receive its fees following transmittal to the County of all monies collected in the manner provided in this agreement. Payments under this Agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

3.3 Fees for Direct Payments. County agrees that when an account is referred to Agency, Agency is entitled to the fees described herein without regard to whether payment is made to the County or the Agency. The Participating Department will notify the Agency of any direct payments made as a result of the Agency's efforts and will pay Agency the appropriate fee for all such direct payments. After notification of direct payments by County, Agency shall document such payments in its monthly reports. The fee for such payments shall be paid as provided in ¶3.2 above. The County will, upon request, verify payments on specific accounts and credit the Agency as specified above.

ARTICLE 4
Term and Termination

4.1 Term. This Agreement shall commence upon the date last executed and continue in effect for a term of twelve (12) months. This Agreement may be renewed for two (2) additional one (1) year terms. The parties may indicate their wish to extend this Agreement by providing written notice to the other party no later than thirty (30) days before the expiration of the initial or any subsequent one-year (1) term. In no event shall the Agreement extend beyond thirty-six (36) months in duration after exercising all options for renewal.

The Parties understand and agree that upon the expiration or termination of this Agreement, the County shall in no way be further obligated to Agency and shall not be impaired from negotiating with and contracting with any other publicly- or privately-owned entity wishing to offer collection services to County.

4.2 Termination.

4.2.1 Termination for Cause. The County reserves the right to immediately terminate this Agreement for cause upon the failure of Agency to fulfill in a timely and proper manner its obligations under this Agreement, including but not limited to, the violation of any state, federal or local laws and ordinances. In the event of a termination for cause, Agency will return all accounts to County.

4.2.2 Termination for Convenience. County reserves the right, at any time during the term (including without limitation, at the end of any one-year period), and for any reason whatsoever in County's sole discretion, to terminate this Agreement for convenience with respect to all or any portion of the collection services. County may exercise its right of termination for convenience by furnishing to Agency written notice of

SAMPLE

its election to do so, which notice shall specify the services that County has elected to remove from the scope and operation of this Agreement. The termination for convenience as to such services shall be effective thirty (30) calendar days following the date of the receipt of such notice by the Agency. In no event shall a termination for convenience be deemed a default by County under this Agreement, and a termination for convenience shall not subject the County to any penalty, claim for damages, liquidated damages or any other claim of any type by Agency.

ARTICLE 5
Indemnification and Insurance Requirements

5.1 Indemnification. Agency shall indemnify, defend, and hold harmless Escambia County, and it its officers, directors, employees, and affiliates, from and against any and all liability, loss, cost, or expense, including, without limitation, reasonable attorney's fees, arising out of or in connection with the negligence, recklessness, or wrongful misconduct of the Agency in the performance of its duties and obligations pursuant to this Agreement. The parties understand and agree that such indemnification by the Agency relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Agency's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Agency agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

5.2 Insurance.

5.2.1 The Agency is required to carry the following insurance:

a. Commercial General Liability, Form CG1, with $1,000,00 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies.

b. Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles.

c. Professional Liability with $1,000,000 per occurrence minimum limit.

d. Florida statutory Workers' Compensation.

5.2.2 It is understood and agreed by the Parties that in the event that the Agency consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

5.2.3 Agency agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least thirty (30) days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, 213 Palafox Place, Second Floor,

SAMPLE

Pensacola, FL 32502.

5.2.4 The Board of County Commissioners and Escambia County shall be endorsed as "additional insured" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, 213 Palafox Place, Second Floor, Pensacola, FL 32502 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

ARTICLE 6
Miscellaneous

6.1 Independent Contractor. In the performance of this Agreement hereunder, Agency shall at all times be acting in the capacity of an independent contractor. This Agreement is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture or association, as between County and Agency or as between Participating Departments and Agency. Agency understands and agrees that all persons furnishing services pursuant to this Agreement are, for purposes of Workers' Compensation liability, employees solely of Agency and not of the County.

6.2 Notices. All notices required or to be given hereunder shall be in writing to the addresses below and shall be deemed to be been properly given on the third day after being deposited in the United States mail, with adequate postage, and sent by registered or certified mail with return receipt request, to the appropriate part, or when delivered after being deposited with a nationally recognized overnight courier such as Federal Express, Express Mail, or other overnight delivery service for next-day delivery:

COUNTY:
Office of the County Administrator
Attn: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

AGENCY:

Rejection, or other refusal by the addresses to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

6.3 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

6.4 Public Records. The Agency acknowledges that this agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Agency shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Agency shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Agency agrees

SAMPLE

to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Agency fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Agency seven (7) days written notice, during which period the Agency still fails to allow access to such documents, terminate the Agreement.

IF THE AGENCY HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE AGENCY'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

6.5 Confidentiality. All information not subject to disclosure under the Public Records Act that is acquired by Agency in the course of performing services under this Agreement shall be confidential, and shall not be open to examination for any purpose without prior approval of County.

6.6 Entire Agreement. This Agreement represents the entire and integrated agreement between the County and Agency and supersedes all prior negotiation, representations, or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both Agency and the authorized representative of the County.

6.7 Compliance with Laws. Agency represents that at the time it executes this Agreement it possesses all licenses required by law to operate as a collection agency in the State of Florida, and in carrying out the terms of this Agreement, Agency agrees to comply with all applicable local, state and federal laws, rules or regulations. Specific to Protected Healthcare Information (PHI) submitted between the County and Agency, the Agency shall comply with all applicable provisions of the Health Insurance Portability and Accountability Act (HIPAA).

6.8 Assignment. Agency shall not assign the Agreement or monies due or to become due hereunder without prior written consent of the County. Violation of this provision shall be grounds for termination of the Agreement for cause and the attempted assignment shall be null and void.

6.9 Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafter or prepared any or all of the terms and provisions hereof.

6.10 Waiver No waiver of a breach or any provision of this Agreement by either party shall constitute a waiver of any other breach of said provision or any other provision of this Agreement. Failure of either party to enforce at any time, or from time to time, any provision of

SAMPLE

this Agreement, shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and additional to any other remedies in law or equity.

6.11 Use of County Seal or Letterhead. Agency shall not use or display the official seal of Escambia County or County letterheads on the communications with any debtor without having previously obtained written authorization from the County Administrator.

6.12 Data Linkup. Agency shall establish a data linkup, which will allow County access to information on all accounts indicating the collection efforts made, arrangements established, and monies received. At Agency's own expense, Agency shall provide, install, and maintain a personal computer (PC) and modem for County access to Agency's system. The PC will be placed at a location as determined by the County Administrator. All information will be noted on the accounts placed for collection including financial notes, letter noted, telephone conversation notes, and skip-tracing notes. Training on the use of the system will be provided to County personnel upon request. Agency will bear all associated costs including standard resources, hardware, software, installation and training.

6.13 Records. Agency shall maintain records as provided below:

6.13.1 Record Retention and Inspection: Agency agrees that the County Administrator or any duly authorized representative without advance notice shall have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, time cards, or other records relating to this Agreement during normal working hours. Such material, including all pertinent cost, accounting, financial records and propriety data, must be kept and maintained by Agency for a period of five (5) years after completion of this Agreement unless County's written permission is given to dispose of material prior to this time.

6.13.2 Files and Records: Agency shall maintain a file on each account containing a record of any and all phone calls, letters, and any other contacts made with the client or third party regarding an account. All such records shall be made available by Agency at a mutually agreeable location in Escambia Count, during the County's normal business hours to representatives of the County for purposes of inspection or audit.

6.13.3 Audit Settlement: If, at any time during the term of this Agreement or at any time after the expiration or termination of this Agreement, authorized representatives of County Conduct an audit of Agency regarding the services provided to County hereunder and if such audit finds that County's dollar liability for such services is less than commission paid or owed by County to Agency, then Agency agrees that the difference shall be (1) repaid forthwith by Agency to County by cash payment or (2) at the County's option, credited against any future commission to be paid hereunder to Agency. In addition, Agency shall bear the cost of the audit, including personnel costs, up to the amount of the discrepancy. If such audit finds that County's dollar liability for services provided hereunder is more than fees paid by County to Agency, then the difference shall be paid to Agency and the County will bear its own costs in conducting the audit.

6.14 Credit Reports. If mutually agreed upon by Agency and County, Agency shall report particular accounts or categories of accounts to participating credit bureaus; provided however, Agency need not take any such action is deems unlawful or actionable and shall retain the responsibility of determining the propriety of such acts.

SAMPLE

6.15 Attachment. Agency may utilize the attachment process to enforce a judgement or collect an assigned amount.

6.16 Referral Discretionary. It shall be in County's discretion to refer or not to refer accounts to Agency. The existence of this Agreement does not in any way constitute a guarantee of referrals for collection by Agency, and County retains the option to collect its own debts.

6.17 Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

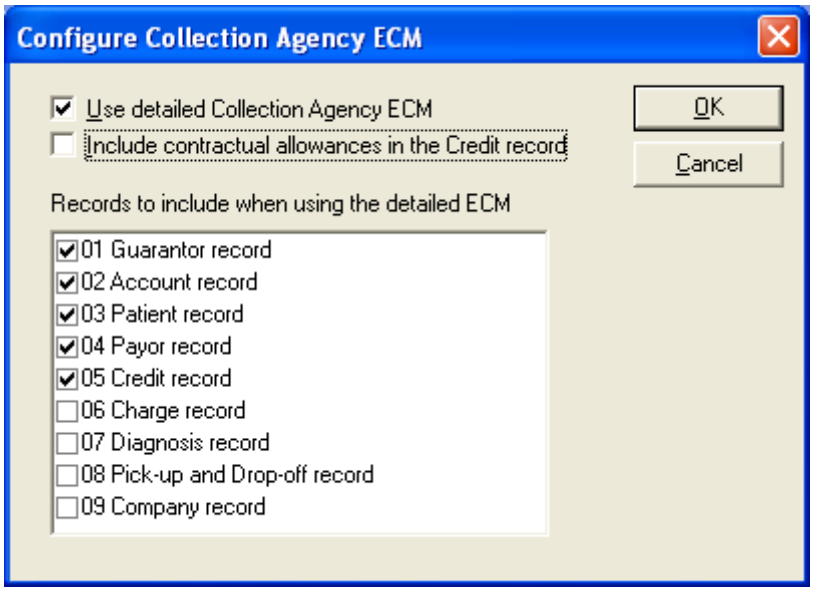
RescueNet

Configuring the Collection Agency ECM



You can use the Collection Agency ECM to create an export file from RescueNet Billing for use by a collection agency. The export file is an ASCII file that can be transmitted via modem, email, BBS, or diskette to the collection agency.

You can generate either a basic or detailed set of data.

Basic or detailed

By default, this ECM generates a basic set of data

1. If you want to generate a detailed set of data, select the **Use detailed standard collection ECM** option.

2. To include contractual allowances in the calculation of the value in the Other Credits field on the output, select **Include contractual allowance in the Credit record**.
3. Select the records you want to have included on the output.

ASCII file data layout - basic

Record Length = 2,339 bytes. Each line is followed by a carriage return + line feed combination.

Important! On 9/7/2005, a special forms update was released (for 3.80, special forms update version 3.8.0.1111 or later; for 3.70, special forms update version 3.7.3.632 or later). The update changes to the way pick-up and drop-off address information is output in record 08 of the detailed Collection Agency ECM.

Previously, the number of fields output in record 08 depended on whether the addresses include Apt/Ste/Rm address information. Now, if an address doesn't include Apt/Ste/Rm address information, that field will be output as blank. So the number of fields output in record 08 will always be 13.

You must inform your collection agency of this format change to ensure that they can successfully interpret address records you send using this new format.

ADDENDUM NUMBER 4:

Re: PD 19-20.094 Re-Solicit Secondary Collections Agency for Public Safety and EMS

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 4 provides for a clarification regarding the following question:

Question: Please clarify how old the accounts will be when placed. Will they be a year old, six months old, or 120 days old?

Answer: With our current policy, the bad debt approval goes to the Board of County Commissioners once a year. Therefore some account aging would cover 120 days - one year. The selected collection agency would have to work those accounts. All accounts would need to appear on the patient's credit report. For accounts aging under one year old, the patient possible may provide their health insurance information to be file. Depending on the timeline, some claims may not be able to file to health insurance.

This Addendum Number 4 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photocopy this form for your records. If your firm has already submitted a proposal response and this Addendum 4 has no impact on the proposal, you are welcome to email your acknowledgement of this form.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18827 **County Administrator's Report 10. 47.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 11/05/2020
Issue: Award the First of Two Possible One-Year Renewal Periods for PD 18-19.108, Waste Tire Removal and Recycling/Disposal Services
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Award of the First of Two Possible One-Year Renewal Periods for PD 18-19.108, Waste Tire Removal and Recycling/Disposal Services - Pat Johnson, Waste Services Department Director through Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board take the following action:

A. Approve the requested price increase from $80.00 per load to $85.00 per ton.

B. Approve the utilization of the first of two one-year renewal periods as stated in Section 2 of the executed Indefinite Quantity/Indefinite Amount Agreement, and authorize the County Administrator to sign any related documents.

Vendor	Funding	Amount	Contract Number
Little Tire Hauling, Inc.	Fund 401, Solid Waste Fund; Cost Center 230306, Recycling; Object Code 53401, Other Contractual Services	$75,000	PD 18-19.108

NON-ADA-COMPLIANT DOCUMENTS TO BE DISTRIBUTED UNDER SEPARATE COVER:

- Original Agreement

BACKGROUND:

The vendor bid on the previous contract lowering fees in anticipation of increased tire tonnage from the Waste Services Landfill Mining Project. The vendor stayed with the original bid price for all of Fiscal Year 2019-2020. Waste Services considers the vendor's request for an increase from $80.00/ton to $85.00/ton for this Fiscal Year to be legitimate.

Specifications for PD 18-19.108, Escambia County Waste Services Department purchase of tire removal services, was posted in Vendor Registry on August 27, 2019. The solicitation was issued to 85 registrants representing 63 firms. 19 firms viewed the solicitation and 14 downloaded the solicitation. On September 16, 2019, two bid responses were received and Little Tire Hauling, Inc., was deemed the lowest, most responsive and responsible bidder.

BUDGETARY IMPACT:

Vendor	Funding	Amount	Contract Number
Little Tire Hauling, Inc.	Fund 401, Solid Waste Fund; Cost Center 230306, Recycling; Object Code 53401, Other Contractual Services	$75,000	PD 18-19.108

LEGAL CONSIDERATIONS/SIGN-OFF:

The Agreement was prepared by Kristin Hual, Senior Assistant County Attorney.

PERSONNEL:

All work associated with this Recommendation was done in-house and no additional staff was required.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the Code of Ordinances of Escambia County, Florida 1999, Chapter 46, Finance, Article II, Section 46-44.

IMPLEMENTATION/COORDINATION:

The Office of Purchasing will notify the firm of the renewal and issue the Purchase Order. The Facilities Department will be the Contract Administrator.

SLK

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to Vendors of the local Vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and

2. Holds any business license required by Escambia County or Santa Rosa County, and

3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any Vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification and shall have the sole discretion to determine if a Vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **Community Redevelopment Area (CRA)** is within **seven percent (7%)** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **three percent (3%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within **two percent (2%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **four percent (4%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not

fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to Vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.

3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A Vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any Vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the

County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded, and the County may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A),
FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And (if applicable) its Federal Employer Identification Number (FEIN) is:

_____

If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with a convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that is not in the public interest to place the entity submitting this sworn statement on the convicted Vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY INDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.108, "Re-Solicit Waste Tire Recycling/Disposal", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the Bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. <u>Sanctions</u>

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Scope of Work

Annual Fixed Price Contract for Waste Tire Removal and Recycling/Disposal from the Escambia County Waste Service (WS) Waste Tire Collection Center (WTCC) located at 13009 Beulah Road, Cantonment, Florida. Service will be provided on a weekly basis.

A. Detailed Description of Work:

The purpose and scope of these specifications are to establish the requirements for a contract to remove waste tires including tires with rims, commercial truck tires, tractor tires, and off-road heavy equipment tires.

Recycling of Waste Tires - The Contractor will remove 100% of waste tires, including tires with rims, accumulated at the WS WTCC, on a weekly basis for processing as a recyclable commodity when recycling services are available. The waste tire recycling process will qualify as recycling as determined by the WS.

It is the responsibility of the bidder to become familiar with and determine the nature and conditions affecting the deposition of waste tires at the WS.

The Contractor shall provide, at his own expense, all labor, insurance, supervision, machinery and equipment, plant buildings, trucks, other tools, equipment and accessories and things necessary to maintain the standards of the project performance set forth herein.

The WS receives approximately 120 tons of tires per month on a regular basis during Landfill Mining. Tires will be weighed on the certified scales at the Perdido Landfill and invoices shall be based on the net weight. A copy of the Scale House tickets shall accompany each invoice. There will be no charge for use of the Perdido Landfill scales. Stored tare weights of Contractor equipment will be recorded at the PLF Scale House.

It is the County's best forecast that the waste tire flow to the WS will continue to be approximately 120 tons of tires per month during the Landfill Mining project, but the County makes no guarantee as to future quantities. This solicitation is for removal of whatever quantity of waste tires the County receives. The County assumes that the Bidder is fully aware of this situation.

The Contractor will be expected to provide all necessary equipment, personnel, power sources and associated logistic needs to remove all tires at the WS including tires with or without rims, commercial truck, tractor and off-road heavy equipment tires. The Contractor will be expected to provide enough vehicles to move the waste tires from the storage area to the Scale House for weighing.

The Contractor will be expected to remove all tires stockpiled on a weekly basis in accordance with the provisions of the Florida Division of Environmental Protection Waste Tire Rule 62-711 FAC.

B. County Responsibility and Rights:

The County agrees to provide the Contractor access to the WTCC at the WS or any other Solid Waste Management Facility as deemed appropriate by the Escambia County WS and maintain roads such that access to the storage site is safe and efficient.

The County has the right to inspect the bidder's facility at any time during normal working hours. Proof of current Florida Department of Environmental Protection (FDEP) and Alabama Department of Environmental Protection (ADEM) Waste Tire Hauling Permit required as needed depending on destination. Disclosure is needed of Contractor's final destination with WS waste tires to a FDEP/ADEM permitted recycling/disposal site.

The County shall remit payment to the vendor within 30 days after receipt of invoice. The Contractor shall bill Escambia County for waste tires hauled from the WS for the previous month. The County will provide onsite weighing of the Contractor's loaded whole tires at not cost to the Contractor.

Escambia County reserves the right to engage alternate vendors for similar work, as needed, on an emergency basis. The County shall determine designation of an emergency.

County staff will load the contractor's trailer directly at the WS WTCC, using County equipment.

C. Contractors Responsibility and Duties:

The Contractor will provide all equipment, vehicles, personnel, power sources, maintenance and any other required logistic support to accomplish the removal of waste tires. The Contractor shall provide Escambia County with a 90-100 cubic yard open-top trailer suitable for collection and storage of tires at the WS. The Contractor will deliver an empty trailer and collect the full trailer. County staff will load the trailer. Live loading services will not be offered.

The Contractor will invoice Escambia County monthly for completion of work performed.

The Contractor shall be responsible for damages for any loss, damage or injury, together with costs and expenses incidental thereto, including attorney's fees, arising out of or due to the negligence of the Contractor, his agents or employees, in the operation of the tire removal project.

The Contractor shall provide the County with a detailed list of the disposition of all waste tires removed from the WS's WTCC, or any other Solid Waste Management Facility as deemed appropriate by the Escambia County WS.

D. Option:

As an option, the Contractor would bring an empty trailer to a designated Escambia County location. The County would live load the trailer and then the contractor would leave the site.

The Contractor will provide all equipment, vehicles, personnel, power sources, maintenance and any other required logistic support to accomplish the removal of waste tires.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **$500 (five hundred)**.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form/acceptance copy of same and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Performance and Payment Bonds

The County **shall** require the successful Offeror(s) to furnish **separate performance and payment bonds**, under pledge of adequate surety and covering up to **100% of the dollar value of award** on the forms provided by the County. Such bonds shall be issued by sureties authorized to act as a surety by the State of Florida. Bonds of the successful Offeror(s) shall be reviewed by the Office of Purchasing to assure compliance, then recorded in the Office of the Clerk of the Circuit Court Recording Office, 1st Floor, 221 Palafox Place, Pensacola, Florida, by the successful Offeror at his expense before the contract is executed. The cost of recording is $10.00 for the first page and $8.50 for each additional page.

5. Procurement Questions

Questions shall be directed to Savannah Kruse, Purchasing Specialist, at Slkruse@myescambia.com. Last day for questions will be September 9, 2019 at 5:00 p.m. CDT.

6. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope, in duplicate with Original signatures in indelible ink signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

7. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will not be necessary.

Inspection of Facilities: It is the Offeror's responsibility to become fully informed as to where items are to be installed and/or the nature and extent of the work required and its relation to any other work in the area, including possible interference from other site activities. Arrangements for Offeror's inspection of facilities and/or activity schedules may be secured from >, phone >. Failure to visually inspect the facilities may be cause for disqualification of your offer.

8. Codes and Regulations

The awarded Vendor shall strictly comply with all federal, state and local environmental and safety codes.

9. Payment

Partial payments in the full amount for the value of items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents if required. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

10. Debris

Awarded Vendor shall be responsible for the prompt removal of all debris, which is a result of this contractual service.

11. Protection of Property/Security

The awarded Vendor shall provide all barricades and take all necessary precautions to protect project area and personnel.

All work shall be completed in every respect and accomplished in a professional manner and awarded Vendor shall provide for removal of all debris from County property.

The awarded Vendor shall at all times guard against damage or loss to property of Escambia County, or of other Vendors or contractors, and shall be held responsible for

replacing or repairing any such loss or damage.

The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded Offeror or his agent.

The awarded Vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

12. Compliance with Governing Laws and Regulations

The Offeror or contractor will be required to fully comply with all applicable federal, state, and local regulations.

13. Contract Term and Renewal

The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of twelve (12) months. The contract may be renewed for additional twelve (12) month periods, up to a maximum thirty-six (36) months upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

14. Price Adjustment

The contract resulting from this Solicitation may include provisions for twelve (12) month, price adjustments. Written request for price adjustment may be made every twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the Vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract and approved by the Board of County Commissioners.

15. Purchasing Agreements with other Government Agencies

The submission of any offer in response to this Solicitation constitutes an offer made under the same terms and conditions, for the same contract price, to other governmental agencies within Escambia, Santa Rosa Counties, unless otherwise stipulated by the Offeror on the Bid form.

Each governmental agency desiring to accept these offers, and make an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases and each shall be liable only for materials ordered and received by it, and no agency assumes any liability by virtue of this solicitation.

16. Changes - Service Contracts

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

A. Description of services to be performed.

B. Time of performance (i.e., hours of the day, days of the week, etc.).

C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

17. Termination

A. The contract may be canceled by the contractor, for good cause, upon ninety (90) days prior written notice.

B. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

C. In the event of termination by either party as provided herein, the awarded Vendor shall be paid for services performed through the date of termination.

18. Licenses, Certifications, Registrations

The Offeror shall at any time of Bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the Bid submission; and, the Offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

19. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

20. Award

Award shall be made on an "all-or-none total" basis.

21. Termination (Services)

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring deficiencies within five (5) working days of notification by the Contract Administrator.

Upon the third such written notification of unsatisfactory performance and/or deficiencies to the contractor by the Office of Purchasing within a four (4) month period; or the sixth such notification within any contract term, shall result in issuance of written notice of immediate contract termination to the contractor by the Office of Purchasing. Such termination may also result in suspension or debarment of the contractor.

22. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

Non-Contract Insurance Requirements

23. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor’s work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Savannah Kruse, Purchasing Specialist
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Fidelity/Dishonesty/Liability Coverage - for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

Pollution/Environmental Impairment Liability Coverage

Pollution/environmental impairment liability insurance is to be purchased to cover pollution and/or environmental impairment which may arise from this agreement or contract.

24. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement.

The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

AGREEMENT RELATING TO WASTE TIRE REMOVAL AND RECYCLING/DISPOSAL SERVICES (PD 18-19.108)

THIS AGREEMENT is made and entered into by and between Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County**"**), whose mailing address is 221 Palafox Place, Pensacola, Florida 32502, and Little Tire Hauling, Inc. (hereinafter referred to as "Contractor"), a foreign for profit corporation authorized to conduct business in the State of Florida, FEI/EIN 63-1267077, whose principal address is 17226 LTRC Lane, Andalusia, AL 36420.

WITNESSETH:

WHEREAS, on or about August 27, 2019, the County issued an Invitation to Bid (PD 18-19.108) seeking the services of a contractor to perform waste tire removal and recycling/disposal services; and

WHEREAS, the Contractor was the most responsive and responsible bidder proposing to provide such services; and

WHEREAS, the County desires to enter into an agreement with the Contractor for the provision of such services as set forth herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence as of the date last executed and continue for a term of twelve (12) months. Upon mutual agreement of the parties, the Agreement may be renewed for two additional twelve (12) month terms. The total duration of this agreement shall not exceed the duration of thirty-six (36) months.

3. Scope. Contractor agrees to perform in accordance with the terms and conditions as outlined in Escambia County's *Invitation to Bid "Re-Solicit Waste Tire Recycling/Disposal," Specification No. P.D. 18-19.108*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibits referenced in this Agreement, the terms of this Agreement shall prevail.

4. Compensation. In exchange for Contractor's provision of the scope of services referenced in Section 3 above, County shall pay Contractor at a fixed rate of $80.00 per ton as provided in the Contractor's bid form attached hereto as **Exhibit B.**

5. Method of Payment/Billing. Contractor may request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of services rendered and accepted with appropriate supporting documentation. Invoices shall be submitted in duplicate to the following:

Clerk of the Circuit Court
Attn: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Florida Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

6. Termination. This Agreement may be immediately terminated for cause by the County or for convenience upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the Contractor shall be paid for services provided through the date of termination.

7. Indemnification. Contractor shall indemnify, defend, and hold harmless Escambia County, and its officers, directors, employees, and affiliates, from and against any and all liability, loss, cost, or expense including, without limitation, reasonable attorney's fees, arising out of or in connection with the negligence, recklessness, or wrongful misconduct of Contractor in the performance of its duties and obligations pursuant to this Agreement. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

8. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;

(c) Pollution/Environmental Impairment Liability; and

(d) Florida statutory Workers' Compensation.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to conduct business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32591.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32591 prior to commencement of any work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

9. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent, or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

10. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Little Tire Hauling, Inc.	To: Escambia County
Attention: President	Attention: County Administrator
17226 LTRC Lane	221 Palafox Place, Suite 420
Andalusia, AL 36420	Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Either party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

11 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

12. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

13. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

14. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Florida Statutes.

15. Permits, Licenses and Taxes.

a) All permits and licenses necessary for the performance of the agreement shall be procured and paid for by Contractor. All permits or fees, including but not limited to, all license fees, permit fees, impact fees or inspection fees payable by Contractor to County have been disclosed to Contractor in the bidding documents at the time the project was let for bid. If Contractor performs any work without obtaining, or contrary to, any such permits or licenses necessary for the performance of the agreement, Contractor shall bear all costs arising therefrom. Contractor shall pay all governmental charges and inspection fees necessary for the performance of the agreement.

b) Contractor shall pay all sales, consumer, use and other similar taxes associated with the work or portions thereof, which are applicable during the performance of the work.

16. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

17. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

18. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

SLK

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to Vendors of the local Vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and

2. Holds any business license required by Escambia County or Santa Rosa County, and

3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any Vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification and shall have the sole discretion to determine if a Vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **Community Redevelopment Area (CRA)** is within **seven percent (7%)** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **three percent (3%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within **two percent (2%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **four percent (4%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not

fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to Vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.

3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A Vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any Vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the

County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded, and the County may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A),
FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And (if applicable) its Federal Employer Identification Number (FEIN) is:

_____

If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with a convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that is not in the public interest to place the entity submitting this sworn statement on the convicted Vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY INDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.108, "Re-Solicit Waste Tire Recycling/Disposal", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the Bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. <u>Sanctions</u>

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Scope of Work

Annual Fixed Price Contract for Waste Tire Removal and Recycling/Disposal from the Escambia County Waste Service (WS) Waste Tire Collection Center (WTCC) located at 13009 Beulah Road, Cantonment, Florida. Service will be provided on a weekly basis.

A. Detailed Description of Work:

The purpose and scope of these specifications are to establish the requirements for a contract to remove waste tires including tires with rims, commercial truck tires, tractor tires, and off-road heavy equipment tires.

Recycling of Waste Tires - The Contractor will remove 100% of waste tires, including tires with rims, accumulated at the WS WTCC, on a weekly basis for processing as a recyclable commodity when recycling services are available. The waste tire recycling process will qualify as recycling as determined by the WS.

It is the responsibility of the bidder to become familiar with and determine the nature and conditions affecting the deposition of waste tires at the WS.

The Contractor shall provide, at his own expense, all labor, insurance, supervision, machinery and equipment, plant buildings, trucks, other tools, equipment and accessories and things necessary to maintain the standards of the project performance set forth herein.

The WS receives approximately 120 tons of tires per month on a regular basis during Landfill Mining. Tires will be weighed on the certified scales at the Perdido Landfill and invoices shall be based on the net weight. A copy of the Scale House tickets shall accompany each invoice. There will be no charge for use of the Perdido Landfill scales. Stored tare weights of Contractor equipment will be recorded at the PLF Scale House.

It is the County's best forecast that the waste tire flow to the WS will continue to be approximately 120 tons of tires per month during the Landfill Mining project, but the County makes no guarantee as to future quantities. This solicitation is for removal of whatever quantity of waste tires the County receives. The County assumes that the Bidder is fully aware of this situation.

The Contractor will be expected to provide all necessary equipment, personnel, power sources and associated logistic needs to remove all tires at the WS including tires with or without rims, commercial truck, tractor and off-road heavy equipment tires. The Contractor will be expected to provide enough vehicles to move the waste tires from the storage area to the Scale House for weighing.

The Contractor will be expected to remove all tires stockpiled on a weekly basis in accordance with the provisions of the Florida Division of Environmental Protection Waste Tire Rule 62-711 FAC.

B. County Responsibility and Rights:

The County agrees to provide the Contractor access to the WTCC at the WS or any other Solid Waste Management Facility as deemed appropriate by the Escambia County WS and maintain roads such that access to the storage site is safe and efficient.

The County has the right to inspect the bidder's facility at any time during normal working hours. Proof of current Florida Department of Environmental Protection (FDEP) and Alabama Department of Environmental Protection (ADEM) Waste Tire Hauling Permit required as needed depending on destination. Disclosure is needed of Contractor's final destination with WS waste tires to a FDEP/ADEM permitted recycling/disposal site.

The County shall remit payment to the vendor within 30 days after receipt of invoice. The Contractor shall bill Escambia County for waste tires hauled from the WS for the previous month. The County will provide onsite weighing of the Contractor's loaded whole tires at not cost to the Contractor.

Escambia County reserves the right to engage alternate vendors for similar work, as needed, on an emergency basis. The County shall determine designation of an emergency.

County staff will load the contractor's trailer directly at the WS WTCC, using County equipment.

C. Contractors Responsibility and Duties:

The Contractor will provide all equipment, vehicles, personnel, power sources, maintenance and any other required logistic support to accomplish the removal of waste tires. The Contractor shall provide Escambia County with a 90-100 cubic yard open-top trailer suitable for collection and storage of tires at the WS. The Contractor will deliver an empty trailer and collect the full trailer. County staff will load the trailer. Live loading services will not be offered.

The Contractor will invoice Escambia County monthly for completion of work performed.

The Contractor shall be responsible for damages for any loss, damage or injury, together with costs and expenses incidental thereto, including attorney's fees, arising out of or due to the negligence of the Contractor, his agents or employees, in the operation of the tire removal project.

The Contractor shall provide the County with a detailed list of the disposition of all waste tires removed from the WS's WTCC, or any other Solid Waste Management Facility as deemed appropriate by the Escambia County WS.

D. Option:

As an option, the Contractor would bring an empty trailer to a designated Escambia County location. The County would live load the trailer and then the contractor would leave the site.

The Contractor will provide all equipment, vehicles, personnel, power sources, maintenance and any other required logistic support to accomplish the removal of waste tires.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **$500 (five hundred)**.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form/acceptance copy of same and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Performance and Payment Bonds

The County **shall** require the successful Offeror(s) to furnish **separate performance and payment bonds**, under pledge of adequate surety and covering up to **100% of the dollar value of award** on the forms provided by the County. Such bonds shall be issued by sureties authorized to act as a surety by the State of Florida. Bonds of the successful Offeror(s) shall be reviewed by the Office of Purchasing to assure compliance, then recorded in the Office of the Clerk of the Circuit Court Recording Office, 1st Floor, 221 Palafox Place, Pensacola, Florida, by the successful Offeror at his expense before the contract is executed. The cost of recording is $10.00 for the first page and $8.50 for each additional page.

5. Procurement Questions

Questions shall be directed to Savannah Kruse, Purchasing Specialist, at Slkruse@myescambia.com. Last day for questions will be September 9, 2019 at 5:00 p.m. CDT.

6. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope, in duplicate with Original signatures in indelible ink signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

7. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will not be necessary.

Inspection of Facilities: It is the Offeror's responsibility to become fully informed as to where items are to be installed and/or the nature and extent of the work required and its relation to any other work in the area, including possible interference from other site activities. Arrangements for Offeror's inspection of facilities and/or activity schedules may be secured from >, phone >. Failure to visually inspect the facilities may be cause for disqualification of your offer.

8. Codes and Regulations

The awarded Vendor shall strictly comply with all federal, state and local environmental and safety codes.

9. Payment

Partial payments in the full amount for the value of items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents if required. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

10. Debris

Awarded Vendor shall be responsible for the prompt removal of all debris, which is a result of this contractual service.

11. Protection of Property/Security

The awarded Vendor shall provide all barricades and take all necessary precautions to protect project area and personnel.

All work shall be completed in every respect and accomplished in a professional manner and awarded Vendor shall provide for removal of all debris from County property.

The awarded Vendor shall at all times guard against damage or loss to property of Escambia County, or of other Vendors or contractors, and shall be held responsible for

replacing or repairing any such loss or damage.

The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded Offeror or his agent.

The awarded Vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

12. Compliance with Governing Laws and Regulations

The Offeror or contractor will be required to fully comply with all applicable federal, state, and local regulations.

13. Contract Term and Renewal

The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of twelve (12) months. The contract may be renewed for additional twelve (12) month periods, up to a maximum thirty-six (36) months upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

14. Price Adjustment

The contract resulting from this Solicitation may include provisions for twelve (12) month, price adjustments. Written request for price adjustment may be made every twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the Vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract and approved by the Board of County Commissioners.

15. Purchasing Agreements with other Government Agencies

The submission of any offer in response to this Solicitation constitutes an offer made under the same terms and conditions, for the same contract price, to other governmental agencies within Escambia, Santa Rosa Counties, unless otherwise stipulated by the Offeror on the Bid form.

Each governmental agency desiring to accept these offers, and make an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases and each shall be liable only for materials ordered and received by it, and no agency assumes any liability by virtue of this solicitation.

16. Changes - Service Contracts

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

A. Description of services to be performed.

B. Time of performance (i.e., hours of the day, days of the week, etc.).

C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

17. Termination

A. The contract may be canceled by the contractor, for good cause, upon ninety (90) days prior written notice.

B. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

C. In the event of termination by either party as provided herein, the awarded Vendor shall be paid for services performed through the date of termination.

18. Licenses, Certifications, Registrations

The Offeror shall at any time of Bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the Bid submission; and, the Offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

19. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

20. Award

Award shall be made on an "all-or-none total" basis.

21. Termination (Services)

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring deficiencies within five (5) working days of notification by the Contract Administrator.

Upon the third such written notification of unsatisfactory performance and/or deficiencies to the contractor by the Office of Purchasing within a four (4) month period; or the sixth such notification within any contract term, shall result in issuance of written notice of immediate contract termination to the contractor by the Office of Purchasing. Such termination may also result in suspension or debarment of the contractor.

22. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

Non-Contract Insurance Requirements

23. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor’s work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Savannah Kruse, Purchasing Specialist
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Fidelity/Dishonesty/Liability Coverage - for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

Pollution/Environmental Impairment Liability Coverage

Pollution/environmental impairment liability insurance is to be purchased to cover pollution and/or environmental impairment which may arise from this agreement or contract.

24. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement.

The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

Mr. Jeff Lovingood
Escambia County Landfill

When Little Tire Hauling bid on the contract for the Escambia County Landfill in 2019 we lowered our bid because we were expecting the mining of old tires to be approved. Since that was not the case, I would like to increase our bid to $85 per ton. Should you feel the need to open the bid to the public again I will be happy to submit another formal bid.

If you have any questions or need additional information please feel free to contact me.

BACKGROUND:

The Pensacola Beach Master Plan - Access Roadway Improvements Project is a roadway upgrade project located on Pensacola Beach. The project includes demolition and debris removal, utility relocation, shifting the alignment of a portion of Pensacola Beach Boulevard to the west, extending and resurfacing the existing service roadway from Bob Sikes Bridge to the Quietwater Beach Restrooms, driveway relocation, construction of new improved parking at Quietwater Beach, extension of the existing multi-use path, stormwater runoff improvements, pedestrian access, the relocation of lighting and transformers within the right-of-way, and the milling and resurfacing of a portion of Pensacola Beach Boulevard.

PD 19-20.093, Pensacola Beach Access Road Improvements was publicly noticed to 77 firms (representing 206 emails) on August 25, 2020. A non-mandatory pre-solicitation conference was held on September 2, 2020. Five firms were represented at this meeting. Five bids were received on October 23, 2020. All five bids were received electronicly. All five were responsive to the terms and conditions of the solicitation. Panhandle Grading & Paving, Inc. was the lowest most responsive and responsible bidder.

SPECIAL ACCOMMODATIONS:
Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing (850-595-4980) at least five (5) working days prior to the solicitation opening.

Notice

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee Vendor until such time as the contract is executed by the last party to the transaction.

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to Vendors of the local Vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and

2. Holds any business license required by Escambia County or Santa Rosa County, and

3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any Vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification and shall have the sole discretion to determine if a Vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **Community Redevelopment Area (CRA)** is within **seven percent (7%)** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **three percent (3%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within **two percent (2%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **four percent (4%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to Vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.

3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A Vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any Vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded, and the County may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A),
FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And (if applicable) its Federal Employer Identification Number (FEIN) is:

_____

If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with a convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that is not in the public interest to place the entity submitting this sworn statement on the convicted Vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY INDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 19-20.093, "Pensacola Beach Access Road Improvements", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the «BidProposal»s for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. <u>Sanctions</u>

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Scope of Work

The Pensacola Beach Master Plan - Access Roadway Improvements Project is a roadway upgrade project located on Pensacola Beach. The project includes demolition and debris removal, utility relocation, shifting the alignment of a portion of Pensacola Beach Boulevard to the west, extending and resurfacing the existing service roadway from Bob Sikes Bridge to the Quietwater Beach Restrooms, driveway relocation, construction of new improved parking at Quietwater Beach, extension of the existing multi-use path, stormwater runoff improvements, pedestrian access, the relocation of lighting and transformers within the right-of-way, and the milling and resurfacing of a portion of Pensacola Beach Boulevard.

Demolition will include items such as but not limited to; the removal of trees, concrete curbing and structures located within the right-of-way and clear zone of the proposed roadway. Large concrete structures currently being used as flag and banner supports are located within the existing median and shoulder, and will need to be removed. A portion of an existing concrete go-kart track on leasehold property will need to be removed and replaced.

Roadway improvements include shifting the alignment of Pensacola Beach Boulevard to the west for approximately 500 linear feet in front of Morgan Park in order to allow room to install the access roadway. The existing access roadway on the east side of Pensacola Beach Boulevard will be extended south for approximately 1200 linear feet and connect to the existing parking lots at Quietwater beach. Formalized paved parking areas will be added along this new access road to the south of Morgan Park. Pensacola Beach Boulevard will be milled and resurfaced on the north bound lanes. Areas of Pensacola Beach Boulevard will require leveling/overbuild courses of asphalt to raise the existing grade for appropriate drainage. Pedestrian crosswalks will be provided across the access roadway and sidewalk accesses around the Quietwater Beach Pavilions will be modified to meet ADA standards for accessibility. Crosswalks surfacing and colors will be constructed to match the existing crosswalks on Via De Luna Drive. ADA compliant dome indicator pads will be constructed as well.

Drainage improvements for this project will require construction of depressional areas between the new access roadway and Pensacola Beach Boulevard. Stormwater currently drains towards Santa Rosa Sound via overland flow, and ponds against the existing sidewalk. Improvements will require that the grade in the existing parking areas of Quietwater Beach be reversed to shed stormwater towards the depressional areas. Drainage pipe and collection structures will be installed between the new Access Road and Pensacola Beach Boulevard. Perforated HP drainage pipe will be installed to connect depressional areas, and a bubble-up structure will be provided as an overflow outfall.

The improvements will be constructed within existing Escambia County rights-of-way and easements obtained by Escambia County.

Demolition, dewatering, pavement resurfacing and striping, sodding, erosion and sediment controls, maintenance of traffic and all other incidental work are included in this project. Materials unsuitable to remain on the island shall be removed and replaced in accordance with the Escambia County Land Development Code.

Related Documents:

All roadway construction shall comply with the Escambia County Technical Specifications, latest edition, and all interim standards that apply to these editions.

Licenses/Certifications:

General Contractors License
Underground Utilities Contractor License
Work Zone Safety Traffic Supervisor Certifications
Hazardous Material Licenses
Certified Stormwater Management Inspector

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **5%** of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form/acceptance copy of same and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Bonds

Performance and Payment Bonds
The County **shall** require the successful Offeror(s) to furnish **separate performance and payment bonds** under pledge of adequate surety and covering up to **100% of the dollar value of award** on the forms provided by the County. Such bonds shall be issued by sureties authorized to act as a surety by the State of Florida. Bonds of the successful Offeror(s) shall be reviewed by the Office of Purchasing to assure compliance, then recorded in the Office of the Clerk of the Circuit Court Recording Office, 1st Floor, 221 Palafox Place, Pensacola, Florida, by the successful Offeror at his expense before the contract is executed. The cost of recording is $10.00 for the first page and $8.50 for each additional page.

5. Procurement Questions

Questions shall be directed to Paul Nobles, Purchasing Manager, at prnobles@myescambia.com. Last day for questions will be September 15, 2020 at 5:00 p.m. CDT.

6. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted by either (choose one):

- A sealed envelope, with Original (wet) signature in indelible ink and signed in the proper spaces by a person authorized to sign on behalf of the firm. Responses on Vendor forms will not be accepted. Firms electing to submit original forms shall also provide a complete copy of the bid response via CD or flash drive.

- Uploading to Vendor Registry a PDF of the signed Bid Form with Original signatures in indelible ink and signed in the proper spaces by a person authorized to sign on behalf of the firm. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

7. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Office of Purchasing, 213 Palafox Place, Pensacola, FL 32502 in Conference Room #11.407 and/or via Microsoft Teams, at **11:00 AM CDT, September 2, 2020.**

Join Microsoft Teams Meeting
+1 863-333-5817 United States, Lakeland (Toll)
Conference ID: 164 605 108#

8. Liquidated Damages

Should the awarded Vendor fail to complete the required services or make delivery of the commodities or equipment within the time(s) specified in the contract, or within such additional time(s) as may be granted by Escambia County, the County will suffer damage, the amount of which is difficult, if not impossible to ascertain therefore, the Vendor shall pay to the County, as liquidated damages, the sum of **$1000** for each calendar day of delay that actual completion extends beyond the time limit specified until such reasonable time as may be required for final completion of the work. Such sum is mutually agreed upon as a reasonable and proper

amount of damages the County will sustain per diem by failure of the Vendor to complete the services or make delivery within the specified time. The costs for liquidated damages shall not be construed as a penalty on the Vendor.

9. Safety Regulations

Equipment shall meet all state and federal safety regulations for grounding of electrical equipment.

10. Codes and Regulations

The awarded Vendor shall strictly comply with all federal, state and local building and safety codes.

11. Payment

Partial payments in the full amount for the value of items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents if required. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

12. Warranty

The awarded Vendor shall fully warrant all equipment furnished hereunder against defect in materials and/or workmanship for a period of two (2) years from date of delivery/acceptance by Escambia County.

Should any defect in materials or workmanship, except ordinary wear and tear, appear during the above stated warranty period, the awarded Vendor shall repair or replace same at no cost to the County, immediately upon written notice from the Purchasing Chief.

13. Debris

Awarded Vendor shall be responsible for the prompt removal of all debris, which is a result of this contractual service.

14. Protection of Property/Security

The awarded Vendor shall provide all barricades and take all necessary precautions to protect buildings and personnel.

All work shall be completed in every respect and accomplished in a professional manner and awarded Vendor shall provide for removal of all debris from County property.

The awarded Vendor shall at all times guard against damage or loss to property of Escambia County, or of other Vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded Offeror or his agent.

The awarded Vendor shall at all times guard against injury to Escambia County employees. The Vendor shall properly fence and secure the construction site(s) at all times, including evenings and weekends.

The awarded Vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

15. Permits

The County and/or its contracted consultant(s) have conducted a review of required permits and fees required to be purchased by the contractor from the County permitting agencies for this specific project and they are listed on the «BidProposal» form(s) to the best of our knowledge.

16. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

17. Award

Award shall be made on an "all-or-none total" basis.

The offeror or contractor will be required to fully comply with all applicable federal, state, and local regulations. The offeror should carefully review these requirements which are detailed in this solicitation.

18. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded Vendor, Escambia County may serve written notice upon the awarded Vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the Vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

19. Termination (Services)

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring deficiencies within five (5) working days of notification by the Contract Administrator.

Upon the third such written notification of unsatisfactory performance and/or deficiencies to the contractor by the Office of Purchasing within a four (4) month period; or the sixth such notification within any contract term, shall result in issuance of written notice of immediate contract termination to the contractor by the Office of Purchasing. Such termination may also result in suspension or debarment of the contractor.

20. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other

material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

21. As Specified

All items delivered shall meet the specifications herein. Items delivered not as specified will be returned at no expense by Escambia County. The County may return, for full credit, any unused items received which fail to meet the County's performance standards.

Non-Contract Insurance Requirements

22. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor’s work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three

years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Paul Nobles, Purchasing Manager
   Office of Purchasing, Room 11.101
   213 S. Palafox Place, 2nd Floor
   Pensacola, FL 32502
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage

than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

23. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

ADDENDUM NUMBER 3:

Re: PD 19-20.093, Pensacola Beach Access Road Improvements

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification.

This Addendum Number 3 provides for changes in Bid Documents related to Bid delivery and signature:

A. Clarifications

- Pay item 1-20 **"SP 12.5 Overbuild – Varying Depth (Sta. 38+40 to 45+98)"** includes an area of approximately 2700 SY and requires buildup (Leveling) over that area of approximately 1.5 feet (Estimated Average depth) over the existing asphalt.
- Pay Item G-8 **"Remove and Replace Irrigation System"** bid as an allowance of $10,000 as shown on the revised bid form.
- Typical Sections 6 and 7 annotate "1-1/2" of Type SP 12.5 Asphalt" on Pensacola Beach Boulevard. This is a scriveners error, and should be **2" of Type SP 12.5 Asphalt** as is typical of the other sections and provided for in Pay Item 1-18.
- Pay Item 1-30 **"Clean White Sand Fill (Per Escambia County LDC)"** is independent of "Earthwork" and intended for the following instances:
    - Unsuitable materials required to be removed by the Escambia County LDC are encountered and need to be replaced
    - LDC approved Material is needed to establish desired grades on or near the sandy beach areas of the project.

B. Revised Bid Form as noted in Footer “Addendum 3”

Item No.	Item Description	Item Qty.	Qty. Unit	Unit Price	Extended Amount
G-8	Remove and Replace Irrigation System	1	LS	$10,000.00	$10,000.00

This Addendum Number 3 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo copy this form for your records.

ADDENDUM NUMBER 4:

Re: PD 19-20.093, Pensacola Beach Access Road Improvements

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification.

This Addendum Number 4 provides for changes in Bid Documents related to Bid delivery and signature:

A. Bid Opening

From: **BIDS WILL BE RECEIVED UNTIL ~~1:00 PM~~ CDT, ~~October 21~~, 2020**
To: **BIDS WILL BE RECEIVED UNTIL 10:00 AM CDT, October 23, 2020**

B. Contract Documents/Specifications

1. The estimated Bid Quantity for "Remove and Replace Go-Kart Track Fence" has been modified on the Bid Form for Item 1-10 to **"300 LF"**.
2. The estimated Bid Quantity for "12" Stabilized Subgrade" has been modified on the Bid Form for Item 1-16 to **"10,500 SY"**.
3. The estimated Bid Quantity for "2" County Spec. 2500 Type SP 12.5 Asphalt Surface Overlay" has been modified on the Bid Form for Item 1-18 to **"17,800 SY"**.
4. The estimated Bid Quantity for "Clean White Sand Fill (Per Escambia County LDC)" has been modified on the Bid Form for Item 1-30 to **"800 CY".** This allows for additional fill if needed resulting from impacts due to Hurricane Sally.
5. A new estimated Bid Quantity for "Signage (Right Turn Only)" has been modified on the Bid Form for Item 1-52 to **"1" EA .**
6. A new estimated Bid Quantity for "Concrete Steps" has been modified on the Bid Form for Item 1-53 to **"1 EA" .** This pay item may be necessary at the existing pavilions accesses and have been identified in the plans.

C. Construction Plans

1. The estimated Bid Quantity for "Remove and Replace Go-Kart Track Fence" has been modified on the Bid Form for Item 1-10 to **"300 LF"**.
2. The estimated Bid Quantity for "12" Stabilized Subgrade" has been modified on the Bid Form for Item 1-16 to **"10,500 SY"**.

3. The estimated Bid Quantity for "2" County Spec. 2500 Type SP 12.5 Asphalt Surface Overlay" has been modified on the Bid Form for Item 1-18 to **"17,800 SY"**.
4. The estimated Bid Quantity for "Clean White Sand Fill (Per Escambia County LDC)" has been modified on the Bid Form for Item 1-30 to **"800 CY".** This allows for additional fill if needed resulting from impacts due to Hurricane Sally.
5. A new estimated Bid Quantity for "Signage (Right Turn Only)" has been modified on the Bid Form for Item 1-52 to **"1" EA .**
6. A new estimated Bid Quantity for "Concrete Steps" has been modified on the Bid Form for Item 1-53 to **"1 EA" .** This pay item may be necessary at the existing pavilions accesses and have been identified in the plans.

D. Clarifications

1. Bid item G-9 Utility Coordination/Relocation – Please define scope of this item for contractor. There are multiple concrete light poles and electrical boxes noted to be relocated by Gulf Power. In our limited construction time frame the utility relocates must be completed prior to contract time beginning. Has Gulf Power been notified? Do they have the manpower to perform these relocates post Hurricane Sally?
   Response: The scope for this pay item includes the means and methods the contractor believes necessary to complete requirements of the plans and General Notes. Gulf Power has been notified of the project and lighting, it is understood that Gulf Power does have the manpower available at this time.

2. Is the construction site allowed to be closed to the public? Both vehicles and pedestrians
   Response: The parking areas of the project at Quietwater Beach can be closed to the public during construction, and sandy areas of the beach can temporarily be closed off for public safety during operations with written notification and approval from the County. The contractor shall provide appropriate MOT to allow for access along the existing portion of services road and Pensacola Beach Blvd.

3. Are lane closures allowed to be left up overnight if in accordance with FDOT design standards?
   Response: For Bidding, Contractors should assume that work and land closures will be restricted to day-time only working hours. Night work and overnight land closures may be permitted by the County.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to Escambia County, BOCC
(Print Name of Public Entity)

By Donald Long, Vice President
(Print Individual's Name and Title)

For Panhandle Grading & Paving, Inc.
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

2665 Solo Dos Familiaf

Pensacola, FL 32534

And (if applicable) its Federal Employer Identification Number (FEIN) is:
59-1879185

If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_X_ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with a convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that is not in the public interest to place the entity submitting this sworn statement on the convicted Vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY INDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, ~~FLORIDA STATUTES~~ FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

Signed and sealed this 18th day of September, 2020.

AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA AND PANHANDLE GRADING & PAVING, INC. FOR ROAD/DRAINAGE CONSTRUCTION

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida ("County"), with administrative offices at 221 South Palafox Place, Pensacola, Florida 32502, and Panhandle Grading & Paving, Inc., a Florida for profit corporation (“Contractor”), FEI/EIN 59-1879185, with a principal address of 2665 Solo Dos Familiaf, Pensacola, Florida 32534, relating to the Contractor’s performance of all work ("Work") in connection with Pensacola Beach Access Road Improvements, P.D. 19-20.093 ("Project"), as detailed in the attached Plans and Specifications and other Contract Documents hereafter specified.

WITNESSETH:

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

SECTION 1. CONTRACT DOCUMENTS.

1.1 The Contract Documents include this Agreement, including Amendments and Exhibits, the Exhibits described in Section 6, Change Orders, Work Directive Changes, Field Orders and the solicitation documents, including addenda. These Contract Documents are incorporated by reference and made a part of this Agreement. A copy of all Contract Documents shall be maintained by Contractor at the Project site at all times during the performance of the Work.

1.2 In case of any inconsistency or conflict among the provisions of the agreement and any other terms and conditions of any documents comprising the Contract Documents, the provisions of the Agreement shall control. Concerning the Contract Documents, the order of precedence shall be as follows: 1) the Agreement, including Amendments and Exhibits; 2) Change Orders; 3) Work Directive Changes; 4) Field Orders; 5) the Solicitation Documents, including addenda. The Contract Documents listed above represent the entire and integrated agreement between the parties hereto, and supersede prior negotiations, representations, or agreements, either written or oral.

1.3 County shall furnish to the Contractor up to four (4) sets of the Contract Documents for execution of the Work. Additional copies of the Contract Documents are available at the cost of reproduction.

SECTION 2. SCOPE OF WORK.

Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the Work required by the Contract Documents.

SECTION 3. CONTRACT AMOUNT.

In consideration of the faithful performance by Contractor of the covenants in this Agreement to the full satisfaction and acceptance of County, County agrees to pay, or cause to be paid, to Contractor in accordance with the terms of this Agreement the following amount (herein "Contract Amount"):

Two Million Ninety-Six Thousand Seven Hundred Sixty-Five Dollars and Fifty-Four Cents
2,096,765.54

SECTION 4. BONDS.

4.1 Contractor shall provide at his expense Performance and Payment Bonds, in the form prescribed in **Exhibit B**, in the amount of 100% of the Contract Amount. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to County; provided; however, the surety shall be rated as "A-" (excellent) or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holder's surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

4.2 If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval. Failure by Contractor to maintain its bonds in full force and effect at all times, including the warranty period, shall be grounds for termination of this Contract.

4.3 Pursuant to §255.05, Florida Statutes, the Contractor shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the project sufficient to identify it. (The recording fee is $10.00 for the first page and $8.50 for each remaining page.)

SECTION 5. CONTRACT TIME AND LIQUIDATED DAMAGES.

5.1 Time is of the essence in the performance of the Work under this Agreement. Contractor shall commence the Work within ten (10) calendar days from the Commencement Date, established in the Notice to Proceed. No Work shall be performed at the Project site prior to the Commencement Date. Contractor shall provide 48 hours' notice prior to beginning the Work. The Work shall be substantially completed within One Hundred Twenty (120) calendar days from the Commencement Date. The Work shall be fully completed and deemed ready by the County for final completion within Thirty (30) calendar days from the Substantial Completion Date. The Contract Time shall be the time period from the Commencement Date to the date of final completion totaling One Hundred Fifty (150) calendar days (herein "Contract Time"). No work under this contract shall commence until certificates of insurance have been received and acknowledged by the Purchasing Manager.

5.2 County and Contractor recognize that, since time is of the essence for this Agreement, the County will suffer financial loss if the Work is not substantially completed within the time specified. Should Contractor fail to substantially complete the Work within the time period noted above, County shall be entitled to assess, as liquidated damages, but not as a penalty, **$**1,000.00 for each calendar day thereafter until substantial completion is achieved. The Project shall be

deemed to be substantially completed by the County on the date that the County's Architect certifies in writing that the construction of the project, or specified part thereof, is sufficiently completed in accordance with the Contract Documents, so that the Project or specified part can be utilized for the purposes for which it is intended. Along with such certification, the Architect shall compile a "punch list" of any remaining exceptions that do not adversely affect the use of the Project. Completion of these items will be required prior to final payment.

5.3 Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the County's actual damages at the time of contracting if Contractor fails to substantially complete the Work in accordance with the progress schedule.

5.4 When any period of time is referenced to by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday, or legal holiday.

SECTION 6. EXHIBITS INCORPORATED.

The following documents are expressly agreed to be incorporated by reference and made a part of this Agreement.

Exhibit A: General Terms and Conditions
Exhibit B: Form of Performance and Payment Bonds
Exhibit C: Insurance and Safety Requirements
Exhibit D: Form of Release and Affidavit
Exhibit E: Form of Contractor Application for Payment

SECTION 7. NOTICES.

7.1 All notices required or made pursuant to this Agreement by the Contractor to the County shall be in writing. All correspondence with the County should be addressed as follows:

Engineering
3363 West Park Place
Pensacola, Florida 32505
Attention: James Duncan, Deputy Division Manager

7.2 All correspondence with the Contractor will be addressed to the following:

Panhandle Grading & Paving, Inc.
2665 Solo Dos Familiaf
Pensacola, Florida 32534
Attention: Jerry F. Long, President

7.3 Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

SECTION 8. MODIFICATION.
No modification or change to the Agreement shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

SECTION 9. SUCCESSORS AND ASSIGNS.
Subject to other provisions hereof, the Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Agreement.

SECTION 10. GOVERNING LAW.
The Agreement shall be interpreted under and its performance governed by the laws of the State of Florida and the parties agree that venue shall be in Escambia County, Florida for any matter which is the subject of this Contract.

SECTION 11. NO WAIVER.
The failure of the County to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

SECTION 12. ENTIRE AGREEMENT.
Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Agreement.

SECTION 13. SEVERABILITY.
Should any provision of the Agreement be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

SECTION 14. PUBLIC RECORDS.
The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written

notice, during which period the Contractor still fails to allow access to such documents, terminate the contract. In such case, the Contractor shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontractor work).

EXHIBIT A
GENERAL TERMS AND CONDITIONS

Section 1. INTENT OF CONTRACT DOCUMENTS

1.1. It is the intent of the Contract Documents to describe a functionally complete project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents, as being required to produce the intended result shall be supplied whether or not specifically called for. When words, which have a well-known technical or trade meaning, are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in affect at the time the Work is performed, except as may be otherwise specifically stated herein.

1.2. If, during the performance of the Work, Contractor discovers a conflict, error or discrepancy in the Contract Document, Contractor immediately shall report same to County and before proceeding with the Work affected thereby shall obtain an interpretation or clarification from the County. Contractor shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to Contractor with the Contract Documents before commencing any portion of the Work.

1.3. Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts, or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications of other Contract Document provisions, Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Contractor, as determined by the County. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

1.4. "Engineer", where referenced on the drawings or in the specifications or in other related documents, shall mean the Escambia County Engineer or the designated representative thereof.

Section 2. INVESTIGATION AND UTILITIES

2.1. Contractor shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the Project area as a whole; topography and ground surface conditions; nature and quality of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Contractor to acquaint itself with any applicable conditions shall not relieve Contractor from any of its responsibilities to perform under the Contract

Documents, nor shall it be considered the basis for any claim for additional time or compensation.

2.2. Contractor shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Section 2 as the "Utilities". Contractor shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Contractor shall schedule and coordinate its Work around any such relocation or temporary service interruption. Where Utilities block construction, Contractor shall aggressively pursue relocation by the Utility owners. Contractor shall immediately notify the County of any delays due to Utilities blockage and document all attempts to resolve such blockage. Contractor shall be responsible for properly shoring, supporting and protecting all Utilities at all times during the course of the Work.

Section 3. SCHEDULE

3.1. The Contractor, within ten (10) calendar days after receipt of the Notice of Award, shall prepare and submit to County, for review and approval, a progress schedule for the Project (herein "Progress Schedule"). The Progress schedule may be provided in an electronic format. The Progress Schedule shall relate to all Work required by the Contract Documents and shall provide for expeditious and practicable execution of the Work within the Contract Time. The Progress Schedule shall indicate the dates for starting and completing the various stages of the Work and shall include dates of Shop Drawing Submittals.

3.2. The Progress Schedule shall be updated monthly by the Contractor. All monthly updates to the Progress Schedule shall be subject to the County's review and approval. Contractor shall submit the updates to the Progress Schedule with its Applications for Payment noted below. The County's review and approval of the submitted Progress Schedule updates shall be a condition precedent to the County's obligation to pay Contractor.

Section 4. PROGRESS PAYMENTS

4.1. Prior to submitting its first Application for Payment, Contractor shall submit to County, for its review and approval, a schedule of values based upon the Contract Price, listing the major elements of the Work and the dollar value for each element. After its approval by the County, this schedule of values shall be used as the basis for the Contractor's Applications for Payment. This schedule shall be updated and submitted along with a completed and notarized copy of the Application for Payment form attached to the Agreement as **Exhibit E.**

4.2. Prior to submitting its first Monthly Application for Payment, Contractor shall submit to County a complete list of all its proposed subcontractors and material men, showing the work and materials involved. The first Application for Payment shall be submitted no earlier than thirty (30) days after Commencement Date.

4.3. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location agreed to by the County in writing, the Application for Payment will subdivide the work into component parts in sufficient detail to serve as the basis for a progress payment and shall also be accompanied by a bill of sale, invoice or other documentation warranting that upon payment by County, the County shall receive the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect County's interest therein, all

of which shall be subject to the County's prior written approval.

4.4. Contractor shall submit four (4) copies of its applications for Payment to the County on or about the 25th day of each month for work performed during that month. Contractor shall submit no more than one application for payment each month. Within ten (10) calendar days after receipt of each Application for Payment, the County shall either: (1) indicate approval of the requested payment; (2) indicate approval of only a portion of the requested payment, stating in writing the reasons therefore; or (3) return the Application for Payment to the Contractor indicating, in writing, the reason for refusing to approve payment. In the event of a total or partial denial of the Application for Payment, the Contractor may make the necessary corrections and resubmit the Application for Payment for reconsideration within ten (10) calendar days of receiving notice of refusal.

If re-submittal of the Application for Payment is refused, in whole or in part, the Contractor may submit a written request to the County Administrator for an administrative decision within two (2) business days of receiving notice of refusal. Upon receiving a timely request, an administrative decision shall be rendered within ten (10) calendar days with written notification provided to the Contractor.

If the administrative decision is disputed, the Contractor may submit a written request to the County Administrator for an administrative hearing before the Dispute Resolution Committee (DRC) within two (2) business days of receiving said decision. A hearing shall be scheduled within ten (10) business days from the date the request is received, and the Contractor will receive written notice of the hearing date. The DRC may, within its discretion, render a final decision at the hearing or may elect to mail a written decision within a period not to exceed ten (10) calendar days from the hearing date. The DRC's written decision shall be considered administratively final.

The County shall, within twenty (20) business days after County approval of an Application for Payment, pay the Contractor the amounts so approved. Provided, however, in no event shall the County be obligated to pay an amount greater than that portion of the Application for Payment approved by the County.

4.5 <u>Retainage.</u>

a) If the Contract Amount is $200,000.00 or less, the following shall apply:
County shall retain ten percent (10%) of the gross amount of each monthly payment request or ten percent (10%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer.

b) If the Contract Amount is in excess of $200,000.00, the following shall apply:
County shall retain five percent (5%) of the gross amount of each monthly payment request or five percent (5%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer. This subsection shall not apply if the project is paid, in whole or in part, with federal funds and

subject to federal grantor laws and regulations or requirements that are contrary to any provision of the Local Government Prompt Payment Act.

The County shall not pay or release any amounts that are the subject of a good faith dispute, claim, or demand.

4.6 Monthly payments to Contractor, including the release of any portion or percentage of sums retained prior to final completion of the Project, shall in no way imply approval or acceptance of Contractor's work.

4.7 Each Application for Payment shall be accompanied by Release and Affidavit, in the form attached as **Exhibit D**, showing that all materials, labor, equipment and other bills associated with that portion of the Work payment is being requested or have been paid in full. The County shall not be required to make payment until and unless these affidavits are furnished by Contractor.

4.8 Applications for Payment will not be approved unless all submittals required by the Contract documents, up to that point, are provided and "As-Built" record documents are maintained as required by Section 8.2.

4.9 All payments under this Agreement and interest on any late payments shall be governed by the Local Government Prompt Payment Act, §§ 218.70, et seq., Florida Statutes, as amended.

Section 5. PAYMENTS WITHHELD

The County may decline to approve any Application for Payment, or portions thereof, because of subsequently discovered evidence or subsequent inspections. The County may nullify the whole or any part of any approval for payment previously issued and County may withhold any payments otherwise due Contractor under this Agreement or any other agreement between County and Contractor, to such extent as may be necessary in the County's opinion to protect it from loss because of: (a) defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the Work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the Work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the Work by the Contractor; or (g) any other material breach of the Contract Documents. If these conditions are not remedied or removed, County may, after three (3) days written notice, rectify the same at Contractor's expense. County also may offset against any sums due Contractor the amount of any liquidated or unliquidated obligations of Contractor to County, whether relating to or arising out of this Agreement or any other agreement between Contractor and County.

Section 6. FINAL PAYMENT

6.1. County shall make final payment to Contractor within thirty (30) calendar days after the Work is finally inspected and accepted by County in accordance with Section 20.1 herein, provided that Contractor first, and as an explicit condition precedent to the accrual of Contractor's right to final payment, shall have furnished County with a properly executed and notarized copy of the Release and Affidavit attached as **Exhibit D**, as well as, a duly executed copy of the Surety's consent to final payment and such other documentation that may be required by the Contract Documents or the County.

6.2. Contractor's acceptance of final payment shall constitute a full waiver of any and all claims by Contractor against County arising out of this Agreement or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final Application for Payment. Neither the acceptance of the Work nor payment by County shall be deemed to be a waiver of County's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the County at the time of final inspection.

Section 7. SUBMITTALS AND SUBSTITUTIONS

7.1. Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. When submitted for the Engineer's review, Shop Drawings shall bear the Contractor's certification that the Contractor has reviewed, checked, and approved the Shop Drawings and that they are in conformance with the requirements of the Contract Documents. Contractor shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

7.2. Prior to submitting its first Application for Payment, Contractor shall provide to County a CD/DVD in digital format and/or photographs showing the pre-existing conditions located within the limits of construction.

7.3. Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by County if sufficient information is submitted by Contractor to allow the County to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by County from anyone other than Contractor and all such requests must be submitted by Contractor to County within thirty (30) calendar days after Notice to Proceed is received by Contractor.

7.4. If Contractor wishes to furnish or use a substitute item of material or equipment, Contractor shall make application to the County for acceptance thereof, certifying that the proposed substitute shall perform adequately the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Contractor's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with County for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the County in evaluating the proposed substitute. The County may require Contractor to furnish at Contractor's expense additional data about the proposed substitute.

7.5. If a specific means, method, technique, sequence or procedure of construction is indicated in or required by the Contract Documents, Contractor may furnish or utilize a substitute means, method, sequence, technique or procedure of construction acceptable to the County, if Contractor submits sufficient information to allow the County to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by the County shall be the same as those provided herein for substitute materials and equipment.

7.6. The County shall be allowed a reasonable time within which to evaluate each proposed substitute. The County shall be the sole judge of acceptability, and no substitute will be ordered, installed or utilized without the County's prior written acceptance, which shall be evidenced by either a Change Order or an approved Shop Drawing. The County may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitute.

Section 8. DAILY REPORTS, AS-BUILTS, AND MEETINGS

8.1. Unless waived in writing by County, Contractor shall complete and submit, along with its Application for Payment, to the County on a monthly basis a daily log of the Contractor's work for the preceding month in a format approved by the County. The daily log shall document all activities of Contractor at the Project site including, but not limited to, the following:

a) Weather conditions showing the high and low temperatures during work hours, the amount of precipitation received on the Project site, and any other weather conditions which adversely affect the Work;
b) Soil conditions which adversely affect the Work;
c) The hours of operation by Contractor's personnel and subcontractor's personnel;
d) The number of Contractor's and subcontractor's personnel present and working at the Project site, by subcontract and trade;
e) All equipment on the Project site, description of equipment use, and designation of time equipment was used (specifically indicating any down time);
f) Description of Work being performed at the Project site;
g) Any unusual or special occurrences at the Project site;
h) Materials received at the Project site; and
i) A list of all visitors to the Project site.

The daily log shall not constitute nor take the place of any notice required to be given by Contractor to County pursuant to the Contract Documents.

8.2. Contractor shall maintain in a safe place at the Project site one record copy of the Contract Documents, as well as all shop drawings and other Contractor submittals and all written interpretations and clarifications issued by the County, in good order and annotated to show all changes made during construction. The annotated drawings shall be continuously updated by the Contractor throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Work Directive Changes and Field Orders, and all concealed and buried installations of piping, conduit and utility services. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the annotated drawings as to depth and in relationship to not less than two (2) permanent features (e.g. interior or exterior wall faces). The annotated drawings shall be clean, and all changes, corrections and dimensions shall be given in a neat and legible manner in a contrasting color. The "As-Built" record documents, together with all approved samples and

a counterpart of all approved shop drawings shall be available to County for reference. Upon completion of the Work, and as a condition precedent to Contractor's entitlement to final payment, these "As-Built" record documents, samples and shop drawings shall be delivered to County by Contractor.

8.3. Contractor shall keep all records and supporting documentation which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed, whichever is later. County, or any duly authorized agents or representatives of County, shall have the right to audit, inspect and copy all such records and documentation as often as they deem necessary during the period of this Agreement and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 9. CONTRACT TIME AND TIME EXTENSIONS

9.1. Contractor shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and material men, as well as coordinating its Work with all work of others at the Project Site, so that its Work or the work of others shall not be delayed or impaired by any act or omission of Contractor. Contractor shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Contract Documents.

9.2. Should Contractor be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall notify the County in writing within forty-eight (48) hours after the commencement of such delay. Written supporting data with specific details of Contractor operations, which were delayed, shall be submitted to the County within fifteen (15) calendar days after the occurrence of the delay, unless the County grants additional time in writing for such submittals, or else the Contractor shall be deemed to have waived any right which Contractor may have had to request a time extension.

9.3. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damages For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

9.4. Requests for delays due to adverse weather conditions shall meet all of the following conditions:

a) Contractor notified the County in writing within forty-eight (48) hours of the delay;
b) The weather was unusual as documented by supporting data;
c) The weather had an adverse impact on the contractor’s schedule (critical path only); and
d) The Contractor and inspector’s daily logs corroborate the adverse impact. Where a conflict exists between the weather data and the daily reports, the daily reports will take precedence.

Section 10. CHANGES IN THE WORK

10.1. County shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Contractor shall submit an itemized estimate of any cost and/or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of County, and County shall not be liable to the Contractor for any increased compensation without such written order. No officer, employee or agent of County is authorized to direct any extra or changed work orally.

10.2. A Construction Change Order, in the form attached as **Exhibit F** to this Agreement, shall be issued and executed promptly after an agreement is reached between Contractor and County concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as County and Contractor shall mutually agree.

10.3. If County and Contractor are unable to agree on a Change Order for the requested change, Contractor shall, nevertheless, promptly perform the change as directed by County in a written Work Directive Change. In that event, the Contract Amount and Contract Time shall be adjusted as directed by County. If Contractor disagrees with the County's adjustment determination, Contractor must make a claim pursuant to Section 11 of these General Conditions or else be deemed to have waived any claim on this matter it might otherwise have had.

10.4. In the event a requested change results in an increase to the Contract Amount, the amount of the increase shall be limited to the Contractor's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit. In the event such change Work is performed by a Subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all Subcontractors' and sub-subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the Contractor for all of its overhead and profit, for a total maximum markup of fifteen percent (15%). All compensation due Contractor and any Subcontractor or sub-subcontractor for field and home office overhead is included in the markups noted above.

10.5. County shall have the right to conduct an audit of Contractor's books and records to verify the accuracy of the Contractor's claim with respect to Contractor's costs associated with any Change Order.

10.6. The County shall have authority to order minor changes in the Work not involving an adjustment to the Contract Amount and not inconsistent with the intent of the Contract Documents. Such changes may be affected by Field Order or by other written order. Such changes shall be binding on the Contractor.

Section 11. CLAIMS AND DISPUTES

11.1. A Claim is a demand or assertion by one of the parties seeking an adjustment or interpretation of the terms of the Contract Documents, payment of money, extension of time or other relief with respect to the terms of the Contract Documents. The term "Claim" also includes other disputes and matters in question between County and Contractor arising out of or relating to the Contract Documents. The responsibility to substantiate a Claim shall rest with the party

making the Claim.

11.2. Claims by the Contractor shall be made in writing to the County within forty-eight (48) hours after the first day of the event giving rise to such Claim or else the Contractor shall be deemed to have waived the Claim. Written supporting data shall be submitted to the County within fifteen (15) calendar days after the occurrence of the event, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived the Claim. All claims shall be priced in accordance with the provisions of Subsection 10.4.

11.3. The Contractor shall proceed diligently with its performance as directed by the County, regardless of any pending Claim, action, suit or administrative proceeding, unless otherwise agreed to by the County in writing. County shall continue to make payments in accordance with the Contract Documents pending Claim.

Section 12. OTHER WORK

12.1. County may perform other work related to the Project at the site by County's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, notice thereof will be given to Contractor. If Contractor believes that such performance will involve additional expense to Contractor or require additional time, Contractor shall send written notice of that fact with specific details of anticipated costs and delays to County within forty-eight (48) hours of being notified of the other work. Written supporting data of actual need for additional time or additional expense, shall be submitted to the County within fifteen (15) calendar days after completion of other work, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived any right which Contractor may have had to request a time extension or adjustment to the Contract Amount.

12.2. Contractor shall afford each utility owner and other contractor (or County, if County is performing the additional work with County's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Contractor shall do all cutting, fitting and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating or otherwise altering their work and will only cut or alter their work with the written consent of the County and the others whose work will be affected.

12.3. If any part of Contractor's Work depends for proper execution or results upon the work of any other contractor or utility owner (or County), Contractor shall inspect and promptly report to County in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Contractor's failure to report will constitute an acceptance of the other work as fit and proper for integration with Contractor's Work.

Section 13. INDEMNIFICATION AND INSURANCE

13.1 Indemnification. Contractor shall pay on behalf of or indemnify and hold harmless County and its agents, officers and employees from and against all liabilities, damages, losses, and costs, including attorney's and paralegal fees, incurred by County to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by anyone for whom Contractor is legally liable, of any materials,

tools, machinery or other property of County. Contractor's obligation as provided herein shall be limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor, and Contractor shall not be required to pay on behalf of or indemnify and hold harmless County where County's negligence, recklessness, or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's fees and paralegal fees.

County and Contractor agree one percent (1%) of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement.

Contractor agrees that such indemnification by Contractor relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any applicable statutes of limitations thereafter. Contractor's obligation to indemnify shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

13.2 Duty to Provide Legal Defense. Contractor shall pay for and provide a legal defense for the County, which shall include attorneys' fees and costs, both of which will be done only if and when requested by the County, for all liabilities, damages, losses, and costs as described in paragraph 13.1 above. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

13.3 Insurance.

Contractor shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in Exhibit C to the Agreement. All insurance policies shall be from responsible companies duly authorized to do business in the State of Florida and/or responsible risk retention group insurance companies, which are registered with the State of Florida. All commercial insurance carriers providing the Contractor with required insurance shall be a minimum financial size category of VII according to the AM Best Rating Guide, latest edition. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Within ten (10) calendar days after Notice of Award is received by Contractor and prior to the commencement of work, Contractor shall provide County with properly executed Certificates of Insurance to evidence Contractor's compliance with the insurance requirements of the Contract Documents. Said Certificates of Insurance shall be on forms approved by County, such as "Acord Form 25". The Certificates of Insurance shall be personally, manually signed by the authorized representatives of the insurance company/companies shown on the Certificates of Insurance, with proof that they are authorized representatives thereof. Certificates of Insurance shall be mailed to Escambia County in care of: Purchasing Manager, Purchasing Division, P.O. Box 1591, Pensacola, Florida 32597-1591. In addition, certified, true and exact copies of all insurance policies required hereunder shall be provided to County, on a timely basis, when requested by County.

The Certificates of Insurance and required insurance policies shall contain provisions that thirty (30) days' prior written notice by registered or certified mail shall be given County of any cancellation, intent not to renew, or reduction in the policies or coverages, except in the application

of the aggregate limits provisions. In the event of a reduction in the aggregate limit of any policy, Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

All insurance coverages of the Contractor shall be primary to any insurance or self-insurance program carried by the County applicable to this Project. The acceptance by County of any Certificate of Insurance does not constitute approval or agreement by the County that the insurance requirements have been satisfied or that the insurance policy shown on the Certificate of Insurance is in compliance with the requirements of the Contract Documents. No work shall commence at the Project site unless and until the required Certificates of Insurance are received by the County.

Contractor shall require each of its subcontractors to procure and maintain, until the completion of the subcontractor's work, insurance of the types and to the limits specified in **Exhibit C**, unless such insurance requirements for the subcontractor is expressly waived in writing by the County.

All liability insurance policies, other than professional liability, worker's compensation and employer's liability policies, obtained by Contractor to meet the requirements of the Contract Documents shall name Escambia County as an additional insured and shall contain Severability of Interest provisions. Escambia County shall also be designated as certificate holder with the address of P. O. Box 1591, Pensacola, Florida 32597-1591. If any insurance provided pursuant to the Contract Documents expires prior to the completion of the Work, renewal Certificates of Insurance and, if requested by County, certified, true copies of the renewal policies shall be furnished by Contractor within thirty (30) days prior to the date of expiration.

All liability policies shall be underwritten on the "occurrence" basis, unless otherwise approved in writing by the County Division of Risk Management. "Claims made" policies, if approved by the Risk Manager, and subsequent insurance certificates shall provide a "retro-date" which shall include the effective date of the contract. "Claims-made" renewals or carrier and policy replacements shall reflect the original "retro-date."

Should at any time the Contractor not maintain the insurance coverages required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverages and charge the Contractor for such coverages purchased. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverages shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

13.4 Contractor shall submit to County a copy of all accident reports arising out of any injuries to its employees or those of any firm or individual to whom it may have subcontracted a portion of the Work, or any personal injuries or property damages arising or alleged to have arisen on account of any work by Contractor under the Contract Documents.

Section 14. COMPLIANCE WITH LAWS

14.1 Contractor agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, regulations and requirements applicable to the Project, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety. If Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify County in writing. Compliance with the above laws shall include but is not limited

to: (1) the Occupational Safety and Health Act, 29 C.F.R. 1910 and 1926, respectively, General Industry Standards and Construction Industry Standards, including regulations regarding Trenching and Shoring; (2) the Florida Workers' Compensation Law, Chapter 440, Florida Statutes; (3) Rules 38F and 38I, Florida Administrative Code; and (4) Section 102, Standard Specifications for Road and Bridge Construction, Florida Department of Transportation.

14.2 Employment Eligibility Verification. In accordance with §448.095, Florida Statutes, Contractor shall register with and utilize the E-Verify System operated by the United States Department of Homeland Security to verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Contractor enters into a contract with a subcontractor performing work or providing services on its behalf, Contractor shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Section 15. CLEANUP AND PROTECTIONS

15.1. Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. At the completion of the Work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy by County. Non-compliance with directives of this section may serve as a basis of rejection of Application for Payment.

15.2. Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Contract Documents to be removed or altered, shall be protected by Contractor from damage during the prosecution of the Work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the Work.

Section 16. ASSIGNMENT

Contractor shall not assign this Agreement or any part thereof, without the prior consent in writing of County. If Contractor does, with approval, assign this Agreement or any part thereof, it shall require that its assignee be bound to it and to assume toward Contractor all of the obligations and responsibilities that Contractor has assumed toward County.

Section 17. PERMITS, LICENSES AND TAXES

17.1. Except as noted in paragraph 17.2 below, all permits and licenses necessary for the prosecution of the Work shall be procured and paid for by Contractor. All permits or fees, including but not limited to, all license fees, permit fees, impact fees or inspection fees payable by Contractor to County have been disclosed to Contractor in the bidding documents or other request for proposal at the time the Project was let for bid. If Contractor performs any Work without obtaining, or contrary to, such permits or licenses, Contractor shall bear all costs arising there from. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the Work.

17.2. Permits required for the Work from FDOT, FDEP, the Army Corps of Engineers, and any archeological permitting agency will be paid for and obtained by the County.

17.3. Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work.

Section 18. TERMINATION FOR DEFAULT

18.1. Contractor shall be considered in material default of the Agreement and such default shall be considered cause for County to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the County or as provided for in the approved Progress Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) materially breaches any other provision of the Contract Documents.

18.2. County shall notify Contractor in writing of Contractor's default(s). If County determines that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice, then County, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's Work by whatever means, method or agency which County, in its sole discretion, may choose.

18.3. If County deems any of the foregoing remedies necessary, Contractor agrees that is shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by County incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, and this obligation for payment shall survive termination of the Agreement.

18.4. The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefore or re-letting the Work, in settlement, discharge or compromise of any claims,

demands, suits, and judgments pertaining to or arising out of the Work hereunder.

18.5. If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that County is not entitled to the remedies against Contractor provided herein, then Contractor's remedies against County shall be the same as and limited to those afforded Contractor below under Subsection 19.1, Termination for Convenience.

18.6. If the Contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Contractor in conjunction with this Agreement then the County may, without prejudice to any right or remedy and after giving the Contractor and his surety, if any, seven (7) days' written notice, during which period Contractor still fails to allow access, terminate the employment of the Contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the Contractor, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the Project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontract work).

Section 19. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION

19.1. County shall have the right to terminate this Agreement without cause upon seven (7) calendar days written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against County shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

19.2. County shall have the right to suspend all or any portions of the Work upon giving Contractor two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

Section 20. COMPLETION

20.1. Upon receipt of written notice, the County will ascertain whether the work or designated portions thereof are ready for the Engineer's substantial completion inspection. From the Engineer's list of incomplete or unsatisfactory items, a schedule for the County's review will be prepared for their completion indicating such completion dates. The County will issue a Certificate of Substantial Completion when the work on the punch list has been accomplished.

20.2. Upon receipt of written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the County shall promptly make such inspection and, if it finds the work acceptable and fully performed under the Contract Documents, shall promptly issue a Certificate of Final Completion and Recommendation for Payment, stating

that, on the basis of observations and inspections, the Work has been completed in accordance with the terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor is due and payable. The final payment shall not become due and payable until Contractor submits: (1) the Release and Affidavit in the form attached as **Exhibit D**, (2) consent of surety to final payment, (3) if required by County, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by County, and (4) a published copy of the Notice of Completion as provided for in this section. County reserves the right to inspect the Work and make an independent determination as to the Work's acceptability. Unless and until the County is completely satisfied, the final payment shall not become due and payable.

20.3. After the Work is ready for final inspection and acceptance by the County, a legal advertisement must be published by the Contractor in a local newspaper of a general countywide circulation at least thirty (30) days before final payment shall be made. Example of such publication is as follows:

Legal Notice of Completion

Notice is hereby given that the undersigned Contractor has completed and has ready for acceptance by the Board of County Commissioners of Escambia County, Florida, the following construction project:

_____
(Project Name and Address)

_____
(Legal Name and Address - entity of the Contractor)

Subcontractors, material men, and other persons having payment claims against the Contractor relating to this project should govern themselves accordingly.

Section 21. WARRANTY

Contractor shall obtain and assign to County all express warranties given to Contractor or any subcontractors by any material men supplying materials, equipment, or fixtures to be incorporated into the Project. Contractor warrants to County that any materials and equipment furnished under the Contract Documents shall be new unless otherwise specified, and that all Work shall be of good quality, free from all defects, and in conformance with the Contract Documents. Contractor further warrants to County that all materials and equipment furnished under the Contract Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers, or processors except as otherwise provided for in the Contract Documents. If, within two (2) years after substantial completion and acceptance, any Work is found to be defective or not in conformance with the Contract Documents, Contractor shall correct it promptly after receipt of written notice from County. Contractor shall also be responsible for and pay for replacement or repair of adjacent materials or Work, which may be damaged as a result of such replacement or repair. These warranties are in addition to those implied warranties to which County is entitled as a matter of law. The Performance Bond shall remain in full force and effect throughout the Warranty Period.

Section 22. PROJECT LAYOUT AND CONTROL

22.1. Engineer will provide survey control, referencing beginning and ending stations, P.C.'s, P.T.'s and intermediate stations at 500 foot intervals. Staking is to be set along control line (base line or centerline of right-of-way, as indicated on plans) or at an offset determined by the Engineer. Benchmarks will be provided at intervals no greater than 1000 feet. The Engineer at the Contractor's expense shall replace any of these points, which are disturbed or destroyed by the Contractor.

22.2. Contractor shall employ a competent Engineer or Land Surveyor licensed in the State of Florida familiar with construction control procedures to lay out all other parts of the work, and to establish all points, grades and levels necessary to locate the work. The Contractor shall be held responsible for all mistakes that may be caused by any incorrect layout and grade spotting work or caused by the loss or disturbance of the Engineer's layout work.

22.3. Should the Contractor in the course of the work find that the points, grades, and levels which are shown upon the Drawings do not conform to the physical conditions of the locality at the proposed work or structure, he shall immediately inform the Engineer of the discrepancy between the actual physical conditions of the locality of the proposed work, and the points, grades and levels which are shown on the Drawings. No claim shall be made by the Contractor against the County/Owner for compensation or damage by reasons for failure of the Engineer to accurately represent upon said Drawings, points, grades, and levels conforming to the actual physical conditions of the locality of the proposed work.

Section 23. TESTS AND INSPECTIONS

23.1. County, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide County with timely notice of readiness of the Work for all required inspections, tests or approvals.

23.2. If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Contractor shall assume full responsibility therefore, pay all costs in connection therewith and furnish County the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the County.

23.3. If any Work that is to be inspected, tested or approved is covered without written concurrence from the County, such work must, if requested by County, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given County timely notice of Contractor's intention to cover the same and County has not acted with reasonable promptness to respond to such notice. If any Work is covered contrary to written directions from County, such Work must, if requested by County, be uncovered for County's observation and be replaced at Contractor's sole expense.

23.4. Neither observations by the County nor inspections, tests or approvals by others shall relieve Contractor from Contractor's obligations to perform the Work in accordance with the Contract Documents.

23.5. Prior to payment for any Work for which testing is specified, Contractor shall provide the County a copy of reasonably acceptable test results relating to such work as required by the technical specifications of the solicitation.

Section 24. DEFECTIVE WORK

24.1. Work not conforming to the requirements of the Contract Documents shall be deemed defective Work. If required by County, Contractor shall, as directed, either correct all defective Work, whether or not fabricated, installed or completed, or, if the defective Work has been rejected by County, remove it from the site and replace it with acceptable Work. Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold County harmless for same.

24.2. If the County considers it necessary or advisable that covered Work be observed by County or inspected or tested by others, Contractor, at County's request, shall uncover, expose or otherwise make available for observation, inspection or tests as County may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and County shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

24.3. If any portion of the Work is defective, or Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the Work in such a way that the completed Work will conform to the Contract Documents, County may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, this right of County to stop the Work shall not give rise to any duty on the part of County to exercise this right for the benefit of Contractor or any other party.

24.4. Should the County determine, at its sole opinion, it is in the County's best interest to accept defective Work, the County may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the County's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents and reflecting an appropriate decrease in the Contract Amount. If the County accepts such defective Work after final payment, Contractor at the discretion of the County shall promptly pay County an appropriate amount to adequately compensate County for its acceptance of the defective Work or shall increase in the Work’s warranty period beyond two (2) years.

24.5. If Contractor fails, within a reasonable time after the written notice from County, to correct defective Work or to remove and replace rejected defective Work as required by County, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any of the provisions of the Contract Documents, County may, after seven (7) days' written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, County may exclude Contractor from any or all of the Project site, take possession of all or any part of the Work, and suspend Contractor's

services related thereto, take possessions of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which County has paid Contractor but which are stored elsewhere. Contractor shall allow County, and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable County to exercise the rights and remedies under this Subsection. All direct, indirect and consequential costs of County in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or others destroyed or damaged by correction, removal or replacement of Contractor's defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by County of County's rights and remedies hereunder.

Section 25. SUPERVISION AND SUPERINTENDENTS

Contractor shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Contractor shall be responsible to see that the finished Work complies accurately with the Contract Documents. Contractor shall keep on the Work at all times during its progress a competent resident superintendent acceptable to the County, who shall not be replaced without prior written notice to County except under extraordinary circumstances. The resident superintendent shall possess Florida Department of Transportation approved training and certifications applicable to the Work, including but not limited to National Pollutant Discharge Elimination System (NPDES) Stormwater Management and Maintenance of Traffic Control Devices. The superintendent shall be Contractor's representative at the Project site and shall have authority to act on behalf of Contractor. All communications given to the superintendent shall be as binding as if given to the Contractor. County shall have the right to direct Contractor to remove and replace its Project superintendent, with or without cause.

Section 26. PROTECTION OF WORK

26.1. Contractor shall fully protect the Work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made. If Contractor, or any one for whom Contractor is legally liable, is responsible for any loss or damage to the Work, or other work or materials of County or County's separate contractors, Contractor shall be charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due Contractor.

26.2. Contractor shall not load or permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent property to stresses or pressures that will endanger it.

Section 27. EMERGENCIES

In the event of an emergency affecting the safety or protection of persons or the Work or property at the Project site or adjacent thereto, Contractor, without special instruction or authorization from County is obligated to act to prevent threatened damage, injury or loss. Contractor shall give

County written notice within forty-eight (48) hours after the occurrence of the emergency, if Contractor believes that any significant changes in the Work or variations from the Contract Document have been caused thereby. If the County determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Contractor fails to provide the forty-eight (48) hour written notice noted above, the Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Contract Amount or an extension to the Contract Time.

Section 28. USE OF PREMISES

28.1. Contractor shall confine all construction equipment, the storage of materials and equipment and the operations of workers to the Project site and land and areas identified in and permitted by the Contract Documents and other lands and areas permitted by law, rights of way, permits and easements, and shall not unreasonably encumber the Project site with construction equipment or other material or equipment. Contractor shall assume full responsibility for any damage to any such land or area, or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the Work.

28.2. Contractor shall provide and maintain in a neat, sanitary condition such accommodation for the use of his employees as may be necessary to comply with the regulations of the State Board of Health or other bodies having jurisdiction. Contractor shall commit no public nuisance.

Section 29. SAFETY

29.1. Contractor shall designate in writing the individual responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the Work. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to:

a) All employees performing the Work and other persons and/or organizations who may be affected thereby;
b) All Work and materials and equipment to be incorporated therein, whether in storage on or off the Project site; and
c) Other property on the Project site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, utilities and any underground structures or improvements not designated for removal, relocation or replacement in the Contract Documents.

29.2. Contractor shall comply with all applicable codes, laws, ordinances, rules, and regulations of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury, or loss. Contractor shall erect and maintain all necessary safeguards for such safety and protection. Contractor shall notify owners of adjacent property and of underground structures and improvements and utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation, or replacement of their property. Contractor's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by County has occurred.

29.3 Contractor shall designate a responsible representative at the Project site whose duty shall be the prevention of accidents. This person shall be Contractor's superintendent unless

otherwise designated in writing by the Contractor to the County.

29.4 Contractor shall adhere at all times to the minimum safety guidelines for construction and renovation projects as set out in **Exhibit C** of this Agreement.

Section 30. PROJECT MEETINGS

Prior to the commencement of Work, Contractor shall attend a pre-construction conference with the County to discuss the Progress Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the performance of the Work, the Contractor shall attend any and all meetings convened by the County with respect to the Project, when directed to do so by County. Contractor shall have its subcontractors and suppliers attend all such meetings (including the pre-construction conference) as may be directed by the County.

EXHIBIT B
PERFORMANCE AND PAYMENT BOND

BOND NO. _____

PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS: That

_____
_____
(Insert name, address, and phone number of contractor), as Principal, and

_____
_____
_____, (Insert full name, home office address and phone number of surety) as Surety, are held and firmly bound unto the Board of County Commissioners for Escambia County, Florida, 221 Palafox Place, Pensacola, Florida 32597-1591, (850) 595-4900, as Obligee in the sum of

_____
____ Dollars ($_____), for the payment whereof we bind ourselves, our heirs, executors, personal representatives, successors and assigns, jointly and severally, firmly by these present.
WHEREAS, Principal has entered into a contract dated as of the _____ day of_____, 20____, with Obligee for Contract No._____,_____
_____
_____
(Insert name of project, including legal description, street address of property and general description of improvement) in accordance with drawings and specifications, which contract is by reference made a part hereof, and is hereinafter referred to as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

1. Performs the Contract at the times and in the manner prescribed in the Contract; and

2. Pays Obligee any and all losses, damages, costs and attorneys' fees that Obligee sustains because of any default by Principal under the Contract; and

3. Performs the guarantee of all work and materials furnished under the Contract applicable to the work and materials, then this bond is void; otherwise it remains in full force; and

4. Principal understands and agrees that this bond shall remain in full force and effect throughout the two (2) year warranty period after substantial completion of the work.

The Surety, for value received, hereby stipulates and agrees that no changes, extensions of time, alterations or additions to the terms of the Contract or other work to be performed hereunder, or the specifications referred to therein shall in anywise affect its obligation under this bond, and it does hereby waive notice of any such changes, extensions of time, alterations or additions to the terms of the Contract or to work or to the specifications.

This instrument shall be construed in all respects as a common law bond.

In no event will the Surety be liable in the aggregate to Obligee for more than the penalty sum of this Performance Bond, regardless of the number of suits that may be filed by Obligee.

IN WITNESS WHEREOF, the above parties have executed this instrument this _____ day of _____, 20____, the name and corporate seal of each corporate party being hereto affixed and these premises duly signed by its undersigned representative, pursuant to authority of its governing body.

EXHIBIT C
INSURANCE AND SAFETY

INSURANCE - BASIC COVERAGES REQUIRED

The Contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such on policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the Contract Documents, whether such services, work and operations be by the Contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The Contractor shall require, and shall be responsible for assuring throughout the time the Agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the Contractor. The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the Contractor's interests or liabilities, but are merely minimums.

Except for workers compensation and professional liability, the Contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The Contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The Contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The Contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the Contractor or any other insurance of the Contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations, which arise out of this agreement, contract or lease.

Workers Compensation Coverage
The Contractor shall purchase and maintain workers compensation insurance for all workers compensation obligations imposed by state law and with employers liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

General, Automobile And Excess Or Umbrella Liability Coverage

The Contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the Commercial General Liability and Business Auto policies of the Insurance Services Office.
Minimum limits of $1,000,000 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employers liability required in the Workers Compensation Coverage section) and the total amount of coverage required.

General Liability Coverage - Occurrence Form Required
Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The Contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

Business Auto Liability Coverage
Business Auto Liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

Excess or Umbrella Liability Coverage
Umbrella Liability insurance is preferred, but an Excess Liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

Evidence/Certificates of Insurance
Required insurance shall be documented in Certificates of Insurance. If and when required by the County, Certificates of Insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the Certificate of Insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverages(s) indicated on each Certificate of Insurance.

New Certificates of Insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the Contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information.

1. Indicate that Escambia County is an additional insured on the general liability policy.

2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of $1,000.
4. Designate Escambia County as the certificate holder as follows:
Escambia County
Attention: Paul R. Nobles, Purchasing Manager
Office of Purchasing
P.O. Box 1591
Pensacola, FL 32597-1591
Fax (850) 595-4805
5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the Contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the Contractor shall furnish complete copies of the Contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For Commercial General Liability coverage the Contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

MINIMUM PROJECT SAFETY REQUIREMENTS

The following safety requirements represent the minimum condition, which shall be met by all Contractors and subcontractors performing work for Escambia County: Reported or observed violations of Federal and State laws and regulations, or County ordinances shall be brought to the attention of the County project manager and County's Department of Safety and Risk Services and shall be immediately corrected by the Contractor. Additionally, the County may order work to be stopped if conditions exist that present immediate danger to persons or property. The Contractor acknowledges that any such stoppage will not shift responsibility for any damages from the Contractor to the County. Failure to comply with required safety procedures shall result in the suspension of the Work of the Contractor until such time as his operations are brought into compliance. Items which are not corrected or that are disputed by the Contractor may be referred by the County's Department of Safety and Risk Services for inspection or interpretation. The Contractor shall take reasonable precautions for work place safety and shall provide reasonable protection to prevent damage, injury, or loss to employees on the work site and to other persons who may be affected by the Work.

(1) Prior to the commencement of the project, the Contractor and all subcontractors shall provide to the County a written copy of their respective safety and health plans for review as part of the pre-submittal bid package.

(2) The Contractor shall establish and maintain an access control system at the work site, including a daily sign-in log, for all visitors, including County and regulatory personnel. Prior to commencement of construction, the project manager may designate specific individuals for routine access so that their duties are not impeded. All visitors that are not pre-approved for admittance shall be escorted through the project by either a Contractor representative or by the project manager or designee.

(3) The Contractor shall provide all necessary safety equipment for County staff, employees, and visitors to enter the work site. This equipment may include hard hats, hearing protection, safety glasses, or any other safety items deemed necessary by the Contractor or required by State or Federal safety regulations.

(4) Construction vehicles on the work site shall always be operated in a safe manner. The Contractor shall take appropriate action to ensure the safety of County staff, visitors, and the general public while operating work vehicles at a "controlled" construction site. Where conditions warrant, or at the request of the County, temporary barriers shall also be established for these traffic areas.

(5) The Contractor shall prominently mark the work site and ensure its security. Site security shall include appropriate fencing, barricades, warning tape, covered walkways and warning signs. In no instance shall a work site be accessible, without obvious warning, to County staff, visitors, or the general public. At a minimum, the project site shall be posted with the appropriate trespass warning signs as specified in Section 810.09(2)(d), Florida Statutes: THIS AREA IS A DESIGNATED CONSTRUCTION SITE; ANYONE TRESPASSING ON THIS PROPERTY SHALL, UPON CONVICTION, BE GUILTY OF A FELONY; "A DANGER, CONSTRUCTION SITE. AUTHORIZED PERSONNEL ONLY," and other general safety warning signs, i.e., "HARD HAT AREA," as are deemed necessary by the Contractor and project manager.

(6) In the event barricading of a work site is not feasible, alternative measures may be used upon prior approval by the County safety Office. Alternative measures may include, but are not limited to, working during "off 'hours such as nights, weekends, or holidays, or the

providing of temporary accommodations for building occupants (to be prearranged, if necessary, at the discretion of the County).

(7) The Contractor shall ensure compliance with all fire safety codes at the work site, especially as to egress, during the construction phase of an occupied facility. In no instance, (except where impractical and with the prior approval of the County's Department of Safety and Risk Services and the appropriate life safety code inspector), shall the life safety code components of an occupied facility be reduced or otherwise compromised.

A set of these construction plans, with a signature of approval by the appropriate life safety code inspector, shall be kept at each construction site and available for routine inspection. The Contractor shall communicate with each subcontractor and County's Department of Safety and Risk Services as to scheduling of events that may pose hazards or inconveniences to building occupants. The Contractor shall also ensure that appropriate scheduling information is also conveyed to the project manager.

- When a project alters a building's fire protection compartment features, such as fire barriers, smoke barriers, or corridor walls, exits must provide free and unobstructed egress. Employees shall receive notice if any alternative exits have been designated. Buildings or areas under construction must maintain escape egress for construction workers at all times. These means of egress shall be inspected daily by the Contractor.

- When a project affects fire alarms, fire detection, or fire suppression systems, of a building that is occupied, the Contractor must ensure that such systems are not functionally impaired. Any temporary systems, which are installed, must be inspected and tested monthly by the Contractor. Employees must be notified when such temporary systems are in place.

- When any sources of ignition are present, such as welding torches, smoking by all persons shall be prohibited on any construction site and in any County facility.

(8) Noise, dust, and the use of chemical products may create inside health hazards at the work site to building occupants requiring that the Contractor to adhere to the following guidelines at a minimum:

(a) The Contractor shall initiate construction and engineering safety controls to minimize exposure of dusts, noise, and chemical odors to building occupants. These controls may involve the construction or use of temporary walls, plastic barriers, mechanical ventilation, elimination of make-up air returns from work areas, pressurizing occupied areas, or a combination of several methods. The Contractor shall coordinate all such engineering efforts with the project manager, and these control measures shall require prior approval by the County's Department of Safety and Risk Services. In cases where these efforts may not be feasible, alternative work schedules on evenings and weekends may be instituted as a part of this process.

(b) Material Safety Data Sheets (MSDS) shall be provided to the County's Department of Safety and Risk Services for all hazardous substances used on the project or

brought on the job site. These products include, but are not limited to, paints, solvents, roofing compounds, and cleaning compounds.

(c) Appropriate precautions shall be taken to prevent occupant exposure to hazardous respirable dusts, contaminants, and fumes from welding, cutting, or drilling of concrete and masonry, or the operation of internal combustion engines. The Contractor shall also determine whether respirable crystalline silica, which is a potential carcinogen contained in many building products, is present at the work site. Control of dusts from these types of products and operations shall be an essential safety requirement for the Contractor.

(d) The Contractor should be aware of other buildings adjacent to his work areas and shall be prepared to take necessary actions to prevent the spread of dusts and fumes to those facilities.

(9) The Contractor shall ensure that all emergency notifications, including those for fires and medical needs, shall be promptly made by dialing County 911 dispatchers. The Caller should state the exact location of the work site emergency, the nature of the emergency, and specifically indicate if medical or fire services are needed.

(10) The Contractor agrees and understands that all County construction/renovation sites shall be subject to periodic inspection by life safety code inspectors, Florida Department of Labor and Employment Security, Division of Safety, Occupational Safety and Health Administration, Florida Department of Environmental Protection, Environmental Protection Agency, and other Federal, State, or County regulatory agencies.

(11) The Contractor shall provide adequate refuse containers for the disposal of construction debris. Refuse shall not be allowed to accumulate on the project site grounds, and the Contractor shall ensure that these containers are subsequently emptied on a regular basis.

(12) Water runoff and soil erosion from the project site shall be controlled by the Contractor pursuant to the regulations of the Florida Department of Environmental Protection.

(13) Water-based paint and stain products shall be used by the Contractor in the place of solvent-based products where the application so permits. Use of organic solvent-based products shall be used only where absolutely necessary and with the prior approval of the project manager. Lead-containing paints shall not be normally used or specified for any application. If the use of lead-containing paint is essential for a specific application, prior written approval from the County's Department of Safety and Risk Services shall be obtained before their use.

(14) The use of any products containing toxic metals, especially those regulated by Resource Conservation and Recovery Act (RCRA), (i.e. lead, chromium, barium, silver, arsenic, cadmium, mercury, selenium), on the work site shall be avoided. Prior written approval for use of these metals shall be obtained by the Contractor from the County's Department of Safety and Risk Services.

(15) The use of any radioactive materials by the Contractor on project sites shall require pre-approval. Copies of appropriate certifications, licenses, testing, and inspection records

shall be provided by the Contractor to the project manager and County's Department of Safety and Risk Services for review.

(16) The County contracts out the identification and abatement of asbestos containing building materials. Asbestos abatement can only be performed by state licensed asbestos abatement contractors. General contractors, therefore, shall not be authorized to remove or disturb any asbestos containing materials. Although efforts are made to identify or remove such asbestos containing materials prior to renovations, the possibility exists that asbestos materials may be encountered at a work site. If so, Contractors who encounter such materials shall immediately stop work and notify the project manager and the County's Department of Safety and Risk Services.

(17) The above-cited guidelines represent minimum expectations and actions, which shall be taken by Contractors while under contract for County construction and renovation projects. These guidelines are not all inclusive and will be revised as necessary. In the event these guidelines conflict with other contract documents, the most stringent application shall apply. Any questions or disputes should be brought to the immediate attention of the project manager and County's Department of Safety and Risk Services.

EXHIBIT G
PAYMENT ADJUSTMENT - BITUMINOUS MATERIALS.

1. The bid unit price for Bituminous Material will be adjusted to reflect changes, both increases and decreases, in the Asphalt Index price of bituminous material from that in effect during the month in which bids were received for this contract. The Contractor will not be given the option to reject this cost adjustment of Bituminous Materials. This adjustment will be made in accordance with the following criteria:

1.1. Price adjustments will apply only to the price of bituminous material F. O. B. manufacturer's asphalt terminal and will not reflect variations in the cost of transportation from the terminal to the job site.

1.2. Price adjustments will be made for all bituminous material incorporated into asphalt pavement whether paid for under a separate bid item or under other items, which include the cost of bituminous material.

1.3. Price adjustments will not be made until the semi-final or final payment is made on the contract. The bid unit price for bituminous material will be used in preparing monthly progress payments.

1.4. No price adjustment reflecting any further increases in the cost of bituminous material will be made for any month after expiration of the allowable contract time, including any extensions that may be granted.

1.5. The adjusted unit price shall be calculated for the month during which the material was incorporated into the project in accordance with the following formula:

Pa ' PbX(Id-Ib) where:
Pa ' Adjusted unit price for Bituminous Material. (To be calculated separately for each month during which bituminous material is used and will reflect an increased or decreased price.)
Pb ' Bid unit price for Bituminous Material.
Id ' Asphalt Price Index during the month in which the material is incorporated into the project.
Ib ' Asphalt Price Index during the month in which bids were received for this contract.

1.6. The County will determine the Asphalt Price Index for each month. The Index shall be determined by averaging quotations in effect on the first day of the month at all terminals, which could reasonably be expected to furnish bituminous material to projects in the State of Florida.

1.7. A price adjustment will be made only when the current Asphalt Price Index varies by 5% or more from the Index that was applicable when bids were received or 5% or more from when the last previous adjustment was made.

The Asphalt Price Index to be used by the County will be that used by the Florida Department of Transportation, as available from them after the 15th of each month.

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Mrs. Gilley,

Please see the attached microwave damage assessment. Andrew is thinking the cost would be approximately $100,000. Please advise on how you would like for me to proceed.

Amber,

It was my understanding that approval was granted earlier this week to Andrew and work is already being performed for this expense but I would like to request the PO for $100,000 versus the $86,500 due to additional cost. Please advise on how you would like for me to proceed. The PO would be awarded to Motorola/CES and Cost Center is General Fund 330403 and I do not have funds to support the PO. I know the Cost Center flags have been lifted but I wanted to know if I should proceed with the PO now and request ratification or should I go to the Board 1st and hold on the payments.

Please advise.

Tamika,

We could exceed the number so I think doing the PO for 100K would be prudent. I will have additional generator cost attributed to the storm, but I don't have those invoices yet.

I've already submitted the $5,500 invoice for the tree removal at 4H.

Attached is the tower site damage assessment totaling $86,500. These are estimates only based on initial inspections done by the State Comms Strike Team. Some towers were climbed, some were assessed using drone.

Each tower will be climbed, fully inspected, bolts checked and tightened and guy wires tension checked. I estimated on the high side as additional items are often found when climbing.

I will have generator cost also, but don't have those in yet.

RESOLUTION R2020-124
DECLARATION OF STATE OF LOCAL EMERGENCY

WHEREAS, the Board of County Commissioners of Escambia County has been informed by her emergency management staff of the imminent threat posed by Hurricane Sally; and

WHEREAS, Hurricane Sally has the capacity to pose a significant, imminent, and dangerous threat to the health, safety, and welfare of the inhabitants of Escambia County, Florida, visitors and tourists in Escambia County, Florida, as well as their real and personal property; and

WHEREAS, time and circumstances are such that a special emergency meeting of the Board of County Commissioners cannot be called; and

WHEREAS, pursuant to section 37-35 of the Escambia County Code of Ordinances, one Commissioner may declare a state of emergency.

NOW THEREFORE, pursuant to Escambia County Code Section 37-35(a), the Board of County Commissioners hereby resolves, finds, and declares:

1. The above recitals are true and are incorporated herein.
2. A state of local emergency hereby exists in Escambia County, Florida, effective for seven (7) days beginning 1:00 p m., central daylight time, this 14th day of September, 2020.
3. The Board of County Commissioners, hereby waives the procedures and formalities otherwise required of Escambia County pertaining to:
    a. Performance of public work and taking whatever prudent action is necessary to insure the health, safety, and welfare of the community.
    b. Entering into contracts.
    c. Incurring obligations.
    d. Employment of permanent and temporary workers.
    e. Utilization of volunteer workers.
    f. Rental of equipment.

g. Acquisition and distribution, with or without compensation, of supplies, materials, and facilities.

h. Appropriation and expenditure of public funds.

4. The County Administrator, or her designee is hereby empowered, authorized, and directed to exercise, on behalf of the Board of County Commissioners, such emergency powers necessary to carry out the provisions of Chapter 252, Florida Statutes, including, but not limited to, the powers to direct and compel evacuation of all or part of the population from stricken or threatened areas within the County, if such action is deemed necessary to reduce the vulnerability of people in communities of Escambia County to damage, injury, and loss of life and property resulting from the imminent threat, as well as any other powers expressly or implicitly conferred pursuant to Chapters 125 and 252, Florida Statutes, and any other provision of law or county ordinance.

5. The Comprehensive Emergency Management Plan (CEMP) is hereby activated.

6. This authority shall extend only for the period of the state of local emergency, as determined by the County Administrator or his designee, or until further action by the Board of County Commissioners terminates such authority or declares that the state of local emergency has ended.

7. This Resolution shall be transmitted to the Secretary of State upon adoption.

Adopted this 14th day of September, 2020.

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

RESOLUTION R2020-124
DECLARATION OF STATE OF LOCAL EMERGENCY

WHEREAS, the Board of County Commissioners of Escambia County has been informed by her emergency management staff of the imminent threat posed by Hurricane Sally; and

WHEREAS, Hurricane Sally has the capacity to pose a significant, imminent, and dangerous threat to the health, safety, and welfare of the inhabitants of Escambia County, Florida, visitors and tourists in Escambia County, Florida, as well as their real and personal property; and

WHEREAS, time and circumstances are such that a special emergency meeting of the Board of County Commissioners cannot be called; and

WHEREAS, pursuant to section 37-35 of the Escambia County Code of Ordinances, one Commissioner may declare a state of emergency.

NOW THEREFORE, pursuant to Escambia County Code Section 37-35(a), the Board of County Commissioners hereby resolves, finds, and declares:

1. The above recitals are true and are incorporated herein.
2. A state of local emergency hereby exists in Escambia County, Florida, effective for seven (7) days beginning 1:00 p m., central daylight time, this 14th day of September, 2020.
3. The Board of County Commissioners, hereby waives the procedures and formalities otherwise required of Escambia County pertaining to:
    a. Performance of public work and taking whatever prudent action is necessary to insure the health, safety, and welfare of the community.
    b. Entering into contracts.
    c. Incurring obligations.
    d. Employment of permanent and temporary workers.
    e. Utilization of volunteer workers.
    f. Rental of equipment.

g. Acquisition and distribution, with or without compensation, of supplies, materials, and facilities.

h. Appropriation and expenditure of public funds.

4. The County Administrator, or her designee is hereby empowered, authorized, and directed to exercise, on behalf of the Board of County Commissioners, such emergency powers necessary to carry out the provisions of Chapter 252, Florida Statutes, including, but not limited to, the powers to direct and compel evacuation of all or part of the population from stricken or threatened areas within the County, if such action is deemed necessary to reduce the vulnerability of people in communities of Escambia County to damage, injury, and loss of life and property resulting from the imminent threat, as well as any other powers expressly or implicitly conferred pursuant to Chapters 125 and 252, Florida Statutes, and any other provision of law or county ordinance.

5. The Comprehensive Emergency Management Plan (CEMP) is hereby activated.

6. This authority shall extend only for the period of the state of local emergency, as determined by the County Administrator or his designee, or until further action by the Board of County Commissioners terminates such authority or declares that the state of local emergency has ended.

7. This Resolution shall be transmitted to the Secretary of State upon adoption.

Adopted this 14th day of September, 2020.

AGREEMENT FOR PROFESSIONAL CONSULTING SERVICES

THIS AGREEMENT is made and entered into this **25th day of September 2020**, by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "the County"), whose address is 221 Palafox Place, Pensacola, Florida 32502, and **MOTT MACDONALD FLORIDA, LLC** a for-profit corporation authorized to transact business in the State of Florida, FEI/EIN **59-1294824** whose principal address is **220 West Garden Street, Suite 700 Pensacola, FL 32502** (hereinafter referred to as the "Consultant").

WITNESSETH:

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Consultant agree as follows:

ARTICLE I
DEFINITIONS AND IDENTIFICATIONS

For purposes of this Agreement and the various covenants, conditions, terms, and provisions which follow, the definitions and identifications set forth below are assumed to be true and correct and are, therefore, agreed upon by the parties.

1.1 BOARD OF COUNTY COMMISSIONERS: The Board of County Commissioners of Escambia County, Florida, means the governing body of the Escambia County Government.

1.2 CONSULTANT: **MOTT MACDONALD FLORIDA, LLC** is the Consultant selected to perform professional services pursuant to this Agreement.

1.3 CONTRACT ADMINISTRATOR: Whenever the term "Contract Administrator" is used herein, it is intended to mean **Derek Fox, Senior Engineering Project Coordinator**. In the administration of this contract, as contrasted with matters of policy, all parties may rely upon instructions or determinations made by the Contract Administrator.

1.4 CONTRACT SERVICES: The intent of this Contract is to make available certain professional consultant services to Escambia County as outlined herein.

1.5 COUNTY: Escambia County is a political subdivision of the State of Florida.

1.6 COMPENSATION: Compensation refers to the method of payment under this Agreement for the professional services of the Consultant.

1.7 NOTICE TO PROCEED: A Notice to Proceed is the written authorization issued by the County or the Contract Administrator to commence the Project.

1.8 PROJECT: It is the intent of this Agreement that the Consultant provide to the County certain professional services for **Bob Sikes Bridge Hurricane Sally Repairs.**

ARTICLE 2
PREAMBLE

In order to establish the background, context, and frame of reference for this Agreement and to generally express the objectives and intentions of the respective parties herein, the following statements, representations, and explanations shall be accepted as predicates for the undertakings and commitments included within the provisions which follow and may be relied upon by the parties as essential elements of the mutual considerations upon which this Agreement is based.

2.1 The Board of County Commissioners has met the requirements of the Consultants' Competitive Negotiation Act, as contained in Section 287.055, Florida Statutes, as amended, and has selected the Consultant to perform the services hereunder.

2.2 Negotiations pertaining to the services to be performed by the Consultant were undertaken between Consultant and a committee selected by the Board of County Commissioners, and this Agreement incorporates the results of such negotiation.

ARTICLE 3
SCOPE OF WORK

The Consultant will provide certain professional consultant services for the tasks outlined in Escambia County's Request for Letters of Interest (RLI) in Specification No. **PD 19-20.098, LAP CEI for Bob Sikes Bridge Hurricane Sally Repairs** and as represented in the Consultant's Letter of Interest response, subsequent interview, and proposal presentation. In the event of a conflict between the terms of the proposal and this Agreement, the terms of this Agreement shall prevail.

3.1 The basic services to be provided are set forth in **Exhibit A**, attached hereto and incorporated by reference herein, and unless otherwise specified, such services shall be completed in accordance with the standard care in the profession at the time such services are rendered.

3.2 Such services, generally, shall include those services performed by a consultant, its employees, and subcontractors, as more specifically enumerated in the Scope of Work of **Exhibit A** and any other services specifically included therein.

3.3 The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by the Consultant under this Agreement. The consultant shall, without additional compensation, correct or revise any errors or omissions in its designs, drawings, specifications, and other services furnish pursuant to the Agreement.

(a) Neither the County's review, approval or acceptance of, nor payment for, the services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement, and the Consultant shall be and remain liable to the County in accordance with applicable law for all damages to the County caused by the Consultant's negligent performance of any of the services furnished under this Agreement.

(b) The rights and remedies of the County provided for under this Agreement are in addition to any other rights and remedies provided by law.

(c) If the Consultant is comprised of more than one legal entity, each such entity shall be jointly and severally liable hereunder.

3.4 The Consultant shall accomplish the design services required under this Agreement so as to permit the award of a contract at a price that does not exceed the estimated construction contract price as set forth in paragraph (b) below. When bids or proposals for the construction contract are received that exceed the estimated price, the Consultant shall perform such redesign and other services as are necessary to permit contract award within the funding limitation. These additional services shall be performed at no increase in the price of this Agreement. However, the Consultant shall not be required to perform such additional services at no cost to the County if the unfavorable bids or proposals are the result of conditions beyond its reasonable control.

(a) The Consultant will promptly advise the County if it finds that the project being designed will exceed or is likely to exceed the funding limitations, and it is unable to design a usable facility within these limitations. Upon receipt of such information, the County will review the Consultant's revised estimate of construction cost. The County may, if it determines that the estimated construction contract price set forth in this Agreement is so low that award of a construction contract not in excess of such estimate is improbable, authorize a change in scope or materials as required to reduce the estimated construction cost to an amount within the estimated construction contract price set forth in paragraph (b) below, or the County may adjust such estimated construction contract price. When bids or proposals are not solicited or are unreasonably delayed, the County shall prepare an estimate of constructing the design submitted and such estimate shall be used in lieu of bids or proposals to determine compliance with the funding limitation. In the event the county increases the amount in (b) below the compensation to the consultant may be increased equitably.

(b) The estimated construction contract price for the project described in the Agreement is **$1,206,297.71.**

3.5 The Consultant may be liable for County costs resulting from negligent, reckless or intentionally wrongful errors or omissions in designs furnished under this Agreement, or failure to timely perform its services under this Agreement. Therefore, when a modification to a construction contract is required because of a negligent, reckless or intentionally wrongful error or omission in the services provided under this Agreement, the County (with the advice of technical personnel and legal counsel) shall consider the extent to which the Consultant may be reasonably liable. The County shall enforce such liability and collect the amount due, if the recoverable cost will exceed the administrative cost involved or is otherwise in the County's interest.

ARTICLE 4
TIME FOR PERFORMANCE

4.1 The schedule for completion of the Consultant's services shall be in accordance with **Exhibit B**, which is attached hereto and made a part hereof. Such schedule may be modified from time to time upon the mutual consent of the County and the Consultant.

4.2 These services shall be performed as expeditiously as is consistent with professional skill and care and the orderly progress of the Project. The Consultant's schedule for the performance of its services shall include allowances for periods of time required for the County's review and for its approval of submissions by the Consultant. Time limits established by this schedule, which are hereby approved by the County, shall not be exceeded by the Consultant, except for reasonable cause.

4.3 Prior to beginning the performance of any basic services under this Agreement, the Consultant must receive in writing a Notice to Proceed from the Contract Administrator.

ARTICLE 5
COMPENSATION AND METHOD OF BILLING AND PAYMENT

5.1 COMPENSATION: The County agrees to pay the Consultant, as compensation for its services under Section 3.1 of this Agreement, fees for certain project tasks pursuant to the fee schedule set forth in **Exhibit C,** attached hereto and made a part hereof. The total fee for all such services to be performed by the Consultant, including costs, direct expenses, and any other charges described in Section 5.3, **Forty-Seven Thousand Five Hundred Fifty Five dollars ($47,555.00).** Final payment will be subject to approval by the Board of County Commissioners.

5.2 FEE SCHEDULE: The "fee schedule," as used herein, shall mean the charges shown in **Exhibit C** for certain tasks to be performed by the Consultant. Such fees shall include, all inclusively the Consultant's salaries of professional and administrative staff, sick leave, vacation, unemployment, excise and payroll taxes, contributions for social security, unemployment compensation insurance, retirement benefits, medical and insurance benefits, air travel, auto travel, telephone, facsimile, reproduction costs, other routine overhead expenses, profit, and all other expenses of every type.

5.3 DIRECT EXPENSES: Direct expenses are those expenses directly attributable to the Project, which will be exclusively borne by Consultant, and are included in its aggregate fee, they shall include, but not be limited to, the following:

(a) Transportation expenses in connection with the Project.
(b) Living expenses in connection with travel and any other travel expenses.
(c) Long distance communications and other miscellaneous budget expenses.
(d) Cost of printing plans, drawings, and specifications which are required by or of the Consultant to deliver the services set forth in this Agreement. The Consultant agrees and understands that it will furnish to the County two (2) sets of all Project plans, reports, and specifications in a bound format acceptable to the County.
(e) Cost of any software or hardware used or developed for the Project, including CAD/CADD time.

5.4 METHOD OF BILLING AND PAYMENT:

(a) Consultant may submit bills to the County at the completion and approval of each task or at the partial completion of a task on a pro-rata basis. However, requests for payment shall not be made more frequently than once a month. The Consultant shall submit such monthly statements identifying the nature of the work performed.

Calculations shall be made monthly of the amount and value of the work accomplished and services performed by the Consultant which meet the standards of quality established under this Agreement. The estimates shall be prepared by the Consultant and accompanied by such supporting data as required by the Contract Administrator.

(b) Payments under this Agreement and interest on any late payments shall be governed by the Florida Prompt Payment Act, §§ 218.70, et seq., as amended.

5.5 NOTICES:

(a) Any notice, invoice, payment, or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or other private courier service, such as Federal Express.

(b) Unless otherwise notified in writing of a new address, notices, payment, and invoices shall be made to each party at the below listed addresses. Rejection, or other refusal by the addressee to accept, or the inability of the courier service, or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

(c) Payments and Notices to the Consultant shall be made to:

MOTT MACDONALD FLORIDA, LLC
220 West Garden Street, Suite 700
Pensacola, FL 32502

(d) Invoices to the County shall be sent to:

Escambia County Engineering
3363 West Park Place
Attn: Derek Fox
Pensacola, Florida 32505

Notices to the County shall be sent to:

County Administrator
P.O. Box 1591
Pensacola, Florida 32597-1591

ARTICLE 6
ADDITIONAL SERVICES AND CHANGES IN SCOPE OF WORK

6.1 The County or the Consultant may request changes that would increase, decrease, or otherwise modify the Scope of Work to be provided under this Agreement. Such changes must be in accordance with the procurement policies of the County and must be contained in a written amendment, executed by the parties thereto, with the same formality and of equal dignity prior to any deviation from the terms of this Agreement, including the initiation of any extra work.

ARTICLE 7
COUNTY'S RESPONSIBILITIES

7.1 The County shall furnish to the Consultant, as required for performance of the Consultant's basic services, all available data prepared by or the result of the services of others, including without limitation (as may be appropriate): building plans and related drawings, core borings, probings, and subsurface explorations, hydraulic surveys, laboratory tests, and inspections of samples, materials, and equipment, appropriate professional interpretations of all of the foregoing; environmental assessments and impact statements, appropriate professional interpretations of all of the foregoing; property boundary, easement, rights-of-way, topographic and utility surveys; property descriptions; zoning, deed, and other land use restrictions; and any other special data or consultations relating to this Project.

7.2 The County shall arrange for access to and make all provisions for the Consultant to enter upon public and private property as required for the Consultant to perform its services.

7.3 Within a reasonable time so as not to delay the services of the Consultant, the County shall examine all studies, reports, sketches, drawings, specifications, proposals, and other documents presented by the Consultant, obtain advice of an attorney, insurance counselor, or other Consultants, as the County deems appropriate, for such examinations and the rendering, if required, of written opinions pertaining thereto.

7.4 The County shall furnish approvals and permits from all governmental authorities having jurisdiction over the Project and such approvals and consents from others as may be necessary for completion of the Project.

7.5 The County shall give prompt written notice to the Consultant whenever the County observes or otherwise becomes aware of any development that affects the scope of timing of the Consultant's services, or any defect in the work of the Consultant.

ARTICLE 8
CONSULTANT'S RESPONSIBILITIES

8.1 QUALITY OF SERVICES:

(a) The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished pursuant to this Agreement.

(b) To that end, the Consultant shall correct or shall revise, without additional compensation, any errors or omissions in its work product or shall make such revisions as are necessary as the result of the failure of the Consultant to provide an accurate, more efficient, and properly constructable product in its designs, drawings, specifications, or other services.

(c) The County's review/approval/acceptance of or payment for the services required by this Agreement shall NOT be construed to operate as a waiver of any rights or of any cause of action arising out of the performance of this Agreement. Additionally, the Consultant shall be and remain liable to the County in accordance with applicable law for all damages to the County caused by the Consultant's negligent performance of any of the services furnished under this Agreement.

(d) The rights and remedies of the County provided for under this Agreement are in addition to any other rights and remedies otherwise provided by law.

8.2 CONSULTANT PROFESSIONAL REGISTRATION AND CERTIFICATION:

(a) The design services provided to the County by the Consultant shall be certified by professional consultants registered to practice and in good standing in the State of Florida. Any project inspection services also shall be reviewed and shall be approved by such professional consultants.

(b) The survey services provided to the County by the Consultant shall be certified by professional land surveyors registered to practice and in good standing in the State of Florida.

(c) Permit applications to State and Federal agencies prepared by the Consultant shall be signed and shall be sealed by the Consultant, as the project's Consultant of Record. For all such permit applications, post-construction certification also shall be made by the Consultant to the appropriate State or Federal permitting agency.

ARTICLE 9
GENERAL PROVISIONS

9.1 OWNERSHIP OF DOCUMENTS:

(a) Drawings, specifications, design, models, photographs, reports, surveys, and other data, including intellectual property of any type or description, produced by the Consultant in connection with this Agreement are and shall remain the property of the County whether the Project for which they were made is completed or not. Such ownership also shall include any electronic files developed or created of such documents.

(b) When such documents are provided to other parties, the Consultant shall ensure return of the County's property by collecting, if appropriate, a deposit equal to the cost of reproduction. Such deposit shall be returned if the documents are timely returned in a useable condition. Otherwise, such deposit shall be retained by the Consultant.

9.2 TERMINATION:

(a) This Agreement may be terminated by either party for cause, or by the County for convenience, upon fourteen (14) days written notice by the terminating party to the other party of such termination in which event the Consultant shall be paid its compensation for services performed to termination date, including all reimbursable expenses then due or incurred to the date of termination.

(b) Termination for cause shall include, but not be limited to, misuse of funds, fraud, lack of compliance with applicable rules, laws, regulations, and ordinances, and failure to perform in a timely manner any provision of this Agreement.

(c) In no event shall a termination for convenience by the County be deemed a default, and any such termination shall not subject the County to any penalty or other claim for damages. If the Consultant abandons this Agreement or causes it to be terminated, the Consultant shall indemnify the County against any loss pertaining to this termination up to a maximum of 1.3 times the full contracted fee amount of the Project. All finished or unfinished documents, data, studies surveys, drawings, maps, models, photographs, and reports prepared by the Consultant shall become the property of the County and shall be immediately delivered by the Consultant to the County.

(d) Vendor suspension or debarment proceedings brought by County pursuant to Chapter 46, Article II, Division 2, Section 46-102, Escambia County Code of Ordinances, shall be grounds for immediate termination of this Agreement.

9.3 RECORDS:

(a) The Consultant shall keep such records and accounts and shall require any subcontractors to keep records and accounts as may be necessary in order to record complete and correct entries as to personnel hours charged to this engagement and any expenses for which the Consultant expects to be reimbursed. Such books and records will be available at all reasonable times for examination and audit by the County, and shall be kept for a period of three (3) years after the completion of all work to be performed pursuant to this Agreement. Incomplete or incorrect entries in such books and records will be grounds for disallowance by the County of any fees or expenses based upon such entries.

(b) The Consultant acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. The Consultant shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. The Consultant shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Consultant agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Consultant fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any right or remedy and after giving the Consultant and its surety, if any, seven (7) days written notice, during which period the Consultant still fails to allow access to such documents, terminate the employment of the Consultant. In such case, the Consultant shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Consultant (excluding monies owed the Consultant for subcontractor work).

IF THE CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE

CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

9.4 NO CONTINGENT FEES: In accordance with §287.055(6), Florida Statutes and Section 46-97, Escambia County Code of Ordinances, the Consultant warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Consultant to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Consultant any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of this provision, the County shall have the right to terminate the Agreement without liability and at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

9.5 COMPLIANCE: The Consultant agrees to comply, at its own expense, with all federal, state, and local laws, codes, statutes, ordinances, rules, regulations and requirements related to the performance of this Agreement, including but not limited to the Local Agency Program Federal-Aid Terms for Professional Services Contracts, attached hereto as Exhibit D.

9.6 SUBCONTRACTORS: The County approves the use of subcontractors by the Consultant. In the event the Consultant, during the course of the work under this Agreement, requires the services of any subcontractors or other professional associates in connection with services covered by this Agreement, it must secure the prior written approval of the County for employment of such subcontractors.

9.7 ASSIGNMENT: This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the Consultant, without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

9.8 HOLD HARMLESS AND INDEMNIFICATION:

The Consultant agrees to hold harmless and indemnify the County, the State of Florida Department of Transportation, and its agents, officers, and employees from all liabilities, damages, losses, and costs, including attorneys' fees and paralegals' fees, to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Consultant or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Consultant, or by any other person for whom the Consultant is legally liable. County and Consultant agree one percent (1%) of the Contract Amount paid by County to Consultant shall be given as separate consideration for this indemnification, and any other indemnification by Consultant provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Consultant's acceptance and execution

of the Agreement. Consultant agrees that such indemnification by the Consultant relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any statutes of limitations thereafter. The Consultant's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

Nothing in this paragraph is intended to serve nor shall it constitute a waiver of sovereign immunity by the County or the State of Florida and nothing herein shall be construed as consent by the County or the State of Florida to be sued by third parties in any matter arising out of this Agreement.

9.9 INSURANCE: The Consultant is required to carry the following insurance:

(a) Commercial General Liability with $1,000,000 minimum per occurrence, including coverage parts of bodily injury, property damage, broad form property damage, personal injury, independent contractors, blanket contractual liability, and completed operations.

(b) Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles.

(c) Professional Liability coverage with $1,000,000 minimum limit, except where the estimated construction contract price for the project described in the Agreement is greater than $5 Million dollars, the minimum limit of professional liability coverage shall be equal to 25% of the estimated construction contract price for the project. Said coverage shall be continuously maintained and in effect for a period of not less than **five (5) years** from the effective date of this Agreement. The policy limit of liability shall not include legal fees and other defense costs. If a "claims made" form of coverage is provided, the retroactive date of coverage shall be no later than the effective date of this Agreement and shall not be advanced.

If at any time during the aforementioned policy period there should be a cancellation, non-renewal, or lapse in coverage, professional liability coverage shall be extended for the remainder of the five-year period with a supplemental extended reporting period (SERP) endorsement to take effect upon expiration of the policy period referenced above. The limits of liability applicable to the SERP coverage shall be equal to the limits of liability applicable to the policy referenced above and to which the endorsement attaches.

(d) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

(e) It is understood and agreed by the parties that in the event that the Consultant, as defined in Section 1.2, consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

(f) All liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be a minimum financial size of VII, according to the latest edition of the A.M. Best Key Rating Guide. An A or better Best Rating is referred; however, other ratings if "Secure Best Ratings" may be considered. Liability policies shall be underwritten on the occurrence basis, except the professional and environmental impairment coverage

may be provided on a "claims made" basis. The State of Florida Department of Transportation, Escambia County, and the Board of County Commissioners shall be "additional insureds" on all liability policies (except professional liability). Certificates of insurance shall be provided to Purchasing Manager, P.O. Box 1591, Pensacola, Florida 32597-1591 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of the foregoing named parties and shall provide for a minimum of thirty (30) days' notice of cancellation. The State of Florida Department of Transportation, Escambia County, and the Board of County Commissioners also shall be the certificate holders.

9.10 REPRESENTATIVE OF COUNTY AND CONSULTANT:

(a) It is recognized that questions in the day-to-day conduct of the Project will arise. The Contract Administrator, upon request by the Consultant, shall designate and shall advise the Consultant in writing, persons to whom all communications pertaining to the day-to-day conduct of the Project shall be addressed.

(b) The Consultant shall inform the Contract Administrator in writing of the representative of the Consultant to whom matters involving the conduct of the Project shall be addressed.

9.11 ALL PRIOR AGREEMENTS SUPERSEDED:

(a) This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein, and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or Agreements whether oral or written.

(b) It is further agreed that no modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

9.12 TRUTH-IN-NEGOTIATION CERTIFICATE: In accordance with §287.055(5), Florida Statutes and Section 46-97, Escambia County Code of Ordinances, the signing of this Agreement by the Consultant shall act as the execution of a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation of this Agreement are accurate, complete, and current at the time of contracting. To the extent such wage rates and other factual unit costs are determined by the County to be inaccurate, incomplete, or non-current, the original contract price and any additions thereto shall be adjusted to exclude any increases in the compensation paid to the Consultant due to such inaccurate, incomplete, or non-current wage rates and other factual unit costs. A determination of allowable costs in accordance with the Federal cost principles will be performed for all services rendered under this Agreement. All such contract adjustments shall be made within one (1) year following the end of this Agreement.

9.13 HEADINGS: Headings and subtitles used throughout this Agreement are for the purpose of convenience only, and no heading or subtitle shall modify or be used to interpret the text of any section.

9.14 GRATUITIES: Neither the Consultant nor any of its employees, agents, and representatives shall offer or give to an officer, official, or employee of the County gifts, entertainment, payments, loans, or other gratuities. The Consultant acknowledges knowledge of the State of Florida's ethics statutes, and to the extent applicable to the Consultant, the Consultant agrees to abide with such statutes.

9.15 CONFLICT OF INTEREST: The Consultant hereby certifies that it will completely disclose to the County all facts bearing upon any possible conflicts, direct or indirect, with its performance which it believes that any officer, employee, or agent of the Consultant now has or will have. Said disclosure shall be made by the Consultant contemporaneously with the execution of this Agreement and at any time thereafter that such facts become known to the Consultant. The Consultant at all times shall perform its obligations under this Agreement in a manner consistent with the best interests of the County. Failure to abide by this section shall result in the immediate termination of this Agreement pursuant to Chapter 46, Article II, Division 4 of the Escambia County Code of Ordinances.

9.16 SURVIVAL: All other provisions which, by their inherent character, sense, and context are intended to survive termination of this Agreement, shall survive the termination of this Agreement.

9.17 GOVERNING LAW: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue for any matter which is a subject of this Agreement shall be in the County of Escambia.

9.18 INTERPRETATION: For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

(a) If the Consultant discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, the Consultant shall immediately notify the County and request clarification of the County's interpretation of this Agreement.

(b) This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

9.19 SEVERABILITY: The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed and enforced as if this Agreement did not contain such invalid or unenforceable portion or provision.

9.20 COMPLIANCE WITH LAWS: The Consultant shall keep fully informed regarding and shall fully and timely comply with all current laws and future laws that may affect those engaged or employed in the performance of this Agreement. Without limiting the generality of the foregoing,

the Consultant shall observe all rules and regulations of federal, state, and local officials relating to the subject matter of this Agreement.

9.21 EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY): In accordance with §448.095, Florida Statutes, Consultant shall register with and utilize the E-Verify System operated by the United States Department of Homeland Security to verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Consultant enters into a contract with a subcontractor performing work or providing services on its behalf, Consultant shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

9.22 PARTICIPATION IN OTHER PROCEEDINGS: At the County's request, the Consultant shall allow itself to be joined as a party in any legal proceeding that involves the County regarding the design, construction, or installation of any matter which is the subject of this Agreement. This provision is for the benefit of the County and not for the benefit of any other party.

9.23 FURTHER DOCUMENTS: The parties shall execute and deliver all documents and perform further actions that may reasonably necessary to effectuate the provisions of this Agreement.

9.24 NO WAIVER: The failure of the Consultant or the County to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Agreement.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement on the respective dates under each signature:

Construction, Engineering, Inspection (CEI) and Program Management Services for Emergency Repair of CR-399 (Bob Sikes Bridge, 480123 & 480139) over Santa Rosa Sound Solicitation Identification Number PD 19-20.098

Scope of Work

Project Narrative:

Provide services as defined in this Scope of Services, the referenced Department manuals, and procedures.

The projects for which the services are required are: Financial Project IDs: TBD

Descriptions: Emergency Repair of CR-399 (Bob Sikes Bridge, 480123 & 480139) over Santa Rosa Sound

County: Escambia

Exercise independent professional judgment in performing obligations and responsibilities under this Agreement. Pursuant to Section 4.1.4 of the Construction Project Administration Manual (CPAM), the authority of the Consultant's lead person, such as the Senior Project Engineer, and the Consultant's Project Administrator shall be identical to the Department's Resident Engineer and Project Administrator respectively and shall be interpreted as such.

Services provided by the Consultant shall comply with Department manuals, procedures, and memorandums in effect as of the date of execution of the Agreement unless otherwise directed in writing by the Department. Such Department manuals, procedures, and memorandums are found at the State Construction Office's website.

On a single Construction Contract, it is a conflict of interest for a professional firm to receive compensation from both the Department and the Contractor either directly or indirectly.

Contract Time:
The Contractor's work shall be fully completed within fourteen (14) calendar days from the Commencement date. The CEI Consultant will be allowed an accumulation of thirty (30) calendar days to complete documentation after final acceptance of the construction contract. Therefore, the **CEI services contract shall be for a total of forty-four (44) calendar days.**

SCOPE OF Work:
REQUIREMENTS OF THE CONSULTANT:

General:

It shall be the responsibility of the Consultant to administer, monitor, and inspect the Construction Contract such that the project is constructed in reasonable

conformity with the plans, specifications, and special provisions for the Construction Contract.

Observe the Contractor's work to determine the progress and quality of work. Identify discrepancies, report significant discrepancies to the Department, and direct the Contractor to correct such observed discrepancies.

Pursuant to Section 337.11(9)(a), Florida Statutes, the Consultant is hereby designated by the Secretary of the Department to negotiate and approve Supplemental Agreements within

the thresholds established in the CPAM. Seek input from the Construction Project Manager relating to all Supplemental Agreement requests. Supplemental Agreements must be determined to be in accordance with Florida law by the Department prior to approval by the Consultant. For any Supplemental Agreement which exceeds the thresholds, prepare the Supplemental Agreement as a recommendation to the Department, which the Department may accept, modify or reject upon review. Consult with the Construction Project Manager as necessary and direct all issues, which exceed delegated authority to the Construction Project Manager for Department action or direction.

Inform the Construction Project Manager of any significant omissions, substitutions, defects, and deficiencies noted in the work of the Contractor and the corrective action that has been directed to be performed by the Contractor.

Survey Control:

Check or establish the survey control baseline(s) along with sufficient baseline control points and bench marks at appropriate intervals along the project in order to: (1) make and record measurements necessary to calculate and document quantities for pay items, (2) make and record pre-construction and final cross section surveys of the project site in those areas where earthwork (i.e., embankment, excavation, subsoil excavation, etc.) is part of the construction project, and (3) perform incidental engineering surveys.

Any questions or requests for "Waiver of Survey" should be directed to the District Final Estimates Manager.

On-site Inspection:

Monitor the Contractor's on-site construction activities and inspect materials entering into the work in accordance with the plans, specifications, and special provisions for the Construction Contract to determine that the projects are constructed in reasonable conformity with such documents. Maintain detailed accurate records of the Contractor's daily operations and of significant events that affect the work. The Department will monitor off-site activities and fabrication unless otherwise stipulated by this Agreement.

Monitor and inspect Contractor's Work Zone Traffic Control Plan and review modifications to the Work Zone Traffic Control Plan, including Alternate Work Zone Traffic Control Plan, in accordance with the Department's procedures. Consultant employees performing such services shall be qualified in accordance with the Department's procedures.

Sampling and Testing:

Perform sampling and testing of component materials and completed work in accordance with the Construction Contract documents. The minimum sampling frequencies set out in the Department's Materials Sampling, Testing and Reporting Guide shall be met. In complying with the aforementioned guide, provide daily surveillance of the Contractor's Quality Control activities and perform the sampling and testing of materials and completed work items for verification and acceptance.

The Department will perform inspection and sampling of materials and components at locations remote from the project site and the Department will perform testing of materials normally done in a laboratory remote from the project site.
Determine the acceptability of all materials and completed work items on the basis of either test results or verification of a certification, certified mill analysis, DOT label, DOT stamp, etc.

The Department will monitor the effectiveness of the Consultant's testing procedures through observation and independent assurance testing.

Sampling, testing and laboratory methods shall be as required by the Department's Standard Specifications, Supplemental Specifications or as modified by the Special Provisions of the Construction Contract.
Documentation reports on sampling and testing performed by the Consultant shall be submitted during the same week that the construction work is done. Transport samples to be tested in a Department laboratory to the appropriate laboratory or appropriate local FDOT facility.
Input verification testing information and data into the Department's database using written instructions provided by the Department.

Engineering Services:

Coordinate the Construction Contract administration activities of all parties other than the Contractor involved in completing the construction project. Notwithstanding the above, the Consultant is not liable to the Department for failure of such parties to follow written direction issued by the Consultant.

Services shall include maintaining the required level of surveillance of Contractor activities, interpreting plans, specifications, and special provisions for the Construction Contract. Maintain complete, accurate records of all activities and events relating to the project and properly document all project changes. The following services shall be performed:

(1) Attend a pre-service meeting for the Agreement in accordance with CPAM. Provide appropriate staff to attend and participate in the pre-service meeting. At the time of this meeting submit the FDOT Computer Security Access Request for use of FDOT Data Center Facilities and access to the Department's computer systems to the Construction Project Manager for approval.

(2) Schedule and attend a Final Estimate informational meeting with the District Construction Final Estimates Office. Provide appropriate staff to attend and participate in this meeting.

(3) Schedule and attend a meeting with the District Compliance Manager prior to the Pre-construction Conference. The Resident Compliance Officer shall attend this meeting.

In most cases, the above will take two separate meetings based on experience and knowledge of the particular firm.

(4) Schedule and attend SiteManager/EDMS informational meeting with the District Construction Office. Provide appropriate staff to attend and participate in this meeting.

Provide personnel proficient in the use of computers and scanner operation to input construction documents into an EDMS. This will require familiarity with the documents and guidelines posted on the Department's website for EDMS. Duties will include scanning, attributing and retrieving documents that are to be archived electronically.

(5) Schedule and conduct a meeting with the District Construction Environmental Liaison prior to the Pre-construction conference and another meeting prior to project final acceptance. The purpose of these meetings is to discuss the required documentation, including as-builts, necessary for permit(s) compliance.

(6) Verify that the Contractor is conducting inspections, preparing reports and monitoring all storm water pollution prevention measures associated with the project. For each project that requires the use of the NPDES General Permit, provide at least one inspector who has successfully completed the "Florida Stormwater, Erosion, and Sedimentation Control Training and Certification Program for Inspectors and Contractors". The Consultant's inspector will be

familiar with the requirements set forth in the FEDERAL REGISTER, Vol. 57, No. 187, Friday, September 5, 1992, pages 4412 to 4435 "Final NPDES General Permits for Storm Water Discharges from Construction Sites" and the Department's guidelines.

(7) Analyze the Contractor's schedule(s) (i.e. baseline(s), revised baseline(s), updates, as-built, etc.) for compliance with the contract documents. Elements including, but not limited to, completeness, logic, durations, activity, flow, milestone dates, concurrency, resource allotment, and delays will be reviewed. Verify the schedule conforms with the construction phasing and MOT sequences, including all contract modifications. Provide a written review of the schedule identifying significant omissions, improbable or unreasonable activity durations, errors in logic, and any other concerns as detailed in CPAM.

(8) Analyze problems that arise on a project and proposals submitted by the Contractor; work to resolve such issues, and process the necessary paperwork.

(9) Monitor, inspect and document utility relocation self-performed by the contractor for conformance with Utility Agency's Standards and the Utility Agency's Approved Materials List. Document utility construction progress to be performed by Utility Agencies. Facilitate coordination and communication between Utility Agency's representatives, Department's staff and Contractors executing the work. Identify potential utility conflicts and assist in the resolution of utility issues including Department and Local Government owned facilities.

Identify, review, and track progress of Joint Project Agreements, and/or other Department and utility agreements. Address work progress, track reimbursement activities, and address betterment and salvage determination. Prepare all necessary documentation to support reimbursement activities and betterment and salvage determination.

(10) Produce reports, verify quantity calculations and field measure for payment purposes as needed to prevent delays in Contractor operations and to facilitate prompt processing of such information in order for the Department to make timely payment to the Contractor.

(11) Prepare and make presentations for meetings and hearings before the Dispute Review Boards in connection with the project covered by this Agreement.

(12) Monitor each Contractor and Subcontractor's compliance with specifications and special provisions of the Construction Contract in regard to payment of predetermined wage rates in accordance with Department procedures.

(13) Provide a Resident Compliance Specialist for surveillance of the Contractor's compliance with Construction Contract requirements. The Resident Compliance Specialist is responsible for reviewing, monitoring, evaluating and acting upon documentation required for Construction Contract compliance, and maintaining the appropriate files thereof. Typical areas of compliance responsibility include EEO Affirmative Actions for the prime contractor and subcontractor, DBE Affirmative Action, Contractor Formal Training, Payroll, and Subcontracts. The Resident Compliance Specialist must keep all related documents and correspondence accurate and up to date; attend all compliance reviews and furnish the complete project files for review; and assist the District Contract Compliance Manager as requested.

(14) The Department will provide the functions of the Resident Compliance Specialist. The Consultant shall perform the field interviews, provide work space and supplies for project compliance files.

(15) Prepare and submit to the Construction Project Manager twice-a-week, a Construction Status Reporting System (CSRS) report, in a format to be provided by the Department.

(16) Video tape the pre-construction conditions throughout the project limits. Provide a digital photo log or video of project activities, with heavy emphasis on potential claim items/issues and on areas of real/potential public controversy.

(17) Provide a digital camera for photographic documentation of pre- construction state and of noteworthy incidents or events during construction.

These photographs will be filed and maintained on the Consultant's computer using a digital photo management system.

Photographs shall be taken the day prior to the start of construction and continue as needed throughout the project. Photographs shall be taken the days of Conditional, Partial and Final Acceptance.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(a), FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to Escambia County
(Print name of the public entity)

by David D. Skipper, PE, Senior Vice President
(Print individual's name and title)

for Mott MacDonald Florida, LLC
(Print name of entity submitting sworn statement)

whose business address is
220 W Garden Street, Suite 700, Pensacola, FL 32502

and (if applicable) its Federal Employer Identification Number (FEIN) is:
59-1294824

(If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision or any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

   a. A predecessor or successor of a person convicted of a public entity crime; or

   b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **(Indicate which statement applies.)**

X Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(attach a copy of the final order)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

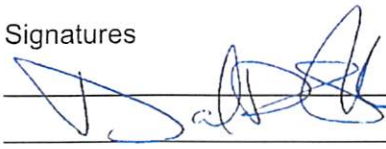
CONFLICT OF INTEREST/CONFIDENTIALITY CERTIFICATION FOR CONSULTANT/CONTRACTOR/TECHNICAL ADVISORS

I certify that I have no present conflict of interest, that I have no knowledge of any conflict of interest that my firm may have, and that I will recuse myself from any capacity of decision making, approval, disapproval, or recommendation on any contract if I have a conflict of interest or a potential conflict of interest.

Consultants/Contractors are expected to safeguard their ability to make objective, fair, and impartial decisions when performing work for the Department, and therefore may not accept benefits of any sort under circumstances in which it could be inferred by a reasonable observer that the benefit was intended to influence a pending or future decision of theirs, or to reward a past decision. Consultants performing work for the Department should avoid any conduct (whether in the context of business, financial, or social relationships) which might undermine the public trust, whether or not that conduct is unethical or lends itself to the appearance of ethical impropriety.

I will maintain the confidentiality of all information not made public by the Florida Department of Transportation ("Department") related to the procurement of the above-referenced ("Project") that I gain access to as a result of my involvement with the Project ("Procurement Information"). I understand that Procurement Information includes, but is not limited to, documents prepared by or for the Department related to procurement of the Project. I also understand that Procurement Information includes, but is not limited to, documents submitted to the Department by entities seeking an award of the Project ("Proposers"). I understand that Procurement Information may include documents submitted by Proposers related to letters of response/letters of interest, technical proposals, price proposals, financial proposals, and information shared during exempt meetings. I also understand that Procurement Information may also include documents that evaluate or review documents submitted by Proposers, and information regarding Project cost estimates. I also agree not to discuss the Project with anyone who is a member of or acting on behalf of a Proposer.

Unless so ordered by a court of competent jurisdiction or an opinion of the Office of the Florida Attorney General, I will not divulge any Procurement Information except to individuals who have executed a Conflict of Interest/Confidentiality Certification which has been approved by the Department ("Project Personnel"). I understand that a list of Project Personnel will be maintained by Department. If I am contacted by any member of the public or the media with a request for Procurement Information, I will promptly forward such request to the Department's Procurement Office. I will also maintain security and control over all documents containing Procurement Information which are in my custody.



I agree not to solicit or accept gratuities, unwarranted privileges or exemptions, favors, or anything of value from any firm under consideration for an agreement associated with the Project, and I recognize that doing so may be contrary to statutes, ordinances, and rules governing or applicable to the Department or may otherwise be a violation of the law.

I agree not to engage in bid tampering, pursuant to Section 838.22, Florida Statutes.

I realize that violation of the above mentioned standards could result in the termination of my work for the Department. I further realize that violation of the above mentioned statute would be punishable in accordance with Section 838.22, Florida Statutes.

TRUTH IN NEGOTIATION CERTIFICATION

For any lump-sum or cost-plus-a-fixed-fee professional service agreement over $60,000 the Agency requires the Consultant to execute this certificate and include it with the submittal of the Technical Proposal.

The Consultant hereby certifies, covenants and warrants that wage rates and other factual unit costs supporting the compensation for this project's agreement will be accurate, complete, and current at the time of contracting.

The Consultant further agrees that the original agreement price and any additions thereto shall be adjusted to exclude any significant sums by which the Agency determines the agreement price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such agreement adjustments shall be made within one (1) year following the end of the agreement. For purpose of this certificate, the end of the agreement shall be deemed to be the date of final billing or acceptance of the work by the Agency, whichever is later.

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. E x c e s s quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

RESOLUTION R2020-124
DECLARATION OF STATE OF LOCAL EMERGENCY

WHEREAS, the Board of County Commissioners of Escambia County has been informed by her emergency management staff of the imminent threat posed by Hurricane Sally; and

WHEREAS, Hurricane Sally has the capacity to pose a significant, imminent, and dangerous threat to the health, safety, and welfare of the inhabitants of Escambia County, Florida, visitors and tourists in Escambia County, Florida, as well as their real and personal property; and

WHEREAS, time and circumstances are such that a special emergency meeting of the Board of County Commissioners cannot be called; and

WHEREAS, pursuant to section 37-35 of the Escambia County Code of Ordinances, one Commissioner may declare a state of emergency.

NOW THEREFORE, pursuant to Escambia County Code Section 37-35(a), the Board of County Commissioners hereby resolves, finds, and declares:

1. The above recitals are true and are incorporated herein.
2. A state of local emergency hereby exists in Escambia County, Florida, effective for seven (7) days beginning 1:00 p m., central daylight time, this 14th day of September, 2020.
3. The Board of County Commissioners, hereby waives the procedures and formalities otherwise required of Escambia County pertaining to:
    a. Performance of public work and taking whatever prudent action is necessary to insure the health, safety, and welfare of the community.
    b. Entering into contracts.
    c. Incurring obligations.
    d. Employment of permanent and temporary workers.
    e. Utilization of volunteer workers.
    f. Rental of equipment.

g. Acquisition and distribution, with or without compensation, of supplies, materials, and facilities.

h. Appropriation and expenditure of public funds.

4. The County Administrator, or her designee is hereby empowered, authorized, and directed to exercise, on behalf of the Board of County Commissioners, such emergency powers necessary to carry out the provisions of Chapter 252, Florida Statutes, including, but not limited to, the powers to direct and compel evacuation of all or part of the population from stricken or threatened areas within the County, if such action is deemed necessary to reduce the vulnerability of people in communities of Escambia County to damage, injury, and loss of life and property resulting from the imminent threat, as well as any other powers expressly or implicitly conferred pursuant to Chapters 125 and 252, Florida Statutes, and any other provision of law or county ordinance.

5. The Comprehensive Emergency Management Plan (CEMP) is hereby activated.

6. This authority shall extend only for the period of the state of local emergency, as determined by the County Administrator or his designee, or until further action by the Board of County Commissioners terminates such authority or declares that the state of local emergency has ended.

7. This Resolution shall be transmitted to the Secretary of State upon adoption.

Adopted this 14th day of September, 2020.

AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA AND F & W Construction Company, Inc. of Alabama FOR ROAD/DRAINAGE CONSTRUCTION

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida ("County"), with administrative offices at 221 South Palafox Place, Pensacola, Florida 32502, and F & W Construction Company, Inc. of Alabama, a Alabama for profit corporation ("Contractor"), FEI/EIN 63-0702929, with a principal address of 947 County Road 18, Ozark, AL 36360, and a mailing address of P.O. Box 1549, Ozark, AL 36361, relating to the Contractor's performance of all work ("Work") in connection with **LAP Bob Sikes Bridge Hurricane Sandy Repairs, P.D. 19-20.097** ("Project"), as detailed in the attached Plans and Specifications and other Contract Documents hereafter specified.

WITNESSETH:

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

SECTION 1. CONTRACT DOCUMENTS.

A. For the purpose of this Agreement, the "Contract Documents" shall mean this Agreement, including Amendments, the Exhibits described in Section 6, Change Orders, Work Directive Changes, Field Orders, and the Solicitation Documents, including addenda. These Contract Documents are incorporated by reference and made a part of this Agreement. A copy of all Contract Documents shall be maintained by Contractor at the Project site at all times during the performance of the Work. The Contract Documents listed above represent the entire and integrated agreement between the parties hereto, and supersede prior negotiations, representations, or agreements, either written or oral.

B. Concerning the Contract Documents, the order of precedence shall be as follows: 1) the Agreement, including Amendments; 2) the Exhibits described in Section 6; 3) Change Orders; 4) Work Directive Changes; 5) Field Orders; and 6) the Solicitation Documents, including addenda. In case of any inconsistency or conflict among the provisions of the Agreement, including any amendments, and any other terms and conditions of any documents comprising the remaining Contract Documents, the provisions of the Agreement and any amendments shall control. In case of any inconsistency or conflict among the provisions of **Exhibit A**, General Terms and Conditions, and **Exhibit H**, Technical Specifications, the provisions of the Technical Specifications shall control.

C. County shall furnish to the Contractor up to four (4) sets of the Contract Documents for execution of the Work. Additional copies of the Contract Documents are available at the cost of reproduction.

D. **LAP AGREEMENT REQUIRED CONTRACT PROVISIONS.**
This Project is funded, in whole or in part, with funding provided by the Florida Department of Transportation pursuant to a Local Agency Program (LAP) Agreement (FPN #438-908-3-58-01), the terms of which are incorporated by reference herein, and is subject to the requirements set forth therein. By executing this Agreement, Contractor acknowledges it has received a copy of the LAP Agreement as part of the solicitation documents and agrees to comply with all applicable provisions of the LAP Agreement, including, but not limited to, the

provisions set forth in Exhibit J, attached hereto and incorporated herein. Contractor shall also comply with all applicable procedures, guidelines, manuals, standards, and directives as described in the FDOT Local Agency Program Manual.

E. **FORM FHWA-1273 REQUIRED CONTRACT PROVISIONS.**
This project is funded, in whole or in part, with Federal-aid funds and is subject to the requirements of Federal Highway Administration (FHWA) revised Form FHWA-1273 "Required Contract Provisions for Federal-Aid Construction Contracts," attached hereto and incorporated herein as Exhibit K. By executing this Agreement, Contractor agrees to comply with all applicable provisions and include these requirements in all contracts with subcontractors performing work on the project.

SECTION 2. SCOPE OF WORK.
Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the Work required by the Contract Documents.

SECTION 3. CONTRACT AMOUNT.
In consideration of the faithful performance by Contractor of the covenants in this Agreement to the full satisfaction and acceptance of County, County agrees to pay, or cause to be paid, to Contractor in accordance with the terms of this Agreement the following amount (herein "Contract Amount"): One Million Two Hundred Eighty-Six Thousand Two Hundred Ninety-Seven Dollars and Seventy-One Cents ($1,286,297.71).

SECTION 4. BONDS
A. Contractor shall provide at his expense Performance and Payment Bonds, in the form prescribed in **Exhibit B,** in the amount of 100% of the Contract Amount. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to County; provided; however, the surety shall be rated as "A-" (excellent) or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holder's surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

B. If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval. Failure by Contractor to maintain its bonds in full force and effect at all times, including the warranty period, shall be grounds for termination of this Contract.

C. Pursuant to Section 255.05, Florida Statutes, the Contractor shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the project sufficient to identify it. (The filing costs are $10.00 for the first page and $8.50 for each remaining page).

SECTION 5. CONTRACT TIME AND LIQUIDATED DAMAGES.

A. Time is of the essence in the performance of the Work under this Agreement. Contractor shall commence the Work within ten (10) calendar days from the Commencement Date, established in the Notice to Proceed. No Work shall be performed at the Project site prior to the Commencement Date. Contractor shall provide 48 hours' notice prior to beginning the Work. The Work shall be substantially completed within fourteen (14) calendar days from the Commencement Date. The Work shall be fully completed and deemed ready by the County for final completion within thirty (30) calendar days from the Substantial Completion Date. The Contract Time shall be the time period from the Commencement Date to the date of final completion totaling forty-four (44) calendar days (herein "Contract Time"). No work under this contract shall commence until certificates of insurance have been received and acknowledged by the Purchasing Manager.

B. County and Contractor recognize that, since time is of the essence for this Agreement, the County will suffer financial loss if the Work is not substantially completed within the time specified. Should Contractor fail to substantially complete the Work within the time period noted above, County shall be entitled to assess, as liquidated damages, but not as a penalty, One Thousand Six Hundred Ninety Dollars ($1,690.00) for each calendar day thereafter until substantial completion is achieved. The Project shall be deemed to be substantially completed by the County on the date that the County's Architect certifies in writing that the construction of the project, or specified part thereof, is sufficiently completed in accordance with the Contract Documents, so that the Project or specified part can be utilized for the purposes for which it is intended. Along with such certification, the Architect shall compile a "punch list" of any remaining exceptions that do not adversely affect the use of the Project. Completion of these items will be required prior to final payment.

C. Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the County's actual damages at the time of contracting if Contractor fails to substantially complete the Work in accordance with the progress schedule.

D. When any period of time is referenced to by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday.

SECTION 6. EXHIBITS INCORPORATED.
The following documents are expressly agreed to be incorporated by reference and made a part of this Agreement.

Exhibit A:	General Terms and Conditions
Exhibit B:	Form of Performance and Payment Bonds
Exhibit C:	Insurance and Safety Requirements
Exhibit D:	Form of Release and Affidavit
Exhibit E:	Form of Contractor Application for Payment

Exhibit H: Technical Specifications
Exhibit I: Plans & Standard Details prepared by or for County and Identified as follows:
Exhibit J: LAP Agreement Required Contract Provisions
Exhibit K: Form FHWA-1278 Required Contract Provisions
Exhibit L: Solicitation Documents Index

SECTION 7. NOTICES.

A. All notices required or made pursuant to this Agreement by the Contractor to the County shall be in writing. All correspondence with the County should be addressed as follows:

Escambia County Engineering Department
3363 West Park Place
Pensacola, FL 32505
Attention: Derek Fox

B. All correspondence with the Contractor will be addressed to the following:

F & W Construction Company, Inc. of Alabama
P.O. Box 1549
Ozark, AL 36361
Attention: Clint Smith

C. Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

SECTION 8. MODIFICATION.
No modification or change to the Agreement shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

SECTION 9. SUCCESSORS AND ASSIGNS.
Subject to other provisions hereof, the Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Agreement.

SECTION 10. GOVERNING LAW.
The Agreement shall be interpreted under and its performance governed by the laws of the State of Florida and the parties agree that venue shall be in Escambia County, Florida for any matter which is the subject of this Contract.

SECTION 11. NO WAIVER.
The failure of the County to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

SECTION 12. ENTIRE AGREEMENT.
Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Agreement.

SECTION 13. SEVERABILITY.
Should any provision of the Agreement be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

SECTION 14. PUBLIC RECORDS.
The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract. In such case, the Contractor shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontractor work).

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

EXHIBIT A
GENERAL TERMS AND CONDITIONS

Section 1. INTENT OF CONTRACT DOCUMENTS

1.1. It is the intent of the Contract Documents to describe a functionally complete project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents, as being required to produce the intended result shall be supplied whether or not specifically called for. When words, which have a well-known technical or trade meaning, are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in affect at the time the Work is performed, except as may be otherwise specifically stated herein.

1.1. If, during the performance of the Work, Contractor discovers a conflict, error or discrepancy in the Contract Document, Contractor immediately shall report same to County and before proceeding with the Work affected thereby shall obtain an interpretation or clarification from the County. Contractor shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to Contractor with the Contract Documents before commencing any portion of the Work.

1.2. Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts, or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications of other Contract Document provisions, Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Contractor, as determined by the County. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

1.3. "Engineer", where referenced on the drawings or in the specifications or in other related documents, shall mean the Escambia County Engineer or the designated representative thereof.

Section 1. INVESTIGATION AND UTILITIES

1.1. Contractor shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the Project area as a whole;

topography and ground surface conditions; nature and quality of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Contractor to acquaint itself with any applicable conditions shall not relieve Contractor from any of its responsibilities to perform under the Contract Documents, nor shall it be considered the basis for any claim for additional time or compensation.

1.2. Contractor shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Section 2 as the "Utilities". Contractor shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Contractor shall schedule and coordinate its Work around any such relocation or temporary service interruption. Where Utilities block construction, Contractor shall aggressively pursue relocation by the Utility owners. Contractor shall immediately notify the County of any delays due to Utilities blockage and document all attempts to resolve such blockage. Contractor shall be responsible for properly shoring, supporting, and protecting all Utilities at all times during the course of the Work.

Section 2. SCHEDULE

2.1. The Contractor, within ten (10) calendar days after receipt of the Notice of Award, shall prepare and submit to County, for review and approval, a progress schedule for the Project (herein "Progress Schedule"). The Progress schedule may be provided in an electronic format. The Progress Schedule shall relate to all Work required by the Contract Documents and shall provide for expeditious and practicable execution of the Work within the Contract Time. The Progress Schedule shall indicate the dates for starting and completing the various stages of the Work and shall include dates of Shop Drawing Submittals.

2.2. The Progress Schedule shall be updated monthly by the Contractor. All monthly updates to the Progress Schedule shall be subject to the County's review and approval. Contractor shall submit the updates to the Progress Schedule with its Applications for Payment noted below. The County's review and approval of the submitted Progress Schedule updates shall be a condition precedent to the County's obligation to pay Contractor.

Section 3. PROGRESS PAYMENTS

3.1. Prior to submitting its first Application for Payment, Contractor shall submit to County, for its review and approval, a schedule of values based upon the Contract Price, listing the major elements of the Work and the dollar value for each element. After its approval by the County, this schedule of values shall be used as the basis for the Contractor's Applications for Payment. This schedule shall be updated and submitted along with a completed and notarized copy of the Application for Payment form attached to the Agreement as **Exhibit E**.

3.2. Prior to submitting its first Monthly Application for Payment, Contractor shall submit to County a complete list of all its proposed subcontractors and material men, showing the work and materials involved. The first Application for Payment shall be submitted no earlier than thirty (30) days after Commencement Date.

3.3. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location agreed to by the County in writing, the Application for Payment will subdivide the work into component parts in sufficient detail to serve as the basis for a progress payment and shall also be accompanied by a bill of sale, invoice or other documentation warranting that upon payment by County, the County shall receive the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect County's interest therein, all of which shall be subject to the County's prior written approval.

3.4. Contractor shall submit _____ (__) copies of its applications for Payment to the County on or about the 25th day of each month for work performed during that month. Contractor shall submit no more than one application for payment each month. Within ten (10) calendar days after receipt of each Application for Payment, the County shall either: (1) indicate approval of the requested payment; (2) indicate approval of only a portion of the requested payment, stating in writing the reasons therefore; or (3) return the Application for Payment to the Contractor indicating, in writing, the reason for refusing to approve payment. In the event of a total or partial denial of the Application for Payment, the Contractor may make the necessary corrections and resubmit the Application for Payment for reconsideration within ten (10) calendar days of receiving notice of refusal.

If re-submittal of the Application for Payment is refused, in whole or in part, the Contractor may submit a written request to the County Administrator for an administrative decision within two (2) business days of receiving notice of refusal. Upon receiving a timely request, an administrative decision shall be rendered within ten (10) calendar days with written notification provided to the Contractor.

If the administrative decision is disputed, the Contractor may submit a written request to the County Administrator for an administrative hearing before the Dispute Resolution Committee (DRC) within two (2) business days of receiving said decision. A hearing shall be scheduled within ten (10) business days from the date the request is received, and the Contractor will receive written notice of the hearing date. The DRC may, within its discretion, render a final decision at the hearing or may elect to mail a written decision within a period not to exceed ten (10) calendar days from the hearing date. The DRC's written decision shall be considered administratively final.

The County shall, within twenty (20) business days after County approval of an Application for Payment, pay the Contractor the amounts so approved. Provided, however, in no event shall the County be obligated to pay an amount greater than that portion of the Application for Payment approved by the County.

4.5 a) <u>If the Contract Amount is $200,000.00 or less, the following shall apply</u>:
County shall retain ten percent (10%) of the gross amount of each monthly payment request or ten percent (10%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial

completion and approval from the Architect/Engineer.

b) If the Contract Amount is in excess of $200,000.00, the following shall apply: County shall retain five percent (5%) of the gross amount of each monthly payment request or five percent (5%) of the portion thereof approved by the County for payment, whichever is less. Such sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County. At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer. This subsection shall not apply if the project is paid, in whole or in part, with federal funds and subject to federal grantor laws and regulations or requirements that are contrary to any provision of the Local Government Prompt Payment Act.

The County shall not pay or release any amounts that are the subject of a good faith dispute, claim, or demand.

4.6 Monthly payments to Contractor, including the release of any portion or percentage of sums retained prior to final completion of the Project, shall in no way imply approval or acceptance of Contractor's work.

4.6 Each Application for Payment shall be accompanied by Release and Affidavit, in the form attached as **Exhibit D**, showing that all materials, labor, equipment and other bills associated with that portion of the Work payment is being requested or have been paid in full. The County shall not be required to make payment until and unless these affidavits are furnished by Contractor.

4.7 Applications for Payment will not be approved unless all submittals required by the Contract documents, up to that point, are provided and "As-Built" record documents are maintained as required by Section 8.2.

Section 4. PAYMENTS WITHHELD

4.1. The County may decline to approve any Application for Payment, or portions thereof, because of subsequently discovered evidence or subsequent inspections. The County may nullify the whole or any part of any approval for payment previously issued and County may withhold any payments otherwise due Contractor under this Agreement or any other agreement between County and Contractor, to such extent as may be necessary in the County's opinion to protect it from loss because of: (a) defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the Work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the Work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the Work by the Contractor; or (g) any other material breach of the Contract Documents. If these conditions are not remedied or removed, County may, after three (3) days written notice, rectify the same at Contractor's expense. County also may offset against any sums due Contractor the amount of any liquidated or unliquidated obligations of Contractor to County, whether relating to or arising out of this Agreement or any other agreement between Contractor and County.

Section 5. FINAL PAYMENT

5.1. County shall make final payment to Contractor within forty- five (45) calendar days after the Work is finally inspected and accepted by County in accordance with Section 20.1 herein, provided that Contractor first, and as an explicit condition precedent to the accrual of Contractor's right to final payment, shall have furnished County with a properly executed and notarized copy of the Release and Affidavit attached as **Exhibit D**, as well as, a duly executed copy of the Surety's consent to final payment and such other documentation that may be required by the Contract Documents or the County.

5.2. Contractor's acceptance of final payment shall constitute a full waiver of any and all claims by Contractor against County arising out of this Agreement or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final Application for Payment. Neither the acceptance of the Work nor payment by County shall be deemed to be a waiver of County's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the County at the time of final inspection.

Section 6. SUBMITTALS AND SUBSTITUTIONS

6.1. Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules, and samples. When submitted for the Engineer's review, Shop Drawings shall bear the Contractor's certification that the Contractor has reviewed, checked, and approved the Shop Drawings and that they are in conformance with the requirements of the Contract Documents. Contractor shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

6.2. Prior to submitting its first Application for Payment, Contractor shall provide to County a DVD or video tape in VHS format showing the pre-existing conditions located within the limits of construction.

6.3. Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by County if sufficient information is submitted by Contractor to allow the County to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by County from anyone other than Contractor and all such requests must be submitted by Contractor to County within thirty (30) calendar days after Notice to Proceed is received by Contractor.

6.4. If Contractor wishes to furnish or use a substitute item of material or equipment, Contractor shall make application to the County for acceptance thereof, certifying that the proposed substitute shall perform adequately the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Contractor's achievement of substantial

completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with County for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the County in evaluating the proposed substitute. The County may require Contractor to furnish at Contractor's expense additional data about the proposed substitute.

6.5. If a specific means, method, technique, sequence or procedure of construction is indicated in or required by the Contract Documents, Contractor may furnish or utilize a substitute means, method, sequence, technique or procedure of construction acceptable to the County, if Contractor submits sufficient information to allow the County to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by the County shall be the same as those provided herein for substitute materials and equipment.

6.6. The County shall be allowed a reasonable time within which to evaluate each proposed substitute. The County shall be the sole judge of acceptability, and no substitute will be ordered, installed, or utilized without the County's prior written acceptance, which shall be evidenced by either a Change Order or an approved Shop Drawing. The County may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitute.

Section 7. DAILY REPORTS, AS-BUILTS, AND MEETINGS

7.1. Unless waived in writing by County, Contractor shall complete and submit, along with its Application for Payment, to the County on a monthly basis a daily log of the Contractor's work for the preceding month in a format approved by the County. The daily log shall document all activities of Contractor at the Project site including, but not limited to, the following:

7.1.1. Weather conditions showing the high and low temperatures during work hours, the amount of precipitation received on the Project site, and any other weather conditions which adversely affect the Work;

7.1.2. Soil conditions which adversely affect the Work;

7.1.3. The hours of operation by Contractor's personnel and subcontractor's personnel;

7.1.4. The number of Contractor's and subcontractor's personnel present and working at the Project site, by subcontract and trade;

7.1.5. All equipment present at the Project site, description of equipment use, and designation of time equipment was used (specifically indicating any down time);

7.1.6. Description of Work being performed at the Project site;

7.1.7. Any unusual or special occurrences at the Project site;

7.1.8. Materials received at the Project site

The daily log shall not constitute nor take the place of any notice required to be given by Contractor to County pursuant to the Contract Documents.

7.2. Contractor shall maintain in a safe place at the Project site one record copy of the Contract Documents, as well as all shop drawings and other Contractor submittals and all written interpretations and clarifications issued by the County, in good order and annotated to show all changes made during construction. The annotated drawings shall be continuously updated by the Contractor throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Work Directive Changes and Field Orders, and all concealed and buried installations of piping, conduit and utility services. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the annotated drawings as to depth and in relationship to not less than two (2) permanent features (e.g. interior or exterior wall faces). The annotated drawings shall be clean, and all changes, corrections and dimensions shall be given in a neat and legible manner in a contrasting color. The "As-Built" record documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to County for reference. Upon completion of the Work, and as a condition precedent to Contractor's entitlement to final payment, these "As-Built" record documents, samples and shop drawings shall be delivered to County by Contractor.

7.3. Contractor shall keep all records and supporting documentation which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed, whichever is later. County, or any duly authorized agents or representatives of County, shall have the right to audit, inspect and copy all such records and documentation as often as they deem necessary during the period of this Agreement and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 8. CONTRACT TIME AND TIME EXTENSIONS

8.1. Contractor shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and material men, as well as coordinating its Work with all work of others at the Project Site, so that its Work or the work of others shall not be delayed or impaired by any act or omission of Contractor. Contractor shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Contract Documents.

8.2. Should Contractor be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall notify the County in writing within forty-eight (48) hours after the commencement of such delay. Written supporting data with specific details of Contractor operations, which were delayed, shall be submitted to the County within fifteen (15) calendar days after the occurrence of the delay, unless the County grants additional time in writing for such submittals, or else the Contractor shall be deemed to have waived any right which Contractor may have had to request a time extension.

8.3. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damages For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

8.4. Requests for delays due to adverse weather conditions shall meet all of the following conditions:

8.4.1. Contractor notified the County in writing within forty-eight (48) hours of the delay.

8.4.2. The weather was unusual as documented by supporting data.

8.4.3. The weather did have an adverse impact on the contractor's schedule (critical path only).

8.4.4. The Contractor and inspector's daily logs corroborate the adverse impact. Where a conflict exists between the weather data and the daily reports, the daily reports will take precedence.

Section 9. CHANGES IN THE WORK

9.1. County shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Contractor shall submit an itemized estimate of any cost and/or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of County, and County shall not be liable to the Contractor for any increased compensation without such written order. No officer, employee or agent of County is authorized to direct any extra or changed work orally.

9.2. A Construction Change Order, in the form attached as **Exhibit F** to this Agreement, shall be issued and executed promptly after an agreement is reached between Contractor and County concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as County and Contractor shall mutually agree.

9.3. If County and Contractor are unable to agree on a Change Order for the requested change, Contractor shall, nevertheless, promptly perform the change as directed by County in a written Work Directive Change. In that event, the Contract Amount and Contract Time shall be adjusted as directed by County. If Contractor disagrees with the County's adjustment determination, Contractor must make a claim pursuant to Section 11 of these General Conditions or else be deemed to have waived any claim on this matter it might otherwise have had.

9.4. In the event a requested change results in an increase to the Contract Amount, the amount of the increase shall be limited to the Contractor's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit. In the event such change Work is performed by a Subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all Subcontractors' and sub-subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the Contractor for all of its overhead and profit, for a total maximum markup of fifteen percent (15%). All compensation due Contractor and any Subcontractor or sub-subcontractor for field and home office overhead is included in the markups noted above.

9.5. County shall have the right to conduct an audit of Contractor's books and records to verify the accuracy of the Contractor's claim with respect to Contractor's costs associated with any Change Order.

9.6. The County shall have authority to order minor changes in the Work not involving an adjustment to the Contract Amount and not inconsistent with the intent of the Contract Documents. Such changes may be affected by Field Order or by other written order. Such changes shall be binding on the Contractor.

Section 10. CLAIMS AND DISPUTES

10.1. A Claim is a demand or assertion by one of the parties seeking an adjustment or interpretation of the terms of the Contract Documents, payment of money, extension of time or other relief with respect to the terms of the Contract Documents. The term "Claim" also includes other disputes and matters in question between County and Contractor arising out of or relating to the Contract Documents. The responsibility to substantiate a Claim shall rest with the party making the Claim.

10.2. Claims by the Contractor shall be made in writing to the County within forty-eight (48) hours after the first day of the event giving rise to such Claim or else the Contractor shall be deemed to have waived the Claim. Written supporting data shall be submitted to the County within fifteen (15) calendar days after the occurrence of the event, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived the Claim. All claims shall be priced in accordance with the provisions of Subsection 10.4.

10.3. The Contractor shall proceed diligently with its performance as directed by the County, regardless of any pending Claim, action, suit, or administrative proceeding, unless otherwise agreed to by the County in writing. County shall continue to make payments in accordance with the Contract Documents pending Claim.

Section 11. OTHER WORK

11.1. County may perform other work related to the Project at the site by County's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, notice thereof will be given to Contractor. If Contractor believes that such performance will involve additional expense to Contractor or require additional time, Contractor shall send written notice of that fact with specific details of anticipated costs and delays to County within forty-eight (48) hours of being notified of the other work. Written supporting data of actual need for additional time or additional expense, shall be submitted to the County within fifteen (15) calendar days after completion of other work, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived any right which Contractor may have had to request a time extension or adjustment to the Contract Amount.

11.2. Contractor shall afford each utility owner and other contractor (or County, if County is performing the additional work with County's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Contractor shall do all cutting, fitting, and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating, or otherwise altering their work and will only cut or alter their work with the written consent of the County and the others whose work will be affected.

11.3. If any part of Contractor's Work depends for proper execution or results upon the work of any other contractor or utility owner (or County), Contractor shall inspect and promptly report to County in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Contractor's failure to report will constitute an acceptance of the other work as fit and proper for integration with Contractor's Work.

Section 12. INDEMNIFICATION AND INSURANCE

13.1 Contractor shall pay on behalf of or indemnify and hold harmless County and its agents, officers and employees from and against all liabilities, damages, losses, and costs, including attorney's and paralegal fees, incurred by County to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by anyone for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. Contractor's obligation as provided herein shall be limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor, and Contractor shall not be required to pay on behalf of or indemnify and hold

harmless County where County's negligence, recklessness, or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's fees and paralegal fees.

County and Contractor agree one percent (1%) of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement.

Contractor agrees that such indemnification by Contractor relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any applicable statutes of limitations thereafter. Contractor's obligation to indemnify shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

13.2 Contractor shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in **Exhibit C** to the Agreement. All insurance policies shall be from responsible companies duly authorized to do business in the State of Florida and/or responsible risk retention group insurance companies, which are registered with the State of Florida. All commercial insurance carriers providing the Contractor with required insurance shall be a minimum financial size category of VII according to the AM Best Rating Guide, latest edition. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Within ten (10) calendar days after Notice of Award is received by Contractor and prior to the commencement of work, Contractor shall provide County with properly executed Certificates of Insurance to evidence Contractor's compliance with the insurance requirements of the Contract Documents. Said Certificates of Insurance shall be on forms approved by County, such as "Acord Form 25". The Certificates of Insurance shall be personally, manually signed by the authorized representatives of the insurance company/companies shown on the Certificates of Insurance, with proof that they are authorized representatives thereof. Certificates of Insurance shall be mailed to Escambia County in care of: Purchasing Manager, Purchasing Division, P.O. Box 1591, Pensacola, Florida 32597-1591. In addition, certified, true, and exact copies of all insurance policies required hereunder shall be provided to County, on a timely basis, when requested by County.

13.3 The Certificates of Insurance and required insurance policies shall contain provisions that thirty (30) days prior written notice by registered or certified mail shall be given County of any cancellation, intent not to renew, or reduction in the policies or coverages, except in the application of the aggregate limits provisions. In the event of a reduction in the aggregate limit of any policy, Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

13.3 All insurance coverages of the Contractor shall be primary to any insurance or self-insurance program carried by the County applicable to this Project. The acceptance by County of any Certificate of Insurance does not constitute approval or agreement by the County that the insurance requirements have been satisfied or that the insurance policy shown on the Certificate of Insurance is in compliance with the requirements of the Contract Documents. No work shall commence at the Project site unless and until the required Certificates of Insurance are received by the County.

13.4 Contractor shall require each of its subcontractors to procure and maintain, until the completion of the subcontractor's work, insurance of the types and to the limits specified in Exhibit C, unless such insurance requirements for the subcontractor is expressly waived in writing by the County. All liability insurance policies, other than professional liability, worker's compensation, and employer's liability policies, obtained by Contractor to meet the requirements of the Contract Documents shall name Escambia County as an additional insured and shall contain Severability of Interest provisions. Escambia County shall also be designated as certificate holder with the address of P. O. Box 1591, Pensacola, Florida 32597-1591. If any insurance provided pursuant to the Contract Documents expires prior to the completion of the Work, renewal Certificates of Insurance and, if requested by County, certified, true copies of the renewal policies shall be furnished by Contractor within thirty (30) days prior to the date of expiration.

13.5 All liability policies shall be underwritten on the "occurrence" basis, unless otherwise approved in writing by the County Division of Risk Management. "Claims made" policies, if approved by the Risk Manager, and subsequent insurance certificates shall provide a "retro-date" which shall include the effective date of the contract. "Claims-made" renewals or carrier and policy replacements shall reflect the original "retro-date."

13.6 Should at any time the Contractor not maintain the insurance coverages required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverages and charge the Contractor for such coverages purchased. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverages shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

13.7 Contractor shall submit to County a copy of all accident reports arising out of any injuries to its employees or those of any firm or individual to whom it may have subcontracted a portion of the Work, or any personal injuries or property damages arising or alleged to have arisen on account of any work by Contractor under the Contract Documents.

13.8 Duty to Provide Legal Defense. Contractor shall pay for and provide a legal defense for the County, which shall include attorneys' fees and costs, both of which will be done only if and when requested by the County, for all liabilities, damages, losses, and costs as described in paragraph 13.1 above. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

Section 13. COMPLIANCE WITH LAWS

14.1 Contractor agrees to comply, at its own expense, with all federal, state, and local laws, codes, statutes, ordinances, rules, regulations, and requirements applicable to the Project, including but not limited to those dealing with taxation, worker's compensation, equal employment, and safety. If Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify County in writing. Compliance with the above laws shall include but is not limited to: (1) the Occupational Safety and Health Act, 29 C.F.R. 1910 and 1926, respectively, General Industry Standards and Construction Industry Standards, including regulations regarding Trenching and Shoring; (2) the Florida Workers' Compensation Law, Chapter 440, Florida Statutes; (3) Rules 38F and 38I,

Florida Administrative Code; and (4) Section 102, Standard Specifications for Road and Bridge Construction, Florida Department of Transportation.

14.2 EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY):
In accordance with §448.095, Florida Statutes, Contractor shall register with and utilize the E-Verify System operated by the United States Department of Homeland Security to verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Contractor enters into a contract with a subcontractor performing work or providing services on its behalf, Contractor shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify System can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Section 14. CLEANUP AND PROTECTIONS

14.1. Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. At the completion of the Work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy by County. Non-compliance with directives of this section may serve as a basis of rejection of Application for Payment.

14.2. Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Contract Documents to be removed or altered, shall be protected by Contractor from damage during the prosecution of the Work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the Work.

Section 15. ASSIGNMENT

15.1. Contractor shall not assign this Agreement or any part thereof, without the prior consent in writing of County. If Contractor does, with approval, assign this Agreement or any part thereof, it shall require that its assignee be bound to it and to assume toward Contractor all of the obligations and responsibilities that Contractor has assumed toward County.

Section 16. PERMITS, LICENSES AND TAXES

16.1. Except as noted in paragraph 17.2 below, all permits and licenses necessary for the prosecution of the Work shall be procured and paid for by Contractor. All permits or fees, including but not limited to, all license fees, permit fees, impact fees or inspection fees payable by Contractor to County have been disclosed to Contractor in the bidding documents or other request for proposal at the time the Project was let for bid. If Contractor performs any Work without obtaining, or contrary to, such permits or licenses, Contractor shall bear all costs arising there from. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the Work.

16.2. Permits required for the Work from FDOT, FDEP, the Army Corps of Engineers, and any archeological permitting agency will be paid for and obtained by the County.

16.3. Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work.

Section 17. TERMINATION FOR DEFAULT

17.1. Contractor shall be considered in material default of the Agreement and such default shall be considered cause for County to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the County or as provided for in the approved Progress Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) materially breaches any other provision of the Contract Documents.

17.2. County shall notify Contractor in writing of Contractor's default(s). If County determines that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice, then County, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's Work by whatever means, method or agency which County, in its sole discretion, may choose.

17.3. If County deems any of the foregoing remedies necessary, Contractor agrees that is shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by County incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, and this obligation for payment shall survive termination of the Agreement.

17.4. The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions

were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefore or re-letting the Work, in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder.

17.5. If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that County is not entitled to the remedies against Contractor provided herein, then Contractor's remedies against County shall be the same as and limited to those afforded Contractor below under Subsection 19.1, Termination for Convenience.

17.6. If the Contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Contractor in conjunction with this Agreement then the County may, without prejudice to any right or remedy and after giving the Contractor and his surety, if any, seven (7) days written notice, during which period Contractor still fails to allow access, terminate the employment of the Contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the Contractor, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the Project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontract work).

Section 18. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION

18.1. County shall have the right to terminate this Agreement without cause upon seven (7) calendar days written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against County shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

18.2. County shall have the right to suspend all or any portions of the Work upon giving Contractor two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

Section 19. COMPLETION

19.1. Upon receipt of written notice, the County will ascertain whether the work or designated portions thereof are ready for the Engineer's substantial completion inspection. From the Engineer's list of incomplete or unsatisfactory items, a schedule for the County's review will be prepared for their completion indicating such completion dates. The County will issue a Certificate of Substantial Completion when the work on the punch list has been accomplished.

19.2. Upon receipt of written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the County shall promptly make such inspection and, if it finds the work acceptable and fully performed under the Contract Documents, shall promptly issue a Certificate of Final Completion and Recommendation for Payment, stating that, on the basis of observations and inspections, the Work has been completed in accordance with the terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor is due and payable. The final payment shall not become due and payable until Contractor submits: (1) the Release and Affidavit in the form attached as **Exhibit D**, (2) consent of surety to final payment, (3) if required by County, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by County, and (4) a published copy of the Notice of Completion as provided for in this section. County reserves the right to inspect the Work and make an independent determination as to the Work's acceptability. Unless and until the County is completely satisfied, the final payment shall not become due and payable.

19.3. After the Work is ready for final inspection and acceptance by the County, a legal advertisement must be published by the Contractor in a local newspaper of a general countywide circulation at least thirty (30) days before final payment shall be made. Example of such publication is as follows:

Legal Notice of Completion

Notice is hereby given that the undersigned Contractor has completed and has ready for acceptance by the Board of County Commissioners of Escambia County, Florida, the following construction project:

_____

(Project Name and Address)

_____

(Legal Name and Address - entity of the Contractor)

Subcontractors, material men, and other persons having payment claims against the Contractor relating to this project should govern themselves accordingly.

Section 20. WARRANTY

20.1. Contractor shall obtain and assign to County all express warranties given to Contractor or any subcontractors by any material men supplying materials, equipment, or fixtures to be incorporated into the Project. Contractor warrants to County that any materials and equipment furnished under the Contract Documents shall be new unless otherwise specified, and that all Work shall be of good quality, free from all defects and in conformance with the Contract Documents. Contractor further warrants to County that all materials and equipment furnished under the Contract Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Contract Documents. If, within two (2) years after substantial completion and acceptance, any Work is found to be defective or not in

conformance with the Contract Documents, Contractor shall correct it promptly after receipt of written notice from County. Contractor shall also be responsible for and pay for replacement or repair of adjacent materials or Work, which may be damaged as a result of such replacement or repair. These warranties are in addition to those implied warranties to which County is entitled as a matter of law. The Performance Bond shall remain in full force and effect throughout the Warranty Period.

Section 21. PROJECT LAYOUT AND CONTROL

21.1. Engineer will provide survey control, referencing beginning and ending stations, P.C.'s, P.T.'s and intermediate stations at 500-foot intervals. Staking is to be set along control line (base line or centerline of right-of-way, as indicated on plans) or at an offset determined by the Engineer. Benchmarks will be provided at intervals no greater than 1000 feet. The Engineer at the Contractor's expense shall replace any of these points, which are disturbed or destroyed by the Contractor.

21.2. Contractor shall employ a competent Engineer or Land Surveyor licensed in the State of Florida familiar with construction control procedures to lay out all other parts of the work, and to establish all points, grades, and levels necessary to locate the work. The Contractor shall be held responsible for all mistakes that may be caused by his incorrect layout and grade spotting work or caused by the loss or disturbance of the Engineer's layout work.

21.3. Should the Contractor in the course of the work find that the points, grades, and levels which are shown upon the Drawings are not conformable to the physical conditions of the locality at the proposed work or structure, he shall immediately inform the Engineer of the discrepancy between the actual physical conditions of the locality of the proposed work, and the points, grades and levels which are shown on the Drawings. No claim shall be made by the Contractor against the Owner for compensation or damage by reasons for failure of the Engineer to represent upon said Drawings, points, grades, and levels conformable to the actual physical conditions of the locality of the proposed work.

Section 22. TESTS AND INSPECTIONS

22.1. County, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide County with timely notice of readiness of the Work for all required inspections, tests, or approvals.

22.2. If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Contractor shall assume full responsibility therefore, pay all costs in connection therewith and furnish County the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the County.

22.3. If any Work that is to be inspected, tested, or approved is covered without written concurrence from the County, such work must, if requested by County, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has

given County timely notice of Contractor's intention to cover the same and County has not acted with reasonable promptness to respond to such notice. If any Work is covered contrary to written directions from County, such Work must, if requested by County, be uncovered for County's observation, and be replaced at Contractor's sole expense.

22.4. Neither observations by the County nor inspections, tests or approvals by others shall relieve Contractor from Contractor's obligations to perform the Work in accordance with the Contract Documents.

22.5. Prior to payment for any Work for which testing is specified, Contractor shall provide the County a copy of reasonably acceptable test results relating to such work as required by the technical specifications of the solicitation.

Section 23. DEFECTIVE WORK

23.1. Work not conforming to the requirements of the Contract Documents shall be deemed defective Work. If required by County, Contractor shall as directed, either correct all defective Work, whether or not fabricated, installed or completed, or, if the defective Work has been rejected by County, remove it from the site and replace it with acceptable Work. Contractor shall bear all direct, indirect, and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys, and other professionals) made necessary thereby, and shall hold County harmless for same.

23.2. If the County considers it necessary or advisable that covered Work be observed by County or inspected or tested by others, Contractor, at County's request, shall uncover, expose or otherwise make available for observation, inspection or tests as County may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and County shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

23.3. If any portion of the Work is defective, or Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the Work in such a way that the completed Work will conform to the Contract Documents, County may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, this right of County to stop the Work shall not give rise to any duty on the part of County to exercise this right for the benefit of Contractor or any other party.

23.4. Should the County determine, at its sole opinion, it is in the County's best interest to accept defective Work, the County may do so. Contractor shall bear all direct, indirect, and consequential costs attributable to the County's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents, and reflecting an appropriate decrease in the Contract Amount. If the County accepts such defective Work after final payment,

Contractor at the discretion of the County shall promptly pay County an appropriate amount to adequately compensate County for its acceptance of the defective Work or shall increase in the Work's warranty period beyond two (2) years.

23.5. If Contractor fails, within a reasonable time after the written notice from County, to correct defective Work or to remove and replace rejected defective Work as required by County, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any of the provisions of the Contract Documents, County may, after seven (7) days' written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, County may exclude Contractor from any or all of the Project site, take possession of all or any part of the Work, and suspend Contractor's services related thereto, take possessions of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which County has paid Contractor but which are stored elsewhere. Contractor shall allow County, and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable County to exercise the rights and remedies under this Subsection. All direct, indirect, and consequential costs of County in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or others destroyed or damaged by correction, removal or replacement of Contractor's defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by County of County's rights and remedies hereunder.

Section 24. SUPERVISION AND SUPERINTENDENTS

24.1. Contractor shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Contractor shall be responsible to see that the finished Work complies accurately with the Contract Documents. Contractor shall keep on the Work at all times during its progress a competent resident superintendent acceptable to the County, who shall not be replaced without prior written notice to County except under extraordinary circumstances. The resident superintendent shall possess Florida Department of Transportation approved training and certifications applicable to the Work, including but not limited to National Pollutant Discharge Elimination System (NPDES) Stormwater Management and Maintenance of Traffic Control Devices. The superintendent shall be Contractor's representative at the Project site and shall have authority to act on behalf of Contractor. All communications given to the superintendent shall be as binding as if given to the Contractor. County shall have the right to direct Contractor to remove and replace its Project superintendent, with or without cause.

Section 25. PROTECTION OF WORK

25.1. Contractor shall fully protect the Work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made. If Contractor, or any one for whom Contractor is legally liable, is responsible for any loss or damage to the Work, or other work or materials of County or County's separate contractors, Contractor shall be

charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due Contractor.

25.2. Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent property to stresses or pressures that will endanger it.

Section 26. EMERGENCIES

26.1. In the event of an emergency affecting the safety or protection of persons or the Work or property at the Project site or adjacent thereto, Contractor, without special instruction or authorization from County is obligated to act to prevent threatened damage, injury, or loss. Contractor shall give County written notice within forty-eight (48) hours after the occurrence of the emergency, if Contractor believes that any significant changes in the Work or variations from the Contract Document have been caused thereby. If the County determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Contractor fails to provide the forty-eight (48) hour written notice noted above, the Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Contract Amount or an extension to the Contract Time.

Section 27. USE OF PREMISES

27.1. Contractor shall confine all construction equipment, the storage of materials and equipment and the operations of workers to the Project site and land and areas identified in and permitted by the Contract Documents and other lands and areas permitted by law, rights of way, permits and easements, and shall not unreasonably encumber the Project site with construction equipment or other material or equipment. Contractor shall assume full responsibility for any damage to any such land or area, or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the Work.

27.2. Contractor shall provide and maintain in a neat, sanitary condition such accommodation for the use of his employees as may be necessary to comply with the regulations of the State Board of Health or other bodies having jurisdiction. He shall commit no public nuisance.

Section 28. SAFETY

28.1. The Contractor shall designate in writing the individual responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work. The Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to:

28.1.1. All employees of the Work and other persons and/or organizations who may be affected thereby;

28.1.2. All the Work and materials and equipment to be incorporated therein, whether in storage on or off the Project site; and

28.1.3. Other property on Project site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, utilities and any underground structures or improvements not designated for removal, relocation, or replacement in the contract documents.

28.2. The Contractor shall comply with all applicable codes, laws, ordinances, rules, and regulations of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury, or loss. The Contractor shall erect and maintain all necessary safeguards for such safety and protection. The Contractor shall notify owners of adjacent property and of underground structures and improvements and utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation, or replacement of their property. Contractor's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by County has occurred.

29.3 The Contractor shall designate a responsible representative at the Project site whose duty shall be the prevention of accidents. This person shall be Contractor's superintendent unless otherwise designated in writing by the Contractor to the County.

29.4 The Contractor shall adhere at all times to the minimum safety guidelines for construction and renovation projects as set out in **Exhibit C** of this Agreement.

Section 30. PROJECT MEETINGS

Prior to the commencement of Work, the Contractor shall attend a pre-construction conference with the County to discuss the Progress Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the prosecution of the Work, the Contractor shall attend any and all meetings convened by the County with respect to the Project, when directed to do so by County. Contractor shall have its subcontractors and suppliers attend all such meetings (including the pre-construction conference) as may be directed by the County.

EXHIBIT C
INSURANCE AND SAFETY

INSURANCE - BASIC COVERAGES REQUIRED

The Contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such on policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the Contract Documents, whether such services, work and operations be by the Contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The Contractor shall require, and shall be responsible for assuring throughout the time the Agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the Contractor. The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the Contractor's interests or liabilities but are merely minimums.

Except for workers compensation and professional liability, the Contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract, or lease.

The Contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The Contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The Contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the Contractor or any other insurance of the Contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations, which arise out of this agreement, contract or lease.

Workers Compensation Coverage
The Contractor shall purchase and maintain workers compensation insurance for all workers compensation obligations imposed by state law and with employers liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

General, Automobile and Excess or Umbrella Liability Coverage

The Contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the Commercial General Liability and Business Auto policies of the Insurance Services Office.
Minimum limits of $1,000,000 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employers liability required in the Workers Compensation Coverage section) and the total amount of coverage required.

General Liability Coverage - Occurrence Form Required
Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The Contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract, or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

Business Auto Liability Coverage
Business Auto Liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

Excess or Umbrella Liability Coverage
Umbrella Liability insurance is preferred, but an Excess Liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

Evidence/Certificates of Insurance
Required insurance shall be documented in Certificates of Insurance. If and when required by the County, Certificates of Insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the Certificate of Insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverages(s) indicated on each Certificate of Insurance.

New Certificates of Insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the Contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract, or lease.

Certificates should contain the following additional information.

1. Indicate that Escambia County is an additional insured on the general liability policy.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of $1,000.
4. Designate Escambia County as the certificate holder as follows:
   Escambia County

Attention: _____
Office of Purchasing
P.O. Box 1591
Pensacola, FL 32597-1591
Fax (850) 595-4805

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the Contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the Contractor shall furnish complete copies of the Contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For Commercial General Liability coverage the Contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

ENDORSEMENTS/ADDITIONAL INSURANCE

If checked below, the County requires the following endorsements or additional types of insurance.

☐ **TERMINATION/ADVERSE CHANGE ENDORSEMENT**
All of Contractor's policies, except for professional liability and workers compensation insurance, are to be endorsed, and the Contractor's Certificate(s) of Insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, non-renewal, or adverse change.

☐ **PROPERTY COVERAGE FOR LEASES**
The Contractor shall procure and maintain for the life of the lease, all risk/special perils (including sinkhole) property insurance (or its equivalent) to cover loss resulting from damage to or destruction of the building and personal property/contents. The policy shall cover 100% replacement cost, and shall include an agreed value endorsement to waive coinsurance.

Coverage shall also include continued full payment of rents to the County for up to one year after damage or destruction of the property

☐ **COMMERCIAL GENERAL LIABILITY COVERAGE PROJECT AGGREGATE**
Because the Commercial General Liability form of coverage includes an annual aggregate limitation on the amount of insurance provided, a separate project aggregate limit of $_____ is required by the County for this agreement or contract.

☐ **LIQUOR LIABILITY**
In anticipation of alcohol being served, the Contractor shall provide evidence of coverage for liquor liability in an amount equal to the general/umbrella/excess liability coverage. If the general liability insurance covers liquor liability (e.g. host or other coverage), the Contractor's agent or insurer should provide written documentation to confirm that coverage already applies to this agreement, contract, or lease. If needed coverage is not included in the general/umbrella/excess liability policy(ies), the policy(ies) must be endorsed to extend coverage for liquor liability, or a separate policy must be purchased to provide liquor liability

coverage in the amount required.

❑ **OWNERS PROTECTIVE LIABILITY COVERAGE**

For renovation or construction contracts the Contractor shall provide for the County an owners protective liability insurance policy (preferably through the Contractor's insurer) in the name of the County.

This is redundant coverage if the County is named as an additional insured in the Contractor's Commercial General Liability insurance policy. However, this separate policy may be the only source of coverage if the Contractor's liability coverage limit is used up by other claims.

❑ **BUILDERS RISK COVERAGE**

Builders Risk insurance is to be purchased to cover subject property for all risks of loss, subject to a waiver of coinsurance, and covering off-site storage, transit and installation risks as indicated in the Installation Floater and Motor Truck Cargo insurance described hereafter, if such coverages are not separately provided.

The Builders Risk insurance is to be endorsed to cover the interests of all parties, including the County and all contractors and subcontractors. The insurance is to be endorsed to grant permission to occupy.

❑ **INSTALLATION FLOATER COVERAGE**

Installation Floater insurance is to be purchased when Builder's Risk insurance is inappropriate, or when Builder's Risk insurance will not respond, to cover damage or destruction to renovations, repairs or equipment being installed or otherwise being handled or stored by the Contractor, including off-site storage, transit and installation. The amount of coverage should be adequate to provide full replacement value of the property, repairs, additions, or equipment being installed, otherwise being handled, or stored on or off premises. All risks coverage is preferred.

❑ **MOTOR TRUCK CARGO COVERAGE**

If the Installation Floater insurance does not provide transportation coverage, separate Motor Truck Cargo or Transportation insurance is to be provided for materials or equipment transported in the Contractor's or other vehicles from place of receipt to building sites or other storage sites. All risks coverage is preferred.

❑ **CONTRACTOR'S EQUIPMENT COVERAGE**

Contractor's Equipment insurance is to be purchased to cover loss of equipment and machinery utilized in the performance of work by the Contractor. All risks coverage is preferred.

❑ **FIDELITY/DISHONESTY COVERAGE - FOR EMPLOYER**

Fidelity/Dishonesty insurance is to be purchased to cover dishonest acts of the Contractor's employees, including but not limited to theft of vehicles, materials, supplies, equipment, tools, etc., especially property necessary to work performed.

❑ **FIDELITY/DISHONESTY/LIABILITY COVERAGE - FOR COUNTY**

Fidelity/Dishonesty/Liability insurance is to be purchased or extended to cover dishonest acts of the Contractor's employees resulting in loss to the County.

❑ **GARAGE LIABILITY COVERAGE**

Garage Liability insurance is to be purchased to cover the Other Party and its employees for its garage and related operations while in the care, custody, and control of the County's vehicles.

❑ **GARAGEKEEPERS COVERAGE (LEGAL LIABILITY FORM)**

Garagekeepers Liability insurance is to be purchased to cover the Other Party's liability for damage or other loss, including comprehensive and collision risks, to the County's vehicles while in the care, custody, and control of the Other Party. This form of coverage responds only when the Other Party is legally liable for the loss.

❑ **GARAGEKEEPERS COVERAGE (DIRECT-EXCESS FORM)**

Garagekeepers Liability insurance is to be purchased to cover damage or other loss, including comprehensive and collision risks, to the County's vehicles while in the care, custody, and control of the Other Party. This form of coverage responds on a legal liability basis, and also without regard to legal liability on an excess basis over any other collectible insurance.

❑ **WATERCRAFT LIABILITY COVERAGE**

Because the Contractor's provision of services involves utilization of watercraft, watercraft liability coverage must be provided to include bodily injury and property damage arising out of ownership, maintenance or use of any watercraft, including owned, non-owned and hired.

Coverage may be provided in the form of an endorsement to the general liability policy, or in the form of a separate policy covering Watercraft Liability or Protection and Indemnity.

❑ **UNITED STATES LONGSHOREMEN AND HARBORWORKERS ACT COVERAGE**

The Workers Compensation policy is to be endorsed to include United States Longshoremen and Harborworkers Act Coverage for exposures, which may arise from this agreement or contract.

❑ **JONES ACT COVERAGE**

The Workers Compensation policy is to be endorsed to include Jones Act Coverage for exposures, which may arise from this agreement or contract.

❑ **AIRCRAFT LIABILITY COVERAGE**

Because the Contractor's provision of services involves utilization of aircraft, aircraft liability coverage must be provided to include bodily injury and property damage arising out of ownership, maintenance or use of any aircraft, including owned, non-owned and hired.

The minimum limits of coverage shall be $__,000,000 per occurrence, Combined Single Limit for Bodily Injury (including passenger liability) and Property Damage.

❑ **POLLUTION/ENVIRONMENTAL IMPAIRMENT LIABILITY COVERAGE**

Pollution/environmental impairment liability insurance is to be purchased to cover pollution and/or environmental impairment, which may arise from this agreement or contract.

☐ **PROFESSIONAL LIABILITY/MALPRACTICE/ERRORS OR OMISSIONS INSURANCE**

Contractor shall purchase and maintain Professional Liability or malpractice or errors or omissions insurance coverage with a minimum limit of $1,000,000, except where the estimated construction contract price for the project described in the Agreement is greater than $5 Million dollars, the minimum limit of professional liability coverage shall be equal to 25% of the estimated construction contract price for the project. Said coverage shall be continuously maintained and in effect for a period of not less than **five (5) years** from the effective date of this Agreement. The policy limit of liability shall not include legal fees and other defense costs. If a claims made form of coverage is provided, the retroactive date of coverage shall be no later than the effective date of this Agreement and shall not be advanced.

If at any time during the aforementioned policy period there should be a cancellation, non-renewal, or lapse in coverage, professional liability coverage shall be extended for the remainder of the five year period with a supplemental extended reporting period (SERP) endorsement to take effect upon expiration of the policy period referenced above. The limits of liability applicable to the SERP coverage shall be equal to the limits of liability applicable to the policy referenced above and to which the endorsement attaches.

MINIMUM PROJECT SAFETY REQUIREMENTS

The following safety requirements represent the minimum condition, which shall be met by all Contractors and subcontractors performing work for Escambia County: Reported or observed violations of Federal and State laws and regulations, or County ordinances shall be brought to the attention of the County project manager and County's Department of Safety and Risk Services and shall be immediately corrected by the Contractor. Additionally, the County may order work to be stopped if conditions exist that present immediate danger to persons or property. The Contractor acknowledges that any such stoppage will not shift responsibility for any damages from the Contractor to the County. Failure to comply with required safety procedures shall result in the suspension of the Work of the Contractor until such time as his operations are brought into compliance. Items which are not corrected or that are disputed by the Contractor may be referred by the County's Department of Safety and Risk Services for inspection or interpretation. The Contractor shall take reasonable precautions for workplace safety and shall provide reasonable protection to prevent damage, injury, or loss to employees on the work site and to other persons who may be affected by the Work.

(1) Prior to the commencement of the project, the Contractor and all subcontractors shall provide to the County a written copy of their respective safety and health plans for review as part of the pre-submittal bid package.

(2) The Contractor shall establish and maintain an access control system at the work site, including a daily sign-in log, for all visitors, including County and regulatory personnel. Prior to commencement of construction, the project manager may designate specific individuals for routine access so that their duties are not impeded. All visitors that are not pre-approved for admittance shall be escorted through the project by either a Contractor representative or by the project manager or designee.

(3) The Contractor shall provide all necessary safety equipment for County staff, employees, and visitors to enter the work site. This equipment may include hard hats, hearing protection, safety glasses, or any other safety items deemed necessary by the Contractor or required by State or Federal safety regulations.

(4) Construction vehicles on the work site shall always be operated in a safe manner. The Contractor shall take appropriate action to ensure the safety of County staff, visitors, and the general public while operating work vehicles at a "controlled" construction site. Where conditions warrant, or at the request of the County, temporary barriers shall also be established for these traffic areas.

(5) The Contractor shall prominently mark the work site and ensure its security. Site security shall include appropriate fencing, barricades, warning tape, covered walkways, and warning signs. In no instance shall a work site be accessible, without obvious warning, to County staff, visitors, or the general public. At a minimum, the project site shall be posted with the appropriate trespass warning signs as specified in Section 810.09(2)(d), Florida Statutes: THIS AREA IS A DESIGNATED CONSTRUCTION SITE; ANYONE TRESPASSING ON THIS PROPERTY SHALL, UPON CONVICTION, BE GUILTY OF A FELONY; "A DANGER, CONSTRUCTION SITE. AUTHORIZED PERSONNEL ONLY," and other general safety warning signs, i.e., "HARD HAT AREA," as are deemed necessary by the Contractor and project manager.

(6) In the event barricading of a work site is not feasible, alternative measures may be used upon prior approval by the County safety Office. Alternative measures may include, but are not limited to, working during "off 'hours such as nights, weekends, or holidays, or the providing of temporary accommodations for building occupants (to be prearranged, if necessary, at the discretion of the County).

(7) The Contractor shall ensure compliance with all fire safety codes at the work site, especially as to egress, during the construction phase of an occupied facility. In no instance, (except where impractical and with the prior approval of the County's Department of Safety and Risk Services and the appropriate life safety code inspector), shall the life safety code components of an occupied facility be reduced or otherwise compromised.

A set of these construction plans, with a signature of approval by the appropriate life safety code inspector, shall be kept at each construction site and available for routine inspection. The Contractor shall communicate with each subcontractor and County's Department of Safety and Risk Services as to scheduling of events that may pose hazards or inconveniences to building occupants. The Contractor shall also ensure that appropriate scheduling information is also conveyed to the project manager.

- When a project alters a building's fire protection compartment features, such as fire barriers, smoke barriers, or corridor walls, exits must provide free and unobstructed egress. Employees shall receive notice if any alternative exits have been designated. Buildings or areas under construction must maintain escape egress for construction workers at all times. These means of egress shall be inspected daily by the Contractor.

- When a project affects fire alarms, fire detection, or fire suppression systems, of a building that is occupied, the Contractor must ensure that such systems are not functionally impaired. Any temporary systems, which are installed, must be inspected, and tested monthly by the Contractor. Employees must be notified when such temporary systems are in place.

- When any sources of ignition are present, such as welding torches, smoking by all persons shall be prohibited on any construction site and in any County facility.

(8) Noise, dust, and the use of chemical products may create inside health hazards at the work site to building occupants requiring that the Contractor to adhere to the following guidelines at a minimum:

(a) The Contractor shall initiate construction and engineering safety controls to minimize exposure of dusts, noise, and chemical odors to building occupants. These controls may involve the construction or use of temporary walls, plastic barriers, mechanical ventilation, elimination of make-up air returns from work areas, pressurizing occupied areas, or a combination of several methods. The Contractor shall coordinate all such engineering efforts with the project manager, and these control measures shall require prior approval by the County's

Department of Safety and Risk Services. In cases where these efforts may not be feasible, alternative work schedules on evenings and weekends may be instituted as a part of this process.

(b) Material Safety Data Sheets (MSDS) shall be provided to the County's Department of Safety and Risk Services for all hazardous substances used on the project or brought on the job site. These products include, but are not limited to, paints, solvents, roofing compounds, and cleaning compounds.

(c) Appropriate precautions shall be taken to prevent occupant exposure to hazardous respirable dusts, contaminants, and fumes from welding, cutting, or drilling of concrete and masonry, or the operation of internal combustion engines. The Contractor shall also determine whether respirable crystalline silica, which is a potential carcinogen contained in many building products, is present at the work site. Control of dusts from these types of products and operations shall be an essential safety requirement for the Contractor.

(d) The Contractor should be aware of other buildings adjacent to his work areas and shall be prepared to take necessary actions to prevent the spread of dusts and fumes to those facilities.

(9) The Contractor shall ensure that all emergency notifications, including those for fires and medical needs, shall be promptly made by dialing County 911 dispatchers. The Caller should state the exact location of the work site emergency, the nature of the emergency, and specifically indicate if medical or fire services are needed.

(10) The Contractor agrees and understands that all County construction/renovation sites shall be subject to periodic inspection by life safety code inspectors, Florida Department of Labor and Employment Security, Division of Safety, Occupational Safety and Health Administration, Florida Department of Environmental Protection, Environmental Protection Agency, and other Federal, State, or County regulatory agencies.

(11) The Contractor shall provide adequate refuse containers for the disposal of construction debris. Refuse shall not be allowed to accumulate on the project site grounds, and the Contractor shall ensure that these containers are subsequently emptied on a regular basis.

(12) Water runoff and soil erosion from the project site shall be controlled by the Contractor pursuant to the regulations of the Florida Department of Environmental Protection.

(13) Water-based paint and stain products shall be used by the Contractor in the place of solvent-based products where the application so permits. Use of organic solvent-based products shall be used only where absolutely necessary and with the prior approval of the project manager. Lead-containing paints shall not be normally used or specified for any application. If the use of lead-containing paint is essential for a specific application, prior written approval from the County's Department of Safety and Risk Services shall be obtained before their use.

(14) The use of any products containing toxic metals, especially those regulated by Resource Conservation and Recovery Act (RCRA), (i.e. lead, chromium, barium, silver, arsenic, cadmium, mercury, selenium), on the work site shall be avoided. Prior written approval for use of these metals shall be obtained by the Contractor from the County's Department of Safety and Risk Services.

(15) The use of any radioactive materials by the Contractor on project sites shall require pre-approval. Copies of appropriate certifications, licenses, testing, and inspection records shall be provided by the Contractor to the project manager and County's Department of Safety and Risk Services for review.

(16) The County contracts out the identification and abatement of asbestos containing building materials. Asbestos abatement can only be performed by state licensed asbestos abatement contractors. General contractors, therefore, shall not be authorized to remove or disturb any asbestos containing materials. Although efforts are made to identify or remove such asbestos containing materials prior to renovations, the possibility exists that asbestos materials may be encountered at a work site. If so, Contractors who encounter such materials shall immediately stop work and notify the project manager and the County's Department of Safety and Risk Services.

(17) The above-cited guidelines represent minimum expectations and actions, which shall be taken by Contractors while under contract for County construction and renovation projects. These guidelines are not all inclusive and will be revised, as necessary. In the event these guidelines conflict with other contract documents, the most stringent application shall apply. Any questions or disputes should be brought to the immediate attention of the project manager and County's Department of Safety and Risk Services.

PAYMENT ADJUSTMENT - BITUMINOUS MATERIALS.

1. The bid unit price for Bituminous Material will be adjusted to reflect changes, both increases and decreases, in the Asphalt Index price of bituminous material from that in effect during the month in which bids were received for this contract. The Contractor will not be given the option to reject this cost adjustment of Bituminous Materials. This adjustment will be made in accordance with the following criteria:

1.1. Price adjustments will apply only to the price of bituminous material F. O. B. manufacturer's asphalt terminal and will not reflect variations in the cost of transportation from the terminal to the job site.

1.2. Price adjustments will be made for all bituminous material incorporated into asphalt pavement whether paid for under a separate bid item or under other items, which include the cost of bituminous material.

1.3. Price adjustments will not be made until the semi-final or final payment is made on the contract. The bid unit price for bituminous material will be used in preparing monthly progress payments.

1.4. No price adjustment reflecting any further increases in the cost of bituminous material will be made for any month after expiration of the allowable contract time, including any extensions that may be granted.

1.5. The adjusted unit price shall be calculated for the month during which the material was incorporated into the project in accordance with the following formula:

Pa= Pb x (Id-Ib) where:

Pa= Adjusted unit price for Bituminous Material. (Calculated separately for each month during which bituminous material is used to reflect an increased or decreased price.)

Pb= Bid unit price for Bituminous Material.

Id= Asphalt Price Index during the month in which the material is incorporated into the project.

Ib= Asphalt Price Index during the month in which bids were received for this contract.

1.6. The County will determine the Asphalt Price Index for each month. The Index shall be determined by averaging quotations in effect on the first day of the month at all terminals, which could reasonably be expected to furnish bituminous material to projects in the State of Florida.

1.7. A price adjustment will be made only when the current Asphalt Price Index varies by 5% or more from the Index that was applicable when bids were received or 5% or more from when the last previous adjustment was made. The Asphalt Price Index to be used by the County will be that used by the Florida Department of Transportation, as available from them after the 15th of each month.

EXHIBIT J
LOCAL AGENCY PROGRAM AGREEMENT
REQUIRED CONTRACT PROVISIONS

(11.) Disadvantaged Business Enterprise (DBE) Policy and Obligation.

It is the policy of the Florida Department of transportation that DBEs as defined in 49 C.F.R. Part 26, as amended, shall have the opportunity to participate in the performance of contracts financed in whole or in part with Department funds. Contractor agrees to ensure that DBEs have the opportunity to participate in the performance of this Agreement. In this regard, Contractor shall take all necessary and reasonable steps in accordance with applicable federal and state laws and regulations to ensure that DBEs have the opportunity to compete for and perform contracts. Contractor and its subcontractors shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts entered into pursuant to this Agreement.

(12.) Compliance with Conditions and Laws.

Contractor will comply and require its subcontractors to comply with all terms and conditions of this Agreement and all requirements imposed by applicable federal, state, and local laws and regulations, including the "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions," in 49 C.F.R. Part 29 and 2 C.F.R. Part 200 as applicable.

(14.) Restrictions, Prohibitions, Controls and Labor Provisions.

During the performance of this Agreement, Contractor agrees as follows, and agrees to require its subcontractors to include in each subcontract the following provisions:

a) Contractor shall comply with all requirements imposed by Title VI of the Civil Rights Act of 1964, the regulations of the U.S. Department of Transportation issued thereunder, and the assurance by Contractor pursuant thereto. The Contractor shall include the attached **Title VI Assurances** (included as Exhibit C to the LAP Agreement) in all subcontracts with subcontractors performing work on the project that ensure compliance with Title VI of the Civil Rights Act of 1964, 49 C.F.R. Part 21, and related statutes and regulations.

b) Contractor will comply with the requirements as imposed by the Americans with Disabilities Act of 1990 (42 U.S.C. §§12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, governmental services, and telecommunications.

c) A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

d) In accordance with Section 287.134, Florida Statutes, an entity or affiliate who has been placed on the Discriminatory Vendor List, kept by the Florida Department of Management Services, may not submit a bid on a contract to provide goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity; and may not transact business with any public entity.

e) An entity or affiliate who has had its Certificate of Qualification suspended, revoked, denied, or have

further been determined by the Florida Department of Transportation to be a non-responsible contractor may not submit a bid or perform work for the construction or repair of a public building or public work on a contract with the County.

f) Neither Contractor nor any of its subcontractors shall enter into any contract, subcontract or arrangement in connection with the project or any property included or planned to be included in the project in which any member, officer or employee of the County or of the locality during his tenure or for two years thereafter has any interest, direct or indirect. Contractor shall insert in each subcontract entered into in connection with the project the following provision: "*No member, officer, or employee of the County or of the locality during his tenure or for two years thereafter shall have any interest, direct or indirect, in this contract or the proceeds thereof.*"

g) No member or delegate of Congress of the United States shall be admitted to any share or part of this Agreement or any benefit arising therefrom.

(15.) Indemnification and Insurance.

a) Contractor shall indemnify, defend, and hold harmless the State of Florida, Department of Transportation, including the Department's officers, agents, and employees, against any actions, claims, or damages arising out of, relating to, or resulting from negligent or wrongful acts of the Contractor, or any of its officers, agents, or employees, acting within the scope of their office or employment, in connection with the performance of this Agreement.

b) In addition to any insurance coverage requirements set forth in this Agreement, Contractor shall include the Florida Department of Transportation (FDOT) as an additional insured on all liability insurance policies, and the FDOT will be designated as a certificate holder. The certificates/policies will be endorsed to provide at least thirty days' prior notice of cancellation, nonrenewal or adverse change. Certificates of Insurance reflecting the required coverage and endorsement(s) and any notices of change/cancellation will be provided to the FDOT at the following address: Florida Department of Transportation

Attn: _____

_____

(17.) Miscellaneous Provisions.

a) Contractor shall be responsible for compliance with all applicable environmental regulations, for any liability arising out of non-compliance with these regulations and reimburse the County for any loss incurred in connection therewith. If Contractor enters into a contract or subcontract for amounts in excess of $150,000, any such contact must include the following provision: Contractor agrees to comply with the applicable standards, orders, or regulations pursuant to the Clean Air Act (42 U.S.C. §§7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§1251-1387), and will report violations to the Federal Emergency Management Agency (FEMA) and the Regional Office of the Environmental Protection Agency (EPA).

b) Contractor shall register with and utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of all new employees hired by Contractor during the term of this Agreement and shall expressly require any subcontractors performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Contractor enters into a contract with a subcontractor performing work or providing services on its behalf, Contractor shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify System can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

c) Contractor shall comply with and require its subcontractors to comply with Section 20.055(5), Florida

Statutes, which requires every contractor and subcontractor to cooperate with state agency inspectors general in any investigation, audit, inspection, review, or hearing pursuant to this provision.

d) Pursuant to 48 C.F.R. Part 31 and 2 C.F.R. Part 200, a determination of allowable costs in accordance with the Federal cost principals will be performed for all services rendered pursuant to this Agreement.

SECTION 3 UTILIZATION PLAN

_____agrees to implement the following specific affirmative action steps directed at increasing the utilization of lower income residents and business within Escambia County, Florida.

A. To ascertain from the locality's CDBG program official the exact boundaries of the Section 3 covered/project area and where advantageous, seek the assistance of local officials in preparing and implementing the affirmative action plan.

B. To attempt to recruit from within the County the necessary number of lower income residents through: Local advertising media, signs placed at the proposed site for the project, and community organizations and public private institutions operating within or serving the project area such as Service Employment and Redevelopment (SER), Opportunities Industrialization Center (OIC), Urban League, Concentrated Employment Program, Hometown Plan, or the U. S. Employment Service.

C. To maintain a list of all lower income residents who have applied either on their own or on referral from any source, and to employ such persons, if otherwise eligible and if vacancy exists.

*D. To insert this Section 3 plan in all bid documents, and to require all bidders on subcontractors to submit a Section 3 affirmative action plan including utilization goals and the specific steps planned to accomplish these goals.

*E. To insure that subcontracts which are typically let on a negotiated rather than a bid basis in areas other than Section 3 covered project areas are also let on a negotiated basis, whenever feasible, when let in a Section 3 covered project area.

*F. To formally contact unions, subcontractors, and trade associations to secure their cooperation for this program.

G. To insure that all appropriate project area business concerns are notified of pending sub-contractual opportunities.

H. To maintain records, including copies of correspondence, memoranda, etc., which document that all of the above affirmative action steps have been taken.

I. To appoint or recruit an executive official of the company or agency as Equal Opportunity Officer to coordinate the implementation of this Section 3 plan.

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

Re: CR 399/Bob Sikes Bridge over Santa Rosa Sound Emergency Repairs
Bridge Nos. 480123 & 480139

Dear Mr. Fox:

We are pleased to submit this proposal for engineering services for the above referenced project. The scope of services will consist of the design of emergency repairs to reestablish the outside roadway shoulder and open the outside approach lane for traffic for Bridge Nos. 480123 & 480139. The services will be performed in conformance with Escambia County policies and in accordance with the following:

1. PROJECT OBJECTIVES

The Consultant will design plans and specifications for bridge emergency repair work for the roadway approach and bridge of County Road 399 over Santa Rosa Sound (Bridge Nos. 480123 & 480139).

2. SPECIFIC SERVICES

The Consultant shall develop emergency repair plans for roadway reconstruction and bridge approach slab repairs. The plans will include details for removing the existing outside shoulder, re-establishing the embankment, and constructing the outside shoulder, including all signage, striping, riprap, and sod.

The Consultant shall include a note in the Plans instructing the Contractor to develop Temporary Traffic Control Plan (TTCP) for all phases of the work. Schematic MOT plans will be included for the roadway reconstruction work.

Plan quantities will be based on existing plans, inspection reports, and cursory field measurements with any necessary adjustments due to current as-built conditions to be reviewed during construction.

The Consultant will create the Specifications workbook, prepare quantities, cost estimate, construction schedule and Technical Special Provisions (TSP), as needed. Plans will be developed in AutoCAD format on 11"x17" sheets.

The Consultant will make 2 submittals, Preliminary and Final. The Preliminary submittal will provide the County and FDOT with opportunity to comment. Plans will be developed using Digital Delivery methods.

The Consultant will prepare permit forms. Submittal of permits to permitting agencies is not included under this scope.

Post Design Assistance

Items to be included in the project will consist of: attendance of the pre-construction meeting, responding to requests for information that are relayed to the Consultant through the Construction

Engineer or changes as proposed by the Contractor at the Construction Engineer's request, reviewing material requests and shop drawing submittals as requested by the County, attending on-site meetings as requested to discuss any construction issues as they relate to design, and attendance of the substantial completion on-stie meeting.

Submittals shall be reviewed and processed in accordance with the procedures outlined in the latest Structure Design Guidelines, County policies, and at the direction of the County.

3. COUNTY RESPONSIBILITIES

The County shall provide copies of recent bridge inspection reports, bridge plans, or any other pertinent or more recent information at the Consultant's request. In addition, the County shall provide access to the site for the Consultant as required. This includes supplying a boat and driver as needed for quantity and repairs verification.

4. LIMITATIONS

A detailed bridge inspection is not included in this scope of services. As such, existing inspection reports and existing plans will be the source for quantification. Cost estimates will be based upon this data and may require adjustment during construction.

Utility coordination is not included under this scope. It is assumed utility coordination will be handled by the County.

5. BEGINNING AND LENGTH OF SERVICES

The above outlined services shall begin upon the receipt of the Notice to Proceed from the County. Final plans and specifications will be delivered in accordance with the County's production schedule.

6. COMPENSATION

Compensation for the above services shall be a lump sum amount of $45,924.74 for the Consultant's work.

Sincerely,

Patrick D. Mulhearn, P.E.

James,

FHWA has approved moving forward with the design services for the emergency repair of CR-399.

Please process the contract ASAP so we can get a PO issued.

Please let me know if you have any questions.

Liz

Hey Liz,

Quick question(s):

1) How long was the advertisement open?
2) Any FDOT prequalification?
3) Who was the firm that responded?

Dustin,

We advertised to 68 firms through Government Forms the design services for CR-399 Emergency Repair and only one firm responded. Purchasing is wanting conformation that we can continue.

Thanks

Hey John,

Please see below. Do you approve allowing them to move forward? The County reached out to 68 firms and only received one response. The firm is FDOT prequalified and the same firm the performed the ER bridge inspection report for FDOT after the storm.

Thanks!

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

AGREEMENT BETWEEN COMPLETE DKI AND ESCAMBIA COUNTY

THIS AGREEMENT is made this 25th day of June, 2015 (hereinafter referred to as "Effective Date"), by and between Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County") and Complete DKI (hereinafter referred to as "Vendor").

WITNESSETH:

WHEREAS, Escambia County and the Gulf Coast have experienced several devastating hurricanes and other natural and man-made emergencies; and

WHEREAS, the Escambia County Board of County Commissioners seeks to protect the welfare of the citizens of Escambia County by restoring services and providing emergency assistance immediately following an emergency; and

WHEREAS, Cities, Counties and States all across the Gulf Coast and the Country are preparing for emergencies, putting a strain on available resources; and

WHEREAS, vendors of essential supplies and services are willing to enter into agreements with Escambia County so that those supplies will be available to the citizens immediately following an emergency.

NOW THEREFORE, the parties hereto mutually covenant one with the other as follows:

At all times throughout this agreement, "Emergency" shall, for the purposes of this agreement, be defined as a natural or man-made occurrence such as a substantial segment of the Citizens of the County are impacted by a loss of services, supplies and/or infrastructure as to pose a risk to the health, safety and welfare of the County. Such State of Emergency shall be declared by the Emergency Operations Chief, County Administrator, Board of County Commissioners or their designee.

I. STATEMENT OF WORK

In the event of a State of National, Local or State Emergency, where such products and/or services available from the vendor are required, Vendor agrees to make available to the County at a minimum those products and/or services as specified in **Exhibit A**. Vendor understands that this commitment shall be on an as-needed basis by the County, and the County shall be entitled to rely upon this commitment for all planning and emergency response purposes. Vendor intends to be bound by this agreement and finds sufficient consideration in the promise of the County to provide a purchase contract for goods and/or services received as a result of this agreement. Procurement procedures shall be in accordance with BCC's procurement guidelines when purchasing necessary items for the administration of this contract.

Vendor understands that time is of the essence in the delivery of the products and/or services, and any and all agreements between the County and Vendor are based on

the committed products and/or services being delivered to the County within 24 hours of the request by the County, unless another time frame is reached by mutual agreement of the parties.

Vendor shall provide a contact number, so that at any time immediately prior to or during the emergency, the Emergency Operations Chief, County Administrator or their designee can advise Vendor of the need for Vendor's service or product, and establish quantity, time and place of delivery.

The BCC shall provide a contract for such products and/or services and establish time and method of payment satisfactory to both parties.

II. MODIFICATION

This contract may only be modified by written agreement executed by all parties hereto.

III. PROVISION AGAINST ASSIGNMENT

Neither this contract nor the services hereunder provided for may be assigned, or subcontracted by Vendor without the prior written consent of the County.

IV. TERMINATION FOR CONVENIENCE

Either party may terminate this contract for convenience by giving the other 30 days written notice prior to the effective date of termination. The termination notice must be in writing and signed by the authorized agent of the terminating party.

V. NOTICE AND CONTACT

The name and address of the manager responsible for Vendor for this contract is:

Complete DKI
Attn: Shaun Carpenter

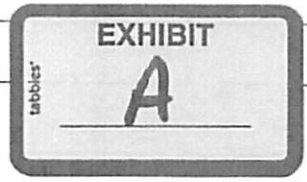
OTHER LABOR PROVISIONS:

1. Standard Hours- All labor rates above are for "Standard Hours". For the purpose of this Rate Schedule. "Standard Hours" shall be defined as all hours up to 40 hours per week, with the week starting on the first day of the response, exclusive of the following Contractor holidays: New Year's Day, Easter, Memorial Day, July 4th, Labor Day, Thanksgiving, Christmas Eve, and Christmas Day.

2. Non-Standard Hours- For purposes of this Rate Schedule "Non-Standard Hours" are defined as all hours worked after 40 hours that work week. Labor performed during Non-Standard Hours will be billed at one and one-half (1.5) times the rate schedule above. In the event Contractor is required to pay double time for any work performed by all classifications, pursuant to state or federal law or the terms of any collective bargaining agreement, the rates for such labor hours shall be 2.0 times the rates schedule above. Holidays are charged at two times (2.0) the rate schedule amounts.

3. Bio-Hazard Damage – Restoration from bio-hazard damage will be charged at two (2.0) times the standard rate schedule (detailed above) for all services performed. Pre-restoration mobilization of personnel and equipment and post-restoration decontamination and demobilization will be at normal standard or non-standard rates.



4. Stand By Charges: When circumstances beyond our control require DKICS franchise to stand-by, a minimum charge of six (6) hours, at applicable rate charges shall be charged. Per diem and lodging shall be charged under the same circumstance.

5. Resource Management Fees: A resource management fee will be charged by DKICS franchise for the management of client's labor force or temporary labor force at a rate of three dollars ($3.00) per hour per man.

6. Mobilization & De-Mobilization Time: Mobilization/De-Mobilization Time is defined as large scale Mobilization/De-Mobilization operations where many activities transpire to move resources to a location or event area. This is for preparing equipment and supplies to be delivered to the loss-site.

7. Legal Rates – These rates and provisions are predicated upon Contractor standard wage rates and overtime compensation practices. To the extent the work under a particular contract is subject to Federal and State minimum wage and hour laws or collective bargaining agreements which modify Contractor standard rates and practices, adjustments shall be made to the hourly rates and other labor provisions stated above.

ADDITIONAL PROVISIONS

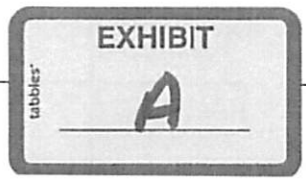
1. All above equipment rates shall apply to all equipment regardless of ownership and/or re-rented by DKICS franchises. The equipment rental period is charged from the date installed through the date returned regardless of use. In certain events, Generators/Electrical Equipment, stated above may require a Pre-Rental Fee (equipment rented prior to loss) and be charged by DKICS franchises. During certain events, all generators will require a minimum of (7) seven day rental period. Specialty equipment that is not on the list and is rented will be charged at cost plus. This includes all cost associated with the rental of the equipment.

2. **Consumables and Materials:** Any product consumed and/or purchased that is not expressly listed on the consumable portion of the price list will be charged to the client at cost plus 20% contractor markup.

3. **Taxes, Permits and Fees:** The rates contained in this Schedule are exclusive of all federal, state and local taxes, and associated permits or fees. Those Taxes, Permit costs and Fees shall be billed by the DKICS franchise to the customer, and shall be compensated for all such costs on the basis of actual costs incurred for such items plus 20% contractor mark-up. If the customer is Tax Exempt, it must make the company aware of this exemption, and provide the company with copies of all such supporting Tax Exempt status. Any Tax, Permit or Fee incurred by the company prior to such notification of a Tax Exempt status, shall be reimbursed to the DKICS franchise by the customer.

4. **Subcontracted Services, including Freight & Transportation:** Subcontracted Services, with the exception of labor services, are those outside services provided within the scope of the project, and incurred by the DKICS franchise in its execution of the project. Such expenses shall be billed to the customer at the amount billed by the Subcontractor, plus 20% contractor markup.

5. **Travel and Lodging:** DKICS franchises shall be compensated for its costs incurred for travel and lodging. Such costs shall be documented and shall be billed to the Client at the invoiced amount plus twenty percent (20%). Meal Per Diem will be $40.00 per person per day, plus twenty percent (20%). DKICS franchises may provide supplemental food and water, in addition to meal per diem, when local resources are unavailable. Such supplemental food and water shall be documented and shall be billed to the Client at the invoiced amount plus twenty percent (20%). Food may be supplied to all employees regardless of distance traveled to assist in efficiencies and timeliness of the loss. In certain events, temporary lodging facility/"man-camps" may be required and such lodging facility/"man-camps" shall be billed to the Client at the amount billed to DKICS franchise, plus ten percent (10%). DKICS franchise owned lodging trailers shall be billed to the Client based on rates included in this Rate Schedule. Outsourced lodging trailers shall be billed to the Client at the amount billed to DKICS, plus ten twenty percent (20%). Per Diem and lodging should only be charged for those employees that have traveled further then 100 miles to the loss site.

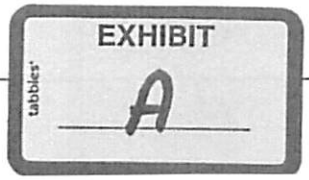


6. **Fuel and Delivery:** Any equipment requiring fuel (diesel/propane/natural gas/gasoline/etc.) and the delivery of said fuel shall be billed to the client at invoiced amount, plus 20% contractor mark up. In the event the DKICS franchise supplies its own fuel same local rates and mark ups apply.

7. **Documentation of Charges:** DKICS franchise will provide itemized summaries and/or receipts as documentation of charges under this Rate Schedule. All charges will be itemized on forms used by DKICS and Client agrees to pay from said forms.

8. **Small Tools and Miscellaneous Consumables:** Small tools include, but not limited to, the following: hammer, screw driver, pry bar, utility knife and other small hand tools. Miscellaneous consumables include items that are not scheduled on the rate sheet and retail for less than $5.00. Such items include, but not limited to, the following: razor blades, drill bits, alcohol wipes, moisture meter needles and other miscellaneous consumables necessary to complete the project. Above mentioned items will be charged a onetime fee, at a rate of 3% of labor that utilizes these types of tools.

PRICE CHANGES: We reserve the right to change prices and add items to this schedule upon written notice.



Note: All above items are subject and pursuant to state labor laws. These rates exclude prevailing wage laws.

Additional Items

Below are some of the specific provisions for Escambia County. Some of the items are already address above. Those items may be repeated or expanded upon below for further clarity. Some items may be only addressed below.

1. Operating area is considered a 100 mile radius from the office address.
    a. No mobilization, travel, per diem, or lodging fees will be charge for employees stationed within the operating area. This includes hired employees.
    b. If employees, equipment, supplies, temporary labor, and other resources are required from outside of the operating area the above fees may be applied, if documented.
2. Meals and drinks provided to employees during a shift will be charged at cost plus twenty percent (20%). This is done to facility better performance, efficiency, and timeliness.
3. Equipment charges start when equipment is operational, unless delays are based on client's request. If specific equipment is requested to be put on standby by the client, charges start on the date requested.
4. Profit & Overhead is to be applied to specialty subcontracted services.
    a. Venders in same field are to be billed at rates outlined in the Price List.
    b. Materials and equipment not outlined in this Price list is to be cost plus twenty percent (20%).
    c. Estimate from vendors must be submitted detailing work performed and how cost was derived.
5. Equipment is the responsibility of the contractor and vendors on the loss.
    a. Insurance on rented equipment will not be charged when equipment is billed as a specific line item.
    b. Insurance and associated fees will be passed on and billed at cost plus twenty percent (20%) when the equipment is being bill as cost plus twenty percent (20%).
6. First 40 hours of work are considered regular hours. Over time at a rate of 1.5 is billed after 40 in a week.
7. Full decontamination of equipment is to only be charged on asbestos abatement, mold remediation, and Cat 3 losses. With other losses the cleaning will only be limited to surface wiping of equipment during removal and the replacement of filters under consumables.
8. Temporary labor is to be billed as general labor.
9. Labor is billed based on the qualifications of the employee and the tasked they are performing at that time.
10. Small tools are only to be charged to those classifications that would be utilizing the tools. Small tools include, but not limited to, the following: hammer, screw driver, pry bar, utility knife and other small hand tools. Miscellaneous consumables include items that are not scheduled on the rate sheet and retail for less than $5.00. Such items include, but not limited to, the following: razor blades, drill bits, alcohol wipes, moisture meter needles and other miscellaneous consumables necessary to complete the project. Above mentioned items will be charged a onetime fee, at a rate of 3% of labor that utilizes these types of tools.
11. Specialized in-house labor will be billed at industry standard for that task.
12. Travel will be billed at standard rates only. Travel will not be billed for those involved in non-loss related activates such as flying to the loss, but those involved in loss related actives such as bringing equipment and supplies will be billed.
13. PPE is to be billed based on the specific line item needed.

14. Consumable items are to only be billed when used. Items that are used for the entire loss or multiple days will only be charged once. If replenishment of the items are needed it will be billed only when replaced.
15. If equipment is to be needed for an extended period of time the specific rental cost and auxiliary cost will be negotiated as needed. If equipment is being used during the course of the job it will be billed at daily rates.

This estimate is a lumpsum estimate, prepared on insurance industry specific estimating software that conforms to insurance industry standards that may differ from standard construction industry contracts and procedures. Each line item has a price that may not indicate the true cost of that line item. The individual line item prices are updated monthly and are not our specific prices. The methods of production may vary from the line item description based on the actual needs of the job. The total cost for the work is based on the lumpsum price at the end of the estimate. This includes the mark up for 10% overhead and 10% profit and any of the estimated sales taxes for the materials purchased.
Any change to this original estimate including but not limited to material upgrades, code requirements, scheduling constraints, and hidden or unforeseen damages will be included in a separate estimate unless otherwise noted. All additions to the scope must be in writing, verbal agreements will not be accepted.
This estimate is based on the scope of work that has been presented to us and was visible at the time of inspection. This estimate is not based on the actual insurance policy or coverage. All statements and decisions of coverage are to be made by the insurance company and it appropriate representatives.

Services Authorization

I, the undersigned Owner or Owner's Authorized Agent (hereinafter "Owner"), warrant that I have the authority to contract for these services and bind the legal entity that owns the above-reference Loss Address (hereinafter "the Property") and hereby authorize Pro Construction LLC DBA Complete DKI (hereinafter "DKI") to provide or cause to provide complete emergency mitigation services at the property and required construction services.

Service Description

DKI agrees to provide or cause to provide all labor, supervision, materials, equipment, and subcontract services that are reasonably necessary to complete mitigation of the property in a timely and workmanlike manner in accordance with industry standards, including but not limited to the following:

- Project management
- Labor supervision
- Specialized labor
- General labor
- Emergency and/or Auxiliary power including fuel
- Moisture mapping
- Mobilization
- Securing building/structure
- Interior debris & water removal
- Exterior debris & clean-up
- Demolition and removal of damaged building materials
- Interior dry-out, environmental and climate controls
- Contents & structural cleaning
- Application of Deodorizers, Sanitizers, and/or Anti-Microbial agents
- Subcontract services, provided by 3rd party Vendor
- Reconstruction services

(For specific scope of work requested and authorized by customer, see attached "Scope of Work" page)

Payment for Services

Owner agrees to and shall pay DKI the amount specified on its itemized invoice(s) for the project at the rates set forth in the attached DKI Commercial Price List/Terms & Conditions and pursuant to the attached Contract Terms & Conditions. Owner further agrees to pay DKI an Emergency Draw of $ _____ within _____ days of signing this contract with period not to exceed 10 days. DKI reserves the right to stop work if this Draw is not paid in a timely fashion.

Payment Assignment

Owner authorizes DKI to be included as payee on any and all insurance payment for all DKI provides or cause to provide under this contract.

Contract Terms & Conditions

Article 1. The Contract Documents

1.1 The contract documents consist of the Contract, these Contract Terms and the DKI Price list/Terms & Conditions. These contract documents represent the entire contract between the parties and superseded any prior negotiation, representation, or agreement either oral or written. If any part of this Contract cannot be enforced according to its terms, that part shall be severed and shall not affect the enforceability of the remainder of this Contract.

1.2 This Contract is binding upon the heirs, successors, and assigns of Owner and DKI.

1.3 This Contract may be executed in counterparts, via emails, original signature, photo, and/or fax.

1.4 The cost of any federal, state, or local permits taxes or consents required for the performance of services are the responsibility of the Owner, and DKI shall bill Owner for said costs to the extent DKI pays for them initially. The absence of a required governmental licensing on DKI's part shall not void any part of this Contract and/or Owner obligation to pay DKI under the Contract.

1.5 DKI shall carry general liability, worker's compensation, and vehicle insurance to protect Owner from any and all claims and agrees to hold Owner harmless from all liability claims. Owner shall carry fire, wind, and builder risk insurance. Owner and DKI waive all subrogation rights against each other and agree to indemnify each other and their representatives against any and all claims and property damages under this Contract. Owner agrees that DKI shall not be responsible for any and all incidental or consequential damages, including but not limited to business interruption, loss of income, loss of business opportunities, and damages to building components, exterior landscaping, walkways, driveways, etc. during services performed under this Contract and Owner shall hold DKI harmless from any and all claim for such damages.

1.6 Owner shall provide access to adequate power and other utilities as needed to jobsite or DKI will add this service to its scope of work. DKI shall invoice all fuel and/or generator requirements not listed in the DKI Price list at cost plus 20%. DKI assumes that all electrical, plumbing, HVAC, and other infrastructural systems are in working order and Owner grants DKI, its employees, works, and subcontractors permission to use and connect to these systems as needed. Owner and DKI agree to hold each other harmless for any damages to DKI's equipment or Owner's property arising from the use of these systems.

1.7 Due to the nature of the loss event and the extent to which Owner may not be able to be present on-site, email change orders will be accepted for additional work and/or other changes in the nature, direction, or flow of the services performed under this Contract.

1.8 After-hours work, as defined by the attached DKI Price list/Terms & Conditions, shall be performed at DKI's discretion as necessary to perform the services under this Contract in a timely and workmanlike manner, unless Owner requests in writing that no after-hours work occur.

1.9 Owner may suspend all work upon written notice to DKI specifying reasons for suspension, after which, in the event said reasons relate to DKI's performance, DKI shall have 72 hours from date of receipt of written notice to remedy said problems (except reasons related to reasonable delays caused by strikes, accidents, weather, or other unforeseen scheduling problems). DKI shall also have the option to immediately withdraw from the project. Upon said withdrawal, Owner shall pay DKI for all sums due and services performed under this Contract through the date of withdrawal.

1.10 DKI may suspend all work if payments are not made by Owner in accord with the Terms & Conditions of this Contract.

1.11 DKI recommends that Owner hire or assign person(s) to act as liaison of the project between Owner and DKI in order to provide Owner with verification of labor, equipment, materials, and other resources utilized by DKI on the project.

1.12 DKI shall not be required by Owner or its agents (insurance companies, consultants, clerks, etc.) to follow or use any forms, documents, methods, or procedures to document and support the charges and invoices for the services performed under this Contract unless DKI agrees to do so in writing prior to the commencement of said services. Owner agrees to accept and pay DKI's invoice(s) as supported by itemized forms and/or electronic spreadsheets or worksheets generated by DKI, its subcontractors, and its providers.

1.13 Unless otherwise agreed to in writing by DKI and Owner, DKI shall submit a Final Invoice for the services performed under this Contract with a package of supporting documentation which may include: 1. Daily activities sheets and/or logs itemizing the use of dehumidification and environmental controls equipment, generators and electrical supply equipment, miscellaneous other equipment, materials and consumables, and vehicles and trailers; 2. DKI daily time sheets itemizing the use of labor and/or daily timesheets from 3rd party labor resource providers, including Per Diems for all workers for whom DKI provides lodging and/or meals/incidental expenses as per the DKI Price list; 3. Subcontractor invoices plus 20% for all subcontractor services provided by 3rd party vendors, except 3rd party labor vendors whose invoices shall be billed at the labor rate in the DKI Price list; 4. Receipts and expense plus 20% for all fuel vendors, freight vendors, travel vendors, credit card vendors, and any and all other types of vendors necessary to help restore Owner's property; 5. Sales tax, if applicable. Owner agrees to accept and pay DKI's Final Invoice as supported by the documentation provided with the invoice whether generated electronically, by hand, or in some other manner.

1.14 Owner shall accept affidavits and allow modification relative to any document provided in support of DKI's invoice where said document reflects missing, incorrect, or illegible data as to date, amount, name, and/or location, provided that DKI provides all affidavits under oath and initials and dates all modification without covering up or concealing the original data contained therein.

1.15 If Owner requires more than one invoice for a multi-unit building, Owner must request such unit-by-unit invoicing in writing before the commencement of the project, after which DKI will make reasonable best efforts to provide such unit-by-unit invoicing, so long as it has adequate personnel available for the task prior to said commencement.

Article 2. Audit Procedures

2.1 In the event Owner or insurance company engages a consultant, clerk, CPA, competitor, and/or other entity to conduct a review, evaluation, and/or audit (hereinafter "audit") of DKI's invoice and supporting documentation, either during the project or after the project is completed, all parties to said audit (Owner, DKI, insurance company, and/or auditing entities) must sign DKI's confidentiality & non-disclosure agreement before the audit can begin.

2.2 All review, evaluation, and auditing shall be done at DKI's corporate headquarters in Pensacola, FL, or at a location approved in writing by DKI.

2.3 Owner agrees to pay all DKI personnel time dedicated to the audit response at a rate of $65.00/hr. and all incidental expenses associated with said audit response (travel, lodging, meals, etc.) on an actual-cost basis.

2.4 Owner agrees that the auditing entity's report detailing a list of all disputed items and the reasons for each dispute shall be completed and presented to DKI within 15 days following DKI's submission of its Final Invoice to the Owner and insurance company. If the auditing entity's report is not completed and presented to DKI within this 15-day time period, Owner shall be deemed to have accepted DKI's Final Invoice without dispute, and shall pay DKI the full amount of its Final Invoice within 5 business days thereafter.

2.5 Following the timely completion and presentation of the auditing entity's report, Owner agrees to pay DKI all undisputed funds within 5 business days of the completion and presentation of the auditing entity's report.

2.6 All subsequent negotiations related to disputed items and related funds shall take place at DKI's corporate headquarters in Pensacola, FL, or at a location approved in writing by DKI. If the parties cannot resolve the disputed matters through negotiation, the dispute shall be resolved in accord with the terms of Section 5.1 below.

Article 3. Indoor Air Quality (IAQ) Statement

3.1 DKI shall not, without further written agreement, be responsible for the identification, testing, sampling, removal, abatement, or remediation of any environment, pollutant, contaminate, hazard, toxin, condition, irritant, material, or problem, including but not limited to asbestos, lead, molds, fungi, bacteria, mildew, mycotoxins, spores, or other irritants of any kind or the correction of building, fire, or code violations.

3.2 DKI recommends that if Owner has any concerns related to IAQ or if the property has a history of moisture-related problems, Owner should have an indoor air quality pre-test conducted by a certified Industrial Hygienist to determine and identify the existence of any microbial growth, hazardous materials, and/or other environmental pollutants to develop a protocol for their removal, abatement, or remediation (to be performed by an appropriately licensed and experienced contractor), and to conduct a post-test to determine that the growths, materials, or other pollutants now exist in affected areas at acceptable levels.

3.3 DKI shall not be liable for any and all health, environmental, property damage, or other claims related to IAQ at the property, and the Owner hereby agrees to release, indemnify, and hold DKI harmless relative to any and all such claims related to IAQ.

Article 4. Payment

4.1 Owner shall pay DKI the amount specified on its itemized invoice(s) for the project per the attached DKI Price List, which the Owner has received, reviewed, and approved by signing this Contract and initialing every page.

4.2 Owner shall pay DKI an Emergency Draw, the amount of which shall be determined on a case-by-case basis and recorded on the first page of this Contract, within the time period specified at the signing of this Contract, not to exceed 10 days.

4.3 All amounts invoiced to Owner shall be due and payable within 30 days following the invoice date. All past-due amounts shall be subject to an interest charge equal to the lesser of 1.5% per month or the maximum rate allowed by applicable law.

4.4 If Owner possesses insurance coverage applicable to the services performed under this Contract, Owner authorizes each insurance company providing coverage to pay DKI directly for the services performed. Owner understands and acknowledges, however, that Owner bears the responsibility for all amounts due DKI under this Contract, and no lack of insurance coverage or failure or delay of any insurance company to make payment to Owner or DKI shall relieve Owner of that responsibility.

Article 5. Warranty

5.1 DKI guarantees that all work performed under this Contract shall be performed in a substantially workmanlike manner and guarantees said workmanship for a period of 2 years from the date of completion of the project governed by this Contract. All materials shall be guaranteed under the applicable manufacturer warranty which DKI shall provide to Owner upon request.

Article 6. Warranty

6.1 In the event of dispute between DKI and Owner concerning their respective duties under this Contract, said dispute shall be resolved by final and binding arbitration under the commercial rules of the American Arbitration Association. The prevailing party shall be entitled to reimbursement from the non-prevailing party of reasonable attorney fees, legal expenses, collection fees, interest, and any other expenses incurred in the litigation of a dispute related to this Contract.

Contract Terms & Conditions

Article 1. The Contract Documents

1.1 The contract documents consist of the Contract, these Contract Terms and the DKI Price list/Terms & Conditions. These contract documents represent the entire contract between the parties and superseded any prior negotiation, representation, or agreement either oral or written. If any part of this Contract cannot be enforced according to its terms, that part shall be severed and shall not affect the enforceability of the remainder of this Contract.

1.2 This Contract is binding upon the heirs, successors, and assigns of Owner and DKI.

1.3 This Contract may be executed in counterparts, via emails, original signature, photo, and/or fax.

1.4 The cost of any federal, state, or local permits taxes or consents required for the performance of services are the responsibility of the Owner, and DKI shall bill Owner for said costs to the extent DKI pays for them initially. The absence of a required governmental licensing on DKI's part shall not void any part of this Contract and/or Owner obligation to pay DKI under the Contract.

1.5 DKI shall carry general liability, worker's compensation, and vehicle insurance to protect Owner from any and all claims and agrees to hold Owner harmless from all liability claims. Owner shall carry fire, wind, and builder risk insurance. Owner and DKI waive all subrogation rights against each other and agree to indemnify each other and their representatives against any and all claims and property damages under this Contract. Owner agrees that DKI shall not be responsible for any and all incidental or consequential damages, including but not limited to business interruption, loss of income, loss of business opportunities, and damages to building components, exterior landscaping, walkways, driveways, etc. during services performed under this Contract and Owner shall hold DKI harmless from any and all claim for such damages.

1.6 Owner shall provide access to adequate power and other utilities as needed to jobsite or DKI will add this service to its scope of work. DKI shall invoice all fuel and/or generator requirements not listed in the DKI Price list at cost plus 20%. DKI assumes that all electrical, plumbing, HVAC, and other infrastructural systems are in working order and Owner grants DKI, its employees, works, and subcontractors permission to use and connect to these systems as needed. Owner and DKI agree to hold each other harmless for any damages to DKI's equipment or Owner's property arising from the use of these systems.

1.7 Due to the nature of the loss event and the extent to which Owner may not be able to be present on-site, email change orders will be accepted for additional work and/or other changes in the nature, direction, or flow of the services performed under this Contract.

1.8 After-hours work, as defined by the attached DKI Price list/Terms & Conditions, shall be performed at DKI's discretion as necessary to perform the services under this Contract in a timely and workmanlike manner, unless Owner requests in writing that no after-hours work occur.

1.9 Owner may suspend all work upon written notice to DKI specifying reasons for suspension, after which, in the event said reasons relate to DKI's performance, DKI shall have 72 hours from date of receipt of written notice to remedy said problems (except reasons related to reasonable delays caused by strikes, accidents, weather, or other unforeseen scheduling problems). DKI shall also have the option to immediately withdraw from the project. Upon said withdrawal, Owner shall pay DKI for all sums due and services performed under this Contract through the date of withdrawal.

1.10 DKI may suspend all work if payments are not made by Owner in accord with the Terms & Conditions of this Contract.

1.11 DKI recommends that Owner hire or assign person(s) to act as liaison of the project between Owner and DKI in order to provide Owner with verification of labor, equipment, materials, and other resources utilized by DKI on the project.

1.12 DKI shall not be required by Owner or its agents (insurance companies, consultants, clerks, etc.) to follow or use any forms, documents, methods, or procedures to document and support the charges and invoices for the services performed under this Contract unless DKI agrees to do so in writing prior to the commencement of said services. Owner agrees to accept and pay DKI's invoice(s) as supported by itemized forms and/or electronic spreadsheets or worksheets generated by DKI, its subcontractors, and its providers.

1.13 Unless otherwise agreed to in writing by DKI and Owner, DKI shall submit a Final Invoice for the services performed under this Contract with a package of supporting documentation which may include: 1. Daily activities sheets and/or logs itemizing the use of dehumidification and environmental controls equipment, generators and electrical supply equipment, miscellaneous other equipment, materials and consumables, and vehicles and trailers; 2. DKI daily time sheets itemizing the use of labor and/or daily timesheets from 3rd party labor resource providers, including Per Diems for all workers for whom DKI provides lodging and/or meals/incidental expenses as per the DKI Price list; 3. Subcontractor invoices plus 20% for all subcontractor services provided by 3rd party vendors, except 3rd party labor vendors whose invoices shall be billed at the labor rate in the DKI Price list; 4. Receipts and expense plus 20% for all fuel vendors, freight vendors, travel vendors, credit card vendors, and any and all other types of vendors necessary to help restore Owner's property; 5. Sales tax, if applicable. Owner agrees to accept and pay DKI's Final Invoice as supported by the documentation provided with the invoice whether generated electronically, by hand, or in some other manner.

1.14 Owner shall accept affidavits and allow modification relative to any document provided in support of DKI's invoice where said document reflects missing, incorrect, or illegible data as to date, amount, name, and/or location, provided that DKI provides all affidavits under oath and initials and dates all modification without covering up or concealing the original data contained therein.

1.15 If Owner requires more than one invoice for a multi-unit building, Owner must request such unit-by-unit invoicing in writing before the commencement of the project, after which DKI will make reasonable best efforts to provide such unit-by-unit invoicing, so long as it has adequate personnel available for the task prior to said commencement.

Article 2. Audit Procedures

2.1 In the event Owner or insurance company engages a consultant, clerk, CPA, competitor, and/or other entity to conduct a review, evaluation, and/or audit (hereinafter "audit") of DKI's invoice and supporting documentation, either during the project or after the project is completed, all parties to said audit (Owner, DKI, insurance company, and/or auditing entities) must sign DKI's confidentiality & non-disclosure agreement before the audit can begin.

2.2 All review, evaluation, and auditing shall be done at DKI's corporate headquarters in Pensacola, FL, or at a location approved in writing by DKI.

2.3 Owner agrees to pay all DKI personnel time dedicated to the audit response at a rate of $65.00/hr. and all incidental expenses associated with said audit response (travel, lodging, meals, etc.) on an actual-cost basis.

2.4 Owner agrees that the auditing entity's report detailing a list of all disputed items and the reasons for each dispute shall be completed and presented to DKI within 15 days following DKI's submission of its Final Invoice to the Owner and insurance company. If the auditing entity's report is not completed and presented to DKI within this 15-day time period, Owner shall be deemed to have accepted DKI's Final Invoice without dispute, and shall pay DKI the full amount of its Final Invoice within 5 business days thereafter.

2.5 Following the timely completion and presentation of the auditing entity's report, Owner agrees to pay DKI all undisputed funds within 5 business days of the completion and presentation of the auditing entity's report.

2.6 All subsequent negotiations related to disputed items and related funds shall take place at DKI's corporate headquarters in Pensacola, FL, or at a location approved in writing by DKI. If the parties cannot resolve the disputed matters through negotiation, the dispute shall be resolved in accord with the terms of Section 5.1 below.

Article 3. Indoor Air Quality (IAQ) Statement

3.1 DKI shall not, without further written agreement, be responsible for the identification, testing, sampling, removal, abatement, or remediation of any environment, pollutant, contaminate, hazard, toxin, condition, irritant, material, or problem, including but not limited to asbestos, lead, molds, fungi, bacteria, mildew, mycotoxins, spores, or other irritants of any kind or the correction of building, fire, or code violations.

3.2 DKI recommends that if Owner has any concerns related to IAQ or if the property has a history of moisture-related problems, Owner should have an indoor air quality pre-test conducted by a certified Industrial Hygienist to determine and identify the existence of any microbial growth, hazardous materials, and/or other environmental pollutants to develop a protocol for their removal, abatement, or remediation (to be performed by an appropriately licensed and experienced contractor), and to conduct a post-test to determine that the growths, materials, or other pollutants now exist in affected areas at acceptable levels.

3.3 DKI shall not be liable for any and all health, environmental, property damage, or other claims related to IAQ at the property, and the Owner hereby agrees to release, indemnify, and hold DKI harmless relative to any and all such claims related to IAQ.

Article 4. Payment

4.1 Owner shall pay DKI the amount specified on its itemized invoice(s) for the project per the attached DKI Price List, which the Owner has received, reviewed, and approved by signing this Contract and initialing every page.

4.2 Owner shall pay DKI an Emergency Draw, the amount of which shall be determined on a case-by-case basis and recorded on the first page of this Contract, within the time period specified at the signing of this Contract, not to exceed 10 days.

4.3 All amounts invoiced to Owner shall be due and payable within 30 days following the invoice date. All past-due amounts shall be subject to an interest charge equal to the lesser of 1.5% per month or the maximum rate allowed by applicable law.

4.4 If Owner possesses insurance coverage applicable to the services performed under this Contract, Owner authorizes each insurance company providing coverage to pay DKI directly for the services performed. Owner understands and acknowledges, however, that Owner bears the responsibility for all amounts due DKI under this Contract, and no lack of insurance coverage or failure or delay of any insurance company to make payment to Owner or DKI shall relieve Owner of that responsibility.

Article 5. Warranty

5.1 DKI guarantees that all work performed under this Contract shall be performed in a substantially workmanlike manner and guarantees said workmanship for a period of 2 years from the date of completion of the project governed by this Contract. All materials shall be guaranteed under the applicable manufacturer warranty which DKI shall provide to Owner upon request.

Article 6. Warranty

6.1 In the event of dispute between DKI and Owner concerning their respective duties under this Contract, said dispute shall be resolved by final and binding arbitration under the commercial rules of the American Arbitration Association. The prevailing party shall be entitled to reimbursement from the non-prevailing party of reasonable attorney fees, legal expenses, collection fees, interest, and any other expenses incurred in the litigation of a dispute related to this Contract.

Contract Terms & Conditions

Article 1. The Contract Documents

1.1 The contract documents consist of the Contract, these Contract Terms and the DKI Price list/Terms & Conditions. These contract documents represent the entire contract between the parties and superseded any prior negotiation, representation, or agreement either oral or written. If any part of this Contract cannot be enforced according to its terms, that part shall be severed and shall not affect the enforceability of the remainder of this Contract.

1.2 This Contract is binding upon the heirs, successors, and assigns of Owner and DKI.

1.3 This Contract may be executed in counterparts, via emails, original signature, photo, and/or fax.

1.4 The cost of any federal, state, or local permits taxes or consents required for the performance of services are the responsibility of the Owner, and DKI shall bill Owner for said costs to the extent DKI pays for them initially. The absence of a required governmental licensing on DKI's part shall not void any part of this Contract and/or Owner obligation to pay DKI under the Contract.

1.5 DKI shall carry general liability, worker's compensation, and vehicle insurance to protect Owner from any and all claims and agrees to hold Owner harmless from all liability claims. Owner shall carry fire, wind, and builder risk insurance. Owner and DKI waive all subrogation rights against each other and agree to indemnify each other and their representatives against any and all claims and property damages under this Contract. Owner agrees that DKI shall not be responsible for any and all incidental or consequential damages, including but not limited to business interruption, loss of income, loss of business opportunities, and damages to building components, exterior landscaping, walkways, driveways, etc. during services performed under this Contract and Owner shall hold DKI harmless from any and all claim for such damages.

1.6 Owner shall provide access to adequate power and other utilities as needed to jobsite or DKI will add this service to its scope of work. DKI shall invoice all fuel and/or generator requirements not listed in the DKI Price list at cost plus 20%. DKI assumes that all electrical, plumbing, HVAC, and other infrastructural systems are in working order and Owner grants DKI, its employees, works, and subcontractors permission to use and connect to these systems as needed. Owner and DKI agree to hold each other harmless for any damages to DKI's equipment or Owner's property arising from the use of these systems.

1.7 Due to the nature of the loss event and the extent to which Owner may not be able to be present on-site, email change orders will be accepted for additional work and/or other changes in the nature, direction, or flow of the services performed under this Contract.

1.8 After-hours work, as defined by the attached DKI Price list/Terms & Conditions, shall be performed at DKI's discretion as necessary to perform the services under this Contract in a timely and workmanlike manner, unless Owner requests in writing that no after-hours work occur.

1.9 Owner may suspend all work upon written notice to DKI specifying reasons for suspension, after which, in the event said reasons relate to DKI's performance, DKI shall have 72 hours from date of receipt of written notice to remedy said problems (except reasons related to reasonable delays caused by strikes, accidents, weather, or other unforeseen scheduling problems). DKI shall also have the option to immediately withdraw from the project. Upon said withdrawal, Owner shall pay DKI for all sums due and services performed under this Contract through the date of withdrawal.

1.10 DKI may suspend all work if payments are not made by Owner in accord with the Terms & Conditions of this Contract.

1.11 DKI recommends that Owner hire or assign person(s) to act as liaison of the project between Owner and DKI in order to provide Owner with verification of labor, equipment, materials, and other resources utilized by DKI on the project.

1.12 DKI shall not be required by Owner or its agents (insurance companies, consultants, clerks, etc.) to follow or use any forms, documents, methods, or procedures to document and support the charges and invoices for the services performed under this Contract unless DKI agrees to do so in writing prior to the commencement of said services. Owner agrees to accept and pay DKI's invoice(s) as supported by itemized forms and/or electronic spreadsheets or worksheets generated by DKI, its subcontractors, and its providers.

1.13 Unless otherwise agreed to in writing by DKI and Owner, DKI shall submit a Final Invoice for the services performed under this Contract with a package of supporting documentation which may include: 1. Daily activities sheets and/or logs itemizing the use of dehumidification and environmental controls equipment, generators and electrical supply equipment, miscellaneous other equipment, materials and consumables, and vehicles and trailers; 2. DKI daily time sheets itemizing the use of labor and/or daily timesheets from 3rd party labor resource providers, including Per Diems for all workers for whom DKI provides lodging and/or meals/incidental expenses as per the DKI Price list; 3. Subcontractor invoices plus 20% for all subcontractor services provided by 3rd party vendors, except 3rd party labor vendors whose invoices shall be billed at the labor rate in the DKI Price list; 4. Receipts and expense plus 20% for all fuel vendors, freight vendors, travel vendors, credit card vendors, and any and all other types of vendors necessary to help restore Owner's property; 5. Sales tax, if applicable. Owner agrees to accept and pay DKI's Final Invoice as supported by the documentation provided with the invoice whether generated electronically, by hand, or in some other manner.

1.14 Owner shall accept affidavits and allow modification relative to any document provided in support of DKI's invoice where said document reflects missing, incorrect, or illegible data as to date, amount, name, and/or location, provided that DKI provides all affidavits under oath and initials and dates all modification without covering up or concealing the original data contained therein.

1.15 If Owner requires more than one invoice for a multi-unit building, Owner must request such unit-by-unit invoicing in writing before the commencement of the project, after which DKI will make reasonable best efforts to provide such unit-by-unit invoicing, so long as it has adequate personnel available for the task prior to said commencement.

Article 2. Audit Procedures

2.1 In the event Owner or insurance company engages a consultant, clerk, CPA, competitor, and/or other entity to conduct a review, evaluation, and/or audit (hereinafter "audit") of DKI's invoice and supporting documentation, either during the project or after the project is completed, all parties to said audit (Owner, DKI, insurance company, and/or auditing entities) must sign DKI's confidentiality & non-disclosure agreement before the audit can begin.

2.2 All review, evaluation, and auditing shall be done at DKI's corporate headquarters in Pensacola, FL, or at a location approved in writing by DKI.

2.3 Owner agrees to pay all DKI personnel time dedicated to the audit response at a rate of $65.00/hr. and all incidental expenses associated with said audit response (travel, lodging, meals, etc.) on an actual-cost basis.

2.4 Owner agrees that the auditing entity's report detailing a list of all disputed items and the reasons for each dispute shall be completed and presented to DKI within 15 days following DKI's submission of its Final Invoice to the Owner and insurance company. If the auditing entity's report is not completed and presented to DKI within this 15-day time period, Owner shall be deemed to have accepted DKI's Final Invoice without dispute, and shall pay DKI the full amount of its Final Invoice within 5 business days thereafter.

2.5 Following the timely completion and presentation of the auditing entity's report, Owner agrees to pay DKI all undisputed funds within 5 business days of the completion and presentation of the auditing entity's report.

2.6 All subsequent negotiations related to disputed items and related funds shall take place at DKI's corporate headquarters in Pensacola, FL, or at a location approved in writing by DKI. If the parties cannot resolve the disputed matters through negotiation, the dispute shall be resolved in accord with the terms of Section 5.1 below.

Article 3. Indoor Air Quality (IAQ) Statement

3.1 DKI shall not, without further written agreement, be responsible for the identification, testing, sampling, removal, abatement, or remediation of any environment, pollutant, contaminate, hazard, toxin, condition, irritant, material, or problem, including but not limited to asbestos, lead, molds, fungi, bacteria, mildew, mycotoxins, spores, or other irritants of any kind or the correction of building, fire, or code violations.

3.2 DKI recommends that if Owner has any concerns related to IAQ or if the property has a history of moisture-related problems, Owner should have an indoor air quality pre-test conducted by a certified Industrial Hygienist to determine and identify the existence of any microbial growth, hazardous materials, and/or other environmental pollutants to develop a protocol for their removal, abatement, or remediation (to be performed by an appropriately licensed and experienced contractor), and to conduct a post-test to determine that the growths, materials, or other pollutants now exist in affected areas at acceptable levels.

3.3 DKI shall not be liable for any and all health, environmental, property damage, or other claims related to IAQ at the property, and the Owner hereby agrees to release, indemnify, and hold DKI harmless relative to any and all such claims related to IAQ.

Article 4. Payment

4.1 Owner shall pay DKI the amount specified on its itemized invoice(s) for the project per the attached DKI Price List, which the Owner has received, reviewed, and approved by signing this Contract and initialing every page.

4.2 Owner shall pay DKI an Emergency Draw, the amount of which shall be determined on a case-by-case basis and recorded on the first page of this Contract, within the time period specified at the signing of this Contract, not to exceed 10 days.

4.3 All amounts invoiced to Owner shall be due and payable within 30 days following the invoice date. All past-due amounts shall be subject to an interest charge equal to the lesser of 1.5% per month or the maximum rate allowed by applicable law.

4.4 If Owner possesses insurance coverage applicable to the services performed under this Contract, Owner authorizes each insurance company providing coverage to pay DKI directly for the services performed. Owner understands and acknowledges, however, that Owner bears the responsibility for all amounts due DKI under this Contract, and no lack of insurance coverage or failure or delay of any insurance company to make payment to Owner or DKI shall relieve Owner of that responsibility.

Article 5. Warranty

5.1 DKI guarantees that all work performed under this Contract shall be performed in a substantially workmanlike manner and guarantees said workmanship for a period of 2 years from the date of completion of the project governed by this Contract. All materials shall be guaranteed under the applicable manufacturer warranty which DKI shall provide to Owner upon request.

Article 6. Warranty

6.1 In the event of dispute between DKI and Owner concerning their respective duties under this Contract, said dispute shall be resolved by final and binding arbitration under the commercial rules of the American Arbitration Association. The prevailing party shall be entitled to reimbursement from the non-prevailing party of reasonable attorney fees, legal expenses, collection fees, interest, and any other expenses incurred in the litigation of a dispute related to this Contract.

Contract Terms & Conditions

Article 1. The Contract Documents

1.1 The contract documents consist of the Contract, these Contract Terms and the DKI Price list/Terms & Conditions. These contract documents represent the entire contract between the parties and superseded any prior negotiation, representation, or agreement either oral or written. If any part of this Contract cannot be enforced according to its terms, that part shall be severed and shall not affect the enforceability of the remainder of this Contract.

1.2 This Contract is binding upon the heirs, successors, and assigns of Owner and DKI.

1.3 This Contract may be executed in counterparts, via emails, original signature, photo, and/or fax.

1.4 The cost of any federal, state, or local permits taxes or consents required for the performance of services are the responsibility of the Owner, and DKI shall bill Owner for said costs to the extent DKI pays for them initially. The absence of a required governmental licensing on DKI's part shall not void any part of this Contract and/or Owner obligation to pay DKI under the Contract.

1.5 DKI shall carry general liability, worker's compensation, and vehicle insurance to protect Owner from any and all claims and agrees to hold Owner harmless from all liability claims. Owner is self insured. Owner and DKI waive all subrogation rights against each other and agree to indemnify each other and their representatives against any and all claims and property damages under this Contract. Owner agrees that DKI shall not be responsible for any and all incidental or consequential damages, including but not limited to business interruption, loss of income, loss of business opportunities, and damages to building components, exterior landscaping, walkways, driveways, etc. during services performed under this Contract and Owner shall hold DKI harmless from any and all claim for such damages.

1.6 Owner shall provide access to adequate power and other utilities as needed to jobsite or DKI will add this service to its scope of work. DKI shall invoice all fuel and/or generator requirements not listed in the DKI Price list at cost plus 20%. DKI assumes that all electrical, plumbing, HVAC, and other infrastructural systems are in working order and Owner grants DKI, its employees, works, and subcontractors permission to use and connect to these systems as needed. Owner and DKI agree to hold each other harmless for any damages to DKI's equipment or Owner's property arising from the use of these systems.

1.7 Due to the nature of the loss event and the extent to which Owner may not be able to be present on-site, email change orders will be accepted for additional work and/or other changes in the nature, direction, or flow of the services performed under this Contract.

1.8 After-hours work, as defined by the attached DKI Price list/Terms & Conditions, shall be performed at DKI's discretion as necessary to perform the services under this Contract in a timely and workmanlike manner, unless Owner requests in writing that no after-hours work occur.

1.9 Owner may suspend all work upon written notice to DKI specifying reasons for suspension, after which, in the event said reasons relate to DKI's performance, DKI shall have 72 hours from date of receipt of written notice to remedy said problems (except reasons related to reasonable delays caused by strikes, accidents, weather, or other unforeseen scheduling problems). DKI shall also have the option to immediately withdraw from the project. Upon said withdrawal, Owner shall pay DKI for all sums due and services performed under this Contract through the date of withdrawal.

1.10 DKI may suspend all work if payments are not made by Owner in accord with the Terms & Conditions of this Contract.

1.11 DKI recommends that Owner hire or assign person(s) to act as liaison of the project between Owner and DKI in order to provide Owner with verification of labor, equipment, materials, and other resources utilized by DKI on the project.

1.12 DKI shall not be required by Owner or its agents (insurance companies, consultants, clerks, etc.) to follow or use any forms, documents, methods, or procedures to document and support the charges and invoices for the services performed under this Contract unless DKI agrees to do so in writing prior to the commencement of said services. Owner agrees to accept and pay DKI's invoice(s) as supported by itemized forms and/or electronic spreadsheets or worksheets generated by DKI, its subcontractors, and its providers.

1.13 Unless otherwise agreed to in writing by DKI and Owner, DKI shall submit a Final Invoice for the services performed under this Contract with a package of supporting documentation which may include: 1. Daily activities sheets and/or logs itemizing the use of dehumidification and environmental controls equipment, generators and electrical supply equipment, miscellaneous other equipment, materials and consumables, and vehicles and trailers; 2. DKI daily time sheets itemizing the use of labor and/or daily timesheets from 3rd party labor resource providers, including Per Diems for all workers for whom DKI provides lodging and/or meals/incidental expenses as per the DKI Price list; 3. Subcontractor invoices plus 20% for all subcontractor services provided by 3rd party vendors, except 3rd party labor vendors whose invoices shall be billed at the labor rate in the DKI Price list; 4. Receipts and expense plus 20% for all fuel vendors, freight vendors, travel vendors, credit card vendors, and any and all other types of vendors necessary to help restore Owner's property; 5. Sales tax, if applicable. Owner agrees to accept and pay DKI's Final Invoice as supported by the documentation provided with the invoice whether generated electronically, by hand, or in some other manner.

1.14 Owner shall accept affidavits and allow modification relative to any document provided in support of DKI's invoice where said document reflects missing, incorrect, or illegible data as to date, amount, name, and/or location, provided that DKI provides all affidavits under oath and initials and dates all modification without covering up or concealing the original data contained therein.

1.15 If Owner requires more than one invoice for a multi-unit building, Owner must request such unit-by-unit invoicing in writing before the commencement of the project, after which DKI will make reasonable best efforts to provide such unit-by-unit invoicing, so long as it has adequate personnel available for the task prior to said commencement.

Article 2. Audit Procedures

2.1 In the event Owner or insurance company engages a consultant, clerk, CPA, competitor, and/or other entity to conduct a review, evaluation, and/or audit (hereinafter "audit") of DKI's invoice and supporting documentation, either during the project or after the project is completed, all parties to said audit (Owner, DKI, insurance company, and/or auditing entities) must sign DKI's confidentiality & non-disclosure agreement before the audit can begin.

2.2 All review, evaluation, and auditing shall be done at DKI's corporate headquarters in Pensacola, FL, or at a location approved in writing by DKI.

2.3 Owner agrees to pay all DKI personnel time dedicated to the audit response at a rate of $65.00/hr. and all incidental expenses associated with said audit response (travel, lodging, meals, etc.) on an actual-cost basis.

2.4 Owner agrees that the auditing entity's report detailing a list of all disputed items and the reasons for each dispute shall be completed and presented to DKI within 15 days following DKI's submission of its Final Invoice to the Owner and insurance company. If the auditing entity's report is not completed and presented to DKI within this 15-day time period, Owner shall be deemed to have accepted DKI's Final Invoice without dispute, and shall pay DKI the full amount of its Final Invoice within 5 business days thereafter.

2.5 Following the timely completion and presentation of the auditing entity's report, Owner agrees to pay DKI all undisputed funds in accordance with the Local Government Prompt Payment Act, after the completion and presentation of the auditing entity's report.

2.6 All subsequent negotiations related to disputed items and related funds shall take place at DKI's corporate headquarters in Pensacola, FL, or at a location approved in writing by DKI. If the parties cannot resolve the disputed matters through negotiation, the dispute shall be resolved in accord with the terms of Section 5.1 below.

Article 3. Indoor Air Quality (IAQ) Statement

3.1 DKI shall not, without further written agreement, be responsible for the identification, testing, sampling, removal, abatement, or remediation of any environment, pollutant, contaminate, hazard, toxin, condition, irritant, material, or problem, including but not limited to asbestos, lead, molds, fungi, bacteria, mildew, mycotoxins, spores, or other irritants of any kind or the correction of building, fire, or code violations.

3.2 DKI recommends that if Owner has any concerns related to IAQ or if the property has a history of moisture-related problems, Owner should have an indoor air quality pre-test conducted by a certified Industrial Hygienist to determine and identify the existence of any microbial growth, hazardous materials, and/or other environmental pollutants to develop a protocol for their removal, abatement, or remediation (to be performed by an appropriately licensed and experienced contractor), and to conduct a post-test to determine that the growths, materials, or other pollutants now exist in affected areas at acceptable levels.

3.3 DKI shall not be liable for any and all health, environmental, property damage, or other claims related to IAQ at the property, and the Owner hereby agrees to release, indemnify, and hold DKI harmless relative to any and all such claims related to IAQ.

Article 4. Payment

4.1 Owner shall pay DKI the amount specified on its itemized invoice(s) for the project per the attached DKI Price List, which the Owner has received, reviewed, and approved by signing this Contract and initialing every page.

4.2 Owner shall pay DKI an Emergency Draw, the amount of which shall be determined on a case-by-case basis and recorded on the first page of this Contract, within the time period specified at the signing of this Contract, not to exceed 10 days.

4.3 All amounts invoiced to Owner shall be due and payable within 30 days following the invoice date. All past-due amounts shall be subject to an interest charge equal to the lesser of 1.5% per month or the maximum rate allowed by applicable law.

4.4 If Owner possesses insurance coverage applicable to the services performed under this Contract, Owner authorizes each insurance company providing coverage to pay DKI directly for the services performed. Owner understands and acknowledges, however, that Owner bears the responsibility for all amounts due DKI under this Contract, and no lack of insurance coverage or failure or delay of any insurance company to make payment to Owner or DKI shall relieve Owner of that responsibility.

Article 5. Warranty

5.1 DKI guarantees that all work performed under this Contract shall be performed in a substantially workmanlike manner and guarantees said workmanship for a period of 2 years from the date of completion of the project governed by this Contract. All materials shall be guaranteed under the applicable manufacturer warranty which DKI shall provide to Owner upon request.

Article 6. Warranty

6.1 In the event of dispute between DKI and Owner concerning their respective duties under this Contract, said dispute shall be resolved by final and binding arbitration under the commercial rules of the American Arbitration Association. The prevailing party shall be entitled to reimbursement from the non-prevailing party of reasonable attorney fees, legal expenses, collection fees, interest, and any other expenses incurred in the litigation of a dispute related to this Contract.

Contract Terms & Conditions

Article 1. The Contract Documents

1.1 The contract documents consist of the Contract, these Contract Terms and the DKI Price list/Terms & Conditions. These contract documents represent the entire contract between the parties and superseded any prior negotiation, representation, or agreement either oral or written. If any part of this Contract cannot be enforced according to its terms, that part shall be severed and shall not affect the enforceability of the remainder of this Contract.

1.2 This Contract is binding upon the heirs, successors, and assigns of Owner and DKI.

1.3 This Contract may be executed in counterparts, via emails, original signature, photo, and/or fax.

1.4 The cost of any federal, state, or local permits taxes or consents required for the performance of services are the responsibility of the Owner, and DKI shall bill Owner for said costs to the extent DKI pays for them initially. The absence of a required governmental licensing on DKI's part shall not void any part of this Contract and/or Owner obligation to pay DKI under the Contract.

1.5 DKI shall carry general liability, worker's compensation, and vehicle insurance to protect Owner from any and all claims and agrees to hold Owner harmless from all liability claims. Owner shall carry fire, wind, and builder risk insurance. Owner and DKI waive all subrogation rights against each other and agree to indemnify each other and their representatives against any and all claims and property damages under this Contract. Owner agrees that DKI shall not be responsible for any and all incidental or consequential damages, including but not limited to business interruption, loss of income, loss of business opportunities, and damages to building components, exterior landscaping, walkways, driveways, etc. during services performed under this Contract and Owner shall hold DKI harmless from any and all claim for such damages.

1.6 Owner shall provide access to adequate power and other utilities as needed to jobsite or DKI will add this service to its scope of work. DKI shall invoice all fuel and/or generator requirements not listed in the DKI Price list at cost plus 20%. DKI assumes that all electrical, plumbing, HVAC, and other infrastructural systems are in working order and Owner grants DKI, its employees, works, and subcontractors permission to use and connect to these systems as needed. Owner and DKI agree to hold each other harmless for any damages to DKI's equipment or Owner's property arising from the use of these systems.

1.7 Due to the nature of the loss event and the extent to which Owner may not be able to be present on-site, email change orders will be accepted for additional work and/or other changes in the nature, direction, or flow of the services performed under this Contract.

1.8 After-hours work, as defined by the attached DKI Price list/Terms & Conditions. shall be performed at DKI's discretion as necessary to perform the services under this Contract in a timely and workmanlike manner, unless Owner requests in writing that no after-hours work occur.

1.9 Owner may suspend all work upon written notice to DKI specifying reasons for suspension, after which, in the event said reasons relate to DKI's performance, DKI shall have 72 hours from date of receipt of written notice to remedy said problems (except reasons related to reasonable delays caused by strikes, accidents, weather, or other unforeseen scheduling problems). DKI shall also have the option to immediately withdraw from the project. Upon said withdrawal, Owner shall pay DKI for all sums due and services performed under this Contract through the date of withdrawal.

1.10 DKI may suspend all work if payments are not made by Owner in accord with the Terms & Conditions of this Contract.

1.11 DKI recommends that Owner hire or assign person(s) to act as liaison of the project between Owner and DKI in order to provide Owner with verification of labor, equipment, materials, and other resources utilized by DKI on the project.

1.12 DKI shall not be required by Owner or its agents (insurance companies, consultants, clerks, etc.) to follow or use any forms, documents, methods, or procedures to document and support the charges and invoices for the services performed under this Contract unless DKI agrees to do so in writing prior to the commencement of said services. Owner agrees to accept and pay DKI's invoice(s) as supported by itemized forms and/or electronic spreadsheets or worksheets generated by DKI. its subcontractors, and its providers.

1.13 Unless otherwise agreed to in writing by DKI and Owner, DKI shall submit a Final Invoice for the services performed under this Contract with a package of supporting documentation which may include: 1. Daily activities sheets and/or logs itemizing the use of dehumidification and environmental controls equipment, generators and electrical supply equipment, miscellaneous other equipment, materials and consumables, and vehicles and trailers; 2. DKI daily time sheets itemizing the use of labor and/or daily timesheets from 3rd party labor resource providers, including Per Diems for all workers for whom DKI provides lodging and/or meals/incidental expenses as per the DKI Price list; 3. Subcontractor invoices plus 20% for all subcontractor services provided by 3rd party vendors, except 3rd party labor vendors whose invoices shall be billed at the labor rate in the DKI Price list; 4. Receipts and expense plus 20% for all fuel vendors, freight vendors, travel vendors, credit card vendors, and any and all other types of vendors necessary to help restore Owner's property; 5. Sales tax, if applicable. Owner agrees to accept and pay DKI's Final Invoice as supported by the documentation provided with the invoice whether generated electronically, by hand, or in some other manner.

1.14 Owner shall accept affidavits and allow modification relative to any document provided in support of DKI's invoice where said document reflects missing, incorrect, or illegible data as to date, amount, name, and/or location, provided that DKI provides all affidavits under oath and initials and dates all modification without covering up or concealing the original data contained therein.

1.15 If Owner requires more than one invoice for a multi-unit building, Owner must request such unit-by-unit invoicing in writing before the commencement of the project, after which DKI will make reasonable best efforts to provide such unit-by-unit invoicing, so long as it has adequate personnel available for the task prior to said commencement.

Article 2. Audit Procedures

2.1 In the event Owner or insurance company engages a consultant, clerk, CPA, competitor, and/or other entity to conduct a review, evaluation, and/or audit (hereinafter "audit") of DKI's invoice and supporting documentation, either during the project or after the project is completed, all parties to said audit (Owner, DKI, insurance company, and/or auditing entities) must sign DKI's confidentiality & non-disclosure agreement before the audit can begin.

2.2 All review, evaluation, and auditing shall be done at DKI's corporate headquarters in Pensacola, FL, or at a location approved in writing by DKI.

2.3 Owner agrees to pay all DKI personnel time dedicated to the audit response at a rate of $65.00/hr. and all incidental expenses associated with said audit response (travel, lodging, meals, etc.) on an actual-cost basis.

2.4 Owner agrees that the auditing entity's report detailing a list of all disputed items and the reasons for each dispute shall be completed and presented to DKI within 15 days following DKI's submission of its Final Invoice to the Owner and insurance company. If the auditing entity's report is not completed and presented to DKI within this 15-day time period, Owner shall be deemed to have accepted DKI's Final Invoice without dispute, and shall pay DKI the full amount of its Final Invoice within 5 business days thereafter.

2.5 Following the timely completion and presentation of the auditing entity's report, Owner agrees to pay DKI all undisputed funds within 5 business days of the completion and presentation of the auditing entity's report.

2.6 All subsequent negotiations related to disputed items and related funds shall take place at DKI's corporate headquarters in Pensacola, FL, or at a location approved in writing by DKI. If the parties cannot resolve the disputed matters through negotiation, the dispute shall be resolved in accord with the terms of Section 5.1 below.

Article 3. Indoor Air Quality (IAQ) Statement

3.1 DKI shall not, without further written agreement, be responsible for the identification, testing, sampling, removal, abatement, or remediation of any environment, pollutant, contaminate, hazard, toxin, condition, irritant, material, or problem, including but not limited to asbestos, lead, molds, fungi, bacteria, mildew, mycotoxins, spores, or other irritants of any kind or the correction of building, fire, or code violations.

3.2 DKI recommends that if Owner has any concerns related to IAQ or if the property has a history of moisture-related problems, Owner should have an indoor air quality pre-test conducted by a certified Industrial Hygienist to determine and identify the existence of any microbial growth, hazardous materials, and/or other environmental pollutants to develop a protocol for their removal, abatement, or remediation (to be performed by an appropriately licensed and experienced contractor), and to conduct a post-test to determine that the growths, materials, or other pollutants now exist in affected areas at acceptable levels.

3.3 DKI shall not be liable for any and all health, environmental, property damage, or other claims related to IAQ at the property, and the Owner hereby agrees to release, indemnify, and hold DKI harmless relative to any and all such claims related to IAQ.

Article 4. Payment

4.1 Owner shall pay DKI the amount specified on its itemized invoice(s) for the project per the attached DKI Price List, which the Owner has received, reviewed, and approved by signing this Contract and initialing every page.

4.2 Owner shall pay DKI an Emergency Draw, the amount of which shall be determined on a case-by-case basis and recorded on the first page of this Contract, within the time period specified at the signing of this Contract, not to exceed 10 days.

4.3 All amounts invoiced to Owner shall be due and payable within 30 days following the invoice date. All past-due amounts shall be subject to an interest charge equal to the lesser of 1.5% per month or the maximum rate allowed by applicable law.

4.4 If Owner possesses insurance coverage applicable to the services performed under this Contract, Owner authorizes each insurance company providing coverage to pay DKI directly for the services performed. Owner understands and acknowledges, however, that Owner bears the responsibility for all amounts due DKI under this Contract, and no lack of insurance coverage or failure or delay of any insurance company to make payment to Owner or DKI shall relieve Owner of that responsibility.

Article 5. Warranty

5.1 DKI guarantees that all work performed under this Contract shall be performed in a substantially workmanlike manner and guarantees said workmanship for a period of 2 years from the date of completion of the project governed by this Contract. All materials shall be guaranteed under the applicable manufacturer warranty which DKI shall provide to Owner upon request.

Article 6. Warranty

6.1 In the event of dispute between DKI and Owner concerning their respective duties under this Contract, said dispute shall be resolved by final and binding arbitration under the commercial rules of the American Arbitration Association. The prevailing party shall be entitled to reimbursement from the non-prevailing party of reasonable attorney fees, legal expenses, collection fees, interest, and any other expenses incurred in the litigation of a dispute related to this Contract.

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

PROPOSAL NUMBER: RXC200923200714

MACHINE NUMBER(S) : F98209, F98214, F98257

CUSTOMER DESIGNATION(S) : WEST PUBLIC-1, CENTER PUBLIC, PUBLIC EAST

We will provide labor and material to furnish and install on the above referenced machine(s) the following:

Water intrusion into the elevator system from Hurricane Sally requires the following repairs to return the elevator to safe and reliable operation:

BUILDING REMOVAL OF WATER AND OIL FROM PIT TO CREATE SAFE WORKING CONDITIONS FOR MECHAINCS

Building shall remove the water and/or oil from the elevator pit to prevent further damage to the elevator equipment and avoid environmental issues. All spoils shall be hauled in accordance with EPA standards and are the building representative's responsibility.

NEW CLOSED LOOP DOOR OPERATOR

The existing door operator, linkage, etc. damaged by water shall be removed. A Closed Loop door operator shall be installed. Doors on the car and at the hoistway entrances shall be power operated by means of a closed loop door operator mounted on top of the car. The door operator is a fully closed loop system designed to give consistent door performance with changes in temperature, wind or minor debris in the door track. The system continually monitors door speed and position and adjusts it accordingly to match the pre-determined profile. Door operation shall be automatic at each landing with door opening being initiated as the car arrives at the landing and closing taking place after expiration of an adjustable time interval. An electric car door contact shall prevent the elevator from operating unless the car door is in the closed position. Door close shall be arranged to start after a minimum time, consistent with Handicap Requirements. Doors shall be arranged to remain open for an adjustable time period sufficient to meet ADA requirements. The time interval for which the elevator doors remain open when a car stops at a landing shall be independently adjustable for response to car calls and response to hall calls.

NEW OPTIGUARD DOOR-PROTECTION DEVICE

The existing door protection device damaged by water will be removed. A new Optiguard will be installed. The Optiguard door protection system uses 154 infrared emitters and detectors to create an invisible safety net across the elevator entrance. The Optiguard system continuously scans for interrupted beams. If any beam in the curtain is interrupted, the Optiguard system will reopen the elevator door instantly. The Optiguard system's infrared beams also

detect objects approaching, reducing potential damage to elevator doors caused by passengers, mail carts, stretchers or other moving equipment

NEW TOP OF CAR INSPECTION BOX
The existing top of car inspection box damaged by water shall be removed. A new inspection box will be installed. All damage piping and wiring to the inspection box will be replaced.

NEW TOP OF CAR CONDUIT AND WIRING
The existing conduit, piping and car top wiring damaged by water will be removed. New piping and wiring will be installed servicing all electrical components located on the car top.

NEW TOP OF CAR VENTALATION FAN
The existing ventilation fan damaged by water shall be removed. A new fan with similar characteristics shall be installed. All damaged piping and wiring to the fan will be replaced.

***PLEASE NOTE:
The work quoted in this proposal is due to hurricane and is water related. Unfortunately, water damage is a problem that may not be uncovered during an initial survey. While making the aforementioned repairs and troubleshooting the equipment prior to turnover, we may uncover other water related issues. Should other items be uncovered, they shall be quoted and once approved, we will move forward with that work. Additionally, problems may arise over a period of time and we caution you that other items may have also been exposed to water and future issues may arise.
The scope proposed herein represents the entire scope that we are contracted for, if additional work is required by others to allow for completion of this work and/or for the inspection to occur, that work is not included.
If we are able to place the unit back in service this does not indicate that there is not further damage caused by the Hurricane. If later damage is discovered, Otis Elevator Company cannot be held responsible for the cost of those repairs.
The payments of these repairs are per the terms contained herein. Your payment Otis Elevator Company for these repairs is independent of any reimbursement from your insurance company. Customer UNDERSTANDS and agrees that payment for our services shall not be predicated, CONTINGENT, CONDITIONED UPON, OR OTHERWISE RELATED TO any reimbursement from any insurance company OR ANY OTHER THIRD PARTY.
The price quoted below is based on all work being performed during the normal working hours of the elevator trade.
Any work you authorize to be performed on overtime will be billed as an extra to this contract at our normal billing rates.
Materials will be ordered and this work will be scheduled following our receipt of the executed proposal and payment.
A local Otis representative will then contact you to schedule the work. Upon commencement of this work, should there be an interruption in our ability to complete the work due to issues beyond our control (loss of power, etc.), applicable re-mobilization costs will be billed as an extra at our normal billing rates.
Damaged components that are replaced will be left on-site for your reference and use on any insurance claims. It will be the responsibility of others to secure and retain the damaged components.
The price quoted below does not include sales tax and is valid for 30 days from the date specified above. Please add any applicable tax to the price quoted below.
The price quoted below assumes the work will be scheduled based on the availability of material and manpower to complete the job efficiently. A local representative will contact you to schedule the work.
In the event a third-party inspection agency is required to "inspect" the completed project prior to returning the equipment to normal operation payment in full is due prior to scheduling the final handover/turnover of the equipment.

PRICE: **$ 178,851.58**

©Otis Elevator Company, 2011 All Rights Reserved LiNX Form 421 (04/01/12) Proposal#: RXC200923200714

This price is based on a one hundred percent (100 %) downpayment in the amount of $ 178,851.58.

PAYMENT TERMS:

- The base proposal price is contingent upon receiving a pre-payment of 100% of the base contract amount.
- The pre-payment amount is due in full prior to ordering material and/or mobilizing.
- If you choose the alternative down-payment amount listed below, the corresponding Add shall be applied to the base contract amount.

Down Payment Amount	Price Adjustment Percentage	Authorization (Initial)
50%	+10%	

In the event 100% of the contract price is not paid up front, we must be paid the remaining balance no later than the completion of work. Final invoice will be submitted once work is scheduled

This proposal, including the provisions printed on the last page(s), and the specifications and other provisions attached hereto shall, when accepted by you below and approved by our authorized representative, constitute the entire contract between us, and all prior representations or agreements not incorporated herein are superseded.

TERMS AND CONDITIONS

1. The work shall be performed for the agreed price plus any applicable sales, excise or similar taxes as required by law.

2. In addition to the agreed price, you shall pay to us any future applicable tax imposed on us, our suppliers or you in connection with the performance of the work described.

3. This quotation is subject to change or withdrawal by us prior to acceptance.

4. We warrant to you that the work performed by us hereunder shall be free from defects, not inherent in the quality required or permitted, in material and workmanship for one (1) year from the date of substantial completion. We used commercially reasonable efforts to ensure that the EMS Panorama 2.0 software provided to you is free from viruses and vulnerabilities that may be exploited by third parties. Our duty and your remedy under this warranty are limited to our correcting any such defect you report to us within the warranty period by, at our opinion, repair or replacement, provided all payments due under the terms of this contract have been made in full. All parts used for repair or replacement under this warranty shall be good quality and furnished on an exchange basis. Printed circuit boards used for replacement parts under this warranty may be refurbished boards. Exchanged parts become our property. This warranty shall be voided if said defect is caused by your breach or negligence or unauthorized access or manipulation of the system.

5. We shall perform the work during our regular working hours of our regular working days unless otherwise agreed in writing. You shall be responsible for providing suitable storage space at the site for our material.

6. You shall obtain title to all the equipment, excluding the software, furnished hereunder when final payment for such material is received by us.

7. Any drawings, illustrations or descriptive matter furnished with the proposal are submitted only to show the general style, arrangement and dimensions of the equipment.

8. Payments shall be made as follows: A down payment of hundred percent (100%) of the price shall be paid after we have completed processing your equipment requirements, and orders are placed, the balance shall be paid on completion if the work is completed within a thirty day period. If the work is not completed within a thirty day period, monthly progress payments shall be made based on the value of any equipment ready or delivered, if any, and labor performed through the end of the month less a five percent (5%) retainage and the aggregate of previous payments. The retainage shall be paid when the work is completed. We reserve the right to discontinue our work at any time until payments shall have been made as agreed and we have assurance satisfactory to us that subsequent payments will be made when due. Payments not received within thirty (30) days of the date of invoice shall be subject to interest accrued at the rate of eighteen percent (18%) per annum or at the maximum rate allowed by applicable law, whichever is less. We shall also be entitled to reimbursement from you of the expenses, including attorney's fees, incurred in collecting any overdue payments.

9. Any material removed by us in the performance of the work shall become our property.

10. Our performance is conditioned upon your securing any required governmental approvals for the installation of any equipment provided hereunder and your providing our workmen with adequate electrical power at no cost to us with a safe place in which to work, and we reserve the right to discontinue our work in the building whenever in our opinion working conditions are unsafe. If overtime work is mutually agreed upon and performed, an additional charge thereof, at our usual rates for such work, shall be added to the contract price. The performance of our work hereunder is conditioned on your performing the preparatory work and supplying the necessary data specified on the front of this proposal or in the attached specification, if any. Should we be required to make an unscheduled return to your site to begin or complete the work due to your request, acts or omissions, then such return visits shall be subject to additional charges at our current labor rates.

11. We shall retain a security interest in all material furnished hereunder and not paid for in full. You agree that a copy of this Agreement may be used as a financing statement for the purpose of placing upon public record our interest in any material furnished hereunder, and you agree to execute a UCC-1 form or any other document reasonably requested by us for that purpose.

12. Except insofar as your equipment may be covered by an Otis maintenance or service contract, it is agreed that we will make no examination of your equipment other than that necessary to do the work described in this contract and assume no responsibility for any part of your equipment except that upon which work has been done under this contract.

13. Neither you nor we shall be liable to the other party hereto for any loss, damage or delay due to any cause beyond your or our reasonable control, including, but not limited to, acts of government, strikes, lockouts, fire, explosion, theft, floods, riot, civil commotion, war, malicious mischief or actors, or act of God, provided, however, that, should loss of or damage to our material or work occur at the site, you shall compensate us therefor unless such loss or damage results from our acts or omissions.

14. We do not agree under our warranty to bear the cost of repairs or replacements due to vandalism, abuse, misuse, neglect, normal wear and tear, modifications not performed by us, improper or insufficient maintenance by others, or any cause beyond our control.

15. We shall conduct, at our own expense, the entire defense of any claim, suit or action alleging that, without further combination, the use by you of any equipment provided hereunder directly infringes any patent, but only on the conditions that (a) we receive prompt written notice of such claim, suit or action and full opportunity to assume the sole defense thereof, including settlement and appeals, and all information available to you for such defense; (b) said equipment is made according to a specification or design furnished by us; and (c) the claim, suit or action is brought against you. Provided all of the foregoing conditions have been met, we shall, at our own expense, either settle said claim, suit or action or shall pay all damages, excluding special, consequential damages (INCLUDING DAMAGES FOR LOSS OF PROFITS, DAMAGES TO ANY COMPUTER, DEVICE, OR SYSTEM, LOSS OF DATA, GOODWILL, USE OR OTHER LOSSES), indirect damages, punitive damages, and costs awarded by the court therein and, if the use or resale of such equipment is finally enjoined, we shall at our option, (i) procure for you the right use of the equipment, (ii) replace the equipment with equivalent noninfringing equipment, (iii) modify the equipment so it becomes noninfringing but equivalent, or (iv) remove the equipment and refund the purchase price (if any) less a reasonable allowance for use, damage or obsolescence.

16. THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT ARE THE EXCLUSIVE WARRANTIES GIVEN. WE MAKE NO OTHER WARRANTIES EXPRESS OR IMPLIED, AND SPECIFICALLY MAKE NO WARRANTY OF MERCHANTABILITY, OF FITNESS FOR ANY PARTICULAR PURPOSE, OR THAT THE SOFTWARE IS FREE FROM VIRUSES OR VULNERABILITIES WHICH MAY BE EXPLOITED BY A THIRD PARTY; AND THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT ARE IN LIEU OF ANY SUCH WARRANTIES AND ANY OTHER OBLIGATION OR LIABILITY ON OUR PART.

17. Your remedies set forth herein are exclusive and our liability with respect to any contract, or anything done in connection therewith such as performance or breach thereof, or from the manufacture, sale, delivery, installation, repair or use of any equipment furnished under this contract, whether in contract, in tort, in warranty or otherwise, shall not exceed the price for the equipment or services rendered.

18. It is agreed that after completion of our work, you shall be responsible for ensuring that the operation of any equipment furnished hereunder is periodically inspected. The interval between such inspections shall not be longer than what may be required by the applicable governing safety code.
By accepting delivery of parts incorporating software you agree that the transaction is not a sale of such software but merely a license to use such software solely for operating the unit(s) for which the part was provided, not to copy or let others copy such software for any purpose whatsoever, to keep such software in confidence as a trade secret, and not to transfer possession of such part to others except as a part of a transfer of ownership of the equipment in which such part is installed, provided that you inform us in writing about such ownership transfer and the transferee agrees in writing to abide by the above license terms prior to any such transfer.

19. Our work shall not include the identification, detection, abatement, encapsulation or removal of asbestos, polychlorinated biphenyl (PCB), or products or materials containing asbestos, PCB's or other hazardous substances. In the event we encounter any such product or materials in the course of performing work, we shall have the right to discontinue our work and remove our employees from the project until you have taken the appropriate action to abate, encapsulate or remove such products or materials, and any hazards connected therewith, or until it is determined that no hazard exists (as the case may require). We shall receive an extension of time to complete the work hereunder and compensation for delays encountered as a result of such situation.

20. This Agreement constitutes the entire understanding between the parties regarding the subject matter hereof and may not be modified by any terms on your order form or any other document, and supersedes any prior written or oral communication relating to the same subject. Any amendment or modifications to this Agreement shall not be binding upon either party unless agreed to in writing by an authorized representative of each party. Both parties agree that any form issued by you that contains any terms that are inconsistent with those contained herein shall not modify this Agreement, nor shall it constitute an acceptance of any additional terms.

TERMS AND CONDITIONS

1. The work shall be performed for the agreed price plus any applicable sales, excise or similar taxes as required by law.

2. In addition to the agreed price, you shall pay to us any future applicable tax imposed on us, our suppliers or you in connection with the performance of the work described.

3. This quotation is subject to change or withdrawal by us prior to acceptance.

4. We warrant to you that the work performed by us hereunder shall be free from defects, not inherent in the quality required or permitted, in material and workmanship for one (1) year from the date of substantial completion. We used commercially reasonable efforts to ensure that the EMS Panorama 2.0 software provided to you is free from viruses and vulnerabilities that may be exploited by third parties. Our duty and your remedy under this warranty are limited to our correcting any such defect you report to us within the warranty period by, at our opinion, repair or replacement, provided all payments due under the terms of this contract have been made in full. All parts used for repair or replacement under this warranty shall be good quality and furnished on an exchange basis. Printed circuit boards used for replacement parts under this warranty may be refurbished boards. Exchanged parts become our property. This warranty shall be voided if said defect is caused by your breach or negligence or unauthorized access or manipulation of the system.

5. We shall perform the work during our regular working hours of our regular working days unless otherwise agreed in writing. You shall be responsible for providing suitable storage space at the site for our material.

6. You shall obtain title to all the equipment, excluding the software, furnished hereunder when final payment for such material is received by us.

7. Any drawings, illustrations or descriptive matter furnished with the proposal are submitted only to show the general style, arrangement and dimensions of the equipment.

8. Payments shall be made as follows: A down payment of hundred percent (100%) of the price shall be paid after we have completed processing your equipment requirements, and orders are placed, the balance shall be paid on completion if the work is completed within a thirty day period. If the work is not completed within a thirty day period, monthly progress payments shall be made based on the value of any equipment ready or delivered, if any, and labor performed through the end of the month less a five percent (5%) retainage and the aggregate of previous payments. The retainage shall be paid when the work is completed. We reserve the right to discontinue our work at any time until payments shall have been made as agreed and we have assurance satisfactory to us that subsequent payments will be made when due. Payments not received within thirty (30) days of the date of invoice shall be subject to interest accrued at the rate of eighteen percent (18%) per annum or at the maximum rate allowed by applicable law, whichever is less. We shall also be entitled to reimbursement from you of the expenses, including attorney's fees, incurred in collecting any overdue payments.

9. Any material removed by us in the performance of the work shall become our property.

10. Our performance is conditioned upon your securing any required governmental approvals for the installation of any equipment provided hereunder and your providing our workmen with adequate electrical power at no cost to us with a safe place in which to work, and we reserve the right to discontinue our work in the building whenever in our opinion working conditions are unsafe. If overtime work is mutually agreed upon and performed, an additional charge thereof, at our usual rates for such work, shall be added to the contract price. The performance of our work hereunder is conditioned on your performing the preparatory work and supplying the necessary data specified on the front of this proposal or in the attached specification, if any. Should we be required to make an unscheduled return to your site to begin or complete the work due to your request, acts or omissions, then such return visits shall be subject to additional charges at our current labor rates.

11. We shall retain a security interest in all material furnished hereunder and not paid for in full. You agree that a copy of this Agreement may be used as a financing statement for the purpose of placing upon public record our interest in any material furnished hereunder, and you agree to execute a UCC-1 form or any other document reasonably requested by us for that purpose.

12. Except insofar as your equipment may be covered by an Otis maintenance or service contract, it is agreed that we will make no examination of your equipment other than that necessary to do the work described in this contract and assume no responsibility for any part of your equipment except that upon which work has been done under this contract.

13. Neither you nor we shall be liable to the other party hereto for any loss, damage or delay due to any cause beyond your or our reasonable control, including, but not limited to, acts of government, strikes, lockouts, fire, explosion, theft, floods, riot, civil commotion, war, malicious mischief or actors, or act of God, provided, however, that, should loss of or damage to our material or work occur at the site, you shall compensate us therefor unless such loss or damage results from our acts or omissions.

14. We do not agree under our warranty to bear the cost of repairs or replacements due to vandalism, abuse, misuse, neglect, normal wear and tear, modifications not performed by us, improper or insufficient maintenance by others, or any cause beyond our control.

15. We shall conduct, at our own expense, the entire defense of any claim, suit or action alleging that, without further combination, the use by you of any equipment provided hereunder directly infringes any patent, but only on the conditions that (a) we receive prompt written notice of such claim, suit or action and full opportunity to assume the sole defense thereof, including settlement and appeals, and all information available to you for such defense, (b) said equipment is made according to a specification or design furnished by us; and (c) the claim, suit or action is brought against you. Provided all of the foregoing conditions have been met, we shall, at our own expense, either settle said claim, suit or action or shall pay all damages, excluding special, consequential damages (INCLUDING DAMAGES FOR LOSS OF PROFITS, DAMAGES TO ANY COMPUTER, DEVICE, OR SYSTEM, LOSS OF DATA, GOODWILL, USE OR OTHER LOSSES), indirect damages, punitive damages, and costs awarded by the court therein and, if the use or resale of such equipment is finally enjoined, we shall at our option, (i) procure for you the right use of the equipment, (ii) replace the equipment with equivalent noninfringing equipment, (iii) modify the equipment so it becomes noninfringing but equivalent, or (iv) remove the equipment and refund the purchase price (if any) less a reasonable allowance for use, damage or obsolescence.

16. THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT ARE THE EXCLUSIVE WARRANTIES GIVEN. WE MAKE NO OTHER WARRANTIES EXPRESS OR IMPLIED, AND SPECIFICALLY MAKE NO WARRANTY OF MERCHANTABILITY, OF FITNESS FOR ANY PARTICULAR PURPOSE, OR THAT THE SOFTWARE IS FREE FROM VIRUSES OR VULNERABILITIES WHICH MAY BE EXPLOITED BY A THIRD PARTY; AND THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT ARE IN LIEU OF ANY SUCH WARRANTIES AND ANY OTHER OBLIGATION OR LIABILITY ON OUR PART.

17. Your remedies set forth herein are exclusive and our liability with respect to any contract, or anything done in connection therewith such as performance or breach thereof, or from the manufacture, sale, delivery, installation, repair or use of any equipment furnished under this contract, whether in contract, in tort, in warranty or otherwise, shall not exceed the price for the equipment or services rendered.

18. It is agreed that after completion of our work, you shall be responsible for ensuring that the operation of any equipment furnished hereunder is periodically inspected. The interval between such inspections shall not be longer than what may be required by the applicable governing safety code.
By accepting delivery of parts incorporating software you agree that the transaction is not a sale of such software but merely a license to use such software solely for operating the unit(s) for which the part was provided, not to copy or let others copy such software for any purpose whatsoever, to keep such software in confidence as a trade secret, and not to transfer possession of such part to others except as a part of a transfer of ownership of the equipment in which such part is installed, provided that you inform us in writing about such ownership transfer and the transferee agrees in writing to abide by the above license terms prior to any such transfer.

19. Our work shall not include the identification, detection, abatement, encapsulation or removal of asbestos, polychlorinated biphenyl (PCB), or products or materials containing asbestos, PCB's or other hazardous substances. In the event we encounter any such product or materials in the course of performing work, we shall have the right to discontinue our work and remove our employees from the project until you have taken the appropriate action to abate, encapsulate or remove such products or materials, and any hazards connected therewith, or until it is determined that no hazard exists (as the case may require). We shall receive an extension of time to complete the work hereunder and compensation for delays encountered as a result of such situation.

20. This Agreement constitutes the entire understanding between the parties regarding the subject matter hereof and may not be modified by any terms on your order form or any other document, and supersedes any prior written or oral communication relating to the same subject. Any amendment or modifications to this Agreement shall not be binding upon either party unless agreed to in writing by an authorized representative of each party. Both parties agree that any form issued by you that contains any terms that are inconsistent with those contained herein shall not modify this Agreement, nor shall it constitute an acceptance of any additional terms.

Request for Taxpayer Identification Number and Certification

▶ Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give Form to the requester. Do not send to the IRS.

Print or type. See Specific Instructions on page 3

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.
OTIS ELEVATOR COMPANY

2 Business name/disregarded entity name, if different from above

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.
☐ Individual/sole proprietor or single-member LLC ☑ C Corporation ☐ S Corporation ☐ Partnership ☐ Trust/estate
☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶
Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.
☐ Other (see instructions) ▶

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):
Exempt payee code (if any)
Exemption from FATCA reporting code (if any)
(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.

Requester's name and address (optional)

6 City, state, and ZIP code
FARMINGTON CT 06032

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below), and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. E x c e s s quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

Re: Pensacola Beach, FL, Beach Restoration Project
Hurricane Sally Post-Disaster Design Survey and Report

The attached Proposal is submitted to collect beach profile data along the pre-established FDEP beach monitoring survey transects at Pensacola Beach following the impacts of Hurricane Sally on 14-16 October 2020 and determine project design needs following the storm. The survey will include the 44 R-monument profiles within the engineered beach project limits traditionally surveyed as part of the ongoing project monitoring program (R-108 to R-151).

All tasks associated with this effort are eligible for potential reimbursement under FEMA Category G public assistance guidelines. The data collected and the report produced are necessary to assist the FEMA Project Officer in preparing FEMA Project Worksheets for public assistance funding.

Please do not hesitate to contact us with any questions. Thank you.

Task Order Memorandum

To:	Olsen Associates, Inc. 2618 Herschel Street Jacksonville, FL 32204	**Date:** **Contract:** **Request Made By:** **Request Received By:**	29 September 2020 Coastal Engineering Timothy Day Albert E. Browder, Ph.D., P.E.

Task Order Descriptions: Hurricane Sally Post-Disaster Design Survey and Report
Pensacola Beach, FL, Beach Restoration Project

Subsequent to the impacts to the engineered beaches of Pensacola Beach from Hurricane Sally on 14-16 September 2020, the consultant shall establish post-storm design conditions via subcontractor topographic/hydrographic survey for repairs to the engineered beach fill project by way of survey and coastal engineering analyses. Said results shall be transferred to the County for purposes of pursuing FEMA Project Worksheets related to Hurricane Sally and establishing pre-repair conditions for design and eventual construction of the repairs to the engineered beach (as determined by the survey results). Work performed under this Task Order will be suitable for submittal to FEMA for reimbursement as a project-related cost under Public Assistance Category "G."

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

$311k for the exterior storefront doors that were damaged by wind at the Bay Center. This is from the lowest bidder they received when they replaced some last year. Right now we are having to screw the together and chain them.

May we proceed? Lead time will likely be 6weeks.

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance-** Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. E x c e s s quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance**- Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

Recommendation Concerning the Issuance of a Purchase Order for Annual aiSmartbench Maintenance for Court Administration - Kayla Blanchard, Administrative Services Manager

That the Board authorize the issuance of a Purchase Order to Mentis Technology Solutions, LLC, in the amount of $50,095, for the annual maintenance for aiSmartbench, the Court's electronic filing system software. This system allows the judges to view and manage their court files electronically. Judges are able to electronically review and search court cases, transmit documents to the clerk, work remotely, digitally sign orders, and efile. This Agreement allows for 24/7/365 support to Court Technology for the necessary maintenance to the aiSmartbench software.

Recommendation Concerning Issuance of a Purchase Order to Dynamic Security, Inc., for Security Services - Kayla Blanchard, Administrative Services Manager

That the Board authorize and approve the issuance of a Purchase Order to Dynamic Security, Inc., in the amount of $480,900, for the purchase of security services to be utilized at entrances to the M.C. Blanchard Judicial Building and the Theodore Bruno Juvenile Justice Center. Dynamic Security, Inc., is the current provider of security services at both locations.

This purchase will not impact the General Revenue Fund.

[Funding: Fund 115, Court Security, Article V, Cost Center (CC) 410505, Object Code (OC) 53401 Other Contractual Services]

BACKGROUND:

The purchase of security services and the subsequent issuance of the Purchase Order for Dynamic Security, Inc., are necessary to provide continuous security services at the entrances of the M.C. Blanchard Judicial Building and the Theodore Bruno Juvenile Justice Center, as a result of the Escambia County Sheriff's office termination of the Memorandum of Understanding with Court Administration to provide the same security services. These services are imperative to ensure security to courthouse personnel and members of the public entering and exiting these facilities. The Contract with Dynamic Security, Inc., was approved by the Escambia Board of County Commissioners during the BCC Meeting on September 21, 2017. Dynamic Security, Inc., has provided security services to both of our facilities since November 2017.

BUDGETARY IMPACT:

The estimated yearly cost for court security services by Dynamic Security, Inc., at the M.C. Blanchard Judicial Building and the Theodore Bruno Juvenile Justice Center is $480,900.

AGREEMENT FOR SECURITY OFFICER SERVICES

THIS AGREEMENT is made and entered into by and between Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County"), whose mailing address is 221 Palafox Place, Pensacola, Florida 32502, and Dynamic Security Services, Inc. (hereinafter referred to as "Contractor"), a foreign for profit corporation authorized to conduct business in the State of Florida, Federal Employer Identification Number 63-0743754, whose principal address is 1102 Woodward Avenue, Muscle Shoals, AL 35661.

WITNESSETH:

WHEREAS, an Invitation to Bidders was issued seeking the services of a contractor to perform security officer services for the M.C. Blanchard Judicial Center and the Theodore F. Bruno Juvenile Justice Center located in Pensacola, Florida; and

WHEREAS, the Contractor was the most responsive and responsible bidder proposing to provide such services; and

WHEREAS, the County desires to enter into an agreement with the Contractor for the provision of such services as set forth herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. The term of this Agreement shall commence on November 1, 2017, and expire on September 30, 2018. Upon mutual agreement of the parties, the agreement may be renewed for four (4) successive twelve (12) month periods.

3. Scope. Contractor agrees to perform in accordance with the terms and conditions as outlined in the scope of services, attached hereto as **Exhibit A.** In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement shall prevail.

4. Compensation. In exchange for Contractor's provision of the scope of services referenced in Section 3 above, County shall pay Contractor in accordance with the Cost Proposal, attached hereto as **Exhibit B.**

5. Method of Payment/Billing. Contractor may submit invoices to the County on a monthly basis. Invoices shall reflect the amount due and owing for the value of items received and accepted with appropriate supporting documentation. The County agrees it shall make its best efforts to pay Contractor within thirty (30) days of receipt and approval of Contractor's invoice. Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Florida Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

6. Termination. This Agreement may be immediately terminated for cause by County or terminated for convenience upon providing thirty (30) days' written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days' written

notice to the County. In the event of termination by either party as provided herein, the Contractor shall be paid for services provided through the date of termination.

7. Indemnification. Contractor shall indemnify, defend, and hold harmless Escambia County, and its officers, directors, employees, and affiliates, from and against any and all liability, loss, cost, or expense including, without limitation, reasonable attorney's fees, arising out of or in connection with the negligence, recklessness, or wrongful misconduct of Contractor in the performance of its duties and obligations pursuant to this Agreement. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

8. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies.

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles.

(c) Florida statutory Workers' Compensation.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32597 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

9. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor, and Contractor's employees shall not be construed as employees of the County. Contractor shall not hold itself out as an employee, agent or servant of

the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

10. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Contractor	To: Escambia County
Dynamic Security Services, Inc.	Office of County Administrator
Attention: John Riddle, Pres.	Attn: County Administrator
1102 Woodward Avenue	221 Palafox Place, Suite 420
Muscle Shoals, AL 35661	Pensacola, FL 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

11 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

12. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

13. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

14. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement.

15. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

16. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

17. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

18. ACA Reporting Requirements. Contractor agrees to provide all information as may be required for the County to meet annual reporting requirements regarding the Affordable Care Act (ACA) including whether insurance coverage was offered to an employee and his/her children; whether the coverage provided minimum value; the employee's required monthly contribution for the lowest-cost, self-only medical plan providing minimum value; the calendar months during which an employee (and his or her child(ren), if any) was offered coverage; and the calendar months during which an employee was enrolled in the Contractor's coverage.

Issue: Authorization to Take Action Regarding Defaulted Contracts for Reimbursement of Training Expenses
From: William Powell, Director, Corrections
Organization: Corrections
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Authorization to Take Action Regarding Defaulted Contracts for Reimbursement of Training Expenses - William R. Powell, Director of Corrections

That the Board take the following action concerning authorization for legal action related to defaulted Contracts for reimbursement of training expenses:

A. Authorize the County Attorney's Office to file a small claims case against Douglas Forbes and Derrick Allgood related to the default of their respective Contracts for reimbursement of training expenses; and

B. Authorize the County Attorney's Office to prepare and the Chairman to sign all documents related to the aforementioned action.

BACKGROUND:

On October 2, 2018, Douglas Forbes entered into an Agreement with Escambia County. On May 20, 2019, Derrick Allgood entered into an Agreement with Escambia County. The aforementioned Agreements outlined their commitments to provide two years of service to the Corrections Department post-graduation from the training program. In return, the County would cover the cost of tuition, fees and uniforms associated with the training program. Both individuals tendered their resignations prior to fulfilling their two-year commitment. Both individuals were provided a 12-month window of opportunity during which they were requested to fulfill the financial obligations of their Agreement. As of the date of this Recommendation, Mr. Forbes owes the County $1,477.73, and Mr. Allgood owes the County $1,736.20.

CONTRACT FOR REIMBURSEMENT OF TRAINING EXPENSES

THIS AGREEMENT is made and entered into on the 2nd day of October 2018, by and between Escambia County, Florida a political subdivision of the State of Florida (hereinafter referred to as the "County"), and Douglas S. Forbes (hereinafter referred to as the "Employee").

WITNESSETH:

WHEREAS, the County desires to retain the services of Employee in the capacity of Corrections Officer trainee at the Escambia County Jail and, contingent upon completing the necessary training and receiving state certification, the County desires to retain Employee as a full-time Corrections Officer; and

WHEREAS, the Parties acknowledge that Employee's qualification as a Corrections Officer will require completion of the Correctional Officer Basic Recruit Training Program (hereinafter referred to as the "training program") and certification from the Florida Department of Law Enforcement (FDLE); and

WHEREAS, pursuant to §943.16, Florida Statutes, County has agreed to fund the costs associated with Employee attending the training program; and

WHEREAS, Employee acknowledges that the County shall incur substantial expense associated with the training of the undersigned, which is intended to be recaptured through Employee's continued employment as a Corrections Officer after completing the training program; and

WHEREAS, Employee has agreed to continue employment with the County as a Corrections Officer for at least two (2) years after graduating from the training program or, otherwise, be subject to an obligation to reimburse the County for said costs.

NOW, THEREFORE, FOR AND IN CONSIDERATION of the mutual covenants and agreements set forth herein, the receipt and sufficiency of which are hereby acknowledged, County and Employee hereby agree as follows:

1. The recitals set forth above are true and correct and are incorporated herein as a material part of this Agreement.

2. In consideration of the agreement of the County to provide Employee with formal Corrections Officer training through the Correctional Officer Basic Recruit Training Program, Employee does hereby agree that in the event Employee should fail to successfully complete said training program or fail to receive state certification from the FDLE pursuant to Chapter 943, Florida Statutes, or in the event said Employee's employment with the County is terminated upon the Employee's own initiative within twenty four (24) months from the date of graduation from said training program, Employee will reimburse the County for all expenses incurred for said training program (hereinafter referred to as the "Reimbursement Obligation"). The twenty-four (24) month Reimbursement Obligation shall commence the first calendar day after graduation from the training program and conclude upon the 730th day thereafter.

3. In accordance with §943.16, Florida Statutes, the Reimbursement Obligation of Employee shall consist of the sum of all amounts expended by the County for tuition and other course expenses during the training program period. The Reimbursement Obligation shall

include, but not be limited to, the cost of enrollment, tuition, books, physical fitness uniforms, lab fees, departmental fees, and the cost of meals incurred by County for Employee's participation in the training program. The Reimbursement Obligation of Employee shall also include all amounts expended by the County associated with Employee's state certification exam, including but not limited to, enrollment fees, study guides, travel expenses, and the cost of meals. The Employee acknowledges that the total Reimbursement Obligation is estimated to be $2,142.05, but shall be subject to adjustment upon calculation of actual costs incurred by the County for the Employee's participation in the training program.

4. Payment in full of the Reimbursement Obligation, as defined herein, is immediately due and payable at the time of Employee's resignation or termination as provided in paragraph 2 above. The Employee acknowledges and agrees, to the extent permitted by state and federal law, any Reimbursement Obligation due and owing by Employee at the time of Employee's resignation or termination may be withheld from any monies Employee is owed by the County.

5. The Employee acknowledges, pursuant to §943.16(4), Florida Statutes, the County may institute a civil action to collect any Reimbursement Obligation due and owing by Employee if said amount is not timely reimbursed as provided herein. Further, to the extent permitted by law, the Employee agrees to be liable for any legal fees, court costs, attorneys' fees or other costs of collection, including legal interest, incurred by County in an effort to collect any delinquent Reimbursement Obligation due and owing by Employee.

6. By signing this Agreement, the Employee hereby acknowledges that Employee received a copy of the Contract for Training Reimbursement of Training Expenses and fully understands the terms of the Agreement.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement on the respective dates under each signature:

BOARD OF COUNTY COMMISSIONERS
ESCAMBIA COUNTY, FLORIDA
Escambia County Corrections

To whom it may concern,

Correctional Officer Trainee Derrick L. Allgood left the Corrections Academy at 1900 hours on 9/19/2019 and has not contact Escambia County Corrections in relation to his leave of absence. COT Allgood has still not attempted to contact our agency even though I have called and left messages to him and his emergency contact on multiple occasions. COT Allgood has not reported for duty since 9/19/2019 at 1900 hours. I have completed Unscheduled Leave Reports on COT Allgood for 9/19/2019, 9/20/2019, 9/23/2019, 9/24/2019, 9/25/2019 and 9/26/2019. COT Allgood has missed a total of 43 hours without notifying the agency. I was informed by the other COT's at the academy that COT Allgood went back to Washington. I understand that this information is only hearsay but, I thought it may be worth adding to the document due to the possibility of Job Abandonment.

Recommendation ConcerningProfessional Liability (Medical Malpractice) Insurance for the Jail - Mark Bartlett, Manager, Risk Management Office/Jana Still, Human Resources Department Director

That the Board approve the payment to USI Insurance Services, LLC, for the Professional Liability (Medical Malpractice) Insurance policy issued through Pro-Praxis Insurance and underwritten by Certain Underwriters at Lloyd's of London, for an extension effective November 15, 2020, through January 1, 2021, in the amount of $23,767, with a $75,000 deductible.

Vendor	Funding	Amount
USI Insurance Services, LLC Professional Liability (Medical Malpractice) Insurance	Fund 501, Internal Service Fund, Cost Center 140835, Object Code 54501	$23,767

[Funding: Fund 501, Internal Service, Cost Center 140835, Object Code 54501]

BACKGROUND:

The policy was previously extended to allow the carrier to change to a locally admitted company in the United States. The two carriers have pulled out of this market space, so this extension will allow an opportunity to look for a different company or self-insure.

CERTIFICATE PROVISIONS

1. **Signature Required.** This Certificate shall not be valid unless signed by the Correspondent on the attached Declaration Page.
2. **Correspondent Not Insurer.** The Correspondent is not an Insurer hereunder and neither is nor shall be liable for any loss or claim whatsoever. The Insurers hereunder are those Underwriters at Lloyd's, London whose syndicate numbers can be ascertained as hereinbefore set forth. As used in this Certificate "Underwriters" shall be deemed to include incorporated as well as unincorporated persons or entities that are Underwriters at Lloyd's, London.
3. **Cancellation.** If this Certificate provides for cancellation and this Certificate is cancelled after the inception date, earned premium must be paid for the time the insurance has been in force.
4. **Service of Suit.** It is agreed that in the event of the failure of Underwriters to pay any amount claimed to be due hereunder, Underwriters, at the request of the Assured, will submit to the jurisdiction of a Court of competent jurisdiction within the United States. Nothing in this Clause constitutes or should be understood to constitute a waiver of Underwriters' rights to commence an action in any Court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another Court as permitted by the laws of the United States or of any State in the United States. It is further agreed that service of process in such suit may be made upon the firm or person named in item 6 of the attached Declaration Page, and that in any suit instituted against any one of them upon this contract, Underwriters will abide by the final decision of such Court or of any Appellate Court in the event of an appeal.

   The above-named are authorized and directed to accept service of process on behalf of Underwriters in any such suit and/or upon request of the Assured to give a written undertaking to the Assured that they will enter a general appearance upon Underwriters' behalf in the event such a suit shall be instituted.

   Further, pursuant to any statute of any state, territory or district of the United States which makes provision therefor, Underwriters hereby designate the Superintendent, Commissioner or Director of Insurance or other officer specified for that purpose in the statute, or his successor or successors in office, as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Assured or any beneficiary hereunder arising out of this contract of insurance, and hereby designate the above-mentioned as the person to whom the said officer is authorized to mail such process or a true copy thereof.
5. **Assignment.** This Certificate shall not be assigned either in whole or in part without the written consent of the Correspondent endorsed hereon.
6. **Attached Conditions Incorporated.** This Certificate is made and accepted subject to all the provisions, conditions and warranties set forth herein, attached or endorsed, all of which are to be considered as incorporated herein.
7. **Short Rate Cancellation.** If the attached provisions provide for cancellation, the table below will be used to calculate the short rate proportion of the premium when applicable under the terms of cancellation.

Rules applicable to insurance with terms less than or more than one year:

A. If insurance has been in force for one year or less, apply the short rate table for annual insurance to the full annual premium determined as for insurance written for a term of one year.

B. If insurance has been in force for more than one year:
   1. Determine full annual premium as for insurance written for a term of one year.
   2. Deduct such premium from the full insurance premium, and on the remainder calculate the pro rata earned premium on the basis of the ratio of the length of time beyond one year the insurance has been in force to the length of time beyond one year for which the policy was originally written.
   3. Add premium produced in accordance with items (1) and (2) to obtain earned premium during full period insurance has been in force.

HEALTH CARE ORGANIZATION
PROFESSIONAL AND GENERAL LIABILITY INSURANCE POLICY

In consideration of the payment of the premium and in reliance upon all statements made and information furnished to the **Insurer**, including the statements made in the **Application**, the **Insurer** and the **Insured**, subject to all of the terms, conditions and limitations of this Policy and any endorsements thereto, agree as follows:

I. INSURING AGREEMENTS

A. CLAIMS MADE PROFESSIONAL LIABILITY

The **Insurer** will pay on behalf of the **Insured**, subject to the Limit of Liability set forth in Item 4. (a) of the Declarations, **Loss** in excess of the Deductible stated in Item 4. (h) of the Declarations, which the **Insured** becomes legally obligated to pay as a result of a **Claim** alleging a **Medical Incident**, provided always that:

1. such **Claim** is first made against the **Insured** during the **Policy Period** or any applicable Extended Reporting period; and
2. notice of such **Claim** is given to the **Insurer** in accordance with **Section IV, CONDITIONS, B.** of this Policy.

The **Insurer** will have the right and duty to defend any such **Claim** brought against the **Insured**, and will do so even if any of the allegations of the **Claim** are groundless, false or fraudulent.

B. COMMERCIAL GENERAL LIABILITY

The **Insurer** will pay on behalf of the **Insured**, subject to the Limit of Liability set forth in Item 4. (c) of the Declarations, **Loss** in excess of the Deductible stated in Item 4. (j) of the Declarations, which the **Insured** becomes legally obligated to pay as damages because of **Bodily Injury**, **Property Damage**, or **Personal or Advertising Injury** caused by an **Occurrence**; provided always that:

1. The **Bodily Injury, Property Damage** or **Personal or Advertising Injury** is caused by an **occurrence;**
2. The **Bodily Injury**, **Property Damage** or **Personal or Advertising Injury** occurs during the policy period; and
3. Prior to the policy period, no **insured** knew that the **Bodily Injury**, **Property Damage** or **Personal or Advertising Injury** had occurred, in whole or in part. If an **Insured** knew, that prior to the policy period, that the **Bodily Injury**, **Property Damage** or **Personal or Advertising Injury** occurred, then any continuation, change or resumption of such **Bodily Injury**, **Property Damage** or **Personal or Advertising Injury** during or after the policy period will be deemed to have been known prior to the policy period.

Bodily Injury, **Property Damage** or **Personal or Advertising Injury** will be deemed to have been known to have occurred at the earliest time when an **insured**:

1. Reports all or part of the **Bodily Injury**, **Property Damage** or **Personal or Advertising Injury** to us or any other insurer;
2. Receives a written or oral demand or claim for damages because of the **Bodily Injury**, **Property Damage** or **Personal or Advertising Injury;** or

3. Becomes aware by any other means that **Bodily Injury**, **Property Damage** or **Personal or Advertising Injury** has occurred or has begun to occur.

The **Insurer** will have the right and duty to defend any such **Claim** brought against the **Insured**, and will do so even if any of the allegations of the **Claim** are groundless, false, or fraudulent.

C. **CLAIMS MADE EMPLOYEE BENEFITS LIABILITY**
The **Insurer** will pay on behalf of the **Insured**, subject to the Limit of Liability set forth in Item 4. (e) of the Declarations, **Loss** in excess of the Deductible stated in Item 4. (l) of the Declarations which the **Insured** becomes legally obligated to pay as a result of a **Claim** alleging injury to **Employees** because of an act, error or omission in the **Insured's Administration** of its **Employee Benefit Program**; provided always that:

1. such **Claim** is first made against the Insured during the **Policy Period** or any applicable Extended Reporting period; and
2. notice of such **Claim** is given to the **Insurer** in accordance with Section IV.B. of this Policy.

The **Insurer** will have the right and duty to defend any such **Claim** brought against the **Insured**, and will do so even if any of the allegations of the **Claim** are groundless, false, or fraudulent.

II. DEFINITIONS

A. "**Administration**" means:

1. Giving advice or counsel to **Employees** or their beneficiaries concerning their rights or interest with regard to the **Employee Benefit Program**;
2. Determining the eligibility of **Employees** to participate in such **Employee Benefit Program**;
3. Interpreting the provisions of such **Employee Benefit Program**;
4. Effecting enrollment and termination of **Employees** in such **Employee Benefit Program**; or
5. Handling and keeping records pertaining to such **Employee Benefit Program**.

B. "**Advertisement**" means a notice that is broadcast or published to the general public or specific market segments about the **Insured's** goods, products or services, for the purpose of attracting customers or supporters. **Advertisement** includes:

1. Notice that is broadcast or published includes material placed on the Internet or similar means of electronic communication; and

CC. "**Subsidiary**" means any entity during any time in which the **Named Insured** owns or controls, directly or indirectly, more than fifty percent (50%) of the outstanding securities representing the right to vote for the election of such entity's directors or members of the board of managers.

DD. "**Utilization Review**" means the process of evaluating the appropriateness or necessity of **Medical Professional Services** provided or to be provided by an **Insured. Utilization Review** includes prospective, concurrent and retrospective review of such **Medical Professional Services**; however, **Utilization Review** does not include services or activities performed in administering benefits or managing health care plans for others.

EE. "**Volunteer**" means a person providing services and/or labor to the **Insured**, without being paid by the **Insured** for providing such services and/or labor and under the supervision or direction of the **Insured**. **Volunteer** shall not include any **Employee** or independent contractor.

III. EXCLUSIONS

A. **Exclusions Applicable To Insuring Agreement I.A., CLAIMS-MADE PROFESSIONAL LIABILITY**
As respects Insuring Agreement I.A., CLAIMS-MADE PROFESSIONAL LIABILITY, this policy shall not apply to any **Claim** based on, arising out of, directly or indirectly resulting from, in consequence of, or in any way involving:

1. **Bodily Injury, Property Damage,** or **Personal or Advertising Injury**, unless such **Claim** is from a **Patient;**
2. Any actual or alleged Wrongful Act by any of the **Insured's** Directors or Officers in the discharge of their duties as such. For purposes of this Exclusion A.2, "Wrongful Act" shall mean any actual or alleged misstatement, misleading statement, act, error or omission;
3. The rendering of or failure to render **Medical Professional Services** by any person other than an **Insured**; However, this Exclusion shall not apply to the **Insured's** vicarious liability with regard to such **Medical Professional services**;
4. Any **Medical Incident** arising out of the ownership, maintenance, use, operation, or entrustment to others of any aircraft, auto, watercraft, motor vehicle or semi-trailer, or the loading or unloading thereof; provided, however, that this exclusion A.4 will not apply to any **Claim** arising out of a **Medical Incident** in connection with the loading or unloading of **Patients**; or
5. Any **Medical Incident** taking place prior to the **Retroactive Date** stated in Item 4. (m) of the Declarations.

B. **Exclusions Applicable to Insuring Agreement I.B., GENERAL LIABILITY**
As respects Insuring Agreement I.B., GENERAL LIABILITY, this policy shall not apply to any **Claim** based on, arising out of, directly or indirectly resulting from, in consequence of, or in any way involving:

1. Injury arising out of a **Medical Incident**. It is further agreed that this Insuring Agreement does not apply to any **Claim** to a **Patient**; provided, however, that this exclusion B.1 shall not apply to any **Claim** based on, arising out of, directly or indirectly resulting from, in consequence of, or in any way involving:

    a. fire, smoke, heat or fumes from a hostile fire;
    b. lightning, windstorm, hail, earthquake or flood;

4. **Personal or Advertising Injury** arising out of the written or oral publication of material:

    a. If done by or at the direction of an **Insured** with knowledge of its falsity; or
    b. Which was first published prior to the **Retroactive Date** stated in Item 4. (n) of the Declarations. For purposes of this subsection, if such material was first published prior to the effective date as stated in Item 2 of the Declarations, it shall be immaterial whether such material as re-published or allegedly caused injury during the **Policy Period**;

5. **Bodily Injury or Property Damage** arising out of the ownership, maintenance, use, operation, or entrustment to others of any aircraft, auto, watercraft, motor vehicle or semi-trailer, or the loading or unloading thereof;
6. **Property Damage** to:

    a. Any property the **Insured** owns or rents;
    b. Any premises sold, given away, or abandoned by the **Named Insured**;
    c. Any property loaned to the **Insured**;
    d. Any personal property in the care, custody or control of the **Insured**; or
    e. The **Insured's Products**, arising out of such products or any part thereof;

7. **Property Damage** to property that has not been physically injured, arising out of:

    a. A delay or failure by or on behalf of the Insured in performing any contract or agreement; or
    b. The failure of the **Insured's Products** to meet the level of performance, quality, fitness or durability promised or warranted by the Insured; provided, however, that this exclusion shall not apply to loss of use of other tangible property resulting from the sudden or accidental physical damage to or destruction of the **Insured's Products** or work performed by or on behalf of the **Insured** after such products or work have been put to use by any person or organization other than the **Insured**.

8. **Bodily Injury** to an **Employee** arising out of such person's conduct in their capacity as such, or the spouse, child, parent, brother or sister of such **Employee**;
9. Any actual or alleged infringement of right of patent, trademark, service mark, trade name, copyright, title or slogan; or

10. Injury or damage arising in whole or in part, directly or indirectly, out of fungi, including mold or mildew, any mycotoxins, toxins, allergens, spores, scents, vapors, gases or by-products released by fungi, regardless of whether such fungi is:

    a. Airborne;
    b. Contained in a product; or
    c. Contained in or a part of any building, structure, building material, or any component part of any of the foregoing;

C. **Exclusions Applicable to Insuring Agreement I.C., CLAIMS-MADE EMPLOYEE BENEFITS LIABILITY**
As respects Insuring Agreement I.C., CLAIMS-MADE EMPLOYEE BENEFITS LIABILITY, this policy shall not apply to any **Claim** based on, arising out of, directly or indirectly resulting from, in consequence of, or in any way involving:

1. **Bodily Injury, Property Damage, or Personal or Advertising Injury**;
2. A **Medical Incident**, or injury to a **Patient**;
3. Failure of performance by any insurer, including, but not limited to, the failure of such insurer to pay or provide benefits allegedly due under any contract relating to the **Insured's Employee Benefit Program;**
4. The insufficiency of funds to meet any obligations of the **Insured's Employee Benefit Program;**
5. Any actual or alleged violation of the Employee Retirement Income Security Act of 1974 (ERISA), or any similar federal, state or local law or regulation
6. Failure of stock or any compensation, investment or savings program to produce the financial gain represented; or
7. Any act, error or omission in the **Insured's Administration** of its **Employee Benefit Program** taking place prior to the **Retroactive Date** stated in Item 4. (o) of the Declarations.

D. **Exclusions Applicable to All Insuring Agreements**
As respects Insuring Agreement I.A., CLAIMS-MADE PROFESSIONAL LIABILITY, Insuring Agreement I.B., GENERAL LIABILITY, and Insuring Agreement I.C., CLAIMS-MADE EMPLOYEE BENEFITS LIABILITY, this Policy shall not apply to any **Claim** based on, arising out of directly or indirectly resulting from, in consequence of, or in any way involving:

1. Any willful misconduct or dishonest, fraudulent, or malicious act, error or omission by any **Insured**; any willful violation by any **Insured** of any law, statute, ordinance, rule or regulation; any **Insured** gaining any profit, remuneration or advantage to which such **Insured** was not legally entitled; or any alleged criminal conduct by an **Insured**. For purposes of this Exclusion D.I., no act, error, omission of any **Insured** shall be imputed to any other **Insured**;
2. Any acts, errors, omissions, **Medical Incidents Occurrences**, facts, matters, events, suits or demands notified or reported to, or in accordance with, any policy of insurance or policy or program of self-insurance in effect prior tohe Inception date of this Policy;
3. Any acts, errors, omissions of **Occurrences** taking place prior to the earlier of:

    a. The Inception date; or
    b. The Inception date of the first policy issued by the **Insurer** to the **Insured**, of which this Policy is a renewal; or
    c. If any **Insured** on or before such date knew or reasonably could have foreseen that such act, error, omission or **Occurrence** might result in a **Claim**;

4. Any actual or alleged sexual misconduct or sexual abuse;

5. Any actual or alleged price fixing; restraint of trade; monopolization; unfair trade practices; or violation of any federal statute involving antitrust, monopoly, price fixing, price discrimination, predatory pricing or restraint of trade activities, or of any rules or regulations promulgated under or in connection with any of the foregoing statutes, or of any similar provision of any federal state or local statute, rule or regulation or common law.
6. Any actual or alleged liability of an **Insured** under any express contract or agreement, unless such a liability would have attached in the absence of such contract or agreement. For purposes of this Exclusion D.6, an "express contract or agreement" is an actual agreement by contracting parties, the terms of which are openly stated in distinct or explicit language, either orally or in writing, at the time of its making;
7. Any actual or alleged liability of an **Insured** under any workers compensation, unemployment compensation, disability benefits or similar law or regulation;
8. Injury or damage arising in whole or in part, directly or indirectly, out of hazardous materials, including any actual, alleged or threatened discharge, dispersal, release or escape of:

    a. asbestos or silica; or
    b. **Pollutants**;

    However, Exclusion D.8.b. shall not apply to **Bodily Injury** or **Property Damage** to a **Patient,** visitor or invitee, arising out of heat, smoke or fumes from a **Hostile Fire.** Exclusion D.8.c. shall not apply to **claims** arising out of a **Medical Incident.**

9. Any direct or indirect consequence of war, invasion, act of foreign enemy, hostilities, (whether or not war is declared), civil war, rebellion, revolution, civil insurrection, strike, or riot; provided, however, that this Exclusion D.9 shall not apply to "terrorism" as that term is defined in the Terrorism Risk Insurance Act of 2002;
10. **Employment Practices**;
11. Any **Insured's** failure to maintain licensure status;
12. Any administrative disciplinary, licensing or regulatory Claim asserted by or on behalf of a government entity;
13. Any Claim asserted by or on behalf of an **Insured** against another **Insured**; provided, however, that this Exclusion D.13 will not apply to preclude or limit coverage for an otherwise covered **Claim** based on, arising out of or in any way involving:

    a. **Peer Review;**
    b. the **Insured's Administration** of its **Employee Benefit Program**; or
    c. a **Medical Incident**.

IV. CONDITIONS

A. Limits of Liability

1. The amount stated in Item 4. (g) of the Declarations shall be the maximum aggregate Limit of Liability of the **Insurer** for all **Loss** resulting from all **Claims** for which this Policy provides coverage, regardless of the number of **Claims**, the number of persons or entities included within the definition of **Insured**, or the number of Claimants.
2. The amount stated in Item 4. (b) of the Declarations shall be the maximum aggregate Limit of Liability of the **Insurer** for all **Loss** resulting from all **Claims** for which Insuring Agreement I.A provides coverage.
3. The amount stated in Item 4. (d) of the Declarations shall be the maximum aggregate Limit of Liability of the Insurer for all Loss resulting from all Claims for which Insuring Agreement I.B provides coverage.

4. The amount stated in Item 4. (f) of the Declarations shall be the maximum aggregate Limit of Liability of the **Insurer** for all **Loss** resulting from all **Claims** for which Insuring Agreement I.C provides coverage.
5. **Defense Expenses** to which this Policy applies are in addition to the **Insurer's** Limit of Liability, and payment of **Defense Expenses** will not reduce the Deductible and/or applicable Limit of Liability.
6. The obligation of the **Insurer** to pay **Loss** will only be in excess of the applicable Deductible set forth in Item 4. (h) thru (l) of the Declarations. The **Insurer** will have no obligation whatsoever, either to the **Insureds** or to any person or entity, to pay all or any portion of such Deductible on behalf of any **Insured**, although the **Insurer** will, at its sole discretion, have the right and option to do so, in which event the **Insureds** agree to repay the **Insurer** any amounts so paid. The Deductible shall be included in, and shall not be in addition to, the applicable Limit of Liability.
7. In the event a **Claim** is first made against the **Insured** during the **Policy Period** that involves more than one (1) Insuring Agreement under this Policy, it is understood and agreed that only one (1) Deductible and one (1) Limit of Liability will apply to such **Claim**, which shall be the highest applicable per **Claim** Limit of Liability set forth in Item 4. (a), (c) or (e) of the Declarations and the Deductible corresponding to such Limit of Liability.
8. All **Insureds** under this Policy share in the applicable Limit of Liability. In no event will the number of **Insureds** involved in a **Claim** increase the Limit of Liability.
9. If a **Claim** involves this Policy and any other policy issued by the **Insurer**, its predecessor, or any of the **Insurer's** affiliated companies or their predecessors, the Limits of Liability which will apply to such **Claim** will be a single Limit of Liability, which shall be the highest applicable per **Claim** limit available under all such policies. In no event will more than one policy issued by the **Insurer** respond to a **Claim**, and the single policy responding to such **Claim** shall be the Policy in force at the time the earliest act, error, omission or **Occurrence** giving rise to such **Claim** took place, consistent with Section IV.D below, "Related Acts Deemed Single Act."

B. **Reporting of Claims and Circumstances**

1. If, during the **Policy Period** or any applicable Extended Reporting Period, any **Claim** is first made against any **Insured**, the **Insured** must, as a condition precedent to any right to coverage under this Policy, give the **Insurer** written notice of such **Claim** as soon as practicable thereafter, and in no event later than:

    a. With respect to a **Claim** first made during the **Policy Period**, thirty (30) days after the Expiration Date; or
    b. With respect to a **Claim** first made during an extended reporting Period, thirty (30) days after such **Claim** is first made.

    Timely and sufficient notice by one **Insured** of a **Claim** or **Related Claims** shall be deemed timely and sufficient notice for all **Insureds** involved in the **Claim** or **Related Claims**. Such notice shall give full particulars of the **Claim** or **Related Claims**, including, without limitation, a description of the acts, errors or omissions, the identities of the potential claimants and involved **Insureds**, the injury or damages which have resulted and/or may result from such acts, errors or omissions, and the manner in which the **Insured** first became aware of such acts, errors or omissions.

2. If, during the **Policy Period**, an **Insured** first becomes aware of any acts, errors or omissions which may subsequently give rise to a **Claim**, and:

    a. Gives the **Insurer** written notice of such acts, errors or omissions with full particulars as soon as practicable thereafter, but in any event before the end of the **Policy Period**; and
    b. Requests coverage under this Policy for any **Claim** subsequently arising from such reported acts, errors or omissions as soon as practicable after such **Claim** is made;

then any **Claim** subsequently made against the **Insured** arising out of such acts, errors or omissions shall, subject to Condition C. below, be treated as if it had been first made during the **Policy Period**. The full particulars required in any notice given under Condition B.2 above must include, without limitation, a description of the acts, errors or omission, the identities of the potential claimants and involved **Insureds**, the injury or damages which have resulted and/or may result from such acts, errors or omissions, the manner in which the **Insured** first became aware of such acts, errors or omissions, and the reasons why the **Insured** believes a **Claim** is likely to be made. The Insured's conduct of internal loss control activities, without more, will not constitute reporting under Condition B.2.

C. **Related Claims Deemed Single Claim; Date Claim Made**

All **Related Claims**, whenever made, shall be deemed to be a single **Claim** and shall be deemed to have been first made on the earliest of the following dates:

1. The date on which the earliest **Claim** within such **Related Claims** was received by an **Insured**; or
2. The date on which written notice was first given to the **Insurer** of an act, error, omission or **Occurrence** which subsequently gave rise to any of the **Related Claims**, regardless of the number and identity of claimants, the number and identity of **Insureds** involved, or the number and timing of the **Related Claims**, and even if the **Related Claims** comprising such single **Claim** were made in more than one **Policy Period**.

D. **Related Acts Deemed Single Act**

1. With regard to Insuring Agreement I.A., CLAIMS-MADE PROFESSIONAL LIABILITY, all damages arising from the same or related acts, errors or omissions are considered to arise out of a single **Medical Incident.** With regard to the applicability of the Retroactive Date, all related **Medical Incidents** will be considered one **Medical Incident**, which will be considered first occurring on the date that the first **Medical Incident** comprising the related **Medical Incidents** was first committed.
2. With regard to Insuring Agreement I.B., GENERAL LIABILITY, all damages arising from the same or related accidents, acts, offenses, publications or general conditions are considered to arise out of a single **Occurrence**, regardless of the frequency or repetition thereof, the type of damage at issue, or the number of claimants. Such **Occurrence** will be deemed to have first taken place at the time the first **Occurrence** comprising the related accidents, acts or general conditions first occurred.
3. With regard to Insuring Agreement I.C., CLAIMS-MADE EMPLOYEE BENEFITS LIABILITY, all damages arising from the same or related acts, errors or omissions in **the Insured's Administration** of its **Employee Benefit Program** are considered to arise out of a single act, error or omission. With regard to the applicability of the Retroactive Date, all related wrongful acts will be considered one wrongful act, which will be considered first occurring on the date that the first wrongful act comprising the related acts, errors or omissions was first committed.

E. **Defense and Settlement**

1. The I**nsurer** will have the right to make investigations and conduct negotiations and to enter into such settlement of any **Claim** as the **Insurer** deems appropriate.
2. With respect to Insuring Agreement I.A, the **Insurer** will have no obligation to pay **Loss** or **Defense Expenses**, or to defend or continue to defend any **Claim** after the **Insurer's** maximum aggregate Limit of Liability, as set forth in Item 4. (b) of the Declarations, has been exhausted by the payment of **Loss**.
3. With respect to Insuring Agreement I.B, the **Insurer** will have no obligation to pay **Loss** or **Defense Expenses**, or to defend or continue to defend any **Claim** after the **Insurer's** maximum aggregate Limit of Liability, as set forth in Item 4. (d) of the Declarations, has been exhausted by the payment of **Loss**.

4. With respect to Insuring Agreement I.C, the **Insurer** will have no obligation to pay **Loss** or **Defense Expenses**, or to defend or continue to defend any **Claim** after the **Insurer's** maximum aggregate Limit of Liability, as set forth in Item 4. (f) of the Declarations, has been exhausted by the payment of **Loss**.

F. **Assistance and Cooperation**
In the event of a **Claim**, the **Insureds** shall provide the **Insurer** with all information, assistance and cooperation that the **Insurer** reasonably requests. At the **Insurer's** request, the **Insureds** shall assist in:

1. Investigating, defending and settling **Claims**;
2. Enforcing any right of contribution or indemnity against a third party who may be liable to any **Insured**; and
3. The conduct of actions, suits, appeals or other proceedings, including but not limited to, attending trials, hearings and depositions, securing and giving evidence, and obtaining the attendance of witnesses.

G. **Inspection and Audit**
The **Insurer** will be permitted, but not obligated, to inspect the **Insured's** property and operations at any time, upon reasonable notice. Neither the **Insurer's** right to make inspections nor the making of any such inspections shall constitute an undertaking, on behalf of or for the benefit of the **Insured** or others, to determine or warrant that such property and operations are safe. The **Insurer** may examine and audit the Insured's books and records at any time, upon reasonable notice, as far as such books and records relate to the subject matter of this Policy.

H. **Subrogation**
In the event of any payment hereunder, the **Insurer** shall be subrogated to the extent of any payment to all of the rights of recovery of the I**nsureds**. **The Insureds** shall execute all papers and do everything necessary to secure such rights, including the execution of any documents necessary to enable the **Insurer** effectively to bring suit in the **Insureds'** name.

I. **Other Insurance/Other Indemnification**

1. This Policy shall be excess of and shall not contribute with:

   a. Any other insurance or plan or program of self-insurance (whether collectible or not), unless such other insurance or self-insurance is specifically stated to be in excess of this Policy; and
   b. Any contribution or indemnification to which an **Insured** is entitled from any entity other than another **Insured**.
   This Policy shall not be subject to the terms of any other policy of insurance or plan or program of self-insurance.

2. If any other policy or policies issued by the **Insurer** or any of its affiliated companies, or by any predecessors or successors of the **Insurer** or its affiliated companies, shall apply to any **Claim**, then the aggregate limit of liability with respect to all **Loss** covered under this Policy and all covered loss under such other policies shall not exceed the highest applicable limit of liability, subject to its applicable deductible or retention, that shall be available under any one of such policies, including this Policy. This Condition I.2 shall not apply with respect to any other policy which is specifically written as excess insurance over this Policy.

J. **Mergers, Acquisitions, or Newly Created Entities**
If, during the **Policy Period**, any of the following events occurs:

1. **Any Insured Entity** acquires any assets, acquires a **Subsidiary**, or acquires any entity by merger and, at the time of such transaction, the assets so acquired or the assets of the entity so acquired exceed fifteen (15%) of the total assets of the Parent Corporation as reflected in the Parent Corporation's most recent consolidated financial statements; or

2. Any **Insured Entity** assumes any liabilities and, at the time of such assumption, the liabilities so assumed exceed fifteen percent (15%) of the total liabilities of the Parent Corporation as reflected in the Parent Corporation's most recent consolidated financial statements; then, for a period of thirty (30) days after the effective date of such event, the coverage granted by this Policy shall extend to any Claims arising out of covered acts, errors, omissions or **Occurrences** that take place after the effective date of such event and arise out of or relate to the entity, assets or liabilities acquired, assumed or merged with. After the expiration of such thirty (30) day period, there shall be no coverage under this Policy for such **Claims** unless: (a) within such thirty (30) day period, the **Insurer** receives from the **Insured** such information regarding details of the transaction as the **Insurer** requests and; (b) the **Insurer** specifically agrees by written endorsement to this Policy to provide such coverage upon such terms, conditions and limitations, including payment of additional premium, as the **Insurer,** at its sole discretion, may require.

K. **Sales or Dissolution of Insured Entities; Cessation of Business**

1. If, during the **Policy Period**:

    a. The Named Insured is dissolved, sold, acquired by, merged into or consolidated with another entity such that the **Named Insured** is not the surviving entity, or such that any person, entity or affiliated group of persons or entities obtains:

        i. The right to elect or appoint more than fifty percent (50%) of the **Named Insured's** directors, trustees or member managers, as applicable; or
        ii. More than fifty percent (50%) of the **Named Insured's** equity or assets; or

    b. The **Named Insured** ceases to do business for any reason; or
    c. A receiver, liquidator, conservator, trustee, rehabilitator or similar administrator is appointed for the **Named Insured**;

    then in any such event (any of which events is referred to in this Condition K. as a "Material Event"), coverage under this Policy for all **Insureds** shall continue in full force and effect until the Expiration Date or any earlier cancellation date, but this Policy shall apply only to covered acts, errors or omissions committed or allegedly committed before such Material Event. There will be no coverage under this Policy with respect to any **Claim** against any **Insured** based upon, arising out of, directly or indirectly resulting from, in consequence of, or in any way involving any covered acts, errors or omissions committed or allegedly committed on or after the date of such Material event.

2. If, during the **Policy Period**, any **Insured Entity** other than the **Named Insured** is involved in a Material Event, coverage under this Policy for covered acts, errors or omissions committed or allegedly committed before such Material Event by such **Insured Entity** shall continue in full force and effect until the Expiration Date or any earlier cancellation date. There will be no coverage under this Policy with respect to any **Claim** against such **Insured Entity** based upon, arising out of, directly or indirectly resulting from, in consequence of or involving any way or involving any otherwise covered acts, errors or commissions of such Material Event. Coverage under this Policy shall continue in full force and effect for all other **Insureds**.

L. **Cancellation or Non-Renewal**

1. The Insurer may cancel this Policy by mailing written notice to the **Named Insured** at the last known address stated in Item 1 of the Declarations stating when, no less than sixty (60) days thereafter or such longer period as may be required by law, such cancellation shall be effective. However, in the event the **Insured** fails to pay

a premium when due, the **Insurer** may cancel this Policy effective upon ten (10) days' written notice, or such longer period as may be required by law, by providing notice to the **Named Insured** in the manner set forth in the preceding sentence.

2. The **Named Insured** may cancel this Policy prospectively only by mailing the **Insurer** written notice stating when thereafter such cancellation shall be effective. In such event, the earned premium shall be computed in accordance with the customary short rate table and procedure.
3. Premium adjustment may be made either at the time cancellation is effective or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.
4. If at the time of cancellation any **Claim** to which this Policy may apply has been made against any **Insured**, the Insurer will consider the minimum earned premium to be 100% and the same will be deemed fully earned.
5. The **Insurer** will not be required to renew this Policy upon its expiration.

M. **Extended Reporting Periods**

If this Policy is canceled for any reason other than non-payment of premium or is not renewed by the **Insurer,** an extended Reporting Period shall be made available as described in this Condition M.; however, any such Extended Reporting Period shall apply only to **Claims** which arise out of acts, errors, omissions or **Occurrences** taking place before the effective date of such cancellations or non-renewal ("Termination Date.") No Extended Reporting Period shall in any way increase the applicable Limit of Liability as stated in Items 4. (a) thru (f) of the Declarations, and the **Insurer's** maximum aggregate Limit of Liability for all **Loss** from all **Claims** first made during the **Policy Period** or any Extended Reporting Period shall not exceed the Limit of Liability stated in Item 4. (g) of the Declarations. The offer of renewal terms, conditions, limits of liability, retentions or premium different from those in effect prior to renewal shall not constitute cancellation or refusal to renew for purposes of this Condition M. The Extended Reporting Period will apply as follows:

1. The **Insured** shall be entitled to an Automatic Extended Reporting Period of sixty (60) days, beginning as of the Termination Date and requiring no additional premium; provided, however, that such automatic Extended Reporting Period will remain in effect only as long as no other policy of insurance is in effect that would apply to any **Claim** made during such extended Reporting Period.
2. The **Named Insured** may purchase an additional Extended Reporting Period by notifying the **Insurer** in writing of its intention to do so no later than thirty (30) days after the Termination Date. The additional premium for this additional Extended Reporting Period must be paid no later than thirty (30) days after the Termination Date.

If the **Insured** does not elect to purchase an additional Extended Reporting Period as described in condition M.2 above or fails to pay the additional premium therefore within thirty (30) days after the Termination Date, the **Insured** will not have any right to purchase an additional Extended Reporting Period at a later time. Failure to elect to purchase an additional Extended Reporting Period or to pay the additional premium therefore will not affect the application of the automatic Extended Reporting Period described in Condition M.1 above.

N. **Representations and Warranties; Incorporation of Application**

The **Insureds** represent and warrant that the particulars and statements contained in the **Application** are true, accurate and complete, and agree that:

1. This Policy is issued and continued in force by the **Insurer** in reliance upon the truth of such representation;
2. Those particulars and statements are the basis of this Policy; and
3. The **Application** and those particulars and statements are incorporated in and form a part of this Policy.

No knowledge or information possessed by any **Insured** shall be imputed to any other **Insured** for purposes of this Condition N., except for material facts or information known to the person or persons who signed the

Application. In the event of any material untruth, misrepresentation or omission in connection with any of the particulars or statements in the **Application**, this Policy shall be void with respect to any **Insured** who knew of such untruth, misrepresentation or omission, or to whom such knowledge is imputed.

O. **Action Against Insurer**

1. No action shall lie against the **Insurer** unless, as conditions precedent thereto, the **Insureds** have fully complied with all of the terms of this Policy and the amount of the **Insureds**' obligation to pay has been finally determined either by judgment against the **Insureds** after adjudicatory proceedings, or by written agreement of the **Insureds**, the claimant and the **Insurer**.
2. No individual or entity shall have any right under this Policy to join the **Insurer** as a party to any **Claim** to determine the liability of any **Insured**; nor shall the Insurer be impeded by an **Insured** or his, her or its legal representative in connection with any such **Claim**.

P. **Insolvency of Insured**
The **Insurer** shall not be relieved of any of its obligations under this Policy by the bankruptcy or insolvency of any of the **Insureds** or any of their estates.

Q. **Notice**
Notice to any **Insured** shall be sent to **Named Insured** at the address designated in Item 1 of the Declarations. **The Insureds** agree that the **Named Insured** shall act on their behalf with respect to receiving any notices and any return premiums from the **Insurer**.

R. **Changes**
Notice to or knowledge possessed by any agent or other person acting on behalf of the **Insurer** shall not effect a waiver or change in any part of this Policy or estop the **Insurer** from asserting any right under this Policy. This Policy can be altered, waived or changed only by written endorsement issued to form a part of this Policy.

S. **Assignment**
No assignment of interest under this Policy shall bind the **Insurer** without its written consent issued as an endorsement to form a part of this Policy.

T. **Entire Agreement**
The **Insureds** agree that this Policy, including the **Application**, Declarations and any endorsements, constitutes the entire agreement between them and the **Insurer** or any of the I**nsurer's** agents related to this insurance.

U. **Headings**
The descriptions in the headings and sub-headings of this Policy are solely for convenience, and form no part of the terms and conditions of this coverage.

V. **Service of Suit**
Pursuant to any statute of any state, territory or District of the United States which makes provision therefore, we hereby designate the Superintendent, Commissioner or Director of Insurance or other officer specified for that purpose in the statute, or his successor or successors in office, as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the insured or any beneficiary hereunder, arising out of this Policy.

W. **Coverage Territory**
The Coverage Territory shall be deemed to be anywhere in the world, with the exception of any country or jurisdiction which is subject to trade or other economic sanction or embargo by the United States of America, provided a **Claim** or suit for damages within the Coverage Territory must be brought within the United States of America.

Payments under this Policy shall only be made in full compliance with all United States of America economic or trade sanction laws or regulations, including, but not limited to, sanctions, laws and regulations administered and enforced by the U. S. Treasury Department's Office of Foreign Assets Control ("OFAC").

HEALTHCARE LIABILITY INSURANCE POLICY

NMA- MANDATORY ENDORSEMENTS

It is agreed and understood, that these clauses amend and form a part of the terms, exclusion, conditions and limitations of the policy to which it is attached:

SANCTION LIMITATION AND EXCLUSION CLAUSE
LMA3100 - 15/09/10

No (re)insurer shall be deemed to provide cover and no (re)insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

SEVERAL LIABILITY NOTICE
LSW1001 (Insurance) - 08/94

The subscribing insurers' obligations under contracts of insurance to which they subscribe are several and not joint and are limited solely to the extent of their individual subscriptions. The subscribing insurers are not responsible for the subscription of any co-subscribing insurer who for any reason does not satisfy all or part of its obligations.

SERVICE OF SUIT CLAUSE (U.S.A.)
NMA1998 - 24/4/86

It is agreed that in the event of the failure of the Underwriters hereon to pay any amount claimed to be due hereunder, the Underwriters hereon, at the request of the Insured (or Reinsured), will submit to the jurisdiction of a Court of competent jurisdiction within the United States. Nothing in this Clause constitutes or should be understood to constitute a waiver of Underwriters' rights to commence an action in any Court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another Court as permitted by the laws of the United States or of any State in the United States.

It is further agreed that service of process in such suit may be made upon {Response} and that in any suit instituted against any one of them upon this contract, Underwriters will abide by the final decision of such Court or of any Appellate Court in the event of an appeal.

The above-named are authorized and directed to accept service of process on behalf of Underwriters in any such suit and/or upon the request of the Insured (or Reinsured) to give a written undertaking to the Insured (or Reinsured) that they will enter a general appearance upon Underwriters' behalf in the event such a suit shall be instituted.

Further, pursuant to any statute of any state, territory or district of the United States which makes provision therefor, Underwriters hereon hereby designate the Superintendent, Commissioner or Director of Insurance or other officer specified for that purpose in the statute, or his successor or successors in office, as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Insured (or Reinsured) or any beneficiary hereunder arising out of this contract of insurance (or reinsurance), and hereby designate the above-named as the person to whom the said officer is authorized to mail such process or a true copy thereof.

WAR AND TERRORISM EXCLUSION ENDORSEMENT
NMA2918 - 08/10/01

Notwithstanding any provision to the contrary within this insurance or any endorsement thereto it is agreed that this insurance excludes loss, damage, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any of the following regardless of any other cause or event contributing concurrently or in any other sequence to the loss;

I. war, invasion, acts of foreign enemies, hostilities or warlike operations (whether war be declared or not), civil war, rebellion, revolution, insurrection, civil commotion assuming the proportions of or amounting to an uprising, military or usurped power; or
II. any act of terrorism.

For the purpose of this endorsement an act of terrorism means an act, including but not limited to the use of force or violence and/or the threat thereof, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any onizingion(s) or government(s), committed for political, religious, ideological or similar purposes including the intention to influence any government and/or to put the public, or any section of the public, in fear.

This endorsement also excludes loss, damage, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any action taken in controlling, preventing, suppressing or in any way relating to 1 and/or 2 above.

If the Underwriters allege that by reason of this exclusion, any loss, damage, cost or expense is not covered by this insurance the burden of proving the contrary shall be upon the Assured.
In the event any portion of this endorsement is found to be invalid or unenforceable, the remainder shall remain in full force and effect.

RADIOACTIVE CONTAMINATION EXCLUSION CLAUSE-LIABILITY-DIRECT (U.S.A.)
NMA1477 – 13/2/64

In relation to liability arising outside the U.S.A., its Territories or Possessions, Puerto Rico or the Canal Zone, this Policy does not cover any liability of whatsoever nature directly or indirectly caused by or contributed to by or arising from onizing radiations or contamination by radioactivity from any nuclear fuel or from any nuclear waste from the combustion of nuclear fuel.

Owners, Landlords and Tenants Liability, Contractual Liability, Elevator Liability, Owners or Contractors (including railroad) Protective Liability, Manufacturers and Contractors Liability, Product Liability, Professional and Malpractice Liability, Storekeepers Liability, Garage Liability, Automobile Liability (including Massachusetts Motor Vehicle or Garage Liability), not being insurances of the classifications to which the Nuclear Incident Exclusion Clause-Liability-Direct (Limited) applies.

This Policy* does not apply:

I. Under any Liability Coverage, to injury, sickness, disease, death or destruction:
   a. with respect to which an insured under the Policy is also an insured under a nuclear energy liability policy issued by Nuclear Energy Liability Insurance Association, Mutual Atomic Energy Liability Underwriters or Nuclear Insurance Association of Canada, or would be an insured under any such policy but for its termination upon exhaustion of its limit of liability; or
   b. resulting from the hazardous properties of nuclear material and with respect to which (1) any person or organization is required to maintain financial protection pursuant to the Atomic Energy Act of 1954, or any law amendatory thereof, or (2) the insured is, or had this Policy not been issued would be, entitled to indemnity from the United States of America, or any agency thereof, under any agreement entered into by the United States of America, or any agency thereof, with any person or organization.

II. Under any Medical Payments Coverage, or under any Supplementary Payments Provision relating to immediate medical or surgical relief, to expenses incurred with respect to bodily injury, sickness, disease or death resulting from the hazardous properties of nuclear material and arising out of the operation of a nuclear facility by any person or organization.

III. Under any Liability Coverage, to injury, sickness, disease, death or destruction resulting from the hazardous properties of nuclear material, if:
   a. the nuclear material (1) is at any nuclear facility owned by, or operated by or on behalf of, an insured or (2) has been discharged or dispersed therefrom;
   b. the nuclear material is contained in spent fuel or waste at any time possessed, handled, used, processed, stored, transported or disposed of by or on behalf of an insured; or
   c. the injury, sickness, disease, death or destruction arises out of the furnishing by an insured of services, materials, parts or equipment in connection with the planning, construction, maintenance, operation or use of any nuclear facility, but if such facility is located within the United States of America, its territories or possessions or Canada, this exclusion (c) applies only to injury to or destruction of property at such nuclear facility.

IV. As used in this endorsement:

"hazardous properties" include radioactive, toxic or explosive properties; "nuclear material" means source material, special nuclear material or by-product material; "source material", "special nuclear material", and "by-product material" have the meanings given them in the Atomic Energy Act 1954 or in any law amendatory thereof; "spent fuel" means any fuel element or fuel component, solid or liquid, which has been used or exposed to radiation in a nuclear reactor; "waste" means any waste material (1) containing by-product material and (2) resulting from the operation by any person or organization of any nuclear facility included within the definition of nuclear facility under paragraph (a) or (b) thereof; "nuclear facility" means:

a. any nuclear reactor,
b. any equipment or device designed or used for (1) separating the isotopes of uranium or plutonium, (2) processing or utilizing spent fuel, or (3) handling, processing or packaging waste,
c. any equipment or device used for the processing, fabricating or alloying of special nuclear material if at any time the total amount of such material in the custody of the insured at the premises where such equipment or device is located consists of or contains more than 25 grams of plutonium or uranium 233 or any combination thereof, or more than 250 grams of uranium 235,
d. any structure, basin, excavation, premises or place prepared or used for the storage or disposal of waste, and includes the site on which any of the foregoing is located, all operations conducted on such site and all premises used for such operations; "nuclear reactor" means any apparatus designed or used to sustain nuclear fission in a self-supporting chain reaction or to contain a critical mass of fissionable material. With respect to injury to or destruction of property, the word "injury" or "destruction" includes all forms of radioactive contamination of property.

It is understood and agreed that, except as specifically provided in the foregoing to the contrary, this clause is subject to the terms, exclusions, conditions and limitations of the Policy to which it is attached.

* NOTE: As respects policies which afford liability coverages and other forms of coverage in addition, the words underlined should be amended to designate the liability coverage to which this clause is to apply.

HEALTHCARE LIABILITY INSURANCE POLICY

SEXUAL MISCONDUCT AMENDMENT

The following exclusion is added to **SECTION III. EXCLUSIONS, D. 4.** is deleted in its entirety.

The **Insurer** will pay on behalf of the **Insured**, **Loss** and **Defense Expenses,** in excess of the Deductible stated in Item 4. (h) of the Declarations, which the **Insured** becomes legally obligated to pay as a result of a **Sexual Misconduct Claim**, provided always that:

1. such **Claim** is first made against the **Insured** during the **Policy Period** or any applicable Extended Reporting period; and
2. notice of such **Claim** is given to the **Insurer** in accordance with **SECTION IV, CONDITIONS, B.** of this Policy.

We will defend **Sexual Misconduct Claims** applicable to this exclusion until admission of guilt or final adjudication during a criminal proceeding. If any **Insured** committed the conduct specified above, or if such actions are imputed to the **Named Insured**, such **Insured** will reimburse the Insurer for any **Defense Expenses** advanced to the **Insured**.

The most we will pay in **Defense Expenses** and **Loss** for any **Claim** covered under this endorsement is:

$1,000,000	Per Claim
$1,000,000	Annual Aggregate

Under the terms of this endorsement, **Defense Expenses** erode and are within our limit of liability. The limits of insurance afforded under this endorsement erode and are a sub-limit of the Limit of Insurance shown in Item 4. (b) of the Declarations.

For the purpose of this endorsement, **Sexual Misconduct Claim** means a **Claim** that is based upon, arises out of, directly or indirectly results from, is in consequence of, or in any way involves any alleged:

1. Sexual abuse;
2. Sexual harassment, including any unwelcome sexual advance, request for a sexual favor, or other conduct of a sexual nature against a Third Party;
3. Physical abuse;
4. Licentious, immoral or sexual behavior intended to lead to or culminate in any sexual act; or
5. Transmission of any communicable disease; actually or allegedly caused by or at the instigation of, or at the direction of, or omission by, any Insured.

In addition to the exclusions found in **SECTION III,** the following exclusion applies to this endorsement.

1. This coverage does not apply to any sexual misconduct taking place prior to 8/1/2009.

HEALTHCARE LIABILITY INSURANCE POLICY

SELF-INSURED RETENTION

This endorsement modifies insurance provided under this Policy.

The term "Deductible" found in Item 4. of the Declarations Page is deleted in its entirety and replaced with the term "Self-Insured Retention".

Section I. INSURING AGREEMENTS A. and B. are deleted in their entirety and replaced with the following:

A. **CLAIMS MADE PROFESSIONAL LIABILITY**

The **Insurer** will pay on behalf of the **Insured**, subject to the Limit of Liability set forth in Item 4. (a) of the Declarations and **Loss** and **Defense Expenses** excess of the Self-Insured Retention stated in Item 4. (h) of the Declarations, which the **Insured** becomes legally obligated to pay as a result of a **Claim** alleging a **Medical Incident**, provided always that:

1. such **Claim** is first made against the **Insured** during the **Policy Period** or any applicable Extended Reporting period; and

2. notice of such **Claim** is given to the **Insurer** in accordance with **SECTION IV, CONDITIONS, B.** of this Policy.

The **Insurer** will have the right to defend any such **Claim** brought against the **Insured**, and will do so even if any of the allegations of the **Claim** are groundless, false or fraudulent.

B. **COMMERCIAL GENERAL LIABILITY**

The **Insurer** will pay on behalf of the Insured, subject to the Limit of Liability set forth in Item 4. (c) of the Declarations, **Loss** and **Defense Expenses** in excess of the Self-Insured Retention stated in Item 4. (j) of the Declarations, which the **Insured** becomes legally obligated to pay as damages because of **Bodily Injury, Property Damage,** or **Personal or Advertising Injury** caused by an **Occurrence**; provided always that:

1. The **Bodily Injury** or **Property Damage** is caused by an **Occurrence;**

2. The **Bodily Injury** or **Property Damage** occurs during the policy period; and

3. Prior to the policy period, no **insured** knew that the **Bodily Injury** or **Property Damage** had occurred, in whole or in part. If an **insured** knew, that prior to the policy period, that the **Bodily Injury** or **Property Damage** occurred, then any continuation, change or resumption of such **Bodily Injury** or **Property Damage** during or after the policy period will be deemed to have been known prior to the policy period.

Bodily Injury or **Property Damage** will be deemed to have been known to have occurred at the earliest time when an **Insured**:

1. Reports all or part of the **Bodily Injury** or **Property Damage** to us or any other insurer;

2. Receives a written or oral demand or claim for damages because of the **Bodily Injury** or **Property Damage**; or

3. Becomes aware by any other means that **Bodily Injury** or **Property Damage** has occurred or has begun to occur.

The **Insurer** will have the right to defend any such **Claim** brought against the **Insured**, and will do so even if any of the allegations of the **Claim** are groundless, false, or fraudulent.

SECTION II. DEINITIONS, F. is deleted in its entirety and replaced with the following:

F. "**Defense Expenses**" means reasonable fees, costs and expenses incurred by or on behalf of the **Insured** in connection with the defense of a **Claim, i**ncluding Third Party Administrator fees; however, **Defense Expenses** shall not include:

1. Salaries, remuneration, overhead, fees or benefit expenses of an **Insured**;
2. Fines, penalties, or taxes levied against an **Insured**;
3.
4. Fees, costs or expenses incurred without the prior consent of the **Insurer;** or
5. **Loss**.

SECTION IV.CONDITIONS, ITEMS A. 5., 6.and **7**. are deleted in their entirety and replaced with the following:

A. **Limits of Liability**

5. **Defense Expenses** and **Loss** to which this Policy applies are within the **Insurer's** Limit of Liability, and payment of **Defense Expenses** and **Loss** will reduce the Self-Insured Retention and/or applicable Limit of Liability.

6. The obligation of the **Insurer** to pay **Loss** and **Defense Expenses** will only be in excess of the applicable Self-Insured Retention set forth in Item 4 of the Declarations. The **Insurer** will have no obligation whatsoever, either to the Insureds or to any person or entity, to pay all or any portion of such Self-Insured Retention on behalf of any Insured, although the **Insurer** will, at its sole discretion, have the right and option to do so, in which event the **Insureds** agree to repay the **Insurer** any amounts so paid. The Self-Insured Retention shall be in addition to the applicable Limit of Liability.

7. In the event a **Claim** is first made against the Insured during the Policy Period that involves more than one (1) Insuring Agreement under this Policy, it is understood and agreed that only one (1) Self-Insured Retention and one (1) Limit of Liability will apply to such **Claim**, which shall be the highest applicable per **Claim** Limit of Liability set forth in Item 4. (a), (c) or (e) of the Declarations and the Self-Insured Retention corresponding to such Limit of Liability.

SECTION IV. CONDITIONS, E. is amended to include the following:

The **Insurer** has the right to participate in the settlement of any **Claim** that may exceed the **Self-Insured Retention**. If the **Insured** refuses to consent to a settlement or compromise recommended by **Insurer** and elects to contest such **Claim** or continue legal proceedings in connection with such **Claim**, then **Insurer's** liability for the **Claim** shall not exceed the amount for which the **Claim** could have been so settled, plus **Defense Expenses** incurred up to the date of such refusal.

SECTION IV. CONDITIONS, is amended to include the following:

INSOLVENCY

The **Insured's** bankruptcy, insolvency, inability to pay, failure to pay, or refusal to pay the Self-Insured Retention will not increase our obligations under the Policy. In the event there is insurance, whether or not applicable to an **Occurrence** or **Claim** within the Self-Insured Retention, the **Insured** will continue to be responsible for the full amount of the Self-Insured Retention before the limits of insurance under this Policy apply.

THIRD PARTY ADMINISTRATOR

The **Insurer** requires the **Insured** to manage claims within its self-Insure Retention through the use of a third party administrator (hereinafter, "TPA"). The insured or TPA will provide the **Insurer** quarterly reporting all **Claims**, **Medical Incidents** and **Occurrences** to a **Claims.** The agreed upon TPA to manage claims shall be:

Western Litigation, Inc.
1900 West Loop South, Suite 1500
Houston, TX 77027

SECTION IV. CONDITIONS, is amended to include the following:

INSOLVENCY

The **Insured's** bankruptcy, insolvency, inability to pay, failure to pay, or refusal to pay the Self-Insured Retention will not increase our obligations under the Policy. In the event there is insurance, whether or not applicable to an **Occurrence** or **Claim** within the Self-Insured Retention, the **Insured** will continue to be responsible for the full amount of the Self-Insured Retention before the limits of insurance under this Policy apply.

THIRD PARTY ADMINISTRATOR

The **Insurer** requires the **Insured** to provide quarterly reporting all **Claims**, **Medical Incidents** and **Occurrences** to a **Claims** third party administrator (hereinafter, "TPA"). The TPA shall be:

Issue: Extension for the General Paving and Drainage Agreement
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning an Extension for the General Paving and Drainage Agreement - Joy Jones, Director, Engineering and Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board take the following action:

A. Authorize and award an extension to the current General Paving and Drainage Agreement (PD 16-17.081) for a period not to exceed 31 days, for the Unit Price Contract, PD 16-17.081, General Paving and Drainage Pricing Agreement for each of the following firms.

- Allsouth Construction Services, LLC

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18877 **County Administrator's Report 10. 56.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 11/05/2020
Issue: Approval of District One Medical Examiner Employment and Operating Agreements
From: Janice Gilley, County Administrator
Organization: County Administrator's Office
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Approval of Dr. Deanna A. Oleske as the District One Medical Examiner - Janice P. Gilley, County Administrator

That the Board take the following action:

A. Approve the Medical Examiner Employment Agreement for Dr. Deanna A. Oleske pursuant to Florida Statutes 406.06(3); and

B. Approve the Medical Examiner Operating Agreement for the District One Medical Examiner Office pursuant to Florida Statutes 406.08(1).

BACKGROUND:

The District One Medical Examiner position has been vacant since October 1, 2019, and was in an interim status since January 2019. The pool of qualified candidates is extremely low across the country. State Attorney Bill Eddins convened a Medical Examiner selection committee in 2019, comprised of representatives from Escambia, Santa Rosa, Okaloosa, and Walton counties in District One. The committee reviewed resumes and held interviews with candidates.

After unsuccessful attempts at attracting a permanent ME, a consultant, Dr. Thogmartin of Largo, FL, was brought in to assist with the search. Dr. Thogmartin was able to assist the committee with vetting qualified candidates and interviews. On August 19, 2020, the selection committee made a unanimous recommendation of Dr. Deanna A. Oleske. Following support by the four counties in the district of the candidate, the next step is for the District One State Attorney to submit the selection to the Medical Examiners Commission for their consideration. After review and

approval by the Medical Examiners Commission, the candidate will be sent to the Governor for consideration and appointment.

BUDGETARY IMPACT:

Funding is available in Fund 001, General Fund and Cost Center 410201.

LEGAL CONSIDERATIONS/SIGN-OFF:

The County Attorney has reviewed the Employment and Operating Agreements prepared by the DOMES attorney which are being reviewed by the attorney for Dr. Oleske.

PERSONNEL:

All work associated with this request is being accomplished by the DOMES and the District One Medical Examiner.

POLICY/REQUIREMENT FOR BOARD ACTION:

Florida Statutes 406.06(3) and 406.08(1) provide authority over the Medical Examiner employment compensation and operations under the Board of County Commissioners.

IMPLEMENTATION/COORDINATION:

Upon Board approval, the Medical Examiners Commission within the Florida Department of Law Enforcement will review and consider for submittal to the Governor for appointment.

AGREEMENT FOR CONSULTING SERVICES RELATING TO THE ESCAMBIA COUNTY BROADBAND STUDY (P.D. 19-20.095)

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County"), with administrative offices located at 221 South Palafox Place, Pensacola, Florida 32502, and Magellan Advisors, LLC, a Florida limited liability company authorized to conduct business in the State of Florida, FEI/EIN 65-1218484, whose principal address is 999 18th Street, Suite 3000, Denver, CO 80202 (hereinafter referred to as "Consultant").

WITNESSETH:

WHEREAS, on September 28, 2020, the County issued a Request for Proposals (P.D. 19-20.095) seeking a consultant to provide a broadband feasibility study of Escambia County; and

WHEREAS, negotiations pertaining to the services to be performed by the Consultant were undertaken between Consultant and a committee selected by the Board of County Commissioners, and this Agreement incorporates the results of such negotiation.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Consultant agree as follows:

ARTICLE I
PREAMBLE

The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

ARTICLE 2
SCOPE OF WORK

2.1 The Consultant will perform the tasks outlined in *Escambia County's Request for Proposals, Specification No. P.D. 19-20.095, Escambia County Broadband Study*, attached hereto and incorporated herein as **Exhibit A**, and as represented in the Consultant's proposal, attached hereto and incorporated herein as **Exhibit B**.

2.2 In the event of a conflict between the terms of this Agreement and the provisions of Exhibits A and B, the terms of this Agreement shall prevail, and the terms of Exhibit A shall take precedence over any conflicting provisions of Exhibit B.

2.3 The scope of work shall be completed in accordance with the standard care in the profession at the time such services are rendered. Such services, generally, shall include those services performed by a consultant, its employees, and subcontractors.

2.4 The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all services furnished by the Consultant under this Agreement. The Consultant shall, without additional compensation, correct or revise any errors or omissions relating to the performance of services pursuant to the Agreement.

2.5 Neither the County's review, approval or acceptance of, nor payment for, the services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement, and the Consultant shall be and remain liable to the County in accordance with applicable law for all damages to the County caused by the Consultant's negligent performance of any of the services furnished under this Agreement. The rights and remedies of the County provided for under this Agreement are in addition to any other rights and remedies provided by law.

ARTICLE 3
TIME FOR PERFORMANCE

3.1 The schedule for completion of the Consultant's services shall be in accordance with Project *Timeline* set forth in **Section 5** (page 11) of the Consultant's proposal, attached hereto as **Exhibit B**. Unless otherwise agreed to by the parties, the services performed pursuant to this Agreement shall be completed by the Consultant no later than **eight (8) weeks** from the date of the Notice to Proceed.

3.2 These services shall be performed as expeditiously as is consistent with professional skill and care and the orderly progress of the Project. The Consultant's schedule for the performance of its services shall include allowances for periods of time required for the County's review and for its approval of submissions by the Consultant. Time limits established by this schedule, which are hereby approved by the County, shall not be exceeded by the Consultant, except for reasonable cause.

3.3 Prior to beginning the performance of any services under this Agreement, the Consultant must receive in writing a Notice to Proceed from the Contract Administrator.

ARTICLE 4
COMPENSATION AND METHOD OF BILLING AND PAYMENT

4.1 The County agrees to pay the Consultant, as compensation for its services under this Agreement, an aggregate fee for certain project tasks pursuant to the *Cost Estimate* set forth in **Section 5** (page 13) of the Consultant's proposal, attached hereto as **Exhibit B**. At the completion of each task, the Consultant will be compensated by a lump sum amount, which has been negotiated for that task, unless otherwise mutually agreed to by the parties hereto. The total fee for all such services, to be performed by the Consultant, including costs, direct expenses, and any other charges is to be paid as follows: A lump sum amount of **$187,200.00**. Final payment will be subject to approval by the Board of County Commissioners.

4.2 The fees set forth in **Exhibit B** for certain project tasks to be performed by the Consultant shall be inclusive of any direct or indirect expenses or costs of every type, including, but not limited to the Consultant's salaries of professional and administrative staff, sick leave, vacation, unemployment, excise and payroll taxes, contributions for social security, unemployment compensation insurance, retirement benefits, medical and insurance benefits, air travel, auto travel, telephone, facsimile, reproduction costs, other routine overhead expenses, profit, and all other expenses of every type.

4.3 For fees negotiated as a lump sum payment, the Consultant may submit an invoice to the County upon the completion and approval of each task or the partial completion of a task on a pro-rata basis. Invoices shall reflect the amount due and owing for services rendered with appropriate supporting documentation as required by the Contract Administrator. Requests for payment shall not be made more frequently than once a month.

4.4 Payments under this Agreement and interest on any late payments shall be governed by the Local Government Prompt Payment Act, §§ 218.70, et seq., Florida Statutes, as amended.

ARTICLE 5
ADDITIONAL SERVICES AND CHANGES IN SCOPE OF WORK

The County or the Consultant may request changes that would increase, decrease, or otherwise modify the Scope of Work to be provided under this Agreement. Such changes must be in accordance with the procurement policies of the County and must be contained in a written amendment, executed by the parties thereto, with the same formality and of equal dignity prior to any deviation from the terms of this Agreement, including the initiation of any extra work.

ARTICLE 6
GENERAL PROVISIONS

6.1 Termination.

(a) This Agreement may be terminated by either party for cause, or by the County for convenience, upon fourteen (14) days written notice by the terminating party to the other party of such termination in which event the Consultant shall be paid its compensation for services performed to termination date, including all reimbursable expenses then due or incurred to the date of termination.

(b) Termination for cause shall include, but not be limited to, misuse of funds, fraud, lack of compliance with applicable rules, laws, regulations, and ordinances, and failure to perform in a timely manner any provision of this Agreement.

(c) In no event shall a termination for convenience by the County be deemed a default, and any such termination shall not subject the County to any penalty or other claim for damages. If the Consultant abandons this Agreement or causes it to be terminated, the Consultant shall indemnify the County against any loss pertaining to this termination up to a maximum of 1.3 times the full contracted fee amount of the Project. All finished or unfinished documents, data, studies surveys, drawings, maps, models, photographs, and reports prepared by the Consultant shall become the property of the County and shall be immediately delivered by the Consultant to the County.

(d) Vendor suspension or debarment proceedings brought by County pursuant to Chapter 46, Article II, Division 2, Section 46-102, Escambia County Code of Ordinances, shall be grounds for immediate termination of this Agreement.

6.2 Public Records. The Consultant acknowledges that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. Consultant shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Consultant shall also ensure that any public records that are exempt or exempt and confidential from disclosure

are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Consultant agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Consultant fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any right or remedy and after giving the Consultant seven (7) days written notice, during which period the Consultant still fails to allow access to such documents, terminate the Agreement. In such case, the Consultant shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Consultant.

IF CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

6.3 Conflict of Interest. Consultant agrees it shall not contract for or accept employment for the performance of any work or service with any individual, business corporation, or government unit that would create a conflict of interest in the performance of its obligations under this Agreement. Consultant further agrees it will neither take any action nor engage in any conduct that would cause any County employee or official to violate the provisions of Chapter 112, Florida Statutes, relating to ethics in government. Consultant also agrees to comply with the County's ordinance prohibiting conflicts of interest among retained consultants.

6.4 No Contingent Fees. The Consultant warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Consultant to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Consultant any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of this provision, the County shall have the right to terminate the Agreement without liability and at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

6.5 Independent Contractor Status. In the performance of this Agreement hereunder, Consultant is an independent contractor. Consultant shall not hold itself out as an employee, agent or servant of the County; and Consultant shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

6.6 E-Verify. In accordance with §448.095, Florida Statutes, Consultant shall register with and utilize the E-Verify System operated by the United States Department of Homeland Security to

verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors performing work or providing services pursuant to this Agreement to likewise utilize the E-Verify System to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. If Consultant enters into a contract with a subcontractor performing work or providing services on its behalf, Consultant shall also require the subcontractor to provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

6.7 Indemnification. The Consultant agrees to hold harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages or economic loss, arising directly or indirectly, on account of or in connection with the Consultant's negligent, reckless, or wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Consultant or by anyone for whom the Consultant is legally liable. The parties understand and agree that such indemnification by the Consultant relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Consultant's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Consultant agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

6.8 Insurance. The Consultant is required to carry the following insurance:

(a) Commercial General Liability with $1,000,000 minimum per occurrence, including coverage parts of bodily injury, property damage, broad form property damage, personal injury, independent contractors, blanket contractual liability, and completed operations;
(b) Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles;
(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease; and
(d) Professional Liability coverage with $1,000,000 per occurrence minimum limit.

It is understood and agreed by the parties that in the event that the Consultant consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Consultant agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Liability policies shall be underwritten on the occurrence basis, except the professional and environmental impairment coverage may be provided on a claims made basis. Escambia County and the Board of County Commissioners

shall be “additional insureds” on all liability policies (except professional liability). Certificates of insurance shall be provided to Purchasing Manager, P.O. Box 1591, Pensacola, Florida 32597-1591 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County and shall provide for a minimum of thirty (30) days’ notice of cancellation. Escambia County and the Board of County Commissioners also shall be the certificate holders.

6.9 Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

Magellan Advisors, LLC	Escambia County
Attention: John Honker, President	Attention: County Administrator
999 18th Street, Suite 3000	221 Palafox Place
Denver, CO 80202	Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

6.10 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

6.11 Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Consultant acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

6.12 Interpretation. For the purpose of this Agreement, the singular includes the plural and the plural shall include the singular. References to statutes or regulations shall include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation referred to. Words not otherwise defined that have well-known technical or industry meanings, are used in accordance with such recognized meanings. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities.

If the Consultant discovers any material discrepancy, deficiency, ambiguity, error, or omission in this Agreement, or is otherwise in doubt as to the meaning of any provision of the Agreement, the Consultant shall immediately notify the County and request clarification of the County’s interpretation of this Agreement.

This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

6.13 Compliance with Laws. Consultant agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement. Consultant shall at all times maintain appropriate licensing, certification, and registration while performing services pursuant to this Agreement.

6.14 Assignment. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by the Consultant without the prior written consent of the County.

6.15 Severability. If any term or condition of this Agreement is invalid or unenforceable, the remainder of the terms and conditions of this Agreement will remain in full force and effect.

6.16 Survival. All provisions that, by their inherent character, sense, and context, are intended to survive the termination or expiration of this Agreement will survive the termination or expiration of this Agreement.

6.17 No Waiver. The failure of either party to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgment is from the lowest and most responsible and responsive offeror(s)

Instructions to Offerors

1. **General Information**

   All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed to 213 Palafox Place, Room 11.101, Pensacola, Florida 32502 or delivered to the Office of Purchasing, 2nd floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, Florida 32502, in a sealed envelope clearly marked:

   Specification Number PD 18-19.095, Escambia County Broadband Study, Name of Submitting Firm, Time and Date due.

   Note: If you are using a courier service; Federal Express, Airborne, UPS, etc., you must mark airbill and envelope or box with Specification Number and Project Name.

   Regardless of the method of delivery, each offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the offeror(s).

   The following policy will apply to all methods of source selection:

2. **CONDUCT OF PARTICIPANTS**

   After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the purchasing manager.

Definitions

Blackout period means the period between the time the bids/proposals for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise canceled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

Sanctions

The Board may impose any one or more of the following sanctions on a nonemployee for violations of the policy set forth herein:

(a) Rejection/disqualification of submittal
(b) Termination of contracts; or
(c) Suspension or debarment as provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

3. **IDENTIFICATION OF SUBCONSULTANTS/CHANGES AFTER THE FACT**

After delivering an initial proposal in response to this solicitation, all submitters are prohibited from substituting, modifying, or amending those subconsultants identified in the initial written submittal at any time during the course of the solicitation process up to the final award of contract and including question and answer sessions, presentations or technical clarifications and submittals as may be required by the Review/Selection Committee. A substitution or addition of subconsultants or any other material changes to the submittal after the initial response will cause the submittal to be invalid for review and selection purposes.

4. **AWARD**

Award shall be made on an "all-or-none total" basis.

3. **COUNTY INSURANCE REQUIRED**

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best

Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for workers compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the county, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

Workers Compensation Coverage
The contractor shall purchase and maintain workers compensation insurance for all workers compensation obligations imposed by state law and with employers liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

General, Automobile and Excess or Umbrella Liability Coverage
The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employers liability required in the workers compensation coverage section) and the total amount of coverage required.

General Liability Coverage - Occurrence Form Required
Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

Business Auto Liability Coverage
Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, nonowned and hired automobiles and employee nonownership use.

Excess or Umbrella Liability Coverage
Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

Evidence/Certificates of Insurance
Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverages(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability policy.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:
   Escambia County
   Attention: Paul R. Nobles
   Purchasing Manager
   Office of Purchasing, 2nd FL, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32597-1591
   Fax (850) 595-4805

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the county, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

4. **INDEMNIFICATION**

Contractor agrees to save harmless, indemnify, and defend County and their agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County

by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

5. **TERMINATION**

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the county's performance standards. In the event that any of the provisions of the contract are violated by awarded vendor, Escambia County may serve written notice upon the awarded vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

6. **TERMINATION (PUBLIC RECORDS REQUEST)**

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the county may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the county may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

PART I SUMMARY

Escambia County is seeking proposals for a broadband feasibility/engineering study. The purpose of this RFP is to provide the County with the information needed to analyze, select and implement the best solutions to improve broadband connectivity across our entire county so that our network(s) are an asset for community and economic development. The County recognizes reaching our goal may require a mix of technologies and phased build-out plans. Flexibility, ingenuity, and innovation along with a cohesiveness in design will be necessary to reach the ultimate goal of digitally connecting the County's entities through a world-class, next generation network.

Our vision:
All Escambia County residents will be able to use convenient, affordable world-class broadband networks that enable us to survive and thrive in our communities and across the globe.

To achieve this vision, we seek the best path to a ubiquitous broadband network that is ultimately scalable to one Gigabit to homes, businesses and anchor institutions recognizing that this may require a 40 Gigabit or 100 Gigabit backbone. We recognize that there are a variety of models that could be used to achieve our vision and we are open to all of them, including incenting private sector investment, engaging in a public-private partnership, forming a new cooperative or operating as a government utility.

We expect this to be highly interactive and iterative process, with excellent and ongoing communications between the selected vendor and the steering committee so that at the end of the study process, the committee clearly understands the best alternatives for moving forward to achieve the vision.

PART II GENERAL INFORMATION

2-1 PURPOSE

The Board of County Commissioners of Escambia County are seeking proposals from qualified firms relating to provide the County with the information needed to analyze, select and implement the best solutions to improve broadband connectivity across our entire county so that our network(s) are an asset for community and economic development.

2-2 OBJECTIVE

The primary objective of this Request for Proposal (RFP) is the potential selection of the most qualified firm to provide the best path to a ubiquitous broadband network that is ultimately scalable to one Gigabit to homes, businesses and anchor institutions recognizing that this may require a 10 Gigabit backbone.

2-3 REQUIREMENTS

The firm must be available to meet with and advise County staff and the Board of County Commissioners in Escambia County. The firm must also be available to appear at meetings of the Board of County Commissioners on a periodic basis.

The firm must possess a demonstrated ability, knowledge and expertise related to county wide broadband. The firm should also have sufficient knowledge and experience in all matters relevant to the requirements of local governmental entities.

The firm must submit a proposal meeting all requirements of this RFP, and the proposal must be complete and accurate in all respects.

2-4 ISSUING OFFICER

The project Director shall be the County Administrator. The liaison officer shall be Bart Siders, Director, Information Resources. The contracting agency shall be the Escambia County Board of Commissioners, c/o the Office of Purchasing, P.O. Box 1591, Pensacola, Florida, 32597-1591.

2-5 CONTRACT CONSIDERATION

The services solicited through this RFP have yet to be fully defined, and the term of any resulting agreement will be subject to negotiation. This solicitation is intended to be non-binding and the County reserves the right to withdraw, cancel, or postpone the solicitation at any time prior to award.

2-5 REJECTION

The right is reserved by the Board of County Commissioners to accept or reject any or all proposals or to waive any informality, existing in any proposal, or to accept the proposal which best serves the interest and intent of this project and is from the most responsive and responsible proposer.

2-6 INQUIRIES

All questions regarding this RFP shall be directed to Paul Nobles, Purchasing Manager, (850) 595-4918.

2-7 ADDENDA

Any changes made in the RFP shall be brought to the attention of all of those who have provided the proper notices of interest in performing the services.

2-8 SCHEDULE

The following schedule shall be adhered to in so far as practical in all actions related to this procurement:

PART III INFORMATION REQUIRED FROM CONTRACTORS

ALL PROPOSALS SHALL INCLUDE THE FOLLOWING: TECHNICAL AND COST PROPOSAL

3-1 TECHNICAL PROPOSAL

The following will be considered minimal contents of the proposal. Limit proposal to 10 pages.

1. Provide a restatement of the goals, objectives and project tasks to demonstrate the responder's view of the project and your approach to this project. Please reference the **Study/Report Requirements: Sections A – D** in your responses.

2. Provide on your background and experience in the following areas:

   a. Network: Outline the direct knowledge and experience your company

has regarding broadband solutions.

b. Financial: Describe direct experience and knowledge your company has creating and analyzing financial plans and models including capital requirements, operational pro formas, and financing options.
c. Regulatory/Legal: Describe any direct experience and knowledge your company has in analyzing and interpreting the regulatory and legal landscape and providing analysis and guidance on these issues as they pertain to the various options contained in the proposal.
d. Services: Describe any direct experience and knowledge your company has in providing community and business community analysis and guidance surrounding broadband services.
e. Project Management: Outline your company's direct knowledge and experience with structured project management.
f. Partnerships: Share your company's experience in working with state and local governments and public-private sector collaborations.

3. Conflicts of Interest: Provide any information on prospective conflicts of interests, including existing or financial relations with equipment vendors, ISPs or other firms.

4. References: Include at least three references from previous similar projects.

   Identify key personnel who will conduct the project and provide detail of their training and work experience. No change in key personnel assigned to the project will be allowed without the approval of the local project team. Address experience in working with rural communities, schools and townships in regard to this type of study.

   Note: Subcontractors working for the contractor must meet all the requirements of the Request for Proposal (RFP) and any contract between the contractor and the subcontractor must include all contract terms agreed to between the County and the successful contractor.

5. Detailed work plan to include:

   a. Tasks to be accomplished and the budget hours to be expended for each task and subtask. (This will be used as a work plan and managing tool for basis of invoicing.)
   b. Identify project timeline with deliverables and key milestones.
   c. Provide detail regarding local involvement and services expected to complete the project. A minimum of 3 status meetings are to be contained in the work plan in addition to any data collection or input/review meetings.
   d. Outline the project management approach that your company will employ to execute this project and identify individual(s) responsible for

the various areas in the outline.

e. Identify areas of risk for the project based on the contractors detailed work plan and schedule for all aspects of the project including but not limited to financial, construction, legal, product availability, environmental and archaeological.
f. Provide detailed cost estimate of the study, including known project expenses, professional hourly rates and multipliers and estimated service/task hours with a "Not to Exceed" cap. Other ancillary expenses related to the completion of the study will be discussed on a case-by-case basis.
g. Commit to working closely with Steering Committee and County Board.

3-2 FEE PROPOSAL

Escambia County is anticipating a lump sum proposal fee proposal. Proposer's cost proposals shall include an itemized list of all direct and indirect costs associated with the performance of this contract, including, but not limited to, total number of hours at various hourly rates, direct expenses, payroll, supplies, overhead assigned to each person working on the project, percentage of each person's time devoted to the project, and profit.

PART IV CRITERIA FOR SELECTION

Experience and qualifications of the vendor and personnel assigned to this project	30%
Clear understanding of this project	15%
Clear technical proficiency for the mix of technologies and cohesiveness of the network proposed	25%
Project work plan and timeline	10%
Work experience in small and rural communities including counties, cities and townships	10%
Fee Proposal	10%

County Contributions to the Feasibility Study project

To support the selected vendor, the county will, at a minimum, provide the following:

- Recruitment of a project steering team
- Recruitment of focus group participants
- Access to County GIS data
- Access to historical County Permit Data
- Other public information as needed

Reporting Requirements

This section outlines the study and report requirements.

Section A – Current assessment and market demand

- Review of the competitive environment
  - Complete an inventory of existing fiber networks within the county, including ownership and availability for use by other network providers.
  - Provide an overview of current broadband providers' services, pricing strategies and coverage area. To the extent possible, determine and analyze the investment and deployment plans of incumbent providers.
  - Map the location of existing fiber and broadband-related electronics and available broadband speeds available by provider. This information should be provided in a format usable by the County GIS systems.
  - Provide an assessment of the services available to our existing and prospective businesses and how that impacts our economic development efforts.

- Provide a market study to establish a likely market penetration rate and clarify which benefits from a new countywide network might be most important to the residents and businesses. Include information from the following sources
  - Available market and census data
  - Local random sample countywide survey of residents and businesses
  - Focus groups of key constituencies
  - Include a sample survey your firm has used for similar project and the resulting report as an appendix of your proposal

Section B – Technology options

- Determine the best technology path for our county
  - What are the broadband capacities and considerations that are necessary now and in the future that will enable our county to be

economically competitive? What technologies can provide broadband services at those speeds?
  - What are the technologies best suited to the various areas of the County based on geography and demographics?
  - What opportunities exist to provide a protected-ring fiber network that would connect businesses and anchor institutions such as schools, libraries, hospitals, public safety, cities, institutions of higher education and community support organizations?

- Options for services provision to include:
  - Mix of technologies and phased build out plans with multiple platforms scalable to 1 gigabit and include wireless, fiber, ARMER towers, cable, etc.
  - Options should include scenarios using what already exists within the County, with a service level range of 25/10 - 1Gb/50 MBPS to the home/business.
  - Business models and pro forma to be analyzed to include but not be limited to:
    a) Build on existing networks: Options to combine or collaborate with existing providers to provide middle and last mile coverage to the underserved and unserved, with special emphasis on leveraging CAF2 dollars (Connect America Fund Phase II through the FCC. Companies that accepted CAF Phase II support have six years to plan and offer broadband to consumers. Price cap carriers that accepted CAF Phase II support must complete their deployment by the end of 2020.).
    b) Create new networks:
       1. Open Access: The County would finance and contract to build the network and invite other service providers to contract to deliver services over the network.
       2. Proprietary Network:
          i. The County would build and operate the network, with or without private sector operating partners
          ii. The County would incent a private sector partner, including existing cooperatives, the creation of a new cooperative, or other entity to invest, build and operate a network by using development powers as necessary.
       3. Other options that might involve multiple local entities or other scenarios as contractor sees appropriate.

- Conduct pre-engineering study(s) at sufficient depth to estimate costs and approximate implementation timeframes for full network implementation.
  - This evaluation should include an assessment of all available mainstream high-speed technologies either alone or in combination and include an assessment and consideration of both

Fiber to the Premise (FTTP) and wireless technologies. All parts, materials, and service proposed must be currently available on the market and in continuing production (no discontinued manufacturers or parts).
- Assessment of primary and redundant backhaul connection options between local network and the Internet.
- Define the proposed service area and create a conceptual fiber route and high level design to provide the greatest coverage, showing businesses and publicly owned facilities passed within ½ mile on both sides of the fiber route.
- Use algorithmic tools to combine the map data with historical cost data to provide an estimated cost to offer scalable broadband service for all options identified. Costs will be calculated by service area and anticipated route miles to determine capital costs for fiber optic mainline, access equipment, cell tower backhaul, routers, and switches. Costs should be all inclusive of any design, initial configuration and installation costs.

Section C – Partnership options

- Provide examples of who might be a prospective partner with a brief summary of how each relationship would function.
- What sectors, groups and individuals may help our county achieve the broadband goals? Please identify synergies and sharing opportunities that exist with providers and customers to include but not limited to:
  - ISP Providers, Telecoms, Cooperatives, Statewide telecom networks, Government entities, NGO's, K-12 and higher education, including library systems, Healthcare providers and the industry and business community

Section D – Financing and Legal Considerations

- Provide financing options to include, but not limited to general obligation bonds, revenue bond, public/private partnerships, USDA RUS, other state and federal funding and others where appropriate.
- Provide an assessment of legal requirements, risks and regulations relevant to the building or operation of a network and partnership arrangements.
- Prepare financial projections for at least two project scenarios as selected by the project steering team:
  - Options Identified
  - Operational Cash flow for expenditures
  - One Time and Recurring Capital Expenses
  - Business and technical expertise needed
  - Organizational support
  - Community Support

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(a), FLORIDA STATUTES, ON ENTITY CRIMES

(If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision or any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

7. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

8. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **FloridaStatutes**, means:

   a. A predecessor or successor of a person convicted of a public entity crime; or
   b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.
   c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which Proposals or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.
   d. Based on information and belief, the statement, which I have marked below, is true in

relation to the entity submitting this sworn statement. **(indicate which statement applies.)**

_____Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(attach a copy of the final order).**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THOROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. ADDENDUM NUMBER 2:

Re: PD 19-20.095, Escambia County Broadband Feasibility Study

All:

Your firm recently received an Request for Proposals for the above-mentioned specification.

This Addendum Number 2 provides for:

Response to questions received:

1. How will the County assist in securing third party fiber network information (coverage area, asset routes, location of electronics, capacity, and conduit availability, and future investment/deployment plans)? Have any incumbents provided or agreed to provide this information to the County?
   Response: Our expectation is the selected vendor will perform this work. At this point no incumbents have agreed to provide this information.

2. What level of detail is expected for the GIS layers used to document the third-party fiber network?
   Response: Street Level

3. Is the County anticipating on-the-ground field surveys as part of the pre-engineering planning phase (vs. desktop GIS editing using available base map layers)?
   Response: No, GIS Mapping using base layer maps will be sufficient.

4. Please provide a list of the GIS layers that will be made available for this study.
   Response: County Boundary, Street Centerlines, Parcels, Right of Ways, Zoning, Points of Interest

5. What sample size is anticipated for the residential and business surveys?
   Response: Paul - Not sure? Would 10 percent work?

6. Is the County able to provide both phone numbers and email addresses for residents within the proposed service area for the purposes of conducting the survey?
   Response: No

7. Is the County able to recruit and set up both focus group and large business participants for qualitative research interviews?
   Response: We expect the selected vendor to perform this task.

8. What is the County's goal date to have this broadband study completed?
   Response: If we want to use CAREs money, 12/30/20.

9. How many households/businesses is the County looking to assume for the fee proposal for the broadband study? RFP Part V- Scope of Work mentions 318,316 population and US census data reflects 118,740 households in Escambia County.
   Response: Approximately 120,000 households / businesses.

10. RE: Required Documentation- Certificate of Authority to do Business from the State of Florida, if we have submitted an application to do business with Florida but not yet obtained it, is it possible to submit proof of application pending and notify the County when such approval is obtained?
    Response: Proof of application will be acceptable.

11. Can professional resumes and firm project profiles be included as an Appendix that will not count towards the technical proposal 10-page limit?
    Response: Yes, with a 10 page limit of resumes.

12. The title page and page i. mention hard copy options to include instructions for labeling the sealed envelope with submittal documents, but page 10 section 2-9 of the RFP indicates the all responses are required to be submitted electronically via the Vendor Registry portal. Please confirm the preferred / required submission option.
    Response: On the title page there is an "OR" for delivery. The County's preference is for electronic delivery. We are allowing the option.

13. What is the estimated budget for the requested scope of work?
    Response: The RFP's will be evaluated with cost being one of the variables.

14. What is the desired timeline for the project from contract execution to project closeout?
    Response: Project should be complete by 12/30/20

15. Is the County already engaged in any type consulting and/or engineering agreement related to broadband, technology, or city master planning?
    Response: No

16. Has the County investigated any needs or use cases for specific "smart city" or IoT applications?
    Response: No

17. Has the County deployed any "smart city" services or IoT application projects or programs?
    Response: No

18. Has the County pursued and/or been awarded any grants or funding dedicated to broadband development?
    Response: Not at this point.

19. Has the County performed or acquired data collection (LiDAR, or other) for any/all public RoW?
    Response: The County can provide a GIS Layer of Right of Ways

20. What GIS (CAD, PDF, or other) data can the city provide? What is the existing GIS software, and will any change need to be made?
    Response: County Boundary, Street Centerlines, Parcels, Right of Ways, Zoning, Points of Interest

21. Are there special GIS requirements for the City?
    Response: No

22. Has the County determined that it would prefer to solely own and operate and provide service, or is the County still open to other partnerships and business models?
    Response: The County is open to various solutions.

23. Would the County entertain coordinating or partnering with adjacent counties (in FL and/or AL)?
    Response: Yes, the County is open to various solutions.

Cover Letter

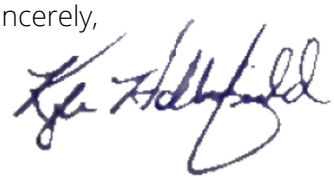
October 19, 2020
Paul R. Nobles
Purchasing Manager

Dear Mr. Nobles,

Magellan Advisors is pleased to submit our response to Escambia County's RFP for a Broadband Feasibility and Engineering Study. We applaud Escambia County's efforts to understand and improve the broadband environment in your community. Magellan believes local choice is crucial in determining what broadband services are provided to your community to ensure your citizens, businesses and community organizations receive the best possible services at affordable prices. Our mission at Magellan is to help you understand the range of options that will allow you to achieve this goal with a reliable, real-world assessment and strategies that are based on your community's needs. We provide honest, unbiased information to local governments that they can use to make informed decisions about what role they should play in broadband development within their communities.

Magellan provides professional consulting services to local governments that want to develop effective broadband strategies; strategies that are unique to their communities and are based on real-world and demonstrable success. We provide broadband planning and implementation services for local governments and public utilities across the US, assisting over 400 cities, counties and public utilities to develop and execute plans that improve local broadband.

We understand the challenges counties face in developing broadband strategies across their communities. Magellan has worked to develop plans for counties across the US that face similar challenges as Escambia County and understands how to accomplish effective planning across a diverse County of communities that range from several hundred to several thousand in population. Magellan assists county governments in creating actionable strategies to leverage existing infrastructure, develop strategic partnerships, create successful broadband policies and identify smart city investments to enhance municipal operation, businesses, education, healthcare and quality of life for all citizens in Escambia County. Magellan Advisors is a Florida based firm with local offices in Miami, Palm Beach and Orlando. Magellan has worked with local communities across Florida for the past 16 years. We have worked with the communities of Martin County, Palm Beach County, Charlotte County, Seminole County, and the cities of Jupiter, Palm Beach Gardens, Ft Lauderdale, Sunrise, Bartow, Lakeland, Winter Haven and others in engagements with similar goals outlined in this project.



As every community is unique, our goal is to deliver individually tailored strategies and guidance to you. We will work extensively with your steering committee, municipal staff and departments in your communities to understand how your organization can best approach broadband issues, using your unique capabilities and strengths. We strive for a deep understanding of your community's broadband issues, needs and opportunities through extensive stakeholder outreach with community leaders, businesses and citizens.

Our real-world experience designing, building and operating these networks allows us to customize them specifically to support municipal, utility and smart city needs. We complement these designs with full cost estimates and financial plans that detail the revenues and costs generated by the network, based on actual data from active broadband networks.

We believe that broadband consultants are only as good as the results they produce in their clients' communities. Through our work, we've helped municipalities enhance their communities with leading edge broadband services. We understand that Escambia County is at a critical point where you need a clear and detailed understanding of your options to support your community's broadband needs. At this crossroads, you need to weigh the many cost/benefit scenarios and decide which path forward is best for the County, organizationally, financially and operationally. Magellan is prepared to help you through this complex process to evaluate the feasible options to support your decision-making process around broadband expansion.

If you have any questions or we can be of assistance in any way, please feel free to contact me with any questions or comments. You can reach me directly at 276-591-6801 or Khollifield@magellan-advisors.com.

Sincerely,

Kyle Hollifield
Executive VP, Magellan Advisors

TECHNICAL PROPOSAL

Section A – Current Assessment and Market Demand

Competitive Market Assessment

Magellan will work with the County to determine the current broadband environment, including updated maps of broadband availability, speeds and providers. The competitive market assessment will determine the services that are available, providers, service level, pricing, and access. We will document all publicly owned and privately-owned networks in the communities and build a comprehensive GIS-based broadband map to illustrate how the County is served by broadband and what providers currently serve the market. We will include details on all download and upload capacity and inventory on all physical transport. Through our survey tool we will provide speed testing tools so that residents, community anchors and businesses can report ACTUAL SPEEDS and experiences, versus what is advertised on providers' websites.

We will provide you with a graphical and visual representation of the current market, based on the survey and data collected for the market. This graphical representation will give you unique and valuable data on the actual broadband market in Escambia so you can understand the following:

1. Actual speeds that residents, anchors and businesses are receiving
2. Actual pricing that residents, anchors and businesses pay for services
3. Territories for providers operating in each community
4. Customer satisfaction levels with broadband providers
5. Key issues that impact customers across the County
6. Identify Underserved and Unserved areas

Magellan will then use this information to measure current and future demand for broadband services for the County using a combination of market research and survey tools, interviews and focus groups with local stakeholders and data collected across the community.

Needs Assessment

This assessment will first evaluate the County's needs for current and future broadband infrastructure. We will help you assess the benefits gained by equipping your infrastructure assets with fiber and wireless connectivity to support many growing municipal and community needs. Magellan will help you determine the broadband needs of the community, including small businesses, large businesses, enterprises, community anchors and residents. We believe that you should gain a fundamental understanding of demand for broadband services in the County, levels of digital literacy among users, and perceived value of service to determine the overall level of need today and in the future. This demand is a key driver of the overall business model and financial sustainability of a potential project. In other projects, Magellan has been able to aggregate demand from these stakeholder groups to support overall feasibility of proposed broadband networks. We will work with you to organize the best way to assess needs and identify demand in the community. This process generally involves outreach with stakeholder groups to learn about specific broadband and technology needs and an online survey. The outreach may include:

Public/Municipal Outreach: We believe that stakeholder involvement is critical to the success of these projects, and with assistance from the County, we will work to establish an interview schedule for municipal leaders across the County including IT, public works, finance and leadership as well as other important department leaders throughout the County and its communities..

Private Providers: To receive the most accurate and updated information Magellan will reach out to the private retail providers operating in Escambia County to be included in stakeholder outreach discussions. Since service providers are a critical part of the broadband environment in Escambia it is important to engage them early in the planning process. Magellan will hold one-on-one interviews with providers allowing them to share information on their current network, expansion and upgrade plans and willingness to partner with the County to better serve its communities.

Anchors and Enterprise Businesses: Engaging stakeholders is an imperative step to understand their actual needs, particularly among your large broadband users, including schools, hospitals, regional government organizations and large enterprise businesses. We suggest scheduling one-on-one and group meetings with these stakeholders so we can understand their existing broadband services and future needs. This will help us identify key points through the County that require high-speed broadband infrastructure. We believe in-person meetings are most effective and we would plan on holding hour-long meetings with each of your key stakeholders.

Businesses: Magellan will conduct outreach with business associations, chambers of commerce and other business and economic development stakeholders in the region. Due to the size of the County, we recommend conducting focus groups with small and medium businesses that are representative of the greater Escambia County business community. We'll work with you to determine what parameters are important in this outreach to ensure your business community is well represented in the project. Magellan's survey campaign will be released to all businesses in Escambia County through the appropriate channels to be decided upon between the County's team and Magellan. Many times, this includes assistance from chambers of commerce and business associations.

Magellan will use the data collected from all outreach meetings and surveys to compile a "state of broadband" in Escambia County. We believe that this data is essential to start the project off successfully. Magellan will depend on the assistance and participation of Escambia County's team to achieve effective meetings and statistically valid results. Sample survey included as an appendix to this RFP.

Section B – Technology Options

Magellan's Engineering, Procurement and Construction (EPC) group, located in our Kansas City office, will work collaboratively to develop a pre-engineering design of an initial fiber "community" layout using the County's current infrastructure including site priorities. We will present various options from which the County can comment and will work to develop various versions until we have consensus on the best approach, and fiber routing diagram. We will identify all sites to be connected and will include all proposed fiber and/or wireless routes (both backbone, distribution and laterals). We will outline all infrastructure required, including technical specifications, capacity plan, build plan and schematic diagrams.

The design will focus on best opportunities to leverage and connect with networks created with federal funding including CAFII, RDOF, and other publicly funded networks including E-Rate, BTOP and more. We will also investigate recent CBRS recipients to see if any alignment can be created with awardees for backhaul and possibly last mile connections.

We will also generate an initial bill of material (BOM) to support this engagement, and network cost estimating requirements. All systems designs will be provided to Escambia County in ESRI shapefile, and/or Google Earth KMZ formats. Magellan will incorporate and confirm the information already collected by the County and the individual communities in regard to opportunities.

Magellan understands that wireless may be an important element especially for last mile opportunities. Magellan will identify various wireless technologies which could support wireless connections for Smart City and other future

IoT initiatives. This will include identifying potential Wireless gateway/collector locations which could ideally be placed throughout the County, and the connectivity requirements for appropriate fiber backhaul. We will analyze existing vertical assets within the four communities' inventory to inform this Broadband Study.

Business Models

We will help Escambia County analyze a range of business model options in the framework of financial, operational, and organizational requirements to determine which models are a "best fit" for the County, have the greatest chance of success, and will be the most financially sustainable.

Magellan will work with the County to define the range of business model options to evaluate for expanded fiber deployment, which may include the following:

- Open Access
- Wholesale dark fiber and/or services in partnership with telecommunications providers
- Retail services to a range of customer segments, which may include anchors, businesses and/or residential
- Partnership models with existing broadband providers or other public utilities in the region
- Others to be determined.

Magellan will evaluate the current financial and budgetary environment for the network. We believe that Escambia County's decision-making process for a network expansion needs to include financial analysis of the proposed hardware solution and the operational costs that the County will incur in deploying the selected solution. These operational costs include more than equipment service contracts; the selected solution will have financial impacts across many aspects of County operations. We want to make sure these are evaluated so the County understands all financial impacts to the organization.

Section C – Partnership options

Magellan assists communities in developing public-private partnerships that achieve the communities' goals. We help local governments use their public-sector capabilities and assets to attract broadband partners to deploy Gigabit Internet and other leading services to citizens and businesses. Through our deep industry contacts and experience, we help communities find the right providers to deliver the services they need. Magellan will assist Escambia County in investigating the opportunities for public-private and public-public partnerships including the possibility of a mutually profitable partnership with other local municipalities. We will investigate all opportunities that the County could align with projects that have already been funded by public dollars as well as how these partnerships could be leveraged to attract more funding.

Some of the key questions that we will address in this section include:

- How will joint investment in broadband infrastructure be accomplished between the County and private sector organizations?
- What operational structures should be considered by the County and private sector organizations in use of Escambia's proposed infrastructure?
- How will Escambia County balance private sector goals of revenue growth and profitability with public goals of providing affordable and available broadband services across the County?
- How will future system expansion be handled between Escambia and private sector providers and what contributions will the parties make to this infrastructure?
- How will the County maintain neutrality and open interconnection policies with private sector providers, promoting a competitive environment that benefits Escambia County's broadband user base?

- How will an oversight and management board be structured, who will seat the board and what powers and responsibilities will the board have to the project?

Section D – Financing and Legal Considerations

Magellan proposes using our Broadband Financial Sustainability Model to ensure that Escambia County has a full understanding of the business and financial sustainability of various broadband initiatives. Using these tools will allow Escambia to evaluate different business models and make informed decisions on which are most adequate for the County and community – including environments that require no funding.

Our financial models have been specifically developed for broadband utilities and are very similar to electric utility rate studies. Our models are widely used tools to model feasibility and financial performance for over 50 municipal broadband providers. Magellan's financial modeling tools have been utilized to plan and manage broadband network investments for over $500 million in broadband projects nationwide.

Using our financial tools, we suggest using the following process to conduct the business model analysis and make recommendations. We would propose using a 20-year period to analyze the project:

1. Develop the cost model for the network, including one-time and ongoing capital expenditures to build the network.
2. Develop the cost model for operations, including O&M, network operations, field services, staffing, billing and customer service.
3. From the market analysis and outreach, determine the customer segmentation and growth on the network, across each type of customer (business, school, hospital, etc.).
4. Determine a proposed competitive rate schedule for potential services, using pricing information from the market analysis and benchmarking information.
5. Develop financial statements, pro-formas, depreciation schedules, and cash flows.
6. Conduct comprehensive financial analysis on the project to determine overall financial sustainability using key metrics such as free cash flow, debt service coverage, operating margin, and net income.
7. Use scenario analysis to evaluate different business models and determine which are feasible for Escambia County to consider.
8. Recommend the most feasible business model based on overall business and financial sustainability, community benefit, and long-term value to the Escambia community. This model will be designed to generate revenue for the County for a self-sustained broadband maintenance and development program. Our pro-formas will indicate the cost of resources both internally and externally, as estimated based on previous similar engagements.

Regulatory Review

Magellan's staff of experts maintains knowledge on the current and relevant direction of all aspects of broadband and fiber technology including legal, regulatory, and technical aspects. Using this expertise, Magellan will analyze and report on the current regulatory environment in the state of Florida and how it will impact Escambia County in developing a broadband network. Magellan has performed recent regulatory assessments for Florida communities including most recently Escambia County, the cities of Lakeland, Palm Coast, and Fort Lauderdale.

Funding

Magellan will also screen and identify feasible grant and loan programs for Escambia County, including rural and non-rural opportunities. Our analysis will look at the federal FCC, USAC, EDA, HUD and USDA programs as well as State of Florida programs that fund such projects. We will identify the program size, details, qualifications, requirements and other key information for the County to determine the opportunity to fund some of its service area with federal or state funds.

Based on the financial analysis, we will be able to provide the following information to the County to determine the best vehicles and organizational structures to be used for the project. Some of the areas we will analyze include:

- State and federal grant programs
- Joint build and joint contribution projects
- Organizational structures available, for profit, non-profit, economic development corporations, joint powers authorities and joint ventures
- Public/private contribution models
- Total amount of funding needed for the project
- Capital versus operational funding needed for the project
- Funding term, identifying short-term and long-term portions of funding
- Optimizing public and private funding sources

Experience

a. Network:

Magellan Advisors has been working with municipalities and regional organizations for the past 16 years to plan and design fiber and wireless broadband networks. We maintain a full team of designers and professional engineers that work alongside our senior consultants to plan the most effective and efficient broadband network designs. Our direct experience planning and implementing networks will ensure the County has a network that meets its needs now and in the future.

b. Financial:

Magellan's careful planning, design and financial modeling are the primary reasons why our clients have been successful in obtaining grants and federally subsidized loans, as well as private investment, but knowing how to raise capital and the sources of available capital is equally important. Magellan has assisted its clients in planning and support for bond issues, federally subsidized loan applications, federal and state grant applications, and development of private equity business plans. The company as a whole has raised over a billion in funding for fiber to the home projects and middle mile networks and will utilize our knowledge and experience to assist Escambia towards funding opportunities.

c. Regulatory/Legal:

We will analyze and report on the Florida regulatory environment and the impact to the County in developing its network for potential broadband services. Through our work with Escambia County, the City of Palm Coast, City of Lakeland and many others, we have a deep understanding of Florida state statutes.

d. Services:

Magellan's team has worked with over 400 communities to analyze business and community broadband needs and gaps. Our team has led the strategy for over 50 implemented community networks across the US and within

the state of Florida including the City of Clermont, City of Palm Coast, City of Jupiter, City of Lakeland, and City of Winter Haven.

e. Project Management:

For this project, Magellan will provide a solution of subject matter experts to complete quality deliverables for the project. Magellan will serve as the prime contractor for the municipality. Our consultants will provide all project management, specifications and construction administration. Magellan will provide core engineering services including fielding, surveying, boundary mapping and final design. Magellan's design team will manage essential specifications and ensure business objectives are achieved in the design while providing a layer of quality control and compliance management for the design. We have found that pooling our resources allows the experienced subject matter experts to each focus on their individual tasks and provides the highest quality deliverable for our clients.

Magellan's project team will meet on a bi-weekly basis with the County's project team to discuss the status of the project, major milestones and deliverables, and ensure alignment on project goals. Our team can also be available weekly or as needed to keep the project moving forward, due to tight time constraints. We will also be available to present our findings and recommendations to leadership as requested by the County.

f. Partnerships:

Magellan's team regularly works with communities to create public private partnerships that leverage community assets and networks to expand broadband in their communities. We understand that in order to create sustainable networks that partnerships between public and private agencies can be critical to the feasibility. We work with communities from feasibility through RFP release all the way through negotiation. Most recently Magellan developed a public private partnership with the South Bay Council of Governments in Los Angeles that connected 15 communities with a provider to create a regional network to drive economic development in the South Bay Cities.

3. Conflicts of Interest: Provide

Magellan Advisors has no conflicts of interest. We are a vendor neutral firm and do not partner with ISP's, equipment vendors or other broadband firms.

In 2016, Magellan Advisors was contracted by the Stark County Broadband Task Team to develop a Broadband Feasibility Study. The study identified opportunities the County and its local partners could consider to begin making strategic investments in broadband infrastructure, as a way to reduce/control regional local governments telecommunications spend, in addition to providing new infrastructure for use by private sector providers. Magellan provided a detailed research and review of the County, its communities, digital divide, broadband penetration, demographic analysis and market study. Through new regional investments in middle-mile backbone networks, on-net data center facilities, and through smart public policy, Stark's communities can focus on options for directly building or incentivizing additional last-mile fiber buildout. The Stark County Broadband Task Team accepted the final plan in October 2016 and is working through the recommendations as we speak.

City of Palm Coast, Florida - Project: Fiber-to-the-Business Planning & Operations

Contact: Beau Falgout | Title: Assistant City Manager | Office: 386-986-3796 | Email: BFalgout@palmcoastgov.com

Magellan has maintained a long-standing client in the City of Palm Coast, for whom we have provided planning and management of the City's broadband services network. Magellan supported the buildout of FiberNet in 2005-2010 and has worked with the City over the years on planning initiatives.

Magellan provided all construction management, design, implementation, and operations for this network, which provides direct fiber-optic services to the City's business community and anchors. One hundred businesses are currently active on the network, ranging in speeds from 10Mbps to 10Gbps, as well as 16 schools, city and county offices, libraries and other community anchors.

Magellan was once again hired in 2018 to develop a new Business Plan for FiberNet, and is currently working to develop a Fiber P3 with a network solutions provider.

City of Clermont, FL - Project: Feasibility Study, Network Implementation & Standup
Contact: Don Dennis| Title: Information Technology Director |Office: 352-241-7377 |Email: ddennis@clermontfl.org
Magellan Advisors completed a Broadband Plan in 2013 with the intent to replace existing carrier services with a City owned fiber-optic network. Magellan's staff assisted the City in all Enterprise Network Architecture and Design, as well as Project Management/Construction Management of its current City-wide fiber-optic backbone network including routing, switching, firewalls and network security appliances, SCADA, and public safety. Magellan worked closely with the City's IT team to migrate all City sites to the fiber network in 2014.

Magellan Advisors was engaged by the City of Clermont to design a WiFi System to be deployed throughout the downtown and waterfront trails. The design culminated in 65 WiFi access points (APs) being required to support roaming clients, Smart City devices like cameras and sensors, and to provide commercial WiFi access to events and other community functions. Further, the City opted to include data analytics components to track visitor usage and to provide advertising opportunities for local businesses.

Project Team

Kyle Hollifield: Executive Vice President

Kyle Hollifield is a 35-year veteran of the telecommunications industry serving in senior management positions with Alcatel and Standard Telephone and Cable, the first company to deploy under ocean fiber optics from Europe to North America. Kyle most recently has held the position of Vice President of Business Development and Marketing at Bristol Virginia Utilities Authority (BVU), while managing the FOCUS division providing consulting services to other communities wishing to build or improve high speed broadband networks. Kyle has served on the Board of Directors of The North American Fiber to the Home Council, most recently as Chairman of the Board of Directors. Kyle also serves as Vice-Chair of Broadband Communities Magazine and has made many presentations on broadband policy and opportunities to the FCC, RUS, NTIA, NATOA, APPA, National League of Cities, Rural Telecom Cooperative, FTTH, Broadband Communities and NCTC. Kyle holds degrees from the University of Tennessee in Business and Marketing.

Greg Laudeman: Project Manager

Greg Laudeman is a leader in innovative, talent and technology-based economic development strategy, research, and implementation. He is the Executive & Founder of Eduity, LLC, which provides talent- and technology-based economic development services, and is applying social media to transform workforce planning and development. Greg's diverse experience as an analyst, communicator, facilitator, and organizer has always focused on how technology can make communities and organizations more competitive, innovative, and productive. For over a decade Greg led community technology outreach efforts for the Georgia Tech Enterprise Innovation Institute. Greg has a doctorate in Learning and Leadership from the University of Tennessee at Chattanooga, has master degrees in Public Policy from Georgia Tech and Telecommunications from Michigan State, and a bachelor degree in Mass Communication from UTC.

Jessica Zufolo: Vice President of Rural Broadband Strategy

Jessica joins Magellan after serving in various senior leadership roles throughout federal government and non-profit sectors for over 20 years. Prior to joining Magellan, Jessica served for over five years as the Senior Advisor for Strategic Partnerships for the Lifeline Division at the Universal Service Administrative Company (USAC) where she managed all state, federal and tribal engagement that led to the establishment of the Lifeline National Eligibility Verifier. Prior to her tenure at USAC, Jessica was appointed by former President Barack Obama to serve as the Deputy Administrator for the Rural Utilities Service (RUS) at the U.S. Department of Agriculture (USDA) where she helped oversee a $65 billion federal loan and grant portfolio that finances water systems telecommunications and broadband networks, precision agriculture, electric utility, smart grid and renewable energy projects in rural and tribal communities. Jessica also served as the Legislative Director for the National Association of Regulatory Utility Commissioners (NARUC) where she was responsible for developing legislative strategy for all 50 state public service commissions involving telecommunications, technology, consumer protection and water. Early in her distinguished career, Jessica worked on Capitol Hill for eight years overseeing telecommunications and energy policy for the late New York Senator Daniel Patrick Moynihan, Senator Charles E. Schumer of New York and Representative Peter A. Defazio of Oregon. Jessica earned her MBA with Honors from the University of North Carolina at Chapel Hill and a BA in military history and political science from the University of Colorado in Boulder.

Mike Johnson: Senior Consultant

Mike has over 30 years of extensive experience in wireless communications and broadband data network design. He uses his extensive history and knowledge to assist clients in accomplishing project planning and deliverable essential to deploying successful communications and data systems. His strengths include program management, requirements gathering, field test engineering, equipment evaluation, engineering management, and analyzing complex design conceptions. He has also designed wireless broadband equipment for Point to Point, Point to Multipoint and Mesh Radio Networks. Mike holds 4 patents on spectrum sensing, channel coordination, and dynamic location information. He also has current certifications in FTTx architecture, Fiber Plug and Play modules, and FTTx link budgets. Mike holds a Bachelor of Science in Electrical Engineering from the University of Florida.

Mark Lane: Senior Technical Consultant

Mark Lane has over 30 years of experience in enterprise IT, carrier network operations, and technology consulting. While serving as CTO for Bristol Virginia Utilities OptiNet, he helped provide the strategic direction and practical implementation responsible for their fiber-to-the-premise (FTTP) network build-out and broadband service deployment for eight counties in Southwest, VA. His vision and leadership contributed to Bristol, VA being selected as an Intelligent Community Forum Top 7 Intelligent City in 2009. Mark received a bachelor's in computer science from the University of Tennessee.

Matthew Southwell: Associate Project Manager – Design

Matthew Southwell has over 13 years in the telecommunications field. Matthew's career began as a U.S Army Sergeant where he worked on tactical communication systems, Sat-Com radio systems, and deploying weekly COMSEC key changes OTAR (Over the Air Rekeying) with newly deployed radio systems during two Operation Enduring Freedom deployments. Matthew's private sector work includes work with a Motorola radio distributor and contractor where he supported many Federal, State, and local County entities to include: Department of Homeland Security, Immigration and Customs Enforcement, Drug Enforcement Administration, Florida Highway Patrol, Greater Orlando Airport Authority, Orange County Sheriff's Office, and the Lake County Sheriff's Office. Matthew joined Magellan Advisors in 2016 as a telecommunication analyst where he has contributed his knowledge and technical expertise to over 65 broadband projects. Matthew's current role within Magellan includes analysis of client GIS data and mapping, creating conceptual network designs and costing estimates for future fiber builds. Matthew is a Certified Fiber to the Home Professional (CFHP) and holds a Business Management Degree with High Honors from Keiser University in Orlando, FL.

David Brevitz: Senior Consultant – Policy & Regulatory

David has decades of experience in the telecommunications industry from an extensive array of telecommunications engagements in the U.S. and internationally. This experience provides depth and capability in the subjects of broadband trends and planning, market analysis and surveillance, telecommunications stakeholder engagement, wireless and wireless broadband trends and developments, industry financial reporting and analysis, telecommunications company operations, back office systems and business plans, interconnection and unbundled network element pricing, telecommunications service costing and universal service goals and objectives.

Gillian Violette Ed.D.: Research Analyst

Gillian has over a decade of experience working in business management and sales in fields of pharmaceuticals, hospitality, insurance, and training and development. She has experience in managing human resource related functions, staffing, and project management. Gillian joined the Magellan team in the capacity of research, publication, and quality assurance in reporting. She holds a doctoral degree in Educational Leadership where her research focus was related to broadband Internet in K-12 schools and the digital divide, an MBA in Business Administration, and a BS in Business with a minor in Human Resources.

Our team will conduct a formal kick-off meeting and meet with the County Project team on a biweekly basis ensuring at least three status meetings throughout the entirety of the project.

Project Management Approach

Magellan Advisors is structured with dedicated project teams, supporting our clients and projects across North America. We have dedicated consulting teams in Florida, Texas, California and Tennessee, as well as an EPC (engineer, procure, construct) team located in our Orlando, FL and Kansas City, MO offices. Our engagements are managed and structured so that our support teams are multi-tasking, delivering data sets and relevant analysis to the core project team – this includes all aspects of market analysis, mapping/GIS, network design and costing, regulatory/legal, etc. We operate multiple tools to support our projects, including a Project Management portal for daily task management and project reporting. We have adequate project resources to undertake the Escambia engagement at this point in time.

Magellan's team will work closely with the Escambia Steering Committee. We believe the project is a partnership between Magellan and the County in order to develop the best plan for your community. We will engage regularly on our project management platforms as well as our bi-weekly project status calls throughout the duration of the project.

Magellan knows that projects can encounter issues that can cause delays. Many times these are due to lack of access to data and/or lack of engagement and leadership from the client. Communities that are successful creating broadband strategy and networks are prepared to share data, plan alongside our team, connect our consultants with important community anchors and community groups through introductions and engage with Magellan throughout the project.

Project-based responsibility includes:

- Kyle Hollifield – Project Lead
- Greg Laudeman – Project Management
- Jessica Zufolo – Grants Subject Matter Expert
- Mike Johnson – Wireless Subject Matter Expert
- Mark Lane – Technical Subject Matter Expert
- Matthew Southwell – GIS Technician
- Gillian Violette – Project Analyst/Support

Cost Estimate

The total cost to Escambia County for the Broadband Study is a $187,200. Includes all work to be completed by Magellan as stated in this proposal and travel costs.

Magellan will bill in two (2) equal amounts of $93,600. Invoices are payable on net 30 terms from the date of invoice.

Magellan Advisors commits to working closely with the Steering Committee and County Board to ensure a thorough study.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgment is from the lowest and most responsible and responsive offeror(s)

Instructions to Offerors

1. **General Information**

   All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed to 213 Palafox Place, Room 11.101, Pensacola, Florida 32502 or delivered to the Office of Purchasing, 2nd floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, Florida 32502, in a sealed envelope clearly marked:

   Specification Number PD 18-19.095, Escambia County Broadband Study, Name of Submitting Firm, Time and Date due.

   Note: If you are using a courier service; Federal Express, Airborne, UPS, etc., you must mark airbill and envelope or box with Specification Number and Project Name.

   Regardless of the method of delivery, each offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the offeror(s).

   The following policy will apply to all methods of source selection:

2. **CONDUCT OF PARTICIPANTS**

   After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the purchasing manager.

Definitions

Blackout period means the period between the time the bids/proposals for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise canceled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

Sanctions

The Board may impose any one or more of the following sanctions on a nonemployee for violations of the policy set forth herein:

(a) Rejection/disqualification of submittal
(b) Termination of contracts; or
(c) Suspension or debarment as provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

3. **IDENTIFICATION OF SUBCONSULTANTS/CHANGES AFTER THE FACT**

After delivering an initial proposal in response to this solicitation, all submitters are prohibited from substituting, modifying, or amending those subconsultants identified in the initial written submittal at any time during the course of the solicitation process up to the final award of contract and including question and answer sessions, presentations or technical clarifications and submittals as may be required by the Review/Selection Committee. A substitution or addition of subconsultants or any other material changes to the submittal after the initial response will cause the submittal to be invalid for review and selection purposes.

4. **AWARD**

Award shall be made on an "all-or-none total" basis.

3. **COUNTY INSURANCE REQUIRED**

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best

Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for workers compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the county, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

Workers Compensation Coverage
The contractor shall purchase and maintain workers compensation insurance for all workers compensation obligations imposed by state law and with employers liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

General, Automobile and Excess or Umbrella Liability Coverage
The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employers liability required in the workers compensation coverage section) and the total amount of coverage required.

General Liability Coverage - Occurrence Form Required
Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

Business Auto Liability Coverage
Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, nonowned and hired automobiles and employee nonownership use.

Excess or Umbrella Liability Coverage
Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

Evidence/Certificates of Insurance
Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverages(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability policy.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:
   Escambia County
   Attention: Paul R. Nobles
   Purchasing Manager
   Office of Purchasing, 2nd FL, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32597-1591
   Fax (850) 595-4805

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the county, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

4. **INDEMNIFICATION**

Contractor agrees to save harmless, indemnify, and defend County and their agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County

by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

5. **TERMINATION**

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the county's performance standards. In the event that any of the provisions of the contract are violated by awarded vendor, Escambia County may serve written notice upon the awarded vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

6. **TERMINATION (PUBLIC RECORDS REQUEST)**

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the county may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the county may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

PART I SUMMARY

Escambia County is seeking proposals for a broadband feasibility/engineering study. The purpose of this RFP is to provide the County with the information needed to analyze, select and implement the best solutions to improve broadband connectivity across our entire county so that our network(s) are an asset for community and economic development. The County recognizes reaching our goal may require a mix of technologies and phased build-out plans. Flexibility, ingenuity, and innovation along with a cohesiveness in design will be necessary to reach the ultimate goal of digitally connecting the County's entities through a world-class, next generation network.

Our vision:
All Escambia County residents will be able to use convenient, affordable world-class broadband networks that enable us to survive and thrive in our communities and across the globe.

To achieve this vision, we seek the best path to a ubiquitous broadband network that is ultimately scalable to one Gigabit to homes, businesses and anchor institutions recognizing that this may require a 40 Gigabit or 100 Gigabit backbone. We recognize that there are a variety of models that could be used to achieve our vision and we are open to all of them, including incenting private sector investment, engaging in a public-private partnership, forming a new cooperative or operating as a government utility.

We expect this to be highly interactive and iterative process, with excellent and ongoing communications between the selected vendor and the steering committee so that at the end of the study process, the committee clearly understands the best alternatives for moving forward to achieve the vision.

PART II GENERAL INFORMATION

2-1 PURPOSE

The Board of County Commissioners of Escambia County are seeking proposals from qualified firms relating to provide the County with the information needed to analyze, select and implement the best solutions to improve broadband connectivity across our entire county so that our network(s) are an asset for community and economic development.

2-2 OBJECTIVE

The primary objective of this Request for Proposal (RFP) is the potential selection of the most qualified firm to provide the best path to a ubiquitous broadband network that is ultimately scalable to one Gigabit to homes, businesses and anchor institutions recognizing that this may require a 10 Gigabit backbone.

2-3 REQUIREMENTS

The firm must be available to meet with and advise County staff and the Board of County Commissioners in Escambia County. The firm must also be available to appear at meetings of the Board of County Commissioners on a periodic basis.

The firm must possess a demonstrated ability, knowledge and expertise related to county wide broadband. The firm should also have sufficient knowledge and experience in all matters relevant to the requirements of local governmental entities.

The firm must submit a proposal meeting all requirements of this RFP, and the proposal must be complete and accurate in all respects.

2-4 ISSUING OFFICER

The project Director shall be the County Administrator. The liaison officer shall be Bart Siders, Director, Information Resources. The contracting agency shall be the Escambia County Board of Commissioners, c/o the Office of Purchasing, P.O. Box 1591, Pensacola, Florida, 32597-1591.

2-5 CONTRACT CONSIDERATION

The services solicited through this RFP have yet to be fully defined, and the term of any resulting agreement will be subject to negotiation. This solicitation is intended to be non-binding and the County reserves the right to withdraw, cancel, or postpone the solicitation at any time prior to award.

2-5 REJECTION

The right is reserved by the Board of County Commissioners to accept or reject any or all proposals or to waive any informality, existing in any proposal, or to accept the proposal which best serves the interest and intent of this project and is from the most responsive and responsible proposer.

2-6 INQUIRIES

All questions regarding this RFP shall be directed to Paul Nobles, Purchasing Manager, (850) 595-4918.

2-7 ADDENDA

Any changes made in the RFP shall be brought to the attention of all of those who have provided the proper notices of interest in performing the services.

County Contributions to the Feasibility Study project

To support the selected vendor, the county will, at a minimum, provide the following:

- Recruitment of a project steering team
- Recruitment of focus group participants
- Access to County GIS data
- Access to historical County Permit Data
- Other public information as needed

Reporting Requirements

This section outlines the study and report requirements.

Section A – Current assessment and market demand

- Review of the competitive environment
  - Complete an inventory of existing fiber networks within the county, including ownership and availability for use by other network providers.
  - Provide an overview of current broadband providers' services, pricing strategies and coverage area. To the extent possible, determine and analyze the investment and deployment plans of incumbent providers.
  - Map the location of existing fiber and broadband-related electronics and available broadband speeds available by provider. This information should be provided in a format usable by the County GIS systems.
  - Provide an assessment of the services available to our existing and prospective businesses and how that impacts our economic development efforts.

- Provide a market study to establish a likely market penetration rate and clarify which benefits from a new countywide network might be most important to the residents and businesses. Include information from the following sources
  - Available market and census data
  - Local random sample countywide survey of residents and businesses
  - Focus groups of key constituencies
  - Include a sample survey your firm has used for similar project and the resulting report as an appendix of your proposal

Section B – Technology options

- Determine the best technology path for our county
  - What are the broadband capacities and considerations that are necessary now and in the future that will enable our county to be

economically competitive? What technologies can provide broadband services at those speeds?
  - What are the technologies best suited to the various areas of the County based on geography and demographics?
  - What opportunities exist to provide a protected-ring fiber network that would connect businesses and anchor institutions such as schools, libraries, hospitals, public safety, cities, institutions of higher education and community support organizations?

- Options for services provision to include:
  - Mix of technologies and phased build out plans with multiple platforms scalable to 1 gigabit and include wireless, fiber, ARMER towers, cable, etc.
  - Options should include scenarios using what already exists within the County, with a service level range of 25/10 - 1Gb/50 MBPS to the home/business.
  - Business models and pro forma to be analyzed to include but not be limited to:
    a) Build on existing networks: Options to combine or collaborate with existing providers to provide middle and last mile coverage to the underserved and unserved, with special emphasis on leveraging CAF2 dollars (Connect America Fund Phase II through the FCC. Companies that accepted CAF Phase II support have six years to plan and offer broadband to consumers. Price cap carriers that accepted CAF Phase II support must complete their deployment by the end of 2020.).
    b) Create new networks:
       1. Open Access: The County would finance and contract to build the network and invite other service providers to contract to deliver services over the network.
       2. Proprietary Network:
          i. The County would build and operate the network, with or without private sector operating partners
          ii. The County would incent a private sector partner, including existing cooperatives, the creation of a new cooperative, or other entity to invest, build and operate a network by using development powers as necessary.
       3. Other options that might involve multiple local entities or other scenarios as contractor sees appropriate.

- Conduct pre-engineering study(s) at sufficient depth to estimate costs and approximate implementation timeframes for full network implementation.
  - This evaluation should include an assessment of all available mainstream high-speed technologies either alone or in combination and include an assessment and consideration of both

Fiber to the Premise (FTTP) and wireless technologies. All parts, materials, and service proposed must be currently available on the market and in continuing production (no discontinued manufacturers or parts).
- Assessment of primary and redundant backhaul connection options between local network and the Internet.
- Define the proposed service area and create a conceptual fiber route and high level design to provide the greatest coverage, showing businesses and publicly owned facilities passed within ½ mile on both sides of the fiber route.
- Use algorithmic tools to combine the map data with historical cost data to provide an estimated cost to offer scalable broadband service for all options identified. Costs will be calculated by service area and anticipated route miles to determine capital costs for fiber optic mainline, access equipment, cell tower backhaul, routers, and switches. Costs should be all inclusive of any design, initial configuration and installation costs.

Section C – Partnership options

- Provide examples of who might be a prospective partner with a brief summary of how each relationship would function.
- What sectors, groups and individuals may help our county achieve the broadband goals? Please identify synergies and sharing opportunities that exist with providers and customers to include but not limited to:
  - ISP Providers, Telecoms, Cooperatives, Statewide telecom networks, Government entities, NGO's, K-12 and higher education, including library systems, Healthcare providers and the industry and business community

Section D – Financing and Legal Considerations

- Provide financing options to include, but not limited to general obligation bonds, revenue bond, public/private partnerships, USDA RUS, other state and federal funding and others where appropriate.
- Provide an assessment of legal requirements, risks and regulations relevant to the building or operation of a network and partnership arrangements.
- Prepare financial projections for at least two project scenarios as selected by the project steering team:
  - Options Identified
  - Operational Cash flow for expenditures
  - One Time and Recurring Capital Expenses
  - Business and technical expertise needed
  - Organizational support
  - Community Support

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(a), FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(print name of the public entity)

by_____
(print individual's name and title)

for_____
(print name of entity submitting sworn statement)

whose business address is

_____

_____

and (if applicable) its Federal Employer Identification Number (FEIN) is:

_____

(If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision or any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

7. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

8. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **FloridaStatutes**, means:

   a. A predecessor or successor of a person convicted of a public entity crime; or
   b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.
   c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which Proposals or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.
   d. Based on information and belief, the statement, which I have marked below, is true in

relation to the entity submitting this sworn statement. **(indicate which statement applies.)**

_____Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(attach a copy of the final order).**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THOROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

ADDENDUM NUMBER 2:

Re: PD 19-20.095, Escambia County Broadband Feasibility Study

All:

Your firm recently received an Request for Proposals for the above-mentioned specification.

This Addendum Number 2 provides for:

Response to questions received:

1. How will the County assist in securing third party fiber network information (coverage area, asset routes, location of electronics, capacity, and conduit availability, and future investment/deployment plans)? Have any incumbents provided or agreed to provide this information to the County?
   Response: Our expectation is the selected vendor will perform this work. At this point no incumbents have agreed to provide this information.

2. What level of detail is expected for the GIS layers used to document the third-party fiber network?
   Response: Street Level

3. Is the County anticipating on-the-ground field surveys as part of the pre-engineering planning phase (vs. desktop GIS editing using available base map layers)?
   Response: No, GIS Mapping using base layer maps will be sufficient.

4. Please provide a list of the GIS layers that will be made available for this study.
   Response: County Boundary, Street Centerlines, Parcels, Right of Ways, Zoning, Points of Interest

5. What sample size is anticipated for the residential and business surveys?
   Response: Paul - Not sure? Would 10 percent work?

6. Is the County able to provide both phone numbers and email addresses for residents within the proposed service area for the purposes of conducting the survey?
   Response: No

7. Is the County able to recruit and set up both focus group and large business participants for qualitative research interviews?
   Response: We expect the selected vendor to perform this task.

8. What is the County's goal date to have this broadband study completed?
   Response: If we want to use CAREs money, 12/30/20.

9. How many households/businesses is the County looking to assume for the fee proposal for the broadband study? RFP Part V- Scope of Work mentions 318,316 population and US census data reflects 118,740 households in Escambia County.
   Response: Approximately 120,000 households / businesses.

10. RE: Required Documentation- Certificate of Authority to do Business from the State of Florida, if we have submitted an application to do business with Florida but not yet obtained it, is it possible to submit proof of application pending and notify the County when such approval is obtained?
    Response: Proof of application will be acceptable.

11. Can professional resumes and firm project profiles be included as an Appendix that will not count towards the technical proposal 10-page limit?
    Response: Yes, with a 10 page limit of resumes.

12. The title page and page i. mention hard copy options to include instructions for labeling the sealed envelope with submittal documents, but page 10 section 2-9 of the RFP indicates the all responses are required to be submitted electronically via the Vendor Registry portal. Please confirm the preferred / required submission option.
    Response: On the title page there is an "OR" for delivery. The County's preference is for electronic delivery. We are allowing the option.

13. What is the estimated budget for the requested scope of work?
    Response: The RFP's will be evaluated with cost being one of the variables.

14. What is the desired timeline for the project from contract execution to project closeout?
    Response: Project should be complete by 12/30/20

15. Is the County already engaged in any type consulting and/or engineering agreement related to broadband, technology, or city master planning?
    Response: No

16. Has the County investigated any needs or use cases for specific "smart city" or IoT applications?
    Response: No

17. Has the County deployed any "smart city" services or IoT application projects or programs?
    Response: No

18. Has the County pursued and/or been awarded any grants or funding dedicated to broadband development?
    Response: Not at this point.

19. Has the County performed or acquired data collection (LiDAR, or other) for any/all public RoW?
    Response: The County can provide a GIS Layer of Right of Ways

20. What GIS (CAD, PDF, or other) data can the city provide? What is the existing GIS software, and will any change need to be made?
    Response: County Boundary, Street Centerlines, Parcels, Right of Ways, Zoning, Points of Interest

21. Are there special GIS requirements for the City?
    Response: No

22. Has the County determined that it would prefer to solely own and operate and provide service, or is the County still open to other partnerships and business models?
    Response: The County is open to various solutions.

23. Would the County entertain coordinating or partnering with adjacent counties (in FL and/or AL)?
    Response: Yes, the County is open to various solutions.

This Addendum Number 2 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo-copy this form for your records.

Cover Letter

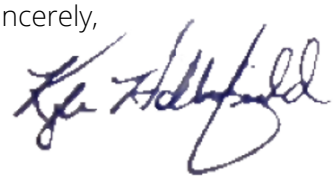
October 19, 2020
Paul R. Nobles
Purchasing Manager

Dear Mr. Nobles,

Magellan Advisors is pleased to submit our response to Escambia County's RFP for a Broadband Feasibility and Engineering Study. We applaud Escambia County's efforts to understand and improve the broadband environment in your community. Magellan believes local choice is crucial in determining what broadband services are provided to your community to ensure your citizens, businesses and community organizations receive the best possible services at affordable prices. Our mission at Magellan is to help you understand the range of options that will allow you to achieve this goal with a reliable, real-world assessment and strategies that are based on your community's needs. We provide honest, unbiased information to local governments that they can use to make informed decisions about what role they should play in broadband development within their communities.

Magellan provides professional consulting services to local governments that want to develop effective broadband strategies; strategies that are unique to their communities and are based on real-world and demonstrable success. We provide broadband planning and implementation services for local governments and public utilities across the US, assisting over 400 cities, counties and public utilities to develop and execute plans that improve local broadband.

We understand the challenges counties face in developing broadband strategies across their communities. Magellan has worked to develop plans for counties across the US that face similar challenges as Escambia County and understands how to accomplish effective planning across a diverse County of communities that range from several hundred to several thousand in population. Magellan assists county governments in creating actionable strategies to leverage existing infrastructure, develop strategic partnerships, create successful broadband policies and identify smart city investments to enhance municipal operation, businesses, education, healthcare and quality of life for all citizens in Escambia County. Magellan Advisors is a Florida based firm with local offices in Miami, Palm Beach and Orlando. Magellan has worked with local communities across Florida for the past 16 years. We have worked with the communities of Martin County, Palm Beach County, Charlotte County, Seminole County, and the cities of Jupiter, Palm Beach Gardens, Ft Lauderdale, Sunrise, Bartow, Lakeland, Winter Haven and others in engagements with similar goals outlined in this project.



As every community is unique, our goal is to deliver individually tailored strategies and guidance to you. We will work extensively with your steering committee, municipal staff and departments in your communities to understand how your organization can best approach broadband issues, using your unique capabilities and strengths. We strive for a deep understanding of your community's broadband issues, needs and opportunities through extensive stakeholder outreach with community leaders, businesses and citizens.

Our real-world experience designing, building and operating these networks allows us to customize them specifically to support municipal, utility and smart city needs. We complement these designs with full cost estimates and financial plans that detail the revenues and costs generated by the network, based on actual data from active broadband networks.

We believe that broadband consultants are only as good as the results they produce in their clients' communities. Through our work, we've helped municipalities enhance their communities with leading edge broadband services. We understand that Escambia County is at a critical point where you need a clear and detailed understanding of your options to support your community's broadband needs. At this crossroads, you need to weigh the many cost/benefit scenarios and decide which path forward is best for the County, organizationally, financially and operationally. Magellan is prepared to help you through this complex process to evaluate the feasible options to support your decision-making process around broadband expansion.

If you have any questions or we can be of assistance in any way, please feel free to contact me with any questions or comments. You can reach me directly at 276-591-6801 or Khollifield@magellan-advisors.com.

Sincerely,

Kyle Hollifield

TECHNICAL PROPOSAL

Section A – Current Assessment and Market Demand

Competitive Market Assessment

Magellan will work with the County to determine the current broadband environment, including updated maps of broadband availability, speeds and providers. The competitive market assessment will determine the services that are available, providers, service level, pricing, and access. We will document all publicly owned and privately-owned networks in the communities and build a comprehensive GIS-based broadband map to illustrate how the County is served by broadband and what providers currently serve the market. We will include details on all download and upload capacity and inventory on all physical transport. Through our survey tool we will provide speed testing tools so that residents, community anchors and businesses can report ACTUAL SPEEDS and experiences, versus what is advertised on providers' websites.

We will provide you with a graphical and visual representation of the current market, based on the survey and data collected for the market. This graphical representation will give you unique and valuable data on the actual broadband market in Escambia so you can understand the following:

1. Actual speeds that residents, anchors and businesses are receiving
2. Actual pricing that residents, anchors and businesses pay for services
3. Territories for providers operating in each community
4. Customer satisfaction levels with broadband providers
5. Key issues that impact customers across the County
6. Identify Underserved and Unserved areas

Magellan will then use this information to measure current and future demand for broadband services for the County using a combination of market research and survey tools, interviews and focus groups with local stakeholders and data collected across the community.

Needs Assessment

This assessment will first evaluate the County's needs for current and future broadband infrastructure. We will help you assess the benefits gained by equipping your infrastructure assets with fiber and wireless connectivity to support many growing municipal and community needs. Magellan will help you determine the broadband needs of the community, including small businesses, large businesses, enterprises, community anchors and residents. We believe that you should gain a fundamental understanding of demand for broadband services in the County, levels of digital literacy among users, and perceived value of service to determine the overall level of need today and in the future. This demand is a key driver of the overall business model and financial sustainability of a potential project. In other projects, Magellan has been able to aggregate demand from these stakeholder groups to support overall feasibility of proposed broadband networks. We will work with you to organize the best way to assess needs and identify demand in the community. This process generally involves outreach with stakeholder groups to learn about specific broadband and technology needs and an online survey. The outreach may include:

Public/Municipal Outreach: We believe that stakeholder involvement is critical to the success of these projects, and with assistance from the County, we will work to establish an interview schedule for municipal leaders across the County including IT, public works, finance and leadership as well as other important department leaders throughout the County and its communities..

Private Providers: To receive the most accurate and updated information Magellan will reach out to the private retail providers operating in Escambia County to be included in stakeholder outreach discussions. Since service providers are a critical part of the broadband environment in Escambia it is important to engage them early in the planning process. Magellan will hold one-on-one interviews with providers allowing them to share information on their current network, expansion and upgrade plans and willingness to partner with the County to better serve its communities.

Anchors and Enterprise Businesses: Engaging stakeholders is an imperative step to understand their actual needs, particularly among your large broadband users, including schools, hospitals, regional government organizations and large enterprise businesses. We suggest scheduling one-on-one and group meetings with these stakeholders so we can understand their existing broadband services and future needs. This will help us identify key points through the County that require high-speed broadband infrastructure. We believe in-person meetings are most effective and we would plan on holding hour-long meetings with each of your key stakeholders.

Businesses: Magellan will conduct outreach with business associations, chambers of commerce and other business and economic development stakeholders in the region. Due to the size of the County, we recommend conducting focus groups with small and medium businesses that are representative of the greater Escambia County business community. We'll work with you to determine what parameters are important in this outreach to ensure your business community is well represented in the project. Magellan's survey campaign will be released to all businesses in Escambia County through the appropriate channels to be decided upon between the County's team and Magellan. Many times, this includes assistance from chambers of commerce and business associations.

Magellan will use the data collected from all outreach meetings and surveys to compile a "state of broadband" in Escambia County. We believe that this data is essential to start the project off successfully. Magellan will depend on the assistance and participation of Escambia County's team to achieve effective meetings and statistically valid results. Sample survey included as an appendix to this RFP.

Section B – Technology Options

Magellan's Engineering, Procurement and Construction (EPC) group, located in our Kansas City office, will work collaboratively to develop a pre-engineering design of an initial fiber "community" layout using the County's current infrastructure including site priorities. We will present various options from which the County can comment and will work to develop various versions until we have consensus on the best approach, and fiber routing diagram. We will identify all sites to be connected and will include all proposed fiber and/or wireless routes (both backbone, distribution and laterals). We will outline all infrastructure required, including technical specifications, capacity plan, build plan and schematic diagrams.

The design will focus on best opportunities to leverage and connect with networks created with federal funding including CAFII, RDOF, and other publicly funded networks including E-Rate, BTOP and more. We will also investigate recent CBRS recipients to see if any alignment can be created with awardees for backhaul and possibly last mile connections.

We will also generate an initial bill of material (BOM) to support this engagement, and network cost estimating requirements. All systems designs will be provided to Escambia County in ESRI shapefile, and/or Google Earth KMZ formats. Magellan will incorporate and confirm the information already collected by the County and the individual communities in regard to opportunities.

Magellan understands that wireless may be an important element especially for last mile opportunities. Magellan will identify various wireless technologies which could support wireless connections for Smart City and other future

IoT initiatives. This will include identifying potential Wireless gateway/collector locations which could ideally be placed throughout the County, and the connectivity requirements for appropriate fiber backhaul. We will analyze existing vertical assets within the four communities' inventory to inform this Broadband Study.

Business Models

We will help Escambia County analyze a range of business model options in the framework of financial, operational, and organizational requirements to determine which models are a "best fit" for the County, have the greatest chance of success, and will be the most financially sustainable.

Magellan will work with the County to define the range of business model options to evaluate for expanded fiber deployment, which may include the following:

- Open Access
- Wholesale dark fiber and/or services in partnership with telecommunications providers
- Retail services to a range of customer segments, which may include anchors, businesses and/or residential
- Partnership models with existing broadband providers or other public utilities in the region
- Others to be determined.

Magellan will evaluate the current financial and budgetary environment for the network. We believe that Escambia County's decision-making process for a network expansion needs to include financial analysis of the proposed hardware solution and the operational costs that the County will incur in deploying the selected solution. These operational costs include more than equipment service contracts; the selected solution will have financial impacts across many aspects of County operations. We want to make sure these are evaluated so the County understands all financial impacts to the organization.

Section C – Partnership options

Magellan assists communities in developing public-private partnerships that achieve the communities' goals. We help local governments use their public-sector capabilities and assets to attract broadband partners to deploy Gigabit Internet and other leading services to citizens and businesses. Through our deep industry contacts and experience, we help communities find the right providers to deliver the services they need. Magellan will assist Escambia County in investigating the opportunities for public-private and public-public partnerships including the possibility of a mutually profitable partnership with other local municipalities. We will investigate all opportunities that the County could align with projects that have already been funded by public dollars as well as how these partnerships could be leveraged to attract more funding.

Some of the key questions that we will address in this section include:

- How will joint investment in broadband infrastructure be accomplished between the County and private sector organizations?
- What operational structures should be considered by the County and private sector organizations in use of Escambia's proposed infrastructure?
- How will Escambia County balance private sector goals of revenue growth and profitability with public goals of providing affordable and available broadband services across the County?
- How will future system expansion be handled between Escambia and private sector providers and what contributions will the parties make to this infrastructure?
- How will the County maintain neutrality and open interconnection policies with private sector providers, promoting a competitive environment that benefits Escambia County's broadband user base?

- How will an oversight and management board be structured, who will seat the board and what powers and responsibilities will the board have to the project?

Section D – Financing and Legal Considerations

Magellan proposes using our Broadband Financial Sustainability Model to ensure that Escambia County has a full understanding of the business and financial sustainability of various broadband initiatives. Using these tools will allow Escambia to evaluate different business models and make informed decisions on which are most adequate for the County and community – including environments that require no funding.

Our financial models have been specifically developed for broadband utilities and are very similar to electric utility rate studies. Our models are widely used tools to model feasibility and financial performance for over 50 municipal broadband providers. Magellan's financial modeling tools have been utilized to plan and manage broadband network investments for over $500 million in broadband projects nationwide.

Using our financial tools, we suggest using the following process to conduct the business model analysis and make recommendations. We would propose using a 20-year period to analyze the project:

1. Develop the cost model for the network, including one-time and ongoing capital expenditures to build the network.
2. Develop the cost model for operations, including O&M, network operations, field services, staffing, billing and customer service.
3. From the market analysis and outreach, determine the customer segmentation and growth on the network, across each type of customer (business, school, hospital, etc.).
4. Determine a proposed competitive rate schedule for potential services, using pricing information from the market analysis and benchmarking information.
5. Develop financial statements, pro-formas, depreciation schedules, and cash flows.
6. Conduct comprehensive financial analysis on the project to determine overall financial sustainability using key metrics such as free cash flow, debt service coverage, operating margin, and net income.
7. Use scenario analysis to evaluate different business models and determine which are feasible for Escambia County to consider.
8. Recommend the most feasible business model based on overall business and financial sustainability, community benefit, and long-term value to the Escambia community. This model will be designed to generate revenue for the County for a self-sustained broadband maintenance and development program. Our pro-formas will indicate the cost of resources both internally and externally, as estimated based on previous similar engagements.

Regulatory Review

Magellan's staff of experts maintains knowledge on the current and relevant direction of all aspects of broadband and fiber technology including legal, regulatory, and technical aspects. Using this expertise, Magellan will analyze and report on the current regulatory environment in the state of Florida and how it will impact Escambia County in developing a broadband network. Magellan has performed recent regulatory assessments for Florida communities including most recently Escambia County, the cities of Lakeland, Palm Coast, and Fort Lauderdale.

Funding

Magellan will also screen and identify feasible grant and loan programs for Escambia County, including rural and non-rural opportunities. Our analysis will look at the federal FCC, USAC, EDA, HUD and USDA programs as well as State of Florida programs that fund such projects. We will identify the program size, details, qualifications, requirements and other key information for the County to determine the opportunity to fund some of its service area with federal or state funds.

Based on the financial analysis, we will be able to provide the following information to the County to determine the best vehicles and organizational structures to be used for the project. Some of the areas we will analyze include:

- State and federal grant programs
- Joint build and joint contribution projects
- Organizational structures available, for profit, non-profit, economic development corporations, joint powers authorities and joint ventures
- Public/private contribution models
- Total amount of funding needed for the project
- Capital versus operational funding needed for the project
- Funding term, identifying short-term and long-term portions of funding
- Optimizing public and private funding sources

Experience

a. Network:

Magellan Advisors has been working with municipalities and regional organizations for the past 16 years to plan and design fiber and wireless broadband networks. We maintain a full team of designers and professional engineers that work alongside our senior consultants to plan the most effective and efficient broadband network designs. Our direct experience planning and implementing networks will ensure the County has a network that meets its needs now and in the future.

b. Financial:

Magellan's careful planning, design and financial modeling are the primary reasons why our clients have been successful in obtaining grants and federally subsidized loans, as well as private investment, but knowing how to raise capital and the sources of available capital is equally important. Magellan has assisted its clients in planning and support for bond issues, federally subsidized loan applications, federal and state grant applications, and development of private equity business plans. The company as a whole has raised over a billion in funding for fiber to the home projects and middle mile networks and will utilize our knowledge and experience to assist Escambia towards funding opportunities.

c. Regulatory/Legal:

We will analyze and report on the Florida regulatory environment and the impact to the County in developing its network for potential broadband services. Through our work with Escambia County, the City of Palm Coast, City of Lakeland and many others, we have a deep understanding of Florida state statutes.

d. Services:

Magellan's team has worked with over 400 communities to analyze business and community broadband needs and gaps. Our team has led the strategy for over 50 implemented community networks across the US and within

the state of Florida including the City of Clermont, City of Palm Coast, City of Jupiter, City of Lakeland, and City of Winter Haven.

e. Project Management:

For this project, Magellan will provide a solution of subject matter experts to complete quality deliverables for the project. Magellan will serve as the prime contractor for the municipality. Our consultants will provide all project management, specifications and construction administration. Magellan will provide core engineering services including fielding, surveying, boundary mapping and final design. Magellan's design team will manage essential specifications and ensure business objectives are achieved in the design while providing a layer of quality control and compliance management for the design. We have found that pooling our resources allows the experienced subject matter experts to each focus on their individual tasks and provides the highest quality deliverable for our clients.

Magellan's project team will meet on a bi-weekly basis with the County's project team to discuss the status of the project, major milestones and deliverables, and ensure alignment on project goals. Our team can also be available weekly or as needed to keep the project moving forward, due to tight time constraints. We will also be available to present our findings and recommendations to leadership as requested by the County.

f. Partnerships:

Magellan's team regularly works with communities to create public private partnerships that leverage community assets and networks to expand broadband in their communities. We understand that in order to create sustainable networks that partnerships between public and private agencies can be critical to the feasibility. We work with communities from feasibility through RFP release all the way through negotiation. Most recently Magellan developed a public private partnership with the South Bay Council of Governments in Los Angeles that connected 15 communities with a provider to create a regional network to drive economic development in the South Bay Cities.

3. Conflicts of Interest: Provide

Magellan Advisors has no conflicts of interest. We are a vendor neutral firm and do not partner with ISP's, equipment vendors or other broadband firms.

Stark County, OH - Project: Broadband Feasibility Study

Contact: Victor Pavona |Title: Task Team Director | Phone: 330.244.3295 | Email: vpavona@cantonsbdc.org

In 2016, Magellan Advisors was contracted by the Stark County Broadband Task Team to develop a Broadband Feasibility Study. The study identified opportunities the County and its local partners could consider to begin making strategic investments in broadband infrastructure, as a way to reduce/control regional local governments telecommunications spend, in addition to providing new infrastructure for use by private sector providers. Magellan provided a detailed research and review of the County, its communities, digital divide, broadband penetration, demographic analysis and market study. Through new regional investments in middle-mile backbone networks, on-net data center facilities, and through smart public policy, Stark's communities can focus on options for directly building or incentivizing additional last-mile fiber buildout. The Stark County Broadband Task Team accepted the final plan in October 2016 and is working through the recommendations as we speak.

City of Palm Coast, Florida - Project: Fiber-to-the-Business Planning & Operations

Contact: Beau Falgout | Title: Assistant City Manager | Office: 386-986-3796 | Email: BFalgout@palmcoastgov.com

Magellan has maintained a long-standing client in the City of Palm Coast, for whom we have provided planning and management of the City's broadband services network. Magellan supported the buildout of FiberNet in 2005-2010 and has worked with the City over the years on planning initiatives.

Magellan provided all construction management, design, implementation, and operations for this network, which provides direct fiber-optic services to the City's business community and anchors. One hundred businesses are currently active on the network, ranging in speeds from 10Mbps to 10Gbps, as well as 16 schools, city and county offices, libraries and other community anchors.

Magellan was once again hired in 2018 to develop a new Business Plan for FiberNet, and is currently working to develop a Fiber P3 with a network solutions provider.

City of Clermont, FL - Project: Feasibility Study, Network Implementation & Standup
Contact: Don Dennis| Title: Information Technology Director |Office: 352-241-7377 |Email: ddennis@clermontfl.org
Magellan Advisors completed a Broadband Plan in 2013 with the intent to replace existing carrier services with a City owned fiber-optic network. Magellan's staff assisted the City in all Enterprise Network Architecture and Design, as well as Project Management/Construction Management of its current City-wide fiber-optic backbone network including routing, switching, firewalls and network security appliances, SCADA, and public safety. Magellan worked closely with the City's IT team to migrate all City sites to the fiber network in 2014.

Magellan Advisors was engaged by the City of Clermont to design a WiFi System to be deployed throughout the downtown and waterfront trails. The design culminated in 65 WiFi access points (APs) being required to support roaming clients, Smart City devices like cameras and sensors, and to provide commercial WiFi access to events and other community functions. Further, the City opted to include data analytics components to track visitor usage and to provide advertising opportunities for local businesses.

Project Team

Kyle Hollifield: Executive Vice President

Kyle Hollifield is a 35-year veteran of the telecommunications industry serving in senior management positions with Alcatel and Standard Telephone and Cable, the first company to deploy under ocean fiber optics from Europe to North America. Kyle most recently has held the position of Vice President of Business Development and Marketing at Bristol Virginia Utilities Authority (BVU), while managing the FOCUS division providing consulting services to other communities wishing to build or improve high speed broadband networks. Kyle has served on the Board of Directors of The North American Fiber to the Home Council, most recently as Chairman of the Board of Directors. Kyle also serves as Vice-Chair of Broadband Communities Magazine and has made many presentations on broadband policy and opportunities to the FCC, RUS, NTIA, NATOA, APPA, National League of Cities, Rural Telecom Cooperative, FTTH, Broadband Communities and NCTC. Kyle holds degrees from the University of Tennessee in Business and Marketing.

Greg Laudeman: Project Manager

Greg Laudeman is a leader in innovative, talent and technology-based economic development strategy, research, and implementation. He is the Executive & Founder of Eduity, LLC, which provides talent- and technology-based economic development services, and is applying social media to transform workforce planning and development. Greg's diverse experience as an analyst, communicator, facilitator, and organizer has always focused on how technology can make communities and organizations more competitive, innovative, and productive. For over a decade Greg led community technology outreach efforts for the Georgia Tech Enterprise Innovation Institute. Greg has a doctorate in Learning and Leadership from the University of Tennessee at Chattanooga, has master degrees in Public Policy from Georgia Tech and Telecommunications from Michigan State, and a bachelor degree in Mass Communication from UTC.

Jessica Zufolo: Vice President of Rural Broadband Strategy

Jessica joins Magellan after serving in various senior leadership roles throughout federal government and non-profit sectors for over 20 years. Prior to joining Magellan, Jessica served for over five years as the Senior Advisor for Strategic Partnerships for the Lifeline Division at the Universal Service Administrative Company (USAC) where she managed all state, federal and tribal engagement that led to the establishment of the Lifeline National Eligibility Verifier. Prior to her tenure at USAC, Jessica was appointed by former President Barack Obama to serve as the Deputy Administrator for the Rural Utilities Service (RUS) at the U.S. Department of Agriculture (USDA) where she helped oversee a $65 billion federal loan and grant portfolio that finances water systems telecommunications and broadband networks, precision agriculture, electric utility, smart grid and renewable energy projects in rural and tribal communities. Jessica also served as the Legislative Director for the National Association of Regulatory Utility Commissioners (NARUC) where she was responsible for developing legislative strategy for all 50 state public service commissions involving telecommunications, technology, consumer protection and water. Early in her distinguished career, Jessica worked on Capitol Hill for eight years overseeing telecommunications and energy policy for the late New York Senator Daniel Patrick Moynihan, Senator Charles E. Schumer of New York and Representative Peter A. Defazio of Oregon. Jessica earned her MBA with Honors from the University of North Carolina at Chapel Hill and a BA in military history and political science from the University of Colorado in Boulder.

Mike Johnson: Senior Consultant

Mike has over 30 years of extensive experience in wireless communications and broadband data network design. He uses his extensive history and knowledge to assist clients in accomplishing project planning and deliverable essential to deploying successful communications and data systems. His strengths include program management, requirements gathering, field test engineering, equipment evaluation, engineering management, and analyzing complex design conceptions. He has also designed wireless broadband equipment for Point to Point, Point to Multipoint and Mesh Radio Networks. Mike holds 4 patents on spectrum sensing, channel coordination, and dynamic location information. He also has current certifications in FTTx architecture, Fiber Plug and Play modules, and FTTx link budgets. Mike holds a Bachelor of Science in Electrical Engineering from the University of Florida.

Mark Lane: Senior Technical Consultant

Mark Lane has over 30 years of experience in enterprise IT, carrier network operations, and technology consulting. While serving as CTO for Bristol Virginia Utilities OptiNet, he helped provide the strategic direction and practical implementation responsible for their fiber-to-the-premise (FTTP) network build-out and broadband service deployment for eight counties in Southwest, VA. His vision and leadership contributed to Bristol, VA being selected as an Intelligent Community Forum Top 7 Intelligent City in 2009. Mark received a bachelor's in computer science from the University of Tennessee.

Matthew Southwell: Associate Project Manager – Design

Matthew Southwell has over 13 years in the telecommunications field. Matthew's career began as a U.S Army Sergeant where he worked on tactical communication systems, Sat-Com radio systems, and deploying weekly COMSEC key changes OTAR (Over the Air Rekeying) with newly deployed radio systems during two Operation Enduring Freedom deployments. Matthew's private sector work includes work with a Motorola radio distributor and contractor where he supported many Federal, State, and local County entities to include: Department of Homeland Security, Immigration and Customs Enforcement, Drug Enforcement Administration, Florida Highway Patrol, Greater Orlando Airport Authority, Orange County Sheriff's Office, and the Lake County Sheriff's Office. Matthew joined Magellan Advisors in 2016 as a telecommunication analyst where he has contributed his knowledge and technical expertise to over 65 broadband projects. Matthew's current role within Magellan includes analysis of client GIS data and mapping, creating conceptual network designs and costing estimates for future fiber builds. Matthew is a Certified Fiber to the Home Professional (CFHP) and holds a Business Management Degree with High Honors from Keiser University in Orlando, FL.

David Brevitz: Senior Consultant – Policy & Regulatory

David has decades of experience in the telecommunications industry from an extensive array of telecommunications engagements in the U.S. and internationally. This experience provides depth and capability in the subjects of broadband trends and planning, market analysis and surveillance, telecommunications stakeholder engagement, wireless and wireless broadband trends and developments, industry financial reporting and analysis, telecommunications company operations, back office systems and business plans, interconnection and unbundled network element pricing, telecommunications service costing and universal service goals and objectives.

Gillian Violette Ed.D.: Research Analyst

Gillian has over a decade of experience working in business management and sales in fields of pharmaceuticals, hospitality, insurance, and training and development. She has experience in managing human resource related functions, staffing, and project management. Gillian joined the Magellan team in the capacity of research, publication, and quality assurance in reporting. She holds a doctoral degree in Educational Leadership where her research focus was related to broadband Internet in K-12 schools and the digital divide, an MBA in Business Administration, and a BS in Business with a minor in Human Resources.

Our team will conduct a formal kick-off meeting and meet with the County Project team on a biweekly basis ensuring at least three status meetings throughout the entirety of the project.

Project Management Approach

Magellan Advisors is structured with dedicated project teams, supporting our clients and projects across North America. We have dedicated consulting teams in Florida, Texas, California and Tennessee, as well as an EPC (engineer, procure, construct) team located in our Orlando, FL and Kansas City, MO offices. Our engagements are managed and structured so that our support teams are multi-tasking, delivering data sets and relevant analysis to the core project team – this includes all aspects of market analysis, mapping/GIS, network design and costing, regulatory/legal, etc. We operate multiple tools to support our projects, including a Project Management portal for daily task management and project reporting. We have adequate project resources to undertake the Escambia engagement at this point in time.

Magellan's team will work closely with the Escambia Steering Committee. We believe the project is a partnership between Magellan and the County in order to develop the best plan for your community. We will engage regularly on our project management platforms as well as our bi-weekly project status calls throughout the duration of the project.

Magellan knows that projects can encounter issues that can cause delays. Many times these are due to lack of access to data and/or lack of engagement and leadership from the client. Communities that are successful creating broadband strategy and networks are prepared to share data, plan alongside our team, connect our consultants with important community anchors and community groups through introductions and engage with Magellan throughout the project.

Project-based responsibility includes:

- Kyle Hollifield – Project Lead
- Greg Laudeman – Project Management
- Jessica Zufolo – Grants Subject Matter Expert
- Mike Johnson – Wireless Subject Matter Expert
- Mark Lane – Technical Subject Matter Expert
- Matthew Southwell – GIS Technician
- Gillian Violette – Project Analyst/Support

Cost Estimate

The total cost to Escambia County for the Broadband Study is a $187,200. Includes all work to be completed by Magellan as stated in this proposal and travel costs.

Magellan will bill in two (2) equal amounts of $93,600. Invoices are payable on net 30 terms from the date of invoice.

Magellan Advisors commits to working closely with the Steering Committee and County Board to ensure a thorough study.

ADDENDUM NUMBER 2:

Re: PD 19-20.095, Escambia County Broadband Feasibility Study

All:

Your firm recently received an Request for Proposals for the above-mentioned specification.

This Addendum Number 2 provides for:

Response to questions received:

1. How will the County assist in securing third party fiber network information (coverage area, asset routes, location of electronics, capacity, and conduit availability, and future investment/deployment plans)? Have any incumbents provided or agreed to provide this information to the County?
   Response: Our expectation is the selected vendor will perform this work. At this point no incumbents have agreed to provide this information.

2. What level of detail is expected for the GIS layers used to document the third-party fiber network?
   Response: Street Level

3. Is the County anticipating on-the-ground field surveys as part of the pre-engineering planning phase (vs. desktop GIS editing using available base map layers)?
   Response: No, GIS Mapping using base layer maps will be sufficient.

4. Please provide a list of the GIS layers that will be made available for this study.
   Response: County Boundary, Street Centerlines, Parcels, Right of Ways, Zoning, Points of Interest

5. What sample size is anticipated for the residential and business surveys?
   Response: Paul - Not sure? Would 10 percent work?

6. Is the County able to provide both phone numbers and email addresses for residents within the proposed service area for the purposes of conducting the survey?
   Response: No

7. Is the County able to recruit and set up both focus group and large business participants for qualitative research interviews?
   Response: We expect the selected vendor to perform this task.

8. What is the County's goal date to have this broadband study completed?
   Response: If we want to use CAREs money, 12/30/20.

9. How many households/businesses is the County looking to assume for the fee proposal for the broadband study? RFP Part V- Scope of Work mentions 318,316 population and US census data reflects 118,740 households in Escambia County.
   Response: Approximately 120,000 households / businesses.

10. RE: Required Documentation- Certificate of Authority to do Business from the State of Florida, if we have submitted an application to do business with Florida but not yet obtained it, is it possible to submit proof of application pending and notify the County when such approval is obtained?
    Response: Proof of application will be acceptable.

11. Can professional resumes and firm project profiles be included as an Appendix that will not count towards the technical proposal 10-page limit?
    Response: Yes, with a 10 page limit of resumes.

12. The title page and page i. mention hard copy options to include instructions for labeling the sealed envelope with submittal documents, but page 10 section 2-9 of the RFP indicates the all responses are required to be submitted electronically via the Vendor Registry portal. Please confirm the preferred / required submission option.
    Response: On the title page there is an "OR" for delivery. The County's preference is for electronic delivery. We are allowing the option.

13. What is the estimated budget for the requested scope of work?
    Response: The RFP's will be evaluated with cost being one of the variables.

14. What is the desired timeline for the project from contract execution to project closeout?
    Response: Project should be complete by 12/30/20

15. Is the County already engaged in any type consulting and/or engineering agreement related to broadband, technology, or city master planning?
    Response: No

16. Has the County investigated any needs or use cases for specific "smart city" or IoT applications?
    Response: No

17. Has the County deployed any "smart city" services or IoT application projects or programs?
Response: No

18. Has the County pursued and/or been awarded any grants or funding dedicated to broadband development?
Response: Not at this point.

19. Has the County performed or acquired data collection (LiDAR, or other) for any/all public RoW?
Response: The County can provide a GIS Layer of Right of Ways

20. What GIS (CAD, PDF, or other) data can the city provide? What is the existing GIS software, and will any change need to be made?
Response: County Boundary, Street Centerlines, Parcels, Right of Ways, Zoning, Points of Interest

21. Are there special GIS requirements for the City?
Response: No

22. Has the County determined that it would prefer to solely own and operate and provide service, or is the County still open to other partnerships and business models?
Response: The County is open to various solutions.

23. Would the County entertain coordinating or partnering with adjacent counties (in FL and/or AL)?
Response: Yes, the County is open to various solutions.

This Addendum Number 2 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo-copy this form for your records.

Sworn Statement Pursuant to Section 287.133 (3)(A), Florida Statutes, On Entity Crimes

PD 18-19.095, Escambia County Broadband Study

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(a), FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to Escambia County
(print name of the public entity)

by John Hooker President
(print individual's name and title)

for Magellan Advisors LLC
(print name of entity submitting sworn statement)

whose business address is

450 Alton Rd #1402

and (if applicable) its Federal Employer Identification Number (FEIN) is:
65-1218484

(If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision or any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

7. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

8. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **FloridaStatutes**, means:

a. A predecessor or successor of a person convicted of a public entity crime; or
b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.
c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which Proposals or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.
d. Based on information and belief, the statement, which I have marked below, is true in

18

relation to the entity submitting this sworn statement. **(indicate which statement applies.)**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(attach a copy of the final order).**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THOROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Appendix: Sample Survey

Magellan Advisors utilizes a variety of survey instruments for our clients. In the respect of page limits, the survey provided is the most basic, however we have a library of broadband questions that we can review with Escambia to create the best survey for your residents and businesses. The survey below is an export out of our online survey platform and does not demonstrate how the residents and businesses would view the survey. We have the capabilities to add logos, introductions and fully customize the survey for our clients. We can also create customized paper surveys for distribution as well.

Basic Broadband Assessment

Location

1. What is the address of the location for which you are completing this survey? *

Knowing your location's address will help us identify where broadband is available, how good it is, and where it is needed. Be sure to provide your Zip Code.

Street Address

Apartment or Suite

City

State

Zip Code

Broadband Service

2. What company provides broadband to your location? *

Please type in the name of the company.

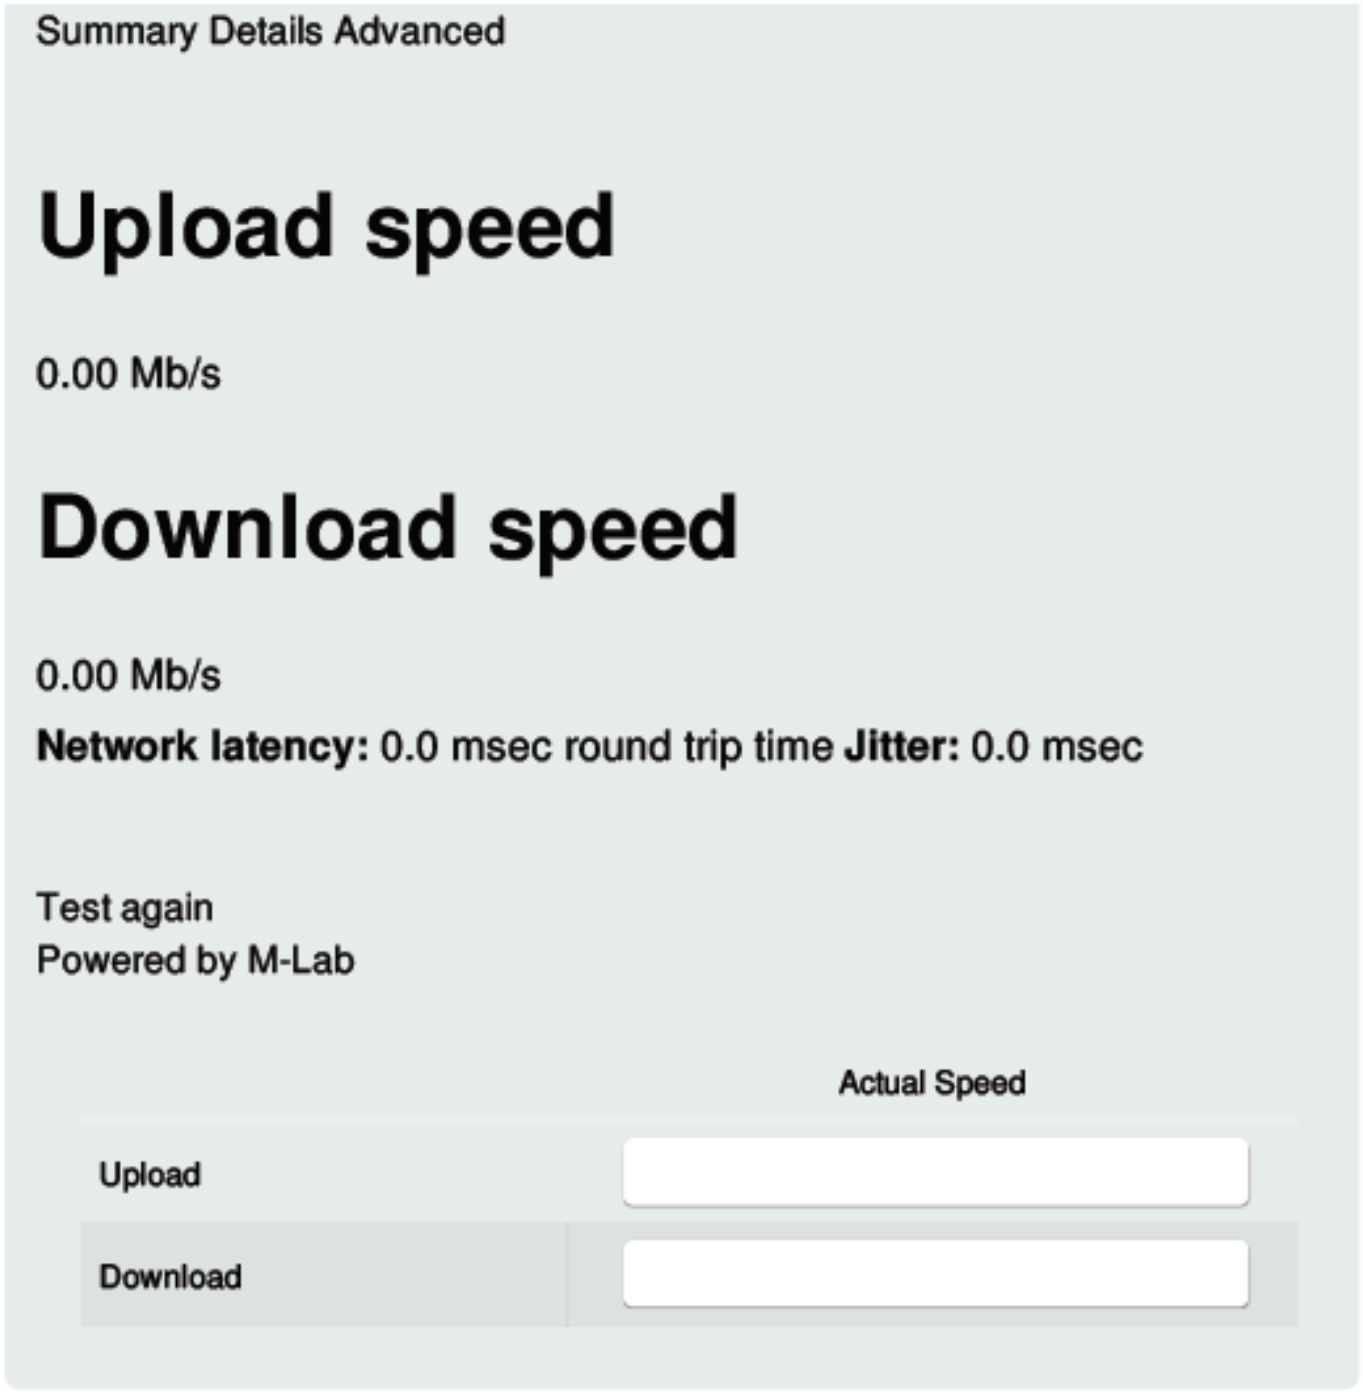
3. How is this location connected to the internet? *

Select the technology your provider uses for broadband. If you have more than one connection, select the primary one. Answer to the best of your knowledge. If you are not familiar with a connection type, you probably don't have it.

- Coaxial cable (also used for cable TV services)
- Dedicated line or enterprise network (T-1 or similar, Metro Ethernet, etc.)
- DSL (digital subscriber line) twisted pair wire (also used for plain-old telephone service)
- Fiber-optic cable ("fiber")
- Fixed wireless antenna
- Don't know or not sure
- Other - Write In

Broadband Speed

4. How is this device connected to the broadband service at the location?



Please consider completing this survey multiple times using different connections.

- Directly to provider interface
- To router by Wi-Fi wireless
- To router by cable/wire
- Other - Write In

5. What are your actual speeds? Click the "Start Test" button below.

Oops! Something went wrong and the NDT test didn't load!

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18744 **County Administrator's Report 10. 1.**
BCC Regular Meeting **Discussion**
Meeting Date: 11/05/2020
Issue: State Law Enforcement Trust Fund Appropriation
From: Henrique Dias, Chief Financial Officer
Organization: Escambia County Sheriff's Office
CAO Approval:

RECOMMENDATION:

Recommendation Concerning State Law Enforcement Trust Fund - Henrique Dias, Chief Financial Officer, Escambia County Sheriff's Office Finance Division

That the Board approve the following allocations of Law Enforcement Trust (LET) Funds, per the requirements of F.S. 932.7055(5), for Outside Agency partners in Escambia County for Fiscal Year 2020/2021:

A. General Daniel Chappie James Flight Academy, Inc., in the amount of $5,000;

B. West Florida High School Baseball Booster Club, in the amount of $2,500;

C. Pensacola Sports, in the amount of $12,000;

D. Gulf Coast Crime Stoppers, in the amount of $18,000; and

E. Onbikes Pensacola, Inc., in the amount of $7,500;

Upon approval of these funding allocations, the Sheriff's Office will process all appropriate paperwork and submit for payment from LET Funds to the Escambia Clerk of the Circuit Court and Comptroller.

[Funding Source: Fund 121, Law Enforcement Trust Fund, Cost Center 540103, Aids to Private Organizations 58201]

BACKGROUND:

Per F.S. 932.7055(5), certain law enforcement activities generate a revenue stream that must be appropriated into the Law Enforcement Trust to be expended by the Sheriff. These funds support various law enforcement related activities in Escambia County.

List of Agencies with amount (appropriate backup for each agency is provided):

General Daniel Chappie James Flight Academy, Inc. - $5,000
West Florida High School Baseball Booster Club - $2,500
Pensacola Sports - $12,000
Gulf Coast Crime Stoppers - $18,000
Onbikes Pensacola, Inc. - $7,500

Re: Your Request for Funds from the Escambia Law Enforcement Trust Fund dated October 3, 2020.

Dear Michael Griffin,

We have received your request to provide your organization with funds from the Escambia Law Enforcement Trust (LET) fund. Your request for funding for Crime Prevention, Drug Prevention or other law enforcement purposes has been reviewed and approved by the Sheriff for the amount of $5,000. The Sheriff has submitted your request to the Escambia County Board of County Commissioner with his written certification that the funds will be used for a purpose authorized by law.

Your request for LET funding, as approved by the Sheriff, is now awaiting review by the Escambia County Board of County Commissioners. The funds cannot be provided to you until your request is approved by the Board.

Please contact the County Commissioner for your district for information on the status of your request.

Point of contact in this matter is Daniel Capozzolo, C.F.O. administrative assistant at 850-436-9949.

The General Daniel Daniel Chappie James Flight Academy is an active and much needed entity in the community and the City of Pensacola. Our goal is to; build confidence, mentor and build self respect.

Many of the kids attending our facility need positive, committed male role models. Over the years we've mentored hundreds of kids that have gone on to become role models themselves and productive members of society. Using the STEM learning model and the aviation environment we teach kids that there are alternatives to the "streets".

Recently the Flight Academy implemented weekend classes that spanned the gambit from Wind Tunnel construction to building a desktop computer from component parts. It is these types of learning activities that kids need to help them gain confidence in the learning environment.

With so many destructive stimulus available to our youth, the Flight Academy gives kids opportunities they might not otherwise realize. Field trips and exposure to new and diverse learning opportunities give kids the much needed alternatives to drugs and gang membership. Our program has given kids the opportunity to grow in ways they had never imagined possible. Flight Academy students have gone on to have careers in; Engineering, Law, Journalism, Aviation, International Marketing and Restaurant Management to name a few.

Funds will be used to purchase a Digital Smart Board for classroom instruction and components for another student built desktop research computer.

The General Daniel Chappie James Flight Academy is unique in that 100% of our budget goes directly to support the kids. Our staff is comprised of all volunteers, including our Board.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

Important Information for Exempt Organizations

DR-14
R. 01/18

1. You must provide all vendors and suppliers with an exemption certificate before making tax-exempt purchases. See Rule 12A-1.038, Florida Administrative Code (F.A.C.).

2. Your *Consumer's Certificate of Exemption* is to be used solely by your organization for your organization's customary nonprofit activities.

3. Purchases made by an individual on behalf of the organization are taxable, even if the individual will be reimbursed by the organization.

4. This exemption applies only to purchases your organization makes. The sale or lease to others of tangible personal property, sleeping accommodations, or other real property is taxable. Your organization must register, and collect and remit sales and use tax on such taxable transactions. Note: Churches are exempt from this requirement except when they are the lessor of real property (Rule 12A-1.070, F.A.C.).

5. It is a criminal offense to fraudulently present this certificate to evade the payment of sales tax. Under no circumstances should this certificate be used for the personal benefit of any individual. Violators will be liable for payment of the sales tax plus a penalty of 200% of the tax, and may be subject to conviction of a third-degree felony. Any violation will require the revocation of this certificate.

6. If you have questions about your exemption certificate, please call Taxpayer Services at 850-488-6800. The mailing address is PO Box 6480, Tallahassee, FL 32314-6480.

Re: Your Request for Funds from the Escambia Law Enforcement Trust Fund dated October 5, 2020.

Dear Al Henderson,

We have received your request to provide your organization with funds from the Escambia Law Enforcement Trust (LET) fund. Your request for funding for Drug Prevention, Drug Education or other law enforcement purposes has been reviewed and approved by the Sheriff for the amount of $2500. The Sheriff has submitted your request to the Escambia County Board of County Commissioner with his written certification that the funds will be used for a purpose authorized by law.

Your request for LET funding, as approved by the Sheriff, is now awaiting review by the Escambia County Board of County Commissioners. The funds cannot be provided to you until your request is approved by the Board.

Please contact the County Commissioner for your district for information on the status of your request.

Point of contact in this matter is Daniel Capozzolo, C.F.O. administrative assistant at 850-436-9949.

The West Florida High School Baseball Program is supported by a dedicated coaching staff, who provides not only guidance on how to play the game of baseball, but also and more importantly, they shape the lives for over sixty (60) young men each and every year. Drug Prevention and Education is a major part of the training these young men receive while in the program. Unfortunately, these efforts are not fully funded by the school district. The baseball program has to rely on fundraising activities initiated by the WFHS Baseball Boosters group which is made up of dedicated parents. It is important to align our mission with community partners like the Escambia County Sheriff's Department.

At one time, coaches had to focus on educating athletes about the detriment of using performance enhancement drugs. Now, because of injuries, coaches have to focus also on prescription pain killers. According to the National Institute on Drug Abuse, twelve percent of male student athletes admitted to self-medicating on prescription painkillers. Eight percent of female student athletes admitted to the same. Educating student athletes about the negative ramifications of using drugs is an essential part of creating a space for growth. These young athletes are faced with life choices that often go wrong if they are not equipped with the knowledge all West Florida High school athletes receive when going through the baseball program. Education is provided to these young men every school day over the course of a school year. They learn how to examine the consequences to their actions, particularly when deciding the classmates they choose to call friends.

Our Golf Tournament, is annual function that brings is the largest percent of revenues used to support the program. With a sponsor like the Escambia County Sheriff's Department, the boys are exposed to the importance of good community relations and the reward of working to improve themselves and the community they live.

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in section 509(a)(2).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make

a final determination of your foundation status.

If we publish a notice in the Internal Revenue Bulletin stating that we will no longer treat you as a publicly supported organization, grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization, then that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social security taxes under the Federal Insurance Contributions Act on amounts of $100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to, or other participation in, fundraising activities for charity.

You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally $25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally $25,000 or less, and sign the return. Because you will be treated as a public charity for return filing purposes during your entire advance ruling period, you should file Form 990 for each year in your advance ruling period

that you exceed the $25,000 filing threshold even if your sources of support do not satisfy the public support test specified in the heading of this letter.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of $20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed $10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding $1,000,000 in any year, the penalty is $100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding $1,000,000 shall not exceed $50,000. This penalty may also be charged if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. Copies of these documents are also required to be provided to any individual upon written or in person request without charge other than reasonable fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or you may call our toll free number shown above.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are spent only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), you must have evidence that the funds will remain dedicated to the required purposes and that the recipient will use the funds for those purposes.

If you distribute funds to individuals, you should keep case histories

showing the recipients' names, addresses, purposes of awards, manner of selection, and relationship (if any) to members, officers, trustees or donors of funds to you, so that you can substantiate upon request by the Internal Revenue Service any and all distributions you made to individuals. (Revenue Ruling 56-304, C.B. 1956-2, page 306.)

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help us resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Lois G. Lerner

Important Information for Exempt Organizations

DR-14
R. 01/18

1. You must provide all vendors and suppliers with an exemption certificate before making tax-exempt purchases. See Rule 12A-1.038, Florida Administrative Code (F.A.C.).

2. Your *Consumer's Certificate of Exemption* is to be used solely by your organization for your organization's customary nonprofit activities.

3. Purchases made by an individual on behalf of the organization are taxable, even if the individual will be reimbursed by the organization.

4. This exemption applies only to purchases your organization makes. The sale or lease to others of tangible personal property, sleeping accommodations, or other real property is taxable. Your organization must register, and collect and remit sales and use tax on such taxable transactions. Note: Churches are exempt from this requirement except when they are the lessor of real property (Rule 12A-1.070, F.A.C.).

5. It is a criminal offense to fraudulently present this certificate to evade the payment of sales tax. Under no circumstances should this certificate be used for the personal benefit of any individual. Violators will be liable for payment of the sales tax plus a penalty of 200% of the tax, and may be subject to conviction of a third-degree felony. Any violation will require the revocation of this certificate.

6. If you have questions about your exemption certificate, please call Taxpayer Services at 850-488-6800. The mailing address is PO Box 6480, Tallahassee, FL 32314-6480.

Re: Your Request for Funds from the Escambia Law Enforcement Trust Fund dated October 13, 20120.

Dear Jason Libbert,

We have received your request to provide your organization with funds from the Escambia Law Enforcement Trust (LET) fund. Your request for funding for Crime Prevention, Drug Prevention, Drug Education or other law enforcement purposes has been reviewed and approved by the Sheriff for the amount of $12,000. The Sheriff has submitted your request to the Escambia County Board of County Commissioner with his written certification that the funds will be used for a purpose authorized by law.

Your request for LET funding, as approved by the Sheriff, is now awaiting review by the Escambia County Board of County Commissioners. The funds cannot be provided to you until your request is approved by the Board.

Please contact the County Commissioner for your district for information on the status of your request.

Point of contact in this matter is Daniel Capozzolo, C.F.O. administrative assistant at 850-436-9949.

Dear Sir or Madam:

This is in response to your request of July 7, 2004, regarding your organization's tax-exempt status.

In July 1959 we issued a determination letter that recognized your organization as exempt from federal income tax. Our records indicate that your organization is currently exempt under section 501(c)(4) of the Internal Revenue Code.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more paid to each employee during a calendar year. Your organization is also liable for tax under the Federal Unemployment Tax Act for each employee to whom it pays $50 or more during a calendar quarter if, during the current or preceding calendar year, the organization had one or more employees at any time in each of 20 calendar weeks or it paid wages of $1,500 or more in any calendar quarter.

If your organization's character, method of operation, or purposes change, please let us know so we can consider the effect of the change on the organization's exempt status. Also, your organization should inform us of all changes in its name or address.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, if its gross receipts each year are normally more than $25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of $20 a day, up to a maximum of $10,000, when a return is filed late, unless there is reasonable cause for the delay.

Because your organization is not one described in section 170(c) of the Code, donors may not deduct contributions made to it. You should advise your organization's contributors to that effect.

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Internal Revenue Code. If your organization is subject to this tax, it must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your organization's activities are unrelated trade or business as defined in Code section 513.

Pensacola Sports Association, Inc.
59-0767953

Section 6104 of the Internal Revenue Code requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. The law also requires organizations that received recognition of exemption on July 15, 1987, or later, to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. Organizations that received recognition of exemption before July 15, 1987, and had a copy of their exemption application on July 15, 1987, are also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. For additional information on disclosure requirements, please refer to Internal Revenue Bulletin 1999 - 17.

As this letter could help resolve any questions about your organization's exempt status, you should keep it with your organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Janna K. Skufca

Important Information for Exempt Organizations

DR-14
R. 01/18

1. You must provide all vendors and suppliers with an exemption certificate before making tax-exempt purchases. See Rule 12A-1.038, Florida Administrative Code (F.A.C.).

2. Your *Consumer's Certificate of Exemption* is to be used solely by your organization for your organization's customary nonprofit activities.

3. Purchases made by an individual on behalf of the organization are taxable, even if the individual will be reimbursed by the organization.

4. This exemption applies only to purchases your organization makes. The sale or lease to others of tangible personal property, sleeping accommodations, or other real property is taxable. Your organization must register, and collect and remit sales and use tax on such taxable transactions. Note: Churches are exempt from this requirement except when they are the lessor of real property (Rule 12A-1.070, F.A.C.).

5. It is a criminal offense to fraudulently present this certificate to evade the payment of sales tax. Under no circumstances should this certificate be used for the personal benefit of any individual. Violators will be liable for payment of the sales tax plus a penalty of 200% of the tax, and may be subject to conviction of a third-degree felony. Any violation will require the revocation of this certificate.

6. If you have questions about your exemption certificate, please call Taxpayer Services at 850-488-6800. The mailing address is PO Box 6480, Tallahassee, FL 32314-6480.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

About Crime Stoppers

Gulf Coast Crime Stoppers is a 501(c)3 not-for-profit organization (charity). A civilian community board of directors provides direction as to the finan and promotional activities of the program. One of the board's most important jobs is to meet each month to evaluate arrests and decide on the size of rewards to be paid, up to $1,000 ($3,000 for homicides and certain other high profile crimes).

Like other Crime Stoppers programs in the state of Florida, Gulf Coast Crime Stoppers is primarily funded through a state grant program administered the Florida Attorney General's Office. What's unique is that this state program ISN'T funded by tax dollars! The money comes from a "Crime Stoppers Program Fee" that's part of the package of fines, fees and costs assessed on felony court cases. Each year, every Crime Stoppers program in the state receives a grant equaling the total amount of Crime Stoppers fees collected the previous year by the courts located in that program's jurisdiction. In other words, next year's rewards are paid for by this year's criminals! This annual grant pays for rewards, program advertising and some program operating costs, but it doesn't pay for everything. To pay for needs not covered by the grant, Gulf Coast Crime Stoppers accepts sponsorships from business and individuals throughout the community and holds a few fundraisers each year.

Does Crime Stoppers Work?

The answer is quite simply yes. Gulf Coast Crime Stoppers was founded in 1984 and received its first tip June 6 of that year. Two days later, the suspec was arrested and charged with 8 drug-related offenses; more than $2,500 in narcotics was seized. Since then, Gulf Coast Crime Stoppers has received nearly 45,000 tips resulting in tens of thousands of arrests and cases cleared and multiple millions of dollars in drugs seized and property recovered. Through 2013, the program had paid more than $650,000 in rewards.

The success of a Crime Stoppers program cannot be purely judged on statistics, however, other benefits have come to notice:

- A greater awareness in the community that there is a crime problem.
- A willingness by the community to fight back against crime if it is given the opportunity and motivation.
- Improved relationships between police, media, and the community.

Crime Stoppers is definitely here to stay. It has been accepted by police as a valid and effective investigative tool and the public, through its overwhelı response, appears to have accepted it as a more palatable alternative to traditional methods of giving information.

Dear Sir or Madam:

This responds to your request for information concerning your organization's federal tax status.

Our records indicate that your organization may be a governmental instrumentality or a political subdivision of a state.

No provision of the Internal Revenue Code imposes a tax on the income of governmental units (such as states and their political subdivisions). Therefore, it has been the position of the Service that income of governmental units is not generally subject to federal income taxation. If, however, an entity is not itself a governmental unit (or an "integral part" thereof), its income will be subject to tax unless an exclusion or exemption applies.

One exclusion is provided by section 115(1) of the Code, which excludes from gross income:

(A) income derived from the exercise of any essential governmental function, and

(B) income accruing to a state or political subdivision.

Your organization's income may not be subject to tax, either because the organization is a governmental unit (or an "integral part" thereof), or because the income is excluded under section 115. In addition, your organization may also be eligible to receive charitable contributions, which are deductible for federal income, estate, and gift tax purposes. Also, your organization is probably exempt from many federal excise taxes.

Your organization may obtain a letter ruling on its status under section 115, following the procedures specified in Rev. Proc. 2000-4 or its successor. Your organization must also pay a user fee as described in Rev. Proc. 2000-8 or its successor.

Your organization may also qualify for exemption from federal income tax as an organization described in section 501(c)(3) of the Code. If the organization is an entity separate from the state, county, or municipal government, and if it does not have powers or purposes inconsistent with exemption (such as the power to tax or to exercise enforcement of regulatory powers), your organization would qualify under section 501(c)(3). To apply for exemption, complete Form 1023 and pay the required user fee.

Sometimes governmental units are asked to provide proof of their status as part of a grant application. If your organization is applying for a grant from a private foundation, the foundation may be requesting certain information from your organization because of the restrictions imposed by the Code on such foundations. One such restriction imposes a tax on private foundations that make any "taxable expenditures." Under section 4945(d) and (h) of the Code, "taxable expenditures" include (1) any grant to an organization (unless excepted), unless the foundation exercises "expenditure responsibility" with respect to the grant; and (2) any expenditure for non-charitable purposes. Under section 4942 of the Code, private foundations must also distribute certain amounts for charitable purposes each year--"qualifying distributions"--or incur a tax on the undistributed amount. "Qualifying distributions" include certain amounts paid to accomplish charitable purposes.

Private foundation grants to governmental units for public or charitable purposes are not taxable expenditures under these provisions, regardless of whether the foundation exercises "expenditure responsibility." Under section 53.4945-5(a)(4)(ii) of the Foundation and Similar Excise Tax Regulations, expenditure responsibility is not required for grants for charitable purposes to governmental units (as defined in section 170(c)(1) of the code). Similarly, grants to governmental units for public purposes are "qualifying distributions", under section 53.4942(a)-3(a) of the regulations; and, if they are for charitable purposes, will not be taxable expenditures, under section 53.4945-6(a) of the regulations. Most grants to governmental units will qualify as being for charitable (as well as public) purposes.

Because of these restrictions, some private foundations require grant applicants to submit a letter from the Service determining them to be exempt under section 501(c)(3) and classified as a non-private foundation. Such a letter, or an underlying requirement that a grantee be a public charity, is not legally required to be relieved from the restrictions described above, when the prospective grantee is a governmental unit and the grant is for qualifying (public or charitable) purposes.

We believe this general information will be of assistance to your organization. This letter, however, is not a ruling and may not be relied on as such. If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

John E. Ricketts

Important Information for Exempt Organizations

DR-14
R. 10/15

1. You must provide all vendors and suppliers with an exemption certificate before making tax-exempt purchases. See Rule 12A-1.038, Florida Administrative Code (F.A.C.).

2. Your *Consumer's Certificate of Exemption* is to be used solely by your organization for your organization's customary nonprofit activities.

3. Purchases made by an individual on behalf of the organization are taxable, even if the individual will be reimbursed by the organization.

4. This exemption applies only to purchases your organization makes. The sale or lease to others of tangible personal property, sleeping accommodations, or other real property is taxable. Your organization must register, and collect and remit sales and use tax on such taxable transactions. Note: Churches are exempt from this requirement except when they are the lessor of real property (Rule 12A-1.070, F.A.C.).

5. It is a criminal offense to fraudulently present this certificate to evade the payment of sales tax. Under no circumstances should this certificate be used for the personal benefit of any individual. Violators will be liable for payment of the sales tax plus a penalty of 200% of the tax, and may be subject to conviction of a third-degree felony. Any violation will require the revocation of this certificate.

6. If you have questions regarding your exemption certificate, please contact the Exemption Unit of Account Management at 800-352-3671. From the available options, select "Registration of Taxes," then "Registration Information," and finally "Exemption Certificates and Nonprofit Entities." Re: Your Request for Funds from the Escambia Law Enforcement Trust Fund dated October 15, 2020.

Dear Alex Andrade,

We have received your request to provide your organization with funds from the Escambia Law Enforcement Trust (LET) fund. Your request for funding for Crime Prevention or other law enforcement purposes has been reviewed and approved by the Sheriff for the amount of $7500. The Sheriff has submitted your request to the Escambia County Board of County Commissioner with his written certification that the funds will be used for a purpose authorized by law.

Your request for LET funding, as approved by the Sheriff, is now awaiting review by the Escambia County Board of County Commissioners. The funds cannot be provided to you until your request is approved by the Board.

Please contact the County Commissioner for your district for information on the status of your request.

Point of contact in this matter is Daniel Capozzolo, C.F.O. administrative assistant at 850-436-9949.

Onbikes Pensacola, inc. was created in 2016 to provide children with the opportunity to experience independence for the first time. Onbikes Pensacola's missions is to provide evety underprivileged and foster child with a brand new bike, helmet, and lock to call their own. Since our inception, in the summer of 2016, onbikes has distributed 2,200 bikes to children in our community. To raise awareness and additional funds for our mission, onbikes will host a bike ride and celebration in Downtown Pensacola on December 19th.

Our goal this year is to provide 550 bikes to children at our Annual Bike Build on November 21st at the Pensacola Bay Center. Without these bikes, many of these teenagers will continue to struggle to get to jobs or to school. Onbikes also recognizes the need to provide bike locks and helmets for every child receiving a bike. We intend to use this grant to maintain an active inventory of bike locks and helmets for the children receiving bicycles through our program.

Onbikes is an annual event, and hopes to provide bicycles to local children in the Spring of 2021 as well as this Christmas. This grant will allow onbikes to focus on providing the maximum number of bicycles possible, and not need to divert resources to make sure each bike is equipped with a lock and helmet.

This grant would be used for onbikes' 2020/2021 drive and would make the Escambia County Sheriff's Office the official sponsor of our Annual Bike Build with hundreds of volunteers present and hildren & charities receiving bikes.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18850 **County Administrator's Report 10. 3.**
BCC Regular Meeting **Discussion**
Meeting Date: 11/05/2020
Issue: State Aid to Libraries Grant, Certification of Hours, Free Services, and Access to Materials
From: TODD HUMBLE, Library Services Director
Organization: Library Services
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the State to Libraries Grant Application, Certification of Hours, Free Library Service, and Access to Materials - Todd Humble, Library Services Department Director

That the Board take the following action:

A. Approve the State Aid to Libraries Grant Agreement between the State of Florida, Department of State, and the Escambia County Board of County Commissioners (BCC), for and on behalf of West Florida Public Library System;

B. Authorize the Chairman to sign the Agreement with Section (37) Mandated Conditions, that "This Agreement shall be construed, performed and enforced in all respects in accordance with the laws and rules of Florida. Venue of location for any legal action arising under this Agreement will be Leon County, Florida";

C. Authorize the Clerk of the Courts to sign the Agreement; and

D. Approve and authorize the Chairman to sign the Florida Department of State Division of Library and Information Services State to Libraries Grant Application Certification of Hours, Free Library Service and Access to Materials, which certifies the following statements are true for West Florida Public Libraries from October 1, 2018, through June 30, 2021:

1. Provides free library service, including loaning materials available for circulation free of charge and providing reference and information services free of charge;

2. Provides access to materials, information and services for all residents of the

area served; and

3. Has at least one library, branch library, or member library open 40 hours or more each week (excluding holidays; between Sunday through Saturday, on a schedule determined by the library system).

[Funding: The State Aid to Libraries Program provides annual funding to eligible recipients for the operation and maintenance of public libraries. The funds will be included in the Fiscal Year 2020/2021 Annual Budget for the West Florida Public Libraries when received.]

BACKGROUND:

Pursuant to 257.17, Florida Statutes, the State Aid to Libraries Program provides annual funding to eligible recipients for the operation and maintenance of public libraries. The Florida Department of State, Division of Library and Information Services is the administrator and implements the program. In accordance with the program requirements, the Division requires that the governing body of the library system make application and certify eligibility for receipt of said funding. The Division has designated the Board of County Commissioners with authority to certify eligibility for Grant funds. As the designated fiscal agent for the West Florida Public Libraries, the County will have the authority to receive and disburse said funds in accordance with the program requirements.

BUDGETARY IMPACT:

The funds will be included in the Fiscal Year 2020/2021 annual budget for the West Florida Public Libraries when received. The final amount is determined based on Escambia County Library Services expenditures, the number of library agencies that apply, and the total amount of funds available to distribute statewide. The award is proportional to libraries that meet all Grant requirements based on their previously audited expenditures. Although the exact amount is not known at this time, it is estimated to be $120,000, in funding to benefit the citizens of Escambia County.

LEGAL CONSIDERATIONS/SIGN-OFF:

The state of Florida will execute the Contract in Leon County in 2021. The audited expenditure reports have already been submitted, but this final document is needed to to authorize the acceptance of these funds in 2021.

This form has been signed by Matthew Shaud.

PERSONNEL:

No additional staff needed to complete the Grant requirements.

POLICY/REQUIREMENT FOR BOARD ACTION:

The Grant Application and Certification of Hours must be approved and signed to apply for the expected $120,000 in State Aid to Libraries.

IMPLEMENTATION/COORDINATION:

The Library Director will submit the BCC approved Grant and Certification of Hours to the state to complete all implementation requirements.

STATE AID TO LIBRARIES GRANT AGREEMENT BETWEEN THE STATE OF FLORIDA, DEPARTMENT OF STATE AND Escambia County Board of County Commissioners for and on behalf of West Florida Public Library System

This Agreement is by and between the State of Florida, Department of State, Division of Library and Information Services, hereinafter referred to as the "Division," and the Escambia County Board of County Commissionersfor and on behalf of West Florida Public Library System, hereinafter referred to as the "Grantee."

The Grantee has submitted an application and has met all eligibility requirements and has been awarded a State Aid to Libraries Grant (CSFA 45.030) by the Division in the amount specified on the "Fiscal Year 2020-21 State Aid to Libraries Final Grants" document (which is incorporated as part of this Agreement and entitled Attachment B). The Division has the authority to administer this grant in accordance with Section 257, *Florida Statutes.* By reference, the application and any approved revisions are hereby made a part of this agreement.

In consideration of the mutual covenants and promises contained herein, the parties agree as follows:

1. Grant Purpose. This grant shall be used exclusively for the "State Aid to Libraries Grant," the public purpose for which these funds were appropriated.

a) The Grantee shall perform the following **Scope of Work**:

In accordance with Sections 257.17-257.18, Florida Statutes, the Grantee shall receive a grant amount that is calculated and based upon local funds expended during the second preceding fiscal year for the operation and maintenance of the library. For this grant, the local expenditures shall have been made during the period October 1, 2018 - September 30, 2019.

In order to be eligible to receive the grant funding, the Grantee shall manage or coordinate free library service to the residents of its legal service area for the period October 1, 2018 through June 30, 2021. The Grantee shall:

- Have a single administrative head employed full time by the library's governing body;
- Provide free library service, including loaning materials available for circulation free of charge and providing reference and information services free of charge;
- Provide access to materials, information and services for all residents of the area served; and
- Have at least one library, branch library or member library open 40 hours or more each week (excluding holidays; between Sunday through Saturday, on a schedule determined by the library system) during the length of the agreement.

b) The Grantee agrees to provide the following **Deliverables** related to the Scope of Work for payments to be awarded.

Payment 1, Deliverable/Task 1

Payment will be an advance in the amount of 50% of the grant award for the period October 1, 2018 through June 30, 2021. The Grantee will:

- Have expended funds to provide free library service during the period October 1, 2018 - September 30, 2019;
- Provide an Expenditure Report and certification of Local Operating Expenditures for the period October 1, 2018 - September 30, 2019 only; and
- Provide the Certification of Credentials for the Single Administrative Head.

Payment 2, Deliverable/Task 2

Payment will be an advance in the amount of 50% of the grant award for the period October 1, 2018 through June 30, 2021. The Grantee will:

- Provide documentation showing that at least one library, branch library or member library is open 40 hours or more each week (excluding holidays; between Sunday through Saturday, on a schedule determined by the library system) during the length of the agreement; and
- Provide a Certification of Hours, Free Library Service and Access to Materials.

c) Grant funds shall be used for the operation and maintenance of the library. The allowable budget categories are: Personnel Services (salaries, wages, and related employee benefits provided for all persons employed by the reporting entity whether on full-time, part-time, temporary, or seasonal basis); Operating Expenses (expenditures for goods and services which primarily benefit the current period and are not defined as personal services or capital outlays); Non-Fixed Capital Outlay (outlays for the acquisition of or addition to fixed assets); and Other (other operating expenditure categories in the library budget).

2. Length of Agreement. This Agreement covers the period of October 1, 2018 to June 30, 2021, unless terminated in accordance with the provisions of Section 28 of this Agreement. This period begins with the start of the Grantee's second preceding fiscal year (October 1, 2018) and concludes with the end of the State of Florida's current fiscal year (June 30, 2021).

3. Expenditure of Grant Funds. Grant funds will be used to reimburse a portion of local funds expended by the Grantee during their second preceding fiscal year (October 1, 2018 – September 30, 2019) for the operation and maintenance of a library and shall not exceed the amount specified in Attachment B. No costs incurred after the second preceding fiscal year shall be allowed unless specifically authorized by the Division.

4. Contract Administration. The parties are legally bound by the requirements of this agreement. Each party's contract manager, named below, will be responsible for monitoring its performance under this Agreement and will be the official contact for each party. Any notice(s) or other communications in regard to this agreement shall be directed to or delivered to the other party's contract manager by utilizing the information below. Any change in the contact information below should be submitted in writing to the contract manager within 10 days

of the change.

5. **Grant Payments.** The total grant award shall not exceed the amount specified on the Fiscal Year 2020-21 State Aid to Libraries Final Grants document (Attachment B), which shall be paid by the Division in consideration for the Grantees minimum performance as set forth by the terms and conditions of this Agreement. Payment will be made in accordance with the completion of the Deliverables.

   The grant payment schedule is outlined below:

   a) The first payment will be 50% of the grant award. Payment will be made in accordance with the completion of the Deliverables.

   b) The second payment will be 50% of the grant award. Payment will be made in accordance with the completion of the Deliverables.

6. **Electronic Payments.** The Grantee can choose to use electronic funds transfer (EFT) to receive grant payments. All grantees wishing to receive their award through EFT must submit a Vendor Direct Deposit Authorization form (form number DFS-AI-26E, rev 6/2014), incorporated by reference, to the Florida Department of Financial Services. If EFT has already been set up for your organization, you do not need to submit another authorization form unless you have changed bank accounts. To download this form visit myfloridacfo.com/Division/AA/Forms/DFS-A1-26E.pdf. The form also includes tools and information that allow you to check on payments.

7. **Florida Substitute Form W-9.** A completed Substitute Form W-9 is required from any entity that receives a payment from the State of Florida that may be subject to 1099 reporting. The Department of Financial Services (DFS) must have the correct Taxpayer Identification Number (TIN) and other related information in order to report accurate tax information to the Internal Revenue Service (IRS). To register or access a Florida Substitute Form W-9 visit flvendor.myfloridacfo.com/. **A copy of the Grantee's Florida Substitute Form W-9 must**

be submitted by the Grantee to the Division before or with the executed Agreement.

8. **Financial Consequences.** The Department shall apply the following financial consequences for failure to perform the minimum level of services required by this Agreement in accordance with Sections 215.971 and 287.058, *Florida Statutes*:

   The Department shall require the return of the award in a prorated amount based upon the percentage of time that the library failed to perform the minimum level of services. The prorated reduction will be in the same percentage as the percentage of time that the library was not providing minimum level of services.

9. **Credit Line(s) to Acknowledge Grant Funding.** The Division requires public acknowledgement of State Aid to Libraries Grant funding for activities and publications supported by grant funds. Any announcements, information, press releases, publications, brochures, videos, web pages, programs, etc. created as part of a State Aid to Libraries Grant project must include an acknowledgment that State Aid to Libraries Grant funds were used to create them.

   Use the following text:

   "This project has been funded under the provisions of the State Aid to Libraries Grant program, administered by the Florida Department of State's Division of Library and Information Services."

10. **Non-allowable Grant Expenditures.** The Grantee agrees to expend all grant funds received under this agreement solely for the purposes for which they were authorized and appropriated. Expenditures shall be in compliance with the state guidelines for allowable project costs as outlined in the Department of Financial Services' Reference Guide for State Expenditures (as of January 2020), incorporated by reference, which are available online at https://www.myfloridacfo.com/division/aa/manuals/documents/ReferenceGuideforStateExpenditures.pdf.

    Grant funds may not be used for the purchase or construction of a library building or library quarters.

11. **Travel Expenses.** The Grantee must pay any travel expenses, from grant or local matching funds, in accordance to the provisions of Section 112.061, *Florida Statutes.*

12. **Unobligated and Unearned Funds and Allowable Costs.** In accordance with Section 215.971, *Florida Statutes*, the Grantee shall refund to the State of Florida any balance of unobligated funds which has been advanced or paid to the Grantee. In addition, funds paid in excess of the amount to which the recipient is entitled under the terms and conditions of the agreement must be refunded to the state agency. Further, the recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period. Expenditures of state financial assistance must be in compliance with the laws, rules and regulations applicable to expenditures of State funds as outlined in the Department of Financial Service's Reference Guide for State Expenditures (as of January 2020) (https://www.myfloridacfo.com/division/aa/manuals/documents/ReferenceGuideforStateExpenditures.pdf), incorporated by reference.

13. **Repayment.** All refunds or repayments to be made to the Department under this agreement are to be made payable to the order of "Department of State" and mailed directly to the following address: Florida Department of State, Attention: Marian Deeney, Division of Library and Information Services, 500 South Bronough Street, Mail Station #9D, Tallahassee, FL 32399. In accordance with Section 215.34(2), *Florida Statutes*, if a check or other draft is returned to the Department for collection, Recipient shall pay to the Department a service fee of $15.00 or five percent (5%) of the face amount of the returned check or draft, whichever is greater.

14. **Single Audit Act.** Each Grantee, other than a Grantee that is a State agency, shall submit to an audit pursuant to Section 215.97, Florida Statutes. See Attachment A for additional information regarding this requirement. If a Grantee is not required by law to conduct an audit in accordance with the Florida Single Audit Act because it did not expend at least $750,000 in state financial assistance, it must submit a Financial Report on its operations pursuant to Section 218.39, *Florida Statutes* within nine months of the close of its fiscal year.

15. **Retention of Accounting Records.** Financial records, supporting documents, statistical records and all other records, including electronic storage media pertinent to the Project, shall be retained for a period of five (5) fiscal years after the close out of the grant and release of the audit. If any litigation or audit is initiated or claim made before the expiration of the five-year period, the records shall be retained for five fiscal years after the litigation, audit or claim has been resolved.

16. **Obligation to Provide State Access to Grant Records.** The Grantee must make all grant records of expenditures, copies of reports, books, and related documentation available to the Division or a duly authorized representative of the State of Florida for inspection at reasonable times for the purpose of making audits, examinations, excerpts and transcripts.

17. **Obligation to Provide Public Access to Grant Records.** The Division reserves the right to unilaterally cancel this Agreement in the event that the Grantee refuses public access to all documents or other materials made or received by the Grantee that are subject to the provisions of Chapter 119, *Florida Statutes*, known as the *Florida Public Records Act*. The Grantee must immediately contact the Division's Contract Manager for assistance if it receives a public records request related to this Agreement.

18. **Noncompliance.** Any Grantee that is not following Florida statutes or rules, the terms of the grant agreement, Florida Department of State policies and guidance, local policies, or other applicable law or that has not submitted required reports or satisfied other administrative requirements for other Division of Library and Information Services grants or grants from any other Office of Cultural, Historical, and Information Programs (OCHIP) Division will be in noncompliance status and subject to the OCHIP Grants Compliance Procedure. OCHIP Divisions include the Division of Cultural Affairs, the Division of Historical Resources, and the Division of Library and Information Services. Grant compliance issues must be resolved before a grant award agreement may be executed and before grant payments for any OCHIP grant may be released.

19. **Accounting Requirements.** The Grantee must maintain an accounting system that provides a complete record of the use of all grant funds as follows:

    a) The accounting system must be able to specifically identify and provide audit trails that trace the receipt, maintenance and expenditure of state funds;

b) Accounting records must adequately identify the sources and application of funds for all grant activities and must classify and identify grant funds by using the same budget categories that were approved in the grant application. If Grantee's accounting system accumulates data in a different format than the one in the grant application, subsidiary records must document and reconcile the amounts shown in the Grantee's accounting records to those amounts reported to the Division;

c) An interest-bearing checking account or accounts in a state or federally chartered institution may be used for revenues and expenses described in the Scope of Work and detailed in the Estimated Project Budget;

d) The name of the account(s) must include the grant award number;

e) The Grantee's accounting records must have effective control over and accountability for all funds, property and other assets; and

f) Accounting records must be supported by source documentation and be in sufficient detail to allow for a proper pre-audit and post-audit (such as invoices, bills and canceled checks).

20. Availability of State Funds. The State of Florida's performance and obligation to pay under this Agreement are contingent upon an annual appropriation by the Florida Legislature. In the event that the state funds upon which this Agreement is dependent are withdrawn, this Agreement will be automatically terminated and the Division shall have no further liability to the Grantee beyond those amounts already expended prior to the termination date. Such termination will not affect the responsibility of the Grantee under this Agreement as to those funds previously distributed. In the event of a state revenue shortfall, the total grant may be reduced accordingly.

21. Lobbying. The Grantee will not use any grant funds for lobbying the state legislature, the state judicial branch or any state agency.

22. Independent Contractor Status of Grantee. The Grantee, if not a state agency, agrees that its officers, agents and employees, in performance of this Agreement, shall act in the capacity of independent contractors and not as officers, agents or employees of the state. The Grantee is not entitled to accrue any benefits of state employment, including retirement benefits and any other rights or privileges connected with employment by the State of Florida.

23. Grantee's Subcontractors. The Grantee shall be responsible for all work performed and all expenses incurred in connection with this Agreement. The Grantee may subcontract, as necessary, to perform the services and to provide commodities required by this Agreement. The Division shall not be liable to any subcontractor(s) for any expenses or liabilities incurred under the Grantee's subcontract(s), and the Grantee shall be solely liable to its subcontractor(s) for all expenses and liabilities incurred under its subcontract(s). The Grantee must take the necessary steps to ensure that each of its subcontractors will be deemed to be independent contractors and will not be considered or permitted to be agents, servants, joint venturers or partners of the Division.

24. Liability. The Division will not assume any liability for the acts, omissions to act or negligence of the Grantee, its agents, servants or employees; nor may the Grantee exclude liability for its own acts, omissions to act or negligence to the Division.

a) The Grantee shall be responsible for claims of any nature, including but not limited to injury, death and property damage arising out of activities related to this Agreement by the Grantee, its agents, servants, employees and subcontractors. The Grantee shall indemnify and hold the Division harmless from any and all claims of any nature and shall investigate all such claims at its own expense. If the Grantee is governed by Section 768.28, *Florida Statutes*, it shall only be obligated in accordance with this Section.

b) Neither the state nor any agency or subdivision of the state waives any defense of sovereign immunity or increases the limits of its liability by entering into this Agreement.

c) The Division shall not be liable for attorney fees, interest, late charges or service fees, or cost of collection related to this Agreement.

d) The Grantee shall be responsible for all work performed and all expenses incurred in connection with the project. The Grantee may subcontract as necessary to perform the services set forth in this Agreement, including entering into subcontracts with vendors for services and commodities, provided that such subcontract has been approved in writing by the Department prior to its execution and provided that it is understood by the Grantee that the Department shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

25. Strict Compliance with Laws. The Grantee shall perform all acts required by this Agreement in strict conformity with all applicable laws and regulations of the local, state and federal law. For consequences of noncompliance, see Section18, Noncompliance.

26. No Discrimination. The Grantee may not discriminate against any employee employed under this Agreement or against any applicant for employment because of race, color, religion, gender, national origin, age, handicap, pregnancy or marital status. The Grantee shall insert a similar provision in all of its subcontracts for services under this Agreement.

27. Breach of Agreement. The Division will demand the return of grant funds already received, will withhold subsequent payments and/or will terminate this agreement if the Grantee improperly expends and manages grant funds; fails to prepare, preserve or surrender records required by this Agreement; or otherwise violates this Agreement.

28. Termination of Agreement. The Division will terminate or end this Agreement if the Grantee fails to fulfill its obligations herein. In such event, the Division will provide the Grantee a notice of its violation by letter and shall give the Grantee fifteen (15) calendar days from the date of receipt to cure its violation. If the violation is not cured within the stated period, the Division will terminate this Agreement. The notice of violation letter shall be delivered to the Grantee's Contract Manager, personally, or mailed to his/her specified address by a method that provides proof of receipt. In the event that the Division terminates this Agreement, the Grantee will be compensated for any work completed in accordance with this Agreement prior to the notification of termination if the Division deems this reasonable under the circumstances. Grant funds previously advanced and not expended on work completed in accordance with this Agreement shall be returned to the Division, with interest, within thirty (30) days after termination of this Agreement. The Division does not waive any of its rights to additional damages if grant funds are returned under this Section.

29. Preservation of Remedies. No delay or omission to exercise any right, power or remedy accruing to either party upon breach or violation by either party under this Agreement shall impair any such right, power or remedy of either party; nor shall such delay or omission be construed as a waiver of any such breach or default or any similar breach or default.

30. Non-Assignment of Agreement. The Grantee may not assign, sublicense or otherwise transfer its rights, duties or obligations under this Agreement without the prior written consent of the Division, which shall not unreasonably be withheld. The agreement transferee must demonstrate compliance with the requirements of the project. If the Division approves a transfer of the Grantee's obligations, the Grantee shall remain liable for all work performed and all expenses incurred in connection with this Agreement. In the event the Legislature transfers the rights, duties and obligations of the Division to another governmental entity, pursuant to Section 20.06, *Florida Statutes* or otherwise, the rights, duties and obligations under this Agreement shall be transferred to the succeeding governmental agency as if it was the original party to this Agreement.

31. Required Procurement Procedures for Obtaining Goods and Services. The Grantee shall provide maximum open competition when procuring goods and services related to the grant-assisted project in accordance with Section 287.057, *Florida Statutes*.

a) Procurement of Goods and Services Not Exceeding $35,000. The Grantee must use the applicable procurement method described below:

1. Purchases Up to $2,500: Procurement of goods and services where individual purchases do not exceed $2,500 do not require competition and may be conducted at the Grantee's discretion.

2. Purchases or Contract Amounts Between $2,500 and $35,000: Goods and services costing between $2,500 and $35,000 require informal competition and may be procured by purchase order, acceptance of vendor proposals or other appropriate procurement document.

b) Procurement of Goods and Services Exceeding $35,000. Goods and services costing over $35,000 may be procured by either Formal Invitation to Bid, Request for Proposals or Invitation to Negotiate and may be procured by purchase order, acceptance of vendor proposals or other appropriate procurement document.

32. Conflicts of Interest. The Grantee hereby certifies that it is cognizant of the prohibition of conflicts of interest described in Sections 112.311 through 112.326, *Florida Statutes* and affirms that it will not enter into or maintain a business or other relationship with any employee of the Department of State that would violate those provisions. The Grantee further agrees to seek authorization from the General Counsel for the Department of State prior to entering into any business or other relationship with a Department of State Employee to avoid a potential violation of those statutes.

33. Binding of Successors. This Agreement shall bind the successors, assigns and legal representatives of the Grantee and of any legal entity that succeeds to the obligations of the Division of Library and Information Services.

34. Employment of Unauthorized Aliens. The employment of unauthorized aliens by the Grantee is considered a violation of Section 274A (a) of the Immigration and Nationality Act. If the Grantee knowingly employs

unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement.

35. **Severability.** If any term or provision of the Agreement is found to be illegal and unenforceable, the remainder will remain in full force and effect, and such term or provision shall be deemed stricken.

36. **Americans with Disabilities Act.** All programs and facilities related to this Agreement must meet the standards of Sections 553.501-553.513, *Florida Statutes* and the Americans with Disabilities Act of 1990 (ada.gov (as of January 2020)), incorporated by reference).

37. **Governing Law.** This Agreement shall be construed, performed and enforced in all respects in accordance with the laws and rules of Florida. Venue or location for any legal action arising under this Agreement will be in Leon County, Florida.

38. Entire Agreement. The entire Agreement of the parties consists of the following documents:

a) This Agreement
b) Florida Single Audit Act Requirements (Attachment A)
c) Fiscal Year 2020-21 State Aid to Libraries Final Grants (Attachment B)

The Grantee hereby certifies that they have read this entire Agreement and will comply with all of its requirements.

FLORIDA SINGLE AUDIT ACT REQUIREMENTS

AUDIT REQUIREMENTS

The administration of resources awarded by the Department of State to the Grantee may be subject to audits and/or monitoring by the Department of State as described in this Addendum to the Grant Award Agreement.

Monitoring

In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, *Florida Statutes (F.S.)*, as revised (see Audits below), monitoring procedures may include, but not be limited to, on-site visits by Department of State staff, limited scope audits as defined by 2 *CFR* 2 §200.425, or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of State. In the event the Department of State determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department of State staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

Audits

Part I: Federally Funded

This part is applicable if the recipient is a state or local government or a nonprofit organization as defined in 2 *CFR* §200.90, §200.64, and §200.70.

1. A recipient that expends $750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. Exhibit 1 to this agreement lists the federal resources awarded through the Department of State by this agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of State. The determination of amounts of federal awards expended should be in accordance with the guidelines established by 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR 200.514, will meet the requirement of this Part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, subpart F - Audit Requirements. If the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, subpart F - Audit Requirements, the cost of the audit must be

paid from non-federal resources (i.e. the cost of such an audit must be paid from recipient resources obtained from other than federal entities).

Part II: State Funded

This part is applicable if the recipient is a nonstate entity as defined by section 215.97(2) *F.S.*

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017 and thereafter), the recipient must have a state single or project-specific audit for such fiscal year in accordance with Section 215.97, *F.S.* ; Rule Chapter 69I-5 F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this agreement indicates state financial assistance awarded through the Department of State by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of State, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.

2. For the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), *F.S.* This includes submission of a financial reporting package as defined by Section 215.97(2) *F.S.* , and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal years ending June 30, 2017 and thereafter), an audit conducted in accordance with the provisions of Section 215.97, *F.S.*, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, *F.S.*, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

3. Any reports, management letter, or other information required to be submitted to the Department of State pursuant to this agreement shall be submitted timely in accordance with 2 CFR 200.512, section 215.97 F.S. and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

4. Recipients, when submitting financial reporting packages to the Department of State for audits done in accordance with 2 CFR 200, Subpart F - Audit Requirements or Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the recipient in correspondence accompanying the reporting package.

Part IV: Record Retention

1. The recipient shall retain sufficient records demonstrating its compliance with the terms of the award(s) and this agreement for a period of five years from the date the audit report is issued, and shall allow the Department of State, or its designee, the CFO, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of State, or its designee, the CFO, or Auditor General upon request for a period of at least three years from the date the audit report is issued, unless extended in writing by the Department of State.

Issue: Local Government Contribution for SAIL Housing Tax Credit Applications through Florida Housing Finance Corporation
From: CLARA LONG, Department Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Local Government Contribution for SAIL Housing Tax Credit Applications through Florida Housing Finance Corporation - Clara Long, Neighborhood & Human Services Department Director

That the Board take the following action concerning the Local Government Contribution for SAIL Housing Tax Credit Applications through Florida Housing Finance Corporation:

A. Approve or reject the Applications submitted for the State Apartment Incentive Loan (SAIL) financing through Florida Housing Finance Corporation (FHFC), under RFA 2020-205-Meadowbrook Senior, Westover Senior Apartments, and 901 S. Old Corry Field Road Family Housing; and

B. Authorize the County Administrator to sign the Local Government Contribution of Loan Form, in the amount of $137,500 ($37,500 minimum contribution plus $100,000 special needs set aside), for approved multi-family developments applying for State Apartment Incentive Loan (SAIL) financing through Florida Housing Finance Corporation (FHFC), under RFA 2020-205.

[Funding: Fund 120/SHIP and/or Fund 124/Affordable Housing]

BACKGROUND:

Florida Housing Finance Corporation (FHFC) has opened competitive Request For Applications (RFA) for multifamily developments interested in State Apartment Incentive Loan (SAIL) funding. RFA 2020-205 SAIL Financing of Affordable Multifamily Housing Developments to be used in Conjunction with Tax-Exempt Bonds and Non-Competitive Housing Credits, with a deadline to FHFC of November 12, 2020. The Board authorized accepting Applications for this funding cycle at the September 3, 2020, BCC meeting (Exhibit I). A local government contribution of $37,500 (Exhibit II) is required for a developer to receive maximum points during the scoring process with FHFC. State Apartment Incentive Loan (SAIL) program is funding available from the state to be used as gap financing in conjunction with Bond financing and non-competitive housing credits. There is no guarantee of a development being selected for funding by the state as FHFC accepts multiple applications statewide with limited funding available.

Three Applications were received by the advertised deadline as follows:

DEVELOPMENT	ADDRESS	UNIT COUNT	TYPE	SET ASIDE UNITS	AVERAGE SCORING
Meadowbrook Senior	1200 N. 57th Avenue	144	Elderly	2 (Special Needs)	83.875
Westover Senior Apartments	4416 Westover Avenue	60	Elderly	2 (Special Needs)	77.75
901 S. Old Corry Field Rd. Family Housing	901 S. Old Corry Field Road	126	Family	2 (Special Needs)	80.375

Due to the size of the application materials, only application summaries for each development have been provided. Hard copies of each Application are available for review in the Neighborhood Enterprise Division office. The summary application for Meadowbrook Senior is provided as Exhibit III, with reviewer comments as Exhibit IV. Westover Senior is provided as Exhibit V, with reviewer comments as Exhibit VI. Old Corry Field Road Family Housing is provided as Exhibit VII, with reviewer comments as Exhibit VIII.

All developments have requested $100,000 in addition to the minimum local government contribution of $37,500, since all have made a commitment to set aside two of the units to extremely low income homeless, formerly homeless, or special needs households. The units must be reserved for extremely low income households and the rent limit cannot exceed the 30% rent limits based on bedroom size. Provision of a homeless or special needs set aside enables the County to help meet SHIP mandated extremely low income and special needs set asides.

Documents related to RFA 2020-205 SAIL Financing of Affordable Multifamily Housing Developments to be used in Conjunction with Tax-Exempt Bonds and

Non-Competitive Housing Credits is available online here

BUDGETARY IMPACT:

The statewide housing tax credit application process through Florida Housing Finance Corporation (FHFC) is extremely competitive, so there is no guarantee of any project being funded in Escambia County as developments are competing for funds across the state.

Fund 120/SHIP and/or Fund 124/Escambia Affordable Housing funds will only be provided in the event that a development is awarded financing through FHFC during this application cycle. Developments awarded funding by FHFC will be brought back to the Board to formally commit funding and the most recent County allocation year will be used at the time of the award.

POLICY/REQUIREMENT FOR BOARD ACTION:

Potential funding commitments must be reviewed and approved by the Board.

IMPLEMENTATION/COORDINATION:

If approved by the Board, the Neighborhood Enterprise Division will coordinate execution of the form(s) to the developer(s) as needed.

ESCAMBIA COUNTY, FLORIDA
LOCAL GOVERNMENT CONTRIBUTION APPLICATION
FOR FHFC HOUSING TAX CREDITS
[RFA 2020-205]

GENERAL INFORMATION:

This application is solely for the use of applicants seeking the required minimum Local Government Contribution for proposed developments for application to Florida Housing Finance Corporation (FHFC) RFA 2020-205 SAIL Financing of Affordable Multifamily Housing Developments to be used in Conjunction with Tax-Exempt Bonds and Non-Competitive Housing Credits.

This application and supporting documents may be found online at: https://myescambia.com/our-services/neighborhood-human-services/neighborhood-enterprise/rental-programs

Questions may be submitted to HTCapp@myescambia.com

FUNDING:

Funding to be provided by Escambia County State Housing Initiatives Partnership (SHIP) Program and/or Escambia County Affordable Housing program funds will be available only for proposals that meet the County's criteria. Successful applicants must comply with all rules and regulations of the County's housing programs. Funding is subject to availability. In each instance, the minimum contribution required by FHFC will be provided.

Escambia County funding will be in the form of a deferred loan, with the provided amount depreciating over the term of the loan, provided the property is not in default of program agreement and mortgage terms. Escambia County reserves the right to amend and/or rescind this funding opportunity at any time prior to the final award and approval of any contract by the Board of County Commissioners.

HOMELESS/SPECIAL NEEDS SET ASIDE FUNDING:

If developer will commit to set aside TWO (2) units for a homeless or special needs set aside units, an additional $100,000 will be provided by the County over and above the minimum contribution required by FHFC. The units must be reserved for an extremely low income (ELI) household or individual according to current income limits, and rent limits on the units must not exceed the current 30% limits for the SHIP Program based on bedroom size as provided by FHFC. The developer may set aside two homeless units, two special needs units, or one of each; the set aside unit requirement to obtain the additional funding is TWO units total.

For homeless units, the developer would commit to working with Opening Doors Northwest Florida (the local homeless Continuum of Care) to receive referrals from homeless/formerly homeless households transitioning out of COC or locally funded permanent supportive housing. An approved Memorandum of Understanding or Agreement with Opening Doors is not required for this application, but must be provided in advance of the County providing funds.

For special needs units, the developer would need to commit to providing units specifically for households that meet the definition of special needs as defined in Section 420.0004(13) F.S., which is a household receiving benefits from Social Security Disability Insurance, Supplemental Security Income, or Veteran's Disability; a domestic violence survivor; a young adult formerly in foster care; or a household with a disabling condition requiring independent living services.

The current 30% SHIP income and rent limits (effective 4/1/20) for Escambia County are as follows (please note that FHFC Multifamily Rental Program Extremely Low Income and rent limits posted for Escambia County may differ from the amounts below):

Household Size	Income Limit
1	$13,700
2	$16,460
3	$20,780
4	$25,100

Bedroom Size	Monthly Rent Limit
0	$342
1	$377
2	$519
3	$681

TERMS AND CONDITIONS:

1. If awarded funding by FHFC, applicants acknowledge the following regarding Escambia County funding:
   a. All units supported by County funds must remain affordable for a minimum of 15 years from the occupancy date.
   b. If funding is approved by FHFC, an Agreement will be entered with the Board of County Commissioners prior to official award of Escambia County funding.
   c. A mortgage and note will be filed against the property. Escambia County acknowledges that this mortgage will be subordinate to other development funding.
   d. Funding will be in the form of a deferred loan, with the loan amount depreciating over the term of the loan provided that the project is not in default.
   e. The County will require annual monitoring of the project for compliance with occupancy, rent and income limits, resident program offerings, and property conditions.
2. Applicants acknowledge that all information provided in this application is considered a public record to the extent of the State of Florida public records law.
3. If selected by the County for the local government contribution, the developer will be required to utilize the Escambia County Housing Finance Authority (ECHFA) for issuance of any tax-exempt bonds.
4. Funding commitments are good through June 30, 2021 for RFA 2020-205.
5. Incomplete applications will not be considered.
6. The County reserves the right, at its discretion, to waive minor informalities or irregularities in any responses, request clarification/information from the applicants, reject any or all responses in whole or

in part, with or without cause, and accept any response, which in the County's judgment will be in the County's best interest.

7. Scoring criteria is provided at the end of this document.
8. Any clarification, correction, or change to this application will me made via a written addendum to be made available online at the site above. Any oral or other type of communication regarding this application is not binding.

Re: Local Government Contribution Application (FHFC RFA 2020-205)

Dear Ms. Reeves:

Please find enclosed Banyan Development Group, LLC's submittal for a Local Government Contribution Application related to the Florida Housing Finance Corporation's SAIL RFA 2020-205. Our proposed 55+ elderly development, Meadowbrook Senior, will redevelop a currently abandoned site located at 1200 N 57th Avenue in unincorporated Escambia County. We believe that our response meets the objectives of your solicitation and, if successful in our FHFC SAIL application, we will be able to proceed to closing, construction completion and the successful lease up of 144 affordable units by the Spring of 2023.

Since its inception in 2016, Banyan Development Group, LLC (comprised of partners Scott Zimmerman, Lou Vogt, Alex and Jeff Kiss) has been a rising leader in the affordable housing industry with eleven (11) new construction rental apartment communities (1075 total units) that are either completed, under construction or in underwriting throughout Florida. Our Development Team is comprised of seasoned professionals with decades of experience in the design, construction, development, and management of sustainable, affordable housing properties. Many of our professional Team members are locally based in the Pensacola area.

Our affiliated property management company, AGPM, LLC, is owned by partners Scott and Lou and has an impeccable reputation among the many Florida compliance agencies. AGPM, LLC will provide future residents of the Meadowbrook Senior development benefits reaching beyond decent, safe affordable housing through numerous resident programs that include significant green and energy efficient design features and amenities. Additionally, we will continue to partner with local non-profit organizations to better serve those members of the community who are either disabled, veterans or other persons with Special Needs.

I will be the contact person for this submittal and my information is provided below. Scott Zimmerman will be the designated person vested with contracting authority for BDG. We look forward to working with you to make this unique, senior development community a reality in the near term.

Regards,

Alexander B. Kiss

TO BE COMPLETED BY STAFF. SCORING SHEET PROVIDED FOR INFORMATION PURPOSES ONLY.

Description	Maximum Points Available	Points Awarded
Developer Experience	**20**	20
*Is the developer currently debarred or prohibited from participating in FHFC programs? *Does the developer have any areas of non-compliance with FHFC? *Does the developer have adequate experience to complete this type of project?		
Comments: Developer experienced with LIHTC programs. No debarment with FHFC or other compliance issues noted		
Property Management Experience	**10**	10
*Did the developer provide listings of properties managed by the proposed property manager in Escambia and Santa Rosa Counties? *Does the property management team have experience managing properties of this type?		
Comments: No properties currently owned or managed in Escambia or Santa Rosa counties. Property Management company (AGPM) has experience managing close to 100 properties.		
Design Compatibility	**15**	11
*Does the developer provide a narrative describing how the proposed development's design is appropriate to the neighborhood? *Does the developer have a plan to allow for community involvement to guide the design process? *Is the scale of the proposed development appropriate for the surrounding neighborhood? *Does the development display compatibility with existing properties? *Does the development provide any innovative design features, such as crime prevention through environmental design?		
Comments: Proposed development is larger scale than surrounding SFRs, however it meets all zoning/LDC requirements to build as proposed. Developer states that neighborhood feedback with be incorporated in design. Proposed crime prevention through design and green/energy efficient features are supported in the proposal		
Resident Program Offerings	**5**	5
*Does the developer offer resident programs in excess of the required minimums from FHFC (for family units, three programs are required; for elderly units, 24 hr support plus 3 additional programs are required)?		
Comments:		

Yes. Computer and literacy training.		
Local Contractors	**5**	5
*Does the developer propose using local construction contractors, architects, designers, engineers, and/or professional services?		
Comments: Local contractor, engineering, enviro firms proposed		
Local Partnerships	**5**	5
*Did the developer provide evidence of partnership(s) with local agencies to provide specific service delivery related to the project?		
Comments: ARC, CIL ltr of support, Opening Doors		
Community Support	**10**	7
*Did the developer provide evidence of notification in the form of emails, and/or mailouts to owners within 2500 feet of the proposed project? *Was any other advertising performed? *Did the developer hold a community meeting in the vicinity of the proposed development and provide agenda, minutes, and sign in sheets? *Can the developer provide letter(s) of support from local neighborhood groups regarding the development?		
Comments: Yes, local mailout provided to properties within 2500 feet of proposed development. Zoom meeting held October 5. Minutes provided. 8 letters of support provided. Additional letters of support submitted post deadline. Still evidence of community concern from neighborhood regarding some aspects of project (primarily infrastructure)		
Target Areas	**5**	0
*Is the project located within a City or County Community Redevelopment Area? **OR** *Is the development located within an Area of Opportunity?		
Comments: Not located in CRA or other target area		
Financial Capacity	**10**	10
*Does the development proforma indicate sufficient funding to complete the project?		
Comments: yes		

Local Community Benefits	**10**	8
*Does the development provide programs or amenities that are available to the surrounding neighborhood? *Does the development look to redevelop vacant or abandoned properties, brownfield sites, or severely blighted properties that are negatively impacting the surrounding neighborhood? *Does the development provide any innovations that may reduce public expenses in the area? *Will the development provide any set asides for extremely low income, homeless or special needs households?		
Comments: Developer proposes donation of adjacent parcel to neighborhood or County for use as a community center. Site proposed has long been vacant and abandoned. 2 units set aside for homeless or special needs.		
Ability to Proceed	**5**	4
*Did the development provide ability to proceed forms demonstrating availability of water, sewer, and electrical services at the site? *Is the development appropriately zoned and consistent with local land use regulations regarding intended use and density? *Based on Preapplication Review from County/City, how able is the development to proceed? *Does the developer have evidence of site control?		
Comments: Ability to proceed forms provided, with exception of current electricity and roads form. Per developer, could not get current electric form signed by GP due to Sally (prior year forms provided). Consistent with zoning and has evidence of site control.

SCORING CRITERIA

FHFC RFA # **2020-205 (SAIL/4%/Bonds)**

Development Name: **Meadowbrook Senior Apartment (BDG)** **144 units (87-1BR & 57-2BR)**
1200 N. 57th Ave.

REVIEWER: Randy Wilkerson, Director of Housing, Escambia County Housing Finance Authority

Description	Maximum Points Available	Points Awarded
Developer Experience	**20**	**19***
*Is the developer currently debarred or prohibited from participating in FHFC programs? No *Does the developer have any areas of non-compliance with FHFC? None listed *Does the developer have adequate experience to complete this type of project? Yes (see comments)		
Comments: 1. No indication that the developer is debarred or otherwise sanctioned by FHFC with respect to its programs. 2. No areas of non-compliance are noted on the FHFC Compliance Website as of this date. 3. Developer has extensive history of developing HTC properties in Florida, primarily by utilizing various FHFC and local financing/funding sources to attain affordability. Financing for 11 developments (1075 units) secured since 2016 that have financing similar to that proposed for Meadowbrook Senior. 4. *The developer has not developed and does not currently own any complexes in Escambia or Santa Rosa counties.		
Property Management Experience	**10**	8*
*Did the developer provide listings of properties managed by the proposed property manager in Escambia and Santa Rosa Counties? List provided but none of the properties are in Escambia or Santa Rosa. *Does the property management team have experience managing properties of this type? Yes (See comments)		
Comments: Management Company is AGPM, LLC – based in Orlando (has extensive experience listed, including management of over 90 apartment complexes of varying sizes with the majority of the units located in Florida). In total, the company manages over 13,000 rental units in the southeast US, most of which are primarily governed by affordability restrictions/requirements. *The company DOES NOT manage any complexes in Escambia or Santa Rosa County.		
Design Compatibility	**15**	**12**
*Does the developer provide a narrative describing how the proposed development's design is appropriate to the neighborhood? Yes. Meets zoning and LDC requirements per DRC meeting summary *Does the developer have a plan to allow for community involvement to guide the design process? Yes (zoom meeting following direct mail notice to residents within 2500 ft. of the development site). Developer to follow up with interested parties regarding issues raised in the zoom meeting. *Is the scale of the proposed development appropriate for the surrounding neighborhood? Yes, *given its almost 6 acre development site/location on Lillian Hwy*. *Does the development display compatibility with existing properties? See comments below *Does the development provide any innovative design features, such as crime prevention through environmental design. Yes. Though not technically innovative, crime prevention/security measures incorporated in the design are listed on page 3 of the developer's proposal specific to landscaping, lighting, removal of derelict vehicles, & strengthened exterior doors.		
Comments: Community Involvement: A zoom meeting was held at 6 pm on 10/5/2020 following direct mail notice to residents within 2500 ft. of the development site). Attendees were afforded the opportunity to speak,		

ask questions and offer comments/solutions. Developer provided updates and answered questions during the session and committed to follow up with interested parties regarding issues raised in the zoom meeting. Scale/Compatibility: The Lillian Hwy. location tends to buffer the development from the neighborhood. The site is also adjacent/proximate to other existing multifamily developments. But Meadowbrook is admittedly a large development for an area that is generally comprised of single family/smaller scale rental.		
Resident Program Offerings	**5**	**3**
*Does the developer offer resident programs in excess of the required minimums from FHFC? Standard only		
Comments: Standard resident services for a senior development are planned/proposed. I saw nothing that was above and beyond the standard listing. Partnering with ARC an additional element, but I believe it to be more associated with the special needs set-aside requirements than serving as an "above and beyond the norm resident program".		
Local Contractors	**5**	**5**
*Does the developer propose using local construction contractors, architects, designers, engineers, and/or professional services? Yes to a significant degree.		
Comments: Developer proposes to use a local GC (ParsCo), local engineering & environmental firms (McKim & Creed and NOVA) and a Northwest Florida based local landscape architect (Alan D. Holt). I would assume that building materials will also be purchased locally.		
Local Partnerships	**5**	**5**
*Did the developer provide evidence of partnership(s) with local agencies to provide specific service delivery related to the project? Yes.		
Comments: Opening Doors, ARC Gateway & Veteran Organizations		
Community Support	**10**	**9**
*Did the developer provide evidence of notification in the form of emails, and/or mailouts to owners within 2500 feet of the proposed project? Yes (direct mailout list provided along with the text of the notice & meeting summary) *Was any other advertising performed? No, only direct mailout to addresses within 2500 feet of the site *Did the developer hold a community meeting in the vicinity of the proposed development and provide agenda, minutes, and sign in sheets? Yes. Zoom meeting *Can the developer provide letter(s) of support from local neighborhood groups regarding the development? Yes (included in application)		
Comments: Zoom meeting held on 10/5/2020 at 6 pm (COVID) - folks invited via direct mailout 8 Ltrs. included in application (residents, commercial, non-profit agencies (CIL & ARC) & general support)		
Target Areas	**5**	**0**
*Is the project located within a City or County Community Redevelopment Area? **OR**		**No**
*Is the development located within an Area of Opportunity (as listed by FHFC 6/28/18)?		**No**
Comments: Development site is not located in either focus/target area		
Financial Capacity	**10**	**10**
*Does the development proforma indicate sufficient funding to complete the project? **Yes**		
Comments: The development financing appears adequate to provide the units and amenities as presented. The decision regarding the LG Contribution ($37,500) and LG Special Needs funding ($100,000) is uncertain at this point, but the overall development pro forma is acceptable. A portion of the property purchase will be financed		

by a seller note ($800,000) that is subject to available cash flow, which should not materially impact the viability of the project but it will be an additional debt/long-term liability.		
Local Community Benefits	**10**	**8**
*Does the development provide programs or amenities that are available to the surrounding neighborhood? Indirectly – Developer indicates that the vacant 1 acre parcel on the SW corner of the of the intersection of Lillian & 57th is ***slated*** to be donated to the County and/or Myrtle Grove Association for their use as a community center location. This parcel is NOT part of the development site *Does the development look to redevelop vacant or abandoned properties, brownfield sites, or severely blighted properties that are negatively impacting the surrounding neighborhood? Yes. This parcel has been long abandoned following the closure of the YMCA facility that was previously on the parcel. *Does the development provide any innovations that may reduce public expenses in the area? Yes. Though maybe not innovative, improved stormwater drainage on the site and limiting of the amount of stormwater runoff exiting the site to surrounding properties should help with current drainage issues. *Will the development provide any set asides for homeless or special needs households? 2 units		
Comments: See above		
Ability to Proceed	**5**	**5**
*Did the development provide ability to proceed forms demonstrating availability of water, sewer, and electrical services at the site? Yes (forms included) *Is the development appropriately zoned and consistent with local land use regulations regarding intended use and density? Yes (documentation included) *Based on Preapplication Review from County/City, how able is the development to proceed? DRC comments indicate that the development is ready to proceed *Does the developer have evidence of site control? Yes (via purchase contract & amendment)		
Comments: There is no indication of issues or deficiencies that would prohibit the development from moving forward if financing is provided/approved.		
Total Points (minimum of 80 points required for submission to BCC for Local Government Contribution):		**84 points** /100

SCORING CRITERIA

FHFC RFA # **2020-205 (SAIL/4%/Bonds)**

Development Name: **Westover Senior Apartments (NHP/AHC)** **60 units** ***(57 – 1BR & 3 – 2BR)***
4416 Westover Avenue

REVIEWER: Randy Wilkerson, Director of Housing, Escambia County Housing Finance Authority

Description	Maximum Points Available	Points Awarded
Developer Experience	**20**	**19***
*Is the developer currently debarred or prohibited from participating in FHFC programs? No *Does the developer have any areas of non-compliance with FHFC? None listed *Does the developer have adequate experience to complete this type of project? Yes (see comments)		
Comments: 1. No indication that the developer or AHC is debarred or otherwise sanctioned by FHFC with respect to its programs. 2. No areas of non-compliance are noted on the FHFC Compliance Website as of this date. 3. Developer has extensive history of developing HTC properties (both new construction & rehab) in numerous states, including Florida, primarily by utilizing various FHFC and local financing/funding sources to attain affordability. AHC has a long history in Escambia County as the local public housing authority. NHP has over 10,000 affordable units in various states and has been involved with development of over 18,000 affordable units. 4. *The developer has not developed and does not currently own any complexes in Escambia or Santa Rosa counties, however AHC has a long-standing history in the affordable housing arena locally as the local public housing authority with 603 public housing units and additional locally owned affordable units.		
Property Management Experience	**10**	**9***
*Did the developer provide listings of properties managed by the proposed property manager in Escambia and Santa Rosa Counties? Yes *Does the property management team have experience managing properties of this type? Yes (See comments)		
Comments: Property management to be provided by Area Housing Commission (Pensacola). AHC has operated locally since 1938 as a PHA and actively manages 603 units of public housing, plus scattered site locally owned affordable apartments/units, all located in Escambia County/Pensacola). Virtually of the managed units are primarily governed by affordability restrictions/requirements. *NHP (the co-developer) DOES NOT manage any complexes in Escambia or Santa Rosa County.		
Design Compatibility	**15**	**12**
*Does the developer provide a narrative describing how the proposed development's design is appropriate to the neighborhood? Yes. The "townhome" design is fashioned to align with the adjacent Westwood Homes elderly development owned by AHC. The intent is to look less dense in keeping with the surroundings *Does the developer have a plan to allow for community involvement to guide the design process? Yes (A public notice was published in the PNJ advising of the planned developments and a website posting of the plans. Interested parties were advised to provide comments regarding the proposed developments to the AHC office or to the Executive Director (via phone or email). *Is the scale of the proposed development appropriate for the surrounding neighborhood? Yes. This site is proximate to AHC Westwood Homes senior apartments, which is a nice fit. *Does the development display compatibility with existing properties? See comments below		

*Does the development provide any innovative design features, such as crime prevention through environmental design. None noted		
Comments: Community Involvement: A public notice was published in the PNJ advising of the planned developments with directions for submitting comments. Scale/Compatibility: The property design takes into account the existing elderly apartments (Westwood Homes) owned by AHC and will fit well in the mixed use area surrounding the development site.		
Resident Program Offerings	**5**	**3**
*Does the developer offer resident programs in excess of the required minimums from FHFC? Standard only		
Comments: Standard resident services for a senior development are planned/proposed. I saw nothing that was above and beyond the standard listing unless the Resident Services Coordinator would be considered to be an extra service.		
Local Contractors	**5**	**4**
*Does the developer propose using local construction contractors, architects, designers, engineers, and/or professional services? Yes (to some degree)		
Comments: Developer or AHC list the following local firms that have been or will be used in developing the apartments: civil engineering (KG Development Services), Architectural (Sam Marshall Architects), and environmental Biome Consulting Group). No real discussion regarding who will be the GC for the actual development.		
Local Partnerships	**5**	3.5*
*Did the developer provide evidence of partnership(s) with local agencies to provide specific service delivery related to the project? No evidence provided (see comments below)		
Comments: Though no "evidence of contact with local agencies was provided there was a notation in the application about *reserving 2 units for special needs which would typically require involvement of a local non-profit referral agency. Minimal points awarded for this notation.		
Community Support	**10**	**6.5**
*Did the developer provide evidence of notification in the form of emails, and/or mailouts to owners within 2500 feet of the proposed project? No. There is no evidence that this was completed in the application. *Was any other advertising performed? Yes. Public notice in the PNJ on 10/13/2020, 10/14/2020 & 10/15/2020 *Did the developer hold a community meeting in the vicinity of the proposed development and provide agenda, minutes, and sign in sheets? No formal community meeting. Rezoning was required so notices were provided to surrounding residents per rezoning requirements. *Can the developer provide letter(s) of support from local neighborhood groups regarding the development? Resolution from the AHC Board, which includes a tenant representative, is included in the application. No neighborhood resident or letters from the larger community are included.		
Comments: Developer provided information to the public by publishing a notice in the Pensacola News Journal on 3 consecutive days (10-13-15-2020). There is no evidence of a community meeting.		
Target Areas	**5**	0
*Is the project located within a City or County Community Redevelopment Area? **OR**		**No**
*Is the development located within an Area of Opportunity (as listed by FHFC 6/28/18)?		**No**
Comments: The site is not in a CRA nor an Area of Opportunity per the application as filed		
Financial Capacity	**10**	**10**
*Does the development proforma indicate sufficient funding to complete the project?		

Comments: NHP has substantial assets and the capacity to carry out the development as proposed. If financing as proposed is provided to NHP/AHC, there should be no issued with ability to complete the development financially.		
Local Community Benefits	**10**	**8**
*Does the development provide programs or amenities that are available to the surrounding neighborhood? Yes. Area Housing Commission does provide services in the vicinity of Westwood Homes (adjacent to the development site). *Does the development look to redevelop vacant or abandoned properties, brownfield sites, or severely blighted properties that are negatively impacting the surrounding neighborhood? Yes. This site has been undeveloped since removal of the FEMA Temporary Mobile Home Site post-Hurricane Ivan. *Does the development provide any innovations that may reduce public expenses in the area? None are described in the application, but the lower density design should help with security issues. *Will the development provide any set asides for homeless or special needs households? 2 units		
Comments: see above		
Ability to Proceed	**5**	**5**
*Did the development provide ability to proceed forms demonstrating availability of water, sewer, and electrical services at the site? Yes *Is the development appropriately zoned and consistent with local land use regulations regarding intended use and density? Yes *Based on Preapplication Review from County/City, how able is the development to proceed? Ready to proceed *Does the developer have evidence of site control? Yes (property owned by AHC)		
Comments: There are no indications that the development would have difficulty proceeding promptly assuming the proposed financing is approved/awarded.		
Total Points (minimum of 80 points required for submission to BCC for Local Government Contribution):		**80 points** /100

Description	Maximum Points Available	Points Awarded
Developer Experience	**20**	**19***
*Is the developer currently debarred or prohibited from participating in FHFC programs? No *Does the developer have any areas of non-compliance with FHFC? None listed *Does the developer have adequate experience to complete this type of project? Yes (see comments)		
Comments: 1. No indication that the developer or AHC is debarred or otherwise sanctioned by FHFC with respect to its programs. 2. No areas of non-compliance are noted on the FHFC Compliance Website as of this date. 3. Developer has extensive history of developing HTC properties (both new construction & rehab) in numerous states, including Florida, primarily by utilizing various FHFC and local financing/funding sources to attain affordability. AHC has a long history in Escambia County as the local public housing authority. NHP has over 10,000 affordable units in various states and has been involved with development of over 18,000 affordable units. 4. *The developer has not developed and does not currently own any complexes in Escambia or Santa Rosa counties, however AHC has a long-standing history in the affordable housing arena locally as the local public housing authority with 603 public housing units and additional locally owned affordable units.		
Property Management Experience	**10**	**9***
*Did the developer provide listings of properties managed by the proposed property manager in Escambia and Santa Rosa Counties? Yes *Does the property management team have experience managing properties of this type? Yes (See comments)		
Comments: Property management to be provided by Area Housing Commission (Pensacola). AHC has operated locally since 1938 as a PHA and actively manages 603 units of public housing, plus scattered site locally owned affordable apartments/units, all located in Escambia County/Pensacola). Virtually of the managed units are primarily governed by affordability restrictions/requirements. *NHP (the co-developer) DOES NOT manage any complexes in Escambia or Santa Rosa County.		
Design Compatibility	**15**	**11**
*Does the developer provide a narrative describing how the proposed development's design is appropriate to the neighborhood? Yes. The intent is to design in keeping with the surroundings *Does the developer have a plan to allow for community involvement to guide the design process? Yes (A public notice was published in the PNJ advising of the planned developments and a website posting of the plans. Interested parties were advised to provide comments regarding the proposed developments to the AHC office or to the Executive Director (via phone or email). *Is the scale of the proposed development appropriate for the surrounding neighborhood? The surrounding area is very mixed use, including public housing, a large park/community center and varied commercial/retail uses. *Does the development display compatibility with existing properties? See comments below *Does the development provide any innovative design features, such as crime prevention through environmental design. None noted		

Comments: Community Involvement: A public notice was published in the PNJ advising of the planned developments with directions for submitting comments. Scale/Compatibility: The property site layout and building design is noted to take into account an existing apartment complex (Pines at Warrington located on Navy Blvd.). Very little discussion of design otherwise.		
Resident Program Offerings	**5**	**3**
*Does the developer offer resident programs in excess of the required minimums from FHFC? Standard only		
Comments: Standard resident services for a family development are planned/proposed. I saw nothing that was above and beyond the standard listing unless the Resident Services Coordinator would be considered to be an extra service.		
Local Contractors	**5**	**4**
*Does the developer propose using local construction contractors, architects, designers, engineers, and/or professional services? Yes (to some degree)		
Comments: Developer or AHC list the following local firms that have been or will be used in developing the apartments: civil engineering (KG Development Services), Architectural (Sam Marshall Architects), and environmental Biome Consulting Group). No real discussion regarding who will be the GC for the actual development.		
Local Partnerships	**5**	**3.5***
*Did the developer provide evidence of partnership(s) with local agencies to provide specific service delivery related to the project? No evidence provided (see comments below)		
Comments: Though no "evidence of contact with local agencies was provided there was a notation in the application about *reserving 2 units for special needs which would typically require involvement of a local non-profit referral agency. Minimal points awarded for this notation.		
Community Support	**10**	**6.5**
*Did the developer provide evidence of notification in the form of emails, and/or mailouts to owners within 2500 feet of the proposed project? No. There is no evidence that this was completed in the application. *Was any other advertising performed? Yes. Public notice in the PNJ on 10/13/2020, 10/14/2020 & 10/15/2020 *Did the developer hold a community meeting in the vicinity of the proposed development and provide agenda, minutes, and sign in sheets? No formal community meeting. Rezoning was required so notices were provided to surrounding residents per rezoning requirements. *Can the developer provide letter(s) of support from local neighborhood groups regarding the development? Resolution from the AHC Board, which includes a tenant representative, is included in the application. No neighborhood resident or letters from the larger community are included.		
Comments: Developer provided information to the public by publishing a notice in the Pensacola News Journal on 3 consecutive days (10-13-15-2020). There is no evidence of a community meeting.		
Target Areas	**5**	**2.5**
*Is the project located within a City or County Community Redevelopment Area? **OR** **Yes (Warrington CRA)** *Is the development located within an Area of Opportunity (as listed by FHFC 6/28/18)? **No**		
Comments: The site is located in the Warrington CRA but it is not in an Area of Opportunity		
Financial Capacity	**10**	**10**
*Does the development proforma indicate sufficient funding to complete the project?		
Comments: NHP has substantial assets and the capacity to carry out the development as proposed. If financing as proposed is provided to NHP/AHC, there should be no issued with ability to complete the development financially.		

Local Community Benefits	10	7.5
*Does the development provide programs or amenities that are available to the surrounding neighborhood? None stated but Area Housing Commission does own and manage a 200 unit public housing development (Moreno Court) nearby this site which would enable the agency to coordinate services between the facilities. *Does the development look to redevelop vacant or abandoned properties, brownfield sites, or severely blighted properties that are negatively impacting the surrounding neighborhood? This site is an undeveloped parcel. *Does the development provide any innovations that may reduce public expenses in the area? None are described in the application. *Will the development provide any set asides for homeless or special needs households? 2 units		
Comments: see above		
Ability to Proceed	**5**	5
*Did the development provide ability to proceed forms demonstrating availability of water, sewer, and electrical services at the site? Yes *Is the development appropriately zoned and consistent with local land use regulations regarding intended use and density? Yes *Based on Preapplication Review from County/City, how able is the development to proceed? Ready to proceed *Does the developer have evidence of site control? Yes (property owned by AHC)		
Comments: There are no indications that the development would have difficulty proceeding promptly assuming the proposed financing is approved/awarded.

BCC Regular Meeting **Discussion**
Meeting Date: 11/05/2020
Issue: Authorization for Acquisition of Real Property Located at 3300 West DeSoto Street
From: DEBBIE BOWERS, Assistant County Administrator
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Authorization for the Acquisition of Real Property Located at 3300 West DeSoto Street - Cassie Boatwright, Facilities Management Department Director

That the Board take the following action regarding the authorization for acquisition of a parcel of real property located at 3300 West DeSoto Street from the Myrtle Grove Lodge #352:

Authorize staff to negotiate and/or offer a purchase price of $90,000 for a parcel of real property located at 3300 West DeSoto Street, subject to receipt of an appraised value of $90,000 or greater, completion of the due diligence check list, and an executed Sales Agreement. An appraisal for this real property has been ordered and is expected to be completed by November 17, 2020. Additionally, authorize staff to proceed with the remaining due diligence for real property acquisition which is consistent with the provisions of Section 46-139 of the Escambia County code of Ordinances. An executed Sales Agreement will be brought back to the BCC for approval prior to closing on the property.

The property is located strategically across the street from the Brownsville Community Center, which would provide an opportunity to further the vision to bring community services to the citizens of Escambia County. The Lodge notified staff that it had a bona fide offer for the property and time is of the essence if the County is interested in purchasing the property. After evaluating the market, the condition of the building on the property and the Lodge's appraisal ($183,000 valuation), staff recommends the purchase of the Property at $90,000.

BACKGROUND:

The property consists of a two-story 7,330 square foot building on 0.37 acres of land located to the east of Brownsville Community Center and to the north of vacant County-owned land. Built in 1951, the building has a fellowship hall, kitchen, meeting areas, offices, three bathrooms, and an elevator. However, the property will require significant investment prior to use. The property is zoned medium density residential, assessed at $99,128, and listed on the market this summer.

BUDGETARY IMPACT:

Funding for this project is available in the Brownsville CRA Fund 151-370113.

LEGAL CONSIDERATIONS/SIGN-OFF:

The County Attorney's office will prepare the closing documents and conduct the closing for the purchase of this property.

PERSONNEL:

All work associated with this request is being done in-house and no additional staff is required.

POLICY/REQUIREMENT FOR BOARD ACTION:

These actions are consistent with the provisions of Section 46-139 of the Escambia County code of Ordinances.

IMPLEMENTATION/COORDINATION:

Upon Board approval, staff will maintain compliance with Section 46-139 of the County Codes.

BCC Regular Meeting **Action**
Meeting Date: 11/05/2020
Issue: Proposed Settlement of Workers' Compensation Claim Brought by Former Sheriff's Deputy James Salter.
From: CHARLES PEPPLER, Deputy County Attorney
Organization: County Attorney's Office
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Proposed Settlement of Workers' Compensation Claim Brought by Former Sheriff's Deputy James Salter.

That the Board approve a global settlement agreement in the sum of $83,250.00. The proposed settlement would constitute a full resolution of any and all medical and indemnity benefits, attorney's fees and costs to which James Salter and his attorney may be entitled under the Florida Workers' Compensation Act. All settlement funds would be reimbursed by excess carriers, Liberty Mutual and AmeriTrust.

BACKGROUND:

James Salter is a 74-year-old former Master Sheriff's Deputy for the Escambia County Sheriff's Office, who sustained injuries as a result of a motor vehicle accident occurring on March 22, 2007, while in the course and scope of his employment. He sustained hematomas to the left side of his head, fractures of his left acetabulum (hip) and left elbow, as well as multiple pelvic and rib fractures, including transverse process fractures to his spine at the L1 and L2 levels and the L3 and L5 levels. He also sustained compression fractures at Levels L3 and L5. He underwent multiple in-hospital surgeries and his stay in the hospital extended for six weeks.

As would be expected, Mr. Salter undertook an extensive period of rehabilitation, but was left with a 10% permanent impairment rating to his left hip. He continues receiving pain management treatment, but was given a whole-body permanent impairment rating of 21%.

Over the past decade, Mr. Salter has pursued treatment for ongoing symptoms through Dr. Barry Lurate, an orthopedic surgeon, and Dr. Harris, a pain management specialist. The treatment has consisted primarily of prescription medication, occasional injections to the spine, diagnostic studies, and physical therapy. Mr. Salter's care has generated over $300,000.00 in medical expenses since the original date of accident. As Mr. Salter is a current Medicare beneficiary, a Medicare set-aside proposal approval by the Centers for Medicare and Medicaid Services was obtained in the sum of $60,347.00 for Mr. Salter's remaining life expectancy. Future medical costs could escalate due to the possibility of another hip surgery.

The parties and their counsel negotiated a provisional settlement in which the Escambia County Board of County Commissioners and PGCS would be released from future liability for Workers' Compensation benefits in exchange for the lump sum payment of $83,250.00. The self-insured retention level has been exhausted and, therefore, the excess insurance carriers, Liberty Mutual and Ameritrust, will be ultimately responsible for payment of the settlement. The excess carriers have already approved the proposed settlement amount. Brian Hanley, the attorney retained by PGCS to represent the County in this matter, recommends the settlement as proposed, be approved by the Board.

Issue: Authorize Substitution as Counsel for Esc. Co. in Place of the Lydecker Diaz Law Firm in Andrea Minyard, M.D. v. Esc. Co., Case No. 3:20-00034 TKW/EMT
From: CHARLES PEPPLER, Deputy County Attorney

RECOMMENDATION:

Recommendation Concerning Authorization for Substitution as Counsel by Escambia County Attorney Office for Lydecker Diaz Law Firm in Andrea Minyard, M.D. v. Esc. Co., Case No. 3:20-00034-TKW/EMT.

That the Board authorize the County Attorney's Office to substitute as counsel for Escambia County in place of Lydecker Diaz Law Firm in this pending matter.

BACKGROUND:

Chubb Insurance Company, provided public entity liability coverage for Escambia County. Escambia County, along with the other three counties comprising District 1, was sued by Andrea N. Minyard, M.D., the former Interim Medical Examiner because of alleged violation of the Equal Pay Act. She is claiming that the Boards comprising District 1 approved a contract with Dr. Timothy Gallagher to pay him $325,000.00 per year in compensation as Interim Medical Examiner, after Dr. Minyard resigned her position effective September 30, 2019, constitutes a violation of the Equal Pay Act on the basis of gender, as she was paid $250,000.00 per year. Chubb denied coverage because of exclusions that Dr. Minyard is part of a law enforcement or is part of health care operations which are excluded under the policy. As to the Equal Pay Act claim, Escambia County denies that it or any other county employed Dr. Minyard and that she was an independent contractor.

This office will undertake a vigorous defense of the Equal Pay Act claim and will seek to obtain a final summary judgment in favor of Escambia County.

That the Board authorize the Chairman to sign the settlement agreement regarding the pending litigation between Escambia County and CEJ South, Inc.

BACKGROUND:

The Board met in attorney/client session and authorized a settlement in which CEJ South, Inc. and Escambia County would resolve the pending litigation between them by dismissing each of their cases against the other and entering into the attached settlement agreement. The settlement agreement provides that CEJ South, Inc., d/b/a Family-Funeral and Cremation will be responsible for paying cremation user fees for private cremations from July 1, 2020, and continuing. As part of the settlement, CEJ South, Inc. will dismiss with prejudice its claim against Escambia County relating to the siting of its crematorium.

Settlement Agreement

SETTLEMENT AGREEMENT

THIS SETTLEMENT AGREEMENT (the "Settlement Agreement") is made and entered into as of November ____, 2020 by and between C.E.J. South, Inc. d/b/a Family-Funeral and Cremation, a Florida corporation ("CEJ South") and Escambia County, Florida, a political subdivision ("Escambia County") (CEJ South and Escambia County are each individually a "Party" and collectively, the "Parties").

WHEREAS, Escambia County filed a Complaint against CEJ South in Escambia County Circuit Court Case Number 2020-CA-000787 to collect $32,720 in unpaid cremation user fees as of October 1, 2018, and all unpaid user fees accruing since that date;

WHEREAS, CEJ South has moved to dismiss the Complaint in Circuit Court Case Number 2020-CA-000787 asserting that Escambia County has no authority to collect cremation user fees from crematories;

WHEREAS, CEJ South filed a Complaint against Escambia County in Escambia County Circuit Court Case Number 2014-CA-002270 seeking a declaratory judgment that Escambia County Ordinance Number 2004-30 and the resulting revisions to Article 7 of Escambia County's Land Development Code were invalid; and,

WHEREAS, in order to avoid the expense, burden and delay of litigating the claims against each other, and without admitting or acknowledging any liability, the Parties now wish to affect a complete resolution and settlement of Case Number 2020-CA-000787 and Case Number 2014-CA-002270, and any and all claims which the Parties could have against each other in these cases, including any and all claims that were or could have been raised; and the Parties freely and voluntarily enter into this Settlement Agreement for that purpose.

NOW THEREFORE, in consideration of the covenants contained in this Settlement Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is acknowledged, the Parties agree as follows:

1. **Recitals**. The Parties agree that the foregoing recitals are true and correct and are incorporated into this Settlement Agreement by reference.

2. **Dismissal of Circuit Court Case Number 2014-CA-002270**. CEJ South agrees to voluntarily dismiss Circuit Court Case Number 2014-CA-002270 with prejudice within 5 business days of the date this Agreement is approved by the Escambia County Board of County Commissioners and executed by Escambia County. CEJ South shall take nothing from Circuit Court Case Number 2014-CA-002270. In exchange for CEJ South's voluntary dismissal with prejudice of its lawsuit, Escambia County agrees that:

   a. it shall not seek reimbursement for any attorneys' fees and costs Escambia County incurred Circuit Court Case Number 2014-CA-002270;

b. it shall waive its right to collect any unpaid cremation user fees allegedly owed by CEJ South prior to July 1, 2020; and

c. it shall voluntarily dismiss Circuit Court Case Number 2020-CA-000787 in accordance with the terms of paragraph 3 below.

3. **Dismissal of Circuit Court Case Number 2020-CA-000787**. As stated in paragraph 2(c) above, Escambia County agrees to voluntarily dismiss Circuit Court Case Number 2020-CA-000787 within 5 business days of the date this Agreement is approved by the Escambia County Board of County Commissioners and executed by Escambia County. Escambia County shall take nothing from Circuit Court Case Number 2020-CA-000787. In exchange for Escambia County's voluntary dismissal of its lawsuit, CEJ agrees that:

a. it shall not seek reimbursement for any attorneys' fees and costs Escambia County incurred Circuit Court Case Number 2020-CA-000787; and

b. it will pay all cremation user fees charged by Escambia County for any cremation authorizations granted on, or after, July 1, 2020, and continuing.

4. **Cremation User Fees.** As stated in paragraph 3(b) above, CEJ South agrees to pay the cremation user fee charged by Escambia County for any cremation authorizations granted on, or after, July 1, 2020, and continuing. However, the parties agree that CEJ South is not responsible for paying a cremation user fee for any cremation performed in a "Medical Examiner Case" or "Indigent Case." "Medical Examiner Cases" refers to those cases in which the Medical Examiner performs an autopsy and the autopsied body is disposed of by cremation. "Indigent Cases" refers to any cremation of a deceased person which is declared unclaimed and/or indigent and is performed by CEJ South pursuant to a contract with Escambia County. CEJ South is only liable for the cremation user fees charged by Escambia County for "private cremations". "Private cremations" refers to those cremations chosen, and paid for, by the family or estate of a deceased person in lieu of a burial. Escambia County's practice to date has been to invoice crematories for the cremation authorization fees quarterly. As of the date this Agreement is executed, Escambia County has not yet invoiced CEJ South for any cremation authorizations granted on, or after, July 1, 2020. Upon receiving an invoice from Escambia County for the quarter ending September 30, 2020, and any quarter thereafter, CEJ South shall have 15 days from the date of receiving the invoice to contest the validity of any charges contained therein. If CEJ South believes that it has been charged in error for any Medical Examiner Cases or Indigent Cases, it shall provide written notice to Escambia County of the charges in dispute. Written notice shall be provided to Clara Long, Director of Neighborhood and Human Services. Written notice may be provided by e-mail to clong@myescambia.com. If the individual to whom notice should be given ever changes, it shall be incumbent upon Escambia County to notify CEJ South of the change and to provide the contact information for the person to whom notice should be directed. CEJ South shall have 30 days from the date it receives an invoice for cremation user fees to pay any undisputed charges.

5. **Mutual Releases**.

a. Upon the full performance of all conditions and provisions set forth in this Settlement Agreement, CEJ South, for itself and its predecessors, successors and assigns, hereby irrevocably, fully and forever releases, Escambia County from any and all known and unknown claims, complaints, grievances, liabilities, obligations, promises, agreements, damages, causes of action, rights debts, demands, controversies, costs, losses and expenses whatsoever, existing now, under any municipal, local, state or federal law, common or statutory, related to, concerning, or arising, directly or indirectly, out of any injury, damage, loss or expense incurred in connection with any and all claims that were or could have been raised in Circuit Court Case Number 2014-CA-002270.

b. Subject to its continuing obligation to pay the cremation user fee charged by Escambia County for any cremation authorizations granted on, or after, July 1, 2020, as stated in paragraphs 3(b) and 4 above, upon the full performance of all conditions and provisions set forth in this Settlement Agreement, Escambia County, for itself and its predecessors, successors and assigns, hereby irrevocably, fully and forever releases, CEJ South from any and all known and unknown claims, complaints, grievances, liabilities, obligations, promises, agreements, damages, causes of action, rights, debts, demands, controversies, costs, losses and expenses whatsoever, existing now, under any municipal, local, state or federal law, common or statutory, related to, concerning, or arising, directly or indirectly, out of any injury, damage, loss or expense incurred in connection with any and all claims that were or could have been raised in Circuit Court Case Number 2020-CA-000787.

6. **Cooperation**. The Parties agree to cooperate with each other after this Agreement is executed to effectuate this Settlement Agreement.

7. **Consideration**. The Parties represent, warrant and agree that the voluntary dismissal with prejudice of Circuit Court Case Number 2014-CA-002270 and Circuit Court Case Number 2020-CA-000787 constitutes adequate consideration for the rights and obligations created herein.

8. **Attorneys' Fees**. The Parties agree to pay their own attorneys' fees and costs with respect to the Litigation, including all actions necessary to effectuate this Settlement Agreement.

9. **Entire Agreement**. This Settlement Agreement is intended by the Parties as a final and complete expression of their agreement and understanding with respect to its subject matter. The Parties acknowledge that no promise, inducement or agreement not contained herein has been expressed or made to any of them in connection with this Settlement Agreement. The terms of this Settlement Agreement are contractual, and may not be changed, modified, altered, interlineated or supplemented, nor may any covenant, representation, warranty or other provision herein be waived, except by agreement in writing signed by the Party against whom enforcement of the charge, modification, alteration, interlineation or supplementation is sought. Nor may any covenant, representations, warranty or other provision herein be waived, except by agreement in writing signed by the Party against whom enforcement of the wavier is sought.

10. **Effective Date**. This Settlement Agreement shall become binding upon approval by this Board of County Commissioners at a regular or special meeting, and be closed by the execution hereby by all Parties.

11. **Copies**. Any true executed copy of this Settlement Agreement shall be deemed to constitute an original of the same.

12. **Construction and Interpretation of Settlement Agreement**. The language of this Settlement Agreement is a product of the mutual effort of the Parties. This Settlement Agreement shall be construed fairly as to all Parties, and it shall not be construed for or against any of the Parties on the basis of the extent to which that Party participated in drafting it.

13. **Severability**. In the event that any term or provision of this Settlement Agreement contradicts any term or provision of any other document, instrument or agreement between the Parties, the terms of this Settlement Agreement shall control. If any provision of this Settlement Agreement shall be invalid, illegal or otherwise unenforceable, such provision shall be severable from other provisions of this Settlement Agreement, and the validity, legality and enforceability of the remaining provisions of this Settlement Agreement shall not be adversely affected or impaired, and shall thereby remain in full force and effect.

14. **Applicable Law**. This Settlement Agreement shall be interpreted, construed, and enforced according to the laws of the State of Florida. Any action brought to enforce or interpret this Settlement Agreement shall be filed in Escambia County, Florida. The Parties hereby agree to the jurisdiction of the First Judicial Circuit, in and for Escambia County, Florida, for resolving any claims or actions arising from this Settlement Agreement or its interpretation.

15. **Authority to Execute**. The Parties represent and warrant that (a) they have all the required power, capacity, and authority to enter into, execute, and perform this Settlement Agreement; (b) the execution of this Settlement Agreement is free and voluntary; and (c) they have not assigned or transferred to any person, firm, corporation, partnership, association or other entity whatsoever any or all of the rights, duties or obligations embodied or released in this Settlement Agreement.

16. **Waiver of Jury Trial**. IN ANY ACTION, MOTION OR OTHER PROCEEDING TO ENFORCE THE TERMS OF THIS SETTLEMENT AGREEMENT, THE PARTIES KNOWINGLY AND VOLUNTARILY WAIVE ANY AND ALL RIGHTS EACH MAY HAVE TO A TRIAL BY JURY AND CONSENT TO A COURT TRIAL BEFORE A JUDGE.

17. **Careful Review and Understanding**. All Parties to this Settlement Agreement have had the opportunity to consult with counsel of their choice regarding the scope and content of this Settlement Agreement, and understand its terms and provisions, and have not relied on any representations or statements of any other Party. Each term of the Settlement Agreement is contractual and not merely a recital. With respect to the subject matter of this Settlement Agreement, this Settlement Agreement is entered into voluntarily and in the absence of any economic, physical or mental duress or coercion.

Agreement, this Settlement Agreement is entered into voluntarily and in the absence of any economic, physical or mental duress or coercion.

18. **Headings**. The headings included in this Settlement Agreement are for convenience and reference only and are not to be construed as defining or limiting in any way the scope or intent of the provisions hereof.

19. **Counterparts**. This Settlement Agreement may be executed in any number of duplicate originals or counterparts by the Parties, each of such duplicate originals or counterparts shall be deemed to be an original and all taken together shall constitute but one and the same instrument. Facsimile and electronic copies shall be valid and binding.

20. **Binding Effect**. This Settlement Agreement shall be binding and inure to the benefit of the Parties and their heirs, legal representatives, attorneys, shareholders, officers, directors, employees, agents, divisions, successors, and assigns.

21. **Waiver**. The failure of any Party to this Settlement Agreement to insist upon the performance of any of the terms and conditions of this Settlement Agreement, or the waiver of any breach of any of the terms and conditions of this Settlement Agreement, shall not be construed as thereafter waiving any such terms and conditions, but the same shall continue and remain in full force and effect as if no such forbearance or waiver had occurred.

IN WITNESS WHEREOF, the parties cause this Settlement Agreement to be executed as of the date first written above.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18836 **County Attorney's Report 10. 4.**
BCC Regular Meeting **Action**
Meeting Date: 11/05/2020
Issue: Approval of Proposed Settlement of Medical Benefits in Workers' Compensation Claim Brought by Walter Johnson
From: CHARLES PEPPLER, Deputy County Attorney
Organization: County Attorney's Office
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Approval of Proposed Settlement of Medical Benefits in Workers' Compensation Claim Brought by Walter Johnson.

That the Board approve a proposed settlement in the sum of $85,000.00 for past and future medical benefits, payable to former employee Walter Johnson. If approved, all settlement funds would be reimbursed by the excess carrier.

BACKGROUND:

Walter Johnson is a 70-year-old male who has sustained injuries as a result of an accident in the course and scope of his employment as an equipment operator for Escambia County. On June 25, 1982, Mr. Johnson sustained injuries primarily to his lower back and right shoulder while operating a County truck. Also arising from his employment, he developed hearing loss and hypertension. All of these medical conditions were causally linked to his employment as a heavy equipment operator and have been accepted as compensable.

Since the accident, Mr. Johnson has undergone extensive treatment for his injuries and medical conditions. He has incurred more than $113,000.00 in medical benefits since the commencement of his claim. In 2005, it was determined that he could no longer work in any capacity. Since then, he has been paid permanent total disability benefits and associated supplemental benefits. However, at this point in time, neither Mr. Johnson, nor the excess carrier is interested in settling his future entitlement to indemnity benefits.

Because of his ongoing health conditions that necessitate extensive medical care, he will almost certainly continue to require authorized medical treatment for the rest

of his life. Mr. Johnson is a Medicare beneficiary and any settlement of medical benefits in excess of $25,000.00 has required approval by the Centers for Medicare and Medicaid Services (CMS). The carrier has obtained approval by the CMS of a Medicare set-aside arrangement in the sum of $49,887.00. However, the MSA proposal does not include anticipated expenditures regarding Mr. Johnson's hearing aids or other medical equipment. As he continues to age, medical costs for these conditions will increase.

Pursuant to Section 440.20(11), Fla. Stat., the parties recently negotiated a provisional settlement agreement releasing the County and PGCS (the third-party administrator) from future liability for medical benefits in exchange for a lump sum payment of $85,000.00. As the self-insured retention has been exhausted, the excess insurance carrier will be responsible for reimbursing the County these settlement funds. The excess carrier has already approved the proposed settlement amount. Brian T. Hanley, insurance-retained counsel representing the County in this Workers' Compensation claim, recommends approval of the proposed settlement.

Meeting Date: 11/05/2020
Issue: Escambia County State of Local Emergencies
From: ALISON ROGERS, County Attorney
Organization: County Attorney's Office
CAO Approval:

RECOMMENDATION:
Recommendation Concerning Escambia County State of Local Emergencies.

That the Board take the following actions:

A. Ratification of Escambia County State of Local Emergency Resolution R2020-150, R2020-151, R2020-152, R2020-153, R2020-154; and

B. Extension of Escambia County State of Local Emergencies.

BACKGROUND:
Due to the COVID-19 pandemic and attendant federal and state declarations of emergency, the federal government has released federal aid dollars to state and local governments for COVID-19 related expenses and impacts.

Hurricane Sally struck Escambia County and surrounding areas with high storm surge, flooding rains and high winds on September 16, 2020, causing extensive damage to infrastructure, property, and utilities. The recovery effort will be extensive. Continuation of the state of emergency related to Hurricane Sally will allow Escambia County to proceed with a safe and efficient recovery effort. In addition, to process all the hurricane vegetative debris, the County has entered into a revocable license agreement with Pensacola State College for a debris management site.

DECLARATION OF STATE OF LOCAL EMERGENCY

A RESOLUTION OF THE CHAIRMAN OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, EXTENDING THE DECLARATION OF A STATE OF LOCAL EMERGENCY RELATED TO THE NOVEL CORONAVIRUS DISEASE 2019 (COVID-19)

WHEREAS, the World Health Organization (WHO) raised its assessment of the Coronavirus Disease 2019 ("COVID-19") threat from high to very high and declared a public health emergency of international concern related to COVID-19; and

WHEREAS, the Centers for Disease Control and Prevention has declared the potential public health threat posed by COVID-19 as "high", both in the United States and throughout the world; and

WHEREAS, on March 1, 2020, Governor Ron DeSantis issued Executive Order 20-51 declaring that appropriate measures to control the spread of COVID-19 in the State of Florida are necessary and, therefore, directed that a Public Health Emergency be declared in the State of Florida; and

WHEREAS, on March 9, 2020, Governor Ron DeSantis issued Executive Order 20-52 declaring a State of Emergency in the State of Florida regarding the COVID-19 pandemic; and

WHEREAS, Escambia County has a duty to take protective measures to support the public health and safety of the community; and

WHEREAS, the Chairman of the Board of County Commissioners of Escambia County has been informed by its emergency management staff of the continued threat posed by COVID-19; and

WHEREAS, COVID-19 and infectious diseases have the capacity to pose a significant, imminent, and dangerous threat to the health, safety, and welfare of the inhabitants of Escambia County, Florida, visitors and tourists in Escambia County, Florida, as well as to their real and personal property; and

WHEREAS, the COVID-19 virus has the propensity to attach to surfaces for prolonged periods of time, thus causing property damage and continuing the spread of the virus; and

WHEREAS, previous States of Local Emergency were established by Resolutions R2020-24, R2020-25, R2020-26, R2020-35, R2020-36, R2020-37, R2020-38, R2020-39, R2020-52, R2020-55, R2020-63,

R2020-64, R2020-71, R2020-72, R2020-75, R2020-76, R2020-80, R2020-81, R2020-93, R2020-94, R2020-95, R2020-100, R2020-102, R2020-108, R2020-110, R2020-120, R2020-123, R2020-125, R2020-134, R2020-138, R2020-141 and R2020-147, declaring a state of local emergency that shall expire at 1:59 p.m. on the 26th day of October 2020; and

WHEREAS, the Chairman of the Board of County Commissioners has been informed of risks facing Escambia County and considered whether or not to continue a state of local emergency.

NOW THEREFORE, pursuant to ch. 252, Fla. Stat., and Escambia County Code Section 37-35(a)(1), the Chairman of the Board of County Commissioners hereby resolves, finds, and declares:

1. The above recitals are true and are incorporated herein.

2. A state of local emergency hereby continues to exist in Escambia County, Florida, effective for seven (7) additional days beginning at 2:00 p.m., central daylight time, on the 26th day of October, 2020, and to expire at 1:59 p.m., central daylight time, on the 2nd day of November, 2020.

3. The Chairman of the Board of County Commissioners, hereby waives the procedures and formalities otherwise required of Escambia County pertaining to:

    a. Performance of public work and taking whatever prudent action is necessary to insure the health, safety, and welfare of the community.

    b. Entering into contracts.

    c. Incurring obligations.

    d. Employment of permanent and temporary workers.

    e. Utilization of volunteer workers.

    f. Rental of equipment.

    g. Acquisition and distribution, with or without compensation, of supplies, materials, and facilities.

    h. Appropriation and expenditure of public funds.

4. The County Administrator, or her designee, is hereby empowered, authorized, and directed to exercise, on behalf of the Board of County Commissioners, such emergency powers necessary to

carry out the provisions of Chapter 252, Florida Statutes, including, but not limited to, the powers to direct and compel evacuation of all or part of the population from stricken or threatened areas within the County, if such action is deemed necessary to reduce the vulnerability of people in communities of Escambia County to damage, injury, and loss of life and property resulting from the imminent threat, as well as any other powers expressly or implicitly conferred pursuant to Chapters 125 and 252, Florida Statutes, and any other provision of law or county ordinance.

5. The Comprehensive Emergency Management Plan (CEMP) is hereby activated.

6. This authority shall extend only for the period of the state of local emergency, as determined by the County Administrator or her designee, or until further action by the Board of County Commissioners, or until the Board terminates such authority or declares that the state of local emergency has ended.

7. This Resolution shall be transmitted to the Secretary of State upon adoption.

Adopted this 20th day of October 2020.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-18859 **County Attorney's Report 10. 6.**
BCC Regular Meeting **Action**
Meeting Date: 11/05/2020
Issue: Resolution Amending and Restating Resolution R2018-123
From: KRISTIN HUAL, Senior Assistant County Attorney
Organization: County Attorney's Office
CAO Approval:

RECOMMENDATION:

Recommendation Concerning a Resolution Amending and Restating Resolution R2018-123 Identifying LOST Economic Development Trust Fund and Projects to be Funded from the Trust Fund.

That the Board take the following action concerning the Resolution amending and restating Resolution R2018-123:

A. Adopt the Resolution; and

B. Authorize the Chairman to sign the Resolution.

BACKGROUND:

On November 5, 2015, the Board previously adopted Resolution R2015-149 designating: 1) the NOLF-X development; and 2) the Navy Federal Credit Union economic development incentive fund grant as projects that may be funded from the LOST Economic Development Trust Fund in an amount of up to thirteen (13) million dollars to be deposited into the LOST Economic Development Trust Fund on or before December 31, 2017.

On February 16, 2017, the Board adopted Resolution R2017-27 to amend Section 4 of the Resolution in order to reduce the designated funding amount to eight (8) million dollars of LOST funds that may be deposited in the LOST Economic Development Trust Fund on or before December 31, 2017, and designate up to $500,000.00 that may be deposited in the LOST Economic Development Trust Fund on an annual basis for ten (10) years thereafter in order to fund the designated projects.

On October 18, 2018, the Board adopted Resolution R2018-123 repealing and replacing Resolution R2015-149, as amended by Resolution R2017-27, to designate additional economic development projects that may be funded from the LOST Economic Development Trust Fund during the County Fiscal Year (FY) 18/19. In addition to Projects 1 - 2, the Board designated Projects a) - f) in the following funding amounts:
a) Town of Century Economic Development Initiative - $50,000;
b) Gulf Coast Minority Chamber of Commerce, Inc. - $60,000;
c) Pensacola-Escambia County Promotion and Development Commission - $550,000;
d) Junior Achievement of Northwest Florida, Inc. - $20,000;
e) Escambia County School Readiness Coalition, Inc. d/b/a Early Learning Coalition of Escambia County - $238,875; and
f) Escambia County Summer Employment Program - $200,000.

The proposed Resolution will amend Resolution R2018-123 to designate the Center for Independent Living of Northwest Florida, Inc. as an additional economic development project that may be funded from the LOST Economic Development Trust Fund. The proposed Resolution will further amend Resolution R2018-123 to eliminate the designated project funding amounts for Projects A - G with the amount(s) to be determined annually by the Board of County Commissioners; provided that the total amount of LOST funds deposited in the LOST Economic Development Trust Fund on an annual basis does not exceed 15% of the surtax proceeds in accordance with §212.055(2)(d)3., Florida Statutes.

Resolution

RESOLUTION NUMBER R2020- _____

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, AMENDING AND RESTATING RESOLUTION 2018-123 DESIGNATING ECONOMIC DEVELOPMENT PROJECTS TO BE FUNDED FROM THE LOCAL OPTION SALES TAX (LOST) ECONOMIC DEVELOPMENT TRUST FUND; PROVIDING FOR LOST FUNDING AMOUNTS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, §212.055, Florida Statutes, provides for the levy of a local government infrastructure surtax ("surtax") by the governing board of each county; and

WHEREAS, on June 2, 2005, the Board of County Commissioners ("Board") adopted Ordinance 2005-14 levying a one-cent surtax in Escambia County for a period of eleven years, which was subsequently approved by a majority of the electorate voting in a referendum held on March 7, 2006; and

WHEREAS, §212.055, Florida Statutes, provides for the extension of the surtax; and

WHEREAS, on August 21, 2014, the Board adopted Ordinance 2014-32 extending the levy of the one-cent surtax in Escambia County for an additional eleven-year period, which was subsequently approved by a majority of the electorate voting in a referendum held on November 4, 2014; and

WHEREAS, the surtax will be collected through December 31, 2028; and

WHEREAS, the Board of County Commissioners has established a Local Option Sales Tax (LOST) Economic Development Trust Fund for the purpose of funding economic development projects having a general public purpose of improving local economies, including funding of operational costs and incentives related to economic development; and

WHEREAS, on November 5, 2015, the Board adopted Resolution R2015-149 designating the NOLF-X development and the Navy Federal Credit Union economic development incentive fund grant as projects that may be funded from LOST Economic Development Trust Fund; and

WHEREAS, Resolution R2015-149 further designated up to thirteen (13) million dollars of LOST funds that may be deposited in the LOST Economic Development Trust Fund by December 31, 2017, in order to fund the designated projects; and

WHEREAS, on February 16, 2017, the Board adopted Resolution R2017-27 to amend Section 4 of the Resolution in order to reduce the designated funding amount to eight (8) million dollars of LOST funds that may be deposited in the LOST Economic Development Trust Fund by December 31, 2017, and designate up to $500,000.00 that may be deposited in the LOST Economic Development Trust Fund on an annual basis for ten (10) years thereafter in order to fund the designated projects; and

WHEREAS, on October 18, 2018, the Board adopted Resolution R2018-123 repealing and replacing Resolution R2015-149, as amended by Resolution R2017-27, to designate economic development projects that may be funded from the LOST Economic Development Trust Fund during the County' Fiscal Year (FY) 18/19; and

WHEREAS, the Board now wishes to amend and restate Resolution 2018-123 to designate an additional economic development project that may be funded from the LOST Economic Development Trust Fund with funding to be determined annually as provided herein.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Escambia County, Florida that:

Section 1. Recitals. The Recitals to this Resolution are true and correct and incorporated into this Resolution by reference.

Section 2. Findings.

The Board of County Commissioners finds that appropriating public funds in support of the development of the NOLF-X site and the Navy Federal Credit Union economic development incentive fund grant serves the general public purpose of improving local economies.

The Board of County Commissioners further finds that appropriating public funds in support of the Town of Century Economic Development Initiative, Gulf Coast Minority Chamber of Commerce, Inc., Pensacola-Escambia County Promotion and Development Commission, Junior Achievement of Northwest Florida, Inc., Escambia County School Readiness Coalition, Inc. d/b/a Early Learning Coalition of Escambia County, Center for Independent Living of Northwest Florida, Inc., and the Escambia County Summer Employment Program serves the general public purpose of improving local economies.

Section 3. Projects to be funded from the LOST Economic Development Trust Fund.

The Board of County Commissioners designates the following economic development projects ("**Projects 1-2**") as economic development projects that may be funded from the LOST Economic Development Trust Fund:

1. Development of the NOLF-X site in Santa Rosa County; and
2. Navy Federal Credit Union economic development incentive fund grant.

The Board of County Commissioners further designates the following economic development projects ("**Projects A-G**") as economic development projects that may be funded from the LOST Economic Development Trust Fund:

A. Town of Century Economic Development Initiative;
B. Gulf Coast Minority Chamber of Commerce, Inc.;
C. Pensacola-Escambia County Promotion and Development Commission;
D. Junior Achievement of Northwest Florida, Inc.;
E. Escambia County School Readiness Coalition Inc. d/b/a Early Learning Coalition of Escambia County;
F. Center for Independent Living of Northwest Florida, Inc.; and
G. Escambia County Summer Employment Program.

This Resolution authorizes, but does not require, the Board of County Commissioners to undertake these Projects.

Section 4. Funding.

The Board of County Commissioners previously designated up to eight (8) million dollars of LOST funds to be deposited in the LOST Economic Development Trust Fund on or before December 31, 2017, and designates up to $500,000.00 to be deposited in the LOST Economic Development Trust Fund on an annual basis for ten (10) years thereafter in order to fund the economic development projects identified in Section 3 as **Projects 1-2**.

The Board of County Commissioners further designates additional LOST funds that may be deposited in the LOST Economic Development Trust Fund to fund economic development projects identified in Section 3 as **Projects A-G** in an amount to be determined annually by the Board of County Commissioners; provided that the total amount of LOST funds deposited in the LOST Economic Development Trust Fund on an annual basis does not exceed 15% of the surtax proceeds in accordance with §212.055(2)(d)3., Florida Statutes.

Section 5. **Effective Date.** This resolution shall take effect immediately upon adoption by the Board of County Commissioners.

ADOPTED this ____ day of _____ 2020.

BCC Regular Meeting **Information**
Meeting Date: 11/05/2020
Issue: Krystopher Walden v. Escambia County, FCHR Charge No. 202024819
From: KIA JOHNSON, Assistant County Attorney
Organization: County Attorney's Office
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Krystopher Walden v. Escambia County, FCHR Charge No. 202024819.

That the Board be made aware that the County Attorney's Office has successfully defended a charge of discrimination recently filed with the Florida Commission on Human Relations ("FCHR"). Based upon the FCHR's investigation, the FCHR determined that there is no reasonable cause to believe that an unlawful employment practice occurred with respect to Mr. Walden. Therefore, the charge of discrimination was dismissed.

BACKGROUND:

On January 17, 2017, Mr. Walden was hired as a fueler at ECAT. On December 9, 2019, Mr. Walden was terminated from employment with the County. Mr. Walden alleged discrimination based on race, retaliation-FMLA, and disability. The County expressly denied any discriminatory or unlawful employment practice and maintained that Mr. Walden was terminated for excessive excused or unexcused absence occurrences in a 12-month period. Within the 12-month period, Mr. Walden received 10 absence occurrences. Such a pattern of excused or unexcused absences is a violation of the Collective Bargaining Agreement for Mr. Walden's bargaining unit. The FCHR determined that there is no reasonable cause to believe that an unlawful employment practice occurred with respect to Mr. Walden.
