The County is looking for a qualified not for profit partner to help administer ESG Rapid Rehousing (RRH) and Homeless Prevention (HP) to the greatest extent possible. Not for profit organizations incorporated in

the State of Florida with a 501(c)(3) status are eligible to apply under this RFP. Agency must have been in existence for at least two years.

Agency should demonstrate organizational capacity to assess client eligibility, including income qualifications and homelessness verifications; develop and monitor housing plans for clients; help identify eligible rental properties; perform minimum habitability standards inspections and lead based paint visual assessments; perform case management with clients; and manage the distribution and accounting of assistance checks for eligible activities. The successful partner must also currently be utilizing the Homeless Management Information System (HMIS) and participating in coordinated entry to receive referrals from Opening Doors Northwest Florida.

ESG funding requires a 100% grant match with cash and/or noncash contributions. Match funds must be provided during the same period in which the ESG funds are expended. Participating agency must demonstrate the ability to match ESG funds.

FUNDING:

$65,321 is available in ESG funding under this RFP. A minimum of 51% of funding should be spent on Rapid Re-housing. A portion of this funding may be utilized to offset the costs for program services, including costs for determining eligibility, HMIS data collection and reporting, as well as supportive services to facilitate housing for clients. Supportive services expenses include case management to include client assessment and monitoring of services, such as counseling, monitoring client progress, providing referrals to other providers, using the HMIS system, developing and securing services, and providing ongoing risk planning and safety planning, and developing a client centered housing and service plan; housing search and placement services; mediation, legal services, credit repair, information and referral, personnel, including administrative funds/supportive services funds must be reported as a RRH or HP activity.

Funding of $65,321 is available for immediate expenditure from 2016 and 2017 grant funds. Grant funds must be expended by September 30, 2020 to avoid recapture of funds.

Additional funds may be made available depending on program needs.

NOTE: No financial assistance is to be provided directly to the client; all funds must be distributed to a third-party.

APPLICANTS:

All clients assisted with ESG funds must meet the definition of homeless under 24 CFR 576.2(1) or (2) or meet criteria of unaccompanied youth at 576.2(3) or fleeing/attempting to flee violence as described in 576.2(4). The total income for the household is less than 30% of the area median income (AMI) adjusted for family size (as adjusted annually by HUD) at initial evaluation for Homeless Prevention participants. Homeless Prevention and Rapid Rehousing participants must be at or below 30% AMI at recertification. Each household (applicant) shall participate in case management and assessment as provided and required by the partner agency. Funds may only be expended for Escambia County clients.

Partner agency will be required to complete a client intake to verify eligibility for the ESG program. Current income limits are listed below.

# PERSONS IN FAMILY	30% OF AREA MEDIAN INCOME (AMI)
1	$14.550
2	16,600
3	18,700
4	20,750
5	22,450
6	22,700
7	24,100
8	25,750

ESG PROGRAM REQUIREMENTS:

Funding provided by federal ESG Program and must abide by all program guidelines, including local program specific requirements. An excerpt from the Escambia County Consolidated Plan detailing local ESG guidelines is in *italics* below. The full text of the Consolidated Plan is available upon request.

General information about the Emergency Solutions Grants Program, including ESG laws and regulations can be found here: https://www.hudexchange.info/programs/esg/

ESG ASSISTANCE GUIDELINES EXCERPT FROM CONSOLIDATED PLAN:

(a) Basic Eligibility Requirements: Qualification for Rapid Re-Housing or Homelessness Prevention assistance under the Program shall minimally include:

1. *Program participants must meet the definition of "homeless" stipulated at 24 CFR Part 576.2 subparagraphs (1), (2), (3) or (4) and/or the definition of "at risk of homelessness" as stipulated in 24 CFR Part 576.2 subparagraph (1).*
2. *The total income for the household is less than **30%** of the area median income (AMI) adjusted for family size (as adjusted annually by HUD)* at initial evaluation for Homeless Prevention participants. Homeless Prevention and Rapid Rehousing participants must be at or below 30% AMI at recertification. *Qualifying incomes for ESG assisted households will be calculated in the manner prescribed in the Section 8 Housing Assistance Program.*
3. *Each household (applicant) shall participate in case management and assessment as provided and required by the Single Service Delivery Agency.*
4. *The household (applicant) and/or the Service Delivery Agency(s) shall document that the applicant will not be able to retain housing "but for" the assistance provided from ESG resources.*
5. *The rent for any subsidized housing unit shall not exceed the applicable Pensacola MSA fair market rent based on bedroom size as published by HUD and the rent shall be reasonable.*

(b) Income Eligibility Determination: Income eligibility shall be determined based upon gross household income from all sources and is to be project for the ensuing 12 months based upon known or anticipated

income for members of the household. Income inclusions and exclusions shall be based upon provisions of 24 CFR Part 5.609(b) & (c).

(c) Maximum Household Assistance: The maximum assistance that can be provided to a single household will be established for each annual ESG funding cycle, however the amount shall be based on the documented needs of the household and will typically be significantly less that this stated maximum. The ECOH administered HMIS system shall be utilized as a control to aid in avoiding duplication of benefits for households.

(d) Determinations to aid in Eligibility Decisions:
1. Homeless Certification/Affidavit: All homeless persons/families shall execute a Homeless Certification in the form prescribed by the County and ECOH and said form shall be duly witnessed by a representative of the Single Service Delivery Agency.
2. Persons Living on the Street: Written verification that an ESG applicant is "living on the street" must be provided to the Service Delivery Agency(s) by the referring agency, social worker, outreach worker, or other responsible person/entity.
3. Persons from Emergency Shelters/Transitional Housing: Written verification that an ESG applicant has been living in "emergency shelter or transitional housing" must be provided to the Service Delivery Agency(s) by the referring emergency shelter or transitional housing agency staff.
4. Persons subject to eviction: Written verification of formal eviction proceedings must be secured by the Service Delivery Agency(s).

AGREEMENT INFORMATION:

A formal agreement will be entered with the qualified agency or agencies subject to approval by the Board of County Commissioners. Payments may be submitted on a bi-weekly or monthly basis unless specified or requested otherwise. An operating advance may be provided upon request to assist with the project. Reporting on activities and expenditures must be provided to the County on a quarterly basis at a minimum.

TENTATIVE SCHEDULE:

March 24, 2020	Request for Proposals Issued
March 30, 2020	Submission Deadline
April 14, 2020	BCC Approval of Funding Agreement
September 30, 2020	Deadline to expend all funds

SUBMISSION INFORMATION:

Please complete the following proposal application together with current 501(c)(3) status and submit via email by 5:00 p.m. CST, Monday, March 30, 2020:

Meredith Reeves, Division Manager
Escambia County Neighborhood Enterprise Division
Phone: 850.595.4968
Email: mareeves@myescambia.com

ESCAMBIA COUNTY EMERGENCY SOLUTIONS GRANT PROGRAM
REQUEST FOR PROPOSALS
RAPID REHOUSING AND HOMELESS PREVENTION ACTIVITIES

Please complete the following in its entirety, sign and return to the County at the contact listed in the RFP by the deadline stated. Additional sheets may be utilized as necessary.

1. Contact Information:

Applicant Name: Opening Doors NWFL

Mailing Address: 1020 N New Warrington Rd.

Email Address: johnj@openingdoorsnwfl.org

Phone Number: 850-435-4055

Primary Contact/Title: John Johnson, Executive Director

2. Is your agency a 501(c)(3)? ☒ YES ☐ NO
   Please include a copy of your 501(c)(3) information

3. Is your agency incorporated in the State of Florida, with an active listing with the Florida Division of Corporations? ☒ YES ☐ NO

4. Has your agency been in existence for at least 2 years? ☒ YES ☐ NO
   Date of incorporation: 1987

5. Does your agency currently receive or have you previously received ESG program funding? ☒ YES ☐ NO If yes, please list the year(s) funding was received, amount received, number of households served, and agency or jurisdiction from which you received funds (Escambia County, State of Florida, Opening Doors, etc.)

Funding Year	Amount Received	# Households Served	Jurisdiction/Agency
7/2016 - 6/2017	$200,000.00	415	Escambia/Santa Rosa Opening Doors NWFL
7/2017 - 6/2018	$272,500.00	802	Escambia/Santa Rosa Opening Doors NWFL
7/2018 - 6/2019	$332,606.45	1221	Escambia/Santa Rosa Opening Doors NWFL

6. Does your agency actively participate in the Homeless Management Information System (HMIS)? ☒ YES ☐ NO (Note: active participation in HMIS is mandatory for agencies receiving ESG funding. HMIS participation will be verified prior to award of funds)

7. Please describe your previous experience with ESG program administration, including qualifications of staff, familiarity with ESG required homeless certification, income requirements, and other program regulations.

Opening Doors Northwest Florida has been the recipient of the Emergency Solutions Grant (ESG) funding from the State and County for the better part of 10 years. Currently, Opening Doors is staffed with nine fully trained case managers; six of which are Bachelor's level Social Workers, one Certified Case Manager, and two case managers with many years of experience. As an agency that currently receives State ESG funding, our internal screening tools reflect ESG prevention and rapid rehousing eligibility criteria and homeless certification. All case managers are certified to complete HUD's habitability standard inspections, lead-based paint visual assessments, and determine fair market rent calculations. Also, each staff member has completed extensive training to assess client eligibility, including income qualification and homelessness verification, housing search and placement, landlord mediation, and housing stability case management. In our determination process, applicants must complete our financial literacy course and develop a household budget. Qualified cases go on to receive free credit repair from a Board-Certified Credit Counseling Specialist. As the CoC Lead, Opening Doors participates in the Coordinated Entry System and the Homeless Management Information System. Each of our case managers receive ongoing training on the Coordinated Entry process and HUD Data Standards that impact HMIS program data entry. Income eligibility determination and maximum household assistance requirements are built into the Coordinated Entry eligibility screening process and assessment tools. Our Coordinated Entry process also includes record-keeping standards that result in efficient checks and balances for eligible activities. HUD's 30 % AMI standards and income calculations for ESG are built in to our eligibility screening process. Our experience, leadership, and capacity to delivery rapid re-housing and homeless prevention services as well as meet the necessary case management requirements after services have been rendered, is evidenced by the success of passing quarterly monitoring performed by the FL Department of Children and Families State Office on Homelessness.

8. Does your agency have the ability to leverage other non-County funding in order to provide the ESG required 100% match? (●) YES ( ) NO If yes, please list each source and describe the amount and source of leveraged funds (private, local, state, federal). Describe any limitations on the use of match funds or resources. Provide any supporting documentation of match as available; match should available during the ESG contract.

	List Source	Amount
Federal Funds:	Coordinated Entry	$21,000.00
State/Local Funding	City of Pensacola	$20,000.00
Private Funding:	Cash	
Private Funding:	Volunteer time (in dollars)

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17759 **County Administrator's Report 12. 8.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Escambia County Summer Youth Employment Program
From: CLARA LONG, Acting Director
Organization: Neighborhood & Human Svcs
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Escambia County Summer Youth Employment Program - Clara Long, Interim Neighborhood & Human Services Department Director

That the Board take the following action:

A. Approve the program implementation for the Escambia County Summer Youth Employment Program 2020 Cycle, based on 100 participants; and

B. Authorize the County Administrator to sign the Purchase Order to Blue Arbor, Inc., in the amount of $250,000, and any other related documents necessary to implement the Escambia County Summer Youth Employment Program.

[Funding Source: Fund 353, LOST IV, Cost Center 110277, Project #19ED0399]

BACKGROUND:

Last year, the Neighborhood & Human Services Department's Summer Youth Employment Program provided 96 jobs in various County, city, elected officials, and school district departments to 96 youths. The Summer Youth Employment Program promotes career development while providing on-the-job paid work experience in various occupations throughout the departments of the Board of County Commissioners, as well as other community partners. Program participants between the ages of 16-24 years old, will be able to work up to a maximum of 30 hours per week and will be paid at the state minimum wage rate of $8.56 per hour (excluding temporary labor staffing service contract billable rate). Program eligibility will be based on the following factors: must be a County resident and be able to maintain County residency; provide documentation of school enrollment, if applicable; must have no felony convictions; must pass a

criminal background screening, if 18 years old or older or required by the host worksite; a completed program application must be submitted by the deadline date. Participants will be required to complete upfront mandatory job readiness preparatory classes; paid work experience at a designated worksite; post-employment debriefing sessions and an evaluation which will culminate with an award ceremony for program completion.

BUDGETARY IMPACT:

Funding Source: Fund 353, LOST IV, Cost Center 110277, Project #19ED0399

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

Neighborhood & Human Services (NHS) Program staff will provide oversight of this program.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the provisions of the Code of Ordinances of Escambia County, Florida, Chapter 46, FInance, Article II, Purchase and Contracts.

IMPLEMENTATION/COORDINATION:

Upon Board approval, NHS staff will coordinate with Office of Purchasing to transmit a Purchase Order to implement this Program. NHS staff will implement this program in coordination with identified community partners.

SYEP Backupdocs

Escambia County
Summer Youth Employment Program (SYEP)

Program Synopsis

Youth between the ages of 16-24 who reside in Escambia County, FL and desire to participate in the Escambia County Summer Youth Employment Program (SYEP) will be provided an opportunity to gain meaningful work experiences designed to assist with preparation for today's workforce. The overall intent of the program is to promote career development while providing on the job paid work experiences in various occupations. The program will be funded by the Escambia County Board of County Commissioners, and administered by the Neighborhood & Human Services (NHS) Department.

It is felt that providing resourceful tools for the work industry at this young age will impress upon the minds of the youth that work is good and necessary and will provide financial sustainability not only for themselves and their families but will contribute to the economic growth and well being of their community.

The Escambia County Summer Youth Employment Program (SYEP) will provide the following:

- Pre-employment training to determine skills, abilities and career goals
- Job readiness preparatory training classes
- Placement into paid work experience job slots
- Post-employment evaluation to determine success rate

Participants may work up to a maximum of 30 hours per week and will be paid at the state minimum wage rate of $8.56 per hour.

Eligibility requirements may include, but not limited to:

- Application submission by deadline date
- Documentation of Escambia County school enrollment (school district, accredited school or home school verification), if applicable
- Must be a county resident, for the duration of program participation
- Must pass drug screening
- If 18yrs. or older, must pass criminal background check

NHS staff will be responsible for the screening and selection process of the applications. **A limited number of participants will be selected to ensure maximum supervision levels.**

NOTE: Applicants may be chosen by a lottery process if the number of eligible applications received exceeds the maximum allotted amount of job slots. Applications will be numbered to ensure anonymity and that the selection process is not biased. This process is to allow for a fair and equitable process for all.

The program will consist of upfront mandatory job readiness preparatory classes; paid work experience at a designated assigned work site; and a post-employment debriefing session and evaluation which shall culminate with an award ceremony for program completion.

Job Readiness Preparatory Classes

These training sessions shall include, but not limited to:

- Program orientation and assessment
- Job Search skills
- Resume writing
- Job application process
- Interviewing techniques
- Time management
- How to get along with others in the workplace
- Honesty in the workplace
- Job retention
- Workplace etiquette
- Social Media in the workplace

Work Experience

Below is a limited listing of job positions working in the areas of, but not limited to:

- Office assistance
- Inventory warehousing
- Recreational/sports arenas
- Park restoration/maintenance
- Agriculture
- Animal Care
- Library Services
- Information Technology
- Conservation

All possible positions and work conditions are subject to the Florida Department of Business Professional Regulation and Florida Statues Child Labor Laws, XXXI (See Attachments) Chapter 450. Restrictions may apply regarding the placement of this population with regard to limited work hours and times, mandatory scheduled break periods, age restrictions and job duty limitations.

Post Debriefing and Evaluation

Upon completion of the last day of work, participants will be provided with post debriefing sessions which will include but not limited to:

- Program re-cap (program overview/lessons learned)
- Individual exit evaluation
- Will be provided with a professional resume to be used for future employment opportunities
- Letters of recommendations from program and/or worksite supervisor
- Certificate of program completion
- Award ceremony reception

Tentative internal host worksites

--Parks and Recreation
--Community Resource Centers
--Animal Shelter
--Libraries
--Public Safety (Emergency Services & Fire Services)
--Information technology
--Community Corrections/Probation
--Facilities Management
--Extension Services
--Neighborhood & Human Services
--Natural Resources
--Public Works
--Human Resources
--Risk Management
--Building Services

Tentative external host worksites
--Escambia County School District Departments
--Supervisor of Elections
--Chris Jones Property Appraisers
--City of Pensacola
--Clerk of Courts
--State Attorney Office

1. Providing financial stability for youth and family
2. Gainful work experience to be added to resume for future employment
3. Development of networking opportunities
4. Enhancement of career goals and objectives

Program Outcomes

Statistical data will be captured from inception to completion to gauge program successes such as: Career development enhancement; new or continued unsubsidized employment; participant completion rate and other qualifying factors to be determined in an effort to project program sustainability.

450.121 Enforcement of Child Labor Law.—

(1) The department shall administer this chapter. It shall employ such help as is necessary to effectuate the purposes of this chapter. Other agencies of the state may cooperate with the department in the administration and enforcement of this part. To accomplish this joint, cooperative effort, the department may enter into intergovernmental agreements with other agencies of the state whereby the other agencies may assist the department in the administration and enforcement of this part. Any action taken by an agency pursuant to an intergovernmental agreement entered into pursuant to this section shall be considered to have been taken by the department.

(2) It is the duty of the department and its agents and all sheriffs or other law enforcement officers of the state or of any municipality of the state to enforce the provisions of this law, to make complaints against persons violating its provisions, and to prosecute violations of the same. The department and its agents have authority to enter and inspect at any time any place or establishment covered by this law and to have access to age certificates kept on file by the employer and such other records as may aid in the enforcement of this law. A designated school representative acting in accordance with s. 1003.26 shall report to the department all violations of the Child Labor Law that may come to his or her knowledge.

(3) It is the duty of any trial court judge of any court in the state to issue warrants and try cases made within the limit of any city over which such trial court judge has jurisdiction in connection with the violation of this law.

(4) Grand juries shall have inquisitorial powers to investigate violations of this chapter; also, trial court judges shall specially charge the grand jury, at the beginning of each term of the court, to investigate violations of this chapter.

(5) The department may adopt rules:

(a) Defining words, phrases, or terms used in the child labor rule or in this part, as long as the word, phrase, or term is not a word, phrase, or term defined in s. 450.012.

(b) Prescribing additional documents that may be used to prove the age of a minor and the procedure to be followed before a person who claims his or her disability of nonage has been removed by a court of competent jurisdiction may be employed.

(c) Requiring certain safety equipment and a safe workplace environment for employees who are minors.

(d) Prescribing the deadlines applicable to a response to a request for records under subsection (2).

(e) Providing an official address from which child labor forms, rules, laws, and posters may be requested and prescribing the forms to be used in connection with this part.

Escambia County, Florida

AI-17832 **County Administrator's Report 12. 9.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Federal Fiscal Year 2019 Edward Byrne Memorial Justice Assistance Grant Program – JAG Countywide Solicitation
From: Cathy White, Director of Case Management
Organization: Court Administration
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Federal Fiscal Year 2019 Edward Byrne Memorial Justice Assistance Grant Program - JAG Countywide Solicitation - Cathy White, Director of Case Management, Court Administration

That the Board take the following actions concerning the Federal Fiscal Year 2019 Edward Byrne Memorial Justice Assistance Grant Program – JAG Countywide Solicitation:

A. Ratify the Chairman's signature on the Certificate of Participation; and

B. Approve and authorize the Chairman to sign the 51% letter of support for the distribution of grant funding.

[The funds are made available through the Federal Fiscal Year 2019 Edward Byrne Memorial Justice Assistance Grant Program - JAG Countywide Solicitation for the period beginning October 1, 2019, and terminating September 30, 2021. There is no cost to the County.]

BACKGROUND:

In accordance with the Federal Fiscal Year 2019 Edward Byrne Memorial Justice Assistance Grant Program – JAG Countywide Solicitation, all agencies interested in requesting Grant funds were asked to submit a detailed project proposal for review. The Grant Review Committee reviewed and approved the Grant proposals on April 16, 2020. The distribution of Grant funds are as follows:

Pensacola Police Department - $56,133

Escambia County Community Corrections - $41,133
Escambia County Neighborhood & Human Services - $15,000
Town of Century - $3,300

BUDGETARY IMPACT:

The funds are made available through the Federal Fiscal Year 2019 Edward Byrne Memorial Justice Assistance Grant Program - JAG Countywide Solicitation for the period beginning October 1, 2019, and terminating September 30, 2021. There is no cost to the County.

CERTIFICATE OF PARTICIPATION

Edward Byrne Memorial
Justice Assistance Grant (JAG) Program

Ms. Rona Kay Cradit
Office of Criminal Justice Grants
Florida Department of Law Enforcement
2331 Phillips Road
Tallahassee, Florida 32308

Dear Ms. Cradit:

This letter provides notification that the Escambia County County Board of Commissioners ✓ Accepts ___ Declines to serve as the coordinating unit of government for the Florida Department of Law Enforcement's Edward Byrne Memorial Justice Assistance Grant (JAG) Countywide Program.

I understand, for the purposes of the JAG Countywide Program, the county can only request and approve applications for eligible subrecipients. In order to meet eligibility requirements, the county, and each organization or agency identified through the 51% planning process (as provided by Florida Administrative Code, Chapter 11D-9.002), must be able to document compliance with the following requirements prior to receiving a subaward:

- 2 C.F.R. Part 25—*Universal Identifier and System for Award Management (SAM) Requirements*
- 8 U.S.C §1373 & 1644—*Communication Between Governments and the Immigration and Naturalization Service*
- 28 C.F.R. Part 42—*Nondiscrimination; Equal Employment Opportunity; Policies and Procedures*
- 2 C.F.R. §200.318-326—*Federal Procurement Standards*
- 2 C.F.R Part 200.300-309—*Standards for Financial and Program Management*

For purposes of coordinating the preparation of application(s) for grant funds with the Office of Criminal Justice Grants, the following individual is designated as County Coordinator for the county's **FY19 JAG Countywide** subawards:

Name: Catherine A White
Agency: Court Administration
Title: Director of Case Management
Address: 100 West Maxwell Street
Email: Cathy.White@flcourts1.gov
City: Pensacola, Florida
Phone: (850) 595-3055
Zip: 32501

I acknowledge and understand the responsibility placed upon the county to ensure grant funds are used for improving criminal justice and subawards, as identified through the 51% process, are only approved to eligible subrecipients.

Sincerely,

Chair
Steven Barry County Board of Commissioners

Dear Ms. Cradit:

In compliance with the State of Florida Rule 11D-9, F.A.C., the Escambia County Board of County Commissioners approves the distribution of the FFY 2019 Edward Byrne Memorial Justice Assistance Grant (JAG) Program – State Solicitation for the following projects within Escambia County:

Subgrantee (City or County)	Title of Project	Dollar Amount (Federal Funds)
Escambia County	Jail Alt Initiative, TRT, Officer Health and Wellness for Federal Fiscal Year 2019	$ 41,133
Escambia County	Delinquency Prevention and Education Program	$ 15,000
City of Pensacola	Load Bearing Vests	$ 56,133
Town of Century	Emergency Communications	$ 3,300
	Total Allocation	$115,566

Sincerely,

Steven Barry, Chairman
Escambia County Board of County Commissioners

AI-17762 **County Administrator's Report 12. 10.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Approval to Issue Fiscal year 2019-2020 Purchase Order in Excess of $25,000
From: JOHN DOSH, Interim Director
Organization: Public Safety
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Issuance of a Fiscal Year 2019/2020 Purchase Order, in Excess of $25,000, for the Public Safety Department - John Dosh, Interim Public Safety Department Director

That the Board, for Fiscal Year 2019/2020, approve the issuance of an individual Purchase Order, in excess of $25,000, based upon quotes obtained via Vendor Registry, for the Public Safety Department, as follows:

Vendor/Contractor	Amount	Contract Number
Stryker Sales Corporation Vendor # 195684 Fund 408, Emergency Medical Services Cost Center: 330302 EMS	$102,405.60	Original Equipment Manufacturer

[Funding Source: Fund 408, Emergency Medical Services, Cost Center 330302, EMS]

BACKGROUND:

The issuance of this Purchase Order is necessary to fulfill the requirements of the Fiscal Year 2019/2020 annual AED maintenance. This price includes the service Contract for Fire AED's as well due to their budget constraints. Without the service Contract, EMS nor Fire would have free battery replacement nor the annual inspection. It is imperative that the AED's be serviced annually to ensure the intergrity of the AED's.

BUDGETARY IMPACT:

Funds are avaiable in Fund 408, Emergency Medical Services, Cost Center 330302, EMS.

SERVICE AGREEMENT

This document sets forth the entire Product Service Plan Agreement ("Agreement") between Stryker Medical, (a division of Stryker Corporation), herein and after referred to as "Stryker", and Escambia County Public Safety, herein and after, referred to as the "Customer". This is the entire Agreement and no other oral modifications are valid. This Agreement shall remain in effect unless canceled or modified by either party according to the following terms and conditions.

1. SERVICE COVERAGE AND TERM

Stryker shall provide to Customer the services (the "Services") as defined on Page 1 of the Stryker Quote as the equipment ProCare Program (hereinafter each, a "Service Plan"). The equipment covered under said Service Plan is set forth on Exhibit A to the Quote (the "Equipment"). The Services and Service Plan are ancillary to and not a complete substitute for the requirements of Customer to adhere to the routine maintenance instructions provided by Stryker, its equipment and operations manuals, and accompanying labels and/or inserts for the Equipment. Customer covenants and agrees that its personnel will follow the instructions and contents of those manuals, labels and inserts. When Equipment or a component is replaced, the item provided in replacement will be the Customer's property (if Customer owns the Equipment) and the replaced item will be Stryker's property. The Service Plan coverage, term, start date, and price of the Services appear on the Service Plan.

2. EQUIPMENT SCHEDULE CHANGES

During the term of the Agreement and upon each party's written consent, additional Equipment may be included in the Exhibit A. All additions are subject to the terms and conditions contained herein. Stryker shall adjust the charges and modify Exhibit A to reflect the additions.

3. INSPECTION SCHEDULING

Service inspections will be scheduled in advance at a mutually agreed upon time for such period of time as is reasonably necessary to complete the Services. Equipment not made available at the specified time will be serviced at the next scheduled service inspection unless specific arrangements are made with Stryker. Such arrangements will include travel and other special charges at Stryker's then current rates.

4. INSPECTION ACTIVITY

On each scheduled service inspection, Stryker's Service Representative will inspect each available item of Equipment as required in accordance with Stryker's then current Maintenance procedures for said Equipment. If there is any discrepancy or questions on the number of inspections, price, or Equipment, Stryker may amend this Agreement.

5. CUSTOMER OBLIGATIONS

Customer shall use commercially reasonable efforts to cooperate with Stryker in connection with Stryker's performance of the Services. Customer understands and acknowledges that Stryker employees will not provide surgical or medical advice, will not practice surgery or medicine, will not come in physical contact with the patient, will not enter the "sterile field" at any time, and will not direct equipment or instruments that come in contact with the patient during surgery. Customer's personnel will refrain from requesting Stryker employees to take any actions in violation of these requirements or in violation of applicable laws, rules or regulations, Customer policies, or the patient's informed consent. A refusal by Stryker employees to engage in such activities shall not be a breach of this Agreement. Customer consents to the presence of Stryker employees in its operating rooms, where applicable, in order for Stryker to provide Services under this Agreement and represents that it will obtain all necessary consents from patients.

6. SERVICE INVOICING

Invoices will be sent on the agreed payment method. All prices are exclusive of state and local use, sales or similar taxes. In states assessing upfront sales and use tax, Customer's payments will be adjusted to include all applicable sales and use tax amortized over the Service Plan term using a rate that preserves for Stryker, its affiliates and /or assigns, the intended economic yield for the transaction described in this Agreement. All invoices issued under this Agreement are to be paid within thirty (30) days of the date of the invoice. Failure to comply with Net 30 Day terms will constitute breach of contract and future Service will only be made on a prepaid or COD basis, or until the previous obligation is satisfied, or both. Stryker reserves the right, with no liability to Stryker, to cancel any contract on the basis of payment default for any previous equipment or service provided by Stryker or any of its affiliates.

7. PRICE CHANGES

The Service prices specified herein are those in effect as of the date of acceptance of this Agreement and will continue in effect throughout the term of the Service Plan.

8. INITIAL INSPECTION

This Agreement shall be applicable only to such Equipment as listed in Exhibit A, which has been determined by a Stryker's Representative to be in good operating condition upon his/her initial inspection thereof.

9. OPERATION MAINTENANCE

Stryker's Services are ancillary to and not a complete substitute for the requirements of Customer to adhere to the routine maintenance instructions provided by Stryker, it's Equipment and operations manuals, and accompanying labels and/or inserts for each item of Equipment. Customer's appropriate user personnel should be entirely familiar with the instructions and contents of those manuals, labels and inserts and implement them accordingly.

10. SERVICE PLAN WARRANTY AND LIMITATIONS

Stryker represents and warrants that the Services shall be performed in a workmanlike manner and with professional diligence and skill. Services will comply with all applicable laws and regulations. During the term of the Service Plan, Stryker will maintain the Equipment in good working condition. Notwithstanding any other provision of this Agreement, the Service Plan does not include repairs or other services made necessary by or related to, the following: (1) abnormal wear or damage caused by misuse or by failure to perform normal and routine maintenance as set out in the Stryker maintenance manual or operating instructions. (2) accidents (3) catastrophe (4) acts of god (5) any malfunction resulting from faulty maintenance, improper repair, damage and/or alteration by non-Stryker authorized personnel (6) Equipment on which any original serial numbers or other identification marks have been removed or destroyed; or (7) Equipment that has been repaired with any unauthorized or non-Stryker components. In addition, in order to ensure safe operation of the Equipment, only Stryker accessories should be used. Stryker reserves the right to invalidate the Service Plan if Equipment is used with accessories not manufactured by Stryker.

TO THE FULLEST EXTENT PERMITTED BY LAW, THE EXPRESS WARRANTIES SET FORTH IN THIS SECTION ARE THE ONLY WARRANTIES APPLICABLE TO THE SERVICES AND ARE EXPRESSLY IN LIEU OF ANY OTHER WARRANTY BY STRYKER, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY, NONINFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE.

11. WAIVER EXCLUSIONS

No failure to exercise and no delay by Stryker in exercising any right, power or privilege hereunder shall operate as a waiver thereof. No waiver of any breach of any provision by Stryker shall be deemed to be a waiver by Stryker of any preceding or succeeding breach of the same or any other provision. No extension of time by Stryker for performance of any obligations or other acts hereunder or under any other Agreement shall be deemed to be an extension of time for performances of any other obligations or any other acts by Stryker.

12. LIMITATION OF LIABILITY

EXCEPT FOR THIRD PARTY DAMAGES RELATED TO STRYKER'S INDEMNITY OBLIGATIONS UNDER SECTION 13, STRYKER'S LIABILITY ARISING UNDER THIS AGREEMENT WILL NOT EXCEED THE AMOUNT OF SERVICE FEES PAID DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE THE CLAIM AROSE. IN NO INSTANCE WILL STRYKER BE LIABLE TO CUSTOMER FOR INCIDENTAL, PUNITIVE, SPECIAL, COVER, EXEMPLARY, MULTIPLIED OR CONSEQUENTIAL DAMAGES OR ATTORNEYS' FEES OR COSTS FOR ANY ACTIONS UNDER OR RELATED TO THIS AGREEMENT.

13. INDEMNIFICATION

Stryker shall indemnify and hold harmless Customer from any loss or damage brought by a third party which Customer may suffer directly as a result of the gross negligence or willful misconduct of Stryker or its employees or agents in the course of providing Services. The foregoing indemnification will not apply to any liability arising from: (i) an injury or damage due to the negligence of any person other than Stryker's employee or agent; (ii) the failure of any person other than Stryker's employee or agent to follow any instructions outlined in the labeling, manual, and/or instructions for use of the Equipment; (iii) the use of any equipment or part not purchased from Stryker or any equipment or any part thereof that has been modified, altered or repaired by any person other than Stryker's employee or agent; or (iv) any actions taken or omissions made by any Stryker employee while under the direction or control of Customer's staff. Customer agrees to hold Stryker harmless from and indemnify Stryker for any claims or losses or injuries arising from (i)-(iv) above resulting from Customer's or its employees' or agents' actions.

14. TERM AND TERMINATION

The Agreement shall commence on the date indicated on the first Service Plan entered into between the parties and shall continue until Stryker ceases to provide Services or the Agreement is canceled by either party by giving a ninety (90) days prior written notice of any such cancellation to the other party. If this Agreement is canceled during or before the expiration date of the Agreement, Customer will owe for the months covered up to the cancellation date of the Agreement and for any parts, labor, and travel charges, required to maintain Equipment, exceeding that already paid during the Agreement. In the event Customer has pre-paid for the services hereunder, any unused amount as of the date of cancellation shall be returned to the Customer on a pro-rata basis.

15. FORCE MAJEURE

Except for Customer's payment obligations, which may only be delayed and not excused entirely, neither party to this Agreement will be liable for any delay or failure of performance that is the result of any happening or event that could not reasonably have been avoided or that is otherwise beyond its control, provided that the party hindered or delayed immediately notifies the other party describing the circumstances causing delay. Such happenings or events will include, but not be limited to, terrorism, acts of war, riots, civil disorder, rebellions, fire, flood, earthquake, explosion, action of the elements, acts of God, inability to obtain or shortage of material, equipment or transportation, governmental orders, restrictions, priorities or rationing, accidents and strikes, lockouts or other labor trouble or shortage.

16. INSURANCE REQUIREMENTS

Stryker shall maintain the following insurance coverage during the term of the Agreement: (i) commercial general liability coverage, including coverage for products and completed operations liability, with minimum limits of $1,000,000.00 per occurrence and $2,000,000.00 annual aggregate applying to bodily injury, personal injury, and property damage; (ii) automobile liability insurance with combined single limits of $1,000,000.00 for owned, hired, and non-owned vehicles; and (iii) worker's compensation insurance as required by applicable law. At Customer's written request, certificates of insurance shall be provided by Stryker prior to commencement of the Services at any premises owned or operated by Customer. To the extent permitted by applicable laws and regulations, Stryker shall be permitted to meet the above requirements through a program of self-insurance.

17. WARRANTY OF NON-EXCLUSION

Each party represents and warrants that as of the Effective Date, neither it nor any of its employees, are or have been excluded terminated, suspended, or debarred from a federal or state health care program or from participation in any federal or state procurement or non- procurement programs. Each party further represents that no final adverse action by the federal or state government has occurred or is pending or threatened against the party, its affiliates, or, to its knowledge, against any employee, Stryker, or agent engaged to provide Services under this Agreement. Each party also represents that if during the term of this Agreement it, or any of its employees becomes so excluded, terminated, suspended, or debarred from a federal or state health care program or from participation in any federal or state procurement or non-procurement programs, such will promptly notify the other party. Each party retains the right to terminate or modify this Agreement in the event of the other party's exclusion from a federal or state health care program.

18. COMPLIANCE

Stryker, as supplier, hereby informs Customer, as buyer, of Customer's obligation to make all reports and disclosures required by law or contract, including without limitation properly reporting and appropriately reflecting actual prices paid for each item supplied hereunder net of any discount (including rebates and credits, if any) applicable to such item on Customer's Medicare cost reports, and as otherwise required under the Federal Medicare and Medicaid Anti-Kickback Statute and the regulations thereunder (42 CFR Part 1001.952(h)). Pricing under this Agreement (and each Service Plan) may constitute discounts on the purchase of Services. Customer represents that (i) it shall make all required cost reports, and (ii) it has the corporate power and authority to make or cause such cost reports to be made. To the extent required by law, Customer and Stryker agree to comply with the Omnibus Reconciliation Act of 1980 (P.L. 96Z499) and it's implementing regulations (42 CFR, Part 420). To the extent applicable to the activities of Stryker hereunder, Stryker further specifically agrees that until the expiration of four (4) years after furnishing Services pursuant to this Agreement, Stryker shall make available, upon written request of the Secretary of the Department of Health and Human Services, or upon request of the Comptroller General, or any of their duly authorized representatives, this Agreement and the books, documents and records of Stryker that are necessary to verify the nature and extent of the costs charged to Customer hereunder. Stryker further agrees that if Stryker carries out any of the duties of this Agreement through a subcontract with a value or cost of ten thousand dollars ($10,000) or more over a twelve (12) month period, with a related organization, such subcontract shall contain a clause to the effect that until the expiration of four (4) years after the furnishing of such services pursuant to such subcontract, the related organization shall make available, upon written request to the Secretary, or upon request to the Comptroller General, or any of their duly authorized representatives the subcontract, and books and documents and records of such organization that are necessary to verify the nature and extent of such costs.

19. CONFIDENTIALITY

The parties hereto shall hold in confidence this Agreement and the terms and conditions contained herein (including Services Plan pricing) and any information and materials which are related to the business of the other or are designated as proprietary or confidential, herein or otherwise, or which a reasonable person would consider to be proprietary or confidential information; and (b) hereby covenant that they shall not disclose such information to any third party without prior written authorization of the one to whom such information relates. The rights and remedies available to a party hereunder shall not limit or preclude any other available equitable or legal remedies.

20. HIPAA

Stryker is not a "business associate" of Customer, as the term "business associate" is defined by HIPAA (the Health Insurance Portability and Accountability Act of 1996 and 45 C.F.R. parts 142 and 160-164, as amended). To the extent the parties mutually agree that Stryker becomes a business associate of Customer, the parties agree to negotiate to amend the Service Plan or this Agreement as necessary to comply with HIPAA, and if an agreement cannot be reached the applicable Service Plan will immediately terminate. All medical information and/or data concerning specific patients (including, but not limited to, the identity of the patients), derived incidentally during the course of this Agreement, shall be treated by both parties as confidential, and shall not be released, disclosed, or published to any party other than as required or permitted under applicable laws. Notwithstanding the foregoing, Stryker may be considered a "business associate" of Customers related to any Service Plan for wireless products and/or other designated business associate services. If Stryker is considered a "business associate" of Customer, Stryker will agree to enter into a business associate agreement with Customer as required by HIPAA.

21. MISCELLANEOUS

Neither party may assign or transfer their rights and/or benefits under this Agreement without the prior written consent of the other party, except that Stryker shall have the right to assign this Agreement or any rights under or interests in this Agreement to any parent, subsidiary or affiliate of Stryker. All of the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of, and be enforceable by permitted successors and assigns of the parties to this Agreement. This Agreement shall be construed and interpreted in accordance with the laws of the State of Michigan. The invalidity, in whole or in part, of any of the foregoing paragraphs, where determined to be illegal, invalid, or unenforceable by a court or authority of competent jurisdiction, will not affect or impair the enforceability of the remainder of the Agreement. This Agreement constitutes the entire agreement between the parties concerning the subject matter of this Agreement and supersedes all prior negotiations and agreements between the parties concerning the subject matter of this Agreement. In the event of an inconsistency or conflict between this Agreement and any purchase order, invoice, or similar document, this Agreement will control. Any inconsistency or conflict between the terms of this Agreement and a Service Plan shall be resolved in factor of the Service Plan. The sections entitled Limitation of Liability, Indemnification, Compliance, Confidentiality and Miscellaneous of this Agreement shall survive its termination or expiration.

22. MAINTENANCE INSPECTION

This service contract may include products which are beyond their warranty period and tested expected service life. Any such product will be inspected to determine if the product meets the operations and maintenance manual guidelines for that particular product as of the date of inspection. Despite any such inspection, Stryker makes no claims or assurances as to future performance, including no express or implied warranty, for any product which was inspected outside of its warranty period or beyond its tested expected service life.

As of March 2020

LIFEPAK® 15 service

Stryker has been notified by our global parts providers that some components used on certain LIFEPAK 15 monitor/defibrillator models (Part Numbers beginning with V15-2) are no longer available in the market. Service on the LIFEPAK 15 with Part Number beginning with v15-5 or v15-7 is unaffected.

Stryker will continue to offer service support for this subset of the LIFEPAK 15 as follows:

- All service parts with available inventory can be purchased by our end users

- Transactional service (time and material) is available for non-contract customers
    - o If a component has failed on your device, your local Sales Representative should be contacted for support

- Contractual service
    - o Stryker will continue to offer contractual service on a yearly basis only

    - o Preventive maintenance will continue to be done on devices less than eight (8) years old. After this point, we will cease to conduct preventative maintenance and shift to device inspections

    - o If a component fails on your device, please contact your local Sales Representative for support. A pro-rated credit for any pre-paid service will be provided should a unit become non-serviceable due to part availability

It is important to note that the LIFEPAK 15 has an expected life of eight (8) years from the date of manufacture. If you are uncertain of the manufacture date of your products, please contact your local Sales Representative for a full fleet assessment.

We want to ensure the highest quality products and services for our customers. As such, it is important to know that Stryker is the only FDA-approved service provider for our products. We do not contract with third party service providers, nor will we be providing them with any additional parts for these repairs. As such, we cannot guarantee the safety and efficacy of any device that is repaired by a third-party service agency.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17727 **County Administrator's Report 12. 11.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Approval to Issue Fiscal Year 2019-2020 Purchase Orders in Excess of $25,000
From: JOHN DOSH, Interim Director
Organization: Public Safety
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Issuance of Fiscal Year 2019/2020 Purchase Orders, in Excess of $25,000, for the Public Safety Department - John Dosh, Interim Public Safety Department Director

That the Board, for Fiscal Year 2019/2020, approve the issuance of an individual Purchase Order, in excess of $25,000, based upon quotes obtained via Vendor Registry, for the Public Safety Department, as follows:

Vendor/Contractor	Amount	Contract Number
Stryker Sales Corporation Vendor # 195684 Fund 110, Grants Cost Center: 330318 EMS County Awards Grant	$29,815.20	Quotes were obtained via Vendor Registry

[Funding Source: Fund 110, Grants, Cost Center 330318, EMS County Awards]

BACKGROUND:

The issuance of this Purchase Order is necessary to fulfill the requirements of the Fiscal Year 2019/2020 Emergency Medical Services County Grant, ID Code C8017.

On October 21, 2019, the County was awarded $33,504 to purchase two Lucas devices. These Lucas devices will minimize the amount of personnel needed to work on a patient during a cardiac arrest. If approved, these devices will

immediately be placed in service as all staff have been trained on these devices.

BUDGETARY IMPACT:

Funds are available in Fund 110, Grants, Cost Center 330318, EMS County Awards Grant.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the provisions of the Code of Ordinances of Escambia County, Florida, Chapter 46, Finance, Article II, Purchases and Contracts. Per the guidance received at the October 3, 2019, Board meeting, all purchases over $25,000 must be approved by the Board.

IMPLEMENTATION/COORDINATION:

The Public Safety Department will work with the Purchasing Office staff to prepare Purchase Orders as needed.

Lucas Device Quotes

Grant Award Letter

Board of County Commissioners • Escambia County, Florida

March 31, 2020

James R. Maddrey – EMS Manager
Escambia County EMS

To whom it may concern,

We have chosen the Stryker LUCAS device to be purchased for the department. The monies used to pay for these devices was awarded to the department by a State Grant. The State Grant specifically approved the purchase of two LUCAS Devices. The employees with ECEMS have had all the previous training with this device in the past. All crews are comfortable using this device as they have all been through its proper functions, storage, and capabilities. We have seen this device in action because we used it as a demo in the past. Any other devices would not be feasible for the county, because it would require extra training which would cut into our OT budget. We are excited to have this device in the county. It has proven to be beneficial to our citizens and has saved lives. Using this device will minimize the amount of personnel needed to work on a patient during a cardiac arrest. This will be extremely beneficial to the Fire Service being able to stay in service. Once the devices come in, they can immediately be placed in service because all the training required has been done.

Regards,

James R. Maddrey

ECEMS Manager

These Terms and Conditions together with this agreement between Buyer and Cardiac Solutions shall apply to the sale to Buyer of all goods including AEDs and services (including training, consultation, maintenance and other services) purchased hereunder.

1, Terms and Conditions. This Agreement sets forth the sole and entire agreement between the parties regarding the sale of goods and services herein and supersedes any contemporaneous oral agreements between them regarding the same. Any alteration to these terms and conditions shall be effective only if made in writing and signed by authorized representatives of both parties. Facsimile signatures shall be effective to bind either Party to the terms hereof. There will be a 3% handling fee for all Credit Card Orders.

2. Payment, Price & Acceptance. All sales are final and payment for products and services are due upon receipt of invoice, unless otherwise specified on the order. All prices are F.O.B. Cardiac Solutions designated shipping point. Title and risk of loss shall transfer from Cardiac Solutions to Buyer at Cardiac Solutions designated shipping point. Prices do not include, and Buyer shall pay applicable sales tax unless Buyer provides Cardiac Solutions with a valid tax exemption certificate. Buyer shall pay all freight, handling and insurance charges for shipments of goods. Upon Buyer's receipt, all goods shall be deemed accepted by Buyer unless Cardiac Solutions Order Entry Department is contacted at 1-888-223-2939 within one business day of delivery, specifying the defects or discrepancies in the quality or quantity of goods. All services shall be deemed as accepted upon the performance thereof, unless Buyer provides Cardiac Solutions notice specifying defects or discrepancies in the quality of such services within one business day of delivery of services.

3. Training Services. When training has been purchased Cardiac Solutions shall contact Buyer within 5 business days to initiate the scheduling of training classes and Buyer agrees that training classes shall begin no later than 30 days after the date that Buyer receives delivery of the AED equipment. Buyer understands that Federal or State law may require training prior to AED equipment use, and Buyer agrees to meet all applicable requirements for training of personnel and operation of AEDs. The addition of students, classes or rescheduling of any class requires the prior approval of Cardiac Solutions. If Buyer cancels a scheduled training class within 5 business days, Buyer agrees to pay a 100% cancellation fee. Unused training expires 12 months from purchase.

4. Customer Obligations. Buyer shall immediately notify Cardiac Solutions Customer Service Dept. at 1-888-223-2939 in the event of the following: (a) if equipment has been used for an emergency or is in need of service; (b) if the AED indicates, in any manner (either visually or by sound), that the unit requires service. Buyer agrees not to defeat, disable or circumvent any protection mechanism related to the AED device. Buyer agrees to use the AED(s) covered under this agreement in accordance with applicable law, the operating instructions and medical direction outlined in Cardiac Solutions AED Response Protocol.

5. Restocking Fee. Buyer will be required to pay 20% restocking fee for product returns. Items must be in original packaging.

BY SIGNING THIS AGREEMENT, CUSTOMER REPRESENTS THAT THEY ARE AUTHORIZED TO PURCHASE AND AGREES TO CARDIAC SOLUTIONS TERMS & CONDITIONS.

I HAVE READ AND AGREE TO CARDIAC SOLUTIONS, LLC TERMS AND CONDITIONS.

October 21, 2019

Lumon J. May, Chairman
Escambia County Board of County Commissioners
221 Palafox Place, Suite 400
Pensacola, Florida 32502

Dear Chairman May:

I am pleased to award the Emergency Medical Services (EMS) County Grant, ID Code C8017 in the amount of $33,504.00 to Escambia County. The purpose of this grant is to improve and expand pre-hospital EMS. Section 401.113(2)(a), Florida Statutes, authorizes and requires this grant program, which is Number 64.005 in the Florida Catalog of State Financial Assistance. The money is state funds from the Department of Health's EMS Trust Fund and there are no federal funds involved.

Your funds for the stated amount will be sent in full, in advance, within approximately 30 days. The grant begins the date of this letter and ends October 31, 2020. Please note that the county must report to the state its grant activities and purchases by the following dates: February 14, 2020, June 26, 2020, and October 31, 2020, the final report. Your signed grant application affirms you have read, understand, and will comply with the conditions and requirements in the "Florida EMS County Grant Program Application Packet, December 2008."

Thank you for your participation in this state EMS grant program. If you need assistance, please contact Alan Van Lewen, Health Services and Facilities Consultant in the Bureau of Emergency Medical Oversight, EMS Section at (850) 558-9550.

Sincerely,

Douglas H. Woodlief

Douglas H. Woodlief

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17828 **County Administrator's Report 12. 12.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Approval to Issue Fiscal Year 2019/2020 Purchase Order in Excess of $25,000
From: JOHN DOSH, Interim Director
Organization: Public Safety
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Issuance of a Fiscal Year 2019/2020 Purchase Order, in Excess of $25,000, for the Public Safety Department - John Dosh, Interim Public Safety Department Director

That the Board, for the Fiscal Year 2019/2020, approve the issuance of blanket and/or individual Purchase Orders, in excess of $25,000, based upon previously-awarded Contracts or annual requirements for the Public Safety Department, as follows:

Vendor	Amount	Contract/Description
Halcore Group Inc., DBA Horton Emergency Vehicles Vendor Number: 416682 (4) Ambulance Remounts Fund: 353 (LOST IV) Cost Center: 330434	$898,375.76	HGAC- AM10-18 expires September 30, 2020

[Funding: Fund 353, LOST IV, Cost Center 330434, Public Safety]

BACKGROUND:

Issuance of this Purchase Order is necessary to ensure continuity of mission critical services by the Board of County Commissioners to the citizens of Escambia County through the Public Safety Department.

If approved, EMS woud remount 4 ambulances that have been identified with high mile hours and overall declining condition.

Subject: Ambulance Recommendation
Date: Monday, April 20, 2020 2:43:46 PM

Good Afternoon Tamika,

Based on the information provided by Thomas Bannon on the Horton conversion, and the time frame and Warranty coverage . Wes and I feel it would best to do a direct Board Recommendation instead of Vendor Registry. Any questions or concerns please feel free to call.

Jamey Higdon

Model Profile
2021 MV607 SBA LP (MV60H)

AXLE CONFIG:	4X2
APPLICATION:	Ambulance
MISSION:	Requested GVWR: 21000. Calc. GVWR: 21000 Calc. Start / Grade Ability: 0.00% / 0.00% @ 0 MPH Calc. Geared Speed: N/A
DIMENSION:	Wheelbase: 169.00, CA: 101.90, Axle to Frame: 63.00
ENGINE, DIESEL:	{Cummins B6.7 260} EPA 2017, 260HP @ 2400 RPM, 660 lb-ft Torque @ 1600 RPM, 2600 RPM Governed Speed, 260 Peak HP (Max)
TRANSMISSION, AUTOMATIC:	{Allison 3000 EVS} 5th Generation Controls, Close Ratio, 5-Speed with Overdrive, with PTO Provision, Less Retarder, Includes Oil Level Sensor, Max, GVW N/A
CLUTCH:	Omit Item (Clutch & Control)
AXLE, FRONT NON-DRIVING:	{Meritor MFS-09-122A} I-Beam Type, 9,000-lb Capacity
AXLE, REAR, SINGLE:	{Dana Spicer 17060S} Single Reduction, 17,500-lb Capacity, 190 Wheel Ends Gear Ratio: 4.11
CAB:	Conventional, Day Cab
TIRE, FRONT:	(2) 245/70R19.5 Load Range G G647 RSS (GOODYEAR), 626 rev/mile, 75 MPH, All-Position
TIRE, REAR:	(4) 245/70R19.5 Load Range G G647 RSS (GOODYEAR), 626 rev/mile, 75 MPH, All-Position
SUSPENSION, REAR, AIR, SINGLE:	{International IROS} 12,000-lb Capacity, 5.3" Ride Height, with Shock Absorbers
PAINT:	Cab schematic 100WP Location 1: 9219, Winter White (Std) Chassis schematic N/A

Code	Description
MV60H00	Base Chassis, Model MV607 SBA LP with 169.00 Wheelbase, 101.90 CA, and 63.00 Axle to Frame.
1570	TOW HOOK, FRONT (2) Frame Mounted
1ANA	AXLE CONFIGURATION {Navistar} 4x2
	Notes : Pricing may change if axle configuration is changed.
1CAA	FRAME RAILS High Strength Low Alloy Steel (80,000 PSI Yield); 9.125" x 3.062" x 0.312" (231.8mm x 77.8mm x 8.0mm) with Transition to 6.500" x 3.062" x 0.312" (165.1mm x 77.8mm x 8.0mm) 388.4" (9864mm) Maximum OAL; For LP Chassis
1LNN	BUMPER, FRONT Contoured, Steel, Chrome Plated
1WEH	WHEELBASE RANGE 134" (340cm) Through and Including 197" (500cm)
2ATL	AXLE, FRONT NON-DRIVING {Meritor MFS-09-122A} I-Beam Type, 9,000-lb Capacity
3AGW	SUSPENSION, FRONT, SPRING Parabolic Taper Leaf, Shackle Type, 9,000-lb Capacity, with Shock Absorbers
	Includes : SPRING PINS Rubber Bushings, Maintenance-Free
4091	BRAKE SYSTEM, AIR Dual System for Straight Truck Applications
	Includes : BRAKE LINES Color and Size Coded Nylon : DRAIN VALVE Twist-Type : GAUGE, AIR PRESSURE (2) Air 1 and Air 2 Gauges; Located in Instrument Cluster : PARKING BRAKE CONTROL Yellow Knob, Located on Instrument Panel : QUICK RELEASE VALVE On Rear Axle for Spring Brake Release: 1 for 4x2, 2 for 6x4 : SLACK ADJUSTERS, FRONT Automatic (with Air Cam Brakes) : SLACK ADJUSTERS, REAR Automatic (with Air Cam Brakes) : SPRING BRAKE MODULATOR VALVE R-7 for 4x2, SR-7 with relay valve for 6x4/8x6
4722	DRAIN VALVE {Bendix DV-2} Automatic, with Heater, for Air Tank
4AZA	AIR BRAKE ABS {Bendix AntiLock Brake System} 4-Channel (4 Sensor/4 Modulator) Full Vehicle Wheel Control System
4EBT	AIR DRYER {Bendix AD-IP} with Heater
4EXP	BRAKE CHAMBERS, FRONT AXLE {Bendix} 20 SqIn
4EXS	BRAKE CHAMBERS, REAR AXLE {Bendix EverSure} 24/30 Spring Brake
4JCG	BRAKES, FRONT, AIR CAM S-Cam; 15.0" x 4.0"; Includes 20 Sq. In. Long Stroke Brake Chambers
4NCW	BRAKES, REAR, AIR CAM S-Cam; 15.0" x 8.63"; Includes 24/30 Sq. In. Long Stroke Brake Chambers and Spring Actuated Parking Brake
4SPA	AIR COMPRESSOR {Cummins} 18.7 CFM
4VKC	AIR DRYER LOCATION Mounted Inside Left Rail, Back of Cab
4VKH	AIR TANK LOCATION (2) Mounted Under Battery Box, Outside Right Rail, Under Cab
5708	STEERING COLUMN Tilting
5CAW	STEERING WHEEL 4-Spoke; 18" Dia., Black
5PSA	STEERING GEAR {Sheppard M100} Power
6DGJ	DRIVELINE SYSTEM {Dana Spicer} Service Free SPL100, for 4x2/6x2

Code	Description
7BLH	EXHAUST SYSTEM Single, Horizontal Aftertreatment Device, Frame Mounted Under Right Rail Back of Cab, for Single Long Horizontal Tail Pipe
7WBZ	TAIL PIPE (1) Horizontal, Long, Exits Right Side Outside of Body at Rear Wheels
7WZX	SWITCH, FOR EXHAUST 3 Position, Momentary, Lighted Momentary, ON/CANCEL, Center Stable, INHIBIT REGEN, Mounted in IP Inhibits Diesel Particulate Filter Regeneration When Switch is Moved to ON While Engine is Running, Resets When Ignition is Turned OFF
8000	ELECTRICAL SYSTEM 12-Volt, Standard Equipment Includes : DATA LINK CONNECTOR For Vehicle Programming and Diagnostics In Cab : HAZARD SWITCH Push On/Push Off, Located on Instrument Panel to Right of Steering Wheel : HEADLIGHT DIMMER SWITCH Integral with Turn Signal Lever : PARKING LIGHT Integral with Front Turn Signal and Rear Tail Light : STARTER SWITCH Electric, Key Operated : STOP, TURN, TAIL & B/U LIGHTS Dual, Rear, Combination with Reflector : TURN SIGNAL SWITCH Self-Cancelling for Trucks, Manual Cancelling for Tractors, with Lane Change Feature : TURN SIGNALS, FRONT Includes Reflectors and Auxiliary Side Turn Signals, Solid State Flashers; Flush Mounted : WINDSHIELD WIPER SWITCH 2-Speed with Wash and Intermittent Feature (5 Pre-Set Delays), Integral with Turn Signal Lever : WINDSHIELD WIPERS Single Motor, Electric, Cowl Mounted : WIRING, CHASSIS Color Coded and Continuously Numbered
8518	CIGAR LIGHTER Includes Ash Cup
8541	HORN, ELECTRIC (2) Disc Style
8718	POWER SOURCE Cigar Type Receptacle without Plug and Cord
8GXK	ALTERNATOR {Leece-Neville BLP4006HN} Brushless, 12 Volt 325 Amp. Capacity, Pad Mount, with Remote Sense
8HAB	BODY BUILDER WIRING Back of Day Cab at Left Frame or Under Sleeper, Extended or Crew Cab at Left Frame; Includes Sealed Connectors for Tail/Amber Turn/Marker/ Backup/Accessory Power/Ground and Sealed Connector for Stop/Turn
8NBR	BATTERY SYSTEM {JCI} Maintenance-Free, (3) 12-Volt 2100CCA Total, Top Threaded Stud
8RMH	BATTERY DISCONNECT SWITCH {Cole-Hersee 75920-06} 300 Amp, Disconnects Charging Circuits, Locks with Padlock, Battery Box Mounted
8RMZ	SPEAKERS (2) 6.5" Dual Cone Mounted in Both Doors, (2) 5.25" Dual Cone Mounted in Both B-Pillars
8RPS	RADIO AM/FM/WB/Clock/Bluetooth/USB Input/Auxiliary Input
8VUX	BATTERY BOX Steel, with Plastic Cover, 25" Wide, 2-3 Battery Capacity, Mounted Right Side Under Cab
8WBW	JUMP START STUD Remote Mounted Includes : JUMP START STUD Mounted to Battery Box
8WGL	WINDSHIELD WIPER SPD CONTROL Force Wipers to Slowest Intermittent Speed When Park Brake Set and Wipers Left on for a Predetermined Time
8WPB	HEADLIGHTS Halogen, Composite Aero Design, with Daytime Running Lights
8WPZ	TEST EXTERIOR LIGHTS Pre-Trip Inspection will Cycle all Exterior Lamps Except Back-up Lights
8WRB	HEADLIGHTS ON W/WIPERS Headlights Will Automatically Turn on if Windshield Wipers are turned on

Code	Description
8WTK	STARTING MOTOR {Delco Remy 38MT Type 300} 12 Volt, Less Thermal Over-Crank Protection
8WWJ	INDICATOR, LOW COOLANT LEVEL with Audible Alarm
8XAH	CIRCUIT BREAKERS Manual-Reset (Main Panel) SAE Type III with Trip Indicators, Replaces All Fuses
8XHN	HORN, AIR Black, Single Trumpet, with Lanyard Pull Cord
8XJG	FOG LIGHTS (2) Clear Lens, Halogen, Rectangular, with White Light Source
8XKM	SWITCH, AIR HORN, PASSENGER Fire Truck Application; Momentary Switch Located in Instrument Panel Close to Passenger, Driver Also To Activate Switch with Lanyard
9AAB	LOGOS EXTERIOR Model Badges
9AAE	LOGOS EXTERIOR, ENGINE Badges
9HBM	GRILLE Stationary, Chrome
9WAY	FRONT END Tilting, Fiberglass, with Three Piece Construction
10060	PAINT SCHEMATIC, PT-1 Single Color, Design 100
	Includes : PAINT SCHEMATIC ID LETTERS "WP"
10761	PAINT TYPE Base Coat/Clear Coat, 1-2 Tone
11001	CLUTCH Omit Item (Clutch & Control)
12703	ANTI-FREEZE Red, Extended Life Coolant; To -40 Degrees F/ -40 Degrees C, Freeze Protection
12849	BLOCK HEATER, ENGINE 120V/1000W, for Cummins ISB/B6.7/ISL/L9 Engines
	Includes : BLOCK HEATER SOCKET Receptacle Type; Mounted below Drivers Door
12EJV	ENGINE, DIESEL {Cummins B6.7 260} EPA 2017, 260HP @ 2400 RPM, 660 lb-ft Torque @ 1600 RPM, 2600 RPM Governed Speed, 260 Peak HP (Max)
12TSY	FAN DRIVE {Borg-Warner SA85} Viscous Type, Screw On
	Includes : FAN Nylon
12UYE	RADIATOR Aluminum; 2-Row, Cross Flow, Over Under System, 717 SqIn Louvered, with 313 SqIn Charge Air Cooler. with In-Tank Transmission Cooler
	Includes : DEAERATION SYSTEM with Surge Tank : HOSE CLAMPS, RADIATOR HOSES Gates Shrink Band Type; Thermoplastic Coolant Hose Clamps : RADIATOR HOSES Premium, Rubber
12VBR	AIR CLEANER with Service Protection Element
12VHH	FEDERAL EMISSIONS {Cummins B6.7} EPA, OBD and GHG Certified for Calendar Year 2020
12VXT	THROTTLE, HAND CONTROL Engine Speed Control; Electronic, Stationary, Variable Speed; Mounted on Steering Wheel
12WPV	OIL PAN 15 Quart Capacity, For Cummins ISB/B6.7 Engines
12WZE	EMISSION COMPLIANCE Federal, Does Not Comply with California Clean Air Idle Regulations
12XAT	ENGINE CONTROL, REMOTE MOUNTED Provision for; Includes Wiring for Body Builder Installation of PTO Controls; with Ignition Switch Control for Cummins ISB/B6.7 or ISL/L9 Engines

Code	Description
13AUL	TRANSMISSION, AUTOMATIC {Allison 3000 EVS} 5th Generation Controls, Close Ratio, 5-Speed with Overdrive, with PTO Provision, Less Retarder, Includes Oil Level Sensor, Max, GVW N/A
13WET	TRANSMISSION SHIFT CONTROL Column Mounted Stalk Shifter
13WLP	TRANSMISSION OIL Synthetic; 29 thru 42 Pints
13WUD	ALLISON SPARE INPUT/OUTPUT for Emergency Vehicle Series (EVS); Rescue, Ambulance
13WVV	NEUTRAL AT STOP Allison Transmission Shifts to Neutral When Service Brake is Depressed and Vehicle is at Stop; Remains in Neutral Until Service Brake is Released
13WYU	SHIFT CONTROL PARAMETERS {Allison} 3000 or 4000 Series Transmissions, Performance Programming
13XAL	PTO LOCATION Customer Intends to Install PTO at Left Side of Transmission
14899	SUSPENSION AIR CONTROL VALVE Pressure Release Control In Cab
14AGE	AXLE, REAR, SINGLE {Dana Spicer 17060S} Single Reduction, 17,500-lb Capacity, 190 Wheel Ends . Gear Ratio: 4.11
14TBL	SUSPENSION, REAR, AIR, SINGLE {International IROS} 12,000-lb Capacity, 5.3" Ride Height, with Shock Absorbers
14WMN	AXLE, REAR, LUBE {EmGard FE-75W-90} Synthetic Oil; 1 thru 29.99 Pints
15LMS	FUEL/WATER SEPARATOR 12 VDC Electric Heater, Includes Pre-Heater, Includes Water-in-Fuel Sensor, Cummins Supplied on Engine
15SWU	FUEL TANK Top Draw, Non-Polished Aluminum, D-Style, 16" Tank Depth, 40 US Gal (151L), Mounted Left Side, Under Cab
15WDG	DEF TANK 7 US Gal (26L) Capacity, Frame Mounted Outside Left Rail, Under Cab
16030	CAB Conventional, Day Cab Includes : CLEARANCE/MARKER LIGHTS (5) Flush Mounted
16136	AIR CONDITIONER, PROVISION FOR Accommodation Package, for Air Conditioning, Includes Auxiliary Compressor in Secondary Position and Compressor Drive Effects for Vehicle with Primary Compressor Mounting
16BAM	AIR CONDITIONER with Integral Heater and Defroster
16GDC	GAUGE CLUSTER Base Level; English with English Speedometer and Tachometer, for Air Brake Chassis, Includes Engine Coolant Temperature, Primary and Secondary Air Pressure, Fuel and DEF Gauges, Oil Pressure Gauge, Includes 3 Inch Monochromatic Text Display
16HCK	SEATBELT WARNING PREWIRE Includes Seat Belt Switches and Seat Sensors for all Belted Positions in the Cab and a Harness Routed to the Center of the Dash for the Aftermarket Installation of the Data Recorder and Seatbelt Indicator Systems, for 1 to 3 Seat Belts
16HGH	GAUGE, OIL TEMP, AUTO TRANS for Allison Transmission
16HHE	GAUGE, AIR CLEANER RESTRICTION {Filter-Minder} with Black Bezel, Mounted in Instrument Panel
16HKT	IP CLUSTER DISPLAY On Board Diagnostics Display of Fault Codes in Gauge Cluster
16JNV	SEAT, DRIVER {National 2000} Air Suspension, High Back with Integral Headrest, Cloth, Isolator, 1 Chamber Lumbar, 2 Position Front Cushion Adjust, -3 to +14 Degree Back Angle Adjust
16RPX	SEAT, PASSENGER {National} Air-Suspension, High Back with Integral Headrest, Cloth, Isolated, 1 Chamber Lumbar, 2 Position Front Cushion Adjustment, -3 to +14 Degree Seat Back Adjustment
16SDC	GRAB HANDLE, EXTERIOR (2) Chrome, Towel Bar Type, with Anti-Slip Rubber Inserts, for Cab Entry Mounted Left and Right Side at B-Pillar

Code	Description
16SNR	MIRRORS (2) C-Loop, Power Adjust, Heated, LED Clearance Lights, Bright Heads and Arms, 7.5" x 14" Flat Glass, Includes 7.5" x 7" Convex Mirrors, for 102" Load Width
	Notes : Mirror Dimensions are Rounded to the Nearest 0.5"
16VBZ	SEAT BELT All Red; 1 to 3
16VKB	CAB INTERIOR TRIM Classic, for Day Cab
	Includes : CONSOLE, OVERHEAD Molded Plastic with Dual Storage Pockets, Retainer Nets and CB Radio Pocket; Located Above Driver and Passenger : DOME LIGHT, CAB Door Activated and Push On-Off at Light Lens, Timed Theater Dimming, Integral to Overhead Console, Center Mounted : SUN VISOR (2) Padded Vinyl; 2 Moveable (Front-to-Side) Primary Visors, Driver Side with Toll Ticket Strap
16VLM	CAB REAR SUSPENSION Rubber Suspension, for Low Cab Height
16WBY	ARM REST, RIGHT, DRIVER SEAT
16WBZ	ARM REST, LEFT, PASSENGER SEAT
16WJU	WINDOW, POWER (2) and Power Door Locks, Left and Right Doors, Includes Express Down Feature
16WKZ	KEYLESS ENTRY SYSTEM REMOTE with Panic and Auxiliary Buttons, Includes One Key Fob (Transmitter)
16WLS	FRESH AIR FILTER Attached to Air Intake Cover on Cowl Tray in Front of Windshield Under Hood
16WSE	LOW WASHER FLUID INDICATOR
16XJN	INSTRUMENT PANEL Flat Panel
16ZBT	ACCESS, CAB Steel, Driver & Passenger Sides, Two Steps per Door, for use with Day Cab and Extended Cab
27DAY	WHEELS, FRONT {Accuride 29685} DISC; 19.5x7.50 Rims, Extra Polish Aluminum, 10-Stud, 285.75mm BC, Hub-Piloted, Flanged Nut, with Steel Hubs
28DAY	WHEELS, REAR {Accuride 29685} DUAL DISC; 19.5x7.50 Rims, Extra Polish Aluminum Outer Wheel 10-Hand Hole, Steel Inner Wheel 5-Hand Hole, 10-Stud, 285.75mm BC, Hub-Piloted, Flanged Nut, with Steel Hubs
29580	WHEEL SEALS, FRONT {International} Oil-Lubricated Wheel Bearings
7749450101	(2) TIRE, FRONT 245/70R19.5 Load Range G G647 RSS (GOODYEAR), 626 rev/mile, 75 MPH, All-Position
7749450101	(4) TIRE, REAR 245/70R19.5 Load Range G G647 RSS (GOODYEAR), 626 rev/mile, 75 MPH, All-Position

GENERAL PROVISIONS

This Agreement is made and entered into, by and between the Houston-Galveston Area Council hereinafter referred to as H-GAC having its principal place of business at 3555 Timmons Lane, Suite 120, Houston, Texas 77027 and Professional Ambulance Sales & Service LLC, hereinafter referred to as the Contractor, having its principal place of business at 8700 East FM 917, Alvarado, TX 76009.

WITNESSETH:

WHEREAS, H-GAC hereby engages the Contractor to perform certain services in accordance with the specifications of the Agreement; and

WHEREAS, the Contractor has agreed to perform such services in accordance with the specifications of the Agreement;

NOW, THEREFORE, H-GAC and the Contractor do hereby agree as follows:

ARTICLE 1: LEGAL AUTHORITY

The Contractor warrants and assures H-GAC that it possesses adequate legal authority to enter into this Agreement. The Contractor's governing body, where applicable, has authorized the signatory official(s) to enter into this Agreement and bind the Contractor to the terms of this Agreement and any subsequent amendments hereto.

ARTICLE 2: APPLICABLE LAWS

The Contractor agrees to conduct all activities under this Agreement in accordance with all applicable rules, regulations, directives, standards, ordinances, and laws, in effect or promulgated during the term of this Agreement, including without limitation, workers' compensation laws, minimum and maximum salary and wage statutes and regulations, and licensing laws and regulations. When required, the Contractor shall furnish H-GAC with satisfactory proof of its compliance therewith.

ARTICLE 3: INDEPENDENT CONTRACTOR

The execution of this Agreement and the rendering of services prescribed by this Agreement do not change the independent status of H-GAC or the Contractor. No provision of this Agreement or act of H-GAC in performance of the Agreement shall be construed as making the Contractor the agent, servant or employee of H-GAC, the State of Texas or the United States Government. Employees of the Contractor are subject to the exclusive control and supervision of the Contractor. The Contractor is solely responsible for employee related disputes and discrepancies, including employee payrolls and any claims arising therefrom.

ARTICLE 4: WHOLE AGREEMENT

The General Provisions, Special Provisions, and Attachments, as provided herein, constitute the complete Agreement ("Agreement") between the parties hereto, and supersede any and all oral and written agreements between the parties relating to matters herein. Except as otherwise provided herein, this Agreement cannot be modified without written consent of the parties.

ARTICLE 5: SCOPE OF SERVICES

The services to be performed by the Contractor are outlined in an Attachment to this Agreement.

ARTICLE 6: PERFORMANCE PERIOD

This Agreement shall be performed during the period which begins Oct 01 2018 and ends Sep 30 2020. All services under this Agreement must be rendered within this performance period, unless directly specified under a written change or extension provisioned under Article 15, which shall be fully executed by both parties to this Agreement.

ARTICLE 7: PAYMENT OR FUNDING

Payment provisions under this Agreement are outlined in the Special Provisions.

ARTICLE 8: REPORTING REQUIREMENTS

If the Contractor fails to submit to H-GAC in a timely and satisfactory manner any report required by this Agreement, or otherwise fails to satisfactorily render performances hereunder, H-GAC may terminate this agreement with notice as identified in Article 16 of these General Provisions. H-GAC has final determination of the adequacy of performance and reporting by Contractor. Termination of this agreement for failure to perform may affect Contractor's ability to participate in future opportunities with H-GAC. The Contractor's failure to timely submit any report may also be considered cause for termination of this Agreement.

Any additional reporting requirements shall be set forth in the Special Provisions of this Agreement.

ARTICLE 9: INSURANCE

Contractor shall maintain insurance coverage for work performed or services rendered under this Agreement as outlined and defined in the attached Special Provisions.

ARTICLE 10: SUBCONTRACTS and ASSIGNMENTS

Except as may be set forth in the Special Provisions, the Contractor agrees not to subcontract, assign, transfer, convey, sublet or otherwise dispose of this Agreement or any right, title, obligation or interest it may have therein to any third party without prior written approval of H-GAC. The Contractor acknowledges that H-GAC is not liable to any subcontractor or assignee of the Contractor. The Contractor shall ensure that the performance rendered under all subcontracts shall result in compliance with all the terms and provisions of this Agreement as if the performance rendered was rendered by the Contractor. Contractor shall give all required notices, and comply with all laws and regulations applicable to furnishing and performance of the work. Except where otherwise expressly required by applicable law or regulation, H-GAC shall not be responsible for monitoring Contractor's compliance, or that of Contractor's subcontractors, with any laws or regulations.

ARTICLE 11: AUDIT

Notwithstanding any other audit requirement, H-GAC reserves the right to conduct or cause to be conducted an independent audit of any transaction under this Agreement, such audit may be performed by the H-GAC local government audit staff, a certified public accountant firm, or other auditors designated by H-GAC and will be conducted in accordance with applicable professional standards and practices. The Contractor understands and agrees that the Contractor shall be liable to the H-GAC for any findings that result in monetary obligations to H-GAC.

ARTICLE 12: EXAMINATION OF RECORDS

The Contractor shall maintain during the course of the work complete and accurate records of all of the Contractor's costs and documentation of items which are chargeable to H-GAC under this Agreement. H-GAC, through its staff or designated public accounting firm, the State of Texas, and United States

DocuSign Envelope ID: C49075F1-4AE4-4E5D-9647-6B2A1966F5DD

Government, shall have the right at any reasonable time to inspect, copy and audit those records on or off the premises by authorized representatives of its own or any public accounting firm selected by H-GAC. The right of access to records is not limited to the required retention period, but shall last as long as the records are retained. Failure to provide access to records may be cause for termination of the Agreement. The records to be thus maintained and retained by the Contractor shall include (without limitation): (1) personnel and payroll records, including social security numbers and labor classifications, accounting for total time distribution of the Contractor's employees working full or part time on the work, as well as cancelled payroll checks, signed receipts for payroll payments in cash, or other evidence of disbursement of payroll payments; (2) invoices for purchases, receiving and issuing documents, and all other unit inventory records for the Contractor's stocks or capital items; and (3) paid invoices and cancelled checks for materials purchased and for subcontractors' and any other third parties' charges.

The Contractor further agrees that the examination of records outlined in this article shall be included in all subcontractor or third-party agreements.

ARTICLE 13: RETENTION OF RECORDS

The Contractor and its subcontractors shall maintain all records pertinent to this Agreement, and all other financial, statistical, property, participant records, and supporting documentation for a period of no less than seven (7) years from the later of the date of acceptance of the final payment or until all audit findings have been resolved. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the retention period, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the seven (7) years, whichever is later, and until any outstanding litigation, audit, or claim has been fully resolved.

ARTICLE 14: CHANGES AND AMENDMENTS

A. Any alterations, additions, or deletions to the terms of this Agreement, which are required by changes in federal or state law or by regulations, are automatically incorporated without written amendment hereto, and shall become effective on the date designated by such law or by regulation.

B. To ensure the legal and effective performance of this Agreement, both parties agree that any amendment that affects the performance under this Agreement must be mutually agreed upon and that all such amendments must be in writing. After a period of no less than 30 days subsequent to written notice, unless sooner implementation is required by law, such amendments shall have the effect of qualifying the terms of this Agreement and shall be binding upon the parties as if written herein.

ARTICLE 15: TERMINATION PROCEDURES

The Contractor acknowledges that this Agreement may be terminated for Convenience or Default.

A. *Convenience*

H-GAC may terminate this Agreement at any time, in whole or in part, with or without cause, whenever H-GAC determines that for any reason such termination is in the best interest of H-GAC, by providing written notice by certified mail to the Contractor. Upon receipt of notice of termination, all services hereunder of the Contractor and its employees and subcontractors shall cease to the extent specified in the notice of termination.

The Contractor may cancel or terminate this Agreement upon submission of thirty (30) days written notice, presented to H-GAC via certified mail. The Contractor may not give notice of cancellation after it has received notice of default from H-GAC.

B. *Default*

H-GAC may, by written notice of default to the Contractor, terminate the whole or any part of the Agreement, in any one of the following circumstances:

(1) If the Contractor fails to perform the services herein specified within the time specified herein or any extension thereof; or

(2) If the Contractor fails to perform any of the other provisions of this Agreement for any reason whatsoever, or so fails to make progress or otherwise violates the Agreements that completion of services herein specified within the Agreement term is significantly endangered, and in either of these two instances does not cure such failure within a period often (10) days (or such longer period of time as may be authorized by H-GAC in writing) after receiving written notice by certified mail of default from H-GAC.

ARTICLE 16: SEVERABILITY

H-GAC and Contractor agree that should any provision of this Agreement be determined to be invalid or unenforceable, such determination shall not affect any other term of this Agreement, which shall continue in full force and effect.

ARTICLE 17: FORCE MAJEURE

To the extent that either party to this Agreement shall be wholly or partially prevented from the performance of any obligation or duty placed on such party by reason of or through strikes, stoppage of labor, riot, fire, flood, acts of war, insurrection, accident, order of any court, act of God, or specific cause reasonably beyond the party's control and not attributable to its neglect or nonfeasance, in such event, the time for the performance of such obligation or duty shall be suspended until such disability to perform is removed. Determination of force majeure shall rest solely with H-GAC.

ARTICLE 18: CONFLICT OF INTEREST

No officer, member or employee of the Contractor or subcontractor, no member of the governing body of the Contractor, and no other public officials of the Contractor who exercise any functions or responsibilities in the review or Contractor approval of this Agreement, shall participate in any decision relating to this Agreement which affects his or her personal interest, or shall have any personal or pecuniary interest, direct or indirect, in this Agreement.

ARTICLE 19: FEDERAL COMPLIANCE

Contractor agrees to comply with all federal statutes relating to nondiscrimination, labor standards, and environmental compliance. Additionally, for work to be performed under the Agreement or subcontract thereof, including procurement of materials or leases of equipment, Contractor shall notify each potential subcontractor or supplier of the Contractor's federal compliance obligations. These may include, but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§ 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) the Fair Labor Standards Act of 1938 (29 USC 676 et. seq.), (d) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), which prohibits discrimination on the basis of handicaps and the Americans with Disabilities Act of 1990; (e) the Age Discrimination in Employment Act of 1967 (29 USC 621 et. seq.) and the Age Discrimination Act of 1974, as amended (42 U.S.C. §§ 6101-6107), which prohibits discrimination on the basis of age; (f) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (g) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to the nondiscrimination on the basis of alcohol abuse or alcoholism; (h) §§ 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (i) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. § 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (j) any other nondiscrimination provisions in any specific statute(s)

DocuSign Envelope ID: C49075F1-4AE4-4E5D-9647-6B2A1966F5DD

applicable to any Federal funding for this Agreement; (k) the requirements of any other nondiscrimination statute(s) which may apply to this Agreement; (l) applicable provisions of the Clean Air Act (42 U.S.C. §7401 et seq.), the Federal Water Pollution Control Act, as amended (33 U.S.C. §1251 et seq.), Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and the Environmental Protection Agency regulations at 40 CPR Part 15; (m) applicable provisions of the Davis- Bacon Act (40 U.S.C. 276a - 276a-7), the Copeland Act (40 U.S.C. 276c), and the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-332), as set forth in Department of Labor Regulations at 20 CPR 5.5a; (n) the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (P.L. 94-163).

ARTICLE 20: CRIMINAL PROVISIONS AND SANCTIONS

The Contractor agrees to perform the Agreement in conformance with safeguards against fraud and abuse as set forth by the H-GAC, the State of Texas, and the acts and regulations of any related state or federal agency. The Contractor agrees to promptly notify H-GAC of any actual or suspected fraud, abuse, or other criminal activity through the filing of a written report within twenty-four (24) hours of knowledge thereof. Contractor shall notify H-GAC of any accident or incident requiring medical attention arising from its activities under this Agreement within twenty-four (24) hours of such occurrence. Theft or willful damage to property on loan to the Contractor from H-GAC, if any, shall be reported to local law enforcement agencies and H-GAC within two (2) hours of discovery of any such act.

The Contractor further agrees to cooperate fully with H-GAC, local law enforcement agencies, the State of Texas, the Federal Bureau of Investigation and any other duly authorized investigative unit, in carrying out a full investigation of all such incidents.

The Contractor shall notify H-GAC of the threat of lawsuit or of any actual suit filed against the Contractor pertaining to this Agreement or which would adversely affect the Contractor's ability to perform services under this Agreement.

ARTICLE 21: INDEMNIFICATION AND RECOVERY

H-GAC's liability under this Agreement, whether for breach of contract, warranty, negligence, strict liability, in tort or otherwise, is limited to its order processing charge. In no event will H-GAC be liable for any loss of use, loss of time, inconvenience, commercial loss, lost profits or savings or other incidental, special or consequential damages to the full extent such use may be disclaimed by law. Contractor agrees, to the extent permitted by law, to defend and hold harmless H-GAC, its board members, officers, agents, officials, employees and indemnities from any and all claims, costs, expenses (including reasonable attorney fees), actions, causes of action, judgements, and liens arising as a result of Contractor's negligent act or omission under this Agreement. Contractor shall notifiy H-GAC of the threat of lawsuit or of any actual suit filed against Contractor relating to this Agreement.

ARTICLE 22: LIMITATION OF CONTRACTOR'S LIABILITY

Except as specified in any separate writing between the Contractor and an END USER, Contractor's total liability under this Agreement, whether for breach of contract, warranty, negligence, strict liability, in tort or otherwise, but excluding its obligation to indemnify H-GAC, is limited to the price of the particular products/services sold hereunder, and Contractor agrees either to refund the purchase price or to repair or replace product(s) that are not as warranted. In no event will Contractor be liable for any loss of use, loss of time, inconvenience, commercial loss, loss of profits or savings or other incidental, special or consequential damages to the full extent such use may be disclaimed by law. Contractor understands and agrees that it shall be liable to repay and shall repay upon demand to

END USER any amounts determined by H-GAC, its independent auditors, or any agency of State or Federal government to have been paid in violation of the terms of this Agreement.

ARTICLE 23: TITLES NOT RESTRICTIVE

The titles assigned to the various Articles of this Agreement are for convenience only. Titles shall not be considered restrictive of the subject matter of any Article, or part of this Agreement.

ARTICLE 24: JOINT WORK PRODUCT

This Agreement is the joint work product of H-GAC and the Contractor. This Agreement has been negotiated by H-GAC and the Contractor and their respective counsel and shall be fairly interpreted in accordance with its terms and, in the event of any ambiguities, no inferences shall be drawn against any party.

ARTICLE 25: DISPUTES

All disputes concerning questions of fact or of law arising under this Agreement, which are not addressed within the Whole Agreement as defined pursuant to Article 4 hereof, shall be decided by the Executive Director of H-GAC or his designee, who shall reduce his decision to writing and provide notice thereof to the Contractor. The decision of the Executive Director or his designee shall be final and conclusive unless, within thirty (30) days from the date of receipt of such notice, the Contractor requests a rehearing from the Executive Director of H-GAC. In connection with any rehearing under this Article, the Contractor shall be afforded an opportunity to be heard and offer evidence in support of its position. The decision of the Executive Director after any such rehearing shall be final and conclusive. The Contractor may, if it elects to do so, appeal the final and conclusive decision of the Executive Director to a court of competent jurisdiction. Pending final decision of a dispute hereunder, the Contractor shall proceed diligently with the performance of the Agreement and in accordance with H- GAC's final decision.

ARTICLE 26: CHOICE OF LAW: VENUE

This Agreement shall be governed by the laws of the State of Texas. Venue and jurisdiction of any suit or cause of action arising under or in connection with the Agreement shall lie exclusively in Harris County, Texas. Disputes between END USER and Contractor are to be resolved in accordance with the law and venue rules of the state of purchase. Contractor shall immediately notify H-GAC of such disputes.

ARTICLE 27: ORDER OF PRIORITY

In the case of any conflict between or within this Agreement, the following order of priority shall be utilized: 1) General Provisions, 2) Special Provisions, 3) Scope of Work, and, 4) Other Attachments.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17731 **County Administrator's Report 12. 13.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Approval to Issue Fiscal Year 2019/2020 Purchase Orders in Excess of $25,000
From: Cassie Boatwright, Department Director
Organization: Facilities Management
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Approval to Issue a Fiscal Year 2019/2020 Purchase Order, in Excess of $25,000, for the Facilities Management Department - Cassie C. Boatwright, Facilities Management Department Director

That the Board, for Fiscal Year 2019/2020, approve the issuance of blanket and/or individual Purchase Orders, in excess of $25,000, for the Facilities Management Department as follows:

	Vendor/Contractor	Amount	Contract Number
	Rogers Electrical Contractors, Inc. Vendor Number 422171	$26,575	N/A Request for Quotations via Vendor Registry

[Funding: Fund 001, General Fund, Cost Center 310204, Facilities Priority One]

BACKGROUND:

A request for quotations to replace the generator transfer switches at the Road Operations Garage and the Road Prison buildings was posted on Vendor Registry. Both of these generator transfer switches are not reliable, beyond econonomical repairs and some parts are unable to be found because of the age of the units. These replacement items were approved on the Fiscal Year 2019-2020 Capital Budget for Facilities Management.

The request for quotations was emailed to 52 registrants in Vendor Registry, 27 firms opened and viewed the request for quotations. At closing on March 25, 2020, 3:00 p.m., five quotations had been received through Vendor Registry. Rogers

Electrical was the low bid for both locations with Road Operations Garage at $12,286, and the Road Prison at $14,289, for a Purchase Order total of $26,575.

BUDGETARY IMPACT:

Funding is available in Fund 001, General Fund, Cost Center 310204, Facilities Priority One.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the provisions of the Code of Ordinances of Escambia County, Florida, Chapter 46, Finance, Article II, Purchases and Contracts. Per the guidance received at the October 3, 2019, Board meeting, all purchases over $25,000 must be approved by the Board.

IMPLEMENTATION/COORDINATION:

Upon Board approval of this request, Facilities Management Department staff will work with Purchasing Office staff to prepare Purchase Orders as needed.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17822 **County Administrator's Report 12. 14.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Agreement with the City of Pensacola d/b/a Pensacola Energy and Escambia County for Interruptible Natural Gas Service
From: Cassie Boatwright, Department Director
Organization: Facilities Management
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Agreement with the City of Pensacola for Interruptible Natural Gas Service - Cassie C. Boatwright, Facilities Management Department Director

That the Board take the following action concerning the Agreement with the City of Pensacola d/b/a Pensacola Energy and Escambia County for Interruptible Natural Gas Service:

A. Approve the Agreement with the City of Pensacola d/b/a Pensacola Energy and Escambia County for Interruptible Natural Gas Service for: 2935 North "L" Street, 1700 West Leonard Street, 357 South Baylen Street, and 201 South Palafox Street, establishing service, subject to the current City Rate Schedule GAF (Almost Firm Service, Ordinance No. 21-19); and

B. Authorize the Chairman or Vice Chairman to execute all documents relating to the Agreement, as required.

[Funding: Fund 001, General Fund, Cost Center 310207, Object Code 54301]

BACKGROUND:

Pensacola Energy is offering this interruptible gas service rate Contract for the Main Jail and Juvenile Justice Center, Sheriff's Administration Building, Sheriff's Special Investigation/Evidence Storage Building, Old Sheriff’s Garage, the M. C. Blanchard Judicial Building and Escambia County Government Complex. The rate is based on the County’s volume of gas usage for these buildings, and is also based on the County’s ability to utilize its propane-air backup systems. Pensacola Energy purchases long-term strips of gas at competitive pricing in order to cover the basic needs of their customers, while the balance of their gas is purchased on

the daily market and is subject to some price volatility.

This new Agreement replaces the existing Interruptible Natural Gas Service Agreement that was approved by the Board on June 6, 2019, between the City of Pensacola (d/b/a Pensacola Energy) and Escambia County for Interruptible Natural Gas. This new Agreement includes a decrease in the Fuel Charge for gas. The Fuel Charge is decreasing from $2.92 (+1.10% compression fee) per MMBTU to $2.51 (+1.10% compression fee) per MMBTU. The Usage Charge under this Contract will remain the same at $2.73 per MMBTU. This will result in a $0.41 per MMBTU decrease from the previous contract.

This Agreement will commence once it has been fully executed by all parties and continue through March 31, 2021. The County's new rate will be $5.27 per MCF (thousand cubic feet). Without a Contract in place, these accounts would be classified as GC-1 (within city limits) or GC-2 (outside city limits). Current rates for these classifications are $16.59 per MCF and $18.54 per MCF, respectively.

The previous year’s natural gas consumption for all County buildings on the strip rate account averaged 162 MCFs per day. Based on that consumption and with the decreased Fuel Charge, there is an estimated decrease of approximately $24,243 for the term of this new strip rate Contract. Additionally, without being on the contracted strip rate, the County would pay the aforementioned GC-1 and GC-2 rates for these accounts. By renewing the strip rate Contract with Pensacola Energy, the County can expect an estimated $642,768 in cost avoidance.

BUDGETARY IMPACT:

Funding is available in Fund 001, General Fund, Cost Center 310207, Object Code 54301.

LEGAL CONSIDERATIONS/SIGN-OFF:

The Contract has been reviewed and approved as to form and legal sufficiency by Kristin D. Hual, Senior Assistant County Attorney.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is consistent with the Escambia County Code of Ordinances, Chapter 46, Article II, Section 46-44, Applications; exemptions; and Section 46-64, Board approval and threshold authority.

IMPLEMENTATION/COORDINATION:

Facilities Management Department will administer the Contract. The Contract involves coordination between Facilities Management and Pensacola Energy.

Agreement Interruptible Natural Gas Service

AGREEMENT BETWEEN THE CITY OF PENSACOLA AND ESCAMBIA COUNTY FOR INTERRUPTIBLE NATURAL GAS SERVICE

THIS NATURAL GAS SERVICE AGREEMENT is made this _____ day of _____, 2020 by and between the **City of Pensacola**, a municipal corporation of the State of Florida, (d/b/a Pensacola Energy) with the business address of 222 W. Main Street, Pensacola, Florida 32502-0001 (hereinafter referred to as the "City"), and **Escambia County,** a political subdivision of the State of Florida with a business address of 221 Palafox Place, Pensacola, Florida 32502, and (hereinafter referred to as "Customer"). (At times all hereinafter referred to as "party" or collectively "parties")

WITNESSETH:

WHEREAS, the Customer requests the City of Pensacola deliver natural gas service on an interruptible basis to the Customer's premises located at the following addresses: 2935 North "L" Street; 1700 West Leonard Street; 357 South Baylen Street; and 201 South Palafox Street; and

WHEREAS, the City agrees to make such service available to the Customer; and

WHEREAS, the Customer agrees and contracts to accept and pay for such service subject to the current City Rate Schedule GAF (Almost Firm Service, Ordinance No. 21-19) hereunto, attached as **Exhibit "A"** hereto and incorporated by reference herein; and

WHEREAS, Customer agrees to be bound by the terms and conditions of any such amended rate schedule and charges that may be adopted from time to time by the City Council, including any annual CPI adjustments as part of the City's rate calculation; and

WHEREAS, as a result, any such amendments or revisions to the City Rate Schedule GAF shall be deemed to be part and parcel of this Agreement; and

WHEREAS, given the above, the parties now find it is in the best financial interests of the City that this Agreement be entered into as provided herein.

NOW THEREFORE, in consideration of the mutual covenants and promises contained herein, and for other good and valuable consideration the City and Customer agree to the following terms and conditions:

1. **Recitals** – The recitals above are true and correct and are hereby incorporated into this agreement.

2. **Customer Classification GAF, Almost Firm Transportation Service User Customer Charge** - The Customer agrees to pay a two hundred dollar ($200.00) fixed monthly charge to be provided gas service by the City. The fixed monthly charge will be subject to an annual adjustment each October 1st based on the current Consumer Price Index (CPI).
3. **Fuel Charge** - For all gas consumed, the Customer agrees to pay a fuel charge at an index price of two dollars and fifty-one cent ($2.51) per MMBTU of City's delivered natural gas plus 1.1% for compression (compression is a fee charged by Pensacola Energy's supplier).
4. **Usage Charge** - For all gas consumed, the Customer agrees to pay a total usage charge of two dollars and seventy three cents ($2.73) per MMBTU, which shall include ninety-two cents ($0.92) for local transportation, plus an average pipeline transportation fee of one dollar and seventy-four cents ($1.74), plus a margin on the contracted cost of natural gas of seven cents ($0.07). Such average pipeline transportation fee shall be subject to change or increase within the term of this Agreement pursuant to pipeline tariff changes. Should the average pipeline transportation fee change within the term of this Agreement, City shall provide written notification to Customer of such change or increase, and the new transportation fee shall be applied in the current invoicing to Customer. The total usage charge will be subject to an annual adjustment each October 1st based on the current Consumer Price Index (CPI).
5. **Quantity of Gas** - As a "GAF Almost Firm Gas Transportation" service classification user of the City's natural gas service, the Customer contracts and agrees to accept an average daily quantity of gas of seventy-five (75) Mcfs [Mcf = one thousand (1,000) cubic feet]. Should the Customer fail to consume a minimum of at least ninety (90%) of the contracted daily amount on an annualized basis, the Customer may be charged for that minimum amount of gas.
6. **Agreement to Interrupt** - The City in its sole discretion shall have the right to curtail or interrupt the supply of "Interruptible Natural Gas" at any time for up to ten (10) days, and the Customer agrees to interrupt or curtail the consumption of gas in the manner, at the time, and to the extent directed by the City. The City may elect to curtail or interrupt gas service when it determines, in its sole discretion, that the gas available from its sources cannot meet the demands of the City's customers. The Customer agrees that in no event shall an interruption or curtailment of service constitute a breach of this Agreement by the City. The Customer further agrees that the City shall not be liable in any manner to Customer or any person or entity for any interruption of the supply of gas, for the interference with the operations of Customer, or loss of use resulting from such operations or interference as provided for herein or any other damages, losses, or delays of any type, kind, or amount

7. **Meters and Measurements** - a) Gas delivered will be measured through one or more meters installed and maintained on the Customer's property near the Customer's property line and at a location satisfactory to the City. It is assumed that the volume of all gas is delivered at a pressure of four (4) oz. above an assumed atmospheric pressure of fourteen and four tenths (14.4) lbs. per square inch and sixty degrees (60°) F. When the usage of the Customer requires, the City, at its option, may supply gas service at some other pressure.

   (b) Title to meters identified and described in "**Exhibit B**," attached hereto and incorporated by reference herein, regulators, or special instrumentation located on the premises discussed herein, whether or not purchased and/or installed by the City or purchased and/or installed by the Customer, shall vest in the City at the inception of this Agreement. The City will inspect this equipment periodically. If a meter covered by this Agreement is found to be inoperative or inaccurate, such equipment shall be adjusted by the City to register correctly, and the amount of error shall be determined by the most accurate method feasible as agreed upon by the parties. If the inaccuracy results in an error of more than two percent (2%) plus or minus in the measurement of gas, then the calculated deliveries of gas shall be adjusted to accuracy to compensate for such error. Such adjustment shall be made for such period of inaccuracy if the period of time that the meter was inaccurate is definitely determined. If the period of inaccuracy cannot be determined, such adjustment shall be made for the last half of the period between the times the metering equipment was adjusted to register correctly and the date of the last previous meter test. Upon the written request of the Customer, the City will inspect such meters at any reasonable time, provided that if such meters are found to register correctly, the cost of such inspection may be charged to the Customer. It is understood that such meter shall be deemed to register correctly if the error is less than two percent (2%), plus or minus. The Customer agrees to protect all pipes and meters from low temperature or other inclement weather when necessary, and to the extent permitted by law, further agrees to hold harmless and indemnify the City against any and all costs and/or damages arising out of or caused by the theft and/or injury to pipes and/or meters and/or other property of the City while on said premises.

8. **Billing Errors -** If an error in the measurement of gas occurs and/or an error in billing occurs which creates an undercharge to the customer, the City may back bill the Customer for not more than twelve (12) months, and the Customer agrees to pay such undercharge. The City shall allow the Customer to pay for the unbilled service over a twelve (12) month period or some other mutually agreeable time period.

9. **Billing Disputes -** If the Customer disputes any portion of any statement from the City, then

Customer, upon written notice to City, shall have the right to withhold payment of the disputed portion of statement for a period not to exceed ten (10) business days. If the parties are unable to resolve the dispute, Customer shall pay the disputed portion of the statement into an interest bearing escrow account until the dispute is resolved. All account interest shall accrue to the City in the event the disputed amount is found to be due and owing to the City. Failure of the Customer to pay the undercharged amount as agreed upon herein, or the failure to pay the amount of the billed undercharge into the escrow account may result in termination of services, and in addition the City may pursue any and all lawful collection activity to recover such undercharged amount.

10. **Gas Leakage** - Immediate notice must be given by the Customer to the City when any leakage of gas is discovered. No flame or lights shall be used in the proximity of such escaping gas, and the Customer shall immediately shut off the flow of gas on the downstream side of the meter.
11. **Point of Delivery - Liability** - The point of delivery of gas furnished hereunder shall be the outgoing side of the outlet union of the meter(s) installed and maintained by the City on the Customer's property for the purpose of measuring gas delivered to the Customer. The gas provided under this contract is delivered upon the express condition that when it passes the point of delivery it becomes the exclusive property of the Customer. The Customer agrees that the City shall not be and is not liable for loss, damage, and/or injury to any person or property whatsoever resulting directly or indirectly from the use or misuse or presence of gas on the Customer's premises after it passes the point of delivery, except where such loss, damage, and/or injury shall be shown to have been occasioned by negligence of the City, its agent, servants, or employees.
12. **Liability** – The parties hereto, their respective elected officials, officers and employees shall not be deemed to assume any liability for the acts, omissions or negligence of the other party. The County and City, as local government bodies of the State of Florida, agree to be fully responsible for their individual negligent acts or omissions or tortious acts which result in claims or suits against their respective jurisdictions and agree to be fully liable for any damages proximately caused by said acts or omissions. Nothing herein is intended to serve as a waiver of sovereign immunity by the City or County and nothing herein shall be construed as consent by the City or County to be sued by third parties in any matter arising out of this Agreement.
13. **Force Majeure** - The City's supply of gas is derived from sources over which the City has no control. In addition, force majeure circumstances may arise which may render the City unable to perform the services herein described. It is therefore understood and agreed by the parties hereto that in the event of a failure, curtailment, or interruption of such supply or in the event of shortage or interruption of gas due to an event of force majeure, such as an act of God, the elements, labor

troubles, fires, accidents, breakage, necessary repairs, war, terrorist attack, natural emergency, or other causes of contingencies beyond the City's control, the City cannot and does not guarantee a constant supply of gas, and it shall not be held liable in damages, losses, or otherwise for any such interruption or curtailment of supply or services. Notwithstanding the foregoing, the terms contained in Paragraph 6 of this Agreement shall prevail in that the City in its sole discretion may curtail or interrupt the supply of interruptible gas, and, in no event, shall the City be held liable for such interruption or curtailment of the supply of interruptible gas.

14. **Entry by City Agents** - The authorized agents of the City shall have the right, at all reasonable times, of access to the premises of the Customer for the purpose of inspecting the gas consuming and fuel equipment of the Customer and of examining and inspecting meters and/or for other necessary purposes. No person other than an authorized agent of the City shall be permitted to tamper with, inspect, or repair any meter or other property owned by the City. The Customer hereby authorizes and empowers the City pursuant to Paragraph 7(b) to remove its meter and other property covered by this Agreement immediately upon termination of this contract.
15. **Breach of Contract** – The following shall be deemed to be a breach of this Agreement by Customer: if the Customer shall fail/refuse to interrupt or curtail the consumption of gas in the manner, at the time, and to the extent directed by the City, as hereinabove provided in Paragraph 6; if the Customer shall default on payments for gas delivered; or if the Customer shall breach any of the conditions set out herein. Such discontinuance of service as provided for in this Agreement shall not constitute breach of contract by the City. Any failure of the City to exercise said right to discontinue service to the Customer at any one time shall not prevent the City from exercising such right with respect to any breach of said conditions which may subsequently occur.
16. **Rate Adjustment**– All gas rates and charges, including City Rate Schedule GAF, are approved by the City Council and are subject to change should the City Council approve a new gas rate ordinance.
17. **Term of Contract** - The term of this contract is twelve (12) months: April 1, 2020 to March 31, 2021. The City or Customer may terminate this agreement without cause upon thirty (30) days prior written notice.
18. **Notices -** (a) Any notice or bill, except notices of curtailment or restoration of service, which shall or may be given by one party to the other hereunder, shall be deemed to have been fully given When made in writing and delivered by hand or mail as follows: City of Pensacola, Pensacola Energy, P.O. Box 12910, Pensacola, Florida 32521, and to the Customer at 221 Palafox Place, Suite 420, Pensacola Florida 32502, postage prepaid if delivery is by mail.

(b) Notices with respect to curtailment or restoration of deliveries of service shall be sufficient if given by the City in writing and delivered by hand or mail as provided by subparagraph (a) above to the person or one of the persons identified and described in "**Exhibit C,**" attached hereto and incorporated by reference herein, designated by the Customer as authorized to receive such notices.

19. **Successors and Assigns** - This Agreement shall bind and benefit the successors and assigns of the respective parties hereto.

20. **General Provisions** - (a) This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein, and the parties agree that there are no commitments, agreements, or understandings concerning the matter of this agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements whether oral or written and that this agreement supersedes all prior oral or written agreements.

    (b) It is agreed that no modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

    (c) This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances by the parties without the prior written consent of the other party.

    (d) This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue of any matter which is subject of this agreement shall be in the County of Escambia.

    (e) The failure of a party to insist upon the strict performance of the terms and conditions hereof shall not constitute or be construed as a waiver or relinquishment of any other provision or of either party's right to thereafter enforce the same in accordance with this Agreement.

    (f) The covenants and conditions contained in this Agreement shall apply to and bind the parties, legal representatives, and assigns of the parties.

    (g) This Agreement and the Exhibits (**Exhibits A, B, C**) attached hereto are made a part hereof and constitute the contract documents.

    (h) Each individual executing this Agreement represents and warrants that he/she is duly authorized to execute and deliver this Agreement on behalf of said party, in accordance with a duly adopted resolution, or in accordance with applicable law, and that this Agreement is binding

upon said party in accordance with its terms.

(i) Invoice payment terms: Payments under this Agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

(j) The parties acknowledge that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to member of the public pursuant to Chapter 119, Florida Statutes, as amended. In the event a party fails to abide by the provisions of Chapter 119, Florida Statutes, the other party may, without prejudice to any right or remedy and after giving that party, seven (7) days written notice, during which period the party fails to allow access to such documents, terminate this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Contract to be executed and sealed the day and year first above written.

City Rate Schedule GAF, Almost Firm Service

Ordinance No. 21-19

(12) *Service classification: GAF, almost firm service.*

(12a) *Availability.* Available to any consumer using the city's natural gas service. Service under this rate classification shall be governed by individual contracts with consumer which includes a customer charge, a distribution charge, and a charge for fuel. Such contract will be executed by the Mayor, based on recommendations by the Director of Pensacola Energy. Contracts for this class or rate must be for not less than one (1) year. All consumers under this rate are subject to the terms of the contract.

(12b) *Contract volume.* Not less than seventy-five (75) Mcf per day.

(12c) *Customer charge.* Two hundred dollars ($200.00) fixed monthly charge, plus

(12d) *Distribution charge.* One dollar and seventy-four cents ($1.74) for annual pipeline transportation fees plus ninety-two cents ($0.92) local transportation charge net per one (1) MMBTU/day transported for gas transportation service, plus

A seven cent ($0.07) margin on the contracted cost of natural gas.

Exhibit B

AI-17733 **County Administrator's Report 12. 15.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Renewal of Agreement for Support and Maintenance Services for Cyber Security Firewalls
From: Bart Siders, Department Director
Organization: Information Technology
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Annual Hardware and Software Maintenance Support Renewal for Cyber Security Firewalls - Bart Siders, Information Technology Department Director, through Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board take the following action:

A. Approve the Agreement for Support and Maintenance Services with PC Specialists, Inc. D/B/A Technology Integration Group, for Cyber Security Firewalls in the amount of $44,302.66; and

B. Authorize the Department, in conjunction with the Office of Purchasing, to issue a Purchase Order as required and use the pricing obtained through the competitively bid NASPO Contract AR2472.

[Funding: Fund 001, General Fund, Cost Center 270102, Object Code 54601]

BACKGROUND:

This renewal will cover the hardware and software for the Cyber Security Firewalls used to support/protect the Board of County Commissioners and the Constitutionals, for the period of May 14, 2020 - May 14, 2021, per the provided quote #048238.

BUDGETARY IMPACT:

Fund 001, General Fund, Cost Center 270102, Object Code 54601

Note on Contracts:

This Hardware and Software Contract was competitively bid through the NASPO Contract AR2472.

Terms & Conditions

Defective product may be returned within thirty (30) days of the shipping date for repair or replacement as determined by manufacturer warranty.

TIG resells products from numerous manufacturers. It is common industry practice for manufacturers to offer incentives and rebates for product sales. This quote may contain product or services subject to such incentives. No representation or warranty to

the contrary is made. Technology Integration Group passes through to buyer the terms and conditions of the original equipment manufacturers product and software licenses and warranties. Any exception must be negotiated directly with the original equipment manufacturer.

Please be advised that the quoted pricing may be impacted by the new tariffs. In the event that the pricing has been affected, we will confirm with you prior to placing an order.

Taxes, shipping and handling charges and other fees are subject to change based on the terms and conditions of the final sale.

Issue: Change Order for Blue Arbor, Inc.
From: Bart Siders, Department Director
Organization: Information Technology
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the issuance of a Change Order to Blue Arbor, Inc. - Bart Siders, Information Technology Department Director

That the Board approve a Change Order to Blue Arbor, Inc., in the amount of $35,000, to cover temporary staffing assistance for the Information Technology Department, per PD 17-18.055, Agreement for Temporary Labor Services.

Vendor/Contractor	Amount	Contract Number
Blue Arbor Temporary Staffing Services Vendor # 023818 Cost Center 270102/53401	$35,000	Contract PD 17-18.055 Original Board Approval 08/02/18. Board Approval for 1st Extension 08/15/19 (Contract goes through 08-15/20

[Funding: Fund 001, General Fund, Cost Center 270102, Object Code 53401, Other Contractual Services]

BACKGROUND:

The original Purchase Order for $22,000 was created for a single contractor to work in the IT Applications Division. Since the original creation of the Purchase Order, an Information Technology employee was placed on Military leave for 400 days and several Information Technology Help Desk employees have resigned from the County. The Information Technology Department has back filled these vacancies with contract employees on a temporary basis. It has been determined that an additional $35,000 is required to cover these temporary contract

employees for the remaining Fiscal Year 2019/2020.

BUDGETARY IMPACT:

Adding $35,000 to this Purchase Order will be budget neutral because payroll funds will not be spent on the vacated full time County positions. Budget Amendment #77 moved $35,000 from payroll funds to Fund 001, General Fund, Cost Center 270102, Object Code 53401, to cover the additional Contractor costs.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the provisions of the Code of Ordinances of Escambia County, Florida, Chapter 46, Finance, Article II, Purchase and Contracts.

IMPLEMENTATION/COORDINATION:

The Change Order will be generated and processed through the Information & Technology Department and the Office of Purchasing.

Blue Arbor Agreement

AGREEMENT FOR TEMPORARY LABOR SERVICES (PD 17-18.055)

THIS AGREEMENT is made and entered into by and between Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County"), whose mailing address is 221 Palafox Place, Pensacola, Florida 32502, and Blue Arbor, Inc., a foreign for-profit corporation authorized to conduct business in the State of Florida (hereinafter referred to as "Contractor"), FEI/EIN 56-1308931, whose principal address is 5413 Morton Road, New Bern, NC 28562.

WITNESSETH:

WHEREAS, on May 21, 2018, the County issued an Invitation to Bidders (PD 17-18.055) seeking a contractor to provide temporary labor services for all departments of Escambia County (Lot 1), toll collector personnel for the Bob Sikes Bridge Toll Plaza (Lot 2), and personnel for the Escambia County Youth Employment Program (Lot 3); and

WHEREAS, the Contractor was the most responsive and responsible bidder proposing to provide such services for Lot 1 and Lot 3; and

WHEREAS, the County desires to enter into an agreement with the Contractor for the provision of such services as set forth herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions contained herein and other good and valuable consideration, the Contractor and the County agree as follows:

1. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence upon the date last executed and continue for a term of one (1) year. Upon mutual agreement of the parties, this Agreement may be renewed for two additional twelve (12) month terms. The total duration of this Agreement, including the exercise of all options to renew/extend, shall not exceed the duration of three (3) years.

3. Scope of Services. Contractor agrees to perform in accordance with the Scope of Services set forth in Escambia County's *Invitation to Bidders for Temporary Labor Services for Escambia County Board of County Commissioners, Specification No. P.D. 17-18.055*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement shall prevail.

4. Compensation. In exchange for Contractor's provision of the scope of services referenced above, County shall pay Contractor in accordance with the Fee Schedule, attached hereto as **Exhibit B**.

5. Purchase Orders. The County shall order services from the Contractor in writing utilizing work orders relating to a blanket purchase order or by individual purchase order. The required services shall be described in detail and the applicable timeframe in which the services are required will be stated in the work order. No minimum quantity of work is guaranteed during the term of this Agreement, and only those services requested pursuant to a work order will be compensated.

6. Method of Payment/Billing. Contractor will request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of services performed with appropriate supporting documentation. Invoices shall be submitted in duplicate to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place, Suite 140
Pensacola, FL 32502

Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended (the "Act").

7. Termination. The County retains the right to immediately terminate this Agreement for cause, and the County may terminate the Agreement for convenience upon providing thirty (30) days written notice to Contractor. The Contractor may terminate this Agreement for cause upon providing thirty (30) days written notice to the County. In the event of termination by either party, the Contractor shall be paid for amounts due and owing for services rendered through the date of termination.

8. Indemnification. Contractor shall indemnify, defend, and hold harmless Escambia County, and its officers, directors, employees and affiliates, from and against any liability, loss, cost, or expense including, without limitation, reasonable attorney's fees, arising out of or in connection with the negligence, recklessness, or wrongful misconduct of Contractor, its employees or agents, whether or not the same constitutes a breach of this Agreement or is committed in the course of performing the Contractor's duties hereunder. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to Escambia County's indemnification right under this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

9. Insurance. During the term of this Agreement, Contractor shall procure and maintain, at its sole expense, the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies.
(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles.
(c) Employment Practices Liability with $1,000,000 per occurrence minimum limit.
(d) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.
(e) Fidelity Bond with $1,000,000 per occurrence coverage limit.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days' advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32591.

Escambia County shall be endorsed as "additional insureds" on all liability policies except Workers' Compensation. Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32591 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. Escambia County shall also be the certificate holders.

10. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Blue Arbor, Inc.
Attention: Lucine Moffett
5413 Morton Road
New Bern, NC 28562

To: Escambia County
Attention: County Administrator
221 Palafox Place
Pensacola, Florida 32502

With copy to:
PO Box 12780
New Bern, NC 28561

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

11. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

12. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State.

In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

13. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

14. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

15. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement.

16. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

17. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

18. Authority. Each individual executing this Agreement on behalf of a corporate or governmental party represents and warrants that he/she is duly authorized to execute and deliver this Agreement on behalf of said party, in accordance with any a duly adopted action of the governing board of said party in accordance with applicable law, and that this Agreement is binding upon said party in accordance with its terms.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature.

Original Purchase Order

GENERAL TERMS AND CONDITIONS

1. **Acceptance, Entire Agreement**– By providing goods or services under the subject Purchase Order (PO), Contractor accepts the terms and conditions set forth herein. This PO, including all terms, specifications and drawings attached hereto or referenced herein, constitutes the entire agreement between the parties unless otherwise stated on the face of the PO. If additional terms are necessary, a formal written contract will be required, and to the extent of any conflict with the terms of this PO, the terms of the contract shall prevail. No modification or waiver of terms of this PO shall be binding, unless in writing, signed by a duly authorized representative of the buyer and confirmed by such a representative of the Contractor.
2. **Inspection**- All goods/services delivered hereunder shall be accepted subject to County's inspection and approval, and payment shall not constitute acceptance. All payment shall be subject to adjustment for shortage or rejection of goods. To the extent that a PO requires a series of performances by the Contractor, the County reserves the right to cancel the remainder of the PO if goods/services provided during the term of the PO are non-conforming or otherwise rejected.
3. **Delivery, Risk of Loss**- All goods are FOB destination, and risk of loss shall remain with the Contractor until delivery and acceptance by the County. Goods delivered that are damaged, defective, or otherwise fail to conform to the PO upon arrival may be rejected by County or held by County at the Contractor's risk and expense. County may charge Contractor for the cost of inspecting, unpacking, repacking, storing and reshipping any rejected goods. County shall receive a credit at the invoice price, or at the County's option, replacement of such goods, but in no event will such goods be replaced by the Contractor without County's written consent.
4. **Delivery of Excess Quantities**- If the Contractor delivers quantities of any item in excess of the quantity ordered then such excess will be treated as being delivered for the convenience of the Contractor. The County may retain such excess up to $100 in value without compensating the interests herein. Excess quantities exceeding $100 in value will either be returned at the Contractor's expense or retained and paid for by the County at the contract unit price.
5. **Time is of the Essence**- Time for delivery of goods and services under this PO is of the essence. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, shall entitle County to seek all remedies available at law or in equity. The County reserves the right to cancel any order and purchase elsewhere if delivery is not timely. Contractor further agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to exercise this option with respect to any delivery shall not be deemed a waiver with respect to future installments; if any.
6. **Delivery Tickets**- All deliveries under this PO shall be accompanied with delivery tickets, or sales slips, in triplicate, which shall contain the following: 1) Name of supplier; 2) Purchase order; 3) Date of call; 4) Call number; 5) Itemized list of supplies or services furnished; 6) Quantity, unit price and extension of each item less applicable discounts (unit price and extensions need not be shown when compatible with the use of automated systems provided that the invoice is itemized to show this information); and 7) Date of delivery or shipment. Upon delivery, the receiving office will retain one copy of the related delivery ticket and will sign the other two copies and return them to the supplier or his agent. One of these copies may subsequently be required to support the invoice.
7. **Material Safety Data Sheet**- At the time of delivery, Contractor agrees to provide County with a current MSD sheet of any hazardous chemical or toxic substance as required by law.
8. **Changes**- The Purchasing Manager may at any time, by a written order, and without notice to the surety, make changes, within the general scope of this PO, in (i) drawing, designs, or specifications where the supplies to be furnished are to be specially manufactured for the County in accordance therewith; (ii) method of shipment or packing; and (iii) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for, performance of this contract, whether changed or not changed by any such order, equitable adjustment shall be made by written modification of this PO. Any claim by Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change.
9. **Invoicing and Payment**- After delivery and acceptance of goods and submission of properly certified invoices, Contractor shall be paid at the prices stipulated on the PO at the time the order is placed, less deductions if any. Invoices shall contain the contract number, PO number and the contractor's Federal Employer Identification Number. An original and one (1) copy of the invoice shall be submitted. Failure to follow these instructions may result in a delay processing invoices for payment. All payments and interest on any late payments shall be made in compliance with the Local Government Prompt Payment Act, §§218.70, et seq., Fla. Stat.
10. **Taxes**– The County is exempt from Florida sales tax, federal taxes on transportation changes and any federal excise tax. Under no circumstances will the County reimburse Contractor for taxes paid.
11. **Government Regulations**- Contractor certifies that it has complied with all applicable laws and regulations of governmental authority relating to the production, sale and delivery of the goods and/or services specified herein, and Contractor shall indemnify and save County harmless from and against any liability or loss resulting from Contractor's failure to do so.
12. **Compliance with Laws**- In fulfilling the terms of the PO, Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the conduct of its business, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Fla. Stat., the provisions of the Immigration Reform and Control Act of 1986 (8 U.S.C. §1324, et seq.) and regulations related thereto, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran status.
13. **Warranties**- In addition to all warranties, established by statute or common law, or set forth elsewhere in this PO, Contractor expressly warrants that all goods or services covered herein shall conform to all specifications, drawings, samples and descriptions furnished or adopted by the County, and shall be of best quality and fit and sufficient for the purpose for which purchased, if specified hereon, merchantable, of good material land workmanship and free from all patent and latent defects. The County's failure to give notice to Contractor of any breach of warranty shall not discharge the Contractor's liability. Without limiting the generality of the foregoing, the Contractor agrees to be responsible for all defects in design, workmanship and materials, which may become apparent within 12 months of receipt by County, unless otherwise specified.
14. **Warranty of Non-Infringement**- Contractor represents and warrants that all goods or services sold hereunder are in compliance with applicable laws, do not constitute unfair competition, and do not infringe any patent, copyright, trademark, or trade secret. Contractor shall indemnify and hold harmless County from and against any and all claims, judgments and expenses, including, but not limited to, attorneys' fees, arising from any claim, suit or proceeding alleging that County's use of the goods/services provided hereunder is inconsistent with Contractor's representations and warranties provided in this section. Contractor shall defend or settle at its own expense any proceeding brought against County for such infringement provided Contractor is notified promptly of the commencement of such proceeding and is given authority, information and assistance by the County for the defense or settlement thereof.
15. **Work on County Premises**- If this PO requires work of the Contractor's agents or employees on the County's premises, Contractor shall carry out said work at its own risk until fully completed and such agents or employees shall not thereby be deemed to be the agents or employees of the County. Such parties shall be subject to the County's safety rules and fire regulations. Contractor assumes full responsibility for their acts and omissions and agrees to hold harmless and indemnify the County from any claims arising therefrom and accept exclusive liability for payroll and other taxes imposed upon the employer by law.
16. **Liens**- All work performed by Contractor shall be accomplished in a manner that will not under any circumstances result in the imposition of any lien, claim or encumbrance against the County or County property. If any materialman or subcontractor of Contractor should file a lien on the property of the County or otherwise file a claim against the County, Contractor shall obtain a release and satisfaction of the lien/claim within ten days of its filing. Contractor shall be solely liable for any consequential damages to County resulting from the filing of any claim/lien.
17. **Indemnification**. Contractor hereby assumes all liability, to the maximum extent provided by law, for all damages, loss or injury of any kind or nature whatever to persons or property caused by or resulting from the goods or services provided hereunder. Contractor shall indemnify and hold harmless the County from all claims, suits, liabilities, expenses, losses or damages, including attorneys' fees and costs, which County may incur as a result of claims, demands, suits, or causes of action of any kind or nature arising from, caused by, or related to the provision of the goods or services furnished by Contractor, its officers, employees, agents, partners, principals, or subcontractors. If any suit or other proceeding is brought against the County at any time on account of or by reason of any act, action, neglect, omission or default of Contractor or any of its subcontractors, Contractor agrees to assume the defense thereof and defend the County at Contractor's sole expense and to pay any and all costs, attorneys' fees or other expenses, and all judgments that may be incurred or obtained against the County, and any judgment or lien that may be placed against the County's property as a result of such suit or proceeding. The Contractor's obligations hereunder shall not be limited by or to any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.
18. **Insurance-** Throughout the term of this PO, the Contractor, at its sole expense, shall maintain insurance coverage that is acceptable to the County.
19. **Contingent Fees**- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon any agreement or understanding for a commission percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to amend this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
20. **Gratuities**- (a) The County may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing by the County's duly authorized representative, that gratuities (e.g. entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing a contract or favorable treatment with respect to the awarding, amending, or making of a contract or any determinations with respect to the performance of such contract; (b) If this contract is terminated as provided in paragraph (a), the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor, and as a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Board of County Commissioners or their duly authorized representative) which shall be not less than three nor more than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee; (c) The rights and remedies of the County provided in this clause shall not be conclusive and are in addition to any other rights and remedies provided by law or under the contract.
21. **Termination for Default**- The Purchasing Manager by written notice may terminate this PO, in whole or in part, for failure of the Contractor to perform any of the provisions hereof. In such event, the Contractor shall be liable for damages including the excess cost of re-procuring similar supplies or services; provided that if it is determined for any reason that the Contractor was not in default, the termination shall be deemed to be a termination for convenience as provided below.
22. **Termination for Convenience**- The Purchasing Manager by written notice, may terminate this PO, in whole or in part, when it is in the best interest of the County. If this PO is for supplies and is so terminated, the Contractor shall be compensated for goods delivered up to the date of termination at the discretion of the County. To the extent that this contract is for services and is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this PO for services rendered prior to the effective date of termination.
23. **Force Majeure**- Neither party shall be liable for delays or defaults due to acts of God, government authority or public enemy, war, fires, floods, epidemics, strikes, labor troubles, freight embargoes or contingencies reasonably beyond its control. The party so affected upon prompt written notice to the other party shall be excused from making or taking deliveries hereunder to the extent of such prevention or restriction. At County's option, deliveries so omitted shall be made on notice thereof to the vendor, upon cessation of such contingency even though such might have been operative at the date of this order.
24. **Assignment**. Contractor may not assign this PO or any money due or to become due without the prior written consent of the County. Any assignment made without such consent shall be deemed void.
25. **Extent of Obligation** - The County is obligated hereunder only to the extent of authorized orders placed against this PO.
26. **Governing Law**- This agreement shall be interpreted in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in Escambia County.
27. **Annual Appropriations**. The County's performance and obligation to pay under this PO shall be contingent upon an annual appropriation of funds.
28. **Advertising**- Without the prior written consent of the County in each instance, Contractor shall not advertise the fact that it has contracted with the County for goods and/or services, or appropriate or make use of the County's name or identifying marks.
29. **Public Records**- The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Fla. Stat. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Fla. Stat., the County may, without prejudice to any other right or remedy and after giving the Contractor seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17722 **County Administrator's Report 12. 19.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: SBA #091 - Library Friends Donation
From: STEPHAN HALL, Budget Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Supplemental Budget Amendment #091 - Stephan Hall, Budget Manager, Management & Budget Services

That the Board adopt the Resolution approving Supplemental Budget Amendment #091, Library Fund (113), in the amount of $30,000, to recognize the donation from the Friends of the West Florida Public Library, and to appropriate these funds into the Friends Library Donations Cost Center to be used to support and promote the Escambia County Library.

BACKGROUND:

The Library has received a donation from the Friends of the West Florida Public Library to be used in acquiring items to be used to support and promote the Library operations for patrons. $30,000 will be placed into the Friends Donation Cost Center for these purchases.

BUDGETARY IMPACT:

This Amendment will increase the Library Fund (113) by $30,000.

Board of County Commissioners
Escambia County
Supplemental Budget Amendment Resolution

Resolution Number
R2020-

WHEREAS, the following revenues were unanticipated in the adopted budget for Escambia County and the Board of County Commissioners now desires to appropriate said funds within the County Budget.

WHEREAS, Escambia County has received a donation from Friends of West Florida Public Libraries to be used to purchase capital items for the Library and these funds must be recognized and appropriated.

NOW, THEREFORE, be it resolved by the Board of County Commissioners of Escambia County, Florida, that in accordance with Florida Statutes, Section 129.06 (2d), it does hereby appropriate in the following funds and accounts in the budget of the fiscal year ending September 30, 2020:

Library Fund	113
Fund Name	**Fund Number**

Revenue Title	Fund Number	Account Code	Amount
Friends of Libraries Donation	113	366218	30,000
Total			**30,000**

Appropriations Title	Fund Number/Cost Center	Account Code/ Project Number	Amount
Books, Publications and Library Materials	113 / 110509	56601	30,000
Total			**30,000**

NOW THEREFORE, be it resolved by the Board of County Commissioners of Escambia County, Florida, that the foregoing Supplemental Budget Amendment be made effective upon adoption of this Resolution.

Supplemental Budget Amendment
#091

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17724 **County Administrator's Report 12. 20.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Supplemental Budget Amendment #092 - ECUA Contribution for Interlocal Cost Sharing Agreement, Carver Area Utility Relocation
From: STEPHAN HALL, Budget Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Supplemental Budget Amendment #092, Joy Jones, P.E., Engineering Department Director - Stephan Hall, Budget Manager, Management and Budget Services

That the Board adopt the Resolution approving Supplemental Budget Amendment #092, Local Option Sales Tax III (Fund 352), in the amount of $43,009, to recognize proceeds from Escambia County Utilities Authority (ECUA) for reimbursement for the Interlocal Cost Sharing Agreement for Carver Area Water Main Utility Relocation project in conjunction with Carver Area Drainage improvement work, and to appropriate these funds back into the LOST III project budget.

Escambia County and ECUA entered a 50/50 cost sharing Agreement to share the cost of relocating utilities as part of the Carver Area Water Main Utility Relocation project. This work was in conjunction with the Carver Area Drainage Improvement project. Total cost of the utilities relocation was $86,019.68, and ECUA's contribution is $43,009. These funds have been received and need to be transferred back into the project's budget.

BACKGROUND:

Escambia County and ECUA entered a 50/50 cost sharing Agreement to share the cost of relocating utilities as part of the Carver Area Water Main Utility Relocation project. This work was in conjunction with the Carver Area Drainage Improvement project. Total cost of the utilities relocation was $86,019.68, and ECUA's contribution is $43,009. These funds have been received and need to be transferred back into the project's budget.

BUDGETARY IMPACT:

This Amendment will increase Fund 352 by $43,009.

Board of County Commissioners
Escambia County
Supplemental Budget Amendment Resolution

Resolution Number
R2020-

WHEREAS, the following revenues were unanticipated in the adopted budget for Escambia County and the Board of County Commissioners now desires to appropriate said funds within the budget.

WHEREAS, Escambia County has received ECUA's contribution for the Interlocal Cost Sharing Agreement for Carver Area drainage improvements (water main utility relocation), and these funds must be recognized and appropriated.

NOW, THEREFORE, be it resolved by the Board of County Commissioners of Escambia County, Florida, that in accordance with Florida Statutes, Section 129.06 (2d), it does hereby appropriate in the following funds and accounts in the budget of the fiscal year ending September 30, 2020:

Local Option Sales Tax III	352
Fund Name	**Fund Number**

Fund Name	Account Name	Account Code	Amount
352/Local Option Sales Tax III	ECUA Contribution-Capital Project	337302	$43,009
Total			$43,009

Fund Name	Cost Center Code/Title	Account Code/ Appropriations Title	Amount
352/Local Option Sales Tax III (Carver Area Water Main Utility Relocate)	210107/Transportation & Drainage Project #13EN2395	56301/Improvements Other than Buildings	$43,009
Total			$43,009

NOW THEREFORE, be it resolved by the Board of County Commissioners of Escambia County, Florida, that the foregoing Supplemental Budget Amendment be made effective upon adoption of this Resolution.

Supplemental Budget Amendment
#092

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17728 **County Administrator's Report 12. 21.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Supplemental Budget Amendment #093 - Reimbursement from CSX Transportation for Ten Mile Road Signal Crossing Improvement
From: STEPHAN HALL, Budget Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Supplemental Budget Amendment #093, Joy Jones, P.E., Engineering Department Director - Stephan Hall, Budget Manager, Management and Budget Services

That the Board adopt the Resolution approving Supplemental Budget Amendment #093, Local Option Sales Tax III (Fund 352), in the amount of $22,570, to recognize a reimbursement from CSX Transportation (CSXT) of funds paid for the Ten Mile Roadway signal crossing improvements project, and to appropriate these funds back into the LOST III project budget.

Escambia County and CSX Transportation entered into a Preliminary Engineering Agreement in Fiscal Year 2013, in which Escambia County agreed to pay for signal crossing improvements on Ten Mile Road in conjunction with a drainage improvement project. Escambia County paid a deposit to CSXT, in the amount of $35,640, but actual costs were less, resulting in a reimbursement due of $22,570. These funds have been received and need to be transferred back into the project's budget.

BACKGROUND:

Escambia County and CSX Transportation entered into a Preliminary Engineering Agreement in Fiscal Year 2013, in which Escambia County agreed to pay for signal crossing improvements on Ten Mile Road in conjunction with a drainage improvement project. Escambia County paid a deposit to CSXT, in the amount of $35,640, but actual costs were less, resulting in a reimbursement due of $22,570. These funds have been received and need to be transferred back into the project's

budget.

From: STEPHAN HALL, Budget Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Supplemental Budget Amendment #094, EMS County Award Grant Appropriation, John Dosh, Interim Public Safety Department Director - Stephan Hall, Budget Manager, Management and Budget Services

That the Board adopt the Resolution approving Supplemental Budget Amendment #094, Other Grants and Projects Fund (110), in the amount of $33,504, to recognize proceeds from the Florida Department of Health, and to appropriate these funds for the improvement and expansion of pre-hospital Emergency Medical Services (EMS) in Escambia County. Funds will be used to purchase two Lund University Cardiopulmonary Assist System (LUCAS) devices, which are portable chest compression devices.

BACKGROUND:

Escambia County Public Safety has been awarded a Florida Department of Health EMS County Grant, ID Code C8017, in the amount of $33,504. Funds are to be used for the improvement and expansion of pre-hospital Emergency Medical Services. Planned purchases are two LUCAS devices, which are portable chest compression devices.

BUDGETARY IMPACT:

This Amendment will increase Fund 110 by $33,504.

CAO Approval:

RECOMMENDATION:

Recommendation Concerning Supplemental Budget Amendment #105, Proceeds from the Sale of Easements, J. Taylor "Chips" Kirschenfeld, Director, Department of Natural Resources Management - Stephan Hall, Budget Manager, Management and Budget Services

That the Board adopt the Resolution approving Supplemental Budget Amendment #105, Other Grants and Projects Fund (110), in the amount of $305,865, to recognize proceeds from the United States Navy from the sale of easements for encroachment protection.

On September 22, 2016, the Board of County Commissioners entered into a Multi-Year Encroachment Protection Agreement for Naval Air Station (NAS) Pensacola with the Department of the Navy. The purpose of the Agreement was to provide assistance with the acquisition of real property to prevent encroachment and limit incompatible development in the vicinity of NAS Pensacola. These funds are to be leveraged for future defense infrastructure Grants (DIG) which require matching funds.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17755 **County Administrator's Report 12. 25.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Supplemental Budget Amendment #108 - Consolidation of the Two Existing Inmate Commissary Funds
From: STEPHAN HALL, Budget Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Supplemental Budget Amendment #108, William Powell, Corrections Director - Stephan Hall, Budget Manager, Management and Budget Services

That the Board adopt the Resolution approving Supplemental Budget Amendment #108, Detention/Jail Commissary Fund (111), and the Transportation Trust Fund (175) (Road Prison Commissary), in the amount of $299,326, to recognize a transfer of funds from the Road Prison Commissary to the Detention/Jail Commissary, and to appropriate this transfer of funds consolidating the two commissaries into a single commissary going forward. This action will increase the efficiencies with commissary funding and provide better service to the inmates.

BACKGROUND:

Departmental background and justification indicates that the banking system and commissary have become one, so it makes sense to combine the Inmate Funds. In addition, all bookings start with the Jail. The inmates may be moved to the Work Annex or Work Release, but all of the inmates start at the same place. Combining the Jail, Work Annex, and Work Release will provide for more efficiency in handling the residents at all of the facilities.

Supplemental Budget Amendment #108 transfers the Fiscal Year 2020 Road Prison Commissary Budget and the appropriate level of reserves from the Transportation Trust Fund to the Detention/Jail Commissary Fund.

BUDGETARY IMPACT:

This Amendment will decrease Fund 175 by $299,326 and increase Fund 111 by $299,326.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Increases and decreases in revenue must be approved by the Board per F.S. 129.06 - Execution and amendment of budget.

IMPLEMENTATION/COORDINATION:

The Inmate Commissary Board must approve the consolidation of the two commissary funds, per FS951.23(9)(d).

Attachments

Commissary Purpose

SBA #108

ESCAMBIA COUNTY, FLORIDA
BOARD OF COUNTY COMMISSIONERS
DETENTION/JAIL COMMISSARY FUND– FUND 111
SEPTEMBER 30, 2019

On October 1, 2013 the Escambia County Board of County Commissioners assumed responsibility for the operation of the Escambia County Correctional System, which includes the Escambia County Jail and Jail Annex, by approving Resolution R2013-79. This fund was established in accordance with F.S. 951.23(9)(a) which states, *"A commissary may be operated in the detention facility. If a commissary is established, then an inmate welfare fund shall also be established."*

Commissary Fund Revenues:

The primary source of revenue for Fund 111 is the commissary profits/commissions. The primary commission sources are listed below:

- Escambia County previously had a contract with Trinity Services Group to provide inmate commissary management services at the Escambia County Jail. Under this contract, Trinity paid the County a 28% commission on gross sales revenue for the month. ***On December 12, 2014 the Board approved a contract with Aramark Correctional Services, LLC to provide commissary management services for the jail. The County did not transition to Aramark until April 1, 2015. Under this new agreement, Aramark will pay the County a 47% commission on gross sales revenue for each month.
- Escambia County currently has a contract with Embarq Florida, Inc. dba CenturyLink to provide inmate telephone services at the Escambia County Jail. In this contract, the County granted an exclusive license to CenturyLink to provide inmate telephone services for the Jail. In consideration for this license, CenturyLink agrees to pay the County a license fee equal to 96% of gross billings for most calls placed by way of collect calling or charged to a debit or pre-paid account established for such inmate telephone services. Calls considered InterState calls are not eligible for commission.

In FY14, the Escambia County BOCC received one-time revenues as a result of the transfer of control from the Escambia County Sherriff. The BOCC received $138,782.50 of donated inventory. The Escambia County BOCC also received transfers from the Escambia County Sherriff totaling $997,410.91 for existing inmate commissary funds.

Other sources of revenue include interest income and miscellaneous revenues such as inmate art sales, admin fees, and cash seized.

Commissary Fund Expenses:

F.S. 951.23(9) outlines the types of expenditures that can be paid out of the inmate commissary and welfare fund. The following types of expenditures are allowed:

- Operation of the commissary
- Compensation for commissary employees
- Expenditures for the overall inmate welfare

F.S. 951.23 also states that an Inmate Welfare Fund Committee should be established and should recommend what expenditures are to be made from this fund. Currently, the welfare committee is made up of Acting Facility Commander- Officer in Charge, Gregory Scott Nash; Interim Corrections Financial Manager, Reshonda Watson and Facility Chaplain, Reginald Benjamin, Facility Captain, Shawn Hankins. All expenses recommended by the welfare committee must receive final approval from the Acting Officer in Charge, Gregory Scott Nash before they are paid. This is accomplished through the form titled "Request for Expense Approval Escambia County Corrections Inmate Welfare Funds" which is completed with each PO.

Also in Fund 111 is the Jail Inmate Trust bank account. This is a stand-alone bank account where the inmates' monies are held. The inmates use money from their accounts to purchase commissary items, telephone calls, and to pay their fees. This account is held by the Escambia County BOCC in Trust and is reconciled monthly.

Board of County Commissioners
Escambia County
Supplemental Budget Amendment Resolution

Resolution Number
R2020-

WHEREAS, the following revenues were unanticipated in the adopted budget for Escambia County and the Board of County Commissioners now desires to appropriate said funds within the budget.

WHEREAS, Escambia County desires to consolidate two inmate commissary funds to a single fund; transfering existing fund balance commissary revenues and expendiures from fund 175 to fund 111, and these funds must be recognized and appropriated.

NOW, THEREFORE, be it resolved by the Board of County Commissioners of Escambia County, Florida, that in accordance with Florida Statutes, Section 129.06 (2d), it does hereby appropriate in the following funds and accounts in the budget of the fiscal year ending September 30, 2020:

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17769 **County Administrator's Report 12. 26.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: SBA#111 - Sheriff's Off-Duty Officer Reimbursements, Public Records, Auto Repairs, Misc. Fees, and Investigation Costs
From: STEPHAN HALL, Budget Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Supplemental Budget Amendment #111, Sheriff's Department, Henrique Dias, Chief Financial Officer - Stephan Hall, Budget Manager, Management and Budget Services

That the Board adopt the Resolution approving Supplemental Budget Amendment #111, General Fund (001), in the amount of $19,176, to recognize the Sheriffs off-duty officer, public records, auto repairs, miscellaneous reimbursements/fees, and investigative costs, and to appropriate these funds back into the Sheriffs Administrative Budget, to offset operational expenses associated with providing law enforcement services in Escambia County.

BACKGROUND:

The Sheriffs Department has received off-duty officer, public records, auto repairs, miscellaneous reimbursements/fees, and investigative costs, associated with providing law enforcement and services in Escambia County totaling $19,176. These funds will be placed back into the Sheriffs General Fund Budget to off-set programmatic costs.

BUDGETARY IMPACT:

This Amendment will increase Fund 001 (General Fund) by $19,176.

POLICY/REQUIREMENT FOR BOARD ACTION/DISCUSSION:

The Board policies require increases and decreases in revenues to be approved by them.

IMPLEMENTATION REQUIREMENTS: N/A

COORDINATION WITH OTHER AGENCIES/PERSONS:

Questions regarding this recommendation may be directed to Henrique Dias, Chief Financial Officer at 436-9541.

CONCUR:

Janice P. Gilley
County Administrator

Board of County Commissioners
Escambia County
Supplemental Budget Amendment Resolution

Resolution Number
R2020-

WHEREAS, the following revenues were unanticipated in the adopted budget for Escambia County and the Board of County Commissioners now desires to appropriate said funds within the County Budget.

WHEREAS, the Escambia County Sheriff has received reimbursement proceeds from off-duty officers for related off-duty employment expenses incurred by the Sheriff's Department, as well as public records requests, auto repair, miscellaneous Sheriff's Fees, and investigative costs.
These funds must now be recognized and appropriated back into the Sheriff's Operating Budget.

NOW, THEREFORE, be it resolved by the Board of County Commissioners of Escambia County, Florida, that in accordance with Florida Statutes, Section 129.06 (2d), it does hereby appropriate in the following funds and accounts in the budget of the fiscal year ending September 30, 2020:

General Fund	001
Fund Name	**Fund Number**

Fund Name	Account Name	Account Code	Amount
001 / General Fund	Miscellaneous - Sheriff Fees	369939	$18,896
001 / General Fund	Investigative Costs	341525	$280
Total			**$19,176**

Fund Name	Cost Center Code/Title	Account Code/ Appropriations Title	Amount
001 / General Fund	540101 / Administration	59703 / Operating Expenses	$19,176
Total			**$19,176**

NOW THEREFORE, be it resolved by the Board of County Commissioners of Escambia County, Florida, that the foregoing Supplemental Budget Amendment be made effective upon adoption of this Resolution.

Supplemental Budget Amendment
#111

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17770 **County Administrator's Report 12. 27.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Supplemental Budget Amendment #114 - Coronavirus Aid, Relief, and Economic Security (CARES) Act Funding
From: STEPHAN HALL, Budget Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Supplemental Budget Amendment #114, Coronavirus Aid, Relief, and Economic Security Act Funding, Clara Long, Interim Neighborhood and Human Services Department Director - Stephan Hall, Budget Manager, Management and Budget Services

That the Board adopt the Resolution approving Supplemental Budget Amendment #114, Community Development Block Grant (CDBG) (129), and the General Fund (001), in the amount of $894,881, to recognize the CDBG-CV allocation provided by the U.S. Department of Housing and Urban Development (HUD), under the Coronavirus Aid, Relief, and Economic Security (CARES) Act, and to appropriate these funds to support community development activities that prevent, prepare, and respond to the COVID-19 virus. CDBG funds must be utilized for activities that target low and moderate-income households.

BACKGROUND:

As part of the Coronavirus Aid, Relief, and Economic Security (CARES) Act passed by Congress and signed into law March 27, 2020, the County will receive an allocation of $872,881 in the Community Development Block Grant (CDBG) funds from HUD. These funds will be used to address a wide variety of public health and service activities to prevent, prepare for and respond to the COVID-19 virus. CDBG funds must be utilized for activities that target low and moderate-income households. This Supplemental Budget Amendment also incorporates the transfer of indirect cost to the General Fund, in the amount of $22,000. CDBG is managed by the Neighborhood Enterprise Division of the Neighborhood & Human Services Department.

BUDGETARY IMPACT:

This Amendment will increase Fund 129, in the amount of $872,881, and Fund 001 by $22,000.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Increases and decreases in revenue must be approved by the Board per F.S.129.06 -Execution and amendment of budget.

Meeting Date: 05/07/2020
Issue: Supplemental Budget Amendment #121 - Law Enforcement Trust Funds
From: STEPHAN HALL, Budget Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Supplemental Budget Amendment #121, Sheriff's Department, Henrique Dias, Chief Finance Officer - Stephan Hall, Budget Manager, Management and Budget Services

That the Board adopt the Resolution approving Supplemental Budget Amendment #121, Law Enforcement Trust Fund (121), in the amount of $39,793, to recognize additional revenues from various law enforcement activities, and to appropriate these funds into the Sheriff's Law Enforcement Trust (LET) Fund Budget, pursuant to Florida Statute 932.7055, to pay vouchers submitted for payment to various outside agencies and related Law Enforcement activities for the remainder of the Fiscal Year 2019/2020.

BACKGROUND:

Per F.S. 932.7055, certain law enforcement activities generate a revenue stream that must be appropriated into the Law Enforcement Trust to be expended by the Sheriff. These funds support various law enforcement related activities in Escambia County.

The amount of $39,793 is the amount collected that has not been recognized for expenditure.

BUDGETARY IMPACT:

This Amendment will increase Fund 121 by $39,793.

Board of County Commissioners
Escambia County
Supplemental Budget Amendment Resolution

Resolution Number
R2020-

WHEREAS, the following revenues were unanticipated in the adopted budget for Escambia County and the Board of County Commissioners now desires to appropriate said funds within the County Budget.

WHEREAS, Escambia County has received a request from the Escambia County Sheriff Department to recognize Law Enforcement Trust Fund receipts, and to reimburse the Escambia County Sheriff Department for for Trust Fund expenditures approved at the April 2, 2020 Board meeting.
These funds must now be recognized and appropriated back into the Sheriff's Operating Budget.

NOW, THEREFORE, be it resolved by the Board of County Commissioners of Escambia County, Florida, that in accordance with Florida Statutes, Section 129.06 (2d), it does hereby appropriate in the following funds and accounts in the budget of the fiscal year ending September 30, 2020:

Law Enforcement Trust Fund	121
Fund Name	**Fund Number**

Fund Name	Account Name	Account Code	Amount
121 / Law Enforcement Trust Fund	Law Enforcement Trust Fund	359005	$38,714
121 / Law Enforcement Trust Fund	Interest Earnings	361001	$1,079
Total			**$39,793**

Fund Name	Cost Center Code/Title	Account Code/ Appropriations Title	Amount
121 / Law Enforcement Trust Fund	540103/ Law Enforcement Trust	58201 Aid to Private Organizations	$39,793
Total			**$39,793**

NOW THEREFORE, be it resolved by the Board of County Commissioners of Escambia County, Florida, that the foregoing Supplemental Budget Amendment be made effective upon adoption of this Resolution.

AI-17841 **County Administrator's Report 12. 29.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Tax Deed Application for Property Having County-Held Tax Certificates Set to Expire June 1, 2020
From: STEPHAN HALL, Budget Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Tax Deed Application for Property Having County-Held Tax Certificates Set to Expire June 1, 2020 - Stephan Hall, Budget Manager

That the Board approve the Application for Tax Deed List for 13 properties having County-held Tax Certificates set to expire on June 1, 2020 (See provided list). The Tax Deed Application fee is $742 per parcel. The County must deposit fees with the Tax Collector, in the amount of $275 per parcel, and with the Clerk of the Circuit Court, in the amount of $467 per parcel. The total cost for these Tax Deed Applications is $9,646. The parcels that are the subject of this Recommendation are provided as backup. None of the parcels are homesteaded.

Tax Certificates are sold annually, through an online Tax Certificate sale, for delinquent real estate taxes. If taxes remain unpaid, the Certificate holder may file a Tax Deed Application with the Tax Collector's Office two years after the date of delinquency. If not redeemed, the property may be sold at a public auction conducted by the Clerk of the Circuit Court. Florida Statute 197.502(3) provides that the County in which the property described in the Certificate is located shall apply for a tax deed on all County-held Certificates on property valued at $5,000 or more on the Property Appraiser's most recent assessment roll, and may apply for tax deeds on Certificates on property valued at less than $5,000 on the Property Appraiser's most recent assessment roll. There are three of the subject properties valued at $5,000 or above, and the remainder are valued below $5,000. The County has held a Tax Certificate on each of these parcels for almost seven years, and the Certificates are set to expire on June 1, 2020. This is the County's last chance to attempt to collect on these delinquent taxes.

[Funding Source: Fund 001, General Fund, Cost Center 110201]

BACKGROUND:

The County currently holds tax certificates on each property referenced in the provided list. Florida Statute 197.502(3) provides that the County in which the property described in the certificate is located shall apply for a tax deed on all County-held certificates on property valued at $5,000 or more on the Property Appraiser's most recent assessment roll, and may apply for tax deeds on certificates on property valued at less than $5,000 on the Property Appraiser's most recent assessment roll. The Tax Deed Application fees total $742 per parcel (Tax Collector: title search $200 and application fee $75; Clerk of the Circuit Court: Clerk/Auction Fee $130, Sheriff $120, Legal Advertisement $200, and Recording of Notice of Application/prep fees $17).

In addition to all other required notices, the property owners were mailed a first class notice by Management and Budget Services staff notifying them that the property could be subject to public auction if taxes/assessments are not paid.

BUDGETARY IMPACT:

The total cost for these tax deed Applications is $9,646. Funds are available in the General Fund (001), 110201.

LEGAL CONSIDERATIONS/SIGN-OFF:

This process is in compliance with Florida Statute 197.502(3).

PERSONNEL:

Management and Budget Services' staff will apply for the Tax Deed Applications and request checks payable to the Tax Collector and Clerk of the Circuit Court.

POLICY/REQUIREMENT FOR BOARD ACTION:

Florida Statute 197.502(3)

IMPLEMENTATION/COORDINATION:

Notification will be given and payment will be made to the Tax Collector's Office.

Meeting Date: 05/07/2020
Issue: Purchase of 10 Tri-Axle Dump Trucks
From: Wes Moreno, Director, Public Works
Organization: Public Works
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Purchase of Ten Tri-Axle Dump Trucks - Wes Moreno, Public Works Department Director

That the Board approve and authorize the County Administrator to sign a purchase order for the purchase of 10 Mack GR64F Dump Trucks equipped with 16'/21 yard Logan Elliptical tub style bodies from Gulf Coast Truck & Equipment, at a price of $158,316 each/$1,583,160 for 10.

BACKGROUND:

The Public Works Department has a fleet of 28, 2007 model Mack Dump Trucks. These trucks are high mileage and carry an average maintenance cost of $26,000 per truck. The purchase of these ten Mack GR64F trucks will allow for the surplus of ten of the most high maintenance trucks at a guaranteed price of $55,000 per truck. Escambia County Fleet will not incur any maintenance or repair cost for the first 36 months. Additionaly, the County is guaranteed 90% ($142,484.40) of the purchase price should the County decide to roll these trucks in the 13th month of ownership.

BUDGETARY IMPACT:

$1,583,160 from Fund 175, Transportation Trust Fund, Cost Center 56401

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

All work associated with this Recommendation was done in-house, no additional staff was required.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the Code of Ordinances of Escambia County, FL 1999 Chapter 46, Finance, Article II, Purchases and Contracts.

IMPLEMENTATION/COORDINATION:

The Office of Purchasing will issue the Purchase Order.

Mr. Jamie Higdon
Escambia County Board of County Commissioners
221 Palafox Place
Pensacola, Florida 32502

Re: Truck Rotation

Dear Mr. Higdon:

We want to thank you for allowing J.M. Wood Auction Company, Inc. the opportunity of submitting a proposal on the auction of your surplus equipment. Since 1973, J.M. Wood Auction Co. Inc. has conducted thousands of public auctions and sold billions of dollars of heavy machinery and trucks to buyers across the world. We believe our marketing methods along with our extensive global reach to buyers are necessary for you to achieve the true global market value of your assets.

- **Auction Location and Date:** The proposed auctions will be **June 9-11, 2020 and June 2021** at our state-of-the-art auction facility in Montgomery, Alabama.

- **Traditional Auction Marketing:** J.M. Wood Auction will promote and feature your equipment in our full color auction magazine. A personalized mailing list will be selected from our database of over 100,000 domestic and international buyers. We will select potential buyers to market to by targeting recent buying patterns, trending industries and regional activity. Your auction will be promoted in numerous industry specific trade magazines as well as in over (300) newspapers reaching a broad range of potential buyers.

- **Online Auction Marketing:** Our team will go to work immediately posting your inventory with multiple photos and inspections on JMWood.com. Our website is an essential tool in reaching thousands of buyers who visit our site daily. Your inventory will also be posted on numerous worldwide industry related sites in front of millions buyers searching for equipment for their operations in countries across the globe. Your equipment will also be featured in J.M. Wood Auction's award winning social media marketing campaign consisting of outlets such as Face book, Twitter, YouTube and more. J.M. Wood Auction has been recognized by both Facebook and Constant Contact as one of their annual top performing marketing companies.

- **Auction Delivery, Pre-Auction Services and Set Up:** We encourage you to schedule delivery of your equipment to the auction facility as soon as possible. This allows adequate time for pre- auction services such as detailed inspection reports, photography, video, clean-up and repairs. J.M. Wood Auction will provide the seller with a detailed report on any repairs and clean-up deemed necessary to make the equipment bring the maximum dollar. No

repairs will be made without prior consent from seller. J.M Wood Auction will coordinate an on-site detailed clean-up service on the equipment listed on the sellers (Exhibit "A"). J.M. Wood Auction will have representatives aggressively marketing your equipment and answering questions from prospective buyers prior to the auction.

- **Auction Day:** With over 40 years in the auction business, it is in our blood. We live for auction day and it is exciting! When you arrive at one of our world class drive through auction facilities you will find a team of professionals that know and love their job. A detailed auction catalog with lot numbers will be presented to all the pre-approved buyers on hand. The equipment will be paraded past the auction theatre full of attendees and broadcast live on the internet as well. We will furnish all personnel to conduct the auction, collect proceeds, and assist in load-out.

- **Online Auction Bidding:** JMWoodLive.com is our exclusive proprietary online bidding service. Since its inception we have registered tens of thousands of pre-approved national and international buyers. Multiple photos of the exterior, interior and components of every item will be posted for online buyers. In addition, we provide detailed inspection services on any equipment the prospective buyer may need.

- **Buyer Services:** Prior to the auction, J.M. Wood Auction provides the buyer with detailed inspection services, financing options and logistical estimates. After the auction, we will coordinate logistics as well as dismantle and containerize equipment headed to the port.

- **Post Auction and Payment Terms:** J.M. Wood Auction will furnish a computerized statement of each item sold. We will issue seller a check for full settlement within twelve (12) banking days after the date of auction.

- **Liens and Encumbrances:** Auctioneer acts as Sellers agent. Seller guarantees that he/she is the sole owner of items being sold and states that items are free of all mortgage's liens and encumbrances. Seller agrees to disclose all specific liens, blanket liens, mortgages, taxes, encumbrances or claims of any sort and states he is not connected to claim by Bankrupt Court or IRS. In the event such claim should exist Seller agrees to pay all legal expense incurred by Auctioneer to protect and defend clear title. Seller hereby authorizes J.M. Wood Auction Co., Inc. (hereby known as Auctioneer) at the absolute discretion of Auctioneer to carry out title searches in respect of the equipment at the expense of Seller, but in no case shall Auctioneer have a duty to conduct, nor be responsible for the results of any such title search.

- ***Proposal- Phase One: (Financial Guarantee on 2007 Mack Dumps)***

J.M. Wood Auction Company, Inc. gives Escambia County Board of County Commissioners a gross financial guarantee of **$550,000.00** for the equipment listed below (Exhibit "A"). A commission rate of **7% Absolute** will be charged to gross sales. The auction will be held in June 9-11, 2020. JM Wood Auction will deliver the trucks for The Escambia County Board of County Commissioners at our expense. Trucks must meet conditions of guarantee as listed below.

(Exhibit "A")
(10) 2007 Mack CTP713, Tri Axle, MP7 405M, 10 spd, 44K rears, 4.42 ratio, 16' Ox dump body

1M2AT04C97M006409
1M2AT04C57M003410
1M2AT04CX7M006418

CONDITIONS OF GUARANTEE

1. Vehicles must be in road-worthy condition, including engine (example; water in the oil or excessive blow-by not acceptable). Brakes must be at least 60%.
2. Body damage on cab or body is not accepted. Broken glass not accepted, any factory-installed equipment must be in working condition (radio, air conditioner, driving lights). All units must crank on the key.
3. Tires must have sound casing, average 60% remaining tread with original rubber (NO RECAPS) on the front tires. Recaps with sound casing and 60% remaining tread depth are acceptable on rear tires. Each Mack Truck must have matched tread on rear axles.
4. Trucks must be delivered with clear and acceptable titles at time of sell.
5. Dump Body and Flat Body all hoist working properly, no hydraulic leaks, PTO working properly, sidewalls and floors in saleable condition (no major bends, pits, or breaks).
6. Trucks must be delivered with on road fuel. No "OFF ROAD" fuel is acceptable and will require that we replace the fuel and fuel filters on the units in question.

❖ *Proposal- Phase Two: (Financial Guarantee on 2021 Mack Dumps)*

J.M. Wood Auction Company, Inc. gives The Escambia County Board of County Commissioners a gross financial guarantee of **90% of New Truck Cost** for the equipment listed below (Exhibit "B"). A commission rate of **7% Absolute** will be charged to gross sales. These trucks will have to sell in the June 2021 auction to receive this guarantee. JM Wood Auction will deliver the trucks for The Escambia County Board of County Commissioners at our expense. Please note: Escambia County Florida has the right to extend the rotation of these trucks subject to revaluation of guarantee.

Recommendation Statement

Gulf Coast Truck and Equipment has submitted a quote for $158,316.00 per 2021 Mack Tri-Axle Dump Truck with a hard body. We are looking to purchase ten units, for a total of $1,583,160.00, with a guarantee of a minimum return price of $55,000.00 per 2007 Mack Tri-Axle Dump Trucks, from our current fleet, at auction. After the first year, they are also guaranteeing a minimum of ninety percent of the original purchase price buyback, $142,484.40. Escambia County Fleet will not incur any maintenance or repair costs during this time. Maintenance and repairs will be provided by Gulf Coast Truck and Equipment.

On our current fleet of dump trucks we are averaging $26,400 per year per unit for maintenance and repair cost and anticipating increased costs due to major motor and transmission repairs, which we are starting to experience.

At Escambia County Fleet, we are constantly seeking ways to decrease costs, increase productivity and reduce downtime. We feel that this will be a step in the right direction.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17725 **County Administrator's Report 12. 31.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Reallocation of Capital Improvement Program Funds for Perdido Key Multi-Use Trail
From: Joy Jones, Director
Organization: Engineering
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Reallocation of Capital Improvement Program Funds for Perdido Key Multi-Use Trail - Joy Jones, P.E., Engineering Department Director

That the Board take the following action concerning the Reallocation of Capital Improvement Program Funds for Perdido Key Multi-Use Trail:

A. Approve the reallocation of project savings from the Perdido Key Pedestrian Crossings Project to fund the final engineering design phase of the west segment of Perdido Key Multi-Use Trail, in the amount of $28,383.99; and

B. Approve the issuance of a Purchase Order to American Consulting Professionals, LLC, on Contract PD 02-03.79, Professional Services, in the amount of $28,383.99, to complete the 100% (Final) Engineering Design Scope.

[Funding Source: Fund 353, Local Option Sales Tax (LOST) IV, Account 110102, Commission District 2 Discretionary Funds]

BACKGROUND:

Perdido Key Multi-Use Trail design is currently at 90% design for the two segments from the Alabama State Line to Gongora Drive as delivered from the Florida Department of Transportation (FDOT).

This west segment, approximately 2.45 miles, is programmed by FDOT for full construction funding to Escambia County, via a Local Agency Program (LAP) Grant, in the amount of $1.76 million, available after July 1, 2020. In order for Escambia County to receive this funding, the County must complete the final

engineering design. American Consulting Professionals, LLC, has prepared a negotiated scope and fee of $28,383.99, to bring the design of these plans to 100% completion, including utility coordination, environmental permitting, bidding, and project close-out certifications.

In March 2020, the Perdido Key Crosswalks Project (5 locations) was completed, under budget by approximately $87,280.00. Approval of this Recommendation will allow staff to reallocate the necessary funds from the Perdido Key Crosswalks Project to the Engineering Design Phase of the West Segment of the Perdido Key Multi-Use Trail Project.

BUDGETARY IMPACT:

Funding is available in Fund 353, Local Option Sales Tax (LOST) IV, Account 110102, Commission District 2 Discretionary Funds.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Prioritization of Capital Improvement Projects is at the discretion of the Board.

In addition, this Recommendation is in compliance with the provisions of the Code of Ordinances of Escambia County, Florida, Chapter 46, Finance, Article II, Purchases and Contracts. Per the guidance received at the October 3, 2019, Board meeting, all purchases over $25,000 must be approved by the Board.

IMPLEMENTATION/COORDINATION:

Upon Board approval of this request, a Budget Amendment will be forwarded to Office of the Management and Budget to reallocate the funds to Perdido Key Multi-Use Trail.

In addition, Engineering Department staff will work with the Purchasing Office staff to prepare a Purchase Order.

SCOPE OF WORK

March 27, 2020

Design Services for CR 292 from Alabama State Line to west entrance of Perdido Key State Park

INTRODUCTION

Escambia County (the County) has requested that American Consulting Professionals, LLC (American) provide engineering services to finalize design plans for the shared use path within the above project limits. The services will include design, utility coordination, permitting, preparation of construction plans and specifications and optional services for public involvement and amenities design.

The scope for this project is as follows:

INDEX OF TASKS

Task 100 Coordination Meetings

Task 200 Shared Use Path Design

Task 300 Utility Coordination

Task 400 Environmental Permitting

Task 500 Bid Tabulation and Cost Estimating

Task 600 Construction Services

Task 700 Post Design Services

TASK 100 COORDINATION OF MEETINGS

TASK 101 COUNTY STAFF PHASE SUBMITTAL PROGRESS MEETINGS

America will schedule and facilitate progress meetings with County Staff at each phase submittal (Final). At these meetings American will discuss the project, receive written comments from County personnel, respond to comments received, and incorporate changes to the construction plans and specifications resulting from such comments.

TASK 102 PROGRESS MEETINGS

American will participate in two (2) monthly progress meetings with the County to discuss the current status of the project. Meeting minutes will be recorded for each meeting and electronic copies of these will be forwarded to the County.

Task 200 Shared Use Path Design

American will provide the engineering services required to finalize the shared use path horizontal and vertical geometry, and ensure the plans are updated to the most recent FDOT Standard Plans requirements. The following is a list of items to be completed:

- Update plans to most recent FDOT Standard Plans requirements
- Coordination efforts with ALDOT on proposed improvements and status update
- Field review to confirm survey data matches current field conditions. Adjust topo as needed for changes based on field measurements (no additional survey)
- Adjust plans, if needed, to accommodate lighted cross walks currently under design by Escambia County
- Bring essential design files up to Escambia County requirements (AutoCadd)
- Update pay items to Escambia County pay items
- Update cost estimate for Escambia County cost/items
- Notification letters to property owners with amenities within the County's right of way that will be impacted by construction
- Prepare specification package

Task 300 Utility Coordination

American will invite utility owners affected by the proposed design/construction to attend and participate in one (1) plan-in-hand walk-through meeting with the utility owners to discuss the updated final plans and the necessary utility relocation/adjustment efforts and time lines. Additional follow-up discussions with each utility owner via phone, email, etc. will be coordinated and documented. An updated utility conflict matrix with resolution for each conflict will be finalized.

Task 400 Environmental Permitting

American will provide the necessary documentation required to acquire an exemption letter from the Northwest Florida Water Management District (NWFWMD) to construct the shared use path improvements associated with this project.

Permit Application Fee

NWFWMD permit exemption fee is $100.

Permitting Timeframes

The NWFWMD permit exemption process may take 30 days from date of complete application.

Task 500 Bid Tabulation and Cost Estimating

American will prepare a Bid Tabulation that contains the following information:

- Pay item number
- Description of pay item
- Quantity and unit of measure
- Blank line for Contract Unit Price/Unit Price Extension

Task 600 Construction Services

During construction, American will be available to address questions from the Contractor/CEI/Escambia County personnel. This may include field meetings as necessary to facilitate adjustments and address questions.

Task 700 Post Design Services

American will provide final as built plans based on information received from the CEI.

DELIVERABLES

Documents

Roadway Design Documentation
Cost Estimate
Roadway Construction Plans
Bid Tabulation
Specifications Package

American will provide two (2) plan submittals:

One (1) 100% and one (1) "Released for Construction" submittal:

100% Submittal

Plans: Three (3) hard copies & 1 PDF copy of 11" x 17" drawings

- 100% Roadway Plans

Documents: One (1) Hard Copy and One (1) PDF Copy

- 100% Roadway Design Documentation
- 100% Cost Estimate
- Preliminary Specifications Package
- Preliminary Bid Tabulation

Final Submittal/"Release for Construction"

Plans: Three (3) hard copies & 1 PDF copy of 11" x 17" drawings

- Final Signed & Sealed Roadway Plans

In addition, One (1) CD containing essential drawing files in AutoCADD DWG Format.

Documents: One (1) Hard Copy and One (1) PDF Copy

- Roadway Design Documentation
- Cost Estimate (Excel)
- Specifications Package (Word)
- Bid Tabulation (Excel/Word)

Meetings

As described in scope.

Schedule

American plans to complete Tasks 100 thru 700 – 240 calendar days from notice to proceed. A schedule will be determined at the time of authorization.

ESTIMATE OF WORK EFFORT AND COST - PRIME CONSULTANT

Name of Project: SR 292 (Perdido Key Drive) from the Alabama Line to the W. Entrance of Perdido Key State Park

Task Order / F.S. 286.011 Public Meetings And Records (Sunshine Law)
Checklist

The followin g checklist is intended to provide a method to assure compliance with Florida Statute 286.011, Public Meetings and Records, known as the "Sunshine Laws".

☑ Construction Based Task Order – Estimated Value $ 35,000.00

☐ Study Based Task Order – Estimated Value $ _____

Contract Number _____

- Committee members

  James Duncan _____

  Christine Fanchi _____

  John Rosenau _____

- Firms reviewed (please list all firms that were reviewed for possible consideration)

  Thompson _____

  American _____

  Baskerville _____

  _____

(Include additional pages, if required)

- Ranking of final three firms
  1. American
  2. Thompson
  3. Baskerville
- Motion made by: John Rosenau
- Motion seconded by: James Duncan
- Vote:
  - Unanimous
  - _____
  - _____
- Rank/Decision date

  3/25/2020

Task Order / F.S. 286.011 Public Meetings And Records (Sunshine Law)
Checklist

- Rational for number one firm
  - Familiar with the project and the completed 90% design for FDOT by the firm.

- Negotiation Meeting(s) with number one ranked firm (please be aware that these meeting shall be publicly noticed in the building in which they are bei ng held two business days in advance of their occurrence)

Date	Time	Location
3/26/2020	9:00	COC Rm 205 + teleconference
4/2/2020	12:30	COC Rm 205

(Include additional pages, if required)

- Date and time the information liste d above was e-mailed to the Office of Purchasing for posting to the purcha sing web site and the official po sting board (as above, this information shall be provided to the Office of Purchasing in sufficient time to pro vide for a two business day posting prior to the meeting)

Name

- Meeting taped and minutes prepared by

- Minutes, tapes, backup material, etc. shall be provided to the Office of Purchasing with the task order before it can be approved and issued.

Prepared By

I do hereby certify that the information provided is true and correct.

Abbreviated A&E Selection Checklist

Project Name: Perdido key Drive Multi-Use Path West

Project ENG#: _____ Project Manager: John Rosenau

- The assigned PM and/or project owner shall draft an informal scope for committee members: Assistant County Engineer, Senior Manager, and the assigned Project Coordinator from Engineering and/or Traffic. Committee shall consist of a minimum of three members.
  Date: 3/23/2020

- The County Engineer or designee shall choose 3 A/E's from the A/E Consultant Selection List (H:\ENG\WPDOCS\CMProjectMilestones\A&E List by FY.xls) while considering knowledge of the project, past performance, qualifications, equity of work, etc.
  Date: 3/25/2020

- The Committee shall rank the 3 A/E's selected (1, 2, & 3) and justify the selection of the #1 A/E.
  Date: 3/25/2020

- Once selection is approved, the PC shall inform the selected A/E and request a formal scope (set up scope discussion meeting if needed). Robin shall be informed of the selection so she can update the Consultant Selection List.
  Date: 3/25/2020

- Once formal scope is acceptable, PM shall request a fee proposal.
  Date: 3/25/2020

- Schedule a Negotiation meeting.
  Date: 3/26/2020

- The Committee shall negotiate the fee with the selected A/E.
  Date: 3/31/2020

- Once the price is agreed upon, the PM shall submit appropriate paperwork to Accounting for issuance of a Purchase Order.
  Date: _____

County Engineer (Joy Jones)
Deputy Division Manager (James Duncan)
Senior Stormwater Manager (Chris Curb)

*This process should take 10 to 14 working days.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17777 **County Administrator's Report 12. 32.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Transportation BUILD Grant Applications
From: Joy Jones, Director
Organization: Engineering
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the US Department of Transportation - Better Utilizing Investments to Leverage Development Grant Applications for Escambia County, Florida - Joy Jones, P.E, Engineering Department Director

That the Board take the following action regarding the proposed US Department of Transportation - Better Utilizing Investments to Leverage Development (BUILD) Grant Applications:

A. Approve three projects from the seven projects listed below (one from each category), for submittal to US Department of Transportation BUILD Grant program (a maximum of three projects can be submitted). Based on staff's interpretation of application criteria and local need, the highest-ranking project for each are shown in **Bold**.

URBAN

1. **Kingsfield Road Extension** (District 5) - Project Cost $13,000,000, 20% local share, $2,600,000 is available in Fund 352, LOST III, Cost Center 210107, Project #11EN1405

2. Jackson Street Complete Streets Improvements (Districts 2 & 3): Project Cost $6,040,000, 20% local share, $1,208,000 is available in Fund 353, LOST IV, Cost Center and Project Number TBD

3. Pensacola Beach Traffic and Parking (District 4), Project Cost $8,000,000, 20% local share, $1,600,000 is available in Fund 353, LOST IV, Cost Center 210106, Project #18EN0224

4. Longleaf Drive Multi-Modal Improvements (District 1): Project Cost $16,300,000, 20% local share, $3,260,000 is available in Fund 352, LOST III, Cost Center 210107, Project #08EN0078

RURAL

5. **Quintette Road Bridges Rehabilitation** - (District 5) Project Cost $6,700,000. There is no local match required.

PLANNING

6. **Transportation Implementation Plan** (All Districts), Project Cost $650,000, 20% local share is $130,000, funding source TBD; and
7. County Road (CR) 4 Commercial Corridor Plan (District 5) - Project Cost $500,000, no local match required

B. Authorize staff to prepare and submit three BUILD Grant Applications;

C. Authorize the Chairman or Vice Chairman to sign the BUILD Grant Applications, the Resolution, and any subsequent documents needed for proper submission once the Applications are completed, subject to legal review and sign off; and

D. Authorize staff to request letters of support for the three selected projects (subject to County Administrator approval).

BACKGROUND:

The US Department of Transportation - Better Utilizing Investments to Leverage Development (BUILD) program enables the US Department of Transportation to use a rigorous, merit-based process to select projects with exceptional benefits, explore ways to deliver projects faster and save on construction costs, and make needed investments in our nation's infrastructure. Selection criteria include safety, economic competitiveness, environmental sustainability, and quality of life. BUILD Grants can provide project funding that ranges between $5 million and $25 million per project. The Fiscal Year (FY) 2020 funding level for the BUILD Grant is $1 billion, with not more than $100 million being granted to any one state.

Engineering staff selected projects based on need, financial commitment, and economic and safety benefits to the County and the region. The proposed Grants would allow for the planning and/or design/construction of needed infrastructure to responsibly develop County facilities to better serve our citizens. Staff will prepare Applications and will receive the appropriate signatures prior to submittal. The deadline for submittal is May 18, 2020.

BUDGETARY IMPACT:

For projects 1, 2, 3, 4, and 6, a local funding match of 20% is required. The estimated funding match is as follows:

1. Kingsfield Road Extension (District 5) - Project Cost $13,000,000, 20% local share, $2,600,000 is available in Fund 352, LOST III, Cost Center 210107, Project #11EN1405

2. Jackson Street Complete Streets Improvements (Districts 2 & 3), Project Cost $6,040,000, 20% local share, $1,208,000 is available in Fund 353, LOST IV, Cost Center and Project Number TBD

3. Pensacola Beach Traffic and Parking (District 4), Project Cost $8,000,000, 20% local share, $1,600,000 is available in Fund 353, LOST IV, Cost Center 210106, Project #18EN0224

4. Longleaf Drive Multi-Modal Improvements (District 1) Project Cost $16,300,000, 20% local share, $3,260,000 is available in Fund 352, LOST III, Cost Center 210107, Project #08EN0078

5. Quintette Road Bridges Rehabilitation - (District 5) Project Cost $6,700,000. There is no local match required.

6. Transportation Implementation Plan (All Districts), Project Cost $650,000, 20% local share is $130,000, funding source TBD; and

7. County Road (CR) 4 Commercial Corridor Plan (District 5) - Project Cost $500,000, no local match required

LEGAL CONSIDERATIONS/SIGN-OFF:

Kristin Hual, Senior Assistant County Attorney, reviewed the Draft Resolution as to form and legal sufficiency. Once the Board selects the three projects, the project names will be inserted into the Resolution and signed off by Legal.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Board policy Section 11.A requires Board approval of grants.

IMPLEMENTATION/COORDINATION:

Upon Board approval and appropriate signatures on the BUILD project Applications, Engineering Department staff will transmit the Grant Applications to US Department of Transportation through Grants.gov. This will be done prior to the submittal deadline date of May 18, 2020.

RESOLUTION R2020-_____

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA SUPPORTING AN APPLICATION FOR BETTER UTILIZING INVESTMENTS TO LEVERAGE DEVELOPMENT (BUILD) GRANT FUNDING FROM THE U.S. DEPARTMENT OF TRANSPORTATION; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners of Escambia County, Florida desires to promote and encourage transportation projects; and

WHEREAS, Escambia County is attempting to provide transportation infrastructure needed to sustain economic development; and

WHEREAS, the citizens of Escambia County have expressed a desire for safer transportation facilities while providing additional capacity throughout the County; and

WHEREAS, Better Utilizing Investments to Leverage Development (BUILD) funds are now available from the U.S. Department of Transportation for transportation infrastructure projects throughout the United States; and

WHEREAS, the following three (3) County projects are hereby submitted for BUILD funding:_____Add the name of the three projects here_____ hereinafter referred to collectively as "Projects"); and

WHEREAS, Escambia County has the requisite authority to apply for BUILD grant funding from the U.S. Department of Transportation.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, AS FOLLOWS:

Section 1. That the above stated recitals are true and correct and incorporated herein by reference.

Section 2. That the Projects have been endorsed by Escambia County as serving an unmet vital transportation need for the public health, safety, and welfare of the citizens of Escambia County.

Section 3. That the Board of County Commissioners, in furtherance of such purpose, supports filing applications seeking BUILD grant funding for County Projects from the U.S. Department of Transportation.

Section 4. That this Resolution will take effect immediately upon adoption by the Board of County Commissioners.

ADOPTED this ____ of _____, 2020

BUILD Grant 2020

Candidate Projects Discussion and Selection

Board of County Commissioners

May 7, 2020*

* Moved to this Board Meeting when April 9, 2020 Committee of Whole Meeting was cancelled

Three Categories of Submissions

- Urban - $500,000,000 (20% Local Fund Match)
- Rural - $500,000,000 (0% Local Fund Match)
- Planning – At least $15,000,000 (from either Urban or Rural)

Limited to 3 submittals total per agency

Due May 18, 2020

- Urban Candidates
  1. Kingsfield Road Extension (D5): Hwy 97 to Beulah Road
  2. Jackson Street Complete Streets Improvements (D2 & D3): Fairfield Drive to S Street
  3. Pensacola Beach Traffic and Parking (D4)
  4. Longleaf Drive Multi-Modal Improvements (D1): Hwy 297 to Kemp Road
- Rural Candidate
  5. Quintette Road Bridges Rehabilitation (D5): Bridge lengths – 3,063 LF and 792 LF
- Planning Candidates
  6. Transportation Implementation Plan (D1,D2,D3,D4,& D5): Countywide
  7. CR 4 Commercial Corridor Plan (D5): CR 99 to US 29

BUILD 2020 Selection Criteria:

- Safety
- Economic Competitiveness
- Environmental Sustainability
- Quality of Life
- Innovation
- Partnership & Support
- Long-term benefit
- Project Readiness
- Cost/Benefit
- Significant Local/Regional Impact

1. Kingsfield Road Extension: Highway 97 to Beulah Road

Project Cost: *$13,000,000*

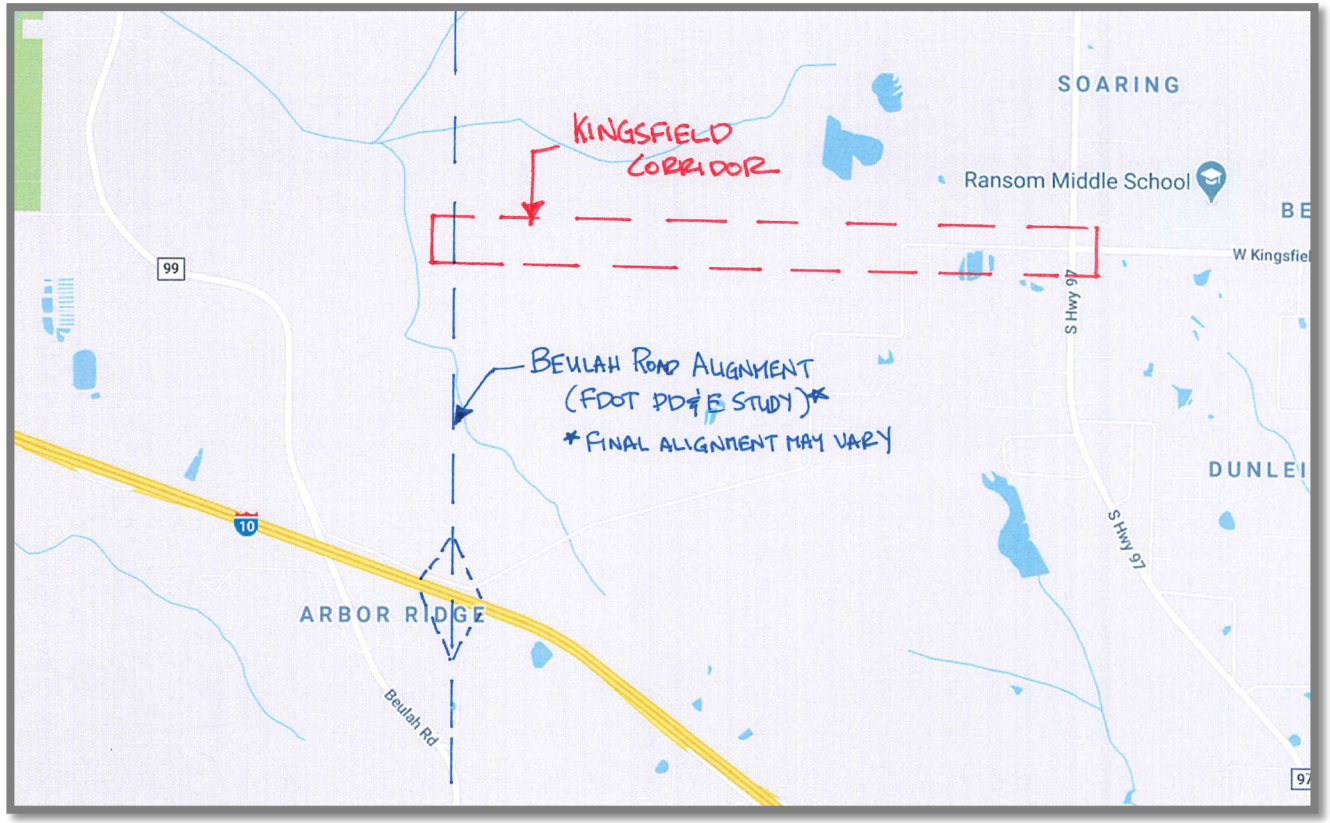
BUILD Grant *$10,400,000 (80%)*

County Match *$2,600,000 (20%)*

Design and construct 2.8 miles of Kingsfield Road west of CR97 within Midwest Optional Sector Plan. Critical link to I-10 and CR97 for regional economic vitality.

Considerations:

- *Rights-of-Ways not acquired, but could be part of grant project*
- *Strong marks: Safety, Long-Term Benefit*



D5

2. Jackson Street Complete Streets Improvements, Fairfield Dr to 'S' St

Project Cost: *$6,040,000*

BUILD Grant *$4,832,000 (80%)*

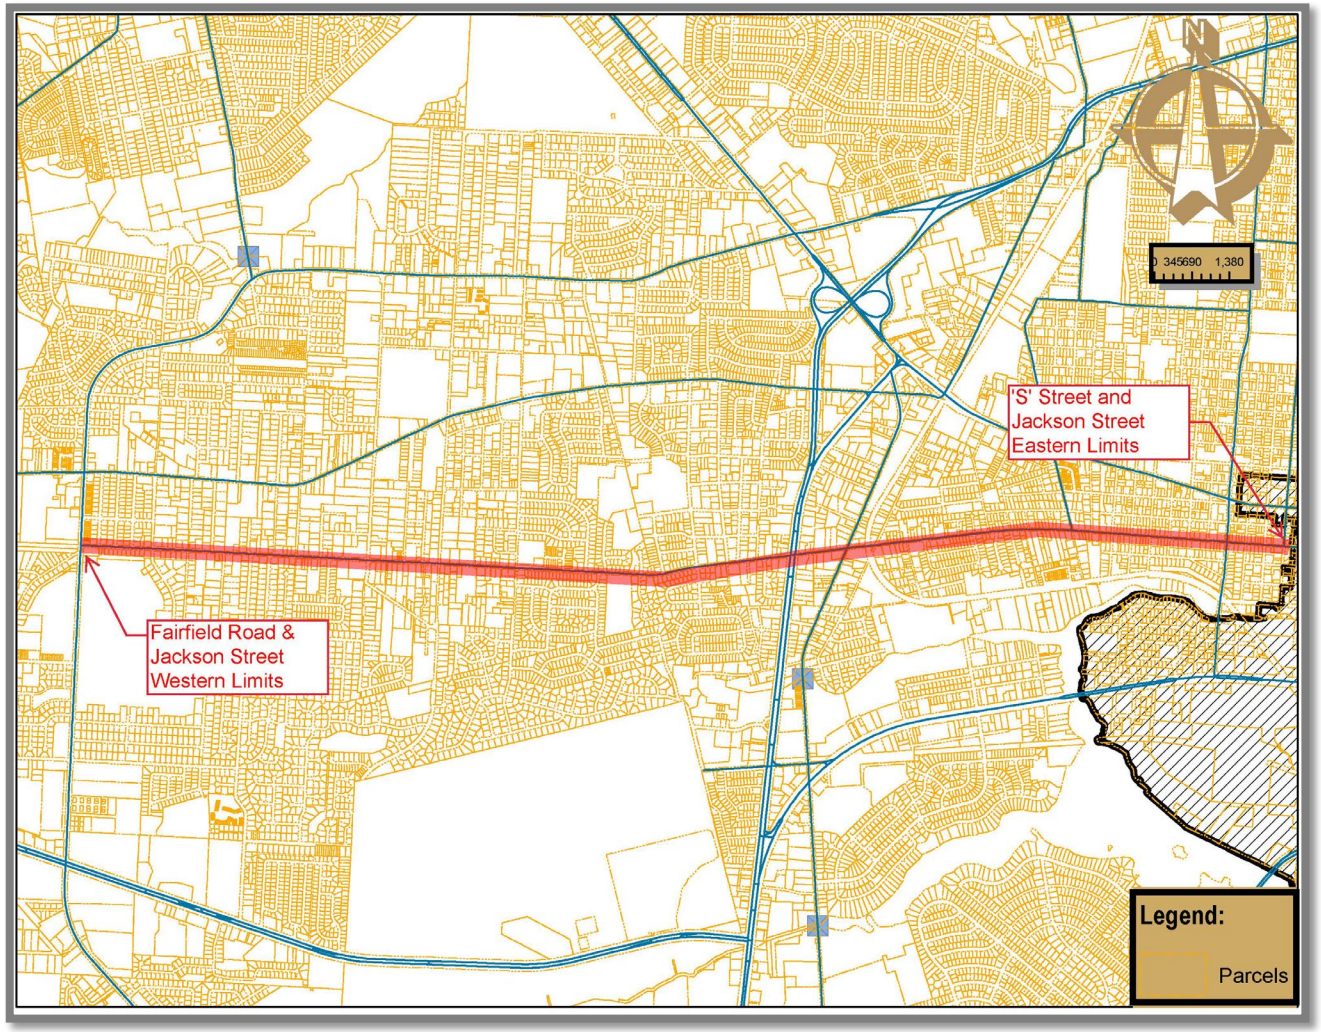
County Match *$1,208,000 (20%)*

Complete Streets improvements to include sidewalks, street lighting, pavement, striping, crosswalks, and drainage. Goal to improve pedestrian access/safety, improve connections to transit, and beautification of corridor.

Considerations:

- *Partnership with City of Pensacola*
- *Strong for Safety, Quality of Life, Innovation, Partnerships, & Local Impacts*

D2/D3



3. Pensacola Beach Traffic & Parking Improvements

Project Cost: *$8,000,000*

BUILD Grant *$6,400,000 (80%)*

County Match *$1,600,000 (20%)*

Multi-level parking garage and improved intersection access to improve accessibility of our beach.

<u>Considerations:</u>

- *Recommendation of Pensacola Beach Congestion Management Study*
- *Strong marks for Partnership & Support, Long Term Benefit*

D4

4. Longleaf Dr Multi-Modal Improvements: Pine Forest Rd to Kemp Rd

Project Cost: *$16,300,000*

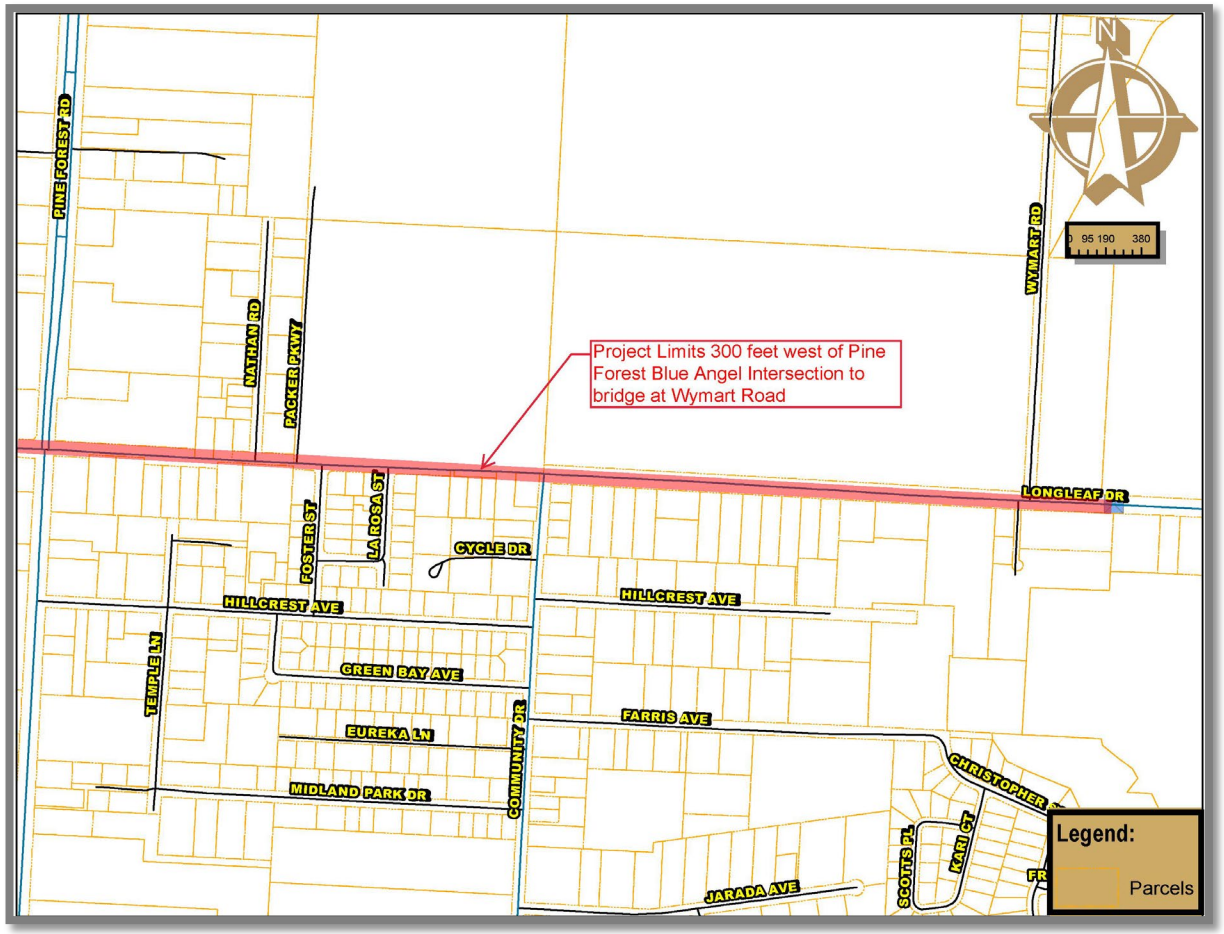
BUILD Grant *$13,040,000 (80%)*

County Match *$3,2600,000 (20%)*

Major need to improve safety, connectivity, and walkability to this 3.3-mile corridor to include new pavement/lanes, sidewalks, curb/gutter, and bridge replacement.

Considerations:

- *Current funding available for match*
- *60% Design Plans/Well established scope*
- *Strong Marks for Safety, Quality of Life, Long-Term Benefit, Significant Local Benefits*



D1

5. Quintette Road Bridges Rehabilitation

Project Cost: *$6,700,000*

BUILD Grant *$6,700,000*

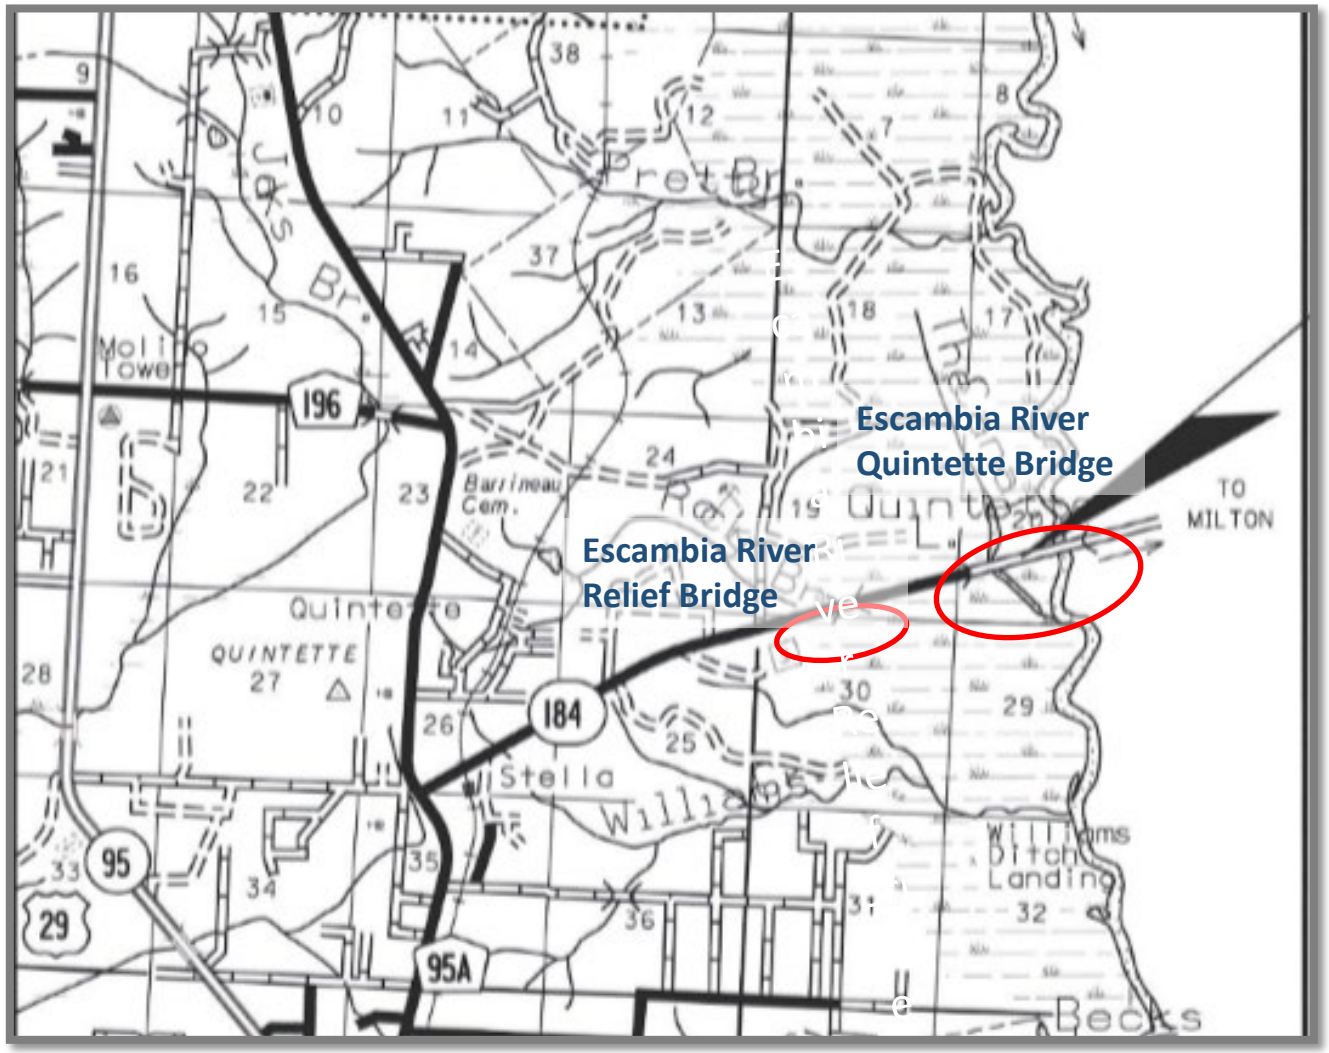
County Match *$0*

Both bridges, 3,063 LF and 792 LF, built in 1957 are at the end of useful life and need rehabilitation to extend for 20 years. This bridge serves as evacuation route and reliver for I-10 and US90 bridges.

Considerations:

- *Full funding available from Grant for major need*
- *Strong marks for Safety, Long-Term Benefit, Project Readiness*

D5



6. Transportation Master Plan

Project Cost: *$650,000*

BUILD Grant *$520,000 (80%)*

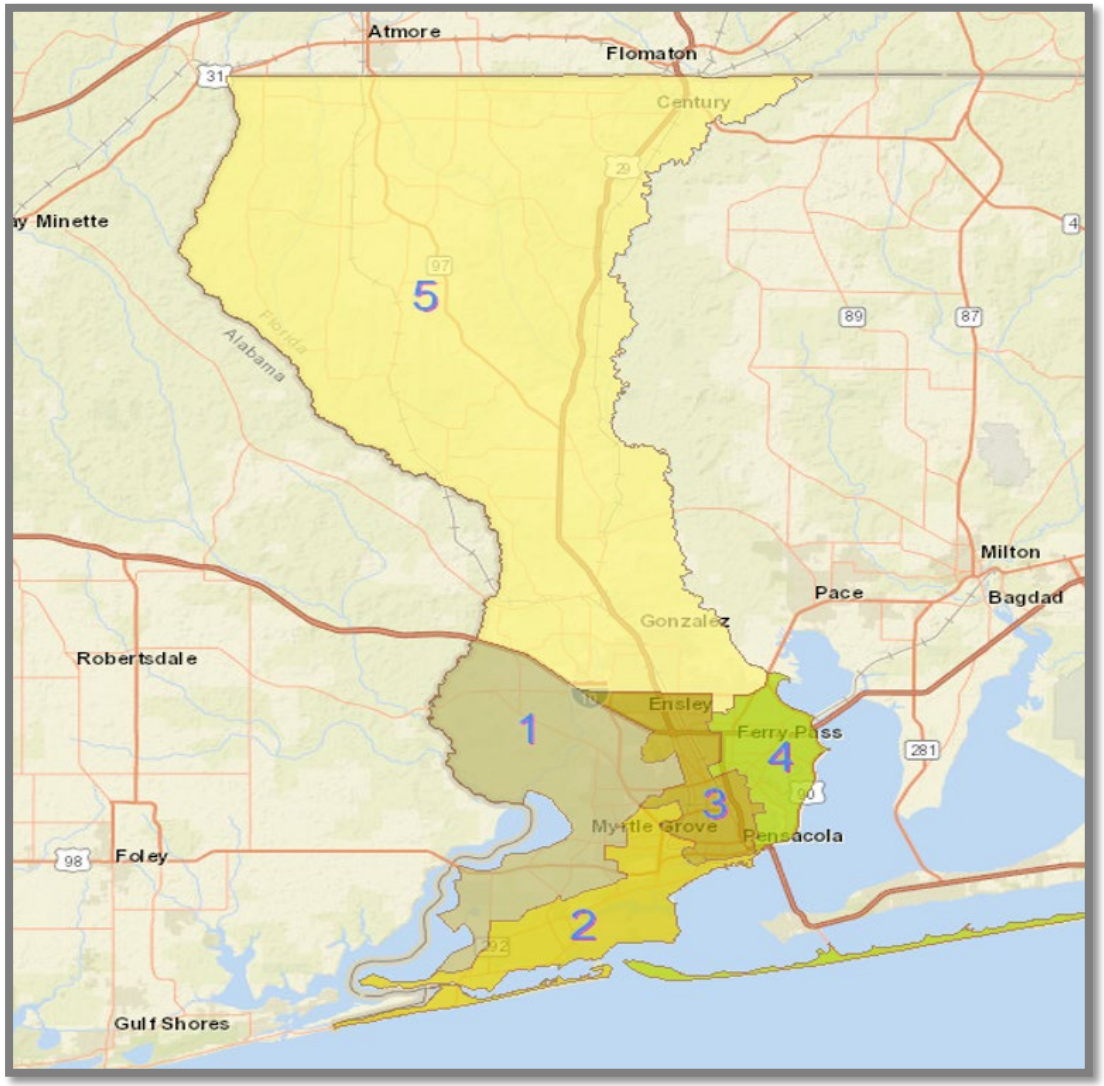
County Match *$130,000 (20%)*

This is a Countywide Implementation Master Plan that will provide us with a project specific guide for upgrading the County's transportation infrastructure. Existing area master plans would be integrated.

Considerations:

- *County match could be split between 5 Districts*
- *Strong marks: Safety, Quality of Life, Long Term Benefit, Significant Local/Regional Impact*

D1, D2, D3, D4 & D5



7. CR 4 Commercial Corridor Plan

Project Cost: *$500,000*

BUILD Grant *$500,000*

County Match *$0*

Create a specific pre-engineering plan to address the needs of CR4 between CR 99 to US 29/SR 95. This corridor has 13.4 miles of roadway including 3 structurally deficient bridges which need evaluation of the best solutions and engineering/construction costs.

Considerations:

- *Rural context requires zero match funding*
- *Strong marks: Safety*

D5

- Urban Candidates
  1. **Kingsfield Road Extension (D5): Hwy 97 to Beulah Road**
  2. Jackson Street Complete Street Improvements (D2 & D3): Fairfield Drive to S Street
  3. Pensacola Beach Traffic and Parking (D4)
  4. Longleaf Drive Multi-Modal Improvements (D1): Hwy 297 to Kemp Road
- Rural Candidate
  5. **Quintette Road Bridges Rehabilitation (D5): Bridges Lengths 3,063 LF and 792 LF**
- Planning Candidates*
  6. **Transportation Implementation Plan (D1, D2, D3, D4,& D5): Countywide**
  7. CR 4 Commercial Corridor Plan (D5): CR99 to US29

  *Planning candidate submittals do not require cost/benefit analysis

Requesting BCC provide 3 preferred projects to staff for submittal to meet 5.18.20 deadline.

Following selection, staff will submit grant applications to include cost/benefit analysis, support letters, and the Board's resolution of support.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17817 **County Administrator's Report 12. 33.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Change Order to Rebol Battle & Associates on Contract PD 02-03.79 CR 97 and CR 297A Intersection and Drainage Improvement Project
From: Joy Jones, Director
Organization: Engineering
CAO Approval:

RECOMMENDATION:

Recommendation Concerning a Change Order to Rebol Battle & Associates on Contract PD 02-03.79, for Design Services for County Road 97 and County Road 297A Intersection and Drainage Improvement Project - Joy Jones, P.E., Engineering Department Director

That the Board approve and authorize the County Administrator to execute the following Change Order to Rebol Battle & Associates, in the amount of $59,215.00, on Contract PD 02-03.79, Design Services for County Road (CR) 97 and County Road (CR) 297A Intersection and Drainage Improvement Project:

Department:	Engineering
Division:	Construction Management
Type:	Addition
Amount:	$59,215.00
Vendor:	Rebol Battle & Associates
Project Name:	CR 97 and CR 297A Intersection and Drainage Improvement Project
Contract:	PD 02-03.79
PO#:	181417
CO#:	1
Original Contract Amount:	$49,977.90
Cumulative Amount of Change Orders Through this CO:	$59,215.00

New Contract Amount:	$109,192.90

[Funding Source: Local Option Sales Tax (LOST) III, Fund 352, Cost Center 210107, Object Code 56301, Project 14EN3135]

This project is located in Commission District 5.

BACKGROUND:

A Task Order was issued to Rebol Battle & Associates on August 17, 2018, to provide professional engineering and surveying services to develop final construction plans for the County Road (CR) 97 and County Road (CR) 297A Intersection and Drainage Improvement Project. It is the intent of the County to realign CR 97 with CR 297A, and the project will include adding a southbound acceleration/merge lane on CR 297A, between CR 97 and Ashbury Lane, realignment of CR 297A to accept the changes, and design of drainage improvements for the west side of CR 297A through the CR 97 intersection.

During a Town Hall meeting in late 2019, citizens expressed their desire for the installation of a traffic signal. The Transportation Division requested a signal warrant analysis from HSA Consulting Group, LLC (HSA), which resulted in the requested Change Order to incorporate a signal at the intersection of CR 97/CR 297A.

The Change Order totals $59,215.00. The design for the intersection of CR 297A and CR 97 modified to include a traffic signal, right and left turn lanes from CR 97 to CR 297A, and a right turn lane from CR 297A to CR 97. The planned drainage improvements for the west side of CR 297A through the CR 97 intersection will still be included.

BUDGETARY IMPACT:

Funds for this project are available in LOST III, Fund 352, Cost Center 210107, Object Code 56301, Project 14EN3135.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

The Recommendation is in compliance with the provisions of the Code of Ordinances of Escambia County, Florida, Chapter 46, Finance, Article II, Purchases and Contracts. Per the guidance received at the October 3, 2019 Board meeting, all purchases over $25,000 must be approved by the Board.

IMPLEMENTATION/COORDINATION:

Upon Board approval of this Recommendation, a Change Order will be transmitted to the Office of Purchasing for processing.

Change Order 1

Purchase Order 181417

REBOL-BATTLE & ASSOCIATES
Civil Engineers and Surveyors

Project Understanding / Approach / Scope Clarification

ESCAMBIA COUNTY – Engineering Department
CR97 and CR297A Intersection & Drainage Improvement Project
Revised: 4/23/2020

Rebol-Battle & Associates (RBA) proposes to provide engineering and surveying services for the CR97 and CR297A Intersection & Drainage Improvement Project.

The scope below will clarify the changes needed to the original scope of work for the additional intersection improvements desired. The current design plans will be modified to eliminate the CR297A widening and CR97 acceleration lane. The intersection of CR297A and CR97 will be modified to include a traffic signal, right and left turn lanes from CR97 to CR297A, a right turn lane onto CR97 from 297A, and pedestrian crossings. The planned drainage improvements for the west side of CR297A through the CR97 intersection will still be included.

Task 1 – Data Collection
Minor additional services are needed to initiate the signal and intersection layout.

Task 2 – Surveying
No change necessary.

Task 3 – 30% Design
No change necessary. New 30% plans will not be generated.

Task 4 – Utility Coordination – 30% Design
No change necessary.

Task 5 – 60% Design
The original design stopped during this task. Additional funds are needed to change the original design to the new intersection configuration. Once the configuration is updated, the 60% plans will be completed as originally tasked.

Task 6 – Utility Coordination – 60% Design
Additional funds are needed to coordinate impacts from the signal pole foundations.

Task 7 - Permitting
No change necessary.

Task 8 – 90% Design
No change necessary.

Task 9 – Utility Coordination – 90% Design
Additional funds are needed to coordinate impacts from the signal pole foundations.

Task 10 – 100% Design
No changes necessary.

Task 11 – Bidding Services
No changes necessary.

Task 12 – Traffic Signal Design
RBA will include traffic and pedestrian signal design services by HSA (see supplemental scope).

Task 13 – Subsurface Utility Locations
Subsurface utility locations are needed at traffic and pedestrian signal locations. Services will be provided by ISS (see supplemental scope).

HSA CONSULTING GROUP

April 23, 2020

PROPOSAL TO PROVIDE PROFESSIONAL SERVICES
Rebol-Battle & Associates, LLC

HSA Consulting Group, Inc. proposes to develop the Traffic Signal Design Plans at the CR 297A / CR 97 intersection. The signal design plans will be prepared in accordance with FDOT standards. The signal design plans include the design of the traffic signal, signal head phasing, signal timings, controller requirements, guide sign generation for mast arms, pedestrian signal head countdown with push button features and pedestrian crossing signs (R10-31 or equivalent), conduit design, signal cable design, video detection and/or detector loop design, CCTV placement (if required), signal priority and preemption system design, clear zone evaluation and review of utility plans and cross sections (furnished by prime consultant) for placement of traffic signal features. Overhead utilities will also be reviewed on-site and in the topographic DGN file. Lighting will consist of luminaires attached to the mast arm supports. With exception to the mast arm guide signs, no other signing and pavement markings or roadway design components will be generated. The signal design will be developed using MicroStation Open Roads Designer via FDOT SS4 CADD Software (version 01.08.01) to ensure FDOT CADD compliance. HSA does not provide the structural calculations required for the Mast Arm Assemblies Data Table, or provide geotechnical services. These will be subcontracted to Genesis/Halff and NOVA Engineering and Environmental for the amounts listed below.

Plan Sheets to be produced by HSA Consulting Group:

- Key Sheet (1-sheet)
- Tabulation of Quantities Sheet showing all pay items (1-sheet)
- General Notes Sheet- Includes standard FDOT/County signalization notes, basic MOT standards per FDOT Standards, special details, utility/agency owners list (obtained from prime contractor), and traffic signal legend (2-sheets)
- Signalization Plan Sheet (example provided- Guide Signs shown on sheet) (1-sheet)
- Mast Arm Tabulations (1-sheet)

Additional Sheets required for signalization include:

- Mast Arm Assemblies Data Table (Structural Calculations), $3000 – by Genesis/Halff Associates
- Geotechnical Boring Plan/ Report of Core Borings, $4,000 – by NOVA Engineering and Environmental

The fee for the HSA traffic signal design tasks is tabulated on the Attached Spreadsheet, and totals $33,896.63. This amount includes the subcontracted services. No fiber optic/copper pair interconnect plans are included in this scope. Standard comments and responses to and from Escambia County agencies are included within this fee. Timeframe for completion of this task will be dependent on the geotechnical analysis (core borings) and structural calculations. HSA Consulting Group will submit a draft plan set within 20- days of notice to proceed.

HSA staff is available on an hourly basis to assist with permitting of signal plans, and support in any discussions or coordination efforts that may be requested by County, or other public/private entities. This task is to cover any efforts beyond the initial scope of work. Fee for this task will negotiated on a case-by- case basis.

BOARD OF COUNTY COMMISSIONERS
ESCAMBIA COUNTY, FLORIDA

TASK ORDER - PD 02-03.79.48.18.ENG

TO PROVIDE ENGINEERING/SURVEYING SERVICES FOR THE COUNTY ROAD (CR) 97 AND COUNTY ROAD (CR) 297A INTERSECTION AND DRAINAGE IMPROVEMENT PROJECT

1.0 Authorization

This task order is issued in compliance with the provision of the Code of Ordinances of Escambia County, Florida, 1999, Chapter 46, Finance, Article II Purchases and Contracts, Office of Purchasing Policy and Procedures PP-101, Consultant Task Orders and the terms and conditions of PD 02-03-79, Professional Services" as Defined in Florida Statute 287.055, (2) DEFINITIONS, (g) "Continuing Contract."

2.0 Scope

Under this Task Order, the Engineer (Rebol-Battle & Associates) will provide the Escambia County Public Works Department, Engineering Division with engineering/surveying services, geotechnical services, and permitting to develop final construction plans for the County Road (CR) 97 and County Road (CR) 2978A Intersection and Drainage Improvement Project. See Attached Scope of Services dated July 2, 2018.

3.0 Schedule

This Task Order shall be completed within 730 calendar days from the issuance of the Notice to Proceed.

4.0 Compensation

This Task Order is issued lump sum amount of $49,977.90. Invoices shall be submitted for monthly progress payments subject to the terms and conditions of PD 02-03.79.

5.0 Progress Meetings

The Engineer shall schedule periodic progress review meetings with the County project manager as necessary but every 30 days as a minimum to discuss study progress and alternatives.

This section to be completed by Project Managers:

DESCRIPTION OF REQUEST

This is an RFF for RBA to design the CR 97 and 297A Intersection Improvements. Design services will include realigning the CR 97 and CR 297A intersection and to add an acceleration lane along southbound CR 297A to accommodate the CR 97 traffic. In addition, drainage improvements for the west side of CR 297A through the CR 97 intersection will be included. RBA was selected through the Abbreviated A&E Selection. The cost of design services will be ~~$49,944.00.~~ In $49,977.90. In order for the designer to be under contract throughout the construction phase of the project, expected completion date will be August 31, 2020. See attached for additional information.

County Engineer's Comments			

*We want to create a project called "Highway 97 Intersection Improvements". With this project, an engineering firm will evaluate and design plans for the existing Hwy 97 @ CR 297-A intersection for realignment and drainage improvements. Construction will be bid as a package with Devine Farms Road. Design is estimated at 180 days.

Revised 06-27-16

Design Services For
CR 97 and CR 297-A Intersection and Drainage Improvements

Purpose

The Engineering Division of Escambia County Public Works Bureau requests construction plans be developed for intersection improvements at CR 297-A and CR 97 in Cantonment, Florida. A&E services shall provide construction plans, permitting, public involvement, bid documents, bid assistance, and limited project construction oversight for the project.

Scope

It is the intent of the county to realign CR 97 with CR 297-A. This shall include adding a southbound acceleration/merge lane on CR 297-A, between CR 97 and Ashbury Lane, realign CR 297-A to accept the changes, and design drainage improvements for the west side of CR 297-A, through the CR 97 intersection. The length of the project is approximately 1/8 mile. The A/E will be responsible for acquiring the certified Boundary and/or Topographic Survey that meets the current Minimum Technical Standards as defined by the applicable Florida Statutes.

Description of Work Activities

The consultants and/or its sub-consultants may perform the following activities in completing the construction plans:

Task 1: Data collection & review, Plan preparation, and Permitting:

- Attend public meetings with residents to receive input from the residents regarding drainage and paving issues.
- Meet with Public Works Bureau staff for input or maintenance and historical complaints.
- Provide Geotechnical Reports on Soil Data
- Coordinate with County Surveyor and staff for the collection of surveying data for project.
- Provide 30%, 60%, 90%, and final plans for each project phase for review by County.
- Provide for all required regulatory permitting, including permit fee allowances.
- Plans should be reproducible to 40 scale 11"x17" and 20 scale 24" X 36" sheets size plans.
- Utility Coordination and Plans-in-hand walk through with Utility companies at all phase submittals.
- Submit cost estimates via pricing agreement (preliminary at 60%, final draft at 90%, Final Pricing Agreement or Bid Tab Sheet at 100%).

Task 2: Bidding Estimates:

- Prepare all bid documents through bidding process.
- Attend pre-bid meeting with Engineering and Purchasing Departments.
- Respond to all Request for Information and issue any necessary addendums.
- Tabulate bids or pricing agreement totals.

Task 3: Construction Administration & Inspections (Limited Allowance Based upon actual time):

- Consultant will attend a Preconstruction Conference.
- Consultant will prepare as-built certification based upon contractor mark-ups & post construction meetings and inspections.
- Consultant will be available on an as-needed basis during construction to address issues with design or any unforeseen construction issues. and as needed to monitor construction and prepare as-built drawings. The County will inspect all construction Improvements. All limited inspections services provided by the consultant shall be established as an allowance.

Scope of Work for Survey Services

1. Surveying services necessary for the design of the project shall include, but not limited to, the following:

   a) Three certified copies of the Topographical Survey that meets the current Florida Minimum Technical Standards as set forth by the Board of Professional Surveyors and Mappers.

   b) Minimum of two Benchmarks referenced to NAVD88 Datum. Maximum distance between Benchmarks shall not exceed 1000 feet.

   c) Cross-section data intervals shall not exceed 100 feet. Where possible, topographical data shall exceed the right-of-way width by a minimum of 5 feet to ensure complete DTM coverage of right-of-way.

   d) Road rights-of-way and parcel lines depicted on topographical survey shall be based on field located property corners, where such corners exist.

   e) Electronic files submitted shall be based on State Plane Coordinates, NAD83 (2011), and North Florida Zone.

   Note: If a discrepancy exist between the requirements above and the current Florida minimum Technical Standards, the more stringent standard will apply.

A&E Selection Procedure for Projects less than $50,000*

- A project is formed due to a request for maintenance, drainage, resurfacing, pedestrian improvements, etc.
- A PC is assigned to the project.
- The assigned PC and/or Project Owner shall draft an informal scope for committee, consisting of at least three members. The committee will typically consist of a Assistant County Engineer, a Senior Manager, the PC, and/or the Project Owner.
- The PC shall provide a copy of the latest version of the A/E Consultant Selection List, Abbreviated Checklist, Abbreviated A/E Form, and any other related documentation This package shall be routed through their supervisor for short listing consideration.
- The County Engineer and the Assistant County Administrator shall choose 3 A/E's for short listing from the A/E Consultant Selection List (H:\ENG\FileSystem\Finance\A&E List by FY_*DATE*.xls) while considering knowledge of the project, past performance, qualifications, equity of work, etc.
- The short list is returned to the PC to schedule the committee meeting for ranking and selection.
- The Committee shall rank the 3 A/E's selected (1, 2, & 3) and justify the selection of the #1 A/E.
- The PC shall inform the selected A/E and request a formal scope (set up scope discussion meeting if needed). Accounting shall be copied on the selection checklist for an A/E Consultant Selection List update.
- Once formal scope is accepted, PC shall request a fee proposal. **Note: The scope may be discussed outside a formal meeting, but all discussions involving the fee shall be in a formal committee meeting.**
- The PC shall schedule a negotiation meeting with the selected consultant and committee members.
- The Committee shall negotiate the fee with the selected A/E.
- Once the price is agreed upon, the PC shall submit an RFF to Accounting for appropriate signatures and ultimately issuance of a PO. If no agreement, committee moves to negotiate with the second firm.
- Once the PO is received, the PC can issue a NTP for design.

Committee members:
Assistant County Engineers (Joy Jones or Colby Brown)
Senior Manager (James Duncan, Chris Curb, or David Forte)
Project Coordinator (Engineering or Traffic)
Project Owner (CRA, Parks, Road Dept., etc., if applicable)

*This process should take 10 to 14 working days.

Revised: 05/12/16

Abbreviated A&E Selection Checklist

Project Name: Highway 97 Intersection Improvements Project

Project ENG#: ENG1429 Project Manager: Elizabeth Bush

- The assigned PM and/or project owner shall draft an informal scope for committee members: Assistant County Engineer, Senior Manager, and the assigned Project Coordinator from Engineering and/or Traffic. Committee shall consist of a minimum of three members.
  Date: 12-18-17

- The County Engineer and the Assistant County Administrator, or designee shall choose 3 A/E's from the A/E Consultant Selection List (H:\ENG\FileSystem\Finance\A&E List by FY_*DATE*.xls) while considering knowledge of the project, past performance, qualifications, equity of work, etc.
  Date: 12/19/17

- The Committee shall rank the 3 A/E's selected (1, 2, & 3) and justify the selection of the #1 A/E.
  Date: 01/09/18

- Once selection is approved, the PC shall inform the selected A/E and request a formal scope (set up scope discussion meeting if needed). Robin shall be informed of the selection so she can update the Consultant Selection List.
  Date:_____

- Once formal scope is acceptable, PM shall request a fee proposal.
  Date:_____

- Schedule a Negotiation meeting.
  Date:_____

- The Committee shall negotiate the fee with the selected A/E.
  Date:_____

- Once the price is agreed upon, the PM shall submit appropriate paperwork to Accounting for issuance of a Purchase Order.
  Date:_____

PUBLIC NOTICE
Selection/Negotiation Committee Meeting

DESCRIPTION:	CR 97 and CR 297A Intersection Improvements
DATE/TIME:	June 27, 2018, 2:00 PM
PLACE:	Engineering Conference Room 207 3363 West Park Place Pensacola, FL 32505 (850) 595-3434
PURPOSE:	Negotiate A&E Contract with Rebol-Battle and Associates
PROJECT MANAGER:	Elizabeth Bush
COMMITTEE MEMBERS:	Elizabeth Bush, James Duncan, Chris Curb

REBOL-BATTLE & ASSOCIATES
Civil Engineers and Surveyors

Project Understanding / Approach / Scope Clarification

ESCAMBIA COUNTY – Engineering Department
CR97 and CR297A Intersection & Drainage Improvement Project
Revised: 7/2/2018

Rebol-Battle & Associates (RBA) proposes to provide engineering/surveying services, geotechnical services, and permitting to develop final construction plans for the CR97 and CR297A Intersection & Drainage Improvement Project.

This document will serve as clarification to the abbreviated scope of work provided. CR297A will be realigned between Ashbury Lane and CR97 to accommodate a southbound acceleration lane into CR297A. In addition, drainage improvements for the west side of CR297A through the CR97 intersection will be included.

Task 1 – Data Collection
Data collection includes a detailed review and compilation of existing background data and documents available for the site which will be used in the design. RBA will obtain available existing construction plans/calculations, surveys, and deeds along CR297A and CR97. Field investigations will be made to confirm physical constraints and meet with sub consultants. Universal Engineering will perform the geotechnical investigations in this task.

Task 2 – Surveying
The Surveying task will include topographic, horizontal and vertical control through the project area. RBA will survey at a minimum the entire right of way width and 5' beyond the right of way along the project area. Existing survey data will be used where reasonable.

Specifically, the survey task includes:

- Topographic survey (signed and sealed)
- Establish horizontal and vertical control
- Benchmark establishment
- Wetland flag location along route (if required)
- Utility locations (sunshine one call)
- Geotechnical bore locations
- Generate 1 legal sketch for right of way acquisition on NW corner of CR97/CR297A

The surveying services will be performed in accordance with Chapter 61G17-6, Florida Administrative Code and based on State Plane Coordinates, NAD 83/90, North Florida Zone.

Task 3 – 30% Design
At the completion of data collection and field surveying services, 30% preliminary plans will be developed for the project. The submittal will be consistent with the "Summary of Phase Submittals for Escambia County" document. They will include preliminary key sheet, general notes, drainage map, typical section, misc. details, project layout, roadway plan/profile, cross sections, and

SWPPP. Prior to submittal, an internal 30% QA/QC will be performed by an engineer not associated with the design of the project.

Task 4 – Utility Coordination
Upon completion of the 30% design, we will coordinate the project with the utility providers. At 30% design, this phase this will include verification of the utilities found in the SUE investigation (by others), adding any other utilities not found, and obtaining general feedback of the design in its preliminary state.

Task 5 – 60% Design
This task includes addressing any comments received by Escambia County during the 30% review process. This task will provide the progression of 30% design to 60% design. Upon completion of this task, 60% design plans will be provided that are consistent with the "Summary of Phase Submittals for Escambia County" document. They will include preliminary key sheet, general notes, summary of quantities, drainage map, typical section, misc. details, completed project layout, roadway plan/profile, drainage structures, pavement markings and signage, cross sections, and SWPPP. A 60% cost estimate will also be provided. Prior to submittal, an internal 60% QA/QC will be performed by an engineer not associated with the design of the project.

Task 6 – Utility Coordination
Upon completion of the 60% design, we will coordinate all utility adjustments or relocations needed with the utility providers.

Task 7 - Permitting
It is expected that the drainage system through the CR97 intersection will be upsized with this project. The NWFWMD will only exempt County projects where pipes or culverts are replaced with a pipe or culvert having an equivalent hydraulic capacity. It is anticipated that a 62-330.447 General Permit will be required for this project. Permit fees are included.

Task 8 – 90% Design
Once 60% utility coordination has been completed and NWFWMD permitting is underway, the 90% design plans will be completed. This task will provide the progression of 60% design to 90% design. This task includes addressing any comments received by Escambia County during the 60% review process. Upon completion of this task, 90% design plans consistent with the "Summary of Phase Submittals for Escambia County" document will be provided. They will include complete key sheet, general notes, summary of quantities, drainage map, typical section, misc. details, project layout, roadway plan/profile, drainage structures, pavement markings and signage, cross sections, and SWPPP. A 90% cost estimate will also be provided. Prior to submittal, an internal 90% QA/QC will be performed by an engineer not associated with the design of the project.

Task 9 – Utility Coordination
Upon completion of the 90% design, we will coordinate the design with all previously received utility markups and the adjustments shown.

Task 10 – 100% Design

Once all permitting is completed, the 100% design plans will be completed. This task will provide the progression of 90% design to 100% design. This task includes addressing any comments received by Escambia County during the 90% review process. Upon completion of this task, 100% design plans consistent with the "Summary of Phase Submittals for Escambia County" document will be provided. They will include final key sheet, general notes, summary of quantities, drainage map, typical section, misc. details, project layout, roadway plan/profile, drainage structures, pavement markings and signage, cross sections, and SWPPP. A 100% cost estimate will also be provided. Prior to submittal, an internal 100% QA/QC will be performed by an engineer not associated with the design of the project.

In addition to 100% construction plans, bid documents including the bid tabulation and technical specifications will be provided should this project exceed the pricing agreement thresholds. These documents will then be subject to a CDR review by Escambia County. This task includes revisions as necessary to produce final plans ready for procurement based upon the CDR.

Task 11 – Bidding Services

RBA will attend the pre-bid meeting, answer RFI's contractors may submit during bidding, provide any addendum documentation, attend the bid opening, and provide a certified bid tabulation of all bids received.

Task 12 – Optional Services

The following services may be necessary through design and construction of the project. Neither RBA or its sub-consultants will proceed with any of these items unless a NTP is obtained from Escambia County.

- Construction Inspection - This task includes any construction administration and observations that may be required or requested by County staff. Items included include are attendance at the pre-construction meeting, response to contractors RFI, shop drawing review, substantial completion inspection, final completion inspection, permit certifications, as-built drawings based upon contractor's markups.

Re: NOTICE TO PROCEED – Task Order PD# 02-03.79.48.18.ENG; PO# 181417
Engineering and Surveying Services for Highway 97 Intersection Improvements Project

Dear Jeremy:

In accordance with the contract and associated work order/contract documents, you are hereby authorized effective, November 19, 2018, to proceed with the work for Highway 97 Intersection Improvements Project. The project shall be completed in 540 calendar days, setting the contract completion date for May 12, 2020. This time includes 240 days for design, 90 days for procurement, 180 days for construction, and 30 days for close-out.

I will be the contact for the Engineering Division of Public Works. If you have any questions, please contact me at 850-554-3063.

Sincerely,

Elizabeth Bush
Construction Manager

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17639 **County Administrator's Report 12. 34.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Change Order Number 4 to Purchase Order 201017 to SPX Genfare
From: TONYA ELLIS, Director, Mass Transit
Organization: Mass Transit
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Change Order #4 to SPX Genfare for the Mass Transit Department's Fare Box Repairs - Tonya Ellis, Mass Transit Department Director

That the Board approve and authorize the County Administrator to execute Change Order #4 to SPX Genfare, adding funds for the repair and maintenance of fare boxes.

Department:	Mass Transit
Division:	Maintenance
Type:	Addition
Amount:	$16,000
Vendor:	SPX Genfare
Project Name:	N/A
Contract:	Proprietary Parts
Purchase Order #:	201017
Original Award Amount:	$4,000
Change Order # 1	$4,000
Change Order # 2	$4,000
Change Order # 3	$7,000
Change Order # 4 (this request)	$16,000
Total:	$35,000

Due to the age of the fare boxes used on the Fixed Route the repair cost is increasing. Repairs are essential to fare and ridership information collection.

[Funding: Funds are available in Fund 104, Mass Transit, Cost Center 320407, Fleet Maintenance]

BACKGROUND:

Upon review of the Purchase Order, it has been determined that an additional $16,000 is needed for the repair and maintenance of fare boxes used to collect fares and record vital ridership statistics. Due to the age of the fare boxes, the repairs and maintenance have increased.

BUDGETARY IMPACT:

Funds are available in Fund 104, Mass Transit, Cost Center 320407, Fleet Maintenance.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with he provisions of the Code or Ordinances of Escambia County, Florida, Chapter 46, Finance, Article II, Purchase and Contracts.

IMPLEMENTATION/COORDINATION:

Upon approval of this Recommendation, a Change Order will be transmitted to the Office of Purchasing for processing.

ECONOMIC DEVELOPMENT INCENTIVE FUND PROGRAM AGREEMENT

THIS AGREEMENT ("Agreement") is made and entered into this 10th day of December, 2015, by and between Escambia County, a political subdivision of the State of Florida, with administrative offices at 221 Palafox Place Pensacola, Florida 32502 (hereafter referred as "COUNTY"), and Navy Federal Credit Union, a federally chartered credit union, authorized to do business and doing business in the State of Florida, with a local office at 5550 Heritage Oaks Drive, Pensacola, Florida, (hereafter referred to as "COMPANY").

WITNESSETH:

WHEREAS, the COUNTY by adoption of Ordinance No. 2009-13 has the power to provide economic incentives to induce private business enterprises to locate and/or expand in Escambia County; and

WHEREAS, the COUNTY is authorized by Article VIII, Section 1(f) of the Florida Constitution, §125.01(1)(w), Florida Statutes, and §125.045 (2) and (3), Florida Statutes, to enter into Economic Development Incentive Fund Program Agreements to cooperatively utilize public funds to achieve the County's economic development goals; and

WHEREAS, the COUNTY has indicated a willingness and desire to maintain a stable economy by retaining, attracting and providing favorable conditions for the growth of qualified business enterprises with above average salaries; and

WHEREAS, it has been determined that COMPANY currently meets the qualification criteria established in Ordinance No. 2009-13 and qualifies for economic development incentives; and

WHEREAS, it will be mutually beneficial to both parties for the COUNTY to offer economic development incentive funds to COMPANY to further the County's economic development goals.

NOW, THEREFORE, upon review for compliance with the County's Economic Development Incentive Fund Ordinance and the Economic Development Incentive Fund Application submitted by COMPANY, the parties represent and agree as follows:

1. RECITALS. The above recitals are hereby incorporated into this Agreement.

2. TERM. Except as otherwise provided herein, the term ("Term") of this Agreement shall commence upon the Effective Date, as provided in Section 18 below, and continue without interruption through three (3) years after the Project Completion Date (as defined below). Unless COMPANY elects to extend the Agreement for an additional one year period, as provided in Section 19 below, the "Project Completion

Date" shall be December 31, 2026. Notwithstanding anything to the contrary contained herein, COMPANY's recordkeeping obligations pursuant to this Agreement shall survive and continue for a period of three (3) years after the earlier of: (i) the Project Completion Date, or (ii) the termination of this Agreement.

3. PROJECT DESCRIPTION. The COUNTY shall award COMPANY an economic development incentive grant subject to compliance with the Award Conditions and corresponding duties set forth herein in order to provide project funding for job creation and capital improvements for the expansion of COMPANY's Heritage Oaks Campus located at 5550 Heritage Oaks Drive in Escambia County (the "Project"). COMPANY represents, agrees and warrants that incentive grant funds shall only be used for site development, infrastructure improvements, facility construction costs, or other expenditures directly related to the Project or reimbursement for expenses related thereto.

4. INCENTIVE GRANT. Subject to COMPANY's compliance with the respective year's Award Conditions (as set forth in Section 5 below), COUNTY agrees to pay COMPANY, on or before sixty (60) days after COMPANY provides the annual certification and documentation set forth in Section 6 below, an annual incentive grant (each an "Annual Grant") in the amount of $1,000.00 for each Additional Project Job created during the previous year (and/or created in any earlier period during the Term but not previously included in any prior year's Annual Grant payment), as calculated and determined pursuant to Section 6(c) below. Except as otherwise provided in this Section 4, and/or in Section 8 below, each Annual Grant payment shall be up to a maximum of $500,000.00 per year ("Annual Limit"). Notwithstanding anything to the contrary contained herein, if the amount of the Annual Grant(s) in any year(s) is less than the Annual Limit (for example, due to creation of less than 500 Additional Project Jobs during the prior year(s), or for any other reason), the amount of any subsequent Annual Grant(s) may exceed the Annual Limit to the extent of the prior year(s)' shortfall. However, in no event shall the "Total Incentive Grant" (defined herein as the sum of all the Annual Grants pursuant to this Agreement) exceed the sum of $5,000,000.00.

5. AWARD CONDITIONS. The "Award Conditions" for payment of the applicable Annual Grant shall be as follows:

(a) ADDITIONAL PROJECT JOB CREATION. The parties acknowledge and agree that for purposes of this Agreement, COMPANY's baseline number is 4,144 full-time employees ("Baseline Jobs").

On or before the Project Completion Date, COMPANY agrees to create up to 5,000 additional full-time jobs in Escambia County, Florida (the "Additional Project Jobs"), resulting in COMPANY's combined Baseline Jobs and Additional Project Jobs (the "Total Project Jobs") of 9,144 in Escambia County, Florida, having an overall average annual gross salary of $49,675.00 (including bonuses, overtime, annual leave, sick leave, and any other similar payments, but excluding

non-cashable employee benefits). Although not binding, COMPANY anticipates the following annual Additional Project Job creation schedule:

1) On or before December 31, 2017, 500 Additional Project Jobs for a cumulative total of 4,644 Total Project Jobs;

2) On or before December 31, 2018, another 500 Additional Project Jobs for a cumulative total of 5,144 Total Project Jobs;

3) On or before December 31, 2019, another 500 Additional Project Jobs for a cumulative total of 5,644 Total Project Jobs;

4) On or before December 31, 2020, another 500 Additional Project Jobs for a cumulative total of 6,144 Total Project Jobs;

5) On or before December 31, 2021, another 500 Additional Project Jobs for a cumulative total of 6,644 Total Project Jobs;

6) On or before December 31, 2022, another 500 Additional Project Jobs for a cumulative total of 7,144 Total Project Jobs;

7) On or before December 31, 2023, another 500 Additional Project Jobs for a cumulative total of 7,644 Total Project Jobs;

8) On or before December 31, 2024, another 500 Additional Project Jobs for a cumulative total of 8,144 Total Project Jobs;

9) On or before December 31, 2025, another 500 Additional Project Jobs for a cumulative total of 8,644 Total Project Jobs;

10) On or before December 31, 2026, another 500 Additional Project Jobs for a cumulative total of 9,144 Total Project Jobs.

The parties acknowledge and agree that, notwithstanding anything to the contrary that may be contained herein, the Additional Project Job creation schedule set forth above shall be regarded as flexible and shall not be regarded as a pre-condition or requirement for payment of any respective Annual Grant. The parties acknowledge and agree that COMPANY shall be eligible for Annual Grant payments in the amounts set forth in Section 4 even if COMPANY creates less than the full 500 Additional Project Jobs and/or the respective cumulative Total Project Jobs set forth above. Further, subject to the provisions of Section 7(d), COMPANY agrees to maintain each Additional Project Job for a period of three (3) years after the creation of the respective Additional Project Job. The parties acknowledge and agree that if COMPANY creates all of the Additional Project Jobs ahead of schedule, COMPANY may request, and COUNTY may

consider, immediately waiving the 3-year maintenance requirement for the Additional Project Jobs.

(b) CAPITAL IMPROVEMENTS EXPENDITURES.

COMPANY agrees to invest in private capital improvements ("Capital Improvements") for design, construction, and equipment at the Project (the "Capital Improvement Expenditures") in Escambia County, Florida. Said Capital Improvement Expenditures shall be made in accordance with the following schedule:

$167,230,000.00

1) On or before December 31, 2015, at least $3,075,000 in Capital Improvement Expenditures;

2) On or before December 31, 2016, a cumulative total of at least $48,075,000 in Capital Improvement Expenditures;

3) On or before December 31, 2017, a cumulative total of at least $116,075,000 in Capital Improvement Expenditures;

4) On or before December 31, 2018, a cumulative total of at least $190,775,000 in Capital Improvement Expenditures;

5) On or before December 31, 2019, a cumulative total of at least $196,975,000 in Capital Improvement Expenditures;

6) On or before December 31, 2020, a cumulative total of at least $272,065,000 in Capital Improvement Expenditures;

7) On or before December 31, 2021, a cumulative total of at least $378,490,000 in Capital Improvement Expenditures.

COMPANY shall maintain ownership and control of the Capital Improvements described above for a period of no less than three (3) years after the completion of the Capital Improvement Expenditure(s) for the Project on or before December 31, 2021 (or as otherwise provided by Section 19 below). The parties acknowledge and agree that if COMPANY completes the Capital Improvement Expenditures for the Project ahead of schedule, COMPANY may request, and COUNTY shall consider, waiving the 3-year ownership and control maintenance requirement.

6. DUTIES OF COMPANY.

(a) COMPANY shall undertake the Project and meet the Capital Improvements Expenditures set forth in Section 5(b) above.

(b) On an annual basis, on or before February 1st of each year during the Term of this Agreement, COMPANY will submit requests for the respective Annual Grant payments along with Supporting Documentation (defined below) to: (i) certify compliance with the Award Conditions, and (ii) certify the number of Additional Project Jobs.

(c) The number of Additional Project Jobs created during the year shall be determined exclusively by COMPANY providing COUNTY with a copy of COMPANY's quarterly unemployment reports filed with the State of Florida for the applicable time periods (the "Quarterly Unemployment Reports"). The Additional Project Jobs created for each year during the Term shall be determined based on the difference between the number of jobs listed on the applicable year's Quarterly Unemployment Reports and the prior year's Quarterly Unemployment Reports. Notwithstanding anything contained herein to the contrary, in no event shall COMPANY ever be required to provide specific employee-identifiable data, including without limitation, any employees' names, employee numbers, social security numbers, individual salary data, and/or job titles.

(d) Company's annual Capital Improvement Expenditure amount shall be documented exclusively via an electronic spreadsheet provided by COMPANY listing the Capital Improvement item, vendor, invoice number, date ordered/invoiced, the price, date paid, and check number or other unique identifier of the method of payment (the "Spreadsheet"). (The Quarterly Unemployment Reports and the Spreadsheet shall be referred to collectively as the "Supporting Documentation").

(e) At all times during the Term of this Agreement, COMPANY shall maintain its corporate existence and remain duly qualified to transact business in the State of Florida.

(f) At all times during the Term of this Agreement, COMPANY shall remain in substantial compliance with all applicable laws, rules and regulations, including without limitation, all applicable environmental laws, rules and regulations.

(g) As provided in Section 2, COMPANY shall retain records sufficient to demonstrate compliance with the terms of this Agreement for a period of three (3) years after the termination or expiration of this Agreement.

7. TERMINATION AND SANCTIONS.

(a) Upon COMPANY's failure to comply with any material term or condition contained in Section 6 above (Duties of Company), COUNTY shall notify COMPANY in writing of COMPANY's default, and COMPANY shall have thirty (30) days after receipt of such written notice, to cure any default. If COMPANY fails to cure such default on or before the expiration of the 30-day period, COUNTY may, in COUNTY's discretion, terminate this Agreement.

(b) Upon COUNTY's failure to comply with any material term or condition of this Agreement, COMPANY shall notify COUNTY in writing of COUNTY's default, and COUNTY shall have thirty (30) days after receipt of such written notice, to cure the default. If COUNTY fails to cure such default on or before the expiration of the 30-day period, COMPANY may, in COMPANY's discretion, terminate this Agreement.

(c) Any termination by COUNTY will result in loss of eligibility for receipt of any unpaid future Annual Grant payments pursuant to the Agreement.

(d) If COMPANY fails to maintain an Additional Project Job for three (3) years after the creation of the respective Additional Project Job, and such Additional Project Job was previously included as part of an Annual Grant payment, COMPANY may be required by COUNTY, in COUNTY's reasonable discretion, to repay a pro rata portion of the applicable Annual Grant previously paid by COUNTY, together with interest thereon at a rate per annum as set forth below. Any such repayment shall be calculated as the pro rata portion (based upon the unfulfilled portion of the 3-year maintenance period) of the applicable Annual Grant for any such Additional Project Job COMPANY failed to maintain for the full three (3) year period and which was previously included in an Annual Grant paid by COUNTY.

(e) The interest rate on any portion of the Annual Grant that may be required to be repaid by COMPANY shall be a fixed annual rate equal to 500 basis points over the "Prime Rate" as reported in *The Wall Street Journal* on the Effective Date and shall be calculated on the basis of actual days elapsed between the date on which COUNTY demands partial repayment of an Annual Grant and the repayment date based on a 365 day year.

(f) The cumulative amount that may be required to be repaid pursuant to this Agreement shall not exceed the value of the Total Incentive Grant paid to COMPANY plus interest thereon.

(g) If COUNTY demands repayment of an Annual Grant, or any portion thereof, repayment, together with interest thereon, shall be paid to COUNTY within one hundred twenty (120) days of COMPANY receiving written notice from the COUNTY.

8. ANNUAL APPROPRIATION. COUNTY's performance and obligation to pay under this Agreement is contingent upon an annual appropriation of funds by the Board of County Commissioners and failure to appropriate said funds will not constitute a breach of this Agreement. Notwithstanding anything to the contrary contained herein, any failure to appropriate said funds in any year(s) during the Term shall not operate as a reduction or forfeiture in the amount of the Total Incentive Grant, and COMPANY shall remain entitled to recover such funds.

9. INDEMNIFICATION. COMPANY shall indemnify, defend and hold harmless COUNTY, including its elected officials, Board members, agents and employees from and against all claims, suits, actions, damages, losses, and expenses,

including but not limited to, attorney's fees and costs, arising out of or resulting from COMPANY's breach of this Agreement.

10. PUBLIC RECORDS. The parties acknowledge that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. In the event any party fails to abide by the provisions of Chapter 119, Florida Statutes, the other party may, without prejudice to any right or remedy and after giving that party, seven (7) days written notice, during which period the party fails to allow access to such documents, terminate this Agreement.

11. ENTIRE AGREEMENT. This Agreement contains the entire agreement between the parties and no representatives, inducements, promises or other agreements between the parties not contained in this Agreement will be of any force and effect.

12. AMENDMENT. Any amendments to this Agreement shall be in writing and executed by both parties with the same formalities as this Agreement.

13. ASSIGNMENT. This Agreement may not be assigned by COMPANY. Additionally, a change in ownership, in a single transaction, of fifty plus one percent of COMPANY shall be considered an assignment for purposes of this paragraph.

14. This Agreement does not constitute a waiver of any local ordinances, codes, or regulations. Should any part, term, or provision of this Agreement conflict with Ordinance No. 2009-13 the Ordinance shall prevail.

15. GOVERNING LAW. This Agreement is executed in Escambia County, Florida, and performance and interpretation of this Agreement shall be considered in accordance with the laws of Florida. Any action relating to this Agreement shall be instituted and prosecuted in the courts of Escambia County, Florida, and each party waives the right to change of venue.

16. SEVERABILITY. The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion shall be deemed severed from this Agreement and the balance shall be construed and enforced as if this Agreement did not contain such invalid or unenforceable portion or provision.

17. NOTICES. All notices or other documents required or made pursuant to this Agreement by either party to the other shall be in writing and delivered by hand or by U.S. Postal Service, First Class Mail, postage prepaid, return receipt requested, addressed to the following:

County Administrator	Greater Pensacola Operations
221 Palafox Place, Suite 420	5550 Heritage Oaks Drive
Pensacola, Florida 32502	Pensacola, Florida 32526

18. EFFECTIVE DATE. This Agreement shall become effective when executed by all parties to this Agreement and filed in the Office of the Clerk of the Circuit Court of Escambia County, Florida. The COUNTY shall be responsible for such filing.

19. EXTENSION OF PAYMENT AND PERFORMANCE CONDITIONS. Notwithstanding anything to the contrary contained herein, subject to the terms and conditions of this Section 19, COUNTY hereby grants to COMPANY the one-time, option (the "Option") to extend the Project Completion Date and the respective Award Conditions by twelve (12) months. COMPANY may exercise the Option by delivering to COUNTY written notice of COMPANY's intention to exercise the Option (an "Exercise Notice") in accordance with Section 17.

Dear Ms. Gilley:

I am enclosing the invoice for payment as described in the Economic Development Incentive Fund Program Agreement between Navy Federal Credit Union and Escambia County dated December 10, 2015.

During 2018, we created over 1,000 project jobs with an overall average annual gross salary of at least $49,575.

In 2019, we invested a cumulative total of over $378,490,000 in Capital Improvement Expenditures.

Should you have any questions, please contact me at 850-912-0104. Thank you for your assistance.

Sincerely,

Kara Cardona

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17827 **County Administrator's Report 12. 36.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: CARES Act Provider Relief Funds
From: Janice Gilley, County Administrator
Organization: County Administrator's Office
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Acceptance of the Coronavirus Aid, Relief, and Economic Security Act Provider Relief Funds of $395,998.12 - Janice P. Gilley, County Administrator

That the Board take the following action concerning the Coronavirus Aid, Relief, and Economic Security (CARES) Act Provider Relief Funds of $395,998.12:

A. Authorize the acceptance of the $395,998.12 CARES Act Provider Relief funds that Escambia County received on April 17, 2020, through ACH from United Health Group; and

B. Authorize the County Administrator to sign an attestation confirming receipt of funds and agree to the Terms and Conditions of Payment.

BACKGROUND:

CARES Act Provider Relief Fund (Coronavirus Aid, Relief, and Economic Security Act) The CARES Act Provider Relief Fund is allocated for general distribution to Medicare facilities and providers impacted by COVID-19, based on eligible providers' 2018 net patient revenue. Large organizations receive payments for each of their billing TINs that bill Medicare, which is EMS for Escambia County.

Escambia County was automatically sent $395,998.12, based on Medicare from EMS which will be put into the EMS Fund 408, under a EMS CARES Act Revenue Code of 331295. Because Escambia County received these funds automatically, an attestation confirming receipt of funds will need to be signed and agree to the terms and conditions of payment. These are payments, not loans, to healthcare providers, and will not need to be repaid.

This Fund can only be used to prevent, prepare for, and respond to coronavirus, and shall reimburse the recipient only for health care related expenses or lost revenues that are attributable to coronavirus. Quarterly reporting will be required 10 days after the end of each calendar quarter.

BUDGETARY IMPACT:

The CARES Act Provider Relief Fund money will go to the EMS Fund 408, and will be tracked under a new revenue code of 331295, EMS CARES ACT.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Section II. B.8. Resolutions, Agreements and Contracts

IMPLEMENTATION/COORDINATION:

Upon Board approval, the funds will get moved to the EMS fund 408, and the County Administrator will sign the attestation confirming receipt of funds. Funds will be utilized for covered EMS COVID-19 expenses.

CARES Act Provider Relief Fund

UPDATE: The CARES Act Provider Relief Fund Payment Attestation Portal is now open. Providers who have been allocated a payment must sign an attestation confirming receipt of the funds and agree to the terms and conditions within 30 days of payment.

President Trump is providing support to healthcare providers fighting the COVID-19 pandemic. On March 27, 2020, the President signed the bipartisan CARES Act that provides $100 billion in relief funds to hospitals and other healthcare providers on the front lines of the coronavirus response. This funding will be used to support healthcare-related expenses or lost revenue attributable to COVID-19 and to ensure uninsured Americans can get testing and treatment for COVID-19.

In allocating the funds, the Administration is working to address both the economic harm across the entire healthcare system due to the stoppage of elective procedures, and addressing the economic impact on providers incurring additional expenses caring for COVID-19 patients, and to do so as quickly and transparently as possible.

$50 billion general allocation

$50 billion of the Provider Relief Fund is allocated for general distribution to Medicare facilities and providers impacted by COVID-19, based on eligible providers' 2018 net patient revenue. The initial $30 billion was distributed between April 10 and April 17, and the remaining $20 billion is being distributed beginning Friday, April 24.

- To expedite providers getting money as quickly as possible, $30 billion was distributed immediately, proportionate to providers' share of Medicare fee-for-service reimbursements in 2019. On Friday, April 10, $26 billion was delivered to bank accounts. The remaining $4 billion of the expedited $30 billion distribution was sent on April 17.
- This simple formula used the data on-hand to get the money out the door as quickly as possible. The Administration was transparent and upfront additional funds would be going out quickly to help providers with a relatively small share of their revenue coming from Medicare fee-for-service, such as children's hospitals.
- HHS will begin distribution of the remaining $20 billion of the general distribution to these providers on April 24 to augment their allocation so that the whole $50 billion general distribution is allocated proportional to providers' share of 2018 net patient revenue.

- On April 24, a portion of providers will automatically be sent an advance payment based off the revenue data they submit in CMS cost reports. Providers without adequate cost report data on file will need to submit their revenue information to a portal opening this week linked on this page for additional general distribution funds.

  - Providers who receive their money automatically will still need to submit their revenue information so that it can be verified.

- Payments will go out weekly, on a rolling basis, as information is validated, with the first wave being delivered at the end of this week (April 24, 2020).

- Providers who receive funds from the general distribution have to sign an attestation confirming receipt of funds and agree to the terms and conditions of payment and confirm the CMS cost report. Click here to sign the attestation and accept the Terms and Conditions

- The Terms and Conditions - PDF also include other measures to help prevent fraud and misuse of the funds. All recipients will be required to submit documents sufficient to ensure that these funds were used for healthcare-related expenses or lost revenue attributable to coronavirus. There will be significant anti-fraud and auditing work done by HHS, including the work of the Office of the Inspector General.

- President Trump is committed to ending surprise bills for patients. As part of this commitment, as a condition to receiving these funds, providers must agree not to seek collection of out-of-pocket payments from a presumptive or actual COVID-19 patient that are greater than what the patient would have otherwise been required to pay if the care had been provided by an in-network provider.

Targeted allocations

Allocation for covid-19 high impact areas

- $10 billion will be allocated for a targeted distribution to hospitals in areas that have been particularly impacted by the COVID-19 outbreak. As an example, hospitals serving COVID-19 patients in New York, which has a high percentage of total confirmed COVID-19 cases, are expected to receive a large share of the funds.

  - Hospitals should apply for a portion of the funds by providing four simple pieces of information via an authentication portal before midnight PT, Thursday April 23. This portal is live, and hospitals have already been contacted directly to provide this information.

  - Hospitals will need to provide:

    - Tax Identification Number

    - National Provider Identifier

- Total number of Intensive Care Unit beds as of April 10, 2020

- Total number of admissions with a positive diagnosis for COVID-19 from January 1, 2020 to April 10, 2020

- The authentication and data-sharing process should take less than five minutes via a system that should be familiar to most hospitals.

- This information is necessary for the government to determine what facilities will qualify for a targeted distribution. Supplying this information does not guarantee receipt of funds from this distribution.

- The Administration will use the data it receives to distribute the targeted funds to where the impact from COVID-19 is greatest. The distribution will take into consideration the challenges faced by facilities serving a significantly disproportionate number of low-income patients, as reflected by their Medicare Disproportionate Share Hospital (DSH) Adjustment.

Allocation for treatment of the uninsured

- The Trump Administration is committed to ensuring that Americans are protected against financial obstacles that might prevent them from getting the treatment they need for COVID-19.
- As announced in early April, a portion of the $100 billion Provider Relief Fund will be used to reimburse healthcare providers, at Medicare rates, for COVID-related treatment of the uninsured.
- Every health care provider who has provided treatment for uninsured COVID-19 patients on or after February 4, 2020, can request claims reimbursement through the program and will be reimbursed at Medicare rates, subject to available funding.
- Steps will involve: enrolling as a provider participant, checking patient eligibility and benefits, submitting patient information, submitting claims, and receiving payment via direct deposit.
- Providers can register for the program on April 27, 2020, and begin submitting claims in early May 2020. For more information, visit coviduninsuredclaim.hrsa.gov.
- As a condition, providers are obligated to abstain from "balance billing" any patient for COVID-19-related treatment.

Allocation for rural providers

- $10 billion will be allocated for rural health clinics and hospitals, most of which operate on especially thin margins and are far less likely to be profitable than their urban counterparts.

  - This money will be distributed as early as next week on the basis of operating expenses, using a methodology that distributes payments proportionately to each facility and clinic.

- This method recognizes the precarious financial position of many rural hospitals, a significant number of which are unprofitable.

- Rural hospitals are more financially exposed to significant declines in revenue or increases in expenses related to COVID-19 than their urban counterparts.

Allocation for Indian Health Service

- Recognizing the strain experiences by the Indian Health Service, $400 million will be allocated for Indian Health Service facilities, distributed on the basis of operating expenses. Indian Country is also being impacted by COVID-19.

  - This money will be distributed as early as next week on the basis of operating expenses for facilities.

  - This complements other funding provided to IHS and work we've done to expand IHS capacity for telehealth.

Additional allocations

- There are some providers who will receive further, separate funding, including skilled nursing facilities, dentists, and providers that solely take Medicaid.

Helping ensure all Americans have access to care

- The *Families First Coronavirus Response Act*, as amended by the *CARES Act*, requires private insurers to waive an insurance plan member's cost-sharing payments for COVID-19 testing. The President also secured funding to cover COVID-19 testing for uninsured Americans.

- President Trump has also secured commitments from private insurers, including Humana, Cigna, UnitedHealth Group, and the Blue Cross Blue Shield system, to waive cost-sharing payments for treatment related to COVID-19 for plan members.

- Additionally, President Trump is committed to ending surprise bills for patients. As part of this commitment, as a condition to receiving general funds, providers must agree not to seek collection of out-of-pocket payments from a presumptive or actual COVID-19 patient that are greater than what the patient would have otherwise been required to pay if the care had been provided by an in-network provider.

Additional information on the initial $30 billion distribution

Recognizing the importance of delivering funds in a fast and transparent manner, $30 billion is being distributed immediately – with payments arriving via direct deposit beginning April 10, 2020 – to eligible providers throughout the American healthcare system. **These are payments, not loans, to healthcare providers, and will not need to be repaid.**

Who is eligible for initial $30 billion

- All facilities and providers that received Medicare fee-for-service (FFS) reimbursements in 2019 are eligible for this initial rapid distribution.
- Payments to practices that are part of larger medical groups will be sent to the group's central billing office.
  - All relief payments are made to the billing organization according to its Taxpayer Identification Number (TIN).
- As a condition to receiving these funds, providers must agree not to seek collection of out-of-pocket payments from a COVID-19 patient that are greater than what the patient would have otherwise been required to pay if the care had been provided by an in-network provider.
- This quick dispersal of funds will provide relief to both providers in areas heavily impacted by the COVID-19 pandemic and those providers who are struggling to keep their doors open due to healthy patients delaying care and cancelled elective services.
- If you ceased operation as a result of the COVID-19 pandemic, you are still eligible to receive funds so long as you provided diagnoses, testing, or care for individuals with possible or actual cases of COVID-19. Care does not have to be specific to treating COVID-19. HHS broadly views every patient as a possible case of COVID-19.

How are payment distributions determined

- Providers will be distributed a portion of the initial $30 billion based on their share of total Medicare FFS reimbursements in 2019. Total FFS payments were approximately $484 billion in 2019.
- A provider can estimate their payment by dividing their 2019 Medicare FFS (not including Medicare Advantage) payments they received by $484,000,000,000, and multiply that ratio by $30,000,000,000. Providers can obtain their 2019 Medicare FFS billings from their organization's revenue management system.
- As an example: A community hospital billed Medicare FFS $121 million in 2019. To determine how much they would receive, use this equation:
  - $121,000,000/$484,000,000,000 x $30,000,000,000 = $7,500,000

What to do if you are an eligible provider

- HHS has partnered with UnitedHealth Group (UHG) to provide rapid payment to providers eligible for the distribution of the initial $30 billion in funds.

- Providers will be paid via Automated Clearing House account information on file with UHG or the Centers for Medicare & Medicaid Services (CMS).

  - The automatic payments will come to providers via Optum Bank with "HHSPAYMENT" as the payment description.

  - Providers who normally receive a paper check for reimbursement from CMS, will receive a paper check in the mail for this payment as well, within the next few weeks.

- Within 30 days of receiving the payment, providers must sign an attestation confirming receipt of the funds and agreeing to the terms and conditions of payment. Click here to sign the attestation and accept the Terms and Conditions.

- HHS' payment of this initial tranche of funds is conditioned on the healthcare provider's acceptance of the Terms and Conditions - PDF, which acceptance must occur within 30 days of receipt of payment. Not returning the payment within 30 days of receipt will be viewed as acceptance of the Terms and Conditions, the provider must do the following: contact HHS within 30 days of receipt of payment and then remit the full payment to HHS as instructed. The CARES Act Provider Relief Fund Payment Attestation Portal will guide providers through the attestation process to accept or reject the funds.

Is this different than the CMS Accelerated and Advance Payment Program?

Yes. The CMS Accelerated and Advance Payment Program has delivered billions of dollars to healthcare providers to help ensure providers and suppliers have the resources needed to combat the pandemic. The CMS accelerated and advance payments are a loan that providers must pay back. Read more information from CMS.

How this applies to different types of providers

All relief payments are being made to providers and according to their tax identification number (TIN). For example:

- *Large Organizations and Health Systems:* Large Organizations will receive relief payments for each of their billing TINs that bill Medicare. Each organization should look to the part of their organization that bills Medicare to identify details on Medicare payments for 2019 or to identify the accounts where they should expect relief payments.

- *Employed Physicians:* Employed physicians should not expect to receive an individual payment directly. The employer organization will receive the relief payment as the billing organization.

- *Physicians in a Group Practice:* Individual physicians and providers in a group practice are unlikely to receive individual payments directly, as the group practice will receive the relief fund payment as the billing organization. Providers should look to the part of their organization that bills

Medicare to identify details on Medicare payments for 2019 or to identify the accounts where they should expect relief payments.

- *Solo Practitioners:* Solo practitioners who bill Medicare will receive a payment under the TIN used to bill Medicare.

Priorities for the remaining $70 billion

The Administration is working rapidly on targeted distributions that will focus on providers in areas particularly impacted by the COVID-19 outbreak, rural providers, providers of services with lower shares of Medicare reimbursement or who predominantly serve the Medicaid population, and providers requesting reimbursement for the treatment of uninsured Americans.

Ensuring Americans are not surprised by bills for COVID-19 medical expenses

The Trump Administration is committed to ensuring that Americans are protected against financial obstacles that might prevent them from getting the testing and treatment they need from COVID-19.

- As announced in early April, a portion of the $100 billion Provider Relief Fund will be used to reimburse healthcare providers, at Medicare rates, for COVID-related treatment of the uninsured.
  - As a condition, providers are obligated to abstain from "balance billing" any patient for COVID-related treatment.
- The Families First Coronavirus Response Act requires private insurers to cover an insurance plan member's cost-sharing payments for COVID-19 testing.
- President Trump has also secured commitments from private insurers, including Humana, Cigna, UnitedHealth Group, and the Blue Cross Blue Shield system to waive cost-sharing payments for treatment related to COVID-19 for plan members.

Content created by Assistant Secretary for Public Affairs (ASPA)

Content last reviewed on April 22, 2020

Acceptance of Terms and Conditions

If you receive a payment from funds appropriated in the Public Health and Social Services Emergency Fund for provider relief ("Relief Fund") under Division B of Public Law 116-127 and retain that payment for at least 30 days without contacting HHS regarding remittance of those funds, you are deemed to have accepted the following Terms and Conditions. Please also indicate your acceptance below. This is not an exhaustive list and you must comply with any other relevant statutes and regulations, as applicable.

Your commitment to full compliance with all Terms and Conditions is material to the Secretary's decision to disburse these funds to you. Non-compliance with any Term or Condition is grounds for the Secretary to recoup some or all of the payment made from the Relief Fund.

These Terms and Conditions apply directly to the recipient of payment from the Relief Fund. In general, the requirements that apply to the recipient, also apply to subrecipients and contractors under grants, unless an exception is specified.

Relief Fund Payment Terms and Conditions

- The Payment means the funds received from the Public Health and Social Services Emergency Fund ("Relief Fund"). The Recipient means the healthcare provider, whether an individual or an entity, receiving the Payment.
- The Recipient certifies that it billed Medicare in 2019; provides or provided after January 31, 2020 diagnoses, testing, or care for individuals with possible or actual cases of COVID-19; is not currently terminated from participation in Medicare; is not currently excluded from participation in Medicare, Medicaid, and other Federal health care programs; and does not currently have Medicare billing privileges revoked.
- The Recipient certifies that the Payment will only be used to prevent, prepare for, and respond to coronavirus, and shall reimburse the Recipient only for health care related expenses or lost revenues that are attributable to coronavirus.
- The Recipient certifies that it will not use the Payment to reimburse expenses or losses that have been reimbursed from other sources or that other sources are obligated to reimburse.
- The Recipient shall submit reports as the Secretary determines are needed to ensure compliance with conditions that are imposed on this Payment, and such reports shall be in such form, with such content, as specified by the Secretary in future program instructions directed to all Recipients.
- Not later than 10 days after the end of each calendar quarter, any Recipient that is an entity receiving more than $150,000 total in funds under the Coronavirus Aid, Relief, and

Economics Security Act (P.L. 116-136), the Coronavirus Preparedness and Response Supplemental Appropriations Act (P.L. 116-123), the Families First Coronavirus Response Act (P.L. 116-127), or any other Act primarily making appropriations for the coronavirus response and related activities, shall submit to the Secretary and the Pandemic Response Accountability Committee a report. This report shall contain: the total amount of funds received from HHS under one of the foregoing enumerated Acts; the amount of funds received that were expended or obligated for reach project or activity; a detailed list of all projects or activities for which large covered funds were expended or obligated, including: the name and description of the project or activity, and the estimated number of jobs created or retained by the project or activity, where applicable; and detailed information on any level of sub-contracts or subgrants awarded by the covered recipient or its subcontractors or subgrantees, to include the data elements required to comply with the Federal Funding Accountability and Transparency Act of 2006 allowing aggregate reporting on awards below $50,000 or to individuals, as prescribed by the Director of the Office of Management and Budget.

- The Recipient shall maintain appropriate records and cost documentation including, as applicable, documentation required by 45 CFR § 75.302 – Financial management and 45 CFR § 75.361 through 75.365 – Record Retention and Access, and other information required by future program instructions to substantiate the reimbursement of costs under this award. The Recipient shall promptly submit copies of such records and cost documentation upon the request of the Secretary, and Recipient agrees to fully cooperate in all audits the Secretary, Inspector General, or Pandemic Response Accountability Committee conducts to ensure compliance with these Terms and Conditions.
- The Secretary has concluded that the COVID-19 public health emergency has caused many healthcare providers to have capacity constraints. As a result, patients that would ordinarily be able to choose to receive all care from in-network healthcare providers may no longer be able to receive such care in-network. Accordingly, for all care for a presumptive or actual case of COVID-19, Recipient certifies that it will not seek to collect from the patient out-of-pocket expenses in an amount greater than what the patient would have otherwise been required to pay if the care had been provided by an in-network Recipient.

The following statutory provisions also apply:

General Provisions in FY 2020 Consolidated Appropriation

SEC. 202. Executive Pay. None of the funds appropriated in this title shall be used to pay the salary of an individual, through a grant or other extramural mechanism, at a rate in excess of Executive Level II.

SEC. 210. Funding Prohibition for Gun Control Advocacy. None of the funds made available in this title may be used, in whole or in part, to advocate or promote gun control.

SEC. 503. Lobbying

(a) No part of any appropriation contained in this Act or transferred pursuant to section 4002 of Public Law 111–148 shall be used, other than for normal and recognized executive-legislative relationships, for publicity or propaganda purposes, for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, electronic communication, radio, television, or video presentation designed to support or defeat the enactment of legislation before the Congress or any State or local legislature or legislative body, except in presentation to the Congress or any State or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any State or local government, except in presentation to the executive branch of any State or local government itself.

(b) No part of any appropriation contained in this Act or transferred pursuant to section 4002 of Public Law 111–148 shall be used to pay the salary or expenses of any grant or contract recipient, or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive order proposed or pending before the Congress or any State government, State legislature or local legislature or legislative body, other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a State, local or tribal government in policymaking and administrative processes within the executive branch of that government.

(c) The prohibitions in subsections (a) and (b) shall include any activity to advocate or promote any proposed, pending or future Federal, State or local tax increase, or any proposed, pending, or future requirement or restriction on any legal consumer product, including its sale or marketing, including but not limited to the advocacy or promotion of gun control.

SEC. 506. Prohibits Use of Federal Funds for Abortions.

(a) None of the funds appropriated in this Act, and none of the funds in any trust fund to which funds are appropriated in this Act, shall be expended for any abortion.

(b) None of the funds appropriated in this Act, and none of the funds in any trust fund to which funds are appropriated in this Act, shall be expended for health benefits coverage that includes coverage of abortion.

(c) The term ‘‘health benefits coverage’’ means the package of services covered by a managed care provider or organization pursuant to a contract or other arrangement.

SEC. 507 Limitations on Abortion Funding Prohibition

(a) The limitations established in the preceding section shall not apply to an abortion—

(1) if the pregnancy is the result of an act of rape or incest; or

(2) in the case where a woman suffers from a physical disorder, physical injury, or physical illness, including a life-endangering physical condition caused by or arising from the pregnancy itself, that would, as certified by a physician, place the woman in danger of death unless an abortion is performed.

(b) Nothing in the preceding section shall be construed as prohibiting the expenditure by a State, locality, entity, or private person of State, local, or private funds (other than a State's or locality's contribution of Medicaid matching funds).

(c) Nothing in the preceding section shall be construed as restricting the ability of any managed care provider from offering abortion coverage or the ability of a State or locality to contract separately with such a provider for such coverage with State funds (other than a State's or locality's contribution of Medicaid matching funds).

(d)(1) None of the funds made available in this Act may be made available to a Federal agency or program, or to a State or local government, if such agency, program, or government subjects any institutional or individual health care entity to discrimination on the basis that the health care entity does not provide, pay for, provide coverage of, or refer for abortions.

(2) In this subsection, the term ''health care entity'' includes an individual physician or other health care professional, a hospital, a provider-sponsored organization, a health maintenance organization, a health insurance plan, or any other kind of health care facility, organization, or plan.

Prohibits Use of Funds for Embryo Research

SEC. 508. Prohibits Use of Funds for Embryo Research

(a) None of the funds made available in this Act may be used for—

(1) the creation of a human embryo or embryos for research purposes; or

(2) research in which a human embryo or embryos are destroyed, discarded, or knowingly subjected to risk of injury or death greater than that allowed for research on fetuses in utero under 45 CFR 46.204(b) and section 498(b) of the Public Health Service Act (42 U.S.C. 289g(b)).

(b) For purposes of this section, the term ''human embryo or embryos'' includes any organism, not protected as a human subject under 45 CFR 46 as of the date of the enactment of this Act,

that is derived by fertilization, parthenogenesis, cloning, or any other means from one or more human gametes or human diploid cells.

SEC. 509. Prohibits Promotion of Legalization of Controlled Substances

(a) None of the funds made available in this Act may be used for any activity that promotes the legalization of any drug or other substance included in schedule I of the schedules of controlled substances established by section 202 of the Controlled Substances Act except for normal and recognized executive-congressional communications.

(b) The limitation in subsection (a) shall not apply when there is significant medical evidence of a therapeutic advantage to the use of such drug or other substance or that federally sponsored clinical trials are being conducted to determine therapeutic advantage.

SEC. 515. (b) Prohibits Asking Candidates for Federal Scientific Advisory Committees Their Political Affiliations; Prohibits Distribution of Intentionally False Information

(b) None of the funds made available in this Act may be used to disseminate information that is deliberately false or misleading.

SEC. 520. Pornography.

(a) None of the funds made available in this Act may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography.

(b) Nothing in subsection (a) shall limit the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

SEC. 521. Prohibits Funding ACORN or Its Affiliates or Subsidiaries. None of the funds made available under this or any other Act, or any prior Appropriations Act, may be provided to the Association of Community Organizations for Reform Now (ACORN), or any of its affiliates, subsidiaries, allied organizations, or successors.

SEC. 527. Prohibits Federal Funding for Needle Exchange Except in Limited Circumstances. Notwithstanding any other provision of this Act, no funds appropriated in this Act shall be used to purchase sterile needles or syringes for the hypodermic injection of any illegal drug: *Provided*, That such limitation does not apply to the use of funds for elements of a program other than making such purchases if the relevant State or local health department, in consultation with the Centers for Disease Control and Prevention, determines that the State or local jurisdiction, as applicable, is experiencing, or is at risk for, a significant increase in

hepatitis infections or an HIV outbreak due to injection drug use, and such program is operating in accordance with State and local law.

Government-wide General Provisions

SEC. 718. Propaganda. No part of any appropriation contained in this or any other Act shall be used directly or indirectly, including by private contractor, for publicity or propaganda purposes within the United States not heretofore authorized by the Congress.

SEC. 732. Privacy Act. None of the funds made available in this Act may be used in contravention of section 552a of title 5, United States Code (popularly known as the Privacy Act), and regulations implementing that section.

SEC. 742. Confidentiality Agreements.

(a) None of the funds appropriated or otherwise made available by this or any other Act may be available for a contract, grant, or cooperative agreement with an entity that requires employees or contractors of such entity seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or contactors from lawfully reporting such waste, fraud, or abuse to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information.

(b) The limitation in subsection (a) shall not contravene requirements applicable to Standard Form 312, Form 4414, or any other form issued by a Federal department or agency governing the nondisclosure of classified information.

SEC. 743. Nondisclosure Agreements

(a) No funds appropriated in this or any other Act may be used to implement or enforce the agreements in Standard Forms 312 and 4414 of the Government or any other nondisclosure policy, form, or agreement if such policy, form, or agreement does not contain the following provisions: “These provisions are consistent with and do not supersede, conflict with, or otherwise alter the employee obligations, rights, or liabilities created by existing statute or Executive order relating to (1) classified information, (2) communications to Congress, (3) the reporting to an Inspector General of a violation of any law, rule, or regulation, or mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety, or (4) any other whistleblower protection. The definitions, requirements, obligations, rights, sanctions, and liabilities created by controlling Executive orders and statutory provisions are incorporated into this SEC. 743. (a) No funds appropriated in this or any other Act may be used to implement or enforce the agreements in Standard Forms 312 and 4414 of the Government or any other nondisclosure policy, form, or agreement if such

policy, form, or agreement does not contain the following provisions: “These provisions are consistent with and do not supersede, conflict with, or otherwise alter the employee obligations, rights, or liabilities created by existing statute or Executive order relating to (1) classified information, (2) communications to Congress, (3) the reporting to an Inspector General of a violation of any law, rule, or regulation, or mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety, or (4) any other whistleblower protection. The definitions, requirements, obligations, rights, sanctions, and liabilities created by controlling Executive orders and statutory provisions are incorporated into this agreement and are controlling.”: *Provided*, That notwithstanding the preceding provision of this section, a nondisclosure policy form or agreement that is to be executed by a person connected with the conduct of an intelligence or intelligence-related activity, other than an employee or officer of the United States Government, may contain provisions appropriate to the particular activity for which such document is to be used. Such form or agreement shall, at a minimum, require that the person will not disclose any classified information received in the course of such activity unless specifically authorized to do so by the United States Government. Such nondisclosure forms shall also make it clear that they do not bar disclosures to Congress, or to an authorized official of an executive agency or the Department of Justice, that are essential to reporting a substantial violation of law.

(b) A nondisclosure agreement may continue to be implemented and enforced notwithstanding subsection (a) if it complies with the requirements for such agreement that were in effect when the agreement was entered into.

(c) No funds appropriated in this or any other Act may be used to implement or enforce any agreement entered into during fiscal year 2014 which does not contain substantially similar language to that required in subsection (a).

SEC. 744. Unpaid Federal Tax Liability. None of the funds made available by this or any other Act may be used to enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, where the awarding agency is aware of the unpaid tax liability, unless a Federal agency has considered suspension or debarment of the corporation and has made a determination that this further action is not necessary to protect the interests of the Government.

SEC. 745. Criminal Felony Limitation. None of the funds made available by this or any other Act may be used to enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that was

convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction, unless a Federal agency has considered suspension or debarment of the corporation and has made a determination that this further action is not necessary to protect the interests of the Government.

Other Appropriations Provisions

42 U.S.C. 289d note No funds appropriated under this Act or subsequent Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Acts shall be used by the National Institutes of Health, or any other Federal agency, or recipient of Federal funds on any project that entails the capture or procurement of chimpanzees obtained from the wild. For purposes of this section, the term 'recipient of Federal funds' includes private citizens, corporations, or other research institutions located outside of the United States that are recipients of Federal funds.

Other Statutory Provisions

Trafficking in Persons

This award is subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. 7104)

a. Provisions applicable to a recipient that is a private entity.

1. You as the recipient, your employees, subrecipients under this award, and subrecipients' employees may not

i. Engage in severe forms of trafficking in persons during the period of time that the award is in effect;

ii. Procure a commercial sex act during the period of time that the award is in effect; or

iii. Use forced labor in the performance of the award or subawards under the award.

2. We as the Federal awarding agency may unilaterally terminate this award, without penalty, if you or a subrecipient that is a private entity –

i. Is determined to have violated a prohibition in paragraph a.1 of this award term; or

ii. Has an employee who is determined by the agency official authorized to terminate the award to have violated a prohibition in paragraph a.1 of this award term through conduct that is either-

A. Associated with performance under this award; or

B. Imputed to you or the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 2 CFR part 180, "OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)," as implemented by our agency at 2 CFR part 376.

b. Provision applicable to a recipient other than a private entity.

We as the Federal awarding agency may unilaterally terminate this award, without penalty, if a subrecipient that is a private entity-

1. Is determined to have violated an applicable prohibition in paragraph a.1 of this award term; or

2. Has an employee who is determined by the agency official authorized to terminate the award to have violated an applicable prohibition in paragraph a.1 of this award term through conduct that is either
i. Associated with performance under this award; or
ii. Imputed to the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 2 CFR part 180, "OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)," as implemented by our agency at 2 CFR part 376

c. Provisions applicable to any recipient.
1. You must inform us immediately of any information you receive from any source alleging a violation of a prohibition in paragraph a.1 of this award term
2. Our right to terminate unilaterally that is described in paragraph a.2 or b of this section:
i. Implements section 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), as amended
(22 U.S.C. 7104(g)), and
ii. Is in addition to all other remedies for noncompliance that are available to us under this award.
3. You must include the requirements of paragraph a.1 of this award term in any subaward you make
to a private entity.

d. Definitions. For purposes of this award term:
1. "Employee" means either:
i. An individual employed by you or a subrecipient who is engaged in the performance of the project or program under this award; or
ii. Another person engaged in the performance of the project or program under this award and not compensated by you including, but not limited to, a volunteer or individual whose services are contributed by a third party as an in-kind contribution toward cost sharing or matching requirements.
2. "Forced labor" means labor obtained by any of the following methods: the recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.
3. "Private entity":
i. Means any entity other than a State, local government, Indian tribe, or foreign public entity, as those terms are defined in 2 CFR 175.25.
ii. Includes:
A. A nonprofit organization, including any nonprofit institution of higher education, hospital, or tribal organization other than one included in the definition of Indian tribe at 2 CFR 175.25(b).
B A for-profit organization.
4. “Severe forms of trafficking in persons," "commercial sex act," and "coercion" have the meanings given at section 103 of the TVPA, as amended (22 U.S.C. 7102)

Whistleblower Protections

You are hereby given notice that the 48 CFR section 3.908, implementing section 828, entitled "Pilot
Program for Enhancement of Contractor Employee Whistleblower protections," of the National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2013 (Pub. L. 112-239, enacted January 2,
2013) applies to this award.

Human Subjects Protections
If any activities under this project will involve human subjects in any research activities, you must provide satisfactory assurance of compliance with the participant protection requirement of the HHS/OASH Office of Human Research Protection (OHRP) prior to implementation of those research components. This assurance should be submitted to the OHRP in accordance with the appropriate regulations.

PYROTECNICO™ fx

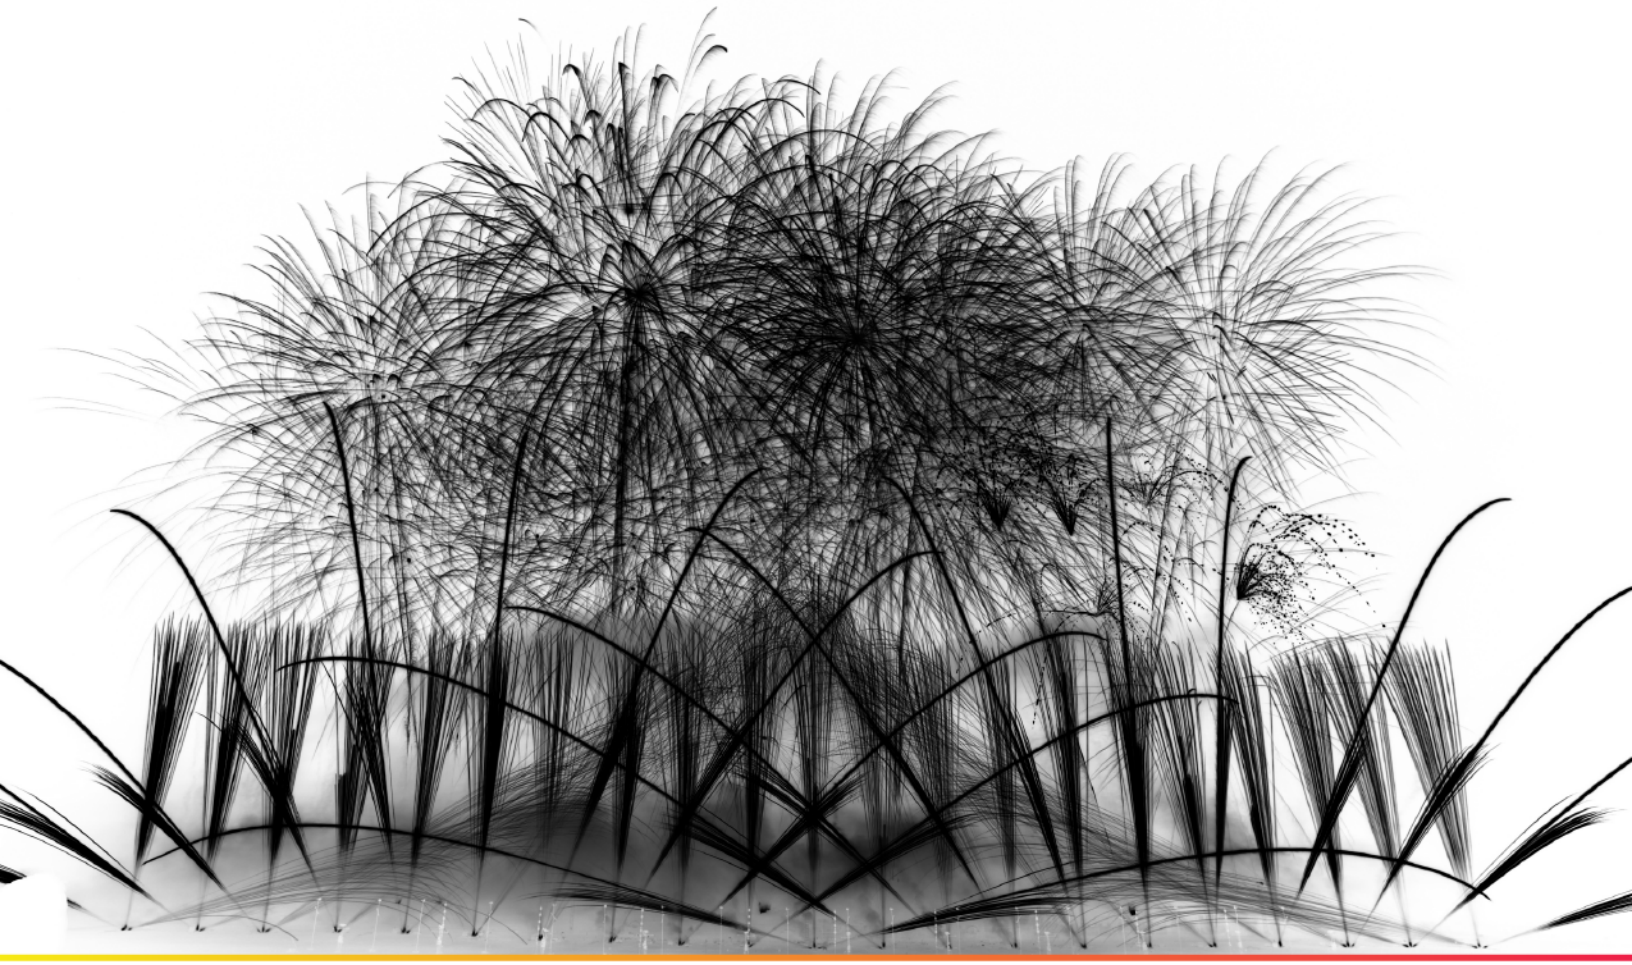
AMPLIFYING EXCITEMENT | SINCE 1888

OUR CORE VALUES

We produce each show with tireless dedication. We treat each employee, supplier, and regulator with respect. Individual and team initiative drives our company. Imaginative people are the core of our success. Insuring safety is our top priority. Great performances are our passion.

WHAT THIS MEANS FOR YOUR EVENT

You have a vision for your event and Pyrotecnico will work tirelessly to design a spectacular display to match that vision. Our staff has an unrivaled passion for what we do and that results in superior customer service, advanced display designs, and safe certified/licensed pyrotechnicians for your event.



YOUR EVENT TEAM

Stephen Vitale - President & CEO - svitale@pyrotecnico.com
As the President and CEO of Pyrotecnico, Stephen provides the leadership for all of our employees and creates the philosophy by which we excel. Stephen has 30 years of experience in the fireworks and special effects industries.

Bob Ross - Chief Operating Officer - bross@pyrotecnico.com
With 22 years of experience, Bob oversees the day to day operations and communications, while managing all of the distribution points and facilities in Pyrotecnico's nationwide network.

Rocco Vitale - Creative Director & Show Designer - rvitale@pyrotecnico.com
Rocco designs all shows and creative aspects of FX productions. Rocco has been in the business for 15 years.

Mark DeVincentis - Chief Financial Officer - mdevincentis@pyrotecnico.com
Mark oversees Pyrotecnico's finance department, and handles Pyrotecnico's daily finances, insurance, and billing.

Chris Liberatore - Vice President Sales - cliberatore@pyrotecnico.com
Chris supervises the servicing of client accounts, ensuring that you are completely satisfied with our service and your crowd will experience the best show they have ever seen.

Michael Simmons - Show Producer - msimmons@pyrotecnico.com
With 30 + years experience, Mike develops and services client accounts, making sure that all aspects of your program are accomplished in a timely manner. He is your primary point of contact from concept through completion.

Katherine Thomas - Permit Coordinator - kthomas@pyrotecnico.com
Katherine aids Mike in obtaining all permits necessary for your event and making sure every detail of the preparation process has been addressed.

PROPOSAL

Client: Banks Enterprise

Event Date: September 5, 2020
Rain Date: TBD

Prepared for: Mr. William Banks

Budget & Duration: 5 - 6 minute display, $6,500

Contract Terms:
50% deposit due on signing, balance due net 10

This Presentation Includes:
- Pyrotecnico will secure all needed permits (unless otherwise specified by the local jurisdiction) and organize plans directly with Fire and Safety Authorities.
- All necessary insurance to include 10 million dollar general liability insurance, 10 million in commercial transportation insurance, and state worker's compensation.
- Our trained technicians to produce the display.
- All transportation and delivery costs. Transportation provided by our commercially licensed drivers.
- All necessary safety precautions to provide a safe and spectacular display, assistance with local and state firework display permits.
- Highly choreographed display design.
- The widest variety of top quality shell and special effects from around the globe that includes our own American products

Opening Presentation
The Opening Presentation will start your display off "with a bang." A "mini-finale" will excite the crowd and get them energized for a great show.

10 3" Titanium Salute Finale Shells (loud thundering booms)
10 3" Assorted Color Finale Shells

20 Total Opening Shells

Body
The majority of your display will be fired during the Body presentation. It will have a balanced pace with constant action. Radiant color combinations like Violet & Lemon, Aqua & Pink, and the always treasured Red, White, & Blue. Amazing effects such as Crossette, Twitter Glittering, Rings, and Color Changing Chrysanthemums will be mixed in to illuminate your skies!

108 3" Assorted Aerial Display Shells

4 49 shot Specialty Barrage Boxes
6 49 shot Fan Shape Barrage Boxes

598 Total Body Shells and Barrage Shots

Your Grand Finale Presentation
The Grand Finale Presentation is the ultimate crowd pleaser and most exhilarating part of your display. When the sky erupts with Multi-Color Peonies and Thunderous Salutes, there is no better visual experience. They will end your event in style and leave the audience wanting more!

50 3" Titanium Salute Finale Shells (loud thundering booms)
110 3" Assorted Color Finale Shells

160 Total Finale Shells

PRICING

DETAILS

5 - 6 Minute Display

Product Recap

20	Openning Shells
548	Body Shells
160	Finale Shells
728	**Total Shells**

GRAND TOTAL

$ 6,300	Turnkey Fireworks Display
$ 200	Estimated Local Permit Fees to be paid directly or post billed if applicable
$ 6,500	**Total Pyrotecnico Price**

YOUR SHOW

We take pride in our ability to "layer" the sky with vivid surprises at varying heights and widths, painting the entire sky into beautiful scenes of color. Your show will be unique and precise, with a timeline that will include an opening mini-finale of bursts to kick off the display, followed by a body filled with unique scenes and special effect barrages, and concluding with a grand finale that will light up the sky like nothing your audience has ever seen!

*Maximum shell heights will vary for each individual display.
•On average, shells will reach 100' of elevation for every inch in shell diameter.
(Example: 2" shells will reach approximately 200' in elevation.)

AMPLIFYING EXCITEMENT SINCE 1889

UNMATCHED INNOVATION

Imaginative people are the core of our success, and our creative team is constantly raising the bar and scouring the globe for new technologies. You can rest assured that your display will be innovative and unforgettable in every aspect.

AWARD-WINNING DISPLAY DESIGN

Our creative team has won many international awards for our unique choreography and impeccable synchronicity, including the coveted Gold Jupiter award among others.

EXCEPTIONAL TEAM

Our exceptional team will ensure that every aspect of your show is completely taken care of from permitting and safety regulations to show execution and clean up, so you can sit back and enjoy the time leading up to your exciting event. We will have the details under control every step of the way.

125 YEARS EXPERIENCE

We are bringing 125 years of experience to the table, giving us the knowledge and ability to use the absolute best technology, techniques, and the most innovative products with the utmost safety. We have lived and breathed fireworks and special effects for 125 years, and we will see your show through from concept to clean up.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17752 **County Administrator's Report 12. 38.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Award of a Purchase Order for Three Nissan Pathfinders or Approved Equivalent for Code Enforcement
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Award of a Purchase Order for Three Nissan Pathfinders or Approved Equivalent for Code Enforcement - Chips Kirschenfeld, Department Director, Natural Resources Management, and Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board award and authorize the County Administrator to sign a Purchase Order, in excess of $25,000, for three 2020 Nissan Pathfinder 4WD S (Model 25010) to FL Auto, LLC d/b/a Beck Ford Lincoln, in the amount of $26,061 per vehicle, for a total amount of $78,183, per the terms and conditions of PD 19-20.046, Three Nissan Pathfinders or Approved Equivalent for Code Enforcement.

Vendor/Contractor	Funding	Amount	Contract Number
FL Auto, LLC d/b/a Beck Ford Lincoln	Fund 103, Code Enforcement Fund; Cost Center 220110, Environmental Code Enforcement; Object Code 56401, Machinery & Equipment	$78,183	PD 19-20.046

Specification PD 19-20.046, Three Nissan Pathfinders or Approved Equivalent for Code Enforcement was posted to Vendor Registry on March 12, 2020, and was issued to 46 individuals representing 29 firms. The solicitation was viewed by 18 firms and downloaded by 12.

NON-ADA-COMPLIANT DOCUMENTS TO BE DISTRUBUTED UNDER SEPARATE COVER:

- Bid Response from FL Auto, LLC d/b/a Beck Ford Lincoln
- Recommendation to Award Determination Checklist

BACKGROUND:

Specification PD 19-20.046, Three Nissan Pathfinders or Approved Equivalent for Code Enforcement, was posted to Vendor Registry on March 12, 2020, and was issued to 46 individuals representing 29 firms. The solicitation was viewed by 18 firms and downloaded by 12.

On March 27, 2020, two bid responses were received and both were deemed responsive. FL Auto, LLC d/b/a Beck Ford Lincoln was identified as the lowest responsive bidder with a total bid amount of $78,183.

BUDGETARY IMPACT:

Vendor/Contractor	Funding	Amount	Contract Number
FL Auto, LLC d/b/a Beck Ford Lincoln	Fund 103, Code Enforcement Fund; Cost Center 220110, Environmental Code Enforcement; Object Code 56401, Machinery & Equipment	$78,183	PD 19-20.046

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

All work associated with this recommendation was done in-house and no additional staff was required.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the Code of Ordinances of Escambia County, FL 1999, Chapter 46, Finance, Article II, Purchases and Contracts.

IMPLEMENTATION/COORDINATION:

The Office of Purchasing will issue the Purchase Order.

SPECIAL ACCOMMODATIONS:
Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing (850-595-4980) at least five (5) working days prior to the solicitation opening.

Notice

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee Vendor until such time as the contract is executed by the last party to the transaction.

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to Vendors of the local Vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and

2. Holds any business license required by Escambia County or Santa Rosa County, and

3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any Vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification and shall have the sole discretion to determine if a Vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **Community Redevelopment Area (CRA)** is within **seven percent (7%)** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **three percent (3%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within **two percent (2%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **four percent (4%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does

not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to Vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.

3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A Vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any Vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or

firm under the County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded, and the County may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

ESCAMBIA COUNTY, FLORIDA
INVITATION TO BID
BIDDER'S CHECKLIST
THREE (3) 2020 NISSAN PATHFINDER 4X4 (MODEL 25010)
OR APPROVED EQUIVALENT
SPECIFICATION PD 19-20.046

HOW TO SUBMIT YOUR BID:
Please review this document carefully. Offers that are accepted by the County are binding contracts. **Incomplete bids are not acceptable.** All documents and submittals shall be received by the Office of Purchasing on or before the date and hour specified for receipt. Late bids will be returned unopened.

* *Documents submitted with Bids are to be on the forms provided in the Invitation to Bid and photocopies of other required documents.*

THE FOLLOWING DOCUMENTS SHALL BE RETURNED WITH THE BID:
- Solicitation, Offer, and Bid Form. The Bid Form must contain an original signature in indelible ink. Bids with photocopies or scanned signatures will not be accepted.

THE FOLLOWING DOCUMENTS SHOULD BE RETURNED WITH THE BID:
- Sworn Statement Pursuant to Section 287.133(3)(A), Florida Statutes on Entity Crimes.
- Drug-Free Workplace Form.
- Information Sheet for Transactions and Conveyances Corporate Identification.
- Certificate of Authority to do Business from the State of Florida.
- Occupational License.

BEFORE YOU SUBMIT YOUR BID, HAVE YOU:
Placed your bid with all required submittal items in a sealed envelope, clearly marked for specification number, project name, name of bidder, and due date and time of bid receipt.

THE FOLLOWING DOCUMENTS ARE REQUIRED UPON NOTICE OF AWARD:

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A),
FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And (if applicable) its Federal Employer Identification Number (FEIN) is:

_____

If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with a convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that is not in the public interest to place the entity submitting this sworn statement on the convicted Vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY INDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Drug-Free Workplace Form

The undersigned Vendor, in accordance with Florida Statue 287.087 hereby certifies that _____ does:

(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in Paragraph One (1).

4. In the statement specified in Paragraph One (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or please of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on or require the satisfactory participation in a drug assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of Paragraphs 1 through 5.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 19-20.046, "Three (3) 2020 Nissan Pathfinder 4x4 (Model 25010) or Approved Equivalent", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the Bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.
Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for

or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Vehicle Requirements

This solicitation is for the purchase of one truck. The make and model used for purposes of a benchmark is a new/unused 2020 Nissan Pathfinder S V6 4X4 (Model 25010). The bid of equivalent or better non-Nissan equipment is encouraged. Please see Section 10 below for more details regarding the bid of non-Ram equipment.

The base equipment shall include all standard features for the model listed above as well as the following equipment:

Dodge Item Number	Item Description
Standard	Air Conditioning
Standard	Power Steering
Standard	Power Door Locks and Windows (typically standard through a cooperative purchasing agreement)
If Available	Full-Size Spare Tire
Standard	Exterior Color: White
Standard	Interior Color: Darkest Cloth Available
Standard	Engine: 3.5L Direct Injection V6 with 284 HP & 259 lb-ft torque (or equivalent)
Standard	Automatic Transmission

3. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. Last day for questions will be March 23, 2020 at 5:00 p.m. CDT.

4. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope, with Original signatures in indelible ink, and signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

5. Pre-Solicitation Conference

A Pre-Solicitation Conference will **NOT** be held.

6. F.O.B. Point

The F.O.B. point shall be destination within Escambia County. The prices offered shall include all costs of packaging, transporting, delivery and unloading **(this includes inside delivery if requested)** to designated point within Escambia County.

7. Delivery

Delivery is requested no later than ninety (90) calendar days after receipt of purchase order or release order. An estimated time of arrival is to be noted on the Bid Form. Any delays beyond ninety (90) calendar days and any change in the estimated time of arrival shall be coordinated with the project manager for this solicitation.

With delivery of the vehicle, the vendor shall provide the County with the Manufacturer's Statement of Origin or Manufacturer's Certificate of Origin, as applicable. Delivery of the vehicle(s) **shall not** be accepted by the County and payment for the vehicle(s) shall not be made without the original Manufacturer's Statement of Origin or Manufacturer's Certificate of Origin, as applicable.

8. Payment

Partial payments in the full amount for the value of items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents if required. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

9. Information and Descriptive Literature

Offerors shall furnish all information requested and in the space provided on the Bid form, if any. Furthermore, each Offeror offering an alternate other than the brand(s) specified shall submit with his offer, descriptive literature and/or complete specifications covering the products offered. Reference to literature submitted with a previous offer will not satisfy this provision. Offers which do not comply with these requirements shall be subject to rejection.

10. Brand/Manufacturer Referenced

Reference vehicle manufacturer indicated. Products similar in design and equal in function and performance will also be considered. The County respectfully requests that any firm wishing to submit a bid on a make and model other than what is noted in Section 2 above submit vehicle make, model, and description for review and approval prior to the end of the period for submitting questions, the date and time of which are noted in Section 3 above. No pricing shall be submitted with the request for approval of a particular make/model.

Alternate offers shall include detailed specifications and/or descriptive literature. Failure to include such specifications or literature may be cause for disqualification of the offer.

11. Equivalents

Please note the clause "manufacturer's name and approved equivalents" in general conditions on the cover sheet. In addition to the equivalency requirement, Vendors offering equivalent items shall meet the general design and style given for the "as specified" item.

Vendors offering equivalent to the "as specified" item(s) shall submit detailed specifications to the Office of Purchasing for evaluation purposes in their Bid Response. Each particular specification which the equivalent item does meet shall be listed along with detailed specification sheet.

12. Equipment/Service

The scope of these specifications is to insure the delivery of a complete unit ready for operation. Omission of any essential detail from these specifications does not relieve the awarded Vendor from furnishing a complete unit.

All equipment shall be new, of current manufacturer in production at the time of solicitation opening and carry standard warranties. The awarded Vendor shall service all equipment prior to delivery.

Offers will be considered only on equipment which can, on short notice, be serviced and maintained by the successful Offeror. At the time of solicitation opening, the Offeror shall be an authorized dealer, distributor, and/or representative of the manufacturer for the brand/model being offered. For the purposes of this solicitation, dealer, distributor, and/or representative means a firm or person that owns, operates, or maintains a store, warehouse, or other establishment in which materials, supplies, parts, articles, or equipment of the general character described in the specifications are bought, kept in stock and sold commercially or to the public in the usual course of business. The Offeror shall maintain a normal supply of repair parts and be equipped with personnel and facilities to provide such service as necessary to keep the equipment in operation with a minimum delay. Failure to meet these requirements, in the County's sole opinion, may be cause for rejection.

13. Assembly and/or Placement

All items shall be completely assembled when delivered to Escambia County.

All items shall be completely assembled by the awarded Vendor prior to acceptance by Escambia County. It will be the responsibility of the awarded Vendor to supply the necessary labor and materials for the placement of all equipment as specified herein. Equipment is to be set-up, serviced, tested and demonstrated at no charge to Escambia County.

14. Manuals

The following manuals, in the quantities indicated, shall be delivered with each piece of equipment:

Operation manual 1 copy Cost of Additional Copies $_____
Parts manual 1 copy Cost of Additional Copies $_____
Repair manual 1 copy Cost of Additional Copies $_____

In addition to the above, the equipment shall be delivered with the following documents as applicable:

A. Statement of origin

B. Warranty certifications

C. Copy of pre-delivery service report

D. DHSMV-82040, Application for certificate of title/registration.

E. Sales tax exemption form (if required).

F. Forward all title work to:

Road Department/Fleet Division
Attn: James Higdon
601 Highway 297-A
Cantonment, Florida 32533

G. Check for excess mileage (when applicable) - Payable to, Clerk of the Circuit Court.

15. Evaluation of Options

The County shall evaluate offers for award purposes by adding the total price. However, the evaluation of options will not obligate the County to exercise the option(s).

16. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

17. Award

Award shall be made on an "all-or-none total" basis.

18. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from

any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

19. As Specified

All items delivered shall meet the specifications herein. Items delivered not as specified will be returned at no expense by Escambia County. The County may return, for full credit, any unused items received which fail to meet the County's performance standards.

Non-Contract Insurance Requirements

20. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor’s work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor’s interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.
The contractor is required to continue to purchase products and completed

operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

Escambia County
Attention: Jeffrey Lovingood, Purchasing Coordinator
Office of Purchasing, Room 11.101
213 Palafox Place, 2nd Floor
Pensacola, FL 32502

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17726 **County Administrator's Report 12. 39.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Award of a Purchase Order for Casino Beach Artificial Reef Construction Project
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Award of a Purchase Order for the Casino Beach Artificial Reef Construction Project for the Natural Resources Management Department - Tim Day, Branch Director, Natural Resources Management, and Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve and authorize the County Administrator to sign a Purchase Order, in excess of $50,000, for the construction and installation of Artificial Reefs at Casino Beach to David Walter d/b/a Walter Marine, in the amount of $59,500, per the terms and conditions of PD 19-20.020, Casino Beach Artificial Reef Construction Project.

The scope is to deploy 17 reef modules with three eco-disks per module. The department will request installation/deployment according to the bathymetry within the permitted area at the time of deployment and may have to modify the number of eco-disks per module, but not the total number of modules or eco-discs deployed.

Vendor/Contractor	Funding	Amount	Contract Number
David Walter d/b/a Walter Marine	Funding: Fund 110, Other Grants and Projects Cost Center 220813, FWC Artificial Reef Grant Object Code 56301, Improvements Other Than Buildings	$59,500	PD 19-20.020

The full amount of $59,500 is funded by the Florida Fish and Wildlife Conservation Commission (FWC). No Escambia County monies or cash matching funds are required by the Grant Agreement (FWC 19041) for the construction of Casino Beach Snorkeling reef. Construction must be completed by August 1, 2020.

Specification PD 19-20.020, Casino Beach Artificial Reef Construction Project, was posted to Vendor Registry on February 14, 2020, and issued to 56 registrants, representing 43 firms. The solicitation was viewed by 35 firms and downloaded by 27 firms.

NON-ADA-COMPLIANT DOCUMENTS TO BE DISTRIBUTED UNDER SEPARATE COVER:

- Bid Response from David Walter d/b/a Walter Marine

BACKGROUND:

Specification PD 19-20.020, Casino Beach Artificial Reef Construction Project, was posted to Vendor Registry on February 14, 2020 and issued to 56 registrants representing 43 firms. The solicitation was viewed by 35 firms and downloaded by 27 firms.

On March 16, 2020, one bid response was received from David Walter d/b/a Walter Marine. The Selection/Negotiation Committee reviewed the bid response and deemed that David Walter d/b/a Walter Marine was satisfactorily qualified to perform the work required and the pricing quoted suited the budget provided by the FWC Grant. The Selection/Negotiation Committee then voted to select David Waler d/b/a Walter Marine without further negotiation for a lump sum amount of $59,500.

The plan is to deploy 17 reef modules with three eco-disks per module. The department will request installation/deployment according to the bathymetry within the permitted area at the time of deployment and may have to modify the number of eco-disks per module, but not the total number of modules or eco-discs deployed.

The full amount of $59,500 is funded by the Florida Fish and Wildlife Conservation Commission (FWC). No Escambia County monies or cash matching funds are required by the Grant Agreement FWC 19041 for the construction of Casino Beach Snorkeling reef. Construction must be completed by August 1, 2020.

BUDGETARY IMPACT:

Vendor/Contractor	Funding	Amount	Contract Number

David Walter d/b/a Walter Marine	Funding: Fund 110, Other Grants and Projects Cost Center 220813, FWC Artificial Reef Grant Object Code 56301, Improvements Other Than Buildings	$59,500	PD 19-20.020

The full amount of $59,500 is funded by the Florida Fish and Wildlife Conservation Commission (FWC). No Escambia County monies or cash matching funds are required by the Grant Agreement (FWC 19041) for the construction of Casino Beach Snorkeling reef. Construction must be completed by August 1, 2020.

LEGAL CONSIDERATIONS/SIGN-OFF:

N/A

PERSONNEL:

All work associated with this Recommendation was done in-house and no additional staff was required.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the Code of Ordinances of Escambia County, FL 1999, Chapter 46, Finance, Article II, Purchases and Contracts.

IMPLEMENTATION/COORDINATION:

The Office of Purchasing will issue the Purchase Order.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And (if applicable) its Federal Employer Identification Number (FEIN) is:

_____

If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

    c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state

or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with a convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that is not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY INDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Drug-Free Workplace Form

The undersigned vendor, in accordance with Florida Statue 287.087 hereby certifies that _____ does:

(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in Paragraph One (1).

4. In the statement specified in Paragraph One (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or please of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on, or require the satisfactory participation in a drug assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of Paragraphs 1 through 5.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 19-20.020, "Casino Beach Artificial Reef Construction Project", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the proposals are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Pre-Solicitation Conference

A Non-Mandatory Pre-Solicitation Conference will be held at the Office of Purchasing in Conference Room #11.407 on February 27, 2020 at 10:00 a.m. CST.

It is strongly encouraged that all potential bidders attend this non-mandatory conference so they can ask questions and be automatically notified of any updates prior to the Proposal Opening.

3. Liquidated Damages

Liquidated damages per FWC Agreement No: 19041, See Attachment A.

4. Compliance with Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.
Offeror further certifies that, if he is the awarded vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the vendor.

5. Codes and Regulations

The awarded vendor shall strictly comply with all federal, state and local safety codes.

6. Payment

Partial billing will not be accepted. Escambia County will pay 100% of the contract price after all items have been delivered and accepted. Payment for accepted

equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 South Palafox Place
Pensacola, FL 32502

7. Service

The scope of these specifications is to insure the delivery of a complete reef module ready use. Omission of any essential detail from these specifications does not relieve the awarded vendor from furnishing a complete unit.

8. Assembly and/or Placement

All items shall be satisfactorily deployed at the Permitted Reef site by the awarded vendor prior to acceptance by Escambia County and FWC. It will be the responsibility of the awarded vendor to supply the necessary labor and materials for the placement of all modules as specified herein in compliance with FWC agreement #19041 and permits.

9. Permits

The County has obtained all known permits for this project.

10. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall be between Escambia County and the awarded vendor and shall include 100% of the terms and conditions of the FWC Agreement #19041 attached herein Exhibit B to this solicitation.

B. The Escambia County Marine Resources department(s) shall issue release (purchase) orders against the agreement.

C. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

D. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

11. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work).

PD 19-20.020
Casino Beach Artificial Reef Construction Project
Request for Proposal

PART I GENERAL INFORMATION

1-1 PURPOSE

The Board of County Commissioners of Escambia County is seeking the Professional Services of a qualified contractor to construct a marine artificial reef that will consist of at least seventeen (17) pre-fabricated piling-mounted concrete reef modules, and deploy the constructed reef modules at designated locations within the boundaries of the Casino Beach Snorkeling Reef permitted area.

1-2 OBJECTIVE

The Primary objective of The RFP is the selection of the most qualified and experienced Contractor to perform the scope of work that is most advantageous to the County.

1-3 ISSUING OFFICER

The project Director shall be Janice P. Gilley, County Administrator. The liaison officer shall be Robert Turpin, Director, Marine Resource Division. The contracting agency shall be the Escambia County Board of Commissioners, c/o the Office of Purchasing, P.O. Box 1591, Pensacola, Florida, 32597-1591.

1-4 CONTRACT CONSIDERATION

It is expected that the contract shall be a **lump sum contract for manufacture, transport and deployment of reef module** after negotiation.

1-5 REJECTION

The right is reserved by the Board of County Commissioners to accept or reject any or all proposals or to waive any informality, existing in any proposal, or to accept the proposal which best serves the interest and intent of this project and is from the most responsive and responsible proposer.

1-6 INQUIRIES

Questions regarding this Request for Proposal shall be directed to Jeffrey Lovingood, Purchasing Coordinator, JDLovingood@myescambia.com. Last day for questions is March 6, 2020 at 5:00 p.m. CST.

1-7 ADDENDA

Any changes made in the Request for Proposal shall be brought to the attention of all of those who have provided the proper notices of interest in performing the services.

1-8 SCHEDULE

The following schedule shall be adhered to in so far as practical in all actions related to this procurement:

A. Mailing date of proposals……**February 14, 2020**

B. Non-Mandatory Pre-Solicitation Conference
February 27, 2020 at 10:00 a.m., CST

C. Last day for questions….....**March 6, 2020 at 5:00 p.m., CST**

D. Receipt of proposals.....**March 16, 2020 at 2:00 p.m., CST**

E. Short-List Meeting…….....**March 24, 2020 at 10:00 a.m., CST**

F. Discussions/Ranking ……..**April 1, 2020 at 1:00 p.m., CST**

G. 1st Negotiations ……**April 14, 2020 at 10:00 a.m., CST**

H. 2nd Negotiations (if needed)……..**April 17, 2020 at 1:00 p.m., CST**

I. Board of County Commissioners.....**May 07, 2020**

1-9 PROPOSAL CONTENT AND SIGNATURE

One original of the proposal shall be required with all copies having been signed by a company official with the power to bind the company in its proposal, one CD or flash drive containing the entire proposal, and shall be completely responsive to the RFP for consideration.

1-10 NEGOTIATIONS

The contents of the proposal of the successful firm shall become a basis for contractual negotiations.

1-11 RECOMMENDED PROPOSAL PREPARATION GUIDELINES

All contractors shall provide a straight forward and concise description of their ability to meet the RFP requirements. The proposal shall clearly show the technical approach to include work tasks, estimated time phasing and the proposed approach rational.

Proposals require submittal of a detailed Project Plan. The detailed Project Plan will include identification of key personnel (with reef construction/deployment experience), identification and description of deployment vessel(s) (name/Doc. #, size, propulsion, capacity (tonnage), navigation equipment, etc. Detailed Project Plan will include deployment capacity/capability and deployment rate. Detailed Project Plan will also include deployment techniques/ procedures and means of providing documentation of reef placement (orientation/placement coordinates/condition on the seafloor).

1-12 PRIME CONTRACT RESPONSIBILITIES

The selected contractor shall be required to assume responsibility for all services offered in his proposal. The selected contractor shall be the sole point of contact with regard to contractual matters including payments of any and all changes resulting from the contract.

1-13 DISCLOSURE

All information submitted in response to this RFP shall become a matter of public record, subject to Florida Statutes regarding public disclosure.

1-14 DELAYS

The Project Director reserves the right to delay scheduled due dates if it is to the advantage of the project.

1-15 WORK PLAN CONTROL

Control of the work plan to be developed under the RFP shall remain totally with the Escambia County Board of Commissioners.

1-16 METHOD OF PAYMENT

Payment schedule and basis of payment shall be negotiated.

PART II INFORMATION REQUIRED FROM CONTRACTORS

Exhibit A – Scope Document/Selection Criteria/Insurance

Casino Beach Artificial Reef Construction Project

This solicitation is for:

A. OBJECTIVE

The objective of this activity is to construct a marine artificial reef that will consist of at least seventeen (17) prefabricated piling-mounted concrete reef modules and deploy the constructed reef modules at designated locations within the boundaries of the Casino Beach Snorkeling Reef permitted area. Each prefabricated reef module must be at least three (3) feet tall, have a width of at least four (4) feet, and be mounted on a piling embedded at least twelve (12) feet into the seafloor. The deployment site is located approximately 500 feet offshore of Santa Rosa Island at a depth range of approximately nine (9) to sixteen (16) feet. The modules must meet the required navigational clearance and the contractor will comply with all conditions within state and federal permits (attached), grant agreement (attached), county policies (per Purchase Order) as well as any and all applicable local, state and federal laws and regulations.

B. SITE LOCATION

This deployment site is within the Casino Beach Snorkeling Reef permitted area, a currently active permitted artificial reef area located approximately 8.7 nm east of Pensacola Pass (See attached permit maps, drawings, locations, etc.). The depth in the deployment area ranges from a minimum of approximately 6 ft MLLW at the northernmost site to 12 ft MLLW at the southernmost site (See Permit: Attachment B). HOWEVER, natural hydrogeodymanics processes may yield substantially different water depths at the time of deployment, therefore exact locations of each module deployment may differ from plans. If this occurs, Escambia County Marine Resources Division Manager will consult with permitting agencies and Florida Fish and Wildlife Conservation Commission to determine appropriate course of action.

Casino Beach Permitted Area Center Coordinate
(See attached permits)

Casino Beach Permitted Area Corner Coordinates
(See attached permits)

DEPLOYMENT SITE COORDINATES
(See attached permits)

C. MATERIALS

1. The artificial patch reef must consist of **at least seventeen (17)** pre-fabricated concrete artificial reef modules acceptable to Escambia County and the Florida Fish and Wildlife Conservation Commission. Reef materials must provide stable and durable artificial reef habitat. Pre-fabricated reef modules must be composed of marine grade concrete with a minimum strength of 4,000 pounds per square inch (psi).

2. All pre-fabricated modules must be at least 3 feet tall with a width of at least 4 feet, and securely mounted on center piling embedded at least 12 ft into the substrate to prevent movement due to oceanographic forces associated with the shallow water depth. Any pre-fabricated modules that are a concrete disc/layer design should have a concrete thickness of at least 4 inches and have a minimum gap of at least 4 inches between discs/layers. Other concrete reef modules must be constructed with a minimum of 4 inch thickness. Thorough descriptions, including scaled and labeled drawings showing all dimensions must be provided for all proposed reef materials.

3. Payment for loading, transporting and deploying the materials will be based on a cost per unit basis. Materials that are placed within the boundaries of the permitted area, completely intact and in an upright position will be reimbursed at the full unit cost. Materials that are damaged during loading, transport or deployment operations will be replaced with materials to the satisfaction of Escambia County that the materials are as specified in contractor's proposal and in compliance with all permit conditions, regulations, etc. Contractor will remove any unsatisfactory materials from the reef site.

4. The piling of each deployed pre-fabricated concrete module must be vertical within 10 degrees.

5. The contractor agrees to allow Escambia County to conduct on-site inspections of the artificial reef materials before, during and after the deployment. All materials must demonstrate successful longevity of at least nine (9) years within the nearshore environment of the Gulf of Mexico or area of similar (or stronger) hydrodynamic forces. Any proposed reef materials which do not meet the minimum longevity criterion must have an Engineer's statement that the proposed module meets or exceeds the nine-year criterion, within the wave climate of the Gulf of Mexico at the proposed site. All calculations should be included with applicant's proposal to allow Escambia County to verify calculations.

D. LOADING AND TRANSPORTATION

1. Artificial reef materials will be loaded using a suitable means of conveyance onto a barge or other suitable vessel for offshore transportation to the designated artificial reef deployment site. Offshore transportation shall be provided by a sufficiently powered transport or towing vessel, and shall include the necessary personnel and equipment to safely transport and deploy the reef material. Reef material loaded onto the transporting vessel must be properly secured in compliance with Coast Guard standards to allow for its safe transport to the reef construction site.

2. All operations shall be conducted during daylight hours and only with the Escambia County Project Manager or designee onsite.

3. The loading, transport, and deployment operations shall be scheduled by the Contractor with at least five (5) days of advance notice to the Escambia County Project Manager and only when sea height conditions are predicted to be no greater than three feet in the deployment area as forecasted by the nearest NOAA weather office. The Escambia County Project Manager shall coordinate with the Contractor on the decision whether to go ahead with the scheduled loading, transport, and deployment of reef materials based on actual conditions on the day of the scheduled operation.

4. The Contractor shall keep a cargo manifest and a copy of the reef permit conditions during transport and deployment of the materials on board the powered transport or towing vessel. The documents will be provided to the Contractor by the Escambia County Project Manager prior to any deployment.

E. DEPLOYMENT AND MATERIALS PLACEMENT

1. During the deployment of the artificial reef material, the transport vessel must be securely in place with minimal movement (<50 feet) to ensure accurate placement of each pre-fabricated concrete module on the seafloor.

2. Deployment operations will only be initiated when sea height in the operations area is no greater than three feet as forecast by the nearest NOAA weather office. Either the Contractor's observer, the Escambia County observer or the Contractor's vessel captain reserves the right to suspend off-loading operations if positioning and other deployment objectives, including safety of personnel and equipment, are not being met.

3. All 17 pre-fabricated reef modules will be strategically deployed in a line perpendicular to the shoreline to create a single patch reef within the north quadrant of the Casino Beach Snorkel Reef permitted area. Each pre-fabricated reef module will be placed within 15 feet of target coordinates, no more than 30 feet apart (nor closer than 15 feet) from the adjacent pre-fabricated reef module. Reef modules will be deployed beginning with the northern-most sites and continue southward in geospatial order. Any modules not meeting these standards must be removed and relocated or replaced in compliance with the enclosed standards.

4. The minimum vertical clearance of six (6) feet below mean low water elevation shall be maintained above the highest point of the reef material in accordance with the special conditions of the US Army Corps of Engineers permit number SAJ-2106-03221. The design of the pre-fabricated modules should be adjusted to ensure that the minimum vertical clearance is maintained throughout the changing depth inside the Casino Beach Snorkel Reef permitted area. Piling embedment must meet minimum of 12 feet. Any modules not meeting these standards must be removed and relocated or replaced in compliance with the enclosed standards.

5. It is the responsibility of the Contractor to ensure that the placement of the materials occurs within the boundaries of the deployment area and that the minimum vertical clearance is maintained for each deployment. Any modules not meeting these standards must be removed and relocated or replaced in compliance with the enclosed standards.

6. All artificial reef construction and deployments must be completed by August 1, 2020.

F. LIQUIDATED DAMAGES

1. Services will be a per unit payment upon completion of the entire project minus any liquidated damages.

2. Only the number of reef modules satisfactorily deployed prior to the August 1, 2020 completion date will be accepted for payment. Liquidated damages of $500 per module for any contracted modules not satisfactorily deployed by August 1, 2020.

3. The Escambia county representative must provide pictures and/or video of each damaged module as documentation for any damages that are assessed. If no documentation of damages has been provided to the Contractor within the first 15 days of project completion then the Contractor can proceed to invoice Escambia County for the full amount of the project.

4. The invoice shall include a breakdown of costs and show separate lines items for each module/type. The invoice shall be submitted to the Escambia County representative within fifteen days of project completion, but after the 15-day County inspection period.

NOTICE:

Prospective proposers are hereby notified that awarded contract will include all terms and conditions in permit documents and Agreement FWC-19041. Contractors must comply with aforementioned terms and conditions, as well as all applicable federal, state and local laws and regulations. Prospective proposers are responsible for reading and understanding aforementioned permits, agreement, etc. prior to submitting proposal.

Selection Criteria

Ranking/Selection Criteria *
(See FWC-19041 Attachment A-Scope of Work for additional information)

1. Module Construction/Durability 20 Percent

1a. Detailed description of modules (drawings/plans with specifications)
1b. Materials “thickness” in inches
1c. Concrete specifications (psi, admixes, etc.) (must be at least 4000psi)
1d. Module lifting point(s)
1e. Existing inventory and/or manufacturing capacity
1f. Performance record/durability (in years)
1g. Reinforcement type/quantity

2. Habitat Value 20 Percent

2a. Module height
2b. Module complexity (diversity of module features to provide “habitat complexity” for marine life)
2c. Module(s) diversity (>1 module type/design/size?)

2d. Module footprint (sq. ft.)
2e. Module interior volume
2f. Surface area (sq. ft. of external surface area, area of openings subtracted)

3. Horizontal and Vertical Stability 20 Percent

3a. Weight & Density (LBS & LBS/cubic ft.)
3b. Module Shape
3c. Embedment depth and features to minimize subsidence
3d. Performance record (in years) and/or engineering analysis

4. Deployment Capability 20 Percent

4a. Experience in deployment of proposed reef modules (Dates, Locations, Permit #s, Contact Names/info, etc)
4b. Equipment specifications of vessels, cranes, etc.
4c. Deployment technique
4d. Documentation methods/equipment/deliverables
4e. Performance record
4f. Detailed “Project Plan”
4g. Deployment quantity (# of modules) per voyage

5. Price 20 Percent

5a. Cost per module, deployed on seafloor as specified by MRD

If more than one module size, etc. (within this “reef module design concept”) is proposed, please specify the cost per module for each module type. (Reef modules with lower unit costs are preferred).

Insurance Requirements

Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the

contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. <u>Workers Compensation Coverage</u>

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. <u>General, Automobile and Excess or Umbrella Liability Coverage</u>

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the

worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general

liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Email: Purchasing@myescambia.com

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Watercraft Liability Coverage

Because the contractor's provision of services involves utilization of watercraft, watercraft liability coverage must be provided to include bodily injury and property damage arising out of ownership, maintenance or use of any watercraft, including owned, non-owned and hired.

Coverage may be provided in the form of an endorsement to the general liability policy, or in the form of a separate policy covering watercraft liability or protection and indemnity.

I. United States Longshoremen and Harborworkers Act Coverage

The worker's compensation policy is to be endorsed to include United States Longshoremen and Harborworker's Act coverage for exposures, which may arise from this agreement or contract.

J. Jones Act Coverage

The worker's compensation policy is to be endorsed to include Jones Act Coverage for exposures which may arise from this agreement or contract.

K. Pollution/Environmental Impairment Liability Coverage

Pollution/environmental impairment liability insurance is to be purchased to cover

pollution and/or environmental impairment which may arise from this agreement or contract.

Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

Escambia County

FWC Agreement No. **19041**

STATE OF FLORIDA
FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION

AGREEMENT NO. 19041

CFDA Title(s): Federal Aid in Sportfish Restoration	**CFDA No(s).:** 15.605
Name of Federal Agency(s): U.S. Fish and Wildlife Service	
Federal Award No(s): FL-F-F19AF01071	**Federal Award Year(s):** 2019-2020
Federal Award Name(s): Marine Artificial Reef Planning, Development, Administration, and Assessment in Florida	
CSFA Title(s).: Florida Artificial Reef Program	**CSFA No(s).:** n/a
State Award No(s).: FWC-19041	**State Award Year(s):** n/a
State Award Name(s): Escambia County Artificial Reef Construction 2019-20	

Date: 10/21/19 Verified By:

This Agreement is entered into by and between the Florida Fish and Wildlife Conservation Commission, whose address is 620 South Meridian Street, Tallahassee, Florida 32399-1600, hereafter "**Commission**," and Escambia County Board of County Commissioners, FEID # 59-6000598, whose address is **3363 Park Place, Pensacola, FL 32505**, hereinafter "**Grantee**."

WHEREAS, the Commission and Grantee have partnered together to construct one artificial reef complex by deploying at least 17 pre-fabricated reef modules; and,

WHEREAS, Grantee has been awarded Escambia County Artificial Reef Construction 2019-20 / FWC-19041; and,

WHEREAS, such benefits are for the ultimate good of the State of Florida, its resources, wildlife, and public welfare.

NOW THEREFORE, the Commission and the Grantee, for the considerations hereafter set forth, agree as follows:

1. **PROJECT DESCRIPTION.**

The Grantee shall provide the services and perform the specific responsibilities and obligations, as set forth in the Scope of Work, attached hereto as Attachment A and made a part hereof (hereafter, Scope of Work). The Scope of Work specifically identifies project tasks and accompanying deliverables. These deliverables must be submitted and approved by the Commission prior to any payment. The Commission will not accept any deliverable that does not comply with the specified required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable. If this agreement is the result of Grantee responses to the Commission's request for competitive or other grant proposals, the Grantee's response is hereby incorporated by reference.

2. PERFORMANCE.

The Grantee shall perform the activities described in the Scope of Work in a proper and satisfactory manner. Unless otherwise provided for in the Scope of Work, any and all equipment, products or materials necessary or appropriate to perform under this Agreement shall be supplied by the Grantee. Grantee shall obtain all necessary local, state, and federal authorizations necessary to complete this project, and the Grantee shall be licensed as necessary to perform under this Agreement as may be required by law, rule, or regulation; the Grantee shall provide evidence of such compliance to the Commission upon request. The Grantee shall procure all supplies and pay all charges, fees, taxes and incidentals that may be required for the completion of this Agreement. By acceptance of this Agreement, the Grantee warrants that it has the capability in all respects to fully perform the requirements and the integrity and reliability that will assure good-faith performance as a responsible Grantee. Grantee shall immediately notify the Commission's Grant Manager in writing if its ability to perform under the Agreement is compromised in any manner during the term of the Agreement. The Commission shall take appropriate action, including potential termination of this Agreement pursuant to Paragraph eight (8) below, in the event the Grantee's ability to perform under this Agreement becomes compromised.

3. AGREEMENT PERIOD.

A. **Agreement Period and Commission's Limited Obligation to Pay.** This Agreement is made pursuant to a grant award and shall be effective upon execution by the last Party to sign, and shall remain in effect through **08/31/2020**. However, as authorized by Rule 68-1.003, F.A.C., referenced grant programs may execute Agreements with a retroactive start date of no more than sixty (60) days, provided that approval is granted from the Executive Director or his/her designee and that it is in the best interest of the Commission and State to do so. For this agreement, the retroactive start date was not approved. The Commission's Grant Manager shall confirm the specific start date of the Agreement by written notice to the Grantee. The Grantee shall not be eligible for reimbursement or compensation for grant activities performed prior to the start date of this Agreement nor after the end date of the Agreement. For this agreement, preaward costs are not eligible for reimbursement. If necessary, by mutual agreement as evidenced in writing and lawfully executed by the Parties, an Amendment to this Agreement may be executed to lengthen the Agreement period.

4. COMPENSATION AND PAYMENTS.

A. **Compensation.** As consideration for the services rendered by the Grantee under the terms of this Agreement, the Commission shall pay the Grantee on a cost reimbursement basis in an amount not to exceed **$59,500**.

B. **Payments.** The Commission shall pay the Grantee for satisfactory performance of the tasks identified in Attachment A, Scope of Work, as evidenced by the completed deliverables, upon submission of invoices, accompanied by supporting documentation sufficient to justify invoiced expenses or fees, and after acceptance of services and deliverables in writing by the Commission's Grant Manager identified in Paragraph ten (10), below. Unless otherwise specified in the Scope of Work, invoices shall be due monthly, commencing from the start date of this Agreement. Invoices must be legible and must clearly reflect the Deliverables that were provided in accordance with the terms of the Agreement for the invoice period. Unless otherwise specified in the Scope of Work, a final invoice shall be submitted to the Commission no later than forty-five (45) days following the expiration date of this Agreement to assure the availability of funds for payment. Further, pursuant to Section 215.971(1)(d), F.S., the Commission may only reimburse the Grantee for

allowable costs resulting from obligations incurred during the agreement period specified in Paragraph three (3).

C. **Invoices.** Each invoice shall include the Commission Agreement Number and the Grantee's Federal Employer Identification (FEID) Number. Invoices, with supporting documentation, may be submitted electronically to the attention of the Commission's Grant Manager identified in Paragraph ten (10), below. If submitting hard copies, an original and two (2) copies of the invoice, plus all supporting documentation, shall be submitted. All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. Grantee acknowledges that the Commission's Grant Manager shall reject invoices lacking documentation necessary to justify invoiced expenses.

D. **Match.** Pursuant to grant program guidelines, the Grantee is not required to contribute non-federal match towards this Agreement. If applicable, details regarding specific match requirements are included in Attachment A, Scope of Work.

E. **Travel Expenses.** If authorized in Attachment A, Scope of Work, travel expenses shall be reimbursed in accordance with Section 112.061, F.S.

F. **State Obligation to Pay.** The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation and authorization to spend by the Legislature. The Parties hereto understand that this Agreement is not a commitment to future appropriations, but is subject to appropriation and authority to spend provided by the Legislature. The Commission shall be the final authority as to the availability of funds for this Agreement, and as to what constitutes an "annual appropriation" of funds to complete this Agreement. If such funds are not appropriated or available for the Agreement purpose, such event will not constitute a default on behalf of the Commission or the State. The Commission's Grant Manager shall notify the Grantee in writing at the earliest possible time if funds are not appropriated or available.

G. **Non-Competitive Procurement and Rate of Payment.** Section 216.3475, F.S., requires that under non-competitive procurements, a Grantee may not receive a rate of payment in excess of the competitive prevailing rate for those services unless expressly authorized in the General Appropriations Act. If applicable, Grantee warrants, by execution of this Agreement, that the amount of non-competitive compensation provided in this Agreement is in compliance with Section 216.3475, F.S.

H. **Time Limits for Payment of Invoices.** Payments shall be made in accordance with Sections 215.422 and 287.0585, F.S., which govern time limits for payment of invoices. Section 215.422, F.S. provides that agencies have five (5) working days to inspect and approve Deliverables, unless the Scope of Work specifies otherwise. If payment is not available within forty (40) days, measured from the latter of the date the invoice is received or the Deliverables are received, inspected and approved, a separate interest penalty set by the Department of Financial Services pursuant to Section 55.03(1), F.S., will be due and payable in addition to the invoice amount. Invoices returned to a Grantee due to preparation errors will result in a payment delay. Invoice payment requirements do not start until a properly completed invoice is provided to the agency.

I. **Electronic Funds Transfer.** Grantee agrees to enroll in Electronic Funds Transfer (EFT), offered by the State's Chief Financial Officer, within thirty (30) days of the date the last Party has signed this Agreement. Copies of the Authorization form and a sample blank enrollment letter can be found on the vendor instruction page at:

http://www.fldfs.com/aadir/direct_deposit_web/Vendors.htm

Questions should be directed to the State of Florida's EFT Section at (850) 413-5517. Once enrolled, invoice payments will be made by EFT.

J. **Vendor Ombudsman.** A Vendor Ombudsman, whose duties include acting as an advocate for vendors who may be experiencing problems in obtaining timely payment(s) from a State agency, may be contacted at (850) 413-5516 or by calling the Chief Financial Officer's Hotline, (800) 342-2762.

5. **RETURN OR RECOUPMENT OF FUNDS.**

A. **Overpayment to Grantee.** Pursuant to Section 215.971(1)(e)&(f), F.S., the Grantee shall return to the Commission any overpayments due to unearned funds or funds disallowed pursuant to the terms of this Agreement that were disbursed to Grantee by the Commission. In the event the Grantee or its independent auditor discovers that overpayment has been made, the Grantee shall repay said overpayment within forty (40) calendar days without prior notification from the Commission. In the event the Commission first discovers an overpayment has been made, the Commission will notify the Grantee in writing. Should repayment not be made in a timely manner, the Commission shall be entitled to charge interest at the lawful rate of interest established pursuant to Section 55.03(1), F.S., on the outstanding balance beginning forty (40) calendar days after the date of notification or discovery. Refunds should be sent to the Commission's Grant Manager, and made payable to the "The Florida Fish and Wildlife Conservation Commission."

B. **Additional Costs or Monetary Loss Resulting from Grantee Non-Compliance.** If the Grantee's non-compliance with any provision of the Agreement results in additional cost or monetary loss to the Commission or the State of Florida to the extent allowed by Florida Law, the Commission can recoup that cost or loss from monies owed to the Grantee under this Agreement or any other agreement between Grantee and the Commission. In the event the discovery of this cost or loss arises when no monies are available under this Agreement or any other agreement between the Grantee and the Commission, the Grantee will repay such cost or loss in full to the Commission within thirty (30) days of the date of notice of the amount owed, unless the Commission agrees, in writing, to an alternative timeframe. If the Grantee is unable to repay any cost or loss to the Commission, the Commission shall notify the State of Florida, Department of Financial Services, for resolution pursuant to Section 17.0415, F.S.

6. **COMMISSION EXEMPT FROM TAXES, PROPERTY EXEMPT FROM LIEN.**

A. **Commission Exempt from Taxes.** The Grantee recognizes that the State of Florida, by virtue of its sovereignty, is not required to pay any taxes on the services or goods purchased under the terms of this Agreement. Grantee is placed on notice that this exemption generally does not apply to nongovernmental entity recipients, subrecipients, contractors, or subcontractors. Any questions regarding this tax exemption should be addressed to the Commission Grant Manager.

B. **Property Exempt from Lien.** If the Grant involves the improvement of real property titled to the State of Florida, then the following paragraph applies:

> The Grantee acknowledges that Property being improved is titled to the State of Florida, and is not subject to lien of any kind for any reason. The Grantee shall include notice of such exemptions in any subcontracts and purchase orders issued hereunder.

7. MONITORING.

The Commission's Grant Manager shall actively monitor the Grantee's performance and compliance with the terms of this Agreement. The Commission reserves the right for any Commission staff to make scheduled or unscheduled, announced or unannounced monitoring visits. Specific State and Federal monitoring terms and conditions are found in Attachment B, Audit Requirements. Additionally, monitoring terms, conditions, and schedules may be included in Attachment A, Scope of Work.

8. TERMINATION.

A. **Commission Termination.** The Commission may unilaterally terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar days of written notice of its intent to terminate. The Grantee shall not be entitled to recover any cancellation charges or lost profits. The Grantee may request termination of the Agreement for convenience.

B. **Termination – Fraud or Willful Misconduct.** This Agreement shall terminate immediately in the event of fraud or willful misconduct. In the event of such termination, the Commission shall provide the Grantee with written notice of termination.

C. **Termination – Other.** The Commission may terminate this Agreement if the Grantee fails to: 1.) comply with all terms and conditions of this Agreement; 2.) produce each deliverable within the time specified by the Agreement or extension; 3.) maintain adequate progress, thus endangering the performance of the Agreement; or, 4.) abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), F.A.C., governs the procedure and consequences for default. The rights and remedies of the Commission in this clause are in addition to any other rights and remedies provided by law or under the Agreement. The Grantee shall not be entitled to recover any cancellation charges or lost profits.

D. **Termination - Funds Unavailability.** In the event funds to finance this Agreement become unavailable or if federal or state funds upon which this Agreement is dependent are withdrawn or redirected, the Commission may terminate this Agreement upon no less than twenty-four (24) hours' notice in writing to the Grantee. Said notice shall be delivered by certified mail, return receipt requested or in person with proof of delivery. The Commission shall be the final authority as to the availability of funds and will not reallocate funds appropriated for this Agreement to another program thus causing "lack of funds." In the event of termination of this Agreement under this provision, the Grantee will be compensated for any work satisfactorily completed and any non-cancellable obligations properly incurred prior to notification of termination.

E. **Grantee Discontinuation of Activities upon Termination Notice.** Upon receipt of notice of termination, the Grantee shall, unless the notice directs otherwise, immediately discontinue all activities authorized hereunder. Upon termination of this Agreement, the Grantee shall promptly render to the Commission all property belonging to the Commission. For the purposes of this section, property belonging to the Commission shall include, but shall not be limited to, all books and records kept on behalf of the Commission.

9. REMEDIES.

A. **Financial Consequences.** In accordance with Sections 215.971(1)(a)&(b), F.S., Attachment A, Scope of Work, contains clearly established tasks in quantifiable units of deliverables that must be received and accepted in writing by the agency before payment. Each deliverable specifies the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable. If the Grantee fails to produce each deliverable within the time

frame specified by the Scope of Work, the budget amount allocated for that deliverable will be deducted from the Grantee's payment. In addition, pursuant to Section 215.971(1)(c), the Commission shall apply any additional financial consequences, identified in the Scope of Work.

B. **Cumulative Remedies.** The rights and remedies of the Commission in this paragraph are in addition to any other rights and remedies provided by law or under the Agreement.

10. NOTICES AND CORRESPONDENCE.

Any and all notices shall be delivered to the individuals identified below. In the event that either Party designates a different Grant Manager after the execution of this Agreement, the Party will provide written notice of the name, address, zip code, telephone and fax numbers, and email address of the newest Grant Manager, or an individual authorized to receive notice on behalf of that Party, to all other Parties as soon as possible, but not later than five (5) business days after the new Grant Manager has been named. A designation of a new Grant Manager shall not require a formal amendment to the Agreement.

rkturpin@myescambia.com

11. AMENDMENT.

A. **Waiver or Modification.** No waiver or modification of this Agreement or of any covenant, condition, or limitation herein contained shall be valid unless in writing and lawfully executed by the Parties.

B. **Change Orders.** The Commission may, at any time, by written order, make a change to this Agreement. Such changes are subject to the mutual agreement of both Parties as evidenced in writing. Any change which causes an increase or decrease in the Grantee's cost or time shall require an Amendment. Minor changes, such as those updating a Party's contact information, may be accomplished by a Modification.

C. **Renegotiation upon Change in Law or Regulation.** The Parties agree to renegotiate this Agreement if federal and/or state revisions of any applicable laws or regulations make changes in the Agreement necessary.

12. PROPERTY RIGHTS.

If this Agreement includes Federal funds, the provisions of Sections 200.310-200.316, OMB Uniform Guidance (2 CFR 200), and any language addressing Federal rights, apply.

A. Intellectual and Other Intangible Property.

i. **Grantee's Preexisting Intellectual Property (Proprietary) Rights.** Unless specifically addressed in the Attachment A, Scope of Work, intellectual and other intangible property rights to the Grantee's preexisting property will remain with the Grantee.

ii. **Proceeds Related to Intellectual Property Rights.** Proceeds derived from the sale, licensing, marketing or other authorization related to any intellectual and other intangible property right created or otherwise developed by the Grantee under this Agreement for the Commission shall be handled in the manner specified by the applicable Florida State Statute and/or Federal program requirements.

iii. **Commission Intellectual Property Rights.** Where activities supported by this Agreement produce original writing, sound recordings, pictorial reproductions, drawings or other graphic representations and works of any similar nature, the Commission and the State of Florida have the unlimited, royalty-free, nonexclusive, irrevocable right to use, duplicate and disclose such materials in whole or in part, in any manner, for any purpose whatsoever and to have others acting on behalf of the Commission to do so. If this Agreement is supported by federal funds, the federal awarding agency reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for federal purposes, and to authorize others to do so.

B. Purchase or Improvement of Real Property

This agreement is not for the purchase or improvement of real property, therefore, the following terms and conditions do not apply.

i. **Federal Funds.** Any Federal funds provided for the purchase of or improvements to real property are subject to the Property Standards of Sections 200.310 - 200.316, and 200.329, OMB Uniform Guidance (2 CFR 200), as amended.

ii. **Title.** If this agreement is supported by state funds, the Grantee shall comply with Section 287.05805, F.S. This section requires the Grantee to grant a security interest in the property to the State of Florida, the type and details of which are provided for in Attachment A, Scope of Work. Title to state-owned real property remains vested in the state. Title to federally-owned real property remains vested in the Federal government in accordance with the provisions of Section 200.312, OMB Uniform Guidance (2 CFR 200), as amended.

iii. **Use.** Federally-owned real property will be used for the originally authorized purpose as long as needed for that purpose in accordance with Section 200.311, OMB Uniform Guidance (2 CFR 200). State-owned real property will be used as provided in Attachment A, Scope of Work.

C. Non-Expendable Property. The following provisions apply to the extent that the grant allows the acquisition of non-expendable property.

i. **Non-Expendable Property Defined.** For the requirements of this section of the Agreement, "non-expendable property" is the same as "property" as defined in Section 273.02, F.S. (equipment, fixtures, and other tangible personal property of a non-consumable and non-expendable nature, with a value or cost of **$1,000.00** or more, and a normal expected life of one (1) year or more; hardback-covered bound books that are

circulated to students or the general public, with a value or cost of **$25.00** or more; and uncirculated hardback-covered bound books, with a value or cost of **$250.00** or more).

ii. **Title to Non-Expendable Property.** Title (ownership) to all non-expendable property acquired with funds from this Agreement shall be vested in the Commission and said property shall be transferred to the Commission upon completion or termination of the Agreement unless otherwise authorized in writing by the Commission or unless otherwise specifically provided for in Attachment A, Scope of Work.

D. Equipment and Supplies. The following provisions apply to the extent that the grant allows the acquisition of equipment and supplies.

i. **Title - Equipment.** Title to equipment acquired under a Federal award will vest upon acquisition in the non-Federal entity in accordance with Sections 200.313 and 200.314, OMB Uniform Guidance (2 CFR 200).

ii. **Title – Supplies.** Title to supplies will vest in the non-Federal entity upon acquisition. Unused supplies exceeding **$5,000.00** in total aggregate value upon termination or completion of the project or program are subject to Section 200.314, OMB Uniform Guidance.

iii. **Use – Equipment.** Equipment must be used by the non-Federal entity in the program or project for which it was acquired as long as needed

13. RELATIONSHIP OF THE PARTIES.

A. Independent Grantee. The Grantee shall perform as an independent grantee and not as an agent, representative, or employee of the Commission. The Grantee covenants that it presently has no interest and shall not acquire any interest that would conflict in any manner or degree with the performance of services required. Each Party hereto covenants that there is no conflict of interest or any other prohibited relationship between the Grantee and the Commission.

B. Grantee Training and Qualifications. Grantee agrees that all Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification.

C. Commission Security. All employees, subcontractors, or agents performing work under the Agreement must comply with all security and administrative requirements of the Commission. The Commission may conduct, and the Grantee shall cooperate in, a security background check or otherwise assess any employee, subcontractor, or agent furnished by the Grantee. The Commission may refuse access to, or require replacement of, any personnel for cause, including, but not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with the Commission's other requirements. Such refusal shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Commission, in coordination with the Grantee, may reject and bar from any facility for cause any of Grantee's employees, subcontractors, or agents.

D. Commission Rights to Assign or Transfer. The Grantee agrees that the State of Florida shall at all times be entitled to assign or transfer its rights, duties, or obligations under this Agreement to

another governmental agency in the State of Florida, upon giving prior written notice to the Grantee.

E. **Commission Rights to Undertake and Award Supplemental Agreements.** Grantee agrees that the Commission may undertake or award supplemental agreements for work related to the Agreement. The Grantee and its subcontractors shall cooperate with such other Grantees and the Commission in all such cases.

14. SUBCONTRACTS.

A. **Authority. Grantee is permitted to subcontract work under this Agreement, therefore, the following terms and conditions apply.** The Grantee shall ensure, and provide assurances to the Commission upon request, that any subcontractor selected for work under this Agreement has the necessary qualifications and abilities to perform in accordance with the terms and conditions of this Agreement. The Grantee must provide the Commission with the names of any subcontractor considered for work under this Agreement; the Commission in coordination with the Grantee reserves the right to reject any subcontractor. The Grantee agrees to be responsible for all work performed and all expenses incurred with the project. Any subcontract arrangements must be evidenced by a written document available to the Commission upon request. The Grantee further agrees that the Commission shall not be liable to the extent allowed by law, to any subcontractor for any expenses or liabilities incurred under the subcontract and the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

B. **Grantee Payments to Subcontractor.** If subcontracting is permitted pursuant to Paragraph A, above, Grantee agrees to make payments to the subcontractor upon completion of work and submitted invoice in accordance with the contract between the Grantee and subcontractor. Failure to make payment pursuant to any subcontract will result in a penalty charged against Grantee and paid to the subcontractor in the amount of one-half of one percent (0.50%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due."

C. **Commission Right to Reject Subcontractor Employees.** The Commission in coordination with Grantee shall retain the right to reject any of the Grantee's or subcontractor's employees whose qualifications or performance, in the Commission's judgment, are insufficient.

D. **Subcontractor as Independent Contractor.** If subcontracting is permitted pursuant to Paragraph A above, the Grantee agrees to take such actions as may be necessary to ensure that each subcontractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.

15. MANDATORY DISCLOSURE.

These disclosures are required by State law, as indicated, and apply when this Agreement includes State funding; and by Federal law, as indicated, and apply when the Agreement includes a Federal award.

A. **Disclosure of Interested State Employees and Conflict of Interest.** This Agreement is subject to Chapter 112, F.S. Grantee shall provide the name of any officer, director, employee, or other agent who is affiliated with this project and an employee of the State of Florida. If the Agreement includes a Federal award, then the Agreement is also subject to Section 200.112, OMB Uniform Guidance (2 CFR 200). Grantee must disclose, in writing, any potential conflict of interest to the Commission in accordance with applicable Federal awarding agency policy.

B. **Convicted Vendors.** Grantee hereby certifies that neither it, nor any person or affiliate of Grantee, has been convicted of a Public Entity Crime as defined in section 287.133, F.S., nor placed on the convicted vendor list. Grantee shall have a continuing obligation to disclose, to the Commission, in writing, if it, its principals, recipient, subrecipient, contractor, or subcontractor, are on the convicted vendors list maintained by the Florida Department of Management Services pursuant to Section 287.133(3)(d), F.S.

i. **Convicted Vendor List.** Pursuant to Subsection 287.133(2)(a), F.S., a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not be awarded or perform work as a Grantee, supplier, subcontractor or consultant under a contract with any public entity and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, F.S., for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. The State of Florida, Department of Management Services, Division of State Purchasing provides listings for convicted, suspended, discriminatory and federal excluded parties, as well as the vendor complaint list at:

http://www.dms.myflorida.com/business_operations/state_purchasing/vendor_information/convicted_suspended_discriminatory_complaints_vendor_lists

ii. **Notice of Conviction of Public Entity Crime.** Any person must notify the Department of Management Services and the Commission, in writing, within thirty (30) days after conviction of a public entity crime applicable to that person or an affiliate of that person as defined in Section 287.133, F.S.

C. **Vendors on Scrutinized Companies List.**

i. **Scrutinized Companies.** Grantee certifies that it and any of its affiliates are not scrutinized companies as identified in Section 287.135, F.S. In addition, Grantee agrees to observe the requirements of Section 287.135, F.S., for applicable sub-agreements entered into for the performance of work under this Agreement. Pursuant to Section 287.135, F.S., the Commission may immediately terminate this Agreement for cause if the Grantee, its affiliates, or its subcontractors are found to have submitted a false certification; or if the Grantee, its affiliates, or its subcontractors are placed on any applicable scrutinized companies list or engaged in prohibited contracting activity during the term of the Agreement. As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions then they shall become inoperative.

D. **Discriminatory Vendors.** Grantee shall disclose to the Commission, in writing, if they, their subrecipient, contractor, or subcontractor, are on the Discriminatory Vendor List maintained by the Florida Department of Management Services pursuant to Section 287.134(3)(d), F.S. "An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity." Section 287.134(2)(a), F.S.. Grantee has a continuing duty to disclose to the Commission whether they appear on the discriminatory vendor list.

E. **Prompt Disclosure of Litigation, Investigations, Arbitration, or Administrative Proceedings.** Throughout the term of the Agreement, the Grantee has a continuing duty to promptly disclose to

the Commission's Grant Manager, in writing, upon occurrence, all civil or criminal litigation, investigations, arbitration, or administrative proceedings (Proceedings) relating to or affecting the Grantee's ability to perform under this agreement. If the existence of such Proceeding causes the Commission concern that the Grantee's ability or willingness to perform the Agreement is jeopardized, the Grantee may be required to provide the Commission with reasonable assurances to demonstrate that: a.) the Grantee will be able to perform the Agreement in accordance with its terms and conditions; and, b.) Grantee and/or its employees or agents have not and will not engage in conduct in performing services for the Commission which is similar in nature to the conduct alleged in such Proceeding.

F. **Certain Violations of Federal Criminal Law.** If this agreement includes a Federal award, then in accordance with Section 200.113, OMB Uniform Guidance (2 CFR 200), Grantee must disclose, in a timely manner, in writing to the Commission all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award.

16. INSURANCE.

The Grantee warrants and represents that it is insured, or self-insured for liability insurance, in accordance with applicable state law and that such insurance or self-insurance offers protection applicable to the Grantee's officers, employees, servants and agents while acting within the scope of their employment with the Grantee.

17. SPONSORSHIP.

As required by Section 286.25, F.S., if any recipient, subrecipient, contractor or subcontractor under this grant is a nongovernmental organization which sponsors a program financed wholly or in part by state funds, including any funds obtained through this Agreement, it shall, in publicizing, advertising, or describing the sponsorship of the program, state: "Sponsored by (Grantee's name) and the State of Florida, Fish and Wildlife Conservation Commission." If the sponsorship reference is in written material, the words "State of Florida, Fish and Wildlife Conservation Commission" shall appear in the same size letters or type as the name of the Grantee's organization. Additional sponsorship requirements may be specified in Attachment A, Scope of Work.

18. PUBLIC RECORDS.

A. This Agreement may be unilaterally canceled by the Commission for refusal by the Grantee to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, F.S., and made or received by the Grantee in conjunction with this Agreement, unless exemption for such records is allowable under Florida law.

B. If the Grantee meets the definition of "Contractor" in Section 119.0701(1)(a) F.S., the Grantee shall comply with the following:

i. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF THE CHAPTER 119, FLORIDA STATUES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: 850-488-6553, RecordsCustodian@myfwc.com, and 620 South Meridian Street, Tallahassee FL 32399**

ii. Keep and maintain public records required by the Commission to perform the service.

iii. Upon request from the Commission's custodian of public records, provide the Commission with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S. or as otherwise provided by law.

iv. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the Commission.

v. Upon completion of the contract transfer, at no cost, to the Commission all public records in possession of the Contractor or keep and maintain public records required by the Commission to perform the service. If the Contractor transfers all public records to the Commission upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Commission, upon request from the Commission's custodian of public records, in a format that is compatible with the information technology systems of the Commission.

19. COOPERATION WITH INSPECTOR GENERAL.

Pursuant to subsection 20.055(5), F.S., Grantee, and any subcontractor to the Grantee, understand and will comply with their duty to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing. Upon request of the Inspector General or any other authorized State official, the Grantee shall provide any type of information the Inspector General deems relevant to the Grantee's integrity or responsibility. Such information may include, but shall not be limited to, the Grantee's business or financial records, documents, or files of any type or form that refer to or relate to the Agreement. The Grantee agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the Grantee's compliance with the terms of this or any other agreement between the Grantee and the State which results in the suspension or debarment of the Grantee. Such costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.

20. SECURITY AND CONFIDENTIALITY.

The Grantee shall not divulge to third parties any clearly marked confidential information obtained by the Grantee or its agents, distributors, resellers, subcontractors, officers or employees in the course of performing Grant work. To ensure confidentiality, the Grantee shall take appropriate steps regarding its personnel, agents, and subcontractors. The warranties of this paragraph shall survive the Grant.

21. RECORD KEEPING REQUIREMENTS.

A. **Grantee Responsibilities.** The Grantee shall maintain accurate books, records, documents and other evidence that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement, in accordance with generally accepted accounting principles.

B. **State Access to Grantee Books, Documents, Papers, and Records.** The Grantee shall allow the Commission, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability or authorized representatives of the state or federal government to have access to any of the Grantee's books, documents, papers, and records, including electronic storage media, as they may relate to this

Agreement, for the purposes of conducting audits or examinations or making excerpts or transcriptions.

C. **Grantee Records Retention.** Unless otherwise specified in the Scope of Work, these records shall be maintained for five (5) fiscal years following the close of this Agreement, or the period required for this particular type of project by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/), whichever is longer. Grantee shall cooperate with the Commission to facilitate the duplication and transfer of such records upon the Commission's request.

D. **Grantee Responsibility to Include Records Requirements – Subcontractors.** In the event any work is subcontracted under this Agreement, the Grantee shall include the aforementioned audit and record keeping requirements in all subsequent contracts.

E. **Compliance with Federal Funding Accountability and Transparency.** Any federal funds awarded under this Agreement must comply with the Federal Funding Accountability and Transparency Act (FFATA) of 2006. The intent of the FFATA is to empower every American with the ability to hold the government accountable for each spending decision. The result is to reduce wasteful spending in the government. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website: http://www.USASpending.gov. Grant recipients awarded a new Federal grant greater than or equal to **$25,000.00** awarded on or after October 1, 2010 are subject to the FFATA. The Grantee agrees to provide the information necessary, over the life of this Agreement, for the Commission to comply with this requirement.

22. FEDERAL AND FLORIDA SINGLE AUDIT ACT REQUIREMENTS.

Pursuant to the FSAA (or Federal) Vendor / Recipient Determination Checklist, the Grantee has been determined to be a recipient of state financial assistance and/or a subrecipient of a federal award. Therefore, pursuant to Section 215.97, F.S. and/or OMB Uniform Guidance (2 CFR 200), the Grantee may be subject to the audit requirements of the Florida and/or Federal Single Audit Acts. If applicable, the Grantee shall comply with the audit requirements outlined in Attachment B, "Requirements of the Federal and Florida Single Audit Acts," attached hereto and made a part of the Agreement, as applicable.

23. FEDERAL COMPLIANCE.

As applicable, Grantee shall comply with all federal laws, rules, and regulations, including but not limited to:

i. **Clean Air Act and Water Pollution Control Act.** All applicable standards, orders, or requirements issued under the Clean Air Act (42 U.S.C. 7401-7671q), and the Water Pollution Control Act (33 U.S.C. 1251-1387, as amended).
ii. **Lacey Act, 16 U.S.C 3371-3378.** This Act prohibits trade in wildlife, fish and plants have been illegally taken, possessed, transported or sold.
iii. **Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C. 1801-1884.** This Act governs marine fisheries in Federal waters.
iv. **Migratory Bird Treaty Act, 16 U.S.C. 703-712.** The Act prohibits anyone, unless permitted, to pursue, hunt, take, capture, kill, attempt to take, capture or kill, possess, offer for sale, sell, offer to purchase, deliver for shipment, ship, cause to be shipped, deliver for transportation, transport, cause to be transported, carry or cause to be carried by any means

whatsoever, receive for shipment, transport of carriage, or export, at any time, or in any manner, any migratory bird, or any part, nest, or egg of such bird.

v. **Endangered Species Act, 16 U.S.C. 1531, et seq.** The Act provides a program for the conservation of threatened and endangered plants and animals and the habitat in which they are found. The Act also prohibits any action that cause a "taking" of any listed species of endangered fish or wildlife. Also generally prohibited are the import, export, interstate, and foreign commerce of listed species.

24. **FEDERAL FUNDS. This Agreement relies on federal funds, therefore, the following terms and conditions apply:**

A. **Prior Approval to Expend Federal Funds to Federal Agency or Employee.** It is understood and agreed that the Grantee is not authorized to expend any federal funds under this Contract to a federal agency or employee without the prior written approval of the awarding federal agency.

B. **Equal Employment Opportunity.** Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR Chapter 60). Applicable, except as otherwise provide under 41 CFR Part 60, to any grant, contract, loan, insurance, or guarantee involving Federal assisted construction.

C. **Davis-Bacon Act.** The Davis-Bacon Act, 40 U.S.C. 3141-3148, as supplemented by Department of Labor regulations at 29 CFR Part 5. Applicable to contractors and subcontractors performing on federally funded or assisted contracts in excess of **$2,000.00** for the construction, alteration, or repair (including painting and decorating) of public buildings or public works. Under this Act, contractors and subcontractors must pay their laborers and mechanics employed under the contract no less than the locally prevailing wages and fringe benefits for corresponding work on similar projects in the area.

D. **Copeland "Anti-Kickback Act.** The Copeland "Anti-Kickback" Act, 40 U.S.C. 3141-3148, and 3146-3148, as supplemented by Department of Labor regulations (29 CFR Part 5). Applicable to contracts awarded by a non-Federal entity in excess of **$100,000.00** that involve employment of mechanics or labors. Under this Act, contractors and subrecipients are prohibited from inducing, by any mean, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

E. **Contract Work Hours and Safety Standards Act.** Sections 103 and 107 of the Agreement Work Hours and Safety Standards Act (40 U.S.C. 327–330) as supplemented by Department of Labor regulations (29 CFR part 5). Applicable to construction contracts awarded by Contractors and subcontractors in excess of **$2,000.00**, and in excess of **$2,500.00** for other contracts which involve the employment of mechanics or laborers. Under this Act, contractors and subcontractors must compute wages of mechanics and laborers (workers) on the basis of a standard forty (40) hour work week; provide workers no less than time and a half for hours worked in excess of the forty (40) hour work week; and not require workers to work in surroundings or work conditions that are unsanitary, hazardous, or dangerous.

F. **Rights to Inventions Made Under a Contract or Agreement.** 37 CFR Part 401. If the Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or Subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under the "funding agreement," the recipient or subrecipient must comply with the requirements of 37

CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

G. **Energy Efficiency.** Mandatory standards and policies relating to energy efficiency which are contained in the State energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94–163, 89 Stat. 871).

H. **Debarment and Suspension Contractor Federal Certification.** In accordance with Federal Executive Order 12549 and 2 CFR Part 1400 regarding Debarment and Suspension, the Grantee certifies that neither it, nor its principals, is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency; and, that the Grantee shall not knowingly enter into any lower tier contract, or other covered transaction, with a person who is similarly debarred or suspended from participating in this covered transaction.

I. **Prohibition against Lobbying.**

i. **Grantee Certification – Payments to Influence.** The Grantee certifies that no Federal appropriated funds have been paid or will be paid, on or after December 22, 1989, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding, renewal, amending or modifying of any Federal contract, grant, or cooperative agreement. The Grantee also certifies that they have not engaged any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on behalf of the Grantee with respect to this Contract and its related federal contract, grant, loan, or cooperative agreement; or, if the Grantee has engaged any registrant with respect to this Contract and its related Federal contract, grant, loan, or cooperative agreement, the Grantee shall, prior to or upon execution of this Contract, provide the Commission Contract Manager a signed declaration listing the name of any said registrant. During the term of this Contract, and at the end of each Calendar quarter in which any event occurs that materially affects the accuracy of this certification or declaration, the Grantee shall file an updated declaration with the Commission's Contract Manager. If any non-federal funds are used for lobbying activities as described above in connection with this Contract, the Grantee shall submit Standard Form-LLL, "Disclosure Form to Report Lobbying", and shall file quarterly updates of any material changes. The Grantee shall require the language of this certification to be included in all subcontracts, and all subcontractors shall certify and disclose accordingly.

ii. **Grantee – Refrain from Subcontracting with Certain Organizations.** Pursuant to the Lobbying Disclosure Act of 1995, the Grantee agrees to refrain from entering into any subcontracts under this Contract with any organization described in Section 501(c)(4) of the Internal Revenue Code of 1986, unless such organization warrants that it does not, and will not, engage in lobbying activities prohibited by the Act as a special condition of the subcontract.

J. **Compliance with Office of Management and Budget Circulars.** As applicable, Grantee shall comply with the following Office of Management and Budget (OMB) Uniform Guidance (2 CFR 200).

K. **Drug Free Workplace.** Pursuant to the Drug-Free Workplace Act of 1988, the Grantee attests and certifies that the Grantee will provide a drug-free workplace compliant with 41 U.S.C. 81.

25. CONTRACT-RELATED PROCUREMENT.

A. **PRIDE.** In accordance with Section 946.515(6), F.S., if a product or service required for the performance of this Contract is certified by or is available from Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE) and has been approved in accordance with Subsection 946.515(2), F.S., the following statement applies:

> It is expressly understood and agreed that any articles which are the subject of, or required to carry out, this contract shall be purchased from [PRIDE] in the same manner and under the same procedures set forth in Subsections 946.515(2) and (4), F.S.; and for purposes of this contract the person, firm or other business entity carrying out the provisions of this contract shall be deemed to be substituted for this agency insofar as dealings with such corporation are concerned.

The above clause is not applicable to subcontractors unless otherwise required by law. Additional information about PRIDE and the products it offers is available at http://www.pride-enterprises.org.

B. **Respect of Florida.** In accordance with Subsection 413.036(3), F.S., if a product or service required for the performance of this Contract is on the procurement list established pursuant to Subsection 413.035(2), F.S., the following statement applies:

> It is expressly understood and agreed that any articles that are the subject of, or required to carry out, this contract shall be purchased from a nonprofit agency for the blind or for the severely handicapped that is qualified pursuant to Chapter 413, F.S., in the same manner and under the same procedures set forth in Subsections 413.036(1) and (2), F.S.; and for purposes of this contract, the person, firm or other business entity carrying out the provisions of this contract shall be deemed to be substituted for the state agency insofar as dealings with such qualified nonprofit agency are concerned.

Additional information about the designated nonprofit agency and the products it offers is available at http://www.respectofflorida.org.

C. **Procurement of Recycled Products or Materials.** Grantee agrees to procure any recycled products or materials which are the subject of or are required to carry out this Contract in accordance with Section 403.7065, F.S.

26. PROFESSIONAL SERVICES.

A. **Architectural, Engineering, Landscape Architectural, or Survey and Mapping.** If this Agreement is for the acquisition of professional architectural, engineering, landscape architectural, or registered surveying and mapping services, and is therefore subject to Section 287.055, F.S., the following provision applies:

> The architect (or registered surveyor and mapper or professional engineer, as applicable) warrants that he or she has not employed or retained any company or person, other than a bona fide employee working solely for the architect (or

registered surveyor and mapper, or professional engineer, as applicable) to solicit or secure this Agreement and that he or she has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the architect (or registered surveyor and mapper or professional engineer, as applicable) any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this contract.

B. **Termination for Breach.** For the breach or violation of this provision, the Commission shall have the right to terminate the Agreement without liability and, at its discretion, to deduct from the Agreement price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

27. INDEMNIFICATION.

If Grantee is a state agency or subdivision, as defined in Subsection 768.28(2), F.S., pursuant to Subsection 768.28(19), F.S., neither Party indemnifies nor insures the other Party for the other Party's negligence. If Grantee is not a state agency or subdivision as defined above, Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State and the Commission, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors, provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the State or the Commission. If this is a Professional Services Agreement as defined in Subsection 725.08 F.S., then notwithstanding the provisions of Subsection 725.06 F.S., the design professional shall only be liable for, and fully indemnify, defend, and hold harmless the State, the Commission, and their officers, agents, and employees, for actions caused in whole or in part, by the negligence, recklessness, or intentionally wrongful conduct of the design professional and other persons employed or utilized by the design professional in the performance of the Agreement.

28. NON-DISCRIMINATION.

No person, on the grounds of race, creed, color, national origin, age, sex, or disability, shall be excluded from participation in, be denied the proceeds or benefits of, or be otherwise subjected to discrimination in performance of this Agreement.

29. SEVERABILITY, CHOICE OF LAW, AND CHOICE OF VENUE.

This Agreement has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Any action in connection herewith, in law or equity, shall be brought in Leon County, Florida, to the exclusion of all other lawful venues.

30. NO THIRD PARTY RIGHTS.

The Parties hereto do not intend nor shall this Agreement be construed to grant any rights, privileges or interest to any person not a party to this Agreement.

31. JURY TRIAL WAIVER.

As part of the consideration for this Agreement, the Parties hereby waive trial by jury in any action or proceeding brought by any party against any other party pertaining to any matter whatsoever arising out of or in any way connected with this Agreement, or with the products or services provided under this Agreement, including but not limited to any claim by the Grantee of *quantum meruit*.

32. PROHIBITION OF UNAUTHORIZED ALIENS.

In accordance with Federal Executive Order 96-236, the Commission shall consider the employment by the Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationalization Act. Such violation shall be cause for unilateral cancellation of this Agreement if the Grantee knowingly employs unauthorized aliens.

33. EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY).

A. **Requirement to Use E-Verify.** Executive Order 11-116, signed May 27, 2011, by the Governor of Florida, requires Commission contracts in excess of nominal value to expressly require the Grantee to: 1.) utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by Grantee during the Agreement term; and, 2.) include in all subcontracts under this Agreement, the requirement that subcontractors performing work or providing services pursuant to this Agreement utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the term of the subcontract.

B. **E-Verify Online.** E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States after the effective date of the required Memorandum of Understanding (MOU); the responsibilities and elections of federal contractors, however, may vary, as stated in Article II.D.1.c. of the MOU. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found online at http://www.dhs.gov/files/programs/gc_1185221678150.shtm

C. **Enrollment in E-Verify.** If Grantee does not have an E-Verify MOU in effect, the Grantee must enroll in the E-Verify system prior to hiring any new employee after the effective date of this Agreement.

D. **E-Verify Recordkeeping.** The Grantee further agrees to maintain records of its participation and compliance with the provisions of the E-Verify program, including participation by its subcontractors as provided above, and to make such records available to the Commission or other authorized state entity consistent with the terms of the Grantee's enrollment in the program. This includes maintaining a copy of proof of the Grantee's and subcontractors' enrollment in the E-Verify Program (which can be accessed from the "Edit Company Profile" link on the left navigation menu of the E-Verify employer's homepage).

E. **Employment Eligibility Verification.** Compliance with the terms of the Employment Eligibility Verification provision is made an express condition of this Agreement and the Commission may treat a failure to comply as a material breach of the Agreement.

34. FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE.

Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay Agreement believes is excusable under this paragraph, Grantee shall notify the Commission's Grant Manager in writing of the delay or potential delay and describe the cause of the delay either: (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) within five (5) calendar days after the date Grantee first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. The Commission, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify Grantee of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against the Commission. Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from the Commission for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, Grantee shall perform at no increased cost, unless the Commission determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to the Commission or the State, in which case, the Commission may do any or all of the following: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to the Commission with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate the Agreement in whole or in part.

35. TIME IS OF THE ESSENCE.

Time is of the essence regarding the performance obligations set forth in this Agreement. Any additional deadlines for performance for Grantee's obligation to timely provide deliverables under this Agreement including but not limited to timely submittal of reports, are contained in the Scope of Work, Attachment A.

36. ENTIRE AGREEMENT.

This Agreement with all incorporated attachments and exhibits represents the entire Agreement of the Parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, and duly signed by each of the Parties hereto, unless otherwise provided herein. In the event of conflict, the following order of precedence shall prevail;

this Agreement and its attachments, the terms of the solicitation and the Grantee's response to the solicitation.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed through their duly authorized signatories on the day and year last written below.

Attachment A – SCOPE OF WORK

Project Name:	Escambia County Artificial Reef Construction 2019-20	**FWC Agreement No.**	19041

1. DESCRIPTION OF GOODS / SERVICES PROCURED, OR PROJECT WORKPLAN

A. DESCRIPTION OF GOODS / SERVICES

The objective of this activity is to construct a marine artificial reef complex by deploying at least 17 pre-fabricated concrete modules: Each module will be at least 3 feet tall creating one patch reef within the Casino Beach Snorkel Reef permitted area. Each module will be placed at designated locations within the boundaries of the permitted area (SAJ-2016-03221), which is located 8.7 nm east of Pensacola Pass at a depth of 6-12 ft.

The artificial reef construction activity to be funded consists of the following elements:

MATERIALS

1. Artificial reef materials must consist of a total of at least 17 pre-fabricated concrete artificial reef modules, or other concrete structures acceptable to the **COMMISSION**. All of the pre-fabricated modules must be at least 3 feet tall with a diameter of at least 4 feet, and mounted on a piling embedded at least 12 ft into the seafloor to prevent movement due to oceanographic forces associated with the shallow water depth.

2. Pre-fabricated modules must be composed of marine grade concrete with a minimum strength of 4,000 pounds per square inch (psi). Pre-fabricated modules shall consist of concrete with no exposed metal framework. Pre-fabricated modules having internal or hollow spaces will be designed with multiple openings of various sizes all the way through the outer surface to allow for water circulation and access by fish. Pre-fabricated modules that are a concrete disc/layer design should be at least 6 inches tall and have a minimum gap depth of at least 4 inches between discs/layers.

3. No open-bottom modules are allowed that include additional modules, discs, or other materials stacked, placed on or immediately adjacent to the top opening, as they may prevent turtles from easily escaping.

4. All artificial reef materials shall be clean and free from dirt, asphalt, creosote, petroleum, or other hydrocarbons and toxic residues, loose free floating material or other deleterious substances.

5. The **GRANTEE** shall evaluate the structural integrity of each pre-fabricated module proposed for use, and shall eliminate from artificial reef material consideration all badly damaged modules that would be prone to break apart during the transport and/or deployment process.

6. For each barge load of artificial reef materials, the **GRANTEE** shall inventory all of the artificial reef materials, calculate the tonnage (either using before and after barge draft calculations, trucking receipts, or the known weights of individual pieces or reef modules), and take a representative photograph of the artificial reef material on the barge or other deployment vessel immediately prior to deployment.

Attachment A – SCOPE OF WORK

Project Name:	Escambia County Artificial Reef Construction 2019-20	**FWC Agreement No.**	19041

7. Units must be capable of being deployed in an upright position on the seafloor. Any lifting lines or straps used during deployment must be temporary and removed by the **GRANTEE** prior to reimbursement.

8. Reimbursement for loading, transporting and deploying the materials will be based on cost per unit basis. Materials that are placed within the boundaries of the permitted area, completely intact and in an upright position will be reimbursed at the full unit cost. Materials that are damaged during loading, transport or deployment operations will be reimbursed based on the liquidated damage schedule (if applicable) listed in the bid specifications provided by the **GRANTEE** and approved by the **COMMISSION**.

9. The **GRANTEE** agrees to allow the **COMMISSION** to conduct on-site inspections of the artificial reef materials before, during, and after the deployment.

LOADING AND TRANSPORTATION

10. Artificial reef materials will be loaded using a suitable means of conveyance for transportation to a staging area site and loading onto a barge or other suitable vessel for offshore transportation to the designated artificial reef site. Offshore transportation shall be provided by a sufficiently powered transport or towing vessel, and shall include the necessary personnel and equipment to safely transport and deploy the reef material. Reef material loaded on to the transporting vessel must be properly secured in compliance with Coast Guard standards to allow for its safe transport to the reef construction site.

11. The **GRANTEE's** Project Manager shall complete the FWC Artificial Reef Cargo Manifest form to be maintained onboard the vessel at all times during transport of materials, pursuant to Chapter 379.249, F.S. The form is available on the **COMMISSION's** website: http://www.myfwc.com/artificialreefs.

DEPLOYMENT AND MATERIALS PLACEMENT

12. During the deployment of the artificial reef material, the transport vessel must be securely in place with minimal movement (<50 feet) to ensure accurate placement of each concrete module on the bottom. Material must be arranged to provide habitat complexity as well as provide sand bottom forage area opportunities.

13. Any machinery used to move and deploy the reef materials should be sufficiently powered/maneuverable and capably operated to ensure timely, effective and safe off-loading of materials. The tug or transport vessel shall meet all U.S. Coast Guard certification and safety requirements, be equipped with a working, accurate Global Positioning System (GPS) unit and other marine electronics including a working VHF radio. Effective and reliable communications shall exist at all times between the transport vessel, and the designated **GRANTEE** observer on site.

14. Deployment operations will only be initiated when sea height in the operations area is no greater than two to four feet as forecast by the nearest NOAA weather office. Either the **COMMISSION'S** observer, the **GRANTEE's** observer or the subcontractor's

Project Name:	Escambia County Artificial Reef Construction 2019-20	FWC Agreement No.	19041

vessel captain reserves the right to suspend off-loading operations if positioning and other deployment objectives, including safety of personnel and equipment, are not being met.

15. All 17 pre-fabricated reef modules under this Agreement will be strategically deployed in a line perpendicular to the shoreline create a single patch reef within the north quadrant of the Casino Beach Snorkel Reef permitted area around the patch reef center coordinate: **30° 19.749' N 87° 08.327' W**. Pre-fabricated reef modules will be placed no more 30 feet apart from each other.

16. The minimum vertical clearance of 6 feet shall be maintained above the highest point of the reef material in the Casino Beach Snorkel Reef permitted site (in accordance with the special conditions of the US Army Corps of Engineers permit number SAJ-2016-03221 (SP-SWA). The design of the pre-fabricated modules should be adjusted to ensure that the minimum vertical clearance is maintained throughout this nearshore permitted area.

17. The **GRANTEE's** Contract Manager or **GRANTEE's** designated official observer shall oversee the temporary marking of the reef deployment location in advance of reef materials deployment in order to assist the subcontractor in the proper placement of the artificial reef materials. The markers shall be buoys of sufficient size and color to be clearly visible to the tug captain, and sufficiently anchored and with sufficient scope so that they will not drift off the designated deployment site prior to deployment. The **COMMISSION** will not pay for materials placed outside the permit area as described above. Precise GPS placement of marker buoys that do not shift position with time are important to ensure the reef is constructed within the permitted area.

18. The **GRANTEE's** Project Manager or **GRANTEE's** designated official observer shall remain on site during the entire deployment phase of the operation and confirm the GPS coordinates of the individual placements as well as the maximum vertical relief of the constructed reefs using a fathometer after the reef construction has been completed.

19. Both the **GRANTEE** and its subcontractor shall have on site current nautical charts of the deployment area, with the permitted site indicated on the chart. The proposed patch reef coordinates and the corner coordinates of the reef site will also be in possession of the **GRANTEE's** observer and the subcontractor when on site. The **GRANTEE's** observer shall also be in possession of a copy of the Army Corps permit for the area where the deployments are taking place. The **GRANTEE** shall be responsible for ensuring that all permit condition terms are complied with.

20. Both the **GRANTEE** and its subcontractor shall be prepared to remove any floating debris that might occur during deployment. Having boat hooks, dip nets, and other equipment on board to enable efficient collection of unanticipated floating debris is strongly encouraged. The **GRANTEE** shall be responsible for ensuring that any floating debris discovered during deployment operations (e.g., wood, floating line, aluminum cans, plastic bottles, or other floating materials) shall be collected and transported back to land for proper disposal.

Project Name:	Escambia County Artificial Reef Construction 2019-20	**FWC Agreement No.**	19041

ALLOWABLE EXPENDITURES ASSOCIATED WITH THE REEF PROJECT

21. Funds from this Agreement may be expended on the activities listed pursuant to Chapter 68E-9.004(1)(a), F.A.C. No more than $5,000 or 10% (whichever is less) of project funds granted under the program may be expended for 'engineering services'. Any funds required in excess of this amount must be provided by the applicant. See Chapter 68E-9.004(1)(a), F.A.C. for the definition of 'engineering services' and complete list of eligible materials and activities.

22. If the **GRANTEE** chooses to conduct a pre-deployment and/or post-deployment SCUBA assessment at the deployment location(s) (post deployment assessment is not required, but is an eligible activity for reimbursement under Chapter 68E-9.004(1)(a), F.A.C.), in order to be eligible for reimbursement, work must be completed within the current grant period and the following items, at a minimum, must be included:
    a. *Methods*: name and type of vessel, anchored or live boated, type of GPS unit(s), divers, survey methods;
    b. *Conditions*: cloud cover, wind speed and direction, sea conditions, visibility, water temperature, currents;
    c. *Chronology*: dive plan, start and end of each dive, dive profile, maximum depth, dive time, distance and bearing searched;
    d. *Coordinates*: Describe the GPS unit(s) used to navigate to the site (model number). Describe whether differential or WAAS coordinates were recorded. Compare the dive locations to deployment location numbers. How well do they match the published numbers?
    e. *Physical observations*: Describe the number and size of material observed. What is the proximity of concrete pieces or modules to each other? What percent material was damaged or partially damaged? What is the maximum and minimum relief of the site? How do these observations compare to the Material Placement Report Form information submittal?
    f. *Footprint area*: Measure the approximate total area covered by each patch reef through standard in situ survey practices.
    g. *Biological observations*: Describe any fish observed, or other general biological observations.
    h. *Video and photographs*: Provide representative still and/or video footage of each deployment location (digital format preferred when available).

LIABILITY AND RESPONSIBILITY FOR REEF MATERIALS

23. Upon initiation of the handling and movement of these artificial reef materials by the **GRANTEE's** subcontractor, all liability, risk of loss and responsibility for the safe handling, storage, transportation and deployment of the materials shall be borne by the subcontractor. This liability, assumption of risk and responsibility shall remain with the subcontractor until the materials are deployed at the permitted reef site in accordance with the specifications in this Agreement.

B. BACKGROUND

Project Name:	Escambia County Artificial Reef Construction 2019-20	**FWC Agreement No.**	19041

Chapter 379.249 F.S. creates the Florida Artificial Reef Program to enhance saltwater opportunities and to promote proper management of fisheries resources associated with artificial reefs for the public interest. Under the program, the **COMMISSION** may provide grants and financial and technical assistance to coastal local governments, state universities, and nonprofit corporations qualified under s. 501(c)(3) of the Internal Revenue Code for the siting and development of artificial reefs as well as for monitoring and evaluating such reefs and their recreational, economic, and biological effectiveness. Chapter 68E-9 F.A.C defines the procedures for submitting an application for financial assistance and criteria for allocating available funds. The purpose of this rule is to govern the development of state and federally funded artificial reefs, the review and ranking of project applications eligible for funding, and the administration of funds from the Florida Artificial Reef Program.

This artificial reef construction project was selected for funding by the **COMMISSION** based upon ranking of competitive applications submitted to the Artificial Reef Program pursuant to the criteria for allocating funds described in Chapter 68E-9, F.A.C.

C. **SUPPORT OF COMMISSION MISSION**

Construction of this artificial reef will augment marine hard bottom habitat with well-planned stable and durable artificial reefs for purposes of providing near shore reef fish habitat, offshore recreational fishing and diving opportunities, reduced pressure on natural reef and hard bottom sites, and reduced user conflicts by providing additional recreational fishing and diving site locations off of Florida's coastal waters. The proposed artificial reefs will make fisheries resources available for the long term benefit of local Florida residents and visitors.

D. **DEFINITIONS**

The terms and abbreviations used herein shall have the meanings as defined below.

i. "Artificial reef" means one or more manufactured or natural objects intentionally placed on the bottom in predominantly marine waters to provide conditions believed to be favorable in sustaining, or enhancing the spawning, breeding, feeding, or growth to maturity of Florida's managed reef associated fish species as well as to increase the productivity of other reef community resources which support fisheries. Included in this definition are artificial reefs developed with one or more of the following additional objectives: enhancement of fishing and diving opportunities, fisheries research, and fisheries conservation/preservation purposes.

ii. "Permitted area" means an area with discrete boundaries inside of which one or more artificial reefs may be located and for which all required permits and authorizations have been obtained. These permits and authorizations include: artificial reef permits issued by the Florida Department of Environmental Protection and/or the Army Corps of Engineers and other permits, licenses, or authorizations required by any governing body.

iii. "Staging area" means a land-based holding area for artificial reef material where such material is stored and prepared for transportation to an approved artificial reef site.

Project Name:	Escambia County Artificial Reef Construction 2019-20	**FWC Agreement No.**	19041

iv. "Prefabricated modules" means structures specifically designed and built for use as artificial reefs and which meet the environmental safety, durability, and stability requirements of this rule, as well as providing complexity and texture which are suitable as habitat for fishes and for colonization by encrusting marine organisms.

2. DELIVERABLES

A. Deliverable #1 (Artificial Reef Construction)

Construction of a marine artificial reef by deploying at 17 pre-fabricated concrete reef modules within the Casino Beach Snorkel Reef permitted area. Pre-fabricated modules will be placed in close proximity to each other to create one patch reef within the boundaries of the permitted area.

i. Minimum Level of Performance

The artificial reef must be deployed within the boundaries of the permitted area and in compliance with all the applicable permits and authorizations associated with the permitted area. At a minimum, a total of at least 17 pre-fabricated concrete reef modules must be deployed in accordance with the specifications in this Agreement.

ii. Documentation / Criteria Used as Evidence of Performance

1. A Materials Placement Report shall be submitted to the **COMMISSION's** Project Manager within 30 days of field operations completion. The Materials Placement Report form is available on the **COMMISSION's** website at http://www.myfwc.com/artificialreefs. The Materials Placement Report must have a certification signature and reflect an accurate material tonnage for the reef deployed as well as a detailed description of the type, number, dimensions and individual weights of the various sizes of reef materials deployed. This information may be submitted on the materials placement report in lieu of taking loaded and unloaded barge measurements. If accurate individual weights of concrete units cannot be obtained or are not known, barge displacement measurements are required. The **GRANTEE's** Project Manager or **GRANTEE's** designee shall then record the waterline length, width and draft (to the nearest inch) of the loaded barge at all four (4) corners to calculate the average displacement of water due to the weight of the artificial reef materials. The same barge measurements must be taken by either the **GRANTEE's** Project Manager or **GRANTEE's** designee when the barge returns to shore after the deployment has been completed. These measurements may not be taken while the barge is offshore at the deployment site. The barge measurements are to be included in the Materials Placement Report.

2. A table providing coordinates for each deployed module is required and is to be attached to the Material Placement Report. Coordinates can be reported by the contracted vendor during deployment or by the **GRANTEE** during post-deployment monitoring.

Project Name:	Escambia County Artificial Reef Construction 2019-20	**FWC Agreement No.**	19041

3. A final written field assessment providing the designated observer's narrative, for each day of the reef deployment operations, is required prior to reimbursement. The field report shall include a written chronology and narrative describing the deployment, and a performance evaluation of the marine subcontractors who performed the work. The final field assessment should include photos of the material and loaded barge prior to each deployment and, if available, underwater photographs and video footage (surface and/or underwater).

iii. Timeline for Completion

All artificial reef construction must be completed by August 1, 2020. A one-time short term time extension of up to thirty (30) days (through the Agreement end date of August 31, 2020) may be authorized in writing by the **COMMISSION's** Contract Manager under the following conditions: a) documented hazardous weather and sea conditions do not allow for the safe deployment of reef materials offshore or, b) unanticipated documented equipment malfunction on the transport vessel or accompanying tug or at the shore-side loading area results in an unexpected short term delay. The **COMMISSION** reserves the right to deny any time extension request if sufficient progress has not been accomplished. Advance planning that avoids dependence on a favorable weather window during the final days of the project is strongly encouraged. All request for bid packages from the **GRANTEE** to subcontractors must include language that specifies a completion date that ensures all materials will be in the water by August 1, 2020. Subcontracts with completion dates even earlier than August 1, 2020 to provide an additional buffer are strongly encouraged.

3. FINANCIAL CONSEQUENCES

A. If the **GRANTEE** fails to complete construction within the time frame specified by the Scope of Work, the budget amount allocated for that deliverable will be deducted from the Grantee's payment.

B. The **GRANTEE** will not be eligible for reimbursement until all reports have been provided to the satisfaction of the **COMMISSION** documenting that all work has been completed in accordance with the Scope of Work, and in compliance with all permit conditions.

The remainder of this page intentionally left blank.

4. PERFORMANCE

A. Written or electronically transmitted progress reports must be sent to the **COMMISSION's** Contract Manager at no less than 60 day intervals beginning from the date of execution of this agreement.

Project Name:	Escambia County Artificial Reef Construction 2019-20	**FWC Agreement No.**	19041

B. The **GRANTEE** agrees to provide the **COMMISSION** with a minimum of five (5) days notice and maintain continuous notification thereafter as each deployment date approaches for any artificial reef construction that occurs as a result of this Agreement.

C. The **GRANTEE** agrees to follow all provisions of Section 379.249, F.S. and Chapter 68E-9, F.A.C. during the term of this Agreement.

D. The **GRANTEE** agrees to comply with all applicable federal, state, and local statutes, rules and regulations in providing goods or services to the **COMMISSION** under the terms of this Agreement; including the general and special conditions specified in any permits issued by the Department of the Army, Corps of Engineers and/or the Florida Department of Environmental Protection. The **GRANTEE** further agrees to include this as a separate provision in all subcontracts issued as a result of this Agreement.

E. If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, dugout canoes, metal implements, historic building material, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the immediate vicinity of the discovery. The applicant shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section at (850)245-6333. Project activities shall not resume without verbal and/or written authorization. In the event that unmarked human remains are encountered during the permitted activities, all work shall stop immediately and the proper authorities notified in accordance with Section 872.05, F.S.

F. Funds from this Agreement may not be expended on salaries, training, or parts replacement or repairs to rented or contractor owned equipment. Documentation of expenses and survey reports must be submitted with the closeout package in order for reimbursement to be made.

G. The **GRANTEE** agrees to acknowledge the role of the Federal Aid in Sport Fish Restoration Program funding in any publicity related to this Agreement.

5. COMPENSATION AND PAYMENT

A. COST REIMBURSEMENT

The **GRANTEE** shall be compensated on a cost reimbursement basis in accordance with the Cost Reimbursement Contract Payment Requirements as shown in the Department of Financial Services, "Reference Guide for State Expenditures" publication. The cost reimbursement requirements section of the Reference Guide is attached hereto and made a part hereof as Attachment D.

B. INVOICE SCHEDULE

A single final invoice may be submitted after completion of the deliverable and must be received by the **COMMISSION** no later than October 15, 2020 to assure availability of funds for payment. A timely reimbursement request following completion of actual field operations is strongly encouraged.

Attachment A – SCOPE OF WORK

Project Name:	Escambia County Artificial Reef Construction 2019-20	**FWC Agreement No.**	19041

C. **TRAVEL EXPENSES**

No travel expenses are authorized under the terms of this Agreement.

D. **FORMS AND DOCUMENTATION**

1. The **GRANTEE** shall submit a completed Materials Placement Report form along with the invoice and request for payment. The Materials Placement Report form is available on the **COMMISSION's** website at: http://www.myfwc.com/artificialreefs.

6. MONITORING SCHEDULE

A. The **GRANTEE** agrees to allow the **COMMISSION** to conduct on-site inspections of the artificial reef materials, staging area and construction site before, during, and after the deployment.

B. No additional monitoring activities have been identified at this time; however, additional tasks may be identified during the pendency of this agreement.

7. INTELLECTUAL PROPERTY RIGHTS

See Agreement for applicable terms and conditions related to the intellectual property rights.

8. SUBCONTRACTS

See Agreement for applicable terms and conditions related to subcontracts.

9. INSURANCE

See Agreement for applicable terms and conditions related to insurance.

10. SECURITY AND CONFIDENTIALITY

See Agreement for applicable terms and conditions related to security and confidentiality.

11. RECORD KEEPING REQUIREMENTS

See Agreement for applicable terms and conditions related to record keeping requirements.

12. NON-EXPENDABLE PROPERTY

The **GRANTEE** is not authorized to use funds provided herein for the purchase of any non-expendable equipment or personal property valued at $1,000 or more for performance under this Agreement.

13. PURCHASE OR IMPROVEMENT OF REAL PROPERTY

This Section is not applicable and intentionally left blank.

14. SPECIAL PROVISIONS FOR CONSTRUCTON CONTRACTS

Attachment A – SCOPE OF WORK

Project Name:	Escambia County Artificial Reef Construction 2019-20	FWC Agreement No.	19041

A. DRUG-FREE WORKPLACE

Pursuant to Section 440.102(15), F.S., any construction contractor regulated under Parts I and II of Chapter 489, F.S., who contracts to perform construction work under a state contract shall implement a drug-free workplace.

B. CONTRACTOR ELIGIBILITY

1. The use of a Marine Specialty licensed contractor (Section 489.105, F.S) is not a requirement for professional services pertaining to artificial reef deployment activities during this Agreement. A Marine Specialty Contractor license (Chapter 61G4-15.033 Florida Administrative Code) does not include artificial reefs, and therefore is not a licensing requirement for artificial reef deployment.

2. The Consultants Competitive Negotiation Act (Section 287.055, F.S.) is not applicable for professional services pertaining to artificial reef planning, procurement, deployment or survey activities during this Agreement. Signed and sealed drawings are not required.

3. In accordance with Executive Order 12549, Debarment and Suspension, the **GRANTEE** shall agree and certify that neither it, nor its principals, is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency; and, that the **GRANTEE** shall not knowingly enter into any lower tier agreement, or other covered transaction, with a person who is similarly debarred or suspended from participating in this covered transaction, unless authorized in writing to the **COMMISSION** by the federal agency issuing the grant award. Upon execution of subcontracts funded by this Agreement, the **GRANTEE** shall require subcontractors to complete, sign and return a copy of the form entitled "Certification Regarding Debarments, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Federally Funded Transactions", attached hereto and made a part hereof as Attachment E. As required by sentences 1 and 2 above, the **GRANTEE** shall include the language of this section, and Attachment E in all subcontracts or lower tier agreements executed to support the **GRANTEE's** work under this Agreement.

C. FEDERAL FUNDS

1. This Agreement is funded in whole or in part by a grant from the U.S. Fish and Wildlife Service, Federal Aid in Sport Fish Restoration Program, CFDA No. 15.605. Therefore, the **GRANTEE** shall be responsible for complying with all federal grant requirements as provided in the grant, a copy of which is attached hereto and made a part hereof as Attachment C. It is understood and agreed that the **GRANTEE** is not authorized to expend any federal funds under this Agreement to a federal agency or employee without the prior written approval of the U.S. Fish and Wildlife Service.

2. The Davis-Bacon Act is not applicable to subcontracts executed under this Agreement. This project is funded by the Dingell-Johnson Sport Fish Restoration Act which does not require implementation of the provision of the Davis-Bacon Act as the initial federal award to the **COMMISSION** was exempt from the Davis-Bacon Act conditions.

Attachment A – SCOPE OF WORK

Project Name:	Escambia County Artificial Reef Construction 2019-20	**FWC Agreement No.**	19041

3. The **GRANTEE** agrees to follow all requirements of CFR 200, Code of Federal Regulations, for the procurement of commodities or contractual services under this Agreement.

4. The **COMMISSION** shall make payment to the **GRANTEE** for an amount of the total project eligible cost not to exceed $59,500.00 of approved invoiced costs.

D. **PAYMENT BOND**

Pursuant to Chapter 287, F.S., no payment or surety bond is required for this project.

E. **PERFORMANCE BOND**

Pursuant to Chapter 287, F.S., no performance bond is required for this project.

F. **CERTIFICATE OF CONTRACT COMPLETION**

The Grantee will be required to complete a Certificate of Completion form (Attachment F) when all work has been completed and accepted. This form must be submitted to the **COMMISSION's** Contract Manager with the **GRANTEE's** invoice for payment to be authorized. The **COMMISSION's** Contract Manager shall submit the executed form with the invoice to Accounting Services.

G. **CERTIFICATE OF PARTIAL PAYMENT**

This Section is not applicable and intentionally left blank.

H. **GRANTEE PAYMENTS TO SUBCONTRACTOR**

Grant Agreement No. 19041, Section 15, B, "Grantee Payments to Subcontractor" is hereby amended to read as follows:

If subcontracting is permitted pursuant to Section 15, Paragraph A, the **GRANTEE** agrees to make payments to the subcontractor upon completion of work and submitted invoice in accordance with the contract between the **GRANTEE** and subcontractor. Failure to make payment pursuant to any subcontract within thirty (30) working days will result in a penalty charged against **GRANTEE** and paid to the subcontractor in the amount of one-half of one percent (0.50%) of the amount due per day from the expiration of the thirty (30) working day period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due.

The remainder of this page intentionally left blank.

FWC Agreement No. 19041

Attachment B
AUDIT REQUIREMENTS

The administration of resources awarded by the Florida Fish and Wildlife Conservation Commission (Commission) to the Grantee may be subject to audits and/or monitoring by the Commission as described in Part II of this attachment regarding State funded activities. If this Agreement includes a Federal award, then Grantee will also be subject to the Federal provisions cited in Part I. If this Agreement includes both State and Federal funds, then all provisions apply.

MONITORING

In addition to reviews of audits conducted in accordance with Sections 200.500-200.521, Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards (2 CFR 200), as revised, hereinafter "OMB Uniform Guidance" and Section 215.97, F.S., as revised (see "AUDITS" below), the Commission may conduct or arrange for monitoring of activities of the Contractor. Such monitoring procedures may include, but not be limited to, on-site visits by the Commission staff or contracted consultants, limited scope audits as defined by Section 200.331, OMB Uniform Guidance and/or other procedures. By entering into this Agreement, the Grantee agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Commission. The Grantee further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Florida Department of Financial Services or the Florida Auditor General.

AUDITS

PART I: FEDERALLY FUNDED. If this Agreement includes a Federal award, then the following provisions apply:

A. This part is applicable if the Grantee is a State or local government or a non-profit organization as defined in Sections 200.90, 200.64, or 200.70, respectively, OMB Uniform Guidance.

B. In the event that the Grantee expends **$500,000.00** (**$750,000.00** for fiscal years beginning on or after December 26, 2014) or more in Federal awards in its fiscal year, the Grantee must have a single or program-specific audit conducted in accordance with the provisions of the Federal Single Audit Act of 1996 and Sections 200.500-200.521, OMB Uniform Guidance. EXHIBIT 1 to this Attachment indicates Federal resources awarded through the Commission by this Agreement. In determining the Federal awards expended in its fiscal year, the Grantee shall consider all sources of Federal awards, including Federal resources received from the Commission. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by Sections 200.500-200.521, OMB Uniform Guidance. An audit of the Grantee conducted by the Auditor General in the OMB Uniform Guidance, will meet the requirements of this part.

C. In connection with the audit requirements addressed in Part I, paragraph A. herein, the Grantee shall fulfill the requirements relative to auditee responsibilities as provided in Section 200.508, OMB Uniform Guidance. This includes, but is not limited to, preparation of financial statements, a schedule of expenditure of Federal awards, a summary schedule of prior audit findings, and a corrective action plan.

D. If the Grantee expends less than **$500,000.00** (**$750,000.00** for fiscal years beginning on or after December 26, 2014) in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, is not required. In the event that the Grantee expends less than **$500,000.00** (**$750,000.00** for fiscal years beginning on or after

December 26, 2014) in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from Grantee resources obtained from other than Federal entities).

E. Such audits shall cover the entire Grantee's organization for the organization's fiscal year. Compliance findings related to agreements with the Commission shall be based on the agreement requirements, including any rules, regulations, or statutes referenced in the Agreement. The financial statements shall disclose whether or not the matching requirement was met for each applicable agreement. All questioned costs and liabilities due to the Commission shall be fully disclosed in the audit report with reference to the Commission agreement involved. Additionally, the results from the Commission's annual financial monitoring reports must be included in the audit procedures and the Sections 200.500-200.521, OMB Uniform Guidance audit reports.

F. If not otherwise disclosed as required by Section 200.510, OMB Uniform Guidance, the schedule of expenditures of Federal awards shall identify expenditures by contract number for each agreement with the Commission in effect during the audit period.

G. If the Grantee expends less than **$500,000.00** in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, is not required. In the event that the Grantee expends less than **$500,000.00** in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of Sections 200.500-200.521, OMB Uniform Guidance, the cost of the audit must be paid from non-Federal resources (*i.e.*, the cost of such an audit must be paid from the Grantee's resources obtained from other-than Federal entities).

H. A web site that provides links to several Federal Single Audit Act resources can be found at: http://harvester.census.gov/sac/sainfo.html

PART II: STATE FUNDED. If this Agreement includes State funding, then the following provisions apply:

This part is applicable if the Grantee is a non-state entity as defined by Section 215.97, F.S., (the Florida Single Audit Act).

A. In the event that the Grantee expends a total amount of state financial assistance equal to or in excess of **$750,000.00** (**$500,000.00** in fiscal years prior to July 1, 2016) in any fiscal year of such Grantee, the Grantee must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; applicable rules of the Executive Office of the Governor and the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Attachment indicates state financial assistance awarded through the Commission by this Agreement. In determining the state financial assistance expended in its fiscal year, the Grantee shall consider all sources of state financial assistance, including state financial assistance received from the Commission, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.

B. In connection with the audit requirements addressed in Part II, paragraph A herein, the Grantee shall ensure that the audit complies with the requirements of Section 215.97(7), F.S. This includes submission of a financial reporting package as defined by Section 215.97(2)(d), F.S., and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

C. If the Grantee expends less than **$750,000.00** (**$500,000.00** in fiscal years prior to July 1, 2016) in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. In the event that the Grantee expends less than **$750,000.00** (**$500,000.00** in fiscal years prior to July 1, 2016) in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the non-state entity's resources (*i.e.*, the cost of such an audit must be paid from the Grantee's resources obtained from other-than State entities).

D. Additional information regarding the Florida Single Audit Act can be found at: https://apps.fldfs.com/fsaa/.

E. Grantee shall provide a copy of any audit conducted pursuant to the above requirements directly to the following address:

Office of Inspector General
Florida Fish and Wildlife Conservation Commission
Bryant Building
620 S. Meridian St.
Tallahassee, FL 32399-1600

PART III: REPORT SUBMISSION

A. Copies of reporting packages, to include any management letter issued by the auditor, for audits conducted in accordance with Sections 200.500-200.521, OMB Uniform Guidance, and required by Part I of this Attachment shall be submitted by or on behalf of the Grantee directly to each of the following at the address indicated:

1. The Commission at the following address:

   Office of Inspector General
   Florida Fish and Wildlife Conservation Commission
   Bryant Building
   620 S. Meridian St.
   Tallahassee, FL 32399-1600

2. The Federal Audit Clearinghouse designated in Section 200.512, OMB Uniform Guidance (the reporting package required by Section 200.512, OMB Uniform Guidance, should be submitted to the Federal Audit Clearinghouse):

   Federal Audit Clearinghouse
   Bureau of the Census
   1201 East 10th Street
   Jeffersonville, IN 47132

3. Other Federal agencies and pass-through entities in accordance with Section 200.512, OMB Uniform Guidance.

B. Copies of audit reports for audits conducted in accordance with Sections 200.500-200.521, OMB Uniform Guidance, and required by Part I of this Attachment (in correspondence accompanying the

audit report, indicate the date that the Grantee received the audit report); copies of the reporting package described in Section 200.512, OMB Uniform Guidance, and any management letters issued by the auditor; copies of reports required by Part II of this Attachment must be sent to the Commission at the addresses listed in paragraph C. below.

C. Copies of financial reporting packages required by Part II of this Attachment, including any management letters issued by the auditor, shall be submitted by or on behalf of the Grantee directly to each of the following:

1. The Commission at the following address:

   Office of Inspector General
   Florida Fish and Wildlife Conservation Commission
   Bryant Building
   620 S. Meridian St.
   Tallahassee, FL 32399-1600

2) The Auditor General's Office at the following address:

   Auditor General's Office
   G74 Claude Pepper Building
   111 West Madison Street
   Tallahassee, FL 32399-1450

D. Any reports, management letter, or other information required to be submitted to the Commission pursuant to this Agreement shall be submitted timely in accordance with OMB Sections 200.500-200.521, OMB Uniform Guidance, Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

Grantees and sub-Grantees, when submitting financial reporting packages to the Commission for audits done in accordance with Sections 200.500-200.521, OMB Uniform Guidance, or Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the Grantee/sub-Grantee in correspondence accompanying the reporting package.

FWC Agreement No. 19041

Exhibit 1
FEDERAL AND STATE FUNDING DETAIL

FEDERAL RESOURCES AWARDED TO THE GRANTEE PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

Federal Program(s) Funds		
CFDA #	**CFDA Title**	**Amount**
15.605	Federal Aid in Sport Fish Restoration Program	$35,000.00
	Total Federal Awards	$35,000.00

COMPLIANCE REQUIREMENTS APPLICABLE TO THE FEDERAL RESOURCES AWARDED PURSUANT TO THIS AGREEMENT ARE AS FOLLOWS:

Federal Program(s) Compliance Requirements	
CFDA #	**Compliance Requirements**
15.605	1. Only the goods and/or services described within the attached Agreement and Attachment A Scope of Work are eligible expenditures for the funds awarded. 2. All provisions of Section 379.249, Florida Statutes and Rule 68E-9, Florida Administrative Code must be complied with in order to receive funding under this Agreement. 3. The Grantee must comply with the requirements of all applicable laws, rules or regulations relating to this artificial reef project.

STATE RESOURCES AWARDED TO THE GRANTEE PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

MATCHING RESOURCES FOR FEDERAL PROGRAMS:

Matching Funds Provided by CFDA		
CFDA #	**CFDA Title**	**Amount of Matching Funds**
15.605	Florida Artificial Reef Program	$24,500.00
	Total Matching Funds Associated with Federal Programs	$24,500.00

SUBJECT TO SECTION 215.97, FLORIDA STATUTES:

State Project(s)		
CSFA #	**CSFA Title**	**Amount**
n/a	n/a	n/a
	Total State Awards	

COMPLIANCE REQUIREMENTS APPLICABLE TO STATE RESOURCES AWARDED PURSUANT TO THIS AGREEMENT ARE AS FOLLOWS:

State Project(s) Compliance Requirements	
CSFA #	**Compliance Requirements**
n/a	n/a

NOTE: Section 200.513, OMB Uniform Guidance (2 CFR 200), as revised, and Section 215.97(5), Florida Statutes, require that the information about Federal Programs and State Projects included in Exhibit 1 be provided to the Grantee.

FWC Agreement No. 19041

Attachment C

State Grant Programs Part 523 Federal Aid Compliance Requirements

Chapter 1 Summary 523 FW 1.1

1.1 Purpose. The purpose of this chapter is to summarize guidance on those requirements generally applicable to grant programs.

1.2 Applicability and Scope. In accepting Federal funds, States and other grantees must comply with all applicable Federal laws, regulations, and policies. This chapter is not all-inclusive. Exclusion of any specific requirement does not relieve grantees of their responsibility for compliance. Copies of reference materials can be obtained from the Regional Offices. Guidance on the following requirements is contained in this chapter.

A. Nondiscrimination Requirements.
- Title VI of the Civil Rights Act of 1964
- Section 504 of the Rehabilitation Act of 1973
- Age Discrimination Act of 1975
- Title IX of the Education Amendments of 1972

B. Environmental Requirements.
- Coastal Zone Management Act of 1972
- Executive Order 11987, Exotic Organisms
- Endangered Species Act of 1973
- National Environmental Policy Act of 1969
- Floodplains and Wetlands Protection
- Animal Welfare Act of 1985
- Coastal Barriers Resources Act of 1982

C. Historic and Cultural Preservation Requirements.
- National Historic Preservation Act of 1966

D. Administrative Requirements.
- Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970
- Debarment and Suspension
- Drug-Free Workplace Act of 1988
- Restrictions on Lobbying (P.L. 101-121)

1.3 Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)).

A. Summary. Prohibits discrimination based on race, color, or national origin in any "program or activity receiving Federal financial assistance."

B. References.
(1) Regulations of the Department of the Interior (43 CFR Part 17)
(2) U.S. Fish and Wildlife Service Guidelines for Compliance with Federal Nondiscrimination Requirements
(3) U.S. Fish and Wildlife Service Federally Assisted Program Implementation Plan

C. Requirements.
(1) Grantees may not, on the basis of race, color, or national origin, select, locate, or operate project facilities which will serve to exclude or limit opportunity for use or benefits.

(2) Grantees shall make reasonable efforts to inform the public of opportunities provided by Federal Aid projects and shall inform the public that the projects are subject to Title VI compliance.
(3) Though employment practices are not in themselves subject to Title VI, Title VI does apply to employment which may affect the delivery of services to beneficiaries of a federally assisted program. For the purpose of Title VI, volunteers or other unpaid persons who provide services to the public are included.

1.4 Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 795)

A. Summary. Ensures that no qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

B. References.
(1) Regulations of the Department of the Interior (43 CFR Part 17)
(2) U.S. Fish and Wildlife Service Guidelines for Compliance with Federal Nondiscrimination Requirements
(3) U.S. Fish and Wildlife Service Federally Assisted Program Implementation Plan

C. Requirements.
(1) Grantees may not deny a qualified handicapped person the opportunity to participate in or benefit from Federal Aid project facilities or services afforded to others.
(2) Grantees may not deny a qualified handicapped person the opportunity to participate as a member of a planning or advisory board.
(3) The location of facilities shall not have the effect of excluding handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any Federal Aid project.

1.5 Age Discrimination Act of 1975 (42 U.S.C. 6101)

A. Summary. Prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance.

B. References.
(1) Regulations of the Department of the Interior (43 CFR Part 17)
(2) U.S. Fish and Wildlife Service Guidelines for Compliance with Federal Nondiscrimination Requirements
(3) U.S. Fish and Wildlife Service Federally Assisted Program Implementation Plan

C. Requirements. No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. However, a grantee is permitted to take an action otherwise prohibited if the action reasonably takes into account age as a factor necessary to the normal operation or achievement of any statutory objective of a program or activity.

1.6 Title IX of the Education Amendments of 1972 (20 U.S.C. 1681, et.seq.)

A. Summary. Prohibits discrimination on the basis of sex in any education program receiving Federal financial assistance.

B. References.
(1) Regulations of the Department of the Interior (43 CFR Part 17)
(2) U.S. Fish and Wildlife Service Guidelines for Compliance with Federal Nondiscrimination Requirements

C. Requirements. No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program receiving Federal financial assistance. For the purpose of Title IX, hunter education and aquatic education project activities are considered education programs.

1.7 Coastal Zone Management Act of 1972 (16 U.S.C. 1451 et. seq.)

A. Summary. The Act is intended to, "preserve, protect, develop, and where possible, to restore or enhance, the resources of the Nation's coastal zone..."

B. References. Regulations of the Department of Commerce (15 CFR 930).

C. Requirements. Federal Aid projects, which would "significantly affect the coastal zone" must be consistent with the approved State management programs developed under the Act. Prior to submitting a Grant Proposal for a project in the coastal zone of a State with an approved Coastal Zone Management Program, the proposed project must be reviewed for consistency with the management plan. Grantees may be required to submit a statement attesting to conformance with the Coastal Zone Management Plan.

1.8 Exotic Organisms Executive Order 11987

A. Summary. Federal agencies shall discourage the States from introducing exotic species into natural ecosystems of the United States. In addition, Federal agencies will restrict the use of Federal funds for the purpose of introducing exotic species into ecosystems outside of the United States.

B. References. Executive Order 11987, Exotic Organisms, 42 FR 26949 (May 25, 1977)

C. Requirements.
(1) Any proposal for the introduction of an exotic species into a natural ecosystem by a State fish and wildlife agency must include a biological opinion from the U.S. Fish and Wildlife Service supporting the proposed introduction.
(2) To obtain a biological opinion, the State agency shall provide the Regional Director with a written request for the opinion together with any available information including, but not limited to, NEPA documents, biological data, and project plans.
(3) After receiving a biological opinion, it will be the responsibility of the State agency to adhere to the recommendations outlined in that opinion.

1.9 Endangered Species Act of 1973 (16 U.S.C. 1531-1534).

A. Summary. Actions funded under the Federal Aid programs must not jeopardize the continued existence of any endangered or threatened species, or result in the destruction or adverse modification of the habitat of the species.

B. Reference. Section 7 Consultation Requirements, 43 FR 870 (Jan. 4, 1978).

C. Requirements. The Regional Director must ensure that Federal Aid projects are not likely to jeopardize the continued existence of endangered or threatened species or result in the

destruction or adverse modification of critical habitat. For projects which may affect an endangered or threatened species, either beneficially or adversely, a formal Section 7 consultation is necessary. The State is required to name the listed species and/or critical habitat included; list the name, description, and location of the area; list objectives of the actions; and provide an explanation of the impacts of the actions on a listed species or its critical habitat.

1.10 National Environmental Policy Act of 1969 (42 U.S.C. 4321-4347).

A. Summary. Requires that every proposed Federal action be examined to determine the effects (beneficial or adverse) it will have on the human environment and that the findings be considered in decisions regarding its implementation.

B. References.
(1) Regulations of the Council on Environmental Quality implementing the procedural provisions of NEPA, (40 CFR 1500-1508).
(2) Departmental Manual, Environmental Quality, Part 516.
(3) Fish and Wildlife Service Manual, National Environmental Policy Act, Part 550.
(4) National Environmental Policy Act Handbook for Federal Aid Projects. The Assistant Director-Fish and Wildlife Enhancement is authorized to promulgate the National Environmental Policy Act Handbook for Federal Aid Projects.

C. Requirements. Each action proposed for Federal funding must include an Environmental Assessment (EA), Environmental Impact Statement (EIS), or show that the proposed activity is covered by one or more categorical exclusions. For specific requirements and procedures, see National Environmental Policy Act (NEPA) Handbook for Federal Aid Projects.

1.11 Floodplains and Wetlands Protection.

A. Summary. Federal Aid funds may not be used for projects affecting floodplains or wetlands unless there is no practical alternative outside the floodplain or wetland and only if actions are taken to minimize the adverse effects.

B. References.
(1) Executive Order 11988, Floodplain Management, 42 FR 26951 (May 25, 1977).
(2) Executive Order 11990, Protection of Wetlands, 42 FR 26961 (May 25, 1977).
(3) Department of Interior Procedures for Implementation, 520 DM 1.
(4) Natural Resources Protection, 613 FW.

C. Requirements. The Executive orders on floodplains and wetlands require Federal agencies to review proposed actions to ensure that there are no practical alternatives outside the floodplain or wetland, and to ensure that potential harm is minimized. If there are no practical alternatives to proposed projects in floodplains or wetlands, actions to minimize the adverse effects should be incorporated into the project plans.

1.12 Animal Welfare Act of 1985 7 U.S.C. 2131, et seq.

A. Summary. Requires the humane treatment of animals (exclusive of fish) used in research, experimentation, testing, and teaching.

B. References. Regulations of the Department of Agriculture, Animal and Plant Health Inspection Service (APHIS), 9 CFR Parts 1, 2 and 3 (54 FR 36112 (Aug. 31, 1989).

C. Requirements. Grantees who use Federal Aid funds to conduct covered management or research or who engage in interstate shipment of animals should contact the local Animal and Plant Health Inspection Service (APHIS) office for instructions. A list of the APHIS offices may be obtained from the Regional Offices.

1.13 Coastal Barriers Resources Act of 1982 (16 U.S.C. 3501), as amended by the Coastal Barrier Improvement Act of 1990 (P.L. 101-591)

A. Summary. The purpose of the Acts are "...to minimize the loss of human life, wasteful expenditure of Federal revenues and damage to fish and wildlife, and other natural resources associated with coastal barriers..."

B. References. U.S. Fish and Wildlife Service Advisory Guidelines, 48 FR 45664 (Oct. 6, 1983).

C. Requirements. Activities conducted within a unit of the Coastal Barrier Resources System must meet the requirements of section 6 of the Act. Section 6 requires consultation with the Service, via the appropriate Regional Office.

1.14 National Historic Preservation Act of 1966 16 U.S.C. 470.

A. Summary. Federal agencies may not approve any grant unless the project is in accordance with national policies relating to the preservation of historical and cultural properties and resources.

B. References.
(1) National Register of Historic Places (36 CFR 60).
(2) The Archeological and Historic Preservation Act of 1974, 16 U.S.C. 469a.
(3) Procedures for the Protection of Historic and Cultural Properties (36 CFR 800).
(4) Determinations of Eligibility for Inclusion in the National Register of Historic Places (36 CFR 63).
(5) Criteria for Comprehensive Statewide Historic Surveys and Plans (36 CFR 61).
(6) Cultural Resources Protection, 614 FW.

C. Requirements.
(1) States must consult with the State Historic Preservation Officer (SHPO) for those activities or projects that are defined as undertakings under the National Historic Preservation Act. An undertaking is defined as a project, activity, or program that can result in changes in the character or use of properties that are listed on or potentially eligible for listing on the National Register of Historic Places (National Register) and located within the project's area of potential effect. Undertakings include new and continuing projects, activities, or programs and any of their elements not previously considered under Section 106 of the National Historic Preservation Act.
(2) In cases where a Federal Aid project has been determined to be an undertaking, the State must notify the appropriate Service Regional Director for guidance on how to proceed with Section 106 compliance. Based on the results of the consultation between the State and SHPO, the Service will determine the need and level of inventory to identify historic properties that may be affected by the undertaking and to gather sufficient information to evaluate whether these properties are listed or are eligible for listing in the National Register.
(3) Where completed inventories indicate that identified historic properties may be affected by the undertaking, the State shall be responsible for submitting the necessary documentation to the appropriate Regional Director for review. As necessary, the Service shall seek

determinations of eligibility for those properties that are to be affected by the proposed activity.
(4) If a State is advised by the SHPO that an undertaking will adversely affect a property that is eligible for or listed on the National Register, the State shall ask the appropriate Regional Director to determine measures for mitigating or avoiding impacts. This may require the development of a memorandum of agreement among the Service, State, and State Historic Preservation Officer to address specific measures that will be employed to avoid or minimize adverse effects to historic properties located within the area of potential effect. Adverse effects that may diminish the character and integrity of historic properties include

(a) Physical destruction, damage, or alteration of all or part of the property;

(b) Isolation of the property from or alteration of the character of the property's setting when that character contributes to the property's qualification for the National Register of Historic Places;

(c) Introduction of visual, audible, or atmospheric elements that are out of character with the property or alter its setting;

(d) Neglect of a property resulting in its deterioration or destruction; and

(e) Transfer, lease, or sale of the historic property.

(5) If a previously unknown property that is eligible for listing on the National Register is discovered at any time during the implementation period of a Federal Aid project, the Regional Director must be notified and all actions which may adversely effect it must be suspended. The Service shall provide the State with instructions on how to proceed.

1.15 Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601)

A. Summary. Federal agencies may not approve any grant unless the grantee provides Assurances that it will comply with the Act. Prices to be paid for lands or interests in lands must be fair and reasonable (except when the price is fixed by law, or when the lands are to be acquired at public auction or by condemnation and the value determined by the court). Persons displaced from their homes, businesses, and farms must receive relocation services, compensation, and fair equitable treatment.

B. References.
(1) Department of Interior Uniform Relocation Assistance and Real Property Acquisition Regulations (41 CFR 114-50).
(2) Department of Transportation Uniform Relocation Assistance and Real Property Acquisition for Federal and Federally Assisted Programs (49 CFR Part 24).

C. Appraisal Requirements.
(1) A real property owner or his designated representative must be contacted prior to making an appraisal and given an opportunity to accompany the appraiser during inspection of the property. The fact that it occurred must be documented in project files and in the appraisal report.
(2) Real property must be appraised, the appraisal report reviewed, and the fair market value established prior to initiation of negotiations with the owner.
(3) If the acquisition of only part of a property will leave the owner with an uneconomic remnant, the State or other grantee must offer to buy the whole property. The term "uneconomic remnant" applies only to Title III of the Act and the necessity of the acquiring agency to offer to purchase such a remainder or the entire property. It is not to be construed with the term "uneconomic unit" as it applies to the in-lieu payment of farm operations under Title II of the Act.

Attachment C

D. Negotiation Requirements.
(1) An owner or his designated representative must be provided, in person or by certified mail, a written statement of just compensation as determined in the appraisal process. Offers of compensation cannot be less than the approved appraisal of fair market value of such property. If only a portion of the owner's property is being taken and the owner is left with an uneconomic remnant, the agency must offer to buy the whole property.
(2) Reimbursement to a real property owner for costs to convey a title must include
(a) Recording fees, transfer taxes, and similar costs;
(b) Penalty cost for prepayment of pre-existing recorded mortgage; and
(c) Pro-rata portion of real property taxes allocable to a period subsequent to the date of vesting title.
(3) All displaced persons (owners and tenants) must be provided information on their relocation benefits.

E. Relocation Assistance to Displaced People.
(1) A relocation plan must be prepared for displaced persons so that problems associated with displacement of individuals, families, businesses, farms and nonprofit organizations are known at an early stage in a project's development (see 49 CFR 24.205). Planning may involve the following
(a) Who and what will be displaced.
(b) The estimated number of dwellings, businesses, farms, and nonprofit organizations displaced, including rentals. This estimate should contain
(i) Currently available replacement housing, businesses, farm, and organization sites;
(ii) Approximate number of employees affected;
(iii) Types of buildings, number, and size of rooms;
(iv) The needs of those displaced (i.e. lifestyle); and
(v) Type of neighborhood, distance to community facilities, church, etc.
(c) List of comparable replacement dwellings, including rentals, available on the market within a 50-mile radius (specialized units may require expanding radius). When an adequate supply of comparable housing is not expected to be available, consideration of Housing of the Last Resort actions should be instituted.
(d) Estimate of cost of replacement housing by purchase and/or rental per displaced person, and consideration of special needs like the elderly or handicapped.
(e) Estimate of cost for moving.
(2) Advisory Services for Displaced People. Advisory services must be provided for all persons occupying property to be acquired and for all persons who use such real property for a business or farm operation. Eligibility requirements and corresponding benefits must be explained to all displaced persons. Assistance must be provided to persons completing claim forms, obtaining moving services, and obtaining proper housing.
(3) Payment for Relocation of Displaced Persons. Relocation expenses must be paid to a displaced person who purchases and occupies a replacement dwelling. Moving and related expenses will be provided to displaced persons residing on real property including those persons owning a business or a farm. All payments must comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.

Attachment C

1.16 Debarment and Suspension

A. Summary. Executive Order 12549, Debarment and Suspension, directs that persons debarred or suspended by one Federal agency from receiving grants may not receive grants from any Federal agency.

B. References.
(1) Executive Order 12549, Debarment and Suspension, Feb. 18, 1986.
(2) Department of Interior Rules, Governmentwide Debarment and Suspension (Nonprocurement), 43 CFR 12.100 - 12.510

C. Requirements.
(1) States and other grantees must submit the certification for Primary Covered Transactions (DI-1953). States certify as to their "principals", not the State agency. State principals are commissioners, directors, project leaders, or other persons with primary management or supervisory responsibilities, or a person who has a critical influence on or substantial control over Federal Aid projects. States may provide the certification annually. Other grantees must provide the certification with each Application for Federal Assistance.
(2) States and other grantees must obtain from their subgrantees and contractors a certification for Lower Tier Covered Transactions (DI-1954). A certification is not required for small purchase procurements, currently defined as less than $25,000. These certifications are normally provided with an application or proposal from a subgrantee or contractor.
(3) States and other grantees must not make any award, either by subgrant or contract, to any party which is debarred or suspended or is otherwise ineligible under provisions of Executive Order 12549. The U.S. General Services Administration maintains a list of parties debarred, suspended, ineligible or excluded from participation in Federal grants under the provision of the Executive order. A copy of this list is available, upon request, from the Regional Director.

1.17 Drug-Free Workplace Act of 1988.

A. Summary. The Drug-Free Workplace Act requires that all grantees certify that they will maintain a drug-free workplace.

B. References. Department of Interior Rules, Drug-Free Workplace Requirements, 43 CFR 12.600-635.

C. Requirements. Grantee organizations must
(1) Establish (and publish) a policy that informs employees that the manufacture, distribution, possession, or use of a controlled substance in the workplace is prohibited;
(2) Establish an awareness program to inform employees of the dangers of drug abuse in the workplace; and
Provide a drug-free workplace certification to the Department of Interior or U.S. Fish and Wildlife Service. The forms for providing the certification are available from the RegionalDirector. State agencies may certify annually. If the State agency is covered by a consolidated certification for all State agencies, a copy of the consolidated certification should be submitted to the Regional Director. (The original is retained by the State.) Grantees other than Stateagencies must submit the certification with each Grant Agreement.

Attachment C

1.18 Restrictions on Lobbying (P.L. 101-121)

A. Summary. Prohibits the use of Federal appropriated funds for lobbying either the executive or legislative branches of the Federal Government in connection with a specific contract, grant, loan, or cooperative agreement.

B. References. Department of the Interior Rules, 43 CFR Part 18, New Restrictions on Lobbying.

C. Requirements.

(1) Recipients of Federal grants are prohibited from using Federal appropriated funds, e.g. grants, to pay any person for influencing or attempting to influence an officer or employee of any Federal agency, a member of Congress, or an employee of a member of Congress in connection with a specific contract, grant, loan, or cooperative agreement.
(2) Proposals for grants in excess of $100,000 must contain a certification that no part of the funds requested will be used for lobbying. Copies of the certification form, Form DI-1963, can be obtained from the Regional Offices.
(3) Recipients of grants in excess of $100,000 must file a disclosure form on lobbying activities conducted with other than Federal appropriated funds. Form SF-LLL and SF-LLL-A, Continuation Sheet, shall be used for this purpose. Copies of the forms can be obtained from the Regional Office.

FWC Contract No. 19041

Attachment D

COST REIMBURSEMENT CONTRACT PAYMENT REQUIREMENTS

Pursuant to the February, 2011 *Reference Guide for State Expenditures* published by the Department of Financial Services, invoices submitted for cost reimbursement must be itemized by expenditure category as outlined in the apporoved contract budget. Additionally, the invoice must evidence the completion of all tasks required to be performed for the deliverable and must show that the provider met the minimum performance standards established in the contract.

FWC is required to maintain the detailed supporting documentation in support of each request for cost reimbursement and to make it available for audit purposes. Documentation for each amount for which reimbursement is being claimed must indicate that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for the categories in the approved contract budget may be reimbursed. These expenditures must be allowable (pursuant to law) and directly related to the services being provided. FWC may require more detailed documentation as deemed appropriate to satisfy that the terms of the contract have been met.

Listed below are types and examples of supporting documentation:

(1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

(2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

(3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher.

(4) Other direct costs: Reimbursement will be made based on paid invoices/receipts.

(5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.

(6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

For cost reimbursement contracts with another State agency (including State universities):

In lieu of the detailed documentation described above, alternative documentation may be submitted to substantiate the costs requested to be reimbursed. This alternative documentation may be in the form of FLAIR reports or other reports containing sufficient detail.

FWC Agreement No. 19041

Attachment E

CERTIFICATION REGARDING DEBARMENTS, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION-LOWER TIER FEDERALLY FUNDED TRANSACTIONS

Required for all contractors and subcontractors on procurement (vendor) contracts of $100,000 or more, and for all contracts and grants with sub-recipients regardless of amount, when funded by a federal grant.

1. The undersigned hereby certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

2. The undersigned also certifies that it and its principals:

   (a) Have not within a three-year period preceding this response been convicted of or had a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State anti-trust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.

   (b) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph 2.(a) of this Certification; and

   (c) Have not within a three-year period preceding this certification had one or more public transactions (Federal, State or local) terminated for cause or default.

3. Where the undersigned is unable to certify to any of the statements in this certification, an explanation shall be attached to this certification.

FWC Agreement No. 19041

INSTRUCTIONS FOR CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION- LOWER TIER FEDERALLY FUNDED TRANSACTIONS

1. By signing and submitting this form, the certifying party is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the certifying party knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Florida Fish and Wildlife Conservation Commission (FWC) or agencies with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The certifying party shall provide immediate written notice to the person to which this contract is submitted if at any time the certifying party learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this contract is submitted for assistance in obtaining a copy of those regulations.

5. The certifying party agrees by submitting this contract that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier contract, or other covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the FWC or agency with which this transaction originated.

6. The certifying party further agrees by executing this contract that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all contracts or lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (Telephone No. (202) 501-4740 or (202) 501-4873.)

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the FWC or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Rev. 12/2013

Board of County Commissioners • Escambia County, Florida

Paul R. Nobles/Purchasing Manager
Office of Purchasing

March 12, 2020

To: All Known Prospective Bidders

ADDENDUM NUMBER 1:

Re: PD 19-20.020 Casino Beach Artificial Reef Construction Project

All:

Your firm recently received a Request for Proposals for the above-mentioned specification. This Addendum Number 1 provides for a clarification regarding the insurance requirements listed on Page 20-24 of 24 of the solicitation.

If the installation of the reefs will occur entirely on water, using a vessel that will arrive in Florida waters from international waters seaward of Florida (Gulf of Mexico), and the vessel will depart the same way having never docked at any location within Florida waters, only then can the following changes be made to the insurance requirements:

- Workmen's Comp will not be required as it cannot be purchased for a vessel at sea. Jones Act coverage will be required as indicated on item "J" on Page 23 of 24 of the solicitation.
- United States Longshoremen and Harbors Act Coverage will not be required as it cannot be purchased for a vessel at sea. Jones Act coverage will be required as indicated on item "J" on Page 23 of 24 of the solicitation.
- The General Automobile and Business Auto Liability are not required if the acquisition of all materials and installation of the reefs will not require the operation of a motor vehicle for the duration of the project.

This Addendum Number 1 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photocopy this form for your records.

Sincerely,

Jeffrey D. Lovingood

Jeffrey Lovingood
Purchasing Coordinator

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17611 **County Administrator's Report 12. 40.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Exercising the First of Two Possible Renewal Periods for PD 18-19.010 Collection and Disposal Services for Household Hazardous Waste
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the First of Two Possible Renewals for Collection and Disposal Services for Household Hazardous Waste - Pat Johnson, Waste Services Department Director, and Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve the first of two possible one-year renewals, retroactive to February 7, 2020, between Escambia County, Florida and Perma-Fix of Florida, Inc., per the terms and conditions of PD 18-19.010, Collection and Disposal of Household Hazardous Waste, providing for the collection and disposal of hazardous waste materials from County households, on an as-needed basis, authorizing an annual amount of $200,000.

Vendor/Contractor	Funding	Amount	Contract Number
Perma-Fix of Florida, Inc.	Fund 401, Solid Waste Fund; Cost Center 230306, Recycling; Object Code 53401, Other Contractual Services	$200,000	PD 18-19.010

BACKGROUND:

The Perdido Landfill operates a Household Hazardous Waste Program which receives hazardous materials from resident of Escambia County. Once received by the County, the materials are then separated by type, packaged, and manifests are created. The packaged materials are then transported by the awarded vendor to a permitted Treatment and Disposal Facility.

The legal advertisement for this Invitation to Bid was published in the Pensacola

News Journal on December 3, 2018. Bids were received from four firms on January 17, 2019. Perma-Fix of Florida, Inc., was determined to be the lowest, most responsible bidder.

BUDGETARY IMPACT:

Vendor/Contractor	Funding	Amount	Contract Number
Perma-Fix of Florida, Inc.	Fund 401, Solid Waste Fund; Cost Center 230306, Recycling; Object Code 53401, Other Contractual Services	$200,000	PD 18-19.010

LEGAL CONSIDERATIONS/SIGN-OFF:

The original Agreement was prepared by Kristin Hual, Senior Assistant County Attorney.

PERSONNEL:

All work associated with this Recommendation was done in-house and no additional staff was required.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the Code of Ordinances of Escambia County, FL 1999, Chapter 46, Finance, Article II Purchases and Contracts.

IMPLEMENTATION/COORDINATION:

The Office of Purchasing will notify the vendor of the renewal. The Waste Services Department shall continue to serve as the Contract Administrator for this project.

AGREEMENT FOR COLLECTION AND DISPOSAL SERVICES FOR HOUSEHOLD HAZARDOUS WASTE (PD 18-19.010)

THIS AGREEMENT is made and entered into by and between Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County"), whose mailing address is 221 Palafox Place, Pensacola, Florida 32502, and Perma-Fix of Florida, Inc. (hereinafter referred to as "Contractor"), a Florida for profit corporation authorized to conduct business in the State of Florida, whose federal identification number is 59-3241888, and whose principal address is 8302 Dunwoody Place, Suite 250, Atlanta, GA 30350.

WITNESSETH:

WHEREAS, on or about December 18, 2018, the County issued an Invitation to Bidders (PD 18-19.010) seeking the services of a contractor to perform household hazardous waste collection and disposal services; and

WHEREAS, the Contractor was the most responsive and responsible bidder proposing to provide such services; and

WHEREAS, the County desires to enter into an agreement with the Contractor for the provision of such services as set forth herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence as of the date last executed and continue for a term of twelve (12) months. Upon mutual agreement of the parties, the Agreement may be renewed for two additional twelve (12) month terms, up to a maximum of thirty-six (36) months. The total duration of this agreement shall not exceed the duration of three years.

3. Scope. Contractor agrees to perform in accordance with the terms and conditions as outlined in Escambia County's *Invitation to Bidders for Collection and Disposal Services for Household Hazardous Waste, Specification No. P.D. 18-19.010*, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement shall prevail.

4. Compensation. In exchange for Contractor's provision of the scope of services referenced in Section 3 above, County shall pay Contractor in accordance with the Contractor's Bid Form, attached hereto as **Exhibit B.**

5. Purchase Orders. The County shall issue written purchase orders to the Contractor on an as-needed basis. The services shall be described in detail and the time frame in which delivery needs to be accomplished will be stated in the purchase order. No minimum quantity of work is guaranteed during the term of this agreement, and only that which is ordered pursuant to a purchase order may be compensated.

6. Method of Payment/Billing. Contractor may request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and

owing for the value of items received and accepted with appropriate supporting documentation. Invoices shall be submitted in quadruplicate to the following:

Clerk of the Circuit Court
Attn: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

The County agrees it shall make its best efforts to pay Contractor within thirty (30) days of receipt and approval of Contractor's invoice. Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Florida Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

7. Termination. This Agreement may be immediately terminated for cause by the County or for convenience upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the Contractor shall be paid for services provided through the date of termination.

8. Indemnification. Contractor shall indemnify, defend, and hold harmless Escambia County, and its officers, directors, employees, and affiliates, from and against any and all liability, loss, cost, or expense including, without limitation, reasonable attorney's fees, arising out of or in connection with the negligence, recklessness, or wrongful misconduct of Contractor in the performance of its duties and obligations pursuant to this Agreement. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

9. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles; and

(c) Florida statutory Workers' Compensation.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to conduct business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial

size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32591.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32591 prior to commencement of any work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

10. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

11. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Perma-Fix of Florida, Inc.
Attention: Louis Centofanti
8302 Dunwoody Place, Suite 250
Atlanta, GA 30350

To: Escambia County
Attention: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

12 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

13. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and

surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

14. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

15. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement, including, but not limited to, all Occupational Safety and Health Administration (OSHA) requirements and the provisions of Chapter 442, Florida Statutes.

16. Permits, Licenses and Taxes.

a) All permits and licenses necessary for the performance of the agreement shall be procured and paid for by Contractor. All permits or fees, including but not limited to, all license fees, permit fees, impact fees or inspection fees payable by Contractor to County have been disclosed to Contractor in the bidding documents at the time the project was let for bid. If Contractor performs any work without obtaining, or contrary to, any such permits or licenses necessary for the performance of the agreement, Contractor shall bear all costs arising therefrom. Contractor shall pay all governmental charges and inspection fees necessary for the performance of the agreement.

b) Contractor shall pay all sales, consumer, use and other similar taxes associated with the work or portions thereof, which are applicable during the performance of the work.

17. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

18. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect.

This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

19. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

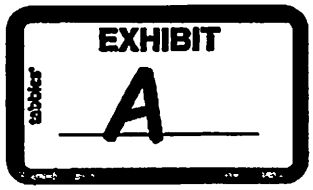
SPECIAL ACCOMMODATIONS:
Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing (850-595-4980) at least five (5) working days prior to the solicitation opening.

Notice

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee vendor until such time as the contract is executed by the last party to the transaction.



NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to vendors of the local vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and

2. Holds any business license required by Escambia County or Santa Rosa County, and

3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification, and shall have the sole discretion to determine if a vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **Community Redevelopment Area (CRA)** is within **seven percent (7%)** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **three percent (3%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within **two percent (2%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **four percent (4%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) **Notice:**

All bid solicitation documents shall include notice to vendors of the local preference policy.

f) **Waiver of the Application of Local Preference:**

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) **Limitations:**

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.

3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) **Penalties:**

1. **Misrepresentation:**

A vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. **Failure to Maintain Local Business Preference Qualifications:**

Any vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. **Lack of Good Faith:**

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local

businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded and the County may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference..." See §255.0991, Florida Statutes.

COLLECTION AND DISPOSAL SERVICES FOR HOUSEHOLD HAZARDOUS WASTE
SPECIFICATION PD 18-19.010

HOW TO SUBMIT YOUR BID:
Please review this document carefully. Offers that are accepted by the County are binding contracts. **Incomplete bids are not acceptable.** All documents and submittals shall be received by the Office of Purchasing on or before the date and hour specified for receipt. Late bids will be returned unopened.

* *Documents submitted with Bids are to be on the forms provided in the Invitation to Bid and photocopies of other required documents.*

THE FOLLOWING DOCUMENTS SHALL BE RETURNED WITH THE BID:
- Solicitation, Offer, and Bid Form. The Bid Form must contain an original signature in indelible ink. Bids with photocopies or scanned signatures will not be accepted.
- Bid Surety (bond, check, etc.)

THE FOLLOWING DOCUMENTS SHOULD BE RETURNED WITH THE BID:
- Sworn Statement Pursuant to Section 287.133(3)(A), Florida Statutes on Entity Crimes.
- Drug-Free Workplace Form.
- Information Sheet for Transactions and Conveyances Corporate Identification.
- Certificate of Authority to do Business from the State of Florida.
- Occupational License.
- Florida Department of Business and Professional Regulation – License(s), Certification(s), and/or Registration(s).

BEFORE YOU SUBMIT YOUR BID, HAVE YOU:
Placed your bid with all required submittal items in a sealed envelope, clearly marked for specification number, project name, name of bidder, and due date and time of bid receipt?

THE FOLLOWING DOCUMENTS ARE REQUIRED UPON NOTICE OF AWARD:
- Certificate of Insurance
- Payment and Performance Bonds

HOW TO SUBMIT A NO BID:
If you do not wish to bid at this time, please remove the Solicitation, Offer, and Bid Form from the Bid Package and enter No Bid in the "Reason for No Offer" block, your company's name, address, signature, and return the Solicitation, Offer, and Bid Form in a sealed envelope. This will ensure your company's active status in our Bidder's list.

This form is for your convenience to assist in filling out your bid.
Do not return this form with your bid.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And (if applicable) its Federal Employer Identification Number (FEIN) is:

_____

If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with a convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that is not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY INDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Drug-Free Workplace Form

The undersigned vendor, in accordance with Florida Statue 287.087 hereby certifies that _____ does:

(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in Paragraph One (1).

4. In the statement specified in Paragraph One (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or please of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on, or require the satisfactory participation in a drug assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of Paragraphs 1 through 5.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. **General Information**

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.010, "Collection and Disposal Services for Household Hazardous Waste", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. **Conduct of Participants**

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. **Definitions**

Blackout Period means the period between the time the bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. **Sanctions**

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. **Scope of Work**

Escambia County, Florida, is seeking the service of a properly licensed and insured hazardous waste transportation, storage, and disposal firm to assist the County in conducting certain activities pertaining to the collection, identification, packaging, manifesting, and transportation of materials to a permitted Transfer Storage and Disposal (TSD) facility for recycling, treatment, and disposal of household chemicals collected through regular operation of the County's Household Hazardous Waste (HHW) Facility or through Amnesty Day-type events.

The County requests that Contractors meeting the qualifications outlined in the Solicitation provide bids for costs for services indicated. The Contractor understands that the County has the exclusive right to reject any and all bidders at its sole discretion and shall be held harmless from any claims by the bidders, resulting in losses due to the County failing to award a contract. In submitting a bid to the County, the bidder agrees to the terms and conditions outlined in this Invitation to Bid.

The County does not guarantee quantities of participants, events, or waste.

A. **Services**

1) **Amnesty Day** – Implement services at a designated site within the County for the collection, identification, packaging, manifesting, shipping, and proper treatment or disposal of household chemicals. The County currectly offers five events per year, with attendance around 300-400 participants for each event.

2) **Shed Clean-Out** – Provide services to pack, manifest, ship, and properly dispose of household chemicals collected at the Perdido Landfill collection facility. The County currently requests approximately three (3) Shed Clean-Out events per year. Amounts will vary from 40-50 drums and 4-6 Gaylord Boxes/Lab Packs.

3) **Transportation and Disposal Services** – Collect bulked or lab-packed chemicals from the Perdido Landfill Household Chemical Collection Facility, manifest, and ship to the proper treatment or disposal facility to recycle, treat, or dispose of household chemicals.

B. Experience

The Contractor shall have successfully conducted a minimum of ten (10) Household Chemical Collections within the past four (4) years, and have a permitted transfer, storage, and disposal facility in the State of Florida. The events must be documented and verifiable. Also, the Contractor shall have experience responding to Hazmat emergency events.

C. Professional Image

The Contractor will demonstrate the ability to maintain a professional image. Clean, well-maintained equipment operated by uniformed Contractor employees is expected. All employees working on County property or at a County-sponsored collection event are expected to wear proper Personal Protective Equipment (PPE) when handling any chemical.

D. Licenses and Permits

1) The Contractor shall be duly licensed as required by the State of Florida to transport and dispose of hazardous waste and be in possession of valid and current United States Environmental Protection Agency (USEPA) Identification Number indicated the same. The transporter shall meet current applicable standards for transporting hazardous waste as found in Chapter 62-730 F.A.C.

2) The Contractor shall be duly licensed as required by any regional jurisdiction, such as the possession of an occupational license, or any other license or permit which may be required. The Contractor shall be required to determine if any special or specific license or permit is required for participation in activites defined in the Invitation to Bid.

3) The Contractor shall deliver household chemicals for consolidation, treatment, storage, or disposal to facilities which have obtained and maintain a permit from the USEPA and/or state or local regulatory authority to perform such activities. The Contractor shall identify in its proposal the names, addresses, USEPA Identification Number, the contact person(s), and telephone numbers of the facilities which it will utilize in properly managing the waste materials identified in the Invitation to Bid.

4) As part of its bid, the Contractor shall:

   a. Provide a list containing any and all violations, enforcement actions, fines over the amount of Five Thousand Dollars ($5,000.00), or any other infractions in which the destination facility or facilities received in the last three (3) years of operation.

   b. Disclose any instance of being denied a permit or license for the conduction of a household chemical collection event in the last three (3) years.

   c. Supply written notice to the County of any regulatory notice or

citation issued to any transporter or TSD used by the County within ten (10) days of issue.

Damages, penalties, and/or fines imposed on or incurred by the County due to the Contractor's failure to obtain and keep current any required license or permit, or failure to comply with any law, ordinance, rule, regulation, or special condition applicable to the contract, or directly or indirectly relating to or resulting from the handling, identification, packaging, labeling, transportation, or disposal of all materials handled or managed by the Contractor, shall be borne by the Contractor.

3. **Performance and Bonds**

The County **shall** require the successful offeror(s) to furnish **separate performance and payment bonds for each Purchase Order**, under pledge of adequate surety and covering up to **100% of the dollar value of the Purchase Order** on the forms provided by the County. Such bonds shall be issued by sureties authorized to act as a surety by the State of Florida. Bonds of the successful offeror(s) shall be reviewed by the Office of Purchasing to assure compliance, then recorded in the Office of the Clerk of the Circuit Court Recording Office, 1st Floor, 221 Palafox Place, Pensacola, Florida, by the successful offeror at his expense before the contract is executed. The cost of recording is $10.00 for the first page and $8.50 for each additional page.

4. **Procurement Questions**

Questions shall be directed to Jeffrey Lovingood, Purchasing Specialist, at JDLovingood@myescambia.com. Last day for questions will be January 03, 2019 at 5:00 p.m. CDT.

5. **Bid Forms (Select One)**

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope, in duplicate with Original signatures in indelible ink signed in the proper spaces. Responses on vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

6. **Pre-Solicitation Conference**

A non-mandatory Pre-Solicitation Conference will be held at the Office of Purchasing, 213 Palafox Place, Pensacola, FL, 32502, in Conference Room # 11.407, December 18, 2018 at 2:00 PM CST.

It is strongly encouraged that all potential bidders attend this non-mandatory conference so they can ask questions and be automatically notified of any updates prior to the Bid Opening.

7. **Compliance with Occupational Safety and Health**

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS) The MSDS shall include the following information.

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

1) The potential for fire, explosion, corrosiveness and reactivity;

2) The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

3) The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

8. **Safety Regulations**

Equipment and handling of all submitted materials shall meet all state and federal safety regulations.

9. **Payment**

Partial payments in the full amount for the value of items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents if required. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

10. **Debris**

Awarded vendor shall be responsible for the prompt removal of all debris, which is a result of this contractual service.

11. **Protection of Property/Security**

The awarded vendor shall provide all barricades and take all necessary precautions to protect buildings and personnel.

All work shall be completed in every respect and accomplished in a professional manner and awarded vendor shall provide for removal of all debris from County property.

The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

The awarded vendor shall at all times guard against injury to Escambia County employees. The vendor shall properly fence and secure the construction site(s) at all times, including evenings and weekends.

The awarded vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

12. Permits

The County and/or its contracted consultant(s) have conducted a review of required permits and fees required to be purchased by the contractor from the County permitting agencies for this specific project and they are listed on the bid form(s) to the best of our knowledge. All costs shall be the responsibility of the awarded firm.

13. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of twelve (12) months. The contract may be renewed for up to two (2) additional twelve (12) month periods, up to a maximum thirty-six (36) months, upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

   Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an "as needed" basis.

C. The contract may be canceled by the awarded vendor, for good cause, upon ninety (90) days prior written notice.

D. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

E. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

14. Pricing

All items billed to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates offeror has not honored quoted price lists and discounts, offeror will be liable for any and all overage charges.

15. **Price Adjustment**

The contract resulting from this Solicitation may include provisions for twelve (12) month, price adjustments. Written request for price adjustment may be made every twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract and approved by the Board of County Commissioners.

16. **Changes - Service Contracts**

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

A. Description of services to be performed.

B. Time of performance (i.e., hours of the day, days of the week, etc.).

C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

17. **Termination**

A. The contract may be canceled by the contractor, for good cause, upon ninety (90) days prior written notice.

B. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

C. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

18. **Licenses, Certifications, Registrations**

The offeror shall at any time of bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the bid submission; and, the offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

19. **Term of Offer**

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the offeror may withdraw his offer or provide a written extension of his offer.

20. **Award**

Award shall be made on an "all-or-none total" basis.

21. **Termination**

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded vendor, Escambia County may serve written notice upon the awarded vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

22. **Termination (Services)**

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring deficiencies within five (5) working days of notification by the Contract Administrator.

Upon the third such written notification of unsatisfactory performance and/or deficiencies to the contractor by the Office of Purchasing within a four (4) month period; or the sixth such notification within any contract term, shall result in issuance of written notice of immediate contract termination to the contractor by the Office of Purchasing. Such termination may also result in suspension or debarment of the contractor.

23. **Termination (Public Records Request)**

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

Non-Contract Insurance Requirements

24. **Standard Insurance Requirements and Certificates**

This offer contains an extensive insurance requirement. Offerors are encouraged to review

these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. **County Insurance Required**

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. **Workers Compensation Coverage**

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. **General, Automobile and Excess or Umbrella Liability Coverage**

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. **General Liability Coverage - Occurrence Form Required**

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. **Business Auto Liability Coverage**

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. **Excess or Umbrella Liability Coverage** (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down

to provide coverage where the underlying limits are exhausted.

G. **Evidence/Certificates of Insurance**

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Specialist
   Office of Purchasing, Room 11.101
   P.O. Box 1591
   Pensacola, FL 32591-1591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. **Endorsements/Additional Insurance**

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Commercial General Liability Coverage Project Aggregate

Because the commercial general liability form of coverage includes an annual aggregate limitation on the amount of insurance provided, a separate project aggregate limit of $1,000,000.00 is required by the County for this agreement or contract.

Pollution/Environmental Impairment Liability Coverage

Pollution/environmental impairment liability insurance is to be purchased to cover pollution and/or environmental impairment which may arise from this agreement or contract.

25. **Indemnification**

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

ADDENDUM NUMBER 3:

Re: PD 18-19.010 Collection and Disposal Services for Household Hazardous Waste

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification.

This Addendum Number 3 provides for the following updates:

- The Bid Opening Date is being moved from ~~January 14, 2018 at 2:00 PM CST~~, to **January 17, 2019 at 3:00 PM CST**.
- Several questions have been submitted and the responses are listed on the following pages.
- Invoices were requested for services provided by the previous vendor. Those invoices are included in the pages that follow.
- The Excel spreadsheet Bid Form – Unit Prices Tab had certain cells locked which require data from the vendor. Those cells have been unlocked and have been uploaded to Vendor Registry for download by those submitting bids. All bids must be submitted using the new Excel Spreadsheet Bid Form.

This Addendum Number 3 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo copy this form for your records.

Sincerely,

Answers to Questions Submitted:

Q1. Please confirm that the Amnesty Day events, Shed Clean-Outs, and Transportation and Disposal Services all utilize the same price schedule given in the Excel spreadsheet. Please indicate if there are cases where the awarded vendor is required to provide packing supplies such as drums and vermiculite (Amnesty Day/Shed Clean-Out?), and other cases where the awarded vendor is not required to provide packing supplies (transportation and disposal?).

A1. Please use the same pricing schedule for all services and bid Amnesty Day events and Shed Clean-Outs to include staff and operating supplies as needed to complete event support.

Q2. In the Invitation to Bid, frequency of service for the Amnesty Day and Shed Clean-Outs were provided. Please provide the frequency of service for the Transportation and Disposal Services.

A2. The County had six (6) Transportation and Disposal visits this last fiscal year. We do not guarantee a minimum amount of service required.

Q3. What are the operating hours for the Amnesty Day events? If they vary, please add a per-hour on-site labor line to the bid for this service.

A3. Events are from 8:00 AM through 12:00 PM (noon). The hours do not vary.

Q4. How did the most recent vendor staff the Amnesty Day events?

A4. One (1) Chemist and six (6) Techs.

Q5. Does the County provide roll-off containers or other means of management for garbage and cardboard at the Amnesty Day events?

A5. Yes.

Q6. Does the County provide any volunteers at the Amnesty Day events? If yes, how many are anticipated and what services do the provide?

A6. Yes, usually fifteen (15) minimum. These are County Officers and inmate crews providing traffic control, unloading of participants, etc.

Q7. What is the expected time on-site to complete the Shed Clean-Out?

A7. Shed Clean-Out is for Oxidizers only and typically takes two (2) hours maximum. This does not typically vary. This visit can also be coordinated with an Amnesty Day event, usually held the day before.

Q8. How did the most recent contractor staff the Shed Clean-Out events?

A8. One (1) Chemist.

Q9. How will the cost of service be evaluated? Will the unit costs be summed? Will the price schedules be compared to a standard inventory?

A9. The Base Bid amount shown on the Bid Form tab of the Excel spreadsheet is the sum of all unit prices. While the formula cannot be changed by firms, the formula can be viewed by clicking cell E103 on the Unit Pricing tab.

Q10. Please provide waste profiles for any of the line items indicated as shipping in bulk.

A10. The County will not be providing waste profiles for this solicitation.

Q11. Please confirm that all waste received by the awarded firm will be household-generated waste.

A11. The County only accepts household hazardous waste. The County does not even accept Conditionally exempted Small Quantity Generators.

Q12. Performance bonds incur a cost on an annual basis. Please confirm that item 30 will be billable annually.

A12. The County considers Performance Bonds a part of the standard cost of business for firms. The firm's bond rating is their own and the County cannot be held liable for a firm's high bond cost. Unit Pricing posted shall include all of the firm's associated costs for doing the work.

Q13. Please provide the volume of dioxins that were shipped in fiscal year 2017-2018.

A13. Zero

Q14. Please clarify the reactive pricing format on item 25. Is the County looking for per-pound pricing with container minimums?

A14. Please disregard the per-pound heading on item 25 and bid on the cost per container.

Q15. Please confirm that item 29 does not include any DEA controlled substances.

A15. The County does not accept DEA controlled substances or medications.

AGREEMENT FOR COLLECTION AND DISPOSAL SERVICES FOR HOUSEHOLD HAZARDOUS WASTE PD 15-16.031

THIS AGREEMENT is made this 19th day of May, 2016, by and between Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County"), whose mailing address is 221 Palafox Place, Pensacola, Florida 32502, and Perma-Fix of Florida, Inc. (hereinafter referred to as "Contractor"), a Florida for profit corporation authorized to conduct business in the State of Florida, whose federal identification number is 59-3241888, and whose principal address is 1940 NW 67th Place, Gainesville, FL 32653.

WITNESSETH:

WHEREAS, on March 14, 2016, the County issued an Invitation to Bidders (PD 15-16.031) seeking the services of a contractor to perform household hazardous waste collection and disposal services; and

WHEREAS, the Contractor was the most responsive and responsible bidder proposing to provide such services; and

WHEREAS, the County desires to enter into an agreement with the Contractor for the provision of such services as set forth herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence as of the date last executed and continue for a term of twelve (12) months. Upon mutual agreement of the parties, the Agreement may be renewed for two additional twelve (12) month terms, up to a maximum of thirty-six (36) months. The total duration of this agreement shall not exceed the duration of three years.

3. Scope. Contractor agrees to perform in accordance with the terms and conditions as outlined in Escambia County's Invitation to Bidders for Collection and Disposal Services for Household Hazardous Waste, Specification No. P.D. 15-16.031, attached hereto as Exhibit "A". In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement shall prevail.

4. Compensation. In exchange for Contractor's provision of the scope of services referenced in Section 3 above, County shall pay Contractor in accordance with the Bid Form dated March 30, 2016, attached hereto as Exhibit "B".

Mr. Lovingood,

I apologize for the delay. Ms. McQuaid asked me to reply that we will agree to keep the current pricing for this renewal. Next year we will be prepared to ask for an increase with backup. So, for this renewal, is this email sufficient to request it or will you need something more formal?

Respectfully,

Mervin Dale, P.G.

Mr. Dale,

I still have not yet heard from Ms. McQuaid. Our Waste Services department is looking to move forward with either a renewal with Perma-Fix or a new formal solicitation.

Since this agreement has officially expired without the renewal, the County is supposed to do a formal solicitation.

We will begin the process of writing a formal solicitation if we do not receive a response advising us of Perma-Fix's decision by close of business Friday, April 17, 2020.

Please advise.

Best regards,

Jeffrey Lovingood

Jeffrey,

Actually, my boss, Sally McQuaid, did the research. I've forwarded your info to her. She is aware of the 3/24 deadline and such, so I hope to have an answer for you next week sometime. Thanks.

Mervin

Subject: RE: [EXTERNAL]RE: PD 18-19.010 Renewal

Mr. Dale,

I just wanted to follow up with you regarding the email below. If you have any information you can provide, I would greatly appreciate it.

As of February 7, 2020, our agreement has ended. The County is hopeful to continue our agreement so to this end I need to get a renewal recommendation before our Board of County Commissioners as quickly as possible. My deadlines for getting this before the Board at their 4/2/2020 meeting is the close of business today, which means I would need your information and the department's approval before 5:00 PM. The next Board meeting is 4/14/2020 and my deadline for that meeting is 3/24/2020.

If we can get the process rolling today on the increase, it should not much matter which meeting I issue the recommendation. If, however, we cannot begin moving forward with the pricing, the County will need to re-solicit this project and start from scratch. We want to continue our relationship with Perma-Fix and see this action as a last resort.

Best regards,

Jeffrey Lovingood

Mr. Dale,

As noted in your email, the price increase does need to be justified. Stating "inflation" as the cause will not satisfy the Board so I would like to ask that you provide receipts or notices/statements of price increases in your operating costs that support the requested increase of 2.3%.

2.3% is a very specific number and I am betting you have done your research already. If you could please share that with me, I will get it to the department for immediate review.

Jeffrey,

Since our last contact, Glenn Byer no longer works for Perma-Fix. Dwayne Singleton has since taken over managing the account. I have copied him on this email. Please feel free to reach out to him if you require more contact information. As for the contract, yes we do wish to continue serving for another year. Also, Item 15 in the bidding portion of the contract refers to 'price adjustments' that may occur every 12 months and they must be requested in writing with justification. If this medium is appropriate, Perma-Fix would like to request a CPI increase of 2.3% to adjust for annual inflation. Please let me know if this request is acceptable; and, if any other steps must be taken before you can process it with the BOCC. Thank you.

Why Collect Household Hazardous Waste (HHW)?

Many household products are dangerous because they exhibit one or more characteristics of ignitability, corrosivity, reactivity or toxicity. Mismanagement of these products – mixing, improper storage, disregarding label instructions or improper disposal – can be a threat to health and to the environment.

Over 90% of Florida's drinking water comes from the groundwater. In the early '80s, concern over groundwater pollution lead to our Water Quality Assurance Act, giving Florida better groundwater protection programs than any other state. HHW management was a component of that Act. Today, we have the largest infrastructure of permanent HHW collection centers and mobile collections in the country. All of our 67 counties have access to some type of HHW collection program. Florida HHW programs have been leaders in recycling batteries, fluorescent bulbs, thermostats and thermometers – a special category called Universal Wastes because they are so common and contain toxic heavy metals - and electronics.

Some people question the value of HHW collections since the programs are expensive and collect only around 1% of the HHW generated. They think that it is okay for HHW to be disposed of in our landfills where it will be contained within secure liner systems. However, most think that the following advantages of HHW collections more than compensate for these shortcomings cited by critics.

The public awareness and educational components of HHW collection programs are invaluable as they promote pollution prevention and safety with the following messages.

- Buy only what you need and use what you buy or give it to someone who can use it.
- Follow the manufacturer's directions – more is not always better.
- Tips to properly store hazardous products in order to increase their shelf life (place paper bags of ant poison or moth balls on the garage shelf in air tight plastic bags).
- Switch to less hazardous alternative products or use homemade substitutes.
- Not sure if your old bottle of Chlordane has been banned from use? Phone numbers to find out are provided.
- Consider common sense and natural pest control solutions without chemicals.
- Common sense suggestions to store chemicals properly in order to keep children and pets safe.
- Be aware that household chemicals, when commingled, can produce poisonous vapors (bleach and toilet bowl cleaner, when mixed will produce deadly chlorine gas), generate enough heat to cause burns (a cola beverage spilled on pool chlorine), or spontaneously ignite (motor oil coming in contact with pool chlorine).
- Don't reuse an empty household cleaning product container, clearly label cleaning mixtures and don't store such mixtures in old food containers.
- Don't pour HHW on the ground, down the storm drains and ask (HHW programs provide phone numbers) before you pour HHW down your drain.
- Don't burn your HHW, as carcinogens can be released and heavy metals can be vaporized and carried in the air before settling out.
- Note the locations of over 1,000 used motor oil collection centers in Florida, free to households.

- Many household products are dangerous – read the labels. For example, in order of increased toxicity, pesticides are labeled *caution, warning, or danger/poison.*

There are numerous HHWs that contain highly toxic heavy metals (arsenic, barium, cadmium, chromium, lead, mercury, selenium or silver), dioxins and other carcinogens. Mismanagement can result in entry into the food chain and birth defects, cancer and fish and wildlife kills.

Household products that should be managed as hazardous wastes at HHW collections

1. **Pesticides, insecticides, fungicides and animal care products** – There are lots of banned and restricted pesticides residing in sheds, garages and under kitchen sinks. They can be highly toxic.
2. **Herbicides and wood preservatives** – They can contain dioxins and are toxic.
3. **Fluorescent lamps (bulbs) and other mercury containing devices** –Including switches, thermometers, thermostats and ballasts, which may also contain PCBs.
4. **Rechargeable and button batteries** – May contain nickel, cadmium, mercury or lithium.
5. **Chemistry set and photographic hobby chemicals** – Chemicals may be unstable and photo developers & fixers are corrosive.
6. **Pool chemicals and ammonium nitrate fertilizers** – Contain oxidizers that can cause an unstable reaction or explosion if mixed with other combustible substances.
7. **Paints containing lead, mercury-based fungicides, and paint products such as strippers, rust paints, stains & finishes** – These may be flammable and toxic and may contain methylene chloride, toluene, petroleum distillates, methyl ethyl ketone, xylene, chlorinated phenols and halogenated hydrocarbons.
8. **Corrosives and caustics** – Such substances as battery acid, muriatic acid, rust remover, drain cleaner and quick lime can cause severe skin damage and blindness.
9. **Flammables** – Oil based paints, mineral spirits, solvents, aerosols, fuel and automotive fluids.
10. **Any very old products** – Some of these wastes have been stored for up to 50 years and contain banned or restricted chemicals. Examples are lead arsenate, cyanide, strychnine and DDT.

Increasing the convenience of recycling and disposal of hazardous waste, or any waste for that matter, is not the target goal. Not making the waste in the first place by waste reduction, minimizing toxic constituents in products and pollution prevention is the target goal. The public awareness component associated with a HHW collection program raises the level of consciousness of citizens who care about their environment and want to do the right thing. And, environmentally aware citizens that handle their hazardous waste in an appropriate manner will insist that industry do as well.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17799 **County Administrator's Report 12. 41.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Approving the Second of Two Possible One-Year Renewal Periods Related to PD 16-17.087, Gasoline and Diesel Fuel
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Exercising the Second of Two Possible One-Year Renewal Periods Related to PD 16-17.087, Gasoline and Diesel Fuel - James Higdon, Division Manager, Public Works, and Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve the utilization of the second of two possible one-year renewal periods provided for under Section 2 of the Agreement for PD 16-17.087, Gasoline and Diesel Fuel, with Cougar Oil, Inc., retroactive to October 1, 2019.

Vendor/Contractor	Funding	Amount	Contract Number
Cougar Oil, Inc.	Fund 175, Transportation Fund; Cost Center 210407, Fuel Distribution; Object Code 55201, Operating Supplies	$6,500,000	PD 16-17.087

NON-ADA-COMPLIANT DOCUMENTS ISSUED UNDER SEPARATE COVER:

- Fully Executed Agreement

BACKGROUND:

Invitation to Bid, PD 16-17.087, Gasoline and Diesel Fuel Delivery, was publicly noticed on September 11, 2017. The County entered into an Agreement with Cougar Oil, Inc., on April 5, 2018. Section 2 of the Agreement outlines the Term of the Agreement, which states that the first period of the Agreement will end September 30, 2018, and provides for up to two optional one-year renewal periods. The first renewal period covered from October 1, 2018 to September 30,

2019. This final renewal period will cover from October 1, 2019 to September 30, 2020.

BUDGETARY IMPACT:

Vendor/Contractor	Funding	Amount	Contract Number
Cougar Oil, Inc.	Fund 175, Transportation Fund; Cost Center 210407, Fuel Distribution; Object Code 55201, Operating Supplies	$6,500,000	PD 16-17.087

LEGAL CONSIDERATIONS/SIGN-OFF:

Kristin Hual, Senior Assistant County Attorney, prepared the initial Agreement. The utilization of the renewal period as provided for in Section 2 of the Agreement does not require an Amendment to the Agreement.

PERSONNEL:

All work associated with this Recommendation was performed in-house and no additional staff was required.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the Code of Ordinances of Escambia County, FL 1999, Chapter 46, Finance, Article II Purchases and Contracts.

IMPLEMENTATION/COORDINATION:

Upon approval by the Board, the Office of Purchasing will communicate with the impacted department(s) as well as the firm, Cougar Oil, Inc., regarding the renewal.

Board Award of First Renewal

COUNTY ADMINISTRATOR'S REPORT – Continued

II. BUDGET/FINANCE CONSENT AGENDA – Continued

10. Recommendation: That the Board approve the utilization of the first of two possible one-year renewal periods provided for under Section 2 of the Agreement for Gasoline and Diesel Fuel Delivery [PD16-17.057], with Cougar Oil, Inc., retroactive to October 1, 2018.

[Funding: Fund 175, Transportation Fund; Cost Center 210407, Fuel Distribution; Object Code 55201, Operating Supplies]

Motion: To move the balance in the affirmative **For Information:** The "balance" refers to Consent Agenda Items 1 through 13, with the exception of Item 11, which was dropped. Items 14 and 15 were also dropped.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bergosh
Disposition: Carried unanimously

11. Recommendation: That the Board take the following action regarding price increases relating to PD 16-17.074, Re-Bid Refuse and Recycling Services for Escambia County Facilities:

A. Approve and authorize the first request for an operational price increase of 2.5% [effective January, 1, 2019], to cover increases in cost to Republic Services. This is the first request for a price increase. The price increase request and operational cost increases have been reviewed and approved by Robert Dye, Interim Facilities Manager; and

B. Authorize the increase in the Recycling Tipping Fee charged by ECUA [Emerald Coast Utilities Authority], from $15/ton to $25/ton, effective May 1, 2019.

Motion: To move the balance in the affirmative **For Information:** The "balance" refers to Consent Agenda Items 1 through 13, with the exception of Item 11, which was dropped. Items 14 and 15 were also dropped.
Made by: Commissioner Underhill **Seconded by:** Commissioner Bergosh

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A),
FLORIDA STATUES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And, if applicable, its Federal Employer Identification Number (FEIN) is: _____

If the entity has no FEIN, include the Social Security Number of the Individual signing this

sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

   a. A predecessor or successor of a person convicted of a public entity crime; or

   b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it is not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY, AND THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

DRUG-FREE WORKPLACE FORM

The undersigned vendor, in accordance with Florida Statute 287.087, hereby certifies that

_____ does:
(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the danger of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in Paragraph One (1).

4. In the statement specified in Paragraph One (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or pleas of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on or require the satisfactory participation in a drug assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of Paragraphs One (1) through Five (5).

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer' to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Building, 213 Palafox Place, Pensacola, FL, 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.111, INMATE FOOD SERVICE AND ASSOCIATED COMMUNITY OUTREACH PROGRAM FOR ESCAMBIA COUNTY JAIL AND WORK RELEASE FACILITIES, Name of Submitting Firm, January 9, 2020 at 4:00 PM CST and Time Due.

Note: If using a courier service (e.g. FedEx, UPS, US Post Office, etc.) the air-bill and envelope or box must be marked with the specification Number and Project Name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The following policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors, or individuals action on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County official, their agents or employees, or any member of the relevant Selection Committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/ protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the bids/proposals for Invitations to Bid or the Request for Proposal, or Qualification, or Information, or

Request for Letters of Interest, or the Invitation to Negotiate, as applicable, are received at the Escambia County Office of Purchasing, and the time the Board awards the Contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees, or any member of the relevant Selection Committee, for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/disqualification of submittal;

2) Termination of contract; or

3) Suspension or debarment as provided in Sec. 46-102 of the Escambia County Code of Ordinances.

2. Project Narrative

The intent of this Request for Proposal (RFP) is to seek competitive proposals from qualified experienced bidders for the provision and operation of Inmate Food Service and associated Community Outreach Programs for the Escambia County Jail and Work Release Facilities. The goal of this RFP is that the selected firm will be responsible for but not limited to the management and operation of food services to include procurement, food preparation and delivery; preparation and delivery of special diets meals to include faith-based (religious, medical (therapeutic), juvenile and other diets; compliance with established food service standards and procedures and replacement and maintenance of equipment provided to the firm by the County. In addition to inmate food, Escambia County is looking for Contractors to provide a culinary arts and community outreach program to assist in the reentry and jobs placement of inmates.

3. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. The last day for questions will be January 15, 2020 at 5:00 PM CST.

4. Pre-Solicitation Conference and Walkthrough

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Main Jail Lobby, 2935 North L Street, Pensacola, FL 32501, on January 6, 2020 at 1:00 PM CST

It is strongly encouraged that all potential bidders attend this non-mandatory conference, so they can ask questions and be automatically notified of any updates prior to the Bid Opening. At this time, the Board's representative(s) will be available to answer questions

relative to this Solicitation. Any suggested modifications may be presented, in writing to, or discussed with, the Board's representative(s) at this meeting and may be considered by said representative(s) as possible amendments to the Solicitation.

11. Compliance with Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS). The MSDS shall include the following information:

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

1. The potential for fire, explosion, corrosiveness and reactivity;

2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.'

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

13. Codes and Regulations

The awarded vendor shall strictly comply with all federal, state and local safety regulations and codes.

14. Drawings

New Public Records Exemptions of Building Plans Florida Statutes Chapter 119.07 www.leg.state.fl.us/statutes **(To View Full Text of this Chapter)**

Florida Statutes Chapter 119.07 has been amended as it relates to the inspection examination and duplication of certain documents pertaining to County building construction.

Section 119.07(3)(b) provides the following:

1. Building plans, blueprints, schematic drawings, and diagrams, including draft, preliminary, and final formats, which depict the internal layout and structural elements of a building, arena, stadium, water treatment facility, or other structure owned or operated by an agency as defined in s. 119.011 are exempt from the provisions of subsection (1) and s 24 (a), Art. 1 of the State Constitution.

2. This exemption applies to building plans, blueprints, schematic drawings, and diagrams, including draft, preliminary, and final formats, which depict the internal layout and structural elements of a building, arena, stadium, water treatment facility, or other structure owned or operated by an agency before, on, or after the effective date of this act.

3. Information made exempt by this paragraph may be disclosed:

    a. To another governmental entity if disclosure is necessary for the receiving entity to perform its duties and responsibilities;

    b. To a licensed architect, engineer, or contractor who is performing work on or related to the building, arena, stadium, water treatment facility, or other structure owned or operated by an agency; or

    c. Upon a showing of good cause before a court of competent jurisdiction.

4. The entities or persons receiving such information shall maintain the exempt status of the information.

    Therefore, all CD's and copies of CD's together with any reproductions of any of these documents shall be returned with your bid, together with a signed copy of the acknowledgement and certification letter contained in the bid form section of the solicitation.

15. Debris

Awarded vendor shall be responsible for the prompt removal of all debris, which is a result of this contractual service.

16. Protection of Property/Security

The awarded vendor shall provide all barricades and take all necessary precautions to protect buildings and personnel.

All work shall be completed in every respect and accomplished in a professional manner and awarded vendor shall provide for removal of all debris from County property.

The awarded vendor shall at all times guard against damage or loss to property of Escambia

County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

The awarded vendor shall at all times guard against injury to Escambia County employees. The vendor shall properly fence and secure the construction site(s) at all times, including evening and weekends.

The awarded vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

17. Emergency Services

The contractor resulting from this solicitation includes services that are required during EMERGENCY situations such as hurricanes, major fires, etc. Time is of the essence during these situations and the vendor awarded this contract should be able to be contacted at any time, day or night:

The Bid Form provides for the emergency information to be supplied. Please be sure to include **all** this information when returning your bid.

18. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of thirty-six (36) months. The contract may be renewed for additional twelve (12) month periods, up to a maximum sixty (60) months upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

   Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an “as needed” basis.

C. The contract may be canceled by the awarded vendor, for good cause, upon ninety (90) days prior written notice.

D. The County retains the right to terminate the contract, with or without good cause, upon (30) days prior written notice.

E. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

19. Price Adjustment

The contract resulting from this Solicitation may include provisions for Twelve (12) month price adjustments. Written request for price adjustment may be made every Twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract approved by the Board of County Commissioners.

20. Changes – Service Contracts

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas.

A. Description of services to be performed

B. Time of performance (i.e., hours of the day, days of the week, etc.)

C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

21. Qualification of Offerors

This solicitation shall be awarded to a responsible, responsive offeror, qualified by experience to provide the work specified. The offeror shall submit the following information with his offer:

1. Experience record showing the offeror's training and experience in similar work.

2. List and brief description of similar work satisfactorily completed with location, dates of contact, names and addresses of owners.

3. List of equipment and facilities available to do the work.

4. List of personnel, by name and title, contemplated to perform this work.

Failure to submit the above requested information may be cause for rejection of your offer.

22. Licenses, Certifications, Registrations

The offeror shall at any time of proposal submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certification, registrations and any other requirements should be provided with the proposal submission; and, the offeror shall provide follow up evidence that as the contractor they maintain such credentials throughout the period of agreement.

23. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the offeror may withdraw his offer or provide a written extension of his offer.

24. Award

Award shall be made on an "all-or-none total" basis.

25. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded vendor, Escambia County may serve written notice upon the awarded vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

26. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments

left owing the contractor (excluding monies owed the contractor for subcontract work).

Non-Contract Insurance Requirements

27. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the level of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred", however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County

and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage – Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (if utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   213 Palafox Place 2nd Floor
   Pensacola, FL 32591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

28. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgements, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

Part III Criteria for Selection

Part IV Scope of Work

PART A SUMMARY

(Provide a paragraph summarizing the procurement. This may include providing as much information about the service as known when RFP is prepared, the County's goals, areas that must be delivered in a certain way, described as non-negotiable and other special rules and regulations.)

PART I GENERAL INFORMATION

1-1 INTENT

The intent of this Request for Proposal (RFP) is to seek competitive proposals from qualified experienced bidders for the provision and operation of Inmate Food Service and associated Community Outreach Programs for the Escambia County Jail and Work Release Facilities. The goal of this RFP is that the selected firm will be responsible for but not limited to the management and operation of food services to include procurement, food preparation and delivery; preparation and delivery of special diets meals to include faith-based (religious, medical (therapeutic), juvenile and other diets; compliance with established food service standards and procedures and replacement and maintenance of equipment provided to the firm by the County. In addition to inmate food, Escambia County is looking for Contractors to provide a culinary arts and community outreach program to assist in the reentry and jobs placement of inmates.

Important Notice to Contracts:

There is one kitchen that will be utilized under this contract. The kitchen is located at the Main Jail (2935 North L Street) and will be utilized to provide services to the other facilities. Construction of a new approximately 9,000 square-foot kitchen to replace the existing kitchen is underway and scheduled to be completed in July 2020. After completion of the new kitchen, the current kitchen will be vacated and will no longer be in use.

1-2 BACKGROUND

The Escambia County Corrections Department is responsible for the care, custody and control of the population housed within three residential facilities located throughout the County. Escambia County is currently in the process of designing and constructing a correctional facility to replace their Central Booking and Detention facility which was destroyed in 2014. Until the new facility is completed, the locations, average daily populations, and housing designations related to this RFP will be as listed in the table below.

Facility Name	Facility Address	Average Daily Population (FY 2019 Oct-June)	Housing Designation
Main Jail	2935 North L Street, Pensacola, Fl 32501	950	Minimum, Medium and Maximum
Work Release (Jail Inmates)	1211 West Fairfield Drive, Pensacola, Fl 32501	310	Minimum to Medium
Work Release (Program Participants)	1211 West Fairfield Drive, Pensacola, Fl 32501	76	Minimum

Upon completion of the new facility (expected completion is April 2020), there are some anticipated adjustments to the ADP of the facilities listed above. Below are the projected headcounts once the new facility is completed.

Facility Name	Facility Address	Projected Average Daily Population (July 2020)	Housing Designation
Main Jail+ New Facility	2935 North L Street, Pensacola, Fl 32501	1,360	Minimum, Medium and Maximum
Work Release (Jail Inmates)	1211 West Fairfield Drive, Pensacola, Fl 32501	100	Minimum to Medium
Work Release (Program Participants)	1211 West Fairfield Drive, Pensacola, Fl 32501	76	Minimum

1-3 ISSUING OFFICER

The project Director shall be Janice P. Gilley, County Administrator. The liaison officer shall be Captain Shawn Hankins, Escambia County Corrections Department. The contracting agency shall be the Escambia County Board of Commissioners, c/o the Office of Purchasing, 213 Palafox Place, 2nd Floor, Pensacola, Florida, 32502.

1-4 CONTRACT CONSIDERATION

After negotiation, it is expected that the contract shall be a term agreement for three years with up to two one-year renewals.

1-5 REJECTION

The right is reserved by the Board of County Commissioners to accept or reject any or all proposals or to waive any informality, existing in any proposal, or to accept the proposal which best serves the interest and intent of this project and is from the most responsive and responsible proposer.

1-6 INQUIRIES

All questions regarding this Request for Proposal shall be directed to Jeffrey Lovingood, Purchasing Coordinator, in writing via email at JDLovingood@myescambia.com.

1-7 ADDENDA

Any changes made in the Request for Proposal shall be brought to the attention of all of those who have provided the proper notices of interest in performing the services.

1-8 SCHEDULE

The following schedule shall be adhered to in so far as practical in all actions related to this procurement:

A. Mailing (Advertisement) Date…….....December 11, 2019

B. Non-Mandatory Pre-Proposal Conference.....January 6, 2020 at 1:00 PM CST

C. Receipt of Proposals.....January 21, 2020 at 3:00 PM CST

D. Short-List Meeting.....January 28, 2020

E. Discussion/Ranking Meeting.....February 3, 2020 at 1:00 PM CST

F. First Negotiation with Top-Ranked Firm……..February 17, 2020 at 1:00 PM CST

G. 2nd Negotiation Meeting (If Necessary)…….....February 19, 2020 at 3:15 PM CST

H. Target Board Date……...…..March 19, 2020

1-9 PROPOSAL CONTENT AND SIGNATURE

One (1) copy physical copy of the proposal shall be required, with original signature, having been signed by a company official with the power to bind the company in its proposal and shall be completely responsive to the RFP for consideration.

One (1) electronic copy of the complete submittal shall be included (CD or flash drive is acceptable). The County requests that, whenever possible, electronic documents and/or copies submitted to the County be ADA compliant.

1-10 NEGOTIATIONS

The contents of the proposal of the successful firm shall become a basis for contractual negotiations.

1-11 RECOMMENDED PROPOSAL PREPARATION GUIDELINES

All contractors shall provide a straightforward and concise description of their ability to meet the RFP requirements. There shall be avoidance of fancy bindings and promotional material within. The proposal shall clearly show the technical approach to include work tasks, estimated time phasing and the proposed approach rational. The County discourages overly lengthy or costly proposals, all proposals shall be in spiral binding or “GBC” type binder with all pages 8.5" x 11" format.

1-12 PRIME CONTRACT RESPONSIBILITIES

The selected contractor shall be required to assume responsibility for all services offered in his proposal. The selected contractor shall be the sole point of contact with regard to contractual matters including payments of any and all changes resulting from the contract.

1-13 DISCLOSURE

All information submitted in response to this RFP shall become a matter of public record, subject to Florida Statutes regarding public disclosure.

1-14 DELAYS

The Project Director reserves the right to delay scheduled due dates if it is to the advantage of the project.

1-15 WORK PLAN CONTROL

Control of the work plan to be developed under the RFP shall remain totally with the Escambia County Board of Commissioners.

1-16 METHOD OF PAYMENT

Payment schedule and basis of payment shall be negotiated.

PART II INFORMATION REQUIRED FROM CONTRACTORS

ALL PROPOSALS SHALL INCLUDE THE FOLLOWING: TECHNICAL AND COST PROPOSAL

2-1 PROPOSAL FORMAT AND CONTENT

The County discourages overly lengthy and costly proposals, however, in order for the County to evaluate proposals fairly and completely, proposers should follow the format set out herein and provide all of the information requested.

2-2 INTRODUCTION

Proposals shall include the complete name and address of their firm and the name, mailing address, and telephone number of the person the County should contact regarding the proposal.

Proposals shall confirm that the firm will comply with all of the provisions in this RFP; and, if applicable, provide notice that the firm qualifies as a County proposer. Proposals shall be signed by a company officer empowered to bind the company. A proposer's failure to include these items in their proposals may cause their proposal to be determined to be non-responsive and the proposal may be rejected.

The County is seeking two (2) separate proposals from each responding firm. The two proposal formats shall be described as "Proposal A" and "Proposal B," the requirements for each being outlined herein.

The County reserves the right to award a contract pursuant to this Request for Proposals utilizing the format chosen by the County at its sole discretions, without further discussion with Contractors. Therefore, it is important that each submitted proposal is complete, adheres to the dual-format requirements and instructions contained herein, and is submitted in the most favorable manner possible.

Proposing firms shall submit a separate proposal for each of the two required formats or the proposal(s) shall be deemed non-responsive. The two proposals can be delivered in the same package, the proposals just need to be bound separately. To fulfill the requirement of an electronic copy of each proposal being delivered, a single flash-drive or CD can be delivered as long as both proposals are complete when issued via a single electronic method.

Upon request, proposing firms may view the following applicable Escambia County Corrections Department General Orders by contacting Lt. Walter Jefferis (wrjefferis@myescambia.com or 850-436-9423):

A. GO 815.0 – Food Services

B. GO 806.2 – Tool Control System

C. GO 806.9 – Hazardous Material Control

The proposing firms shall comply with the Florida Model Jail Systems (FMJS) and Florida

Corrections Accreditation Commission (FCAC) standards at the time of submitting their proposal. It is the responsibility of the proposing firm to access, review, and comply with each set of standards.

2-3 "PROPOSAL A" FOOD SERVICE – LETTER OF TRANSMITTAL

Each proposal shall be accompanied by a Letter of Transmittal which, in two (2) pages or less, summarizes key points of the response to this Request for Proposals and shall be signed by an officer of the firm who is responsible for committing the firm's resources as outlined in the proposal.

Proposers shall provide a comprehensive narrative statement that sets out the methodology they intend to employ and that illustrates how their methodology will serve to accomplish the work and meet the County's project schedule.

The Letter of Transmittal shall include:

A. Full legal name of the submitting firm, including any d/b/a information.

B. Name and title of the individual with responsibility for this response and to whom matters regarding this RFP should be directed (not necessarily the same individual).

C. Mailing address, telephone number(s), and email address(es) of the firm's contacts related to this RFP.

D. A brief narrative of the firm's qualifications to provide Inmate Food Services for the County.

2-4 "PROPOSAL A" FOOD SERVICE – QUALIFICATIONS OF THE FIRM

Escambia County requires that each firm responding to this proposal identify its qualifications as related to the services required. The information provided shall specifically include:

A. Provide a brief description and history of the firm's experience in the field of Correctional Food Service. List all contracts over the past ten (10) years, services provided, year(s) in which the services were provided, average number of inmates served annually, and the name, phone number, and email address of the agency's Contract Monitor for each contract.

B. Identify all "terminated with cause" corrections food services contracts or awarded but never entered, the reason(s) for the termination or failure to enter, and the name, phone number, and email address of the contact person for each contracting agency.

C. A list of all criminal charges for violations of federal and/or state laws brought against the Contractor or any predecessor of the Contractor or any subcontractor, or any present or former director or officer of the Contractor or any subcontractor, within the last ten (10) years and the disposition of each. Proposals shall include a copy of indictments, bills of information opinions and/or judgements.

D. A list of all employee honesty bond claims and civil lawsuits settled or lost in the past two (2) years by the Contractor, any of its officers, employees, subcontractors, or governmental entities with who the Contractor has a contract, in connection with the management of any food service operation which the Contractor has operated or managed, the issues involved, and the settlement reached or judgement rendered. Proposals shall include copies of final judgement(s), settlement(s) reached, or judgement(s) rendered. Copies of final judgements and any written opinions rendered in connection with these suits shall be included.

E. Résumés of key management personnel detailing their qualifications and experience in the delivery of food services including, but not limited to, their correctional experience in the following areas:

1. Security
2. Inmate problem resolution relating to menu issues
3. Employee training
4. Institutional food service

Responses to the requirement shall not exceed three (3) pages per individual, single-spaced, with attachments as necessary, to demonstrate either award or certifications pertinent to the individual's qualifications.

F. A list of job descriptions, minimum qualifications, and salary range of all employee positions to be employed by the Contractor.

G. Provide an organizational chart specific to the personnel assigned to accomplish the work called for in this RFP; illustrate the lines of authority; designate the individual responsible and accountable for the completion of each component and deliverable of the RFP.

Provide a personnel roster that identifies each person who will actually work on the contract and provide the following information about each person listed;

1. Title,
2. Résumé,
3. Location(s) where work will be performed,
4. Itemize the total cost and the number of estimated hours for each individual named above.

After delivering an initial proposal in response to this solicitation, all submitters are prohibited from substituting, modifying, or amending those subconsultants identified in the initial written submittal at any time during the course of the solicitation process up to the final award of contract and including question-and-answer sessions, presentations or technical clarifications, and submittals as may be required by the Review/Selection Committee. A substitution or addition of subconsultants or any other material changes to the submittal after the initial response will cause the submittal to be invalid for review and selection purposes.

2-5 "PROPOSAL A" FOOD SERVICE – TECHNICAL APPROACH

Proposals shall demonstrate an understanding of every task or service required, and each shall be clearly identified. The information presented shall be in sufficient detail to enable the County to ascertain the Contractor's understanding of the results to be accomplished and the way in which the Contractor proposes to achieve them.

A. **Contractor shall propose a tray feeding system only. No other feeding systems will be considered.**

B. Provide a minimum staffing schedule for each shift and positions being proposed. Proposals shall include a varied sample twenty-eight (28) day menu for inmate meals.

C. The menu shall be for an average diet of 2,800 calories per day and the Contractor shall state the number of meals/days that entrees and side items will not be repeated.

D. Contractor shall provide religious (faith-based), medical (therapeutic), and other special diets to the inmate population as needed. Proposals shall include sample menus.

E. Contractor shall provide a list identifying all capital and non-capital equipment anticipated to be needed in order to perform the contract that will be amortized over the initial contract period and turned over to Escambia County at the conclusion of the contract. The list shall include but not be limited to an amortization schedule, estimated cost, and projected maintenance cost of each piece of equipment.

F. Proposal shall include an emergency plan for most foreseeable emergency issues including but not limited to hurricanes or other weather-related events, loss of kitchen due to fire or flood, loss of building due to operational emergency, and the possibility of need and use of mobile kitchen facilities.

G. Proposal shall include a transition plan for transferring control of the food service facilities to the County or to another contractor upon termination of the contract. The transition plan shall be comprehensive and include timetables, responsibility of specific personnel, detailed operations concerns, etc.

2-6 "PROPOSAL A" – FOOD SERVICES FEE PROPOSAL

Contractor shall complete and submit the Fee Proposal Form herein.

The County shall pay for all food services received under the contract through the single per-meal price structure. The cost per meal shall cover all the Contractor's expenses and cost for the following:

A. All meals, including, routine tray meals, bag meals, therapeutic meals, and faith-based diet meals. The number of meals delivered will be as ordered from the Contractor by the Corrections Department Contract Monitor, or their designee, prior to each meal service period.

B. The cost for all disposable, expendable, or consumable items related to meal service. This includes items related to regular meal service preparation and/or cleanup along with the utilization of Styrofoam or other disposable goods in times of equipment malfunction.

C. The cost of extermination services to ensure no infestation within all areas of the kitchen operations and transport vehicles.

D. The cost for all other operational management needs.

2-6 "PROPOSAL B" FOOD SERVICE AND CULINARY ARTS, RE-ENTRY & COMMUNITY OUTREACH INITIATIVE – LETTER OF TRANSMITTAL

NOTE: The components of "Proposal B" are substantially similar to that of "Proposal A," with modifications being found in Paragraphs 1 & 5.

Each proposal shall be accompanied by a Letter of Transmittal which, in two (2) pages or less, summarizes key points of the response to this Request for Proposals and shall be signed by an officer of the firm who is responsible for committing the firm's resources as outlined in the proposal.

Proposers shall provide a comprehensive narrative statement that sets out the methodology

they intend to employ and that illustrates how their methodology will serve to accomplish the work and meet the County's project schedule.

The Letter of Transmittal shall include:

A. Full legal name of the submitting firm, including any d/b/a information.

B. Name and title of the individual with responsibility for this response and to whom matters regarding this RFP should be directed (not necessarily the same individual).

C. Mailing address, telephone number(s), and email address(es) of the firm's contacts related to this RFP.

D. A brief narrative of the firm's qualifications to provide Inmate Food Services and Culinary Arts, Re-Entry & Community Outreach Initiative for the County.

E. A brief narrative on the firm's approach to providing or partnering with non-profit agencies in the community to provide Culinary Arts, Re-Entry, and Community Outreach Initiative for the County.

2-7 "PROPOSAL B" FOOD SERVICE AND CULINARY ARTS, RE-ENTRY & COMMUNITY OUTREACH INITIATIVE – QUALIFICATIONS OF THE FIRM

Escambia County requires that each firm responding to this proposal identify its qualifications as related to the services required. The information provided shall specifically include:

A. Provide a brief description and history of the firm's experience in the field of Correctional Food Service. List all contracts over the past ten (10) years, services provided, year(s) in which the services were provided, average number of inmates served annually, and the name, phone number, and email address of the agency's Contract Monitor for each contract.

B. Identify all "terminated with cause" corrections food services contracts or awarded but never entered, the reason(s) for the termination or failure to enter, and the name, phone number, and email address of the contact person for each contracting agency.

C. A list of all criminal charges for violations of federal and/or state laws brought against the Contractor or any predecessor of the Contractor or any subcontractor, or any present or former director or officer of the Contractor or any subcontractor, within the last ten (10) years and the disposition of each. Proposals shall include a copy of indictments, bills of information opinions and/or judgements.

D. A list of all employee honesty bond claims and civil lawsuits settled or lost in the past two (2) years by the Contractor, any of its officers, employees, subcontractors, or governmental entities with who the Contractor has a contract, in connection with the management of any food service operation which the Contractor has operated or managed, the issues involved, and the settlement reached or judgement rendered. Proposals shall include copies of final judgement(s), settlement(s) reached, or judgement(s) rendered. Copies of final judgements and any written opinions rendered in connection with these suits shall be included.

E. Résumés of key management personnel detailing their qualifications and experience in the delivery of food services including, but not limited to, their correctional experience in the following areas:

1. Security
2. Inmate problem resolution relating to menu issues
3. Employee training
4. Institutional food service

Responses to the requirement shall not exceed three (3) pages per individual, single-spaced, with attachments as necessary, to demonstrate either award or certifications pertinent to the individual's qualifications.

F. A list of job descriptions, minimum qualifications, and salary range of all employee positions to be employed by the Contractor.

G. Provide an organizational chart specific to the personnel assigned to accomplish the work called for in this RFP; illustrate the lines of authority; designate the individual responsible and accountable for the completion of each component and deliverable of the RFP.

Provide a personnel roster that identifies each person who will actually work on the contract and provide the following information about each person listed;

1. Title,
2. Résumé,
3. Location(s) where work will be performed,
4. Itemize the total cost and the number of estimated hours for each individual named above.

After delivering an initial proposal in response to this solicitation, all submitters are prohibited from substituting, modifying, or amending those subconsultants identified in the initial written submittal at any time during the course of the solicitation process up to the final award of contract and including question-and-answer sessions, presentations or technical clarifications, and submittals as may be required by the Review/Selection Committee. A substitution or addition of subconsultants or any other material changes to the submittal after the initial response will cause the submittal to be invalid for review and selection purposes.

2-8 "PROPOSAL B" FOOD SERVICE AND CULINARY ARTS, RE-ENTRY & COMMUNITY OUTREACH INITIATIVE – TECHNICAL APPROACH

Proposals shall demonstrate an understanding of every task or service required, and each shall be clearly identified. The information presented shall be in sufficient detail to enable the County to ascertain the Contractor's understanding of the results to be accomplished and the way in which the Contractor proposes to achieve them.

A. **Contractor shall propose a tray feeding system only. No other feeding systems will be considered.**

B. Provide a minimum staffing schedule for each shift and positions being proposed. Proposals shall include a varied sample twenty-eight (28) day menu for inmate meals.

C. The menu shall be for an average diet of 2,800 calories per day and the Contractor shall state the number of meals/days that entrees and side items will not be repeated.

D. Contractor shall provide religious (faith-based), medical (therapeutic), and other

special diets to the inmate population as needed. Proposals shall include sample menus.

E. Contractor shall provide a list identifying all capital and non-capital equipment anticipated to be needed in order to perform the contract that will be amortized over the initial contract period and turned over to Escambia County at the conclusion of the contract. The list shall include but not be limited to an amortization schedule, estimated cost, and projected maintenance cost of each piece of equipment.

F. Proposal shall include an emergency plan for most foreseeable emergency issues including but not limited to hurricanes or other weather-related events, loss of kitchen due to fire or flood, loss of building due to operational emergency, and the possibility of need and use of mobile kitchen facilities.

G. Proposal shall include a transition plan for transferring control of the food service facilities to the County or to another contractor upon termination of the contract. The transition plan shall be comprehensive and include timetables, responsibility of specific personnel, detailed operations concerns, etc.

2-9 "PROPOSAL B" FOOD SERVICE AND CULINARY ARTS, RE-ENTRY & COMMUNITY OUTREACH INITIATIVE – FOOD SERVICE FEE PROPOSAL

Contractor shall complete and submit the Fee Proposal Form herein.

The County shall pay for all food services received under the contract through the single per-meal price structure. The cost per meal shall cover all the Contractor's expenses and cost for the following:

A. All meals, including, routine tray meals, bag meals, therapeutic meals, and faith-based diet meals. The number of meals delivered will be as ordered from the Contractor by the Corrections Department Contract Monitor, or their designee, prior to each meal service period.

B. The cost for all disposable, expendable, or consumable items related to meal service. This includes items related to regular meal service preparation and/or cleanup along with the utilization of Styrofoam or other disposable goods in times of equipment malfunction.

C. The cost of extermination services to ensure no infestation within all areas of the kitchen operations and transport vehicles.

D. The cost for all other operational management needs.

2-10 "PROPOSAL B" FOOD SERVICE AND CULINARY ARTS, RE-ENTRY & COMMUNITY OUTREACH INITIATIVE – CULINARY ARTS, RE-ENTRY, COMMUNITY OUTREACH INITIATIVES

Escambia County seeks to develop programs that benefit inmates, community corrections offenders and, by extension, the community. At any given time, 89% of inmates incarcerated in Escambia County Jails list a local address upon entry to the facility. Additionally, the majority of offenders on Community Supervision reside in the local community. There is a substantial need for re-entry programs that can assist these individuals in becoming positive and contributing members of society through job training, education, and ultimately job placement.

With this in mind, in addition to providing and outstanding food service operation, Escambia County is seeking a Contractor that can also develop partnerships with one or more community agencies as well as the private sector to implement a culinary arts and re-entry

training program that will include employability skills, and will assist participants in job placement within the community. The program should be geared toward helping the released inmates and community corrections offenders obtain gainful employment, stabilize the family, and increase community engagement. In addition it is anticipated that the Contractor will employ some of the successful program participants within their organization.

Contractors shall clearly identify and demonstrate an understanding of every service required. A re-statement of tasks or mere affirmation of willingness and ability to perform the tasks will not be considered responsive. The information presented shall be in sufficient detail to enable the County to ascertain the Contractor's understanding of the outcomes to be achieved and the manner in which the Contractor proposes to accomplish them.

Classroom facilities for all initiatives may be made available at the Main Jail and the new jail facility upon completion of construction. Kitchen facilities will only be available at the Main Jail. If it is deemed appropriate at some point in the future to conduct all or a portion of the Culinary Program at the Work Release Facility, the Contractor and Escambia County may agree to do so.

The cost of the Community Outreach Programs shall be included in the Contractor's Food Services Fee proposal.

PART III CRITERIA FOR SELECTION

3-1 "PROPOSAL A" SELECTION CRITERIA

Criteria	Weight
Qualifications of Staff	25
Technical Approach	25
Fee Proposal	50
Total:	100

3-2 "PROPOSAL B" SELECTION CRITERIA

Criteria	Weight
Qualifications of Company	20
Technical Approach	5
Community Outreach Program*	25
Fee Proposal	50
Total:	100

*Community Outreach Program weighted criteria will be based on the following breakdown of the total 25 points above:

Criteria	Weight
Technical Approach	10
Capacity of Partner Agencies	5
Outcomes and Output Measurement Plan	10
Total:	25

The top ranked firm will be voted upon by the Selection Committee from short-listed firms with the top ranked firm having the highest combined score of "Proposal A" and "Proposal B."

Community Outreach Program Criteria

A. Technical Approach to Programs

1. Provide a description of the Contractor's Culinary Arts program and provide the minimum skill level/qualifications necessary for program participants. Describe classroom training and hands-on training components and include the skills to be learned. Identify specific certifications that can be obtained through the program as well as apprenticeship ad/or employment opportunities. Include length of program and capacity.

2. Provide a description of any Re-Entry training or Job Skills initiative. Provide the minimum skill level/qualifications necessary for program participants. Outline the skills to be learned, the length of the program, and program capacity.

B. Capacity of Partner Agencies

1. Identification of any partner or subcontractor that will be providing some or all of the Culinary Arts Program and/or the Re-Entry training, or Job Skills initiative. Include information on the qualifications of partner agencies to provide these training programs and their ability/capacity to meet the need.

2. Identification of community partnerships that will facilitate participant re-entry into the community and provide gainful employment. Include information on their qualifications to provide such services, their prior experience in doing so, and their ability/capacity to meet the need.

3. Any applicable special certifications or licensing possessed by partnership agencies.

C. Outcomes and Output Measurement Plan

1. Identify measurable outcomes for the Culinary Arts Program, Re-Entry Training, and Job Skills initiatives. (e.g. number of individuals trained, employed, tenure on the job, etc.)

2. Identify any other participant or community benefits resulting from partnership(s).

All expenses/fees of the selected Contractor shall be paid through the single per-meal cost and shall include all costs of the proposed Culinary Arts/Re-Entry/Community Outreach Initiative. The cost per meal shall cover all of the Contractor's expenses and costs for the following:

A. All instructors conducting both Culinary Arts and Employability Skills training.

B. All training materials used in both the Culinary Arts and Employability Skills training.

C. Any and all costs incurred by any partners as part of the Culinary Arts/Re-Entry/Community Outreach Initiative.

Contractor shall demonstrate how management will use the outcomes in program planning and improvement efforts.

3-3 ORAL PRESENTATIONS

At the County's sole discretion, oral presentations may be requested of the proposers, however, the presentation shall be **strictly limited to the Outreach Program**. If this evaluation procedure is requested by the Selection Committee, the proposers will be given a minimum advance notice of one week prior to the date and time for the oral presentation. This presentation, if requested, will occur either during the initial procurement committee evaluations (Short-List) or could be included as part of the Discussion Meeting held with Short-Listed firms.

Please note the following related to the Outreach Program Presentations (if necessary):

A. Each presenting firm will be given a maximum of twenty (20) minutes to cover the details of their program.

B. Each presentation will be followed by a maximum of fifteen (15) minutes of questions from the Selection Committee.

PART IV SCOPE OF SERVICES

4-1 INTRODUCTION

It is the County's intent to explore and pursue every possible opportunity to realize efficiencies and cost savings in the operation and management of Inmate Food Services of the Escambia County Corrections Department. The County is seeking proposals to provide all services for the inmate population of the Escambia County Main Jail and Work Release Facility, to include religious, medical and other special diets. Inmate meals include at least two (2) hot meals per day and may include no more than one (1) cold meal and cold, bagged meals for inmates who are unable to receive one or more of the hot meals that day due to work assignments or other operational issues. Meals will be delivered to the Work Release Facility at times directed by the Department so as not to interfere with security procedures.

As of July 2020, inmates will be housed in three (3) facilities including the Jail and Work Release Facilities. Two (2) facilities are located at the Main Jail Complex located at 2935 North L Street, Pensacola, Florida. The third facility is the Work Release Center, located at 1211 West Fairfield Drive, Pensacola, Florida. The average daily population for these facilities is currently 1,336 with an estimated increase to 1,536 upon completion of the new facility.

In the event of a catastrophic situation or due to operational necessity requiring relocation of the kitchen, inmate and/or staff to an off-site location, the contractor will be required to prepare and deliver food at/to the new locations as specified by the Contract Monitor or designee. Emergency staffing will be provided by the contractor to ensure coverage in any situation.

The Main Jail Complex kitchen approximates 9,000 square feet and last renovated in 1998. It is anticipated that a new kitchen will be completed in July 2020. The kitchen will have the capacity to process meals for up to 2,000 inmates at three meals per day. Once operational, this will be the only available kitchen utilized to service all locations.

4-2 DEFINITIONS

The following terms used in this RFP shall, unless the context indicates otherwise, have the meanings set forth below:

A. **Contract Monitor:** The employee or employees of the Escambia County Corrections Department designated to monitor operation of the Contractor for compliance with contract provisions and to coordinate actions and communication between the Department and the Contractor.

B. **Contractor:** The Proposer awarded the Contract to manage the food services operation.

C. **Department or ECCD:** the Escambia County Corrections Department

D. **County:** Escambia County

E. **Food Services:** means all management of activities and personnel, procurement of food and supplies and the production and delivery of meals, pursuant to the conditions of this RFP.

F. **Therapeutic Diet:** The meals authorized by the appropriate Health Services Division staff.

G. **Faith Based Diet:** The dietary restrictions associated with sincerely held faith-based beliefs.

H. **Bag Meals:** A meal consisting of two (2) sandwiches containing luncheon meat, the appropriate condiments (mustard, mayonnaise, etc.) one piece of fruit, either one (1) bag of chips (potato, corn, etc.) or one (1) wrapped cake type desert and one (1) 8 o. individually packaged fruit juice or fruit flavored drink. Inmates requiring special diets will receive suitable bag meals.

I. **Juvenile Diet:** The meal guidelines are identical for both pregnant females and all juveniles and are designed to support the growth of the fetus, as well as provide adequate intake of the mother's or juvenile's physical needs. The diet should be discontinued when pregnancy is terminated. The physician may order supplemental snacks if the patient is lactating. For juveniles the diet will continue until adult status has been reached. Additional foods will be used to increase the calorie levels. The diet includes a standard bedtime (evening) snack of milk, fresh fruit and a small sandwich. All meals should be approved by Contractor's dietician as provided for in FMJS and FCAC standards.

4-3 GENERAL DUTIES, OBLIGATIONS AND STANDARDS

Beginning on the Service Commencement Date, the Contractor shall operate the Food Service section of the Escambia County Main Jail Complex and Work Release Center in accordance with the Contract, the Operating Standards and this RFP.

4-4 TYPE OF FOOD SERVICE DELIVERY SYSTEM TO BE USED

The Contractor shall utilize a tray feeding system. No other feeding system will be authorized.

4-5 MEALS

A. The Contractor shall service inmate meals on the schedule currently in use by the facilities as follows:

1. Breakfast: Start at 0430
2. Lunch: Start at 1100
3. Dinner: Start at 1600

Note: This schedule may be modified due to the operational needs of the facilities.

B. The Contractor shall maintain a 28-day menu approved by the Contract Monitor and as required by the Operating Standards for regular inmate meals.

C. The approved menu shall maintain an average 2,800-calorie per day pork-free diet and shall be accompanied by a carton-type drink or bulk beverage. Menus will also be provided for Therapeutic and Faith-Based Diets as well as the Staff Dining area, road crew meals and bagged meals for emergency crews. The Contractor agrees to serve appropriate holiday meals (i.e. Thanksgiving, Christmas, etc.) throughout the year as mutually determined by the Escambia County Corrections Department management. The pricing for holiday meals will be the same as the agreed upon daily meal price.

D. Bagged meals shall consist of two (2) sandwiches containing luncheon meat, the appropriate condiments (mustard, mayonnaise, etc.), one (1) piece of fruit, either one (1) bag of chips (potato, corn, etc.) or one (1) wrapped cake-type dessert and one (1) 8 oz. individually packaged fruit juice or fruit flavored drink. Inmates requiring special diets will receive suitable bag meals when applicable. The bags will be labeled with the date of production and will be stored and served in a manner that prevents crushing or are otherize protected.

E. The Contractor shall have the capacity to provide approximately 52,000 bagged meals per month, to include, but not limited to, events such as:

1. Inmates bagged meals for inmates who have not been able to partake of one or more hot meals.
2. Inmates working road crews.
3. Inmates at Work Release who will carry a bagged meal to work.
4. Inmates going to court.

F. The only exceptions to the regular menu and regular bag meal menu are:

1. Therapeutic/medical diets specified by the Health Services Division of Escambia County Corrections Department and the Therapeutic Diet Manual.
2. Faith Based/Religious diets requested by the Corrections Chaplains and as defined in the Faith Based Diet Manual.
3. Participants of the Work Release Program or inmates working on Road Crews will receive both chips and dessert in their bagged meals.
4. The Contractor shall ensure that meals for juvenile offenders and pregnant females are compliant with established diet/RDA requirements for the State of Florida and appropriate regulating authorities.

5. Meals for staff working under emergency conditions will also receive both chips and a dessert with their meal.

G. The Contractor must provide a detailed plan to manage the food service operation during an emergency or major weather event such as a hurricane.

H. The plan must include at a minimum:

1. Crisis management and communication
2. Emergency Food storage inventory
3. A minimum of three (3) days' supply of food and drinkable water for both staff and inmates shall be stored on site at all times. County reserves the right to increase the food and drinking supply days up to 10 days as necessary.
4. Transportation protocol
5. Staffing protocol
6. Food preparation protocol
7. Food containment protocol (in the event coolers are non-functional or electricity is out for a period of time).

I. The menus shall be evaluated and approved annually by the Contractor's registered dietician and the Contract Monitor. Changes to the menus shall be evaluated and approved on a quarterly basis by the Contractor's registered dietician and Contract Monitor. The evaluations shall be conducted at the Contractor's sole expense.

J. Contractor must ensure that substitutions to the approved menus must be of equal nutritional quality to the item for which they are substituted.

K. Per 815.0.1.5, Inmates are to be given three wholesome, nutritious meals per day with no more than fourteen (14) hours between the evening meal and morning meals. Hot meals shall be served at least once daily. [FMJS 6.5][FCAC 21.05]

4-6 INVENTORY AND STORAGE

A. Food inventories purchased by the Contractor are the property of the Contractor and the Contractor is responsible for any loss, damage, or spoilage.

B. The Contractor shall be responsible for receiving all goods at the loading dock. The Contractor shall be responsible for the supervision of inmates receiving, unloading and storing food and related items.

C. The Contractor shall, on a weekly basis, take a physical inventory of food and supply items and that inventory shall be made available to the Contract Monitor.

D. Food storage spaces available at the current kitchen facility are:

1. Freezer 329 sq. ft.
2. Cold storage 429 sq. ft.
3. Dry storage 589 sq. ft.
4. Janitorial 40 sq. ft.

E. Food storage, preparation and designated kitchen spaces available at the new facility will be as follows:

1. Bulk Dry food storage= 1800 square feet
2. Secure food storage= 300 square feet
3. Non-food storage=200 square feet
4. Bulk Freezer=450 square feet
5. Thaw cooler=280 square feet
6. Bulk Vegetable/Dairy cooler=280 square feet
7. Vegetable/cold food preparation area=700 square feet
8. Tray Assembly area=1000 square feet
9. Cart parking=450 square feet
10. Inmate break area=100 square feet
11. Main Kitchen office=70 square feet
12. CO office=70 square feet
13. Tool closet=40 square feet
14. Storage cooler=400 square feet
15. (F)Staff toilet/locker=60 square feet
16. (M)Staff toilet/locker=60 square feet
17. Inmate toilet= 50 square feet
18. Main cooking area=1800 square feet
19. Diet area=200 square feet
20. Cook's cooler= 170 square feet
21. Secure spice cage=40 Square feet
22. Janitor's closet=40 square feet
23. Pot washing are=400 square feet
24. Chemical storage=100 square feet
25. Dishwashing area=700 square feet
26. Cart washing=100 square feet
27. Trash room=300 square feet

NOTE: Upon completion of new facility kitchen, the current kitchen facility will no longer be utilized.

4-7 DISPOSABLES/EXPENDABLES

The Contractor shall furnish all disposables and expendable items related to regular meal service. This shall include, but not be limited to:

1. All paper goods
2. All plastic goods
3. All Styrofoam goods
4. All chemicals utilized during the course of service, delivery and cleanup

5. All chemicals and expendable items utilized to maintain the cleanliness of the kitchen and surrounding areas utilized by the Contractor

6. Gloves

7. Bags and any/all other expendable items used in the Contractor's operation to include all service and delivery.

4-8 FOOD DELIVERY AND SERVICE

The Contractor is solely responsible for the delivery of food to the various facilities to include any needed equipment to ensure proper preparation, delivery and management and compliance with established food service standards.

A. The Contractor shall deliver meals to each of the facilities. Escambia County Corrections personnel will accept delivery and supervise the service of the food at the individual cells by inmate workers.

B. Food delivery carts must be easily cleanable and shall have casters/tires that will not mar the facilities floors. Damaged casters/tires will be replaced immediately, and carts will not be used until proper repairs are completed.

C. The Contractor shall ensure the delivery of food at established temperatures consistent with code and other requirements. Food items delivered "off-temperature" will be rejected and must be replaced at no cost to the County.

D. The Contractor shall monitor, document and submit to the Contract Monitor, as requested, minimum and maximum food temperatures at point of service. Hot food shall be delivered at a minimum temperature of 140* Fahrenheit and cold food shall be stored at a maximum temperature of 41* Fahrenheit with a two-hour window for necessary preparation, distribution and service.

4-9 EQUIPMENT AND FACILITIES

A. Currently owned Escambia County Corrections food service equipment shall remain the property of Escambia County. A complete inventory of existing/current equipment is attached (**Attachment A)**.

B. The Contractor will be able to use the equipment that exists in the current kitchen until the opening of the new kitchen scheduled for July 2020. If Contractor determines that additional equipment items are needed in order to operate the existing kitchen prior to the new kitchen opening, the winning Contractor will be responsible for purchasing those items.

C. Once the current kitchen closes it will no longer be used and Escambia County will determine disposition of said equipment.

D. Escambia County Corrections will equip, at no cost to the Contractor, the new kitchen with all equipment items needed to operate the facility. **However, the exception being that the Contractor will provide new serving trays upon opening of the new kitchen. It is estimated that an additional 250 trays will be needed upon completion of the new facility.**

Once the Contractor moves into the new kitchen and begins using the new equipment furnished by Escambia County, the Contractor will ensure that all necessary maintenance and warranty work on the new equipment are completed at no cost to Escambia County. All maintenance and warranty work on all equipment is the responsibility of the Contractor.

The current projected date of moving from the existing kitchen facility into the new kitchen facility is July 2020. **The Proposer shall provide a detailed transition plan for this move to include:**

1. Plan to overcome operations and transition challenges
2. Proposed Gant Chart for transitioning to the new kitchen facility
3. Detailed communications plan
4. Quality Assurance plan
5. Security plan

Note: In the event the selected firm is asked to provide input on the set up or final design of the new kitchen, Escambia County will not compensate for any staff time.

E. Once the new kitchen is operational, the Contractor becomes fully responsible for purchasing and maintaining all kitchen equipment and food services equipment for the remainder of the contract. When new equipment is needed, the Contractor shall purchase and install only new commercial and/or institutional quality equipment.

F. The Contractor shall be responsible for the replacement of all equipment that becomes unserviceable. Replacement of non-serviceable items and equipment will be coordinated through the Contract Monitor. The Contractor shall take all reasonable and prudent measures necessary to ensure that equipment is properly used and maintained.

Note: All equipment purchases shall be approved by the Escambia County Corrections Contract Monitor in writing prior to purchase.

G. Not later than seven (7) days prior to the contract start/service commencement date, the County will provide the Contractor with an up to date inventory of all equipment and a joint inventory of all equipment items will be conducted.

H. All equipment will be inventoried throughout the contract period and immediately prior to the termination of the Contract.

I. The Contractor shall ensure that all equipment turned over to Escambia County at the end of the contract period is in excellent working order.

4-10 SAFETY AND SANITATION

A. The Contractor shall be responsible for supplying all disposable cleaning supplies, including, but not limited to, chemicals, hand soaps, dishwashing detergents, paper towels, trash bags, rags, gloves, goggles, mops, mop buckets, brooms, dustpans, floor squeegees and any other supplies necessary for cleaning and sanitation not specifically listed as supplied by the County.

B. All sanitation and cleaning supplies must comply with established security requirements of Escambia County Corrections General Order 806.9 Hazardous Material Control.

C. The Contractor shall cooperate with all inspections required by all appropriate authorities and Contract Monitor.

D. The Contractor shall participate with the Department's internal Fire Safety, Sanitation and Security Inspections and respond, in accordance with Escambia County Correction Timelines, to deficiencies identified during inspections as scheduled by the Corrections Department.

E. All sanitation, janitorial, safety, cleaning duties and vermin extermination requirements are the responsibility of the contractor. This responsibility includes all food service areas, including but not limited to:

1. Kitchen and food preparation areas
2. All storage areas utilized for food services
3. Kitchen loading dock, including all the area within the secure perimeter of the loading dock
4. All sidewalks, staging areas and concrete areas attached/leading to the kitchen
5. Delivery vehicles

F. The Contractor shall submit a safety plan to Escambia County Corrections Department prior to the Service Commencement Date. The Contractor shall ensure that its safety plan complies, at a minimum, with all Escambia County Corrections Department Operating Standards.

G. The Contractor shall ensure that all hazardous materials and substances are stored and used in compliance with all Operating Standards.

H. The Contractor's transportation and/or disposal of any waste shall be in compliance with all Escambia County Corrections Department Operating Standards.

4-11 STAFFING AND SCHEDULING

The Contractor shall recognize that the Escambia County Corrections Department will provide security personnel, however, the Contractor's staff shall, at all times, abide by and be mindful of the security regulations of the Escambia County Corrections Department. The Contractor's staff are required to report any security related issues to Escambia County Corrections staff immediately.

A. The Contractor shall submit their proposed standard staffing schedule for all shifts to the Contract Monitor for review and approval prior to beginning operations. Any change to the final accepted schedule must be approved by the Contract Monitor, in writing, prior to implementation.

B. The Contractor shall establish and adhere to a minimum staffing level for each shift.

C. The Escambia County Corrections Department shall provide approximately 20 inmates on shifts A and B, and approximately 12 inmates on shift C, to the Contractor for inmate meal production. Inmate workers assigned to the Contractor shall be supervised by the Contractor for purposes of determining their suitability for continued work within the food service areas.

D. The Escambia County Corrections Department shall provide a minimum of one full time Correctional Officer for each shift. The officer's assigned working post will be in the kitchen.

E. At the Department's request, the Contractor's employees shall complete a 16-hour (or more at the discretion of Escambia County Corrections) course on security and

inmate manipulation, taught by the training unit of Escambia County Corrections Department. The Contractor's employees may be required to attend additional training as determined by Escambia County Corrections Department.

F. All Contractor's employees shall be attired in a standard uniform, supplied by the Contractor, and always maintained in a clean and neat condition. Hats with brims will be worn forward, shirts will be kept tucked into the pants. Hairnets or other approved hair restraints are required whenever in the kitchen area. Employees must always maintain proper identification and be in uniform when on jail property.

G. Food service training for inmates shall be consistent with applicable Operating Standards.

CULINARY ARTS/RE-ENTRY/COMMUNITY OUTREACH INITIATIVES SCOPE OF SERVICE

4-12 INTRODUCTION

Escambia County Corrections Department desires to develop programs that benefit inmates, community corrections offenders and the community. There is a substantial need for programs that emphasize vocational/education training opportunities, employability skills and job placement. While the Contractor has flexibility to develop programs that achieve these goals, one component of it must include culinary arts and employability skills. Partnerships with existing community agencies that have a history of success are highly encouraged. A second program component shall include a plan for job placement of successful participants. Again, partnerships with the community are highly encouraged.

4-13 SCOPE

Within thirty (30) days of contract award, the Contractor must provide a plan for design and implementation of an initiative, to Corrections Department Staff, that includes:

A. Inmate/Offender industry standard culinary training to include food handling certifications

B. Employability training to include Job Readiness/Job Placement training and job placement in the community

4-14 EXAMPLES

As part of the plan for design and implementation of program initiatives, the Contractor shall provide a description of Culinary Arts. Include skills to be learned, as well as any certifications obtained. Length of program and capacity should be included.

4-15 EMPLOYABILITY TRAINING

As part of the plan for design and implementation of program initiatives, the Contractor shall provide a description of an Employability Skills program. Include skills to be learned, as well as any certifications obtained. Length of program and capacity should be included. Include information regarding the experience, certifications or licensing and capacity of any partner agencies.

4-16 JOB PLACEMENT / RE-ENTRY / COMMUNITY OUTREACH

As part of the plan for design and implementation of program initiatives, the Contractor shall address how they intend to connect inmates with jobs and to reduce barriers for offenders and inmates seeking employment. The Contractor shall identify community partnerships, including with the private sector that will facilitate participant re-entry and provide gainful employment. The Contractor must also demonstrate an understanding of the emphasis

placed on developing collaborative partnerships with the local education, businesses, not-for-profit and/or vocational training community.

4-17 STAFFING

As part of the plan for design and implementation of program initiatives, the Contractor shall provide a description of planned staffing for Culinary Arts Training, Employability Skills Training and Job Placement, including Provider staff and staff of any Partner Agency. Resumes for each proposed staff shall be submitted with the proposal.

4-18 FACILITIES

The Escambia County Main Jail includes an approximately 900 square foot kitchen space, which includes a serving area, dry storage and walk-in cooler and freezer. Upon completion of the new facility this area will be replaced with an approximately 10,160 square foot kitchen, which will include a serving area, dry storage and walk-in cooler and freezer. In addition, there are classrooms for use in both Culinary Arts and Employability Skills training.

4-19 OUTCOMES

As part of the plan for design and implementation of program initiatives, the Contractor shall identify measurable outcomes that will be reported, such as number of individuals trained, number of successful job placements, etc. Identify any other participant or community benefits resulting from this/these partnerships.

Below are examples of possible Community Outreach initiatives that might be included as proposed outcomes. These are suggested programs and potential contacts and the County is open to proposals that are not on the list. Escambia County has not contacted any of the businesses, organizations or agencies listed and have no knowledge as to whether they are interest in participating with this program. These lists are provided for example only.

A. Partner with local vocational or technical institutes for culinary training for inmates and offenders on community supervision

B. Provide culinary arts scholarships for community offenders and inmates

C. Develop an ex-offender employment initiative with the local culinary industry

4-20 PERSONAL SECURITY AND RIGHT TO INSPECT

The following are specific conditions and rules that must be followed while providing services at any Corrections Facilities.

A. Personnel

1. All Contractor employees shall carry a valid ID at all times.

2. The Contractor shall provide a list of all employees that will be working inside any Corrections facility. A full criminal history shall be run on each employee by the Corrections Department at no cost to the Contractor. No Contractor employee will be allowed to work inside any Corrections facility if they are on active probation, home confinement, and parole or have been arrested within the last five (5) years or have been arrested for any crime involving violence, drugs, or theft. The Contractor employee list shall include:

a) Employee's full name

b) Employee's date of birth

c) Employee's race/sex

d) Employee's Social Security number

e) Employee's Driver's License number

3. Only authorized employees of the Contractor shall be allowed to work at any Corrections facility. WORK RELEASE INMATES ARE NOT AUTHORIZED TO WORK ON ANY CORRECTIONS FACILITY CONTRACT.

4. Contractor's employee shall wear their Contractor issued ID on the collar of their shirt at all times while in any Corrections facility. This ID will be issued to each Contractor employee at the Escambia County Human Resources Department and will only be given upon surrendering of a valid personal ID.

5. If an ID is lost, the Contractor's employee shall report it immediately to their escort officer.

6. In the event of an emergency, the Contractor's employee shall report it to the nearest Corrections staff member. They will contact 911.

7. The Contractor's employees shall always follow the direction of the escort officer.

8. The Contractor's employees shall not bring tobacco or tobacco products inside any Corrections facility or on top of any roof or within any Corrections facility fence line.

9. The Contractor's employees shall not bring or wear hats or sunglasses inside any Corrections facility.

10. The Contractor's employees shall not bring any cell phones inside the facility unless authorized by Corrections.

11. Contractor vehicles shall have the windows rolled up and be locked at all times and parked in only pre-authorized areas.

12. The Contractor shall ensure that during breaks, if a Contractor's employee leaves an area, all tools must be removed.

13. All Contractor tools will be inventoried going into and out of a Corrections facility. Contractor shall ensure that employees take in only what is needed to perform the services.

14. At the end of each workday, the Contractor shall ensure that all tools and debris are collected. The Contractor shall conduct an inspection of all areas to ensure all tools are accounted for and properly stored.

15. No illegal drugs or drug paraphernalia are allowed in the compound.

16. No weapons, guns or ammunition are allowed in any Corrections facility.

17. The Contractor shall ensure that no inmate interaction occurs. The Contractor's employees shall not talk to or give or receive anything from an inmate, including cigarettes.

18. The Contractor shall only use storage areas approved at the beginning of the contract, unless otherwise permitted by an authorized County representative.

19. The Contractor shall not leave clothing unattended, including hats and sunglasses.

20. The Contractor and their employees shall be subject to search upon entering or exiting the facility. The Contractor shall also make employees aware that random searches may be conducted while they are within the facility at any time.

21. Immediate verbal and written notification to the Chief of Corrections or designee and the Contract Monitor is required upon the arrest of any employee of the Contractor employed at the Facilities.

22. The Chief of Corrections or designee retains sole discretion over the decision of whether to allow any prospective employee or volunteer permission to enter the Escambia County Corrections Department's grounds or Facilities.

B. Security

1. The Contractor will comply with all security regulations, guidelines and requirements, including applicable Escambia County Corrections Department's Administrative Orders and Food Service Unit's Standard Operating Procedures regarding security issues. The senior Escambia County Corrections Officer on shift will determine whether any action taken by an employee of the Contractor constitutes a violation of security regulations serious enough to warrant immediate review.

2. The Contractor will be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with its services or performance of its operation. The contractor shall take all reasonable precautions for the safety of and will provide all reasonable protection to prevent damage, injury or loss to: employees on the job and all other persons who may be affected thereby; all property, materials and equipment under the care, custody or control of the contractor. The contractor will comply with all applicable safety rules, regulations, standards and lawful orders from authority bearing on the safety of persons or property or their protection from damage, injury or loss In any emergency affecting the safety of persons or property, the contractor will act with reasonable care and discretion, to prevent any threatened damage, injury or loss.

3. All employees of the Contractor shall conduct themselves in a professional and appropriate manner while at the Escambia County Correctional Facilities. The Chief of Corrections or designee retains sole discretion over whether to permit any individual to enter the grounds or facilities.

C. Right of Inspection

The Contractor shall permit ECCD personnel to inspect all parts of the food service areas without notice at any time, if in the sole opinion of the senior ECCD Corrections Officer on duty, security, safety or sanitation are in question. Th Contractor Monitor shall be provided access to all areas under the control of the Contractor at any time, as well as unrestricted access to all Contractors' documents pertaining to the operation of the ECCD food services sections, with or without advance notice form the Contract Monitor.

4-21 VALUE ADDED/OPTIONAL SERVICES

In addition to the required food services listed above, the Escambia County Corrections Department has an interest in the provision of staff dining upon completion of the new facility (estimated completion is July 2020). Upon completion of the new facility, the staff dining area will be located adjacent to the kitchen. As this is not currently an option for Escambia County Corrections staff members, there is no data regarding anticipated utilization. It is anticipated that staff meals be provided seven days per week to accommodate day and night shift employees.

A. The Contractor should provide a plan for the provision of staff dining meals to include the meal cost and the method proposed for collection.

B. The Contractor is to provide a proposal (with this proposal) which identifies their plan for providing staff dining during a 24-hour day. The proposal shall be for a meal of at least the quality of the inmate meals and with comparable cost.

C. Inmate workers will not be authorized for use with the preparation or service of staff meals, however, may be utilized for cleanup and scullery duties.

D. Suggested menu options can include, but are not limited to, bulk produced/served meals, A La Carte menu and/or “ready to go” menu options. Sample menus for all proposed/suggested menus should be included.

E. The employee break/dining area will consist of the following:

1. 8’ millwork with a sink
2. 580 square feet of space
3. 24 staff persons users at once
4. 120V outlets non-secure
5. 120V outlet GFI
6. Hot water
7. Cold water
8. Waste drain
9. Floor drain
10. Sprinkler heads
11. 24 stacking chairs
12. Six (6) 72”x 30” folding tables
13. Large waste receptacle
14. Recycle waste receptacle
15. Microwave

NOTE: There is space for a serving line to be installed, however it is not on the current FF&E list for the new facility. A serving line can be installed at Contractor’s expense.

AGREEMENT FOR INMATE FOOD SERVICES (PD 18-19.111)

THIS AGREEMENT is made and entered into by and between Escambia County, a political subdivision of the State of Florida (hereinafter referred to as "County**"**), whose mailing address is 221 Palafox Place, Suite 420, Pensacola, Florida 32502, and Aramark Correctional Services, LLC (hereinafter referred to as "Contractor"), a foreign limited liability company authorized to conduct business in the State of Florida, FEI/EIN 23-2778485, whose principal address is 2400 Market Street, Philadelphia, PA 19103.

WITNESSETH:

WHEREAS, on December 11, 2019, the County issued a Request for Proposals (P.D. 18-19.111) seeking a qualified contractor to provide inmate food service and community outreach program for the Escambia County Jail and Work Release Facilities; and

WHEREAS, Contractor was the most responsive and responsible firm proposing to provide such service; and

WHEREAS, the County desires to enter into an agreement with Contractor for the provision of inmate food service as specified herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. The term of this Agreement shall commence on June 1, 2020, and continue for a period of thirty-six (36) months expiring on May 31, 2023. Upon mutual agreement, the contract may be renewed for two (2) additional twelve (12) month renewal terms. Either party may provide written notice of the desire to extend the agreement no later than thirty (30) days prior to the expiration of the current term. The total duration of this agreement, including the exercise of all options to renew/extend, shall not exceed the duration of sixty (60) months.

3. Scope of Work. Contractor agrees to perform in accordance with the scope of work outlined in Escambia County's *Request for Proposals for Inmate Food Service and Associated Community Outreach Program for Escambia County Jail and Work Release Facilities*, Specification No. P.D. 18-19.111, attached hereto as **Exhibit A,** and as further specified in the Contractor's Proposal, attached here to as **Exhibit B**. In the event of a conflict between the terms of the Exhibits referenced in this Agreement, the terms of this Agreement shall prevail and the terms of **Exhibit A** shall take precedence over **Exhibit B**.

4. Compensation. In exchange for Contractor's provision of the scope of services referenced in Section 3 above, County shall pay Contractor at a rate of **$0.919 per meal** to include the required provision of paper supplies for kitchen operation and kitchen maintenance and repair as further specified in the Contractor's Proposal, attached hereto as **Exhibit B**.

5. Price Adjustments. The price per meal will not be subject to increase during the first twelve (12) month period beginning on June 1, 2020. Thereafter, the Contractor may submit a written request for a price adjustment by an amount to be mutually agreed upon by the parties. A price increase may not be requested more than once during a twelve (12) month period. The

Contractor's request for a price increase shall be accompanied by written justification attesting that the requested adjustment is due to a bona fide cost increase to the Contractor. All requests for price adjustment(s) shall be reviewed by the County and, if approved, must be accomplished by written amendment to the agreement subject to the approval of the Board of County Commissioners. Price adjustments shall not take effect until an Amendment to the Agreement is fully executed by the parties and approved by the Board of County Commissioners.

6. Additional Services. Food, beverage and other services required or desired by the County outside the scope of this Agreement shall be provided by Contractor upon written authorization by the County at mutually agreed upon prices for such services.

7. Purchase Orders. The County shall issue written purchase orders to the Contractor. The task(s) to be accomplished shall be described in detail and the time frame in which it needs to be accomplished will be stated in the purchase order. No minimum quantity of work is guaranteed during the term of this agreement, and only those tasks assigned pursuant to a work order may be compensated.

8. Method of Payment/Billing. Contractor may request payment from County on a monthly basis by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of goods/services received and accepted with appropriate supporting documentation. Payments under this agreement and interest on any late payments shall be governed by and construed in accordance with the Local Government Prompt Payment Act, §§218.70, et seq., Florida Statutes, as amended.

9. Termination. This Agreement may be terminated for cause or convenience by the County upon providing thirty (30) days' written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days' written notice to the County or for convenience upon providing one hundred and eighty (180) days' written notice. In the event of termination by either party as provided herein, the Contractor shall be paid for services performed through the date of termination.

10. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

11. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability, Form CG1, with $1,000,000 per occurrence. Excess or umbrella insurance may be purchased to make up the difference, if any, between the policy limits of the underlying policies;

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles; and

(c) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

Contractor agrees all liability coverage shall be through carriers admitted to conduct business in the State of Florida. Carriers shall be "A" or other Secure Best Rating with a minimum financial size of "VII", according to the A.M. Best Key Rating Guide Latest Edition. The insurance policies shall be endorsed to provide at least 30 days' advance notice of cancellation, nonrenewal or adverse change. Such notices shall be mailed to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32591.

The Board of County Commissioners and Escambia County shall be endorsed as "additional insureds" on all liability policies (except Workers' Compensation and professional liability). Certificates of Insurance shall be provided to Escambia County, Office of Purchasing, Post Office Box 1591, Pensacola, Florida 32591 prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County. The Board of County Commissioners and Escambia County shall also be the certificate holders.

12. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

13. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Aramark Correctional Services, LLC
Attention: President
2400 Market Street
Philadelphia, PA 19103

To: Escambia County
Attention: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from

time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

14. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

15. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

16. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

17. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement.

18. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

19. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

20. Authority. Each individual executing this Agreement on behalf of a corporate or governmental party represents and warrants that he is duly authorized to execute and deliver this Agreement on behalf of said party, in accordance with any a duly adopted action of the governing board of said party in accordance with applicable law, and that this Agreement is binding upon said party in accordance with its terms.

21. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

At the County's discretion, such assignment shall be made and become effective at the time the County tenders final payment to the Offeror.

Bid Form

Proposed Cost Per Meal $_____

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A),
FLORIDA STATUES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And, if applicable, its Federal Employer Identification Number (FEIN) is: _____

If the entity has no FEIN, include the Social Security Number of the Individual signing this

sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

   a. A predecessor or successor of a person convicted of a public entity crime; or

   b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it is not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY, AND THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

DRUG-FREE WORKPLACE FORM

The undersigned vendor, in accordance with Florida Statute 287.087, hereby certifies that

_____ does:
(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the danger of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in Paragraph One (1).

4. In the statement specified in Paragraph One (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or pleas of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on or require the satisfactory participation in a drug assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of Paragraphs One (1) through Five (5).

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer' to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Building, 213 Palafox Place, Pensacola, FL, 32502, in a sealed envelope clearly marked:

Specification Number PD 18-19.111, INMATE FOOD SERVICE AND ASSOCIATED COMMUNITY OUTREACH PROGRAM FOR ESCAMBIA COUNTY JAIL AND WORK RELEASE FACILITIES, Name of Submitting Firm, January 9, 2020 at 4:00 PM CST and Time Due.

Note: If using a courier service (e.g. FedEx, UPS, US Post Office, etc.) the air-bill and envelope or box must be marked with the specification Number and Project Name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The following policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors, or individuals action on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County official, their agents or employees, or any member of the relevant Selection Committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/ protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the bids/proposals for Invitations to Bid or the Request for Proposal, or Qualification, or Information, or

Request for Letters of Interest, or the Invitation to Negotiate, as applicable, are received at the Escambia County Office of Purchasing, and the time the Board awards the Contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees, or any member of the relevant Selection Committee, for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/disqualification of submittal;

2) Termination of contract; or

3) Suspension or debarment as provided in Sec. 46-102 of the Escambia County Code of Ordinances.

2. Project Narrative

The intent of this Request for Proposal (RFP) is to seek competitive proposals from qualified experienced bidders for the provision and operation of Inmate Food Service and associated Community Outreach Programs for the Escambia County Jail and Work Release Facilities. The goal of this RFP is that the selected firm will be responsible for but not limited to the management and operation of food services to include procurement, food preparation and delivery; preparation and delivery of special diets meals to include faith-based (religious, medical (therapeutic), juvenile and other diets; compliance with established food service standards and procedures and replacement and maintenance of equipment provided to the firm by the County. In addition to inmate food, Escambia County is looking for Contractors to provide a culinary arts and community outreach program to assist in the reentry and jobs placement of inmates.

3. Procurement Questions

Questions shall be directed to Jeffrey Lovingood, Purchasing Coordinator, at JDLovingood@myescambia.com. The last day for questions will be January 15, 2020 at 5:00 PM CST.

4. Pre-Solicitation Conference and Walkthrough

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Main Jail Lobby, 2935 North L Street, Pensacola, FL 32501, on January 6, 2020 at 1:00 PM CST

It is strongly encouraged that all potential bidders attend this non-mandatory conference, so they can ask questions and be automatically notified of any updates prior to the Bid Opening. At this time, the Board's representative(s) will be available to answer questions

relative to this Solicitation. Any suggested modifications may be presented, in writing to, or discussed with, the Board's representative(s) at this meeting and may be considered by said representative(s) as possible amendments to the Solicitation.

11. Compliance with Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in their offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the vendor.

Any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS). The MSDS shall include the following information:

A. The chemical name and the common name of the toxic substance.

B. The hazards or other risks in the use of the toxic substance, including:

1. The potential for fire, explosion, corrosiveness and reactivity;

2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

3. The primary route of entry and symptoms of over exposure.

C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.'

D. The emergency procedure for spills, fire, disposal and first aid.

E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.

F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

13. Codes and Regulations

The awarded vendor shall strictly comply with all federal, state and local safety regulations and codes.

14. Drawings

New Public Records Exemptions of Building Plans Florida Statutes Chapter 119.07 www.leg.state.fl.us/statutes **(To View Full Text of this Chapter)**

Florida Statutes Chapter 119.07 has been amended as it relates to the inspection examination and duplication of certain documents pertaining to County building construction.

Section 119.07(3)(b) provides the following:

1. Building plans, blueprints, schematic drawings, and diagrams, including draft, preliminary, and final formats, which depict the internal layout and structural elements of a building, arena, stadium, water treatment facility, or other structure owned or operated by an agency as defined in s. 119.011 are exempt from the provisions of subsection (1) and s 24 (a), Art. 1 of the State Constitution.

2. This exemption applies to building plans, blueprints, schematic drawings, and diagrams, including draft, preliminary, and final formats, which depict the internal layout and structural elements of a building, arena, stadium, water treatment facility, or other structure owned or operated by an agency before, on, or after the effective date of this act.

3. Information made exempt by this paragraph may be disclosed:

    a. To another governmental entity if disclosure is necessary for the receiving entity to perform its duties and responsibilities;

    b. To a licensed architect, engineer, or contractor who is performing work on or related to the building, arena, stadium, water treatment facility, or other structure owned or operated by an agency; or

    c. Upon a showing of good cause before a court of competent jurisdiction.

4. The entities or persons receiving such information shall maintain the exempt status of the information.

    Therefore, all CD's and copies of CD's together with any reproductions of any of these documents shall be returned with your bid, together with a signed copy of the acknowledgement and certification letter contained in the bid form section of the solicitation.

15. Debris

Awarded vendor shall be responsible for the prompt removal of all debris, which is a result of this contractual service.

16. Protection of Property/Security

The awarded vendor shall provide all barricades and take all necessary precautions to protect buildings and personnel.

All work shall be completed in every respect and accomplished in a professional manner and awarded vendor shall provide for removal of all debris from County property.

The awarded vendor shall at all times guard against damage or loss to property of Escambia

County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

The awarded vendor shall at all times guard against injury to Escambia County employees. The vendor shall properly fence and secure the construction site(s) at all times, including evening and weekends.

The awarded vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

17. Emergency Services

The contractor resulting from this solicitation includes services that are required during EMERGENCY situations such as hurricanes, major fires, etc. Time is of the essence during these situations and the vendor awarded this contract should be able to be contacted at any time, day or night:

The Bid Form provides for the emergency information to be supplied. Please be sure to include **all** this information when returning your bid.

18. Contract Term/Renewal/Termination

A. The contract resulting from this Solicitation shall commence effective upon execution by both parties and extend for a period of thirty-six (36) months. The contract may be renewed for additional twelve (12) month periods, up to a maximum sixty (60) months upon mutual agreement of both parties. If any such renewal results in changes in the terms or conditions, such changes shall be reduced to writing as an addendum to this contract and such addendum shall be executed by both parties and approved by the Board of County Commissioners.

   Renewal of the contract shall be subject to appropriation of funds by the Board of County Commissioners.

B. The initiation County department(s) shall issue release (purchase) orders against the term contract on an “as needed” basis.

C. The contract may be canceled by the awarded vendor, for good cause, upon ninety (90) days prior written notice.

D. The County retains the right to terminate the contract, with or without good cause, upon (30) days prior written notice.

E. In the event of termination by either party as provided herein, the awarded vendor shall be paid for services performed through the date of termination.

19. Price Adjustment

The contract resulting from this Solicitation may include provisions for Twelve (12) month price adjustments. Written request for price adjustment may be made every Twelve (12) months, no less than 30 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the vendor. All price adjustments shall be reviewed by the County's designated representative. If an adjustment in price is approved, it shall be accomplished by written amendment to this contract approved by the Board of County Commissioners.

20. Changes – Service Contracts

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas.

A. Description of services to be performed

B. Time of performance (i.e., hours of the day, days of the week, etc.)

C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the Office of Purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

21. Qualification of Offerors

This solicitation shall be awarded to a responsible, responsive offeror, qualified by experience to provide the work specified. The offeror shall submit the following information with his offer:

1. Experience record showing the offeror's training and experience in similar work.

2. List and brief description of similar work satisfactorily completed with location, dates of contact, names and addresses of owners.

3. List of equipment and facilities available to do the work.

4. List of personnel, by name and title, contemplated to perform this work.

Failure to submit the above requested information may be cause for rejection of your offer.

22. Licenses, Certifications, Registrations

The offeror shall at any time of proposal submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certification, registrations and any other requirements should be provided with the proposal submission; and, the offeror shall provide follow up evidence that as the contractor they maintain such credentials throughout the period of agreement.

23. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the offeror may withdraw his offer or provide a written extension of his offer.

24. Award

Award shall be made on an "all-or-none total" basis.

25. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded vendor, Escambia County may serve written notice upon the awarded vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

26. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments

left owing the contractor (excluding monies owed the contractor for subcontract work).

Non-Contract Insurance Requirements

27. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the level of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred", however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County

and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage – Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (if utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Jeffrey Lovingood, Purchasing Coordinator
   Office of Purchasing, Room 11.101
   213 Palafox Place 2nd Floor
   Pensacola, FL 32591
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

28. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgements, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

PART A SUMMARY

(Provide a paragraph summarizing the procurement. This may include providing as much information about the service as known when RFP is prepared, the County's goals, areas that must be delivered in a certain way, described as non-negotiable and other special rules and regulations.)

PART I GENERAL INFORMATION

1-1 INTENT

The intent of this Request for Proposal (RFP) is to seek competitive proposals from qualified experienced bidders for the provision and operation of Inmate Food Service and associated Community Outreach Programs for the Escambia County Jail and Work Release Facilities. The goal of this RFP is that the selected firm will be responsible for but not limited to the management and operation of food services to include procurement, food preparation and delivery; preparation and delivery of special diets meals to include faith-based (religious, medical (therapeutic), juvenile and other diets; compliance with established food service standards and procedures and replacement and maintenance of equipment provided to the firm by the County. In addition to inmate food, Escambia County is looking for Contractors to provide a culinary arts and community outreach program to assist in the reentry and jobs placement of inmates.

Important Notice to Contracts:

There is one kitchen that will be utilized under this contract. The kitchen is located at the Main Jail (2935 North L Street) and will be utilized to provide services to the other facilities. Construction of a new approximately 9,000 square-foot kitchen to replace the existing kitchen is underway and scheduled to be completed in July 2020. After completion of the new kitchen, the current kitchen will be vacated and will no longer be in use.

1-2 BACKGROUND

The Escambia County Corrections Department is responsible for the care, custody and control of the population housed within three residential facilities located throughout the County. Escambia County is currently in the process of designing and constructing a correctional facility to replace their Central Booking and Detention facility which was destroyed in 2014. Until the new facility is completed, the locations, average daily populations, and housing designations related to this RFP will be as listed in the table below.

Facility Name	Facility Address	Average Daily Population (FY 2019 Oct-June)	Housing Designation
Main Jail	2935 North L Street, Pensacola, Fl 32501	950	Minimum, Medium and Maximum
Work Release (Jail Inmates)	1211 West Fairfield Drive, Pensacola, Fl 32501	310	Minimum to Medium
Work Release (Program Participants)	1211 West Fairfield Drive, Pensacola, Fl 32501	76	Minimum

Upon completion of the new facility (expected completion is April 2020), there are some anticipated adjustments to the ADP of the facilities listed above. Below are the projected headcounts once the new facility is completed.

Facility Name	Facility Address	Projected Average Daily Population (July 2020)	Housing Designation
Main Jail+ New Facility	2935 North L Street, Pensacola, Fl 32501	1,360	Minimum, Medium and Maximum
Work Release (Jail Inmates)	1211 West Fairfield Drive, Pensacola, Fl 32501	100	Minimum to Medium
Work Release (Program Participants)	1211 West Fairfield Drive, Pensacola, Fl 32501	76	Minimum

1-3 ISSUING OFFICER

The project Director shall be Janice P. Gilley, County Administrator. The liaison officer shall be Captain Shawn Hankins, Escambia County Corrections Department. The contracting agency shall be the Escambia County Board of Commissioners, c/o the Office of Purchasing, 213 Palafox Place, 2nd Floor, Pensacola, Florida, 32502.

1-4 CONTRACT CONSIDERATION

After negotiation, it is expected that the contract shall be a term agreement for three years with up to two one-year renewals.

1-5 REJECTION

The right is reserved by the Board of County Commissioners to accept or reject any or all proposals or to waive any informality, existing in any proposal, or to accept the proposal which best serves the interest and intent of this project and is from the most responsive and responsible proposer.

1-6 INQUIRIES

All questions regarding this Request for Proposal shall be directed to Jeffrey Lovingood, Purchasing Coordinator, in writing via email at JDLovingood@myescambia.com.

1-7 ADDENDA

Any changes made in the Request for Proposal shall be brought to the attention of all of those who have provided the proper notices of interest in performing the services.

1-8 SCHEDULE

The following schedule shall be adhered to in so far as practical in all actions related to this procurement:

A. Mailing (Advertisement) Date…….....December 11, 2019

B. Non-Mandatory Pre-Proposal Conference.....January 6, 2020 at 1:00 PM CST

C. Receipt of Proposals.....January 21, 2020 at 3:00 PM CST

D. Short-List Meeting.....January 28, 2020

E. Discussion/Ranking Meeting.....February 3, 2020 at 1:00 PM CST

F. First Negotiation with Top-Ranked Firm……..February 17, 2020 at 1:00 PM CST

G. 2nd Negotiation Meeting (If Necessary)…….....February 19, 2020 at 3:15 PM CST

H. Target Board Date……...…..March 19, 2020

1-9 PROPOSAL CONTENT AND SIGNATURE

One (1) copy physical copy of the proposal shall be required, with original signature, having been signed by a company official with the power to bind the company in its proposal and shall be completely responsive to the RFP for consideration.

One (1) electronic copy of the complete submittal shall be included (CD or flash drive is acceptable). The County requests that, whenever possible, electronic documents and/or copies submitted to the County be ADA compliant.

1-10 NEGOTIATIONS

The contents of the proposal of the successful firm shall become a basis for contractual negotiations.

1-11 RECOMMENDED PROPOSAL PREPARATION GUIDELINES

All contractors shall provide a straightforward and concise description of their ability to meet the RFP requirements. There shall be avoidance of fancy bindings and promotional material within. The proposal shall clearly show the technical approach to include work tasks, estimated time phasing and the proposed approach rational. The County discourages overly lengthy or costly proposals, all proposals shall be in spiral binding or “GBC” type binder with all pages 8.5" x 11" format.

1-12 PRIME CONTRACT RESPONSIBILITIES

The selected contractor shall be required to assume responsibility for all services offered in his proposal. The selected contractor shall be the sole point of contact with regard to contractual matters including payments of any and all changes resulting from the contract.

1-13 DISCLOSURE

All information submitted in response to this RFP shall become a matter of public record, subject to Florida Statutes regarding public disclosure.

1-14 DELAYS

The Project Director reserves the right to delay scheduled due dates if it is to the advantage of the project.

1-15 WORK PLAN CONTROL

Control of the work plan to be developed under the RFP shall remain totally with the Escambia County Board of Commissioners.

1-16 METHOD OF PAYMENT

Payment schedule and basis of payment shall be negotiated.

PART II INFORMATION REQUIRED FROM CONTRACTORS

ALL PROPOSALS SHALL INCLUDE THE FOLLOWING: TECHNICAL AND COST PROPOSAL

2-1 PROPOSAL FORMAT AND CONTENT

The County discourages overly lengthy and costly proposals, however, in order for the County to evaluate proposals fairly and completely, proposers should follow the format set out herein and provide all of the information requested.

2-2 INTRODUCTION

Proposals shall include the complete name and address of their firm and the name, mailing address, and telephone number of the person the County should contact regarding the proposal.

Proposals shall confirm that the firm will comply with all of the provisions in this RFP; and, if applicable, provide notice that the firm qualifies as a County proposer. Proposals shall be signed by a company officer empowered to bind the company. A proposer's failure to include these items in their proposals may cause their proposal to be determined to be non-responsive and the proposal may be rejected.

The County is seeking two (2) separate proposals from each responding firm. The two proposal formats shall be described as "Proposal A" and "Proposal B," the requirements for each being outlined herein.

The County reserves the right to award a contract pursuant to this Request for Proposals utilizing the format chosen by the County at its sole discretions, without further discussion with Contractors. Therefore, it is important that each submitted proposal is complete, adheres to the dual-format requirements and instructions contained herein, and is submitted in the most favorable manner possible.

Proposing firms shall submit a separate proposal for each of the two required formats or the proposal(s) shall be deemed non-responsive. The two proposals can be delivered in the same package, the proposals just need to be bound separately. To fulfill the requirement of an electronic copy of each proposal being delivered, a single flash-drive or CD can be delivered as long as both proposals are complete when issued via a single electronic method.

Upon request, proposing firms may view the following applicable Escambia County Corrections Department General Orders by contacting Lt. Walter Jefferis (wrjefferis@myescambia.com or 850-436-9423):

A. GO 815.0 – Food Services

B. GO 806.2 – Tool Control System

C. GO 806.9 – Hazardous Material Control

The proposing firms shall comply with the Florida Model Jail Systems (FMJS) and Florida

Corrections Accreditation Commission (FCAC) standards at the time of submitting their proposal. It is the responsibility of the proposing firm to access, review, and comply with each set of standards.

2-3 "PROPOSAL A" FOOD SERVICE – LETTER OF TRANSMITTAL

Each proposal shall be accompanied by a Letter of Transmittal which, in two (2) pages or less, summarizes key points of the response to this Request for Proposals and shall be signed by an officer of the firm who is responsible for committing the firm's resources as outlined in the proposal.

Proposers shall provide a comprehensive narrative statement that sets out the methodology they intend to employ and that illustrates how their methodology will serve to accomplish the work and meet the County's project schedule.

The Letter of Transmittal shall include:

A. Full legal name of the submitting firm, including any d/b/a information.

B. Name and title of the individual with responsibility for this response and to whom matters regarding this RFP should be directed (not necessarily the same individual).

C. Mailing address, telephone number(s), and email address(es) of the firm's contacts related to this RFP.

D. A brief narrative of the firm's qualifications to provide Inmate Food Services for the County.

2-4 "PROPOSAL A" FOOD SERVICE – QUALIFICATIONS OF THE FIRM

Escambia County requires that each firm responding to this proposal identify its qualifications as related to the services required. The information provided shall specifically include:

A. Provide a brief description and history of the firm's experience in the field of Correctional Food Service. List all contracts over the past ten (10) years, services provided, year(s) in which the services were provided, average number of inmates served annually, and the name, phone number, and email address of the agency's Contract Monitor for each contract.

B. Identify all "terminated with cause" corrections food services contracts or awarded but never entered, the reason(s) for the termination or failure to enter, and the name, phone number, and email address of the contact person for each contracting agency.

C. A list of all criminal charges for violations of federal and/or state laws brought against the Contractor or any predecessor of the Contractor or any subcontractor, or any present or former director or officer of the Contractor or any subcontractor, within the last ten (10) years and the disposition of each. Proposals shall include a copy of indictments, bills of information opinions and/or judgements.

D. A list of all employee honesty bond claims and civil lawsuits settled or lost in the past two (2) years by the Contractor, any of its officers, employees, subcontractors, or governmental entities with who the Contractor has a contract, in connection with the management of any food service operation which the Contractor has operated or managed, the issues involved, and the settlement reached or judgement rendered. Proposals shall include copies of final judgement(s), settlement(s) reached, or judgement(s) rendered. Copies of final judgements and any written opinions rendered in connection with these suits shall be included.

E. Résumés of key management personnel detailing their qualifications and experience in the delivery of food services including, but not limited to, their correctional experience in the following areas:

1. Security
2. Inmate problem resolution relating to menu issues
3. Employee training
4. Institutional food service

Responses to the requirement shall not exceed three (3) pages per individual, single-spaced, with attachments as necessary, to demonstrate either award or certifications pertinent to the individual's qualifications.

F. A list of job descriptions, minimum qualifications, and salary range of all employee positions to be employed by the Contractor.

G. Provide an organizational chart specific to the personnel assigned to accomplish the work called for in this RFP; illustrate the lines of authority; designate the individual responsible and accountable for the completion of each component and deliverable of the RFP.

Provide a personnel roster that identifies each person who will actually work on the contract and provide the following information about each person listed;

1. Title,
2. Résumé,
3. Location(s) where work will be performed,
4. Itemize the total cost and the number of estimated hours for each individual named above.

After delivering an initial proposal in response to this solicitation, all submitters are prohibited from substituting, modifying, or amending those subconsultants identified in the initial written submittal at any time during the course of the solicitation process up to the final award of contract and including question-and-answer sessions, presentations or technical clarifications, and submittals as may be required by the Review/Selection Committee. A substitution or addition of subconsultants or any other material changes to the submittal after the initial response will cause the submittal to be invalid for review and selection purposes.

2-5 "PROPOSAL A" FOOD SERVICE – TECHNICAL APPROACH

Proposals shall demonstrate an understanding of every task or service required, and each shall be clearly identified. The information presented shall be in sufficient detail to enable the County to ascertain the Contractor's understanding of the results to be accomplished and the way in which the Contractor proposes to achieve them.

A. **Contractor shall propose a tray feeding system only. No other feeding systems will be considered.**

B. Provide a minimum staffing schedule for each shift and positions being proposed. Proposals shall include a varied sample twenty-eight (28) day menu for inmate meals.

C. The menu shall be for an average diet of 2,800 calories per day and the Contractor shall state the number of meals/days that entrees and side items will not be repeated.

D. Contractor shall provide religious (faith-based), medical (therapeutic), and other special diets to the inmate population as needed. Proposals shall include sample menus.

E. Contractor shall provide a list identifying all capital and non-capital equipment anticipated to be needed in order to perform the contract that will be amortized over the initial contract period and turned over to Escambia County at the conclusion of the contract. The list shall include but not be limited to an amortization schedule, estimated cost, and projected maintenance cost of each piece of equipment.

F. Proposal shall include an emergency plan for most foreseeable emergency issues including but not limited to hurricanes or other weather-related events, loss of kitchen due to fire or flood, loss of building due to operational emergency, and the possibility of need and use of mobile kitchen facilities.

G. Proposal shall include a transition plan for transferring control of the food service facilities to the County or to another contractor upon termination of the contract. The transition plan shall be comprehensive and include timetables, responsibility of specific personnel, detailed operations concerns, etc.

2-6 "PROPOSAL A" – FOOD SERVICES FEE PROPOSAL

Contractor shall complete and submit the Fee Proposal Form herein.

The County shall pay for all food services received under the contract through the single per-meal price structure. The cost per meal shall cover all the Contractor's expenses and cost for the following:

A. All meals, including, routine tray meals, bag meals, therapeutic meals, and faith-based diet meals. The number of meals delivered will be as ordered from the Contractor by the Corrections Department Contract Monitor, or their designee, prior to each meal service period.

B. The cost for all disposable, expendable, or consumable items related to meal service. This includes items related to regular meal service preparation and/or cleanup along with the utilization of Styrofoam or other disposable goods in times of equipment malfunction.

C. The cost of extermination services to ensure no infestation within all areas of the kitchen operations and transport vehicles.

D. The cost for all other operational management needs.

2-6 "PROPOSAL B" FOOD SERVICE AND CULINARY ARTS, RE-ENTRY & COMMUNITY OUTREACH INITIATIVE – LETTER OF TRANSMITTAL

NOTE: The components of "Proposal B" are substantially similar to that of "Proposal A," with modifications being found in Paragraphs 1 & 5.

Each proposal shall be accompanied by a Letter of Transmittal which, in two (2) pages or less, summarizes key points of the response to this Request for Proposals and shall be signed by an officer of the firm who is responsible for committing the firm's resources as outlined in the proposal.

Proposers shall provide a comprehensive narrative statement that sets out the methodology

they intend to employ and that illustrates how their methodology will serve to accomplish the work and meet the County's project schedule.

The Letter of Transmittal shall include:

A. Full legal name of the submitting firm, including any d/b/a information.

B. Name and title of the individual with responsibility for this response and to whom matters regarding this RFP should be directed (not necessarily the same individual).

C. Mailing address, telephone number(s), and email address(es) of the firm's contacts related to this RFP.

D. A brief narrative of the firm's qualifications to provide Inmate Food Services and Culinary Arts, Re-Entry & Community Outreach Initiative for the County.

E. A brief narrative on the firm's approach to providing or partnering with non-profit agencies in the community to provide Culinary Arts, Re-Entry, and Community Outreach Initiative for the County.

2-7 "PROPOSAL B" FOOD SERVICE AND CULINARY ARTS, RE-ENTRY & COMMUNITY OUTREACH INITIATIVE – QUALIFICATIONS OF THE FIRM

Escambia County requires that each firm responding to this proposal identify its qualifications as related to the services required. The information provided shall specifically include:

A. Provide a brief description and history of the firm's experience in the field of Correctional Food Service. List all contracts over the past ten (10) years, services provided, year(s) in which the services were provided, average number of inmates served annually, and the name, phone number, and email address of the agency's Contract Monitor for each contract.

B. Identify all "terminated with cause" corrections food services contracts or awarded but never entered, the reason(s) for the termination or failure to enter, and the name, phone number, and email address of the contact person for each contracting agency.

C. A list of all criminal charges for violations of federal and/or state laws brought against the Contractor or any predecessor of the Contractor or any subcontractor, or any present or former director or officer of the Contractor or any subcontractor, within the last ten (10) years and the disposition of each. Proposals shall include a copy of indictments, bills of information opinions and/or judgements.

D. A list of all employee honesty bond claims and civil lawsuits settled or lost in the past two (2) years by the Contractor, any of its officers, employees, subcontractors, or governmental entities with who the Contractor has a contract, in connection with the management of any food service operation which the Contractor has operated or managed, the issues involved, and the settlement reached or judgement rendered. Proposals shall include copies of final judgement(s), settlement(s) reached, or judgement(s) rendered. Copies of final judgements and any written opinions rendered in connection with these suits shall be included.

E. Résumés of key management personnel detailing their qualifications and experience in the delivery of food services including, but not limited to, their correctional experience in the following areas:

1. Security
2. Inmate problem resolution relating to menu issues
3. Employee training
4. Institutional food service

Responses to the requirement shall not exceed three (3) pages per individual, single-spaced, with attachments as necessary, to demonstrate either award or certifications pertinent to the individual's qualifications.

F. A list of job descriptions, minimum qualifications, and salary range of all employee positions to be employed by the Contractor.

G. Provide an organizational chart specific to the personnel assigned to accomplish the work called for in this RFP; illustrate the lines of authority; designate the individual responsible and accountable for the completion of each component and deliverable of the RFP.

Provide a personnel roster that identifies each person who will actually work on the contract and provide the following information about each person listed;

1. Title,
2. Résumé,
3. Location(s) where work will be performed,
4. Itemize the total cost and the number of estimated hours for each individual named above.

After delivering an initial proposal in response to this solicitation, all submitters are prohibited from substituting, modifying, or amending those subconsultants identified in the initial written submittal at any time during the course of the solicitation process up to the final award of contract and including question-and-answer sessions, presentations or technical clarifications, and submittals as may be required by the Review/Selection Committee. A substitution or addition of subconsultants or any other material changes to the submittal after the initial response will cause the submittal to be invalid for review and selection purposes.

2-8 "PROPOSAL B" FOOD SERVICE AND CULINARY ARTS, RE-ENTRY & COMMUNITY OUTREACH INITIATIVE – TECHNICAL APPROACH

Proposals shall demonstrate an understanding of every task or service required, and each shall be clearly identified. The information presented shall be in sufficient detail to enable the County to ascertain the Contractor's understanding of the results to be accomplished and the way in which the Contractor proposes to achieve them.

A. **Contractor shall propose a tray feeding system only. No other feeding systems will be considered.**

B. Provide a minimum staffing schedule for each shift and positions being proposed. Proposals shall include a varied sample twenty-eight (28) day menu for inmate meals.

C. The menu shall be for an average diet of 2,800 calories per day and the Contractor shall state the number of meals/days that entrees and side items will not be repeated.

D. Contractor shall provide religious (faith-based), medical (therapeutic), and other

special diets to the inmate population as needed. Proposals shall include sample menus.

E. Contractor shall provide a list identifying all capital and non-capital equipment anticipated to be needed in order to perform the contract that will be amortized over the initial contract period and turned over to Escambia County at the conclusion of the contract. The list shall include but not be limited to an amortization schedule, estimated cost, and projected maintenance cost of each piece of equipment.

F. Proposal shall include an emergency plan for most foreseeable emergency issues including but not limited to hurricanes or other weather-related events, loss of kitchen due to fire or flood, loss of building due to operational emergency, and the possibility of need and use of mobile kitchen facilities.

G. Proposal shall include a transition plan for transferring control of the food service facilities to the County or to another contractor upon termination of the contract. The transition plan shall be comprehensive and include timetables, responsibility of specific personnel, detailed operations concerns, etc.

2-9 "PROPOSAL B" FOOD SERVICE AND CULINARY ARTS, RE-ENTRY & COMMUNITY OUTREACH INITIATIVE – FOOD SERVICE FEE PROPOSAL

Contractor shall complete and submit the Fee Proposal Form herein.

The County shall pay for all food services received under the contract through the single per-meal price structure. The cost per meal shall cover all the Contractor's expenses and cost for the following:

A. All meals, including, routine tray meals, bag meals, therapeutic meals, and faith-based diet meals. The number of meals delivered will be as ordered from the Contractor by the Corrections Department Contract Monitor, or their designee, prior to each meal service period.

B. The cost for all disposable, expendable, or consumable items related to meal service. This includes items related to regular meal service preparation and/or cleanup along with the utilization of Styrofoam or other disposable goods in times of equipment malfunction.

C. The cost of extermination services to ensure no infestation within all areas of the kitchen operations and transport vehicles.

D. The cost for all other operational management needs.

2-10 "PROPOSAL B" FOOD SERVICE AND CULINARY ARTS, RE-ENTRY & COMMUNITY OUTREACH INITIATIVE – CULINARY ARTS, RE-ENTRY, COMMUNITY OUTREACH INITIATIVES

Escambia County seeks to develop programs that benefit inmates, community corrections offenders and, by extension, the community. At any given time, 89% of inmates incarcerated in Escambia County Jails list a local address upon entry to the facility. Additionally, the majority of offenders on Community Supervision reside in the local community. There is a substantial need for re-entry programs that can assist these individuals in becoming positive and contributing members of society through job training, education, and ultimately job placement.

With this in mind, in addition to providing and outstanding food service operation, Escambia County is seeking a Contractor that can also develop partnerships with one or more community agencies as well as the private sector to implement a culinary arts and re-entry

training program that will include employability skills, and will assist participants in job placement within the community. The program should be geared toward helping the released inmates and community corrections offenders obtain gainful employment, stabilize the family, and increase community engagement. In addition it is anticipated that the Contractor will employ some of the successful program participants within their organization.

Contractors shall clearly identify and demonstrate an understanding of every service required. A re-statement of tasks or mere affirmation of willingness and ability to perform the tasks will not be considered responsive. The information presented shall be in sufficient detail to enable the County to ascertain the Contractor's understanding of the outcomes to be achieved and the manner in which the Contractor proposes to accomplish them.

Classroom facilities for all initiatives may be made available at the Main Jail and the new jail facility upon completion of construction. Kitchen facilities will only be available at the Main Jail. If it is deemed appropriate at some point in the future to conduct all or a portion of the Culinary Program at the Work Release Facility, the Contractor and Escambia County may agree to do so.

The cost of the Community Outreach Programs shall be included in the Contractor's Food Services Fee proposal.

PART III CRITERIA FOR SELECTION

3-1 "PROPOSAL A" SELECTION CRITERIA

Criteria	Weight
Qualifications of Staff	25
Technical Approach	25
Fee Proposal	50
Total:	100

3-2 "PROPOSAL B" SELECTION CRITERIA

Criteria	Weight
Qualifications of Company	20
Technical Approach	5
Community Outreach Program*	25
Fee Proposal	50
Total:	100

*Community Outreach Program weighted criteria will be based on the following breakdown of the total 25 points above:

Criteria	Weight
Technical Approach	10
Capacity of Partner Agencies	5
Outcomes and Output Measurement Plan	10
Total:	25

The top ranked firm will be voted upon by the Selection Committee from short-listed firms with the top ranked firm having the highest combined score of "Proposal A" and "Proposal B."

Community Outreach Program Criteria

A. Technical Approach to Programs

1. Provide a description of the Contractor's Culinary Arts program and provide the minimum skill level/qualifications necessary for program participants. Describe classroom training and hands-on training components and include the skills to be learned. Identify specific certifications that can be obtained through the program as well as apprenticeship ad/or employment opportunities. Include length of program and capacity.

2. Provide a description of any Re-Entry training or Job Skills initiative. Provide the minimum skill level/qualifications necessary for program participants. Outline the skills to be learned, the length of the program, and program capacity.

B. Capacity of Partner Agencies

1. Identification of any partner or subcontractor that will be providing some or all of the Culinary Arts Program and/or the Re-Entry training, or Job Skills initiative. Include information on the qualifications of partner agencies to provide these training programs and their ability/capacity to meet the need.

2. Identification of community partnerships that will facilitate participant re-entry into the community and provide gainful employment. Include information on their qualifications to provide such services, their prior experience in doing so, and their ability/capacity to meet the need.

3. Any applicable special certifications or licensing possessed by partnership agencies.

C. Outcomes and Output Measurement Plan

1. Identify measurable outcomes for the Culinary Arts Program, Re-Entry Training, and Job Skills initiatives. (e.g. number of individuals trained, employed, tenure on the job, etc.)

2. Identify any other participant or community benefits resulting from partnership(s).

All expenses/fees of the selected Contractor shall be paid through the single per-meal cost and shall include all costs of the proposed Culinary Arts/Re-Entry/Community Outreach Initiative. The cost per meal shall cover all of the Contractor's expenses and costs for the following:

A. All instructors conducting both Culinary Arts and Employability Skills training.

B. All training materials used in both the Culinary Arts and Employability Skills training.

C. Any and all costs incurred by any partners as part of the Culinary Arts/Re-Entry/Community Outreach Initiative.

Contractor shall demonstrate how management will use the outcomes in program planning and improvement efforts.

3-3 ORAL PRESENTATIONS

At the County's sole discretion, oral presentations may be requested of the proposers, however, the presentation shall be **strictly limited to the Outreach Program**. If this evaluation procedure is requested by the Selection Committee, the proposers will be given a minimum advance notice of one week prior to the date and time for the oral presentation. This presentation, if requested, will occur either during the initial procurement committee evaluations (Short-List) or could be included as part of the Discussion Meeting held with Short-Listed firms.

Please note the following related to the Outreach Program Presentations (if necessary):

A. Each presenting firm will be given a maximum of twenty (20) minutes to cover the details of their program.

B. Each presentation will be followed by a maximum of fifteen (15) minutes of questions from the Selection Committee.

PART IV SCOPE OF SERVICES

4-1 INTRODUCTION

It is the County's intent to explore and pursue every possible opportunity to realize efficiencies and cost savings in the operation and management of Inmate Food Services of the Escambia County Corrections Department. The County is seeking proposals to provide all services for the inmate population of the Escambia County Main Jail and Work Release Facility, to include religious, medical and other special diets. Inmate meals include at least two (2) hot meals per day and may include no more than one (1) cold meal and cold, bagged meals for inmates who are unable to receive one or more of the hot meals that day due to work assignments or other operational issues. Meals will be delivered to the Work Release Facility at times directed by the Department so as not to interfere with security procedures.

As of July 2020, inmates will be housed in three (3) facilities including the Jail and Work Release Facilities. Two (2) facilities are located at the Main Jail Complex located at 2935 North L Street, Pensacola, Florida. The third facility is the Work Release Center, located at 1211 West Fairfield Drive, Pensacola, Florida. The average daily population for these facilities is currently 1,336 with an estimated increase to 1,536 upon completion of the new facility.

In the event of a catastrophic situation or due to operational necessity requiring relocation of the kitchen, inmate and/or staff to an off-site location, the contractor will be required to prepare and deliver food at/to the new locations as specified by the Contract Monitor or designee. Emergency staffing will be provided by the contractor to ensure coverage in any situation.

The Main Jail Complex kitchen approximates 9,000 square feet and last renovated in 1998. It is anticipated that a new kitchen will be completed in July 2020. The kitchen will have the capacity to process meals for up to 2,000 inmates at three meals per day. Once operational, this will be the only available kitchen utilized to service all locations.

4-2 DEFINITIONS

The following terms used in this RFP shall, unless the context indicates otherwise, have the meanings set forth below:

A. **Contract Monitor:** The employee or employees of the Escambia County Corrections Department designated to monitor operation of the Contractor for compliance with contract provisions and to coordinate actions and communication between the Department and the Contractor.

B. **Contractor:** The Proposer awarded the Contract to manage the food services operation.

C. **Department or ECCD:** the Escambia County Corrections Department

D. **County:** Escambia County

E. **Food Services:** means all management of activities and personnel, procurement of food and supplies and the production and delivery of meals, pursuant to the conditions of this RFP.

F. **Therapeutic Diet:** The meals authorized by the appropriate Health Services Division staff.

G. **Faith Based Diet:** The dietary restrictions associated with sincerely held faith-based beliefs.

H. **Bag Meals:** A meal consisting of two (2) sandwiches containing luncheon meat, the appropriate condiments (mustard, mayonnaise, etc.) one piece of fruit, either one (1) bag of chips (potato, corn, etc.) or one (1) wrapped cake type desert and one (1) 8 o. individually packaged fruit juice or fruit flavored drink. Inmates requiring special diets will receive suitable bag meals.

I. **Juvenile Diet:** The meal guidelines are identical for both pregnant females and all juveniles and are designed to support the growth of the fetus, as well as provide adequate intake of the mother's or juvenile's physical needs. The diet should be discontinued when pregnancy is terminated. The physician may order supplemental snacks if the patient is lactating. For juveniles the diet will continue until adult status has been reached. Additional foods will be used to increase the calorie levels. The diet includes a standard bedtime (evening) snack of milk, fresh fruit and a small sandwich. All meals should be approved by Contractor's dietician as provided for in FMJS and FCAC standards.

4-3 GENERAL DUTIES, OBLIGATIONS AND STANDARDS

Beginning on the Service Commencement Date, the Contractor shall operate the Food Service section of the Escambia County Main Jail Complex and Work Release Center in accordance with the Contract, the Operating Standards and this RFP.

4-4 TYPE OF FOOD SERVICE DELIVERY SYSTEM TO BE USED

The Contractor shall utilize a tray feeding system. No other feeding system will be authorized.

4-5 MEALS

A. The Contractor shall service inmate meals on the schedule currently in use by the facilities as follows:

1. Breakfast: Start at 0430
2. Lunch: Start at 1100
3. Dinner: Start at 1600

Note: This schedule may be modified due to the operational needs of the facilities.

B. The Contractor shall maintain a 28-day menu approved by the Contract Monitor and as required by the Operating Standards for regular inmate meals.

C. The approved menu shall maintain an average 2,800-calorie per day pork-free diet and shall be accompanied by a carton-type drink or bulk beverage. Menus will also be provided for Therapeutic and Faith-Based Diets as well as the Staff Dining area, road crew meals and bagged meals for emergency crews. The Contractor agrees to serve appropriate holiday meals (i.e. Thanksgiving, Christmas, etc.) throughout the year as mutually determined by the Escambia County Corrections Department management. The pricing for holiday meals will be the same as the agreed upon daily meal price.

D. Bagged meals shall consist of two (2) sandwiches containing luncheon meat, the appropriate condiments (mustard, mayonnaise, etc.), one (1) piece of fruit, either one (1) bag of chips (potato, corn, etc.) or one (1) wrapped cake-type dessert and one (1) 8 oz. individually packaged fruit juice or fruit flavored drink. Inmates requiring special diets will receive suitable bag meals when applicable. The bags will be labeled with the date of production and will be stored and served in a manner that prevents crushing or are otherize protected.

E. The Contractor shall have the capacity to provide approximately 52,000 bagged meals per month, to include, but not limited to, events such as:

1. Inmates bagged meals for inmates who have not been able to partake of one or more hot meals.
2. Inmates working road crews.
3. Inmates at Work Release who will carry a bagged meal to work.
4. Inmates going to court.

F. The only exceptions to the regular menu and regular bag meal menu are:

1. Therapeutic/medical diets specified by the Health Services Division of Escambia County Corrections Department and the Therapeutic Diet Manual.
2. Faith Based/Religious diets requested by the Corrections Chaplains and as defined in the Faith Based Diet Manual.
3. Participants of the Work Release Program or inmates working on Road Crews will receive both chips and dessert in their bagged meals.
4. The Contractor shall ensure that meals for juvenile offenders and pregnant females are compliant with established diet/RDA requirements for the State of Florida and appropriate regulating authorities.

5. Meals for staff working under emergency conditions will also receive both chips and a dessert with their meal.

G. The Contractor must provide a detailed plan to manage the food service operation during an emergency or major weather event such as a hurricane.

H. The plan must include at a minimum:

1. Crisis management and communication
2. Emergency Food storage inventory
3. A minimum of three (3) days' supply of food and drinkable water for both staff and inmates shall be stored on site at all times. County reserves the right to increase the food and drinking supply days up to 10 days as necessary.
4. Transportation protocol
5. Staffing protocol
6. Food preparation protocol
7. Food containment protocol (in the event coolers are non-functional or electricity is out for a period of time).

I. The menus shall be evaluated and approved annually by the Contractor's registered dietician and the Contract Monitor. Changes to the menus shall be evaluated and approved on a quarterly basis by the Contractor's registered dietician and Contract Monitor. The evaluations shall be conducted at the Contractor's sole expense.

J. Contractor must ensure that substitutions to the approved menus must be of equal nutritional quality to the item for which they are substituted.

K. Per 815.0.1.5, Inmates are to be given three wholesome, nutritious meals per day with no more than fourteen (14) hours between the evening meal and morning meals. Hot meals shall be served at least once daily. [FMJS 6.5][FCAC 21.05]

4-6 INVENTORY AND STORAGE

A. Food inventories purchased by the Contractor are the property of the Contractor and the Contractor is responsible for any loss, damage, or spoilage.

B. The Contractor shall be responsible for receiving all goods at the loading dock. The Contractor shall be responsible for the supervision of inmates receiving, unloading and storing food and related items.

C. The Contractor shall, on a weekly basis, take a physical inventory of food and supply items and that inventory shall be made available to the Contract Monitor.

D. Food storage spaces available at the current kitchen facility are:

1. Freezer 329 sq. ft.
2. Cold storage 429 sq. ft.
3. Dry storage 589 sq. ft.
4. Janitorial 40 sq. ft.

E. Food storage, preparation and designated kitchen spaces available at the new facility will be as follows:

1. Bulk Dry food storage= 1800 square feet
2. Secure food storage= 300 square feet
3. Non-food storage=200 square feet
4. Bulk Freezer=450 square feet
5. Thaw cooler=280 square feet
6. Bulk Vegetable/Dairy cooler=280 square feet
7. Vegetable/cold food preparation area=700 square feet
8. Tray Assembly area=1000 square feet
9. Cart parking=450 square feet
10. Inmate break area=100 square feet
11. Main Kitchen office=70 square feet
12. CO office=70 square feet
13. Tool closet=40 square feet
14. Storage cooler=400 square feet
15. (F)Staff toilet/locker=60 square feet
16. (M)Staff toilet/locker=60 square feet
17. Inmate toilet= 50 square feet
18. Main cooking area=1800 square feet
19. Diet area=200 square feet
20. Cook's cooler= 170 square feet
21. Secure spice cage=40 Square feet
22. Janitor's closet=40 square feet
23. Pot washing are=400 square feet
24. Chemical storage=100 square feet
25. Dishwashing area=700 square feet
26. Cart washing=100 square feet
27. Trash room=300 square feet

NOTE: Upon completion of new facility kitchen, the current kitchen facility will no longer be utilized.

4-7 DISPOSABLES/EXPENDABLES

The Contractor shall furnish all disposables and expendable items related to regular meal service. This shall include, but not be limited to:

1. All paper goods
2. All plastic goods
3. All Styrofoam goods
4. All chemicals utilized during the course of service, delivery and cleanup

5. All chemicals and expendable items utilized to maintain the cleanliness of the kitchen and surrounding areas utilized by the Contractor

6. Gloves

7. Bags and any/all other expendable items used in the Contractor's operation to include all service and delivery.

4-8 FOOD DELIVERY AND SERVICE

The Contractor is solely responsible for the delivery of food to the various facilities to include any needed equipment to ensure proper preparation, delivery and management and compliance with established food service standards.

A. The Contractor shall deliver meals to each of the facilities. Escambia County Corrections personnel will accept delivery and supervise the service of the food at the individual cells by inmate workers.

B. Food delivery carts must be easily cleanable and shall have casters/tires that will not mar the facilities floors. Damaged casters/tires will be replaced immediately, and carts will not be used until proper repairs are completed.

C. The Contractor shall ensure the delivery of food at established temperatures consistent with code and other requirements. Food items delivered "off-temperature" will be rejected and must be replaced at no cost to the County.

D. The Contractor shall monitor, document and submit to the Contract Monitor, as requested, minimum and maximum food temperatures at point of service. Hot food shall be delivered at a minimum temperature of 140* Fahrenheit and cold food shall be stored at a maximum temperature of 41* Fahrenheit with a two-hour window for necessary preparation, distribution and service.

4-9 EQUIPMENT AND FACILITIES

A. Currently owned Escambia County Corrections food service equipment shall remain the property of Escambia County. A complete inventory of existing/current equipment is attached (**Attachment A)**.

B. The Contractor will be able to use the equipment that exists in the current kitchen until the opening of the new kitchen scheduled for July 2020. If Contractor determines that additional equipment items are needed in order to operate the existing kitchen prior to the new kitchen opening, the winning Contractor will be responsible for purchasing those items.

C. Once the current kitchen closes it will no longer be used and Escambia County will determine disposition of said equipment.

D. Escambia County Corrections will equip, at no cost to the Contractor, the new kitchen with all equipment items needed to operate the facility. **However, the exception being that the Contractor will provide new serving trays upon opening of the new kitchen. It is estimated that an additional 250 trays will be needed upon completion of the new facility.**

Once the Contractor moves into the new kitchen and begins using the new equipment furnished by Escambia County, the Contractor will ensure that all necessary maintenance and warranty work on the new equipment are completed at no cost to Escambia County. All maintenance and warranty work on all equipment is the responsibility of the Contractor.

The current projected date of moving from the existing kitchen facility into the new kitchen facility is July 2020. **The Proposer shall provide a detailed transition plan for this move to include:**

1. Plan to overcome operations and transition challenges
2. Proposed Gant Chart for transitioning to the new kitchen facility
3. Detailed communications plan
4. Quality Assurance plan
5. Security plan

Note: In the event the selected firm is asked to provide input on the set up or final design of the new kitchen, Escambia County will not compensate for any staff time.

E. Once the new kitchen is operational, the Contractor becomes fully responsible for purchasing and maintaining all kitchen equipment and food services equipment for the remainder of the contract. When new equipment is needed, the Contractor shall purchase and install only new commercial and/or institutional quality equipment.

F. The Contractor shall be responsible for the replacement of all equipment that becomes unserviceable. Replacement of non-serviceable items and equipment will be coordinated through the Contract Monitor. The Contractor shall take all reasonable and prudent measures necessary to ensure that equipment is properly used and maintained.

Note: All equipment purchases shall be approved by the Escambia County Corrections Contract Monitor in writing prior to purchase.

G. Not later than seven (7) days prior to the contract start/service commencement date, the County will provide the Contractor with an up to date inventory of all equipment and a joint inventory of all equipment items will be conducted.

H. All equipment will be inventoried throughout the contract period and immediately prior to the termination of the Contract.

I. The Contractor shall ensure that all equipment turned over to Escambia County at the end of the contract period is in excellent working order.

4-10 SAFETY AND SANITATION

A. The Contractor shall be responsible for supplying all disposable cleaning supplies, including, but not limited to, chemicals, hand soaps, dishwashing detergents, paper towels, trash bags, rags, gloves, goggles, mops, mop buckets, brooms, dustpans, floor squeegees and any other supplies necessary for cleaning and sanitation not specifically listed as supplied by the County.

B. All sanitation and cleaning supplies must comply with established security requirements of Escambia County Corrections General Order 806.9 Hazardous Material Control.

C. The Contractor shall cooperate with all inspections required by all appropriate authorities and Contract Monitor.

D. The Contractor shall participate with the Department's internal Fire Safety, Sanitation and Security Inspections and respond, in accordance with Escambia County Correction Timelines, to deficiencies identified during inspections as scheduled by the Corrections Department.

E. All sanitation, janitorial, safety, cleaning duties and vermin extermination requirements are the responsibility of the contractor. This responsibility includes all food service areas, including but not limited to:

1. Kitchen and food preparation areas
2. All storage areas utilized for food services
3. Kitchen loading dock, including all the area within the secure perimeter of the loading dock
4. All sidewalks, staging areas and concrete areas attached/leading to the kitchen
5. Delivery vehicles

F. The Contractor shall submit a safety plan to Escambia County Corrections Department prior to the Service Commencement Date. The Contractor shall ensure that its safety plan complies, at a minimum, with all Escambia County Corrections Department Operating Standards.

G. The Contractor shall ensure that all hazardous materials and substances are stored and used in compliance with all Operating Standards.

H. The Contractor's transportation and/or disposal of any waste shall be in compliance with all Escambia County Corrections Department Operating Standards.

4-11 STAFFING AND SCHEDULING

The Contractor shall recognize that the Escambia County Corrections Department will provide security personnel, however, the Contractor's staff shall, at all times, abide by and be mindful of the security regulations of the Escambia County Corrections Department. The Contractor's staff are required to report any security related issues to Escambia County Corrections staff immediately.

A. The Contractor shall submit their proposed standard staffing schedule for all shifts to the Contract Monitor for review and approval prior to beginning operations. Any change to the final accepted schedule must be approved by the Contract Monitor, in writing, prior to implementation.

B. The Contractor shall establish and adhere to a minimum staffing level for each shift.

C. The Escambia County Corrections Department shall provide approximately 20 inmates on shifts A and B, and approximately 12 inmates on shift C, to the Contractor for inmate meal production. Inmate workers assigned to the Contractor shall be supervised by the Contractor for purposes of determining their suitability for continued work within the food service areas.

D. The Escambia County Corrections Department shall provide a minimum of one full time Correctional Officer for each shift. The officer's assigned working post will be in the kitchen.

E. At the Department's request, the Contractor's employees shall complete a 16-hour (or more at the discretion of Escambia County Corrections) course on security and

inmate manipulation, taught by the training unit of Escambia County Corrections Department. The Contractor's employees may be required to attend additional training as determined by Escambia County Corrections Department.

F. All Contractor's employees shall be attired in a standard uniform, supplied by the Contractor, and always maintained in a clean and neat condition. Hats with brims will be worn forward, shirts will be kept tucked into the pants. Hairnets or other approved hair restraints are required whenever in the kitchen area. Employees must always maintain proper identification and be in uniform when on jail property.

G. Food service training for inmates shall be consistent with applicable Operating Standards.

CULINARY ARTS/RE-ENTRY/COMMUNITY OUTREACH INITIATIVES SCOPE OF SERVICE

4-12 INTRODUCTION

Escambia County Corrections Department desires to develop programs that benefit inmates, community corrections offenders and the community. There is a substantial need for programs that emphasize vocational/education training opportunities, employability skills and job placement. While the Contractor has flexibility to develop programs that achieve these goals, one component of it must include culinary arts and employability skills. Partnerships with existing community agencies that have a history of success are highly encouraged. A second program component shall include a plan for job placement of successful participants. Again, partnerships with the community are highly encouraged.

4-13 SCOPE

Within thirty (30) days of contract award, the Contractor must provide a plan for design and implementation of an initiative, to Corrections Department Staff, that includes:

A. Inmate/Offender industry standard culinary training to include food handling certifications

B. Employability training to include Job Readiness/Job Placement training and job placement in the community

4-14 EXAMPLES

As part of the plan for design and implementation of program initiatives, the Contractor shall provide a description of Culinary Arts. Include skills to be learned, as well as any certifications obtained. Length of program and capacity should be included.

4-15 EMPLOYABILITY TRAINING

As part of the plan for design and implementation of program initiatives, the Contractor shall provide a description of an Employability Skills program. Include skills to be learned, as well as any certifications obtained. Length of program and capacity should be included. Include information regarding the experience, certifications or licensing and capacity of any partner agencies.

4-16 JOB PLACEMENT / RE-ENTRY / COMMUNITY OUTREACH

As part of the plan for design and implementation of program initiatives, the Contractor shall address how they intend to connect inmates with jobs and to reduce barriers for offenders and inmates seeking employment. The Contractor shall identify community partnerships, including with the private sector that will facilitate participant re-entry and provide gainful employment. The Contractor must also demonstrate an understanding of the emphasis

placed on developing collaborative partnerships with the local education, businesses, not-for-profit and/or vocational training community.

4-17 STAFFING

As part of the plan for design and implementation of program initiatives, the Contractor shall provide a description of planned staffing for Culinary Arts Training, Employability Skills Training and Job Placement, including Provider staff and staff of any Partner Agency. Resumes for each proposed staff shall be submitted with the proposal.

4-18 FACILITIES

The Escambia County Main Jail includes an approximately 900 square foot kitchen space, which includes a serving area, dry storage and walk-in cooler and freezer. Upon completion of the new facility this area will be replaced with an approximately 10,160 square foot kitchen, which will include a serving area, dry storage and walk-in cooler and freezer. In addition, there are classrooms for use in both Culinary Arts and Employability Skills training.

4-19 OUTCOMES

As part of the plan for design and implementation of program initiatives, the Contractor shall identify measurable outcomes that will be reported, such as number of individuals trained, number of successful job placements, etc. Identify any other participant or community benefits resulting from this/these partnerships.

Below are examples of possible Community Outreach initiatives that might be included as proposed outcomes. These are suggested programs and potential contacts and the County is open to proposals that are not on the list. Escambia County has not contacted any of the businesses, organizations or agencies listed and have no knowledge as to whether they are interest in participating with this program. These lists are provided for example only.

A. Partner with local vocational or technical institutes for culinary training for inmates and offenders on community supervision

B. Provide culinary arts scholarships for community offenders and inmates

C. Develop an ex-offender employment initiative with the local culinary industry

4-20 PERSONAL SECURITY AND RIGHT TO INSPECT

The following are specific conditions and rules that must be followed while providing services at any Corrections Facilities.

A. Personnel

1. All Contractor employees shall carry a valid ID at all times.

2. The Contractor shall provide a list of all employees that will be working inside any Corrections facility. A full criminal history shall be run on each employee by the Corrections Department at no cost to the Contractor. No Contractor employee will be allowed to work inside any Corrections facility if they are on active probation, home confinement, and parole or have been arrested within the last five (5) years or have been arrested for any crime involving violence, drugs, or theft. The Contractor employee list shall include:

a) Employee's full name

b) Employee's date of birth

c) Employee's race/sex

d) Employee's Social Security number

e) Employee's Driver's License number

3. Only authorized employees of the Contractor shall be allowed to work at any Corrections facility. WORK RELEASE INMATES ARE NOT AUTHORIZED TO WORK ON ANY CORRECTIONS FACILITY CONTRACT.

4. Contractor's employee shall wear their Contractor issued ID on the collar of their shirt at all times while in any Corrections facility. This ID will be issued to each Contractor employee at the Escambia County Human Resources Department and will only be given upon surrendering of a valid personal ID.

5. If an ID is lost, the Contractor's employee shall report it immediately to their escort officer.

6. In the event of an emergency, the Contractor's employee shall report it to the nearest Corrections staff member. They will contact 911.

7. The Contractor's employees shall always follow the direction of the escort officer.

8. The Contractor's employees shall not bring tobacco or tobacco products inside any Corrections facility or on top of any roof or within any Corrections facility fence line.

9. The Contractor's employees shall not bring or wear hats or sunglasses inside any Corrections facility.

10. The Contractor's employees shall not bring any cell phones inside the facility unless authorized by Corrections.

11. Contractor vehicles shall have the windows rolled up and be locked at all times and parked in only pre-authorized areas.

12. The Contractor shall ensure that during breaks, if a Contractor's employee leaves an area, all tools must be removed.

13. All Contractor tools will be inventoried going into and out of a Corrections facility. Contractor shall ensure that employees take in only what is needed to perform the services.

14. At the end of each workday, the Contractor shall ensure that all tools and debris are collected. The Contractor shall conduct an inspection of all areas to ensure all tools are accounted for and properly stored.

15. No illegal drugs or drug paraphernalia are allowed in the compound.

16. No weapons, guns or ammunition are allowed in any Corrections facility.

17. The Contractor shall ensure that no inmate interaction occurs. The Contractor's employees shall not talk to or give or receive anything from an inmate, including cigarettes.

18. The Contractor shall only use storage areas approved at the beginning of the contract, unless otherwise permitted by an authorized County representative.

19. The Contractor shall not leave clothing unattended, including hats and sunglasses.

20. The Contractor and their employees shall be subject to search upon entering or exiting the facility. The Contractor shall also make employees aware that random searches may be conducted while they are within the facility at any time.

21. Immediate verbal and written notification to the Chief of Corrections or designee and the Contract Monitor is required upon the arrest of any employee of the Contractor employed at the Facilities.

22. The Chief of Corrections or designee retains sole discretion over the decision of whether to allow any prospective employee or volunteer permission to enter the Escambia County Corrections Department's grounds or Facilities.

B. Security

1. The Contractor will comply with all security regulations, guidelines and requirements, including applicable Escambia County Corrections Department's Administrative Orders and Food Service Unit's Standard Operating Procedures regarding security issues. The senior Escambia County Corrections Officer on shift will determine whether any action taken by an employee of the Contractor constitutes a violation of security regulations serious enough to warrant immediate review.

2. The Contractor will be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with its services or performance of its operation. The contractor shall take all reasonable precautions for the safety of and will provide all reasonable protection to prevent damage, injury or loss to: employees on the job and all other persons who may be affected thereby; all property, materials and equipment under the care, custody or control of the contractor. The contractor will comply with all applicable safety rules, regulations, standards and lawful orders from authority bearing on the safety of persons or property or their protection from damage, injury or loss In any emergency affecting the safety of persons or property, the contractor will act with reasonable care and discretion, to prevent any threatened damage, injury or loss.

3. All employees of the Contractor shall conduct themselves in a professional and appropriate manner while at the Escambia County Correctional Facilities. The Chief of Corrections or designee retains sole discretion over whether to permit any individual to enter the grounds or facilities.

C. Right of Inspection

The Contractor shall permit ECCD personnel to inspect all parts of the food service areas without notice at any time, if in the sole opinion of the senior ECCD Corrections Officer on duty, security, safety or sanitation are in question. Th Contractor Monitor shall be provided access to all areas under the control of the Contractor at any time, as well as unrestricted access to all Contractors' documents pertaining to the operation of the ECCD food services sections, with or without advance notice form the Contract Monitor.

4-21 VALUE ADDED/OPTIONAL SERVICES

In addition to the required food services listed above, the Escambia County Corrections Department has an interest in the provision of staff dining upon completion of the new facility (estimated completion is July 2020). Upon completion of the new facility, the staff dining area will be located adjacent to the kitchen. As this is not currently an option for Escambia County Corrections staff members, there is no data regarding anticipated utilization. It is anticipated that staff meals be provided seven days per week to accommodate day and night shift employees.

A. The Contractor should provide a plan for the provision of staff dining meals to include the meal cost and the method proposed for collection.

B. The Contractor is to provide a proposal (with this proposal) which identifies their plan for providing staff dining during a 24-hour day. The proposal shall be for a meal of at least the quality of the inmate meals and with comparable cost.

C. Inmate workers will not be authorized for use with the preparation or service of staff meals, however, may be utilized for cleanup and scullery duties.

D. Suggested menu options can include, but are not limited to, bulk produced/served meals, A La Carte menu and/or “ready to go” menu options. Sample menus for all proposed/suggested menus should be included.

E. The employee break/dining area will consist of the following:

1. 8’ millwork with a sink
2. 580 square feet of space
3. 24 staff persons users at once
4. 120V outlets non-secure
5. 120V outlet GFI
6. Hot water
7. Cold water
8. Waste drain
9. Floor drain
10. Sprinkler heads
11. 24 stacking chairs
12. Six (6) 72”x 30” folding tables
13. Large waste receptacle
14. Recycle waste receptacle
15. Microwave

NOTE: There is space for a serving line to be installed, however it is not on the current FF&E list for the new facility. A serving line can be installed at Contractor’s expense.

To: All Known Prospective Bidders

ADDENDUM NUMBER 1:

Re: PD 18-19.111 Escambia County Inmate Food Service and Associated Community Outreach Programs for Jail and Work Release Facilities

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 1 provides answers to questions on the following pages.

Please also note that the Pre-Solicitation conference held on January 6, 2019 did not cover any of the requirements for the Outreach Program as defined in the solicitation beginning on Page 27 of 45 "Proposal B – Food Service and Culinary Arts, Re-Entry, & community Outreach Initiative." Please review these requirements and send in any questions that your firm may have as this is a critical component to the solicitation.

This Addendum Number 1 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photocopy this form for your records.

Sincerely,

Jeffrey D. Lovingood

Jeffrey Lovingood
Purchasing Coordinator

Q1. Due to the quick turnaround time after getting answers to questions and the complexity of the proposal, would it be possible to get an extension on the due date?

A1. The deadline for questions to be submitted has been changed from ~~January 15, 2020~~, to 5:00 PM CST, January 22, 2019.

The deadline for Solicitation Responses has been changed from ~~4:00 PM CST January 21, 2019~~, to 4:00 PM CST January 28, 2019.

Q2. Could the County please provide a copy of the last three months of vendor billings?

A2. Please see the attached document on the pages that follow.

Q3. Could the County please provide a copy of the current food service contract?

A3. A copy of the original Agreement and an Amendment of Agreement are both attached on the following pages.

Q4. Could the County please provide a copy of the current inmate menu?

A4. This information is contained in the pages that follow.

Q5. Could the County please provide the number of special diets (religious, medical, juvenile, etc.)?

A5. Per the current vendor, the following are the special meals provided over the last quarter:

- *Kosher 468*
- *Vegan 3,120*
- *Diabetic 2,769*
- *Pregnancy 1,014*
- *Adolescent 1,170*
- *Milk Intolerance 117*
- *Gluten-Restricted 312*
- *Renal 273*
- *GI Soft 39*
- *Clear Liquid 39*
- *Full Liquid 39*
- *Diabetic Snack 2,769*

Q6. Will bag meals be acceptable instead of cold meals served on a tray?

A6. Yes.

Q7. Will the County allow for the cold meal to be served at dinner?

A7. No.

Q8. Is the vendor or the County responsible for trash removal?

A8. The County has an agreement in place for the emptying of dumpsters. Should the vendor desire to create any changes in the current set-up, the vendor will need to work with Corrections to develop a mutually beneficial plan within the current cost structure.

The vendor is responsible for supplying trash bags. The Jail provides the trash cans.

Q9. Once the new facility opens, will the vendor be responsible for transporting any food between locations?

A9. No.

Q10. Who pays for pest control in the kitchen?

A10. The County has an agreement in place with Florida Pest Control. As of the writing of this addendum, there have been few pest-control issues.

This will likely be an item worth discussing during negotiations with the selected vendor. Should the County be required to add service visits for pest control issues that are not the fault of the pest control vendor or the County, that should be an expense that is handled by the vendor. However, pest control issues would likely be indicative of other, larger issues that would need to be handled by the vendor based on the scope of service.

Q11. Are beverages served in reusable cups or disposable?

A11. Disposable.

Q12. Do inmates use reusable utensils or disposable?

A12. Only disposable spoons are used.

Q13. RFP states that the vendor must have on hand three days of water for inmates and staff. Is there a storage area provided for this?

A13. Yes.

Q14. Are bulk beverages allowed to be served or is it individual packets?

A14. Individual packets of dry powder.

Q15. If bulk is allowed, does the facility have Cambro-type dispensers or will the vendor need to supply dispensers?

A15. See previous response.

Q16. Could the County please provide a list of equipment and the layout of the new kitchen?

A16. Please see the attached document on the pages that follow.

Q17. Will there be a hood installed in the staff dining area of the new facility or is it the County's intention that items will be prepared in the main kitchen and then transported to the staff dining area?

A17. No hood in the staff dining area.

Q18. Where is the staff dining area in relation to the kitchen?

A18. Staff dining is attached to the kitchen.

Q19. Please provide the tray specifications and confirm that the 250 estimated new trays are all that will need to be provided.

A19. As discussed in the pre-solicitation conference, the additional trays are required solely for expanded population that will exist in the new facility and new trays are <u>not</u> required for the entire population.

The tray specifications are provided in the pages that follow.

Q20. Can the County please provide a copy of the current vendor's staff schedule?

A20. Please see the attached document on the pages that follow.

Q21. In reference to the term of the contract on RFP page 13 of 45, Section 18, please clarify the possible length of the agreement.

A21. The initial term of the agreement is for thirty-six (36) months. The agreement will include up to two (2) twelve-month renewals upon mutual agreement by both parties. The total possible term of the agreement is sixty (60) months.

Q22. During the pre-solicitation meeting it was mentioned that delivery of meals to the Work Release facility will no longer be required once the new jail facility is open. The Average Daily Population scale on RFP page 22 of 45 shows that one hundred inmates will be located at the Work Release facility. Please provide confirmation and/or clarification in order to determine if a transportation vehicle will be required by the vendor for meal delivery to the Work Release facility.

A22. The vendor will be responsible for meal delivery to the Work Release facility.

Q23. Will there be any fixed kitchen equipment brought over from the old jail to the new jail?

A23. No.

Q24. Given the challenges with turnover and staffing in the Corrections industry, is it the desire of Escambia Count to have the successful food service contractor keep all pay rates the same as they exist today? If so, based on experience the pay rates range from $12.00-$15.00 ($12.73 average per hour) and Food Service Manager at $50,000 annually.

A24. To our knowledge, the County did not set the pay rate for the current agreement and there are no plans to set the pay rate for the next agreement.

AGREEMENT FOR INMATE FOOD SERVICE PD 13-14.065

THIS AGREEMENT is made this 25th day of September, 2014 (hereinafter referred to as "Effective Date"), by and between Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County"), whose mailing address is 221 Palafox Place, Pensacola, Florida 32502, and Aramark Correctional Services, LLC (hereinafter referred to as "Contractor"), a limited liability company authorized to conduct business in the State of Florida, whose federal identification number is 23-2778485 and whose principal address is 1101 Market Street, Philadelphia, PA 19107.

Date: 10/02/2014 Verified By: TDC Clerk

WITNESSETH:

WHEREAS, on July 14, 2014, the County issued an Invitation to Bid (PD 13-14.065) for inmate food service for the Escambia County Jail; and

WHEREAS, Contractor was the most responsive and responsible bidder proposing to provide such services; and

WHEREAS, the County desires to enter into an agreement with Contractor for the provision of inmate food service as specified herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.

2. Term. This Agreement shall commence on the effective date provided herein and continue for a term of three (3) years. Thereafter, the County and the Contractor may extend the contract for two additional one (1) year periods upon written mutual agreement.

After exercising all options to renew, the County may unilaterally extend this Agreement for an additional six (6) months. The County shall provide written notice of the desire to extend the agreement no later than sixty (60) days prior to the expiration of the last one (1) year renewal period. The total duration of this agreement, including the exercise of all options to renew/extend, shall not exceed the duration of five (5) years and six (6) months.

3. Scope of Work. Contractor agrees to perform in accordance with the scope of work outlined in Escambia County's Invitation to Bid for Inmate Food Service for the Escambia County Jail, Specification No. P.D. 13-14.065 (the "Invitation to Bid"), attached hereto as **Exhibit "A"** as well as in accordance with the Contractor's Proposal to the Invitation to Bid, attached here to as **Exhibit "B"**. In the event of a conflict

between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement shall prevail.

4. Compensation. In exchange for Contractor's provision of the scope of services referenced in Section 3 above, County shall pay Contractor in accordance with the Bid Form, dated August 7, 2014, provided as part of the Contractor's Proposal, attached hereto as **Exhibit "C"**.

5. Price Adjustments. The per meal prices stated in the Contractor's Bid Form are firm for the period beginning on the Effective Date and ending on September 30, 2015. Thereafter, for each subsequent 12-month period, Contractor may submit a written request for price adjustment(s) no less than thirty (30) days prior to the anniversary of the Effective Date by an amount to be mutually agreed upon by the parties. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bonafide cost increase to the Contractor. All requests for price adjustment(s) shall be reviewed by the County and, if approved, shall be accomplished by written amendment to the agreement subject to the approval of the Board of County Commissioners.

6. Additional Services. Food, beverage and other services required or desired by the Facility outside the scope of this Agreement shall be provided by Contractor upon written authorization by the County at mutually agreed upon prices for such services.

7. Purchase Orders. The County shall issue written purchase orders to the Contractor. The task(s) to be accomplished shall be described in detail and the time frame in which it needs to be accomplished will be stated in the purchase order. No minimum quantity of work is guaranteed during the term of this agreement, and only those tasks assigned pursuant to a work order may be compensated.

8. Method of Billing. Contractor shall submit invoices to County on a monthly basis. Invoices shall reflect the amount due and owing for monthly fees with appropriate supporting documentation. The County agrees it shall make its best efforts to pay Contractor within thirty (30) days of receipt and approval of Contractor's invoice.

9. Termination. This Agreement may be terminated for cause or convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days' written notice to the County or for convenience upon providing one hundred-eighty (180) days' written notice. In the event of termination by either party as provided herein, the Contractor shall be paid for services performed through the date of termination.

10. Indemnification. The Contractor agrees to save harmless, indemnify, and defend County and its agents, officers and employees from any and all claims, suits, actions, damages, liabilities, expenditures or causes of action of any kind, losses, penalties, interest, demands, judgments, and cost of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal

injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly, on account of or in connection with the Contractor's negligent, reckless, or intentional wrongful misconduct in the performance of this Agreement or by any person, firm, or corporation to whom any portion of the performance of this Agreement is subcontracted to or used by the Contractor or by anyone for whom the Contractor is legally liable. The parties understand and agree that such indemnification by the Contractor relating to any matter, which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

11. Insurance. The Contractor is required to carry the following insurance:

(a) Commercial General Liability with $1,000,000 minimum per occurrence, including coverage parts of bodily injury, property damage, broad form property damage, personal injury, independent contractors, blanket contractual liability, and completed operations.

(b) Business Automobile Liability with $1,000,000 per occurrence minimum combined single limits for all hired, owned, and non-owned vehicles.

(c) Excess or Umbrella Liability coverage.

(d) Florida statutory workers' compensation and employers' liability with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease.

(e) It is understood and agreed by the parties that in the event that the Contractor consists of a joint venture, partnership, or other association of professional or business firms, each such firm shall be required to individually carry the above cited coverages.

(f) Contractor agrees all liability coverage shall be through carriers admitted to do business in the State of Florida. Certificates of insurance shall be provided to the County prior to commencement of work hereunder. Certificates shall reflect the additional insured status of Escambia County and shall provide for a minimum of thirty (30) days notice of cancellation. Escambia County and the Board of County Commissioners also shall be the certificate holders.

12. Independent Contractor Status. In the performance of this Agreement hereunder, Contractor is an independent contractor. Contractor shall not hold itself out as an employee, agent or servant of the County; and Contractor shall not have the power or authority to bind the County in any promise, agreement or representation, other than as specifically provided in this Agreement or as may be expressly provided hereafter in writing by an authorized official of the County.

13. Notice. Any notice, payment or other communication under this Agreement required hereunder or desired by the party giving such notice shall be given in writing and delivered by hand or through the instrumentality of certified mail of the United States Postal Service or private courier service, such as Federal Express. Unless otherwise notified in writing of a new address, notice shall be made to each party as follows:

To: Aramark Correctional Services, LLC
Attention: Derek Harless
1101 Market Street
Philadelphia, PA 19107

To: Escambia County
Attention: County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502

Rejection, or other refusal by the addressee to accept, or the inability of the courier service or the United States Postal Service to deliver because of a changed address of which no notice was given, shall be deemed to be receipt of the notice sent. Any party shall have the right, from time to time, to change the address to which notices shall be sent by giving the other party at least ten (10) days prior notice of the address change.

14. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and the parties stipulate that venue shall be in the County of Escambia.

15. Public Records. The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and its surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract.

16. Entire Agreement. This Agreement contains the entire agreement between the parties and supersedes all prior oral or written agreements. Contractor acknowledges that it has not relied upon any statement, representation, prior or contemporaneous written or oral promises, agreements or warranties, except such as are expressed herein. The terms and conditions of this Agreement can only be amended in writing upon mutual agreement of the parties.

17. Compliance with Laws. Contractor agrees to comply with all federal, state and local laws, rules, policies, or guidelines related to the performance of this Agreement.

18. Assignment of Agreement. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered, under any circumstances, by Contractor without the prior written consent of the County. However, the Agreement shall run with the Escambia County Board of County Commissioners and its successors.

19. Miscellaneous. If any term or condition of this Agreement shall be invalid or unenforceable, the remainder of the terms and conditions of this Agreement shall remain in full force and effect. This Agreement shall not be more strictly construed against either party hereto by reason of the fact that one party may have drafted or prepared any or all of the terms and provisions hereof.

20. Annual Appropriation. Pursuant to the requirements of Florida law and Article II of Chapter 46, Escambia County Code of Ordinances, the County's performance and obligation to fund this Agreement shall be contingent upon an annual appropriation by the Escambia County Board of County Commissioners.

[Remainder of the page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature:

Approved as to form and legal sufficiency.

AMENDMENT TO THE AGREEMENT FOR INMATE FOOD SERVICE PD 13-14.065

THIS AMENDMENT is made this 11th day of December, 2014 (hereinafter referred to as "Effective Date"), by and between Escambia County, Florida, a political subdivision of the State of Florida (hereinafter referred to as "County"), whose mailing address is 221 Palafox Place, Pensacola, Florida 32502, and Aramark Correctional Services, LLC (hereinafter referred to as "Contractor"), a limited liability company authorized to conduct business in the State of Florida, whose federal identification number is 23-2778485 and whose principal address is 1101 Market Street, Philadelphia, PA 19107.

WITNESSETH:

WHEREAS, on September 25, 2014, the County entered into an Agreement for Inmate Food Service for the Escambia County Jail; and

WHEREAS, the Parties have agreed to amend the term of the Agreement as provided herein; and

WHEREAS, as a result of said revision, the Board of County Commissioners finds it in the best interest of the health, safety and welfare of the citizens of Escambia County that the Agreement should be amended as provided herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. That the foregoing recitals are true and correct and incorporated herein by reference.

2. That Paragraph 2 of the Agreement shall read:

> 2. Term. This term of this Agreement shall commence on ~~the effective date provided herein~~ April 1, 2015, and continue for a term of three (3) years. Prior to the commencement date, Contractor and County may coordinate mutually agreeable dates/times for preparation of service areas. Said preparation shall not occur prior to March 1, 2015. Thereafter, the County and the Contractor may extend the contract for two additional one (1) year periods upon written mutual agreement.
>
> After exercising all options to renew, the County may unilaterally extend this Agreement for an additional six (6) months. The County shall provide written notice of the desire to extend the agreement no later than sixty (60) days prior to the expiration of the last one (1) year renewal period. The total duration of this agreement, including the exercise of all options to renew/extend, shall not exceed the duration of five (5) years and six (6) months.

3. That the Parties hereby agree that all other provisions of the Agreement that are not in conflict with the provisions of this Amendment shall remain in full force and effect.

4. That the effective date of this Amendment shall be on the date last executed by the Parties.

5. That this Agreement and any amendment thereto shall be governed by and construed in accordance with the laws of the State of Florida, and the Parties stipulate that venue for any state or federal court action or other proceeding relating to any matter which is the subject of this Agreement shall be in Escambia County, Florida.

IN WITNESS WHEREOF, the parties hereto have set their hands and seals the day and year first written above.

January 21, 2020

To: All Known Prospective Bidders

ADDENDUM NUMBER 2:

Re: PD 18-19.111 Escambia County Inmate Food Service and Associated Community Outreach Programs for Jail and Work Release Facilities.

All:

Your firm recently received a Request for Proposals for the above-mentioned specification. This Addendum Number 2 provides for a clarification regarding the a question submitted after Addendum 1 was issued.

Q1. After the new facility is opened, will the vendor still need to deliver meals to the Work Release Facility?

During the pre-solicitation meeting it was mentioned that delivery of meals to the Work Release facility will no longer be required once the new facility opens. The Average Daily Population scale on RFP page 22 of 45 shows the one hundred inmates will be located at the Work Release facility. Please provide confirmation and/or clarification in order to determine if a transportation vehicle will be required by the vendor for meal delivery to the Work Release facility.

A1. After further discussion among the Corrections Department leadership, it has been determined that the vendor will need to deliver meals to the Work Release facility. Additionally, please note that the number of inmates will fluctuate at this location, however, the Average Daily Population estimate of one hundred inmates is considered accurate.

This Addendum Number 2 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photocopy this form for your records.

Sincerely,

Jeffrey D. Lovingood

Jeffrey Lovingood
Purchasing Coordinator

Re: Solicitation Number PD 18-19-111- Inmate Food Service and Associated Community Outreach Program for Escambia County Jail and Work Release

Mr. Lovingood,

We appreciate the opportunity to continue our partnership with Escambia County and the recommendation for award to the Board of County Commissioners. Our commitment to Escambia County includes:

Scope of Services:

- Aramark registered dietitians have created and approved the required 2800 calorie menu to exceed American Corrections Association (ACA) standards and nutritional requirements
- Price per meal of $.919 that includes the required provision of paper supplies for kitchen operation and Kitchen equipment maintenance and repair
- Proven Emergency/Contingency planning to provide support, equipment, and preparation sites.
- Provision of quality assurance program to ensure commitment to service, quality and value
- Aramark will ensure the provision of staff necessary for proper inmate supervision, and the full and timely delivery of food services at all times during the term of the agreement
- Aramark has provided innovative concepts and alternative ideas for future implementation if the County chooses including Staff Dining and a Micro-Market
- Competitive salaries and wages for food service staff compared to other proposals that will continue to provide increased retention and less operational issues
- Community Outreach with Aramark's In2Work Inmate Vocational Program which includes Certification, Scholarships & Job Placement opportunity
- Aramark will provide 4- $1000.00 scholarships annually as part of this proposal to allow inmates to further their education upon release

Aramark is committed to providing excellent service and continuing our partnership. Thank you again for this opportunity.

Best Regards,

Tim Barttrum
Vice-President
Aramark Correctional Services

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17779 **County Administrator's Report 12. 43.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Contract Award for Re-Bid 17-18 Resurfacing Project
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Contract Award for Re-Bid 17-18 Resurfacing Project - Joy Jones, P.E., Engineering Department Director, and Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve and authorize the County Administrator to sign the Agreement between Escambia County, Florida, and Roads, Inc. of NWF, per the terms and conditions of PD 19-20.038, Re-Bid 17-18 Resurfacing Project, in the amount of $1,224,286.17.

Vendor/Contractor	Funding	Amount	Contract Number
Roads, Inc. of NWF	Fund 353, LOST IV; Cost Center 210106, Transportation & Drainage; Object Code 56301, Improvements Other Than Buildings; Project Code: 18EN0238	$1,224,286.17	PD 19-20.038

Specification PD 19-20.038, Re-Bid 17-18 Resurfacing Project, was posted to Vendor Registry on February 20, 2020, and issued to 107 registrants representing 83 firms. The solicitation was viewed by 24 firms and downloaded by 19.

NON-ADA-COMPLIANT DOCUMENTS TO BE DISTRIBUTED UNDER SEPARATE COVER:

- Bid Response from Roads, Inc. of NWF
- Recommendation to Award Determination Checklist

BACKGROUND:

Specification PD 19-20.038, Re-Bid 17-18 Resurfacing Project, was posted to Vendor Registry on February 20, 2020, and issued to 107 registrants representing 83 firms. The solicitation was viewed by 24 firms and downloaded by 19.

Bids were received from three firms and all were deemed responsive. Roads, Inc. of NWF was deemed the lowest responsive bidder with a bid of $1,224,286.17.

BUDGETARY IMPACT:

Vendor/Contractor	Funding	Amount	Contract Number
Roads, Inc. of NWF	Fund 353, LOST IV; Cost Center 210106, Transportation & Drainage; Object Code 56301, Improvements Other Than Buildings; Project Code: 18EN0238	$1,224,286.17	PD 19-20.038

LEGAL CONSIDERATIONS/SIGN-OFF:

Standard Form of Agreement Form D: Road/Drainage

PERSONNEL:

All work associated with this Recommendation was done in-house and no additional staff was required.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the Code of Ordinances of Escambia County, FL 1999, Chapter 46, Finance, Article II, Purchases and Contracts.

IMPLEMENTATION/COORDINATION:

The Office of Purchasing will issue the Purchase Order.

SPECIAL ACCOMMODATIONS:
Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing (850-595-4980) at least five (5) working days prior to the solicitation opening.

Notice

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee Vendor until such time as the contract is executed by the last party to the transaction.

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to Vendors of the local Vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and

2. Holds any business license required by Escambia County or Santa Rosa County, and

3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any Vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification and shall have the sole discretion to determine if a Vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **Community Redevelopment Area (CRA)** is within **seven percent (7%)** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **three percent (3%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within **two percent (2%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **four percent (4%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not

fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to Vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.

3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A Vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any Vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the

County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded, and the County may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

ESCAMBIA COUNTY, FLORIDA
INVITATION TO BID
BIDDER'S CHECKLIST
Rebid 17-18 Resurfacing Project
SPECIFICATION 19-20.033

HOW TO SUBMIT YOUR BID:
Please review this document carefully. Offers that are accepted by the County are binding contracts. **Incomplete bids are not acceptable.** All documents and submittals shall be received by the Office of Purchasing on or before the date and hour specified for receipt. Late bids will be returned unopened.

* *Documents submitted with Bids are to be on the forms provided in the Invitation to Bid and photocopies of other required documents.*

THE FOLLOWING DOCUMENTS SHALL BE RETURNED WITH THE BID:
- Solicitation, Offer, and Bid Form. The Bid Form must contain an original signature in indelible ink. Bids with photocopies or scanned signatures will not be accepted.
- Bid Surety (bond, check, etc.)

THE FOLLOWING DOCUMENTS SHOULD BE RETURNED WITH THE BID:
- Sworn Statement Pursuant to Section 287.133(3)(A), Florida Statutes on Entity Crimes.
- Drug-Free Workplace Form.
- Information Sheet for Transactions and Conveyances Corporate Identification.
- Certificate of Authority to do Business from the State of Florida.
- Occupational License.
- Florida Department of Business and Professional Regulation – License(s), Certification(s), and/or Registration(s).

BEFORE YOU SUBMIT YOUR BID, HAVE YOU:
Placed your bid with all required submittal items in a sealed envelope, clearly marked for specification number, project name, name of bidder, and due date and time of bid receipt?

THE FOLLOWING DOCUMENTS ARE REQUIRED UPON NOTICE OF AWARD:
- Certificate of Insurance
- Payment and Performance Bonds

HOW TO SUBMIT A NO BID:
If you do not wish to bid at this time, please remove the Solicitation, Offer, and Bid Form from the Bid Package and enter No Bid in the "Reason for No Offer" block, your company's name, address, signature, and return the Solicitation, Offer, and Bid Form in a sealed envelope. This will ensure your company's active status in our Bidder's list.

This form is for your convenience to assist in filling out your bid.
Do not return this form with your bid.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A),
FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And (if applicable) its Federal Employer Identification Number (FEIN) is:

_____

If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with a convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that is not in the public interest to place the entity submitting this sworn statement on the convicted Vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY INDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Drug-Free Workplace Form

The undersigned Vendor, in accordance with Florida Statue 287.087 hereby certifies that _____ does:

(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in Paragraph One (1).

4. In the statement specified in Paragraph One (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or please of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on or require the satisfactory participation in a drug assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of Paragraphs 1 through 5.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 19-20.038, "Rebid 17-18 Resurfacing Project", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the «BidProposal»s for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. <u>Sanctions</u>

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Scope of Work

This project consists of the resurfacing and/or reconstructing in portion or whole of Choctaw Ave., Condado Cir., Molale Dr., Bahia Ct., Red Cloud Rd., Scenic Ridge Dr and Holsberry Rd.. Also included in this scope of work is the removal and replacement of the three driveway sections at 606 Orby Street and the reestablishment of the asphalt swale on Orby Street between addresses 512-524. This project will also include other work associated with the reconstruction of roadways such as maintenance of traffic, stormwater pollution prevention, sod stabilization shoulder work, pavement striping, possible dewatering, etc. The contractor is to maintain traffic flow at all times, with minimal delays. Roadways are to have two-way traffic opened during all non-working hours. Closure of one lane will be allowed only during working hours.

Related Documents:

All roadway construction shall comply with the Escambia County Technical Specifications, latest edition, and all interim standards that apply to these editions.

Any reference to FDOT Standard Specifications for Road and Bridge Construction, latest edition, Division 1, General Requirements and Covenants, shall be excluded and not applicable to any specification referred herein or otherwise listed in these documents or in the Escambia County Technical Specifications.

Licenses:

General Contractors License
Underground Utilities License
Work Zone Safety Traffic Supervisor Certifications

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **5%** of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form/acceptance copy of same and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Bonds

Performance and Payment Bonds
The County **shall** require the successful Offeror(s) to furnish **separate performance and payment bonds** under pledge of adequate surety and covering up to **100% of the dollar value of award** on the forms provided by the County. Such bonds shall be issued by sureties authorized to act as a surety by the State of Florida. Bonds of the successful Offeror(s) shall be reviewed by the Office of Purchasing to assure compliance, then recorded in the Office of the Clerk of the Circuit Court Recording Office, 1st Floor, 221 Palafox Place, Pensacola, Florida, by the successful Offeror at his expense before the contract is executed. The cost of recording is $10.00 for the first page and $8.50 for each additional page.

5. Procurement Questions

Questions shall be directed to Paul Nobles, Purchasing Manager, at PRNobles@myescambia.com. Last day for questions will be March 16, 2020 at 5:00 p.m. CDT.

6. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form which shall be submitted in a sealed envelope, in duplicate with Original signatures in indelible ink signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

7. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Office of Purchasing, 213 Palafox Place, Pensacola, FL 32502 in Conference Room #11.407 on March 10, 2020 at 1:00 PM CDT.

8. Liquidated Damages

Should the awarded Vendor fail to complete the required services or make delivery of the commodities or equipment within the time(s) specified in the contract, or within such additional time(s) as may be granted by Escambia County, the County will suffer damage, the amount of which is difficult, if not impossible to ascertain therefore, the Vendor shall pay to the County, as liquidated damages, the sum of **$1000** for each calendar day of delay that actual completion extends beyond the time limit specified until such reasonable time as may be required for final completion of the work. Such sum is mutually agreed upon as a reasonable and proper amount of damages the County will sustain per diem by failure of the Vendor to complete the services or make delivery within the specified time. The costs for liquidated damages shall not be construed as a penalty on the Vendor.

9. Safety Regulations

Equipment shall meet all state and federal safety regulations for grounding of electrical equipment.

10. Codes and Regulations

The awarded Vendor shall strictly comply with all federal, state and local building and safety codes.

11. Payment

Partial payments in the full amount for the value of items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents if required. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

12. Warranty

The awarded Vendor shall fully warrant all equipment furnished hereunder against defect in materials and/or workmanship for a period of two (2) years from date of delivery/acceptance by Escambia County.

Should any defect in materials or workmanship, except ordinary wear and tear, appear during the above stated warranty period, the awarded Vendor shall repair or replace same at no cost to the County, immediately upon written notice from the Purchasing Chief.

13. Debris

Awarded Vendor shall be responsible for the prompt removal of all debris, which is a result of this contractual service.

14. Protection of Property/Security

The awarded Vendor shall provide all barricades and take all necessary precautions to protect buildings and personnel.

All work shall be completed in every respect and accomplished in a professional manner

and awarded Vendor shall provide for removal of all debris from County property.

The awarded Vendor shall at all times guard against damage or loss to property of Escambia County, or of other Vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

The County may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the awarded Offeror or his agent.

The awarded Vendor shall at all times guard against injury to Escambia County employees. The Vendor shall properly fence and secure the construction site(s) at all times, including evenings and weekends.

The awarded Vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

15. Permits

The County and/or its contracted consultant(s) have conducted a review of required permits and fees required to be purchased by the contractor from the County permitting agencies for this specific project and they are listed on the «BidProposal» form(s) to the best of our knowledge.

16. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

17. Award

Award shall be made on an "all-or-none total" basis.

The offeror or contractor will be required to fully comply with all applicable federal, state, and local regulations. The offeror should carefully review these requirements which are detailed in this solicitation.

18. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded Vendor, Escambia County may serve written notice upon the awarded Vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the Vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

19. Termination (Services)

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring

deficiencies within five (5) working days of notification by the Contract Administrator.

Upon the third such written notification of unsatisfactory performance and/or deficiencies to the contractor by the Office of Purchasing within a four (4) month period; or the sixth such notification within any contract term, shall result in issuance of written notice of immediate contract termination to the contractor by the Office of Purchasing. Such termination may also result in suspension or debarment of the contractor.

20. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

21. As Specified

All items delivered shall meet the specifications herein. Items delivered not as specified will be returned at no expense by Escambia County. The County may return, for full credit, any unused items received which fail to meet the County's performance standards.

Non-Contract Insurance Requirements

22. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. <u>Workers Compensation Coverage</u>

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. <u>General, Automobile and Excess or Umbrella Liability Coverage</u>

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Paul Nobles, Purchasing Manager
   Office of Purchasing, Room 11.101
   213 S. Palafox Place, 2nd Floor
   Pensacola, FL 32502
   Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

23. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

March 23, 2020

To: All Known Prospective Bidders

ADDENDUM NUMBER 1:

Re: PD 19-20.038 Re-Solicit 17-18 Resurfacing Project

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 1 provides for clarifications regarding the following:

- The unit of measure for Line 14 is "LF", Line 15 is "EA", and Line 16 is "LF".
- The Escambia County Office of Purchasing is closed to the general public until further notice.
    - Bids for this project are still due at the same date and time, March 24, 2020 at 2:00 PM CDT, will be shown live on Skype. Please contact Jeffrey Lovingood at JDLovingood@myescambia.com to request an invitation to join and view.
    - Bidders can submit their bids via two options. Please select only one:
        - Submit their bid by uploading it to Vendor Registry prior to the deadline.
        - Drop off the bid at the Office of Purchasing as early as possible during normal business hours 8:00 AM to 5:00 PM CDT. To submit a bid in this manner requires arriving at the street entrance at 213 Palafox Place and calling the Office of Purchasing (850-595-4980) so a member of our staff can accept the bid in person.
    - The Office of Purchasing is not responsible for bids that are not delivered in time via Vendor Registry or not handed to a member of the Office of Purchasing staff prior to the deadline.

This Addendum Number 1 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photocopy this form for your records.

Sincerely,

Jeffrey D. Lovingood

Jeffrey Lovingood
Purchasing Coordinator

March 23, 2020

To: All Known Prospective Bidders

ADDENDUM NUMBER 2:

Re: PD 19-20.038 Re-Solicit 17-18 Resurfacing Project

All:

Your firm recently received an Invitation to Bid for the above-mentioned specification. This Addendum Number 2 provides for clarifications regarding the delivery method of each firm's bid:

- Bids are not able to be submitted via Vendor Registry at this time.
- All bids must be delivered to 213 Palafox Place. Please call 850-595-4980 and request that a member of the Office of Purchasing staff meet you at the exterior door. The bid will be received and timestamped once we return to the office, which will be immediately after receipt.

This Addendum Number 2 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photocopy this form for your records.

Sincerely,

Jeffrey D. Lovingood

AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA AND ROADS, INC. OF NWF FOR STANDARD ROAD/DRAINAGE CONSTRUCTION CONTRACT DOCUMENTS.

THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, ("County"), hereby contracts with Roads, Inc. of NWF a Florida corporation for profit, to perform all work ("Work") in connection with PD 19-20.038, Re-Solicit 17-18 Resurfacing Project ("Project"), as detailed in the attached Plans and Specifications and other Contract Documents hereafter specified.

SECTION 1. CONTRACT DOCUMENTS

A. The Contract Documents include this Agreement, including Amendments and Exhibits, the Exhibits described in Section 6, Change Orders, Work Directive Changes, Field Orders and the solicitation documents, including addenda. These Contract Documents are incorporated by reference and made a part of this Agreement. A copy of all Contract Documents shall be maintained by Contractor at the Project site at all times during the performance of the Work.

B. In case of any inconsistency or conflict among the provisions of the agreement and any other terms and conditions of any documents comprising the Contract Documents, the provisions of the Agreement shall control. Concerning the Contract Documents, the order of precedence shall be as follows: 1) the Agreement, including Amendments and Exhibits; 2) Change Orders; 3) Work Directive Changes; 4) Field Orders; 5) the Solicitation Documents, including addenda. The Contract Documents listed above represent the entire and integrated agreement between the parties hereto, and supersede prior negotiations, representations, or agreements, either written or oral.

C. County shall furnish to the Contractor up to four (4) sets of the Contract Documents for execution of the Work. Additional copies of the Contract Documents are available at the cost of reproduction.

SECTION 2. SCOPE OF WORK

Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the Work required by the Contract Documents.

SECTION 3. CONTRACT AMOUNT

For satisfactory completion of the Work the County agrees to pay the Contractor the following amount (herein "Contract Amount"), in accordance with the terms of this Agreement:

One Million, Two Hundred Twenty-Four Thousand, Two Hundred Eighty-Six Dollars, and Seventeen Cents

$1,224,286.17

SECTION 4. BONDS

A. Contractor shall provide at his expense Performance and Payment Bonds, in the form prescribed in **Exhibit B**, in the amount of 100% of the Contract Amount. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to County; provided; however, the surety shall be rated as "A-" (excellent) or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holder's surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

B. If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval. Failure by Contractor to maintain its bonds in full force and effect at all times, including the warranty period, shall be grounds for termination of this Contract.

C. As per Florida Statutes, Section 255.05, the Contractor shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the project sufficient to identify it. (The filing costs are $10.00 for the first page and $8.50 for each remaining page).

SECTION 5. CONTRACT TIME AND LIQUIDATED DAMAGES.

A. Time is of the essence in the performance of the Work under this Agreement. Contractor shall commence the Work within ten (10) calendar days from the Commencement Date, established in the Notice to Proceed. No Work shall be performed at the Project site prior to the Commencement Date. Contractor shall provide 48 hours' notice prior to beginning the Work. The Work shall be substantially completed within One Hundred Seventy-Five (175) calendar days from the Commencement Date. The Work shall be fully completed and deemed ready by the County for final completion within Thirty (30) calendar days from the Substantial Completion Date. The Contract Time shall be the time period from the Commencement Date to the date of final completion totaling Two Hundred Five (205) calendar days (herein "Contract Time"). No work under this contract shall commence until certificates of insurance have been received and acknowledged by the Purchasing Manager.

B. County and Contractor recognize that, since time is of the essence for this Agreement, the County will suffer financial loss if the Work is not substantially completed within the time specified. Should Contractor fail to substantially complete the Work within the time period noted above, County shall be entitled to assess, as liquidated damages, but not as a penalty, **$1,000.00** for each calendar day thereafter until substantial completion is achieved. The Project shall be deemed to be substantially completed by the County on the date that the County's Architect certifies in writing that the construction of the project, or specified part thereof, is sufficiently completed in accordance with the Contract Documents, so that the Project or specified part can be utilized for the purposes for which it is intended. Along with such certification, the Architect shall compile a "punch list" of

any remaining exceptions that do not adversely affect the use of the Project. Completion of these items will be required prior to final payment.

C. Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the County's actual damages at the time of contracting if Contractor fails to substantially complete the Work in accordance with the progress schedule.

D. When any period of time is referenced to by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday.

SECTION 6. EXHIBITS INCORPORATED

The following documents are expressly agreed to be incorporated by reference and made a part of this Agreement.

Exhibit A: General Terms and Conditions
Exhibit B: Form of Performance and Payment Bonds
Exhibit C: Insurance and Safety Requirements
Exhibit D: Form of Release and Affidavit
Exhibit E: Form of Contractor Application for Payment
Exhibit F: Form of Change Order
Exhibit G: Payment Adjustment - Bituminous Material
Exhibit H: Technical Specifications
Exhibit I: Plans & Standard Details prepared by or for County and Identified as follows:

TITLE SHEET NO. DATE

Exhibit K: Federal Documents (if applicable)
Exhibit L: Solicitation Documents Index

SECTION 7. NOTICES

A. All notices required or made pursuant to this Agreement by the Contractor to the County shall be in writing. All correspondence with the County should be addressed as follows:

Engineering
3633 West Park Place
Pensacola, Florida 32505
Attention: Cooper Saunders

B. All correspondence with the Contractor will be addressed to the following:

Roads, Inc. of NWF
106 Stone Boulevard
Cantonement, FL 32533
Attention: Cody Rawson, President

C. Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

SECTION 8. MODIFICATION

No modification or change to the Agreement shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

SECTION 9. SUCCESSORS AND ASSIGNS

Subject to other provisions hereof, the Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Agreement.

SECTION 10. GOVERNING LAW

The Agreement shall be interpreted under and its performance governed by the laws of the State of Florida and the parties agree that venue shall be in Escambia County, Florida for any matter which is the subject of this Contract.

SECTION 11. NO WAIVER

The failure of the County to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

SECTION 12. ENTIRE AGREEMENT

Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Agreement.

SECTION 13. SEVERABILITY

Should any provision of the Agreement be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

SECTION 14. PUBLIC RECORDS.

The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County

may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract. In such case, the Contractor shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontractor work).

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature: the parties hereto have made and executed this Agreement on the respective dates under each signature: Escambia County, Florida through its Board of County Commissioners, signing by its County Administrator, duly authorized to execute this Agreement, and Roads, Inc. of NWF signing by and through its President, duly authorized to execute same.

COUNTY:
Escambia County, Florida, a political subdivision of the State of Florida acting by and through its duly authorized Board of County Commissioners.

EXHIBIT A
GENERAL TERMS AND CONDITIONS

Section 1. INTENT OF CONTRACT DOCUMENTS

1.1. It is the intent of the Contract Documents to describe a functionally complete project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents, as being required to produce the intended result shall be supplied whether or not specifically called for. When words, which have a well-known technical or trade meaning, are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in affect at the time the Work is performed, except as may be otherwise specifically stated herein.

1.1. If, during the performance of the Work, Contractor discovers a conflict, error or discrepancy in the Contract Document, Contractor immediately shall report same to County and before proceeding with the Work affected thereby shall obtain an interpretation or clarification from the County. Contractor shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to Contractor with the Contract Documents before commencing any portion of the Work.

1.2. Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts, or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications of other Contract Document provisions, Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Contractor, as determined by the County. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

1.3. "Engineer", where referenced on the drawings or in the specifications or in other related documents, shall mean the Escambia County Engineer or the designated representative thereof.

Section 1. INVESTIGATION AND UTILITIES

1.1. Contractor shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the Project area as a whole; topography and ground surface conditions; nature and quality of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Contractor to acquaint itself with any applicable conditions shall not relieve Contractor from any of its responsibilities to perform under the Contract Documents, nor shall it be considered the basis for any claim for additional time or

compensation.

1.2. Contractor shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Section 2 as the "Utilities". Contractor shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Contractor shall schedule and coordinate its Work around any such relocation or temporary service interruption. Where Utilities block construction, Contractor shall aggressively pursue relocation by the Utility owners. Contractor shall immediately notify the County of any delays due to Utilities blockage and document all attempts to resolve such blockage. Contractor shall be responsible for properly shoring, supporting and protecting all Utilities at all times during the course of the Work.

Section 2. SCHEDULE

2.1. The Contractor, within ten (10) calendar days after receipt of the Notice of Award, shall prepare and submit to County, for review and approval, a progress schedule for the Project (herein "Progress Schedule"). The Progress schedule may be provided in an electronic format. The Progress Schedule shall relate to all Work required by the Contract Documents and shall provide for expeditious and practicable execution of the Work within the Contract Time. The Progress Schedule shall indicate the dates for starting and completing the various stages of the Work and shall include dates of Shop Drawing Submittals.

2.2. The Progress Schedule shall be updated monthly by the Contractor. All monthly updates to the Progress Schedule shall be subject to the County's review and approval. Contractor shall submit the updates to the Progress Schedule with its Applications for Payment noted below. The County's review and approval of the submitted Progress Schedule updates shall be a condition precedent to the County's obligation to pay Contractor.

Section 3. PROGRESS PAYMENTS

3.1. Prior to submitting its first Application for Payment, Contractor shall submit to County, for its review and approval, a schedule of values based upon the Contract Price, listing the major elements of the Work and the dollar value for each element. After its approval by the County, this schedule of values shall be used as the basis for the Contractor's Applications for Payment. This schedule shall be updated and submitted along with a completed and notarized copy of the Application for Payment form attached to the Agreement as **Exhibit E.**

3.2. Prior to submitting its first Monthly Application for Payment, Contractor shall submit to County a complete list of all its proposed subcontractors and material men, showing the work and materials involved. The first Application for Payment shall be submitted no earlier than thirty (30) days after Commencement Date.

3.3. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location agreed to by the County in writing, the Application for Payment will subdivide the work into component parts in sufficient detail to serve as the basis for a progress payment and shall also be accompanied by a bill of sale, invoice or other documentation warranting that upon payment by County, the County shall receive the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect County's interest therein, all of which shall be subject to the County's prior written approval.

3.4. Contractor shall submit Four (4) copies of its applications for Payment to the County on or about the 25th day of each month for work performed during that month. Contractor shall submit no more than one application for payment each month. Within ten (10) calendar days after receipt of each Application for Payment, the County shall either: (1) indicate approval of the requested payment; (2) indicate approval of only a portion of the requested payment, stating in writing the reasons therefore; or (3) return the Application for Payment to the Contractor indicating, in writing, the reason for refusing to approve payment. In the event of a total or partial denial of the Application for Payment, the Contractor may make the necessary corrections and resubmit the Application for Payment for reconsideration within ten (10) calendar days of receiving notice of refusal.

If re-submittal of the Application for Payment is refused, in whole or in part, the Contractor may submit a written request to the County Administrator for an administrative decision within two (2) business days of receiving notice of refusal. Upon receiving a timely request, an administrative decision shall be rendered within ten (10) calendar days with written notification provided to the Contractor.

If the administrative decision is disputed, the Contractor may submit a written request to the County Administrator for an administrative hearing before the Dispute Resolution Committee (DRC) within two (2) business days of receiving said decision. A hearing shall be scheduled within ten (10) business days from the date the request is received, and the Contractor will receive written notice of the hearing date. The DRC may, within its discretion, render a final decision at the hearing or may elect to mail a written decision within a period not to exceed ten (10) calendar days from the hearing date. The DRC's written decision shall be considered administratively final.

The County shall, within twenty (20) business days after County approval of an Application for Payment, pay the Contractor the amounts so approved. Provided, however, in no event shall the County be obligated to pay an amount greater than that portion of the Application for Payment approved by the County.

4.5 County shall retain ten percent (10%) of the gross amount of each monthly payment request or ten percent (10%) of the portion thereof approved by the County for payment whichever is less. The retained sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County.

At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer.

Release of any portion or percentage of sums retained prior to final completion of the Project shall in no way imply approval or acceptance of Contractor's work.

4.6 Monthly payments to Contractor shall in no way imply approval or acceptance of Contractor's work.

4.6 Each Application for Payment shall be accompanied by Release and Affidavit, in the form attached as **Exhibit D**, showing that all materials, labor, equipment and other bills associated with that portion of the Work payment is being requested or have been paid in full. The County shall not be required to make payment until and unless these affidavits are furnished by Contractor.

4.7 Applications for Payment will not be approved unless all submittals required by the Contract documents, up to that point, are provided and "As-Built" record documents are maintained as required by Section 8.2.

Section 4. PAYMENTS WITHHELD

4.1. The County may decline to approve any Application for Payment, or portions thereof, because of subsequently discovered evidence or subsequent inspections. The County may nullify the whole or any part of any approval for payment previously issued and County may withhold any payments otherwise due Contractor under this Agreement or any other agreement between County and Contractor, to such extent as may be necessary in the County's opinion to protect it from loss because of: (a) defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the Work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the Work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the Work by the Contractor; or (g) any other material breach of the Contract Documents. If these conditions are not remedied or removed, County may, after three (3) days written notice, rectify the same at Contractor's expense. County also may offset against any sums due Contractor the amount of any liquidated or unliquidated obligations of Contractor to County, whether relating to or arising out of this Agreement or any other agreement between Contractor and County.

Section 5. FINAL PAYMENT

5.1. County shall make final payment to Contractor within forty- five (45) calendar days after the Work is finally inspected and accepted by County in accordance with Section 20.1 herein, provided that Contractor first, and as an explicit condition precedent to the accrual of Contractor's right to final payment, shall have furnished County with a properly executed and notarized copy of the Release and Affidavit attached as Exhibit D, as well as, a duly executed copy of the Surety's consent to final payment and such other documentation that may be required by the Contract Documents or the County.

5.2. Contractor's acceptance of final payment shall constitute a full waiver of any and all claims by Contractor against County arising out of this Agreement or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final Application for Payment. Neither the acceptance of the Work nor payment by County shall be deemed to be a waiver of County's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the County at the time of final inspection.

Section 6. SUBMITTALS AND SUBSTITUTIONS

6.1. Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. When submitted for the Engineer's review, Shop Drawings shall bear the Contractor's certification that the Contractor has reviewed, checked, and approved the Shop Drawings and that they are in conformance with the requirements of the Contract Documents. Contractor shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

6.2. Prior to submitting its first Application for Payment, Contractor shall provide to County a DVD format showing the pre-existing conditions located within the limits of construction.

6.3. Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by County if sufficient information is submitted by Contractor to allow the County to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by County from anyone other than Contractor and all such requests must be submitted by Contractor to County within thirty (30) calendar days after Notice to Proceed is received by Contractor.

6.4. If Contractor wishes to furnish or use a substitute item of material or equipment, Contractor shall make application to the County for acceptance thereof, certifying that the proposed substitute shall perform adequately the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Contractor's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with County for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the County in evaluating the proposed substitute. The County may require Contractor to furnish at Contractor's expense additional data about the proposed substitute.

6.5. If a specific means, method, technique, sequence or procedure of construction is indicated in or required by the Contract Documents, Contractor may furnish or utilize a substitute means, method, sequence, technique or procedure of construction acceptable to the County, if Contractor submits sufficient information to allow the County to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by the County shall be the same as those provided herein for substitute materials and equipment.

6.6. The County shall be allowed a reasonable time within which to evaluate each proposed substitute. The County shall be the sole judge of acceptability, and no substitute will be ordered, installed or utilized without the County's prior written acceptance, which shall be evidenced by either a Change Order or an approved Shop Drawing. The County may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitute.

Section 7. DAILY REPORTS, AS-BUILTS, AND MEETINGS

7.1. Unless waived in writing by County, Contractor shall complete and submit, along with its Application for Payment, to the County on a monthly basis a daily log of the Contractor's work for the preceding month in a format approved by the County. The daily log shall document all activities of Contractor at the Project site including, but not limited to, the following:

7.1.1. Weather conditions showing the high and low temperatures during work hours, the amount of precipitation received on the Project site, and any other weather conditions

which adversely affect the Work;

7.1.2. Soil conditions which adversely affect the Work;

7.1.3. The hours of operation by Contractor's personnel and subcontractor's personnel;

7.1.4. The number of Contractor's and subcontractor's personnel present and working at the Project site, by subcontract and trade;

7.1.5. All equipment present at the Project site, description of equipment use and designation of time equipment was used (specifically indicating any down time);

7.1.6. Description of Work being performed at the Project site;

7.1.7. Any unusual or special occurrences at the Project site;

7.1.8. Materials received at the Project site

The daily log shall not constitute nor take the place of any notice required to be given by Contractor to County pursuant to the Contract Documents.

7.2. Contractor shall maintain in a safe place at the Project site one record copy of the Contract Documents, as well as all shop drawings and other Contractor submittals and all written interpretations and clarifications issued by the County, in good order and annotated to show all changes made during construction. The annotated drawings shall be continuously updated by the Contractor throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Work Directive Changes and Field Orders, and all concealed and buried installations of piping, conduit and utility services. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the annotated drawings as to depth and in relationship to not less than two (2) permanent features (e.g. interior or exterior wall faces). The annotated drawings shall be clean and all changes, corrections and dimensions shall be given in a neat and legible manner in a contrasting color. The "As-Built" record documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to County for reference. Upon completion of the Work, and as a condition precedent to Contractor's entitlement to final payment, these "As-Built" record documents, samples and shop drawings shall be delivered to County by Contractor.

7.3. Contractor shall keep all records and supporting documentation which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed, whichever is later. County, or any duly authorized agents or representatives of County, shall have the right to audit, inspect and copy all such records and documentation as often as they deem necessary during the period of this Agreement and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 8. CONTRACT TIME AND TIME EXTENSIONS

8.1. Contractor shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and material men, as well as coordinating its Work with all work of others at the Project Site, so that its Work or the work of others shall not be delayed or impaired by any act or omission of Contractor. Contractor shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as

coordination of all portions of the Work under the Contract Documents.

8.2. Should Contractor be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall notify the County in writing within forty-eight (48) hours after the commencement of such delay. Written supporting data with specific details of Contractor operations, which were delayed, shall be submitted to the County within fifteen (15) calendar days after the occurrence of the delay, unless the County grants additional time in writing for such submittals, or else the Contractor shall be deemed to have waived any right which Contractor may have had to request a time extension.

8.3. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damages For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

8.4. Requests for delays due to adverse weather conditions shall meet all of the following conditions:

8.4.1. Contractor notified the County in writing within forty-eight (48) hours of the delay.

8.4.2. The weather was unusual as documented by supporting data.

8.4.3. The weather did have an adverse impact on the contractor’s schedule (critical path only).

8.4.4. The Contractor and inspector’s daily logs corroborate the adverse impact. Where a conflict exists between the weather data and the daily reports, the daily reports will take precedence.

Section 9. CHANGES IN THE WORK

9.1. County shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Contractor shall submit an itemized estimate of any cost and/or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of County, and County shall not be liable to the Contractor for any increased compensation without such written order. No officer, employee or agent of County is authorized to direct any extra or changed work orally.

9.2. A Construction Change Order, in the form attached as **Exhibit F** to this Agreement, shall be issued and executed promptly after an agreement is reached between Contractor and County concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as County and Contractor shall mutually agree.

9.3. If County and Contractor are unable to agree on a Change Order for the requested change, Contractor shall, nevertheless, promptly perform the change as directed by County in a written

Work Directive Change. In that event, the Contract Amount and Contract Time shall be adjusted as directed by County. If Contractor disagrees with the County's adjustment determination, Contractor must make a claim pursuant to Section 11 of these General Conditions or else be deemed to have waived any claim on this matter it might otherwise have had.

9.4. In the event a requested change results in an increase to the Contract Amount, the amount of the increase shall be limited to the Contractor's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit. In the event such change Work is performed by a Subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all Subcontractors' and sub-subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the Contractor for all of its overhead and profit, for a total maximum markup of fifteen percent (15%). All compensation due Contractor and any Subcontractor or sub-subcontractor for field and home office overhead is included in the markups noted above.

9.5. County shall have the right to conduct an audit of Contractor's books and records to verify the accuracy of the Contractor's claim with respect to Contractor's costs associated with any Change Order.

9.6. The County shall have authority to order minor changes in the Work not involving an adjustment to the Contract Amount and not inconsistent with the intent of the Contract Documents. Such changes may be affected by Field Order or by other written order. Such changes shall be binding on the Contractor.

Section 10. CLAIMS AND DISPUTES

10.1. A Claim is a demand or assertion by one of the parties seeking an adjustment or interpretation of the terms of the Contract Documents, payment of money, extension of time or other relief with respect to the terms of the Contract Documents. The term "Claim" also includes other disputes and matters in question between County and Contractor arising out of or relating to the Contract Documents. The responsibility to substantiate a Claim shall rest with the party making the Claim.

10.2. Claims by the Contractor shall be made in writing to the County within forty-eight (48) hours after the first day of the event giving rise to such Claim or else the Contractor shall be deemed to have waived the Claim. Written supporting data shall be submitted to the County within fifteen (15) calendar days after the occurrence of the event, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived the Claim. All claims shall be priced in accordance with the provisions of Subsection 10.4.

10.3. The Contractor shall proceed diligently with its performance as directed by the County, regardless of any pending Claim, action, suit or administrative proceeding, unless otherwise agreed to by the County in writing. County shall continue to make payments in accordance with the Contract Documents pending Claim.

Section 11. OTHER WORK

11.1. County may perform other work related to the Project at the site by County's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, notice thereof will be given to Contractor. If Contractor believes that such performance will involve additional expense to Contractor or require additional time, Contractor shall send written notice of that fact with specific details of anticipated costs and delays to County within forty-eight (48) hours of being notified of

the other work. Written supporting data of actual need for additional time or additional expense, shall be submitted to the County within fifteen (15) calendar days after completion of other work, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived any right which Contractor may have had to request a time extension or adjustment to the Contract Amount.

11.2. Contractor shall afford each utility owner and other contractor (or County, if County is performing the additional work with County's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Contractor shall do all cutting, fitting and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating or otherwise altering their work and will only cut or alter their work with the written consent of the County and the others whose work will be affected.

11.3. If any part of Contractor's Work depends for proper execution or results upon the work of any other contractor or utility owner (or County), Contractor shall inspect and promptly report to County in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Contractor's failure to report will constitute an acceptance of the other work as fit and proper for integration with Contractor's Work.

Section 12. INDEMNIFICATION AND INSURANCE

13.1 Contractor shall pay on behalf of or indemnify and hold harmless County and its agents, officers and employees from and against all liabilities, damages, losses, and costs, including attorney's and paralegal fees, incurred by County to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by anyone for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. Contractor's obligation as provided herein shall be limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor, and Contractor shall not be required to pay on behalf of or indemnify and hold harmless County where County's negligence, recklessness, or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's fees and paralegal fees.

County and Contractor agree one percent (1%) of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement.

Contractor agrees that such indemnification by Contractor relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any applicable statutes of limitations thereafter. Contractor's obligation to indemnify shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

13.2 Contractor shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in Exhibit C to the Agreement.

All insurance policies shall be from responsible companies duly authorized to do business in the State of Florida and/or responsible risk retention group insurance companies, which are registered with the State of Florida. All commercial insurance carriers providing the Contractor with required insurance shall be a minimum financial size category of VII according to the AM Best Rating Guide, latest edition. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Within ten (10) calendar days after Notice of Award is received by Contractor and prior to the commencement of work, Contractor shall provide County with properly executed Certificates of Insurance to evidence Contractor's compliance with the insurance requirements of the Contract Documents. Said Certificates of Insurance shall be on forms approved by County, such as "Acord Form 25". The Certificates of Insurance shall be personally, manually signed by the authorized representatives of the insurance company/companies shown on the Certificates of Insurance, with proof that they are authorized representatives thereof. Certificates of Insurance shall be mailed to Escambia County in care of: Purchasing Manager, Purchasing Division, P.O. Box 1591, Pensacola, Florida 32597-1591. In addition, certified, true and exact copies of all insurance policies required hereunder shall be provided to County, on a timely basis, when requested by County.

13.3 The Certificates of Insurance and required insurance policies shall contain provisions that thirty (30) days' prior written notice by registered or certified mail shall be given County of any cancellation, intent not to renew, or reduction in the policies or coverages, except in the application of the aggregate limits provisions. In the event of a reduction in the aggregate limit of any policy, Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

13.3 All insurance coverages of the Contractor shall be primary to any insurance or self-insurance program carried by the County applicable to this Project. The acceptance by County of any Certificate of Insurance does not constitute approval or agreement by the County that the insurance requirements have been satisfied or that the insurance policy shown on the Certificate of Insurance is in compliance with the requirements of the Contract Documents. No work shall commence at the Project site unless and until the required Certificates of Insurance are received by the County.

13.4 Contractor shall require each of its subcontractors to procure and maintain, until the completion of the subcontractor's work, insurance of the types and to the limits specified in **Exhibit C**, unless such insurance requirements for the subcontractor is expressly waived in writing by the County. All liability insurance policies, other than professional liability, worker's compensation and employer's liability policies, obtained by Contractor to meet the requirements of the Contract Documents shall name Escambia County as an additional insured and shall contain Severability of Interest provisions. Escambia County shall also be designated as certificate holder with the address of P. O. Box 1591, Pensacola, Florida 32597-1591. If any insurance provided pursuant to the Contract Documents expires prior to the completion of the Work, renewal Certificates of Insurance and, if requested by County, certified, true copies of the renewal policies shall be furnished by Contractor within thirty (30) days prior to the date of expiration.

13.5 All liability policies shall be underwritten on the "occurrence" basis, unless otherwise approved in writing by the County Division of Risk Management. "Claims made" policies, if approved by the Risk Manager, and subsequent insurance certificates shall provide a "retro-date" which shall include the effective date of the contract. "Claims-made" renewals or carrier and policy replacements shall reflect the original "retro-date."

13.6 Should at any time the Contractor not maintain the insurance coverages required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverages and charge the Contractor for such coverages purchased. The County shall be

under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverages shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

13.7 Contractor shall submit to County a copy of all accident reports arising out of any injuries to its employees or those of any firm or individual to whom it may have subcontracted a portion of the Work, or any personal injuries or property damages arising or alleged to have arisen on account of any work by Contractor under the Contract Documents.

13.8 Duty to Provide Legal Defense. Contractor shall pay for and provide a legal defense for the County, which shall include attorneys' fees and costs, both of which will be done only if and when requested by the County, for all liabilities, damages, losses, and costs as described in paragraph 13.1 above. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

Section 13. COMPLIANCE WITH LAWS

14.1 Contractor agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, regulations and requirements applicable to the Project, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety. If Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify County in writing. Compliance with the above laws shall include but is not limited to: (1) the Occupational Safety and Health Act, 29 CFR 1910 and 1926, respectively, General Industry Standards and Construction Industry Standards, including regulations regarding Trenching and Shoring; (2) the Florida Workers' Compensation Law, Chapter 440, Florida Statutes; (3) Rules 38F and 38I, Florida Administrative Code; and (4) Section 102, Standard Specifications for Road and Bridge Construction, Florida Department of Transportation.

14.2 EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY): In accordance with State of Florida, Office of the Governor, Executive Order 11-116 (superseding Executive Order 11-02; Verification of Employment Status), in the event performance of this Agreement is or will be funded using state or federal funds, the CONTRACTOR must comply with the Employment Eligibility Verification Program ("E-Verify Program") developed by the federal government to verify the eligibility of individuals to work in the United States and 48 CFR 52.222-54 (as amended) is incorporated herein by reference. If applicable, in accordance with Subpart 22.18 of the Federal Acquisition Register, the CONTRACTOR must (1) enroll in the E-Verify Program, (2) use E-Verify to verify the employment eligibility of all new hires working in the United States, except if the CONTRACTOR is a state or local government, the CONTRACTOR may choose to verify only new hires assigned to the Agreement; (3) use E-Verify to verify the employment eligibility of all employees assigned to the Agreement; and (4) include these requirement in certain subcontracts, such as construction. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Section 14. CLEANUP AND PROTECTIONS

14.1. Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. At the completion of the Work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy by County. Non-compliance with directives of this section may serve as a basis of rejection of Application for Payment.

14.2. Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Contract Documents to be removed or altered, shall be protected by Contractor from damage during the prosecution of the Work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the Work.

Section 15. ASSIGNMENT

15.1. Contractor shall not assign this Agreement or any part thereof, without the prior consent in writing of County. If Contractor does, with approval, assign this Agreement or any part thereof, it shall require that its assignee be bound to it and to assume toward Contractor all of the obligations and responsibilities that Contractor has assumed toward County.

Section 16. PERMITS, LICENSES AND TAXES

16.1. Except as noted in paragraph 17.2 below, all permits and licenses necessary for the prosecution of the Work shall be procured and paid for by Contractor. All permits or fees, including but not limited to, all license fees, permit fees, impact fees or inspection fees payable by Contractor to County have been disclosed to Contractor in the bidding documents or other request for proposal at the time the Project was let for bid. If Contractor performs any Work without obtaining, or contrary to, such permits or licenses, Contractor shall bear all costs arising there from. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the Work.

16.2. Permits required for the Work from FDOT, FDEP, the Army Corps of Engineers, and any archeological permitting agency will be paid for and obtained by the County.

16.3. Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work.

Section 17. TERMINATION FOR DEFAULT

17.1. Contractor shall be considered in material default of the Agreement and such default shall be considered cause for County to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the County or as provided for in the approved Progress Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws,

ordinances, rules or regulations with respect to the Work; or (10) materially breaches any other provision of the Contract Documents.

17.2. County shall notify Contractor in writing of Contractor's default(s). If County determines that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice, then County, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's Work by whatever means, method or agency which County, in its sole discretion, may choose.

17.3. If County deems any of the foregoing remedies necessary, Contractor agrees that is shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by County incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, and this obligation for payment shall survive termination of the Agreement.

17.4. The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefore or re-letting the Work, in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder.

17.5. If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that County is not entitled to the remedies against Contractor provided herein, then Contractor's remedies against County shall be the same as and limited to those afforded Contractor below under Subsection 19.1, Termination for Convenience.

17.6. If the Contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Contractor in conjunction with this Agreement then the County may, without prejudice to any right or remedy and after giving the Contractor and his surety, if any, seven (7) days' written notice, during which period Contractor still fails to allow access, terminate the employment of the Contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the Contractor, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the Project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontract work).

Section 18. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION

18.1. County shall have the right to terminate this Agreement without cause upon seven (7) calendar days written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against County shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

18.2. County shall have the right to suspend all or any portions of the Work upon giving Contractor two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

Section 19. COMPLETION

19.1. Upon receipt of written notice, the County will ascertain whether the work or designated portions thereof are ready for the Engineer's substantial completion inspection. From the Engineer's list of incomplete or unsatisfactory items, a schedule for the County's review will be prepared for their completion indicating such completion dates. The County will issue a Certificate of Substantial Completion when the work on the punch list has been accomplished.

19.2. Upon receipt of written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the County shall promptly make such inspection and, if it finds the work acceptable and fully performed under the Contract Documents, shall promptly issue a Certificate of Final Completion and Recommendation for Payment, stating that, on the basis of observations and inspections, the Work has been completed in accordance with the terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor is due and payable. The final payment shall not become due and payable until Contractor submits: (1) the Release and Affidavit in the form attached as **Exhibit D**, (2) consent of surety to final payment, (3) if required by County, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by County, and (4) a published copy of the Notice of Completion as provided for in this section. County reserves the right to inspect the Work and make an independent determination as to the Work's acceptability. Unless and until the County is completely satisfied, the final payment shall not become due and payable.

19.3. After the Work is ready for final inspection and acceptance by the County, a legal advertisement must be published by the Contractor in a local newspaper of a general countywide circulation at least thirty (30) days before final payment shall be made. Example of such publication is as follows:

Legal Notice of Completion

Notice is hereby given that the undersigned Contractor has completed and has ready for acceptance by the Board of County Commissioners of Escambia County, Florida, the following construction project:

_____
(Project Name and Address)

_____
(Legal Name and Address - entity of the Contractor)

Subcontractors, material men, and other persons having payment claims against the Contractor relating to this project should govern themselves accordingly.

Section 20. WARRANTY

20.1. Contractor shall obtain and assign to County all express warranties given to Contractor or any subcontractors by any material men supplying materials, equipment or fixtures to be incorporated into the Project. Contractor warrants to County that any materials and equipment furnished under the Contract Documents shall be new unless otherwise specified, and that all Work shall be of good quality, free from all defects and in conformance with the Contract Documents. Contractor further warrants to County that all materials and equipment furnished under the Contract Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Contract Documents. If, within two (2) years after substantial completion and acceptance, any Work is found to be defective or not in conformance with the Contract Documents, Contractor shall correct it promptly after receipt of written notice from County. Contractor shall also be responsible for and pay for replacement or repair of adjacent materials or Work, which may be damaged as a result of such replacement or repair. These warranties are in addition to those implied warranties to which County is entitled as a matter of law. The Performance Bond shall remain in full force and effect throughout the two (2) year Warranty Period.

Section 21. PROJECT LAYOUT AND CONTROL

21.1. Engineer will provide survey control, referencing beginning and ending stations, P.C.'s, P.T.'s and intermediate stations at 500-foot intervals. Staking is to be set along control line (base line or centerline of right-of-way, as indicated on plans) or at an offset determined by the Engineer. Bench Marks will be provided at intervals no greater than 1000 feet. The Engineer at the Contractor's expense shall replace any of these points, which are disturbed or destroyed by the Contractor.

21.2. Contractor shall employ a competent Engineer or Land Surveyor licensed in the State of Florida familiar with construction control procedures to lay out all other parts of the work, and to establish all points, grades and levels necessary to locate the work. The Contractor shall be held responsible for all mistakes that may be caused by his incorrect layout and grade spotting work, or caused by the loss or disturbance of the Engineer's layout work.

21.3. Should the Contractor in the course of the work find that the points, grades, and levels which are shown upon the Drawings are not conformable to the physical conditions of the locality at the proposed work or structure, he shall immediately inform the Engineer of the discrepancy between the actual physical conditions of the locality of the proposed work, and the points, grades and levels which are shown on the Drawings. No claim shall be made by the Contractor against the Owner for compensation or damage by reasons for failure of the Engineer to represent upon said Drawings, points, grades and levels conformable to the actual physical conditions of the locality of the proposed work.

Section 22. TESTS AND INSPECTIONS

22.1. County, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide County with timely notice of readiness of the Work for all required inspections, tests or approvals.

22.2. If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Contractor shall assume full responsibility therefore, pay all costs in connection therewith and furnish County the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the County.

22.3. If any Work that is to be inspected, tested or approved is covered without written concurrence from the County, such work must, if requested by County, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given County timely notice of Contractor's intention to cover the same and County has not acted with reasonable promptness to respond to such notice. If any Work is covered contrary to written directions from County, such Work must, if requested by County, be uncovered for County's observation and be replaced at Contractor's sole expense.

22.4. Neither observations by the County nor inspections, tests or approvals by others shall relieve Contractor from Contractor's obligations to perform the Work in accordance with the Contract Documents.

22.5. Prior to payment for any Work for which testing is specified, Contractor shall provide the County a copy of reasonably acceptable test results relating to such work as required by the technical specifications of the solicitation.

Section 23. DEFECTIVE WORK

23.1. Work not conforming to the requirements of the Contract Documents shall be deemed defective Work. If required by County, Contractor shall, as directed, either correct all defective Work, whether or not fabricated, installed or completed, or, if the defective Work has been rejected by County, remove it from the site and replace it with acceptable Work. Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold County harmless for same.

23.2. If the County considers it necessary or advisable that covered Work be observed by County or inspected or tested by others, Contractor, at County's request, shall uncover, expose or otherwise make available for observation, inspection or tests as County may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and County shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

23.3. If any portion of the Work is defective, or Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the Work in such a way that the completed Work will conform to the Contract Documents, County may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, this right of County to stop the Work shall not give rise to any duty on the part of County to exercise this right for the benefit of Contractor or any other party.

23.4. Should the County determine, at its sole opinion, it is in the County's best interest to accept defective Work, the County may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the County's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents and reflecting an appropriate decrease in the Contract Amount. If the County accepts such defective Work after final payment, Contractor at the discretion of the County shall promptly pay County an appropriate amount to adequately compensate County for its acceptance of the defective Work or shall increase in the Work's warranty period beyond two (2) years.

23.5. If Contractor fails, within a reasonable time after the written notice from County, to correct defective Work or to remove and replace rejected defective Work as required by County, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any of the provisions of the Contract Documents, County may, after seven (7) days' written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, County may exclude Contractor from any or all of the Project site, take possession of all or any part of the Work, and suspend Contractor's services related thereto, take possessions of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which County has paid Contractor but which are stored elsewhere. Contractor shall allow County, and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable County to exercise the rights and remedies under this Subsection. All direct, indirect and consequential costs of

County in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or others destroyed or damaged by correction, removal or replacement of Contractor's defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by County of County's rights and remedies hereunder.

Section 24. SUPERVISION AND SUPERINTENDENTS

24.1. Contractor shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Contractor shall be responsible to see that the finished Work complies accurately with the Contract Documents. Contractor shall keep on the Work at all times during its progress a competent resident superintendent acceptable to the County, who shall not be replaced without prior written notice to County except under extraordinary circumstances. The resident superintendent shall possess Florida Department of Transportation approved training and certifications applicable to the Work, including but not limited to National Pollutant Discharge Elimination System (NPDES) Stormwater Management and Maintenance of Traffic Control Devices. The superintendent shall be Contractor's representative at the Project site and shall have authority to act on behalf of Contractor. All communications given to the superintendent shall be as binding as if given to the Contractor. County shall have the right to direct Contractor to remove and replace its Project superintendent, with or without cause.

Section 25. PROTECTION OF WORK

25.1. Contractor shall fully protect the Work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made. If Contractor, or any one for whom Contractor is legally liable, is responsible for any loss or damage to the Work, or other work or materials of County or County's separate contractors, Contractor shall be charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due Contractor.

25.2. Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent property to stresses or pressures that will endanger it.

Section 26. EMERGENCIES

26.1. In the event of an emergency affecting the safety or protection of persons or the Work or property at the Project site or adjacent thereto, Contractor, without special instruction or authorization from County is obligated to act to prevent threatened damage, injury or loss. Contractor shall give County written notice within forty-eight (48) hours after the occurrence of the emergency, if Contractor believes that any significant changes in the Work or variations from the Contract Document have been caused thereby. If the County determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Contractor fails to provide the forty-eight (48) hour written notice noted above, the Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Contract Amount or an extension to the Contract Time.

Section 27. USE OF PREMISES

27.1. Contractor shall confine all construction equipment, the storage of materials and equipment and the operations of workers to the Project site and land and areas identified in and permitted by the Contract Documents and other lands and areas permitted by law, rights of way, permits and easements, and shall not unreasonably encumber the Project site with construction equipment or other material or equipment. Contractor shall assume full responsibility for any damage to any such land or area, or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the Work.

27.2. Contractor shall provide and maintain in a neat, sanitary condition such accommodation for the use of his employees as may be necessary to comply with the regulations of the State Board of Health or other bodies having jurisdiction. He shall commit no public nuisance.

Section 28. SAFETY

28.1. The Contractor shall designate in writing the individual responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the Work. The Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to:

28.1.1. All employees of the Work and other persons and/or organizations who may be affected thereby;

28.1.2. All the Work and materials and equipment to be incorporated therein, whether in storage on or off the Project site; and

28.1.3. Other property on Project site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, utilities and any underground structures or improvements not designated for removal, relocation or replacement in the contract documents.

28.2. The Contractor shall comply with all applicable codes, laws, ordinances, rules and regulations of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury or loss. The Contractor shall erect and maintain all necessary safeguards for such safety and protection. The Contractor shall notify owners of adjacent property and of underground structures and improvements and utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation or replacement of their property. Contractor's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by County has occurred.

29.3 The Contractor shall designate a responsible representative at the Project site whose duty shall be the prevention of accidents. This person shall be Contractor's superintendent unless otherwise designated in writing by the Contractor to the County.

29.4 The Contractor shall adhere at all times to the minimum safety guidelines for construction and renovation projects as set out in **Exhibit C** of this Agreement.

Section 30. PROJECT MEETINGS

Prior to the commencement of Work, the Contractor shall attend a pre-construction conference

with the County to discuss the Progress Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the prosecution of the Work, the Contractor shall attend any and all meetings convened by the County with respect to the Project, when directed to do so by County. Contractor shall have its subcontractors and suppliers attend all such meetings (including the pre-construction conference) as may be directed by the County.

EXHIBIT B
PERFORMANCE AND PAYMENT BOND

BOND NO. _____

PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS: That

_____

_____

(Insert name, address, and phone number of contractor), as Principal, and

_____

_____

_____, (Insert full name, home office address and phone number of surety) as Surety, are held and firmly bound unto the Board of County Commissioners for Escambia County, Florida, 221 Palafox Place, Pensacola, Florida 32597-1591, (850) 595-4900, as Obligee in the sum of

_____

____ Dollars ($_____), for the payment whereof we bind ourselves, our heirs, executors, personal representatives, successors and assigns, jointly and severally, firmly by these present.

WHEREAS, Principal has entered into a contract dated as of the _____ day of_____, 20____, with Obligee for Contract No._____,_____

_____

_____

(Insert name of project, including legal description, street address of property and general description of improvement) in accordance with drawings and specifications, which contract is by reference made a part hereof, and is hereinafter referred to as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

1. Performs the Contract at the times and in the manner prescribed in the Contract; and

2. Pays Obligee any and all losses, damages, costs and attorneys' fees that Obligee sustains because of any default by Principal under the Contract; and

3. Performs the guarantee of all work and materials furnished under the Contract applicable to the work and materials, then this bond is void; otherwise it remains in full force; and

4. Principal understands and agrees that this bond shall remain in full force and effect throughout the two (2) year warranty period after substantial completion of the work.

The Surety, for value received, hereby stipulates and agrees that no changes, extensions of time, alterations or additions to the terms of the Contract or other work to be performed hereunder, or the specifications referred to therein shall in anywise affect its obligation under this bond, and it does hereby waive notice of any such changes, extensions of time, alterations or additions to the terms of the Contract or to work or to the specifications.

This instrument shall be construed in all respects as a common law bond.

In no event will the Surety be liable in the aggregate to Obligee for more than the penalty sum of this Performance Bond, regardless of the number of suits that may be filed by Obligee.

IN WITNESS WHEREOF, the above parties have executed this instrument this _____ day of _____, 20____, the name and corporate seal of each corporate party being hereto affixed and these premises duly signed by its undersigned representative, pursuant to authority of its governing body.

_____

_____

said Contract being made a part of this Bond by this reference.

NOW, THEREFORE, THE CONDITION OF THIS BOND IS THAT IF THE PRINCIPAL:

1. Performs the contract dated _____, _____, between Principal and County for construction of _____, the contract being made a part of this bond by reference, at the times and in the manner prescribed in the contract; and

2. Promptly makes payments to all claimants, as defined in Section 255.05(1), Florida Statutes, supplying Principal with labor, materials, or supplies, used directly or indirectly by Principal in the prosecution of the work provided for in the contract; and

3. Pays County all loses, damages, expenses, costs, and attorney's fees, including appellate proceedings, that the County sustains because of a default by Principal under the contract; and

4. Performs the guarantee of all work and materials furnished under the contract for the time specified in the contract, then this bond is void; otherwise it remains in full force.

Any action instituted by a claimant under this bond for payment must be in accordance with the

notice and time limitation provisions in Section 255.05(2), Florida Statutes.

BE IT FURTHER KNOWN:

1. Any changes in or under the Contract and compliance or noncompliance with any formalities connected with the said Contract or alterations which may be made in the terms of the said Contract, or in the work to be done under it, or the giving by the County of any extension of time for the performance of the said Contract, or any other forbearance on the part of the County or Principal to the other, shall not in any way release the Principal and the Surety, or either of them, their heirs, personal representatives, successors or assigns from liability hereunder, notice to the Surety of any such changes, alterations, extensions or forbearance being hereby waived.

2. Certain claimants seeking the protection of this Bond must timely comply with the strict requirements set forth in Section 255.05, Florida Statutes, and as otherwise provided by law.

3. As concerns payment for labor, materials and supplies, as affects certain claimants, no legal action shall be instituted against the Principal or Surety on this Bond after one (1) year from the performance of labor or the completion of delivery of the materials or supplies as is specifically mandated pursuant to Section 255.05, Florida Statutes.

THIS BOND DATED THE _____ DAY OF _____, 20____ (the date of issue by the Surety or by the Surety's agent and the date of such agents power-of-attorney).

EXHIBIT C
INSURANCE AND SAFETY

INSURANCE - BASIC COVERAGES REQUIRED

The Contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such on policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the Contract Documents, whether such services, work and operations be by the Contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The Contractor shall require, and shall be responsible for assuring throughout the time the Agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the Contractor. The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the Contractor's interests or liabilities, but are merely minimums.

Except for workers compensation and professional liability, the Contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The Contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The Contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The Contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the Contractor or any other insurance of the Contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations, which arise out of this agreement, contract or lease.

Workers Compensation Coverage
The Contractor shall purchase and maintain workers compensation insurance for all workers compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid

certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

General, Automobile and Excess Or Umbrella Liability Coverage

The Contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the Commercial General Liability and Business Auto policies of the Insurance Services Office.
Minimum limits of $1,000,000 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employers liability required in the Workers Compensation Coverage section) and the total amount of coverage required.

General Liability Coverage - Occurrence Form Required
Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The Contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

Business Auto Liability Coverage
Business Auto Liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

Excess or Umbrella Liability Coverage
Umbrella Liability insurance is preferred, but an Excess Liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

Evidence/Certificates of Insurance
Required insurance shall be documented in Certificates of Insurance. If and when required by the County, Certificates of Insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the Certificate of Insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverages(s) indicated on each Certificate of Insurance.

New Certificates of Insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the Contractor to provide the County with such renewal certificates may be

considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information.

1. Indicate that Escambia County is an additional insured on the general liability policy.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of $1,000.
4. Designate Escambia County as the certificate holder as follows:

Escambia County
Attention: Jeffrey Lovingood, Purchasing Coordinator
Office of Purchasing
213 Palafox Place, Second Floor
Pensacola, FL 32502
Email: Purchasing@myescambia.com

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the Contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the Contractor shall furnish complete copies of the Contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For Commercial General Liability coverage, the Contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

MINIMUM PROJECT SAFETY REQUIREMENTS

The following safety requirements represent the minimum condition, which shall be met by all Contractors and subcontractors performing work for Escambia County: Reported or observed violations of Federal and State laws and regulations, or County ordinances shall be brought to the attention of the County project manager and County's Department of Safety and Risk Services and shall be immediately corrected by the Contractor. Additionally, the County may order work to be stopped if conditions exist that present immediate danger to persons or property. The Contractor acknowledges that any such stoppage will not shift responsibility for any damages from the Contractor to the County. Failure to comply with required safety procedures shall result in the suspension of the Work of the Contractor until such time as his operations are brought into compliance. Items which are not corrected or that are disputed by the Contractor may be referred by the County's Department of Safety and Risk Services for inspection or interpretation. The Contractor shall take reasonable precautions for work place safety and shall provide reasonable protection to prevent damage, injury, or loss to employees on the work site and to other persons who may be affected by the Work.

(1) Prior to the commencement of the project, the Contractor and all subcontractors shall provide to the County a written copy of their respective safety and health plans for review as part of the pre-submittal bid package.

(2) The Contractor shall establish and maintain an access control system at the work site, including a daily sign-in log, for all visitors, including County and regulatory personnel. Prior to commencement of construction, the project manager may designate specific individuals for routine access so that their duties are not impeded. All visitors that are not pre-approved for admittance shall be escorted through the project by either a Contractor representative or by the project manager or designee.

(3) The Contractor shall provide all necessary safety equipment for County staff, employees, and visitors to enter the work site. This equipment may include hard hats, hearing protection, safety glasses, or any other safety items deemed necessary by the Contractor or required by State or Federal safety regulations.

(4) Construction vehicles on the work site shall always be operated in a safe manner. The Contractor shall take appropriate action to ensure the safety of County staff, visitors, and the general public while operating work vehicles at a "controlled" construction site. Where conditions warrant, or at the request of the County, temporary barriers shall also be established for these traffic areas.

(5) The Contractor shall prominently mark the work site and ensure its security. Site security shall include appropriate fencing, barricades, warning tape, covered walkways and warning signs. In no instance shall a work site be accessible, without obvious warning, to County staff, visitors, or the general public. At a minimum, the project site shall be posted with the appropriate trespass warning signs as specified in Section 810.09(2)(d), Florida Statutes: THIS AREA IS A DESIGNATED CONSTRUCTION SITE; ANYONE TRESPASSING ON THIS PROPERTY SHALL, UPON CONVICTION, BE GUILTY OF A FELONY; "A DANGER, CONSTRUCTION SITE. AUTHORIZED PERSONNEL ONLY," and other general safety warning signs, i.e., "HARD HAT AREA," as are deemed necessary by the Contractor and project manager.

(6) In the event barricading of a work site is not feasible, alternative measures may be used upon prior approval by the County safety Office. Alternative measures may include, but are not limited to, working during "off 'hours such as nights, weekends, or holidays, or the providing of temporary accommodations for building occupants (to be prearranged, if necessary, at the discretion of the County).

(7) The Contractor shall ensure compliance with all fire safety codes at the work site, especially as to egress, during the construction phase of an occupied facility. In no instance, (except where impractical and with the prior approval of the County's Department of Safety and Risk Services and the appropriate life safety code inspector), shall the life safety code components of an occupied facility be reduced or otherwise compromised.

A set of these construction plans, with a signature of approval by the appropriate life safety code inspector, shall be kept at each construction site and available for routine inspection. The Contractor shall communicate with each subcontractor and County's Department of Safety and Risk Services as to scheduling of events that may pose hazards or inconveniences to building occupants. The Contractor shall also ensure that appropriate scheduling information is also conveyed to the project manager.

- When a project alters a building's fire protection compartment features, such as fire barriers, smoke barriers, or corridor walls, exits must provide free and unobstructed egress. Employees shall receive notice if any alternative exits have been designated. Buildings or areas under construction must maintain escape egress for construction workers at all times. These means of egress shall be inspected daily by the Contractor.

- When a project affects fire alarms, fire detection, or fire suppression systems, of a building that is occupied, the Contractor must ensure that such systems are not functionally impaired. Any temporary systems, which are installed, must be inspected and tested monthly by the Contractor. Employees must be notified when such temporary systems are in place.

- When any sources of ignition are present, such as welding torches, smoking by all persons shall be prohibited on any construction site and in any County facility.

(8) Noise, dust, and the use of chemical products may create inside health hazards at the work site to building occupants requiring that the Contractor to adhere to the following guidelines at a minimum:

(a) The Contractor shall initiate construction and engineering safety controls to minimize exposure of dusts, noise, and chemical odors to building occupants. These controls may involve the construction or use of temporary walls, plastic barriers, mechanical ventilation, elimination of make-up air returns from work areas, pressurizing occupied areas, or a combination of several methods. The Contractor shall coordinate all such engineering efforts with the project manager, and these control measures shall require prior approval by the County's Department of Safety and Risk Services. In cases where these efforts may not be feasible, alternative work schedules on evenings and weekends may be instituted as a part of this process.

(b) Material Safety Data Sheets (MSDS) shall be provided to the County's Department of Safety and Risk Services for all hazardous substances used on the project or brought on the job site. These products include, but are not limited to, paints, solvents, roofing compounds, and cleaning compounds.

(c) Appropriate precautions shall be taken to prevent occupant exposure to hazardous respirable dusts, contaminants, and fumes from welding, cutting, or drilling of concrete and masonry, or the operation of internal combustion engines. The Contractor shall also determine whether respirable crystalline silica, which is a potential carcinogen contained in many building products, is present at the work site. Control of dusts from these types of products and operations shall be an essential safety requirement for the Contractor.

(d) The Contractor should be aware of other buildings adjacent to his work areas and shall be prepared to take necessary actions to prevent the spread of dusts and fumes to those facilities.

(9) The Contractor shall ensure that all emergency notifications, including those for fires and medical needs, shall be promptly made by dialing County 911 dispatchers. The Caller should state the exact location of the work site emergency, the nature of the emergency, and specifically indicate if medical or fire services are needed.

(10) The Contractor agrees and understands that all County construction/renovation sites shall be subject to periodic inspection by life safety code inspectors, Florida Department of Labor and Employment Security, Division of Safety, Occupational Safety and Health Administration, Florida Department of Environmental Protection, Environmental Protection Agency, and other Federal, State, or County regulatory agencies.

(11) The Contractor shall provide adequate refuse containers for the disposal of construction debris. Refuse shall not be allowed to accumulate on the project site grounds, and the Contractor shall ensure that these containers are subsequently emptied on a regular basis.

(12) Water runoff and soil erosion from the project site shall be controlled by the Contractor pursuant to the regulations of the Florida Department of Environmental Protection.

(13) Water-based paint and stain products shall be used by the Contractor in the place of solvent-based products where the application so permits. Use of organic solvent-based products shall be used only where absolutely necessary and with the prior approval of the project manager. Lead-containing paints shall not be normally used or specified for any application. If the use of lead-containing paint is essential for a specific application, prior written approval from the County's Department of Safety and Risk Services shall be obtained before their use.

(14) The use of any products containing toxic metals, especially those regulated by Resource Conservation and Recovery Act (RCRA), (i.e. lead, chromium, barium, silver, arsenic,

cadmium, mercury, selenium), on the work site shall be avoided. Prior written approval for use of these metals shall be obtained by the Contractor from the County's Department of Safety and Risk Services.

(15) The use of any radioactive materials by the Contractor on project sites shall require pre-approval. Copies of appropriate certifications, licenses, testing, and inspection records shall be provided by the Contractor to the project manager and County's Department of Safety and Risk Services for review.

(16) The County contracts out the identification and abatement of asbestos containing building materials. Asbestos abatement can only be performed by state licensed asbestos abatement contractors. General contractors, therefore, shall not be authorized to remove or disturb any asbestos containing materials. Although efforts are made to identify or remove such asbestos containing materials prior to renovations, the possibility exists that asbestos materials may be encountered at a work site. If so, Contractors who encounter such materials shall immediately stop work and notify the project manager and the County's Department of Safety and Risk Services.

(17) The above-cited guidelines represent minimum expectations and actions, which shall be taken by Contractors while under contract for County construction and renovation projects. These guidelines are not all inclusive and will be revised as necessary. In the event these guidelines conflict with other contract documents, the most stringent application shall apply. Any questions or disputes should be brought to the immediate attention of the project manager and County's Department of Safety and Risk Services.

EXHIBIT D
RELEASE AND AFFIDAVIT

COUNTY OF ESCAMBIA
STATE OF FLORIDA

Before me, the undersigned authority, personally appeared _____, who after being duly sworn, deposes and says:

(1) In accordance with the Contract Documents and in consideration of $_____ paid, _____ ("Contractor") releases and waives for itself and its subcontractors, material men, successors and assigns, all claims demands, costs and expenses, whether in contract or in tort, against the Board of County Commissioners of Escambia County, Florida, ("County") relating in any way to the performance of the Agreement between Contractor and County dated _____, 20____, for the period from _____ to _____.

(2) Contractor certifies for itself and its subcontractors, material men, successors and assigns, that all charges for labor, materials, supplies, lands, licenses and other expenses for which County might be sued or for which a lien or a demand against any payment bond might be filed, have been fully satisfied and paid.

(3) Contractor agrees to indemnify, defend and save harmless County from all demands or suits, actions, claims of liens or other charges filed or asserted against the County arising out of the performance by Contractor of the Work covered by this Release and Affidavit.

(4) This Release and Affidavit is given in connection with Contractor's (monthly/final) Application for Payment No. _____.

EXHIBIT G
PAYMENT ADJUSTMENT - BITUMINOUS MATERIALS.

1. The bid unit price for Bituminous Material will be adjusted to reflect changes, both increases and decreases, in the Asphalt Index price of bituminous material from that in effect during the month in which bids were received for this contract. The Contractor will not be given the option to reject this cost adjustment of Bituminous Materials. This adjustment will be made in accordance with the following criteria:

1.1. Price adjustments will apply only to the price of bituminous material F. O. B. manufacturer's asphalt terminal and will not reflect variations in the cost of transportation from the terminal to the job site.

1.2. Price adjustments will be made for all bituminous material incorporated into asphalt pavement whether paid for under a separate bid item or under other items, which include the cost of bituminous material.

1.3. Price adjustments will not be made until the semi-final or final payment is made on the contract. The bid unit price for bituminous material will be used in preparing monthly progress payments.

1.4. No price adjustment reflecting any further increases in the cost of bituminous material will be made for any month after expiration of the allowable contract time, including any extensions that may be granted.

1.5. The adjusted unit price shall be calculated for the month during which the material was incorporated into the project in accordance with the following formula:

Pa ‘ PbX(Id-Ib) where:
Pa ‘ Adjusted unit price for Bituminous Material. (To be calculated separately for each month during which bituminous material is used and will reflect an increased or decreased price.)
Pb ‘ Bid unit price for Bituminous Material.
Id ‘ Asphalt Price Index during the month in which the material is incorporated into the project.
Ib ‘ Asphalt Price Index during the month in which bids were received for this contract.

1.6. The County will determine the Asphalt Price Index for each month. The Index shall be determined by averaging quotations in effect on the first day of the month at all terminals, which could reasonably be expected to furnish bituminous material to projects in the State of Florida.

1.7. A price adjustment will be made only when the current Asphalt Price Index varies by 5% or more from the Index that was applicable when bids were received or 5% or more from when the last previous adjustment was made.

The Asphalt Price Index to be used by the County will be that used by the Florida Department of Transportation, as available from them after the 15th of each month.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17800 **County Administrator's Report 12. 44.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Exercising the Second of Two Possible One-Year Renewal Periods Related to PD 14-15.083, Agreement for Medical Supplies
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning Exercising the Second of Two Possible One-Year Renewal Periods Related to PD 14-15.083, Agreement for Medical Supplies - John Dosh, Interim Public Safety Department Director, and Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve the exercising of the second of two possible one-year renewal periods provided for under Section 2 of the Agreement for Medical Supplies, with Bound Tree Medical, LLC, retroactive to January 7, 2020.

Vendor/Contractor	Funding	Amount	Contract Number
Bound Tree Medical, LLC	Fund 408, Emergency Medical Services; Cost Center 330302, EMS Operations; Object Code 55201, Operating Supplies	$82,000	PD 14-15.083

NON-ADA-COMPLIANT DOCUMENTS TO BE DISTRIBUTED UNDER SEPARATE COVER:

- Fully Executed Agreement with Bound Tree Medical, LLC

BACKGROUND:

The Invitation to Bid, PD 14-15.083 Medical Supplies, was advertised in the Pensacola News Journal on August 17, 2015. Three bids were received on November 16, 2015, for the multiple award contract for the purchase of medical supplies for the Public Safety Department. The previous renewal award on June 20, 2019, was only for Bound Tree Medical, LLC.

BUDGETARY IMPACT:

Vendor/Contractor	Funding	Amount	Contract Number
Bound Tree Medical, LLC	Fund 408, Emergency Medical Services; Cost Center 330302, EMS Operations; Object Code 55201, Operating Supplies	$82,000	PD 14-15.083

LEGAL CONSIDERATIONS/SIGN-OFF:

The original Agreement was prepared by Kristin Hual, Senior Assistant County Attorney.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

This recommendation is in compliance with the Code of Ordinances of Escambia County, Florida, 1999, Chapter 46, Finance, Article II, Purchases and Contracts.

IMPLEMENTATION/COORDINATION:

The Purchase Order will be issued by the Office of Purchasing.

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17778 **County Administrator's Report 12. 45.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Contract Award for Perdido Key Fire Station Concrete Repair
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator
CAO Approval:

RECOMMENDATION:

Recommendation Concerning the Contract Award for PD 19-20.017, Perdido Key Fire Station Concrete Repair - Cassie Boatwright, Director of Facilities Management and Paul Nobles, Purchasing Manager, Office Of Purchasing

That the Board approve and authorize the County Administrator to sign the Agreement Between Escambia County, Florida, and Empire Builders Group, Inc., per the terms and conditions of PD 19-20.017, Perdido Fire Station Concrete Repairs, for the base bid of $339,426.94, and Alternate 1 in the amount of $25,236.74, for a total contractual amount of $364,663.68.

Vendor/Contractor	Funding	Amount	Contract Number
Empire Builders Group, Inc.	Fund: 001, General Fund, Cost Center: 310204, Object Code: 53101/54601	$364,663.68	PD 19-20.017

81 suppliers were solicited, five compliant bids were received.

BACKGROUND:

Deficiencies in the existing concrete pavement require the replacement of some of the pavement as recommended by the design consultant. This project is for the repairs and replacement of a portion of the existing concrete pavement at the Perdido Key Fire Station. The Base Bid consists of demolition of the northeast quadrant of the existing parking lot, where most of the deficiencies were identified, and replacing it with 8 inches of reinforced concrete on 8 inches of graded aggregate base. A new vinyl sheet pile wall will be constructed around the perimeter of the parking area in order to better protect the existing system. There

were other areas that were identified as having less severe deficiencies, so they were bid out as alternates. Funding was available for the base bid and alternate. Base Bid, in the amount of $339,426.94, along with bid alternate number one, in the amount of $25,336.74, was selected, based on funding and priority, for a total of $364,663.68.

BUDGETARY IMPACT:

Vendor/Contractor	Funding	Amount	Contract Number
Empire Builders Group, Inc.	Fund: F001,Cost Center:310204, Object Code: 53101/54601	$364,663.68	PD 19-20.017

LEGAL CONSIDERATIONS/SIGN-OFF:

Attorney Standard Form of Contract, Form D, Paving & Drainage.

PERSONNEL:

All work associated with this Recomendation was by Facilities Management Department, a consultant used by Facilities, and the Office of Purchasing.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recomendation is in compliance with the Code of Ordinances of Escambia County, FL 1999, Chapter 46, Finance, Article 2 Purchases and Contracts.

IMPLEMENTATION/COORDINATION:

The Office of Purchasing will issue Attorney Standard Form of Contract, Form D, Paving and Drainage. George Bush, Escambia County Facilities Management Department, will be the Contract Administrator.

AGREEMENT BETWEEN ESCAMBIA COUNTY, FLORIDA AND EMPIRE BUILDERS GROUP, Inc. FOR STANDARD ROAD/DRAINAGE CONSTRUCTION CONTRACT DOCUMENTS.

THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, ("County"), hereby contracts with EMPIRE BUILDERS GROUP, Inc. , a corporation for profit, to perform all work ("Work") in connection with Perdido Key Fire Station Concrete Repairs as detailed in the attached Plans and Specifications and other Contract Documents hereafter specified.

SECTION 1. CONTRACT DOCUMENTS

A. The Contract Documents include this Agreement, including Amendments and Exhibits, the Exhibits described in Section 6, Change Orders, Work Directive Changes, Field Orders and the solicitation documents, including addenda. These Contract Documents are incorporated by reference and made a part of this Agreement. A copy of all Contract Documents shall be maintained by Contractor at the Project site at all times during the performance of the Work.

B. In case of any inconsistency or conflict among the provisions of the agreement and any other terms and conditions of any documents comprising the Contract Documents, the provisions of the Agreement shall control. Concerning the Contract Documents, the order of precedence shall be as follows: 1) the Agreement, including Amendments and Exhibits; 2) Change Orders; 3) Work Directive Changes; 4) Field Orders; 5) the Solicitation Documents, including addenda. The Contract Documents listed above represent the entire and integrated agreement between the parties hereto, and supersede prior negotiations, representations, or agreements, either written or oral.

C. County shall furnish to the Contractor up to four (4) sets of the Contract Documents for execution of the Work. Additional copies of the Contract Documents are available at the cost of reproduction.

SECTION 2. SCOPE OF WORK

Contractor agrees to furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely, and fully perform and complete in a good workmanlike manner the Work required by the Contract Documents.

SECTION 3. CONTRACT AMOUNT

For satisfactory completion of the Work the County agrees to pay the Contractor the following amount (herein "Contract Amount"), in accordance with the terms of this Agreement:

$364,663.68

(Three Hundred Sixty Four Thousand Six Hundred Sixty Three Dollars and Sixty Eight Cents)

SECTION 4. BONDS

A. Contractor shall provide at his expense Performance and Payment Bonds, in the form prescribed in **Exhibit B**, in the amount of 100% of the Contract Amount. The Performance and Payment Bonds shall be underwritten by a surety authorized to do business in the State of Florida and otherwise acceptable to County; provided; however, the surety shall be rated as "A-" (excellent) or better as to general policy holders rating and Class V or higher rating as to financial size category and the amount required shall not exceed 5% of the reported policy holder's surplus, all as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. of 75 Fulton Street, New York, New York 10038.

B. If the surety for any bond furnished by Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Document, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the County's approval. Failure by Contractor to maintain its bonds in full force and effect at all times, including the warranty period, shall be grounds for termination of this Contract.

C. As per Florida Statutes, Section 255.05, the Contractor shall be required to execute and record the Performance and Payment bonds. The bonds must state the name and principal business address of both the Principal and the Surety and a description of the project sufficient to identify it. (The filing costs are $10.00 for the first page and $8.50 for each remaining page).

SECTION 5. CONTRACT TIME AND LIQUIDATED DAMAGES.

A. Time is of the essence in the performance of the Work under this Agreement. Contractor shall commence the Work within ten (10) calendar days from the Commencement Date, established in the Notice to Proceed. No Work shall be performed at the Project site prior to the Commencement Date. Contractor shall provide 48 hours' notice prior to beginning the Work. The Work shall be substantially completed within One Hundred Thirty (130) calendar days from the Commencement Date. The Work shall be fully completed and deemed ready by the County for final completion within Thirty (30) calendar days from the Substantial Completion Date. The Contract Time shall be the time period from the Commencement Date to the date of final completion totaling One Hundred Sixty (160) calendar days (herein "Contract Time"). No work under this contract shall commence until certificates of insurance have been received and acknowledged by the Purchasing Manager.

B. County and Contractor recognize that, since time is of the essence for this Agreement, the County will suffer financial loss if the Work is not substantially completed within the time specified. Should Contractor fail to substantially complete the Work within the time period noted above, County shall be entitled to assess, as liquidated damages, but not as a penalty One Hundred Fifty Dollars ($150.00) for each calendar day thereafter until substantial completion is achieved. The Project shall be deemed to be substantially completed by the County on the date that the County's Architect certifies in writing that the construction of the project, or specified part thereof, is sufficiently completed in accordance with the Contract Documents, so that the Project or specified part can be

utilized for the purposes for which it is intended. Along with such certification, the Architect shall compile a "punch list" of any remaining exceptions that do not adversely affect the use of the Project. Completion of these items will be required prior to final payment.

C. Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the County's actual damages at the time of contracting if Contractor fails to substantially complete the Work in accordance with the progress schedule.

D. When any period of time is referenced to by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday.

SECTION 6. EXHIBITS INCORPORATED

The following documents are expressly agreed to be incorporated by reference and made a part of this Agreement.

Exhibit A:	General Terms and Conditions
Exhibit B:	Form of Performance and Payment Bonds
Exhibit C:	Insurance and Safety Requirements
Exhibit D:	Form of Release and Affidavit
Exhibit E:	Form of Contractor Application for Payment
Exhibit F:	Form of Change Order
Exhibit G:	Payment Adjustment - Bituminous Material
Exhibit H:	Technical Specifications Escambia County Technical Specifications / Effective Date: February 01, 2015
Exhibit I:	Plans & Standard Details prepared by or for County and Identified as follows: Perdido Key Fire Station Pavement Repairs / Pages 1-14 / December 03, 2019
Exhibit K:	Federal Documents (if applicable)
Exhibit L :	Sollicitation Documents Index

SECTION 7. NOTICES

A. All notices required or made pursuant to this Agreement by the Contractor to the County shall be in writing. All correspondence with the County should be addressed as follows:

Facility's Management
100 E. Blount Street
Pensacola Florida 32501
Attention: George Bush

B. All correspondence with the Contractor will be addressed to the following:

Empire Builders Group, Inc.
3217 Tallship Lane
Pensacola, Florida 32526
Attention: Michael Macchia

C. Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

SECTION 8. MODIFICATION

No modification or change to the Agreement shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

SECTION 9. SUCCESSORS AND ASSIGNS

Subject to other provisions hereof, the Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Agreement.

SECTION 10. GOVERNING LAW

The Agreement shall be interpreted under and its performance governed by the laws of the State of Florida and the parties agree that venue shall be in Escambia County, Florida for any matter which is the subject of this Contract.

SECTION 11. NO WAIVER

The failure of the County to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

SECTION 12. ENTIRE AGREEMENT

Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Agreement.

SECTION 13. SEVERABILITY

Should any provision of the Agreement be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

SECTION 14. PUBLIC RECORDS.

The Contractor acknowledges that this Agreement and any related financial records, audits, reports, plans correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Contractor shall maintain all

such public records and, upon request, provide a copy of the requested records or allow the records to be inspected within a reasonable time. Contractor shall also ensure that any public records that are exempt or exempt and confidential from disclosure are not disclosed except as authorized by law. Upon the expiration or termination of the Agreement, Contractor agrees to maintain all public records for a minimum period of five (5) fiscal years in accordance with the applicable records retention schedules established by the Florida Department of State. In the event the Contractor fails to abide by the provisions of Chapter 119, Florida Statutes, the County may, without prejudice to any other right or remedy and after giving the Contractor and surety, if any, seven days written notice, during which period the Contractor still fails to allow access to such documents, terminate the contract. In such case, the Contractor shall not be entitled to receive any further payment. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontractor work).

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Escambia County
Office of the County Administrator
221 Palafox Place, Suite 420
Pensacola, Florida 32502
(850) 595-4947

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature: the parties hereto have made and executed this Agreement on the respective dates under each signature: Escambia County, Florida through its Board of County Commissioners, signing by its County Administrator, duly authorized to execute this Agreement, and Empire Builders Group, Inc. signing by and through its President, duly authorized to execute same.

COUNTY:
Escambia County, Florida, a political subdivision of the State of Florida acting by and through its duly authorized Board of County Commissioners.

EXHIBIT A
GENERAL TERMS AND CONDITIONS

Section 1. INTENT OF CONTRACT DOCUMENTS

1.1. It is the intent of the Contract Documents to describe a functionally complete project (or portion thereof) to be constructed in accordance with the Contract Documents. Any work, materials or equipment that may reasonably be inferred from the Contract Documents, as being required to produce the intended result shall be supplied whether or not specifically called for. When words, which have a well-known technical or trade meaning, are used to describe work, materials or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in affect at the time the Work is performed, except as may be otherwise specifically stated herein.

1.2. If, during the performance of the Work, Contractor discovers a conflict, error or discrepancy in the Contract Document, Contractor immediately shall report same to County and before proceeding with the Work affected thereby shall obtain an interpretation or clarification from the County. Contractor shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to Contractor with the Contract Documents before commencing any portion of the Work.

1.3. Drawings are intended to show general arrangements, design and extent of Work and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts, or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications of other Contract Document provisions, Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Contractor, as determined by the County. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Contract Documents.

1.4. "Engineer", where referenced on the drawings or in the specifications or in other related documents, shall mean the Escambia County Engineer or the designated representative thereof.

Section 2. INVESTIGATION AND UTILITIES

2.1. Contractor shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following: those affecting transportation, access, disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the Project area as a whole; topography and ground surface conditions; nature and quality of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Contractor to acquaint itself with any applicable conditions shall not relieve Contractor from any of its responsibilities to perform under the Contract Documents, nor shall it be considered the basis for any claim for additional time or

compensation.

2.2. Contractor shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Section 2 as the "Utilities". Contractor shall contact the owners of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Contractor shall schedule and coordinate its Work around any such relocation or temporary service interruption. Where Utilities block construction, Contractor shall aggressively pursue relocation by the Utility owners. Contractor shall immediately notify the County of any delays due to Utilities blockage and document all attempts to resolve such blockage. Contractor shall be responsible for properly shoring, supporting and protecting all Utilities at all times during the course of the Work.

Section 3. SCHEDULE

3.1. The Contractor, within ten (10) calendar days after receipt of the Notice of Award, shall prepare and submit to County, for review and approval, a progress schedule for the Project (herein "Progress Schedule"). The Progress schedule may be provided in an electronic format. The Progress Schedule shall relate to all Work required by the Contract Documents and shall provide for expeditious and practicable execution of the Work within the Contract Time. The Progress Schedule shall indicate the dates for starting and completing the various stages of the Work and shall include dates of Shop Drawing Submittals.

3.2. The Progress Schedule shall be updated monthly by the Contractor. All monthly updates to the Progress Schedule shall be subject to the County's review and approval. Contractor shall submit the updates to the Progress Schedule with its Applications for Payment noted below. The County's review and approval of the submitted Progress Schedule updates shall be a condition precedent to the County's obligation to pay Contractor.

Section 4. PROGRESS PAYMENTS

4.1. Prior to submitting its first Application for Payment, Contractor shall submit to County, for its review and approval, a schedule of values based upon the Contract Price, listing the major elements of the Work and the dollar value for each element. After its approval by the County, this schedule of values shall be used as the basis for the Contractor's Applications for Payment. This schedule shall be updated and submitted along with a completed and notarized copy of the Application for Payment form attached to the Agreement as **Exhibit E.**

4.2. Prior to submitting its first Monthly Application for Payment, Contractor shall submit to County a complete list of all its proposed subcontractors and material men, showing the work and materials involved. The first Application for Payment shall be submitted no earlier than thirty (30) days after Commencement Date.

4.3. If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site or at another location agreed to by the County in writing, the Application for Payment will subdivide the work into component parts in sufficient detail to serve as the basis for a progress payment and shall also be accompanied by a bill of sale, invoice or other documentation warranting that upon payment by County, the County shall receive the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect County's interest therein, all of which shall be subject to the County's prior written approval.

4.4. Contractor shall submit four (4) copies of its applications for Payment to the County on or about the 25th day of each month for work performed during that month. Contractor shall submit no more than one application for payment each month. Within ten (10) calendar days after receipt of each Application for Payment, the County shall either: (1) indicate approval of the requested payment; (2) indicate approval of only a portion of the requested payment, stating in writing the reasons therefore; or (3) return the Application for Payment to the Contractor indicating, in writing, the reason for refusing to approve payment. In the event of a total or partial denial of the Application for Payment, the Contractor may make the necessary corrections and resubmit the Application for Payment for reconsideration within ten (10) calendar days of receiving notice of refusal.

If re-submittal of the Application for Payment is refused, in whole or in part, the Contractor may submit a written request to the County Administrator for an administrative decision within two (2) business days of receiving notice of refusal. Upon receiving a timely request, an administrative decision shall be rendered within ten (10) calendar days with written notification provided to the Contractor.

If the administrative decision is disputed, the Contractor may submit a written request to the County Administrator for an administrative hearing before the Dispute Resolution Committee (DRC) within two (2) business days of receiving said decision. A hearing shall be scheduled within ten (10) business days from the date the request is received, and the Contractor will receive written notice of the hearing date. The DRC may, within its discretion, render a final decision at the hearing or may elect to mail a written decision within a period not to exceed ten (10) calendar days from the hearing date. The DRC's written decision shall be considered administratively final.

The County shall, within twenty (20) business days after County approval of an Application for Payment, pay the Contractor the amounts so approved. Provided, however, in no event shall the County be obligated to pay an amount greater than that portion of the Application for Payment approved by the County.

4.5 County shall retain ten percent (10%) of the gross amount of each monthly payment request or ten percent (10%) of the portion thereof approved by the County for payment whichever is less. The retained sum shall be accumulated and not released to Contractor until final payment is due. Any interim interest on such sums shall accrue to County.

At the County's sole discretion, a percentage of the amount retained from the gross amount of each monthly payment may be reduced prior to final completion of the Project and said percentage released to the Contractor upon receiving a certificate of substantial completion and approval from the Architect/Engineer.

Release of any portion or percentage of sums retained prior to final completion of the Project shall in no way imply approval or acceptance of Contractor's work.

4.6 Monthly payments to Contractor shall in no way imply approval or acceptance of Contractor's work.

4.7 Each Application for Payment shall be accompanied by Release and Affidavit, in the form attached as **Exhibit D**, showing that all materials, labor, equipment and other bills associated with that portion of the Work payment is being requested or have been paid in full. The County shall not be required to make payment until and unless these affidavits are furnished by Contractor.

4.8 Applications for Payment will not be approved unless all submittals required by the Contract documents, up to that point, are provided and "As-Built" record documents are maintained as required by Section 8.2.

Section 5. PAYMENTS WITHHELD

5.1. The County may decline to approve any Application for Payment, or portions thereof, because of subsequently discovered evidence or subsequent inspections. The County may nullify the whole or any part of any approval for payment previously issued and County may withhold any payments otherwise due Contractor under this Agreement or any other agreement between County and Contractor, to such extent as may be necessary in the County's opinion to protect it from loss because of: (a) defective Work not remedied; (b) third party claims filed or reasonable evidence indicating probable filing of such claims; (c) failure of Contractor to make payment properly to subcontractors or for labor, materials or equipment; (d) reasonable doubt that the Work can be completed for the unpaid balance of the Contract Amount; (e) reasonable indication that the Work will not be completed within the Contract Time; (f) unsatisfactory prosecution of the Work by the Contractor; or (g) any other material breach of the Contract Documents. If these conditions are not remedied or removed, County may, after three (3) days written notice, rectify the same at Contractor's expense. County also may offset against any sums due Contractor the amount of any liquidated or unliquidated obligations of Contractor to County, whether relating to or arising out of this Agreement or any other agreement between Contractor and County.

Section 6. FINAL PAYMENT

6.1. County shall make final payment to Contractor within forty- five (45) calendar days after the Work is finally inspected and accepted by County in accordance with Section 20.1 herein, provided that Contractor first, and as an explicit condition precedent to the accrual of Contractor's right to final payment, shall have furnished County with a properly executed and notarized copy of the Release and Affidavit attached as Exhibit D, as well as, a duly executed copy of the Surety's consent to final payment and such other documentation that may be required by the Contract Documents or the County.

6.2. Contractor's acceptance of final payment shall constitute a full waiver of any and all claims by Contractor against County arising out of this Agreement or otherwise relating to the Project, except those previously made in writing and identified by Contractor as unsettled at the time of the final Application for Payment. Neither the acceptance of the Work nor payment by County shall be deemed to be a waiver of County's right to enforce any obligations of Contractor hereunder or to the recovery of damages for defective Work not discovered by the County at the time of final inspection.

Section 7. SUBMITTALS AND SUBSTITUTIONS

7.1. Contractor shall carefully examine the Contract Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. When submitted for the Engineer's review, Shop Drawings shall bear the Contractor's certification that the Contractor has reviewed, checked, and approved the Shop Drawings and that they are in conformance with the requirements of the Contract Documents. Contractor shall submit all such materials at its own expense and in such form as required by the Contract Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof.

7.2. Prior to submitting its first Application for Payment, Contractor shall provide to County a DVD format showing the pre-existing conditions located within the limits of construction.

7.3. Whenever materials or equipment are specified or described in the Contract Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by County if sufficient information is submitted by Contractor to allow the County to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by County from anyone other than Contractor and all such requests must be submitted by Contractor to County within thirty (30) calendar days after Notice to Proceed is received by Contractor.

7.4. If Contractor wishes to furnish or use a substitute item of material or equipment, Contractor shall make application to the County for acceptance thereof, certifying that the proposed substitute shall perform adequately the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Contractor's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with County for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the County in evaluating the proposed substitute. The County may require Contractor to furnish at Contractor's expense additional data about the proposed substitute.

7.5. If a specific means, method, technique, sequence or procedure of construction is indicated in or required by the Contract Documents, Contractor may furnish or utilize a substitute means, method, sequence, technique or procedure of construction acceptable to the County, if Contractor submits sufficient information to allow the County to determine that the substitute proposed is equivalent to that indicated or required by the Contract Documents. The procedures for submission to and review by the County shall be the same as those provided herein for substitute materials and equipment.

7.6. The County shall be allowed a reasonable time within which to evaluate each proposed substitute. The County shall be the sole judge of acceptability, and no substitute will be ordered, installed or utilized without the County's prior written acceptance, which shall be evidenced by either a Change Order or an approved Shop Drawing. The County may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitute.

Section 8. DAILY REPORTS, AS-BUILTS, AND MEETINGS

8.1. Unless waived in writing by County, Contractor shall complete and submit, along with its Application for Payment, to the County on a monthly basis a daily log of the Contractor's work for the preceding month in a format approved by the County. The daily log shall document all activities of Contractor at the Project site including, but not limited to, the following:

8.1.1. Weather conditions showing the high and low temperatures during work hours, the amount of precipitation received on the Project site, and any other weather conditions

which adversely affect the Work.

8.1.2. Soil conditions which adversely affect the Work.

8.1.3. The hours of operation by Contractor's personnel and subcontractor's personnel;

8.1.4. The number of Contractor's and subcontractor's personnel present and working at the Project site, by subcontract and trade.

8.1.5. All equipment present at the Project site, description of equipment use and designation of time equipment was used (specifically indicating any down time);

8.1.6. Description of Work being performed at the Project site.

8.1.7. Any unusual or special occurrences at the Project site.

8.1.8. Materials received at the Project site

The daily log shall not constitute nor take the place of any notice required to be given by Contractor to County pursuant to the Contract Documents.

8.2. Contractor shall maintain in a safe place at the Project site one record copy of the Contract Documents, as well as all shop drawings and other Contractor submittals and all written interpretations and clarifications issued by the County, in good order and annotated to show all changes made during construction. The annotated drawings shall be continuously updated by the Contractor throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Work Directive Changes and Field Orders, and all concealed and buried installations of piping, conduit and utility services. All buried and concealed items, both inside and outside the Project site, shall be accurately located on the annotated drawings as to depth and in relationship to not less than two (2) permanent features (e.g. interior or exterior wall faces). The annotated drawings shall be clean and all changes, corrections and dimensions shall be given in a neat and legible manner in a contrasting color. The "As-Built" record documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to County for reference. Upon completion of the Work, and as a condition precedent to Contractor's entitlement to final payment, these "As-Built" record documents, samples and shop drawings shall be delivered to County by Contractor.

8.3. Contractor shall keep all records and supporting documentation which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Agreement or the date the Project is completed, whichever is later. County, or any duly authorized agents or representatives of County, shall have the right to audit, inspect and copy all such records and documentation as often as they deem necessary during the period of this Agreement and during the five (5) year period noted above; provided, however, such activity shall be conducted only during normal business hours.

Section 9. CONTRACT TIME AND TIME EXTENSIONS

9.1. Contractor shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and material men, as well as coordinating its Work with all work of others at the Project Site, so that its Work or the work of others shall not be delayed or impaired by any act or omission of Contractor. Contractor shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as

coordination of all portions of the Work under the Contract Documents.

9.2. Should Contractor be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Contractor, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, quarantine regulations, strikes or lockouts, Contractor shall notify the County in writing within forty-eight (48) hours after the commencement of such delay. Written supporting data with specific details of Contractor operations, which were delayed, shall be submitted to the County within fifteen (15) calendar days after the occurrence of the delay, unless the County grants additional time in writing for such submittals, or else the Contractor shall be deemed to have waived any right which Contractor may have had to request a time extension.

9.3. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which County may be responsible, in whole or in part, shall relieve Contractor of his duty to perform or give rise to any right to damages or additional compensation from County. Contractor expressly acknowledges and agrees that it shall receive no damages for delay. Contractor's sole remedy, if any, against County will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damages For Delay" provision. This paragraph shall expressly apply to claims for early completion, as well as to claims based on late completion.

9.4. Requests for delays due to adverse weather conditions shall meet all of the following conditions:

9.4.1. Contractor notified the County in writing within forty-eight (48) hours of the delay.

9.4.2. The weather was unusual as documented by supporting data.

9.4.3. The weather did have an adverse impact on the contractor’s schedule (critical path only).

9.4.4. The Contractor and inspector’s daily logs corroborate the adverse impact. Where a conflict exists between the weather data and the daily reports, the daily reports will take precedence.

Section 10. CHANGES IN THE WORK

10.1. County shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, Contractor shall submit an itemized estimate of any cost and/or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or as expressly set forth herein, no addition or changes to the Work shall be made except upon written order of County, and County shall not be liable to the Contractor for any increased compensation without such written order. No officer, employee or agent of County is authorized to direct any extra or changed work orally.

10.2. A Construction Change Order, in the form attached as **Exhibit F** to this Agreement, shall be issued and executed promptly after an agreement is reached between Contractor and County concerning the requested changes. Contractor shall promptly perform changes authorized by duly executed Change Orders. The Contract Amount shall be adjusted in the Change Order in the manner as County and Contractor shall mutually agree.

10.3. If County and Contractor are unable to agree on a Change Order for the requested change, Contractor shall, nevertheless, promptly perform the change as directed by County in a written

Work Directive Change. In that event, the Contract Amount and Contract Time shall be adjusted as directed by County. If Contractor disagrees with the County's adjustment determination, Contractor must make a claim pursuant to Section 11 of these General Conditions or else be deemed to have waived any claim on this matter it might otherwise have had.

10.4. In the event a requested change results in an increase to the Contract Amount, the amount of the increase shall be limited to the Contractor's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit. In the event such change Work is performed by a Subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all Subcontractors' and sub-subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the Contractor for all of its overhead and profit, for a total maximum markup of fifteen percent (15%). All compensation due Contractor and any Subcontractor or sub-subcontractor for field and home office overhead is included in the markups noted above.

10.5. County shall have the right to conduct an audit of Contractor's books and records to verify the accuracy of the Contractor's claim with respect to Contractor's costs associated with any Change Order.

10.6. The County shall have authority to order minor changes in the Work not involving an adjustment to the Contract Amount and not inconsistent with the intent of the Contract Documents. Such changes may be affected by Field Order or by other written order. Such changes shall be binding on the Contractor.

Section 11. CLAIMS AND DISPUTES

11.1. A Claim is a demand or assertion by one of the parties seeking an adjustment or interpretation of the terms of the Contract Documents, payment of money, extension of time or other relief with respect to the terms of the Contract Documents. The term "Claim" also includes other disputes and matters in question between County and Contractor arising out of or relating to the Contract Documents. The responsibility to substantiate a Claim shall rest with the party making the Claim.

11.2. Claims by the Contractor shall be made in writing to the County within forty-eight (48) hours after the first day of the event giving rise to such Claim or else the Contractor shall be deemed to have waived the Claim. Written supporting data shall be submitted to the County within fifteen (15) calendar days after the occurrence of the event, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived the Claim. All claims shall be priced in accordance with the provisions of Subsection 10.4.

11.3. The Contractor shall proceed diligently with its performance as directed by the County, regardless of any pending Claim, action, suit or administrative proceeding, unless otherwise agreed to by the County in writing. County shall continue to make payments in accordance with the Contract Documents pending Claim.

Section 12. OTHER WORK

12.1. County may perform other work related to the Project at the site by County's own forces, have other work performed by utility owners or let other direct contracts. If the fact that such other work is to be performed is not noted in the Contract Documents, notice thereof will be given to Contractor. If Contractor believes that such performance will involve additional expense to Contractor or require additional time, Contractor shall send written notice of that fact with specific details of anticipated costs and delays to County within forty-eight (48) hours of being notified of

the other work. Written supporting data of actual need for additional time or additional expense, shall be submitted to the County within fifteen (15) calendar days after completion of other work, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived any right which Contractor may have had to request a time extension or adjustment to the Contract Amount.

12.2. Contractor shall afford each utility owner and other contractor (or County, if County is performing the additional work with County's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Contractor shall do all cutting, fitting and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating or otherwise altering their work and will only cut or alter their work with the written consent of the County and the others whose work will be affected.

12.3. If any part of Contractor's Work depends for proper execution or results upon the work of any other contractor or utility owner (or County), Contractor shall inspect and promptly report to County in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Contractor's failure to report will constitute an acceptance of the other work as fit and proper for integration with Contractor's Work.

Section 13. INDEMNIFICATION AND INSURANCE

13.1 Contractor shall pay on behalf of or indemnify and hold harmless County and its agents, officers and employees from and against all liabilities, damages, losses, and costs, including attorney's and paralegal fees, incurred by County to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by anyone for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. Contractor's obligation as provided herein shall be limited to its proportionate share of liability to the extent caused by the negligence, recklessness or intentional wrongful misconduct of Contractor or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor, and Contractor shall not be required to pay on behalf of or indemnify and hold harmless County where County's negligence, recklessness, or intentional wrongful misconduct is determined by a court of competent jurisdiction to be the sole cause of its liabilities, damages, losses and costs, including attorney's fees and paralegal fees.

County and Contractor agree one percent (1%) of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement.

Contractor agrees that such indemnification by Contractor relating to any matter which is the subject of this Agreement shall extend throughout the term of this Agreement and any applicable statutes of limitations thereafter. Contractor's obligation to indemnify shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

13.2 Contractor shall obtain and carry, at all times during its performance under the Contract Documents, insurance of the types and in the amounts set forth in Exhibit C to the Agreement.

All insurance policies shall be from responsible companies duly authorized to do business in the State of Florida and/or responsible risk retention group insurance companies, which are registered with the State of Florida. All commercial insurance carriers providing the Contractor with required insurance shall be a minimum financial size category of VII according to the AM Best Rating Guide, latest edition. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Within ten (10) calendar days after Notice of Award is received by Contractor and prior to the commencement of work, Contractor shall provide County with properly executed Certificates of Insurance to evidence Contractor's compliance with the insurance requirements of the Contract Documents. Said Certificates of Insurance shall be on forms approved by County, such as "Acord Form 25". The Certificates of Insurance shall be personally, manually signed by the authorized representatives of the insurance company/companies shown on the Certificates of Insurance, with proof that they are authorized representatives thereof. Certificates of Insurance shall be mailed to Escambia County in care of: Purchasing Manager, Purchasing Division, P.O. Box 1591, Pensacola, Florida 32597-1591. In addition, certified, true and exact copies of all insurance policies required hereunder shall be provided to County, on a timely basis, when requested by County.

13.3 The Certificates of Insurance and required insurance policies shall contain provisions that thirty (30) days' prior written notice by registered or certified mail shall be given County of any cancellation, intent not to renew, or reduction in the policies or coverages, except in the application of the aggregate limits provisions. In the event of a reduction in the aggregate limit of any policy, Contractor shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

13.4 All insurance coverages of the Contractor shall be primary to any insurance or self-insurance program carried by the County applicable to this Project. The acceptance by County of any Certificate of Insurance does not constitute approval or agreement by the County that the insurance requirements have been satisfied or that the insurance policy shown on the Certificate of Insurance is in compliance with the requirements of the Contract Documents. No work shall commence at the Project site unless and until the required Certificates of Insurance are received by the County.

13.5 Contractor shall require each of its subcontractors to procure and maintain, until the completion of the subcontractor's work, insurance of the types and to the limits specified in **Exhibit C**, unless such insurance requirements for the subcontractor is expressly waived in writing by the County. All liability insurance policies, other than professional liability, worker's compensation and employer's liability policies, obtained by Contractor to meet the requirements of the Contract Documents shall name Escambia County as an additional insured and shall contain Severability of Interest provisions. Escambia County shall also be designated as certificate holder with the address of P. O. Box 1591, Pensacola, Florida 32597-1591. If any insurance provided pursuant to the Contract Documents expires prior to the completion of the Work, renewal Certificates of Insurance and, if requested by County, certified, true copies of the renewal policies shall be furnished by Contractor within thirty (30) days prior to the date of expiration.

13.6 All liability policies shall be underwritten on the "occurrence" basis, unless otherwise approved in writing by the County Division of Risk Management. "Claims made" policies, if approved by the Risk Manager, and subsequent insurance certificates shall provide a "retro-date" which shall include the effective date of the contract. "Claims-made" renewals or carrier and policy replacements shall reflect the original "retro-date."

13.7 Should at any time the Contractor not maintain the insurance coverages required herein, the County may terminate the Agreement or at its sole discretion shall be authorized to purchase such coverages and charge the Contractor for such coverages purchased. The County shall be

under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company or companies used. The decision of the County to purchase such insurance coverages shall in no way be construed to be a waiver of any of its rights under the Contract Documents.

13.8 Contractor shall submit to County a copy of all accident reports arising out of any injuries to its employees or those of any firm or individual to whom it may have subcontracted a portion of the Work, or any personal injuries or property damages arising or alleged to have arisen on account of any work by Contractor under the Contract Documents.

13.9 Duty to Provide Legal Defense. Contractor shall pay for and provide a legal defense for the County, which shall include attorneys' fees and costs, both of which will be done only if and when requested by the County, for all liabilities, damages, losses, and costs as described in paragraph 13.1 above. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

Section 14. COMPLIANCE WITH LAWS

14.1 Contractor agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, regulations and requirements applicable to the Project, including but not limited to those dealing with taxation, worker's compensation, equal employment and safety. If Contractor observes that the Contract Documents are at variance therewith, it shall promptly notify County in writing. Compliance with the above laws shall include but is not limited to: (1) the Occupational Safety and Health Act, 29 CFR 1910 and 1926, respectively, General Industry Standards and Construction Industry Standards, including regulations regarding Trenching and Shoring; (2) the Florida Workers' Compensation Law, Chapter 440, Florida Statutes; (3) Rules 38F and 38I, Florida Administrative Code; and (4) Section 102, Standard Specifications for Road and Bridge Construction, Florida Department of Transportation.

14.2 EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY): In accordance with State of Florida, Office of the Governor, Executive Order 11-116 (superseding Executive Order 11-02; Verification of Employment Status), in the event performance of this Agreement is or will be funded using state or federal funds, the CONTRACTOR must comply with the Employment Eligibility Verification Program ("E-Verify Program") developed by the federal government to verify the eligibility of individuals to work in the United States and 48 CFR 52.222-54 (as amended) is incorporated herein by reference. If applicable, in accordance with Subpart 22.18 of the Federal Acquisition Register, the CONTRACTOR must (1) enroll in the E-Verify Program, (2) use E-Verify to verify the employment eligibility of all new hires working in the United States, except if the CONTRACTOR is a state or local government, the CONTRACTOR may choose to verify only new hires assigned to the Agreement; (3) use E-Verify to verify the employment eligibility of all employees assigned to the Agreement; and (4) include these requirement in certain subcontracts, such as construction. Information on registration for and use of the E-Verify Program can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Section 15. CLEANUP AND PROTECTIONS

15.1. Contractor agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. At the completion of the Work, Contractor shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy by County. Non-compliance with directives of this section may serve as a basis of rejection of Application for Payment.

15.2. Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Contract Documents to be removed or altered, shall be protected by Contractor from damage during the prosecution of the Work. Any such improvements so damaged shall be restored by Contractor to the condition equal to that existing at the time of Contractor's commencement of the Work.

Section 16. ASSIGNMENT

16.1. Contractor shall not assign this Agreement or any part thereof, without the prior consent in writing of County. If Contractor does, with approval, assign this Agreement or any part thereof, it shall require that its assignee be bound to it and to assume toward Contractor all of the obligations and responsibilities that Contractor has assumed toward County.

Section 17. PERMITS, LICENSES AND TAXES

17.1. Except as noted in paragraph 17.2 below, all permits and licenses necessary for the prosecution of the Work shall be procured and paid for by Contractor. All permits or fees, including but not limited to, all license fees, permit fees, impact fees or inspection fees payable by Contractor to County have been disclosed to Contractor in the bidding documents or other request for proposal at the time the Project was let for bid. If Contractor performs any Work without obtaining, or contrary to, such permits or licenses, Contractor shall bear all costs arising there from. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the Work.

17.2. Permits required for the Work from FDOT, FDEP, the Army Corps of Engineers, and any archeological permitting agency will be paid for and obtained by the County.

17.3. Contractor shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work.

Section 18. TERMINATION FOR DEFAULT

18.1. Contractor shall be considered in material default of the Agreement and such default shall be considered cause for County to terminate the Agreement, in whole or in part, as further set forth in this Section, if Contractor: (1) fails to begin the Work under the Contract Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the County or as provided for in the approved Progress Schedule; or (3) performs the Work unsuitably or neglects or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; or (9) fails to obey any applicable codes, laws,

ordinances, rules or regulations with respect to the Work; or (10) materially breaches any other provision of the Contract Documents.

18.2. County shall notify Contractor in writing of Contractor's default(s). If County determines that Contractor has not remedied and cured the default(s) within seven (7) calendar days following receipt by Contractor of said written notice, then County, at its option, without releasing or waiving its rights and remedies against the Contractor's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Contractor's right to proceed under the Agreement, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Contractor, take assignments of any of Contractor's subcontracts and purchase orders, and complete all or any portion of Contractor's Work by whatever means, method or agency which County, in its sole discretion, may choose.

18.3. If County deems any of the foregoing remedies necessary, Contractor agrees that is shall not be entitled to receive any further payments hereunder until after the Project is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including attorneys' fees) or damages incurred by County incident to such completion, shall be deducted from the Contract Amount, and if such expenditures exceed the unpaid balance of the Contract Amount, Contractor agrees to pay promptly to County on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Contract Amount exceeds all such costs, expenditures and damages incurred by the County to complete the Work, such excess shall be paid to the Contractor. The amount to be paid to the Contractor or County, as the case may be, and this obligation for payment shall survive termination of the Agreement.

18.4. The liability of Contractor hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by County in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items therefore or re-letting the Work, in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder.

18.5. If, after notice of termination of Contractor's right to proceed pursuant to this Section, it is determined for any reason that Contractor was not in default, or that its default was excusable, or that County is not entitled to the remedies against Contractor provided herein, then Contractor's remedies against County shall be the same as and limited to those afforded Contractor below under Subsection 19.1, Termination for Convenience.

18.6. If the Contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Contractor in conjunction with this Agreement then the County may, without prejudice to any right or remedy and after giving the Contractor and his surety, if any, seven (7) days' written notice, during which period Contractor still fails to allow access, terminate the employment of the Contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the Contractor, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the Project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the Contractor (excluding monies owed the Contractor for subcontract work).

Section 19. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION

19.1. County shall have the right to terminate this Agreement without cause upon seven (7) calendar days written notice to Contractor. In the event of such termination for convenience, Contractor's recovery against County shall be limited to that portion of the Contract Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages or any anticipated profit on portions of the Work not performed.

19.2. County shall have the right to suspend all or any portions of the Work upon giving Contractor two (2) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Contractor's sole and exclusive remedy shall be to seek an extension of time to its schedule in accordance with the procedures set forth in the Contract Documents. In no event shall the Contractor be entitled to any additional compensation or damages. Provided, however, if the ordered suspension exceeds three (3) months, the Contractor shall have the right to terminate the Agreement with respect to that portion of the Work which is subject to the ordered suspension.

Section 20. COMPLETION

20.1. Upon receipt of written notice, the County will ascertain whether the work or designated portions thereof are ready for the Engineer's substantial completion inspection. From the Engineer's list of incomplete or unsatisfactory items, a schedule for the County's review will be prepared for their completion indicating such completion dates. The County will issue a Certificate of Substantial Completion when the work on the punch list has been accomplished.

20.2. Upon receipt of written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the County shall promptly make such inspection and, if it finds the work acceptable and fully performed under the Contract Documents, shall promptly issue a Certificate of Final Completion and Recommendation for Payment, stating that, on the basis of observations and inspections, the Work has been completed in accordance with the terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor is due and payable. The final payment shall not become due and payable until Contractor submits: (1) the Release and Affidavit in the form attached as **Exhibit D**, (2) consent of surety to final payment, (3) if required by County, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Contract Documents, to the extent and in such form as may be designated by County, and (4) a published copy of the Notice of Completion as provided for in this section. County reserves the right to inspect the Work and make an independent determination as to the Work's acceptability. Unless and until the County is completely satisfied, the final payment shall not become due and payable.

20.3. After the Work is ready for final inspection and acceptance by the County, a legal advertisement must be published by the Contractor in a local newspaper of a general countywide circulation at least thirty (30) days before final payment shall be made. Example of such publication is as follows:

Legal Notice of Completion

Notice is hereby given that the undersigned Contractor has completed and has ready for acceptance by the Board of County Commissioners of Escambia County, Florida, the following construction project:

_____
(Project Name and Address)

_____
(Legal Name and Address - entity of the Contractor)

Subcontractors, material men, and other persons having payment claims against the Contractor relating to this project should govern themselves accordingly.

Section 21. WARRANTY

21.1. Contractor shall obtain and assign to County all express warranties given to Contractor or any subcontractors by any material men supplying materials, equipment or fixtures to be incorporated into the Project. Contractor warrants to County that any materials and equipment furnished under the Contract Documents shall be new unless otherwise specified, and that all Work shall be of good quality, free from all defects and in conformance with the Contract Documents. Contractor further warrants to County that all materials and equipment furnished under the Contract Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Contract Documents. If, within two (2) years after substantial completion and acceptance, any Work is found to be defective or not in conformance with the Contract Documents, Contractor shall correct it promptly after receipt of written notice from County. Contractor shall also be responsible for and pay for replacement or repair of adjacent materials or Work, which may be damaged as a result of such replacement or repair. These warranties are in addition to those implied warranties to which County is entitled as a matter of law. The Performance Bond shall remain in full force and effect throughout the two (2) year Warranty Period.

Section 22. PROJECT LAYOUT AND CONTROL

22.1. Engineer will provide survey control, referencing beginning and ending stations, P.C.'s, P.T.'s and intermediate stations at 500-foot intervals. Staking is to be set along control line (base line or centerline of right-of-way, as indicated on plans) or at an offset determined by the Engineer. Benchmarks will be provided at intervals no greater than 1000 feet. The Engineer at the Contractor’s expense shall replace any of these points, which are disturbed or destroyed by the Contractor.

22.2. Contractor shall employ a competent Engineer or Land Surveyor licensed in the State of Florida familiar with construction control procedures to lay out all other parts of the work, and to establish all points, grades and levels necessary to locate the work. The Contractor shall be held responsible for all mistakes that may be caused by his incorrect layout and grade spotting work, or caused by the loss or disturbance of the Engineer's layout work.

22.3. Should the Contractor in the course of the work find that the points, grades, and levels which are shown upon the Drawings are not conformable to the physical conditions of the locality at the proposed work or structure, he shall immediately inform the Engineer of the discrepancy between the actual physical conditions of the locality of the proposed work, and the points, grades and levels which are shown on the Drawings. No claim shall be made by the Contractor against the Owner for compensation or damage by reasons for failure of the Engineer to represent upon said Drawings, points, grades and levels conformable to the actual physical conditions of the locality of the proposed work.

Section 23. TESTS AND INSPECTIONS

23.1. County, its respective representatives, agents and employees, and any governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Contractor shall provide proper, safe conditions for such access. Contractor shall provide County with timely notice of readiness of the Work for all required inspections, tests or approvals.

23.2. If the Contract Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Contractor shall assume full responsibility therefore, pay all costs in connection therewith and furnish County the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the County.

23.3. If any Work that is to be inspected, tested or approved is covered without written concurrence from the County, such work must, if requested by County, be uncovered for observation. Such uncovering shall be at Contractor's expense unless Contractor has given County timely notice of Contractor's intention to cover the same and County has not acted with reasonable promptness to respond to such notice. If any Work is covered contrary to written directions from County, such Work must, if requested by County, be uncovered for County's observation and be replaced at Contractor's sole expense.

23.4. Neither observations by the County nor inspections, tests or approvals by others shall relieve Contractor from Contractor's obligations to perform the Work in accordance with the Contract Documents.

23.5. Prior to payment for any Work for which testing is specified, Contractor shall provide the County a copy of reasonably acceptable test results relating to such work as required by the technical specifications of the solicitation.

Section 24. DEFECTIVE WORK

24.1. Work not conforming to the requirements of the Contract Documents shall be deemed defective Work. If required by County, Contractor shall, as directed, either correct all defective Work, whether or not fabricated, installed or completed, or, if the defective Work has been rejected by County, remove it from the site and replace it with acceptable Work. Contractor shall bear all direct, indirect and consequential costs of such correction or removal (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals) made necessary thereby, and shall hold County harmless for same.

24.2. If the County considers it necessary or advisable that covered Work be observed by County or inspected or tested by others, Contractor, at County's request, shall uncover, expose or otherwise make available for observation, inspection or tests as County may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Contractor shall bear all direct, indirect and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and County shall be entitled to an appropriate decrease in the Contract Amount. If, however, such Work is not found to be defective, Contractor shall be allowed an increase in the Contract Amount and/or an extension of the Contract Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

24.3. If any portion of the Work is defective, or Contractor fails to supply sufficient skilled workers with suitable materials or equipment, or fails to finish or perform the Work in such a way that the completed Work will conform to the Contract Documents, County may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, this right of County to stop the Work shall not give rise to any duty on the part of County to exercise this right for the benefit of Contractor or any other party.

24.4. Should the County determine, at its sole opinion, it is in the County's best interest to accept defective Work, the County may do so. Contractor shall bear all direct, indirect and consequential costs attributable to the County's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Contract Documents and reflecting an appropriate decrease in the Contract Amount. If the County accepts such defective Work after final payment, Contractor at the discretion of the County shall promptly pay County an appropriate amount to adequately compensate County for its acceptance of the defective Work or shall increase in the Work's warranty period beyond two (2) years.

24.5. If Contractor fails, within a reasonable time after the written notice from County, to correct defective Work or to remove and replace rejected defective Work as required by County, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any of the provisions of the Contract Documents, County may, after seven (7) days' written notice to Contractor, correct and remedy any such deficiency. To the extent necessary to complete corrective and remedial action, County may exclude Contractor from any or all of the Project site, take possession of all or any part of the Work, and suspend Contractor's services related thereto, take possessions of Contractor's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which County has paid Contractor but which are stored elsewhere. Contractor shall allow County, and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable County to exercise the rights and remedies under this Subsection. All direct, indirect and consequential costs of

County in exercising such rights and remedies shall be charged against Contractor, and a Change Order shall be issued, incorporating the necessary revisions to the Contract Documents, including an appropriate decrease to the Contract Amount. Such direct, indirect and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work or others destroyed or damaged by correction, removal or replacement of Contractor's defective Work. Contractor shall not be allowed an extension of the Contract Time because of any delay in performance of the Work attributable to the exercise by County of County's rights and remedies hereunder.

Section 25. SUPERVISION AND SUPERINTENDENTS

25.1. Contractor shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Contractor shall be responsible to see that the finished Work complies accurately with the Contract Documents. Contractor shall keep on the Work at all times during its progress a competent resident superintendent acceptable to the County, who shall not be replaced without prior written notice to County except under extraordinary circumstances. The resident superintendent shall possess Florida Department of Transportation approved training and certifications applicable to the Work, including but not limited to National Pollutant Discharge Elimination System (NPDES) Stormwater Management and Maintenance of Traffic Control Devices. The superintendent shall be Contractor's representative at the Project site and shall have authority to act on behalf of Contractor. All communications given to the superintendent shall be as binding as if given to the Contractor. County shall have the right to direct Contractor to remove and replace its Project superintendent, with or without cause.

Section 26. PROTECTION OF WORK

26.1. Contractor shall fully protect the Work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made. If Contractor, or any one for whom Contractor is legally liable, is responsible for any loss or damage to the Work, or other work or materials of County or County's separate contractors, Contractor shall be charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due Contractor.

26.2. Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent property to stresses or pressures that will endanger it.

Section 27. EMERGENCIES

27.1. In the event of an emergency affecting the safety or protection of persons or the Work or property at the Project site or adjacent thereto, Contractor, without special instruction or authorization from County is obligated to act to prevent threatened damage, injury or loss. Contractor shall give County written notice within forty-eight (48) hours after the occurrence of the emergency, if Contractor believes that any significant changes in the Work or variations from the Contract Document have been caused thereby. If the County determines that a change in the Contract Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Contractor fails to provide the forty-eight (48) hour written notice noted above, the Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Contract Amount or an extension to the Contract Time.

Section 28. USE OF PREMISES

28.1. Contractor shall confine all construction equipment, the storage of materials and equipment and the operations of workers to the Project site and land and areas identified in and permitted by the Contract Documents and other lands and areas permitted by law, rights of way, permits and easements, and shall not unreasonably encumber the Project site with construction equipment or other material or equipment. Contractor shall assume full responsibility for any damage to any such land or area, or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the Work.

28.2. Contractor shall provide and maintain in a neat, sanitary condition such accommodation for the use of his employees as may be necessary to comply with the regulations of the State Board of Health or other bodies having jurisdiction. He shall commit no public nuisance.

Section 29. SAFETY

29.1. The Contractor shall designate in writing the individual responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the Work. The Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to:

29.1.1. All employees of the Work and other persons and/or organizations who may be affected thereby;

29.1.2. All the Work and materials and equipment to be incorporated therein, whether in storage on or off the Project site; and

29.1.3. Other property on Project site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, utilities and any underground structures or improvements not designated for removal, relocation or replacement in the contract documents.

29.2. The Contractor shall comply with all applicable codes, laws, ordinances, rules and regulations of any public body having jurisdiction for the safety of persons or property or to protect them from damage, injury or loss. The Contractor shall erect and maintain all necessary safeguards for such safety and protection. The Contractor shall notify owners of adjacent property and of underground structures and improvements and utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation or replacement of their property. Contractor's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by County has occurred.

29.3 The Contractor shall designate a responsible representative at the Project site whose duty shall be the prevention of accidents. This person shall be Contractor's superintendent unless otherwise designated in writing by the Contractor to the County.

29.4 The Contractor shall adhere at all times to the minimum safety guidelines for construction and renovation projects as set out in **Exhibit C** of this Agreement.

Section 30. PROJECT MEETINGS

Prior to the commencement of Work, the Contractor shall attend a pre-construction conference

with the County to discuss the Progress Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the Work. During the prosecution of the Work, the Contractor shall attend any and all meetings convened by the County with respect to the Project, when directed to do so by County. Contractor shall have its subcontractors and suppliers attend all such meetings (including the pre-construction conference) as may be directed by the County.

EXHIBIT B
PERFORMANCE AND PAYMENT BOND

BOND NO. _____

PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS: That

_____

_____

(Insert name, address, and phone number of contractor), as Principal, and

_____

_____

_____, (Insert full name, home office address and phone number of surety) as Surety, are held and firmly bound unto the Board of County Commissioners for Escambia County, Florida, 221 Palafox Place, Pensacola, Florida 32597-1591, (850) 595-4900, as Obligee in the sum of

_____

____ Dollars ($_____), for the payment whereof we bind ourselves, our heirs, executors, personal representatives, successors and assigns, jointly and severally, firmly by these present.

WHEREAS, Principal has entered into a contract dated as of the _____ day of_____, 20____, with Obligee for Contract No._____,_____

_____

_____

(Insert name of project, including legal description, street address of property and general description of improvement) in accordance with drawings and specifications, which contract is by reference made a part hereof, and is hereinafter referred to as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

1. Performs the Contract at the times and in the manner prescribed in the Contract; and

2. Pays Obligee any and all losses, damages, costs and attorneys' fees that Obligee sustains because of any default by Principal under the Contract; and

3. Performs the guarantee of all work and materials furnished under the Contract applicable to the work and materials, then this bond is void; otherwise it remains in full force; and

4. Principal understands and agrees that this bond shall remain in full force and effect throughout the two (2) year warranty period after substantial completion of the work.

The Surety, for value received, hereby stipulates and agrees that no changes, extensions of time, alterations or additions to the terms of the Contract or other work to be performed hereunder, or the specifications referred to therein shall in anywise affect its obligation under this bond, and it does hereby waive notice of any such changes, extensions of time, alterations or additions to the terms of the Contract or to work or to the specifications.

This instrument shall be construed in all respects as a common law bond.

In no event will the Surety be liable in the aggregate to Obligee for more than the penalty sum of this Performance Bond, regardless of the number of suits that may be filed by Obligee.

IN WITNESS WHEREOF, the above parties have executed this instrument this _____ day of _____, 20____, the name and corporate seal of each corporate party being hereto affixed and these premises duly signed by its undersigned representative, pursuant to authority of its governing body.

Signed, sealed and delivered

PAYMENT BOND

BY THIS BOND, We, _____
(Insert name, address and phone number of contractor)
_____ (hereinafter called the "Principal") and

_____ (hereinafter called the "Surety"),
(Insert name)
located at _____, a surety insurer
(Insert address and phone number)
chartered and existing under the laws of the State of _____ and authorized to do business

in the State of Florida, are held and firmly bound unto the Board of County Commissioners for Escambia

County, Florida, 221 Palafox Place, Pensacola, Florida 32597-1591, (850) 595-4900, (hereinafter called

the "County") in the sum of _____ ($_____) for

payment of which we bind ourselves, our heirs, our personal representatives, our successors and our assignees, jointly and severally.

WHEREAS, Principal and County have reached a mutual agreement relating to Contract No._____

(hereinafter referred to as the "Contract") as of _____ (the bid award date for projects thereto)

for the purpose of _____

(Insert name of project, including legal description, street address of property and general description of improvement.)
_____

_____

_____

said Contract being made a part of this Bond by this reference.

NOW, THEREFORE, THE CONDITION OF THIS BOND IS THAT IF THE PRINCIPAL:

1. Performs the contract dated _____, _____, between Principal and County for construction of _____, the contract being made a part of this bond by reference, at the times and in the manner prescribed in the contract; and

2. Promptly makes payments to all claimants, as defined in Section 255.05(1), Florida Statutes, supplying Principal with labor, materials, or supplies, used directly or indirectly by Principal in the prosecution of the work provided for in the contract; and

3. Pays County all loses, damages, expenses, costs, and attorney's fees, including appellate proceedings, that the County sustains because of a default by Principal under the contract; and

4. Performs the guarantee of all work and materials furnished under the contract for the time specified in the contract, then this bond is void; otherwise it remains in full force.

Any action instituted by a claimant under this bond for payment must be in accordance with the

notice and time limitation provisions in Section 255.05(2), Florida Statutes.

BE IT FURTHER KNOWN:

1. Any changes in or under the Contract and compliance or noncompliance with any formalities connected with the said Contract or alterations which may be made in the terms of the said Contract, or in the work to be done under it, or the giving by the County of any extension of time for the performance of the said Contract, or any other forbearance on the part of the County or Principal to the other, shall not in any way release the Principal and the Surety, or either of them, their heirs, personal representatives, successors or assigns from liability hereunder, notice to the Surety of any such changes, alterations, extensions or forbearance being hereby waived.

2. Certain claimants seeking the protection of this Bond must timely comply with the strict requirements set forth in Section 255.05, Florida Statutes, and as otherwise provided by law.

3. As concerns payment for labor, materials and supplies, as affects certain claimants, no legal action shall be instituted against the Principal or Surety on this Bond after one (1) year from the performance of labor or the completion of delivery of the materials or supplies as is specifically mandated pursuant to Section 255.05, Florida Statutes.

THIS BOND DATED THE _____ DAY OF _____, 20____ (the date of issue by the Surety or by the Surety's agent and the date of such agents power-of-attorney).

EXHIBIT C
INSURANCE AND SAFETY

INSURANCE - BASIC COVERAGES REQUIRED

The Contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such on policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the Contract Documents, whether such services, work and operations be by the Contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The Contractor shall require, and shall be responsible for assuring throughout the time the Agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the Contractor. The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the Contractor's interests or liabilities, but are merely minimums.

Except for workers compensation and professional liability, the Contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The Contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The Contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The Contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the Contractor or any other insurance of the Contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations, which arise out of this agreement, contract or lease.

Workers Compensation Coverage
The Contractor shall purchase and maintain workers compensation insurance for all workers compensation obligations imposed by state law and with employers liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

General, Automobile And Excess Or Umbrella Liability Coverage

The Contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the Commercial General Liability and Business Auto policies of the Insurance Services Office.
Minimum limits of $1,000,000 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employers liability required in the Workers Compensation Coverage section) and the total amount of coverage required.

General Liability Coverage - Occurrence Form Required
Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The Contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

Business Auto Liability Coverage
Business Auto Liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

Excess or Umbrella Liability Coverage
Umbrella Liability insurance is preferred, but an Excess Liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

Evidence/Certificates of Insurance
Required insurance shall be documented in Certificates of Insurance. If and when required by the County, Certificates of Insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the Certificate of Insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverages(s) indicated on each Certificate of Insurance.

New Certificates of Insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the Contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information.

1. Indicate that Escambia County is an additional insured on the general liability policy.

2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of $1,000.
4. Designate Escambia County as the certificate holder as follows:
Escambia County
Attention: Paul R. Nobles, Purchasing Manager
Office of Purchasing
P.O. Box 1591
Pensacola, FL 32597-1591
Fax (850) 595-4805
5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the Contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the Contractor shall furnish complete copies of the Contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For Commercial General Liability coverage the Contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

MINIMUM PROJECT SAFETY REQUIREMENTS

The following safety requirements represent the minimum condition, which shall be met by all Contractors and subcontractors performing work for Escambia County: Reported or observed violations of Federal and State laws and regulations, or County ordinances shall be brought to the attention of the County project manager and County's Department of Safety and Risk Services and shall be immediately corrected by the Contractor. Additionally, the County may order work to be stopped if conditions exist that present immediate danger to persons or property. The Contractor acknowledges that any such stoppage will not shift responsibility for any damages from the Contractor to the County. Failure to comply with required safety procedures shall result in the suspension of the Work of the Contractor until such time as his operations are brought into compliance. Items which are not corrected or that are disputed by the Contractor may be referred by the County's Department of Safety and Risk Services for inspection or interpretation. The Contractor shall take reasonable precautions for work place safety and shall provide reasonable protection to prevent damage, injury, or loss to employees on the work site and to other persons who may be affected by the Work.

(1) Prior to the commencement of the project, the Contractor and all subcontractors shall provide to the County a written copy of their respective safety and health plans for review as part of the pre-submittal bid package.

(2) The Contractor shall establish and maintain an access control system at the work site, including a daily sign-in log, for all visitors, including County and regulatory personnel. Prior to commencement of construction, the project manager may designate specific individuals for routine access so that their duties are not impeded. All visitors that are not pre-approved for admittance shall be escorted through the project by either a Contractor representative or by the project manager or designee.

(3) The Contractor shall provide all necessary safety equipment for County staff, employees, and visitors to enter the work site. This equipment may include hard hats, hearing protection, safety glasses, or any other safety items deemed necessary by the Contractor or required by State or Federal safety regulations.

(4) Construction vehicles on the work site shall always be operated in a safe manner. The Contractor shall take appropriate action to ensure the safety of County staff, visitors, and the general public while operating work vehicles at a "controlled" construction site. Where conditions warrant, or at the request of the County, temporary barriers shall also be established for these traffic areas.

(5) The Contractor shall prominently mark the work site and ensure its security. Site security shall include appropriate fencing, barricades, warning tape, covered walkways and warning signs. In no instance shall a work site be accessible, without obvious warning, to County staff, visitors, or the general public. At a minimum, the project site shall be posted with the appropriate trespass warning signs as specified in Section 810.09(2)(d), Florida Statutes: THIS AREA IS A DESIGNATED CONSTRUCTION SITE; ANYONE TRESPASSING ON THIS PROPERTY SHALL, UPON CONVICTION, BE GUILTY OF A FELONY; "A DANGER, CONSTRUCTION SITE. AUTHORIZED PERSONNEL ONLY," and other general safety warning signs, i.e., "HARD HAT AREA," as are deemed necessary by the Contractor and project manager.

(6) In the event barricading of a work site is not feasible, alternative measures may be used upon prior approval by the County safety Office. Alternative measures may include, but are not limited to, working during "off 'hours such as nights, weekends, or holidays, or the

providing of temporary accommodations for building occupants (to be prearranged, if necessary, at the discretion of the County).

(7) The Contractor shall ensure compliance with all fire safety codes at the work site, especially as to egress, during the construction phase of an occupied facility. In no instance, (except where impractical and with the prior approval of the County's Department of Safety and Risk Services and the appropriate life safety code inspector), shall the life safety code components of an occupied facility be reduced or otherwise compromised.

A set of these construction plans, with a signature of approval by the appropriate life safety code inspector, shall be kept at each construction site and available for routine inspection. The Contractor shall communicate with each subcontractor and County's Department of Safety and Risk Services as to scheduling of events that may pose hazards or inconveniences to building occupants. The Contractor shall also ensure that appropriate scheduling information is also conveyed to the project manager.

- When a project alters a building's fire protection compartment features, such as fire barriers, smoke barriers, or corridor walls, exits must provide free and unobstructed egress. Employees shall receive notice if any alternative exits have been designated. Buildings or areas under construction must maintain escape egress for construction workers at all times. These means of egress shall be inspected daily by the Contractor.

- When a project affects fire alarms, fire detection, or fire suppression systems, of a building that is occupied, the Contractor must ensure that such systems are not functionally impaired. Any temporary systems, which are installed, must be inspected and tested monthly by the Contractor. Employees must be notified when such temporary systems are in place.

- When any sources of ignition are present, such as welding torches, smoking by all persons shall be prohibited on any construction site and in any County facility.

(8) Noise, dust, and the use of chemical products may create inside health hazards at the work site to building occupants requiring that the Contractor to adhere to the following guidelines at a minimum:

(a) The Contractor shall initiate construction and engineering safety controls to minimize exposure of dusts, noise, and chemical odors to building occupants. These controls may involve the construction or use of temporary walls, plastic barriers, mechanical ventilation, elimination of make-up air returns from work areas, pressurizing occupied areas, or a combination of several methods. The Contractor shall coordinate all such engineering efforts with the project manager, and these control measures shall require prior approval by the County's Department of Safety and Risk Services. In cases where these efforts may not be feasible, alternative work schedules on evenings and weekends may be instituted as a part of this process.

(b) Material Safety Data Sheets (MSDS) shall be provided to the County's Department of Safety and Risk Services for all hazardous substances used on the project or

brought on the job site. These products include, but are not limited to, paints, solvents, roofing compounds, and cleaning compounds.

(c) Appropriate precautions shall be taken to prevent occupant exposure to hazardous respirable dusts, contaminants, and fumes from welding, cutting, or drilling of concrete and masonry, or the operation of internal combustion engines. The Contractor shall also determine whether respirable crystalline silica, which is a potential carcinogen contained in many building products, is present at the work site. Control of dusts from these types of products and operations shall be an essential safety requirement for the Contractor.

(d) The Contractor should be aware of other buildings adjacent to his work areas and shall be prepared to take necessary actions to prevent the spread of dusts and fumes to those facilities.

(9) The Contractor shall ensure that all emergency notifications, including those for fires and medical needs, shall be promptly made by dialing County 911 dispatchers. The Caller should state the exact location of the work site emergency, the nature of the emergency, and specifically indicate if medical or fire services are needed.

(10) The Contractor agrees and understands that all County construction/renovation sites shall be subject to periodic inspection by life safety code inspectors, Florida Department of Labor and Employment Security, Division of Safety, Occupational Safety and Health Administration, Florida Department of Environmental Protection, Environmental Protection Agency, and other Federal, State, or County regulatory agencies.

(11) The Contractor shall provide adequate refuse containers for the disposal of construction debris. Refuse shall not be allowed to accumulate on the project site grounds, and the Contractor shall ensure that these containers are subsequently emptied on a regular basis.

(12) Water runoff and soil erosion from the project site shall be controlled by the Contractor pursuant to the regulations of the Florida Department of Environmental Protection.

(13) Water-based paint and stain products shall be used by the Contractor in the place of solvent-based products where the application so permits. Use of organic solvent-based products shall be used only where absolutely necessary and with the prior approval of the project manager. Lead-containing paints shall not be normally used or specified for any application. If the use of lead-containing paint is essential for a specific application, prior written approval from the County's Department of Safety and Risk Services shall be obtained before their use.

(14) The use of any products containing toxic metals, especially those regulated by Resource Conservation and Recovery Act (RCRA), (i.e. lead, chromium, barium, silver, arsenic, cadmium, mercury, selenium), on the work site shall be avoided. Prior written approval for use of these metals shall be obtained by the Contractor from the County's Department of Safety and Risk Services.

(15) The use of any radioactive materials by the Contractor on project sites shall require pre-approval. Copies of appropriate certifications, licenses, testing, and inspection records shall be provided by the Contractor to the project manager and County's Department of Safety and Risk Services for review.

(16) The County contracts out the identification and abatement of asbestos containing building materials. Asbestos abatement can only be performed by state licensed asbestos abatement contractors. General contractors, therefore, shall not be authorized to remove or disturb any asbestos containing materials. Although efforts are made to identify or remove such asbestos containing materials prior to renovations, the possibility exists that asbestos materials may be encountered at a work site. If so, Contractors who encounter such materials shall immediately stop work and notify the project manager and the County's Department of Safety and Risk Services.

(17) The above-cited guidelines represent minimum expectations and actions, which shall be taken by Contractors while under contract for County construction and renovation projects. These guidelines are not all inclusive and will be revised as necessary. In the event these guidelines conflict with other contract documents, the most stringent application shall apply. Any questions or disputes should be brought to the immediate attention of the project manager and County's Department of Safety and Risk Services.

EXHIBIT D
RELEASE AND AFFIDAVIT

COUNTY OF ESCAMBIA
STATE OF FLORIDA

Before me, the undersigned authority, personally appeared _____, who after being duly sworn, deposes and says:

(1) In accordance with the Contract Documents and in consideration of $_____ paid, _____ ("Contractor") releases and waives for itself and its subcontractors, material men, successors and assigns, all claims demands, costs and expenses, whether in contract or in tort, against the Board of County Commissioners of Escambia County, Florida, ("County") relating in any way to the performance of the Agreement between Contractor and County dated _____, 20____, for the period from _____ to _____.

(2) Contractor certifies for itself and its subcontractors, material men, successors and assigns, that all charges for labor, materials, supplies, lands, licenses and other expenses for which County might be sued or for which a lien or a demand against any payment bond might be filed, have been fully satisfied and paid.

(3) Contractor agrees to indemnify, defend and save harmless County from all demands or suits, actions, claims of liens or other charges filed or asserted against the County arising out of the performance by Contractor of the Work covered by this Release and Affidavit.

(4) This Release and Affidavit is given in connection with Contractor's (monthly/final) Application for Payment No. _____.

EXHIBIT G
PAYMENT ADJUSTMENT - BITUMINOUS MATERIALS.

1. The bid unit price for Bituminous Material will be adjusted to reflect changes, both increases and decreases, in the Asphalt Index price of bituminous material from that in effect during the month in which bids were received for this contract. The Contractor will not be given the option to reject this cost adjustment of Bituminous Materials. This adjustment will be made in accordance with the following criteria:

1.1. Price adjustments will apply only to the price of bituminous material F. O. B. manufacturer's asphalt terminal and will not reflect variations in the cost of transportation from the terminal to the job site.

1.2. Price adjustments will be made for all bituminous material incorporated into asphalt pavement whether paid for under a separate bid item or under other items, which include the cost of bituminous material.

1.3. Price adjustments will not be made until the semi-final or final payment is made on the contract. The bid unit price for bituminous material will be used in preparing monthly progress payments.

1.4. No price adjustment reflecting any further increases in the cost of bituminous material will be made for any month after expiration of the allowable contract time, including any extensions that may be granted.

1.5. The adjusted unit price shall be calculated for the month during which the material was incorporated into the project in accordance with the following formula:

Pa ' PbX(Id-Ib) where:
Pa ' Adjusted unit price for Bituminous Material. (To be calculated separately for each month during which bituminous material is used and will reflect an increased or decreased price.)
Pb ' Bid unit price for Bituminous Material.
Id ' Asphalt Price Index during the month in which the material is incorporated into the project.
Ib ' Asphalt Price Index during the month in which bids were received for this contract.

1.6. The County will determine the Asphalt Price Index for each month. The Index shall be determined by averaging quotations in effect on the first day of the month at all terminals, which could reasonably be expected to furnish bituminous material to projects in the State of Florida.

1.7. A price adjustment will be made only when the current Asphalt Price Index varies by 5% or more from the Index that was applicable when bids were received or 5% or more from when the last previous adjustment was made.

The Asphalt Price Index to be used by the County will be that used by the Florida Department of Transportation, as available from them after the 15th of each month.

Phone: 850-595-4987
Email: Lagordon@myescambia.com

SPECIAL ACCOMMODATIONS:
Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing (850-595-4980) at least five (5) working days prior to the solicitation opening.

Notice

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee Vendor until such time as the contract is executed by the last party to the transaction.

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to Vendors of the local Vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and

2. Holds any business license required by Escambia County or Santa Rosa County, and

3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any Vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification, and shall have the sole discretion to determine if a Vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **Community Redevelopment Area (CRA)** is within **seven percent (7%)** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **three percent (3%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within **two percent (2%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **four percent (4%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to Vendors of the local preference policy.

f) Waiver of the Application of Local Preference:

The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

g) Limitations:

1. The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.

2. The provisions of this section shall not apply where prohibited by federal or Florida law, or where prohibited under the conditions of any grant.

3. The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.

4. The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

h) Penalties:

1. Misrepresentation:

A Vendor who misrepresents the local preference status of its firm in a bid or proposal submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year from the date of the award of the contract or upon completion of the contract, whichever is greater.

2. Failure to Maintain Local Business Preference Qualifications:

Any Vendor that does not maintain its local preference status resulted in the awarded contract shall be in breach of contract and will be subject to termination of the contract, suspension of payments under the contract, and loss of the local preference status on the contract awarded.

3. Lack of Good Faith:

The Contractor or firm may show that it attempted through reasonable and objective means and in good faith to comply with the terms of the contract relating to local businesses but was unable to comply. If the County determines that the Contractor or firm did not act in good faith, all amounts paid to the Contractor or firm under the County contract intended for expenditure with the local business shall be forfeited and recoverable by the County. In addition, the contract may be rescinded and the County may return all or a portion of the goods received and recover all amounts paid under the contract for the goods which were returned.

Effective July 1, 2015, the County **may not** use a local preference for a "competitive solicitation for **construction services** in which **fifty percent (50%) or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation." For any such solicitation, the County must disclose in the bid package that "any applicable local ordinance or regulation does not include any local preference…" See §255.0991, Florida Statutes.

HOW TO SUBMIT YOUR BID:
Please review this document carefully. Offers that are accepted by the County are binding contracts. **Incomplete bids are not acceptable.** All documents and submittals shall be received by the Office of Purchasing on or before the date and hour specified for receipt. Late bids will be returned unopened.

* *Documents submitted with Bids are to be on the forms provided in the Invitation to Bid and photocopies of other required documents.*

THE FOLLOWING DOCUMENTS SHALL BE RETURNED WITH THE BID:
- Solicitation, Offer, and Bid Form. The Bid Form must contain an original signature in indelible ink. Bids with photocopies or scanned signatures will not be accepted.
- Bid Surety (bond, check, etc.)

THE FOLLOWING DOCUMENTS SHOULD BE RETURNED WITH THE BID:
- Sworn Statement Pursuant to Section 287.133(3)(A), Florida Statutes on Entity Crimes.
- Drug-Free Workplace Form.
- Information Sheet for Transactions and Conveyances Corporate Identification.
- Certificate of Authority to do Business from the State of Florida.
- Occupational License.
- Florida Department of Business and Professional Regulation – License(s), Certification(s), and/or Registration(s).
- Public Records Exemption of Building Plans

BEFORE YOU SUBMIT YOUR BID, HAVE YOU:
Placed your bid with all required submittal items in a sealed envelope, clearly marked for specification number, project name, name of bidder, and due date and time of bid receipt?

THE FOLLOWING DOCUMENTS ARE REQUIRED UPON NOTICE OF AWARD:
- Certificate of Insurance
- Payment and Performance Bonds

HOW TO SUBMIT A NO BID:
If you do not wish to bid at this time, please remove the Solicitation, Offer, and Bid Form from the Bid Package and enter No Bid in the "Reason for No Offer" block, your company's name, address, signature, and return the Solicitation, Offer, and Bid Form in a sealed envelope. This will ensure your company's active status in our Bidder's list.

This form is for your convenience to assist in filling out your bid.
Do not return this form with your bid.

Attached to bid you shall find a bid bond, cashier's check, or certified check (circle one that applies) in the amount of five percent (5%) of bid.

The work shall be substantially completed within **One Hundred Twenty (130) calendar days** from the Commencement Date. The Bidder agrees to fully complete all work included above within **Thirty (30) consecutive calendar days** from the date of Substantial Completion, which is One Hundred Fifty (150) days from the Notice to Proceed. **Liquidated damages of $150 each day will be assessed for each day that completion of the project is delayed.** All work to be accomplished under this bid shall be the responsibility of Bidder and failure of Sub-Contractors to perform shall not relieve Bidder of any liquidated damages. A Bid Bond in the amount of **five percent (5%) of base bid** is to be furnished by each Bidder. Bidder further acknowledges that all of the work outlined above may not be required at the discretion of Escambia County. The total will be subject to total funds available during the course of the work. However, it is the intent of Escambia County at this time to substantially complete the listed work.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to _____
(Print Name of Public Entity)

By _____
(Print Individual's Name and Title)

For _____
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:

_____

_____

And (if applicable) its Federal Employer Identification Number (FEIN) is:

_____

If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with a convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that is not in the public interest to place the entity submitting this sworn statement on the convicted Vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY INDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Drug-Free Workplace Form

The undersigned Vendor, in accordance with Florida Statue 287.087 hereby certifies that _____ does:

(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in Paragraph One (1).

4. In the statement specified in Paragraph One (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or please of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on, or require the satisfactory participation in a drug assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of Paragraphs 1 through 5.

SPECIAL TERMS AND CONDITIONS

The Board of County Commissioners, Escambia County, Florida, invites your company to submit a sealed offer on the item(s) as listed in this solicitation request.

All terms and conditions below are a part of this request, and no offer will be accepted unless all these conditions have been complied with. The County reserves the right to waive informalities in any offer; to reject any or all offers, in whole or in part, and/or to accept the offer(s) that in its judgement is from the lowest, most responsible, and responsive Offeror(s).

Instructions to Offerors

1. General Information

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed or delivered to the Office of Purchasing, 2nd Floor, Room 11.101, Matt Langley Bell, III Bldg., 213 Palafox Place, Pensacola, FL 32502, in a sealed envelope clearly marked:

Specification Number PD 19-20.017, "Perdido Key Fire Station Concrete Repairs ", Name of Submitting Firm, Time and Date due.
Note: If you are using a courier service (FedEx, Airborne, UPS, etc.) you must mark the air-bill and envelope or box with the Specification number and project name.

Regardless of the method of delivery, each Offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the Offeror(s).

The Following Policy will apply to all methods of source selection:

A. Conduct of Participants

After the issuance of any solicitation, all bidders/proposers/protestors or individuals acting on their behalf are hereby prohibited from **lobbying** as defined herein or otherwise attempting to persuade or influence any elected County officials, their agents or employees or any member of the relevant selection committee at any time during the **blackout period** as defined herein; provided, however, nothing herein shall prohibit bidders/proposers/protestors or individuals acting on their behalf from communicating with the purchasing staff concerning a pending solicitation unless otherwise provided for in the solicitation or unless otherwise directed by the Purchasing Manager.

B. Definitions

Blackout Period means the period between the time the Bids for invitations for bid or the request for proposal, or qualifications, or information, or requests for letters of interest, or the invitation to negotiate, as applicable, are received at the Escambia County Office of Purchasing and the time the Board awards the contract and any resulting bid protest is resolved or the solicitation is otherwise cancelled.

Lobbying means the attempt to influence the thinking of elected County officials, their agents or employees or any member of the relevant Selection Committee for or against a specific cause related to a pending solicitation for goods or services, in person, by mail, by facsimile, by telephone, by electronic mail, or by any other means of communication.

C. Sanctions

The Board may impose any one or more of the following sanctions on a non-employee for violations of the policy set forth herein:

1) Rejection/Disqualification of Submittal,

2) Termination of Contract; or

3) Suspension or Debarment as Provided in Sec. 46-102 of the Escambia County Code of Ordinances.

This policy is not intended to alter the procedure for Protested Solicitations and Awards as set forth in the Sec. 46-101 of the Escambia County Code of Ordinances.

2. Scope of Work:

This project is for the repair of the damaged concrete pavement in the parking lot at the Perdido Key Fire Station. The project is being bid with a Base Bid and four Additive Alternate Bids. The Base Bid consists of demolition of the northeast quadrant of the existing parking lot and replacing it with 8 inches of reinforced concrete on 8 inches of graded aggregate base. A new vinyl sheet pile wall will be constructed around the perimeter of the parking area. Additional concrete pavement will be demolished and replaced at Inlets A. B, C, & H. The curb will be demolished and replaced, the guardrail will be demolished, salvaged and replaced, and a section of sidewalk will be demolished and replaced. The northeast underdrain will be videoed once the pavement is demolished. This will require the removal of the header pipe and videoing each of the eleven lateral pipes. Electric power will need to be restored to the outdoor lights that are outside the parking area, all remaining cracks greater the ¼ inch shall be sealed and the parking spaces will be repainted.

- Additive Alternate No. 1 will consist of demolition and repair of a larger area of pavement around Inlet C than is in the Base Bid and restriping the traffic lane lines.

- Additive Alternate No. 2 will consist of demolition of a portion of the front parking area and replacing with 6 inches of reinforced concrete with 8 inches of graded aggregate base and restriping the parking spaces.

- Additive Alternate No. 3 will consist of demolition and repair of a larger area of pavement around Inlet A than is in the Base Bid and restriping the traffic lane lines.

- Additive Alternate No. 4 will consist of demolition of a section of the west rear parking lot and replacing with 8 inches of reinforced concrete with 8 inches of graded aggregate base.

3. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **5%** of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the Offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful Offeror(s) will be returned immediately after the Offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the Offeror and the County, and/or the Offeror accepts the purchase order by signing the Solicitation, Offer and Bid Form and returning to the County Purchasing department. Any unsuccessful Offeror(s) will have the amounts of his cashier's or certified check returned via County warrant promptly after award.

All Offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

4. Performance and Payment Bonds

The County **shall** require the successful Offeror(s) to furnish **separate performance and payment bonds**, under pledge of adequate surety and covering up to **100% of the dollar value of award** on the forms provided by the County. Such bonds shall be issued by sureties authorized to act as a surety by the State of Florida. Bonds of the successful Offeror(s) shall be reviewed by the Office of Purchasing to assure compliance, then recorded in the Office of the Clerk of the Circuit Court Recording Office, 1st Floor, 221 Palafox Place, Pensacola, Florida, by the successful Offeror at his expense before the contract is executed. The cost of recording is $10.00 for the first page and $8.50 for each additional page.

5. Procurement Questions

Questions shall be directed to Lawrence A. Gordon, Purchasing Specialist, at Lagordon@myescambia.com. Last day for questions will be 1-30-2020 at 5:00 p.m. CDT.

6. Bid Forms

This Solicitation contains a Solicitation, Offer, and Bid Form, which shall be submitted in a sealed envelope, with Original signatures in indelible ink, signed in the proper spaces. Responses on Vendor forms will not be accepted.

The Offeror's Checklist included in this Solicitation provides instructions to the Offeror on the documentation to be submitted during the procurement process.

7. Pre-Solicitation Conference

A non-mandatory Pre-Solicitation Conference will be held at the Escambia County Office of Purchasing, 213 Palafox Place, Pensacola, FL 32502 in Conference Room #11.407 on TBD at 10:00 AM CDT. It is strongly encouraged that all potential bidders attend this non-mandatory conference so they can ask questions and be automatically notified of any updates prior to the Bid Opening.

8. Liquidated Damages

Should the awarded Vendor fail to complete the required services or make delivery of the commodities or equipment within the time(s) specified in the contract, or within such additional time(s) as may be granted by Escambia County, the County will suffer damage, the amount of which is difficult, if not impossible to ascertain therefore, the Vendor shall pay to the County, as liquidated damages, the sum of $150 for each calendar day of delay that actual completion extends beyond the time limit specified until such reasonable time as may be required for final completion of the work. Such sum is mutually agreed upon as a reasonable and proper amount of damages the County will sustain per diem by failure of the Vendor to complete the services or make delivery within the specified time. The costs for liquidated damages shall not be construed as a penalty on the Vendor.

9. Safety Regulations

Equipment shall meet all state and federal safety regulations for grounding of electrical equipment.

10. Codes and Regulations

The awarded Vendor shall strictly comply with all federal, state and local building and safety codes.

11. Payment

Partial payments in the full amount for the value of approved work performed and /or items received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents if required. Payment for accepted equipment/supplies/services will be accomplished by submission of an **original** invoice, in duplicate, to:

Clerk of the Circuit Court
Attention: Accounts Payable
221 Palafox Place
Pensacola, FL 32502

12. Warranty

The awarded Vendor shall fully warrant all equipment furnished hereunder against defect in materials and/or workmanship for a period of One (1) year from date of delivery/acceptance by Escambia County.

Should any defect in materials or workmanship, except ordinary wear and tear, appear during the above stated warranty period, the awarded Vendor shall repair or replace same at no cost to the County, immediately upon written notice from the Purchasing Chief.

13. Drawings

New Public Records Exemptions of Building Plans Florida Statutes Chapter 119.07 www.leg.state.fl.us/statutes (To View Full Text of this Chapter)

Florida Statutes Chapter 119.07 has been amended as it relates to the inspection, examination and duplication of certain documents pertaining to County building construction.

Section 119.07(3)(b) provides the following:

1. Building plans, blueprints, schematic drawings, and diagrams, including draft, preliminary, and final formats, which depict the internal layout and structural elements of a building, arena, stadium, water treatment facility, or other structure owned or operated by an agency as defined in s. 119.011 are exempt from the provisions of subsection (1) and s. 24(a), Art. 1 of the State Constitution.

2. This exemption applies to building plans, blueprints, schematic drawings, and diagrams, including draft, preliminary, and final formats, which depict the internal layout and structural elements of a building, arena, stadium, water treatment facility, or other structure owned or operated by an agency before, on, or after the effective date of this act.

3. Information made exempt by this paragraph may be disclosed:

    a. To another governmental entity if disclosure is necessary for the receiving entity to perform its duties and responsibilities;

    b. To a licensed architect, engineer, or contractor who is performing work on or related to the building, arena, stadium, water treatment facility, or other structure owned or operated by an agency; or

    c. Upon a showing of good cause before a court of competent jurisdiction.

4. The entities or persons receiving such information shall maintain the exempt status of the information.

Therefore, all CD's and copies of CD's together with any reproductions of any of these documents shall be returned with your bid, together with a signed copy of the acknowledgement and certification letter contained in the bid form section of the solicitation.

Drawings titled "Escambia County Juvenile Detention Center Flood Mitigation," dated February 22, 2019 are included in this Solicitation.

14. <u>Debris</u>

Awarded Vendor shall be responsible for the prompt removal of all debris, which is a result of this contractual service.

15. <u>Protection of Property/Security</u>

The awarded Vendor shall provide all barricades and take all necessary precautions to protect buildings and personnel.

All work shall be completed in every respect and accomplished in a professional manner and awarded Vendor shall provide for removal of all debris from County property.

The awarded Vendor shall at all times guard against damage or loss to property of Escambia County, or of other Vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

The County may withhold payment or make such deductions as deemed necessary to

insure reimbursement or replacement for loss or damage to property through negligence of the awarded Offeror or his agent.

The awarded Vendor shall at all times guard against injury to Escambia County employees. The Vendor shall properly fence and secure the construction site(s) at all times, including evenings and weekends.

The awarded Vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

16. Permits

The County and/or its contracted consultant(s) have conducted a review of required permits and fees required to be purchased by the contractor from the County permitting agencies for this specific project and they are listed on the Bid form(s) to the best of our knowledge.

17. Compliance with Governing Laws and Regulations

The Offeror or contractor will be required to fully comply with all applicable federal, state, and local regulations. The Offeror should carefully review these requirements which are detailed in this solicitation.

18. Pricing

All items sold to the County as a result of this award are subject to post sale audit adjustment. In the event an audit indicates Offeror has not honored quoted price lists and discounts, Offeror will be liable for any and all overage charges.

19. Termination

A. The contract may be canceled by the contractor, for good cause, upon ninety (90) days prior written notice.

B. The County retains the right to terminate the contract, with or without good cause, upon thirty (30) days prior written notice.

C. In the event of termination by either party as provided herein, the awarded Vendor shall be paid for services performed through the date of termination.

20. Licenses, Certifications, Registrations

The Offeror shall at any time of Bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the Bid submission; and, the Offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

21. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the

solicitation opening date or until the date of award, whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the County within ninety (90) days from the solicitation opening date, the Offeror may withdraw his offer or provide a written extension of his offer.

22. Award

Award shall be made on an "all-or-none total" basis.

23. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the County's performance standards. In the event that any of the provisions of the contract are violated by awarded Vendor, Escambia County may serve written notice upon the awarded Vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the Vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

24. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the County may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice,

during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the County may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

Non-Contract Insurance Requirements

25. Standard Insurance Requirements and Certificates

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the Offeror's insurance carrier will be required as evidence that the Offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance,

except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. <u>Workers Compensation Coverage</u>

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least $100,000 each accident and $100,000 each employee/$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit

of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of $1,000,000.00 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when

required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.

2. Include a reference to the project and the Office of Purchasing number.

3. Disclose any self-insured retentions in excess of $1,000.

4. Designate Escambia County as the certificate holder as follows:

   Escambia County
   Attention: Lawrence A. Gordon, Purchasing Specialist
   Office of Purchasing, Room 11.101
   Pensacola, FL 32591-1591
   Fax (850) 595-4987

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's

compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Commercial General Liability Coverage Project Aggregate

Because the commercial general liability form of coverage includes an annual aggregate limitation on the amount of insurance provided, a separate project aggregate limit of $_____ is required by the County for this agreement or contract.

Owners Protective Liability Coverage

For renovation or construction contracts the contractor shall provide for the County an owners protective liability insurance policy (preferably through the contractor's insurer) in the name of the County.

This is redundant coverage if the County is named as an additional insured in the contractor's commercial general liability insurance policy. However, this separate policy may be the only source of coverage if the contractor's liability coverage limit is used up by other claims.

Builders Risk Coverage

Builders risk insurance is to be purchased to cover subject property for all risks of loss, subject to a waiver of coinsurance, and covering off-site storage, transit and installation risks as indicated in the installation floater and motor truck cargo insurance described hereafter, if such coverages are not separately provided.

The builders risk insurance is to be endorsed to cover the interests of all parties, including the County and all contractors and subcontractors. The insurance is to be endorsed to grant permission to occupy.

Installation Floater Coverage

Installation floater insurance is to be purchased when builder's risk insurance is inappropriate, or when builder's risk insurance will not respond, to cover damage or destruction to renovations, repairs or equipment being installed or otherwise being handled or stored by the contractor, including off-site storage, transit and installation. The amount of coverage should be adequate to provide full replacement value of the property, repairs, additions or equipment being installed, otherwise being handled or stored on or off premises. All risks coverage is preferred.

Motor Truck Cargo Coverage

If the installation floater insurance does not provide transportation coverage, separate motor truck cargo or transportation insurance is to be provided for materials or equipment transported in the contractor's or other vehicles from place of receipt to building sites or other storage sites. All risks coverage is preferred.

Fidelity/Dishonesty/Liability Coverage - for County

Fidelity/dishonesty/liability insurance is to be purchased or extended to cover dishonest acts of the contractor's employees resulting in loss to the County.

26. <u>Indemnification</u>

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first $100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

Any singular reference to Contractor, Surety, Owner or other party shall be considered plural where applicable.

BOND AMOUNT: 5% Five Percent of Amount Bid

PROJECT:
(Name, location or address, and Project number, if any)

Perdido Key Fire Station Concrete Repairs/#PD 19-20.017/15500 Perdido Key Dr., Pensacola, FL

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

Signed and sealed this 29th day of January, 2020.

Attached to bid you shall find a bid bond, cashier's check or certified check (circle one that applies) in the amount of Five Percent (%) of bid.
(FIVE OR TEN PERCENT)

The work shall be substantially completed within One hundred thirty (130) calendar days from the Commencement Date. The Bidder agrees to fully complete all work included above within thirty (30) consecutive calendar days from the date of Substantial Completion. **Liquidated damages of $150 each day will be assessed for each day that completion of the project is delayed.** All work to be accomplished under this bid shall be the responsibility of Bidder and failure of subcontractors to perform shall not relieve Bidder of any liquidated damages. A Bid Bond in the amount of 5% of base bid is to be furnished by each Bidder. Bidder further acknowledges that all of the work outlined above may not be required at the discretion of Escambia County. The total will be subject to total funds available during the course of the work. However, it is the intent of Escambia County at this time to substantially complete the listed work.

Names and addresses of proposed Subcontractors to be utilized for work on this project:

1. Demo - Delta Construction
2. Site - Empire Builders
3. Pilings - D P Construction
4.

NOTE:
FOR INFORMATION ONLY:
In the Agreement section of the Standard Construction Document, please fill in the above appropriate calendar days and the dollar amount.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON ENTITY CRIMES

1. This sworn statement is submitted to Escambia County
(Print Name of Public Entity)

By Michael Kelly
(Print Individual's Name and Title)

For Empire Builders Group Inc.
(Print Name of Entity Submitting Sworn Statement)

Whose business address is:
P.O. box 37771
Pensacola, FL 32526

And (if applicable) its Federal Employer Identification Number (FEIN) is:
03-0542651

If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: 03-0542651

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:

   a. A predecessor or successor of a person convicted of a public entity crime; or

   b. An entity under the control any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding thirty-six (36) months shall be considered an affiliate.

c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **Indicate which statement applies.**

✓ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with a convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that is not in the public interest to place the entity submitting this sworn statement on the convicted Vendor list. **(Attach a copy of the final order.)**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY INDENTIFIED IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Drug-Free Workplace Form

The undersigned Vendor, in accordance with Florida Statue 287.087 hereby certifies that Empire Builders Group Inc. does:
(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in Paragraph One (1).

4. In the statement specified in Paragraph One (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or please of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on, or require the satisfactory participation in a drug assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of Paragraphs 1 through 5.

Check One:

✓ As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

_____ As the person authorized to sign this statement, this firm **does not** comply fully with the above requirements.

Note 2: Recommendations after contract award, typically Contract Administration matters such as amendments, change orders, assignments, and task are to be prepared by the Department. Add-on recommendations will require the approval of the Purchasing Manager (or his designee) and the Director of Administrative Services (or her designee).

BOARD OF COUNTY COMMISSIONERS
Escambia County, Florida

AI-17730 **County Administrator's Report 12. 46.**
BCC Regular Meeting **Budget & Finance Consent**
Meeting Date: 05/07/2020
Issue: Contract Award for 19-20 Road Resurfacing Project
From: PAUL NOBLES, Purchasing Manager
Organization: Asst County Administrator

RECOMMENDATION:

Recommendation Concerning Contract Award for 19-20 Road Resurfacing Project - Joy Jones, Department Director, Engineering Department through Paul Nobles, Purchasing Manager, Office of Purchasing

That the Board approve and authorize the County Administrator to sign the Agreement between Escambia County, Florida, and Roads Inc., of NWF, per the terms and conditions of PD 19-20.033, 19-20 Road Resurfacing Project , in the amount of $3,245,664.99 for basic construction services.

Vendor/Contractor	Funding	Amount	Contract Number
Roads Inc, of NWF	Fund 353, LOST IV; Cost Center 210106, Object Code 56301, Project Number 20EN0918	$3,245,664.99	PD 19-20.033

Non-ADA COMPLIANT DOCUMENTS TO BE DISTRIBUTED UNDER SEPARATE COVER:

Roads Inc. of NWF Bid

BACKGROUND:

The bids were opened on March 19, 2020, 2:00 p.m., at the Office of Purchasing conference room. The low bid was Midsouth Paving, with a bid amount of $3,239,647.39. Due to past workmanship and scheduling deficiencies on the 17-18 Resurfacing Contract, as described in the evaluation found in the backup, the Department's recommendation for award is to the second lowest most responsible bidder, Roads, Inc. of NWF, with a bid amount of $3,245,664.99.

This project consists of the resurfacing and/or reconstructing in portion or whole of Falcon Drive, English Oak Circle, Oakcliff Road, Brisas Way, Cariba Court, Las Brisas Drive, Las Brisas Court, Pebble Creek Drive, Pebble Creek Place, Pebble Creek Road, Pebble Creek Terrace, Clear Lake Drive, Chandelle Drive, Chandelle Lake Drive, Detroit Boulevard, Raleigh Circle, Cain Avenue, Hawkins Street, Hoyt Street, Fairchild Street, Lilac Lane, Nestle Drive, Bloodworth Lane, Plantation Road, and Sunshine Hill Road. This project will also include other work associated with the reconstruction of roadways such as maintenance of traffic, stormwater pollution prevention, sod stabilization, shoulder work, pavement striping, possible dewatering, etc. The contractor is to maintain traffic flow at all times, with minimal delays. Roadways are to have two-way traffic opened during all non-working hours. Closure of one lane will be allowed only during working hours. Contractor is to notify the residents no later than 48 hours prior to work beginning on each roadway/group of roads. The Road Department shall receive 50% of the milling from this Contract. Contractor is to coordinate with the Road Department on when and where this shall occur. The Road Department will provide trucks to transport millings from a mutually agreed upon location.

BUDGETARY IMPACT:

Vendor/Contractor	Funding	Amount	Contract Number
Roads Inc., of NWF	Fund 353, LOST IV; Cost Center 210106, Object Code 56301, Project Number 20EN0918	$3,245,664.99	PD 19-20.033

LEGAL CONSIDERATIONS/SIGN-OFF:

Attorney Standard Form of Contract, FORM D: Road/Drainage

PERSONNEL:

The Engineering Department Staff will coordinate all tasks.

POLICY/REQUIREMENT FOR BOARD ACTION:

This Recommendation is in compliance with the Code of Ordinances of Escambia County, Florida 1999, Chapter 46, Finance, Article ll Purchases and Contracts.

IMPLEMENTATION/COORDINATION:

The Office of Purchasing will issue the Attorney Standard Form of Contract, Form D, Road/Drainage and Purchase Order.

SPECIAL ACCOMMODATIONS:
Any person requiring special accommodations to attend or participate, pursuant to the Americans with Disabilities Act, should call the Office of Purchasing (850-595-4980) at least five (5) working days prior to the solicitation opening.

Notice

It is the specific legislative intent of the Board of County Commissioners that NO CONTRACT under this solicitation shall be formed between Escambia County and the awardee Vendor until such time as the contract is executed by the last party to the transaction.

NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to Vendors of the local Vendor preference policy:

Sec. 46-110.-Local Preference in Bidding

a) Legislative Intent:

The Escambia County Board of County Commissioners finds that local businesses are often at a disadvantage when competing with other non-local businesses in that the cost of doing business in Escambia County is higher than other areas of the state and giving local businesses a preference in the procurement of goods and services serves a compelling public purpose for the benefit of the taxpayer and residents of Escambia County as such preference encourages local industry, employment opportunities, and increases the County's overall tax base.

b) "Local Business" Defined:

For the purposes of this section, "Local Business" shall mean a business which meets all of the following criteria:

1. Has had a fixed office or distribution point located in and having a street address within Escambia County of Santa Rosa County for at least one (1) year immediately prior to the issuance of the request for competitive bids by the County. The fixed office or distribution point must be staffed by at least one (1) employee. Post Office boxes are not verifiable and shall not be used for the purpose of establishing a physical address, and

2. Holds any business license required by Escambia County or Santa Rosa County, and

3. Is the principal Offeror who is a single Offeror; a business which is the prime Contractor and not a Sub-Contractor, or a partner, or joint venture submitting an offer in conjunction with other businesses.

c) Certification:

Any Vendor claiming to be a local business as defined above shall so certify in writing to the Escambia County Office of Purchasing. The certification shall provide all necessary information to meet the requirements provided herein. The purchasing agent shall not be required to verify the accuracy of any such certification and shall have the sole discretion to determine if a Vendor meets the definition of a "Local Business."

d) Preference in Purchase of Commodities and Services by Means of Competitive Bid:

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

Competitive Bid (Local Price Match Option): Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $50,000.00 and $249,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **Community Redevelopment Area (CRA)** is within **seven percent (7%)** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualifies and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses is within **three percent (3%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between $250,000.00 and $999,999.99, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **five percent (5%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within **two percent (2%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of $1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated **CRA** is within **four percent (4%)** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the Escambia County Office of Purchasing within five (5) business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not

fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the Escambia County Board of County Commissioners.

e) Notice:

All bid solicitation documents shall include notice to Vendors of the local preference policy.

f) Waiver of the Application of Local Preference:
